- § 2051. Congressional findings and declaration of purpose**
- (a) The Congress finds that—
- (1) an unacceptable number of consumer products which present unreasonable risks of injury are distributed in commerce;
 - (2) complexities of consumer products and the diverse nature and abilities of consumers using them frequently result in an inability of users to anticipate risks and to safeguard themselves adequately;
 - (3) the public should be protected against unreasonable risks of injury associated with consumer products;
 - (4) control by State and local governments of unreasonable risks of injury associated with
