Section, act Aug. 14, 1935, ch. 531, title II, § 224, as added Aug. 1, 1956, ch. 836, title I, § 103(a), 70 Stat. 816; amended July 17, 1957, Pub. L. 85-109, § 2(a), 71 Stat. 308, related to reduction of benefits based on disability.

EFFECTIVE DATE OF REPEAL

Repeal applicable with respect to monthly benefits under this subchapter for August 1958 and succeeding months, see section 207(a) of Pub. L. 85-840, set out as an Effective Date of 1958 Amendment note under section 416 of this title.

§ 424a. Reduction of disability benefits

(a) Conditions for reduction; computation

If for any month prior to the month in which an individual attains the age of 65—

- (1) such individual is entitled to benefits under section 423 of this title, and
- (2) such individual is entitled for such month to—

(A) periodic benefits on account of his or her total or partial disability (whether or not permanent) under a workmen's compensation law or plan of the United States or a State, or

(B) periodic benefits on account of his or her total or partial disability (whether or not permanent) under any other law or plan of the United States, a State, a political subdivision (as that term is used in section 418(b)(2) of this title), or an instrumentality of two or more States (as that term is used in section 418(g) of this title), other than (i) benefits payable under title 38, (ii) benefits payable under a program of assistance which is based on need, (iii) benefits based on service all or substantially all of which was included under an agreement entered into by a State and the Commissioner of Social Security under section 418 of this title, and (iv) benefits under a law or plan of the United States based on service all or substantially all of which is employment as defined in section 410 of this title,

the total of his benefits under section 423 of this title for such month and of any benefits under section 402 of this title for such month based on his wages and self-employment income shall be reduced (but not below zero) by the amount by which the sum of—

- (3) such total of benefits under sections 423 and 402 of this title for such month, and
- (4) such periodic benefits payable (and actually paid) for such month to such individual under such laws or plans,

exceeds the higher of—

(5) 80 per centum of his "average current earnings", or

(6) the total of such individual's disability insurance benefits under section 423 of this title for such month and of any monthly insurance benefits under section 402 of this title for such month based on his wages and self-employment income, prior to reduction under this section.

In no case shall the reduction in the total of such benefits under sections 423 and 402 of this title for a month (in a continuous period of months) reduce such total below the sum of—

(7) the total of the benefits under sections 423 and 402 of this title, after reduction under this section, with respect to all persons entitled to benefits on the basis of such individual's wages and self-employment income for such month which were determined for such individual and such persons for the first month for which reduction under this section was made (or which would have been so determined if all of them had been so entitled in such first month), and

(8) any increase in such benefits with respect to such individual and such persons, before reduction under this section, which is made effective for months after the first month for which reduction under this section is made.

For purposes of clause (5), an individual's average current earnings means the largest of (A) the average monthly wage (determined under section 415(b) of this title as in effect prior to January 1979) used for purposes of computing his benefits under section 423 of this title, (B) one-sixtieth of the total of his wages and self-employment income (computed without regard to the limitations specified in sections 409(a)(1) and 411(b)(1) of this title) for the five consecutive calendar years after 1950 for which such wages and self-employment income were highest, or (C) one-twelfth of the total of his wages and self-employment income (computed without regard to the limitations specified in sections 409(a)(1) and 411(b)(1) of this title) for the calendar year in which he had the highest such wages and income during the period consisting of the calendar year in which he became disabled (as defined in section 423(d) of this title) and the five years preceding that year.

(b) Reduction where benefits payable on other than monthly basis

If any periodic benefit for a total or partial disability under a law or plan described in subsection (a)(2) of this section is payable on other than a monthly basis (excluding a benefit payable as a lump sum except to the extent that it is a commutation of, or a substitute for, periodic payments), the reduction under this section shall be made at such time or times and in such amounts as the Commissioner of Social Security finds will approximate as nearly as practicable the reduction prescribed by subsection (a) of this section.

(c) Reductions and deductions under other provisions

Reduction of benefits under this section shall be made after any reduction under subsection

(a) of section 403 of this title, but before deductions under such section and under section 422(b)¹ of this title.

(d) Exception

The reduction of benefits required by this section shall not be made if the law or plan described in subsection (a)(2) of this section under which a periodic benefit is payable provides for the reduction thereof when anyone is entitled to benefits under this subchapter on the basis of the wages and self-employment income of an individual entitled to benefits under section 423 of this title, and such law or plan so provided on February 18, 1981.

(e) Conditions for payment

If it appears to the Commissioner of Social Security that an individual may be eligible for periodic benefits under a law or plan which would give rise to reduction under this section, the Commissioner may require, as a condition of certification for payment of any benefits under section 423 of this title to any individual for any month and of any benefits under section 402 of this title for such month based on such individual's wages and self-employment income, that such individual certify (i) whether he has filed or intends to file any claim for such periodic benefits, and (ii) if he has so filed, whether there has been a decision on such claim. The Commissioner of Social Security may, in the absence of evidence to the contrary, rely upon such a certification by such individual that he has not filed and does not intend to file such a claim, or that he has so filed and no final decision thereon has been made, in certifying benefits for payment pursuant to section 405(i) of this title.

(f) Redetermination of reduction

(1) In the second calendar year after the year in which reduction under this section in the total of an individual's benefits under section 423 of this title and any benefits under section 402 of this title based on his wages and self-employment income was first required (in a continuous period of months), and in each third year thereafter, the Commissioner of Social Security shall redetermine the amount of such benefits which are still subject to reduction under this section; but such redetermination shall not result in any decrease in the total amount of benefits payable under this subchapter on the basis of such individual's wages and self-employment income. Such redetermined benefit shall be determined as of, and shall become effective with, the January following the year in which such redetermination was made.

(2) In making the redetermination required by paragraph (1), the individual's average current earnings (as defined in subsection (a) of this section) shall be deemed to be the product of—

(A) his average current earnings as initially determined under subsection (a) of this section; and

(B) the ratio of (i) the national average wage index (as defined in section 409(k)(1) of this title) for the calendar year before the year in which such redetermination is made to (ii) the national average wage index (as so defined) for

the calendar year before the year in which the reduction was first computed (but not counting any reduction made in benefits for a previous period of disability).

Any amount determined under this paragraph which is not a multiple of \$1 shall be reduced to the next lower multiple of \$1.

(g) Proportionate reduction; application of excess

Whenever a reduction in the total of benefits for any month based on an individual's wages and self-employment income is made under this section, each benefit, except the disability insurance benefit, shall first be proportionately decreased, and any excess of such reduction over the sum of all such benefits other than the disability insurance benefits shall then be applied to such disability insurance benefit.

(h) Furnishing of information

(1) Notwithstanding any other provision of law, the head of any Federal agency shall provide such information within its possession as the Commissioner of Social Security may require for purposes of making a timely determination of the amount of the reduction, if any, required by this section in benefits payable under this subchapter, or verifying other information necessary in carrying out the provisions of this section.

(2) The Commissioner of Social Security is authorized to enter into agreements with States, political subdivisions, and other organizations that administer a law or plan subject to the provisions of this section, in order to obtain such information as the Commissioner may require to carry out the provisions of this section.

§ 425. Additional rules relating to benefits based on disability

(a) Suspension of benefits

If the Commissioner of Social Security, on the basis of information obtained by or submitted to the Commissioner, believes that an individual entitled to benefits under section 423 of this title, or that a child who has attained the age of eighteen and is entitled to benefits under section 402(d) of this title, or that a widow or surviving divorced wife who has not attained age 60 and is entitled to benefits under section 402(e) of this title, or that a widower or surviving divorced husband who has not attained age 60 and is entitled to benefits under section 402(f) of this title, may have ceased to be under a disability, the Commissioner of Social Security may suspend the payment of benefits under such section 402(d), 402(e), 402(f), or 423 of this title until it is determined (as provided in section 421 of this title) whether or not such individual's disability has ceased or until the Commissioner of Social Security believes that such disability has not ceased. In the case of any individual whose disability is subject to determination under an agreement with a State under section 421(b) of this title, the Commissioner of Social Security shall promptly notify the appropriate State of the Commissioner's action under this subsection and shall request a prompt determination of whether such individual's disability has ceased. For purposes of this subsection, the term "disability" has the meaning assigned to such term in section 423(d) of this title. Whenever the benefits of an individual entitled to a disability insurance benefit are suspended for any month, the benefits of any individual entitled thereto under subsection (b), (c), or (d) of section 402 of this title, on the basis of the wages and self-employment income of such individual, shall be suspended for such month. The first sentence of this subsection shall not apply to any child enti-

tled to benefits under section 402(d) of this title, if he has attained the age of 18 but has not attained the age of 22, for any month during which he is a full-time student (as defined and determined under section 402(d) of this title).

(b) Continued payments during rehabilitation program

Notwithstanding any other provision of this subchapter, payment to an individual of benefits based on disability (as described in the first sentence of subsection (a) of this section) shall not be terminated or suspended because the physical or mental impairment, on which the individual's entitlement to such benefits is based, has or may have ceased, if—

(1) such individual is participating in a program consisting of the Ticket to Work and Self-Sufficiency Program under section 1320b-19 of this title or another program of vocational rehabilitation services, employment services, or other support services approved by the Commissioner of Social Security, and

(2) the Commissioner of Social Security determines that the completion of such program, or its continuation for a specified period of time, will increase the likelihood that such individual may (following his participation in such program) be permanently removed from the disability benefit rolls.

(B) is a qualified railroad retirement beneficiary, or

(C)(i) would meet the requirements of subparagraph (A) upon filing application for the monthly insurance benefits involved if medicare qualified government employment (as defined in section 410(p) of this title) were treated as employment (as defined in section 410(a) of this title) for purposes of this subchapter, and (ii) files an application, in conformity with regulations of the Secretary, for hospital insurance benefits under part A of subchapter XVIII of this chapter,

shall be entitled to hospital insurance benefits under part A of subchapter XVIII of this chapter for each month for which he meets the condition specified in paragraph (2), beginning with the first month after June 1966 for which he meets the conditions specified in paragraphs (1) and (2).

(b) Individuals under 65 years

Every individual who—

(1) has not attained age 65, and

(2)(A) is entitled to, and has for 24 calendar months been entitled to, (i) disability insurance benefits under section 423 of this title or (ii) child's insurance benefits under section 402(d) of this title by reason of a disability (as defined in section 423(d) of this title) or (iii) widow's insurance benefits under section 402(e) of this title or widower's insurance benefits under section 402(f) of this title by reason of a

disability (as defined in section 423(d) of this title), or

(B) is, and has been for not less than 24 months, a disabled qualified railroad retirement beneficiary, within the meaning of section 231f(d) of title 45, or

(C)(i) has filed an application, in conformity with regulations of the Secretary, for hospital insurance benefits under part A of subchapter XVIII of this chapter pursuant to this subparagraph, and

(ii) would meet the requirements of subparagraph (A) (as determined under the disability criteria, including reviews, applied under this subchapter), including the requirement that he has been entitled to the specified benefits for 24 months, if—

(I) medicare qualified government employment (as defined in section 410(p) of this title) were treated as employment (as defined in section 410(a) of this title) for purposes of this subchapter, and

(II) the filing of the application under clause (i) of this subparagraph were deemed to be the filing of an application for the disability-related benefits referred to in clause (i), (ii), or (iii) of subparagraph (A),

shall be entitled to hospital insurance benefits under part A of subchapter XVIII of this chapter for each month beginning with the later of (I) July 1973 or (II) the twenty-fifth month of his entitlement or status as a qualified railroad retirement beneficiary described in paragraph (2), and ending (subject to the last sentence of this subsection) with the month following the month in which notice of termination of such entitlement to benefits or status as a qualified railroad retirement beneficiary described in paragraph (2) is mailed to him, or if earlier, with the month before the month in which he attains age 65. In applying the previous sentence in the case of an individual described in paragraph (2)(C), the "twenty-fifth month of his entitlement" refers to the first month after the twenty-fourth month of entitlement to specified benefits referred to in paragraph (2)(C) and "notice of termination of such entitlement" refers to a notice that the individual would no longer be determined to be entitled to such specified benefits under the conditions described in that paragraph. For purposes of this subsection, an individual who has had a period of trial work which ended as provided in section 422(c)(4)(A) of this title, and whose entitlement to benefits or status as a qualified railroad retirement beneficiary as described in paragraph (2) has subsequently terminated, shall be deemed to be entitled to such benefits or to occupy such status (notwithstanding the termination of such entitlement or status) for the period of consecutive months throughout all of which the physical or mental impairment, on which such entitlement or status was based, continues, and throughout all of which such individual would have been entitled to monthly insurance benefits under this subchapter or as a qualified railroad retirement beneficiary had such individual been unable to engage in substantial gainful activity, but not in excess of 78 such months. In determining when an individual's entitlement or status terminates for purposes of the preceding sentence,

the term “36 months” in the second sentence of section 423(a)(1) of this title, in section 402(d)(1)(G)(i) of this title, in the last sentence of section 402(e)(1) of this title, and in the last sentence of section 402(f)(1) of this title shall be applied as though it read “15 months”.

(c) Conditions

(1) entitlement of an individual to hospital insurance benefits for a month shall consist of entitlement to have payment made under, and subject to the limitations in, part A of subchapter XVIII of this chapter on his behalf for inpatient hospital services, post-hospital extended care services, and home health services (as such terms are defined in part E of subchapter XVIII of this chapter) furnished him in the United States (or outside the United States in the case of inpatient hospital services furnished under the conditions described in section 1395f(f) of this title) during such month; except that (A) no such payment may be made for post-hospital extended care services furnished before January 1967, and (B) no such payment may be made for post-hospital extended care services unless the discharge from the hospital required to qualify such services for payment under part A of subchapter XVIII of this chapter occurred (i) after June 30, 1966, or on or after the first day of the month in which he attains age 65, whichever is later, or (ii) if he was entitled to hospital insurance benefits pursuant to subsection (b) of this section, at a time when he was so entitled; and

(2) an individual shall be deemed entitled to monthly insurance benefits under section 402 or section 423 of this title, or to be a qualified railroad retirement beneficiary, for the month in which he died if he would have been entitled to such benefits, or would have been a qualified railroad retirement beneficiary, for such month had he died in the next month.

(2) For purposes of determining entitlement to hospital insurance benefits under subsection (b) of this section in the case of an individual under age 65 who is entitled to benefits under section 402 of this title, and who was entitled to widow’s insurance benefits or widower’s insurance benefits based on disability for the month before the first month in which such individual was so entitled to old-age insurance benefits (but ceased to be entitled to such widow’s or widower’s insurance benefits upon becoming entitled to such old-age insurance benefits), such individual shall be deemed to have continued to be entitled to such widow’s insurance benefits or widower’s insurance benefits for and after such first month.

(3) For purposes of determining entitlement to hospital insurance benefits under subsection (b) of this section, any disabled widow aged 50 or older who is entitled to mother’s insurance benefits (and who would have been entitled to widow’s insurance benefits by reason of disability if she had filed for such widow’s benefits), and any disabled widower aged 50 or older who is entitled to father’s insurance benefits (and who would have been entitled to widower’s insurance benefits by reason of disability if he had filed for such widower’s benefits), shall, upon application for such hospital insurance benefits be deemed to have filed for such widow’s or widower’s insurance benefits.

(4) For purposes of determining entitlement to hospital insurance benefits under subsection (b) of this section in the case of an individual described in clause (iii) of subsection (b)(2)(A) of this section, the entitlement of such individual to widow’s or widower’s insurance benefits under section 402(e) or (f) of this title by reason of a disability shall be deemed to be the entitlement to such benefits that would result if such entitlement were determined without regard to the provisions of section 402(j)(4) of this title.

(f) Medicare waiting period for recipients of disability benefits

For purposes of subsection (b) of this section (and for purposes of section 1395p(g)(1) of this title and section 231f(d)(2)(ii) of title 45), the 24 months for which an individual has to have been entitled to specified monthly benefits on the basis of disability in order to become entitled to hospital insurance benefits on such basis effec-

(2) more than 84 months before the month in which his current disability began in any case where such monthly benefits were of the type specified in clause (A)(ii) or (A)(iii) of such subsection,

shall not include any month which occurred during such previous period, unless the physical or mental impairment which is the basis for disability is the same as (or directly related to) the physical or mental impairment which served as the basis for disability in such previous period.

(g) Information regarding eligibility of Federal employees

The Secretary and Director of the Office of Personnel Management shall jointly prescribe and carry out procedures designed to assure that all individuals who perform medicare qualified government employment by virtue of service described in section 410(a)(5) of this title are fully informed with respect to (1) their eligibility or potential eligibility for hospital insurance benefits (based on such employment) under part A of subchapter XVIII of this chapter, (2) the requirements for and conditions of such eligibility, and (3) the necessity of timely application as a condition of entitlement under subsection (b)(2)(C) of this section, giving particular attention to individuals who apply for an annuity under chapter 83¹ of title 5 or under another similar Federal retirement program, and whose eligibility for such an annuity is or would be based on a disability.

(h) Waiver of waiting period for individuals with ALS

For purposes of applying this section in the case of an individual medically determined to have amyotrophic lateral sclerosis (ALS), the following special rules apply:

(1) Subsection (b) of this section shall be applied as if there were no requirement for any entitlement to benefits, or status, for a period longer than 1 month.

(2) The entitlement under such subsection shall begin with the first month (rather than twenty-fifth month) of entitlement or status.

(3) Subsection (f) of this section shall not be applied.

§ 434. Demonstration project authority

(a) Authority

(1) In general

The Commissioner of Social Security (in this section referred to as the “Commissioner”) shall develop and carry out experiments and demonstration projects designed to determine the relative advantages and disadvantages of—

(A) various alternative methods of treating the work activity of individuals entitled to disability insurance benefits under section 423 of this title or to monthly insurance benefits under section 402 of this title based on such individual’s disability (as defined in section 423(d) of this title), including such methods as a reduction in benefits based on earnings, designed to encourage the return to work of such individuals;

(C) implementing sliding scale benefit offsets using variations in—

- (i) the amount of the offset as a proportion of earned income;
- (ii) the duration of the offset period; and
- (iii) the method of determining the amount of income earned by such individuals,

(2) Authority for expansion of scope

The Commissioner may expand the scope of any such experiment or demonstration project to include any group of applicants for benefits under the program established under this subchapter with impairments that reasonably may be presumed to be disabling for purposes of such demonstration project, and may limit any such demonstration project to any such group of applicants, subject to the terms of such demonstration project which shall define the extent of any such presumption.

The experiments and demonstration projects developed under subsection (a) of this section shall be of sufficient scope and shall be carried out on a wide enough scale to permit a thorough evaluation of the alternative methods under consideration while giving assurance that the results derived from the experiments and projects will obtain generally in the operation of the disability insurance program under this subchapter without committing such program to the adoption of any particular system either locally or nationally.

(c) Authority to waive compliance with benefits requirements

In the case of any experiment or demonstration project conducted under subsection (a) of this section, the Commissioner may waive compliance with the benefit requirements of this subchapter and the requirements of section 1320b–19 of this title as they relate to the program established under this subchapter, and the Secretary may (upon the request of the Commissioner) waive compliance with the benefits requirements of subchapter XVIII of this chapter, insofar as is necessary for a thorough evaluation of the alternative methods under consideration. § 502. Payments to States; computation of amounts

(a) Certification of amounts

The Secretary of Labor shall from time to time certify to the Secretary of the Treasury for payment to each State which has an unemployment compensation law approved by the Secretary of Labor under the Federal Unemployment Tax Act, such amounts as the Secretary of Labor determines to be necessary for the proper and efficient administration of such law during the fiscal year for which such payment is to be made, including 100 percent of so much of the reasonable expenditures of the State as are attributable to the costs of the implementation and operation of the immigration status verification system described in section 1320b-7(d) of this title. The Secretary of Labor's determination shall be based on (1) the population of the State; (2) an estimate of the number of persons covered by the State law and of the cost of proper and efficient administration of such law; and (3) such other factors as the Secretary of Labor finds relevant. No portion of the cost of mailing a statement under section 6050B(b) of the Internal Revenue Code of 1986 (relating to unemployment compensation) shall be treated as not being a cost for the proper and efficient administration of the State unemployment compensation law by reason of including with such statement information about the earned income credit provided by section 32 of the Internal Revenue Code of 1986. (D) A State food stamp agency to which an uncollected overissuance is owed shall reimburse the State agency charged with the administration of the State unemployment compensation law for the administrative costs incurred by the State agency under this paragraph that are attributable to repayment of uncollected overissuance to the State food stamp agency to which the uncollected overissuance is owed.

Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(c) Affirmance or setting aside of Secretary's action; review by Supreme Court

The court shall have jurisdiction to affirm the action of the Secretary of Labor or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28.

(d) Stay of Secretary's action

(1) The Secretary of Labor shall not withhold any certification for payment to any State under section 502 of this title until the expiration of 60 days after the Governor of the State has been notified of the action referred to in paragraph (1) or (2) of subsection (a) of this section or until the State has filed a petition for review of such action, whichever is earlier.

(2) The commencement of judicial proceedings under this section shall stay the Secretary's action for a period of 30 days, and the court may thereafter grant interim relief if warranted, including a further stay of the Secretary's action and including such other relief as may be necessary to preserve status or rights.

CONGRESSIONAL FINDINGS

Section 101 of Pub. L. 104-193 provided that: “The Congress makes the following findings:

“(1) Marriage is the foundation of a successful society.

“(2) Marriage is an essential institution of a successful society which promotes the interests of children.

“(3) Promotion of responsible fatherhood and motherhood is integral to successful child rearing and the well-being of children.

“(4) In 1992, only 54 percent of single-parent families with children had a child support order established and, of that 54 percent, only about one-half received the full amount due. Of the cases enforced through the public child support enforcement system, only 18 percent of the caseload has a collection.

“(5) The number of individuals receiving aid to families with dependent children (in this section referred to as ‘AFDC’) has more than tripled since 1965. More than two-thirds of these recipients are children. Eighty-nine percent of children receiving AFDC benefits now live in homes in which no father is present.

“(A)(i) The average monthly number of children receiving AFDC benefits—

“(I) was 3,300,000 in 1965;

“(II) was 6,200,000 in 1970;

“(III) was 7,400,000 in 1980; and

“(IV) was 9,300,000 in 1992.

“(ii) While the number of children receiving AFDC benefits increased nearly threefold between 1965 and 1992, the total number of children in the United States aged 0 to 18 has declined by 5.5 percent.

“(B) The Department of Health and Human Services has estimated that 12,000,000 children will receive AFDC benefits within 10 years.

“(C) The increase in the number of children receiving public assistance is closely related to the increase in births to unmarried women. Between 1970 and 1991, the percentage of live births to unmarried women increased nearly threefold, from 10.7 percent to 29.5 percent.

“(6) The increase of out-of-wedlock pregnancies and births is well documented as follows:

“(A) It is estimated that the rate of nonmarital teen pregnancy rose 23 percent from 54 pregnancies per 1,000 unmarried teenagers in 1976 to 66.7 pregnancies in 1991. The overall rate of nonmarital pregnancy rose 14 percent from 90.8 pregnancies per 1,000 unmarried women in 1980 to 103 in both 1991 and 1992. In contrast, the overall pregnancy rate for married couples decreased 7.3 percent between 1980 and 1991, from 126.9 pregnancies per 1,000 married women in 1980 to 117.6 pregnancies in 1991.

“(B) The total of all out-of-wedlock births between 1970 and 1991 has risen from 10.7 percent to 29.5 percent and if the current trend continues, 50 percent of all births by the year 2015 will be out-of-wedlock.

“(7) An effective strategy to combat teenage pregnancy must address the issue of male responsibility, including statutory rape culpability and prevention. The increase of teenage pregnancies among the youngest girls is particularly severe and is linked to predatory sexual practices by men who are significantly older.

“(A) It is estimated that in the late 1980’s, the rate for girls age 14 and under giving birth increased 26 percent.

“(B) Data indicates that at least half of the children born to teenage mothers are fathered by adult men. Available data suggests that almost 70 percent of births to teenage girls are fathered by men over age 20.

“(C) Surveys of teen mothers have revealed that a majority of such mothers have histories of sexual and physical abuse, primarily with older adult men.

“(8) The negative consequences of an out-of-wedlock birth on the mother, the child, the family, and society are well documented as follows:

“(A) Young women 17 and under who give birth outside of marriage are more likely to go on public assistance and to spend more years on welfare once enrolled. These combined effects of ‘younger and longer’ increase total AFDC costs per household by 25 percent to 30 percent for 17-year-olds.

“(B) Children born out-of-wedlock have a substantially higher risk of being born at a very low or moderately low birth weight.

“(C) Children born out-of-wedlock are more likely to experience low verbal cognitive attainment, as well as more child abuse, and neglect.

“(D) Children born out-of-wedlock were more likely to have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

“(E) Being born out-of-wedlock significantly reduces the chances of the child growing up to have an intact marriage.

“(F) Children born out-of-wedlock are 3 times more likely to be on welfare when they grow up.

“(9) Currently 35 percent of children in single-parent homes were born out-of-wedlock, nearly the same percentage as that of children in single-parent homes whose parents are divorced (37 percent). While many parents find themselves, through divorce or tragic circumstances beyond their control, facing the difficult task of raising children alone, nevertheless, the negative consequences of raising children in single-parent homes are well documented as follows:

“(A) Only 9 percent of married-couple families with children under 18 years of age have income below the national poverty level. In contrast, 46 percent of female-headed households with children under 18 years of age are below the national poverty level.

“(B) Among single-parent families, nearly ½ of the mothers who never married received AFDC while only ⅓ of divorced mothers received AFDC.

“(C) Children born into families receiving welfare assistance are 3 times more likely to be on welfare when they reach adulthood than children not born into families receiving welfare.

“(D) Mothers under 20 years of age are at the greatest risk of bearing low birth weight babies.

“(E) The younger the single-parent mother, the less likely she is to finish high school.

“(F) Young women who have children before finishing high school are more likely to receive welfare assistance for a longer period of time.

“(G) Between 1985 and 1990, the public cost of births to teenage mothers under the aid to families with dependent children program, the food stamp program, and the medicaid program has been estimated at \$120,000,000,000.

“(H) The absence of a father in the life of a child has a negative effect on school performance and peer adjustment.

“(I) Children of teenage single parents have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

“(J) Children of single-parent homes are 3 times more likely to fail and repeat a year in grade school than are children from intact 2-parent families.

“(K) Children from single-parent homes are almost 4 times more likely to be expelled or suspended from school.

“(L) Neighborhoods with larger percentages of youth aged 12 through 20 and areas with higher percentages of single-parent households have higher rates of violent crime.

“(M) Of those youth held for criminal offenses within the State juvenile justice system, only 29.8 percent lived primarily in a home with both parents. In contrast to these incarcerated youth, 73.9 percent of the 62,800,000 children in the Nation’s resident population were living with both parents.

“(10) Therefore, in light of this demonstration of the crisis in our Nation, it is the sense of the Congress that prevention of out-of-wedlock pregnancy and reduction in out-of-wedlock birth are very important Government interests and the policy contained in part A of title IV of the Social Security Act [this part] (as amended by section 103(a) of this Act) is intended to address the crisis.”

APPROPRIATION BY STATE LEGISLATURES

Section 901 of Pub. L. 104-193 provided that:

“(b) PROVISIONS OF LAW.—The provisions of law specified in this subsection are the following:

“(1) Part A of title IV of the Social Security Act [this part] (relating to block grants for temporary assistance for needy families).

“(2) The Child Care and Development Block Grant Act of 1990 [42 U.S.C. 9858 et seq.] (relating to block grants for child care).”

§ 602. Eligible States; State plan

(a) In general

As used in this part, the term “eligible State” means, with respect to a fiscal year, a State that, during the 27-month period ending with the close of the 1st quarter of the fiscal year, has submitted to the Secretary a plan that the Secretary has found includes the following:

(1) Outline of family assistance program

(A) General provisions

A written document that outlines how the State intends to do the following:

(i) Conduct a program, designed to serve all political subdivisions in the State (not necessarily in a uniform manner), that provides assistance to needy families with (or expecting) children and provides parents with job preparation, work, and support services to enable them to leave the program and become self-sufficient.

(ii) Require a parent or caretaker receiving assistance under the program to engage in work (as defined by the State) once the State determines the parent or caretaker is ready to engage in work, or once the parent or caretaker has received assistance under the program for 24 months (whether or not consecutive), whichever is earlier, consistent with section 607(e)(2) of this title.

(iii) Ensure that parents and caretakers receiving assistance under the program engage in work activities in accordance with section 607 of this title.

(iv) Take such reasonable steps as the State deems necessary to restrict the use and disclosure of information about individuals and families receiving assistance under the program attributable to funds provided by the Federal Government.

(v) Establish goals and take action to prevent and reduce the incidence of out-of-wedlock pregnancies, with special emphasis on teenage pregnancies, and establish numerical goals for reducing the illegitimacy ratio of the State (as defined in section 603(a)(2)(C)(iii) of this title) for calendar years 1996 through 2005.

(vi) Conduct a program, designed to reach State and local law enforcement officials, the education system, and relevant counseling services, that provides education and training on the problem of statutory rape so that teenage pregnancy prevention programs may be expanded in scope to include men.

(B) Special provisions

(i) The document shall indicate whether the State intends to treat families moving

into the State from another State differently than other families under the program, and if so, how the State intends to treat such families under the program.

(ii) The document shall indicate whether the State intends to provide assistance under the program to individuals who are not citizens of the United States, and if so, shall include an overview of such assistance.

(iii) The document shall set forth objective criteria for the delivery of benefits and the determination of eligibility and for fair and equitable treatment, including an explanation of how the State will provide opportunities for recipients who have been adversely affected to be heard in a State administrative or appeal process.

(iv) Not later than 1 year after August 22, 1996, unless the chief executive officer of the State opts out of this provision by notifying the Secretary, a State shall, consistent with the exception provided in section 607(e)(2) of this title, require a parent or caretaker receiving assistance under the program who, after receiving such assistance for 2 months is not exempt from work requirements and is not engaged in work, as determined under section 607(c) of this title, to participate in community service employment, with minimum hours per week and tasks to be determined by the State.

(2) Certification that the State will operate a child support enforcement program

A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a child support enforcement program under the State plan approved under part D of this subchapter.

(3) Certification that the State will operate a foster care and adoption assistance program

A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a foster care and adoption assistance program under the State plan approved under part E of this subchapter, and that the State will take such actions as are necessary to ensure that children receiving assistance under such part are eligible for medical assistance under the State plan under subchapter XIX of this chapter.

(4) Certification of the administration of the program

A certification by the chief executive officer of the State specifying which State agency or agencies will administer and supervise the program referred to in paragraph (1) for the fiscal year, which shall include assurances that local governments and private sector organizations—

(A) have been consulted regarding the plan and design of welfare services in the State so that services are provided in a manner appropriate to local populations; and

(B) have had at least 45 days to submit comments on the plan and the design of such services.

(5) Certification that the State will provide Indians with equitable access to assistance

A certification by the chief executive officer of the State that, during the fiscal year, the State will provide each member of an Indian tribe, who is domiciled in the State and is not eligible for assistance under a tribal family assistance plan approved under section 612 of this title, with equitable access to assistance under the State program funded under this part attributable to funds provided by the Federal Government.

(6) Certification of standards and procedures to ensure against program fraud and abuse

A certification by the chief executive officer of the State that the State has established and is enforcing standards and procedures to ensure against program fraud and abuse, including standards and procedures concerning nepotism, conflicts of interest among individuals responsible for the administration and supervision of the State program, kickbacks, and the use of political patronage.

- (i) screen and identify individuals receiving assistance under this part with a history of domestic violence while maintaining the confidentiality of such individuals;
- (ii) refer such individuals to counseling and supportive services; and
- (iii) waive, pursuant to a determination of good cause, other program requirements such as time limits (for so long as necessary) for individuals receiving assistance, residency requirements, child support cooperation requirements, and family cap provisions, in cases where compliance with such requirements would make it more difficult for individuals receiving assistance under this part to escape domestic violence or unfairly penalize such individuals who are or have been victimized by such violence, or individuals who are at risk of further domestic violence.

(iii) waive, pursuant to a determination of good cause, other program requirements such as time limits (for so long as necessary) for individuals receiving assistance, residency requirements, child support cooperation requirements, and family cap provisions, in cases where compliance with such requirements would make it more difficult for individuals receiving assistance under this part to escape domestic violence or unfairly penalize such individuals who are or have been victimized by such violence, or individuals who are at risk of further domestic violence.

(B) "Domestic violence" defined

For purposes of this paragraph, the term "domestic violence" has the same meaning as the term "battered or subjected to extreme cruelty", as defined in section 608(a)(7)(C)(iii) of this title.

ASSETS FOR INDEPENDENCE

Pub. L. 105-285, title IV, Oct. 27, 1998, 112 Stat. 2759, as amended by Pub. L. 106-554, §1(a)(1) [title VI,

§§ 602–607(a), 608(a), 609, 610], Dec. 21, 2000, 114 Stat. 2763, 2763A–74 to 2763A–76; Pub. L. 107–110, title VII, §702(h), Jan. 8, 2002, 115 Stat. 1947, provided that:

“SEC. 401. SHORT TITLE.

“This title may be cited as the ‘Assets for Independence Act’.

“SEC. 402. FINDINGS.

“Congress makes the following findings:

“(1) Economic well-being does not come solely from income, spending, and consumption, but also requires savings, investment, and accumulation of assets because assets can improve economic independence and stability, connect individuals with a viable and hopeful future, stimulate development of human and other capital, and enhance the welfare of offspring.

“(2) Fully ½ of all Americans have either no, negligible, or negative assets available for investment, just as the price of entry to the economic mainstream, the cost of a house, an adequate education, and starting a business, is increasing. Further, the household savings rate of the United States lags far behind other industrial nations, presenting a barrier to economic growth.

“(3) In the current tight fiscal environment, the United States should invest existing resources in high-yield initiatives. There is reason to believe that the financial returns, including increased income, tax revenue, and decreased welfare cash assistance, resulting from individual development accounts will far exceed the cost of investment in those accounts.

“(4) Traditional public assistance programs concentrating on income and consumption have rarely been successful in promoting and supporting the transition to increased economic self-sufficiency. Income-based domestic policy should be complemented with asset-based policy because, while income-based policies ensure that consumption needs (including food, child care, rent, clothing, and health care) are met, asset-based policies provide the means to achieve greater independence and economic well-being.

“SEC. 403. PURPOSES.

“The purposes of this title are to provide for the establishment of demonstration projects designed to determine—

“(1) the social, civic, psychological, and economic effects of providing to individuals and families with limited means an incentive to accumulate assets by saving a portion of their earned income;

“(2) the extent to which an asset-based policy that promotes saving for postsecondary education, homeownership, and microenterprise development may be used to enable individuals and families with limited means to increase their economic self-sufficiency; and

“(3) the extent to which an asset-based policy stabilizes and improves families and the community in which the families live.

“SEC. 404. DEFINITIONS.

§ 604a. Services provided by charitable, religious, or private organizations

(a) In general

(1) State options

A State may—

(A) administer and provide services under the programs described in subparagraphs (A) and (B)(i) of paragraph (2) through contracts with charitable, religious, or private organizations; and

(B) provide beneficiaries of assistance under the programs described in subparagraphs (A) and (B)(ii) of paragraph (2) with certificates, vouchers, or other forms of disbursement which are redeemable with such organizations.

(2) Programs described

The programs described in this paragraph are the following programs:

(A) A State program funded under this part (as amended by section 103(a) of this Act).

(B) Any other program established or modified under title I or II of this Act, that—

(i) permits contracts with organizations; or

(ii) permits certificates, vouchers, or other forms of disbursement to be provided to beneficiaries, as a means of providing assistance.

(b) Religious organizations

The purpose of this section is to allow States to contract with religious organizations, or to

allow religious organizations to accept certificates, vouchers, or other forms of disbursement under any program described in subsection (a)(2) of this section, on the same basis as any other nongovernmental provider without impairing the religious character of such organizations, and without diminishing the religious freedom of beneficiaries of assistance funded under such program.

(c) Nondiscrimination against religious organizations

In the event a State exercises its authority under subsection (a) of this section, religious organizations are eligible, on the same basis as any other private organization, as contractors to provide assistance, or to accept certificates, vouchers, or other forms of disbursement, under any program described in subsection (a)(2) of this section so long as the programs are implemented consistent with the Establishment Clause of the United States Constitution. Except as provided in subsection (k) of this section, neither the Federal Government nor a State receiving funds under such programs shall discriminate against an organization which is or applies to be a contractor to provide assistance, or which accepts certificates, vouchers, or other forms of disbursement, on the basis that the organization has a religious character.

(d) Religious character and freedom

(1) Religious organizations

A religious organization with a contract described in subsection (a)(1)(A) of this section, or which accepts certificates, vouchers, or other forms of disbursement under subsection (a)(1)(B) of this section, shall retain its independence from Federal, State, and local governments, including such organization's control over the definition, development, practice, and expression of its religious beliefs.

(2) Additional safeguards

Neither the Federal Government nor a State shall require a religious organization to—

(A) alter its form of internal governance; or

(B) remove religious art, icons, scripture, or other symbols;

in order to be eligible to contract to provide assistance, or to accept certificates, vouchers, or other forms of disbursement, funded under a program described in subsection (a)(2) of this section.

(e) Rights of beneficiaries of assistance

(1) In general

If an individual described in paragraph (2) has an objection to the religious character of the organization or institution from which the individual receives, or would receive, assistance funded under any program described in subsection (a)(2) of this section, the State in which the individual resides shall provide such individual (if otherwise eligible for such assistance) within a reasonable period of time after the date of such objection with assistance from an alternative provider that is accessible to the individual and the value of which is not less than the value of the assist-

ance which the individual would have received from such organization.

(2) Individual described

An individual described in this paragraph is an individual who receives, applies for, or requests to apply for, assistance under a program described in subsection (a)(2) of this section.

(f) Employment practices

A religious organization's exemption provided under section 2000e-1 of this title regarding employment practices shall not be affected by its participation in, or receipt of funds from, programs described in subsection (a)(2) of this section.

(g) Nondiscrimination against beneficiaries

Except as otherwise provided in law, a religious organization shall not discriminate against an individual in regard to rendering assistance funded under any program described in subsection (a)(2) of this section on the basis of religion, a religious belief, or refusal to actively participate in a religious practice.

(h) Fiscal accountability

(1) In general

Except as provided in paragraph (2), any religious organization contracting to provide assistance funded under any program described in subsection (a)(2) of this section shall be subject to the same regulations as other contractors to account in accord with generally accepted auditing principles for the use of such funds provided under such programs.

(2) Limited audit

If such organization segregates Federal funds provided under such programs into separate accounts, then only the financial assistance provided with such funds shall be subject to audit.

(i) Compliance

Any party which seeks to enforce its rights under this section may assert a civil action for injunctive relief exclusively in an appropriate State court against the entity or agency that allegedly commits such violation.

(j) Limitations on use of funds for certain purposes

No funds provided directly to institutions or organizations to provide services and administer programs under subsection (a)(1)(A) of this section shall be expended for sectarian worship, instruction, or proselytization.

(k) Preemption

Nothing in this section shall be construed to preempt any provision of a State constitution or State statute that prohibits or restricts the expenditure of State funds in or by religious organizations.

§ 607. Mandatory work requirements

(a) Participation rate requirements

(1) All families

A State to which a grant is made under section 603 of this title for a fiscal year shall achieve the minimum participation rate specified in the following table for the fiscal year with respect to all families receiving assistance under the State program funded under this part:

| If the fiscal year is: | The minimum participation rate is: |
|--------------------------|------------------------------------|
| 1997 | 25 |
| 1998 | 30 |
| 1999 | 35 |
| 2000 | 40 |
| 2001 | 45 |
| 2002 or thereafter | 50. |

(2) 2-parent families

A State to which a grant is made under section 603 of this title for a fiscal year shall achieve the minimum participation rate specified in the following table for the fiscal year with respect to 2-parent families receiving assistance under the State program funded under this part:

| If the fiscal year is: | The minimum participation rate is: |
|--------------------------|------------------------------------|
| 1997 | 75 |
| 1998 | 75 |
| 1999 or thereafter | 90. |

(b) Calculation of participation rates

(1) All families

(A) Average monthly rate

For purposes of subsection (a)(1) of this section, the participation rate for all families of a State for a fiscal year is the average of the participation rates for all families of the State for each month in the fiscal year.

(B) Monthly participation rates

The participation rate of a State for all families of the State for a month, expressed as a percentage, is—

- (i) the number of families receiving assistance under the State program funded under this part that include an adult or a minor child head of household who is engaged in work for the month; divided by
- (ii) the amount by which—

(I) the number of families receiving such assistance during the month that include an adult or a minor child head of household receiving such assistance; exceeds

(II) the number of families receiving such assistance that are subject in such month to a penalty described in subsection (e)(1) of this section but have not been subject to such penalty for more than 3 months within the preceding 12-month period (whether or not consecutive).

(2) 2-parent families

(A) Average monthly rate

For purposes of subsection (a)(2) of this section, the participation rate for 2-parent

families of a State for a fiscal year is the average of the participation rates for 2-parent families of the State for each month in the fiscal year.

(B) Monthly participation rates

The participation rate of a State for 2-parent families of the State for a month shall be calculated by use of the formula set forth in paragraph (1)(B), except that in the formula the term ‘number of 2-parent families’ shall be substituted for the term ‘number of families’ each place such latter term appears.

(C) Family with a disabled parent not treated as a 2-parent family

A family that includes a disabled parent shall not be considered a 2-parent family for purposes of subsections (a) and (b) of this section.

(3) Pro rata reduction of participation rate due to caseload reductions not required by Federal law and not resulting from changes in State eligibility criteria

(A) In general

The Secretary shall prescribe regulations for reducing the minimum participation rate otherwise required by this section for a fiscal year by the number of percentage points equal to the number of percentage points (if any) by which—

- (i) the average monthly number of families receiving assistance during the immediately preceding fiscal year under the State program funded under this part is less than
- (ii) the average monthly number of families that received aid under the State plan approved under part A of this subchapter (as in effect on September 30, 1995) during fiscal year 1995.

The minimum participation rate shall not be reduced to the extent that the Secretary determines that the reduction in the number of families receiving such assistance is required by Federal law.

(B) Eligibility changes not counted

The regulations required by subparagraph (A) shall not take into account families that are diverted from a State program funded under this part as a result of differences in eligibility criteria under a State program funded under this part and eligibility criteria under the State program operated under the State plan approved under part A of this subchapter (as such plan and such part were in effect on September 30, 1995). Such regulations shall place the burden on the Secretary to prove that such families were diverted as a direct result of differences in such eligibility criteria.

(4) State option to include individuals receiving assistance under a tribal family assistance plan or tribal work program

For purposes of paragraphs (1)(B) and (2)(B), a State may, at its option, include families in the State that are receiving assistance under a tribal family assistance plan approved under

section 612 of this title or under a tribal work program to which funds are provided under this part.

(5) State option for participation requirement exemptions

For any fiscal year, a State may, at its option, not require an individual who is a single custodial parent caring for a child who has not attained 12 months of age to engage in work, and may disregard such an individual in determining the participation rates under subsection (a) of this section for not more than 12 months.

(c) Engaged in work

(1) General rules

(A) All families

For purposes of subsection (b)(1)(B)(i) of this section, a recipient is engaged in work for a month in a fiscal year if the recipient is participating in work activities for at least the minimum average number of hours per week specified in the following table during the month, not fewer than 20 hours per week of which are attributable to an activity described in paragraph (1), (2), (3), (4), (5), (6), (7), (8), or (12) of subsection (d) of this section, subject to this subsection:

| If the month is in fiscal year: | The minimum average number of hours per week is: |
|--|---|
| 1997 | 20 |
| 1998 | 20 |
| 1999 | 25 |
| 2000 or thereafter | 30. |

(B) 2-parent families

For purposes of subsection (b)(2)(B) of this section, an individual is engaged in work for a month in a fiscal year if—

(i) the individual and the other parent in the family are participating in work activities for a total of at least 35 hours per week during the month, not fewer than 30 hours per week of which are attributable to an activity described in paragraph (1), (2), (3), (4), (5), (6), (7), (8), or (12) of subsection (d) of this section, subject to this subsection; and

(ii) if the family of the individual receives federally-funded child care assistance and an adult in the family is not disabled or caring for a severely disabled child, the individual and the other parent in the family are participating in work activities for a total of at least 55 hours per week during the month, not fewer than 50 hours per week of which are attributable to an activity described in paragraph (1), (2), (3), (4), (5), (6), (7), (8), or (12) of subsection (d) of this section.

(2) Limitations and special rules

(A) Number of weeks for which job search counts as work

(i) Limitation

Notwithstanding paragraph (1) of this subsection, an individual shall not be considered to be engaged in work by virtue of participation in an activity described in

subsection (d)(6) of this section of a State program funded under this part, after the individual has participated in such an activity for 6 weeks (or, if the unemployment rate of the State is at least 50 percent greater than the unemployment rate of the United States or the State is a needy State (within the meaning of section 603(b)(6) of this title), 12 weeks), or if the participation is for a week that immediately follows 4 consecutive weeks of such participation.

(ii) Limited authority to count less than full week of participation

For purposes of clause (i) of this subparagraph, on not more than 1 occasion per individual, the State shall consider participation of the individual in an activity described in subsection (d)(6) of this section for 3 or 4 days during a week as a week of participation in the activity by the individual.

(B) Single parent or relative with child under age 6 deemed to be meeting work participation requirements if parent or relative is engaged in work for 20 hours per week

For purposes of determining monthly participation rates under subsection (b)(1)(B)(i) of this section, a recipient who is the only parent or caretaker relative in the family of a child who has not attained 6 years of age is deemed to be engaged in work for a month if the recipient is engaged in work for an average of at least 20 hours per week during the month.

(C) Single teen head of household or married teen who maintains satisfactory school attendance deemed to be meeting work participation requirements

For purposes of determining monthly participation rates under subsection (b)(1)(B)(i) of this section, a recipient who is married or a head of household and has not attained 20 years of age is deemed to be engaged in work for a month in a fiscal year if the recipient—

(i) maintains satisfactory attendance at secondary school or the equivalent during the month; or

(ii) participates in education directly related to employment for an average of at least 20 hours per week during the month.

(D) Limitation on number of persons who may be treated as engaged in work by reason of participation in educational activities

For purposes of determining monthly participation rates under paragraphs (1)(B)(i) and (2)(B) of subsection (b) of this section, not more than 30 percent of the number of individuals in all families and in 2-parent families, respectively, in a State who are treated as engaged in work for a month may consist of individuals who are determined to be engaged in work for the month by reason of participation in vocational educational training, or (if the month is in fiscal year 2000 or thereafter) deemed to be engaged in

work for the month by reason of subparagraph (C) of this paragraph.

(d) “Work activities” defined

As used in this section, the term “work activities” means—

- (1) unsubsidized employment;
- (2) subsidized private sector employment;
- (3) subsidized public sector employment;
- (4) work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
- (5) on-the-job training;
- (6) job search and job readiness assistance;
- (7) community service programs;
- (8) vocational educational training (not to exceed 12 months with respect to any individual);
- (9) job skills training directly related to employment;
- (10) education directly related to employment, in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;

- (12) the provision of child care services to an individual who is participating in a community service program.

(e) Penalties against individuals

(1) In general

Except as provided in paragraph (2), if an individual in a family receiving assistance under the State program funded under this part refuses to engage in work required in accordance with this section, the State shall—

- (A) reduce the amount of assistance otherwise payable to the family pro rata (or more, at the option of the State) with respect to any period during a month in which the individual so refuses; or
- (B) terminate such assistance,

subject to such good cause and other exceptions as the State may establish.

(2) Exception

Notwithstanding paragraph (1), a State may not reduce or terminate assistance under the State program funded under this part based on a refusal of an individual to engage in work required in accordance with this section if the individual is a single custodial parent caring for a child who has not attained 6 years of age, and the individual proves that the individual has a demonstrated inability (as determined by the State) to obtain needed child care, for 1 or more of the following reasons:

- (A) Unavailability of appropriate child care within a reasonable distance from the individual’s home or work site.
- (B) Unavailability or unsuitability of informal child care by a relative or under other arrangements.
- (C) Unavailability of appropriate and affordable formal child care arrangements.

(f) Nondisplacement in work activities

(1) In general

Subject to paragraph (2), an adult in a family receiving assistance under a State program funded under this part attributable to funds provided by the Federal Government may fill a vacant employment position in order to engage in a work activity described in subsection (d) of this section.

(2) No filling of certain vacancies

No adult in a work activity described in subsection (d) of this section which is funded, in whole or in part, by funds provided by the Federal Government shall be employed or assigned—

(A) when any other individual is on layoff from the same or any substantially equivalent job; or

(B) if the employer has terminated the employment of any regular employee or otherwise caused an involuntary reduction of its workforce in order to fill the vacancy so created with an adult described in paragraph (1).

(3) Grievance procedure

A State with a program funded under this part shall establish and maintain a grievance procedure for resolving complaints of alleged violations of paragraph (2).

(4) No preemption

Nothing in this subsection shall preempt or supersede any provision of State or local law that provides greater protection for employees from displacement.

(g) Sense of Congress

It is the sense of the Congress that in complying with this section, each State that operates a program funded under this part is encouraged to assign the highest priority to requiring adults in 2-parent families and adults in single-parent families that include older preschool or school-age children to be engaged in work activities.

(h) Sense of Congress that States should impose certain requirements on noncustodial, non-supporting minor parents

It is the sense of the Congress that the States should require noncustodial, nonsupporting parents who have not attained 18 years of age to fulfill community work obligations and attend appropriate parenting or money management classes after school.

(i) Review of implementation of State work programs

During fiscal year 1999, the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate shall hold hearings and engage in other appropriate activities to review the implementation of this section by the States, and shall invite the Governors of the States to testify before them regarding such implementation. Based on such hearings, such Committees may introduce such legislation as may be appropriate to remedy any problems with the State programs operated pursuant to this section.

(B) Rescission of penalty

The Secretary shall rescind a penalty imposed on a State under subparagraph (A) with respect to a report if the State submits the report before the end of the fiscal quarter that immediately succeeds the fiscal quarter for which the report was required.

The Secretary shall provide a written report to Congress to justify any waiver or penalty reduction due to such extraordinary circumstances.

Subject to the amount appropriated under paragraph (3), each State shall, for the purpose of providing child care assistance, be entitled to payments under a grant under this subsection for a fiscal year in an amount equal to the greater of—

(A) the total amount required to be paid to the State under section 603 of this title for fiscal year 1994 or 1995 (whichever is greater) with respect to expenditures for child care under subsections (g) and (i) of section 602 of this title (as in effect before October 1, 1995); or

1992 through 1994 under the subsections referred to in subparagraph (A).

(2) Remainder

(A) Grants

The Secretary shall use any amounts appropriated for a fiscal year under paragraph (3), and remaining after the reservation described in paragraph (4) and after grants are awarded under paragraph (1), to make grants to States under this paragraph.

(B) Allotments to States

The total amount available for payments to States under this paragraph, as determined under subparagraph (A), shall be allotted among the States based on the formula used for determining the amount of Federal payments to each State under section 603(n) of this title (as in effect before October 1, 1995).

The Secretary shall pay to each eligible State for a fiscal year an amount equal to the lesser of the State's allotment under subparagraph (B) or the Federal medical assistance percentage for the State for the fiscal year (as defined in section 1396d(b) of this title, as such section was in effect on September 30, 1995) of so much of the State's expenditures for child care in that fiscal year as exceed the total amount of expenditures by the State (including expenditures from amounts made available from Federal funds) in fiscal year 1994 or 1995 (whichever is greater) for the programs described in paragraph (1)(A).

Such available amounts shall be redistributed to a State pursuant to section 603(n) of this title (as such section was in effect before October 1, 1995) by substituting "the number of children residing in all States applying for such funds" for "the number of children residing in the United States in the second preceding fiscal year".

(B) to State or local public agencies responsible for administering, or supervising the administration of, the plan under this part, for projects for the demonstration of the utilization of research (including findings resulting therefrom) in the field of child welfare in order to encourage experimental and special types of welfare services; and

(4) In evaluating applications from entities proposing to conduct demonstration projects

SUBPART 2—PROMOTING SAFE AND STABLE FAMILIES

SUBPART REFERRED TO IN OTHER SECTIONS

This subpart is referred to in sections 622, 653, 1320a-9 of this title.

§ 629. Findings and purpose

(a) Findings

The Congress finds that there is a continuing urgent need to protect children and to strengthen families as demonstrated by the following:

(1) Family support programs directed at specific vulnerable populations have had positive effects on parents, children, or both. The vulnerable populations for which programs have been shown to be effective include teenage mothers with very young children and families that have children with special needs.

(2) Family preservation programs have been shown to provide extensive and intensive services to families in crisis.

(3) The time lines established by the Adoption and Safe Families Act of 1997 have made the prompt availability of services to address family problems (and in particular the prompt availability of appropriate services and treatment addressing substance abuse) an important factor in successful family reunification.

(4) The rapid increases in the annual number of adoptions since the enactment of the Adoption and Safe Families Act of 1997 have created a growing need for postadoption services and for service providers with the particular knowledge and skills required to address the unique issues adoptive families and children may face.

(b) Purpose

The purpose of this program is to enable States to develop and establish, or expand, and to operate coordinated programs of community-based family support services, family preservation services, time-limited family reunification services, and adoption promotion and support services to accomplish the following objectives:

(1) To prevent child maltreatment among families at risk through the provision of supportive family services.

(2) To assure children's safety within the home and preserve intact families in which children have been maltreated, when the family's problems can be addressed effectively.

(3) To address the problems of families whose children have been placed in foster care so that reunification may occur in a safe and stable manner in accordance with the Adoption and Safe Families Act of 1997.

(4) To support adoptive families by providing support services as necessary so that they can make a lifetime commitment to their children.

(1) to conduct assessments, in accordance with such requirements as the Secretary shall publish, of the role, responsibilities, and effectiveness of State courts in carrying out State laws requiring proceedings (conducted by or under the supervision of the courts)—

(A) that implement this part and part E of this subchapter;

(B) that determine the advisability or appropriateness of foster care placement;

(C) that determine whether to terminate parental rights; and

(D) that determine whether to approve the adoption or other permanent placement of a child; and

(2) to implement improvements the highest state¹ courts deem necessary as a result of the assessments, including—

(A) to provide for the safety, well-being, and permanence of children in foster care, as set forth in the Adoption and Safe Families Act of 1997 (Public Law 105-89); and

(d) Federal share

Each highest State court which receives funds paid under this section may use such funds to pay not more than 75 percent of the cost of activities under this section in each of fiscal years 2002 through 2006.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 629f, 629g of this title.

§ 629i. Grants for programs for mentoring children of prisoners

(a) Findings and purpose

(1) Findings

(A) In the period between 1991 and 1999, the number of children with a parent incarcerated

in a Federal or State correctional facility increased by more than 100 percent, from approximately 900,000 to approximately 2,000,000. In 1999, 2.1 percent of all children in the United States had a parent in Federal or State prison.

(B) Prior to incarceration, 64 percent of female prisoners and 44 percent of male prisoners in State facilities lived with their children.

(C) Nearly 90 percent of the children of incarcerated fathers live with their mothers, and 79 percent of the children of incarcerated mothers live with a grandparent or other relative.

(D) Parental arrest and confinement lead to stress, trauma, stigmatization, and separation problems for children. These problems are coupled with existing problems that include poverty, violence, parental substance abuse, high-crime environments, intrafamilial abuse, child abuse and neglect, multiple care givers, and/or prior separations. As a result, these children often exhibit a broad variety of behavioral, emotional, health, and educational problems that are often compounded by the pain of separation.

(E) Empirical research demonstrates that mentoring is a potent force for improving children's behavior across all risk behaviors affecting health. Quality, one-on-one relationships that provide young people with caring role models for future success have profound, life-changing potential. Done right, mentoring markedly advances youths' life prospects. A widely cited 1995 study by Public/Private Ventures measured the impact of one Big Brothers Big Sisters program and found significant effects in the lives of youth—cutting first-time drug use by almost half and first-time alcohol use by about a third, reducing school absenteeism by half, cutting assaultive behavior by a third, improving parental and peer relationships, giving youth greater confidence in their school work, and improving academic performance.

(2) Purpose

The purpose of this section is to authorize the Secretary to make competitive grants to applicants in areas with substantial numbers of children of incarcerated parents, to support the establishment or expansion and operation of programs using a network of public and private community entities to provide mentoring services for children of prisoners.

(b) Definitions

In this section:

(1) Children of prisoners

The term “children of prisoners” means children one or both of whose parents are incarcerated in a Federal, State, or local correctional facility. The term is deemed to include children who are in an ongoing mentoring relationship in a program under this section at the time of their parents' release from prison, for purposes of continued participation in the program.

(2) Mentoring

The term “mentoring” means a structured, managed program in which children are appro-

priately matched with screened and trained adult volunteers for one-on-one relationships, involving meetings and activities on a regular basis, intended to meet, in part, the child's need for involvement with a caring and supportive adult who provides a positive role model.

(3) Mentoring services

The term "mentoring services" means those services and activities that support a structured, managed program of mentoring, including the management by trained personnel of outreach to, and screening of, eligible children; outreach to, education and training of, and liaison with sponsoring local organizations; screening and training of adult volunteers; matching of children with suitable adult volunteer mentors; support and oversight of the mentoring relationship; and establishment of goals and evaluation of outcomes for mentored children.

(c) Program authorized

From the amounts appropriated under subsection (h) of this section for a fiscal year that remain after applying subsection (h)(2) of this section, the Secretary shall make grants under this section for each of fiscal years 2002 through 2006 to State or local governments, tribal governments or tribal consortia, faith-based organizations, and community-based organizations in areas that have significant numbers of children of prisoners and that submit applications meeting the requirements of this section, in amounts that do not exceed \$5,000,000 per grant.

(d) Application requirements

In order to be eligible for a grant under this section, the chief executive officer of the applicant must submit to the Secretary an application containing the following:

(1) Program design

A description of the proposed program, including—

(A) a list of local public and private organizations and entities that will participate in the mentoring network;

(B) the name, description, and qualifications of the entity that will coordinate and oversee the activities of the mentoring network;

(C) the number of mentor-child matches proposed to be established and maintained annually under the program;

(D) such information as the Secretary may require concerning the methods to be used to recruit, screen support, and oversee individuals participating as mentors, (which methods shall include criminal background checks on the individuals), and to evaluate outcomes for participating children, including information necessary to demonstrate compliance with requirements established by the Secretary for the program; and

(E) such other information as the Secretary may require.

(2) Community consultation; coordination with other programs

A demonstration that, in developing and implementing the program, the applicant will, to the extent feasible and appropriate—

(A) consult with public and private community entities, including religious organizations, and including, as appropriate, Indian tribal organizations and urban Indian organizations, and with family members of potential clients;

(B) coordinate the programs and activities under the program with other Federal, State, and local programs serving children and youth; and

(C) consult with appropriate Federal, State, and local corrections, workforce development, and substance abuse and mental health agencies.

(3) Equal access for local service providers

An assurance that public and private entities and community organizations, including religious organizations and Indian organizations, will be eligible to participate on an equal basis.

(4) Records, reports, and audits

An agreement that the applicant will maintain such records, make such reports, and cooperate with such reviews or audits as the Secretary may find necessary for purposes of oversight of project activities and expenditures.

(5) Evaluation

An agreement that the applicant will cooperate fully with the Secretary's ongoing and final evaluation of the program under the plan, by means including providing the Secretary access to the program and program-related records and documents, staff, and grantees receiving funding under the plan.

(e) Federal share

(1) In general

A grant for a program under this section shall be available to pay a percentage share of the costs of the program up to—

(A) 75 percent for the first and second fiscal years for which the grant is awarded; and

(B) 50 percent for the third and each succeeding such fiscal years.

(2) Non-Federal share

The non-Federal share of the cost of projects under this section may be in cash or in kind. In determining the amount of the non-Federal share, the Secretary may attribute fair market value to goods, services, and facilities contributed from non-Federal sources.

(f) Considerations in awarding grants

In awarding grants under this section, the Secretary shall take into consideration—

(1) the qualifications and capacity of applicants and networks of organizations to effectively carry out a mentoring program under this section;

(2) the comparative severity of need for mentoring services in local areas, taking into consideration data on the numbers of children (and in particular of low-income children) with an incarcerated parents¹ (or parents) in the areas;

(3) evidence of consultation with existing youth and family service programs, as appropriate; and

¹ So in original. Probably should be "parent".

(4) any other factors the Secretary may deem significant with respect to the need for or the potential success of carrying out a mentoring program under this section.

(g) Evaluation

The Secretary shall conduct an evaluation of the programs conducted pursuant to this section, and submit to the Congress not later than April 15, 2005, a report on the findings of the evaluation.

(h) Authorization of appropriations; reservation of certain amounts

(1) Authorization

There are authorized to be appropriated to carry out this section \$67,000,000 for each of fiscal years 2002 and 2003, and such sums as may be necessary for each succeeding fiscal year.

(2) Reservation

The Secretary shall reserve 2.5 percent of the amount appropriated for each fiscal year under paragraph (1) for expenditure by the Secretary for research, technical assistance, and evaluation related to programs under this section.

The Secretary shall issue regulations to require that State agencies administering the child support enforcement program under this part include medical support as part of any child support order and enforce medical support whenever health care coverage is available to the noncustodial parent at a reasonable cost. Such regulation shall also provide for improved information exchange between such State agencies and the State agencies administering the State medicaid programs under subchapter XIX of this chapter with respect to the availability of health insurance coverage.

(g) Performance standards for State paternity establishment programs

(1) A State's program under this part shall be found, for purposes of section 609(a)(8) of this title, not to have complied substantially with the requirements of this part unless, for any fiscal year beginning on or after October 1, 1994, its paternity establishment percentage for such fiscal year is based on reliable data and (rounded to the nearest whole percentage point) equals or exceeds—

(iii) the paternity of whom has been established or acknowledged,

bears to the total number of children born out of wedlock and (except as provided in such last sentence) with respect to whom assistance was being provided under the State program funded under part A of this subchapter as of the end of the preceding fiscal year or with respect to whom services were being provided under the State's plan approved under this part as of the end of the preceding fiscal year pursuant to an application submitted under section 654(4)(A)(ii) of this title;

bears to the total number of children born out of wedlock during the preceding fiscal year; and

(C) the term "reliable data" means the most recent data available which are found by the Secretary to be reliable for purposes of this section.

For purposes of subparagraphs (A) and (B), the total number of children shall not include any child with respect to whom assistance is being provided under the State program funded under part A of this subchapter by reason of the death of a parent unless paternity is established for such child or any child with respect to whom an applicant or recipient is found by the State to qualify for a good cause or other exception to cooperation pursuant to section 654(29) of this title.

"(2) has established within the five years prior to the enactment of this Act [Aug. 16, 1984] a commission or council with substantially the same functions as the State Commissions provided for under this section, or

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 603, 652, 653, 654, 654b, 655 of this title.

§ 654b. Collection and disbursement of support payments

(a) State disbursement unit

(1) In general

In order for a State to meet the requirements of this section, the State agency must

establish and operate a unit (which shall be known as the “State disbursement unit”) for the collection and disbursement of payments under support orders—

(A) in all cases being enforced by the State pursuant to section 654(4) of this title; and

(B) in all cases not being enforced by the State under this part in which the support order is initially issued in the State on or after January 1, 1994, and in which the income of the noncustodial parent is subject to withholding pursuant to section 666(a)(8)(B) of this title.

(2) Operation

The State disbursement unit shall be operated—

(A) directly by the State agency (or 2 or more State agencies under a regional cooperative agreement), or (to the extent appropriate) by a contractor responsible directly to the State agency; and

(B) except in cases described in paragraph (1)(B), in coordination with the automated system established by the State pursuant to section 654a of this title.

(3) Linking of local disbursement units

The State disbursement unit may be established by linking local disbursement units through an automated information network, subject to this section, if the Secretary agrees that the system will not cost more nor take more time to establish or operate than a centralized system. In addition, employers shall be given 1 location to which income withholding is sent.

(b) Required procedures

The State disbursement unit shall use automated procedures, electronic processes, and computer-driven technology to the maximum extent feasible, efficient, and economical, for the collection and disbursement of support payments, including procedures—

(1) for receipt of payments from parents, employers, and other States, and for disbursements to custodial parents and other obligees, the State agency, and the agencies of other States;

(2) for accurate identification of payments;

(3) to ensure prompt disbursement of the custodial parent’s share of any payment; and

(4) to furnish to any parent, upon request, timely information on the current status of support payments under an order requiring payments to be made by or to the parent, except that in cases described in subsection (a)(1)(B) of this section, the State disbursement unit shall not be required to convert and maintain in automated form records of payments kept pursuant to section 666(a)(8)(B)(iii) of this title before the effective date of this section.

(c) Timing of disbursements

(1) In general

Except as provided in paragraph (2), the State disbursement unit shall distribute all amounts payable under section 657(a) of this title within 2 business days after receipt from the employer or other source of periodic in-

come, if sufficient information identifying the payee is provided. The date of collection for amounts collected and distributed under this part is the date of receipt by the State disbursement unit, except that if current support is withheld by an employer in the month when due and is received by the State disbursement unit in a month other than the month when due, the date of withholding may be deemed to be the date of collection.

(2) Permissive retention of arrearages

The State disbursement unit may delay the distribution of collections toward arrearages until the resolution of any timely appeal with respect to such arrearages.

(d) “Business day” defined

As used in this section, the term “business day” means a day on which State offices are open for regular business.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 654, 654a, 655, 666 of this title; title 10 section 1408.

§ 655. Payments to States

(a) Amounts payable each quarter

(1) From the sums appropriated therefor, the Secretary shall pay to each State for each quarter an amount—

(A) equal to the percent specified in paragraph (2) of the total amounts expended by such State during such quarter for the operation of the plan approved under section 654 of this title,

(B) equal to the percent specified in paragraph (3) of the sums expended during such quarter that are attributable to the planning, design, development, installation or enhancement of an automatic data processing and information retrieval system (including in such sums the full cost of the hardware components of such system); and¹

(C) equal to 90 percent (rather than the percentage specified in subparagraph (A)) of so much of the sums expended during such quarter as are attributable to laboratory costs incurred in determining paternity, and

(D) equal to 66 percent of the sums expended by the State during the quarter for an alternative statewide system for which a waiver has been granted under section 652(d)(3) of this title, but only to the extent that the total of the sums so expended by the State on or after July 16, 1998, does not exceed the least total cost estimate submitted by the State pursuant to section 652(d)(3)(C) of this title in the request for the waiver;

except that no amount shall be paid to any State on account of amounts expended to carry out an agreement which it has entered into pursuant to section 663 of this title. In determining the total amounts expended by any State during a quarter, for purposes of this subsection, there shall be excluded an amount equal to the total of any fees collected or other income resulting from services provided under the plan approved under this part.

(2) The percent applicable to quarters in a fiscal year for purposes of paragraph (1)(A) is—

(A) 70 percent for fiscal years 1984, 1985, 1986, and 1987,

(B) 68 percent for fiscal years 1988 and 1989, and

(C) 66 percent for fiscal year 1990 and each fiscal year thereafter.

(3)(A) The Secretary shall pay to each State, for each quarter in fiscal years 1996 and 1997, 90 percent of so much of the State expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements specified in section 654(16) of this title (as in effect on September 30, 1995) but limited to the amount approved for States in the advance planning documents of such States submitted on or before September 30, 1995.

(B)(i) The Secretary shall pay to each State or system described in clause (iii), for each quarter in fiscal years 1996 through 2001, the percentage specified in clause (ii) of so much of the State or system expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements of sections 654(16) and 654a of this title.

(ii) The percentage specified in this clause is 80 percent.

(iii) For purposes of clause (i), a system described in this clause is a system that has been

approved by the Secretary to receive enhanced funding pursuant to the Family Support Act of 1988 (Public Law 100-485; 102 Stat. 2343) for the purpose of developing a system that meets the requirements of sections 654(16) of this title (as in effect on and after September 30, 1995) and 654a of this title, including systems that have received funding for such purpose pursuant to a waiver under section 1315(a) of this title.

(4)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with a particular subparagraph of section 654(24) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements referred to in the same subparagraph of section 654(24) of this title shall be considered a single failure of the State to comply with that subparagraph during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term “penalty amount” means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title—

(I) 4 percent of the penalty base, in the case of the first fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed under this paragraph with respect to the failure);

(II) 8 percent of the penalty base, in the case of the second such fiscal year;

(III) 16 percent of the penalty base, in the case of the third such fiscal year;

(IV) 25 percent of the penalty base, in the case of the fourth such fiscal year; or

(V) 30 percent of the penalty base, in the case of the fifth or any subsequent such fiscal year.

(ii) The term “penalty base” means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive a penalty under this paragraph for any failure of a State to comply with section 654(24)(A) of this title during fiscal year 1998 if—

(I) on or before August 1, 1998, the State has submitted to the Secretary a request that the Secretary certify the State as having met the requirements of such section;

(II) the Secretary subsequently provides the certification as a result of a timely review conducted pursuant to the request; and

¹ So in original. The “; and” probably should be a comma.

(III) the State has not failed such a review.

(ii) If a State with respect to which a reduction is made under this paragraph for a fiscal year with respect to a failure to comply with a subparagraph of section 654(24) of this title achieves compliance with such subparagraph by the beginning of the succeeding fiscal year, the Secretary shall increase the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the succeeding fiscal year by an amount equal to 90 percent of the reduction for the fiscal year.

(iii) The Secretary shall reduce the amount of any reduction that, in the absence of this clause, would be required to be made under this paragraph by reason of the failure of a State to achieve compliance with section 654(24)(B) of this title during the fiscal year, by an amount equal to 20 percent of the amount of the otherwise required reduction, for each State performance measure described in section 658a(b)(4) of this title with respect to which the applicable percentage under section 658a(b)(6) of this title for the fiscal year is 100 percent, if the Secretary has made the determination described in section 658a(b)(5)(B) of this title with respect to the State for the fiscal year.

(D) The Secretary may not impose a penalty under this paragraph against a State with respect to a failure to comply with section 654(24)(B) of this title for a fiscal year if the Secretary is required to impose a penalty under this paragraph against the State with respect to a failure to comply with section 654(24)(A) of this title for the fiscal year.

(5)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary, not later than April 1, 2000, a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements of section 654B of this title shall be considered a single failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term “penalty amount” means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title—

(I) 4 percent of the penalty base, in the case of the 1st fiscal year in which such a

failure by the State occurs (regardless of whether a penalty is imposed in that fiscal year under this paragraph with respect to the failure), except as provided in subparagraph (C)(ii) of this paragraph;

(II) 8 percent of the penalty base, in the case of the 2nd such fiscal year;

(III) 16 percent of the penalty base, in the case of the 3rd such fiscal year;

(IV) 25 percent of the penalty base, in the case of the 4th such fiscal year; or

(V) 30 percent of the penalty base, in the case of the 5th or any subsequent such fiscal year.

(i) The term “penalty base” means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive all penalties imposed against a State under this paragraph for any failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title if the Secretary determines that, before April 1, 2000, the State has achieved such compliance.

(ii) If a State with respect to which a reduction is required to be made under this paragraph with respect to a failure to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title achieves such compliance on or after April 1, 2000, and on or before September 30, 2000, then the penalty amount applicable to the State shall be 1 percent of the penalty base with respect to the failure involved.

(D) The Secretary may not impose a penalty under this paragraph against a State for a fiscal year for which the amount otherwise payable to the State under paragraph (1)(A) of this subsection is reduced under paragraph (4) of this subsection for failure to comply with section 654(24)(A) of this title.

(b) Estimate of amounts payable; installment payments

(1) Prior to the beginning of each quarter, the Secretary shall estimate the amount to which a State will be entitled under subsection (a) of this section for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with the provisions of such subsection, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State’s proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, and (B) such other investigation as the Secretary may find necessary.

(2) Subject to subsection (d) of this section, the Secretary shall then pay, in such installments as he may determine, to the State the amount so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter

and with respect to which adjustment has not already been made under this subsection.

(3) Upon the making of any estimate by the Secretary under this subsection, any appropriations available for payments under this section shall be deemed obligated.

(c) Repealed. Pub. L. 97-248, title I, § 174(b), Sept. 3, 1982, 96 Stat. 403

(d) State reports

Notwithstanding any other provision of law, no amount shall be paid to any State under this section for any quarter, prior to the close of such quarter, unless for the period consisting of all prior quarters for which payment is authorized to be made to such State under subsection (a) of this section, there shall have been submitted by the State to the Secretary, with respect to each quarter in such period (other than the last two quarters in such period), a full and complete report (in such form and manner and containing such information as the Secretary shall prescribe or require) as to the amount of child support collected and disbursed and all expenditures with respect to which payment is authorized under subsection (a) of this section.

(e) Special project grants for interstate enforcement; appropriations

(1) In order to encourage and promote the development and use of more effective methods of enforcing support obligations under this part in cases where either the children on whose behalf the support is sought or their noncustodial parents do not reside in the State where such cases are filed, the Secretary is authorized to make grants, in such amounts and on such terms and conditions as the Secretary determines to be appropriate, to States which propose to undertake new or innovative methods of support collection in such cases and which will use the proceeds of such grants to carry out special projects designed to demonstrate and test such methods.

(2) A grant under this subsection shall be made only upon a finding by the Secretary that the project involved is likely to be of significant assistance in carrying out the purpose of this subsection; and with respect to such project the Secretary may waive any of the requirements of this part which would otherwise be applicable, to such extent and for such period as the Secretary determines is necessary or desirable in order to enable the State to carry out the project.

(3) At the time of its application for a grant under this subsection the State shall submit to the Secretary a statement describing in reasonable detail the project for which the proceeds of the grant are to be used, and the State shall from time to time thereafter submit to the Secretary such reports with respect to the project as the Secretary may specify.

(4) Amounts expended by a State in carrying out a special project assisted under this section shall be considered, for purposes of section 658(b)² of this title (as amended by section 5(a) of the Child Support Enforcement Amendments of 1984), to have been expended for the operation

of the State's plan approved under section 654 of this title.

(5) There is authorized to be appropriated the sum of \$7,000,000 for fiscal year 1985, \$12,000,000 for fiscal year 1986, and \$15,000,000 for each fiscal year thereafter, to be used by the Secretary in making grants under this subsection.

(f) Direct Federal funding to Indian tribes and tribal organizations

The Secretary may make direct payments under this part to an Indian tribe or tribal organization that demonstrates to the satisfaction of the Secretary that it has the capacity to operate a child support enforcement program meeting the objectives of this part, including establishment of paternity, establishment, modification, and enforcement of support orders, and location of absent parents. The Secretary shall promulgate regulations establishing the requirements which must be met by an Indian tribe or tribal organization to be eligible for a grant under this subsection.

(C) State collections base

For purposes of subparagraph (A), the State collections base for a fiscal year is equal to the sum of—

- (i) 2 times the sum of—

Children need and deserve the emotional and financial support of both their parents.

The Federal Government requires States and, through them, public and private employers to take actions necessary to ensure that monies in payment of child support obligations are withheld and transferred to the child's caretaker in an efficient and expeditious manner.

The Federal Government, through its civilian employees and Uniformed Services members, is the Nation's largest single employer and as such should set an example of leadership and encouragement in ensuring that all children are properly supported.

NOW, THEREFORE, by the authority vested in me as President by the Constitution and the laws of the United States of America, including section 301 of title 3, United States Code, it is hereby ordered as follows:

(iv) proposals to improve service of process for civilian employees and members of the Uniformed Services stationed outside the United States, including the possibility of serving process by certified mail in establishment and enforcement cases or of designating an agent for service of process that would have the same effect and bind employees to the same extent as actual service upon the employees;

(v) strategies to facilitate compliance with Federal and State child support requirements by quasi-governmental agencies, advisory groups, and commissions; and

(vi) analysis of whether compliance with support orders should be a factor used in defining suitability for Federal employment.

(b) The recommendations are due within 180 days of the date of this order. The recommendations are to be submitted in writing to the Office of Management and Budget.

SEC. 501. *Internal Management.* This order is intended only to improve the internal management of the executive branch with regard to child support enforcement and shall not be interpreted to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its officers, or any other person.

SEC. 502. *Sovereignty of the United States Government.* This order is intended only to provide that the Federal Government has elected to require Federal agencies to adhere to the same standards as are applicable to all other employers in the Nation and shall not be interpreted as subjecting the Federal Government to any State law or requirement. SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 654, 655 of this title.

§ 664. Collection of past-due support from Federal tax refunds

(a) Procedures applicable; distribution

(1) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support which has been assigned to such State pursuant to section 608(a)(3) or section 671(a)(17) of this title, the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to the past-due support, shall concurrently send notice to such individual that the withholding has been made (including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund), and shall pay such amount to the State agency (together with notice of the individual's home address) for distribution in accordance with section 657 of this title. This subsection may be executed by the disbursing official of the Department of the Treasury.

(2)(A) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support (as that term is defined for purposes of this paragraph under subsection (c) of this section) which such State has agreed to collect under section 654(4)(A)(ii) of this title, and that the State agency has sent notice to such individual in accordance with paragraph (3)(A), the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to such past-due support, and shall concurrently send notice to such individual that the withholding has been made, including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund. The Secretary of the Treasury shall pay the amount withheld to the State agency, and the State shall pay to the Secretary of the Treasury any fee imposed by the Secretary of the Treasury to cover the costs of the withholding and any required notification. The State agency shall, subject to paragraph (3)(B), distribute such amount to or on behalf of the child to whom the support

was owed in accordance with section 657 of this title. This subsection may be executed by the Secretary of the Department of the Treasury or his designee.

(B) This paragraph shall apply only with respect to refunds payable under section 6402 of the Internal Revenue Code of 1986 after December 31, 1985.

(3)(A) Prior to notifying the Secretary of the Treasury under paragraph (1) or (2) that an individual owes past-due support, the State shall send notice to such individual that a withholding will be made from any refund otherwise payable to such individual. The notice shall also (i) instruct the individual owing the past-due support of the steps which may be taken to contest the State's determination that past-due support is owed or the amount of the past-due support, and (ii) provide information, as may be prescribed by the Secretary of Health and Human Services by regulation in consultation with the Secretary of the Treasury, with respect to procedures to be followed, in the case of a joint return, to protect the share of the refund which may be payable to another person.

(B) If the Secretary of the Treasury determines that an amount should be withheld under paragraph (1) or (2), and that the refund from which it should be withheld is based upon a joint return, the Secretary of the Treasury shall notify the State that the withholding is being made from a refund based upon a joint return, and shall furnish to the State the names and addresses of each taxpayer filing such joint return. In the case of a withholding under paragraph (2), the State may delay distribution of the amount withheld until the State has been notified by the Secretary of the Treasury that the other person filing the joint return has received his or her proper share of the refund, but such delay may not exceed six months.

(C) If the other person filing the joint return with the named individual owing the past-due support takes appropriate action to secure his or her proper share of a refund from which a withholding was made under paragraph (1) or (2), the Secretary of the Treasury shall pay such share to such other person. The Secretary of the Treasury shall deduct the amount of such payment from amounts subsequently payable to the State agency to which the amount originally withheld from such refund was paid.

(D) In any case in which an amount was withheld under paragraph (1) or (2) and paid to a State, and the State subsequently determines that the amount certified as past-due support was in excess of the amount actually owed at the time the amount withheld is to be distributed to or on behalf of the child, the State shall pay the excess amount withheld to the named individual thought to have owed the past-due support (or, in the case of amounts withheld on the basis of a joint return, jointly to the parties filing such return).

(b) Regulations; contents, etc.

(1) The Secretary of the Treasury shall issue regulations, approved by the Secretary of Health and Human Services, prescribing the time or times at which States must submit notices of past-due support, the manner in which

such notices must be submitted, and the necessary information that must be contained in or accompany the notices. The regulations shall be consistent with the provisions of subsection (a)(3) of this section, shall specify the minimum amount of past-due support to which the offset procedure established by subsection (a) of this section may be applied, and the fee that a State must pay to reimburse the Secretary of the Treasury for the full cost of applying the offset procedure, and shall provide that the Secretary of the Treasury will advise the Secretary of Health and Human Services, not less frequently than annually, of the States which have furnished notices of past-due support under subsection (a) of this section, the number of cases in each State with respect to which such notices have been furnished, the amount of support sought to be collected under this subsection by each State, and the amount of such collections actually made in the case of each State. Any fee paid to the Secretary of the Treasury pursuant to this subsection may be used to reimburse appropriations which bore all or part of the cost of applying such procedure.

(2) In the case of withholdings made under subsection (a)(2) of this section, the regulations promulgated pursuant to this subsection shall include the following requirements:

(A) The withholding shall apply only in the case where the State determines that the amount of the past-due support which will be owed at the time the withholding is to be made, based upon the pattern of payment of support and other enforcement actions being pursued to collect the past-due support, is equal to or greater than \$500. The State may limit the \$500 threshold amount to amounts of past-due support accrued since the time that the State first began to enforce the child support order involved under the State plan, and may limit the application of the withholding to past-due support accrued since such time.

(B) The fee which the Secretary of the Treasury may impose to cover the costs of the withholding and notification may not exceed \$25 per case submitted.

(c) "Past-due support" defined

(1) Except as provided in paragraph (2), as used in this part the term "past-due support" means the amount of a delinquency, determined under a court order, or an order of an administrative process established under State law, for support and maintenance of a child, or of a child and the parent with whom the child is living.

(2) For purposes of subsection (a)(2) of this section, the term "past-due support" means only past-due support owed to or on behalf of a qualified child (or a qualified child and the parent with whom the child is living if the same support order includes support for the child and the parent).

(3) For purposes of paragraph (2), the term "qualified child" means a child—

(A) who is a minor; or

(B)(i) who, while a minor, was determined to be disabled under subchapter II or XVI of this chapter; and

(ii) for whom an order of support is in force.

§ 665. Allotments from pay for child and spousal support owed by members of uniformed services on active duty

(a) Mandatory allotment; notice upon failure to make; amount of allotment; adjustment or discontinuance; consultation

(1) In any case in which child support payments or child and spousal support payments are owed by a member of one of the uniformed services (as defined in section 101(3) of title 37) on active duty, such member shall be required to make allotments from his pay and allowances (under chapter 13 of title 37) as payment of such support, when he has failed to make periodic payments under a support order that meets the criteria specified in section 1673(b)(1)(A) of title 15 and the resulting delinquency in such payments is in a total amount equal to the support payable for two months or longer. Failure to make such payments shall be established by notice from an authorized person (as defined in subsection (b) of this section) to the designated official in the appropriate uniformed service. Such notice (which shall in turn be given to the affected member) shall also specify the person to whom the allotment is to be payable. The amount of the allotment shall be the amount necessary to comply with the order (which, if the order so provides, may include arrearages as

well as amounts for current support), except that the amount of the allotment, together with any other amounts withheld for support from the wages of the member, as a percentage of his pay from the uniformed service, shall not exceed the limits prescribed in sections¹ 1673(b) and (c) of title 15. An allotment under this subsection shall be adjusted or discontinued upon notice from the authorized person.

(2) Notwithstanding the preceding provisions of this subsection, no action shall be taken to require an allotment from the pay and allowances of any member of one of the uniformed services under such provisions (A) until such member has had a consultation with a judge advocate of the service involved (as defined in section 801(13) of title 10), or with a law specialist (as defined in section 801(11) of such title) in the case of the Coast Guard, or with a legal officer designated by the Secretary concerned (as defined in section 101(5) of title 37) in any other case, in person, to discuss the legal and other factors involved with respect to the member's support obligation and his failure to make payments thereon, or (B) until 30 days have elapsed after the notice described in the second sentence of paragraph (1) is given to the affected member in any case where it has not been possible, despite continuing good faith efforts, to arrange such a consultation.

(b) "Authorized person" defined

For purposes of this section the term "authorized person" with respect to any member of the uniformed services means—

(1) any agent or attorney of a State having in effect a plan approved under this part who has the duty or authority under such plan to seek to recover any amounts owed by such member as child or child and spousal support (including, when authorized under the State plan, any official of a political subdivision); and

(2) the court which has authority to issue an order against such member for the support and maintenance of a child, or any agent of such court.

(c) Regulations

The Secretary of Defense, in the case of the Army, Navy, Air Force, and Marine Corps, and the Secretary concerned (as defined in section 101(5) of title 37) in the case of each of the other uniformed services, shall each issue regulations applicable to allotments to be made under this section, designating the officials to whom notice of failure to make support payments, or notice to discontinue or adjust an allotment, should be given, prescribing the form and content of the notice and specifying any other rules necessary for such Secretary to implement this section.

(Aug. 14, 1935, ch. 531, title IV, §465, as added Pub. L. 97-248, title I, §172(a), Sept. 3, 1982, 96 Stat. 401.)

TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 666. Requirement of statutorily prescribed procedures to improve effectiveness of child support enforcement

(a) Types of procedures required

In order to satisfy section 654(20)(A) of this title, each State must have in effect laws requiring the use of the following procedures, consistent with this section and with regulations of the Secretary, to increase the effectiveness of the program which the State administers under this part:

(1)(A) Procedures described in subsection (b) of this section for the withholding from income of amounts payable as support in cases subject to enforcement under the State plan.

(B) Procedures under which the income of a person with a support obligation imposed by a support order issued (or modified) in the State before January 1, 1994, if not otherwise subject to withholding under subsection (b) of this section, shall become subject to withholding as provided in subsection (b) of this section if arrearages occur, without the need for a judicial or administrative hearing.

(2) Expedited administrative and judicial procedures (including the procedures specified in subsection (c) of this section) for establishing paternity and for establishing, modifying, and enforcing support obligations. The Secretary may waive the provisions of this paragraph with respect to one or more political subdivisions within the State on the basis of the effectiveness and timeliness of support order issuance and enforcement or paternity establishment within the political subdivision (in accordance with the general rule for exemptions under subsection (d) of this section).

(3) Procedures under which the State child support enforcement agency shall request, and the State shall provide, that for the purpose of enforcing a support order under any State plan approved under this part—

(A) any refund of State income tax which would otherwise be payable to a noncustodial parent will be reduced, after notice has been sent to that noncustodial parent of the proposed reduction and the procedures to be followed to contest it (and after full compliance with all procedural due process requirements of the State), by the amount of any overdue support owed by such noncustodial parent;

(B) the amount by which such refund is reduced shall be distributed in accordance with section 657 of this title in the case of overdue support assigned to a State pursuant to section 608(a)(3) or 671(a)(17) of this title, or, in any other case, shall be distributed, after deduction of any fees imposed by the State to cover the costs of collection, to

the child or parent to whom such support is owed; and

(C) notice of the noncustodial parent's social security account number (or numbers, if he has more than one such number) and home address shall be furnished to the State agency requesting the refund offset, and to the State agency enforcing the order.

(4) LIENS.—Procedures under which—

(A) liens arise by operation of law against real and personal property for amounts of overdue support owed by a noncustodial parent who resides or owns property in the State; and

(B) the State accords full faith and credit to liens described in subparagraph (A) arising in another State, when the State agency, party, or other entity seeking to enforce such a lien complies with the procedural rules relating to recording or serving liens that arise within the State, except that such rules may not require judicial notice or hearing prior to the enforcement of such a lien.

(5) PROCEDURES CONCERNING PATERNITY ESTABLISHMENT.—

(A) ESTABLISHMENT PROCESS AVAILABLE FROM BIRTH UNTIL AGE 18.—

(i) Procedures which permit the establishment of the paternity of a child at any time before the child attains 18 years of age.

(ii) As of August 16, 1984, clause (i) shall also apply to a child for whom paternity has not been established or for whom a paternity action was brought but dismissed because a statute of limitations of less than 18 years was then in effect in the State.

(B) PROCEDURES CONCERNING GENETIC TESTING.—

(i) GENETIC TESTING REQUIRED IN CERTAIN CONTESTED CASES.—Procedures under which the State is required, in a contested paternity case (unless otherwise barred by State law) to require the child and all other parties (other than individuals found under section 654(29) of this title to have good cause and other exceptions for refusing to cooperate) to submit to genetic tests upon the request of any such party, if the request is supported by a sworn statement by the party—

(I) alleging paternity, and setting forth facts establishing a reasonable possibility of the requisite sexual contact between the parties; or

(II) denying paternity, and setting forth facts establishing a reasonable possibility of the nonexistence of sexual contact between the parties.

(ii) OTHER REQUIREMENTS.—Procedures which require the State agency, in any case in which the agency orders genetic testing—

(I) to pay costs of such tests, subject to recoupment (if the State so elects) from the alleged father if paternity is established; and

(II) to obtain additional testing in any case if an original test result is contested, upon request and advance payment by the contestant.

(C) VOLUNTARY PATERNITY ACKNOWLEDGMENT.—

(i) SIMPLE CIVIL PROCESS.—Procedures for a simple civil process for voluntarily acknowledging paternity under which the State must provide that, before a mother and a putative father can sign an acknowledgment of paternity, the mother and the putative father must be given notice, orally, or through the use of video or audio equipment, and in writing, of the alternatives to, the legal consequences of, and the rights (including, if 1 parent is a minor, any rights afforded due to minority status) and responsibilities that arise from, signing the acknowledgment.

(ii) HOSPITAL-BASED PROGRAM.—Such procedures must include a hospital-based program for the voluntary acknowledgment of paternity focusing on the period immediately before or after the birth of a child.

(iii) PATERNITY ESTABLISHMENT SERVICES.—

(I) STATE-OFFERED SERVICES.—Such procedures must require the State agency responsible for maintaining birth records to offer voluntary paternity establishment services.

(II) REGULATIONS.—

(aa) SERVICES OFFERED BY HOSPITALS AND BIRTH RECORD AGENCIES.—The Secretary shall prescribe regulations governing voluntary paternity establishment services offered by hospitals and birth record agencies.

(bb) SERVICES OFFERED BY OTHER ENTITIES.—The Secretary shall prescribe regulations specifying the types of other entities that may offer voluntary paternity establishment services, and governing the provision of such services, which shall include a requirement that such an entity must use the same notice provisions used by, use the same materials used by, provide the personnel providing such services with the same training provided by, and evaluate the provision of such services in the same manner as the provision of such services is evaluated by, voluntary paternity establishment programs of hospitals and birth record agencies.

(iv) USE OF PATERNITY ACKNOWLEDGMENT AFFIDAVIT.—Such procedures must require the State to develop and use an affidavit for the voluntary acknowledgment of paternity which includes the minimum requirements of the affidavit specified by the Secretary under section 652(a)(7) of this title for the voluntary acknowledgment of paternity, and to give full faith and credit to such an affidavit signed in any other State according to its procedures.

(D) STATUS OF SIGNED PATERNITY ACKNOWLEDGMENT.—

(i) INCLUSION IN BIRTH RECORDS.—Procedures under which the name of the father shall be included on the record of birth of the child of unmarried parents only if—

(I) the father and mother have signed a voluntary acknowledgment of paternity; or

(II) a court or an administrative agency of competent jurisdiction has issued an adjudication of paternity.

Nothing in this clause shall preclude a State agency from obtaining an admission of paternity from the father for submission in a judicial or administrative proceeding, or prohibit the issuance of an order in a judicial or administrative proceeding which bases a legal finding of paternity on an admission of paternity by the father and any other additional showing required by State law.

(ii) LEGAL FINDING OF PATERNITY.—Procedures under which a signed voluntary acknowledgment of paternity is considered a legal finding of paternity, subject to the right of any signatory to rescind the acknowledgment within the earlier of—

(I) 60 days; or

(II) the date of an administrative or judicial proceeding relating to the child (including a proceeding to establish a support order) in which the signatory is a party.

(iii) CONTEST.—Procedures under which, after the 60-day period referred to in clause (ii), a signed voluntary acknowledgment of paternity may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the challenger, and under which the legal responsibilities (including child support obligations) of any signatory arising from the acknowledgment may not be suspended during the challenge, except for good cause shown.

(E) BAR ON ACKNOWLEDGMENT RATIFICATION PROCEEDINGS.—Procedures under which judicial or administrative proceedings are not required or permitted to ratify an unchallenged acknowledgment of paternity.

(F) ADMISSIBILITY OF GENETIC TESTING RESULTS.—Procedures—

(i) requiring the admission into evidence, for purposes of establishing paternity, of the results of any genetic test that is—

(I) of a type generally acknowledged as reliable by accreditation bodies designated by the Secretary; and

(II) performed by a laboratory approved by such an accreditation body;

(ii) requiring an objection to genetic testing results to be made in writing not later than a specified number of days before any hearing at which the results may be introduced into evidence (or, at State option, not later than a specified number of days after receipt of the results); and

(iii) making the test results admissible as evidence of paternity without the need for foundation testimony or other proof of

authenticity or accuracy, unless objection is made.

(G) PRESUMPTION OF PATERNITY IN CERTAIN CASES.—Procedures which create a rebuttable or, at the option of the State, conclusive presumption of paternity upon genetic testing results indicating a threshold probability that the alleged father is the father of the child.

(H) DEFAULT ORDERS.—Procedures requiring a default order to be entered in a paternity case upon a showing of service of process on the defendant and any additional showing required by State law.

(I) NO RIGHT TO JURY TRIAL.—Procedures providing that the parties to an action to establish paternity are not entitled to a trial by jury.

(J) TEMPORARY SUPPORT ORDER BASED ON PROBABLE PATERNITY IN CONTESTED CASES.—Procedures which require that a temporary order be issued, upon motion by a party, requiring the provision of child support pending an administrative or judicial determination of parentage, if there is clear and convincing evidence of paternity (on the basis of genetic tests or other evidence).

(K) PROOF OF CERTAIN SUPPORT AND PATERNITY ESTABLISHMENT COSTS.—Procedures under which bills for pregnancy, childbirth, and genetic testing are admissible as evidence without requiring third-party foundation testimony, and shall constitute prima facie evidence of amounts incurred for such services or for testing on behalf of the child.

(L) STANDING OF PUTATIVE FATHERS.—Procedures ensuring that the putative father has a reasonable opportunity to initiate a paternity action.

(M) FILING OF ACKNOWLEDGMENTS AND ADJUDICATIONS IN STATE REGISTRY OF BIRTH RECORDS.—Procedures under which voluntary acknowledgments and adjudications of paternity by judicial or administrative processes are filed with the State registry of birth records for comparison with information in the State case registry.

(7) REPORTING ARREARAGES TO CREDIT BUREAUS.—

(A) IN GENERAL.—Procedures (subject to safeguards pursuant to subparagraph (B)) requiring the State to report periodically to consumer reporting agencies (as defined in section 1681a(f) of title 15) the name of any noncustodial parent who is delinquent in the payment of support, and the amount of overdue support owed by such parent.

(B) SAFEGUARDS.—Procedures ensuring that, in carrying out subparagraph (A), information with respect to a noncustodial parent is reported—

(i) only after such parent has been afforded all due process required under State law, including notice and a reasonable opportunity to contest the accuracy of such information; and

(ii) only to an entity that has furnished evidence satisfactory to the State that the entity is a consumer reporting agency (as so defined).

(8)(A) Procedures under which all child support orders not described in subparagraph (B) will include provision for withholding from income, in order to assure that withholding as a means of collecting child support is available if arrearages occur without the necessity of filing application for services under this part.

(B) Procedures under which all child support orders which are initially issued in the State on or after January 1, 1994, and are not being enforced under this part will include the following requirements:

(i) The income of a noncustodial parent shall be subject to withholding, regardless of whether support payments by such parent are in arrears, on the effective date of the order; except that such income shall not be subject to withholding under this clause in any case where (I) one of the parties demonstrates, and the court (or administrative process) finds, that there is good cause not to require immediate income withholding, or (II) a written agreement is reached between both parties which provides for an alternative arrangement.

(ii) The requirements of subsection (b)(1) of this section (which shall apply in the case of each noncustodial parent against whom a support order is or has been issued or modified in the State, without regard to whether the order is being enforced under the State plan).

(iii) The requirements of paragraphs (2), (5), (6), (7), (8), (9), and (10) of subsection (b) of this section, where applicable.

(iv) Withholding from income of amounts payable as support must be carried out in full compliance with all procedural due process requirements of the State.

(9) Procedures which require that any payment or installment of support under any child support order, whether ordered through the State judicial system or through the expedited processes required by paragraph (2), is (on and after the date it is due)—

(A) a judgment by operation of law, with the full force, effect, and attributes of a judgment of the State, including the ability to be enforced,

(B) entitled as a judgment to full faith and credit in such State and in any other State, and

(C) not subject to retroactive modification by such State or by any other State;

except that such procedures may permit modification with respect to any period during which there is pending a petition for modification, but only from the date that notice of such petition has been given, either directly or through the appropriate agent, to the obligee or (where the obligee is the petitioner) to the obligor.

(10) REVIEW AND ADJUSTMENT OF SUPPORT ORDERS UPON REQUEST.—

(A) 3-YEAR CYCLE.—

(i) IN GENERAL.—Procedures under which every 3 years (or such shorter cycle as the State may determine), upon the request of either parent, or, if there is an assignment under part A of this subchapter, upon the request of the State agency under the State plan or of either parent, the State shall with respect to a support order being enforced under this part, taking into account the best interests of the child involved—

(I) review and, if appropriate, adjust the order in accordance with the guidelines established pursuant to section 667(a) of this title if the amount of the child support award under the order differs from the amount that would be awarded in accordance with the guidelines;

(II) apply a cost-of-living adjustment to the order in accordance with a formula developed by the State; or

(III) use automated methods (including automated comparisons with wage or State income tax data) to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the appropriate adjustment to the orders eligible for adjustment under any threshold that may be established by the State.

(ii) OPPORTUNITY TO REQUEST REVIEW OF ADJUSTMENT.—If the State elects to conduct the review under subclause (II) or (III) of clause (i), procedures which permit either party to contest the adjustment, within 30 days after the date of the notice of the adjustment, by making a request for review and, if appropriate, adjustment of the order in accordance with the child support guidelines established pursuant to section 667(a) of this title.

(iii) NO PROOF OF CHANGE IN CIRCUMSTANCES NECESSARY IN 3-YEAR CYCLE REVIEW.—Procedures which provide that any adjustment under clause (i) shall be made without a requirement for proof or showing of a change in circumstances.

(B) PROOF OF SUBSTANTIAL CHANGE IN CIRCUMSTANCES NECESSARY IN REQUEST FOR REVIEW OUTSIDE 3-YEAR CYCLE.—Procedures under which, in the case of a request for a review, and if appropriate, an adjustment outside the 3-year cycle (or such shorter cycle as the State may determine) under clause (i), the State shall review and, if the requesting party demonstrates a substantial change in circumstances, adjust the order in accordance with the guidelines established pursuant to section 667(a) of this title.

(C) NOTICE OF RIGHT TO REVIEW.—Procedures which require the State to provide notice not less than once every 3 years to the parents subject to the order informing the parents of their right to request the State to review and, if appropriate, adjust the order pursuant to this paragraph. The notice may be included in the order.

(11) Procedures under which a State must give full faith and credit to a determination of paternity made by any other State, whether established through voluntary acknowledgment or through administrative or judicial processes.

(12) LOCATOR INFORMATION FROM INTERSTATE NETWORKS.—Procedures to ensure that all Federal and State agencies conducting activities under this part have access to any system used by the State to locate an individual for purposes relating to motor vehicles or law enforcement.

(13) RECORDING OF SOCIAL SECURITY NUMBERS IN CERTAIN FAMILY MATTERS.—Procedures requiring that the social security number of—

(A) any applicant for a professional license, driver's license, occupational license, recreational license, or marriage license be recorded on the application;

(B) any individual who is subject to a divorce decree, support order, or paternity determination or acknowledgment be placed in the records relating to the matter; and

(C) any individual who has died be placed in the records relating to the death and be recorded on the death certificate.

For purposes of subparagraph (A), if a State allows the use of a number other than the social security number to be used on the face of the document while the social security number is kept on file at the agency, the State shall so advise any applicants.

(14) HIGH-VOLUME, AUTOMATED ADMINISTRATIVE ENFORCEMENT IN INTERSTATE CASES.—

(A) IN GENERAL.—Procedures under which—

(i) the State shall use high-volume automated administrative enforcement, to the same extent as used for intrastate cases, in response to a request made by another State to enforce support orders, and shall promptly report the results of such enforcement procedure to the requesting State;

(ii) the State may, by electronic or other means, transmit to another State a request for assistance in enforcing support orders through high-volume, automated administrative enforcement, which request—

(I) shall include such information as will enable the State to which the request is transmitted to compare the information about the cases to the information in the data bases of the State; and

(II) shall constitute a certification by the requesting State—

(aa) of the amount of support under an order the payment of which is in arrears; and

(bb) that the requesting State has complied with all procedural due process requirements applicable to each case;

(iii) if the State provides assistance to another State pursuant to this paragraph with respect to a case, neither State shall consider the case to be transferred to the caseload of such other State; and

(iv) the State shall maintain records of—

(I) the number of such requests for assistance received by the State;

(II) the number of cases for which the State collected support in response to such a request; and

(III) the amount of such collected support.

(B) HIGH-VOLUME AUTOMATED ADMINISTRATIVE ENFORCEMENT.—In this part, the term “high-volume automated administrative enforcement”, in interstate cases, means, on request of another State, the identification by a State, through automated data matches with financial institutions and other entities where assets may be found, of assets owned by persons who owe child support in other States, and the seizure of such assets by the State, through levy or other appropriate processes.

(15) PROCEDURES TO ENSURE THAT PERSONS OWING OVERDUE SUPPORT WORK OR HAVE A PLAN FOR PAYMENT OF SUCH SUPPORT.—Procedures under which the State has the authority, in any case in which an individual owes overdue support with respect to a child receiving assistance under a State program funded under part A of this subchapter, to issue an order or to request that a court or an administrative process established pursuant to State law issue an order that requires the individual to—

(A) pay such support in accordance with a plan approved by the court, or, at the option of the State, a plan approved by the State agency administering the State program under this part; or

(B) if the individual is subject to such a plan and is not incapacitated, participate in such work activities (as defined in section 607(d) of this title) as the court, or, at the option of the State, the State agency administering the State program under this part, deems appropriate.

(16) AUTHORITY TO WITHHOLD OR SUSPEND LICENSES.—Procedures under which the State has (and uses in appropriate cases) authority to withhold or suspend, or to restrict the use of driver’s licenses, professional and occupational licenses, and recreational and sporting licenses of individuals owing overdue support or failing, after receiving appropriate notice, to comply with subpoenas or warrants relating to paternity or child support proceedings.

(17) FINANCIAL INSTITUTION DATA MATCHES.—

(A) IN GENERAL.—Procedures under which the State agency shall enter into agreements with financial institutions doing business in the State—

(i) to develop and operate, in coordination with such financial institutions, and the Federal Parent Locator Service in the case of financial institutions doing business in two or more States, a data match system, using automated data exchanges to the maximum extent feasible, in which each such financial institution is required to provide for each calendar quarter the name, record address, social security number or other taxpayer identification number, and other identifying information for

each noncustodial parent who maintains an account at such institution and who owes past-due support, as identified by the State by name and social security number or other taxpayer identification number; and

(ii) in response to a notice of lien or levy, encumber or surrender, as the case may be, assets held by such institution on behalf of any noncustodial parent who is subject to a child support lien pursuant to paragraph (4).

(B) REASONABLE FEES.—The State agency may pay a reasonable fee to a financial institution for conducting the data match provided for in subparagraph (A)(i), not to exceed the actual costs incurred by such financial institution.

(C) LIABILITY.—A financial institution shall not be liable under any Federal or State law to any person—

(i) for any disclosure of information to the State agency under subparagraph (A)(i);

(ii) for encumbering or surrendering any assets held by such financial institution in response to a notice of lien or levy issued by the State agency as provided for in subparagraph (A)(ii); or

(iii) for any other action taken in good faith to comply with the requirements of subparagraph (A).

(D) DEFINITIONS.—For purposes of this paragraph—

(i) FINANCIAL INSTITUTION.—The term “financial institution” has the meaning given to such term by section 669A(d)(1) of this title.

(ii) ACCOUNT.—The term “account” means a demand deposit account, checking or negotiable withdrawal order account, savings account, time deposit account, or money-market mutual fund account.

(18) ENFORCEMENT OF ORDERS AGAINST PATER-
NAL OR MATERNAL GRANDPARENTS.—Procedures under which, at the State’s option, any child support order enforced under this part with respect to a child of minor parents, if the custodial parent of such child is receiving assistance under the State program under part A of this subchapter, shall be enforceable, jointly and severally, against the parents of the non-custodial parent of such child.

(19) HEALTH CARE COVERAGE.—Procedures under which—

(A) effective as provided in section 401(c)(3) of the Child Support Performance and Incentive Act of 1998, all child support orders enforced pursuant to this part which include a provision for the health care coverage of the child are enforced, where appropriate, through the use of the National Medical Support Notice promulgated pursuant to section 401(b) of the Child Support Performance and Incentive Act of 1998 (and referred to in section 609(a)(5)(C) of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1169(a)(5)(C)] in connection with group health plans covered under title I of such Act [29 U.S.C. 1001 et seq.], in section

401(e)(3)(C) of the Child Support Performance and Incentive Act of 1998 in connection with State or local group health plans, and in section 401(f)(5)(C) of such Act in connection with church group health plans;

(B) unless alternative coverage is allowed for in any order of the court (or other entity issuing the child support order), in any case in which a noncustodial parent is required under the child support order to provide such health care coverage and the employer of such noncustodial parent is known to the State agency—

(i) the State agency uses the National Medical Support Notice to transfer notice of the provision for the health care coverage of the child to the employer;

(ii) within 20 business days after the date of the National Medical Support Notice, the employer is required to transfer the Notice, excluding the severable employer withholding notice described in section 401(b)(2)(C) of the Child Support Performance and Incentive Act of 1998, to the appropriate plan providing any such health care coverage for which the child is eligible;

(iii) in any case in which the noncustodial parent is a newly hired employee entered in the State Directory of New Hires pursuant to section 653a(e) of this title, the State agency provides, where appropriate, the National Medical Support Notice, together with an income withholding notice issued pursuant to subsection (b) of this section, within two days after the date of the entry of such employee in such Directory; and

(iv) in any case in which the employment of the noncustodial parent with any employer who has received a National Medical Support Notice is terminated, such employer is required to notify the State agency of such termination; and

(C) any liability of the noncustodial parent to such plan for employee contributions which are required under such plan for enrollment of the child is effectively subject to appropriate enforcement, unless the noncustodial parent contests such enforcement based on a mistake of fact.

Notwithstanding section 654(20)(B) of this title, the procedures which are required under paragraphs (3), (4), (6), (7), and (15) need not be used or applied in cases where the State determines (using guidelines which are generally available within the State and which take into account the payment record of the noncustodial parent, the availability of other remedies, and other relevant considerations) that such use or application would not carry out the purposes of this part or would be otherwise inappropriate in the circumstances.

(b) Withholding from income of amounts payable as support

The procedures referred to in subsection (a)(1)(A) of this section (relating to the withholding from income of amounts payable as support) must provide for the following:

(1) In the case of each noncustodial parent against whom a support order is or has been issued or modified in the State, and is being enforced under the State plan, so much of such parent's income must be withheld, in accordance with the succeeding provisions of this subsection, as is necessary to comply with the order and provide for the payment of any fee to the employer which may be required under paragraph (6)(A), up to the maximum amount permitted under section 1673(b) of title 15. If there are arrearages to be collected, amounts withheld to satisfy such arrearages, when added to the amounts withheld to pay current support and provide for the fee, may not exceed the limit permitted under such section 1673(b), but the State need not withhold up to the maximum amount permitted under such section in order to satisfy arrearages.

(2) Such withholding must be provided without the necessity of any application therefor in the case of a child (whether or not eligible for assistance under a State program funded under part A of this subchapter) with respect to whom services are already being provided under the State plan under this part, and must be provided in accordance with this subsection on the basis of an application for services under the State plan in the case of any other child in whose behalf a support order has been issued or modified in the State. In either case such withholding must occur without the need for any amendment to the support order involved or for any further action (other than those actions required under this part) by the court or other entity which issued such order.

(3)(A) The income of a noncustodial parent shall be subject to such withholding, regardless of whether support payments by such parent are in arrears, in the case of a support order being enforced under this part that is issued or modified on or after the first day of the 25th month beginning after October 13, 1988, on the effective date of the order; except that such income shall not be subject to such withholding under this subparagraph in any case where (i) one of the parties demonstrates, and the court (or administrative process) finds, that there is good cause not to require immediate income withholding, or (ii) a written agreement is reached between both parties which provides for an alternative arrangement.

(B) The income of a noncustodial parent shall become subject to such withholding, in the case of income not subject to withholding under subparagraph (A), on the date on which the payments which the noncustodial parent has failed to make under a support order are at least equal to the support payable for one month or, if earlier, and without regard to whether there is an arrearage, the earliest of—

(i) the date as of which the noncustodial parent requests that such withholding begin,

(ii) the date as of which the custodial parent requests that such withholding begin, if the State determines, in accordance with such procedures and standards as it may establish, that the request should be approved, or

(iii) such earlier date as the State may select.

(4)(A) Such withholding must be carried out in full compliance with all procedural due process requirements of the State, and the State must send notice to each noncustodial parent to whom paragraph (1) applies—

(i) that the withholding has commenced; and

(ii) of the procedures to follow if the noncustodial parent desires to contest such withholding on the grounds that the withholding or the amount withheld is improper due to a mistake of fact.

(B) The notice under subparagraph (A) of this paragraph shall include the information provided to the employer under paragraph (6)(A).

(5) Such withholding must be administered by the State through the State disbursement unit established pursuant to section 654b of this title, in accordance with the requirements of section 654b of this title.

(6)(A)(i) The employer of any noncustodial parent to whom paragraph (1) applies, upon being given notice as described in clause (ii), must be required to withhold from such noncustodial parent's income the amount specified by such notice (which may include a fee, established by the State, to be paid to the employer unless waived by such employer) and pay such amount (after deducting and retaining any portion thereof which represents the fee so established) to the State disbursement unit within 7 business days after the date the amount would (but for this subsection) have been paid or credited to the employee, for distribution in accordance with this part. The employer shall withhold funds as directed in the notice, except that when an employer receives an income withholding order issued by another State, the employer shall apply the income withholding law of the State of the obligor's principal place of employment in determining—

(I) the employer's fee for processing an income withholding order;

(II) the maximum amount permitted to be withheld from the obligor's income;

(III) the time periods within which the employer must implement the income withholding order and forward the child support payment;

(IV) the priorities for withholding and allocating income withheld for multiple child support obligees; and

(V) any withholding terms or conditions not specified in the order.

An employer who complies with an income withholding notice that is regular on its face shall not be subject to civil liability to any individual or agency for conduct in compliance with the notice.

(ii) The notice given to the employer shall be in a standard format prescribed by the Secretary, and contain only such information as may be necessary for the employer to comply with the withholding order.

(iii) As used in this subparagraph, the term "business day" means a day on which State offices are open for regular business.

(B) Methods must be established by the State to simplify the withholding process for

employers to the greatest extent possible, including permitting any employer to combine all withheld amounts into a single payment to each appropriate agency or entity (with the portion thereof which is attributable to each individual employee being separately designated).

(C) The employer must be held liable to the State for any amount which such employer fails to withhold from income due an employee following receipt by such employer of proper notice under subparagraph (A), but such employer shall not be required to vary the normal pay and disbursement cycles in order to comply with this paragraph.

(D) Provision must be made for the imposition of a fine against any employer who—

(i) discharges from employment, refuses to employ, or takes disciplinary action against any noncustodial parent subject to income withholding required by this subsection because of the existence of such withholding and the obligations or additional obligations which it imposes upon the employer; or

(ii) fails to withhold support from income or to pay such amounts to the State disbursement unit in accordance with this subsection.

(7) Support collection under this subsection must be given priority over any other legal process under State law against the same income.

(8) For purposes of subsection (a) of this section and this subsection, the term "income" means any periodic form of payment due to an individual, regardless of source, including wages, salaries, commissions, bonuses, worker's compensation, disability, payments pursuant to a pension or retirement program, and interest.

(9) The State must extend its withholding system under this subsection so that such system will include withholding from income derived within such State in cases where the applicable support orders were issued in other States, in order to assure that child support owed by noncustodial parents in such State or any other State will be collected without regard to the residence of the child for whom the support is payable or of such child's custodial parent.

(10) Provision must be made for terminating withholding.

(11) Procedures under which the agency administering the State plan approved under this part may execute a withholding order without advance notice to the obligor, including issuing the withholding order through electronic means.

(c) Expedited procedures

The procedures specified in this subsection are the following:

(1) Administrative action by State agency

Procedures which give the State agency the authority to take the following actions relating to establishment of paternity or to establishment, modification, or enforcement of support orders, without the necessity of obtaining an order from any other judicial or adminis-

trative tribunal, and to recognize and enforce the authority of State agencies of other States to take the following actions:

(A) Genetic testing

To order genetic testing for the purpose of paternity establishment as provided in subsection (a)(5) of this section.

(B) Financial or other information

To subpoena any financial or other information needed to establish, modify, or enforce a support order, and to impose penalties for failure to respond to such a subpoena.

(C) Response to State agency request

To require all entities in the State (including for-profit, nonprofit, and governmental employers) to provide promptly, in response to a request by the State agency of that or any other State administering a program under this part, information on the employment, compensation, and benefits of any individual employed by such entity as an employee or contractor, and to sanction failure to respond to any such request.

(D) Access to information contained in certain records

To obtain access, subject to safeguards on privacy and information security, and subject to the nonliability of entities that afford such access under this subparagraph, to information contained in the following records (including automated access, in the case of records maintained in automated data bases):

(i) Records of other State and local government agencies, including—

(I) vital statistics (including records of marriage, birth, and divorce);

(II) State and local tax and revenue records (including information on residence address, employer, income and assets);

(III) records concerning real and titled personal property;

(IV) records of occupational and professional licenses, and records concerning the ownership and control of corporations, partnerships, and other business entities;

(V) employment security records;

(VI) records of agencies administering public assistance programs;

(VII) records of the motor vehicle department; and

(VIII) corrections records.

STRENGTHENING ABUSE AND NEGLECT COURTS

Pub. L. 106-314, Oct. 17, 2000, 114 Stat. 1266, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘Strengthening Abuse and Neglect Courts Act of 2000’.

“SEC. 2. FINDINGS.

“Congress finds the following:

“(1) Under both Federal and State law, the courts play a crucial and essential role in the Nation's child welfare system and in ensuring safety, stability, and permanence for abused and neglected children under the supervision of that system.

“(2) The Adoption and Safe Families Act of 1997 (Public Law 105-89; 111 Stat. 2115) [see Short Title of 1997 Amendment note set out under section 1305 of this title] establishes explicitly for the first time in Federal law that a child's health and safety must be the paramount consideration when any decision is made regarding a child in the Nation's child welfare system.

“(3) The Adoption and Safe Families Act of 1997 promotes stability and permanence for abused and neglected children by requiring timely decision-

making in proceedings to determine whether children can safely return to their families or whether they should be moved into safe and stable adoptive homes or other permanent family arrangements outside the foster care system.

“(4) To avoid unnecessary and lengthy stays in the foster care system, the Adoption and Safe Families Act of 1997 specifically requires, among other things, that States move to terminate the parental rights of the parents of those children who have been in foster care for 15 of the last 22 months.

“(5) While essential to protect children and to carry out the general purposes of the Adoption and Safe Families Act of 1997, the accelerated timelines for the termination of parental rights and the other requirements imposed under that Act increase the pressure on the Nation’s already overburdened abuse and neglect courts.

“(6) The administrative efficiency and effectiveness of the Nation’s abuse and neglect courts would be substantially improved by the acquisition and implementation of computerized case-tracking systems to identify and eliminate existing backlogs, to move abuse and neglect caseloads forward in a timely manner, and to move children into safe and stable families. Such systems could also be used to evaluate the effectiveness of such courts in meeting the purposes of the amendments made by, and provisions of, the Adoption and Safe Families Act of 1997.

“(7) The administrative efficiency and effectiveness of the Nation’s abuse and neglect courts would also be improved by the identification and implementation of projects designed to eliminate the backlog of abuse and neglect cases, including the temporary hiring of additional judges, extension of court hours, and other projects designed to reduce existing caseloads.

“(8) The administrative efficiency and effectiveness of the Nation’s abuse and neglect courts would be further strengthened by improving the quality and availability of training for judges, court personnel, agency attorneys, guardians ad litem, volunteers who participate in court-appointed special advocate (CASA) programs, and attorneys who represent the children and the parents of children in abuse and neglect proceedings.

“(9) While recognizing that abuse and neglect courts in this country are already committed to the quality administration of justice, the performance of such courts would be even further enhanced by the development of models and educational opportunities that reinforce court projects that have already been developed, including models for case-flow procedures, case management, representation of children, automated interagency interfaces, and ‘best practices’ standards.

“(10) Judges, magistrates, commissioners, and other judicial officers play a central and vital role in ensuring that proceedings in our Nation’s abuse and neglect courts are run efficiently and effectively. The performance of those individuals in such courts can only be further enhanced by training, seminars, and an ongoing opportunity to exchange ideas with their peers.

“(11) Volunteers who participate in court-appointed special advocate (CASA) programs play a vital role as the eyes and ears of abuse and neglect courts in proceedings conducted by, or under the supervision of, such courts and also bring increased public scrutiny of the abuse and neglect court system. The Nation’s abuse and neglect courts would benefit from an expansion of this program to currently underserved communities.

“(12) Improved computerized case-tracking systems, comprehensive training, and development of, and education on, model abuse and neglect court systems, particularly with respect to underserved areas, would significantly further the purposes of the Adoption and Safe Families Act of 1997 by reducing the average length of an abused and neglected child’s stay in foster care, improving the quality of decision-mak-

ing and court services provided to children and families, and increasing the number of adoptions.

“SEC. 3. DEFINITIONS.

“In this Act:

“(1) ABUSE AND NEGLECT COURTS.—The term ‘abuse and neglect courts’ means the State and local courts that carry out State or local laws requiring proceedings (conducted by or under the supervision of the courts)—

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘Abandoned Infants Assistance Act of 1988’.

“SEC. 2. FINDINGS.

“The Congress finds that—

“(1) studies indicate that a number of factors contribute to the inability of some parents to provide adequate care for their infants and young children and a lack of suitable shelter homes for such infants and young children have led to the abandonment of such infants and young children in hospitals for extended periods;

“(2) an unacceptable number of these infants and young children will be medically cleared for discharge, yet remain in hospitals as boarder babies;

“(3) hospital-based child care for these infants and young children is extremely costly and deprives them of an adequate nurturing environment;

“(4) appropriate training is needed for personnel working with infants and young children with life-threatening conditions and other special needs, including those who are infected with the human immunodeficiency virus (commonly known as ‘HIV’), those who have acquired immune deficiency syndrome (commonly known as ‘AIDS’), and those who have been exposed to dangerous drugs;

“(5) infants and young children who are abandoned in hospitals are particularly difficult to place in foster homes, and are being abandoned in hospitals in increasing numbers by mothers dying of acquired immune deficiency syndrome, by parents abusing drugs, or by parents incapable of providing adequate care;

“(6) there is a need for comprehensive support services for such infants and young children and their families and services to prevent the abandonment of such infants and young children, including foster care services, case management services, family support services, respite and crisis intervention services, counseling services, and group residential home services;

“(7) there is a need to support the families of such infants and young children through the provision of services that will prevent the abandonment of the infants and children; and

“(8) private, Federal, State, and local resources should be coordinated to establish and maintain services described in paragraph (7) and to ensure the optimal use of all such resources.

“TITLE I—PROJECTS REGARDING ABANDONMENT OF INFANTS AND YOUNG CHILDREN IN HOSPITALS

“SEC. 101. ESTABLISHMENT OF LOCAL PROJECTS.

“(a) IN GENERAL.—The Secretary of Health and Human Services may make grants to public and non-profit private entities for the purpose of developing, implementing, and operating projects to demonstrate methods—

“(1) to prevent the abandonment of infants and young children, including the provision of services to members of the natural family for any condition that increases the probability of abandonment of an infant or young child;

“(2) to identify and address the needs of abandoned infants and young children;

“(3) to assist abandoned infants and young children to reside with their natural families or in foster care, as appropriate;

“(4) to recruit, train, and retain foster families for abandoned infants and young children;

“(5) to carry out residential care programs for abandoned infants and young children who are unable to reside with their families or to be placed in foster care;

“(6) to carry out programs of respite care for families and foster families of infants and young children described in subsection (b);

“(7) to recruit and train health and social services personnel to work with families, foster care families, and residential care programs for abandoned infants and young children; and

“(8) to prevent the abandonment of infants and young children, and to care for the infants and young children who have been abandoned, through model programs providing health, educational, and social services at a single site in a geographic area in which a significant number of infants and young children described in subsection (b) reside (with special consideration given to applications from entities that will provide the services of the project through community-based organizations).

“(b) PRIORITY IN PROVISION OF SERVICES.—The Secretary may not make a grant under subsection (a) unless the applicant for the grant agrees to give priority to abandoned infants and young children who—

“(1) are infected with, or have been perinatally exposed to, the human immunodeficiency virus, or have a life-threatening illness or other special medical need; or

“(2) have been perinatally exposed to a dangerous drug.

“(c) CASE PLAN WITH RESPECT TO FOSTER CARE.—The Secretary may not make a grant under subsection (a) unless the applicant for the grant agrees that, if the applicant expends the grant to carry out any program of providing care to infants and young children in foster homes or in other nonmedical residential settings away from their parents, the applicant will ensure that—

“(1) a case plan of the type described in paragraph (1) of section 475 of the Social Security Act [section 675 of this title] is developed for each such infant and

young child (to the extent that such infant and young child is not otherwise covered by such a plan); and

“(2) the program includes a case review system of the type described in paragraph (5) of such section (covering each such infant and young child who is not otherwise subject to such a system).

“(d) ADMINISTRATION OF GRANT.—

“(1) The Secretary may not make a grant under subsection (a) unless the applicant for the grant agrees—

“(A) to use the funds provided under this section only for the purposes specified in the application submitted to, and approved by, the Secretary pursuant to subsection (e);

“(B) to establish such fiscal control and fund accounting procedures as may be necessary to ensure proper disbursement and accounting of Federal funds paid to the applicant under this section;

“(C) to report to the Secretary annually on the utilization, cost, and outcome of activities conducted, and services furnished, under this section; and

“(D) that if, during the majority of the 180-day period preceding the date of the enactment of this Act [Oct. 18, 1988], the applicant has carried out any program with respect to the care of abandoned infants and young children, the applicant will expend the grant only for the purpose of significantly expanding, in accordance with subsection (a), activities under such program above the level provided under such program during the majority of such period.

“(2) Subject to the availability of amounts made available in appropriations Acts for the fiscal year involved, the duration of a grant under subsection (a) shall be for a period of 3 years, except that the Secretary—

“(A) may terminate the grant if the Secretary determines that the entity involved has substantially failed to comply with the agreements required as a condition of the provision of the grant; and

(D) reasonable efforts of the type described in subparagraph (B) shall not be required to be made with respect to a parent of a child if a court of competent jurisdiction has determined that—

(17) provides that, where appropriate, all steps will be taken, including cooperative efforts with the State agencies administering the program funded under part A of this subchapter and plan approved under part D of this subchapter, to secure an assignment to the State of any rights to support on behalf of each child receiving foster care maintenance payments under this part;

(18) not later than January 1, 1997, provides that neither the State nor any other entity in the State that receives funds from the Federal Government and is involved in adoption or foster care placements may—

(ii) in any case in which a record check reveals a felony conviction for physical assault, battery, or a drug-related offense, if a State finds that a court of competent jurisdiction has determined that the felony was committed within the past 5 years, such final approval shall not be granted; and

(B) subparagraph (A) shall not apply to a State plan if the Governor of the State has notified the Secretary in writing that the State has elected to make subparagraph (A) inapplicable to the State, or if the State legislature, by law, has elected to make subparagraph (A) inapplicable to the State;

(21) provides for health insurance coverage (including, at State option, through the program under the State plan approved under subchapter XIX of this chapter) for any child who has been determined to be a child with special needs, for whom there is in effect an adoption assistance agreement (other than an agreement under this part) between the State and an adoptive parent or parents, and who the State has determined cannot be placed with an adoptive parent or parents without medical assistance because such child has special needs for medical, mental health, or rehabilitative care, and that with respect to the provision of such health insurance coverage—

(A) such coverage may be provided through 1 or more State medical assistance programs;

(B) the State, in providing such coverage, shall ensure that the medical benefits, including mental health benefits, provided are of the same type and kind as those that would be provided for children by the State under subchapter XIX of this chapter;

(C) in the event that the State provides such coverage through a State medical assistance program other than the program under subchapter XIX of this chapter, and the State exceeds its funding for services under such other program, any such child shall be deemed to be receiving aid or assistance under the State plan under this part for purposes of section 1396a(a)(10)(A)(i)(I) of this title; and

§ 672. Foster care maintenance payments program

(a) Qualifying children

Each State with a plan approved under this part shall make foster care maintenance payments (as defined in section 675(4) of this title) under this part with respect to a child who would have met the requirements of section 606(a) of this title or of section 607 of this title (as such sections were in effect on July 16, 1996) but for his removal from the home of a relative (specified in section 606(a) of this title (as so in effect)), if—

(1) the removal from the home occurred pursuant to a voluntary placement agreement entered into by the child's parent or legal guardian, or was the result of a judicial determination to the effect that continuation therein would be contrary to the welfare of such child and (effective October 1, 1983) that reasonable efforts of the type described in section 671(a)(15) of this title for a child have been made;

(2) such child's placement and care are the responsibility of (A) the State agency administering the State plan approved under section 671 of this title, or (B) any other public agency with whom the State agency administering or supervising the administration of the State plan approved under section 671 of this title has made an agreement which is still in effect;

(3) such child has been placed in a foster family home or child-care institution as a result of the voluntary placement agreement or judicial determination referred to in paragraph (1); and

(4) such child—

(A) would have received aid under the State plan approved under section 602 of this title (as in effect on July 16, 1996) in or for the month in which such agreement was entered into or court proceedings leading to the removal of such child from the home were initiated, or

(B)(i) would have received such aid in or for such month if application had been made therefor, or (ii) had been living with a relative specified in section 606(a) of this title (as in effect on July 16, 1996) within six months prior to the month in which such

agreement was entered into or such proceedings were initiated, and would have received such aid in or for such month if in such month he had been living with such a relative and application therefor had been made.

In any case where the child is an alien disqualified under section 1255a(h), 1160(f), or 1161(d)(7)¹ of title 8 from receiving aid under the State plan approved under section 602 of this title in or for the month in which such agreement was entered into or court proceedings leading to the removal of the child from the home were instituted, such child shall be considered to satisfy the requirements of paragraph (4) (and the corresponding requirements of section 673(a)(2)(B) of this title), with respect to that month, if he or she would have satisfied such requirements but for such disqualification. In determining whether a child would have received aid under a State plan approved under section 602 of this title (as in effect on July 16, 1996), a child whose resources (determined pursuant to section 602(a)(7)(B) of this title, as so in effect) have a combined value of not more than \$10,000 shall be considered to be a child whose resources have a combined value of not more than \$1,000 (or such lower amount as the State may determine for purposes of such section 602(a)(7)(B) of this title).

(b) Additional qualifications

Foster care maintenance payments may be made under this part only on behalf of a child described in subsection (a) of this section who is—

(1) in the foster family home of an individual, whether the payments therefor are made to such individual or to a public or nonprofit private child-placement or child-care agency, or

(2) in a child-care institution, whether the payments therefor are made to such institution or to a public or nonprofit private child-placement or child-care agency, which payments shall be limited so as to include in such payments only those items which are included in the term “foster care maintenance payments” (as defined in section 675(4) of this title).

(c) “Foster family home” and “child-care institution” defined

For the purposes of this part, (1) the term “foster family home” means a foster family home for children which is licensed by the State in which it is situated or has been approved, by the agency of such State having responsibility for licensing homes of this type, as meeting the standards established for such licensing; and (2) the term “child-care institution” means a private child-care institution, or a public child-care institution which accommodates no more than twenty-five children, which is licensed by the State in which it is situated or has been approved, by the agency of such State responsible for licensing or approval of institutions of this type, as meeting the standards established for such licensing, but the term shall not include detention facilities, forestry camps, training

¹ See References in Text note below.

schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

(d) Children removed from their homes pursuant to voluntary placement agreements

Notwithstanding any other provision of this subchapter, Federal payments may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a) of this section, only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 622(b)(10) of this title.

(e) Placements in best interest of child

No Federal payment may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of any child who was removed from his or her home pursuant to a voluntary placement agreement as described in subsection (a) of this section and has remained in voluntary placement for a period in excess of 180 days, unless there has been a judicial determination by a court of competent jurisdiction (within the first 180 days of such placement) to the effect that such placement is in the best interests of the child.

(f) "Voluntary placement" and "voluntary placement agreement" defined

For the purposes of this part and part B of this subchapter, (1) the term "voluntary placement" means an out-of-home placement of a minor, by or with participation of a State agency, after the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term "voluntary placement agreement" means a written agreement, binding on the parties to the agreement, between the State agency, any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guardians, the child, and the agency while the child is in placement.

(g) Revocation of voluntary placement agreement

In any case where—

(1) the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a) of this section, and

(2) such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative,

the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child's best interests.

(h) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX of this chapter, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect). For purposes of subchapter XX of this chapter, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are made under this section.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 602, 671, 673, 674, 675, 1382, 1396v, 5633 of this title.

§ 673. Adoption assistance program

(a) Agreements with adoptive parents of children with special needs; State payments; qualifying children; amount of payments; changes in circumstances; placement period prior to adoption; nonrecurring adoption expenses

(1)(A) Each State having a plan approved under this part shall enter into adoption assistance agreements (as defined in section 675(3) of this title) with the adoptive parents of children with special needs.

(B) Under any adoption assistance agreement entered into by a State with parents who adopt a child with special needs, the State—

(i) shall make payments of nonrecurring adoption expenses incurred by or on behalf of such parents in connection with the adoption of such child, directly through the State agency or through another public or nonprofit private agency, in amounts determined under paragraph (3), and

(ii) in any case where the child meets the requirements of paragraph (2), may make adoption assistance payments to such parents, directly through the State agency or through another public or nonprofit private agency, in amounts so determined.

(2) For purposes of paragraph (1)(B)(ii), a child meets the requirements of this paragraph if such child—

(A)(i) at the time adoption proceedings were initiated, met the requirements of section 606(a) of this title or section 607 of this title (as such sections were in effect on July 16, 1996) or would have met such requirements except for his removal from the home of a relative (specified in section 606(a) of this title (as so in effect)), either pursuant to a voluntary placement agreement with respect to which Federal payments are provided under section 674 (or 603 (as such section was in effect on July 16, 1996)) of this title or as a result of a judicial determination to the effect that continuation therein would be contrary to the welfare of such child,

(ii) meets all of the requirements of subchapter XVI of this chapter with respect to eligibility for supplemental security income benefits, or

(iii) is a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to his or her minor parent as provided in section 675(4)(B) of this title,

(B)(i) would have received aid under the State plan approved under section 602 of this title (as in effect on July 16, 1996) in or for the month in which such agreement was entered into or court proceedings leading to the re-

moval of such child from the home were initiated, or

(ii)(I) would have received such aid in or for such month if application had been made therefor, or (II) had been living with a relative specified in section 606(a) of this title (as in effect on July 16, 1996) within six months prior to the month in which such agreement was entered into or such proceedings were initiated, and would have received such aid in or for such month if in such month he had been living with such a relative and application therefor had been made, or

(iii) is a child described in subparagraph (A)(ii) or (A)(iii), and

(C) has been determined by the State, pursuant to subsection (c) of this section, to be a child with special needs.

The last sentence of section 672(a) of this title shall apply, for purposes of subparagraph (B), in any case where the child is an alien described in that sentence. Any child who meets the requirements of subparagraph (C), who was determined eligible for adoption assistance payments under this part with respect to a prior adoption, who is available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died, and who fails to meet the requirements of subparagraphs (A) and (B) but would meet such requirements if the child were treated as if the child were in the same financial and other circumstances the child was in the last time the child was determined eligible for adoption assistance payments under this part and the prior adoption were treated as never having occurred, shall be treated as meeting the requirements of this paragraph for purposes of paragraph (1)(B)(ii).

(3) The amount of the payments to be made in any case under clauses (i) and (ii) of paragraph (1)(B) shall be determined through agreement between the adoptive parents and the State or local agency administering the program under this section, which shall take into consideration the circumstances of the adopting parents and the needs of the child being adopted, and may be readjusted periodically, with the concurrence of the adopting parents (which may be specified in the adoption assistance agreement), depending upon changes in such circumstances. However, in no case may the amount of the adoption assistance payment made under clause (ii) of paragraph (1)(B) exceed the foster care maintenance payment which would have been paid during the period if the child with respect to whom the adoption assistance payment is made had been in a foster family home.

(4) Notwithstanding the preceding paragraph, (A) no payment may be made to parents with respect to any child who has attained the age of eighteen (or, where the State determines that the child has a mental or physical handicap which warrants the continuation of assistance, the age of twenty-one), and (B) no payment may be made to parents with respect to any child if the State determines that the parents are no longer legally responsible for the support of the child or if the State determines that the child is no longer receiving any support from such par-

ents. Parents who have been receiving adoption assistance payments under this section shall keep the State or local agency administering the program under this section informed of circumstances which would, pursuant to this subsection, make them ineligible for such assistance payments, or eligible for assistance payments in a different amount.

(5) For purposes of this part, individuals with whom a child (who has been determined by the State, pursuant to subsection (c) of this section, to be a child with special needs) is placed for adoption in accordance with applicable State and local law shall be eligible for such payments, during the period of the placement, on the same terms and subject to the same conditions as if such individuals had adopted such child.

(6)(A) For purposes of paragraph (1)(B)(i), the term “nonrecurring adoption expenses” means reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the legal adoption of a child with special needs and which are not incurred in violation of State or Federal law.

(B) A State’s payment of nonrecurring adoption expenses under an adoption assistance agreement shall be treated as an expenditure made for the proper and efficient administration of the State plan for purposes of section 674(a)(3)(E) of this title.

(b) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX of this chapter, any child who is described in paragraph (3) is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect) in the State where such child resides.

(2) For purposes of subchapter XX of this chapter, any child who is described in paragraph (3) is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and deemed to be a recipient of assistance under such part.

(3) A child described in this paragraph is any child—

(A)(i) who is a child described in subsection (a)(2) of this section, and

(ii) with respect to whom an adoption assistance agreement is in effect under this section (whether or not adoption assistance payments are provided under the agreement or are being made under this section), including any such child who has been placed for adoption in accordance with applicable State and local law (whether or not an interlocutory or other judicial decree of adoption has been issued), or

(B) with respect to whom foster care maintenance payments are being made under section 672 of this title.

(4) For purposes of paragraphs (1) and (2), a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to the child’s minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance

payments are being made under section 672 of this title.

(c) Children with special needs

For purposes of this section, a child shall not be considered a child with special needs unless—

(1) the State has determined that the child cannot or should not be returned to the home of his parents; and

(2) the State had first determined (A) that there exists with respect to the child a specific factor or condition (such as his ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that such child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX of this chapter, and (B) that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX of this chapter.

§ 673b. Adoption incentive payments

(a) Grant authority

Subject to the availability of such amounts as may be provided in advance in appropriations Acts for this purpose, the Secretary shall make a grant to each State that is an incentive-eligible State for a fiscal year in an amount equal to the adoption incentive payment payable to the State under this section for the fiscal year, which shall be payable in the immediately succeeding fiscal year.

(b) Incentive-eligible State

A State is an incentive-eligible State for a fiscal year if—

- (1) the State has a plan approved under this part for the fiscal year;

(5) the fiscal year is any of fiscal years 1998 through 2007.

(c) Data requirements

(1) In general

A State is in compliance with this subsection for a fiscal year if the State has provided to the Secretary the data described in paragraph (2)—

(A) for fiscal years 1995 through 1997 (or, if the first fiscal year for which the State seeks a grant under this section is after fiscal year 1998, the fiscal year that precedes such first fiscal year); and

(B) for each succeeding fiscal year that precedes the fiscal year.

(2) Determination of numbers of adoptions based on AFCARS data

The Secretary shall determine the numbers of foster child adoptions, of special needs adoptions that are not older child adoptions, and of older child adoptions in a State during each of fiscal years 2002 through 2007, for purposes of this section, on the basis of data meeting the requirements of the system established pursuant to section 679 of this title, as reported by the State and approved by the Secretary by August 1 of the succeeding fiscal year.

(A) the amount of the adoption incentive payment that would otherwise be payable to the State under this section for the fiscal year; multiplied by

(e) 2-year availability of incentive payments

Payments to a State under this section in a fiscal year shall remain available for use by the State through the end of the succeeding fiscal year.

EFFECTIVE DATE OF 2003 AMENDMENT

Pub. L. 108-145, §5, Dec. 2, 2003, 117 Stat. 1882, provided that: “The amendments made by this Act [amending this section and section 674 of this title] shall take effect on October 1, 2003.”

EFFECTIVE DATE

Section effective Nov. 19, 1997, except as otherwise provided, with delay permitted if State legislation is required, see section 501 of Pub. L. 105-89, set out as an Effective Date of 1997 Amendment note under section 622 of this title.

FINDINGS

Pub. L. 108-145, §2, Dec. 2, 2003, 117 Stat. 1879, provided that: “The Congress finds the following:

“(1) In 1997, the Congress passed the Adoption and Safe Families Act of 1997 [Pub. L. 105-89; see Short Title of 1997 Amendment note set out under section 1305 of this title] to promote comprehensive child welfare reform to ensure that consideration of children’s safety is paramount in child welfare decisions, and to provide a greater sense of urgency to find every child a safe, permanent home.

“(2) The Adoption and Safe Families Act of 1997 also created the Adoption Incentives program, which authorizes incentive payments to States to promote adoptions, with additional incentives provided for the adoption of foster children with special needs.

“(3) Since 1997, all States, the District of Columbia, and Puerto Rico have qualified for incentive pay-

ments for their work in promoting adoption of foster children.

“(4) Between 1997 and 2002, adoptions increased by 64 percent, and adoptions of children with special needs increased by 63 percent; however, 542,000 children remain in foster care, and 126,000 are eligible for adoption.

“(5) Although substantial progress has been made to promote adoptions, attention should be focused on promoting adoption of older children. Recent data suggest that half of the children waiting to be adopted are age 9 or older.”

§ 674. Payments to States

(a) Amounts

For each quarter beginning after September 30, 1980, each State which has a plan approved under this part shall be entitled to a payment equal to the sum of—

(1) an amount equal to the Federal medical assistance percentage (as defined in section 1396d(b) of this title) of the total amount expended during such quarter as foster care maintenance payments under section 672 of this title for children in foster family homes or child-care institutions; plus

(2) an amount equal to the Federal medical assistance percentage (as defined in section 1396d(b) of this title) of the total amount expended during such quarter as adoption assistance payments under section 673 of this title pursuant to adoption assistance agreements; plus

(3) an amount equal to the sum of the following proportions of the total amounts expended during such quarter as found necessary by the Secretary for the provision of child placement services and for the proper and efficient administration of the State plan—

(A) 75 per centum of so much of such expenditures as are for the training (including both short- and long-term training at educational institutions through grants to such institutions or by direct financial assistance to students enrolled in such institutions) of personnel employed or preparing for employment by the State agency or by the local agency administering the plan in the political subdivision,

(B) 75 percent of so much of such expenditures (including travel and per diem expenses) as are for the short-term training of current or prospective foster or adoptive parents and the members of the staff of State-licensed or State-approved child care institutions providing care to foster and adopted children receiving assistance under this part, in ways that increase the ability of such current or prospective parents, staff members, and institutions to provide support and assistance to foster and adopted children, whether incurred directly by the State or by contract,

(C) 50 percent of so much of such expenditures as are for the planning, design, development, or installation of statewide mechanized data collection and information retrieval systems (including 50 percent of the full amount of expenditures for hardware components for such systems) but only to the extent that such systems—

(i) meet the requirements imposed by regulations promulgated pursuant to section 679(b)(2) of this title;

(ii) to the extent practicable, are capable of interfacing with the State data collection system that collects information relating to child abuse and neglect;

(iii) to the extent practicable, have the capability of interfacing with, and retrieving information from, the State data collection system that collects information relating to the eligibility of individuals under part A of this subchapter (for the purposes of facilitating verification of eligibility of foster children); and

(iv) are determined by the Secretary to be likely to provide more efficient, economical, and effective administration of the programs carried out under a State plan approved under part B of this subchapter or this part; and

(D) 50 percent of so much of such expenditures as are for the operation of the statewide mechanized data collection and information retrieval systems referred to in subparagraph (C); and

(E) one-half of the remainder of such expenditures; plus

(4) an amount equal to the amount (if any) by which—

(A) the lesser of—

(i) 80 percent of the amounts expended by the State during the fiscal year in which the quarter occurs to carry out programs in accordance with the State application approved under section 677(b) of this title for the period in which the quarter occurs (including any amendment that meets the requirements of section 677(b)(5) of this title); or

(ii) the amount allotted to the State under section 677(c)(1) of this title for the fiscal year in which the quarter occurs, reduced by the total of the amounts payable to the State under this paragraph for all prior quarters in the fiscal year; exceeds

(B) the total amount of any penalties assessed against the State under section 677(e) of this title during the fiscal year in which the quarter occurs.

(b) Quarterly estimates of State's entitlement for next quarter; payments; United States' pro rata share of amounts recovered as overpayment; allowance, disallowance, or deferral of claim

(1) The Secretary shall, prior to the beginning of each quarter, estimate the amount to which a State will be entitled under subsection (a) of this section for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with subsection (a) of this section, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference

is expected to be derived, (B) records showing the number of children in the State receiving assistance under this part, and (C) such other investigation as the Secretary may find necessary.

(2) The Secretary shall then pay to the State, in such installments as he may determine, the amounts so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to foster care and adoption assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

(4)(A) Within 60 days after receipt of a State claim for expenditures pursuant to subsection (a) of this section, the Secretary shall allow, disallow, or defer such claim.

(B) Within 15 days after a decision to defer such a State claim, the Secretary shall notify the State of the reasons for the deferral and of the additional information necessary to determine the allowability of the claim.

(C) Within 90 days after receiving such necessary information (in readily reviewable form), the Secretary shall—

(i) disallow the claim, if able to complete the review and determine that the claim is not allowable, or

(ii) in any other case, allow the claim, subject to disallowance (as necessary)—

(I) upon completion of the review, if it is determined that the claim is not allowable; or

(II) on the basis of findings of an audit or financial management review.

(c) Automated data collection expenditures

The Secretary shall treat as necessary for the proper and efficient administration of the State plan all expenditures of a State necessary in order for the State to plan, design, develop, install, and operate data collection and information retrieval systems described in subsection (a)(3)(C) of this section, without regard to whether the systems may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance payments or adoption assistance payments may be made under this part.

(d) Reduction for violation of plan requirement

(1) If, during any quarter of a fiscal year, a State's program operated under this part is found, as a result of a review conducted under section 1320a-2a of this title, or otherwise, to have violated paragraph (18) or (23) of section 671(a) of this title with respect to a person or to have failed to implement a corrective action plan within a period of time not to exceed 6 months with respect to such violation, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1320a-2a(b)(3) of this title, the Secretary shall reduce the amount otherwise payable to the State under this part, for that fiscal year quar-

ter and for any subsequent quarter of such fiscal year, until the State program is found, as a result of a subsequent review under section 1320a-2a of this title, to have implemented a corrective action plan with respect to such violation, by—

(A) 2 percent of such otherwise payable amount, in the case of the 1st such finding for the fiscal year with respect to the State;

(B) 3 percent of such otherwise payable amount, in the case of the 2nd such finding for the fiscal year with respect to the State; or

(C) 5 percent of such otherwise payable amount, in the case of the 3rd or subsequent such finding for the fiscal year with respect to the State.

In imposing the penalties described in this paragraph, the Secretary shall not reduce any fiscal year payment to a State by more than 5 percent.

(2) Any other entity which is in a State that receives funds under this part and which violates paragraph (18) or (23) of section 671(a) of this title during a fiscal year quarter with respect to any person shall remit to the Secretary all funds that were paid by the State to the entity during the quarter from such funds.

(3)(A) Any individual who is aggrieved by a violation of section 671(a)(18) of this title by a State or other entity may bring an action seeking relief from the State or other entity in any United States district court.

(B) An action under this paragraph may not be brought more than 2 years after the date the alleged violation occurred.

(4) This subsection shall not be construed to affect the application of the Indian Child Welfare Act of 1978 [25 U.S.C. 1901 et seq.].

(e) Discretionary grants for educational and training vouchers for youths aging out of foster care

From amounts appropriated pursuant to section 677(h)(2) of this title, the Secretary may make a grant to a State with a plan approved under this part, for a calendar quarter, in an amount equal to the lesser of—

(1) 80 percent of the amounts expended by the State during the quarter to carry out programs for the purposes described in section 677(a)(6) of this title; or

(2) the amount, if any, allotted to the State under section 677(c)(3) of this title for the fiscal year in which the quarter occurs, reduced by the total of the amounts payable to the State under this subsection for such purposes for all prior quarters in the fiscal year.

(f) Reduction for failure to submit required data

(1) If the Secretary finds that a State has failed to submit to the Secretary data, as required by regulation, for the data collection system implemented under section 679 of this title, the Secretary shall, within 30 days after the date by which the data was due to be so submitted, notify the State of the failure and that payments to the State under this part will be reduced if the State fails to submit the data, as so required, within 6 months after the date the data was originally due to be so submitted.

(2) If the Secretary finds that the State has failed to submit the data, as so required, by the

end of the 6-month period referred to in paragraph (1) of this subsection, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1320a-2a(b)(3) of this title, the Secretary shall reduce the amounts otherwise payable to the State under this part, for each quarter ending in the 6-month period (and each quarter ending in each subsequent consecutively occurring 6-month period until the Secretary finds that the State has submitted the data, as so required), by—

(A) $\frac{1}{6}$ of 1 percent of the total amount expended by the State for administration of foster care activities under the State plan approved under this part in the quarter so ending, in the case of the 1st 6-month period during which the failure continues; or

(B) $\frac{1}{4}$ of 1 percent of the total amount so expended, in the case of the 2nd or any subsequent such 6-month period.

§ 675. Definitions

As used in this part or part B of this subchapter:

(1) The term "case plan" means a written document which includes at least the following:

(A) A description of the type of home or institution in which a child is to be placed, including a discussion of the safety and appropriateness of the placement and how the agency which is responsible for the child plans to carry out the voluntary placement agreement entered into or judicial determination made with respect to the child in accordance with section 672(a)(1) of this title.

(B) A plan for assuring that the child receives safe and proper care and that services are provided to the parents, child, and foster parents in order to improve the conditions in the parents' home, facilitate return of the child to his own safe home or the permanent placement of the child, and address the needs of the child while in foster care, including a discussion of the appropriateness of the services that have been provided to the child under the plan.

(C) To the extent available and accessible, the health and education records of the child, including—

- (i) the names and addresses of the child's health and educational providers;
- (ii) the child's grade level performance;
- (iii) the child's school record;
- (iv) assurances that the child's placement in foster care takes into account proximity to the school in which the child is enrolled at the time of placement;
- (v) a record of the child's immunizations;
- (vi) the child's known medical problems;
- (vii) the child's medications; and
- (viii) any other relevant health and education information concerning the child determined to be appropriate by the State agency.

(D) Where appropriate, for a child age 16 or over, a written description of the programs

and services which will help such child prepare for the transition from foster care to independent living.

(E) In the case of a child with respect to whom the permanency plan is adoption or placement in another permanent home, documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangement for the child, to place the child with an adoptive family, a fit and willing relative, a legal guardian, or in another planned permanent living arrangement, and to finalize the adoption or legal guardianship. At a minimum, such documentation shall include child specific recruitment efforts such as the use of State, regional, and national adoption exchanges including electronic exchange systems.

(2) The term "parents" means biological or adoptive parents or legal guardians, as determined by applicable State law.

(3) The term "adoption assistance agreement" means a written agreement, binding on the parties to the agreement, between the State agency, other relevant agencies, and the prospective adoptive parents of a minor child which at a minimum (A) specifies the nature and amount of any payments, services, and assistance to be provided under such agreement, and (B) stipulates that the agreement shall remain in effect regardless of the State of which the adoptive parents are residents at any given time. The agreement shall contain provisions for the protection (under an interstate compact approved by the Secretary or otherwise) of the interests of the child in cases where the adoptive parents and child move to another State while the agreement is effective.

(4)(A) The term "foster care maintenance payments" means payments to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, and reasonable travel to the child's home for visitation. In the case of institutional care, such term shall include the reasonable costs of administration and operation of such institution as are necessarily required to provide the items described in the preceding sentence.

(B) In cases where—

- (i) a child placed in a foster family home or child-care institution is the parent of a son or daughter who is in the same home or institution, and
- (ii) payments described in subparagraph (A) are being made under this part with respect to such child,

the foster care maintenance payments made with respect to such child as otherwise determined under subparagraph (A) shall also include such amounts as may be necessary to cover the cost of the items described in that subparagraph with respect to such son or daughter.

(5) The term "case review system" means a procedure for assuring that—

- (A) each child has a case plan designed to achieve placement in a safe setting that is

the least restrictive (most family like) and most appropriate setting available and in close proximity to the parents' home, consistent with the best interest and special needs of the child, which—

(i) if the child has been placed in a foster family home or child-care institution a substantial distance from the home of the parents of the child, or in a State different from the State in which such home is located, sets forth the reasons why such placement is in the best interests of the child, and

(ii) if the child has been placed in foster care outside the State in which the home of the parents of the child is located, requires that, periodically, but not less frequently than every 12 months, a caseworker on the staff of the State agency of the State in which the home of the parents of the child is located, or of the State in which the child has been placed, visit such child in such home or institution and submit a report on such visit to the State agency of the State in which the home of the parents of the child is located,

(B) the status of each child is reviewed periodically but no less frequently than once every six months by either a court or by administrative review (as defined in paragraph (6)) in order to determine the safety of the child, the continuing necessity for and appropriateness of the placement, the extent of compliance with the case plan, and the extent of progress which has been made toward alleviating or mitigating the causes necessitating placement in foster care, and to project a likely date by which the child may be returned to and safely maintained in the home or placed for adoption or legal guardianship,

(C) with respect to each such child, procedural safeguards will be applied, among other things, to assure each child in foster care under the supervision of the State of a permanency hearing to be held, in a family or juvenile court or another court (including a tribal court) of competent jurisdiction, or by an administrative body appointed or approved by the court, no later than 12 months after the date the child is considered to have entered foster care (as determined under subparagraph (F)) (and not less frequently than every 12 months thereafter during the continuation of foster care), which hearing shall determine the permanency plan for the child that includes whether, and if applicable when, the child will be returned to the parent, placed for adoption and the State will file a petition for termination of parental rights, or referred for legal guardianship, or (in cases where the State agency has documented to the State court a compelling reason for determining that it would not be in the best interests of the child to return home, be referred for termination of parental rights, or be placed for adoption, with a fit and willing relative, or with a legal guardian) placed in another planned permanent living arrangement and, in the case of a child described in subparagraph (A)(ii),

whether the out-of-State placement continues to be appropriate and in the best interests of the child, and, in the case of a child who has attained age 16, the services needed to assist the child to make the transition from foster care to independent living; and procedural safeguards shall also be applied with respect to parental rights pertaining to the removal of the child from the home of his parents, to a change in the child's placement, and to any determination affecting visitation privileges of parents;¹

(D) a child's health and education record (as described in paragraph (1)(A)) is reviewed and updated, and supplied to the foster parent or foster care provider with whom the child is placed, at the time of each placement of the child in foster care;¹

(E) in the case of a child who has been in foster care under the responsibility of the State for 15 of the most recent 22 months, or, if a court of competent jurisdiction has determined a child to be an abandoned infant (as defined under State law) or has made a determination that the parent has committed murder of another child of the parent, committed voluntary manslaughter of another child of the parent, aided or abetted, attempted, conspired, or solicited to commit such a murder or such a voluntary manslaughter, or committed a felony assault that has resulted in serious bodily injury to the child or to another child of the parent, the State shall file a petition to terminate the parental rights of the child's parents (or, if such a petition has been filed by another party, seek to be joined as a party to the petition), and, concurrently, to identify, recruit, process, and approve a qualified family for an adoption, unless—

(i) at the option of the State, the child is being cared for by a relative;

(ii) a State agency has documented in the case plan (which shall be available for court review) a compelling reason for determining that filing such a petition would not be in the best interests of the child; or

(iii) the State has not provided to the family of the child, consistent with the time period in the State case plan, such services as the State deems necessary for the safe return of the child to the child's home, if reasonable efforts of the type described in section 671(a)(15)(B)(ii) of this title are required to be made with respect to the child;¹

(F) a child shall be considered to have entered foster care on the earlier of—

(i) the date of the first judicial finding that the child has been subjected to child abuse or neglect; or

(ii) the date that is 60 days after the date on which the child is removed from the home;¹ and

(G) the foster parents (if any) of a child and any preadoptive parent or relative providing care for the child are provided with notice of, and an opportunity to be heard in,

¹ So in original. The semicolon probably should be a comma.

any review or hearing to be held with respect to the child, except that this subparagraph shall not be construed to require that any foster parent, preadoptive parent, or relative providing care for the child be made a party to such a review or hearing solely on the basis of such notice and opportunity to be heard.

(6) The term “administrative review” means a review open to the participation of the parents of the child, conducted by a panel of appropriate persons at least one of whom is not responsible for the case management of, or the delivery of services to, either the child or the parents who are the subject of the review.

(7) The term “legal guardianship” means a judicially created relationship between child and caretaker which is intended to be permanent and self-sustaining as evidenced by the transfer to the caretaker of the following parental rights with respect to the child: protection, education, care and control of the person, custody of the person, and decisionmaking. The term “legal guardian” means the caretaker in such a relationship.

(J) A certification by the chief executive officer of the State that the State educational and training voucher program under this section is in compliance with the conditions specified in subsection (i) of this section, including a statement describing methods the State will use—

(i) to ensure that the total amount of educational assistance to a youth under this section and under other Federal and Federally supported programs does not exceed the limitation specified in subsection (i)(5) of this section; and

(4) Approval

The Secretary shall approve an application submitted by a State pursuant to paragraph (1) for a period if—

(A) In general

The Secretary shall allot to each State whose allotment for a fiscal year under paragraph (1) is less than the greater of \$500,000 or the amount payable to the State under this section for fiscal year 1998, an additional amount equal to the difference between such allotment and such greater amount.

(B) Ratable reduction of certain allotments

In the case of a State not described in subparagraph (A) of this paragraph for a fiscal year, the Secretary shall reduce the amount allotted to the State for the fiscal year under paragraph (1) by the amount that bears the same ratio to the sum of the differences determined under subparagraph (A) of this paragraph for the fiscal year as the excess of the amount so allotted over the greater of \$500,000 or the amount payable to the State under this section for fiscal year 1998 bears to the sum of such excess amounts determined for all such States.

(3) Voucher program allotment

From the amount, if any, appropriated pursuant to subsection (h)(2) of this section for a fiscal year, the Secretary may allot to each State with an application approved under subsection (b) of this section for the fiscal year an amount equal to the State foster care ratio multiplied by the amount so specified.

(3) Two-year availability of funds

Payments made to a State under this section for a fiscal year shall be expended by the State in the fiscal year or in the succeeding fiscal year.

(4) Reallocation of unused funds

If a State does not apply for funds under this section for a fiscal year within such time as may be provided by the Secretary, the funds to which the State would be entitled for the fiscal year shall be reallocated to 1 or more other States on the basis of their relative need for additional payments under this section, as determined by the Secretary.

(e) Penalties**(1) Use of grant in violation of this part**

If the Secretary is made aware, by an audit conducted under chapter 75 of title 31 or by any other means, that a program receiving funds from an allotment made to a State under subsection (c) of this section has been operated in a manner that is inconsistent with, or not disclosed in the State application approved under subsection (b) of this section, the Secretary shall assess a penalty against the State in an amount equal to not less than 1 percent and not more than 5 percent of the amount of the allotment.

(2) Failure to comply with data reporting requirement

enrolled in a postsecondary education or training program and are making satisfactory progress toward completion of that program.

FINDINGS

Pub. L. 106-169, title I, §101(a), Dec. 14, 1999, 113 Stat. 1823, provided that: "The Congress finds the following:

"(1) States are required to make reasonable efforts to find adoptive families for all children, including older children, for whom reunification with their biological family is not in the best interests of the child. However, some older children will continue to live in foster care. These children should be enrolled in an Independent Living program designed and conducted by State and local government to help prepare them for employment, postsecondary education, and successful management of adult responsibilities.

"(2) Older children who continue to be in foster care as adolescents may become eligible for Independent Living programs. These Independent Living programs are not an alternative to adoption for these children. Enrollment in Independent Living programs can occur concurrent with continued efforts to locate and achieve placement in adoptive families for older children in foster care.

"(3) About 20,000 adolescents leave the Nation's foster care system each year because they have reached 18 years of age and are expected to support themselves.

"(4) Congress has received extensive information that adolescents leaving foster care have significant difficulty making a successful transition to adulthood; this information shows that children aging out of foster care show high rates of homelessness, non-marital childbearing, poverty, and delinquent or criminal behavior; they are also frequently the target of crime and physical assaults.

"(5) The Nation's State and local governments, with financial support from the Federal Government, should offer an extensive program of education, training, employment, and financial support for young adults leaving foster care, with participation in such program beginning several years before high school graduation and continuing, as needed, until the young adults emancipated from foster care establish independence or reach 21 years of age."

The study shall include a comparison of outcomes of children who participated in the programs and a comparable group of children who did not participate in the programs.

"(2) REPORT.—Upon completion of the study, the Secretary shall issue a report to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives."

From each State's allotment under subsection (b) of this section, the Secretary shall from time to time pay to such State its costs of carrying out the purposes of this section through (1) grants to public or other nonprofit institutions of higher learning for training personnel employed or preparing for employment in public assistance programs, (2) special courses of study or seminars of short duration conducted for such personnel by experts hired on a temporary basis for the purpose, and (3) establishing and maintaining, directly or through grants to such institutions, fellowships or traineeships for such personnel at such institutions, with such stipends

The amount of any allotment to a State under subsection (b) of this section for any fiscal year which the State certifies to the Secretary will not be required for carrying out the purposes of this section in such State shall be available for reallotment from time to time, on such dates as the Secretary may fix, to other States which the Secretary determines have need in carrying out such purposes for sums in excess of those previously allotted to them under this section and will be able to use such excess amounts during such fiscal year; such reallotments to be made on the basis provided in subsection (b) of this section for the initial allotments to the States. Any amount so reallotted to a State shall be deemed part of its allotment under such subsection.

(3) The Secretary may, to the extent he finds such action to be necessary, prescribe requirements to assure that any individual will repay the amount of his fellowship or traineeship received under this subsection to the extent such individual fails to serve, for the period prescribed by the Secretary, with a State or political subdivision thereof, or with the Federal Government, in connection with administration of any State or local public assistance program. The Secretary may relieve any individual of his obligation to so repay, in whole or in part,

(2) Exemptions

(A) The Commissioner of Social Security may prescribe circumstances under which the Commissioner of Social Security may grant an exemption from paragraph (1) to any person on a case-by-case basis if the exemption is in the best interest of the qualified individual whose benefits would be paid to the person pursuant to this section.

(B) Paragraph (1)(C) shall not apply with respect to any person who is a creditor referred to in such paragraph if the creditor is—

(2) Time limitation

the Commissioner of Social Security shall make payment to the qualified individual or the individual's alternative representative payee of an amount equal to the misused benefits. The Commissioner of Social Security shall make a good faith effort to obtain restitution from the terminated representative payee.

§ 1008. Overpayments and underpayments

(a) In general

Whenever the Commissioner of Social Security finds that more or less than the correct amount of payment has been made to any person under this subchapter, proper adjustment or recovery shall be made, as follows:

(c) Waiver of recovery of overpayment

In any case in which more than the correct amount of payment has been made, there shall be no adjustment of payments to, or recovery by the United States from, any person who is without fault if the Commissioner of Social Security determines that the adjustment or recovery would defeat the purpose of this subchapter or would be against equity and good conscience.

(d) Limited immunity for disbursing officers

For purposes of paragraph (1), the term "delinquent amount" means an amount—

§ 1009. Hearings and review

(a) Hearings

(1) In general

The Commissioner of Social Security shall make findings of fact and decisions as to the rights of any individual applying for payment under this subchapter. The Commissioner of Social Security shall provide reasonable notice and opportunity for a hearing to any individual who is or claims to be a qualified individual and is in disagreement with any determination under this subchapter with respect to entitlement to, or the amount of, benefits under this subchapter, if the individual requests a hearing on the matter in disagreement within 60 days after notice of the determination is received, and, if a hearing is held, shall, on the basis of evidence adduced at the hearing affirm, modify, or reverse the Commissioner of Social Security's findings of fact

(2) Effect of failure to timely request review

A failure to timely request review of an initial adverse determination with respect to an application for any payment under this subchapter or an adverse determination on reconsideration of such an initial determination shall not serve as a basis for denial of a subsequent application for any payment under this subchapter if the applicant demonstrates that the applicant failed to so request such a review acting in good faith reliance upon incorrect, incomplete, or misleading information, relating to the consequences of reapplying for payments in lieu of seeking review of an adverse determination, provided by any officer or employee of the Social Security Administration.

(3) Notice requirements

In any notice of an adverse determination with respect to which a review may be requested under paragraph (1), the Commissioner of Social Security shall describe in clear and specific language the effect on possible entitlement to benefits under this subchapter of choosing to reapply in lieu of requesting review of the determination.

(b) Judicial review

The final determination of the Commissioner of Social Security after a hearing under subsection (a)(1) of this section shall be subject to judicial review as provided in section 405(g) of this title to the same extent as the Commissioner of Social Security's final determinations under section 405 of this title.

(a) Establishment

There is hereby established in the Unemployment Trust Fund an employment security administration account.

(b) Amount credited to Account; transfer of funds; adjustments; repayment of internal revenue refunds

(1) There is hereby appropriated to the Unemployment Trust Fund for credit to the employment security administration account, out of any moneys in the Treasury not otherwise appropriated, for the fiscal year ending June 30, 1961, and for each fiscal year thereafter, an amount equal to 100 per centum of the tax (including interest, penalties, and additions to the tax) received during the fiscal year under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] and covered into the Treasury.

(2) The amount appropriated by paragraph (1) shall be transferred at least monthly from the general fund of the Treasury to the Unemployment Trust Fund and credited to the employment security administration account. Each such transfer shall be based on estimates made by the Secretary of the Treasury of the amounts received in the Treasury. Proper adjustments shall be made in the amounts subsequently transferred, to the extent prior estimates (including estimates for the fiscal year ending June 30, 1960) were in excess of or were less than the amounts required to be transferred.

(3) The Secretary of the Treasury is directed to pay from time to time from the employment security administration account into the Treasury, as repayments to the account for refunding internal revenue collections, amounts equal to all refunds made after June 30, 1960, of amounts received as tax under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] (including interest on such refunds).

(c) Administrative expenditures; necessary expenses; quarterly transfer of funds; adjustments; limitation; estimate of net receipts

(1) There are hereby authorized to be made available for expenditure out of the employment security administration account for the fiscal year ending June 30, 1971, and for each fiscal year thereafter—

(A) such amounts (not in excess of the applicable limit provided by paragraph (3) and, with

respect to clause (ii), not in excess of the limit provided by paragraph (4) as the Congress may deem appropriate for the purpose of—

(i) assisting the States in the administration of their unemployment compensation laws as provided in subchapter III of this chapter (including administration pursuant to agreements under any Federal unemployment compensation law),

(ii) the establishment and maintenance of systems of public employment offices in accordance with the Act of June 6, 1933, as amended (29 U.S.C., secs. 49–49n), and

(iii) carrying into effect section 4103 of title 38;

(B) such amounts (not in excess of the limit provided by paragraph (4) with respect to clause (iii)) as the Congress may deem appropriate for the necessary expenses of the Department of Labor for the performance of its functions under—

(i) this subchapter and subchapters III and XII of this chapter,

(ii) the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.],

(iii) the provisions of the Act of June 6, 1933, as amended [29 U.S.C. 49 et seq.],

The term “necessary expenses” as used in this subparagraph (B) shall include the expense of reimbursing a State for salaries and other expenses of employees of such State temporarily assigned or detailed to duty with the Department of Labor and of paying such employees for travel expenses, transportation of household goods, and per diem in lieu of subsistence while away from their regular duty stations in the State, at rates authorized by law for civilian employees of the Federal Government.

(2) The Secretary of the Treasury is directed to pay from the employment security administration account into the Treasury as miscellaneous receipts the amount estimated by him which will be expended during a three-month period by the Treasury Department for the performance of its functions under—

(A) this subchapter and subchapters III and XII of this chapter, including the expenses of banks for servicing unemployment benefit payment and clearing accounts which are offset by the maintenance of balances of Treasury funds with such banks,

(B) the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.], and

(C) any Federal unemployment compensation law with respect to which responsibility for administration is vested in the Secretary of Labor.

(3)(A) For purposes of paragraph (1)(A), the limitation on the amount authorized to be made available for any fiscal year after June 30, 1970, is, except as provided in subparagraph (B) and in

the second sentence of subsection (f)(3)(A) of this section, an amount equal to 95 percent of the amount estimated and set forth in the budget of the United States Government for such fiscal year as the amount by which the net receipts during such year under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] will exceed the amount transferred under section 1105(b) of this title during such year to the extended unemployment compensation account.

(B) The limitation established by subparagraph (A) is increased by any unexpended amount retained in the employment security administration account in accordance with subsection (f)(2)(B) of this section.

(C) Each estimate of net receipts under this paragraph shall be based upon a tax rate of 0.6 percent.

(4) For purposes of paragraphs (1)(A)(ii) and (1)(B)(iii) the amount authorized to be made available out of the employment security administration account for any fiscal year after June 30, 1972, shall reflect the proportion of the total cost of administering the system of public employment offices in accordance with the Act of June 6, 1933, as amended [29 U.S.C. 49 et seq.], and of the necessary expenses of the Department of Labor for the performance of its functions under the provisions of such Act, as the President determines is an appropriate charge to the employment security administration account, and reflects in his annual budget for such year. The President's determination, after consultation with the Secretary, shall take into account such factors as the relationship between employment subject to State laws and the total labor force in the United States, the number of claimants and the number of job applicants, and such other factors as he finds relevant.

(5)(A) There are authorized to be appropriated out of the employment security administration account to carry out program integrity activities, in addition to any amounts available under paragraph (1)(A)(i)—

(i) \$89,000,000 for fiscal year 1998;

(ii) \$91,000,000 for fiscal year 1999;

(iii) \$93,000,000¹ fiscal year 2000;

(iv) \$96,000,000 for fiscal year 2001; and

(v) \$98,000,000 for fiscal year 2002.

(B) In any fiscal year in which a State receives funds appropriated pursuant to this paragraph, the State shall expend a proportion of the funds appropriated pursuant to paragraph (1)(A)(i) to carry out program integrity activities that is not less than the proportion of the funds appropriated under such paragraph that was expended by the State to carry out program integrity activities in fiscal year 1997.

(C) For purposes of this paragraph, the term “program integrity activities” means initial claims review activities, eligibility review activities, benefit payments control activities, and employer liability auditing activities.

(d) Additional tax attributable to reduced credits; transfer of funds

(1) The Secretary of the Treasury is directed to transfer from the employment security administration account—

¹ So in original. Probably should be followed by “for”.

(A) To the Federal unemployment account, an amount equal to the amount by which—

(i) 100 per centum of the additional tax received under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] with respect to any State by reason of the reduced credits provisions of section 3302(c)(3) of such Act [26 U.S.C. 3302(c)(3)] and covered into the Treasury for the repayment of advances made to the State under section 1321 of this title, exceeds

(ii) the amount transferred to the account of such State pursuant to subparagraph (B) of this paragraph.

Any amount transferred pursuant to this subparagraph shall be credited against, and shall operate to reduce, that balance of advances, made under section 1321 of this title to the State, with respect to which employers paid such additional tax.

(B) To the account (in the Unemployment Trust Fund) of the State with respect to which employers paid such additional tax, an amount equal to the amount by which such additional tax received and covered into the Treasury exceeds that balance of advances, made under section 1321 of this title to the State, with respect to which employers paid such additional tax.

(2) Transfers under this subsection shall be as of the beginning of the month succeeding the month in which the moneys were credited to the employment security administration account pursuant to subsection (b)(2) of this section.

(e) Revolving fund; appropriations; advances to Account; repayment; interest

(1) There is hereby established in the Treasury a revolving fund which shall be available to make the advances authorized by this subsection. There are hereby authorized to be appropriated, without fiscal year limitation, to such revolving fund such amounts as may be necessary for the purposes of this section.

(2) The Secretary of the Treasury is directed to advance from time to time from the revolving fund to the employment security administration account such amounts as may be necessary for the purposes of this section. If the net balance in the employment security administration account as of the beginning of any fiscal year equals 40 percent of the amount of the total appropriation by the Congress out of the employment security administration account for the preceding fiscal year, no advance may be made under this subsection during such fiscal year.

(3) Advances to the employment security administration account made under this subsection shall bear interest until repaid at a rate equal to the average rate of interest (computed as of the end of the calendar month next preceding the date of such advance) borne by all interest-bearing obligations of the United States then forming a part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest shall be the multiple of one-eighth of 1 per centum next lower than such average rate.

(4) Advances to the employment security administration account made under this sub-

section, plus interest accrued thereon, shall be repaid by the transfer from time to time, from the employment security administration account to the revolving fund, of such amounts as the Secretary of the Treasury, in consultation with the Secretary of Labor, determines to be available in the employment security administration account for such repayment. Any amount transferred as a repayment under this paragraph shall be credited against, and shall operate to reduce, any balance of advances (plus accrued interest) repayable under this subsection.

(f) Determination of excess in Account; limitation on amount to be retained; use of balance in Account during certain fiscal years; net balance

(1) The Secretary of the Treasury shall determine as of the close of each fiscal year (beginning with the fiscal year ending June 30, 1961) the excess in the employment security administration account.

(2) The excess in the employment security administration account as of the close of any fiscal year is the amount by which the net balance in such account as of such time (after the application of section 1102(b) of this title and paragraph (3)(C) of this subsection) exceeds the net balance in the employment security administration account as of the beginning of that fiscal year (including the fiscal year for which the excess is being computed) for which the net balance was higher than as of the beginning of any other such fiscal year.

(3)(A) The excess determined as provided in paragraph (2) as of the close of any fiscal year after June 30, 1972, shall be retained (as of the beginning of the succeeding fiscal year) in the employment security administration account until the amount in such account is equal to 40 percent of the amount of the total appropriation by the Congress out of the employment security administration account for the fiscal year for which the excess is determined. Three-eighths of the amount in the employment security administration account as of the beginning of any fiscal year after June 30, 1972, or \$150 million, whichever is the lesser, is authorized to be made available for such fiscal year pursuant to subsection (c)(1) of this section for additional costs of administration due to an increase in the rate of insured unemployment for a calendar quarter of at least 15 percent over the rate of insured unemployment for the corresponding calendar quarter in the immediately preceding year.

(B) If the entire amount of the excess determined as provided in paragraph (2) as of the close of any fiscal year after June 30, 1972, is not retained in the employment security administration account, there shall be transferred (as of the beginning of the succeeding fiscal year) to the extended unemployment compensation account the balance of such excess or so much thereof as is required to increase the amount in the extended unemployment compensation account to the limit provided in section 1105(b)(2) of this title.

(C) If as of the close of any fiscal year after June 30, 1972, the amount in the extended unemployment compensation account exceeds the

limit provided in section 1105(b)(2) of this title, such excess shall be transferred to the employment security administration account as of the close of such fiscal year.

(4) For the purposes of this section, the net balance in the employment security administration account as of any time is the amount in such account as of such time reduced by the sum of—

(A) the amounts then subject to transfer pursuant to subsection (d) of this section, and

(B) the balance of advances (plus interest accrued thereon) then repayable to the revolving fund established by subsection (e) of this section.

The net balance in the employment security administration account as of the beginning of any fiscal year shall be determined after the disposition of the excess in such account as of the close of the preceding fiscal year.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1103, 1110, 1323 of this title.

§ 1103. Amounts transferred to State accounts

(a) Determination and certification by Secretary of Labor

(1) If as of the close of any fiscal year after the fiscal year ending June 30, 1972, the amount in the extended unemployment compensation account has reached the limit provided in section 1105(b)(2) of this title and the amount in the Federal unemployment account has reached the limit provided in section 1102(a) of this title and all advances and interest pursuant to section 1105(d) of this title and section 1323 of this title have been repaid, and there remains in the employment security administration account any amount over the amount provided in section 1101(f)(3)(A) of this title, such excess amount, except as provided in subsection (b) of this section, shall be transferred (as of the beginning of the succeeding fiscal year) to the accounts of the States in the Unemployment Trust Fund.

(2) Each State’s share of the funds to be transferred under this subsection as of any October 1—

(A) shall be determined by the Secretary of Labor and certified by such Secretary to the Secretary of the Treasury before such date, and

(B) shall bear the same ratio to the total amount to be so transferred as—

(i) the amount of wages subject to tax under section 3301 of the Internal Revenue Code of 1986 during the preceding calendar year which are determined by the Secretary of Labor to be attributable to the State, bears to

(ii) the total amount of wages subject to such tax during such year.

(b) Transfer of funds where State is ineligible

(1) If the Secretary of Labor finds that on October 1 of any fiscal year—

(A) a State is not eligible for certification under section 503 of this title, or

(B) the law of a State is not approvable under section 3304 of the Federal Unemployment Tax Act [26 U.S.C. 3304],

then the amount available for transfer to such State's account shall, in lieu of being so transferred, be transferred to the Federal unemployment account as of the beginning of such October 1. If, during the fiscal year beginning on such October 1, the Secretary of Labor finds and certifies to the Secretary of the Treasury that such State is eligible for certification under section 503 of this title, that the law of such State is approvable under such section 3304, or both, the Secretary of the Treasury shall transfer such amount from the Federal unemployment account to the account of such State. If the Secretary of Labor does not so find and certify to the Secretary of the Treasury before the close of such fiscal year then the amount which was available for transfer to such State's account as of October 1 of such fiscal year shall (as of the close of such fiscal year) become unrestricted as to use as part of the Federal unemployment account.

(2) The amount which, but for this paragraph, would be transferred to the account of a State under subsection (a) of this section or paragraph (1) of this subsection shall be reduced (but not below zero) by the balance of advances made to the State under section 1321 of this title. The sum by which such amount is reduced shall—

(A) be transferred to or retained in (as the case may be) the Federal unemployment account, and

(B) be credited against, and operate to reduce—

(i) first, any balance of advances made before September 13, 1960, to the State under section 1321 of this title, and

(ii) second, any balance of advances made on or after September 13, 1960, to the State under section 1321 of this title.

(c) Use of funds

(1) Except as provided in paragraph (2), amounts transferred to the account of a State pursuant to subsections (a) and (b) of this section shall be used only in the payment of cash benefits to individuals with respect to their unemployment, exclusive of expenses of administration.

(2) A State may, pursuant to a specific appropriation made by the legislative body of the State, use money withdrawn from its account in the payment of expenses incurred by it for the administration of its unemployment compensation law and public employment offices if and only if—

(A) the purposes and amounts were specified in the law making the appropriation,

(B) the appropriation law did not authorize the obligation of such money after the close of the two-year period which began on the date of enactment of the appropriation law,

(C) the money is withdrawn and the expenses are incurred after such date of enactment,

(D)(i) the appropriation law limits the total amount which may be obligated under such appropriation at any time to an amount which does not exceed, at any such time, the amount by which—

(I) the aggregate of the amounts transferred to the account of such State pursuant to subsections (a) and (b) of this section, exceeds

(II) the aggregate of the amounts used by the State pursuant to this subsection and charged against the amounts transferred to the account of such State, and

(ii) for purposes of clause (i), amounts used by a State for administration shall be chargeable against transferred amounts at the exact time the obligation is entered into, and

(E) the use of the money is accounted for in accordance with standards established by the Secretary of Labor.

(3)(A) If—

(i) amounts transferred to the account of a State pursuant to subsections (a) and (b) of this section were used in payment of unemployment benefits to individuals; and

(ii) the Governor of such State submits a request to the Secretary of Labor that such amounts be restored under this paragraph,

then the amounts described in clause (i) shall be restored to the status of funds transferred under subsections (a) and (b) of this section which have not been used by eliminating any charge against amounts so transferred for the use of such amounts in the payment of unemployment benefits.

(B) Subparagraph (A) shall apply only to the extent that the amounts described in clause (i) of such subparagraph do not exceed the amount then in the State's account.

(C) Subparagraph (A) shall not apply if the State has a balance of advances made to its account under subchapter XII of this chapter.

(D) If the Secretary of Labor determines that the requirements of this paragraph are met with respect to any request, the Secretary shall notify the Governor of the State that such requirements are met with respect to such request and the amount restored under this paragraph. Such restoration shall be as of the first day of the first month following the month in which the notification is made.

(d) Special transfer in fiscal year 2002

(1) The Secretary of the Treasury shall transfer (as of the date determined under paragraph (5)) from the Federal unemployment account to the account of each State in the Unemployment Trust Fund the amount determined with respect to such State under paragraph (2).

(2)(A) The amount to be transferred under this subsection to a State account shall (as determined by the Secretary of Labor and certified by such Secretary to the Secretary of the Treasury) be equal to—

(i) the amount which would have been required to have been transferred under this section to such account at the beginning of fiscal year 2002 if—

(I) section 209(a)(1) of the Temporary Extended Unemployment Compensation Act of 2002 had been enacted before the close of fiscal year 2001, and

(II) section 5402 of Public Law 105-33 (relating to increase in Federal unemployment account ceiling) had not been enacted,

minus

(ii) the amount which was in fact transferred under this section to such account at the beginning of fiscal year 2002.

(B) Notwithstanding the provisions of subparagraph (A)—

(i) the aggregate amount transferred to the States under this subsection may not exceed a total of \$8,000,000,000; and

(ii) all amounts determined under subparagraph (A) shall be reduced ratably, if and to the extent necessary in order to comply with the limitation under clause (i).

(3)(A) Except as provided in paragraph (4), amounts transferred to a State account pursuant to this subsection may be used only in the payment of cash benefits—

(i) to individuals with respect to their unemployment, and

(ii) which are allowable under subparagraph (B) or (C).

(B)(i) At the option of the State, cash benefits under this paragraph may include amounts which shall be payable as—

(I) regular compensation, or

(II) additional compensation, upon the exhaustion of any temporary extended unemployment compensation (if such State has entered into an agreement under the Temporary Extended Unemployment Compensation Act of 2002), for individuals eligible for regular compensation under the unemployment compensation law of such State.

(ii) Any additional compensation under clause (i) may not be taken into account for purposes of any determination relating to the amount of any extended compensation for which an individual might be eligible.

(C)(i) At the option of the State, cash benefits under this paragraph may include amounts which shall be payable to 1 or more categories of individuals not otherwise eligible for regular compensation under the unemployment compensation law of such State, including those described in clause (iii).

§ 1104. Unemployment Trust Fund

(a) Establishment

There is hereby established in the Treasury of the United States a trust fund to be known as the “Unemployment Trust Fund”, hereinafter in this subchapter called the “Fund”. The Secretary of the Treasury is authorized and directed to receive and hold in the Fund all moneys deposited therein by a State agency from a State unemployment fund, or by the Railroad Retirement Board to the credit of the railroad unemployment insurance account or the railroad unemployment insurance administration fund, or otherwise deposited in or credited to the Fund or any account therein. Such deposit may be made directly with the Secretary of the Treasury, with any depositary designated by him for such purpose, or with any Federal Reserve Bank.

(b) Investments

It shall be the duty of the Secretary of the Treasury to invest such portion of the Fund as is not, in his judgment, required to meet current withdrawals. Such investment may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under chapter 31 of title 31 are hereby extended to authorize the issuance at par of special obligations exclusively to the Fund. Such special obliga-

tions shall bear interest at a rate equal to the average rate of interest, computed as of the end of the calendar month next preceding the date of such issue, borne by all interest-bearing obligations of the United States then forming part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest of such special obligations shall be the multiple of one-eighth of 1 per centum next lower than such average rate. Obligations other than such special obligations may be acquired for the Fund only on such terms as to provide an investment yield not less than the yield which would be required in the case of special obligations if issued to the Fund upon the date of such acquisition. Advances made to the Federal unemployment account pursuant to section 1323 of this title shall not be invested.

(c) Sale or redemption of obligations

Any obligations acquired by the Fund (except special obligations issued exclusively to the Fund) may be sold at the market price, and such special obligations may be redeemed at par plus accrued interest.

(d) Treatment of interest and proceeds

The interest on, and the proceeds from the sale or redemption of, any obligations held in the Fund shall be credited to and form a part of the Fund.

(e) Separate book accounts

The Fund shall be invested as a single fund, but the Secretary of the Treasury shall maintain a separate book account for each State agency, the employment security administration account, the Federal unemployment account, the railroad unemployment insurance account, and the railroad unemployment insurance administration fund and shall credit quarterly (on March 31, June 30, September 30, and December 31, of each year) to each account, on the basis of the average daily balance of such account, a proportionate part of the earnings of the Fund for the quarter ending on such date. For the purpose of this subsection, the average daily balance shall be computed—

(1) in the case of any State account, by reducing (but not below zero) the amount in the account by the balance of advances made to the State under section 1321 of this title, and

(2) in the case of the Federal unemployment account—

(A) by adding to the amount in the account the aggregate of the reductions under paragraph (1), and

(B) by subtracting from the sum so obtained the balance of advances made under section 1323 of this title to the account.

(f) Payment to State agencies and Railroad Retirement Board

The Secretary of the Treasury is authorized and directed to pay out of the Fund to any State agency such amount as it may duly requisition, not exceeding the amount standing to the account of such State agency at the time of such payment. The Secretary of the Treasury is authorized and directed to make such payments out of the railroad unemployment insurance account for the payment of benefits, and out of the

railroad unemployment insurance administration fund for the payment of administrative expenses, as the Railroad Retirement Board may duly certify, not exceeding the amount standing to the credit of such account or such fund, as the case may be, at the time of such payment.

(g) Federal unemployment account; establishment

There is hereby established in the Unemployment Trust Fund a Federal unemployment account.

(b) The Secretary shall approve any plan which fulfills the conditions specified in subsection (a) of this section, except that he shall not approve any plan which imposes, as a condition of eligibility for aid to the blind under the plan—

(2) Any citizenship requirement which excludes any citizen of the United States.

At the option of the State, the plan may provide that manuals and other policy issuances will be furnished to persons without charge for the reasonable cost of such materials, but such provision shall not be required by the Secretary as a condition for the approval of such plan under this subchapter. In the case of any State (other than Puerto Rico and the Virgin Islands) which did not have on January 1, 1949, a State plan for aid to the blind approved under this subchapter, the Secretary shall approve a plan of such State for aid to the blind for purposes of this subchapter, even though it does not meet the requirements of clause (8) of subsection (a) of this section, if it meets all other requirements of this subchapter for an approved plan for aid to the blind; but payments under section 1203 of this title shall be made, in the case of any such plan, only with respect to expenditures thereunder which would be included as expenditures for the purposes of section 1203 of this title under a plan approved under this section without regard to the provisions of this sentence.

§ 1206. “Aid to the blind” defined

For the purposes of this subchapter, the term “aid to the blind” means money payments to blind individuals who are needy, but does not include any such payments to or care in behalf of any individual who is an inmate of a public institution (except as a patient in a medical institution) or any individual who is a patient in an institution for tuberculosis or mental diseases. Such term also includes payments which are not included within the meaning of such term under the preceding sentence, but which would be so included except that they are made on behalf of such a needy individual to another individual who (as determined in accordance with standards prescribed by the Secretary) is interested in or concerned with the welfare of such needy individual, but only with respect to a State

whose State plan approved under section 1202 of this title includes provision for—

(1) determination by the State agency that such needy individual has, by reason of his physical or mental condition, such inability to manage funds that making payments to him would be contrary to his welfare and, therefore, it is necessary to provide such aid through payments described in this sentence;

(2) making such payments only in cases in which such payments will, under the rules otherwise applicable under the State plan for determining need and the amount of aid to the blind to be paid (and in conjunction with other income and resources), meet all the need¹ of the individuals with respect to whom such payments are made;

(3) undertaking and continuing special efforts to protect the welfare of such individual and to improve, to the extent possible, his capacity for self-care and to manage funds;

(4) periodic review by such State agency of the determination under paragraph (1) of this subsection to ascertain whether conditions justifying such determination still exist, with provision for termination of such payments if they do not and for seeking judicial appointment of a guardian or other legal representative, as described in section 1311 of this title, if and when it appears that such action will best serve the interests of such needy individual; and

(5) opportunity for a fair hearing before the State agency on the determination referred to in paragraph (1) of this subsection for any individual with respect to whom it is made.

At the option of a State (if its plan approved under this subchapter so provides), such term (i) need not include money payments to an individual who has been absent from such State for a period in excess of 90 consecutive days (regardless of whether he has maintained his residence in such State during such period) until he has been present in such State for 30 consecutive days in the case of such an individual who has maintained his residence in such State during such period or 90 consecutive days in the case of any other such individual, and (ii) may include rent payments made directly to a public housing agency on behalf of a recipient or a group or groups of recipients of aid under such plan.

(Aug. 14, 1935, ch. 531, title X, §1006, 49 Stat. 647; Aug. 10, 1939, ch. 666, title VII, §703, 53 Stat. 1398; Aug. 28, 1950, ch. 809, title III, pt. 4, §343(a), 64 Stat. 554; Pub.
