title 38 pertaining to giving notice of absence from a position of employment. A determination of such necessity shall be made by the Secretary, in consultation with the Secretary of Defense, and shall not be subject to judicial review.

(4) Limitation

An intermittent disaster-response appointee shall not be deemed an employee of the Department of Health and Human Services for purposes other than those specifically set forth in this section.

(e) Rule of construction regarding use of commissioned corps

If the Secretary assigns commissioned officers of the Regular or Reserve Corps to serve with the National Disaster Medical System, such assignments do not affect the terms and conditions of their appointments as commissioned officers of the Regular or Reserve Corps, respectively (including with respect to pay and allowances, retirement, benefits, rights, privileges, and immunities).

(f) Definition

For purposes of this section, the term “auxiliary services” includes mortuary services, veterinary services, and other services that are determined by the Secretary to be appropriate with respect to the needs referred to in subsection (a)(3)(A) of this section.

(g) Authorization of appropriations

For the purpose of providing for the Assistant Secretary for Preparedness and Response and the operations of the National Disaster Medical System, other than purposes for which amounts in the Public Health Emergency Fund under section 247d of this title are available, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2007 through 2011.
