(d) Annual reports to President and Congress

(1) In general

The Board shall submit to the President and the Congress of the United States an annual report on—

(A) the environmental and infrastructure projects referred to in subsection (a) of this section that have been implemented, and

(B) the need for the implementation of additional environmental and infrastructure projects.

(2) Transmission of copies to Board members

The Board shall—

(A) transmit to each member of the Board a copy of any report to be submitted pursuant to paragraph (1) at least 14 days before its submission, and

(B) allow each member of the Board to have 14 days within which to prepare and submit supplemental views with respect to the recommendations of the Board for inclusion in such report.

(Pub. L. 102-532, § 6, Oct. 27, 1992, 106 Stat. 3513.)

CODIFICATION

Section was enacted as part of the Enterprise for the Americas Initiative Act of 1992, and not as part of subtitle F (§1471 et seq.) of title XIV of Pub. L. 101-624 which comprises this chapter.

DELEGATION OF AUTHORITY

Authority of President under this section delegated to Administrator of Environmental Protection Agency by section 10 of Ex. Ord. No. 12916, May 13, 1994, 59 F.R. 25780, set out as a note under section 3473 of Title 19, Customs Duties.

TERMINATION OF ADVISORY BOARDS

Advisory boards established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year period beginning on the date of their establishment, unless, in the case of a board established by the President or an officer of the Federal Government, such board is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a board established by Congress, its duration is otherwise provided by law. See sections 3(2) and 14 of Pub. L. 92-463, Oct. 6, 1972, 86 Stat. 770, 776, set out in the Appendix to Title 5, Government Organization and Employees.

§ 5405. Agricultural air quality research oversight

(a) Findings

Congress finds that—

(1) various studies have alleged that agriculture is a source of PM-10 emissions;

(2) many of these studies have often been based on erroneous data;

(3) Federal research activities are currently being conducted by the Department of Agriculture to determine the true extent to which agricultural activities contribute to air pollution and to determine cost-effective ways in which the agricultural industry can reduce any pollution that exists; and

(4) any Federal policy recommendations that may be issued by any Federal agency to ad-

dress air pollution problems related to agriculture or any other industrial activity should be based on sound scientific findings that are subject to adequate peer review and should take into account economic feasibility.

(b) Purpose

The purpose of this section is to encourage the Secretary of Agriculture to continue to strengthen vital research efforts related to agricultural air quality.

(c) Oversight coordination

(1) Intergovernmental cooperation

The Secretary shall, to the maximum extent practicable with respect to the Department of Agriculture and other Federal departments and agencies, ensure intergovernmental cooperation in research activities related to agricultural air quality and avoid duplication of the activities.

(2) Correct data

The Secretary shall, to the maximum extent practicable, ensure that the results of any research related to agricultural air quality conducted by Federal agencies not report erroneous data with respect to agricultural air quality.

(d) Task force

(1) Establishment

The Chief of the National Resources Conservation Service shall establish a task force to address agricultural air quality issues.

(2) Composition

The task force shall be comprised of employees of the Department of Agriculture, industry representatives, and other experts in the fields of agriculture and air quality.

(3) Duties

The task force shall advise the Secretary with respect to the role of the Secretary for providing oversight and coordination related to agricultural air quality.

§ 5506. Water policy with respect to agricultural chemicals

(a) Authority

The Department of Agriculture shall be the principal Federal agency responsible and accountable for the development and delivery of educational programs, technical assistance, and research programs for the users and dealers of agricultural chemicals to insure that—

(1) the use, storage, and disposal of agricultural chemicals by users is prudent, economical, and environmentally sound; and

(2) agricultural users, dealers, and the general public understand the implications of their actions and the potential effects on water.

The Secretary is authorized to undertake such programs and assistance in cooperation with other Federal, State, and local governments and agencies, and appropriate nonprofit organizations. The Secretary shall disseminate the results of efforts in extension, technical assistance, research, and related activities. The Secretary shall undertake activities under this subtitle in coordination with the Office of Agricultural Environmental Quality in section 5402 of this title.

(b) Effect on existing authority

The authority granted in subsection (a) of this section does not alter or effect the responsibility of the Environmental Protection Agency under the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136 et seq.).

(c) Participation

The following agencies shall participate in the Department's water program: the Agricultural Research Service; the Agricultural Stabilization and Conservation Service; the Animal and Plant Health Inspection Service; the Cooperative State Research Service in conjunction with the system of State agricultural experiment stations; the Economic Research Service; the Extension Service, in conjunction with State and county cooperative extension services; the Forest Service; the National Agricultural Library; the National Agricultural Statistics Service; the Soil Conservation Service; and other agencies within the Department deemed appropriate by the Secretary.
