

(2) hold a hearing concerning any dispute described in paragraph (1) at a regularly scheduled meeting of the Council and only render a decision based upon a majority vote of the members of the Council. Such decision shall be published pursuant to the requirements of Article VI(e).

(b) Duties of FBI

The FBI shall exercise immediate and necessary action to preserve the integrity of the III System, maintain system policy and standards, protect the accuracy and privacy of records, and to prevent abuses, until the Council holds a hearing on such matters.

(c) Right of appeal

The FBI or a Party State may appeal any decision of the Council to the Attorney General, and thereafter may file suit in the appropriate district court of the United States, which shall have original jurisdiction of all cases or controversies arising under this Compact. Any suit arising under this Compact and initiated in a State court shall be removed to the appropriate district court of the United States in the manner provided by section 1446 of title 28, United States Code, or other statutory authority.

§ 14701. Definitions

For purposes of this Act—

(1) the term "Administrator" means the Administrator of the National Aeronautics and Space Administration;

(2) the term "commercial provider" means any person providing space transportation services or other space-related activities, primary control of which is held by persons other than Federal, State, local, and foreign governments;

(3) the term "payload" means anything that a person undertakes to transport to, from, or within outer space, or in suborbital trajectory, by means of a space transportation vehicle, but does not include the space transportation vehicle itself except for its components which are specifically designed or adapted for that payload;

(4) the term "space-related activities" includes research and development, manufacturing, processing, service, and other associated and support activities;

(5) the term "space transportation services" means the preparation of a space transportation vehicle and its payloads for transportation to, from, or within outer space, or in suborbital trajectory, and the conduct of transporting a payload to, from, or within outer space, or in suborbital trajectory;

(6) the term "space transportation vehicle" means any vehicle constructed for the purpose of operating in, or transporting a payload to, from, or within, outer space, or in suborbital trajectory, and includes any component of such vehicle not specifically designed or adapted for a payload;

(7) the term "State" means each of the several States of the Union, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and any other commonwealth, territory, or possession of the United States; and

(8) the term "United States commercial provider" means a commercial provider, organized under the laws of the United States or of a State, which is—

(A) more than 50 percent owned by United States nationals; or

(B) a subsidiary of a foreign company and the Secretary of Transportation finds that—

(i) such subsidiary has in the past evidenced a substantial commitment to the United States market through—

(I) investments in the United States in long-term research, development, and manufacturing (including the manufacture of major components and subassemblies); and

(II) significant contributions to employment in the United States; and

(ii) the country or countries in which such foreign company is incorporated or organized, and, if appropriate, in which it principally conducts its business, affords reciprocal treatment to companies described in subparagraph (A) comparable to that afforded to such foreign company's subsidiary in the United States, as evidenced by—

(I) providing comparable opportunities for companies described in subparagraph (A) to participate in Government sponsored research and development similar to that authorized under this Act;

(II) providing no barriers, to companies described in subparagraph (A) with respect to local investment opportunities, that are not provided to foreign companies in the United States; and

(III) providing adequate and effective protection for the intellectual property
