The definitions in clauses (2) and (9)–(17) reflect the adoption of terminology which, though undefined in the source statutes restated in this title, represent the closest practicable approximation of the ways in which the terms defined have been most commonly used. Where established uses conflict, a choice has been made.

In clause (1), the definition of “Territory” in 32:4c is executed throughout this revised title by specific reference, where applicable, to the Territories, Puerto Rico, and the Canal Zone.

In clause (2), a definition of “National Guard” is inserted for clarity.

In clause (3)(A), the words “a land force” are substituted for 32:2. The National Defense Act of 1916, § 117 (last 66 words), 39 Stat. 212, is not contained in 32:2. It is also omitted from the revised section as repealed by the act of February 28, 1925, ch. 374, § 3, 43 Stat. 1081.

In clauses (3) and (4), the word “Army” is inserted to distinguish the organizations defined from their Air Force counterparts.

In clauses (3) and (5), the words “unless the context or subject matter otherwise requires—” and “as provided in this title”, in 32:4b, are omitted as surplusage.

In clauses (3)(B) and (5)(B), the words “has its officers appointed” are substituted for the word “officered”, in 32:4b.

In clauses (4) and (6), only that much of the description of the composition of the Army National Guard of the United States and the Air National Guard of the United States is used as is necessary to distinguish these reserve components, respectively, from the other reserve components.

In clause (5)(A), the words “an air force” are substituted for the words “for which Federal responsibility has been vested in the Secretary of the Air Force or the Department of the Air Force pursuant to law”, in 10:1835, and for 32:2 (less applicability to Army National Guard), to make the definition of “Air National Guard” parallel with the definition of “Army National Guard”, and to make explicit the intent of Congress in creating the Air National Guard, that the organized militia henceforth should consist of three mutually exhaustive classes comprising the Army, Air, and Naval militia.

In clause (8), words showing how enlisted members became such are inserted to make clear that enlistment is not the only method of becoming a member in an enlisted grade.

In clause (2), the term “armed forces” is defined for legislative convenience and is defined the same as that term is defined in section 101(4) of title 10, United States Code.

The definition in clause (18) reflects the adoption of terminology which, though undefined in the source statutes restated in this title, represents the closest practicable approximation of the ways in which the term has been commonly used.

§ 104. Units: location; organization; command

(a) Each State or Territory and Puerto Rico may fix the location of the units and headquarters of its National Guard.

(b) Except as otherwise specifically provided in this title, the organization of the Army National Guard and the composition of its units shall be the same as those prescribed for the Army, subject, in time of peace, to such general exceptions as the Secretary of the Army may authorize; and the organization of the Air National Guard and the composition of its units shall be the same as those prescribed for the Air Force, subject, in time of peace, to such general exceptions as the Secretary of the Air Force may authorize.

However, no change in the branch, organization, or allotment of a unit located entirely within a State may be made without the approval of its governor.

(d) To maintain appropriate organization and to assist in training and instruction, the President may assign the National Guard to divisions, wings, and other tactical units, and may detail commissioned officers of the National Guard or of the Regular Army or the Regular Air Force, as the case may be, to command those units. In subsection (a), the words "within their respective borders" are omitted as surplusage.

§ 112. Drug interdiction and counter-drug activities

(a) FUNDING ASSISTANCE.—The Secretary of Defense may provide funds to the Governor of a State who submits to the Secretary a State drug interdiction and counter-drug activities plan satisfying the requirements of subsection (c). Such funds shall be used for the following:

(1) The pay, allowances, clothing, subsistence, gratuities, travel, and related expenses, as authorized by State law, of personnel of the National Guard of that State used, while not in Federal service, for the purpose of drug interdiction and counter-drug activities.

(2) The operation and maintenance of the equipment and facilities of the National Guard of that State used for the purpose of drug interdiction and counter-drug activities.

(3) The procurement of services and equipment, and the leasing of equipment, for the National Guard of that State used for the purpose of drug interdiction and counter-drug activities. However, the use of such funds for the procurement of equipment may not exceed \$5,000 per purchase order, unless approval for procurement of equipment in excess of that amount is granted in advance by the Secretary of Defense.

(b) USE OF PERSONNEL PERFORMING FULL-TIME NATIONAL GUARD DUTY.—(1) Under regulations prescribed by the Secretary of Defense, personnel of the National Guard of a State may, in accordance with the State drug interdiction and counter-drug activities plan referred to in subsection (c), be ordered to perform full-time National Guard duty under section 502(f) of this title for the purpose of carrying out drug interdiction and counter-drug activities.

(2)(A) A member of the National Guard serving on full-time National Guard duty under orders authorized under paragraph (1) shall participate in the training required under section 502(a) of this title in addition to the duty performed for the purpose authorized under that paragraph. The pay, allowances, and other benefits of the member while participating in the training shall be the same as those to which the member is entitled while performing duty for the purpose of carrying out drug interdiction and counter-drug activities. The member is not entitled to additional pay, allowances, or other benefits for participation in training required under section 502(a)(1) of this title.

(B) Appropriations available for the Department of Defense for drug interdiction and counter-drug activities may be used for paying costs associated with a member's participation in training described in subparagraph (A). The appropriation shall be reimbursed in full, out of appropriations available for paying those costs, for the amounts paid. Appropriations available for paying those costs shall be available for making the reimbursements.

(C) To ensure that the use of units and personnel of the National Guard of a State pursuant to

a State drug interdiction and counter-drug activities plan does not degrade the training and readiness of such units and personnel, the following requirements shall apply in determining the drug interdiction and counter-drug activities that units and personnel of the National Guard of a State may perform:

(i) The performance of the activities may not adversely affect the quality of that training or otherwise interfere with the ability of a member or unit of the National Guard to perform the military functions of the member or unit.

(ii) National Guard personnel will not degrade their military skills as a result of performing the activities.

(iii) The performance of the activities will not result in a significant increase in the cost of training.

(iv) In the case of drug interdiction and counter-drug activities performed by a unit organized to serve as a unit, the activities will support valid unit training requirements.

(3) A unit or member of the National Guard of a State may be used, pursuant to a State drug interdiction and counter-drug activities plan approved by the Secretary of Defense under this section, to provide services or other assistance (other than air transportation) to an organization eligible to receive services under section 508 of this title if—

(A) the State drug interdiction and counter-drug activities plan specifically recognizes the organization as being eligible to receive the services or assistance;

(B) in the case of services, the performance of the services meets the requirements of paragraphs (1) and (2) of subsection (a) of section 508 of this title; and

(C) the services or assistance is authorized under subsection (b) or (c) of such section or in the State drug interdiction and counter-drug activities plan.

(c) PLAN REQUIREMENTS.—A State drug interdiction and counter-drug activities plan shall—

(1) specify how personnel of the National Guard of that State are to be used in drug interdiction and counter-drug activities;

(2) certify that those operations are to be conducted at a time when the personnel involved are not in Federal service;

(3) certify that participation by National Guard personnel in those operations is service in addition to training required under section 502 of this title;

(4) certify that any engineer-type activities (as defined by the Secretary of Defense) under the plan will be performed only by units and members of the National Guard;

(5) include a certification by the Attorney General of the State (or, in the case of a State with no position of Attorney General, a civilian official of the State equivalent to a State attorney general) that the use of the National Guard of the State for the activities proposed under the plan is authorized by, and is consistent with, State law; and

(6) certify that the Governor of the State or a civilian law enforcement official of the State designated by the Governor has determined

that any activities included in the plan that are carried out in conjunction with Federal law enforcement agencies serve a State law enforcement purpose.

(d) EXAMINATION OF PLAN.—(1) Before funds are provided to the Governor of a State under this section and before members of the National Guard of that State are ordered to full-time National Guard duty as authorized in subsection (b), the Secretary of Defense shall examine the adequacy of the plan submitted by the Governor under subsection (c). The plan as approved by the Secretary may provide for the use of personnel and equipment of the National Guard of that State to assist the Immigration and Naturalization Service in the transportation of aliens who have violated a Federal or State law prohibiting or regulating the possession, use, or distribution of a controlled substance.

(2) Except as provided in paragraph (3), the Secretary shall carry out paragraph (1) in consultation with the Director of National Drug Control Policy.

(3) Paragraph (2) shall not apply if—

(A) the Governor of a State submits a plan under subsection (c) that is substantially the same as a plan submitted for that State for a previous fiscal year; and

(B) pursuant to the plan submitted for a previous fiscal year, funds were provided to the State in accordance with subsection (a) or personnel of the National Guard of the State were ordered to perform full-time National Guard duty in accordance with subsection (b).
