

(8) Separated entity

The term “separated entity” means a privatized entity to whom a portion of the assets owned by INTELSAT or Inmarsat are transferred prior to full privatization of INTELSAT or Inmarsat, including in particular the entity whose structure was under discussion by INTELSAT as of March 25, 1998, but excluding ICO.

(9) Orbital location

The term “orbital location” means the location for placement of a satellite on the geostationary orbital arc as defined in the International Telecommunication Union Radio Regulations.

(10) Space segment

The term “space segment” means the satellites, and the tracking, telemetry, command, control, monitoring and related facilities and equipment used to support the operation of satellites owned or leased by INTELSAT, Inmarsat, or a separated entity or successor entity.

(11) Non-core services

The term “non-core services” means, with respect to INTELSAT provision, services other than public-switched network voice telephony and occasional-use television, and with respect to Inmarsat provision, services other than global maritime distress and safety services or other existing maritime or aeronautical services for which there are not alternative providers.

(12) Additional services

The term “additional services” means—

(A) for Inmarsat, those non-maritime or non-aeronautical mobile services in the 1.5 and 1.6 Ghz band on planned satellites or the 2 Ghz band; and

(B) for INTELSAT, direct-to-home (DTH) or direct broadcast satellite (DBS) video services, or services in the Ka or V bands.

(13) INTELSAT Agreement

The term “INTELSAT Agreement” means the Agreement Relating to the International Telecommunications Satellite Organization (“INTELSAT”), including all its annexes (TIAS 7532, 23 UST 3813).

(14) Headquarters Agreement

The term “Headquarters Agreement” means the International Telecommunication¹ Satellite Organization Headquarters Agreement (November 24, 1976) (TIAS 8542, 28 UST 2248).

(15) Operating Agreement

The term “Operating Agreement” means—

(A) in the case of INTELSAT, the agreement, including its annex but excluding all titles of articles, opened for signature at Washington on August 20, 1971, by Governments or telecommunications entities designated by Governments in accordance with the provisions of the Agreement; and

(B) in the case of Inmarsat, the Operating Agreement on the International Maritime

Satellite Organization, including its annexes.

(16) Inmarsat Convention

The term “Inmarsat Convention” means the Convention on the International Maritime Satellite Organization (Inmarsat) (TIAS 9605, 31 UST 1).

(17) National corporation

The term “national corporation” means a corporation the ownership of which is held through publicly traded securities, and that is incorporated under, and subject to, the laws of a national, state, or territorial government.

(18) COMSAT

The term “COMSAT” means the corporation established pursuant to subchapter III of this chapter, or the successor in interest to such corporation.

(19) ICO

The term “ICO” means the company known, as of March 17, 2000, as ICO Global Communications, Inc.

(20) Global maritime distress and safety services or GMDSS

The term “global maritime distress and safety services” or “GMDSS” means the automated ship-to-shore distress alerting system which uses satellite and advanced terrestrial systems for international distress communications and promoting maritime safety in general. The GMDSS permits the worldwide alerting of vessels, coordinated search and rescue operations, and dissemination of maritime safety information.

(21) National security agency

The term “national security agency” means the National Security Agency, the Director of Central Intelligence and the Central Intelligence Agency, the Department of Defense, and the Coast Guard.

(b) Common terminology

Except as otherwise provided in subsection (a) of this section, terms used in this subchapter that are defined in section 153 of this title have the meanings provided in such section.
