with applicable civil service laws and regulations. In all other cases, members of the Corps are subject to the laws of the State in which the activities of the Corps are undertaken.

(2) Applicable protections
Subsections (c)(2), (d), and (e) of section 300hh–11 of this title shall apply to an individual appointed under paragraph (1) in the same manner as such subsections apply to an individual appointed under section 300hh–11(c) of this title.

(3) Limitation
State, local, and tribal officials shall have no authority to designate a member of the Corps as Federal intermittent disaster-response personnel, but may request the services of such members.

(i) Authorization of appropriations
There is authorized to be appropriated to carry out this section, $22,000,000 for fiscal year 2007, and such sums as may be necessary for each of fiscal years 2008 through 2011.

(July 1, 1944, ch. 373, title XXVIII, § 2813, as added Pub. L. 109–417, title III, § 303(a), Dec. 19, 2006, 120 Stat. 2856.)

§ 300hh–16. At-risk individuals
The Secretary, acting through such employee of the Department of Health and Human Services as determined by the Secretary and designated publicly (which may, at the discretion of the Secretary, involve the appointment or designation of an individual as the Director of At-Risk Individuals), shall—

(1) oversee the implementation of the National Preparedness goal of taking into account the public health and medical needs of at-risk individuals in the event of a public health emergency, as described in section 300hh–1(b)(4) of this title;

(2) assist other Federal agencies responsible for planning for, responding to, and recovering from public health emergencies in addressing the needs of at-risk individuals;

(3) provide guidance to and ensure that recipients of State and local public health grants include preparedness and response strategies and capabilities that take into account the medical and public health needs of at-risk individuals in the event of a public health emergency, as described in section 300hh–10(b)(4) of this title;

(4) ensure that the contents of the strategic national stockpile take into account at-risk populations as described in section 300hh–10(b)(3)(B) of this title;

(5) oversee the progress of the Advisory Committee on At-Risk Individuals and Public Health Emergencies established under section 247d–6(b)(2) of this title and make recommendations with a focus on opportunities for action based on the work of the Committee;

(6) oversee curriculum development for the public health and medical response training program on medical management of casual-

ties, as it concerns at-risk individuals as described in subparagraphs (A) through (C) of section 247d–6(a)(2) of this title;

(7) disseminate novel and best practices of outreach to and care of at-risk individuals before, during, and following public health emergencies; and

(8) not later than one year after December 19, 2006, prepare and submit to Congress a report describing the progress made on implementing the duties described in this section.

(July 1, 1944, ch. 373, title XXVIII, § 2814, as added Pub. L. 109–417, title I, § 102(d), Dec. 19, 2006, 120 Stat. 2814.)

§ 300hh–17. Emergency response coordination of primary care providers
The Secretary, acting through Administrator1 of the Health Resources and Services Administration, and in coordination with the Assistant Secretary for Preparedness and Response, shall

(1) provide guidance and technical assistance to health centers funded under section 254b of this title and to State and local health departments and emergency managers to integrate health centers into State and local emergency response plans and to better meet the primary care needs of populations served by health centers during public health emergencies; and

(2) encourage employees at health centers funded under section 254b of this title to participate in emergency medical response programs including the National Disaster Medical System authorized in section 300hh–11 of this title, the Volunteer Medical Reserve Corps authorized in section 300hh–15 of this title, and the Emergency System for Advance Registration of Health Professions Volunteers authorized in section 247d–7b of this title.

(July 1, 1944, ch. 373, title XXVIII, § 2815, as added Pub. L. 110–355, § 6(a), Oct. 8, 2008, 122 Stat. 3994.)

PART C—STRENGTHENING PUBLIC HEALTH SURVEILLANCE SYSTEMS

§ 300hh–31. Epidemiology-laboratory capacity grants
(a) In general
Subject to the availability of appropriations, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall establish an Epidemiology and Laboratory Capacity Grant Program to award grants to State health departments as well as local health departments and tribal jurisdictions that meet such criteria as the Director determines appropriate. Academic centers that assist State and eligible local and tribal health departments may also be eligible for funding under this section as the Director determines appropriate. Grants shall be awarded under this section to assist public health agencies in improving surveillance for, and response to, infectious diseases and other conditions of public health importance by—

(1) strengthening epidemiologic capacity to identify and monitor the occurrence of infec-
