(B) Regulations

The Secretary may issue regulations further limiting those entities that may become qualified entities in order to prevent fraud and abuse and for other reasons.

(C) Rule of construction

Nothing in this paragraph shall be construed as preventing a State from limiting the classes of entities that may become qualified entities, consistent with any limitations imposed under subparagraph (B).

(e) Administration

(1) In general

The State agency shall provide qualified entities with—

(A) such forms as are necessary for an application to be made by an individual described in subsection (a) of this section for medical assistance under the State plan; and

(B) information on how to assist such individuals in completing and filing such forms.

(2) Notification requirements

A qualified entity that determines under subsection (b)(1)(A) of this section that an individual described in subsection (a) of this section is presumptively eligible for medical assistance under a State plan shall—

(A) notify the State agency of the determination within 5 working days after the date on which determination is made; and

(B) inform such individual at the time the determination is made that an application for medical assistance under the State plan is required to be made by not later than the last day of the month following the month during which the determination is made.

(3) Application for medical assistance

In the case of an individual described in subsection (a) of this section who is determined by a qualified entity to be presumptively eligible for medical assistance under a State plan, the individual shall apply for medical assistance under such plan by not later than the last day of the month following the month during which the determination is made.

(d) Payment

Notwithstanding any other provision of this subchapter, medical assistance that—

(1) is furnished to an individual described in subsection (a) of this section—

(A) during a presumptive eligibility period; (B) by a entity that is eligible for payments under the State plan; and (2) is included in the care and services covered by the State plan,

shall be treated as medical assistance provided by such plan for purposes of clause (4) of the first sentence of section 1396d(b) of this title.

Effectiveness Date

Section applicable to medical assistance for items and services furnished on or after Oct. 1, 2000, without regard to whether final regulations to carry out such amendments have been promulgated by such date, see section 2(d) of Pub. L. 106-354, set out as an Effective Date of 2000 Amendment note under section 1396a of this title.

§1396e-2. Information concerning sanctions taken by State licensing authorities against health care practitioners and providers

(a) Information reporting requirement

The requirement referred to in section 1396a(a)(49) of this title is that the State must provide for the following:

(1) Information reporting system

The State must have in effect a system of reporting the following information with respect to formal proceedings (as defined by the Secretary in regulations) concluded against a health care practitioner or entity by any authority of the State (or of a political subdivision thereof) responsible for the licensing of health care practitioners (or any peer review organization or private accreditation entity reviewing the services provided by health care practitioners) or entities:

(A) Any adverse action taken by such licensing authority as a result of the proceeding, including any revocation or suspension of a license (and the length of any such suspension), reprimand, censure, or probation.

(B) Any dismissal or closure of the proceedings by reason of the practitioner or entity surrendering the license or leaving the State or jurisdiction.

(C) Any other loss of the license of the practitioner or entity, whether by operation of law, voluntary surrender, or otherwise.

(D) Any negative action or finding by such authority, organization, or entity regarding the practitioner or entity.

(2) Access to documents

The State must provide the Secretary (or an entity designated by the Secretary) with access to such documents of the authority described in paragraph (1) as may be necessary for the Secretary to determine the facts and circumstances concerning the actions and determinations described in such paragraph for the purpose of carrying out this chapter.

(b) Form of information

The information described in subsection (a)(1) of this section shall be provided to the Secretary (or to an appropriate private or public agency, under suitable arrangements made by the Secretary with respect to receipt, storage, protection of confidentiality, and dissemination of information) in such a form and manner as the Secretary determines to be appropriate in order to provide for activities of the Secretary under this chapter and in order to provide, directly or through suitable arrangements made by the Secretary, information—

(1) to agencies administering Federal health care programs, including private entities administering such programs under contract,

(2) to licensing authorities described in subsection (a)(1) of this section,

(3) to State agencies administering or supervising the administration of State health care
programs (as defined in section 1320a–7(h) of this title),

(4) to utilization and quality control peer review organizations described in part B of subchapter XI of this chapter and to appropriate entities with contracts under section 1320c–3(a)(4)(C) of this title with respect to eligible organizations reviewed under the contracts,

(5) to State medicaid fraud control units (as defined in section 1396f(q) of this title),

(6) to hospitals and other health care entities (as defined in section 431 of the Health Care Quality Improvement Act of 1986 [42 U.S.C. 11151]), with respect to physicians or other licensed health care practitioners that have entered (or may be entering) into an employment or affiliation relationship with, or have applied for clinical privileges or appointments to the medical staff of, such hospitals or other health care entities (and such information shall be deemed to be disclosed pursuant to section 427 [42 U.S.C. 11137] of, and be subject to the provisions of, that Act [42 U.S.C. 11101 et seq.])

(7) to the Attorney General and such other law enforcement officials as the Secretary deems appropriate, and

(8) upon request, to the Comptroller General, in order for such authorities to determine the fitness of individuals to provide health care services, to protect the health and safety of individuals receiving health care through such programs, and to protect the fiscal integrity of such programs.

(c) Confidentiality of information provided

The Secretary shall provide for suitable safeguards for the confidentiality of the information furnished under subsection (a) of this section. Nothing in this subsection shall prevent the disclosure of such information by a party which is otherwise authorized, under applicable State law, to make such disclosure.

(d) Appropriate coordination

The Secretary shall provide for the maximum appropriate coordination in the implementation of subsection (a) of this section and section 422 of the Health Care Quality Improvement Act of 1986 [42 U.S.C. 11132].

§ 1396r–3. Correction and reduction plans for intermediate care facilities for mentally retarded

(a) Written plans to remedy substantial deficiencies; time for submission

If the Secretary finds that an intermediate care facility for the mentally retarded has substantial deficiencies which do not pose an immediate threat to the health and safety of residents (including failure to provide active treatment), the State may elect, subject to the limitations in this section, to—

(1) submit, within the number of days specified by the Secretary in regulations which apply to submission of compliance plans with respect to deficiencies of such type, a written plan of correction which details the extent of the facility’s current compliance with the standards promulgated by the Secretary, including all deficiencies identified during a validation survey, and which provides for a timetable for completion of necessary steps to correct all staffing deficiencies within 6 months, and a timetable for rectifying all physical plant deficiencies within 6 months; or

(2) submit, within a time period consisting of the number of days specified for submissions under paragraph (1) plus 35 days, a written plan for permanently reducing the number of certified beds, within a maximum of 36 months, in order to permit any noncomplying buildings (or distinct parts thereof) to be vacated and any staffing deficiencies to be corrected (hereinafter in this section referred to as a “reduction plan”).

(b) Conditions for approval of reduction plans

As conditions of approval of any reduction plan submitted pursuant to subsection (a)(2) of this section, the State must—

(1) provide for a hearing to be held at the affected facility at least 35 days prior to submission of the reduction plan, with reasonable notice thereof to the staff and residents of the facility, responsible members of the residents’ families, and the general public;
