

CHAPTER 36—WATER RESOURCES DEVELOPMENT		Sec.	
2201.	“Secretary” defined.		(e) Reimbursement. (f) Operation and maintenance. (g) Demonstration of non-Federal interests acting as agent of Secretary.
SUBCHAPTER I—COST SHARING		2233.	Coordination and scheduling of Federal, State, and local actions. (a) Notice of intent. (b) Procedural requirements. (c) Scheduling agreement. (d) Contents of agreement. (e) Preliminary decision. (f) Revision of agreement. (g) Progress reports. (h) Final decision. (i) Report on timesavings methods.
2211.	Harbors. (a) Construction. (b) Operation and maintenance. (c) Erosion or shoaling attributable to Federal navigation works. (d) Non-Federal payments during construction. (e) Agreement. (f) Consideration of funding requirements and equitable apportionment.	2234. 2235. 2236.	Nonapplicability to Saint Lawrence Seaway. Construction in usable increments. Port or harbor dues. (a) Consent of Congress. (b) Jurisdiction. (c) Collection of duties. (d) Enforcement. (e) Maritime lien.
2212.	Inland waterway transportation. (a) Construction. (b) Operation and maintenance. (c) Authorizations from general fund.	2237. 2238.	Information for national security. Authorization of appropriations. (a) Trust fund. (b) General fund.
2213.	Flood control and other purposes. (a) Flood control. (b) Nonstructural flood control projects. (c) Other purposes. (d) Certain other costs assigned to project purposes. (e) Applicability. (f) “Separable element” defined. (g) Deferral of payment. (h) Assigned joint and separable costs. (i) Lands, easements, rights-of-way, dredged material disposal areas, and relocations. (j) Agreement. (k) Payment options. (l) Delay of initial payment. (m) Ability to pay.	2239. 2240. 2241.	Repealed. Emergency response services. (a) Grants. (b) Authorization of appropriations. Definitions.
SUBCHAPTER III—INLAND WATERWAY TRANSPORTATION SYSTEM			
2214.	General credit for flood control. (a) Guidelines. (b) Analysis of costs and benefits. (c) Crediting of non-Federal share. (d) Procedure for work done before November 17, 1986. (e) Procedure for work done after November 17, 1986. (f) Limitation not applicable. (g) Cash contribution not affected.	2251.	Inland Waterways Users Board. (a) Establishment of Users Board. (b) Duties. (c) Administration.
SUBCHAPTER IV—WATER RESOURCES STUDIES			
2215.	Feasibility studies; planning, engineering, and design. (a) Feasibility studies. (b) Planning and engineering. (c) Design.	2261. 2262. 2263. 2264. 2265. 2266. 2267. 2267a.	Territories development study. Survey of potential for use of certain facilities as hydroelectric facilities. (a) Survey authority. (b) Authorization of appropriations. Study of Corps capability to conserve fish and wildlife. Deauthorization of studies. Columbia River/Arkansas River Basin transfers. Canadian tidal power study. (a) Study authority. (b) Study phases. (c) Authorization of appropriations. New York Bight study. (a) Study authority. (b) Study of physical hydraulic model. (c) Agency coordination; findings and recommendations. (d) Authorization of appropriations.
2216.	Rate of interest.		Watershed and river basin assessments. (a) In general. (b) Cooperation. (c) Consultation. (d) Priority river basins and watersheds. (e) Acceptance of contributions. (f) Cost-sharing requirements. (g) Authorization of appropriations.
2217.	Limitation on applicability of certain provisions in reports.	2268.	Marine technology review. (a) Dredging needs. (b) Authorization of appropriations.
2218.	General applicability of cost sharing.	2269.	Tribal partnership program. (a) Definition of Indian tribe. (b) Program. (c) Consultation and coordination with Secretary of the Interior. (d) Cost sharing. (e) Authorization of appropriations.
2219.	Definitions.		
2220.	Rivers and harbors and other waterways projects for benefit of navigation, flood control, hurricane protection, beach erosion control, and other purposes. (a) Congressional declaration of policy; purchase of indebtedness and loans to local interests to meet contribution requirements. (b) Authorization of appropriations.		
SUBCHAPTER II—HARBOR DEVELOPMENT			
2231.	Studies of projects by non-Federal interests. (a) Submission to Secretary. (b) Review by Secretary. (c) Submission to Congress. (d) Credit and reimbursement.		
2232.	Construction of projects by non-Federal interests. (a) Authority. (b) Studies and engineering. (c) Completion of studies. (d) Authority to carry out improvement.		

Sec.	SUBCHAPTER V—GENERAL PROVISIONS	Sec.	
2280.	Maximum cost of projects.		(e) Salmon, Idaho, experimental program.
2281.	Matters to be addressed in planning.		(f) Wilmington, Illinois, project.
2282.	Feasibility reports.		(g) Cost sharing.
	(a) Report authority; contents; views of other agencies.	2308.	(h) Report to Congress.
	(b) Reconnaissance studies.		Campgrounds for senior citizens.
	(c) Benefits to Indian tribes.		(a) Establishment and development.
	(d) Use of standard and uniform procedures and practices.		(b) Control of campground use and access.
	(e) Enhanced public participation.		(c) Authorization of appropriations.
2283.	Fish and wildlife mitigation.		(d) Campground at Sam Rayburn Dam and Reservoir, Texas.
	(a) Steps to be taken prior to or concurrently with construction.		(e) Control of use and access to campground at Sam Rayburn Dam and Reservoir, Texas.
	(b) Acquisition of lands or interests in lands for mitigation.		(f) Authorization of appropriations.
	(c) Allocation of mitigation costs.		(g) Boundaries of campground at Sam Rayburn Dam and Reservoir, Texas.
	(d) Mitigation plans as part of project proposals.	2309.	Great Lakes Commodities Marketing Board.
	(e) First enhancement costs as Federal costs.		(a) Congressional declaration of purpose.
	(f) National benefits from enhancement measures for Atchafalaya Floodway System and Mississippi Delta Region projects.		(b) Establishment; strategy development; composition of Board; Director; report; termination.
	(g) Fish and Wildlife Coordination Act supplementation.		(c) International advisory group.
2284.	Benefits and costs attributable to environmental measures.		(d) Review of environmental, economic, and social impacts of navigation in United States portion of Great Lakes.
2284a.	Benefits to navigation.	2309a.	Project modifications for improvement of environment.
2284b.	Scenic and aesthetic considerations.		(a) Determination of need.
2285.	Environmental Protection and Mitigation Fund.		(b) Authority to make modifications.
2286.	Acceptance of certain funds for mitigation.		(c) Restoration of environmental quality.
2287.	Continued planning and investigations.		(d) Non-Federal share; limitation on maximum Federal expenditure.
	(a) Pre-authorization planning and engineering.		(e) Coordination of actions.
	(b) Omitted.		(f) Omitted.
	(c) Authorizations as additions to other authorizations.		(g) Nonprofit entities.
2288.	Review of cost effectiveness of design.	2310.	Cost sharing for Territories.
2289.	Urban and rural flood control frequency.	2311.	Report to Congress covering proposals for water impoundment facilities.
2290.	Flood control in Trust Territory of the Pacific Islands.	2312.	Comments on certain changes in operations of reservoirs.
2291.	Federal Project Repayment District.	2313.	Collaborative research and development.
2292.	Surveying and mapping.		(a) In general.
2293.	Reprogramming during national emergencies.		(b) Pre-agreement temporary protection of technology.
	(a) Termination or deferment of civil works projects; application of resources to national defense projects.		(c) Administrative provisions.
	(b) Termination of state of war or national emergency.		(d) Applicability of other laws.
2294.	Office of Environmental Policy.		(e) Authorization of appropriations.
2295.	Compilation of laws; annual reports.		(f) Funding from other Federal sources.
	(a) Federal laws relating to improvements of rivers and harbors, flood control, beach erosion, and other water resources development.	2313a.	Engineering and environmental innovations of national significance.
	(b) Annual report.		(a) Surveys, plans, and studies.
	(c) Biennial reports for each State.	2313b.	Support of Army civil works program.
2296.	Acquisition of recreation lands.		(a) General authority.
2297.	Operation and maintenance on recreation lands.		(b) Commercial application.
2298.	Impact of proposed projects on existing recreation facilities.	2314.	Innovative technology.
2299.	Acquisition of beach fill.		(a) Use.
2300.	Study of Corps capabilities.		(b) Accelerated adoption of innovative technologies for management of contaminated sediments.
2301, 2302.	Omitted.		(c) Reports.
2303.	Historical properties.		(d) "Innovative technology" defined.
2304.	Separability.	2314a.	Technical assistance program.
2305.	Use of FMHA funds.		(a) In general.
2306.	Reports.		(b) Federal employees' inventions.
2307.	Control of ice.		(c) Protection of confidential information.
	(a) Program authority.		(d) Definitions.
	(b) Assistance to units of local government.	2315.	Periodic statements.
	(c) Authorization of appropriations.	2316.	Environmental protection mission.
	(d) Hardwick, Vermont, demonstration program.		(a) General rule.
			(b) Limitation.
		2317.	Wetlands.
			(a) Goals and action plan.
