

is developed and maintained in accordance with—

(A) the overall business process transformation strategy of the Department; and

(B) the architecture framework of the Department for command, control, communications, computers, intelligence, surveillance, and reconnaissance functions.

(5) To ensure that investments in existing or proposed financial management systems for the Department comply with the overall business practice transformation strategy of the Department and the financial management enterprise architecture developed under paragraph (4).

(6) To provide an annual accounting of each financial and data feeder system investment technology project to ensure that each such project is being implemented at acceptable cost and within a reasonable schedule and is contributing to tangible, observable improvements in mission performance.

(c) **MANAGEMENT PLAN FOR IMPLEMENTATION OF FINANCIAL DATA FEEDER SYSTEMS COMPLIANCE PROCESS.**—The management plan developed under subsection (b)(2) shall include among its principal elements at least the following elements:

(1) A requirement for the establishment and maintenance of a complete inventory of all budgetary, accounting, finance, and data feeder systems that support the transformed business processes of the Department and produce financial statements.

(2) A phased process (consisting of the successive phases of Awareness, Evaluation, Renovation, Validation, and Compliance) for improving systems referred to in paragraph (1) that provides for mapping financial data flow from the cognizant Department business function source (as part of the overall business process transformation strategy of the Department) to Department financial statements.

(3) Periodic submittal to the Secretary of Defense, the Deputy Secretary of Defense, and the Senior Executive Council (or any combination thereof) of reports on the progress being made in achieving financial management transformation goals and milestones included in the annual financial management improvement plan in 2002.

(4) Documentation of the completion of each phase specified in paragraph (2) of improvements made to each accounting, finance, and data feeder system of the Department.

(5) Independent audit by the Inspector General of the Department, the audit agencies of the military departments, and private sector firms contracted to conduct validation audits (or any combination thereof) at the validation phase for each accounting, finance, and data feeder system.

(d) **DATA FEEDER SYSTEMS.**—In this section, the term “data feeder system” means an automated or manual system from which information is derived for a financial management system or an accounting system.

(Added Pub. L. 107–107, div. A, title X, §1009(a)(1), Dec. 28, 2001, 115 Stat. 1206; amended

AMENDMENTS

2002—Subsec. (d). Pub. L. 107–314 substituted “means an automated or manual system from which information is derived for a financial management system or an accounting system” for “has the meaning given that term in section 2222(c)(2) of this title”.

§ 186. Defense Business System Management Committee

(a) **ESTABLISHMENT.**—The Secretary of Defense shall establish a Defense Business Systems Management Committee, to be composed of the following persons:

(1) The Deputy Secretary of Defense.

(2) The Deputy Chief Management Officer of the Department of Defense.

(3) The Under Secretary of Defense for Acquisition, Logistics, and Technology.

(4) The Under Secretary of Defense for Personnel and Readiness.

(5) The Under Secretary of Defense (Comptroller).

(6) The Assistant Secretary of Defense for Networks and Information Integration.

(7) The Chief Management Officers of the military departments and the heads of such Defense Agencies as may be designated by the Secretary of Defense.

(8) Such additional personnel of the Department of Defense (including personnel assigned to the Joint Chiefs of Staff and combatant commands) as are designated by the Secretary of Defense.

(b) **CHAIRMAN AND VICE CHAIRMAN.**—The Deputy Secretary of Defense shall serve as the chairman of the Committee. The Deputy Chief Management Officer of the Department of Defense shall serve as the vice chairman of the Committee, and shall act as chairman in the absence of the Deputy Secretary of Defense.

(c)¹ **DUTIES.**—(1) In addition to any other matters assigned to the Committee by the Secretary of Defense, the Committee shall—

(A) recommend to the Secretary of Defense policies and procedures necessary to effectively integrate the requirements of section 2222 of this title into all business activities and any transformation, reform, reorganization, or process improvement initiatives undertaken within the Department of Defense;

(B) review and approve any major update of the defense business enterprise architecture developed under subsection (b) of section 2222 of this title, including evolving the architecture, and of defense business systems modernization plans; and

(C) manage cross-domain integration consistent with such enterprise architecture.

(2) The Committee shall be responsible for coordinating defense business system modernization initiatives to maximize benefits and minimize costs for the Department of Defense and periodically report to the Secretary on the status of defense business system modernization efforts.

¹ So in original. Two subssecs. (c) have been enacted.

(3) The Committee shall ensure that funds are obligated for defense business system modernization in a manner consistent with section 2222 of this title.

(c)¹ DEFINITIONS.—In this section, the terms “defense business system” and “defense business system modernization” have the meanings given such terms in section 2222 of this title.

A, title III, §332(c), Oct. 28, 2004, 118 Stat. 1855, directed the Secretary of Defense, not later than 60 days after Oct. 28, 2004, to designate a vice chairman of the Defense Business System Management Committee, as required by subsec. (b) of this section, and to complete the delegation of responsibility for the review, approval, and oversight of the planning, design, acquisition, deployment, operation, maintenance, and modernization of defense business systems required by section 2222(f) of this title.

§ 187. Strategic Materials Protection Board

(a) ESTABLISHMENT.—(1) The Secretary of Defense shall establish a Strategic Materials Protection Board.

(2) The Board shall be composed of representatives of the following:

(A) The Secretary of Defense, who shall be the chairman of the Board.

(B) The Under Secretary of Defense for Acquisition, Technology, and Logistics.

(C) The Under Secretary of Defense for Intelligence.

(D) The Secretary of the Army.

(E) The Secretary of the Navy.

(F) The Secretary of the Air Force.

(b) DUTIES.—In addition to other matters assigned to it by the Secretary of Defense, the Board shall—

(1) determine the need to provide a long term domestic supply of materials designated as critical to national security to ensure that national defense needs are met;

(2) analyze the risk associated with each material designated as critical to national security and the effect on national defense that

the nonavailability of such material from a domestic source would have;

(3) recommend a strategy to the President to ensure the domestic availability of materials designated as critical to national security;

(4) recommend such other strategies to the President as the Board considers appropriate to strengthen the industrial base with respect to materials critical to national security; and

(5) publish not less frequently than once every two years in the Federal Register recommendations regarding materials critical to national security, including a list of specialty metals, if any, recommended for addition to, or removal from, the definition of “specialty metal” for purposes of section 2533b of this title.

(c) MEETINGS.—The Board shall meet as determined necessary by the Secretary of Defense but not less frequently than once every two years to make recommendations regarding materials critical to national security as described in subsection (b)(5).

(d) REPORTS.—After each meeting of the Board, the Board shall prepare and submit to Congress a report containing the results of the meeting and such recommendations as the Board determines appropriate.

(Added Pub. L. 109-364, div. A, title VIII, §843(a), Oct. 17, 2006, 120 Stat. 2338.)
