(4) In this subsection, the term “active duty” has the meaning given that term in section 101 of title 10.

(2) Paragraph (1) shall not apply—

(A) to any debt or claim that—

(i) is in litigation or foreclosure;

(B) to any other specific class of debt or claim, as determined by the Secretary of the Treasury at the request of the head of an executive, judicial, or legislative agency or otherwise.

(3) For purposes of this section, the Secretary of the Treasury may designate, and withdraw such designation of debt collection centers operated by other Federal agencies. (C) the Department of Justice for litigation.

(5) Nontax claims referred or transferred under this section shall be serviced, collected, or compromised, or collection action thereon suspended or terminated, in accordance with otherwise applicable statutory requirements and authorities. The agency transferring or referring the nontax claim shall be charged the fee, and the agency charging the fee shall collect such fee by retaining the amount of the fee from amounts collected pursuant to this

subsection. Agencies may agree to pay through a different method, or to fund an activity from another account or from revenue received from the procedure described under section 3720C of this title. Amounts charged under this subsection concerning delinquent claims may be considered as costs pursuant to section 3717(e) of this title.

(7) Notwithstanding any other law concerning the depositing and collection of Federal payments, including section 3302(b) of this title, agencies collecting fees may retain the fees from amounts collected. Any fee charged pursuant to this subsection shall be deposited into an account to be determined by the executive department or agency operating the debt collection center charging the fee (in this subsection referred to in this section² as the "Account"). Amounts deposited in the Account shall be available until expended to cover costs associated with the implementation and operation of Governmentwide debt collection activities. (2) The obtaining of a consumer report under this subsection is deemed to be a circumstance or purpose authorized or listed under section 604 of the Fair Credit Reporting Act (15 U.S.C. 1681b).

(2) After terminating collection action, the head of an executive, judicial, or legislative agency shall sell, using competitive procedures, any nontax debt or class of nontax debts owed to the United States, if the Secretary of the Treasury determines the sale is in the best interests of the United States.

(3) Sales of nontax debt under this subsection—

(A) shall be for—

(i) cash, or

(ii) cash and a residuary equity or profit participation, if the head of the agency reasonably determines that the proceeds will be greater than sale solely for cash,

(B) shall be without recourse, but may include the use of guarantees if otherwise authorized, and

(C) shall transfer to the purchaser all rights of the Government to demand payment of the nontax debt, other than with respect to a residuary equity or profit participation under subparagraph (A)(ii).

(4)(A) Within one year after the date of enactment of the Debt Collection Improvement Act of 1996, each executive agency with current and delinquent collateralized nontax debts shall report to the Congress on the valuation of its existing portfolio of loans, notes and guarantees, and other collateralized debts based on standards developed by the Director of the Office of Management and Budget, in consultation with the Secretary of the Treasury.
