EFFECTIVE DATE OF 1997 AMENDMENT

§ 552. Pay and allowances; continuance while in a missing status; limitations

(a) A member of a uniformed service who is on active duty or performing inactive-duty training, and who is in a missing status, is—

(1) for the period he is in that status, entitled to receive or have credited to his account the same pay and allowances, as defined in this chapter, to which he was entitled at the beginning of that period or may thereafter become entitled; and

(2) for the period, not to exceed one year, required for his hospitalization and rehabilitation after termination of that status, under regulations prescribed by the Secretaries concerned, with respect to incentive pay, considered to have satisfied the requirements of section 301 of this title so as to entitle him to a continuance of that pay.

However, a member who is performing full-time training duty or other full-time duty without pay, or inactive-duty training with or without pay, is entitled to the pay and allowances to which he would have been entitled if he had been on active duty with pay. Notwithstanding section 1523 of title 10 or any other provision of law, the promotion of a member while he is in a missing status is fully effective for all purposes.

(b) The expiration of a member’s term of service while he is in a missing status does not end his entitlement to pay and allowances under subsection (a). Notwithstanding the death of a member while in a missing status, entitlement to pay and allowances under subsection (a) ends on the date—

(1) the Secretary concerned receives evidence that the member is dead; or

(2) that his death is prescribed or determined under section 555 of this title or under chapter 76 of title 10.

(c) A member is not entitled to pay and allowances under subsection (a) for a period during which he is officially determined to be absent from his post of duty without authority, and he is indebted to the United States for payments from amounts credited to his account for that period.

(d) A member who is performing full-time training duty or inactive-duty training is entitled to the benefits of this section only when he is officially determined to be in a missing status that results from the performance of duties prescribed by competent authority.

(e) A member in a missing status who is continued in that status under section 555 of this title or under chapter 76 of title 10 is entitled to be credited with pay and allowances under subsection (a).

the Secretary concerned determines pursuant to that chapter, that” for “the date the Secretary concerned receives evidence that”.

Subsec. (g). Pub. L. 104-106, §569(c)(3)(B), inserted “or under chapter 76 of title 10” after “section 555 of this title”.

1991—Subsecs. (e) to (g). Pub. L. 102-25 struck out “of this section” after “subsections (f) and (g)” in subsec. (e) and after “subsections (a)–(d)” in subsecs. (f) and (g).

§ 554. Travel and transportation; dependents; household and personal effects; trailers; additional movements; motor vehicles; sale of bulky items; claims for proceeds; appropriation chargeable

(a) In this section, “household and personal effects” and “household effects” may include, in addition to other authorized weight allowances, two privately owned motor vehicles which may be shipped at United States expense. Under regulations prescribed by the Secretaries concerned, and in place of the transportation of household and personal effects, a dependent, who would otherwise be entitled to transportation of household and personal effects under this section, may transport a house trailer or mobile dwelling within and between the areas specified in section 409 of this title for use as a residence by one of the following means—

- (1) transport it and be reimbursed by the United States;
- (2) deliver it to an agent of the United States for transportation by the United States or by commercial means; or
- (3) have it transported by commercial means, and be reimbursed by the United States.

If a trailer or dwelling is transported under clause (2) or (3), that transportation may include two privately owned motor vehicles which may be shipped at United States expense. Transportation, and incidental costs, authorized by this section shall be at United States expense without any cost limitation, and any payment authorized may be made in advance of the transportation concerned.

(b) Transportation (including packing, crating, drayage, temporary storage, and unpacking of household and personal effects) may be provided for the dependents and household and personal effects of a member of a uniformed service on active duty (without regard to pay grade) who is officially reported as dead, injured, ill, or absent for a period of more than 29 days in a missing status—

- (1) to the member’s official residence of record;
- (2) to the residence of his dependent, next of kin, or other person entitled to custody of the effects, under regulations prescribed by the Secretary concerned; or
- (3) on request of the member (if injured or ill), or his dependent, next of kin, or other person described in clause (2), to another location determined in advance or later approved by the Secretary concerned, or his designee.

When he considers it necessary, the Secretary concerned may, with respect to the household and personal effects of a member who is offi-

cially reported as absent for a period of more than 29 days in a missing status, authorize the nontemporary storage of those effects for a period of one year, or longer when justified. In addition, he may authorize additional movements of, and prescribe transportation for, the dependents and household and personal effects, or the dependents and house trailer or mobile dwelling, of a member who is officially reported as absent for a period of more than one year in a missing status.

(c) When a member described in subsection (b) is in an injured or ill status, transportation of dependents and household and personal effects authorized by this section may be provided only when prolonged hospitalization or treatment is anticipated.

(d) Transportation requested by a dependent may be authorized under this section only if there is a reasonable relationship between the circumstances of the dependent and the requested destination.

(e) In place of the transportation for dependents authorized by this section, and after the travel is completed, the Secretary concerned may authorize—

- (1) reimbursement for the commercial cost of the transportation; or
- (2) a monetary allowance at the prescribed rate for all, or that part, of the travel for which transportation in kind is not furnished.

(f) The Secretary concerned may store the household and personal effects of a member described in subsection (b) until proper disposition can be made. The cost of the storage and transportation (including packing, crating, drayage, temporary storage, and unpacking) of household and personal effects shall be charged against appropriations currently available.

(g) The Secretary concerned may, when he determines that there is an emergency and a sale would be in the best interests of the United States, provide for the public or private sale of motor vehicles and other bulky items of household and personal effects of a member described in subsection (b). Before a sale, and if practicable, a reasonable effort shall be made to determine the desires of the interested persons. The net proceeds received from the sale shall, under regulations prescribed by the Secretary concerned, be sent to the owner or other persons. If there are no such persons, or if they or their addresses are not known within one year from the date of sale, the net proceeds may be covered into the Treasury as miscellaneous receipts.

(h) Claims for net proceeds that are covered into the Treasury under subsection (g) may be filed with the Secretary of Defense by the rightful owners, their heirs or next of kin, or their legal representatives at any time before the end of a 5-year period from the date the proceeds are covered into the Treasury. When a claim is filed, the Secretary of Defense shall allow or disallow it. A claim that is allowed shall be paid from the appropriation for refunding money erroneously received and covered. If a claim is not filed before the end of the 5-year period from the date the proceeds are covered into the Treasury, it is

barred from being acted on by the courts or the Secretary of Defense.

(i) If a motor vehicle of a member (or a dependent of the member) that is transported at the expense of the United States under this section does not arrive at the authorized destination of the vehicle by the designated delivery date, the Secretary concerned shall reimburse the dependent for expenses incurred after that date to rent a motor vehicle for the dependent's use. The amount reimbursed may not exceed \$30 per day, and the rental period for which reimbursement may be provided expires after 7 days or on the date on which the delayed vehicle arrives at the authorized destination (whichever occurs first). In a case in which two motor vehicles of a member (or the dependent or dependents of a member) are transported at the expense of the United States, no reimbursement is payable under this subsection unless both motor vehicles do not arrive at the authorized destination of the vehicles by the designated delivery date.

(j) This section does not amend or repeal—

- (1) section 2575, 2733, 4712, 6522, or 9712 of title 10;
- (2) section 507 of title 14; or
- (3) chapter 171 of title 28.

§ 556. Secretarial determinations

(a) The Secretary concerned, or his designee, may make any determination necessary to administer this chapter and, when so made, it is conclusive as to—

- (1) death or finding of death;
- (2) the fact of dependency under this chapter;
- (3) the fact of dependency for the purpose of paying six months’ death gratuities authorized by law;
- (4) the fact of dependency under any other law authorizing the payment of pay, allowances, or other emoluments to enlisted members of the armed forces, when the payments are contingent on dependency;
- (5) any other status covered by this chapter;
- (6) an essential date, including one on which evidence or information is received by the Secretary concerned; and
- (7) whether information received concerning a member of a uniformed service is to be construed and acted on as an official report of death.

Paragraphs (1), (5), (6), and (7) only apply with respect to a case to which section 555 of this title applies.

(b) When the Secretary concerned, in a case to which section 555 of this title applies, receives

information that he considers establishes conclusively the death of a member of a uniformed service, he shall, notwithstanding any earlier action relating to death or other status of the member, act on it as an official report of death. After the end of the 12-month period in a missing status prescribed by section 555 of this title, the Secretary concerned, or his designee, shall, when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that a member in a missing status is dead, make a finding of death.

(c) The Secretary concerned, or his designee, may determine the entitlement of a member to pay and allowances under this chapter, including credits and charges in his account, and that determination is conclusive. An account may not be charged or debited with an amount that a member captured, beleaguered, or besieged by a hostile force may receive or be entitled to receive from, or have placed to his credit by, the hostile force as pay, allowances, or other compensation.

(d) The Secretary concerned, or his designee, may, when warranted by the circumstances, reconsider a determination made under this chapter, and change or modify it.

(e) When the account of a member has been charged or debited with an allotment paid under this chapter, the amount so charged or debited shall be recredited to the account of the member if the Secretary concerned, or his designee, determines that the payment was induced by fraud or misrepresentation to which the member was not a party.

(f) Except an allotment for an unearned insurance premium, an allotment paid from pay and allowances of a member for the period he is entitled to pay and allowances under section 552 of this title may not be collected from the allottee as an overpayment when it was caused by delay in receiving evidence of death. An allotment payment for a period after the end of entitlement to pay and allowances under this chapter, or otherwise, which was caused by delay in receiving evidence of death, may not be collected from the allottee or charged against the pay of the deceased member.

(g) The Secretary concerned, or his designee, may waive the recovery of an erroneous payment or overpayment of an allotment to a dependent if he considers recovery is against equity and good conscience.

(h) For the sole purpose of determining pay under this section, a dependent of a member of a uniformed service on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section in a case to which section 555 of this title applies is conclusive on all other departments and agencies of the United States. This subsection does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

(Added Pub. L. 89-554, §5(b), Sept. 6, 1966, 80 Stat. 629; amended Pub. L. 104-106, div. A, title V, §569(c)(4), Feb. 10, 1996, 110 Stat. 351.)

(2) The term "former captive" means a person who, as a member of the uniformed services, was held in a captive status.

(b)(1) The Secretary of the Treasury shall establish a savings fund to which the Secretary concerned may allot all or any portion of the pay and allowances of any member of the uniformed services who is in a captive status to the extent that such pay and allowances are not subject to an allotment under section 553 of this title or any other provision of law.

(2) Amounts so allotted shall bear interest at a rate which, for any calendar quarter, shall be

equal to the average rate paid on United States Treasury bills with three-month maturities issued during the preceding calendar quarter. Such interest shall be computed quarterly.

(3) Amounts in the savings fund credited to a member shall be considered as pay and allowances for purposes of section 553(c) of this title and shall otherwise be subject to withdrawal under procedures which the Secretary of the Treasury shall establish.

(2) Except as provided in section 802 of the Victims of Terrorism Compensation Act (5 U.S.C. 5569 note), the amount of such payment shall be determined by the President under the provisions of section 5569(d)(2) of title 5.

(3)(A) The President—

(i) may defer such payment in the case of any former captive who during such one-year period is charged with an offense described in clause (ii), until final disposition of such charge; and

(ii) may deny such payment in the case of any former captive who is convicted of a captivity-related offense—

(I) referred to in subsection (b) or (c) of section 8312 of title 5; or

(II) under chapter 47 of title 10 (the Uniform Code of Military Justice) that is punishable by dishonorable discharge, dismissal, or confinement for one year or more.

“(2) For purposes of paragraph (1), the back-pay computation period for a person covered by subsection (a) is the period—

“(2) Not later than 18 months after receiving a claim for payment under this section, the Secretary shall determine the eligibility of the claimant for payment of the claim. Subject to subsection (f), if the Secretary determines that the claimant is eligible for the payment, the Secretary shall promptly pay the claim.

AMENDMENTS

1990—Pub. L. 101-510, div. A, title XIV, §1484(f)(1), Nov. 5, 1990, 104 Stat. 1717, revised chapter heading so as to appear in all capital letters.

§ 601. Applicability

This chapter applies to—

(1) members of a uniformed service who are on active duty (other than for training) or who are on a retired list of that service; and

(2) members of the Fleet Reserve or Fleet Marine Corps Reserve.

(Pub. L. 87-649, Sept. 7, 1962, 76 Stat. 483.)

HISTORICAL AND REVISION NOTES

Table with 3 columns: Revised section, Source (U.S. Code), and Source (Statutes at Large). Row 1: 601, 37:351, June 21, 1950, ch. 342, §1, 64 Stat. 249.

The words “on active duty (other than for training)” are substituted for the words “on the active . . . list” to conform to longstanding administrative construction, and because there is no “active list” in the case of many of the uniformed services named, but only for certain regular component of those services, e.g., the “Regular Army” and the “Regular Air Force”. The words “a retired list of that service” are substituted for the words “retired list”, since there is more than one retired list for many of the services named. (See sections 1376, 3966, and 8966 of title 10, for example.) The words “members of the Reserve components of the respective services entitled to Federal pay either on the active or any retired list of said services” are omitted as covered by clause (1), since members of the reserve components are members of the uniformed services concerned. The word “transferred” is omitted as surplusage.

§ 602. Payments: designation of person to receive amounts due

(a) Active duty pay and allowances, amounts due for accrued or accumulated leave, or retired or retainer pay, that are otherwise payable to a member to whom this chapter applies and who, in the opinion of a board of medical officers or physicians, is mentally incapable of managing
