CODIFICATION

Section was enacted as part of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1993, and not as part of the National Environmental Policy Act of 1969 which comprises this chapter.

§ 4370e. Working capital fund in Treasury

There is hereby established in the Treasury a “Working capital fund”, to be available without fiscal year limitation for expenses and equipment necessary for the maintenance and operation of such administrative services as the Administrator determines may be performed more advantageously as central services: *Provided*, That any inventories, equipment, and other assets pertaining to the services to be provided by such fund, either on hand or on order, less the related liabilities or unpaid obligations, and any appropriations made hereafter for the purpose of providing capital, shall be used to capitalize such fund: *Provided further*, That such fund shall be paid in advance or reimbursed from funds available to the Agency and other Federal agencies for which such centralized services are performed, at rates which will return in full all expenses of operation, including accrued leave, depreciation of fund plant and equipment, amortization of automated data processing (ADP) software and systems (either acquired or donated), and an amount necessary to maintain a reasonable operating reserve, as determined by the Administrator: *Provided further*, That such fund shall provide services on a competitive basis: *Provided further*, That an amount not to exceed four percent of the total annual income to such fund may be retained in the fund for fiscal year 1997 and each fiscal year thereafter, to remain available until expended, to be used for the acquisition of capital equipment and for the improvement and implementation of Agency financial management, ADP, and other support systems: *Provided further*, That no later than thirty days after the end of each fiscal year amounts in

excess of this reserve limitation shall be transferred to the Treasury.

CODIFICATION

Section was formerly set out as a note under section 501 of Title 31, Money and Finance.

Section was enacted as part of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997, and not as part of the National Environmental Policy Act of 1969 which comprises this chapter.

AMENDMENTS

1998—Pub. L. 105-276, which directed the insertion of “or reimbursed” after “that such fund shall be paid in advance”, was executed by making the insertion after “That such fund shall be paid in advance”, to reflect the probable intent of Congress.

1997—Pub. L. 105-65 substituted “a ‘Working capital fund’ to be available without fiscal year limitation for expenses and equipment” for “a franchise fund pilot to be known as the ‘Working capital fund’, as authorized by section 403 of Public Law 103-356, to be available as provided in such section for expenses and equipment” and struck out proviso at end which read “: *Provided further*, That such franchise fund pilot shall terminate pursuant to section 403(f) of Public Law 103-356”.

§ 4370f. Availability of funds after expiration of period for liquidating obligations

For fiscal year 2001 and thereafter, the obligated balances of sums available in multiple-year appropriations accounts shall remain available through the seventh fiscal year after their period of availability has expired for liquidating obligations made during the period of availability.

(Pub. L. 106-377, §1(a)(1) [title III], Oct. 27, 2000, 114 Stat. 1441, 1441A-44.)

CODIFICATION

§ 4371. Congressional findings, declarations, and purposes

(a) The Congress finds—

(1) that man has caused changes in the environment;

(2) that many of these changes may affect the relationship between man and his environment; and

(3) that population increases and urban concentration contribute directly to pollution and the degradation of our environment.

(b)(1) The Congress declares that there is a national policy for the environment which provides for the enhancement of environmental quality. This policy is evidenced by statutes heretofore enacted relating to the prevention, abatement, and control of environmental pollution, water and land resources, transportation, and economic and regional development.

(2) The primary responsibility for implementing this policy rests with State and local government.

(3) The Federal Government encourages and supports implementation of this policy through appropriate regional organizations established under existing law.

(c) The purposes of this chapter are—

(1) to assure that each Federal department and agency conducting or supporting public works activities which affect the environment shall implement the policies established under existing law; and

(2) to authorize an Office of Environmental Quality, which, notwithstanding any other provision of law, shall provide the professional and administrative staff for the Council on Environmental Quality established by Public Law 91-190.

SHORT TITLE

Section 201 of Pub. L. 91-224 provided that: "This title [enacting this chapter] may be cited as the 'Environmental Quality Improvement Act of 1970'."

§ 4372. Office of Environmental Quality

(a) Establishment; Director; Deputy Director

There is established in the Executive Office of the President an office to be known as the Office of Environmental Quality (hereafter in this chapter referred to as the "Office"). The Chairman of the Council on Environmental Quality established by Public Law 91-190 shall be the Director of the Office. There shall be in the Office a Deputy Director who shall be appointed by the President, by and with the advice and consent of the Senate.

(b) Compensation of Deputy Director

The compensation of the Deputy Director shall be fixed by the President at a rate not in

excess of the annual rate of compensation payable to the Deputy Director of the Office of Management and Budget.

(c) Employment of personnel, experts, and consultants; compensation

The Director is authorized to employ such officers and employees (including experts and consultants) as may be necessary to enable the Office to carry out its functions under this chapter and Public Law 91-190, except that he may employ no more than ten specialists and other experts without regard to the provisions of title 5, governing appointments in the competitive service, and pay such specialists and experts without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title relating to classification and General Schedule pay rates, but no such specialist or expert shall be paid at a rate in excess of the maximum rate for GS-18 of the General Schedule under section 5332 of title 5.

(d) Duties and functions of Director

In carrying out his functions the Director shall assist and advise the President on policies and programs of the Federal Government affecting environmental quality by—

(1) providing the professional and administrative staff and support for the Council on Environmental Quality established by Public Law 91-190.

(2) assisting the Federal agencies and departments in appraising the effectiveness of existing and proposed facilities, programs, policies, and activities of the Federal Government, and those specific major projects designated by the President which do not require individual project authorization by Congress, which affect environmental quality;

(3) reviewing the adequacy of existing systems for monitoring and predicting environmental changes in order to achieve effective coverage and efficient use of research facilities and other resources;

(4) promoting the advancement of scientific knowledge of the effects of actions and technology on the environment and encourage the development of the means to prevent or reduce adverse effects that endanger the health and well-being of man;

(5) assisting in coordinating among the Federal departments and agencies those programs and activities which affect, protect, and improve environmental quality;

(6) assisting the Federal departments and agencies in the development and interrelationship of environmental quality criteria and standards established through the Federal Government;

(7) collecting, collating, analyzing, and interpreting data and information on environmental quality, ecological research, and evaluation.

(e) Authority of Director to contract

The Director is authorized to contract with public or private agencies, institutions, and organizations and with individuals without regard to section 3324(a) and (b) of title 31 and section 5 of title 41 in carrying out his functions.

§ 4375. Office of Environmental Quality Management Fund

(a) Establishment; financing of study contracts and Federal interagency environmental projects

There is established an Office of Environmental Quality Management Fund (hereinafter referred to as the "Fund") to receive advance payments from other agencies or accounts that may be used solely to finance—

(1) study contracts that are jointly sponsored by the Office and one or more other Federal agencies; and

(2) Federal interagency environmental projects (including task forces) in which the Office participates.

(b) Study contract or project initiative

Any study contract or project that is to be financed under subsection (a) of this section may

be initiated only with the approval of the Director.

(c) Regulations

The Director shall promulgate regulations setting forth policies and procedures for operation of the Fund.

(Pub. L. 91-224, title II, §206, as added Pub. L. 98-581, §2, Oct. 30, 1984, 98 Stat. 3093.)

CHAPTER 57—ENVIRONMENTAL POLLUTION STUDY

Sec.	
4391.	Congressional statement of findings.
4392.	Presidential study.
4393.	Report to Congress by President.
4394.	Omitted.
4395.	Authorization of appropriations.

§ 4391. Congressional statement of findings

The Congress finds that there is general agreement that air, water, and other common environmental pollution may be hazardous to the health of individuals resident in the United States, but that despite the existence of various research papers and other technical reports on the health hazards of such pollution, there is no authoritative source of information about (1) the nature and gravity of these hazards, (2) the availability of medical and other assistance to persons affected by such pollution, especially when such pollution reaches emergency levels, and (3) the measures, other than those relating solely to abatement of the pollution, that may be taken to avoid or reduce the effects of such pollution on the health of individuals.

(Pub. L. 91-515, title V, §501(a), Oct. 30, 1970, 84 Stat. 1309.)

§ 4392. Presidential study

The President shall immediately commence (1) a study of the nature and gravity of the hazards to human health and safety created by air, water, and other common environmental pollution, (2) a survey of the medical and other assistance available to persons affected by such pollution, especially when such pollution reaches emergency levels, and (3) a survey of the measures, other than those relating solely to abatement of the pollution, that may be taken to avoid or reduce the effects of such pollution on the health of individuals.

(Pub. L. 91-515, title V, §501(b), Oct. 30, 1970, 84 Stat. 1310.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 4393 of this title.

§ 4393. Report to Congress by President

The President shall, within nine months of October 30, 1970, transmit to the Congress a report of the study and surveys required by section 4392 of this title, including (1) his conclusions regarding the nature and gravity of the hazards to human health and safety created by environmental pollution, (2) his evaluation of the medical and other assistance available to persons affected by such pollution, especially when such pollution reaches emergency levels, (3) his as-

essment of the measures, other than those relating solely to abatement of the pollution, that may be taken to avoid or reduce the effects of such pollution on the health of individuals, and (4) such legislative or other recommendations as he may deem appropriate.

§ 4394. Omitted

CODIFICATION

Section, Pub. L. 91-515, title V, §501(d), Oct. 30, 1970, 84 Stat. 1310, which required the President, within one year of his transmittal to Congress of the report required by section 4393 of this title, and annually thereafter, to supplement that report with such new data, evaluations, or recommendations as he may deem appropriate, terminated, effective May 15, 2000, pursuant to section 3003 of Pub. L. 104-66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, item 6 on page 20 of House Document No. 103-7.

§ 4395. Authorization of appropriations

There are authorized to be appropriated such sums as may be necessary to carry out the provisions of this chapter.
