

CHAPTER 85—AIR POLLUTION PREVENTION AND CONTROL**SUBCHAPTER I—PROGRAMS AND ACTIVITIES****PART A—AIR QUALITY AND EMISSION LIMITATIONS**

- | Sec. | Sec. |
|-------|---|
| 7401. | <ul style="list-style-type: none"> (a) Findings. (b) Declaration. (c) Pollution prevention. |
| 7402. | <ul style="list-style-type: none"> (a) Interstate cooperation; uniform State laws; State compacts. (b) Federal cooperation. (c) Consent of Congress to compacts. |
| 7403. | <ul style="list-style-type: none"> (a) Research and development program for prevention and control of air pollution. (b) Authorized activities of Administrator in establishing research and development program. (c) Air pollutant monitoring, analysis, modeling, and inventory research. (d) Environmental health effects research. (e) Ecosystem research. (f) Liquified Gaseous Fuels Spill Test Facility. (g) Pollution prevention and emissions control. (h) NIEHS studies. <ul style="list-style-type: none"> (1) Coordination of research. (j) Continuation of national acid precipitation assessment program. (k) Air pollution conferences. |
| 7404. | <ul style="list-style-type: none"> (a) Research programs; grants; contracts; pilot and demonstration plants; by-products research. (b) Powers of Administrator in establishing research and development programs. (c) Clean alternative fuels. |
| 7405. | <ul style="list-style-type: none"> (a) Amounts; limitations; assurances of plan development capability. (b) Terms and conditions; regulations; factors for consideration; State expenditure limitations. (c) Maintenance of effort. (d) Reduction of payments; availability of reduced amounts; reduced amount as deemed paid to agency for purpose of determining amount of grant. (e) Notice and opportunity for hearing when affected by adverse action. |
| 7406. | <ul style="list-style-type: none"> (a) Responsibility of each State for air quality; submission of implementation plan. (b) Designated regions. (c) Authority of Administrator to designate regions; notification of Governors of affected States. (d) Designations. (e) Redesignation of air quality control regions. |
| 7407. | <ul style="list-style-type: none"> (a) Issuance by Administrator of information on air pollution control techniques; standing consulting committees for air pollutants; establishment; membership. (b) Review, modification, and reissuance of criteria or information. (c) Publication in Federal Register; availability of copies for general public. (d) Transportation planning and guidelines. (e) Information regarding processes, procedures, and methods to reduce or control pollutants in transportation; reduction of mobile source related pollutants; reduction of impact on public health. <ul style="list-style-type: none"> (g) Assessment of risks to ecosystems. (h) RACT/BACT/LAER clearinghouse. |
| 7409. | <ul style="list-style-type: none"> (a) Promulgation. (b) Protection of public health and welfare. (c) National primary ambient air quality standard for nitrogen dioxide. (d) Review and revision of criteria and standards; independent scientific review committee; appointment; advisory functions. |
| 7410. | <ul style="list-style-type: none"> (a) Adoption of plan by State; submission to Administrator; content of plan; revision; new sources; indirect source review program; supplemental or intermittent control systems. (b) Extension of period for submission of plans. (c) Preparation and publication by Administrator of proposed regulations setting forth implementation plan; transportation regulations study and report; parking surcharge; suspension authority; plan implementation. (d), (e) Repealed. (f) National or regional energy emergencies; determination by President. (g) Governor's authority to issue temporary emergency suspensions. (h) Publication of comprehensive document for each State setting forth requirements of applicable implementation plan. (i) Modification of requirements prohibited. (j) Technological systems of continuous emission reduction on new or modified stationary sources; compliance with performance standards. (k) Environmental Protection Agency action on plan submissions. <ul style="list-style-type: none"> (l) Plan revisions. (m) Sanctions. (n) Savings clauses. (o) Indian tribes. (p) Reports. |
| 7411. | <ul style="list-style-type: none"> (a) Definitions. (b) List of categories of stationary sources; standards of performance; information on pollution control techniques; sources owned or operated by United States; particular systems; revised standards. |
| 7408. | <ul style="list-style-type: none"> (a) Air pollutant list; publication and revision by Administrator; issuance of air quality criteria for air pollutants. |
