(5) local law enforcement authorities often lack the resources to deal with the drug problem in public and other federally assisted low-income housing, particularly in light of the recent reductions in Federal aid to cities;

(6) the Federal Government should provide support for effective safety and security measures to combat drug-related and violent crime, primarily in and around public housing projects with severe crime problems;

(7) closer cooperation should be encouraged between public and assisted housing managers, local law enforcement agencies, and residents in developing and implementing anti-crime programs; and

(8) anti-crime strategies should be improved through the expansion of community-oriented policing initiatives.
