

§ 5873. Report to Congress

Within one year after October 24, 1992, the President shall submit to the designated congressional committees a report describing—

(1) the opportunities for increased space-related trade with the independent states of the former Soviet Union;

(2) a technology procurement plan for identifying and evaluating all unique space hardware, space technology, and space services available to the United States from the independent states;

(3) specific space hardware, space technology, and space services that have been, or could be, the subject of discussions described in section 5871(c) of this title;

(4) the trade missions carried out pursuant to section 5872(a) of this title, including the private participation in and the results of such missions;

(5) any barriers, regulatory or practical, that inhibit space-related trade between the United States and independent states, including any such barriers in either the United States or the independent states; and

(6) any anticompetitive issues raised during the course of negotiations, as observed pursuant to section 5872(b) of this title.

(Pub. L. 102-511, title VI, § 603, Oct. 24, 1992, 106 Stat. 3347.)

§ 5874. Definitions

For purposes of this subchapter—

(1) the term “contractor” means a National Aeronautics and Space Administration contractor to the extent that the acquisition of space hardware, space technology, or space services from the independent states of the former Soviet Union may be relevant to the contractor’s responsibilities under the contract; and

(2) the term “designated congressional committees” means the Committee on Science, Space, and Technology and the Committee on Foreign Affairs of the House of Representatives and the Committee on Commerce, Science, and Transportation and the Committee on Foreign Relations of the Senate.
