(b) Procedure when certificate lacking

If the consignee of any pre-Columbian monumental or architectural sculpture or mural is unable to present to the customs officer concerned at the time of making entry of such sculpture or mural—

- (1) the certificate of the government of the country of origin required under subsection (a) of this section;
- (2) satisfactory evidence that such sculpture or mural was exported from the country of origin on or before the effective date of the regu-

lation listing such sculpture or mural pursuant to section 2091 of this title; or
