(2) such duty to withhold is imposed generally with respect to the compensation of employees who are residents of such State;

then the Architect of the Capitol is authorized, in accordance with the provisions of this sec-

tion, to enter into an agreement with the appropriate official of that State to provide for the withholding and remittance of sums for individuals—

(1) An individual employed by the Office of the Architect of the Capitol, the United States Botanic Garden, or the Senate Restaurant may request the Architect to withhold sums from his pay for remittance to the appropriate authorities of the State that he designates. Amounts of withholdings shall be made in accordance with those provisions of the law of that State which apply generally to withholding by employers.

(2) An individual may have in effect at any time only one request for withholdings, and he may not have more than two such requests in effect with respect to different States during any one calendar year. The request for withholdings is effective on the first day of the first pay period commencing on or after the day on which the request is received in the Office of the Architect, the Botanic Garden Office, or the Senate Restaurant Accounting Office except that—

(A) when the Architect first enters into an agreement with a State, a request for withholdings shall be effective on such date as the Architect may determine; and

(B) when an individual first receives an appointment, the request shall be effective on the day of appointment, if the individual makes the request at the time of appointment.

(3) An individual may change the State designated by him for the purposes of having withholdings made and request that the withholdings be remitted in accordance with such change, and he may also revoke his request for withholdings. Any change in the State designated or revocation is effective on the first day of the first pay period commencing on or after the day on which the request for change or the revocation is received in the appropriate office.

(4) The Architect is authorized to issue rules and regulations he considers appropriate in carrying out this subsection.

(d) Time or times of agreements by Architect

The Architect may enter into agreements under subsection (a) of this section at such time or times as he considers appropriate.

(e) Provisions as not imposing duty, burden, requirement or penalty upon United States or any officer or employee of United States

This section imposes no duty, burden, or requirement upon the United States, or any offi-
