

administration, or compliance with applicable laws, no hunting, fishing, or trapping will be permitted in the Conservation Area.

**(B) Consultation**

Except in emergencies, the Secretary shall consult with the appropriate State agency before promulgating regulations under subparagraph (A) that close a portion of the Conservation Area to hunting, fishing, or trapping.

**(g) No buffer zones**

**(1) In general**

The establishment of the Conservation Area shall not create an express or implied protective perimeter or buffer zone around the Conservation Area.

**(2) Private land**

If the use of, or conduct of an activity on, private land that shares a boundary with the Conservation Area is consistent with applicable law, nothing in this subchapter concerning the establishment of the Conservation Area shall prohibit or limit the use or conduct of the activity.
