section 4 of the Indian Health Care Improvement Act (25 U.S.C. 1603).

(4) Community health worker

The term “community health worker” means an individual who promotes health or nutrition within the community in which the individual resides—

(A) by serving as a liaison between communities and health care agencies;

(B) by providing guidance and social assistance to community residents;

(C) by enhancing community residents’ ability to effectively communicate with health care providers;

(D) by providing culturally and linguistically appropriate health or nutrition education;

(E) by advocating for individual and community health or nutrition needs; and

(F) by providing referral and followup services.

(g) Appropriation

There is appropriated, out of any money in the Treasury not otherwise appropriated, $40,000,000 for the period of fiscal years 2009 through 2015, for the purpose of awarding grants under this section. Amounts appropriated and paid under the authority of this section shall be in addition to amounts appropriated under section 1397dd of this title and paid to States in accordance with this subchapter.

(h) National enrollment campaign

From the amounts made available under subsection (a), the Secretary shall develop and implement a national enrollment campaign to improve the enrollment of underserved child populations in the programs established under this subchapter and subchapter XIX. Such campaign may include—

(1) the establishment of partnerships with the Secretary of Education and the Secretary of Agriculture to develop national campaigns to link the eligibility and enrollment systems for the assistance programs each Secretary administers that often serve the same children;

(2) the integration of information about the programs established under this subchapter and subchapter XIX in public health awareness campaigns administered by the Secretary;

(3) increased financial and technical support for enrollment hotlines maintained by the Secretary to ensure that all States participate in such hotlines;

(4) the establishment of joint public awareness outreach initiatives with the Secretary of Education and the Secretary of Labor regarding the importance of health insurance to building strong communities and the economy;

(5) the development of special outreach materials for Native Americans or for individuals with limited English proficiency; and

(6) such other outreach initiatives as the Secretary determines would increase public awareness of the programs under this subchapter and subchapter XIX.
