

tional Laboratory, including the functions of the Secretary of Energy relating thereto, to the Secretary of Homeland Security, see sections 183(1), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 2482. Transfer of funds and employees

(a) Transfer of funds

(1) Any balance of appropriations that the Secretary of Energy determines is available and needed to finance or discharge a function, power, or duty or an activity that is transferred to the Administration shall be transferred to the Administration and used for any purpose for which those appropriations were originally available. Balances of appropriations so transferred shall—

(A) be credited to any applicable appropriation account of the Administration; or

(B) be credited to a new account that may be established on the books of the Department of the Treasury;

and shall be merged with the funds already credited to that account and accounted for as one fund.

(2) Balances of appropriations credited to an account under paragraph (1)(A) are subject only to such limitations as are specifically applicable to that account. Balances of appropriations credited to an account under paragraph (1)(B) are subject only to such limitations as are applicable to the appropriations from which they are transferred.

(b) Personnel

(1) With respect to any function, power, or duty or activity of the Department of Energy that is transferred to the Administration, those employees of the element of the Department of Energy from which the transfer is made that the Secretary of Energy determines are needed to perform that function, power, or duty, or for that activity, as the case may be, shall be transferred to the Administration.

(2) The authorized strength in civilian employees of any element of the Department of Energy from which employees are transferred under this section is reduced by the number of employees so transferred.

§ 2483. Transition provisions

(a) Compliance with financial principles

(1) The Under Secretary of Energy for Nuclear Security shall ensure that the compliance with sound financial and fiscal management principles specified in section 2452 of this title is achieved not later than October 1, 2000.

(2) In carrying out paragraph (1), the Under Secretary of Energy for Nuclear Security shall conduct a review and develop a plan to bring applicable activities of the Administration into full compliance with those principles not later than such date.

(3) Not later than January 1, 2000, the Under Secretary of Energy for Nuclear Security shall submit to the Committees on Armed Services of

the Senate and the House of Representatives a report containing the results of that review and a description of that plan.

(b) Initial report for future-years nuclear security program

The first report under section 2453 of this title shall be submitted in conjunction with the budget submitted for fiscal year 2001.

(c) Procedures for computer access

The regulations to implement the procedures under section 2425 of this title shall be prescribed not later than 90 days after the effective date of this chapter.

(d) Compliance with FAR

(1) The Under Secretary of Energy for Nuclear Security shall ensure that the compliance with the Federal Acquisition Regulation specified in section 2462 of this title is achieved not later than October 1, 2000.

(2) In carrying out paragraph (1), the Under Secretary of Energy for Nuclear Security shall conduct a review and develop a plan to bring applicable activities of the Administration into full compliance with the Federal Acquisition Regulation not later than such date.

(3) Not later than January 1, 2000, the Under Secretary of Energy for Nuclear Security shall submit to the Committees on Armed Services of the Senate and the House of Representatives a report containing the results of that review and a description of that plan.
