model to ACOs that are highly integrated systems of care and to ACOs capable of bearing risk, as determined to be appropriate by the Secretary.

(B) No additional program expenditures

Payments to an ACO for items and services under this subchapter for beneficiaries for a year under the partial capitation model shall be established in a manner that does not result in spending more for such ACO for such beneficiaries than would otherwise be expended for such ACO for such beneficiaries for such year if the model were not implemented, as estimated by the Secretary.

(3) Other payment models

(A) In general

Subject to subparagraph (B), a model described in this paragraph is any payment model that the Secretary determines will improve the quality and efficiency of items and services furnished under this subchapter.

(B) No additional program expenditures

Subparagraph (B) of paragraph (2) shall apply to a payment model under subparagraph (A) in a similar manner as such subparagraph (B) applies to the payment model under paragraph (2).

(j) Involvement in private payer and other third party arrangements

The Secretary may give preference to ACOs who are participating in similar arrangements with other payers.

(k) Treatment of physician group practice demonstration

During the period beginning on March 23, 2010, and ending on the date the program is established, the Secretary may enter into an agreement with an ACO under the demonstration under section 1395cc–1 of this title, subject to rebasing and other modifications deemed appropriate by the Secretary.

§ 1395kkk. Independent Payment Advisory Board

(a) Establishment

There is established an independent board to be known as the “Independent Payment Advisory Board”.

(b) Purpose

It is the purpose of this section to, in accordance with the following provisions of this section, reduce the per capita rate of growth in Medicare spending—

(1) by requiring the Chief Actuary of the Centers for Medicare & Medicaid Services to determine in each year to which this section applies (in this section referred to as “a determination year”) the projected per capita growth rate under Medicare for the second year following the determination year (in this section referred to as “an implementation year”):

(2) if the projection for the implementation year exceeds the target growth rate for that year, by requiring the Board to develop and submit during the first year following the determination year (in this section referred to as “a proposal year”) a proposal containing recommendations to reduce the Medicare per capita growth rate to the extent required by this section; and

(3) by requiring the Secretary to implement such proposals unless Congress enacts legislation pursuant to this section.

(c) Board proposals

(1) Development

(A) In general

The Board shall develop detailed and specific proposals related to the Medicare program in accordance with the succeeding provisions of this section.

(B) Advisory reports

Beginning January 15, 2014, the Board may develop and submit to Congress advisory reports on matters related to the Medicare program, regardless of whether or not the Board submitted a proposal for such year. Such a report may, for years prior to 2020, include recommendations regarding improvements to payment systems for providers of services and suppliers who are not otherwise subject to the scope of the Board’s recommendations in a proposal under this section. Any advisory report submitted under this subparagraph shall not be subject to the rules for congressional consideration under subsection (d). In any year (beginning with 2014) that the Board is not required to submit a proposal under this section, the Board shall submit to Congress an advisory report on matters related to the Medicare program.

(2) Proposals

(A) Requirements

Each proposal submitted under this section in a proposal year shall meet each of the following requirements:

(i) If the Chief Actuary of the Centers for Medicare & Medicaid Services has made a determination under paragraph (7)(A) in the determination year, the proposal shall include recommendations so that the proposal as a whole (after taking into account recommendations under clause (v)) will result in a net reduction in total Medicare program spending in the implementation year that is at least equal to the applicable savings target established under paragraph (7)(B) for such implementation year. In determining whether a proposal meets the requirement of the preceding sentence, reductions in Medicare program spending during the 3-month period immediately
The proposal shall not include any recommendation that would reduce payment rates for items and services furnished, prior to December 31, 2019, by providers of services (as defined in section 1395x(u) of this title) and suppliers (as defined in section 1395x(d) of this title) that are related to administrative expenses (including profits) for basic coverage, denying high bids or removing high bids for prescription drug coverage from the calculation of the national average monthly bid amount under section 1395w–113(a)(4) of this title, and reductions in payments to Medicare Advantage plans under subsection (n) of section 1395w–23(n) of this title that are related to administrative expenses (including profits) and performance bonuses for Medicare Advantage plans under subsection (n) of section 1395w–23(n) of this title. Any such recommendations shall not affect the base beneficiary premium percentage specified under 1395w–113(a)(3) of this title or the full premium subsidy under section 1395w–114(a) of this title.

(v) The proposal shall include recommendations with respect to administrative funding for the Secretary to carry out the recommendations contained in the proposal.

(vi) The proposal shall only include recommendations related to the Medicare program.

(vii) If the Chief Actuary of the Centers for Medicare & Medicaid Services has made a determination described in subsection (e)(3)(B)(i)(II) in the determination year, the proposal shall be designed to help reduce the growth rate described in paragraph (b) while maintaining or enhancing beneficiary access to quality care under this subchapter.

(B) Additional considerations

In developing and submitting each proposal under this section in a proposal year, the Board shall, to the extent feasible—

(i) give priority to recommendations that extend Medicare solvency;

(ii) include recommendations that—

(I) improve the health care delivery system and health outcomes, including by promoting integrated care, care coordination, prevention and wellness, and quality and efficiency improvement; and

(II) protect and improve Medicare beneficiaries’ access to necessary and evidence-based items and services, including in rural and frontier areas;

(iii) include recommendations that target reductions in Medicare program spending to sources of excess cost growth;

(iv) consider the effects on Medicare beneficiaries of changes in payments to providers of services (as defined in section 1395x(u) of this title) and suppliers (as defined in section 1395x(d) of this title);

(v) consider the effects of the recommendations on providers of services and suppliers with actual or projected negative cost margins or payment updates;

(vi) consider the unique needs of Medicare beneficiaries who are dually eligible for Medicare and the Medicaid program under subchapter XIX; and

(vii) take into account the data and findings contained in the annual reports under subsection (n) in order to develop proposals that can most effectively promote the delivery of efficient, high quality care to Medicare beneficiaries.

(C) No increase in total Medicare program spending

Each proposal submitted under this section shall be designed in such a manner that implementation of the recommendations contained in the proposal would not be expected to result, over the 10-year period starting with the implementation year, in any increase in the total amount of net Medicare program spending relative to the total amount of net Medicare program spending that would have occurred absent such implementation.

(D) Consultation with MEDPAC

The Board shall submit a draft copy of each proposal to be submitted under this section to the Medicare Payment Advisory Commission established under section 1395b–6 of this title for its review. The Board shall submit such draft copy by not later than September 1 of the determination year.
(E) Review and comment by the Secretary

The Board shall submit a draft copy of each proposal to be submitted to Congress under this section to the Secretary for the Secretary’s review and comment. The Board shall submit such draft copy by not later than September 1 of the determination year. Not later than March 1 of the submission year, the Secretary shall submit a report to Congress on the results of such review, unless the Secretary submits a proposal under paragraph (5)(A) in that year.

(F) Consultations

In carrying out its duties under this section, the Board shall engage in regular consultations with the Medicaid and CHIP Payment and Access Commission under section 1396 of this title.

(3) Submission of Board proposal to Congress and the President

(A) In general

(i) In general

Except as provided in clause (ii) and subsection (f)(3)(B), the Board shall submit a proposal under this section to Congress and the President on January 15 of each year (beginning with 2014).

(ii) Exception

The Board shall not submit a proposal under clause (i) in a proposal year if the year is—

(I) a year for which the Chief Actuary of the Centers for Medicare & Medicaid Services makes a determination in the determination year under paragraph (6)(A) that the growth rate described in clause (i) of such paragraph does not exceed the growth rate described in clause (ii) of such paragraph; or

(II) a year in which the Chief Actuary of the Centers for Medicare & Medicaid Services makes a determination in the determination year that the projected percentage increase (if any) for the medical care expenditure category of the Consumer Price Index for All Urban Consumers (United States city average) for the implementation year is less than the projected percentage increase (if any) in the Consumer Price Index for All Urban Consumers (all items; United States city average) for such implementation year.

(iii) Start-up period

The Board may not submit a proposal under clause (i) prior to January 15, 2014.

(B) Required information

Each proposal submitted by the Board under subparagraph (A)(i) shall include—

(i) the recommendations described in paragraph (2)(A)(i);

(ii) an explanation of each recommendation contained in the proposal and the reasons for including such recommendation; and

(iii) an actuarial opinion by the Chief Actuary of the Centers for Medicare & Medicaid Services certifying that the proposal meets the requirements of subparagraphs (A)(i) and (C) of paragraph (2);

(iv) a legislative proposal that implements the recommendations; and

(v) other information determined appropriate by the Board.

(4) Presidential submission to Congress

Upon receiving a proposal from the Secretary under paragraph (5), the President shall within 2 days submit such proposal to Congress.

(5) Contingent secretarial development of proposal

If, with respect to a proposal year, the Board is required, but fails, to submit a proposal to Congress and the President by the deadline applicable under paragraph (3)(A)(i), the Secretary shall develop a detailed and specific proposal that satisfies the requirements of subparagraphs (A) and (C) (and, to the extent feasible, subparagraph (B)) of paragraph (2) and contains the information required paragraph (3)(B)). By not later than January 25 of the year, the Secretary shall transmit—

(A) such proposal to the President; and

(B) a copy of such proposal to the Medicare Payment Advisory Commission for its review.

(6) Per capita growth rate projections by Chief Actuary

(A) In general

Subject to subsection (f)(3)(A), not later than April 30, 2013, and annually thereafter, the Chief Actuary of the Centers for Medicare & Medicaid Services shall determine in each such year whether—

(i) the projected Medicare per capita growth rate for the implementation year (as determined under subparagraph (B)); exceeds

(ii) the projected Medicare per capita target growth rate for the implementation year (as determined under subparagraph (C))

(B) Medicare per capita growth rate

(i) In general

For purposes of this section, the Medicare per capita growth rate for an implementation year shall be calculated as the projected 5-year average (ending with such year) of the growth in Medicare program spending (calculated as the sum of per capita spending under each of parts A, B, and D).

(ii) Requirement

The projection under clause (i) shall—

(I) to the extent that there is projected to be a negative update to the single conversion factor applicable to payments for physicians’ services under section 1395w-4(d) of this title furnished in the proposal year or the implementation year, assume that such update for such services is 0 percent rather than the negative percent that would otherwise apply; and

(II) take into account any delivery system reforms or other payment changes that have been enacted or published in...
§ 1395kkk  TITLE 42—THE PUBLIC HEALTH AND WELFARE  Page 3266

final rules but not yet implemented as of the making of such calculation.

(C) Medicare per capita target growth rate

For purposes of this section, the Medicare per capita target growth rate for an implementation year shall be calculated as the projected 5-year average (ending with such year) percentage increase in—

(i) with respect to a determination year that is prior to 2018, the average of the projected percentage increase (if any) in—

(I) the Consumer Price Index for All Urban Consumers (all items; United States city average); and

(II) the medical care expenditure category of the Consumer Price Index for All Urban Consumers (United States city average); and

(ii) with respect to a determination year that is after 2017, the nominal gross domestic product per capita plus 1.0 percentage point.

(7) Savings requirement

(A) In general

If, with respect to a determination year, the Chief Actuary of the Centers for Medicare & Medicaid Services makes a determination under paragraph (6)(A) that the growth rate described in clause (i) of such paragraph exceeds the growth rate described in clause (ii) of such paragraph, the Chief Actuary shall establish an applicable savings target for the implementation year.

(B) Applicable savings target

For purposes of this section, the applicable savings target for an implementation year shall be an amount equal to the product of—

(i) the total amount of projected Medicare program spending for the proposal year; and

(ii) the applicable percent for the implementation year.

(C) Applicable percent

For purposes of subparagraph (B), the applicable percent for an implementation year is the lesser of—

(i) in the case of—

(I) implementation year 2015, 0.5 percent; (II) implementation year 2016, 1.0 percent; (III) implementation year 2017, 1.25 percent; and (IV) implementation year 2018 or any subsequent implementation year, 1.5 percent; and

(ii) the projected excess for the implementation year (expressed as a percent) determined under subparagraph (A).

(8) Per capita rate of growth in national health expenditures

In each determination year (beginning in 2018), the Chief Actuary of the Centers for Medicare & Medicaid Services shall project the per capita rate of growth in national health expenditures for the implementation year. Such rate of growth for an implementation year shall be calculated as the projected 5-year average (ending with such year) percentage increase in national health care expenditures.

(d) Congressional consideration

(1) Introduction

(A) In general

On the day on which a proposal is submitted to the Board or the President to the House of Representatives and the Senate under subsection (c)(3)(A)(i) or subsection (c)(4), the legislative proposal (described in subsection (c)(3)(B)(iv)) contained in the proposal shall be introduced (by request) in the Senate by the majority leader of the Senate or by Members of the Senate designated by the majority leader of the Senate and shall be introduced (by request) in the House by the majority leader of the House or by Members of the House designated by the majority leader of the House.

(B) Not in session

If either House is not in session on the day on which such legislative proposal is submitted, the legislative proposal shall be introduced in that House, as provided in subparagraph (A), on the first day thereafter on which that House is in session.

(C) Any Member

If the legislative proposal is not introduced in either House within 5 days on which that House is in session after the day on which the legislative proposal is submitted, then any Member of that House may introduce the legislative proposal.

(D) Referral

The legislation introduced under this paragraph shall be referred by the Presiding Officers of the respective Houses to the Committee on Finance in the Senate and to the Committee on Energy and Commerce and the Committee on Ways and Means in the House of Representatives.

(2) Committee consideration of proposal

(A) Reporting bill

Not later than April 1 of any proposal year in which a proposal is submitted by the Board or the President to Congress under this section, the Committee on Ways and Means and the Committee on Energy and Commerce of the House of Representatives and the Committee on Finance of the Senate may report the bill referred to the Committee under paragraph (1)(D) with committee amendments related to the Medicare program.

(B) Calculations

In determining whether a committee amendment meets the requirement of subparagraph (A), the reductions in Medicare program spending during the 3-month period immediately preceding the implementation year shall be counted to the extent that such reductions are a result of the implementation provisions in the committee amend-
ment for a change in the payment rate for an item or service that was effective during such period pursuant to such amendment.

(C) Committee jurisdiction
Notwithstanding rule XV of the Standing Rules of the Senate, a committee amendment described in subparagraph (A) may include matter not within the jurisdiction of the Committee on Finance if that matter is relevant to a proposal contained in the bill submitted under subsection (c)(3).

(D) Discharge
If, with respect to the House involved, the committee has not reported the bill by the date required by subparagraph (A), the committee shall be discharged from further consideration of the proposal.

(3) Limitation on changes to the Board recommendations

(A) In general
It shall not be in order in the Senate or the House of Representatives to consider any bill, resolution, amendment, or conference report (other than pursuant to this section) that would repeal or otherwise change the recommendations of the Board if that change would fail to satisfy the requirements of subparagraphs (A)(i) and (C) of subsection (c)(2).

(B) Limitation on changes to the Board recommendations in other legislation
It shall not be in order in the Senate or the House of Representatives to consider any bill, resolution, amendment, or conference report (other than pursuant to this section) that would repeal or otherwise change the recommendations of the Board if that change would fail to satisfy the requirements of subparagraphs (A)(i) and (C) of subsection (c)(2).

(C) Limitation on changes to this subsection
It shall not be in order in the Senate or the House of Representatives to consider any bill, resolution, amendment, or conference report that would repeal or otherwise change this subsection.

(D) Waiver
This paragraph may be waived or suspended in the Senate only by the affirmative vote of three-fifths of the Members, duly chosen and sworn.

(E) Appeals
An affirmative vote of three-fifths of the Members of the Senate, duly chosen and sworn, shall be required in the Senate to sustain an appeal of the ruling of the Chair on a point of order raised under this paragraph.

(4) Expedited procedure

(A) Consideration
A motion to proceed to the consideration of the bill in the Senate is not debatable.

(B) Amendment
(i) Time limitation
Debate in the Senate on any amendment to a bill under this section shall be limited to 1 hour, to be equally divided between, and controlled by, the mover and the manager of the bill, and debate on any amendment to an amendment, debatable motion, or appeal shall be limited to 30 minutes, to be equally divided between, and controlled by, the mover and the manager of the bill, except that in the event the manager of the bill is in favor of any such amendment, motion, or appeal, the time in opposition thereto shall be controlled by the minority leader or such leader’s designee.

(ii) Germane
No amendment that is not germane to the provisions of such bill shall be received.

(iii) Additional time
The leaders, or either of them, may, from the time under their control on the passage of the bill, allot additional time to any Senator during the consideration of any amendment, debatable motion, or appeal.

(iv) Amendment not in order
It shall not be in order to consider an amendment that would cause the bill to result in a net reduction in total Medicare program spending in the implementation year that is less than the applicable savings target established under subsection (c)(7)(B) for such implementation year.

(v) Waiver and appeals
This paragraph may be waived or suspended in the Senate only by the affirmative vote of three-fifths of the Members, duly chosen and sworn. An affirmative vote of three-fifths of the Members of the Senate, duly chosen and sworn, shall be required in the Senate to sustain an appeal of the ruling of the Chair on a point of order raised under this section.

(C) Consideration by the other House

(i) In general
The expedited procedures provided in this subsection for the consideration of a bill introduced pursuant to paragraph (1) shall not apply to such a bill that is received by one House from the other House if such a bill was not introduced in the receiving House.

(ii) Before passage
If a bill that is introduced pursuant to paragraph (1) is received by one House from the other House, after introduction but before disposition of such a bill in the receiving House, then the following shall apply:

(I) The receiving House shall consider the bill introduced in that House through all stages of consideration up to, but not including, passage.

(II) The question on passage shall be put on the bill of the other House as amended by the language of the receiving House.

(iii) After passage
If a bill introduced pursuant to paragraph (1) is received by one House from the
other House, after such a bill is passed by the receiving House, then the vote on passage of the bill that originates in the receiving House shall be considered to be the vote on passage of the bill received from the other House as amended by the language of the receiving House.

(iv) Disposition

Upon disposition of a bill introduced pursuant to paragraph (i) that is received by one House from the other House, it shall no longer be in order to consider the bill that originates in the receiving House.

(v) Limitation

Clauses (ii), (iii), and (iv) shall apply only to a bill received by one House from the other House if the bill—

(I) is related only to the program under this subchapter; and

(II) satisfies the requirements of subparagraphs (A)(i) and (C) of subsection (c)(2).

(D) Senate limits on debate

(i) In general

In the Senate, consideration of the bill and all debatable motions and appeals in connection therewith shall not exceed a total of 30 hours, which shall be divided equally between the majority and minority leaders or their designees.

(ii) Motion to further limit debate

A motion to further limit debate on the bill is in order and is not debatable.

(iii) Motion or appeal

Any debatable motion or appeal is debatable for not to exceed 1 hour, to be divided equally between those favoring and those opposing the motion or appeal.

(iv) Final disposition

After 30 hours of consideration, the Senate shall proceed, without any further debate on any question, to vote on the final disposition thereof to the exclusion of all motions not then pending before the Senate at that time or necessary to resolve the differences between the Houses and to the exclusion of all other motions, except a motion to table, or to reconsider and one quorum call on demand to establish the presence of a quorum (and motions required to establish a quorum) immediately before the final vote begins.

(iv) Limitation

Clauses (i) through (iii) shall only apply to a conference report, message or the amendments thereto if the conference report, message, or an amendment thereto—

(I) is related only to the program under this subchapter; and

(II) satisfies the requirements of subparagraphs (A)(i) and (C) of subsection (c)(2).

(F) Veto

If the President vetoes the bill debate on a veto message in the Senate under this subsection shall be 1 hour equally divided between the majority and minority leaders or their designees.

(5) Rules of the Senate and House of Representatives

This subsection and subsection (f)(2) are enacted by Congress—

(A) as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and is deemed to be part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of bill to which this section applies.

(B) with full recognition of the constitutional right of either House to change the rules (so far as they relate to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of that House.

(e) Implementation of proposal

(1) In general

Notwithstanding any other provision of law, the Secretary shall, except as provided in

*So in original. Probably should be preceded by “a”.}
paragraph (3), implement the recommendations contained in a proposal submitted by the Board or the President to Congress pursuant to this section on August 15 of the year in which the proposal is so submitted.

(2) Application
  (A) In general
    A recommendation described in paragraph (1) shall apply as follows:
    (i) In the case of a recommendation that is a change in the payment rate for an item or service under Medicare in which payment rates change on a fiscal year basis (or a cost reporting period basis that relates to a fiscal year), on a calendar year basis (or a cost reporting period basis that relates to a calendar year), or on a rate year basis (or a cost reporting period basis that relates to a rate year), such recommendation shall apply to items and services furnished on the first day of the first fiscal year, calendar year, or rate year (as the case may be) that begins after such August 15. (ii) In the case of a recommendation relating to payments to plans under parts C and D, such recommendation shall apply to plan years beginning on the first day of the first calendar year that begins after such August 15. (iii) In the case of any other recommendation, such recommendation shall be addressed in the regular regulatory process timeframe and shall apply as soon as practicable.

  (B) Interim final rulemaking
    The Secretary may use interim final rulemaking to implement any recommendation described in paragraph (1).

(3) Exceptions
  (A) In general
    The Secretary shall not implement the recommendations contained in a proposal submitted in a proposal year by the Board or the President to Congress pursuant to this section if—
    (i) prior to August 15 of the proposal year, Federal legislation is enacted that includes the following provision: “This Act supercedes the recommendations of the Board contained in the proposal submitted, in the year which includes the date of enactment of this Act, to Congress under section 1899A of the Social Security Act.”; and
    (ii) in the case of implementation year 2020 and subsequent implementation years, a joint resolution described in subsection (f)(1) is enacted not later than August 15, 2017.

  (B) Limited additional exception
    (i) In general
      Subject to clause (ii), the Secretary shall not implement the recommendations contained in a proposal submitted by the Board or the President to Congress pursuant to this section in a proposal year (beginning with proposal year 2019) if—
      (I) the Board was required to submit a proposal to Congress under this section in the year preceding the proposal year; and
      (II) the Chief Actuary of the Centers for Medicare & Medicaid Services makes a determination in the determination year that the growth rate described in subsection (c)(8) exceeds the growth rate described in subsection (c)(6)(A)(i).

      (ii) Limited additional exception may not be applied in two consecutive years
        This subparagraph shall not apply if the recommendations contained in a proposal submitted by the Board or the President to Congress pursuant to this section in the year preceding the proposal year were not required to be implemented by reason of this subparagraph.

  (iii) No affect on requirement to submit proposals or for congressional consideration of proposals
    Clause (i) and (ii) shall not affect—
      (I) the requirement of the Board or the President to submit a proposal to Congress in a proposal year in accordance with the provisions of this section; or
      (II) Congressional consideration of a legislative proposal (described in subsection (c)(3)(B)(iv)) contained such a proposal in accordance with subsection (d).

(4) No affect on authority to implement certain provisions
  Nothing in paragraph (3) shall be construed to affect the authority of the Secretary to implement any recommendation contained in a proposal or advisory report under this section to the extent that the Secretary otherwise has the authority to implement such recommendation administratively.

(5) Limitation on review
  There shall be no administrative or judicial review under section 1395f of this title, section 1395oo of this title, or otherwise of the implementation by the Secretary under this subsection of the recommendations contained in a proposal.

(f) Joint resolution required to discontinue the Board
  (1) In general
    For purposes of subsection (e)(3)(B), a joint resolution described in this paragraph means only a joint resolution—
      (A) that is introduced in 2017 by not later than February 1 of such year;
      (B) which does not have a preamble;
      (C) the title of which is as follows: “Joint resolution approving the discontinuation of the process for consideration and automatic implementation of the annual proposal of the Independent Payment Advisory Board under section 1899A of the Social Security Act”;
      (D) the matter after the resolving clause of which is as follows: “That Congress approves

5So in original. Probably should be “Clauses”.
the discontinuation of the process for consideration and automatic implementation of the annual proposal of the Independent Payment Advisory Board under section 1899A of the Social Security Act.\[4\]

(2) Procedure

(A) Referral

A joint resolution described in paragraph (1) shall be referred to the Committee on Ways and Means and the Committee on Energy and Commerce of the House of Representatives and the Committee on Finance of the Senate.

(B) Discharge

In the Senate, if the committee to which is referred a joint resolution described in paragraph (1) has not reported such joint resolution (or an identical joint resolution) at the end of 20 days after the joint resolution described in paragraph (1) is introduced, such committee may be discharged from further consideration of such joint resolution upon a petition supported in writing by 30 Members of the Senate, and such joint resolution shall be placed on the calendar.

(C) Consideration

(i) In general

In the Senate, when the committee to which a joint resolution is referred has reported, or when a committee is discharged (under subparagraph (C)) from further consideration of a joint resolution described in paragraph (1), it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) for a motion to proceed to the consideration of the joint resolution to be made, and all points of order against the joint resolution (and against consideration of the joint resolution) are waived, except for points of order under the Congressional Budget Act\[6\] of 1974 or under budget resolutions pursuant to that Act. The motion is not debatable. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the joint resolution is agreed to, the joint resolution shall remain the unfinished business of the Senate until disposed of.

(ii) Debate limitation

In the Senate, consideration of the joint resolution, and on all debatable motions and appeals in connection therewith, shall be limited to not more than 10 hours, which shall be divided equally between the majority leader and the minority leader, or their designees. A motion further to limit debate is in order and not debatable. An amendment to, or a motion to postpone, or a motion to proceed to the consideration of other business, or a motion to recommit the joint resolution is not in order.

(iii) Passage

In the Senate, immediately following the conclusion of the debate on a joint resolution described in paragraph (1), and a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate, the vote on passage of the joint resolution shall occur.

(iv) Appeals

Appeals from the decisions of the Chair relating to the application of the rules of the Senate to the procedure relating to a joint resolution described in paragraph (1) shall be decided without debate.

(D) Other House acts first

If, before the passage by 1 House of a joint resolution of that House described in paragraph (1), that House receives from the other House a joint resolution described in paragraph (1), then the following procedures shall apply:

(i) The joint resolution of the other House shall not be referred to a committee.

(ii) With respect to a joint resolution described in paragraph (1) of the House receiving the joint resolution—

(I) the procedure in that House shall be the same as if no joint resolution had been received from the other House; but

(II) the vote on final passage shall be on the joint resolution of the other House.

(E) Excluded days

For purposes of determining the period specified in subparagraph (B), there shall be excluded any days either House of Congress is adjourned for more than 3 days during a session of Congress.

(F) Majority required for adoption

A joint resolution considered under this subsection shall require an affirmative vote of three-fifths of the Members, duly chosen and sworn, for adoption.

(3) Termination

If a joint resolution described in paragraph (1) is enacted not later than August 15, 2017—

(A) the Chief Actuary of the Medicare & Medicaid Services shall not—

(i) make any determinations under subsection (c)(6) after May 1, 2017; or

(ii) provide any opinion pursuant to subsection (c)(3)(B)(iii) after January 16, 2018;

(B) the Board shall not submit any proposals, advisory reports, or advisory recommendations under this section or produce the public report under subsection (n) after January 16, 2018; and

(C) the Board and the consumer advisory council under subsection (k) shall terminate on August 16, 2018.

(g) Board membership; terms of office; Chairperson; removal

(1) Membership

(A) In general

The Board shall be composed of—

(i) 15 members appointed by the President, by and with the advice and consent of the Senate; and

(5) **Voting on proposals**
Any proposal of the Board must be approved by the majority of appointed members present.

(i) **Powers of the Board**
(1) **Hearings**
The Board may hold such hearings, sit and act at such times and places, take such testimony, and receive such evidence as the Board considers advisable to carry out this section.

(2) **Authority to inform research priorities for data collection**
The Board may advise the Secretary on priorities for health services research, particularly as such priorities pertain to necessary changes and issues regarding payment reforms under Medicare.

(3) **Obtaining official data**
The Board may secure directly from any department or agency of the United States information necessary to enable it to carry out this section. Upon request of the Chairperson, the head of that department or agency shall furnish that information to the Board on an agreed upon schedule.

(4) **Postal services**
The Board may use the United States mails in the same manner and under the same conditions as other departments and agencies of the Federal Government.

(5) **Gifts**
The Board may accept, use, and dispose of gifts or donations of services or property.

(6) **Offices**
The Board shall maintain a principal office and such field offices as it determines necessary, and may meet and exercise any of its powers at any other place.

(j) **Personnel matters**
(1) **Compensation of members and Chairperson**
Each appointed member, other than the Chairperson, shall be compensated at a rate equal to the annual rate of basic pay prescribed for level III of the Executive Schedule under section 5315 of title 5. The Chairperson shall be compensated at a rate equal to the daily equivalent of the annual rate of basic pay prescribed for level II of the Executive Schedule under section 5315 of title 5.

(2) **Travel expenses**
The appointed members shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5 while away from their homes or regular places of business in the performance of services for the Board.

(3) **Staff**
(A) **In general**
The Chairperson may, without regard to the civil service laws and regulations, appoint and terminate an executive director and such other additional personnel as may be necessary to enable the Board to perform its duties. The employment of an executive director shall be subject to confirmation by the Board.

(B) **Compensation**
The Chairperson may fix the compensation of the executive director and other personnel without regard to chapter 51 and subchapter III of chapter 53 of title 5 relating to classification of positions and General Schedule pay rates, except that the rate of pay for the executive director and other personnel may not exceed the rate payable for level V of the Executive Schedule under section 5316 of such title.

(4) **Detail of Government employees**
Any Federal Government employee may be detailed to the Board without reimbursement, and such detail shall be without interruption or loss of civil service status or privilege.

(5) **Procurement of temporary and intermittent services**
The Chairperson may procure temporary and intermittent services under section 3109(b) of title 5 at rates for individuals which do not exceed the daily equivalent of the annual rate of basic pay prescribed for level V of the Executive Schedule under section 5316 of such title.

(k) **Consumer advisory council**
(1) **In general**
There is established a consumer advisory council to advise the Board on the impact of payment policies under this subchapter on consumers.

(2) **Membership**
(A) **Number and appointment**
The consumer advisory council shall be composed of 10 consumer representatives appointed by the Comptroller General of the United States, 1 from among each of the 10 regions established by the Secretary as of March 23, 2010.

(B) **Qualifications**
The membership of the council shall represent the interests of consumers and particular communities.

(3) **Duties**
The consumer advisory council shall, subject to the call of the Board, meet not less frequently than 2 times each year in the District of Columbia.

(4) **Open meetings**
Meetings of the consumer advisory council shall be open to the public.
(5) Election of officers

Members of the consumer advisory council shall elect their own officers.

(6) Application of FACA

The Federal Advisory Committee Act (5 U.S.C. App.) shall apply to the consumer advisory council except that section 14 of such Act shall not apply.

(l) Definitions

In this section:

(1) Board; Chairperson; Member

The terms “Board”, “Chairperson”, and “Member” mean the Independent Payment Advisory Board established under subsection (a) and the Chairperson and any Member thereof, respectively.

(2) Medicare

The term “Medicare” means the program established under this subchapter, including parts A, B, C, and D.

(3) Medicare beneficiary

The term “Medicare beneficiary” means an individual who is entitled to, or enrolled for, benefits under part A or enrolled for benefits under part B.

(A) for fiscal year 2012, $15,000,000; and

(B) for each subsequent fiscal year, the amount appropriated under this paragraph for the previous fiscal year increased by the annual percentage increase in the Consumer Price Index for All Urban Consumers (all items; United States city average) as of June of the previous fiscal year.

(2) From trust funds

Sixty percent of amounts appropriated under paragraph (1) shall be derived by transfer from the Federal Hospital Insurance Trust Fund under section 1395i of this title and 40 percent of amounts appropriated under such paragraph shall be derived by transfer from the Federal Supplementary Medical Insurance Trust Fund under section 1395fff of this title.

(n) Annual public report

(1) In general

Not later than July 1, 2014, and annually thereafter, the Board shall produce a public report containing standardized information on system-wide health care costs, patient access to care, utilization, and quality-of-care that allows for comparison by region, types of services, types of providers, and both private payers and the program under this subchapter.

(2) Requirements

Each report produced pursuant to paragraph (1) shall include information with respect to the following areas:

(A) The quality and costs of care for the population at the most local level determined practical by the Board (with quality and costs compared to national benchmarks and reflecting rates of change, taking into account quality measures described in section 1395aaa(b)(7)(B) of this title).

(B) Beneficiary and consumer access to care, patient and caregiver experience of care, and the cost-sharing or out-of-pocket burden on patients.

(C) Epidemiological shifts and demographic changes.

(D) The proliferation, effectiveness, and utilization of health care technologies, including variation in provider practice patterns and costs.

(E) Any other areas that the Board determines affect overall spending and quality of care in the private sector.

(o) Advisory recommendations for non-Federal health care programs

(1) In general

Not later than January 15, 2015, and at least once every two years thereafter, the Board shall submit to Congress and the President recommendations to slow the growth in national health expenditures (excluding expenditures under this subchapter and in other Federal health care programs) while preserving or enhancing quality of care, such as recommendations—

(A) that the Secretary or other Federal agencies can implement administratively;

(B) that may require legislation to be enacted by Congress in order to be implemented;

(C) that may require legislation to be enacted by State or local governments in order to be implemented;

(D) that private sector entities can voluntarily implement; and

(E) with respect to other areas determined appropriate by the Board.

(2) Coordination

In making recommendations under paragraph (1), the Board shall coordinate such recommendations with recommendations contained in proposals and advisory reports produced by the Board under subsection (c).

(3) Available to public

The Board shall make recommendations submitted to Congress and the President under this subsection available to the public.
