

1982, 96 Stat. 1067, the first section of which enacted Title 31, Money and Finance.

Section was enacted as part of the Omnibus Budget Reconciliation Act of 1990, and not as part of the National Environmental Policy Act of 1969 which comprises this chapter.

CHANGE OF NAME

Committee on Energy and Commerce of House of Representatives treated as referring to Committee on Commerce of House of Representatives by section 1(a) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives, and jurisdiction over matters relating to securities and exchanges and insurance generally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

§ 4370d. Percentage of Federal funding for organizations owned by socially and economically disadvantaged individuals

The Administrator of the Environmental Protection Agency shall, on and after October 6, 1992, to the fullest extent possible, ensure that at least 8 per centum of Federal funding for prime and subcontracts awarded in support of authorized programs, including grants, loans, and contracts for wastewater treatment and leaking underground storage tanks grants, be made available to business concerns or other organizations owned or controlled by socially and economically disadvantaged individuals (within the meaning of section 637(a)(5) and (6) of title 15), including historically black colleges and universities. For purposes of this section, economically and socially disadvantaged individuals shall be deemed to include women.

(Pub. L. 102-389, title III, Oct. 6, 1992, 106 Stat. 1602.)

CODIFICATION

Section was enacted as part of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1993, and not as part of the National Environmental Policy Act of 1969 which comprises this chapter.

§ 4370e. Working capital fund in Treasury

There is hereby established in the Treasury a “Working capital fund”, to be available without fiscal year limitation for expenses and equipment necessary for the maintenance and operation of such administrative services as the Administrator determines may be performed more advantageously as central services: *Provided*, That any inventories, equipment, and other assets pertaining to the services to be provided by such fund, either on hand or on order, less the related liabilities or unpaid obligations, and any appropriations made hereafter for the purpose of providing capital, shall be used to capitalize such fund: *Provided further*, That such fund shall be paid in advance or reimbursed from funds available to the Agency and other Federal agencies for which such centralized services are performed, at rates which will return in full all expenses of operation, including accrued leave, depreciation of fund plant and equipment, amortization of automated data processing (ADP) soft-

ware and systems (either acquired or donated), and an amount necessary to maintain a reasonable operating reserve, as determined by the Administrator: *Provided further*, That such fund shall provide services on a competitive basis: *Provided further*, That an amount not to exceed four percent of the total annual income to such fund may be retained in the fund for fiscal year 1997 and each fiscal year thereafter, to remain available until expended, to be used for the acquisition of capital equipment and for the improvement and implementation of Agency financial management, ADP, and other support systems: *Provided further*, That no later than thirty days after the end of each fiscal year amounts in excess of this reserve limitation shall be transferred to the Treasury.

(Pub. L. 104-204, title III, Sept. 26, 1996, 110 Stat. 2912; Pub. L. 105-65, title III, Oct. 27, 1997, 111 Stat. 1374; Pub. L. 105-276, title III, Oct. 21, 1998, 112 Stat. 2499.)

CODIFICATION

Section was formerly set out as a note under section 501 of Title 31, Money and Finance.

Section was enacted as part of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997, and not as part of the National Environmental Policy Act of 1969 which comprises this chapter.

AMENDMENTS

1998—Pub. L. 105-276, which directed the insertion of “or reimbursed” after “that such fund shall be paid in advance”, was executed by making the insertion after “That such fund shall be paid in advance”, to reflect the probable intent of Congress.

1997—Pub. L. 105-65 substituted “a ‘Working capital fund’ to be available without fiscal year limitation for expenses and equipment” for “a franchise fund pilot to be known as the ‘Working capital fund’, as authorized by section 403 of Public Law 103-356, to be available as provided in such section for expenses and equipment” and struck out proviso at end which read “: *Provided further*, That such franchise fund pilot shall terminate pursuant to section 403(f) of Public Law 103-356”.

§ 4370f. Availability of funds after expiration of period for liquidating obligations

For fiscal year 2001 and thereafter, the obligated balances of sums available in multiple-year appropriations accounts shall remain available through the seventh fiscal year after their period of availability has expired for liquidating obligations made during the period of availability.

(Pub. L. 106-377, §1(a)(1) [title III], Oct. 27, 2000, 114 Stat. 1441, 1441A-44.)

CODIFICATION

Section was enacted as part of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 2001, and not as part of the National Environmental Policy Act of 1969 which comprises this chapter.

- 4375. Office of Environmental Quality Management Fund.
 - (a) Establishment; financing of study contracts and Federal interagency environmental projects.
 - (b) Study contract or project initiative.
 - (c) Regulations.

§ 4371. Congressional findings, declarations, and purposes

- (a) The Congress finds—
 - (1) that man has caused changes in the environment;
 - (2) that many of these changes may affect the relationship between man and his environment; and
 - (3) that population increases and urban concentration contribute directly to pollution and the degradation of our environment.
- (b)(1) The Congress declares that there is a national policy for the environment which provides for the enhancement of environmental quality. This policy is evidenced by statutes heretofore enacted relating to the prevention, abatement, and control of environmental pollution, water and land resources, transportation, and economic and regional development.
- (2) The primary responsibility for implementing this policy rests with State and local government.
- (3) The Federal Government encourages and supports implementation of this policy through appropriate regional organizations established under existing law.
- (c) The purposes of this chapter are—
 - (1) to assure that each Federal department and agency conducting or supporting public works activities which affect the environment shall implement the policies established under existing law; and
 - (2) to authorize an Office of Environmental Quality, which, notwithstanding any other provision of law, shall provide the professional and administrative staff for the Council on Environmental Quality established by Public Law 91-190.

REFERENCES IN TEXT

Public Law 91-190, referred to in subsec. (c)(2), is Pub. L. 91-190, Jan. 1, 1970, 83 Stat. 852, as amended, known as the National Environmental Policy Act of 1969, which is classified generally to chapter 55 (§ 4321 et seq.) of this title. For complete classification of this Act to the Code, see Short Title note set out under section 4321 of this title and Tables.

SHORT TITLE

Section 201 of Pub. L. 91-224 provided that: "This title [enacting this chapter] may be cited as the 'Environmental Quality Improvement Act of 1970'."

§ 4372. Office of Environmental Quality

(a) Establishment; Director; Deputy Director

There is established in the Executive Office of the President an office to be known as the Office of Environmental Quality (hereafter in this chapter referred to as the "Office"). The Chairman of the Council on Environmental Quality established by Public Law 91-190 shall be the Director of the Office. There shall be in the Office a Deputy Director who shall be appointed by the President, by and with the advice and consent of the Senate.

(b) Compensation of Deputy Director

The compensation of the Deputy Director shall be fixed by the President at a rate not in excess of the annual rate of compensation payable to the Deputy Director of the Office of Management and Budget.

(c) Employment of personnel, experts, and consultants; compensation

The Director is authorized to employ such officers and employees (including experts and consultants) as may be necessary to enable the Office to carry out its functions under this chapter and Public Law 91-190, except that he may employ no more than ten specialists and other experts without regard to the provisions of title 5, governing appointments in the competitive service, and pay such specialists and experts without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title relating to classification and General Schedule pay rates, but no such specialist or expert shall be paid at a rate in excess of the maximum rate for GS-18 of the General Schedule under section 5332 of title 5.

(d) Duties and functions of Director

In carrying out his functions the Director shall assist and advise the President on policies and programs of the Federal Government affecting environmental quality by—

- (1) providing the professional and administrative staff and support for the Council on Environmental Quality established by Public Law 91-190.
- (2) assisting the Federal agencies and departments in appraising the effectiveness of existing and proposed facilities, programs, policies, and activities of the Federal Government, and those specific major projects designated by the President which do not require individual project authorization by Congress, which affect environmental quality;
- (3) reviewing the adequacy of existing systems for monitoring and predicting environmental changes in order to achieve effective coverage and efficient use of research facilities and other resources;
- (4) promoting the advancement of scientific knowledge of the effects of actions and technology on the environment and encourage the development of the means to prevent or reduce adverse effects that endanger the health and well-being of man;
- (5) assisting in coordinating among the Federal departments and agencies those programs and activities which affect, protect, and improve environmental quality;
