L. 85-840 provided that: “The amendment made by subsection (a) (enacting this section) shall be applicable in the case of payments to legal representatives by any State made after June 30, 1958; and to such payments by any State made after December 31, 1965, and prior to July 1, 1968, if certifications for payment to such State have been made by the Secretary of Health, Education, and Welfare with respect thereto, or such State has presented to the Secretary a claim (and such other data as the Secretary may require) with respect thereto, prior to July 1, 1959.”

§ 1312. Medical care guides and reports for public assistance and medical assistance

In order to assist the States to extend the scope and content, and improve the quality, of medical care and medical services for which payments are made to or on behalf of needy and low-income individuals under this chapter and in order to promote better public understanding about medical care and medical assistance for needy and low-income individuals, the Secretary shall develop and revise from time to time guides or recommended standards as to the level, content, and quality of medical care and medical services for the use of the States in evaluating and improving their public assistance medical care programs and their programs of medical assistance; shall secure periodic reports from the States on items included in, and the quantity of, medical care and medical services for which expenditures under such programs were made; and shall from time to time publish data secured from these reports and other information necessary to carry out the purposes of this section.

Amendments

1965—Pub. L. 89-97 struck out “for the aged” after “medical assistance”.

§ 1313. Assistance for United States citizens returned from foreign countries

(a) Authorization; reimbursement; utilization of facilities of public or private agencies and organizations

(1) The Secretary is authorized to provide temporary assistance to citizens of the United States and to dependents of citizens of the United States, if they (A) are identified by the Department of State as having returned, or been brought, from a foreign country to the United States because of the destitution of the citizen of the United States or the illness of such citizen or any of his dependents or because of war, threat of war, invasion, or similar crisis, and (B) are without available resources.

(2) Except in such cases or classes of cases as are set forth in regulations of the Secretary, provision shall be made for reimbursement to the United States by the recipients of the temporary assistance to cover the cost thereof.

(3) The Secretary may provide assistance under paragraph (1) directly or through utilization of the services and facilities of appropriate public or private agencies and organizations, in accordance with agreements providing for payment, in advance or by way of reimbursement, as may be determined by the Secretary, of the cost thereof. Such cost shall be determined by such statistical, sampling, or other method as may be provided in the agreement.

(b) Plans and arrangements for assistance; consultations

The Secretary is authorized to develop plans and make arrangements for provision of temporary assistance within the United States to individuals specified in subsection (a)(1) of this section. Such plans shall be developed and such arrangements shall be made after consultation with the Secretary of State, the Attorney General, and the Secretary of Defense. To the extent feasible, assistance provided under subsection (a) of this section shall be provided in accordance with the plans developed pursuant to this subsection, as modified from time to time by the Secretary.

(c) “Temporary assistance” defined

For purposes of this section, the term “temporary assistance” means money payments, medical care, temporary billeting, transportation, and other goods and services necessary
