§ 3001. Congressional statement of purpose

It is the purpose of this chapter to promote, through appropriate means and on an economically sustainable basis, the development and expansion of direct marketing of agricultural commodities from farmers to consumers. To accomplish this objective, the Secretary of Agriculture (hereinafter referred to as the "Secretary") shall initiate and coordinate a program designed to facilitate direct marketing from farmers to consumers for the mutual benefit of consumers and farmers.

(Pub. L. 94-463, § 2, Oct. 8, 1976, 90 Stat. 1982.)

SHORT TITLE

Section 1 of Pub. L. 94-463 provided: "That this Act [enacting this chapter and provisions set out as a note under section 5145 of Title 42, The Public Health and Welfare] may be cited as the 'Farmer-to-Consumer Direct Marketing Act of 1976'."

§ 3002. Definitions

For purposes of this chapter, the term "direct marketing from farmers to consumers" shall mean the marketing of agricultural commodities at any marketplace (including, but not limited to, roadside stands, city markets, and vehicles used for house-to-house marketing of agricultural commodities) established and maintained for the purpose of enabling farmers to sell (either individually or through a farmers' organization directly representing the farmers who produced the commodities being sold) their agricultural commodities directly to individual consumers, or organizations representing consumers, in a manner calculated to lower the cost and increase the quality of food to such consumers while providing increased financial returns to the farmers.

(Pub. L. 94-463, § 3, Oct. 8, 1976, 90 Stat. 1982.)

§ 3003. Survey

The Secretary shall provide, through the Economic Research Service of the United States Department of Agriculture, or whatever agency or agencies the Secretary considers appropriate, an annual survey of existing methods of direct marketing from farmers to consumers in each State.

(Pub. L. 94-463, § 4, Oct. 8, 1976, 90 Stat. 1982; Pub. L. 107-171, title X, § 10605(b)(1), May 13, 2002, 116 Stat. 513.)

AMENDMENTS

2002—Pub. L. 107-171 substituted "an annual survey" for "a continuing survey" and struck out at end "The initial survey, which shall be completed no later than one year following October 8, 1976, shall include the number of types of such marketing methods in existence, the volume of business conducted through each such marketing method, and the impact of such marketing methods upon financial returns to farmers (including their impact upon improving the economic viability of small farmers) and food quality and costs to consumers."

§ 3004. Direct marketing assistance within the States

Such funds shall be allocated to a State on the basis of the feasibility of direct marketing from farmers to consumers within that State as compared to other States and shall be allocated within a State to the State department of agriculture and to the Secretary on the basis of the types of activities which are needed in the State, as determined by the Secretary.
