

part. In clause (2), the words “when relevant” are omitted as surplus. The cross-reference to 15:2023(a)(3) is omitted. The text of 15:2023(a)(3), originally enacted as section 603(a)(3) of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947), was repealed by section 303(2) of the Anti Car Theft Act of 1992 (Public Law 102-519, 106 Stat. 3396). Section 303(2) also redesignated subsection (a)(4) as subsection (a)(3). However, a corresponding amendment to correct the cross-reference in the source provisions restated in this section was not made.

In subsection (b), the words “authorized to have the information” are added for clarity and consistency with similar provisions in other chapters in this part.

§ 33117. Judicial review

A person that may be adversely affected by a regulation prescribed under this chapter may obtain judicial review of the regulation under section 32909 of this title. A remedy under this section is in addition to any other remedies provided by law.

CHAPTER REFERRED TO IN OTHER SECTIONS

This chapter is referred to in sections 46301, 46316 of this title.

§ 40101. Policy

(a) ECONOMIC REGULATION.—In carrying out subpart II of this part and those provisions of subpart IV applicable in carrying out subpart II, the Secretary of Transportation shall consider the following matters, among others, as being in the public interest and consistent with public convenience and necessity:

(1) assigning and maintaining safety as the highest priority in air commerce.

(2) before authorizing new air transportation services, evaluating the safety implications of those services.

(3) preventing deterioration in established safety procedures, recognizing the clear intent, encouragement, and dedication of Congress to further the highest degree of safety in air transportation and air commerce, and to maintain the safety vigilance that has evolved in air transportation and air commerce and has come to be expected by the traveling and shipping public.

(4) the availability of a variety of adequate, economic, efficient, and low-priced services without unreasonable discrimination or unfair or deceptive practices.

(5) coordinating transportation by, and improving relations among, air carriers, and encouraging fair wages and working conditions.

(6) placing maximum reliance on competitive market forces and on actual and potential competition—

(A) to provide the needed air transportation system; and

(B) to encourage efficient and well-managed air carriers to earn adequate profits and attract capital, considering any material differences between interstate air transportation and foreign air transportation.

(7) developing and maintaining a sound regulatory system that is responsive to the needs of the public and in which decisions are reached promptly to make it easier to adapt the air transportation system to the present and future needs of—

(A) the commerce of the United States;

(B) the United States Postal Service; and

(C) the national defense.

(8) encouraging air transportation at major urban areas through secondary or satellite airports if consistent with regional airport plans of regional and local authorities, and if endorsed by appropriate State authorities—

(A) encouraging the transportation by air carriers that provide, in a specific market, transportation exclusively at those airports; and

(B) fostering an environment that allows those carriers to establish themselves and develop secondary or satellite airport services.

(9) preventing unfair, deceptive, predatory, or anticompetitive practices in air transportation.

(10) avoiding unreasonable industry concentration, excessive market domination, monopoly powers, and other conditions that would tend to allow at least one air carrier or foreign air carrier unreasonably to increase prices, reduce services, or exclude competition in air transportation.

(11) maintaining a complete and convenient system of continuous scheduled interstate air transportation for small communities and isolated areas with direct financial assistance from the United States Government when appropriate.

(12) encouraging, developing, and maintaining an air transportation system relying on actual and potential competition—

(A) to provide efficiency, innovation, and low prices; and

(B) to decide on the variety and quality of, and determine prices for, air transportation services.

(13) encouraging entry into air transportation markets by new and existing air carriers and the continued strengthening of small air carriers to ensure a more effective and competitive airline industry.

(14) promoting, encouraging, and developing civil aeronautics and a viable, privately-owned United States air transport industry.

(15) strengthening the competitive position of air carriers to at least ensure equality with foreign air carriers, including the attainment of the opportunity for air carriers to maintain and increase their profitability in foreign air transportation.

(b) ALL-CARGO AIR TRANSPORTATION CONSIDERATIONS.—In carrying out subpart II of this part

and those provisions of subpart IV applicable in carrying out subpart II, the Secretary of Transportation shall consider the following matters, among others and in addition to the matters referred to in subsection (a) of this section, as being in the public interest for all-cargo air transportation:

(1) encouraging and developing an expedited all-cargo air transportation system provided by private enterprise and responsive to—

- (A) the present and future needs of shippers;
- (B) the commerce of the United States; and
- (C) the national defense.

(2) encouraging and developing an integrated transportation system relying on competitive market forces to decide the extent, variety, quality, and price of services provided.

(3) providing services without unreasonable discrimination, unfair or deceptive practices, or predatory pricing.

(c) GENERAL SAFETY CONSIDERATIONS.—In carrying out subpart III of this part and those provisions of subpart IV applicable in carrying out subpart III, the Administrator of the Federal Aviation Administration shall consider the following matters:

(1) the requirements of national defense and commercial and general aviation.

(2) the public right of freedom of transit through the navigable airspace.

(d) SAFETY CONSIDERATIONS IN PUBLIC INTEREST.—In carrying out subpart III of this part and those provisions of subpart IV applicable in carrying out subpart III, the Administrator shall consider the following matters, among others, as being in the public interest:

(1) assigning, maintaining, and enhancing safety and security as the highest priorities in air commerce.

(2) regulating air commerce in a way that best promotes safety and fulfills national defense requirements.

(3) encouraging and developing civil aeronautics, including new aviation technology.

(4) controlling the use of the navigable airspace and regulating civil and military operations in that airspace in the interest of the safety and efficiency of both of those operations.

(5) consolidating research and development for air navigation facilities and the installation and operation of those facilities.

(6) developing and operating a common system of air traffic control and navigation for military and civil aircraft.

(7) providing assistance to law enforcement agencies in the enforcement of laws related to regulation of controlled substances, to the extent consistent with aviation safety.

(e) INTERNATIONAL AIR TRANSPORTATION.—In formulating United States international air transportation policy, the Secretaries of State and Transportation shall develop a negotiating policy emphasizing the greatest degree of competition compatible with a well-functioning international air transportation system, including the following:

(1) strengthening the competitive position of air carriers to ensure at least equality with foreign air carriers, including the attainment of the opportunity for air carriers to maintain and increase their profitability in foreign air transportation.

(2) freedom of air carriers and foreign air carriers to offer prices that correspond to consumer demand.

(3) the fewest possible restrictions on charter air transportation.

(4) the maximum degree of multiple and permissive international authority for air carriers so that they will be able to respond quickly to a shift in market demand.

(5) eliminating operational and marketing restrictions to the greatest extent possible.

(6) integrating domestic and international air transportation.

(7) increasing the number of nonstop United States gateway cities.

(8) opportunities for carriers of foreign countries to increase their access to places in the United States if exchanged for benefits of similar magnitude for air carriers or the traveling public with permanent linkage between rights granted and rights given away.

(9) eliminating discrimination and unfair competitive practices faced by United States airlines in foreign air transportation, including—

- (A) excessive landing and user fees;
- (B) unreasonable ground handling requirements;
- (C) unreasonable restrictions on operations;
- (D) prohibitions against change of gauge; and
- (E) similar restrictive practices.

(10) promoting, encouraging, and developing civil aeronautics and a viable, privately-owned United States air transport industry.

(f) STRENGTHENING COMPETITION.—In selecting an air carrier to provide foreign air transportation from among competing applicants, the Secretary of Transportation shall consider, in addition to the matters specified in subsections (a) and (b) of this section, the strengthening of competition among air carriers operating in the United States to prevent unreasonable concentration in the air carrier industry.

In this part, the words “overseas air commerce” and “overseas air transportation” are omitted as obsolete because there no longer is a distinction in economic or safety regulation between “interstate” and “overseas” air commerce or air transportation.

In this section, the words “In carrying out . . . this part” are substituted for “In the exercise and performance of its powers and duties under this chapter” in 49 App.:1302(a), “In the exercise and performance of his powers and duties under this chapter” in 49 App.:1303, and “In exercising the authority granted in, and discharging the duties imposed by, this chapter” in 49 App.:1347 for consistency in the revised title and to eliminate unnecessary words.

In subsections (a) and (b), the reference to subpart II is added because the policy applies only to economic issues, and under the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 731), the Civil Aeronautics Board was given responsibility for economic issues.

In subsection (a)(2), the word “full” is omitted as surplus. The words “the recommendations of the Secretary of Transportation on” are omitted as obsolete because the Secretary carries out 49 App.:1302(a). The words “and full evaluation of any report or recommendation submitted under section 1307 of this Appendix” are omitted as obsolete because the report and recommendations are no longer required.

In subsection (a)(4), the words “by air carriers and foreign air carriers” are omitted as surplus. The words “unreasonable discrimination” are substituted for “unjust discriminations, undue preferences or advantages” for consistency in the revised title and to eliminate unnecessary words.

In subsection (a)(6)(B), the words “nevertheless”, “on the one hand”, and “on the other” are omitted as surplus.

In subsection (a)(8), before subclause (A), the word “authorities” is substituted for “entities” for consistency in the revised title and with other titles of the Code. In subclause (A), the words “sole responsibility” are omitted as unnecessary because of the restatement.

In subsection (a)(15), the words “United States” are omitted as surplus because of the definition of “air carrier” in section 40102(a) of the revised title.

In subsection (b)(3), the words “unreasonable discrimination” are substituted for “unjust discriminations, undue preferences or advantages” for consistency in the revised title and to eliminate unnecessary words.

In subsections (c) and (d), the reference to subpart III is added because the policies apply only to safety issues, and under the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 731), the Federal Aviation Administration was given responsibility for safety issues.

In subsection (c), before clause (1), the word “Administrator” in section 306 of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 749) is retained on authority of 49:106(g). The words “consider the following matters” are substituted for “give full consideration to” for consistency in this section.

In subsection (d)(3), the word “both” in 49 App.:1303(c) is omitted as surplus the first time it appears. The words “of the United States” are omitted for consistency in the revised title and because of the definition of “navigable airspace” in section 40102(a) of the revised title. The words “of those operations” are added for clarity.

In subsection (d)(5), the word “both” in 49 App.:1303(e) is omitted as surplus.

In subsection (e), before clause (1), the words “the Congress intends that” are omitted as surplus. In clauses (1) and (4), the words “United States” are omitted as surplus because of the definition of “air carrier” in section 40102(a) of the revised title. In clause (2), the word “prices” is substituted for “fares and rates” because of the definition of “price” in section 40102(a). In clause (8), the words “places in the United States” are substituted for “United States points” for consistency in this chapter. The word “air” is added for clarity and consistency in this subtitle. In clause (9)(C), the word “unreasonable” is substituted for “undue” for consistency in the revised title and with other titles of the United States Code.

FINDINGS

Section 271 of Pub. L. 104-264 provided that: "Congress finds the following:

"(1) The Administration [Federal Aviation Administration] is recognized throughout the world as a leader in aviation safety.

"(2) The Administration certifies aircraft, engines, propellers, and other manufactured parts.

"(3) The Administration certifies more than 650 training schools for pilots and nonpilots, more than 4,858 repair stations, and more than 193 maintenance schools.

"(4) The Administration certifies pilot examiners, who are then qualified to determine if a person has the skills necessary to become a pilot.

"(5) The Administration certifies more than 6,000 medical examiners, each of whom is then qualified to medically certify the qualifications of pilots and nonpilots.

"(6) The Administration certifies more than 470 airports, and provides a limited certification for another 205 airports. Other airports in the United States are also reviewed by the Administration.

"(7) The Administration each year performs more than 355,000 inspections.

"(8) The Administration issues more than 655,000 pilot's licenses and more than 560,000 nonpilot's licenses (including mechanics).

"(9) The Administration's certification means that the product meets world-wide recognized standards of safety and reliability.

"(10) The Administration's certification means aviation-related equipment and services meet world-wide recognized standards.

"(11) The Administration's certification is recognized by governments and businesses throughout the world and as such may be a valuable element for any company desiring to sell aviation-related products throughout the world.

"(12) The Administration's certification may constitute a valuable license, franchise, privilege or benefits for the holders.

"(13) The Administration also is a major purchaser of computers, radars, and other systems needed to run the air traffic control system. The Administration's design, acceptance, commissioning, or certification of such equipment enables the private sector to market those products around the world, and as such confers a benefit on the manufacturer.

"(14) The Administration provides extensive services to public use aircraft."

(a) SOVEREIGNTY AND PUBLIC RIGHT OF TRANSIT.—(1) The United States Government has exclusive sovereignty of airspace of the United States.

(2) A citizen of the United States has a public right of transit through the navigable airspace.

To further that right, the Secretary of Transportation shall consult with the Architectural and Transportation Barriers Compliance Board established under section 502 of the Rehabilitation Act of 1973 (29 U.S.C. 792) before prescribing a regulation or issuing an order or procedure that will have a significant impact on the accessibility of commercial airports or commercial air transportation for handicapped individuals.

(b) USE OF AIRSPACE.—(1) The Administrator of the Federal Aviation Administration shall develop plans and policy for the use of the navigable airspace and assign by regulation or order the use of the airspace necessary to ensure the safety of aircraft and the efficient use of airspace. The Administrator may modify or revoke an assignment when required in the public interest.

(2) The Administrator shall prescribe air traffic regulations on the flight of aircraft (including regulations on safe altitudes) for—

(A) navigating, protecting, and identifying aircraft;

(B) protecting individuals and property on the ground;

(C) using the navigable airspace efficiently; and

(D) preventing collision between aircraft, between aircraft and land or water vehicles, and between aircraft and airborne objects.

(3) To establish security provisions that will encourage and allow maximum use of the navigable airspace by civil aircraft consistent with national security, the Administrator, in consultation with the Secretary of Defense, shall—

(A) establish areas in the airspace the Administrator decides are necessary in the interest of national defense; and

(B) by regulation or order, restrict or prohibit flight of civil aircraft that the Administrator cannot identify, locate, and control with available facilities in those areas.

(1) it is unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide the services; and

(2) allowing more than one fixed-based operator to provide the services requires a reduction in space leased under an agreement existing on September 3, 1982, between the operator and the airport.

WARSAW CONVENTION

49 Stat. 3000; TS 876

CONVENTION FOR THE UNIFICATION OF CERTAIN RULES RELATING TO INTERNATIONAL TRANSPORTATION BY AIR

THE PRESIDENT OF THE GERMAN REICH, THE FEDERAL PRESIDENT OF THE REPUBLIC OF AUSTRIA, HIS MAJESTY THE KING OF THE BELGIANS, THE PRESIDENT OF THE UNITED STATES OF BRAZIL, HIS MAJESTY THE KING OF THE BULGARIANS, THE PRESIDENT OF THE NATIONALIST GOVERNMENT OF CHINA, HIS MAJESTY THE KING OF DENMARK AND ICELAND, HIS MAJESTY THE KING OF EGYPT, HIS MAJESTY THE KING OF SPAIN, THE CHIEF OF STATE OF THE REPUBLIC OF ESTONIA, THE PRESIDENT OF THE REPUBLIC OF FINLAND, THE PRESIDENT OF THE FRENCH REPUBLIC, HIS MAJESTY THE KING OF GREAT BRITAIN, IRELAND, AND THE BRITISH DOMINIONS BEYOND THE SEAS, EMPEROR OF INDIA, THE PRESIDENT OF THE HELLENIC REPUBLIC, HIS MOST SERENE HIGHNESS THE REGENT OF THE KINGDOM OF HUNGARY, HIS MAJESTY THE KING OF ITALY, HIS MAJESTY THE EMPEROR OF JAPAN, THE PRESIDENT OF THE REPUBLIC OF LATVIA, HER ROYAL HIGHNESS THE GRAND DUCHESS OF LUXEMBURG, THE PRESIDENT OF THE UNITED MEXICAN STATES, HIS MAJESTY THE KING OF NORWAY, HER MAJESTY THE QUEEN OF THE NETHERLANDS, THE PRESIDENT OF THE REPUBLIC OF POLAND, HIS MAJESTY THE KING OF RUMANIA, HIS MAJESTY THE KING OF SWEDEN, THE SWISS FEDERAL COUNCIL, THE PRESIDENT OF THE CZECHOSLOVAK REPUBLIC, THE CENTRAL EXECUTIVE COMMITTEE OF THE UNION OF SOVIET SOCIALIST REPUBLICS, THE PRESIDENT OF THE UNITED STATES OF VENEZUELA, HIS MAJESTY THE KING OF YUGOSLAVIA:

Having recognized the advantage of regulating in a uniform manner the conditions of international transportation by air in respect of the documents used for such transportation and of the liability of the carrier,

Have nominated to this end their respective Plenipotentiaries, who being thereto duly authorized, have concluded and signed the following convention:

CHAPTER I—SCOPE—DEFINITIONS

Article 1

(1) This convention shall apply to all international transportation of persons, baggage, or goods performed by aircraft for hire. It shall apply equally to gratuitous transportation by aircraft performed by an air transportation enterprise.

(2) For the purpose of this convention the expression “international transportation” shall mean any transportation in which, according to the contract made by the parties, the place of departure and the place of destination, whether or not there be a break in the transportation or a transshipment, are situated either with-

in the territories of two High Contracting Parties, or within the territory of a single High Contracting Party, if there is an agreed stopping place within a territory subject to the sovereignty, suzerainty, mandate or authority of another power, even though that power is not a party to this convention. Transportation without such an agreed stopping place between territories subject to the sovereignty, suzerainty, mandate, or authority of the same High Contracting Party shall not be deemed to be international for the purposes of this convention.

(3) Transportation to be performed by several successive air carriers shall be deemed, for the purposes of this convention, to be one undivided transportation, if it has been regarded by the parties as a single operation, whether it has been agreed upon under the form of a single contract or of a series of contracts, and it shall not lose its international character merely because one contract or series of contracts is to be performed entirely within a territory subject to the sovereignty, suzerainty, mandate, or authority of the same High Contracting Party.

Article 2

(1) This convention shall apply to transportation performed by the state or by legal entities constituted under public law provided it falls within the conditions laid down in article 1.

(2) This convention shall not apply to transportation performed under the terms of any international postal convention.

CHAPTER II—TRANSPORTATION DOCUMENTS

SECTION I—PASSENGER TICKET

Article 3

(1) For the transportation of passengers the carrier must deliver a passenger ticket which shall contain the following particulars:

- (a) The place and date of issue;
- (b) The place of departure and of destination;
- (c) The agreed stopping places, provided that the carrier may reserve the right to alter the stopping places in case of necessity, and that if he exercises that right, the alteration shall not have the effect of depriving the transportation of its international character;
- (d) The name and address of the carrier or carriers;
- (e) A statement that the transportation is subject to the rules relating to liability established by this convention.

(2) The absence, irregularity, or loss of the passenger ticket shall not affect the existence or the validity of the contract of transportation, which shall none the less be subject to the rules of this convention. Nevertheless, if the carrier accepts a passenger without a passenger ticket having been delivered he shall not be entitled to avail himself of those provisions of this convention which exclude or limit his liability.

SECTION II—BAGGAGE CHECK

Article 4

(1) For the transportation of baggage, other than small personal objects of which the passenger takes charge himself, the carrier must deliver a baggage check.

(2) The baggage check shall be made out in duplicate, one part for the passenger and the other part for the carrier.

(3) The baggage check shall contain the following particulars:

- (a) The place and date of issue;
- (b) The place of departure and of destination;
- (c) The name and address of the carrier or carriers;
- (d) The number of the passenger ticket;
- (e) A statement that delivery of the baggage will be made to the bearer of the baggage check;
- (f) The number and weight of the packages;
- (g) The amount of the value declared in accordance with article 22(2);

(h) A statement that the transportation is subject to the rules relating to liability established by this convention.

(4) The absence, irregularity, or loss of the baggage check shall not affect the existence or the validity of the contract of transportation which shall none the less be subject to the rules of this convention. Nevertheless, if the carrier accepts baggage without a baggage check having been delivered, or if the baggage check does not contain the particulars set out at (d), (f), and (h) above, the carrier shall not be entitled to avail himself of those provisions of the convention which exclude or limit his liability.

SECTION III—AIR WAYBILL

Article 5

(1) Every carrier of goods has the right to require the consignor to make out and hand over to him a document called an "air waybill": every consignor has the right to require the carrier to accept this document.

(2) The absence, irregularity, or loss of this document shall not affect the existence or the validity of the contract of transportation which shall, subject to the provisions of article 9, be none the less governed by the rules of this convention.

Article 6

(1) The air waybill shall be made out by the consignor in three original parts and be handed over with the goods.

(2) The first part shall be marked "for the carrier", and shall be signed by the consignor. The second part shall be marked "for the consignee"; it shall be signed by the consignor and by the carrier and shall accompany the goods. The third part shall be signed by the carrier and handed by him to the consignor after the goods have been accepted.

(3) The carrier shall sign on acceptance of the goods.

(4) The signature of the carrier may be stamped; that of the consignor may be printed or stamped.

(5) If, at the request of the consignor, the carrier makes out the air waybill, he shall be deemed, subject to proof to the contrary, to have done so on behalf of the consignor.

Article 7

The carrier of goods has the right to require the consignor to make out separate waybills when there is more than package.

Article 8

The air waybill shall contain the following particulars:

- (a) The place and date of its execution;
- (b) The place of departure and of destination;
- (c) The agreed stopping places, provided that the carrier may reserve the right to alter the stopping places in case of necessity, and that if he exercises that right the alteration shall not have the effect of depriving the transportation of its international character;
- (d) The name and address of the consignor;
- (e) The name and address of the first carrier;
- (f) The name and address of the consignee, if the case so requires;
- (g) The nature of the goods;
- (h) The number of packages, the method of packing, and the particular marks or numbers upon them;
- (i) The weight, the quantity, the volume, or dimensions of the goods;
- (j) The apparent condition of the goods and of the packing;
- (k) The freight, if it has been agreed upon, the date and place of payment, and the person who is to pay it;
- (l) If the goods are sent for payment on delivery, the price of the goods, and, if the case so requires, the amount of the expenses incurred;
- (m) The amount of the value declared in accordance with article 22(2);

- (n) The number of parts of the air waybill;
 (o) The documents handed to the carrier to accompany the air waybill;
 (p) The time fixed for the completion of the transportation and a brief note of the route to be followed, of these matters have been agreed upon;
 (q) A statement that the transportation is subject to the rules relating to liability established by this convention.

Article 9

If the carrier accepts goods without an air waybill having been made out, or if the air waybill does not contain all the particulars set out in article 8(a) to (i), inclusive, and (q), the carrier shall not be entitled to avail himself of the provisions of this convention which exclude or limit his liability.

Article 10

- (1) The consignor shall be responsible for the correctness of the particulars and statements relating to the goods which he inserts in the air waybill.
 (2) The consignor shall be liable for all damages suffered by the carrier or any other person by reason of the irregularity, incorrectness or incompleteness of the said particulars and statements.

Article 11

- (1) The air waybill shall be *prima facie* evidence of the conclusion of the contract, of the receipt of the goods and of the conditions of transportation.
 (2) The statements in the air waybill relating to the weight, dimensions, and packing of the goods, as well as those relating to the number of packages, shall be *prima facie* evidence of the facts stated; those relating to the quantity, volume, and condition of the goods shall not constitute evidence against the carrier except so far as they both have been, and are stated in the air waybill to have been, checked by him in the presence of the consignor, or relate to the apparent condition of the goods.

Article 12

- (1) Subject to his liability to carry out all his obligations under the contract of transportation, the consignor shall have the right to dispose of the goods by withdrawing them at the airport of departure or destination, or by stopping them in the course of the journey on any landing, or by calling for them to be delivered at the place of destination, or in the course of the journey to a person other than the consignee named in the air waybill, or by requiring them to be returned to the airport of departure. He must not exercise this right of disposition in such a way as to prejudice the carrier or other consignors, and he must repay any expenses occasioned by the exercise of this right.
 (2) If it is impossible to carry out the orders of the consignor the carrier must so inform him forthwith.
 (3) If the carrier obeys the orders of the consignor for the disposition of the goods without requiring the production of the part of the air waybill delivered to the latter, he will be liable, without prejudice to his right of recovery from the consignor, for any damage which may be caused thereby to any person who is lawfully in possession of that part of the air waybill.
 (4) The right conferred on the consignor shall cease at the moment when that of the consignee begins in accordance with article 13, below. Nevertheless, if the consignee declines to accept the waybill or the goods, or if he cannot be communicated with, the consignor shall resume his right of disposition.

Article 13

- (1) Except in the circumstances set out in the preceding article, the consignee shall be entitled, on arrival of the goods at the place of destination, to require the carrier to hand over to him the air waybill and to deliver the goods to him, on payment of the charges due and on complying with the conditions of transportation set out in the air waybill.

(2) Unless it is otherwise agreed, it shall be the duty of the carrier to give notice to the consignee as soon as the goods arrive.

(3) If the carrier admits the loss of the goods, or if the goods have not arrived at the expiration of seven days after the date on which they ought to have arrived, the consignee shall be entitled to put into force against the carrier the rights which flow from the contract of transportation.

Article 14

The consignor and the consignee can respectively enforce all the rights given them by articles 12 and 13, each in his own name, whether he is acting in his own interest or in the interest of another, provided that he carries out the obligations imposed by the contract.

Article 15

(1) Articles 12, 13, and 14 shall not affect either the relations of the consignor and the consignee with each other or the relations of third parties whose rights are derived either from the consignor or from the consignee.

(2) The provisions of articles 12, 13, and 14 can only be varied by express provision in the air waybill.

Article 16

- (1) The consignor must furnish such information and attach to the air waybill such documents as are necessary to meet the formalities of customs, octroi, or police before the goods can be delivered to the consignee. The consignor shall be liable to the carrier for any damage occasioned by the absence, insufficiency, or irregularity of any such information or documents, unless the damage is due to the fault of the carrier or his agents.
 (2) The carrier is under no obligation to enquire into the correctness or sufficiency of such information or documents.

CHAPTER III—LIABILITY OF THE CARRIER

Article 17

The carrier shall be liable for damage sustained in the event of the death or wounding of a passenger or any other bodily injury suffered by a passenger, if the accident which caused the damage so sustained took place on board the aircraft or in the course of any of the operations of embarking or disembarking.

Article 18

- (1) The carrier shall be liable for damage sustained in the event of the destruction or loss of, or of damage to, any checked baggage or any goods, if the occurrence which caused the damage so sustained took place during the transportation by air.
 (2) The transportation by air within the meaning of the preceding paragraph shall comprise the period during which the baggage or goods are in charge of the carrier, whether in an airport or on board an aircraft, or in the case of a landing outside an airport, in any place whatsoever.
 (3) The period of the transportation by air shall not extend to any transportation by land, by sea, or by river performed outside an airport. If, however, such transportation takes place in the performance of a contract for transportation by air, for the purpose of loading, delivery or transshipment, any damage is presumed, subject to proof to the contrary, to have been the result of an event which took place during the transportation by air.

Article 19

The carrier shall be liable for damage occasioned by delay in the transportation by air of passengers, baggage, or goods.

Article 20

- (1) The carrier shall not be liable if he proves that he and his agents have taken all necessary measures to

avoid the damage or that it was impossible for him or them to take such measures.

(2) In the transportation of goods and baggage the carrier shall not be liable if he proves that the damage was occasioned by an error in piloting, in the handling of the aircraft, or in navigation and that, in all other respects, he and his agents have taken all necessary measures to avoid the damage.

Article 21

If the carrier proves that the damage was caused by or contributed to by the negligence of the injured person the court may, in accordance with the provisions of its own law, exonerate the carrier wholly or partly from his liability.

Article 22

(1) In the transportation of passengers the liability of the carrier for each passenger shall be limited to the sum of 125,000 francs. Where, in accordance with the law of the court to which the case is submitted, damages may be awarded in the form of periodical payments, the equivalent capital value of the said payments shall not exceed 125,000 francs. Nevertheless, by special contract, the carrier and the passenger may agree to a higher limit of liability.

(2) In the transportation of checked baggage and of goods, the liability of the carrier shall be limited to a sum of 250 francs per kilogram, unless the consignor has made, at the time when the package was handed over to the carrier, a special declaration of the value at delivery and has paid a supplementary sum if the case so requires. In that case the carrier will be liable to pay a sum not exceeding the declared sum, unless he proves that that sum is greater than the actual value to the consignor at delivery.

(3) As regards objects of which the passenger takes charge himself the liability of the carrier shall be limited to 5,000 francs per passenger.

(4) The sums mentioned above shall be deemed to refer to the French franc consisting of 65½ milligrams of gold at the standard of fineness of nine hundred thousandths. These sums may be converted into any national currency in round figures.

Article 23

Any provision tending to relieve the carrier of liability or to fix a lower limit than that which is laid down in this convention shall be null and void, but the nullity of any such provision shall not involve the nullity of the whole contract, which shall remain subject to the provisions of this convention.

Article 24

(1) In the cases covered by articles 18 and 19 any action for damages, however founded, can only be brought subject to the conditions and limits set out in this convention.

(2) In the cases covered by article 17 the provisions of the preceding paragraph shall also apply, without prejudice to the questions as to who are the persons who have the right to bring suit and what are their respective rights.

Article 25

(1) The carrier shall not be entitled to avail himself of the provisions of this convention which exclude or limit his liability, if the damage is caused by his willful misconduct or by such default on his part as, in accordance with the law of the court to which the case is submitted, is considered to be equivalent to willful misconduct.

(2) Similarly the carrier shall not be entitled to avail himself of the said provisions, if the damage is caused under the same circumstances by any agent of the carrier acting within the scope of his employment.

Article 26

(1) Receipt by the person entitled to the delivery of baggage or goods without complaint shall be *prima facie*

evidence that the same have been delivered in good condition and in accordance with the document of transportation.

(2) In case of damage, the person entitled to delivery must complain to the carrier forthwith after the discovery of the damage, and, at the latest, within 3 days from the date of receipt in the case of baggage and 7 days from the date of receipt in the case of goods. In case of delay the complaint must be made at the latest within 14 days from the date on which the baggage or goods have been placed at his disposal.

(3) Every complaint must be made in writing upon the document of transportation or by separate notice in writing dispatched within the times aforesaid.

(4) Failing complaint within the times aforesaid, no action shall lie against the carrier, save in the case of fraud on his part.

Article 27

In the case of the death of the person liable, an action for damages lies in accordance with the terms of this convention against those legally representing his estate.

Article 28

(1) An action for damages must be brought, at the option of the plaintiff, in the territory of one of the High Contracting Parties, either before the court of the domicile of the carrier or of his principal place of business, or where he has a place of business through which the contract has been made, or before the court at the place of destination.

(2) Questions of procedure shall be governed by the law of the court to which the case is submitted.

Article 29

(1) The right to damages shall be extinguished if an action is not brought within 2 years, reckoned from the date of arrival at the destination, or from the date on which the aircraft ought to have arrived, or from the date on which the transportation stopped.

(2) The method of calculating the period of limitation shall be determined by the law of the court to which the case is submitted.

Article 30

(1) In the case of transportation to be performed by various successive carriers and falling within the definition set out in the third paragraph of article 1, each carrier who accepts passengers, baggage or goods shall be subject to the rules set out in this convention, and shall be deemed to be one of the contracting parties to the contract of transportation insofar as the contract deals with that part of the transportation which is performed under his supervision.

(2) In the case of transportation of this nature, the passenger or his representative can take action only against the carrier who performed the transportation during which the accident or the delay occurred, save in the case where, by express agreement, the first carrier has assumed liability for the whole journey.

(3) As regards baggage or goods, the passenger or consignor shall have a right of action against the first carrier, and the passenger or consignee who is entitled to delivery shall have a right of action against the last carrier, and further, each may take action against the carrier who performed the transportation during which the destruction, loss, damage, or delay took place. These carriers shall be jointly and severally liable to the passenger or to the consignor or consignee.

CHAPTER IV—PROVISIONS RELATING TO COMBINED TRANSPORTATION

Article 31

(1) In the case of combined transportation performed partly by air and partly by any other mode of transportation, the provisions of this convention shall apply only to the transportation by air, provided that the

transportation by air falls within the terms of article 1.

(2) Nothing in this convention shall prevent the parties in the case of combined transportation from inserting in the document of air transportation conditions relating to other modes of transportation, provided that the provisions of this convention are observed as regards the transportation by air.

CHAPTER V—GENERAL AND FINAL PROVISIONS

Article 32

Any clause contained in the contract and all special agreements entered into before the damage occurred by which the parties purport to infringe the rules laid down by this convention, whether by deciding the law to be applied, or by altering the rules as to jurisdiction, shall be null and void. Nevertheless for the transportation of goods arbitration clauses shall be allowed, subject to this convention, if the arbitration is to take place within one of the jurisdictions referred to in the first paragraph of article 28.

Article 33

Nothing contained in this convention shall prevent the carrier either from refusing to enter into any contract of transportation or from making regulations which do not conflict with the provisions of this convention.

Article 34

This convention shall not apply to international transportation by air performed by way of experimental trial by air navigation enterprises with the view to the establishment of regular lines of air navigation, nor shall it apply to transportation performed in extraordinary circumstances outside the normal scope of an air carrier's business.

Article 35

The expression "days" when used in this convention means current days, not working days.

Article 36

This convention is drawn up in French in a single copy which shall remain deposited in the archives of the Ministry for Foreign Affairs of Poland and of which one duly certified copy shall be sent by the Polish Government to the Government of each of the High Contracting Parties.

Article 37

(1) This convention shall be ratified. The instruments of ratification shall be deposited in the archives of the Ministry for Foreign Affairs of Poland, which shall give notice of the deposit to the Government of each of the High Contracting Parties.

(2) As soon as this convention shall have been ratified by five of the High Contracting Parties it shall come into force as between them on the nineteenth day after the deposit of the fifth ratification. Thereafter it shall come into force between the High Contracting Parties which shall have ratified and the High Contracting Party which deposits its instrument of ratification on the ninetieth day after the deposit.

(3) It shall be the duty of the Government of the Republic of Poland to notify the Government of each of the High Contracting Parties of the date on which this convention comes into force as well as the date of the deposit of each ratification.

Article 38

(2) The adherence shall be effected by a notification addressed to the Government of the Republic of Poland, which shall inform the Government of each of the High Contracting Parties thereof.

(3) The adherence shall take effect as from the ninetieth day after the notification made to the Government of the Republic of Poland.

Article 39

(1) Any one of the High Contracting Parties may denounce this convention by a notification addressed to the Government of the Republic of Poland, which shall at once inform the Government of each of the High Contracting Parties.

(2) Denunciation shall take effect six months after the notification of denunciation, and shall operate only as regards the party which shall have proceeded to denunciation.

Article 40

(1) Any High Contracting Party may, at the time of signature or of deposit of ratification or of adherence, declare that the acceptance which it gives to this convention does not apply to all or any of its colonies, protectorates, territories under mandate, or any other territory subject to its sovereignty or its authority, or any other territory under its suzerainty.

(2) Accordingly any High Contracting Party may subsequently adhere separately in the name of all or any of its colonies, protectorates, territories under mandate, or any other territory subject to its sovereignty or to its authority or any other territory under its suzerainty which have been thus excluded by its original declaration.

(3) Any High Contracting Party may denounce this convention, in accordance with its provisions, separately or for all or any of its colonies, protectorates, territories under mandate, or any other territory subject to its sovereignty or to its authority, or any other territory under its suzerainty.

Article 41

Any High Contracting Party shall be entitled not earlier than two years after the coming into force of this convention to call for the assembling of a new international conference in order to consider any improvements which may be made in this convention. To this end it will communicate with the Government of the French Republic which will take the necessary measures to make preparations for such conference.

This convention, done at Warsaw on October 12, 1929, shall remain open for signature until January 31, 1930.

ORDER OF CIVIL AERONAUTICS BOARD APPROVING INCREASES IN LIABILITY LIMITATIONS OF WARSAW CONVENTION AND HAGUE PROTOCOL

Adopted by the Civil Aeronautics Board at its office in Washington, D.C., on the 13th day of May 1966.

The Convention for the Unification of Certain Rules Relating to International Transportation by Air, generally known as the Warsaw Convention, creates a uniform body of law with respect to the rights and responsibilities of passengers, shippers, and air carriers in international air transportation. The United States became a party to the Convention in 1934, and eventually over 90 countries likewise became parties to the Convention.¹ On November 15, 1965, the U.S. Government gave notice of denunciation of the Convention, emphasizing that such action was solely because of the Convention's low limits of liability for personal injury or death to passengers. Pursuant to Article 39 of the Convention this notice would become effective upon 6 months' notice, in this case, May 15, 1966. Subsequently, the International Air Transport Association (IATA) made efforts to effect an arrangement among air carriers, foreign air carriers, and other carriers (including carriers not members of IATA) providing the major portions of international air carriage to and from the United States to increase the limitations of

¹The Convention was amended by the Protocol signed at Hague in 1955 which has never been ratified by the United States. The Convention (subject to certain provisions) limits carriers' liability for death or injury to passengers in international transportation to 125,000 gold francs, or approximately \$8,300. The Protocol, subject to certain provisions, provides for liability limitations of approximately \$16,600.

liability now applicable to claims for personal injury and death under the Convention and the Protocol. The purpose of such action is to provide a basis upon which the United States could withdraw its notice of denunciation.

The arrangement proposed has been embodied in an agreement (Agreement CAB 18900) between various air carriers, foreign air carriers, and other carriers which has been filed with the Board pursuant to section 412(a) of the Federal Aviation Act of 1958 and Part 261 of the Board's economic regulations and assigned the above-designated CAB number.

By this agreement, the parties thereto bind themselves to include in their tariffs, effective May 16, 1966, a special contract in accordance with Article 22(1) of the Convention or the Protocol providing for a limit of liability for each passenger for death, wounding, or other bodily injury of \$75,000 inclusive of legal fees, and, in case of a claim brought in a State where provision is made for separate award of legal fees and costs, a limit of \$58,000 exclusive of legal fees and costs. These limitations shall be applicable to international transportation by the carrier as defined in the Convention or Protocol which includes a point in the United States as a point of origin, point of destination, or agreed stopping place. The parties further agree to provide in their tariffs that the Carrier shall not, with respect to any claim arising out of the death, wounding, or other bodily injury of a passenger, avail itself of any defense under Article 20(1) of the Convention or the Convention as amended by the Protocol. The tariff provisions would stipulate, however, that nothing therein shall be deemed to affect the rights and liabilities of the Carrier with regard to any claim brought by, on behalf of, or in respect of any person who has willfully caused damage which results in death, wounding, or other bodily injury of a passenger.

The carriers by the agreement further stipulate that they will, at time of delivery of the tickets, furnish to each passenger governed by the Convention or the Protocol and by the special contract described above, a notice in 10 point type advising international passengers of the limitations of liability established by the Convention or the Protocol, or the higher liability agreed to by the special contracts pursuant to the Convention or Protocol as described above. The agreement is to become effective upon arrival by this Board, and any carrier may become a party to it by signing a counterpart thereof and depositing it with the Board. Withdrawal from the agreement may be effected by giving 12 months' written notice to the Board and the other Carrier parties thereto.

As indicated, the decision of the U.S. Government to serve notice to denounce the Convention was predicated upon the low liability limits therein for personal injury and death. The Government announced, however, that it would be prepared to withdraw the Notice of Denunciation if, prior to its effective date, there is a reasonable prospect for international agreement on limits of liability for international transportation in the area of \$100,000 per passenger or on uniform rules without any limit of liability, and if pending such international agreement there is a provisional arrangement among the principal international air carriers providing for liability up to \$75,000 per passenger.

Steps, have been taken by the signing carriers to have tariffs become effective May 16, 1966, upon approval of this agreement, which will increase by special contract their liability for personal injury or death as described herein. The signatory carriers provide by far the greater portion of international transportation to, from, and within the United States. The agreement will result in a salutary increase in the protection given to passengers from the increased liability amounts and the waiver of defenses under Article 20(1) of the Convention or Protocol. The U.S. Government has concluded that such arrangements warrant withdrawal of the Notice of Denunciation of the Warsaw Convention. Implementation of the agreement will permit continued adherence to the Convention with the benefits

to be derived therefrom, but without the imposition of the low liability limits therein contained upon most international travel involving travel to or from the United States. The stipulation that no tariff provision shall be deemed to affect the rights and liabilities of the carrier with regard to any claim brought by, on behalf of, or in respect of any person who has willfully caused damage which results in death, wounding or other bodily injury of a passenger operates to diminish any incentive for sabotage.

Upon consideration of the agreement, and of matters relating thereto of which the Board takes notice, the Board does not find that the agreement is adverse to the public interest or in violation of the Act and it will be approved.

Accordingly, pursuant to the provisions of the Federal Aviation Act of 1958, and particularly sections 102, 204(a), and 412 thereof:

It is ordered, That: 1. Agreement CAB 18900 is approved.

SECTION REFERRED TO IN OTHER SECTIONS

§ 40106. Emergency powers

(a) DEVIATIONS FROM REGULATIONS.—Appropriate military authority may authorize aircraft of the armed forces of the United States to deviate from air traffic regulations prescribed under section 40103(b)(1) and (2) of this title when the authority decides the deviation is essential to the national defense because of a military emergency or urgent military necessity. The authority shall—

(1) give the Administrator of the Federal Aviation Administration prior notice of the deviation at the earliest practicable time; and

(2) to the extent time and circumstances allow, make every reasonable effort to consult with the Administrator and arrange for the deviation in advance on a mutually agreeable basis.

(b) SUSPENSION OF AUTHORITY.—(1) When the President decides that the government of a foreign country is acting inconsistently with the Convention for the Suppression of Unlawful Seizure of Aircraft or that the government of a foreign country allows territory under its jurisdiction to be used as a base of operations or training of, or as a sanctuary for, or arms, aids, or abets, a terrorist organization that knowingly uses the unlawful seizure, or the threat of an unlawful seizure, of an aircraft as an instrument of policy, the President may suspend the authority of—

(A) an air carrier or foreign air carrier to provide foreign air transportation to and from that foreign country;

(B) a person to operate aircraft in foreign air commerce to and from that foreign country;

(C) a foreign air carrier to provide foreign air transportation between the United States and another country that maintains air service with the foreign country; and

(D) a foreign person to operate aircraft in foreign air commerce between the United States and another country that maintains air service with the foreign country.

(2) The President may act under this subsection without notice or a hearing. The suspension remains in effect for as long as the Presi-

dent decides is necessary to ensure the security of aircraft against unlawful seizure. Notwithstanding section 40105(b) of this title, the authority of the President to suspend rights under this subsection is a condition to a certificate of public convenience and necessity, air carrier operating certificate, foreign air carrier or foreign aircraft permit, or foreign air carrier operating specification issued by the Secretary of Transportation under this part.

(3) An air carrier or foreign air carrier may not provide foreign air transportation, and a person may not operate aircraft in foreign air commerce, in violation of a suspension of authority under this subsection.

EX. ORD. NO. 11161. TRANSFER OF FEDERAL AVIATION AGENCY TO DEFENSE DEPARTMENT IN EVENT OF WAR

Ex. Ord. No. 11161, eff. July 7, 1964, 29 F.R. 9317, as amended by Ex. Ord. No. 11382, eff. Nov. 28, 1967, 32 F.R. 16247, provided:

WHEREAS Section 302(e) of the Federal Aviation Act of 1958 [see 49 U.S.C. 40107(b)] provides, in part, that in the event of war the President by Executive order may transfer to the Department of Defense any functions (including powers, duties, activities, facilities, and parts of functions) of the Federal Aviation Administration; and

WHEREAS it appears that the defense of the United States would require the transfer of the Federal Aviation Administration to the Department of Defense in the event of war; and

WHEREAS if any such transfer were to be made it would be essential to the defense of the United States that the transition be accomplished promptly and with maximum ease and effectiveness; and

WHEREAS these objectives require that the relationships that would obtain in the event of such a transfer

as between the Federal Aviation Administration and the Department of Defense be understood in advance by the two agencies concerned and be developed in necessary detail by them in advance of transfer:

NOW, THEREFORE, by virtue of the authority vested in me by Section 302(e) (72 Stat. 746; 49 U.S.C. 1343(c)) [see 49 U.S.C. 40107(b)], and as President of the United States and Commander in Chief of the Armed Forces of the United States, it is hereby ordered as follows:

SECTION 1. The Secretary of Defense and the Secretary of Transportation are hereby directed to prepare and develop plans, procedures, policies, programs, and courses of action in anticipation of the probable transfer of the Federal Aviation Administration to the Department of Defense in the event of war. Those plans, policies, procedures, programs, and courses of action shall be prepared and developed in conformity with the following-described standards and conditions—

(A) The Federal Aviation Administration will function as an adjunct of the Department of Defense with the Federal Aviation Administrator being responsible directly to the Secretary of Defense and subject to his authority, direction, and control to the extent deemed by the Secretary to be necessary for the discharge of his responsibilities as Secretary of Defense.

(B) To the extent deemed by the Secretary of Defense to be necessary for the accomplishment of the military mission, he will be empowered to direct the Administrator to place operational elements of the Federal Aviation Administration under the direct operational control of appropriate military commanders.

(C) While functioning as an adjunct of the Department of Defense, the Federal Aviation Administration will remain organizationally intact and the Administrator thereof will retain responsibility for administration of his statutory functions, subject to the authority, direction, and control of the Secretary of Defense to the extent deemed by the Secretary to be necessary for the discharge of his responsibilities as Secretary of Defense.

SEC. 2. In furtherance of the objectives of the foregoing provisions of this order, the Secretary of Defense and the Secretary of Transportation shall, to the extent permitted by law, make such arrangements and take such actions as they deem necessary to assure—

(A) That the functions of the Federal Aviation Administration are performed during any period of national emergency short of war in a manner that will assure that essential national defense requirements will be satisfied during any such period of national emergency.

(B) Consistent with the provisions of paragraphs (A), (B), and (C) of Section 1 of this order, that any transfer of the Federal Aviation Administration to the Department of Defense, in the event of war, will be accomplished smoothly and rapidly and effective operation of the agencies and functions affected by the transfer will be achieved after the transfer.

§ 40108. Training schools

(a) **AUTHORITY TO OPERATE.**—The Administrator of the Federal Aviation Administration may operate schools to train officers and employees of the Administration to carry out duties, powers, and activities of the Administrator.

(b) **ATTENDANCE.**—The Administrator may authorize officers and employees of other departments, agencies, or instrumentalities of the United States Government, officers and employees of governments of foreign countries, and individuals from the aeronautics industry to attend those schools. However, if the attendance of any of those officers, employees, or individuals increases the cost of operating the schools, the Administrator may require the payment or

transfer of amounts or other consideration to offset the additional cost. The amount received may be credited to the appropriation current when the expenditures are or were paid, the appropriation current when the amount is received, or both.

40108(b)	49 App.:1354(d) (2d-last sentences). 49 App.:1655(c)(1).	

In this section, the word “Administrator” in section 313(d) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 753) is retained on authority of 49:106(g). The words “school or” are omitted because of 1:1.

In subsection (a), the words “officers and” are added for clarity and consistency in the revised title and with other titles of the United States Code. The words “to carry out duties, powers, and activities of the Administrator” are substituted for “in those subjects necessary for the proper performance of all authorized functions of the Administration” for clarity and consistency in the revised title.

In subsection (b), the words “officers and employees” are substituted for “personnel”, the words “departments, agencies, or instrumentalities of the United States Government” are substituted for “governmental”, and the words “governments of foreign countries” are substituted for “foreign governments”, for consistency in the revised title and with other titles of the Code. The words “courses given in”, “sufficient”, and “appropriate” are omitted as surplus. The text of 49 App.:1354(d) (3d sentence) is omitted as unnecessary because chapter 41 of title 5, United States Code, applies to all training of employees. The words “or both” are substituted for “(3) in part as provided under clause (1) and in part as provided under clause (2)” to eliminate unnecessary words.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 106 of this title.

§ 40109. Authority to exempt

(a) **AIR CARRIERS AND FOREIGN AIR CARRIERS NOT ENGAGED DIRECTLY IN OPERATING AIRCRAFT.**—(1) The Secretary of Transportation may exempt from subpart II of this part—

(A) an air carrier not engaged directly in operating aircraft in air transportation; or

(B) a foreign air carrier not engaged directly in operating aircraft in foreign air transportation.

(2) The exemption is effective to the extent and for periods that the Secretary decides are in the public interest.

(b) **SAFETY REGULATION.**—The Administrator of the Federal Aviation Administration may grant an exemption from a regulation prescribed in carrying out sections 40103(b)(1) and (2), 40119, 44901, 44903, 44906, and 44935-44937 of this title when the Administrator decides the exemption is in the public interest.

(c) **OTHER ECONOMIC REGULATION.**—Except as provided in this section, the Secretary may ex-

empt to the extent the Secretary considers necessary a person or class of persons from a provision of chapter 411, chapter 413 (except sections 41307 and 41310(b)–(f)), chapter 415 (except sections 41502, 41505, and 41507–41509), chapter 417 (except sections 41703, 41704, 41710, 41713, and 41714), chapter 419, subchapter II of chapter 421, and sections 44909 and 46301(b) of this title, or a regulation or term prescribed under any of those provisions, when the Secretary decides that the exemption is consistent with the public interest.

(d) LABOR REQUIREMENTS.—The Secretary may not exempt an air carrier from section 42112 of this title. However, the Secretary may exempt from section 42112(b)(1) and (2) an air carrier not providing scheduled air transportation, and the operations conducted during daylight hours by an air carrier providing scheduled air transportation, when the Secretary decides that—

(1) because of the limited extent of, or unusual circumstances affecting, the operation of the air carrier, the enforcement of section 42112(b)(1) and (2) of this title is or would be an unreasonable burden on the air carrier that would obstruct its development and prevent it from beginning or continuing operations; and

(2) the exemption would not affect adversely the public interest.

(e) MAXIMUM FLYING HOURS.—The Secretary may not exempt an air carrier under this section from a provision referred to in subsection (c) of this section, or a regulation or term prescribed under any of those provisions, that sets maximum flying hours for pilots or copilots.

(f) SMALLER AIRCRAFT.—(1) An air carrier is exempt from section 41101(a)(1) of this title, and the Secretary may exempt an air carrier from another provision of subpart II of this part, if the air carrier—

(A)(i) provides passenger transportation only with aircraft having a maximum capacity of 55 passengers; or

(ii) provides the transportation of cargo only with aircraft having a maximum payload of less than 18,000 pounds; and

(B) complies with liability insurance requirements and other regulations the Secretary prescribes.

(2) The Secretary may increase the passenger or payload capacities when the public interest requires.

(3)(A) An exemption under this subsection applies to an air carrier providing air transportation between 2 places in Alaska, or between Alaska and Canada, only if the carrier is authorized by Alaska to provide the transportation.

(B) The Secretary may limit the number or location of places that may be served by an air carrier providing transportation only in Alaska under an exemption from section 41101(a)(1) of this title, or the frequency with which the transportation may be provided, only when the Secretary decides that providing the transportation substantially impairs the ability of an air carrier holding a certificate issued by the Secretary to provide its authorized transportation, including the minimum transportation requirement for Alaska specified under section 41732(b)(1)(B) of this title.

(g) EMERGENCY AIR TRANSPORTATION BY FOREIGN AIR CARRIERS.—(1) To the extent that the

Secretary decides an exemption is in the public interest, the Secretary may exempt by order a foreign air carrier from the requirements and limitations of this part for not more than 30 days to allow the foreign air carrier to carry passengers or cargo in interstate air transportation in certain markets if the Secretary finds that—

(A) because of an emergency created by unusual circumstances not arising in the normal course of business, air carriers holding certificates under section 41102 of this title cannot accommodate traffic in those markets;

(B) all possible efforts have been made to accommodate the traffic by using the resources of the air carriers, including the use of—

(i) foreign aircraft, or sections of foreign aircraft, under lease or charter to the air carriers; and

(ii) the air carriers' reservations systems to the extent practicable;

(C) the exemption is necessary to avoid unreasonable hardship for the traffic in the markets that cannot be accommodated by the air carriers; and

(D) granting the exemption will not result in an unreasonable advantage to any party in a labor dispute where the inability to accommodate traffic in a market is a result of the dispute.

(2) When the Secretary grants an exemption to a foreign air carrier under this subsection, the Secretary shall—

(A) ensure that air transportation that the foreign air carrier provides under the exemption is made available on reasonable terms;

(B) monitor continuously the passenger load factor of air carriers in the market that hold certificates under section 41102 of this title; and

(C) review the exemption at least every 30 days to ensure that the unusual circumstances that established the need for the exemption still exist.

(3) The Secretary may renew an exemption (including renewals) under this subsection for not more than 30 days. An exemption may continue for not more than 5 days after the unusual circumstances that established the need for the exemption cease.

(h) NOTICE AND OPPORTUNITY FOR HEARING.—The Secretary may act under subsections (d) and (f)(3)(B) of this section only after giving the air carrier notice and an opportunity for a hearing.

In this section, the words “requirements of”, “term”, and “or limitation” are omitted as surplus. The word “rule” is omitted as being synonymous with “regulation”. The word “unreasonable” is substituted for “undue” for consistency in the revised title and with other titles of the United States Code.

In subsection (a)(1), before clause (A), the words “by order” are omitted as unnecessary because of 5:ch. 5, subch. II. The word “exempt” is substituted for “relieve” for consistency in this section.

In subsection (a)(2), the words “that the Secretary decides” are added for clarity.

In subsections (b), (c), and (f)(1)(B), the words “from time to time” are omitted as unnecessary.

In subsection (b), the word “Administrator” in section 307(e) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 750) is retained on authority of 49:106(g).

In clause (A)(ii), the word “capacity” is omitted as surplus. In clause (B), the word “reasonable” is omitted as surplus. §40111. Multiyear procurement contracts for services and related items

(a) GENERAL AUTHORITY.—Notwithstanding section 1341(a)(1)(B) of title 31, the Administrator of the Federal Aviation Administration may make a contract of not more than 5 years for the following types of services and items of supply related to those services for which

amounts otherwise would be available for obligation only in the fiscal year for which appropriated:

- (1) operation, maintenance, and support of facilities and installations.
- (2) operation, maintenance, and modification of aircraft, vehicles, and other highly complex equipment.
- (3) specialized training requiring high quality instructor skills, including training of pilots and aircrew members and foreign language training.
- (4) base services, including ground maintenance, aircraft refueling, bus transportation, and refuse collection and disposal.

(b) **REQUIRED FINDINGS.**—The Administrator may make a contract under this section only if the Administrator finds that—

- (1) there will be a continuing requirement for the service consistent with current plans for the proposed contract period;
- (2) providing the service will require a substantial initial investment in plant or equipment, or will incur a substantial contingent liability for assembling, training, or transporting a specialized workforce; and
- (3) the contract will promote the best interests of the United States by encouraging effective competition and promoting economies in operation.

(c) **CONSIDERATIONS.**—When making a contract under this section, the Administrator shall be guided by the following:

- (1) The part of the cost of a plant or equipment amortized as a cost of contract performance may not be more than the ratio between the period of contract performance and the anticipated useful commercial life (instead of physical life) of the plant or equipment, considering the location and specialized nature of the plant or equipment, obsolescence, and other similar factors.
- (2) The Administrator shall consider the desirability of—
 - (A) obtaining an option to renew the contract for a reasonable period of not more than 3 years, at a price that does not include charges for nonrecurring costs already amortized; and
 - (B) reserving in the Administrator the right, on payment of the unamortized part of the cost of the plant or equipment, to take title to the plant or equipment under appropriate circumstances.

(d) **ENDING CONTRACTS.**—A contract made under this section shall be ended if amounts are not made available to continue the contract into a subsequent fiscal year. The cost of ending the contract may be paid from—

- (1) an appropriation originally available for carrying out the contract;
- (2) an appropriation currently available for procuring the type of service concerned and not otherwise obligated; or
- (3) amounts appropriated for payments to end the contract.

In subsection (a), before clause (1), the words “periods of” are omitted as surplus. In clause (3), the words “training of” are added for clarity. In clause (4), the word “aircraft” is substituted for “in-plane” for clarity.

In subsection (c)(2)(A), the words “plant, equipment, and other” are omitted as surplus.

In subsection (d), the words “canceled or” and “cancellation or” are omitted as being included in “ended” and “ending”, respectively.

§ 40112. Multiyear procurement contracts for property

(a) **GENERAL AUTHORITY.**—Notwithstanding section 1341(a)(1)(B) of title 31 and to the extent that amounts otherwise are available for obligation, the Administrator of the Federal Aviation Administration may make a contract of more than one but not more than 5 fiscal years to purchase property, except a contract to construct, alter, or make a major repair or improvement to real property.

(b) **REQUIRED FINDINGS.**—The Administrator may make a contract under this section if the Administrator finds that—

- (1) the contract will promote the safety or efficiency of the national airspace system and will result in reduced total contract costs;
- (2) the minimum need for the property to be purchased is expected to remain substantially unchanged during the proposed contract period in terms of production rate, procurement rate, and total quantities;
- (3) there is a reasonable expectation that throughout the proposed contract period the Administrator will request appropriations for the contract at the level required to avoid cancellation;
- (4) there is a stable design for the property to be acquired and the technical risks associated with the property are not excessive; and
- (5) the estimates of the contract costs and the anticipated savings from the contract are realistic.

(c) **REGULATIONS.**—The Administrator shall prescribe regulations for acquiring property under this section to promote the use of contracts under this section in a way that will allow the most efficient use of those contracts. The regulations may provide for a cancellation provision in the contract to the extent the provision is necessary and in the best interest of the United States. The provision may include

consideration of recurring and nonrecurring costs of the contractor associated with producing the item to be delivered under the contract. The regulations shall provide that, to the extent practicable—

(1) to broaden the aviation industrial base—
 (A) a contract under this section shall be used to seek, retain, and promote the use under that contract of subcontractors, vendors, or suppliers; and

(B) on accrual of a payment or other benefit accruing on a contract under this section to a subcontractor, vendor, or supplier participating in the contract, the payment or benefit shall be delivered in the most expeditious way practicable; and

(2) this section and regulations prescribed under this section may not be carried out in a way that precludes or curtails the existing ability of the Administrator to provide for—

(A) competition in producing items to be delivered under a contract under this section; or

(B) ending a prime contract when performance is deficient with respect to cost, quality, or schedule.

(d) CONTRACT PROVISIONS.—(1) A contract under this section may—

(A) be used for the advance procurement of components, parts, and material necessary to manufacture equipment to be used in the national airspace system;

(B) provide that performance under the contract after the first year is subject to amounts being appropriated; and

(C) contain a negotiated priced option for varying the number of end items to be procured over the period of the contract.

(2) If feasible and practicable, an advance procurement contract may be made to achieve economic-lot purchases and more efficient production rates.

(e) CANCELLATION PAYMENT AND NOTICE OF CANCELLATION CEILING.—(1) If a contract under this section provides that performance is subject to an appropriation being made, it also may provide for a cancellation payment to be made to the contractor if the appropriation is not made.

(2) Before awarding a contract under this section containing a cancellation ceiling of more than \$100,000,000, the Administrator shall give written notice of the proposed contract and cancellation ceiling to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives. The contract may not be awarded until the end of the 30-day period beginning on the date of the notice.

(f) ENDING CONTRACTS.—A contract made under this section shall be ended if amounts are not made available to continue the contract into a subsequent fiscal year. The cost of ending the contract may be paid from—

(1) an appropriation originally available for carrying out the contract;

(2) an appropriation currently available for procuring the type of property concerned and not otherwise obligated; or

(3) amounts appropriated for payments to end the contract.

Subsec. (e)(2). Pub. L. 104–287 substituted “Transportation and Infrastructure” for “Public Works and Transportation”.

EFFECTIVE DATE OF 1996 AMENDMENT

Amendment by Pub. L. 104–106 effective 180 days after Feb. 10, 1996, see section 5701 of Pub. L. 104–106, set out as an Effective Date note under section 1401 of Title 40, Public Buildings, Property, and Works.

§ 40113. Administrative

(a) GENERAL AUTHORITY.—The Secretary of Transportation (or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator) may take action the Secretary or Administrator, as appropriate, considers necessary to carry out this part, including conducting investigations, prescribing regulations, standards, and procedures, and issuing orders.

(b) HAZARDOUS MATERIAL.—In carrying out this part, the Secretary has the same authority to regulate the transportation of hazardous material by air that the Secretary has under section 5103 of this title. However, this subsection does not prohibit or regulate the transportation of a firearm (as defined in section 232 of title 18) or ammunition for a firearm, when transported by an individual for personal use.

(c) GOVERNMENTAL ASSISTANCE.—The Secretary (or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator) may use the assistance of the Administrator of the National Aeronautics and Space Administration and any research or technical department, agency, or instrumentality of the United States Government on matters related to aircraft fuel and oil, and to the design, material, workmanship, construction, performance, maintenance, and operation of aircraft, aircraft engines, propellers, appliances, and air navigation facilities. Each department, agency, and instrumentality may conduct scientific and technical research, investigations, and tests necessary to assist the Secretary or Administrator of the Federal Aviation Administration in carrying out this part. This part does not authorize duplicating laboratory research activities of a department, agency, or instrumentality.

(d) INDEMNIFICATION.—The Administrator of the Federal Aviation Administration may indemnify an officer or employee of the Administration against a claim or judgment arising out of an act that the Administrator decides was committed within the scope of the official duties of the officer or employee.

(e) ASSISTANCE TO FOREIGN AVIATION AUTHORITIES.—

(1) SAFETY-RELATED TRAINING AND OPERATIONAL SERVICES.—The Administrator may provide safety-related training and operational services to foreign aviation authorities with or without reimbursement, if the Administrator determines that providing such services promotes aviation safety. To the extent practicable, air travel reimbursed under this subsection shall be conducted on United States air carriers.

The Secretary shall prescribe regulations that define reasonable notice and contain at least the following requirements:

(A) The agency must provide written notice of individual projects being considered for financing by a passenger facility fee and the date and location of a meeting to present the projects to air carriers and foreign air carriers operating at the airport.

(B) Not later than 30 days after written notice is provided under subparagraph (A) of this paragraph, each air carrier and foreign air car-

rier operating at the airport must provide to the agency written notice of receipt of the notice. Failure of a carrier to provide the notice may be deemed certification of agreement with the project by the carrier under subparagraph (D) of this paragraph.

(C) Not later than 45 days after written notice is provided under subparagraph (A) of this paragraph, the agency must conduct a meeting to provide air carriers and foreign air carriers with descriptions of projects and justifications and a detailed financial plan for projects.

(D) Not later than 30 days after the meeting, each air carrier and foreign air carrier must provide to the agency certification of agreement or disagreement with projects (or total plan for the projects). Failure to provide the certification is deemed certification of agreement with the project by the carrier. A certification of disagreement is void if it does not contain the reasons for the disagreement.

(3) After receiving an application, the Secretary shall provide notice and an opportunity to air carriers, foreign air carriers, and other interested persons to comment on the application. The Secretary shall make a final decision on the application not later than 120 days after receiving it.

(d) LIMITATIONS ON APPROVING APPLICATIONS.—The Secretary may approve an application that an eligible agency has submitted under subsection (c) of this section to finance a specific project only if the Secretary finds, based on the application, that—

(1) the amount and duration of the proposed passenger facility fee will result in revenue (including interest and other returns on the revenue) that is not more than the amount necessary to finance the specific project;

(2) each project is an eligible airport-related project that will—

(A) preserve or enhance capacity, safety, or security of the national air transportation system;

(B) reduce noise resulting from an airport that is part of the system; or

(C) provide an opportunity for enhanced competition between or among air carriers and foreign air carriers; and

(3) the application includes adequate justification for each of the specific projects.

(e) LIMITATIONS ON IMPOSING FEES.—(1) An eligible agency may impose a passenger facility fee only—

(A) if the Secretary approves an application that the agency has submitted under subsection (c) of this section; and

(B) subject to terms the Secretary may prescribe to carry out the objectives of this section.

(2) A passenger facility fee may not be collected from a passenger—

(A) for more than 2 boardings on a one-way trip or a trip in each direction of a round trip;

(B) for the boarding to an eligible place under subchapter II of chapter 417 of this title for which essential air service compensation is paid under subchapter II; and

(C) enplaning at an airport if the passenger did not pay for the air transportation which resulted in such enplanement, including any case in which the passenger obtained the ticket for the air transportation with a frequent flier award coupon without monetary payment.

(f) LIMITATIONS ON CONTRACTS, LEASES, AND USE AGREEMENTS.—(1) A contract between an air carrier or foreign air carrier and an eligible agency made at any time may not impair the authority of the agency to impose a passenger facility fee or to use the passenger facility revenue as provided in this section.

(2) A project financed with a passenger facility fee may not be subject to an exclusive long-term lease or use agreement of an air carrier or foreign air carrier, as defined by regulations of the Secretary.

(3) A lease or use agreement of an air carrier or foreign air carrier related to a project whose construction or expansion was financed with a passenger facility fee may not restrict the eligible agency from financing, developing, or assigning new capacity at the airport with passenger facility revenue.

(g) TREATMENT OF REVENUE.—(1) Passenger facility revenue is not airport revenue for purposes of establishing a price under a contract between an eligible agency and an air carrier or foreign air carrier.

(2) An eligible agency may not include in its price base the part of the capital costs of a project paid for by using passenger facility revenue to establish a price under a contract between the agency and an air carrier or foreign air carrier.

(3) For a project for terminal development, gates and related areas, or a facility occupied or used by at least one air carrier or foreign air carrier on an exclusive or preferential basis, a price payable by an air carrier or foreign air carrier using the facilities must at least equal the price paid by an air carrier or foreign air carrier using a similar facility at the airport that was not financed with passenger facility revenue.

(4) Passenger facility revenues that are held by an air carrier or an agent of the carrier after collection of a passenger facility fee constitute a trust fund that is held by the air carrier or agent for the beneficial interest of the eligible agency imposing the fee. Such carrier or agent holds neither legal nor equitable interest in the passenger facility revenues except for any handling fee or retention of interest collected on unremitted proceeds as may be allowed by the Secretary.

(h) COMPLIANCE.—(1) As necessary to ensure compliance with this section, the Secretary shall prescribe regulations requiring record-keeping and auditing of accounts maintained by an air carrier or foreign air carrier and its agent collecting a passenger facility fee and by the eligible agency imposing the fee.

(2) The Secretary periodically shall audit and review the use by an eligible agency of passenger facility revenue. After review and a public hearing, the Secretary may end any part of the authority of the agency to impose a passenger facility fee to the extent the Secretary decides that the revenue is not being used as provided in this section.

(3) The Secretary may set off amounts necessary to ensure compliance with this section against amounts otherwise payable to an eligible agency under subchapter I of chapter 471 of this title if the Secretary decides a passenger facility fee is excessive or that passenger facility revenue is not being used as provided in this section.

(i) REGULATIONS.—The Secretary shall prescribe regulations necessary to carry out this section. The regulations—

(1) may prescribe the time and form by which a passenger facility fee takes effect; and
(2) shall—

(A) require an air carrier or foreign air carrier and its agent to collect a passenger facility fee that an eligible agency imposes under this section;

(B) establish procedures for handling and remitting money collected;

(C) ensure that the money, less a uniform amount the Secretary determines reflects the average necessary and reasonable expenses (net of interest accruing to the carrier and agent after collection and before remittance) incurred in collecting and handling the fee, is paid promptly to the eligible agency for which they are collected; and

(D) require that the amount collected for any air transportation be noted on the ticket for that air transportation.

In this section, the words “citizen of the United States” and “citizen” are substituted for “applicant” for clarity and consistency because only a citizen of the United States may be an “air carrier” as defined in section 40102(a) of the revised title, and only an air carrier may be a “charter air carrier” as defined in section 40102(a). The word “provide” is substituted for “perform” for consistency in the revised title.

In subsection (a), before clause (1), the words “of public convenience and necessity” are added for clarity. The words “any part of” are substituted for “the whole or any part of” to eliminate unnecessary words. In clauses (2) and (3), the words “In the case of” are omitted as surplus. In clause (3), the words “for such periods” are omitted as surplus.

In subsection (b)(1), the word “comply” is substituted for “conform” for consistency in the revised title. The words “properly” and “requirements” are omitted as surplus. The word “rules” is omitted as being synonymous with “regulations”.

In subsection (b)(2), the words “foreign air transportation” are added because 49 App.:1551(a)(1)(A) provides that 49 App.:1371(d)(1)–(3) no longer applies to interstate or overseas transportation of persons. After January 1, 1985, other interstate and overseas air transportation and the domestic air transportation of mail do not require a certificate of public convenience and necessity. See H. Rept. 98–793, 98th Cong., 2d Sess., p.10 (1984).

In subsection (c), before clause (1), the words “issue a certificate” are substituted for “grant an application” for consistency in this chapter. The words “for interstate air transportation (except the transportation of passengers) or foreign air transportation” are added for clarity and consistency. The word “only” is omitted as surplus. In clause (1), the word “prices” is substituted for “rates, fares, charges” because of the definition of “price” in section 40102(a) of the revised title. The words “in fact” are omitted as surplus. In clause (2), the words “to assess the impact of the new services on the national air route structure, or otherwise” are omitted as surplus.

Subsection (d) is added for clarity.

(b) ISSUANCE.—Not later than 180 days after an application for a certificate is filed under this section, the Secretary shall issue the certificate to a citizen of the United States authorizing the citizen, as an air carrier, to provide any part of the all-cargo air transportation applied for unless the Secretary finds that the citizen is not fit, willing, and able to provide the all-cargo air transportation to be authorized by the certificate and to comply with regulations of the Secretary.

(c) **TERMS.**—The Secretary may impose terms the Secretary considers necessary when issuing a certificate under this section. However, the Secretary may not impose terms that restrict the places served or prices charged by the holder of the certificate.

(d) **EXEMPTIONS AND STATUS.**—A citizen issued a certificate under this section—

(1) is exempt in providing the transportation under the certificate from the requirements of—

(A) section 41101(a)(1) of this title and regulations or procedures prescribed under section 41101(a)(1); and

In subsection (a), the words “After the three hundred and sixty-fifth day which begins after November 9, 1977” are omitted as executed. The words “under this section” are omitted as surplus. The words “authorizing the citizen” are added for clarity and consistency in this chapter.

In subsection (b), the words “pursuant to paragraph (4) of subsection (a) of this section” are omitted as surplus. The words “to provide” are added for clarity and consistency in this subchapter. The word “rules” is omitted as being synonymous with “regulations”. The word “promulgated” is omitted as surplus.

In subsection (c), the words “reasonable”, “and limitations”, and “and conditions” are omitted as surplus. The word “places” is substituted for “points” for consistency in the revised title.

PUB. L. 103-429

AMENDMENTS

1994—Subsec. (a). Pub. L. 103-429 substituted “all-cargo” for “all-property”.

EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by Pub. L. 103-429 effective July 5, 1994, see section 9 of Pub. L. 103-429, set out as a note under section 321 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 41110, 41709, 46301, 46316 of this title.

§ 41104. Additional limitations and requirements of charter air carriers

(a) **RESTRICTIONS.**—The Secretary of Transportation may prescribe a regulation or issue an order restricting the marketability, flexibility, accessibility, or variety of charter air transportation provided under a certificate issued under section 41102 of this title only to the extent required by the public interest. A regulation prescribed or order issued under this subsection may not be more restrictive than a regulation related to charter air transportation that was in effect on October 1, 1978.

(b) **ALASKA.**—An air carrier holding a certificate issued under section 41102 of this title may provide charter air transportation between places in Alaska only to the extent the Secretary decides the transportation is required by public convenience and necessity. The Secretary may make that decision when issuing, amending, or modifying the certificate. This subsection does not apply to a certificate issued under section 41102 to a citizen of the United States who, before July 1, 1977—

(1) maintained a principal place of business in Alaska; and

(2) conducted air transport operations between places in Alaska with aircraft with a certificate for gross takeoff weight of more than 40,000 pounds.

(c) **SUSPENSIONS.**—(1) The Secretary shall suspend for not more than 30 days any part of the certificate of a charter air carrier if the Secretary decides that the failure of the carrier to comply with the requirements described in sections 41110(e) and 41112 of this title, or a regulation or order of the Secretary under section 41110(e) or 41112, requires immediate suspension in the interest of the rights, welfare, or safety of the public. The Secretary may act under this paragraph without notice or a hearing.

(2) The Secretary shall begin immediately a hearing to decide if the certificate referred to in paragraph (1) of this subsection should be amended, modified, suspended, or revoked. Until the hearing is completed, the Secretary may suspend the certificate for additional periods totaling not more than 60 days. If the Secretary decides that the carrier is complying with the requirements described in sections 41110(e) and 41112 of this title and regulations and orders under sections 41110(e) and 41112, the Secretary immediately may end the suspension period and proceeding begun under this subsection. However, the Secretary is not prevented from imposing a civil penalty on the carrier for violating the requirements described in section 41110(e) or 41112 or a regulation or order under section 41110(e) or 41112.

The text of 49 App.:1371(n)(4) and 1551(n)(1)(E) (related to 49 App.:1371(n)(4)) is omitted because inclusive tour charters have been abolished and charter air carriers have received authority to sell public charter flights directly to the public.

The words “State of” are omitted as surplus. The word “modifying” is added for consistency in the revised title. The words “citizen of the United States” are substituted for “person” for clarity and consistency because only a citizen of the United States may be an “air carrier” as defined in section 40102(a) of the revised title.

In subsection (c), the words “the requirements described in” are added for clarity.

In subsection (c)(1), the text of 49 App.:1371(n)(6) is omitted as surplus because of 49:322(a).

In subsection (c)(2), the word “amended” is added for consistency in the revised title.

§ 41105. Transfers of certificates

(a) GENERAL.—A certificate issued under section 41102 of this title may be transferred only when the Secretary of Transportation approves the transfer as being consistent with the public interest.

(b) CERTIFICATION TO CONGRESS.—When a certificate is transferred, the Secretary shall certify to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives that the transfer is consistent with the public interest. The Secretary shall include with the certification a report analyzing the effects of the transfer on—

- (1) the viability of each carrier involved in the transfer;
- (2) competition in the domestic airline industry; and
- (3) the trade position of the United States in the international air transportation market.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 41111 of this title.

§ 41106. Airlift service

(a) GENERAL.—(1) Except as provided in subsection (b) of this section, the transportation of passengers or property by transport category aircraft in interstate air transportation obtained by the Secretary of Defense or the Secretary of a military department through a contract of at least 31 days for airlift service in the United States may be provided only by an air carrier that—

- (A) has aircraft in the civil reserve air fleet or offers to place the aircraft in that fleet; and
- (B) holds a certificate issued under section 41102 of this title.

(2) The Secretary of Transportation shall act as expeditiously as possible on an application for a certificate under section 41102 of this title to provide airlift service.

(b) EXCEPTION.—When the Secretary of Defense decides that no air carrier holding a certificate under section 41102 is capable of providing, and willing to provide, the airlift service, the Secretary of Defense may make a contract to provide the service with an air carrier not having a certificate.

A copy of each certification and statement shall be posted for at least 20 days in the office of the Secretary. After notice and an opportunity for a hearing, the Secretary shall issue a new certificate under section 41102 of this title, or amend or modify an existing certificate under section 41102(a)(2)(A) of this title, to provide the additional transportation and facilities if the Secretary finds the additional transportation is required by the public convenience and necessity.

AMENDMENT OF SECTION

Pub. L. 103-272, §4(k)(1), July 5, 1994, 108 Stat. 1370, provided that, effective Jan. 1, 1999, this section is amended by substituting “transportation” for “transportation or between places in Alaska”.

The words “from time to time” are omitted as surplus. The words “United States Postal Service” and “Postal Service” are substituted for “Postmaster General” in section 401(m) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 757) because of sections 4(a) and 6(o) of the Postal Reorganization Act (Public Law 91-375, 84 Stat. 773, 783). The words “in foreign air transportation or between places in Alaska” are substituted for “between any points within the United States or between the United States and foreign countries” for consistency in the revised title and because 49 App.:1551(a)(4)(A) provides that 49 App.:1371(m) no longer applies to interstate or overseas air transportation (except transportation of mail between 2 places in Alaska). In addition, Congress did not intend to maintain the regulation of domestic air transportation of mail. See section 40102(a) of the revised title defining “air transportation” to mean interstate or foreign air transportation or the transportation of mail by aircraft. The word “currently” is omitted as surplus. The words “opportunity for a” are added for consistency in the revised title and with other titles of the United States Code. The words “or certificates” are omitted as surplus because of 1:1. The word “modify” is added for consistency in the revised title.

The Secretary shall issue a final order on the application not later than 90 days after the decision is issued. However, if the Secretary does not act within the 90-day period, the initial or recommended decision on an application to provide—

(B) foreign air transportation shall be submitted to the President under section 41307 of this title.

(4) If the Secretary acts under paragraph (1)(B) of this subsection, the Secretary shall issue a final order on the application not later than 180 days after beginning the procedure on the application.

(5) If a citizen applying for a certificate does not meet the procedural schedule adopted by the Secretary in a proceeding, the Secretary may extend the period for acting under paragraphs (3) and (4) of this subsection by a period equal to the period of delay caused by the citizen. In addition to an extension under this paragraph, an initial or recommended decision under paragraph (3) of this subsection may be delayed for not more than 30 days in extraordinary circumstances.

In subsection (b)(3), before clause (A), the words “If the Secretary provides an opportunity for a hearing under paragraph (1)(A) of this subsection” are substituted for “If the Board determines that any application should be set for a public hearing under clause (A) of the second sentence of paragraph (1) of this subsection” to eliminate unnecessary words. This amends 49:41109(a) to clarify the restatement of 49 App.:1371(e) by section 1 of the Act of July 5, 1994 (Public Law 103-272, 108 Stat. 1123).

AMENDMENTS

1996—Subsec. (a)(5). Pub. L. 104-287 added par. (5).

EFFECTIVE DATE OF 1996 AMENDMENT

Amendment by Pub. L. 104-287 effective July 5, 1994, see section 8(1) of Pub. L. 104-287, set out as a note under section 5303 of this title.

§ 41110. Effective periods and amendments, modifications, suspensions, and revocations of certificates

(a) GENERAL.—(1) Each certificate issued under section 41102 of this title is effective from the date specified in it and remains in effect until—

(A) the Secretary of Transportation suspends or revokes the certificate under this section;

(B) the end of the period the Secretary specifies for an air carrier having a certificate of

temporary authority issued under section 41102(a)(2) of this title; or

(C) the Secretary certifies that transportation is no longer being provided under a certificate.

(2) On application or on the initiative of the Secretary and after notice and an opportunity for a hearing or, except as provided in paragraph (4) of this subsection, under section 41111 of this title, the Secretary may—

(A) amend, modify, or suspend any part of a certificate if the Secretary finds the public convenience and necessity require amendment, modification, or suspension; and

(B) revoke any part of a certificate if the Secretary finds that the holder of the certificate intentionally does not comply with this chapter, sections 41308–41310(a), 41501, 41503, 41504, 41506, 41510, 41511, 41701, 41702, 41705–41709, 41711, 41712, and 41731–41742, chapter 419, subchapter II of chapter 421, and section 46301(b) of this title, a regulation or order of the Secretary under any of those provisions, or a term of its certificate.

(3) The Secretary may revoke a certificate under paragraph (2)(B) of this subsection only if the holder of the certificate does not comply, within a reasonable time the Secretary specifies, with an order to the holder requiring compliance.

(4) A certificate to provide foreign air transportation may not be amended, modified, suspended, or revoked under section 41111 of this title if the holder of the certificate requests an oral evidentiary hearing or the Secretary finds, under all the facts and circumstances, that the hearing is required in the public interest.

(b) ALL-CARGO AIR TRANSPORTATION.—The Secretary may order that a certificate issued under section 41103 of this title authorizing all-cargo air transportation is ineffective if, after notice and an opportunity for a hearing, the Secretary finds that the transportation is not provided to the minimum extent specified by the Secretary.

(c) FOREIGN AIR TRANSPORTATION.—(1) Notwithstanding subsection (a)(2)–(4) of this section, after notice and a reasonable opportunity for the affected air carrier to present its views, but without a hearing, the Secretary may suspend or revoke the authority of an air carrier to provide foreign air transportation to a place under a certificate issued under section 41102 of this title if the carrier—

(A) notifies the Secretary, under section 41734(a) of this title or a regulation of the Secretary, that it intends to suspend all transportation to that place; or

(B) does not provide regularly scheduled transportation to the place for 90 days immediately before the date the Secretary notifies the carrier of the action the Secretary proposes.

(2) Paragraph (1)(B) of this subsection does not apply to a place provided seasonal transportation comparable to the transportation provided during the prior year.

(d) TEMPORARY CERTIFICATES.—On application or on the initiative of the Secretary, the Secretary may—

(1) review the performance of an air carrier issued a certificate under section 41102(c) of

this title on the basis that the air carrier will provide innovative or low-priced air transportation under the certificate; and

(2) amend, modify, suspend, or revoke the certificate or authority under subsection (a)(2) or (c) of this section if the air carrier has not provided, or is not providing, the transportation.

(e) CONTINUING REQUIREMENTS.—(1) To hold a certificate issued under section 41102 of this title, an air carrier must continue to be fit, willing, and able to provide the transportation authorized by the certificate and to comply with this part and regulations of the Secretary.

(2) After notice and an opportunity for a hearing, the Secretary shall amend, modify, suspend, or revoke any part of a certificate issued under section 41102 of this title if the Secretary finds that the air carrier—

(A) is not fit, willing, and able to provide the transportation authorized by the certificate and to comply with this part and regulations of the Secretary; or

(B) does not file reports necessary for the Secretary to decide if the carrier is complying with the requirements of clause (A) of this paragraph.

(f) ILLEGAL IMPORTATION OF CONTROLLED SUBSTANCES.—The Secretary—

(1) in consultation with appropriate departments, agencies, and instrumentalities of the United States Government, shall reexamine immediately the fitness of an air carrier that—

(A) violates the laws and regulations of the United States related to the illegal importation of a controlled substance; or

(B) does not adopt available measures to prevent the illegal importation of a controlled substance into the United States on its aircraft; and

(2) when appropriate, shall amend, modify, suspend, or revoke the certificate of the carrier issued under this chapter.

(g) RESPONSES.—An interested person may file a response with the Secretary opposing or supporting the amendment, modification, suspension, or revocation of a certificate under subsection (a) of this section.

§ 41112. Liability insurance and financial responsibility

(a) LIABILITY INSURANCE.—The Secretary of Transportation may issue a certificate to a citizen of the United States to provide air transportation as an air carrier under section 41102 of this title only if the citizen complies with regu-

lations and orders of the Secretary governing the filing of an insurance policy or self-insurance plan approved by the Secretary. The policy or plan must be sufficient to pay, not more than the amount of the insurance, for bodily injury to, or death of, an individual or for loss of, or damage to, property of others, resulting from the operation or maintenance of the aircraft under the certificate. A certificate does not remain in effect unless the carrier complies with this subsection.

(b) FINANCIAL RESPONSIBILITY.—To protect passengers and shippers using an aircraft operated by an air carrier issued a certificate under section 41102 of this title, the Secretary may require the carrier to file a performance bond or equivalent security in the amount and on terms the Secretary prescribes. The bond or security must be sufficient to ensure the carrier adequately will pay the passengers and shippers when the transportation the carrier agrees to provide is not provided. The Secretary shall prescribe the amounts to be paid under this subsection.

If, after considering these recommendations, the Assistant to the President for National Security Affairs determines that classification under Executive Order No. 12356 is appropriate, he shall take such action and immediately so inform the DOT. Action pursuant to this subsection shall be completed by the persons designated herein within 5 days of the transmission of the decision.

(e) On and after the 6th day following transmission of a DOT decision pursuant to section 3(c) of this Order, or upon earlier notification by the Assistant to the President for National Security Affairs or his designee, the DOT is authorized to disclose all unclassified portions of the text of such decision. Nothing in this section is intended to affect the ability to withhold material under any Executive order or statute other than Section 801.

SEC. 4. (a) Departments and agencies outside of the Executive Office of the President shall raise only matters of national defense or foreign relations in the course of the presidential review established by this Order. All other matters, including those related to regulatory policy, shall be presented to the DOT in accordance with the procedures of the DOT.

(b) Departments and agencies outside of the Executive Office of the President that identify matters of national defense or foreign relations while a decision is pending before the DOT shall, except as confidentiality is required for reasons of defense or foreign policy, make those matters known to the DOT in the course of its proceedings.

SEC. 5. (a) The DOT shall receive the recommendations, addressed to the President, of the departments and agencies referred to in section 3(c) of this Order.

(b) Departments or agencies outside of the Executive Office of the President making recommendations on matters of national defense or foreign relations with respect to any decision received by the Secretary of Transportation under section 2 of this Order shall submit their recommendations in writing to the DOT: (1) within 4 days of the DOT’s issuance of a decision subject to a 10-day statutory review period under Section 801(b) [see 49 U.S.C. 41509(f)]; and (2) within 21 days of the DOT’s issuance of a decision subject to a 60-day statutory review period under Section 801(a) [see 49 U.S.C. 41307]; or (3) in exceptional cases, within the period specified by the DOT in its letter of transmittal.

(c) The DOT shall, as soon as practical after the deadlines specified in section 5(b) of this Order: (1) if no recommendations for disapproval or for a statement of reasons are received from the departments and agencies specified in section 3(c) of this Order, issue its decision to become effective according to its terms; or (2) if recommendations for disapproval or for a statement of reasons are received, transmit them to the Assistant to the President for National Security Affairs, who, upon review, shall transmit a memorandum to the President with a recommendation as to whether or not the President should disapprove the proposed decision.

SEC. 6. (a) In advising the President with respect to his review of a decision pursuant to Section 801, departments and agencies outside of the Executive Office of the President shall identify with particularity the defense or foreign policy implications of the DOT decision that are deemed appropriate for consideration.

(b) If any department or agency that made recommendations to the President pursuant to Section 801 believes that, if the President decides not to disapprove a decision, the letter so advising the DOT should include a statement that the decision not to disapprove was based on national defense or foreign relations reasons, it should so indicate separately and explain why.

SEC. 7. Individuals within the Executive Office of the President shall follow a policy of: (a) refusing to dis-

cuss matters relating to the disposition of a case subject to the review of the President under Section 801 with any interested private party, or an attorney or agent for any such party, prior to the decision by the President or his designee; and (b) referring any written communication from an interested private party, or an attorney or agent for any such party, to the appropriate department or agency outside of the Executive Office of the President. Exceptions to this policy may be made only when the head of an appropriate department or agency outside of the Executive Office of the President personally finds, on a nondelegable basis, that direct written or oral communication between a private party and a person within the Executive Office of the President is needed for reasons of defense or foreign policy.

SEC. 8. Departments and agencies outside of the Executive Office of the President that regularly make recommendations in connection with the presidential review pursuant to Section 801 shall, consistent with applicable law, including the provisions of Chapter 5 of Title 5 of the United States Code:

(a) establish public dockets for all written communications (other than those requiring confidential treatment for defense or foreign policy reasons) between their officers and employees and private parties in connection with the preparation of such recommendations; and

(b) prescribe such other procedures governing oral and written communications as they deem appropriate.

SEC. 9. This Order is intended solely for the internal guidance of the departments and agencies in order to facilitate the presidential review process. This Order does not confer rights on any private parties.

SEC. 10. None of the time deadlines specified in this Order shall be construed as a limitation on expedited presidential review of any decision under Section 801.

SEC. 11. The provisions of this Order shall become effective upon publication in the Federal Register and shall govern the review of any proposed decisions of the DOT that have not become final prior to that date under Executive Order No. 12547.

SEC. 12. References in any Executive order to any provision in Executive Order No. 12547 shall be deemed to refer to the corresponding provision in this Order.

Subsection (a) is substituted for “the ‘anti-trust laws’ set forth in subsection (a) of section 12 of title 15” for consistency in the revised title and with other titles of the United States Code.

In subsection (b), reference to 49 App.:1378 and 1379 is omitted as obsolete.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 41110 of this title.

§ 41309. Cooperative agreements and requests

(a) FILING.—An air carrier or foreign air carrier may file with the Secretary of Transportation a true copy of or, if oral, a true and complete memorandum of, an agreement (except an agreement related to interstate air transportation), or a request for authority to discuss cooperative arrangements (except arrangements related to interstate air transportation), and any modification or cancellation of an agreement, between the air carrier or foreign air carrier and another air carrier, a foreign carrier, or another carrier.

(b) APPROVAL.—The Secretary of Transportation shall approve an agreement, request, modification, or cancellation referred to in subsection (a) of this section when the Secretary finds it is not adverse to the public interest and is not in violation of this part. However, the Secretary shall disapprove—

(1) or, after periodic review, end approval of, an agreement, request, modification, or cancellation, that substantially reduces or eliminates competition unless the Secretary finds that—

(A) the agreement, request, modification, or cancellation is necessary to meet a serious transportation need or to achieve important public benefits (including international comity and foreign policy considerations); and

(B) the transportation need cannot be met or those benefits cannot be achieved by reasonably available alternatives that are materially less anticompetitive; or

(2) an agreement that—

(A) is between an air carrier not directly operating aircraft in foreign air transportation and a carrier subject to subtitle IV of this title; and

(B) governs the compensation the carrier may receive for the transportation.

(c) NOTICE AND OPPORTUNITY TO RESPOND OR FOR HEARING.—(1) When an agreement, request, modification, or cancellation is filed, the Secretary of Transportation shall give the Attorney General and the Secretary of State written notice of, and an opportunity to submit written comments about, the filing. On the initiative of the Secretary of Transportation or on request of the Attorney General or Secretary of State, the Secretary of Transportation may conduct a hearing to decide whether an agreement, request, modification, or cancellation is consistent with this part whether or not it was approved previously.

(2) In a proceeding before the Secretary of Transportation applying standards under subsection (b)(1) of this section, a party opposing an agreement, request, modification, or cancellation has the burden of proving that it substantially reduces or eliminates competition and that less anticompetitive alternatives are available. The party defending the agreement, request, modification, or cancellation has the burden of proving the transportation need or public benefits.

(3) The Secretary of Transportation shall include the findings required by subsection (b)(1) of this section in an order of the Secretary approving or disapproving an agreement, request, modification, or cancellation.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 1129; Pub. L. 104-88, title III, §308(l), Dec. 29, 1995, 109 Stat. 948; Pub. L. 104-287, §5(71), Oct. 11, 1996, 110 Stat. 3396.)

In subsection (a), the words “(whether enforceable by provisions for liquidated damages, penalties, bonds, or otherwise)” are omitted as surplus. The words “(except an agreement related to interstate air transportation)” and “(except arrangements related to interstate air transportation)” are added because of 49 App.:1551(a)(6) (related to 49 App.:1382). The word “working” is omitted as surplus. The words “in force on October 24, 1978, or thereafter entered into” are omitted as executed. The words “and any modification or cancellation of an agreement” are substituted for “or any modification or cancellation thereof” for clarity and consistency.

In subsection (b), before clause (1), the words “The Board shall by order disapprove any contract, agreement, or request . . . that it finds to be adverse to the public interest or in violation of this chapter” are omitted as surplus because of the language restated in this subsection that sets out the requirements for approval by the Secretary of Transportation before the antitrust exemption is effective. The words “whether or not previously approved by it” are omitted as surplus because of the language in clause (1) requiring periodic review and continuing approval. The words “by order” are omitted as unnecessary because of 5:ch. 5, subch. II. The text of 49 App.:1382(a)(2)(A)(iii) is omitted as obsolete because of 49 App.:1551(a)(6) (related to 49 App.:1382).

In subsection (c)(1), the words “in accordance with regulations which it prescribes” are omitted as surplus. The words “in accordance with regulations prescribed by the Board” are omitted as surplus.

This amends 49:41309(b)(2)(B) for consistency in the subsection.

(a) PROHIBITION.—An air carrier or foreign air carrier may not subject a person, place, port, or type of traffic in foreign air transportation to unreasonable discrimination.

(b) REVIEW AND NEGOTIATION OF DISCRIMINATORY FOREIGN CHARGES.—(1) The Secretary of Transportation shall survey charges imposed on an air carrier by the government of a foreign country or another foreign entity for the use of airport property or airway property in foreign air transportation. If the Secretary of Transportation decides that a charge is discriminatory, the Secretary promptly shall report the decision to the Secretary of State. The Secretaries of State and Transportation promptly shall begin negotiations with the appropriate government to end the discrimination. If the discrimination is not ended in a reasonable time through negotiation, the Secretary of Transportation shall establish a compensating charge equal to the discriminatory charge. foreign air carrier of that country as a condition to accepting the general declaration of the aircraft of the foreign air carrier when it lands or takes off.

(2) The Secretary of the Treasury shall maintain an account to credit money collected under paragraph (1) of this subsection. An air carrier shall be paid from the account an amount certified by the Secretary of Transportation to compensate the air carrier for the discriminatory charge paid to the government.

(c) ACTIONS AGAINST DISCRIMINATORY ACTIVITY.—(1) The Secretary of Transportation may take actions the Secretary considers are in the public interest to eliminate an activity of a government of a foreign country or another foreign entity, including a foreign air carrier, when the Secretary, on the initiative of the Secretary or on complaint, decides that the activity—

(A) is an unjustifiable or unreasonable discriminatory, predatory, or anticompetitive practice against an air carrier; or

(B) imposes an unjustifiable or unreasonable restriction on access of an air carrier to a foreign market.

(2) The Secretary of Transportation may deny, amend, modify, suspend, revoke, or transfer under paragraph (1) of this subsection a foreign air carrier permit or tariff under section 41302, 41303, 41304(a), 41504(c), 41507, or 41509 of this title.

(d) FILING OF, AND ACTING ON, COMPLAINTS.—(1) An air carrier or a department, agency, or instrumentality of the United States Government may file a complaint under subsection (c) of this section with the Secretary of Transportation. The Secretary shall approve, deny, or dismiss the complaint, set the complaint for a hearing or investigation, or begin another proceeding proposing remedial action not later than 60 days after receiving the complaint. The Secretary may extend the period for acting for additional periods totaling not more than 30 days if the Secretary decides that with additional time it is likely that a complaint can be resolved satisfactorily through negotiations with the government of the foreign country or foreign entity. The Secretary must act not later than 90 days after receiving the complaint. However, the Secretary may extend this 90-day period for not more than an additional 90 days if, on the last day of the initial 90-day period, the Secretary finds that—

(A) negotiations with the government have progressed to a point that a satisfactory resolution of the complaint appears imminent;

(B) an air carrier has not been subjected to economic injury by the government or entity as a result of filing the complaint; and

(C) the public interest requires additional time before the Secretary acts on the complaint.

(2) In carrying out paragraph (1) of this subsection and subsection (c) of this section, the Secretary of Transportation shall—

(A) solicit the views of the Secretaries of Commerce and State and the United States Trade Representative;

(B) give an affected air carrier or foreign air carrier reasonable notice and an opportunity

to submit written evidence and arguments within the time limits of this subsection; and

(C) submit to the President under section 41307 or 41509(f) of this title actions proposed by the Secretary of Transportation.

(e) REVIEW.—(1) The Secretaries of State, the Treasury, and Transportation and the heads of other departments, agencies, and instrumentalities of the Government shall keep under review, to the extent of each of their jurisdictions, each form of discrimination or unfair competitive practice to which an air carrier is subject when providing foreign air transportation. Each Secretary and head shall—

(A) take appropriate action to eliminate any discrimination or unfair competitive practice found to exist; and

(B) request Congress to enact legislation when the authority to eliminate the discrimination or unfair practice is inadequate.

(2) The Secretary of Transportation shall report to Congress annually on each action taken under paragraph (1) of this subsection and on the continuing program to eliminate discrimination and unfair competitive practices. The Secretaries of State and the Treasury each shall give the Secretary of Transportation information necessary to prepare the report.

(f) REPORTS.—Not later than 30 days after acting on a complaint under this section, the Secretary of Transportation shall report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on action taken under this section on the complaint.

41310(f)	49 App.:1159b(e).	

In subsection (a), the words “may not subject . . . to unreasonable discrimination” are substituted for “No . . . shall make, give, or cause any undue or unreasonable preference or advantage . . . in any respect whatsoever or subject . . . to any unjust discrimination or any undue or unreasonable prejudice or disadvantage in any respect whatsoever” to eliminate unnecessary words. The words “foreign air transportation” are substituted for “air transportation” because 49 App.:1551(a)(4)(C) provides that 49 App.:1374 no longer applies to interstate or overseas air transportation except insofar as 49 App.:1374 requires air carriers to provide safe and adequate service.

In subsection (b)(1), the words “at any time”, “unreasonably exceed comparable charges for furnishing such airport property or airway property in the United States or are otherwise” and “reduce such charges or” are omitted as surplus. The words “the Secretary of State shall promptly report such instances to” are omitted as surplus because the Secretary of Transportation is involved in the negotiations and aware of the failure to end the discrimination. The words “excessive or” are omitted as surplus. The words “or carriers” are omitted because of 1.1.

In subsection (b)(2), the words “in accordance with such regulations as he shall adopt” are omitted as surplus because of 49:322(a). The words “by them” are omitted as surplus.

In subsections (c)–(e), the words “United States” before “air carriers” and “air carrier” are omitted as surplus and for consistency because only a citizen of the United States may be an “air carrier” as defined in section 40102(a) of the revised title and because 49 App.:1301 applies to this section.

In subsections (c)(1) and (d)(1), before each clause (A), the words “foreign entity” and “entity” are substituted for “instrumentality” for consistency in the revised title and with other titles of the United States Code.

In subsection (c)(2), the words “alteration”, “cancellation”, “limitation”, and “pursuant to the powers of the Secretary” are omitted as surplus.

In subsection (d)(1), before clause (A), the words “department, agency, or instrumentality of the United States Government” are substituted for “agency of the Government of the United States” for consistency in the revised title and with other titles of the Code. The words “additional periods totaling not more than 30 days” are substituted for “an additional period or periods of up to 30 days each” for clarity because the amendment made by section 10111 of the Omnibus Trade and Competitiveness Act of 1988 (Public Law 100-418, 102 Stat. 1573) changed the additional period within which the Secretary had to act to only 30 days. The word “initial” is added for clarity.

In subsection (d)(2)(A), the words “the Secretaries of Commerce and State and the United States Trade Representative” are substituted for “the Department of State, the Department of Commerce, and the Office of the United States Trade Representative” because of 15:1501, 22:2651, and 19:2171, respectively.

In subsection (d)(2)(B), the words “as is consistent with acting on the complaint” are omitted as surplus.

In subsection (e)(1), before clause (A), the text of 49 App.:1159b(a) (1st, 2d sentences) is omitted as executed. The words “The Secretaries of State, the Treasury, and Transportation” are substituted for “The Department of State, the Department of the Treasury, the Department of Transportation” because of 22:2651, 31:301(b),

and 49:102(b), respectively. The words “the heads of” and “instrumentalities of the Government” are added for consistency in the revised title and with other titles of the Code. The word “jurisdictions” is substituted for “respective functions” for clarity and consistency. In clause (A), the words “within its jurisdiction . . . such forms of” are omitted as surplus. Clause (B) is substituted for 49 App.:1159b(c) to eliminate unnecessary words.

In subsection (e)(2), the words “faced by United States carriers in foreign air transportation”, “as may be”, and “required by this subsection” are omitted as surplus.

AMENDMENTS

1996—Subsec. (f). Pub. L. 104-287 substituted “Transportation and Infrastructure” for “Public Works and Transportation”.

Section 205(b) of Pub. L. 103-305 provided that: “Not later than 1 year after the date of the enactment of this Act [Aug. 23, 1994], the Secretary shall complete a study of—

“(1) the aviation safety effects of gambling applications on electronic interactive video systems installed on board aircraft for passenger use, including an evaluation of the effect of such systems on the navigational and other electronic equipment of the aircraft, on the passengers and crew of the aircraft, and on issues relating to the method of payment;

“(2) the competitive implications of permitting foreign air carriers only, but not United States air carriers, to install, transport, and operate gambling applications on electronic interactive video systems on board aircraft in the foreign commerce of the United States on flights over international waters, or in fifth freedom city-pair markets; and

“(3) whether gambling should be allowed on international flights, including proposed legislation to effectuate any recommended changes in existing law. The Secretary shall, within 5 days after the completion of the study, submit a report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Public Works and Transportation [now Committee on Transportation and Infrastructure] of the House of Representatives on the results of the study.”

§ 41312. Ending or suspending foreign air transportation

(a) GENERAL.—An air carrier holding a certificate issued under section 41102 of this title to provide foreign air transportation—

(1) may end or suspend the transportation to a place under the certificate only when the carrier gives at least 90 days notice of its intention to end or suspend the transportation to the Secretary of Transportation, any community affected by that decision, and the State authority of the State in which a community is located; and

(2) if it is the only air carrier holding a certificate to provide non-stop or single-plane foreign air transportation between 2 places, may end or suspend the transportation between those places only when the carrier gives at least 60 days notice of its intention to end or suspend the transportation to the Secretary and each community directly affected by that decision.

(b) TEMPORARY SUSPENSION.—The Secretary may authorize the temporary suspension of foreign air transportation under subsection (a) of this section when the Secretary finds the suspension is in the public interest.

(2) PASSENGER.—The term "passenger" includes an employee of a foreign air carrier or air carrier aboard an aircraft.

(b) SUBMISSION OF PLANS.—A foreign air carrier providing foreign air transportation under this chapter shall transmit to the Secretary of Transportation and the Chairman of the National Transportation Safety Board a plan for addressing the needs of the families of passengers involved in an aircraft accident that involves an aircraft under the control of the foreign air carrier and results in a significant loss of life.

- (A) the organization designated for the accident under section 1136(a)(2); or
- (B) other suitably trained individuals.

(4) LIST OF PASSENGERS.—An assurance that the foreign air carrier shall provide, imme-

diately upon request, and update a list (based on the best available information at the time of the request) of the names of the passengers aboard the aircraft (whether or not such names have been verified), to—

(12) TRAVEL AND CARE EXPENSES.—An assurance that the foreign air carrier will assist the family of any passenger in traveling to the location of the accident and provide for the physical care of the family while the family is staying at such location.

(13) RESOURCES FOR PLAN.—An assurance that the foreign air carrier will commit sufficient resources to carry out the plan.

(14) SUBSTITUTE MEASURES.—If a foreign air carrier does not wish to comply with paragraph (10), (11), or (12), a description of proposed adequate substitute measures for the requirements of each paragraph with which the foreign air carrier does not wish to comply.

(d) PERMIT AND EXEMPTION REQUIREMENT.—The Secretary shall not approve an application for a

permit under section 41302 unless the applicant has included as part of the application or request for exemption a plan that meets the requirements of subsection (c).

(e) LIMITATION ON LIABILITY.—A foreign air carrier shall not be liable for damages in any action brought in a Federal or State court arising out of the performance of the foreign air carrier in preparing or providing a passenger list pursuant to a plan submitted by the foreign air carrier under subsection (c), unless the liability was caused by conduct of the foreign air carrier which was grossly negligent or which constituted intentional misconduct.

Every air carrier and foreign air carrier shall establish, comply with, and enforce—

In this chapter, the word “regulation” is omitted in restating the phrase “classifications, rules, regulations, and practices” because it is covered by the word “rules” and to distinguish the rules of an air carrier or foreign air carrier from the regulations of the United States Government. The word “reasonable” is substituted for “just and reasonable” and “just, reasonable, and equitable” for consistency in the revised title and to eliminate unnecessary words. See the revision notes following 49:10101. The word “prices” is substituted for “fares” and “rates, fares, and charges” because of the definition of “price” in section 40102(a) of the revised title.

In this section, before clause (1), the words “comply with” are substituted for “observe” for consistency in the revised title and with other titles of the United States Code. In clause (1), the words “individual and joint” are omitted as surplus. In clause (2), the words “unreasonably discriminating” are substituted for “unduly prefer or prejudice” for consistency in the revised title and to eliminate unnecessary words. See the revision notes following 49:10101.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 41110 of this title.

§ 41502. Establishing joint prices for through routes with other carriers

(a) JOINT PRICES.—An air carrier may establish reasonable joint prices and through service with another carrier. However, an air carrier not directly operating aircraft in air transportation (except an air express company) may not establish under this section a joint price for the transportation of property with a carrier subject to subtitle IV of this title.

(b) PRICES, CLASSIFICATIONS, RULES, AND PRACTICES AND DIVISIONS OF JOINT PRICES.—For through service by an air carrier and a carrier subject to subtitle IV of this title, the participating carriers shall establish—

(1) reasonable prices and reasonable classifications, rules, and practices affecting those prices or the value of the transportation provided under those prices; and

(2) for joint prices established for the through service, reasonable divisions of those joint prices among the participating carriers.

(c) STATEMENTS INCLUDED IN TARIFFS.—An air carrier and a carrier subject to subtitle IV of this title that are participating in through service and joint prices shall include in their tariffs, filed with the Secretary of Transportation, a statement showing the through service and joint prices.

In subsection (a), the words “(except an air express company)” are substituted for “(other than companies engaged in the air express business)” to eliminate unnecessary words.

In subsection (b), before clause (1), the words “participating carriers” are substituted for “carriers parties thereto” and “carriers participating therein” for consistency in this chapter.

In subsection (c), the words “or the Interstate Commerce Commission, as the case may be” are omitted because of 49:10526(a)(8)(B).

PUB. L. 105-102

This amends the catchline for 49:41502 to make a technical and conforming amendment necessary because section 308(l) of the ICC Termination Act (Public Law 104-88, 109 Stat. 948) struck “common” from the text of 49:41502.

AMENDMENTS

1997—Pub. L. 105-102 struck out “common” before “carriers” in section catchline.

1995—Pub. L. 104-88 substituted “another carrier” for “another common carrier” in subsec. (a) and “a carrier” for “a common carrier” in subsecs. (a), (b), and (c).

(A) the part of the transportation provided in the State and approved by the appropriate State authority; and

(B) the part of the transportation provided by the air carrier or foreign air carrier;

(2) a joint price established and filed under section 41504 of this title; or

(3) a joint price prescribed by the Secretary of Transportation under section 41507 of this title.

In this section, before clause (1), the words “Notwithstanding any other provision of this chapter” are omitted as surplus. The words “a citizen of the United States providing transportation under section 41101(b) of this title” are substituted for “any citizen of the United States who undertakes, within any State, the carriage of persons or property as a common carrier for compensation or hire with aircraft capable of carrying thirty or more persons pursuant to authority for such carriage within such State granted by the appropriate State agency” for clarity and because of the restatement of 49 App.:1371(d)(4)(A)(i) and (ii) (related to joint services) in section 41101(b) of the revised title. The words “the establishment of” are omitted as surplus.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 41110 of this title.

§ 41504. Tariffs for foreign air transportation

(a) FILING AND CONTENTS.—In the way prescribed by regulation by the Secretary of Transportation, every air carrier and foreign air carrier shall file with the Secretary, publish, and keep open to public inspection, tariffs showing the prices for the foreign air transportation provided between places served by the carrier and provided between places served by the carrier and places served by another air carrier or foreign air carrier with which through service and joint prices have been established. A tariff—

(1) shall contain—

(A) to the extent the Secretary requires by regulation, a description of the classifications, rules, and practices related to the foreign air transportation;

(B) a statement of the prices in money of the United States; and

(C) other information the Secretary requires by regulation; and

(2) may contain—

(A) a statement of the prices in money that is not money of the United States; and

(B) information that is required under the laws of a foreign country in or to which the air carrier or foreign air carrier is authorized to operate.

(b) CHANGES.—(1) Except as provided in paragraph (2) of this subsection, an air carrier or foreign air carrier may change a price or a classification, rule, or practice affecting that price or the value of the transportation provided under that price, specified in a tariff of the carrier for foreign air transportation only after 30 days after the carrier has filed, published, and posted notice of the proposed change in the same way as required for a tariff under subsection (a) of this section. However, the Secretary may prescribe an alternative notice requirement, of at

least 25 days, to allow an air carrier or foreign air carrier to match a proposed change in a passenger fare or a charge of another air carrier or foreign air carrier. A notice under this paragraph must state plainly the change proposed and when the change will take effect.

(2) If the effect of a proposed change would be to begin a passenger fare that is outside of, or not covered by, the range of passenger fares specified under section 41509(e)(2) and (3) of this title, the proposed change may be put into effect only on the expiration of 60 days after the notice is filed under regulations prescribed by the Secretary.

(c) REJECTION OF CHANGES.—The Secretary may reject a tariff or tariff change that is not consistent with this section and regulations prescribed by the Secretary. A tariff or change that is rejected is void.

In this section, the words “foreign air transportation” are substituted for “air transportation” because 49 App.:1551(a)(4)(B) provides that 49 App.:1373 no longer applies to interstate or overseas air transportation and 49 App.:1376(a)–(e), restated in section 41901 of the revised title, governs rates for the transportation of mail by aircraft. See section 40102(a) of the revised title defining “air transportation” to mean interstate or foreign air transportation or the transportation of mail by aircraft. The words “passenger fare” are substituted for “fare” for consistency in the revised title.

In subsection (a), before clause (1), the word “print” is omitted as being included in “publish”. The word “places” is substituted for “points” for consistency in the revised title and with other titles of the United States Code. In clause (1)(A), the word “services” is omitted as being included in “practices”. In clauses (1)(B) and (2)(A), the word “lawful” is omitted as surplus.

In subsection (b)(1), the words “for foreign air transportation” are added because of 49 App.:1551(a)(4)(B).

See the revision notes for subsection (a) of this section. The words “in the same way as required for a tariff under” are substituted for “in accordance with” for clarity. The words “proposed change in a passenger fare or a charge of another air carrier or foreign air carrier” are substituted for “fares or charges specified in another air carrier’s or foreign air carrier’s proposed tariff” for clarity and consistency in this section.

In subsection (b)(2), the words “not covered by” are substituted for “to which such range of fares does not apply” to eliminate unnecessary words. The words “subparagraphs (A) and (B) of section 1482(d)(4) of this Appendix . . . section 1482(d)(7) of this Appendix” are omitted because those sections related to interstate and overseas air transportation and the source provisions restated in this section relate to foreign air transportation. In addition, the text of 49 App.:1551(a)(5)(D) provides that 49 App.:1482(d) ceased to be in effect on January 1, 1985, except as related to foreign air transportation. The reference in the source provisions to “section 1482(j)(9) of this Appendix” has been restated as though it were a reference to 49 App.:1482(j)(10) to correct an apparent error in the International Air Transportation Competition Act of 1979 (Public Law 96–192, 94 Stat. 35). Section 24(b) of S. 1300 of the 96th Congress (the derivative source for the International Air Transportation Competition Act of 1979), as originally passed by both the Senate and the House of Representatives, restated section 403(c)(2) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 759) to read as it now does with a cross-reference to section 1002(j)(9) of the Federal Aviation Act of 1958. Also contained in those versions of S. 1300 in section 24(a) was an amendment to section 1002(j) of the Federal Aviation Act of 1958 to add a paragraph (9) that contained language identical to what is now section 1002(j)(10) of the Federal Aviation Act of 1958. When S. 1300 was reported by the conference committee and enacted into law as the International Air Transportation Competition Act of 1979, section 24(a) had been changed so that a different paragraph (9) was added and what had been paragraph (9) was now designated as a new paragraph (10) to be added. Apparently, when the conference committee redesignated section 1002(j)(9) as 1002(j)(10) it did not make a corresponding change in the cross-reference in section 403(c)(2). See 125 Cong. Rec. 26936, 32147, 36939.

§ 41505. Uniform methods for establishing joint prices, and divisions of joint prices, applicable to commuter air carriers

(a) DEFINITION.—In this section, “commuter air carrier” means an air carrier providing transportation under section 40109(f) of this title that provides at least 5 scheduled roundtrips a week between the same 2 places.

(b) GENERAL.—Except as provided in subsection (c) of this section, when the Secretary of Transportation prescribes under section 41508 or 41509 of this title a uniform method generally applicable to establishing joint prices and divisions of joint prices for and between air carriers holding certificates issued under section 41102 of this title, the Secretary shall make that uniform method apply to establishing joint prices and divisions of joint prices for and between air carriers and commuter air carriers.

(c) NOTICE REQUIRED BEFORE MODIFYING, SUSPENDING, OR ENDING TRANSPORTATION.—A commuter air carrier that has an agreement with an air carrier to provide transportation for passengers and property that includes through serv-

ice by the commuter air carrier over the commuter air carrier’s routes and air transportation provided by the air carrier shall give the air carrier and the Secretary at least 90 days’ notice before modifying, suspending, or ending the transportation. If the commuter air carrier does not give that notice, the uniform method of establishing joint prices and divisions of joint prices referred to in subsection (b) of this section does not apply to the commuter air carrier.

In subsection (a), the text of 49 App.:1482a(2)(A) is omitted as unnecessary because the definition of “air carrier” in 49 App.:1301(3) is restated in section 40102(a) of the revised title and applies to this section and because the functions of the Civil Aeronautics Board under 49 App.:1482a were transferred to the Secretary of Transportation by 49 App.:1551(b)(1)(E) and the complete name of the Secretary is used the first time the term appears in a section. The text of 49 App.:1482a(3) is omitted as executed. The reference in the source provisions to “section 416(b)(3) of the Federal Aviation Act of 1958 [49 App. U.S.C. 1386(b)(3)]” has been restated as though it were a reference to section 416(b)(4) to correct an apparent error in the Airline Deregulation Act of 1978 (Public Law 95–504, 92 Stat. 1705). Section 24 of H.R. 12611 of the 95th Congress (the derivative source for 416(b)(4)), added section 416(b)(3) to the Federal Aviation Act. Section 29(c) added provisions that eventually were classified as 49 App.:1482a. Those provisions contained a reference to section 416(b)(3). When S. 2493 (passed in lieu of the House bill after being amended to contain much of the text of the House bill) was reported by the conference committee and enacted into law, section 32 added what had been a new 416(b)(3) as a new 416(b)(4). However, the conference committee did not make a corresponding change in the cross-reference in section 37(c), that added 49 App.:1482a. See 124 Cong. Rec. 30714, 30716, 36521, 36524. The word “scheduled” is substituted for “pursuant to flight schedules” to eliminate unnecessary words. The words “the same 2 places” are substituted for “one pair of points” for consistency in the revised title and with other titles of the United States Code.

In subsection (b), the words “Except as provided in subsection (c) of this section” are added for clarity. The words “pursuant to its authority” are omitted as surplus.

In subsection (c), the word “passengers” is substituted for “persons” for consistency in the revised title and with other titles of the Code. The words “through service by the commuter air carrier over the commuter air carrier’s routes” are substituted for “transportation over its routes” for clarity. The words “between air carriers and commuter air carriers” are omitted as surplus.

The words “foreign air transportation” are substituted for “air transportation” because 49 App.:1551(a)(4)(B) provides that 49 App.:1373 no longer applies to interstate or overseas air transportation and 49 App.:1376(a)-(e), restated in section 41901 of the revised title, governs rates for the transportation of mail by aircraft. See section 40102(a) of the revised title defining “air transportation” to mean interstate or foreign air transportation or the transportation of mail by aircraft.

§ 41507. Authority of the Secretary of Transportation to change prices, classifications, rules, and practices for foreign air transportation

(a) GENERAL.—When the Secretary of Transportation decides that a price charged or received by an air carrier or foreign air carrier for foreign air transportation, or a classification, rule, or practice affecting that price or the value of the transportation provided under that price, is or will be unreasonably discriminatory, the Secretary may—

(1) change the price, classification, rule, or practice as necessary to correct the discrimination; and

(2) order the air carrier or foreign air carrier to stop charging or collecting the discriminatory price or carrying out the discriminatory classification, rule, or practice.

(b) WHEN SECRETARY MAY ACT.—The Secretary may act under this section on the Secretary’s own initiative or on a complaint filed with the Secretary and only after notice and an opportunity for a hearing.

§ 41508. Authority of the Secretary of Transportation to adjust divisions of joint prices for foreign air transportation

(a) GENERAL.—When the Secretary of Transportation decides that a division between air carriers, foreign air carriers, or both, of a joint price for foreign air transportation is or will be unreasonable or unreasonably discriminatory against any of those carriers, the Secretary shall prescribe a reasonable division of the joint price among those carriers. The Secretary may order the adjustment in the division of the joint price to be made retroactively to the date the complaint was filed, the date the order for an investigation was made, or a later date the Secretary decides is reasonable.

(b) WHEN SECRETARY MAY ACT.—The Secretary may act under this section on the Secretary’s own initiative or on a complaint filed with the Secretary and only after notice and an opportunity for a hearing.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 40109, 41505, 46301 of this title.

§ 41509. Authority of the Secretary of Transportation to suspend, cancel, and reject tariffs for foreign air transportation

(a) CANCELLATION AND REJECTION.—(1) On the initiative of the Secretary of Transportation or on a complaint filed with the Secretary, the Secretary may conduct a hearing to decide whether a price for foreign air transportation contained in an existing or newly filed tariff of an air carrier or foreign air carrier, a classification, rule, or practice affecting that price, or the value of the transportation provided under that price, is lawful. The Secretary may begin the hearing at once and without an answer or another formal pleading by the air carrier or foreign air carrier, but only after reasonable notice. If, after the hearing, the Secretary decides that the price, classification, rule, or practice is or will be unreasonable or unreasonably discriminatory, the Secretary may cancel or reject the tariff and prevent the use of the price, classification, rule, or practice.

(2) With or without a hearing, the Secretary may cancel or reject an existing or newly filed tariff of a foreign air carrier and prevent the use of a price, classification, rule, or practice when the Secretary decides that the cancellation or rejection is in the public interest.

(3) In deciding whether to cancel or reject a tariff of an air carrier or foreign air carrier under this subsection, the Secretary shall consider—

(A) the effect of the price on the movement of traffic;

(B) the need in the public interest of adequate and efficient transportation by air carriers and foreign air carriers at the lowest cost consistent with providing the transportation;

(C) the standards prescribed under law related to the character and quality of transportation to be provided by air carriers and foreign air carriers;

(D) the inherent advantages of transportation by aircraft;

(E) the need of the air carrier and foreign air carrier for revenue sufficient to enable the air carrier and foreign air carrier, under honest, economical, and efficient management, to provide adequate and efficient air carrier and foreign air carrier transportation;

(F) whether the price will be predatory or tend to monopolize competition among air carriers and foreign air carriers in foreign air transportation;

(G) reasonably estimated or foreseeable future costs and revenues for the air carrier or

foreign air carrier for a reasonably limited future period during which the price would be in effect; and

(H) other factors.

(b) SUSPENSION.—(1)(A) Pending a decision under subsection (a)(1) of this section, the Secretary may suspend a tariff and the use of a price contained in the tariff or a classification, rule, or practice affecting that price.

(B) The Secretary may suspend a tariff of a foreign air carrier and the use of a price, classification, rule, or practice when the suspension is in the public interest.

(2) A suspension becomes effective when the Secretary files with the tariff and delivers to the air carrier or foreign air carrier affected by the suspension a written statement of the reasons for the suspension. To suspend a tariff, reasonable notice of the suspension must be given to the affected carrier.

(3) The suspension of a newly filed tariff may be for periods totaling not more than 365 days after the date the tariff otherwise would go into effect. The suspension of an existing tariff may be for periods totaling not more than 365 days after the effective date of the suspension. The Secretary may rescind at any time the suspension of a newly filed tariff and allow the price, classification, rule, or practice to go into effect.

(c) EFFECTIVE TARIFFS AND PRICES WHEN TARIFF IS SUSPENDED, CANCELED, OR REJECTED.—(1) If a tariff is suspended pending the outcome of a proceeding under subsection (a) of this section and the Secretary does not take final action in the proceeding during the suspension period, the tariff goes into effect at the end of that period subject to cancellation when the proceeding is concluded.

(2)(A) During the period of suspension, or after the cancellation or rejection, of a newly filed tariff (including a tariff that has gone into effect provisionally), the affected air carrier or foreign air carrier shall maintain in effect and use—

(i) the corresponding seasonal prices, or the classifications, rules, and practices affecting those prices or the value of transportation provided under those prices, that were in effect for the carrier immediately before the new tariff was filed; or

(ii) another price provided for under an applicable intergovernmental agreement or understanding.

(B) If the suspended, canceled, or rejected tariff is the first tariff of the carrier for the covered transportation, the carrier, for the purpose of operations during the period of suspension or pending effectiveness of a new tariff, may file another tariff containing a price or another classification, rule, or practice affecting the price, or the value of the transportation provided under the price, that is in effect (and not subject to a suspension order) for any air carrier providing the same transportation.

(3) If an existing tariff is suspended or canceled, the affected air carrier or foreign air carrier, for the purpose of operations during the period of suspension or pending effectiveness of a new tariff, may file another tariff containing a price or another classification, rule, or practice

affecting the price, or the value of the transportation provided under the price, that is in effect (and not subject to a suspension order) for any air carrier providing the same transportation.

(d) RESPONSE TO REFUSAL OF FOREIGN COUNTRY TO ALLOW AIR CARRIER TO CHARGE A PRICE.—When the Secretary finds that the government or an aeronautical authority of a foreign country has refused to allow an air carrier to charge a price contained in a tariff filed and published under section 41504 of this title for foreign air transportation to the foreign country—

(1) the Secretary, without a hearing—

(A) may suspend any existing tariff of a foreign air carrier providing transportation between the United States and the foreign country for periods totaling not more than 365 days after the date of the suspension; and

(B) may order the foreign air carrier to charge, during the suspension periods, prices that are the same as those contained in a tariff (designated by the Secretary) of an air carrier filed and published under section 41504 of this title for foreign air transportation to the foreign country; and

(2) a foreign air carrier may continue to provide foreign air transportation to the foreign country only if the government or aeronautical authority of the foreign country allows an air carrier to start or continue foreign air transportation to the foreign country at the prices designated by the Secretary.

(e) STANDARD FOREIGN FARE LEVEL.—(1)(A) In this subsection, “standard foreign fare level” means—

(i) for a class of fares existing on October 1, 1979, the fare between 2 places (as adjusted under subparagraph (B) of this paragraph) filed for and allowed by the Civil Aeronautics Board to go into effect after September 30, 1979, and before August 13, 1980 (with seasonal fares adjusted by the percentage difference that prevailed between seasons in 1978), or the fare established under section 1002(j)(8) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 731), as added by section 24(a) of the International Air Transportation Competition Act of 1979 (Public Law 96-192, 94 Stat. 46); or

(ii) for a class of fares established after October 1, 1979, the fare between 2 places in effect on the effective date of the establishment of the new class.

(B) At least once every 60 days for fuel costs, and at least once every 180 days for other costs, the Secretary shall adjust the standard foreign fare level for the particular foreign air transportation to which the standard foreign fare level applies by increasing or decreasing that level by the percentage change from the last previous period in the actual operating cost for each available seat-mile. In adjusting a standard foreign fare level, the Secretary may not make an adjustment to costs actually incurred. In establishing a standard foreign fare level and making adjustments in the level under this paragraph, the Secretary may use all relevant or appropriate information reasonably available to the Secretary.

(2) The Secretary may not decide that a proposed fare for foreign air transportation is un-

reasonable on the basis that the fare is too low or too high if the proposed fare is neither more than 5 percent higher nor 50 percent lower than the standard foreign fare level for the same or essentially similar class of transportation. The Secretary by regulation may increase the 50 percent specified in this paragraph.

(3) Paragraph (2) of this subsection does not apply to a proposed fare that is not more than—

(A) 5 percent higher than the standard foreign fare level when the Secretary decides that the proposed fare may be unreasonably discriminatory or that suspension of the fare is in the public interest because of an unreasonable regulatory action by the government of a foreign country that is related to a fare proposal of an air carrier; or

(B) 50 percent lower than the standard foreign fare level when the Secretary decides that the proposed fare may be predatory or discriminatory or that suspension of the fare is required because of an unreasonable regulatory action by the government of a foreign country that is related to a fare proposal of an air carrier.

(f) SUBMISSION OF ORDERS TO PRESIDENT.—The Secretary shall submit to the President an order made under this section suspending, canceling, or rejecting a price for foreign air transportation, and an order rescinding the effectiveness of such an order, before publishing the order. Not later than 10 days after its submission, the President may disapprove the order on finding disapproval is necessary for United States foreign policy or national defense reasons.

(g) COMPLIANCE AS CONDITION OF CERTIFICATE OR PERMIT.—This section and compliance with an order of the Secretary under this section are conditions to any certificate or permit held by an air carrier or foreign air carrier. An air carrier or foreign air carrier may provide foreign air transportation only as long as the carrier maintains prices for that transportation that comply with this section and orders of the Secretary under this section.

In subsection (a)(1) and (2), the words “take action to” are omitted as surplus.

In subsection (a)(1), the words “individual or joint (between air carriers, between foreign air carriers, or between an air carrier or carriers and a foreign air carrier or carriers)” and “and, if it so orders” are omitted as surplus. The words “unreasonable or unreasonably discriminatory” are substituted for “unjust or unreasonable, or unjustly discriminatory, or unduly preferential, or unduly prejudicial” for consistency in the revised title and to eliminate unnecessary words. See the revision notes following 49:10101.

In subsection (a)(3), before clause (A), the words “In deciding whether to cancel or reject a tariff of an air carrier or foreign air carrier under this subsection” are substituted for “In exercising and performing its powers and duties under this subsection with respect to the rejection or cancellation of rates for the carriage of persons or property” for consistency in this section and to eliminate unnecessary words. In clause (B), the words “of persons and property” are omitted as surplus.

In subsection (b)(1), the words “contained in the tariff” are added for clarity.

In subsection (b)(1)(A), the words “such hearing and” are omitted as surplus.

In subsection (b)(1)(B), the words “or in the case of” are omitted as surplus.

In subsection (b)(2), the text of 49 App.:1373(c)(3) is omitted as obsolete. Reference to 49 App.:1482(g) is omitted because 49 App.:1482(g) does not relate to foreign air transportation and 49 App.:1551(a)(5)(D) provides that 49 App.:1482(g) ceased to be in effect on Janu-

ary 1, 1985, except insofar as it related to foreign air transportation. Reference to 49 App.:1482(j) is omitted because it consistently has been interpreted that the minimum notice requirement does not apply to foreign air transportation.

In subsection (b)(3), the words “for periods totaling not more than 365 days after” are substituted for “a period or periods not exceeding 365 days in the aggregate beyond the time when” and “a period or periods not exceeding 365 days in the aggregate from” to eliminate unnecessary words.

In subsection (c)(1), the words “a tariff is suspended pending the outcome of a proceeding under subsection (a) of this section” are added for clarity. The words “and the Secretary does not take final action in the proceeding during the suspension period” are substituted for “the proceeding has not been concluded and an order made within the period of suspension or suspensions” and “the proceeding has not been concluded within the period of suspension or suspensions” to eliminate unnecessary words. The words “or if the Board shall otherwise so direct” are omitted as surplus because under subsection (b)(3) of this section the Secretary may rescind a suspension at any time.

In subsection (c)(2)(A), before clause (i), the words “or suspensions” are omitted because of 1:1. In clause (i), the words “corresponding seasonal” are added for clarity.

In subsection (c)(2)(B) and (3), the words “providing the same transportation” are substituted for “engaged in the same foreign air transportation” for consistency in this chapter and to eliminate unnecessary words.

In subsection (c)(2)(B), the words “of the carrier for the covered transportation” and “during the period of suspension or” are added for clarity.

In subsection (c)(3), the words “If an existing tariff is suspended or canceled” are added for clarity. The words “following cancellation of an existing tariff” are omitted as surplus.

In subsection (d), the word “properly” is omitted as surplus. In clause (1)(A), the words “the operation of” are omitted as surplus. The words “periods totaling not more than 365 days after the date of the suspension” are substituted for “for a period or periods not exceeding three hundred and sixty-five days in the aggregate from the date of such suspension” for clarity and to eliminate unnecessary words. In subclause (B), the words “or suspensions” are omitted because of 1:1. In clause (2), the words “by the Secretary” are added for clarity.

In subsection (e)(1)(B), the words “within 30 days after February 15, 1980” are omitted as executed. The words “as the case may be” are omitted as surplus.

In subsection (e)(2), the text of 49 App.:1482(j)(6)(A) is omitted as expired. The words “with respect to any proposed increase filed with the Board after the 180th day after February 15, 1980” and “with respect to any proposed decrease filed after February 15, 1980” are omitted as obsolete. The words “of persons” are omitted as surplus because a “fare” is only for passengers. The words “The Secretary by regulation may increase the 50 percent specified in this paragraph” are substituted for 49 App.:1482(j)(10) for clarity.

In subsection (e)(3)(A), the words “unreasonably discriminatory” are substituted for “unduly preferential, unduly prejudicial, or unjustly discriminatory” to eliminate unnecessary words and for consistency in the revised title. See the revision notes following 49:10101.

In subsection (g), the words “express” and “now . . . or hereafter issued” are omitted as surplus. The words “may provide foreign air transportation only as long as” are substituted for “shall be a condition to the continuation of the affected service” for clarity.

In this section, the words “greater or less” are omitted as being included in “different”. The words “foreign air transportation” are substituted for “air transportation” because 49 App.:1551(a)(4)(B) provides that 49 App.:1373 no longer applies to interstate or overseas air transportation and 49 App.:1376(a)–(e), restated in section 41901 of the revised title, governs prices for the transportation of mail by aircraft. See section 40102(a) of the revised title defining “air transportation” to mean interstate or foreign air transportation or the transportation of mail by aircraft. The words “for any service in connection therewith” are omitted as surplus because the word “transportation” includes any services related to the transportation.

In subsection (a), before clause (1), the words “may not” are substituted for “no . . . shall” and “no . . . shall, in any manner or by any device, directly or indirectly, or through any agent or broker, or otherwise”

for clarity and to eliminate unnecessary words. In clause (1), the words “demand or collect” are omitted as being included in “charge or receive”. The words “then currently” are omitted as surplus. In clause (3), the words “tariff for foreign air transportation” are substituted for “such tariffs” for clarity.

(2) a parent or the immediate family of such an officer or employee or the immediate family of such a director.

See section 40102(a) of the revised title defining “air transportation” to mean interstate or foreign air transportation or the transportation of mail by aircraft. The word “conditions” is omitted as being included in “terms”.

In subsection (a)(7), the words “or other emergency” are substituted for “other calamitous visitation” for consistency.

§ 41709. Records of air carriers

(a) REQUIREMENTS.—The Secretary of Transportation shall prescribe the form of records to be kept by an air carrier, including records on the movement of traffic, receipts and expenditures of money, and the time period during which the records shall be kept. A carrier may keep only records prescribed or approved by the Secretary. However, a carrier may keep additional records if the additional records do not impair the integrity of the records prescribed or approved by the Secretary and are not an unreasonable financial burden on the carrier.

(b) INSPECTION.—(1) The Secretary at any time may—

(A) inspect the land, buildings, and equipment of an air carrier or foreign air carrier when necessary to decide under subchapter II of this chapter or section 41102, 41103, or 41302 of this title whether a carrier is fit, willing, and able; and

(B) inspect records kept or required to be kept by an air carrier, foreign air carrier, or ticket agent.

(2) The Secretary may employ special agents or auditors to carry out this subsection.

(a) DEFINITION.—In this section, “State” means a State, the District of Columbia, and a territory or possession of the United States.

(b) PREEMPTION.—(1) Except as provided in this subsection, a State, political subdivision of a State, or political authority of at least 2 States may not enact or enforce a law, regulation, or other provision having the force and effect of law related to a price, route, or service of an air carrier that may provide air transportation under this subpart.

(3) This subsection does not limit a State, political subdivision of a State, or political authority of at least 2 States that owns or operates an airport served by an air carrier holding a certificate issued by the Secretary of Transportation from carrying out its proprietary powers and rights.

(4) TRANSPORTATION BY AIR CARRIER OR CARRIER AFFILIATED WITH A DIRECT AIR CARRIER.—

(A) GENERAL RULE.—Except as provided in subparagraph (B), a State, political subdivision of a State, or political authority of 2 or more States may not enact or enforce a law, regulation, or other provision having the force and effect of law related to a price, route, or service of an air carrier or carrier affiliated with a direct air carrier through common controlling ownership when such carrier is transporting property by aircraft or by motor vehicle (whether or not such property has had or will have a prior or subsequent air movement).

(B) MATTERS NOT COVERED.—Subparagraph (A)—

(i) shall not restrict the safety regulatory authority of a State with respect to motor vehicles, the authority of a State to impose highway route controls or limitations based on the size or weight of the motor vehicle or the hazardous nature of the cargo, or the authority of a State to regulate motor carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization; and

(ii) does not apply to the transportation of household goods, as defined in section 13102 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 14501, 40109, 46301 of this title.

§ 41714. Availability of slots

(a) MAKING SLOTS AVAILABLE FOR ESSENTIAL AIR SERVICE.—

(1) OPERATIONAL AUTHORITY.—If basic essential air service under subchapter II of this chapter is to be provided from an eligible point to a high density airport (other than Washington National Airport), the Secretary of Transportation shall ensure that the air

carrier providing or selected to provide such service has sufficient operational authority at the high density airport to provide such service. The operational authority shall allow flights at reasonable times taking into account the needs of passengers with connecting flights.

(2) EXEMPTIONS.—If necessary to carry out the objectives of paragraph (1), the Secretary shall by order grant exemptions from the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), to air carriers using Stage 3 aircraft or to commuter air carriers, unless such an exemption would significantly increase operational delays.

(3) ASSURANCE OF ACCESS.—If the Secretary finds that an exemption under paragraph (2) would significantly increase operational delays, the Secretary shall take such action as may be necessary to ensure that an air carrier providing or selected to provide basic essential air service is able to obtain access to a high density airport; except that the Secretary shall not be required to make slots available at O’Hare International Airport in Chicago, Illinois, if the number of slots available for basic essential air service (including slots specifically designated as essential air service slots and slots used for such purposes) to and from such airport is at least 132 slots.

(4) ACTION BY THE SECRETARY.—The Secretary shall issue a final order under this subsection on or before the 60th day after receiving a request from an air carrier for operational authority under this subsection.

(b) SLOTS FOR FOREIGN AIR TRANSPORTATION.—

(1) EXEMPTIONS.—If the Secretary finds it to be in the public interest at a high density airport (other than Washington National Airport), the Secretary may grant by order exemptions from the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), to enable air carriers and foreign air carriers to provide foreign air transportation using Stage 3 aircraft.

(2) SLOT WITHDRAWALS.—The Secretary may not withdraw a slot from an air carrier in order to allocate that slot to a carrier to provide foreign air transportation if the withdrawal of that slot would result in the withdrawal of slots from an air carrier at O’Hare International Airport under section 93.223 of title 14, Code of Federal Regulations, in excess of the total withdrawn from that air carrier as of October 31, 1993.

(3) EQUIVALENT RIGHTS OF ACCESS.—The Secretary shall not take a slot at a high density airport from an air carrier and award such slot to a foreign air carrier if the Secretary determines that air carriers are not provided equivalent rights of access to airports in the country of which such foreign air carrier is a citizen.

(4) PERIOD OF EFFECTIVENESS.—This subsection and exemptions issued under this subsection shall cease to be in effect when the final rules issued under subsection (f) become effective.

(c) SLOTS FOR NEW ENTRANTS.—

(1) IN GENERAL.—If the Secretary finds it to be in the public interest and the circumstances to be exceptional, the Secretary may by order grant exemptions from the requirements under subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), to enable new entrant air carriers to provide air transportation at high density airports (other than Washington National Airport).

(2) PERIOD OF EFFECTIVENESS.—Exemptions issued under this subsection shall cease to be in effect on or after the date on which the final rules issued under subsection (f) become effective.

(d) SPECIAL RULES FOR WASHINGTON NATIONAL AIRPORT.—

(1) IN GENERAL.—Notwithstanding sections 49104(a)(5) and 49111(e) of this title, or any provision of this section, the Secretary may, only under circumstances determined by the Secretary to be exceptional, grant by order to an air carrier currently holding or operating a slot at Washington National Airport an exemption from requirements under subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at Washington National Airport), to enable that carrier to provide air transportation with Stage 3 aircraft at Washington National Airport; except that such exemption shall not—

(A) result in an increase in the total number of slots per day at Washington National Airport;

(B) result in an increase in the total number of slots at Washington National Airport from 7:00 ante meridiem to 9:59 post meridiem;

(C) increase the number of operations at Washington National Airport in any 1-hour period by more than 2 operations;

(D) result in the withdrawal or reduction of slots operated by an air carrier;

(E) result in a net increase in noise impact on surrounding communities resulting from changes in timing of operations permitted under this subsection; and

(F) continue in effect on or after the date on which the final rules issued under subsection (f) become effective.

(2) LIMITATION ON APPLICABILITY.—Nothing in this subsection shall adversely affect Exemption No. 5133, as from time-to-time amended and extended.

(e) STUDY.—

(1) MATTERS TO BE CONSIDERED.—The Secretary shall continue the Secretary's current examination of slot regulations and shall ensure that the examination includes consideration of—

(A) whether improvements in technology and procedures of the air traffic control system and the use of quieter aircraft make it possible to eliminate the limitations on hourly operations imposed by the high density rule contained in part 93 of title 14 of the Code of Federal Regulations or to increase the number of operations permitted under such rule;

(B) the effects of the elimination of limitations or an increase in the number of operations allowed on each of the following:

(i) congestion and delay in any part of the national aviation system;

(ii) the impact of noise on persons living near the airport;

(iii) competition in the air transportation system;

(iv) the profitability of operations of airlines serving the airport; and

(v) aviation safety;

(C) the impact of the current slot allocation process upon the ability of air carriers to provide essential air service under subchapter II of this chapter;

(D) the impact of such allocation process upon the ability of new entrant air carriers to obtain slots in time periods that enable them to provide service;

(E) the impact of such allocation process on the ability of foreign air carriers to obtain slots;

(F) the fairness of such process to air carriers and the extent to which air carriers are provided equivalent rights of access to the air transportation market in the countries of which foreign air carriers holding slots are citizens;

(G) the impact, on the ability of air carriers to provide domestic and international air service, of the withdrawal of slots from air carriers in order to provide slots for foreign air carriers; and

(H) the impact of the prohibition on slot withdrawals in subsections (b)(2) and (b)(3) of this section on the aviation relationship between the United States Government and foreign governments, including whether the prohibition in such subsections will require the withdrawal of slots from general and military aviation in order to meet the needs of air carriers and foreign air carriers providing foreign air transportation (and the impact of such withdrawal on general aviation and military aviation) and whether slots will become available to meet the needs of air carriers and foreign air carriers to provide foreign air transportation as a result of the planned relocation of Air Force Reserve units and the Air National Guard at O'Hare International Airport.

(2) REPORT.—Not later than January 31, 1995, the Secretary shall complete the current examination of slot regulations and shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report containing the results of such examination.

(f) RULEMAKING.—The Secretary shall conduct a rulemaking proceeding based on the results of the study described in subsection (e). In the course of such proceeding, the Secretary shall issue a notice of proposed rulemaking not later than August 1, 1995, and shall issue a final rule not later than 90 days after public comments are due on the notice of proposed rulemaking.

(g) WEEKEND OPERATIONS.—The Secretary shall consider the advisability of revising sec-

tion 93.227 of title 14, Code of Federal Regulations, so as to eliminate weekend schedules from the determination of whether the 80 percent standard of subsection (a)(1) of that section has been met.

(h) DEFINITIONS.—In this section and section 41734(h), the following definitions apply:

(1) COMMUTER AIR CARRIER.—The term “commuter air carrier” means a commuter operator as defined or applied in subpart K or S of part 93 of title 14, Code of Federal Regulations.

(2) HIGH DENSITY AIRPORT.—The term “high density airport” means an airport at which the Administrator limits the number of instrument flight rule takeoffs and landings of aircraft.

(3) NEW ENTRANT AIR CARRIER.—The term “new entrant air carrier” means an air carrier that does not hold a slot at the airport concerned and has never sold or given up a slot at that airport after December 16, 1985, and a limited incumbent carrier as defined in subpart S of part 93 of title 14, Code of Federal Regulations.

(4) SLOT.—The term “slot” means a reservation for an instrument flight rule takeoff or landing by an air carrier of an aircraft in air transportation.

(i) EXPEDITIOUS CONSIDERATION OF CERTAIN EXEMPTION REQUESTS.—Within 120 days after receiving an application for an exemption under subsection (a)(2) to improve air service between a nonhub airport (as defined in section 41731(a)(4)) and a high density airport subject to the exemption authority under subsection (a), the Secretary shall grant or deny the exemption. The Secretary shall notify the Senate Committee on Commerce, Science, and Transportation and the House Committee on Transportation and Infrastructure of the grant or denial within 14 calendar days after the determination and state the reasons for the determination.

§ 41715. Air service termination notice

(a) IN GENERAL.—An air carrier may not terminate interstate air transportation from a nonhub airport included on the Secretary of Transportation’s latest published list of such airports, unless such air carrier has given the Secretary at least 45 days’ notice before such termination.

(b) EXCEPTIONS.—The requirements of subsection (a) shall not apply when—

(1) the carrier involved is experiencing a sudden or unforeseen financial emergency, including natural weather related emergencies, equipment-related emergencies, and strikes;

(2) the termination of transportation is made for seasonal purposes only;

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 41110, 41714, 41715, 47115 of this title.

§ 41732. Basic essential air service

(a) GENERAL.—Basic essential air service provided under section 41733 of this title is scheduled air transportation of passengers and cargo—

(1) to a hub airport that has convenient connecting or single-plane air service to a substantial number of destinations beyond that airport; or

(2) to a small hub or nonhub airport, when in Alaska or when the nearest hub airport is more than 400 miles from an eligible place.

(b) MINIMUM REQUIREMENTS.—Basic essential air service shall include at least the following:

(1)(A) for a place not in Alaska, 2 daily round trips 6 days a week, with not more than one intermediate stop on each flight; or

(B) for a place in Alaska, a level of service at least equal to that provided in 1976 or 2 round trips a week, whichever is greater, except that the Secretary of Transportation and the appropriate State authority of Alaska may agree to a different level of service after consulting with the affected community.

(2) flights at reasonable times considering the needs of passengers with connecting flights at the airport and at prices that are not excessive compared to the generally prevailing prices of other air carriers for like service between similar places.

(3) for a place not in Alaska, service provided in an aircraft with an effective capacity

of at least 15 passengers if the average daily boardings at the place in any calendar year from 1976-1986 were more than 11 passengers unless—

(A) that level-of-service requirement would require paying compensation in a fiscal year under section 41733(d) or 41734(d) or (e) of this title for the place when compensation otherwise would not have been paid for that place in that year; or

(B) the affected community agrees with the Secretary in writing to the use of smaller aircraft to provide service to the place.

(4) service accommodating the estimated passenger and property traffic at an average load factor, for each class of traffic considering seasonal demands for the service, of not more than—

(A) 50 percent; or

(B) 60 percent when service is provided by aircraft with more than 14 passenger seats.

(5) service provided in aircraft with at least 2 engines and using 2 pilots, unless scheduled air transportation has not been provided to the place in aircraft with at least 2 engines and using 2 pilots for at least 60 consecutive operating days at any time since October 31, 1978.

(6) service provided by pressurized aircraft when the service is provided by aircraft that regularly fly above 8,000 feet in altitude.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 41110, 41731 of this title.

§ 41733. Level of basic essential air service

(a) DECISIONS MADE BEFORE OCTOBER 1, 1988.—For each eligible place for which a decision was made before October 1, 1988, under section 419 of the Federal Aviation Act of 1958, establishing the level of essential air transportation, the level of basic essential air service for that place shall be the level established by the Secretary of Transportation for that place by not later than December 29, 1988.

(b) DECISIONS NOT MADE BEFORE OCTOBER 1, 1988.—(1) The Secretary shall decide on the level of basic essential air service for each eligible place for which a decision was not made before October 1, 1988, establishing the level of essential air transportation, when the Secretary receives notice that service to that place will be provided by only one air carrier. The Secretary shall make the decision by the last day of the 6-month period beginning on the date the Secretary receives the notice. The Secretary may impose notice requirements necessary to carry out this subsection. Before making a decision, the Secretary shall consider the views of any interested community and the appropriate State authority of the State in which the community is located.

(2) Until the Secretary has made a decision on a level of basic essential air service for an eligible place under this subsection, the Secretary, on petition by an appropriate representative of the place, shall prohibit an air carrier from ending, suspending, or reducing air transportation to that place that appears to deprive the place of basic essential air service.

(c) AVAILABILITY OF COMPENSATION.—(1) If the Secretary decides that basic essential air service will not be provided to an eligible place without compensation, the Secretary shall provide notice that an air carrier may apply to provide basic essential air service to the place for compensation under this section. In selecting an applicant, the Secretary shall consider, among other factors—

(A) the demonstrated reliability of the applicant in providing scheduled air service;

(B) the contractual and marketing arrangements the applicant has made with a larger carrier to ensure service beyond the hub airport;

(C) the interline arrangements that the applicant has made with a larger carrier to allow passengers and cargo of the applicant at the hub airport to be transported by the larger carrier through one reservation, ticket, and baggage check-in;

(D) the preferences of the actual and potential users of air transportation at the eligible place, giving substantial weight to the views of the elected officials representing the users; and

(E) for an eligible place in Alaska, the experience of the applicant in providing, in Alaska, scheduled air service, or significant patterns of non-scheduled air service under an exemption granted under section 40109(a) and (c)–(h) of this title.

(2) Under guidelines prescribed under section 41737(a) of this title, the Secretary shall pay the rate of compensation for providing basic essential air service under this section and section 41734 of this title.

(d) COMPENSATION PAYMENTS.—The Secretary shall pay compensation under this section at times and in the way the Secretary decides is appropriate. The Secretary shall end payment of compensation to an air carrier for providing basic essential air service to an eligible place when the Secretary decides the compensation is no longer necessary to maintain basic essential air service to the place.

(e) REVIEW.—The Secretary shall review periodically the level of basic essential air service for each eligible place. Based on the review and consultations with an interested community and the appropriate State authority of the State in which the community is located, the Secretary may make appropriate adjustments in the level of service.

L. 103–272, §§1(e), 7(b), July 5, 1994, 108 Stat. 1143, 1379.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 41110, 41732, 41734, 41735, 41736 of this title.

§ 41734. Ending, suspending, and reducing basic essential air service

(a) NOTICE REQUIRED.—An air carrier may end, suspend, or reduce air transportation to an eligible place below the level of basic essential air service established for that place under section 41733 of this title only after giving the Secretary of Transportation, the appropriate State authority, and the affected communities at least 90 days’ notice before ending, suspending, or reducing that transportation.

(b) CONTINUATION OF SERVICE FOR 30 DAYS AFTER NOTICE PERIOD.—If at the end of the notice period under subsection (a) of this section the Secretary has not found another air carrier to provide basic essential air service to the eligible place, the Secretary shall require the carrier providing notice to continue to provide basic essential air service to the place for an additional 30-day period or until another carrier begins to provide basic essential air service to the place, whichever occurs first.

(c) CONTINUATION OF SERVICE FOR ADDITIONAL 30-DAY PERIODS.—If at the end of the 30-day period under subsection (b) of this section the Secretary decides another air carrier will not provide basic essential air service to the place on a continuing basis, the Secretary shall require the carrier providing service to continue to provide service for additional 30-day periods until another carrier begins providing service on a continuing basis. At the end of each 30-day period, the Secretary shall decide if another carrier will provide service on a continuing basis.

(d) CONTINUATION OF COMPENSATION AFTER NOTICE PERIOD.—If an air carrier receiving compensation under section 41733 of this title for providing basic essential air service to an eligible place is required to continue to provide service to the place under this section after the 90-day notice period under subsection (a) of this section, the Secretary shall continue to pay that compensation after the last day of that period. The Secretary shall pay the compensation until the Secretary finds another carrier to provide the service to the place or the 90th day after the end of that notice period, whichever is earlier. If, after the 90th day after the end of the 90-day notice period, the Secretary has not found another carrier to provide the service, the carrier required to continue to provide that service shall receive compensation sufficient—

(1) to pay for the fully allocated actual cost to the carrier of performing the basic essential air service that was being provided when the 90-day notice was given under subsection (a) of this section plus a reasonable return on in-

vestment that is at least 5 percent of operating costs; and

(2) to provide the carrier an additional return that recognizes the demonstrated additional lost profits from opportunities foregone and the likelihood that those lost profits increase as the period during which the carrier is required to provide the service continues.

(e) **COMPENSATION TO AIR CARRIERS ORIGINALLY PROVIDING SERVICE WITHOUT COMPENSATION.**—If the Secretary requires an air carrier providing basic essential air service to an eligible place without compensation under section 41733 of this title to continue providing that service after the 90-day notice period required by subsection (a) of this section, the Secretary shall provide the carrier with compensation after the end of the 90-day notice period that is sufficient—

(1) to pay for the fully allocated actual cost to the carrier of performing the basic essential air service that was being provided when the 90-day notice was given under subsection (a) of this section plus a reasonable return on investment that is at least 5 percent of operating costs; and

(2) to provide the carrier an additional return that recognizes the demonstrated additional lost profits from opportunities foregone and the likelihood that those lost profits increase as the period during which the carrier is required to provide the service continues.

(f) **FINDING REPLACEMENT CARRIERS.**—When the Secretary requires an air carrier to continue to provide basic essential air service to an eligible place, the Secretary shall continue to make every effort to find another carrier to provide at least that basic essential air service to the place on a continuing basis.

(g) **TRANSFER OF AUTHORITY.**—If an air carrier, providing basic essential air service under section 41733 of this title between an eligible place and an airport at which the Administrator of the Federal Aviation Administration limits the number of instrument flight rule takeoffs and landings of aircraft, provides notice under subsection (a) of this section of an intention to end, suspend, or reduce that service and another carrier is found to provide the service, the Secretary shall require the carrier providing notice to transfer any operational authority the carrier has to land or take off at that airport related to the service to the eligible place to the carrier that will provide the service, if—

(1) the carrier that will provide the service needs the authority; and

(2) the authority to be transferred is being used to provide air service to another eligible place.

(h) **NONCONSIDERATION OF SLOT AVAILABILITY.**—In determining what is basic essential air service and in selecting an air carrier to provide such service, the Secretary shall not consider as a factor whether slots at a high density airport are available for providing such service.

§ 41735. Enhanced essential air service

(a) PROPOSALS.—(1) A State or local government may submit a proposal to the Secretary of Transportation for enhanced essential air service to an eligible place for which basic essential air service is being provided under section 41733 of this title. The proposal shall—

(A) specify the level and type of enhanced essential air service the State or local government considers appropriate; and

(B) include an agreement related to compensation required for the proposed service.

(2) The agreement submitted under paragraph (1)(B) of this subsection shall provide that—

(A) the State or local government or a person pay 50 percent of the compensation required for the proposed service and the United States Government pay the remaining 50 percent; or

(B)(i) the Government pay 100 percent of the compensation; and

(ii) if the proposed service is not successful for at least a 2-year period under the criteria prescribed by the Secretary under paragraph (3) of this subsection, the eligible place is not eligible for air service or air transportation for which compensation is paid by the Secretary under this subchapter.

(3) The Secretary shall prescribe by regulation objective criteria for deciding whether enhanced essential air service to an eligible place under this section is successful in terms of—

(A) increasing passenger usage of the airport facilities at the place; and

(B) reducing the amount of compensation provided by the Secretary under this subchapter for that service.

(b) DECISIONS.—Not later than 90 days after receiving a proposal under subsection (a) of this section, the Secretary shall—

(1) approve the proposal if the Secretary decides the proposal is reasonable; or

(2) if the Secretary decides the proposal is not reasonable, disapprove the proposal and notify the State or local government of the disapproval and the reasons for the disapproval.

(c) COMPENSATION PAYMENTS.—(1) The Secretary shall pay compensation under this section when and in the way the Secretary decides is appropriate. Compensation for enhanced essential air service under this section may be paid only for the costs incurred in providing air service to an eligible place that are in addition to the costs incurred in providing basic essential

air service to the place under section 41733 of this title. The Secretary shall continue to pay compensation under this section only as long as—

(A) the air carrier maintains the level of enhanced essential air service;

(B) the State or local government or person agreeing to pay compensation under this section continues to pay the compensation; and

(C) the Secretary decides the compensation is necessary to maintain the service to the place.

(2) The Secretary may require the State or local government or person agreeing to pay compensation under this section to make advance payments or provide other security to ensure that timely payments are made.

(d) REVIEW.—(1) The Secretary shall review periodically the enhanced essential air service provided to each eligible place under this section.

(2) For service for which the Government pays 50 percent of the compensation, based on the review and consultation with the affected community and the State or local government or person paying the remaining 50 percent of the compensation, the Secretary shall make appropriate adjustments in the type and level of service to the place.

(3) For service for which the Government pays 100 percent of the compensation, based on the review and consultation with the State or local government submitting the proposal, the Secretary shall decide whether the service has succeeded for at least a 2-year period under the criteria prescribed under subsection (a)(3) of this section. If unsuccessful, the place is not eligible for air service or air transportation for which compensation is paid by the Secretary under this subchapter.

(e) ENDING, SUSPENDING, AND REDUCING AIR TRANSPORTATION.—An air carrier may end, suspend, or reduce air transportation to an eligible place below the level of enhanced essential air service established for that place by the Secretary under this section only after giving the Secretary, the affected community, and the State or local government or person paying compensation for that service at least 30 days’ notice before ending, suspending, or reducing the service. This subsection does not relieve the carrier of an obligation under section 41734 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 41110 of this title.

§ 41736. Air transportation to noneligible places

(a) PROPOSALS AND DECISIONS.—(1) A State or local government may propose to the Secretary of Transportation that the Secretary provide compensation to an air carrier to provide air transportation to a place that is not an eligible place under this subchapter. Not later than 90 days after receiving a proposal under this section, the Secretary shall—

(A) decide whether to designate the place as eligible to receive compensation under this section; and

(B)(i) approve the proposal if the State or local government or a person is willing and able to pay 50 percent of the compensation for providing the transportation, and notify the State or local government of the approval; or

(ii) disapprove the proposal if the Secretary decides the proposal is not reasonable under paragraph (2) of this subsection, and notify the State or local government of the disapproval and the reasons for the disapproval.

(2) In deciding whether a proposal is reasonable, the Secretary shall consider, among other factors—

(A) the traffic-generating potential of the place;

(B) the cost to the United States Government of providing the proposed transportation; and

(C) the distance of the place from the closest hub airport.

(b) APPROVAL FOR CERTAIN AIR TRANSPORTATION.—Notwithstanding subsection (a)(1)(B) of this section, the Secretary shall approve a pro-

posal under this section to compensate an air carrier for providing air transportation to a place in the 48 contiguous States or the District of Columbia and designate the place as eligible for compensation under this section if—

(1) at any time before October 23, 1978, the place was served by a carrier holding a certificate under section 401 of the Federal Aviation Act of 1958;

(2) the place is more than 50 miles from the nearest small hub airport or an eligible place;

(3) the place is more than 150 miles from the nearest hub airport; and

(4) the State or local government submitting the proposal or a person is willing and able to pay 25 percent of the cost of providing the compensated transportation.

(c) LEVEL OF AIR TRANSPORTATION.—(1) If the Secretary designates a place under subsection (a)(1) of this section as eligible for compensation under this section, the Secretary shall decide, not later than 6 months after the date of the designation, on the level of air transportation to be provided under this section. Before making a decision, the Secretary shall consider the views of any interested community, the appropriate State authority of the State in which the place is located, and the State or local government or person agreeing to pay compensation for the transportation under subsection (b)(4) of this section.

(2) After making the decision under paragraph (1) of this subsection, the Secretary shall provide notice that any air carrier that is willing to provide the level of air transportation established under paragraph (1) for a place may submit an application to provide the transportation. In selecting an applicant, the Secretary shall consider, among other factors—

(A) the factors listed in section 41733(c)(1) of this title; and

(B) the views of the State or local government or person agreeing to pay compensation for the transportation.

(d) COMPENSATION PAYMENTS.—(1) The Secretary shall pay compensation under this section when and in the way the Secretary decides is appropriate. The Secretary shall continue to pay compensation under this section only as long as—

(A) the air carrier maintains the level of air transportation established by the Secretary under subsection (c)(1) of this section;

(B) the State or local government or person agreeing to pay compensation for transportation under this section continues to pay that compensation; and

(C) the Secretary decides the compensation is necessary to maintain the transportation to the place.

(2) The Secretary may require the State or local government or person agreeing to pay compensation under this section to make advance payments or provide other security to ensure that timely payments are made.

(e) REVIEW.—The Secretary shall review periodically the level of air transportation provided under this section. Based on the review and consultation with any interested community, the appropriate State authority of the State in

which the community is located, and the State or local government or person paying compensation under this section, the Secretary may make appropriate adjustments in the level of transportation.

(f) WITHDRAWAL OF ELIGIBILITY DESIGNATIONS.—After providing notice and an opportunity for interested persons to comment, the Secretary may withdraw the designation of a place under subsection (a)(1) of this section as eligible to receive compensation under this section if the place has received air transportation under this section for at least 2 years and the Secretary decides the withdrawal would be in the public interest. The Secretary by regulation shall prescribe standards for deciding whether the withdrawal of a designation under this subsection is in the public interest. The standards shall include the factors listed in subsection (a)(2) of this section.

(g) ENDING, SUSPENDING, AND REDUCING AIR TRANSPORTATION.—An air carrier providing air transportation for compensation under this section may end, suspend, or reduce that transportation below the level of transportation established by the Secretary under this section only after giving the Secretary, the affected community, and the State or local government or person paying compensation under this section at least 30 days' notice before ending, suspending, or reducing the transportation.

(b) REQUIRED FINDING.—The Secretary may pay compensation to an air carrier for providing air service or air transportation under this subchapter only if the Secretary finds the carrier is able to provide the service or transportation in a reliable way.

§ 41901. General authority

(a) TITLE 39.—The United States Postal Service may provide for the transportation of mail by aircraft in interstate air transportation under section 5402(d) and (f) of title 39.

(b) AUTHORITY TO PRESCRIBE PRICES.—Except as provided in section 5402 of title 39, on the initiative of the Secretary of Transportation or on petition by the Postal Service or an air carrier, the Secretary shall prescribe and publish—

(1) after notice and an opportunity for a hearing on the record, reasonable prices to be paid by the Postal Service for the transportation of mail by aircraft in foreign air transportation or between places in Alaska, the facilities used in and useful for the transportation of mail, and the services related to the transportation of mail for each carrier holding a certificate that authorizes that transportation;

(2) the methods used, whether by aircraft-mile, pound-mile, weight, space, or a combination of those or other methods, to determine the prices for each air carrier or class of air carriers; and

(3) the effective date of the prices.

(c) OTHER TRANSPORTATION.—In prescribing prices under subsection (b) of this section, the Secretary may include transportation other than by aircraft that is incidental to transportation of mail by aircraft or necessary because of emergency conditions related to aircraft operations.

(d) AUTHORITY TO PRESCRIBE DIFFERENT PRICES.—Considering conditions peculiar to transportation by aircraft and to particular air carriers or classes of air carriers, the Secretary may prescribe different prices under this section for different air carriers or classes of air carriers

and for different classes of service. In prescribing a price for a carrier under this section, the Secretary shall consider, among other factors, the following:

(1) the condition that the carrier may hold and operate under a certificate authorizing the transportation of mail only by providing necessary and adequate facilities and service for the transportation of mail.

(2) standards related to the character and quality of service to be provided that are prescribed by or under law.

(e) STATEMENTS ON PRICES.—A petition for prescribing a reasonable price under this section must include a statement of the price the petitioner believes is reasonable.

(f) STATEMENTS ON REQUIRED SERVICES.—The Postal Service shall introduce as part of the record in every proceeding under this section a comprehensive statement of the services to be required of the air carrier and other information the Postal Service has that the Secretary considers material to the proceeding.

In this section, the word “prescribe” is substituted for “fix and determine” and “fixing and determining” for consistency in the revised title and with other titles of the United States Code. The word “reasonable” is substituted for “fair and reasonable” for consistency in the revised title and to eliminate an unnecessary word. See the revision notes following 49:10101.

Subsection (a) is substituted for 49 App.:1551(b)(1)(D) to make clear that the United States Postal Service derives its authority to provide for the transportation of mail by aircraft in interstate transportation from 39:5402(d) and (f). The text of 49 App.:1376(a) (1st sentence related to non-Alaska interstate and overseas air transportation less words between parentheses) is omitted as superseded by 39:5402(d).

In subsection (b), before clause (1), the words “Except as provided in section 5402 of title 39” are added for clarity. The words “from time to time” in 49 App.:1376(a) are omitted as surplus. The text of 49 App.:1376(a) (2d, last sentences) is omitted as executed. In clauses (1) and (2), the word “prices” is substituted for “rates of compensation” for consistency in this part. In clause (1), the words “an opportunity for a hearing on the record” are substituted for “hearing” for clarity and consistency with subsection (f) of this section. The words “to be paid by the Postal Service” are substituted for “The United States Postal Service shall make payments . . . of so much of the total compensation as is fixed and determined by the Board under this section without regard to clause (3) of subsection (b) of this section” in 49 App.:1376(c) to eliminate unnecessary words because the text of 49 App.:1376(b) (2d sentence words after 2d semicolon) is being omitted. See the revision notes for subsection (d) of this section. The words “out of appropriations for the transportation of mail by aircraft” are omitted as being superseded by chapters 20 and 24 of title 39, United States Code. The text of 49 App.:1376(c) (2d sentence) is omitted as expired because of 49 App.:1376(c) (last sentence). The text of 49 App.:1376(c) (last sentence) is omitted as executed. The words “and to make such rates effective from such date as it shall determine to be proper” in 49 App.:1376(a) are omitted because the power to determine when rates go into effect is included in the power to prescribe rates. The words “transportation of mail by aircraft in foreign air transportation or between places in Alaska” are substituted for “transportation of mail by aircraft” because 49 App.:1551(b)(1)(D) and (E) provides that transportation of mail in interstate or overseas air transportation (except transportation of mail between 2 places in Alaska) is transferred to the jurisdiction of the United States Postal Service leaving the balance of authority under 49 App.:1376(a) with the Secretary of Transportation.

In subsections (c), (d), and (f), reference to service provided by the Postal Service is omitted as obsolete because of 39:5402(d).

In subsection (c), the words “In prescribing prices under subsection (b) of this section, the Secretary” are added for clarity.

In subsection (d), the text of 49 App.:1376(b) (2d sentence words after 2d semicolon, 5th-7th sentences) and (d) is omitted as obsolete because under 49 App.:1376(c) and 1376a, payments by the Board under 49 App.:1376 were terminated. The text of 49 App.:1376(b) (3d, 4th sentences) is omitted as obsolete because it applies only to rates paid for service performed between October 24, 1978, and January 1, 1983. The text of 49 App.:1376(b) (last sentence) is omitted as executed.

Subsection (g) is substituted for 49 App.:1551(b)(3) and 1553(c) because the date on which the authority of the Secretary of Transportation to provide for the transportation of mail by aircraft expires is set out in 39:5402(f). The source provisions of 49 App.:1551(b)(3) providing for the transfer of that authority from the Secretary to the Postal Service are restated in section 5(k) of this bill.

Section 4(k) reflects amendments to the restatement required by section 1601(a)(8) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 731), as added by section 3(c) of the Civil Aeronautics Board Sunset Act of 1984 (Public Law 98-443, 98 Stat. 1704), and section 1601(b)(3) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 731), as added by section 3(f) of the Civil Aeronautics Board Sunset Act of 1984 (Public Law 98-443, 98 Stat. 1704). Section 1601(a)(8) provides that the authority under 49 App.:1371(l) and (m) and 1375(b)-(d) as those sections relate to transportation of mail by aircraft between places in Alaska (restated in sections 41107 and 41901-41903 of the revised title) ceases on January 1, 1999. Section 1601(b)(3) transfers the authority for prescribing rates for transportation of mail between places in Alaska from the Secretary of Transportation to the Postal Service effective January 1, 1999.

AMENDMENTS

1995—Subsec. (g). Pub. L. 104-52 struck out subsec. (g) which read as follows: “EXPIRATION DATE.—The authority of the Secretary under this part and section 5402 of title 39 providing for the transportation of mail by aircraft between places in Alaska expires on the date specified in section 5402(f) of title 39.”

EFFECTIVE DATE OF 1994 AMENDMENT

Section 4(k) of Pub. L. 103-272 provided that the amendment made by that section is effective Jan. 1, 1999.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in title 39 section 3401.

§ 41902. Schedules for certain transportation of mail

(a) REQUIREMENT.—Except as provided in section 41906 of this title and section 5402 of title 39, an air carrier may transport mail by aircraft in

foreign air transportation or between places in Alaska only under a schedule designated or required to be established under subsection (c) of this section for the transportation of mail.

(b) STATEMENTS ON PLACES AND SCHEDULES.—Every air carrier shall file with the Secretary of Transportation and the United States Postal Service a statement showing—

(1) the places between which the carrier is authorized to provide foreign air transportation;

(2) the places between which the carrier is authorized to transport mail in Alaska;

(3) every schedule of aircraft regularly operated by the carrier between places described in clauses (1) and (2) of this subsection and every change in each schedule; and

(4) for each schedule, the places served by the carrier and the time of arrival at, and departure from, each place.

(c) DESIGNATING AND ADDITIONAL SCHEDULES.—The Postal Service may—

(1) designate any schedule of an air carrier filed under subsection (b)(3) of this section for the transportation of mail between the places between which the carrier is authorized by its certificate to transport mail; and

(2) require the carrier to establish additional schedules for the transportation of mail between those places.

(d) CHANGING SCHEDULES.—A schedule designated or required to be established for the transportation of mail under subsection (c) of this section may be changed only after 10 days' notice of the change is filed as provided in subsection (b)(3) of this section. The Postal Service may disapprove a proposed change in a schedule or amend or modify the schedule or proposed change.

(e) ORDERS.—An order of the Postal Service under this section may become effective only after 10 days after the order is issued. A person adversely affected by the order may appeal the order to the Secretary before the end of the 10-day period under regulations the Secretary prescribes. If the public convenience and necessity require, the Secretary may amend, modify, suspend, or cancel the order. Pending a decision about the order, the Secretary may postpone the effective date of the order.

(f) PROCEEDINGS PREFERENCES.—The Secretary shall give preference to a proceeding under this section over all other proceedings before the Secretary under this subpart.

Pub. L. 103-272, §4(k)(1), July 5, 1994, 108 Stat. 1370, provided that, effective Jan. 1, 1999, subsection (a) of this section is amended by substituting "transportation" for "transportation or between places in Alaska".

In this chapter, the word "places" is substituted for "points" for consistency in the revised title. The words "United States Postal Service" and "Postal Service" are substituted for "Postmaster General" in sections 401, 405, and 406 of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 754, 760) because of sections 4(a) and 6(o) of the Postal Reorganization Act (Public Law 91-375, 84 Stat. 773, 783).

In subsection (a), the words "Except as provided in section 41906 of this title and section 5402 of title 39" are added because section 41906 of the revised title and 39:5402 contain exceptions to the provisions restated in this subsection. The words "transport mail by aircraft in foreign air transportation or between places in Alaska" are substituted for "transport mail" because 49 App.:1551(a)(4)(A) provides that 49 App.:1375(b) no longer applies to interstate or overseas air transportation (except transportation of mail between 2 places in Alaska).

In subsection (b), before clause (1), the words "from time to time" are omitted as surplus. Clauses (1) and (2) are substituted for "to engage in air transportation" because 49 App.:1551(a)(4)(A) provides that 49 App.:1375(b) no longer applies to interstate or overseas air transportation (except transportation of mail between 2 places in Alaska). In clause (4), the words "between places described in clauses (1) and (2) of this subsection and every change in each schedule" are substituted for "between such points" for clarity.

In subsection (c)(1), the words "any schedule of an air carrier filed under subsection (b)(3) of this section" are substituted for "any such schedule" for clarity.

In subsection (c)(2), the words "by order" are omitted as surplus.

In subsection (d), the word "alter" is omitted as being included in "amend, or modify".

In subsection (e), the words "adversely affected" are substituted for "aggrieved" for consistency in the revised title. The words "appeal the order" are substituted for "apply . . . for a review of such order" for consistency in the revised title and with other titles of the United States Code. The words "The Board may review, and" are omitted as surplus. The words "amend, modify" are substituted for "amend, revise" for consistency in the revised title.

Subsection (f) is substituted for 49 App.:1375(b) (8th sentence) to reflect the transfer of functions of the

Civil Aeronautics Board to the Secretary of Transportation.

This section is referred to in section 41903 of this title.

§ 41903. Duty to provide certain transportation of mail

(a) AIR CARRIERS.—Subject to subsection (b) of this section, an air carrier authorized by its certificate to transport mail by aircraft in foreign air transportation or between places in Alaska shall—

(1) provide facilities and services necessary and adequate to provide that transportation; and

(2) transport mail between the places authorized in the certificate for transportation of mail when required, and under regulations prescribed, by the United States Postal Service.

(b) MAXIMUM MAIL LOAD.—The Secretary of Transportation may prescribe the maximum mail load for a schedule or for an aircraft or type of aircraft for the transportation of mail by aircraft in foreign air transportation or between places in Alaska. If the Postal Service tenders to an air carrier mail exceeding the maximum load for transportation by the carrier under a schedule designated or required to be estab-

lished for the transportation of mail under section 41902(c) of this title, the carrier, as nearly in accordance with the schedule as the Secretary decides is possible, shall—

(1) provide facilities sufficient to transport the mail to the extent the Secretary decides the carrier reasonably is able to do so; and

(2) transport that mail.

Pub. L. 103-272, §4(k)(1), July 5, 1994, 108 Stat. 1370, provided that, effective Jan. 1, 1999, this section is amended by substituting “transportation” for “transportation or between places in Alaska” wherever appearing.

In subsection (a), before clause (1), the words “Subject to subsection (b) of this section” are added for clarity because subsection (b) limits the effect of this section. The words “transport mail by aircraft in foreign air transportation or between places in Alaska” are substituted for “the transportation of mail” in 49 App.:1371(l) and “the transportation of mail by aircraft” in 49 App.:1375(d) because 49 App.:1551(a)(4)(A) provides that 49 App.:1371(l) and 1375(d) no longer apply to interstate or overseas air transportation (except transportation of mail between 2 places in Alaska). Clause (2) is substituted for “shall transport mail whenever required by the United States Postal Service” in 49 App.:1371(l) and the text of 49 App.:1375(d) for clarity and to eliminate unnecessary words. The text of 49 App.:1371(l) (last sentence) is omitted as surplus because section 41901 of the revised title specifies how the rates of compensation are determined.

In subsection (b), before clause (1), the words “transportation of mail by aircraft in foreign air transportation or between places in Alaska” are added because 49 App.:1551(a)(4)(A) provides that 49 App.:1375(c) no longer applies to interstate or overseas air transportation of mail (except transportation of mail between 2 places in Alaska).

Section 4(k) reflects amendments to the restatement required by section 1601(a)(8) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 731), as added by section 3(c) of the Civil Aeronautics Board Sunset Act of 1984 (Public Law 98-443, 98 Stat. 1704), and section 1601(b)(3) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 731), as added by section 3(f) of the Civil Aeronautics Board Sunset Act of 1984 (Public Law 98-443, 98 Stat. 1704). Section 1601(a)(8) provides that the authority under 49 App.:1371(l) and (m) and 1375(b)-(d) as those sections relate to transportation of mail by aircraft between places in Alaska (restated in sections 41107 and 41901-41903 of the revised title) ceases on January 1, 1999. Section 1601(b)(3) transfers the authority for prescribing rates for transportation of mail between places in Alaska from the Secretary of Transportation to the Postal Service effective January 1, 1999.

EFFECTIVE DATE OF 1994 AMENDMENT

Section 4(k) of Pub. L. 103-272 provided that the amendment made by that section is effective Jan. 1, 1999.

§ 41904. Noncitizens transporting mail to or in foreign countries

§ 41906. Emergency mail transportation

(a) CONTRACT AUTHORITY.—In an emergency caused by a flood, fire, or other disaster, the United States Postal Service may make a contract without advertising to transport mail by aircraft to or from a locality affected by the emergency when the available facilities of persons authorized to transport mail to or from the locality are inadequate to meet the requirements of the Postal Service during the emergency. SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 41902 of this title.

§ 41907. Prices for foreign transportation of mail

(a) LIMITATIONS.—When air transportation is provided between the United States and a foreign country both by aircraft owned or operated by an air carrier holding a certificate under chapter 411 of this title and by aircraft owned or operated by a foreign air carrier, the United States Postal Service may not pay to or for the account of the foreign air carrier a price for transporting mail by aircraft between the United States and the foreign country that the Postal Service believes will result (over a reasonable period determined by the Postal Service considering exchange fluctuations and other factors) in the foreign air carrier receiving a price for transporting the mail that is higher than the price—

- (1) the government of a foreign country or foreign postal administration pays to air carriers for transporting mail of the foreign country by aircraft between the foreign country and the United States; or

(2) determined by the Postal Service to be comparable to the price the government of a foreign country or foreign postal administration pays to air carriers for transporting mail of the foreign country by aircraft between the foreign country and an intermediate country on the route of the air carrier between the foreign country and the United States.

(b) **CHANGES.**—The Secretary of Transportation shall act expeditiously on proposed changes in prices for transporting mail by aircraft in foreign air transportation. When prescribing those prices, the Secretary shall consider—

(1) the prices paid for transportation of mail under the Universal Postal Union Convention as ratified by the United States Government;

(2) the price-making elements used by the Universal Postal Union in prescribing its air-mail prices; and

(3) the competitive disadvantage to United States flag air carriers resulting from foreign air carriers receiving Universal Postal Union prices for transporting United States mail and national origin mail of their own countries.

§ 41908. Prices for transporting mail of foreign countries

(a) **PRICE DETERMINATIONS.**—The United States Postal Service shall determine the prices that an air carrier holding a certificate that authorizes foreign air transportation must charge a government of a foreign country or foreign postal administration for transporting mail of the foreign country. The Postal Service shall put those prices into effect under the postal convention regulating postal relations between the United States and the foreign country or as provided under this section.

(b) **CHANGES.**—The Postal Service may authorize an air carrier holding a certificate that authorizes foreign air transportation, under limitations the Postal Service prescribes, to change the prices the carrier charges a government of a foreign country or foreign postal administration for transporting mail of the foreign country in the foreign country or between the foreign country and another foreign country.

(c) **COLLECTING COMPENSATION.**—(1) When an air carrier holding a certificate that authorizes

foreign air transportation transports mail of a foreign country—

(A) under an arrangement with a government of a foreign country or foreign postal administration made or approved under this section, the carrier must collect its compensation for the transportation from the foreign country under the arrangement; and

(B) without having an arrangement with a government of a foreign country or foreign postal administration consistent with this section, the compensation collected by the United States Government for the transportation shall be for the account of the air carrier.

(2) An air carrier holding a certificate that authorizes foreign air transportation is not entitled to receive compensation from both a government of a foreign country or foreign postal administration and the United States Government for transporting the same mail of the foreign country.

SUBCHAPTER I—EMPLOYEE PROTECTION PROGRAM**§ 42101. Definitions**

(a) GENERAL.—In this subchapter—

(1) “eligible protected employee” means a protected employee who is deprived of employment, or who is adversely affected related to compensation, because of a qualifying dislocation.

(2) “major contraction” means a reduction (except as provided in subsection (b) of this section) of at least 7.5 percent in the number of full-time employees of an air carrier within a 12-month period, except for employees deprived of employment because of a strike or whose employment is ended for cause.

(3) “protected employee” means an individual who on October 24, 1978, had been employed for at least 4 years by an air carrier that held a certificate under section 401 of the Federal Aviation Act of 1958, but does not include a director or officer of a corporation.

(4) “qualifying dislocation” means a bankruptcy or major contraction of an air carrier holding a certificate under section 41102 of this title when the Secretary of Transportation finds the bankruptcy or contraction occurred after December 31, 1978, and before January 1, 1989, the major cause of which was the change in regulatory structure provided by the Airline Deregulation Act of 1978.

(b) MAJOR CONTRACTION.—The Secretary may find a reduction of less than 7.5 percent of the

number of full-time employees is part of a major contraction if the Secretary decides another reduction is likely to occur within the 12-month period in which the first reduction occurs that, when included with the first reduction, will result in a total reduction of more than 7.5 percent.

§ 42102. Payments to eligible protected employees

(a) **AUTHORITY TO PAY AND APPLICATIONS FOR PAYMENTS.**—Subject to amounts provided in an appropriation law, the Secretary of Labor shall make monthly assistance payments, moving expense payments, and reimbursement payments as provided under this section to an eligible protected employee whose employment is not ended for cause. The employee must apply to receive

the payments and cooperate with the Secretary in finding other employment.

(b) **NUMBER AND AMOUNT OF PAYMENTS.**—(1) Subject to amounts provided in an appropriation law, an eligible protected employee shall receive 72 monthly assistance payments. However, an eligible protected employee deprived of employment may not receive a payment after obtaining other employment. For each class or craft of protected employees, the Secretary of Labor, after consulting with the Secretary of Transportation, shall prescribe by regulation guidelines for computing the amount of each monthly assistance payment to be made to a member of the class or craft and what percentage of salary that payment represents.

(2) The amount of a monthly payment payable under paragraph (1) of this subsection to an eligible protected employee shall be reduced—

(A) by unemployment compensation the employee receives; or

(B) if the employee does not accept reasonably comparable employment, to an amount the employee would be entitled to receive if the employee had accepted the employment.

(3) If accepting comparable employment to avoid a reduction in the monthly assistance payment under paragraph (2) of this subsection would force an eligible protected employee to relocate, the employee may decide not to relocate. Instead of the payments provided under this section, the employee may receive the lesser of 3 payments or the maximum number of payments that remain to be paid under paragraph (1) of this subsection.

(c) **MOVING EXPENSES AND REIMBURSEMENTS.**—

(1) Subject to amounts provided in an appropriation law, an eligible protected employee who relocates shall receive—

(A) reasonable moving expense payments to move the employee and the employee’s immediate family; and

(B) reimbursement payments for a loss incurred in selling the employee’s principal place of residence for less than fair market value or in cancelling a lease on, or contract to buy, the residence.

(2) The Secretary of Labor shall decide on the amount of the moving expenses and the fair market value of the residence.

§ 44106. Revocation of aircraft certificates for controlled substance violations

(a) DEFINITION.—In this section, “controlled substance” has the same meaning given that term in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802).

(b) REVOCATIONS.—(1) The Administrator of the Federal Aviation Administration shall issue an order revoking the certificate of registration for an aircraft issued to an owner under section 44103 of this title and any other certificate of registration that the owner of the aircraft holds under section 44103, if the Administrator finds that—

(A) the aircraft was used to carry out, or facilitate, an activity that is punishable by death or imprisonment for more than one year under a law of the United States or a State related to a controlled substance (except a law related to simple possession of a controlled substance); and

(B) the owner of the aircraft permitted the use of the aircraft knowing that the aircraft was to be used for the activity described in clause (A) of this paragraph.

(2) An aircraft owner that is not an individual is deemed to have permitted the use of the air-

craft knowing that the aircraft was to be used for the activity described in paragraph (1)(A) of this subsection only if a majority of the individuals who control the owner of the aircraft or who are involved in forming the major policy of the owner permitted the use of the aircraft knowing that the aircraft was to be used for the activity described in paragraph (1)(A).

(c) **ADVICE TO HOLDERS AND OPPORTUNITY TO ANSWER.**—Before the Administrator revokes a certificate under subsection (b) of this section, the Administrator shall—

(1) advise the holder of the certificate of the charges or reasons on which the Administrator bases the proposed action; and

(2) provide the holder of the certificate an opportunity to answer the charges and state why the certificate should not be revoked.

(d) **APPEALS.**—(1) A person whose certificate is revoked by the Administrator under subsection (b) of this section may appeal the revocation order to the National Transportation Safety Board. The Board shall affirm or reverse the order after providing notice and a hearing on the record. In conducting the hearing, the Board is not bound by the findings of fact of the Administrator.

(2) When a person files an appeal with the Board under this subsection, the order of the Administrator revoking the certificate is stayed. However, if the Administrator advises the Board that safety in air transportation or air commerce requires the immediate effectiveness of the order—

(A) the order remains effective; and

(B) the Board shall dispose of the appeal not later than 60 days after notification by the Administrator under this paragraph.

(3) A person substantially affected by an order of the Board under this subsection may seek judicial review of the order under section 46110 of this title. The Administrator shall be made a party to that judicial proceeding.

(e) **ACQUITTAL.**—(1) The Administrator may not revoke, and the Board may not affirm a revocation of, a certificate of registration under this section on the basis of an activity described in subsection (b)(1)(A) of this section if the holder of the certificate is acquitted of all charges related to a controlled substance in an indictment or information arising from the activity.

(2) If the Administrator has revoked a certificate of registration of a person under this section because of an activity described in subsection (b)(1)(A) of this section, the Administrator shall reissue a certificate to the person if the person—

(A) subsequently is acquitted of all charges related to a controlled substance in an indictment or information arising from the activity; and

(B) otherwise meets the requirements of section 44102 of this title.

(c) CONSULTATION.—The President may require the Secretary to consult with interested departments, agencies, and instrumentalities of the Government before providing insurance or reinsurance under this chapter.

(d) ADDITIONAL INSURANCE.—With the approval of the Secretary, a person having an insurable interest in an aircraft may insure with other underwriters in an amount that is more than the amount insured with the Secretary. (Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 1169.)

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
44303	49 App.:1533.	Aug. 23, 1958, Pub. L. 85-726, §1303, 72 Stat. 801; re-stated Nov. 9, 1977, Pub. L. 95-163, § 3, 91 Stat. 1279.

In this section, before clause (1), the words “persons, property, or interest” are omitted as unnecessary. In clause (2), the word “property” is substituted for “Cargoes” and “air cargoes” for consistency in the revised title. In clause (2)(B) and (C), the words “its territories, or possessions” are omitted as unnecessary because of the definition of “United States” in section 40102(a) of the revised title. In clause (2)(C)(ii), the word “contract” is substituted for “contracts of sale or purchase”, and the words “putting . . . on” are substituted for “is assumed by or falls upon”, to eliminate unnecessary words. In clause (2)(D), the word “place” is substituted for “point” for consistency in the revised title. In subclause (i), the words “a State or the District of Columbia” are substituted for “the United States” for clarity and consistency because the definition of “United States” in section 40102(a) of the revised title is too broad for the context of the clause. The definition in section 40102(a) includes territories and possession and would therefore overlap with subclauses (ii) and (iii). In subclause (iii), the words “2 places in the same territory or possession of the United States” are substituted for “any point in any such territory or possession and any other point in the same territory or possession” for clarity. In clauses (3) and (4), the word “individuals” is substituted for “persons” as being more appropriate. The words “captains” and “pilots” are omitted as being included in “officers and members of the crew”.

§ 44304. Reinsurance

(a) GENERAL AUTHORITY.—To the extent the Secretary of Transportation is authorized to provide insurance under this chapter, the Secretary may reinsure any part of the insurance provided by an insurance carrier. The Secretary may reinsure with, transfer to, or transfer back to, the carrier any insurance or reinsurance provided by the Secretary under this chapter.

(b) PREMIUM LEVELS.—The Secretary may provide reinsurance at premiums not less than, or obtain reinsurance at premiums not higher than, the premiums the Secretary establishes on similar risks or the premiums the insurance carrier charges for the insurance to be reinsured by the Secretary, whichever is most advantageous to the Secretary. However, the Secretary may make allowances to the insurance carrier for expenses incurred in providing services and facilities that the Secretary considers good business practice, except for payments by the carrier for the stimulation or solicitation of insurance business.

The words “transfer to, or transfer back to” are substituted for “cede or retrocede to” for clarity.

In subsection (b), the word “same” is omitted as being included in “similar”. The words “on account of the cost of” are omitted as surplus. The word “providing” is substituted for “rendered” and “furnished” because it is inclusive. § 44305. Insuring United States Government property

(a) GENERAL.—With the approval of the President, a department, agency, or instrumentality of the United States Government may obtain—

- (1) insurance under this chapter, including insurance for risks from operating an aircraft in intrastate or interstate air commerce, but not including insurance on valuables subject to sections 1 and 2 of the Government Losses in Shipment Act (40 U.S.C. 721, 722); and
- (2) insurance for risks arising from providing goods or services directly related to and necessary for operating an aircraft covered by insurance obtained under clause (1) of this subsection if the aircraft is operated—

- (A) in carrying out a contract of the department, agency, or instrumentality; or
- (B) to transport military forces or materiel on behalf of the United States under an agreement between the Government and the government of a foreign country.

(b) PREMIUM WAIVERS AND INDEMNIFICATION.—With the approval required under subsection (a) of this section, the Secretary of Transportation may provide the insurance without premium at the request of the Secretary of Defense or the head of a department, agency, or instrumentality designated by the President when the Secretary of Defense or the designated head agrees to indemnify the Secretary of Transportation against all losses covered by the insurance. The Secretary of Defense and any designated head may make indemnity agreements with the Secretary of Transportation under this section. If such an agreement is countersigned by the President or the President’s designee, the agreement shall constitute, for purposes of section 44302(b), a determination that continuation of the aircraft operations to which the agreement applies is necessary to carry out the foreign policy of the United States.

In this section, the words “a department, agency, or instrumentality” are substituted for “Any department or agency” for clarity and consistency in the revised title and with other titles of the United States Code.

In subsection (a)(1), the words “obtain insurance under this chapter” are substituted for “procure from

the Secretary any of the insurance provided under this subchapter” to eliminate unnecessary words. The words “overseas air commerce” are omitted for the reasons given in the revision note for section 40101.

In subsection (b), the words “or the head of a department, agency, or instrumentality designated by the President” are substituted for “and such other agencies as the President may prescribe” as being more precise and for consistency in the revised title. SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 106, 40119, 44938, 48101 of this title.

§ 44502. General facilities and personnel authority

(a) GENERAL AUTHORITY.—(1) The Administrator of the Federal Aviation Administration may—

(A) acquire, establish, improve, operate, and maintain air navigation facilities; and

(B) provide facilities and personnel to regulate and protect air traffic.

(2) The cost of site preparation work associated with acquiring, establishing, or improving an air navigation facility under paragraph (1)(A) of this subsection shall be charged to amounts available for that purpose appropriated under section 48101(a) of this title. The Secretary of Transportation may make an agreement with an airport owner or sponsor (as defined in section

47102 of this title) so that the owner or sponsor will provide the work and be paid or reimbursed by the Secretary from the appropriated amounts.

(3) The Secretary of Transportation may authorize a department, agency, or instrumentality of the United States Government to carry out any duty or power under this subsection with the consent of the head of the department, agency, or instrumentality.

(4) PURCHASE OF INSTRUMENT LANDING SYSTEM.—

(A) ESTABLISHMENT OF PROGRAM.—The Secretary shall purchase precision approach instrument landing system equipment for installation at airports on an expedited basis.

(B) AUTHORIZATION.—No less than \$30,000,000 of the amounts appropriated under section 48101(a) for each of fiscal years 1995 and 1996 shall be used for the purpose of carrying out this paragraph, including acquisition, site preparation work, installation, and related expenditures.

(b) CERTIFICATION OF NECESSITY.—Except for Government money expended under this part or for a military purpose, Government money may be expended to acquire, establish, construct, operate, repair, alter, or maintain an air navigation facility only if the Administrator of the Federal Aviation Administration certifies in writing that the facility is reasonably necessary for use in air commerce or for the national defense. An interested person may apply for a certificate for a facility to be acquired, established, constructed, operated, repaired, altered, or maintained by or for the person.

(c) ENSURING CONFORMITY WITH PLANS AND POLICIES.—(1) To ensure conformity with plans and policies for, and allocation of, airspace by the Administrator of the Federal Aviation Administration under section 40103(b)(1) of this title, a military airport, military landing area, or missile or rocket site may be acquired, established, or constructed, or a runway may be altered substantially, only if the Administrator of the Federal Aviation Administration is given reasonable prior notice so that the Administrator of the Federal Aviation Administration may advise the appropriate committees of Congress and interested departments, agencies, and instrumentalities of the Government on the effect of the acquisition, establishment, construction, or alteration on the use of airspace by aircraft. A disagreement between the Administrator of the Federal Aviation Administration and the Secretary of Defense or the Administrator of the National Aeronautics and Space Administration may be appealed to the President for a final decision.

(2) To ensure conformity, an airport or landing area not involving the expenditure of Government money may be established or constructed, or a runway may be altered substantially, only if the Administrator of the Federal Aviation Administration is given reasonable prior notice so that the Administrator may provide advice on the effects of the establishment, construction, or alteration on the use of airspace by aircraft.

(d) PUBLIC USE AND EMERGENCY ASSISTANCE.—(1) The head of a department, agency, or instrumentality of the Government having jurisdic-

tion over an air navigation facility owned or operated by the Government may provide, under regulations the head of the department, agency, or instrumentality prescribes, for public use of the facility.

(2) The head of a department, agency, or instrumentality of the Government having jurisdiction over an airport or emergency landing field owned or operated by the Government may provide, under regulations the head of the department, agency, or instrumentality prescribes, for assistance, and the sale of fuel, oil, equipment, and supplies, to an aircraft, but only when necessary, because of an emergency, to allow the aircraft to continue to the nearest airport operated by private enterprise. The head of the department, agency, or instrumentality shall provide for the assistance and sale at the prevailing local fair market value as determined by the head of the department, agency, or instrumentality. An amount that the head decides is equal to the cost of the assistance provided and the fuel, oil, equipment, and supplies sold shall be credited to the appropriation from which the cost was paid. The balance shall be credited to miscellaneous receipts.

(e) TRANSFERS OF INSTRUMENT LANDING SYSTEMS.—An airport may transfer, without consideration, to the Administrator of the Federal Aviation Administration an instrument landing system (and associated approach lighting equipment and runway visual range equipment) that conforms to performance specifications of the Administrator if a Government airport aid program, airport development aid program, or airport improvement project grant was used to assist in purchasing the system. The Administrator shall accept the system and operate and maintain it under criteria of the Administrator.

equipment and installation by an airport sponsor, using such grant funds, from the suppliers with which the Administrator has contracted.”

GRANDFATHER PROVISION FOR FAA DEMONSTRATION PROJECT

Pub. L. 103-260, title IV, § 401, May 26, 1994, 108 Stat. 702, provided that:

“(a) IN GENERAL.—Notwithstanding the termination of the personnel demonstration project for certain Federal Aviation Administration employees on June 17, 1994, pursuant to section 4703 of title 5, United States Code, the Federal Aviation Administration, subject to subsection (d), shall continue to pay quarterly retention allowance payments in accordance with subsection (b) to those employees who are entitled to quarterly retention allowance payments under the demonstration project as of June 16, 1994.

“(b) COMPUTATION RULES.—

“(1) IN GENERAL.—The amount of each quarterly retention allowance payment to which an employee is entitled under subsection (a) shall be the amount of the last quarterly retention allowance payment paid to such employee under the personnel demonstration project prior to June 17, 1994, reduced by that portion of the amount of any increase in the employee’s annual rate of basic pay subsequent to June 17, 1994, from any source, which is allocable to the quarter for which the allowance is to be paid (or, if applicable, to that portion of the quarter for which the allowance is to be paid). For purposes of the preceding sentence, the increase in an employee’s annual rate of basic pay includes—

“(A) any increase under section 5303 of title 5, United States Code;

“(B) any increase in locality-based comparability payments under section 5304 of such title 5 (except if, or to the extent that, such increase is offset by a reduction of an interim geographic adjustment under section 302 of the Federal Employees Pay Comparability Act of 1990 (5 U.S.C. 5304 note));

“(C) any establishment or increase in a special rate of pay under section 5305 of such title 5;

“(G) any other increase in annual rate of basic pay under any other provision of law.

“(2) SECTION RULE.—In the case of an employee on leave without pay or other similar status for any part of the quarter prior to June 17, 1994, based on which the amount of the allowance payments for such employee under subsection (a) are computed, the amount of the last quarterly retention allowance payment paid to such employee under the personnel demonstration project prior to June 17, 1994 shall, for purposes of paragraph (1), be deemed to be the amount of the allowance which would have been payable to such employee for such quarter under such project had such employee been in pay status throughout such quarter.

“(c) TERMINATION.—An employee’s entitlement to quarterly retention allowance payments under this section shall cease when—

“(1) the amount of such allowance is reduced to zero under subsection (b), or

“(2) the employee separates or moves to a position in which the employee would not, prior to June 17, 1994, have been entitled to receive an allowance under the demonstration project, whichever is earlier.

“(d) SPECIAL PAYMENT RULE.—The Administrator of the Federal Aviation Administration may make payment for the costs incurred under the program established by subsection (a) for the period between June 18, 1994, and September 30, 1994, following the end of the first full pay period that begins on or after October 1,

However, an appointment under this paragraph may be converted from one in the excepted service to a career conditional or career appointment in the competitive civil service (as defined in section 2102 of title 5) when the individual achieves full performance level air traffic controller status, as decided by the Administrator.

(B) The authority under subparagraph (A) of this paragraph to make appointments in the excepted service expires on October 6, 1997, except that the Administrator of the Federal Aviation Administration may extend the authority for one or more successive one-year periods.

(d) STAFFING REPORT.—The Administrator of the Federal Aviation Administration shall submit annually to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report containing—

(1) the staffing standards used to determine the number of air traffic controllers needed to operate the air traffic control system of the United States;

- (2) a 3-year projection of the number of controllers needed to be employed to operate the system to meet the standards; and
- (3) a detailed plan for employing the controllers, including projected budget requests.

(2) regulations and minimum standards in the interest of safety for—

(A) inspecting, servicing, and overhauling aircraft, aircraft engines, propellers, and appliances;

(B) equipment and facilities for, and the timing and manner of, the inspecting, servicing, and overhauling; and

(C) a qualified private person, instead of an officer or employee of the Administration, to examine and report on the inspecting, servicing, and overhauling;

(3) regulations required in the interest of safety for the reserve supply of aircraft, aircraft engines, propellers, appliances, and aircraft fuel and oil, including the reserve supply of fuel and oil carried in flight;

(4) regulations in the interest of safety for the maximum hours or periods of service of airmen and other employees of air carriers; and

(b) PRESCRIBING MINIMUM SAFETY STANDARDS.—The Administrator may prescribe minimum safety standards for—

(1) an air carrier to whom a certificate is issued under section 44705 of this title; and

(2) operating an airport serving any passenger operation of air carrier aircraft designed for at least 31 passenger seats.

(c) REDUCING AND ELIMINATING ACCIDENTS.—The Administrator shall carry out this chapter

in a way that best tends to reduce or eliminate the possibility or recurrence of accidents in air transportation. However, the Administrator is not required to give preference either to air transportation or to other air commerce in carrying out this chapter.

- (1) consider—
 - (A) the duty of an air carrier to provide service with the highest possible degree of safety in the public interest; and
 - (B) differences between air transportation and other air commerce; and
- (2) classify a regulation or standard appropriate to the differences between air transportation and other air commerce.

(e) EXEMPTIONS.—The Administrator may grant an exemption from a requirement of a regulation prescribed under subsection (a) or (b) of this section or any of sections 44702–44716 of this title if the Administrator finds the exemption is in the public interest.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 106, 44701, 44711, 45302, 45304, 46310, 47531 of this title.

§ 44703. Airman certificates

(a) GENERAL.—The Administrator of the Federal Aviation Administration shall issue an airman certificate to an individual when the Administrator finds, after investigation, that the individual is qualified for, and physically able to perform the duties related to, the position to be authorized by the certificate.

(b) CONTENTS.—(1) An airman certificate shall—

(A) be numbered and recorded by the Administrator of the Federal Aviation Administration;

(B) contain the name, address, and description of the individual to whom the certificate is issued;

(C) contain terms the Administrator decides are necessary to ensure safety in air commerce, including terms on the duration of the certificate, periodic or special examinations, and tests of physical fitness;

(D) specify the capacity in which the holder of the certificate may serve as an airman with respect to an aircraft; and

(E) designate the class the certificate covers.

(2) A certificate issued to a pilot serving in scheduled air transportation shall have the designation "airline transport pilot" of the appropriate class.

(c) APPEALS.—(1) An individual whose application for the issuance or renewal of an airman certificate has been denied may appeal the denial to the National Transportation Safety Board, except if the individual holds a certificate that—

(A) is suspended at the time of denial; or
 (B) was revoked within one year from the date of the denial.

(2) The Board shall conduct a hearing on the appeal at a place convenient to the place of residence or employment of the applicant. The Board is not bound by findings of fact of the Administrator of the Federal Aviation Administration but is bound by all validly adopted interpretations of laws and regulations the Administrator carries out unless the Board finds an interpretation is arbitrary, capricious, or otherwise not according to law. At the end of the hearing, the Board shall decide whether the individual meets the applicable regulations and standards. The Administrator is bound by that decision.

(d) RESTRICTIONS AND PROHIBITIONS.—The Administrator of the Federal Aviation Administration may—

(1) restrict or prohibit issuing an airman certificate to an alien; or

(2) make issuing the certificate to an alien dependent on a reciprocal agreement with the government of a foreign country.

(e) CONTROLLED SUBSTANCE VIOLATIONS.—The Administrator of the Federal Aviation Administration may not issue an airman certificate to an individual whose certificate is revoked under section 44710 of this title except—

(1) when the Administrator decides that issuing the certificate will facilitate law enforcement efforts; and

(2) as provided in section 44710(e)(2) of this title.

(f) MODIFICATIONS IN SYSTEM.—(1) The Administrator of the Federal Aviation Administration shall make modifications in the system for issuing airman certificates necessary to make the system more effective in serving the needs of pilots and officials responsible for enforcing laws related to the regulation of controlled substances (as defined in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802)). The modifications shall ensure positive and verifiable identification of each individual applying for or holding a certificate and shall address at least each of the following deficiencies in, and abuses of, the existing system:

(A) the use of fictitious names and addresses by applicants for those certificates.

(B) the use of stolen or fraudulent identification in applying for those certificates.

(C) the use by an applicant of a post office box or "mail drop" as a return address to evade identification of the applicant's address.

(D) the use of counterfeit and stolen airman certificates by pilots.

(E) the absence of information about physical characteristics of holders of those certificates.

(2) The Administrator of the Federal Aviation Administration shall prescribe regulations to carry out paragraph (1) of this subsection and provide a written explanation of how the regulations address each of the deficiencies and abuses described in paragraph (1). In prescribing the regulations, the Administrator of the Federal

Aviation Administration shall consult with the Administrator of Drug Enforcement, the Commissioner of Customs, other law enforcement officials of the United States Government, representatives of State and local law enforcement officials, representatives of the general aviation aircraft industry, representatives of users of general aviation aircraft, and other interested persons.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 106, 1133, 44701, 44709, 44710, 44711, 44724, 45302, 46310, 47531 of this title.

§ 44704. Type certificates, production certificates, and airworthiness certificates

(a) TYPE CERTIFICATES.—(1) The Administrator of the Federal Aviation Administration shall issue a type certificate for an aircraft, aircraft engine, or propeller, or for an appliance specified under paragraph (2)(A) of this subsection when the Administrator finds that the aircraft, aircraft engine, propeller, or appliance is properly designed and manufactured, performs properly, and meets the regulations and minimum standards prescribed under section 44701(a) of this title. On receiving an application for a type certificate, the Administrator shall investigate the application and may conduct a hearing. The Administrator shall make, or require the applicant to make, tests the Administrator considers necessary in the interest of safety.

(2) The Administrator may—

(A) specify in regulations those appliances that reasonably require a type certificate in the interest of safety;

(B) include in a type certificate terms required in the interest of safety; and

(C) record on the certificate a numerical specification of the essential factors related to the performance of the aircraft, aircraft engine, or propeller for which the certificate is issued.

(b) SUPPLEMENTAL TYPE CERTIFICATES.—

(1) ISSUANCE.—The Administrator may issue a type certificate designated as a supplemental type certificate for a change to an aircraft, aircraft engine, propeller, or appliance.

(2) CONTENTS.—A supplemental type certificate issued under paragraph (1) shall consist of the change to the aircraft, aircraft engine, propeller, or appliance with respect to the previously issued type certificate for the aircraft, aircraft engine, propeller, or appliance.

(3) REQUIREMENT.—If the holder of a supplemental type certificate agrees to permit an-

other person to use the certificate to modify an aircraft, aircraft engine, propeller, or appliance, the holder shall provide the other person with written evidence, in a form acceptable to the Administrator, of that agreement. A person may change an aircraft, aircraft engine, propeller, or appliance based on a supplemental type certificate only if the person requesting the change is the holder of the supplemental type certificate or has permission from the holder to make the change.

(c) PRODUCTION CERTIFICATES.—The Administrator shall issue a production certificate authorizing the production of a duplicate of an aircraft, aircraft engine, propeller, or appliance for which a type certificate has been issued when the Administrator finds the duplicate will conform to the certificate. On receiving an application, the Administrator shall inspect, and may require testing of, a duplicate to ensure that it conforms to the requirements of the certificate. The Administrator may include in a production certificate terms required in the interest of safety.

(d) AIRWORTHINESS CERTIFICATES.—(1) The registered owner of an aircraft may apply to the Administrator for an airworthiness certificate for the aircraft. The Administrator shall issue an airworthiness certificate when the Administrator finds that the aircraft conforms to its type certificate and, after inspection, is in condition for safe operation. The Administrator shall register each airworthiness certificate and may include appropriate information in the certificate. The certificate number or other individual designation the Administrator requires shall be displayed on the aircraft. The Administrator may include in an airworthiness certificate terms required in the interest of safety.

(2) A person applying for the issuance or renewal of an airworthiness certificate for an aircraft for which ownership has not been recorded under section 44107 or 44110 of this title must submit with the application information related to the ownership of the aircraft the Administrator decides is necessary to identify each person having a property interest in the aircraft and the kind and extent of the interest.

§ 44706. Airport operating certificates

(a) GENERAL.—The Administrator of the Federal Aviation Administration shall issue an airport operating certificate to a person desiring to operate an airport—

(1) that serves an air carrier operating aircraft designed for at least 31 passenger seats;

(2) that is not located in the State of Alaska and serves any scheduled passenger operation of an air carrier operating aircraft designed for more than 9 passenger seats but less than 31 passenger seats; and

(3) that the Administrator requires to have a certificate;

if the Administrator finds, after investigation, that the person properly and adequately is equipped and able to operate safely under this part and regulations and standards prescribed under this part.

(d) COMMUTER AIRPORTS.—In developing the terms required by subsection (b) for airports covered by subsection (a)(2), the Administrator shall identify and consider a reasonable number of regulatory alternatives and select from such alternatives the least costly, most cost-effective or the least burdensome alternative that will provide comparable safety at airports described in subsections (a)(1) and (a)(2).

(e) EFFECTIVE DATE.—Any regulation establishing the terms required by subsection (b) for airports covered by subsection (a)(2) shall not take effect until such regulation, and a report on the economic impact of the regulation on air service to the airports covered by the rule, has been submitted to Congress and 120 days have elapsed following the date of such submission.

(f) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this title may be construed as requiring a person to obtain an airport operating certificate if such person does not desire to operate an airport described in subsection (a).

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 106, 44701, 44711, 45302, 46310, 47531 of this title.

§ 44709. Amendments, modifications, suspensions, and revocations of certificates

(a) REINSPECTION AND REEXAMINATION.—The Administrator of the Federal Aviation Administration may reinspect at any time a civil aircraft, aircraft engine, propeller, appliance, air navigation facility, or air agency, or reexamine an airman holding a certificate issued under section 44703 of this title.

(b) ACTIONS OF THE ADMINISTRATOR.—The Administrator may issue an order amending, modifying, suspending, or revoking—

(1) any part of a certificate issued under this chapter if—

(A) the Administrator decides after conducting a reinspection, reexamination, or other investigation that safety in air commerce or air transportation and the public interest require that action; or

(B) the holder of the certificate has violated an aircraft noise or sonic boom standard or regulation prescribed under section 44715(a) of this title; and

(2) an airman certificate when the holder of the certificate is convicted of violating section 13(a) of the Fish and Wildlife Act of 1956 (16 U.S.C. 742j-1(a)).

(c) ADVICE TO CERTIFICATE HOLDERS AND OPPORTUNITY TO ANSWER.—Before acting under subsection (b) of this section, the Administrator shall advise the holder of the certificate of the charges or other reasons on which the Administrator relies for the proposed action. Except in an emergency, the Administrator shall provide the holder an opportunity to answer the charges and be heard why the certificate should not be amended, modified, suspended, or revoked.

(d) APPEALS.—(1) A person adversely affected by an order of the Administrator under this section may appeal the order to the National Transportation Safety Board. After notice and an opportunity for a hearing, the Board may amend, modify, or reverse the order when the Board finds—

(A) if the order was issued under subsection (b)(1)(A) of this section, that safety in air commerce or air transportation and the public interest do not require affirmation of the order; or

(B) if the order was issued under subsection (b)(1)(B) of this section—

(i) that control or abatement of aircraft noise or sonic boom and the public health and welfare do not require affirmation of the order; or

(ii) the order, as it is related to a violation of aircraft noise or sonic boom standards and regulations, is not consistent with safety in air commerce or air transportation.

(2) The Board may modify a suspension or revocation of a certificate to imposition of a civil penalty.

(3) When conducting a hearing under this subsection, the Board is not bound by findings of fact of the Administrator but is bound by all validly adopted interpretations of laws and regulations the Administrator carries out and of written agency policy guidance available to the public related to sanctions to be imposed under this section unless the Board finds an interpretation is arbitrary, capricious, or otherwise not according to law.

(e) EFFECTIVENESS OF ORDERS PENDING APPEAL.—When a person files an appeal with the Board under subsection (d) of the section, the order of the Administrator is stayed. However, if the Administrator advises the Board that an emergency exists and safety in air commerce or air transportation requires the order to be effective immediately—

(1) the order is effective; and

(2) the Board shall make a final disposition of the appeal not later than 60 days after the Administrator so advises the Board.

(f) JUDICIAL REVIEW.—A person substantially affected by an order of the Board under this section, or the Administrator when the Administrator decides that an order of the Board under this section will have a significant adverse impact on carrying out this part, may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 106, 1133, 1153, 44701, 44711, 45302, 46310, 47531 of this title; title 42 section 4911.

§ 44710. Revocations of airman certificates for controlled substance violations

(a) DEFINITION.—In this section, “controlled substance” has the same meaning given that term in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802).

(b) REVOCATION.—(1) The Administrator of the Federal Aviation Administration shall issue an order revoking an airman certificate issued an individual under section 44703 of this title after the individual is convicted, under a law of the United States or a State related to a controlled

substance (except a law related to simple possession of a controlled substance), of an offense punishable by death or imprisonment for more than one year if the Administrator finds that—

- (A) an aircraft was used to commit, or facilitate the commission of, the offense; and
- (B) the individual served as an airman, or was on the aircraft, in connection with committing, or facilitating the commission of, the offense.

(2) The Administrator shall issue an order revoking an airman certificate issued an individual under section 44703 of this title if the Administrator finds that—

- (A) the individual knowingly carried out an activity punishable, under a law of the United States or a State related to a controlled substance (except a law related to simple possession of a controlled substance), by death or imprisonment for more than one year;
- (B) an aircraft was used to carry out or facilitate the activity; and
- (C) the individual served as an airman, or was on the aircraft, in connection with carrying out, or facilitating the carrying out of, the activity.

(3) The Administrator has no authority under paragraph (1) of this subsection to review whether an airman violated a law of the United States or a State related to a controlled substance.

(c) ADVICE TO HOLDERS AND OPPORTUNITY TO ANSWER.—Before the Administrator revokes a certificate under subsection (b) of this section, the Administrator must—

- (1) advise the holder of the certificate of the charges or reasons on which the Administrator relies for the proposed revocation; and
- (2) provide the holder of the certificate an opportunity to answer the charges and be heard why the certificate should not be revoked.

(d) APPEALS.—(1) An individual whose certificate is revoked by the Administrator under subsection (b) of this section may appeal the revocation order to the National Transportation Safety Board. The Board shall affirm or reverse the order after providing notice and an opportunity for a hearing on the record. When conducting the hearing, the Board is not bound by findings of fact of the Administrator but shall be bound by all validly adopted interpretations of laws and regulations the Administrator carries out and of written agency policy guidance available to the public related to sanctions to be imposed under this section unless the Board finds an interpretation is arbitrary, capricious, or otherwise not according to law.

(2) When an individual files an appeal with the Board under this subsection, the order of the Administrator revoking the certificate is stayed. However, if the Administrator advises the Board that safety in air transportation or air commerce requires the immediate effectiveness of the order—

- (A) the order remains effective; and
- (B) the Board shall make a final disposition of the appeal not later than 60 days after the Administrator so advises the Board.

(3) An individual substantially affected by an order of the Board under this subsection, or the

Administrator when the Administrator decides that an order of the Board will have a significant adverse effect on carrying out this part, may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

(e) ACQUITTAL.—(1) The Administrator may not revoke, and the Board may not affirm a revocation of, an airman certificate under subsection (b)(2) of this section on the basis of an activity described in subsection (b)(2)(A) if the holder of the certificate is acquitted of all charges related to a controlled substance in an indictment or information arising from the activity.

(2) If the Administrator has revoked an airman certificate under this section because of an activity described in subsection (b)(2)(A) of this section, the Administrator shall reissue a certificate to the individual if—

(A) the individual otherwise satisfies the requirements for a certificate under section 44703 of this title; and

(B)(i) the individual subsequently is acquitted of all charges related to a controlled substance in an indictment or information arising from the activity; or

(ii) the conviction on which a revocation under subsection (b)(1) of this section is based is reversed.

(f) WAIVERS.—The Administrator may waive the requirement of subsection (b) of this section that an airman certificate of an individual be revoked if—

(1) a law enforcement official of the United States Government or of a State requests a waiver; and

(2) the Administrator decides that the waiver will facilitate law enforcement efforts.

§ 44713. Inspection and maintenance

(a) **GENERAL EQUIPMENT REQUIREMENTS.**—An air carrier shall make, or cause to be made, any inspection, repair, or maintenance of equipment used in air transportation as required by this part or regulations prescribed or orders issued by the Administrator of the Federal Aviation Administration under this part. A person operating, inspecting, repairing, or maintaining the equipment shall comply with those requirements, regulations, and orders.

(b) **DUTIES OF INSPECTORS.**—The Administrator of the Federal Aviation Administration shall employ inspectors who shall—

(1) inspect aircraft, aircraft engines, propellers, and appliances designed for use in air transportation, during manufacture and when in use by an air carrier in air transportation, to enable the Administrator to decide whether the aircraft, aircraft engines, propellers, or appliances are in safe condition and maintained properly; and

(2) advise and cooperate with the air carrier during that inspection and maintenance.

(c) **UNSAFE AIRCRAFT, ENGINES, PROPELLERS, AND APPLIANCES.**—When an inspector decides that an aircraft, aircraft engine, propeller, or appliance is not in condition for safe operation, the inspector shall notify the air carrier in the form and way prescribed by the Administrator of the Federal Aviation Administration. For 5 days after the carrier is notified, the aircraft, engine, propeller, or appliance may not be used in air transportation or in a way that endangers air transportation unless the Administrator or the inspector decides the aircraft, engine, propeller, or appliance is in condition for safe operation.

(d) **MODIFICATIONS IN SYSTEM.**—(1) The Administrator of the Federal Aviation Administration shall make modifications in the system for processing forms for major repairs or alterations to fuel tanks and fuel systems of aircraft not used to provide air transportation that are necessary to make the system more effective in serving the needs of users of the system, including officials responsible for enforcing laws related to the regulation of controlled substances (as defined in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802)). The modifications shall address at least each of the following deficiencies in, and abuses of, the existing system:

(A) the lack of a special identification feature to allow the forms to be distinguished easily from other major repair and alteration forms.

(B) the excessive period of time required to receive the forms at the Airmen and Aircraft Registry of the Administration.

(C) the backlog of forms waiting for processing at the Registry.

(D) the lack of ready access by law enforcement officials to information contained on the forms.

(2) The Administrator of the Federal Aviation Administration shall prescribe regulations to carry out paragraph (1) of this subsection and provide a written explanation of how the regulations address each of the deficiencies and abuses described in paragraph (1). In prescribing the regulations, the Administrator of the Federal Aviation Administration shall consult with the Administrator of Drug Enforcement, the Commissioner of Customs, other law enforcement officials of the United States Government, representatives of State and local law enforcement officials, representatives of the general aviation aircraft industry, representatives of users of general aviation aircraft, and other interested persons.

(e) **AUTOMATED SURVEILLANCE TARGETING SYSTEMS.**—

(1) **IN GENERAL.**—The Administrator shall give high priority to developing and deploying a fully enhanced safety performance analysis system that includes automated surveillance to assist the Administrator in prioritizing and targeting surveillance and inspection activities of the Federal Aviation Administration.

(2) **DEADLINES FOR DEPLOYMENT.**—

(A) **INITIAL PHASE.**—The initial phase of the operational deployment of the system developed under this subsection shall begin not later than December 31, 1997.

(B) **FINAL PHASE.**—The final phase of field deployment of the system developed under this subsection shall begin not later than December 31, 1999. By that date, all principal operations and maintenance inspectors of the Administration, and appropriate supervisors and analysts of the Administration shall have been provided access to the necessary information and resources to carry out the system.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 106, 44701, 44711, 45302, 46310, 47531 of this title.

§ 44715. Controlling aircraft noise and sonic boom

(A) STANDARDS AND REGULATIONS.—(1)(A) To relieve and protect the public health and welfare from aircraft noise and sonic boom, the Administrator of the Federal Aviation Administration, as he deems necessary, shall prescribe—

(i) standards to measure aircraft noise and sonic boom; and

(ii) regulations to control and abate aircraft noise and sonic boom.

(B) The Administrator, as the Administrator deems appropriate, shall provide for the participation of a representative of the Environmental Protection Agency on such advisory committees or associated working groups that advise the Administrator on matters related to the environmental effects of aircraft and aircraft engines.

(2) The Administrator of the Federal Aviation Administration may prescribe standards and regulations under this subsection only after consulting with the Administrator of the Environmental Protection Agency. The standards and regulations shall be applied when issuing, amending, modifying, suspending, or revoking a certificate authorized under this chapter.

(3) An original type certificate may be issued under section 44704(a) of this title for an aircraft for which substantial noise abatement can be achieved only after the Administrator of the Federal Aviation Administration prescribes standards and regulations under this section that apply to that aircraft.

(b) CONSIDERATIONS AND CONSULTATION.—When prescribing a standard or regulation under this section, the Administrator of the Federal Aviation Administration shall—

(1) consider relevant information related to aircraft noise and sonic boom;

(2) consult with appropriate departments, agencies, and instrumentalities of the United States Government and State and interstate authorities;

(3) consider whether the standard or regulation is consistent with the highest degree of safety in air transportation or air commerce in the public interest;

(4) consider whether the standard or regulation is economically reasonable, technologically practicable, and appropriate for the applicable aircraft, aircraft engine, appliance, or certificate; and

(5) consider the extent to which the standard or regulation will carry out the purposes of this section.

(c) PROPOSED REGULATIONS OF ADMINISTRATOR OF ENVIRONMENTAL PROTECTION AGENCY.—The Administrator of the Environmental Protection Agency shall submit to the Administrator of the Federal Aviation Administration proposed regulations to control and abate aircraft noise and sonic boom (including control and abatement through the use of the authority of the Administrator of the Federal Aviation Administration) that the Administrator of the Environmental Protection Agency considers necessary to protect the public health and welfare. The Administrator of the Federal Aviation Administration shall consider those proposed regulations and shall publish them in a notice of proposed regulations not later than 30 days after they are received. Not later than 60 days after publication, the Administrator of the Federal Aviation Administration shall begin a hearing at which interested persons are given an opportunity for oral and written presentations. Not later than 90 days after the hearing is completed and after consulting with the Administrator of the Environmental Protection Agency, the Administrator of the Federal Aviation Administration shall—

(1) prescribe regulations as provided by this section—

(A) substantially the same as the proposed regulations submitted by the Administrator of the Environmental Protection Agency; or

(B) that amend the proposed regulations; or

(2) publish in the Federal Register—

(A) a notice that no regulation is being prescribed in response to the proposed regulations of the Administrator of the Environmental Protection Agency;

(B) a detailed analysis of, and response to, all information the Administrator of the Environmental Protection Agency submitted with the proposed regulations; and

(C) a detailed explanation of why no regulation is being prescribed.

(d) CONSULTATION AND REPORTS.—(1) If the Administrator of the Environmental Protection Agency believes that the action of the Administrator of the Federal Aviation Administration

under subsection (c)(1)(B) or (2) of this section does not protect the public health and welfare from aircraft noise or sonic boom, consistent with the considerations in subsection (b) of this section, the Administrator of the Environmental Protection Agency shall consult with the Administrator of the Federal Aviation Administration and may request a report on the advisability of prescribing the regulation as originally proposed. The request, including a detailed statement of the information on which the request is based, shall be published in the Federal Register.

(2) The Administrator of the Federal Aviation Administration shall report to the Administrator of the Environmental Protection Agency within the time, if any, specified in the request. However, the time specified must be at least 90 days after the date of the request. The report shall—

(B) identify any statement related to an action under subsection (c) of this section filed under section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C));

(C) specify whether and where that statement is available for public inspection; and

(D) be published in the Federal Register unless the request proposes specific action by the Administrator of the Federal Aviation Administration and the report indicates that action will be taken.

(e) SUPPLEMENTAL REPORTS.—The Administrator of the Environmental Protection Agency may request the Administrator of the Federal Aviation Administration to file a supplemental report if the report under subsection (d) of this section indicates that the proposed regulations under subsection (c) of this section, for which a statement under section 102(2)(C) of the Act (42 U.S.C. 4332(2)(C)) is not required, should not be prescribed. The supplemental report shall be published in the Federal Register within the time the Administrator of the Environmental Protection Agency specifies. However, the time specified must be at least 90 days after the date of the request. The supplemental report shall contain a comparison of the environmental effects, including those that cannot be avoided, of the action of the Administrator of the Federal Aviation Administration and the proposed regulations of the Administrator of the Environmental Protection Agency.

(f) EXEMPTIONS.—An exemption from a standard or regulation prescribed under this section may be granted only if, before granting the exemption, the Administrator of the Federal Aviation Administration consults with the Administrator of the Environmental Protection Agency. However, if the Administrator of the Federal Aviation Administration finds that safety in air transportation or air commerce requires an exemption before the Administrator of the Environmental Protection Agency can be consulted, the exemption may be granted. The Administrator of the Federal Aviation Administration shall consult with the Administrator of the En-

vironmental Protection Agency as soon as practicable after the exemption is granted.

AMENDMENTS

1996—Subsec. (a)(1). Pub. L. 104-264, which in directing the general amendment of par. (1) inserted an additional subsec. (a) designation and heading identical to the existing subsec. heading as well as restating the text of par. (1), was executed by restating the text only to reflect the probable intent of Congress. Prior to amendment, par. (1) read as follows: “To relieve and protect the public health and welfare from aircraft noise and sonic boom, the Administrator of the Federal Aviation Administration shall prescribe—

“(A) standards to measure aircraft noise and sonic boom; and

“(B) regulations to control and abate aircraft noise and sonic boom.”

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. L. 104-264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104-264, set out as a note under section 106 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 106, 44701, 44709, 44711, 45302, 46310, 47531 of this title; title 42 sections 4903, 4911, 4913, 4915.

§ 44716. Collision avoidance systems

(a) DEVELOPMENT AND CERTIFICATION.—The Administrator of the Federal Aviation Administration shall—

(1) complete the development of the collision avoidance system known as TCAS-II so that TCAS-II can operate under visual and instrument flight rules and can be upgraded to the performance standards applicable to the collision avoidance system known as TCAS-III;

(2) develop and carry out a schedule for developing and certifying TCAS-II that will result in certification not later than June 30, 1989; and

(3) submit to Congress monthly reports on the progress being made in developing and certifying TCAS-II.

(b) INSTALLATION AND OPERATION.—The Administrator shall require by regulation that, not later than 30 months after the date certification is made under subsection (a)(2) of this section, TCAS-II be installed and operated on each civil aircraft that has a maximum passenger capacity of at least 31 seats and is used to provide air transportation of passengers, including intrastate air transportation of passengers. The Administrator may extend the deadline in this subsection for not more than 2 years if the Administrator finds the extension is necessary to promote—

(1) a safe and orderly transition to the operation of a fleet of civil aircraft described in this subsection equipped with TCAS-II; or

(2) other safety objectives.

(c) OPERATIONAL EVALUATION.—Not later than December 30, 1990, the Administrator shall es-

establish a one-year program to collect and assess safety and operational information from civil aircraft equipped with TCAS-II for the operational evaluation of TCAS-II. The Administrator shall encourage foreign air carriers that operate civil aircraft equipped with TCAS-II to participate in the program.

(d) AMENDING SCHEDULE FOR WINDSHEAR EQUIPMENT.—The Administrator shall consider the feasibility and desirability of amending the schedule for installing airborne low-altitude windshear equipment to make the schedule compatible with the schedule for installing TCAS-II.

(e) DEADLINE FOR DEVELOPMENT AND CERTIFICATION.—(1) The Administrator shall complete developing and certifying TCAS-III as soon as possible.

(2) Necessary amounts may be appropriated from the Airport and Airway Trust Fund established under section 9502 of the Internal Revenue Code of 1986 (26 U.S.C. 9502) to carry out this subsection.

(f) INSTALLING AND USING TRANSPONDERS.—The Administrator shall prescribe regulations requiring that, not later than December 30, 1990, operating transponders with automatic altitude reporting capability be installed and used for aircraft operating in designated terminal airspace where radar service is provided for separation of aircraft. The Administrator may provide for access to that airspace (except terminal control areas and airport radar service areas) by nonequipped aircraft if the Administrator finds the access will not interfere with the normal traffic flow.

§ 44717. Aging aircraft

(a) INSPECTIONS AND REVIEWS.—The Administrator of the Federal Aviation Administration shall prescribe regulations that ensure the continuing airworthiness of aging aircraft. The reg-

ulations prescribed under subsection (a) of this section—

(1) at least shall require the Administrator to make inspections, and review the maintenance and other records, of each aircraft an air carrier uses to provide air transportation that the Administrator decides may be necessary to enable the Administrator to decide whether the aircraft is in safe condition and maintained properly for operation in air transportation;

(2) at least shall require an air carrier to demonstrate to the Administrator, as part of the inspection, that maintenance of the aircraft's age-sensitive parts and components has been adequate and timely enough to ensure the highest degree of safety;

(3) shall require the air carrier to make available to the Administrator the aircraft and any records about the aircraft that the Administrator requires to carry out a review; and

(4) shall establish procedures to be followed in carrying out an inspection.

(b) WHEN AND HOW INSPECTIONS AND REVIEWS SHALL BE CARRIED OUT.—(1) Inspections and reviews required under subsection (a)(1) of this section shall be carried out as part of each heavy maintenance check of the aircraft conducted after the 14th year in which the aircraft has been in service.

(2) Inspections under subsection (a)(1) of this section shall be carried out as provided under section 44701(a)(2)(B) and (C) of this title.

(c) AIRCRAFT MAINTENANCE SAFETY PROGRAMS.—The Administrator shall establish—

(1) a program to verify that air carriers are maintaining their aircraft according to maintenance programs approved by the Administrator;

(2) a program—

(A) to provide inspectors and engineers of the Administration with training necessary to conduct auditing inspections of aircraft operated by air carriers for corrosion and metal fatigue; and

(B) to enhance participation of those inspectors and engineers in those inspections; and

(3) a program to ensure that air carriers demonstrate to the Administrator their commitment and technical competence to ensure the airworthiness of aircraft that the carriers operate.

(d) FOREIGN AIR TRANSPORTATION.—(1) The Administrator shall take all possible steps to encourage governments of foreign countries and relevant international organizations to develop standards and requirements for inspections and reviews that—

(A) will ensure the continuing airworthiness of aging aircraft used by foreign air carriers to provide foreign air transportation to and from the United States; and

(B) will provide passengers of those foreign air carriers with the same level of safety that will be provided passengers of air carriers by carrying out this section.

(2) Not later than September 30, 1994, the Administrator shall report to Congress on carrying out this subsection.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 46301 of this title.

§ 44718. Structures interfering with air commerce

(a) NOTICE.—By regulation or by order when necessary, the Secretary of Transportation shall require a person to give adequate public notice, in the form and way the Secretary prescribes, of the construction, alteration, establishment, or expansion, or the proposed construction, alteration, establishment, or expansion, of a structure or sanitary landfill when the notice will promote—

- (1) safety in air commerce; and
- (2) the efficient use and preservation of the navigable airspace and of airport traffic capacity at public-use airports.

(b) STUDIES.—(1) Under regulations prescribed by the Secretary, if the Secretary decides that constructing or altering a structure may result in an obstruction of the navigable airspace or an interference with air navigation facilities and equipment or the navigable airspace, the Secretary shall conduct an aeronautical study to decide the extent of any adverse impact on the safe and efficient use of the airspace, facilities, or equipment. In conducting the study, the Secretary shall consider factors relevant to the efficient and effective use of the navigable airspace, including—

- (A) the impact on arrival, departure, and en route procedures for aircraft operating under visual flight rules;

(B) the impact on arrival, departure, and en route procedures for aircraft operating under instrument flight rules;

(C) the impact on existing public-use airports and aeronautical facilities;

(D) the impact on planned public-use airports and aeronautical facilities; and

(E) the cumulative impact resulting from the proposed construction or alteration of a structure when combined with the impact of other existing or proposed structures.

(2) On completing the study, the Secretary shall issue a report disclosing completely the extent of the adverse impact on the safe and efficient use of the navigable airspace that the Secretary finds will result from constructing or altering the structure.

(c) BROADCAST APPLICATIONS AND TOWER STUDIES.—In carrying out laws related to a broadcast application and conducting an aeronautical study related to broadcast towers, the Administrator of the Federal Aviation Administration and the Federal Communications Commission shall take action necessary to coordinate efficiently—

- (1) the receipt and consideration of, and action on, the application; and
- (2) the completion of any associated aeronautical study.

(d) LANDFILLS.—For the purposes of enhancing aviation safety, in a case in which 2 landfills have been proposed to be constructed or established within 6 miles of a commercial service airport with fewer than 50,000 enplanements per year, no person shall construct or establish either landfill if an official of the Federal Aviation Administration has stated in writing within the 3-year period ending on the date of the enactment of this subsection that 1 of the landfills would be incompatible with aircraft operations at the airport, unless the landfill is already active on such date of enactment or the airport operator agrees to the construction or establishment of the landfill.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 106, 46301, 46316 of this title.

§ 44903. Air transportation security

(a) **DEFINITION.**—In this section, “law enforcement personnel” means individuals—

(1) authorized to carry and use firearms;

(2) vested with the degree of the police power of arrest the Administrator of the Federal Aviation Administration considers necessary to carry out this section; and

(3) identifiable by appropriate indicia of authority.

(b) **PROTECTION AGAINST VIOLENCE AND PIRACY.**—The Administrator shall prescribe regulations to protect passengers and property on an aircraft operating in air transportation or intrastate air transportation against an act of criminal violence or aircraft piracy. When prescribing a regulation under this subsection, the Administrator shall—

(1) consult with the Secretary of Transportation, the Attorney General, the heads of other departments, agencies, and instrumentalities of the United States Government, and State and local authorities;

(2) consider whether a proposed regulation is consistent with—

(A) protecting passengers; and

(B) the public interest in promoting air transportation and intrastate air transportation;

(3) to the maximum extent practicable, require a uniform procedure for searching and detaining passengers and property to ensure—

(A) their safety; and

(B) courteous and efficient treatment by an air carrier, an agent or employee of an air carrier, and Government, State, and local law enforcement personnel carrying out this section; and

(4) consider the extent to which a proposed regulation will carry out this section.

(c) **SECURITY PROGRAMS.**—(1) The Administrator shall prescribe regulations under subsection (b) of this section that require each operator of an airport regularly serving an air carrier holding a certificate issued by the Secretary of Transportation to establish an air transportation security program that provides a law enforcement presence and capability at each of those airports that is adequate to ensure the safety of passengers. The regulations shall authorize the operator to use the services of qualified State, local, and private law enforcement personnel. When the Administrator decides, after being notified by an operator in the form the Administrator prescribes, that not enough qualified State, local, and private law enforcement personnel are available to carry out subsection (b), the Administrator may authorize the operator to use, on a reimbursable basis, personnel employed by the Administrator, or by another department, agency, or instrumentality of the Government with the consent of the head of the department, agency, or instrumentality, to supplement State, local, and private law enforcement personnel. When deciding whether additional personnel are needed, the Administrator shall consider the number of passengers boarded at the airport, the extent of anticipated risk of criminal violence or aircraft piracy at the airport or to the air carrier aircraft operations at the airport, and the availability of qualified State or local law enforcement personnel at the airport.

(2)(A) The Administrator may approve a security program of an airport operator, or an amendment in an existing program, that incorporates a security program of an airport tenant (except an air carrier separately complying with part 108 or 129 of title 14, Code of Federal Regulations) having access to a secured area of the airport, if the program or amendment incorporates—

(i) the measures the tenant will use, within the tenant's leased areas or areas designated for the tenant's exclusive use under an agreement with the airport operator, to carry out the security requirements imposed by the Administrator on the airport operator under the access control system requirements of section 107.14 of title 14, Code of Federal Regulations, or under other requirements of part 107 of title 14; and

(ii) the methods the airport operator will use to monitor and audit the tenant's compliance with the security requirements and provides that the tenant will be required to pay monetary penalties to the airport operator if the tenant fails to carry out a security requirement under a contractual provision or requirement imposed by the airport operator.

(B) If the Administrator approves a program or amendment described in subparagraph (A) of this paragraph, the airport operator may not be found to be in violation of a requirement of this subsection or subsection (b) of this section when the airport operator demonstrates that the tenant or an employee, permittee, or invitee of the tenant is responsible for the violation and that the airport operator has complied with all measures in its security program for securing compliance with its security program by the tenant.

(d) **AUTHORIZING INDIVIDUALS TO CARRY FIREARMS AND MAKE ARRESTS.**—With the approval of the Attorney General and the Secretary of State, the Secretary of Transportation may authorize an individual who carries out air transportation security duties—

(1) to carry firearms; and

(2) to make arrests without warrant for an offense against the United States committed in the presence of the individual or for a felony under the laws of the United States, if the individual reasonably believes the individual to be arrested has committed or is committing a felony.

(e) **EXCLUSIVE RESPONSIBILITY OVER PASSENGER SAFETY.**—The Administrator has the exclusive responsibility to direct law enforcement activity related to the safety of passengers on an aircraft involved in an offense under section 46502 of this title from the moment all external doors of the aircraft are closed following boarding until those doors are opened to allow passengers to leave the aircraft. When requested by the Administrator, other departments, agencies, and instrumentalities of the Government shall provide assistance necessary to carry out this subsection.

- (F) the ability of passengers and crew to take steps to reduce the risk to their safety after receiving public notice of a threat; and
- (G) other factors the Administrator considers appropriate.

(d) **GUIDELINES ON NOTICE TO CREWS.**—The Administrator shall develop guidelines for ensuring that notice in appropriate cases of threats to the security of an air carrier flight is provided to the flight crew and cabin crew of that flight.

(f) RESTRICTING ACCESS TO INFORMATION.—In cooperation with the departments, agencies, and instrumentalities of the Government that collect, receive, and analyze intelligence information related to aviation security, the Administrator shall develop procedures to minimize the number of individuals who have access to information about threats. However, a restriction on access to that information may be imposed only if the restriction does not diminish the ability of the Government to carry out its duties and powers related to aviation security effectively, including providing notice to the public and flight and cabin crews under this section.

(g) DISTRIBUTION OF GUIDELINES.—The guidelines developed under this section shall be distributed for use by appropriate officials of the Department of Transportation, the Department of State, the Department of Justice, and air carriers.

§ 44906. Foreign air carrier security programs

The Administrator of the Federal Aviation Administration shall continue in effect the requirement of section 129.25 of title 14, Code of Federal Regulations, that a foreign air carrier must adopt and use a security program approved by the Administrator. The Administrator shall not approve a security program of a foreign air carrier under section 129.25, or any successor

regulation, unless the security program requires the foreign air carrier in its operations to and from airports in the United States to adhere to the identical security measures that the Administrator requires air carriers serving the same airports to adhere to. The foregoing requirement shall not be interpreted to limit the ability of the Administrator to impose additional security measures on a foreign air carrier or an air carrier when the Administrator determines that a specific threat warrants such additional measures. The Administrator shall prescribe regulations to carry out this section.

Prior to amendment, text read as follows: “The Administrator of the Federal Aviation Administration shall continue in effect the requirement of section 129.25 of title 14, Code of Federal Regulations, that a foreign air carrier must adopt and use a security program approved by the Administrator. The Administrator may approve a security program of a foreign air carrier under section 129.25 only if the Administrator decides the security program provides passengers of the foreign air carrier a level of protection similar to the level those passengers would receive under the security programs of air carriers serving the same airport. The Administrator shall require a foreign air carrier to use procedures equivalent to those required of air carriers serving the same airport if the Administrator decides that the procedures are necessary to provide a level of protection similar to that provided passengers of the air carriers serving the same airport. § 44907. Security standards at foreign airports

(a) ASSESSMENT.—(1) At intervals the Secretary of Transportation considers necessary, the Secretary shall assess the effectiveness of the security measures maintained at—

- (A) a foreign airport—
 - (i) served by an air carrier;
 - (ii) from which a foreign air carrier serves the United States; or
 - (iii) that poses a high risk of introducing danger to international air travel; and

(B) other foreign airports the Secretary considers appropriate.

(2) The Secretary of Transportation shall conduct an assessment under paragraph (1) of this subsection—

(A) in consultation with appropriate aeronautic authorities of the government of a foreign country concerned and each air carrier serving the foreign airport for which the Secretary is conducting the assessment;

(B) to establish the extent to which a foreign airport effectively maintains and carries out security measures; and

(C) by using a standard that will result in an analysis of the security measures at the airport based at least on the standards and appropriate recommended practices contained in Annex 17 to the Convention on International Civil Aviation in effect on the date of the assessment.

(3) Each report to Congress required under section 44938(b) of this title shall contain a summary of the assessments conducted under this subsection.

(b) CONSULTATION.—In carrying out subsection (a) of this section, the Secretary of Transportation shall consult with the Secretary of State—

(1) on the terrorist threat that exists in each country; and

(2) to establish which foreign airports are not under the de facto control of the government of the foreign country in which they are located and pose a high risk of introducing danger to international air travel.

(c) NOTIFYING FOREIGN AUTHORITIES.—When the Secretary of Transportation, after conducting an assessment under subsection (a) of this section, decides that an airport does not maintain and carry out effective security measures, the Secretary of Transportation, after advising the Secretary of State, shall notify the appropriate authorities of the government of the foreign country of the decision and recommend the steps necessary to bring the security measures in use at the airport up to the standard used by the Secretary of Transportation in making the assessment.

(d) ACTIONS WHEN AIRPORTS NOT MAINTAINING AND CARRYING OUT EFFECTIVE SECURITY MEASURES.—(1) When the Secretary of Transportation decides under this section that an airport does not maintain and carry out effective security measures—

(A) the Secretary of Transportation shall—

(i) publish the identity of the airport in the Federal Register;

(ii) have the identity of the airport posted and displayed prominently at all United States airports at which scheduled air carrier operations are provided regularly; and

(iii) notify the news media of the identity of the airport;

(B) each air carrier and foreign air carrier providing transportation between the United States and the airport shall provide written notice of the decision, on or with the ticket, to each passenger buying a ticket for transportation between the United States and the airport;

(C) notwithstanding section 40105(b) of this title, the Secretary of Transportation, after

consulting with the appropriate aeronautic authorities of the foreign country concerned and each air carrier serving the airport and with the approval of the Secretary of State, may withhold, revoke, or prescribe conditions on the operating authority of an air carrier or foreign air carrier that uses that airport to provide foreign air transportation; and

(D) the President may prohibit an air carrier or foreign air carrier from providing transportation between the United States and any other foreign airport that is served by aircraft flying to or from the airport with respect to which a decision is made under this section.

(2)(A) Paragraph (1) of this subsection becomes effective—

(i) 90 days after the government of a foreign country is notified under subsection (c) of this section if the Secretary of Transportation finds that the government has not brought the security measures at the airport up to the standard the Secretary used in making an assessment under subsection (a) of this section; or

(ii) immediately on the decision of the Secretary of Transportation under subsection (c) of this section if the Secretary of Transportation decides, after consulting with the Secretary of State, that a condition exists that threatens the safety or security of passengers, aircraft, or crew traveling to or from the airport.

(B) The Secretary of Transportation immediately shall notify the Secretary of State of a decision under subparagraph (A)(ii) of this paragraph so that the Secretary of State may issue a travel advisory required under section 44908(a) of this title.

(3) The Secretary of Transportation promptly shall submit to Congress a report (and classified annex if necessary) on action taken under paragraph (1) or (2) of this subsection, including information on attempts made to obtain the cooperation of the government of a foreign country in meeting the standard the Secretary used in assessing the airport under subsection (a) of this section.

(4) An action required under paragraph (1)(A) and (B) of this subsection is no longer required only if the Secretary of Transportation, in consultation with the Secretary of State, decides that effective security measures are maintained and carried out at the airport. The Secretary of Transportation shall notify Congress when the action is no longer required to be taken.

(e) SUSPENSIONS.—Notwithstanding sections 40105(b) and 40106(b) of this title, the Secretary of Transportation, with the approval of the Secretary of State and without notice or a hearing, shall suspend the right of an air carrier or foreign air carrier to provide foreign air transportation, and the right of a person to operate aircraft in foreign air commerce, to or from a foreign airport when the Secretary of Transportation decides that—

(1) a condition exists that threatens the safety or security of passengers, aircraft, or crew traveling to or from that airport; and

(2) the public interest requires an immediate suspension of transportation between the United States and that airport.

(f) CONDITION OF CARRIER AUTHORITY.—This section is a condition to authority the Secretary of Transportation grants under this part to an air carrier or foreign air carrier.

§ 44913. Explosive detection

(a) DEPLOYMENT AND PURCHASE OF EQUIPMENT.—(1) A deployment or purchase of explosive detection equipment under section 108.7(b)(8) or 108.20 of title 14, Code of Federal Regulations, or similar regulation is required only if the Administrator of the Federal Aviation Administration certifies that the equipment alone, or as part of an integrated system, can detect under realistic air carrier operating conditions the amounts, configurations, and types of explosive material that would likely be used to cause catastrophic damage to commercial aircraft. The Administrator shall base the certification on the results of tests conducted under protocols developed in consultation with expert scientists outside of the Administration.

Those tests shall be completed not later than April 16, 1992.

(2) Before completion of the tests described in paragraph (1) of this subsection, but not later than April 16, 1992, the Administrator may require deployment of explosive detection equipment described in paragraph (1) if the Administrator decides that deployment will enhance aviation security significantly. In making that decision, the Administrator shall consider factors such as the ability of the equipment alone, or as part of an integrated system, to detect under realistic air carrier operating conditions the amounts, configurations, and types of explosive material that would likely be used to cause catastrophic damage to commercial aircraft. The Administrator shall notify the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives of a deployment decision made under this paragraph.

(3) Until such time as the Administrator determines that equipment certified under paragraph (1) is commercially available and has successfully completed operational testing as provided in paragraph (1), the Administrator shall facilitate the deployment of such approved commercially available explosive detection devices as the Administrator determines will enhance aviation security significantly. The Administrator shall require that equipment deployed under this paragraph be replaced by equipment certified under paragraph (1) when equipment certified under paragraph (1) becomes commercially available. The Administrator is authorized, based on operational considerations at individual airports, to waive the required installation of commercially available equipment under paragraph (1) in the interests of aviation security. The Administrator may permit the requirements of this paragraph to be met at airports by the deployment of dogs or other appropriate animals to supplement equipment for screening passengers, baggage, mail, or cargo for explosives or weapons.

(4) This subsection does not prohibit the Administrator from purchasing or deploying explosive detection equipment described in paragraph (1) of this subsection.

(b) GRANTS.—The Secretary of Transportation may provide grants to continue the Explosive Detection K-9 Team Training Program to detect explosives at airports and on aircraft.

In subsection (a), the cross-reference to chapter 7 of title 5 is omitted as unnecessary.

In subsection (b), the text of 49 App.:1481 (4th sentence words after last comma) is omitted as obsolete. The words “National Transportation Safety Board” were substituted for “Board” in 49 App.:1481 (4th sentence) because 49 App.:1655(d) transferred all functions, duties, and powers of the Civil Aeronautics Board under titles VI and VII of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 775) to the Secretary of Transportation to be carried out through the former National Transportation Safety Board in the Department of Transportation. Title VI includes sections 602 and 609 [49 App.:1422, 1429], that provide for appeals to the Civil Aeronautics Board (subsequently transferred to the National Transportation Safety Board), and section 611(e) [49 App.:1431(e)], that provides for appeals to the National Transportation Safety Board. Under 49 App.:1902(a), the National Transportation Safety Board in the Department of Transportation was replaced by an independent National Transportation Safety Board outside the Department, and 49 App.:1903(a)(9)(A) gave the independent Board the authority to review appeals from actions of the Secretary under 49 App.:1422, 1429, and 1431(e).

In subsection (c), the words “vote and” are omitted as surplus.

In subsection (d), the words “officer or employee of the Administration” are substituted for “member” for

clarity and consistency in the revised title and with other titles of the United States Code. The words “hearing or” are omitted as surplus. The words “referred to in subsection (a) of this section” are added for clarity.

§ 46103. Service of notice, process, and actions

(a) DESIGNATING AGENTS.—(1) Each air carrier and foreign air carrier shall designate an agent on whom service of notice and process in a proceeding before, and an action of, the Secretary of Transportation (or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator) may be made.

(2) The designation—

(A) shall be in writing and filed with the Secretary or Administrator; and

(B) may be changed in the same way as originally made.

(b) SERVICE.—(1) Service may be made—

(A) by personal service;

(B) on a designated agent; or

(C) by certified or registered mail to the person to be served or the designated agent of the person.

(2) The date of service made by certified or registered mail is the date of mailing.

(c) SERVING AGENTS.—Service on an agent designated under this section shall be made at the office or usual place of residence of the agent. If an air carrier or foreign air carrier does not have a designated agent, service may be made by posting the notice, process, or action in the office of the Secretary or Administrator.

§ 46104. Evidence

(a) GENERAL.—In conducting a hearing or investigation under this part, the Secretary of Transportation (or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator) may—

(1) subpoena witnesses and records related to a matter involved in the hearing or investigation from any place in the United States to the designated place of the hearing or investigation;

(2) administer oaths;

(3) examine witnesses; and

(4) receive evidence at a place in the United States the Secretary or Administrator designates.

(b) COMPLIANCE WITH SUBPENAS.—If a person disobeys a subpoena, the Secretary, the Administrator, or a party to a proceeding before the Secretary or Administrator may petition a court of the United States to enforce the subpoena. A judicial proceeding to enforce a subpoena under this section may be brought in the jurisdiction in which the proceeding or investigation is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena as a contempt of court.

(c) DEPOSITIONS.—(1) In a proceeding or investigation, the Secretary or Administrator may order a person to give testimony by deposition and to produce records. The transcript shall be subscribed by the deponent. Each deposition shall be filed promptly with the Secretary or Administrator.

(5) If the laws of a foreign country allow, the testimony of a witness in that country may be taken by deposition—

(B) under letters rogatory issued by a court of competent jurisdiction at the request of the Secretary or Administrator.

(d) WITNESS FEES AND MILEAGE AND CERTAIN FOREIGN COUNTRY EXPENSES.—A witness summoned before the Secretary or Administrator or whose deposition is taken under this section and the individual taking the deposition are each entitled to the same fee and mileage that the wit-

Under regulations of the Secretary or Administrator, the Secretary or Administrator shall pay the necessary expenses incident to executing, in another country, a commission or letter rogatory issued at the initiative of the Secretary or Administrator.

(e) DESIGNATING EMPLOYEES TO CONDUCT HEARINGS.—When designated by the Secretary or Administrator, an employee appointed under section 3105 of title 5 may conduct a hearing, subpoena witnesses, administer oaths, examine witnesses, and receive evidence at a place in the United States the Secretary or Administrator designates. Issues of fact tried by a jury may be reexamined only under common law rules.

SUBCHAPTER I—AIRPORT IMPROVEMENT

SUBCHAPTER REFERRED TO IN OTHER SECTIONS

This subchapter is referred to in sections 40117, 41742, 47504, 47526, 49108, 49111, 50101, 50102, 50104, 50105 of this title.

§ 47101. Policies

(a) GENERAL.—It is the policy of the United States—

(1) that the safe operation of the airport and airway system is the highest aviation priority;

(2) that aviation facilities be constructed and operated to minimize current and projected noise impact on nearby communities;

(3) to give special emphasis to developing reliever airports;

(4) that appropriate provisions should be made to make the development and enhancement of cargo hub airports easier;

(5) to encourage the development of transportation systems that use various modes of transportation in a way that will serve the States and local communities efficiently and effectively;

(6) that airport development projects under this subchapter provide for the protection and enhancement of natural resources and the quality of the environment of the United States;

(7) that airport construction and improvement projects that increase the capacity of facilities to accommodate passenger and cargo traffic be undertaken to the maximum feasible extent so that safety and efficiency increase and delays decrease;

(8) to ensure that nonaviation usage of the navigable airspace be accommodated but not allowed to decrease the safety and capacity of the airspace and airport system;

(9) that artificial restrictions on airport capacity—

(A) are not in the public interest;

(B) should be imposed to alleviate air traffic delays only after other reasonably available and less burdensome alternatives have been tried; and

(C) should not discriminate unjustly between categories and classes of aircraft;

(10) that special emphasis should be placed on converting appropriate former military air bases to civil use and identifying and improving additional joint-use facilities;

(11) that the airport improvement program should be administered to encourage projects that employ innovative technology, concepts, and approaches that will promote safety, capacity, and efficiency improvements in the construction of airports and in the air transportation system (including the development and use of innovative concrete and other materials in the construction of airport facilities to minimize initial laydown costs, minimize time out of service, and maximize lifecycle durability) and to encourage and solicit innovative technology proposals and activities in the expenditure of funding pursuant to this subchapter;

(12) that airport fees, rates, and charges must be reasonable and may only be used for purposes not prohibited by this subchapter; and

(13) that airports should be as self-sustaining as possible under the circumstances existing at each particular airport and in establishing new fees, rates, and charges, and generating revenues from all sources, airport owners and operators should not seek to create revenue surpluses that exceed the amounts to be used for airport system purposes and for other purposes for which airport revenues may be spent under section 47107(b)(1) of this title, including reasonable reserves and other funds to facilitate financing and cover contingencies.

(b) NATIONAL TRANSPORTATION POLICY.—(1) It is a goal of the United States to develop a national intermodal transportation system that transports passengers and property in an efficient manner. The future economic direction of the United States depends on its ability to confront directly the enormous challenges of the global economy, declining productivity growth, energy vulnerability, air pollution, and the need to rebuild the infrastructure of the United States.

(2) United States leadership in the world economy, the expanding wealth of the United States, the competitiveness of the industry of the United States, the standard of living, and the quality of life are at stake.

(3) A national intermodal transportation system is a coordinated, flexible network of diverse but complementary forms of transportation that transports passengers and property in the most efficient manner. By reducing transportation costs, these intermodal systems will enhance the ability of the industry of the United States to compete in the global marketplace.

(4) All forms of transportation, including aviation and other transportation systems of the future, will be full partners in the effort to reduce energy consumption and air pollution while promoting economic development.

(5) An intermodal transportation system consists of transportation hubs that connect different forms of appropriate transportation and provides users with the most efficient means of transportation and with access to commercial centers, business locations, population centers, and the vast rural areas of the United States, as well as providing links to other forms of transportation and to intercity connections.

(6) Intermodality and flexibility are paramount issues in the process of developing an integrated system that will obtain the optimum yield of United States resources.

(7) The United States transportation infrastructure must be reshaped to provide the economic underpinnings for the United States to compete in the 21st century global economy. The United States can no longer rely on the sheer size of its economy to dominate international economic rivals and must recognize fully that its economy is no longer a separate entity but is part of the global marketplace. The future economic prosperity of the United States depends on its ability to compete in an international marketplace that is teeming with competitors but in which a full one-quarter of the economic activity of the United States takes place.

(8) The United States must make a national commitment to rebuild its infrastructure

through development of a national intermodal transportation system. The United States must provide the foundation for its industries to improve productivity and their ability to compete in the global economy with a system that will transport passengers and property in an efficient manner.

(c) CAPACITY EXPANSION AND NOISE ABATEMENT.—It is in the public interest to recognize the effects of airport capacity expansion projects on aircraft noise. Efforts to increase capacity through any means can have an impact on surrounding communities. Noncompatible land uses around airports must be reduced and efforts to mitigate noise must be given a high priority.

(d) CONSISTENCY WITH AIR COMMERCE AND SAFETY POLICIES.—Each airport and airway program should be carried out consistently with section 40101(a), (b), (d), and (f) of this title to foster competition, prevent unfair methods of competition in air transportation, maintain essential air transportation, and prevent unjust and discriminatory practices, including as the practices may be applied between categories and classes of aircraft.

(e) ADEQUACY OF NAVIGATION AIDS AND AIRPORT FACILITIES.—This subchapter should be carried out to provide adequate navigation aids and airport facilities for places at which scheduled commercial air service is provided. The facilities provided may include—

(1) reliever airports; and

(2) heliports designated by the Secretary of Transportation to relieve congestion at commercial service airports by diverting aircraft passengers from fixed-wing aircraft to helicopter carriers.

(f) MAXIMUM USE OF SAFETY FACILITIES.—This subchapter should be carried out consistently with a comprehensive airspace system plan, giving highest priority to commercial service airports, to maximize the use of safety facilities, including installing, operating, and maintaining, to the extent possible with available money and considering other safety needs—

(1) electronic or visual vertical guidance on each runway;

(2) grooving or friction treatment of each primary and secondary runway;

(3) distance-to-go signs for each primary and secondary runway;

(4) a precision approach system, a vertical visual guidance system, and a full approach light system for each primary runway;

(5) a nonprecision instrument approach for each secondary runway;

(6) runway end identifier lights on each runway that does not have an approach light system;

(7) a surface movement radar system at each category III airport;

(8) a taxiway lighting and sign system;

(9) runway edge lighting and marking; and

(10) radar approach coverage for each airport terminal area.

(g) INTERMODAL PLANNING.—To carry out the policy of subsection (a)(5) of this section, the Secretary of Transportation shall take each of the following actions:

(1) COORDINATION IN DEVELOPMENT OF AIRPORT PLANS AND PROGRAMS.—Cooperate with State and local officials in developing airport plans and programs that are based on overall transportation needs. The airport plans and programs shall be developed in coordination with other transportation planning and considering comprehensive long-range land-use plans and overall social, economic, environmental, system performance, and energy conservation objectives. The process of developing airport plans and programs shall be continuing, cooperative, and comprehensive to the degree appropriate to the complexity of the transportation problems.

(2) GOALS FOR AIRPORT MASTER AND SYSTEM PLANS.—Encourage airport sponsors and State and local officials to develop airport master plans and airport system plans that—

(A) foster effective coordination between aviation planning and metropolitan planning;

(B) include an evaluation of aviation needs within the context of multimodal planning; and

(C) are integrated with metropolitan plans to ensure that airport development proposals include adequate consideration of land use and ground transportation access.

(3) REPRESENTATION OF AIRPORT OPERATORS ON MPO'S.—Encourage metropolitan planning organizations, particularly in areas with populations greater than 200,000, to establish membership positions for airport operators.

(h) CONSULTATION.—To carry out the policy of subsection (a)(6) of this section, the Secretary of Transportation shall consult with the Secretary of the Interior and the Administrator of the Environmental Protection Agency about any project included in a project grant application involving the location of an airport or runway, or a major runway extension, that may have a significant effect on—

(1) natural resources, including fish and wildlife;

(2) natural, scenic, and recreation assets;

(3) water and air quality; or

(4) another factor affecting the environment.

In this section, before clause (1), the words “In this subchapter” are substituted for “As used in this chapter” and “Whenever in this chapter reference is made to . . . such reference shall mean” for consistency in the revised title and with other titles of the United States Code and to eliminate unnecessary words.

Clause (1) restates the definition of “air carrier airport” that was contained in section 11(1) of the Airport and Airway Development Act of 1970 as in effect both on February 18, 1980, and immediately before September 3, 1982. The clause is added to this section to eliminate the cross-references to definitions in section 11 of the Airport and Airway Development Act of 1970 that are contained in the source provisions restated in sections 47106(d) and 47119(a) of the revised title. Because some of the terms used in the definition of “air carrier airport” were themselves defined in section 11, the definitions of those terms are incorporated in the definition added in clause (1) to the extent they differ from the definitions of those terms restated in this section. The words “Secretary of Transportation” and “Secretary” are substituted for “Civil Aeronautics Board” because of the transfer of authority under 49 App.:155(b)(1)(E).

In clause (2), before subclause (A), the text of 49 App.:2202(a)(21) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section. In subclause (A)(iii), the words “those areas” are substituted for “thereon” for clarity.

In clause (3)(A), before subclause (i), the words “any work involved in” and “or portion thereof” are eliminated as unnecessary. The word “reconstructing” is omitted as being included in “constructing”. In sub-

clause (ii), the words “carrying out a field investigation” are substituted for “field investigations incidental thereto” for clarity.

In clause (3)(B), before subclause (i), the word “for” is substituted for “by” for clarity. In subclause (i), the words “required by the acquisition or installation” are substituted for “thereby required” for clarity. In subclause (ii), the word “individuals” is substituted for “persons” for clarity and consistency in the revised title and with other titles of the Code.

In clause (3)(C), before subclause (i), the words “interest in land or airspace” are substituted for “land or of any interest therein, or of any easement through or other interest in airspace” to eliminate unnecessary words. In subclause (ii), the words “existing airport hazard . . . the creation of a new airport hazard” are added for clarity and consistency in this chapter.

In clause (3)(D), the words “any . . . work involved to” are omitted as surplus. The word “Secretary” is substituted for “Department of Transportation” because of 49:102(b). The words “Administrator of the” are added because of 49:106(b).

In clause (4), the word “near” is substituted for “in the vicinity of” to eliminate unnecessary words. The words “obstructs or otherwise is hazardous to the landing or taking off” are substituted for “obstructs the airspace required for the flight of aircraft in landing or taking off . . . or is otherwise hazardous to such landing or taking off” for clarity and to eliminate unnecessary words.

In clause (6), the words “for a fiscal year . . . for that fiscal year” are omitted as surplus. The words “authorized for grants” are substituted for “made available for obligation” for clarity and consistency. The word “law” is substituted for “Act of Congress” for consistency in the revised title and with other titles of the Code. The words “or limited” are omitted as surplus.

In clause (8), before subclause (A), the words “the initial as well as continuing” and “nature” are omitted as surplus. § 47103. National plan of integrated airport systems

(a) GENERAL REQUIREMENTS AND CONSIDERATIONS.—The Secretary of Transportation shall maintain the plan for developing public-use airports in the United States, named “the national plan of integrated airport systems”. The plan shall include the kind and estimated cost of eligible airport development the Secretary of Transportation considers necessary to provide a safe, efficient, and integrated system of public-use airports adequate to anticipate and meet the needs of civil aeronautics, to meet the national defense requirements of the Secretary of Defense, and to meet identified needs of the United States Postal Service. Airport development included in the plan may not be limited to meeting the needs of any particular classes or categories of public-use airports. In maintaining the plan, the Secretary of Transportation shall consider the needs of each segment of civil aviation and the relationship of each airport to—

- (1) the rest of the transportation system in the particular area;
- (2) forecasted technological developments in aeronautics; and

(3) forecasted developments in other modes of intercity transportation.

(b) SPECIFIC REQUIREMENTS.—In maintaining the plan, the Secretary of Transportation shall—

(1) to the extent possible and as appropriate, consult with departments, agencies, and instrumentalities of the United States Government, with public agencies, and with the aviation community;

(2) consider tall structures that reduce safety or airport capacity; and

(3) make every reasonable effort to address the needs of air cargo operations, Short Takeoff and Landing/Very Short Takeoff and Landing aircraft operations, and rotary wing aircraft operations.

(c) AVAILABILITY OF DOMESTIC MILITARY AIRPORTS AND AIRPORT FACILITIES.—To the extent possible, the Secretary of Defense shall make domestic military airports and airport facilities available for civil use. In advising the Secretary of Transportation under subsection (a) of this section, the Secretary of Defense shall indicate the extent to which domestic military airports and airport facilities are available for civil use.

(d) PUBLICATION.—The Secretary of Transportation shall publish the status of the plan every 2 years.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 47107, 47118, 47524, 48103 of this title.

§ 47105. Project grant applications

(a) SUBMISSION AND CONSULTATION.—(1) An application for a project grant under this subchapter may be submitted to the Secretary of Transportation by—

- (A) a sponsor; or
- (B) a State, as the only sponsor, for an airport development project benefitting 1 or more airports in the State or for airport planning for projects for 1 or more airports in the State if—

- (i) the sponsor of each airport gives written consent that the State be the applicant;
- (ii) the Secretary is satisfied there is administrative merit and aeronautical benefit in the State being the sponsor; and
- (iii) an acceptable agreement exists that ensures that the State will comply with appropriate grant conditions and other assurances the Secretary requires.

(2) Before deciding to undertake an airport development project at an airport under this subchapter, a sponsor shall consult with the airport users that will be affected by the project.

(3) This subsection does not authorize a public agency that is subject to the laws of a State to apply for a project grant in violation of a law of the State.

(b) CONTENTS AND FORM.—An application for a project grant under this subchapter—

- (1) shall describe the project proposed to be undertaken;
- (2) may propose a project only for a public-use airport included in the current national plan of integrated airport systems;

(3) may propose airport development only if the development complies with standards the Secretary prescribes or approves, including standards for site location, airport layout, site preparation, paving, lighting, and safety of approaches; and

(4) shall be in the form and contain other information the Secretary prescribes.

(c) STATE STANDARDS FOR AIRPORT DEVELOPMENT.—The Secretary may approve standards (except standards for safety of approaches) that a State prescribes for airport development at nonprimary public-use airports in the State. On approval under this subsection, a State’s standards apply to the nonprimary public-use airports in the State instead of the comparable standards prescribed by the Secretary under subsection (b)(3) of this section. The Secretary, or the State with the approval of the Secretary, may revise standards approved under this subsection.

(d) CERTIFICATION OF COMPLIANCE.—The Secretary may require a sponsor to certify that the sponsor will comply with this subchapter in carrying out the project. The Secretary may rescind the acceptance of a certification at any time. This subsection does not affect an obligation or responsibility of the Secretary under another law of the United States.

(e) PREVENTIVE MAINTENANCE.—After January 1, 1995, the Secretary may approve an application under this subchapter for the replacement or reconstruction of pavement at an airport only if the sponsor has provided such assurances or certifications as the Secretary may determine appropriate that such airport has implemented an effective airport pavement maintenance-management program. The Secretary may require such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

(f) NOTIFICATION.—The sponsor of an airport for which an amount is apportioned under section 47114(c) of this title shall notify the Secretary of the fiscal year in which the sponsor intends to submit a project grant application for the apportioned amount. The notification shall be given by the time and contain the information the Secretary prescribes.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 47117 of this title.

§ 47106. Project grant application approval conditioned on satisfaction of project requirements

(a) PROJECT GRANT APPLICATION APPROVAL.—The Secretary of Transportation may approve an application under this subchapter for a project grant only if the Secretary is satisfied that—

(1) the project is consistent with plans (existing at the time the project is approved) of

public agencies authorized by the State in which the airport is located to plan for the development of the area surrounding the airport;

(2) the project will contribute to carrying out this subchapter;

(3) enough money is available to pay the project costs that will not be paid by the United States Government under this subchapter;

(4) the project will be completed without unreasonable delay; and

(5) the sponsor has authority to carry out the project as proposed.

(b) AIRPORT DEVELOPMENT PROJECT GRANT APPLICATION APPROVAL.—The Secretary may approve an application under this subchapter for an airport development project grant for an airport only if the Secretary is satisfied that—

(1) the sponsor, a public agency, or the Government holds good title to the areas of the airport used or intended to be used for the landing, taking off, or surface maneuvering of aircraft, or that good title will be acquired;

(2) the interests of the community in or near which the project may be located have been given fair consideration; and

(3) the application provides touchdown zone and centerline runway lighting, high intensity runway lighting, or land necessary for installing approach light systems that the Secretary, considering the category of the airport and the kind and volume of traffic using it, decides is necessary for safe and efficient use of the airport by aircraft.

(c) ENVIRONMENTAL REQUIREMENTS.—(1) The Secretary may approve an application under this subchapter for an airport development project involving the location of an airport or runway or a major runway extension—

(A) only if the sponsor certifies to the Secretary that—

(i) an opportunity for a public hearing was given to consider the economic, social, and environmental effects of the location and the location's consistency with the objectives of any planning that the community has carried out; and

(ii) the airport management board has voting representation from the communities in which the project is located or has advised the communities that they have the right to petition the Secretary about a proposed project;

(B) only if the chief executive officer of the State in which the project will be located certifies in writing to the Secretary that there is reasonable assurance that the project will be located, designed, constructed, and operated in compliance with applicable air and water quality standards, except that the Administrator of the Environmental Protection Agency shall make the certification instead of the chief executive officer if—

(i) the State has not approved any applicable State or local standards; and

(ii) the Administrator has prescribed applicable standards; and

(C) if the application is found to have a significant adverse effect on natural resources,

including fish and wildlife, natural, scenic, and recreation assets, water and air quality, or another factor affecting the environment, only after finding that no possible and prudent alternative to the project exists and that every reasonable step has been taken to minimize the adverse effect.

(2) The Secretary may approve an application under this subchapter for an airport development project that does not involve the location of an airport or runway, or a major runway extension, at an existing airport without requiring an environmental impact statement related to noise for the project if—

(A) completing the project would allow operations at the airport involving aircraft complying with the noise standards prescribed for “stage 2” aircraft in section 36.1 of title 14, Code of Federal Regulations, to replace existing operations involving aircraft that do not comply with those standards; and

(B) the project meets the other requirements under this subchapter.

(3) At the Secretary’s request, the sponsor shall give the Secretary a copy of the transcript of any hearing held under paragraph (1)(A) of this subsection.

(4)(A) Notice of certification or of refusal to certify under paragraph (1)(B) of this subsection shall be provided to the Secretary not later than 60 days after the Secretary receives the application.

(B) The Secretary shall condition approval of the application on compliance with the applicable standards during construction and operation.

(5) The Secretary may make a finding under paragraph (1)(C) of this subsection only after completely reviewing the matter. The review and finding must be a matter of public record.

(d) WITHHOLDING APPROVAL.—(1) The Secretary may withhold approval of an application under this subchapter for amounts apportioned under section 47114(c) and (e) of this title for violating an assurance or requirement of this subchapter only if—

(A) the Secretary provides the sponsor an opportunity for a hearing; and

(B) not later than 180 days after the later of the date of the application or the date the Secretary discovers the noncompliance, the Secretary finds that a violation has occurred.

(2) The 180-day period may be extended by—

(A) agreement between the Secretary and the sponsor; or

(B) the hearing officer if the officer decides an extension is necessary because the sponsor did not follow the schedule the officer established.

(3) A person adversely affected by an order of the Secretary withholding approval may obtain review of the order by filing a petition in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the project is located. The action must be brought not later than 60 days after the order is served on the petitioner.

(e) REPORTS RELATING TO CONSTRUCTION OF CERTAIN NEW HUB AIRPORTS.—At least 90 days

prior to the approval under this subchapter of a project grant application for construction of a new hub airport that is expected to have 0.25 percent or more of the total annual enplanements in the United States, the Secretary shall submit to Congress a report analyzing the anticipated impact of such proposed new airport on—

(1) the fees charged to air carriers (including landing fees), and other costs that will be incurred by air carriers, for using the proposed airport;

(2) air transportation that will be provided in the geographic region of the proposed airport; and

(3) the availability and cost of providing air transportation to rural areas in such geographic region.

In subsection (a)(5), the words “which submitted the project grant application” and “legal” are omitted as surplus.

In subsection (b), before clause (1), the words “for an airport” are added for clarity. In clause (1), the words “or an agency thereof” are omitted surplus. In clause (3), the words “that the Secretary . . . decides is necessary” are substituted for “when it is determined by the Secretary that any such item is required” to eliminate unnecessary words.

In subsection (c)(1)(B), before subclause (i), the words “chief executive officer” are substituted for “Governor” because this chapter applies to the District of Columbia which does not have a Governor. In subsection (d)(1), the words “(as defined by section 1711(8) of this Appendix, as in effect on February 18, 1980)” are omitted because of the definition of “air carrier airport” in section 47102 of the revised title.

AMENDMENTS

1994—Subsecs. (d), (e). Pub. L. 103-305 added subsec. (e), redesignated former subsec. (e) as (d), and struck out former subsec. (d) which read as follows:

“(d) GENERAL AVIATION AIRPORT PROJECT GRANT APPLICATION APPROVAL.—(1) In this subsection, ‘general aviation airport’ means a public airport that is not an air carrier airport.

“(2) The Secretary may approve an application under this subchapter for an airport development project included in a project grant application involving the construction or extension of a runway at a general aviation airport located on both sides of a boundary line separating 2 counties within a State only if, before the application is submitted to the Secretary, the project is approved by the governing body of each village incorporated under the laws of the State and located entirely within 5 miles of the nearest boundary of the airport.”

§ 47107. Project grant application approval conditioned on assurances about airport operations

(a) GENERAL WRITTEN ASSURANCES.—The Secretary of Transportation may approve a project grant application under this subchapter for an airport development project only if the Secretary receives written assurances, satisfactory to the Secretary, that—

(1) the airport will be available for public use on reasonable conditions and without unjust discrimination;

(2) air carriers making similar use of the airport will be subject to substantially comparable charges—

(A) for facilities directly and substantially related to providing air transportation; and
(B) regulations and conditions, except for differences based on reasonable classifications, such as between—

(i) tenants and nontenants; and
(ii) signatory and nonsignatory carriers;

(3) the airport operator will not withhold unreasonably the classification or status of tenant or signatory from an air carrier that assumes obligations substantially similar to those already imposed on air carriers of that classification or status;

(4) a person providing, or intending to provide, aeronautical services to the public will not be given an exclusive right to use the airport, with a right given to only one fixed-base operator to provide services at an airport deemed not to be an exclusive right if—

(A) the right would be unreasonably costly, burdensome, or impractical for more than one fixed-base operator to provide the services; and

(B) allowing more than one fixed-base operator to provide the services would require reducing the space leased under an existing agreement between the one fixed-base operator and the airport owner or operator;

(5) fixed-base operators similarly using the airport will be subject to the same charges;

(6) an air carrier using the airport may service itself or use any fixed-base operator allowed by the airport operator to service any carrier at the airport;

(7) the airport and facilities on or connected with the airport will be operated and maintained suitably, with consideration given to climatic and flood conditions;

(8) a proposal to close the airport temporarily for a nonaeronautical purpose must first be approved by the Secretary;

(9) appropriate action will be taken to ensure that terminal airspace required to protect instrument and visual operations to the airport (including operations at established minimum flight altitudes) will be cleared and protected by mitigating existing, and preventing future, airport hazards;

(10) appropriate action, including the adoption of zoning laws, has been or will be taken to the extent reasonable to restrict the use of land next to or near the airport to uses that are compatible with normal airport operations;

(11) each of the airport’s facilities developed with financial assistance from the United States Government and each of the airport’s facilities usable for the landing and taking off of aircraft always will be available without charge for use by Government aircraft in common with other aircraft, except that if the use is substantial, the Government may be charged a reasonable share, proportionate to the use, of the cost of operating and maintaining the facility used;

(12) the airport owner or operator will provide, without charge to the Government, prop-

erty interests of the sponsor in land or water areas or buildings that the Secretary decides are desirable for, and that will be used for, constructing at Government expense, facilities for carrying out activities related to air traffic control or navigation;

(13) the airport owner or operator will maintain a schedule of charges for use of facilities and services at the airport—

(A) that will make the airport as self-sustaining as possible under the circumstances existing at the airport, including volume of traffic and economy of collection; and

(B) without including in the rate base used for the charges the Government's share of costs for any project for which a grant is made under this subchapter or was made under the Federal Airport Act or the Airport and Airway Development Act of 1970;

(14) the project accounts and records will be kept using a standard system of accounting that the Secretary, after consulting with appropriate public agencies, prescribes;

(15) the airport owner or operator will submit any annual or special airport financial and operations reports to the Secretary that the Secretary reasonably requests and make such reports available to the public;

(16) the airport owner or operator will maintain a current layout plan of the airport that meets the following requirements:

(A) the plan will be in a form the Secretary prescribes;

(B) the Secretary will approve the plan and any revision or modification before the plan, revision, or modification takes effect;

(C) the owner or operator will not make or allow any alteration in the airport or any of its facilities if the alteration does not comply with the plan the Secretary approves, and the Secretary is of the opinion that the alteration may affect adversely the safety, utility, or efficiency of the airport; and

(D) when an alteration in the airport or its facility is made that does not conform to the approved plan and that the Secretary decides adversely affects the safety, utility, or efficiency of any property on or off the airport that is owned, leased, or financed by the Government, the owner or operator, if requested by the Secretary, will—

(i) eliminate the adverse effect in a way the Secretary approves; or

(ii) bear all cost of relocating the property or its replacement to a site acceptable to the Secretary and of restoring the property or its replacement to the level of safety, utility, efficiency, and cost of operation that existed before the alteration was made;

(17) each contract and subcontract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping, and related services will be awarded in the same way that a contract for architectural and engineering services is negotiated under title IX of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 541 et seq.) or an equiva-

lent qualifications-based requirement prescribed for or by the sponsor;

(18) the airport and each airport record will be available for inspection by the Secretary on reasonable request, and a report of the airport budget will be available to the public at reasonable times and places;

(19) the airport owner or operator will submit to the Secretary and make available to the public an annual report listing in detail—

(A) all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and

(B) all services and property provided to other units of government and the amount of compensation received for provision of each such service and property; and

(20) the airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport, but the sponsor does not have any obligation under this paragraph, or because of it, to fund special facilities for intercity bus service or for other modes of transportation.

(b) WRITTEN ASSURANCES ON USE OF REVENUE.—(1) The Secretary of Transportation may approve a project grant application under this subchapter for an airport development project only if the Secretary receives written assurances, satisfactory to the Secretary, that local taxes on aviation fuel (except taxes in effect on December 30, 1987) and the revenues generated by a public airport will be expended for the capital or operating costs of—

(A) the airport;

(B) the local airport system; or

(C) other local facilities owned or operated by the airport owner or operator and directly and substantially related to the air transportation of passengers or property.

(2) Paragraph (1) of this subsection does not apply if a provision enacted not later than September 2, 1982, in a law controlling financing by the airport owner or operator, or a covenant or assurance in a debt obligation issued not later than September 2, 1982, by the owner or operator, provides that the revenues, including local taxes on aviation fuel at public airports, from any of the facilities of the owner or operator, including the airport, be used to support not only the airport but also the general debt obligations or other facilities of the owner or operator.

(3) This subsection does not prevent the use of a State tax on aviation fuel to support a State aviation program or the use of airport revenue on or off the airport for a noise mitigation purpose.

(c) WRITTEN ASSURANCES ON ACQUIRING LAND.—(1) In this subsection, land is needed for an airport purpose (except a noise compatibility purpose) if—

(A)(i) the land may be needed for an aeronautical purpose (including runway protection zone) or serves as noise buffer land; and

(ii) revenue from interim uses of the land contributes to the financial self-sufficiency of the airport; and

(B) for land purchased with a grant the owner or operator received not later than De-

ember 30, 1987, the Secretary of Transportation or the department, agency, or instrumentality of the Government that made the grant was notified by the owner or operator of the use of the land and did not object to the use and the land is still being used for that purpose.

(2) The Secretary of Transportation may approve an application under this subchapter for an airport development project grant only if the Secretary receives written assurances, satisfactory to the Secretary, that if an airport owner or operator has received or will receive a grant for acquiring land and—

(A) if the land was or will be acquired for a noise compatibility purpose—

(i) the owner or operator will dispose of the land at fair market value at the earliest practicable time after the land no longer is needed for a noise compatibility purpose;

(ii) the disposition will be subject to retaining or reserving an interest in the land necessary to ensure that the land will be used in a way that is compatible with noise levels associated with operating the airport; and

(iii) the part of the proceeds from disposing of the land that is proportional to the Government's share of the cost of acquiring the land will be paid to the Secretary for deposit in the Airport and Airway Trust Fund established under section 9502 of the Internal Revenue Code of 1986 (26 U.S.C. 9502) or, as the Secretary prescribes, reinvested in an approved noise compatibility project; or

(B) if the land was or will be acquired for an airport purpose (except a noise compatibility purpose)—

(i) the owner or operator, when the land no longer is needed for an airport purpose, will dispose of the land at fair market value or make available to the Secretary an amount equal to the Government's proportional share of the fair market value;

(ii) the disposition will be subject to retaining or reserving an interest in the land necessary to ensure that the land will be used in a way that is compatible with noise levels associated with operating the airport; and

(iii) the part of the proceeds from disposing of the land that is proportional to the Government's share of the cost of acquiring the land will be reinvested, on application to the Secretary, in another eligible airport development project the Secretary approves under this subchapter or paid to the Secretary for deposit in the Fund if another eligible project does not exist.

(3) Proceeds referred to in paragraph (2)(A)(iii) and (B)(iii) of this subsection and deposited in the Airport and Airway Trust Fund are available as provided in subsection (f) of this section.

(D) ASSURANCES OF CONTINUATION AS PUBLIC-USE AIRPORT.—The Secretary of Transportation may approve an application under this subchapter for an airport development project grant for a privately owned public-use airport only if the Secretary receives appropriate assurances that the airport will continue to function

as a public-use airport during the economic life (that must be at least 10 years) of any facility at the airport that was developed with Government financial assistance under this subchapter.

(E) WRITTEN ASSURANCES OF OPPORTUNITIES FOR SMALL BUSINESS CONCERNS.—(1) The Secretary of Transportation may approve a project grant application under this subchapter for an airport development project only if the Secretary receives written assurances, satisfactory to the Secretary, that the airport owner or operator will take necessary action to ensure, to the maximum extent practicable, that at least 10 percent of all businesses at the airport selling consumer products or providing consumer services to the public are small business concerns (as defined by regulations of the Secretary) owned and controlled by a socially and economically disadvantaged individual (as defined in section 47113(a) of this title) or qualified HUB-Zone small business concerns (as defined in section 3(p) of the Small Business Act).

(2) An airport owner or operator may meet the percentage goal of paragraph (1) of this subsection by including any business operated through a management contract or subcontract. The dollar amount of a management contract or subcontract with a disadvantaged business enterprise shall be added to the total participation by disadvantaged business enterprises in airport concessions and to the base from which the airport's percentage goal is calculated. The dollar amount of a management contract or subcontract with a non-disadvantaged business enterprise and the gross revenue of business activities to which the management contract or subcontract pertains may not be added to this base.

(3) Except as provided in paragraph (4) of this subsection, an airport owner or operator may meet the percentage goal of paragraph (1) of this subsection by including the purchase from disadvantaged business enterprises of goods and services used in businesses conducted at the airport, but the owner or operator and the businesses conducted at the airport shall make good faith efforts to explore all available options to achieve, to the maximum extent practicable, compliance with the goal through direct ownership arrangements, including joint ventures and franchises.

(4)(A) In complying with paragraph (1) of this subsection, an airport owner or operator shall include the revenues of car rental firms at the airport in the base from which the percentage goal in paragraph (1) is calculated.

(B) An airport owner or operator may require a car rental firm to meet a requirement under paragraph (1) of this subsection by purchasing or leasing goods or services from a disadvantaged business enterprise. If an owner or operator requires such a purchase or lease, a car rental firm shall be permitted to meet the requirement by including purchases or leases of vehicles from any vendor that qualifies as a small business concern owned and controlled by a socially and economically disadvantaged individual or as a qualified HUBZone small business concern (as defined in section 3(p) of the Small Business Act).

(C) This subsection does not require a car rental firm to change its corporate structure to

provide for direct ownership arrangements to meet the requirements of this subsection.

(5) This subsection does not preempt—

(A) a State or local law, regulation, or policy enacted by the governing body of an airport owner or operator; or

(B) the authority of a State or local government or airport owner or operator to adopt or enforce a law, regulation, or policy related to disadvantaged business enterprises.

(6) An airport owner or operator may provide opportunities for a small business concern owned and controlled by a socially and economically disadvantaged individual or a qualified HUBZone small business concern (as defined in section 3(p) of the Small Business Act) to participate through direct contractual agreement with that concern.

(7) An air carrier that provides passenger or property-carrying services or another business that conducts aeronautical activities at an airport may not be included in the percentage goal of paragraph (1) of this subsection for participation of small business concerns at the airport.

(8) Not later than April 29, 1993, the Secretary of Transportation shall prescribe regulations to carry out this subsection.

(f) AVAILABILITY OF AMOUNTS.—An amount deposited in the Airport and Airway Trust Fund under—

(1) subsection (c)(2)(A)(iii) of this section is available to the Secretary of Transportation to make a grant for airport development or airport planning under section 47104 of this title;

(2) subsection (c)(2)(B)(iii) of this section is available to the Secretary—

(A) to make a grant for a purpose described in section 47115(b) of this title; and

(B) for use under section 47114(d)(2) of this title at another airport in the State in which the land was disposed of under subsection (c)(2)(B)(ii) of this section; and

(3) subsection (c)(2)(B)(iii) of this section is in addition to an amount made available to the Secretary under section 48103 of this title and not subject to apportionment under section 47114 of this title.

(g) ENSURING COMPLIANCE.—(1) To ensure compliance with this section, the Secretary of Transportation—

(A) shall prescribe requirements for sponsors that the Secretary considers necessary; and

(B) may make a contract with a public agency.

(2) The Secretary of Transportation may approve an application for a project grant only if the Secretary is satisfied that the requirements prescribed under paragraph (1)(A) of this subsection have been or will be met.

(h) MODIFYING ASSURANCES AND REQUIRING COMPLIANCE WITH ADDITIONAL ASSURANCES.—Before modifying an assurance required of a person receiving a grant under this subchapter and in effect after December 29, 1987, or to require compliance with an additional assurance from the person, the Secretary of Transportation must—

(1) publish notice of the proposed modification in the Federal Register; and

(2) provide an opportunity for comment on the proposal.

(i) RELIEF FROM OBLIGATION TO PROVIDE FREE SPACE.—When a sponsor provides a property interest in a land or water area or a building that the Secretary of Transportation uses to construct a facility at Government expense, the Secretary may relieve the sponsor from an obligation in a contract made under this chapter, the Airport and Airway Development Act of 1970, or the Federal Airport Act to provide free space to the Government in an airport building, to the extent the Secretary finds that the free space no longer is needed to carry out activities related to air traffic control or navigation.

(j) USE OF REVENUE IN HAWAII.—(1) In this subsection—

(A) “duty-free merchandise” and “duty-free sales enterprise” have the same meanings given those terms in section 555(b)(8) of the Tariff Act of 1930 (19 U.S.C. 1555(b)(8)).

(B) “highway” and “Federal-aid system” have the same meanings given those terms in section 101(a) of title 23.

(2) Notwithstanding subsection (b)(1) of this section, Hawaii may use, for a project for construction or reconstruction of a highway on a Federal-aid system that is not more than 10 miles by road from an airport and that will facilitate access to the airport, revenue from the sales at off-airport locations in Hawaii of duty-free merchandise under a contract between Hawaii and a duty-free sales enterprise. However, the revenue resulting during a Hawaiian fiscal year may be used only if the amount of the revenue, plus amounts Hawaii receives in the fiscal year from all other sources for costs Hawaii incurs for operating all airports it operates and for debt service related to capital projects for the airports (including interest and amortization of principal costs), is more than 150 percent of the projected costs for the fiscal year.

(3)(A) Revenue from sales referred to in paragraph (2) of this subsection in a Hawaiian fiscal year that Hawaii may use may not be more than the amount that is greater than 150 percent as determined under paragraph (2).

(B) The maximum amount of revenue Hawaii may use under paragraph (2) of this subsection is \$250,000,000.

(4) If a fee imposed or collected for rent, landing, or service from an aircraft operator by an airport operated by Hawaii is increased during the period from May 4, 1990, through December 31, 1994, by more than the percentage change in the Consumer Price Index of All Urban Consumers for Honolulu, Hawaii, that the Secretary of Labor publishes during that period and if revenue derived from the fee increases because the fee increased, the amount under paragraph (3)(B) of this subsection shall be reduced by the amount of the projected revenue increase in the period less the part of the increase attributable to changes in the Index in the period.

(5) Hawaii shall determine costs, revenue, and projected revenue increases referred to in this subsection and shall submit the determinations to the Secretary of Transportation. A determination is approved unless the Secretary disapproves it not later than 30 days after it is submitted.

(6) Hawaii is not eligible for a grant under section 47115 of this title in a fiscal year in which Hawaii uses under paragraph (2) of this subsection revenue from sales referred to in paragraph (2). Hawaii shall repay amounts it receives in a fiscal year under a grant it is not eligible to receive because of this paragraph to the Secretary of Transportation for deposit in the discretionary fund established under section 47115.

(7)(A) This subsection applies only to revenue from sales referred to in paragraph (2) of this subsection from May 5, 1990, through December 30, 1994, and to amounts in the Airport Revenue Fund of Hawaii that are attributable to revenue before May 4, 1990, on sales referred to in paragraph (2).

(B) Revenue from sales referred to in paragraph (2) of this subsection from May 5, 1990, through December 30, 1994, may be used under paragraph (2) in any Hawaiian fiscal year, including a Hawaiian fiscal year beginning after December 31, 1994.

(k) ANNUAL SUMMARIES OF FINANCIAL REPORTS.—The Secretary shall provide to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives an annual summary of the reports submitted to the Secretary under subsection (a)(19) of this section and under section 111(b) of the Federal Aviation Administration Authorization Act of 1994.

(l) POLICIES AND PROCEDURES TO ENSURE ENFORCEMENT AGAINST ILLEGAL DIVERSION OF AIRPORT REVENUE.—

(1) IN GENERAL.—Not later than 90 days after August 23, 1994, the Secretary of Transportation shall establish policies and procedures that will assure the prompt and effective enforcement of subsections (a)(13) and (b) of this section and grant assurances made under such subsections. Such policies and procedures shall recognize the exemption provision in subsection (b)(2) of this section and shall respond to the information contained in the reports of the Inspector General of the Department of Transportation on airport revenue diversion and such other relevant information as the Secretary may by law consider.

(2) REVENUE DIVERSION.—Policies and procedures to be established pursuant to paragraph (1) of this subsection shall prohibit, at a minimum, the diversion of airport revenues (except as authorized under subsection (b) of this section) through—

(A) direct payments or indirect payments, other than payments reflecting the value of services and facilities provided to the airport;

(B) use of airport revenues for general economic development, marketing, and promotional activities unrelated to airports or airport systems;

(C) payments in lieu of taxes or other assessments that exceed the value of services provided; or

(D) payments to compensate nonsponsoring governmental bodies for lost tax revenues exceeding stated tax rates.

(3) EFFORTS TO BE SELF-SUSTAINING.—With respect to subsection (a)(13) of this section,

policies and procedures to be established pursuant to paragraph (1) of this subsection shall take into account, at a minimum, whether owners and operators of airports, when entering into new or revised agreements or otherwise establishing rates, charges, and fees, have undertaken reasonable efforts to make their particular airports as self-sustaining as possible under the circumstances existing at such airports.

(4) ADMINISTRATIVE SAFEGUARDS.—Policies and procedures to be established pursuant to paragraph (1) shall mandate internal controls, auditing requirements, and increased levels of Department of Transportation personnel sufficient to respond fully and promptly to complaints received regarding possible violations of subsections (a)(13) and (b) of this section and grant assurances made under such subsections and to alert the Secretary to such possible violations.

(5) STATUTE OF LIMITATIONS.—In addition to the statute of limitations specified in subsection (n)(7), with respect to project grants made under this chapter—

(A) any request by a sponsor to any airport for additional payments for services conducted off of the airport or for reimbursement for capital contributions or operating expenses shall be filed not later than 6 years after the date on which the expense is incurred; and

(B) any amount of airport funds that are used to make a payment or reimbursement as described in subparagraph (A) after the date specified in that subparagraph shall be considered to be an illegal diversion of airport revenues that is subject to subsection (n).

(m) AUDIT CERTIFICATION.—

(1) IN GENERAL.—The Secretary of Transportation, acting through the Administrator of the Federal Aviation Administration, shall promulgate regulations that require a recipient of a project grant (or any other recipient of Federal financial assistance that is provided for an airport) to include as part of an annual audit conducted under sections 7501 through 7505 of title 31, a review and opinion of the review concerning the funding activities with respect to an airport that is the subject of the project grant (or other Federal financial assistance) and the sponsors, owners, or operators (or other recipients) involved.

(2) CONTENT OF REVIEW.—A review conducted under paragraph (1) shall provide reasonable assurances that funds paid or transferred to sponsors are paid or transferred in a manner consistent with the applicable requirements of this chapter and any other applicable provision of law (including regulations promulgated by the Secretary or the Administrator).

(3) REQUIREMENTS FOR AUDIT REPORT.—The report submitted to the Secretary under this subsection shall include a specific determination and opinion regarding the appropriateness of the disposition of airport funds paid or transferred to a sponsor.

(n) RECOVERY OF ILLEGALLY DIVERTED FUNDS.—

(1) IN GENERAL.—Not later than 180 days after the issuance of an audit or any other report that identifies an illegal diversion of airport revenues (as determined under subsections (b) and (l) and section 47133), the Secretary, acting through the Administrator, shall—

- (A) review the audit or report;
- (B) perform appropriate factfinding; and
- (C) conduct a hearing and render a final determination concerning whether the illegal diversion of airport revenues asserted in the audit or report occurred.

(2) NOTIFICATION.—Upon making such a finding, the Secretary, acting through the Administrator, shall provide written notification to the sponsor and the airport of—

- (A) the finding; and
- (B) the obligations of the sponsor to reimburse the airport involved under this paragraph.

(3) ADMINISTRATIVE ACTION.—The Secretary may withhold any amount from funds that would otherwise be made available to the sponsor, including funds that would otherwise be made available to a State, municipality, or political subdivision thereof (including any multimodal transportation agency or transit authority of which the sponsor is a member entity) as part of an apportionment or grant made available pursuant to this title, if the sponsor—

- (A) receives notification that the sponsor is required to reimburse an airport; and
- (B) has had an opportunity to reimburse the airport, but has failed to do so.

(4) CIVIL ACTION.—If a sponsor fails to pay an amount specified under paragraph (3) during the 180-day period beginning on the date of notification and the Secretary is unable to withhold a sufficient amount under paragraph (3), the Secretary, acting through the Administrator, may initiate a civil action under which the sponsor shall be liable for civil penalty in an amount equal to the illegal diversion in question plus interest (as determined under subsection (o)).

(5) DISPOSITION OF PENALTIES.—

(A) AMOUNTS WITHHELD.—The Secretary or the Administrator shall transfer any amounts withheld under paragraph (3) to the Airport and Airway Trust Fund.

(B) CIVIL PENALTIES.—With respect to any amount collected by a court in a civil action under paragraph (4), the court shall cause to be transferred to the Airport and Airway Trust Fund any amount collected as a civil penalty under paragraph (4).

(6) REIMBURSEMENT.—The Secretary, acting through the Administrator, shall, as soon as practicable after any amount is collected from a sponsor under paragraph (4), cause to be transferred from the Airport and Airway Trust Fund to an airport affected by a diversion that is the subject of a civil action under paragraph (4), reimbursement in an amount equal to the amount that has been collected from the sponsor under paragraph (4) (including any amount of interest calculated under subsection (o)).

(7) STATUTE OF LIMITATIONS.—No person may bring an action for the recovery of funds illegally diverted in violation of this section (as determined under subsections (b) and (l)) or section 47133 after the date that is 6 years after the date on which the diversion occurred.

(o) INTEREST.—

DIVERSION OF AIRPORT REVENUES FOR CLAIMS RELATED TO CERTAIN CEDED LANDS

Pub. L. 105-66, title III, §340, Oct. 27, 1997, 111 Stat. 1448, provided that:

“(a) FINDINGS.—The Congress finds that—

“(1) Congress has the authority under article I, section 8 of the Constitution to regulate the air commerce of the United States;

“(2) section 47107 of title 49, United States Code, prohibits the diversion of certain revenue generated by a public airport as a condition of receiving a project grant;

“(3) a grant recipient that uses airport revenues for purposes that are not airport-related in a manner inconsistent with chapter 471 of title 49, United States Code, illegally diverts airport revenues;

“(4) illegal diversion of airport revenues undermines the interest of the United States in promoting a strong national air transportation system;

“(5) the policy of the United States that airports should be as self-sustaining as possible and that revenues generated at airports should not be diverted from airport purposes was stated by Congress in 1982 and reaffirmed and strengthened in 1987, 1994, and 1996;

“(6) certain airports are constructed on lands that may have belonged, at one time, to Native Americans, Native Hawaiians, or Alaska Natives;

“(7) contrary to the prohibition against diverting airport revenues from airport purposes under section 47107 of title 49, United States Code, certain payments from airport revenues may have been made for the betterment of Native Americans, Native Hawaiians, or Alaska Natives based upon the claims related to lands ceded to the United States;

“(8) Federal law prohibits diversions of airport revenues obtained from any source whatsoever to occur in the future whether related to claims for periods of time prior to or after the date of enactment of this Act [Oct. 27, 1997]; and

“(9) because of the special circumstances surrounding such past diversions of airport revenues for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, it is in the national interest that amounts from airport revenues previously received by any entity for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, as specified in subsection (b) of this section, should not be subject to repayment.

“(b) TERMINATION OF REPAYMENT RESPONSIBILITY.—Notwithstanding the provisions of [section] 47107 of title 49, United States Code, or any other provision of law, monies paid for claims related to ceded lands and diverted from airport revenues and received prior to April 1, 1996, by any entity for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, shall not be subject to repayment.

“(c) PROHIBITION ON FURTHER DIVERSION.—There shall be no further payment of airport revenues for claims related to ceded lands, whether characterized as operating expenses, rent, or otherwise, and whether related to claims for periods of time prior to or after the date of enactment of this Act [Oct. 27, 1997].

“(d) CLARIFICATION.—Nothing in this Act [see Tables for classification] shall be construed to affect any existing Federal statutes, enactments, or trust obligations created thereunder, or any statute of the several States that define the obligations of such States to Native Americans, Native Hawaiians, or Alaska Natives in connection with ceded lands, except to make clear that airport revenues may not be used to satisfy such obligations.”

FINDINGS AND PURPOSE

Section 802 of title VIII of Pub. L. 104-264 provided that:

“(a) IN GENERAL.—Congress finds that—

“(1) section 47107 of title 49, United States Code, prohibits the diversion of certain revenue generated by a public airport as a condition of receiving a project grant;

“(2) a grant recipient that uses airport revenue for purposes that are not airport related in a manner inconsistent with chapter 471 of title 49, United States Code, illegally diverts airport revenues;

“(3) any diversion of airport revenues in violation of the condition referred to in paragraph (1) undermines the interest of the United States in promoting a strong national air transportation system that is responsive to the needs of airport users;

“(4) the Secretary and the Administrator have not enforced airport revenue diversion rules adequately and must have additional regulatory tools to increase enforcement efforts; and

“(5) sponsors who have been found to have illegally diverted airport revenues—

“(A) have not reimbursed or made restitution to airports in a timely manner; and

“(B) must be encouraged to do so.

“(b) PURPOSE.—The purpose of this title [see Short Title of 1996 Amendment note set out under section 40101 of this title] is to ensure that airport users are not burdened with hidden taxation for unrelated municipal services and activities by—

“(1) eliminating the ability of any State or political subdivision thereof that is a recipient of a project grant to divert airport revenues for purposes that are not related to an airport, in violation of section 47107 of title 49, United States Code;

“(2) imposing financial reporting requirements that are designed to identify instances of illegal diversions referred to in paragraph (1);

“(3) establishing a statute of limitations for airport revenue diversion actions;

“(4) clarifying limitations on revenue diversion that are permitted under chapter 471 of title 49, United States Code; and

“(5) establishing clear penalties and enforcement mechanisms for identifying and prosecuting airport revenue diversion.”

DEFINITIONS

Section 803 of title VIII of Pub. L. 104-264 provided that: “For purposes of this title [see Short Title of 1996 Amendment note set out under section 40101 of this title], the following definitions apply:

“(1) ADMINISTRATOR.—The term ‘Administrator’ means the Administrator of the Federal Aviation Administration.

“(2) AIRPORT.—The term ‘airport’ has the meaning provided that term in section 47102(2) of title 49, United States Code.

“(3) PROJECT GRANT.—The term ‘project grant’ has the meaning provided that term in section 47102(14) of title 49, United States Code.

“(4) SECRETARY.—The term ‘Secretary’ means the Secretary of Transportation.

“(5) SPONSOR.—The term ‘sponsor’ has the meaning provided that term in section 47102(19) of title 49, United States Code.”

REVISION OF POLICIES AND PROCEDURES; DEADLINES

Section 805(b)(1) of title VIII of Pub. L. 104-264 provided that: “Not later than 90 days after the date of the enactment of this Act [Oct. 9, 1996], the Secretary, acting through the Administrator, shall revise the policies and procedures established under section 47107(l) of title 49, United States Code, to take into account the amendments made to that section by this title.”

FORMAT FOR REPORTING

Section 111(b) of Pub. L. 103-305 provided that: “Within 180 days after the date of the enactment of this Act [Aug. 23, 1994], the Secretary [of Transportation] shall prescribe a uniform simplified format for reporting that is applicable to airports. Such format shall be designed to enable the public to understand readily how funds are collected and spent at airports, and to provide sufficient information relating to total revenues, operating expenditures, capital expenditures, debt service payments, contributions to restricted funds, accounts, or reserves required by financing agreements or covenants or airport lease or use agreements or covenants. Such format shall require each commercial

service airport to report the amount of any revenue surplus, the amount of concession-generated revenue, and other information as required by the Secretary.”

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 46301, 47101, 47111, 47119, 47134, 49104 of this title; title 26 section 9502.

§ 47108. Project grant agreements

(a) OFFER AND ACCEPTANCE.—On approving a project grant application under this subchapter, the Secretary of Transportation shall offer the sponsor a grant to pay the United States Government’s share of the project costs allowable under section 47110 of this title. The Secretary may impose terms on the offer that the Secretary considers necessary to carry out this subchapter and regulations prescribed under this subchapter. An offer shall state the obligations to be assumed by the sponsor and the maximum amount the Government will pay for the project from the amounts authorized under chapter 481 of this title (except sections 48102(e), 48106, 48107, and 48110). At the request of the sponsor, an offer of a grant for a project that will not be completed in one fiscal year shall provide for the obligation of amounts apportioned or to be apportioned to a sponsor under section 47114(c) of this title for the fiscal years necessary to pay the Government’s share of the cost of the project. An offer that is accepted in writing by the sponsor is an agreement binding on the Government and the sponsor. The Government may pay or be obligated to pay a project cost only after a grant agreement for the project is signed.

(b) INCREASING GOVERNMENT’S SHARE UNDER THIS SUBCHAPTER OR CHAPTER 475.—(1) When an offer has been accepted in writing, the amount stated in the offer as the maximum amount the Government will pay may be increased only as provided in paragraphs (2) and (3) of this subsection.

(2)(A) For a project receiving assistance under a grant approved under the Airport and Airway Improvement Act of 1982 before October 1, 1987, the amount may be increased by not more than—

(i) 10 percent for an airport development project, except a project for acquiring an interest in land; and

(ii) 50 percent of the total increase in allowable project costs attributable to acquiring an interest in land, based on current creditable appraisals.

(B) An increase under subparagraph (A) of this paragraph may be paid only from amounts the Government recovers from other grants made under this subchapter.

(3) For a project receiving assistance under a grant approved under the Act, this subchapter, or chapter 475 of this title after September 30, 1987, the amount may be increased—

(A) for an airport development project, by not more than 15 percent; and

(B) for a grant after September 30, 1992, to acquire an interest in land for an airport (except a primary airport), by not more than the greater of the following, based on current creditable appraisals or a court award in a condemnation proceeding:

- (i) 15 percent; or
- (ii) 25 percent of the total increase in allowable project costs attributable to acquiring an interest in land.

(c) INCREASING GOVERNMENT'S SHARE UNDER AIRPORT AND AIRWAY DEVELOPMENT ACT OF 1970.—For a project receiving assistance under a grant made under the Airport and Airway Development Act of 1970, the maximum amount the Government will pay may be increased by not more than 10 percent. An increase under this subsection may be paid only from amounts the Government recovers from other grants made under the Act.

(d) CHANGING WORKSCOPE.—With the consent of the sponsor, the Secretary may amend a grant agreement made under this subchapter to change the workscope of a project financed under the grant if the amendment does not result in an increase in the maximum amount the Government may pay under subsection (b) of this section.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 47104, 47110 of this title.

§ 47109. United States Government's share of project costs

(a) GENERAL.—Except as provided in subsection (b) of this section, the United States Government's share of allowable project costs is—

(1) 75 percent for a project at a primary airport having at least .25 percent of the total number of passenger boardings each year at all commercial service airports;

(2) 90 percent for a project at any other airport; and

(3) 40 percent for a project funded by the Administrator from the discretionary fund under section 47115 at an airport receiving an exemption under section 47134.

(b) INCREASED GOVERNMENT SHARE.—If, under subsection (a) of this section, the Government's share of allowable costs of a project in a State containing unappropriated and unreserved public lands and nontaxable Indian lands (individual and tribal) of more than 5 percent of the total area of all lands in the State, is less than the share applied on June 30, 1975, under section 17(b) of the Airport and Airway Development Act of 1970, the Government's share under subsection (a) of this section shall be increased by the lesser of—

(1) 25 percent;

(2) one-half of the percentage that the area of unappropriated and unreserved public lands and nontaxable Indian lands in the State is of the total area of the State; or

(3) the percentage necessary to increase the Government's share to the percentage that ap-

47109(c)	49 App.:2212(b)(5).	

In subsection (a), before clause (1), the words “Except as provided in subsections (b) and (c) of this section” are substituted for “Except as otherwise provided in this chapter” because subsections (b) and (c) restate the only parts of the chapter that provide exceptions to the general rule stated in subsection (a). In clauses (1) and (2), the words “for a project” are substituted for “payable on account of any project contained in an approved project grant application submitted in accordance with this chapter” in 49 App.:2209(a) and “payable on account of any project contained in an approved project grant application” in 49 App.:2209(b) for consistency in this chapter and to eliminate unnecessary words. A project cost is allowable only if it is incurred under a grant agreement made under the chapter, and a grant agreement may be made only if the project grant application is approved. In clause (1), the words “number of passenger boardings” are substituted for “enplaning . . . of the . . . passengers enplaned” because of the definition of “passenger boardings” in section 47102 of the revised title.

In subsection (b), the words “If, under subsection (a) of this section, the Government’s share of allowable costs . . . is less than the share applied on June 30, 1975, under section 17(b) of the Airport and Airway Development Act of 1970” and “(3) the percentage necessary to increase the Government’s share to the percentage that applied on June 30, 1975, under section 17(b) of the Act” are substituted for 49 App.:2209(c) (last sentence) for clarity. The words “of the total of all lands therein” are omitted as surplus.

In subsection (c), the words “Notwithstanding subsections (a) and (b) of this section” are substituted for “Notwithstanding any other provision of this chapter” because subsections (a) and (b) are the only other parts of the chapter that specify the United States Government’s share of allowable project costs.

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 47118, 47504, 47505 of this title.

§ 47110. Allowable project costs

(a) GENERAL AUTHORITY.—Except as provided in section 47111 of this title, the United States Government may pay or be obligated to pay, from amounts appropriated to carry out this subchapter, a cost incurred in carrying out a project under this subchapter only if the Secretary of Transportation decides the cost is allowable.

(b) ALLOWABLE COST STANDARDS.—A project cost is allowable—

(1) if the cost necessarily is incurred in carrying out the project in compliance with the grant agreement made for the project under this subchapter, including any cost a sponsor incurs related to an audit the Secretary requires under section 47121(b) or (d) of this title;

(2)(A) if the cost is incurred after the grant agreement is executed and is for airport development or airport planning carried out after the grant agreement is executed;

(B) if the cost is incurred after June 1, 1989, by the airport operator (regardless of when the grant agreement is executed) as part of a Government-approved noise compatibility program (including project formulation costs) and is consistent with all applicable statutory and administrative requirements; or

(C) if the Government’s share is paid only with amounts apportioned under paragraphs (1) and (2) of section 47114(c) of this title and if the cost is incurred—

(i) after September 30, 1996;

(ii) before a grant agreement is executed for the project; and

(iii) in accordance with an airport layout plan approved by the Secretary and with all statutory and administrative requirements that would have been applicable to the project if the project had been carried out after the grant agreement had been executed;

(3) to the extent the cost is reasonable in amount;

(4) if the cost is not incurred in a project for airport development or airport planning for which other Government assistance has been granted; and

(5) if the total costs allowed for the project are not more than the amount stated in the grant agreement as the maximum the Government will pay (except as provided in section 47108(b) of this title).

(c) **CERTAIN PRIOR COSTS AS ALLOWABLE COSTS.**—The Secretary may decide that a project cost under subsection (b)(2)(A) of this section incurred after May 13, 1946, and before the date the grant agreement is executed is allowable if it is—

(1) necessarily incurred in formulating an airport development project, including costs incurred for field surveys, plans and specifications, property interests in land or airspace, and administration or other incidental items that would not have been incurred except for the project; or

(2) necessarily and directly incurred in developing the work scope of an airport planning project.

(d) **TERMINAL DEVELOPMENT COSTS.**—(1) The Secretary may decide that the cost of terminal development (including multi-modal terminal development) in a nonrevenue-producing public-use area of a commercial service airport is allowable for an airport development project at the airport—

(A) if the sponsor certifies that the airport, on the date the grant application is submitted to the Secretary, has—

(i) all the safety equipment required for certification of the airport under section 44706 of this title;

(ii) all the security equipment required by regulation; and

(iii) provided for access, to the area of the airport for passengers for boarding or exiting aircraft, to those passengers boarding or exiting aircraft, except air carrier aircraft;

(B) if the cost is directly related to moving passengers and baggage in air commerce within the airport, including vehicles for moving passengers between terminal facilities and between terminal facilities and aircraft; and

(C) under terms necessary to protect the interests of the Government.

(2) In making a decision under paragraph (1) of this subsection, the Secretary may approve as allowable costs the expenses of terminal development in a revenue-producing area and construction, reconstruction, repair, and improvement in a nonrevenue-producing parking lot if—

(A) the airport does not have more than .05 percent of the total annual passenger boardings in the United States; and

(B) the sponsor certifies that any needed airport development project affecting safety, security, or capacity will not be deferred because of the Secretary's approval.

(e) **LETTERS OF INTENT.**—(1) The Secretary may issue a letter of intent to the sponsor stating an intention to obligate from future budget authority an amount, not more than the Government's share of allowable project costs, for an airport development project (including costs of formulating the project) at a primary or reliever airport. The letter shall establish a schedule under which the Secretary will reimburse

the sponsor for the Government's share of allowable project costs, as amounts become available, if the sponsor, after the Secretary issues the letter, carries out the project without receiving amounts under this subchapter.

(2) Paragraph (1) of this subsection applies to a project—

(A) about which the sponsor notifies the Secretary, before the project begins, of the sponsor's intent to carry out the project;

(B) that will comply with all statutory and administrative requirements that would apply to the project if it were carried out with amounts made available under this subchapter; and

(C) the Secretary decides will enhance system-wide airport capacity significantly and meets the criteria of section 47115(d) of this title.

(3) A letter of intent issued under paragraph (1) of this subsection is not an obligation of the Government under section 1501 of title 31, and the letter is not deemed to be an administrative commitment for financing. An obligation or administrative commitment may be made only as amounts are provided in authorization and appropriation laws.

(4) The total estimated amount of future Government obligations covered by all outstanding letters of intent under paragraph (1) of this subsection may not be more than the amount authorized to carry out section 48103 of this title, less an amount reasonably estimated by the Secretary to be needed for grants under section 48103 that are not covered by a letter.

(5) A letter of intent issued under paragraph (1) of this subsection may not condition the obligation of amounts on the imposition of a passenger facility fee.

(6) **LIMITATION ON STATUTORY CONSTRUCTION.**—Nothing in this section shall be construed to prohibit the obligation of amounts pursuant to a letter of intent under this subsection in the same fiscal year as the letter of intent is issued.

(f) **NONALLOWABLE COSTS.**—Except as provided in subsection (d) of this section and section 47118(f) of this title, a cost is not an allowable airport development project cost if it is for—

(1) constructing a public parking facility for passenger automobiles;

(2) constructing, altering, or repairing part of an airport building, except to the extent the building will be used for facilities or activities directly related to the safety of individuals at the airport;

(3) decorative landscaping; or

(4) providing or installing sculpture or art works.

(g) **USE OF DISCRETIONARY FUNDS.**—A project for which cost reimbursement is provided under subsection (b)(2)(C) shall not receive priority consideration with respect to the use of discretionary funds made available under section 47115 of this title even if the amounts made available under paragraphs (1) and (2) of section 47114(c) are not sufficient to cover the Government's share of the cost of¹ project.

In subsection (a), the words “for airport development or airport planning” are omitted because of the definition of “project” in section 47102 of the revised title. The text of 49 App.:2212(a) (last sentence) is omitted as surplus because of 49:322(a).

In subsection (b)(1), the word “approved” is omitted as surplus because a project that was not approved could not be carried out in compliance with a grant agreement. The words “in compliance with the grant agreement made for the project under this subchapter” are substituted for “in conformity with the terms and conditions of the grant agreement entered into in connection with the project” to eliminate unnecessary words. The word “sponsor” is substituted for “recipient” for clarity.

In subsection (b)(2)(A), the words “with respect to the project” are omitted as unnecessary because “the grant agreement” means “the grant agreement made for the project” referred to in clause (1) of this subsection. The words “under the project” are omitted as surplus.

Subsection (b)(3) is substituted for “in the opinion of the Secretary it is reasonable in amount, and if the Secretary determines that a project cost is unreasonable in amount, the Secretary may allow as an allowable project cost only so much of such project cost as the Secretary determines to be reasonable” to eliminate unnecessary words.

Subsection (b)(5) is substituted for “except that in no event may the Secretary allow project costs in excess of the definite amount stated in the grant agreement except to the extent authorized by section 2211(b) of this Appendix” for consistency in this section.

In subsection (c), before clause (1), the words “The Secretary may decide that a project cost . . . is allowable” are substituted for “However, the allowable costs of a project . . . may include . . . and the allowable costs of a project . . . may include” for clarity and consistency in the revised title. The words “incurred after May 13, 1946, and before the date the grant agreement is executed” are substituted for “which were incurred prior to the execution of the grant agreement and subsequent to May 13, 1946” and “which were incurred subsequent to May 13, 1946” to eliminate unnecessary words. In clause (1), the words “preparation of”, “acquisition of”, “by the sponsor specifically in connection with the accomplishment of the project for airport development” are omitted as surplus. The words “prop-

erty interests in land or airspace” are substituted for “land or interests therein or easements through or other interests in airspace” to eliminate unnecessary words.

In subsection (d)(1), before clause (A), the words “The Secretary may decide that the cost . . . is allowable” are substituted for “the Secretary may approve, as allowable project costs” and “The Secretary shall approve project costs allowable under paragraph (1) of this subsection” for clarity and consistency in this section. In clause (B), the words “the boundaries of” are omitted as surplus. In clause (C), the words “and conditions” are omitted as being included in “terms”.

In subsection (d)(2), the words “In making a decision under paragraph (1) of this subsection, the Secretary may approve as allowable costs” are substituted for “In the case of a commercial service airport . . . the Secretary may approve, under the preceding sentence as allowable project costs” for consistency in this subsection.

In subsection (e)(1), the word “sponsor” is substituted for “applicant” for consistency. The words “stipulated as” and “Subject to the provisions of this paragraph” are omitted as surplus. The word “reimburse” is substituted for “make payments under paragraph (2) of this subsection” and “pay” for clarity. The words “payable on account of such project in accordance with such letter of intent” are omitted as surplus.

In subsection (e)(2), before clause (A), the text of 49 App.:2212(d)(1)(C) (last sentence) is omitted as obsolete.

In subsection (e)(3), the words “A letter of intent issued” are substituted for “action” for clarity. The word “deemed” before “an obligation” is omitted as surplus.

In subsection (f)(2), the words “of a hangar or” are omitted as being included in “airport building”.

PUB. L. 103-429

The source credits for all of subsection (b) are included for clarity though only subsection (b)(2) is affected by the amendment. The source credits for 49:47110(c) are included to correct a mistake on p. 405 of H. R. Rept. 103-180 (103d Cong., 1st Sess., July 15, 1993).

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 40117, 47108, 47115, 47119 of this title.

§ 47111. Payments under project grant agreements

(a) GENERAL AUTHORITY.—After making a project grant agreement under this subchapter and consulting with the sponsor, the Secretary of Transportation may decide when and in what amounts payments under the agreement will be made. Payments totaling not more than 90 percent of the United States Government’s share of the project’s estimated allowable costs may be made before the project is completed if the sponsor certifies to the Secretary that the total amount expended from the advance payments at any time will not be more than the cost of the airport development work completed on the project at that time.

(b) RECOVERING PAYMENTS.—If the Secretary determines that the total amount of payments made under a grant agreement under this subchapter is more than the Government’s share of the total allowable project costs, the Government may recover the excess amount. If the Sec-

retary finds that a project for which an advance payment was made has not been completed within a reasonable time, the Government may recover any part of the advance payment for which the Government received no benefit.

(c) PAYMENT DEPOSITS.—A payment under a project grant agreement under this subchapter may be made only to an official or depository designated by the sponsor and authorized by law to receive public money.

(d) WITHHOLDING PAYMENTS.—(1) The Secretary may withhold a payment under a grant agreement under this subchapter for more than 180 days after the payment is due only if the Secretary—

(A) notifies the sponsor and provides an opportunity for a hearing; and

(B) finds that the sponsor has violated the agreement.

(2) The 180-day period may be extended by—

(A) agreement of the Secretary and the sponsor; or

(B) the hearing officer if the officer decides an extension is necessary because the sponsor did not follow the schedule the officer established.

(3) A person adversely affected by an order of the Secretary withholding a payment may apply for review of the order by filing a petition in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the project is located. The petition must be filed not later than 60 days after the order is served on the petitioner.

(e) ACTION ON GRANT ASSURANCES CONCERNING AIRPORT REVENUES.—If, after notice and opportunity for a hearing, the Secretary finds a violation of section 47107(b) of this title, as further defined by the Secretary under section 47107(l) of this title, or a violation of an assurance made under section 47107(b) of this title, and the Secretary has provided an opportunity for the airport sponsor to take corrective action to cure such violation, and such corrective action has not been taken within the period of time set by the Secretary, the Secretary shall withhold approval of any new grant application for funds under this chapter, or any proposed modification to an existing grant that would increase the amount of funds made available under this chapter to the airport sponsor, and withhold approval of any new application to impose a fee under section 40117 of this title. Such applications may thereafter be approved only upon a finding by the Secretary that such corrective action as the Secretary requires has been taken to address the violation and that the violation no longer exists.

(f) JUDICIAL ENFORCEMENT.—For any violation of this chapter or any grant assurance made under this chapter, the Secretary may apply to the district court of the United States for any district in which the violation occurred for enforcement. Such court shall have jurisdiction to enforce obedience thereto by a writ of injunction or other process, mandatory or otherwise, restraining any person from further violation.

(A) Alaska may be made available by the Secretary for a public airport described in section 47117(e)(1)(C)(ii)¹ of this title to which section 15(a)(3)(A)(II) of the Airport and Airway Development Act of 1970 applied during the fiscal year that ended September 30, 1981; and

(B) Puerto Rico may be made available by the Secretary for a primary airport and an airport described in section 47117(e)(1)(C) of this title.

(e) ALTERNATIVE APPORTIONMENT FOR ALASKA.—(1) Instead of apportioning amounts for airports in Alaska under subsections (c) and (d) of this section, the Secretary may apportion amounts for those airports in the way in which amounts were apportioned in the fiscal year ending September 30, 1980, under section 15(a) of the Act. However, in apportioning amounts for a fiscal year under this subsection, the Secretary shall apportion—

(A) for each primary airport at least as much as would be apportioned for the airport under subsection (c)(1) of this section; and

(B) a total amount at least equal to the minimum amount required to be apportioned to airports in Alaska in the fiscal year ending September 30, 1980, under section 15(a)(3)(A) of the Act.

(2) This subsection does not prohibit the Secretary from making project grants for airports in Alaska from the discretionary fund under section 47115 of this title.

(3) Airports referred to in this subsection include those public airports that received scheduled service as of September 3, 1982, but were not apportioned amounts in the fiscal year ending September 30, 1980, under section 15(a) of the Act because the airports were not under the control of a State or local public agency.

(f) REDUCING APPORTIONMENTS.—An amount that would be apportioned under this section (except subsection (c)(2)) in a fiscal year to the sponsor of an airport having at least .25 percent of the total number of boardings each year in the United States and for which a fee is imposed in the fiscal year under section 40117 of this title shall be reduced by an amount equal to 50 percent of the projected revenues from the fee in the fiscal year but not by more than 50 percent of the amount that otherwise would be apportioned under this section.

However, not more than 8 percent of the amount apportioned under this paragraph may be apportioned for any one airport.

“(B) Landed weight under subparagraph (A) of this paragraph is the landed weight of aircraft landing at

“(B) If a law limits the amount subject to apportionment to less than \$1,900,000,000 for a fiscal year, the total of all amounts apportioned under paragraphs (1) and (2) of this subsection may not be more than 44 percent of the amount subject to apportionment for that fiscal year. If this subparagraph requires reduction of an amount that otherwise would be apportioned under this subsection, the Secretary shall reduce proportionately the amount apportioned to each sponsor of an airport under paragraphs (1) and (2) until the 44 percent limit is achieved.” See Effective and Termination Dates of 1996 Amendment note below.

TERMINATION OF TRUST TERRITORY OF THE PACIFIC ISLANDS

For termination of Trust Territory of the Pacific Islands, see note set out preceding section 1681 of Title 48, Territories and Insular Possessions.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 41742, 47104, 47105, 47106, 47107, 47108, 47110, 47115, 47116, 47117, 47119, 47132, 47134 of this title.

§ 47115. Discretionary fund

(a) EXISTENCE AND AMOUNTS IN FUND.—The Secretary of Transportation has a discretionary fund. The fund consists of—

(1) amounts subject to apportionment for a fiscal year that are not apportioned under section 47114(c)–(e) of this title; and

(2) 25 percent of amounts not apportioned under section 47114 of this title because of section 47114(f).

(b) AVAILABILITY OF AMOUNTS.—Subject to subsection (c) of this section and section 47117(e) of this title, the fund is available for making grants for any purpose for which amounts are made available under section 48103 of this title that the Secretary considers most appropriate to carry out this subchapter. However, 50 percent of amounts not apportioned under section 47114 of this title because of section 47114(f) and added to the fund is available for making grants for projects at small hub airports (as defined in section 41731 of this title).

(c) MINIMUM PERCENTAGE FOR PRIMARY AND RELIEVER AIRPORTS.—At least 75 percent of the amount in the fund and distributed by the Secretary in a fiscal year shall be used for making grants—

(1) to preserve and enhance capacity, safety, and security at primary and reliever airports; and

(2) to carry out airport noise compatibility planning and programs at primary and reliever airports.

(d) CONSIDERATIONS.—In selecting a project for a grant to preserve and enhance capacity as described in subsection (c)(1) of this section, the Secretary shall consider—

(1) the effect the project will have on the overall national air transportation system capacity;

(2) the project benefit and cost, including, in the case of a project at a reliever airport, the number of operations projected to be diverted from a primary airport to the reliever airport as a result of the project, as well as the cost savings projected to be realized by users of the local airport system;

(3) the financial commitment from non-United States Government sources to preserve or enhance airport capacity;

(4) the airport improvement priorities of the States, and regional offices of the Administration, to the extent such priorities are not in conflict with paragraphs (1) and (2);

(5) the projected growth in the number of passengers that will be using the airport at which the project will be carried out; and

(6) any increase in the number of passenger boardings in the preceding 12-month period at the airport at which the project will be carried out, with priority consideration to be given to projects at airports at which the number of passenger boardings increased by at least 20 percent as compared to the number of passenger boardings in the 12-month period preceding such period.

(e) **WAIVING PERCENTAGE REQUIREMENT.**—If the Secretary decides the Secretary cannot comply with the percentage requirement of subsection (c) of this section in a fiscal year because there are insufficient qualified grant applications to meet that percentage, the amount the Secretary determines will not be distributed as required by subsection (c) is available for obligation during the fiscal year without regard to the requirement.

(f) **CONSIDERATION OF DIVERSION OF REVENUES IN AWARDING DISCRETIONARY GRANTS.**—

(1) **GENERAL RULE.**—Subject to paragraph (2), in deciding whether or not to distribute funds to an airport from the discretionary funds established by subsection (a) of this section and section 47116 of this title, the Secretary shall consider as a factor militating against the distribution of such funds to the airport the fact that the airport is using revenues generated by the airport or by local taxes on aviation fuel for purposes other than capital or operating costs of the airport or the local airports system or other local facilities which are owned or operated by the owner or operator of the airport and directly and substantially related to the actual air transportation of passengers or property.

(2) **REQUIRED FINDING.**—Paragraph (1) shall apply only when the Secretary finds that the amount of revenues used by the airport for purposes other than capital or operating costs in the airport's fiscal year preceding the date of the application for discretionary funds exceeds the amount of such revenues in the airport's first fiscal year ending after August 23, 1994, adjusted by the Secretary for changes in the Consumer Price Index of All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor.

(g) **MINIMUM AMOUNT TO BE CREDITED.**—

(1) **GENERAL RULE.**—In a fiscal year, there shall be credited to the fund, out of amounts made available under section 48103 of this title, an amount that is at least equal to the sum of—

(A) \$148,000,000; plus

(B) the total amount required from the fund to carry out in the fiscal year letters of intent issued before January 1, 1996, under section 47110(e) of this title or the Airport and Airway Improvement Act of 1982.

The amount credited is exclusive of amounts that have been apportioned in a prior fiscal year under section 47114 of this title and that remain available for obligation.

(2) **REDUCTION OF APPORTIONMENTS.**—In a fiscal year in which the amount credited under subsection (a) is less than the minimum amount to be credited under paragraph (1), the total amount calculated under paragraph (3) shall be reduced by an amount that, when credited to the fund, together with the amount credited under subsection (a), equals such minimum amount.

(3) **AMOUNT OF REDUCTION.**—For a fiscal year, the total amount available to make a reduction to carry out paragraph (2) is the total of the amounts determined under sections 47114(c)(1)(A), 47114(c)(2), 47114(d), and 47117(e)

of this title. Each amount shall be reduced by an equal percentage to achieve the reduction.

(4) **SPECIAL RULE.**—For a fiscal year in which the amount credited to the fund under this subsection exceeds \$300,000,000, the Secretary shall allocate the amount of such excess as follows:

(A) $\frac{1}{3}$ shall be made available to airports for which apportionments are made under section 47114(d) of this title.

(B) $\frac{1}{3}$ shall be made available for airport noise compatibility planning under section 47505(a)(2) of this title and for carrying out noise compatibility programs under section 47504(c)(1) of this title.

(C) $\frac{1}{3}$ shall be made available to current or former military airports for which grants may be made under section 47117(e)(1)(B) of this title.

(h) **PRIORITY FOR LETTERS OF INTENT.**—In making grants in a fiscal year with funds made available under this section, the Secretary shall fulfill intentions to obligate under section 47110(e).

L. 104-264, set out as a note under section 106 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 47115 of this title.

§ 47117. Use of apportioned amounts

(a) GRANT PURPOSE.—Except as provided in this section, an amount apportioned under section 47114(c)(1) or (d)(2) of this title is available for making grants for any purpose for which amounts are made available under section 48103 of this title.

(b) PERIOD OF AVAILABILITY.—An amount apportioned under section 47114 of this title is available to be obligated for grants under the apportionment only during the fiscal year for which the amount was apportioned and the 2 fiscal years immediately after that year or the 3 fiscal years immediately following that year in the case of a primary airport that had less than .05 percent of the total boardings in the United States in the preceding calendar year. If the amount is not obligated under the apportionment within that time, it shall be added to the discretionary fund.

(c) PRIMARY AIRPORTS.—(1) An amount apportioned to a sponsor of a primary airport under section 47114(c)(1) of this title is available for grants for any public-use airport of the sponsor included in the national plan of integrated airport systems.

(2) A sponsor of a primary airport may make an agreement with the Secretary of Transportation waiving any part of the amount apportioned for the airport under section 47114(c)(1) of this title if the Secretary makes the waived amount available for a grant for another public-use airport in the same State or geographical area as the primary airport.

(d) STATE USE.—An amount apportioned to a State under—

(1) section 47114(d)(2)(A) of this title is available for grants for airports located in the State; and

(2) section 47114(d)(2)(B) or (C) of this title is available for grants for airports described in

section 47114(d)(2)(B) or (C) and located in the State.

(e) SPECIAL APPORTIONMENT CATEGORIES.—(1) The Secretary shall use amounts available to the discretionary fund under section 47115 of this title for each fiscal year as follows:

(A) At least 31 percent for grants for airport noise compatibility planning under section 47505(a)(2) of this title and for carrying out noise compatibility programs under section 47504(c) of this title. The Secretary may count the amount of grants made for such planning and programs with funds apportioned under section 47114 in that fiscal year in determining whether or not such 31 percent requirement is being met in that fiscal year.

(B) at¹ least 4 percent for each of fiscal years 1997 and 1998 to sponsors of current or former military airports designated by the Secretary under section 47118(a) of this title for grants for developing current and former military airports to improve the capacity of the national air transportation system and to sponsors of noncommercial service airports for grants for operational and maintenance expenses at any such airport if the amount of such grants to the sponsor of the airport does not exceed \$30,000 in that fiscal year, if the Secretary determines that the airport is adversely affected by the closure or realignment of a military base, and if the sponsor of the airport certifies that the airport would otherwise close if the airport does not receive the grant.

(2) If the Secretary decides that an amount required to be used for grants under paragraph (1) of this subsection cannot be used for a fiscal year because there are insufficient qualified grant applications, the amount the Secretary determines cannot be used is available during the fiscal year for grants for other airports or for other purposes for which amounts are authorized for grants under section 48103 of this title.

(f) LIMITATION FOR COMMERCIAL SERVICE AIRPORT IN ALASKA.—The Secretary may not make a grant for a commercial service airport in Alaska of more than 110 percent of the amount apportioned for the airport for a fiscal year under section 47114(e) of this title.

(g) DISCRETIONARY USE OF APPORTIONMENTS.—(1) Subject to paragraph (2) of this subsection, if the Secretary finds, based on the notices the Secretary receives under section 47105(f) of this title or otherwise, that an amount apportioned under section 47114 of this title will not be used for grants during a fiscal year, the Secretary may use an equal amount for grants during that fiscal year for any of the purposes for which amounts are authorized for grants under section 48103 of this title.

(2) The Secretary may make a grant under paragraph (1) of this subsection only if the Secretary decides that—

(A) the total amount used for grants for the fiscal year under section 48103 of this title will not be more than the amount made available under section 48103 for that fiscal year; and

¹ So in original. Probably should be capitalized.

(B) the amounts authorized for grants under section 48103 of this title for later fiscal years are sufficient for grants of the apportioned amounts that were not used for grants under the apportionment during the fiscal year and that remain available under subsection (b) of this section.

(h) **LIMITING AUTHORITY OF SECRETARY.**—The authority of the Secretary to make grants during a fiscal year from amounts that were apportioned for a prior fiscal year and remain available for approved airport development project grants under subsection (b) of this section may be impaired only by a law enacted after September 3, 1982, that expressly limits that authority.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 47104, 47114, 47115, 47118 of this title.

§ 47118. Designating current and former military airports

(a) GENERAL REQUIREMENTS.—The Secretary of Transportation shall designate current or

former military airports for which grants may be made under section 47117(e)(1)(B) of this title. The maximum number of airports bearing such designation at any time is 12. The Secretary may only so designate an airport (other than an airport so designated before August 24, 1994) if—

(1) the airport is a former military installation closed or realigned under—

- (A) section 2687 of title 10;
- (B) section 201 of the Defense Authorization Amendments and Base Closure and Realignment Act (10 U.S.C. 2687 note); or

(C) section 2905 of the Defense Base Closure and Realignment Act of 1990 (10 U.S.C. 2687 note); or

(2) the Secretary finds that such grants would—

(A) reduce delays at an airport with more than 20,000 hours of annual delays in commercial passenger aircraft takeoffs and landings; or

(B) enhance airport and air traffic control system capacity in a metropolitan area or reduce current and projected flight delays.

(b) SURVEY.—Not later than September 30, 1991, the Secretary shall complete a survey of current and former military airports to identify which airports have the greatest potential to improve the capacity of the national air transportation system. The survey shall identify the capital development needs of those airports to make them part of the system and which of those qualify for grants under section 47104 of this title.

(c) CONSIDERATIONS.—In carrying out this section, the Secretary shall consider only current or former military airports that, when at least partly converted to civilian commercial or reliever airports as part of the national air transportation system, will enhance airport and air traffic control system capacity in major metropolitan areas and reduce current and projected flight delays.

(d) GRANTS.—Grants under section 47117(e)(1)(E)¹ of this title may be made for an airport designated under subsection (a) of this section for the 5 fiscal years following the designation, and for subsequent 5-fiscal-year periods if the Secretary determines that the airport satisfies the designation criteria under subsection (a) at the beginning of each such subsequent 5-fiscal-year period.

(e) TERMINAL BUILDING FACILITIES.—Not more than \$5,000,000 for each airport from amounts the Secretary distributes under section 47115 of this title for a fiscal year is available to the sponsor of a current or former military airport the Secretary designates under this section to construct, improve, or repair a terminal building facility, including terminal gates used for revenue passengers getting on or off aircraft. A gate constructed, improved, or repaired under this subsection—

- (1) may not be leased for more than 10 years; and
- (2) is not subject to majority in interest clauses.

(f) PARKING LOTS, FUEL FARMS, UTILITIES, AND HANGARS.—Not more than a total of \$4,000,000

for each airport from amounts the Secretary distributes under section 47115 of this title for fiscal years beginning after September 30, 1992, is available to the sponsor of a current or former military airport the Secretary designates under this section to construct, improve, or repair airport surface parking lots, fuel farms, utilities, and hangars.

fore August 24, 1994” for “on or before the date of the enactment of this sentence”, could not be executed because the phrase to be amended did not appear subsequent to amendment by Pub. L. 104-264, §124(a). See below.

Pub. L. 104-264, §§124(a), 125, temporarily amended subsec. (a) generally. Prior to amendment, subsec. (a) read as follows:

“(a) GENERAL REQUIREMENTS.—The Secretary of Transportation shall designate not more than 15 current or former military airports for which grants may be made under section 47117(e)(1)(E) of this title. The Secretary may only designate an airport for such grants (other than an airport designated for such grants on or before the date of the enactment of this sentence) if the Secretary finds that grants under such section for projects at such airport would reduce delays at an airport with more than 20,000 hours of annual delays in commercial passenger aircraft takeoffs and landings.” See Effective and Termination Dates of 1996 Amendments note below.

Subsec. (d). Pub. (C) amounts available for airport development under this subchapter will not be used for additional terminal development projects at the airport for at least 3 years beginning on the date the grant is used to repay the borrowed money; and

(2) subject to the limitations in subsection (b)(1) and (2) of this section.

(B) to a sponsor of a reliever airport for the types of project costs allowable under section 47110(d), including project costs allowable for a commercial service airport that each year does not have more than .05 percent of the total boardings in the United States;

(3) for use by a primary airport that each year does not have more than .05 percent of the total boardings in the United States, any part of amounts that may be distributed for the fiscal year from the discretionary fund and small airport fund to pay project costs allowable under section 47110(d) of this title; or

under section 20(b) of the Airport and Airway Development Act of 1970.

(c) NONHUB AIRPORTS.—With respect to a project at a commercial service airport which annually has less than 0.05 percent of the total enplanements in the United States, the Secretary may approve the use of the amounts described in subsection (a) notwithstanding the requirements of sections 47107(a)(17), 47112, and 47113.

§ 47124. Agreements for State and local operation of airport facilities

(a) **GOVERNMENT RELIEF FROM LIABILITY.**—The Secretary of Transportation shall ensure that an

agreement under this subchapter with a State or a political subdivision of a State to allow the State or subdivision to operate an airport facility in the State or subdivision relieves the United States Government from any liability arising out of, or related to, acts or omissions of employees of the State or subdivision in operating the airport facility.

§ 47125. Conveyances of United States Government land

(a) CONVEYANCES TO PUBLIC AGENCIES.—Except as provided in subsection (b) of this section, the Secretary of Transportation shall request the head of the department, agency, or instrumentality of the United States Government owning

or controlling land or airspace to convey a property interest in the land or airspace to the public agency sponsoring the project or owning or controlling the airport when necessary to carry out a project under this subchapter at a public airport, to operate a public airport, or for the future development of an airport under the national plan of integrated airport systems. The head of the department, agency, or instrumentality shall decide whether the requested conveyance is consistent with the needs of the department, agency, or instrumentality and shall notify the Secretary of that decision not later than 4 months after receiving the request. If the head of the department, agency, or instrumentality decides that the requested conveyance is consistent with its needs, the head of the department, agency, or instrumentality, with the approval of the Attorney General and without cost to the Government, shall make the conveyance. A conveyance may be made only on the condition that the property interest conveyed reverts to the Government, at the option of the Secretary, to the extent it is not developed for an airport purpose or used consistently with the conveyance.

(b) NONAPPLICATION.—Except as specifically provided by law, subsection (a) of this section does not apply to land or airspace owned or controlled by the Government within—

(1) a national park, national monument, national recreation area, or similar area under the administration of the National Park Service;

(2) a unit of the National Wildlife Refuge System or similar area under the jurisdiction of the United States Fish and Wildlife Service; or

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 47116 of this title.

§ 47129. Resolution of airport-air carrier disputes concerning airport fees

(a) AUTHORITY TO REQUEST SECRETARY’S DETERMINATION.—

(1) IN GENERAL.—The Secretary of Transportation shall issue a determination as to whether a fee imposed upon one or more air carriers (as defined in section 40102 of this title) by the owner or operator of an airport is reasonable if—

(A) a written request for such determination is filed with the Secretary by such owner or operator; or

(B) a written complaint requesting such determination is filed with the Secretary by an affected air carrier within 60 days after such carrier receives written notice of the establishment or increase of such fee.

(2) CALCULATION OF FEE.—A fee subject to a determination of reasonableness under this section may be calculated pursuant to either a compensatory or residual fee methodology or any combination thereof.

(3) SECRETARY NOT TO SET FEE.—In determining whether a fee is reasonable under this section, the Secretary may only determine whether the fee is reasonable or unreasonable and shall not set the level of the fee.

(4) FEES IMPOSED BY PRIVATELY-OWNED AIRPORTS.—In evaluating the reasonableness of a fee imposed by an airport receiving an exemption under section 47134 of this title, the Secretary shall consider whether the airport has complied with section 47134(c)(4).

(b) PROCEDURAL REGULATIONS.—Not later than 90 days after August 23, 1994, the Secretary shall publish in the Federal Register final regulations, policy statements, or guidelines establishing—

(1) the procedures for acting upon any written request or complaint filed under subsection (a)(1); and

(2) the standards or guidelines that shall be used by the Secretary in determining under this section whether an airport fee is reasonable.

(c) DECISIONS BY SECRETARY.—The final regulations, policy statements, or guidelines required in subsection (b) shall provide the following:

(1) Not more than 120 days after an air carrier files with the Secretary a written complaint relating to an airport fee, the Secretary shall issue a final order determining whether such fee is reasonable.

(2) Within 30 days after such complaint is filed with the Secretary, the Secretary shall dismiss the complaint if no significant dispute exists or shall assign the matter to an administrative law judge; and thereafter the matter shall be handled in accordance with part 302 of title 14, Code of Federal Regulations, or as modified by the Secretary to ensure an orderly disposition of the matter within the 120-day period and any specifically applicable provisions of this section.

(3) The administrative law judge shall issue a recommended decision within 60 days after the complaint is assigned or within such shorter period as the Secretary may specify.

(4) If the Secretary, upon the expiration of 120 days after the filing of the complaint, has not issued a final order, the decision of the administrative law judge shall be deemed to be the final order of the Secretary.

(5) Any party to the dispute may seek review of a final order of the Secretary under this subsection in the Circuit Court of Appeals for the District of Columbia Circuit or the court of appeals in the circuit where the airport which gives rise to the written complaint is located.

(6) Any findings of fact in a final order of the Secretary under this subsection, if supported by substantial evidence, shall be conclusive if challenged in a court pursuant to this subsection. No objection to such a final order shall be considered by the court unless objection was urged before an administrative law judge or the Secretary at a proceeding under this subsection or, if not so urged, unless there were reasonable grounds for failure to do so.

(d) PAYMENT UNDER PROTEST; GUARANTEE OF AIR CARRIER ACCESS.—

(1) PAYMENT UNDER PROTEST.—

(A) IN GENERAL.—Any fee increase or newly established fee which is the subject of a complaint that is not dismissed by the Secretary shall be paid by the complainant air carrier to the airport under protest.

(B) REFERRAL OR CREDIT.—Any amounts paid under this subsection by a complainant air carrier to the airport under protest shall be subject to refund or credit to the air carrier in accordance with directions in the final order of the Secretary within 30 days of such order.

(C) ASSURANCE OF TIMELY REPAYMENT.—In order to assure the timely repayment, with

interest, of amounts in dispute determined not to be reasonable by the Secretary, the airport shall obtain a letter of credit, or surety bond, or other suitable credit facility, equal to the amount in dispute that is due during the 120-day period established by this section, plus interest, unless the airport and the complainant air carrier agree otherwise.

(D) DEADLINE.—The letter of credit, or surety bond, or other suitable credit facility shall be provided to the Secretary within 20 days of the filing of the complaint and shall remain in effect for 30 days after the earlier of 120 days or the issuance of a timely final order by the Secretary determining whether such fee is reasonable.

(2) GUARANTEE OF AIR CARRIER ACCESS.—Contingent upon an air carrier's compliance with the requirements of paragraph (1) and pending the issuance of a final order by the Secretary determining the reasonableness of a fee that is the subject of a complaint filed under subsection (a)(1)(B), an owner or operator of an airport may not deny an air carrier currently providing air service at the airport reasonable access to airport facilities or service, or otherwise interfere with an air carrier's prices, routes, or services, as a means of enforcing the fee.

(e) APPLICABILITY.—This section does not apply to—

(1) a fee imposed pursuant to a written agreement with air carriers using the facilities of an airport;

(2) a fee imposed pursuant to a financing agreement or covenant entered into prior to August 23, 1994; or

(3) any other existing fee not in dispute as of August 23, 1994.

(2) the ability of an airport to meet its obligations under a financing agreement, or covenant, that is in force as of August 23, 1994.

(g) DEFINITION.—In this section, the term “fee” means any rate, rental charge, landing fee, or other service charge for the use of airport facilities.

§ 47134. Pilot program on private ownership of airports

(a) **SUBMISSION OF APPLICATIONS.**—If a sponsor intends to sell or lease a general aviation airport or lease any other type of airport for a long term to a person (other than a public agency), the sponsor and purchaser or lessee may apply to the Secretary of Transportation for exemptions under this section.

(b) **APPROVAL OF APPLICATIONS.**—The Secretary may approve, with respect to not more than 5 airports, applications submitted under subsection (a) granting exemptions from the following provisions:

(1) **USE OF REVENUES.**—

(A) **IN GENERAL.**—The Secretary may grant an exemption to a sponsor from the provisions of sections 47107(b) and 47133 of this title (and any other law, regulation, or grant assurance) to the extent necessary to permit the sponsor to recover from the sale or lease of the airport such amount as may be approved—

(i) by at least 65 percent of the air carriers serving the airport; and

(ii) by air carriers whose aircraft landing at the airport during the preceding calendar year had a total landed weight during the preceding calendar year of at least 65 percent of the total landed weight of all aircraft landing at the airport during such year.

(B) **LANDED WEIGHT DEFINED.**—In this paragraph, the term “landed weight” means the weight of aircraft transporting passengers or cargo, or both, in intrastate, interstate, and foreign air transportation, as the Secretary determines under regulations the Secretary prescribes.

(2) **REPAYMENT REQUIREMENTS.**—The Secretary may grant an exemption to a sponsor from the provisions of sections 47107 and 47152 of this title (and any other law, regulation, or grant assurance) to the extent necessary to waive any obligation of the sponsor to repay to the Federal Government any grants, or to return to the Federal Government any property, received by the airport under this title, the Airport and Airway Improvement Act of 1982, or any other law.

(3) **COMPENSATION FROM AIRPORT OPERATIONS.**—The Secretary may grant an exemption to a purchaser or lessee from the provisions of sections 47107(b) and 47133 of this title (and any other law, regulation, or grant assurance) to the extent necessary to permit the purchaser or lessee to earn compensation from the operations of the airport.

(c) **TERMS AND CONDITIONS.**—The Secretary may approve an application under subsection (b) only if the Secretary finds that the sale or lease agreement includes provisions satisfactory to the Secretary to ensure the following:

(1) The airport will continue to be available for public use on reasonable terms and conditions and without unjust discrimination.

(2) The operation of the airport will not be interrupted in the event that the purchaser or lessee becomes insolvent or seeks or becomes

subject to any State or Federal bankruptcy, reorganization, insolvency, liquidation, or dissolution proceeding or any petition or similar law seeking the dissolution or reorganization of the purchaser or lessee or the appointment of a receiver, trustee, custodian, or liquidator for the purchaser or lessee or a substantial part of the purchaser or lessee’s property, assets, or business.

(3) The purchaser or lessee will maintain, improve, and modernize the facilities of the airport through capital investments and will submit to the Secretary a plan for carrying out such maintenance, improvements, and modernization.

(4) Every fee of the airport imposed on an air carrier on the day before the date of the lease of the airport will not increase faster than the rate of inflation unless a higher amount is approved—

(A) by at least 65 percent of the air carriers serving the airport; and

(B) by air carriers whose aircraft landing at the airport during the preceding calendar year had a total landed weight during the preceding calendar year of at least 65 percent of the total landed weight of all aircraft landing at the airport during such year.

(5) The percentage increase in fees imposed on general aviation aircraft at the airport will not exceed the percentage increase in fees imposed on air carriers at the airport.

(6) Safety and security at the airport will be maintained at the highest possible levels.

(7) The adverse effects of noise from operations at the airport will be mitigated to the same extent as at a public airport.

(8) Any adverse effects on the environment from airport operations will be mitigated to the same extent as at a public airport.

(9) Any collective bargaining agreement that covers employees of the airport and is in effect on the date of the sale or lease of the airport will not be abrogated by the sale or lease.

(d) **PARTICIPATION OF CERTAIN AIRPORTS.**—

(1) **GENERAL AVIATION AIRPORTS.**—If the Secretary approves under subsection (b) applications with respect to 5 airports, one of the airports must be a general aviation airport.

(2) **LARGE HUB AIRPORTS.**—The Secretary may not approve under subsection (b) more than 1 application submitted by an airport that had 1 percent or more of the total passenger boardings (as defined in section 47102) in the United States in the preceding calendar year.

(e) **REQUIRED FINDING THAT APPROVAL WILL NOT RESULT IN UNFAIR METHODS OF COMPETITION.**—The Secretary may approve an application under subsection (b) only if the Secretary finds that the approval will not result in unfair and deceptive practices or unfair methods of competition.

(f) **INTERESTS OF GENERAL AVIATION USERS.**—In approving an application of an airport under this section, the Secretary shall ensure that the interests of general aviation users of the airport are not adversely affected.

(g) **PASSENGER FACILITY FEES; APPORTIONMENTS; SERVICE CHARGES.**—Notwithstanding

that the sponsor of an airport receiving an exemption under subsection (b) is not a public agency, the sponsor shall not be prohibited from—

- (1) imposing a passenger facility fee under section 40117 of this title;
- (2) receiving apportionments under section 47114 of this title; or
- (3) collecting reasonable rental charges, landing fees, and other service charges from aircraft operators under section 40116(e)(2) of this title.

(h) EFFECTIVENESS OF EXEMPTIONS.—An exemption granted under subsection (b) shall continue in effect only so long as the facilities sold or leased continue to be used for airport purposes.

(i) REVOCATION OF EXEMPTIONS.—The Secretary may revoke an exemption issued to a purchaser or lessee of an airport under subsection (b)(3) if, after providing the purchaser or lessee with notice and an opportunity to be heard, the Secretary determines that the purchaser or lessee has knowingly violated any of the terms specified in subsection (c) for the sale or lease of the airport.

(j) NONAPPLICATION OF PROVISIONS TO AIRPORTS OWNED BY PUBLIC AGENCIES.—The provisions of this section requiring the approval of air carriers in determinations concerning the use of revenues, and imposition of fees, at an airport shall not be extended so as to apply to any airport owned by a public agency that is not participating in the program established by this section.

(k) AUDITS.—The Secretary may conduct periodic audits of the financial records and operations of an airport receiving an exemption under this section.

(l) REPORT.—Not later than 2 years after the date of the initial approval of an application under this section, the Secretary shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on implementation of the program under this section.

(m) GENERAL AVIATION AIRPORT DEFINED.—In this section, the term “general aviation airport” means an airport that is not a commercial service airport.

In subsection (a), before clause (1), the words “Notwithstanding any other provision of this Act” are omitted as surplus. The words “Subject to sections 47152 and 47153 of this title” are substituted for “but subject to the terms, conditions, reservations, and restrictions hereinafter provided for” to eliminate unnecessary words. The words “a department, agency, or instrumentality of the executive branch of the United States Government or a wholly owned Government corporation” are substituted for “any disposal agency designated pursuant to this Act” for clarity because disposal agencies were Government agencies designated under 50 App.:1619(a), that was repealed by section 602(a)(1) of the Federal Property and Administrative Services Act of 1949 (ch. 288, 63 Stat. 399), and Government agencies were all departments, agencies, and instrumentalities of the executive branch of the United States Government and wholly owned Government corporations. The word “give” is substituted for “convey or dispose of . . . without monetary consideration to the United States”, to eliminate unnecessary words. The word “municipality” is omitted as being included in “political subdivision”. The words “of a State” are added for clarity and consistency in the revised title and with other titles of the United States Code. The word “organization” is substituted for “institution” for consistency in the revised title. The words “all of the right, title, and . . . of the United States . . . and to . . . real or personal” are omitted as surplus. In clause (1)(A), the words “essential, suitable, or” are omitted as surplus. In clause (1)(B), the words “of the grantee” are omitted as surplus. In clause (2), the words “Administrator of General Services” are substituted for “[War Assets] Administrator” in section 13(g)(1) of the Surplus Property Act of 1944 (ch. 479, 58 Stat. 765) because of section 105 of the Federal Property and Administrative Services Act of 1949 (ch. 288, 63 Stat. 381). The words “and decides the interest is not best suited for industrial use” are substituted for “(exclusive of property the highest and best use of which is determined by the Administrator of General Services to be industrial and which shall be so classified for disposal without regard to the provisions of this subsection)” to eliminate unnecessary words.

Subsection (b) is substituted for 50 App.:1622b to eliminate unnecessary words.

In subsection (c), the text of 50 App.:1622(g)(5) is omitted as obsolete because 50 App.:1621, 1622(f), and 1627(e) were repealed by section 602(a)(1) of the Federal Property and Administrative Services Act of 1949 (ch. 288, 63 Stat. 399). The words “An interest in surplus property that could be used at a public airport” are substituted for “All surplus property within the purview of this subsection” for clarity. The words “elsewhere in this Act or other applicable” are omitted as surplus. The word “law” is substituted for “Federal Statute” for consistency in the revised title and with other titles of the Code.

§ 47152. Terms of gifts

Except as provided in section 47153 of this title, the following terms apply to a gift of an interest in surplus property under this subchapter:

(1) A State, political subdivision of a State, or tax-supported organization receiving the interest may use, lease, salvage, or dispose of the interest for other than airport purposes only after the Secretary of Transportation gives written consent that the interest can be used, leased, salvaged, or disposed of without materially and adversely affecting the development, improvement, operation, or maintenance of the airport at which the property is located.

(2) The interest shall be used and maintained for public use and benefit without unreasonable discrimination.

(3) A right may not be vested in a person, excluding others in the same class from using the airport at which the property is located—

(A) to conduct an aeronautical activity requiring the operation of aircraft; or

(B) to engage in selling or supplying aircraft, aircraft accessories, equipment, or supplies (except gasoline and oil), or aircraft services necessary to operate aircraft (including maintaining and repairing aircraft, aircraft engines, propellers, and appliances).

(4) The State, political subdivision, or tax-supported organization accepting the interest shall clear and protect the aerial approaches to the airport by mitigating existing, and preventing future, airport hazards.

(5) During a national emergency declared by the President or Congress, the United States Government is entitled to use, control, or possess, without charge, any part of the public airport at which the property is located. However, the Government shall—

(A) pay the entire cost of maintaining the part of the airport it exclusively uses, controls, or possesses during the emergency;

(B) contribute a reasonable share, consistent with the Government’s use, of the cost of maintaining the property it uses nonexclusively, or over which the Government has nonexclusive control or possession, during the emergency; and

(C) pay a fair rental for use, control, or possession of improvements to the airport made without Government assistance.

(6) The Government is entitled to the non-exclusive use, without charge, of the landing area of an airport at which the property is located. The Secretary may limit the use of the landing area if necessary to prevent unreasonable interference with use by other authorized aircraft. However, the Government shall—

(A) contribute a reasonable share, consistent with the Government’s use, of the cost of maintaining and operating the landing area; and

(B) pay for damages caused by its use of the landing area if its use of the landing area is substantial.

(7) The State, political subdivision, or tax-supported organization accepting the interest shall release the Government from all liability for damages arising under an agreement that provides for Government use of any part of an airport owned, controlled, or operated by the State, political subdivision, or tax-supported organization on which, adjacent to which, or in connection with which, the property is located.

(8) When a term under this section is not satisfied, any part of the interest in the property reverts to the Government, at the option of the Government, as the property then exists.

(2) A program submitted under paragraph (1) of this subsection shall state the measures the operator has taken or proposes to take to reduce existing noncompatible uses and prevent introducing additional noncompatible uses in the area covered by the map. The measures may include—

(A) establishing a preferential runway system;

(B) restricting the use of the airport by a type or class of aircraft because of the noise characteristics of the aircraft;

(C) constructing barriers and acoustical shielding and soundproofing public buildings;

(D) using flight procedures to control the operation of aircraft to reduce exposure of individuals to noise in the area surrounding the airport; and

(E) acquiring land, air rights, easements, development rights, and other interests to ensure that the property will be used in ways compatible with airport operations.

(b) APPROVALS.—(1) The Secretary shall approve or disapprove a program submitted under subsection (a) of this section (except as the program is related to flight procedures referred to in subsection (a)(2)(D) of this section) not later than 180 days after receiving it. The Secretary shall approve the program (except as the program is related to flight procedures referred to in subsection (a)(2)(D)) if the program—

(A) does not place an unreasonable burden on interstate or foreign commerce;

(B) is reasonably consistent with achieving the goal of reducing noncompatible uses and preventing the introduction of additional noncompatible uses; and

(C) provides for necessary revisions because of a revised map submitted under section 47503(b) of this title.

(2) A program (except as the program is related to flight procedures referred to in subsection (a)(2)(D) of this section) is deemed to be approved if the Secretary does not act within the 180-day period.

(3) The Secretary shall submit any part of a program related to flight procedures referred to in subsection (a)(2)(D) of this section to the Administrator of the Federal Aviation Administration. The Administrator shall approve or disapprove that part of the program.

(c) GRANTS.—(1) The Secretary may incur obligations to make grants from amounts available under section 48103 of this title to carry out a project under a part of a noise compatibility program approved under subsection (b) of this section. A grant may be made to—

(A) an airport operator submitting the program; and

(B) a unit of local government in the area surrounding the airport, if the Secretary decides the unit is able to carry out the project.

(2) SOUNDPROOFING AND ACQUISITION OF CERTAIN RESIDENTIAL BUILDINGS AND PROPERTIES.—The Secretary may incur obligations to make grants from amounts made available under section 48103 of this title—

(A) for projects to soundproof residential buildings—

(i) if the airport operator received approval for a grant for a project to soundproof residential buildings pursuant to section 301(d)(4)(B) of the Airport and Airway Safety and Capacity Expansion Act of 1987;

(ii) if the airport operator submits updated noise exposure contours, as required by the Secretary; and

(iii) if the Secretary determines that the proposed projects are compatible with the purposes of this chapter;

(B) to an airport operator and unit of local government referred to in paragraph (1)(A) or (1)(B) of this subsection to soundproof residential buildings located on residential properties, and to acquire residential properties, at which noise levels are not compatible with normal operations of an airport—

(i) if the airport operator amended an existing local aircraft noise regulation during calendar year 1993 to increase the maximum permitted noise levels for scheduled air carrier aircraft as a direct result of implementation of revised aircraft noise departure procedures mandated for aircraft safety purposes by the Administrator of the Federal Aviation Administration for standardized application at airports served by scheduled air carriers;

(ii) if the airport operator submits updated noise exposure contours, as required by the Secretary; and

(iii) if the Secretary determines that the proposed projects are compatible with the purposes of this chapter;

(C) to an airport operator and unit of local government referred to in paragraph (1)(A) or (1)(B) of this subsection to carry out any part of a program developed before February 18, 1980, or before implementing regulations were prescribed, if the Secretary decides the program is substantially consistent with reducing existing noncompatible uses and preventing the introduction of additional noncompatible uses and the purposes of this chapter will be furthered by promptly carrying out the program; and

(D) to an airport operator and unit of local government referred to in paragraph (1)(A) or (1)(B) of this subsection to soundproof a building in the noise impact area surrounding the airport that is used primarily for educational or medical purposes and that the Secretary decides is adversely affected by airport noise.

(3) An airport operator may agree to make a grant made under paragraph (1)(A) of this subsection available to a public agency in the area surrounding the airport if the Secretary decides the agency is able to carry out the project.

(4) The Government's share of a project for which a grant is made under this subsection is the greater of—

(A) 80 percent of the cost of the project; or

(B) the Government's share that would apply if the amounts available for the project were made available under subchapter I of chapter 471 of this title for a project at the airport.

(5) The provisions of subchapter I of chapter 471 of this title related to grants apply to a grant made under this chapter, except—

(A) section 47109(a) and (b) of this title; and

(B) any provision that the Secretary decides is inconsistent with, or unnecessary to carry out, this chapter.

(d) GOVERNMENT RELIEF FROM LIABILITY.—The Government is not liable for damages from aviation noise because of action taken under this section.

§ 47508. Noise standards for air carriers and foreign air carriers providing foreign air transportation

(a) GENERAL REQUIREMENTS.—The Secretary of Transportation shall require each air carrier and foreign air carrier providing foreign air transportation to comply with noise standards—

(1) the Secretary prescribed for new subsonic aircraft in regulations of the Secretary in effect on January 1, 1977; or

(2) of the International Civil Aviation Organization that are substantially compatible with standards of the Secretary for new subsonic aircraft in regulations of the Secretary at parts 36 and 91 of title 14, Code of Federal Regulations, prescribed between January 2, 1977, and January 1, 1982.

(b) COMPLIANCE AT PHASED RATE.—The Secretary shall require each air carrier and foreign air carrier providing foreign air transportation to comply with the noise standards at a phased rate similar to the rate for aircraft registered in the United States.

In subsection (a), the words “acting through the Administrator” and “acting through the Administrator of the Federal Aviation Administration (14 CFR part 36)” are omitted for consistency. Section 6(c)(1) of the Department of Transportation Act (Public Law 89–670, 80 Stat. 938) transferred all duties and powers of the Federal Aviation Agency and the Administrator to the Secretary of Transportation. However, the Secretary was to carry out certain provisions through the Administrator. In addition, various laws enacted since then have vested duties and powers in the Administrator. All provisions of law the Secretary is required to carry out through the Administrator are included in 49:106(g). Before clause (1), the words “If, by January 1, 1980, the International Civil Aviation Organization (hereafter referred to as ‘ICAO’) does not reach an agreement” and “commence a rulemaking to” and 49 App.:2122(a) (last sentence) are omitted as executed. In clause (1), the words “as such regulations were” are omitted as surplus. In clause (2), the words “on noise standards and an international schedule” and “(annex 16)” are omitted as surplus. The words “of the Secretary for new subsonic aircraft in regulations of the Secretary at parts 36 and 91 of title 14, Code of Federal Regulations, prescribed between January 2, 1977, and January 1, 1982” are substituted for “set forth in such regulations issued by the Secretary (14 CFR parts 36 and 91) during the 5-year period thereafter” for clarity and consistency.

AIRCRAFT NOISE RESEARCH PROGRAM

Pub. L. 102-581, title III, §304, Oct. 31, 1992, 106 Stat. 4896, provided that:

“(a) ESTABLISHMENT.—The Administrator of the Federal Aviation Administration and the Administrator of the National Aeronautics and Space Administration shall jointly conduct a research program to develop new technologies for quieter subsonic jet aircraft engines and airframes.

“(b) GOAL.—The goal of the research program established by subsection (a) is to develop by the year 2000 technologies for subsonic jet aircraft engines and airframes which would permit a subsonic jet aircraft to operate at reduced noise levels.

“(c) PARTICIPATION.—In carrying out the program established by subsection (a), the Administrator of the Federal Aviation Administration and the Administrator of the National Aeronautics and Space Administration shall encourage the participation of representatives of the aviation industry and academia.

“(d) REPORT TO CONGRESS.—The Administrator of the Federal Aviation Administration and the Administrator of the National Aeronautics and Space Administration shall jointly submit to Congress, on an annual basis during the term of the program established by subsection (a), a report on the progress being made under the program toward meeting the goal described in subsection (b).”

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 106 of this title.

§ 47509. Research program on quiet aircraft technology for propeller and rotor driven aircraft

(a) ESTABLISHMENT.—The Administrator of the Federal Aviation Administration and the Administrator of the National Aeronautics and Space Administration shall conduct a study to identify technologies for noise reduction of propeller driven aircraft and rotorcraft.

(b) GOAL.—The goal of the study conducted under subsection (a) is to determine the status of research and development now underway in the area of quiet technology for propeller driven aircraft and rotorcraft, including technology that is cost beneficial, and to determine whether a research program to supplement existing research activities is necessary.

(c) PARTICIPATION.—In conducting the study required under subsection (a), the Administrator of the Federal Aviation Administration and the Administrator of the National Aeronautics and Space Administration shall encourage the participation of the Department of Defense, the Department of the Interior, the airtour industry, the aviation industry, academia and other appropriate groups.

(d) REPORT.—Not less than 280 days after August 23, 1994, the Administrator of the Federal Aviation Administration and the Administrator of the National Aeronautics and Space Administration shall transmit to Congress a report on the results of the study required under subsection (a).

(e) RESEARCH AND DEVELOPMENT PROGRAM.—If the Administrator of the Federal Aviation Administration and the Administrator of the National Aeronautics and Space Administration determine that additional research and development is necessary and would substantially con-

tribute to the development of quiet aircraft technology, then the agencies shall conduct an appropriate research program in consultation with the entities listed in subsection (c) to develop safe, effective, and economical noise reduction technology (including technology that can be applied to existing propeller driven aircraft and rotorcraft) that would result in aircraft that operate at substantially reduced levels of noise to reduce the impact of such aircraft and rotorcraft on the resources of national parks and other areas.

§ 47510. Tradeoff allowance

Notwithstanding another law or a regulation prescribed or order issued under that law, the tradeoff provisions contained in appendix C of part 36 of title 14, Code of Federal Regulations, apply in deciding whether an aircraft complies with subpart I of part 91 of title 14.

SUBCHAPTER II—NATIONAL AVIATION NOISE POLICY

§ 47521. Findings

Congress finds that—

(1) aviation noise management is crucial to the continued increase in airport capacity;

(2) community noise concerns have led to uncoordinated and inconsistent restrictions on aviation that could impede the national air transportation system;

(3) a noise policy must be carried out at the national level;

(4) local interest in aviation noise management shall be considered in determining the national interest;

(5) community concerns can be alleviated through the use of new technology aircraft and the use of revenues, including those available from passenger facility fees, for noise management;

(6) revenues controlled by the United States Government can help resolve noise problems and carry with them a responsibility to the national airport system;

(7) revenues derived from a passenger facility fee may be applied to noise management and increased airport capacity; and

(8) a precondition to the establishment and collection of a passenger facility fee is the prescribing by the Secretary of Transportation of a regulation establishing procedures for reviewing airport noise and access restrictions on operations of stage 2 and stage 3 aircraft.

§ 47523. National aviation noise policy

(a) GENERAL REQUIREMENTS.—Not later than July 1, 1991, the Secretary of Transportation shall establish by regulation a national aviation noise policy that considers this subchapter, including the phaseout and nonaddition of stage 2 aircraft as provided in this subchapter and dates for carrying out that policy and reporting requirements consistent with this subchapter and law existing as of November 5, 1990.

(b) DETAILED ECONOMIC ANALYSIS.—The policy shall be based on a detailed economic analysis of the impact of the phaseout date for stage 2 aircraft on competition in the airline industry, including—

- (1) the ability of air carriers to achieve capacity growth consistent with the projected rate of growth for the airline industry;
- (2) the impact of competition in the airline and air cargo industries;
- (3) the impact on nonhub and small community air service; and
- (4) the impact on new entry into the airline industry.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 47524 of this title.

§ 47524. Airport noise and access restriction review program

(a) GENERAL REQUIREMENTS.—The national aviation noise policy established under section 47523 of this title shall provide for establishing by regulation a national program for reviewing airport noise and access restrictions on the operation of stage 2 and stage 3 aircraft. The program shall provide for adequate public notice and opportunity for comment on the restrictions.

(b) STAGE 2 AIRCRAFT.—Except as provided in subsection (d) of this section, an airport noise or access restriction may include a restriction on the operation of stage 2 aircraft proposed after October 1, 1990, only if the airport operator publishes the proposed restriction and prepares and makes available for public comment at least 180 days before the effective date of the proposed restriction—

- (1) an analysis of the anticipated or actual costs and benefits of the existing or proposed restriction;
- (2) a description of alternative restrictions;
- (3) a description of the alternative measures considered that do not involve aircraft restrictions; and
- (4) a comparison of the costs and benefits of the alternative measures to the costs and benefits of the proposed restriction.

(c) STAGE 3 AIRCRAFT.—(1) Except as provided in subsection (d) of this section, an airport noise or access restriction on the operation of stage 3 aircraft not in effect on October 1, 1990, may become effective only if the restriction has been agreed to by the airport proprietor and all aircraft operators or has been submitted to and approved by the Secretary of Transportation after an airport or aircraft operator’s request for approval as provided by the program established under this section. Restrictions to which this paragraph applies include—

- (A) a restriction on noise levels generated on either a single event or cumulative basis;
- (B) a restriction on the total number of stage 3 aircraft operations;
- (C) a noise budget or noise allocation program that would include stage 3 aircraft;
- (D) a restriction on hours of operations; and
- (E) any other restriction on stage 3 aircraft.

(2) Not later than 180 days after the Secretary receives an airport or aircraft operator’s request

for approval of an airport noise or access restriction on the operation of a stage 3 aircraft, the Secretary shall approve or disapprove the restriction. The Secretary may approve the restriction only if the Secretary finds on the basis of substantial evidence that—

(A) the restriction is reasonable, non-arbitrary, and nondiscriminatory;

(B) the restriction does not create an unreasonable burden on interstate or foreign commerce;

(C) the restriction is not inconsistent with maintaining the safe and efficient use of the navigable airspace;

(D) the restriction does not conflict with a law or regulation of the United States;

(E) an adequate opportunity has been provided for public comment on the restriction; and

(F) the restriction does not create an unreasonable burden on the national aviation system.

(3) Paragraphs (1) and (2) of this subsection do not apply if the Administrator of the Federal Aviation Administration, before November 5, 1990, has formed a working group (outside the process established by part 150 of title 14, Code of Federal Regulations) with a local airport operator to examine the noise impact of air traffic control procedure changes at the airport. However, if an agreement on noise reductions at that airport is made between the airport proprietor and one or more air carriers or foreign air carriers that constitute a majority of the carrier use of the airport, this paragraph applies only to a local action to enforce the agreement.

(4) The Secretary may reevaluate an airport noise or access restriction previously agreed to or approved under this subsection on request of an aircraft operator able to demonstrate to the satisfaction of the Secretary that there has been a change in the noise environment of the affected airport that justifies a reevaluation. The Secretary shall establish by regulation procedures for conducting a reevaluation. A reevaluation—

(A) shall be based on the criteria in paragraph (2) of this subsection; and

(B) may be conducted only after 2 years after a decision under paragraph (2) of this subsection has been made.

(d) NONAPPLICATION.—Subsections (b) and (c) of this section do not apply to—

(1) a local action to enforce a negotiated or executed airport noise or access agreement between the airport operator and the aircraft operators in effect on November 5, 1990;

(2) a local action to enforce a negotiated or executed airport noise or access restriction agreed to by the airport operator and the aircraft operators before November 5, 1990;

(3) an intergovernmental agreement including an airport noise or access restriction in effect on November 5, 1990;

(4) a subsequent amendment to an airport noise or access agreement or restriction in effect on November 5, 1990, that does not reduce or limit aircraft operations or affect aircraft safety;

(5)(A) an airport noise or access restriction adopted by an airport operator not later than

October 1, 1990, and stayed as of October 1, 1990, by a court order or as a result of litigation, if any part of the restriction is subsequently allowed by a court to take effect; or

(B) a new restriction imposed by an airport operator to replace any part of a restriction described in subclause (A) of this clause that is disallowed by a court, if the new restriction would not prohibit aircraft operations in effect on November 5, 1990; or

(6) a local action that represents the adoption of the final part of a program of a staged airport noise or access restriction if the initial part of the program was adopted during 1988 and was in effect on November 5, 1990.

(e) GRANT LIMITATIONS.—Beginning on the 91st day after the Secretary prescribes a regulation under subsection (a) of this section, a sponsor of a facility operating under an airport noise or access restriction on the operation of stage 3 aircraft that first became effective after October 1, 1990, is eligible for a grant under section 47104 of this title and is eligible to impose a passenger facility fee under section 40117 of this title only if the restriction has been—

(1) agreed to by the airport proprietor and aircraft operators;

(2) approved by the Secretary as required by subsection (c)(1) of this section; or

(3) rescinded.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 47525, 47533 of this title.

§ 47525. Decision about airport noise and access restrictions on certain stage 2 aircraft

The Secretary of Transportation shall conduct a study and decide on the application of section 47524(a)-(d) of this title to airport noise and access restrictions on the operation of stage 2 aircraft with a maximum weight of not more than 75,000 pounds. In making the decision, the Secretary shall consider—

- (1) noise levels produced by those aircraft relative to other aircraft;
- (2) the benefits to general aviation and the need for efficiency in the national air transportation system;
- (3) the differences in the nature of operations at airports and the areas immediately surrounding the airports;
- (4) international standards and agreements on aircraft noise; and
- (5) other factors the Secretary considers necessary.

§ 47528. Prohibition on operating certain aircraft not complying with stage 3 noise levels

(a) PROHIBITION.—Except as provided in subsection (b) of this section and section 47530 of this title, a person may operate after December 31, 1999, a civil subsonic turbojet with a maximum weight of more than 75,000 pounds to or from an airport in the United States only if the Secretary of Transportation finds that the aircraft complies with the stage 3 noise levels.

(b) WAIVERS.—(1) If, not later than July 1, 1999, at least 85 percent of the aircraft used by an air carrier to provide air transportation comply with the stage 3 noise levels, the carrier may apply for a waiver of subsection (a) of this section for the remaining aircraft used by the carrier to provide air transportation. The application must be filed with the Secretary not later than January 1, 1999, and must include a plan with firm orders for making all aircraft used by the carrier to provide air transportation comply with the noise levels not later than December 31, 2003.

(2) The Secretary may grant a waiver under this subsection if the Secretary finds it would be in the public interest. In making the finding, the Secretary shall consider the effect of granting the waiver on competition in the air carrier industry and on small community air service.

(3) A waiver granted under this subsection may not permit the operation of stage 2 aircraft in the United States after December 31, 2003.

(c) SCHEDULE FOR PHASED-IN COMPLIANCE.—The Secretary shall establish by regulation a schedule for phased-in compliance with subsection (a) of this section. The phase-in period shall begin on November 5, 1990, and end before December 31, 1999. The regulations shall establish interim compliance dates. The schedule for phased-in compliance shall be based on—

(1) a detailed economic analysis of the impact of the phaseout date for stage 2 aircraft on competition in the airline industry, including—

- (A) the ability of air carriers to achieve capacity growth consistent with the projected rate of growth for the airline industry;
- (B) the impact of competition in the airline and air cargo industries;

(C) the impact on nonhub and small community air service; and

(D) the impact on new entry into the airline industry; and

(2) an analysis of the impact of aircraft noise on individuals residing near airports.

(d) ANNUAL REPORT.—Beginning with calendar year 1992—

(1) each air carrier shall submit to the Secretary an annual report on the progress the carrier is making toward complying with the requirements of this section and regulations prescribed under this section; and

(2) the Secretary shall submit to Congress an annual report on the progress being made toward that compliance.

(e) HAWAIIAN OPERATIONS.—(1) In this subsection, “turnaround service” means a flight between places only in Hawaii.

(2)(A) An air carrier or foreign air carrier may not operate in Hawaii, or between a place in Hawaii and a place outside the 48 contiguous States, a greater number of stage 2 aircraft with a maximum weight of more than 75,000 pounds than it operated in Hawaii, or between a place in Hawaii and a place outside the 48 contiguous States, on November 5, 1990.

(B) An air carrier that provided turnaround service in Hawaii on November 5, 1990, using stage 2 aircraft with a maximum weight of more than 75,000 pounds may include in the number of aircraft authorized under subparagraph (A) of this paragraph all stage 2 aircraft with a maximum weight of more than 75,000 pounds that were owned or leased by that carrier on that date, whether or not the aircraft were operated by the carrier on that date.

(3) An air carrier may provide turnaround service in Hawaii using stage 2 aircraft with a maximum weight of more than 75,000 pounds only if the carrier provided the service on November 5, 1990.

(a) GENERAL LIMITATIONS.—Except as provided in subsection (b) of this section and section 47530 of this title, a person may operate a civil subsonic turbojet aircraft with a maximum weight of more than 75,000 pounds that is imported into the United States after November 4, 1990, only if the aircraft—

(1) complies with the stage 3 noise levels; or

(2) was purchased by the person importing the aircraft into the United States under a legally binding contract made before November 5, 1990.

(b) EXEMPTIONS.—The Secretary of Transportation may provide an exemption from subsection (a) of this section to permit a person to obtain modifications to an aircraft to meet the stage 3 noise levels.

(c) AIRCRAFT DEEMED NOT IMPORTED.—In this section, an aircraft is deemed not to have been imported into the United States if the aircraft—

(1) was owned on November 5, 1990, by—

(A) a corporation, trust, or partnership organized under the laws of the United States or a State (including the District of Columbia);

§ 49101. Findings

Congress finds that—

(1) the 2 federally owned airports in the metropolitan area of the District of Columbia constitute an important and growing part of the commerce, transportation, and economic patterns of Virginia, the District of Columbia, and the surrounding region;

(2) Baltimore/Washington International Airport, owned and operated by Maryland, is an air transportation facility that provides service to the greater Metropolitan Washington region together with the 2 federally owned airports, and timely Federal-aid grants to Baltimore/Washington International Airport will provide additional capacity to meet the growing air traffic needs and to compete with other airports on a fair basis;

(3) the United States Government has a continuing but limited interest in the operation of the 2 federally owned airports, which serve the travel and cargo needs of the entire Metropolitan Washington region as well as the District of Columbia as the national seat of government;

(4) operation of the Metropolitan Washington Airports by an independent local authority will facilitate timely improvements at both airports to meet the growing demand of interstate air transportation occasioned by the Airline Deregulation Act of 1978 (Public Law 95-504; 92 Stat. 1705);

(5) all other major air carrier airports in the United States are operated by public entities at the State, regional, or local level;

(6) any change in status of the 2 airports must take into account the interest of nearby

communities, the traveling public, air carriers, general aviation, airport employees, and other interested groups, as well as the interests of the United States Government and State governments involved;

(7) in recognition of a perceived limited need for a Federal role in the management of these airports and the growing local interest, the Secretary of Transportation has recommended a transfer of authority from the Federal to the local/State level that is consistent with the management of major airports elsewhere in the United States;

(8) an operating authority with representation from local jurisdictions, similar to authorities at all major airports in the United States, will improve communications with local officials and concerned residents regarding noise at the Metropolitan Washington Airports;

(9) a commission of congressional, State, and local officials and aviation representatives has recommended to the Secretary that transfer of the federally owned airports be as a unit to an independent authority to be created by Virginia and the District of Columbia; and

(10) the Federal interest in these airports can be provided through a lease mechanism which provides for local control and operation.

§ 49102. Purpose

(a) GENERAL.—The purpose of this chapter is to authorize the transfer of operating responsibility under long-term lease of the 2 Metropolitan Washington Airport properties as a unit, including access highways and other related facilities, to a properly constituted independent airport authority created by Virginia and the District of Columbia, in order to achieve local control, management, operation, and development of these important transportation assets.

(b) INCLUSION OF BALTIMORE/WASHINGTON INTERNATIONAL AIRPORT NOT PRECLUDED.—This

chapter does not prohibit the Airports Authority and Maryland from making an agreement to make Baltimore/Washington International Airport part of a regional airports authority, subject to terms agreed to by the Airports Authority, the Secretary of Transportation, Virginia, the District of Columbia, and Maryland.

§ 49104. Lease of Metropolitan Washington Airports

(a) GENERAL.—The lease between the Secretary of Transportation and the Metropolitan Washington Airports Authority under section 6005(a) of the Metropolitan Washington Airports Act of 1986 (Public Law 99-500; 100 Stat. 1783-375; Public Law 99-591; 100 Stat. 3341-378), for the Metropolitan Washington Airports must provide during its 50-year term at least the following:

(1) The Airports Authority shall operate, maintain, protect, promote, and develop the Metropolitan Washington Airports as a unit and as primary airports serving the Metropolitan Washington area.

(2)(A) In this paragraph, “airport purposes” means a use of property interests (except a sale) for—

- (i) aviation business or activities;
- (ii) activities necessary or appropriate to serve passengers or cargo in air commerce; or
- (iii) nonprofit, public use facilities that are not inconsistent with the needs of aviation.

(B) During the period of the lease, the real property constituting the Metropolitan Washington Airports shall be used only for airport purposes.

(C) If the Secretary decides that any part of the real property leased to the Airports Authority under this chapter is used for other than airport purposes, the Secretary shall—

- (i) direct that the Airports Authority take appropriate measures to have that part of the property be used for airport purposes; and
- (ii) retake possession of the property if the Airports Authority fails to have that part of the property be used for airport purposes within a reasonable period of time, as the Secretary decides.

(3) The Airports Authority is subject to section 47107(a)-(c) and (e) of this title and to the assurances and conditions required of grant recipients under the Airport and Airway Improvement Act of 1982 (Public Law 97-248; 96 Stat. 671) as in effect on June 7, 1987. Notwithstanding section 47107(b) of this title, all revenues generated by the Metropolitan Washing-

ton Airports shall be expended for the capital and operating costs of the Metropolitan Washington Airports.

(4) In acquiring by contract supplies or services for an amount estimated to be more than \$200,000, or awarding concession contracts, the Airports Authority to the maximum extent practicable shall obtain complete and open competition through the use of published competitive procedures. By a vote of 7 members, the Airports Authority may grant exceptions to the requirements of this paragraph.

(5)(A) Except as provided in subparagraph (B) of this paragraph, all regulations of the Metropolitan Washington Airports (14 CFR part 159) become regulations of the Airports Authority as of June 7, 1987, and remain in effect until modified or revoked by the Airports Authority under procedures of the Airports Authority.

(B) Sections 159.59(a) and 159.191 of title 14, Code of Federal Regulations, do not become regulations of the Airports Authority.

(C) The Airports Authority may not increase or decrease the number of instrument flight rule takeoffs and landings authorized by the High Density Rule (14 CFR 93.121 et seq.) at Washington National Airport on October 18, 1986, and may not impose a limitation on the number of passengers taking off or landing at Washington National Airport.

(6)(A) Except as specified in subparagraph (B) of this paragraph, the Airports Authority shall assume all rights, liabilities, and obligations of the Metropolitan Washington Airports on June 7, 1987, including leases, permits, licenses, contracts, agreements, claims, tariffs, accounts receivable, accounts payable, and litigation related to those rights and obligations, regardless whether judgment has been entered, damages awarded, or appeal taken. The Airports Authority must cooperate in allowing representatives of the Attorney General and the Secretary adequate access to employees and records when needed for the performance of duties and powers related to the period before June 7, 1987. The Airports Authority shall assume responsibility for the Federal Aviation Administration's Master Plans for the Metropolitan Washington Airports.

(B) The procedure for disputes resolution contained in any contract entered into on behalf of the United States Government before June 7, 1987, continues to govern the performance of the contract unless otherwise agreed to by the parties to the contract. Claims for monetary damages founded in tort, by or against the Government as the owner and operator of the Metropolitan Washington Airports, arising before June 7, 1987, shall be adjudicated as if the lease had not been entered into.

(C) The Administration is responsible for reimbursing the Employees' Compensation Fund, as provided in section 8147 of title 5, for compensation paid or payable after June 7, 1987, in accordance with chapter 81 of title 5 for any injury, disability, or death due to events arising before June 7, 1987, whether or not a claim was filed or was final on that date.

(7) The Comptroller General may conduct periodic audits of the activities and transactions of the Airports Authority in accordance with generally accepted management principles, and under regulations the Comptroller General may prescribe. An audit shall be conducted where the Comptroller General considers it appropriate. All records and property of the Airports Authority shall remain in possession and custody of the Airports Authority.

(8) The Airports Authority shall develop a code of ethics and financial disclosure to ensure the integrity of all decisions made by its board of directors and employees. The code shall include standards by which members of the board will decide, for purposes of section 49106(d) of this title, what constitutes a substantial financial interest and the circumstances under which an exception to the conflict of interest prohibition may be granted.

(9) A landing fee imposed for operating an aircraft or revenues derived from parking automobiles—

(A) at Washington Dulles International Airport may not be used for maintenance or operating expenses (excluding debt service, depreciation, and amortization) at Washington National Airport; and

(B) at Washington National Airport may not be used for maintenance or operating expenses (excluding debt service, depreciation, and amortization) at Washington Dulles International Airport.

(10) The Airports Authority shall compute the fees and charges for landing general aviation aircraft at the Metropolitan Washington Airports on the same basis as the landing fees for air carrier aircraft, except that the Airports Authority may require a minimum landing fee that is not more than the landing fee for aircraft weighing 12,500 pounds.

(11) The Secretary shall include other terms applicable to the parties to the lease that are consistent with, and carry out, this chapter.

(d) APPLICATION TO CERTAIN GRANTS.—This section applies only to a contract related to a grant made under section 44511, 44512, or 44513 of this title for which—
