SUBTITLE A—GENERAL PROVISIONS

§ 1001. Congressional findings and declaration of policy

(a) Benefit plans as affecting interstate commerce and the Federal taxing power

The Congress finds that the growth in size, scope, and numbers of employee benefit plans in recent years has been rapid and substantial; that the operational scope and economic impact of such plans is increasingly interstate; that the continued well-being and security of millions of employees and their dependents are directly affected by these plans; that they are affected with a national public interest; that they have become an important factor affecting the stability of employment and the successful development of industrial relations; that they have become an important factor in commerce because of the interstate character of their activities, and of the activities of their participants, and the employers, employee organizations, and other entities by which they are established or maintained; that a large volume of the activities of such plans are carried on by means of the mails and instrumentalities of interstate commerce; that owing to the lack of employee information and adequate safeguards concerning their operation, it is desirable in the interests of employees and their beneficiaries, and to provide for the general welfare and the free flow of commerce, that disclosure be made and safeguards be provided with respect to the establishment, operation, and administration of such plans; that they substantially affect the revenues of the United States because they are afforded preferential Federal tax treatment; that despite the enormous growth in such plans many employees with long years of employment are losing anticipated retirement benefits owing to the lack of vesting provisions in such plans; that owing to the inadequacy of current minimum standards, the soundness and stability of plans with respect to adequate funds to pay promised benefits may be endangered; that owing to the termination of plans before requisite funds have been accumulated, employees and their beneficiaries have been deprived of anticipated benefits; and that it is therefore desirable in the interests of employees and their beneficiaries, for the protection of the revenue of the United States, and to provide for the free flow of commerce, that minimum standards be provided assuring the equitable character of such plans and their financial soundness.

(b) Protection of interstate commerce and beneficiaries by requiring disclosure and reporting, setting standards of conduct, etc., for fiduciaries

It is hereby declared to be the policy of this chapter to protect interstate commerce and the interests of participants in employee benefit plans and their beneficiaries, by requiring the disclosure and reporting to participants and beneficiaries of financial and other information with respect thereto, by establishing standards of conduct, responsibility, and obligation for fiduciaries of employee benefit plans, and by providing for appropriate remedies, sanctions, and ready access to the Federal courts.

(c) Protection of interstate commerce, the Federal taxing power, and beneficiaries by vesting of accrued benefits, setting minimum standards of funding, requiring termination insurance

It is hereby further declared to be the policy of this chapter to protect interstate commerce, the Federal taxing power, and the interests of participants in private pension plans and their beneficiaries by improving the equitable character and the soundness of such plans by requiring them to vest the accrued benefits of employees with significant periods of service, to meet minimum standards of funding, and by requiring plan termination insurance.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

Today I am submitting to the Congress my fourth Reorganization Plan for 1978. This proposal is designed to simplify and improve the unnecessarily complex administrative requirements of the Employee Retirement Income Security Act of 1974 (ERISA) [see Short Title note set out under this section]. The new plan will eliminate overlap and duplication in the administration of ERISA and help us achieve our goal of well regulated private pension plans.

ERISA was an essential step in the protection of worker pension rights. Its administrative provisions, however, have resulted in bureaucratic confusion and have been justifiably criticized by employers and unions alike. The biggest problem has been overlapping jurisdictional authority. Under current ERISA provisions, the Departments of Treasury and Labor both have authority to issue regulations and decisions.

This dual jurisdiction has delayed a good many important rulings and, more importantly, produced bureaucratic runarounds and burdensome reporting requirements.

The new plan will significantly reduce these problems. In addition, both Departments are trying to cut red tape and paperwork, to eliminate unnecessary reporting requirements, and to streamline forms wherever possible.

Both Departments have already made considerable progress, and both will continue the effort to simplify their rules and their forms.

The Reorganization Plan is the most significant result of their joint effort to modify and simplify ERISA. It will eliminate most of the jurisdictional overlap between Treasury and Labor by making the following changes:

1) Treasury will have statutory authority for minimum standards. The new plan puts all responsibility for funding, participation, and vesting of benefit rights in the Department of Treasury. These standards are necessary to ensure that employee benefit plans are adequately funded and that all beneficiary rights are protected. Treasury is the most appropriate Department to administer these provisions; however, Labor will continue to have veto power over Treasury decisions that significantly affect collectively bargained plans.

2) Labor will have statutory authority for fiduciary obligations. ERISA prohibits transactions in which self-interest or conflict of interest could occur, but allows certain exemptions from these prohibitions. Labor will be responsible for overseeing fiduciary conduct under these provisions.

3) Both Departments will retain enforcement powers. The Reorganization Plan will continue Treasury's authority to audit plans and levy tax penalties for any deviation from standards. The plan will also continue Labor's authority to bring civil action against plans and fiduciaries. These provisions are retained in order to keep the special expertise of each Department available. New coordination between the Departments will eliminate duplicative investigations of alleged violations.

This reorganization will make an immediate improvement in ERISA's administration. It will eliminate almost all of the dual and overlapping authority in the two departments and dramatically cut the time required to process applications for exemptions from prohibited transactions.

This plan is an interim arrangement. After the Departments have had a chance to administer ERISA under this new plan, the Office of Management and Budget and the Departments will jointly evaluate that experience. Based on that evaluation, early in 1980, the Administration will make appropriate legislative proposals to establish a long-term administrative structure for ERISA.

Each provision in this reorganization will accomplish one or more of the purposes in Title 5 of U.S.C. 901(a). There will be no change in expenditure or personnel levels, although a small number of people will be transferred from the Department of Treasury to the Department of Labor.

We all recognize that the administration of ERISA has been unduly burdensome. I am confident that this reorganization will significantly relieve much of that burden.

This plan is the culmination of our effort to streamline ERISA. It provides an administrative arrangement that will work.

ERISA has been a symbol of unnecessarily complex government regulation. I hope this new step will become equally symbolic of my Administration's commitment to making government more effective and less intrusive in the lives of our people.

JIMMY CARTER.

THE WHITE HOUSE, August 10, 1978.

§ 1001a. Additional Congressional findings and declaration of policy

(a) Effects of multiemployer pension plans

The Congress finds that—

(1) multiemployer pension plans have a substantial impact on interstate commerce and are affected with a national public interest;

(2) multiemployer pension plans have accounted for a substantial portion of the increase in private pension plan coverage over the past three decades;

(3) the continued well-being and security of millions of employees, retirees, and their dependents are directly affected by multiemployer pension plans; and

(4)(A) withdrawals of contributing employers from a multiemployer pension plan frequently result in substantially increased funding obligations for employers who continue to contribute to the plan, adversely affecting the plan, its participants and beneficiaries, and labor-management relations, and

(B) in a declining industry, the incidence of employer withdrawals is higher and the adverse effects described in subparagraph (A) are exacerbated.

(b) Modification of multiemployer plan termination insurance provisions and replacement of program

The Congress further finds that—

(1) it is desirable to modify the current multiemployer plan termination insurance provisions in order to increase the likelihood of protecting plan participants against benefit losses; and

(2) it is desirable to replace the termination insurance program for multiemployer pension plans with an insolvency-based benefit protection program that will enhance the financial soundness of such plans, place primary emphasis on plan continuation, and contain program costs within reasonable limits.

(c) Policy

It is hereby declared to be the policy of this Act—

(1) to foster and facilitate interstate commerce,

(2) to alleviate certain problems which tend to discourage the maintenance and growth of multiemployer pension plans,

(3) to provide reasonable protection for the interests of participants and beneficiaries of financially distressed multiemployer pension plans, and

(4) to provide a financially self-sufficient program for the guarantee of employee benefits under multiemployer plans.

The Congress finds that—

(1) single-employer defined benefit pension plans have a substantial impact on interstate commerce and are affected with a national interest;

(2) the continued well-being and retirement income security of millions of workers, retirees, and their dependents are directly affected by such plans;

(3) the existence of a sound termination insurance system is fundamental to the retirement income security of participants and beneficiaries of such plans; and

(4) the current termination insurance system in some instances encourages employers to terminate pension plans, evade their obligations to pay benefits, and shift unfunded pension liabilities onto the termination insurance system and the other premium-payers.

(b) Additional findings

The Congress further finds that modification of the current termination insurance system and an increase in the insurance premium for single-employer defined benefit pension plans—

(1) is desirable to increase the likelihood that full benefits will be paid to participants and beneficiaries of such plans;

(2) is desirable to provide for the transfer of liabilities to the termination insurance system only in cases of severe hardship;

(3) is necessary to maintain the premium costs of such system at a reasonable level; and

(4) is necessary to finance properly current funding deficiencies and future obligations of the single-employer pension plan termination insurance system.

(c) Declaration of policy

It is hereby declared to be the policy of this title—

(1) to foster and facilitate interstate commerce;

(2) to encourage the maintenance and growth of single-employer defined benefit pension plans;

(3) to increase the likelihood that participants and beneficiaries under single-employer defined benefit pension plans will receive their full benefits;

(4) to provide for the transfer of unfunded pension liabilities onto the single-employer pension plan termination insurance system only in cases of severe hardship;

(5) to maintain the premium costs of such system at a reasonable level; and

(6) to assure the prudent financing of current funding deficiencies and future obligations of the single-employer pension plan termination insurance system by increasing termination insurance premiums.

§ 1002. Definitions

For purposes of this subchapter:

(1) The terms ''employee welfare benefit plan'' and ''welfare plan'' mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that such plan, fund, or program was established or is maintained for the purpose of providing for its participants or their beneficiaries, through the purchase of insurance or otherwise, (A) medical, surgical, or hospital care or benefits, or benefits in the event of sickness, accident, disability, death or unemployment, or vacation benefits, apprenticeship or other training programs, or day care centers, scholarship funds, or prepaid legal services, or (B) any benefit described in section 186(c) of this title (other than pensions on retirement or death, and insurance to provide such pensions).

(2)(A) Except as provided in subparagraph (B), the terms ''employee pension benefit plan'' and ''pension plan'' mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that by its express terms or as a result of surrounding circumstances such plan, fund, or program—

(i) provides retirement income to employees, or

(ii) results in a deferral of income by employees for periods extending to the termination of covered employment or beyond,

regardless of the method of calculating the contributions made to the plan, the method of calculating the benefits under the plan or the method of distributing benefits from the plan.

(B) The Secretary may by regulation prescribe rules consistent with the standards and purposes of this chapter providing one or more exempt categories under which—

(i) severance pay arrangements, and

(ii) supplemental retirement income payments, under which the pension benefits of retirees or their beneficiaries are supplemented to take into account some portion or all of the increases in the cost of living (as determined by the Secretary of Labor) since retirement,

shall, for purposes of this subchapter, be treated as welfare plans rather than pension plans. In the case of any arrangement or payment a principal effect of which is the evasion of the standards or purposes of this chapter applicable to pension plans, such arrangement or payment shall be treated as a pension plan.

For purposes of this paragraph, a right to an accrued benefit derived from employer contributions shall not be treated as forfeitable merely because the plan contains a provision described in section 1053(a)(3) of this title.

(20) The term ''security'' has the same meaning as such term has under section 77b(1)[2] of title 15.

(21)(A) Except as otherwise provided in subparagraph (B), a person is a fiduciary with respect to a plan to the extent (i) he exercises any discretionary authority or discretionary control respecting management of such plan or exercises any authority or control respecting management or disposition of its assets, (ii) he renders investment advice for a fee or other compensation, direct or indirect, with respect to any moneys or other property of such plan, or has any authority or responsibility to do so, or (iii) he has any discretionary authority or discretionary responsibility in the administration of such plan. (B) If any money or other property of an employee benefit plan is invested in securities issued by an investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a–1 et seq.], such investment shall not by itself cause such investment company or such investment company's investment adviser or principal underwriter to be deemed to be a fiduciary or a party in interest as those terms are defined in this subchapter, except insofar as such investment company or its investment adviser or principal underwriter acts in connection with an employee benefit plan covering employees of the investment company, the investment adviser, or its principal underwriter. Nothing contained in this subparagraph shall limit the duties imposed on such investment company, investment adviser, or principal underwriter by any other law.

---

[2] See References in Text note below.

For purposes of this paragraph, a qualified disability benefit is a disability benefit provided by a plan which does not exceed the benefit which would be provided for the participant if he separated from the service at normal retirement age. For purposes of this paragraph, the early retirement benefit under a plan shall be determined without regard to any benefit under the plan which the Secretary of the Treasury finds to be a benefit described in section 1054(b)(1)(G) of this title.

(23) The term ''accrued benefit'' means—

(A) in the case of a defined benefit plan, the individual's accrued benefit determined under the plan and, except as provided in section 1054(c)(3) of this title, expressed in the form of an annual benefit commencing at normal retirement age, or

(B) in the case of a plan which is an individual account plan, the balance of the individual's account.

The accrued benefit of an employee shall not be less than the amount determined under section 1054(c)(2)(B) of this title with respect to the employee's accumulated contribution.

(24) The term ''normal retirement age'' means the earlier of—

(A) the time a plan participant attains normal retirement age under the plan, or

(B) the later of—

(i) the time a plan participant attains age 65, or

(ii) the 5th anniversary of the time a plan participant commenced participation in the plan.

(25) The term ''vested liabilities'' means the present value of the immediate or deferred benefits available at normal retirement age for participants and their beneficiaries which are nonforfeitable.

(26) The term ''current value'' means fair market value where available and otherwise the fair value as determined in good faith by a trustee or a named fiduciary (as defined in section 1102(a)(2) of this title) pursuant to the terms of the plan and in accordance with regulations of the Secretary, assuming an orderly liquidation at the time of such determination.

(27) The term ''present value'', with respect to a liability, means the value adjusted to reflect anticipated events. Such adjustments shall conform to such regulations as the Secretary of the Treasury may prescribe.

(28) The term ''normal service cost'' or ''normal cost'' means the annual cost of future pension benefits and administrative expenses assigned, under an actuarial cost method, to years subsequent to a particular valuation date of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(29) The term ''accrued liability'' means the excess of the present value, as of a particular valuation date of a pension plan, of the projected future benefit costs and administrative expenses for all plan participants and beneficiaries over the present value of future contributions for the normal cost of all applicable plan participants and beneficiaries. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(30) The term ''unfunded accrued liability'' means the excess of the accrued liability, under an actuarial cost method which so provides, over the present value of the assets of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(31) The term ''advance funding actuarial cost method'' or ''actuarial cost method'' means a recognized actuarial technique utilized for establishing the amount and incidence of the annual actuarial cost of pension plan benefits and expenses. Acceptable actuarial cost methods shall include the accrued benefit cost method (unit credit method), the entry age normal cost method, the individual level premium cost method, the aggregate cost method, the attained age normal cost method, and the frozen initial liability cost method. The terminal funding cost method and the current funding (pay-as-you-go) cost method are not acceptable actuarial cost methods. The Secretary of the Treasury shall issue regulations to further define acceptable actuarial cost methods.

(32) The term ''governmental plan'' means a plan established or maintained for its employees by the Government of the United States, by the government of any State or political subdivision thereof, or by any agency or instrumentality of any of the foregoing. The term ''governmental plan'' also includes any plan to which the Railroad Retirement Act of 1935, or 1937 [45 U.S.C. 231 et seq.] applies, and which is financed by contributions required under that Act and any plan of an international organization which is exempt from taxation under the provisions of the International Organizations Immunities Act [22 U.S.C. 288 et seq.].

(33)(A) The term ''church plan'' means a plan established and maintained (to the extent required in clause (ii) of subparagraph (B)) for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of title 26.

(B) The term ''church plan'' does not include a plan—

(i) which is established and maintained primarily for the benefit of employees (or their beneficiaries) of such church or convention or association of churches who are employed in connection with one or more unrelated trades or businesses (within the meaning of section 513 of title 26), or

(ii) if less than substantially all of the individuals included in the plan are individuals described in subparagraph (A) or in clause (ii) of subparagraph (C) (or their beneficiaries).

(C) For purposes of this paragraph—

(i) A plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches includes a plan maintained by an organization, whether a civil law corporation or otherwise, the principal purpose or function of which is the administration or funding of a plan or program for the provision of retirement benefits or welfare benefits, or both, for the employees of a church or a convention or association of churches, if such organization is controlled by or associated with a church or a convention or association of churches.

(ii) The term employee of a church or a convention or association of churches includes—

(I) a duly ordained, commissioned, or licensed minister of a church in the exercise of his ministry, regardless of the source of his compensation;

(iv) An organization, whether a civil law corporation or otherwise, is associated with a church or a convention or association of churches if it shares common religious bonds and convictions with that church or convention or association of churches.

(v) If an employee who is included in a church plan separates from the service of a church or a convention or association of churches or an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of title 26 and which is controlled by or associated with a church or a convention or association of churches, the church plan shall not fail to meet the requirements of this paragraph merely because the plan—

(I) retains the employee's accrued benefit or account for the payment of benefits to the employee or his beneficiaries pursuant to the terms of the plan; or

(II) receives contributions on the employee's behalf after the employee's separation from such service, but only for a period of 5 years after such separation, unless the employee is disabled (within the meaning of the disability provisions of the church plan or, if there are no such provisions in the church plan, within the meaning of section 72(m)(7) of title 26) at the time of such separation from service.

(D)(i) If a plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of title 26 fails to meet one or more of the requirements of this paragraph and corrects its failure to meet such requirements within the correction period, the plan shall be deemed to meet the requirements of this paragraph for the year in which the correction was made and for all prior years.

(ii) If a correction is not made within the correction period, the plan shall be deemed not to meet the requirements of this paragraph beginning with the date on which the earliest failure to meet one or more of such requirements occurred.

(iii) For purposes of this subparagraph, the term ''correction period'' means—

(I) the period ending 270 days after the date of mailing by the Secretary of the Treasury of a notice of default with respect to the plan's failure to meet one or more of the requirements of this paragraph; or

(II) any period set by a court of competent jurisdiction after a final determination that the plan fails to meet such requirements, or, if the court does not specify such period, any reasonable period determined by the Secretary of the Treasury on the basis of all the facts and circumstances, but in any event not less than 270 days after the determination has become final; or

(III) any additional period which the Secretary of the Treasury determines is reasonable or necessary for the correction of the default,

whichever has the latest ending date.

(34) The term ''individual account plan'' or ''defined contribution plan'' means a pension plan which provides for an individual account for each participant and for benefits based solely upon the amount contributed to the participant's account, and any income, expenses, gains and losses, and any forfeitures of accounts of other participants which may be allocated to such participant's account.

(35) The term ''defined benefit plan'' means a pension plan other than an individual account plan; except that a pension plan which is not an individual account plan and which provides a benefit derived from employer contributions which is based partly on the balance of the separate account of a participant—

(B) for the purposes of paragraph (23) of this section and section 1054 of this title, shall be treated as an individual account plan to the extent benefits are based upon the separate account of a participant and as a defined benefit plan with respect to the remaining portion of benefits under the plan.

(36) The term ''excess benefit plan'' means a plan maintained by an employer solely for the purpose of providing benefits for certain employees in excess of the limitations on contributions and benefits imposed by section 415 of title 26 on plans to which that section applies without regard to whether the plan is funded. To the extent that a separable part of a plan (as determined by the Secretary of Labor) maintained by an employer is maintained for such purpose, that part shall be treated as a separate plan which is an excess benefit plan.

(37)(A) The term ''multiemployer plan'' means a plan—

(i) to which more than one employer is required to contribute,

(ii) which is maintained pursuant to one or more collective bargaining agreements between one or more employee organizations and more than one employer, and

(B) For purposes of this paragraph, all trades or businesses (whether or not incorporated) which are under common control within the meaning of section 1301(b)(1) of this title are considered a single employer.

(C) Notwithstanding subparagraph (A), a plan is a multiemployer plan on and after its termination date if the plan was a multiemployer plan under this paragraph for the plan year preceding its termination date.

(D) For purposes of this subchapter, notwithstanding the preceding provisions of this paragraph, for any plan year which began before September 26, 1980, the term ''multiemployer plan'' means a plan described in this paragraph (37) as in effect immediately before such date.

(E) Within one year after September 26, 1980, a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation and subject to the provisions of sections 1453(b) and (c) of this title, that the plan shall not be treated as a multiemployer plan for all purposes under this chapter or the Internal Revenue Code of 1954 if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980—

(i) the plan was not a multiemployer plan because the plan was not a plan described in subparagraph (A)(iii) of this paragraph and section 414(f)(1)(C) of title 26 (as such provisions were in effect on the day before September 26, 1980); and

(ii) the plan had been identified as a plan that was not a multiemployer plan in substantially all its filings with the corporation, the Secretary of Labor and the Secretary of the Treasury.

(F)(i) For purposes of this subchapter a qualified football coaches plan—

(ii) the term ''control group'' means a group of trades or businesses under common control,

(iii) the determination of whether a trade or business is under ''common control'' with another trade or business shall be determined under regulations of the Secretary applying principles similar to the principles applied in determining whether employees of two or more trades or businesses are treated as employed by a single employer under section 1301(b) of this title, except that, for purposes of this paragraph, common control shall not be based on an interest of less than 25 percent,

§1023. Annual reports

(a) Publication and filing

(1)(A) An annual report shall be published with respect to every employee benefit plan to which this part applies. Such report shall be filed with the Secretary in accordance with section 1024(a) of this title, and shall be made available and furnished to participants in accordance with section 1024(b) of this title.

(i) a financial statement and opinion, as required by paragraph (3) of this subsection, and

(ii) an actuarial statement and opinion, as required by paragraph (4) of this subsection.

(2) If some or all of the information necessary to enable the administrator to comply with the requirements of this subchapter is maintained by—

(A) an insurance carrier or other organization which provides some or all of the benefits under the plan, or holds assets of the plan in a separate account,

(B) a bank or similar institution which holds some or all of the assets of the plan in a common or collective trust or a separate trust, or custodial account, or

(C) a plan sponsor as defined in section 1002(16)(B) of this title,

(3)(A) Except as provided in subparagraph (C), the administrator of an employee benefit plan shall engage, on behalf of all plan participants, an independent qualified public accountant, who shall conduct such an examination of any financial statements of the plan, and of other books and records of the plan, as the accountant may deem necessary to enable the accountant to form an opinion as to whether the financial statements and schedules required to be in-

Such examination shall be conducted in accordance with generally accepted auditing standards, and shall involve such tests of the books and records of the plan as are considered necessary by the independent qualified public accountant. The independent qualified public accountant shall also offer his opinion as to whether the separate schedules specified in subsection (b)(3) of this section and the summary material required under section 1024(b)(3) of this title present fairly, and in all material respects the information contained therein when considered in conjunction with the financial statements taken as a whole. The opinion by the independent qualified public accountant shall be made a part of the annual report. In a case where a plan is not required to file an annual report, the requirements of this paragraph shall not apply. In a case where by reason of section 1024(a)(2) of this title a plan is required only to file a simplified annual report, the Secretary may waive the requirements of this paragraph.

(C) The opinion required by subparagraph (A) need not be expressed as to any statements required by subsection (b)(3)(G) of this section prepared by a bank or similar institution or insurance carrier regulated and supervised and subject to periodic examination by a State or Federal agency if such statements are certified by the bank, similar institution, or insurance carrier as accurate and are made a part of the annual report.

In a case where a plan is not required to file an annual report, the requirement of this paragraph shall not apply, and, in a case where by reason of section 1024(a)(2) of this title, a plan is required only to file a simplified report, the Secretary may waive the requirement of this paragraph.

(B) The enrolled actuary shall utilize such assumptions and techniques as are necessary to enable him to form an opinion as to whether the contents of the matters reported under subsection (d) of this section—

(i) are in the aggregate reasonably related to the experience of the plan and to reasonable expectations; and

(ii) represent his best estimate of anticipated experience under the plan.

The opinion by the enrolled actuary shall be made with respect to, and shall be made a part of, each annual report.

(C) For purposes of this subchapter, the term ''enrolled actuary'' means an actuary enrolled under subtitle C of subchapter II of this chapter.

(D) In making a certification under this section the enrolled actuary may rely on the correctness of any accounting matter under subsection (b) of this section to which any qualified public accountant has expressed an opinion, if he so states his reliance.

§ 1024. Filing and furnishing of information

(a) Filing of annual report with Secretary

(1) The administrator of any employee benefit plan subject to this part shall file with the Secretary the annual report for a plan year within 210 days after the close of such year (or within such time as may be required by regulations promulgated by the Secretary in order to reduce duplicative filing). The Secretary shall make copies of such annual reports available for inspection in the public document room of the Department of Labor.

(2)(A) With respect to annual reports required to be filed with the Secretary under this part, he may by regulation prescribe simplified annual reports for any pension plan which covers less than 100 participants.

(B) Nothing contained in this paragraph shall preclude the Secretary from requiring any information or data from any such plan to which this part applies where he finds such data or information is necessary to carry out the purposes of this subchapter nor shall the Secretary be precluded from revoking provisions for simplified reports for any such plan if he finds it necessary to do so in order to carry out the objectives of this subchapter.

(3) The Secretary may by regulation exempt any welfare benefit plan from all or part of the reporting and disclosure requirements of this subchapter, or may provide for simplified reporting and disclosure if he finds that such re-

quirements are inappropriate as applied to welfare benefit plans.

(4) The Secretary may reject any filing under this section—

(A) if he determines that such filing is incomplete for purposes of this part; or

(B) if he determines that there is any material qualification by an accountant or actuary contained in an opinion submitted pursuant to section 1023(a)(3)(A) or section 1023(a)(4)(B) of this title.

(5) If the Secretary rejects a filing of a report under paragraph (4) and if a revised filing satisfactory to the Secretary is not submitted within 45 days after the Secretary makes his determination under paragraph (4) to reject the filing, and if the Secretary deems it in the best interest of the participants, he may take any one or more of the following actions—

(A) retain an independent qualified public accountant (as defined in section 1023(a)(3)(D) of this title) on behalf of the participants to perform an audit,

(B) retain an enrolled actuary (as defined in section 1023(a)(4)(C) of this title) on behalf of the plan participants, to prepare an actuarial statement,

(C) bring a civil action for such legal or equitable relief as may be appropriate to enforce the provisions of this part, or

(D) take any other action authorized by this subchapter.

The administrator shall permit such accountant or actuary to inspect whatever books and records of the plan are necessary for such audit. The plan shall be liable to the Secretary for the expenses for such audit or report, and the Secretary may bring an action against the plan in any court of competent jurisdiction to recover such expenses.

(6) The administrator of any employee benefit plan subject to this part shall furnish to the Secretary, upon request, any documents relating to the employee benefit plan, including but not limited to, the latest summary plan description (including any summaries of plan changes not contained in the summary plan description), and the bargaining agreement, trust agreement, contract, or other instrument under which the plan is established or operated.

(b) Publication of summary plan description and annual report to participants and beneficiaries of plan

Publication of the summary plan descriptions and annual reports shall be made to participants and beneficiaries of the particular plan as follows:

(1) The administrator shall furnish to each participant, and each beneficiary receiving benefits under the plan, a copy of summary plan description, and all modifications and changes referred to in section 1022(a) of this title—

(A) within 90 days after he becomes a participant, or (in the case of a beneficiary) within 90 days after he first receives benefits, or

(B) if later, within 120 days after the plan becomes subject to this part.

The administrator shall furnish to each participant, and each beneficiary receiving benefits under the plan, every fifth year after the plan becomes subject to this part an updated summary plan description described in section 1022 of this title which integrates all plan amendments made within such five-year period, except that in a case where no amendments have been made to a plan during such five-year period this sentence shall not apply. Notwithstanding the foregoing, the administrator shall furnish to each participant, and to each beneficiary receiving benefits under the plan, the summary plan description described in section 1022 of this title every tenth year after the plan becomes subject to this part. If there is a modification or change described in section 1022(a) of this title (other than a material reduction in covered services or benefits provided in the case of a group health plan (as defined in section 1191b(a)(1) of this title)), a summary description of such modification or change shall be furnished not later than 210 days after the end of the plan year in which the change is adopted to each participant, and to each beneficiary who is receiving benefits under the plan. If there is a modification or change described in section 1022(a) of this title that is a material reduction in covered services or benefits provided under a group health plan (as defined in section 1191b(a)(1) of this title), a summary description of such modification or change shall be furnished to participants and beneficiaries not later than 60 days after the date of the adoption of the modification or change. In the alternative, the plan sponsors may provide such description at regular intervals of not more than 90 days. The Secretary shall issue regulations within 180 days after August 21, 1996, providing alternative mechanisms to delivery by mail through which group health plans (as so defined) may notify participants and beneficiaries of material reductions in covered services or benefits.

(2) The administrator shall make copies of the latest updated summary plan description and the latest annual report and the bargaining agreement, trust agreement, contract, or other instruments under which the plan was established or is operated available for examination by any plan participant or beneficiary in the principal office of the administrator and in such other places as may be necessary to make available all pertinent information to all participants (including such places as the Secretary may prescribed by regulations).

(3) Within 210 days after the close of the fiscal year of the plan, the administrators shall furnish to each participant, and to each beneficiary receiving benefits under the plan, a copy of the statements and schedules, for such fiscal year, described in subparagraphs (A) and (B) of section 1023(b)(3) of this title and such other material (including the percentage determined under section 1023(d)(11) of this title) as is necessary to fairly summarize the latest annual report.

(4) The administrator shall, upon written request of any participant or beneficiary, furnish a copy of the latest updated summary,[1] plan description, and the latest annual report, any terminal report, the bargaining agreement, trust agreement, contract, or other instruments under

[1] So in original. Comma probably should not appear.

which the plan is established or operated. The administrator may make a reasonable charge to cover the cost of furnishing such complete copies. The Secretary may by regulation prescribe the maximum amount which will constitute a reasonable charge under the preceding sentence.

(c) Statement of rights

The Secretary may by regulation require that the administrator of any employee benefit plan furnish to each participant and to each beneficiary receiving benefits under the plan a statement of the rights of participants and beneficiaries under this subchapter.

§ 1052. Minimum participation standards

(a)(1)(A) No pension plan may require, as a condition of participation in the plan, that an employee complete a period of service with the employer or employers maintaining the plan extending beyond the later of the following dates—

(i) the date on which the employee attains the age of 21; or

(ii) the date on which he completes 1 year of service.

(B)(i) In the case of any plan which provides that after not more than 2 years of service each participant has a right to 100 percent of his accrued benefit under the plan which is nonforfeitable at the time such benefit accrues, clause (ii) of subparagraph (A) shall be applied by substituting ''2 years of service'' for ''1 year of service''.

(ii) In the case of any plan maintained exclusively for employees of an educational organization (as defined in section 170(b)(1)(A)(ii) of title 26) by an employer which is exempt from tax under section 501(a) of title 26, which provides that each participant having at least 1 year of service has a right to 100 percent of his accrued benefit under the plan which is nonforfeitable at the time such benefit accrues, clause (i) of subparagraph (A) shall be applied by substituting ''26'' for ''21''. This clause shall not apply to any plan to which clause (i) applies.

(2) No pension plan may exclude from participation (on the basis of age) employees who have attained a specified age.

(3)(A) For purposes of this section, the term ''year of service'' means a 12-month period during which the employee has not less than 1,000 hours of service. For purposes of this paragraph, computation of any 12-month period shall be made with reference to the date on which the employee's employment commenced, except that, in accordance with regulations prescribed by the Secretary, such computation may be made by reference to the first day of a plan year in the case of an employee who does not complete 1,000 hours of service during the 12-month period beginning on the date his employment commenced.

(B) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term ''year of service'' shall be such period as may be determined under regulations prescribed by the Secretary.

(C) For purposes of this section, the term ''hour of service'' means a time of service deter-

mined under regulations prescribed by the Secretary.

(D) For purposes of this section, in the case of any maritime industry, 125 days of service shall be treated as 1,000 hours of service. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(4) A plan shall be treated as not meeting the requirements of paragraph (1) unless it provides that any employee who has satisfied the minimum age and service requirements specified in such paragraph, and who is otherwise entitled to participate in the plan, commences participation in the plan no later than the earlier of—

(A) the first day of the first plan year beginning after the date on which such employee satisfied such requirements, or

(B) the date 6 months after the date on which he satisfied such requirements,

unless such employee was separated from the service before the date referred to in subparagraph (A) or (B), whichever is applicable.

(b)(1) Except as otherwise provided in paragraphs (2), (3), and (4), all years of service with the employer or employers maintaining the plan shall be taken into account in computing the period of service for purposes of subsection (a)(1) of this section.

(2) In the case of any employee who has any 1-year break in service (as defined in section 1053(b)(3)(A) of this title) under a plan to which the service requirements of clause (i) of subsection (a)(1)(B) of this section apply, if such employee has not satisfied such requirements, service before such break shall not be required to be taken into account.

(3) In computing an employee's period of service for purposes of subsection (a)(1) of this section in the case of any participant who has any 1-year break in service (as defined in section 1053(b)(3)(A) of this title), service before such break shall not be required to be taken into account under the plan until he has completed a year of service (as defined in subsection (a)(3) of this section) after his return.

(4)(A) For purposes of paragraph (1), in the case of a nonvested participant, years of service with the employer or employers maintaining the plan before any period of consecutive 1-year breaks in service shall not be required to be taken into account in computing the period of service if the number of consecutive 1-year breaks in service within such period equals or exceeds the greater of—

(i) 5, or

(ii) the aggregate number of years of service before such period.

(B) If any years of service are not required to be taken into account by reason of a period of breaks in service to which subparagraph (A) applies, such years of service shall not be taken into account in applying subparagraph (A) to a subsequent period of breaks in service.

(C) For purposes of subparagraph (A), the term ''nonvested participant'' means a participant who does not have any nonforfeitable right under the plan to an accrued benefit derived from employer contributions.

(5)(A) In the case of each individual who is absent from work for any period—

(i) by reason of the pregnancy of the individual,

(ii) by reason of the birth of a child of the individual,

(iii) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or

(iv) for purposes of caring for such child for a period beginning immediately following such birth or placement,

the plan shall treat as hours of service, solely for purposes of determining under this subsection whether a 1-year break in service (as defined in section 1053(b)(3)(A) of this title) has occurred, the hours described in subparagraph (B).

(B) The hours described in this subparagraph are—

(i) the hours of service which otherwise would normally have been credited to such individual but for such absence, or

(ii) in any case in which the plan is unable to determine the hours described in clause (i), 8 hours of service per day of such absence,

except that the total number of hours treated as hours of service under this subparagraph by reason of any such pregnancy or placement shall not exceed 501 hours.

(C) The hours described in subparagraph (B) shall be treated as hours of service as provided in this paragraph—

(i) only in the year in which the absence from work begins, if a participant would be prevented from incurring a 1-year break in service in such year solely because the period of absence is treated as hours of service as provided in subparagraph (A); or

(ii) in any other case, in the immediately following year.

(D) For purposes of this paragraph, the term ''year'' means the period used in computations pursuant to subsection (a)(3)(A) of this section.

(E) A plan may provide that no credit will be given pursuant to this paragraph unless the individual furnishes to the plan administrator such timely information as the plan may reasonably require to establish—

(i) that the absence from work is for reasons referred to in subparagraph (A), and

(ii) the number of days for which there was such an absence.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1002, 1053, 1054, 1060, 1061 of this title.

§ 1053. Minimum vesting standards

(a) Nonforfeitability requirements

Each pension plan shall provide that an employee's right to his normal retirement benefit is nonforfeitable upon the attainment of normal retirement age and in addition shall satisfy the requirements of paragraphs (1) and (2) of this subsection.

(1) A plan satisfies the requirements of this paragraph if an employee's rights in his accrued benefit derived from his own contributions are nonforfeitable.

(2) A plan satisfies the requirements of this paragraph if it satisfies the requirements of subparagraph (A) or (B).

(A) A plan satisfies the requirements of this subparagraph if an employee who has completed at least 5 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived from employer contributions.

(B) A plan satisfies the requirements of this subparagraph if an employee has a nonforfeitable right to a percentage of the employee's accrued benefit derived from employer contributions determined under the following table:

Years of service:	The nonforfeitable percentage is:
3	20
4	40
5	60
6	80
7 or more	100.

(3)(A) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that it is not payable if the participant dies (except in the case of a survivor annuity which is payable as provided in section 1055 of this title).

(B) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that the payment of benefits is suspended for such period as the employee is employed, subsequent to the commencement of payment of such benefits—

(i) in the case of a plan other than a multiemployer plan, by an employer who maintains the plan under which such benefits were being paid; and

(ii) in the case of a multiemployer plan, in the same industry, in the same trade or craft, and the same geographic area covered by the plan, as when such benefits commenced.

The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subparagraph, including regulations with respect to the meaning of the term ''employed''.

(C) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because plan amendments may be given retroactive application as provided in section 1082(c)(8) of this title.

(D)(i) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that, in the case of a participant who does not have a nonforfeitable right to at least 50 percent of his accrued benefit derived from employer contributions, such accrued benefit may be forfeited on account of the withdrawal by the participant of any amount attributable to the benefit derived from mandatory contributions (as defined in the last sentence of section 1054(c)(2)(C) of this title) made by such participant.

(ii) Clause (i) shall not apply to a plan unless the plan provides that any accrued benefit forfeited under a plan provision described in such clause shall be restored upon repayment by the participant of the full amount of the withdrawal described in such clause plus, in the case of a defined benefit plan, interest. Such interest shall be computed on such amount at the rate determined for purposes of section 1054(c)(2)(C) of this title (if such subsection applies) on the date of such repayment (computed annually from the date of such withdrawal). The plan provision required under this clause may provide that such repayment must be made (I) in the case of a withdrawal on account of separation from service, before the earlier of 5 years after the first date on which the participant is subsequently re-employed by the employer, or the close of the first period of 5 consecutive 1-year breaks in service commencing after the withdrawal; or (II) in the case of any other withdrawal, 5 years after the date of the withdrawal.

(iii) In the case of accrued benefits derived from employer contributions which accrued before September 2, 1974, a right to such accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that an amount of such accrued benefit may be forfeited on account of the withdrawal by the participant of an amount attributable to the benefit derived from mandatory contributions, made by such participant before September 2, 1974, if such amount forfeited is proportional to such amount withdrawn. This clause shall not apply to any plan to which any mandatory contribution is made after September 2, 1974. The Secretary of the Treasury shall prescribe such regulations as may be necessary to carry out the purposes of this clause.

(iv) For purposes of this subparagraph, in the case of any class-year plan, a withdrawal of employee contributions shall be treated as a withdrawal of such contributions on a plan year by plan year basis in succeeding order of time.

(v) Cross reference.—

For nonforfeitability where the employee has a nonforfeitable right to at least 50 percent of his accrued benefit, see section 1056(c) of this title.

(E)(i) A right to an accrued benefit derived from employer contributions under a multiemployer plan shall not be treated as forfeitable solely because the plan provides that benefits accrued as a result of service with the participant's employer before the employer had an obligation to contribute under the plan may not be payable if the employer ceases contributions to the multiemployer plan.

(ii) A participant's right to an accrued benefit derived from employer contributions under a multiemployer plan shall not be treated as forfeitable solely because—

(I) the plan is amended to reduce benefits under section 1425 or 1441 of this title, or

(II) benefit payments under the plan may be suspended under section 1426 or 1441 of this title.

(F) A matching contribution (within the meaning of section 401(m) of title 26) shall not be treated as forfeitable merely because such contribution is forfeitable if the contribution to which the matching contribution relates is treated as an excess contribution under section 401(k)(8)(B) of title 26, an excess deferral under section 402(g)(2)(A) of title 26, or an excess aggregate contribution under section 401(m)(6)(B) of title 26.

(b) Computation of period of service

(1) In computing the period of service under the plan for purposes of determining the nonforfeitable percentage under subsection (a)(2) of this section, all of an employee's years of service with the employer or employers maintaining the plan shall be taken into account, except that the following may be disregarded:

(A) years of service before age 18,[1]

(B) years of service during a period for which the employee declined to contribute to a plan requiring employee contributions,[1]

(C) years of service with an employer during any period for which the employer did not maintain the plan or a predecessor plan, defined by the Secretary of the Treasury;

(D) service not required to be taken into account under paragraph (3);

(E) years of service before January 1, 1971, unless the employee has had at least 3 years of service after December 31, 1970;

(F) years of service before this part first applies to the plan if such service would have been disregarded under the rules of the plan with regard to breaks in service, as in effect on the applicable date; and

(G) in the case of a multiemployer plan, years of service—

(i) with an employer after—

(I) a complete withdrawal of such employer from the plan (within the meaning of section 1383 of this title), or

(II) to the extent permitted by regulations prescribed by the Secretary of the Treasury, a partial withdrawal described in section 1385(b)(2)(A)(i) of this title in connection with the decertification of the collective bargaining representative; and

(ii) with any employer under the plan after the termination date of the plan under section 1348 of this title.

(2)(A) For purposes of this section, except as provided in subparagraph (C), the term ''year of service'' means a calendar year, plan year, or other 12-consecutive month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) during which the participant has completed 1,000 hours of service.

(B) For purposes of this section, the term ''hour of service'' has the meaning provided by section 1052(a)(3)(C) of this title.

(C) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term ''year of service'' shall be such period as determined under regulations of the Secretary.

(D) For purposes of this section, in the case of any maritime industry, 125 days of service shall be treated as 1,000 hours of service. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(3)(A) For purposes of this paragraph, the term ''1-year break in service'' means a calendar year, plan year, or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) during which the participant has not completed more than 500 hours of service.

(B) For purposes of paragraph (1), in the case of any employee who has any 1-year break in service, years of service before such break shall not be required to be taken into account until he has completed a year of service after his return.

(C) For purposes of paragraph (1), in the case of any participant in an individual account plan or an insured defined benefit plan which satisfies the requirements of subsection 1054(b)(1)(F) of this title who has 5 consecutive 1-year breaks in service, years of service after such 5-year period shall not be required to be taken into account for purposes of determining the nonforfeitable percentage of his accrued benefit derived from employer contributions which accrued before such 5-year period.

(D)(i) For purposes of paragraph (1), in the case of a nonvested participant, years of service with the employer or employers maintaining the plan before any period of consecutive 1-year breaks in service shall not be required to be taken into account if the number of consecutive 1-year breaks in service within such period equals or exceeds the greater of—

(I) 5, or

(II) the aggregate number of years of service before such period.

(ii) If any years of service are not required to be taken into account by reason of a period of breaks in service to which clause (i) applies, such years of service shall not be taken into account in applying clause (i) to a subsequent period of breaks in service.

(iii) For purposes of clause (i), the term ''nonvested participant'' means a participant who does not have any nonforfeitable right under the plan to an accrued benefit derived from employer contributions.

(E)(i) In the case of each individual who is absent from work for any period—

(I) by reason of the pregnancy of the individual,

(II) by reason of the birth of a child of the individual,

(III) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or

(IV) for purposes of caring for such child for a period beginning immediately following such birth or placement,

the plan shall treat as hours of service, solely for purposes of determining under this paragraph whether a 1-year break in service has occurred, the hours described in clause (ii).

(ii) The hours described in this clause are—

(I) the hours of service which otherwise would normally have been credited to such individual but for such absence, or

(II) in any case in which the plan is unable to determine the hours described in subclause (I), 8 hours of service per day of absence,

except that the total number of hours treated as hours of service under this clause by reason of such pregnancy or placement shall not exceed 501 hours.

(iii) The hours described in clause (ii) shall be treated as hours of service as provided in this subparagraph—

(I) only in the year in which the absence from work begins, if a participant would be prevented from incurring a 1-year break in service in such year solely because the period of absence is treated as hours of service as provided in clause (i); or

(II) in any other case, in the immediately following year.

[1] So in original. The comma probably should be a semicolon.

(iv) For purposes of this subparagraph, the term ''year'' means the period used in computations pursuant to paragraph (2).

(v) A plan may provide that no credit will be given pursuant to this subparagraph unless the individual furnishes to the plan administrator such timely information as the plan may reasonably require to establish—

(I) that the absence from work is for reasons referred to in clause (i), and

(II) the number of days for which there was such an absence.

(4) Cross references.—

(A) For definitions of "accrued benefit" and "normal retirement age", see sections 1002(23) and (24) of this title;

(B) For effect of certain cash out distributions, see section 1054(d)(1) of this title.

(c) Plan amendments altering vesting schedule

(1)(A) A plan amendment changing any vesting schedule under this plan shall be treated as not satisfying the requirements of subsection (a)(2) of this section if the nonforfeitable percentage of the accrued benefit derived from employer contributions (determined as of the later of the date such amendment is adopted, or the date such amendment becomes effective) of any employee who is a participant in the plan is less than such nonforfeitable percentage computed under the plan without regard to such amendment.

(B) A plan amendment changing any vesting schedule under the plan shall be treated as not satisfying the requirements of subsection (a)(2) of this section unless each participant having not less than 3 years of service is permitted to elect, within a reasonable period after adoption of such amendment, to have his nonforfeitable percentage computed under the plan without regard to such amendment.

(2) Subsection (a) of this section shall not apply to benefits which may not be provided for designated employees in the event of early termination of the plan under provisions of the plan adopted pursuant to regulations prescribed by the Secretary of the Treasury to preclude the discrimination prohibited by section 401(a)(4) of title 26.

(d) Nonforfeitable benefits after lesser period and in greater amounts than required

A pension plan may allow for nonforfeitable benefits after a lesser period and in greater amounts than are required by this part.

(e) Consent for distribution; present value; covered distributions

(1) If the present value of any nonforfeitable benefit with respect to a participant in a plan exceeds $5,000, the plan shall provide that such benefit may not be immediately distributed without the consent of the participant.

(2) For purposes of paragraph (1), the present value shall be calculated in accordance with section 1055(g)(3) of this title.

(3) This subsection shall not apply to any distribution of dividends to which section 404(k) of title 26 applies.

AMENDMENTS

1997—Subsec. (e)(1). Pub. L. 105–34 substituted ''$5,000'' for ''$3,500''.

Subsec. (a)(2)(C). Pub. L. 104–188, § 1442(b)(2), struck out subpar. (C) which read as follows: ''A plan satisfies the requirements of this subparagraph if—

''(i) the plan is a multiemployer plan (within the meaning of section 1002(37)), and

''(ii) under the plan—

''(I) an employee who is covered pursuant to a collective bargaining agreement described in section 1002(37)(A)(ii) of this title and who has completed at least 10 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived from employer contributions, and

''(II) the requirements of subparagraph (A) or (B) are met with respect to employees not described in subclause (I).''

1994—Subsec. (e)(2). Pub. L. 103–465 amended par. (2) generally. Prior to amendment, par. (2) read as follows:

''(2)(A) For purposes of paragraph (1), the present value shall be calculated—

''(i) by using an interest rate no greater than the applicable interest rate if the vested accrued benefit (using such rate) is not in excess of $25,000, and

''(ii) by using an interest rate no greater than 120 percent of the applicable interest rate if the vested accrued benefit exceeds $25,000 (as determined under clause (i)).

In no event shall the present value determined under subclause (II) be less than $25,000.

''(B) For purposes of subparagraph (A), the term 'applicable interest rate' means the interest rate which would be used (as of the date of the distribution) by the Pension Benefit Guaranty Corporation for purposes of determining the present value of a lump sum distribution on plan termination.''

Subsec. (a)(2)(C)(ii)(I). Pub. L. 101–239, § 7861(a)(1)(B), substituted ''section 1002(37)(A)(ii) of this title'' for ''section 414(f)(1)(B)''.

Subsec. (a)(3)(D)(v). Pub. L. 101–239, § 7894(c)(3), substituted ''nonforfeitability'' for ''nonforfeitably''.

Subsec. (a)(3)(F). Pub. L. 101–239, § 7861(a)(5)(B), added subpar. (F).

Subsec. (b)(1)(A). Pub. L. 101–239, § 7861(a)(6)(B), amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: ''years of service before age 18, except that in case of a plan which does not satisfy subparagraph (A) or (B) of subsection (a)(2) of this section, the plan may not disregard any such year of service during which the employee was a participant;''.

Subsec. (c)(2). Pub. L. 101–239, § 7891(a)(1), substituted ''Internal Revenue Code of 1986'' for ''Internal Revenue Code of 1954'', which for purposes of codification was translated as ''title 26'' thus requiring no change in text.

Subsec. (e)(1). Pub. L. 101–239, § 7862(d)(10), which directed amendment of par. (1) by substituting ''non-

forfeitable benefit'' for ''vested accrued benefit'', could not be executed because the language ''vested accrued benefit'' did not appear after the amendment by Pub. L. 101–239, §7862(d)(5), see below.

Pub. L. 101–239, §7862(d)(5), amended par. (1) generally. Prior to amendment, par. (1) read as follows: ''If the present value of any vested accrued benefit exceeds $3,500, a pension plan shall provide that such benefit may not be immediately distributed without the consent of the participant.''

Pub. L. 101–239, §7862(d)(4), made technical correction to Pub. L. 99–514, §1898(d)(1)(B), see 1986 Amendment note below.

Subsec. (e)(2). Pub. L. 101–239, §7891(b)(1), (2), realigned margins of subpars. (A) and (B) and struck out subpar. (B) heading ''Applicable interest rate''.

Subsec. (e)(3). Pub. L. 101–239, §7891(a)(1), substituted ''Internal Revenue Code of 1986'' for ''Internal Revenue Code of 1954'', which for purposes of codification was translated as ''title 26'' thus requiring no change in text.

1986—Subsec. (a)(2). Pub. L. 99–514, §1113(e)(1), amended par. (2) generally, substituting provisions covering 5-year vesting, 3- to 7-year vesting, and multiemployer plans, for former provisions which covered 10-year vesting, 5- to 15-year vesting, and the ''rule of 45'' under which a plan satisfied the requirements of this paragraph if an employee who had completed at least 5 years of service and with respect to whom the sum of his age and years of service equalled or exceeded 45 had a right to a percentage of his accrued benefits derived from employer contributions.

Subsec. (a)(3)(D)(ii). Pub. L. 99–514, §1898(a)(4)(B)(i), inserted last sentence and struck out former last sentence which read as follows: ''In the case of a defined contribution plan the plan provision required under this clause may provide that such repayment must be made before the participant has any 1-year break in service commencing after the withdrawal.''

Subsec. (c)(1)(B). Pub. L. 99–514, §1113(e)(4)(A), substituted ''3 years'' for ''5 years''.

Subsec. (c)(3). Pub. L. 99–514, §1113(e)(2), struck out par. (3) which provided for class year vesting.

Pub. L. 99–514, §1898(a)(1)(B), amended par. (3) generally. Prior to amendment, par. (3) read as follows: ''The requirements of subsection (a)(2) of this section shall be deemed to be satisfied in the case of a class year plan if such plan provides that 100 percent of each employee's right to or derived from the contributions of the employer on his behalf with respect to any plan year are nonforfeitable not later than the end of the 5th year following the plan year for which such contributions were made. For purposes of this part, the term 'class year plan' means a profit sharing, stock bonus, or money purchase plan which provides for the separate nonforfeitability of employees' rights to or derived from the contributions for each plan year.''

Subsec. (e)(1). Pub. L. 99–514, §1898(d)(1)(B), as amended by Pub. L. 101–239, §7862(d)(4), amended par. (1) generally. Prior to amendment, par. (1) read as follows: ''If the present value of any accrued benefit exceeds $3,500, such benefit shall not be treated as nonforfeitable if the plan provides that the present value of such benefit could be immediately distributed without the consent of the participant.''

Subsec. (e)(2). Pub. L. 99–514, §1139(c)(1), amended par. (2) generally. Prior to amendment, par. (2) read as follows: ''For purposes of paragraph (1), the present value shall be calculated by using an interest rate not greater than the interest rate which would be used (as of the date of the distribution) by the Pension Benefit Guaranty Corporation for purposes of determining the present value of a lump sum distribution on plan termination.''

Pub. L. 99–514, §1898(d)(2)(B), added par. (3).

1984—Subsec. (b)(1)(A). Pub. L. 98–397, §102(b), substituted ''18'' for ''22''.

Subsec. (b)(3)(C). Pub. L. 98–397, §102(c), substituted ''5 consecutive 1-year breaks in service'' for ''any 1-year break in service'' and substituted ''such 5-year period'' for ''such break'' in two places.

Subsec. (b)(3)(D). Pub. L. 98–397, §102(d)(2), amended subpar. (D) generally. Prior to amendment, subpar. (D) read as follows: ''For purposes of paragraph (1), in the case of a participant who, under the plan, does not have any nonforfeitable right to an accrued benefit derived from employer contributions, years of service before any 1-year break in service shall not be required to be taken into account if the number of consecutive 1-year breaks in service equals or exceeds the aggregate number of such years of service prior to such break. Such aggregate number of years of service before such break shall be deemed not to include any years of service not required to be taken into account under this subparagraph by reason of any prior break in service.''

Subsec. (b)(3)(E). Pub. L. 98–397, §102(e)(2), added subpar. (E).

Subsec. (e). Pub. L. 98–397, §105(a), added subsec. (e).

§ 1054. Benefit accrual requirements

(a) Satisfaction of requirements by pension plans

Each pension plan shall satisfy the requirements of subsection (b)(3) of this section, and—

(1) in the case of a defined benefit plan, shall satisfy the requirements of subsection (b)(1) of this section; and

(2) in the case of a defined contribution plan, shall satisfy the requirements of subsection (b)(2) of this section.

(b) Enumeration of plan requirements

(1)(A) A defined benefit plan satisfies the requirements of this paragraph if the accrued benefit to which each participant is entitled upon his separation from the service is not less than—

(i) 3 percent of the normal retirement benefit to which he would be entitled at the normal retirement age if he commenced participation at the earliest possible entry age under the plan and served continuously until the earlier of age 65 or the normal retirement age specified under the plan, multiplied by

(ii) the number of years (not in excess of 33⅓) of his participation in the plan.

In the case of a plan providing retirement benefits based on compensation during any period, the normal retirement benefit to which a participant would be entitled shall be determined as if he continued to earn annually the average rate of compensation which he earned during consecutive years of service, not in excess of 10, for which his compensation was the highest. For purposes of this subparagraph, social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after such current year.

(B) A defined benefit plan satisfies the requirements of this paragraph of a particular plan year if under the plan the accrued benefit payable at the normal retirement age is equal to the normal retirement benefit and the annual rate at which any individual who is or could be a participant can accrue the retirement benefits payable at normal retirement age under the plan for any later plan year is not more than 133⅓ percent of the annual rate at which he can accrue benefits for any plan year beginning on or after such particular plan year and before such later plan year. For purposes of this subparagraph—

(i) any amendment to the plan which is in effect for the current year shall be treated as in effect for all other plan years;

(ii) any change in an accrual rate which does not apply to any individual who is or could be a participant in the current year shall be disregarded;

(iii) the fact that benefits under the plan may be payable to certain employees before normal retirement age shall be disregarded; and

(iv) social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after the current year.

(C) A defined benefit plan satisfies the requirements of this paragraph if the accrued benefit to which any participant is entitled upon his sepa-

ration from the service is not less than a fraction of the annual benefit commencing at normal retirement age to which he would be entitled under the plan as in effect on the date of his separation if he continued to earn annually until normal retirement age the same rate of compensation upon which his normal retirement benefit would be computed under the plan, determined as if he had attained normal retirement age on the date any such determination is made (but taking into account no more than the 10 years of service immediately preceding his separation from service). Such fraction shall be a fraction, not exceeding 1, the numerator of which is the total number of his years of participation in the plan (as of the date of his separation from the service) and the denominator of which is the total number of years he would have participated in the plan if he separated from the service at the normal retirement age. For purposes of this subparagraph, social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after such current year.

(D) Subparagraphs (A), (B), and (C) shall not apply with respect to years of participation before the first plan year to which this section applies but a defined benefit plan satisfies the requirements of this subparagraph with respect to such years of participation only if the accrued benefit of any participant with respect to such years of participation is not less than the greater of—

(i) his accrued benefit determined under the plan, as in effect from time to time prior to September 2, 1974, or

(ii) an accrued benefit which is not less than one-half of the accrued benefit to which such participant would have been entitled if subparagraph (A), (B), or (C) applied with respect to such years of participation.

(E) Notwithstanding subparagraphs (A), (B), and (C) of this paragraph, a plan shall not be treated as not satisfying the requirements of this paragraph solely because the accrual of benefits under the plan does not become effective until the employee has two continuous years of service. For purposes of this subparagraph, the term ''year of service'' has the meaning provided by section 1052(a)(3)(A) of this title.

(F) Notwithstanding subparagraphs (A), (B), and (C), a defined benefit plan satisfies the requirements of this paragraph if such plan

(i) is funded exclusively by the purchase of insurance contracts, and

(ii) satisfies the requirements of paragraphs (2) and (3) of section 1081(b) of this title (relating to certain insurance contract plans),

but only if an employee's accrued benefit as of any applicable date is not less than the cash surrender value his insurance contracts would have on such applicable date if the requirements of paragraphs (4), (5), and (6) of section 1081(b) of this title were satisfied.

(G) Notwithstanding the preceding subparagraphs, a defined benefit plan shall be treated as not satisfying the requirements of this paragraph if the participant's accrued benefit is reduced on account of any increase in his age or service. The preceding sentence shall not apply to benefits under the plan commencing before benefits payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] which benefits under the plan—

(i) do not exceed social security benefits, and

(ii) terminate when such social security benefits commence.

(H)(i) Notwithstanding the preceding subparagraphs, a defined benefit plan shall be treated as not satisfying the requirements of this paragraph if, under the plan, an employee's benefit accrual is ceased, or the rate of an employee's benefit accrual is reduced, because of the attainment of any age.

(ii) A plan shall not be treated as failing to meet the requirements of this subparagraph solely because the plan imposes (without regard to age) a limitation on the amount of benefits that the plan provides or a limitation on the number of years of service or years of participation which are taken into account for purposes of determining benefit accrual under the plan.

(iii) In the case of any employee who, as of the end of any plan year under a defined benefit plan, has attained normal retirement age under such plan—

(I) if distribution of benefits under such plan with respect to such employee has commenced as of the end of such plan year, then any requirement of this subparagraph for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of the actuarial equivalent of in-service distribution of benefits, and

(II) if distribution of benefits under such plan with respect to such employee has not commenced as of the end of such year in accordance with section 1056(a)(3) of this title, and the payment of benefits under such plan with respect to such employee is not suspended during such plan year pursuant to section 1053(a)(3)(B) of this title, then any requirement of this subparagraph for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of any adjustment in the benefit payable under the plan during such plan year attributable to the delay in the distribution of benefits after the attainment of normal retirement age.

The preceding provisions of this clause shall apply in accordance with regulations of the Secretary of the Treasury. Such regulations may provide for the application of the preceding provisions of this clause, in the case of any such employee, with respect to any period of time within a plan year.

(iv) Clause (i) shall not apply with respect to any employee who is a highly compensated employee (within the meaning of section 414(q) of title 26) to the extent provided in regulations prescribed by the Secretary of the Treasury for purposes of precluding discrimination in favor of highly compensated employees within the meaning of subchapter D of chapter 1 of title 26.

(v) A plan shall not be treated as failing to meet the requirements of clause (i) solely because the subsidized portion of any early retire-

ment benefit is disregarded in determining benefit accruals.

(vi) Any regulations prescribed by the Secretary of the Treasury pursuant to clause (v) of section 411(b)(1)(H) of title 26 shall apply with respect to the requirements of this subparagraph in the same manner and to the same extent as such regulations apply with respect to the requirements of such section 411(b)(1)(H).

(2)(A) A defined contribution plan satisfies the requirements of this paragraph if, under the plan, allocations to the employee's account are not ceased, and the rate at which amounts are allocated to the employee's account is not reduced, because of the attainment of any age.

(B) A plan shall not be treated as failing to meet the requirements of subparagraph (A) solely because the subsidized portion of any early retirement benefit is disregarded in determining benefit accruals.

(C) Any regulations prescribed by the Secretary of the Treasury pursuant to subparagraphs (B) and (C) of section 411(b)(2) of title 26 shall apply with respect to the requirements of this paragraph in the same manner and to the same extent as such regulations apply with respect to the requirements of such section 411(b)(2).

(3) A plan satisfies the requirements of this paragraph if—

(A) in the case of a defined benefit plan, the plan requires separate accounting for the portion of each employee's accrued benefit derived from any voluntary employee contributions permitted under the plan; and

(B) in the case of any plan which is not a defined benefit plan, the plan requires separate accounting for each employee's accrued benefit.

(4)(A) For purposes of determining an employee's accrued benefit, the term ''year of participation'' means a period of service (beginning at the earliest date on which the employee is a participant in the plan and which is included in a period of service required to be taken into account under section 1052(b) of this title, determined without regard to section 1052(b)(5) of this title) as determined under regulations prescribed by the Secretary which provide for the calculation of such period on any reasonable and consistent basis.

(B) For purposes of this paragraph, except as provided in subparagraph (C), in the case of any employee whose customary employment is less than full time, the calculation of such employee's service on any basis which provides less than a ratable portion of the accrued benefit to which he would be entitled under the plan if his customary employment were full time shall not be treated as made on a reasonable and consistent basis.

(C) For purposes of this paragraph, in the case of any employee whose service is less than 1,000 hours during any calendar year, plan year or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) the calculation of his period of service shall not be treated as not made on a reasonable and consistent basis merely because such service is not taken into account.

(D) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term ''year of participation'' shall be such period as determined under regulations prescribed by the Secretary.

(E) For purposes of this subsection in the case of any maritime industry, 125 days of service shall be treated as a year of participation. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(c) Employee's accrued benefits derived from employer and employee contributions

(1) For purposes of this section and section 1053 of this title an employee's accrued benefit derived from employer contributions as of any applicable date is the excess (if any) of the accrued benefit for such employee as of such applicable date over the accrued benefit derived from contributions made by such employee as of such date.

(2)(A) In the case of a plan other than a defined benefit plan, the accrued benefit derived from contributions made by an employee as of any applicable date is—

(i) except as provided in clause (ii), the balance of the employee's separate account consisting only of his contributions and the income, expenses, gains, and losses attributable thereto, or

(ii) if a separate account is not maintained with respect to an employee's contributions under such a plan, the amount which bears the same ratio to his total accrued benefit as the total amount of the employee's contributions (less withdrawals) bears to the sum of such contributions and the contributions made on his behalf by the employer (less withdrawals).

(B) DEFINED BENEFIT PLANS.—In the case of a defined benefit plan, the accrued benefit derived from contributions made by an employee as of any applicable date is the amount equal to the employee's accumulated contributions expressed as an annual benefit commencing at normal retirement age, using an interest rate which would be used under the plan under section 1055(g)(3) of this title (as of the determination date).

(C) For purposes of this subsection, the term ''accumulated contributions'' means the total of—

(i) all mandatory contributions made by the employee,

(ii) interest (if any) under the plan to the end of the last plan year to which section 1053(a)(2) of this title does not apply (by reason of the applicable effective date), and

(iii) interest on the sum of the amounts determined under clauses (i) and (ii) compounded annually—

(I) at the rate of 120 percent of the Federal mid-term rate (as in effect under section 1274 of title 26 for the 1st month of a plan year for the period beginning with the 1st plan year to which subsection (a)(2) of this section applies by reason of the applicable effective date) and ending with the date on which the determination is being made, and

(II) at the interest rate which would be used under the plan under section 1055(g)(3) of this title (as of the determination date)

for the period beginning with the determination date and ending on the date on which the employee attains normal retirement age.

For purposes of this subparagraph, the term ''mandatory contributions'' means amounts contributed to the plan by the employee which are required as a condition of employment, as a condition of participation in such plans, or as a condition of obtaining benefits under the plan attributable to employer contributions.

(D) The Secretary of the Treasury is authorized to adjust by regulation the conversion factor described in subparagraph (B) from time to time as he may deem necessary. No such adjustment shall be effective for a plan year beginning before the expiration of 1 year after such adjustment is determined and published.

(3) For purposes of this section, in the case of any defined benefit plan, if an employee's accrued benefit is to be determined as an amount other than an annual benefit commencing at normal retirement age, or if the accrued benefit derived from contributions made by an employee is to be determined with respect to a benefit other than an annual benefit in the form of a single life annuity (without ancillary benefits) commencing at normal retirement age, the employee's accrued benefit, or the accrued benefits derived from contributions made by an employee, as the case may be, shall be the actuarial equivalent of such benefit or amount determined under paragraph (1) or (2).

(4) In the case of a defined benefit plan which permits voluntary employee contributions, the portion of an employee's accrued benefit derived from such contributions shall be treated as an accrued benefit derived from employee contributions under a plan other than a defined benefit plan.

(d) Employee service which may be disregarded in determining employee's accrued benefits under plan

Notwithstanding section 1053(b)(1) of this title, for purposes of determining the employee's accrued benefit under the plan, the plan may disregard service performed by the employee with respect to which he has received—

(1) a distribution of the present value of his entire nonforfeitable benefit if such distribution was in an amount (not more than the dollar limit under section 1053(e)(1) of this title) permitted under regulations prescribed by the Secretary of the Treasury, or

(2) a distribution of the present value of his nonforfeitable benefit attributable to such service which he elected to receive.

Paragraph (1) shall apply only if such distribution was made on termination of the employee's participation in the plan. Paragraph (2) shall apply only if such distribution was made on termination of the employee's participation in the plan or under such other circumstances as may be provided under regulations prescribed by the Secretary of the Treasury.

(e) Opportunity to repay full amount of distributions which have been reduced through disregarded employee service

For purposes of determining the employee's accrued benefit, the plan shall not disregard service as provided in subsection (d) of this section unless the plan provides an opportunity for the participant to repay the full amount of a distribution described in subsection (d) of this section with, in the case of a defined benefit plan, interest at the rate determined for purposes of subsection (c)(2)(C) of this section and provides that upon such repayment the employee's accrued benefit shall be recomputed by taking into account service so disregarded. This subsection shall apply only in the case of a participant who—

(1) received such a distribution in any plan year to which this section applies which distribution was less than the present value of his accrued benefit,

(2) resumes employment covered under the plan, and

(3) repays the full amount of such distribution with, in the case of a defined benefit plan, interest at the rate determined for purposes of subsection (c)(2)(C) of this section.

The plan provision required under this subsection may provide that such repayment must be made (A) in the case of a withdrawal on account of separation from service, before the earlier of 5 years after the first date on which the participant is subsequently re-employed by the employer, or the close of the first period of 5 consecutive 1-year breaks in service commencing after the withdrawal; or (B) in the case of any other withdrawal, 5 years after the date of the withdrawal.

(f) Employer treated as maintaining a plan

For the purposes of this part, an employer shall be treated as maintaining a plan if any employee of such employer accrues benefits under such plan by reason of service with such employer.

(g) Decrease of accrued benefits through amendment of plan

(1) The accrued benefit of a participant under a plan may not be decreased by an amendment of the plan, other than an amendment described in section 1082(c)(8) or 1441 of this title.

(2) For purposes of paragraph (1), a plan amendment which has the effect of—

(A) eliminating or reducing an early retirement benefit or a retirement-type subsidy (as defined in regulations), or

(B) eliminating an optional form of benefit,

with respect to benefits attributable to service before the amendment shall be treated as reducing accrued benefits. In the case of a retirement-type subsidy, the preceding sentence shall apply only with respect to a participant who satisfies (either before or after the amendment) the preamendment conditions for the subsidy. The Secretary of the Treasury may by regulations provide that this subparagraph shall not apply to a plan amendment described in subparagraph (B) (other than a plan amendment having an effect described in subparagraph (A)).

(3) For purposes of this subsection, any—

(A) tax credit employee stock ownership plan (as defined in section 409(a) of title 26, or

(B) employee stock ownership plan (as defined in section 4975(e)(7) of title 26),

shall not be treated as failing to meet the requirements of this subsection merely because it

modifies distribution options in a nondiscriminatory manner.

(h) Notice of significant reduction in benefit accruals

with respect to employees of the debtor, shall be effective prior to the effective date of such employer's plan of reorganization.

§ 1055. Requirement of joint and survivor annuity and preretirement survivor annuity

(a) Required contents for applicable plans

Each pension plan to which this section applies shall provide that—

(1) in the case of a vested participant who does not die before the annuity starting date, the accrued benefit payable to such participant shall be provided in the form of a qualified joint and survivor annuity, and

(2) in the case of a vested participant who dies before the annuity starting date and who has a surviving spouse, a qualified preretirement survivor annuity shall be provided to the surviving spouse of such participant.

(b) Applicable plans

(1) This section shall apply to—

(A) any defined benefit plan,

(B) any individual account plan which is subject to the funding standards of section 1082 of this title, and

(C) any participant under any other individual account plan unless—

(i) such plan provides that the participant's nonforfeitable accrued benefit (reduced by any security interest held by the plan by reason of a loan outstanding to such participant) is payable in full, on the death of the participant, to the participant's surviving spouse (or, if there is no surviving spouse or the surviving spouse consents in the manner required under subsection (c)(2) of this section, to a designated beneficiary),

(ii) such participant does not elect the payment of benefits in the form of a life annuity, and

(iii) with respect to such participant, such plan is not a direct or indirect transferee (in a transfer after December 31, 1984) of a plan which is described in subparagraph (A) or (B) or to which this clause applied with respect to the participant.

Clause (iii) of subparagraph (C) shall apply only with respect to the transferred assets (and income therefrom) if the plan separately accounts for such assets and any income therefrom.

(2)(A) In the case of—

(i) a tax credit employee stock ownership plan (as defined in section 409(a) of title 26), or

(ii) an employee stock ownership plan (as defined in section 4975(e)(7) of title 26),

subsection (a) of this section shall not apply to that portion of the employee's accrued benefit to which the requirements of section 409(h) of title 26 apply.

(B) Subparagraph (A) shall not apply with respect to any participant unless the requirements of clause[1] (i), (ii), and (iii) of paragraph (1)(C) are met with respect to such participant.

(4)[2] This section shall not apply to a plan which the Secretary of the Treasury or his delegate has determined is a plan described in section 404(c) of title 26 (or a continuation thereof) in which participation is substantially limited to individuals who, before January 1, 1976, ceased employment covered by the plan.

(4)[2] A plan shall not be treated as failing to meet the requirements of paragraph (1)(C) or (2) merely because the plan provides that benefits will not be payable to the surviving spouse of the participant unless the participant and such spouse had been married throughout the 1-year period ending on the earlier of the participant's annuity starting date or the date of the participant's death.

(c) Plans meeting requirements of section

(1) A plan meets the requirements of this section only if—

(A) under the plan, each participant—

(i) may elect at any time during the applicable election period to waive the qualified joint and survivor annuity form of benefit or the qualified preretirement survivor annuity form of benefit (or both), and

(ii) may revoke any such election at any time during the applicable election period, and

(B) the plan meets the requirements of paragraphs (2), (3), and (4).

(2) Each plan shall provide that an election under paragraph (1)(A)(i) shall not take effect unless—

(A)(i) the spouse of the participant consents in writing to such election, (ii) such election designates a beneficiary (or a form of benefits) which may not be changed without spousal consent (or the consent of the spouse expressly permits designations by the participant without any requirement of further consent by the spouse), and (iii) the spouse's consent acknowledges the effect of such election and is witnessed by a plan representative or a notary public, or

(B) it is established to the satisfaction of a plan representative that the consent required under subparagraph (A) may not be obtained because there is no spouse, because the spouse cannot be located, or because of such other circumstances as the Secretary of the Treasury may by regulations prescribe.

Any consent by a spouse (or establishment that the consent of a spouse may not be obtained) under the preceding sentence shall be effective only with respect to such spouse.

(3)(A) Each plan shall provide to each participant, within a reasonable period of time before the annuity starting date (and consistent with such regulations as the Secretary of the Treasury may prescribe) a written explanation of—

(i) the terms and conditions of the qualified joint and survivor annuity,

(ii) the participant's right to make, and the effect of, an election under paragraph (1) to waive the joint and survivor annuity form of benefit,

(iii) the rights of the participant's spouse under paragraph (2), and

(iv) the right to make, and the effect of, a revocation of an election under paragraph (1).

(B)(i) Each plan shall provide to each participant, within the applicable period with respect to such participant (and consistent with such regulations as the Secretary may prescribe), a written explanation with respect to the qualified preretirement survivor annuity comparable to that required under subparagraph (A).

(ii) For purposes of clause (i), the term ''applicable period'' means, with respect to a participant, whichever of the following periods ends last:

(I) The period beginning with the first day of the plan year in which the participant attains age 32 and ending with the close of the plan year preceding the plan year in which the participant attains age 35.

(II) A reasonable period after the individual becomes a participant.

(III) A reasonable period ending after paragraph (5) ceases to apply to the participant.

(IV) A reasonable period ending after this section applies to the participant.

---

[1] So in original. Probably should be ''clauses''.

[2] So in original. There are two pars. designated (4) and no par. (3).

In the case of a participant who separates from service before attaining age 35, the applicable period shall be a reasonable period after separation.

(4) Each plan shall provide that, if this section applies to a participant when part or all of the participant's accrued benefit is to be used as security for a loan, no portion of the participant's accrued benefit may be used as security for such loan unless—

(A) the spouse of the participant (if any) consents in writing to such use during the 90-day period ending on the date on which the loan is to be so secured, and

(B) requirements comparable to the requirements of paragraph (2) are met with respect to such consent.

(5)(A) The requirements of this subsection shall not apply with respect to the qualified joint and survivor annuity form of benefit or the qualified preretirement survivor annuity form of benefit, as the case may be, if such benefit may not be waived (or another beneficiary selected) and if the plan fully subsidizes the costs of such benefit.

(B) For purposes of subparagraph (A), a plan fully subsidizes the costs of a benefit if under the plan the failure to waive such benefit by a participant would not result in a decrease in any plan benefits with respect to such participant and would not result in increased contributions from such participant.

(6) If a plan fiduciary acts in accordance with part 4 of this subtitle in—

(A) relying on a consent or revocation referred to in paragraph (1)(A), or

(B) making a determination under paragraph (2),

then such consent, revocation, or determination shall be treated as valid for purposes of discharging the plan from liability to the extent of payments made pursuant to such Act.

(7) For purposes of this subsection, the term ''applicable election period'' means—

(A) in the case of an election to waive the qualified joint and survivor annuity form of benefit, the 90-day period ending on the annuity starting date, or

(B) in the case of an election to waive the qualified preretirement survivor annuity, the period which begins on the first day of the plan year in which the participant attains age 35 and ends on the date of the participant's death.

In the case of a participant who is separated from service, the applicable election period under subparagraph (B) with respect to benefits accrued before the date of such separation from service shall not begin later than such date.

(8) Notwithstanding any other provision of this subsection—

(A)(i) A plan may provide the written explanation described in paragraph (3)(A) after the annuity starting date. In any case to which this subparagraph applies, the applicable election period under paragraph (7) shall not end before the 30th day after the date on which such explanation is provided.

(ii) The Secretary of the Treasury may by regulations limit the application of clause (i), except that such regulations may not limit the period of time by which the annuity starting date precedes the provision of the written explanation other than by providing that the annuity starting date may not be earlier than termination of employment.

(B) A plan may permit a participant to elect (with any applicable spousal consent) to waive any requirement that the written explanation be provided at least 30 days before the annuity starting date (or to waive the 30-day requirement under subparagraph (A)) if the distribution commences more than 7 days after such explanation is provided.

(d) "Qualified joint and survivor annuity" defined

For purposes of this section, the term ''qualified joint and survivor annuity'' means an annuity—

(1) for the life of the participant with a survivor annuity for the life of the spouse which is not less than 50 percent of (and is not greater than 100 percent of) the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(2) which is the actuarial equivalent of a single annuity for the life of the participant.

Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

(e) "Qualified preretirement survivor annuity" defined

For purposes of this section—

(1) Except as provided in paragraph (2), the term ''qualified preretirement survivor annuity'' means a survivor annuity for the life of the surviving spouse of the participant if—

(A) the payments to the surviving spouse under such annuity are not less than the amounts which would be payable as a survivor annuity under the qualified joint and survivor annuity under the plan (or the actuarial equivalent thereof) if—

(i) in the case of a participant who dies after the date on which the participant attained the earliest retirement age, such participant had retired with an immediate qualified joint and survivor annuity on the day before the participant's date of death, or

(ii) in the case of a participant who dies on or before the date on which the participant would have attained the earliest retirement age, such participant had—

(I) separated from service on the date of death,

(II) survived to the earliest retirement age,

(III) retired with an immediate qualified joint and survivor annuity at the earliest retirement age, and

(IV) died on the day after the day on which such participant would have attained the earliest retirement age, and

(B) under the plan, the earliest period for which the surviving spouse may receive a payment under such annuity is not later than the month in which the participant would have attained the earliest retirement age under the plan.

In the case of an individual who separated from service before the date of such individual's death, subparagraph (A)(ii)(I) shall not apply.

(2) In the case of any individual account plan or participant described in subparagraph (B) or (C) of subsection (b)(1) of this section, the term ''qualified preretirement survivor annuity'' means an annuity for the life of the surviving spouse the actuarial equivalent of which is not less than 50 percent of the portion of the account balance of the participant (as of the date of death) to which the participant had a nonforfeitable right (within the meaning of section 1053 of this title).

(3) For purposes of paragraphs (1) and (2), any security interest held by the plan by reason of a loan outstanding to the participant shall be taken into account in determining the amount of the qualified preretirement survivor annuity.

(f) Marriage requirements for plan

(1) Except as provided in paragraph (2), a plan may provide that a qualified joint and survivor annuity (or a qualified preretirement survivor annuity) will not be provided unless the participant and spouse had been married throughout the 1-year period ending on the earlier of—

(A) the participant's annuity starting date, or

(B) the date of the participant's death.

(2) For purposes of paragraph (1), if—

(A) a participant marries within 1 year before the annuity starting date, and

(B) the participant and the participant's spouse in such marriage have been married for at least a 1-year period ending on or before the date of the participant's death,

such participant and such spouse shall be treated as having been married throughout the 1-year period ending on the participant's annuity starting date.

(g) Distribution of present value of annuity; written consent; determination of present value

(1) A plan may provide that the present value of a qualified joint and survivor annuity or a qualified preretirement survivor annuity will be immediately distributed if such value does not exceed the dollar limit under section 1053(e)(1) of this title. No distribution may be made under the preceding sentence after the annuity starting date unless the participant and the spouse of the participant (or where the participant has died, the surviving spouse) consent in writing to such distribution.

(2) If—

(A) the present value of the qualified joint and survivor annuity or the qualified preretirement survivor annuity exceeds the dollar limit under section 1053(e)(1) of this title, and

(B) the participant and the spouse of the participant (or where the participant has died, the surviving spouse) consent in writing to the distribution,

the plan may immediately distribute the present value of such annuity.

(3) DETERMINATION OF PRESENT VALUE.—

(A) IN GENERAL.—

(i) PRESENT VALUE.—Except as provided in subparagraph (B), for purposes of paragraphs (1) and (2), the present value shall not be less than the present value calculated by using the applicable mortality table and the applicable interest rate.

(ii) DEFINITIONS.—For purposes of clause (i)—

(I) APPLICABLE MORTALITY TABLE.—The term ''applicable mortality table'' means the table prescribed by the Secretary of the Treasury. Such table shall be based on the prevailing commissioners' standard table (described in section 807(d)(5)(A) of title 26) used to determine reserves for group annuity contracts issued on the date as of which present value is being determined (without regard to any other subparagraph of section 807(d)(5) of such title).

(II) APPLICABLE INTEREST RATE.—The term ''applicable interest rate'' means the annual rate of interest on 30-year Treasury securities for the month before the date of distribution or such other time as the Secretary of the Treasury may by regulations prescribe.

(B) EXCEPTION.—In the case of a distribution from a plan that was adopted and in effect prior to December 8, 1994, the present value of any distribution made before the earlier of—

(i) the later of when a plan amendment applying subparagraph (A) is adopted or made effective, or

(ii) the first day of the first plan year beginning after December 31, 1999,

shall be calculated, for purposes of paragraphs (1) and (2), using the interest rate determined under the regulations of the Pension Benefit Guaranty Corporation for determining the present value of a lump sum distribution on plan termination that were in effect on September 1, 1993, and using the provisions of the plan as in effect on the day before December 8, 1994; but only if such provisions of the plan met the requirements of this paragraph as in effect on the day before December 8, 1994.

(h) Definitions

For purposes of this section—

(1) The term ''vested participant'' means any participant who has a nonforfeitable right (within the meaning of section 1002(19) of this title) to any portion of such participant's accrued benefit.

(2)(A) The term ''annuity starting date'' means—

(i) the first day of the first period for which an amount is payable as an annuity, or

(3) The term ''earliest retirement age'' means the earliest date on which, under the

plan, the participant could elect to receive retirement benefits.

(i) Increased costs from providing annuity

A plan may take into account in any equitable manner (as determined by the Secretary of the Treasury) any increased costs resulting from providing a qualified joint or survivor annuity or a qualified preretirement survivor annuity.

(j) Use of participant's accrued benefit as security for loan as not preventing distribution

If the use of any participant's accrued benefit (or any portion thereof) as security for a loan meets the requirements of subsection (c)(4) of this section, nothing in this section shall prevent any distribution required by reason of a failure to comply with the terms of such loan.

(k) Spousal consent

No consent of a spouse shall be effective for purposes of subsection (g)(1) or (g)(2) of this section (as the case may be) unless requirements comparable to the requirements for spousal consent to an election under subsection (c)(1)(A) of this section are met.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1053, 1054, 1056, 1061, 1322, 1350 of this title; title 28 section 3010.

§ 1056. Form and payment of benefits

(a) Commencement date for payment of benefits

Each pension plan shall provide that unless the participant otherwise elects, the payment of benefits under the plan to the participant shall begin not later than the 60th day after the latest of the close of the plan year in which—

(1) occurs the date on which the participant attains the earlier of age 65 or the normal retirement age specified under the plan,

(2) occurs the 10th anniversary of the year in which the participant commenced participation in the plan, or

(3) the participant terminates his service with the employer.

In the case of a plan which provides for the payment of an early retirement benefit, such plan shall provide that a participant who satisfied the service requirements for such early retirement benefit, but separate from the service (with any nonforfeitable right to an accrued benefit) before satisfying the age requirement for such early retirement benefit, is entitled upon satisfaction of such age requirement to receive a benefit not less than the benefit to which he would be entitled at the normal retirement age, actuarially reduced under regulations prescribed by the Secretary of the Treasury.

(b) Decrease in plan benefits by reason of increases in benefit levels under Social Security Act or Railroad Retirement Act of 1937

If—

(1) a participant or beneficiary is receiving benefits under a pension plan, or

(2) a participant is separated from the service and has non-forfeitable rights to benefits,

a plan may not decrease benefits of such a participant by reason of any increase in the benefit levels payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] or the Railroad Retirement Act of 1937 [45 U.S.C. 231 et seq.] or any increase in the wage base under such title II, if such increase takes place after September 2, 1974, or (if later) the earlier of the date of first entitlement of such benefits or the date of such separation.

(c) Forfeiture of accrued benefits derived from employer contributions

No pension plan may provide that any part of a participant's accrued benefit derived from employer contributions (whether or not otherwise nonforfeitable) is forfeitable solely because of withdrawal by such participant of any amount attributable to the benefit derived from contributions made by such participant. The preceding sentence shall not apply (1) to the accrued benefit of any participant unless, at the time of such withdrawal, such participant has a nonforfeitable right to at least 50 percent of such accrued benefit, or (2) to the extent that an accrued benefit is permitted to be forfeited in accordance with section 1053(a)(3)(D)(iii) of this title.

(d) Assignment or alienation of plan benefits

(1) Each pension plan shall provide that benefits provided under the plan may not be assigned or alienated.

(2) For the purposes of paragraph (1) of this subsection, there shall not be taken into account any voluntary and revocable assignment of not to exceed 10 percent of any benefit payment, or of any irrevocable assignment or alienation of benefits executed before September 2, 1974. The preceding sentence shall not apply to any assignment or alienation made for the purposes of defraying plan administration costs. For purposes of this paragraph a loan made to a participant or beneficiary shall not be treated as

an assignment or alienation if such loan is secured by the participant's accrued non-forfeitable benefit and is exempt from the tax imposed by section 4975 of title 26 (relating to tax on prohibited transactions) by reason of section 4975(d)(1) of title 26.

(3)(A) Paragraph (1) shall apply to the creation, assignment, or recognition of a right to any benefit payable with respect to a participant pursuant to a domestic relations order, except that paragraph (1) shall not apply if the order is determined to be a qualified domestic relations order. Each pension plan shall provide for the payment of benefits in accordance with the applicable requirements of any qualified domestic relations order.

(B) For purposes of this paragraph—

(i) the term ''qualified domestic relations order'' means a domestic relations order—

(I) which creates or recognizes the existence of an alternate payee's right to, or assigns to an alternate payee the right to, receive all or a portion of the benefits payable with respect to a participant under a plan, and

(II) with respect to which the requirements of subparagraphs (C) and (D) are met, and

(ii) the term ''domestic relations order'' means any judgment, decree, or order (including approval of a property settlement agreement) which—

(I) relates to the provision of child support, alimony payments, or marital property rights to a spouse, former spouse, child, or other dependent of a participant, and

(II) is made pursuant to a State domestic relations law (including a community property law).

(C) A domestic relations order meets the requirements of this subparagraph only if such order clearly specifies—

(i) the name and the last known mailing address (if any) of the participant and the name and mailing address of each alternate payee covered by the order,

(ii) the amount or percentage of the participant's benefits to be paid by the plan to each such alternate payee, or the manner in which such amount or percentage is to be determined,

(iii) the number of payments or period to which such order applies, and

(iv) each plan to which such order applies.

(D) A domestic relations order meets the requirements of this subparagraph only if such order—

(i) does not require a plan to provide any type or form of benefit, or any option, not otherwise provided under the plan,

(ii) does not require the plan to provide increased benefits (determined on the basis of actuarial value), and

(iii) does not require the payment of benefits to an alternate payee which are required to be paid to another alternate payee under another order previously determined to be a qualified domestic relations order.

(E)(i) A domestic relations order shall not be treated as failing to meet the requirements of clause (i) of subparagraph (D) solely because such order requires that payment of benefits be made to an alternate payee—

(I) in the case of any payment before a participant has separated from service, on or after the date on which the participant attains (or would have attained) the earliest retirement age,

(II) as if the participant had retired on the date on which such payment is to begin under such order (but taking into account only the present value of benefits actually accrued and not taking into account the present value of any employer subsidy for early retirement), and

(III) in any form in which such benefits may be paid under the plan to the participant (other than in the form of a joint and survivor annuity with respect to the alternate payee and his or her subsequent spouse).

For purposes of subclause (II), the interest rate assumption used in determining the present value shall be the interest rate specified in the plan or, if no rate is specified, 5 percent.

(ii) For purposes of this subparagraph, the term ''earliest retirement age'' means the earlier of—

(I) the date on which the participant is entitled to a distribution under the plan, or

(II) the later of the date of the participant attains age 50 or the earliest date on which the participant could begin receiving benefits under the plan if the participant separated from service.

(F) To the extent provided in any qualified domestic relations order—

(i) the former spouse of a participant shall be treated as a surviving spouse of such participant for purposes of section 1055 of this title (and any spouse of the participant shall not be treated as a spouse of the participant for such purposes), and

(ii) if married for at least 1 year, the surviving former spouse shall be treated as meeting the requirements of section 1055(f) of this title.

(G)(i) In the case of any domestic relations order received by a plan—

(I) the plan administrator shall promptly notify the participant and each alternate payee of the receipt of such order and the plan's procedures for determining the qualified status of domestic relations orders, and

(II) within a reasonable period after receipt of such order, the plan administrator shall determine whether such order is a qualified domestic relations order and notify the participant and each alternate payee of such determination.

(ii) Each plan shall establish reasonable procedures to determine the qualified status of domestic relations orders and to administer distributions under such qualified orders. Such procedures—

(I) shall be in writing,

(II) shall provide for the notification of each person specified in a domestic relations order as entitled to payment of benefits under the plan (at the address included in the domestic relations order) of such procedures promptly

upon receipt by the plan of the domestic relations order, and

(III) shall permit an alternate payee to designate a representative for receipt of copies of notices that are sent to the alternate payee with respect to a domestic relations order.

(H)(i) During any period in which the issue of whether a domestic relations order is a qualified domestic relations order is being determined (by the plan administrator, by a court of competent jurisdiction, or otherwise), the plan administrator shall separately account for the amounts (hereinafter in this subparagraph referred to as the ''segregated amounts'') which would have been payable to the alternate payee during such period if the order had been determined to be a qualified domestic relations order.

(ii) If within the 18-month period described in clause (v) the order (or modification thereof) is determined to be a qualified domestic relations order, the plan administrator shall pay the segregated amounts (including any interest thereon) to the person or persons entitled thereto.

(iii) If within the 18-month period described in clause (v)—

(I) it is determined that the order is not a qualified domestic relations order, or

(II) the issue as to whether such order is a qualified domestic relations order is not resolved,

then the plan administrator shall pay the segregated amounts (including any interest thereon) to the person or persons who would have been entitled to such amounts if there had been no order.

(iv) Any determination that an order is a qualified domestic relations order which is made after the close of the 18-month period described in clause (v) shall be applied prospectively only.

(v) For purposes of this subparagraph, the 18-month period described in this clause is the 18-month period beginning with the date on which the first payment would be required to be made under the domestic relations order.

(I) If a plan fiduciary acts in accordance with part 4 of this subtitle in—

(i) treating a domestic relations order as being (or not being) a qualified domestic relations order, or

(ii) taking action under subparagraph (H),

then the plan's obligation to the participant and each alternate payee shall be discharged to the extent of any payment made pursuant to such Act.

(J) A person who is an alternate payee under a qualified domestic relations order shall be considered for purposes of any provision of this chapter a beneficiary under the plan. Nothing in the preceding sentence shall permit a requirement under section 1301 of this title of the payment of more than 1 premium with respect to a participant for any period.

(K) The term ''alternate payee'' means any spouse, former spouse, child, or other dependent of a participant who is recognized by a domestic relations order as having a right to receive all, or a portion of, the benefits payable under a plan with respect to such participant.

(L) This paragraph shall not apply to any plan to which paragraph (1) does not apply.

(M) Payment of benefits by a pension plan in accordance with the applicable requirements of a qualified domestic relations order shall not be treated as garnishment for purposes of section 1673(a) of title 15.

(N) In prescribing regulations under this paragraph, the Secretary shall consult with the Secretary of the Treasury.

(4) Paragraph (1) shall not apply to any offset of a participant's benefits provided under an employee pension benefit plan against an amount that the participant is ordered or required to pay to the plan if—

(A) the order or requirement to pay arises—

(i) under a judgment of conviction for a crime involving such plan,

(ii) under a civil judgment (including a consent order or decree) entered by a court in an action brought in connection with a violation (or alleged violation) of part 4 of this subtitle, or

(iii) pursuant to a settlement agreement between the Secretary and the participant, or a settlement agreement between the Pension Benefit Guaranty Corporation and the participant, in connection with a violation (or alleged violation) of part 4 of this subtitle by a fiduciary or any other person,

(B) the judgment, order, decree, or settlement agreement expressly provides for the offset of all or part of the amount ordered or required to be paid to the plan against the participant's benefits provided under the plan, and

(C) in a case in which the survivor annuity requirements of section 1055 of this title apply with respect to distributions from the plan to the participant, if the participant has a spouse at the time at which the offset is to be made—

(i) either—

(I) such spouse has consented in writing to such offset and such consent is witnessed by a notary public or representative of the plan (or it is established to the satisfaction of a plan representative that such consent may not be obtained by reason of circumstances described in section 1055(c)(2)(B) of this title), or

(II) an election to waive the right of the spouse to a qualified joint and survivor annuity or a qualified preretirement survivor annuity is in effect in accordance with the requirements of section 1055(c) of this title,

(ii) such spouse is ordered or required in such judgment, order, decree, or settlement to pay an amount to the plan in connection with a violation of part 4 of this subtitle, or

(iii) in such judgment, order, decree, or settlement, such spouse retains the right to receive the survivor annuity under a qualified joint and survivor annuity provided pursuant to section 1055(a)(1) of this title and under a qualified preretirement survivor annuity provided pursuant to section 1055(a)(2) of this title, determined in accordance with paragraph (5).

A plan shall not be treated as failing to meet the requirements of section 1055 of this title solely by reason of an offset under this paragraph.

(5)(A) The survivor annuity described in paragraph (4)(C)(iii) shall be determined as if—

(i) the participant terminated employment on the date of the offset,

(ii) there was no offset,

(iii) the plan permitted commencement of benefits only on or after normal retirement age,

(iv) the plan provided only the minimum-required qualified joint and survivor annuity, and

(v) the amount of the qualified preretirement survivor annuity under the plan is equal to the amount of the survivor annuity payable under the minimum-required qualified joint and survivor annuity.

(B) For purposes of this paragraph, the term ''minimum-required qualified joint and survivor annuity'' means the qualified joint and survivor annuity which is the actuarial equivalent of the participant's accrued benefit (within the meaning of section 1002(23) of this title) and under which the survivor annuity is 50 percent of the amount of the annuity which is payable during the joint lives of the participant and the spouse.

(e) Limitation on distributions other than life annuities paid by plan

(1) In general

Notwithstanding any other provision of this part, the fiduciary of a pension plan that is subject to the additional funding requirements of section 1082(d) of this title shall not permit a prohibited payment to be made from a plan during a period in which such plan has a liquidity shortfall (as defined in section 1082(e)(5) of this title).

(2) Prohibited payment

For purposes of paragraph (1), the term ''prohibited payment'' means—

(A) any payment, in excess of the monthly amount paid under a single life annuity (plus any social security supplements described in the last sentence of section 1054(b)(1)(G) of this title), to a participant or beneficiary whose annuity starting date (as defined in section 1055(h)(2) of this title), that occurs during the period referred to in paragraph (1),

(B) any payment for the purchase of an irrevocable commitment from an insurer to pay benefits, and

(C) any other payment specified by the Secretary of the Treasury by regulations.

(3) Period of shortfall

For purposes of this subsection, a plan has a liquidity shortfall during the period that there is an underpayment of an installment under section 1082(e) of this title by reason of paragraph (5)(A) thereof.

(4) Coordination with other provisions

Compliance with this subsection shall not constitute a violation of any other provision of this chapter.

(f) Missing participants in terminated plans

In the case of a plan covered by subchapter III of this chapter, the plan shall provide that, upon termination of the plan, benefits of missing participants shall be treated in accordance with section 1350 of this title.

For provisions directing that if any amendments made by subtitle A or subtitle C of title XI [§§ 1101–1147 and 1171–1177] or title XVIII [§§ 1800–1899A] of Pub. L. 99–514 require an amendment to any plan, such plan amendment shall not be required to be made before the first plan year beginning on or after Jan. 1, 1989, see section 1140 of Pub. L. 99–514, as amended, set out as a note under section 401 of Title 26, Internal Revenue Code.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 623, 1021, 1053, 1054, 1061, 1132, 1144, 1301, 1322, 1344 of this title; title 42 section 666.

§ 1057. Temporary variances from certain vesting requirements

In the case of any plan maintained on January 1, 1974, if not later than 2 years after September 2, 1974, the administrator petitions the Secretary, the Secretary may prescribe an alternate method which shall be treated as satisfying the requirements of section 1053(a)(2) or 1054(b)(1) (other than subparagraph (D) thereof) of this title or both for a period of not more than 4 years. The Secretary may prescribe such alternate method only when he finds that—

(1) the application of such requirements would increase the costs of the plan to such an extent that there would result a substantial risk to the voluntary continuation of the plan or a substantial curtailment of benefit levels or the levels of employees' compensation.

(2) the application of such requirements or discontinuance of the plan would be adverse to the interests of plan participants in the aggregate, and

(3) a waiver or extension of time granted under section 1083 or 1084 of this title would be inadequate.

In the case of any plan with respect to which an alternate method has been prescribed under the preceding provisions of this subsection for a period of not more than 4 years, if, not later than 1 year before the expiration of such period, the administrator petitions the Secretary for an extension of such alternate method, and the Secretary makes the findings required by the preceding sentence, such alternate method may be extended for not more than 3 years.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1143 of this title.

§ 1058. Mergers and consolidations of plans or transfers of plan assets

A pension plan may not merge or consolidate with, or transfer its assets or liabilities to, any other plan after September 2, 1974, unless each participant in the plan would (if the plan then terminated) receive a benefit immediately after the merger, consolidation, or transfer which is equal to or greater than the benefit he would have been entitled to receive immediately before the merger, consolidation, or transfer (if the plan had then terminated). The preceding sentence shall not apply to any transaction to the extent that participants either before or after the transaction are covered under a multiemployer plan to which subchapter III of this chapter applies.

(Pub. L. 93–406, title I, § 208, Sept. 2, 1974, 88 Stat. 865; Pub. L. 96–364, title IV, § 402(b)(1), Sept. 26, 1980, 94 Stat. 1299.)

AMENDMENTS

1980—Pub. L. 96–364 substituted provisions respecting applicability of preceding sentence to transactions under a covered multiemployer plan to which subchapter III applies, for provisions relating to applicability of paragraph to a multiemployer plan only to extent determined by Corporation.

EFFECTIVE DATE OF 1980 AMENDMENT

Amendment by Pub. L. 96–364 effective Sept. 26, 1980, except as specifically provided, see section 1461(e) of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1061, 1343, 1344 of this title.

§ 1059. Recordkeeping and reporting requirements

(a)(1) Except as provided by paragraph (2) every employer shall, in accordance with regulations prescribed by the Secretary, maintain records with respect to each of his employees sufficient to determine the benefits due or which may become due to such employees. The plan administrator shall make a report, in such manner and at such time as may be provided in regulations prescribed by the Secretary, to each employee who is a participant under the plan and who—

(A) requests such report, in such manner and at such time as may be provided in such regulations,

(B) terminates his service with the employer, or

(C) has a 1-year break in service (as defined in section 1053(b)(3)(A) of this title).

The employer shall furnish to the plan administrator the information necessary for the administrator to make the reports required by the preceding sentence. Not more than one report shall be required under subparagraph (A) in any 12-month period. Not more than one report shall be required under subparagraph (C) with respect to consecutive 1-year breaks in service. The report required under this paragraph shall be sufficient to inform the employee of his accrued benefits under the plan and the percentage of such benefits which are nonforfeitable under the plan.

(2) If more than one employer adopts a plan, each such employer shall, in accordance with regulations prescribed by the Secretary, furnish to the plan administrator the information necessary for the administrator to maintain the records and make the reports required by paragraph (1). Such administrator shall maintain the records and, to the extent provided under regulations prescribed by the Secretary, make the reports, required by paragraph (1).

(b) If any person who is required, under subsection (a) of this section, to furnish information or maintain records for any plan year fails to comply with such requirement, he shall pay to the Secretary a civil penalty of $10 for each employee with respect to whom such failure occurs, unless it is shown that such failure is due to reasonable cause.

§ 1060. Multiple employer plans

(a) Plan maintained by more than one employer

Notwithstanding any other provision of this part or part 3, the following provisions of this subsection shall apply to a plan maintained by more than one employer:

(1) Section 1052 of this title shall be applied as if all employees of each of the employers were employed by a single employer.

(2) Sections 1053 and 1054 of this title shall be applied as if all such employers constituted a single employer, except that the application of any rules with respect to breaks in service shall be made under regulations prescribed by the Secretary.

(3) The minimum funding standard provided by section 1082 of this title shall be determined as if all participants in the plan were employed by a single employer.

(b) Maintenance of plan of predecessor employer

For purposes of this part and part 3—

(1) in any case in which the employer maintains a plan of a predecessor employer, service for such predecessor shall be treated as service for the employer, and

(2) in any case in which the employer maintains a plan which is not the plan maintained by a predecessor employer, service for such predecessor shall, to the extent provided in regulations prescribed by the Secretary of the Treasury, be treated as service for the employer.

(c) Plan maintained by controlled group of corporations

For purposes of sections 1052, 1053, and 1054 of this title, all employees of all corporations which are members of a controlled group of corporations (within the meaning of section 1563(a) of title 26, determined without regard to section 1563(a)(4) and (e)(3)(C) of title 26) shall be treated as employed by a single employer. With respect to a plan adopted by more than one such cor-

poration, the minimum funding standard of section 1082 of this title shall be determined as if all such employers were a single employer, and allocated to each employer in accordance with regulations prescribed by the Secretary of the Treasury.

(d) Plan of trades or businesses under common control

For purposes of sections 1052, 1053, and 1054 of this title, under regulations prescribed by the Secretary of the Treasury, all employees of trades or businesses (whether or not incorporated) which are under common control shall be treated as employed by a single employer. The regulations prescribed under this subsection shall be based on principles similar to the principles which apply in the case of subsection (c) of this section.

AMENDMENTS

1989—Subsec. (c). Pub. L. 101–239, § 7894(c)(10), substituted ''and (e)(3)(C) of such Code'' for ''and (e)(3)(C) of such code'', which for purposes of codification was translated as ''and (e)(3)(C) of title 26'' thus requiring no change in text.

Amendment by section 7894(c)(10) of Pub. L. 101–239 effective, except as otherwise provided, as if originally included in the provision of the Employee Retirement Income Security Act of 1974, Pub. REGULATIONS

Secretary authorized, effective Sept. 2, 1974, to promulgate regulations wherever provisions of this subchapter call for the promulgation of regulations, see section 1031 of this title.

§ 1061. Effective dates

(a) Except as otherwise provided in this section, this part shall apply in the case of plan years beginning after September 2, 1974.

(b)(1) Except as otherwise provided in subsection (d) of this section, sections 1055, 1056(d) and 1058 of this title shall apply with respect to plan years beginning after December 31, 1975.

(2) Except as otherwise provided in subsections (c) and (d) of this section in the case of a plan in existence on January 1, 1974, this part shall apply in the case of plan years beginning after December 31, 1975.

(c)(1) In the case of a plan maintained on January 1, 1974, pursuant to one or more agreements which the Secretary finds to be collective bargaining agreements between employee organizations and one or more employers, no plan shall be treated as not meeting the requirements of sections 1054 and 1055 of this title by reason of a supplementary or special plan provision (within the meaning of paragraph (2)) for any plan year before the year which begins after the earlier of—

(A) the date on which the last of such agreements relating to the plan terminates (determined without regard to any extension thereof agreed to after September 2, 1974), or

(B) December 31, 1980.

For purposes of subparagraph (A) and section 1086(c)[1] of this title, any plan amendment made pursuant to a collective bargaining agreement relating to the plan which amends the plan solely to conform to any requirement contained in this chapter or the Internal Revenue Code of 1986 shall not be treated as a termination of such collective bargaining agreement. This paragraph shall not apply unless the Secretary determines that the participation and vesting rules in effect on September 2, 1974, are not less favorable to participants, in the aggregate, than the rules provided under sections 1052, 1053, and 1054 of this title.

(2) For purposes of paragraph (1), the term ''supplementary or special plan provision'' means any plan provision which—

(A) provides supplementary benefits, not in excess of one-third of the basic benefit, in the form of any annuity for the life of the participant, or

(B) provides that, under a contractual agreement based on medical evidence as to the effects of working in an adverse environment for an extended period of time, a participant having 25 years of service is to be treated as having 30 years of service.

(3) This subsection shall apply with respect to a plan if (and only if) the application of this subsection results in a later effective date for this part than the effective date required by subsection (b) of this section.

(d) If the administrator of a plan elects under section 1017(d) of this Act to make applicable to a plan year and to all subsequent plan years the provisions of the Internal Revenue Code of 1986 relating to participation, vesting, funding, and form of benefit, this part shall apply to the first plan year to which such election applies and to all subsequent plan years.

(e)(1) No pension plan to which section 1052 of this title applies may make effective any plan amendment with respect to breaks in service (which amendment is made or becomes effective after January 1, 1974, and before the date on which section 1052 of this title first becomes effective with respect to such plan) which provides that any employee's participation in the plan would commence to any date later than the later of—

(A) the date on which his participation would commence under the break in service rules of section 1052(b) of this title, or

(B) the date on which his participation would commence under the plan as in effect on January 1, 1974.

(2) No pension plan to which section 1053 of this title applies may make effective any plan

amendment with respect to breaks in service (which amendment is made or becomes effective after January 1, 1974, and before the date on which section 1053 of this title first becomes effective with respect to such plan) if such amendment provides that the nonforfeitable benefit derived from employer contributions to which any employee would be entitled is less than the lesser of the nonforfeitable benefit derived from employer contributions to which he would be entitled under—

(A) the break in service rules of section 1052(b)(3) of this title, or

(B) the plan as in effect on January 1, 1974.

Subparagraph (B) shall not apply if the break in service rules under the plan would have been in violation of any law or rule of law in effect on January 1, 1974.

(f) The preceding provisions of this section shall not apply with respect to amendments made to this part in provisions enacted after September 2, 1974.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1003, 1023, 1054 of this title.

§ 1082. Minimum funding standards

(a) Avoidance of accumulated funding deficiency

(1) Every employee pension benefit plan subject to this part shall satisfy the minimum funding standard (or the alternative minimum funding standard under section 1085 of this title) for any plan year to which this part applies. A plan to which this part applies shall have satisfied the minimum funding standard for such plan for a plan year if as of the end of such plan year the plan does not have an accumulated funding deficiency.

(2) For the purposes of this part, the term ''accumulated funding deficiency'' means for any plan the excess of the total charges to the funding standard account for all plan years (beginning with the first plan year to which this part applies) over the total credits to such account for such years or, if less, the excess of the total charges to the alternative minimum funding standard account for such plan years over the total credits to such account for such years.

(3) In any plan year in which a multiemployer plan is in reorganization, the accumulated funding deficiency of the plan shall be determined under section 1423 of this title.

(b) Funding standard account

(1) Each plan to which this part applies shall establish and maintain a funding standard account. Such account shall be credited and charged solely as provided in this section.

(2) For a plan year, the funding standard account shall be charged with the sum of—

(A) the normal cost of the plan for the plan year,

(B) the amounts necessary to amortize in equal annual installments (until fully amortized)—

(i) in the case of a plan in existence on January 1, 1974, the unfunded past service liability under the plan on the first day of the first plan year to which this part applies, over a period of 40 plan years,

(ii) in the case of a plan which comes into existence after January 1, 1974, the unfunded past service liability under the plan on the first day of the first plan year to which this part applies, over a period of 30 plan years,

(iii) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 30 plan years,

(iv) separately, with respect to each plan year, the net experience loss (if any) under the plan, over a period of 5 plan years (15 plan years in the case of a multiemployer plan), and

(v) separately, with respect to each plan year, the net loss (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 10 plan years (30 plan years in the case of a multiemployer plan),

(C) the amount necessary to amortize each waived funding deficiency (within the meaning of section 1083(c) of this title) for each prior plan year in equal annual installments (until fully amortized) over a period of 5 plan years (15 plan years in the case of a multiemployer plan),

(D) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 5 plan years any amount credited to the funding standard account under paragraph (3)(D), and

(E) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 20 years the contributions which would be required to be made under the plan but for the provisions of subsection (c)(7)(A)(i)(I) of this section.

(3) For a plan year, the funding standard account shall be credited with the sum of—

(A) the amount considered contributed by the employer to or under the plan for the plan year,

(B) the amount necessary to amortize in equal annual installments (until fully amortized)—

(i) separately, with respect to each plan year, the net decrease (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 30 plan years,

(ii) separately, with respect to each plan year, the net experience gain (if any) under the plan, over a period of 5 plan years (15 plan years in the case of a multiemployer plan), and

(iii) separately, with respect to each plan year, the net gain (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 10 plan years (30 plan years in the case of a multiemployer plan),

(C) the amount of the waived funding deficiency (within the meaning of section 1083(c) of this title) for the plan year, and

(D) in the case of a plan year for which the accumulated funding deficiency is determined under the funding standard account if such plan year follows a plan year for which such deficiency was determined under the alternative minimum funding standard, the excess (if any) of any debit balance in the funding standard account (determined without regard to this subparagraph) over any debit balance in the alternative minimum funding standard account.

(4) Under regulations prescribed by the Secretary of the Treasury, amounts required to be amortized under paragraph (2) or paragraph (3), as the case may be—

(A) may be combined into one amount under such paragraph to be amortized over a period determined on the basis of the remaining amortization period for all items entering into such combined amount, and

(B) may be off set against amounts required to be amortized under the other such paragraph, with the resulting amount to be amortized over a period determined on the basis of the remaining amortization periods for all items entering into whichever of the two amounts being offset is the greater.

(5) INTEREST.—

(A) IN GENERAL.—The funding standard account (and items therein) shall be charged or credited (as determined under regulations prescribed by the Secretary of the Treasury) with interest at the appropriate rate consistent with the rate or rates of interest used under the plan to determine costs.

(B) REQUIRED CHANGE OF INTEREST RATE.—For purposes of determining a plan's current liability and for purposes of determining a plan's required contribution under subsection (d) of this section for any plan year—

(i) IN GENERAL.—If any rate of interest used under the plan to determine cost is not within the permissible range, the plan shall establish a new rate of interest within the permissible range.

(ii) PERMISSIBLE RANGE.—For purposes of this subparagraph—

(I) IN GENERAL.—Except as provided in subclause (II), the term ''permissible range'' means a rate of interest which is not more than 10 percent above, and not more than 10 percent below, the the[1] weighted average of the rates of interest on 30-year Treasury securities during the

[1] So in original.

4-year period ending on the last day before the beginning of the plan year.

(II) SECRETARIAL AUTHORITY.—If the Secretary finds that the lowest rate of interest permissible under subclause (I) is unreasonably high, the Secretary may prescribe a lower rate of interest, except that such rate may not be less than 80 percent of the average rate determined under subclause (I).

(iii) ASSUMPTIONS.—Notwithstanding subsection (c)(3)(A)(i) of this section, the interest rate used under the plan shall be—

(I) determined without taking into account the experience of the plan and reasonable expectations, but

(II) consistent with the assumptions which reflect the purchase rates which would be used by insurance companies to satisfy the liabilities under the plan.

(6) In the case of a plan which, immediately before September 26, 1980, was a multiemployer plan (within the meaning of section 1002(37) of this title as in effect immediately before such date)—

(A) any amount described in paragraph (2)(B)(ii), (2)(B)(iii), or (3)(B)(i) of this subsection which arose in a plan year beginning before such date shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the amount arose;

(B) any amount described in paragraph (2)(B)(iv) or (3)(B)(ii) of this subsection which arose in a plan year beginning before such date shall be amortized in equal annual installments (until fully amortized) over 20 plan years, beginning with the plan year in which the amount arose;

(C) any change in past service liability which arises during the period of 3 plan years beginning on or after such date, and results from a plan amendment adopted before such date, shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the change arises; and

(D) any change in past service liability which arises during the period of 2 plan years beginning on or after such date, and results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits which—

(i) was adopted before such date, and

(ii) was effective for any plan participant before the beginning of the first plan year beginning on or after such date,

shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the increase arises.

(7) For purposes of this part—

(A) Any amount received by a multiemployer plan in payment of all or part of an employer's withdrawal liability under part 1 of subtitle E of subchapter III of this chapter shall be considered an amount contributed by the employer to or under the plan. The Secretary of the Treasury may prescribe by regulation additional charges and credits to a multiemployer plan's funding standard account to the extent necessary to prevent withdrawal liability payments from being unduly reflected as advance funding for plan liabilities.

(B) If a plan is not in reorganization in the plan year but was in reorganization in the immediately preceding plan year, any balance in the funding standard account at the close of such immediately preceding plan year—

(i) shall be eliminated by an offsetting credit or charge (as the case may be), but

(ii) shall be taken into account in subsequent plan years by being amortized in equal annual installments (until fully amortized) over 30 plan years.

The preceding sentence shall not apply to the extent of any accumulated funding deficiency under section 418B(a) of title 26 as of the end of the last plan year that the plan was in reorganization.

(C) Any amount paid by a plan during a plan year to the Pension Benefit Guaranty Corporation pursuant to section 1402 of this title or to a fund exempt under section 501(c)(22) of title 26 pursuant to section 1403 of this title shall reduce the amount of contributions considered received by the plan for the plan year.

(D) Any amount paid by an employer pending a final determination of the employer's withdrawal liability under part 1 of subtitle E of subchapter III of this chapter and subsequently refunded to the employer by the plan shall be charged to the funding standard account in accordance with regulations prescribed by the Secretary.

(E) For purposes of the full funding limitation under subsection (c)(7) of this section, unless otherwise provided by the plan, the accrued liability under a multiemployer plan shall not include benefits which are not nonforfeitable under the plan after the termination of the plan (taking into consideration section 411(d)(3) of title 26).

(c) Methods

(1) For purposes of this part, normal costs, accrued liability, past service liabilities, and experience gains and losses shall be determined under the funding method used to determine costs under the plan.

(2)(A) For purposes of this part, the value of the plan's assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary of the Treasury.

(B) For purposes of this part, the value of a bond or other evidence of indebtedness which is not in default as to principal or interest may, at the election of the plan administrator, be determined on an amortized basis running from initial cost at purchase to par value at maturity or earliest call date. Any election under this subparagraph shall be made at such time and in such manner as the Secretary of the Treasury shall by regulations provide, shall apply to all such evidences of indebtedness, and may be revoked only with the consent of the Secretary of the Treasury. In the case of a plan other than a

multiemployer plan, this subparagraph shall not apply, but the Secretary of the Treasury may by regulations provide that the value of any dedicated bond portfolio of such plan shall be determined by using the interest rate under subsection (b)(5) of this section.

(3) For purposes of this section, all costs, liabilities, rates of interest, and other factors under the plan shall be determined on the basis of actuarial assumptions and methods—

(A) in the case of—

(i) a plan other than a multiemployer plan, each of which is reasonable (taking into account the experience of the plan and reasonable expectations) or which, in the aggregate, result in a total contribution equivalent to that which would be determined if each such assumption and method were reasonable, or

(ii) a multiemployer plan, which, in the aggregate, are reasonable (taking into account the experiences of the plan and reasonable expectations), and

(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.

(4) For purposes of this section, if—

(A) a change in benefits under the Social Security Act [42 U.S.C. 301 et seq.] or in other retirement benefits created under Federal or State law, or

(B) a change in the definition of the term ''wages'' under section 3121 of title 26, or a change in the amount of such wages taken into account under regulations prescribed for purposes of section 401(a)(5) of title 26,

results in an increase or decrease in accrued liability under a plan, such increase or decrease shall be treated as an experience loss or gain.

(5)(A) IN GENERAL.—If the funding method for a plan is changed, the new funding method shall become the funding method used to determine costs and liabilities under the plan only if the change is approved by the Secretary of the Treasury. If the plan year for a plan is changed, the new plan year shall become the plan year for the plan only if the change is approved by the Secretary of the Treasury.

(B) APPROVAL REQUIRED FOR CERTAIN CHANGES IN ASSUMPTIONS BY CERTAIN SINGLE-EMPLOYER PLANS SUBJECT TO ADDITIONAL FUNDING REQUIREMENT.—

(i) IN GENERAL.—No actuarial assumption (other than the assumptions described in subsection (d)(7)(C) of this section) used to determine the current liability for a plan to which this subparagraph applies may be changed without the approval of the Secretary of the Treasury.

(ii) PLANS TO WHICH SUBPARAGRAPH APPLIES.—This subparagraph shall apply to a plan only if—

(I) the plan is a defined benefit plan (other than a multiemployer plan) to which subchapter III of this chapter applies;

(II) the aggregate unfunded vested benefits as of the close of the preceding plan year (as determined under section 1306(a)(3)(E)(iii) of this title) of such plan and all other plans maintained by the contributing sponsors (as defined in section 1301(a)(13) of this title) and members of such sponsors' controlled groups (as defined in section 1301(a)(14) of this title) which are covered by subchapter III of this chapter (disregarding plans with no unfunded vested benefits) exceed $50,000,000; and

(III) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the unfunded current liability of the plan for the current plan year that exceeds $50,000,000, or that exceeds $5,000,000 and that is 5 percent or more of the current liability of the plan before such change.

(6) If, as of the close of a plan year, a plan would (without regard to this paragraph) have an accumulated funding deficiency (determined without regard to the alternative minimum funding standard account permitted under section 1085 of this title) in excess of the full funding limitation—

(A) the funding standard account shall be credited with the amount of such excess, and

(B) all amounts described in paragraphs (2), (B), (C), and (D) and (3)(B) of subsection (b) of this section which are required to be amortized shall be considered fully amortized for purposes of such paragraphs.

(7) FULL-FUNDING LIMITATION.—

(A) IN GENERAL.—For purposes of paragraph (6), the term ''full-funding limitation'' means the excess (if any) of—

(i) the lesser of (I) the applicable percentage of current liability (including the expected increase in current liability due to benefits accruing during the plan year), or (II) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

(ii) the lesser of—

(I) the fair market value of the plan's assets, or

(II) the value of such assets determined under paragraph (2).

(B) CURRENT LIABILITY.—For purposes of subparagraph (D) and subclause (I) of subparagraph (A)(i), the term ''current liability'' has the meaning given such term by subsection (d)(7) of this section (without regard to subparagraphs (C) and (D) thereof) and using the rate of interest used under subsection (b)(5)(B) of this section.

(C) SPECIAL RULE FOR PARAGRAPH (6)(B).—For purposes of paragraph (6)(B), subparagraph (A)(i) shall be applied without regard to subclause (I) thereof.

(D) REGULATORY AUTHORITY.—The Secretary of the Treasury may by regulations provide—

(i) for adjustments to the percentage contained in subparagraph (A)(i) to take into account the respective ages or lengths of service of the participants, and

(ii) alternative methods based on factors other than current liability for the determination of the amount taken into account under subparagraph (A)(i).

(E) MINIMUM AMOUNT.—

(i) IN GENERAL.—In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

(I) 90 percent of the current liability of the plan (including the expected increase in current liability due to benefits accruing during the plan year), over

(II) the value of the plan's assets determined under paragraph (2).

(ii) CURRENT LIABILITY; ASSETS.—For purposes of clause (i)—

(I) the term ''current liability'' has the meaning given such term by subsection (d)(7) of this section (without regard to subparagraph (D) thereof), and

(II) assets shall not be reduced by any credit balance in the funding standard account.

(F) APPLICABLE PERCENTAGE.—For purposes of subparagraph (A)(i)(I), the applicable percentage shall be determined in accordance with the following table:

In the case of any plan year beginning in—	The applicable percentage is—
1999 or 2000	155
2001 or 2002	160
2003 or 2004	165
2005 and succeeding years	170.

(8) For purposes of this part, any amendment applying to a plan year which—

(A) is adopted after the close of such plan year but no later than 2½ months after the close of the plan year (or, in the case of a multiemployer plan, no later than 2 years after the close of such plan year),

(B) does not reduce the accrued benefit of any participant determined as of the beginning of the first plan year to which the amendment applies, and

(C) does not reduce the accrued benefit of any participant determined as of the time of adoption except to the extent required by the circumstances,

shall, at the election of the plan administrator, be deemed to have been made on the first day of such plan year. No amendment described in this paragraph which reduces the accrued benefits of any participant shall take effect unless the plan administrator files a notice with the Secretary notifying him of such amendment and the Secretary has approved such amendment or, within 90 days after the date on which such notice was filed, failed to disapprove such amendment. No amendment described in this subsection shall be approved by the Secretary unless he determines that such amendment is necessary because of a substantial business hardship (as determined under section 1083(b) of this title) and that waiver under section 1083(a) of this title is unavailable or inadequate.

(9) For purposes of this part, a determination of experience gains and losses and a valuation of the plan's liability shall be made not less frequently than once every year, except that such determination shall be made more frequently to the extent required in particular cases under regulations prescribed by the Secretary of the Treasury.

(10) For purposes of this section—

(A) In the case of a defined benefit plan other than a multiemployer plan, any contributions for a plan year made by an employer during the period—

(i) beginning on the day after the last day of such plan year, and

(ii) ending on the date which is 8½ months after the close of the plan year,

shall be deemed to have been made on such last day.

(B) In the case of a plan not described in subparagraph (A), any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this subparagraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary of the Treasury.

(11) LIABILITY FOR CONTRIBUTIONS.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the amount of any contribution required by this section and any required installments under subsection (e) of this section shall be paid by the employer responsible for contributing to or under the plan the amount described in subsection (b)(3)(A) of this section.

(B) JOINT AND SEVERAL LIABILITY WHERE EMPLOYER MEMBER OF CONTROLLED GROUP.—

(i) IN GENERAL.—In the case of a plan other than a multiemployer plan, if the employer referred to in subparagraph (A) is a member of a controlled group, each member of such group shall be jointly and severally liable for payment of such contribution or required installment.

(ii) CONTROLLED GROUP.—For purposes of clause (i), the term ''controlled group'' means any group treated as a single employer under subsection (b), (c), (m), or (*o*) of section 414 of title 26.

(12) ANTICIPATION OF BENEFIT INCREASES EFFECTIVE IN THE FUTURE.—In determining projected benefits, the funding method of a collectively bargained plan described in section 413(a) of title 26 (other than a multiemployer plan) shall anticipate benefit increases scheduled to take effect during the term of the collective bargaining agreement applicable to the plan.

(d) Additional funding requirements for plans which are not multiemployer plans

(1) In general

In the case of a defined benefit plan (other than a multiemployer plan) to which this subsection applies under paragraph (9) for any plan year, the amount charged to the funding standard account for such plan year shall be increased by the sum of—

(A) the excess (if any) of—

(i) the deficit reduction contribution determined under paragraph (2) for such plan year, over

(ii) the sum of the charges for such plan year under subsection (b)(2) of this section, reduced by the sum of the credits for such

plan year under subparagraph (B) of subsection (b)(3) of this section, plus

(B) the unpredictable contingent event amount (if any) for such plan year.

Such increase shall not exceed the amount which, after taking into account charges (other than the additional charge under this subsection) and credits under subsection (b) of this section, is necessary to increase the funded current liability percentage (taking into account the expected increase in current liability due to benefits accruing during the plan year) to 100 percent.

(2) Deficit reduction contribution

For purposes of paragraph (1), the deficit reduction contribution determined under this paragraph for any plan year is the sum of—

(A) the unfunded old liability amount,

(B) the unfunded new liability amount,

(C) the expected increase in current liability due to benefits accruing during the plan year, and

(D) the aggregate of the unfunded mortality increase amounts.

(3) Unfunded old liability amount

For purposes of this subsection—

(A) In general

The unfunded old liability amount with respect to any plan for any plan year is the amount necessary to amortize the unfunded old liability under the plan in equal annual installments over a period of 18 plan years (beginning with the 1st plan year beginning after December 31, 1988).

(B) Unfunded old liability

The term ''unfunded old liability'' means the unfunded current liability of the plan as of the beginning of the 1st plan year beginning after December 31, 1987 (determined without regard to any plan amendment increasing liabilities adopted after October 16, 1987).

(C) Special rules for benefit increases under existing collective bargaining agreements

(i) In general

In the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and the employer ratified before October 29, 1987, the unfunded old liability amount with respect to such plan for any plan year shall be increased by the amount necessary to amortize the unfunded existing benefit increase liability in equal annual installments over a period of 18 plan years beginning with—

(I) the plan year in which the benefit increase with respect to such liability occurs, or

(II) if the taxpayer elects, the 1st plan year beginning after December 31, 1988.

(ii) Unfunded existing benefit increase liabilities

For purposes of clause (i), the unfunded existing benefit increase liability means, with respect to any benefit increase under the agreements described in clause (i) which takes effect during or after the 1st plan year beginning after December 31, 1987, the unfunded current liability determined—

(I) by taking into account only liabilities attributable to such benefit increase, and

(II) by reducing (but not below zero) the amount determined under paragraph (8)(A)(ii) by the current liability determined without regard to such benefit increase.

(iii) Extensions, modifications, etc. not taken into account

For purposes of this subparagraph, any extension, amendment, or other modification of an agreement after October 28, 1987, shall not be taken into account.

(D) Special rule for required changes in actuarial assumptions

(i) In general

The unfunded old liability amount with respect to any plan for any plan year shall be increased by the amount necessary to amortize the amount of additional unfunded old liability under the plan in equal annual installments over a period of 12 plan years (beginning with the first plan year beginning after December 31, 1994).

(ii) Additional unfunded old liability

For purposes of clause (i), the term ''additional unfunded old liability'' means the amount (if any) by which—

(I) the current liability of the plan as of the beginning of the first plan year beginning after December 31, 1994, valued using the assumptions required by paragraph (7)(C) as in effect for plan years beginning after December 31, 1994, exceeds

(II) the current liability of the plan as of the beginning of such first plan year, valued using the same assumptions used under subclause (I) (other than the assumptions required by paragraph (7)(C)), using the prior interest rate, and using such mortality assumptions as were used to determine current liability for the first plan year beginning after December 31, 1992.

(iii) Prior interest rate

For purposes of clause (ii), the term ''prior interest rate'' means the rate of interest that is the same percentage of the weighted average under subsection (b)(5)(B)(ii)(I) of this section for the first plan year beginning after December 31, 1994, as the rate of interest used by the plan to determine current liability for the first plan year beginning after December 31, 1992, is of the weighted average under subsection (b)(5)(B)(ii)(I) of this section for such first plan year beginning after December 31, 1992.

(E) Optional rule for additional unfunded old liability

(i) In general

If an employer makes an election under clause (ii), the additional unfunded old li-

ability for purposes of subparagraph (D) shall be the amount (if any) by which—

(I) the unfunded current liability of the plan as of the beginning of the first plan year beginning after December 31, 1994, valued using the assumptions required by paragraph (7)(C) as in effect for plan years beginning after December 31, 1994, exceeds

(II) the unamortized portion of the unfunded old liability under the plan as of the beginning of the first plan year beginning after December 31, 1994.

(ii) Election

(I) An employer may irrevocably elect to apply the provisions of this subparagraph as of the beginning of the first plan year beginning after December 31, 1994.

(II) If an election is made under this clause, the increase under paragraph (1) for any plan year beginning after December 31, 1994, and before January 1, 2002, to which this subsection applies (without regard to this subclause) shall not be less than the increase that would be required under paragraph (1) if the provisions of this subchapter as in effect for the last plan year beginning before January 1, 1995, had remained in effect.

(4) Unfunded new liability amount

For purposes of this subsection—

(A) In general

The unfunded new liability amount with respect to any plan for any plan year is the applicable percentage of the unfunded new liability.

(B) Unfunded new liability

The term ''unfunded new liability'' means the unfunded current liability of the plan for the plan year determined without regard to—

(i) the unamortized portion of the unfunded old liability, the unamortized portion of the additional unfunded old liability, the unamortized portion of each unfunded mortality increase, and the unamortized portion of the unfunded existing benefit increase liability, and

(ii) the liability with respect to any unpredictable contingent event benefits (without regard to whether the event has occurred).

(C) Applicable percentage

The term ''applicable percentage'' means, with respect to any plan year, 30 percent, reduced by the product of—

(i) .40 multiplied by

(ii) the number of percentage points (if any) by which the funded current liability percentage exceeds 60 percent.

(5) Unpredictable contingent event amount

(A) In general

The unpredictable contingent event amount with respect to a plan for any plan year is an amount equal to the greatest of—

(i) the applicable percentage of the product of—

(I) 100 percent, reduced (but not below zero) by the funded current liability percentage for the plan year, multiplied by

(II) the amount of unpredictable contingent event benefits paid during the plan year, including (except as provided by the Secretary of the Treasury) any payment for the purchase of an annuity contract for a participant or beneficiary with respect to such benefits,

(ii) the amount which would be determined for the plan year if the unpredictable contingent event benefit liabilities were amortized in equal annual installments over 7 plan years (beginning with the plan year in which such event occurs), or

(iii) the additional amount that would be determined under paragraph (4)(A) if the unpredictable contingent event benefit liabilities were included in unfunded new liability notwithstanding paragraph (4)(B)(ii).

(B) Applicable percentage

In the case of plan years beginning in:	The applicable percentage is:
1989 and 1990	5
1991	10
1992	15
1993	20
1994	30
1995	40
1996	50
1997	60
1998	70
1999	80
2000	90
2001 and thereafter	100.

(C) Paragraph not to apply to existing benefits

This paragraph shall not apply to unpredictable contingent event benefits (and liabilities attributable thereto) for which the event occurred before the first plan year beginning after December 31, 1988.

(D) Special rule for first year of amortization

Unless the employer elects otherwise, the amount determined under subparagraph (A) for the plan year in which the event occurs shall be equal to 150 percent of the amount determined under subparagraph (A)(i). The amount under subparagraph (A)(ii) for subsequent plan years in the amortization period shall be adjusted in the manner provided by the Secretary of the Treasury to reflect the application of this subparagraph.

(E) Limitation

The present value of the amounts described in subparagraph (A) with respect to any one event shall not exceed the unpredictable contingent event benefit liabilities attributable to that event.

(6) Special rules for small plans

(A) Plans with 100 or fewer participants

This subsection shall not apply to any plan for any plan year if on each day during the preceding plan year such plan had no more than 100 participants.

(B) Plans with more than 100 but not more than 150 participants

In the case of a plan to which subparagraph (A) does not apply and which on each day during the preceding plan year had no more than 150 participants, the amount of the increase under paragraph (1) for such plan year shall be equal to the product of—

(i) such increase determined without regard to this subparagraph, multiplied by

(ii) 2 percent for the highest number of participants in excess of 100 on any such day.

(C) Aggregation of plans

For purposes of this paragraph, all defined benefit plans maintained by the same employer (or any member of such employer's controlled group) shall be treated as 1 plan, but only employees of such employer or member shall be taken into account.

(7) Current liability

For purposes of this subsection—

(A) In general

The term ''current liability'' means all liabilities to participants and their beneficiaries under the plan.

(B) Treatment of unpredictable contingent event benefits

(i) In general

For purposes of subparagraph (A), any unpredictable contingent event benefit shall not be taken into account until the event on which the benefit is contingent occurs.

(ii) Unpredictable contingent event benefit

The term ''unpredictable contingent event benefit'' means any benefit contingent on an event other than—

(I) age, service, compensation, death, or disability, or

(II) an event which is reasonably and reliably predictable (as determined by the Secretary of the Treasury).

(C) Interest rate and mortality assumptions used

Effective for plan years beginning after December 31, 1994—

(i) Interest rate

(I) In general

The rate of interest used to determine current liability under this subsection shall be the rate of interest used under subsection (b)(5) of this section, except that the highest rate in the permissible range under subparagraph (B)(ii) thereof shall not exceed the specified percentage under subclause (II) of the weighted average referred to in such subparagraph.

(II) Specified percentage

For purposes of subclause (I), the specified percentage shall be determined as follows:

In the case of plan years beginning in calendar year:	The specified percentage is:
1995	109
1996	108
1997	107
1998	106
1999 and thereafter	105.

(ii) Mortality tables

(I) Commissioners' standard table

In the case of plan years beginning before the first plan year to which the first tables prescribed under subclause (II) apply, the mortality table used in determining current liability under this subsection shall be the table prescribed by the Secretary of the Treasury which is based on the prevailing commissioners' standard table (described in section 807(d)(5)(A) of title 26) used to determine reserves for group annuity contracts issued on January 1, 1993.

(II) Secretarial authority

The Secretary of the Treasury may by regulation prescribe for plan years beginning after December 31, 1999, mortality tables to be used in determining current liability under this subsection. Such tables shall be based upon the actual experience of pension plans and projected trends in such experience. In prescribing such tables, the Secretary of the Treasury shall take into account results of available independent studies of mortality of individuals covered by pension plans.

(III) Periodic review

The Secretary of the Treasury shall periodically (at least every 5 years) review any tables in effect under this subsection and shall, to the extent the Secretary determines necessary, by regulation update the tables to reflect the actual experience of pension plans and projected trends in such experience.

(iii) Separate mortality tables for the disabled

Notwithstanding clause (ii)—

(I) In general

In the case of plan years beginning after December 31, 1995, the Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under clause (ii)) to determine current liability under this subsection for individuals who are entitled to benefits under the plan on account of disability. Such Secretary shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

(II) Special rule for disabilities occurring after 1994

In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under subclause (I) shall apply only with respect to individuals

described in such subclause who are disabled within the meaning of title II of the Social Security Act [42 U.S.C. 401 et seq.] and the regulations thereunder.

(III) Plan years beginning in 1995

In the case of any plan year beginning in 1995, a plan may use its own mortality assumptions for individuals who are entitled to benefits under the plan on account of disability.

(D) Certain service disregarded

(i) In general

In the case of a participant to whom this subparagraph applies, only the applicable percentage of the years of service before such individual became a participant shall be taken into account in computing the current liability of the plan.

(ii) Applicable percentage

For purposes of this subparagraph, the applicable percentage shall be determined as follows:

This section is referred to in sections 1021, 1023, 1053, 1054, 1055, 1056, 1060, 1083, 1084, 1085, 1085a, 1085b, 1301, 1303, 1306, 1310, 1311, 1342, 1343, 1362, 1371, 1423 of this title; title 26 section 412.

§ 1083. Variance from minimum funding standard

(a) Waiver of requirements in event of business hardship

If an employer, or in the case of a multi-employer plan, 10 percent or more of the number of employers contributing to or under the plan are unable to satisfy the minimum funding standard for a plan year without temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) and if application of the standard would be adverse to the interests of plan participants in the aggregate, the Secretary of the Treasury may waive the requirements of section 1082(a) of this title for such year with respect to all or any portion of the minimum funding standard other than the portion thereof determined under section 1082(b)(2)(C) of this title. The Secretary of the Treasury shall not waive the minimum funding standard with respect to a plan for more than 3 of any 15 (5 of any 15 in the case of a multiemployer plan) consecutive plan years. The interest rate used for purposes of computing the amortization charge described in subsection (b)(2)(C) of this section for any plan year shall be—

(1) in the case of a plan other than a multiemployer plan, the greater of (A) 150 percent of the Federal mid-term rate (as in effect under section 1274 of title 26 for the 1st month of such plan year), or (B) the rate of interest used under the plan in determining costs (including adjustments under section 1082(b)(5)(B) of this title), and

(2) in the case of a multiemployer plan, the rate determined under section 6621(b) of title 26.

(b) Matters considered in determining business hardship

For purposes of this part, the factors taken into account in determining temporary substan-

tial business hardship (substantial business hardship in the case of a multiemployer plan) shall include (but shall not be limited to) whether—

(1) the employer is operating at an economic loss,

(2) there is substantial unemployment or underemployment in the trade or business and in the industry concerned,

(3) the sales and profits of the industry concerned are depressed or declining, and

(4) it is reasonable to expect that the plan will be continued only if the waiver is granted.

(c) "Waived funding deficiency" defined

For purposes of this part, the term ''waived funding deficiency'' means the portion of the minimum funding standard (determined without regard to subsection (b)(3)(C) of section 1082 of this title) for a plan year waived by the Secretary of the Treasury and not satisfied by employer contributions.

(d) Special rules

(1) Application must be submitted before date 2½ months after close of year

In the case of a plan other than a multiemployer plan, no waiver may be granted under this section with respect to any plan for any plan year unless an application therefor is submitted to the Secretary of the Treasury not later than the 15th day of the 3rd month beginning after the close of such plan year.

(2) Special rule if employer is member of controlled group

(A) In general

In the case of a plan other than a multiemployer plan, if an employer is a member of a controlled group, the temporary substantial business hardship requirements of subsection (a) of this section shall be treated as met only if such requirements are met—

(i) with respect to such employer, and

(ii) with respect to the controlled group of which such employer is a member (determined by treating all members of such group as a single employer).

The Secretary of the Treasury may provide that an analysis of a trade or business or industry of a member need not be conducted if the Secretary of the Treasury determines such analysis is not necessary because the taking into account of such member would not significantly affect the determination under this subsection.

(B) Controlled group

For purposes of subparagraph (A), the term ''controlled group'' means any group treated as a single employer under subsection (b), (c), (m), or (*o*) of section 414 of title 26.

(e) Notice of filing of application for waiver

(1) The Secretary of the Treasury shall, before granting a waiver under this section, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such waiver to each employee organization representing employees covered by the affected plan, and each affected party (as defined in section 1301(a)(21) of this title) other than the Pension Benefit Guaranty Corporation. Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under subchapter III of this chapter and for benefit liabilities.

(2) The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under paragraph (1).

(f) Cross reference

For corresponding duties of the Secretary of the Treasury with regard to implementation of the Internal Revenue Code of 1986, see section 412(d) of title 26.

This section is referred to in sections 1021, 1057, 1082, 1084, 1085a, 1143, 1362, 1423 of this title; title 26 section 412.

§ 1084. Extension of amortization periods

(a) Determinations by Secretary in granting extension

The period of years required to amortize any unfunded liability (described in any clause of subsection (b)(2)(B) of section 1082 of this title) of any plan may be extended by the Secretary for a period of time (not in excess of 10 years) if he determines that such extension would carry out the purposes of this chapter and would provide adequate protection for participants under the plan and their beneficiaries and if he determines that the failure to permit such extension would—

(1) result in—

(A) a substantial risk to the voluntary continuation of the plan, or

(B) a substantial curtailment of pension benefit levels or employee compensation, and

(2) be adverse to the interests of plan participants in the aggregate.

In the case of a plan other than a multiemployer plan, the interest rate applicable for any plan year under any arrangement entered into by the Secretary in connection with an extension granted under this subsection shall be the greater of (A) 150 percent of the Federal mid-term rate (as in effect under section 1274 of title 26 for the 1st month of such plan year), or (B) the rate of interest used under the plan in determining costs. In the case of a multiemployer plan, such rate shall be the rate determined under section 6621(b) of title 26.

(b) Amendment of plan

(1) No amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan shall be adopted if a waiver under section 1083(a) of this title or an extension of time under subsection (a) of this section is in effect with respect to the plan, or if a plan amendment described in section 1082(c)(8) of this title has been made at any time in the preceding 12 months (24 months in the case of a multiemployer plan). If a plan is amended in violation of the preceding sentence, any such waiver, or extension of time, shall not apply to any plan year ending on or after the date on which such amendment is adopted.

(2) Paragraph (1) shall not apply to any plan amendment which—

(A) the Secretary determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan,

(B) only repeals an amendment described in section 1082(c)(8) of this title, or

(C) is required as a condition of qualification under part I of subchapter D, of chapter 1, of title 26.

(c) Notice of filing of application for extension

(1) The Secretary of the Treasury shall, before granting an extension under this section, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such extension to each employee organization representing employees covered by the affected plan.

(2) The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under paragraph (1).

(1)(A) Not later than June 30, 1997, the Secretary shall issue proposed regulations to provide guidance for the purpose of determining, in cases where an insurer issues 1 or more policies to or for the benefit of an employee benefit plan (and such policies are supported by assets of such insurer's general account), which assets held by the insurer (other than plan assets held in its separate accounts) constitute assets of the plan for purposes of this part and section 4975 of title 26 and to provide guidance with respect to the application of this subchapter to the general account assets of insurers.

(B) The proposed regulations under subparagraph (A) shall be subject to public notice and comment until September 30, 1997.

(C) The Secretary shall issue final regulations providing the guidance described in subparagraph (A) not later than December 31, 1997.

(D) Such regulations shall only apply with respect to policies which are issued by an insurer on or before December 31, 1998, to or for the benefit of an employee benefit plan which is supported by assets of such insurer's general account. With respect to policies issued on or before December 31, 1998, such regulations shall take effect at the end of the 18-month period following the date on which such regulations become final.

(2) The Secretary shall ensure that the regulations issued under paragraph (1)—

(A) are administratively feasible, and

(B) protect the interests and rights of the plan and of its participants and beneficiaries (including meeting the requirements of paragraph (3)).

(3) The regulations prescribed by the Secretary pursuant to paragraph (1) shall require, in connection with any policy issued by an insurer to or for the benefit of an employee benefit plan to the extent that the policy is not a guaranteed benefit policy (as defined in subsection (b)(2)(B) of this section)—

(A) that a plan fiduciary totally independent of the insurer authorize the purchase of such policy (unless such purchase is a transaction exempt under section 1108(b)(5) of this title),

(B) that the insurer describe (in such form and manner as shall be prescribed in such regulations), in annual reports and in policies issued to the policyholder after the date on which such regulations are issued in final form pursuant to paragraph (1)(C)—

(i) a description of the method by which any income and expenses of the insurer's general account are allocated to the policy during the term of the policy and upon the termination of the policy, and

(ii) for each report, the actual return to the plan under the policy and such other financial information as the Secretary may deem appropriate for the period covered by each such annual report,

(C) that the insurer disclose to the plan fiduciary the extent to which alternative arrangements supported by assets of separate accounts of the insurer (which generally hold plan assets) are available, whether there is a right under the policy to transfer funds to a separate account and the terms governing any such right, and the extent to which support by assets of the insurer's general account and support by assets of separate accounts of the insurer might pose differing risks to the plan, and

(D) that the insurer manage those assets of the insurer which are assets of such insurer's general account (irrespective of whether any such assets are plan assets) with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims, taking into account all obligations supported by such enterprise.

(4) Compliance by the insurer with all requirements of the regulations issued by the Secretary pursuant to paragraph (1) shall be deemed compliance by such insurer with sections 1104, 1106, and 1107 of this title with respect to those assets of the insurer's general account which support a policy described in paragraph (3).

(5)(A) Subject to subparagraph (B), any regulations issued under paragraph (1) shall not take effect before the date on which such regulations become final.

(B) No person shall be subject to liability under this part or section 4975 of title 26 for conduct which occurred before the date which is 18 months following the date described in subparagraph (A) on the basis of a claim that the assets of an insurer (other than plan assets held in a separate account) constitute assets of the plan, except—

(i) as otherwise provided by the Secretary in regulations intended to prevent avoidance of the regulations issued under paragraph (1), or

(ii) as provided in an action brought by the Secretary pursuant to paragraph (2) or (5) of section 1132(a) of this title for a breach of fiduciary responsibilities which would also constitute a violation of Federal or State criminal law.

The Secretary shall bring a cause of action described in clause (ii) if a participant, beneficiary, or fiduciary demonstrates to the satisfaction of the Secretary that a breach described in clause (ii) has occurred.

(6) Nothing in this subsection shall preclude the application of any Federal criminal law.

(7) For purposes of this subsection, the term ''policy'' includes a contract.

This section is referred to in sections 1101, 1105, 1107, 1344, 1403 of this title.

§ 1105. Liability for breach of co-fiduciary

(a) Circumstances giving rise to liability

In addition to any liability which he may have under any other provisions of this part, a fiduciary with respect to a plan shall be liable for a breach of fiduciary responsibility of another fiduciary with respect to the same plan in the following circumstances:

(1) if he participates knowingly in, or knowingly undertakes to conceal, an act or omission of such other fiduciary, knowing such act or omission is a breach;

(2) if, by his failure to comply with section 1104(a)(1) of this title in the administration of his specific responsibilities which give rise to his status as a fiduciary, he has enabled such other fiduciary to commit a breach; or

(3) if he has knowledge of a breach by such other fiduciary, unless he makes reasonable efforts under the circumstances to remedy the breach.

(b) Assets held by two or more trustees

(1) Except as otherwise provided in subsection (d) of this section and in section 1103(a)(1) and (2) of this title, if the assets of a plan are held by two or more trustees—

(A) each shall use reasonable care to prevent a co-trustee from committing a breach; and

(B) they shall jointly manage and control the assets of the plan, except that nothing in this subparagraph (B) shall preclude any agreement, authorized by the trust instrument, allocating specific responsibilities, obligations, or duties among trustees, in which event a trustee to whom certain responsibilities, obligations, or duties have not been allocated shall not be liable by reason of this subparagraph (B) either individually or as a trustee for any loss resulting to the plan arising from the acts or omissions on the part of another trustee to whom such responsibilities, obligations, or duties have been allocated.

(2) Nothing in this subsection shall limit any liability that a fiduciary may have under subsection (a) of this section or any other provision of this part.

(3)(A) In the case of a plan the assets of which are held in more than one trust, a trustee shall not be liable under paragraph (1) except with respect to an act or omission of a trustee of a trust of which he is a trustee.

(B) No trustee shall be liable under this subsection for following instructions referred to in section 1103(a)(1) of this title.

(c) Allocation of fiduciary responsibility; designated persons to carry out fiduciary responsibilities

(1) The instrument under which a plan is maintained may expressly provide for procedures (A) for allocating fiduciary responsibilities (other than trustee responsibilities) among named fiduciaries, and (B) for named fiduciaries to designate persons other than named fiduciaries to carry out fiduciary responsibilities (other than trustee responsibilities) under the plan.

(2) If a plan expressly provides for a procedure described in paragraph (1), and pursuant to such procedure any fiduciary responsibility of a named fiduciary is allocated to any person, or a person is designated to carry out any such responsibility, then such named fiduciary shall not be liable for an act or omission of such person in carrying out such responsibility except to the extent that—

(A) the named fiduciary violated section 1104(a)(1) of this title—

(i) with respect to such allocation or designation,

(ii) with respect to the establishment or implementation of the procedure under this paragraph (1), or

(iii) in continuing the allocation or designation; or

(B) the named fiduciary would otherwise be liable in accordance with subsection (a) of this section.

(3) For purposes of this subsection, the term ''trustee responsibility'' means any responsibility provided in the plan's trust instrument (if any) to manage or control the assets of the plan, other than a power under the trust instrument of a named fiduciary to appoint an investment manager in accordance with section 1102(c)(3) of this title.

(d) Investment managers

(1) If an investment manager or managers have been appointed under section 1102(c)(3) of

this title, then, notwithstanding subsections (a)(2) and (3) and subsection (b) of this section, no trustees shall be liable for the acts or omissions of such investment manager or managers, or be under an obligation to invest or otherwise manage any asset of the plan which is subject to the management of such investment manager.

(2) Nothing in this subsection shall relieve any trustee of any liability under this part for any act of such trustee.

(C) furnishing of goods, services, or facilities between the plan and a party in interest;

(b) Transactions between plan and fiduciary

A fiduciary with respect to a plan shall not—

(1) deal with the assets of the plan in his own interest or for his own account,

(c) Transfer of real or personal property to plan by party in interest

A transfer of real or personal property by a party in interest to a plan shall be treated as a sale or exchange if the property is subject to a mortgage or similar lien which the plan assumes or if it is subject to a mortgage or similar lien which a party-in-interest placed on the property within the 10-year period ending on the date of the transfer.

§ 1107. Limitation with respect to acquisition and holding of employer securities and employer real property by certain plans

(a) Percentage limitation

Except as otherwise provided in this section and section 1114 of this title:

(1) A plan may not acquire or hold—

(A) any employer security which is not a qualifying employer security, or

(B) any employer real property which is not qualifying employer real property.

(2) A plan may not acquire any qualifying employer security or qualifying employer real property, if immediately after such acquisition the aggregate fair market value of employer securities and employer real property held by the plan exceeds 10 percent of the fair market value of the assets of the plan.

(3)(A) After December 31, 1984, a plan may not hold any qualifying employer securities or qualifying employer real property (or both) to the extent that the aggregate fair market value of such securities and property determined on December 31, 1984, exceeds 10 percent of the greater of—

(i) the fair market value of the assets of the plan, determined on December 31, 1984, or

(ii) the fair market value of the assets of the plan determined on January 1, 1975.

(B) Subparagraph (A) of this paragraph shall not apply to any plan which on any date after December 31, 1974; and before January 1, 1985, did not hold employer securities or employer real property (or both) the aggregate fair market value of which determined on such date exceeded 10 percent of the greater of

(i) the fair market value of the assets of the plan, determined on such date, or

(ii) the fair market value of the assets of the plan determined on January 1, 1975.

(4)(A) After December 31, 1979, a plan may not hold any employer securities or employer real property in excess of the amount specified in regulations under subparagraph (B). This subparagraph shall not apply to a plan after the earliest date after December 31, 1974, on which it complies with such regulations.

(B) Not later than December 31, 1976, the Secretary shall prescribe regulations which shall have the effect of requiring that a plan divest itself of 50 percent of the holdings of employer securities and employer real property which the plan would be required to divest before January 1, 1985, under paragraph (2) or subsection (c) of this section (whichever is applicable).

(b) Exception

(1) Subsection (a) of this section shall not apply to any acquisition or holding of qualifying employer securities or qualifying employer real property by an eligible individual account plan.

(2)(A) If this paragraph applies to an eligible individual account plan, the portion of such plan which consists of applicable elective deferrals (and earnings allocable thereto) shall be treated as a separate plan—

(i) which is not an eligible individual account plan, and

(ii) to which the requirements of this section apply.

(B)(i) This paragraph shall apply to any eligible individual account plan if any portion of the plan's applicable elective deferrals (or earnings allocable thereto) are required to be invested in qualifying employer securities or qualifying employer real property or both—

(I) pursuant to the terms of the plan, or

(II) at the direction of a person other than the participant on whose behalf such elective deferrals are made to the plan (or a beneficiary).

(ii) This paragraph shall not apply to an individual account plan for a plan year if, on the last day of the preceding plan year, the fair market value of the assets of all individual account plans maintained by the employer equals not more than 10 percent of the fair market value of the assets of all pension plans (other than multiemployer plans) maintained by the employer.

(iii) This paragraph shall not apply to an individual account plan that is an employee stock ownership plan as defined in section 4975(e)(7) of title 26.

(iv) This paragraph shall not apply to an individual account plan if, pursuant to the terms of the plan, the portion of any employee's applicable elective deferrals which is required to be invested in qualifying employer securities and qualifying employer real property for any year may not exceed 1 percent of the employee's compensation which is taken into account under the plan in determining the maximum amount of the employee's applicable elective deferrals for such year.

(C) For purposes of this paragraph, the term ''applicable elective deferral'' means any elective deferral (as defined in section 402(g)(3)(A) of title 26) which is made pursuant to a qualified cash or deferred arrangement as defined in section 401(k) of title 26.

(c) Election

(1) A plan which makes the election, under paragraph (3) shall be treated as satisfying the requirement of subsection (a)(3) of this section if and only if employer securities held on any date after December 31, 1974 and before January 1, 1985 have a fair market value, determined as of December 31, 1974, not in excess of 10 percent of the lesser of—

(A) the fair market value of the assets of the plan determined on such date (disregarding any portion of the fair market value of employer securities which is attributable to appreciation of such securities after December 31, 1974) but not less than the fair market value of plan assets on January 1, 1975, or

(B) an amount equal to the sum of (i) the total amount of the contributions to the plan received after December 31, 1974, and prior to such date, plus (ii) the fair market value of the assets of the plan, determined on January 1, 1975.

(2) For purposes of this subsection, in the case of an employer security held by a plan after January 1, 1975, the ownership of which is derived from ownership of employer securities held by the plan on January 1, 1975, or from the exercise of rights derived from such ownership, the value of such security held after January 1, 1975, shall be based on the value as of January 1, 1975, of the security from which ownership was derived. The Secretary shall prescribe regulations to carry out this paragraph.

(3) An election under this paragraph may not be made after December 31, 1975. Such an election shall be made in accordance with regulations prescribed by the Secretary, and shall be irrevocable. A plan may make an election under this paragraph only if on January 1, 1975, the plan holds no employer real property. After such election and before January 1, 1985 the plan may not acquire any employer real property.

(d) Definitions

For purposes of this section—

(1) The term ''employer security'' means a security issued by an employer of employees covered by the plan, or by an affiliate of such employer. A contract to which section 1108(b)(5) of this title applies shall not be treated as a security for purposes of this section.

(2) The term ''employer real property'' means real property (and related personal property) which is leased to an employer of employees covered by the plan, or to an affiliate of such employer. For purposes of determining the time at which a plan acquires employer real property for purposes of this section, such property shall be deemed to be acquired by the plan on the date on which the plan acquires the property or on the date on which the lease to the employer (or affiliate) is entered into, whichever is later.

(3)(A) The term ''eligible individual account plan'' means an individual account plan which is (i) a profit-sharing, stock bonus, thrift, or savings plan; (ii) an employee stock ownership plan; or (iii) a money purchase plan which was in existence on September 2, 1974, and which on such date invested primarily in qualifying employer securities. Such term excludes an individual retirement account or annuity described in section 408 of title 26.

(B) Notwithstanding subparagraph (A), a plan shall be treated as an eligible individual account plan with respect to the acquisition or holding of qualifying employer real property or qualifying employer securities only if such plan explicitly provides for acquisition and holding of qualifying employer securities or qualifying employer real property (as the case may be). In the case of a plan in existence on September 2, 1974, this subparagraph shall not take effect until January 1, 1976.

(C) The term ''eligible individual account plan'' does not include any individual account plan the benefits of which are taken into account in determining the benefits payable to a participant under any defined benefit plan.

(4) The term ''qualifying employer real property'' means parcels of employer real property—

(A) if a substantial number of the parcels are dispersed geographically;

(B) if each parcel of real property and the improvements thereon are suitable (or adaptable without excessive cost) for more than one use;

(C) even if all of such real property is leased to one lessee (which may be an employer, or an affiliate of an employer); and

(D) if the acquisition and retention of such property comply with the provisions of this part (other than section 1104(a)(1)(B) of this title to the extent it requires diversification, and sections 1104(a)(1)(C), 1106 of this title, and subsection (a) of this section).

(5) The term ''qualifying employer security'' means an employer security which is—

(A) stock,

(B) a marketable obligation (as defined in subsection (e) of this section), or

(C) an interest in a publicly traded partnership (as defined in section 7704(b) of title 26), but only if such partnership is an existing partnership as defined in section 10211(c)(2)(A) of the Revenue Act of 1987 (Public Law 100–203).

After December 17, 1987, in the case of a plan other than an eligible individual account plan, an employer security described in subparagraph (A) or (C) shall be considered a qualifying employer security only if such employer security satisfies the requirements of subsection (f)(1) of this section.

(6) The term ''employee stock ownership plan'' means an individual account plan—

(A) which is a stock bonus plan which is qualified, or a stock bonus plan and money purchase plan both of which are qualified, under section 401 of title 26, and which is designed to invest primarily in qualifying employer securities, and

(B) which meets such other requirements as the Secretary of the Treasury may prescribe by regulation.

(7) A corporation is an affiliate of an employer if it is a member of any controlled group of corporations (as defined in section 1563(a) of title 26, except that ''applicable percentage'' shall be substituted for ''80 percent'' wherever the latter percentage appears in such section) of which the employer who maintains the plan is a member. For purposes of the preceding sentence, the term ''applicable percentage'' means 50 percent, or such lower percentage as the Secretary may prescribe by regulation. A person other than a corporation shall be treated as an affiliate of an employer to the extent provided in regulations of the Secretary. An employer which is a person other than a corporation shall be treated as affiliated with another person to the extent provided by regulations of the Secretary. Regulations under this paragraph shall be prescribed only after consultation and coordination with the Secretary of the Treasury.

(8) The Secretary may prescribe regulations specifying the extent to which conversions, splits, the exercise of rights, and similar transactions are not treated as acquisitions.

(9) For purposes of this section, an arrangement which consists of a defined benefit plan and an individual account plan shall be treated as 1 plan if the benefits of such individual account plan are taken into account in determining the benefits payable under such defined benefit plan.

(e) Marketable obligations

For purposes of subsection (d)(5) of this section, the term ''marketable obligation'' means a bond, debenture, note, or certificate, or other evidence of indebtedness (hereinafter in this subsection referred to as ''obligation'') if—

(1) such obligation is acquired—

(A) on the market, either (i) at the price of the obligation prevailing on a national securities exchange which is registered with the Securities and Exchange Commission, or (ii) if the obligation is not traded on such a national securities exchange, at a price not less favorable to the plan than the offering price for the obligation as established by current bid and asked prices quoted by persons independent of the issuer;

(B) from an underwriter, at a price (i) not in excess of the public offering price for the obligation as set forth in a prospectus or offering circular filed with the Securities and Exchange Commission, and (ii) at which a substantial portion of the same issue is acquired by persons independent of the issuer; or

(C) directly from the issuer, at a price not less favorable to the plan than the price paid currently for a substantial portion of the same issue by persons independent of the issuer;

(2) immediately following acquisition of such obligation—

(A) not more than 25 percent of the aggregate amount of obligations issued in such issue and outstanding at the time of acquisition is held by the plan, and

(B) at least 50 percent of the aggregate amount referred to in subparagraph (A) is held by persons independent of the issuer; and

(3) immediately following acquisition of the obligation, not more than 25 percent of the assets of the plan is invested in obligations of the employer or an affiliate of the employer.

(f) Maximum percentage of stock held by plan; time of holding or acquisition; necessity of legally binding contract

(1) Stock satisfies the requirements of this paragraph if, immediately following the acquisition of such stock—

(A) no more than 25 percent of the aggregate amount of stock of the same class issued and outstanding at the time of acquisition is held by the plan, and

(B) at least 50 percent of the aggregate amount referred to in subparagraph (A) is held by persons independent of the issuer.

(2) Until January 1, 1993, a plan shall not be treated as violating subsection (a) of this section solely by holding stock which fails to satisfy the requirements of paragraph (1) if such stock—

(A) has been so held since December 17, 1987, or

(B) was acquired after December 17, 1987, pursuant to a legally binding contract in effect on December 17, 1987, and has been so held at all times after the acquisition.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1101, 1104, 1106, 1108, 1114, 1222 of this title; title 19 section 2373.

§ 1108. Exemptions from prohibited transactions

(a) Grant of exemptions

The Secretary shall establish an exemption procedure for purposes of this subsection. Pursuant to such procedure, he may grant a conditional or unconditional exemption of any fiduciary or transaction, or class of fiduciaries or transactions, from all or part of the restrictions imposed by sections 1106 and 1107(a) of this title. Action under this subsection may be taken only after consultation and coordination with the Secretary of the Treasury. An exemption granted under this section shall not relieve a fiduciary from any other applicable provision of this chapter. The Secretary may not grant an ex-

emption under this subsection unless he finds that such exemption is—

(1) administratively feasible,

(2) in the interests of the plan and of its participants and beneficiaries, and

(3) protective of the rights of participants and beneficiaries of such plan.

Before granting an exemption under this subsection from section 1106(a) or 1107(a) of this title, the Secretary shall publish notice in the Federal Register of the pendency of the exemption, shall require that adequate notice be given to interested persons, and shall afford interested persons opportunity to present views. The Secretary may not grant an exemption under this subsection from section 1106(b) of this title unless he affords an opportunity for a hearing and makes a determination on the record with respect to the findings required by paragraphs (1), (2), and (3) of this subsection.

(b) Enumeration of transactions exempted from section 1106 prohibitions

The prohibitions provided in section 1106 of this title shall not apply to any of the following transactions:

(1) Any loans made by the plan to parties in interest who are participants or beneficiaries of the plan if such loans (A) are available to all such participants and beneficiaries on a reasonably equivalent basis, (B) are not made available to highly compensated employees (within the meaning of section 414(q) of title 26) in an amount greater than the amount made available to other employees, (C) are made in accordance with specific provisions regarding such loans set forth in the plan, (D) bear a reasonable rate of interest, and (E) are adequately secured. A loan made by a plan shall not fail to meet the requirements of the preceding sentence by reason of a loan repayment suspension described under section 414(u)(4) of title 26.

(2) Contracting or making reasonable arrangements with a party in interest for office space, or legal, accounting, or other services necessary for the establishment or operation of the plan, if no more than reasonable compensation is paid therefor.

(3) A loan to an employee stock ownership plan (as defined in section 1107(d)(6) of this title), if—

(A) such loan is primarily for the benefit of participants and beneficiaries of the plan, and

(B) such loan is at an interest rate which is not in excess of a reasonable rate.

If the plan gives collateral to a party in interest for such loan, such collateral may consist only of qualifying employer securities (as defined in section 1107(d)(5) of this title).

(4) The investment of all or part of a plan's assets in deposits which bear a reasonable interest rate in a bank or similar financial institution supervised by the United States or a State, if such bank or other institution is a fiduciary of such plan and if—

(A) the plan covers only employees of such bank or other institution and employees of affiliates of such bank or other institution, or

(B) such investment is expressly authorized by a provision of the plan or by a fiduciary (other than such bank or institution or affiliate thereof) who is expressly empowered by the plan to so instruct the trustee with respect to such investment.

(5) Any contract for life insurance, health insurance, or annuities with one or more insurers which are qualified to do business in a State, if the plan pays no more than adequate consideration, and if each such insurer or insurers is—

(A) the employer maintaining the plan, or

(B) a party in interest which is wholly owned (directly or indirectly) by the employer maintaining the plan, or by any person which is a party in interest with respect to the plan, but only if the total premiums and annuity consideration written by such insurers for life insurance, health insurance, or annuities for all plans (and their employers) with respect to which such insurers are parties in interest (not including premiums or annuity considerations written by the employer maintaining the plan) do not exceed 5 percent of the total premiums and annuity considerations written for all lines of insurance in that year by such insurers (not including premiums or annuity considerations written by the employer maintaining the plan).

(6) The providing of any ancillary service by a bank or similar financial institution supervised by the United States or a State, if such bank or other institution is a fiduciary of such plan, and if—

(A) such bank or similar financial institution has adopted adequate internal safeguards which assure that the providing of such ancillary service is consistent with sound banking and financial practice, as determined by Federal or State supervisory authority, and

(B) the extent to which such ancillary service is provided is subject to specific guidelines issued by such bank or similar financial institution (as determined by the Secretary after consultation with Federal and State supervisory authority), and adherence to such guidelines would reasonably preclude such bank or similar financial institution from providing such ancillary service (i) in an excessive or unreasonable manner, and (ii) in a manner that would be inconsistent with the best interests of participants and beneficiaries of employee benefit plans.

Such ancillary services shall not be provided at more than reasonable compensation.

(7) The exercise of a privilege to convert securities, to the extent provided in regulations of the Secretary, but only if the plan receives no less than adequate consideration pursuant to such conversion.

(8) Any transaction between a plan and (i) a common or collective trust fund or pooled investment fund maintained by a party in interest which is a bank or trust company supervised by a State or Federal agency or (ii) a pooled investment fund of an insurance company qualified to do business in a State, if—

(A) the transaction is a sale or purchase of an interest in the fund,

(B) the bank, trust company, or insurance company receives not more than reasonable compensation, and

(C) such transaction is expressly permitted by the instrument under which the plan is maintained, or by a fiduciary (other than the bank, trust company, or insurance company, or an affiliate thereof) who has authority to manage and control the assets of the plan.

(9) The making by a fiduciary of a distribution of the assets of the plan in accordance with the terms of the plan if such assets are distributed in the same manner as provided under section 1344 of this title (relating to allocation of assets).

(10) Any transaction required or permitted under part 1 of subtitle E of subchapter III of this chapter.

(11) A merger of multiemployer plans, or the transfer of assets or liabilities between multiemployer plans, determined by the Pension Benefit Guaranty Corporation to meet the requirements of section 1411 of this title.

(12) The sale by a plan to a party in interest on or after December 18, 1987, of any stock, if—

(A) the requirements of paragraphs (1) and (2) of subsection (e) of this section are met with respect to such stock,

(B) on the later of the date on which the stock was acquired by the plan, or January 1, 1975, such stock constituted a qualifying employer security (as defined in section 1107(d)(5) of this title as then in effect), and

(C) such stock does not constitute a qualifying employer security (as defined in section 1107(d)(5) of this title as in effect at the time of the sale).

(13) Any transfer in a taxable year beginning before January 1, 2001, of excess pension assets from a defined benefit plan to a retiree health account in a qualified transfer permitted under section 420 of title 26 (as in effect on January 1, 1995).

(c) Fiduciary benefits and compensation not prohibited by section 1106

Nothing in section 1106 of this title shall be construed to prohibit any fiduciary from—

(1) receiving any benefit to which he may be entitled as a participant or beneficiary in the plan, so long as the benefit is computed and paid on a basis which is consistent with the terms of the plan as applied to all other participants and beneficiaries;

(2) receiving any reasonable compensation for services rendered, or for the reimbursement of expenses properly and actually incurred, in the performance of his duties with the plan; except that no person so serving who already receives full time pay from an employer or an association of employers, whose employees are participants in the plan, or from an employee organization whose members are participants in such plan shall receive compensation from such plan, except for reimbursement of expenses properly and actually incurred; or

(3) serving as a fiduciary in addition to being an officer, employee, agent, or other representative of a party in interest.

(d) Owner-employees; family members; shareholder employees

(A) lends any part of the corpus or income of the plan to,

(B) pays any compensation for personal services rendered to the plan to, or

(C) acquires for the plan any property from, or sells any property to,

any person who is with respect to the plan an owner-employee (as defined in section 401(c)(3) of title 26), a member of the family (as defined in section 267(c)(4) of such title) of any such owner-employee, or any corporation in which any such owner-employee owns, directly or indirectly, 50 percent or more of the total combined voting power of all classes of stock entitled to vote or 50 percent or more of the total value of shares of all classes of stock of the corporation.

(2)(A) For purposes of paragraph (1), the following shall be treated as owner-employees:

(i) A shareholder-employee.

(ii) A participant or beneficiary of an individual retirement plan (as defined in section 7701(a)(37) of title 26).

(iii) An employer or association of employees which establishes such an individual retirement plan under section 408(c) of such title.

(B) Paragraph (1)(C) shall not apply to a transaction which consists of a sale of employer securities to an employee stock ownership plan (as defined in section 1107(d)(6) of this title) by a shareholder-employee, a member of the family (as defined in section 267(c)(4) of such title) of any such owner-employee, or a corporation in which such a shareholder-employee owns stock representing a 50 percent or greater interest described in paragraph (1).

(3) For purposes of paragraph (2), the term ''shareholder-employee'' means an employee or officer of an S corporation (as defined in section 1361(a)(1) of such title) who owns (or is considered as owning within the meaning of section 318(a)(1) of such title) more than 5 percent of the outstanding stock of the corporation on any day during the taxable year of such corporation.

(e) Acquisition or sale by plan of qualifying employer securities; acquisition, sale, or lease by plan of qualifying employer real property

(1) if such acquisition, sale, or lease is for adequate consideration (or in the case of a marketable obligation, at a price not less favorable to the plan than the price determined under section 1107(e)(1) of this title),

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1109 of this title.

§ 1112. Bonding

(a) Requisite bonding of plan officials

Every fiduciary of an employee benefit plan and every person who handles funds or other property of such a plan (hereafter in this section referred to as ''plan official'') shall be bonded as provided in this section; except that—

(1) where such plan is one under which the only assets from which benefits are paid are the general assets of a union or of an employer, the administrator, officers, and employees of such plan shall be exempt from the bonding requirements of this section, and

(2) no bond shall be required of a fiduciary (or of any director, officer, or employee of such fiduciary) if such fiduciary—

(A) is a corporation organized and doing business under the laws of the United States or of any State;

(B) is authorized under such laws to exercise trust powers or to conduct an insurance business;

(C) is subject to supervision or examination by Federal or State authority; and

(D) has at all times a combined capital and surplus in excess of such a minimum amount as may be established by regulations issued by the Secretary, which amount shall be at least $1,000,000. Paragraph (2) shall apply to a bank or other financial institution which is authorized to exercise trust powers and the deposits of which are not insured by the Federal Deposit Insurance Corporation, only if such bank or institution meets bonding or similar requirements under State law which the Secretary determines are at least equivalent to those imposed on banks by Federal law.

The amount of such bond shall be fixed at the beginning of each fiscal year of the plan. Such amount shall be not less than 10 per centum of the amount of funds handled. In no case shall such bond be less than $1,000 nor more than $500,000, except that the Secretary, after due notice and opportunity for hearing to all interested parties, and after consideration of the record, may prescribe an amount in excess of $500,000, subject to the 10 per centum limitation of the preceding sentence. For purposes of fixing the amount of such bond, the amount of funds handled shall be determined by the funds handled by the person, group, or class to be covered by such bond and by their predecessor or predecessors, if any, during the preceding reporting year, or if the plan has no preceding reporting year, the amount of funds to be handled during the current reporting year by such person, group, or class, estimated as provided in regulations of the Secretary. Such bond shall provide protection to the plan against loss by reason of acts of fraud or dishonesty on the part of the plan official, directly or through connivance with others. Any bond shall have as surety thereon a corporate surety company which is an acceptable surety on Federal bonds under authority granted by the Secretary of the Treasury pursuant to sections 9304–9308 of title 31. Any bond shall be in a form or of a type approved by the Secretary, including individual bonds or schedule or blanket forms of bonds which cover a group or class.

(b) Unlawful acts

It shall be unlawful for any plan official to whom subsection (a) of this section applies, to receive, handle, disburse, or otherwise exercise custody or control of any of the funds or other property of any employee benefit plan, without being bonded as required by subsection (a) of this section and it shall be unlawful for any plan official of such plan, or any other person having authority to direct the performance of such functions, to permit such functions, or any of them, to be performed by any plan official, with respect to whom the requirements of subsection (a) of this section have not been met.

(c) Conflict of interest prohibited in procuring bonds

It shall be unlawful for any person to procure any bond required by subsection (a) of this section from any surety or other company or through any agent or broker in whose business operations such plan or any party in interest in such plan has any control or significant financial interest, direct or indirect.

(d) Exclusiveness of statutory basis for bonding requirement for persons handling funds or other property of employee benefit plans

Nothing in any other provision of law shall require any person, required to be bonded as provided in subsection (a) of this section because he handles funds or other property of an employee benefit plan, to be bonded insofar as the handling by such person of the funds or other property of such plan is concerned.

(e) Regulations

The Secretary shall prescribe such regulations as may be necessary to carry out the provisions of this section including exempting a plan from the requirements of this section where he finds that (1) other bonding arrangements or (2) the overall financial condition of the plan would be adequate to protect the interests of the beneficiaries and participants. When, in the opinion of the Secretary, the administrator of a plan offers adequate evidence of the financial responsibility of the plan, or that other bonding arrangements would provide adequate protection of the beneficiaries and participants, he may exempt such plan from the requirements of this section.

Either Secretary shall have the right in his discretion to intervene in any action, except that the Secretary of the Treasury may not intervene in any action under part 4 of this subtitle. § 1144. Other laws

(a) Supersedure; effective date

Except as provided in subsection (b) of this section, the provisions of this subchapter and subchapter III of this chapter shall supersede any and all State laws insofar as they may now or hereafter relate to any employee benefit plan described in section 1003(a) of this title and not exempt under section 1003(b) of this title. This section shall take effect on January 1, 1975.

(b) Construction and application

(1) This section shall not apply with respect to any cause of action which arose, or any act or omission which occurred, before January 1, 1975.

(3) Nothing in this section shall be construed to prohibit use by the Secretary of services or facilities of a State agency as permitted under section 1136 of this title.

FINDINGS AND PURPOSE

''(b) PURPOSE.—It is the purpose of this Act [see Short Title of 1997 Amendment note, set out under section 1001 of this title]—

(B) may, at the election of the payor, be made in monthly installments.

[1] See References in Text note below.

For purposes of this part—

(1) In general

If an administrator elects to have this subparagraph apply, the applicable premium for any period of continuation coverage of qualified beneficiaries shall be equal to—

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1132, 1162, 1165, 1167 of this title.

§ 1167. Definitions and special rules

For purposes of this part—

(1) Group health plan

The term ''group health plan'' means an employee welfare benefit plan providing medical care (as defined in section 213(d) of title 26) to participants or beneficiaries directly or through insurance, reimbursement, or otherwise. Such term shall not include any plan substantially all of the coverage under which is for qualified long-term care services (as defined in section 7702B(c) of title 26).

(2) Covered employee

The term ''covered employee'' means an individual who is (or was) provided coverage under a group health plan by virtue of the performance of services by the individual for 1 or more persons maintaining the plan (including as an employee defined in section 401(c)(1) of title 26).

(3) Qualified beneficiary

(A) In general

The term ''qualified beneficiary'' means, with respect to a covered employee under a group health plan, any other individual who, on the day before the qualifying event for that employee, is a beneficiary under the plan—

(i) as the spouse of the covered employee, or

(ii) as the dependent child of the employee.

Such term shall also include a child who is born to or placed for adoption with the covered employee during the period of continuation coverage under this part.

(B) Special rule for terminations and reduced employment

In the case of a qualifying event described in section 1163(2) of this title, the term ''qualified beneficiary'' includes the covered employee.

(C) Special rule for retirees and widows

In the case of a qualifying event described in section 1163(6) of this title, the term ''qualified beneficiary'' includes a covered employee who had retired on or before the date of substantial elimination of coverage and any other individual who, on the day before such qualifying event, is a beneficiary under the plan—

(i) as the spouse of the covered employee,

(ii) as the dependent child of the employee, or

(iii) as the surviving spouse of the covered employee.

(4) Employer

Subsection (n) (relating to leased employees) and subsection (t) (relating to application of controlled group rules to certain employee benefits) of section 414 of title 26 shall apply for purposes of this part in the same manner and to the same extent as such subsections apply for purposes of section 106 of title 26. Any regulations prescribed by the Secretary pursuant to the preceding sentence shall be consistent and coextensive with any regulations prescribed for similar purposes by the Secretary of the Treasury (or such Secretary's delegate) under such subsections.

(5) Optional extension of required periods

A group health plan shall not be treated as failing to meet the requirements of this part solely because the plan provides both—

(A) that the period of extended coverage referred to in section 1162(2) of this title commences with the date of the loss of coverage, and

(B) that the applicable notice period provided under section 1166(a)(2) of this title commences with the date of the loss of coverage.

A qualified medical child support order with respect to any participant or beneficiary shall be deemed to apply to each group health plan which has received such order, from which the participant or beneficiary is eligible to receive benefits, and with respect to which the requirements of paragraph (4) are met.

(2) Definitions

For purposes of this subsection—

(B) Medical child support order

The term ''medical child support order'' means any judgment, decree, or order (including approval of a settlement agreement) which—

(i) provides for child support with respect to a child of a participant under a group health plan or provides for health benefit coverage to such a child, is made pursuant to a State domestic relations law (including a community property law), and relates to benefits under such plan, or

if such judgment, decree, or order (I) is issued by a court of competent jurisdiction or (II) is issued through an administrative process established under State law and has the force and effect of law under applicable State law. For purposes of this subparagraph, an administrative notice which is issued pursuant to an administrative process referred to in subclause (II) of the preceding sentence and which has the effect of an order described in clause (i) or (ii) of the preceding sentence shall be treated as such an order.

(D) Child

The term ''child'' includes any child adopted by, or placed for adoption with, a participant of a group health plan.

(3) Information to be included in qualified order

A medical child support order meets the requirements of this paragraph only if such order clearly specifies—

(ii) within a reasonable period after receipt of such order, the plan administrator shall determine whether such order is a qualified medical child support order and notify the participant and each alternate recipient of such determination.

(B) Establishment of procedures for determining qualified status of orders

Each group health plan shall establish reasonable procedures to determine whether medical child support orders are qualified medical child support orders and to administer the provision of benefits under such qualified orders. Such procedures—

(I) notify the State agency issuing the Notice with respect to such child whether coverage of the child is available under the terms of the plan and, if so, whether such child is covered under the plan and either the effective date of the coverage or, if necessary, any steps to be taken by the custodial parent (or by the official of a State or political subdivision thereof substituted for the name of such child pursuant to paragraph (3)(A)) to effectuate the coverage; and

(II) provide to the custodial parent (or such substituted official) a description of the coverage available and any forms or documents necessary to effectuate such coverage.

(iii) Rule of construction

Nothing in this subparagraph shall be construed as requiring a group health plan, upon receipt of a National Medical Support Notice, to provide benefits under the plan (or eligibility for such benefits) in addition to benefits (or eligibility for benefits) provided under the terms of the plan as of immediately before receipt of such Notice.

(6) Actions taken by fiduciaries

If a plan fiduciary acts in accordance with part 4 of this subtitle in treating a medical child support order as being (or not being) a qualified medical child support order, then the plan's obligation to the participant and each alternate recipient shall be discharged to the extent of any payment made pursuant to such act of the fiduciary.

(7) Treatment of alternate recipients

(A) Treatment as beneficiary generally

A person who is an alternate recipient under a qualified medical child support order shall be considered a beneficiary under the plan for purposes of any provision of this chapter.

(8) Direct provision of benefits provided to alternate recipients

Any payment for benefits made by a group health plan pursuant to a medical child support order in reimbursement for expenses paid by an alternate recipient or an alternate recipient's custodial parent or legal guardian shall be made to the alternate recipient or the alternate recipient's custodial parent or legal guardian.

(9) Payment to State official treated as satisfaction of plan's obligation to make payment to alternate recipient

Payment of benefits by a group health plan to an official of a State or a political subdivision thereof whose name and address have been substituted for the address of an alternate recipient in a qualified medical child support order, pursuant to paragraph (3)(A), shall be treated, for purposes of this subchapter, as payment of benefits to the alternate recipient.

(b) Rights of States with respect to group health plans where participants or beneficiaries thereunder are eligible for medicaid benefits

(1) Compliance by plans with assignment of rights

A group health plan shall provide that payment for benefits with respect to a participant under the plan will be made in accordance with any assignment of rights made by or on behalf of such participant or a beneficiary of the participant as required by a State plan for medical assistance approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] pursuant to section 1912(a)(1)(A) of such Act [42 U.S.C. 1396k(a)(1)(A)] (as in effect on August 10, 1993).

(2) Enrollment and provision of benefits without regard to medicaid eligibility

A group health plan shall provide that, in enrolling an individual as a participant or beneficiary or in determining or making any payments for benefits of an individual as a participant or beneficiary, the fact that the individual is eligible for or is provided medical assistance under a State plan for medical assistance approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] will not be taken into account.

(3) Acquisition by States of rights of third parties

A group health plan shall provide that, to the extent that payment has been made under a State plan for medical assistance approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] in any case in which a group health plan has a legal liability to make payment for items or services constituting such assistance, payment for benefits under the plan will be made in accordance with any State law which provides that the State has acquired the rights with respect to a participant to such payment for such items or services.

(c) Group health plan coverage of dependent children in cases of adoption

(1) Coverage effective upon placement for adoption

In any case in which a group health plan provides coverage for dependent children of participants or beneficiaries, such plan shall provide benefits to dependent children placed with participants or beneficiaries for adoption under the same terms and conditions as apply in the case of dependent children who are natural children of participants or beneficiaries under the plan, irrespective of whether the adoption has become final.

(2) Restrictions based on preexisting conditions at time of placement for adoption prohibited

A group health plan may not restrict coverage under the plan of any dependent child adopted by a participant or beneficiary, or placed with a participant or beneficiary for adoption, solely on the basis of a preexisting condition of such child at the time that such child would otherwise become eligible for coverage under the plan, if the adoption or placement for adoption occurs while the participant or beneficiary is eligible for coverage under the plan.

(3) Definitions

For purposes of this subsection—

(A) Child

The term ''child'' means, in connection with any adoption, or placement for adoption, of the child, an individual who has not attained age 18 as of the date of such adoption or placement for adoption.

(B) Placement for adoption

The term ''placement'', or being ''placed'', for adoption, in connection with any placement for adoption of a child with any person, means the assumption and retention by such person of a legal obligation for total or partial support of such child in anticipation of adoption of such child. The child's placement with such person terminates upon the termination of such legal obligation.

A group health plan may not reduce its coverage of the costs of pediatric vaccines (as defined under section 1928(h)(6) of the Social Security Act [42 U.S.C. 1396s(h)(6)] as amended by section 13830[2] of the Omnibus Budget Reconciliation Act of 1993) below the coverage it provided as of May 1, 1993.

(a) Limitation on preexisting condition exclusion period; crediting for periods of previous coverage

Subject to subsection (d) of this section, a group health plan, and a health insurance issuer offering group health insurance coverage, may, with respect to a participant or beneficiary, impose a preexisting condition exclusion only if—

(1) such exclusion relates to a condition (whether physical or mental), regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the 6-month period ending on the enrollment date;

(2) such exclusion extends for a period of not more than 12 months (or 18 months in the case of a late enrollee) after the enrollment date; and

(3) the period of any such preexisting condition exclusion is reduced by the aggregate of the periods of creditable coverage (if any, as defined in subsection (c)(1) of this section) applicable to the participant or beneficiary as of the enrollment date.

(b) Definitions

For purposes of this part—

(1) Preexisting condition exclusion

(A) In general

The term ''preexisting condition exclusion'' means, with respect to coverage, a limitation or exclusion of benefits relating to a condition based on the fact that the condition was present before the date of enrollment for such coverage, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before such date.

(B) Treatment of genetic information

Genetic information shall not be treated as a condition described in subsection (a)(1) of this section in the absence of a diagnosis of the condition related to such information.

(2) Enrollment date

The term ''enrollment date'' means, with respect to an individual covered under a group health plan or health insurance coverage, the date of enrollment of the individual in the plan or coverage or, if earlier, the first day of the waiting period for such enrollment.

(3) Late enrollee

The term ''late enrollee'' means, with respect to coverage under a group health plan, a participant or beneficiary who enrolls under the plan other than during—

(A) the first period in which the individual is eligible to enroll under the plan, or

(B) a special enrollment period under subsection (f) of this section.

(4) Waiting period

The term ''waiting period'' means, with respect to a group health plan and an individual who is a potential participant or beneficiary in the plan, the period that must pass with respect to the individual before the individual is eligible to be covered for benefits under the terms of the plan.

(c) Rules relating to crediting previous coverage

For purposes of this part, the term ''creditable coverage'' means, with respect to an individual, coverage of the individual under any of the following:

(A) A group health plan.

(B) Health insurance coverage.

(C) Part A or part B of title XVIII of the Social Security Act [42 U.S.C. 1395c et seq.; 1395j et seq.].

Such term does not include coverage consisting solely of coverage of excepted benefits (as defined in section 1191b(c) of this title).

(2) Not counting periods before significant breaks in coverage

(A) In general

A period of creditable coverage shall not be counted, with respect to enrollment of an individual under a group health plan, if, after such period and before the enrollment date, there was a 63-day period during all of which the individual was not covered under any creditable coverage.

(B) Waiting period not treated as a break in coverage

For purposes of subparagraph (A) and subsection (d)(4) of this section, any period that an individual is in a waiting period for any coverage under a group health plan (or for group health insurance coverage) or is in an affiliation period (as defined in subsection (g)(2) of this section) shall not be taken into account in determining the continuous period under subparagraph (A).

(3) Method of crediting coverage

(A) Standard method

Except as otherwise provided under subparagraph (B), for purposes of applying subsection (a)(3) of this section, a group health plan, and a health insurance issuer offering group health insurance coverage, shall count a period of creditable coverage without regard to the specific benefits covered during the period.

(B) Election of alternative method

A group health plan, or a health insurance issuer offering group health insurance coverage, may elect to apply subsection (a)(3) of this section based on coverage of benefits within each of several classes or categories of benefits specified in regulations rather than as provided under subparagraph (A). Such election shall be made on a uniform basis for all participants and beneficiaries. Under such election a group health plan or issuer shall count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within such class or category.

(C) Plan notice

In the case of an election with respect to a group health plan under subparagraph (B) (whether or not health insurance coverage is provided in connection with such plan), the plan shall—

(i) prominently state in any disclosure statements concerning the plan, and state to each enrollee at the time of enrollment under the plan, that the plan has made such election, and

(ii) include in such statements a description of the effect of this election.

(4) Establishment of period

Periods of creditable coverage with respect to an individual shall be established through presentation of certifications described in subsection (e) of this section or in such other manner as may be specified in regulations.

(d) Exceptions

(1) Exclusion not applicable to certain newborns

Subject to paragraph (4), a group health plan, and a health insurance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion in the case of an individual who, as of the last day of the 30-day period beginning with the date of birth, is covered under creditable coverage.

(2) Exclusion not applicable to certain adopted children

Subject to paragraph (4), a group health plan, and a health insurance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion in the case of a child who is adopted or placed for adoption before attaining 18 years of age and who, as of the last day of the 30-day period beginning on the date of the adoption or placement for adoption, is covered under creditable coverage. The previous sentence shall not apply to coverage before the date of such adoption or placement for adoption.

(3) Exclusion not applicable to pregnancy

A group health plan, and health insurance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion relating to pregnancy as a preexisting condition.

(4) Loss if break in coverage

Paragraphs (1) and (2) shall no longer apply to an individual after the end of the first 63-day period during all of which the individual was not covered under any creditable coverage.

(e) Certifications and disclosure of coverage

(1) Requirement for certification of period of creditable coverage

(A) In general

A group health plan, and a health insurance issuer offering group health insurance coverage, shall provide the certification described in subparagraph (B)—

(i) at the time an individual ceases to be covered under the plan or otherwise becomes covered under a COBRA continuation provision,

(ii) in the case of an individual becoming covered under such a provision, at the time the individual ceases to be covered under such provision, and

(iii) on the request on behalf of an individual made not later than 24 months after the date of cessation of the coverage described in clause (i) or (ii), whichever is later.

The certification under clause (i) may be provided, to the extent practicable, at a time consistent with notices required under any applicable COBRA continuation provision.

(B) Certification

The certification described in this subparagraph is a written certification of—

(i) the period of creditable coverage of the individual under such plan and the coverage (if any) under such COBRA continuation provision, and

(ii) the waiting period (if any) (and affiliation period, if applicable) imposed with respect to the individual for any coverage under such plan.

(C) Issuer compliance

To the extent that medical care under a group health plan consists of group health

insurance coverage, the plan is deemed to have satisfied the certification requirement under this paragraph if the health insurance issuer offering the coverage provides for such certification in accordance with this paragraph.

(2) Disclosure of information on previous benefits

In the case of an election described in subsection (c)(3)(B) of this section by a group health plan or health insurance issuer, if the plan or issuer enrolls an individual for coverage under the plan and the individual provides a certification of coverage of the individual under paragraph (1)—

(A) upon request of such plan or issuer, the entity which issued the certification provided by the individual shall promptly disclose to such requesting plan or issuer information on coverage of classes and categories of health benefits available under such entity's plan or coverage, and

(B) such entity may charge the requesting plan or issuer for the reasonable cost of disclosing such information.

(3) Regulations

The Secretary shall establish rules to prevent an entity's failure to provide information under paragraph (1) or (2) with respect to previous coverage of an individual from adversely affecting any subsequent coverage of the individual under another group health plan or health insurance coverage.

(f) Special enrollment periods

(1) Individuals losing other coverage

A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, shall permit an employee who is eligible, but not enrolled, for coverage under the terms of the plan (or a dependent of such an employee if the dependent is eligible, but not enrolled, for coverage under such terms) to enroll for coverage under the terms of the plan if each of the following conditions is met:

(A) The employee or dependent was covered under a group health plan or had health insurance coverage at the time coverage was previously offered to the employee or dependent.

(B) The employee stated in writing at such time that coverage under a group health plan or health insurance coverage was the reason for declining enrollment, but only if the plan sponsor or issuer (if applicable) required such a statement at such time and provided the employee with notice of such requirement (and the consequences of such requirement) at such time.

(C) The employee's or dependent's coverage described in subparagraph (A)—

(i) was under a COBRA continuation provision and the coverage under such provision was exhausted; or

(ii) was not under such a provision and either the coverage was terminated as a result of loss of eligibility for the coverage (including as a result of legal separation, divorce, death, termination of employment, or reduction in the number of hours of employment) or employer contributions toward such coverage were terminated.

(D) Under the terms of the plan, the employee requests such enrollment not later than 30 days after the date of exhaustion of coverage described in subparagraph (C)(i) or termination of coverage or employer contribution described in subparagraph (C)(ii).

(2) For dependent beneficiaries

(A) In general

If—

(i) a group health plan makes coverage available with respect to a dependent of an individual,

(ii) the individual is a participant under the plan (or has met any waiting period applicable to becoming a participant under the plan and is eligible to be enrolled under the plan but for a failure to enroll during a previous enrollment period), and

(iii) a person becomes such a dependent of the individual through marriage, birth, or adoption or placement for adoption,

the group health plan shall provide for a dependent special enrollment period described in subparagraph (B) during which the person (or, if not otherwise enrolled, the individual) may be enrolled under the plan as a dependent of the individual, and in the case of the birth or adoption of a child, the spouse of the individual may be enrolled as a dependent of the individual if such spouse is otherwise eligible for coverage.

(B) Dependent special enrollment period

A dependent special enrollment period under this subparagraph shall be a period of not less than 30 days and shall begin on the later of—

(i) the date dependent coverage is made available, or

(ii) the date of the marriage, birth, or adoption or placement for adoption (as the case may be) described in subparagraph (A)(iii).

(C) No waiting period

If an individual seeks to enroll a dependent during the first 30 days of such a dependent special enrollment period, the coverage of the dependent shall become effective—

(ii) in the case of a dependent's birth, as of the date of such birth; or

(g) Use of affiliation period by HMOs as alternative to preexisting condition exclusion

(1) In general

(A) no preexisting condition exclusion is imposed with respect to coverage through the organization,

(B) the period is applied uniformly without regard to any health status-related factors, and

(C) such period does not exceed 2 months (or 3 months in the case of a late enrollee).

(2) Affiliation period

(A) Defined

For purposes of this part, the term ''affiliation period'' means a period which, under the terms of the health insurance coverage offered by the health maintenance organization, must expire before the health insurance coverage becomes effective. The organization is not required to provide health care services or benefits during such period and no premium shall be charged to the participant or beneficiary for any coverage during the period.

(B) Beginning

Such period shall begin on the enrollment date.

(C) Runs concurrently with waiting periods

An affiliation period under a plan shall run concurrently with any waiting period under the plan.

(3) Alternative methods

A health maintenance organization described in paragraph (1) may use alternative methods, from those described in such paragraph, to address adverse selection as approved by the State insurance commissioner or official or officials designated by the State to enforce the requirements of part A of title XXVII of the Public Health Service Act [42 U.S.C. 300gg et seq.] for the State involved with respect to such issuer.

(1) In general

A group health plan, and a health insurance issuer offering group health insurance coverage, may not—

(A) except as provided in paragraph (2)—

(i) restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child, following a normal vaginal delivery, to less than 48 hours, or

(ii) restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child, following a cesarean section, to less than 96 hours; or

(B) require that a provider obtain authorization from the plan or the issuer for prescribing any length of stay required under subparagraph (A) (without regard to paragraph (2)).

(2) Exception

Paragraph (1)(A) shall not apply in connection with any group health plan or health insurance issuer in any case in which the decision to discharge the mother or her newborn child prior to the expiration of the minimum length of stay otherwise required under paragraph (1)(A) is made by an attending provider in consultation with the mother.

(b) Prohibitions

A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not—

(1) deny to the mother or her newborn child eligibility, or continued eligibility, to enroll or to renew coverage under the terms of the plan, solely for the purpose of avoiding the requirements of this section;

(2) provide monetary payments or rebates to mothers to encourage such mothers to accept less than the minimum protections available under this section;

(3) penalize or otherwise reduce or limit the reimbursement of an attending provider because such provider provided care to an individual participant or beneficiary in accordance with this section;

(4) provide incentives (monetary or otherwise) to an attending provider to induce such provider to provide care to an individual participant or beneficiary in a manner inconsistent with this section; or

(5) subject to subsection (c)(3) of this section, restrict benefits for any portion of a period within a hospital length of stay required under subsection (a) of this section in a manner which is less favorable than the benefits provided for any preceding portion of such stay.

(B) to stay in the hospital for a fixed period of time following the birth of her child.

(2) This section shall not apply with respect to any group health plan, or any group health insurance coverage offered by a health insurance issuer, which does not provide benefits for hospital lengths of stay in connection with childbirth for a mother or her newborn child.

(3) Nothing in this section shall be construed as preventing a group health plan or issuer from imposing deductibles, coinsurance, or other cost-sharing in relation to benefits for hospital lengths of stay in connection with childbirth for a mother or newborn child under the plan (or under health insurance coverage offered in connection with a group health plan), except that such coinsurance or other cost-sharing for any portion of a period within a hospital length of stay required under subsection (a) of this section may not be greater than such coinsurance or cost-sharing for any preceding portion of such stay.

(d) Notice under group health plan

The imposition of the requirements of this section shall be treated as a material modification in the terms of the plan described in section 1022(a)(1)[1] of this title, for purposes of assuring notice of such requirements under the plan; except that the summary description required to be provided under the last sentence of section 1024(b)(1) of this title with respect to such modification shall be provided by not later than 60 days after the first day of the first plan year in which such requirements apply.

(1) In general

The requirements of this section shall not apply with respect to health insurance coverage if there is a State law (as defined in section 1191(d)(1) of this title) for a State that regulates such coverage that is described in any of the following subparagraphs:

(a) In general

(1) Aggregate lifetime limits

In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health benefits—

(A) No lifetime limit

If the plan or coverage does not include an aggregate lifetime limit on substantially all medical and surgical benefits, the plan or coverage may not impose any aggregate lifetime limit on mental health benefits.

(B) Lifetime limit

If the plan or coverage includes an aggregate lifetime limit on substantially all medical and surgical benefits (in this paragraph referred to as the ''applicable lifetime limit''), the plan or coverage shall either—

(i) apply the applicable lifetime limit both to the medical and surgical benefits to which it otherwise would apply and to mental health benefits and not distinguish in the application of such limit between such medical and surgical benefits and mental health benefits; or

(ii) not include any aggregate lifetime limit on mental health benefits that is less than the applicable lifetime limit.

(C) Rule in case of different limits

In the case of a plan or coverage that is not described in subparagraph (A) or (B) and that includes no or different aggregate lifetime limits on different categories of medical and surgical benefits, the Secretary shall establish rules under which subparagraph (B) is applied to such plan or coverage with respect to mental health benefits by substituting for the applicable lifetime limit an average aggregate lifetime limit that is computed taking into account the weighted average of the aggregate lifetime limits applicable to such categories.

(2) Annual limits

In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health benefits—

(A) No annual limit

If the plan or coverage does not include an annual limit on substantially all medical and surgical benefits, the plan or coverage may not impose any annual limit on mental health benefits.

(B) Annual limit

If the plan or coverage includes an annual limit on substantially all medical and surgical benefits (in this paragraph referred to as the ''applicable annual limit''), the plan or coverage shall either—

(i) apply the applicable annual limit both to medical and surgical benefits to which it otherwise would apply and to mental health benefits and not distinguish in the application of such limit between such medical and surgical benefits and mental health benefits; or

(ii) not include any annual limit on mental health benefits that is less than the applicable annual limit.

(C) Rule in case of different limits

In the case of a plan or coverage that is not described in subparagraph (A) or (B) and that includes no or different annual limits on different categories of medical and surgical benefits, the Secretary shall establish rules under which subparagraph (B) is applied to such plan or coverage with respect to mental health benefits by substituting for the applicable annual limit an average annual limit that is computed taking into account the weighted average of the annual limits applicable to such categories.

(b) Construction

Nothing in this section shall be construed—

(1) as requiring a group health plan (or health insurance coverage offered in connection with such a plan) to provide any mental health benefits; or

(2) in the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides mental health benefits, as affecting the terms and conditions (including cost sharing, limits on numbers of visits or days of coverage, and requirements relating to medical necessity) relating to the amount, duration, or scope of mental health benefits under the plan or coverage, except as specifically provided in subsection (a) of this section (in regard to parity in the imposition of aggregate lifetime limits and annual limits for mental health benefits).

(c) Exemptions

(1) Small employer exemption

(A) In general

This section shall not apply to any group health plan (and group health insurance cov-

erage offered in connection with a group health plan) for any plan year of a small employer.

For purposes of subparagraph (A), the term ''small employer'' means, in connection with a group health plan with respect to a calendar year and a plan year, an employer who employed an average of at least 2 but not more than 50 employees on business days during the preceding calendar year and who employs at least 2 employees on the first day of the plan year.

(C) Application of certain rules in determination of employer size

For purposes of this paragraph—

(i) Application of aggregation rule for employers

Rules similar to the rules under subsections (b), (c), (m), and (*o*) of section 414 of title 26 shall apply for purposes of treating persons as a single employer.

(ii) Employers not in existence in preceding year

In the case of an employer which was not in existence throughout the preceding calendar year, the determination of whether such employer is a small employer shall be based on the average number of employees that it is reasonably expected such employer will employ on business days in the current calendar year.

(iii) Predecessors

Any reference in this paragraph to an employer shall include a reference to any predecessor of such employer.

(2) Increased cost exemption

This section shall not apply with respect to a group health plan (or health insurance coverage offered in connection with a group health plan) if the application of this section to such plan (or to such coverage) results in an increase in the cost under the plan (or for such coverage) of at least 1 percent.

(d) Separate application to each option offered

In the case of a group health plan that offers a participant or beneficiary two or more benefit package options under the plan, the requirements of this section shall be applied separately with respect to each such option.

(e) Definitions

For purposes of this section—

(1) Aggregate lifetime limit

(a) In general

A group health plan, and a health insurance issuer providing health insurance coverage in connection with a group health plan, that provides medical and surgical benefits with respect to a mastectomy shall provide, in a case of a participant or beneficiary who is receiving benefits in connection with a mastectomy and who elects breast reconstruction in connection with such mastectomy, coverage for—

(1) in the next mailing made by the plan or issuer to the participant or beneficiary;

(2) as part of any yearly informational packet sent to the participant or beneficiary; or

(3) not later than January 1, 1999;

whichever is earlier.

(c) Prohibitions

A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not—

(1) deny to a patient eligibility, or continued eligibility, to enroll or to renew coverage under the terms of the plan, solely for the purpose of avoiding the requirements of this section; and

(a) Continued applicability of State law with respect to health insurance issuers

(1) In general

Subject to paragraph (2) and except as provided in subsection (b) of this section, this part shall not be construed to supersede any provision of State law which establishes, implements, or continues in effect any standard or requirement solely relating to health insurance issuers in connection with group health insurance coverage except to the extent that such standard or requirement prevents the application of a requirement of this part.

(2) Continued preemption with respect to group health plans

Nothing in this part shall be construed to affect or modify the provisions of section 1144 of this title with respect to group health plans.

(b) Special rules in case of portability requirements

(2) Exceptions

Only in relation to health insurance coverage offered by a health insurance issuer, the provisions of this part do not supersede any provision of State law to the extent that such provision—

Before issuing an advance determination of whether a pension, profit-sharing, or stock bonus plan, a trust which is a part of such a plan, or an annuity or bond purchase plan meets the requirements of part I of subchapter D of chapter 1 of title 26, the Secretary of the Treasury shall require the person applying for the determination to provide, in addition to any material and information necessary for such determination, such other material and information as may reasonably be made available at the time such application is made as the Secretary of Labor may require under subchapter I of this chapter for the administration of that subchapter. The Secretary of the Treasury shall also require that the applicant provide evidence satisfactory to the Secretary that the applicant has notified each employee who qualifies as an interested party (within the meaning of regulations prescribed under section 7476(b)(1) of title 26 (relating to declaratory judgements in connection with the qualification of certain retirement plans)) of the application for a determination.

The determination of the Secretary of the Treasury shall not be prima facie evidence on issues relating solely to part 4 of subtitle B of subchapter I of this chapter. The Secretary of the Treasury, in his discretion, may extend the 60-day period referred to in the preceding sentence if he determines that such an extension would enable the Secretary of Labor to obtain compliance with such requirements by the plan within the extension period. Except as otherwise provided in this chapter, the Secretary of Labor shall not generally apply part 2 of subtitle B of subchapter I of this chapter to any plan or trust subject to sections 410(a) and 411 of title 26, but shall refer alleged general violations of the vesting or participation standards to the Secretary of the Treasury. § 1232. Protection for employees under Federal procurement, construction, and research contracts and grants

(a) Study and investigation by Secretary of Labor

The Secretary of Labor shall, during the 2–year period beginning on September 2, 1974, conduct a full and complete study and investigation of the steps necessary to be taken to insure that professional, scientific, and technical personnel and others working in associated occupations employed under Federal procurement, construction, or research contracts or grants will, to the extent feasible, be protected against forfeitures of pension or retirement rights or benefits, otherwise provided, as a consequence of job transfers or loss of employment resulting from terminations or modifications of Federal contracts, grants, or procurement policies. The Secretary of Labor shall report the results of his study and investigation to the Congress within 2 years after September 2, 1974. The Secretary of Labor is authorized, to the extent provided by law, to obtain the services of private research institutions and such other persons by contract or other arrangement as he determines necessary in carrying out the provisions of this section.

(b) Consultation

In the course of conducting the study and investigation described in subsection (a) of this section, and in developing the regulations referred to in subsection (c) of this section, the Secretary of Labor shall consult—

(1) with appropriate professional societies, business organizations, and labor organizations, and

(2) with the heads of interested Federal departments and agencies.

(c) Regulations

Within 1 year after the date on which he submits his report to the Congress under subsection (a) of this section, the Secretary of Labor shall, if he determines it to be feasible, develop regulations, which will provide the protection of pension and retirement rights and benefits referred to in subsection (a) of this section.

(d) Congressional review of regulations; resolution of disapproval

(1) Any regulations developed pursuant to subsection (c) of this section shall take effect if, and only if—

(A) the Secretary of Labor, not later than the day which is 3 years after September 2, 1974, delivers a copy of such regulations to the House of Representatives and a copy to the Senate, and

(B) before the close of the 120–day period which begins on the day on which the copies of such regulations are delivered to the House of Representatives and to the Senate, neither the House of Representatives nor the Senate adopts, by an affirmative vote of a majority of those present and voting in that House, a resolution of disapproval.

(2) For purposes of this subsection, the term ''resolution of disapproval'' means only a resolution of either House of Congress, the matter after the resolving clause of which is as follows: ''That the ____ does not favor the taking effect of the regulations transmitted to the Congress by the Secretary of Labor on ____'', the first blank space therein being filled with the name of the resolving House and the second blank space therein being filled with the day and year.

(3) A resolution of disapproval in the House of Representatives shall be referred to the Committee on Education and Labor. A resolution of disapproval in the Senate shall be referred to the Committee on Labor and Human Resources.

(4)(A) If the committee to which a resolution of disapproval has been referred has not reported it at the end of 7 calendar days after its introduction, it is in order to move either to discharge the committee from further consider-

ation of the resolution or to discharge the committee from further consideration of any other resolution of disapproval which has been referred to the committee.

(B) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution of disapproval), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(C) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution of disapproval.

(5)(A) When the committee has reported, or has been discharged from further consideration of, a resolution of disapproval, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(B) Debate on the resolution of disapproval shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(6)(A) Motions to postpone, made with respect to the discharge from committee or the consideration of a resolution of disapproval, and motions to proceed to the consideration of other business, shall be decided without debate.

(B) Appeals from the decisions of the Chair relating to the application of the rules of the House of Representatives or the Senate, as the case may be, to the procedure relating to any resolution of disapproval shall be decided without debate.

(7) Whenever the Secretary of Labor transmits copies of the regulations to the Congress, a copy of such regulations shall be delivered to each House of Congress on the same day and shall be delivered to the Clerk of the House of Representatives if the House is not in session and to the Secretary of the Senate if the Senate is not in session.

(8) The 120 day period referred to in paragraph (1) shall be computed by excluding—

(A) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain or an adjournment of the Congress sine die, and

(B) any Saturday and Sunday, not excluded under subparagraph (A), when either House is not in session.

(9) This subsection is enacted by the Congress—

(A) as an exercise of the rulemaking power of the House of Representatives and the Senate, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions of disapproval described in paragraph (2); and they supersede other rules only to the extent that they are inconsistent therewith; and

(B) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedures of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

(Pub. L. 93–406, title III, § 3032, Sept. 2, 1974, 88 Stat. 1000; S. Res. 4, Feb. 4, 1977; S. Res. 30, Mar. 7, 1979.)

(I) $1.40 for each participant, for the first, second, third, and fourth plan years,

(II) $1.80 for each participant, for the fifth and sixth plan years,

(III) $2.20 for each participant, for the seventh and eighth plan years, and

(IV) $2.60 for each participant, for the ninth plan year, and for each succeeding plan year.

(B) The corporation may prescribe by regulation the extent to which the rate described in subparagraph (A)(i) applies more than once for any plan year to an individual participating in more than one plan maintained by the same employer, and the corporation may prescribe regulations under which the rate described in subparagraph (A)(iii) will not apply to the same participant in any multiemployer plan more than once for any plan year.

(C)(i) If the sum of—

(I) the amounts in any fund for basic benefits guaranteed for multiemployer plans, and

(II) the value of any assets held by the corporation for payment of basic benefits guaranteed for multiemployer plans,

is for any calendar year less than 2 times the amount of basic benefits guaranteed by the corporation under this subchapter for multiemployer plans which were paid out of any such fund or assets during the preceding calendar year, the annual premium rates under subparagraph (A) shall be increased to the next highest premium level necessary to insure that such sum will be at least 2 times greater than such amount during the following calendar year.

(ii) If the board of directors of the corporation determines that an increase in the premium rates under subparagraph (A) is necessary to provide assistance to plans which are receiving assistance under section 1431 of this title and to plans the board finds are reasonably likely to require such assistance, the board may order such increase in the premium rates.

(iii) The maximum annual premium rate which may be established under this subparagraph is $2.60 for each participant.

(iv) The provisions of this subparagraph shall not apply if the annual premium rate is increased to a level in excess of $2.60 per participant under any other provisions of this subchapter.

(D)(i) Not later than 120 days before the date on which an increase under subparagraph (C)(ii) is to become effective, the corporation shall publish in the Federal Register a notice of the determination described in subparagraph (C)(ii), the basis for the determination, the amount of the increase in the premium, and the anticipated increase in premium income that would result from the increase in the premium rate. The notice shall invite public comment, and shall provide for a public hearing if one is requested. Any such hearing shall be commenced not later than 60 days before the date on which the increase is to become effective.

(ii) The board of directors shall review the hearing record established under clause (i) and shall, not later than 30 days before the date on which the increase is to become effective, determine (after consideration of the comments received) whether the amount of the increase should be changed and shall publish its determination in the Federal Register.

(E)(i) The additional premium determined under this subparagraph with respect to any plan for any plan year shall be an amount equal to the amount determined under clause (ii) divided by the number of participants in such plan as of the close of the preceding plan year.

(ii) The amount determined under this clause for any plan year shall be an amount equal to $9.00 for each $1,000 (or fraction thereof) of unfunded vested benefits under the plan as of the close of the preceding plan year.

(iii) For purposes of clause (ii)—

(I) Except as provided in subclause (II) or (III), the term ''unfunded vested benefits'' means the amount which would be the unfunded current liability (within the meaning of section 1082(d)(8)(A) of this title) if only vested benefits were taken into account.

(II) The interest rate used in valuing vested benefits for purposes of subclause (I) shall be equal to the applicable percentage of the annual yield on 30-year Treasury securities for the month preceding the month in which the plan year begins. For purposes of this subclause, the applicable percentage is 80 percent for plan years beginning before July 1, 1997, 85 percent for plan years beginning after June 30, 1997, and before the 1st plan year to which the first tables prescribed under section 1082(d)(7)(C)(ii)(II) of this title apply, and 100 percent for such 1st plan year and subsequent plan years.

(III) In the case of any plan year for which the applicable percentage under subclause (II) is 100 percent, the value of the plan's assets used in determining unfunded current liability under subclause (I) shall be their fair market value.

(iv) No premium shall be determined under this subparagraph for any plan year if, as of the close of the preceding plan year, contributions to the plan for the preceding plan year were not less than the full funding limitation for the preceding plan year under section 412(c)(7) of title 26.

(4) The corporation may prescribe, subject to the enactment of a joint resolution in accordance with this section or section 1322a(f) of this title, alternative schedules of premium rates, and bases for the application of those rates, for basic benefits guaranteed by it under sections 1322 and 1322a of this title based, in whole or in part, on the risks insured by the corporation in each plan.

(5)(A) In carrying out its authority under paragraph (1) to establish schedules of premium rates, and bases for the application of those rates, for nonbasic benefits guaranteed under sections 1322 and 1322a of this title the premium rates charged by the corporation for any period for nonbasic benefits guaranteed shall—

(i) be uniform by category of nonbasic benefits guaranteed,

(ii) be based on the risks insured in each category, and

(iii) reflect the experience of the corporation (including experience which may be reasonably anticipated) in guaranteeing such benefits.

(B) Notwithstanding subparagraph (A), premium rates charged to any multiemployer plan by the corporation for any period for supplemental guarantees under section 1322a(g)(2) of this title may reflect any reasonable considerations which the corporation determines to be appropriate.

(6)(A) In carrying out its authority under paragraph (1) to establish premium rates and bases for basic benefits guaranteed under section 1322 of this title with respect to single-employer plans, the corporation shall establish such rates and bases in coverage schedules in accordance with the provisions of this paragraph.

(B) The corporation may establish annual premiums for single-employer plans composed of the sum of—

(i) a charge based on a rate applicable to the excess, if any, of the present value of the basic benefits of the plan which are guaranteed over the value of the assets of the plan, not in excess of 0.1 percent, and

(ii) an additional charge based on a rate applicable to the present value of the basic benefits of the plan which are guaranteed.

The rate for the additional charge referred to in clause (ii) shall be set by the corporation for every year at a level which the corporation estimates will yield total revenue approximately equal to the total revenue to be derived by the corporation from the charges referred to in clause (i) of this subparagraph.

(C) The corporation may establish annual premiums for single-employer plans based on—

(i) the number of participants in a plan, but such premium rates shall not exceed the rates described in paragraph (3),

(ii) unfunded basic benefits guaranteed under this subchapter, but such premium rates shall not exceed the limitations applicable to charges referred to in subparagraph (B)(i), or

(iii) total guaranteed basic benefits, but such premium rates shall not exceed the rates for additional charges referred to in subparagraph (B)(ii).

If the corporation uses two or more of the rate bases described in this subparagraph, the premium rates shall be designed to produce approximately equal amounts of aggregate premium revenue from each of the rate bases used.

(D) For purposes of this paragraph, the corporation shall by regulation define the terms ''value of assets'' and ''present value of the benefits of the plan which are guaranteed'' in a manner consistent with the purposes of this subchapter and the provisions of this section.

(b) Revised schedule; Congressional procedures applicable

(1) In order to place a revised schedule (other than a schedule described in subsection (a)(2)(C), (D), or (E) of this section) in effect, the corporation shall transmit the proposed schedule, its proposed effective date, and the reasons for its proposal to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives, and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(2) The succeeding paragraphs of this subsection are enacted by Congress as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described in paragraph (3). They shall supersede other rules only to the extent that they are inconsistent therewith. They are enacted with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any rule of that House.

(3) For the purpose of the succeeding paragraphs of this subsection, ''resolution'' means only a joint resolution, the matter after the resolving clause of which is as follows: ''The proposed revised schedule transmitted to Congress by the Pension Benefit Guaranty Corporation on ____ is hereby approved.'', the blank space therein being filled with the date on which the corporation's message proposing the rate was delivered.

(4) A resolution shall be referred to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(5) If a committee to which has been referred a resolution has not reported it before the expiration of 10 calendar days after its introduction, it shall then (but not before) be in order to move to discharge the committee from further consideration of that resolution, or to discharge the committee from further consideration of any other resolution with respect to the proposed adjustment which has been referred to the committee. The motion to discharge may be made only by a person favoring the resolution, shall be highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same proposed rate), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same proposed rate.

(6) When a committee has reported, or has been discharged from further consideration of a resolution, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. Debate on the resolution shall be limited to not

more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(7) Motions to postpone, made with respect to the discharge from committee, or the consideration of, a resolution and motions to proceed to the consideration of other business shall be decided without debate. Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution shall be decided without debate.

(c) Rates for plans for basic benefits

(1) Except as provided in subsection (a)(3) of this section, and subject to paragraph (2), the rate for all plans for basic benefits guaranteed under this subchapter with respect to plan years ending after September 2, 1974, is—

(A) in the case of each plan which was not a multiemployer plan in a plan year—

(i) with respect to each plan year beginning before January 1, 1978, an amount equal to $1 for each individual who was a participant in such plan during the plan year,

(ii) with respect to each plan year beginning after December 31, 1977, and before January 1, 1986, an amount equal to $2.60 for each individual who was a participant in such plan during the plan year, and[1]

(iii) with respect to each plan year beginning after December 31, 1985, and before January 1, 1988, an amount equal to $8.50 for each individual who was a participant in such plan during the plan year, and

(iv) with respect to each plan year beginning after December 31, 1987, and before January 1, 1991, an amount equal to $16 for each individual who was a participant in such plan during the plan year, and

(B) in the case of each plan which was a multiemployer plan in a plan year, an amount equal to 50 cents for each individual who was a participant in such plan during the plan year.

(2) The rate applicable under this subsection for the plan year preceding September 1, 1975, is the product of—

(A) the rate described in the preceding sentence; and

(B) a fraction—

(i) the numerator of which is the number of calendar months in the plan year which ends after September 2, 1974, and before the date on which the new plan year commences, and

(ii) the denominator of which is 12.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1082, 1302, 1305, 1310, 1311, 1322a, 1343 of this title; title 26 section 412.

§ 1307. Payment of premiums

(a) Premiums payable when due; accrual; waiver or reduction

The designated payor of each plan shall pay the premiums imposed by the corporation under this subchapter with respect to that plan when they are due. Premiums under this subchapter are payable at the time, and on an estimated, advance, or other basis, as determined by the corporation. Premiums imposed by this subchapter on September 2, 1974 (applicable to that portion of any plan year during which such date occurs) are due within 30 days after such date. Premiums imposed by this subchapter on the first plan year commencing after September 2, 1974, are due within 30 days after such plan year commences. Premiums shall continue to accrue until a plan's assets are distributed pursuant to a termination procedure, or until a trustee is appointed pursuant to section 1342 of this title, whichever is earlier. The corporation may waive or reduce premiums for a multiemployer plan for any plan year during which such plan receives financial assistance from the corporation under section 1431 of this title, except that any amount so waived or reduced shall be treated as financial assistance under such section.

(b) Late payment charge; waiver

If any basic benefit premium is not paid when it is due the corporation is authorized to assess a late payment charge of not more than 100 percent of the premium payment which was not timely paid. The preceding sentence shall not apply to any payment of premium made within 60 days after the date on which payment is due, if before such date, the designated payor obtains a waiver from the corporation based upon a showing of substantial hardship arising from the timely payment of the premium. The corporation is authorized to grant a waiver under this subsection upon application made by the designated payor, but the corporation may not grant a waiver if it appears that the designated payor will be unable to pay the premium within 60 days after the date on which it is due. If any premium is not paid by the last date prescribed for a payment, interest on the amount of such premium at the rate imposed under section 6601(a) of title 26 (relating to interest on underpayment, nonpayment, or extensions of time for payment of tax) shall be paid for the period from such last date to the date paid.

(c) Civil action to recover premium penalty and interest

If any designated payor fails to pay a premium when due, the corporation is authorized to bring a civil action in any district court of the United States within the jurisdiction of which the plan assets are located, the plan is administered, or in which a defendant resides or is found for the recovery of the amount of the premium penalty, and interest, and process may be served in any other district. The district courts of the United States shall have jurisdiction over actions brought under this subsection by the corporation without regard to the amount in controversy.

(d) Basic benefits guarantee not stopped by designated payor's failure to pay premiums when due

The corporation shall not cease to guarantee basic benefits on account of the failure of a designated payor to pay any premium when due.

(e) Designated payor

(1) For purposes of this section, the term ''designated payor'' means—

(A) the contributing sponsor or plan administrator in the case of a single-employer plan, and

(B) the plan administrator in the case of a multiemployer plan.

(2) If the contributing sponsor of any single-employer plan is a member of a controlled group, each member of such group shall be jointly and severally liable for any premiums required to be paid by such contributing sponsor. For purposes of the preceding sentence, the term ''controlled group'' means any group treated as a single employer under subsection (b), (c), (m), or (*o*) of section 414 of title 26.

SUBTITLE B—COVERAGE

SUBTITLE REFERRED TO IN OTHER SECTIONS

This subtitle is referred to in sections 1361, 1371 of this title.

§ 1321. Coverage

(a) Plans covered

Except as provided in subsection (b) of this section, this subchapter applies to any plan (including a successor plan) which, for a plan year—

(1) is an employee pension benefit plan (as defined in paragraph (2) of section 1002 of this title) established or maintained—

(A) by an employer engaged in commerce or in any industry or activity affecting commerce, or

(B) by any employee organization, or organization representing employees, engaged in commerce or in any industry or activity affecting commerce, or

(C) by both,

which has, in practice, met the requirements of part I of subchapter D of chapter 1 of title 26 (as in effect for the preceding 5 plan years of the plan) applicable to the plans described in paragraph (2) for the preceding 5 plan years; or

(2) is, or has been determined by the Secretary of the Treasury to be, a plan described in section 401(a) of title 26, or which meets, or has been determined by the Secretary of the Treasury to meet, the requirements of section 404(a)(2) of title 26.

For purposes of this subchapter, a successor plan is considered to be a continuation of a predecessor plan. For this purpose, unless otherwise specifically indicated in this subchapter, a successor plan is a plan which covers a group of employees which includes substantially the same employees as a previously established plan, and provides substantially the same benefits as that plan provided.

(b) Plans not covered

This section does not apply to any plan—

(1) which is an individual account plan, as defined in paragraph (34) of section 1002 of this title,

(2) established and maintained for its employees by the Government of the United States, by the government of any State or political subdivision thereof, or by any agency or instrumentality of any of the foregoing, or to which the Railroad Retirement Act of 1935 or 1937 [45 U.S.C. 231 et seq.] applies and which is financed by contributions required under that Act,

(3) which is a church plan as defined in section 414(e) of title 26, unless that plan has made an election under section 410(d) of title 26, and has notified the corporation in accordance with procedures prescribed by the corporation, that it wishes to have the provisions of this part apply to it,

(4)(A) established and maintained by a society, order, or association described in section 501(c)(8) or (9) of title 26, if no part of the contributions to or under the plan is made by employers of participants in the plan, or

(B) of which a trust described in section 501(c)(18) of title 26 is a part;

(5) which has not at any time after September 2, 1974, provided for employer contributions;

(6) which is unfunded and which is maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees;

(7) which is established and maintained outside of the United States primarily for the benefit of individuals substantially all of whom are nonresident aliens;

(8) which is maintained by an employer solely for the purpose of providing benefits for certain employees in excess of the limitations on contributions and benefits imposed by section 415 of title 26 on plans to which that section applies, without regard to whether the plan is funded, and, to the extent that a separable part of a plan (as determined by the corporation) maintained by an employer is maintained for such purpose, that part shall be treated for purposes of this subchapter, as a separate plan which is an excess benefit plan;

(9) which is established and maintained exclusively for substantial owners as defined in section 1322(b)(6)[1] of this title;

[1] See References in Text note below.

(10) of an international organization which is exempt from taxation under the International Organizations Immunities Act [22 U.S.C. 288 et seq.];

(11) maintained solely for the purpose of complying with applicable workmen's compensation laws or unemployment compensation or disability insurance laws;

(12) which is a defined benefit plan, to the extent that it is treated as an individual account plan under paragraph (35)(B) of section 1002 of this title; or

(13) established and maintained by a professional service employer which does not at any time after September 2, 1974, have more than 25 active participants in the plan.

(c) Definitions

(1) For purposes of subsection (b)(1) of this section, the term ''individual account plan'' does not include a plan under which a fixed benefit is promised if the employer or his representative participated in the determination of that benefit.

(2) For purposes of this paragraph and for purposes of subsection (b)(13) of this section.

(A) the term ''professional service employer'' means any proprietorship, partnership, corporation, or other association or organization (i) owned or controlled by professional individuals or by executors or administrators of professional individuals, (ii) the principal business of which is the performance of professional services, and

(B) the term ''professional individuals'' includes but is not limited to, physicians, dentists, chiropractors, osteopaths, optometrists, other licensed practitioners of the healing arts, attorneys at law, public accountants, public engineers, architects, draftsmen, actuaries, psychologists, social or physical scientists, and performing artists.

(3) In the case of a plan established and maintained by more than one professional service employer, the plan shall not be treated as a plan described in subsection (b)(13) of this section if, at any time after September 2, 1974, the plan has more than 25 active participants.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1023, 1054, 1081, 1082, 1103, 1114, 1322, 1322a, 1323, 1341, 1341a, 1343, 1344, 1365, 1461 of this title; title 26 sections 401, 412, 4972.

§ 1322. Single-employer plan benefits guaranteed

(a) Nonforfeitable benefits

Subject to the limitations contained in subsection (b) of this section, the corporation shall guarantee, in accordance with this section, the payment of all nonforfeitable benefits (other than benefits becoming nonforfeitable solely on account of the termination of a plan) under a single-employer plan which terminates at a time when this subchapter applies to it.

(b) Exceptions

(1) Except to the extent provided in paragraph (7)—

(A) no benefits provided by a plan which has been in effect for less than 60 months at the time the plan terminates shall be guaranteed under this section, and

(B) any increase in the amount of benefits under a plan resulting from a plan amendment which was made, or became effective, whichever is later, within 60 months before the date on which the plan terminates shall be disregarded.

(2) For purposes of this subsection, the time a successor plan (within the meaning of section 1321(a) of this title) has been in effect includes the time a previously established plan (within the meaning of section 1321(a) of this title) was in effect. For purposes of determining what ben-

efits are guaranteed under this section in the case of a plan to which section 1321 of this title does not apply on September 3, 1974, the 60-month period referred to in paragraph (1) shall be computed beginning on the first date on which such section does apply to the plan.

(3) The amount of monthly benefits described in subsection (a) of this section provided by a plan, which are guaranteed under this section with respect to a participant, shall not have an actuarial value which exceeds the actuarial value of a monthly benefit in the form of a life annuity commencing at age 65 equal to the lesser of—

(A) his average monthly gross income from his employer during the 5 consecutive calendar year period (or, if less, during the number of calendar years in such period in which he actively participates in the plan) during which his gross income from that employer was greater than during any other such period with that employer determined by dividing 1/12 of the sum of all such gross income by the number of such calendar years in which he had such gross income, or

(B) $750 multiplied by a fraction, the numerator of which is the contribution and benefit base (determined under section 230 of the Social Security Act [42 U.S.C. 430]) in effect at the time the plan terminates and the denominator of which is such contribution and benefit base in effect in calendar year 1974.

The provisions of this paragraph do not apply to non-basic benefits. The maximum guaranteed monthly benefit shall not be reduced solely on account of the age of a participant in the case of a benefit payable by reason of disability that occurred on or before the termination date, if the participant demonstrates to the satisfaction of the corporation that the Social Security Administration has determined that the participant satisfies the definition of disability under title II or XVI of the Social Security Act [42 U.S.C. 401 et seq.; 1381 et seq.], and the regulations thereunder. If a benefit payable by reason of disability is converted to an early or normal retirement benefit for reasons other than a change in the health of the participant, such early or normal retirement benefit shall be treated as a continuation of the benefit payable by reason of disability and this subparagraph shall continue to apply.

(4)(A) The actuarial value of a benefit, for purposes of this subsection, shall be determined in accordance with regulations prescribed by the corporation.

(B) For purposes of paragraph (3)—

(i) the term ''gross income'' means ''earned income'' within the meaning of section 911(b) of title 26 (determined without regard to any community property laws),

(ii) in the case of a participant in a plan under which contributions are made by more than one employer, amounts received as gross income from any employer under that plan shall be aggregated with amounts received from any other employer under that plan during the same period, and

(iii) any non-basic benefit shall be disregarded.

(5)(A) For purposes of this subchapter, the term ''substantial owner'' means an individual who—

(i) owns the entire interest in an unincorporated trade or business,

(ii) in the case of a partnership, is a partner who owns, directly or indirectly, more than 10 percent of either the capital interest or the profits interest in such partnership, or

(iii) in the case of a corporation, owns, directly or indirectly, more than 10 percent in value of either the voting stock of that corporation or all the stock of that corporation.

For purposes of clause (iii) the constructive ownership rules of section 1563(e) of title 26 shall apply (determined without regard to section 1563(e)(3)(C)). For purposes of this subchapter an individual is also treated as a substantial owner with respect to a plan if, at any time within the 60 months preceding the date on which the determination is made, he was a substantial owner under the plan.

(B) In the case of a participant in a plan under which benefits have not been increased by reason of any plan amendments and who is covered by the plan as a substantial owner, the amount of benefits guaranteed under this section shall not exceed the product of—

(i) a fraction (not to exceed 1) the numerator of which is the number of years the substantial owner was an active participant in the plan, and the denominator of which is 30, and

(ii) the amount of the substantial owner's monthly benefits guaranteed under subsection (a) of this section (as limited under paragraph (3) of this subsection).

(C) In the case of a participant in a plan, other than a plan described in subparagraph (B), who is covered by the plan as a substantial owner, the amount of the benefit guaranteed under this section shall, under regulations prescribed by the corporation, treat each benefit increase attributable to a plan amendment as if it were provided under a new plan. The benefits guaranteed under this section with respect to all such amendments shall not exceed the amount which would be determined under subparagraph (B) if subparagraph (B) applied.

(6)(A) No benefits accrued under a plan after the date on which the Secretary of the Treasury issues notice that he has determined that any trust which is a part of a plan does not meet the requirements of section 401(a) of title 26, or that the plan does not meet the requirements of section 404(a)(2) of title 26, are guaranteed under this section unless such determination is erroneous. This subparagraph does not apply if the Secretary subsequently issues a notice that such trust meets the requirements of section 401(a) of title 26 or that the plan meets the requirements of section 404(a)(2) of title 26 and if the Secretary determines that the trust or plan has taken action necessary to meet such requirements during the period between the issuance of the notice referred to in the preceding sentence and the issuance of the notice referred to in this sentence.

(B) No benefits accrued under a plan after the date on which an amendment of the plan is adopted which causes the Secretary of the

Treasury to determine that any trust under the plan has ceased to meet the requirements of section 401(a) of title 26 or that the plan has ceased to meet the requirements of section 404(a)(2) of title 26, are guaranteed under this section unless such determination is erroneous. This subparagraph shall not apply if the amendment is revoked as of the date it was first effective or amended to comply with such requirements.

(7) Benefits described in paragraph (1) are guaranteed only to the extent of the greater of—

(A) 20 percent of the amount which, but for the fact that the plan or amendment has not been in effect for 60 months or more, would be guaranteed under this section, or

(B) $20 per month,

multiplied by the number of years (but not more than 5) the plan or amendment, as the case may be, has been in effect. In determining how many years a plan or amendment has been in effect for purposes of this paragraph, the first 12 months beginning with the date on which the plan or amendment is made or first becomes effective (whichever is later) constitutes one year, and each consecutive period of 12 months thereafter constitutes an additional year. This paragraph does not apply to benefits payable under a plan unless the corporation finds substantial evidence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this subchapter.

(c) Payment by corporation to participants and beneficiaries of recovery percentage of outstanding amount of benefit liabilities

(1) In addition to benefits paid under the preceding provisions of this section with respect to a terminated plan, the corporation shall pay the portion of the amount determined under paragraph (2) which is allocated with respect to each participant under section 1344(a) of this title. Such payment shall be made to such participant or to such participant's beneficiaries (including alternate payees, within the meaning of section 1056(d)(3)(K) of this title).

(2) The amount determined under this paragraph is an amount equal to the product derived by multiplying—

(A) the outstanding amount of benefit liabilities under the plan (including interest calculated from the termination date), by

(B) the applicable recovery ratio.

(3)(A) Except as provided in subparagraph (C), for purposes of this subsection, the term ''recovery ratio'' means the average ratio, with respect to prior plan terminations described in subparagraph (B), of—

(i) the value of the recovery of the corporation under section 1362, 1363, or 1364 of this title in connection with such prior terminations, to

(ii) the amount of unfunded benefit liabilities under such plans as of the termination date in connection with such prior terminations.

(B) A plan termination described in this subparagraph is a termination with respect to which—

(i) the corporation has determined the value of recoveries under section 1362, 1363, or 1364 of this title, and

(ii) notices of intent to terminate were provided after December 17, 1987, and during the 5-Federal fiscal year period ending with the fiscal year preceding the fiscal year in which occurs the date of the notice of intent to terminate with respect to the plan termination for which the recovery ratio is being determined.

(C) In the case of a terminated plan with respect to which the outstanding amount of benefit liabilities exceeds $20,000,000, for purposes of this section, the term ''recovery ratio'' means, with respect to the termination of such plan, the ratio of—

(i) the value of the recoveries of the corporation under section 1362, 1363, or 1364 of this title in connection with such plan, to

(ii) the amount of unfunded benefit liabilities under such plan as of the termination date.

(4) Determinations under this subsection shall be made by the corporation. Such determinations shall be binding unless shown by clear and convincing evidence to be unreasonable.

(d) Authorization to guarantee other classes of benefits

The corporation is authorized to guarantee the payment of such other classes of benefits and to establish the terms and conditions under which such other classes of benefits are guaranteed as it determines to be appropriate.

(e) Nonforfeitability of preretirement survivor annuity

For purposes of subsection (a) of this section, a qualified preretirement survivor annuity (as defined in section 1055(e)(1) of this title) with respect to a participant under a terminated single-employer plan shall not be treated as forfeitable solely because the participant has not died as of the termination date.

(f) Effective date of plan amendments

§ 1322a. Multiemployer plan benefits guaranteed

(a) Benefits of covered plans subject to guarantee

The corporation shall guarantee, in accordance with this section, the payment of all nonforfeitable benefits (other than benefits becoming nonforfeitable solely on account of the termination of a plan) under a multiemployer plan—

(1) to which this subchapter applies, and

(2) which is insolvent under section 1426(b) or 1441(d)(2) of this title.

(b) Benefits or benefit increases not eligible for guarantee

(1)(A) For purposes of this section, a benefit or benefit increase which has been in effect under a plan for less than 60 months is not eligible for the corporation's guarantee. For purposes of this paragraph, any month of any plan year during which the plan was insolvent or terminated (within the meaning of section 1341a(a)(2) of this title) shall not be taken into account.

(B) For purposes of this section, a benefit or benefit increase which has been in effect under a plan for less than 60 months before the first day of the plan year for which an amendment reducing the benefit or the benefit increase is taken into account under section 1425(a)(2) of this title in determining the minimum contribution requirement for the plan year under section 1423(b) of this title is not eligible for the corporation's guarantee.

(2) For purposes of this section—

(A) the date on which a benefit or a benefit increase under a plan is first in effect is the later of—

(i) the date on which the documents establishing or increasing the benefit were executed, or

(ii) the effective date of the benefit or benefit increase;

(B) the period of time for which a benefit or a benefit increase has been in effect under a successor plan includes the period of time for which the benefit or benefit increase was in effect under a previously established plan; and

(C) in the case of a plan to which section 1321 of this title did not apply on September 3, 1974, the time periods referred to in this section are computed beginning on the date on which section 1321 of this title first applies to the plan.

(c) Determinations respecting amount of guarantee

(1) Except as provided in subsection (g) of this section, the monthly benefit of a participant or a beneficiary which is guaranteed under this section by the corporation with respect to a plan is the product of—

(A) 100 percent of the accrual rate up to $5, plus 75 percent of the lesser of—

(i) $15, or

(ii) the accrual rate, if any, in excess of $5, and

(B) the number of the participant's years of credited service.

(2) Except as provided in paragraph (6) of this subsection and in subsection (g) of this section, in applying paragraph (1) with respect to a plan described in paragraph (5)(A), the term ''65 percent'' shall be substituted in paragraph (1)(A) for the term ''75 percent''.

(3) For purposes of this section, the accrual rate is—

(A) the monthly benefit of the participant or beneficiary which is described in subsection (a) of this section and which is eligible for the corporation's guarantee under subsection (b) of this section, except that such benefit shall be—

(i) no greater than the monthly benefit which would be payable under the plan at normal retirement age in the form of a single life annuity, and

(ii) determined without regard to any reduction under section 411(a)(3)(E) of title 26; divided by

(B) the participant's years of credited service.

(4) For purposes of this subsection—

(A) a year of credited service is a year in which the participant completed—

(i) a full year of participation in the plan, or

(ii) any period of service before participation which is credited for purposes of benefit accrual as the equivalent of a full year of participation;

(B) any year for which the participant is credited for purposes of benefit accrual with a fraction of the equivalent of a full year of participation shall be counted as such a fraction of a year of credited service; and

(C) years of credited service shall be determined by including service which may otherwise be disregarded by the plan under section 411(a)(3)(E) of title 26.

(5)(A) A plan is described in this subparagraph if—

(i) the first plan year—

(I) in which the plan is insolvent under section 1426(b) or 1441(d)(2) of this title, and

(II) for which benefits are required to be suspended under section 1426 of this title, or reduced or suspended under section 1441 of this title, until they do not exceed the levels provided in this subsection,

begins before the year 2000; and

(ii) the plan sponsor has not established to the satisfaction of the corporation that, during the period of 10 consecutive plan years (or of such lesser number of plan years for which the plan was maintained) immediately preceding the first plan year to which the minimum funding standards of section 412 of title 26 apply, the total amount of the contributions required under the plan for each plan year was at least equal to the sum of—

(I) the normal cost for that plan year, and

(II) the interest for the plan year (determined under the plan) on the unfunded past service liability for that plan year, determined as of the beginning of that plan year.

(B) A plan shall not be considered to be described in subparagraph (A) if—

(i) it is established to the satisfaction of the corporation that—

(I) the total amount of the contributions received under the plan for the plan years for which the actuarial valuations (performed during the period described in subparagraph (A)(ii)) were performed was at least equal to the sum described in subparagraph (A)(ii); or

(II) the rates of contribution to the plan under the collective bargaining agreements negotiated when the findings of such valuations were available were reasonably expected to provide such contributions;

(ii) the number of actuarial valuations performed during the period described in subparagraph (A)(ii) is—

(I) at least 2, in any case in which such period consists of more than 6 plan years, and

(II) at least 1, in any case in which such period consists of 6 or fewer plan years; and

(iii) if the proposition described in clause (i)(I) is to be established, the plan sponsor certifies that to the best of the plan sponsor's knowledge there is no information available which establishes that the total amount of the contributions received under the plan for any plan year during the period described in subparagraph (A)(ii) for which no valuation was performed is less than the sum described in subparagraph (A)(ii).

(6) Notwithstanding paragraph (2), in the case of a plan described in paragraph (5)(A), if for any period of 3 consecutive plan years beginning with the first plan year to which the minimum funding standards of section 412 of title 26 apply, the value of the assets of the plan for each such plan year is an amount equal to at least 8 times the benefit payments for such plan year—

(A) paragraph (2) shall not apply to such plan; and

(B) the benefit of a participant or beneficiary guaranteed by the corporation with respect to the plan shall be an amount determined under paragraph (1).

(d) Amount of guarantee of reduced benefit

In the case of a benefit which has been reduced under section 411(a)(3)(E) of title 26, the corporation shall guarantee the lesser of—

(1) the reduced benefit, or

(2) the amount determined under subsection (c) of this section.

(e) Ineligibility of benefits for guarantee

The corporation shall not guarantee benefits under a multiemployer plan which, under section 1322(b)(6) of this title, would not be guaranteed under a single-employer plan.

(f) Study, report, etc., respecting premium increase in existing basic-benefit guarantee levels; Congressional procedures applicable for revision of schedules

(1) No later than 5 years after September 26, 1980, and at least every fifth year thereafter, the corporation shall—

(A) conduct a study to determine—

(i) the premiums needed to maintain the basic-benefit guarantee levels for multiemployer plans described in subsection (c) of this section, and

(ii) whether the basic-benefit guarantee levels for multiemployer plans may be increased without increasing the basic-benefit premiums for multiemployer plans under this subchapter; and

(B) report such determinations to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(2)(A) If the last report described in paragraph (1) indicates that a premium increase is necessary to support the existing basic-benefit guarantee levels for multiemployer plans, the corporation shall transmit to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate by March 31 of any calendar year in which congressional action under this subsection is requested—

(i) a revised schedule of basic-benefit guarantees for multiemployer plans which would be necessary in the absence of an increase in premiums approved in accordance with section 1306(b) of this title,

(ii) a revised schedule of basic-benefit premiums for multiemployer plans which is necessary to support the existing basic-benefit guarantees for such plans, and

(iii) a revised schedule of basic-benefit guarantees for multiemployer plans for which the schedule of premiums necessary is higher than the existing premium schedule for such plans but lower than the revised schedule of premiums for such plans specified in clause (ii), together with such schedule of premiums.

(B) The revised schedule of increased premiums referred to in subparagraph (A)(ii) or (A)(iii) shall go into effect as approved by the enactment of a joint resolution.

(C) If an increase in premiums is not so enacted, the revised guarantee schedule described in subparagraph (A)(i) shall go into effect on the first day of the second calendar year following the year in which such revised guarantee schedule was submitted to the Congress.

(3)(A) If the last report described in paragraph (1) indicates that basic-benefit guarantees for multiemployer plans can be increased without increasing the basic-benefit premiums for multiemployer plans under this subchapter, the corporation shall submit to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate by March 31 of the calendar year in which congressional action under this paragraph is requested—

(i) a revised schedule of increases in the basic-benefit guarantees which can be supported by the existing schedule of basic-benefit premiums for multiemployer plans, and

(ii) a revised schedule of basic-benefit premiums sufficient to support the existing basic-benefit guarantees.

(B) The revised schedules referred to in subparagraph (A)(i) or subparagraph (A)(ii) shall go into effect as approved by the enactment of a joint resolution.

(4)(A) The succeeding subparagraphs of this paragraph are enacted by the Congress as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of joint resolutions (as defined in subparagraph (B)). Such subparagraphs shall supersede other rules only to the extent that they are inconsistent therewith. They are enacted with full recognition of the

constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any rule of that House.

(B) For purposes of this subsection, ''joint resolution'' means only a joint resolution, the matter after the resolving clause of which is as follows: ''The proposed schedule described in transmitted to the Congress by the Pension Benefit Guaranty Corporation on is hereby approved.'', the first blank space therein being filled with ''section 4022A(f)(2)(A)(ii) of the Employee Retirement Income Security Act of 1974'', ''section 4022A(f)(2)(A)(iii) of the Employee Retirement Income Security Act of 1974'', ''section 4022A(f)(3)(A)(i) of the Employee Retirement Income Security Act of 1974'', or ''section 4022A(f)(3)(A)(ii) of the Employee Retirement Income Security Act of 1974'' (whichever is applicable), and the second blank space therein being filled with the date on which the corporation's message proposing the revision was submitted.

(C) The procedure for disposition of a joint resolution shall be the procedure described in section 1306(b)(4) through (7) of this title.

(g) Guarantee of payment of other classes of benefits and establishment of terms and conditions of guarantee; promulgation of regulations for establishment of supplemental program to guarantee benefits otherwise ineligible; status of benefits; applicability of revised schedule of premiums

(1) The corporation may guarantee the payment of such other classes of benefits under multiemployer plans, and establish the terms and conditions under which those other classes of benefits are guaranteed, as it determines to be appropriate.

(2)(A) The corporation shall prescribe regulations to establish a supplemental program to guarantee benefits under multiemployer plans which would be guaranteed under this section but for the limitations in subsection (c) of this section. Such regulations shall be proposed by the corporation no later than the end of the 18th calendar month following September 26, 1980. The regulations shall make coverage under the supplemental program available no later than January 1, 1983. Any election to participate in the supplemental program shall be on a voluntary basis, and a plan electing such coverage shall continue to pay the premiums required under section 1306(a)(2)(B) of this title to the revolving fund used pursuant to section 1305 of this title in connection with benefits otherwise guaranteed under this section. Any such election shall be irrevocable, except to the extent otherwise provided by regulations prescribed by the corporation.

(B) The regulations prescribed under this paragraph shall provide—

(i) that a plan must elect coverage under the supplemental program within the time permitted by the regulations;

(ii) unless the corporation determines otherwise, that a plan may not elect supplemental coverage unless the value of the assets of the plan as of the end of the plan year preceding the plan year in which the election must be made is an amount equal to 15 times the total amount of the benefit payments made under the plan for that year; and

(iii) such other reasonable terms and conditions for supplemental coverage, including funding standards and any other reasonable limitations with respect to plans or benefits covered or to means of program financing, as the corporation determines are necessary and appropriate for a feasible supplemental program consistent with the purposes of this subchapter.

(3) Any benefits guaranteed under this subsection shall be considered nonbasic benefits for purposes of this subchapter.

(4)(A) No revised schedule of premiums under this subsection, after the initial schedule, shall go into effect unless—

(i) the revised schedule is submitted to the Congress, and

(ii) a joint resolution described in subparagraph (B) is not enacted before the close of the 60th legislative day after such schedule is submitted to the Congress.

(B) For purposes of subparagraph (A), a joint resolution described in this subparagraph is a joint resolution the matter after the resolving clause of which is as follows: ''The revised premium schedule transmitted to the Congress by the Pension Benefit Guaranty Corporation under section 4022A(g)(4) of the Employee Retirement Income Security Act of 1974 on is hereby disapproved.'', the blank space therein being filled with the date on which the revised schedule was submitted.

(C) For purposes of subparagraph (A), the term ''legislative day'' means any calendar day other than a day on which either House is not in session because of a sine die adjournment or an adjournment of more than 3 days to a day certain.

(D) The procedure for disposition of a joint resolution described in subparagraph (B) shall be the procedure described in paragraphs (4) through (7) of section 1306(b) of this title.

(5) Regulations prescribed by the corporation to carry out the provisions of this subsection, may, to the extent provided therein, supersede the requirements of sections 1426, 1431, and 1441 of this title, and the requirements of section 418E of title 26, but only with respect to benefits guaranteed under this subsection.

(h) Applicability to nonforfeitable benefits accrued as of July 30, 1980; manner and extent of guarantee

(1) Except as provided in paragraph (3), subsections (b) and (c) of this section shall not apply with respect to the nonforfeitable benefits accrued as of July 29, 1980, with respect to a participant or beneficiary under a multiemployer plan—

(1) who is in pay status on July 29, 1980, or

(2) who is within 36 months of the normal retirement age and has a nonforfeitable right to a pension as of that date.

(2) The benefits described in paragraph (1) shall be guaranteed by the corporation in the same manner and to the same extent as benefits are guaranteed by the corporation under section 1322 of this title (without regard to this section).

(3) This subsection does not apply with respect to a plan for plan years following a plan year—

(A) in which the plan has terminated within the meaning of section 1341a(a)(2) of this title, or

(B) in which it is determined by the corporation that substantially all the employers have withdrawn from the plan pursuant to an agreement or arrangement to withdraw.

SUBTITLE C—TERMINATIONS

SUBTITLE REFERRED TO IN OTHER SECTIONS

This subtitle is referred to in sections 1361, 1371 of this title.

§ 1341. Termination of single-employer plans

(a) General rules governing single-employer plan terminations

(1) Exclusive means of plan termination

Except in the case of a termination for which proceedings are otherwise instituted by the corporation as provided in section 1342 of this title, a single-employer plan may be terminated only in a standard termination under subsection (b) of this section or a distress termination under subsection (c) of this section.

(2) 60-day notice of intent to terminate

Not less than 60 days before the proposed termination date of a standard termination under subsection (b) of this section or a distress termination under subsection (c) of this section, the plan administrator shall provide to each affected party (other than the corporation in the case of a standard termination) a written notice of intent to terminate stating that such termination is intended and the proposed termination date. The written notice shall include any related additional information required in regulations of the corporation.

(3) Adherence to collective bargaining agreements

The corporation shall not proceed with a termination of a plan under this section if the termination would violate the terms and conditions of an existing collective bargaining agreement. Nothing in the preceding sentence shall be construed as limiting the authority of the corporation to institute proceedings to involuntarily terminate a plan under section 1342 of this title.

(b) Standard termination of single-employer plans

(1) General requirements

A single-employer plan may terminate under a standard termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to affected parties required under subsection (a)(2) of this section,

(B) the requirements of subparagraphs (A) and (B) of paragraph (2) are met,

(C) the corporation does not issue a notice of noncompliance under subparagraph (C) of paragraph (2), and

(D) when the final distribution of assets occurs, the plan is sufficient for benefit liabilities (determined as of the termination date).

(2) Termination procedure

(A) Notice to the corporation

As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2) of this section, the plan administrator shall send a notice to the corporation setting forth—

(i) certification by an enrolled actuary—

(I) of the projected amount of the assets of the plan (as of a proposed date of final distribution of assets),

(II) of the actuarial present value (as of such date) of the benefit liabilities (determined as of the proposed termination date) under the plan, and

(III) that the plan is projected to be sufficient (as of such proposed date of final distribution) for such benefit liabilities,

(ii) such information as the corporation may prescribe in regulations as necessary to enable the corporation to make determinations under subparagraph (C), and

(iii) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certification under clause (i) is accurate and complete, and

(II) the information provided to the corporation under clause (ii) is accurate and complete.

Clause (i) and clause (iii)(I) shall not apply to a plan described in section 412(i) of title 26.

(B) Notice to participants and beneficiaries of benefit commitments [1]

No later than the date on which a notice is sent by the plan administrator under subparagraph (A), the plan administrator shall send a notice to each person who is a participant or beneficiary under the plan—

(i) specifying the amount of the benefit liabilities (if any) attributable to such person as of the proposed termination date and the benefit form on the basis of which such amount is determined, and

(ii) including the following information used in determining such benefit liabilities:

(I) the length of service,

(II) the age of the participant or beneficiary,

[1] So in original. Probably should be ''benefit liabilities''.

(III) wages,

(IV) the assumptions, including the interest rate, and

(V) such other information as the corporation may require.

Such notice shall be written in such manner as is likely to be understood by the participant or beneficiary and as may be prescribed in regulations of the corporation.

(C) Notice from the corporation of noncompliance

(i) In general

Within 60 days after receipt of the notice under subparagraph (A), the corporation shall issue a notice of noncompliance to the plan administrator if—

(I) it determines, based on the notice sent under paragraph (2)(A) of subsection (b) of this section, that there is reason to believe that the plan is not sufficient for benefit liabilities,

(II) it otherwise determines, on the basis of information provided by affected parties or otherwise obtained by the corporation, that there is reason to believe that the plan is not sufficient for benefit liabilities, or

(III) it determines that any other requirement of subparagraph (A) or (B) of this paragraph or of subsection (a)(2) of this section has not been met, unless it further determines that the issuance of such notice would be inconsistent with the interests of participants and beneficiaries.

(ii) Extension

The corporation and the plan administrator may agree to extend the 60-day period referred to in clause (i) by a written agreement signed by the corporation and the plan administrator before the expiration of the 60-day period. The 60-day period shall be extended as provided in the agreement and may be further extended by subsequent written agreements signed by the corporation and the plan administrator made before the expiration of a previously agreed upon extension of the 60-day period. Any extension may be made upon such terms and conditions (including the payment of benefits) as are agreed upon by the corporation and the plan administrator.

(D) Final distribution of assets in absence of notice of noncompliance

The plan administrator shall commence the final distribution of assets pursuant to the standard termination of the plan as soon as practicable after the expiration of the 60-day (or extended) period referred to in subparagraph (C), but such final distribution may occur only if—

(i) the plan administrator has not received during such period a notice of noncompliance from the corporation under subparagraph (C), and

(ii) when such final distribution occurs, the plan is sufficient for benefit liabilities (determined as of the termination date).

(3) Methods of final distribution of assets

(A) In general

In connection with any final distribution of assets pursuant to the standard termination of the plan under this subsection, the plan administrator shall distribute the assets in accordance with section 1344 of this title. In distributing such assets, the plan administrator shall—

(i) purchase irrevocable commitments from an insurer to provide all benefit liabilities under the plan, or

(ii) in accordance with the provisions of the plan and any applicable regulations, otherwise fully provide all benefit liabilities under the plan. A transfer of assets to the corporation in accordance with section 1350 of this title on behalf of a missing participant shall satisfy this subparagraph with respect to such participant.

(B) Certification to the corporation of final distribution of assets

Within 30 days after the final distribution of assets is completed pursuant to the standard termination of the plan under this subsection, the plan administrator shall send a notice to the corporation certifying that the assets of the plan have been distributed in accordance with the provisions of subparagraph (A) so as to pay all benefit liabilities under the plan.

(4) Continuing authority

Nothing in this section shall be construed to preclude the continued exercise by the corporation, after the termination date of a plan terminated in a standard termination under this subsection, of its authority under section 1303 of this title with respect to matters relating to the termination. A certification under paragraph (3)(B) shall not affect the corporation's obligations under section 1322 of this title.

(c) Distress termination of single-employer plans

(1) In general

A single-employer plan may terminate under a distress termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to affected parties required under subsection (a)(2) of this section,

(B) the requirements of subparagraph (A) of paragraph (2) are met, and

(C) the corporation determines that the requirements of subparagraph (B) of paragraph (2) are met.

(2) Termination requirements

(A) Information submitted to the corporation

As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2) of this section, the plan administrator shall provide the corporation, in such form as may be prescribed by the corporation in regulations, the following information:

(i) such information as the corporation may prescribe by regulation as necessary to make determinations under subparagraph (B) and paragraph (3);

(ii) unless the corporation determines the information is not necessary for purposes of paragraph (3)(A) or section 1362 of this title, certification by an enrolled actuary of—

(I) the amount (as of the proposed termination date and, if applicable, the proposed distribution date) of the current value of the assets of the plan,

(II) the actuarial present value (as of such dates) of the benefit liabilities under the plan,

(III) whether the plan is sufficient for benefit liabilities as of such dates,

(IV) the actuarial present value (as of such dates) of benefits under the plan guaranteed under section 1322 of this title, and

(V) whether the plan is sufficient for guaranteed benefits as of such dates;

(iii) in any case in which the plan is not sufficient for benefit liabilities as of such date—

(I) the name and address of each participant and beneficiary under the plan as of such date, and

(II) such other information as shall be prescribed by the corporation by regulation as necessary to enable the corporation to be able to make payments to participants and beneficiaries as required under section 1322(c) of this title; and

(iv) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certifications under clause (ii) is accurate and complete, and

(II) the information provided to the corporation under clauses (i) and (iii) is accurate and complete.

Clause (ii) and clause (iv)(I) shall not apply to a plan described in section 412(i) of title 26.

(B) Determination by the corporation of necessary distress criteria

Upon receipt of the notice of intent to terminate required under subsection (a)(2) of this section and the information required under subparagraph (A), the corporation shall determine whether the requirements of this subparagraph are met as provided in clause (i), (ii), or (iii). The requirements of this subparagraph are met if each person who is (as of the proposed termination date) a contributing sponsor of such plan or a member of such sponsor's controlled group meets the requirements of any of the following clauses:

(i) Liquidation in bankruptcy or insolvency proceedings

The requirements of this clause are met by a person if—

(I) such person has filed or has had filed against such person, as of the proposed termination date, a petition seeking liquidation in a case under title 11 or under any similar Federal law or law of a State or political subdivision of a State (or a case described in clause (ii) filed by or against such person has been converted, as of such date, to a case in which liquidation is sought), and

(II) such case has not, as of the proposed termination date, been dismissed.

(ii) Reorganization in bankruptcy or insolvency proceedings

The requirements of this clause are met by a person if—

(I) such person has filed, or has had filed against such person, as of the proposed termination date, a petition seeking reorganization in a case under title 11 or under any similar law of a State or political subdivision of a State (or a case described in clause (i) filed by or against such person has been converted, as of such date, to such a case in which reorganization is sought),

(II) such case has not, as of the proposed termination date, been dismissed,

(III) such person timely submits to the corporation any request for the approval of the bankruptcy court (or other appropriate court in a case under such similar law of a State or political subdivision) of the plan termination, and

(IV) the bankruptcy court (or such other appropriate court) determines that, unless the plan is terminated, such person will be unable to pay all its debts pursuant to a plan of reorganization and will be unable to continue in business outside the chapter 11 reorganization process and approves the termination.

(iii) Termination required to enable payment of debts while staying in business or to avoid unreasonably burdensome pension costs caused by declining workforce

The requirements of this clause are met by a person if such person demonstrates to the satisfaction of the corporation that—

(I) unless a distress termination occurs, such person will be unable to pay such person's debts when due and will be unable to continue in business, or

(II) the costs of providing pension coverage have become unreasonably burdensome to such person, solely as a result of a decline of such person's workforce covered as participants under all single-employer plans of which such person is a contributing sponsor.

(C) Notification of determinations by the corporation

The corporation shall notify the plan administrator as soon as practicable of its determinations made pursuant to subparagraph (B).

(3) Termination procedure

(A) Determinations by the corporation relating to plan sufficiency for guaranteed benefits and for benefit liabilities

If the corporation determines that the requirements for a distress termination set

forth in paragraphs (1) and (2) are met, the corporation shall—

(i) determine that the plan is sufficient for guaranteed benefits (as of the termination date) or that the corporation is unable to make such determination on the basis of information made available to the corporation,

(ii) determine that the plan is sufficient for benefit liabilities (as of the termination date) or that the corporation is unable to make such determination on the basis of information made available to the corporation, and

(iii) notify the plan administrator of the determinations made pursuant to this subparagraph as soon as practicable.

(B) Implementation of termination

After the corporation notifies the plan administrator of its determinations under subparagraph (A), the termination of the plan shall be carried out as soon as practicable, as provided in clause (i), (ii), or (iii).

(i) Cases of sufficiency for benefit liabilities

In any case in which the corporation determines that the plan is sufficient for benefit liabilities, the plan administrator shall proceed to distribute the plan's assets, and make certification to the corporation with respect to such distribution, in the manner described in subsection (b)(3) of this section, and shall take such other actions as may be appropriate to carry out the termination of the plan.

(ii) Cases of sufficiency for guaranteed benefits without a finding of sufficiency for benefit liabilities

In any case in which the corporation determines that the plan is sufficient for guaranteed benefits, but further determines that it is unable to determine that the plan is sufficient for benefit liabilities on the basis of the information made available to it, the plan administrator shall proceed to distribute the plan's assets in the manner described in subsection (b)(3) of this section, make certification to the corporation that the distribution has occurred, and take such actions as may be appropriate to carry out the termination of the plan.

(iii) Cases without any finding of sufficiency

In any case in which the corporation determines that it is unable to determine that the plan is sufficient for guaranteed benefits on the basis of the information made available to it, the corporation shall commence proceedings in accordance with section 1342 of this title.

(C) Finding after authorized commencement of termination that plan is unable to pay benefits

(i) Finding with respect to benefit liabilities which are not guaranteed benefits

If, after the plan administrator has begun to terminate the plan as authorized under subparagraph (B)(i), the plan administrator finds that the plan is unable, or will be unable, to pay benefit liabilities which are not benefits guaranteed by the corporation under section 1322 of this title, the plan administrator shall notify the corporation of such finding as soon as practicable thereafter.

(ii) Finding with respect to guaranteed benefits

If, after the plan administrator has begun to terminate the plan as authorized by subparagraph (B)(i) or (ii), the plan administrator finds that the plan is unable, or will be unable, to pay all benefits under the plan which are guaranteed by the corporation under section 1322 of this title, the plan administrator shall notify the corporation of such finding as soon as practicable thereafter. If the corporation concurs in the finding of the plan administrator (or the corporation itself makes such a finding), the corporation shall institute appropriate proceedings under section 1342 of this title.

(D) Administration of the plan during interim period

(i) In general

The plan administrator shall—

(I) meet the requirements of clause (ii) for the period commencing on the date on which the plan administrator provides a notice of distress termination to the corporation under subsection (a)(2) of this section and ending on the date on which the plan administrator receives notification from the corporation of its determinations under subparagraph (A), and

(II) meet the requirements of clause (ii) commencing on the date on which the plan administrator or the corporation makes a finding under subparagraph (C)(ii).

(ii) Requirements

The requirements of this clause are met by the plan administrator if the plan administrator—

(I) refrains from distributing assets or taking any other actions to carry out the proposed termination under this subsection,

(II) pays benefits attributable to employer contributions, other than death benefits, only in the form of an annuity,

(III) does not use plan assets to purchase irrevocable commitments to provide benefits from an insurer, and

(IV) continues to pay all benefit liabilities under the plan, but, commencing on the proposed termination date, limits the payment of benefits under the plan to those benefits which are guaranteed by the corporation under section 1322 of this title or to which assets are required to be allocated under section 1344 of this title.

In the event the plan administrator is later determined not to have met the re-

quirements for distress termination, any benefits which are not paid solely by reason of compliance with subclause (IV) shall be due and payable immediately (together with interest, at a reasonable rate, in accordance with regulations of the corporation).

(d) Sufficiency

For purposes of this section—

(1) Sufficiency for benefit liabilities

A single-employer plan is sufficient for benefit liabilities if there is no amount of unfunded benefit liabilities under the plan.

(2) Sufficiency for guaranteed benefits

A single-employer plan is sufficient for guaranteed benefits if there is no amount of unfunded guaranteed benefits under the plan.

(e) Limitation on the conversion of a defined benefit plan to a defined contribution plan

The adoption of an amendment to a plan which causes the plan to become a plan described in section 1321(b)(1) of this title constitutes a termination of the plan. Such an amendment may take effect only after the plan satisfies the requirements for standard termination under subsection (b) of this section or distress termination under subsection (c) of this section.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1303, 1342, 1348, 1350, 1362, 1363, 1364, 1370 of this title; title 26 sections 404, 418, 4972.

§ 1341a. Termination of multiemployer plans

(a) Determinative factors

Termination of a multiemployer plan under this section occurs as a result of—

(1) the adoption after September 26, 1980, of a plan amendment which provides that participants will receive no credit for any purpose under the plan for service with any employer after the date specified by such amendment;

(2) the withdrawal of every employer from the plan, within the meaning of section 1383 of this title, or the cessation of the obligation of all employers to contribute under the plan; or

(3) the adoption of an amendment to the plan which causes the plan to become a plan described in section 1321(b)(1) of this title.

(b) Date of termination

(1) The date on which a plan terminates under paragraph (1) or (3) of subsection (a) of this section is the later of—

(A) the date on which the amendment is adopted, or

(B) the date on which the amendment takes effect.

(2) The date on which a plan terminates under paragraph (2) of subsection (a) of this section is the earlier of—

(A) the date on which the last employer withdraws, or

(B) the first day of the first plan year for which no employer contributions were required under the plan.

(c) Duties of plan sponsor of amended plan

Except as provided in subsection (f)(1) of this section, the plan sponsor of a plan which terminates under paragraph (2) of subsection (a) of this section shall—

(1) limit the payment of benefits to benefits which are nonforfeitable under the plan as of the date of the termination, and

(2) pay benefits attributable to employer contributions, other than death benefits, only in the form of an annuity, unless the plan assets are distributed in full satisfaction of all nonforfeitable benefits under the plan.

(d) Duties of plan sponsor of nonoperative plan

The plan sponsor of a plan which terminates under paragraph (2) of subsection (a) of this section shall reduce benefits and suspend benefit payments in accordance with section 1441 of this title.

(e) Amount of contribution of employer under amended plan for each plan year subsequent to plan termination date

In the case of a plan which terminates under paragraph (1) or (3) of subsection (a) of this section, the rate of an employer's contributions under the plan for each plan year beginning on or after the plan termination date shall equal or exceed the highest rate of employer contributions at which the employer had an obligation to contribute under the plan in the 5 preceding plan years ending on or before the plan termination date, unless the corporation approves a reduction in the rate based on a finding that the plan is or soon will be fully funded.

(f) Payment of benefits; reporting requirements for terminated plans and rules and standards for administration of such plans

(1) The plan sponsor of a terminated plan may authorize the payment other than in the form of an annuity of a participant's entire nonforfeitable benefit attributable to employer contributions, other than a death benefit, if the value of the entire nonforfeitable benefit does not exceed $1,750. The corporation may authorize the payment of benefits under the terms of a terminated plan other than nonforfeitable benefits, or the payment other than in the form of an annuity of benefits having a value greater than $1,750, if the corporation determines that such payment is not adverse to the interest of the plan's participants and beneficiaries generally and does not unreasonably increase the corporation's risk of loss with respect to the plan.

(2) The corporation may prescribe reporting requirements for terminated plans, and rules and standards for the administration of such plans, which the corporation considers appropriate to protect the interests of plan participants and beneficiaries or to prevent unreasonable loss to the corporation.

(Pub. L. 93–406, title IV, § 4041A, as added Pub. L. 96–364, title I, § 103, Sept. 26, 1980, 94 Stat. 1216.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1081, 1322a, 1342, 1348, 1383, 1396, 1412, 1413, 1421, 1441, 1461 of this title; title 26 sections 412, 418.

§ 1342. Institution of termination proceedings by the corporation

(a) Authority to institute proceedings to terminate a plan

The corporation may institute proceedings under this section to terminate a plan whenever it determines that—

(1) the plan has not met the minimum funding standard required under section 412 of title 26, or has been notified by the Secretary of the Treasury that a notice of deficiency under section 6212 of title 26 has been mailed with respect to the tax imposed under section 4971(a) of title 26,

(2) the plan will be unable to pay benefits when due,

(3) the reportable event described in section 1343(c)(7) of this title has occurred, or

(4) the possible long-run loss of the corporation with respect to the plan may reasonably be expected to increase unreasonably if the plan is not terminated.

The corporation shall as soon as practicable institute proceedings under this section to terminate a single-employer plan whenever the corporation determines that the plan does not have assets available to pay benefits which are currently due under the terms of the plan. The corporation may prescribe a simplified procedure to follow in terminating small plans as long as that procedure includes substantial safeguards for the rights of the participants and beneficiaries under the plans, and for the employers who maintain such plans (including the requirement for a court decree under subsection (c) of this section). Notwithstanding any other provision of this subchapter, the corporation is authorized to pool assets of terminated plans for purposes of administration, investment, payment of liabilities of all such terminated plans, and such other purposes as it determines to be appropriate in the administration of this subchapter.

(b) Appointment of trustee

(1) Whenever the corporation makes a determination under subsection (a) of this section with respect to a plan or is required under subsection (a) of this section to institute proceedings under this section, it may, upon notice to the plan, apply to the appropriate United States district court for the appointment of a trustee to administer the plan with respect to which the determination is made pending the issuance of a decree under subsection (c) of this section ordering the termination of the plan. If within 3 business days after the filing of an application under this subsection, or such other period as the court may order, the administrator of the plan

consents to the appointment of a trustee, or fails to show why a trustee should not be appointed, the court may grant the application and appoint a trustee to administer the plan in accordance with its terms until the corporation determines that the plan should be terminated or that termination is unnecessary. The corporation may request that it be appointed as trustee of a plan in any case.

(2) Notwithstanding any other provision of this subchapter—

(A) upon the petition of a plan administrator or the corporation, the appropriate United States district court may appoint a trustee in accordance with the provisions of this section if the interests of the plan participants would be better served by the appointment of the trustee, and

(B) upon the petition of the corporation, the appropriate United States district court shall appoint a trustee proposed by the corporation for a multiemployer plan which is in reorganization or to which section 1341a(d) of this title applies, unless such appointment would be adverse to the interests of the plan participants and beneficiaries in the aggregate.

(3) The corporation and plan administrator may agree to the appointment of a trustee without proceeding in accordance with the requirements of paragraphs (1) and (2).

(c) Adjudication that plan must be terminated

If the corporation is required under subsection (a) of this section to commence proceedings under this section with respect to a plan or, after issuing a notice under this section to a plan administrator, has determined that the plan should be terminated, it may, upon notice to the plan administrator, apply to the appropriate United States district court for a decree adjudicating that the plan must be terminated in order to protect the interests of the participants or to avoid any unreasonable deterioration of the financial condition of the plan or any unreasonable increase in the liability of the fund. If the trustee appointed under subsection (b) of this section disagrees with the determination of the corporation under the preceding sentence he may intervene in the proceeding relating to the application for the decree, or make application for such decree himself. Upon granting a decree for which the corporation or trustee has applied under this subsection the court shall authorize the trustee appointed under subsection (b) of this section (or appoint a trustee if one has not been appointed under such subsection and authorize him) to terminate the plan in accordance with the provisions of this subtitle. If the corporation and the plan administrator agree that a plan should be terminated and agree to the appointment of a trustee without proceeding in accordance with the requirements of this subsection (other than this sentence) the trustee shall have the power described in subsection (d)(1) of this section and, in addition to any other duties imposed on the trustee under law or by agreement between the corporation and the plan administrator, the trustee is subject to the duties described in subsection (d)(3) of this section. Whenever a trustee appointed under this subchapter is operating a plan with discretion as to the date upon which final distribution of the assets is to be commenced, the trustee shall notify the corporation at least 10 days before the date on which he proposes to commence such distribution.

(3)[1] In the case of a proceeding initiated under this section, the plan administrator shall provide the corporation, upon the request of the corporation, the information described in clauses (ii), (iii), and (iv) of section 1341(c)(2)(A) of this title.

(d) Powers of trustee

(1)(A) A trustee appointed under subsection (b) of this section shall have the power—

(i) to do any act authorized by the plan or this subchapter to be done by the plan administrator or any trustee of the plan;

(ii) to require the transfer of all (or any part) of the assets and records of the plan to himself as trustee;

(iii) to invest any assets of the plan which he holds in accordance with the provisions of the plan, regulations of the corporation, and applicable rules of law;

(iv) to limit payment of benefits under the plan to basic benefits or to continue payment of some or all of the benefits which were being paid prior to his appointment;

(v) in the case of a multiemployer plan, to reduce benefits or suspend benefit payments under the plan, give appropriate notices, amend the plan, and perform other acts required or authorized by subtitle (E) of this subchapter to be performed by the plan sponsor or administrator;

(vi) to do such other acts as he deems necessary to continue operation of the plan without increasing the potential liability of the corporation, if such acts may be done under the provisions of the plan; and

(vii) to require the plan sponsor, the plan administrator, any contributing or withdrawn employer, and any employee organization representing plan participants to furnish any information with respect to the plan which the trustee may reasonably need in order to administer the plan.

If the court to which application is made under subsection (c) of this section dismisses the application with prejudice, or if the corporation fails to apply for a decree under subsection (c) of this section, within 30 days after the date on which the trustee is appointed under subsection (b) of this section, the trustee shall transfer all assets and records of the plan held by him to the plan administrator within 3 business days after such dismissal or the expiration of such 30-day period, and shall not be liable to the plan or any other person for his acts as trustee except for willful misconduct, or for conduct in violation of the provisions of part 4 of subtitle B of subchapter I of this chapter (except as provided in subsection (d)(1)(A)(v) of this section). The 30-day period referred to in this subparagraph may be extended as provided by agreement between the plan administrator and the corporation or by court order obtained by the corporation.

(B) If the court to which an application is made under subsection (c) of this section issues

[1] So in original. No pars. (1) and (2) have been designated.

the decree requested in such application, in addition to the powers described in subparagraph (A), the trustee shall have the power—

(i) to pay benefits under the plan in accordance with the requirements of this subchapter;

(ii) to collect for the plan any amounts due the plan, including but not limited to the power to collect from the persons obligated to meet the requirements of section 1082 of this title or the terms of the plan;

(iii) to receive any payment made by the corporation to the plan under this subchapter;

(iv) to commence, prosecute, or defend on behalf of the plan any suit or proceeding involving the plan;

(v) to issue, publish, or file such notices, statements, and reports as may be required by the corporation or any order of the court;

(vi) to liquidate the plan assets;

(vii) to recover payments under section 1345(a) of this title; and

(viii) to do such other acts as may be necessary to comply with this subchapter or any order of the court and to protect the interests of plan participants and beneficiaries.

(2) As soon as practicable after his appointment, the trustee shall give notice to interested parties of the institution of proceedings under this subchapter to determine whether the plan should be terminated or to terminate the plan, whichever is applicable. For purposes of this paragraph, the term ''interested party'' means—

(A) the plan administrator,

(B) each participant in the plan and each beneficiary of a deceased participant,

(C) each employer who may be subject to liability under section 1362, 1363, or 1364 of this title,

(D) each employer who is or may be liable to the plan under section[2] part 1 of subtitle E of this subchapter,

(E) each employer who has an obligation to contribute, within the meaning of section 1392(a) of this title, under a multiemployer plan, and

(F) each employee organization which, for purposes of collective bargaining, represents plan participants employed by an employer described in subparagraph (C), (D), or (E).

(3) Except to the extent inconsistent with the provisions of this chapter, or as may be otherwise ordered by the court, a trustee appointed under this section shall be subject to the same duties as those of a trustee under section 704 of title 11, and shall be, with respect to the plan, a fiduciary within the meaning of paragraph (21) of section 1002 of this title and under section 4975(e) of title 26 (except to the extent that the provisions of this subchapter are inconsistent with the requirements applicable under part 4 of subtitle B of subchapter I of this chapter and of such section 4975).

(e) Filing of application notwithstanding pendency of other proceedings

An application by the corporation under this section may be filed notwithstanding the pendency in the same or any other court of any bankruptcy, mortgage foreclosure, or equity receivership proceeding, or any proceeding to reorganize, conserve, or liquidate such plan or its property, or any proceeding to enforce a lien against property of the plan.

(f) Exclusive jurisdiction; stay of other proceedings

Upon the filing of an application for the appointment of a trustee or the issuance of a decree under this section, the court to which an application is made shall have exclusive jurisdiction of the plan involved and its property wherever located with the powers, to the extent consistent with the purposes of this section, of a court of the United States having jurisdiction over cases under chapter 11 of title 11. Pending an adjudication under subsection (c) of this section such court shall stay, and upon appointment by it of a trustee, as provided in this section such court shall continue the stay of, any pending mortgage foreclosure, equity receivership, or other proceeding to reorganize, conserve, or liquidate the plan or its property and any other suit against any receiver, conservator, or trustee of the plan or its property. Pending such adjudication and upon the appointment by it of such trustee, the court may stay any proceeding to enforce a lien against property of the plan or any other suit against the plan.

(g) Venue

An action under this subsection may be brought in the judicial district where the plan administrator resides or does business or where any asset of the plan is situated. A district court in which such action is brought may issue process with respect to such action in any other judicial district.

(h) Compensation of trustee and professional service personnel appointed or retained by trustee

(1) The amount of compensation paid to each trustee appointed under the provisions of this subchapter shall require the prior approval of the corporation, and, in the case of a trustee appointed by a court, the consent of that court.

(2) Trustees shall appoint, retain, and compensate accountants, actuaries, and other professional service personnel in accordance with regulations prescribed by the corporation.

§ 1343. Reportable events

(a) Notification that event has occurred

Within 30 days after the plan administrator or the contributing sponsor knows or has reason to know that a reportable event described in subsection (c) of this section has occurred, he shall notify the corporation that such event has occurred, unless a notice otherwise required under this subsection has already been provided with respect to such event. The corporation is authorized to waive the requirement of the preceding sentence with respect to any or all reportable events with respect to any plan, and to require the notification to be made by including the event in the annual report made by the plan.

(b) Notification that event is about to occur

(1) The requirements of this subsection shall be applicable to a contributing sponsor if, as of the close of the preceding plan year—

(A) the aggregate unfunded vested benefits (as determined under section 1306(a)(3)(E)(iii) of this title) of plans subject to this subchapter which are maintained by such sponsor and members of such sponsor's controlled groups (disregarding plans with no unfunded vested benefits) exceed $50,000,000, and

(B) the funded vested benefit percentage for such plans is less than 90 percent.

For purposes of subparagraph (B), the funded vested benefit percentage means the percentage which the aggregate value of the assets of such plans bears to the aggregate vested benefits of such plans (determined in accordance with section 1306(a)(3)(E)(iii) of this title).

(2) This subsection shall not apply to an event if the contributing sponsor, or the member of the contributing sponsor's controlled group to which the event relates, is—

(A) a person subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934 [15 U.S.C. 78m, 78*o*(d)], or

(B) a subsidiary (as defined for purposes of such Act [15 U.S.C. 78a et seq.]) of a person subject to such reporting requirements.

(3) No later than 30 days prior to the effective date of an event described in paragraph (9), (10), (11), (12), or (13) of subsection (c) of this section, a contributing sponsor to which the requirements of this subsection apply shall notify the corporation that the event is about to occur.

(4) The corporation may waive the requirement of this subsection with respect to any or all reportable events with respect to any contributing sponsor.

(c) Enumeration of reportable events

For purposes of this section a reportable event occurs—

(1) when the Secretary of the Treasury issues notice that a plan has ceased to be a plan described in section 1321(a)(2) of this title, or when the Secretary of Labor determines the plan is not in compliance with subchapter I of this chapter;

(2) when an amendment of the plan is adopted if, under the amendment, the benefit payable with respect to any participant may be decreased;

(3) when the number of active participants is less than 80 percent of the number of such participants at the beginning of the plan year, or is less than 75 percent of the number of such participants at the beginning of the previous plan year;

(4) when the Secretary of the Treasury determines that there has been a termination or partial termination of the plan within the meaning of section 411(d)(3) of title 26, but the occurrence of such a termination or partial termination does not, by itself, constitute or require a termination of a plan under this subchapter;

(5) when the plan fails to meet the minimum funding standards under section 412 of title 26 (without regard to whether the plan is a plan described in section 1321(a)(2) of this title) or under section 1082 of this title;

(6) when the plan is unable to pay benefits thereunder when due;

(7) when there is a distribution under the plan to a participant who is a substantial owner as defined in section 1322(b)(6)[1] of this title if—

(A) such distribution has a value of $10,000 or more;

(B) such distribution is not made by reason of the death of the participant; and

(C) immediately after the distribution, the plan has nonforfeitable benefits which are not funded;

(8) when a plan merges, consolidates, or transfers its assets under section 1058 of this title, or when an alternative method of compliance is prescribed by the Secretary of Labor under section 1030 of this title;

(9) when, as a result of an event, a person ceases to be a member of the controlled group;

(10) when a contributing sponsor or a member of a contributing sponsor's controlled group liquidates in a case under title 11, or under any similar Federal law or law of a State or political subdivision of a State;

(11) when a contributing sponsor or a member of a contributing sponsor's controlled group declares an extraordinary dividend (as defined in section 1059(c) of title 26) or redeems, in any 12-month period, an aggregate of 10 percent or more of the total combined voting power of all classes of stock entitled to vote, or an aggregate of 10 percent or more of the total value of shares of all classes of stock, of a contributing sponsor and all members of its controlled group;

(12) when, in any 12-month period, an aggregate of 3 percent or more of the benefit liabilities of a plan covered by this subchapter and maintained by a contributing sponsor or a member of its controlled group are transferred to a person that is not a member of the controlled group or to a plan or plans maintained by a person or persons that are not such a contributing sponsor or a member of its controlled group; or

(13) when any other event occurs that may be indicative of a need to terminate the plan and that is prescribed by the corporation in regulations.

For purposes of paragraph (7), all distributions to a participant within any 24-month period are treated as a single distribution.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1342, 1345, 1365 of this title.

§ 1344. Allocation of assets

(a) Order of priority of participants and beneficiaries

In the case of the termination of a single-employer plan, the plan administrator shall allocate the assets of the plan (available to provide benefits) among the participants and beneficiaries of the plan in the following order:

(1) First, to that portion of each individual's accrued benefit which is derived from the participant's contributions to the plan which were not mandatory contributions.

(2) Second, to that portion of each individual's accrued benefit which is derived from the participant's mandatory contributions.

(3) Third, in the case of benefits payable as an annuity—

(A) in the case of the benefit of a participant or beneficiary which was in pay status as of the beginning of the 3-year period ending on the termination date of the plan, to each such benefit, based on the provisions of the plan (as in effect during the 5-year period ending on such date) under which such benefit would be the least,

(B) in the case of a participant's or beneficiary's benefit (other than a benefit described in subparagraph (A)) which would have been in pay status as of the beginning of such 3-year period if the participant had retired prior to the beginning of the 3-year period and if his benefits had commenced (in the normal form of annuity under the plan) as of the beginning of such period, to each such benefit based on the provisions of the plan (as in effect during the 5-year period ending on such date) under which such benefit would be the least.

For purposes of subparagraph (A), the lowest benefit in pay status during a 3-year period shall be considered the benefit in pay status for such period.

(4) Fourth—

(A) to all other benefits (if any) of individuals under the plan guaranteed under this subchapter (determined without regard to section 1322b(a) of this title), and

(B) to the additional benefits (if any) which would be determined under subparagraph (A) if section 1322(b)(5) of this title did not apply.

For purposes of this paragraph, section 1321 of this title shall be applied without regard to subsection (c) thereof.

(5) Fifth, to all other nonforfeitable benefits under the plan.

(6) Sixth, to all other benefits under the plan.

(b) Adjustment of allocations; reallocations; mandatory contributions; establishment of subclasses and categories

For purposes of subsection (a) of this section—

(1) The amount allocated under any paragraph of subsection (a) of this section with respect to any benefit shall be properly adjusted for any allocation of assets with respect to that benefit under a prior paragraph of subsection (a) of this section.

(2) If the assets available for allocation under any paragraph of subsection (a) of this section (other than paragraphs (5) and (6)) are insufficient to satisfy in full the benefits of all individuals which are described in that paragraph, the assets shall be allocated pro rata among such individuals on the basis of the present value (as of the termination date) of their respective benefits described in that paragraph.

(3) This paragraph applies if the assets available for allocation under paragraph (5) of subsection (a) of this section are not sufficient to satisfy in full the benefits of individuals described in that paragraph.

(A) If this paragraph applies, except as provided in subparagraph (B), the assets shall be allocated to the benefits of individuals described in such paragraph (5) on the basis of the benefits of individuals which would have been described in such paragraph (5) under the plan as in effect at the beginning of the 5-year period ending on the date of plan termination.

(B) If the assets available for allocation under subparagraph (A) are sufficient to satisfy in full the benefits described in such subparagraph (without regard to this subparagraph), then for purposes of subparagraph (A), benefits of individuals described in such subparagraph shall be determined on the basis of the plan as amended by the most recent plan amendment effective during such 5-year period under which the assets available for allocation are sufficient to satisfy in full the benefits of individuals described in subparagraph (A) and any assets remaining to be allocated under such subparagraph shall be allocated under subparagraph (A) on the basis of the plan as amended by the next succeeding plan amendment effective during such period.

(4) If the Secretary of the Treasury determines that the allocation made pursuant to this section (without regard to this paragraph) results in discrimination prohibited by section 401(a)(4) of title 26 then, if required to prevent the disqualification of the plan (or any trust under the plan) under section 401(a) or 403(a) of title 26, the assets allocated under subsections (a)(4)(B), (a)(5), and (a)(6) of this section shall be reallocated to the extent necessary to avoid such discrimination.

(5) The term ''mandatory contributions'' means amounts contributed to the plan by a participant which are required as a condition of employment, as a condition of participation in such plan, or as a condition of obtaining benefits under the plan attributable to employer contributions. For this purpose, the total amount of mandatory contributions of a participant is the amount of such contributions reduced (but not below zero) by the sum of the amounts paid or distributed to him under the plan before its termination.

(6) A plan may establish subclasses and categories within the classes described in paragraphs (1) through (6) of subsection (a) of this section in accordance with regulations prescribed by the corporation.

(c) Increase or decrease in value of assets

Any increase or decrease in the value of the assets of a single-employer plan occurring during the period beginning on the later of (1) the date a trustee is appointed under section 1342(b) of this title or (2) the date on which the plan is terminated is to be allocated between the plan and the corporation in the manner determined by the court (in the case of a court-appointed trustee) or as agreed upon by the corporation and the plan administrator in any other case. Any increase or decrease in the value of the assets of a single-employer plan occurring after the date on which the plan is terminated shall be credited to, or suffered by, the corporation.

(d) Distribution of residual assets; restrictions on reversions pursuant to recently amended plans; assets attributable to employee contributions; calculation of remaining assets

(1) Subject to paragraph (3), any residual assets of a single-employer plan may be distributed to the employer if—

(A) all liabilities of the plan to participants and their beneficiaries have been satisfied,

(B) the distribution does not contravene any provision of law, and

(C) the plan provides for such a distribution in these circumstances.

(2)(A) In determining the extent to which a plan provides for the distribution of plan assets to the employer for purposes of paragraph (1)(C), any such provision, and any amendment increasing the amount which may be distributed to the employer, shall not be treated as effective before the end of the fifth calendar year following the date of the adoption of such provision or amendment.

(B) A distribution to the employer from a plan shall not be treated as failing to satisfy the requirements of this paragraph if the plan has been in effect for fewer than 5 years and the plan has provided for such a distribution since the effective date of the plan.

(C) Except as otherwise provided in regulations of the Secretary of the Treasury, in any case in which a transaction described in section 1058 of this title occurs, subparagraph (A) shall

continue to apply separately with respect to the amount of any assets transferred in such transaction.

(D) For purposes of this subsection, the term ''employer'' includes any member of the controlled group of which the employer is a member. For purposes of the preceding sentence, the term ''controlled group'' means any group treated as a single employer under subsection (b), (c), (m) or (*o*) of section 414 of title 26.

(3)(A) Before any distribution from a plan pursuant to paragraph (1), if any assets of the plan attributable to employee contributions remain after satisfaction of all liabilities described in subsection (a) of this section, such remaining assets shall be equitably distributed to the participants who made such contributions or their beneficiaries (including alternate payees, within the meaning of section 1056(d)(3)(K) of this title).

(B) For purposes of subparagraph (A), the portion of the remaining assets which are attributable to employee contributions shall be an amount equal to the product derived by multiplying—

(i) the market value of the total remaining assets, by

(ii) a fraction—

(I) the numerator of which is the present value of all portions of the accrued benefits with respect to participants which are derived from participants' mandatory contributions (referred to in subsection (a)(2) of this section), and

(II) the denominator of which is the present value of all benefits with respect to which assets are allocated under paragraphs (2) through (6) of subsection (a) of this section.

(C) For purposes of this paragraph, each person who is, as of the termination date—

(i) a participant under the plan, or

(ii) an individual who has received, during the 3-year period ending with the termination date, a distribution from the plan of such individual's entire nonforfeitable benefit in the form of a single sum distribution in accordance with section 1053(e) of this title or in the form of irrevocable commitments purchased by the plan from an insurer to provide such nonforfeitable benefit,

shall be treated as a participant with respect to the termination, if all or part of the nonforfeitable benefit with respect to such person is or was attributable to participants' mandatory contributions (referred to in subsection (a)(2) of this section).

(4) Nothing in this subsection shall be construed to limit the requirements of section 4980(d) of title 26 (as in effect immediately after the enactment of the Omnibus Budget Reconciliation Act of 1990) or section 1104(d) of this title with respect to any distribution of residual assets of a single-employer plan to the employer.

§ 1362. Liability for termination of single-employer plans under a distress termination or a termination by corporation

(a) In general

In any case in which a single-employer plan is terminated in a distress termination under section 1341(c) of this title or a termination otherwise instituted by the corporation under section 1342 of this title, any person who is, on the termination date, a contributing sponsor of the plan or a member of such a contributing sponsor's controlled group shall incur liability under this section. The liability under this section of all such persons shall be joint and several. The liability under this section consists of—

(1) liability to the corporation, to the extent provided in subsection (b) of this section, and

(2) liability to the trustee appointed under subsection (b) or (c) of section 1342 of this title, to the extent provided in subsection (c) of this section.

(b) Liability to corporation

(1) Amount of liability

(A) In general

Except as provided in subparagraph (B), the liability to the corporation of a person described in subsection (a) of this section shall be the total amount of the unfunded benefit liabilities (as of the termination date) to all participants and beneficiaries under the plan, together with interest (at a reasonable rate) calculated from the termination date in accordance with regulations prescribed by the corporation.

(B) Special rule in case of subsequent insufficiency

For purposes of subparagraph (A), in any case described in section 1341(c)(3)(C)(ii) of this title, actuarial present values shall be determined as of the date of the notice to the corporation (or the finding by the corporation) described in such section.

(B) Special rule

Payment of so much of the liability under paragraph (1)(A) as exceeds 30 percent of the collective net worth of all persons described in subsection (a) of this section (including interest) shall be made under commercially reasonable terms prescribed by the corporation. The parties involved shall make a reasonable effort to reach agreement on such commercially reasonable terms. Any such terms prescribed by the corporation shall provide for deferral of 50 percent of any amount of liability otherwise payable for any year under this subparagraph if a person subject to such liability demonstrates to the satisfaction of the corporation that no per-

son subject to such liability has any individual pre-tax profits for such person's fiscal year ending during such year.

(3) Alternative arrangements

The corporation and any person liable under this section may agree to alternative arrangements for the satisfaction of liability to the corporation under this subsection.

(c) Liability to section 1342 trustee

A person described in subsection (a) of this section shall be subject to liability under this subsection to the trustee appointed under subsection (b) or (c) of section 1342 of this title. The liability of such person under this subsection shall consist of—

(1) the outstanding balance of the accumulated funding deficiencies (within the meaning of section 1082(a)(2) of this title and section 412(a) of title 26) of the plan (if any) (which, for purposes of this subparagraph, shall include the amount of any increase in such accumulated funding deficiencies of the plan which would result if all pending applications for waivers of the minimum funding standard under section 1083 of this title or section 412(d) of title 26 and for extensions of the amortization period under section 1084 of this title or section 412(e) of title 26 with respect to such plan were denied and if no additional contributions (other than those already made by the termination date) were made for the plan year in which the termination date occurs or for any previous plan year),

(2) the outstanding balance of the amount of waived funding deficiencies of the plan waived before such date under section 1083 of this title or section 412(d) of title 26 (if any), and

(3) the outstanding balance of the amount of decreases in the minimum funding standard allowed before such date under section 1084 of this title or section 412(e) of title 26 (if any),

together with interest (at a reasonable rate) calculated from the termination date in accordance with regulations prescribed by the corporation. The liability under this subsection shall be due and payable to such trustee as of the termination date, in cash or securities acceptable to such trustee.

(d) Definitions

(i) have individual net worths which are greater than zero, and

(ii) are (as of the termination date) contributing sponsors of the terminated plan or members of their controlled groups.

(B) Determination of net worth

For purposes of this paragraph, the net worth of a person is—

(i) determined on whatever basis best reflects, in the determination of the corporation, the current status of the person's operations and prospects at the time chosen for determining the net worth of the person, and

(ii) increased by the amount of any transfers of assets made by the person which are determined by the corporation to be improper under the circumstances, including any such transfers which would be inappropriate under title 11 if the person were a debtor in a case under chapter 7 of such title.

(C) Timing of determination

For purposes of this paragraph, determinations of net worth shall be made as of a day chosen by the corporation (during the 120-day period ending with the termination date) and shall be computed without regard to any liability under this section.

(2) Pre-tax profits

The term ''pre-tax profits'' means—

(A) except as provided in subparagraph (B), for any fiscal year of any person, such person's consolidated net income (excluding any extraordinary charges to income and including any extraordinary credits to income) for such fiscal year, as shown on audited financial statements prepared in accordance with generally accepted accounting principles, or

(B) for any fiscal year of an organization described in section 501(c) of title 26, the excess of income over expenses (as such terms are defined for such organizations under generally accepted accounting principles),

before provision for or deduction of Federal or other income tax, any contribution to any single-employer plan of which such person is a contributing sponsor at any time during the period beginning on the termination date and ending with the end of such fiscal year, and any amounts required to be paid for such fiscal year under this section. The corporation may by regulation require such information to be filed on such forms as may be necessary to determine the existence and amount of such pre-tax profits.

(e) Treatment of substantial cessation of operations

If an employer ceases operations at a facility in any location and, as a result of such cessation of operations, more than 20 percent of the total number of his employees who are participants under a plan established and maintained by him are separated from employment, the employer shall be treated with respect to that plan as if he were a substantial employer under a plan under which more than one employer makes contributions and the provisions of sections 1363, 1364, and 1365 of this title shall apply.

§ 1363. Liability of substantial employer for withdrawal from single-employer plans under multiple controlled groups

(a) Single-employer plans with two or more contributing sponsors

Except as provided in subsection (d) of this section, the plan administrator of a single-em-

ployer plan which has two or more contributing sponsors at least two of whom are not under common control—

(1) shall notify the corporation of the withdrawal during a plan year of a substantial employer for such plan year from the plan, within 60 days after such withdrawal, and

(2) request that the corporation determine the liability of all persons with respect to the withdrawal of the substantial employer.

The corporation shall, as soon as practicable thereafter, determine whether there is liability resulting from the withdrawal of the substantial employer and notify the liable persons of such liability.

(b) Computation of liability

Except as provided in subsection (c) of this section, any one or more contributing sponsors who withdraw, during a plan year for which they constitute a substantial employer, from a single-employer plan which has two or more contributing sponsors at least two of whom are not under common control, shall, upon notification of such contributing sponsors by the corporation as provided by subsection (a) of this section, be liable, together with the members of their controlled groups, to the corporation in accordance with the provisions of section 1362 of this title and this section. The amount of liability shall be computed on the basis of an amount determined by the corporation to be the amount described in section 1362 of this title for the entire plan, as if the plan had been terminated by the corporation on the date of the withdrawal referred to in subsection (a)(1) of this section multiplied by a fraction—

(1) the numerator of which is the total amount required to be contributed to the plan by such contributing sponsors for the last 5 years ending prior to the withdrawal, and

(2) the denominator of which is the total amount required to be contributed to the plan by all contributing sponsors for such last 5 years.

In addition to and in lieu of the manner prescribed in the preceding sentence, the corporation may also determine such liability on any other equitable basis prescribed by the corporation in regulations. Any amount collected by the corporation under this subsection shall be held in escrow subject to disposition in accordance with the provisions of paragraphs (2) and (3) of subsection (c) of this section.

(c) Bond in lieu of payment of liability; 5-year termination period

(1) In lieu of payment of a contributing sponsor's liability under this section, the contributing sponsor may be required to furnish a bond to the corporation in an amount not exceeding 150 percent of his liability to insure payment of his liability under this section. The bond shall have as surety thereon a corporate surety company which is an acceptable surety on Federal bonds under authority granted by the Secretary of the Treasury under sections 9304–9308 of title 31. Any such bond shall be in a form or of a type approved by the Secretary including individual bonds or schedule or blanket forms of bonds which cover a group or class.

(2) If the plan is not terminated under section 1341(c) or 1342 of this title within the 5-year period commencing on the day of withdrawal, the liability is abated and any payment held in escrow shall be refunded without interest (or the bond cancelled) in accordance with bylaws or rules prescribed by the corporation.

(3) If the plan terminates under section 1341(c) or 1342 of this title within the 5-year period commencing on the day of withdrawal, the corporation shall—

(A) demand payment or realize on the bond and hold such amount in escrow for the benefit of the plan;

(B) treat any escrowed payments under this section as if they were plan assets and apply them in a manner consistent with this subtitle; and

(C) refund any amount to the contributing sponsor which is not required to meet any obligation of the corporation with respect to the plan.

(d) Alternate appropriate procedure

The provisions of this subsection apply in the case of a withdrawal described in subsection (a) of this section, and the provisions of subsections (b) and (c) of this section shall not apply, if the corporation determines that the procedure provided for under this subsection is consistent with the purposes of this section and section 1364 of this title and is more appropriate in the particular case. Upon a showing by the plan administrator of the plan that the withdrawal from the plan by one or more contributing sponsors has resulted, or will result, in a significant reduction in the amount of aggregate contributions to or under the plan, the corporation may—

(1) require the plan fund to be equitable allocated between those participants no longer working in covered service under the plan as a result of the withdrawal, and those participants who remain in covered service under the plan;

(2) treat that portion of the plan funds allocable under paragraph (1) to participants no longer in covered service as a plan terminated under section 1342 of this title; and

(3) treat that portion of the plan fund allocable to participants remaining in covered service as a separate plan.

(e) Indemnity agreement

§ 1368. Lien for liability

(a) Creation of lien

If any person liable to the corporation under section 1362, 1363, or 1364 of this title neglects or refuses to pay, after demand, the amount of such liability (including interest), there shall be a lien in favor of the corporation in the amount of such liability (including interest) upon all property and rights to property, whether real or personal, belonging to such person, except that such lien may not be in an amount in excess of 30 percent of the collective net worth of all persons described in section 1362(a) of this title [1]

(b) Term of lien

The lien imposed by subsection (a) of this section arises on the date of termination of a plan, and continues until the liability imposed under section 1362, 1363, or 1364 of this title is satisfied or becomes unenforceable by reason of lapse of time.

(c) Priority

(1) Except as otherwise provided under this section, the priority of a lien imposed under subsection (a) of this section shall be determined in the same manner as under section 6323 of title 26 (as in effect on April 7, 1986). Such section 6323 shall be applied for purposes of this section by disregarding subsection (g)(4) and by substituting—

(A) ''lien imposed by section 4068 of the Employee Retirement Income Security Act of 1974

[1] So in original. Probably should be followed by a period.

[29 U.S.C. 1368]'' for ''lien imposed by section 6321'' each place it appears in subsections (a), (b), (c)(1), (c)(4)(B), (d), (e), and (h)(5);

(B) ''the corporation'' for ''the Secretary'' in subsections (a) and (b)(9)(C);

(C) ''the payment of the amount on which the section 4068(a) lien is based'' for ''the collection of any tax under this title'' in subsection (b)(3);

(D) ''a person whose property is subject to the lien'' for ''the taxpayer'' in subsections (b)(8), (c)(2)(A)(i) (the first place it appears), (c)(2)(A)(ii), (c)(2)(B), (c)(4)(B), and (c)(4)(C) (in the matter preceding clause (i));

(E) ''such person'' for ''the taxpayer'' in subsections (c)(2)(A)(i) (the second place it appears) and (c)(4)(C)(ii);

(F) ''payment of the loan value of the amount on which the lien is based is made to the corporation'' for ''satisfaction of a levy pursuant to section 6332(b)'' in subsection (b)(9)(C);

(G) ''section 4068(a) lien'' for ''tax lien'' each place it appears in subsections (c)(1), (c)(2)(A), (c)(2)(B), (c)(3)(B)(iii), (c)(4)(B), (d), and (h)(5); and

(H) ''the date on which the lien is first filed'' for ''the date of the assessment of the tax'' in subsection (g)(3)(A).

(2) In a case under title 11 or in insolvency proceedings, the lien imposed under subsection (a) of this section shall be treated in the same manner as a tax due and owing to the United States for purposes of title 11 or section 3713 of title 31.

(3) For purposes of applying section 6323(a) of title 26 to determine the priority between the lien imposed under subsection (a) of this section and a Federal tax lien, each lien shall be treated as a judgment lien arising as of the time notice of such lien is filed.

(4) For purposes of this subsection, notice of the lien imposed by subsection (a) of this section shall be filed in the same manner as under section 6323(f) and (g) of title 26.

(d) Civil action; limitation period

(1) In any case where there has been a refusal or neglect to pay the liability imposed under section 1362, 1363, or 1364 of this title, the corporation may bring civil action in a district court of the United States to enforce the lien of the corporation under this section with respect to such liability or to subject any property, of whatever nature, of the liable person, or in which he has any right, title, or interest to the payment of such liability.

(2) The liability imposed by section 1362, 1363, or 1364 of this title may be collected by a proceeding in court if the proceeding is commenced within 6 years after the date upon which the plan was terminated or prior to the expiration of any period for collection agreed upon in writing by the corporation and the liable person before the expiration of such 6-year period. The period of limitations provided under this paragraph shall be suspended for the period the assets of the liable person are in the control or custody of any court of the United States, or of any State, or of the District of Columbia, and for 6 months thereafter, and for any period during which the liable person is outside the United States if such period of absence is for a continuous period of at least 6 months.

(e) Release or subordination

If the corporation determines that release of the lien or subordination of the lien to any other creditor of the liable person would not adversely affect the collection of the liability imposed under section 1362, 1363, or 1364 of this title, or that the amount realizable by the corporation from the property to which the lien attaches will ultimately be increased by such release or subordination, and that the ultimate collection of the liability will be facilitated by such release or subordination, the corporation may issue a certificate of release or subordination of the lien with respect to such property, or any part thereof.

(f) Definitions

For purposes of this section—

(1) The collective net worth of persons subject to liability in connection with a plan termination shall be determined as provided in section 1362(d)(1) of this title.

(a) Treatment of transactions to evade liability

If a principal purpose of any person in entering into any transaction is to evade liability to which such person would be subject under this subtitle and the transaction becomes effective within five years before the termination date of the termination on which such liability would be based, then such person and the members of such person's controlled group (determined as of the termination date) shall be subject to liability under this subtitle in connection with such termination as if such person were a contributing sponsor of the terminated plan as of the termination date. For purposes of this subtitle, the following rules apply in the case of certain corporate reorganizations:

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1370, 1398 of this title.

§ 1370. Enforcement authority relating to terminations of single-employer plans

(a) In general

Any person who is with respect to a single-employer plan a fiduciary, contributing sponsor, member of a contributing sponsor's controlled group, participant, or beneficiary, and is adversely affected by an act or practice of any party (other than the corporation) in violation of any provision of section 1341, 1342, 1362, 1363, 1364, or 1369 of this title, or who is an employee organization representing such a participant or beneficiary so adversely affected for purposes of collective bargaining with respect to such plan, may bring an action—

(1) to enjoin such act or practice, or

(2) to obtain other appropriate equitable relief (A) to redress such violation or (B) to enforce such provision.

(b) Status of plan as party to action and with respect to legal process

A single-employer plan may be sued under this section as an entity. Service of summons, subpoena, or other legal process of a court upon a trustee or an administrator of a single-employer plan in such trustee's or administrator's capacity as such shall constitute service upon the plan. If a plan has not designated in the summary plan description of the plan an individual as agent for the service of legal process, service upon any contributing sponsor of the plan shall constitute such service. Any money judgment under this section against a single-employer plan shall be enforceable only against the plan as an entity and shall not be enforceable against any other person unless liability against such person is established in such person's individual capacity.

(c) Jurisdiction and venue

The district courts of the United States shall have exclusive jurisdiction of civil actions under this section. Such actions may be brought in the district where the plan is administered, where the violation took place, or where a defendant resides or may be found, and process may be served in any other district where a defendant resides or may be found. The district courts of the United States shall have jurisdiction, without regard to the amount in controversy or the citizenship of the parties, to grant the relief provided for in subsection (a) of this section in any action.

(d) Right of corporation to intervene

A copy of the complaint or notice of appeal in any action under this section shall be served upon the corporation by certified mail. The corporation shall have the right in its discretion to intervene in any action.

(e) Awards of costs and expenses

(1) General rule

In any action brought under this section, the court in its discretion may award all or a portion of the costs and expenses incurred in connection with such action, including reasonable attorney's fees, to any party who prevails or substantially prevails in such action.

(2) Exemption for plans

Notwithstanding the preceding provisions of this subsection, no plan shall be required in any action to pay any costs and expenses (including attorney's fees).

(f) Limitation on actions

(1) In general

Except as provided in paragraph (3), an action under this section may not be brought after the later of—

(A) 6 years after the date on which the cause of action arose, or

(B) 3 years after the applicable date specified in paragraph (2).

(2) Applicable date

(A) General rule

Except as provided in subparagraph (B), the applicable date specified in this paragraph is the earliest date on which the plaintiff acquired or should have acquired actual knowledge of the existence of such cause of action.

(B) Special rule for plaintiffs who are fiduciaries

In the case of a plaintiff who is a fiduciary bringing the action in the exercise of fiduciary duties, the applicable date specified in this paragraph is the date on which the plaintiff became a fiduciary with respect to the plan if such date is later than the date described in subparagraph (A).

(3) Cases of fraud or concealment

In the case of fraud or concealment, the period described in paragraph (1)(B) shall be extended to 6 years after the applicable date specified in paragraph (2).

§ 1382. Determination and collection of liability; notification of employer

When an employer withdraws from a multiemployer plan, the plan sponsor, in accordance with this part, shall—

(1) determine the amount of the employer's withdrawal liability,

(2) notify the employer of the amount of the withdrawal liability, and

(3) collect the amount of the withdrawal liability from the employer.

(Pub. L. 93–406, title IV, §4202, as added Pub. L. 96–364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1218.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1401 of this title.

§ 1383. Complete withdrawal

(a) Determinative factors

For purposes of this part, a complete withdrawal from a multiemployer plan occurs when an employer—

(1) permanently ceases to have an obligation to contribute under the plan, or

(2) permanently ceases all covered operations under the plan.

(b) Building and construction industry

(1) Notwithstanding subsection (a) of this section, in the case of an employer that has an obligation to contribute under a plan for work performed in the building and construction industry, a complete withdrawal occurs only as described in paragraph (2), if—

(A) substantially all the employees with respect to whom the employer has an obligation to contribute under the plan perform work in the building and construction industry, and

(B) the plan—

(i) primarily covers employees in the building and construction industry, or

(ii) is amended to provide that this subsection applies to employers described in this paragraph.

(2) A withdrawal occurs under this paragraph if—

(A) an employer ceases to have an obligation to contribute under the plan, and

(B) the employer—

(i) continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required, or

(ii) resumes such work within 5 years after the date on which the obligation to contribute under the plan ceases, and does not renew the obligation at the time of the resumption.

(3) In the case of a plan terminated by mass withdrawal (within the meaning of section 1341a(a)(2) of this title), paragraph (2) shall be applied by substituting ''3 years'' for ''5 years'' in subparagraph (B)(ii).

(c) Entertainment industry

(1) Notwithstanding subsection (a) of this section, in the case of an employer that has an obligation to contribute under a plan for work performed in the entertainment industry, primarily on a temporary or project-by-project basis, if the plan primarily covers employees in the entertainment industry, a complete withdrawal occurs only as described in subsection (b)(2) of this section applied by substituting ''plan'' for ''collective bargaining agreement'' in subparagraph (B)(i) thereof.

(2) For purposes of this subsection, the term ''entertainment industry'' means—

(A) theater, motion picture (except to the extent provided in regulations prescribed by the corporation), radio, television, sound or visual recording, music, and dance, and

(B) such other entertainment activities as the corporation may determine to be appropriate.

(3) The corporation may by regulation exclude a group or class of employers described in the preceding sentence from the application of this subsection if the corporation determines that such exclusion is necessary—

(A) to protect the interest of the plan's participants and beneficiaries, or

(B) to prevent a significant risk of loss to the corporation with respect to the plan.

(4) A plan may be amended to provide that this subsection shall not apply to a group or class of employers under the plan.

(d) Other determinative factors

(1) Notwithstanding subsection (a) of this section, in the case of an employer who—

(A) has an obligation to contribute under a plan described in paragraph (2) primarily for work described in such paragraph, and

(B) does not continue to perform work within the jurisdiction of the plan,

a complete withdrawal occurs only as described in paragraph (3).

(2) A plan is described in this paragraph if substantially all of the contributions required under the plan are made by employers primarily engaged in the long and short haul trucking industry, the household goods moving industry, or the public warehousing industry.

(3) A withdrawal occurs under this paragraph if—

(A) an employer permanently ceases to have an obligation to contribute under the plan or permanently ceases all covered operations under the plan, and

(B) either—

(i) the corporation determines that the plan has suffered substantial damage to its contribution base as a result of such cessation, or

(ii) the employer fails to furnish a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to 50 percent of the withdrawal liability of the employer.

(4) If, after an employer furnishes a bond or escrow to a plan under paragraph (3)(B)(ii), the corporation determines that the cessation of the employer's obligation to contribute under the plan (considered together with any cessations by other employers), or cessation of covered operations under the plan, has resulted in substantial damage to the contribution base of the plan, the employer shall be treated as having withdrawn from the plan on the date on which the obligation to contribute or covered operations ceased, and such bond or escrow shall be paid to the plan. The corporation shall not make a determination under this paragraph more than 60 months after the date on which such obligation to contribute or covered operations ceased.

(5) If the corporation determines that the employer has no further liability under the plan either—

(A) because it determines that the contribution base of the plan has not suffered substantial damage as a result of the cessation of the employer's obligation to contribute or cessation of covered operations (considered together with any cessation of contribution obligation, or of covered operations, with respect to other employers), or

(B) because it may not make a determination under paragraph (4) because of the last sentence thereof,

then the bond shall be cancelled or the escrow refunded.

(6) Nothing in this subsection shall be construed as a limitation on the amount of the withdrawal liability of any employer.

(e) Date of complete withdrawal

For purposes of this part, the date of a complete withdrawal is the date of the cessation of the obligation to contribute or the cessation of covered operations.

(f) Special liability withdrawal rules for industries other than construction and entertainment industries; procedures applicable to amend plans

(1) The corporation may prescribe regulations under which plans in industries other than the construction or entertainment industries may be amended to provide for special withdrawal liability rules similar to the rules described in subsections (b) and (c) of this section.

(2) Regulations under paragraph (1) shall permit use of special withdrawal liability rules—

(A) only in industries (or portions thereof) in which, as determined by the corporation, the characteristics that would make use of such rules appropriate are clearly shown, and

(B) only if the corporation determines, in each instance in which special withdrawal liability rules are permitted, that use of such rules will not pose a significant risk to the corporation under this subchapter.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1053, 1341a, 1381, 1388, 1391, 1401 of this title; title 26 section 411.

§ 1384. Sale of assets

(a) Complete or partial withdrawal not occurring as a result of sale and subsequent cessation of covered operations or cessation of obligation to contribute to covered operations; continuation of liability of seller

(1) A complete or partial withdrawal of an employer (hereinafter in this section referred to as the ''seller'') under this section does not occur solely because, as a result of a bona fide, arm's-length sale of assets to an unrelated party (hereinafter in this section referred to as the ''purchaser''), the seller ceases covered operations or ceases to have an obligation to contribute for such operations, if—

(A) the purchaser has an obligation to contribute to the plan with respect to the operations for substantially the same number of contribution base units for which the seller had an obligation to contribute to the plan;

(B) the purchaser provides to the plan for a period of 5 plan years commencing with the first plan year beginning after the sale of assets, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the greater of—

(i) the average annual contribution required to be made by the seller with respect to the operations under the plan for the 3 plan years preceding the plan year in which the sale of the employer's assets occurs, or

(ii) the annual contribution that the seller was required to make with respect to the operations under the plan for the last plan year before the plan year in which the sale of the assets occurs,

which bond or escrow shall be paid to the plan if the purchaser withdraws from the plan, or

fails to make a contribution to the plan when due, at any time during the first 5 plan years beginning after the sale; and

(C) the contract for sale provides that, if the purchaser withdraws in a complete withdrawal, or a partial withdrawal with respect to operations, during such first 5 plan years, the seller is secondarily liable for any withdrawal liability it would have had to the plan with respect to the operations (but for this section) if the liability of the purchaser with respect to the plan is not paid.

(2) If the purchaser—

(A) withdraws before the last day of the fifth plan year beginning after the sale, and

(B) fails to make any withdrawal liability payment when due,

then the seller shall pay to the plan an amount equal to the payment that would have been due from the seller but for this section.

(3)(A) If all, or substantially all, of the seller's assets are distributed, or if the seller is liquidated before the end of the 5 plan year period described in paragraph (1)(C), then the seller shall provide a bond or amount in escrow equal to the present value of the withdrawal liability the seller would have had but for this subsection.

(B) If only a portion of the seller's assets are distributed during such period, then a bond or escrow shall be required, in accordance with regulations prescribed by the corporation, in a manner consistent with subparagraph (A).

(4) The liability of the party furnishing a bond or escrow under this subsection shall be reduced, upon payment of the bond or escrow to the plan, by the amount thereof.

(b) Liability of purchaser

(1) For the purposes of this part, the liability of the purchaser shall be determined as if the purchaser had been required to contribute to the plan in the year of the sale and the 4 plan years preceding the sale the amount the seller was required to contribute for such operations for such 5 plan years.

(2) If the plan is in reorganization in the plan year in which the sale of assets occurs, the purchaser shall furnish a bond or escrow in an amount equal to 200 percent of the amount described in subsection (a)(1)(B) of this section.

(c) Variances or exemptions from continuation of liability of seller; procedures applicable

The corporation may by regulation vary the standards in subparagraphs (B) and (C) of subsection (a)(1) of this section if the variance would more effectively or equitably carry out the purposes of this subchapter. Before it promulgates such regulations, the corporation may grant individual or class variances or exemptions from the requirements of such subparagraphs if the particular case warrants it. Before granting such an individual or class variance or exemption, the corporation—

(1) shall publish notice in the Federal Register of the pendency of the variance or exemption,

(2) shall require that adequate notice be given to interested persons, and

(3) shall afford interested persons an opportunity to present their views.

(d) "Unrelated party" defined

For purposes of this section, the term ''unrelated party'' means a purchaser or seller who does not bear a relationship to the seller or purchaser, as the case may be, that is described in section 267(b) of title 26, or that is described in regulations prescribed by the corporation applying principles similar to the principles of such section.

AMENDMENTS

1989—Subsec. (d). Pub. L. 101–239 substituted ''Internal Revenue Code of 1986'' for ''Internal Revenue Code of 1954'', which for purposes of codification was translated as ''title 26'' thus requiring no change in text.

Amendment by Pub. L. 101–239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99–514, to which such amendment relates, see section 7891(f) of Pub. L. 101–239, set out as a note under section 1002 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1391, 1401, 1405 of this title.

§ 1385. Partial withdrawals

(a) Determinative factors

Except as otherwise provided in this section, there is a partial withdrawal by an employer from a plan on the last day of a plan year if for such plan year—

(1) there is a 70-percent contribution decline, or

(2) there is a partial cessation of the employer's contribution obligation.

(b) Criteria applicable

For purposes of subsection (a) of this section—

(1)(A) There is a 70-percent contribution decline for any plan year if during each plan year in the 3-year testing period the employer's contribution base units do not exceed 30 percent of the employer's contribution base units for the high base year.

(B) For purposes of subparagraph (A)—

(i) The term ''3-year testing period'' means the period consisting of the plan year and the immediately preceding 2 plan years.

(ii) The number of contribution base units for the high base year is the average number of such units for the 2 plan years for which the employer's contribution base units were the highest within the 5 plan years immediately preceding the beginning of the 3-year testing period.

(2)(A) There is a partial cessation of the employer's contribution obligation for the plan year if, during such year—

(i) the employer permanently ceases to have an obligation to contribute under one or more but fewer than all collective bargaining agreements under which the employer has been obligated to contribute under the plan but continues to perform work in the jurisdiction of the collective

bargaining agreement of the type for which contributions were previously required or transfers such work to another location, or

(ii) an employer permanently ceases to have an obligation to contribute under the plan with respect to work performed at one or more but fewer than all of its facilities, but continues to perform work at the facility of the type for which the obligation to contribute ceased.

(B) For purposes of subparagraph (A), a cessation of obligations under a collective bargaining agreement shall not be considered to have occurred solely because, with respect to the same plan, one agreement that requires contributions to the plan has been substituted for another agreement.

(c) Retail food industry

(1) In the case of a plan in which a majority of the covered employees are employed in the retail food industry, the plan may be amended to provide that this section shall be applied with respect to such plan—

(A) by substituting ''35 percent'' for ''70 percent'' in subsections (a) and (b) of this section, and

(B) by substituting ''65 percent'' for ''30 percent'' in subsection (b) of this section.

(2) Any amendment adopted under paragraph (1) shall provide rules for the equitable reduction of withdrawal liability in any case in which the number of the plan's contribution base units, in the 2 plan years following the plan year of withdrawal of the employer, is higher than such number immediately after the withdrawal.

(3) Section 1388 of this title shall not apply to a plan which has been amended under paragraph (1).

(d) Continuation of liability of employer for partial withdrawal under amended plan

In the case of a plan described in section 404(c) of title 26, or a continuation thereof, the plan may be amended to provide rules setting forth other conditions consistent with the purposes of this chapter under which an employer has liability for partial withdrawal.

SECTION REFERRED TO IN OTHER SECTIONS

§ 1386. Adjustment for partial withdrawal; determination of amount; reduction for partial withdrawal liability; procedures applicable

(a) The amount of an employer's liability for a partial withdrawal, before the application of sections 1399(c)(1) and 1405 of this title, is equal to the product of—

(1) the amount determined under section 1391 of this title, and adjusted under section 1389 of this title if appropriate, determined as if the employer had withdrawn from the plan in a complete withdrawal—

(A) on the date of the partial withdrawal, or

(B) in the case of a partial withdrawal described in section 1385(a)(1) of this title (relating to 70-percent contribution decline), on the last day of the first plan year in the 3-year testing period,

multiplied by

(2) a fraction which is 1 minus a fraction—

(A) the numerator of which is the employer's contribution base units for the plan year following the plan year in which the partial withdrawal occurs, and

(B) the denominator of which is the average of the employer's contribution base units for—

(i) except as provided in clause (ii), the 5 plan years immediately preceding the plan year in which the partial withdrawal occurs, or

(ii) in the case of a partial withdrawal described in section 1385(a)(1) of this title (relating to 70-percent contribution decline), the 5 plan years immediately preceding the beginning of the 3-year testing period.

(b)(1) In the case of an employer that has withdrawal liability for a partial withdrawal from a plan, any withdrawal liability of that employer for a partial or complete withdrawal from that plan in a subsequent plan year shall be reduced by the amount of any partial withdrawal liability (reduced by any abatement or reduction of such liability) of the employer with respect to the plan for a previous plan year.

(2) The corporation shall prescribe such regulations as may be necessary to provide for proper adjustments in the reduction provided by paragraph (1) for—

(A) changes in unfunded vested benefits arising after the close of the prior year for which partial withdrawal liability was determined,

(B) changes in contribution base units occurring after the close of the prior year for which partial withdrawal liability was determined, and

(C) any other factors for which it determines adjustment to be appropriate,

so that the liability for any complete or partial withdrawal in any subsequent year (after the application of the reduction) properly reflects the employer's share of liability with respect to the plan.

§ 1387. Reduction or waiver of complete withdrawal liability; procedures and standards applicable

(a) The corporation shall provide by regulation for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from a plan subsequently resumes covered operations under the plan or renews an obligation to contribute under the plan, to the extent that the corporation determines that reduction or waiver of withdrawal liability is consistent with the purposes of this chapter.

(b) The corporation shall prescribe by regulation a procedure and standards for the amendment of plans to provide alternative rules for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from the plan subsequently resumes covered operations or renews an obligation to contribute under the plan. The rules may apply only to the extent that the rules are consistent with the purposes of this chapter.

(Pub. L. 93–406, title IV, § 4207, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1223.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1401 of this title.

§ 1388. Reduction of partial withdrawal liability

(a) Obligation of employer for payments for partial withdrawal for plan years beginning after the second consecutive plan year following the partial withdrawal year; criteria applicable; furnishing of bond in lieu of payment of partial withdrawal liability

(1) If, for any 2 consecutive plan years following the plan year in which an employer has partially withdrawn from a plan under section 1385(a)(1) of this title (referred to elsewhere in this section as the ''partial withdrawal year''), the number of contribution base units with respect to which the employer has an obligation to contribute under the plan for each such year is not less than 90 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute under the plan for the high base year (within the meaning of section 1385(b)(1)(B)(ii) of this title), then the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second consecutive plan year following the partial withdrawal year.

(2)(A) For any plan year for which the number of contribution base units with respect to which an employer who has partially withdrawn under section 1385(a)(1) of this title has an obligation to contribute under the plan equals or exceeds the number of units for the highest year determined under paragraph (1) without regard to ''90 percent of'', the employer may furnish (in lieu of payment of the partial withdrawal liability determined under section 1386 of this title) a bond to the plan in the amount determined by the plan sponsor (not exceeding 50 percent of the annual payment otherwise required).

(B) If the plan sponsor determines under paragraph (1) that the employer has no further liability to the plan for the partial withdrawal, then the bond shall be cancelled.

(C) If the plan sponsor determines under paragraph (1) that the employer continues to have liability to the plan for the partial withdrawal, then—

(i) the bond shall be paid to the plan,

(ii) the employer shall immediately be liable for the outstanding amount of liability due with respect to the plan year for which the bond was posted, and

(iii) the employer shall continue to make the partial withdrawal liability payments as they are due.

(b) Obligation of employer for payments for partial withdrawal for plan years beginning after the second consecutive plan year; other criteria applicable

If—

(1) for any 2 consecutive plan years following a partial withdrawal under section 1385(a)(1) of this title, the number of contribution base units with respect to which the employer has an obligation to contribute for each such year exceeds 30 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute for the high base year (within the meaning of section 1385(b)(1)(B)(ii) of this title,[1] and

(2) the total number of contribution base units with respect to which all employers under the plan have obligations to contribute in each of such 2 consecutive years is not less than 90 percent of the total number of contribution base units for which all employers had obligations to contribute in the partial withdrawal plan year;

then, the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second such consecutive plan year.

(c) Pro rata reduction of amount of partial withdrawal liability payment of employer for plan year following partial withdrawal year

In any case in which, in any plan year following a partial withdrawal under section 1385(a)(1) of this title, the number of contribution base units with respect to which the employer has an obligation to contribute for such year equals or exceeds 110 percent (or such other percentage as the plan may provide by amendment and which is not prohibited under regulations prescribed by the corporation) of the number of contribution base units with respect to which the employer had an obligation to contribute in the partial withdrawal year, then the amount of the employer's partial withdrawal liability payment for such year shall be reduced pro rata, in accordance with regulations prescribed by the corporation.

(d) Building and construction industry; entertainment industry

(1) An employer to whom section 1383(b)[2] of this title (relating to the building and construction industry) applies is liable for a partial withdrawal only if the employer's obligation to contribute under the plan is continued for no more than an insubstantial portion of its work in the craft and area jurisdiction of the collective bargaining agreement of the type for which contributions are required.

(2) An employer to whom section 1383(c)[2] of this title (relating to the entertainment industry) applies shall have no liability for a partial withdrawal except under the conditions and to the extent prescribed by the corporation by regulation.

(e) Reduction or elimination of partial withdrawal liability under any conditions; criteria; procedures applicable

(1) The corporation may prescribe regulations providing for the reduction or elimination of partial withdrawal liability under any conditions with respect to which the corporation determines that reduction or elimination of partial withdrawal liability is consistent with the purposes of this chapter.

(2) Under such regulations, reduction of withdrawal liability shall be provided only with respect to subsequent changes in the employer's contributions for the same operations, or under the same collective bargaining agreement, that

[1] So in original. Probably should be ''title),''.

[2] See References in Text note below.

gave rise to the partial withdrawal, and changes in the employer's contribution base units with respect to other facilities or other collective bargaining agreements shall not be taken into account.

(3) The corporation shall prescribe by regulation a procedure by which a plan may by amendment adopt rules for the reduction or elimination of partial withdrawal liability under any other conditions, subject to the approval of the corporation based on its determination that adoption of such rules by the plan is consistent with the purposes of this chapter.

§ 1389. De minimis rule

(a) Reduction of unfunded vested benefits allocable to employer withdrawn from plan

Except in the case of a plan amended under subsection (b) of this section, the amount of the unfunded vested benefits allocable under section 1391 of this title to an employer who withdraws from a plan shall be reduced by the smaller of—

(1) ¾ of 1 percent of the plan's unfunded vested obligations (determined as of the end of the plan year ending before the date of withdrawal), or

(2) the lesser of—

(A) the amount determined under subsection (a)(1) of this section, or

In any action or proceeding to determine or collect withdrawal liability, if substantially all employers have withdrawn from a plan within a period of 3 plan years, an employer who has withdrawn from such plan during such period shall be presumed to have withdrawn from the plan pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

Amendment by Pub. L. 101–239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99–514, to which such amendment relates, see section 7891(f) of Pub. L. 101–239, set out as a note under section 1002 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1401 of this title.

§ 1391. Methods for computing withdrawal liability

(a) Determination of amount of unfunded vested benefits allocable to employer withdrawn from plan

The amount of the unfunded vested benefits allocable to an employer that withdraws from a plan shall be determined in accordance with subsection (b), (c), or (d) of this section.

(b) Factors determining computation of amount of unfunded vested benefits allocable to employer withdrawn from plan

(1) Except as provided in subsections (c) and (d) of this section, the amount of unfunded vested benefits allocable to an employer that withdraws is the sum of—

(A) the employer's proportional share of the unamortized amount of the change in the plan's unfunded vested benefits for plan years ending after September 25, 1980, as determined under paragraph (2),

(B) the employer's proportional share, if any, of the unamortized amount of the plan's unfunded vested benefits at the end of the plan year ending before September 26, 1980, as determined under paragraph (3); and

(C) the employer's proportional share of the unamortized amounts of the reallocated unfunded vested benefits (if any) as determined under paragraph (4).

If the sum of the amounts determined with respect to an employer under paragraphs (2), (3), and (4) is negative, the unfunded vested benefits allocable to the employer shall be zero.

(2)(A) An employer's proportional share of the unamortized amount of the change in the plan's unfunded vested benefits for plan years ending after September 25, 1980, is the sum of the employer's proportional shares of the unamortized amount of the change in unfunded vested benefits for each plan year in which the employer has an obligation to contribute under the plan ending—

(i) after such date, and

(ii) before the plan year in which the withdrawal of the employer occurs.

(B) The change in a plan's unfunded vested benefits for a plan year is the amount by which—

(i) the unfunded vested benefits at the end of the plan year; exceeds

(ii) the sum of—

(I) the unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, and

(II) the sum of the unamortized amounts of the change in unfunded vested benefits for each plan year ending after September 25, 1980, and preceding the plan year for which the change is determined.

(C) The unamortized amount of the change in a plan's unfunded vested benefits with respect to a plan year is the change in unfunded vested benefits for the plan year, reduced by 5 percent of such change for each succeeding plan year.

(D) The unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, is the amount of the unfunded vested benefits as of the end of that plan year reduced by 5 percent of such amount for each succeeding plan year.

(E) An employer's proportional share of the unamortized amount of a change in unfunded vested benefits is the product of—

(i) the unamortized amount of such change (as of the end of the plan year preceding the plan year in which the employer withdraws); multiplied by

(ii) a fraction—

(I) the numerator of which is the sum of the contributions required to be made under the plan by the employer for the year in which such change arose and for the 4 preceding plan years, and

(II) the denominator of which is the sum for the plan year in which such change arose and the 4 preceding plan years of all contributions made by employers who had an obligation to contribute under the plan for the plan year in which such change arose reduced by the contributions made in such years by employers who had withdrawn from the plan in the year in which the change arose.

(3) An employer's proportional share of the unamortized amount of the plan's unfunded vested benefits for the last plan year ending before September 26, 1980, is the product of—

(A) such unamortized amount; multiplied by—

(B) a fraction—

(i) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the most recent 5 plan years ending before September 26, 1980, and

(ii) the denominator of which is the sum of all contributions made for the most recent 5 plan years ending before September 26, 1980, by all employers—

(I) who had an obligation to contribute under the plan for the first plan year ending on or after such date, and

(II) who had not withdrawn from the plan before such date.

(4)(A) An employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits is the sum of the employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits for each plan year ending before the plan year in which the employer withdrew from the plan.

(B) Except as otherwise provided in regulations prescribed by the corporation, the reallocated unfunded vested benefits for a plan year is the sum of—

(i) any amount which the plan sponsor determines in that plan year to be uncollectible for reasons arising out of cases or proceedings under title 11, or similar proceedings.[1]

(ii) any amount which the plan sponsor determines in that plan year will not be assessed as a result of the operation of section 1389, 1399(c)(1)(B), or 1405 of this title against an employer to whom a notice described in section 1399 of this title has been sent, and

(iii) any amount which the plan sponsor determines to be uncollectible or unassessable in that plan year for other reasons under standards not inconsistent with regulations prescribed by the corporation.

(C) The unamortized amount of the reallocated unfunded vested benefits with respect to a plan year is the reallocated unfunded vested benefits for the plan year, reduced by 5 percent of such reallocated unfunded vested benefits for each succeeding plan year.

(D) An employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits with respect to a plan year is the product of—

(i) the unamortized amount of the reallocated unfunded vested benefits (as of the end of the plan year preceding the plan year in which the employer withdraws); multiplied by

(ii) the fraction defined in paragraph (2)(E)(ii).

(c) Amendment of multiemployer plan for determination respecting amount of unfunded vested benefits allocable to employer withdrawn from plan; factors determining computation of amount

(1) A multiemployer plan, other than a plan which primarily covers employees in the building and construction industry, may be amended to provide that the amount of unfunded vested benefits allocable to an employer that withdraws from the plan is an amount determined under paragraph (2), (3), (4), or (5) of this subsection, rather than under subsection (b) or (d) of this section. A plan described in section 1383(b)(1)(B)(i) of this title (relating to the building and construction industry) may be amended, to the extent provided in regulations prescribed by the corporation, to provide that the amount of the unfunded vested benefits allocable to an employer not described in section 1383(b)(1)(A) of this title shall be determined in a manner different from that provided in subsection (b) of this section.

(2)(A) The amount of the unfunded vested benefits allocable to any employer under this paragraph is the sum of the amounts determined under subparagraphs (B) and (C).

(B) The amount determined under this subparagraph is the product of—

(i) the plan's unfunded vested benefits as of the end of the last plan year ending before September 26, 1980, reduced as if those obligations were being fully amortized in level annual installments over 15 years beginning with the first plan year ending on or after such date; multiplied by

(ii) a fraction—

(I) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the last 5 plan years ending before September 26, 1980, and

(II) the denominator of which is the sum of all contributions made for the last 5 plan years ending before September 26, 1980, by all employers who had an obligation to contribute under the plan for the first plan year ending after September 25, 1980, and who had not withdrawn from the plan before such date.

(C) The amount determined under this subparagraph is the product of—

(i) an amount equal to—

(I) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less

(II) the sum of the value as of such date of all outstanding claims for withdrawal liability which can reasonably be expected to be collected, with respect to employers withdrawing before such plan year, and that portion of the amount determined under subparagraph (B)(i) which is allocable to employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws and who also had an obligation to contribute under the plan for the first plan year ending after September 25, 1980; multiplied by

(ii) a fraction—

(I) the numerator of which is the total amount required to be contributed under the plan by the employer for the last 5 plan years ending before the date on which the employer withdraws, and

(II) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the date on which the employer withdraws, increased by the amount of any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed by an employer who withdrew from the plan under this part during those plan years.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this subchapter, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

[1] So in original. The period probably should be a comma.

(3) The amount of the unfunded vested benefits allocable to an employer under this paragraph is the product of—

(A) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less the value as of the end of such year of all outstanding claims for withdrawal liability which can reasonably be expected to be collected from employers withdrawing before such year; multiplied by

(B) a fraction—

(i) the numerator of which is the total amount required to be contributed by the employer under the plan for the last 5 plan years ending before the withdrawal, and

(ii) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the withdrawal, increased by any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed to the plan during those plan years by employers who withdrew from the plan under this section during those plan years.

(4)(A) The amount of the unfunded vested benefits allocable to an employer under this paragraph is equal to the sum of—

(i) the plan's unfunded vested benefits which are attributable to participants' service with the employer (determined as of the end of the plan year preceding the plan year in which the employer withdraws), and

(ii) the employer's proportional share of any unfunded vested benefits which are not attributable to service with the employer or other employers who are obligated to contribute under the plan in the plan year preceding the plan year in which the employer withdraws (determined as of the end of the plan year preceding the plan year in which the employer withdraws).

(B) The plan's unfunded vested benefits which are attributable to participants' service with the employer is the amount equal to the value of nonforfeitable benefits under the plan which are attributable to participants' service with such employer (determined under plan rules not inconsistent with regulations of the corporation) decreased by the share of plan assets determined under subparagraph (C) which is allocated to the employer as provided under subparagraph (D).

(C) The value of plan assets determined under this subparagraph is the value of plan assets allocated to nonforfeitable benefits which are attributable to service with the employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws, which is determined by multiplying—

(i) the value of the plan assets as of the end of the plan year preceding the plan year in which the employer withdraws, by

(ii) a fraction—

(I) the numerator of which is the value of nonforfeitable benefits which are attributable to service with such employers, and

(II) the denominator of which is the value of all nonforfeitable benefits under the plan as of the end of the plan year.

(D) The share of plan assets, determined under subparagraph (C), which is allocated to the employer shall be determined in accordance with one of the following methods which shall be adopted by the plan by amendment:

(i) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the value of the nonforfeitable benefits which are attributable to service with the employer, and

(II) the denominator of which is the value of the nonforfeitable benefits which are attributable to service with all employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws;

(ii) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the sum of all contributions (accumulated with interest) which have been made to the plan by the employer for the plan year preceding the plan year in which the employer withdraws and all preceding plan years; and

(II) the denominator of which is the sum of all contributions (accumulated with interest) which have been made to the plan (for the plan year preceding the plan year in which the employer withdraws and all preceding plan years) by all employers who have an obligation to contribute to the plan for the plan year preceding the plan year in which the employer withdraws; or

(iii) by multiplying the value of plan assets under subparagraph (C) by a fraction—

(I) the numerator of which is the amount determined under clause (ii)(I) of this subparagraph, less the sum of benefit payments (accumulated with interest) made to participants (and their beneficiaries) for the plan years described in such clause (ii)(I) which are attributable to service with the employer; and

(II) the denominator of which is the amount determined under clause (ii)(II) of this subparagraph, reduced by the sum of benefit payments (accumulated with interest) made to participants (and their beneficiaries) for the plan years described in such clause (ii)(II) which are attributable to service with respect to the employers described in such clause (ii)(II).

(E) The amount of the plan's unfunded vested benefits for a plan year preceding the plan year in which an employer withdraws, which is not attributable to service with employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which such employer withdraws, is equal to—

(i) an amount equal to—

(I) the value of all nonforfeitable benefits under the plan at the end of such plan year, reduced by

(II) the value of nonforfeitable benefits under the plan at the end of such plan year

which are attributable to participants' service with employers who have an obligation to contribute under the plan for such plan year; reduced by

(ii) an amount equal to—

(I) the value of the plan assets as of the end of such plan year, reduced by

(II) the value of plan assets as of the end of such plan year as determined under subparagraph (C); reduced by

(iii) the value of all outstanding claims for withdrawal liability which can reasonably be expected to be collected with respect to employers withdrawing before the year preceding the plan year in which the employer withdraws.

(F) The employer's proportional share described in subparagraph (A)(ii) for a plan year is the amount determined under subparagraph (E) for the employer, but not in excess of an amount which bears the same ratio to the sum of the amounts determined under subparagraph (E) for all employers under the plan as the amount determined under subparagraph (C) for the employer bears to the sum of the amounts determined under subparagraph (C) for all employers under the plan.

(G) The corporation may prescribe by regulation other methods which a plan may adopt for allocating assets to determine the amount of the unfunded vested benefits attributable to service with the employer and to determine the employer's share of unfunded vested benefits not attributable to service with employers who have an obligation to contribute under the plan in the plan year in which the employer withdraws.

(5)(A) The corporation shall prescribe by regulation a procedure by which a plan may, by amendment, adopt any other alternative method for determining an employer's allocable share of unfunded vested benefits under this section, subject to the approval of the corporation based on its determination that adoption of the method by the plan would not significantly increase the risk of loss to plan participants and beneficiaries or to the corporation.

(B) The corporation may prescribe by regulation standard approaches for alternative methods, other than those set forth in the preceding paragraphs of this subsection, which a plan may adopt under subparagraph (A), for which the corporation may waive or modify the approval requirements of subparagraph (A). Any alternative method shall provide for the allocation of substantially all of a plan's unfunded vested benefits among employers who have an obligation to contribute under the plan.

(C) Unless the corporation by regulation provides otherwise, a plan may be amended to provide that a period of more than 5 but not more than 10 plan years may be used for determining the numerator and denominator of any fraction which is used under any method authorized under this section for determining an employer's allocable share of unfunded vested benefits under this section.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this subchapter, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

(d) Method of calculating allocable share of employer of unfunded vested benefits set forth in subsection (c)(3) of this section; applicability of certain statutory provisions

(1) The method of calculating an employer's allocable share of unfunded vested benefits set forth in subsection (c)(3) of this section shall be the method for calculating an employer's allocable share of unfunded vested benefits under a plan to which section 404(c) of title 26, or a continuation of such a plan, applies, unless the plan is amended to adopt another method authorized under subsection (b) or (c) of this section.

(2) Sections 1384, 1389, 1399(c)(1)(B), and 1405 of this title shall not apply with respect to the withdrawal of an employer from a plan described in paragraph (1) unless the plan is amended to provide that any of such sections apply.

(e) Reduction of liability of withdrawn employer in case of transfer of liabilities to another plan incident to withdrawal or partial withdrawal of employer

In the case of a transfer of liabilities to another plan incident to an employer's withdrawal or partial withdrawal, the withdrawn employer's liability under this part shall be reduced in an amount equal to the value, as of the end of the last plan year ending on or before the date of the withdrawal, of the transferred unfunded vested benefits.

(f) Computations applicable in case of withdrawal following merger of multiemployer plans

In the case of a withdrawal following a merger of multiemployer plans, subsection (b), (c), or (d) of this section shall be applied in accordance with regulations prescribed by the corporation; except that, if a withdrawal occurs in the first plan year beginning after a merger of multiemployer plans, the determination under this section shall be made as if each of the multiemployer plans had remained separate plans.

(a) "Obligation to contribute" defined

For purposes of this part, the term ''obligation to contribute'' means an obligation to contribute arising—

§ 1393. Actuarial assumptions

(a) Use by plan actuary in determining unfunded vested benefits of a plan for computing withdrawal liability of employer

The corporation may prescribe by regulation actuarial assumptions which may be used by a plan actuary in determining the unfunded vested benefits of a plan for purposes of determining an employer's withdrawal liability under this part. Withdrawal liability under this part shall be determined by each plan on the basis of—

(1) actuarial assumptions and methods which, in the aggregate, are reasonable (taking into account the experience of the plan and reasonable expectations) and which, in combination, offer the actuary's best estimate of anticipated experience under the plan, or

(2) actuarial assumptions and methods set forth in the corporation's regulations for purposes of determining an employer's withdrawal liability.

(b) Factors determinative of unfunded vested benefits of plan for computing withdrawal liability of employer

In determining the unfunded vested benefits of a plan for purposes of determining an employer's withdrawal liability under this part, the plan actuary may—

(1) rely on the most recent complete actuarial valuation used for purposes of section 412 of title 26 and reasonable estimates for the interim years of the unfunded vested benefits, and

(2) in the absence of complete data, rely on the data available or on data secured by a sampling which can reasonably be expected to be representative of the status of the entire plan.

(c) Determination of amount of unfunded vested benefits

For purposes of this part, the term ''unfunded vested benefits'' means with respect to a plan, an amount equal to—

(A) the value of nonforfeitable benefits under the plan, less

(B) the value of the assets of the plan.

§ 1394. Application of plan amendments; exception

(a) No plan rule or amendment adopted after January 31, 1981, under section 1389 or 1391(c) of this title may be applied without the employer's consent with respect to liability for a withdrawal or partial withdrawal which occurred before the date on which the rule or amendment was adopted.

(b) All plan rules and amendments authorized under this part shall operate and be applied uniformly with respect to each employer, except that special provisions may be made to take into account the creditworthiness of an employer. § 1395. Plan notification to corporation of potentially significant withdrawals

The corporation may, by regulation, require the plan sponsor of a multiemployer plan to provide notice to the corporation when the with-

§ 1396. Special rules for plans under section 404(c) of title 26

(a) Amount of withdrawal liability; determinative factors

In the case of a plan described in subsection (b) of this section—

(1) if an employer withdraws prior to a termination described in section 1341a(a)(2) of this title, the amount of withdrawal liability to be paid in any year by such employer shall be an amount equal to the greater of—

(A) the amount determined under section 1399(c)(1)(C)(i) of this title, or

(B) the product of—

(i) the number of contribution base units for which the employer would have been required to make contributions for the prior plan year if the employer had not withdrawn, multiplied by

(ii) the contribution rate for the plan year which would be required to meet the amortization schedules contained in section 1423(d)(3)(B)(ii) of this title (determined without regard to any limitation on such rate otherwise provided by this subchapter)

except that an employer shall not be required to pay an amount in excess of the withdrawal liability computed with interest; and

(2) the withdrawal liability of an employer who withdraws after December 31, 1983, as a result of a termination described in section 1341a(a)(2) of this title which is agreed to by the labor organization that appoints the employee representative on the joint board of trustees which sponsors the plan, shall be determined under subsection (c) of this section if—

(A) as a result of prior employer withdrawals in any plan year commencing after January 1, 1980, the number of contribution base units is reduced to less than 67 percent of the average number of such units for the calendar years 1974 through 1979; and

(B) at least 50 percent of the withdrawal liability attributable to the first 33 percent decline described in subparagraph (A) has been determined by the plan sponsor to be uncollectible within the meaning of regulations of the corporation of general applicability; and

(C) the rate of employer contributions under the plan for each plan year following the first plan year beginning after September 26, 1980 and preceding the termination date equals or exceeds the rate described in section 1423(d)(3) of this title.

(b) Covered plans

A plan is described in this subsection if—

(1) it is a plan described in section 404(c) of title 26 or a continuation thereof; and

(2) participation in the plan is substantially limited to individuals who retired prior to January 1, 1976.

(c) Amount of liability of employer; "a year of signatory service" defined

(1) The amount of an employer's liability under this paragraph is the product of—

(A) the amount of the employer's withdrawal liability determined without regard to this section, and

(B) the greater of 90 percent, or a fraction—

(i) the numerator of which is an amount equal to the portion of the plan's unfunded vested benefits that is attributable to plan participants who have a total of 10 or more years of signatory service, and

(ii) the denominator of which is an amount equal to the total unfunded vested benefits of the plan.

(2) For purposes of paragraph (1), the term ''a year of signatory service'' means a year during any portion of which a participant was employed for an employer who was obligated to contribute in that year, or who was subsequently obligated to contribute.

(Pub. L. 93–406, title IV, § 4216, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1234.)

§ 1398. Withdrawal not to occur because of change in business form or suspension of contributions during labor dispute

(B) a change to an unincorporated form of business enterprise,

if the change causes no interruption in employer contributions or obligations to contribute under the plan, or

(2) an employer suspends contributions under the plan during a labor dispute involving its employees.

For purposes of this part, a successor or parent corporation or other entity resulting from any such change shall be considered the original employer.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1401 of this title.

§ 1399. Notice, collection, etc., of withdrawal liability

(a) Furnishing of information by employer to plan sponsor

An employer shall, within 30 days after a written request from the plan sponsor, furnish such information as the plan sponsor reasonably determines to be necessary to enable the plan sponsor to comply with the requirements of this part.

(b) Notification, demand for payment, and review upon complete or partial withdrawal by employer

(1) As soon as practicable after an employer's complete or partial withdrawal, the plan sponsor shall—

(A) notify the employer of—

(i) the amount of the liability, and

(ii) the schedule for liability payments, and

(B) demand payment in accordance with the schedule.

(2)(A) No later than 90 days after the employer receives the notice described in paragraph (1), the employer—

(i) may ask the plan sponsor to review any specific matter relating to the determination of the employer's liability and the schedule of payments,

(ii) may identify any inaccuracy in the determination of the amount of the unfunded vested benefits allocable to the employer, and

(iii) may furnish any additional relevant information to the plan sponsor.

(B) After a reasonable review of any matter raised, the plan sponsor shall notify the employer of—

(i) the plan sponsor's decision,

(ii) the basis for the decision, and

(iii) the reason for any change in the determination of the employer's liability or schedule of liability payments.

(c) Payment requirements; amount, etc.

(1)(A)(i) Except as provided in subparagraphs (B) and (D) of this paragraph and in paragraphs (4) and (5), an employer shall pay the amount determined under section 1391 of this title, adjusted if appropriate first under section 1389 of this title and then under section 1386 of this title over the period of years necessary to amortize the amount in level annual payments determined under subparagraph (C), calculated as if the first payment were made on the first day of the plan year following the plan year in which the withdrawal occurs and as if each subsequent payment were made on the first day of each subsequent plan year. Actual payment shall commence in accordance with paragraph (2).

(ii) The determination of the amortization period described in clause (i) shall be based on the assumptions used for the most recent actuarial valuation for the plan.

(B) In any case in which the amortization period described in subparagraph (A) exceeds 20 years, the employer's liability shall be limited to the first 20 annual payments determined under subparagraph (C).

(C)(i) Except as provided in subparagraph (E), the amount of each annual payment shall be the product of—

(I) the average annual number of contribution base units for the period of 3 consecutive plan years, during the period of 10 consecutive plan years ending before the plan year in which the withdrawal occurs, in which the number of contribution base units for which the employer had an obligation to contribute under the plan is the highest, and

(II) the highest contribution rate at which the employer had an obligation to contribute under the plan during the 10 plan years ending with the plan year in which the withdrawal occurs.

For purposes of the preceding sentence, a partial withdrawal described in section 1385(a)(1) of this title shall be deemed to occur on the last day of the first year of the 3-year testing period described in section 1385(b)(1)(B)(i) of this title.

(ii)(I) A plan may be amended to provide that for any plan year ending before 1986 the amount of each annual payment shall be (in lieu of the amount determined under clause (i)) the average of the required employer contributions under the plan for the period of 3 consecutive plan years (during the period of 10 consecutive plan years ending with the plan year preceding the plan year in which the withdrawal occurs) for which such required contributions were the highest.

(II) Subparagraph (B) shall not apply to any plan year to which this clause applies.

(III) This clause shall not apply in the case of any withdrawal described in subparagraph (D).

(IV) If under a plan this clause applies to any plan year but does not apply to the next plan year, this clause shall not apply to any plan year after such next plan year.

(V) For purposes of this clause, the term ''required contributions'' means, for any period, the amounts which the employer was obligated to contribute for such period (not taking into account any delinquent contribution for any other period).

(iii) A plan may be amended to provide that for the first plan year ending on or after September 26, 1980, the number ''5'' shall be substituted for the number ''10'' each place it appears in clause (i) or clause (ii) (whichever is appropriate). If the plan is so amended, the number ''5'' shall be increased by one for each succeeding plan year until the number ''10'' is reached.

(D) In any case in which a multiemployer plan terminates by the withdrawal of every employer from the plan, or in which substantially all the employers withdraw from a plan pursuant to an agreement or arrangement to withdraw from the plan—

(i) the liability of each such employer who has withdrawn shall be determined (or redetermined) under this paragraph without regard to subparagraph (B), and

(ii) notwithstanding any other provision of this part, the total unfunded vested benefits of the plan shall be fully allocated among all such employers in a manner not inconsistent with regulations which shall be prescribed by the corporation.

Withdrawal by an employer from a plan, during a period of 3 consecutive plan years within which substantially all the employers who have an obligation to contribute under the plan withdraw, shall be presumed to be a withdrawal pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

(E) In the case of a partial withdrawal described in section 1385(a) of this title, the amount of each annual payment shall be the product of—

(i) the amount determined under subparagraph (C) (determined without regard to this subparagraph), multiplied by

(ii) the fraction determined under section 1386(a)(2) of this title.

(2) Withdrawal liability shall be payable in accordance with the schedule set forth by the plan sponsor under subsection (b)(1) of this section beginning no later than 60 days after the date of the demand notwithstanding any request for review or appeal of determinations of the amount of such liability or of the schedule.

(3) Each annual payment determined under paragraph (1)(C) shall be payable in 4 equal installments due quarterly, or at other intervals specified by plan rules. If a payment is not made when due, interest on the payment shall accrue from the due date until the date on which the payment is made.

(4) The employer shall be entitled to prepay the outstanding amount of the unpaid annual withdrawal liability payments determined under paragraph (1)(C), plus accrued interest, if any, in whole or in part, without penalty. If the prepayment is made pursuant to a withdrawal which is later determined to be part of a withdrawal described in paragraph (1)(D), the withdrawal liability of the employer shall not be limited to the amount of the prepayment.

(5) In the event of a default, a plan sponsor may require immediate payment of the outstanding amount of an employer's withdrawal liability, plus accrued interest on the total outstanding liability from the due date of the first payment which was not timely made. For purposes of this section, the term ''default'' means—

(A) the failure of an employer to make, when due, any payment under this section, if the failure is not cured within 60 days after the employer receives written notification from the plan sponsor of such failure, and

(B) any other event defined in rules adopted by the plan which indicates a substantial likelihood that an employer will be unable to pay its withdrawal liability.

(6) Except as provided in paragraph (1)(A)(ii), interest under this subsection shall be charged at rates based on prevailing market rates for comparable obligations, in accordance with regulations prescribed by the corporation.

(7) A multiemployer plan may adopt rules for other terms and conditions for the satisfaction of an employer's withdrawal liability if such rules—

(A) are consistent with this chapter, and

(B) are not inconsistent with regulations of the corporation.

(8) In the case of a terminated multiemployer plan, an employer's obligation to make payments under this section ceases at the end of the plan year in which the assets of the plan (exclusive of withdrawal liability claims) are sufficient to meet all obligations of the plan, as determined by the corporation.

(d) Applicability of statutory prohibitions

The prohibitions provided in section 1106(a) of this title do not apply to any action required or permitted under this part.

§ 1401. Resolution of disputes

(a) Arbitration proceedings; matters subject to arbitration, procedures applicable, etc.

(1) Any dispute between an employer and the plan sponsor of a multiemployer plan concerning a determination made under sections 1381 through 1399 of this title shall be resolved through arbitration. Either party may initiate the arbitration proceeding within a 60-day period after the earlier of—

(A) the date of notification to the employer under section 1399(b)(2)(B) of this title, or

(B) 120 days after the date of the employer's request under section 1399(b)(2)(A) of this title.

The parties may jointly initiate arbitration within the 180-day period after the date of the plan sponsor's demand under section 1399(b)(1) of this title.

(2) An arbitration proceeding under this section shall be conducted in accordance with fair and equitable procedures to be promulgated by the corporation. The plan sponsor may purchase insurance to cover potential liability of the arbitrator. If the parties have not provided for the costs of the arbitration, including arbitrator's fees, by agreement, the arbitrator shall assess such fees. The arbitrator may also award reasonable attorney's fees.

(3)(A) For purposes of any proceeding under this section, any determination made by a plan sponsor under sections 1381 through 1399 of this title and section 1405 of this title is presumed correct unless the party contesting the determination shows by a preponderance of the evidence that the determination was unreasonable or clearly erroneous.

(B) In the case of the determination of a plan's unfunded vested benefits for a plan year, the determination is presumed correct unless a party contesting the determination shows by a preponderance of evidence that—

(i) the actuarial assumptions and methods used in the determination were, in the aggregate, unreasonable (taking into account the experience of the plan and reasonable expectations), or

(ii) the plan's actuary made a significant error in applying the actuarial assumptions or methods.

(b) Alternative collection proceedings; civil action subsequent to arbitration award; conduct of arbitration proceedings

(1) If no arbitration proceeding has been initiated pursuant to subsection (a) of this section, the amounts demanded by the plan sponsor under section 1399(b)(1) of this title shall be due and owing on the schedule set forth by the plan sponsor. The plan sponsor may bring an action in a State or Federal court of competent jurisdiction for collection.

(2) Upon completion of the arbitration proceedings in favor of one of the parties, any party thereto may bring an action, no later than 30 days after the issuance of an arbitrator's award, in an appropriate United States district court in accordance with section 1451 of this title to enforce, vacate, or modify the arbitrator's award.

(3) Any arbitration proceedings under this section shall, to the extent consistent with this subchapter, be conducted in the same manner, subject to the same limitations, carried out with the same powers (including subpena power), and enforced in United States courts as an arbitration proceeding carried out under title 9.

(c) Presumption respecting finding of fact by arbitrator

In any proceeding under subsection (b) of this section, there shall be a presumption, rebuttable only by a clear preponderance of the evidence, that the findings of fact made by the arbitrator were correct.

(d) Payments by employer prior and subsequent to determination by arbitrator; adjustments; failure of employer to make payments

Payments shall be made by an employer in accordance with the determinations made under this part until the arbitrator issues a final decision with respect to the determination submitted for arbitration, with any necessary adjustments in subsequent payments for overpayments or underpayments arising out of the decision of the arbitrator with respect to the determination. If the employer fails to make timely payment in accordance with such final decision, the employer shall be treated as being delinquent in the making of a contribution required under the plan (within the meaning of section 1145 of this title).

(e) Furnishing of information by plan sponsor to employer respecting computation of withdrawal liability of employer; fees

If any employer requests in writing that the plan sponsor make available to the employer general information necessary for the employer to compute its withdrawal liability with respect to the plan (other than information which is unique to that employer), the plan sponsor shall furnish the information to the employer without charge. If any employer requests in writing that the plan sponsor make an estimate of such employer's potential withdrawal liability with respect to the plan or to provide information unique to that employer, the plan sponsor may require the employer to pay the reasonable cost of making such estimate or providing such information.

§ 1402. Reimbursements for uncollectible withdrawal liability

(a) Required supplemental program to reimburse for payments due from employers uncollectible as a result of employer involvement in bankruptcy case or proceedings; program participation, premiums, etc.

By May 1, 1982, the corporation shall establish by regulation a supplemental program to reimburse multiemployer plans for withdrawal liability payments which are due from employers and which are determined to be uncollectible for reasons arising out of cases or proceedings involving the employers under title 11, or similar cases or proceedings. Participation in the supplemental program shall be on a voluntary basis, and a plan which elects coverage under the program shall pay premiums to the corporation in accordance with a premium schedule which shall be prescribed from time to time by the corporation. The premium schedule shall contain such rates and bases for the application of such rates as the corporation considers to be appropriate.

(b) Discretionary supplemental program to reimburse for payments due from employers uncollectible for other appropriate reasons

The corporation may provide under the program for reimbursement of amounts of withdrawal liability determined to be uncollectible for any other reasons the corporation considers appropriate.

(c) Payment of cost of program

The cost of the program (including such administrative and legal costs as the corporation considers appropriate) may be paid only out of premiums collected under such program.

(d) Terms and conditions, limitations, etc., of supplemental program

The supplemental program may be offered to eligible plans on such terms and conditions, and with such limitations with respect to the payment of reimbursements (including the exclusion of de minimis amounts of uncollectible employer liability, and the reduction or elimination of reimbursements which cannot be paid from collected premiums) and such restrictions on withdrawal from the program, as the corporation considers necessary and appropriate.

(e) Arrangements by corporation with private insurers for implementation of program; election of coverage by participating plans with private insurers

The corporation may enter into arrangements with private insurers to carry out in whole or in part the program authorized by this section and may require plans which elect coverage under the program to elect coverage by those private insurers.

(Pub. L. 93–406, title IV, § 4222, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1240.)

§ 1403. Withdrawal liability payment fund

(a) Establishment of or participation in fund by plan sponsors

The plan sponsors of multiemployer plans may establish or participate in a withdrawal liability payment fund.

(b) Definitions

For purposes of this section, the term ''withdrawal liability payment fund'', and the term ''fund'', mean a trust which—

(1) is established and maintained under section 501(c)(22) of title 26,

(2) maintains agreements which cover a substantial portion of the participants who are in multiemployer plans which (under the rules of the trust instrument) are eligible to participate in the fund,

(3) is funded by amounts paid by the plans which participate in the fund, and

(4) is administered by a Board of Trustees, and in the administration of the fund there is equal representation of—

(A) trustees representing employers who are obligated to contribute to the plans participating in the fund, and

(B) trustees representing employees who are participants in plans which participate in the fund.

(c) Payments to plan; amount, criteria, etc.

(1) If an employer withdraws from a plan which participates in a withdrawal liability payment fund, then, to the extent provided in the trust, the fund shall pay to that plan—

(A) the employer's unattributable liability,

(B) the employer's withdrawal liability payments which would have been due but for section 1388, 1389, 1399, or 1405 of this title,

(C) the employer's withdrawal liability payments to the extent they are uncollectible.

(2) The fund may provide for the payment of the employer's attributable liability if the fund—

(A) provides for the payment of both the attributable and the unattributable liability of the employer in a single payment, and

(B) is subrogated to all rights of the plan against the employer.

(3) For purposes of this section, the term—

(A) ''attributable liability'' means the excess, if any, determined under the provisions of a plan not inconsistent with regulations of the corporation, of—

(i) the value of vested benefits accrued as a result of service with the employer, over

(ii) the value of plan assets attributed to the employer, and

(B) ''unattributable liability'' means the excess of withdrawal liability over attributable liability.

Such terms may be further defined, and the manner in which they shall be applied may be prescribed, by the corporation by regulation.

(4)(A) The trust of a fund shall be maintained for the exclusive purpose of paying—

(i) any amount described in paragraph (1) and paragraph (2), and

(ii) reasonable and necessary administrative expenses in connection with the establishment and operation of the trust and the processing of claims against the fund.

(B) The amounts paid by a plan to a fund shall be deemed a reasonable expense of administering the plan under sections 1103(c)(1) and 1104(a)(1)(A)(ii) of this title, and the payments made by a fund to a participating plan shall be deemed services necessary for the operation of the plan within the meaning of section 1108(b)(2) of this title or within the meaning of section 4975(d)(2) of title 26.

(d) Application of payments by plan

(1) For purposes of this part—

(A) only amounts paid by the fund to a plan under subsection (c)(1)(A) of this section shall be credited to withdrawal liability otherwise payable by the employer, unless the plan otherwise provides, and

(B) any amounts paid by the fund under subsection (c) of this section to a plan shall be treated by the plan as a payment of withdrawal liability to such plan.

(2) For purposes of applying provisions relating to the funding standard accounts (and minimum contribution requirements), amounts paid from the plan to the fund shall be applied to reduce the amount treated as contributed to the plan.

(e) Subrogation of fund to rights of plan

The fund shall be subrogated to the rights of the plan against the employer that has withdrawn from the plan for amounts paid by a fund to a plan under—

(1) subsection (c)(1)(A) of this section, to the extent not credited under subsection (d)(1)(A) of this section, and

(2) subsection (c)(1)(C) of this section.

(f) Discharge of rights of fiduciary of fund; standards applicable, etc.

Notwithstanding any other provision of this chapter, a fiduciary of the fund shall discharge the fiduciary's duties with respect to the fund in accordance with the standards for fiduciaries prescribed by this chapter (to the extent not inconsistent with the purposes of this section), and in accordance with the documents and instruments governing the fund insofar as such documents and instruments are consistent with the provisions of this chapter (to the extent not inconsistent with the purposes of this section). The provisions of the preceding sentence shall supersede any and all State laws relating to fiduciaries insofar as they may now or hereafter relate to a fund to which this section applies.

(g) Prohibition on payments from fund to plan where certain labor negotiations involve employer withdrawn or partially withdrawn from plan and continuity of labor organization representing employees continues

No payments shall be made from a fund to a plan on the occasion of a withdrawal or partial withdrawal of an employer from such plan if the employees representing the withdrawn contribution base units continue, after such withdrawal, to be represented under section 159 of this title (or other applicable labor laws) in negotiations with such employer by the labor organization which represented such employees immediately preceding such withdrawal.

(h) Purchase of insurance by employer

Nothing in this section shall be construed to prohibit the purchase of insurance by an employer from any other person, to limit the circumstances under which such insurance would be payable, or to limit in any way the terms and conditions of such insurance.

(i) Promulgation of regulations for establishment and maintenance of fund

The corporation may provide by regulation rules not inconsistent with this section governing the establishment and maintenance of funds, but only to the extent necessary to carry out the purposes of this part (other than section 1402 of this title).

(b) Unfunded vested benefits allocable to insolvent employer undergoing liquidation or dissolution; maximum amount; determinative factors

In the case of an insolvent employer undergoing liquidation or dissolution, the unfunded vested benefits allocable to that employer shall not exceed an amount equal to the sum of—

(1) 50 percent of the unfunded vested benefits allocable to the employer (determined without regard to this section), and

(2) that portion of 50 percent of the unfunded vested benefits allocable to the employer (as determined under paragraph (1)) which does not exceed the liquidation or dissolution value of the employer determined—

(A) as of the commencement of liquidation or dissolution, and

(B) after reducing the liquidation or dissolution value of the employer by the amount determined under paragraph (1).

(c) Property not subject to enforcement of liability; precondition

(d) Insolvency of employer; liquidation or dissolution value of employer

(e) One or more withdrawals of employer attributable to same sale, liquidation, or dissolution

In the case of one or more withdrawals of an employer attributable to the same sale, liquidation, or dissolution, under regulations prescribed by the corporation—

(1) all such withdrawals shall be treated as a single withdrawal for the purpose of applying this section, and

(2) the withdrawal liability of the employer to each plan shall be an amount which bears the same ratio to the present value of the withdrawal liability payments to all plans (after the application of the preceding provisions of this section) as the withdrawal liability of the employer to such plan (determined without regard to this section) bears to the withdrawal liability of the employer to all such plans (determined without regard to this section).

PART 2—MERGER OR TRANSFER OF PLAN ASSETS OR LIABILITIES

§ 1411. Mergers and transfers between multiemployer plans

(a) Authority of plan sponsor

Unless otherwise provided in regulations prescribed by the corporation, a plan sponsor may not cause a multiemployer plan to merge with one or more multiemployer plans, or engage in a transfer of assets and liabilities to or from another multiemployer plan, unless such merger or transfer satisfies the requirements of subsection (b) of this section.

(b) Criteria

A merger or transfer satisfies the requirements of this section if—

(1) in accordance with regulations of the corporation, the plan sponsor of a multiemployer plan notifies the corporation of a merger with or transfer of plan assets or liabilities to another multiemployer plan at least 120 days before the effective date of the merger or transfer;

(2) no participant's or beneficiary's accrued benefit will be lower immediately after the effective date of the merger or transfer than the benefit immediately before that date;

(3) the benefits of participants and beneficiaries are not reasonably expected to be subject to suspension under section 1426 of this title; and

(4) an actuarial valuation of the assets and liabilities of each of the affected plans has been performed during the plan year preceding the effective date of the merger or transfer, based upon the most recent data available as of the day before the start of that plan year, or other valuation of such assets and liabilities performed under such standards and procedures as the corporation may prescribe by regulation.

(c) Actions not deemed violation of section 1106(a) or (b)(2) of this title

The merger of multiemployer plans or the transfer of assets or liabilities between multiemployer plans, shall be deemed not to constitute a violation of the provisions of section 1106(a) of this title or section 1106(b)(2) of this title if the corporation determines that the merger or transfer otherwise satisfies the requirements of this section.

(d) Nature of plan to which liabilities are transferred

A plan to which liabilities are transferred under this section is a successor plan for purposes of section 1322a(b)(2)(B) of this title.

(Pub. L. 93–406, title IV, § 4231, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1244.)

EFFECTIVE DATE

Part effective Sept. 26, 1980, except as specifically provided, see section 1461(e) of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1108, 1415 of this title; title 26 section 4975.

§ 1412. Transfers between a multiemployer plan and a single-employer plan

(a) General authority

A transfer of assets or liabilities between, or a merger of, a multiemployer plan and a single-employer plan shall satisfy the requirements of this section.

(b) Accrued benefit of participant or beneficiary not lower immediately after effective date of transfer or merger

No accrued benefit of a participant or beneficiary may be lower immediately after the effective date of a transfer or merger described in subsection (a) of this section than the benefit immediately before that date.

(c) Liability of multiemployer plan to corporation where single-employer plan terminates within 60 months after effective date of transfer; amount of liability, exemption, etc.

(1) Except as provided in paragraphs (2) and (3), a multiemployer plan which transfers liabilities to a single-employer plan shall be liable to the corporation if the single-employer plan terminates within 60 months after the effective date of the transfer. The amount of liability shall be the lesser of—

(A) the amount of the plan asset insufficiency of the terminated single-employer plan, less 30 percent of the net worth of the employer who maintained the single-employer plan, determined in accordance with section 1362 or 1364 this title, or

(B) the value, on the effective date of the transfer, of the unfunded benefits transferred

to the single-employer plan which are guaranteed under section 1322 of this title.

(2) A multiemployer plan shall be liable to the corporation as provided in paragraph (1) unless, within 180 days after the corporation receives an application (together with such information as the corporation may reasonably require for purposes of such application) from the multiemployer plan sponsor for a determination under this paragraph—

(A) the corporation determines that the interests of the plan participants and beneficiaries and of the corporation are adequately protected, or

(B) fails to make any determination regarding the adequacy with which such interests are protected with respect to such transfer of liabilities.

If, after the receipt of such application, the corporation requests from the plan sponsor additional information necessary for the determination, the running of the 180-day period shall be suspended from the date of such request until the receipt by the corporation of the additional information requested. The corporation may by regulation prescribe procedures and standards for the issuance of determinations under this paragraph. This paragraph shall not apply to any application submitted less than 180 days after September 26, 1980.

(3) A multiemployer plan shall not be liable to the corporation as provided in paragraph (1) in the case of a transfer from the multiemployer plan to a single-employer plan of liabilities which accrued under a single-employer plan which merged with the multiemployer plan, if, the value of liabilities transferred to the single-employer plan does not exceed the value of the liabilities for benefits which accrued before the merger, and the value of the assets transferred to the single-employer plan is substantially equal to the value of the assets which would have been in the single-employer plan if the employer had maintained and funded it as a separate plan under which no benefits accrued after the date of the merger.

(4) The corporation may make equitable arrangements with multiemployer plans which are liable under this subsection for satisfaction of their liability.

(d) Guarantee of benefits under single-employer plan

Benefits under a single-employer plan to which liabilities are transferred in accordance with this section are guaranteed under section 1322 of this title to the extent provided in that section as of the effective date of the transfer and the plan is a successor plan.

(e) Transfer of liabilities by multiemployer plan to single-employer plan

(1) Except as provided in paragraph (2), a multiemployer plan may not transfer liabilities to a single-employer plan unless the plan sponsor of the plan to which the liabilities would be transferred agrees to the transfer.

(2) In the case of a transfer described in subsection (c)(3) of this section, paragraph (1) of this subsection is satisfied by the advance agreement to the transfer by the employer who will be obligated to contribute to the single-employer plan.

(f) Additional requirements by corporation for protection of interests of plan participants, beneficiaries and corporation; approval by corporation of transfer of assets or liabilities to single-employer plan from plan in reorganization; covered transfers in connection with termination

(1) The corporation may prescribe by regulation such additional requirements with respect to the transfer of assets or liabilities as may be necessary to protect the interests of plan participants and beneficiaries and the corporation.

(2) Except as otherwise determined by the corporation, a transfer of assets or liabilities to a single-employer plan from a plan in reorganization under section 1421 of this title is not effective unless the corporation approves such transfer.

(3) No transfer to which this section applies, in connection with a termination described in section 1341a(a)(2) of this title shall be effective unless the transfer meets such requirements as may be established by the corporation to prevent an increase in the risk of loss to the corporation.

(Pub. L. 93–406, title IV, § 4232, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1245.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1414 of this title.

§ 1413. Partition

(a) Authority of corporation

The corporation may order the partition of a multiemployer plan in accordance with this section.

(b) Authority of plan sponsor upon application to corporation for partition order; procedures applicable to corporation

A plan sponsor may apply to the corporation for an order partitioning a plan. The corporation may not order the partition of a plan except upon notice to the plan sponsor and the participants and beneficiaries whose vested benefits will be affected by the partition of the plan, and upon finding that—

(1) a substantial reduction in the amount of aggregate contributions under the plan has resulted or will result from a case or proceeding under title 11 with respect to an employer;

(2) the plan is likely to become insolvent;

(3) contributions will have to be increased significantly in reorganization to meet the minimum contribution requirement and prevent insolvency; and

(4) partition would significantly reduce the likelihood that the plan will become insolvent.

(c) Authority of corporation notwithstanding pendency of partition proceeding

The corporation may order the partition of a plan notwithstanding the pendency of a proceeding described in subsection (b)(1) of this section.

(d) Scope of partition order

The corporation's partition order shall provide for a transfer of no more than the nonforfeitable

benefits directly attributable to service with the employer referred to in subsection (b)(1) of this section and an equitable share of assets.

(e) Nature of plan created by partition

The plan created by the partition is—

(1) a successor plan to which section 1322a of this title applies, and

(2) a terminated multiemployer plan to which section 1341a(d) of this title applies, with respect to which only the employer described in subsection (b)(1) of this section has withdrawal liability, and to which section 1368 of this title applies.

(f) Authority of corporation to obtain decree partitioning plan and appointing trustee for terminated portion of partitioned plan

The corporation may proceed under section 1342(c) through (h) of this title for a decree partitioning a plan and appointing a trustee for the terminated portion of a partitioned plan. The court may order the partition of a plan upon making the findings described in subsection (b)(1) through (4) of this section, and subject to the conditions set forth in subsections (c) through (e) of this section.

(Pub. L. 93–406, title IV, § 4233, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1246.)

§ 1414. Asset transfer rules

(a) Applicability and scope

A transfer of assets from a multiemployer plan to another plan shall comply with asset-transfer rules which shall be adopted by the multiemployer plan and which—

(1) do not unreasonably restrict the transfer of plan assets in connection with the transfer of plan liabilities, and

(2) operate and are applied uniformly with respect to each proposed transfer, except that the rules may provide for reasonable variations taking into account the potential financial impact of a proposed transfer on the multiemployer plan.

Plan rules authorizing asset transfers consistent with the requirements of section 1412(c)(3) of this title shall be considered to satisfy the requirements of this subsection.

(b) Exemption of de minimis transfers

The corporation shall prescribe regulations which exempt de minimis transfers of assets from the requirements of this part.

(c) Written reciprocity agreements

This part shall not apply to transfers of assets pursuant to written reciprocity agreements, except to the extent provided in regulations prescribed by the corporation.

(Pub. L. 93–406, title IV, § 4234, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1247.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1415 of this title.

§ 1415. Transfers pursuant to change in bargaining representative

(a) Authority to transfer from old plan to new plan pursuant to employee participation in another multiemployer plan after certified change of representative

In any case in which an employer has completely or partially withdrawn from a multiemployer plan (hereafter in this section referred to as the ''old plan'') as a result of a certified change of collective bargaining representative occurring after September 25, 1980, if participants of the old plan who are employed by the employer will, as a result of that change, participate in another multiemployer plan (hereafter in this section referred to as the ''new plan''), the old plan shall transfer assets and liabilities to the new plan in accordance with this section.

(b) Notification by employer of plan sponsor of old plan; notification by plan sponsor of old plan of employer and plan sponsor of new plan; appeal by new plan to prevent transfer; further proceedings

(1) The employer shall notify the plan sponsor of the old plan of a change in multiemployer plan participation described in subsection (a) of this section no later than 30 days after the employer determines that the change will occur.

(2) The plan sponsor of the old plan shall—

(A) notify the employer of—

(i) the amount of the employer's withdrawal liability determined under part 1 of this subtitle with respect to the withdrawal,

(ii) the old plan's intent to transfer to the new plan the nonforfeitable benefits of the employees who are no longer working in covered service under the old plan as a result of the change of bargaining representative, and

(iii) the amount of assets and liabilities which are to be transferred to the new plan, and

(B) notify the plan sponsor of the new plan of the benefits, assets, and liabilities which will be transferred to the new plan.

(3) Within 60 days after receipt of the notice described in paragraph (2)(B), the new plan may file an appeal with the corporation to prevent the transfer. The transfer shall not be made if the corporation determines that the new plan would suffer substantial financial harm as a result of the transfer. Upon notification described in paragraph (2), if—

(A) the employer fails to object to the transfer within 60 days after receipt of the notice described in paragraph (2)(A), or

(B) the new plan either—

(i) fails to file such an appeal, or

(ii) the corporation, pursuant to such an appeal, fails to find that the new plan would suffer substantial financial harm as a result of the transfer described in the notice under paragraph (2)(B) within 180 days after the date on which the appeal is filed,

then the plan sponsor of the old plan shall transfer the appropriate amount of assets and liabilities to the new plan.

(c) Reduction of amount of withdrawal liability of employer upon transfer of appropriate amount of assets and liabilities by plan sponsor of old plan to new plan

If the plan sponsor of the old plan transfers the appropriate amount of assets and liabilities under this section to the new plan, then the amount of the employer's withdrawal liability (as determined under section 1381(b) of this title without regard to such transfer and this section) with respect to the old plan shall be reduced by the amount by which—

(1) the value of the unfunded vested benefits allocable to the employer which were transferred by the plan sponsor of the old plan to the new plan, exceeds

(2) the value of the assets transferred.

(d) Escrow payments by employer upon complete or partial withdrawal and prior to transfer

In any case in which there is a complete or partial withdrawal described in subsection (a) of this section, if—

(1) the new plan files an appeal with the corporation under subsection (b)(3) of this section, and

(2) the employer is required by section 1399 of this title to begin making payments of withdrawal liability before the earlier of—

(A) the date on which the corporation finds that the new plan would not suffer substantial financial harm as a result of the transfer, or

(B) the last day of the 180-day period beginning on the date on which the new plan files its appeal,

then the employer shall make such payments into an escrow held by a bank or similar financial institution satisfactory to the old plan. If the transfer is made, the amounts paid into the escrow shall be returned to the employer. If the transfer is not made, the amounts paid into the escrow shall be paid to the old plan and credited against the employer's withdrawal liability.

(e) Prohibition on transfer of assets to new plan by plan sponsor of old plan; exemptions

(1) Notwithstanding subsection (b) of this section, the plan sponsor shall not transfer any assets to the new plan if—

(A) the old plan is in reorganization (within the meaning of section 1421(a) of this title), or

(B) the transfer of assets would cause the old plan to go into reorganization (within the meaning of section 1421(a) of this title).

(2) In any case in which a transfer of assets from the old plan to the new plan is prohibited by paragraph (1), the plan sponsor of the old plan shall transfer—

(A) all nonforfeitable benefits described in subsection (b)(2) of this section, if the value of such benefits does not exceed the withdrawal liability of the employer with respect to such withdrawal, or

(B) such nonforfeitable benefits having a value equal to the withdrawal liability of the employer, if the value of such benefits exceeds the withdrawal liability of the employer.

(f) Agreement between plan sponsors of old plan and new plan to transfer in compliance with other statutory provisions; reduction of withdrawal liability of employer from old plan; amount of withdrawal liability of employer to new plan

(1) Notwithstanding subsections (b) and (e) of this section, the plan sponsors of the old plan and the new plan may agree to a transfer of assets and liabilities that complies with sections 1411 and 1414 of this title, rather than this section, except that the employer's liability with respect to the withdrawal from the old plan shall be reduced under subsection (c) of this section as if assets and liabilities had been transferred in accordance with this section.

(2) If the employer withdraws from the new plan within 240 months after the effective date of a transfer of assets and liabilities described in this section, the amount of the employer's withdrawal liability to the new plan shall be the greater of—

(A) the employer's withdrawal liability determined under part 1 of this subtitle with respect to the new plan, or

(B) the amount by which the employer's withdrawal liability to the old plan was reduced under subsection (c) of this section, reduced by 5 percent for each 12-month period following the effective date of the transfer and ending before the date of the withdrawal from the new plan.

(g) Definitions

For purposes of this section—

(1) ''appropriate amount of assets'' means the amount by which the value of the nonforfeitable benefits to be transferred exceeds the amount of the employer's withdrawal liability to the old plan (determined under part 1 of this subtitle without regard to section 1391(e) of this title), and

(2) ''certified change of collective bargaining representative'' means a change of collective bargaining representative certified under the Labor-Management Relations Act, 1947 [29 U.S.C. 141 et seq.], or the Railway Labor Act [45 U.S.C. 151 et seq.].

PART 3—REORGANIZATION; MINIMUM CONTRIBUTION REQUIREMENT FOR MULTIEMPLOYER PLANS

§ 1421. Reorganization status

(a) Reorganization index of plan for plan year greater than zero

A multiemployer plan is in reorganization for a plan year if the plan's reorganization index for that year is greater than zero.

(b) Determination of reorganization index of plan for plan year; applicable factors, definitions, etc.

(1) A plan's reorganization index for any plan year is the excess of—

(A) the vested benefits charge for such year, over

(B) the net charge to the funding standard account for such year.

(2) For purposes of this part, the net charge to the funding standard account for any plan year is the excess (if any) of—

(A) the charges to the funding standard account for such year under section 412(b)(2) of title 26, over

(B) the credits to the funding standard account under section 412(b)(3)(B) of title 26.

(3) For purposes of this part, the vested benefits charge for any plan year is the amount which would be necessary to amortize the plan's unfunded vested benefits as of the end of the base plan year in equal annual installments—

(A) over 10 years, to the extent such benefits are attributable to persons in pay status, and

(B) over 25 years, to the extent such benefits are attributable to other participants.

(4)(A) The vested benefits charge for a plan year shall be based on an actuarial valuation of the plan as of the end of the base plan year, adjusted to reflect—

(i) any—

(I) decrease of 5 percent or more in the value of plan assets, or increase of 5 percent or more in the number of persons in pay status, during the period beginning on the first day of the plan year following the base plan year and ending on the adjustment date, or

(II) at the election of the plan sponsor, actuarial valuation of the plan as of the adjustment date or any later date not later than the last day of the plan year for which the determination is being made,

(ii) any change in benefits under the plan which is not otherwise taken into account under this subparagraph and which is pursuant to any amendment—

(I) adopted before the end of the plan year for which the determination is being made, and

(II) effective after the end of the base plan year and on or before the end of the plan year referred to in subclause (I), and

(iii) any other event (including an event described in subparagraph (B)(i)(I)) which, as determined in accordance with regulations prescribed by the Secretary, would substantially increase the plan's vested benefit charge.

(B)(i) In determining the vested benefits charge for a plan year following a plan year in which the plan was not in reorganization, any change in benefits which—

(I) results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits as a result of changes in a collective bargaining agreement, or

(II) results from any other change in a collective bargaining agreement,

shall not be taken into account except to the extent provided in regulations prescribed by the Secretary of the Treasury.

(ii) Except as otherwise determined by the Secretary of the Treasury, in determining the vested benefits charge for any plan year following any plan year in which the plan was in reorganization, any change in benefits—

(I) described in clause (i)(I), or

(II) described in clause (i)(II) as determined under regulations prescribed by the Secretary of the Treasury,

shall, for purposes of subparagraph (A)(ii), be treated as a change in benefits pursuant to an amendment to a plan.

(5)(A) For purposes of this part, the base plan year for any plan year is—

(i) if there is a relevant collective bargaining agreement, the last plan year ending at least 6 months before the relevant effective date, or

(ii) if there is no relevant collective bargaining agreement, the last plan year ending at least 12 months before the beginning of the plan year.

(B) For purposes of this part, a relevant collective bargaining agreement is a collective bargaining agreement—

(i) which is in effect for at least 6 months during the plan year, and

(ii) which has not been in effect for more than 36 months as of the end of the plan year.

(C) For purposes of this part, the relevant effective date is the earliest of the effective dates for the relevant collective bargaining agreements.

(D) For purposes of this part, the adjustment date is the date which is—

(i) 90 days before the relevant effective date, or

(ii) if there is no relevant effective date, 90 days before the beginning of the plan year.

(6) For purposes of this part, the term ''person in pay status'' means—

(A) a participant or beneficiary on the last day of the base plan year who, at any time during such year, was paid an early, late, normal, or disability retirement benefit (or a death benefit related to a retirement benefit), and

(B) to the extent provided in regulations prescribed by the Secretary of the Treasury, any other person who is entitled to such a benefit under the plan.

(7) For purposes of paragraph (3)—

(A) in determining the plan's unfunded vested benefits, plan assets shall first be allocated to the vested benefits attributable to persons in pay status, and

(B) the vested benefits charge shall be determined without regard to reductions in accrued benefits under section 1425 of this title which are first effective in the plan year.

(8) For purposes of this part, any outstanding claim for withdrawal liability shall not be considered a plan asset, except as otherwise provided in regulations prescribed by the Secretary of the Treasury.

(9) For purposes of this part, the term ''unfunded vested benefits'' means with respect to a plan, an amount (determined in accordance with regulations prescribed by the Secretary of the Treasury) equal to—

(A) the value of nonforfeitable benefits under the plan, less

(B) the value of assets of the plan.

(c) Payment of benefits to participants

Except as provided in regulations prescribed by the corporation, while a plan is in reorganization a benefit with respect to a participant (other than a death benefit) which is attributable to employer contributions and which has a value of more than $1,750 may not be paid in a form other than an annuity which (by itself or in combination with social security, railroad retirement, or workers' compensation benefits) provides substantially level payments over the life of the participant.

(d) Terminated multiemployer plans

Any multiemployer plan which terminates under section 1341a(a)(2) of this title shall not be considered in reorganization after the last day of the plan year in which the plan is treated as having terminated.

1989—Subsec. (b)(2)(A). Pub. L. 101–239 substituted ''Internal Revenue Code of 1986'' for ''Internal Revenue Code of 1954'', which for purposes of codification was translated as ''title 26'' thus requiring no change in text.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101–239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99–514, to which such amendment relates, see section 7891(f) of Pub. L. 101–239, set out as a note under section 1002 of this title.

EFFECTIVE DATE

Part, relating to multiemployer plan reorganization, effective, with respect to each plan, on the first day of the first plan year beginning on or after the earlier of the date on which the last collective-bargaining agreement providing for employer contributions under the plan, which was in effect on Sept. 26, 1980, expires, without regard to extensions agreed to after Sept. 26, 1980, or three years after Sept. 26, 1980, see section 1461(e)(3) of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1202, 1301, 1412, 1415, 1423, 1426, 1461 of this title.

§ 1422. Notice of reorganization and funding requirements

(a)(1) If—

(A) a multiemployer plan is in reorganization for a plan year, and

(B) section 1423 of this title would require an increase in contributions for such plan year,

the plan sponsor shall notify the persons described in paragraph (2) that the plan is in reorganization and that, if contributions to the plan are not increased, accrued benefits under the plan may be reduced or an excise tax may be imposed (or both such reduction and imposition may occur).

(2) The persons described in this paragraph are—

(A) each employer who has an obligation to contribute under the plan (within the meaning of section 1381(h)(5) of this title), and

(B) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer.

(3) The determination under paragraph (1)(B) shall be made without regard to the overburden credit provided by section 1424 of this title.

(b) The corporation may prescribe additional or alternative requirements for assuring, in the case of a plan with respect to which notice is required by subsection (a)(1) of this section, that the persons described in subsection (a)(2) of this section—

(1) receive appropriate notice that the plan is in reorganization,

(2) are adequately informed of the implications of reorganization status, and

(3) have reasonable access to information relevant to the plan's reorganization status.

(Pub. L. 93–406, title IV, § 4242, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1251.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1202, 1426, 1461 of this title.

§ 1423. Minimum contribution requirement

(a) Maintenance of funding standard account; amount of accumulated funding deficiency

(1) For any plan year for which a plan is in reorganization—

(A) the plan shall continue to maintain its funding standard account while it is in reorganization, and

(B) the plan's accumulated funding deficiency under section 1082(a) of this title for such plan year shall be equal to the excess (if any) of—

(i) the sum of the minimum contribution requirement for such plan year (taking into account any overburden credit under section 1424(a) of this title) plus the plan's accumulated funding deficiency for the preceding plan year (determined under this section if the plan was in reorganization during such year or under section 1082(a) of this title if the plan was not in reorganization), over

(ii) amounts considered contributed by employers to or under the plan for the plan

year (increased by any amount waived under subsection (f) of this section for the plan year).

(2) For purposes of paragraph (1), withdrawal liability payments (whether or not received) which are due with respect to withdrawals before the end of the base plan year shall be considered amounts contributed by the employer to or under the plan if, as of the adjustment date, it was reasonable for the plan sponsor to anticipate that such payments would be made during the plan year.

(b) Determination of amount; applicable factors

(1) Except as otherwise provided in this section, for purposes of this part the minimum contribution requirement for a plan year in which a plan is in reorganization is an amount equal to the excess of—

(A) the sum of—

(i) the plan's vested benefits charge for the plan year, and

(ii) the increase in normal cost for the plan year determined under the entry age normal funding method which is attributable to plan amendments adopted while the plan was in reorganization, over

(B) the amount of the overburden credit (if any) determined under section 1424 of this title for the plan year.

(2) If the plan's current contribution base for the plan year is less than the plan's valuation contribution base for the plan year, the minimum contribution requirement for such plan year shall be equal to the product of the amount determined under paragraph (1) (after any adjustment required by this part other than this paragraph) and a fraction—

(A) the numerator of which is the plan's current contribution base for the plan year, and

(B) the denominator of which is the plan's valuation contribution base for the plan year.

(3)(A) If the vested benefits charge for a plan year of a plan in reorganization is less than the plan's cash-flow amount for the plan year, the plan's minimum contribution requirement for the plan year is the amount determined under paragraph (1) (determined before the application of paragraph (2)) after substituting the term ''cash-flow amount'' for the term ''vested benefits charge'' in paragraph (1)(A).

(B) For purposes of subparagraph (A), a plan's cash-flow amount for a plan year is an amount equal to—

(i) the amount of the benefits payable under the plan for the base plan year, plus the amount of the plan's administrative expenses for the base plan year, reduced by

(ii) the value of the available plan assets for the base plan year determined under regulations prescribed by the Secretary of the Treasury,

adjusted in a manner consistent with section 1421(b)(4) of this title.

(c) Current contribution base; valuation contribution base

(1) For purposes of this part, a plan's current contribution base for a plan year is the number of contribution base units with respect to which contributions are required to be made under the plan for that plan year, determined in accordance with regulations prescribed by the Secretary of the Treasury.

(2)(A) Except as provided in subparagraph (B), for purposes of this part a plan's valuation contribution base is the number of contribution base units for which contributions were received for the base plan year—

(i) adjusted to reflect declines in the contribution base which have occurred (or could reasonably be anticipated) as of the adjustment date for the plan year referred to in paragraph (1),

(ii) adjusted upward (in accordance with regulations prescribed by the Secretary of the Treasury) for any contribution base reduction in the base plan year caused by a strike or lockout or by unusual events, such as fire, earthquake, or severe weather conditions, and

(iii) adjusted (in accordance with regulations prescribed by the Secretary of the Treasury) for reductions in the contribution base resulting from transfers of liabilities.

(B) For any plan year—

(i) in which the plan is insolvent (within the meaning of section 1426(b)(1) of this title), and

(ii) beginning with the first plan year beginning after the expiration of all relevant collective bargaining agreements which were in effect in the plan year in which the plan became insolvent,

the plan's valuation contribution base is the greater of the number of contribution base units for which contributions were received for the first or second plan year preceding the first plan year in which the plan is insolvent, adjusted as provided in clause (ii) or (iii) of subparagraph (A).

(d) Maximum amount; amount of funding standard requirement; applicability to plan amendments increasing benefits

(1) Under regulations prescribed by the Secretary of the Treasury, the minimum contribution requirement applicable to any plan for any plan year which is determined under subsection (b) of this section (without regard to subsection (b)(2) of this section) shall not exceed an amount which is equal to the sum of—

(A) the greater of—

(i) the funding standard requirement for such plan year, or

(ii) 107 percent of—

(I) if the plan was not in reorganization in the preceding plan year, the funding standard requirement for such preceding plan year, or

(II) if the plan was in reorganization in the preceding plan year, the sum of the amount determined under this subparagraph for the preceding plan year and the amount (if any) determined under subparagraph (B) for the preceding plan year, plus

(B) if for the plan year a change in benefits is first required to be considered in computing the charges under section 412(b)(2)(A) or (B) of title 26, the sum of—

(i) the increase in normal cost for a plan year determined under the entry age normal

funding method due to increases in benefits described in section 1421(b)(4)(A)(ii) of this title (determined without regard to section 1421(b)(4)(B)(i) of this title), and

(ii) the amount necessary to amortize in equal annual installments the increase in the value of vested benefits under the plan due to increases in benefits described in clause (i) over—

(I) 10 years, to the extent such increase in value is attributable to persons in pay status, or

(II) 25 years, to the extent such increase in value is attributable to other participants.

(2) For purposes of paragraph (1), the funding standard requirement for any plan year is an amount equal to the net charge to the funding standard account for such plan year (as defined in section 1421(b)(2) of this title).

(3)(A) In the case of a plan described in section 1396(b) of this title, if a plan amendment which increases benefits is adopted after January 1, 1980—

(i) paragraph (1) shall apply only if the plan is a plan described in subparagraph (B), and

(ii) the amount under paragraph (1) shall be determined without regard to paragraph (1)(B).

(B) A plan is described in this subparagraph if—

(i) the rate of employer contributions under the plan for the first plan year beginning on or after the date on which an amendment increasing benefits is adopted, multiplied by the valuation contribution base for that plan year, equals or exceeds the sum of—

(I) the amount that would be necessary to amortize fully, in equal annual installments, by July 1, 1986, the unfunded vested benefits attributable to plan provisions in effect on July 1, 1977 (determined as of the last day of the base plan year); and

(II) the amount that would be necessary to amortize fully, in equal annual installments, over the period described in subparagraph (C), beginning with the first day of the first plan year beginning on or after the date on which the amendment is adopted, the unfunded vested benefits (determined as of the last day of the base plan year) attributable to each plan amendment after July 1, 1977; and

(ii) the rate of employer contributions for each subsequent plan year is not less than the lesser of—

(I) the rate which when multiplied by the valuation contribution base for that subsequent plan year produces the annual amount that would be necessary to complete the amortization schedule described in clause (i), or

(II) the rate for the plan year immediately preceding such subsequent plan year, plus 5 percent of such rate.

(C) The period determined under this subparagraph is the lesser of—

(i) 12 years, or

(ii) a period equal in length to the average of the remaining expected lives of all persons receiving benefits under the plan.

(4) Paragraph (1) shall not apply with respect to a plan, other than a plan described in paragraph (3), for the period of consecutive plan years in each of which the plan is in reorganization, beginning with a plan year in which occurs the earlier of the date of the adoption or the effective date of any amendment of the plan which increases benefits with respect to service performed before the plan year in which the adoption of the amendment occurred.

(e) Adjustment of vested benefits charge

In determining the minimum contribution requirement with respect to a plan for a plan year under subsection (b) of this section, the vested benefits charge may be adjusted to reflect a plan amendment reducing benefits under section 412(c)(8) of title 26.

(f) Waiver of accumulated funding deficiency

(1) The Secretary of the Treasury may waive any accumulated funding deficiency under this section in accordance with the provisions of section 1083(a) of this title.

(2) Any waiver under paragraph (1) shall not be treated as a waived funding deficiency (within the meaning of section 1083(c) of this title).

(g) Statutory methods applicable for determinations

For purposes of making any determination under this part, the requirements of section 1082(c)(3) of this title shall apply.

(Pub. L. 93–406, title IV, § 4243, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1252; amended Pub. L. 101–239, title VII, § 7891(a)(1), Dec. 19, 1989, 103 Stat. 2445.)

AMENDMENTS

1989—Subsecs. (d)(1)(B), (e). Pub. L. 101–239 substituted ''Internal Revenue Code of 1986'' for ''Internal Revenue Code of 1954'', which for purposes of codification was translated as ''title 26'' thus requiring no change in text.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101–239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99–514, to which such amendment relates, see section 7891(f) of Pub. L. 101–239, set out as a note under section 1002 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1082, 1202, 1322a, 1396, 1422, 1424, 1425, 1426, 1461 of this title.

§ 1424. Overburden credit against minimum contribution requirement

(a) Applicability of overburden credit to determinations

For purposes of determining the minimum contribution requirement under section 1423 of this title (before the application of section 1423(b)(2) or (d) of this title) the plan sponsor of a plan which is overburdened for the plan year shall apply an overburden credit against the plan's minimum contribution requirement for the plan year (determined without regard to section 1423(b)(2) or (d) of this title and without regard to this section).

(b) Determination of overburden status of plan

A plan is overburdened for a plan year if—

(1) the average number of pay status participants under the plan in the base plan year exceeds the average of the number of active participants in the base plan year and the 2 plan years preceding the base plan year, and

(2) the rate of employer contributions under the plan equals or exceeds the greater of—

(A) such rate for the preceding plan year, or

(B) such rate for the plan year preceding the first year in which the plan is in reorganization.

(c) Amount of overburden credit

The amount of the overburden credit for a plan year is the product of—

(1) one-half of the average guaranteed benefit paid for the base plan year, and

(2) the overburden factor for the plan year.

The amount of the overburden credit for a plan year shall not exceed the amount of the minimum contribution requirement for such year (determined without regard to this section).

(d) Amount of overburden factor

For purposes of this section, the overburden factor of a plan for the plan year is an amount equal to—

(1) the average number of pay status participants for the base plan year, reduced by

(2) the average of the number of active participants for the base plan year and for each of the 2 plan years preceding the base plan year.

(e) Definitions; determinative factors

For purposes of this section—

(1) The term ''pay status participant'' means, with respect to a plan, a participant receiving retirement benefits under the plan.

(2) The number of active participants for a plan year shall be the sum of—

(A) the number of active employees who are participants in the plan and on whose behalf contributions are required to be made during the plan year;

(B) the number of active employees who are not participants in the plan but who are in an employment unit covered by a collective bargaining agreement which requires the employees' employer to contribute to the plan, unless service in such employment unit was never covered under the plan or a predecessor thereof, and

(C) the total number of active employees attributed to employers who made payments to the plan for the plan year of withdrawal liability pursuant to part 1 of this subtitle, determined by dividing—

(i) the total amount of such payments, by

(ii) the amount equal to the total contributions received by the plan during the plan year divided by the average number of active employees who were participants in the plan during the plan year.

The Secretary of the Treasury shall by regulation provide alternative methods of determining active participants where (by reason of irregular employment, contributions on a unit basis, or otherwise) this paragraph does not yield a representative basis for determining the credit.

(3) The term ''average number'' means, with respect to pay status participants for a plan year, a number equal to one-half the sum of—

(A) the number with respect to the plan as of the beginning of the plan year, and

(B) the number with respect to the plan as of the end of the plan year.

(4) The average guaranteed benefit paid is 12 times the average monthly pension payment guaranteed under section 1322a(c)(1) of this title determined under the provisions of the plan in effect at the beginning of the first plan year in which the plan is in reorganization and without regard to section 1322a(c)(2) of this title.

(5) The first year in which the plan is in reorganization is the first of a period of 1 or more consecutive plan years in which the plan has been in reorganization not taking into account any plan years the plan was in reorganization prior to any period of 3 or more consecutive plan years in which the plan was not in reorganization.

(f) Eligibility of plan for overburden credit for plan year

(1) Notwithstanding any other provision of this section, a plan is not eligible for an overburden credit for a plan year if the Secretary of the Treasury finds that the plan's current contribution base for the plan year was reduced, without a corresponding reduction in the plan's unfunded vested benefits attributable to pay status participants, as a result of a change in an agreement providing for employer contributions under the plan.

(2) For purposes of paragraph (1), a complete or partial withdrawal of an employer (within the meaning of part 1 of this subtitle) does not impair a plan's eligibility for an overburden credit, unless the Secretary of the Treasury finds that a contribution base reduction described in paragraph (1) resulted from a transfer of liabilities to another plan in connection with the withdrawal.

(g) Overburden credit where 2 or more multiemployer plans merge

Notwithstanding any other provision of this section, if 2 or more multiemployer plans merge, the amount of the overburden credit which may be applied under this section with respect to the plan resulting from the merger for any of the 3 plan years ending after the effective date of the merger shall not exceed the sum of the used overburden credit for each of the merging plans for its last plan year ending before the effective date of the merger. For purposes of the preceding sentence, the used overburden credit is that portion of the credit which does not exceed the excess of the minimum contribution requirement (determined without regard to any overburden requirement under this section) over the employer contributions required under the plan.

(Pub. L. 93–406, title IV, § 4244, as added Pub. L. 96–364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1255.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1202, 1422, 1423, 1461 of this title.

§ 1425. Adjustments in accrued benefits

(a) Amendment of multiemployer plan in reorganization to reduce or eliminate accrued benefits attributable to employer contributions ineligible for guarantee of corporation; adjustment of vested benefits charge to reflect plan amendment

(1) Notwithstanding sections 1053 and 1054 of this title, a multiemployer plan in reorganization may be amended in accordance with this section, to reduce or eliminate accrued benefits attributable to employer contributions which, under section 1322a(b) of this title, are not eligible for the corporation's guarantee. The preceding sentence shall only apply to accrued benefits under plan amendments (or plans) adopted after March 26, 1980, or under collective bargaining agreements entered into after March 26, 1980.

(2) In determining the minimum contribution requirement with respect to a plan for a plan year under section 1423(b) of this title, the vested benefits charge may be adjusted to reflect a plan amendment reducing benefits under this section or section 412(c)(8) of title 26, but only if the amendment is adopted and effective no later than 2½ months after the end of the plan year, or within such extended period as the Secretary of the Treasury may prescribe by regulation under section 412(c)(10) of title 26.

(b) Reduction of accrued benefits; notice by plan sponsors to plan participants and beneficiaries

(1) Accrued benefits may not be reduced under this section unless—

(A) notice has been given, at least 6 months before the first day of the plan year in which the amendment reducing benefits is adopted, to—

(i) plan participants and beneficiaries,

(ii) each employer who has an obligation to contribute (within the meaning of section 1392(a) of this title) under the plan, and

(iii) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer,

that the plan is in reorganization and that, if contributions under the plan are not increased, accrued benefits under the plan will be reduced or an excise tax will be imposed on employers;

(B) in accordance with regulations prescribed by the Secretary of the Treasury—

(i) any category of accrued benefits is not reduced with respect to inactive participants to a greater extent proportionally than such category of accrued benefits is reduced with respect to active participants,

(ii) benefits attributable to employer contributions other than accrued benefits and the rate of future benefit accruals are reduced at least to an extent equal to the reduction in accrued benefits of inactive participants, and

(iii) in any case in which the accrued benefit of a participant or beneficiary is reduced by changing the benefit form or the requirements which the participant or beneficiary must satisfy to be entitled to the benefit, such reduction is not applicable to—

(I) any participant or beneficiary in pay status on the effective date of the amendment, or the beneficiary of such a participant, or

(II) any participant who has attained normal retirement age, or who is within 5 years of attaining normal retirement age, on the effective date of the amendment, or the beneficiary of any such participant; and

(C) the rate of employer contributions for the plan year in which the amendment becomes effective and for all succeeding plan years in which the plan is in reorganization equals or exceeds the greater of—

(i) the rate of employer contributions, calculated without regard to the amendment, for the plan year in which the amendment becomes effective, or

(ii) the rate of employer contributions for the plan year preceding the plan year in which the amendment becomes effective.

(2) The plan sponsors shall include in any notice required to be sent to plan participants and beneficiaries under paragraph (1) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance where appropriate.

(c) Recoupment by plan of excess benefit payment

A plan may not recoup a benefit payment which is in excess of the amount payable under the plan because of an amendment retroactively reducing accrued benefits under this section.

(d) Amendment of plan to increase or restore accrued benefits previously reduced or rate of future benefit accruals; conditions, applicable factors, etc.

(1)(A) A plan which has been amended to reduce accrued benefits under this section may be amended to increase or restore accrued benefits, or the rate of future benefit accruals, only if the plan is amended to restore levels of previously reduced accrued benefits of inactive participants and of participants who are within 5 years of attaining normal retirement age to at least the same extent as any such increase in accrued benefits or in the rate of future benefit accruals.

(B) For purposes of this subsection, in the case of a plan which has been amended under this section to reduce accrued benefits—

(i) an increase in a benefit, or in the rate of future benefit accruals, shall be considered a benefit increase to the extent that the benefit, or the accrual rate, is thereby increased above the highest benefit level, or accrual rate, which was in effect under the terms of the plan before the effective date of the amendment reducing accrued benefits, and

(ii) an increase in a benefit, or in the rate of future benefit accruals, shall be considered a benefit restoration to the extent that the benefit, or the accrual rate, is not thereby increased above the highest benefit level, or accrual rate, which was in effect under the terms of the plan immediately before the effective date of the amendment reducing accrued benefits.

(2) If a plan is amended to partially restore previously reduced accrued benefit levels, or the rate of future benefit accruals, the benefits of inactive participants shall be restored in at least the same proportions as other accrued benefits which are restored.

(3) No benefit increase under a plan may take effect in a plan year in which an amendment reducing accrued benefits under the plan, in accordance with this section, is adopted or first becomes effective.

(4) A plan is not required to make retroactive benefit payments with respect to that portion of an accrued benefit which was reduced and subsequently restored under this section.

(e) "Inactive participant" defined

For purposes of this section, ''inactive participant'' means a person not in covered service under the plan who is in pay status under the plan or who has a nonforfeitable benefit under the plan.

(f) Promulgation of rules; contents, etc.

The Secretary of the Treasury may prescribe rules under which, notwithstanding any other provision of this section, accrued benefit reductions or benefit increases for different participant groups may be varied equitably to reflect variations in contribution rates and other relevant factors reflecting differences in negotiated levels of financial support for plan benefit obligations.

AMENDMENTS

1989—Subsec. (a)(2). Pub. L. 101–239 substituted ''Internal Revenue Code of 1986'' for ''Internal Revenue Code of 1954'', which for purposes of codification was translated as ''title 26'' thus requiring no change in text.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101–239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99–514, to which such amendment relates, see section 7891(f) of Pub. L. 101–239, set out as a note under section 1002 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1053, 1202, 1322a, 1421, 1441, 1461 of this title.

§ 1426. Insolvent plans

(a) Suspension of payments of benefits; conditions, amount, etc.

Notwithstanding sections 1053 and 1054 of this title, in any case in which benefit payments under an insolvent multiemployer plan exceed the resource benefit level, any such payments of benefits which are not basic benefits shall be suspended, in accordance with this section, to the extent necessary to reduce the sum of such payments and the payments of such basic benefits to the greater of the resource benefit level or the level of basic benefits, unless an alternative procedure is prescribed by the corporation under section 1322a(g)(5) of this title.

(b) Determination of insolvency status for plan year; definitions

For purposes of this section, for a plan year—

(1) a multiemployer plan is insolvent if the plan's available resources are not sufficient to pay benefits under the plan when due for the plan year, or if the plan is determined to be insolvent under subsection (d) of this section;

(2) ''resource benefit level'' means the level of monthly benefits determined under subsections (c)(1) and (3) and (d)(3) of this section to be the highest level which can be paid out of the plan's available resources;

(3) ''available resources'' means the plan's cash, marketable assets, contributions, withdrawal liability payments, and earnings, less reasonable administrative expenses and amounts owed for such plan year to the corporation under section 1431(b)(2) of this title; and

(4) ''insolvency year'' means a plan year in which a plan is insolvent.

(c) Determination by plan sponsor of plan in reorganization of resource benefit level of plan for each insolvency year; uniform application of suspension of benefits; adjustments of benefit payments

(1) The plan sponsor of a plan in reorganization shall determine in writing the plan's resource benefit level for each insolvency year, based on the plan sponsor's reasonable projection of the plan's available resources and the benefits payable under the plan.

(2) The suspension of benefit payments under this section shall, in accordance with regulations prescribed by the Secretary of the Treasury, apply in substantially uniform proportions to the benefits of all persons in pay status (within the meaning of section 1421(b)(6) of this title) under the plan, except that the Secretary of the Treasury may prescribe rules under which benefit suspensions for different participant groups may be varied equitably to reflect variations in contribution rates and other relevant factors including differences in negotiated levels of financial support for plan benefit obligations.

(3) Notwithstanding paragraph (2), if a plan sponsor determines in writing a resource benefit level for a plan year which is below the level of basic benefits, the payment of all benefits other than basic benefits must be suspended for that plan year.

(4)(A) If, by the end of an insolvency year, the plan sponsor determines in writing that the plan's available resources in that insolvency year could have supported benefit payments above the resource benefit level for that insolvency year, the plan sponsor shall distribute the excess resources to the participants and beneficiaries who received benefit payments from the plan in that insolvency year, in accordance with regulations prescribed by the Secretary of the Treasury.

(B) For purposes of this paragraph, the term ''excess resources'' means available resources above the amount necessary to support the resource benefit level, but no greater than the amount necessary to pay benefits for the plan year at the benefit levels under the plan.

(5) If, by the end of an insolvency year, any benefit has not been paid at the resource benefit level, amounts up to the resource benefit level which were unpaid shall be distributed to the

participants and beneficiaries, in accordance with regulations prescribed by the Secretary of the Treasury, to the extent possible taking into account the plan's total available resources in that insolvency year.

(6) Except as provided in paragraph (4) or (5), a plan is not required to make retroactive benefit payments with respect to that portion of a benefit which was suspended under this section.

(d) Applicability and determinations respecting plan assets; time for determinations of resource benefit level and level of basic benefits

(1) As of the end of the first plan year in which a plan is in reorganization, and at least every 3 plan years thereafter (unless the plan is no longer in reorganization), the plan sponsor shall compare the value of plan assets (determined in accordance with section 1423(b)(3)(B)(ii) of this title) for that plan year with the total amount of benefit payments made under the plan for that plan year. Unless the plan sponsor determines that the value of plan assets exceeds 3 times the total amount of benefit payments, the plan sponsor shall determine whether the plan will be insolvent in any of the next 3 plan years.

(2) If, at any time, the plan sponsor of a plan in reorganization reasonably determines, taking into account the plan's recent and anticipated financial experience, that the plan's available resources are not sufficient to pay benefits under the plan when due for the next plan year, the plan sponsor shall make such determination available to interested parties.

(3) The plan sponsor of a plan in reorganization shall determine in writing for each insolvency year the resource benefit level and the level of basic benefits no later than 3 months before the insolvency year.

(e) Notice, etc., requirements of plan sponsor of plan in reorganization regarding insolvency and resource benefit levels

(1) If the plan sponsor of a plan in reorganization determines under subsection (d)(1) or (2) of this section that the plan may become insolvent (within the meaning of subsection (b)(1) of this section), the plan sponsor shall—

(A) notify the Secretary of the Treasury, the corporation, the parties described in section 1422(a)(2) of this title, and the plan participants and beneficiaries of that determination, and

(B) inform the parties described in section 1422(a)(2) of this title and the plan participants and beneficiaries that if insolvency occurs certain benefit payments will be suspended, but that basic benefits will continue to be paid.

(2) No later than 2 months before the first day of each insolvency year, the plan sponsor of a plan in reorganization shall notify the Secretary of the Treasury, the corporation, and the parties described in paragraph (1)(B) of the resource benefit level determined in writing for that insolvency year.

(3) In any case in which the plan sponsor anticipates that the resource benefit level for an insolvency year may not exceed the level of basic benefits, the plan sponsor shall notify the corporation.

(4) Notice required by this subsection shall be given in accordance with regulations prescribed by the corporation, except that notice to the Secretary of the Treasury shall be given in accordance with regulations prescribed by the Secretary of the Treasury.

(5) The corporation may prescribe a time other than the time prescribed by this section for the making of a determination or the filing of a notice under this section.

(f) Financial assistance from corporation; conditions and criteria applicable

(1) If the plan sponsor of an insolvent plan, for which the resource benefit level is above the level of basic benefits, anticipates that, for any month in an insolvency year, the plan will not have funds sufficient to pay basic benefits, the plan sponsor may apply for financial assistance from the corporation under section 1431 of this title.

(2) A plan sponsor who has determined a resource benefit level for an insolvency year which is below the level of basic benefits shall apply for financial assistance from the corporation under section 1431 of this title.

WITHDRAWAL LIABILITY OF EMPLOYER FROM PLAN TERMINATING WHILE PLAN INSOLVENT WITHIN THIS SECTION: DETERMINATIONS, FACTORS, ETC.

Section 108(c)(3) of Pub. L. 96–364 provided that:

''(A) For the purpose of determining the withdrawal liability of an employer under title IV of the Employee Retirement Income Security Act of 1974 [this subchapter] from a plan that terminates while the plan is insolvent (within the meaning of section 4245 of such Act [this section]), the plan's unfunded vested benefits shall be reduced by an amount equal to the sum of all overburden credits that were applied in determining the plan's accumulated funding deficiency for all plan years preceding the first plan year in which the plan is insolvent, plus interest thereon.

''(B) The provisions of subparagraph (A) apply only if—

''(i) the plan would have been eligible for the overburden credit in the last plan year beginning before the date of the enactment of this Act [Sept. 26, 1980], if section 4243 of the Employee Retirement Income Security Act of 1974 [section 1423 of this title] had been in effect for that plan year, and

''(ii) the Pension Benefit Guaranty Corporation determines that the reduction of unfunded vested benefits under subparagraph (A) would not significantly increase the risk of loss to the corporation.''

§ 1431. Assistance by corporation

(a) Authority; procedure applicable; amount

If, upon receipt of an application for financial assistance under section 1426(f) of this title or section 1441(d) of this title, the corporation verifies that the plan is or will be insolvent and unable to pay basic benefits when due, the corporation shall provide the plan financial assistance in an amount sufficient to enable the plan to pay basic benefits under the plan.

(b) Conditions; repayment terms

(1) Financial assistance shall be provided under such conditions as the corporation determines are equitable and are appropriate to prevent unreasonable loss to the corporation with respect to the plan.

(2) A plan which has received financial assistance shall repay the amount of such assistance to the corporation on reasonable terms consistent with regulations prescribed by the corporation.

(c) Assistance pending final determination of application

Pending determination of the amount described in subsection (a) of this section, the corporation may provide financial assistance in such amounts as it considers appropriate in order to avoid undue hardship to plan participants and beneficiaries.

PART 5—BENEFITS AFTER TERMINATION

§ 1441. Benefits under certain terminated plans

(a) Amendment of plan by plan sponsor to reduce benefits, and suspension of benefit payments

Notwithstanding sections 1053 and 1054 of this title, the plan sponsor of a terminated multiemployer plan to which section 1341a(d) of this title applies shall amend the plan to reduce benefits, and shall suspend benefit payments, as required by this section.

(b) Determinations respecting value of nonforfeitable benefits under terminated plan and value of assets of plan

(1) The value of nonforfeitable benefits under a terminated plan referred to in subsection (a) of this section, and the value of the plan's assets, shall be determined in writing, in accordance with regulations prescribed by the corporation, as of the end of the plan year during which section 1341a(d) of this title becomes applicable to the plan, and each plan year thereafter.

(2) For purposes of this section, plan assets include outstanding claims for withdrawal liability (within the meaning of section 1301(a)(12) of this title).

(c) Amendment of plan by plan sponsor to reduce benefits for conservation of assets; factors applicable

(1) If, according to the determination made under subsection (b) of this section, the value of nonforfeitable benefits exceeds the value of the plan's assets, the plan sponsor shall amend the plan to reduce benefits under the plan to the extent necessary to ensure that the plan's assets are sufficient, as determined and certified in accordance with regulations prescribed by the corporation, to discharge when due all of the plan's obligations with respect to nonforfeitable benefits.

(2) Any plan amendment required by this subsection shall, in accordance with regulations prescribed by the Secretary of the Treasury—

(A) reduce benefits only to the extent necessary to comply with paragraph (1);

(B) reduce accrued benefits only to the extent that those benefits are not eligible for the corporation's guarantee under section 1322a(b) of this title;

(d) Suspension of benefit payments; determinative factors; powers and duties of plan sponsor; retroactive benefit payments

(1) In any case in which benefit payments under a plan which is insolvent under paragraph (2)(A) exceed the resource benefit level, any such payments which are not basic benefits shall be suspended, in accordance with this subsection, to the extent necessary to reduce the sum of such payments and such basic benefits to the greater of the resource benefit level or the level of basic benefits, unless an alternative procedure is prescribed by the corporation in connection with a supplemental guarantee program established under section 1322a(g)(2) of this title.

(2) For purposes of this subsection, for a plan year—

(A) a plan is insolvent if—

(i) the plan has been amended to reduce benefits to the extent permitted by subsection (c) of this section, and

(ii) the plan's available resources are not sufficient to pay benefits under the plan when due for the plan year; and

(B) ''resource benefit level'' and ''available resources'' have the meanings set forth in paragraphs (2) and (3), respectively, of section 1426(b) of this title.

(3) The plan sponsor of a plan which is insolvent (within the meaning of paragraph (2)(A)) shall have the powers and duties of the plan sponsor of a plan in reorganization which is insolvent (within the meaning of section 1426(b)(1) of this title), except that regulations governing the plan sponsor's exercise of those powers and duties under this section shall be prescribed by the corporation, and the corporation shall prescribe by regulation notice requirements which assure that plan participants and beneficiaries receive adequate notice of benefit suspensions.

graph (2)(A), in connection with the plan year during which such section 1341a(d) of this title first became applicable to the plan and every year thereafter, in the same manner and to the same extent as such provisions apply to insolvent plans in reorganization under section 1426 of this title, in connection with insolvency years under such section 1426 of this title.

(b) Failure of employer to make withdrawal liability payment within prescribed time

Within one year after September 26, 1980, a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation, that the plan shall not be treated as a multiemployer plan for any purpose under this chapter or the Internal Revenue Code of 1954, if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980—

(1) the plan was not a multiemployer plan because the plan was not a plan described in section 1002(37)(A)(iii) of this title and section 414(f)(1)(C) of title 26 (as such provisions were in effect on the day before September 26, 1980); and

SUBTITLE F—TRANSITION RULES AND EFFECTIVE DATES

AMENDMENTS

1980—Pub. L. 96–364, title I, § 104(1), Sept. 26, 1980, 94 Stat. 1217, substituted ''Subtitle F—Transition Rules and Effective Dates'' for ''Subtitle E—Effective Date; Special Rules''.

§ 1461. Effective date; special rules

(a) The provisions of this subchapter take effect on September 2, 1974.

(b) Notwithstanding the provisions of subsection (a) of this section, the corporation shall pay benefits guaranteed under this subchapter with respect to any plan—

(1) which is not a multiemployer plan,

(2) which terminates after June 30, 1974, and before September 2, 1974,

(3) to which section 1321 of this title would apply if that section were effective beginning on July 1, 1974, and

(4) with respect to which a notice is filed with the Secretary of Labor and received by him not later than 10 days after September 2, 1974, except that, for reasonable cause shown, such notice may be filed with the Secretary of Labor and received by him not later than October 31, 1974, stating that the plan is a plan described in paragraphs (1), (2), and (3).

The corporation shall not pay benefits guaranteed under this subchapter with respect to a plan described in the preceding sentence unless the corporation finds substantial evidence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this subchapter or for the purpose of avoiding the liability which might be imposed under subtitle D of this subchapter if the plan terminated on or after September 2, 1974. The provisions of subtitle D of this subchapter do not apply in the case of such a plan which terminates before September 2, 1974. For purposes of determining whether a plan is a plan described in paragraph (2), the provisions of section 1348 of this title shall not apply, but the corporation shall make the determination on the basis of the date on which benefits ceased to accrue or on any other reasonable basis consistent with the purposes of this subsection.

(c)(1) Except as provided in paragraphs (2), (3), and (4), the corporation shall not pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates before August 1, 1980. Whenever the corporation exercises the authority granted under paragraph (2) or (3), the corporation shall notify the Committee on Education and Labor and the Committee on Ways and Means of the House of Representatives, and the Committee on Labor and Human Resources and the Committee on Finance of the Senate.

(2) The corporation may, in its discretion, pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates after September 2, 1974 and before August 1, 1980, if—

(A) the plan was maintained during the 60 months immediately preceding the date on which the plan terminates, and

(B) the corporation determines that the payment by the corporation of benefits guaranteed under this subchapter with respect to that plan will not jeopardize the payments the corporation anticipates it may be required to make in connection with benefits guaranteed under this subchapter with respect to multiemployer plans which terminate after July 31, 1980.

(3) Notwithstanding any provision of section 1321 or 1322 of this title which would prevent such payments, the corporation, in carrying out its authority under paragraph (2), may pay benefits guaranteed under this subchapter with respect to a multiemployer plan described in paragraph (2) in any case in which those benefits would otherwise not be payable if—

(A) the plan has been in effect for at least 5 years,

(B) the plan has been in substantial compliance with the funding requirements for a qualified plan with respect to the employees and former employees in those employment units on the basis of which the participating employers have contributed to the plan for the preceding 5 years, and

(C) the participating employers and employee organization or organizations had no reasonable recourse other than termination.

(4) If the corporation determines, under paragraph (2) or (3), that it will pay benefits guaranteed under this subchapter with respect to a

multiemployer plan which terminates before August 1, 1980, the corporation—

(A) may establish requirements for the continuation of payments which commenced before January 2, 1974, with respect to retired participants under the plan,

(B) may not, notwithstanding any other provision of this subchapter, make payments with respect to any participant under such a plan who, on January 1, 1974, was receiving payment of retirement benefits, in excess of the amounts and rates payable with respect to such participant on that date,

(C) may not make any payments with respect to benefits guaranteed under this subchapter in connection with such a plan which are derived, directly or indirectly, from amounts borrowed under section 1305(c) of this title, and

(D) shall review from time to time payments made under the authority granted to it by paragraphs (2) and (3), and reduce or terminate such payments to the extent necessary to avoid jeopardizing the ability of the corporation to make payments of benefits guaranteed under this subchapter in connection with multiemployer plans which terminate after July 31, 1980, without increasing premium rates for such plans.

(d) Notwithstanding any other provision of this subchapter, guaranteed benefits payable by the corporation pursuant to its discretionary authority under this section shall continue to be paid at the level guaranteed under section 1322 of this title, without regard to any limitation on payment under subparagraph (C) or (D) of subsection (c)(4) of this section.

(e)(1) Except as provided in paragraphs (2), (3), and (4), the amendments to this chapter made by the Multiemployer Pension Plan Amendments Act of 1980 shall take effect on September 26, 1980.

(2)(A) Except as provided in this paragraph, part 1 of subtitle E of this subchapter, relating to withdrawal liability, takes effect on September 26, 1980.

(B) For purposes of determining withdrawal liability under part 1 of subtitle E of this subchapter, an employer who has withdrawn from a plan shall be considered to have withdrawn from a multiemployer plan if, at the time of the withdrawal, the plan was a multiemployer plan as defined in section 1301(a)(3) of this title as in effect at the time of the withdrawal.

(3) Sections 1421 through 1426 of this title, relating to multiemployer plan reorganization, shall take effect, with respect to each plan, on the first day of the first plan year beginning on or after the earlier of—

(A) the date on which the last collective bargaining agreement providing for employer contributions under the plan, which was in effect on September 26, 1980, expires, without regard to extensions agreed to on or after September 26, 1980, or

(B) 3 years after September 26, 1980.

(4) Section 1415 of this title shall take effect on September 26, 1980.

(f)(1) In the event that before September 26, 1980, the corporation has determined that—

(A) an employer has withdrawn from a multiemployer plan under section 1363 of this title, and

(B) the employer is liable to the corporation under such section,

the corporation shall retain the amount of liability paid to it or furnished in the form of a bond and shall pay such liability to the plan in the event the plan terminates in accordance with section 1341a(a)(2) of this title before the earlier of September 26, 1985, or the day after the 5-year period commencing on the date of such withdrawal.

(2) In any case in which the plan is not so terminated within the period described in paragraph (1), the liability of the employer is abated and any payment held in escrow shall be refunded without interest to the employer or the employer's bond shall be cancelled.

(g)(1) In any case in which an employer or employers withdrew from a multiemployer plan before the effective date of part 1 of subtitle E of this subchapter, the corporation may—

(A) apply section 1363(d) of this title, as in effect before the amendments made by the Multiemployer Pension Plan Amendments Act of 1980, to such plan,

(B) assess liability against the withdrawn employer with respect to the resulting terminated plan,

(C) guarantee benefits under the terminated plan under section 1322 of this title, as in effect before such amendments, and

(D) if necessary, enforce such action through suit brought under section 1303 of this title.

(2) The corporation shall use the revolving fund used by the corporation with respect to basic benefits guaranteed under section 1322a of this title in guaranteeing benefits under a terminated plan described in this subsection.

(h)(1) In the case of an employer who entered into a collective bargaining agreement—

(A) which was effective on January 12, 1979, and which remained in effect through May 15, 1982, and

(B) under which contributions to a multiemployer plan were to cease on January 12, 1982,

any withdrawal liability incurred by the employer pursuant to part 1 of subtitle E of this subchapter as a result of the complete or partial withdrawal of the employer from the multiemployer plan before January 16, 1982, shall be void.

(2) In any case in which—

(A) an employer engaged in the grocery wholesaling business—

(i) had ceased all covered operations under a multiemployer plan before June 30, 1981, and had relocated its operations to a new facility in another State, and

(ii) had notified a local union representative on May 14, 1980, that the employer had tentatively decided to discontinue operations and relocate to a new facility in another State, and

(B) all State and local approvals with respect to construction of and commencement of operations at the new facility had been obtained, a contract for construction had been

entered into, and construction of the new facility had begun before September 26, 1980,

any withdrawal liability incurred by the employer pursuant to part 1 of subtitle E of this subchapter as a result of the complete or partial withdrawal of the employer from the multiemployer plan before June 30, 1981, shall be void.

(i) The preceding provisions of this section shall not apply with respect to amendments made to this subchapter in provisions enacted after October 22, 1986.
