(b) Except as provided in subsection (c) of this section, the period of a vocational rehabilitation program for a veteran under this chapter following a determination of the current reasonable feasibility of achieving a vocational goal may not exceed forty-eight months, except that (A) the counseling and placement and postplacement services described in section 3104(a)(2) and (5) of this title may be provided for an additional period not to exceed eighteen months in any case in which the Secretary determines the provision of such counseling and services to be necessary to accomplish the purposes of a rehabilitation program in the individual case.

(c) The Secretary may extend the period of a vocational rehabilitation program for a veteran to the extent that the Secretary determines that an extension of such period is necessary to enable such veteran to achieve a vocational goal if the Secretary also determines—

(1) that such veteran had previously been rehabilitated to the point of employability but (A) such veteran’s need for further vocational rehabilitation has arisen out of a worsening of such veteran’s service-connected disability that precludes such veteran from performing the duties of the occupation for which such veteran had been so rehabilitated, or (B) the occupation for which such veteran had been so rehabilitated is not suitable in view of such veteran’s current employment handicap and capabilities; or

(2) under regulations which the Secretary shall prescribe, that such veteran has a serious employment handicap and that an extension of such period is necessary to accomplish the purposes of a rehabilitation program for such veteran.

(d)(1) Except as provided in paragraph (2), the period of a program of independent living services and assistance for a veteran under this chapter (following a determination by the Secretary that such veteran’s disability or disabilities are so severe that the achievement of a vocational goal currently is not reasonably feasible) may not exceed twenty-four months.

(2) A program of independent living services and assistance for a veteran under this chapter may exceed twenty-four months as follows:

(i) If the Secretary determines that a longer period is necessary and likely to result in a substantial increase in the veteran’s level of independence in daily living.

(ii) If the veteran served on active duty during the Post-9/11 Global Operations period and has a severe disability (as determined by the Secretary for purposes of this clause) incurred or aggravated in such service.

(B) In this paragraph, the term “Post-9/11 Global Operations period” means the period of the Persian Gulf War beginning on September 11, 2001, and ending on the date thereafter prescribed by Presidential proclamation or by law.

(e)(1) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of a subsistence allowance and other assistance described in paragraph (2) shall not—

(A) be charged against any entitlement of any veteran under this chapter; or

(B) be counted toward the aggregate period for which section 3695 of this title limits an individual’s receipt of allowance or assistance.

(2) The payment of the subsistence allowance and other assistance referred to in paragraph (1) is the payment of such an allowance or assistance for the period described in paragraph (3) to a veteran for participation in a vocational rehabilitation program under this chapter if the Secretary finds that the veteran had to suspend or discontinue participation in such vocational rehabilitation program as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10.

(3) The period for which, by reason of this subsection, a subsistence allowance and other assistance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of this title shall be the period of participation in the vocational rehabilitation program for which the veteran failed to receive credit or with respect to which the veteran lost training time, as determined by the Secretary.
§ 3106. Initial and extended evaluations; determinations regarding serious employment handicap

(a) The Secretary shall provide any veteran who has a service-connected disability rated at 10 percent or more and who applies for benefits under this chapter with an initial evaluation consisting of such services described in section 3104(a)(1) of this title as are necessary (1) to determine whether such veteran is entitled to and eligible for benefits under this chapter, and (2) in the case of a veteran who is determined to be entitled to and eligible for such benefits, to determine—

(A) whether such veteran has a serious employment handicap, and

(B) whether the achievement of a vocational goal currently is reasonably feasible for such veteran if it is reasonably feasible to make such determination without extended evaluation.

(b) In any case in which the Secretary has determined that a veteran has a serious employment handicap and that the achievement of a vocational goal currently is reasonably feasible for such veteran, such veteran shall be provided an individualized written plan of vocational rehabilitation developed under section 3107(a) of this title.

(c) In any case in which the Secretary has determined that a veteran has a serious employment handicap but the Secretary is unable to determine, in an initial evaluation pursuant to subsection (a) of this section, whether or not the achievement of a vocational goal is reasonably feasible, such veteran shall be provided with an extended evaluation consisting of the services described in section 3104(a)(1) of this title, such services under this chapter as the Secretary determines necessary to improve such veteran’s potential for participation in a program of services designed to achieve a vocational goal and enable such veteran to achieve maximum independence in daily living, and assistance as authorized by section 3108 of this title.

(d) In any case in which the Secretary has determined that a veteran has a serious employment handicap and also determines, following such initial and any such extended evaluation, that achievement of a vocational goal currently is not reasonably feasible, the Secretary shall determine whether the veteran is capable of participating in a program of independent living services and assistance under section 3120 of this title.

(e) The Secretary shall in all cases determine as expeditiously as possible whether the achievement of a vocational goal by a veteran currently is reasonably feasible. In the case of a veteran provided extended evaluation under subsection (c) of this section (including any periods of extensions under section 3105(a) of this title), the Secretary shall make such determination not later than the end of such extended evaluation or period of extension, as the case may be.

(f) In connection with each period of extended evaluation of a veteran and each rehabilitation program for a veteran who is determined to have a serious employment handicap, the Secretary shall assign a Department of Veterans Affairs employee to be responsible for the management and followup of the provision of all services (including appropriate coordination of employment assistance under section 3117 of this title) and assistance under this chapter to such veteran.

(Prior section 3106 was renumbered section 5306 of this title.)
§ 3107. Individualized vocational rehabilitation plan

(a) The Secretary shall formulate an individualized written plan of vocational rehabilitation for a veteran described in section 3106(b) of this title. Such plan shall be developed with such veteran and shall include, but not be limited to:

(1) a statement of long-range rehabilitation goals for such veteran and intermediate rehabilitation objectives related to achieving such goals,

(2) a statement of the specific services which shall include counseling in all cases) and assistance to be provided under this chapter,

(3) the projected date for the initiation and the anticipated duration of each such service, and

(4) (which shall include counseling in all cases) and objectives related to achieving such goals.

(b) The Secretary shall review at least annually the plan formulated under subsection (a) of this section for a veteran and shall afford such veteran the opportunity to participate in each such review. On the basis of such review, the Secretary shall (1) redevelop such plan with such veteran if the Secretary determines, under regulations which the Secretary shall prescribe, that redeveloper of such plan is appropriate, or (2) disapprove redevelopment of such plan if the Secretary determines, under such regulations, that redevelopment of such plan is not appropriate.

(c)(1) Each veteran for whom a plan has been developed or redeveloped under subsection (a) or (b)(1), respectively, of this section or in whose case redeveloper of a plan has been disapproved under subsection (b)(2) of this section, shall be informed of such veteran’s opportunity for a review as provided in paragraph (2) of this subsection.

(2) In any case in which a veteran does not agree to such plan as proposed, to such plan as redeveloped, or to the disapproval of redeveloper of such plan, such veteran may submit to the person described in section 3106(f) of this title a written statement containing such veteran’s objections and request a review of such plan as proposed or redeveloped, or a review of the disapproval of redevelopment of such plan, as the case may be.

(3) The Secretary shall review the statement submitted under paragraph (2) of this subsection and the plan as proposed or as redeveloped, and, if applicable, the disapproval of redeveloper of the plan, and render a decision on such review not later than ninety days after the date on which such veteran submits such statement, unless the case is one for which a longer period for review not to exceed 150 days after such veteran submits such statement, is allowed under regulations prescribed by the Secretary, in which case the Secretary shall render a decision no later than the last day of the period prescribed in such regulations.

(3) Payment of benefits under this chapter may be made only for periods of time during which an eligible veteran is actually enrolled in and pursuing an approved program of education and, except as provided in paragraph (4), only after an eligible veteran has been discharged or released from active duty.

(4) Payment of benefits under this chapter may be made after a participant has completed his or her first obligated period of active duty (which began after December 31, 1976), or 6 years of active duty (which began after December 31, 1976), whichever period is less.

(5)(A) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph—

(i) shall not be charged against the entitlement of any eligible veteran under this chapter; and

(D) The amount in the fund for each eligible veteran who received a payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall be restored to the amount that would have been in the fund for the veteran if the payment had not been made. For purposes of carrying out the previous sentence, the Secretary of Defense shall deposit into the fund, on behalf of each such veteran, an amount equal to the entire amount of the payment made to the veteran.

(E) In the case of a veteran who discontinues pursuit of a course or courses as described in subparagraph (B) of this paragraph, the formula for ascertaining the amount of the monthly payment to which the veteran is entitled in paragraph (2) of this subsection shall be implemented as if—

The amount of the educational assistance benefits payable to a veteran while so incarcerated shall be reduced to the extent that the tuition and fees of the veteran for any course are paid under any Federal program (other than a program administered by the Secretary) or under any State or local program.

(2) Paragraph (1) of this subsection shall not apply in the case of any veteran who is pursuing a program of education under this chapter while residing in a halfway house or participating in a work-release program in connection with such veteran’s conviction of a felony.

(2) No payment may be paid under this chapter to an individual for any month during which such individual is pursuing a program of education consisting exclusively of flight training until the Secretary has received from that individual and the institution providing such training a certification of the flight training received by the individual during that month and the tuition and other fees charged for that training.

(3) The entitlement of an eligible veteran pursuing a program of education described in paragraph (1) of this subsection shall be charged at the rate of one month for each amount of educational assistance benefits payable to such individual (computed on the basis of the formula provided in subsection (a)(2) of this section).

(2)(A) If any eligible veteran was prevented from initiating or completing such veteran's chosen program of education during the delimiting period determined under paragraph (1) of this subsection because of a physical or mental disability which was not the result of such veteran's own willful misconduct, such veteran shall, upon application made in accordance with subparagraph (B) of this paragraph, be granted an extension of the applicable delimiting period for such length of time as the Secretary determines, from the evidence, that such veteran was so prevented from initiating or completing such program of education.

(B) An extension of the delimiting period applicable to an eligible veteran may be granted under subparagraph (A) of this paragraph by reason of the veteran's mental or physical disability only if the veteran submits an application for such extension to the Secretary within one year after (i) the last date of the delimiting period otherwise applicable to the veteran under paragraph (1) of this subsection, or (ii) the termination date of the period of the veteran's mental or physical disability, whichever is later.

(3) When an extension of the applicable delimiting period is granted an eligible veteran under paragraph (2) of this subsection, the delimiting period with respect to such veteran shall again begin to run on the first day after such veteran's recovery from such disability on which it is reasonably feasible, as determined in accordance with regulations prescribed by the Secretary, for such veteran to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(4) For purposes of paragraph (1) of this subsection, a veteran's last discharge or release from active duty shall not include any discharge or release from a period of active duty of less than 90 days of continuous service unless the individual involved is discharged or released for a service-connected disability, for a medical condition which preexisted such service and which the Secretary determines is not service connected, for hardship, or as a result of a reduction in force as described in section 3011(a)(1)(A)(i)(III) of this title.

(b)(1) In the event that an eligible veteran has not utilized any or all of such veteran's entitlement by the end of the delimiting period applicable to the veteran under subsection (a) of this section and at the end of one year thereafter has not filed a claim for utilizing such entitlement, such eligible veteran is automatically disenrolled.

(2)(A) Any contributions which were made by a veteran disenrolled under paragraph (1) of this subsection and remain in the fund shall be refunded to the veteran after notice of disenrollment is transmitted to the veteran and the veteran applies for such refund.

(B) If no application for refund of contributions under subparagraph (A) of this paragraph is received from a disenrolled veteran within one year after the date the notice referred to in such subparagraph is transmitted to the veteran, it shall be presumed that the veteran's whereabouts is unknown and the funds shall be transferred to the Secretary for payment for entitlement earned under subchapter II of chapter 30.

(c)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described
in section 3452(b)(1) of this title is the lesser of $2,000 or the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for such licensing or certification test is equal to the number (including any fraction) determined by dividing the total amount paid to such individual for such test by the full-time monthly institutional rate of the educational assistance allowance which, except for paragraph (1), such individual would otherwise be paid under this chapter.

(3) In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual’s available entitlement under this chapter.

(d)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a national test for admission or national testing providing an opportunity for course credit at institutions of higher learning described in section 3453(b) of this title is the amount of the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for a test described in paragraph (1) is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such test by the full-time monthly institutional rate of educational assistance, except for paragraph (1), such individual would otherwise be paid under this chapter.

§ 3452. Definitions

For the purposes of this chapter and chapter 36 of this title—

(A)(1) The term “eligible veteran” means any veteran who—

(A) served on active duty for a period of more than 180 days, any part of which occurred after January 31, 1955, and before January 1, 1977, and was discharged or released therefrom under conditions other than dishonorable;

(B) contracted with the Armed Forces and was enlisted in or assigned to a reserve component prior to January 1, 1977, and was discharged or released therefrom under conditions other than dishonorable; or

(C) was discharged or released from active duty, any part of which was performed after January 31, 1955, and before January 1, 1977, or following entrance into active service from an enlistment provided for under subparagraph (B), because of a service-connected disability.

(2) The requirement of discharge or release, prescribed in subparagraph (A) or (B) of paragraph (1), shall be waived in the case of any individual who served more than 180 days in an active-duty status for so long as such individual continues on active duty without a break therein.

(3) For purposes of paragraph (1)(A) and section 3461(a), the term “active duty” does not include any period during which an individual (A) was assigned full time by the Armed Forces to a civilian institution for a course of education which was substantially the same as established courses offered to civilians, (B) served as a cadet or midshipman at one of the service academies, or (C) served under the provisions of section 12103(d) of title 10 pursuant to an enlistment in the Army National Guard or the Air National Guard or as a Reserve for service in the Army Reserve, Navy Reserve, Air Force Reserve, Marine Corps Reserve, or Coast Guard Reserve unless at some time subsequent to the completion of such period of active duty for training such individual served on active duty for a consecutive period of one year or more (not including any service as a cadet or midshipman at one of the service academies).

(b) The term “program of education” means any curriculum or any combination of unit courses or subjects pursued at an educational institution which is generally accepted as necessary to fulfill requirements for the attainment of a predetermined and identified educational, professional, or vocational objective. Such term also means any curriculum of unit courses or subjects pursued at an educational institution which fulfill requirements for the attainment of more than one predetermined and identified educational, professional, or vocational objective if all the objectives pursued are generally recognized as being reasonably related to a single career field. Such term also means any unit course or subject, or combination of courses or subjects, pursued by an eligible veteran at an educational institution, required by the Administrator of the Small Business Administration as a condition to obtaining financial assistance under the provisions of section 7(i)(1) of the Small Business Act (15 U.S.C. 636(i)(1)). Such term also includes licensing or certification tests, the successful completion of which demonstrates an individual’s possession of the knowledge or skill required to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession, provided such tests and the licensing or credentialing organizations or entities that offer such tests are approved by the Secretary in accordance with section 3689 of this title. Such term also includes any course, or combination of courses, offered by a qualified provider of entrepreneurship courses. Such term also includes national tests for admission to institutions of higher learning or graduate schools (such as the Scholastic Aptitude Test (SAT), Law School Admission Test (LSAT), Graduate Record Exam (GRE), and Graduate Management Admission Test (GMAT)) and national tests providing an opportunity for course credit at institutions of higher learning (such as the Advanced Placement (AP) exam and College-Level Examination Program (CLEP)).

Such term also includes any private entity (that meets such requirements as the Secretary may establish) that offers, either directly or under an agreement with another entity (that meets such requirements), a course or courses to fulfill requirements for the attainment of a license or certificate generally recognized as necessary to obtain, maintain, or advance in employment in a profession or vocation in a high technology occupation (as determined by the Secretary). When an extension of the applicable delimiting period is granted a veteran under the preceding sentence, the delimiting period with respect to such veteran will again begin running on the first day following such veteran’s recovery from such disability on which it is reasonably feasible, as determined in accordance with regulations which the Secretary shall prescribe, for such veteran to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(b) CORRECTION OF DISCHARGE.—In the case of any eligible veteran who has been prevented, as determined by the Secretary, from completing a program of education under this chapter within the period prescribed by subsection (a), because the veteran had not met the nature of discharge requirements of this chapter before a change, correction, or modification of a discharge or dismissal made pursuant to section 1553 of title 10, the correction of the military records of the proper service department under section 1552 of title 10, or other corrective action by competent authority, then the 10-year delimiting period shall run from the date the veteran’s discharge or dismissal was changed, corrected, or modified.

(c) SAVINGS CLAUSE.—In the case of any eligible veteran who was discharged or released from active duty before June 1, 1966, the 10-year de-
limiting period shall run from such date, if it is later than the date which otherwise would be applicable. The amount of the educational assistance allowance payable to a veteran while so incarcerated shall be reduced to the extent that the tuition and fees of the veteran for any course are paid under any Federal program (other than a program administered by the Secretary) or under any State or local program.

(2) Paragraph (1) of this subsection shall not apply in the case of any veteran who is pursuing a program of education under this chapter while residing in a halfway house or participating in a work-release program in connection with such veteran's conviction of a felony.

§ 3500. Purpose

The Congress hereby declares that the educational program established by this chapter is for the purpose of providing opportunities for education to children whose education would otherwise be impeded or interrupted by reason of the disability or death of a parent from a disease or injury incurred or aggravated in the Armed Forces after the beginning of the Spanish-American War, and for the purpose of aiding such children in attaining the educational status which they might normally have aspired to and obtained but for the disability or death of such parent. The Congress further declares that the educational program extended to the surviving spouses of veterans who died of service-connected disabilities and to spouses of veterans with a service-connected total disability permanent in nature is for the purpose of assisting them in preparing to support themselves and their families at a standard of living level which the veteran, but for the veteran’s death or service disability, could have expected to provide for the veteran’s family.

(B) the eligible person elects that beginning date by not later than the end of the 60-day period beginning on the date on which the Secretary provides written notice to that person of that person’s opportunity to make such election, such notice including a statement of the deadline for the election imposed under this subparagraph; and

(C) that beginning date—

(i) in the case of a parent whose eligibility is based on a parent who has a service-connected total disability permanent in nature, is the date determined pursuant to subsection (d), or any date between the two dates described in subsection (d); and

(4) if the person otherwise eligible under paragraph (3) fails to elect a beginning date of entitlement in accordance with that paragraph, the beginning date of the person’s entitlement shall be the date of the Secretary’s decision that the parent has a service-connected total disability permanent in nature, or that the parent’s death was service-connected, whichever is applicable;

(5) if the person serves on duty with the Armed Forces as an eligible person after the person’s eighteenth birthday but before the person’s twenty-sixth birthday, then such period shall end 8 years after the person’s first discharge or release from such duty with the Armed Forces (excluding from such 8 years all periods during which the eligible person served on active duty before August 1, 1962, pursuant to (A) a call or order thereto issued to the person as a Reserve after July 30, 1961, or (B) an extension of enlistment, appointment, or period of duty with the Armed Forces pursuant to section 2 of Public Law 87–117); however, in no event shall such period be extended beyond the person’s thirty-first birthday by reason of this paragraph;

(8) if the person is pursuing a preparatory course described in section 3002(3)(B) of this title, such period may begin on the date that is the first day of such course pursuit, notwithstanding that such date may be before the person’s eighteenth birthday, except that in no case may such person be afforded educational assistance under this chapter for pursuit of secondary schooling unless such course pursuit would otherwise be authorized under this subsection.

(b)(1)(A) Except as provided in subparagraph (B), (C), or (D), a person made eligible by subparagraph (B) or (D) of section 3501(a)(1) of this title or a person made eligible by the disability of a spouse under section 3501(a)(1)(E) of this title may be afforded educational assistance under this chapter during the 10-year period beginning on the date (as determined by the Secretary) the person becomes an eligible person within the meaning of section 3501(a)(1)(B), 3501(a)(1)(D)(i), 3501(a)(1)(D)(ii), or 3501(a)(1)(E) of this title. The beginning date so elected may be any date between the beginning date determined for the person under subparagraph (A) and whichever of the following dates applies:

(i) The date on which the Secretary notifies the veteran from whom eligibility is derived that the veteran has a service-connected total disability permanent in nature;

(ii) The date on which the Secretary determines that the veteran from whom eligibility is derived died of a service-connected disability.

(iii) The date on which the Secretary notifies the member of the Armed Forces from whom eligibility is derived that the member has a total disability permanent in nature incurred or aggravated in the line of duty in the active military, naval, or air service.
(C) Notwithstanding subparagraph (A), an eligible person referred to in that subparagraph who is made eligible under section 3501(a)(1)(B) of this title by reason of the death of a person on active duty may be afforded educational assistance under this chapter during the 20-year period beginning on the date (as determined by the Secretary) such person becomes an eligible person within the meaning of such section.

(D) Notwithstanding subparagraph (A), an eligible person referred to in that subparagraph who is made eligible under section 3501(a)(1)(D)(i) of this title by reason of a service-connected disability that was determined to be a total disability permanent in nature not later than three years after discharge from service may be afforded educational assistance under this chapter during the 20-year period beginning on the date the disability was so determined to be a total disability permanent in nature, but only if the eligible person remains the spouse of the disabled person throughout the period.

(2) Notwithstanding the provisions of paragraph (1) of this subsection, in the case of any eligible person (as defined in section 3501(a)(1)(B), (C), (D), or (E) of this title) whose eligibility is based on the death or disability of a spouse or on a spouse being listed in one of the categories referred to in section 3501(a)(1)(C) of this title who was prevented from initiating or completing such person’s chosen program of education within such period because of a physical or mental disability which was not the result of such person’s own willful misconduct, such person shall, upon application made within one year after (A) the last date of the delimiting period otherwise applicable under this section, (B) the termination of the period of mental or physical disability, or (C) October 1, 1980, whichever is the latest, be granted an extension of the applicable delimiting period for such length of time as the Secretary determines, from the evidence, that such person was so prevented from initiating or completing such program of education. When an extension of the applicable delimiting period is granted under the exception in the preceding sentence, the delimiting period will again begin running on the first day following such eligible person’s recovery from such disability on which it is reasonably feasible, as determined in accordance with regulations which the Secretary shall prescribe, for such eligible person to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(c)(1) Notwithstanding subsection (a) and subject to paragraph (2), an eligible person may be afforded educational assistance beyond the age limitation applicable to the person under such subsection if—

(A) the person suspends pursuit of such person’s program of education after having enrolled in such program within the time period applicable to such person under such subsection;

(B) the person is unable to complete such program after the period of suspension and before attaining the age limitation applicable to the person under such subsection; and

(C) the Secretary finds that the suspension was due to either of the following:

(i) The actions of the person as the primary provider of personal care services for a veteran or member of the Armed Forces under section 1720G(a) of this title.

(ii) Conditions otherwise beyond the control of the person.

(2) Paragraph (1) shall not apply with respect to the period of an individual as a primary provider of personal care services if the period concludes with the revocation of the individual’s designation as such a primary provider under section 1720G(a)(7)(D) of this title.

(3) Educational assistance may not be afforded a person under paragraph (1) after the earlier of—

(A) the age limitation applicable to the person under subsection (a), plus a period of time equal to the period the person was required to suspend pursuit of the person’s program of education as described in paragraph (1); or

(B) the date of the person’s thirty-first birthday.

(d) The term “first finds” as used in this section means the effective date of the rating or date of notification to the person from whom eligibility is derived establishing a service-connected total disability permanent in nature whichever is more advantageous to the eligible person.

(e) No person made eligible by section 3501(a)(1)(C) of this title based on a spouse being listed in one of the categories referred to in section 3501(a)(1)(C) of this title may be afforded educational assistance under this chapter beyond 10 years after the date on which the spouse was so listed.

(6) Upon completion of training, the eligible person is given a certificate by the institution indicating the approved course and indicating that training was satisfactorily completed.
(7) Adequate records as prescribed by the State approving agency are kept to show attendance and progress or grades, and satisfactory standards relating to attendance, progress, and conduct are enforced.
(8) The institution complies with all local, city, county, municipal, State, and Federal regulations, such as fire codes, building and sanitation codes. The State approving agency may require such evidence of compliance as is deemed necessary.
(9) The institution is financially sound and capable of fulfilling its commitments for training.
(10) The institution does not utilize advertising of any type which is erroneous or misleading, either by actual statement, omission, or intimation. The institution shall be deemed to have met this requirement until the State approving agency (A) has ascertained from the Federal Trade Commission whether the Commission has issued an order to the institution to cease and desist from any act or practice, and (B) has, if such an order has been issued, given due weight to that fact.
(11) The institution does not exceed its enrollment limitations as established by the State approving agency.
(12) The institution’s administrators, directors, owners, and instructors are of good reputation and character.
(13) The institution has and maintains a policy for the refund of the unused portion of tuition, fees, and other charges in the event the eligible person fails to enter the course or withdraws or is discontinued therefrom at any time before completion and—
(A) in the case of an institution (other than (i) a Federal, State, or local Government institution or (ii) an institution described in subparagraph (B)), such policy provides that the amount charged to the eligible person for tuition, fees, and other charges for a portion of the course shall not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the course bears to its total length; or
(B) in the case of an institution that is a nonaccredited public educational institution, the institution has and maintains a refund policy regarding the unused portion of tuition, fees, and other charges that is substantially the same as the refund policy followed by accredited public educational institutions located within the same State as such institution.
(14) Such additional criteria as may be deemed necessary by the State approving agency.
(d) The Secretary may waive, in whole or in part, the requirements of subsection (c)(13) of this section in the case of an educational institution which—
(1) is a college, university, or similar institution offering postsecondary level academic
instruction that leads to an associate or higher degree,

(2) is operated by an agency of a State or of a unit of local government,

(3) is located within such State or, in the case of an institution operated by an agency of a unit of local government, within the boundaries of the area over which such unit has taxing jurisdiction, and

(4) is a candidate for accreditation by a regional accrediting association.

If the Secretary determines, pursuant to regulations which the Secretary shall prescribe, that such requirements would work an undue administrative hardship because the total amount of tuition, fees, and other charges at such institution is nominal.

(e) Notwithstanding any other provision of this title, a course of education shall not be approved under this section if it is to be pursued in whole or in part by independent study.

§3677. Approval of training on the job

(a) Any State approving agency may approve a program of training on the job (other than a program of apprenticeship) only when it finds that the job which is the objective of the training is one in which progression and appointment to the next higher classification are based upon skills learned through organized and supervised training on the job and not on such factors as length of service and normal turnover, and that the provisions of subsections (b) and (c) of this section are met.

(b)(1) The training establishment offering training which is desired to be approved for the purposes of this chapter must submit to the appropriate State approving agency a written application for approval which, in addition to furnishing such information as is required by the State approving agency, contains a certification that—

(A) the wages to be paid the eligible veteran or person (i) upon entrance into training, are not less than wages paid nonveterans in the same training position and are at least 50 per centum of the wages paid for the job for which the veteran or person is to be trained, and (ii) such wages will be increased in regular periodic increments until, not later than the last full month of the training period, they will be at least 85 per centum of the wages paid for the job for which such eligible veteran or person is being trained; and

(B) there is reasonable certainty that the job for which the eligible veteran or person is to be trained will be available to the veteran or person at the end of the training period.

(2) The requirement under paragraph (1)(A)(i) shall not apply with respect to a training establishment operated by the United States or by a State or local government.

(3) The requirement for certification under paragraph (1) shall not apply to training described in section 3452(e)(2) of this title.

(c) As a condition for approving a program of training on the job (other than a program of apprenticeship) the State approving agency must find upon investigation that the following criteria are met:

(1) The training content of the course is adequate to qualify the eligible veteran or person for appointment to the job for which the veteran or person is to be trained.

(2) The job customarily requires full-time training for a period of not less than six months and not more than two years.

(3) The length of the training period is not longer than that customarily required by the training establishments in the community to provide an eligible veteran or person with the required skills, arrange for the acquiring of job knowledge, technical information, and other facts which the eligible veteran or person will need to learn in order to become competent on the job for which the veteran or person is being trained.

(4) Provision is made for related instruction for the individual eligible veteran or person who may need it.

(5) There is in the training establishment adequate space, equipment, instructional material, and instructor personnel to provide satisfactory training on the job.

(6) Adequate records are kept to show the progress made by each eligible veteran or person toward such veteran’s or person’s job objective.

(7) No course of training will be considered bona fide if given to an eligible veteran or person who is already qualified by training and experience for the job.

(8) A signed copy of the training agreement for each eligible veteran or person, including the training program and wage scale as ap-
proven by the State approving agency, is provided to the veteran or person and to the Secretary and the State approving agency by the employer.

(9) That the course meets such other criteria as may be established by the State approving agency.

(d)(1) The Secretary may conduct a pilot program under which the Secretary operates a program of training on the job under this section for a period (notwithstanding subsection (c)(2)) of up to three years in duration to train employees of the Department to become qualified adjudicators of claims for compensation, dependency and indemnity compensation, and pension.

(2)(A) Not later than three years after the implementation of the pilot project, the Secretary shall submit to Congress an initial report on the pilot project. The report shall include an assessment of the usefulness of the program in recruiting and retaining of personnel of the Department as well as an assessment of the value of the program as a training program.

(B) Not later than 18 months after the date on which the initial report under subparagraph (A) is submitted, the Secretary shall submit to Congress a final report on the pilot project. The final report shall include recommendations of the Secretary with respect to continuation of the pilot project and with respect to expansion of the types of claims for which the extended period of on the job training is available to train such employees.

SUBCHAPTER II—MISCELLANEOUS PROVISIONS

§ 3680. Payment of educational assistance or subsistence allowances

(a) PERIOD FOR WHICH PAYMENT MAY BE MADE.—Payment of educational assistance or subsistence allowances to eligible veterans or eligible persons pursuing a program of education or training, other than a program by correspondence, in an educational institution under chapter 31, 34, or 35 of this title shall be paid as provided in this section and, as applicable, in section 3108, 3482, 3491, or 3532 of this title. Such payments shall be paid only for the period of such veterans’ or persons’ enrollment in, and pursuit of, such program, but no amount shall be paid—

(1) to any eligible veteran or eligible person for any period when such veteran or person is not pursuing such veteran’s or person’s course in accordance with the regularly established policies and regulations of the educational institution, with the provisions of such regulations as may be prescribed by the Secretary pursuant to subsection (g) of this section, and with the requirements of this chapter or of chapter 34 or 35 of this title, but payment may be made for an actual period of pursuit of one or more unit subjects pursued for a period of time shorter than the enrollment period at the educational institution;

(2) to any eligible veteran or person for auditing a course; or

(3) to any eligible veteran or person for a course for which the grade assigned is not used in computing the requirements for graduation including a course from which the student withdraws unless—

(A) the eligible veteran or person withdraws because he or she is ordered to active duty; or

(B) the Secretary finds there are mitigating circumstances, except that, in the first instance of withdrawal (without regard to withdrawals described in subclause (A) of this clause) by the eligible veteran or person from a course or courses with respect to which the veteran or person has been paid assistance under this title, mitigating circumstances shall be considered to exist with respect to courses totaling not more than six semester hours or the equivalent thereof.

Notwithstanding the foregoing, the Secretary may, subject to such regulations as the Secretary shall prescribe, continue to pay allowances to eligible veterans and eligible persons enrolled in courses set forth in clause (1) of this subsection during periods when schools are temporarily closed under an established policy based on an Executive order of the President or due to an emergency situation. However, the total number of weeks for which allowances may continue to be so payable in any 12-month period may not exceed 4 weeks.

(b) CORRESPONDENCE TRAINING CERTIFICATIONS.—No educational assistance allowance shall be paid to an eligible veteran or spouse or surviving spouse enrolled in and pursuing a program of education exclusively by correspondence until the Secretary shall have received—

(1) from the eligible veteran or spouse or surviving spouse a certificate as to the number of lessons actually completed by the veteran or spouse or surviving spouse and serviced by the educational institution; and

(2) from the training establishment a certification or an endorsement on the veteran’s or spouse’s or surviving spouse’s certificate, as to the number of lessons completed by the veteran or spouse or surviving spouse and serviced by the institution.

(c) APPRENTICESHIP AND OTHER ON-JOB TRAINING.—No training assistance allowance shall be paid to an eligible veteran or eligible person enrolled in and pursuing a program of apprenticeship or other on-job training until the Secretary shall have received—

(1) from such veteran or person a certification as to such veteran’s or person’s attendance during such period and

(2) from the training establishment a certification, or an endorsement on the veteran’s or person’s certificate, that such veteran or person was enrolled in and pursuing a program of apprenticeship or other on-job training during such period.

(d) ADVANCE PAYMENT OF INITIAL EDUCATIONAL ASSISTANCE OR SUBSISTENCE ALLOWANCE.—(1) The educational assistance or subsistence allowance advance payment provided for in this subsection is based upon a finding by the Congress that eligible veterans and eligible persons may need additional funds at the beginning of a school term to meet the expenses of books, travel, deposits, and payment for living quarters, the initial installment of tuition, and the other special expenses which are concentrated at the beginning of a school term.
(2) Subject to the provisions of this subsection, and under regulations which the Secretary shall prescribe, an eligible veteran or eligible person shall be paid an educational assistance allowance or subsistence allowance, as appropriate, advance payment. Such advance payment shall be made in an amount equivalent to the allowance for the month or fraction thereof in which pursuit of the program will commence, plus the allowance for the succeeding month. In the case of a person on active duty, who is pursuing a program of education, the advance payment shall be in a lump sum based upon the amount payable for the entire quarter, semester, or term, as applicable. In no event shall an advance payment be made under this subsection to a veteran or person intending to pursue a program of education on less than a half-time basis. An advance payment may not be made under this subsection to any veteran or person unless the veteran or person requests such payment and the Secretary finds that the educational institution at which such veteran or person is accepted or enrolled has agreed to, and can satisfactorily, carry out the provisions of paragraphs (4)(B) and (C), and (5) of this subsection. The application for advance payment, to be made on a form prescribed by the Secretary, shall—

(A) in the case of an initial enrollment of a veteran or person in an educational institution, contain information showing that the veteran or person is eligible for educational benefits, (ii) has been accepted by the institution, and (iii) has notified the institution of such veteran’s or person’s intention to attend that institution; and

(B) in the case of a re-enrollment of a veteran or person, contain information showing that the veteran or person is eligible to continue such veteran’s or person’s program of education or training and (i) intends to re-enroll in the same institution, and, in either case, shall also state the number of semester or clock-hours to be pursued by such veteran or person.

(3) For purposes of the Secretary’s determination whether any veteran or person is eligible for an advance payment under this section, the information submitted by the institution, the veteran or person, shall establish such veteran’s or person’s eligibility unless there is evidence in such veteran’s or person’s file in the processing office establishing that the veteran or person is not eligible for such advance payment.

(4) The advance payment authorized by paragraph (2) of this subsection shall, in the case of an eligible veteran or eligible person, be (A) drawn in favor of the veteran or person; (B) mailed to the educational institution listed on the application form for temporary care and delivery to the veteran or person by such institution; and (C) delivered to the veteran or person upon such veteran’s or person’s registration at such institution, but in no event shall such delivery be made earlier than thirty days before the program of education is to commence.

(5) Upon delivery of the advance payment pursuant to paragraph (4) of this subsection, the institution shall submit to the Secretary a certification of such delivery. If such delivery is not effected within thirty days after commencement of the program of education in question, such institution shall return such payment to the Secretary forthwith.

(e) Recovery of Erroneous Payments.—(1) Subject to paragraph (2), if an eligible veteran or eligible person fails to enroll in or pursue a course for which an educational assistance or subsistence allowance advance payment is made, the amount of such payment and any amount of subsequent payments which, in whole or in part, are due to erroneous information required to be furnished under subsection (d)(2) of this section, shall become an overpayment and shall constitute a liability of such veteran or person to the United States and may be recovered, unless waived pursuant to section 5302 of this title, from any benefit otherwise due such veteran or person under any law administered by the Department of Veterans Affairs or may be recovered in the same manner as any other debt due the United States.

(2) Paragraph (1) shall not apply to the recovery of an overpayment of an educational allowance or subsistence allowance advance payment to an eligible veteran or eligible person who fails to enroll in or pursue a course of education for which the payment is made if such failure is due to the death of the veteran or person.

(f) Payments for Less Than Half-Time Training.—Payment of educational assistance allowance in the case of any eligible veteran or eligible person pursuing a program of education on less than a half-time basis shall be made in an amount computed for the entire quarter, semester, or term not later than the last day of the month immediately following the month in which certification is received from the educational institution that such veteran or person has enrolled in and is pursuing a program at such institution. Such lump sum payment shall be computed at the rate provided in section 3482(b) or 3532(a)(2) of this title, as applicable.

(g) Determination of Enrollment, Pursuit, and Attendance.—(1) The Secretary may, pursuant to regulations which the Secretary shall prescribe, determine and define with respect to an eligible veteran and eligible person the following:

(A) Enrollment in a course or program of education or training.

(B) Pursuit of a course or program of education or training.

(C) Attendance at a course or program of education or training.

(2) The Secretary may withhold payment of benefits to an eligible veteran or eligible person until the Secretary receives such proof as the Secretary requires of enrollment in and satisfactory pursuit of a program of education by the eligible veteran or eligible person. The Secretary shall adjust the payment withheld, when necessary, on the basis of the proof the Secretary receives.

(3) In the case of an individual other than an individual described in paragraph (4), the Secretary may accept the individual’s monthly certification of enrollment in and satisfactory pursuit of a program of education as sufficient proof of the certified matters.

(4) In the case of an individual who has received an accelerated payment of basic edu-
cational assistance under section 3014A of this title during an enrollment period for a program of education, the Secretary may accept the individual's certification of enrollment in and satisfactory pursuit of the program of education as sufficient proof of the certified matters if the certification is submitted after the enrollment period has ended.

(a)(1) Except as provided in paragraph (2) of this subsection, the veteran or eligible person and the educational institution offering a course in which such veteran or eligible person is enrolled under chapter 31, 34, 35, or 36 of this title shall, without delay, report to the Secretary, in the form prescribed by the Secretary, such enrollment and any interruption or termination of the education of each such veteran or eligible person. The date of such interruption or termination will be the last date of pursuit, or, in the case of correspondence training, the last date a lesson was serviced by a school.

(2)(A) In the case of a program of independent study pursued on less than a half-time basis in an educational institution, the Secretary may approve a delay by the educational institution in reporting the enrollment or reenrollment of an eligible veteran or eligible person until the end of the term, quarter, or semester if the educational institution requests the delay and the Secretary determines that it is not feasible for the educational institution to monitor interruption or termination of the veteran’s or eligible person’s pursuit of such program.

(B) An educational institution which, pursuant to subparagraph (A) of this paragraph, is delaying the reporting of the enrollment or reenrollment of a veteran shall provide the veteran with notice of the delay at the time that the veteran enrolls or reenrolls.

(3)(A) Subject to subparagraph (B) of this paragraph, an educational institution offering courses on a term, quarter, or semester basis may certify the enrollment of a veteran who is not on active duty, or of an eligible person, in such courses for more than one term, quarter, or semester at a time, but not for a period extending beyond the end of a school year (including the summer enrollment period).

(B) Subparagraph (A) of this paragraph shall not apply with respect to any term, quarter, or semester for which the veteran or eligible person is enrolled on a less than half-time basis and shall not be construed as restricting the Secretary from requiring that an educational institution, in reporting an enrollment for more than one term, quarter, or semester, specify the dates of any intervals within or between any such terms, quarters, or semesters.

(b) The Secretary, prior to making payment of a reporting fee to an educational institution, as provided for in subsection (c) of this section, shall require such institution to certify that it has exercised reasonable diligence in determining whether such institution or any course offered by such institution approved for the enrollment of veterans or eligible persons meets all of the applicable requirements of chapters 31, 34, 35, and 36 of this title and that it will, without delay, report any failure to meet any such requirement to the Secretary.

The reporting fee shall be computed for each calendar year by multiplying $12 by the number of eligible veterans or eligible persons enrolled under this chapter or chapter 31, 34, 35, or 36 of this title, or $15 in the case of those eligible veterans and eligible persons whose educational assistance checks are directed in care of each institution for temporary custody and delivery and are delivered at the time of registration as provided under section 3680(d)(4) of this title, during the calendar year.

The reporting fee shall be paid to such educational institution or joint apprenticeship training committee as soon as feasible after the end of the calendar year for which it is applicable. No reporting fee payable to an educational institution under this subsection shall be subject to offset by the Secretary against any liability of such institution for any overpayment for which such institution may be administratively determined to be liable under section 3685 of this title unless such liability is not contested by such institution or has been upheld by a final decree of a court of appropriate jurisdiction. (a) OVERCHARGES BY EDUCATIONAL INSTITUTIONS.—If the Secretary finds that an educational institution has—

(1) charged or received from any eligible veteran or eligible person pursuant a program of education under this chapter or chapter 34 or 35 of this title any amount for any course in excess of the charges for tuition and fees which such institution requires similarly circumstanced nonveterans not receiving assistance under such chapters who are enrolled in the same course to pay, or

(2) instituted, after October 24, 1972, a policy or practice with respect to the payment of tuition, fees, or other charges in the case of eligible veterans and the Secretary finds that the effect of such policy or practice substantially denies to veterans the benefits of the advance allowances under such section,

the Secretary may disapprove such educational institution for the enrollment of any eligible veteran or eligible person not already enrolled therein under this chapter or chapter 31, 34, or 35 of this title.

(b) DISCONTINUANCE OF ALLOWANCES.—(1) The Secretary may disapprove the educational assistance allowance of any eligible veteran or eligible person if the Secretary finds that the program of education or any course in which the veteran or person is enrolled fails to meet any of the requirements of this chapter or chapter 34 or 35 of this title, or if the Secretary finds that the educational institution offering such program or course has violated any provision of this chapter or chapter 34 or 35 of this title, or fails to meet any of the requirements of such chapters.

(d) FALSE OR MISLEADING STATEMENTS.—Whenever the Secretary finds that an educational institution has willfully submitted a false or misleading claim, or that a veteran or person, with the complicity of an educational institution, has submitted such a claim, the Secretary shall make a complete report of the facts of the case to the appropriate State approving agency and, where deemed advisable, to the Attorney General of the United States for appropriate action.

§ 3702. Basic entitlement

(a)(1) The veterans described in paragraph (2) of this subsection are eligible for the housing loan benefits of this chapter. In the case of any veteran who served on active duty during two or more of the periods specified in paragraph (2) for which eligibility for the housing loan benefits under this chapter may be granted, entitlement derived from service during the most recent such period (A) shall cancel any unused entitlement derived from service during any earlier such period, and (B) shall be reduced by the amount by which entitlement from service during any earlier such period has been used to obtain a direct, guaranteed, or insured housing loan—

(i) on real property which the veteran owns at the time of application; or

(ii) as to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary the resulting indebtedness of the veteran to the United States has been paid in full.

(2) The veterans referred to in the first sentence of paragraph (1) of this subsection are the following:

(A) Each veteran who served on active duty at any time during World War II, the Korean conflict, or the Vietnam era and whose total service was for 90 days or more.

(B) Each veteran who after September 15, 1940, was discharged or released from a period of active duty for a service-connected disability.

(C) Each veteran, other than a veteran described in clause (A) or (B) of this paragraph, who—

(i) served after July 25, 1947, for a period of more than 180 days and was discharged or released therefrom under conditions other than dishonorable; or

(ii) has served more than 180 days in active duty status and continues on active duty without a break therein.

(D) Each veteran who served on active duty for 90 days or more at any time during the Persian Gulf War, other than a veteran ineligible for benefits under this title by reason of section 3303(a)(b) of this title.

(E) Each veteran described in section 3701(b)(5) of this title.

(F) Each veteran who was discharged or released from a period of active duty of 90 days or more by reason of a sole survivorship discharge (as that term is defined in section 1174(i) of title 10).

(3) Any unused entitlement of World War II or Korean conflict veterans which expired under provisions of law in effect before October 23, 1970, is hereby restored and shall not expire until used.

(4) A veteran’s entitlement under this chapter shall not be reduced by any entitlement used by the veteran’s spouse which was based upon the veteran’s service as defined in section 3701 of this title.

(b) In computing the aggregate amount of guaranty or insurance housing loan entitlement available to a veteran under this chapter, the Secretary may exclude the amount of guaranty or insurance housing loan entitlement used for any guaranteed, insured, or direct loan under the following circumstances:

(1) (A) The property which secured the loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard; and

(B) the loan has been repaid in full, or the Secretary has been released from liability as to the loan, or if the Secretary has suffered a loss on such loan, the loss has been paid in full.

(2) A veteran-transferee has agreed to assume the outstanding balance on the loan and consented to the use of the veteran-transferee’s entitlement, to the extent that the entitlement of the veteran-transferor had been
used originally, in place of the veteran-transferee’s for the guaranteed, insured, or direct loan, and the veteran-transferee otherwise meets the requirements of this chapter.

(3)(A) The loan has been repaid in full; and
(B) the loan for which the veteran seeks to use entitlement under this chapter is secured by the same property which secured the loan referred to in subparagraph (A) of this paragraph.

(4) In a case not covered by paragraph (1) or (2)—
(A) the loan has been repaid in full and, if the Secretary has suffered a loss on the loan, the loss has been paid in full; or
(B) the Secretary has been released from liability as to the loan and, if the Secretary has suffered a loss on the loan, the loss has been paid in full.

The Secretary may, in any case involving circumstances the Secretary deems appropriate, waive one or more of the conditions prescribed in paragraph (1). The authority of the Secretary under this subsection to exclude an amount of guaranty or insurance housing loan entitlement previously used by a veteran may be exercised only once for that veteran under the authority of paragraph (4).

(c) An honorable discharge shall be deemed to be a certificate of eligibility to apply for a guaranteed loan. Any veteran who does not have a discharge certificate, or who received a discharge other than honorable, may apply to the Secretary for a certificate of eligibility. Upon making a loan guaranteed or insured under this chapter, the borrower shall preclude the assignment of any guaranty and loan company, that is subject to examination and supervision by an agency of the United States or of any State, or (2) by any bank, private bank, building and loan association, or by any bank, trust company, building and loan association, or insurance company, organized or authorized to do business in the District of Columbia. Any such loan may be so made without regard to the limitations and restrictions of any other law relating to—

(1) ratio of amount of loan to the value of the property;
(2) maturity of loan;
(3) requirement for mortgage or other security;
(4) dignity of lien; or
(5) percentage of assets which may be invested in real estate loans.

(a) No loan for the purchase or construction of residential property shall be financed through the assistance of this chapter unless the prop-
property meets or exceeds minimum requirements for planning, construction, and general acceptability prescribed by the Secretary; however, this subsection shall not apply to a loan for the purchase of residential property on which construction is fully completed more than one year before such loan is made.

(b) Subject to notice and opportunity for a hearing, the Secretary may refuse to appraise any dwelling or housing project owned, sponsored, or to be constructed by any person identified with housing previously sold to veterans under this chapter as to which substantial deficiencies have been discovered, or as to which there has been a failure or indicated inability to discharge contractual liabilities to veterans, or as to which it is ascertained that the type of contract of sale or the methods or practices pursued in relation to the marketing of such properties were unfair or unduly prejudicial to veteran purchasers. The Secretary may also refuse to appraise any dwelling or housing project owned, sponsored, or to be constructed by any person refused the benefits of participation under the National Housing Act pursuant to a determination of the Secretary of Housing and Urban Development.

(c)(1) Except as provided in paragraph (2) of this subsection, no loan for the purchase or construction of residential property shall be financed through the assistance of this chapter unless the veteran applicant, at the time that the veteran applies for the loan, and also at the time that the loan is closed, certifies in such form as the Secretary may require, that the veteran intends to occupy the property as the veteran’s home. Except as provided in paragraph (2) of this subsection, no loan for the repair, alteration, or improvement of residential property shall be financed through the assistance of the provisions of this chapter unless the veteran applicant, at the time that the veteran applies for the loan, and also at the time that the loan is closed, certifies, in such form as may be required by the Secretary, that the veteran occupies the property as the veteran’s home. Notwithstanding the foregoing provisions of this subsection, in the case of a loan automatically guaranteed under this chapter, the veteran shall be required to make the certification only at the time the loan is closed. For the purposes of this chapter the requirement that the veteran recipient of a guaranteed or direct home loan must occupy or intend to occupy the property as the veteran’s home means that the veteran as of the date of the veteran’s certification actually lives in the property personally as the veteran’s residence or actually intends upon completion of the loan and acquisition of the dwelling unit to move into the property personally within a reasonable time and to utilize such property as the veteran’s residence. Notwithstanding the foregoing requirements of this subsection, the provisions for certification by the veteran at the time the veteran applies for the loan and at the time the loan is closed shall be considered to be satisfied if the Secretary finds that (1) in the case of a loan for repair, alteration, or improvement the veteran in fact did occupy the property at such times, or (2) in the case of a loan for construction or purchase the veteran intended to occupy the property as the veteran’s home at such times and the veteran did in fact so occupy it when, or within a reasonable time after, the loan was closed.

(2) In any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy a property because of such status, the occupancy requirements of—

(A) paragraph (1) of this subsection;

(B) paragraphs (1) through (5) and paragraph (7) of section 3710(a) of this title;

(C) section 3712(a)(5)(A)(i) of this title; and

(D) section 3712(e)(5) of this title;

shall be considered to be satisfied if the spouse of the veteran occupies the property as the spouse’s home and the spouse makes the certification required by paragraph (1) of this subsection.

(d) Subject to notice and opportunity for a hearing, whenever the Secretary finds with respect to guaranteed or insured loans that any lender or holder has failed to maintain adequate loan accounting records, or to demonstrate proper ability to service loans adequately or to exercise proper credit judgment or has willfully or negligently engaged in practices otherwise detrimental to the interest of veterans or of the Government, the Secretary may refuse either temporarily or permanently to guarantee or insure any loans made by such lender or holder and may bar such lender or holder from acquiring loans guaranteed or insured under this chapter; however, the Secretary shall not refuse to pay a guaranty or insurance claim on loans theretofore entered into in good faith between a veteran and such lender. The Secretary may also refuse either temporarily or permanently to guarantee or insure any loans made by a lender or holder refused the benefits of participation under the National Housing Act pursuant to a determination of the Secretary of Housing and Urban Development.

(e) Any housing loan which is financed through the assistance of this chapter and to which section 3714 of this chapter applies shall include a provision that the loan is immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to such section 3714.

(f) A loan for the purchase or construction of new residential property, the construction of which began after the energy efficiency standards under section 109 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12709), as amended by section 101(c) of the Energy Policy Act of 1992, take effect, may not be guaranteed or insured under this chapter and any housing loan which is financed through the assistance of this chapter unless the new residential property is constructed in compliance with such standards.

§ 3705. Warranties

(a) The Secretary shall require that in connection with any property upon which there is located a dwelling designed principally for not more than a four-family residence and which is appraised for guaranty or insurance before the beginning of construction, the seller, or builder, and such other person as may be required by the Secretary to become warrantor, shall deliver to the purchaser or owner of such property a warranty that the dwelling is constructed in substantial conformity with the plans and specifications (including any amendments thereof, or changes and variations therein, which have been approved in writing by the Secretary) on which the Secretary based the Secretary's valuation of the dwelling. The Secretary shall deliver to the builder, seller, or other warrantor the Secretary's written approval (which shall be conclusive evidence of such appraisal) of any amendment of, or change or variation in, such plans and specifications which the Secretary deems to be a substantial amendment thereof, or change or variation therein, and shall file a copy of such written approval with such plans and specifications. Such warranty shall apply only with respect to such instances of substantial non-conformity to such approved plans and specifications (including any amendments thereof, or
changes or variations therein, which have been approved in writing, as provided in this section, by the Secretary) as to which the purchaser or home owner has given written notice to the warrantor within one year from the date of conveyance of title to, or initial occupancy of, the dwelling, whichever first occurs. Such warranty shall be in addition to, and not in derogation of, all other rights and privileges which such purchaser or owner may have under any other law or instrument. The provisions of this section shall apply to any such property covered by a mortgage insured or guaranteed by the Secretary on and after October 1, 1954, unless such mortgage is insured or guaranteed pursuant to a commitment therefor made before October 1, 1954.

(b) The Secretary shall permit copies of the plans and specifications (including written approvals of any amendments thereof, or changes or variations therein, as provided in this section) for dwellings in connection with which warranties are required by subsection (a) of this section to be made available in their appropriate local offices for inspection or for copying by any purchaser, home owner, or warrantor during such hours or periods of time as the Secretary may determine to be reasonable.

§ 3706. Escrow of deposits and downpayments

(a) Any deposit or downpayment made by an eligible veteran in connection with the purchase of proposed or newly constructed and previously unoccupied residential property in a project on which the Secretary has issued a Certificate of Reasonable Value, which purchase is to be financed with a loan guaranteed, insured, or made under the provisions of this chapter, shall be deposited forthwith by the seller, or the agent of the seller, receiving such deposit or payment, in a trust account to safeguard such deposit or payment from the claims of creditors of the seller or the warrantor. The failure of the seller or the seller’s agent to create such trust account and to maintain it until the deposit or payment has been disbursed for the benefit of the veteran purchaser at settlement or, if the transaction does not materialize, is otherwise disposed of in accordance with the terms of the contract, may constitute an unfair marketing practice under section 3704(b) of this title.

(b) If an eligible veteran contracts for the construction of a property in a project on which the Secretary has issued a Certificate of Reasonable Value and such construction is to be financed with the assistance of a construction loan to be guaranteed, insured, or made under the provisions of this chapter, it may be considered an unfair marketing practice under section 3704(b) of this title if any deposit or downpayment of the veteran is not maintained in a special trust account by the recipient until it is either (1) applied on behalf of the veteran to the cost of the land or to the cost of construction or (2), if the transaction does not materialize, is otherwise disposed of in accordance with the terms of the contract.

SUBCHAPTER II—LOANS

§ 3710. Purchase or construction of homes

(a) Except as provided in section 3704(c)(2) of this title, any loan to a veteran, if made pursuant to the provisions of this chapter, is automatically guaranteed if such loan is for one or more of the following purposes:

(1) To purchase or construct a dwelling to be owned and occupied by the veteran as a home.

(2) To purchase a farm on which there is a farm residence to be owned and occupied by the veteran as the veteran’s home.

(3) To construct on land owned by the veteran a farm residence to be occupied by the veteran as the veteran’s home.

(4) To repair, alter, or improve a farm residence or other dwelling owned by the veteran and occupied by the veteran as the veteran’s home.

(5) To refinance existing mortgage loans or other liens which are secured of record on a dwelling or farm residence owned and occupied by the veteran as the veteran’s home.

(6) To purchase a one-family residential unit in a condominium housing development or project, if such development or project is approved by the Secretary under criteria which the Secretary shall prescribe in regulations.

(7) To improve a dwelling or farm residence owned by the veteran and occupied by the veteran as the veteran’s home through energy efficiency improvements, as provided in subsection (d).

(b) No loan may be guaranteed under this section or made under section 3711 of this title unless—

(1) the proceeds of such loan will be used to pay for the property purchased, constructed, or improved;

(2) the contemplated terms of payment required in any mortgage to be given in part payment of the purchase price or the construction cost bear a proper relation to the veteran’s present and anticipated income and expenses;

(3) the veteran is a satisfactory credit risk, as determined in accordance with the credit underwriting standards established pursuant to subsection (g) of this section;

(4) the nature and condition of the property is such as to be suitable for dwelling purposes;

(5) except in the case of a loan described in clause (7) or (8) of this subsection, the loan to be paid by the veteran for such property or for the cost of construction, repairs, or alterations, does not exceed the reasonable value thereof as determined pursuant to section 3731 of this title;

(6) if the loan is for repair, alteration, or improvement of property, such repair, alteration, or improvement substantially protects or improves the basic livability or utility of such property;

(7) in the case of a loan (other than a loan made for a purpose specified in subsection (a)(8) of this section) that is made to refinance—

(A) a construction loan,

(B) an installment land sales contract, or

(C) a loan assumed by the veteran that provides for a lower interest rate than the loan being refinanced,
the amount of the loan to be guaranteed or made does not exceed the lesser of—

(i) the reasonable value of the dwelling or farm residence securing the loan, as determined pursuant to section 3731 of this title; or

(ii) the sum of the outstanding balance on the loan to be refinanced and the closing costs (including discounts) actually paid by the veteran, as specified by the Secretary in regulations; and

(8) in the case of a loan to refinance a loan (other than a loan or installment sales contract described in clause (7) of this subsection or a loan made for a purpose specified in subsection (a)(8) of this section), the amount of the loan to be guaranteed or made does not exceed 100 percent of the reasonable value of the dwelling or farm residence securing the loan, as determined pursuant to section 3731 of this title.

(d)(1) The Secretary shall carry out a program to demonstrate the feasibility of guaranteeing loans for the acquisition of an existing dwelling and the cost of making energy efficiency improvements to the dwelling or for energy efficiency improvements to a dwelling owned and occupied by a veteran. A loan may be guaranteed under this subsection only if it meets the requirements of this chapter, except as those requirements are modified by this subsection.

(2) The cost of energy efficiency measures that may be financed by a loan guaranteed under this section may not exceed the greater of—

(A) the cost of the energy efficiency improvements, up to $3,000; or

(B) $6,000, if the increase in the monthly payment for principal and interest does not exceed the likely reduction in monthly utility costs resulting from the energy efficiency improvements.

(3) Notwithstanding the provisions of section 3703(a)(1)(A) of this title, any loan guaranteed under this subsection shall be guaranteed in an amount equal to the sum of—

(A) the guaranty that would be provided under those provisions for the dwelling without the energy efficiency improvements; and

(B) an amount that bears the same relation to the cost of the energy efficiency improvements as the guaranty referred to in subparagraph (A) bears to the amount of the loan minus the cost of such improvements.

(4) The amount of the veteran’s entitlement, calculated in accordance with section 3703(a)(1)(B) of this title, shall not be affected by the amount of the guaranty referred to in paragraph (3)(B).

(5) The Secretary shall take appropriate actions to notify eligible veterans, participating lenders, and interested realtors of the availability of loan guarantees under this subsection and the procedures and requirements that apply to the obtaining of such guarantees.

(6) For the purposes of this subsection:

(A) The term “energy efficiency improvement” includes a solar heating system, a solar heating and cooling system, or a combined solar heating and cooling system, and the application of a residential energy conservation measure.

(B) The term “solar heating” has the meaning given such term in section 3(1) of the Solar Heating and Cooling Demonstration Act of 1974 (42 U.S.C. 5502(1)) and, in addition, includes a passive system based on conductive, convective, or radiant energy transfer.

(C) The terms “solar heating and cooling” and “combined solar heating and cooling” have the meaning given such terms in section 3(2) of the Solar Heating and Cooling Demonstration Act of 1974 (42 U.S.C. 5502(2)) and, in addition, include a passive system based on conductive, convective, or radiant energy transfer.

(E) The term “residential energy conservation measure” means—

(i) caulking and weatherstripping of all exterior doors and windows;

(ii) furnace efficiency modifications limited to—

(I) replacement burners, boilers, or furnaces designed to reduce the firing rate or to achieve a reduction in the amount of fuel consumed as a result of increased combustion efficiency,

(ii) in the case of a loan for the purpose specified in subsection (a)(11), an amount equal to the sum of the amount referred to with respect to the loan under clause (i) and the amount specified under subsection (d)(2);

(D) notwithstanding section 3703(a)(1) of this title, the amount of the guaranty of the loan may not exceed the greater of (i) the original guaranty amount of the loan being refinanced, or (ii) 25 percent of the loan;

(E) the term of the loan may not exceed the original term of the loan being refinanced by more than 10 years; and

(2) A loan to a veteran may be guaranteed by the Secretary under this chapter for the purpose specified in clause (8) of subsection (a) of this section without regard to the amount of outlay or guaranty entitlement used to originate such loan, and must contain credit underwriting standards to be used in evaluating loans to be guaranteed under this chapter.

(3) In the regulations prescribed under paragraph (2) of this subsection, the Secretary shall prescribe standards that include—

(A) debt-to-income ratios to apply in the case of the veteran applying for the loan;

(B) criteria for evaluating the reliability and stability of the income of the veteran applying for the loan; and

(C) procedures for ascertaining the monthly income required by the veteran to meet the anticipated loan payment terms.

If the procedures described in clause (C) of this paragraph include standards for evaluating residual income, the Secretary shall, in establishing such standards, give appropriate consideration to State statistics (in States as to which the Secretary determines that such statistics are reliable) pertinent to residual income and the cost of living in the State in question rather than in a larger region.

(4)(A) Any lender making a loan under this chapter shall certify, in such form as the Secretary shall prescribe, that the lender has complied with the credit information and loan processing standards established under paragraph (2)(B) of this subsection, and that, to the best of the lender’s knowledge and belief, the loan meets the underwriting standards established under paragraph (2)(A) of this subsection.

All determinations necessary to carry out this subparagraph shall be made by the Secretary.

(5) Pursuant to regulations prescribed to carry out this paragraph, the Secretary may, in extraordinary situations, waive the application of the credit underwriting standards established under paragraph (2) of this subsection when the Secretary determines, considering the totality of circumstances, that the veteran is a satisfactory credit risk.

(b)(1) A loan may not be guaranteed under subsection (a)(12) unless—

(A) the development, project, or structure of the cooperative housing corporation complies
with such criteria as the Secretary prescribes in regulations; and

(B) the dwelling unit that the purchase of stock or membership in the development, project, or structure of the cooperative housing corporation entitles the purchaser to occupy is a single family residential unit.

(2) In this subsection, the term “cooperative housing corporation” has the meaning given such term in section 216(b)(1) of the Internal Revenue Code of 1986.

(3) When applying the term “value of the property” to a loan guaranteed under subsection (a)(12), such term means the appraised value of the property to a loan guaranteed under subsection (a)(11) after fixed rate loan and the loan being refinanced is an adjustable rate loan, the loan bears interest at a rate that is agreed upon by the veteran and the mortgagee”.

§ 3711. Direct loans to veterans

(a) The Congress finds that housing credit for purposes specified in section 3710 or 3712 of this title is not and has not been generally available to veterans living in rural areas, or in small cities and towns not near large metropolitan areas. It is therefore the purpose of this section to provide housing credit for veterans living in such rural areas and such small cities and towns.

(b) Whenever the Secretary finds that private capital is not generally available in any rural area or small city or town for the financing of loans guaranteed for purposes specified in section 3710 or 3712 of this title, the Secretary shall designate such rural area or small city or town as a "housing credit shortage area". The Secretary shall, with respect to any such area, make, or enter into commitments to make, to any veteran eligible under this title, a loan for any or all of the purposes described in section 3710(a) or 3712 of this title (other than the refinancing of a loan under section 3710(a)(8) or 3712(a)(1)(F)).

(c) No loan may be made under this section to a veteran unless the veteran shows to the satisfaction of the Secretary that—

(1) the veteran is unable to obtain from a private lender in such housing credit shortage area, at an interest rate not in excess of the rate authorized for guaranteed home loans or manufactured home loans, as appropriate, a loan for such purpose for which the veteran is qualified under section 3710 or 3712 of this title, as appropriate; and

(2) the veteran is unable to obtain a loan for such purpose from the Secretary of Agriculture under title III of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) or title V of the Housing Act of 1949 (42 U.S.C. 1471 et seq.).

(d)(1) Loans made under this section shall bear interest at a rate determined by the Secretary, not to exceed the rate authorized for guaranteed home loans, or manufactured home loans, as appropriate, and shall be subject to such requirements or limitations prescribed for loans guaranteed under this title as may be applicable.

(2)(A) Except for any loan made under this chapter for the purposes described in section 3712 of this title, the original principal amount of any loan made under this section shall not exceed an amount which bears the same ratio to $33,000 as the amount of guaranty to which the veteran is entitled under section 3710 of this title at the time the loan is made bears to $20,000. The amount of the guaranty entitlement for purposes specified in section 3710 of this title of any veteran who is granted a loan under this section, who before October 18, 1978, was granted a loan under this section, shall be charged with the amount that bears the same ratio to $20,000 as the amount of the loan bears to $33,000.

(3) No veteran may obtain loans under this section aggregating more than $33,000.

(e) Loans made under this section shall be repaid in monthly installments, except that in the case of any such loan made for any of the purposes described in paragraphs (2), (3), or (4) of section 3710(a) of this title, the Secretary may provide that such loan shall be repaid in quarterly, semiannual, or annual installments.

(f) In connection with any loan under this section, the Secretary may make advances in cash to pay taxes and assessments on the real estate, to provide for repairs, alterations, and improvements, and to meet the incidental expenses of the transaction. The Secretary shall determine the expenses incident to origination of loans made under this section, which expenses, or a reasonable flat allowance in lieu thereof, shall be paid by the veteran in addition to the loan closing costs.

(g) The Secretary may sell, and shall offer for sale, to any person or entity approved for such purpose by the Secretary, any loan made under this section at a price which the Secretary determines to be reasonable under the conditions prevailing in the mortgage market when the agreement to sell the loan is made; and shall guarantee any loan thus sold subject to the same conditions, terms, and limitations which would be applicable were the loan guaranteed for purposes specified in section 3710 or 3712 of this title, as appropriate.

(h) The Secretary may exempt dwellings constructed through assistance provided by this section from the minimum land planning and subdivision requirements prescribed pursuant to subsection (a) of section 3704 of this title, and with respect to such dwellings may prescribe special minimum land planning and subdivision requirements which shall be in keeping with the general housing facilities in the locality but shall require that such dwellings meet minimum requirements of structural soundness and general acceptability.

(i) The Secretary is authorized, without regard to the provisions of subsections (a), (b), and (c) of this section, to make or enter into a commitment to make a loan to any veteran to assist the veteran in acquiring a specially adapted housing unit authorized under chapter 21 of this title, if the veteran is determined to be eligible for the benefits of such chapter 21, and is eligible for loan guaranty benefits under this chapter.

(j)(1) If any builder or sponsor proposes to construct one or more dwellings in a housing credit shortage area, or in any area for a veteran who is determined to be eligible for assistance in acquiring a specially adapted housing unit under chapter 21 of this title, the Secretary may enter into commitment with such builder or sponsor, under which funds available for loans under this section will be reserved for a period not in ex-
cess of three months, or such longer period as the Secretary may authorize to meet the needs in any particular case, for the purpose of making loans to veterans to purchase such dwellings. Such commitment may not be assigned or transferred except with the written approval of the Secretary. The Secretary shall not enter into any such commitment unless such builder or sponsor pays a nonrefundable commitment fee to the Secretary in an amount determined by the Secretary, not to exceed 2 percent of the funds reserved for such builder or sponsor.

(2) Whenever the Secretary finds that a dwelling with respect to which funds are being reserved under this subsection has been sold, or contracted to be sold, to a veteran eligible for a direct loan under this section, the Secretary shall enter into a commitment to make the veteran a loan for the purchase of such dwelling. With respect to any loan made to an eligible veteran under this subsection, the Secretary may make advances during the construction of the dwelling, up to a maximum in advances of (A) the cost of the land plus (B) 80 percent of the value of the construction in place.

(k) Without regard to any other provision of this chapter, the Secretary may take or cause to be taken such action as in the Secretary's judgment may be necessary or appropriate for or in connection with the custody, management, protection, and realization or sale of investments under this section, may determine the Secretary's necessary expenses and expenditures, and the manner in which the same shall be incurred, allowed and paid, may make such rules, regulations, and orders as the Secretary may deem necessary or appropriate for carrying out the Secretary's functions under this section and, except as otherwise expressly provided in this chapter, may employ, utilize, compensate, and, to the extent not inconsistent with the Secretary's basic responsibilities under this chapter, delegate any of the Secretary's functions under this section to such persons and such corporate or other agencies, including agencies of the United States, as the Secretary may designate.

§ 3712. Loans to purchase manufactured homes and lots

(a)(1) Notwithstanding any other provision of this chapter, any loan to a veteran eligible for the housing loan benefits of this chapter, if made pursuant to the provisions of this section, may be guaranteed if such loan is for one of the following purposes:

(A) To purchase a lot on which to place a manufactured home already owned by the veteran.

(B) To purchase a single-wide manufactured home.

(C) To purchase a single-wide manufactured home and a lot on which to place such home.

(D) To purchase a double-wide manufactured home.

(E) To purchase a double-wide manufactured home and a lot on which to place such home.

(F) To refinance in accordance with paragraph (4) of this subsection an existing loan guaranteed, insured, or made under this section.

(G) To refinance in accordance with paragraph (5) of this subsection an existing loan that was made for the purchase of, and that is secured by, a manufactured home and to purchase a lot on which such manufactured home is or will be placed.

(2) A loan for any of the purposes described in paragraph (1) of this subsection (other than the refinancing under clause (F) of such paragraph of an existing loan) may include an amount determined by the Secretary to be appropriate to cover the cost of necessary preparation of a lot already owned or to be acquired by the veteran, including the costs of installing utility connections and sanitary facilities, of paving, and of constructing a suitable pad for the manufactured home.

(3) Any loan made for the purposes described in clause (C), (E), or (G) of paragraph (1) of this subsection shall be considered as part of an existing loan. The transaction may be evidenced by a single loan instrument or by separate loan instruments for (A) that portion of the loan which finances the purchase of the manufactured home, and (B) that portion of the loan which finances the purchase of the lot and the necessary preparation of such lot.

(4)(A) For a loan to be guaranteed for the purpose specified in clause (F) of paragraph (1) of this subsection—

(i) the interest rate of the loan must be less than the interest rate of the loan being refinanced; and

(ii) the loan must be secured by the same manufactured home or manufactured-home lot, or manufactured home and manufactured-home lot, as was the loan being refinanced;

(iii) the amount of the loan may not exceed an amount equal to the sum of the balance of the loan being refinanced and such closing costs (including any discount permitted pursuant to section 3703(c)(3)(A) of this title) as may be authorized by the Secretary, under regulations which the Secretary shall prescribe, to be included in such loan;

(iv) notwithstanding section 3703(a)(1) of this title, the amount of the guaranty of the loan may not exceed the greater of (I) the original guaranty amount of the loan being refinanced, or (II) 25 percent of the loan;

(v) the term of the loan may not exceed the original term of the loan being refinanced;

(vi) the veteran must own the manufactured home, or the manufactured-home lot, or the manufactured-home lot, securing the loan and—

(I) must occupy the home, a manufactured home on the lot, or the home and the lot, securing the loan;

(II) must have previously occupied the home, a manufactured home on the lot, or the home and the lot, securing the loan as the veteran’s home and must certify, in such form as the Secretary shall require, that the veteran has previously occupied the home (or such a home on the lot); or

(III) in any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy the home, a manufactured home on the lot, or the home and the lot, as a home because of such status, the spouse of the veteran must occupy, or must have previously occupied, the manufactured home on the lot, or the home and the lot, as such spouse’s home and must certify such occupancy in such form as the Secretary shall require.

(B) A loan to a veteran may be guaranteed by the Secretary under this chapter for the purpose specified in clause (F) of paragraph (1) of this subsection without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran’s guaranty entitlement shall not be charged as a result of any guaranty provided for such
purpose. For purposes of section 3702(b) of this title, such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(C) If a veteran is deceased and if such veteran’s surviving spouse does not have a claim under section 3710(a)(9)(B)(ii) of this title for any purpose specified in clause (F) of paragraph (1) of this subsection, be deemed to be a veteran eligible for benefits under this chapter.

(5)(A) For a loan to be guaranteed for the purpose specified in paragraph (1)(G) of this subsection or section 3710(a)(9)(B)(ii) of this title—
(i) the loan must be secured by the same manufactured home as was the loan being refinanced and such manufactured home must be owned and occupied by the veteran (except as provided in section 3704(c)(2) of this title) as a veteran’s home; and
(ii) the amount of the loan may not exceed an amount equal to the sum of—
(I) the purchase price of the lot,
(II) the amount (if any) determined by the Secretary to be appropriate under paragraph (2) of this subsection to cover the cost of necessary preparation of such lot,
(III) the balance of the loan being refinanced, and
(IV) such closing costs (including any discount permitted pursuant to section 3703(c)(3)(E) of this title) as may be authorized by the Secretary, under regulations which the Secretary shall prescribe, to be included in such loan.

(B) When a loan is made to a veteran for the purpose specified in paragraph (1)(G) of this subsection or section 3710(a)(9)(B)(ii) of this title, and the loan being refinanced was guaranteed, insured, or made under this section, the portion of the loan made for the purpose of refinancing such loan may be guaranteed by the Secretary under this chapter without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran’s guaranty entitlement shall not be charged as a result of any guaranty provided for such portion of such loan. For the purposes of section 3702(b) of this title, such portion of such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(b)(1) Use of entitlement for purposes specified in this section for the purchase of a manufactured home unit shall preclude the use of remaining entitlement for the purchase of an additional manufactured home unit until the unit which secured the loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard.

(2) The Secretary shall restore entitlement to all housing loan benefits under this chapter for the veteran when the conditions prescribed in section 3702(b) of this title have been met.

(c)(1) Loans for any of the purposes authorized by subsection (a) of this section shall be submitted to the Secretary for approval prior to the closing of the loan, except that the Secretary may exempt any lender of a class listed in section 3702(d) of this title from compliance with such prior approval requirement if the Secretary determines that the experience of such lender or class of lenders in manufactured home financing warrants such exemption.

(2) Upon determining that a loan submitted for prior approval is eligible for guaranty for purposes specified in this section, the Secretary shall issue a commitment to guarantee such loan and shall thereafter guarantee the loan when made if such loan qualifies therefor in all respects.

(3)(A) The Secretary’s guaranty may not exceed the lesser of (i) the lesser of $20,000 or 40 percent of the loan, or (ii) the maximum amount of the guaranty entitlement available to the veteran as specified in paragraph (4) of this subsection.

(B) A claim under the Secretary’s guaranty shall, at the election of the holder of a loan, be made by the filing of an accounting with the Secretary—
(i) within a reasonable time after the receipt by such holder of an appraisal by the Secretary of the value of the security for the loan; or
(ii) after liquidation of the security for the loan.

(C) If the holder of a loan applies for payment of a claim under clause (i) of subparagraph (B) of this paragraph, the amount of such claim payable by the Secretary shall be the lesser of—
(i) the amount equal to the excess, if any, of the total indebtedness over the amount of the appraisal referred to in such clause; or
(ii) the amount equal to the guaranty under this section.

(D) If the holder of a loan files for payment of a claim under clause (ii) of subparagraph (B) of this paragraph, the amount of such claim payable by the Secretary shall be the lesser of—
(i) the amount equal to the excess, if any, of the total indebtedness over the greater of the value of the property securing the loan, as determined by the Secretary, or the amount of the liquidation or resale proceeds; or
(ii) the amount equal to the guaranty under this section.

(E) In any accounting filed pursuant to subparagraph (B)(ii) of this paragraph, the Secretary shall permit to be included therein accrued unpaid interest from the date of the first uncured default to such cutoff date as the Secretary may establish, and the Secretary shall allow the holder of the loan to charge against the liquidation or resale proceeds accrued interest from the cutoff date established to such further date as the Secretary may determine and such costs and expenses as the Secretary determines to be reasonable and proper.

(F) The liability of the United States under the guaranty provided for by this paragraph shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the obligation.

(4) The maximum amount of guaranty entitlement available to a veteran for purposes specified in this section shall be $20,000 reduced by the amount of any such entitlement previously used by the veteran. Use of entitlement for purposes specified in section 3710 or 3711 of this title
§ 3712

shall reduce entitlement available for use for purposes specified in this section to the same extent that entitlement available for purposes specified in such section 3710 is reduced below $20,000.

(5) The amount of any loan guaranteed for purposes specified in this section shall not exceed an amount equal to 95 percent of the purchase price of the property securing the loan.

(d)(1) The maturity of any loan guaranteed for purposes specified in this section shall not be more than—

(A) fifteen years and thirty-two days, in the case of a loan for the purchase of a lot;
(B) twenty years and thirty-two days, in the case of a loan for the purchase of—

(D) twenty-five years and thirty-two days, in the case of a loan for the purchase of a double-wide manufactured home and a lot.

(2) Nothing in paragraph (1) of this subsection shall preclude the Secretary, under regulations which the Secretary shall prescribe, from consenting to necessary advances for the protection of the security or the holder's lien, to a reasonable extension of the term of such loan, or to a reasonable reamortization of such loan.

(e) No loan shall be guaranteed for purposes specified in this section unless—

(1) the loan is repayable in approximately equal monthly installments;
(2) the terms of repayment bear a proper relationship to the veteran's present and anticipated income and expenses, and the veteran is a satisfactory credit risk, as determined in accordance with the regulations prescribed under section 3710(g) of this title and taking into account the purpose of this program to make available lower cost housing to low and lower income veterans, especially those who have been recently discharged or released from active military, naval, or air service, who may not have previously established credit ratings;
(3) the loan is secured by a first lien on the manufactured home purchased with the proceeds of the loan and on any lot acquired or improved with the proceeds of the loan;
(4) the amount of the loan to be paid by the veteran is not in excess of the amount determined to be reasonable, based upon—
   (A) with respect to any portion of the loan to purchase a new manufactured home, such cost factors as the Secretary considers proper to take into account;
   (B) with respect to any portion of the loan to purchase a used manufactured home, the reasonable value of the property, as determined by the Secretary;
   (C) with respect to any portion of the loan to purchase a lot, the reasonable value of such lot, as determined by the Secretary;
   (D) with respect to any portion of the loan to cover the cost of necessary site preparation, an appropriate amount, as determined by the Secretary;

(5) the veteran certifies, in such form as the Secretary shall prescribe, that the veteran will personally occupy the property as the veteran's home; except that the requirement of this clause shall not apply (A) in the case of a guaranteed loan that is for the purpose described in paragraph (1)(F) of subsection (a), or (B) in the case described in section 3704(c)(2);

(6) the manufactured home is or will be placed on a site which meets specifications which the Secretary shall establish by regulation; and

(7) the interest rate to be charged on the loan does not exceed the permissible rate established by the Secretary.

(f) The Secretary shall establish such rate of interest for manufactured home loans and manufactured home lot loans as the Secretary determines to be necessary in order to assure a reasonable supply of manufactured home loan financing for veterans for purposes specified in this section.

(g) The Secretary shall promulgate such regulations as the Secretary determines necessary or appropriate in order to fully implement the provisions of this section, and such regulations may specify which provisions in other sections of this chapter the Secretary determines should be applicable to loans guaranteed or made for purposes specified in this section. The Secretary shall have such powers and responsibilities in respect to matters arising under this section as the Secretary has in respect to loans made or guaranteed or under other sections of this chapter.

(h)(1) No loan for the purchase of a manufactured home shall be guaranteed for purposes specified in this section unless the manufactured home and lot, if any, meet or exceed standards for planning, construction, and general acceptability as prescribed by the Secretary and no loan for the purchase of a lot on which to place a manufactured home owned by a veteran shall be guaranteed for purposes specified in this section unless the lot meets such standards prescribed for manufactured home lots. Such standards shall be designed to encourage the maintenance and development of sites for manufactured homes which will be attractive residential areas and which will be free from, and not substantially contribute to, adverse scenic or environmental conditions.

(2) Any manufactured housing unit properly displaying a certification of conformity to all applicable Federal manufactured home construction and safety standards pursuant to section 616 of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5415) shall be deemed to meet the standards required by paragraph (1).

(i) The Secretary shall require the manufacturer to become a warrantor of any new manufactured home which is approved for purchase with financing through the assistance of this chapter and to furnish to the purchaser a written warranty in such form as the Secretary shall require. Such warranty shall include (1) a specific statement that the manufactured home meets the standards prescribed by the Secretary pursuant to the provisions of subsection (h) of this section; and (2) a provision that the warrant-
tor's liability to the purchaser or owner is limited under the warranty to instances of substantial nonconformity to such standards which become evident within one year from date of purchase and as to which the purchaser or owner gives written notice to the warrantor not later than ten days after the end of the warranty period. The warranty prescribed herein shall be in addition to, and not in derogation of, all other rights and privileges which such purchaser or owner may have under any other law or instrument and shall so provide in the warranty document.

(j) Subject to notice and opportunity for a hearing, the Secretary is authorized to deny guaranteed or direct loan financing in the case of—

(1) manufactured homes constructed by a manufacturer who fails or is unable to discharge the manufacturer's obligations under the warranty;

(2) manufactured homes which are determined by the Secretary not to conform to the standards provided for in subsection (b);

(3) a manufacturer of manufactured homes who has engaged in procedures or practices determined by the Secretary to be unfair or prejudicial to veterans or the Government.

(k) Subject to notice and opportunity for a hearing, the Secretary may refuse to approve as acceptable any site in a manufactured home park or subdivision owned or operated by any person whose rental or sale methods, procedures, requirements, or practices are determined by the Secretary to be unfair or prejudicial to veterans renting or purchasing such sites. The Secretary may also refuse to guarantee or make direct loans for veterans to purchase manufactured homes offered for sale by any dealer if substantial deficiencies have been discovered in such homes, or if the Secretary determines that there has been a failure or indicated inability of the dealer to discharge contractual liabilities to veterans, or that the type of contract of sale or the dealer to discharge contractual liabilities to veterans renting or purchasing such sites.

(l) The provisions of sections 3704(d) and 3721 of this title shall be fully applicable to lenders making guaranteed manufactured home loans and holders of such loans.

§ 3713 TITLE 38—VETERANS' BENEFITS

Section 8 of Pub. L. 91–506 provided that: "Section 5 of this Act [enacting this section] shall become effective sixty days following the date of enactment [Oct. 23, 1970]."

(a) Whenever any veteran disposes of residential property securing a guaranteed, insured, or direct housing loan obtained by the veteran, the Secretary, upon application made by such veteran and by the transferee incident to such disposal, shall issue to such veteran in connection with such disposal a release relieving the veteran of all further liability to the Secretary on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Secretary has determined, after such investigation as the Secretary may deem appropriate, that (1) the loan is current, and (2) the purchaser of such property from such veteran (A) is obligated by contract to purchase such property and to assume full liability for the repayment of the balance of the loan remaining unpaid, and has assumed by contract all of the obligations of the veteran under the terms of the instruments creating and securing the loan, and (B) qualifies from a credit standpoint, to the same extent as if the transferee were a veteran eligible for purposes specified in section 3710 of this title, for a guaranteed or insured or direct loan in an amount equal to the unpaid balance of the obligation for which the transferee has assumed liability.

(b) If any veteran disposes of residential property securing a guaranteed, insured, or direct housing loan obtained by the veteran under this chapter without receiving a release from liability with respect to such loan under subsection (a), and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if the Secretary determines, after such investigation as the Secretary deems appropriate, that the property was disposed of by the veteran in such a manner, and subject to such conditions, that the Secretary would have issued the veteran a release from liability under subsection (a) with respect to the loan if the veteran had made application therefor incident to such disposal. Failure of a transferee to assume by contract all of the liabilities of the original veteran-borrower shall bar such release of liability only in cases in which no acceptable transferee, either immediate or remote, is legally liable to the Secretary for the indebtedness of the original veteran-borrower arising from termination of the loan. The failure of a veteran to qualify for release from liability under this subsection does not preclude relief from being granted under section 5302(b) of this title, if the veteran is eligible for relief under that section.

(c) This section shall apply only to loans for which commitments are made before March 1, 1988.

(See 1976 P.L. 94–324 effective July 1, 1976, and June 30, 1976, respectively, see section 9(a), (b) of Pub. L. 94–324, set out as a note under section 1114 of this title.)

§ 3714. Assumptions; release from liability

(a)(1) Except as provided in subsection (f) of this
section, if a veteran or any other person dis-
poses of residential property securing a loan
guaranteed, insured, or made under this chapter
and the veteran or other person notifies the
holder of the loan in writing before the property
is disposed of, the veteran or other person, as
the case may be, shall be relieved of all further
liability to the Secretary with respect to the
loan (including liability for any loss resulting
from any default of the purchaser or any subse-
quent owner of the property) and the application
for assumption shall be approved if the holder
determines that—
(A) the loan is current; and
(B) the purchaser of the property from such
veteran or other person—
(i) is obligated by contract to purchase
such property and to assume full liability
for the repayment of the balance of the loan
remaining unpaid and has assumed to
secure the loan; and
(ii) qualifies from a credit standpoint,
to the same extent as if the purchaser were a
veteran eligible under section 3710 of this
title, for a guaranteed or insured or direct
loan in an amount equal to the unpaid bal-
cane of the obligation for which the
purchaser is to assume liability.

(2) For the purposes of paragraph (1), para-
graph (3), and paragraph (4) of this sub-
section, the Secretary shall be considered to be
the holder of the loan if the actual holder is not
an approved lender described in section 3702.

(3) If the holder of the loan determines that
the loan is not current or that the purchaser of
the property does not meet the requirements of
paragraph (1) of this subsection, the holder
shall—
(A) notify the transferor and the Secretary
of such determination; and
(B) notify the transferor that the transferor
may appeal the determination to the Sec-

(4)(A) Upon the appeal of the transferor after
a determination described in paragraph (3) is
made, the Secretary shall, in a timely manner,
review and make a determination (or a redeter-
mination in any case in which the Secretary
made the determination described in such para-
graph) with respect to whether the loan is cur-
rent and whether the purchaser of the property
meets the requirements of paragraph (1)(B) of
this subsection. The Secretary shall transmit, in
writing, a notice of the nature of such deter-
mation to the transferor and the holder and
shall inform them of the action that shall or
may be taken under subparagraph (B) of this
paragraph as a result of the determination of
the Secretary.

(B)(i) If the Secretary determines under sub-
paragraph (A) of this paragraph that the loan
is current and that the purchaser meets the re-
quirements of paragraph (1)(B) of this subsection,
the holder shall approve the assumption of
the loan, and the transferor shall be relieved of
all liability to the Secretary with respect to
such loan.
(ii) If the Secretary determines under subpara-
graph (A) of this paragraph that the purchaser
does not meet the requirements of paragraph
(1)(B) of this subsection, the Secretary may di-
rect the holder to approve the assumption of
the loan if—
(I) the Secretary determines that the transferee of the property is unable to make payments on the loan and has made reasonable efforts to find a buyer who meets the requirements of paragraph (1)(B) of this subsection and, as a result, the proposed transfer is in the best interests of the Department and the transferee; 

(II) the transferee has requested, within 15 days after receiving the notice referred to in subparagraph (A) of this paragraph, that the Secretary approve the assumption; and 

(III) the transferee will, upon assumption of the loan by the purchaser, be secondarily liable on the loan.

(C) If—

(i) the loan is not approved for assumption under subparagraph (B) of this paragraph or paragraph (1) of this subsection; or

(ii) no appeal is made by the transferee under subparagraph (A) of this paragraph within 30 days after the holder informs the transferee of its determination under paragraph (3) of this subsection,

the holder may demand immediate, full payment of the principal, and all interest earned upon learning of such action by the person, may demand immediate and full payment of the principal, interest, and all other amounts owing under the terms of the loan.

(c)(1) In any case in which the holder of a loan described in subsection (a)(1) of this section and the person fails to notify the holder of the loan before the property is disposed of, the holder, upon learning of such action by the person, may demand immediate full payment of the principal, interest, and all other amounts owing under the terms of the loan.

(2) If the holder fails to notify the Secretary in such a case, the holder shall be liable to the Secretary for any damage sustained by the Secretary as a result of the holder's failure, as determined at the time the Secretary is required to make payments in accordance with any insurance or guaranty provided by the Secretary with respect to the loan concerned.

(d) With respect to a loan guaranteed, insured, or made under this chapter, the Secretary shall provide, by regulation, that at least one instrument evidencing the loan entered into by a person with respect to a loan guaranteed, insured, or made under this chapter shall contain provisions, in such form as the Secretary shall specify, implementing the requirements of this section, and shall bear in conspicuous position in capital letters on the first page of the document in type at least 2 and 1/8 times larger than the regular type on such page the following: "This loan is not assumable without the approval of the Department of Veterans Affairs or its authorized agent."

SUBCHAPTER III—ADMINISTRATIVE PROVISIONS

§3720. Powers of Secretary

(a) Notwithstanding the provisions of any other law, with respect to matters arising by reason of this chapter, the Secretary may—

(1) sue and be sued in the Secretary’s official capacity in any court of competent jurisdiction, State or Federal, but nothing in this clause shall be construed as authorizing garnishment or attachment against the Secretary, the Department of Veterans Affairs, or any of its employees;

(2) subject to specific limitations in this chapter, consent to the modification, with respect to rate of interest, time of payment of principal or interest or any portion thereof, security or other provisions of any note, contract, mortgage or other instrument securing a loan which has been guaranteed, insured, made or acquired under this chapter;

(3) pay, or compromise, any claim on, or arising because of, any such guaranty or insurance;

(4) pay, compromise, waive or release any right, title, claim, lien or demand, however acquired, including any equity or any right of redemption;

(5) purchase at any sale, public or private, upon such terms and for such prices as the Secretary determines to be reasonable, and take title to, property, real, personal or mixed; and similarly sell, at public or private sale, exchange, assign, convey, or otherwise dispose of any such property; and

(6) complete, administer, operate, obtain and pay for insurance on, and maintain, renovate, repair, modernize, lease, or otherwise deal with any property acquired or held pursuant to this chapter. The acquisition of any such property shall not deprive any State or political subdivision thereof of its civil or criminal jurisdiction of, on, or over such property (including power to tax) or impair the rights under the State or local law of any persons on such property. Without regard to section 3302(b) of title 31 or any other provision of law not expressly in limitation of this paragraph, the Secretary may permit brokers utilized by the Secretary in connection with such properties to deduct from rental collections amounts covering authorized fees, costs, and expenses incurred in connection with the management, repair, sale, or lease of any such properties and remit the net balances to the Secretary.

(b) The powers granted by this section may be exercised by the Secretary without regard to any other provision of law not enacted expressly in limitation of this section, which otherwise would govern the expenditure of public funds, except that division C (except sections 3302, 3501(b), 3509, 3506, 4710, and 4711) of subtitle I of title 41 shall apply to any contract for services or supplies on account of any property acquired pursuant to this section.

(c) The financial transactions of the Secretary incident to, or arising out of, the guaranty or insurance of loans pursuant to this chapter, and the acquisition, management, and disposition of property, real, personal, or mixed, incident to such activities and pursuant to this section, shall be final and conclusive upon all officers of the Government.

(d) The right to redeem provided for by section 2410(c) of title 28 shall not arise in any case in which the subordinate lien or interest of the United States derives from a guaranteed or insured loan.

(f) Whenever loss, destruction, or damage to any residential property securing loans guaranteed, insured, made, or acquired by the Secretary under this chapter occurs as the result of a major disaster as determined by the President under the Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.), the Secretary shall (1) provide counseling and such other service to the owner of such property as may be feasible and shall inform such owner concerning the disaster assistance available from other Federal agencies and from State or local agencies, and (2) pursuant to subsection (a)(2) of this section, extend on an individual case basis such forbearance or indulgence to such owner as the Secretary determines to be warranted by the facts of the case and the circumstances of such owner.

(g) The Secretary shall, at the request of the Secretary of Housing and Urban Development and without reimbursement, certify to such Secretary whether an applicant for assistance under any law administered by the Department of Housing and Urban Development is a veteran.

(h)(1) The Secretary may, upon such terms and conditions as the Secretary considers appropriate, issue or approve the issuance of, and guarantee the timely payment of principal and interest on, certificates or other securities evidencing an interest in a pool of mortgage loans made in connection with the sale of properties acquired under this chapter.

(2) The Secretary may not under this section guarantee the payment of principal and interest on certificates or other securities issued or approved after December 31, 2011.

§ 3731. Appraisals

(a) The Secretary shall—

(1) subject to subsection (b)(2) and in consultation with appropriate representatives of institutions which are regularly engaged in making housing loans, prescribe uniform qualifications for appraisers, including the successful completion of a written test, submission of a sample appraisal, certification of an appropriate number of years of experience as an appraiser, and submission of recommendations from other appraisers;

(2) use such qualifications in determining whether to approve an appraiser to make appraisals of the reasonable value of any property, construction, repairs, or alterations for the purposes of this chapter; and

(3) in consultation with local representatives of institutions described in clause (1) of this subsection, develop and maintain lists of appraisers who are approved under clause (2) of this subsection to make appraisals for the purposes of this chapter.

(b)(1) The Secretary shall select appraisers from a list required by subsection (a)(3) of this section on a rotating basis to make appraisals for the purposes of this chapter.

(2) If uniform qualifications become applicable for appraisers who perform appraisals for or in connection with the Federal Government, the qualifications required by subsection (a)(1) of this section may be more stringent than such uniform qualifications, but the Secretary may use no written test in determining the qualifications of appraisers other than the test prescribed to implement such uniform qualifications.

(c) Except as provided in subsection (f) of this section, the appraiser shall forward an appraisal report to the Secretary for review. Upon receipt of such report, the Secretary shall determine the reasonable value of the property, construction, repairs, or alterations for purposes of this chapter, and notify the veteran of such determination. Upon request, the Secretary shall furnish a copy of the appraisal made of property for the purposes of this chapter to the lender proposing to make the loan which is to be secured by such property and is to be guaranteed under this chapter.

(d) If a lender (other than a lender authorized under subsection (f) of this section to determine reasonable value)—

(1) has proposed to make a loan to be guaranteed under this chapter,

(2) has furnished a certificate of reasonable value of any property or of any construction, repairs, or alterations of property which is to be the security for such loan, and

(3) within a reasonable period prescribed by the Secretary, has furnished to the Secretary an additional appraisal of the reasonable value of such property, construction, repairs, or alterations which was made by an appraiser selected by the lender from the list required by subsection (a)(3) of this section, the Secretary shall consider both the initial appraisal and the additional appraisal and shall, if appropriate, issue a revised certificate of reasonable value of such property, construction, repairs, or alterations.

(e)(1) In no case may a veteran be required to pay all or any portion of the cost of the additional appraisal described in subsection (d)(3) of this section.

(2) If a veteran, within a reasonable period prescribed by the Secretary, has furnished to the Secretary an additional appraisal of the reasonable value of such property, construction, repairs, or alterations which was made by an appraiser selected by the veteran from the list required by subsection (a)(3) of this section, the Secretary may, along with other appraisals furnished to the Secretary, and shall, if appropriate, issue a revised certificate of reasonable value of such property, construction, repairs, or alterations.

(f)(1) Subject to the provisions of paragraphs (2) and (3) of this subsection, the Secretary may, in accordance with standards and procedures established in regulations prescribed by the Secretary, authorize a lender to determine the reasonable value of property for the purposes of this chapter if the lender is authorized to make loans which are automatically guaranteed under section 3702(d) of this title. In such a case, the appraiser selected by the Secretary pursuant to subsection (b) of this section shall submit the appraisal report directly to the lender for review, and the lender shall, as soon as possible thereafter, furnish a copy of the appraisal to the veteran who is applying for the loan concerned and to the Secretary.

(2) In exercising the authority provided in paragraph (1) of this subsection, the Secretary shall assign a sufficient number of personnel to carry out an appraisal-review system to monitor, on at least a random-sampling basis, the making of appraisals by appraisers and the effectiveness and the efficiency of the determination of reasonable value of property by lenders.

(4) Not later than April 30 of each year following a year in which the Secretary authorizes lenders to determine reasonable value of property under this subsection, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives a report relating to the exercise of that authority during the year in which the authority was exercised.

(5) A report submitted pursuant to paragraph (4) of this subsection shall include, for the period covered by each report—

(A) the number and value of loans made by lenders exercising the authority of this subsection;

(B) the number and value of such loans reviewed by the appraisal-review monitors referred to in paragraph (2) of this subsection;
(C) the number and value of loans made under this subsection of which the Secretary received notification of default;
(D) the amount of guaranty paid by the Secretary to such lenders by reason of defaults on loans as to which reasonable value was determined under this subsection; and
(E) such recommendations as the Secretary considers appropriate to improve the exercise of the authority provided for in this subsection and to protect the interests of the United States.

L. 104–110 that was taken during period beginning on date on which authority of Secretary under such provision of law expired and ending on Feb. 13, 1996, considered to have same force and effect as if such amendment had been in effect at time of that action, see section 103 of Pub. L. 104–110, set out as a note under section 1710 of this title.

§3732. Procedure on default

(a)(1) In the event of default in the payment of any loan guaranteed under this chapter, the holder of the obligation shall notify the Secretary of such default. Upon receipt of such notice, the Secretary may, subject to subsection (c) of this section, pay to such holder the guaranty not in excess of the pro rata portion of the amount originally guaranteed. Except as provided in section 3703(c) of this title, if the Secretary makes such a payment, the Secretary shall be subrogated to the rights of the holder of the obligation to the extent of the amount paid on the guaranty.

(2)(A) Before suit or foreclosure the holder of the obligation shall notify the Secretary of the default, and within thirty days thereafter the Secretary may, at the Secretary’s option, pay the holder of the obligation the unpaid balance of the obligation plus accrued interest and receive an assignment of the loan and security.

Nothing in this section shall preclude any forbearance for the benefit of the veteran as may be agreed upon by the parties to the loan and approved by the Secretary.

(B) In the event that a housing loan guaranteed under this chapter is modified under the authority provided under subsection (b) of title 11, the Secretary may pay the holder of the obligation the unpaid principal balance of the obligation, plus accrued interest, as of the date of the filing of the petition under title 11, but only upon the assignment, transfer, and delivery to the Secretary (in a form and manner satisfactory to the Secretary) of all rights, interest, claims, evidence, and records with respect to the housing loan.

(3) The Secretary may establish the date, not later than the date of judgment and decree of foreclosure or sale, upon which accrual of interest or charges shall cease.

(4)(A) Upon receiving a notice pursuant to paragraph (1) of this subsection, the Secretary shall—

(i) provide the veteran with information and, to the extent feasible, counseling regarding—

(I) alternatives to foreclosure, as appropriate in light of the veteran’s particular circumstances, including possible methods of curing the default, conveyance of the property to the Secretary by means of a deed in lieu of foreclosure, and the actions authorized by paragraph (2) of this subsection; and

(II) what the Department of Veterans Affairs’ and the veteran’s liabilities would be with respect to the loan in the event of foreclosure; and

(ii) advise the veteran regarding the availability of such counseling;

except with respect to loans made by a lender which the Secretary has determined has a demonstrated record of consistently providing timely and accurate information to veterans with respect to such matters.
(B) The Secretary shall, to the extent of the availability of appropriations, ensure that sufficient personnel are available to administer subparagraph (A) of this paragraph effectively and efficiently.

(3) In the event of default in the payment of any loan guaranteed or insured under this chapter in which a partial payment has been tendered by the veteran concerned and refused by the holder, the holder of the obligation shall notify the Secretary as soon as such payment has been refused. The Secretary may require that any such notification include a statement of the circumstances of the default, the amount tendered, the amount of the indebtedness on the date of the tender, and the reasons for the holder's refusal.

(b) With respect to any loan made under section 3711 which has not been sold as provided in subsection (g) of such section, if the Secretary finds, after there has been a default in the payment of any installment of principal or interest owing on such loan, that the default was due to the fact that the veteran who is obligated under the loan has become unemployed as the result of circumstances of the default, the amount tendered, the amount of the indebtedness on the date of the tender, and the reasons for the holder's refusal.

(c)(1) For purposes of this subsection—

(A) The term "defaulted loan" means a loan that is guaranteed under this chapter, that was made for a purpose described in section 3710(a) of this title, and that is in default.

(B) The term "liquidation sale" means a judicial sale or other disposition of real property to liquidate a defaulted loan that is secured by such property.

(C) The term "net value", with respect to real property, means the amount equal to (i) the fair market value of the property, minus (ii) the total of the amounts which the Secretary estimates the Secretary would incur (if the Secretary were to acquire and dispose of the property) for property taxes, assessments, liens, property maintenance, property improvement, administration, resale (including losses sustained on the resale of the property), and other costs resulting from the acquisition and disposition of the property, excluding any amount attributed to the cost to the Government of borrowing funds.

(D) Except as provided in subparagraph (D) of paragraph (10) of this subsection, the term "total indebtedness", with respect to a defaulted loan, means the amount equal to the total of (i) the unpaid principal of the loan, (ii) the interest on the loan as of the date applicable under paragraph (10) of this subsection, and (iii) such reasonably necessary and proper charges (as specified in the loan instrument and permitted by regulations prescribed by the Secretary to implement this subsection) associated with liquidation of the loan, including advances for taxes, insurance, and maintenance or repair of the real property securing the loan.

(2)(A) Except as provided in subparagraph (B) of this paragraph, this subsection applies to any case in which the holder of a defaulted loan undertakes to liquidate the loan by means of a liquidation sale.

(B) This subsection does not apply to a case in which the Secretary proceeds under subsection (a)(2) of this section.

(3)(A) Before carrying out a liquidation sale of real property securing a defaulted loan, the holder of the loan shall notify the Secretary of the proposed sale. Such notice shall be provided in accordance with regulations prescribed by the Secretary to implement this subsection.

(B) After receiving a notice described in subparagraph (A) of this paragraph, the Secretary shall determine the net value of the property securing the loan and the amount of the total indebtedness under the loan and shall notify the holder of the loan of the determination of such net value.

(4) A case referred to in paragraphs (5), (6), and (7) of this subsection as being described in this paragraph is a case in which the net value of the property securing a defaulted loan exceeds the amount of the total indebtedness under the loan minus the amount guaranteed under this chapter.

(5) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan acquires the property securing the loan at a liquidation sale for an amount that does not exceed the lesser of the net value of the property or the total indebtedness under the loan—

(A) the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of such net value or total indebtedness; and

(B) the liability of the United States under the loan guaranty under this chapter shall be limited to the amount of such total indebtedness minus the net value of the property.

(6) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan does not acquire the property securing the loan at the liquidation sale, the liability of the United States under the loan guaranty under this chapter shall be limited to the amount equal to (A) the amount of such total indebtedness, minus (B) the amount realized by the holder incident to the sale or the net value of the property, whichever is greater.

(7) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan acquires the property securing the loan at the liquidation sale for an amount that exceeds the lesser of the total indebtedness under the loan or the net value and—

(A)(i) the amount was the minimum amount for which, under applicable State law, the property was permitted to be sold at the liq-
liquidation sale, the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of the amount for which the holder acquired the property or the total indebtedness under the loan; or

(ii) there was no minimum amount for which the property had to be sold at the liquidation sale under applicable State law, the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of such net value or total indebtedness; and

(B) the liability of the United States under the loan guaranty under this chapter is as provided in paragraph (6) of this subsection.

(8) If the net value of the property securing a defaulted loan is not greater than the amount of the total indebtedness under the loan minus the amount guaranteed under this chapter—

(A) the Secretary may not accept conveyance of the property from the holder of the loan; and

(B) the liability of the United States under the loan guaranty shall be limited to the amount of the total indebtedness under the loan minus the amount realized by the holder of the loan incident to the sale at a liquidation sale of the property.

(9) In no event may the liability of the United States under a guaranteed loan exceed the amount guaranteed with respect to that loan under section 3703(b) of this title. All determinations under this subsection of net value and total indebtedness shall be made by the Secretary.

(10)(A) Except as provided in subparagraphs (B) and (C) of this paragraph, the date referred to in paragraph (1)(D)(ii) of this subsection shall be the date of the liquidation sale of the property, that was requested and prior to the date of such sale, or an earlier date as the Secretary specifies pursuant to regulations prescribed by the Secretary to implement this subsection.

(B)(i) Subject to division (ii) of this subparagraph, in any case in which there is a substantial delay in such sale caused by the holder of the loan exercising forebearance at the request of the Secretary, the date referred to in paragraph (1)(D)(ii) of this subsection shall be such date, on or after the date on which forebearance was requested and prior to the date of such sale, as the Secretary specifies pursuant to regulations which the Secretary shall prescribe to implement this paragraph.

(ii) The Secretary may specify a date under subdivision (i) of this subparagraph only if, based on the use of a date so specified for the purposes of such paragraph (1)(D)(ii), the Secretary is authorized, under paragraph (5)(A) or (7)(A) of this subsection, to accept conveyance of the property.

(C) In any case in which there is an excessive delay in such liquidation sale caused—

(i) by the Department of Veterans Affairs (including any delay caused by its failure to provide bidding instructions in a timely fashion); or

(ii) by a voluntary case commenced under title 11, United States Code (relating to bankruptcy);

the date referred to in paragraph (1)(D)(ii) of this subsection shall be a date, earlier than the date of such liquidation sale, which the Secretary specifies pursuant to regulations which the Secretary shall prescribe to implement this paragraph.

(D) For the purpose of determining the liability of the United States under a loan guaranty under paragraphs (5)(B), (6), (7)(B), and (8)(B), the amount of the total indebtedness with respect to such loan guaranty shall include, in any case in which there was an excessive delay caused by the Department of Veterans Affairs in the liquidation sale of the property securing such loan, any interest which had accrued as of the date of such sale and which would not be included, except for this subparagraph, in the calculation of such total indebtedness as a result of the specification of an earlier date under subparagraph (C)(i) of this paragraph.

(a)(1) Of the number of purchases made during any fiscal year of real property acquired by the Secretary as the result of a default on a loan guaranteed under this chapter for a purpose described in section 3710(a) of this title, not more than 65 percent, nor less than 50 percent, of such purchases may be financed by a loan made by the Secretary. The maximum percentage stated in the preceding sentence may be increased to 80 percent for any fiscal year if the Secretary determines that such an increase is necessary in order to maintain the effective functioning of the loan guaranty program.

(2) After September 30, 1990, the percentage limitations described in paragraph (1) of this subsection shall have no effect.

(3) The Secretary may, beginning on October 1, 1990, sell any note evidencing a loan referred to in paragraph (1)—

(B) without recourse, but only if the amount received is equal to an amount which is not less than the unpaid balance of such loan.

(4)(A) Except as provided in subparagraph (B), the amount of a loan made by the Secretary to finance the purchase of real property from the Secretary described in paragraph (1) may not exceed an amount equal to 95 percent of the purchase price of such real property.

(B)(1) The Secretary may waive the provisions of subparagraph (A) in the case of any loan described in paragraph (5).

(5) The Secretary may include, as part of a loan to finance a purchase of real property from the Secretary described in paragraph (1), an amount to be used only for the purpose of rehabilitation such property. Such amount may not exceed the amount necessary to rehabilitate the property to a habitable state, and payments shall be made available periodically as such rehabilitation is completed.

(6) The Secretary shall make a loan to finance the sale of real property described in paragraph (1) at an interest rate that is lower than the prevailing mortgage market interest rate in areas where, and to the extent, the Secretary determines, in light of prevailing conditions in the real estate market involved, that such lower interest rate is necessary in order to market the property competitively and is in the interest of the long-term stability and solvency of the Veterans Housing Benefit Program Fund established by section 3722(a) of this title.

(7) During the period that begins on December 16, 2003, and ends on September 30, 2013, the Secretary shall carry out the provisions of this subsection as if—

(4) For the purpose of facilitating the most expeditious sale, at the highest possible price, of real property acquired by the Secretary as the result of a default on a loan guaranteed, insured, or made under this chapter, the Secretary shall list all such property with real estate brokers under such arrangements as the Secretary determines to be most appropriate and cost effective.

(B) that the management and daily business operations of the concern must be directed by one or more of the veterans whose ownership interest is part of the majority ownership for the purposes of meeting the requirement in clause (A) of this paragraph.

(b) The availability of financial assistance under subsection (a) of this section is subject to the following limitations:

(2) Paragraph (1) of this subsection shall not apply if 51 percent or more of the business concern seeking a direct or guaranteed loan under this subchapter is owned by veterans of the Vietnam era or disabled veterans without including the ownership interest of the veteran whose ownership interest in another small business concern was previously considered in qualifying that other concern for an outstanding guaranteed or direct business loan under this subchapter or the Small Business Act (15 U.S.C. 631 et seq.).

§ 3762. Direct housing loans to Native American veterans; program administration

(1) the Secretary has entered into a memorandum of understanding with respect to such loans with the tribal organization that has jurisdiction over the veteran; or
(2) the memorandum is in effect when the loan is made.

(b) The Secretary shall ensure that each memorandum of understanding under this subchapter is under the jurisdiction of the tribal organiza-
tion and to whom the Secretary makes a direct loan under this subchapter—

(ii) will purchase, construct, or improve (as the case may be) a dwelling on the lot using the proceeds of the loan.

(B) That each such Native American veteran will convey to the Secretary by an appropriate instrument the interest referred to in subparagraph (A) as security for a direct housing loan under this subchapter.

(C) That the tribal organization and each such Native American veteran will permit the Secretary to enter upon the trust land of that organization or veteran for the purposes of carrying out such actions as the Secretary determines are necessary—

(i) to evaluate the advisability of the loan; and

(ii) to monitor any purchase, construction, or improvements carried out using the proceeds of the loan.

(D) That the tribal organization has established standards and procedures that apply to the foreclosure of the interest conveyed by a Native American veteran pursuant to subparagraph (B), including—

(i) procedures for foreclosing the interest; and

(ii) procedures for the resale of the lot or the dwelling (or both) purchased, constructed, or improved using the proceeds of the loan.

(E) That the tribal organization agrees to such other terms and conditions with respect to the making of direct loans to Native American veterans under the jurisdiction of the tribal organization as the Secretary may require in order to ensure that loans under this subchapter are made in a responsible and prudent manner.

(2) The Secretary may not enter into a memorandum of understanding with a tribal organization under this subsection unless the Secretary determines that the memorandum provides for such standards and procedures as are necessary for the reasonable protection of the financial interests of the United States.

(c)(1)(A) Except as provided in subparagraph (B), the principal amount of any direct housing loan made to a Native American veteran under this section may not exceed $80,000.

The procedures shall incorporate generally the relevant requirements of section 3731 of this title, unless the Secretary determines that such requirements are impracticable to implement in a geographic area, on particular trust lands, or under circumstances specified by the Secretary.

(e) Loans made under this section shall be repaid in monthly installments.

(f) In connection with any loan under this section, the Secretary may make advances in cash to provide for repairs, alterations, and improvements and to meet incidental expenses of the loan transaction. (B) The Secretary may not make a loan under this subsection unless the loan will bear an interest rate at least one percentage point less than the interest rate borne by the loan being refinanced.

(C) Paragraphs (2) and (3) of such section 3710(e) shall apply to any loan made under this subsection, except that for the purposes of this subsection the reference to subsection (a)(8) of section 3710 of this title in such paragraphs (2) and (3) shall be deemed to be a reference to this subsection.

(i)(1) The Secretary shall, in consultation with tribal organizations (including the National Congress of American Indians and the National American Indian Housing Council), carry out an outreach program to inform and educate Native American veterans of the availability of direct housing loans for Native American veterans who live on trust lands.

(ii) Activities under the outreach program shall include the following:

the employment service systems. Section 503 of the 
Vietnam Era Veterans’ Readjustment Assistance Act of 
1972 (Public Law 92–540; 86 Stat. 1098) added a new sec-
tion 2012 [now 4212] to Title 38 of the United States 
Code which, in effect, provides statutory authority to 
extend the program developed under that order with re-
spect to Government contractors and their subcontract-

and regulations requiring each department and agency 
of the executive branch of the Federal Government to 
list suitable employment openings with the appropriate 
office of the State Employment Service or the United

construed as requiring the employment of individuals 
referred by such office or as superseding any require-
ments of the Civil Service Laws. Rules, regulations, 
and orders to implement this section shall be developed 
in consultation with the Civil Service Commission.

Sec. 2. The Secretary of Labor is hereby designated 
and empowered to exercise, without the approval, rati-
fication, or other action of the President, the authority 
of the President under Section 2012 (now 4212) of Title 38 
of the United States Code.

Sec. 3. The Secretary of Labor shall gather informa-
tion on the effectiveness of the program established 
under this order and Section 2012 (now 4212) of Title 38 
of the United States Code and of the extent to which 
the employment service system is fulfilling the em-
ployment needs of veterans. The Secretary of Labor 
shall, from time to time, report to the President con-
cerning his evaluation of the effectiveness of this order 
along with his recommendations for further action 
which the Secretary believes to be appropriate.

Sec. 4. Appropriate departments and agencies shall, 
in consultation with the Secretary of Labor, issue such 
amendments or additions to procurement rules and regu-
lations as may be necessary to carry out the purposes 
of this order and Section 2012 (now 4212) of Title 38 of 
the United States Code. Except as otherwise provided 
by law, all executive departments and agencies are di-

§ 4214. Employment within the Federal Government

(d) The Office of Personnel Management shall be responsible for the review and evaluation of the implementation of this section and the activities of each agency to carry out the purpose and provisions of this section. (A) the employer's circumstances have so changed as to make such reemployment impossible or unreasonable;

(B) in the case of a person entitled to reemployment under subsection (a)(3), (a)(4), or (b)(2)(B) of section 4313, such employment would impose an undue hardship on the employer; or

(C) the employment from which the person leaves to serve in the uniformed services is for a brief, nonrecurring period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period.

(2) In any proceeding involving an issue of whether—

(A) any reemployment referred to in paragraph (1) is impossible or unreasonable because of a change in an employer's circumstances,
§ 4312

the employer shall have the burden of proving the impossibility or unreasonableness, undue hardship, or the brief or nonrecurrent nature of the impossibility or unreasonableness, undue hardship, or the brief or nonrecurrent nature of the employment without a reasonable expectation that such employment will continue indefinitely or for a significant period.

the employer shall have the burden of proving the impossibility or unreasonableness, undue hardship, or the brief or nonrecurrent nature of the impossibility or unreasonableness, undue hardship, or the brief or nonrecurrent nature of the employment without a reasonable expectation that such employment will continue indefinitely or for a significant period.

Subject to paragraph (2), a person referred to in subsection (a) shall, upon the completion of a period of service in the uniformed services, notify the employer referred to in such subsection of the person’s intent to return to a position of employment with such employer as follows:

(A) In the case of a person whose period of service in the uniformed services was less than 31 days, by reporting to the employer—

(i) not later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight hours after a period allowing for the safe transportation of the person from the place of that service to the person’s residence; or

(ii) as soon as possible after the expiration of the eight-hour period referred to in clause (i), if reporting within the period referred to in such clause is impossible or unreasonable through no fault of the person.

(B) In the case of a person who is absent from a position of employment for a period of any length for the purposes of an examination to determine the person’s fitness to perform service in the uniformed services, by reporting in the manner and time referred to in subparagraph (A).

(C) In the case of a person whose period of service in the uniformed services was for more than 30 days but less than 181 days, by submitting an application for reemployment with the employer not later than 14 days after the completion of the period of service or if submitting such application within such period is impossible or unreasonable through no fault of the person, the next first full calendar day when submission of such application becomes possible.

(D) In the case of a person whose period of service in the uniformed services was for more than 180 days, by submitting an application for reemployment with the employer not later than 90 days after the completion of the period of service.

(A) A person who is hospitalized for, or convalescing from, an illness or injury incurred in, or aggravated during, the performance of service in the uniformed services shall, at the end of the period that is necessary for the person to recover from such illness or injury, report to the person’s employer (in the case of a person described in subparagraph (A) or (B) of paragraph (1)) or submit an application for reemployment with such employer (in the case of a person described in subparagraph (C) or (D) of such paragraph). Except as provided in subparagraph (B), such period of recovery may not exceed two years.

(B) Such two-year period shall be extended by the minimum time required to accommodate the circumstances beyond such person’s control which make reporting within the period specified in subparagraph (A) impossible or unreasonable.

(3) A person who fails to report or apply for employment or reemployment within the appropriate period specified in this subsection shall not automatically forfeit such person’s entitlement to the rights and benefits referred to in subsection (a) but shall be subject to the conduct rules, established policy, and general practices of the employer pertaining to explanations and discipline with respect to absence from scheduled work.

(4) A person who submits an application for reemployment in accordance with subparagraph (C) or (D) of subsection (e)(1) or subsection (e)(2) shall provide to the person’s employer (upon the request of such employer) documentation to establish that—

(A) the person’s application is timely;

(B) the person has not exceeded the service limitations set forth in subsection (a)(2) (except as permitted under subsection (c)); and

(C) the person’s entitlement to the benefits under this chapter has not been terminated pursuant to section 4304.

(2) Documentation of any matter referred to in paragraph (1) that satisfies regulations prescribed by the Secretary shall satisfy the documentation requirements in such paragraph.

(3)(A) Except as provided in subparagraph (B), the failure of a person to provide documentation that satisfies regulations prescribed pursuant to paragraph (2) shall not be a basis for denying reemployment in accordance with the provisions of this chapter if the failure occurs because such documentation does not exist or is not readily available at the time of the request of the employer. If, after such reemployment, documentation becomes available that establishes that such person does not meet one or more of the requirements referred to in subparagraphs (A), (B), and (C) of paragraph (1), the employer of such person may terminate the employment of the person and the provision of any rights or benefits afforded the person under this chapter.

(B) An employer who reemploys a person absent from a position of employment for more than 90 days may require that the person provide the employer with the documentation referred to in subparagraph (A) before beginning to treat the person as not having incurred a break in service for pension purposes under section 4318(a)(2)(A).

(4) An employer may not delay or attempt to defeat a reemployment obligation by demanding documentation that does not then exist or is not then readily available.

(g) The right of a person to reemployment under this section shall not entitle such person to retention, preference, or displacement rights over any person with a superior claim under the
provisions of title 5, United States Code, relating to veterans and other preference eligibles.

(h) In any determination of a person's entitlement to protection under this chapter, the timing, frequency, and duration of the person's training or service, or the nature of such training or service (including voluntary service) in the uniformed services, shall not be a basis for denying protection of this chapter if the service does not exceed the limitations set forth in subsection (c) and the notice requirements established in subsection (a)(1) and the notification requirements established in subsection (e) are met.

(B) Each period served by a person in the uniformed services shall, upon reemployment under this chapter, be deemed to constitute service with the employer or employers maintaining the plan for the purpose of determining the nonforfeitalility of the person's accrued benefits and for the purpose of determining the accrual of benefits under the plan.

(1) An employer reemploying a person under this chapter shall, with respect to a period of service described in subsection (a)(2)(B), be liable to an employee pension benefit plan for funding any obligation of the plan to provide the benefits described in subsection (a)(2) and shall allocate the amount of any employer contribution for the person in the same manner and to the same extent the allocation occurs for other employees during the period of service. For purposes of determining the amount of such liability and for purposes of section 515 of the Employee Retirement Income Security Act of 1974 or any similar Federal or State law governing pension benefits for governmental employees, service in the uniformed services that is deemed under subsection (a) to be service with the employer shall be

reasonable possibility exists that such assistance would aid in substantiating the claim.

(3) The Secretary may defer providing assistance under this section pending the submission from the claimant’s application.

(b) ASSISTANCE IN OBTAINING RECORDS.—(1) As part of the assistance provided under subsection (a), the Secretary shall make reasonable efforts to obtain relevant records (including private records) that the claimant adequately identifies to the Secretary and authorizes the Secretary to obtain.

(2) The Secretary shall treat an examination or opinion as being necessary to make a decision on a claim for purposes of paragraph (1) if the evidence of record before the Secretary, taking into consideration all information and lay or medical evidence (including statements of the claimant)—

(A) contains competent evidence that the claimant has a current disability, or persistent or recurrent symptoms of disability; and

(B) indicates that the disability or symptoms may be associated with the claimant’s active military, naval, or air service; but

(C) does not contain sufficient medical evidence for the Secretary to make a decision on the claim.

(e) REGULATIONS.—The Secretary shall prescribe regulations to carry out this section.

(f) RULE WITH RESPECT TO DISALLOWED CLAIMS.—Nothing in this section shall be construed to require the Secretary to reopen a claim that has been disallowed except when new and material evidence is presented or secured, as described in section 5108 of this title.

(g) OTHER ASSISTANCE NOT PRECLUDED.—Nothing in this section shall be construed as precluding the Secretary from providing such other assistance under subsection (a) to a claimant in substantiating a claim as the Secretary considers appropriate.

(b) The Secretary shall make necessary arrangements with recognized medical schools, universities, or clinics to furnish such advisory medical opinions. § 5301 Nonassignability and exempt status of benefits

(a)(1) Payments of benefits due or to become due under any law administered by the Secretary shall not be assignable except to the extent specifically authorized by law, and such payments made to, or on account of, a beneficiary shall be exempt from taxation, shall be exempt from the claim of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process within, without, or after any money-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(2) For the purposes of this subsection, in any case where a payee of an educational assistance allowance has designated the address of an attorney-in-fact as the payee’s address for the purpose of receiving a benefit check and has also executed a power of attorney giving the attorney-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(3)(A) This paragraph is intended to clarify that, in any case where a beneficiary entitled to compensation, pension, or dependency and indemnity compensation enters into an agreement with another person under which agreement such other person acquires for consideration the right to receive such benefit by payment of such compensation, pension, or dependency and indemnity compensation, as the case may be, except as provided in subparagraph (B), and including depositing into a joint account from which such other person may make withdrawals, or otherwise, such agreement shall be deemed to be an assignment and is prohibited.

(B) Notwithstanding subparagraph (A), nothing in this paragraph is intended to prohibit a loan involving a beneficiary under the term of which the beneficiary may use the benefit to repay such other person as long as each of the periodic payments made to repay such other person is separately and voluntarily executed by or under any legal or equitable process without, or after any money-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(3)(B) This section shall prohibit the collection by setoff or otherwise out of any benefits payable pursuant to any law administered by the Secretary and relating to veterans, their estates, or their dependents, of any claim of the United States or any agency thereof against (1) any person other than the indebted beneficiary or the beneficiary’s estate; or (2) any beneficiary or the beneficiary’s estate except amounts due the United States by such beneficiary or the beneficiary’s estate by reason of overpayments or illegal payments made under such laws to such beneficiary or the beneficiary’s estate or to the beneficiary’s dependents as such. (c)(1) Notwithstanding any other provision of this section, the Secretary may, after receiving a request under paragraph (2) of this subsection relating to a veteran, collect by offset of any compensation or pension payable to the veteran under laws administered by the Secretary the uncollected portion of the amount of any indebtedness associated with the veteran’s participation in a plan prescribed in chapter 73 of title 10.

AMENDMENTS

1991—Pub. L. 102–40 renumbered section 3201 of this title as this section.

Pub. L. 102–83, §§4(b)(1), (2)(E), substituted “Secretary” for “Administrator”.

§ 5502. Payments to and supervision of fiduciaries

(a)(1) Where it appears to the Secretary that the interest of the beneficiary would be served thereby, payment of benefits under any law administered by the Secretary may be made directly to the beneficiary or to a relative or some other fiduciary for the use and benefit of the beneficiary, regardless of any legal disability on the part of the beneficiary. Where, in the opinion of the Secretary, any fiduciary receiving funds on behalf of a Department beneficiary is acting in such a number of cases as to make it impracticable to conserve properly the estates or to supervise the persons of the beneficiaries, the Secretary may refuse to make future payments in such cases as the Secretary may deem proper.

(2) In a case in which the Secretary determines that a commission is necessary in order to obtain the services of a fiduciary in the best interests of a beneficiary, the Secretary may authorize a fiduciary appointed by the Secretary to obtain from the beneficiary’s estate a reasonable commission for fiduciary services rendered, but the commission for any year may not exceed 4 percent of the monetary benefits under laws administered by the Secretary paid on behalf of the beneficiary to the fiduciary during such year. A commission may not be authorized for a fiduciary who receives any other form of remuneration or payment in connection with rendering fiduciary services for benefits under this title on behalf of the beneficiary.

(b) Whenever it appears that any fiduciary, in the opinion of the Secretary, is not properly executing or has not properly executed the duties of the trust of such fiduciary or has collected or paid, or is attempting to collect or pay, fees, commissions, or allowances that are inequitable or in excess of those allowed by law for the duties performed or expenses incurred, or has failed to make such payments as may be necessary for the benefit of the ward or the dependents of the ward, then the Secretary may appear, by the Secretary’s authorized attorney or attorney at law, in the court which has appointed such fiduciary, or in any court having original, concurrent, or appellate jurisdiction over said cause, and make proper presentation of such matters. The Secretary, in the Secretary’s discretion, may suspend payments to any such fiduciary who shall neglect or refuse, after reasonable notice, to render an account to the Secretary from time to time showing the application of such payments for the benefit of such incompetent or minor beneficiary, or who shall neglect or refuse to administer the estate according to law. The Secretary may require the fiduciary, as part of such account, to disclose any additional financial information concerning the beneficiary (except for information that is not available to the fiduciary). The Secretary may appear or intervene by the Secretary’s duly authorized attorney or attorney at law in any court as an interested party in any litigation instituted by the Secretary or otherwise, directly affecting money paid to such fiduciary under this section.

(c) Authority is hereby granted for the payment of any court or other expenses incident to any investigation or court proceeding for the appointment of any fiduciary or other person for the purpose of payment of benefits payable under laws administered by the Secretary or the removal of such fiduciary and appointment of another, and of expenses in connection with the administration of such benefits by such fiduciaries, or in connection with any other court proceeding hereby authorized, when such payment is authorized by the Secretary.

(d) All or any part of any benefits the payment of which is suspended or withheld under this section may, in the discretion of the Secretary, be paid temporarily to the person having custody and control of the incompetent or minor beneficiary, to be used solely for the benefit of such beneficiary, or, in the case of an incompetent veteran, may be apportioned to the dependent or dependents, if any, of such veteran. Any part not so paid and any funds of a mentally incompetent or insane veteran not paid to the chief officer of the institution in which such veteran is a patient or apportioned to the veteran’s dependent or dependents may be ordered held in the Treasury to the credit of such beneficiary. All funds so held shall be disbursed under the order and in the discretion of the Secretary for the benefit of such beneficiary or the beneficiary’s dependents. Any balance remaining in such fund to the credit of any beneficiary may be paid to the beneficiary if the beneficiary recovers and is found competent, or if a minor, attains majority, or otherwise to the beneficiary’s fiduciary, or, in the event of the beneficiary’s death, to the beneficiary’s personal representative, except as otherwise provided by law; however, payment will not be made to the beneficiary’s personal representative if, under the law of the beneficiary’s last legal residence, the beneficiary’s estate would escheat to the State. In the event of the death of a mentally incompetent or in-
sane veteran, all gratuitous benefits under laws administered by the Secretary deposited before or after August 7, 1959, in the personal funds of patients trust fund on account of such veteran shall not be paid to the personal representative of such veteran, but shall be paid to the following persons living at the time of settlement, and in the order named: The surviving spouse, the children (without regard to age or marital status) in equal parts, and the dependent parents of such veteran, in equal parts. If any balance remains, such balance shall be deposited to the credit of the applicable current appropriation; except that there may be paid only so much of such balance as may be necessary to reimburse a person (other than a political subdivision of the United States) who bore the expenses of last sickness or burial of the veteran for such expenses. No payment shall be made under the two preceding sentences of this subsection unless claim therefor is filed with the Secretary within five years after the death of the veteran, except that, if any person so entitled under said two sentences is under legal disability at the time of death of the veteran, such five-year period of limitation shall run from the termination or removal of the legal disability.

(e) Any funds in the hands of a fiduciary appointed by a State court or the Secretary derived from benefits payable under laws administered by the Secretary, which under the law of the State wherein the beneficiary had last legal residence would escheat to the State, shall escheat to the United States and shall be returned by such fiduciary, or by the personal representative of the deceased beneficiary, less legal expenses of any administration necessary to determine that an escheat is in order, to the Department, and shall be deposited to the credit of the applicable revolunfing fund, trust fund, or appropriation.

§ 5503. Hospitalized veterans and estates of incompetent institutionalized veterans

(a)(1)(A) Where any veteran having neither spouse nor child is being furnished domiciliary care by the Department, no pension in excess of $90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care.

(B) Except as provided in subparagraph (D) of this paragraph, where any veteran having neither spouse nor child is being furnished nursing home care by the Department, no pension in excess of $90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care. Any amount in excess of $90 per month to which the veteran would be entitled but for the application of the preceding sentence shall be deposited in a revolving fund at the Department medical facility which furnished the veteran nursing care, and such amount shall be available for obligation without fiscal year limitation to help defray operating expenses of that facility.

(C) No pension in excess of $90 per month shall be paid to or for a veteran having neither spouse nor child for any period after the month in which such veteran is readmitted for care described in subparagraph (A) or (B) of this paragraph and furnished by the Department if such veteran is readmitted within six months of a period of care in connection with which pension was reduced pursuant to subparagraph (A) or (B) of this paragraph.

(D) In the case of a veteran being furnished nursing home care by the Department and with respect to whom subparagraph (B) of this paragraph requires a reduction in pension, such reduction shall not be made for a period of up to three additional calendar months after the last day of the third month referred to in such subparagraph if the Secretary determines that the primary purpose for the furnishing of such care during such additional period is for the Department to provide such veteran with a prescribed program of rehabilitation services, under chapter 17 of this title, designed to restore such veteran’s ability to function within such veteran’s family and community. If the Secretary determines that it is necessary, after such period, for the veteran to continue such program of rehabilitation services in order to achieve the purposes of such program and that the primary purpose of furnishing nursing home care to the veteran continues to be the provision of such program to the veteran, the reduction in pension required by subparagraph (B) of this paragraph shall not be made for the number of calendar months that the Secretary determines is necessary for the veteran to achieve the purposes of such program.

(2) The provisions of paragraph (1) shall also apply to a veteran being furnished such care who has a spouse but whose pension is payable under section 1521(b) of this title. In such a case, the Secretary may apportion and pay to the spouse, upon an affirmative showing of hardship, all or any part of the amounts in excess of the amount payable to the veteran while being furnished such care which would be payable to the veteran if pension were payable under section 1521(c) of this title.

(b) Notwithstanding any other provision of this section or any other provision of law, no reduction shall be made in the pension of any veteran for any part of the period during which the veteran is furnished hospital treatment, or in-

§7101A. Members of Board: appointment; pay; performance review

(a)(1) The members of the Board of Veterans’ Appeals other than the Chairman (and including the Vice Chairman) shall be appointed by the
Secretary, with the approval of the President, based upon recommendations of the Chairman.

(2) Each member of the Board shall be a member in good standing of the bar of a State.

(b) Members of the Board (other than the Chairman and any member of the Board who is a member of the Senior Executive Service) shall, in accordance with regulations prescribed by the Secretary, be paid basic pay at rates equivalent to the rates payable under section 5372 of title 5.

(c)(1)(A) The Chairman shall establish a panel to review the performance of members of the Board. The panel shall be comprised of the Chairman and two other members of the Board (other than the Vice Chairman). The Chairman shall periodically rotate membership on the panel so as to ensure that each member of the Board (other than the Vice Chairman) serves as a member of the panel for and within a reasonable period.

(B) Not less than one year after the job performance standards under subsection (f) are initially established, and not less often than once every three years thereafter, the performance review panel shall determine, with respect to each member of the Board (other than the Chairman or a member who is a member of the Senior Executive Service), whether that member’s job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f).

(2) If the determination of the performance review panel in any case is that the member’s job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f), the Chairman shall recertify the member’s appointment as a member of the Board.

(3) If the determination of the performance review panel in any case is that the member’s job performance does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall, based upon the individual circumstances, either—

(A) grant the member a conditional recertification; or

(B) recommend to the Secretary that the member be noncertified.

(4) In the case of a member of the Board who is granted a conditional recertification under paragraph (3)(A) or (5)(A), the performance review panel shall review the member’s job performance record and make a further determination under paragraph (1) concerning that member not later than one year after the date of the conditional recertification. If the determination of the performance review panel at that time is that the member’s job performance as a member of the Board still does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall recommend to the Secretary that the member be noncertified.

(5) In a case in which the Chairman recommends to the Secretary under paragraph (3) or (4) that a member be noncertified, the Secretary, after considering the recommendation of the Chairman, may either—

(A) grant the member a conditional recertification; or

(B) determine that the member should be noncertified.

(d)(1) If the Secretary, based upon the recommendation of the Chairman, determines that a member of the Board should be noncertified, that member’s appointment as a member of the Board shall be terminated and that member shall be removed from the Board.

(2)(A) Upon removal from the Board under paragraph (1) of a member of the Board who before appointment to the Board served as an attorney in the civil service, the Secretary shall appoint that member to an attorney position at the Board, if the removed member so requests. If the removed member served in an attorney position at the Board immediately before appointment to the Board, appointment to an attorney position under this paragraph shall be in the grade and step held by the removed member immediately before such appointment to the Board.

(B) The Secretary is not required to make an appointment to an attorney position under this paragraph if the Secretary determines that the member of the Board removed under paragraph (1) is not qualified for the position.

(e)(1) A member of the Board (other than the Chairman or a member of the Senior Executive Service) may be removed as a member of the Board by reason of job performance only as provided in subsections (c) and (d). Such a member may be removed by the Secretary, upon the recommendation of the Chairman, for any other reason as determined by the Secretary.

(2) In the case of a removal of a member under this section for a reason other than job performance that would be covered by section 7521 of title 5 in the case of an administrative law judge, the removal of the member of the Board shall be carried out subject to the same requirements as apply to removal of an administrative law judge under that section. Section 554(a)(2) of title 5 shall not apply to a removal action under this subsection. In such a removal action, a member shall have the rights set out in section 7513(b) of that title.

(f) The Chairman, subject to the approval of the Secretary, shall establish standards for the performance of the job of a member of the Board (other than the Chairman or a member of the Senior Executive Service). Those standards shall establish objective and fair criteria for evaluation of the job performance of a member of the Board.

(g) The Secretary shall prescribe procedures for the administration of this section, including deadlines and time schedules for different actions under this section.

§ 7105. Filing of notice of disagreement and appeal

(a) Appellate review will be initiated by a notice of disagreement and completed by a substantive appeal after a statement of the case is furnished as prescribed in this section. Each appellant will be accorded hearing and representation rights pursuant to the provisions of this chapter and regulations of the Secretary.

(b)(1) Except in the case of simultaneously contested claims, notice of disagreement shall be filed within one year from the date of mailing of notice of the result of initial review or determination. Such notice, and appeals, must be in writing and be filed with the activity which entered the determination with which disagreement is expressed (hereinafter referred to as the “agency of original jurisdiction”). A notice of disagreement postmarked before the expiration of the one-year period will be accepted as timely filed.

(2) Notices of disagreement, and appeals, must be in writing and may be filed by the claimant, the claimant’s legal guardian, or such accredited representative, attorney, or authorized agent as may be selected by the claimant or legal guardian. Not more than one recognized organization, attorney, or agent will be recognized at any one time in the prosecution of a claim.

(c) If no notice of disagreement is filed in accordance with this chapter within the prescribed period, the action or determination shall become final and the claim will not thereafter be reopened or allowed, except as may otherwise be provided by regulations not inconsistent with this title.

(d)(1) Where the claimant, or the claimant’s representative, within the time specified in this chapter, files a notice of disagreement with the decision of the agency of original jurisdiction, such agency will take such development or review action as it deems proper under the provisions of regulations not inconsistent with this title. If such action does not resolve the disagreement either by granting the benefit sought or by withdrawing of the notice of disagreement, such agency shall prepare a statement of the case. A statement of the case shall include the following:

(A) A summary of the evidence in the case pertinent to the issue or issues with which disagreement has been expressed.

(B) A citation to pertinent laws and regulations and a discussion of how such laws and regulations affect the agency’s decision.

(C) The decision on each issue and a summary of the reasons for such decision.

(2) A statement of the case, as required by this subsection, will not disclose matters that would be contrary to section 5701 of this title or otherwise contrary to the public interest. Such matters may be disclosed to a designated representative unless the relationship between the claimant and the representative is such that disclosure to the representative would be as harmful as if made to the claimant.

(3) Copies of the “statement of the case” prescribed in paragraph (1) of this subsection will be submitted to the claimant and to the claimant’s representative, if there is one. The claimant will be afforded a period of sixty days from the date the statement of the case is mailed to file the formal appeal. This may be extended for a reasonable period on request for good cause shown. The appeal should set out specific allegations of error of fact or law, such allegations related to specific items in the statement of the case. The benefits sought on appeal must be clearly identified. The agency of original jurisdiction may close the case for failure to respond after receipt of the statement of the case, but questions as to timeliness or adequacy of response shall be determined by the Board of Veterans’ Appeals.

(4) The claimant in any case may not be presumed to agree with any statement of fact contained in the statement of the case to which the claimant does not specifically express agreement.

(5) The Board of Veterans’ Appeals may dismiss any appeal which fails to allege specific error of fact or law in the determination being appealed.

AMENDMENTS

“(C) The decision on such issue or issues and a summary of the reasons therefor.”

§ 7105A. Simultaneously contested claims

(a) In simultaneously contested claims where one is allowed and one rejected, the time allowed for the filing of a notice of disagreement shall be sixty days from the date notice of the adverse action is mailed. In such cases the agency of original jurisdiction shall promptly notify all parties in interest at the last known address of the action taken, expressly inviting attention to the fact that notice of disagreement will not be entertained unless filed within the sixty-day period prescribed in this subsection.

(b) Upon the filing of a notice of disagreement, all parties in interest will be furnished with a statement of the case in the same manner as is prescribed in section 7105. The party in interest who filed a notice of disagreement will be allowed thirty days from the date of mailing of such statement of the case in which to file a formal appeal. Extension of time may be granted for good cause shown but with consideration to the interests of the other parties involved. The substance of the appeal will be communicated to the other party or parties in interest and a period of thirty days will be allowed for filing a brief or argument in answer thereto. Such notice shall be forwarded to the last known address of record of the parties concerned, and such action shall constitute sufficient evidence of notice.

§ 7107A. Applications; docket; hearings

(a)(1) Except as provided in paragraphs (2) and (3) and in subsection (f), each case received pursuant to application for review on appeal shall be considered and decided in regular order according to its place upon the docket.

(2) A case referred to in paragraph (1) may, for cause shown, be advanced on motion for earlier consideration and determination. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only—

(A) if the case involves interpretation of law of general application affecting other claims;

(B) if the appellant is seriously ill or is under severe financial hardship; or

(C) for other sufficient cause shown.

(3) A case referred to in paragraph (1) may be postponed for later consideration and determination if such postponement is necessary to afford the appellant a hearing.

(b) The Board shall decide any appeal only after affording the appellant an opportunity for a hearing.

(c) A hearing docket shall be maintained and formal recorded hearings shall be held by such member or members of the Board as the Chairman may designate. Such member or members designated by the Chairman to conduct the hearing shall, except in the case of a reconsideration of a decision under section 7103 of this title, participate in making the final determination of the claim.

(d)(1) An appellant may request that a hearing before the Board be held at its principal location or at a facility of the Department located within the area served by a regional office of the Department.

(2) A hearing to be held within an area served by a regional office of the Department shall (except as provided in paragraph (3)) be scheduled to be held in accordance with the place of the case on the docket under subsection (a) relative to other cases on the docket for which hearings are scheduled to be held within that area.

(3) A hearing to be held within an area served by a regional office of the Department may, for
cause shown, be advanced on motion for an earlier hearing. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only—

(A) if the case involves interpretation of law of general application affecting other claims; or
(B) if the appellant is seriously ill or is under severe financial hardship; or
(C) for other sufficient cause shown.

(e)(1) At the request of the Chairman, the Secretary may provide suitable facilities and equipment to the Board or other components of the Department to enable an appellant located at a facility within the area served by a regional office to participate, through voice transmission or through picture and voice transmission, by electronic or other means, in a hearing with a Board member or members sitting at the Board’s principal location.

(2) When such facilities and equipment are available, the Chairman may afford the appellant an opportunity to participate in a hearing before the Board through the use of such facilities and equipment in lieu of a hearing held by personally appearing before a Board member or panel as provided in subsection (d). Any such hearing shall be conducted in the same manner as, and shall be considered the equivalent of, a personal hearing. If the appellant declines to participate in a hearing through the use of such facilities and equipment, the opportunity of the appellant to a hearing as provided in such subsection (d) shall not be affected.

(f) Nothing in this section shall preclude the screening of cases for purposes of—

(1) determining the adequacy of the record for decisional purposes; or

(2) the development, or attempted development, of a record found to be inadequate for decisional purposes.

§7108. Rejection of applications

An application for review on appeal shall not be entertained unless it is in conformity with this chapter.

(b) The Secretary shall make necessary arrangements with recognized medical schools, universities, or clinics to furnish such advisory medical opinions at the request of the Chairman of the Board. Any such arrangement shall provide that the actual selection of the expert or experts to give the advisory opinion in an individual case shall be made by an appropriate official of such institution.

(c) The Board shall furnish a claimant with notice that an advisory medical opinion has been requested under this section with respect to the claimant’s case and shall furnish the claimant with a copy of such opinion when it is received by the Board.

§ 7111. Revision of decisions on grounds of clear and unmistakable error

(a) A decision by the Board is subject to revision on the grounds of clear and unmistakable error. If evidence establishes the error, the prior decision shall be reversed or revised.

(b) For the purposes of authorizing benefits, a rating or other adjudicative decision of the Board that constitutes a reversal or revision of a prior decision of the Board on the grounds of clear and unmistakable error has the same effect as if the decision had been made on the date of the prior decision.

(c) Review to determine whether clear and unmistakable error exists in a case may be instituted by the Board on its own motion or upon request of the claimant.

(d) A request for revision of a decision of the Board based on clear and unmistakable error may be made at any time after that decision is made.

(e) Such a request shall be submitted directly to the Board and shall be decided by the Board on the merits, without referral to any adjudicative or hearing official acting on behalf of the Secretary.

(3) Except as provided in paragraph (4), a judge of the Court shall serve as the chief judge under paragraph (1) for a term of five years or until the judge becomes age 70, whichever occurs first.

If no other judge is eligible under paragraph (1) to serve as chief judge upon the expiration of that term, that judge shall continue to serve as chief judge until another judge becomes eligible under that paragraph to serve as chief judge.

(4)(A) The term of a chief judge shall be terminated before the end of the term prescribed by paragraph (3) if—

(5) If a chief judge is temporarily unable to perform the duties of chief judge, those duties shall be performed by the judge of the Court in active service who is present, able and qualified to act, and is next in precedence.

(6) Judges who have the same seniority in commission shall be eligible for service as chief judge in accordance with their relative precedence.

(3)(A) In conducting hearings pursuant to paragraph (1), the Court may exercise the authority provided under section 1821 of title 28 to pay the fees and allowances described in that section.

The term of office of an incumbent judge who receives an appointment as described in the preceding sentence shall be 15 years, which includes any period remaining in the unexpired term of the judge. Any service following an appointment under this subsection shall be treated as though under this subsection notwithstanding that the term of office of the judge on the Court specified in subsection (a). is increased by two.

(5) Notwithstanding paragraph (1), an appointment may not be made to the Court if the appointment would result in there being more than seven judges on the Court. For the purposes of this paragraph, a judge serving in recall status under section 7237 of this title shall be disregarded in counting the number of judges appointed to the Court after such date.

(I) ADDITIONAL TEMPORARY EXPANSION OF COURT.—(1) Subject to paragraph (2), effective as of December 31, 2009, the authorized number of judges of the Court specified in subsection (a) is increased by two.

§7292. Review by United States Court of Appeals for the Federal Circuit

(a) After a decision of the United States Court of Appeals for Veterans Claims is entered in a case, any party to the case may obtain a review of the decision with respect to the validity of a decision of the Court on a rule of law or of any statute or regulation (other than a refusal to review the schedule of ratings for disabilities adopted under section 1155 of this title) or any interpretation thereof (other than a determination as to a factual matter) that was relied on by the Court in making the decision. Such a review shall be obtained by filing a notice of appeal with the Court of Appeals for Veterans Claims within the time and in the manner prescribed for appeal to United States courts of appeals from United States district courts.

(b)(1) When a judge or panel of the Court of Appeals for Veterans Claims, in making an order not otherwise appealable under this section, determines that a controlling question of law is involved with respect to which there is a substantial ground for difference of opinion and that there is in fact a disagreement between the appellant and the Secretary with respect to that question of law and that the ultimate termination of the case may be materially advanced by the immediate consideration of that question, the judge or panel shall notify the chief judge of that determination. Upon receiving such a notification, the chief judge shall certify that such a question is presented, and any party to the case may then petition the Court of Appeals for the Federal Circuit to decide the question. That court may permit an interlocutory appeal to be taken on that question if such a petition is filed with it within 10 days after the certification by the chief judge of the Court of Appeals for Veterans Claims. Neither the application for, nor the granting of, an appeal under this paragraph shall stay proceedings in the
Court of Appeals for Veterans Claims, unless a stay is ordered by a judge of the Court of Appeals for Veterans Claims or by the Court of Appeals for the Federal Circuit.

(2) For purposes of subsections (d) and (e) of this section, an order described in this paragraph shall be treated as a decision of the Court of Appeals for Veterans Claims.

(c) The United States Court of Appeals for the Federal Circuit shall have exclusive jurisdiction to review and decide any appeal to the Court of Appeals for Veterans Claims that the Court of Appeals for the Federal Circuit finds to be—

(A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;

(B) contrary to constitutional right, power, privilege, or immunity;

(C) in excess of statutory jurisdiction, authority, or limitations, or in violation of a statutory right; or

(D) without observance of procedure required by law.

(2) Except to the extent that an appeal under this chapter presents a constitutional issue, the Court of Appeals may not review (A) a challenge to a factual determination, or (B) a challenge to a law or regulation as applied to the facts of a particular case.

(e) Upon such review, the Court of Appeals for the Federal Circuit shall decide all relevant questions of law, including interpreting constitutional and statutory provisions. The court shall hold unlawful and set aside any regulation or any interpretation thereof (other than a determination as to a factual matter) that was relied upon in the decision of the Court of Appeals for Veterans Claims that the Court of Appeals for the Federal Circuit finds to be—

(A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;

(B) contrary to constitutional right, power, privilege, or immunity;

(C) in excess of statutory jurisdiction, authority, or limitations, or in violation of a statutory right; or

(D) without observance of procedure required by law.

(2) Except to the extent that an appeal under this chapter presents a constitutional issue, the Court of Appeals may not review (A) a challenge to a factual determination, or (B) a challenge to a law or regulation as applied to the facts of a particular case.

(e)(1) Upon such review, the Court of Appeals for the Federal Circuit shall have power to affirm or, if the decision of the Court of Appeals for Veterans Claims is not in accordance with law, to modify or reverse the decision of the Court of Appeals for Veterans Claims or to remand the matter, as appropriate.

(c)(1)(A) A judge who is appointed on or after the date of the enactment of the Veterans' Benefits Improvement Act of 2008 and who retires under subsection (b) and elects under subsection...
(d) to receive retired pay under this subsection shall (except as provided in paragraph (2)) receive retired pay as follows:

(i) In the case of a judge who is a recalled-eligible retired judge under section 7257 of this title, the retired pay of the judge shall (subject to section 7257(d)(2) of this title) be the rate of pay applicable to that judge at the time of retirement, as adjusted from time to time under subsection (f)(3).

(iii) In the case of a judge who was a recalled-eligible retired judge under section 7257 of this title and was removed from recall status under subsection (b)(3) of that section, the retired pay of the judge shall be the pay of the judge at the time of the removal from recall status.

(2) An individual who serves as a judge for less than 10 years and who retires under subsection (b)(3) of this section and elects under subsection (d) of this section to receive retired pay under this subsection shall receive retired pay at a rate equal to one-half of the rate of pay in effect at the time of retirement.

(3) Retired pay under this subsection shall begin to accrue on the day following the day on which the individual’s salary as judge ceased to accrue and shall continue to accrue during the remainder of the individual’s life. Retired pay under this subsection shall be paid in the same manner as the salary of a judge.

(d)(1) A judge may elect to receive retired pay under subsection (c) of this section. Such an election—

(A) may be made only while an individual is a judge (except that, in the case of an individual who fails to be reappointed as judge at the expiration of a term of office, the election may be made at any time before the date after the day on which the individual’s successor takes office); and

(B) may not be revoked after the retired pay begins to accrue.

(2) In the case of a judge other than the chief judge, such an election shall be made by filing notice of the election in writing with the chief judge. In the case of the chief judge, such an election shall be made by filing notice of the election in writing with the Director of the Office of Personnel Management.

(3) The chief judge shall transmit to the Director of the Office of Personnel Management a copy of each notice filed with the chief judge under this subsection.

(e) If an individual for whom an election to receive retired pay under subsection (c) is in effect accepts compensation for employment with the United States, the individual shall, to the extent of the amount of that compensation, forfeit all rights to retired pay under subsection (c) of this section for the period for which the compensation is received.

(f)(1) Except as otherwise provided in this subsection, the provisions of the civil service retirement laws (including the provisions relating to the deduction and withholding of amounts from basic pay, salary, and compensation) shall apply with respect to service as a judge as if this section had not been enacted.

(2) In the case of any individual who has filed an election to receive retired pay under subsection (c) of this section—

(A) no annuity or other payment shall be payable to any person under the civil service retirement laws with respect to any service performed by such individual (whether performed before or after such election is filed and whether performed as judge or otherwise) except as authorized by section 8440d of title 5;

(B) no deduction for purposes of the Civil Service Retirement and Disability Fund shall be made from retired pay payable to that individual under subsection (c) of this section or from any other salary, pay, or compensation payable to that individual, for any period beginning after the day on which such election is filed; and

(C) such individual shall be paid the lumpsum credit computed under section 8331(b) or 8401(a) of title 5, whichever applies, upon making application therefor with the Office of Personnel Management.

(3)(A) A cost-of-living adjustment provided by law in annuities payable under civil service retirement laws shall apply to retired pay under this section only in the case of retired pay computed under paragraph (1)(A)(i) or (2) of subsection (c).

(B) If such a cost-of-living adjustment would (but for this subparagraph) result in the retired pay of a retired judge being in excess of the annual rate of pay in effect for judges of the Court as provided in section 7255(e) of this title, such adjustment may be made only in such amount as results in the retired pay of the retired judge being equal to that annual rate of pay (as in effect on the effective date of such adjustment).

(g)(1) A judge who becomes permanently disabled and as a result of that disability is unable to perform the duties of the office shall certify to the President in writing that such permanent disability exists. If the chief judge retires for such a disability, the retirement of the chief judge shall not take effect until concurred in by the President. If any other judge retires for such a disability, the chief judge shall furnish to the
President a certificate of disability signed by the chief judge.  

(2) Whenever the President finds that a judge has become permanently disabled and as a result of that disability is unable to perform the duties of the office, the President shall declare such judge to be retired. Before a judge may be retired under this paragraph, the judge shall be provided with a full specification of the reasons for the retirement and an opportunity to be heard.

(b)(1) An individual who has filed an election to receive retired pay under subsection (c) of this section may revoke such election at any time before the first day on which retired pay would (but for such revocation) begin to accrue with respect to such individual.

(2) Any revocation under this subsection shall be made by filing a notice of the election in writing with the Director of the Office of Personnel Management. The Office of Personnel Management shall transmit to the chief judge a copy of each notice filed under this subsection.

(3) In the case of a revocation under this subsection—

(A) for purposes of this section, the individual shall be treated as not having filed an election to receive retired pay under subsection (c) of this section;

(B) for purposes of section 7297 of this title—

(i) the individual shall be treated as not having filed an election under section 7297(b) of this title, and

(ii) section 7297(e) of this title shall not apply and the amount credited to such individual’s account (together with interest at 3 percent per year, compounded on December 31 of each year to the date on which the revocation is filed) shall be returned to the individual;

(C) no credit shall be allowed for any service as a judge of the Court unless with respect to such service either there has been deducted and withheld the amount required by the civil service retirement laws or there has been deposited in the Civil Service Retirement and Disability Fund an amount equal to the amount so required, with interest;

(D) the Court shall deposit in the Civil Service Retirement and Disability Fund an amount equal to the additional amount it would have contributed to such Fund but for the election under subsection (d); and

(E) if subparagraphs (C) and (D) of this paragraph are complied with, service on the Court shall be treated as service with respect to which deductions and contributions have been made during the period of service.

(4)(1) Beginning with the next pay period after the Director of the Office of Personnel Management receives a notice under subsection (d) of this section that a judge has elected to receive retired pay under this section, the Director shall deduct and withhold 1 percent of the salary of such judge. Amounts shall be so deducted and withheld in a manner determined by the Director. Amounts deducted and withheld under this subsection shall be deposited in the Treasury of the United States to the credit of the Court of Appeals for Veterans Claims Judges Retirement Fund. Deductions under this subsection from the salary of a judge shall terminate upon the retirement of the judge or upon the completion of 15 years of service for which either deductions under this subsection or a deposit under subsection (j) of this section has been made, whichever occurs first.

(2) Each judge who makes an election under subsection (d) of this section shall be deposited, for service on the Court performed before the election for which contributions may be made under this section, an amount equal to 1 percent of the salary received for the first years, not exceeding 15 years, of that service. Retired pay may not be allowed until a deposit required by this subsection has been made.

(k) The amounts deducted and withheld under subsection (i) of this section, and the amounts deposited under subsection (j) of this section, shall be deposited in the Court of Appeals for Veterans Claims Retirement Fund for credit to individual accounts in the name of each judge from whom such amounts are received.

§ 7297. Survivor annuities

(a) For purposes of this section:

(1) The term ‘‘Court’’ means the United States Court of Appeals for Veterans Claims.

(2) The term ‘‘judge’’ means a judge of the Court who is in active service or who has retired under section 7296 of this title.

(3) The term ‘‘pay’’ means salary received under section 7293(e) of this title and retired pay received under section 7296 of this title.

(4) The term ‘‘retirement fund’’ means the Court of Appeals for Veterans Claims Retirement Fund established under section 7298 of this title.

(5) The term ‘‘surviving spouse’’ means a surviving spouse of an individual who (A) was married to such individual for at least one year immediately preceding the individual’s death, or (B) is a parent of issue by the marriage.

(6) The term ‘‘dependent child’’ has the meaning given the term ‘‘child’’ in section 376(a)(5) of title 28.

(7) The term ‘‘Member of Congress’’ means a Representative, a Senator, a Delegate to Congress, or the Resident Commissioner of Puerto Rico.

(b) The term ‘‘assassination’’ as applied to a judge shall have the meaning provided that term in section 376(d)(7) of title 28 as applied to a judicial official.

(c) A judge may become a participant in the annuity program under this section by filing a written election under this subsection while in office or within six months after the date on which the judge marries if the judge has retired under section 7296 of this title. Any such election shall be made in such manner as may be prescribed by the Court.

(d) (1) A judge who makes an election under subsection (b) of this section shall deposit, with interest at 3 percent per year compounded on December 31 of each year, to the credit of the retirement fund, an amount equal to 3.5 percent of the judge’s pay and of the judge’s basic salary, pay, or compensation for service as a Member of Congress, and for any other civilian service within the purview of section 8332 of title 5. Each such judge may elect to make such deposits in installments during the judge’s period of service in such amount and under such conditions as may be determined in each instance by the chief judge. Notwithstanding the failure of a judge to make such deposit, credit shall be allowed for the service rendered, but the annual annuity of the surviving spouse of such judge shall be reduced by an amount equal to 10 percent of the amount of such deposit, computed as of the date of the death of such judge, unless the surviving spouse elects to eliminate such service entirely from credit under subsection (k) of this section. However, a deposit shall not be required from a judge for any year with respect to which deductions from the judge’s pay, or a deposit, were actually made (and not withdrawn) under the civil service retirement laws.

(2) The interest required under the first sentence of paragraph (1) shall not be required for any period—

(A) during which a judge was separated from any service described in section 376(d)(2) of title 28; and

(B) during which the judge was not receiving retired pay based on service as a judge or receiving any retirement salary as described in section 376(d)(1) of title 28.

(e) If the service of a judge who makes an election under subsection (b) of this section terminates other than pursuant to the provisions of section 7296 of this title, or if any judge ceases
to be married after making the election under subsection (b) of this section and revokes (in a writing filed as provided in subsection (b) of this section) such election, the amount credited to the judge’s individual account (together with interest at 3 percent per year compounded on December 31 of each year to the date of the judge’s relinquishment of office) shall be returned to the judge. For the purpose of this section, the service of a judge making an election under subsection (b) of this section shall be considered to have terminated pursuant to section 7296 of this title if—

(1) the judge is not reappointed following expiration of the term for which appointed; and

(2) at or before the time of the expiration of that term, the judge is eligible for and elects to receive retired pay under section 7296 of this title.

(f)(1) If a judge who makes an election under subsection (b) of this section dies after having rendered at least 18 months of civilian service (computed as prescribed in subsection (l) of this section), for the last 18 months of which the salary deductions provided for by subsection (c) of this section or the deposits required by subsection (d) of this section have actually been made (and not withdrawn) or the salary deductions required by the civil service retirement laws have actually been made (and not withdrawn)—

(A) if the judge is survived by a surviving spouse but not by a dependent child, there shall be paid to the surviving spouse an annuity beginning with the day of the death of the judge, in an amount computed as provided in subsection (k) of this section; or

(B) if the judge is survived by a surviving spouse and a dependent child or children, there shall be paid to the surviving spouse an immediate annuity in an amount computed as provided in subsection (k) of this section and there shall also be paid to or on behalf of each such child an immediate annuity equal to the lesser of—

(i) 10 percent of the average annual pay of such judge (determined in accordance with subsection (k) of this section), or

(ii) 20 percent of such average annual pay, divided by the number of such children; or

(C) if the judge is not survived by a surviving spouse but is survived by a dependent child or children, there shall be paid to or on behalf of each such child an immediate annuity equal to the lesser of—

(i) 20 percent of the average annual pay of such judge (determined in accordance with subsection (k) of this section), or

(ii) 40 percent of such average annual pay, divided by the number of such children.

(2) The annuity payable to a surviving spouse under this subsection shall be terminated—

(A) upon the surviving spouse’s death; or

(B) upon the remarriage of the surviving spouse before age 55.

(3) The annuity payable to a child under this subsection shall be terminated upon the child’s death.

(4) In case of the death of a surviving spouse of a judge leaving a dependent child or children of the judge surviving the spouse, the annuity of such child or children under paragraph (1)(B) of this subsection shall be recomputed and paid as provided in paragraph (1)(C) of this subsection. In any case in which the annuity of a dependent child is terminated, the annuities of any remaining dependent child or children, based upon the service of the same judge, shall be recomputed and paid as though the child whose annuity was so terminated had not survived the judge.

(5) If a judge dies as a result of an assassination and leaves a survivor or survivors who are otherwise entitled to receive annuity payments under this section, the 18-month requirement in the matter in paragraph (1) preceding subparagraph (A) shall not apply.

(g) Questions of family relationships, dependency, and disability arising under this section shall be determined in the same manner as such questions arising under chapter 81 of title 5 are determined.

(h)(1) If—

(A) a judge making an election under subsection (b) of this section dies while in office before having rendered 5 years of civilian service computed as prescribed in subsection (l) of this section, or (ii) after having rendered 5 years of such civilian service but without a survivor entitled to annuity benefits provided by subsection (i) of this section; or

(B) the right of all persons entitled to an annuity under subsection (f) of this section based on the service of such judge terminates before a claim for such benefits has been established, the total amount credited to the individual account of such judge (with interest at 3 percent per year, compounded on December 31 of each year, to the date of the death of such judge) shall be paid in the manner specified in paragraph (2) of this subsection.

(2) An amount payable under paragraph (1) of this subsection shall be paid, upon the establishment of a valid claim therefor, to the person or persons surviving at the date title to the payment arises, in the following order of precedence:

(A) To the beneficiary or beneficiaries whom the judge designated in writing filed before death with the chief judge (except that in the case of the chief judge such designation shall be filed before death as prescribed by the Court).

(B) To the surviving spouse of the judge.

(C) To the child or children of the judge (and the descendants of any deceased children by representation).

(D) To the parents of the judge or the survivor of them.

(E) To the executor or administrator of the estate of the judge.

(F) To such other next of kin of the judge as may be determined by the chief judge to be entitled under the laws of the domicile of the judge at the time of the judge’s death.

(3) Determination as to the surviving spouse, child, or parent of a judge for the purposes of paragraph (2) of this subsection shall be made without regard to the definitions in subsection (a) of this section.
(4) Payment under this subsection in the manner provided in this subsection shall be a bar to recovery by any other person.

(5) In a case in which the annuities of all persons entitled to annuity based upon the service of a judge terminate before the aggregate amount of annuity paid equals the total amount credited to the individual account of such judge (with interest at 3 percent per year, compounded on December 31 of each year to the date of the death of the judge), the difference shall be paid, upon establishment of a valid claim therefor, in the order of precedence prescribed in paragraph (2) of this subsection.

(6) Any accrued annuity remaining unpaid upon the termination (other than by death) of the annuity of any individual based upon the service of a judge shall be paid, upon the establishment of a valid claim therefor, in the order of precedence prescribed in paragraph (2) of this subsection.

§ 7297

(2) Annuity computed under this subsection may not exceed 50 percent of the judge’s average annual pay and may not be less than 25 percent of such average annual pay. Such annuity shall be further reduced in accordance with subsection (d) of this section (if applicable).

(3) For purposes of this subsection, the term “average annual pay”, with respect to a judge, means the average annual pay received by the judge for judicial service (including periods in which the judge received retired pay under section 7296(d) of this title) or for any other prior allowable service during the period of three consecutive years in which the judge received the largest such average annual pay.

(l) Subject to subsection (d) of this section, the years of service of a judge which are allowable as the basis for calculating the amount of the annuity of the judge’s surviving spouse shall include the judge’s years of service as a judge of the Court, the judge’s years of service as a Member of Congress, the judge’s years of active service as a member of the Armed Forces not exceeding 5 years in the aggregate and not including any such service for which credit is allowed for the purposes of retirement or retired pay under any other provision of law, and the judge’s years of any other civilian service within the purview of section 8332 of title 5.

(m) Nothing contained in this section shall be construed to prevent a surviving spouse eligible therefrom from simultaneously receiving an annuity under this section and any annuity to which such spouse would otherwise be entitled under any other law without regard to this section, but in computing such other annuity service used in the computation of such spouse’s annuity under this section shall not be credited.

(n) A judge making an election under subsection (b) of this section shall, at the time of such election, waive all benefits under the civil service retirement laws except section 8440d of title 5. Such a waiver shall be made in the same manner and shall have the same force and effect as an election filed under section 7296(d) of this title.

(0) Each survivor annuity payable from the retirement fund shall be paid at the same time as, and by the same percentage by which, annuities payable from the Judicial Survivors’ Annuities Fund are increased pursuant to section 376(m) of title 28.

(2) The amount of market pay of the Under Secretary for Health under this subsection shall be established by the Secretary.

(2) In prescribing the regulations, the Secretary shall take into account the recommendations of the Under Secretary for Health on the administration of this subchapter. In formulating recommendations for the purpose of this paragraph, the Under Secretary shall request the views of representatives of labor organizations that are exclusive representatives of physicians and dentists of the Department and the views of representatives of professional organizations of physicians and dentists of the Department.

(b) REPORTS.—(1) Not later than 18 months after the Secretary prescribes the regulations required by subsection (a), and annually thereafter for the next 5 years, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on the pay of physicians and dentists in the Veterans Health Administration under this subchapter.

(2) Each report under this subsection shall include the following:

(A) A description of the rates of pay in effect during the current fiscal year with a comparison to the rates in effect during the fiscal year preceding the current fiscal year, set forth by facility and by specialty.

(B) The number of physicians and dentists who left the Veterans Health Administration during the preceding fiscal year.

SUBCHAPTER IV—PAY FOR NURSES AND OTHER HEALTH-CARE PERSONNEL

§7451. Nurses and other health-care personnel: competitive pay

(a)(1) It is the purpose of this section to ensure, by a means providing increased responsibility and authority to directors of Department health-care facilities, that the rates of basic pay for health-care personnel positions described in paragraph (2) in each Department health-care facility (including the rates of basic pay of personnel employed in such positions on a part-time basis) are sufficient for that facility to be competitive, on the basis of pay and other employee benefits, with non-Department health-care facilities in the same labor-market area in the recruitment and retention of qualified personnel for those positions.

(2) The health-care personnel positions referred to in paragraph (1) (hereinafter in this section referred to as “covered positions”) are the following:

(A) Registered nurse.

(B) Such positions referred to in paragraphs (1) and (3) of section 7401 of this title (other than the positions of physician, dentist, and registered nurse) as the Secretary may determine upon the recommendation of the Under Secretary for Health.

(3)(A) Except as provided in subparagraph (B), the rates of basic pay for covered positions in the Department shall be established and adjusted in accordance with this section instead of subsection (b)(1) of section 7401 of this title or chapter 53 of title 5.

(B) Under such regulations as the Secretary shall prescribe, the Secretary shall establish and adjust the rates of basic pay for covered positions at the following health-care facilities in order to provide rates of basic pay that enable the Secretary to recruit and retain sufficient numbers of health-care personnel in such positions at those facilities:

(i) The Veterans Memorial Medical Center in the Republic of the Philippines.

(ii) Department of Veterans Affairs health-care facilities located outside the contiguous States, Alaska, and Hawaii.

(4) The Secretary, after receiving the recommendation of the Under Secretary for Health, shall prescribe regulations setting forth criteria and procedures to carry out this section and section 7452 of this title. Requirements in such regulations for directors to provide and maintain documentation of actions taken under this section shall require no more documentation than the minimum essential for responsible administration.

(b) The Secretary shall maintain the five grade levels for nurses employed by the Department under section 7401(1) of this title as specified in the Nurse Schedule in section 7401(2) of this title. The Secretary shall, pursuant to regulations prescribed to carry out this subchapter, establish grades for other covered positions as the Secretary considers appropriate.

(c)(1) For each grade in a covered position, there shall be a range of basic pay. The maximum rate of basic pay for a grade shall be 133 percent of the minimum rate of basic pay for the grade, except that, if the Secretary determines that a higher maximum rate is necessary with respect to any such grade in order to recruit and retain a sufficient number of high-quality health-care personnel, the Secretary may raise the maximum rate of basic pay for that grade to a rate not in excess of 175 percent of the minimum rate of basic pay for the grade. Whenever the Secretary exercises the authority under the preceding sentence to establish the maximum rate of basic pay at a rate in excess of 133 percent of the minimum rate for that grade, the Secretary shall, in the next annual report required by subsection (g),1 provide justification.
for doing so to the Committees on Veterans’ Affairs of the Senate and House of Representatives.

(2) The maximum rate of basic pay for any grade for a covered position may not exceed the maximum rate of basic pay established for positions in level IV of the Executive Schedule under section 5316 of title 5. The maximum rate of basic pay for a grade for the position of certified registered nurse anesthetist pursuant to an adjustment under subsection (d) may exceed the maximum rate otherwise provided in the preceding sentence.

(3) The range of basic pay for each such grade shall be divided into equal increments, known as “steps”. The Secretary shall prescribe the number of steps. Each grade in a covered position shall have the same number of steps. Rates of pay within a grade may not be established at rates other than whole steps. Any increase (other than an adjustment under subsection (d)) within a grade in the rate of basic pay payable to an employee in a covered position shall be by one or more of such step increments.

(d)(1) Subject to subsection (e), the rates of basic pay for each grade in a covered position shall be adjusted periodically in accordance with this subsection in order to achieve the purposes of this section. Such adjustments shall be made—

(A) whenever there is an adjustment under section 5303 of title 5 in the rates of pay under the General Schedule, with the adjustment under this subsection to have the same effective date and to be by the same percentage as the adjustment in the rates of basic pay under the General Schedule; and

(B) at such additional times as the director of a Department health-care facility, with respect to covered Regional and Central Office employees in that grade, determines.

(2) An adjustment in rates of basic pay under this subsection for a grade shall be carried out by adjusting the amount of the minimum rate of basic pay for that grade in accordance with paragraph (3) and then adjusting the other rates for that grade to conform to the requirements of subsection (c). Except as provided in paragraph (1)(A), such an adjustment in the minimum rate of basic pay for a grade shall be made by the director of a Department health-care facility so as to achieve consistency with the beginning rate of compensation for corresponding health-care professionals in the Bureau of Labor Statistics (BLS) labor-market area of that facility.

(3)(A) In the case of a Department health-care facility located in an area for which the Bureau of Labor Statistics does not have current information on compensation for corresponding health-care professionals for the labor-market area of that facility for any covered position, the director of that facility shall conduct a survey in accordance with this subparagraph and shall adjust the amount of the minimum rate of basic pay for grades in that covered position at that facility based upon that survey. To the extent practicable, the director shall use third-party industry wage surveys to meet the requirements of the preceding sentence. Any such survey shall be conducted in accordance with regulations prescribed by the Secretary. Those regulations shall be developed in consultation with the Secretary of Labor in order to ensure that the director of a facility collects information that is valid and reliable and is consistent with standards of the Bureau. The survey should be conducted using methodology comparable to that used by the Bureau in making industry-wage surveys except to the extent determined infeasible by the Secretary. To the extent practicable, all surveys conducted pursuant to this subparagraph or subparagraph (A) shall include the collection of salary midpoints, actual salaries, lowest and highest salaries, average salaries, bonuses, incentive pays, differential pays, actual beginning rates of pay, and such other information needed to meet the purposes of this section. Upon conducting a survey under this subparagraph, the director concerned shall determine, not later than 30 days after the date on which the collection of information through the survey is completed or published, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(C)(i) A director of a Department health-care facility may use data on the compensation paid to certified registered nurse anesthetists who are employed on a salary basis by entities that provide anesthesia services through certified registered nurse anesthetists in the labor-market area only if the director—

(I) has conducted a survey of compensation for certified registered nurse anesthetists in the local labor-market area of the facility under subparagraph (B);

(II) has used all available administrative authority with regard to collection of survey data; and

(III) makes a determination (under regulations prescribed by the Secretary) that such
survey methods are insufficient to permit the adjustments referred to in subparagraph (B) for such nurse anesthetists employed by the facility.

(ii) For the purposes of this subparagraph, certified registered nurse anesthetists who are so employed by such entities shall be deemed to be corresponding health-care professionals to the certified registered nurse anesthetists employed by the facility.

(D) The Under Secretary for Health shall prescribe regulations providing for the adjustment of corresponding basic rates of pay for Regional and Central Office employees in covered positions in order to assure that those rates are sufficient and competitive.

(E) The director of a facility or Under Secretary for Health may not adjust rates of basic pay under this subsection for any pay grade so that the minimum rate of basic pay for that grade is greater than the beginning rates of compensation for corresponding positions at non-Department health-care facilities.

(F) The Under Secretary for Health shall provide appropriate education, training, and support to directors of Department health-care facilities in the conduct and use of surveys, including the use of third-party surveys, under this paragraph.

(4) If the director of a Department health-care facility, or the Under Secretary for Health with respect to Regional and Central Office employees, determines, after any survey under paragraph (3)(B) that it is not necessary to adjust the rates of basic pay for employees in a grade of that facility in order to carry out the purpose of this section, such an adjustment for employees at that facility in that grade shall not be made.

(5) Information collected by the Department in surveys conducted under this subsection is not subject to disclosure under section 552 of title 5.

(6) In this subsection—

(A) The term “beginning rate of compensation”, with respect to health-care personnel positions in non-Department health-care facilities corresponding to a grade of a covered position, means the sum of—

(i) the minimum rate of pay established for personnel in such positions who have education, training, and experience equivalent or similar to the education, training, and experience required for health-care personnel employed in the same category of Department covered positions; and

(ii) other employee benefits for those positions to the extent that those benefits are reasonably quantifiable.

(B) The term “corresponding”, with respect to health-care personnel positions in non-Department health-care facilities, means those positions for which the education, training, and experience requirements are equivalent or similar to the education, training, and experience requirements for health-care personnel positions in Department health-care facilities.

(e)(1) An adjustment in a rate of basic pay under subsection (d) may not reduce the rate of basic pay applicable to any grade of a covered position.

(2) The director of a Department health-care facility, in determining whether to carry out a wage survey under subsection (d)(3) with respect to rates of basic pay for a grade of a covered position, may not consider as a factor in such determination the absence of a current recruitment or retention problem for personnel in that grade of that position. The director shall make such a determination based upon whether, in accordance with criteria established by the Secretary, there is a significant pay-related staffing problem at that facility in any grade for a position. If the director determines that there is such a problem, or that such a problem is likely to exist in the near future, the Director shall provide for a wage survey in accordance with subsection (d)(3).

(3) The Under Secretary for Health may, to the extent necessary to carry out the purposes of subsection (d), modify any determination made by the director of a Department health-care facility with respect to adjusting the rates of basic pay applicable to covered positions.

(F) The Under Secretary for Health shall make a comparison of those rates with the rates established by the Secretary, a significant pay-related staffing problem at that facility for any covered position and, if so, whether a wage survey was conducted, or will be conducted based on the survey, and the reasons for taking (or not taking) such actions.

(C) In any case in which the director conducts such a wage survey during the period covered by the report, information describing the survey and any actions taken or not taken based on the survey, and the reasons for taking (or not taking) such actions.

(D) In any case in which the director conducts such a wage survey during the period covered by the report and makes adjustment in rates of basic pay applicable to one or more covered positions at the facility, information on the methodology used in making such adjustment or adjustments.

(E) In any case in which the director, after finding that there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that facility for any covered position,
determines not to conduct a wage survey with respect to that position, a statement of the reasons why the director did not conduct such a survey.

(5) Not later than September 30 of each year, the Secretary shall submit to the Committees on Veterans’ Affairs of the Senate and House of Representatives a report on staffing for covered positions at Department health care facilities. Each such report shall include the following:

(A) A summary and analysis of the information contained in the most recent reports submitted by facility directors under paragraph (4).

(B) The information for each such facility specified in paragraph (4).

(6)(A) Upon the request of an individual described in subparagraph (B) for a report provided under paragraph (4) with respect to a Department health-care facility, the Under Secretary for Health or the director of such facility shall provide to the individual the most current report for such facility provided under such paragraph.

(B) An individual described in this subparagraph is—

(i) an individual in a covered position at a Department health-care facility; or

(ii) a representative of the labor organization representing that individual who is designated by that individual to make the request.

(f) For the purposes of this section, the term ‘‘health-care facility’’ means a medical center, an independent outpatient clinic, or an independent domiciliary facility.

(2) A nurse serving in a head nurse position shall while so serving receive basic pay at a rate two step increments above the rate that would otherwise be applicable to the nurse. If such a nurse is in the highest or next-to-highest step for that nurse’s grade, the preceding sentence shall be applied by extrapolation to create additional steps only for the purposes of this paragraph. The limitation in section 7451(c)(1) of this title shall not apply with respect to increased basic pay under this paragraph.

(3) An employee in a covered position who is promoted to the next higher grade shall be paid in that grade at a step having a rate of basic pay that is greater than the rate of basic pay applicable to the employee in a covered position on the day before the effective date of the promotion.

(b)(1) Under regulations which the Secretary prescribes for the administration of this section, the director of a Department health-care facility (A) shall pay a cash bonus (in an amount to be determined by the director not to exceed $2,000) to an employee in a covered position at that facility who becomes certified in a specialty recognized by the Department, and (B) may provide such a bonus to an employee in such a position who has demonstrated both exemplary job performance and exemplary job achievement. The authority of the Secretary under this subsection is in addition to any other authority of the Secretary to provide job performance incentives.

(2) The Secretary shall include in the annual report under section 7451(g) of this title a discussion of the use during the period covered by that report of the payment of bonuses under this subsection and other job performance incentives available to the Secretary.

(c)(1) The Secretary shall provide (in regulations prescribed for the administration of this section) that the director of a Department health-care facility, in making a new appointment of a person under section 7401(1) of this title as an employee in a covered position for employment at that facility, may make that appointment at a rate of pay described in paragraph (3) without being subject to a requirement for prior approval at any higher level of authority within the Department in any case in which the director determines that it is necessary to do so in order to obtain the services of employees in covered positions in cases in which vacancies exist at that health-care facility.

(2) Such a determination may be made by the director of a health-care facility only in order to recruit employees in covered positions with specialized skills, especially employees with skills which are especially difficult or demanding.

(3) A rate of pay referred to in paragraph (1) is a rate of basic pay in excess of the minimum rate of basic pay applicable to the grade in which the appointment is made (but not in excess of the maximum rate of basic pay for that grade).

(4) Whenever the director of a health-care facility makes an appointment described in paragraph (1) without prior approval at a higher level of authority within the Department, the director shall—

(A) state in a document the reasons for employing the employee in a covered position at a rate of pay in excess of the minimum rate of basic pay applicable to the grade in which the employee is appointed (and retain that document on file); and

(5) Whenever the director of a health-care facility makes an appointment described in paragraph (1) on the basis of a determination described in paragraph (2), the covered employee appointed may continue to receive pay at a rate higher than that which would otherwise be applicable to that employee only so long as the employee continues to serve in a position requiring the specialized skills with respect to which the determination was made.

(d) Whenever the director of a health-care facility makes an appointment described in subsection (c)(1), the director may (without a regard to any requirement for prior approval at any higher level of authority within the Department) increase the rate of pay of other employees in the same covered position at that facility who are in the grade in which the appointment is made and are serving in a position requiring the specialized skills with respect to which the determination under subsection (c)(2) concerning the appointment was made. Any such increase shall continue in effect with respect to any employee only so long as the employee continues to serve in such a position.

(e) An employee in a covered position employed under section 7401(1) of this title who (without a break in employment) transfers from one Department health-care facility to another may not be reduced in grade or step within grade (except pursuant to a disciplinary action otherwise authorized by law) if the duties of the position to which the employee transfers are similar to the duties of the position from which the employee transferred. The rate of basic pay of such employee shall be established at the new health-care facility in a manner consistent with the practices at that facility for an employee of that grade and step, except that in the case of an employee whose transfer (other than pursuant to a disciplinary action otherwise authorized by law) to another health-care facility is at the request of the Secretary, the Secretary may provide that for at least the first year following such transfer the employee shall be paid at a rate of basic pay up to the rate applicable to such employee before the transfer, if the Secretary determines that such rate of pay is necessary to fill the position. Whenever the Sec-
The Secretary exercises the authority under the preceding sentence relating to the rate of basic pay of a transferred employee, the Secretary shall, in the next annual report required under section 7451(g) of this title, provide justification for doing so.

(f) In this section, the term "covered position" has the meaning given that term in section 7451 of this title.

(A) Each Department health care facility.

(B) The Central Office.

(2) The amount of special pay paid to a nurse executive under paragraph (1) shall be not less than $10,000 or more than $100,000.

(3) The amount of special pay paid to a nurse executive under paragraph (1) shall be based on factors such as the grade of the nurse executive position, the scope and complexity of the nurse executive position, the personal qualifications of the nurse executive, the characteristics of the health care facility concerned, the nature and number of specialty care units at the health care facility concerned, demonstrated difficulties in recruitment and retention of nurse executives at the health care facility concerned, and such other factors as the Secretary considers appropriate.

(4) Special pay paid to a nurse executive under paragraph (1) shall be in addition to any other pay (including basic pay) and allowances to which the nurse executive is entitled, and shall be considered pay for all purposes, including retirement benefits under chapters 83 and 84 of title 5, and other benefits, but shall not be considered basic pay for purposes of adverse actions under subchapter V of this chapter.

CONGRESSIONAL FINDINGS

Section 2(a) of Pub. L. 97-174 provided that: “The Congress makes the following findings:

1 There are opportunities for greater sharing of the health-care resources of the Veterans’ Administration and the Department of Defense which would, if achieved, be beneficial to both veterans and members of the Armed Forces and could result in reduced costs to the Government by minimizing duplication and underuse of health-care resources.

2 Present incentives to encourage such sharing of health-care resources are inadequate.

3 Such sharing of health-care resources can be achieved without a detrimental effect on the primary health-care beneficiaries of the Veterans’ Administration and the Department of Defense.”

(a)(1) The Secretary shall prescribe regulations for the purposes of this subchapter.

(2) In those regulations, the Secretary shall prescribe for each State the number of nursing home and domiciliary beds for which assistance under this subchapter may be furnished. Such regulations shall be based on projected demand for such care 10 years after the date of the enactment of the Veterans Millennium Health Care and Benefits Act by veterans who at such time are 65 years of age or older and who reside in that State. In determining such projected demand, the Secretary shall take into account travel distances for veterans and their families.

Such criteria shall take into account the availability of beds already operated by the Secretary and other providers which appropriately serve the needs which the State proposes to meet with its application.

(d)(1) In prescribing regulations to carry out this subchapter, the Secretary shall provide that in the case of a State that seeks assistance under this subchapter for a project described in subsection (a)(3)(B), the determination of the unmet need for beds for State homes in that State shall be reduced by the number of beds in all previous applications submitted by that State under this subchapter, including beds which have not been recognized by the Secretary under section 1741 of this title.

(2)(A) Financial assistance under this subchapter for a renovation project may only be provided for a project for which the total cost of construction is in excess of $400,000 (as adjusted from time-to-time in such regulations to reflect changes in costs of construction).

(F) An application for construction or acquisition of a nursing home or domiciliary from a State that the Secretary determines, in accordance with regulations under this subchapter, has a significant need for the beds to be established at such home or facility.

(H) An application for construction or acquisition of a nursing home or domiciliary from a State that the Secretary determines, in accordance with regulations under this subchapter, has a limited need for the beds to be established at such home or facility.

(3) In according priorities to projects under paragraph (2) of this subsection, the Secretary—

(A) may not accord any priority to a project for the construction or acquisition of a hospital; and

(B) may not accord any priority to a project which would expand a State's capacity to furnish hospital care in a State home.

(4) The Secretary shall establish a list of approved projects (including projects that have been conditionally approved under paragraph (6) of this subsection), in the order of their priority, as of August 15 of each year. The Secretary shall award grants in the order of their priority on the list during the fiscal year beginning on October 1 of the calendar year in which the list was made.

(5)(A) The Secretary shall defer approval of an application that otherwise meets the requirements of this section if the State submitting the application does not, by the July 1 deadline (as defined in subparagraph (D) of this paragraph), demonstrate to the satisfaction of the Secretary that the State has provided adequate financial support for construction of the project.

(B) In a case in which approval of an application is deferred under subparagraph (A) of this paragraph, the Secretary shall select for award of a grant or grants under this subchapter an application or applications which would not have been approved during the fiscal year but for the deferral and to which the Secretary accords the highest priority under paragraph (2) of this subsection.

(6)(A) The Secretary may conditionally approve a project under this section, conditionally award a grant for the project, and obligate funds for the grant if the Secretary determines that the application for the grant is sufficiently complete to warrant awarding the grant and that, based on assurances provided by the State submitting the application, the State will complete the application and meet all the requirements referred to in paragraph (1)(A) of this subsection by the date, not later than 180 days after the date of the conditional approval, specified by the Secretary.

(B) If a State does not complete the application and meet all the requirements referred to in such paragraph by the date specified by the Secretary under subparagraph (A) of this paragraph, the Secretary shall rescind the conditional approval and award under such subparagraph and deobligate the funds previously obli-

(7)(A) Subject to subparagraph (B) of this paragraph, the Secretary may increase the amount of any grant awarded to any State for a project under this section by an amount by which the Secretary determines that the estimated cost of the construction or acquisition has increased from the estimated cost on which the Secretary based the determination to award the grant, without regard to the position of such project on the list established under paragraph (4) of this subsection, if the Secretary determines that the grant was awarded before the State entered into a contract for the construction or acquisition provided for in such project.

(B) A grant may not be increased under subparagraph (A) of this paragraph by more than 10 percent of the amount of the grant initially awarded for such project, and the amount of such increase, as increased, may not exceed 65 percent of the cost of the project.

(d) No application submitted to the Secretary under this section shall be disapproved until the Secretary has afforded the applicant notice and an opportunity for a hearing.

Amendments
1996—Pub. L. 104–262 amended section generally. Prior to amendment, section read as follows: "It is the pur-
pose of this subchapter to improve the quality of hospital care and other medical service provided veterans under this title, by authorizing the Secretary to enter into agreements with medical schools, health-care facilities, and research centers throughout the country in order to receive from and share with such medical schools, health-care facilities, and research centers the most advanced medical techniques and information, as well as certain specialized medical resources which otherwise might not be feasibly available or to effectively utilize other medical resources with the surrounding medical community, without diminution of services to veterans. Among other things, it is intended, by these means, to strengthen the medical programs at those Department hospitals which are located in small cities or rural areas and thus are remote from major medical centers. It is further the purpose of this subchapter to improve the provision of care to veterans under this title by authorizing the Secretary to enter into agreements with State veterans facilities for the sharing of health-care resources.

1991—Pub. L. 102–40 renumbered sections 5052 and 5053 of this title as this section.

'(2) The term 'specialized medical resources' means medical resources (whether equipment, space, or personnel) which, because of cost, limited availability, or unusual nature, are either unique in the medical community or are subject to maximum utilization only through mutual use.

'(3) The term 'health-care resource' includes hospital care, medical services, and rehabilitative services, as those terms are defined in paragraphs (5), (6), and (8), respectively, of section 1701 of this title, any other health-care service, and any health-care support or administrative resource.

§ 8153. Sharing of health-care resources

(a)(1) To secure health-care resources which otherwise might not be feasibly available, or to effectively utilize certain other health-care resources, the Secretary may, when the Secretary determines it to be in the best interest of the prevailing standards of the Department medical care program, make arrangements, by contract or other form of agreement for the mutual use, or exchange of use, of health-care resources between Department health-care facilities and any health-care provider, or other entity or individual.

(2) The Secretary may enter into a contract or other agreement under paragraph (1) if such resources are not, or would not be, used to their maximum effective capacity.

(B)(i) If the health-care resource required is a commercial service or the use of medical equipment or space, and is not to be acquired from an entity described in subparagraph (A), any procurement of the resource may be conducted without regard to any law or regulation that would otherwise require the use of competitive procedures for procuring the resource, but only if the procurement is conducted in accordance with the simplified procedures prescribed pursuant to clause (ii).

(ii) The Secretary, in consultation with the Administrator for Federal Procurement Policy, may prescribe simplified procedures for the procurement of health-care resources under this subchapter. The Secretary shall publish such procedures for public comment in accordance with section 1707 of title 41. Such procedures shall permit all responsible sources, as appropriate, to submit a bid, proposal, or quotation (as appropriate) for the resources to be procured and provide for the consideration by the Department of bids, proposals, or quotations so submitted.
(iii) Pending publication of the procedures under clause (ii), the Secretary shall (except as provided under subparagraph (A)) procure health-care resources referred to in clause (i) in accordance with all procurement laws and regulations.

(C) Any procurement of health-care resources other than those covered by subparagraph (A) or (B) shall be conducted in accordance with all procurement laws and regulations.

(D) For any procurement to be conducted on a sole source basis other than a procurement covered by subparagraph (A), a written justification shall be prepared that includes the information and is approved at the levels prescribed in section 3304(e) of title 41.

(E) As used in this paragraph, the term ‘commercial service’ means a service that is offered and sold competitively in the commercial marketplace, is performed under standard commercial terms and conditions, and is procured using firm-fixed price contracts.

Any proceeds to the Government received therefrom shall be credited to the applicable Department medical appropriation and to funds that have been allotted to the facility that furnished the resource involved.

(c) Eligibility for hospital care and medical services furnished any veteran pursuant to this section shall be subject to the same terms as though provided in a Department health care facility, and provisions of this title applicable to persons receiving hospital care or medical services in a Department health care facility shall apply to veterans treated under this section.

(d) When a Department health care facility provides hospital care or medical services, pursuant to a contract or agreement authorized by this section, to an individual who is not eligible for such care or services under chapter 17 of this title who is entitled to hospital or medical insurance benefits under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.), such benefits shall be paid, notwithstanding any condition, limitation, or other provision in that title which would otherwise preclude such payment to such facility for such care or services or, if the contract or agreement so provides, to the community health care facility which is a party to the contract or agreement.

(e) The Secretary may make an arrangement that authorizes the furnishing of services by the Secretary under this section to individuals who are not veterans only if the Secretary determines—

(1) that veterans will receive priority under such an arrangement; and

(2) that such an arrangement—

(A) is necessary to maintain an acceptable level and quality of service to veterans at that facility; or

(B) will result in the improvement of services to eligible veterans at that facility.

(f) Any amount received by the Secretary from a non-Federal entity as payment for services provided by the Secretary during a prior fiscal year under an arrangement entered into under this section may be obligated by the Secretary during the fiscal year in which the Secretary receives the payment.

(g) The Secretary shall submit to the Congress not later than February 1 of each year a report on the activities carried out under this section during the preceding fiscal year. Each report shall include—

(1) an appraisal of the effectiveness of the activities authorized in this section and the degree of cooperation from other sources, financial and otherwise; and

In carrying out the purposes of this section, the Secretary shall utilize recent developments in electronic equipment to provide a close educational, scientific, and professional link between Department hospitals and major medical centers. Such agreements shall be utilized by the Secretary to the maximum extent practicable to create, at each Department hospital which is a part of any such agreement, an environment of academic medicine which will help such hospital attract and retain highly trained and qualified members of the medical profession.

§ 8526. Filing of claims for assets

Notwithstanding the crediting to said Fund of the assets, or proceeds thereof, of any decedent, whether upon determination by a court or the Department pursuant to the provisions of section 8520 of this title, any person claiming a right to such assets may within five years after the death of the decedent file a claim on behalf of such person and any other claiming with the Secretary. If any person so entitled is under legal disability at the date of death of such decedent, such five-year period of limitation shall run from the termination or removal of legal disability. In the event of doubt as to entitlement, the Secretary may cause administration or other appropriate proceedings to be instituted in any court having jurisdiction. In determining questions of fact or law involved in the adjudication of claims made under this section, no judgment, decree, or order entered in any action at law, suit in equity, or other legal proceeding of any character purporting to determine entitlement to said assets or any part thereof, shall be binding upon the United States or the Secretary or determinative of any fact or question involving entitlement to any such property or the proceeds thereof, or any part of the Fund, unless the Secretary has been seasonably served with notice and permitted to become a party to such suit or proceeding if the Secretary makes a request therefor within thirty days after such notice. Notice may be served in person or by registered mail or by certified mail upon the Secretary, or upon the Secretary’s authorized attorney in the State wherein the action or proceedings may be pending. Notice may be waived by the Secretary or by the Secretary’s authorized attorney, in which event the finding, judgment, or decree shall have the same effect as if the Secretary were a party and served with notice. Any necessary court costs or expenses if authorized by the Secretary may be paid as are other administrative expenses of the Department.
