Those laws may be cited as '49 U.S.C. §—title 49—continued'."

Section 1(a) of Pub. L. 97–49, Jan. 12, 1983, 96 Stat. 2413, provided that: "Certain general and permanent laws of the United States, related to transportation, are revised, codified, and enacted by subsection (b) of this section without substantive change as subtitle I and chapter 31 of subtitle II of title 49, United States Code, 'Transportation'. Those laws may be cited as '49 U.S.C. §—title 49—continued'."

Section 1(a) of Pub. L. 95–473, Oct. 17, 1978, 92 Stat. 1337, provided that: "Certain general and permanent laws of the United States, related to transportation, are revised, codified, and enacted by subsections (c)–(e) of this section without substantive change as subtitles II, III, and V–X of title 49, United States Code, 'Transportation'. from the invalid provision remain in effect. If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications."

"(a) An inference of legislative construction is not to be drawn by reason of the location in the United States Code of a provision enacted by this Act, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding provision enacted by this Act.

"(b) A reference to a law replaced by sections 1–4 of this Act, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding provision enacted by this Act.

"(c) An order, rule, or regulation in effect under a law replaced by sections 1–4 of this Act continues in effect under the corresponding provision enacted by this Act until repealed, amended, or superseded.

"(d) An action taken or an offense committed under a law replaced by sections 1–4 of this Act is deemed to have been taken or committed under the corresponding provision enacted by this Act.

"(e) An inference of a legislative construction is not to be drawn by reason of the location in the United States Code of a provision enacted by this Act or by reason of the caption or catchline of the provision.

"(f) If a provision enacted by this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications."
“(f) If a provision enacted by this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision of this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.”

Section 3 of Pub. L. 95–473, Oct. 17, 1978, 92 Stat. 1466, provided that: “(a) Sections 1 and 2 of this Act restate, without substantive change, laws enacted before May 16, 1978, that were replaced by those sections. Those sections may not be construed as making a substantive change in the laws replaced. Laws enacted after May 15, 1978, that are inconsistent with this Act are considered as superseding it to the extent of the inconsistency.

“(b) A reference to a law replaced by sections 1 and 2 of this Act may not be construed as a legislative implication that the provision was or was not in effect before its repeal.”

Section 3(b) of Pub. L. 96–258, June 3, 1980, 94 Stat. 243, provided that: “(a) A law replaced by sections 1 and 2 of this Act, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding provision enacted by this Act.

“(c) An order, rule, or regulation in effect under a law replaced by sections 1 and 2 of this Act is deemed to have been taken or committed under the corresponding provision enacted by this Act.

“(d) An action taken or an offense committed under a law replaced by sections 1 and 2 of this Act is deemed to have been taken or committed under the corresponding provision enacted by this Act.

“(e) An inference of a legislative construction is not to be drawn by reason of the location in the United States Code of a provision enacted by this Act or by reason of the caption or catchline thereof.

“(f) If a provision enacted by this Act is held invalid, all provisions that are severable from the invalid provision remain in effect. If a provision of this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.

SUBTITLE I—DEPARTMENT OF TRANSPORTATION

Chapter 1—Organization

1. Organization 101

3. General Duties and Powers 301

5. Special Authority 501

7. Surface Transportation Board 701

AMENDMENTS

CHAPTER 1—ORGANIZATION

Sec. 101. Purpose.
§ 101. Purpose

(a) The national objectives of general welfare, economic growth and stability, and security of the United States require the development of transportation policies and programs that contribute to providing fast, safe, efficient, and convenient transportation at the lowest cost consistent with those and other national objectives, including the efficient use and conservation of the resources of the United States.

(b) A Department of Transportation is necessary in the public interest and to—

(1) ensure the coordinated and effective administration of the transportation programs of the United States Government;

(2) make easier the development and improvement of coordinated transportation service to be provided by private enterprise to the greatest extent feasible;

(3) encourage cooperation of Federal, State, and local governments, carriers, labor, and other interested persons to achieve transportation objectives;

(4) stimulate technological advances in transportation, through research and development or otherwise;

(5) provide general leadership in identifying and solving transportation problems; and

(6) develop and recommend to the President and Congress transportation policies and programs to achieve transportation objectives considering the needs of the public, users, carriers, industry, labor, and national defense.

In subsections (a) and (b), the introductory declaratory words are omitted as surplus.

In subsection (a), the words "national objectives of" are inserted for clarity. The words "United States" are substituted for "Nation" and "Nation's", respectively, for consistency. The word "contribute" is substituted for "conducive" because the substituted word is more commonly used. The word "those" is substituted for "utilization".

In subsection (b)(2), the word "greatest" is substituted for "maximum" for consistency.

In subsection (b)(3) and (6), the word "national" is omitted before "transportation" as unnecessary and for consistency.

In subsection (b)(3), the word "persons" is substituted for "parties" as being more precise.

In subsection (b)(6), the words "transportation objectives" are substituted for "these objectives" for clarity and consistency. The words "full and appropriate" and "for approval" are omitted as surplus.

AMENDMENTS

1991—Subsec. (b)(4). Pub. L. 102–240 inserted "through research and development or otherwise" after "advances in transportation".

Pub. L. 106–159, §2, Dec. 9, 1999, 113 Stat. 3749, provided that: "In this Act [see Tables for classification], the term ‘Secretary’ means the Secretary of Transportation.”

Section 3 of Pub. L. 102–240 provided that: "As used in this Act [see Short Title of 1991 Amendment note set out above], the term ‘Secretary’ means the Secretary of Transportation.”

EX. ORD. NO. 1330. HUMAN SERVICE TRANSPORTATION COORDINATION
Ex. Ord. No. 13300, Feb. 24, 2004, 69 F.R. 9185, provided by the authority vested in me as President by the Constitution and the laws of the United States of America, and to enhance access to transportation to improve mobility, employment opportunities, and access to community services for persons who are transportation-disadvantaged, it is hereby ordered as follows:

SECTION 1. This order is issued consistent with the following findings and principles:

(a) A strong America depends on citizens who are productive and who actively participate in the life of their communities.

(b) Transportation plays a critical role in providing access to employment, medical and health care, education, and other community services and amenities. The importance of this role is underscored by the variety of transportation programs that have been created in conjunction with health and human service programs, and by the significant Federal investment in accessible public transportation systems throughout the Nation.

(c) These transportation resources, however, are often difficult for citizens to understand and access, and are more costly than necessary due to inconsistent and unnecessary Federal and State program rules and restrictions.

(d) A broad range of Federal program funding allows for the purchase or provision of transportation services and resources for persons who are transportation-disadvantaged. Yet, in too many communities, these services and resources are fragmented, unused, or altogether unavailable.

(e) Federally assisted community transportation services should be seamless, comprehensive, and accessible to those who rely on them for their lives and livelihoods. For persons with mobility limitations related to advanced age, persons with disabilities, and persons struggling for self-sufficiency, transportation within and between our communities should be as available and affordable as possible.

(f) The development, implementation, and maintenance of responsive, comprehensive, coordinated community transportation systems is essential for persons with disabilities, persons with low incomes, and older adults who rely on such transportation to fully participate in their communities.

SIC. 2. Definitions. (a) As used in this order, the term ‘agency’ means an executive department or agency of the Federal Government.

(b) For the purposes of this order, persons who are transportation-disadvantaged are persons who qualify for Federally conducted or Federally assisted transportation-related programs or services due to disability, income, or advanced age.

SIC. 3. Establishment of the Interagency Transportation Coordinating Council on Access and Mobility. (a) There is hereby established, within the Department of Transportation for administrative purposes, the "Interagency Transportation Coordinating Council on Access and Mobility" ("Interagency Transportation Coordinating Council" or "Council"). The membership of the Interagency Transportation Coordinating Council shall consist of:

(i) the Secretaries of Transportation, Health and Human Services, Education, Labor, Veterans Affairs, Agriculture, Housing and Urban Development, and the Interior, the Attorney General, and the Commissioner of Social Security; and

(ii) such other Federal officials as the Chairperson of the Council may designate.

(b) The Secretary of Transportation, or the Secretary’s designee, shall serve as the Chairperson of the Council. The Chairperson shall convene and preside at meetings of the Council, determine its agenda, direct its work, and, as appropriate to particular subject matters, establish and direct subgroups of the Council, which shall consist exclusively of the Council’s members.

(c) A member of the Council may designate any person who is part of the member’s agency and who is an officer appointed by the President or a full-time employee serving in a position with pay equal to or greater than the minimum rate payable for GS–15 of the General Schedule to perform functions of the Council or its subgroups on the member’s behalf.

(a) promote interagency cooperation and the establishment of appropriate mechanisms to minimize duplication and overlap of Federal programs and services so that transportation-disadvantaged persons have access to more transportation services;

(b) facilitate access to the most appropriate, cost-effective transportation services within existing resources;

(c) encourage enhanced customer access to the variety of transportation and resources available;

(d) formulate and implement administrative, policy, and procedural mechanisms that enhance transportation services at all levels; and

(e) develop and implement a method for monitoring progress on achieving the goals of this order.

SIC. 5. Report. In performing its functions, the Interagency Transportation Coordinating Council shall present to me a report not later than 1 calendar year from the date of this order. The report shall:

(a) Identify those Federal, State, Tribal and local laws, regulations, procedures, and actions that have proven to be most useful and appropriate in coordinating transportation services for the targeted populations;

(b) Identify substantive and procedural requirements of transportation-related Federal laws and regulations that are duplicative or restrict the laws’ and regulations’ most efficient operation;

(c) Describe the results achieved, on an agency and program basis, in: (i) simplifying access to transportation services for persons with disabilities, persons with low income, and older adults; (ii) providing the most appropriate, cost-effective transportation services within existing resources; and (iii) reducing duplication to make funds available for more services to more such persons;
(d) Provide recommendations to simplify and coordinate applicable substantive, procedural, and administrative requirements; and
(e) Provide any other recommendations that would, in the judgment of the Council, advance the principles set forth in section 1 of this order.

Sic. § General. (a) Agencies shall assist the Interagency Transportation Coordinating Council and provide information to the Council consistent with applicable law as may be necessary to carry out its functions. To the extent permitted by law, and as permitted by available agency resources, the Department of Transportation shall provide funding and administrative support for the Council.

(b) Nothing in this order shall be construed to impair or otherwise affect the functions of the Director of the Office of Management and Budget relating to budget, administrative, or legislative proposals.

(c) This order is intended only to improve the internal management of the executive branch and is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by a party against the United States, its departments, agencies, instrumentalities or entities, its officers or employees, or any other person.

GEORGE W. BUSH.

§ 102. Department of Transportation

(a) The Department of Transportation is an executive department of the United States Government at the seat of Government.

(b) The head of the Department is the Secretary of Transportation. The Secretary is appointed by the President, by and with the advice and consent of the Senate.

(c) The Department has a Deputy Secretary of Transportation appointed by the President, by and with the advice and consent of the Senate. The Deputy Secretary—

(1) shall carry out duties and powers prescribed by the Secretary; and

(2) acts for the Secretary when the Secretary is absent or unable to serve or when the office of Secretary is vacant.

(d) The Department has an Under Secretary of Transportation for Policy appointed by the President, by and with the advice and consent of the Senate. The Under Secretary shall provide leadership in the development of policy for the Department, supervise the policy activities of Assistant Secretaries with primary responsibility for aviation, international, and other transportation policy development and carry out other powers and duties prescribed by the Secretary. The Under Secretary acts for the Secretary when the Secretary is absent or unable to serve, or when the offices of Secretary and Deputy Secretary are vacant.

(e) The Department has 4 Assistant Secretaries and a General Counsel appointed by the President, by and with the advice and consent of the Senate. The Department also has an Assistant Secretary of Transportation for Administration appointed in the competitive service by the Secretary, with the approval of the President. They shall carry out duties and powers prescribed by the Secretary. An Assistant Secretary or the General Counsel, in the order prescribed by the Secretary, acts for the Secretary when the Secretary, Deputy Secretary, and Under Secretary of Transportation for Policy are absent or unable to serve, or when the offices of the Secretary, Deputy Secretary, and Under Secretary of Transportation for Policy are vacant.

(f) DEPUTY ASSISTANT SECRETARY FOR TRIBAL GOVERNMENT AFFAIRS.—

(1) ESTABLISHMENT.—In accordance with Federal policies promoting Indian self determination, the Department of Transportation shall have, within the office of the Secretary, a Deputy Assistant Secretary for Tribal Government Affairs appointed by the President to plan, coordinate, and implement the Department of Transportation policy and programs serving Indian tribes and tribal organizations and to coordinate tribal transportation programs and activities in all offices and administrations of the Department and to be a participant in any negotiated rulemaking relating to, or having an impact on, projects, programs, or funding associated with the tribal transportation program.

(2) RESERVATION OF TRUST OBLIGATIONS.—

(A) RESPONSIBILITY OF SECRETARY.—In carrying out this title, the Secretary shall be responsible to exercise the trust obligations of the United States to Indians and Indian tribes to ensure that the rights of a tribe or individual Indian are protected.

(B) PRESERVATION OF UNITED STATES RESPONSIBILITY.—Nothing in this title shall absolve the United States from any responsibility to Indians and Indian tribes, including responsibilities derived from the trust relationship and any treaty, executive order, or agreement between the United States and an Indian tribe.

(g) OFFICE OF CLIMATE CHANGE AND ENVIRONMENT.—

(1) ESTABLISHMENT.—There is established in the Department an Office of Climate Change and Environment to plan, coordinate, and implement—

(A) department-wide research, strategies, and actions under the Department’s statutory authority to reduce transportation-related energy use and mitigate the effects of climate change; and

(B) department-wide research strategies and actions to address the impacts of climate change on transportation systems and infrastructure.

(2) CLEARINGHOUSE.—The Office shall establish a clearinghouse of solutions, including cost-effective congestion reduction approaches, to reduce air pollution and transportation-related energy use and mitigate the effects of climate change.

(h) The Department shall have a seal that shall be judicially recognized.
In subsection (a), the words "thereby established" and "to be known" are omitted as executed. The words "(hereafter referred to in this chapter as the 'Department')" are omitted as unnecessary because of the style used in codifying the revised title. The words "of the United States Government" are added for clarity.

In subsection (b), the words "(hereafter referred to in this chapter as the 'Secretary')" are omitted as unnecessary because of the style used in codifying the revised title.

In subsection (c), the words "carry out duties and powers" and "acts for" are substituted for "act for and exercise the powers of" and "perform such functions, powers, and duties", respectively, for consistency and to eliminate surplus words. The words "unable to serve" are substituted for "disability" for consistency and clarity.

In subsection (d), the words "the competitive service" are substituted for "the classified civil service" to conform to §2102. The words "from time to time" are omitted as surplus. The words "acts for" are substituted for "acts for, and exercise the powers of" and "consistency and to eliminate surplus words. The words "when the Secretary and the Deputy Secretary are absent or unable to serve, or when the offices of Secretary and Deputy Secretary are vacant" are substituted for "during the absence or disability of the Secretary, or in the event of a vacancy in the office of a deputy secretary" as being more precise and for consistency.

In subsection (e), the words "The Secretary shall cause a . . . of office" and "of such device" are omitted as unnecessary because of the restatement. The words "as he shall approve" are omitted as unnecessary because subsection (b) of the section establishes the Secretary of Transportation as the head of the Department of Transportation.

AMENDMENTS

2007—Subsecs. (g), (h). Pub. L. 110–140 added subsec. (g) and redesignated former subsec. (g) as (h).

2005—Subsec. (f). Pub. L. 109–59, which directed amendment of this section by adding subsec. (f) and redesignating former subsecs. (f) and (g) as (g) and (h), respectively, was executed by adding subsec. (f) and redesignating former subsec. (f) as (g), to reflect the probable intent of Congress.

LYNDON B. JOHNSON.

§ 103. Federal Railroad Administration

(a) In General.—The Federal Railroad Administration is an administration in the Department of Transportation.

(b) Safety.—To carry out all railroad safety laws of the United States, the Administration is divided on a geographical basis into at least 8 safety offices. The Secretary of Transportation is responsible for all acts taken under those laws and for ensuring that the laws are uniformly administered and enforced among the safety offices.

(c) Safety as Highest Priority.—In carrying out its duties, the Administration shall consider the assignment and maintenance of safety as the highest priority, recognizing the clear intent, encouragement, and dedication of Congress to the furtherance of the highest degree of safety in railroad transportation.

(d) Administrator.—The head of the Administration shall be the Administrator who shall be appointed by the President, by and with the advice and consent of the Senate, and shall be an individual with professional experience in railroad safety, hazardous materials safety, or other transportation safety. The Administrator shall report directly to the Secretary of Transportation.

(e) Deputy Administrator.—The Administration shall have a Deputy Administrator who shall be appointed by the Secretary. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

(f) Chief Safety Officer.—The Administration shall have an Associate Administrator for Railroad Safety appointed in the career service by the Secretary. The Associate Administrator shall be the Chief Safety Officer of the Administration. The Associate Administrator shall carry out the duties and powers prescribed by the Administrator.

(g) Duties and Powers of the Administrator.—The Administrator shall carry out—

(1) duties and powers related to railroad safety vested in the Secretary by section 20134(c) and chapters 203 through 211 of this title, and by chapter 213 of this title for carrying out chapters 203 through 211;

(2) the duties and powers related to railroad policy and development under subsection (j); and

(3) other duties and powers prescribed by the Secretary.

(h) Limitation.—A duty or power specified in subsection (g)(1) may be transferred to another part of the Department of Transportation or another Federal Government entity only when specifically provided by law. A decision of the Administrator in carrying out the duties or powers of the Administration and involving notice and hearing required by law is administratively final.

(i) Authorities.—Subject to the provisions of subtitle I of title 40 and division C (except sections 3302, 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41, the Secretary of Transportation may make, enter into, and perform such contracts, grants, leases, cooperative agreements, and other similar transactions with Federal or other public agencies (including State and local governments) and private organizations and persons, and make such payments, by way of advance or reimbursement, as the Secretary may determine to be necessary or appropriate to carry out functions at the Administration. The authority of the Secretary granted by this subsection shall be carried out by the Administrator. Notwithstanding any other provision of this chapter, no authority to enter into contracts or to make payments under this subsection shall be effective, except as provided for in appropriations Acts.

(j) Additional Duties of the Administrator.—The Administrator shall—

(1) provide assistance to States in developing State rail plans prepared under chapter 227 and review all State rail plans submitted under that section; and

(2) develop a long-range national rail plan that is consistent with approved State rail plans and the rail needs of the Nation, as de-
terminated by the Secretary in order to promote an integrated, cohesive, efficient, and optimized national rail system for the movement of goods and people;

(3) develop a preliminary national rail plan within a year after the date of enactment of the Passenger Rail Investment and Improvement Act of 2008;

(4) develop and enhance partnerships with the freight and passenger railroad industry, States, and the public concerning rail development;

(5) support rail intermodal development and high-speed rail development, including high speed rail planning;

(6) ensure that programs and initiatives developed under this section benefit the public and work toward achieving regional and national transportation goals; and

(7) facilitate and coordinate efforts to assist freight and passenger rail carriers, transit agencies and authorities, municipalities, and States in passenger-freight service integration on shared rights of way by providing neutral assistance at the joint request of affected rail service providers and infrastructure owners relating to operations and capacity analysis, capital requirements, operating costs, and other research and planning related to corridors shared by passenger or commuter rail service and freight rail operations.

(k) PERFORMANCE GOALS AND REPORTS.—

(1) PERFORMANCE GOALS.—In conjunction with the objectives established and activities undertaken under subsection (j) of this section, the Administrator shall develop a schedule for achieving specific, measurable performance goals.

(2) RESOURCE NEEDS.—The strategy and annual plans shall include estimates of the funds and staff resources needed to accomplish each goal and the additional duties required under subsection (j).

(3) SUBMISSION WITH PRESIDENT'S BUDGET.—Beginning with fiscal year 2010 and each fiscal year thereafter, the Secretary shall submit to the Committee on Commerce, Science, and Transportation of the Senate, at the same time as the President’s budget submission, the Administration’s performance goals and schedule developed under paragraph (1), including an assessment of the progress of the Administration toward achieving its performance goals.

In subsection (a), the words “To carry out” are substituted for “for purposes of administering and enforcing” in 49:1652a for consistency and to eliminate surplus words. The words “under those laws” are substituted for “pursuant to Federal railroad safety laws” to eliminate surplus words. The words “is responsible” are substituted for “shall retain full and final responsibility” and “shall be responsible” to eliminate surplus words. The words “and for the establishment of all policies with respect to implementation of such laws” are omitted as surplus.

In subsection (b), the words “Each of these components” are omitted as surplus.

In subsection (c), the words “vested in the Secretary” are substituted for “as set forth in the statutes transferred to the Secretary” in 49:1655(f)(3)(A) for clarity and consistency. The words “section 6(e)(1), (2), and (6)(A) of the Department of Transportation Act” are substituted for “subsection (e) of this section, (other than subsection (e)(4) of this section)” in 49:1655(f)(3)(A) for clarity.

In subsection (d), the words “law” and “statute” are substituted for “of the Federal railroad Administration rather than the Secretary of Transportation.”

REFERENCES IN TEXT

The date of enactment of the Passenger Rail Investment and Improvement Act of 2008, referred to in subsection (j)(3), is the date of enactment of Pub. L. 110–432, which was approved Oct. 16, 2008.

AMENDMENTS

2011—Subsec. (a), Pub. L. 111–350, which directed substitution of “division C (except sections 3302, 3351(b), 3369, 3396, 4710, and 4711) of title I of title 49” for “title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.)” in subsection (e), was executed to subsection (1), to reflect the probable intent of Congress.

2008—Subsec. (a), Pub. L. 110–432, §307(1), (2), inserted heading and struck out at end “To carry out all railroad safety laws of the United States, the Administration is divided on a geographical basis into at least 8
safety offices. The Secretary of Transportation is responsible for all acts taken under those laws and for ensuring that the laws are uniformly administered and enforced among the safety offices.

Subsecs. (b) to (k). Pub. L. 110–432, §§ 101, 307(3), (4), added subsecs. (b) to (k) and struck out former subsecs. (b) to (e), which related to: in subsec. (b), Administrator as head of the Administration; in subsec. (c), Administrator’s duties and powers; in subsec. (d), transfer of duties or powers and effect of Administrator’s decision; and, in subsec. (e), authority of Secretary of Transportation.

erty’’ and substituted “(41 U.S.C. 251 et seq.)” for “(40 U.S.C. 471 et seq.)”.

1994—Subsec. (c)(1). Pub. L. 103–272 substituted “section 203–211 of this title,” and chapter 213 of this title in carrying out chapters 203–211” for “section 6(e)(1), (2), and (6)(A) of the Department of Transportation Act (49 App. U.S.C. 1655(e)(1), (2), and (6)(A))”.

UPDATE OF FEDERAL RAILROAD ADMINISTRATION’S WEBSITE

“(a) IN GENERAL.—The Secretary shall update the Federal Railroad Administration’s public website to better facilitate the ability of the public, including those individuals who are not regular users of the public website, to find current information regarding the Federal Railroad Administration’s activities.

“(b) PUBLIC REPORTING OF VIOLATIONS.—On the Federal Railroad Administration’s public website’s home page, the Secretary shall provide a mechanism for the public to submit written reports of potential violations of Federal railroad safety and hazardous materials transportation laws, regulations, and orders to the Federal Railroad Administration.”

[For definitions of “Secretary” and “railroad”, as used in section 307 of Pub. L. 110–432, see section 2(a) of Pub. L. 110–432, set out as a note under section 20102 of this title.]

FEDERAL RAILROAD ADMINISTRATION—FEDERAL AID PROGRAMS

“(a) HIGH-SPEED RAILROADS.—The Secretary shall provide Federal railroads with grants to purchase, lease, or otherwise obtain and operate, including necessary equipment, for Federal Railroad Administration employees, and to either pay directly recurring monthly charges or to reimburse a percentage of such monthly charges which are paid by such employees: Provided, That the Federal Railroad Administration certifies that adequate safeguards against private misuse exist, and that the service is necessary for direct support of the agency’s mission.”

§ 104. Federal Highway Administration

(a) The Federal Highway Administration is an administration in the Department of Transportation.

(b)(1) The head of the Administration is the Administrator who is appointed by the President, by and with the advice and consent of the Senate. The Administrator reports directly to the Secretary of Transportation.

(2) The Administration has a Deputy Federal Highway Administrator who is appointed by the Secretary, with the approval of the President. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

(3) The Administration has an Assistant Federal Highway Administrator appointed in the competitive service by the Secretary, with the approval of the President. The Assistant Administrator is the chief engineer of the Administration. The Assistant Administrator shall carry out duties and powers prescribed by the Administrator.

(c) The Administrator shall carry out—

(1) duties and powers vested in the Secretary by chapter 4 of title 23 for highway safety programs, research, and development related to highway design, construction and maintenance, traffic control devices, identification and surveillance of accident locations, and highway-related aspects of pedestrian safety; and

(2) additional duties and powers prescribed by the Secretary.

(d) Notwithstanding the provisions of sections 101(d) and 144 of title 23, highway bridges determined to be unreasonable obstructions to navigation under the Truman-Hobbs Act may be funded from amounts set aside from the discretionary bridge program. The Secretary shall transfer these allocations and the responsibility for administration of these funds to the United States Coast Guard.

In subsection (b)(1), the words “Each of these components” are omitted as surplus.

In subsection (b)(2), the words “In addition to the Administrator of the Federal Highway Administration authorized by section 3(e) of the Department of Transportation Act” in 23:303(a)(1) (1st sentence) are omitted as surplus.

In subsection (b)(3), the words “in the competitive service” are substituted for “under the classified civil service.”
service” to conform to §2182. The text of 23:303(b), (c) is omitted as unnecessary because sections 322 and 323 of the revised title restate the authority of the Secretary of Transportation.

In subsection (c), the source provisions are consolidated. The words “The Administrator shall carry out duties and powers” are substituted for “The Secretary shall carry out through the Federal Highway Administration those provisions of the Highway Safety Act of 1966 . . . for” in 23:401 (note) and “carry out the functions, powers, and duties of the Secretary” in 49:1655(f)(3)(B) as being more precise, to eliminate unnecessary words, and for consistency. The words “vested in the Secretary” are substituted for “as set forth in section 104 of Title 23, Highways” for clarity and consistency.

"(a) IN GENERAL.—
(1) ELIMINATION.—The Secretary [of Transportation] shall eliminate any programmatic decision-making responsibility of the regional offices of the Federal Highway Administration for the Federal-aid highway program as part of the Administration’s efforts to restructure its field organization.
(2) ACTIVITIES.—In carrying out paragraph (1), the Secretary shall eliminate regional offices, create technical resource centers, and, to the maximum extent practicable, delegate authority to State offices of the Federal Highway Administration.

(b) PREFERENCE.—In locating the technical resource centers, the Secretary shall give preference to cities that house, on the date of enactment of this Act [June 9, 1998], the Federal Highway Administration regional offices and are in locations that minimize the travel distance between the technical resource centers and the Federal Highway Administration division offices that will be served by the new technical resource centers.

(c) REPORT TO CONGRESS.—The Secretary shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a detailed implementation plan to carry out this section not later than September 30, 1998, and thereafter provide periodic progress reports on carrying out this section to such Committees.

(d) IMPLEMENTATION.—The Secretary shall begin implementation of the plan transmitted under subsection (c) not later than December 31, 1998."

§ 105. National Highway Traffic Safety Administration

(a) The National Highway Traffic Safety Administration is an administration in the Department of Transportation.

(b) The head of the Administration is the Administrator who is appointed by the President, by and with the advice and consent of the Senate. The Administration has a Deputy Administrator who is appointed by the Secretary of Transportation, with the approval of the President.

(c) The Administrator shall carry out—
(1) duties and powers vested in the Secretary by chapter 4 of title 23, except those related to highway design, construction and maintenance, traffic control devices, identification and surveillance of accident locations, and highway-related aspects of pedestrian safety; and
(2) additional duties and powers prescribed by the Secretary.

(d) The Secretary may carry out chapter 301 of this title through the Administrator.

(e) The Administrator shall consult with the Federal Highway Administrator on all matters related to the design, construction, maintenance, and operation of highways.

In subsection (a), the words “The . . . is an administration in the” are substituted for “There is hereby established within the”, in section 201(a) (1st sentence) of the Highway Safety Act of 1966 (Pub. L. 89–564, 80 Stat. 731) to conform to other sections of the revised title. The words “(hereafter in this section referred to as the Administration)’’ are omitted as unnecessary.

In subsection (c), the words “carry out . . . duties and powers . . . prescribed by the Secretary” are substituted for “perform such duties as are delegated to him by the Secretary” to eliminate surplus words and for consistency. The list of excepted programs in clause (1) is substituted for “highway safety programs, research and development not specifically referred to in paragraph (1) of this subsection”, in section 201(b)(2) of the Highway Safety Act of 1966 for clarity.

In subsection (d), the words “Administration . . . authorized by this section” are omitted as surplus.

The text of section 201(d) of the Highway Safety Act of 1966 is omitted as executed.

AMENDMENTS

§ 106. Federal Aviation Administration

(a) The Federal Aviation Administration is an administration in the Department of Transportation.

(b) The head of the Administration is the Administrator. The Administration has a Deputy Administrator. They are appointed by the President, by and with the advice and consent of the Senate. When making an appointment, the President shall consider the fitness of the individual to carry out efficiently the duties and powers of the office. Except as provided in subsection (f) or in other provisions of law, the Administrator reports directly to the Secretary of Transportation. The term of office for any individual appointed as Administrator after August 23, 1994, shall be 5 years.

(c) The Administrator must—

(1) be a citizen of the United States;
(2) be a civilian; and
(3) have experience in a field directly related to aviation.

(d)(1) The Deputy Administrator must be a citizen of the United States and have experience in a field directly related to aviation. An officer on active duty in an armed force may be appointed as Deputy Administrator. However, if the Administrator is a former regular officer of an armed force, the Deputy Administrator may not be an officer on active duty in an armed force, a retired regular officer of an armed force, or a former regular officer of an armed force.

(2) The annual rate of basic pay of the Deputy Administrator shall be set by the Secretary but shall not exceed the annual rate of basic pay payable to the Administrator of the Federal Aviation Administration.

(3) An officer on active duty or a retired officer serving as Deputy Administrator is entitled to hold a rank and grade not lower than that held when appointed as Deputy Administrator. The Deputy Administrator may elect to receive (A) the pay provided by law for the Deputy Administrator, or (B) the pay and allowances or the retired pay of the military grade held. If the Deputy Administrator elects to receive the military pay and allowances or retired pay, the Administration shall reimburse the appropriate military department from funds available for the expenses of the Administration.

(4) The appointment and service of a member of the armed forces as a Deputy Administrator does not affect the status, office, rank, or grade held by that member, or a right or benefit arising from the status, office, rank, or grade. The Secretary of a military department does not control the member when the member is carrying out duties and powers of the Deputy Administrator.

(e) The Administrator and the Deputy Administrator may not have a pecuniary interest in, or own stock in or bonds of, an aeronautical enterprise, or engage in another business, vocation, or employment.

(f) AUTHORITY OF THE SECRETARY AND THE ADMINISTRATOR.—

(1) AUTHORITY OF THE SECRETARY.—Except as provided in paragraph (2), the Secretary of Transportation shall carry out the duties and powers, and controls the personnel and activities, of the Administration. Neither the Secretary nor the Administrator may submit decisions for the approval of, or be bound by the decisions or recommendations of, a committee, board, or organization established by executive order.

(2) AUTHORITY OF THE ADMINISTRATOR.—The Administrator—

(A) is the final authority for carrying out all functions, powers, and duties of the Administration relating to—

(i) the appointment and employment of all officers and employees of the Administration (other than Presidential and political appointees);

(ii) the acquisition and maintenance of property, services, and equipment of the Administration;

(iii) except as otherwise provided in paragraph (3), the promulgation of regulations, rules, orders, circulars, bulletins, and other official publications of the Administration; and

(iv) any obligation imposed on the Administrator, or power conferred on the Administrator, by the Air Traffic Management System Performance Improvement Act of 1996 (or any amendment made by that Act);

(B) shall offer advice and counsel to the President with respect to the appointment and qualifications of any officer or employee of the Administration to be appointed by the President or as a political appointee;

(C) may delegate, and authorize successive redelegations of, to an officer or employee of the Administration any function, power, or duty conferred upon the Administrator, unless such delegation is prohibited by law; and

(D) except as otherwise provided for in this title, and notwithstanding any other provision of law, shall not be required to coordinate, submit for approval or concurrence, or seek the advice or views of the Secretary or any other officer or employee of the Department of Transportation on any matter with respect to which the Administrator is the final authority.
§ 106

TITe 49—TRANSPORTATION

(3) REGULATIONS.—

(A) IN GENERAL.—In the performance of the functions of the Administrator and the Administration, the Administrator is authorized to issue, rescind, and revise such regulations as are necessary to carry out those functions. The issuance of such regulations shall be governed by the provisions of chapter 5 of title 5. The Administrator shall act upon all petitions for rulemaking no later than 6 months after the date such petitions are filed by dismissing such petitions, by informing the petitioner of an intention to dismiss, or by issuing a notice of proposed rulemaking or advanced notice of proposed rulemaking. The Administrator shall issue a final regulation, or take other final action, not later than 16 months after the last day of the public comment period for the regulations or, in the case of an advanced notice of proposed rulemaking, if issued, not later than 24 months after the date of publication in the Federal Register of notice of the proposed rulemaking. On February 1 and August 1 of each year the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a letter listing each deadline during the 6-month period ending on such date, including an explanation for missing the deadline and a projected date on which the action that was subject to the deadline will be taken.

(B) APPROVAL OF SECRETARY OF TRANSPORTATION.—(1) The Administrator may not issue a proposed regulation or final regulation that is likely to result in the expenditure by State, local, and tribal governments in the aggregate, or by the private sector, of $250,000,000 or more (adjusted annually for inflation beginning with the year following the date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996 and that have been in force for more than 3 years). The periodic review of regulations may be performed by advisory committees and the Management Advisory Council established under subsection (p).

(ii) For purposes of this subparagraph, the term “unusually burdensome regulation” means any regulation that results in the annual expenditure by State, local, and tribal governments in the aggregate, or by the private sector, of $25,000,000 or more (adjusted annually for inflation beginning with the year following the date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996 and that have been in force for more than 3 years).

(4) DEFINITION OF POLITICAL APPOINTEE.—For purposes of this subsection, the term “political appointee” means any individual who—

(A) is employed in a position listed in sections 5312 through 5316 of title 5 (relating to the Executive Schedule);

(B) is a limited term appointee, limited emergency appointee, or noncareer appointee in the Senior Executive Service, as defined in section 5374 of title 5; or

(C) is employed in a position in the executive branch of the Government of a confidential or policy-determining character under schedule C of part 213 of title 5 of the Code of Federal Regulations.

(g) DUTIES AND POWERS OF ADMINISTRATOR.—(1) Except as provided in paragraph (2) of this subsection, the Administrator shall carry out—

(A) duties and powers of the Secretary of Transportation under subsection (f) of this
section related to aviation safety (except those related to transportation, packaging, marking, or description of hazardous material) and stated in sections 308(b), 1132(c) and (d), 40101(c), 40103(b), 40106(a), 40108(b), 40113(c), 40113(d), 40115(e), 40118(a), and 40119, chapter 445 (except sections 44501(b), 44502(a)(2), 44502(a)(3), 44502(a)(4), 44503, 44506, 44509, 44510, 44514, and 44515), chapter 447 (except sections 44717, 44718(a), 44718(b), 44719, 44720, 44721(b), 44722, and 44723), chapter 449 (except sections 44903(d), 44904, 44905, 44907–44911, 44913, 44914, and 44931–44934), chapter 451, chapter 453, sections 46014, 46301(d) and (h)(2), 46303(c), 46304–46308, 46310, 46311, and 46313–46316, chapter 465, and sections 47501(h) (related to flight procedures), 47506(a), and 48107 of this title; and

(B) additional duties and powers prescribed by the Secretary of Transportation.

(2) In carrying out sections 40119, 44901, 44903(a)–(c) and (e), 44904, 44906, 44912, 44935–44937, 44938(a) and (b), and 48107 of this title, paragraph (1)(A) of this subsection does not apply to duties and powers vested in the Director of Intelligence and Security by section 44931 of this title.

(h) Section 40101(d) of this title applies to duties and powers specified in subsection (g)(1) of this section. Any of those duties and powers may be transferred to another part of the Department only when specifically provided by law or a reorganization plan submitted under chapter 9 of title 5. A decision of the Administrator in carrying out those duties or powers is administratively final.

(i) The Deputy Administrator shall carry out duties and powers prescribed by the Administrator. The Deputy Administrator acts for the Administrator when the Administrator is absent or unable to serve, or when the office of the Administrator is vacant.

(j) There is established within the Federal Aviation Administration an institute to conduct civil aeromedical research under section 44507 of this title. Such institute shall be known as the “Civil Aeromedical Institute”. Research conducted by the institute should take appropriate advantage of capabilities of other government agencies, universities, or the private sector.

(k) AUTHORIZATION OF APPROPRIATIONS FOR OPERATIONS.—

(1) SALARIES, OPERATIONS, AND MAINTENANCE.—There is authorized to be appropriated to the Secretary of Transportation for salaries, operations, and maintenance of the Administration—

(A) $7,591,000,000 for fiscal year 2004;

(B) $7,732,000,000 for fiscal year 2005;

(C) $7,889,000,000 for fiscal year 2006;

(D) $8,064,000,000 for fiscal year 2007;

(E) $9,042,467,000 for fiscal year 2008; and

(F) $9,350,028,000 for fiscal year 2010.

Such sums shall remain available until expended.

(2) AUTHORIZED EXPENDITURES.—Out of amounts appropriated under paragraph (1), the following expenditures are authorized:

(A) Such sums as may be necessary for fiscal years 2004 through 2007 to support infrastructure systems development for both general aviation and the vertical flight industry.

(B) Such sums as may be necessary for fiscal years 2004 through 2007 to establish helicopter approach procedures using current technologies (such as the Global Positioning System) to support all-weather, emergency medical service for trauma patients.

(C) Such sums as may be necessary for fiscal years 2004 through 2007 to revise existing terminal and en route procedures and instrument flight rules to facilitate the takeoff, flight, and landing of tiltrotor aircraft and to improve the national airspace system by separating such aircraft from congested flight paths of fixed-wing aircraft.

(D) Such sums as may be necessary for fiscal years 2004 through 2007 for the Center for Management Development of the Federal Aviation Administration to operate training courses and to support associated student travel for both residential and field courses.

(E) Such sums as may be necessary for fiscal years 2004 through 2007 to carry out and expand the Air Traffic Control Collegiate Training Initiative.

(F) Such sums as may be necessary for fiscal years 2004 through 2007 for the completion of the Alaska aviation safety project with respect to the 3 dimensional mapping of Alaska’s main aviation corridors.

(G) Such sums as may be necessary for fiscal years 2004 through 2007 to carry out the Aviation Safety Reporting System.

(l) PERSONNEL AND SERVICES.—

(1) OFFICERS AND EMPLOYEES.—Except as provided in subsections (a) and (g) of section 40122, the Administrator is authorized, in the performance of the functions of the Administrator, to appoint, transfer, and fix the compensation of such officers and employees, including attorneys, as may be necessary to carry out the functions of the Administrator and the Administration. In fixing compensation and benefits of officers and employees, the Administrator shall not engage in any type of bargaining, except to the extent provided for in section 40122(a), nor shall the Administrator be bound by any requirement to establish such compensation or benefits at particular levels.

(2) EXPERTS AND CONSULTANTS.—The Administrator is authorized to obtain the services of experts and consultants in accordance with section 3109 of title 5.

(3) TRANSPORTATION AND PER DIEM EXPENSES.—The Administrator is authorized to pay transportation expenses, and per diem in lieu of subsistence expenses, in accordance with chapter 57 of title 5.

(4) USE OF PERSONNEL FROM OTHER AGENCIES.—The Administrator is authorized to utilize the services of personnel of any other Federal agency (as such term is defined under section 551(1) of title 5).

(5) VOLUNTARY RULE.—In exercising the authority to accept gifts and voluntary services under section 326 of this title, and without regard to section 1342 of title 31, the Ad-
administerator may not accept voluntary and uncompensated services if such services are used to displace Federal employees employed on a full-time, part-time, or seasonal basis.

(B) INCIDENTAL EXPENSES.—The Administrator is authorized to provide for incidental expenses, including transportation, lodging, and subsistence, for volunteers who provide voluntary services under this subsection.

(C) LIMITED TREATMENT AS FEDERAL EMPLOYEES.—An individual who provides voluntary services under this subsection shall not be considered a Federal employee for any purpose other than for purposes of chapter 81 of title 5, relating to compensation for work injuries, and chapter 171 of title 28, relating to tort claims.

(6) CONTRACTS.—The Administrator is authorized to enter into and perform such contracts, leases, cooperative agreements, or other transactions as may be necessary to carry out the functions of the Administrator and the Administration. The Administrator may enter into such contracts, leases, cooperative agreements, and other transactions with any Federal agency (as such term is defined in section 551(1) of title 5) or any instrumentality of the United States, any State, territory, or possession, or political subdivision thereof, any other governmental entity, or any person, firm, association, corporation, or educational institution, on such terms and conditions as the Administrator may consider appropriate.

(m) COOPERATION BY ADMINISTRATOR.—With the consent of appropriate officials, the Administrator may, with or without reimbursement, use or accept the services, equipment, personnel, and facilities of any other Federal agency (as such term is defined in section 551(1) of title 5) and any other public or private entity. The Administrator may also cooperate with appropriate officials of other public and private agencies and instrumentalities concerning the use of services, equipment, personnel, and facilities. The head of each Federal agency shall cooperate with the Administrator in making the services, equipment, personnel, and facilities of the Federal agency available to the Administrator. The head of a Federal agency is authorized, notwithstanding any other provision of law, to transfer to or to receive from the Administration, without reimbursement, supplies, personnel, services, and equipment other than administrative supplies or equipment.

(n) ACQUISITION.—

(1) IN GENERAL.—The Administrator is authorized—

(A) to acquire (by purchase, lease, condemnation, or otherwise), construct, improve, repair, operate, and maintain—

(i) air traffic control facilities and equipment;

(ii) research and testing sites and facilities; and

(iii) such other real and personal property (including office space and patents), or any interest therein, within and outside the continental United States as the Administrator considers necessary;

(B) to lease to others such real and personal property; and

(C) to provide by contract or otherwise for eating facilities and other necessary facilities for the welfare of employees of the Administration at the installations of the Administration, and to acquire, operate, and maintain equipment for these facilities.

(2) TITLE.—Title to any property or interest therein acquired pursuant to this subsection shall be held by the Government of the United States.

(o) TRANSFERS OF FUNDS.—The Administrator is authorized to accept transfers of unobligated balances and unexpended balances of funds appropriated to other Federal agencies (as such term is defined in section 551(1) of title 5) to carry out functions transferred by law to the Administrator or functions transferred pursuant to law to the Administrator on or after the date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996.

(p) MANAGEMENT ADVISORY COUNCIL AND AIR TRAFFIC SERVICES BOARD.—

(1) ESTABLISHMENT.—Within 3 months after the date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996, the Administrator shall establish an advisory council which shall be known as the Federal Aviation Management Advisory Council (in this subsection referred to as the ‘‘Council’’). With respect to Administration management, policy, spending, funding, and regulatory matters affecting the aviation industry, the Council may submit comments, recommended modifications, and dissenting views to the Administrator. The Administrator shall include in any submission to Congress, the Secretary, or the general public, and in any submission for publication in the Federal Register, a description of the comments, recommended modifications, and dissenting views received from the Council, together with the reasons for any differences between the views of the Council and the views or actions of the Administrator.

(2) MEMBERSHIP.—The Council shall consist of 13 members, who shall consist of—

(A) a designee of the Secretary of Transportation;

(B) a designee of the Secretary of Defense; and

(C) 10 members representing aviation interests, appointed by—

(i) in the case of initial appointments to the Council, the President by and with the advice and consent of the Senate, except that initial appointments made after May 1, 2003, shall be made by the Secretary of Transportation; and

(ii) in the case of subsequent appointments to the Council, the Secretary of Transportation; and

(D) 1 member appointed, from among individuals who are the leaders of their respective unions of air traffic control system employees, by the Secretary of Transportation.

(3) QUALIFICATIONS.—No officer or employee of the United States Government may be appointed to the Council under paragraph (2)(C) or to the Air Traffic Services Committee.
§ 106

(4) FUNCTIONS.—
(A) IN GENERAL.—(i) The Council shall provide advice and counsel to the Administrator on issues which affect or are affected by the operations of the Administrator. The Council shall function as an oversight resource for management, policy, spending, and regulatory matters under the jurisdiction of the Administration.

(ii) The Council shall review the rulemaking cost-benefit analysis process and develop recommendations to improve the analysis and ensure that the public interest is fully protected.

(iii) The Council shall review the process through which the Administration determines to use advisory circulars and service bulletins.

(B) MEETINGS.—The Council shall meet on a regular and periodic basis or at the call of the chairman or of the Administrator.

(C) ACCESS TO DOCUMENTS AND STAFF.—The Administration may give the Council or the Air Traffic Services Committee appropriate access to relevant documents and personnel of the Administration, and the Administrator shall make available, consistent with the authority to withhold commercial and other proprietary information under section 552 of title 5 (commonly known as the “Freedom of Information Act”), cost data associated with the acquisition and operation of air traffic service systems. Any member of the Council or the Air Traffic Services Committee who receives commercial or other proprietary data from the Administrator shall be subject to the provisions of section 1905 of title 18, pertaining to unauthorized disclosure of such information.

(D) FEDERAL ADVISORY COMMITTEE ACT NOT TO APPLY.—The Federal Advisory Committee Act (5 U.S.C. App.) does not apply to the Council, the Air Traffic Services Committee, or such aviation rulemaking committees as the Administrator shall designate.

(E) ADMINISTRATIVE MATTERS.—
(A) TERMS OF MEMBERS APPOINTED UNDER PARAGRAPH (2)(C).—Members of the Council appointed under paragraph (2)(C) shall be appointed for a term of 3 years. Of the members first appointed by the President under paragraph (2)(C)(i) shall be filled by the Secretary in accordance with paragraph (2)(C)(ii). Any member appointed to fill a vacancy occurring before the expiration of the term for which the member’s predecessor was appointed shall be appointed for the remainder of that term.

(B) CONTINUATION IN OFFICE.—A member of the Council or committee whose term expires shall continue to serve until the date on which the member’s successor takes office.

(G) REMOVAL.—Any member of the Council appointed under paragraph (2)(D) may be removed for cause by the President or Secretary whoever makes the appointment. Any member of the Committee may be removed for cause by the Secretary.

(H) CLAIMS AGAINST MEMBERS OF COMMITTEE.—
(i) IN GENERAL.—A member appointed to the Committee shall have no personal liability under Federal law with respect to any claim arising out of or resulting from an act or omission by such member within the scope of service as a member of the Committee.

(ii) EFFECT ON OTHER LAW.—This subparagraph shall not be construed—
(I) to affect any other immunity or protection that may be available to a member of the Subcommittee under applicable law with respect to such transactions;

(II) to affect any other right or remedy against the United States under applicable law; or

(III) to limit or alter in any way the immunities that are available under applicable law for Federal officers and employees.

(I) ETHICAL CONSIDERATIONS.—
(i) FINANCIAL DISCLOSURE.—During the entire period that an individual is serving as a member of the Committee, such individual shall be treated as serving as an officer or employee referred to in section 101(f) of the Ethics in Government Act of 1978 for purposes of title I of such Act, except that section 101(d) of such Act shall apply without regard to the number of days of service in the position.

(ii) RESTRICTIONS ON POST-EMPLOYMENT.—For purposes of section 207(c) of title 18, an individual who is a member of the Com-
§ 106

(2) The Council shall establish a committee that is independent of the Council by converting the Air Traffic Services Committee (in effect on the day before the date of enactment of the Vision 100—Century of Aviation Reauthorization Act, into such committee. (ii) be a member of any organization that engages, as a substantial part of its activities, in activities to influence aviation-related legislation.

(iii) be a member of any organization that engages, as a substantial part of its activities, in activities to influence aviation-related legislation.

(iv) engage in another business related to aviation or aeronautics; or

(v) be a member of any organization that engages, as a substantial part of its activities, in activities to influence aviation-related legislation.

(D) GENERAL RESPONSIBILITIES.—

(i) OVERSIGHT.—The Committee shall conduct direction, and supervision of the air traffic control system.

(ii) CONFIDENTIALITY.—The Committee shall ensure that appropriate confidentiality is maintained in the exercise of its duties.

(E) SPECIFIC RESPONSIBILITIES.—The Committee shall have the following specific responsibilities:

(i) STRATEGIC PLANS.—To review, approve, and monitor the strategic plan for the air traffic control system, including the establishment of—

(A) a mission and objectives;

(B) standards of performance relative to such mission and objectives, including safety, efficiency, and productivity; and

(C) annual and long-range strategic plans.

(ii) MODERNIZATION AND IMPROVEMENT.—

To review and approve—

(A) methods to accelerate air traffic control modernization and improvements in aviation safety related to air traffic control; and

(B) procurements of air traffic control equipment in excess of $100,000,000.

(iii) OPERATIONAL PLANS.—To review the operational functions of the air traffic control system, including—

(A) plans for modernization of the air traffic control system;

(B) plans for increasing productivity or implementing cost-saving measures; and

(C) plans for training and education.

(iv) MANAGEMENT.—To—

(A) review and approve the Administrator's appointment of a Chief Operating Officer under section 106(r);

(B) review the Administrator's selection, evaluation, and compensation of senior executives of the Administration who have program management responsibility over significant functions of the air traffic control system;

(C) review and approve the Administrator's plans for any major reorganization of the Administration that would impact on the management of the air traffic control system;

(D) review and approve the Administrator's cost accounting and financial management structure and technologies to help ensure efficient and cost-effective air traffic control operation; and
(V) review the performance and compensation of managers responsible for major acquisition projects, including the ability of the managers to meet schedule and budget targets.

(v) BUDGET.—To—

(I) review and make recommendations on the budget request the Administration related to the air traffic control system prepared by the Administrator;

(II) submit such budget recommendations to the Secretary; and

(III) base such budget recommendations on the annual and long-range strategic plans.

(F) COMMITTEE PERSONNEL MATTERS AND EXPENSES.—

(i) PERSONNEL MATTERS.—The Committee may appoint and terminate for purposes of employment by the Committee any personnel that may be necessary to enable the Committee to perform its duties, and may procure temporary and intermittent services under section 40122.

(ii) TRAVEL EXPENSES.—Each member of the Committee shall receive travel expenses, including per diem in lieu of subsistence, in accordance with applicable provisions under subchapter I of chapter 57 of title 5, United States Code.

(G) ADMINISTRATIVE MATTERS.—

(i) POWERS OF CHAIR.—Except as otherwise provided by a majority vote of the Committee, the powers of the chairperson shall include—

(I) establishing committees;

(II) setting meeting places and times;

(III) establishing meeting agendas; and

(IV) developing rules for the conduct of business.

(ii) MEETINGS.—The Committee shall meet at least quarterly and at such other times as the chairperson determines appropriate.

(iii) QUORUM.—Three members of the Committee shall constitute a quorum. A majority of members present and voting shall be required for the Committee to take action.

(H) REPORTS.—

(i) ANNUAL.—The Committee shall each year report with respect to the conduct of its responsibilities under this title to the Secretary, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate.

(ii) ADDITIONAL REPORT.—If a determination by the Committee under subparagraph (D)(i) that the organization and operation of the air traffic control system are not allowing the Administration to carry out its mission, the Committee shall report such determination to the Secretary, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate.

(iii) ACTION OF ADMINISTRATOR ON REPORT.—Not later than 60 days after the date of a report of the Committee under this subparagraph, the Administrator shall take action with respect to such report. If the Administrator overturns a recommendation of the Committee, the Administrator shall report such action to the President, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate.

(iv) COMPTROLLER GENERAL’S REPORT.—Not later than April 30, 2003, the Comptroller General of the United States shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the success of the Committee in improving the performance of the air traffic control system.

(I) AUTHORIZATION.—There are authorized to be appropriated to the Committee such sums as may be necessary for the Committee to carry out its activities.

(8) AIR TRAFFIC CONTROL SYSTEM DEFINED.—In this section, the term “air traffic control system” has the meaning such term has under section 40102(a).

(q) AIRCRAFT NOISE OMBUDSMAN.—

(1) ESTABLISHMENT.—There shall be in the Administration an Aircraft Noise Ombudsman.

(2) GENERAL DUTIES AND RESPONSIBILITIES.—The Ombudsman shall—

(A) be appointed by the Administrator;

(B) serve as a liaison with the public on issues regarding aircraft noise; and

(C) be consulted when the Administration proposes changes in aircraft routes so as to minimize any increases in aircraft noise over populated areas.

(3) NUMBER OF FULL-TIME EQUIVALENT EMPLOYEES.—The appointment of an Ombudsman under this subsection shall not result in an increase in the number of full-time equivalent employees in the Administration.

(r) CHIEF OPERATING OFFICER.—

(1) IN GENERAL.—

(A) APPOINTMENT.—There shall be a Chief Operating Officer for the air traffic control system to be appointed by the Administrator, with the approval of the Air Traffic Services Committee. The Chief Operating Officer shall report directly to the Administrator and shall be subject to the authority of the Administrator.

(B) QUALIFICATIONS.—The Chief Operating Officer shall have a demonstrated ability in management and knowledge of or experience in aviation.

(C) TERM.—The Chief Operating Officer shall be appointed for a term of 5 years.

(D) REMOVAL.—The Chief Operating Officer shall serve at the pleasure of the Administrator, except that the Administrator shall make every effort to ensure stability and continuity in the leadership of the air traffic control system.
(E) VACANCY.—Any individual appointed to fill a vacancy in the position of Chief Operating Officer occurring before the expiration of the term for which the individual’s predecessor was appointed shall be appointed for the remainder of that term.

(2) COMPENSATION.—

(A) IN GENERAL.—The Chief Operating Officer shall be paid at an annual rate of basic pay to be determined by the Administrator, with the approval of the Air Traffic Services Committee. The annual rate may not exceed the annual compensation paid under section 102 of title 3. The Chief Operating Officer shall prepare and transmit to the Administrator and the Committee; and

(B) BONUS.—In addition to the annual rate of basic pay authorized by subparagraph (A), the Chief Operating Officer may receive a bonus for any calendar year not to exceed 30 percent of the annual rate of basic pay, based upon the Administrator’s evaluation of the Chief Operating Officer’s performance in relation to the performance goals set forth in the performance agreement described in paragraph (3).

(3) ANNUAL PERFORMANCE AGREEMENT.—The Administrator and the Chief Operating Officer, in consultation with the Air Traffic Services Committee, shall enter into an annual performance agreement that sets forth measurable organization and individual goals for the Chief Operating Officer in key operational areas. The agreement shall be subject to review and renegotiation on an annual basis.

(4) ANNUAL PERFORMANCE REPORT.—The Chief Operating Officer shall prepare and transmit to the Secretary of Transportation, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate an annual management report containing such information as may be prescribed by the Secretary.

(5) RESPONSIBILITIES.—The Administrator may delegate to the Chief Operating Officer, or any other authority within the Administration, responsibilities, including the following:

(A) STRATEGIC PLANS.—To implement the strategic plan of the Administration for the air traffic control system in order to further—

(i) a mission and objectives;

(ii) standards of performance relative to such mission and objectives, including safety, efficiency, and productivity;

(iii) annual and long-range strategic plans; and

In subsection (g), the words “are hereby transferred to” in 49:1655(c)(1) are omitted as executed. The words “carry out” are substituted for “shall be his duty to exercise” in 49:1655(c)(1) for clarity and consistency, and to eliminate surplus words. The words “In addition to” are substituted for “subject to” for clarity.

In subsection (h), the first sentence is substituted for 49:1655(c)(1) (2d sentence) for clarity and consistency. The word “law” is substituted for “statute” in 49:1652(e)(4) for consistency. The words “carrying out” in 49:1655(c)(1) (last sentence) are substituted for “the exercise of” for consistency. The words after “administratively final” are omitted as unnecessary because of the restatement of the revised title and those laws giving a right of appeal.

In subsection (i), the words “and exercise the powers of” are omitted as surplus. The words “when the office of the Administrator is vacant” are inserted to conform to section 102 of the revised title.

General references to "this title" deemed to refer also to chapters 509 and 511 of Title 51, National and Commercial Space Programs, see section 4(d)(8) of Pub. L. 112–156, set out as a note under section 101 of this title.

FEDERAL AVIATION ADMINISTRATION SCIENCE AND TECHNOLOGY SCHOLARSHIP PROGRAM

"(a) The Administrator of the Federal Aviation Administration shall establish a Federal Aviation Administration Science and Technology Scholarship Program to award scholarships to individuals that is designed to recruit and prepare students for careers in the Federal Aviation Administration.

"(b) Individuals shall be selected to receive scholarships under this section through a competitive process primarily on the basis of academic merit, with consideration given to financial need and the goal of promoting the participation of individuals identified in section 335 or 34 of the Science and Engineering Equal Opportunities Act (42 U.S.C. 1845a, 1845b).

"(c) To carry out the Program the Administrator shall enter into contractual agreements with individuals selected under paragraph (2) under which the individuals agree to serve as full-time employees of the Federal Aviation Administration, for the period described in subsection (f)(1), in positions needed by the Federal Aviation Administration and for which the individuals are qualified, in exchange for receiving a scholarship.

"(d) In order to be eligible to participate in the Program, an individual must—

"(1) be enrolled or accepted for enrollment as a full-time student at an institution of higher education, as a junior or senior undergraduate or graduate student, in an academic field or discipline described in the list made available under subsection (d);

"(2) be a United States citizen or permanent resident; and

"(3) at the time of the initial scholarship award, not be an employee (as defined in section 2105 of title 5, United States Code).

"(e) An individual seeking a scholarship under this section shall submit an application to the Administrator such time as in such manner containing such information, agreements, or assurances as the Administrator may require.

"(f) The period of service for which an individual is obligated under this section for more than 4 academic years, unless the Administrator grants a waiver.

"(g) The dollar amount of a scholarship under this section for an academic year shall be determined under regulations issued by the Administrator, but shall in no case exceed the cost of attendance.

"(h) A scholarship provided under this section may be expended for tuition, fees, and other authorized expenses as established by the Administrator by regulation.

"(i) The Administrator may enter into a contractual agreement with an institution of higher education under which the amounts provided for a scholarship under this section for tuition, fees, and other authorized expenses are paid directly to the institution with respect to which the scholarship is provided.

"(j) The period of service for which an individual is obligated under this section for tuition, fees, and other authorized expenses is paid directly to the institution with respect to which the scholarship is provided.

"(k) Scholarships recipients who fail to maintain a high level of academic standing, as defined by the Administrator by regulation, who are dismissed from their educational institutions for disciplinary reasons, or who voluntarily terminate academic training before graduation from the educational program for which the scholarship was awarded, shall be in breach of their contractual agreement and, in lieu of any service obligation arising under such agreement, shall be liable to the United States for repayment within 1 year after the date of default of all scholarship funds paid to them and to the institution of higher education on their behalf under the agreement, except as provided in subsection (h)(2). The repayment period may be extended by the Administrator when determined to be necessary, as established by regulation.

"(l) Scholarship recipients who, for any reason, fail to begin or complete their service obligation after completion of academic training, or fail to comply with the terms and conditions of deferment established by the Administrator pursuant to subsection (f)(2)(B), shall be in breach of their contractual agreement.

"(m) The total amount of scholarships received by such individual under this section; plus

"(n) The interest on the amounts of such awards which would be payable if at the time the awards were received they were loans bearing interest at the maximum legal prevailing rate, as determined by the Treasurer of the United States, multiplied by 3.

"(o) Any obligation of an individual incurred under the Program (or a contractual agreement thereunder) for service or payment shall be canceled upon the death of the individual.

"(p) Any obligation of an individual incurred under the Program (or a contractual agreement thereunder) for service or payment shall be canceled upon the death of the individual.
“(2) The Administrator shall by regulation provide for the partial or total waiver or suspension of any obligation of service or payment incurred by an individual under the Program (or a contractual agreement thereunder) whenever compliance by the individual is impossible or would involve extreme hardship to the individual, or if enforcement of such obligation with respect to the individual would be contrary to the best interests of the Government.

“(i) For purposes of this section—

“(1) the term ‘cost of attendance’ has the meaning given that term in section 472 of the Higher Education Act of 1965 [20 U.S.C. 1087f];

“(2) the term ‘institution of higher education’ has the meaning given that term in section 101(a) of the Higher Education Act of 1965 [20 U.S.C. 1001(a)]; and

“(3) the term ‘Program’ means the Federal Aviation Administration Science and Technology Scholarship Program established under this section.

“(ii) There is authorized to be appropriated to the Federal Aviation Administration for the Program $10,000,000 for each fiscal year.

“(k) The Administrator may provide temporary internships to full-time students enrolled in an undergraduate or postgraduate program leading to an advanced degree in an aerospace-related or aviation safety-related field of endeavor.”

INTERNET AVAILABILITY OF INFORMATION

Pub. L. 106–181, title IX, § 903, Apr. 5, 2000, 114 Stat. 196, provided that: “The Administrator [of the Federal Aviation Administration] shall make available through the Internet home page of the Federal Aviation Administration the abstracts relating to all research grants and awards made with funds authorized by the amendments made with funds authorized by the amendments made by this Act [see Tables for classification]. Nothing in this section shall be construed to require or permit the release of any information prohibited by law or regulation from being released to the public.”

FINDINGS

Section 221 of Pub. L. 104–264 provided that: “Congress finds the following:

“(1) in many respects the Administration is a unique agency, being one of the few non-defense government agencies that operates 24 hours a day, 365 days of the year, while continuing to rely on outdated technology to carry out its responsibilities for a state-of-the-art industry;

“(2) until January 1, 1996, users of the air transportation system paid 70 percent of the budget of the Administration, with the remaining 30 percent coming from the General Fund. The General Fund contribution over the years is one measure of the benefit received by the general public, military, and other user's services.

“(3) the Administration must become a more efficient, effective, and different organization to meet future challenges.

“(4) the need to balance the Federal budget means that it may become more and more difficult to obtain sufficient General Fund contributions to meet the Administration's future budget needs.

“(5) Congress must keep its commitment to the users of the national air transportation system by seeking to spend all moneys collected from them each year and deposited into the Airport and Airway Trust Fund. Existing surpluses representing past revenues must also be spent for the purposes for which such funds were collected.

“(6) the aviation community and the employees of the Administration must come together to improve the system. The Administration must continue to recognize who its customers are and what their needs are, and to design and redesign the system to make safety improvements and increase productivity.

“(7) the Administration projects that commercial operations will increase by 18 percent and passenger traffic by 35 percent by the year 2002. Without effective airport expansion and system modernization, these needs cannot be met.

“(8) Absent significant and meaningful reform, future challenges and needs cannot be met.

“(9) the Administration must have a new way of doing business.

“(10) there is widespread agreement within government and the aviation industry that reform of the Administration is essential to safely and efficiently accommodate the projected growth of aviation within the next decade.

“(11) to the extent that Congress determines that certain segments of the aviation community are not required to pay all of the costs of the government services which they require and benefits which they receive, Congress should appropriate the difference between such costs and any receipts received from such segment.

“(12) prior to the imposition of any new charges or user fees on segments of the industry, an independent review must be performed to assess the funding needs and assumptions for operations, capital spending, and airport infrastructure.

“(13) an independent, thorough, and complete study and assessment must be performed of the costs to the Administration and the costs driven by each segment of the aviation system for safety and operational services, including the use of the air traffic control system and the Nation's airports.

“(14) because the Administration is a unique Federal entity in that it is a participant in the daily operations of an industry, and because the national air transportation system faces significant problems without significant changes, the Administration has been authorized to change the Federal procurement and personnel systems to ensure that the Administration has the ability to keep pace with new technology and is able to match resources with the real personnel needs of the Administration.

“(15) the existing budget system does not allow for long-term planning or timely acquisition of technology by the Administration.

“(16) without reforms in the areas of procurement, personnel, funding, and governance, the Administration will continue to experience delays and cost overruns in its major modernization programs and needed improvements in the performance of the air traffic management system will not occur.

“(17) all reforms should be designed to help the Administration become more responsive to the needs of its customers and maintain the highest standards of safety.”

PURPOSES

Section 222 of title II of Pub. L. 104–264 provided that: “The purposes of this title [see Effective Date of 1996 Amendment note set out above] are—

“(1) to ensure that final action shall be taken on all notices of proposed rulemaking of the Administration within 18 months after the date of their publication;

“(2) to permit the Administration, with Congressional review, to establish a program to improve air traffic management system performance and to establish appropriate levels of cost accountability for air traffic management services provided by the Administration;

“(3) to establish a more autonomous and accountable Administration within the Department of Transportation; and

“(4) to make the Administration a more efficient and effective organization, able to meet the needs of a dynamic, growing industry, and to ensure the safety of the traveling public.”

PRESERVATION OF EXISTING AUTHORITY

Section 223(b) of title II of Pub. L. 104–264 provided that: “Nothing in this title [see Effective Date of 1996 Amendment note set out above] or the amendments
made by this title limits any authority granted to the Administrator by statute or by delegation that was in effect on the day before the date of the enactment of this Act [Oct. 9, 1996].

PERSONNEL MANAGEMENT SYSTEM FOR FEDERAL AVIATION ADMINISTRATION

Apr. 2, 1956, ch. 161, title I, 70 Stat. 84.

AVIATION SAFETY COMMISSION

APPOINTMENT OF RETIRED MILITARY OFFICER AS ADMINISTRATOR

Pub. L. 102–308, June 26, 1992, 106 Stat. 273, provided: ‘‘That notwithstanding the provisions of section 106 of title 49, United States Code, or any other provision of law, the President, acting by and with the advice and consent of the Senate, is authorized to appoint General Thomas C. Richards, United States Air Force, Retired, to the Office of Administrator of the Federal Aviation Administration, General Richards’’ appointment to, acceptance of, and service in that Office shall in no way affect the status, rank, and grade which he shall hold as an officer on the retired list of the United States Air Force, or any emolument, perquisite, right, privilege, or benefit incident to or arising out of any such status, office, rank, or grade, except to the extent that subchapter IV of chapter 55 of title 5, United States Code, affects the amount of retired pay to which he is entitled by law during his service as Administrator. So long as he serves as Administrator, General Richards shall receive the compensation of that Office at the rate which would be applicable if he were not an officer on the retired list of the United States Air Force, shall retain the status, rank, and grade which he now holds as an officer on the retired list of the United States Air Force, shall retain all emoluments, perquisites, rights, privileges, and benefits incident to or arising out of such status, office, rank, or grade, and shall in addition continue to receive the retired pay to which he is entitled by law, subject to the provisions of subchapter IV of chapter 55 of title 5, United States Code.’’

‘‘SEC. 2. In the performance of his duties as Administrator, General
Richards shall be subject to no supervision, control, restriction, or prohibition (military or otherwise) other than would be operative with respect to him if he were not an officer on the retired list of the United States Air Force.

"Sec. 3. Nothing in this Act shall be construed as approval by the Congress of any future appointments of military persons to the Office of Administrator of the Federal Aviation Administration."

Prior provisions authorizing the appointment of a retired military officer as Administrator were contained in the following acts:

EX. ORG. No. 1310. AIR TRAFFIC PERFORMANCE-BASED ORGANIZATION

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to further the improvement of air traffic services in ways that increase efficiency, take better advantage of new technologies, accelerate modernization efforts, and respond more effectively to the needs of the traveling public, while enhancing the safety, security, and efficiency of the Nation's air transportation system, it is hereby ordered as follows:

SECTION 1. Establishment of the Air Traffic Organization. (a) The Secretary of Transportation (Secretary) shall, consistent with his legal authorities, move to establish within the Federal Aviation Administration (FAA) a performance-based organization to be known as the "Air Traffic Organization" (ATO).

(b) The ATO shall be composed of those elements of the FAA's Air Traffic Services and Research and Acquisition organizations that have direct connection and give support to the provision of day-to-day operational air traffic services, as determined by the Administrator of the Federal Aviation Administration (Administrator). The Administrator may delegate responsibility for any operational activity of the air traffic control system to the head of the ATO. The Administrator's responsibility for general safety, security, and policy-making functions for the National Airspace System is unaffected by this order.

(c) The Chief Operating Officer (COO) of the Air Traffic Control System, established by the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century (Air-21) (Public Law 106–181) [see Short Title of 2000 Amendments note set out above], shall head the ATO and shall report directly to the Administrator and be subject to the authority of the Administrator. The COO, in consultation with the Air Traffic Control Subcommittee of the Aviation Management Advisory Committee, shall enter into an annual performance agreement with the Administrator that sets forth measurable organization and individual goals in key operational areas and describes specific targets and how such goals will be achieved. The COO may receive an annual bonus not to exceed 30 percent of the annual rate of basic pay, based upon the Administrator's evaluation of the COO's performance in relation to the targets and goals described above.

(d) The COO shall develop a 5-year strategic plan for the air traffic control system, including a clear statement of the mission and objectives for the system's safety, efficiency, and productivity. This strategic plan must ensure that ATO actions are consistent with long-term FAA strategies for the aviation system as a whole.

(e) The COO shall also enter into a framework agreement with the Administrator that will establish the relationship of the ATO with the other organizations of the FAA.

Sec. 2. Purpose. The FAA's primary mission is to ensure the safety, security, and efficiency of the National Airspace System. The purpose of this order is to enhance that mission and further improve the delivery of air traffic services to the American public by reorganizing the FAA's air traffic services and related offices into a performance-based, results-oriented, organization. The ATO will be better able to make use of the unique procurement and personnel authorities that the FAA currently has and to better use the additional management reforms enacted by the Congress this year under Air-21. Specifically, the ATO shall:

(a) optimize use of existing management flexibilities and authorities to improve the efficiency of air traffic services and increase the capacity of the system;

(b) develop methods to accelerate air traffic control modernization and to improve aviation safety related to air traffic control;

(c) develop agreements with the Administrator of the FAA and users of the products, services, and capabilities it will provide;

(d) operate in accordance with safety performance standards developed by the FAA and rapidly respond to FAA safety and security oversight findings;

(e) consult with its customers, the traveling public, including direct users such as airlines, cargo carriers, manufacturers, airports, general aviation, and commercial space transportation providers, and focus on producing results that satisfy the FAA's external customer needs;

(f) consult with appropriate Federal, State, and local public agencies, including the Department of Defense and the National Aeronautics and Space Administration, to determine the best practices for meeting the diverse needs throughout the National Airspace System;

(g) establish strong incentives to managers for achieving results; and

(h) formulate and recommend to the Administrator any management, fiscal, or legislative changes necessary for the organization to achieve its performance goals.

Sec. 3. Aviation Management Advisory Committee. The Air Traffic Control Subcommittee of the Aviation Management Advisory Committee shall provide, consistent with its responsibilities under Air-21, general oversight to ATO regarding the administration, management, conduct, direction, and supervision of the air traffic control system.

Sec. 4. Evaluation and Report. Not later than 5 years after the date of this order, the Aviation Management Advisory Committee shall provide to the Secretary and the Administrator a report on the operation and effectiveness of the ATO, together with any recommendations for management, fiscal, or legislative changes to enable the organization to achieve its goals.

Sec. 5. Definitions. The term "air traffic control system" has the same meaning as the term defined by section 40102(a)(21) [now 40102(a)(47)] of title 49, United States Code.

Sec. 6. Judicial Review. This order is intended only to improve the internal management of the executive branch and is not intended to, nor does it, create any right to administrative or judicial review, or any right, whether substantive or procedural, enforceable by any party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

DEFINITIONS FOR TITLE II OF PUB. L. 101–264

Section 202 of title II of Pub. L. 101–264 provided that:

"In this title [see Effective Date of 1996 Amendment note set out above], the following definitions apply:

(1) ADMINISTRATION.—The term 'Administration' means the Federal Aviation Administration.

(2) ADMINISTRATOR.—The term 'Administrator' means the Administrator of the Federal Aviation Administration.

(3) SECRETARY.—The term 'Secretary' means the Secretary of Transportation."
§ 107. Federal Transit Administration

(a) The Federal Transit Administration is an administration in the Department of Transportation.

(b) The head of the Administration is the Administrator who is appointed by the President, by and with the advice and consent of the Senate. The Administrator reports directly to the Secretary of Transportation.

(c) The Administrator shall carry out duties and powers prescribed by the Secretary.

Historical and Revision Notes

Revised Section Source (U.S. Code) Source (Statutes at Large)

In subsection (b), the words “and shall be compensated at the rate now or hereafter provided for Level III of the Executive Schedule Pay Rates (5 U.S.C. 5314)” are omitted as surplus because of 5:5314.

AMENDMENTS

CHANGE OF NAME

Section 3004(a), (b) of Pub. L. 102–240 provided that:

“(a) Redesignation of UMTA.—The Urban Mass Transportation Administration of the Department of Transportation shall be known and designated as the ‘Federal Transit Administration’.

“(b) References.—Any reference in a law, map, regulation, document, paper, or other record of the United States to the Urban Mass Transportation Administration shall be deemed to be a reference to the ‘Federal Transit Administration’.

§ 108. Pipeline and Hazardous Materials Safety Administration

(a) IN GENERAL.—The Pipeline and Hazardous Materials Safety Administration shall be an administration in the Department of Transportation.

(b) SAFETY AS HIGHEST PRIORITY.—In carrying out its duties, the Administration shall consider the assignment and maintenance of safety as the highest priority, recognizing the clear intent, encouragement, and dedication of Congress to the furtherance of the highest degree of safety in pipeline transportation and hazardous materials transportation.

(c) ADMINISTRATOR.—The head of the Administration shall be the Administrator who shall be appointed by the President, by and with the advice and consent of the Senate, and shall be an individual with professional experience in pipeline safety, hazardous materials safety, or other transportation safety. The Administrator shall report directly to the Secretary of Transportation.

(d) DEPUTY ADMINISTRATOR.—The Administration shall have a Deputy Administrator who shall be appointed by the Secretary. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

(e) CHIEF SAFETY OFFICER.—The Administration shall have an Assistant Administrator for Pipeline and Hazardous Materials Safety appointed in the competitive service by the Secretary. The Assistant Administrator shall be the Chief Safety Officer of the Administration. The Assistant Administrator shall carry out the duties and powers prescribed by the Administrator.

(f) DUTIES AND POWERS OF THE ADMINISTRATOR.—The Administrator shall carry out—

(1) duties and powers related to pipeline and hazardous materials transportation and safety vested in the Secretary by chapters 51, 57, 61, 601, and 603; and

(2) other duties and powers prescribed by the Secretary.

(g) LIMITATION.—A duty or power specified in subsection (f)(1) may be transferred to another part of the Department of Transportation or another government entity only if specifically provided by law.

Historical and Revision Notes

Record Section Source (U.S. Code) Source (Statutes at Large)

Subsection (a) reflects the transfer of the Coast Guard to the Department of Transportation as provided by the source provisions and 14:1. The words “Except when operating as a service in the Navy” are substituted for 49:1655(b)(2) because of 14:3. The words “The Secretary of Transportation exercises . . . vested in the Secretary of the Treasury . . . immediately before April 1, 1967” are substituted for “and there are hereby transferred to and vested in the Secretary . . . vested in the Secretary of the Treasury” to reflect the transfer of duties and powers to the Secretary of Transportation on April 1, 1967, the effective date of the Department of Transportation Act (Pub. L. 89–670, 80 Stat. 931).

In subsection (b), the first sentence is included to provide the name of the officer in charge of the Coast Guard, as reflected in 14:4. In the 2d sentence, the words “carrying out the duties and powers specified by law” are substituted for “such functions, powers, and duties as are specified in this chapter to be carried out”, and the words “carry out duties and powers prescribed” are substituted for “carry out such additional functions, powers, and duties as”. for consistency.

Pub. L. 103–272

Section 4(j)(4) amends 49:1008(a) to reflect the intent of 49 App.:1655(b)(2), on which 49:1008(a) was based.

AMENDMENTS

1994—Subsec. (a). Pub. L. 103–272 designated existing provisions as par. (1), substituted “The Coast Guard” for “Except when operating as a service in the Navy, the Coast Guard”, and added par. (2).
Savings Provisions

"(a) Transfer of Assets and Personnel.—Personnel, property, and records employed, used, held, available, or to be made available in connection with functions transferred within the Department of Transportation by this Act [see Short Title of 2004 Amendment note set out under section 101 of this title] shall be transferred for use in connection with the functions transferred, and unexpended balances of appropriations, allocations, and other funds (including funds of any predecessor entity) shall also be transferred accordingly.

"(b) Legal Documents.—All orders (including delegations by the Secretary of Transportation), determinations, rules, regulations, permits, grants, loans, contracts, settlements, agreements, certificates, licenses, and privileges—

"(1) that have been issued, made, granted, or allowed to become effective by any officer or employee, or any other Government official, or by a court of competent jurisdiction, in the performance of any function that is transferred by this Act; and

"(2) that are in effect on the effective date of such transfer (or become effective after such date pursuant to their terms as in effect on such effective date), shall continue in effect according to their terms until modified, terminated, superseded, set aside, or revoked in accordance with law by the Department, any other authorized official, a court of competent jurisdiction, or operation of law.

"(c) Proceedings.—The provisions of this Act shall not affect any of its proceedings, including administrative enforcement actions, pending before this Act takes effect, insofar as those functions are transferred by this Act; but such proceedings, to the extent that they relate to functions so transferred, shall proceed in accordance with applicable law and regulations. Nothing in this subsection shall be deemed to prohibit the conclusion or modification of any proceeding described in this subsection under the same terms and conditions to the same extent that such proceeding could have been concluded or modified if this Act had not been enacted. The Secretary of Transportation is authorized to provide for the orderly transfer of pending proceedings.

"(d) Suits.—

"(1) In General.—This Act shall not affect suits commenced before the date of enactment of this Act [Nov. 30, 2004], except as provided in paragraphs (2) and (3). In all such suits, proceedings shall be had, appear taken, and judgments rendered in the same manner and with the same effect as if this Act had not been enacted.

"(2) Suits by or Against Department.—Any suit by or against the Department begun before the date of enactment of this Act, shall proceed in accordance with applicable law and regulations, insofar as it involves a function retained and transferred under this Act.

"(3) Procedures for Remanded Cases.—If the court in a suit described in paragraph (1) remands a case, subsequent proceedings related to such case shall proceed under procedures that are in accordance with applicable law and regulations as in effect at the time of such subsequent proceedings.

"(e) Continuance of Actions Against Officers.—No suit, action, or other proceeding commenced by or against any officer in his or her official capacity shall abate by reason of the enactment of this Act.

"(f) Exercise of Authority.—An officer or employee of the Department, for purposes of performing a function transferred by this Act, may exercise all authorities under any other provision of law that were available with respect to the performance of that function to the official responsible for the performance of the function immediately before the effective date of the transfer of the function by this Act.

"(g) References.—A reference relating to an agency, officer, or employee affected by this Act in any Federal law, Executive order, rule, regulation, or delegation of authority, or in any document pertaining to an officer or employee, is deemed to refer, as appropriate, to the agency, officer, or employee who succeeds to the functions transferred by this Act.

"(h) Definitions.—In this section, the term ‘this Act’ includes the amendments made by this Act.

Transfer of Duties and Powers of Research and Special Programs Administration

For transfer of authority of the Research and Special Programs Administration, other than authority exercised under chapters 51, 57, 61, 601, and 603 of this title, to the Administrator of the Research and Innovative Technology Administration, see section 4(b) of Pub. L. 108–426, set out as a note under section 112 of this title.

Pub. L. 108–426, § 7, Nov. 30, 2004, 118 Stat. 2428, provided that: "The Secretary shall provide for the orderly transfer of duties and powers under this Act [see Short Title of 2004 Amendment note set out under section 101 of this title], including the amendments made by this Act, as soon as practicable but not later than 90 days after the date of enactment of this Act [Nov. 30, 2004]."

Reports

"(a) Reports by the Inspector General.—Not later than 30 days after the date of enactment of this Act [Nov. 30, 2004], the Inspector General of the Department of Transportation shall submit to the Secretary of Transportation and the Administrator of the Pipeline and Hazardous Materials Safety Administration a report containing the following:

"(1) A list of each statutory mandate regarding pipeline safety or hazardous materials safety that has not been implemented.

"(2) A list of each open safety recommendation made by the National Transportation Safety Board or the Inspector General regarding pipeline safety or hazardous materials safety.

"(b) Reports by the Secretary.—

"(1) Statutory Mandates.—Not later than 90 days after the date of enactment of this Act, and every 180 days thereafter until each of the mandates referred to in subsection (a)(1) has been implemented, the Secretary shall transmit to the Committee on Transportation and Infrastructure and the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the specific actions taken to implement such mandates.

"(2) NTSB and Inspector General Recommendations.—Not later than January 1st of each year, the Secretary shall transmit to the Committee on Transportation and Infrastructure and the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report containing each recommendation referred to in subsection (a)(2) and a copy of the Department of Transportation response to each such recommendation.

§ 109. Maritime Administration

(a) Organization.—The Maritime Administration is an administration in the Department of Transportation.

(b) Maritime Administrator.—The head of the Maritime Administration is the Maritime Administrator, who is appointed by the President
by and with the advice and consent of the Senate. The Administrator shall report directly to the Secretary of Transportation and carry out the duties prescribed by the Secretary.

(c) DEPUTY MARITIME ADMINISTRATOR.—The Maritime Administration shall have a Deputy Maritime Administrator, who is appointed in the competitive service by the Secretary, after consultation with the Administrator. The Deputy Administrator shall carry out the duties prescribed by the Administrator during the absence or disability of the Administrator and, unless the Secretary designates another individual, during a vacancy in the office of Administrator.

(d) DUTIES AND POWERS VESTED IN SECRETARY.—All duties and powers of the Maritime Administration are vested in the Secretary.

(e) REGIONAL OFFICES.—The Maritime Administration shall have regional offices for the Atlantic, Gulf, Great Lakes, and Pacific port ranges, and may have other regional offices as necessary. The Secretary shall appoint a qualified individual as Director of each regional office. The Secretary shall carry out appropriate activities and programs of the Maritime Administration through the regional offices.

(f) INTERAGENCY AND INDUSTRY RELATIONS.—The Secretary shall establish and maintain liaison with other agencies, and with representative trade organizations throughout the United States, concerned with the transportation of commodities by water in the export and import foreign commerce of the United States, for the purpose of securing preference to vessels of the United States for the transportation of those commodities.

(g) DETAILING OFFICERS FROM ARMED FORCES.—To assist the Secretary in carrying out duties and powers relating to the Maritime Administration, not more than five officers of the armed forces may be detailed to the Secretary at any one time, in addition to details authorized by any other law. During the period of a detail, the Secretary shall pay the officer an amount that, when added to the officer’s pay and allowances as an officer in the armed forces, makes the officer’s total pay and allowances equal to the amount that would be paid to an individual performing work the Secretary considers to be of similar importance, difficulty, and responsibility as that performed by the officer during the detail.

(h) CONTRACTS, COOPERATIVE AGREEMENTS, AND AUDITS.—

(1) CONTRACTS AND COOPERATIVE AGREEMENTS.—In the same manner that a private corporation may make a contract within the scope of its authority under its charter, the Secretary may make contracts and cooperative agreements for the United States Government and disburse amounts to—

(A) carry out the Secretary’s duties and powers under this section, subtitle V of title 46, and all other Maritime Administration programs; and

(B) protect, preserve, and improve collateral held by the Secretary to secure indebtedness.

(2) AUDITS.—The financial transactions of the Secretary under paragraph (1) shall be audited by the Comptroller General. The Comptroller General shall allow credit for an expenditure shown to be necessary because of the nature of the business activities authorized by this section or subtitle V of title 46. At least once a year, the Comptroller General shall report to Congress any departure by the Secretary from this section or subtitle V of title 46.

(i) GRANT ADMINISTRATIVE EXPENSES.—Except as otherwise provided by law, the administrative and related expenses for the administration of any grant programs by the Maritime Administrator may not exceed 3 percent.

(j) AUTHORIZATION OF APPROPRIATIONS.—

(1) IN GENERAL.—Except as otherwise provided in this subsection, there are authorized to be appropriated such amounts as may be necessary to carry out the duties and powers of the Secretary relating to the Maritime Administration.

(2) LIMITATIONS.—Only those amounts specifically authorized by law may be appropriated for the use of the Maritime Administration for—

(A) acquisition, construction, or reconstruction of vessels;

(B) construction-differential subsidies incident to the construction, reconstruction, or reconditioning of vessels;

(C) costs of national defense features;

(D) payments of obligations incurred for operating-differential subsidies;

(E) expenses necessary for research and development activities, including reimbursement of the Vessel Operations Revolving Fund for losses resulting from expenses of experimental vessel operations;

(F) the Vessel Operations Revolving Fund;

(G) National Defense Reserve Fleet expenses;

(H) expenses necessary to carry out part B of subtitle V of title 46; and

(I) other operations and training expenses related to the development of waterborne transportation systems, the use of waterborne transportation systems, and general administration.

(3) TRAINING VESSELS.—Amounts may not be appropriated for the purchase or construction of training vessels for State maritime academies unless the Secretary has approved a plan for sharing training vessels between State maritime academies.

In subsection (f), the words “vessels of the United States” are substituted for “vessels of United States registry” because of the definition of “vessel of the United States” in chapter I of the revised title.

In subsection (g), the words “equal to the amount that would be paid to an individual performing work the Secretary considers to be of similar importance, difficulty, and responsibility” are substituted for “equal to the pay and allowances he would receive if he were the incumbent of an office or position in such service (or in the corresponding executive department), which, in the opinion of the Secretary of Transportation, involves the performance of work similar in importance, difficulty, and responsibility” to eliminate unnecessary words.

In subsection (h)(2), the words “according to approved commercial practice as provided in the Act of March 20, 1922 (42 Stat. 444)” are omitted as obsolete and unnecessary.

In subsection (i)(2), the words “Notwithstanding any other provision of this chapter or any other law” are omitted as unnecessary. In clause (G), the words “National Defense Reserve Fleet” are substituted for “reserve fleet” for clarity. Clause (H) is substituted for “(7) maritime training at the Merchant Marine Academy at Kings Point, New York”, “(8) financial assistance to State maritime academies under section 1295c of this Appendix”, “(10) expenses necessary for additional training provided under section 1295d of this Appendix”, and “(11) expenses necessary to carry out subchapter XIII of this chapter” because of the reorganization of revised title 46 and to eliminate unnecessary words. The text of 46 App. U.S.C. 1119 (proviso) is omitted as obsolete.

Subsection (a) is included to provide in chapter 1 of the revised title a complete list of the organizational units established by law that are in the Department of Transportation or are subject to the direction and supervision of the Secretary of Transportation.

AMENDMENTS

§ 111. Bureau of Transportation Statistics

(a) Establishment.—There is established in the Research and Innovative Technology Administration a Bureau of Transportation Statistics.

(b) Director.—

(1) Appointment.—The Bureau shall be headed by a Director who shall be appointed in the competitive service by the Secretary of Transportation.

(2) Qualifications.—The Director shall be appointed from among individuals who are qualified to serve as the Director by virtue of their training and experience in the collection, analysis, and use of transportation statistics.

(c) Responsibilities.—The Director of the Bureau shall serve as the Secretary’s senior advisor on data and statistics and shall be responsible for carrying out the following duties:

(1) Providing data, statistics, and analysis to transportation decisionmakers.—Ensuring that the statistics compiled under paragraph (5) are designed to support transportation decisionmaking by the Federal Government, State and local governments, metropolitan planning organizations, transportation-related associations, the private sector (including the freight community), and the public.

(2) Coordinating collection of information.—Working with the operating administrations of the Department to establish and implement the Bureau’s data programs and to improve the coordination of information collection efforts with other Federal agencies.

(3) Data modernization.—Continually improving surveys and data collection methods to improve the accuracy and utility of transportation statistics.

(4) Encouraging data standardization.—Encouraging the standardization of data, data collection methods, and data management and storage technologies for data collected by the Bureau, the operating administrations of the Department of Transportation, States, local governments, metropolitan planning organizations, and private sector entities.

(5) Transportation statistics.—Collecting, compiling, analyzing, and publishing a comprehensive set of transportation statistics on the performance and impacts of the national transportation system, including statistics on—

(A) productivity in various parts of the transportation sector;

(B) traffic flows for all modes of transportation;

(C) other elements of the intermodal transportation database established under subsection (e);

(D) travel times and measures of congestion;

(E) vehicle weights and other vehicle characteristics;

(F) demographic, economic, and other variables influencing traveling behavior, including choice of transportation mode and goods movement;
(G) transportation costs for passenger travel and goods movement;

(H) availability and use of mass transit (including the number of passengers served by each mass transit authority) and other forms of for-hire passenger travel;

(I) frequency of vehicle and transportation facility repairs and other interruptions of transportation service;

(J) safety and security for travelers, vehicles, and transportation systems;

(K) consequences of transportation for the human and natural environment;

(L) the extent, connectivity, and condition of the transportation system, building on the national transportation atlas database developed under subsection (g); and

(M) transportation-related variables that influence the domestic economy and global competitiveness.

(6) NATIONAL SPATIAL DATA INFRASTRUCTURE.—Building and disseminating the transportation layer of the National Spatial Data Infrastructure developed under Executive Order No. 12906, including coordinating the development of transportation geospatial data standards, compiling intermodal geospatial data, and collecting geospatial data that is not being collected by others.

(7) ISSUING GUIDELINES.—Issuing guidelines for the collection of information by the Department required for statistics to be compiled under paragraph (5) in order to ensure that such information is accurate, reliable, relevant, and in a form that permits systematic analysis.

(8) REVIEW SOURCES AND RELIABILITY OF STATISTICS.—Reviewing and reporting to the Secretary on the sources and reliability of the statistics proposed by the heads of the operating administrations of the Department to measure outputs and outcomes as required by the Government Performance and Results Act of 1993 (Public Law 103–62; 107 Stat. 285), and the amendments made by such Act, and carrying out such other reviews of the sources and reliability of other data collected or statistical information published by the heads of the operating administrations of the Department as shall be requested by the Secretary.

(9) MAKING STATISTICS ACCESSIBLE.—Making the statistics published under this subsection readily accessible to the public.

(d) INFORMATION NEEDS ASSESSMENT.—

(1) IN GENERAL.—Not later than 60 days after the date of enactment of the SAFETEA-LU, the Secretary shall enter into an agreement with the National Research Council to develop and publish a National1 transportation information needs assessment (referred to in this subsection as the “assessment”). The assessment shall be submitted to the Secretary and the appropriate committees of Congress not later than 24 months after such agreement is entered into.

(2) CONTENT.—The assessment shall—

(A) identify, in order of priority, the transportation data that is not being collected by

1 So in original. Probably should not be capitalized.
interregional, and international movement, by all modes of transportation and intermodal combinations and by relevant classification;

(B) information on the volumes and patterns of movement of people, including local, interregional, and international movements, by all modes of transportation (including bicycle and pedestrian modes) and intermodal combinations and by relevant classification;

(C) information on the location and connectivity of transportation facilities and services; and

(D) a national accounting of expenditures and capital stocks on each mode of transportation and intermodal combination.

(f) NATIONAL TRANSPORTATION LIBRARY.—

(1) IN GENERAL.—The Director shall establish and maintain a National Transportation Library, which shall contain a collection of statistical and other information needed for transportation decisionmaking at the Federal, State, and local levels.

(2) ACCESS.—The Director shall facilitate and promote access to the Library, with the goal of improving the ability of the transportation community to share information and the ability of the Director to make statistics readily accessible under subsection (c)(9).

(3) COORDINATION.—The Director shall work with other transportation libraries and transportation information providers, both public and private, to achieve the goal specified in paragraph (2).

(g) NATIONAL TRANSPORTATION ATLAS DATABASE.—

(1) IN GENERAL.—The Director shall develop and maintain a national transportation atlas database that is comprised of geospatial databases that depict—

(A) transportation networks;

(B) flows of people, goods, vehicles, and craft over the networks; and

(C) social, economic, and environmental conditions that affect or are affected by the networks.

(2) INTERMODAL NETWORK ANALYSIS.—The databases shall be able to support intermodal network analysis.

(h) MANDATORY RESPONSE AUTHORITY FOR FREIGHT DATA COLLECTION.—Whoever, being the owner, official, agent, person in charge, or assistant to the person in charge of any freight corporation, company, business, institution, establishment, or organization of any nature whatsoever, neglects or refuses, when requested by the Director or other authorized officer, employee, or contractor of the Bureau, to answer completely and correctly to the best of the individual’s knowledge all questions relating to the corporation, company, business, institution, establishment, or other organization, or to make available records or statistics in the individual’s official custody, contained in a data collection request prepared and submitted under the authority of subsection (c)(1), shall be fined not more than $500; but if the individual willfully gives a false answer to such a question, the individual shall be fined not more than $10,000.

(i) RESEARCH AND DEVELOPMENT GRANTS.—The Secretary may make grants to, or enter into cooperative agreements or contracts with, public and nonprofit private entities (including State transportation departments, metropolitan planning organizations, and institutions of higher education) for—

(1) investigation of the subjects specified in subsection (c)(5) and research and development of new methods of data collection, standardization, management, integration, dissemination, interpretation, and analysis;

(2) demonstration programs by States, local governments, and metropolitan planning organizations to coordinate data collection, reporting, management, storage, and archiving to simplify data comparisons across jurisdictions;

(3) development of electronic clearinghouses of transportation data and related information, as part of the National Transportation Library under subsection (f); and

(4) development and improvement of methods for sharing geographic data, in support of the database under subsection (g) and the National Spatial Data Infrastructure.

(j) LIMITATIONS ON STATUTORY CONSTRUCTION.—Nothing in this section shall be construed—

(1) to authorize the Bureau to require any other department or agency to collect data; or

(2) to reduce the authority of any other officer of the Department to collect and disseminate data independently.

(k) PROHIBITION ON CERTAIN DISCLOSURES.—

(1) IN GENERAL.—An officer, employee, or contractor of the Bureau may not—

(A) make any disclosure in which the data provided by an individual or organization under subsection (c) can be identified;

(B) use the information provided under subsection (c) for a nonstatistical purpose; or

(C) permit anyone other than an individual authorized by the Director to examine any individual report provided under subsection (c).

(2) COPIES OF REPORTS.—

(A) IN GENERAL.—No department, bureau, agency, officer, or employee of the United States (except the Director in carrying out this section) may require, for any reason, a copy of any report that has been filed under subsection (c) with the Bureau or retained by an individual respondent.

(B) LIMITATION ON JUDICIAL PROCEEDINGS.—A copy of a report described in subparagraph (A) that has been retained by an individual respondent or filed with the Bureau or any of its employees, contractors, or agents—

(i) shall be immune from legal process; and

(ii) shall not, without the consent of the individual concerned, be admitted as evidence or used for any purpose in any action, suit, or other judicial or administrative proceedings.

(C) APPLICABILITY.—This paragraph shall apply only to reports that permit informa-
tion concerning an individual or organization to be reasonably determined by direct or indirect means.

(3) INFORMING RESPONDENT OF USE OF DATA.—In a case in which the Bureau is authorized by statute to collect data or information for a nonstatistical purpose, the Director shall clearly distinguish the collection of the data or information, by rule and on the collection instrument, so as to inform a respondent who is requested or required to supply the data or information of the nonstatistical purpose.

(l) TRANSPORTATION STATISTICS ANNUAL REPORT.—The Director shall submit to the President and Congress a transportation statistics annual report which shall include information on items referred to in subsection (c)(5), documentation of methods used to obtain and ensure the quality of the statistics presented in the report, and recommendations for improving transportation statistical information.

(m) DATA ACCESS.—The Director shall have access to transportation and transportation-related information in the possession of any Federal agency, except information—

(1) the disclosure of which to another Federal agency is expressly prohibited by law; or

(2) the disclosure of which the agency possessing the information determines would significantly impair the discharge of authorities and responsibilities which have been delegated to, or vested by law, in such agency.

(n) PROCEEDS OF DATA PRODUCT SALES.—Notwithstanding section 3302 of title 31, funds received by the Bureau from the sale of data products, for necessary expenses incurred, may be credited to the Highway Trust Fund (other than the Mass Transit Account) for the purpose of reimbursing the Bureau for the expenses.

(o) ADVISORY COUNCIL ON TRANSPORTATION STATISTICS.—

(1) ESTABLISHMENT.—The Director shall establish an advisory council on transportation statistics.

(2) FUNCTION.—The function of the advisory council established under this subsection is to—

(A) advise the Director on the quality, reliability, consistency, objectivity, and relevance of transportation statistics and analyses collected, supported, or disseminated by the Bureau and the Department;

(B) provide input to and review the report to Congress under subsection (d)(4); and

(C) advise the Director on methods to encourage cooperation and interoperability of transportation data collected by the Bureau, the operating administrations of the Department, States, local governments, metropolitan planning organizations, and private sector entities.

(3) MEMBERSHIP.—The advisory council established under this subsection shall be composed of not fewer than 9 and not more than 11 members appointed by the Director, who are not officers or employees of the United States. Each member shall have expertise in transportation data collection or analysis or application; except that 1 member shall have expertise in economics, 1 member shall have expertise in statistics, and 1 member shall have experience in transportation safety. At least 1 member shall be a senior official of a State department of transportation. Members shall include representation of a cross-section of transportation community stakeholders.

(4) TERMS OF APPOINTMENT.—

(A) IN GENERAL.—Except as provided in subparagraph (B), members of the advisory council shall be appointed to staggered terms not to exceed 3 years. A member may be renominated for 1 additional 3-year term.

(B) CURRENT MEMBERS.—Members serving on the Advisory Council on Transportation Statistics as of the date of enactment of the SAFETEA–LU shall serve until the end of their appointed term.

(5) APPLICABILITY OF FEDERAL ADVISORY COMMITTEE ACT.—The Federal Advisory Committee Act shall apply to the advisory council established under this subsection, except that section 14 of such Act shall not apply.

REFERENCES IN TEXT

Executive Order No. 12906, referred to in subsec. (c)(6), is set out as a note under section 1457 of Title 43, Public Lands.

AMENDMENTS

2005—Pub. L. 109–59 reenacted section catchline without change and amended text generally, adding subsecs. (d)(1) and (d)(4), and substituting subsecs. (a) to (c), (e) to (g), (i) to (l), and (n) for former text consisting of subsecs. (a) to (k) which contained somewhat similar provisions.

2004—Subsec. (a). Pub. L. 108–426, § 3(a), substituted “in the Research and Innovative Technology Administration” for “in the Department of Transportation”.

Subsec. (b)(1). Pub. L. 108–426, § 3(b)(1), added par. (1) and struck out heading and text of former par. (1). Text read as follows: “The Bureau shall be headed by a Director who shall be appointed by the President, by and with the advice and consent of the Senate.”

Subsec. (b)(3), (4). Pub. L. 108–426, § 3(b)(2), struck out heading and text of pars. (3) and (4) which read as follows:
“(3) Reporting.—The Director shall report directly to the Secretary.

“(4) Term.—The term of the Director shall be 4 years. The Director may continue to serve after the expiration of the term until a successor is appointed and confirmed.”

Subsec. (c)(2)(A). Pub. L. 105–178, § 5109(a)(2)(B)(i), added subpar. (A) and struck out former subpar. (A) which read as follows: “be coordinated with efforts to develop performance indicators for the national transportation system undertaken pursuant to section 307(b)(3) of title 23, United States Code:”.

Subsec. (c)(3). Pub. L. 105–178, § 5109(a)(2)(C), inserted at end “The Bureau shall review and report to the Secretary of Transportation on the sources and reliability of the statistics proposed by the heads of the operating administrations of the Department to measure outputs and outcomes as required by the Government Performance and Results Act of 1993, and the amendments made by such Act, and shall carry out such other reviews of the sources and reliability of other data collected by the heads of the operating administrations of the Department as shall be requested by the Secretary.”

Subsecs. (d) to (f). Pub. L. 105–178, § 5109(a)(5), added subsecs. (d) to (f). Former subsec. (d) to (f) redesignated (h) to (j), respectively.

Subsec. (g). Pub. L. 105–178, § 5109(a)(4), (5), added subsec. (g) and struck out heading and text of former subsec. (g). Text read as follows: “An individual who, on December 18, 1991, is performing any function required by this section to be performed by the Director may continue to perform such function until such function is undertaken by the Director.”

Subsec. (i). Pub. L. 105–178, § 5109(a)(6), added subsec. (i) and struck out heading and text of former subsec. (i) which read as follows: “Information compiled by the Bureau shall not be disclosed publicly in a manner that would reveal the personal identity of any individual, consistent with the Privacy Act of 1974 (5 U.S.C. 552a), or other personal trade secrets or allow commercial or financial information provided by any person to be identified with such person.”

Subsec. (j). Pub. L. 105–178, § 5109(a)(7), substituted “The Director” for “On or before January 1, 1994, and annually thereafter, the Director”.

1996—Subsec. (b)(4). Pub. L. 104–224 inserted at end “The Director may continue to serve after the expiration of the term until a successor is appointed and confirmed.”

Pub. L. 104–287 substituted “December 18, 1991” for “the date of the enactment of this section”.

Subsec. (g). Pub. L. 104–287 substituted “December 18, 1991” for “the date of the enactment of this section”.

OFFICE OF AIRLINE INFORMATION

Pub. L. 106–181, title I, § 103(b), Apr. 5, 2000, 114 Stat. 67, provided that: “There is authorized to be appropriated from the Airport and Airway Trust Fund to the Secretary [of Transportation] $4,000,000 for fiscal years beginning after September 30, 2000, to fund the activities of the Office of Airline Information in the Bureau of Transportation Statistics of the Department of Transportation.”

INTERNATIONAL TRADE TRAFFIC

“(a) Study.—The Director of the Bureau of Transportation Statistics shall carry out a study—

“(1) to measure the ton-miles and value-miles of international trade traffic carried by highway for each State;

“(2) to evaluate the accuracy and reliability of such measures for use in the formula for highway apportionments;

“(3) to evaluate the accuracy and reliability of the use of diesel fuel data as a measure of international trade traffic by State; and

“(4) to identify needed improvements in long-term data collection programs to provide accurate and reliable measures of international traffic for use in the formula for highway apportionments.

“(b) Basis for Evaluations.—The study shall evaluate the accuracy and reliability of measures for use as formula factors based on statistical quality standards developed by the Bureau of Transportation Statistics, in consultation with the Committee on National Statistics of the National Academy of Sciences.

“(c) Report.—Not later than 3 years after the date of enactment of this Act [June 9, 1998], the Director shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the results of the study carried out under subsection (a), including recommendations for changes in law necessary to implement the identified needs for improvements in long-term data collection programs.”

ADVISORY COUNCIL ON TRANSPORTATION STATISTICS

Section 6007 of Pub. L. 102–240 provided that:

“(a) Establishment.—The Director of the Bureau of Transportation Statistics shall establish an Advisory Council on Transportation Statistics.

“(b) Function.—It shall be the function of the advisory council established under this section to advise the Director of the Bureau of Transportation Statistics on transportation statistics and analyses, including whether or not the statistics and analysis disseminated by the Bureau of Transportation Statistics are of high quality and are based upon the best available objective information.

“(c) Membership.—The advisory council established under this section shall be composed of not more than 6 members appointed by the Director who are not officers or employees of the United States and who (except for 1 member who shall have expertise in economics and 1 member who shall have expertise in statistics) have expertise in transportation statistics and analysis.

“(d) Applicability of Federal Advisory Committee Act.—The Federal Advisory Committee Act [5 U.S.C. App.] shall apply to the advisory council established under this section, except that section 14 of the Federal Advisory Committee Act shall not apply to the Advisory Committee established under this section.”

STUDY OF DATA COLLECTION PROCEDURES AND CAPABILITIES OF DEPARTMENT OF TRANSPORTATION

Section 6008 of Pub. L. 102–240 provided that:

“(a) Study.—Not later than 1 year after the date of the establishment of the Bureau of Transportation Sta-
tistics, the Secretary shall enter into an agreement with the National Academy of Sciences to conduct a study on the adequacy of data collection procedures and capabilities of the Department of Transportation.

(b) CONSULTATION.—The Secretary shall enter into the agreement under subsection (a) in consultation with the Director of the Bureau of Transportation Statistics.

(c) CONTENTS.—The study under subsection (a) shall include an evaluation of the Department of Transportation's data collection resources, needs, and requirements and an assessment and evaluation of the systems, capabilities, and procedures established by the Department to meet such needs and requirements, including the following:

(1) Data collection procedures and capabilities.

(2) Data analysis procedures and capabilities.

(3) Ability of data bases to integrate with one another.

(4) Computer hardware and software capabilities.

(5) Information management systems, including the ability of information management systems to integrate with one another.

(6) Availability and training of the personnel of the Department.

(7) Budgetary needs and resources of the Department for data collection.

(d) REPORT.—Not later than 18 months after the date of the agreement under subsection (a), the National Academy of Sciences shall transmit to Congress a report on the results of the study under this section, including recommendations for improving the Department of Transportation's data collection systems, capabilities, procedures, and analytical hardware and software and recommendations for improving the Department's management information systems.

§ 112. Research and Innovative Technology Administration

(a) ESTABLISHMENT.—The Research and Innovative Technology Administration shall be an administration in the Department of Transportation.

(b) ADMINISTRATOR.—

(1) APPOINTMENT.—The Administrator shall be headed by an Administrator who shall be appointed by the President, by and with the advice and consent of the Senate.

(2) REPORTING.—The Administrator shall report directly to the Secretary.

(c) DEPUTY ADMINISTRATOR.—The Administration shall have a Deputy Administrator who shall be appointed by the Secretary of Transportation. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

(d) POWERS AND DUTIES OF THE ADMINISTRATOR.—The Administrator shall carry out—

(1) powers and duties prescribed by the Secretary for—

(A) coordination, facilitation, and review of the Department's research and development programs and activities;

(B) advancement, and research and development, of innovative technologies, including intelligent transportation systems;

(C) comprehensive transportation statistics research, analysis, and reporting;

(D) education and training in transportation and transportation-related fields; and

(E) activities of the Volpe National Transportation Center; and

(2) other powers and duties prescribed by the Secretary.

(e) ADMINISTRATIVE AUTHORITIES.—The Administrator may enter into grants and cooperative agreements with Federal agencies, State and local government agencies, other public entities, private organizations, and other persons—

(1) to conduct research into transportation service and infrastructure assurance; and

(2) to carry out other research activities of the Administration.

AMENDMENTS

Subsec. (a). Pub. L. 108–426, § 4(a)(2), added subsec. (a) and struck out heading and text of former subsec. (a). Text read as follows: “There is established in the Department of Transportation a Research and Special Programs Administration.”

Subsec. (d). Pub. L. 108–426, § 4(a)(3), added subsec. (d) and struck out heading and text of former subsec. (d) which related to the responsibilities of the Administrator of the Research and Special Programs Administration.

Subsec. (e). Pub. L. 108–426, § 4(a)(4), struck out heading and text of subsec. (e). Text read as follows: “Nothing in this section shall affect any delegation of authority, regulation, order, approval, exemption, waiver, contract, or other administrative act of the Secretary with respect to laws administered through the Research and Special Programs Administration of the Department of Transportation on October 24, 1992.”

1994—Subsec. (e). Pub. L. 103–429 substituted “October 24, 1992” for “the date of the enactment of this section”.

NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION PROGRAMS ADMINISTERED BY SECRETARY OF TRANSPORTATION

“(1) IN GENERAL.—Nothing in this Act [see Short Title of 2004 Amendment note set out under section 101 of this title] shall grant any authority to the Research and Innovative Technology Administration over research and other programs, activities, standards, or regulations provided for in highway and traffic safety programs, administered by the Secretary through the National Highway Traffic Safety Administration.

“(2) APPLICABILITY.—Paragraph (1) shall not apply to the research and other programs, activities, standards, or regulations provided for in highway and traffic safety programs, administered by the Secretary through the National Highway Traffic Safety Administration, in title 23, United States Code, and chapter 303 of title 49, United States Code, as in effect on the date of enactment of this Act [Nov. 30, 2004].”

TRANSFER OF DUTIES AND POWERS OF RESEARCH AND SPECIAL PROGRAMS ADMINISTRATION

Pub. L. 108–426, § 4(d), Nov. 30, 2004, 118 Stat. 2426, provided that: “The authority of the Research and Special Programs Administration, other than authority exercised under chapters 51, 57, 61, 601, and 603 of title 49, United States Code, is transferred to the Administrator of the Research and Innovative Technology Administration.”

For transfer of authority of the Research and Special Programs Administration exercised under chapters 51, 57, 61, 601, and 603 of this title to the Administrator of
the Pipeline and Hazardous Materials Safety Administration, see section 2(b) of Pub. L. 108–426, set out as a note under section 106 of this title.

**DEVELOPMENT OF UNDERGROUND UTILITY LOCATION TECHNOLOGIES**

Section 306 of Pub. L. 102–508 provided that:

```
''(a) IN GENERAL.—The Secretary of Transportation shall carry out a research and development program on underground utility location technologies.

''(b) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section $500,000 for fiscal years beginning after September 30, 1992. Such sums shall remain available until expended.''
```

§ 113. Federal Motor Carrier Safety Administration

(a) IN GENERAL.—The Federal Motor Carrier Safety Administration shall be an administration of the Department of Transportation.

(b) SAFETY AS HIGHEST PRIORITY.—In carrying out its duties, the Administration shall consider the assignment and maintenance of safety as the highest priority, recognizing the clear intent, encouragement, and dedication of Congress to the furtherance of the highest degree of safety in motor carrier transportation.

(c) ADMINISTRATOR.—The head of the Administration shall be the Administrator who shall be appointed by the President, by and with the advice and consent of the Senate, and shall be an individual with professional experience in motor carrier safety. The Administrator shall report directly to the Secretary of Transportation.

(d) DEPUTY ADMINISTRATOR.—The Administration shall have a Deputy Administrator appointed by the Secretary, with the approval of the President. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

(e) CHIEF SAFETY OFFICER.—The Administration shall have an Assistant Federal Motor Carrier Safety Administrator appointed in the competitive service by the Secretary, with the approval of the President. The Assistant Administrator shall be the Chief Safety Officer of the Administration. The Assistant Administrator shall carry out the duties and powers prescribed by the Administrator.

(f) POWERS AND DUTIES.—The Administrator shall carry out—

(1) duties and powers related to motor carriers or motor carrier safety vested in the Secretary by chapters 5, 51, 55, 57, 59, 133 through 149, 311, 313, 315, and 317 and by section 18 of the Noise Control Act of 1972 (42 U.S.C. 4917; 86 Stat. 1249–1250); except as otherwise delegated by the Secretary to any agency of the Department of Transportation other than the Federal Highway Administration, as of October 8, 1999; and

(2) additional duties and powers prescribed by the Secretary.

(g) LIMITATION ON TRANSFER OF POWERS AND DUTIES.—A duty or power specified in subsection (f)(1) may only be transferred to another part of the Department when specifically provided by law.

(h) EFFECT OF CERTAIN DECISIONS.—A decision of the Administrator involving a duty or power specified in subsection (f)(1) and involving notice and hearing required by law is administratively final.

(i) CONSULTATION.—The Administrator shall consult with the Federal Highway Administrator and with the National Highway Traffic Safety Administrator on matters related to highway and motor carrier safety.

**EFFECTIVE DATE**

Section effective Jan. 1, 2000, see section 10(a) of Pub. L. 106–159, set out as an Effective Date of 1999 Amendment note under section 104 of this title.

**FINDINGS**

Pub. L. 106–159, §3, Dec. 9, 1999, 113 Stat. 1749, provided that: "Congress makes the following findings:

(1) The current rate, number, and severity of crashes involving motor carriers in the United States are unacceptable.

(2) The number of Federal and State commercial motor vehicle and operator inspections is insufficient and civil penalties for violators must be utilized to deter future violations.

(3) The Department of Transportation is failing to meet statutorily mandated deadlines for completing rulemaking proceedings on motor carrier safety and, in some significant safety rulemaking proceedings, including driver hours-of-service regulations, extensive periods have elapsed without progress toward resolution or implementation.

(4) Too few motor carriers undergo compliance reviews and the Department’s data bases and information systems require substantial improvement to enhance the Department’s ability to target inspection and enforcement resources toward the most serious safety problems and to improve States’ ability to keep dangerous drivers off the roads.

(5) Additional safety inspectors and inspection facilities are needed in international border areas to ensure that commercial motor vehicles, drivers, and carriers comply with United States safety standards.

(6) The Department should rigorously avoid conflicts of interest in federally funded research.

(7) Meaningful measures to improve safety must be implemented expeditiously to prevent increases in motor carrier crashes, injuries, and fatalities.

(8) Proper use of Federal resources is essential to the Department’s ability to improve its research, rulemaking, oversight, and enforcement activities related to commercial motor vehicles, operators, and carriers."

**PURPOSES**

(1) to improve the administration of the Federal motor carrier safety program and to establish a Federal Motor Carrier Safety Administration in the Department of Transportation; and

(2) to reduce the number and severity of large-truck involved crashes through more commercial motor vehicle and operator inspections and motor carrier compliance reviews, stronger enforcement measures against violators, expedited completion of rulemaking proceedings, scientifically sound research, and effective commercial driver’s license testing, recordkeeping and sanctions."

**SAVINGS PROVISION**

Pub. L. 106–159, title I, §106, Dec. 9, 1999, 113 Stat. 1756, provided that: "(a) TRANSFER OF ASSETS AND PERSONNEL.—Except as otherwise provided in this Act [see Tables for classification] and the amendments made by this Act, those personnel, property, and records employed, used, held, available, or to be made available in connection with a
function transferred to the Federal Motor Carrier Safety Administration by this Act shall be transferred to the Administration for use in connection with the function transferred, and unexpended balances of appropriations, allocations, and other funds of the Office of Motor Carrier Safety (including any predecessor entity) shall also be transferred to the Administration.

§ 114. Transportation Security Administration

(a) In General.—The Transportation Security Administration shall be an administration of the Department of Transportation.

(b) Under Secretary.—

(1) Appointment.—The head of the Administration shall be the Under Secretary for Transportation Security. The Under Secretary shall be appointed by the President, by and with the advice and consent of the Senate.

(2) Qualifications.—The Under Secretary must—

(A) be a citizen of the United States; and

(B) have experience in a field directly related to transportation or security.

(3) Term.—The term of office of an individual appointed as the Under Secretary shall be 5 years.

(c) Limitation on Ownership of Stocks and Bonds.—The Under Secretary may not own stock in or bonds of a transportation or security enterprise or an enterprise that makes equipment that could be used for security purposes.

(d) Functions.—The Under Secretary shall be responsible for security in all modes of transportation, including—

(1) carrying out chapter 449, relating to civil aviation security, and related research and development activities; and

(2) security responsibilities over other modes of transportation that are exercised by the Department of Transportation.

(e) Screening Operations.—The Under Secretary shall—

(1) be responsible for day-to-day Federal security screening operations for passenger air transportation and intrastate air transportation under sections 44901 and 44935;

(2) develop standards for the hiring and retention of security screening personnel;

(3) train and test security screening personnel; and

(4) be responsible for hiring and training personnel to provide security screening at all airports in the United States where security screening is required under section 44901, in consultation with the Secretary of Transportation and the heads of other appropriate Federal agencies and departments.

(f) Additional Duties and Powers.—In addition to carrying out the functions specified in subsections (d) and (e), the Under Secretary shall—

(1) receive, assess, and distribute intelligence information related to transportation security;
(2) assess threats to transportation;
(3) develop policies, strategies, and plans for dealing with threats to transportation security;
(4) make other plans related to transportation security, including coordinating countermeasures with appropriate departments, agencies, and instrumentalities of the United States Government;
(5) serve as the primary liaison for transportation security to the intelligence and law enforcement communities;
(6) on a day-to-day basis, manage and provide operational guidance to the field security resources of the Administration, including Federal Security Managers as provided by section 44903;
(7) enforce security-related regulations and requirements;
(8) identify and undertake research and development activities necessary to enhance transportation security;
(9) inspect, maintain, and test security facilities, equipment, and systems;
(10) ensure the adequacy of security measures for the transportation of cargo;
(11) oversee the implementation, and ensure the adequacy, of security measures at airports and other transportation facilities;
(12) require background checks for airport security screening personnel, individuals with access to secure areas of airports, and other transportation security personnel;
(13) work in conjunction with the Administrator of the Federal Aviation Administration with respect to any actions or activities that may affect aviation safety or air carrier operations;
(14) work with the International Civil Aviation Organization and appropriate aeronautical authorities of foreign governments under section 44907 to address security concerns on passenger flights by foreign air carriers in foreign air transportation; and
(15) carry out such other duties, and exercise such other powers, relating to transportation security as the Under Secretary considers appropriate, to the extent authorized by law.

(g) NATIONAL EMERGENCY RESPONSIBILITIES.—
(1) In general.—Subject to the direction and control of the Secretary, the Under Secretary, during a national emergency, shall have the following responsibilities:
(A) To coordinate domestic transportation, including aviation, rail, and other surface transportation, and maritime transportation (including port security).
(B) To coordinate and oversee the transportation-related responsibilities of other departments and agencies of the Federal Government other than the Department of Defense and the military departments.
(C) To coordinate and provide notice to other departments and agencies of the Federal Government, and appropriate agencies of State and local governments, including departments and agencies for transportation, law enforcement, and border control, about threats to transportation.
(D) To carry out such other duties, and exercise such other powers, relating to transportation during a national emergency as the Secretary shall prescribe.

(2) AUTHORITY OF OTHER DEPARTMENTS AND AGENCIES.—The authority of the Under Secretary under this subsection shall not supersede the authority of any other department or agency of the Federal Government under law with respect to transportation or transportation-related matters, whether or not during a national emergency.

(3) CIRCUMSTANCES.—The Secretary shall prescribe the circumstances constituting a national emergency for purposes of this subsection.

(h) MANAGEMENT OF SECURITY INFORMATION.—
In consultation with the Transportation Security Oversight Board, the Under Secretary shall—
(1) enter into memoranda of understanding with Federal agencies or other entities to share or otherwise cross-check as necessary data on individuals identified on Federal agency databases who may pose a risk to transportation or national security;
(2) establish procedures for notifying the Administrator of the Federal Aviation Administration, appropriate State and local law enforcement officials, and airport or airline security officers of the identity of individuals known to pose, or suspected of posing, a risk of air piracy or terrorism or a threat to airline or passenger safety;
(3) in consultation with other appropriate Federal agencies and air carriers, establish policies and procedures requiring air carriers—
(A) to use information from government agencies to identify individuals on passenger lists who may be a threat to civil aviation or national security; and
(B) if such an individual is identified, notify appropriate law enforcement agencies, prevent the individual from boarding an aircraft, or take other appropriate action with respect to that individual; and
(4) consider requiring passenger air carriers to share passenger lists with appropriate Federal agencies for the purpose of identifying individuals who may pose a threat to aviation safety or national security.

(i) VIEW OF NTSB.—In taking any action under this section that could affect safety, the Under Secretary shall give great weight to the timely views of the National Transportation Safety Board.

(j) ACQUISITIONS.—
(1) In general.—The Under Secretary is authorized—
(A) to acquire (by purchase, lease, condemnation, or otherwise) such real property, or any interest therein, within and outside the continental United States, as the Under Secretary considers necessary;
(B) to acquire (by purchase, lease, condemnation, or otherwise) and to construct, repair, operate, and maintain such personal property (including office space and patients), or any interest therein, within and outside the continental United States, as the Under Secretary considers necessary;
(C) to lease to others such real and personal property and to provide by contract or otherwise for necessary facilities for the welfare of its employees and to acquire, maintain, and operate equipment for these facilities;

(D) to acquire services, including such personal services as the Secretary determines necessary, and to acquire (by purchase, lease, condemnation, or otherwise) and to construct, repair, operate, and maintain research and testing sites and facilities; and

(E) in cooperation with the Administrator of the Federal Aviation Administration, to utilize the research and development facilities of the Federal Aviation Administration.

(2) TITLE.—Title to any property or interest therein acquired pursuant to this subsection shall be held by the Government of the United States.

(k) TRANSFERS OF FUNDS.—The Under Secretary is authorized to accept transfers of unmobilized balances and unexpended balances of funds appropriated to other Federal agencies (as such term is defined in section 551(1) of title 5) to carry out functions transferred, on or after the date of enactment of the Aviation and Transportation Security Act, by law to the Under Secretary.

(l) REGULATIONS.—

(1) IN GENERAL.—The Under Secretary is authorized to issue, rescind, and revise such regulations as are necessary to carry out the functions of the Administration.

(2) EMERGENCY PROCEDURES.—

(A) IN GENERAL.—Notwithstanding any other provision of law or executive order (including an executive order requiring a cost-benefit analysis), if the Under Secretary determines that a regulation or security directive must be issued immediately in order to protect transportation security, the Under Secretary shall issue the regulation or security directive without providing notice or an opportunity for comment and without prior approval of the Secretary.

(B) REVIEW BY TRANSPORTATION SECURITY OVERSIGHT BOARD.—Any regulation or security directive issued under this paragraph shall be subject to review by the Transportation Security Oversight Board established under section 115. Any regulation or security directive issued under this paragraph shall remain effective for a period not to exceed 90 days unless ratified or disapproved by the Board or rescinded by the Under Secretary.

(3) FACTORS TO CONSIDER.—In determining whether to issue, rescind, or revise a regulation under this section, the Under Secretary shall consider, as a factor in the final determination, whether the costs of the regulation are excessive in relation to the enhancement of security the regulation will provide. The Under Secretary may waive requirements for an analysis that estimates the number of lives that will be saved by the regulation and the monetary value of such lives if the Under Secretary determines that it is not feasible to make such an estimate.

(4) AIRWORTHINESS OBJECTIONS BY FAA.—

(A) IN GENERAL.—The Under Secretary shall not take an aviation security action under this title if the Administrator of the Federal Aviation Administration notifies the Under Secretary that the action could adversely affect the airworthiness of an aircraft.

(B) REVIEW BY SECRETARY.—Notwithstanding subparagraph (A), the Under Secretary may take such an action, after receiving a notification concerning the action from the Administrator under subparagraph (A), if the Secretary of Transportation subsequently approves the action.

(m) PERSONNEL AND SERVICES; COOPERATION BY UNDER SECRETARY.—

(1) AUTHORITY OF UNDER SECRETARY.—In carrying out the functions of the Administration, the Under Secretary shall have the same authority as is provided to the Administrator of the Federal Aviation Administration under subsections (l) and (m) of section 106.

(2) AUTHORITY OF AGENCY HEADS.—The head of a Federal agency shall have the same authority to provide services, supplies, equipment, personnel, and facilities to the Under Secretary as the head has to provide services, supplies, equipment, personnel, and facilities to the Administrator of the Federal Aviation Administration under section 106(m).

(n) PERSONNEL MANAGEMENT SYSTEM.—The personnel management system established by the Administrator of the Federal Aviation Administration under section 40122 shall apply to employees of the Transportation Security Administration, or, subject to the requirements of such section, the Under Secretary may make such modifications to the personnel management system with respect to such employees as the Under Secretary considers appropriate, such as adopting aspects of other personnel systems of the Department of Transportation.

(p) LAW ENFORCEMENT POWERS.—

(1) IN GENERAL.—The Under Secretary may designate an employee of the Transportation Security Administration or other Federal agency to serve as a law enforcement officer.

(2) POWERS.—While engaged in official duties of the Administration as required to fulfill the responsibilities under this section, a law enforcement officer designated under paragraph (1) may—

(A) carry a firearm;

(B) make an arrest without a warrant for any offense against the United States committed in the presence of the officer, or for any felony cognizable under the laws of the United States if the officer has probable cause to believe that the person to be arrested has committed or is committing the felony; and

(C) seek and execute warrants for arrest or seizure of evidence issued under the authority of the United States upon probable cause that a violation has been committed.
(3) GUIDELINES ON EXERCISE OF AUTHORITY.—

The authority provided by this subsection shall be exercised in accordance with guidelines prescribed by the Under Secretary, in consultation with the Attorney General of the United States, and shall include adherence to the Attorney General’s policy on use of deadly force.

(4) REVOCA TION OR SUSPENSION OF AUTHORITY.—The powers authorized by this subsection may be rescinded or suspended should the Attorney General determine that the Under Secretary has not complied with the guidelines prescribed in paragraph (3) and conveys the determination in writing to the Secretary of Transportation and the Under Secretary.

(q) AUTHORITY TO EXEMPT.—The Under Secretary may grant an exemption from a regulation prescribed in carrying out this section if the Under Secretary determines that the exemption is in the public interest.

(r) NONDISCLOSURE OF SECURITY ACTIVITIES.—

(1) IN GENERAL.—Notwithstanding section 552 of title 5, the Under Secretary shall prescribe regulations prohibiting the disclosure of information obtained or developed in carrying out security under authority of the Aviation and Transportation Security Act (Public Law 107–71) or under chapter 49 of this title if the Under Secretary decides that disclosing the information would—

(A) be an unwarranted invasion of personal privacy;

(B) reveal a trade secret or privileged or confidential commercial or financial information; or

(C) be detrimental to the security of transportation.

(2) AVAILABILITY OF INFORMATION TO CONGRESS.—Paragraph (1) does not authorize information to be withheld from a committee of Congress authorized to have the information.

(3) LIMITATION ON TRANSFERABILITY OF DUTIES.—Except as otherwise provided by law, the Under Secretary may not transfer a duty or power under this subsection to another department, agency, or instrumentality of the United States.

(4) LIMITATIONS.—Nothing in this subsection, or any other provision of law, shall be construed to authorize the designation of information as sensitive security information (as defined in section 1520.5 of title 49, Code of Federal Regulations)—

(A) to conceal a violation of law, inefficiency, or administrative error;

(B) to prevent embarrassment to a person, organization, or agency;

(C) to restrain competition; or

(D) to prevent or delay the release of information that does not require protection in the interest of transportation security, including basic scientific research information not clearly related to transportation security.

(s) TRANSPORTATION SECURITY STRATEGIC PLANNING.—

(1) IN GENERAL.—The Secretary of Homeland Security shall develop, prepare, implement, and update, as needed—

(A) a National Strategy for Transportation Security; and

(B) transportation modal security plans addressing security risks, including threats, vulnerabilities, and consequences, for aviation, railroad, ferry, highway, maritime, pipeline, public transportation, over-the-road bus, and other transportation infrastructure assets.

(2) ROLE OF SECRETARY OF TRANSPORTATION.—

The Secretary of Homeland Security shall work jointly with the Secretary of Transportation in developing, revising, and updating the documents required by paragraph (1).

(3) CONTENTS OF NATIONAL STRATEGY FOR TRANSPORTATION SECURITY.—The National Strategy for Transportation Security shall include the following:

(A) An identification and evaluation of the transportation assets in the United States that, in the interests of national security and commerce, must be protected from attack or disruption by terrorist or other hostile forces, including modal security plans for aviation, bridge and tunnel, commuter rail and ferry, highway, maritime, pipeline, rail, mass transit, over-the-road bus, and other public transportation infrastructure assets that could be at risk of such an attack or disruption.

(B) The development of risk-based priorities, based on risk assessments conducted or received by the Secretary of Homeland Security (including assessments conducted under the Implementing Recommendations of the 9/11 Commission Act of 20071 across all transportation modes and realistic deadlines for addressing security needs associated with those assets referred to in subparagraph (A).

(C) The most appropriate, practical, and cost-effective means of defending those assets against threats to their security.

(D) A forward-looking strategic plan that sets forth the agreed upon roles and missions of Federal, State, local, and tribal authorities and establishes mechanisms for encouraging cooperation and participation by private sector entities, including nonprofit employee labor organizations, in the implementation of such plan.

(E) A comprehensive delineation of prevention, response, and recovery responsibilities and issues regarding threatened and executed acts of terrorism within the United States and threatened and executed acts of terrorism outside the United States to the extent such acts affect United States transportation systems.

(F) A prioritization of research and development objectives that support transportation security needs, giving a higher priority to research and development directed toward protecting vital transportation assets. Transportation security research and development projects shall be based, to the extent practicable, on such prioritization. Nothing in the preceding sentence shall be construed

1 So in original. Probably should be followed by a closing parenthesis.
to require the termination of any research or development project initiated by the Secretary of Homeland Security or the Secretary of Transportation before the date of enactment of the Implementing Recommendations of the 9/11 Commission Act of 2007.

(G) A 3- and 10-year budget for Federal transportation security programs that will achieve the priorities of the National Strategy for Transportation Security.

(H) Methods for linking the individual transportation modal security plans and the programs contained therein, and a plan for addressing the security needs of intermodal transportation.

(I) Transportation modal security plans described in paragraph (1)(B), including operational recovery plans to expedite, to the maximum extent practicable, the return to operation of an adversely affected transportation system following a major terrorist attack on that system or other incident. These plans shall be coordinated with the resumption of trade protocols required under section 202 of the SAFE Port Act (6 U.S.C. 942) and the National Maritime Transportation Security Plan required under section 70103(a) of title 46.

(4) SUBMISSIONS OF PLANS TO CONGRESS.—

(A) INITIAL STRATEGY.—The Secretary of Homeland Security shall submit the National Strategy for Transportation Security, including the transportation modal security plans, developed under this subsection to the appropriate congressional committees not later than April 1, 2005.

(B) SUBSEQUENT VERSIONS.—After December 31, 2005, the Secretary of Homeland Security shall submit the National Strategy for Transportation Security, including the transportation modal security plans and any revisions to the National Strategy for Transportation Security and the transportation modal security plans, to appropriate congressional committees not less frequently than April 1 of each even-numbered year.

(C) PERIODIC PROGRESS REPORT.—

(i) REQUIREMENT FOR REPORT.—Each year, in conjunction with the submission of the budget to Congress under section 1105(a) of title 31, United States Code, the Secretary of Homeland Security shall submit to the appropriate congressional committees an assessment of the progress made on implementing the National Strategy for Transportation Security, including the transportation modal security plans.

(ii) CONTENT.—Each progress report submitted under this subparagraph shall include, at a minimum, the following:

(I) Recommendations for improving and implementing the National Strategy for Transportation Security and the transportation modal and intermodal security plans that the Secretary of Homeland Security, in consultation with the Secretary of Transportation, considers appropriate.

(II) An accounting of all grants for transportation security, including grants and contracts for research and development, awarded by the Secretary of Homeland Security in the most recent fiscal year and a description of how such grants accomplished the goals of the National Strategy for Transportation Security.

(III) An accounting of all—

(aa) funds requested in the President’s budget submitted pursuant to section 1105 of title 31 for the most recent fiscal year for transportation security, by mode;

(bb) personnel working on transportation security by mode, including the number of contractors; and

(cc) information on the turnover in the previous year among senior staff of the Department of Homeland Security, including component agencies, working on transportation security issues.

Such information shall include the number of employees who have permanently left the office, agency, or area in which they worked, and the amount of time that they worked for the Department.

(D) CLASSIFIED MATERIAL.—Any part of the National Strategy for Transportation Security or the transportation modal security plans that involve information that is properly classified under criteria established by Executive order shall be submitted to the appropriate congressional committees separately in a classified format.

(E) APPROPRIATE CONGRESSIONAL COMMITTEES DEFINED.—In this subsection, the term ‘‘appropriate congressional committees’’ means the Committee on Transportation and Infrastructure and the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation, the Committee on Homeland Security and Governmental Affairs, and the Committee on Banking, Housing, and Urban Affairs of the Senate.

(5) PRIORITY STATUS.—

(A) IN GENERAL.—The National Strategy for Transportation Security shall be the governing document for Federal transportation security efforts.

(B) OTHER PLANS AND REPORTS.—The National Strategy for Transportation Security shall include, as an integral part or as an appendix—
(i) the current National Maritime Transportation Security Plan under section 70103 of title 46; 
(ii) the report required by section 4938 of this title; 
(iii) transportation modal security plans required under this section; 
(iv) the transportation sector specific plan required under Homeland Security Presidential Directive-7; and 
(v) any other transportation security plan or report that the Secretary of Homeland Security determines appropriate for inclusion.

(6) COORDINATION.—In carrying out the responsibilities under this section, the Secretary of Homeland Security, in coordination with the Secretary of Transportation, shall consult, as appropriate, with Federal, State, and local agencies, tribal governments, private sector entities (including nonprofit employee labor organizations), institutions of higher learning, and other entities.

(7) PLAN DISTRIBUTION.—The Secretary of Homeland Security shall make available and appropriately publicize an unclassified version of the National Strategy for Transportation Security, including its component transportation modal security plans, to Federal, State, regional, local and tribal authorities, transportation system owners or operators, private sector stakeholders, including nonprofit employee labor organizations representing transportation employees, institutions of higher learning, and other appropriate entities.

(u)2 TRANSPORTATION SECURITY INFORMATION SHARING PLAN.—

(I) DEFINITIONS.—In this subsection:

(A) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term “appropriate congressional committees” has the meaning given that term in subsection (t).3

(B) PLAN.—The term “Plan” means the Transportation Security Information Sharing Plan established under paragraph (2).

(C) PUBLIC AND PRIVATE STAKEHOLDERS.—The term “public and private stakeholders” means Federal, State, and local agencies, tribal governments, and appropriate private entities, including nonprofit employee labor organizations representing transportation employees.

(D) SECRETARY.—The term “Secretary” means the Secretary of Homeland Security.

(E) TRANSPORTATION SECURITY INFORMATION.—The term “transportation security information” means information relating to the risks to transportation modes, including aviation, public transportation, railroad, ferry, highway, maritime, pipeline, and over-the-road bus transportation, and may include specific and general intelligence products, as appropriate.

(2) ESTABLISHMENT OF PLAN.—The Secretary of Homeland Security, in consultation with the program manager of the information sharing environment established under section 1016 of the Intelligence Reform and Terrorism Prevention Act of 2004 (6 U.S.C. 485), the Secretary of Transportation, and public and private stakeholders, shall establish a Transportation Security Information Sharing Plan. In establishing the Plan, the Secretary shall gather input on the development of the Plan from private and public stakeholders and the program manager of the information sharing environment established under section 1016 of the Intelligence Reform and Terrorism Prevention Act of 2004 (6 U.S.C. 485).

(3) PURPOSE OF PLAN.—The Plan shall promote sharing of transportation security information between the Department of Homeland Security and public and private stakeholders.

(4) CONTENT OF PLAN.—The Plan shall include—

(A) a description of how intelligence analysts within the Department of Homeland Security will coordinate their activities within the Department and with other Federal, State, and local agencies, and tribal governments, including coordination with existing modal information sharing centers and the center described in section 1410 of the Implementing Recommendations of the 9/11 Commission Act of 2007; 
(B) the establishment of a point of contact, which may be a single point of contact within the Department of Homeland Security, for each mode of transportation for the sharing of transportation security information with public and private stakeholders, including an explanation and justification to the appropriate congressional committees if the point of contact established pursuant to this subparagraph differs from the agency within the Department that has the primary authority, or has been delegated such authority by the Secretary, to regulate the security of that transportation mode; 
(C) a reasonable deadline by which the Plan will be implemented; and 
(D) a description of resource needs for fulfilling the Plan.

(5) COORDINATION WITH INFORMATION SHARING.—The Plan shall be—

(A) implemented in coordination, as appropriate, with the program manager for the information sharing environment established under section 1016 of the Intelligence Reform and Terrorism Prevention Act of 2004 (6 U.S.C. 485); and 
(B) consistent with the establishment of the information sharing environment and any policies, guidelines, procedures, instructions, or standards established by the President or the program manager for the implementation and management of the information sharing environment.

(6) REPORTS TO CONGRESS.—

(A) IN GENERAL.—Not later than 150 days after the date of enactment of this sub-section, and annually thereafter, the Secretary shall submit to the appropriate congressional committees, a report containing the Plan.

(B) ANNUAL REPORT.—Not later than 1 year after the date of enactment of this sub-
section, the Secretary shall submit to the appropriate congressional committees a report on updates to and the implementation of the Plan.

(7) SURVEY AND REPORT.—
   (A) IN GENERAL.—The Comptroller General of the United States shall conduct a biennial survey of the satisfaction of recipients of transportation intelligence reports disseminated under the Plan.
   (B) INFORMATION SOUGHT.—The survey conducted under subparagraph (A) shall seek information about the quality, speed, regularity, and classification of the transportation security information products disseminated by the Department of Homeland Security to public and private stakeholders.
   (C) REPORT.—Not later than 1 year after the date of the enactment of the Implementing Recommendations of the 9/11 Commission Act of 2007, and every even numbered year thereafter, the Comptroller General shall submit to the appropriate congressional committees, a report on the results of the survey conducted under subparagraph (A). The Comptroller General shall also provide a copy of the report to the Secretary.

(8) SECURITY CLEARANCES.—The Secretary shall, to the greatest extent practicable, take steps to expedite the security clearances needed for designated public and private stakeholders to receive and obtain access to classified information distributed under this section, as appropriate.

(9) CLASSIFICATION OF MATERIAL.—The Secretary, to the greatest extent practicable, shall provide designated public and private stakeholders with transportation security information in an unclassified format.

(Ⅴ) ENFORCEMENT OF REGULATIONS AND ORDERS OF THE SECRETARY OF HOMELAND SECURITY.—
   (1) APPLICATION OF SUBSECTION.—
      (A) IN GENERAL.—This subsection applies to the enforcement of regulations prescribed, and orders issued, by the Secretary of Homeland Security under a provision of chapter 101 of title 49 and under a provision of this title other than a provision of chapter 449 of this title.
      (B) VIOLATIONS OF CHAPTER 449.—The penalties for violations of regulations prescribed and orders issued by the Secretary of Homeland Security under chapter 449 of this title are provided under chapter 463 of this title.
      (C) NONAPPLICATION TO CERTAIN VIOLATIONS.—
         (i) Paragraphs (2) through (5) do not apply to violations of regulations prescribed, and orders issued, by the Secretary of Homeland Security under a provision of this title—
            (I) involving the transportation of personnel or shipments of materials by contractors where the Department of Defense has assumed control and responsibility;
            (II) by a member of the armed forces of the United States when performing official duties; or
         (ii) by a civilian employee of the Department of Defense when performing official duties.
         (ii) Violations described in subclause (I), (II), or (III) of clause (i) shall be subject to penalties as determined by the Secretary of Defense or the Secretary’s designee.
   (2) CIVIL PENALTY.—
      (A) IN GENERAL.—A person is liable to the United States Government for a civil penalty of not more than $10,000 for a violation of a regulation prescribed, or order issued, by the Secretary of Homeland Security under an applicable provision of this title.
      (B) REPEAT VIOLATIONS.—A separate violation occurs under this paragraph for each day the violation continues.

(3) ADMINISTRATIVE IMPOSITION OF CIVIL PENALTIES.—
   (A) IN GENERAL.—The Secretary of Homeland Security may impose a civil penalty for a violation of a regulation prescribed, or order issued, under an applicable provision of this title. The Secretary shall give written notice of the finding of a violation and the penalty.
   (B) SCOPE OF CIVIL ACTION.—In a civil action to collect a civil penalty imposed by the Secretary under this subsection, a court may not re-examine issues of liability or the amount of the penalty.
   (C) JURISDICTION.—The district courts of the United States shall have exclusive jurisdiction of civil actions to collect a civil penalty imposed by the Secretary under this subsection if—
      (i) the amount in controversy is more than—
         (I) $400,000, if the violation was committed by a person other than an individual or small business concern; or
         (II) $50,000 if the violation was committed by an individual or small business concern;
         (ii) the action is in rem or another action in rem based on the same violation has been brought; or
         (iii) another action has been brought for an injunction based on the same violation.
   (D) MAXIMUM PENALTY.—The maximum civil penalty the Secretary administratively may impose under this paragraph is—
      (i) $400,000, if the violation was committed by a person other than an individual or small business concern; or
      (ii) $50,000, if the violation was committed by an individual or small business concern.
   (E) NOTICE AND OPPORTUNITY TO REQUEST HEARING.—Before imposing a penalty under this section the Secretary shall provide to the person against whom the penalty is to be imposed—
      (i) written notice of the proposed penalty; and
      (ii) the opportunity to request a hearing on the proposed penalty, if the Secretary receives the request not later than 30 days
(4) COMPROMISE AND SETOFF.—
(A) The Secretary may compromise the amount of a civil penalty imposed under this subsection.
(B) The Government may deduct the amount of a civil penalty imposed or compromised under this subsection from amounts it owes the person liable for the penalty.

(5) INVESTIGATIONS AND PROCEEDINGS.—Chapter 461 shall apply to investigations and proceedings brought with respect to aviation security duties designated to be carried out by the Secretary.

(6) DEFINITIONS.—In this subsection:
(A) PERSON.—The term “person” does not include—
   (i) the United States Postal Service; or
   (ii) the Department of Defense.
(B) SMALL BUSINESS CONCERN.—The term “small business concern” has the meaning given that term in section 3 of the Small Business Act (15 U.S.C. 632).

(7) ENFORCEMENT TRANSPARENCY.—
(A) IN GENERAL.—Not later than December 31, 2008, and annually thereafter, the Secretary shall—
   (i) provide an annual summary to the public of all enforcement actions taken by the Secretary under this subsection; and
   (ii) include in each such summary the docket number of each enforcement action, the type of alleged violation, the penalty or penalties proposed, and the final assessment amount of each penalty.
(B) ELECTRONIC AVAILABILITY.—Each summary under this paragraph shall be made available to the public by electronic means.
(C) RELATIONSHIP TO THE FREEDOM OF INFORMATION ACT AND THE PRIVACY ACT.—Nothing in this subsection shall be construed to require disclosure of information or records that are exempt from disclosure under sections 552 or 552a of title 5.

(D) ENFORCEMENT GUIDANCE.—Not later than 180 days after the enactment of the Implementing Recommendations of the 9/11 Commission Act of 2007, the Secretary shall provide a report to the public describing the enforcement process established under this subsection.

(w) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary of Homeland Security for—
(1) railroad security—
   (A) $488,000,000 for fiscal year 2008;
   (B) $465,000,000 for fiscal year 2009;
   (C) $508,000,000 for fiscal year 2010; and
   (D) $508,000,000 for fiscal year 2011;
(2) over-the-road bus and trucking security—
   (A) $14,000,000 for fiscal year 2008;
   (B) $27,000,000 for fiscal year 2009;
   (C) $27,000,000 for fiscal year 2010; and
   (D) $27,000,000 for fiscal year 2011; and
(3) hazardous material and pipeline security—
   (A) $12,000,000 for fiscal year 2008;
   (B) $12,000,000 for fiscal year 2009; and
   (C) $12,000,000 for fiscal year 2010.

including nonprofit employee labor organizations.” for “private sector cooperation and participation”.

Subsec. (t)(3)(E). Pub. L. 110–53, §1202(b)(3), substituted “prevention, response, and recovery” for “response and recovery” and inserted “and threatened and executed acts of terrorism outside the United States to the extent such acts affect United States transportation systems” before period at end.

Subsec. (t)(3)(F). Pub. L. 110–53, §1202(b)(4), inserted at end “Transportation security research and development projects shall be based, to the extent practicable, on such prioritization. Nothing in the preceding sentence shall be construed to require the termination of any research or development project initiated by the Secretary of Homeland Security or the Secretary of Transportation before the date of enactment of the Implementing Recommendations of the 9/11 Commission Act of 2007.”

Subsec. (t)(4)(C)(ii), (iii). Pub. L. 110–53, §1202(c)(1)(B), added cls. (ii) and (iii) and struck out former cl. (ii).

Text of former cl. (ii) read as follows: “Each progress report under this subparagraph shall include, at a minimum, recommendations for improving and implementing the National Strategy for Transportation Security and the transportation modal security plans that the Secretary, in consultation with the Secretary of Transportation, considers appropriate.”

Subsec. (t)(4)(E). Pub. L. 110–53, §1202(c)(2), added subpar. (E) and struck out former subpar. (E). Text of former subpar. (E) read as follows: “In this subsection, the term ‘appropriate congressional committees’ means the Committee on Transportation and Infrastructure and the Select Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation and the Committee on Homeland Security and Governmental Affairs of the Senate.”

Subsec. (t)(5)(B), (7). Pub. L. 110–53, §1202(e), added pars. (6) and (7).

2002—Subsec. (t)(2)(B). Pub. L. 107–296, §1707, inserted “and a period not to exceed 90 days” after “effective” and “ratted” or before “disapproved”.

Effective Date of 2007 Amendment
Pub. L. 110–161, div. E, title V, §571, Dec. 26, 2007, 121 Stat. 1314, provided that: “Effective no later than ninety days after the date of enactment of this Act (Dec. 26, 2007), the Transportation Security Administration shall permit approved members of Registered Traveler programs to satisfy fully the required identity verification procedures at security screening checkpoints by presenting a biometrically-secure Registered Traveler card in lieu of the government-issued photo identification document required of non-participants: Provided, That if their identity is not confirmed biometrically, the standard identity and screening procedures will apply: Provided further, That if the Assistant Secretary (Transportation Security Administration) determines this is a threat to civil aviation, then the Assistant Secretary (Transportation Security Administration) shall notify the Committees on Appropriations of the Senate and House of Representatives five days in advance of such determination and require Registered Travelers to present government-issued photo identification documents in conjunction with a biometrically-secure Registered Traveler card.”

Congressional Oversight of Security Assurance for Public and Private Stakeholders
Pub. L. 110–53, title XII, §1203(b), Aug. 3, 2007, 121 Stat. 385, provided that: “(1) In general.—Except as provided in paragraph (2), the Secretary of Homeland Security shall provide a semiannual report to the Committee on Homeland Security and Governmental Affairs, the Committee on Commerce, Science, and Transportation, and the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Homeland Security and the Committee on Transportation and Infrastructure of the House of Representatives that includes—

“(A) the number of public and private stakeholders who were provided with each report;

“(B) a description of the measures the Secretary has taken, under section 114(b)(7) of title 49, United States Code, as added by this section, or otherwise, to ensure proper treatment and security for any classified information to be shared with the public and private stakeholders under the plan; and

“(C) an explanation of the reason for the denial of transportation security information to any stakeholder who had previously received such information.

“(2) No report required if no changes in stakeholders.—The Secretary is not required to provide a semiannual report under paragraph (1) if no stakeholders have been added to or removed from the group of persons with whom transportation security information is shared under the plan since the end of the period covered by the last preceding semiannual report.”
SPECIALIZED TRAINING
Pub. L. 110–53, title XVI, §1611, Aug. 3, 2007, 121 Stat. 485, provided that: “The Administrator of the Transportation Security Administration shall provide advanced training to transportation security officers for the development of specialized security skills, including behavior observation and analysis, explosives detection, and document examination, in order to enhance the effectiveness of layered transportation security measures.”

INFRINGEMENT OF PERSONNEL LIMITATIONS AFTER FISCAL YEAR 2007
“(a) IN GENERAL.—Notwithstanding any provision of law, any statutory limitation on the number of employees in the Transportation Security Administration, before or after its transfer to the Department of Homeland Security from the Department of Transportation, does not apply after fiscal year 2007.
“(b) AVIATION SECURITY.—Notwithstanding any provision of law imposing a limitation on the recruiting or hiring of personnel into the Transportation Security Administration to a maximum number of permanent positions, the Secretary of Homeland Security shall recruit and hire such personnel into the Administration as may be necessary—
“(1) to provide appropriate levels of aviation security; and
“(2) to accomplish that goal in such a manner that the average aviation security-related delay experienced by airline passengers is reduced to a level of less than 10 minutes.”

LEASE OF PROPERTY TO TRANSPORTATION SECURITY ADMINISTRATION EMPLOYEES
Pub. L. 109–90, title V, §514, Oct. 18, 2005, 119 Stat. 2084, provided that: “Notwithstanding section 3302 of title 31, United States Code, for fiscal year 2006 and thereafter, the Administrator of the Transportation Security Administration may impose a reasonable charge for the lease of real and personal property to Transportation Security Administration employees and for use by Transportation Security Administration employees and may credit amounts received to the appropriation or fund initially charged for operating and maintaining the property, which amounts shall be available, without fiscal year limitation, for expenditure for property management, operation, protection, construction, repair, alteration, and related activities.”

Similar provisions were contained in the following prior appropriation act:

ACQUISITION MANAGEMENT SYSTEM OF THE TRANSPORTATION SECURITY ADMINISTRATION
Pub. L. 109–90, title V, §515, Oct. 18, 2005, 119 Stat. 2084, provided that: “For fiscal year 2006 and thereafter, the acquisition management system of the Transportation Security Administration shall apply to the acquisition of services, as well as equipment, supplies, and materials.”

Similar provisions were contained in the following prior appropriation act:

REGISTERED TRAVELER PROGRAM FEES
Pub. L. 109–90, title V, §540, Oct. 18, 2005, 119 Stat. 2088, provided that: “For fiscal year 2006 and thereafter, notwithstanding section 553 of title 5, United States Code, the Secretary of Homeland Security shall impose a fee for any registered traveler program undertaken by the Department of Homeland Security by notice in the Federal Register, and may modify the fee from time to time by notice in the Federal Register; provided, That such fees shall not exceed the aggregate costs associated with the program and shall be credited to the Transportation Security Administration registered traveler fee account, to be available until expended.”

ENHANCED SECURITY MEASURES
“(a) IN GENERAL.—The Under Secretary of Transportation for Security may take the following actions:
“(1) Require effective 911 emergency call capability for telephones serving passenger aircraft and passenger trains.
“(2) Establish a uniform system of identification for all State and local law enforcement personnel for use in obtaining permission to carry weapons in aircraft cabins and in obtaining access to a secured area of an airport, if otherwise authorized to carry such weapons.
“(3) Establish requirements to implement trusted passenger programs and use available technologies to expedite the security screening of passengers who participate in such programs, thereby allowing security screening personnel to focus on those passengers who should be subject to more extensive screening.
“(4) In consultation with the Commissioner of the Food and Drug Administration, develop alternative security procedures under which a medical product to be transported on a flight of an air carrier would not be subject to an inspection that would irreversibly damage the product.
“(5) Provide for the use of technologies, including wireless and wire line data technologies, to enable the private and secure communication of threats to aid in the screening of passengers and other individuals on airport property who are identified on any State or Federal security-related data base for the purpose of having an integrated response coordination of various authorized airport security forces.
“(6) In consultation with the Administrator of the Federal Aviation Administration, consider whether to require all pilot licenses to incorporate a photograph of the license holder and appropriate biometric imprints.
“(7) Provide for the use of voice stress analysis, biometric, or other technologies to prevent a person who might pose a danger to air safety or security from boarding the aircraft of an air carrier or foreign air carrier in air transportation or intrastate air transportation.
“(8) Provide for the use of technology that will permit enhanced instant communications and information between airborne passenger aircraft and appropriate individuals or facilities on the ground.
“(9) Require that air carriers provide flight attendants with a discreet, hands-free, wireless method of communicating with the pilots.
“(b) REPORT.—Not later than 6 months after the date of enactment of this Act (Nov. 19, 2001), and annually thereafter until the Under Secretary has implemented or decided not to take each of the actions specified in subsection (a), the Under Secretary shall transmit to Congress a report on the progress of the Under Secretary in evaluating and taking such actions, including any legislative recommendations that the Under Secretary may have for enhancing transportation security.”

$115. Transportation Security Oversight Board

(a) IN GENERAL.—There is established in the Department of Homeland Security a board to be known as the “Transportation Security Oversight Board”.

[For definitions of terms used in section 109 of Pub. L. 107–71, set out above, see section 133 of Pub. L. 107–71, set out as a note under section 40102 of this title.]
(b) MEMBERSHIP.—
(1) NUMBER AND APPOINTMENT.—The Board shall be composed of 7 members as follows:
(A) The Secretary of Homeland Security, or the Secretary’s designee.
(B) The Secretary of Transportation, or the Secretary’s designee.
(C) The Attorney General, or the Attorney General’s designee.
(D) The Secretary of Defense, or the Secretary’s designee.
(E) The Secretary of the Treasury, or the Secretary’s designee.
(F) The Director of National Intelligence, or the Director’s designee.
(G) One member appointed by the President to represent the National Security Council.

(2) CHAIRPERSON.—The Chairperson of the Board shall be the Secretary of Homeland Security.

(c) DUTIES.—The Board shall—
(1) review and ratify or disapprove any regulation or security directive issued by the Under Secretary of Transportation for security under section 114(b)(2) within 30 days after the date of issuance of such regulation or directive;
(2) facilitate the coordination of intelligence, security, and law enforcement activities affecting transportation;
(3) facilitate the sharing of intelligence, security, and law enforcement information affecting transportation among Federal agencies and with carriers and other transportation providers as appropriate;
(4) explore the technical feasibility of developing a common database of individuals who may pose a threat to transportation or national security;
(5) review plans for transportation security;
(6) make recommendations to the Under Secretary regarding matters reviewed under paragraph (5).

(d) QUARTERLY MEETINGS.—The Board shall meet at least quarterly.

(e) CONSIDERATION OF SECURITY INFORMATION.—
A majority of the Board may vote to close a meeting of the Board to the public, except that meetings shall be closed to the public whenever classified, sensitive security information, or information protected in accordance with section 40119(b), will be discussed.

AMENDMENTS
2010—Subsec. (b)(1)(F). Pub. L. 111–259 amended subpar. (F) generally. Prior to amendment, subpar. (F) read as follows: “The Director of the Central Intelligence Agency, or the Director’s designee.”
Subsec. (b)(1), Pub. L. 107–296, §426(a)(2), added subpar. (A), redesignated former subpars. (A) to (F) as (B) to (G), respectively, and struck out former subpar. (G) which read as follows: “One member appointed by the President to represent the Office of Homeland Security.”

Pars. (7), (8), Pub. L. 102–240, § 5002(a), redesignated pars. (6) and (7) as (7) and (8), respectively.

VEssel TRANSFER AUTHORITY

Pub. L. 109–364, div. C, title XXXV, § 3504, Oct. 17, 2006, 120 Stat. 3510, provided that: “The Secretary of Transportation may transfer or otherwise make available without reimbursement to any other department a vessel under the jurisdiction of the Department of Transportation, upon request by the Secretary of the department that receives the vessel.”

BUDGET JUSTIFICATION

Pub. L. 109–59, title I, § 1926, Aug. 10, 2005, 119 Stat. 1483, as amended by Pub. L. 110–244, title I, § 108(a), June 6, 2008, 122 Stat. 1602, provided that: “Notwithstanding any other provision of law, the Department of Transportation and each agency in the Department shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a budget justification concurrently with the President’s annual budget submission to Congress under section 1105(a) of title 31, United States Code.”

COORDINATED TRANSPORTATION SERVICES

“(a) STUDY.—The Comptroller General shall conduct a study of Federal departments and agencies (other than the Department of Transportation) that receive Federal financial assistance for non-emergency transportation services.

“(b) CONTENTS.—In conducting the study, the Comptroller General shall—

“(1) identify each Federal department and agency (other than the Department of Transportation) that has received Federal financial assistance for non-emergency transportation services in any of the 3 fiscal years preceding the date of enactment of this Act [June 9, 1998];

“(2) identify the amount of such assistance received by each Federal department and agency in such fiscal years; and

“(3) identify the projects and activities funded using such financial assistance.

“(c) REPORT.—Not later than 1 year after the date of enactment of this Act, the Comptroller General shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a report containing the results of the study and any recommendations for enhanced coordination between the Department of Transportation and other Federal departments and agencies that provide funding for non-emergency transportation.”

ESTABLISHMENT OF NATIONWIDE DIFFERENTIAL GLOBAL POSITIONING SYSTEM

“(a) As soon as practicable after the date of enactment of this Act [Oct. 27, 1997], the Secretary of Transportation, acting for the Department of Transportation, may take receipt of such equipment and sites of the Ground Wave Emergency Network (referred to in this section as ‘GWEN’) as the Secretary of Transportation determines to be necessary for the establishment of a nationwide system to be known as the ‘National Differential Global Positioning System’ (referred to in this section as ‘NDGPS’).

“(b) As soon as practicable after the date of enactment of this Act [Oct. 27, 1997], the Secretary of Transportation may—

“(1) if feasible, reuse GWEN equipment and sites transferred to the Department of Transportation under subsection (a);

“(2) to the maximum extent practicable, use contractor services to install the NDGPS;

“(3) modify the positioning system operated by the Coast Guard at the time of the establishment of the NDGPS to integrate the reference stations made available pursuant to subsection (a);

“(4) in cooperation with the Secretary of Commerce, ensure that the reference stations referred to in paragraph (3) are compatible with, and integrated into, the Continuously Operating Reference Station (commonly referred to as ‘CORS’) system of the National Geodetic Survey of the Department of Commerce, and

“(5) in cooperation with the Secretary of Commerce, investigate the use of the NDGPS reference stations for the Global Positioning System Integrated Precipitable Water Vapor System of the National Oceanic and Atmospheric Administration.

“(c) The Secretary of Transportation may—

“(1) manage and operate the NDGPS;

“(2) ensure that the service of the NDGPS is provided without the assessment of any user fee; and

“(3) in cooperation with the Secretary of Defense, ensure that the use of the NDGPS is denied to any enemy of the United States.

“(d) In any case in which the Secretary of Transportation determines that contracting for the maintenance of the NDGPS reference stations is cost-effective, the Secretary of Transportation may enter into a contract to provide for that maintenance.

“(e) The Secretary of Transportation may—

“(1) work in cooperation with appropriate representatives of private industries and universities and officials of State governments—

“(A) investigate improvements (including potential improvements) to the NDGPS;

“(B) develop standards for the NDGPS; and

“(C) sponsor the development of new applications for the NDGPS; and

“(2) provide for the continual upgrading of the NDGPS to improve performance and address the needs of—

“(A) the Federal Government;

“(B) State and local governments; and

“(C) the general public.”

INTERMODAL TRANSPORTATION ADVISORY BOARD AND OFFICE OF INTERMODALISM

Section 5002(b), (c) of Pub. L. 102–240, which provided for establishment within the Office of the Secretary of Transportation of an Intermodal Transportation Advisory Board and Office of Intermodalism, was repealed and reenacted as sections 5502 and 5503 of this title by Pub. L. 103–272, §§1(d), 7(b), July 5, 1994, 108 Stat. 849, 850, 1379.

MODEL INTERMODAL TRANSPORTATION PLANS

Section 5003 of Pub. L. 102–240, which directed Secretary of Transportation to make grants to States, representing a variety of geographic regions and transportation needs, patterns, and modes, for purpose of developing model State Intermodal Transportation Plans consistent with policy of United States to encourage and promote development of national intermodal transportation system, was repealed and reenacted as section 5504 of this title by Pub. L. 103–272, §§1(d), 7(b), July 5, 1994, 108 Stat. 850, 1379.

NATIONAL COMMISSION ON INTERMODAL TRANSPORTATION

Section 5005 of Pub. L. 102–240 provided for establishment of a National Commission on Intermodal Transportation, consisting of 11 appointed members, to make a complete investigation and study of intermodal transportation in the United States and internationally and to send a report to Congress not later than Sept. 30, 1993, containing recommendations for implementing the policy set out in section 308(e) of this title, with the Commission to terminate on the 180th day following transmittal of the report, prior to repeal by Pub. L. 104–297, §7(b), Oct. 11, 1996, 110 Stat. 3400.

BORDER CROSSINGS

Section 6015 of Pub. L. 102–240 directed Secretary of Transportation to identify existing and emerging trade corridors and transportation subsystems that facilitate trade between United States, Canada, and Mexico and to recommend changes to improve and integrate corridor subsystems in order to achieve increased productivity and use of innovative marketing techniques, and directed Secretary to report to Congress not later than 18 months after Dec. 18, 1991, on transportation infrastructure needs and associated costs and to propose an agenda to develop systemwide integration of services for national benefits.

UNDERGROUND PIPELINES

Section 6020 of Pub. L. 102–240 directed Secretary of Transportation to conduct a study to evaluate feasibility, costs, and benefits of constructing and operating pneumatic capsule pipelines for underground movement of commodities other than hazardous liquids and gas, and to submit, not later than 2 years after Dec. 18, 1991, a report to Congress on the results of the study, prior to repeal by Pub. L. 104–297, §7(b), Oct. 11, 1996, 110 Stat. 3400.

LONG-RANGE NATIONAL TRANSPORTATION STRATEGIC PLANNING STUDY

Pub. L. 100–457, title III, §317(b), Sept. 30, 1988, 102 Stat. 2149, directed Department of Transportation to undertake a long-range, multi-modal national transportation strategic planning study, such study to forecast long-term needs and costs for developing and maintaining facilities and services to achieve a desired national transportation program for moving people and goods in the year 2015 and to include detailed analyses of transportation needs within six to nine metropolitan areas that have diverse population, development, and demographic patterns, including at least one interstate metropolitan area, with study to be submitted to Congress on or before Oct. 1, 1989.

Commerical Expendable Launch Vehicle Activities

Designation of Department of Transportation as lead agency and duties of the Secretary for encouraging, facilitating, and developing commercial expendable launch vehicle operations was directed as section 902 of Pub. L. 103–337, Oct. 14, 1994, 108 Stat. 3246, set out under section 7001 of this title.
EX. ORD. NO. 13274. ENVIRONMENTAL STEWARDSHIP AND TRANSPORTATION INFRASTRUCTURE PROJECT REVIEWS

By the authority vested in me by the Constitution and the laws of the United States of America, and to enhance environmental stewardship and streamline the environmental review and development of transportation infrastructure projects, it is hereby ordered as follows:

SECTION 1. Policy. The development and implementation of transportation infrastructure projects in an efficient and environmentally sound manner is essential to the well-being of the American people and a strong American economy. Executive departments and agencies (agencies) shall take appropriate actions, to the extent consistent with applicable law and available resources, to promote environmental stewardship in the Nation’s transportation system and expedite environmental reviews of high-priority transportation infrastructure projects.

SEC. 2. Actions. (a) For transportation infrastructure projects, agencies shall, in support of the Department of Transportation, formulate and implement administrative, policy, and procedural mechanisms that enable each agency required by law to conduct environmental reviews (reviews) with respect to such projects to ensure completion of such reviews in a timely and environmentally responsible manner.

(b) In furtherance of the policy set forth in section 1 of this order, the Secretary of Transportation, in coordination with agencies as appropriate, shall advance environmental stewardship through cooperative actions with project sponsors to promote protection and enhancement of the natural and human environment in the planning, development, operation, and maintenance of transportation facilities and services.

(c) The Secretary of Transportation shall designate for the purposes of this order a list of high-priority transportation infrastructure projects that should receive expedited agency reviews and shall amend such list from time to time as the Secretary deems appropriate. For projects on the Secretary’s list, agencies shall to the maximum extent practicable expedite their reviews for relevant permits or other approvals, and take related actions as necessary, consistent with available resources and applicable laws, including those relating to safety, public health, and environmental protection.

SEC. 3. Interagency Task Force. (a) Establishment. There is established, within the Department of Transportation for administrative purposes, the interagency “Transportation Infrastructure Streamlining Task Force” (Task Force) to: (1) monitor and assist agencies in their efforts to expedite a review of transportation infrastructure projects and issue permits or similar actions, as necessary; (ii) review projects, at least quarterly, on the list of priority projects pursuant to section 2(c) of this order; and (iii) identify and promote policies that can effectively streamline the process required to provide approvals for transportation infrastructure projects, in compliance with applicable law, while maintaining safety, public health, and environmental protection.

(b) Membership and Operation. The Task Force shall promote interagency cooperation and the establishment of appropriate mechanisms to coordinate Federal, State, tribal, and local agency consultation, review, approval, and permitting of transportation infrastructure projects. The Task Force shall consist exclusively of the following officers of the United States: the Secretaries of Agriculture, Commerce, of Transportation (who shall chair the Task Force), of Transportation, the Interior, of Defense, of Homeland Security, of the Environment, , Chairman of the Environmental Quality. A member of the Task Force may designate, to perform the Task Force functions of the member, any person who is part of the member’s department, agency, or office and who is either an officer of the United States appointed by the President with the advice and consent of the Senate or a member of the Senior Executive Service. The Task Force shall report to the President through the Chairman of the Council on Environmental Quality.

SIC. 4. Report. At least once each year, the Task Force shall submit to the President a report that: (a) describes the results of the coordinated and expedited reviews on a project-by-project basis, and identifies those procedures and actions that proved to be most useful and appropriate in coordinating and expediting the review of the projects; (b) identifies substantive and procedural requirements of Federal, State, tribal, and local laws, regulations, and Executive Orders that are inconsistent with, duplicative of, or are structured so as to restrict their efficient implementation with other applicable requirements; (c) makes recommendations regarding those additional actions that could be taken to: (i) address the coordination and expediting of reviews of transportation infrastructure projects by simplifying and harmonizing applicable substantive and procedural requirements; and (ii) elevate and resolve controversies among Federal, State, tribal, and local agencies related to the review or impacts of transportation infrastructure projects in a timely manner; (d) provides any other recommendations that would, in the judgement of the Task Force, advance the policy set forth in section 1 of this order.

SIC. 5. Preservation of Authority. Nothing in this order shall be construed to impair or otherwise affect the functions of the Director of the Office of Management and Budget relating to budget, administrative, and legislative proposals.

SIC. 6. Judicial Review. This order is intended only to improve the internal management of the Federal Government and is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or equity by a party against the United States, its departments, agencies, instrumentalities or entities, its officers or employees, or any other person.

GeORGE W. BUSH.

§ 302. Policy standards for transportation

(a) The Secretary of Transportation is governed by the transportation policy of sections 10101 and 13101 of this title in addition to other laws.

(b) This subtitle and chapters 221 and 315 of this title do not authorize, without appropriate action by Congress, the adoption, revision, or implementation of a transportation policy or investment standards or criteria.

(c) The Secretary shall consider the needs—

(1) for effectiveness and safety in transportation systems; and

(2) of national defense.

(d)(1) It is the policy of the United States to promote the construction and commercialization of high-speed ground transportation systems by—

(A) conducting economic and technological research; (B) demonstrating advancements in high-speed ground transportation technologies; (C) establishing a comprehensive policy for the development of such systems and the effective integration of the various high-speed ground transportation technologies; and (D) minimizing the long-term risks of investors.
(2) It is the policy of the United States to establish in the shortest time practicable a United States designed and constructed magnetic levitation transportation technology capable of operating along Federal-aid highway rights-of-way, as part of a national transportation system of the United States.

(e) INTERMODAL TRANSPORTATION.—It is the policy of the United States Government to encourage and promote development of a national intermodal transportation system in the United States to move people and goods in an energy-efficient manner, provide the foundation for improved productivity growth, strengthen the Nation’s ability to compete in the global economy, and obtain the optimum yield from the Nation’s transportation resources.

In subsection (a), the words “In carrying out his duties and responsibilities under this chapter” before “Secretary of Transportation” are omitted as surplus. The words “the transportation policy of sections 10101 and 10101a of this title in addition to other laws” are substituted for “all applicable statutes including the policy standards set forth in the Federal Aviation Act of 1958, as amended [49 U.S.C. 1301 et seq.]; the national transportation policy of the Interstate Commerce Act, as amended; title 23, relating to Federal-aid highways; and title 14, titles 52 and 53 of the Revised Statutes, the Department of Transportation Act (49 App. U.S.C. 1651 et seq.); the Department of Transportation as the result of the restatement of those laws, and the Secretary is now applicable to the Secretary of Transportation for purposes of this section”.

Effective Amendment Dates

1994—Subsec. (b). Pub. L. 103–272 substituted “This subtitle and chapters 221 and 315 of this title” for “Subtitle I and chapter 31 of subtitle II of this title and the Department of Transportation Act (49 App. U.S.C. 1651 et seq.)”.

Effective Date of 1995 Amendment

Effective Date of 1991 Amendment

Amendment by section 1036(a) of Pub. L. 102–240 effective Dec. 18, 1991, and applicable to funds authorized to be appropriated or made available after Sept. 30, 1991, and, with certain exceptions, not applicable to funds appropriated or made available on or before Sept. 30, 1991, see section 1100 of Pub. L. 102–240, set out as a note under section 104 of Title 23, Highways.

§ 303. Policy on lands, wildlife and waterfowl refuges, and historic sites

(a) It is the policy of the United States Government that special effort should be made to preserve the natural beauty of the countryside and public park and recreation lands, wildlife and waterfowl refuges, and historic sites.

(b) The Secretary of Transportation shall cooperate and consult with the Secretaries of the Interior, Housing and Urban Development, and Agriculture, and with the States, in developing transportation plans and programs that include measures to maintain or enhance the natural beauty of lands crossed by transportation activities or facilities.

(c) APPROVAL OF PROGRAMS AND PROJECTS.—Subject to subsection (d), the Secretary may approve a transportation program or project (other than any project for a park road or parkway under section 204 of title 23) requiring the use of publicly owned land of a public park, recreation area, or wildlife and waterfowl refuge of national, State, or local significance, or land of an historic site of national, State, or local significance (as determined by the Federal, State, or local officials having jurisdiction over the park, area, refuge, or site) only if—

(1) there is no prudent and feasible alternative to using that land; and

(2) the program or project includes all possible planning to minimize harm to the park, recreation area, wildlife and waterfowl refuge, or historic site resulting from the use.

(d) DE MINIMIS IMPACTS.—

(1) REQUIREMENTS.—

(A) REQUIREMENTS FOR HISTORIC SITES.—The requirements of this section shall be considered to be satisfied with respect to an area described in paragraph (2) if the Secretary determines, in accordance with this subsection, that a transportation program or project will have a de minimis impact on the area.

(B) REQUIREMENTS FOR PARKS, RECREATION AREAS, AND WILDLIFE OR WATERFOWL REFUGES.—The requirements of subsection (c)(1) shall be considered to be satisfied with respect to an area described in paragraph (3) if the Secretary determines, in accordance with this subsection, that a transportation program or project will have a de minimis impact on the area. The requirements of subsection (c)(2) with respect to an area described in paragraph (3) shall not include an alternatives analysis.

(C) CRITERIA.—In making any determination under this subsection, the Secretary shall consider to be part of a transportation program or project any avoidance, minimization, mitigation, or enhancement measures that are required to be implemented as a condition of approval of the transportation program or project.

In subsection (a), the words “hereby declared to be” before “the policy” are omitted as surplus. The words “of the United States Government” are substituted for “national” for clarity and consistency.

In subsection (b), the words “crossed by transportation activities or facilities” are substituted for “traversed” for clarity.

In subsection (c), before clause (1), the words “After August 23, 1968” after “Secretary” are omitted as executed. The word “transportation” is inserted before “program” for clarity. In clause (2), the words “or project” are added for consistency.

AMENDMENTS

2005—Subsec. (c). Pub. L. 109–59, §6009(a)(2)(A), inserted heading and substituted “Subject to subsection (d), the Secretary” for “The Secretary” in introductory provisions.

TREATMENT OF MILITARY FLIGHT OPERATIONS

It is the policy of Congress—

(1) to promote, encourage, and develop water transportation, service, and facilities for the commerce of the United States; and

(2) to foster and preserve rail and water transportation.

DEFINITION.—In this section, “inland waterway” includes the Great Lakes.

REQUIREMENTS.—The Secretary of Transportation shall—

(1) investigate the types of vessels suitable for different classes of inland waterways to promote, encourage, and develop inland waterway transportation facilities for the commerce of the United States;

(2) investigate water terminals, both for inland waterway traffic and for through traffic by water and rail, including the necessary docks, warehouses, and equipment, and investigate railroad spurs and switches connecting with those water terminals, to develop the types most appropriate for different locations and for transferring passengers or property between water carriers and rail carriers more expeditiously and economically;

(3) consult with communities, cities, and towns about the location of water terminals, and cooperate with them in preparing plans for terminal facilities;

(4) investigate the existing status of water transportation on the different inland waterways of the United States to learn the extent to which—

(A) the waterways are being used to their capacity and are meeting the demands of traffic; and

(B) water carriers using those waterways are interchanging traffic with rail carriers;

(5) investigate other matters that may promote and encourage inland water transportation; and

(6) compile, publish, and distribute information about transportation on inland waterways that the Secretary considers useful to the commercial interests of the United States.

§ 304. Joint activities with the Secretary of Housing and Urban Development

(a) The Secretary of Transportation and the Secretary of Housing and Urban Development shall—

(1) consult and exchange information about their respective transportation policies and activities;
(2) carry out joint planning, research, and other activities;
(3) coordinate assistance for local transportation projects; and
(4) jointly study methods by which policies and programs of the United States Government can ensure that urban transportation systems most effectively serve both transportation needs of the United States and the comprehensively planned development of urban areas.

(b) The Secretaries shall report on April 1 of each year to the President, for submission to Congress, on their studies and other activities under this section, including legislative recommendations they consider desirable.

In subsection (a), the text of 49:1653(g) (last sentence) is omitted as executed.

In subsection (a)(4), the word “ensure” is substituted for “assure” as being more precise. The words “of the United States Government” are substituted for “Federal”, and the words “United States” are substituted for “national”, for clarity and consistency.

In subsection (b), the words “The Secretaries shall report on April 1 of each year” are substituted for “They shall, within one year after the effective date of the Act, and annually thereafter, report” to omit executed words and to specify the date of April 1 because the President prescribed April 1, 1967, as the effective date of the Department of Transportation Act (Pub. L. 89–670, 80 Stat. 951) by Executive Order No. 11340, March 30, 1967 (32 F.R. 5443). The word “consider” is substituted for “determine” for consistency.

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of provisions in subsec. (b) of this section relating to the requirement to submit an annual report to Congress, see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance, and the 4th item on page 158 of House Document No. 105–7.

§ 305. Transportation investment standards and criteria

(a) Subject to sections 301–304 of this title, the Secretary of Transportation shall develop standards and criteria to formulate and economically evaluate all proposals for investing amounts of the United States Government in transportation facilities and equipment. Based on experience, the Secretary shall revise the standards and criteria. When approved by Congress, the Secretary shall prescribe standards and criteria developed or revised under this subsection. This subsection does not apply to—

(1) the acquisition of transportation facilities or equipment by a department, agency, or instrumentality of the Government to provide transportation for its use;
(2) an inter-oceanic canal located outside the 48 contiguous States;
(3) defense features included at the direction of the Department of Defense in designing and constructing civil air, sea, or land transportation;
(4) foreign assistance programs;
(5) water resources projects; or
(6) grant-in-aid programs authorized by law.

(b) A department, agency, or instrumentality of the Government preparing a survey, plan, or report that includes a proposal about which the Secretary has prescribed standards and criteria under subsection (a) of this section shall—

(1) prepare the survey, plan, or report under those standards and criteria and on the basis of information provided by the Secretary on the—
(A) projected growth of transportation needs and traffic in the affected area;
(B) the relative efficiency of various modes of transportation;
(C) the available transportation services in the area; and
(D) the general effect of the proposed investment on existing modes of transportation and on the regional and national economy;

(2) coordinate the survey, plan, or report—
(A) with the Secretary and include the views and comments of the Secretary; and
(B) as appropriate, with other departments, agencies, and instrumentalities of the Government, States, and local governments, and include their views and comments; and

(3) send the survey, plan, or report to the President for disposition under law and procedure established by the President.

§ 306. Prohibited discrimination

(a) In this section, “financial assistance” includes obligation guarantees.

(b) A person in the United States may not be excluded from participating in, be denied the benefits of, or be subject to discrimination under a project, program, or activity because of race, color, national origin, or sex when any part of the project, program, or activity is financed through financial assistance under section 332 or 333 or chapter 221 or 249 of this title, section 211 or 216 of the Regional Rail Revitalization Act of 1973 (45 U.S.C. 721, 726), or title V of the Railroad Revitalization and Regulatory Reform Act of 1976 (45 U.S.C. 821 et seq.).

(c) When the Secretary of Transportation decides that a person receiving financial assistance under a law referred to in subsection (b) of this section has not complied with that subsection, a Federal civil rights law, or an order or regulation issued under a Federal civil rights law, the Secretary shall notify the person of the decision and require the person to take necessary action to ensure compliance with that subsection.

(d) If a person does not comply with subsection (b) of this section within a reasonable time after receiving a notice under subsection (c) of this section, the Secretary shall take at least one of the following actions:

1. direct that no more Federal financial assistance be provided the person.

2. refer the matter to the Attorney General with a recommendation that a civil action be brought against the person.

3. carry out the duties and powers provided by title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.).

4. take other action provided by law.

(e) When a matter is referred to the Attorney General under subsection (d)(2) of this section, or when the Attorney General has reason to believe that a person is engaged in a pattern or practice violating this section, the Attorney General may begin a civil action in a district court of the United States for appropriate relief.

In subsection (b), the enumerated laws are substituted for “through financial assistance under this Act”, meaning the Rail Revitalization and Regulatory Reform Act of 1976 (Pub. L. 94–210, 90 Stat. 31) and laws amended by that Act. The laws cited in the subsection are substituted for “through financial assistance under this Act” for clarity. The enumerated laws include provisions of the Railroad Revitalization and Regulatory Reform Act of 1976 that amend other laws as well as provisions that are not amendments to other laws. A reference to the Urban Mass Transportation Act of 1964 (Pub. L. 88–365, 78 Stat. 302) is omitted because this section related to that Act is superseded by 49:1615.

In subsection (c), the word “decides” is substituted for “determines” for consistency. The word “ensure” is substituted for “assure” as being more precise.

In subsection (d), the words “at least one of the following actions” are substituted for “and/or” for clarity and consistency.

In subsection (e), the text of 45:803(d) is omitted as unnecessary because section 322 of the revised title gives the Secretary of Transportation general authority to prescribe regulations and other provisions of the revised title. The Secretary may give the Secretary general authority to carry out his duties and powers. The text of 45:803(e) is omitted as unnecessary.

PUB. L. 98–216

This is necessary to correct a cross-reference in section 306(b) and to reflect the transfer of the non-positive law provisions of title 49 to title 49 appendix.

AMENDMENTS

§ 307. Safety information and intervention in Interstate Commerce Commission proceedings

(a) The Secretary of Transportation shall inspect promptly the safety compliance record in the Department of Transportation of each person applying to the Interstate Commerce Commission for authority to provide transportation or freight forwarder service. The Secretary shall report the findings of the inspection to the Commission.

(b) When the Secretary is not satisfied with the safety record of a person applying for permanent authority to provide transportation or freight forwarder service, or for approval of a proposed transfer of permanent authority, the Secretary shall intervene and present evidence of the fitness of the person to the Commission in its proceedings.

(c) When requested by the Commission, the Secretary shall—

(1) provide the Commission with a complete report on the safety compliance of a carrier providing transportation or freight forwarder service subject to its jurisdiction;

(2) provide promptly a statement of the safety record of a person applying to the Commission for temporary authority to provide transportation;

(3) intervene and present evidence in a proceeding in which a finding of fitness is required; and

(4) make additional safety compliance surveys and inspections the Commission decides are desirable to allow it to act on an application or to make a finding on the fitness of a carrier.

In the section, the words “be the duty of” before “Secretary shall” are omitted as surplus.

In subsection (a), the word “inspect” is substituted for “investigate” as being more appropriate. The words “person applying to the Interstate Commerce Commission for authority to provide transportation or freight forwarder service” are substituted for “applicant seeking operating authority from the Interstate Commerce Commission” as being more precise and to conform to subtitle IV of the revised title. The words “of the inspection” are inserted for clarity.

In subsection (b), the words “person applying for permanent authority to provide transportation or freight forwarder service” are substituted for “applicant for permanent operating authority” as being more precise and to conform to subtitle IV of the revised title. The words “proposed transfer of permanent authority” are substituted for “proposed transaction involving transfer of operating authority” to eliminate surplus words and for clarity because the transfer only involves permanent authority.

In subsection (c)(1), the words “providing transportation or freight forwarder service subject to its jurisdiction” are inserted for clarity.

Subsection (c)(2) is substituted for 49:1653(e)(3) for clarity and to conform to subtitle IV of the revised title. The words “freight forwarder service” are not used because the law does not provide for temporary authority for freight forwarders.

In subsection (c)(3) and (4), the word “finding” is substituted for “determination” to conform to subtitle IV of the revised title.

In subsection (c)(3), the words “necessary or” before “desirable” are omitted as surplus.

§ 308. Reports

(a) As soon as practicable after the end of each fiscal year, the Secretary of Transportation shall report to the President, for submission to Congress, on the activities of the Department of Transportation during the prior fiscal year.

(b) The Secretary shall submit to the President and Congress each year a report on the aviation activities of the Department. The report shall include—

(1) collected information the Secretary considers valuable in deciding questions about—

(A) the development and regulation of civil aeronautics;

(B) the use of airspace of the United States; and

(C) the improvement of the air navigation and traffic control system; and

(2) recommendations for additional legislation and other action the Secretary considers necessary.

(c) The Secretary shall submit to Congress each year a report on the conditions of the public ports of the United States, including the—

(1) economic and technological development of the ports;

(2) extent to which the ports contribute to the national welfare and security; and

(3) factors that may impede the continued development of the ports.

(e)(1) The Secretary shall submit to Congress in March 1998, and in March of each even-numbered year thereafter, a report of estimates by the Secretary on the current performance and condition of public mass transportation systems with recommendations for necessary administrative or legislative changes.

(2) In reporting to Congress under this subsection, the Secretary shall prepare a complete assessment of public transportation facilities in the United States. The Secretary also shall assess future needs for those facilities and estimate future capital requirements and operation and maintenance requirements for one-year, 5-year, and 10-year periods at specified levels of service.

Pub. L. 97–449

Revised Section Source (U.S. Code) Source (Statutes at Large)

In subsection (a), the words “As part of his annual report each year” in 45:792 are omitted as unnecessary because of the restatement of the source provisions.

In subsection (b), before clause (1), the words “aviation activities of the Department” are substituted for “work performed under this chapter” because of the restatement. The words “The report shall include” are substituted for “as may be considered” for clarity. In clause (2), the words “the Secretary considers necessary” are substituted for “the maximum extent practicable.”

In subsection (e)(1), the words “January of each even-numbered year” are substituted for “January of 1984” to eliminate unnecessary words.

Amendments

1998—Subsec. (e)(1). Pub. L. 105–362 substituted “submit to Congress in March 1998, and in March of each even-numbered year thereafter, a report” for “submit a report to Congress in January of each even-numbered year”.

1995—Subsec. (d). Pub. L. 104–66 struck out subsec. (d) which related to reports to Congress listing assistance provided by Government to railroad industry.

Subsecs. (d), (e), Pub. L. 98–216, § 21(a)(3)(B), added subsecs. (d) and (e).

Termination of Reporting Requirements

For termination, effective May 15, 2000, of provisions of law requiring submittal to Congress of any annual, semiannuall, or other regular periodic report listed in House Document No. 103–7 (in which reporting provisions contained in subsecs. (a) and (b) of this section and, as subsequently amended, subsec. (e) of this section, are listed, respectively, as the 11th item on page 133, the last item on page 132, and the 5th item on page 136), see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance.

Annual Report on Safety Enforcement Activities of Federal Aviation Administration

§ 309. High-speed ground transportation

(a) The Secretary of Transportation, in consultation with the Secretaries of Commerce, Energy, and Defense, the Administrator of the Environmental Protection Agency, the Assistant Secretary of the Army for Public Works, and the heads of other interested agencies, shall lead and coordinate Federal efforts in the research and development of high-speed ground transportation technologies in order to foster the implementation of magnetic levitation and high-speed steel wheel on rail transportation systems as alternatives to existing transportation systems, including as a component of a high-speed ground transportation system under this section, the Secretary shall provide for financial participation by private industry to the maximum extent practicable.

(b)(1) The Secretary may award contracts and grants for demonstrations to determine the contributions that high-speed ground transportation could make to more efficient, safe, and economical intercity transportation systems. Such demonstrations shall be designed to measure and evaluate such factors as the public response to new equipment, higher speeds, variations in fares, improved comfort and convenience, and more frequent service. In connection with grants and contracts for demonstration under this section, the Secretary shall provide for financial participation by private industry to the maximum extent practicable.

(2)(A) In connection with the authority provided under paragraph (1), there is established a national high-speed ground transportation technology demonstration program, which shall be separate from the national magnetic levitation prototype development program established under section 1086(b) of the Intermodal Surface Transportation Efficiency Act of 1991 and shall be managed by the Secretary of Transportation.

(B)(i) Any eligible applicant may submit to the Secretary a proposal for demonstration of any advancement in a high-speed ground transportation technology or technologies to be incorporated as a component, subsystem, or system in any revenue service high-speed ground transportation project or system under construction or in operation at the time the application is made.
(ii) Grants or contracts shall be awarded only to eligible applicants showing demonstrable benefit to the research and development, design, construction, or ultimate operation of any maglev technology or high-speed steel wheel on rail technology. Criteria to be considered in evaluating the suitability of a proposal under this paragraph shall include—

(I) feasibility of guideway or track design and construction;

(II) safety and reliability;

(III) impact on the environment in comparison to other high-speed ground transportation technologies;

(IV) minimization of land use;

(V) effect on human factors related to high-speed ground transportation;

(VI) energy and power consumption and cost;

(VII) integration of high-speed ground transportation systems with other modes of transportation;

(VIII) actual and projected ridership; and

(ix) design of signaling, communications, and control systems.

(C) For the purposes of this paragraph, the term "eligible applicant" means any United States private business, State government, local government, organization of State or local government, or any combination thereof. The term does not include any business owned in whole or in part by the Federal Government.

(D) The amount and distribution of grants or contracts made under this paragraph shall be determined by the Secretary. No grant or contract may be awarded under this paragraph to demonstrate a technology to be incorporated into a project or system located in a State that prohibits under State law the expenditure of non-Federal public funds or revenues on the construction or operation of such project or system.

(E) Recipients of grants or contracts made pursuant to this paragraph shall agree to submit a report to the Secretary detailing the results and benefits of the technology demonstration proposed, as required by the Secretary.

(c)(1) In carrying out the responsibilities of the Secretary under this section, the Secretary is authorized to enter into 1 or more cooperative research and development agreements (as defined by section 12 of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3710a)), and 1 or more funding agreements (as defined by section 201(b) of title 35, United States Code), with United States companies for the purpose of—

(A) conducting research to overcome technical and other barriers to the development and construction of practicable high-speed ground transportation systems and to help advance the basic generic technologies needed for these systems; and

(B) transferring the research and basic generic technologies described in subparagraph (A) to industry in order to help create a viable commercial high-speed ground transportation industry within the United States.

(2) In a cooperative agreement or funding agreement under paragraph (1), the Secretary may agree to provide not more than 80 percent of the cost of any project under the agreement.

Not less than 5 percent of the non-Federal entity's share of the cost of any such project shall be paid in cash.

(3) The research, development, or utilization of any technology pursuant to a cooperative agreement under paragraph (1), including the terms under which such technology may be licensed and the resulting royalties may be distributed, shall be subject to the provisions of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3701 et seq.).

(4) The research, development, or utilization of any technology pursuant to a funding agreement under paragraph (1), including the determination of all licensing and ownership rights, shall be subject to the provisions of chapter 18 of title 35, United States Code.

(5) At the conclusion of fiscal year 1993 and again at the conclusion of fiscal year 1996, the Secretary shall submit reports to Congress regarding research and technology transfer activities conducted pursuant to the authorization contained in paragraph (1).

(d)(1) Not later than June 1, 1995, the Secretary shall complete and submit to Congress a study of the commercial feasibility of constructing 1 or more high-speed ground transportation systems in the United States. Such study shall consist of—

(A) an economic and financial analysis;

(B) a technical assessment; and

(C) recommendations for model legislation for State and local governments to facilitate construction of high-speed ground transportation systems.

(2) The economic and financial analysis referred to in paragraph (1)(A) shall include—

(A) an examination of the potential market for a nationwide high-speed ground transportation network, including a national magnetic levitation ground transportation system;

(B) an examination of the potential markets for short-haul high-speed ground transportation systems and for intercity and long-haul high-speed ground transportation systems, including an assessment of—

(i) the current transportation practices and trends in each market; and

(ii) the extent to which high-speed ground transportation systems would relieve the current or anticipated congestion on other modes of transportation;

(C) projections of the costs of designing, constructing, and operating high-speed ground transportation systems, the extent to which such systems can recover their costs (including capital costs), and the alternative methods available for private and public financing;

(D) the availability of rights-of-way to serve each market, including the extent to which average and maximum speeds would be limited by the curvature of existing rights-of-way and the prospect of increasing speeds through the acquisition of additional rights-of-way without significant relocation of residential, commercial, or industrial facilities;

(E) a comparison of the projected costs of the various competing high-speed ground transportation technologies;

(F) recommendations for funding mechanisms, tax incentives, liability provisions, and
paragraph (1)(B) shall include—

(1) an examination of the potential for a high-speed ground transportation technology export market;

(2) an examination of the various technologies developed for use in the transportation of passengers by high-speed ground transportation, including a comparison of the safety (including dangers associated with grade crossings), energy efficiency, operational efficiencies, and environmental impacts of each system;

(3) the technical assessment referred to in paragraph (1)(B) shall include—

(A) an examination of the potential role of a United States designed maglev system, developed as a prototype under section 1036(b) of the Intermodal Surface Transportation Efficiency Act of 1991, in relation to the implementation of other high-speed ground transportation technologies and the national transportation system;

(B) an examination of the work being done to establish safety standards for high-speed ground transportation as a result of the enactment of section 7 of the Rail Safety Improvement Act of 1998;

(C) an examination of the need to establish appropriate technological, quality, and environmental standards for high-speed ground transportation systems;

(D) an examination of the significant unresolved technical issues surrounding the design, engineering, construction, and operation of high-speed ground transportation systems, including the potential for the use of existing rights-of-way;

(E) an examination of the effects on air quality, energy consumption, noise, land use, health, and safety as a result of the decreases in traffic volume on other modes of transportation that are expected to result from the full-scale development of high-speed ground transportation systems; and

(F) any other technical assessments the Secretary considers important for carrying out this section.

Within 12 months after the submission of the study required by subsection (d), the Secretary shall establish the national high-speed ground transportation policy (hereinafter in this section referred to as the "Policy").

(2) The Policy shall include—

(A) provisions to promote the design, construction, and operation of high-speed ground transportation systems in the United States;

(B) a determination whether the various competing high-speed ground transportation technologies can be effectively integrated into a national network and, if not, whether 1 or more such technologies should receive preferential encouragement from the Federal Government to enable the development of such a national network;

(C) a strategy for prioritizing the markets and corridors in which the construction of high-speed ground transportation systems should be encouraged; and

(D) provisions designed to promote American competitiveness in the market for high-speed ground transportation technologies.

(3) The Secretary shall solicit comments from the public in the development of the Policy and may consult with other Federal agencies as appropriate in drafting the Policy.

Effective Date

Section effective Dec. 18, 1991, and applicable to funds authorized to be appropriated or made available after Sept. 30, 1991, and, with certain exceptions, not applicable to funds appropriated or made available on or before Sept. 30, 1991, see section 1106 of Pub. National Magnetic Levitation Prototype Development Program

Section 1036(b) of Pub. L. 102–240 provided that:

"(1) MANAGEMENT OF PROGRAM.—There is hereby established a national magnetic levitation prototype development program to be managed by a program director appointed jointly by the Secretary and the Assistant Secretary of the Army for Civil Works (hereinafter in this subsection referred to as the 'Assistant Secretary'). To carry out such program, the Secretary and the Assistant Secretary shall establish a national maglev joint project office (hereinafter in this subsection referred to as the 'Maglev Project Office'), which shall be headed by the program director, and shall enter into such arrangements as may be necessary for funding, staffing, office space, and other requirements that will allow the Maglev Project Office to
carry out its functions. In carrying out such program, the program director shall consult with appropriate Federal officials, including the Secretary of Energy and the Administrator of the Environmental Protection Agency.

"(2) PHASE ONE CONTRACTS.—

(A) REQUEST FOR PROPOSALS.—Not later than 12 months after the date of the enactment of this Act [Dec. 18, 1991], the Maglev Project Office shall release a request for proposals for development of conceptual designs for a maglev system and for research to facilitate the development of such conceptual designs.

(B) AWARD OF CONTRACTS.—Not later than 15 months after the date of the enactment of this Act, the Secretary and the Assistant Secretary shall, based on the recommendations of the program director, award 1-year contracts for research and development to no fewer than 5 eligible applicants. If fewer than 5 complete applications have been received, contracts shall be awarded to as many eligible applicants as is practical.

(C) FACTORS AND CONDITIONS TO BE CONSIDERED.—

The Secretary and the Assistant Secretary may approve contracts under subparagraph (B) only after consideration of factors relating to the construction and operation of a magnetic levitation system, including the cost-effectiveness, safety, limited environmental impact, ability to achieve sustained high speeds, ability to operate along the Interstate highway rights-of-way, the potential for the guideway design to be a national standard, the applicant’s resources, capabilities, and history of successfully designing and developing systems of similar complexity, and the desirability of geographic diversity among contractors and only if the applicant agrees to submit a report to the Maglev Project Office detailing the results of the research and development and agrees to provide for matching of the phase one contract at a 90 percent Federal, 10 percent non-Federal, cost share.

(3) PHASE TWO CONTRACTS.—Within 3 months of receiving the final reports of contract activities under paragraph (2), and based only on such reports and the recommendations of the program director, the Secretary and the Assistant Secretary shall select not more than 3 eligible applicants from among the contract recipient submitting reports under paragraph (2) to receive 18-month contracts for research and development leading to a detailed design for a prototype maglev system. The Secretary and the Assistant Secretary may only award contracts under this paragraph if—

(A) they determine that the applicant has demonstrated technical merit for the conceptual design and the potential for further development of such design into an operational prototype as described in paragraph (4).

(B) the applicant agrees to submit the detailed design within such 18-month period to the Maglev Project Office and the selection committee described in paragraph (4), and

(C) the applicant agrees to provide for matching of the phase two contract at an 80 percent Federal, 20 percent non-Federal, cost share.

(4) PROTOTYPE.—

(A) SELECTION OF DESIGN.—Within 6 months of receiving the detailed designs developed under paragraph (3), the Secretary and the Assistant Secretary shall, based on the recommendations of the selection committee described in this subparagraph, select 1 design for development into a full-scale prototype, unless the Secretary and the Assistant Secretary determine jointly that no design shall be selected, based on an assessment of technical feasibility and projected cost of construction and operation of the prototype. A selection committee of 8 members, consisting of—

(i) 1 member to be appointed by the Secretary,

(ii) 1 member to be appointed by the Assistant Secretary,

(iii) 3 members to be appointed by the Senate majority and minority leaders, and

(iv) 3 members to be appointed by the Speaker of the House and the minority leader of the House.

shall be appointed not later than 1 year following the award of contracts under paragraph (3). The selection committee, within 3 months of receiving the detailed designs developed under paragraph (3), shall make a recommendation to the Secretary and the Assistant Secretary as to the best prototype design or the unsuitability of any design. The program director shall provide technical reviews of the phase two contract reports to the selection committee and otherwise provide any technical assistance that the committee requires to assist it in making a recommendation. In the event that the Secretary and the Assistant Secretary determine jointly not to select a design for development under this subsection, they shall report to Congress on the basis for such determination, together with recommendations for future action, including further research, development, or design, termination of the program, or such other action as may be appropriate.

(B) AWARD OF CONSTRUCTION GRANT OR CONTRACT.—

Unless the Secretary and the Assistant Secretary determine not to proceed pursuant to subparagraph (A), they shall, not later than 3 months after selection of a design for development into a full-scale prototype, and based on the recommendations of the program director, award 1 construction grant or contract to the applicant whose detailed design was selected under subparagraph (A) for the purpose of constructing a prototype maglev system in accordance with the selected design. Not more than 75 percent of the cost of the project shall be borne by the United States.

(C) FACTORS TO BE CONSIDERED IN SELECTION.—Selection of the detailed design under this paragraph shall be based on consideration of the following factors, among others:

(i) The project shall be capable of utilizing Interstate highway rights-of-way along or above a significant portion of its route, and may also use railroad rights-of-way along or above any portion of the railroad route.

(ii) The total length of guideway shall be at least 19 miles and allow significant full-speed operations between stops.

(iii) The project shall be constructed and ready for operational testing within 3 years after the award of the contract or grant.

(iv) The project shall provide for the conversion of the prototype to commercial operation after testing and technical evaluation is completed.

(v) The project shall be located in an area that provides a potential ridership base for future commercial operation.

(vi) The project shall utilize a technology capable of being applied in commercial service in most parts of the contiguous United States.

(vii) The project shall have at least 1 switch.

(viii) The project shall be intermodal in nature connecting a major metropolitan area with an airport, port, passenger rail station, or other transportation mode.

(D) ADDITIONAL FACTORS FOR CONSIDERATION.—In awarding a grant or contract under this paragraph, the Secretary shall encourage the development of domestic manufacturing capabilities. In selecting among eligible applicants, the Secretary shall consider existing railroads and equipment manufacturers with excess production capacity, including railroads that have experience in advanced technologies (including self-propelled cars).

(5) LICENSING.—

(A) PROPRIETARY RIGHTS.—No trade secrets or commercial or financial information that is privileged or confidential, under the meaning of section 552(b)(4) of title 5, United States Code, which is obtained from a United States business, research, or educational entity as a result of activities under this subsection shall be disclosed.
"(B) COMMERCIAL INFORMATION.—The research, development, and use of any technology developed pursuant to an agreement reached pursuant to this subsection, including the terms under which any technology may be licensed and the resulting royalties may be distributed, shall be subject to the provisions of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3701–3714). In addition, the Secretary and the Assistant Secretary may require any grant or contract recipient to assure that research and development be performed substantially in the United States and that the products embodying the inventions made under any agreement pursuant to this subsection or produced through the use of such inventions be manufactured substantially in the United States.

"(6) REPORTS.—The Secretary and the Assistant Secretary shall provide periodic reports to Congress on progress made under this subsection.

"(7) ELIGIBLE APPLICANT DEFINED.—For purposes of this subsection, the term 'eligible applicant' means a United States private business, United States public or private education and research organization, Federal laboratory, or a consortium of such businesses, organizations, and laboratories."

§ 321. Definitions

In this subchapter, "aeronautics", "air commerce", and "air navigation facility" have the same meanings given those terms in section 40102(a) of this title.

In the chapter, the words “Secretary of Transportation” and “Secretary” are substituted for “Administrator” in the provisions of the Federal Aviation Act of 1958 (Pub. L. 85–726, 72 Stat. 731) restated in the revised chapter because of the transfer of aviation functions to the Secretary under 49:1655(e)(1).

In subsection (a), the words “may prescribe regulations” to carry out the duties and powers” are substituted for “may make such rules and regulations as may be necessary to carry out . . . powers, and duties” for consistency and to eliminate unnecessary words. The text of 49:1657(h) and (g) is omitted as executed because the transfer of personnel, assets, and liabilities, etc., has been accomplished.

In subsection (b), the words “Except where this chapter vests in any administration, agency or board, specific functions, powers, and duties” before “the Secretary may” in 49:1657(e)(1) are omitted because of the specific wording of sections 103, 104, and 106 of the revised title. The words “in addition to the authority to delegate and redelegate contained in any other Act in the exercise of the functions transferred to or vested in the Secretary in this chapter” before “delegate” in 49:1657(e)(1) are omitted because the authority of the Secretary to delegate is consolidated in the subsection. The words “the duties and powers of the Secretary” are substituted for “any of his residual functions, powers, and duties” in 49:1657(e)(1) and “any of the functions transferred to him by this reorganization plan” in section 2 of Reorganization Plan No. 2 of 1968 (eff. July 1, 1968, 82 Stat. 1369), for clarity and consistency. The words “as he may designate” and “of such functions” are omitted as unnecessary because of the transfer of aviation functions to the Secretary of Transportation under 49:1655(c)(1). The text of 49:1657(e)(2) (words before 2d comma) is omitted as unnecessary because the authority of an officer to delegate is consolidated in the subsection.

The words “the duties and powers of the officer” are substituted for “such functions, powers, and duties” in 49:1657(e)(2) for clarity and consistency. The words “the duties and powers specified in sections 103(c)(1), 104(c)(1), and 106(g)(1) of this title” are substituted for “any of the statutory duties and responsibilities specifically assigned to them by this chapter” in 49:1657(e)(3) for clarity. The words “in no case not to delegate to an officer or employee outside the Administration concerned” are substituted for “The Administrator established by section 1652(e) of this title . . . not to delegate . . . outside of their respective administrations” in 49:1657(e)(3) for clarity and because of the restatement of the section.

In subsection (c), before clause (1), the words “aviation duties and powers” are added because the source provisions being restated only applies to carrying out duties and powers related to aviation. In clause (2), the word “those departments, agencies, and instrumentalities” are substituted for “such other agencies and instrumentalities” in 49:1349(i) for clarity and consistency. The words “aviation . . . Department” are substituted for “Administration” in 49:1343(i) because of the transfer of aviation functions to the Secretary under 49:1655(c)(1).

In subsection (d), before clause (1), the words “aviation duties and powers” are substituted for “for the exercise and performance of the powers and duties vested in and imposed upon him by law” in 49:1344(a) because the source provisions being restated only applies to carrying out duties and powers related to the Federal Aviation Administration. The words “at the seat of government and elsewhere as may be necessary” after “expenditures” and “as from time to time may be appropriated for by Congress” are omitted as surplus. In clause (8), the words “passenger-carrying aircraft and automobiles” are substituted for “passenger-carrying automobiles and aircraft” in 49:1344(a) for clarity and consistency. The words “. . . as is necessary in the exercise and performance of the powers and duties of the Secretary” after “aircraft” in 49:1344(a) are omitted as unnecessary because of the restatement of the section. The text of 49:1344(a) (proviso) is omitted as unnecessary.

In subsection (e), before clause (1), the words “or in support of” are omitted as surplus. In clause (1), the words “making the property” are substituted for “for manufacture” for clarity. In clause (2), the word “formal” is omitted as unnecessary. The word “unreasonably” is substituted for “unduly” for consistency.

No. 11428, Sept. 5, 1968, 32 F.R. 14470, upon establishment of Department of Transportation amended and revoked certain executive orders relating to transportation, and, in addition to any other authority, authorized Secretary of Transportation and Federal Aviation Administrator to redelegate and authorize successive redelegations of any authority conferred in the order or the orders amended by it.

### § 323. Personnel

(a) The Secretary of Transportation may appoint and fix the pay of officers and employees of the Department of Transportation and may prescribe their duties and powers.
§ 324. Members of the armed forces

(a) The Secretary of Transportation—

(1) to ensure that national defense interests are safeguarded properly and that the Secretary is advised properly about the needs and special problems of the armed forces, shall coordinate with the appropriate committees of Congress on agreements made to carry out subsection (a)(2) of this section, including the number, rank, and position of each member appointed, detailed, or assigned under those agreements.

(b) The Secretary of a military department does not control the duties and powers of a member of the armed forces appointed, detailed, or assigned under this section when those duties and powers pertain to the Department of Transportation. A member of the armed forces appointed, detailed, or assigned under subsection (a)(2) of this section may not be charged against a statutory limitation on grades or strengths of the armed forces. The appointment, detail, or assignment and service of a member under this section to a position in the Department of Transportation does not affect the status, office, rank, or grade held by that member, or a right or benefit arising from that status, office, rank, or grade.

§ 324. Members of the armed forces

In the section, the words “compensation” for consistency with title 5.

In subsection (a), the words “In addition to the authority contained in any other Act which is transferred to and vested in the Secretary, the National Transportation Safety Board, or any other officer in the Department” before “the Secretary” and “subject to the civil administration” are substituted for “the Secretary.” In subsection (b), the word “pay” is substituted for “compensation” for consistency with title 5.

In the section, the word “pay” is substituted for “compensation” for consistency with title 5.

The text of 49:1657(d) (words after 1st comma) is omitted because it is inclusive. The words “attorneys, and administrative law judges” after “employees” in 49:1657(a) are omitted as unnecessary because of title 5, especially sections 3301, 5101, and 5331. The word “apportionment” before “the Secretary” and “subject to the civil administration” are substituted for “by the appropriate Secretary, pursuant to cooperative agreements.”

In subsection (a), the words “In addition to the authority contained in any other Act which is transferred to and vested in the Secretary, the National Transportation Safety Board, or any other officer in the Department” before “the Secretary” and “subject to the civil administration” are substituted for “the Secretary.” In subsection (b), the word “pay” is substituted for “compensation” for consistency with title 5.

In the section, the word “pay” is substituted for “compensation” for consistency with title 5.
cause of the transfer of the Coast Guard to the Secretary under 49:1655(b) and the transfer of aviation functions to the Secretary under 49:1655(c)(1). The words "may be appointed, detailed, or assigned" are substituted for "may be detailed" for clarity and consistency in 49:1343(a)(1) and 49:1657(c). The words "to the Department of Transportation" are substituted for "for service in the Administration to effect such participation" in 49:1343(a)(1) because of the transfer of aviation functions to the Secretary under 49:1655(c)(1) and to eliminate unnecessary words. The words "in writing" in 49:1657(d)(2) are omitted as unnecessary. The words "each member appointed, detailed, or assigned" are substituted for "personnel appointed" and "members of the armed services detailed" in 49:1657(d)(2) for clarity and consistency.

In subsection (d), the words "The Secretary of a military department" are substituted for "his armed force or any officer thereof" in 49:1657(d)(1) and "the department from which detailed or appointed or by any agency or officer thereof" in 49:1343(a)(2) for clarity and consistency. The words "directly or indirectly" before "with respect to" are omitted as surplus. The words "the duties and powers of . . . when those duties and powers pertain to the Department of Transportation" are substituted for "with respect to his responsibilities under this chapter or within the Administration" in 49:1657(d)(2) and "with respect to the responsibilities exercised in the position to which appointed, detailed, or assigned" in 49:1657(d)(1) for consistency and because of the restatement of the section. The words "does not control" are substituted for "No . . . shall be subject to direction or control by" in 49:1657(d)(2) and "shall not be subject to direction by or control by" in 49:1657(d)(1) for clarity. The words "any appointive or other" before "position" in 49:1657(d)(2) are substituted for "any appointive or other" before "position" in 49:1657(d)(1) for consistency and because that is the rate under 49:1657(b). The words "may serve" are added for clarity because that is the rate under 49:1657(b). The words "in carrying out aviation duties and powers" are substituted for "in the case of any individual" in 49:1343(g) and "the department in performance of its functions hereunder" in 49:1343(g) for clarity and consistency because the duties and powers are vested in the Secretary of Transportation.

In subsection (b), the word "compensation" after "provisions of title 5 governing appointment in the competitive service are substituted for "civil service laws" in 49:1657(o) for clarity and consistency. The words "as shall be appropriate for the purpose of" before "consultation" in 49:1657(o) are omitted as surplus. The words "the Secretary in carrying out the duties and powers of the Secretary" are substituted for "the Department in performance of its functions" in 49:1657(o) and "the Administration in performance of its functions hereunder" in 49:1343(g) for clarity and consistency because the duties and powers are vested in the Secretary of Transportation.

In subsection (a), the words "provisions of title 5 governing appointment in the competitive service are substituted for "civil service laws" in 49:1657(o) for clarity and consistency. The words "as shall be appropriate for the purpose of" before "consultation" in 49:1657(o) are omitted as surplus. The words "the Secretary in carrying out the duties and powers of the Secretary" are substituted for "the Department in performance of its functions" in 49:1657(o) and "the Administration in performance of its functions hereunder" in 49:1343(g) for clarity and consistency because the duties and powers are vested in the Secretary of Transportation.

For termination, effective May 15, 2000, of provisions of law requiring submittal to Congress of any annual, semiannual, or other regular periodic report listed in House Document No. 103–7 (in which a report required under subsection (b) of this section is listed as the 5th item on page 132), see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance.

§ 325. Advisory committees

(a) Without regard to the provisions of title 5 governing appointment in the competitive service, the Secretary of Transportation may appoint advisory committees to consult with and advise the Secretary in carrying out the duties and powers of the Secretary.

(b) While attending a committee meeting or otherwise serving at the request of the Secretary, a member of an advisory committee may be paid not more than $100 a day. A member is entitled to reimbursement for expenses under section 5703 of title 5. This subsection does not apply to individuals regularly employed by the United States Government.

(c) A member of an advisory committee advising the Secretary in carrying out aviation duties and powers may serve for not more than 100 days in a calendar year.

In subsection (a), the words "provisions of title 5 governing appointment in the competitive service are substituted for "civil service laws" in 49:1657(o) for clarity and consistency. The words "as shall be appropriate for the purpose of" before "consultation" in 49:1657(o) are omitted as surplus. The words "the Secretary in carrying out the duties and powers of the Secretary" are substituted for "the Department in performance of its functions" in 49:1657(o) and "the Administration in performance of its functions hereunder" in 49:1343(g) for clarity and consistency because the duties and powers are vested in the Secretary of Transportation.

In subsection (b), the word "compensation" after "may be paid" in 49:1657(o) is omitted as surplus. The words "not more than $100 a day" are substituted for "at rates not exceeding those authorized for individuals under subsection (b) of this section" in 49:1657(o) for clarity because that is the rate under 49:1657(b). The words "A member is entitled to reimbursement for expenses under section 5703 of title 5" are substituted for 49:1657(g) (last sentence) and 49:1657(o) (last sentence words after 4th comma) for clarity.

In subsection (c), the words "A member of an advisory committee advising the Secretary" are substituted for "in the case of any individual" in 49:1343(g) for clarity. The words "may serve" are added for clarity and because of the restatement of the section. The words "in carrying out aviation duties and powers" are added because the source provisions being restated only applies to carrying out duties and powers related to the Federal Aviation Administration.

In subsection (b), the word "compensation" after "may be paid" in 49:1657(o) is omitted as surplus. The words "not more than $100 a day" are substituted for "at rates not exceeding those authorized for individuals under subsection (b) of this section" in 49:1657(o) for clarity because that is the rate under 49:1657(b). The words ""A member is entitled to reimbursement for expenses under section 5703 of title 5" are substituted for 49:1657(g) (last sentence) and 49:1657(o) (last sentence words after 4th comma) for clarity.

In subsection (c), the words "A member of an advisory committee advising the Secretary" are substituted for "in the case of any individual" in 49:1343(g) for clarity. The words "may serve" are added for clarity and because of the restatement of the section. The words "in carrying out aviation duties and powers" are added because the source provisions being restated only applies to carrying out duties and powers related to the Federal Aviation Administration.

TERMINATION OF ADVISORY COMMITTEES

Advisory committees in existence on Jan. 5, 1973, to terminate not later than the expiration of the 2-year period following Jan. 5, 1973, unless, in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a committee established by the Congress, its duration is otherwise provided by law. See section 14 of Pub. L. 92–463, Oct. 6, 1972, 86 Stat. 776, set out in the Appendix to Title 5, Government Organization and Employees.
§ 326. Gifts

(a) The Secretary of Transportation may accept and use conditional or unconditional gifts of property for the Department of Transportation. The Secretary may accept a gift of services in carrying out aviation duties and powers. Property accepted under this section and proceeds from that property must be used, as nearly as possible, under the terms of the gift.

(b) The Department has a fund in the Treasury. Disbursements from the fund are made on order of the Secretary. The fund consists of—

1. gifts of money;
2. income from property accepted under this section and proceeds from the sale of that property; and
3. income from securities under subsection (c) of this section.

(c) On request of the Secretary of Transportation, the Secretary of the Treasury may invest and reinvest amounts in the fund in securities of, or in securities whose principal and interest is guaranteed by, the United States Government.

(d) Property accepted under this section is a gift to or for the use of the Government under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

In the section, the word "gifts" is substituted for "gifts and bequests" in 49:1657(m)(1) because it is inclusive.

In subsection (a), the words "accept and use" are substituted for "accept, hold, administer, and utilize", and the words "for the Department" are substituted for "for the purpose of aiding or facilitating the work of the Department" in 49:1657(m)(1), to eliminate unnecessary words. The word "property" is substituted for "property, both real and personal" in 49:1657(m)(1), and "gift or donation of money or other property, real and personal" in 49:1344(c)(1) to eliminate unnecessary words. The words "aviation duties and powers" are substituted for "the Internal Revenue Code of 1986 because it is inclusive.

In subsection (b), the words "The Department has a" and "The fund consists of" are added for clarity and because of the restatement of the section. The word "separate" before "fund" is omitted as unnecessary and for consistency. The words "from the fund" are added for clarity. The words "accepted under this section" are substituted for "held by the Secretary pursuant to paragraph (1)" for clarity. The words "that property" are substituted for "other property received as gifts or bequests" to eliminate unnecessary words. The words "from securities under subsection (c) of this section" are substituted for "accruing from such securities" for clarity.

In subsection (c), the words "amounts in the fund" are substituted for "any moneys contained in the fund provided for in paragraph (1)" for clarity.

In subsection (d), the words "under this section" are substituted for "under paragraph (1)" because of the restatement of the section. The words "the Internal Revenue Code of 1964" in 49:1344(c)(1) are substituted for "For the purpose of Federal income, estate, and gift taxes" for consistency.

AMENDMENTS

§ 327. Administrative working capital fund

(a) The Department of Transportation has an administrative working capital fund. Amounts in the fund are available for expenses of operating and maintaining common administrative services the Secretary of Transportation decides are desirable for the efficiency and economy of the Department. The services may include—

1. a central supply service for stationery and other supplies and equipment through which adequate stocks may be maintained to meet the requirements of the Department;
2. central messenger, mail, telephone, and other communications services;
3. office space;
4. central services for document reproduction, and for graphics and visual aids; and
5. a central library service.

(b) Amounts in the fund are available without regard to fiscal year limitation. Amounts may be appropriated to the fund.

(c) The fund consists of—

1. amounts appropriated to the fund;
2. the reasonable value of stocks of supplies, equipment, and other assets and inventories on order that the Secretary transfers to the fund, less the related liabilities and unpaid obligations;
3. amounts received from the sale or exchange of property; and
4. payments received for loss or damage to property of the fund.

(d) The fund shall be reimbursed, in advance, from amounts available to the Department or from other sources, for supplies and services at rates that will approximate the expenses of operation, including the accrual of annual leave and the depreciation of equipment. Amounts in the fund, in excess of amounts transferred or appropriated to maintain the fund, shall be deposited in the Treasury as miscellaneous receipts. All assets, liabilities, and prior losses are considered in determining the amount of the excess.

§ 328. Transportation Systems Center working capital fund

(a) The Department of Transportation has a Transportation Systems Center working capital fund. Amounts in the fund are available for financing the activities of the Center, including research, development, testing, evaluation, analysis, and related activities the Secretary of Transportation approves, for the Department, other agencies, State and local governments, other public authorities, private organizations, and foreign countries.

(b) Amounts in the fund are available without regard to fiscal year limitation. Amounts may be appropriated to the fund.

(c) The capital of the fund consists of—

(1) amounts appropriated to the fund;
(2) net assets of the Center as of October 1, 1980, including unexpended advances made to the Center for which valid obligations were incurred before October 1, 1980;
(3) the reasonable value of property and other assets transferred to the fund after September 30, 1980, less the related liabilities and unpaid obligations; and
(4) the reasonable value of property and other assets donated to the fund.

(d) The fund shall be reimbursed or credited with—

(1) advance payments from applicable funds or appropriations of the Department and other agencies, and with advance payments from other sources, the Secretary authorizes, for—

(A) services at rates that will recover the expenses of operation, including the accrual of annual leave and overhead; and

(B) acquiring property and equipment under regulations the Secretary prescribes; and

(2) receipts from the sale or exchange of property or in payment for loss or damage of property held by the fund.

(e) The Secretary shall deposit at the end of each fiscal year, in the Treasury as miscellaneous receipts, amounts accruing in the fund that the Secretary decides are in excess of the needs of the fund.

§ 329. Transportation information

(a) The Secretary of Transportation may collect and collate transportation information the Secretary decides will contribute to the improvement of the transportation system of the United States. To the greatest practical extent,
the Secretary shall use information available from departments, agencies, and instrumentalities of the United States Government and other sources. To the extent practical, the Secretary shall make available to other Government departments, agencies, and instrumentalities and to the public the information collected under this subsection.

(b) The Secretary shall—

(1) collect and disseminate information on civil aeronautics (other than that collected and disseminated by the National Transportation Safety Board under chapter 11 of this title) including, at a minimum, information on (A) the origin and destination of passengers in interstate air transportation (as that term is used in part A of subtitle VII of this title), and (B) the number of passengers traveling by air between any two points in interstate air transportation; except that in no case shall the Secretary require an air carrier to provide information on the number of passengers or the amount of cargo on a specific flight if the flight and the flight number under which such flight operates are used solely for interstate air transportation and are not used for providing essential air transportation under subchapter II of chapter 417 of this title;

(2) study the possibilities of developing air commerce and the aeronautical industry; and

(3) exchange information on civil aeronautics with governments of foreign countries through appropriate departments, agencies, and instrumentalities of the Government.

(c)(1) On the written request of a person, a State, territory, or possession of the United States, or a political subdivision of a State, territory, or possession, the Secretary may—

(A) make special statistical studies on foreign and domestic transportation;

(B) make special studies on other matters related to duties and powers of the Secretary;

(C) prepare, from records of the Department of Transportation, special statistical compilations; and

(D) provide transcripts of studies, tables, and other records of the Department.

(2) The person or governmental authority requesting information under paragraph (1) of this subsection must pay the actual cost of preparing the information. Payments shall be deposited in the Treasury in an account that the Secretary shall administer. The Secretary may use amounts in the account for the ordinary expenses incidental to getting and providing the information.

(d) To assist in carrying out duties and powers under part A of subtitle VII of this title, the Secretary of Transportation shall maintain separate cooperative agreements with the Secretary of Defense and the Administrator of the National Aeronautics and Space Administration for the timely exchange of information on programs, policies, and requirements directly related to carrying out that part.

(e) INCIDENTS AND COMPLAINTS INVOLVING PASSENGER AND BAGGAGE SECURITY SCREENING.—

(1) PUBLICATION OF DATA.—The Secretary of Transportation shall publish data on incidents and complaints involving passenger and baggage security screening in a manner comparable to other consumer complaint and incident data.

(2) MONTHLY REPORTS FROM SECRETARY OF HOMELAND SECURITY.—To assist in the publication of data under paragraph (1), the Secretary of Transportation may request the Secretary of Homeland Security to periodically report on the number of complaints about security screening received by the Secretary of Homeland Security.

AMENDMENT OF SUBSECTION (b)(1)

Pub. L. 108–176, title VIII, §805, Dec. 12, 2003, 117 Stat. 2588, provided that, effective on the date of the issuance of a final rule to modernize the Origin and Destination Survey of Airline Passenger Traffic, pursuant to the Advance Notice of Proposed Rulemaking published July 15, 1998 (Regulation Identifier Number 2105–AC71), that reduces the reporting burden for air carriers through electronic filing of the survey data collected under subsection (b)(1) of this section, subsection (b)(1) of this section is amended by striking "except that in no case" and all that follows through the semicolon at the end and inserting the following: "except that, if the Secretary requires air carriers to provide flight-specific information, the Secretary—

"(A) shall not disseminate fare information for a specific flight to the general public for a period of at least 9 months following the date of the flight; and

"(B) shall give due consideration to and address confidentiality concerns of carriers, including competitive implications, in any rulemaking prior to adoption of a rule requiring the dissemination to the general public of any flight-specific fare;".

§ 330. Research contracts

(a) The Secretary of Transportation may make contracts with educational institutions, public and private agencies and organizations, and persons for scientific or technological research into a problem related to programs carried out by the Secretary. Before making a contract, the Secretary must require the institution, agency, organization, or person to show that it is able to carry out the contract.

(b) In carrying out this section, the Secretary shall—

(1) give advice and assistance the Secretary believes will best carry out the duties and powers of the Secretary;
(2) participate in coordinating all research started under this section;
(3) indicate the lines of inquiry most important to the Secretary; and
(4) encourage and assist in establishing and maintaining cooperation by and between contractors and between them and other research organizations, the Department of Transportation, and other departments, agencies, and instrumentalities of the United States Government.

(c) The Secretary may distribute publications containing information the Secretary considers
relevant to research carried out under this section.

In subsection (a), the words “may make contracts” are substituted for “is authorized to enter into contracts” to eliminate unnecessary words. The words “the conduct of” before “scientific” are omitted as surplus. The words “a problem” are substituted for “any aspect of the problems” because of the style of the revised title. The words “carried out by the Secretary” are substituted for “of the Department which are authorized by statute” because the Secretary of Transportation is vested with all duties and powers. The words “Before making a contract” are substituted for “with which he expects to enter into contracts pursuant to this subsection” for clarity and to eliminate unnecessary words. The words “is able to carry out the contract” are substituted for “have the capability of doing effective work” for clarity.

In subsection (b), before clause (1), the words “In carrying out this section” are added for clarity. In clause (1), the word “gives” is substituted for “furnish” before “such” “activity” for consistency. The words “duties and powers of the Secretary” are substituted for “mission of the Department” for clarity and consistency. In clause (4), the word “contractors” is substituted for “the institutions, agencies, organizations, or persons” to eliminate unnecessary words. The words “departments, agencies, and instrumentalities of the United States Government” are substituted for “Federal agencies” for clarity and consistency.

In subsection (c), the words “considers relevant” are substituted for “as he deems pertinent” as more precise. The words “from time to time” before “disseminate” and “in the form of reports or . . . to public or private agencies or organizations, or individuals” before “such information” are omitted as unnecessary.

CONFLICTS OF INTEREST

Pub. L. 106–159, title I, §101(g), Dec. 9, 1999, 113 Stat. 1752, provided that:

“(1) COMPLIANCE WITH REGULATION.—In awarding any contract for research, the Secretary shall comply with section 1252.209–70 of title 48, Code of Federal Regulations, as in effect on the date of the enactment of this section [Dec. 9, 1999]. The Secretary shall require that the text of such section be included in any request for proposal and contract for research made by the Secretary.

“(2) STUDY.—

“(A) IN GENERAL.—The Secretary shall conduct a study to determine whether or not compliance with the section referred to in paragraph (1) is sufficient to avoid conflicts of interest in contracts for research awarded by the Secretary and to evaluate whether or not compliance with such section unreasonably delays or burdens the awarding of such contracts.

“(B) CONSULTATION.—In conducting the study under this paragraph, the Secretary shall consult, as appropriate, with the Inspector General of the Department of Transportation, the Comptroller General, the heads of other Federal agencies, research organizations, industry representatives, employee organizations, safety organizations, and other entities.

“(C) REPORT.—Not later than 18 months after the date of the enactment of this Act [Dec. 9, 1999], the Secretary shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the results of the study conducted under this paragraph.”

§ 331. Service, supplies, and facilities at remote places

(a) When necessary and not otherwise available, the Secretary of Transportation may provide for, construct, or maintain the following for officers and employees of the Department of Transportation and their dependents stationed in remote places:

(1) emergency medical services and supplies.
(2) food and other subsistence supplies.
(3) messing facilities.
(4) motion picture equipment and film for recreation and training.
(5) living and working quarters and facilities.
(6) reimbursement for food, clothing, medicine, and other supplies provided by an officer or employee in an emergency for the temporary relief of individuals in distress.

(b) The Secretary shall prescribe reasonable charges for medical treatment provided under subsection (a)(1) of this section and for supplies and services provided under subsection (a)(2) and (3) of this section. Amounts received under this subsection shall be credited to the appropriation from which the expenditure was made.

(c) When appropriations for a fiscal year for aviation duties and powers have not been made before June 1 immediately before the beginning of the fiscal year, the Secretary may designate an officer, and authorize that officer, to incur obligations to buy and transport supplies to carry out those duties and powers at installations outside the 48 contiguous States and the District of Columbia. The amount obligated under this subsection in a fiscal year may not be more than 75 percent of the amount available for buying and transporting supplies to those installations for the then current fiscal year. Payment of obligations under this subsection shall be made from appropriations for the next fiscal year when available.

The words “available for buying and transporting supplies to those installations” are substituted for “made available for such purposes” in 49:1344(b) for clarity. The word “succeeding” after “next” in 49:1344(b) is omitted as surplus.

Pub. L. 103–272

Section 4(j)(8) amends 49:331(b) to follow more closely the language in former 49:1657(j) on which it was based.

AMENDMENTS

1994—Subsec. (b). Pub. L. 103–272 substituted “medical treatment provided under subsection (a)(1) of this section and services provided under subsection (a)(2) and (3) of this section” for “services, supplies, and facilities provided under subsection (a)(1), (2), and (3) of this section”.

§ 332. Minority Resource Center

(a) In this section, “minority” includes women.

(b) The Department of Transportation has a Minority Resource Center. The Center may—

(1) include a national information clearinghouse for minority entrepreneurs and businesses to disseminate information to them on business opportunities related to the maintenance, rehabilitation, restructuring, improvement, and revitalization of the railroads of the United States;

(2) carry out market research, planning, economic and business analyses, and feasibility studies to identify those business opportunities;

(3) assist minority entrepreneurs and businesses in obtaining investment capital and debt financing;

(4) design and carry out programs to encourage, promote, and assist minority entrepreneurs and businesses in getting contracts, subcontract, and projects related to those business opportunities;

(5) develop support mechanisms (including venture capital, surety and bonding organizations, and management and technical services) that will enable minority entrepreneurs and businesses to take advantage of those business opportunities;

(6) participate in, and cooperate with, United States Government programs and other programs designed to provide financial, management, and other forms of support and assistance to minority entrepreneurs and businesses; and

(7) make arrangements to carry out this section.

(c) The Center has an advisory committee of 5 individuals appointed by the Secretary of Transportation. The Secretary shall make the appointments from lists of qualified individuals recommended by minority-dominated trade associations in the minority business community. Each of those trade associations may submit a list of not more than 3 qualified individuals.

(d) The United States Railway Association, the Consolidated Rail Corporation, and the Secretary shall provide the Center with relevant information (including procurement schedules, bids, and specifications on particular maintenance, rehabilitation, restructuring, improvement, and revitalization projects) the Center requests in carrying out this section.

(e) BONDING ASSISTANCE

(1) IN GENERAL.—The Secretary, acting through the Minority Resource Center established under subsection (b), shall provide assistance in obtaining bid, payment, and performance bonds by disadvantaged business enterprises pursuant to subsection (b)(4).

In subsection (b)(7), the words “make arrangements” are substituted for “enter into such contracts, cooperative agreements, or other transactions” to eliminate unnecessary words. The words “as may be necessary” after “transactions” are omitted as surplus. The words “to carry out this section” are substituted for “in the conduct of its functions and duties” for clarity and consistency.

In subsection (c), the words “The Secretary shall make the appointments” and the words “Each of those trade associations may submit a list of not more than” are added for clarity and because of the restatement of the section.

In subsection (d), the words “in carrying out this section” are substituted for “in connection with the performance of its functions” for clarity and consistency.

AMENDMENTS

ABOLITION OF UNITED STATES RAILWAY ASSOCIATION AND TRANSFER OF FUNCTIONS AND SECURITIES
The United States Railway Association abolished effective Apr. 1, 1987, all powers, duties, rights, and obligations of Association relating to Consolidated Rail Corporation under the Regional Rail Reorganization Act of 1973 (45 U.S.C. 701 et seq.) transferred to Secretary of Transportation on Jan. 1, 1987, and any securities of Corporation held by Association transferred to Secretary of Transportation on Oct. 21, 1986, see section 1341 of Title 45, Railroads.

§ 333. Responsibility for rail transportation unification and coordination projects

(a) The Secretary of Transportation may develop and make available to interested persons any plans, proposals, and recommendations for mergers, consolidations, reorganizations, and other unification or coordination projects for rail transportation (including arrangements for joint use of tracks and other facilities and acquisition or sale of assets) that the Secretary believes will result in a rail system that is more efficient and consistent with the public interest.

(b) To achieve a more efficient, economical, and viable rail system in the private sector, the Secretary, when requested by a rail carrier and under this section, may assist in planning, negotiating, and carrying out a unification or coordination of operations and facilities of at least 2 rail carriers.

(c)(1) The Secretary may conduct studies to determine the potential cost savings and possible improvements in the quality of rail transportation that are likely to result from unification or coordination of at least 2 rail carriers, through—

(A) elimination of duplicating or overlapping operations and facilities;
(B) reducing switching operations;
(C) using the shortest or more efficient and economical routes;
(D) exchanging trackage rights;
(E) combining trackage and terminal or other facilities;
(F) upgrading tracks and other facilities used by at least 2 rail carriers;
(G) reducing administrative and other expenses; and

(H) other measures likely to reduce costs and improve rail transportation.

(2) When the Secretary requests information for a study under this section, a rail carrier shall provide the information requested. In carrying out this section, the Secretary may designate an officer or employee to get from a rail carrier information on the kind, quality, origin, destination, consignor, consignee, and routing of property. This information may be obtained without the consent of the consignor or consignee notwithstanding section 11904 of this title. When appropriate, the designated officer or employee has the powers described in section 203(c) of the Regional Rail Reorganization Act of 1973 to carry out this section, but a subpoena must be issued under the signature of the Secretary.

(d)(1) When requested by a rail carrier, the Secretary may hold conferences on and mediate disputes resulting from a proposed unification or coordination project. The Secretary may invite to a conference—

(A) officers and directors of an affected rail carrier;
(B) representatives of rail carrier employees who may be affected;
(C) representatives of the Interstate Commerce Commission;
(D) State and local government officials, shippers, and consumer representatives; and

(2) A person attending or represented at a conference on a proposed unification or coordination project is not liable under the antitrust laws of the United States for any discussion at the conference and for any agreements reached at the conference, that are entered into with the approval of the Secretary to achieve or determine a plan of action to carry out the unification or coordination project.

(e) When the approval of a proposal submitted by a rail carrier for a merger or other action is subject to the jurisdiction of the Interstate Commerce Commission under section 11323(a) of this title, the Secretary may study the proposal to decide whether it satisfies section 11323(b) of this title. When the proposal is the subject of an application and proceeding before the Commission, the Secretary may appear in any proceeding related to the application.

In the section, the word “transportation” is substituted for “services” for consistency.

In subsection (a), the words “feasible” and “but not limited to” are omitted as surplus.
In subsection (b), the words "in order" are omitted as surplus. The words "at least 2" are substituted for "two or more" for consistency.

In subsection (c)(1), the words "as are deemed" are omitted as unnecessary.

In subsection (c)(2), the words "and the study described in section 901 of the Railroad Revitalization and Regulatory Reform Act of 1976" and "or such section 901" are omitted as executed. The word "nature" is omitted as covered by "kind". The word "When" is substituted for "to the extent" for consistency. The word "necessary" is omitted as being included in "appropriate". A cross-reference to section 203(c) of the Regional Rail Reorganization Act of 1973 is included even though the act is unclear because section 1149 of the Omnibus Reconciliation Act of 1981 (Pub. L. 97–35, 95 Stat. 675) amended section 203 to repeal the powers referred to in the source provisions. No position is taken as to whether the powers described in section 203(c) are still in existence.

In subsection (d)(1)(A), the word "appropriate" is omitted as surplus.

In subsection (d)(1)(C), the words "representatives of" are added for consistency in the section.

In subsection (e), the words "in his judgment" are omitted as unnecessary and covered by "decide". The word "satisfies" is substituted for "is in accordance with the standards set forth in" to eliminate unnecessary words.

AMENDMENTS

1995—Subsec. (c)(2). Pub. L. 104–88, §308(b)(1), substituted "11904" for "11910(a)(1)".
Subsec. (e). Pub. L. 104–88, §308(b)(2), substituted "11324(b)" for "11324(a)(1)".

EFFECTIVE DATE OF 1995 AMENDMENT

ABOLITION OF INTERSTATE COMMERCE COMMISSION AND TRANSFER OF FUNCTIONS

Interstate Commerce Commission abolished and functions of Commission transferred, except as otherwise provided in Pub. L. 104–88, to Surface Transportation Board effective Jan. 1, 1996, by section 702 of this title, and section 101 of Pub. L. 104–88, set out as a note under section 701 of this title. References to Interstate Commerce Commission deemed to refer to Surface Transportation Board, a member or employee of the Board, or Secretary of Transportation, as appropriate, see section 265 of Pub. L. 104–88, set out as a note under section 701 of this title.

§ 336. Civil penalty procedures

(a) After notice and an opportunity for a hearing, a person found by the Secretary of Transportation to have violated a provision of law that the Secretary carries out through the Maritime Administrator or the Commandant of the Coast Guard or a regulation prescribed under that law by the Secretary for which a civil penalty is provided, is liable to the United States Government for the civil penalty provided. The amount of the civil penalty shall be assessed by the Secretary by written notice. In determining the amount of the penalty, the Secretary shall consider the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other matters that justice requires.

(b) The Secretary may compromise, modify, or remit, with or without consideration, a civil penalty until the assessment is referred to the Attorney General.

(c) If a person fails to pay an assessment of a civil penalty after it has become final, the Secretary may refer the matter to the Attorney General for collection in an appropriate district court of the United States.

(d) The Secretary may remand or remit a civil penalty collected under this section if—

1. application has been made for refund or remission of the penalty within one year from the date of payment; and

2. the Secretary finds that the penalty was unlawfully, improperly, or excessively imposed.

TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 337. Budget request for the Director of Intelligence and Security

The annual budget the Secretary of Transportation submits shall include a specific request for the Office of the Director of Intelligence and Security. In deciding on the budget request for the Office, the Secretary shall consider recommendations in the annual report submitted under section 44938(a) of this title.

HISTORICAL AND REVISION NOTES

Revised Section Revised Source (U.S. Code) Revised Source (Statutes at Large)

The words "Secretary of Transportation submits" are substituted for "department of Transportation", and the words "budget request for the Office" are substituted for "budget request for the Director", for clarity and consistency in the revised title and with other titles of the United States Code.
§ 351. Judicial review of actions in carrying out certain transferred duties and powers

(a) JUDICIAL REVIEW.—An action of the Secretary of Transportation in carrying out a duty or power transferred under the Department of Transportation Act (Public Law 89–670, 80 Stat. 931), or an action of the Administrator of the Federal Railroad Administration, the Federal Motor Carrier Safety Administration, or the Federal Aviation Administration in carrying out a duty or power specifically assigned to the Administrator by that Act, may be reviewed judicially to the same extent and in the same way as if the action had been an action by the department, agency, or instrumentality of the United States Government carrying out the duty or power immediately before the transfer or assignment.

(b) APPLICATION OF PROCEDURAL REQUIREMENTS.—A statutory requirement related to notice, an opportunity for a hearing, action on the record, or administrative review that applied to a duty or power transferred by the Act applies to the Secretary or Administrator when carrying out the duty or power.

(c) NONAPPLICATION.—This section does not apply to a duty or power transferred from the Interstate Commerce Commission to the Secretary under section 9(e)(1)-(4) and (6)(A) of the Act.

In this subchapter, the words “duty or power” are substituted for “functions, powers, and duties” for clarity and consistency. The words “department, agency, or instrumentality of the United States Government” are substituted for “department or agency” for consistency in the revised title and with other titles of the United States Code.

In subsection (a), the word “orders” is omitted as being included in “action”.

§ 352. Authority to carry out certain transferred duties and powers

In carrying out a duty or power transferred under the Department of Transportation Act (Public Law 89–670, 80 Stat. 931), the Secretary of Transportation and the Administrators of the Federal Railroad Administration, the Federal Motor Carrier Safety Administration, and the Federal Aviation Administration have the same authority that was vested in the department, agency, or instrumentality of the United States Government carrying out the duty or power immediately before the transfer. An action of the Secretary or Administrator in carrying out the duty or power has the same effect as when carried out by the department, agency, or instrumentality.

The words “force and” are omitted as surplus.

AMENDMENTS

§ 501. Definitions and application

(a) In this chapter—

(1) the definitions in sections 10102 and 13102 of this title apply.

(2) “migrant worker” has the same meaning given that term in section 31501 of this title.

(3) “motor carrier of migrant workers” means a motor carrier of migrant workers subject to the jurisdiction of the Secretary of Transportation under section 31502(c) of this title.

(b) Application.—This chapter only applies in carrying out sections 20502(a)(1)(B) and (C), (2), (3), (c), and (d)(1) and 20503 and chapters 205 (except section 20504(b)), 211, 213 (in carrying out those sections and chapters), and 315 of this title.

HISTORICAL AND REVISION NOTES

PUB. L. 97–449

§ 501(a) ......... (no source).

In the chapter, the source provisions are those in effect on March 31, 1967, the day before the effective date of the Department of Transportation Act (Pub. L. 89–670, 80 Stat. 931), because 49:1655(f)(2) gave the Secretary of Transportation the same powers enumerated in 49:1655(f)(2) that the Interstate Commerce Commission had before certain duties and powers under 49:1655(e) were transferred on April 1, 1967, from the Commission to the Secretary. All references to brokers in the source provisions are omitted as not being applicable to the duties and powers transferred to the Secretary of Transportation.

Subsection (a) is included to ensure that the identical definitions that are relevant are used without repeating them. The source provisions for the definitions are found in the revision notes for sections 3101, 3102(c), and 10102 of the revised title.

In subsection (b), the provisions of law to which the chapter applies are only certain laws listed in 49:1655(e). Those laws include the source provisions restated in chapter 31 of the revised title and 49:4, 5, 6 (in carrying out 45:4 and 5), 11, 12, 13 (proviso), 13 (less proviso in carrying out 45:11, 12, and 13 (proviso)), and 61–64b, and 49:26(a)–(f) (words before last semicolon) and (h). The administrative powers of the Secretary under the chapter are based on the administrative powers of 49:1655(f)(2). That provision lists administrative powers the Commission had under the Interstate Commerce Act (ch. 104, 24 Stat. 379) to carry out the Act, and certain other laws authorized the Commission to use its powers under the Act to carry out those other laws. The administrative powers listed in 49:1655(f)(2) and codified in the chapter therefore apply only to a law listed in 49:1655(e) that was a part of the Interstate Commerce Act or to which the powers of the Interstate Commerce Commission were transferred on April 1, 1967, under this chapter.

§ 502. General authority

(a) The Secretary of Transportation shall carry out this chapter.

(b) The Secretary may—

(1) inquire into and report on the management of the business of rail carriers and motor carriers;

(2) inquire into and report on the management of the business of a person controlling, controlled by, or under common control with those carriers to the extent that the business of the person is related to the management of the business of that carrier; and

(3) obtain from those carriers and persons information the Secretary determines to be necessary.

(c) In carrying out this chapter as it applies to motor carriers, motor carriers of migrant workers, and motor private carriers, the Secretary may—

(1) confer and hold joint hearings with State authorities; and

(2) cooperate with and use the services, records, and facilities of State authorities; and

(3) make cooperative agreements with a State to enforce the safety laws and regulations of a State and the United States related to highway transportation.

(d) The Secretary may subpoena witnesses and records related to a proceeding or investigation under this chapter from a place in the United States to the designated place of the proceeding or investigation. If a witness disobeys a subpoena, the Secretary, or a party to a proceeding or investigation before the Secretary, may petition the district court for the judicial district in which the proceeding or investigation is conducted to enforce the subpoena. The court may order the person to comply with a subpoena as a contempt of court.

(e) In a proceeding or investigation, the Secretary may take testimony of a witness by deposition and may order the witness to produce records. A party to a proceeding or investigation pending before the Secretary may take the tes-
timony of a witness by deposition and may require the witness to produce records at any time after a proceeding or investigation is at issue on petition and answer. If a witness fails to be deposited or to produce records under this subsection, the Secretary may subpoena the witness to take a deposition, produce the records, or both.

(2) A deposition may be taken before a judge of a court of the United States, a United States magistrate judge, a clerk of a district court, or a chancellor, justice, or judge of a supreme or superior court, mayor or chief magistrate of a city, judge of a county court, or court of common pleas of any State, or a notary public who is not counsel or attorney of a party or interested in the proceeding or investigation.

(3) Before taking a deposition, reasonable notice must be given in writing by the party or the attorney of that party proposing to take a deposition to the opposing party or the attorney of record of that party, wherever is nearest. The notice shall state the name of the witness and the time and place of taking the deposition.

(4) The testimony of a person deposed under this subsection shall be taken under oath. The person taking the deposition shall prepare, or cause to be prepared, a transcript of the testimony. The transcript shall be subscribed by the deponent.

(5) The testimony of a witness who is in a foreign country may be taken by deposition before an officer or person designated by the Secretary or agreed on by the parties by written stipulation filed with the Secretary. The deposition shall be filed with the Secretary promptly.

(f) Each witness summoned before the Secretary or whose deposition is taken under this section and the individual taking the deposition are entitled to the same fees and mileage paid for those services in the courts of the United States.

See the revision notes for the revised sections for an explanation of changes made in the text. Changes not accounted for in those revision notes are as follows:

The text of 49:305(a)–(c), (e), and (g)(1) is not included for motor carriers of migrant workers and motor private carriers because those provisions, while included in the enumeration in 49:304(a)(3) and (3a), are not included in the specific enumeration of 49:1655(f)(2)(B)(ii).

In subsection (b), the text of 49:12/1(a) (2d sentence words after semicolon) is omitted as unnecessary because the Secretary of Transportation already has authority under chapter 3 of the revised title to make recommendations to Congress.

In subsections (c)(1), the text of 49:304(a)(3) (last sentence 1st–7th words) and (3a) (last sentence 1st–5th words) is omitted as executed.

In subsection (c), the words “economic and” are omitted as not being transferred to the Secretary. The text of 49:305(f) (last sentence) is omitted as not applicable to this chapter.

In subsection (d), the reference to joint boards in 49:305(d) is omitted as not applicable to this chapter because 49:305(a) (establishing joint boards) is not included in the specific enumeration of 49:1655(f)(2)(B)(ii).

PUB. L. 103–272

Section 4(j)(12) amends 49:502(e)(2) and 10321(d)(3) to reflect the change in the name of United States magistrates to United States magistrate judges made by section 321 of the Judicial Improvements Act of 1990 (Public Law 101–450, 104 Stat. 5117).

AMENDMENTS

§ 503. Service of notice and process on certain motor carriers of migrant workers and on motor private carriers

(a) Each motor carrier of migrant workers (except a motor contract carrier) and each motor private carrier shall designate an agent by name and post office address on whom service of notices in a proceeding before, and actions of, the Secretary of Transportation may be made. The designation shall be in writing and filed with the Secretary. The carrier also shall file the designation with the authority of each State in which it operates having jurisdiction to regulate transportation by motor vehicle in intrastate commerce on the highways of that State. The designation may be changed at any time in the same manner as originally made.

(b) A notice of the Secretary to a carrier under this section is served personally or by mail on that carrier or its designated agent. Service by mail on the designated agent is made at the address filed for the agent. When notice is given by
mail, the date of mailing is considered to be the time when the notice is served. If the carrier does not have a designated agent, service may be made by posting a copy of the notice in the office of the secretary or clerk of the authority having jurisdiction to regulate transportation by motor vehicle in intrastate commerce on the highways of the State in which the carrier maintains headquarters and with the Secretary.

(c) Each of those carriers, including such a carrier operating in the United States while providing transportation between places in a foreign country or between a place in one foreign country and a place in another foreign country, shall designate an agent in each State in which it operates by name and post office address on whom process issued by a court with subject matter jurisdiction may be served in an action brought against that carrier. The designation shall be in writing and filed with the Secretary and with the authority of each State in which the carrier operates having jurisdiction to regulate transportation by motor vehicle in intrastate commerce on the highways of that State. If a designation under this subsection is not made, service may be made on any agent of the carrier in that State. The designation may be changed at any time in the same manner as originally made.

(a) In this section—
- “association” means an organization maintained by or in the interest of a group of rail carriers, motor carriers, motor carriers of migrant workers, or motor private carriers that performs a service, or engages in activities, related to transportation of that carrier.
- “carrier” means a motor carrier, motor carrier of migrant workers, motor private carrier, and rail carrier.
- “lessor” means a person owning a railroad that is leased to and operated by a rail carrier, and a person leasing a right to operate as a motor carrier, motor carrier of migrant workers, or motor private carrier to another.

(b)(1) The Secretary of Transportation may prescribe the form of reports required to be prepared or compiled under this section by—
- (A) carriers and lessors; and
- (B) a person furnishing cars or protective service against heat or cold to or for a rail carrier.

(2) The Secretary may require—
- (A) carriers, lessors, associations, and classes of them as the Secretary may prescribe, to file annual, periodic, and special reports with the Secretary containing answers to questions asked by the Secretary; and
- (B) a person furnishing cars or protective service against heat or cold to a rail carrier to file reports with the Secretary containing answers to questions about those cars or service.

(c) The Secretary, or an employee (and, in the case of a motor carrier, a contractor) designated by the Secretary, may on demand and display of proper credentials—
- (1) inspect the equipment of a carrier or lessor; and
- (2) inspect and copy any record of—
  - (A) a carrier, lessor, or association;
  - (B) a person controlling, controlled by, or under common control with a carrier, if the Secretary considers inspection relevant to that person’s relation to, or transaction with, that carrier; and
  - (C) a person furnishing cars or protective service against heat or cold to or for a rail carrier if the Secretary prescribed the form of that record.

(d) The Secretary may prescribe the time period during which records must be preserved by a carrier, lessor, and person furnishing cars or protective service.

(e)(1) An annual report shall contain an account, in as much detail as the Secretary may require, of the affairs of a carrier, lessor, or association for the 12-month period ending on the 31st day of December of each year. The annual report shall be filed with the Secretary by the end of the 3d month after the end of the year for which the report is made unless the Secretary extends the filing date or changes the period covered by the report.

(2) The annual report and, if the Secretary requires, any other report made under this section shall be made under oath.
The section is included because 49:1655(f)(2) gave the same administrative powers exercised by the Interstate Commerce Commission under certain sections of title 49 to the Secretary of Transportation to carry out duties transferred to the Secretary by 49:1655(e). See the revision notes for section 504(f) of the revised title for an explanation of the transfer under 49:1655(f)(2). See the revision notes for the revised sections for an explanation of changes made in the text. Changes not accounted for in those revision notes are as follows:

The provisions of 49:320(c) are not included for motor carriers of migrant workers and motor private carriers because those provisions, while included in the enumeration in 49:304(a)(3) and (3a), are not included in the specific enumeration of 49:1655(f)(2)(D)(i). In the section, the text of 49:304(a)(3) (last sentence 1st–7th words) and (3a) (last sentence 1st–5th words) is omitted as executed. The text of 49:320(b) (related to 13-period accounting year) and (g) is not included because it was enacted after the effective date of the transfer authority under 49:1655. In subsection (a), references to “water line” and “pipe line” are omitted as not applicable to this chapter. Clause (2) is added to provide a simple phrase to refer to all types of carriers to which the section applies.

In subsection (f), the words “the course of the” are omitted as surplus. The words “civil action” are substituted for “suit or action” because of rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.).

AMENDMENTS

§ 505. Arrangements and public records

(a) The Secretary of Transportation may require a motor carrier, motor carrier of migrant workers, or motor private carrier to file a copy of each arrangement related to a matter under this chapter that it has with another person. The Secretary may disclose the existence or contents of an arrangement between a motor contract carrier and a shipper filed under this section only if the disclosure is consistent with the public interest and is made as part of the record in a formal proceeding.

(b) Except as provided in subsection (a) of this section, all arrangements and statistics, tables, and figures contained in reports filed with the Secretary by a motor carrier under this chapter are public records. Such a public record, or a copy or extract of it, certified by the Secretary under seal is competent evidence in a proceeding in the public interest and is made as part of the record in a formal proceeding.

See the revision notes for the revised sections for an explanation of changes made in the text. Changes not accounted for in those revision notes are as follows:

In subsection (a), the text of 49:320(a) (proviso) is not included for motor carriers of migrant workers and
motor private carriers because that provision, while included in the enumeration in 49:304(a)(3) and (3a), is not included in the specific enumeration of 49:1655(f)(2)/(B)/(ii). The text of 49:304(a)(3) (last sentence 1st–7th words) and (3a) (last sentence 1st–5th words) is omitted as executed. The words “also” and “with it” are omitted as surplus. The words “contract, agreement, or” are omitted as covered by “arrangement.” The words “carrier or” are omitted as covered by “person.” The words “related to a matter under this chapter” are substituted for “in relation to any traffic affected by the provisions of this chapter” for clarity because of section 501 of the revised title.

Subsection (b) does not apply to reports made to the Secretary by a rail carrier because 49:16(13) is not included in the specific enumeration of 49:1655(f)(2)/(B)/(ii). The subsection does not apply to motor carriers of migrant workers and motor private carriers because 49:304(d) only applies to motor carriers and 49:304(a)(3) and (3a) do not apply 49:304(d) to motor carriers of migrant workers and motor private carriers. References to schedules, classifications, and tariffs are omitted as surplus. The words “contract, agreement, or” are omitted as surplus. The words “entered of record,” “cable to this chapter,” the words “entered of record,” “cable to this chapter,” the words “and in case damages are awarded,” “order,” “in the premises,” are omitted as surplus. The words “in the premises” are omitted as surplus. The words “or requirement” are omitted as covered by “arrangement.” The words “of record,” “in the premises,” are omitted as surplus. The words “or requirement” are omitted as covered by “arrangement.” The words “in the premises” are omitted as surplus. The words “or requirement” are omitted as covered by “arrangement.” The words “in the premises” are omitted as surplus. The words “or requirement” are omitted as covered by “arrangement.” The words “in the premises” are omitted as surplus. The words “or requirement” are omitted as covered by “arrangement.”

§ 506. Authority to investigate

(a) The Secretary of Transportation may begin an investigation under this chapter on the initiative of the Secretary or on complaint. If the Secretary finds that a rail carrier, motor carrier, motor carrier of migrant workers, or motor private carrier is violating this chapter, the Secretary shall take appropriate action to compel compliance with this chapter. The Secretary may take action only after giving the carrier notice of the investigation and an opportunity for a proceeding.

(b) A person, including a governmental authority, may file with the Secretary a complaint about a violation of this chapter by a carrier referred to in subsection (a) of this section. The complaint must state the facts that are the subject of the violation. The Secretary may dismiss a complaint the Secretary determines does not state reasonable grounds for investigation and action. However, the Secretary may not dismiss a complaint made against a rail carrier because of the absence of direct damage to the complainant.

(c) The Secretary shall make a written report of each proceeding involving a rail carrier or motor carrier conducted and furnish a copy to each party to that proceeding. The report shall include the findings, conclusions, and the order of the Secretary. The Secretary may have the reports published for public use. A published report of the Secretary is competent evidence of its contents.

§ 507. Enforcement

(a) The Secretary of Transportation may bring a civil action to enforce—

(1) an order of the Secretary under this chapter when violated by a rail carrier; and

(2) this chapter or a regulation or order of the Secretary under this chapter when vio-
lated by a motor carrier, motor carrier of migrant workers, motor private carrier, or freight forwarder.

(b) The Attorney General may, and on request of the Secretary shall, bring court proceedings to enforce this chapter or a regulation or order of the Secretary under this chapter and to prosecute a person violating this chapter or a regulation or order of the Secretary.

(c) The Attorney General, at the request of the Secretary, may bring an action in an appropriate district court of the United States for equitable relief to redress a violation by any person of a provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title, or an order or regulation issued under any of those provisions. Such district court shall have jurisdiction to determine any such action and may grant such relief as is necessary or appropriate, including mandatory or prohibitive injunctive relief, interim equitable relief, and punitive damages.

(d) A person injured because a rail carrier or freight forwarder does not obey an order of the Secretary under this chapter may bring a civil action to enforce that order under this subsection.

(e) In a civil action brought under subsection (a)(2) of this section against a motor carrier, motor carrier of migrant workers, or motor private carrier—

(1) trial is in the judicial district in which the carrier operates;

(2) process may be served without regard to the territorial limits of the district or of the State in which the action is brought; and

(3) person participating with the carrier in a violation may be joined in the civil action without regard to the residence of the person.

(Historical and Revision Notes)

The section is included because 49:1655(f)(2) gave the same administrative powers exercised by the Interstate Commerce Commission under certain sections of title 49 to the Secretary of Transportation to carry out duties transferred to the Secretary by 49:1655(e). See the revision notes for section 501 of the revised title for an explanation of the transfer of the under 49:1655(f)(2). The powers of the Commission have been codified in subtitle IV of the revised title. The comparable provisions of title 49 that are represented by the section may be found as follows:

See the revision notes for the revised sections for an explanation of changes made in the text. Changes not accounted for in these revision notes are as follows:

In the section, the text of 49:322(b)(2) and (3) is not included for motor carriers of migrant workers and motor private carriers because those provisions, while included in the enumeration in 49:304(a)(3) and (3a), are not included in the specific enumeration of 49:1655(f)(2)(B)(ii).

In subsections (a) and (d), the text of 49:304(a)(3) (last sentence 1st–7th words) and (3a) (last sentence 1st–5th words) is omitted as executed.

In subsection (a), the words “or of any term or condition of any certificate or permit” are omitted as not applicable to this chapter.

In subsection (a)(1), reference to a civil action to enforce an order for the payment of money is omitted as not applicable to this chapter.

Amendments

1994—Subsec. (c). Pub. L. 103–272 substituted “subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title” for “section 3102 of this title or the Motor Carrier Safety Act of 1984” and “any of those provisions” for “such section or Act”.

DOT Implementation Plan

“(a) Assessment.—Not later than 18 months after the date of enactment of this section [June 9, 1998], the Secretary of Transportation shall assess the scope of the problem of shippers, freight forwarders, brokers, consignees, or other persons (other than rail carriers, motor carriers, motor carriers of migrant workers, or motor private carriers) encouraging violations of chapter 5 of title 49, United States Code, or a regulation or order issued by the Secretary under such chapter.

“(b) Submission of Implementation Plan.—After completion of the assessment under subsection (a), the Secretary may submit to the Congress a plan for implementing authority (if subsequently provided by law) to investigate and bring civil actions to enforce chapter 5 of title 49, United States Code, or regulations or orders issued by the Secretary under such chapter with respect to persons described in subsection (a).

“(c) Contents of Implementation Plan.—In developing the implementation plan under subsection (b), the Secretary shall consider, as appropriate—

“(1) in what circumstances the Secretary would exercise the new authority;

“(2) how the Secretary would determine that shippers, freight forwarders, brokers, consignees, or other persons committed violations described in subsection (a), including what types of evidence would be conclusive;

“(3) what procedures would be necessary during investigations to ensure the confidentiality of shipper contract terms prior to the Secretary’s findings of violations;
§ 508. Safety performance history of new drivers; limitation on liability

(a) LIMITATION ON LIABILITY.—No action or proceeding for defamation, invasion of privacy, or interference with a contract that is based on the furnishing or use of safety performance records in accordance with regulations issued by the Secretary may be brought against—

(1) a motor carrier requesting the safety performance records of an individual under consideration for employment as a commercial motor vehicle driver as required by and in accordance with regulations issued by the Secretary;

(2) a person who has complied with such a request; or

(3) the agents or insurers of a person described in paragraph (1) or (2).

(b) RESTRICTIONS ON APPLICABILITY.—

(1) MOTOR CARRIER REQUESTING.—Subsection (a) does not apply to a motor carrier requesting safety performance records unless—

(A) the motor carrier and any agents of the motor carrier have complied with the regulations issued by the Secretary in using the records, including the requirement that the individual who is the subject of the records be afforded a reasonable opportunity to review and comment on the records;

(B) the motor carrier and any agents and insurers of the motor carrier have taken all precautions reasonably necessary to protect the records from disclosure to any person, except for such an insurer, not directly involved in deciding whether to hire that individual; and

(C) the motor carrier has used those records only to assess the safety performance of the individual who is the subject of those records in deciding whether to hire that individual.

(2) PERSON COMPLYING WITH REQUESTS.—Subsection (a) does not apply to a person complying with a request for safety performance records unless—

(A) the complying person and any agents of the complying person have taken all precautions reasonably necessary to ensure the accuracy of the records and have complied with the regulations issued by the Secretary in furnishing the records, including the requirement that the individual who is the subject of the records be afforded a reasonable opportunity to review and comment on the records; and

(B) the complying person and any agents and insurers of the complying person have taken all precautions reasonably necessary to protect the records from disclosure to any person, except for such an insurer, not directly involved in forwarding the records.

(3) PERSONS KNOWINGLY FURNISHING FALSE INFORMATION.—Subsection (a) does not apply to persons who knowingly furnish false information.

(c) PREEMPTION OF STATE AND LOCAL LAW.—No State or political subdivision thereof may enact, prescribe, issue, continue in effect, or enforce any law (including any regulation, standard, or other provision having the force and effect of law) that prohibits, penalizes, or imposes liability for furnishing or using safety performance records in accordance with regulations issued by the Secretary to carry out this section. Notwithstanding any provision of law, written authorization shall not be required to obtain information on the motor vehicle driving record of an individual under consideration for employment with a motor carrier.

CODIFICATION

Pub. L. 105–178, title IV, §4014(a)(1), June 9, 1998, 112 Stat. 409, which directed the addition of section 508 at the end of this chapter, was executed by adding this section at the end of subchapter I of this chapter to reflect the probable intent of Congress.

PRIOR PROVISIONS

EFFECTIVE DATE

SUBCHAPTER II—PENALTIES

§ 521. Civil penalties

(a)(1) A person required under section 504 of this title to make, prepare, preserve, or submit to the Secretary of Transportation a record about rail carrier transportation, that does not make, prepare, preserve, or submit that record as required under that section, is liable to the United States Government for a civil penalty of $500 for each violation.

(2) A rail carrier, and a lessor, receiver, or trustee of that carrier, violating section 504(c)(1) of this title, is liable to the Government for a civil penalty of $100 for each violation.

(3) A rail carrier, a lessor, receiver, or trustee of that carrier, a person furnishing cars or protective service against heat or cold, and an officer, agent, or employee of one of them, required to make a report to the Secretary or answer a question, that does not make a report to the Secretary or does not specifically, completely, and truthfully answer the question, is liable to the Government for a civil penalty of $100 for each violation.

(4) A separate violation occurs for each day a violation under this subsection continues.
§ 521

(5) Trial in a civil action under this subsection is in the judicial district in which the rail carrier has its principal operating office or in a district through which the railroad of the rail carrier runs.

(b) VIOLATIONS RELATING TO COMMERCIAL MOTOR VEHICLE SAFETY REGULATION AND OPERATORS.—

(1) NOTICE.—

(A) IN GENERAL.—If the Secretary finds that a violation of a provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), 31310(g)(1)(A), 31402 of this title, or a violation of a regulation issued under any of those provisions, has occurred, the Secretary shall issue a written notice to the violator. Such notice shall describe with reasonable particularity the nature of the violation found and the provision which has been violated. The notice shall specify the proposed civil penalty, if any, and suggest actions which might be taken in order to abate the violation. The notice shall indicate that the violator may, within 15 days of service, notify the Secretary of the violator’s intention to contest the matter. In the event of a contested notice, the Secretary shall afford such violator an opportunity for a hearing, pursuant to section 554 of title 5, following which the Secretary shall issue an order affirming, modifying, or vacating the notice of violation.

(B) NONAPPLICABILITY TO REPORTING AND RECORDKEEPING VIOLATIONS.—Subparagraph (A) shall not apply to reporting and recordkeeping violations.

(2) CIVIL PENALTY.—

(A) IN GENERAL.—Except as otherwise provided in this subsection, any person who is determined by the Secretary, after notice and opportunity for a hearing, to have committed an act which is a violation of section 31302, 31303, 31304, 31305(b), or 31310(g)(1)(A) of this title shall be liable to the United States for a civil penalty not to exceed $10,000 for each violation. Each day the Secretary is denied the opportunity for a hearing, to have committed an act which is a violation of sections 504(c), 5121(c), and 14122(b) shall be liable to the United States for a civil penalty not to exceed $1,000 for each offense. Nothing in this subparagraph amends or supersedes any remedy available to the Secretary, shall be liable to the United States for a civil penalty in an amount not to exceed $1,000 for each offense, and each day of the violation shall constitute a separate offense, except that the total of all civil penalties assessed against any violator for all offenses related to any single violation shall not exceed $10,000; or

(ii) who knowingly falsifies, destroys, mutilates, or changes a required report or record, knowingly files a false report with the Secretary, knowingly makes or causes or permits to be made a false or incomplete entry in that record about an operation or business fact or transaction, or knowingly makes, prepares, or preserves a record in violation of a regulation or order of the Secretary, shall be liable to the United States for a civil penalty in an amount not to exceed $10,000 for each violation, if any such action can be shown to have misrepresented a fact that constitutes a violation other than a reporting or recordkeeping violation.

(C) VIOLATIONS PERTAINING TO CDLS.—Any person who is determined by the Secretary, after notice and opportunity for a hearing, to have committed an act which is a violation of section 31302, 31303, 31304, 31305(b), or 31310(g)(1)(A) of this title shall be liable to the United States for a civil penalty not to exceed $2,500 for each offense.

(D) DETERMINATION OF AMOUNT.—The amount of any civil penalty, and a reasonable time for abatement of the violation, shall by written order be determined by the Secretary, taking into account the nature, circumstances, extent, and gravity of the violation committed and, with respect to the violator, the degree of culpability, history of prior offenses, ability to pay, effect on ability to continue to do business, and such other matters as justice and public safety may require. In each case, the assessment shall be calculated to induce further compliance.

(E) COPYING OF RECORDS AND ACCESS TO EQUIPMENT, LANDS, AND BUILDINGS.—A person subject to chapter 51 or a motor carrier, broker, freight forwarder, or owner or operator of a commercial motor vehicle subject to part B of subtitle VI who fails to allow promptly, upon demand, the Secretary (or an employee designated by the Secretary) to inspect and copy any record or inspect and examine equipment, lands, buildings and other property in accordance with sections 504(c), 5121(c), and 14122(b) shall be liable to the United States for a civil penalty not to exceed $1,000 for each offense. Each day the Secretary is denied the right to inspect and copy any record or inspect and examine equipment, lands, buildings and other property shall constitute a separate offense, except that the total of all civil penalties against any violator for all offenses related to a single violation shall not exceed $10,000. It shall be a defense to such penalty that the records did not exist at the time of the Secretary’s request or could not be timely produced without unreasonable expense or effort. Nothing in this subparagraph amends or supersedes any remedy available to the Sec-

---

1 See References in Text note below.
The Secretary may require any violator served with a notice of violation to post a copy of such notice or statement of such notice in such place or places and for such duration as the Secretary may determine appropriate to aid in the enforcement of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), or 31502 of this title, as the case may be.

(4) Such civil penalty may be recovered in an action brought by the Attorney General on behalf of the United States in the appropriate district court of the United States or, before referral to the Attorney General, such civil penalty may be compromised by the Secretary.

(5)(A) If, upon inspection or investigation, the Secretary determines that a violation of a provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), or 31502 of this title or of a regulation issued under any of those provisions, or combination of such violations, poses an imminent hazard to safety, the Secretary shall order a vehicle or employee operating such vehicle out of service, or order an employer to cease all or part of the employer's commercial motor vehicle operations. In making any such order, the Secretary shall impose no restriction on any employee or employer beyond that required to abate the hazard. Subsequent to the issuance of the order, opportunity for review shall be provided in accordance with section 554 of title 5, except that such review shall occur not later than 10 days after issuance of such order.

(B) In this paragraph, “imminent hazard” means any condition of vehicle, employee, or commercial motor vehicle operations which substantially increases the likelihood of serious injury or death if not discontinued immediately.

(6) CRIMINAL PENALTIES.—

(A) IN GENERAL.—Any person who knowingly and willfully violates any provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title, or a regulation issued under any of those provisions shall, upon conviction, be subject for each offense to a fine not to exceed $25,000 or imprisonment for a term not to exceed one year, or both, except that, if such violator is an employee, the violator shall only be subject to penalty if, while operating a commercial motor vehicle, the violator's activities have led or could have led to death or serious injury, in which case the violator shall be subject, upon conviction, to a fine not to exceed $2,500.

(B) VIOLATIONS PERTAINING TO CDLS.—Any person who knowingly and willfully violates—

(i) any provision of section 31302, 31303(b) or (c), 31304, 31305(b), or 31310(g)(1)(A) of this title or a regulation issued under such section, or

(ii) with respect to notification of a serious traffic violation as defined under section 31301 of this title, any provision of section 31303(a) of this title or a regulation issued under section 31303(a), shall, upon conviction, be subject for each offense to a fine not to exceed $5,000 or imprisonment for a term not to exceed 90 days, or both.

(7) The Secretary shall issue regulations establishing penalty schedules designed to induce timely compliance for persons falling to comply promptly with the requirements set forth in any notices and orders under this subsection.

(8) PROHIBITION ON OPERATION IN INTERSTATE COMMERCE AFTER NONPAYMENT OF PENALTIES.—

(A) IN GENERAL.—An owner or operator of a commercial motor vehicle against whom a civil penalty is assessed under this chapter or chapter 51, 149, or 311 of this title and who does not pay such penalty or fails to arrange and abide by an acceptable payment plan for such civil penalty may not operate in interstate commerce beginning on the 91st day after the date specified by order of the Secretary for payment of such penalty. This paragraph shall not apply to any person who is unable to pay a civil penalty because such person is a debtor in a case under chapter 11 of title 11, United States Code.

(B) REGULATIONS.—Not later than 12 months after the date of the enactment of this paragraph, the Secretary, after notice and an opportunity for public comment, shall issue regulations setting forth procedures for ordering commercial motor vehicle owners and operators delinquent in paying civil penalties to cease operations until payment has been made.

(9) Any aggrieved person who, after a hearing, is adversely affected by a final order issued under this section may, within 30 days, petition for review of the order in the United States Court of Appeals in the circuit wherein the violation is alleged to have occurred or where the violator has his principal place of business or residence, or in the United States Court of Appeals for the District of Columbia Circuit. Review of the order shall be based on a determination of whether the Secretary's findings and conclusions were supported by substantial evidence, or were otherwise not in accordance with law. No objection that has not been urged before the Secretary shall be considered by the court, unless reasonable grounds existed for failure or neglect to do so. The commencement of proceedings under this subsection shall not, unless ordered by the court, operate as a stay of the order of the Secretary.

(10) All penalties and fines collected under this section shall be deposited into the Highway Trust Fund (other than the Mass Transit Account).

(11) In any action brought under this section, process may be served without regard to the territorial limits of the district of the State in which the action is brought.

(12) In any proceeding for criminal contempt for violation of an injunction or restraining order issued under this section, trial shall be by the court, or, upon demand of the accused, by a jury, conducted in accordance with the provisions of rule 42(b) of the Federal Rules of Criminal Procedure.

(13) The provisions of this subsection shall not affect chapter 51 of this title or any regulation promulgated by the Secretary under chapter 51.
Section 521 | 49 U.S.C. | Revised
(a) 11901 11901
(b) 20(7)(a), (c)–(e). 11901
(b) 11901

The section is included because 49:1655(f)(2) gave the same administrative powers exercised by the Interstate Commerce Commission under certain sections of title 49 to the Secretary of Transportation to carry out duties transferred to the Secretary by 49:1655(e). See the revision notes for section 501 of the revised title for an explanation of the transfer of the power of the Commission to the Secretary to issue regulations and the Federal Register to the Secretary.

Subsection (b) does not apply to motor carriers of migrant workers and motor private carriers because 49:322(h) (1st sentence) to motor carriers of migrant workers and motor private carriers. The reference to 49:322(c), 306(a)(1), and 306(a)(1) is omitted as not applicable to the revised title.

REFERENCES IN TEXT

The date of the enactment of this paragraph, referred to in subsec. (b)(6)(B), is the date of enactment of Pub. L. 106–159, which was approved Dec. 9, 1999.

AMENDMENTS

Subsec. (b)(2)(B). Pub. L. 109–59, §4102(a)(2), added subpar. (B) and struck out former subpar. (B) which read as follows: "The Secretary shall, not later than 60 days after November 3, 1999, establish operational procedures to require a highway safety specialist or the appropriate representative of the Secretary to initiate, at the time of a safety review, compliance review, or other inspection or audit activity, or within a reasonable time thereafter, an enforcement action whenever any of the offenses referred to in paragraph (2)(A) and (B) can be documented, except recordkeeping violations not specified by the Secretary as serious. The procedures shall—"

(i) specify those serious recordkeeping violations for which an enforcement action shall be initiated, including instances in which the falsification of records of duty status or drivers' medical certificates is required or permitted, and such other recordkeeping violations as the Secretary determines to be serious;

(ii) authorize, but not require, initiation of an enforcement action for recordkeeping violations not specified by the Secretary as serious;"

Subsec. (b)(2)(A). Pub. L. 105–178, §4015(b)(1), added subpar. (A). Text read as follows: "Except as otherwise provided in this subsection, any person who is determined by the Secretary, after notice and opportunity for hearing, to have committed an act which is a violation of a recordkeeping requirement issued by the Secretary under subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title or which is a violation of chapter 59 of this title shall be liable to the United States for a civil penalty not to exceed $500 for each offense. Each day of a violation shall constitute a separate offense, except that the total of all civil penalties assessed against any violator for all offenses relating to any single violation shall not exceed $2,500. If the Secretary determines that a serious pattern of safety violations, other than recordkeeping requirements, exists or has occurred, the Secretary may assess a civil penalty not to exceed $1,000 for each offense; except that the maximum fine for each such pattern of safety violations shall not exceed $10,000. If the Secretary determines that a substantial basis exists or has occurred which could reasonably lead to, or has resulted in, serious personal injury or death, the Secretary may assess a civil penalty not to exceed $10,000 for each offense. Notwithstanding any other provision of this section (other than subparagraph (B)), except for recordkeeping violations, no civil penalty shall be assessed under this section against an employee for a violation unless the Secretary determines that such employee’s actions constituted gross negligence or reckless disregard for safety, in which case such employee shall be liable for a civil penalty not to exceed $1,000."

"(d) Establishment.—The Secretary—"

"(1) should establish and assess minimum civil penalties for each violation of a law referred to in subsection (a) and

"(2) shall assess the maximum civil penalty for each violation of a law referred to in subsection (a) by any person who is found to have committed a pattern of violations of critical or acute regulations issued to carry out such a law or to have previously committed the same or a related violation of critical or acute regulations issued to carry out such a law.

"(c) Extraordinary Circumstances.—If the Secretary determines and documents that extraordinary circumstances exist which merit the assessment of any civil penalty lower than any level established under subsection (b), the Secretary may assess such lower penalty. In cases where a person has been found to have previously committed the same or a related violation of critical or acute regulations issued to carry out a law referred to in subsection (a), extraordinary circumstances may be found to exist when the Secretary determines that repetition of such violation does not demonstrate a failure to take appropriate remedial action.

"(d) Report to Congress.—"

"(1) In General.—The Secretary shall conduct a study of the effectiveness of the revised civil penalties established in the Transportation Equity Act for the 21st Century [Pub. L. 105–178, see Tables for classification] and this Act [see Tables for classification] in ensuring prompt and sustained compliance with Federal motor carrier safety and commercial driver’s license laws.

"(2) Submission to Congress.—The Secretary shall transmit the results of such study and any recommendations to Congress by September 30, 2002."
§ 522. Reporting and record keeping violations

A person required to make a report to the Secretary of Transportation, or make, prepare, or preserve a record, under section 504 of this title about transportation by rail carrier, that knowingly and willfully (1) makes a false entry in the report or record, (2) destroys, mutilates, changes, or by another means falsifies the record, (3) does not enter business related facts and transactions in the record, (4) makes, prepares, or preserves the record in violation of a regulation or order of the Secretary, or (5) files a false report or record with the Secretary, shall be fined not more than $5,000, imprisoned for not more than 2 years, or both.

AMENDMENTS

1998—Pub. L. 105–178 struck out “(a)” before “A person required to make a report to the Secretary of Transportation” and struck out subsec. (b), which read as follows: “A person required to make a report to the Secretary, answer a question, or make, prepare, or preserve a record under section 504 of this title about transportation by motor carrier, motor carrier of migrant workers, or motor private carrier, or an officer, agent, or employee of that person, that (1) willfully does not make that report, (2) willfully does not specifically, completely, and truthfully answer that question in 30 days from the date the Secretary requires the question to be answered, (3) willfully does not make, prepare, or preserve that record in the form and manner prescribed by the Secretary, (4) knowingly and willfully falsifies, destroys, mutilates, or changes that report or record, (5) knowingly and willfully files a false report or record with the Secretary, (6) knowingly and willfully makes a false or incomplete entry in that record about a business related fact or transaction, or (7) knowingly and willfully makes, prepares, or preserves a record in violation of a regulation or order of the Secretary, shall be fined not more than $5,000.”

§ 523. Unlawful disclosure of information

(a) A motor carrier, or an officer, receiver, trustee, lessee, or employee of that carrier, or another person authorized by that carrier to receive information from that carrier, may not knowingly disclose to another person (except the shipper or consignee), and another person may not solicit, or knowingly receive, information about the nature, kind, quantity, destination, consignee, or routing of property tendered or delivered to that carrier without the consent of the shipper or consignee if that information may be used to the detriment of the shipper or consignee or may disclose improperly to a competitor the business transactions of the shipper or consignee.

(b) This chapter does not prevent a motor carrier, motor carrier of migrant workers, or motor private carrier from giving information—

(1) in response to legal process issued under authority of a court of the United States or a State;

(2) to an officer, employee, or agent of the United States Government, a State, or a territory or possession of the United States; and

(3) to another motor carrier, motor carrier of migrant workers, or motor private carrier, or its agent, to adjust mutual traffic accounts in the ordinary course of business.

(c) An employee of the Secretary of Transportation delegated to make an inspection under section 504 of this title who knowingly discloses information acquired during that inspection, except as directed by the Secretary, a court, or a judge of that court, shall be fined not more than $500, imprisoned for not more than 6 months, or both.

See the revision notes for the revised section for an explanation of changes made in the text. Changes not accounted for in those revision notes are as follows:

Subtitle (a) does not apply to motor carriers of migrant workers and motor private carriers because 49:322(e) only applies to motor carriers and 49:304(a)(3) and (3a) do not apply to 49:322(e) to motor carriers of migrant workers and motor private carriers. The words 'engaged in interstate or foreign commerce' are omitted as unnecessary because of the restatement of the chapter.

In subsections (b) and (c), the text of 49:304(a)(3) (last sentence 1st–7th words) and (3a) (last sentence 1st–5th words) is omitted as executed.

§ 524. Evasion of regulation of motor carriers

A person, or an officer, employee, or agent of that person, that by any means knowingly and willfully tries to evade regulation of motor carriers under this chapter shall be fined at least $200 but not more than $500 for the first violation and at least $250 but not more than $2,000 for a subsequent violation.

§ 525. Disobedience to subpoenas

A motor carrier, motor carrier of migrant workers, or motor private carrier not obeying a subpoena or requirement of the Secretary of Transportation under this chapter to appear and testify or produce records shall be fined at least $100 but not more than $5,000, imprisoned for not more than one year, or both.

The section does not apply to the liability of a rail carrier because 49:46 is not included in the specific enumeration of 49:1655(f)(2)(B)(ii). The text of 49:304(a)(3) (last sentence 1st–7th words) and (3a) (last sentence 1st–5th words) is omitted as executed. The words ‘under this chapter’ are added for clarity.

§ 526. General criminal penalty when specific penalty not provided

When another criminal penalty is not provided under a provision of this chapter, subchapter III of chapter 311 (except sections 31138 and 31139), or section 31502 of this title, a person that knowingly and willfully violates any of those provisions or a regulation or order of the Secretary of Transportation under any of those provisions, related to transportation by motor carrier, motor carrier of migrant workers, or motor private carrier, shall be fined at least $100 but not more than $500 for the first violation and at least $200 but not more than $500 for a subsequent violation. A separate violation occurs each day the violation continues.

AMENDMENTS

1994—Pub. L. 103–272 substituted “a provision of this chapter, subchapter III of chapter 311 (except sections 31138 and 31139), or section 31302 of this title, a person that knowingly and willfully violates any of those provisions or a regulation or order of the Secretary of Transportation under any of those provisions” for “this chapter, section 3102 of this title, or the Motor Carrier Safety Act of 1984, a person that knowingly and willfully violates a provision of this chapter or such section or Act, or a regulation or order of the Secretary of Transportation under this chapter or such section or Act.”

1984—Pub. L. 98–554 inserted “, section 3102 of this title, or the Motor Carrier Safety Act of 1984” after “chapter” the first place it appears and inserted “or such section or Act” after “chapter” the second and third places it appears.

the Board. The Chairman may delegate the powers granted under this paragraph to an officer, employee, or office of the Board. The Chairman shall:

(A) appoint and supervise, other than regular orders and full-time employees in the immediate offices of another member, the officers and employees of the Board, including attorneys to provide legal aid and service to the Board and its members, and to represent the Board in any case in court;

(B) appoint the heads of offices with the approval of the Board;

(C) distribute Board business among officers and employees and offices of the Board;

(D) prepare requests for appropriations for the Board and submit those requests to the President and Congress with the prior approval of the Board; and

(E) supervise the expenditure of funds allocated by the Board for major programs and purposes.

AMENDMENTS

EFFECTIVE DATE
Section 2 of Pub. L. 104–88 provided that: “Except as otherwise provided in this Act [see Tables for classification], this Act shall take effect on January 1, 1996.”

SAVINGS PROVISION
Section 204 of Pub. L. 104–88 provided that:

“(a) LEGAL DOCUMENTS.—All orders, determinations, rules, regulations, permits, grants, loans, contracts, agreements, certificates, licenses, and privileges—

“(1) that have been issued, made, granted, or allowed to become effective by the Interstate Commerce Commission, any officer or employee of the Interstate Commerce Commission, or any other Government official, or by a court of competent jurisdiction, in the performance of any function that is transferred by this Act [see Tables for classification] or the amendments made by this Act; and

“(2) that are in effect on the effective date of such transfer (or become effective after such date pursuant to their terms as in effect on such effective date), shall continue in effect according to their terms until modified, terminated, superseded, set aside, or revoked in accordance with law by the Board [Surface Transportation Board], any other authorized official, a court of competent jurisdiction, or operation of law. The Board shall promptly rescind all regulations established by the Interstate Commerce Commission which are based on provisions of law repealed and not substantively reenacted by this Act.

“(b) PROCEEDINGS.—(1) The provisions of this Act shall not affect any proceedings or any application for any license pending before the Interstate Commerce Commission at the time this Act takes effect [see Effective Date note above], insofar as those functions are retained and transferred by this Act; but such proceedings and applications, to the extent that they relate to functions so transferred, shall be continued. Orders shall be issued in such proceedings, appeals shall be taken therefrom, and payments shall be made pursuant to such orders, as if this Act had not been enacted; and orders issued in any such proceedings shall continue in effect until modified, terminated, superseded, or revoked by a duly authorized official, by a court of competent jurisdiction, or by operation of law. Nothing in this subsection shall be deemed to prohibit the discontinuance or modification of any such proceeding under the same terms and conditions and to the same extent that such proceeding could have been discontinued or modified if this Act had not been enacted.

“(2) The Board and the Secretary are authorized to provide for the orderly transfer of pending proceedings from the Interstate Commerce Commission.

“(3)(A) Except as provided in subparagraphs (B) and (C), in the case of a proceeding under a provision of law repealed [repealed], and not reenacted, by this Act such proceeding shall be terminated.

“(B) Any proceeding involving a pipeline carrier under subtitle IV of title 49, United States Code, shall continue to be heard by the Board under such subtitle, as in effect on the day before the effective date of this section [see Effective Date note above], until completion of such proceeding.

“(C) Any proceeding involving the merger of a motor carrier property under subtitle IV of title 49, United States Code, shall continue to be heard by the Board under such subtitle, as in effect on the day before the effective date of this section, until completion of such proceeding.

“(4) Any proceeding with respect to any tariff, rate, charge, classification, rule, regulation, or service that was pending under the Intercoastal Shipping Act, 1933 [former 46 U.S.C. App. 843 et seq.] or the Shipping Act, 1916 [former 46 U.S.C. App. 801 et seq., see Disposition Table preceding section 101 of Title 46, Shipping] before the Federal Maritime Commission on November 1, 1995, shall continue to be heard until completion or issuance of a final order thereon under all applicable laws in effect as of November 1, 1995.

“(c) SUITS.—(1) This Act shall not affect suits commenced before the date of the enactment of this Act [Dec. 29, 1995], except as provided in paragraphs (2) and (3). In all such suits, proceeding shall be had, appeals taken, and judgments rendered in the same manner and with the same effect as if this Act had not been enacted.

“(2) Any suit by or against the Interstate Commerce Commission begun before the effective date of this Act shall be continued, insofar as it involves a function retained and transferred under this Act, with the Board (to the extent the suit involves functions transferred to the Board under this Act) or the Secretary (to the extent the suit involves functions transferred to the Secretary under this Act) substituted for the Interstate Commerce Commission.

“(3) If the court in a suit described in paragraph (1) remands a case to the Board or the Secretary, subsequent proceedings related to such case shall proceed in accordance with applicable law and regulations as in effect at the time of such remand.

“(d) CONTINUANCE OF ACTIONS AGAINST OFFICERS.—No suit, action, or other proceeding commenced by or against any officer in his official capacity as an officer of the Interstate Commerce Commission shall abate by reason of the enactment of this Act. No cause of action by or against the Interstate Commerce Commission, or by or against any officer thereof in his official capacity, shall abate by reason of enactment of this Act.

“(e) EXERCISE OF AUTHORITIES.—Except as otherwise provided by law, an officer or employee of the Board may, for purposes of performing a function transferred by this Act or the amendments made by this Act, exercise all authorities under any other provision of law that were available with respect to the performance of that function to the official responsible for the performance of the function immediately before the effective date of the transfer of the function under this Act or the amendments made by this Act.”

ABOLITION OF INTERSTATE COMMERCE COMMISSION
Section 101 of Pub. L. 104–88 provided that: “The Interstate Commerce Commission is abolished.”
ORGANIZATION OF FUNCTIONS OF SURFACE TRANSPORTATION BOARD

Section 202 of title II of Pub. L. 104–88 provided that: "The Chairman of the Surface Transportation Board (in this Act [see Tables for classification] referred to as the 'Board') may allocate or reallocate any function of the Board, consistent with this title [see Tables for classification] and subchapter I of chapter 7 [49 U.S.C. 701 et seq.], as amended by section 201 of this title, among the members or employees of the Board, and may establish, consolidate, alter, or discontinue in the Board any organizational entities that were entities of the Interstate Commerce Commission, as the Chairman considers necessary or appropriate."'

TRANSFER OF ASSETS AND PERSONNEL

Section 203 of Pub. L. 104–88 provided that: "(a) To Board.—Except as otherwise provided in this Act [see Tables for classification] and the amendments made by this Act, those personnel, property, and records employed, used, held, available, or to be made available in connection with a function transferred to the Board [Surface Transportation Board] by this Act shall be transferred to the Board for use in connection with the functions transferred, and unexpended balances of appropriations, allocations, and other funds of the Interstate Commerce Commission shall also be transferred to the Board. Such unexpended balances, allocations, and other funds, together with any unobligated balances from user fees collected by the Commission during fiscal year 1996, may be used to pay for the closedown of the Commission and severance costs for Commission personnel, regardless of whether those costs are incurred at the Commission or at the Board.

(b) To SECRETARY.—Except as otherwise provided in this Act and the amendments made by this Act, those personnel, property, and records employed, used, held, available, or to be made available in connection with a function transferred to the Secretary by this Act shall be transferred to the Secretary for use in connection with the functions transferred.

(c) SEPARATED EMPLOYEES.—Notwithstanding all other laws and regulations, the Department of Transportation shall place all Interstate Commerce Commission employees separated from the Commission as a result of this Act on the DOT reemployment priority list (competitive service) or the priority employment list (excepted service)."

REFERENCES TO INTERSTATE COMMERCE COMMISSION DEEMED TO BE REFERENCES TO SURFACE TRANSPORTATION BOARD

Section 205 of Pub. L. 104–88 provided that: "Any reference to the Interstate Commerce Commission in any other Federal law, Executive order, rule, regulation, or delegation of authority, or any document of or pertaining to the Interstate Commerce Commission or an officer or employee of the Interstate Commerce Commission, is deemed to refer to the Board [Surface Transportation Board], a member or employee of the Board, or the Secretary, as appropriate."

§ 702. Functions

Except as otherwise provided in the ICC Termination Act of 1995, or the amendments made thereby, the Board shall perform all functions that, immediately before January 1, 1996, were functions of the Interstate Commerce Commission or were performed by any officer or employee of the Interstate Commerce Commission in the capacity as such officer or employee.

REFERENCES IN TEXT

AMENDMENTS

1996—Pub. L. 104–287 substituted "January 1, 1996" for "the effective date of such Act".

ABOLITION OF INTERSTATE COMMERCE COMMISSION

§ 703. Administrative provisions

(a) EXECUTIVE REORGANIZATION.—Chapter 9 of title 5, United States Code, shall apply to the Board in the same manner as it does to an independent regulatory agency, and the Board shall be an establishment of the United States Government.

(b) OPEN MEETINGS.—For purposes of section 552b of title 5, United States Code, the Board shall be deemed to be an agency.

(c) INDEPENDENCE.—In the performance of their functions, the members, employees, and other personnel of the Board shall not be responsible to or subject to the supervision or direction of any officer, employee, or agent of any other part of the Department of Transportation.

(d) REPRESENTATION BY ATTORNEYS.—Attorneys designated by the Chairman of the Board may appear for, and represent the Board in, any civil action brought in connection with any function carried out by the Board pursuant to this chapter or subtitle IV or as otherwise authorized by law.

(e) ADMISSION TO PRACTICE.—Subject to section 509 of title 5, the Board may regulate the admission of individuals to practice before it and may impose a reasonable admission fee.

(f) BUDGET REQUESTS.—In each annual request for appropriations by the President, the Secretary of Transportation shall identify the portion thereof intended for the support of the Board and include a statement by the Board—

(1) showing the amount requested by the Board in its budgetary presentation to the Secretary and the Office of Management and Budget; and

(2) an assessment of the budgetary needs of the Board.

(g) DIRECT TRANSMITTAL TO CONGRESS.—The Board shall transmit to Congress copies of budget estimates, requests, and information (including personnel needs), legislative recommendations, prepared testimony for congressional hearings, and comments on legislation at the same time they are sent to the Secretary of Transportation. An officer of an agency may not impose conditions on or impair communications by the Board with Congress, or a committee or Member of Congress, about the information.

§ 704. Annual report

The Board shall annually transmit to the Congress a report on its activities.

§ 705. Authorization of appropriations

There are authorized to be appropriated for the activities of the Board—

(1) $8,421,000 for fiscal year 1996;
(2) $12,000,000 for fiscal year 1997; and
(3) $12,000,000 for fiscal year 1998.

§ 706. Reporting official action

(a) Reports on proceedings.—The Board shall make a written report of each proceeding conducted on complaint or on its own initiative and furnish a copy to each party to that proceeding. The report shall include the findings, conclusions, and the order of the Board and, if damages are awarded, the findings of fact supporting the award. The Board may have its reports published for public use. A published report of the Board is competent evidence of its contents.

(b) Special rules for matters related to rail carriers.—(1) When action of the Board in a matter related to a rail carrier is taken by the Board, an individual member of the Board, or another individual or group of individuals designated to take official action for the Board, the written statement of that action (including a report, order, decision and order, vote, notice, letter, policy statement, or regulation) shall indicate—

(A) the official designation of the individual or group taking the action;
(B) the name of each individual taking, or participating in taking, the action; and
(C) the vote or position of each participating individual.

(2) If an individual member of a group taking an official action referred to in paragraph (1) does not participate in it, the written statement of the action shall indicate that the member did not participate. An individual participating in taking an official action is entitled to express the views of that individual as part of the written statement of the action. In addition to any publication of the written statement, it shall be made available to the public under section 552(a) of title 5.

Subchapter II—Administrative

§ 721. Powers

(a) In general.—The Board shall carry out this chapter and subtitle IV. Enumeration of a power of the Board in this chapter or subtitle IV does not exclude another power the Board may have in carrying out this chapter or subtitle IV. The Board may prescribe regulations in carrying out this chapter and subtitle IV.

(b) Inquiries, reports, and orders.—The Board may—

(1) inquire into and report on the management of the business of carriers providing transportation and services subject to subtitle IV;
(2) inquire into and report on the management of the business of a person controlling, controlled by, or under common control with those carriers to the extent that the business of that person is related to the management of the business of that carrier;
(3) obtain from those carriers and persons information the Board decides is necessary to carry out subtitle IV; and
(4) when necessary to prevent irreparable harm, issue an appropriate order without regard to subchapter II of chapter 5 of title 5.

(c) Subpoena witnesses.—(1) The Board may subpoena witnesses and records related to a proceeding of the Board from any place in the United States, to the designated place of the proceeding. If a witness disobeys a subpoena, the Board, or a party to a proceeding before the Board, may petition a court of the United States to enforce that subpoena.

(2) The district courts of the United States have jurisdiction to enforce a subpoena issued under this section. Trial is in the district in which the proceeding is conducted. The court may punish a refusal to obey a subpoena as a contempt of court.

(d) Depositions.—(1) In a proceeding, the Board may take the testimony of a witness by deposition and may order the witness to produce records. A party to a proceeding pending before the Board may take the testimony of a witness by deposition and may require the witness to produce records at any time after a proceeding is at issue on petition and answer.

(2) If a witness fails to be deposed or to produce records under paragraph (1), the Board may subpoena the witness to take a deposition, produce the records, or both.

(3) A deposition may be taken before a judge of a court of the United States, a United States magistrate judge, a clerk of a district court, or a chancellor, justice, or judge of a supreme or superior court, mayor or chief magistrate of a city, judge of a county court, or court of common pleas of any State, or a notary public who is not counsel or attorney of a party or interested in the proceeding.

(4) Before taking a deposition, reasonable notice must be given in writing by the party or the attorney of that party proposing to take a deposition to the opposing party or the attorney of record of that party, whoever is nearest. The notice shall state the name of the witness and the time and place of taking the deposition.

(5) The testimony of a person deposed under this subsection shall be taken under oath. The person taking the deposition shall prepare, or cause to be prepared, a transcript of the testimony taken. The transcript shall be subscribed by the deponent.

(6) The testimony of a witness who is in a foreign country may be taken by deposition before an officer or person designated by the Board or agreed on by the parties by written stipulation filed with the Board. A deposition shall be filed with the Board promptly.

(e) Witness fees.—Each witness summoned before the Board or whose deposition is taken under this section and the individual taking the deposition are entitled to the same fees and mileage paid for those services in the courts of the United States.

§ 722. Board action

(a) EFFECTIVE DATE OF ACTIONS.—Unless otherwise provided in subtitle IV, the Board may determine, within a reasonable time, when its actions, other than an action ordering the payment of money, take effect.

(b) TERMINATING AND CHANGING ACTIONS.—An action of the Board remains in effect under its own terms or until superseded. The Board may change, suspend, or set aside any such action on notice. Notice may be given in a manner determined by the Board. A court of competent jurisdiction may suspend or set aside any such action.

(c) RECONSIDERING ACTIONS.—The Board may, at any time on its own initiative because of material error, new evidence, or substantially changed circumstances—

(1) reopen a proceeding;
(2) grant rehearing, reargument, or reconsideration of an action of the Board; or
(3) change an action of the Board.

An interested party may petition to reopen and reconsider an action of the Board under this subsection under regulations of the Board.

(d) FINALITY OF ACTIONS.—Notwithstanding subtitle IV, an action of the Board under this section is final on the date on which it is served, and a civil action to enjoin, suspend, or set aside the action may be filed after that date.

§ 723. Service of notice in Board proceedings

(a) DESIGNATION OF AGENT.—A carrier providing transportation subject to the jurisdiction of the Board under subtitle IV shall designate an agent in the District of Columbia on whom service of process in an action before a district court may be made. Except as otherwise provided, process in an action before a district court shall be served on the designated agent of that carrier at the office or usual place of residence in the District of Columbia of that agent. If the carrier does not have a designated agent, service may be made by posting the notice in the office of the Board.

(b) CHANGING DESIGNATION.—A designation under this section may be changed at any time in the same manner as originally made.

§ 724. Service of process in court proceedings

(a) DESIGNATION OF AGENT.—A carrier providing transportation subject to the jurisdiction of the Board under subtitle IV shall designate an agent in the District of Columbia on whom service of process in an action before a district court may be made. Except as otherwise provided, process in an action before a district court shall be served on the designated agent of that carrier at the office or usual place of residence in the District of Columbia of that agent. If the carrier does not have a designated agent, service may be made by posting the notice in the office of the Board.

(b) CHANGING DESIGNATION.—A designation under this section may be changed at any time in the same manner as originally made.

§ 725. Administrative support

The Secretary of Transportation shall provide administrative support for the Board.

§ 726. Railroad-Shipper Transportation Advisory Council

(a) ESTABLISHMENT; MEMBERSHIP.—There is established the Railroad-Shipper Transportation Advisory Council (in this section referred to as the “Council”) to be composed of 19 members, of which 15 members shall be appointed by the Chairman of the Board, after recommendation from rail carriers and shippers, within 60 days after December 29, 1995. The members of the Council shall be appointed as follows:

(1) The members of the Council shall be appointed from among citizens of the United States who are not regular full-time employees of the United States and shall be selected for appointment so as to provide as nearly as practicable a broad representation of the various segments of the railroad and rail shipping industries.

(2) Nine of the members shall be appointed from senior executive officers of organizations engaged in the railroad and rail shipping industries, which 9 members shall be the voting members of the Council. Council action and Council positions shall be determined by a majority vote of the members present. A majority of such voting members shall constitute a quorum. Of such 9 voting members—

(A) at least 4 shall be representative of Class II or III railroads;
(B) 3 shall be representative of large shipper organizations (as determined by the Chairman); and
(C) at least 4 shall be representative of small shippers (as determined by the Chairman).

(3) The remaining 6 members of the Council shall serve in a nonvoting advisory capacity only, but shall be entitled to participate in Council deliberations. Of the remaining members—

(A) 3 shall be representative of Class I railroads; and
(B) 3 shall be representative of large shipper organizations (as determined by the Chairman).

(4) The Secretary of Transportation and the members of the Board shall serve as ex officio, nonvoting members of the Council. The Council shall not be subject to the Federal Advi-
sory Committee Act. A list of the members appointed to the Council shall be forwarded to the Chairmen and ranking members of the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(5) Each ex officio member of the Council may designate an alternate, who shall serve as a member of the Council whenever the ex officio member is unable to attend a meeting of the Council. Any such designated alternate shall be selected from individuals who exercise significant decision-making authority in the Federal agency involved.

(b) TERM OF OFFICE.—The members of the Council shall be appointed for a term of office of 3 years, except that of the members first appointed—

(1) 5 members shall be appointed for terms of 1 year; and
(2) 5 members shall be appointed for terms of 2 years,
as designated by the Chairman at the time of appointment. Any member appointed to fill a vacancy occurring before the expiration of the term for which the member’s predecessor was appointed shall be appointed only for the remainder of such term. A member may serve after the expiration of his term until his successor has taken office. Vacancies on the Council shall be filled in the same manner in which the original appointments were made. No member of the Council shall be eligible to serve in excess of two consecutive terms.

(c) ELECTION AND DUTIES OF OFFICERS.—The Council Chairman and Vice Chairman and other appropriate officers of the Council shall be elected by and from the voting members of the Council. The Council Chairman shall serve as the Council’s executive officer and shall direct the administration of the Council, assign officer and committee duties, and shall be responsible for issuing and communicating the reports, policy positions and statements of the Council. In the event that the Council Chairman is unable to serve, the Vice Chairman shall act as Council Chairman.

(d) EXPENSES.—(1) The members of the Council shall receive no compensation for their services as such, but upon request by the Council Chairman, based on a showing of significant economic burden, the Secretary of Transportation or the Chairman of the Board, to the extent provided in advance in appropriation Acts, may provide reasonable and necessary travel expenses for such individual Council members from Department or Board funding sources in order to foster balanced representation on the Council.
(2) Upon request by the Council Chairman, the Secretary or Chairman of the Board, to the extent provided in advance in appropriations Acts, may pay the reasonable and necessary expenses incurred by the Council in connection with the coordination of Council activities, announcement and reporting of meetings, and preparation of such Council documents as are required or permitted by this section.
(3) The Council may solicit and use private funding for its activities, subject to this subsection.
(4) Prior to making any Federal funding requests, the Council Chairman shall undertake best efforts to fund such activities privately unless the Council Chairman determines that such private funding would create a conflict of interest, or the appearance thereof, or is otherwise impractical. The Council Chairman shall not request funding from any Federal agency without providing written justification as to why private funding would create any such conflict or appearance, or is otherwise impractical.

(3) To enable the Council to carry out its functions—
(A) the Council Chairman may request directly from any Federal agency such personnel, information, services, or facilities, on a compensated or uncompensated basis, as the Council Chairman determines necessary to carry out the functions of the Council;
(B) each Federal agency may, in its discretion, furnish the Council with such information, services, and facilities as the Council Chairman may request to the extent permitted by law and within the limits of available funds; and
(C) each Federal agency may, in its discretion, detail to temporary duty with the Council, such personnel as the Council Chairman may request for carrying out the functions of the Council, each such detail to be without loss of seniority, pay, or other employee status.

(e) MEETINGS.—The Council shall meet at least semi-annually and shall hold other meetings at the call of the Council Chairman. Appropriate Federal facilities, where available, may be used for such meetings. Whenever the Council, or a committee of the Council, considers matters that affect the jurisdictional interests of Federal agencies that are not represented on the Council, the Council Chairman may invite the heads of such agencies, or their designees, to participate in the deliberations of the Council.

(f) FUNCTIONS AND DUTIES; ANNUAL REPORT.—
(1) The Council shall advise the Secretary, the Chairman, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Transportation and Infrastructure of the House of Representatives with respect to rail transportation policy issues it considers significant, with particular attention to issues of importance to small shippers and small railroads, including car supply, rates, competition, and effective procedures for addressing legitimate shipper and other claims.
(2) To the extent the Council addresses specific grain car issues, it shall coordinate such activities with the National Grain Car Council. The Secretary and Chairman shall cooperate with the Council to provide research, technical and other reasonable support in developing any reports and policy statements required or authorized by this subsection.
(3) The Council shall endeavor to develop within the private sector mechanisms to prevent, or identify and effectively address, obstacles to the most effective and efficient transportation system practicable.
(4) The Council shall prepare an annual report concerning its activities and the results of Council efforts to resolve industry issues, and
§ 727

TITLE 49—TRANSPORTATION

propose whatever regulatory or legislative relief it considers appropriate. The Council shall include in the annual report such recommendations as it considers appropriate with respect to the performance of the Secretary and Chairman under this chapter, and with respect to the operation and effectiveness of meetings and industry developments relating to the Council's efforts, and such other information as it considers appropriate. Such annual reports shall be reviewed by the Secretary and Chairman, and shall include the Secretary's and Chairman's views or comments relating to—

(A) the accuracy of information therein;
(B) Council efforts and reasonableness of Council positions and actions; and
(C) any other aspects of the Council's work as they may consider appropriate.

The Council may prepare other reports or develop policy statements as the Council considers appropriate. An annual report shall be submitted for each fiscal year and shall be submitted to the Secretary and Chairman within 90 days after the end of the fiscal year. Other such reports and statements may be submitted as the Council considers appropriate.

SUBCHAPTER I—GENERAL

§ 1101. Definitions

Section 2101(17a) of title 46 and section 40102(a) of this title apply to this chapter. In this chapter, the term “accident” includes damage to or destruction of vehicles in surface or air transportation or pipelines, regardless of whether the initiating event is accidental or otherwise.

HISTORICAL AND REVISION NOTES

A number of the source provisions of the chapter are taken from 49 App.:ch. 20. The text of 49 App.:ch. 20 contains general definitions, some of which are used in those source provisions.

This section is included to ensure that the identical definitions that are relevant are used without repeat-
ing them. The source provisions for the definitions are found in the revision note for section 40102(a) of the revised title.

AMENDMENTS

2000—Pub. L. 106–424 amended section catchline and text generally. Prior to amendment, text read as follows: “Section 40102(a) of this title applies to this chapter.”

SHORT TITLE OF 1996 AMENDMENT

SUBCHAPTER II—ORGANIZATION AND ADMINISTRATIVE

§ 1111. General organization

(a) ORGANIZATION.—The National Transportation Safety Board is an independent establishment of the United States Government.

(b) APPOINTMENT OF MEMBERS.—The Board is composed of 5 members appointed by the President, by and with the advice and consent of the Senate. Not more than 3 members may be appointed from the same political party. At least 3 members shall be appointed on the basis of technical qualification, professional standing, and demonstrated knowledge in accident reconstruction, safety engineering, human factors, transportation safety, or transportation regulation.

(c) TERMS OF OFFICE AND REMOVAL.—The term of office of each member is 5 years. An individual appointed to fill a vacancy occurring before the expiration of the term for which the predecessor of that individual was appointed, is appointed for the remainder of that term. When the term of office of a member ends, the member may continue to serve until a successor is appointed and qualified. The President may remove a member for inefficiency, neglect of duty, or malfeasance in office.

(d) CHAIRMAN AND VICE CHAIRMAN.—The President shall designate, by and with the advice and consent of the Senate, a Chairman of the Board. The President also shall designate a Vice Chairman of the Board. The terms of office of both the Chairman and Vice Chairman are 2 years. When the Chairman is absent or unable to serve or when the position of Chairman is vacant, the Vice Chairman acts as Chairman.

(e) DUTIES AND POWERS OF CHAIRMAN.—The Chairman is the chief executive and administrative officer of the Board. Subject to the general policies and decisions of the Board, the Chairman shall—

(1) appoint and supervise officers and employees, other than regular and full-time employees in the immediate offices of another member, necessary to carry out this chapter;

(2) fix the pay of officers and employees necessary to carry out this chapter;

(3) distribute business among the officers, employees, and administrative units of the Board; and

(4) supervise the expenditures of the Board.

(f) QUORUM.—Three members of the Board are a quorum in carrying out duties and powers of the Board.

(g) OFFICES, BUREAUS, AND DIVISIONS.—The Board shall establish offices necessary to carry out this chapter, including an office to investigate and report on the safe transportation of hazardous material. The Board shall establish distinct and appropriately staffed bureaus, divisions, or offices to investigate and report on incidents involving each of the following modes of transportation:

(1) aviation.

(2) highway and motor vehicle.

(3) rail and tracked vehicle.

(4) pipeline.

(5) marine.

(h) CHIEF FINANCIAL OFFICER.—The Chairman shall designate an officer or employee of the Board as the Chief Financial Officer. The Chief Financial Officer shall—

(1) report directly to the Chairman on financial management and budget execution;

(2) direct, manage, and provide policy guidance and oversight on financial management and property and inventory control; and

(3) review the fees, rents, and other charges imposed by the Board for services and things of value it provides, and suggest appropriate revisions to those charges to reflect costs incurred by the Board in providing those services and things of value.

(1) BOARD MEMBER STAFF.—Each member of the Board shall select and supervise regular and full-time employees in his or her immediate office as long as any such employee has been approved for employment by the designated agency ethics official under the same guidelines that apply to all employees of the Board. Except for the Chairman, the appointment authority provided by this subsection is limited to the number of full-time equivalent positions, in addition to 1 senior professional staff at a level not to exceed the GS 15 level and 1 administrative staff, allocated to each member through the Board’s annual budget and allocation process.
§ 1111—TRANSPORTATION

(j) SEAL.—The Board shall have a seal that shall be judicially recognized.

In subsection (a), the words “previously established within the Department of Transportation” are omitted as unnecessary. The words “in accordance with this section, on and after April 1, 1975” are omitted as executed.

In subsection (c), the words “except as otherwise provided in this paragraph” are omitted as surplus. The text of 49 App. 1902(b)(2) (4th sentence) is omitted as executed.

In subsection (d), the words “On or before January 1, 1976” are omitted as executed. The words “(and thereafter as required)” and “(hereafter in this chapter referred to as the ‘Chairman’)” are omitted as unnecessary.

In subsection (e), before clause (1), the words “is the chief executive and administrative officer of the Board” are substituted for “shall be the chief executive officer of the Board and shall exercise the executive and administrative functions of the Board” for clarity.

The words “Subject to the general policies and decisions of the Board, the Chairman shall” are substituted for 49 App. 1902(b)(3) (last sentence) to eliminate unnecessary words. In clause (1), the words “Subject to the civil service and classification laws” are omitted as unnecessary because of title 5, United States Code, especially sections 3301, 5101, and 5331.

The words “the Board is authorized” are omitted for consistency because the authority to appoint officers and employees is vested in the Chairman subject to the “general policies and decisions of the Board” as provided in the source provisions. The words “including investigators, attorneys, and administrative law judges” are omitted as covered by “officers and employees.” The words “carry out this chapter” are substituted for “carry out its powers and duties under this chapter” to eliminate unnecessary words. In clause (3), the words “expenditures of the Board” are substituted for “the use and expenditure of funds” for clarity.

In subsection (f), the words “duties and powers” are substituted for “function” for consistency in the revised title and with other titles of the Code.

In subsection (g), the text of 49 App. 1902(c)(1) is omitted as unnecessary because of 40:ch. 10.

2000—Subsecs. (h), (i). Pub. L. 106–424 added subsec. (h) and redesignated former subsec. (h) as (i).

HISTORICAL AND REVISION NOTES

Pub. L. 109–443, §2(a)(2), Dec. 21, 2006, 120 Stat. 3297, provided that: “(A) PLAN.—Within 90 days after the date of enactment of this Act (Dec. 21, 2006), the National Transportation Safety Board shall—

(i) develop a plan to achieve, to the maximum extent feasible, the self-sufficient operation of the National Transportation Safety Board Academy and utilize the Academy’s facilities and resources;

(ii) submit a draft of the plan to the Comptroller General for review and comment; and

(iii) submit a draft of the plan to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(B) PLAN DEVELOPMENT CONSIDERATIONS.—The Board shall—

(i) give consideration in developing the plan under subparagraph (A)(i) to other revenue-generating measures, including subleasing the facility to another entity; and

(ii) include in the plan a detailed financial statement that covers current Academy expenses and revenues and an analysis of the projected impact of the plan on the Academy’s expenses and revenues.

(C) REPORT.—Within 180 days after the date of enactment of this Act (Dec. 21, 2006), the National Transportation Safety Board shall submit a report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives that includes—

(i) an updated copy of the plan developed pursuant to subparagraph (A)(i);

(ii) any comments and recommendations made by the Comptroller General pursuant to the Government Accountability Office’s review of the draft plan; and

(iii) a response to the Comptroller General’s comments and recommendations, including a description of any modifications made to the plan in response to those comments and recommendations.

(D) IMPLEMENTATION.—The plan developed pursuant to subparagraph (A)(i) shall be implemented within 2 years after the date of enactment of this Act (Dec. 21, 2006).”

AUDIT PROCEDURES

Pub. L. 109–443, §6, Dec. 21, 2006, 120 Stat. 3300, provided that: “The National Transportation Safety Board, in consultation with the Inspector General of the Department of Transportation, shall continue to develop and implement comprehensive internal audit controls for its operations. The audit controls shall address, at a minimum, Board asset management systems, including systems for accounting management, debt collection, travel, and property and inventory management and control.”

IMPROVED AUDIT PROCEDURES

Pub. L. 106–424, §11, Nov. 1, 2000, 114 Stat. 1887, provided that: “The National Transportation Safety Board, in consultation with the Inspector General of the Department of Transportation, shall develop and implement comprehensive internal audit controls for its financial programs based on the findings and recommendations of the private sector audit firm contract entered into by the Board in March, 2000.”
§ 1112. Special boards of inquiry on air transportation safety

(a) ESTABLISHMENT.—If an accident involves a substantial question about public safety in air transportation, the National Transportation Safety Board may establish a special board of inquiry composed of—

(1) one member of the Board acting as chairman; and

(2) 2 members representing the public, appointed by the President on notification of the establishment of the special board of inquiry.

(b) QUALIFICATIONS AND CONFLICTS OF INTEREST.—The public members of a special board of inquiry must be qualified by training and experience to participate in the inquiry and may not have a pecuniary interest in an aviation enterprise involved in the accident to be investigated.

(c) AUTHORITY.—A special board of inquiry has the same authority that the Board has under this chapter.

§ 1113. Administrative

(a) GENERAL AUTHORITY.—(1) The National Transportation Safety Board, and when authorized by it, a member of the Board, an administrative law judge employed by or assigned to the Board, or an officer or employee designated by the Chairman of the Board, may conduct hearings to carry out this chapter, administer oaths, and require, by subpoena or otherwise, necessary witnesses and evidence.

(2) A witness or evidence in a hearing under paragraph (1) of this subsection may be summoned or required to be produced from any place in the United States to the designated place of the hearing. A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(3) A subpoena shall be issued under the signature of the Chairman or the Chairman’s delegate but may be served by any person designated by the Chairman.

(4) If a person disobeys a subpoena, order, or inspection notice of the Board, the Board may bring a civil action in a district court of the United States to enforce the subpoena, order, or notice. An action under this paragraph may be brought in the judicial district in which the person against whom the action is brought resides, is found, or does business. The court may punish a failure to obey an order of the court to comply with the subpoena, order, or notice as a contempt of court.

(b) ADDITIONAL POWERS.—(1) The Board may—

(A) procure the temporary or intermittent services of experts or consultants under section 3109 of title 5;

(B) make agreements and other transactions necessary to carry out this chapter without regard to section 6101(b) to (d) of title 41;

(C) use, when appropriate, available services, equipment, personnel, and facilities of a department, agency, or instrumentality of the United States Government on a reimbursable or other basis;

(D) confer with employees and use services, records, and facilities of State and local governmental authorities;

(E) appoint advisory committees composed of qualified private citizens and officials of the Government and State and local governments as appropriate;

(F) accept voluntary and uncompensated services notwithstanding another law;

(G) accept gifts of money and other property;

(H) make contracts with nonprofit entities to carry out studies related to duties and powers of the Board; and

(I) negotiate and enter into agreements with individuals and private entities and departments, agencies, and instrumentalities of the Government, State and local governments, and governments of foreign countries for the provision of facilities, accident-related and technical services or training in accident investigation theory and techniques, and require that such entities provide appropriate consideration for the reasonable costs of any facilities, goods, services, or training provided by the Board.

(2) The Board shall deposit in the Treasury amounts received under paragraph (1)(f) of this subsection to be credited as offsetting collections to the appropriation of the Board. The Board shall maintain an annual record of collections received under paragraph (1)(I) of this subsection.

(c) SUBMISSION OF CERTAIN COPIES TO CONGRESS.—When the Board submits to the President or the Director of the Office of Management and Budget a budget estimate, budget request, supplemental budget estimate, other budget information, a legislative recommendation, prepared testimony for congressional hearings, or comments on legislation, the Board must submit a copy to Congress at the same time. An officer, department, agency, or instrumentality of the Government may not require the Board to submit the estimate, request, information, recommendation, testimony, or comments to another officer, department, agency, or instrumentality of the Government for approval, comment, or review before being submitted to Congress. The Board shall develop and approve a process for the Board’s review and comment or approval of documents submitted to the President, Director of the Office of Management and Budget, or Congress under this subsection.

(d) LIAISON COMMITTEES.—The Chairman may determine the number of committees that are
appropriate to maintain effective liaison with other departments, agencies, and instrumentalities of the Government, State and local governmental authorities, and independent standard-setting authorities that carry out programs and activities related to transportation safety. The Board may designate representatives to serve on or assist those committees.

(e) INQUIRIES.—The Board, or an officer or employee of the Board designated by the Chairman, may conduct an inquiry to obtain information related to transportation safety after publishing notice of the inquiry in the Federal Register. The Board or designated officer or employee may require by order a department, agency, or instrumentality of the Government, a State or local governmental authority, or a person transporting individuals or property in commerce to submit to the Board a written report and answers to requests and questions related to a duty or power of the Board. The Board may prescribe the time within which the report and answers must be given to the Board or to the designated officer or employee. Copies of the report and answers shall be made available for public inspection.

(f) REGULATIONS.—The Board may prescribe regulations to carry out this chapter.

(g) OVERTIME PAY.—

(1) IN GENERAL.—Subject to the requirements of this section and notwithstanding paragraphs (1) and (2) of section 5542(a) of title 5, for an employee of the Board whose basic pay is at a rate which equals or exceeds the minimum rate of basic pay for GS–10 of the General Schedule, the Board may establish an overtime rate of basic pay of the employee for such calendar year (including travel to or from the scene) and other work that is critical to an accident investigation in an amount equal to one and one-half times the hourly rate of basic pay of the employee. All of such amount shall be considered to be premium pay.

(2) LIMITATION ON OVERTIME PAY TO AN EMPLOYEE.—An employee of the Board may not receive overtime pay under paragraph (1), for work performed in a calendar year, in an amount that exceeds 15 percent of the annual rate of basic pay of the employee for such calendar year.

(3) LIMITATION ON TOTAL AMOUNT OF OVERTIME PAY.—The Board may not make overtime payments under paragraph (1) for work performed in any fiscal year in a total amount that exceeds 1.5 percent of the amount appropriated to carry out this chapter for that fiscal year.

(4) BASIC PAY DEFINED.—In this subsection, the term “basic pay” includes any applicable locality-based comparability payment under section 5304 of title 5 (or similar provision of law) and any special rate of pay under section 5305 of title 5 (or similar provision of law).

(5) ANNUAL REPORT.—Not later than January 31, 2002, and annually thereafter, the Board shall transmit to the Senate Committee on Commerce, Science, and Transportation and the House Transportation and Infrastructure Committee a report identifying the total amount of overtime payments made under this subsection in the preceding fiscal year, and the number of employees whose overtime pay under this subsection was limited in that fiscal year as a result of the 15 percent limit established by paragraph (2).

(h) INVESTIGATIVE OFFICERS.—The Board shall maintain at least 1 full-time employee in each State located more than 1,000 miles from the nearest Board regional office to provide initial investigative response to accidents the Board is empowered to investigate under this chapter that occur in that State.

In subsection (a)(1), the words “sit and act at such times and places” are omitted as unnecessary. The word “necessary” is substituted for “as the Board or such officer or employee deems advisable” because it is more accurate.

In subsection (a)(2), the words “the witness would have been” are added for clarity and consistency in the revised title and with other titles of the United States Code.

In subsection (a)(4), the words “If a person disobeys” are substituted for “In case of contumacy or refusal to obey” for consistency in the revised title and with other titles of the Code. The words “of the Board” are substituted for “of the Board, or of any duly designated employee thereof” to eliminate unnecessary words. The words “the Board may bring a civil action in a district court of the United States” are substituted for “such district court shall, upon the request of the Board, have jurisdiction” for consistency in the revised title and because of 28:1331. The word “forthwith” is omitted as surplus. The words “An action under this paragraph may be brought in the judicial district” are added for clarity.

In subsection (b)(1)(A), the text of 49 App.:1903(b) (words before semicolon) is omitted as superseded by 49 App.:1903(b)(6)(C).
In subsection (b)(1)(B), the words "make agreements and other transactions" are substituted for "enter into . . . such contracts, leases, cooperative agreements, or other transactions" to eliminate unnecessary words. The words "to carry out this chapter" are substituted for "in the conduct of the functions and the duties of the Board under this chapter" for consistency. The words "with any government entity or any person" are omitted as surplus.

In subsection (b)(1)(C), the words "Department of Transportation and of other" are omitted as surplus. The words "department, agency, or instrumentality of the United States Government" are substituted for "civilian or military agencies and instrumentalities of the Federal Government" in 49 App.1903(b)(6)(A) for consistency in the revised title and with other titles of the Code. The text of 49 App.1411(b) (words after semicolon) is omitted as superseded by 49 App.1905(b)(6)(A).

In subsection (b)(1)(D), the word "available" is omitted as surplus.

In subsection (b)(1)(E), the words "one or more" are omitted as surplus because the authority to appoint advisory committees is discretionary and unlimited on its face. The word "appropriate" is substituted for "necessary or appropriate" to eliminate unnecessary words. The words "in accordance with the Federal Advisory Committee Act" are omitted as surplus because that Act applies unless specifically excluded. (See 5 App. U.S.C.)

In subsection (b)(1)(G), the words "gifts of money and other property" are substituted for "gifts or donations of money or property (real, personal, mixed, tangible, or intangible)" to eliminate unnecessary words.

In subsection (b)(1)(H), the words "public or private" are omitted as surplus.

Subsection (b)(2) is substituted for "and to apply the funds received to the Board's appropriations" for clarity and consistency in the revised title and with other titles of the Code.

In subsection (c), the word "submits" is substituted for "submits or transmits" for consistency. The words "Director of the Office of Management and Budget" are substituted for "Office of Management and Budget" because of 31:502(a).

In subsection (d), the word "appropriate" is substituted for "necessary or appropriate" to eliminate unnecessary words.

In subsection (e), the words "officer or employee" are substituted for "employee" for consistency in the revised title. The words "by order" are substituted for "by special or general orders" to eliminate unnecessary words. The word "individuals" is substituted for "people" for consistency in the revised title.

In subsection (f), the words "prescribe regulations to carry out this chapter" are substituted for "rules and regulations as may be necessary to the exercise of its functions" for consistency in the revised title and with other titles of the Code and because "rule" and "regulation" are synonymous.

AMENDMENTS

2011—Subsec. (b)(1)(B). Pub. L. 111–350 substituted "section 621(b) to (d) of title 41" for "section 3709 of the Revised Statutes (41 U.S.C. 5)".

2006—Subsec. (a)(3). Pub. L. 109–443, §9(e), substituted "subpoena" for "subpena".

Subsec. (a)(4). Pub. L. 109–443, §9(e), which directed substitution of "subpoena" for "subpena", was executed by making the substitution wherever appearing, to reflect the probable intent of Congress.

Subsec. (c). Pub. L. 109–443, §8(f), inserted at end "The Board shall develop and approve a process for the Board's review and comment or approval of documents submitted to the President, Director of the Office of Management and Budget, or Congress under this subsection."

2005—Subsec. (b)(1)(D). Pub. L. 109–242, §8(a), amended subpar. (1) generally. Prior to amendment, subpar. (1) read as follows: "require that the departments, agencies, and instrumentalities of the Government, State and local governments, and countries provide appropriate consideration for the reasonable costs of goods and services supplied by the Board."

Subsec. (b)(2). Pub. L. 106–424, §3(b)(1), inserted "as offsetting collections" after "to be credited" and "The Board shall maintain an annual record of collections received under paragraph (1) of this subsection" at end.

RELIEF FROM CONTRACTING REQUIREMENTS FOR INVESTIGATIONS SERVICES

(a) In General.—The National Transportation Safety Board may enter into agreements or contracts under the authority of section 1113(b)(1)(B) of title 49, United States Code, for investigations conducted under section 1131 of that title without regard to any other provision of law requiring competition if necessary to expedite the investigation.

(b) Report on Usage.—On July 1 of each year, as part of the annual report required by section 1117 of title 49, United States Code, the National Transportation Safety Board shall transmit a report to the House of Representatives Committee on Transportation and Infrastructure, the House of Representatives Committee on Governmental Affairs that—

(1) describes each contract executed by the Board to which the authority provided by subsection (a) was applied; and

(2) sets forth the rationale for dispensing with competition requirements with respect to such contract.

TRAVEL BUDGETS

Pub. L. 106–424, §9, Nov. 1, 2000, 114 Stat. 1886, provided that: 

"The Chairman of the National Transportation Safety Board shall establish annual fiscal year travel budgets for non-accident-related travel expenditures for Board members which shall be approved by the Board and submitted to the Senate Committee on Commerce, Science, and Transportation and to the House of Representatives Committee on Transportation and Infrastructure together with an annual report detailing the non-accident-related travel of each Board member. The report shall include separate accounting for foreign and domestic travel, including any personnel or other expenses associated with that travel."

§1114. Disclosure, availability, and use of information

(a) General.—(1) Except as provided in subsections (b), (c), (d), and (f) of this section, a copy of a record, information, or investigation submitted or received by the National Transportation Safety Board, or a member or employee of the Board, shall be made available to the public on identifiable request and at reasonable cost. This subsection does not require the release of information described by section 552(b) of title 5 or protected from disclosure by another law of the United States.

(49) TITLE 49—TRANSPORTATION Page 112

The Board may not disclose publicly any part of a transcript or any written depiction of visual information the Board decides is relevant to the accident.

A) if the Board holds a public hearing on the accident, at the time of the hearing; or
B) if the Board does not hold a public hearing, at the time a majority of the other factual reports on the accident are placed in the public docket.

2) REFERENCES TO INFORMATION IN MAKING SAFETY RECOMMENDATIONS.—This subsection does not prevent the Board from referring at any time to voice or video recorder information in making safety recommendations.

2) Drug Tests.—(1) Notwithstanding section 503(e) of the Supplemental Appropriations Act, 1987 (Public Law 100–71, 101 Stat. 471), the Secretary of Transportation shall provide the following information to the Board when requested in writing by the Board:
A) any report of a confirmed positive toxicological test, verified as positive by a medical review officer, conducted on an officer or employee of the Department of Transportation under post-accident, unsafe practice, or reasonable suspicion toxicological testing requirements of the Department, when the officer or employee is reasonably associated with the circumstances of an accident or incident under the investigatory jurisdiction of the Board.
B) any laboratory record documenting that the test is confirmed positive.

Exceptions as provided by paragraph (3) of this subsection, the Board shall maintain the confidentiality of, and exempt from disclosure under section 552(b)(3) of title 5—
A) a laboratory record provided the Board under paragraph (1) of this subsection that reveals medical use of a drug allowed under applicable regulations; and
B) medical information provided by the tested officer or employee related to the test or a review of the test.

3) The Board may use a laboratory record made available under paragraph (1) of this subsection to develop an evidentiary record in an investigation of an accident or incident if—
A) the fitness of the tested officer or employee is at issue in the investigation; and
B) the use of that record is necessary to develop the evidentiary record.

(f) Foreign Investigations.—

1) In general.—Notwithstanding any other provision of law, neither the Board, nor any agency receiving information from the Board, shall disclose records or information relating to its participation in foreign aircraft accident investigations; except that—
A) the Board shall release records pertaining to such an investigation when the country conducting the investigation issues its final report or 2 years following the date of the accident, whichever occurs first; and
B) the Board may disclose records and information when authorized to do so by the country conducting the investigation.
(2) SAFETY RECOMMENDATIONS.—Nothing in this subsection shall restrict the Board at any time from referring to foreign accident investigation information in making safety recommendations.

AMENDMENTS

2000—Subsec. (a). Pub. L. 106–424, §§3(b)(2), 5(b)(2), designated existing provisions as par. (1), substituted “(d), and (f)” for “(d) and (f)” in first sentence, and added par. (2).

Subsec. (c)(2). Pub. L. 106–424, §5(a)(2), substituted “cockpit voice or video recorder” for “cockpit voice recorder”.

Subsec. (d). Pub. L. 106–424, §5(b)(1)(B), which directed the addition of subsec. (d) after subsec. (e), was executed by adding subsec. (d) before subsec. (e) to reflect the probable intent of Congress. Former subsec. (d) re-designated (e).

Subsecs. (e), (f). Pub. L. 106–424, §5(b)(1)(A), redesignated subsecs. (d) and (e) as (e) and (f), respectively.

1996—Subsec. (a). Pub. L. 104–291, §102(1), substituted “(b), (c), and (e)” for “(b) and (c)”.

§1115. Training

(a) DEFINITION.—In this section, “Institute” means the Transportation Safety Institute of the Department of Transportation and any successor organization of the Institute.

(b) USE OF INSTITUTE SERVICES.—The National Transportation Safety Board may use, on a reimbursable basis, the services of the Institute. The Secretary of Transportation shall make the Institute available to—

(1) the Board for safety training of employees of the Board in carrying out their duties and powers; and

(2) other safety personnel of the United States Government, State and local governments, governments of foreign countries, interstate authorities, and private organizations the Board designates in consultation with the Secretary.

(c) FEES.—(1) Training at the Institute for safety personnel (except employees of the Government) shall be provided at a reasonable fee established periodically by the Board in consultation with the Secretary. The fee shall be paid directly to the Secretary, and the Secretary shall deposit the fee in the Treasury. The amount of the fee—

(A) shall be credited to the appropriate appropriation (subject to the requirements of any annual appropriation); and

(B) is an offset against any annual reimbursement agreement between the Board and the Secretary to cover all reasonable costs of providing training under this subsection that the Secretary incurs in operating the Institute.

(2) The Board shall maintain an annual record of offsets under paragraph (1)(B) of this subsection.

(d) TRAINING OF BOARD EMPLOYEES AND OTHERS.—The Board may conduct training of its employees in those subjects necessary for the proper performance of accident investigation. The Board may also authorize attendance at courses given under this subsection by other government personnel, personnel of foreign governments, and personnel from industry or otherwise who have a requirement for accident investigation training. The Board may require non-Board personnel to reimburse some or all of the training costs, and amounts so reimbursed shall be credited to the appropriation of the Board as offsetting collections.

§ 1116 | REPORTS AND STUDIES

(a) Periodic reports.—The National Transportation Safety Board shall report periodically to Congress, departments, agencies, and instrumentalities of the United States Government and State and local governmental authorities concerned with transportation safety, and other interested persons. The report shall—

(1) advocate meaningful responses to reduce the likelihood of transportation accidents similar to those investigated by the Board; and

(2) propose corrective action to make the transportation of individuals as safe and free from risk of injury as possible, including action to minimize personal injuries that occur in transportation accidents.

(b) Studies, investigations, and other reports.—The Board also shall—

(1) carry out special studies and investigations on transportation safety, including avoiding personal injury;

(2) examine techniques and methods of accident investigation and periodically publish recommended procedures for accident investigations;

(3) prescribe requirements for persons reporting accidents and aviation incidents that—

(A) may be investigated by the Board under this chapter; or

(B) involve public aircraft (except aircraft of the armed forces and the intelligence agencies);

(4) evaluate, examine the effectiveness of, and publish the findings of the Board about the transportation safety consciousness of other departments, agencies, and instrumentalities of the Government and their effectiveness in preventing accidents; and

(5) evaluate the adequacy of safeguards and procedures for the transportation of hazardous material and the performance of other departments, agencies, and instrumentalities of the Government responsible for the safe transportation of that material.

§ 1117 | Annual report

The National Transportation Safety Board shall submit a report to Congress on July 1 of each year. The report shall include—

(1) a statistical and analytical summary of the transportation accident investigations conducted and reviewed by the Board during the prior calendar year;

(2) a survey and summary of the recommendations made by the Board to reduce the...
In this section, before clause (1), the words “but need not be limited to” are omitted as surplus. In clause (2), the words “in such detail as the Board deems advisable” are omitted as surplus. In clause (3), the words “departments, agencies, and instrumentalities of the United States Government and State and local governmental authorities” are substituted for “other government agencies” for clarity and consistency in the revised title and with other titles of the United States Code. The words “for those activities” are substituted for “other governmental activities” for clarity and consistency in the revised title. References to the fiscal year are substituted for “in this field” for clarity. In clause (4), the words “evaluation” are substituted for “appraisal and evaluation” as it determines to be appropriate for services provided by or through the Board.

In subsection (a), the words “to the National Transportation Safety Board” are added for clarity and consistency in the revised title. References to the fiscal years ending June 30, 1975, through September 30, 1992, are omitted as obsolete. In subsection (b)(2), the words “amounts equal to” are substituted for “amounts expended annually out of the fund” as it determines to be appropriate for services provided by or through the Board.

In subsection (b)(2), the words “to the National Transportation Safety Board” are added for clarity and consistency in the revised title. References to the fiscal years ending June 30, 1975, through September 30, 1992, are omitted as obsolete. In subsection (b)(2), the words “amounts equal to” are substituted for “amounts expended annually out of the fund” as it determines to be appropriate for services provided by or through the Board.

Such sums shall remain available until expended.’’

‘‘(b) EMERGENCY FUND.—The Board has an emergency fund of $1,000,000 available for necessary expenses of the Board, not otherwise provided for, for accident investigations. The following amounts may be appropriated to the fund:

1. $1,000,000 to establish the fund.

2. Amounts equal to amounts expended annually out of the fund.

3. Availability of Amounts.—Amounts appropriated under this section remain available until expended.

1994—Subsec. (a), Pub. L. 103–411 reenacted heading without change and amended text generally. Prior to amendment, text read as follows: ‘‘Not more than $38,800,000 may be appropriated to the National Transportation Safety Board for the fiscal year ending September 30, 1995, to carry out this chapter.’’

EFFECTIVE DATE OF 2006 AMENDMENT
Pub. L. 109–443, §8(b)(2), Dec. 21, 2006, 120 Stat. 3300, provided that: ‘‘The amendments made by paragraph (1) [amending this section] shall take effect on October 1, 2005.’’

§1119. Accident and safety data classification and publication

(a) IN GENERAL.—Not later than 90 days after the date of the enactment of this section, the National Transportation Safety Board shall, in consultation and coordination with the Administrator of the Federal Aviation Administration, develop a system for classifying air carrier accident data maintained by the Board.

(b) REQUIREMENTS FOR CLASSIFICATION SYSTEM.—

(1) IN GENERAL.—The system developed under this section shall provide for the classification of accident and safety data in a manner that, in comparison to the system in effect on the date of the enactment of this section, provides for safety-related categories that provide clearer descriptions of accidents associated with air transportation, including a more refined classification of accidents which involve fatalities, injuries, or substantial damage and which are only related to the operation of an aircraft.

(2) PUBLIC COMMENT.—In developing a system of classification under paragraph (1), the Board shall provide adequate opportunity for public review and comment.

(3) final classification.—After providing for public review and comment, and after consulting with the Administrator, the Board shall issue final classifications. The Board shall ensure that air travel accident covered under this section is classified in accordance with the final classifications issued under this section for data for calendar year 1997, and for each subsequent calendar year.

(4) PUBLICATION.—The Board shall publish on a periodic basis accident and safety data in accordance with the final classifications issued under paragraph (3).

(5) RECOMMENDATIONS OF THE ADMINISTRATOR.—The Administrator may, from time to time, request the Board to consider revisions (including additions to the classification system developed under this section). The Board shall respond to any request made by the Administrator under this section not later than 90 days after receiving that request.

(c) APPEALS.—

(1) NOTIFICATION OF RIGHTS.—In any case in which an employee of the Board determines that an occurrence associated with the operation of an aircraft constitutes an accident, the employee shall notify the owner or operator of that aircraft of the right to appeal that determination to the Board.

(2) PROCEDURE.—The Board shall establish and publish the procedures for appeals under this subsection.

(3) LIMITATION ON APPLICABILITY.—This subsection shall not apply in the case of an accident that results in a loss of life.

AMENDMENTS

EFFECTIVE DATE
Except as otherwise specifically provided, section applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.
SUBCHAPTER III—AUTHORITY
§ 1131. General authority (a) GENERAL.—(1) The National Transportation Safety Board shall investigate or have investigated (in detail the Board prescribes) and establish the facts, circumstances, and cause or probable cause of—
(A) an aircraft accident the Board has authority to investigate under section 1132 of this title or an aircraft accident involving a public aircraft as defined by section 40102(a)(37) of this title other than an aircraft operated by the Armed Forces or by an intelligence agency of the United States;
(B) a highway accident, including a railroad grade crossing accident, the Board selects in cooperation with a State;
(C) a railroad accident in which there is a fatality or substantial property damage, or that involves a passenger train;
(D) a pipeline accident in which there is a fatality, substantial property damage, or significant injury to the environment;
(E) a major marine casualty (except a casualty involving only public vessels) occurring on or under the navigable waters, internal waters, or the territorial sea of the United States as described in Presidential Proclamation No. 5928 of December 27, 1988, or involving a vessel of the United States (as defined in section 2101(46) of title 46), under regulations prescribed jointly by the Board and the head of the department in which the Coast Guard is operating; and
(F) any other accident related to the transportation of individuals or property when the Board decides—
(i) the accident is catastrophic;
(ii) the accident involves problems of a recurring character; or
(iii) the investigation of the accident would carry out this chapter.
(2)(A) Subject to the requirements of this paragraph, an investigation by the Board under paragraph (1)(A)–(D) or (F) of this subsection has priority over any investigation by another department, agency, or instrumentality of the United States Government. The Board shall provide for appropriate participation by other departments, agencies, or instrumentalties in the investigation. However, those departments, agencies, or instrumentalties may not participate in the decision of the Board about the probable cause of the accident.
(B) If the Attorney General, in consultation with the Chairman of the Board, determines and notifies the Board that circumstances reasonably indicate that the accident may have been caused by an intentional criminal act, the Board shall relinquish investigative priority to the Federal Bureau of Investigation. The relinquishment of investigative priority by the Board shall not otherwise affect the authority of the Board to continue its investigation under this section.
(C) If a Federal law enforcement agency suspects and notifies the Board that an accident being investigated by the Board under subparagraph (A), (B), (C), or (D) of paragraph (1) may have been caused by an intentional criminal act, the Board, in consultation with the law enforcement agency, shall take necessary actions to ensure that evidence of the criminal act is preserved.
(3) This section and sections 1113, 1116(b), 1132, and 1134(a) and (c)–(e) of this title do not affect the authority of another department, agency, or instrumentality of the Government to investigate an accident under applicable law or to obtain information directly from the parties involved in, and witnesses to, the accident. The Board and other departments, agencies, and instrumentalties shall ensure that appropriate information developed about the accident is exchanged in a timely manner.
(b) ACCIDENTS INVOLVING PUBLIC VESSELS.—(1) The Board or the head of the department in which the Coast Guard is operating shall investigate and establish the facts, circumstances, and cause or probable cause of a marine accident involving a public vessel and any other vessel. The results of the investigation shall be made available to the public.
(2) Paragraph (1) of this subsection and subsection (a)(1)(E) of this section do not affect the responsibility, under another law of the United States, of the head of the department in which the Coast Guard is operating.
(c) ACCIDENTS NOT INVOLVING GOVERNMENT MISFEASANCE OR NONFEASANCE.—(1) When asked by the Board, the Secretary of Transportation or the Secretary of the department in which the Coast Guard is operating may—
(A) investigate an accident described under subsection (a) or (b) of this section in which misfeasance or nonfeasance by the Government has not been alleged; and
(B) report the facts and circumstances of the accident to the Board.
(2) The Board shall use the report in establishing cause or probable cause of an accident described under subsection (a) or (b) of this section.
(d) ACCIDENTS INVOLVING PUBLIC AIRCRAFT.—The Board, in furtherance of its investigative duties with respect to public aircraft accidents under subsection (a)(1)(A) of this section, shall have the same duties and powers as are specified for civil aircraft accidents under sections 1132(a), 1132(b), and 1134(a), (b), (d), and (f) of this title.
(e) ACCIDENT REPORTS.—The Board shall report on the facts and circumstances of each accident investigated by it under subsection (a) or (b) of this section. The Board shall make each report available to the public at reasonable cost.

1 See References in Text note below.
In this section, the word “conditions” is omitted as being included in “circumstances”. The words “head of the department in which the Coast Guard is operating” are substituted for “Secretary of the department in which the Coast Guard is operating” for consistency in the revised title and with other titles of the United States Code.

In subsection (a)(1)(A), the words “the Board has authority to investigate under section 1132 of this title” are substituted for “which is within the scope of the functions, powers, and duties transferred from the Civil Aeronautics Board under section 1655(d) of this Appendix pursuant to title VII of the Federal Aviation Act of 1958, as amended [49 App. U.S.C. 1441 et seq.]” because of the restatement.

In subsection (a)(1)(F), before clause (i), the word “decides” is substituted for “in the judgment of” for clarity. The word “individuals” is substituted for “people” for consistency in the revised title.

In subsection (a)(2), the word “developed” is substituted for “obtained or developed” to eliminate unnecessary words.

In subsection (b)(2), the word “affect” is substituted for “eliminate or diminish” for clarity.

In subsection (c), the text of 49 App.:1903(a)(2) is omitted as surplus. The words “by” are added for clarity. The text of 49 App.:1903(a)(4) is omitted as superseded by 49 App.:1903(a)(1)(A) and (2).

EFFECTIVE DATE OF 1994 AMENDMENT
Section 3(d) of Pub. L. 103–411 provided that: “The amendments made by subsections (a) and (c) [amending this section and section 40102 of this title] shall take effect on the 180th day following the date of the enactment of this Act [Oct. 25, 1994].”

TRANSFER OF FUNCTIONS
For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

REVISION OF 1977 AMENDMENT
Pub. L. 106–186, § 3(b), Dec. 6, 2003, 117 Stat. 2033, provided that: “Not later than 1 year after the date of enactment of this Act [Dec. 6, 2003], the National Transportation Safety Board and the Federal Bureau of Investigation shall revise their 1977 agreement on the investigation of accidents to take into account the amendments made by this section [amending section 1136 of this title] shall submit a copy of the revised agreement to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate.

Pub. L. 106–424, § 6(b), Nov. 1, 2000, 114 Stat. 1886, provided that: “Not later than 1 year after the date of the enactment of this Act [Nov. 1, 2000], the National Transportation Safety Board and the Federal Bureau of Investigation shall revise their 1977 agreement on the investigation of accidents to take into account the amendments made by this Act [see Short Title of 2000 Amendment note set out under section 1101 of this title].”

MEMORANDUM OF UNDERSTANDING
Pub. L. 106–424, § 6, Nov. 1, 2000, 114 Stat. 1886, provided that: “Not later than 1 year after the date of the enactment of this Act [Nov. 1, 2000], the National Transportation Safety Board and the United States Coast Guard shall revise their Memorandum of Understanding governing major marine accidents—

“(1) to redefine or clarify the standards used to determine when the National Transportation Safety Board will lead an investigation; and
“(2) to develop new standards to determine when a major marine accident involves significant safety issues relating to Coast Guard safety functions.”

§1132. Civil aircraft accident investigations

(a) General authority.—(1) The National Transportation Safety Board shall investigate—

(A) each accident involving civil aircraft; and

(B) with the participation of appropriate military authorities, each accident involving both military and civil aircraft.

(2) A person employed under section 1113(b)(1) of this title that is conducting an investigation or hearing about an aircraft accident has the same authority to conduct the investigation or hearing as the Board.

(b) Notification and reporting.—The Board shall prescribe regulations governing the notification and reporting of accidents involving civil aircraft.

(c) Participation of Secretary.—The Board shall provide for the participation of the Secretary of Transportation in the investigation of an aircraft accident under this chapter when participation is necessary to carry out the duties and powers of the Secretary. However, the Secretary may not participate in establishing probable cause.

(d) Accidents involving only military aircraft.—If an accident involves only military aircraft and a duty of the Secretary is or may be involved, the military authorities shall provide for the participation of the Secretary. In any other accident involving only military aircraft, the military authorities shall give the Board or Secretary information the military authorities decide would contribute to the promotion of air safety.

In subsection (a)(1)(A), the words “and report the facts, conditions, and circumstances related to each accident and the probable cause thereof” in 49 App. 1441(a)(2) are omitted as unnecessary because of section 1131(d) of the revised title.

In subsection (a)(1)(B), the words “provide for” in 49 App. 1442(a) are omitted as surplus.

In subsection (a)(2), the words “any member of the National Transportation Safety Board or any officer or employee of the National Transportation Safety Board” in 49 App. 1441(c) are omitted as unnecessary because of sections 1113 and 1134 of the revised title.

In subsections (c) and (d), the words “Secretary of Transportation” and “Secretary” are substituted for “Administrator” in sections 701(g) and 702(b) and (c) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 782) for consistency. Section 6(c)(1) of the Department of Transportation Act (Public Law 89-670, 80 Stat. 938) transferred all duties and powers of the Federal Aviation Agency and the Administrator to the Secretary of Transportation. However, the Secretary was to carry out certain provisions through the Administrator. In addition, various laws enacted since then have vested duties and powers in the Administrator. All provisions of law the Secretary is required to carry out through the Administrator are included in 49:106(g).

In subsection (c), the words “and his representatives” in 49 App. 1441(g) are omitted because of 49:322(b). The words “when participation is necessary to carry out the duties and powers” are substituted for “in order to assure the proper discharge ... of his duties and responsibilities” to eliminate unnecessary words. The words “or his representatives” are omitted because of 49:322(b).

§1133. Review of other agency action

The National Transportation Safety Board shall review on appeal—

(1) the denial, amendment, modification, suspension, or revocation of a certificate issued by the Secretary of Transportation under section 44703, 44709, or 44710 of this title;

(2) the revocation of a certificate of registration under section 44106 of this title;

(3) a decision of the head of the department in which the Coast Guard is operating on an appeal from the decision of an administrative law judge denying, revoking, or suspending a license, certificate, document, or register in a proceeding under section 6101, 6301, or 7503, chapter 77, or section 9303 of title 46; and

(4) under section 46301(d)(5) of this title, an order imposing a penalty under section 46301.

In clause (1), the word “certificate” is substituted for “operating certificate” for consistency in the revised title. The words “or license” are omitted as unnecessary because only certificates are issued under the sections cited in this section.

In clause (3), the words “head of the department in which the Coast Guard is operating” are substituted for “Commandant of the Coast Guard” for consistency with 14:5 and 46:2101(34).

Clause (4) is added to reflect all the appellate responsibilities of the National Transportation Safety Board.

TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security,
§ 1134. Inspections and autopsies

(a) ENTRY AND INSPECTION.—An officer or employee of the National Transportation Safety Board—

(1) on display of appropriate credentials and written notice of inspection authority, may enter property where a transportation accident has occurred or wreckage from the accident is located and do anything necessary to conduct an investigation; and

(2) during reasonable hours, may inspect any record, process, control, or facility related to an accident investigation under this chapter.

(b) INSPECTION, TESTING, PRESERVATION, AND MOVING OF AIRCRAFT AND PARTS.—(1) In investigating an aircraft accident under this chapter, the Board may inspect and test, to the extent necessary, any civil aircraft, aircraft engine, propeller, appliance, or property on an aircraft involved in an accident in air commerce.

(2) Any civil aircraft, aircraft engine, propeller, appliance, or property on an aircraft involved in an accident in air commerce shall be preserved, and may be moved, only as provided by regulations of the Board.

(c) AVOIDING UNNECESSARY INTERFERENCE AND PRESERVING EVIDENCE.—In carrying out subsection (a)(1) of this section, an officer or employee may examine or test any vehicle, vessel, rolling stock, track, or pipeline component. The examination or test shall be conducted in a way that—

(1) does not interfere unnecessarily with transportation services provided by the owner or operator of the vehicle, vessel, rolling stock, track, or pipeline component; and

(2) to the maximum extent feasible, preserves evidence related to the accident, consistent with the needs of the investigation and with the cooperation of that owner or operator.

(d) EXCLUSIVE AUTHORITY OF BOARD.—Only the Board has the authority to decide on the way in which testing under this section will be conducted, including decisions on the person that will conduct the test, the type of test that will be conducted, and any individual who will witness the test. Those decisions are committed to the discretion of the Board. The Board shall make any of those decisions based on the needs of the investigation being conducted and, when applicable, subsections (a), (c), and (e) of this section.

(e) PROMPTNESS OF TESTING AND AVAILABILITY OF RESULTS.—An inspection, examination, or test under subsection (a) or (c) of this section shall be started and completed promptly, and the results shall be made available.

(f) AUTOPSIES.—(1) The Board may order an autopsy to be performed and have other tests made when necessary to investigate an accident under this chapter. However, local law protecting religious beliefs related to autopsies shall be observed to the extent consistent with the needs of the accident investigation.

(2) With or without reimbursement, the Board may obtain a copy of an autopsy report performed by a State or local official on an individual who died because of a transportation accident investigated by the Board under this chapter.

In subsection (a), before clause (1), the word “officer” is added for consistency in the revised title.

In subsection (b)(1), the words “investigating an aircraft accident” are substituted for “carrying out duties” in 49 App.:1441(c) for clarity. The words “inspect and test” are substituted for “examine and test” for consistency in the revised title and with other titles of the United States Code.

In subsection (c), before clause (1), the words “In carrying out subsection (a)(1) of this section, an officer or employee” are added because of the restatement. The words “or any part of any such item” are omitted as surplus. The words “when such examination or testing is determined to be required for purposes of such investigation” are omitted as unnecessary because of the words “do anything necessary to conduct an investigation” in subsection (a)(1) of this section. In clause (1), the word “obstruct” is omitted as being included in “interfere”.

In subsection (d), the word “individuals” is substituted for “persons” the 2d time that word is used for clarity. The words “The Board shall make any of those decisions” are substituted for “and shall be made” because of the restatement.

In subsection (e), the word “promptly” is substituted for “with reasonable promptness” to eliminate unnecessary words.

In subsection (f)(1), the words “In the case of any fatal accident” in 49 App.:1441(c) are omitted as surplus. The words “to examine the remains of any deceased person aboard the aircraft at the time of the accident, who dies as a result of the accident” are omitted as unnecessary because of the authority of the Board to conduct autopsies.

§ 1135. Secretary of Transportation’s responses to safety recommendations

(a) GENERAL.—When the National Transportation Safety Board submits a recommendation about transportation safety to the Secretary of
Transportation, the Secretary shall give to the Board a formal written response to each recommendation not later than 90 days after receiving the recommendation. The response shall indicate whether the Secretary intends—

(1) to carry out procedures to adopt the complete recommendation;

(2) to carry out procedures to adopt a part of the recommendation; or

(3) to refuse to carry out procedures to adopt the recommendation.

(b) **Timetable for Completing Procedures and Reasons for Refusals.**—A response under subsection (a)(1) or (2) of this section shall include a copy of a proposed timetable for completing the procedures. A response under subsection (a)(2) of this section shall detail the reasons for the refusal to carry out procedures on the remainder of the recommendation. A response under subsection (a)(3) of this section shall detail the reasons for the refusal to carry out procedures.

(c) **Public Availability.**—The Board shall make a copy of each recommendation and response available to the public at reasonable cost.

(d) **Annual Report on Air Carrier Safety Recommendations.**—

(1) **In General.**—The Secretary shall submit to Congress and the Board, on an annual basis, a report on the recommendations made by the Board to the Secretary regarding air carrier operations conducted under part 121 of title 14, Code of Federal Regulations.

(2) **Recommendations to Be Covered.**—The report shall cover—

(A) any recommendation for which the Secretary has developed, or intends to develop, procedures to adopt the recommendation or part of the recommendation, but has yet to complete the procedures; and

(B) any recommendation for which the Secretary, in the preceding year, has issued a response under subsection (a)(2) or (a)(3) refusing to carry out all or part of the procedures to adopt the recommendation.

(3) **Contents.**—

(A) **Plans to Adopt Recommendations.**—For each recommendation of the Board described in paragraph (2)(A), the report shall contain—

(i) a description of the recommendation;

(ii) a description of the procedures planned for adopting the recommendation or part of the recommendation;

(iii) the proposed date for completing the procedures; and

(iv) if the Secretary has not met a deadline contained in a proposed timeline developed in connection with the recommendation under subsection (b), an explanation for not meeting the deadline.

(B) **Refusals to Adopt Recommendations.**—For each recommendation of the Board described in paragraph (2)(B), the report shall contain—

(i) a description of the recommendation; and

(ii) a description of the reasons for the refusal to carry out all or part of the procedures to adopt the recommendation.

(e) **Reporting Requirements.**—

(1) **Annual Secretarial Regulatory Status Reports.**—On February 1 of each year, the Secretary shall submit a report to Congress and the Board containing the regulatory status of each recommendation made by the Board to the Secretary (or to an Administration within the Department of Transportation) that is on the Board’s “most wanted list”. The Secretary shall continue to report on the regulatory status of each such recommendation in the report due on February 1 of subsequent years until final regulatory action is taken on that recommendation or the Secretary (or an Administration within the Department) determines and states in such a report that no action should be taken.

(2) **Failure to Report.**—If on March 1 of each year the Board has not received the Secretary’s report required by this subsection, the Board shall notify the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate of the Secretary’s failure to submit the required report.

(3) **Compliance Report with Recommendations.**—Within 90 days after the date on which the Secretary submits a report under this subsection, the Board shall review the Secretary’s report and transmit comments on the report to the Secretary, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Transportation and Infrastructure of the House of Representatives.

In subsections (a) and (b), the words “carry out” are substituted for “initiate and conduct” for consistency in the revised title and with other titles of the United States Code. In subsection (a)(1), the word “complete” is substituted for “in full” for consistency in the revised title.

**Amendments**

Subsecs. (d), (e). Pub. L. 111-216, § 202(b), as amended by Pub. L. 111-249, § 6(2), added subsec. (d) and redesignated former subsec. (d) as (e).

read as follows: "This subsection shall cease to be in ef-
fect after the report required to be filed on February 1, 
2008, is filed."
text of subsec. (d). Generally, prior to amendment,
text read as follows: "The Secretary shall submit to 
Congress on January 1 of each year a report containing 
each recommendation on transportation safety made 
by the Board to the Secretary during the prior year and 
a copy of the Secretary's response to each recom-
mandation."

Effective Date of 2010 Amendment
vided that the amendments made by section 6 of Pub.
L. 111–249 are effective as of Aug. 1, 2010, and as if in-
cluded in Pub. L. 111–216 as enacted.

REPORTS ON CERTAIN OPEN SAFETY RECOMMENDATIONS

“(a) Initial Report.—Within 1 year after the date of
enactment of this Act [Dec. 6, 2003], the Secretary of 
Transportation shall submit a report to Congress and 
the National Transportation Safety Board containing 
the regulatory status of each open safety recommenda-
tion made by the Board to the Secretary concerning—

"(1) 15-passenger van safety;
"(2) railroad grade crossing safety; and
"(3) medical certifications for a commercial driv-
er's license.

"(b) Biennial Updates.—The Secretary shall con-
continue to report on the regulatory status of each such 
recommendation (and any subsequent recommendation
made by the Board to the Secretary concerning a mat-
ter described in paragraph (1), (2), or (3) of subsection
(a)) at 2-year intervals until—

"(1) final regulatory action has been taken on the 
recommendation;
"(2) the Secretary determines, and states in the re-
port, that no action should be taken on that recom-
mendation; or
"(3) the report, if any, required to be submitted in 
2008 is submitted.

"(c) Failure To Report.—If the Board has not re-
ceived a report required to be submitted under sub-
section (a) or (b) within 30 days after the date on which 
that report is required to be submitted, the Board shall 
notify the Committee on Transportation and Infra-
structure of the House of Representatives and the Com-
mittee on Commerce, Science, and Transportation of 
the Senate."

NTSB SAFETY RECOMMENDATIONS
Stat. 2424, provided that:

"(a) In General.—The Secretary of Transportation, 
the Administrator of Pipeline and Hazardous Materials 
Safety Administration, and the Director of the Office of 
Pipeline Safety shall fully comply with section 1135 of 
title 49, United States Code, to ensure timely responsiv-
erness to National Transportation Safety Board rec-
ommendations about pipeline safety.

"(b) Public Availability.—The Secretary, Adminis-
trator, or Director, respectively, shall make a copy of 
each recommendation on pipeline safety and response, 
as described in subsections (a) and (b) of section 1135, 
title 49, United States Code.

"(c) Reports to Congress.—The Secretary, Adminis-
trator, or Director, respectively, shall submit to Con-
gress by January 1 of each year a report containing 
each recommendation on pipeline safety made by the 
Board during the prior year and a copy of the response 
to each such recommendation."

§ 1136. Assistance to families of passengers in-
volved in aircraft accidents

(a) In General.—As soon as practicable after 
being notified of an aircraft accident within the 
United States involving an air carrier or foreign 
air carrier and resulting in a major loss of life, 
the Chairman of the National Transportation 
Safety Board shall—

(1) designate and publicize the name and 
phone number of a director of family support 
services who shall be an employee of the Board 
and shall be responsible for acting as a point 
of contact within the Federal Government for 
the families of passengers involved in the 
accident and a liaison between the air carrier or 
foreign air carrier and the families; and

(2) designate an independent nonprofit orga-
nization, with experience in disasters and 
posttrauma services with experience in disasters and
posttrauma. shall have primary responsibility for co-
ordinating the emotional care and support of 
the families of passengers involved in the accident.

(b) Responsibilities of the Board.—The 
Board shall have primary Federal responsibility 
for facilitating the recovery and identification of 
fatal injuries to passengers involved in an acci-
dent described in subsection (a).

(c) Responsibilities of Designated Organiza-
tion.—The organization designated for an acci-
dent under subsection (a)(2) shall have the fol-
lowing responsibilities with respect to the fami-
lies of passengers involved in the accident:

(1) To provide mental health and counseling 
services, in coordination with the disaster re-
sponse team of the air carrier or foreign air 
carrier involved.

(2) To take such actions as may be necessary 
to provide an environment in which the fami-
lies may grieve in private.

(3) To meet with the families who have trav-
eled to the location of the accident, to contact 
the families unable to travel to such location, 
and to contact all affected families periodi-
cally thereafter until such time as the organi-
ization, in consultation with the director of 
family support services designated for the acci-
dent under subsection (a)(2), determines that 
further assistance is no longer needed.

(4) To communicate with the families as to 
the roles of the organization, government 
agencies, and the air carrier or foreign air 
carrier involved with respect to the accident and 
the post-accident activities.

(5) To arrange a suitable memorial service, 
in consultation with the families.

(d) Passenger Lists.—

(1) Requests for Passenger Lists.—

(A) Requests by Director of Family Sup-
port Services.—It shall be the responsi-
bility of the director of family support services 
designated for an accident under subsection 
(a)(1) to request, as soon as practicable, from 
the air carrier or foreign air carrier involved in 
the accident a list, which is based on the 
best available information at the time of the 
request, of the names of the passengers that 
were aboard the aircraft involved in the acci-
dent.

(B) Requests by Designated Organiza-
tion.—The organization designated for an 
accident under subsection (a)(2) may request 
from the air carrier or foreign air carrier in-
volved in the accident a list described in 
subparagraph (A).
(2) Use of Information.—The director of family support services and the organization may not release to any person information on a list obtained under paragraph (1) but may provide information on the list about a passenger to the family of the passenger to the extent that the director of family support services or the organization considers appropriate.

(e) Continuing Responsibilities of the Board.—In the course of its investigation of an accident described in subsection (a), the Board shall, to the maximum extent practicable, ensure that the families of passengers involved in the accident—

(1) are briefed, prior to any public briefing, about the accident, its causes, and any other findings from the investigation; and

(2) are individually informed of and allowed to attend any public hearings and meetings of the Board about the accident.

(f) Use of Air Carrier Resources.—To the extent practicable, the organization designated for an accident under subsection (a)(2) shall coordinate its activities with the air carrier or foreign air carrier involved in the accident so that the resources of the carrier can be used to the greatest extent possible to carry out the organization’s responsibilities under this section.

(g) Prohibited Actions.—

(1) Actions to Impede the Board.—No person (including a State or political subdivision) may impede the ability of the Board (including the director of family support services designated for an accident under subsection (a)(1)), or an organization designated for an accident under subsection (a)(2), to carry out its responsibilities under this section or the ability of the families of passengers involved in the accident to have contact with one another.

(2) Unsolicited Communications.—In the event of an accident involving an air carrier providing interstate or foreign air transportation and in the event of an accident involving a foreign air carrier that occurs within the United States, no unsolicited communication concerning a potential action for personal injury or wrongful death may be made by an attorney (including any associate, agent, employee, or other representative of an attorney) or any potential party to the litigation to an individual injured in the accident, or to a relative of an individual involved in the accident, before the 45th day following the date of the accident.

(3) Prohibition on Actions to Prevent Mental Health and Counseling Services.—No State or political subdivision thereof may prevent the employees, agents, or volunteers of an organization designated for an accident under subsection (a)(2) from providing mental health and counseling services under subsection (c)(1) in the 30-day period beginning on the date of the accident. The director of family support services designated for the accident under subsection (a)(1) may extend such period for not to exceed an additional 30 days if the director determines that the extension is necessary to meet the needs of the families and if State and local authorities are notified of the determination.

(h) Definitions.—In this section, the following definitions apply:

(1) Aircraft Accident.—The term “aircraft accident” means any aviation disaster regardless of its cause or suspected cause.

(2) Passenger.—The term “passenger” includes—

(A) an employee of an air carrier or foreign air carrier aboard an aircraft; and

(B) any other person aboard the aircraft without regard to whether the person paid for the transportation, occupied a seat, or held a reservation for the flight.

(i) Statutory Construction.—Nothing in this section may be construed as limiting the actions that an air carrier may take, or the obligations that an air carrier may have, in providing assistance to the families of passengers involved in an aircraft accident.

(j) Relinquishment of Investigative Priority.—

(1) General Rule.—This section (other than subsection (g)) shall not apply to an aircraft accident if the Board has relinquished investigative priority under section 1131(a)(2)(B) and the Federal agency to which the Board relinquished investigative priority is willing and able to provide assistance to the victims and families of the passengers involved in the accident.

(2) Board Assistance.—If this section does not apply to an aircraft accident because the Board has relinquished investigative priority with respect to the accident, the Board shall assist, to the maximum extent possible, the agency to which the Board has relinquished investigative priority in assisting families with respect to the accident.

Amendments

2000—Subsec. (g)(2). Pub. L. 106–181, § 401(a)(1), substituted “transportation and in the event of an accident involving a foreign air carrier that occurs within the United States,” for “transportation,” inserted “(including any associate, agent, employee, or other representative of an attorney)” after “attorney”, and substituted “45th day” for “30th day”.

Subsec. (g)(3). Pub. L. 106–181, § 401(b), added par. (3).

Subsec. (h)(2). Pub. L. 106–181, § 401(c), amended heading and text generally. Prior to amendment, text read as follows: “The term ‘passenger’ includes an employee of an air carrier aboard an aircraft.”

Effective Date of 2000 Amendment

Effective Date

Except as otherwise specifically provided, section applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.
§ 1137. Authority of the Inspector General

(a) In General.—The Inspector General of the Department of Transportation, in accordance with the mission of the Inspector General to prevent and detect fraud and abuse, shall have authority to review only the financial management, property management, and business operations of the National Transportation Safety Board, including internal accounting and administrative control systems, to determine compliance with applicable Federal laws, rules, and regulations.

(b) Duties.—In carrying out this section, the Inspector General shall—

(1) keep the Chairman of the Board and Congress fully and currently informed about problems relating to administration of the internal accounting and administrative control systems of the Board;

(2) issue findings and recommendations for actions to address such problems; and

(3) report periodically to Congress on any progress made in implementing actions to address such problems.

(c) Access to Information.—In carrying out this section, the Inspector General may exercise authorities granted to the Inspector General under subsections (a) and (b) of section 6 of the Inspector General Act of 1978 (5 U.S.C. App.).

(d) Authorization of Appropriations.—

(1) Funding.—There are authorized to be appropriated to the Secretary of Transportation for use by the Inspector General of the Department of Transportation such sums as may be necessary to cover expenses associated with activities pursuant to the authority exercised under this section.

(2) Reimbursable Agreement.—In the absence of an appropriation under this subsection for an expense referred to in paragraph (1), the Inspector General and the Board shall have a reimbursable agreement to cover such expense.

§ 1138. Evaluation and audit of National Transportation Safety Board

(a) In General.—To promote economy, efficiency, and effectiveness in the administration of the programs, operations, and activities of the National Transportation Safety Board, the Comptroller General of the United States shall evaluate and audit the programs and expenditures of the National Transportation Safety Board. Such evaluation and audit shall be conducted at least annually, but may be conducted as determined necessary by the Comptroller General or the appropriate congressional committees.

(b) Responsibility of Comptroller General.—The Comptroller General shall evaluate and audit Board programs, operations, and activities, including—

(1) information management and security, including privacy protection of personally identifiable information;

(2) resource management;

(3) workforce development;

(4) procurement and contracting planning, practices and policies;

(5) the extent to which the Board follows leading practices in selected management areas; and

(6) the extent to which the Board addresses management challenges in completing accident investigations.

(c) Appropriate Congressional Committees.—For purposes of this section the term “appropriate congressional committees” means the Committee on Commerce, Science and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(C) the rail passenger carrier involved.

(c) RESPONSIBILITIES OF DESIGNATED ORGANIZATION.—The organization designated for an accident under subsection (a)(2) shall have the following responsibilities with respect to the families of passengers involved in the accident:

(1) To provide mental health and counseling services, in coordination with the disaster response team of the rail passenger carrier involved.

(2) To take such actions as may be necessary to provide an environment in which the families may grieve in private.

(3) To meet with the families who have traveled to the location of the accident, to contact the families unable to travel to such location, and to contact all affected families periodically thereafter until such time as the organization, in consultation with the director of family support services designated for the accident under subsection (a)(1), determines that further assistance is no longer needed.

(4) To arrange a suitable memorial service, in consultation with the families.

(d) PASSENGER LISTS.—

(1) REQUESTS FOR PASSENGER LISTS.—

(A) REQUESTS BY DIRECTOR OF FAMILY SUPPORT SERVICES.—It shall be the responsibility of the director of family support services designated for an accident under subsection (a)(1) to request, as soon as practicable, from the rail passenger carrier involved in the accident a list, which is based on the best available information at the time of the request, of the names of the passengers that were aboard the rail passenger carrier’s train involved in the accident. A rail passenger carrier shall use reasonable efforts, with respect to its unreserved trains, and passengers not holding reservations on its other trains, to ascertain the names of passengers aboard a train involved in an accident.

(B) REQUESTS BY DESIGNATED ORGANIZATION.—The organization designated for an accident under subsection (a)(2) may request from the rail passenger carrier involved in the accident a list described in subparagraph (A).

(2) USE OF INFORMATION.—Except as provided in subsection (k), the director of family support services and the organization may not release to any person information on a list obtained under paragraph (1) but may provide information on the list about a passenger to the family of the passenger to the extent that the director of family support services or the organization considers appropriate.

(e) CONTINUING RESPONSIBILITIES OF THE BOARD.—In the course of its investigation of an accident described in subsection (a), the Board shall, to the maximum extent practicable, ensure that the families of passengers involved in the accident—

(1) are briefed, prior to any public briefing, about the accident and any other findings from the investigation; and

(2) are individually informed of and allowed to attend any public hearings and meetings of the Board about the accident.

(f) USE OF RAIL PASSENGER CARRIER RESOURCES.—To the extent practicable, the organization designated for an accident under subsection (a)(2) shall coordinate its activities with the rail passenger carrier involved in the accident to facilitate the reasonable use of the resources of the carrier.

(g) PROHIBITED ACTIONS.—

(1) ACTIONS TO IMPEDIE THE BOARD.—No person (including a State or political subdivision thereof) may impede the ability of the Board (including the director of family support services designated for an accident under subsection (a)(1)), or an organization designated for an accident under subsection (a)(2), to carry out its responsibilities under this section or the ability of the families of passengers involved in the accident to have contact with one another.

(2) UNSOLICITED COMMUNICATIONS.—No unsolicited communication concerning a potential action or settlement offer for personal injury or wrongful death may be made by an attorney (including any associate, agent, employee, or other representative of an attorney) or any potential party to the litigation, including the railroad carrier or rail passenger carrier, to an individual (other than an employee of the rail passenger carrier) injured in the accident, or to a relative of an individual involved in the accident, before the 45th day following the date of the accident.

(3) PROHIBITION ON ACTIONS TO PREVENT MENTAL HEALTH AND COUNSELING SERVICES.—No State or political subdivision thereof may prevent the employees, agents, or volunteers of an organization designated for an accident under subsection (a)(2) from providing mental health and counseling services under subsection (c)(1) in the 30-day period beginning on the date of the accident. The director of family support services designated for the accident under subsection (a)(1) may extend such period for not to exceed an additional 30 days if the director determines that the extension is necessary to meet the needs of the families and if State and local authorities are notified of the determination.

(h) DEFINITIONS.—In this section:

(1) RAIL PASSENGER ACCIDENT.—The term “rail passenger accident” means any rail passenger disaster resulting in a major loss of life occurring in the provision of—

(A) interstate intercity rail passenger transportation (as such term is defined in section 24102); or

(B) interstate or intrastate high-speed rail transportation (as such term is defined in section 26055), regardless of its cause or suspected cause.

(2) RAIL PASSENGER CARRIER.—The term “rail passenger carrier” means a rail carrier providing—

(A) interstate intercity rail passenger transportation (as such term is defined in section 24102); or

(B) interstate or intrastate high-speed rail transportation (as such term is defined in section 26055), except that such term does not include a tourist, historic, scenic, or excursion rail carrier.
(3) PASSENGER.—The term "passenger" includes—
(A) an employee of a rail passenger carrier aboard a train;
(B) any other person aboard the train without regard to whether the person paid for the transportation, occupied a seat, or held a reservation for the rail transportation; and
(C) any other person injured or killed in a rail passenger accident, as determined appropriate by the Board.

(i) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this section may be construed as limiting the actions that a rail passenger carrier may take, or the obligations that a rail passenger carrier may have, in providing assistance to the families of passengers involved in a rail passenger accident.

(j) RELINQUISHMENT OF INVESTIGATIVE PRIORITY.—

(1) GENERAL RULE.—This section (other than subsection (g)) shall not apply to a railroad passenger accident if the Board has relinquished investigative priority under section 1131(a)(2)(B) and the Federal agency to which the Board relinquished investigative priority is willing and able to provide assistance to the victims and families of the passengers involved in the accident.

(2) BOARD ASSISTANCE.—If this section does not apply to a railroad passenger accident because the Board has relinquished investigative priority with respect to the accident, the Board shall assist, to the maximum extent possible, the agency to which the Board has relinquished investigative priority in assisting families with respect to the accident.

(k) SAVINGS CLAUSE.—Nothing in this section shall be construed to abridge the authority of the Board or the Secretary of Transportation to investigate the causes or circumstances of any rail accident, including development of information regarding the nature of injuries sustained and the manner in which they were sustained for the purposes of determining compliance with existing laws and regulations or for identifying means of preventing similar injuries in the future, or both.

Establishment of Task Force

"(a) ESTABLISHMENT.—The Secretary of Transportation, in cooperation with the National Transportation Safety Board, organizations potentially designated under section 1139(h)(2) of title 49, United States Code, rail passenger carriers (as defined in section 1139(h)(2) of title 49, United States Code), and families which have been involved in rail accidents, shall establish a task force consisting of representatives of such entities and families, representatives of rail passenger carrier employees, and representatives of such other entities as the Secretary considers appropriate.

(b) MODEL PLAN AND RECOMMENDATIONS.—The task force established pursuant to subsection (a) shall develop—

(1) a model plan to assist rail passenger carriers in responding to passenger rail accidents;

(2) recommendations on methods to improve the timeliness of the notification provided by passenger rail carriers to the families of passengers involved in a passenger rail accident;

(3) recommendations on methods to ensure that the families of passengers involved in a passenger rail accident who are not citizens of the United States receive appropriate assistance; and

(4) recommendations on methods to ensure that emergency services personnel have as immediate and accurate a count of the number of passengers onboard the train as possible.

(c) REPORT.—Not later than 1 year after the date of the enactment of this Act (Oct. 16, 2008), the Secretary shall transmit a report to the House of Representatives Committee on Transportation and Infrastructure and the Senate Committee on Commerce, Science, and Transportation containing the model plan and recommendations developed by the task force under subsection (b)."

§1151. Aviation enforcement

§1151. Aviation enforcement

(a) CIVIL ACTIONS BY BOARD.—The National Transportation Safety Board may bring a civil action in a district court of the United States against a person to enforce section 1132, 1134(b) or (f)(1) (related to an aircraft accident), 1136(g)(2), or 1155(a) of this title or a regulation prescribed or order issued under any of those sections. An action under this subsection may be brought in the judicial district in which the person does business or the violation occurred.

(b) CIVIL ACTIONS BY ATTORNEY GENERAL.—On request of the Board, the Attorney General may bring a civil action in an appropriate court—

(1) to enforce section 1132, 1134(b) or (f)(1) (related to an aircraft accident), 1136(g)(2), or 1155(a) of this title or a regulation prescribed or order issued under any of those sections; and

(2) to prosecute a person violating those sections or a regulation prescribed or order issued under any of those sections.

(c) PARTICIPATION OF BOARD.—On request of the Attorney General, the Board may participate in a civil action to enforce section 1132, 1134(b) or (f)(1) (related to an aircraft accident), 1136(g)(2), or 1155(a) of this title.

HISTORICAL AND REVISION NOTES

1151(a) .......... 49 App.:1487(a) (related to CAB).
1151(b) .......... 49 App.:1487(b) (related to CAB).
1151(c) .......... 49 App.:1487(c) (related to CAB).

In this section, the words "section 1132, 1134(b) or (f)(1) (related to an aircraft accident), or 1155(a) of this
title” are substituted for “issued under this chapter” and “provisions of this chapter” because those sections restate the relevant provisions of 49 App.ch. 20 carried out by the National Transportation Safety Board.

In subsections (a) and (b), the word “rule” is omitted as being synonymous with “regulation”. The word “requirement” is omitted as being included in “order”. The words “or any term, condition, or limitation of any certificate or permit” are omitted because the National Transportation Safety Board does not have authority to issue certificates or permits.

In subsection (a), the words “their duly authorized agents” are omitted as surplus. The words “may bring a civil action” are substituted for “may apply” in 49 App.:1487(a) for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “An action under this subsection may be brought in the judicial district in which” are substituted for “for any district wherein” for clarity. The text of 49 App.:1487(a) (words after semicolon) is omitted as surplus because of rule 81(b) of the Federal Rules of Civil Procedure (28 App. U.S.C.).

In subsection (b), before clause (1), the words “Attorney General” are substituted for “any district attorney of the United States” in 49 App.:1487(b) because of 28:509. The words “to whom the Board or Secretary of Transportation may apply” are omitted as surplus. The words “may bring a civil action” are substituted for “is authorized to institute . . . all necessary proceedings” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “under the direction of the Attorney General” are omitted as unnecessary because of 28:516. The text of 49 App.:1487(b) (words after last comma) is omitted as obsolete.

In subsection (c), the words “civil action” are substituted for “proceeding in court” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.).

AMENDMENTS

2000—Pub. L. 106–181 inserted “1136(g)(2),” before “or 1155(a)” in subs. (a), (b)(1), and (c).

EFFECTIVE DATE OF 2000 AMENDMENT

§ 1152. Joinder and intervention in aviation proceedings

A person interested in or affected by a matter under consideration in a proceeding or a civil action to enforce section 1132, 1134(b) or (f)(1) (related to an aircraft accident), or 1155(a) of this title, or a regulation prescribed or order issued under any of those sections, may be joined as a party or permitted to intervene in the proceeding or civil action.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

The words “civil action” are substituted for “proceedings . . . begun originally in any court of the United States” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “section 1132, 1134(b) or (f)(1) (related to an aircraft accident), or 1155(a) of this title” are substituted for “the provisions of this chapter” in 49 App.:1489 because 49 App.:1489 is taken from 49 App.ch. 20 and the sections in quotations restate the relevant provisions of 49 App.ch. 20 carried out by the National Transportation Safety Board. The remaining relevant provisions of 49 App.ch. 20 are restated in part A of subtitle VII of the revised title, and provisions comparable to this section are included as section 96109 of the revised title.

The word “rule” is omitted as being synonymous with “regulation”. The word “requirement” is omitted as included in “order”. The words “or any term, condition, or limitation of any certificate or permit” are omitted because the Board does not have authority to issue certificates or permits. The words “may be joined as a party or permitted to intervene” are substituted for “it shall be lawful to include as parties, or to permit the intervention of” for clarity. The text of 49 App.:1489 (words after semicolon) is omitted as surplus.

§ 1153. Judicial review

(a) GENERAL.—The appropriate court of appeals of the United States or the United States Court of Appeals for the District of Columbia Circuit may review a final order of the National Transportation Safety Board under this chapter. A person disclosing a substantial interest in the order may apply for review by filing a petition not later than 60 days after the order of the Board is issued.

(b) PERSONS SEEKING JUDICIAL REVIEW OF AVIATION MATTERS.—(1) A person disclosing a substantial interest in an order related to an aviation matter issued by the Board under this chapter may apply for review of the order by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 60 days after the order is issued. The court may allow the petition to be filed after the 60 days only if there was a reasonable ground for not filing within that 60-day period.

(2) When a petition is filed under paragraph (1) of this subsection, the clerk of the court immediately shall send a copy of the petition to the Board. The Board shall file with the court a record of the proceeding in which the order was issued.

(3) When the petition is sent to the Board, the court has exclusive jurisdiction to affirm, amend, modify, or set aside any part of the order and may order the Board to conduct further proceedings. After reasonable notice to the Board, the court may grant interim relief by staying the order or taking other appropriate action when cause for its action exists. Findings of fact by the Board, if supported by substantial evidence, are conclusive.

(4) In reviewing an order under this subsection, the court may consider an objection to an order of the Board only if the objection was made in the proceeding conducted by the Board or if there was a reasonable ground for not making the objection in the proceeding.

(5) A decision by a court under this subsection may be reviewed only by the Supreme Court under section 1254 of title 28.

(c) ADMINISTRATOR SEEKING JUDICIAL REVIEW OF AVIATION MATTERS.—When the Administrator of the Federal Aviation Administration decides that an order of the Board under section 44709 or
46301(d)(5) of this title will have a significant adverse impact on carrying out this chapter related to an aviation matter, the Administrator may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

(d) COMMANDANT SEEKING JUDICIAL REVIEW OF MARITIME MATTERS.—If the Commandant of the Coast Guard decides that an order of the Board issued pursuant to a review of a Coast Guard action under section 1133 of this title will have an adverse impact on maritime safety or security, the Commandant may obtain judicial review of the order under subsection (a). The Commandant, in the official capacity of the Commandant, shall be a party to the judicial review proceedings.

In subsection (a), the text of 49 App.:1903(d) (last sentence) is omitted as unnecessary because 5ch. 7 applies by its own terms. The words “final order” are substituted for “order, affirmative or negative” in 49 App.:1903(d) and “Decisions of the National Transportation Safety Board made pursuant to the exercise of the functions, powers, and duties enumerated in this subsection shall be administratively final” in 49 App.:1655(d) to eliminate unnecessary words. The words “is issued” are substituted for “after the entry” for consistency in the revised title and with other titles of the United States Code. The text of 49 App.:1655(d) (last sentence words after last comma) is omitted as unnecessary because of 49 App.:1903(d).

In subsection (b)(1), the words “affirmative or negative” are omitted as surplus. The words “related to an aviation matter” are added because the source provisions being restated only apply to aviation matters. The words “is issued” are substituted for “the entry of” for consistency in the revised title and with other titles of the Code.

In subsection (b)(2), the words “if any” are omitted as surplus. The words “of the proceeding” are added for clarity. The words “complained of” and “as provided in section 2112 of title 28” are added as surplus. The words “taking other appropriate action” are substituted for “by such mandatory or other relief as may be appropriate” for clarity and to eliminate unnecessary words.

In subsection (b)(4), the words “made in the proceeding conducted by” are substituted for “urged before” for clarity.

In subsection (c), the source provisions are combined to eliminate unnecessary words and are restated in this chapter to alert the reader to the authority of the Administrator of the Federal Aviation Administration to seek judicial review of an order of the National Transportation Safety Board under section 47709 or 48301(d) of the revised title that the Administrator decides will have a significant adverse impact on carrying out source provisions restated in this chapter that are derived from title VII of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 781).

AMENDMENTS

§ 1154. Discovery and use of cockpit and surface vehicle recordings and transcripts

(a) TRANSCRIPTS AND RECORDINGS.—(1) Except as provided by this subsection, a party in a judicial proceeding may not use discovery to obtain—

(A) any part of a cockpit or surface vehicle recorder transcript that the National Transportation Safety Board has not made available to the public under section 1114(c) or 1114(d) of this title; and

(B) a cockpit or surface vehicle recorder recording.

(2)(A) Except as provided in paragraph (4)(A) of this subsection, a court may allow discovery by a party of a cockpit or surface vehicle recorder transcript if, after an in camera review of the transcript, the court decides that—

(i) the part of the transcript made available to the public under section 1114(c) or 1114(d) of this title does not provide the party with sufficient information for the party to receive a fair trial; and

(ii) discovery of additional parts of the transcript is necessary to provide the party with sufficient information for the party to receive a fair trial.

(B) A court may allow discovery, or require production for an in camera review, of a cockpit or surface vehicle recorder transcript that the Board has not made available under section 1114(c) or 1114(d) of this title only if the cockpit
or surface vehicle recorder recording is not available.

(3) Except as provided in paragraph (4)(A) of this subsection, a court may allow discovery by a party of a cockpit or surface vehicle recorder recording if, after an in camera review of the recording, the court decides that—

(A) the parts of the transcript made available to the public under section 1114(c) or 1114(d) of this title and to the party through discovery under paragraph (2) of this subsection do not provide the party with sufficient information for the party to receive a fair trial; and

(B) discovery of the cockpit or surface vehicle recorder recording is necessary to provide the party with sufficient information for the party to receive a fair trial.

(4)(A) When a court allows discovery in a judicial proceeding of a part of a cockpit or surface vehicle recorder transcript not made available to the public under section 1114(c) or 1114(d) of this title or a cockpit or surface vehicle recorder recording, the court shall issue a protective order—

(i) to limit the use of the part of the transcript or the recording to the judicial proceeding; and

(ii) to prohibit dissemination of the part of the transcript or the recording to any person that does not need access to the part of the transcript or the recording for the proceeding.

(B) A court may allow a part of a cockpit or surface vehicle recorder transcript not made available to the public under section 1114(c) or 1114(d) of this title or a cockpit or surface vehicle recorder recording to be admitted into evidence in a judicial proceeding, only if the court places the part of the transcript or the recording under seal to prevent the use of the part of the transcript or the recording for purposes other than for the proceeding.

(5) This subsection does not prevent the Board from referring at any time to cockpit or surface vehicle recorder information in making safety recommendations.

(6) In this subsection:

(A) RECORDER.—The term “recorder” means a voice or video recorder.

(B) TRANSCRIPT.—The term “transcript” includes any written depiction of visual information obtained from a video recorder.

(b) REPORTS.—No part of a report of the Board, related to an accident or an investigation of an accident, may be admitted into evidence or used in a civil action for damages resulting from a matter mentioned in the report.

#### In this subsection:

(A) RECORDER.—The term “transcript” is substituted for “transcriptions” for clarity.

In subsection (a), the word “transcript” is substituted for “transcriptions” for clarity.

In subsection (a)(1)(A), the words “that the National Transportation Safety Board has not made available to the public” are substituted for “other than such portions made available to the public by the Board” for clarity.

In subsection (a)(2)(B), the words “prepared by or under the direction of the Board” are omitted as unnecessary and for consistency with the source provisions restated in this subsection.

In subsection (b), the words “civil action” are substituted for “suit or action” in 49 App.:1441(e) and 1903(c) for consistency with the Federal Rules of Civil Procedure (28 App. U.S.C.).

### Amendments

Pub. L. 106–424, §5(c)(1)(C), substituted “section 1114(c) or 1114(d)” for “section 1114(c)” wherever appearing.

Subsec. (a)(6). Pub. L. 106–424, §5(c)(1)(D), which directed the amendment of this section by adding par. (6) at the end, was executed by adding par. (6) at the end of subsec. (a) to reflect the probable intent of Congress.

### §1155. Aviation penalties

(a) CIVIL PENALTY.—(1) A person violating section 1132, section 1134(b), section 1134(f)(1), or section 1136(g) (related to an aircraft accident) of this title or a regulation prescribed or order issued under any of those sections is liable to the United States Government for a civil penalty of not more than $1,000. A separate violation occurs for each day a violation continues.

(2) This subsection does not apply to a member of the armed forces of the United States or an employee of the Department of Defense subject to the Uniform Code of Military Justice when the member or employee is performing official duties. The appropriate military authorities are responsible for taking necessary disciplinary action and submitting to the National Transportation Safety Board a timely report on action taken.

(3) The Board may compromise the amount of a civil penalty imposed under this subsection.

(4) The Government may deduct the amount of a civil penalty imposed or compromised under this subsection from amounts it owes the person liable for the penalty.

(5) A civil penalty under this subsection may be collected by bringing a civil action against the person liable for the penalty. The action shall conform as nearly as practicable to a civil action in admiralty.

(b) CRIMINAL PENALTY.—A person that knowingly and without authority removes, conceals, or withholds a part of a civil aircraft involved in
§ 1155

In subsection (a)(1), the words ‘‘section 1132 or 1134(b) or (f)(1)’’ (related to an aircraft accident of this title) are substituted for ‘‘any provision of subchapter VII . . . of this chapter’’ in 49 App.:1471(a)(1) because those sections restate the relevant source provisions of 49 App.:ch. 20 carried out by the Board. The words ‘‘regulation prescribed or order issued under either of those sections’’ are substituted for ‘‘rule, regulation, or order issued thereunder’’ for clarity and consistency in the revised title and with other titles of the United States Code and because ‘‘rule’’ and ‘‘regulation’’ are synonymous. The words ‘‘liable to the United States Government’’ are substituted for ‘‘subject to’’ for clarity. The words ‘‘for each such violation’’ are omitted as unnecessary because of 18:1.

In subsection (a)(2), the word ‘‘civilian’’ is omitted as unnecessary. The words ‘‘with respect thereto’’ are omitted as surplus.
§ 5101. Purpose

The purpose of this chapter is to protect against the risks to life, property, and the environment that are inherent in the transportation of hazardous material in intrastate, interstate, and foreign commerce.

(Historic and Revision Notes)

The words "It is declared to be the policy of Congress", "the Nation", and "which are" are omitted as surplus.

AMENDMENTS

2005—Pub. L. 109–59 substituted "The purpose of this chapter is to protect against the risks to life, property, and the environment that are inherent in the transportation of hazardous material in intrastate, interstate, and foreign commerce" for "The purpose of this chapter is to provide adequate protection against the risks to life and property inherent in the transportation of hazardous material in commerce by improving the regulatory and enforcement authority of the Secretary of Transportation".

SHORT TITLE OF 2005 AMENDMENT

SHORT TITLE OF 1998 AMENDMENT

Pub. L. 105–178, title III, §3001, June 9, 1998, 112 Stat. 338, provided that: "This title [amending sections 5302 to 5305, 5307 to 5313, 5317 to 5320, 5323, 5325 to 5328, and 5333 to 5338 of this title and enacting provisions set out as notes under sections 301, 5301, 5307 to 5310, 5313, 5316, and 5338 of this title and sections 138 and 322 of Title 23, Highways] may be cited as the "Federal Transit Act of 1998.""

SHORT TITLE OF 1996 AMENDMENT

Pub. L. 104–291, title II, §201, Oct. 11, 1996, 110 Stat. 3433, provided that: "This title [enacting section 5908 of this title and amending sections 5901 to 5903 and 5905 to 5907 of this title] may be cited as the "Intermodal Safe Container Transportation Amendments Act of 1996.""
or subcontract made with funds provided pursuant to this title, pursuant to the debarment, suspension, and ineligibility procedures described in sections 9.400 through 9.409 of title 48, Code of Federal Regulations.

"(d) RECIPROCITY.—

"(1) Except as provided in paragraph (2), no contract or subcontract may be made with funds authorized under this title to a company organized under the laws of a foreign country unless the Secretary of Transportation finds that such country affords comparable opportunities to companies organized under laws of the United States.

"(2)(A) The Secretary of Transportation may waive the provisions of paragraph (1) if the products or services required are not reasonably available from companies organized under the laws of the United States. Any such waiver shall be reported to Congress. 

"(B) Paragraph (1) shall not apply to the extent that to do so would violate the General Agreement on Tariffs and Trade or any other international agreement to which the United States is a party.”

§ 5102. Definitions

In this chapter—

(1) “commerce” means trade or transportation in the jurisdiction of the United States—

(A) between a place in a State and a place outside of the State;

(B) that affects trade or transportation between a place in a State and a place outside of the State; or

(C) on a United States-registered aircraft.

(2) “hazardous material” means a substance or material the Secretary designates under section 5103(a) of this title.

(3) “hazmat employee”—

(A) means an individual—

(i) who—

(I) is employed on a full time, part time, or temporary basis by a hazmat employer; or

(II) is self-employed (including an owner-operator of a motor vehicle, vessel, or aircraft) transporting hazardous material in commerce; and

(ii) who during the course of such full time, part time, or temporary employment, or such self employment, directly affects hazardous material transportation safety as the Secretary decides by regulation; and

(B) includes an individual, employed on a full time, part time, or temporary basis by a hazmat employer, or self employed, who during the course of employment—

(i) loads, unloads, or handles hazardous material;

(ii) designs, manufactures, fabricates, inspects, marks, maintains, reconditions, repairs, or tests a package, container, or packaging component that is represented, marked, certified, or sold as qualified for use in transporting hazardous material in commerce; or

(iii) designs, manufactures, fabricates, inspects, marks, maintains, reconditions, repairs, or tests a package, container, or packaging component that is represented, marked, certified, or sold as qualified for use in transporting hazardous material in commerce; and

(4) “hazmat employer”—

(A) means a person—

(i) who—

(I) employs or uses at least 1 hazmat employee on a full time, part time, or temporary basis; or

(ii) who—

(I) transports hazardous material in commerce;

(II) causes hazardous material to be transported in commerce; or

(III) designs, manufactures, fabricates, inspects, marks, maintains, reconditions, repairs, or tests a package, container, or packaging component that is represented, marked, certified, or sold as qualified for use in transporting hazardous material in commerce; and

(ii) who—

(I) transports hazardous material in commerce;

(II) causes hazardous material to be transported in commerce; or

(III) designs, manufactures, fabricates, inspects, marks, maintains, reconditions, repairs, or tests a package, container, or packaging component that is represented, marked, certified, or sold as qualified for use in transporting hazardous material in commerce; and

(B) includes a department, agency, or instrumentality of the United States Government, or an authority of a State, political subdivision of a State, or Indian tribe, carrying out an activity described in clause (ii).

(5) “imminent hazard” means the existence of a condition relating to hazardous material that presents a substantial likelihood that death, serious illness, severe personal injury, or a substantial endangerment to health, property, or the environment may occur before the reasonably foreseeable completion date of a formal proceeding begun to lessen the risk of that death, illness, injury, or endangerment.

(6) “Indian tribe” has the same meaning given that term in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b).

(7) “motor carrier”—

(A) means a motor carrier, motor private carrier, and freight forwarder as those terms are defined in section 13002; but

(B) does not include a freight forwarder, as so defined, if the freight forwarder is not performing a function relating to highway transportation.

(9) “person”, in addition to its meaning under section 1 of title 1—

(A) includes a government, Indian tribe, or authority of a government or tribe that—

(i) offers hazardous material for transportation in commerce;

(ii) transports hazardous material to further a commercial enterprise; or

(iii) designs, manufactures, fabricates, inspects, marks, maintains, reconditions, repairs, or tests a package, container, or packaging component that is represented, marked, certified, or sold as qualified for use in transporting hazardous material in commerce; but

(B) does not include—
The words “traffic, commerce” are omitted as surplus. In subclause (B), the words “between a place in a State and a place outside of the State” are substituted for “described in clause (A)” for clarity.

In clauses (3)(C) and (10)(B), the words “at a minimum” are omitted as surplus.

In clause (5), the words “administrative hearing or other” are omitted as surplus.

In clause (9), before subclause (A), the words “including any trustee, receiver, assignee, or similar representative thereof” are omitted as surplus.

In clause (12), the words “by any mode” are omitted as surplus.

AMENDMENTS

Pub. L. 109–59, §7126, substituted “Secretary” for “Secretary of Transportation”.

Pub. L. 109–59, §7102(2), as amended by Pub. L. 110–244, §302(a)(1), (2), added cl. (1) and struck out former cl. (1) which read as follows: “employed by a hazmat employer;”.

Pub. L. 109–59, §7102(2)(B), as amended by Pub. L. 110–244, §302(a)(1), (3), substituted “course of full time, part time, or temporary employment, or such self employment,” for “course of employment” and inserted “and” at end.

Pub. L. 110–244, §302(a)(1), added cl. (ii) which read as follows: “includes an owner-operator of a motor vehicle transporting hazardous material in commerce;”.

Pub. L. 110–244, §302(a)(1), redesignated subpar. (C) as (B) and struck out former subpar. (B) which read as follows: “includes an operator of a motor vehicle transporting hazardous material in commerce;”.

Pub. L. 110–244, §302(a)(1), redesignated subpar. (C) as (B).

Pub. L. 110–244, §302(c), as amended by Pub. L. 110–244, §302(a)(1), redesignated subpar. (C) as (B).

Prior to amendment, par. (4) consisted of subpars. (A) to (C), which included within definition of “hazmat employer” a person using at least one employee in connection with transporting or containers for transporting hazardous material, an owner-operator of a motor vehicle transporting hazardous material in commerce, and a department, agency, or instrumentality of the United States Government, or an authority of a State, political subdivision of a State, or Indian tribe, carrying out certain described activities.

Pub. L. 110–244, §302(c), as amended by Pub. L. 110–244, §302(a)(1), redesignated subpar. (C) as (B).

Pub. L. 109–59, §7102(3), amended par. (4) generally. Prior to amendment, par. (4) consisted of subpars. (A) to (C), which included within definition of “hazmat employer” a person using at least one employee in connection with transporting or containers for transporting hazardous material, an owner-operator of a motor vehicle transporting hazardous material in commerce, and a department, agency, or instrumentality of the United States Government, or an authority of a State, political subdivision of a State, or Indian tribe, carrying out certain described activities.

Pub. L. 109–59, §7102(4), inserted “relating to hazardous material” after “of a condition”.

Pub. L. 109–59, §7102(5), amended par. (7) generally. Prior to amendment, par. (7) read as follows: “‘motor carrier’ means a motor carrier, motor private carrier, and freight forwarder as those terms are defined in section 13102 of this title.”

Pub. L. 109–59, §7102(6), substituted “National Response Team” for “national response team” in two places and “National Contingency Plan” for “national contingency plan”.

Pub. L. 109–59, §7102(7), amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “includes a government, Indian tribe, or authority of a government or tribe offering hazardous material for transportation in commerce or transporting hazardous material to further a commercial enterprise;”.

Pub. L. 109–59, §7102(8), added par. (11) and redesignated former pars. (11) to (13) as (12) to (14), respectively.

In this chapter, the words “or shipped” are omitted as being included in “transported”.

In clause (1), before subclause (A), the text of 49 App.1802(1), (3), and (13) is omitted because the complete names of the Administrator of the Environmental Protection Agency, Director of the Federal Emergency Management Agency, and Secretary of Transportation are used the first time the terms appear in a section.

In clause (9), before subclause (A), the words “including any trustee, receiver, assignee, or similar representative thereof” are omitted as surplus.

In clause (12), the words “by any mode” are omitted as surplus.

AMENDMENTS

Pub. L. 109–59, §7126, substituted “Secretary” for “Secretary of Transportation”.

Pub. L. 109–59, §7102(2), as amended by Pub. L. 110–244, §302(a)(1), (2), added cl. (1) and struck out former cl. (1) which read as follows: “employed by a hazmat employer;”.

Pub. L. 109–59, §7102(2)(B), as amended by Pub. L. 110–244, §302(a)(1), (3), substituted “course of full time, part time, or temporary employment, or such self employment,” for “course of employment” and inserted “and” at end.

Pub. L. 110–244, §302(a)(1), added cl. (ii) which read as follows: “includes an owner-operator of a motor vehicle transporting hazardous material in commerce;”.

Pub. L. 110–244, §302(a)(1), redesignated subpar. (C) as (B) and struck out former subpar. (B) which read as follows: “includes an operator of a motor vehicle transporting hazardous material in commerce;”.

Pub. L. 110–244, §302(c), as amended by Pub. L. 110–244, §302(a)(1), redesignated subpar. (C) as (B).

Pub. L. 109–59, §7102(3), amended par. (4) generally. Prior to amendment, par. (4) consisted of subpars. (A) to (C), which included within definition of “hazmat employer” a person using at least one employee in connection with transporting or containers for transporting hazardous material, an owner-operator of a motor vehicle transporting hazardous material in commerce, and a department, agency, or instrumentality of the United States Government, or an authority of a State, political subdivision of a State, or Indian tribe, carrying out certain described activities.

Pub. L. 109–59, §7102(4), inserted “relating to hazardous material” after “of a condition”.

Pub. L. 109–59, §7102(5), amended par. (7) generally. Prior to amendment, par. (7) read as follows: “‘motor carrier’ means a motor carrier, motor private carrier, and freight forwarder as those terms are defined in section 13102 of this title.”

Pub. L. 109–59, §7102(6), substituted “National Response Team” for “national response team” in two places and “National Contingency Plan” for “national contingency plan”.

Pub. L. 109–59, §7102(7), amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “includes a government, Indian tribe, or authority of a government or tribe offering hazardous material for transportation in commerce or transporting hazardous material to further a commercial enterprise;”.

Pub. L. 109–59, §7102(8), added par. (11) and redesignated former pars. (11) to (13) as (12) to (14), respectively.

Effective Date of 2008 Amendment

Amendment by Pub. L. 110–244 effective as of the date of enactment of Pub. L. 109–59 (Aug. 10, 2005) and to be treated as included in Pub. L. 109–59 as of that date, and provisions of Pub. L. 109–59, as in effect on the day before June 6, 2006, that are amended by Pub. L. 110–244 to be treated as not enacted, see section 121(b) of Pub. L. 110–244, set out as a note under section 101 of Title 25, Highways.

§ 5103. General regulatory authority

(a) Designating Material as Hazardous.—

The Secretary shall designate material (including an explosive, radioactive material, infectious substance, flammable or combustible liquid, solid, or gas, toxic, oxidizing, or corrosive material, and compressed gas) or a group or class of material as hazardous when the Secretary determines that transporting the material in commerce in a particular amount and form may pose an unreasonable risk to health and safety or property.

(b) Regulations for Safe Transportation.—

(1) The Secretary shall prescribe regulations for the safe transportation, including security, of hazardous material in intrastate, interstate, and foreign commerce. The regulations—

(A) apply to a person who—

(i) transports hazardous material in commerce;

(ii) causes hazardous material to be transported in commerce;

(iii) designs, manufactures, fabricates, inspects, marks, maintains, reconditions, repairs, or tests a package, container, or packaging component that is represented, marked, certified, or sold as qualified for use in transporting hazardous material in commerce;

(iv) prepares or accepts hazardous material for transportation in commerce;

(v) is responsible for the safety of transporting hazardous material in commerce;

(vi) certifies compliance with any requirement under this chapter; or

(vii) misrepresents whether such person is engaged in any activity under clause (i) through (vi); and

(B) shall govern safety aspects, including security, of the transportation of hazardous material the Secretary considers appropriate.

(2) A proceeding to prescribe the regulations must be conducted under section 553 of title 5, including an opportunity for informal oral presentation.

(c) Consultation.—When prescribing a security regulation or issuing a security order that affects the safety of the transportation of hazardous material, the Secretary of Homeland Security shall consult with the Secretary of Transportation.

(d) Biennial Report.—The Secretary of Transportation shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Senate Committee on Commerce, Science, and Transportation a biennial report providing information on whether the Secretary has designated as hazardous materials for purposes of chapter 51 of such title all by-products of the methamphetamine-production process that are known by the Secretary to pose an unreasonable risk to health and safety or property when transported in commerce in a particular amount and form.

Revised Section Source (U.S. Code) Source (Statutes at Large)

5103(a) .......... 49 App.:1803.
5103(b) .......... 49 App.:1804(a)

In subsection (a), the words “such quantity and form of material” and “in his discretion” are omitted as surplus.

In subsection (b)(1), before clause (A), the words “in accordance with section 553 of title 5” are omitted because §553 applies unless otherwise stated. In clause (A)(i), the words “hazardous material in commerce”, and in clause (A)(ii), the words “hazardous material . . . in commerce”, are added for consistency in this chapter.

Pub. L. 103–429

This amends 49:5103(b)(2) to clarify the restatement of 49 App.:1804(a)(2) by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 761).

Amendments

2005—Subsec. (a). Pub. L. 109–59, §7126, substituted “Secretary shall designate” for “Secretary of Transportation shall designate”.

Pub. L. 109–59, §7103(a), substituted “infectious substance, flammable or combustible liquid, solid, or gas, toxic, oxidizing, or corrosive material,” for “etiological agent, flammable or combustible liquid or solid, poison, oxidizing or corrosive material,” and “determines” for “decides”.

Subsec. (b)(1)(A). Pub. L. 109–59, §7103(b), amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “apply to a person—

“(i) transporting hazardous material in commerce; ““(ii) causing hazardous material to be transported in commerce; or

“(iii) manufacturing, fabricating, marking, maintaining, reconditioning, repairing, or testing a packaging or a container that is represented, marked, certified, or sold by that person as qualified for use in transporting hazardous material in commerce; and”.

Subsec. (b)(1)(C). Pub. L. 109–59, §7103(c)(1), struck out heading and text of subpar. (C). Text read as follows: “When prescribing a security regulation or issuing a security order that affects the safety of the transportation of hazardous material, the Secretary of Homeland Security shall consult with the Secretary.”

Title 49—Transportation

§5103

SAFE PLACEMENT OF TRAIN CARS

Section 111 of Pub. L. 103–311 provided that: "The Secretary of Transportation shall conduct a study of existing practices regarding the placement of cars on trains, with particular attention to the placement of cars that carry hazardous materials. In conducting the study, the Secretary shall consider whether such placement practices increase the risk of derailment, hazardous materials spills, or tank ruptures or have any other adverse effect on safety. The results of the study shall be submitted to Congress within 1 year after the date of enactment of this Act [Aug. 26, 1994]."

FIBER DRUM PACKAGING

"(a) IN GENERAL.—In the administration of chapter 51 of title 49, United States Code, the Secretary of Transportation shall issue final regulations to determine a packaging or a "package or" for "a package or".

Subsec. (b)(2), Pub. L. 103–429 substituted "be conducted under this section" for "be conducted under section 553 of title 5, including" for "aspects, including security," for "aspects".

Railroad Carrier Employee Exposure to Radiation

"(1) the packaging is in compliance with regulations of the Secretary under the Hazardous Materials Transportation Act [former 49 U.S.C. 1801 et seq.] as in effect on September 30, 1991; and

"(2) the packaging will not be used for the transportation of hazardous materials that include materials which are poisonous by inhalation or materials in Packing Groups I and II.

Expiration.—The regulation referred to in subsection (a) shall expire on or before September 30, 1997, or the date on which funds are authorized to be appropriated to carry out chapter 51 of title 49, United States Code (relating to transportation of hazardous materials), for fiscal years beginning after September 30, 1997.

Study.—Not later than 18 months after the date of enactment of this Act [Dec. 29, 1995], the Secretary shall contract with the National Academy of Sciences to conduct a study—

"(a) to determine whether the requirements of section 5103(b) of title 49, United States Code (relating to regulations for safe transportation), as they pertain to fiber drum packaging with a removable head for the transportation of liquid hazardous materials with respect to those liquid hazardous materials transported by such drums pursuant to regulations in effect on September 30, 1991, and

"(b) to determine whether a packaging standard (including such fiber drum industry standards), other than such performance-oriented packaging standards, will provide an equal or greater level of safety for the transportation of liquid hazardous materials than would be provided if such performance-oriented packaging standards were in effect.

§ 5103a. Limitation on issuance of hazmat licenses

(a) LIMITATION.—

(1) ISSUANCE OF LICENSES.—A State may not issue to any individual a license to operate a motor vehicle transporting in commerce a hazardous material unless the Secretary of Homeland Security has first determined, upon receipt of a notification under subsection (d)(1)(B), that the individual does not pose a security risk warranting denial of the license.

(2) RENEWALS INCLUDED.—For the purposes of this section, the term “issue”, with respect to a license, includes renewal of the license.

(b) HAZARDOUS MATERIALS DESCRIBED.—The limitation in subsection (a) shall apply with respect to any material defined as hazardous material by the Secretary of Transportation for which the Secretary of Transportation requires placarding of a commercial motor vehicle transporting that material in commerce.

(c) RECOMMENDATIONS ON CHEMICAL AND BIOLOGICAL MATERIALS.—The Secretary of Health and Human Services shall recommend to the Secretary of Transportation any chemical or biological material or agent for regulation as a hazardous material under section 5103(a) if the Secretary of Health and Human Services determines that such material or agent poses a significant risk to the health of individuals.

(d) BACKGROUND RECORDS CHECK.—

(1) IN GENERAL.—Upon the request of a State regarding issuance of a license described in subsection (a)(1) to an individual, the Attorney General—

(A) shall carry out a background records check regarding the individual; and

(B) upon completing the background records check, shall notify the Secretary of Homeland Security of the completion and results of the background records check.

(2) SCOPE.—A background records check regarding an individual under this subsection shall consist of the following:

(A) A check of the relevant criminal history data bases.

(B) In the case of an alien, a check of the relevant data bases to determine the status of the alien under the immigration laws of the United States.

(C) As appropriate, a check of the relevant international data bases through Interpol–U.S. National Central Bureau or other appropriate means.

(e) REPORTING REQUIREMENT.—Each State shall submit to the Secretary of Homeland Security, at such time and in such manner as the Secretary of Homeland Security may prescribe, the name, address, and such other information as the Secretary of Homeland Security may require, concerning—

(1) each alien to whom the State issues a license described in subsection (a); and

(2) each other individual to whom such a license is issued, as the Secretary of Homeland Security may require.

(f) ALIEN DEFINED.—In this section, the term “alien” has the meaning given the term in section 101(a)(3) of the Immigration and Nationality Act.

(g) BACKGROUND CHECKS FOR DRIVERS HAULING HAZARDOUS MATERIALS.—

(1) IN GENERAL.—

(A) EMPLOYER NOTIFICATION.—Not later than 90 days after the date of enactment of this Act, the Director of the Transportation Security Administration, after receiving comments from interested parties, shall develop and implement a process for notifying hazmat employers designated by an applicant of the results of the applicant’s background record check, if—

(i) such notification is appropriate considering the potential security implications; and

(ii) the Director, in a final notification of threat assessment, determines that the applicant does not meet the standards set forth in regulations issued to carry out this section.

(B) RELATIONSHIP TO OTHER BACKGROUND RECORDS CHECKS.—

(i) ELIMINATION OF REDUNDANT CHECKS.—An individual with respect to whom the Transportation Security Administration—

(I) has performed a security threat assessment under this section; and

1 So in original. Comma probably should appear after “applicant”.
(II) has issued a final notification of no security threat,

is deemed to have met the requirements of any other background check that is required for purposes of any Federal law applicable to transportation workers if that background check is equivalent to, or less stringent than, the background check required under this section.

(ii) DETERMINATION BY DIRECTOR.—Not later than 60 days after the date of enactment of this subsection, the Director shall initiate a rulemaking proceeding, including notice and opportunity for comment, to determine which background checks required for purposes of Federal laws applicable to transportation workers are equivalent to, or less stringent than, those required under this section.

(iii) FUTURE RULEMAKINGS.—The Director shall make a determination under the criteria established under clause (ii) with respect to any rulemaking proceeding to establish or modify required background checks for transportation workers initiated after the date of enactment of this subsection.

(2) APPEALS PROCESS FOR MORE STRINGENT STATE PROCEDURES.—If a State establishes its own standards for applicants for a hazardous materials endorsement to a commercial driver’s license, the State shall also provide—

(A) an appeals process similar to and to the same extent as the process provided under part 1572 of title 49, Code of Federal Regulations, by which an applicant denied a hazardous materials endorsement to a commercial driver’s license by that State may appeal that denial; and

(B) a waiver process similar to and to the same extent as the process provided under part 1572 of title 49, Code of Federal Regulations, by which an applicant denied a hazardous materials endorsement to a commercial driver’s license by that State may apply for a waiver.

(3) CLARIFICATION OF TERM DEFINED IN REGULATIONS.—The term “transportation security incident”, as defined in part 1572 of title 49, Code of Federal Regulations, does not include a work stoppage or other nonviolent employee-related action resulting from an employer-employee dispute. Not later than 30 days after the date of enactment of this subsection, the Director shall modify the definition of that term to reflect the preceding sentence.

(4) BACKGROUND CHECK CAPACITY.—Not later than October 1, 2005, the Director shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committees on Transportation and Infrastructure and Homeland Security of the House of Representatives a report on the implementation of fingerprint-based security threat assessments and the adequacy of fingerprinting locations, personnel, and resources to accomplish the timely processing of fingerprint-based security threat assessments for individuals holding commercial driver’s licenses who are applying to renew hazardous materials endorsements.

(5) REPORT.—

(A) IN GENERAL.—Not later than 60 days after the date of enactment of this subsection, the Director shall transmit to the committees referred to in paragraph (4) a report on the Director’s plans to reduce or eliminate redundant background checks for holders of hazardous materials endorsements performed under this section.

(B) CONTENTS.—The report shall—

(1) include a list of background checks and other security or threat assessment requirements applicable to transportation workers under Federal laws for which the Department of Homeland Security is responsible and the process by which the Secretary of Homeland Security will determine whether such checks or assessments are equivalent to, or less stringent than, the background check performed under this section; and

(ii) provide an analysis of how the Director plans to reduce or eliminate redundant background checks in a manner that will continue to ensure the highest level of safety and security.

(h) COMMERCIAL MOTOR VEHICLE OPERATORS REGISTERED TO OPERATE IN MEXICO OR CANADA.—

(1) IN GENERAL.—Beginning on the date that is 3 months after the date of enactment of this subsection, a commercial motor vehicle operator registered to operate in Mexico or Canada shall not operate a commercial motor vehicle transporting a hazardous material in commerce in the United States until the operator has undergone a background records check similar to the background records check required for commercial motor vehicle operators licensed in the United States to transport hazardous materials in commerce.

(2) EXTENSION.—The Director of the Transportation Security Administration may extend the deadline established by paragraph (1) for a period not to exceed 6 months if the Director determines that such an extension is necessary.

(3) COMMERCIAL MOTOR VEHICLE DEFINED.—In this subsection, the term “commercial motor vehicle” has the meaning given that term by section 31101.

AMENDMENTS

§ 5104. Representation and tampering

(a) REPRESENTATION.—A person may represent, by marking or otherwise, that—

(1) any material defined as a hazardous material by the Secretary of Transportation; and

(2) any chemical or biological material or agent determined by the Secretary of Health and Human Services or the Attorney General as being a threat to the national security of the United States.

(b) TAMPERING.—No person may alter, remove, destroy, or otherwise tamper unlawfully with—

(1) any marking, label, placard, or description on a document required under this chapter or a regulation prescribed under this chapter; or

(2) a package, component of a package, or packaging for transporting hazardous material only if the package, component of a package, or packaging meets the requirements of each applicable regulation prescribed under this chapter; or

2005—Subsec. (a)(1). Pub. L. 109–59, § 7104(a), substituted “a package, component of a package, or packaging for” for “a container, package, or packaging (or a component of a container, package, or packaging) for” and “the package, component of a package, or packaging meets” for “the container, package, or packaging (or a component of a container, package, or packaging) meets”.

Subsec. (b). Pub. L. 109–59, § 7104(a), substituted “no person may” for “a person may not” in introductory provisions.

§ 5105. Transporting certain highly radioactive material

(a) DEFINITIONS.—In this section, “high-level radioactive waste” and “spent nuclear fuel” have the same meanings given those terms in section 321 of this title.

(b) TRANSPORTATION SAFETY STUDY.—In consultation with the Secretary of Energy, the Nuclear Regulatory Commission, potentially affected States and Indian tribes, representatives of the rail transportation industry, and shippers of high-level radioactive waste and spent nuclear fuel, the Secretary shall conduct a study comparing the safety of using trains operated only to transport high-level radioactive waste and spent nuclear fuel with the safety of using other methods of rail transportation for transporting that waste and fuel. The Secretary shall submit to Congress not later than November 16, 1992, a report on the results of the study. The Secretary shall submit to Congress not later than November 16, 1992, a report on the results of the study.

(c) SAFE RAIL TRANSPORTATION REGULATIONS.—Not later than November 16, 1992, after considering the results of the study conducted under subsection (b) of this section, the Secretary of Transportation shall by regulation prescribe requirements for the transportation of high-level radioactive waste and spent nuclear fuel by rail.
The Secretary shall prescribe amendments to existing regulations that the Secretary considers appropriate to provide for the safe rail transportation of high-level radioactive waste and spent nuclear fuel, including trains operated only for transporting high-level radioactive waste and spent nuclear fuel.

(d) Inspections of Motor Vehicles Transporting Certain Material.—(1) Not later than November 16, 1991, the Secretary shall require by regulation that before each use of a motor vehicle to transport a highway-route-controlled quantity of radioactive material in commerce, the vehicle shall be inspected and certified as complying with this chapter and applicable United States motor carrier safety laws and regulations. The Secretary may require that the inspection be carried out by an authorized United States Government inspector or according to appropriate State procedures.

(2) The Secretary may allow a person, transporting or causing to be transported a highway-route-controlled quantity of radioactive material, to inspect the motor vehicle used to transport the material and to certify that the vehicle complies with this chapter. The inspector qualification requirements the Secretary prescribes for an individual inspecting a motor vehicle apply to an individual conducting an inspection under this paragraph.

In subsection (b), the words “Secretary of Energy” are substituted for “Department of Energy” because of 42:7131.

In subsection (c), the word “regulations” is substituted for “rule” for consistency in the revised title and with other titles of the United States Code and because “rule” and “regulation” are synonymous.

In subsection (d), before clause (1), the words “in combination” are omitted as surplus.

§ 5106. Handling criteria

The Secretary may prescribe criteria for handling hazardous material, including—

1. a minimum number of personnel;
2. minimum levels of training and qualifications for personnel;
3. the kind and frequency of inspections;
4. equipment for detecting, warning of, and controlling risks posed by the hazardous material;
5. specifications for the use of equipment and facilities in handling and transporting the hazardous material; and
6. a system of monitoring safety procedures for transporting the hazardous material.

Before clause (1), the text of 49 App.:1805(a) (last sentence) is omitted as being included in “prescribe.” In clause (4), the words “to be used” are omitted as surplus. In clause (6), the word “assurance” is omitted as surplus.

### Amendments

2005—Subsecs. (b), (c). Pub. L. 109–59, § 7126, substituted “Secretary shall” for “Secretary of Transportation shall” wherever appearing.

Subsec. (d). Pub. L. 109–59, § 7126, substituted “Secretary shall” for “Secretary of Transportation shall” in par. (1) and “Secretary may” for “Secretary of Transportation may” in par. (2).

Pub. L. 109–59, § 7107, redesignated subsec. (e) as (d) and struck out former subsec. (d) which related to a study to be conducted not later than Nov. 16, 1991, to decide which factors, if any, shippers and carriers should consider when selecting routes and modes that would enhance overall public safety related to the transportation of high-level radioactive waste and spent nuclear fuel.

§ 5107. Hazmat employee training requirements and grants

(a) Training requirements.—The Secretary shall prescribe by regulation requirements for training that a hazmat employer must give hazmat employees of the employer on the safe loading, unloading, handling, storing, and transporting of hazardous material and emergency preparedness for responding to an accident or incident involving the transportation of hazardous material. The regulations—

1. shall establish the date, as provided by section 106(a), 88 Stat. 2157;
2. may provide for different training for different classes or categories of hazardous material and hazmat employees.

(b) Beginning and completing training.—A hazmat employer shall begin the training of
hazmat employees of the employer not later than 6 months after the Secretary prescribes the regulations under subsection (a) of this section. The training shall be completed within a reasonable period of time after—

(1) 6 months after the regulations are prescribed; or

(2) the date on which an individual is to begin carrying out a duty or power of a hazmat employee if the individual is employed as a hazmat employee after the 6-month period.

(c) CERTIFICATION OF TRAINING.—After completing the training, each hazmat employer shall certify, with documentation the Secretary may require by regulation, that the hazmat employees of the employer have received training and have been tested on appropriate transportation areas of responsibility, including at least one of the following:

(1) recognizing and understanding the Department of Transportation hazardous material classification system;

(2) the use and limitations of the Department hazardous material placarding, labeling, and marking systems;

(3) general handling procedures, loading and unloading techniques, and strategies to reduce the probability of release or damage during or incidental to transporting hazardous material;

(4) health, safety, and risk factors associated with hazardous material and the transportation of hazardous material;

(5) appropriate emergency response and communication procedures for dealing with an accident or incident involving hazardous material transportation;

(6) the use of the Department Emergency Response Guidebook and recognition of its limitations or the use of equivalent documents and recognition of the limitations of those documents;

(7) applicable hazardous material transportation regulations;

(8) personal protection techniques.

(d) COORDINATION OF TRAINING REQUIREMENTS.—In consultation with the Administrator of the Environmental Protection Agency and the Secretary of Labor, the Secretary shall ensure that the training requirements prescribed under this section do not conflict with or duplicate—

(1) the requirements of regulations the Secretary of Labor prescribes related to hazard communication, and hazardous waste operations, and emergency response that are contained in part 1910 of title 29, Code of Federal Regulations; and

(2) the regulations the Agency prescribes related to worker protection standards for hazardous waste operations that are contained in part 311 of title 40, Code of Federal Regulations.

(e) TRAINING GRANTS.—

(1) IN GENERAL.—Subject to the availability of funds under section 5128(c), the Secretary shall make grants under this subsection—

(A) for training instructors to train hazmat employees; and

(B) to the extent determined appropriate by the Secretary, for such instructors to train hazmat employees.

(2) ELIGIBILITY.—A grant under this subsection shall be made to a nonprofit hazmat employee organization that demonstrates—

(A) expertise in conducting a training program for hazmat employees; and

(B) the ability to reach and involve in a training program a target population of hazmat employees.

(f) TRAINING OF CERTAIN EMPLOYEES.—The Secretary shall ensure that maintenance-of-way employees and railroad signalmen receive general awareness and familiarization training and safety training pursuant to section 172.704 of title 49, Code of Federal Regulations.

(g) RELATIONSHIP TO OTHER LAWS.—(1) Chapter 35 of title 44 does not apply to an activity of the Secretary under subsections (a)–(d) of this section.

(2) An action of the Secretary under subsections (a)–(d) of this section and section 5106 is not an exercise, under section 4(b)(1) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 653(b)(1)), of statutory authority to prescribe or enforce standards or regulations affecting occupational safety or health.

(3) Existing Efforts.—No grant under subsection (e) shall supplant or replace existing employer-provided hazardous materials training efforts or obligations.

In subsections (a)(1) and (b), before clause (1), the words “in order to comply with requirements established by such regulations” are omitted as surplus.

In subsection (a), before clause (1), the words “Within 18 months after November 18, 1990” are omitted as obsolete. In clause (1), the words “as provided by subsection (b) of this section” are added for clarity.

In subsection (b), before clause (1), the words “in accordance with the requirements established by such regulations” are omitted as surplus.

In subsection (c), before clause (1), the words “in accordance with the requirements established under this subsection” and “appropriate” before “documentation” are omitted as surplus.

In subsection (d), before clause (1), the words “take such actions as may be necessary to” are omitted as surplus. In clauses (1) and (2), the words “(and amend-
ments thereto') are omitted as surplus. In clause (1), the words “Secretary of Labor” are substituted for “Occupational Safety and Health Administration of the Department of Labor” because of 29:551.

In subsection (e), the words “and education” are omitted as being included in “training”. Before clause (1), the words “regarding the safe loading, unloading, handling, storage, and transportation of hazardous materials and emergency preparedness for responding to accidents or incidents involving the transportation of hazardous materials in order to meet the requirements issued under section 1816(b) of this title may be made under this section” are omitted as surplus.

In subsection (f), the words “(relating to coordination of Federal information policy)” are omitted as surplus.

Amendments

2005—Subsecs. (a) to (d), Pub. L. 109–59, §7126, substituted “Secretary” for “Secretary of Transportation” in introductory provisions of subsecs. (a) to (c) and “Secretary shall” for “Secretary of Transportation shall” in introductory provisions of subsec. (d).

Subsec. (e). Pub. L. 109–59, §7108(1), added subsec. (e) and struck out heading and text of former subsec. (e).

Text read as follows: “The Secretary shall, subject to the availability of funds under section 5127(c)(3), make grants for training instructors to train hazmat employees under this section. A grant under this subsection shall be made to a nonprofit hazmat employee organization that demonstrates—

(1) expertise in conducting a training program for hazmat employees; and

(2) the ability to reach and involve in a training program a target population of hazmat employees.”

Former subsec. (f) redesignated (g).

Subsec. (g). Pub. L. 109–59, §7108(2), redesignated subsec. (f) as (g). Former subsec. (g) redesignated (h).

Subsec. (g)(1). Pub. L. 109–59, §7126, substituted “Secretary” for “Secretary of Transportation”.

Subsec. (g)(2). Pub. L. 109–59, §7126, substituted “Secretary” for “Secretary of Transportation”.

Pub. L. 109–59, §7108(4), substituted “section 5106” for “sections 5106, 5108(a)-(g)(1) and (h), and 5109 of this title”.

Subsec. (h). Pub. L. 109–59, §7108(2), redesignated subsec. (g) as (h).

1994—Subsec. (d). Pub. L. 103–311, §106, in introductory provisions inserted “or duplicate” after “conflict with” and in par. (1) substituted “hazard communication, and hazardous waste operations, and” for “hazardous waste operations and”.

Subsec. (e). Pub. L. 103–311, §119(c)(1), (2), in first sentence substituted “The Secretary shall, subject to the availability of funds under section 5127(c)(3), make grants for training instructors to train hazmat employees under this section.” for “In consultation with the Secretaries of Transportation and Labor and the Administrator, the Director of the National Institute of Environmental Health Sciences may make grants to Secretaries of Transportation and Labor and the Administrator, the Director of the National Institute of Environmental Health Sciences may make grants to”, and struck out heading and text of former subsec. (e).

§ 5108. Registration

(a) Persons Required to File.—(1) A person shall file a registration statement with the Secretary under this subsection if the person is transporting or causing to be transported in commerce any of the following:

(A) a highway-route-controlled quantity of radioactive material.

(B) more than 25 kilograms of a Division 1.1, 1.2, or 1.3 explosive material in a motor vehicle, rail car, or transport container.

(C) more than one liter in each package of a hazardous material the Secretary designates as extremely toxic by inhalation.

(D) hazardous material in a bulk packaging, container, or tank, as defined by the Secretary, if the bulk packaging, container, or tank has a capacity of at least 3,500 gallons or more than 468 cubic feet.

(E) a shipment of at least 5,000 pounds (except in a bulk packaging) of a class of hazardous material for which placarding of a vehicle, rail car, or freight container is required under regulations prescribed under this chapter.

(2) The Secretary may waive the filing of a registration statement with the Secretary under this subsection:

(A) a person transporting or causing to be transported hazardous material in commerce and not required to file a registration statement under paragraph (1) of this subsection.

(B) a person designing, manufacturing, fabricating, inspecting, marking, maintaining, reconditioning, repairing, or testing a package, container, or packaging component that is represented, marked, certified, or sold as qualified for use in transporting hazardous material in commerce.

(3) A person required to file a registration statement under this subsection may transport or cause to be transported, or design, or manufacture, or fabricate, inspect, mark, maintain, recondition, repair, or test a package, container, or packaging component, or container for use in transporting hazardous material, only if the person has a statement on file as required by this subsection.

(4) The Secretary may waive the filing of a registration statement, or the payment of a fee, required under this subsection, or both, for any person not domiciled in the United States who solely offers hazardous materials for transportation to the United States from a place outside the United States if the country of which such person is a domiciliary does not require persons domiciled in the United States who solely offer hazardous materials for transportation to the foreign country from places in the United States to file registration statements, or to pay fees, for making such an offer.

(b) Form, Contents, and Limitation on Filings.—(1) A registration statement under subsection (a) of this section shall be in the form and contain information the Secretary requires by regulation. The Secretary may use existing forms of the Department of Transportation and the Environmental Protection Agency to carry out this subsection. The statement shall include—

(A) the name and principal place of business of the registrant;

(B) a description of each activity the registrant carries out for which filing a statement under subsection (a) of this section is required; and

(C) each State in which the person carries out any of the activities.

(2) A person carrying out more than one activity, or an activity at more than one location, for which filing is required only has to file one registration statement to comply with subsection (a) of this section.
(c) **FILING.**—Each person required to file a registration statement under subsection (a) shall file the statement in accordance with regulations prescribed by the Secretary.

(d) **SIMPLIFYING THE REGISTRATION PROCESS.**—The Secretary may take necessary action to simplify the registration process under subsections (a)–(c) of this section and to minimize the number of applications, documents, and other information a person is required to file under this chapter and other laws of the United States.

(e) **COOPERATION WITH ADMINISTRATOR.**—The Administrator of the Environmental Protection Agency shall assist the Secretary in carrying out subsections (a)–(g)(1) and (h) of this section by providing the Secretary with information the Secretary requests to carry out the objectives of subsections (a)–(g)(1) and (h).

(f) **AVAILABILITY OF STATEMENTS.**—The Secretary shall make a registration statement filed under subsection (a) of this section available for inspection by any person for the Secretary establishes. However, this subsection does not require the release of information described in section 552(b) of title 5 or otherwise protected by law from disclosure to the public.

(g) **FEES.**—(1) The Secretary shall establish, impose, and collect from a person required to file a registration statement under subsection (a) of this section a fee necessary for the costs of the Secretary in processing the statement.

(2)(A) In addition to a fee established under paragraph (1) of this subsection, the Secretary shall establish and impose by regulation and collect an annual fee. Subject to subparagraph (B) of this paragraph, the fee shall be at least $250 but not more than $3,000 from each person required to file a registration statement under this section. The Secretary shall determine the amount of the fee under this paragraph on at least one of the following:

(i) gross revenue from transporting hazardous material.

(ii) the type of hazardous material transported or caused to be transported.

(iii) the amount of hazardous material transported or caused to be transported.

(iv) the number of shipments of hazardous material.

(v) the number of activities that the person carries out which filing a registration statement is required under this section.

(vi) the threat to property, individuals, and the environment from an accident or incident involving the hazardous material transported or caused to be transported.

(vii) the percentage of gross revenue derived from transporting hazardous material.

(viii) the amount to be made available to carry out sections 5108(g)(2), 5115, and 5116 of this title.

(ix) other factors the Secretary considers appropriate.

(B) The Secretary shall adjust the amount being collected under this paragraph to reflect any unexpended balance in the account established under section 5116(i) of this title. However, the Secretary is not required to refund any fee collected under this paragraph.

(C) The Secretary shall transfer to the Secretary of the Treasury amounts the Secretary of Transportation collects under this paragraph for deposit in the Hazardous Materials Emergency Preparedness Fund established under section 5116(i) of this title.

(3) **FEES ON EXEMPT PERSONS.**—Notwithstanding subsection (a)(4), the Secretary shall impose and collect a fee of $25 from a person who is required to register under this section but who is otherwise exempted by the Secretary from paying any fee under this section. The fee shall be used to pay the costs incurred by the Secretary in processing registration statements filed by such persons.

(h) **MAINTAINING PROOF OF FILING AND PAYMENT OF FEES.**—The Secretary may prescribe regulations requiring a person required to file a registration statement under subsection (a) of this section to maintain proof of the filing and payment of fees imposed under subsection (g) of this section.

(i) **RELATIONSHIP TO OTHER LAWS.**—(1) Chapter 35 of title 44 does not apply to an activity of the Secretary under subsections (a)–(g)(1) and (h) of this section.

(2)(A) This section does not apply to an employee of a hazmat employer.

(B) Subsections (a)–(h) of this section do not apply to a department, agency, or instrumentality of the United States Government, an authority of a State or political subdivision of a State, an Indian tribe, or an employee of a department, agency, instrumentality, or authority carrying out official duties.

In subsection (b)(1), before clause (A), the words “at a minimum” are omitted as surplus. In subsection (d), the words “streamline and”’, “with respect to a person who is required to file a registration statement under this subsection”, and “with the Department of Transportation” are omitted as surplus.
In subsection (g), the word “impose” is substituted for “assesses” for consistency in the revised title and with other titles of the United States Code.

In subsection (g)(2)(A), before clause (i), the words “Not later than September 30, 1992” are omitted as obsolete. In clause (viii), the words “of funds” are omitted as surplus.

In subsection (i)(2)(A), the words “Notwithstanding any other provisions of this subsection” are omitted as surplus.

PUBL. L. 105–102

This amends 49:5108(f) to correct an erroneous cross-reference.

AMENDMENTS

Subsec. (a)(1)(B). Pub. L. 109–59, §7109(a)(1), substituted “Division 1.1, 1.2, or 1.3 explosive material” for “class A or B explosive”.

Subsec. (a)(2). Pub. L. 109–59, §7126, substituted “Secretary may” for “Secretary of Transportation may” in introductory provisions.

Subsec. (a)(2)(B). Pub. L. 109–59, §7109(a)(2), amended subpar. (B) generally. Prior to amendment, subpar. (B) read as follows: “a person manufacturing, fabricating, marking, maintaining, reconditioning, repairing, or testing a package or container the person represents, marks, certifies, or sells for use in transporting in commerce hazardous material the Secretary designates.”

Subsec. (a)(3). Pub. L. 109–59, §7109(a)(3), substituted “design, manufacture, fabricate, inspect, mark, maintain, recondition, repair, or test a package, container packaging component, or” for “manufacture, fabricate, mark, maintain, recondition, repair, or test a package or”.

Subsec. (b)(1)(C). Pub. L. 109–59, §7109(b), substituted “any of the activities” for “the activity”. Subsec. (c). Pub. L. 109–59, §7109(c), amended heading and text of subsec. (c) generally. Prior to amendment, text read as follows:

“(1) Each person required to file a registration statement under subsection (a) of this section must file the first statement not later than March 31, 1992. The Secretary of Transportation may extend that date to September 30, 1992, for activities referred to in subsection (a)(1) of this section. A person shall renew the statement periodically consistent with regulations the Secretary prescribes, but not more than once each year and not less than once every 5 years.

“(2) The Secretary of Transportation shall decide by regulation when and under what circumstances a registration statement must be amended and the procedures to follow in amending the statement.”

Subsec. (d) to (f). Pub. L. 109–59, §7126, substituted “Secretary” for “Secretary of Transportation” in subsec. (d), “Secretary in carrying” for “Secretary of Transportation in carrying” in subsec. (e), and “Secretary shall” for “Secretary of Transportation shall” in subsec. (f).

Subsec. (g)(1). Pub. L. 109–59, §7126, substituted “Secretary shall” for “Secretary of Transportation shall”. Pub. L. 109–59, §7109(c)(1), substituted “shall” for “may”.

Subsec. (g)(2)(B). Pub. L. 109–59, §7126, substituted “Secretary shall” for “Secretary of Transportation shall”.

Subsec. (g)(2)(C). Pub. L. 109–59, §7126, substituted “Secretary shall” for “Secretary of Transportation shall”.

Pub. L. 109–59, §7114(d)(3), substituted “the Hazardous Materials Emergency Preparedness Fund established” for “the account the Secretary of the Treasury establishes”.

Subsec. (h). Pub. L. 109–59, §7126, substituted “Secretary” for “Secretary of Transportation”.

Subsec. (i)(1). Pub. L. 109–59, §7126, substituted “Secretary” for “Secretary of Transportation”.

1994—Subsec. (a)(1)(D). Pub. L. 103–311, §117(a)(3), substituted “a bulk packaging” for “a bulk package” and “the bulk packaging” for “the package”.

REGISTRATION

Pub. L. 109–59, title VII, §7109(d), Aug. 10, 2005, 119 Stat. 1898, provided that: “As soon as practicable, the Administrator of the Pipeline and Hazardous Materials Safety Administration shall transmit to the Federal Motor Carrier Safety Administration hazardous material registrant information obtained before, on, or after the date of enactment of this Act (Aug. 10, 2005) under this chapter; and

applicable minimum financial responsibility laws and regulations.

(a) REQUIREMENT.—A motor carrier may transport or cause to be transported by motor vehicle in commerce hazardous material only if the carrier holds a safety permit the Secretary issues under this section authorizing the transportation and keeps a copy of the permit, or other proof of its existence, in the vehicle. The Secretary shall issue a permit if the Secretary finds the carrier is fit, willing, and able—

(1) to provide the transportation to be authorized by the permit;

(2) to comply with this chapter and regulations the Secretary prescribes to carry out this chapter; and

(3) to comply with applicable United States motor carrier safety laws and regulations and applicable minimum financial responsibility laws and regulations.

(b) APPLICABLE TRANSPORTATION.—The Secretary shall prescribe by regulation the hazardous material and amounts of hazardous material to which this section applies. However, this section shall apply at least to transportation by a motor carrier, in amounts the Secretary establishes, of—

(1) a class A or B explosive;

(2) liquefied natural gas;

(3) hazardous material the Secretary designates as extremely toxic by inhalation; and

(4) a highway-route-controlled quantity of radioactive material, as defined by the Secretary.
§ 5110 SHIPPING PAPERS AND DISCLOSURE

(a) Providing shipping papers.—Each person offering for transportation in commerce hazardous material to which the shipping paper requirements of the Secretary apply shall provide to the carrier transportation a shipping paper that makes the disclosures the Secretary prescribes in regulations.

(b) Keeping shipping papers on the vehicle.—(1) A motor carrier, and the person offering the hazardous material for transportation if a private motor carrier, shall keep the shipping paper on the vehicle transporting the material.

(2) Except as provided in paragraph (1) of this subsection, the shipping paper shall be kept in a location the Secretary specifies in a motor vehicle, train, vessel, aircraft, or facility until—

(A) the hazardous material no longer is in transportation; or

(B) the documents are made available to a representative of a department, agency, or instrumentality of the United States Government or a State or local authority responding to an accident or incident involving the motor vehicle, train, vessel, aircraft, or facility.

(c) Disclosure to emergency response authorities.—When an incident involving hazardous material being transported in commerce occurs, the person transporting the material, immediately on request of appropriate emergency response authorities, shall disclose to the authorities information about the material.

(d) Retention of papers.—

(1) Offerors.—The person who provides the shipping paper under this section shall retain the paper, or an electronic format of it, for a period of 2 years after the date that the shipping paper is provided to the carrier, with the paper or electronic format to be accessible through the offeror’s principal place of business.

(2) Carriers.—The carrier required to keep the shipping paper under this section shall retain the paper, or an electronic format of it, for a period of 1 year after the date that the shipping paper is provided to the carrier, with the paper or electronic format to be accessible through the carrier’s principal place of business.

(3) Availability to government agencies.—Any person required to keep a shipping paper under this subsection shall, upon request, make it available to a Federal, State, or local government agency at reasonable times and locations.

In subsection (h), the text of section 8(b) (words before semicolon of the Hazardous Materials Transportation Uniform Safety Act of 1990 (Public Law 101-615, 104 Stat. 3258) is omitted as obsolete.

AMENDMENTS

§ 5110 SHIPPING PAPERS AND DISCLOSURE

(a) Providing shipping papers.—Each person offering for transportation in commerce hazardous material to which the shipping paper requirements of the Secretary apply shall provide to the carrier transportation a shipping paper that makes the disclosures the Secretary prescribes in regulations.

(b) Keeping shipping papers on the vehicle.—(1) A motor carrier, and the person offering the hazardous material for transportation if a private motor carrier, shall keep the shipping paper on the vehicle transporting the material.

(2) Except as provided in paragraph (1) of this subsection, the shipping paper shall be kept in a location the Secretary specifies in a motor vehicle, train, vessel, aircraft, or facility until—

(A) the hazardous material no longer is in transportation; or

(B) the documents are made available to a representative of a department, agency, or instrumentality of the United States Government or a State or local authority responding to an accident or incident involving the motor vehicle, train, vessel, aircraft, or facility.

(c) Disclosure to emergency response authorities.—When an incident involving hazardous material being transported in commerce occurs, the person transporting the material, immediately on request of appropriate emergency response authorities, shall disclose to the authorities information about the material.

(d) Retention of papers.—

(1) Offerors.—The person who provides the shipping paper under this section shall retain the paper, or an electronic format of it, for a period of 2 years after the date that the shipping paper is provided to the carrier, with the paper or electronic format to be accessible through the offeror’s principal place of business.

(2) Carriers.—The carrier required to keep the shipping paper under this section shall retain the paper, or an electronic format of it, for a period of 1 year after the date that the shipping paper is provided to the carrier, with the paper or electronic format to be accessible through the carrier’s principal place of business.

(3) Availability to government agencies.—Any person required to keep a shipping paper under this subsection shall, upon request, make it available to a Federal, State, or local government agency at reasonable times and locations.

In subsection (h), the text of section 8(b) (words before semicolon of the Hazardous Materials Transportation Uniform Safety Act of 1990 (Public Law 101-615, 104 Stat. 3258) is omitted as obsolete.

AMENDMENTS

§ 5110 SHIPPING PAPERS AND DISCLOSURE

(a) Providing shipping papers.—Each person offering for transportation in commerce hazardous material to which the shipping paper requirements of the Secretary apply shall provide to the carrier transportation a shipping paper that makes the disclosures the Secretary prescribes in regulations.

(b) Keeping shipping papers on the vehicle.—(1) A motor carrier, and the person offering the hazardous material for transportation if a private motor carrier, shall keep the shipping paper on the vehicle transporting the material.

(2) Except as provided in paragraph (1) of this subsection, the shipping paper shall be kept in a location the Secretary specifies in a motor vehicle, train, vessel, aircraft, or facility until—

(A) the hazardous material no longer is in transportation; or

(B) the documents are made available to a representative of a department, agency, or instrumentality of the United States Government or a State or local authority responding to an accident or incident involving the motor vehicle, train, vessel, aircraft, or facility.

(c) Disclosure to emergency response authorities.—When an incident involving hazardous material being transported in commerce occurs, the person transporting the material, immediately on request of appropriate emergency response authorities, shall disclose to the authorities information about the material.

(d) Retention of papers.—

(1) Offerors.—The person who provides the shipping paper under this section shall retain the paper, or an electronic format of it, for a period of 2 years after the date that the shipping paper is provided to the carrier, with the paper or electronic format to be accessible through the offeror’s principal place of business.

(2) Carriers.—The carrier required to keep the shipping paper under this section shall retain the paper, or an electronic format of it, for a period of 1 year after the date that the shipping paper is provided to the carrier, with the paper or electronic format to be accessible through the carrier’s principal place of business.

(3) Availability to government agencies.—Any person required to keep a shipping paper under this subsection shall, upon request, make it available to a Federal, State, or local government agency at reasonable times and locations.

In subsection (h), the text of section 8(b) (words before semicolon of the Hazardous Materials Transportation Uniform Safety Act of 1990 (Public Law 101-615, 104 Stat. 3258) is omitted as obsolete.

AMENDMENTS

In subsection (c)(1), the words "A motor carrier" are substituted for "the carrier" for clarity.

### AMENDMENTS

#### 2008—Subsec. (d)(1).
Pub. L. 110–244, § 302(1)(2), substituted "offeror's" for "shipper's".

Pub. L. 110–244, § 302(1)(1), which directed substitution of "offerors" for "Shippers" in the subsection heading, was executed by making the substitution in par. (1) heading to reflect the probable intent of Congress.

#### 2005—Subsec. (a). Pub. L. 109–99, § 7126, substituted "Secretary apply" for "Secretary of Transportation apply".

Pub. L. 109–99, § 7110(a)(1), substituted "in regulations" for "for subsection (b) of this section".

Subsecs. (b), (c), Pub. L. 109–99, § 7110(a)(2), redesignated subsecs. (c) and (d) as (b) and (c), respectively, and struck out former subsec. (b) which related to considerations and requirements in carrying out subsec. (a).

Subsec. (d). Pub. L. 109–99, § 7110(b), reenacted heading without change and amended text of subsec. (d) generally. Prior to amendment, text read as follows: "After the hazardous material to which a shipping paper relates is no longer in transportation, the person who provided the shipping paper and the carrier required to maintain it under subsection (a) shall retain the paper or electronic image thereof for a period of 1 year to be accessible through their respective principal places of business. Such person and carrier shall, upon request, make the shipping paper available to a Federal, State, or local government agency at reasonable times and locations." Pub. L. 109–99, § 7110(a)(3), redesignated subsect. (e) as (d), redesignated (d) as (e), and redesignated (c).

### IMPROVEMENTS TO HAZARDOUS MATERIALS IDENTIFICATION SYSTEMS

Pub. L. 101–615, § 25, Nov. 16, 1990, 104 Stat. 3273, provided that: 

"(a) RULEMAKING PROCEEDING.—

"(1) INITIATION.—In order to develop methods of improving the current system of identifying hazardous materials being transported in vehicles for safeguarding the health and safety of persons responding to emergencies involving such hazardous materials and the public and to facilitate the review and reporting process required by subsection (d), the Secretary of Transportation shall initiate a rulemaking proceeding not later than 30 days after the date of the enactment of this Act [Nov. 16, 1990]."

"(2) PRIMARY PURPOSES.—The primary purposes of the rulemaking proceeding initiated under this subsection are—

"(A) to determine methods of improving the current system of placarding vehicles transporting hazardous materials; and

"(B) to determine methods for establishing and operating a central reporting system and computerized telecommunications data center described in subsection (b)(1)."

"(3) METHODS OF IMPROVING PLACARDING SYSTEM.—The methods of improving the current system of placarding to be considered under the rulemaking proceeding initiated under this subsection shall include methods to make such placards more visible, methods to reduce the number of improper and missing placards, alternative methods of marking vehicles for the purpose of identifying the hazardous materials being transported, methods of modifying the composition of placards in order to ensure their resistance to flammability, methods of improving the coding system used with respect to such placards, identification of appropriate emergency response procedures through symbols on placards, and whether or not telephone numbers of any continually monitored telephone systems which are established under the Hazardous Materials Transportation Act [see 49 U.S.C. 5111 et seq.] are displayed on vehicles transporting hazardous materials."

"(4) COMPLETION OF RULEMAKING PROCEEDING WITH RESPECT TO REPORTING SYSTEM AND DATA CENTER.—Not later than 18 months after the date of the enactment of this Act [Nov. 16, 1990], the Secretary of Transportation shall complete the rulemaking proceeding initiated with respect to the central reporting system and computerized telecommunications data center described in subsection (b)."

"(5) FINAL RULE WITH RESPECT TO PLACARDING.—Not later than 30 months after the date of the enactment of this Act, the Secretary of Transportation shall issue a final rule relating to improving the current system for placarding vehicles transporting hazardous materials."

"(b) CENTRAL REPORTING SYSTEM AND COMPUTERIZED TELECOMMUNICATIONS DATA CENTER STUDY.—

"(1) ARRANGEMENTS WITH NATIONAL ACADEMY OF SCIENCES.—Not later than 30 days after the date of the enactment of this Act [Nov. 16, 1990], the Secretary of Transportation shall undertake to enter into appropriate arrangements with the National Academy of Sciences to conduct a study of the feasibility and necessity of establishing and operating a central reporting system and computerized telecommunications data center that is capable of receiving, storing, and retrieving data concerning all daily shipments of hazardous materials, that can identify hazardous materials being transported by any mode of transportation, and that can provide information to facilitate responses to accidents and incidents involving the transportation of hazardous materials."

"(2) CONSULTATION AND REPORT.—In entering into any arrangements with the National Academy of Sciences for conducting the study under this section, the Secretary of Transportation shall request the National Academy of Sciences—

"(A) to consult with the Department of Transportation, the Department of Health and Human Services, the Environmental Protection Agency, the Federal Emergency Management Agency, and the Occupational Safety and Health Administration, shippers and carriers of hazardous materials, manufacturers of computerized telecommunications systems, State and local emergency preparedness organizations (including law enforcement and firefighting organizations), and appropriate international organizations in conducting such study; and

"(B) to submit, not later than 18 months after the date of the enactment of this Act, to the Secretary, the Committee on Commerce, Science, and Transportation of the Senate, and the Committees on Energy and Commerce and Public Works and Transportation of the House of Representatives a report on the results of such study.

Such report shall include recommendations of the National Academy of Sciences with respect to establishment and operation of a central reporting system and computerized telecommunications data center described in paragraph (1)."
"(3) AUTHORIZATION OF APPROPRIATION.—In addition to amounts authorized under section 115 of the Hazardous Materials Transportation Act [see 49 U.S.C. § 5111], there is authorized to be appropriated to the Secretary of Transportation to carry out this subsection $350,000.

"(c) ADDITIONAL PURPOSES OF RULEMAKING PROCEEDING AND STUDY.—Additional purposes of the rulemaking proceeding initiated under subsection (a) with respect to a central reporting system and computerized telecommunications data center described in subsection (b) and the study conducted under subsection (b) are—

"(1) to determine whether such a system and center should be established and operated by the United States Government or by a private entity, either on its own initiative or under contract with the United States;

"(2) to determine, on an annualized basis, the estimated cost for establishing, operating, and maintaining such a system and center and for carrier and shipper compliance with such a system;

"(3) to determine methods for financing the cost of establishing, operating, and maintaining such a system and center;

"(4) to determine projected safety benefits of establishing and operating such a system and center;

"(5) to determine whether or not shippers, carriers, and handlers of hazardous materials, in addition to law enforcement officials and persons responsible for responding to emergencies involving hazardous materials, should have access to such system for obtaining information concerning shipments of hazardous materials and technical and other information and advice with respect to such emergencies;

"(6) to determine methods for ensuring the security of the information and data stored in such a system;

"(7) to determine types of hazardous materials and types of shipments for which information and data should be stored in such a system;

"(8) to determine the degree of liability of the operator of such a system and center for providing incorrect, false, or misleading information;

"(9) to determine deadlines by which shippers, carriers, and handlers of hazardous materials should be required to submit information to the operator of such a system and center and minimum standards relating to the form and contents of such information;

"(10) to determine measures (including the imposition of civil and criminal penalties) for ensuring compliance with the deadlines and standards referred to in paragraph (9); and

"(11) to determine methods for accessing such a system through mobile satellite service or other technologies having the capability to provide 2-way voice, data, or facsimile services.

"(d) REVIEW AND REPORT TO CONGRESS.—

"(1) In general.—Not later than 25 months after the date of the enactment of this Act [Nov. 16, 1990], the Secretary of Transportation shall review the report of the National Academy of Sciences submitted under subsection (b) and the results of rulemaking proceeding initiated under subsection (a) with respect to a central reporting system and computerized telecommunications data center and shall prepare and submit to Congress a report summarizing the report of the National Academy of Sciences and the results of such rulemaking proceeding, together with the Secretary's recommendations concerning the establishment and operation of such a system and center and the Secretary's recommendations concerning implementation of the recommendations contained in the report of the National Academy of Sciences.

"(2) WEIGHT TO BE GIVEN TO RECOMMENDATIONS OF NAE.—In conducting the review and preparing the report under this subsection, the Secretary shall give substantial weight to the recommendations contained in the report of the National Academy of Sciences submitted under subsection (b).

"(3) INCLUSION OF REASONS FOR NOT FOLLOWING RECOMMENDATIONS.—If the Secretary does not include in the report prepared for submission to Congress under this subsection a recommendation for implementation of a recommendation contained in the report of the National Academy of Sciences submitted under subsection (b), the Secretary shall include in the report to Congress under this subsection the Secretary's reasons for not recommending implementation of the recommendation of the National Academy of Sciences."

CONTINUALLY MONITORED TELEPHONE SYSTEMS
Pub. L. 101–615, § 126, Nov. 16, 1990, 104 Stat. 3273, provided that:

"(a) RULEMAKING PROCEEDING.—Not later than 90 days after the date of the enactment of this Act [Nov. 16, 1990], the Secretary of Transportation shall initiate a rulemaking proceeding on the feasibility, necessity, and safety benefits of requiring carriers involved in the hazardous materials transportation industry to establish continually monitored telephone systems equipped to provide emergency response information and assistance with respect to accidents and incidents involving hazardous materials. Additional objectives of such proceeding shall be to determine which hazardous materials, if any, should be covered by such a requirement and which segments of such industry (including persons who own and operate motor vehicles, trains, vessels, aircraft, and in-transit storage facilities) should be covered by such a requirement.

"(b) COMPLETION OF PROCEEDING.—Not later than 30 months after the date of the enactment of this Act [Nov. 16, 1990], the Secretary of Transportation shall complete the proceeding under this section and may issue a final rule relating to establishment of continually monitored telephone systems described in subsection (a)."

§ 5112. Highway routing of hazardous material

(a) APPLICATION.—(1) This section applies to a motor vehicle only if the vehicle is transporting hazardous material in commerce for which placards prescribed under this chapter. However, the Secretary by regulation may extend application of this section or a standard prescribed under subsection (b) of this section to—

(A) any use of a vehicle under this paragraph to transport any hazardous material in commerce; and

(B) any motor vehicle used to transport hazardous material in commerce.

(2) Except as provided by subsection (d) of this section and section 5125(c) of this title, each State and Indian tribe may establish, maintain, and enforce—

(A) designations of specific highway routes over which hazardous material may or may not be transported by motor vehicle; and

(B) limitations and requirements related to highway routing.

(b) STANDARDS FOR STATES AND INDIAN TRIBES.—(1) The Secretary, in consultation with the States, shall prescribe by regulation standards for States and Indian tribes to use in carrying out subsection (a) of this section. The standards shall include—

(A) a requirement that a highway routing designation, limitation, or requirement of a
State or Indian tribe shall enhance public safety in the area subject to the jurisdiction of the State or tribe and in areas of the United States not subject to the jurisdiction of the State or tribe and directly affected by the designation, limitation, or requirement;

(B) minimum procedural requirements to ensure public participation when the State or Indian tribe is establishing a highway routing designation, limitation, or requirement;

(C) a requirement that, in establishing a highway routing designation, limitation, or requirement, a State or Indian tribe consult with appropriate State, local, and tribal officials having jurisdiction over areas of the United States not subject to the jurisdiction of that State or tribe establishing the designation, limitation, or requirement and with affected industries;

(D) a requirement that a highway routing designation, limitation, or requirement of a State or Indian tribe shall ensure through highway routing for the transportation of hazardous material between adjacent areas;

(E) a requirement that a highway routing designation, limitation, or requirement of one State or Indian tribe affecting the transportation of hazardous material in another State or tribe may be established, maintained, and enforced by the State or tribe establishing the designation, limitation, or requirement only if—

(i) the designation, limitation, or requirement is agreed to by the other State or tribe within a reasonable period or is approved by the Secretary under subsection (d) of this section; and

(ii) the designation, limitation, or requirement is not an unreasonable burden on commerce;

(F) a requirement that establishing a highway routing designation, limitation, or requirement of a State or Indian tribe be completed in a timely way;

(G) a requirement that a highway routing designation, limitation, or requirement of a State or Indian tribe provide reasonable routes for motor vehicles transporting hazardous material to reach terminals, facilities for food, fuel, repairs, and rest, and places to load and unload hazardous material;

(H) a requirement that a State be responsible—

(i) for ensuring that political subdivisions of the State comply with standards prescribed under this subsection in establishing, maintaining, and enforcing a highway routing designation, limitation, or requirement; and

(ii) for resolving a dispute between political subdivisions; and

(I) a requirement that, in carrying out subsection (a) of this section, a State or Indian tribe shall consider—

(i) population densities;

(ii) the types of highways;

(iii) the types and amounts of hazardous material;

(iv) emergency response capabilities;

(v) the results of consulting with affected persons;

(vi) exposure and other risk factors;

(vii) terrain considerations;

(viii) the continuity of routes;

(ix) alternative routes;

(x) the effects on commerce;

(xi) delays in transportation; and

(xii) other factors the Secretary considers appropriate.

(2) The Secretary may not assign a specific weight that a State or Indian tribe shall use when considering the factors under paragraph (1)(I) of this subsection.

(c) LIST OF ROUTE DESIGNATIONS.—In coordination with the States, the Secretary shall update and publish periodically a list of currently effective hazardous material highway route designations.

(d) DISPUTE RESOLUTION.—(1) The Secretary shall prescribe regulations for resolving a dispute related to through highway routing or to an agreement with a proposed highway route designation, limitation, or requirement between or among States, political subdivisions of different States, or Indian tribes.

(2) A State or Indian tribe involved in a dispute under this subsection may petition the Secretary to resolve the dispute. The Secretary shall resolve the dispute not later than one year after receiving the petition. The resolution shall provide the greatest level of highway safety without being an unreasonable burden on commerce and shall ensure compliance with standards prescribed under subsection (b) of this section.

(3)(A) After a petition is filed under this subsection, a civil action about the subject matter of the dispute may be brought in a court only after the earlier of—

(i) the day the Secretary issues a final decision; or

(ii) the last day of the one-year period beginning on the day the Secretary receives the petition.

(B) A State or Indian tribe adversely affected by a decision of the Secretary under this subsection may bring a civil action for judicial review of the decision in an appropriate district court of the United States not later than 89 days after the day the decision becomes final.

(e) RELATIONSHIP TO OTHER LAWS.—This section and regulations prescribed under this section do not affect sections 31111 and 31113 of this title or section 127 of title 23.

(f) EXISTING RADIOACTIVE MATERIAL ROUTING REGULATIONS.—The Secretary is not required to amend or again prescribe regulations related to highway routing designations over which radioactive material may and may not be transported by motor vehicles, and limitations and requirements related to the routing, that were in effect on November 16, 1990.

AMENDMENTS

2005—Pub. L. 109–59 substituted “Secretary” for “Secretary of Transportation” in introductory provisions.

STUDY OF HAZARDOUS MATERIALS TRANSPORTATION BY MOTOR CARRIERS NEAR FEDERAL PRISONS

Pub. L. 100–311, title I, § 121, Aug. 26, 1994, 108 Stat. 1861, directed Secretary of Transportation to submit to Congress, not later than 1 year after Aug. 26, 1994, report on results of study to determine safety considerations of transporting hazardous materials by motor carriers in close proximity to Federal prisons, particularly those housing maximum security prisoners, which was to include evaluation of ability of such facilities and designated local planning agencies to safely evacuate such prisoners in event of emergency and any special training, equipment, or personnel that would be required by such facility and designated local emergency planning agencies to carry out such evacuation.

§ 5114. Air transportation of ionizing radiation material

(a) TRANSPORTING IN AIR COMMERCE.—Material that emits ionizing radiation spontaneously may be transported on a passenger-carrying aircraft in air commerce (as defined in section 40102(a) of this title) only if the material is intended for a use in, or incident to, research or medical diagnosis or treatment and does not present an unreasonable hazard to health and safety when being prepared for, and during, transportation.

(b) PROCEDURES.—The Secretary shall prescribe procedures for monitoring and enforcing regulations prescribed under this section.

(c) NONAPPLICATION.—This section does not apply to material the Secretary decides does not pose a significant hazard to health or safety when transported because of its low order of radioactivity.

AMENDMENTS

2005—Subsec. (a)(1). Pub. L. 109–59 substituted “Secretary” for “Secretary of Transportation”. 

§ 5115. Training curriculum for the public sector

(a) IN GENERAL.—In coordination with the Administrator of the Federal Emergency Manage-
ment Agency, the Chairman of the Nuclear Regulatory Commission, the Administrator of the Environmental Protection Agency, the Secretaries of Labor, Energy, and Health and Human Services, and the Director of the National Institute of Environmental Health Sciences, and using existing coordinating mechanisms of the National Response Team and, for radioactive material, the Federal Radiological Preparedness Coordinating Committee, the Secretary of Transportation shall maintain, and update periodically, a current curriculum of courses necessary to train public sector emergency response and preparedness teams in matters relating to the transportation of hazardous material. Only in developing the curriculum, the Secretary of Transportation shall consult with regional response teams established under the national contingency plan established under section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9605), representatives of commissions established under section 301 of the Emergency Planning and Community Right-To-Know Act of 1986 (42 U.S.C. 11001); and

(b) REQUIREMENTS.—The curriculum maintained and updated under subsection (a) of this section—

(1) shall include—

(A) a recommended course of study to train public sector employees to respond to an accident or incident involving the transportation of hazardous material and to plan for those responses;

(B) recommended basic courses and minimum number of hours of instruction necessary for public sector employees to be able to respond safely and efficiently to an accident or incident involving the transportation of hazardous material and to plan those responses; and

(C) appropriate emergency response training and planning programs for public sector employees developed with Federal financial assistance, including programs developed with grants made under section 1296(g) of the Superfund Amendments and Reauthorization Act of 1986 (42 U.S.C. 9660a); and

(2) may include recommendations on material appropriate for use in a recommended basic course described in clause (1)(B) of this subsection.

(c) TRAINING ON COMPLYING WITH LEGAL REQUIREMENTS.—A recommended basic course described in subsection (b)(1)(B) of this section shall provide the training necessary for public sector employees to comply with—

(1) regulations related to hazardous waste operations and emergency response contained in part 1910 of title 29, Code of Federal Regulations, prescribed by the Secretary of Labor;

(2) regulations related to worker protection standards for hazardous waste operations contained in part 311 of title 40, Code of Federal Regulations, prescribed by the Administrator; and

(3) standards related to emergency response training prescribed by the National Fire Protection Association and such other voluntary consensus standard-setting organizations as the Secretary of Transportation determines appropriate.

(d) DISTRIBUTION AND PUBLICATION.—With the National Response Team—

(1) the Secretary shall distribute the curriculum and any updates to the curriculum to the regional response teams and all committees and commissions established under section 301 of the Emergency Planning and Community Right-To-Know Act of 1986 (42 U.S.C. 11001); and

(2) the Secretary may publish and distribute a list of programs and courses maintained and updated under this section and of any programs utilizing such courses.

Subsec. (d)(2). Pub. L. 109–59, §7126, substituted “Secretary” for “Director of Transportation”.

Pub. L. 109–59, §7113(d)(3), inserted “and distribute” after “publish” and substituted “list of programs and courses maintained and updated under this section and of any programs utilizing such courses” for “list of programs that uses a course developed under this section for training public sector employees to respond to an accident or incident involving the transportation of hazardous material”.

CHANGE OF NAME

EFFECTIVE DATE OF 1994 AMENDMENT

§ 5116. Planning and training grants, monitoring, and review

(a) PLANNING GRANTS.—(1) The Secretary shall make grants to States and Indian tribes—

(A) to develop, improve, and carry out emergency plans under the Emergency Planning and Community Right-To-Know Act of 1986 (42 U.S.C. 11001 et seq.), including ascertaining flow patterns of hazardous material on lands under the jurisdiction of a State or Indian tribe, and between lands under the jurisdiction of a State or Indian tribe and lands of another State or Indian tribe; and

(B) to decide on the need for a regional hazardous material emergency response team.

(2) The Secretary may make a grant to a State or Indian tribe under paragraph (1) of this subsection in a fiscal year only if—

(A) the State or Indian tribe certifies that the total amount the State or Indian tribe expends (except amounts the United States Government) to develop, improve, and carry out emergency plans under the Act will at least equal the average level of expenditure for the last 5 fiscal years; and

(B) the State agrees to make available at least 75 percent of the amount of the grant under paragraph (1) of this subsection in the fiscal year to local emergency planning committees established under section 301(c) of the Act (42 U.S.C. 11001(c)) to develop emergency plans under the Act.

(3) A State or Indian tribe receiving a grant under this subsection shall ensure that planning under the grant is coordinated with emergency planning conducted by adjacent States and Indian tribes.

(b) TRAINING GRANTS.—(1) The Secretary shall make grants to States and Indian tribes to train public sector employees to respond to accidents and incidents involving hazardous material.

(2) The Secretary may make a grant under paragraph (1) of this subsection in a fiscal year—

(A) to a State or Indian tribe only if the State or tribe certifies that the total amount the State or tribe expends (except amounts of the Government) to train public sector employees to respond to an accident or incident involving hazardous material will at least equal the average level of expenditure for the last 5 fiscal years;

(B) to a State or Indian tribe only if the State or tribe makes an agreement with the Secretary that the State or tribe will use in that fiscal year, for training public sector employees to respond to an accident or incident involving hazardous material—

(i) a course developed or identified under section 5115 of this title; or

(ii) another course the Secretary decides is consistent with the objectives of this section; and

(C) to a State only if the State agrees to make grants under paragraph (1) of this subsection in the fiscal year for training public sector employees a political subdivision of the State employs or uses.

(3) A grant under this subsection may be used—

(A) to pay—

(i) the tuition costs of public sector employees being trained;

(ii) travel expenses of those employees to and from the training facility;

(iii) room and board of those employees when at the training facility; and

(iv) travel expenses of individuals providing the training;

(B) by the State, political subdivision, or Indian tribe to provide the training; and

(C) to make an agreement the Secretary approves authorizing a person (including an authority of a State or political subdivision of a State or Indian tribe) to provide the training—

(i) if the agreement allows the Secretary and the State or tribe to conduct random examinations, inspections, and audits of the training without prior notice; and

(ii) if the State or tribe conducts at least one on-site observation of the training each year.

(4) The Secretary shall allocate amounts made available for grants under this subsection for a fiscal year among eligible States and Indian tribes based on the needs of the States and tribes for emergency response training. In making a decision about those needs, the Secretary shall consider—

(A) the number of hazardous material facilities in the State or on land under the jurisdiction of the tribe;

(B) the types and amounts of hazardous material transported in the State or on that land;
(C) whether the State or tribe imposes and collects a fee on transporting hazardous material;
(D) whether the fee is used only to carry out a purpose related to transporting hazardous material; and
(E) other factors the Secretary decides are appropriate to carry out this subsection.

(c) COMPLIANCE WITH CERTAIN LAW.—The Secretary may make a grant to a State under this section in a fiscal year only if the State certifies that the State complies with sections 201 and 309 of the Emergency Planning and Community Right-To-Know Act of 1986 (42 U.S.C. 11001, 11003).

(d) APPLICATIONS.—A State or Indian tribe interested in receiving a grant under this section shall submit an application to the Secretary. The application must be submitted at the time, shall contain information, the Secretary requires by regulation to carry out the objectives of this section.

(e) GOVERNMENT’S SHARE OF COSTS.—A grant under this section is for 80 percent of the cost the State or Indian tribe incurs in the fiscal year to carry out the activity for which the grant is made. Amounts of the State or tribe under subsections (a)(2)(A) and (b)(2)(A) of this section are not part of the non-Government share under this subsection.

(f) MONITORING AND TECHNICAL ASSISTANCE.—In coordination with the Secretaries of Transportation and Energy, Administrator of the Environmental Protection Agency, and Director of the National Institute of Environmental Health Sciences, the Administrator of the Federal Emergency Management Agency shall monitor public sector emergency response planning and training for an accident or incident involving hazardous material. Considering the results of the monitoring, the Secretaries, Administrators, and Director each shall provide technical assistance to a State, political subdivision of a State, or Indian tribe for carrying out emergency response training and planning for an accident or incident involving hazardous material and shall coordinate the assistance using the existing coordinating mechanisms of the National Response Team and, for radioactive material, the Federal Radiological Preparedness Coordinating Committee.

(g) DELEGATION OF AUTHORITY.—To minimize administrative costs and to coordinate Federal financial assistance for emergency response training and planning, the Secretary may delegate to the Administrator of the Federal Emergency Management Agency, Director of the National Institute of Environmental Health Sciences, Chairman of the Nuclear Regulatory Commission, Administrator of the Environmental Protection Agency, and Secretaries of Labor and Energy any of the following:

(1) authority to receive applications for grants under this section;
(2) authority to review applications for technical compliance with this section;
(3) authority to review applications to recommend approval or disapproval;
(4) any other ministerial duty associated with grants under this section.

(h) MINIMIZING DUPLICATION OF EFFORT AND EXPENSES.—The Secretaries of Transportation, Labor, and Energy, Administrator of the Federal Emergency Management Agency, Director of the National Institute of Environmental Health Sciences, Chairman of the Nuclear Regulatory Commission, and Administrator of the Environmental Protection Agency shall review periodically, with the head of each department, agency, or instrumentality of the Government, all emergency response and preparedness training programs of that department, agency, or instrumentality to minimize duplication of effort and expense of the department, agency, or instrumentality in carrying out the programs and shall take necessary action to minimize duplication.

(i) ANNUAL REGISTRATION FEE ACCOUNT AND ITS USES.—The Secretary of the Treasury shall establish an account in the Treasury (to be known as the “Hazardous Materials Emergency Preparedness Fund”) into which the Secretary of the Treasury shall deposit amounts the Secretary of Transportation transfers to the Secretary of the Treasury under section 5108(g)(2)(C) of this title. Without further appropriation, amounts in the account are available—

(1) to make grants under this section;
(2) to monitor and provide technical assistance under subsection (f) of this section;
(3) to publish and distribute an emergency response guide;
(4) to pay administrative costs of carrying out this section and sections 5108(g)(2) and 5115 of this title, except that not more than 2 percent of the amounts made available from the account in a fiscal year may be used to pay those costs.

(j) SUPPLEMENTAL TRAINING GRANTS.—

(1) In order to further the purposes of subsection (b), the Secretary shall, subject to the availability of funds, make grants to national nonprofit employee organizations engaged solely in fighting fires for the purpose of training instructors to conduct hazardous materials response training programs for individuals with statutory responsibility to respond to hazardous materials accidents and incidents.

(2) For the purposes of this subsection the Secretary, after consultation with interested organizations, shall—

(A) identify regions or locations in which fire departments or other organizations which provide emergency response to hazardous materials transportation accidents and incidents are in need of hazardous materials training; and
(B) prioritize such needs and develop a means for identifying additional specific training needs.

(3) Funds granted to an organization under this subsection shall only be used—

(A) to train instructors to conduct hazardous materials response training programs;
(B) to purchase training equipment used exclusively to train instructors to conduct such training programs; and
(C) to disseminate such information and materials as are necessary for the conduct of such training programs.

(4) The Secretary may only make a grant to an organization under this subsection in a fis-
§ 5116

In subsection (a)(2)(B), the words “by the State emergency response commission” are omitted as surplus.

In subsection (b)(2)(B)(1), the words “or courses” are omitted because of 1:1.

In subsection (c), the words “including compliance with such sections with respect to accidents and incidents involving the transportation of hazardous materials” are omitted as surplus.

In subsection (d), the words “section” is substituted for “subsection” for clarity because there are no objectives in the subsection being restated.

In subsection (e), the words “a grant under this section is for” are substituted for “By a grant under this section, the Secretary shall reimburse any State or Indian tribe an amount not to exceed” to eliminate unnecessary words and for consistency in the revised title. The words “which are required to be expended under subsections (a)(2) and (b)(2) of this section” are omitted as surplus. The words “under this subsection” are added for clarity.

In subsection (h), the words “including coordination of training programs” are omitted as surplus.

CHANGE OF NAME

EFFECTIVE DATE OF 1996 AMENDMENT

Section 6(b) of Pub. L. 104–287 provided that the amendment made by that section is effective Aug. 26, 1994.

EFFECTIVE DATE OF 1994 AMENDMENT

Section 7(c) of Pub. L. 103–429 provided that the amendment made by that section is effective Aug. 26, 1994.

§ 5117. Special permits and exclusions

(a) Authority to issue special permits.—(1) As provided under procedures prescribed by regulation, the Secretary may issue, modify, or terminate a special permit authorizing a variance from this chapter or a regulation prescribed under section 5103(b), 5104, 5110, or 5112 of this title to a person performing a function regulated by the Secretary under section 5103(b)(1) in a way that achieves a safety level—

(A) at least equal to the safety level required under this chapter; or

(B) consistent with the public interest and this chapter, if a required safety level does not exist.

(2) A special permit issued under this section shall be effective for an initial period of not more than 2 years and may be renewed by the Secretary upon application for successive periods of not more than 4 years each or, in the case of a special permit relating to section 5112, for an additional period of not more than 2 years.

(b) Applications.—When applying for a special permit or renewal of a special permit under this section, the person must provide a safety analysis prescribed by the Secretary that justifies the special permit. The Secretary shall publish in the Federal Register notice that an application for a special permit has been filed and shall give the public an opportunity to inspect the safety analysis and comment on the application. This subsection does not require the release of information protected by law from public disclosure.

(c) Applications To Be Dealt With Promptly.—The Secretary shall issue or renew the special permit for which an application was filed or deny such issuance or renewal within 180 days after the first day of the month following the date of the filing of such application, or the Secretary shall publish a statement in the Federal Register of the reason why the Secretary’s decision on the special permit is delayed, along with an estimate of the additional time necessary before the decision is made.

(d) Exclusions.—(1) The Secretary shall exclude, in any part, from this chapter and regulations prescribed under this chapter—

(A) a public vessel (as defined in section 2101 of title 46);

(B) a vessel equipped under section 3702 of title 46 from chapter 37 of title 46; and

(C) a vessel to the extent it is regulated under the Ports and Waterways Safety Act of 1972 (33 U.S.C. 1221 et seq.).

(2) This chapter and regulations prescribed under this chapter do not prohibit—

(A) or regulate transportation of a firearm (as defined in section 232 of title 18), or ammunition for a firearm, by an individual for personal use; or

(B) transportation of a firearm or ammunition in commerce.

(e) Limitation on Authority.—Unless the Secretary decides that an emergency exists, a special permit or renewal granted under this section is the only way a person subject to this chapter may be granted a variance from this chapter.

In subsection (a)(1), before clause (A), the words “or renew” and “subject to the requirements of this chapter” are omitted as surplus. In clause (A), the words “at least equal to the safety level required under this chapter” are substituted for “which is equal to or exceeds that level of safety which would be required in the absence of such exemption” to eliminate unnecessary words.

In subsection (a)(2), the words “issued or renewed” are omitted as surplus.

In subsection (b), the words “upon application” and “grant of such” are omitted as surplus. The words “give the public an opportunity to inspect” are substituted for “afford access to . . . public” for clarity. The words “described by subsection (b) of section 552 of title 5, or which is otherwise” are omitted as surplus.

In subsection (c)(1), clauses (A) and (B) are substituted for “any vessel which is excepted from the application of section 201 of the Ports and Waterways Safety Act of 1972 by paragraph (2) of such section”. Section 201 of that Act amended section 4417a of the Revised Statutes (classified at 46 U.S.C. §§ 2111 and 2112 as comprising part of the codification of subtitle II of title 46 in 1983). Clauses (A) and (B) restate the exceptions provided by section 201 of that Act and by section 4417a of the Revised Statutes as subsequently amended. Clause (C) is substituted for “any other vessel regulated under such Act, to the extent of such regulation” because of the restatement.

In subsection (c)(2), before clause (A), the word “prescribed” is substituted for “issued” for consistency in the revised title and with other titles of the United States Code.

In subsection (d), the words “by which”, “the requirements of”, and “or relieved of the obligation to meet any requirements imposed under” are omitted as surplus.

### Amendments

Subsec. (a), Pub. L. 109-59, §7115(b), substituted “Issue Special Permits” for “Exempt” in heading.

Subsec. (a)(1), Pub. L. 109-59, §7126, substituted “Secretary” for “Secretary of Transportation” in introductory provisions.

Pub. L. 109-59, §7115(c), in introductory provisions, substituted “issue, modify, or terminate a special permit authorizing a variance” for “issue an exemption” and “performing a function regulated by the Secretary under section 5103(b)(1)” for “transporting, or causing to be transported, hazardous material”.

Subsec. (a)(2), Pub. L. 109-59, §7115(d), amended par. (2) generally. Prior to amendment, par. (2) read as follows: “An exemption under this subsection is effective for not more than 2 years and may be renewed on application to the Secretary.”

Subsec. (b), Pub. L. 109-59, §7115(e), substituted “the special permit” for “the exemption” and substituted a “special permit” for “an exemption” wherever appearing.

Subsec. (c), Pub. L. 109-59, §7115(f), substituted “the special permit” for “the exemption” in two places.

Subsec. (e), Pub. L. 109-59, §7115(g), substituted a “special permit” for “an exemption” and “be granted a variance” for “be exempt”.

1994—Subsecs. (c) to (e), Pub. L. 103-311 added subsec. (c) and redesignated former subsecs. (c) and (d) as (d) and (e), respectively.

### § 5119. Uniform forms and procedures

(a) **Establishment of Working Group.**—The Secretary shall establish a working group of State and local government officials, including representatives of the National Governors Association, the National Association of Counties, the National League of Cities, the United States Conference of Mayors, the National Conference of State Legislatures, and the Alliance for Uniform Hazmat Transportation Procedures.

(b) **Purpose of Working Group.**—The purpose of the working group shall be to develop uniform forms and procedures for a State to register, and to issue permits to, persons that transport, or cause to be transported, hazardous material by motor vehicle in the State.

(c) **Limitation on Working Group.**—The working group may not propose to define or limit the amount of a fee a State may impose or collect.

(d) **Procedure.**—The Secretary shall develop a procedure for the working group to employ in developing recommendations for the Secretary to harmonize existing State registration and permit laws and regulations relating to the transportation of hazardous materials, with special attention paid to each State’s unique safety concerns and interest in maintaining strong hazmat safety standards.

(e) **Report of Working Group.**—Not later than 18 months after the date of enactment of this subsection, the working group shall transmit to the Secretary a report containing recommendations for establishing uniform forms and procedures described in subsection (b).

(f) **Regulations.**—Not later than 18 months after the date the working group’s report is delivered to the Secretary, the Secretary shall issue regulations to carry out such recommendations of the working group as the Secretary considers appropriate. In developing such regulations, the Secretary shall consider the State needs associated with the transition to and implementation of a uniform forms and procedures program.

(g) **Limitation on Statutory Construction.**—Nothing in this section shall be construed as prohibiting a State from voluntarily participating in a program of uniform forms and procedures until such time as the Secretary issues regulations under subsection (f).
§ 5121. Administrative

(a) GENERAL AUTHORITY.—To carry out this chapter, the Secretary may investigate, conduct tests, make reports, issue subpoenas, conduct hearings, require the production of records and property, take depositions, and conduct research, development, demonstration, and training activities. Except as provided in subsections (c) and (d), after notice and an opportunity for a hearing, the Secretary may issue an order requiring compliance with this chapter or a regulation prescribed, or an order, special permit, or approval issued, under this chapter.

(b) RECORDS, REPORTS, AND INFORMATION.—A person subject to this chapter shall—

(1) maintain records and property, make reports, and provide information the Secretary by regulation or order requires; and

(2) make the records, property, reports, and information available for inspection when the Secretary undertakes an investigation or makes a request.

(c) INSPECTIONS AND INVESTIGATIONS.—

(1) IN GENERAL.—A designated officer, employee, or agent of the Secretary—

(A) may inspect and investigate, at a reasonable time and in a reasonable manner, records and property relating to a function described in section 5103(b)(1); and

(B) except in the case of packaging immediately adjacent to its hazardous material contents, may gain access to, open, and examine a package offered for, or in, transportation when the officer, employee, or agent has an objectively reasonable and articulable belief that the package may contain a hazardous material;

(C) may remove from transportation a package or related packages in a shipment offered for or in transportation for which—

(i) such officer, employee, or agent has an objectively reasonable and articulable belief that the package may pose an imminent hazard; and

(ii) such officer, employee, or agent contemporaneously documents such belief in

In subsection (a), before clause (1), the words “As soon as practicable after November 16, 1990” are omitted as obsolete.

In subsection (c)(1), the words “Subject to the provisions of this subsection” and “to the Secretary” are omitted as surplus.

The date of enactment of this subsection, referred to in subsection (a), is the date of enactment of Pub. L. 109–59, which was approved Aug. 10, 2005.
§ 5121

under paragraph (3) and the review under that paragraph is not completed by the end of the 30-day period beginning on the date the petition is filed, the action shall cease to be effective at the end of such period unless the Secretary determines, in writing, that the imminent hazard providing a basis for the action continues to exist.

(5) OUT-OF-SERVICE ORDER DEFINED.—In this subsection, the term “out-of-service order” means a requirement that an aircraft, vessel, motor vehicle, train, railcar, locomotive, other vehicle, transport unit, transport vehicle, freight container, potable tank, or other package not be moved until specified conditions have been met.

(e) REGULATIONS.—

(1) TEMPORARY REGULATIONS.—Not later than 60 days after the date of enactment of the Hazardous Materials Transportation Safety and Security Reauthorization Act of 2005, the Secretary shall issue temporary regulations to carry out subsections (c) and (d). The temporary regulations shall expire on the date of issuance of the regulations under paragraph (2).

(2) FINAL REGULATIONS.—Not later than 1 year after such date of enactment, the Secretary shall issue regulations to carry out subsections (c) and (d) in accordance with subchapter II of chapter 5 of title 5.

(f) FACILITY, STAFF, AND REPORTING SYSTEM ON RISKS, EMERGENCIES, AND ACTIONS.—(1) The Secretary shall—

(A) maintain a facility and technical staff sufficient to provide, within the United States Government, the capability of evaluating a risk related to the transportation of hazardous material and material alleged to be hazardous;

(B) maintain a central reporting system and information center capable of providing information and advice to law enforcement and firefighting personnel, other interested individuals, and officers and employees of the Government and State and local governments on meeting an emergency related to the transportation of hazardous material;

(C) conduct a continuous review on all aspects of transporting hazardous material to decide on and take appropriate actions to ensure safe transportation of hazardous material.

(2) Paragraph (1) of this subsection does not prevent the Secretary from making a contract with a private entity for use of a supplemental reporting system and information center operated and maintained by the contractor.

(g) GRANTS AND COOPERATIVE AGREEMENTS.—The Secretary may enter into grants and cooperative agreements with a person, agency, or instrumentality of the United States, a unit of State or local government, an Indian tribe, a foreign government (in coordination with the Department of State), an educational institution, or other appropriate entity—

(1) to expand risk assessment and emergency response capabilities with respect to the security of transportation of hazardous material;

(2) to enhance emergency communications capacity as determined necessary by the Secretary, including the use of integrated, inter-

accordance with procedures set forth in guidance or regulations prescribed under subsection (e);

(D) may gather information from the offeror, carrier, packaging manufacturer or tester, or other person responsible for the package, to ascertain the nature and hazards of the contents of the package;

(E) as necessary, under terms and conditions specified by the Secretary, may order the offeror, carrier, packaging manufacturer or tester, or other person responsible for the package to have the package transported to, opened, and the contents examined and analyzed, at a facility appropriate for the conduct of such examination and analysis; and

(F) when safety might otherwise be compromised, may authorize properly qualified personnel to assist in the activities conducted under this subsection.

(2) DISPLAY OF CREDENTIALS.—An officer, employee, or agent acting under this subsection shall display proper credentials when requested.

(3) SAFE RESUMPTION OF TRANSPORTATION.—In instances when, as a result of an inspection or investigation under this subsection, an imminent hazard is not found to exist, the Secretary, in accordance with procedures set forth in regulations prescribed under subsection (e), shall assist—

(A) in the safe and prompt resumption of transportation of the package concerned; or

(B) in any case in which the hazardous material being transported is perishable, in the safe and expeditious resumption of transportation of the perishable hazardous material.

(d) EMERGENCY ORDERS.—

(1) IN GENERAL.—If, upon inspection, investigation, testing, or research, the Secretary determines that a violation of a provision of this chapter, or a regulation prescribed under this chapter, or an unsafe condition or practice that constitutes or is causing an imminent hazard, the Secretary may issue or impose emergency restrictions, prohibitions, recalls, or out-of-service orders, without notice or an opportunity for a hearing, but only to the extent necessary to abate the imminent hazard.

(2) WRITTEN ORDERS.—The action of the Secretary under paragraph (1) shall be in a written emergency order that—

(A) describes the violation, condition, or practice that constitutes or is causing the imminent hazard;

(B) states the restrictions, prohibitions, recalls, or out-of-service orders issued or imposed; and

(C) describes the standards and procedures for obtaining relief from the order.

(3) OPPORTUNITY FOR REVIEW.—After taking action under paragraph (1), the Secretary shall provide for review of the action under section 554 of title 5 if a petition for review is filed within 20 calendar days of the date of issuance of the order for the action.

(4) EXPIRATION OF EFFECTIVENESS OF ORDER.—If a petition for review of an action is filed under paragraph (3) and the review under that paragraph is not completed by the end of the 30-day period beginning on the date the petition is filed, the action shall cease to be effective at the end of such period unless the Secretary determines, in writing, that the imminent hazard providing a basis for the action continues to exist.

(5) OUT-OF-SERVICE ORDER DEFINED.—In this subsection, the term “out-of-service order” means a requirement that an aircraft, vessel, motor vehicle, train, railcar, locomotive, other vehicle, transport unit, transport vehicle, freight container, potable tank, or other package not be moved until specified conditions have been met.

(e) REGULATIONS.—

(1) TEMPORARY REGULATIONS.—Not later than 60 days after the date of enactment of the Hazardous Materials Transportation Safety and Security Reauthorization Act of 2005, the Secretary shall issue temporary regulations to carry out subsections (c) and (d). The temporary regulations shall expire on the date of issuance of the regulations under paragraph (2).

(2) FINAL REGULATIONS.—Not later than 1 year after such date of enactment, the Secretary shall issue regulations to carry out subsections (c) and (d) in accordance with subchapter II of chapter 5 of title 5.

(f) FACILITY, STAFF, AND REPORTING SYSTEM ON RISKS, EMERGENCIES, AND ACTIONS.—(1) The Secretary shall—

(A) maintain a facility and technical staff sufficient to provide, within the United States Government, the capability of evaluating a risk related to the transportation of hazardous material and material alleged to be hazardous;

(B) maintain a central reporting system and information center capable of providing information and advice to law enforcement and firefighting personnel, other interested individuals, and officers and employees of the Government and State and local governments on meeting an emergency related to the transportation of hazardous material;

(C) conduct a continuous review on all aspects of transporting hazardous material to decide on and take appropriate actions to ensure safe transportation of hazardous material.

(2) Paragraph (1) of this subsection does not prevent the Secretary from making a contract with a private entity for use of a supplemental reporting system and information center operated and maintained by the contractor.

(g) GRANTS AND COOPERATIVE AGREEMENTS.—The Secretary may enter into grants and cooperative agreements with a person, agency, or instrumentality of the United States, a unit of State or local government, an Indian tribe, a foreign government (in coordination with the Department of State), an educational institution, or other appropriate entity—

(1) to expand risk assessment and emergency response capabilities with respect to the security of transportation of hazardous material;

(2) to enhance emergency communications capacity as determined necessary by the Secretary, including the use of integrated, inter-
operable emergency communications technologies where appropriate;
(3) to conduct research, development, demonstration, risk assessment, and emergency response planning and training activities; or
(4) to otherwise carry out this chapter.

(h) REPORT.—The Secretary shall, once every 2 years, prepare and transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a comprehensive report on the transportation of hazardous materials during the preceding 2 calendar years. The report shall include—

(1) a statistical compilation of accidents and casualties related to the transportation of hazardous material;
(2) a list and summary of applicable Government regulations, criteria, orders, and special permits;
(3) a summary of the basis for each special permit;
(4) an evaluation of the effectiveness of enforcement activities relating to a function regulated by the Secretary under section 5103(b)(1) and the degree of voluntary compliance with regulations;
(5) a summary of outstanding problems in carrying out this chapter in order of priority; and
(6) recommendations for appropriate legislation.

In subsection (d)(1), before clause (A), the words “establish and” are omitted as executed. In clause (B), the words “capable of” are substituted for “so as to be able to” to eliminate unnecessary words. The word “technical and other” and “of communities” are omitted as surplus. The words “and employees” are added for consistency in the revised title and with other titles of the Code. In clause (C), the word “in order” and “to be able” are omitted as surplus.

In subsection (e), before clause (1), the words “prepare and” and “comprehensive” are omitted as surplus. In clause (1), the word “thorough” is omitted as surplus. In clause (2), the words “in effect” are omitted as surplus. In clause (3), the words “granted or maintained” are omitted as surplus. In clause (6), the words “additional . . . as are deemed necessary or” are omitted as surplus.

Subsec. (b)(2). Pub. L. 109–59, §7118(b)(2), inserted “property,” after “records,” and “for inspection” after “available” and substituted “undertakes an investigation or makes a request” for “requests”.
Subsec. (c). Pub. L. 109–59, §7118(c), amended heading and text of subsec. (c) generally. Prior to amendment, text read as follows: “(1) The Secretary may authorize an officer, employee, or agent to inspect, at a reasonable time and in a reasonable way, records and property related to—
(A) manufacturing, fabricating, marking, maintaining, reconditioning, repairing, testing, or distributing a packaging or a container for use by a person in transporting hazardous material in commerce; or
(B) the transportation of hazardous material in commerce.
(2) An office, employee, or agent under this section shall allow proper credentials when requested.”
Subsecs. (d), (e). Pub. L. 109–59, §7118(d), added subsecs. (d) and (e). Former subsecs. (d) and (e) redesignated (f) and (h), respectively.
Subsec. (g). Pub. L. 109–59, §7118(e), added subsec. (g).
Subsec. (h). Pub. L. 109–59, §7118(f)(1), substituted “transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate” for “submit to the President for transmission to the Congress” in introductory provisions.
Pub. L. 109–59, §7118(d)(1), redesignated subsec. (e) as (h).
Subsec. (h)(4). Pub. L. 109–59, §7118(f)(2), inserted “relating to a function regulated by the Secretary under section 5103(b)(1)” after “activities”.

first sentence for former first sentence which read as follows: “The Secretary shall submit to the President, for submission to Congress, not later than June 15th of each year, a report about the transportation of hazardous material during the prior calendar year.”

**TOLL FREE NUMBER FOR REPORTING**

Section 116 of Pub. L. 103–311 provided that: “The Secretary of Transportation shall designate a toll free telephone number for transporters of hazardous materials and other individuals to report to the Secretary possible violations of chapter 51 of title 49, United States Code, or any order or regulation issued under that chapter.”

§ 5122. Enforcement

(a) GENERAL.—At the request of the Secretary, the Attorney General may bring a civil action in an appropriate district court of the United States to enforce this chapter or a regulation prescribed or order, special permit, or approval issued under this chapter. The court may award appropriate relief, including a temporary or permanent injunction, punitive damages, and assessment of civil penalties considering the same penalty amounts and factors as prescribed for the Secretary in an administrative case under section 5123.

(b) IMMINENT HAZARDS.—(1) If the Secretary has reason to believe that an imminent hazard exists, the Secretary may bring a civil action in an appropriate district court of the United States—

(A) to suspend or restrict the transportation of the hazardous material responsible for the hazard;

(B) to eliminate or mitigate the hazard.

(2) On request of the Secretary, the Attorney General shall bring an action under paragraph (1) of this subsection.

(c) WITHHOLDING OF CLEARANCE.—(1) If any owner, operator, or individual in charge of a vessel is liable for a civil penalty under section 5123 of this title or for a fine under section 5124 of this title, or if reasonable cause exists to believe that such owner, operator, or individual in charge may be subject to such a civil penalty or fine, the Secretary of Homeland Security, upon the request of the Secretary, shall with respect to such vessel refuse or revoke any clearance required by section 60105 of title 46.

(2) Clearance refused or revoked under this subsection may be granted upon the filing of a bond or other surety satisfactory to the Secretary.

In this section, the words “bring a civil action” are substituted for “bring an action in” in 49 App.:1810 and “petition . . . for an order . . . for such other order” for consistency in the revised title and with other titles of the United States Code.

In subsection (a), the text of 49 App.:1808(a) (last sentence words after semicolon) and the words “for equitable relief” in 49 App.:1810(a) are omitted as surplus. The words “enforce this chapter” are substituted for “redress a violation by any person of a provision of this chapter” to eliminate unnecessary words. The words “regulation prescribed or order issued” are substituted for “order or regulation issued” for consistency in the revised title and with other titles of the Code. The words “The court may award appropriate relief, including” are substituted for “Such district courts shall have jurisdiction to determine such actions and may grant such relief as is necessary or appropriate, including mandatory or prohibitive injunctive relief, interim equitable relief, and” to eliminate unnecessary words.

In subsection (b)(1), before clause (A), the words “as is necessary” are omitted as surplus.

**AMENDMENTS**

§ 5123. Civil penalty

(a) PENALTY.—(1) A person that knowingly violates this chapter or a regulation, order, special permit, or approval issued under this chapter is liable to the United States Government for a civil penalty of not more than $50,000 for each violation. A person acts knowingly when—

(A) the person has actual knowledge of the facts giving rise to the violation; or

(B) a reasonable person acting in the circumstances and exercising reasonable care would have that knowledge.

(2) If the Secretary finds that a violation under paragraph (1) results in death, serious illness, or severe injury to any person or substantial destruction of property, the Secretary may increase the amount of the civil penalty for such violation to not more than $100,000.

(3) If the violation is related to training, paragraph (1) shall be applied by substituting “$450” for “$250”.

(4) A separate violation occurs for each day the violation, committed by a person that transports or causes to be transported hazardous material, continues.

(b) HEARING REQUIREMENT.—The Secretary may find that a person has violated this chapter or a regulation prescribed or order, special per-
mit, or approval issued under this chapter only after notice and an opportunity for a hearing. The Secretary shall impose a penalty under this section by giving the person written notice of the amount of the penalty.

(3) PENALTY CONSIDERATIONS.—In determining the amount of a civil penalty under this section, the Secretary shall consider—

(1) the nature, circumstances, extent, and gravity of the violation;

(2) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue to do business; and

(3) other matters that justice requires.

(d) CIVIL ACTIONS TO COLLECT.—The Attorney General may bring a civil action in an appropriate district court of the United States to collect a civil penalty under this section and any accrued interest on the civil penalty as calculated in accordance with section 1005 of the Oil Pollution Act of 1990 (33 U.S.C. 2705). In the civil action, the amount and appropriateness of the civil penalty shall not be subject to review.

(e) COMPROMISE.—The Secretary may compromise the amount of a civil penalty imposed under this section before referral to the Attorney General.

(f) SETTLEMENT.—The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.

(g) DEPOSITING AMOUNTS COLLECTED.—Amounts collected under this section shall be deposited in the Treasury as miscellaneous receipts.

(2) ($50,000), (d) substituting ''regulation, order, special permit, or approval issued'' for ''regulation prescribed or order issued'' and ''$50,000'' for ''$25,000''.

Subsec. (a)(2) to (4), Pub. L. 109–59, § 12(a)(2), (3), added paras. (2) and (3) and redesignated former par. (2) as (4).

Subsec. (b), Pub. L. 109–59, § 7126, substituted ''Secretary may'' for ''Secretary of Transportation may''

Pub. L. 109–59, § 7120(b), substituted ''regulation prescribed or order, special permit, or approval issued'' for ''regulation prescribed''.

Subsec. (d), Pub. L. 109–59, § 7120(c), substituted ''section and any accrued interest on the civil penalty as calculated in accordance with section 1005 of the Oil Pollution Act of 1990 (33 U.S.C. 2705). In the civil action, the amount and appropriateness of the civil penalty shall not be subject to review.'' for ''section.''

In subsection (c)(2), the words ``the violator'' are substituted for ``the person found to have committed such violation'' to eliminate unnecessary words.

In subsection (f), the words ``imposed or compromised'' are substituted for ``of such penalty, when finally determined (or agreed upon in compromise)'' to eliminate unnecessary words and for consistency. The words ``liable for the penalty'' are substituted for ``charged'' for clarity.

AMENDMENTS

2005—Subsec. (a)(1). Pub. L. 109–59, § 7120(a)(1), in introductory provisions substituted ''regulation, order, special permit, or approval issued'' for ''regulation prescribed or order issued'' and ''$50,000'' for ''$25,000''.

Pub. L. 109–59, § 7120(b), substituted ''regulation prescribed or order, special permit, or approval issued'' for ''regulation prescribed''.

Subsec. (d), Pub. L. 109–59, § 7120(c), substituted ''section and any accrued interest on the civil penalty as calculated in accordance with section 1005 of the Oil Pollution Act of 1990 (33 U.S.C. 2705). In the civil action, the amount and appropriateness of the civil penalty shall not be subject to review.'' for ''section.''

In subsection (c)(2), the words ``the violator'' are substituted for ``the person found to have committed such violation'' to eliminate unnecessary words.

In subsection (f), the words ``imposed or compromised'' are substituted for ``of such penalty, when finally determined (or agreed upon in compromise)'' to eliminate unnecessary words and for consistency. The words ``liable for the penalty'' are substituted for ``charged'' for clarity.
(2) the person has knowledge that the conduct was unlawful.

(d) RECKLESS VIOLATIONS.—For purposes of this section, a person acts recklessly when the person displays a deliberate indifference or conscious disregard to the consequences of that person's conduct.

HISTORICAL AND REVISION NOTES

AMENDMENTS

2005—Pub. L. 109–59 reenacted section catchline without change and amended text generally. Prior to amendment, text read as follows: “A person knowingly violating section 510(b) of this title or willfully violating this chapter or a regulation prescribed or order issued under this chapter shall be fined under title 18, imprisoned for not more than 5 years, or both.”

§ 5125. Preemption

(a) GENERAL.—Except as provided in subsection (b), (c), and (e) of this section and unless authorized by another law of the United States, a requirement of a State, political subdivision of a State, or Indian tribe is preempted if—

(1) complying with a requirement of the State, political subdivision, or tribe and a requirement of this chapter, a regulation prescribed under this chapter, or a hazardous materials transportation security regulation or directive issued by the Secretary of Homeland Security is not possible; or

(2) the requirement of the State, political subdivision, or tribe, as applied or enforced, is an obstacle to accomplishing and carrying out this chapter, a regulation prescribed under this chapter, or a hazardous materials transportation security regulation or directive issued by the Secretary of Homeland Security.

(b) SUBSTANTIVE DIFFERENCES.—(1) Except as provided in subsection (c) of this section and unless authorized by another law of the United States, a law, regulation, order, or other requirement of a State, political subdivision of a State, or Indian tribe about any of the following subjects, that is not substantively the same as a provision of this chapter, a regulation prescribed under this chapter, or a hazardous materials transportation security regulation or directive issued by the Secretary of Homeland Security, is preempted:

(A) the designation, description, and classification of hazardous material;

(B) the packing, repacking, handling, labeling, marking, and placarding of hazardous material;

(C) the preparation, execution, and use of shipping documents related to hazardous material and requirements related to the number, contents, and placement of those documents.

(D) the written notification, recording, and reporting of the unintentional release in transportation of hazardous material.

(E) the designing, manufacturing, fabricating, inspecting, marking, maintaining, reconditioning, repairing, or testing a package, container, or packaging component that is represented, marked, certified, or sold as qualified for use in transporting hazardous material in commerce.

(2) If the Secretary prescribes or has prescribed under section 5103(b), 5104, 5110, or 5112 of this title or prior comparable provision of law a regulation or standard related to a subject referred to in paragraph (1) of this subsection, a State, political subdivision of a State, or Indian tribe may prescribe, issue, maintain, and enforce only a law, regulation, standard, or order about the subject that is substantively the same as a provision of this chapter or a regulation prescribed or order issued under this chapter. The Secretary shall decide on and publish in the Federal Register the effective date of section 5103(b) of this title for any regulation or standard about any of those subjects that the Secretary prescribes. The effective date may not be earlier than 90 days after the Secretary prescribes the regulation or standard nor later than the last day of the 2-year period beginning on the date the Secretary prescribes the regulation or standard.

(3) If a State, political subdivision of a State, or Indian tribe imposes a fine or penalty the Secretary decides is appropriate for a violation related to a subject referred to in paragraph (1) of this subsection, an additional fine or penalty may not be imposed by any other authority.

(c) COMPLIANCE WITH SECTION 5112(b) REGULATIONS.—(1) Except as provided in paragraph (2) of this subsection, after the last day of the 2-year period beginning on the date a regulation is prescribed under section 5112(b) of this title, a State or Indian tribe may establish, maintain, or enforce a highway routing designation over which hazardous material may or may not be transported by motor vehicles, or a limitation or requirement related to highway routing, only if the designation, limitation, or requirement complies with section 5112(b).

(2)(A) A highway routing designation, limitation, or requirement established before the date a regulation or standard related to a subject referred to in paragraph (1) of this subsection, or requirement established before November 16, 1996.

(B) This subsection and section 5112 of this title do not require a State or Indian tribe to comply with section 5112(b)(1)(B), (C), and (F).

(C) The Secretary may allow a highway routing designation, limitation, or requirement to continue in effect until a dispute related to the designation, limitation, or requirement is resolved under section 5112(d) of this title.

(d) DECISIONS ON PREEMPTION.—(1) A person (including a State, political subdivision of a State, or Indian tribe) directly affected by a requirement of a State, political subdivision, or tribe may apply to the Secretary, as provided by regulations prescribed by the Secretary, for a decision on whether the requirement is pre-
emptied by subsection (a), (b)(1), or (c) of this section or section 5119(f). The Secretary shall publish notice of the application in the Federal Register. The Secretary shall issue a decision on an application for a determination within 180 days after the date of the publication of the notice of having received such application, or the Secretary shall publish a statement in the Federal Register of the reason why the Secretary’s decision on the application is delayed, along with an estimate of the additional time necessary before the decision is made. After notice is published, an applicant may not seek judicial relief on the same or substantially the same issue until the Secretary takes final action on the application or until 180 days after the application is filed, whichever occurs first.

2. After consulting with States, political subdivisions of States, and Indian tribes, the Secretary shall prescribe regulations for carrying out paragraph (1) of this subsection.

3. Subsection (a) of this section does not prevent a State, political subdivision of a State, or Indian tribe from seeking a decision on preemption from a court of competent jurisdiction instead of applying to the Secretary under paragraph (1) of this subsection.

(e) Waiver of Preemption.—A State, political subdivision of a State, or Indian tribe may apply to the Secretary for a waiver of preemption of a requirement the State, political subdivision, or tribe acknowledges is preempted by subsection (a), (b)(1), or (c) of this section or section 5119(f). Under a procedure the Secretary prescribes by regulation, the Secretary may waive preemption on deciding the requirement—

(1) provides the public at least as much protection as do requirements of this chapter and regulations prescribed under this chapter; and

(2) is not an unreasonable burden on commerce.

(f) Fees.—(1) A State, political subdivision of a State, or Indian tribe may impose a fee related to transporting hazardous material only if the fee is fair and used for a purpose related to transporting hazardous material, including enforcement and planning, developing, and maintaining a capability for emergency response.

(2) A State or political subdivision thereof or Indian tribe that levies a fee in connection with the transportation of hazardous materials shall, upon the Secretary’s request, report to the Secretary on—

(A) the basis on which the fee is levied upon persons involved in such transportation;

(B) the purposes for which the revenues from the fee are used;

(C) the annual total amount of the revenues collected from the fee; and

(D) such other matters as the Secretary requests.

(g) Application of Each Preemption Standard.—Each standard for preemption in subsection (a), (b)(1), or (c), and in section 5119(f), is independent in its application to a requirement of a State, political subdivision of a State, or Indian tribe.

(h) Non-Federal Enforcement Standards.—This section does not apply to any procedure, penalty, required mental state, or other standard utilized by a State, political subdivision of a State, or Indian tribe to enforce a requirement applicable to the transportation of hazardous material.

PUBL. L. 103–429

This amends 49:5125(a) and (b)(1) to clarify the restatement of 49 App.:1804(a)(4) and 1811(a) by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 761).

AMENDMENTS

2008—Subsec. (d)(1). Pub. L. 110–244, §302(c)(1), substituted “5119(f)” for “5119(e)”.

Subsec. (g). Pub. L. 110–244, §302(c)(2), (3), substituted “(a), (b)(1), or (c)” for “(b), (c)(1), or (d)” and “5119(f)” for “5119(b)”.

2005—Subsec. (b)(1)(E). Pub. L. 109–59, §7122(a)(1), added subpar. (E) and struck out former subpar. (E) which read as follows: “the design, manufacturing, fabricating, marking, maintenance, reconditioning, repairing, or testing of a packaging or a container represented, marked, certified, or sold as qualified for use in transporting hazardous material.”

Subsec. (b)(2). Pub. L. 109–59, §7126, substituted “If the Secretary” for “If the Secretary of Transportation”.

 evolution, cost, and regulation.
§ 5126. Relationship to other laws

(a) CONTRACTS.—A person under contract with a department, agency, or instrumentality of the United States Government that transports hazardous material, or causes hazardous material to be transported, or designs, manufactures, fabricates, inspects, marks, maintains, reconditions, repairs, or tests a package, container, or packaging component that is represented as qualified for use in transporting hazardous material shall comply with this chapter, regulations prescribed and orders issued under this chapter, and all other requirements of the Government, State and local governments, and Indian tribes (except a requirement preempted by a law of the United States) in the same way and to the same extent that any person engaging in that transportation, designing, manufacturing, fabricating, inspecting, marking, maintaining, reconditioning, repairing, or testing that is in or affects commerce must comply with the provision, regulation, order, or requirement.

(b) NONAPPLICATION.—This chapter does not apply to—

(1) a pipeline subject to regulation under chapter 601 of this title; or

(2) any matter that is subject to the postal laws and regulations of the United States under this chapter or title 18 or 39.

HISTORICAL AND REVISION NOTES

In subsection (a), the word “manufacturers” is substituted for “manufacturers” to correct an error in the source provisions. The words “of the executive, legislative, or judicial branch,” “be subject to and”, “substantive and procedural”, and “this chapter or any other” are omitted as surplus.

AMENDMENTS

2005—Subsec. (a). Pub. L. 109–59, §7124(4), substituted “designing, manufacturing, fabricating, inspecting, marking, maintaining, reconditioning, repairing, or testing” for “manufacturing, fabricating, marking, maintaining, reconditioning, repairing, or testing”.

Pub. L. 109–59, §7124(3), as amended by Pub. L. 110–244, substituted “shall comply with this chapter” for “must comply with this chapter”.

Pub. L. 109–59, §7124(1), (2), substituted “transports hazardous material, or causes hazardous material to be transported,” for “transports or causes to be transported hazardous material,” and “designs, manufactures, fabricates, inspects, marks, maintains, reconditions, repairs, or tests a package, container, or packaging component that is represented” for “manufactures, fabricates, marks, maintains, reconditions, repairs, or tests a packaging or a container that the person represents, marks, certifies, or sells”.

1994—Subsec. (a). Pub. L. 103–311 substituted “a packaging or a” for “a package or”.

EFFECTIVE DATE OF 2008 AMENDMENT

Amendment by Pub. L. 110–244 effective as of the date of enactment of Pub. L. 109–59 (Aug. 10, 2005) and to be treated as included in Pub. L. 109–59 as of that date, and provisions of Pub. L. 109–59, as in effect on the day before June 8, 2008, that are amended by Pub. L. 110–244 to be treated as not enacted, see section 12(b) of Pub. L. 110–244, set out as a note under section 101 of Title 23, Highways.

§ 5127. Judicial review

(a) FILING AND VENUE.—Except as provided in section 20114(c), a person adversely affected or aggrieved by a final action of the Secretary under this chapter may petition for review of that final action in the United States Court of Appeals for the District of Columbia or in the court of appeals for the United States for the circuit in which the person resides or has its
principal place of business. The petition must be filed not more than 60 days after the Secretary’s action becomes final.

(b) **JUDICIAL PROCEDURES.**—When a petition is filed under subsection (a), the clerk of the court immediately shall send a copy of the petition to the Secretary. The Secretary shall file with the court a record of any proceeding in which the final action was issued, as provided in section 2112 of title 28.

(c) **AUTHORITY OF COURT.**—The court has exclusive jurisdiction, as provided in subchapter II of chapter 5 of title 5, to affirm or set aside any part of the Secretary’s final action and may order the Secretary to conduct further proceedings.

(d) **REQUIREMENT FOR PRIOR OBJECTION.**—In reviewing a final action under this section, the court may consider an objection to a final action of the Secretary only if the objection was made in the course of a proceeding or review conducted by the Secretary or if there was a reasonable ground for not making the objection in the proceeding.

Prior Provisions

A prior section 5127 was renumbered section 5128 of this title.

§ 5128. Authorization of appropriations

(a) **IN GENERAL.**—In order to carry out this chapter (except sections 5107(e), 5108(g)(2), 5113, 5115, 5116, and 5119), the following amounts are authorized to be appropriated to the Secretary:

(1) For fiscal year 2005, $21,800,000.

(2) For fiscal year 2006, $29,000,000.

(3) For fiscal year 2007, $30,000,000.

(4) For fiscal year 2008, $30,000,000.

(b) **HAZARDOUS MATERIALS EMERGENCY PREPAREDNESS FUND.**—There shall be available to the Secretary, from the account established pursuant to section 5116(i), for each of fiscal years 2005 through 2008 the following:

(1) To carry out section 5115, $200,000.

(2) To carry out sections 5116(a) and (b), $21,800,000 to be allocated as follows:

(A) $5,000,000 to carry out section 5116(a).

(B) $7,800,000 to carry out section 5116(b).

(C) Of the amount provided for by this paragraph for a fiscal year in excess of the suballocations in subparagraphs (A) and (B)—

(i) 35 percent shall be used to carry out section 5116(a); and

(ii) 65 percent shall be used to carry out section 5116(b), except that the Secretary may increase the proportion to carry out section 5116(b) and decrease the proportion to carry out section 5116(a) if the Secretary determines that such reallocation is appropriate to carry out the intended uses of these funds as described in the applications submitted by States and Indian tribes.

(3) To carry out section 5116(f), $1,000,000.

(4) To publish and distribute the Emergency Response Guidebook under section 5116(i)(3), $625,000.

(5) To carry out section 5116(j), $1,000,000.

(c) **HAZMAT TRAINING GRANTS.**—There shall be available to the Secretary, from the account established pursuant to section 5116(i), to carry out section 5107(e) $4,000,000 for each of fiscal years 2005 through 2008.

(d) **ISSUANCE OF HAZMAT LICENSES.**—There are authorized to be appropriated for the Department of Transportation such amounts as may be necessary to carry out section 5103a.

(e) **CREDITS TO APPROPRIATIONS.**—The Secretary may credit any appropriation to carry out this chapter an amount received from a State, Indian tribe, or other public authority or private entity for expenses the Secretary incurs in providing training to the State, authority, or entity.

(f) **AVAILABILITY OF AMOUNTS.**—Amounts made available by or under this section remain available until expended.

Pub. L. 109–59, title III, §3037(b), Aug. 10, 2005, 119 Stat. 1636, which directed amendment of the analysis for chapter 53 by striking the item relating to section 5339 and inserting a new item 5339, was executed by adding the new item 5339 after item 5338 to reflect the probable intent of Congress, because no item for section 5339 had been enacted.

1998—Pub. L. 105–178, title III, §§3007(a)(2), 3008(b), 3009(b), 3014(b), 3017(b), 3025(b)(2), title V, §5110(c), June 9, 1998, 112 Stat. 347, 352, 359, 361, 365, 444, substituted ‘‘Urbanized area formula grants’’ for ‘‘Block grants’’ in item 5307, ‘‘Clean fuels formula grant program’’ for ‘‘Mass Transit Account block grants’’ in item 5308, ‘‘Capital Investment’’ for ‘‘Discretionary’’ in item 5309, ‘‘Formulas’’ for ‘‘Financial assistance’’ in item 5311, and ‘‘transit’’ for ‘‘mass transportation’’ in item 5315, struck out items 5316 ‘‘University research institutes’’ and 5317 ‘‘Transportation centers’’, and inserted ‘‘provisions’’ after ‘‘Administrative’’ in item 5334.

Pub. L. 105–178, title III, §3013(b), June 9, 1998, 112 Stat. 359, which directed insertion of ‘‘formula’’ before ‘‘gran’’ in item 5310, was executed by substituting ‘‘Formula grants’’ for ‘‘Grants’’ to reflect the probable intent of Congress.

§ 5301. Policies, findings, and purposes

(a) DEVELOPMENT AND REVITALIZATION OF PUBLIC TRANSPORTATION SYSTEMS.—It is in the interest of the United States, including its economic interest, to foster the development and revitalization of public transportation systems that—

(1) maximize the safe, secure, and efficient mobility of individuals;

(2) minimize environmental impacts; and

(3) minimize transportation-related fuel consumption and reliance on foreign oil.

(b) GENERAL FINDINGS.—Congress finds that—

(1) more than two-thirds of the population of the United States is located in rapidly expanding urbanized areas that generally cross the
boundary lines of local jurisdictions and often extend into at least 2 States;
(2) the welfare and vitality of urban areas, the satisfactory movement of people and goods within those areas, and the effectiveness of programs aided by the United States Government are jeopardized by deteriorating or inadequate urban transportation service and facilities, the intensification of traffic congestion, and the lack of coordinated, comprehensive, and continuing development planning;
(3) transportation is the lifeblood of an urbanized society, and the health and welfare of an urbanized society depend on providing efficient, economical, and convenient transportation in and between urban areas;
(4) for many years the public transportation industry capably and profitably satisfied the transportation needs of the urban areas of the United States but in the early 1970’s continuing even minimal public transportation service in urban areas was threatened because maintaining that transportation service was financially burdensome;
(5) ending that transportation, or the continued increase in its cost to the user, is undesirable and may affect seriously and adversely the welfare of a substantial number of lower income individuals;
(6) some urban areas were developing preliminary plans for, or carrying out, projects in the early 1970’s to revitalize their public transportation operations;
(7) significant public transportation improvements are necessary to achieve national goals for improved air quality, energy conservation, international competitiveness, and mobility for elderly individuals, individuals with disabilities, and economically disadvantaged individuals in urban and rural areas of the United States;
(8) financial assistance by the Government to develop efficient and coordinated public transportation systems is essential to solve the urban transportation problems referred to in clause (2) of this subsection; and
(9) immediate substantial assistance by the Government is needed to enable public transportation systems to continue providing vital transportation service.

(c) **Rapid Urbanization and Continuing Population Dispersal.**—Rapid urbanization and continuing dispersal of the population and activities in urban areas have made the ability of all citizens to move quickly and at a reasonable cost an urgent problem of the Government.

(d) **Elderly Individuals and Individuals With Disabilities.**—It is the policy of the Government that elderly individuals and individuals with disabilities have the same right as other individuals to use public transportation service and facilities. Special efforts shall be made in planning and designing public transportation service and facilities to ensure that public transportation can be used by elderly individuals and individuals with disabilities. All programs of the Government assisting public transportation shall carry out this policy.

(e) **Preserving the Environment.**—It is the policy of the Government that special effort shall be made to preserve the natural beauty of the countryside, public park and recreation lands, wildlife and waterfowl refuges, and important historical and cultural assets when planning, designing, and carrying out a public transportation capital project with assistance from the Government.

(f) **General Purposes.**—The purposes of this chapter are—

1. to assist in developing improved public transportation equipment, facilities, techniques, and methods with the cooperation of both public transportation companies and private companies engaged in public transportation;
2. to encourage the planning and establishment of areawide public transportation systems needed for economical and desirable urban development with the cooperation of both public transportation companies and private companies engaged in public transportation;
3. to assist States and local governments and their financing areawide public transportation systems that are to be operated by public transportation companies or private companies engaged in public transportation as decided by local needs;
4. to provide financial assistance to State and local governments and their authorities to help carry out national goals related to mobility for elderly individuals, individuals with disabilities, and economically disadvantaged individuals; and
5. to establish a partnership that allows a community, with financial aid from the Government, to satisfy its public transportation requirements.

In subsection (b)(1), the words "the predominant part" in 49 App.:1601(a)(1) and "lives in urban areas" in 49 App.:1601(b) are omitted because of the restatement.
The words "metropolitan and other" in 49 App.:1601(a)(1) are omitted as surplus.

In subsection (b)(2), the words "housing, urban renewal, highway, and other" in 49 App.:1601(a)(2) are omitted as surplus.

Subsection (b)(4), the words "the early 1970's" are substituted for "recent years" in 49 App.:1601(b)(4), and the words "minimal mass transportation service" are substituted for "this essential public service", for clarity.

In subsection (b)(5), the word "particularly" in 49 App.:1601(b)(5) is omitted as surplus.

In subsection (b)(6), the words "were...in the early 1970's" are substituted for "now" in 49 App.:1601(b)(6) for clarity. The words "engaged in", "actually", and "comprehensive" in 49 App.:1601(b)(6) are omitted as surplus.

In subsection (b)(9), the word "many" in 49 App.:1601(b)(7) is omitted as surplus.

In subsection (c), the text of 49 App.:1601(a)(1st sentence words after semicolon) is omitted as executed.

In subsections (d) and (e), the words "hereby declared to be" are omitted as surplus.

In subsection (d), the words "to ensure that mass transportation can be used by elderly individuals and individuals with disabilities are substituted for "in the planning and design of mass transportation facilities and services so that the availability to elderly persons and persons with disabilities of mass transportation which they can effectively utilize will be assured" to eliminate unnecessary words. The words "the field of" and "including the programs under this chapter...contain provisions" are omitted as surplus.

In subsection (e), the words "carrying out" are substituted for "construction of", and the word "capital" is added, for consistency in the revised chapter. The reference to section 5310 of the revised title is added for clarity because a loan or grant made under section 5310 is deemed to have been made under section 5309.

In subsection (f)(5), the words "local" and "to exercise the initiative necessary" are omitted as surplus.

AMENDMENTS

2005—Subsec. (a). Pub. L. 109–59, § 3003(a), amended heading and text of subsec. (a) generally. Prior to amendment, text read as follows: "It is in the interest of the United States to encourage and promote the development of transportation systems that embrace various modes of transportation and efficiently maximize mobility of individuals and goods in and through urbanized areas and minimize transportation-related fuel consumption and air pollution.

Subsec. (b)(1). Pub. L. 109–59, § 3003(b), substituted "two-thirds" for "70 percent" and "urbanized areas" for "urban areas".

Subsec. (b)(4), (6) to (9), (d). Pub. L. 109–59, § 3002(b)(4), substituted "public transportation" for "mass transportation" wherever appearing.

Subsec. (c). Pub. L. 109–59, § 3003(c), substituted "a" for "an" and struck out "under sections 5309 and 5310 of this title" before period at end.

Pub. L. 109–59, § 3002(b)(4), substituted "public transportation" for "mass transportation".

Subsec. (f)(1). Pub. L. 109–59, § 3003(d)(1), substituted "public transportation equipment" for "mass transportation equipment" and "both public transportation companies and private companies engaged in public transportation" for "public and private mass transportation companies".

Subsec. (f)(2). Pub. L. 109–59, § 3003(d)(2), substituted "public transportation systems for "urban mass transportation systems" and "both public transportation companies and private companies engaged in public transportation" for "public and private mass transportation companies".

Subsec. (f)(3). Pub. L. 109–59, § 3003(d)(3), substituted "public transportation systems" for "urban mass transportation systems" and "public transportation companies or private companies engaged in public transportation" for "public or private mass transportation companies".

CONTRACTING OUT STUDY

"(a) STUDY.—Not later than 6 months after the date of enactment of this Act [June 9, 1998], the Secretary of Transportation shall enter into an agreement with the Transportation Research Board of the National Academy of Sciences to conduct a study of the effect of contracting out mass transportation operation and administrative functions on cost, availability and level of service, efficiency, safety, quality of services provided to transit-dependent populations, and employer-employee relations.

"(b) TERMS OF AGREEMENT.—The agreement entered into in subsection (a) shall provide that:

"(1) the Transportation Research Board, in conducting the study, consider the number of grant recipients that have contracted out services, the size of the population served by such grant recipients, the basis for decisions regarding contracting out, the extent to which contracting out was affected by the integration and coordination of resources of transit agencies and other Federal agencies and programs;

"(2) the panel conducting the study shall include representatives of transit agencies, employees of transit agencies, private contractors, academic and policy analysts, and other interested persons.

"(c) REPORT.—Not later than 24 months after the date of entry into the agreement under subsection (a), the Secretary shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a report containing the results of the study.

"(d) FUNDING.—There shall be available from funds made available under section 5338(b)(2) of title 49, United States Code, to carry out this section $250,000 for fiscal year 1999.

COMMANDEE—OBLIGATION.—Entry into an agreement to carry out this section that is financed with amounts made available under subsection (d) is a contractual obligation of the United States to pay the Government's share of the cost of the study.

"(e) CONTRACTUAL OBLIGATION.—Entry into an agreement to carry out this section that is financed with amounts made available under subsection (d) is a contractual obligation of the United States to pay the Government's share of the cost of the study."

COMMUTEE—WORK BENEFITS

"(a) FINDINGS.—The Congress finds that—

"(1) current Federal policy places commuter transit benefits at a disadvantage compared to drive-to-work benefits;

"(2) this Federal policy is inconsistent with important national policy objectives, including the need to conserve energy, reduce reliance on energy imports, lessen congestion, and clean our Nation's air;

"(3) commuter transit benefits should be part of a comprehensive solution to national transportation and air pollution problems;

"(4) current Federal law allows employers to provide only up to $21 per month in employee benefits for transit or van pools;

"(5) the current 'cliff provision', which treats an entire commuter transit benefit as taxable income if it exceeds $21 per month, unduly penalizes the most effective employer efforts to change commuter behavior;

"(6) employer-provided commuter transit incentives offer many public benefits, including increased access of low-income persons to good jobs, inexpensive reduction of roadway and parking congestion, and cost-effective incentives for timely arrival at work; and

"(7) legislation to provide equitable treatment of employer-provided commuter transit benefits has
been introduced with bipartisan support in both the Senate and House of Representatives.

“(b) POLICY.—The Congress strongly supports Federal policy that promotes increased use of employer-provided commuter transit benefits. Such a policy ‘levels the playing field’ between transportation modes and is consistent with important national objectives of energy conservation, reduced reliance on energy imports, lessened congestion, and clean air.”

§ 5302. Definitions

(a) IN GENERAL.—Except as otherwise specifically provided, in this chapter, the following definitions apply:

(1) CAPITAL PROJECT.—The term "capital project" means a project for—

(A) acquiring, constructing, supervising, or inspecting equipment or a facility for use in public transportation, expenses incidental to the acquisition or construction (including designing, engineering, location surveying, mapping, and acquiring rights-of-way), payments for the capital portions of rail track-age rights agreements, transit-related intelligent transportation systems, relocation assistance, acquiring replacement housing sites, and acquiring, constructing, relocating, and rehabilitating replacement housing;

(B) rehabilitating a bus;

(C) remanufacturing a bus;

(D) overhauling rail rolling stock;

(E) preventive maintenance;

(F) leasing equipment or a facility for use in public transportation, subject to regulations that the Secretary prescribes limiting the leasing arrangements to those that are more cost-effective than purchase or construction;

(G) a public transportation improvement that enhances economic development or incorporates private investment, including commercial and residential development, pedestrian and bicycle access to a public transportation facility, construction, renovation, and improvement of intercity bus and intercity rail stations and terminals, and the renovation and improvement of historic transportation facilities, because the improvement enhances the effectiveness of a public transportation project and is related physically or functionally to that public transportation project, or establishes new or enhanced coordination between public transportation and other transportation, and provides a fair share of revenue for public transportation that will be used for public transportation—

(i) including property acquisition, demolition of existing structures, site preparation, utilities, building foundations, walkways, open space, safety and security equipment and facilities (including lighting, surveillance and related intelligent transportation system applications), facilities that incorporate community services such as daycare or health care, and a capital project for, and improving, equipment or a facility for an intermodal transfer facility or transportation mall, except that a person making an agreement to occupy space in a facility under this subparagraph shall pay a reasonable share of the costs of the facility through rental payments and other means; and

(ii) excluding construction of a commercial revenue-producing facility (other than an intercity bus terminal or terminal) or a part of a public facility not related to public transportation;

(H) the introduction of new technology, through innovative and improved products, into public transportation;

(I) the provision of nonfixed route para-transit transportation services in accordance with section 223 of the Americans with Disabilities Act of 1990 (42 U.S.C. 12143), but only for grant recipients that are in compliance with applicable requirements of that Act, including both fixed route and demand responsive service, and only for amounts not to exceed 10 percent of such recipient's annual formula apportionment under sections 5307 and 5311;

(J) crime prevention and security—

(i) including—

(I) projects to refine and develop security and emergency response plans;

(II) projects aimed at detecting chemical and biological agents in public transportation;

(III) the conduct of emergency response drills with public transportation agencies and local first response agencies; and

(IV) security training for public transportation employees; but

(ii) excluding all expenses related to operations, other than such expenses incurred in conducting activities described in clauses (i)(III) and (i)(IV);

(K) establishing a debt service reserve, made up of deposits with a bondholder's trustee, to ensure the timely payment of principal and interest on bonds issued by a grant recipient to finance an eligible project under this chapter; or

(L) mobility management—

(i) consisting of short-range planning and management activities and projects for improving coordination among public transportation and other transportation service providers carried out by a recipient or subrecipient through an agreement entered into with a person, including a governmental entity, under this chapter (other than section 5309); but

(ii) excluding operating public transportation services.

(2) CHIEF EXECUTIVE OFFICER OF A STATE.—The term "chief executive officer of a State" includes the designee of the chief executive officer.

(3) EMERGENCY REGULATION.—The term "emergency regulation" means a regulation—

(A) that is effective temporarily before the expiration of the otherwise specified periods of time for public notice and comment under section 5334(b); and

(B) prescribed by the Secretary as the result of a finding that a delay in the effective date of the regulation—

1See References in Text note below.
§ 5302 TITLE 49—TRANSPORTATION

Page 168

(1) would injure seriously an important public interest;
(2) would frustrate substantially legislative policy and intent; or
(3) would damage seriously a person or class without serving an important public interest.

(4) Fixed Guideway.—The term “fixed guideway” means a public transportation facility—
(A) using and occupying a separate right-of-way or rail for the exclusive use of public transportation and other high occupancy vehicles; or
(B) using a fixed catenary system and a right-of-way usable by other forms of transportation.

(5) Individual with a Disability.—The term “individual with a disability” means an individual who, because of illness, injury, age, congenital malfunction, or other incapacity or temporary or permanent disability (including an individual who is a wheelchair user or has semiambulatory capability), cannot use effectively, without special facilities, planning, or design, public transportation service or a public transportation facility.

(6) Local Governmental Authority.—The term “local governmental authority” includes—
(A) a political subdivision of a State;
(B) an authority of at least 1 State or political subdivision of a State;
(C) an Indian tribe; and
(D) a public corporation, board, or commission established under the laws of a State.

(7) Mass Transportation.—The term “mass transportation” means public transportation.

(8) Net Project Cost.—The term “net project cost” means the part of a project that reasonably cannot be financed from revenues.

(9) New Bus Model.—The term “new bus model” means a bus model (including a model using alternative fuel)—
(A) that has not been used in public transportation in the United States before the date of production of the model; or
(B) used in public transportation in the United States, but being produced with a major change in configuration or components.

(10) Public Transportation.—The term “public transportation” means transportation by a conveyance that provides regular and continuing general or special transportation to the public, but does not include schoolbus, charter, sightseeing, or intercity bus transportation or intercity passenger rail transportation provided by the entity described in chapter 243 (or a successor to such entity).

(11) Regulation.—The term “regulation” means any part of a statement of general or particular applicability of the Secretary designed to carry out, interpret, or prescribe law or policy in carrying out this chapter.

(12) Secretary.—The term “Secretary” means the Secretary of Transportation.

(13) State.—The term “State” means a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, Guam, American Samoa, and the Virgin Islands.

(14) Transit.—The term “transit” means public transportation.

(15) Transit Enhancement.—The term “transit enhancement” means, with respect to any project or an area to be served by a project, projects that are designed to enhance public transportation service or use and that are physically or functionally related to transit facilities. Eligible projects are—
(A) historic preservation, rehabilitation, and operation of historic public transportation buildings, structures, and facilities (including historic bus and railroad facilities);
(B) bus shelters;
(C) landscaping and other scenic beautification, including tables, benches, trash receptacles, and street lights;
(D) public art;
(E) pedestrian access and walkways;
(F) bicycle access, including bicycle storage facilities and installing equipment for transporting bicycles on public transportation vehicles;
(G) transit connections to parks within the recipient’s transit service area;
(H) signage; and
(I) enhanced access for persons with disabilities to public transportation.

(16) Urban Area.—The term “urban area” means an area that includes a municipality or other built-up place that the Secretary, after considering local patterns and trends of urban growth, decides is appropriate for a local public transportation system to serve individuals in the locality.

(17) Urbanized Area.—The term “urbanized area” means an area encompassing a population of not less than 50,000 people that has been defined and designated in the most recent decennial census as an “urbanized area” by the Secretary of Commerce.

(b) Authority To Modify “Individual With a Disability”.—The Secretary may by regulation modify the definition of the term “individual with a disability” in subsection (a)(5) as it applies to section 5307(d)(1)(D).

In this chapter, the words “local governmental authority” are substituted for “public body” for consistency in the revised title and with other titles of the United States Code.

In subsection (a), before clause (1), the text of 49 App.:1608(c)(7) is omitted as surplus. The text of 49 App.:1608(c)(8) is omitted because the complete title of the Secretary of Transportation is used the first time the term appears in a section. In clause (1), before subclause (A), the words “capital project” are substituted for “construction” for clarity. In subclause (A), the words “actual”, “all”, and “reconstruction” are omitted as surplus. In subclause (D), the words “whether or not such overhaul increases the useful life of the rolling stock” are omitted as surplus. In clause (2), the words “for each of the jurisdictions included in the definition of ‘State’” are omitted as surplus. In clauses (3) and (10), the word “regulation” is substituted for “rule” for consistency in the revised title and with other titles of the Code. The words “municipalities” and “other” are omitted as surplus. In clause (6)(A), the words “municipalities” and “other” are omitted as surplus. In clause (6)(B), the word “authority” is substituted for “public agencies and instrumentalities” for consistency in the revised title and with other titles of the Code. The word “municipalities” is omitted as surplus. In clause (7), the words “bus, or rail, or other”, “either publicly or privately owned”, and “and on a . . . basis” are omitted as surplus. Clause (8) is added for clarity because the term “net project cost” has the same meaning throughout this chapter. In clause (11), the words “the Commonwealths” are omitted as surplus. In clause (12), the word “individuals” is substituted for “commuters or others” to eliminate unnecessary words. In clause (13)(A), the words “in the case of any such area” and “entire” are omitted as surplus. The words “Secretary of Commerce” are substituted for “Bureau of the Census”, “which shall be”, “shall be”, “and responsible”, and “in cooperation with each other” are omitted as surplus.

Subsection (b) applies to section 5307(d)(1)(D) of the revised title because of 49 App.:1607(a)(1), restated as section 5307(n)(2) of the revised title.

Effective Date of 1997 Amendment
Pub. L. 105–102, §3(a), Nov. 20, 1997, 111 Stat. 2214, provided that the amendment made by section 3(a) is effective Nov. 15, 1995.

Amendment by Pub. L. 105–102 effective as if included in the provisions of the Act to which the amendment relates, see section 3(f) of Pub. L. 105–102, set out as a note under section 106 of this title.

Effective Date of 1996 Amendment
Section 6(c) of Pub. L. 104–287 provided that the amendment made by that section is effective Sept. 30, 1994.

Effective Date of 1995 Amendment
Section 333(b) of Pub. L. 104–50 provided that: ‘‘The amendments made by this section [amending this section] shall not take effect before March 31, 1996.’’

§ 5303. Metropolitan transportation planning

(a) Policy.—It is in the national interest to—

(1) encourage and promote the safe and efficient management, operation, and development of surface transportation systems that will serve the mobility needs of people and freight and foster economic growth and development within and between States and urbanized areas, while minimizing transportation-related fuel consumption and air pollution through metropolitan and statewide transportation planning processes identified in this chapter; and

(2) encourage the continued improvement and evolution of the metropolitan and statewide transportation planning processes by metropolitan planning organizations, State departments of transportation, and public transit operators as guided by the planning factors identified in subsection (h) and section 5304(d).

(b) Definitions.—In this section and section 5304, the following definitions apply:

(1) METROPOLITAN PLANNING AREA.—The term “metropolitan planning area” means the geographic area determined by agreement between the metropolitan planning organization for the area and the Governor under subsection (e).

(2) METROPOLITAN PLANNING ORGANIZATION.—The term “metropolitan planning organization” means the policy board of an organization created as a result of the designation process in subsection (d).

(3) NONMETROPOLITAN AREA.—The term “nonmetropolitan area” means a geographic area outside a designated metropolitan planning area.

(4) NONMETROPOLITAN LOCAL OFFICIAL.—The term “nonmetropolitan local official” means elected and appointed officials of general purpose local government in a nonmetropolitan area with responsibility for transportation.

(5) TIP.—The term “TIP” means a transportation improvement program developed by a metropolitan planning organization under subsection (j).

(6) URBANIZED AREA.—The term “urbanized area” means a geographic area with a population of 50,000 or more, as designated by the Bureau of the Census.

(c) General Requirements.—

(1) DEVELOPMENT OF LONG-RANGE PLANS AND TIPS.—To accomplish the objectives in subsection (a), metropolitan planning organizations designated under subsection (d), in co-
operation with the State and public transportation operators, shall develop long-range transportation plans and transportation improvement programs for metropolitan planning areas of the State.

(2) CONTENTS.—The plans and TIPs for each metropolitan area shall provide for the development and integrated management and operation of transportation systems and facilities (including accessible pedestrian walkways and bicycle transportation facilities) that will function as an intermodal transportation system for the metropolitan planning area and as an integral part of an intermodal transportation system for the State and the United States.

(3) PROCESS OF DEVELOPMENT.—The process for developing the plans and TIPs shall provide for consideration of all modes of transportation and shall be continuing, cooperative, and comprehensive to the degree appropriate, based on the complexity of the transportation problems to be addressed.

(d) DESIGNATION OF METROPOLITAN PLANNING ORGANIZATIONS.—

(1) IN GENERAL.—To carry out the transportation planning process required by this section, a metropolitan planning organization shall be designated for each urbanized area with a population of more than 50,000 individuals—

(A) by agreement between the Governor and units of general purpose local government that together represent at least 75 percent of the affected population (including the largest incorporated city (based on population) as named by the Bureau of the Census); or

(B) in accordance with procedures established by applicable State or local law.

(2) STRUCTURE.—Each metropolitan planning organization that serves an area designated as a transportation management area, when designated or redesignated under this subsection, shall consist of—

(A) local elected officials;

(B) officials of public agencies that administer or operate major modes of transportation in the metropolitan area; and

(C) appropriate State officials.

(3) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this subsection shall be construed to interfere with the authority, under any State law in effect on December 18, 1991, of a public agency with multimodal transportation responsibilities to—

(A) develop the plans and TIPs for adoption by a metropolitan planning organization; and

(B) develop long-range capital plans, coordinate transit services and projects, and carry out other activities pursuant to State law.

(4) CONTINUING DESIGNATION.—A designation of a metropolitan planning organization under this subsection or any other provision of law shall remain in effect until the metropolitan planning organization is redesignated under paragraph (5).

(5) REDESIGNATION PROCEDURES.—A metropolitan planning organization may be redesignated by agreement between the Governor and units of general purpose local government that together represent at least 75 percent of the existing planning area population (including the largest incorporated city (based on population) as named by the Bureau of the Census) as appropriate to carry out this section.

(6) DESIGNATION OF MORE THAN ONE METROPOLITAN PLANNING ORGANIZATION.—More than one metropolitan planning organization may be designated within an existing metropolitan planning area only if the Governor and the existing metropolitan planning organization determine that the size and complexity of the existing metropolitan planning area make designation of more than one metropolitan planning organization for the area appropriate.

(e) METROPOLITAN PLANNING AREA BOUNDARIES.—

(1) IN GENERAL.—For the purposes of this section, the boundaries of a metropolitan planning area shall be determined by agreement between the metropolitan planning organization and the Governor.

(2) INCLUDED AREA.—Each metropolitan planning area—

(A) shall encompass at least the existing urbanized area and the contiguous area expected to become urbanized within a 20-year forecast period for the transportation plan; and

(B) may encompass the entire metropolitan statistical area or consolidated metropolitan statistical area, as defined by the Bureau of the Census.

(3) IDENTIFICATION OF NEW URBANIZED AREAS WITHIN EXISTING PLANNING AREA BOUNDARIES.—The designation by the Bureau of the Census of new urbanized areas within an existing metropolitan planning area shall not require the redesignation of the existing metropolitan planning organization.

(4) EXISTING METROPOLITAN PLANNING AREAS IN NONATTAINMENT.—Notwithstanding paragraph (2), in the case of an urbanized area designated as a nonattainment area for ozone or carbon monoxide under the Clean Air Act (42 U.S.C. 7401 et seq.) as of the date of enactment of the Federal Public Transportation Act of 2005, the boundaries of the metropolitan planning area in existence as of such date of enactment shall be retained; except that the boundaries may be adjusted by agreement of the Governor and affected metropolitan planning organizations in the manner described in subsection (d)(5).

(5) NEW METROPOLITAN PLANNING AREAS IN NONATTAINMENT.—In the case of an urbanized area designated after the date of enactment of the Federal Public Transportation Act of 2005 as a nonattainment area for ozone or carbon monoxide, the boundaries of the metropolitan planning area—

(A) shall be established in the manner described in subsection (d)(1); and

(B) shall encompass the areas described in paragraph (2)(A);
(C) may encompass the areas described in paragraph (2)(B); and
(D) may address any nonattainment area identified under the Clean Air Act for ozone or carbon monoxide.

(f) COORDINATION IN MULTISTATE AREAS.—
(1) IN GENERAL.—The Secretary shall encourage each Governor with responsibility for a portion of a multistate metropolitan area and the appropriate metropolitan planning organizations to provide coordinated transportation planning for the entire metropolitan area.

(2) INTERSTATE COMPACTS.—The consent of Congress is granted to any two or more States—
(A) to enter into agreements or compacts, not in conflict with any law of the United States, for cooperative efforts and mutual assistance in support of activities authorized under this section as the activities pertain to interstate areas and localities within the States; and
(B) to establish such agencies, joint or otherwise, as the States may determine desirable for making the agreements and compacts effective.

(3) LAKE TAHOE REGION.—
(A) DEFINITION.—In this paragraph, the term "Lake Tahoe region" has the meaning given the term "region" in subdivision (a) of article II of the Tahoe Regional Planning Compact, as set forth in the first section of Public Law 96–551 (94 Stat. 3234).

(B) TRANSPORTATION PLANNING PROCESS.—The Secretary shall—
(i) establish with the Federal land management agencies that have jurisdiction over land in the Lake Tahoe region a transportation planning process for the region; and
(ii) coordinate the transportation planning process with the planning process required of State and local governments under this section and section 5304.

(C) INTERSTATE COMPACT.—
(i) IN GENERAL.—Subject to clause (ii), and notwithstanding subsection (b), to carry out the transportation planning process required by this section, the consent of Congress is granted to the States of California and Nevada to designate a metropolitan planning organization for the Lake Tahoe region, by agreement between the Governors of the States of California and Nevada and units of general purpose local government that together represent at least 75 percent of the affected population (including the central city or cities (as defined by the Bureau of the Census)), or in accordance with procedures established by applicable State or local law.

(ii) INvolvement of FEDERAL LAND MANAGEMENT AGENCIES.—
(I) REPRESENTATION.—The policy board of a metropolitan planning organization designated under clause (i) shall include (1) a representative of each Federal land management agency that has jurisdiction over land in the Lake Tahoe region.

(II) FUNDING.—For fiscal year 2008 and each fiscal year thereafter, in addition to other funds made available to the metropolitan planning organization for the Lake Tahoe region under this chapter and title 23, prior to any allocation under section 202 of title 23, and notwithstanding the allocation provisions of section 202, the Secretary shall set aside 1/2 of 1 percent of all funds authorized to be appropriated for such fiscal year to carry out section 204 of title 23, and shall make such funds available to the metropolitan planning organization for the Lake Tahoe region to carry out the transportation planning process, environmental reviews, preliminary engineering, and design to complete environmental documentation for transportation projects for the Lake Tahoe region under the Tahoe Regional Planning Compact as consented to in Public Law 96–551 (94 Stat. 3233) and this paragraph.

(D) ACTIVITIES.—Highway projects included in transportation plans developed under this paragraph—
(i) shall be selected for funding in a manner that facilitates the participation of the Federal land management agencies that have jurisdiction over land in the Lake Tahoe region; and
(ii) may, in accordance with chapter 2 of title 23, be funded using funds allocated under section 202 of such title.

(4) RESERVATION OF RIGHTS.—The right to alter, amend, or repeal interstate compacts entered into under this subsection is expressly reserved.

(g) MPO CONSULTATION IN PLAN AND TIP COORDINATION.—
(1) NONATTAINMENT AREAS.—If more than one metropolitan planning organization has authority within a metropolitan area or an area which is designated as a nonattainment area for ozone or carbon monoxide under the Clean Air Act, each metropolitan planning organization shall consult with the other metropolitan planning organizations designated for such area and the State in the coordination of plans and TIPs required by this section.

(2) TRANSPORTATION IMPROVEMENTS LOCATED IN MULTIPLE MPOS.—If a transportation improvement, funded from the Highway Trust Fund or authorized under this chapter, is located within the boundaries of more than one metropolitan planning area, the metropolitan planning organizations shall coordinate plans and TIPs regarding the transportation improvement.

(3) RELATIONSHIP WITH OTHER PLANNING OFFICIALS.—The Secretary shall encourage each metropolitan planning organization to consult with officials responsible for other types of planning activities that are affected by transportation in the area (including State and local planned growth, economic development, environmental protection, airport operations, and freight movements) or to coordinate its planning process, to the maximum extent practicable, with such planning activities. Under the metropolitan planning process, transportation plans and TIPs shall be devel-
oped with due consideration of other related planning activities within the metropolitan area, and the process shall provide for the design and delivery of transportation services within the metropolitan area that are provided by—

(A) recipients of assistance under this chapter;
(B) governmental agencies and nonprofit organizations (including representatives of the agencies and organizations) that receive Federal assistance from a source other than the Department of Transportation to provide nonemergency transportation services; and
(C) recipients of assistance under section 204 of title 23.

(h) SCOPE OF PLANNING PROCESS.—

(1) IN GENERAL.—The metropolitan planning process for a metropolitan planning area under this section shall provide for consideration of projects and strategies that will—

(A) support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency;
(B) increase the safety of the transportation system for motorized and nonmotorized users;
(C) increase the security of the transportation system for motorized and nonmotorized users;
(D) increase the accessibility and mobility of people and for freight;
(E) protect and enhance the environment, promote energy conservation, improve the quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns;
(F) enhance the integration and connectivity of the transportation system, across and between modes, for people and freight;
(G) promote efficient system management and operation; and
(H) emphasize the preservation of the existing transportation system.

(2) FAILURE TO CONSIDER FACTORS.—The failure to consider any factor specified in paragraph (1) shall not be reviewable by any court under this chapter, title 23, subchapter II of chapter 5 of title 5, or chapter 7 of title 5 in any matter affecting a transportation plan, a TIP, a project or strategy, or the certification of a planning process.

(i) DEVELOPMENT OF TRANSPORTATION PLAN.—

(1) IN GENERAL.—Each metropolitan planning organization shall prepare a transportation plan for its metropolitan planning area in accordance with the requirements of this subsection. The metropolitan planning organization shall prepare and update such plan every 4 years (or more frequently, if the metropolitan planning organization elects to update more frequently) in the case of each of the following:

(A) Any area designated as nonattainment, as defined in section 107(d) of the Clean Air Act (42 U.S.C. 7407(d)).

(B) Any area that was nonattainment and subsequently designated to attainment in accordance with section 107(d)(3) of that Act (42 U.S.C. 7407(d)(3)) and that is subject to a maintenance plan under section 175A of that Act (42 U.S.C. 7550a).

In the case of any other area required to have a transportation plan in accordance with the requirements of this subsection, the metropolitan planning organization shall prepare and update such plan every 5 years unless the metropolitan planning organization elects to update more frequently.

(2) TRANSPORTATION PLAN.—A transportation plan under this section shall be in a form that the Secretary determines to be appropriate and shall contain, at a minimum, the following:

(A) IDENTIFICATION OF TRANSPORTATION FACILITIES.—An identification of transportation facilities (including major roadways, transit, multimodal and intermodal facilities, and intermodal connectors) that should function as an integrated metropolitan transportation system, giving emphasis to those facilities that serve important national and regional transportation functions. In formulating the transportation plan, the metropolitan planning organization shall consider factors described in subsection (h) as such factors relate to a 20-year forecast period.

(B) MITIGATION ACTIVITIES.—

(i) IN GENERAL.—A long-range transportation plan shall include a discussion of types of potential environmental mitigation activities and potential areas to carry out these activities, including activities that may have the greatest potential to restore and maintain the environmental functions affected by the plan.

(ii) CONSULTATION.—The discussion shall be developed in consultation with Federal, State, and tribal wildlife, land management, and regulatory agencies.

(C) FINANCIAL PLAN.—A financial plan that demonstrates how the adopted transportation plan can be implemented, indicates resources from public and private sources that are reasonably expected to be made available to carry out the plan, and recommends any additional financing strategies for needed projects and programs. The financial plan may include, for illustrative purposes, additional projects that would be included in the adopted transportation plan if reasonable additional resources beyond those identified in the financial plan were available. For the purpose of developing the transportation plan, the metropolitan planning organization, transit operator, and State shall cooperatively develop estimates of funds that will be available to support plan implementation.

(D) OPERATIONAL AND MANAGEMENT STRATEGIES.—Operational and management strategies to improve the performance of existing transportation facilities to relieve vehicular congestion and maximize the safety and mobility of people and goods.

(E) CAPITAL INVESTMENT AND OTHER STRATEGIES.—Capital investment and other strate-
gies to preserve the existing and projected future metropolitan transportation infrastructure and provide for multimodal capacity increases based on regional priorities and needs.

(5) Transportation and Transit Enhancement Activities.—Proposed transportation and transit enhancement activities.

(3) Coordination with Clean Air Act Agencies.—In metropolitan areas which are in non-attainment for ozone or carbon monoxide under the Clean Air Act, the metropolitan planning organization shall coordinate the development of a transportation plan with the process for development of the transportation control measures of the State implementation plan required by the Clean Air Act.

(4) Consultation.—
(A) In General.—In each metropolitan area, the metropolitan planning organization shall consult, as appropriate, with State and local agencies responsible for land use management, natural resources, environmental protection, conservation, and historic preservation concerning the development of a long-range transportation plan.

(B) Issues.—The consultation shall involve, as appropriate—
(i) comparison of transportation plans with State conservation plans or maps, if available; or
(ii) comparison of transportation plans to inventories of natural or historic resources, if available.

(5) Participation by Interested Parties.—
(A) In General.—Each metropolitan planning organization shall provide citizens, affected public agencies, representatives of public transportation employees, freight shippers, providers of freight transportation services, private providers of transportation, representatives of users of public transportation, representatives of users of pedestrian walkways and bicycle transportation facilities, representatives of the disabled, and other interested parties with a reasonable opportunity to comment on the transportation plan.

(B) Contents of Participation Plan.—A participation plan—
(i) shall be developed in consultation with all interested parties; and
(ii) shall provide that all interested parties have reasonable opportunities to comment on the contents of the transportation plan.

(C) Methods.—In carrying out subparagraph (A), the metropolitan planning organization shall, to the maximum extent practicable—
(i) hold any public meetings at convenient and accessible locations and times;
(ii) employ visualization techniques to describe plans; and
(iii) make public information available in electronically accessible format and means, such as the World Wide Web, as appropriate to afford reasonable opportunity for consideration of public information under subparagraph (A).

(6) Publication.—A transportation plan involving Federal participation shall be published or otherwise made readily available by the metropolitan planning organization for public review, including (to the maximum extent practicable) in electronically accessible formats and means, such as the World Wide Web, approved by the metropolitan planning organization and submitted for information purposes to the Governor at such times and in such manner as the Secretary shall establish.

(7) Selection of Projects from Illustrative List.—Notwithstanding paragraph (2)(C), a State or metropolitan planning organization shall not be required to select any project from the illustrative list of additional projects included in the financial plan under paragraph (2)(C).

(j) Metropolitan TIP.—
(1) Development.—
(A) In General.—In cooperation with the State and any affected public transportation operator, the metropolitan planning organization designated for a metropolitan area shall develop a TIP for the area for which the organization is designated.

(B) Opportunity for Comment.—In developing the TIP, the metropolitan planning organization, in cooperation with the State and any affected public transportation operator, shall provide an opportunity for participation by interested parties in the development of the program, in accordance with subsection (i)(5).

(C) Funding Estimates.—For the purpose of developing the TIP, the metropolitan planning organization, public transportation agency, and State shall cooperatively develop estimates of funds that are reasonably expected to be available to support program implementation.

(D) Updating and Approval.—The TIP shall be updated at least once every 4 years and shall be approved by the metropolitan planning organization and the Governor.

(2) Contents.—
(A) Priority List.—The TIP shall include a priority list of proposed federally supported projects and strategies to be carried out within each 4-year period after the initial adoption of the TIP.

(B) Financial Plan.—The TIP shall include a financial plan that—
(i) demonstrates how the TIP can be implemented;
(ii) indicates resources from public and private sources that are reasonably expected to be available to carry out the program;
(iii) identifies innovative financing techniques to finance projects, programs, and strategies; and
(iv) may include, for illustrative purposes, additional projects that would be included in the approved TIP if reasonable additional resources beyond those identified in the financial plan were available.

(C) Descriptions.—Each project in the TIP shall include sufficient descriptive material (such as type of work, termini, length, and
other similar factors) to identify the project or phase of the project.

(3) INCLUDED PROJECTS.—
(A) PROJECTS UNDER THIS CHAPTER AND TITLE 23.—A TIP developed under this subsection for a metropolitan area shall include the projects within the area that are proposed for funding under this chapter and chapter 1 of title 23.
(B) PROJECTS UNDER CHAPTER 2 OF TITLE 23.—
   (i) REGIONALLY SIGNIFICANT PROJECTS.—Regionally significant projects proposed for funding under chapter 2 of title 23 shall be identified individually in the transportation improvement program.
   (ii) OTHER PROJECTS.—Projects proposed for funding under chapter 2 of title 23 that are not determined to be regionally significant shall be grouped in one line item or identified individually in the transportation improvement program.

(C) CONSISTENCY WITH LONG-RANGE TRANSPORTATION PLAN.—Each project shall be consistent with the long-range transportation plan developed under subsection (i) for the area.

(D) REQUIREMENT OF ANTICIPATED FULL FUNDING.—The program shall include a project, or an identified phase of a project, only if full funding can reasonably be anticipated to be available for the project or the identified phase within the time period contemplated for completion of the project or the identified phase.

(4) NOTICE AND COMMENT.—Before approving a TIP, a metropolitan planning organization, in cooperation with the State and any affected public transportation operator, shall provide an opportunity for participation by interested parties in the development of the program, in accordance with subsection (i)(5).

(5) SELECTION OF PROJECTS.—
(A) IN GENERAL.—Except as otherwise provided in subsection (k)(4) and in addition to the TIP development required under paragraph (1), the selection of federally funded projects in metropolitan areas shall be carried out, from the approved TIP—
   (i) by—
      (I) in the case of projects under title 23, the State; and
      (II) in the case of projects under this chapter, the designated recipients of public transportation funding; and
   (ii) in cooperation with the metropolitan planning organization.

(B) MODIFICATIONS TO PROJECT PRIORITY.—Notwithstanding any other provision of law, action by the Secretary shall not be required to advance a project included in the approved TIP in place of another project in the program.

(6) SELECTION OF PROJECTS FROM ILLUSTRATIVE LIST.—
(A) NO REQUIRED SELECTION.—Notwithstanding paragraph (2)(B)(iv), a State or metropolitan planning organization shall not be required to select any project from the illustrative list of additional projects included in the financial plan under paragraph (2)(B)(iv). 

(B) REQUIRED ACTION BY THE SECRETARY.—Action by the Secretary shall be required for a State or metropolitan planning organization to select any project from the illustrative list of additional projects included in the financial plan under paragraph (2)(B)(iv) for inclusion in an approved TIP.

(7) PUBLICATION.—
(A) PUBLICATION OF TIPS.—A TIP involving Federal participation shall be published or otherwise made readily available by the metropolitan planning organization for public review.

(B) PUBLICATION OF ANNUAL LISTINGS OF PROJECTS.—An annual listing of projects, including investments in pedestrian walkways and bicycle transportation facilities, for which Federal funds have been obligated in the preceding year shall be published or otherwise made available by the cooperative effort of the State, transit operator, and metropolitan planning organization for public review. The listing shall be consistent with the categories identified in the TIP.

(C) RULEMAKING.—Not later than 180 days after the date of enactment of the Federal Public Transportation Act of 2005, the Secretary shall issue regulations establishing standards for the listing required by subparagraph (B) and specifying the types of data to be included in such list, including sufficient information about each project to identify its type, location, and amount obligated.

(k) TRANSPORTATION MANAGEMENT AREAS.—
(1) IDENTIFICATION AND DESIGNATION.—
(A) REQUIRED IDENTIFICATION.—The Secretary shall identify a transportation management area each urbanized area (as defined by the Bureau of the Census) with a population of over 200,000 individuals.

(B) DESIGNATIONS ON REQUEST.—The Secretary shall designate any additional area as a transportation management area on the request of the Governor and the metropolitan planning organization designated for the area.

(2) TRANSPORTATION PLANS.—In a transportation management area, transportation plans shall be based on a continuing and comprehensive transportation planning process carried out by the metropolitan planning organization in cooperation with the State and public transportation operators.

(3) CONGESTION MANAGEMENT PROCESS.—Within a metropolitan planning area serving a transportation management area, the transportation planning process under this section shall address congestion management through a process that provides for effective management and operation, based on a cooperatively developed and implemented metropolitan-wide strategy, of new and existing transportation facilities eligible for funding under this chapter and title 23 through the use of travel demand reduction and operational management strategies. The Secretary shall establish an
§ 5303

(4) SELECTION OF PROJECTS—

(A) IN GENERAL.—All federally funded projects carried out within the boundaries of a metropolitan planning area serving a transportation management area area serving a transportation management area under title 23 (excluding projects carried out under the National Highway System and projects carried out under the bridge program or the Interstate maintenance program) or under this chapter shall be selected for implementation from the approved TIP by the metropolitan planning organization designated for the area in consultation with the State and any affected public transportation operator.

(B) NATIONAL HIGHWAY SYSTEM PROJECTS.—Projects carried out within the boundaries of a metropolitan planning area serving a transportation management area on the National Highway System and projects carried out within such boundaries under the bridge program or the Interstate maintenance program under title 23 shall be selected for implementation from the approved TIP by the State in cooperation with the metropolitan planning organization designated for the area.

(5) CERTIFICATION.—

(A) IN GENERAL.—The Secretary shall—

(i) ensure that the metropolitan planning process of a metropolitan planning organization serving a transportation management area is being carried out in accordance with applicable provisions of Federal law; and

(ii) subject to subparagraph (B), certify, not less often than once every 4 years, that the requirements of this paragraph are met with respect to the metropolitan planning process.

(B) REQUIREMENTS FOR CERTIFICATION.—

The Secretary may make the certification under subparagraph (A) if—

(i) the transportation planning process complies with the requirements of this section and other applicable requirements of Federal law; and

(ii) there is a TIP for the metropolitan planning area that has been approved by the metropolitan planning organization and the Governor.

(C) EFFECT OF FAILURE TO CERTIFY.—

(i) Withholding of project funds.—If a metropolitan planning process of a metropolitan planning organization serving a transportation management area is not certified, the boundary may withhold up to 20 percent of the funds attributable to the metropolitan planning area of the metropolitan planning organization for projects funded under this chapter and title 23.

(ii) Restoration of withheld funds.—The withheld funds shall be restored to the metropolitan planning area at such time as the metropolitan planning process is certified by the Secretary.

(D) REVIEW OF CERTIFICATION.—In making certification determinations under this paragraph, the Secretary shall provide for public involvement appropriate to the metropolitan area under review.

(i) ABBREVIATED PLANS FOR CERTAIN AREAS.—

(1) IN GENERAL.—Subject to paragraph (2), in the case of a metropolitan area not designated as a transportation management area under this section, the Secretary may provide for the development of an abbreviated transportation plan and TIP for the metropolitan planning area that the Secretary determines is appropriate to achieve the purposes of this section, taking into account the complexity of transportation problems in the area.

(2) NONATTAINMENT AREAS.—The Secretary may not permit abbreviated plans or TIPs for a metropolitan area that is in nonattainment for ozone or carbon monoxide under the Clean Air Act.

(m) ADDITIONAL REQUIREMENTS FOR CERTAIN NONATTAINMENT AREAS.—

(1) IN GENERAL.—Notwithstanding any other provisions of this chapter or title 23, for transportation management areas classified as nonattainment for ozone or carbon monoxide pursuant to the Clean Air Act, Federal funds may not be advanced in such area for any highway project that will result in a significant increase in the carrying capacity for single-occupant vehicles unless the project is addressed through a congestion management process.

(2) APPLICABILITY.—This subsection applies to a nonattainment area within the metropolitan planning area boundaries determined under subsection (e).

(n) LIMITATION ON STATUTORY CONSTRUCTION.—

Nothing in this section shall be construed to confer on a metropolitan planning organization the authority to impose legal requirements on any transportation facility, provider, or project not eligible under this chapter or title 23.

(o) FUNDING.—Funds set aside under section 5305(g) of this title or section 104(f) of title 23 shall be available to carry out this section.

(p) CONTINUATION OF CURRENT REVIEW PRACTICE.—Since plans and TIPs described in this section are subject to a reasonable opportunity for public comment, since individual projects included in plans and TIPs are subject to review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), and since decisions by the Secretary concerning plans and TIPs described in this section have not been reviewed under such Act as of January 1, 1997, any decision by the Secretary concerning a plan or TIP described in this section shall not be considered to be a Federal action subject to review under such Act.

In this section, the word “together” is omitted as surplus. The words “Secretary of Commerce” are substituted for “Bureau of the Census” because of 15:1511(e).

In subsection (b)(2), the word “applicable” is omitted as surplus.

In subsection (b)(3), the words “where it does not yet occur” are omitted as surplus.

In subsection (b)(4), the words “the provisions of all applicable” are omitted as surplus.

In subsection (c)(4), before clause (A), the words “whether made under this section or other provisions of law” are omitted as surplus.

In subsection (d), the word “entire” is omitted as surplus.

In subsection (f)(3), the word “area” is added for clarification.

In subsection (f)(5)(A), the words “published or otherwise” are omitted as surplus.

In subsection (g), before clause (1), the words “local governmental authorities” are substituted for “local public bodies”, and the words “departments, agencies, and instrumentalities of the Government” are substituted for “Federal departments and agencies”, for consistency in the revised title and with other titles of the United States Code.

In subsection (h)(6)(A), the words “for obligation”, “as defined by the Secretary of Commerce)”, are substituted for “as defined by the Bureau of the Census)”. In subsection (h)(6)(B), the words “in an urbanized area (as defined by the Secretary of Commerce) only if the chief executive officer decides that the size and complexity of the urbanized area relative to the complex of the existing metropolitan planning area” are substituted for “in an urbanized area (as defined by the Secretary of Commerce) only if the chief executive officer decides that the size and complexity of the urbanized area”.

In subsection (h)(7)(C), is the date of enactment of title III of Pub. L. 96–551, Dec. 19, 1980, 94 Stat. 3233, which is not classified to the Code.

In subsection (d), the word “entire” is omitted as surplus.

In subsection (e)(2), the words “or compacts” and “and instrumentalities of the Government” are substituted for “Bureau of the Census” because of 15:1511(e).

In subsection (e)(3), the words “or cities, as defined by the Bureau of the Census” are omitted as surplus.

Subsec. (c)(5)(B). Pub. L. 105–178, § 3004(b)(5)(B), formerly § 3004(b)(4)(B), as renumbered by Pub. L. 105–206, § 9009(b)(2)(D), substituted “the Census Bureau for” for “the Bureau of the Census” for “as defined by the Secretary of Commerce”.

Subsec. (d). Pub. L. 105–178, § 3004(c), inserted “Planning” after “Metropolitan” in subsec. heading, designated existing provisions as par. (1), inserted par. heading, realigned margins, inserted “planning” before “area” in first sentence and substituted pars. (2) to (4) for “The area shall cover at least the existing urbanized area and the contiguous area expected to become urbanized within the 20-year forecast period and may include the Metropolitan Planning Organization as defined by the Secretary of Transportation, an area designated as a nonattainment area for ozone or carbon monoxide under the Clean Air Act (42 U.S.C. 7401 et seq.) shall include at least the boundaries of the nonattainment area, except as the chief executive officer and metropolitan planning organization otherwise agree.”

Subsec. (e)(2). Pub. L. 105–178, § 3004(d)(1), inserted “or compact” after “2 States making an agreement” and substituted “making the agreements and compacts effective” for “making the agreement effective.”

Pub. L. 105–178, § 3004(e)(6), which directed substitution of “long-range transportation plans” for “long-range plans” wherever appearing, could not be executed because “long-range plans” does not appear in text.

Subsec. (f)(1)(B)(i). Pub. L. 105–178, § 3004(e)(1)(B), added cl. (iii) and struck out former cl. (iii) which read as follows: “recognizes innovative financial techniques, including value capture, tolls, and congestion pricing, to finance needed projects and programs.”

Subsec. (f)(1)(C). Pub. L. 105–178, § 3004(e)(1)(C), added cl. (ii) and struck out former cl. (i) which read as follows: “assess capital investment and other measures necessary—

(i) to ensure the preservation of the existing metropolitan transportation system, including requirements for operational improvements, resurfacing, restoration, and rehabilitation of existing and future major roadways, and operations, maintenance, modernization, and rehabilitation of existing and future mass transportation facilities; and

(ii) to use existing transportation facilities most efficiently to relieve vehicular congestion and maximize the mobility of individuals and goods; and”.

Subsec. (f)(2). Pub. L. 105–178, § 3004(e)(2), substituted “any State or local goals developed within the cooperatively metropolitan planning process as they relate to a 20-year forecast period and to other forecast periods as determined by the participants in the planning process” for “as they are related to a 20-year forecast period.”

Subsec. (h)(1). Pub. L. 105–178, § 3029(b)(1), (2), substituted “subsection (c) or (h)(1) of section 5338 of this title” for “section 5338(g)(1) of this title” and “section 5304 and 5305 of this title” for “section 5304–5306 of this title”.

Subsec. (h)(2)(A), (3)(A). Pub. L. 105–178, § 3029(b)(3), substituted “subsection (c) or (h)(1) of section 5338 of this title” for “section 5338(g)(1) of this title.”

Subsec. (c)(4)(A). Pub. L. 105–102, § 2(a)(4), substituted paragraph (5) for paragraph (3).”

Subsec. (c)(5)(A). Pub. L. 105–102, § 2(a)(4)(C), inserted “and sections 5304–5306 of this title” after “this section”.

Subsec. (h)(4). Pub. L. 104–287, § 5(b)(10)(B), substituted “section 5338(g)” for “5338(g)(1)”.

Pub. L. 109–99, title III, § 9005(b), Aug. 10, 2005, 119 Stat. 1559, provided that: “The Secretary of Transportation shall issue guidance on a schedule for implementation of the changes made by this section [amending this section, sections 5307, 5309, 5315, 5317, 5323, 5325, 5327, 5336, 5338, 20301, 21301, 22106, 22072, 23070, 40109, 41109, 46301, 46306, 46316, 50117, 70102, and 70112 of this title, and title 14, Code of Federal Regulations, relating to ‘The Federal Aviation Administration’] to implement changes made by this section. Beginning July 1, 2007, State or metropolitan planning organization plan or program updates shall reflect changes made by this section.”

§ 5304. Statewide transportation planning
(a) GENERAL REQUIREMENTS.—

(1) DEVELOPMENT OF PLANS AND PROGRAMS.—To accomplish the objectives stated in section 5303(a), each State shall develop a statewide transportation plan and a statewide transportation improvement program for all areas of the State, subject to section 5303.

(2) CONTENTS.—The statewide transportation plan and the transportation improvement program developed for each State shall provide
for the development and integrated management and operation of transportation systems and facilities (including accessible pedestrian walkways and bicycle transportation facilities) that will function as an intermodal transportation system for the State and an integral part of an intermodal transportation system for the United States.

(3) PROCESS OF DEVELOPMENT.—The process for developing the statewide plan and the transportation improvement program shall provide for consideration for all modes of transportation and the policies stated in section 5303(a), and shall be continuing, cooperative, and comprehensive to the degree appropriate, based on the complexity of the transportation problems to be addressed.

(b) COORDINATION WITH METROPOLITAN PLANNING; STATE IMPLEMENTATION PLAN.—A State shall—

(1) coordinate planning carried out under this section with the transportation planning activities carried out under section 5303 for metropolitan areas of the State and with statewide trade and economic development planning activities and related multistate planning efforts; and

(2) develop the transportation portion of the State implementation plan as required by the Clean Air Act (42 U.S.C. 7401 et seq.).

(c) INTERSTATE AGREEMENTS.—

(1) IN GENERAL.—The consent of Congress is granted to 2 or more States entering into agreements not in conflict with any law of the United States, for cooperative efforts and mutual assistance in support of activities authorized under this section related to interstate areas and localities in the States and establishing authorities the States consider desirable for making the agreements and compacts effective.

(2) RESERVATION OF RIGHTS.—The right to alter, amend, or repeal interstate compacts entered into under this subsection is expressly reserved.

(d) SCOPE OF PLANNING PROCESS.—

(1) IN GENERAL.—Each State shall carry out a statewide transportation planning process that provides for consideration and implementation of projects, strategies, and services that will—

(A) support the economic vitality of the United States, the States, nonmetropolitan areas, and metropolitan areas, especially by enabling global competitiveness, productivity, and efficiency;

(B) increase the safety of the transportation system for motorized and nonmotorized users;

(C) increase the security of the transportation system for motorized and nonmotorized users;

(D) increase the accessibility and mobility of people and freight;

(E) protect and enhance the environment, promote energy conservation, improve the quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns;

(F) enhance the integration and connectivity of the transportation system, across and between modes throughout the State, for people and freight;

(G) promote efficient system management and operation; and

(H) emphasize the preservation of the existing transportation system.

(2) FAILURE TO CONSIDER FACTORS.—The failure to consider any factor specified in paragraph (1) shall not be reviewable by any court under this chapter, title 23, subchapter II of chapter 5 of title 5, or chapter 7 of title 5 in any matter affecting a statewide transportation plan, the transportation improvement program, a project or strategy, or the certification of a planning process.

(e) ADDITIONAL REQUIREMENTS.—In carrying out planning under this section, each State shall consider, at a minimum—

(1) with respect to nonmetropolitan areas, the concerns of affected local officials with responsibility for transportation;

(2) the concerns of Indian tribal governments and Federal land management agencies that have jurisdiction over land within the boundaries of the State; and

(3) coordination of transportation plans, the transportation improvement program, and planning activities with related planning activities being carried out outside of metropolitan planning areas and between States.

(f) LONG-RANGE STATEWIDE TRANSPORTATION PLAN.—

(1) DEVELOPMENT.—Each State shall develop a long-range statewide transportation plan, with a minimum 20-year forecast period for all areas of the State, that provides for the development and implementation of the intermodal transportation system of the State.

(2) CONSULTATION WITH GOVERNMENTS.—

(A) METROPOLITAN AREAS.—The statewide transportation plan shall be developed for each metropolitan area in the State in cooperation with the metropolitan planning organization designated for the metropolitan area under section 5303.

(B) NONMETROPOLITAN AREAS.—With respect to nonmetropolitan areas, the statewide transportation plan shall be developed in consultation with affected nonmetropolitan officials with responsibility for transportation. The Secretary shall not review or approve the consultation process in each State.

(C) INDIAN TRIBAL AREAS.—With respect to each area of the State under the jurisdiction of an Indian tribal government, the statewide transportation plan shall be developed in consultation with the tribal government and the Secretary of the Interior.

(D) CONSULTATION, COMPARISON, AND CONSIDERATION.—

(1) IN GENERAL.—The long-range transportation plan shall be developed, as appropriate, in consultation with State, tribal, and local agencies responsible for land use management, natural resources, environmental protection, conservation, and historic preservation.
(ii) COMPARISON AND CONSIDERATION.— Consultation under clause (i) shall involve comparison of transportation plans to State and tribal conservation plans or maps, if available, and comparison of transportation plans to inventories of natural or historic resources, if available.

(3) PARTICIPATION BY INTERESTED PARTIES.—
(A) IN GENERAL.—In developing the statewide transportation plan, the State shall provide citizens, affected public agencies, representatives of public transportation employees, freight shippers, private providers of transportation, representatives of users of public transportation, representatives of users of pedestrian walkways and bicycle transportation facilities, representatives of the disabled, providers of freight transportation services, and other interested parties with a reasonable opportunity to comment on the proposed plan.
(B) METHODS.—In carrying out subparagraph (A), the State shall, to the maximum extent practicable—
(i) hold any public meetings at convenient and accessible locations and times;
(ii) employ visualization techniques to describe plans; and
(iii) make public information available in electronically accessible format and means, such as the World Wide Web, as appropriate to afford reasonable opportunity for consideration of public information under subparagraph (A).

(4) MITIGATION ACTIVITIES.—
(A) IN GENERAL.—A long-range transportation plan shall include a discussion of potential environmental mitigation activities and potential areas to carry out these activities, including activities that may have the greatest potential to restore and maintain the environmental functions affected by the plan.
(B) CONSULTATION.—The discussion shall be developed in consultation with Federal, State, and tribal wildlife, land management, and regulatory agencies.

(5) FINANCIAL PLAN.—The statewide transportation plan may include a financial plan that demonstrates how the adopted statewide transportation plan can be implemented, indicates resources from public and private sources that are reasonably expected to be made available to carry out the plan, and recommends any additional financing strategies for needed projects and programs. The financial plan may include, for illustrative purposes, additional projects that would be included in the adopted statewide transportation plan if reasonable additional resources beyond those identified in the financial plan were available.

(6) SELECTION OF PROJECTS FROM ILLUSTRATIVE LIST.—A State shall not be required to select any project from the illustrative list of additional projects included in the financial plan described in paragraph (5).

(7) EXISTING SYSTEM.—The statewide transportation plan shall include capital, operations and management strategies, investments, procedures, and other measures to ensure the preservation and most efficient use of the existing transportation system.

(8) PUBLICATION OF LONG-RANGE TRANSPORTATION PLANS.—Each long-range transportation plan prepared by a State shall be published or otherwise made available, including (to the maximum extent practicable) in electronically accessible formats and means, such as the World Wide Web.

(g) STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM.—
(1) DEVELOPMENT.—Each State shall develop a statewide transportation improvement program for all areas of the State. Such program shall cover a period of 4 years and be updated every 4 years or more frequently if the Governor elects to update more frequently.

(2) CONSULTATION WITH GOVERNMENTS.—
(A) METROPOLITAN AREAS.—With respect to each metropolitan area in the State, the program shall be developed in cooperation with the metropolitan planning organization designated for the metropolitan area under section 5303.
(B) NONMETROPOLITAN AREAS.—With respect to each nonmetropolitan area in the State, the program shall be developed in consultation with affected nonmetropolitan local officials with responsibility for transportation. The Secretary shall not review or approve the specific consultation process in the State.
(C) INDIAN TRIBAL AREAS.—With respect to each area of the State under the jurisdiction of an Indian tribal government, the program shall be developed in consultation with the tribal government and the Secretary of the Interior.

(3) PARTICIPATION BY INTERESTED PARTIES.— In developing the program, the State shall provide citizens, affected public agencies, representatives of public transportation employees, freight shippers, private providers of transportation, providers of freight transportation services, representatives of users of public transportation, representatives of users of pedestrian walkways and bicycle transportation facilities, representatives of the disabled, and other interested parties with a reasonable opportunity to comment on the proposed program.

(4) INCLUDED PROJECTS.—
(A) IN GENERAL.—A transportation improvement program developed under this subsection for a State shall include federally supported surface transportation expenditures within the boundaries of the State.
(B) LISTING OF PROJECTS.—An annual listing of projects for which funds have been obligated in the preceding year in each metropolitan planning area shall be published or otherwise made available by the cooperative effort of the State, transit operator, and the metropolitan planning organization for public review. The listing shall be consistent with the funding categories identified in each metropolitan transportation improvement program.
(C) PROJECTS UNDER CHAPTER 2 OF TITLE 23.—
(1) Regionally significant projects.— Regionally significant projects proposed for funding under chapter 2 of title 23 shall be identified individually in the transportation improvement program.

(ii) Other Projects.—Projects proposed for funding under chapter 2 of title 23 that are not determined to be regionally significant shall be grouped in 1 line item or identified individually in the transportation improvement program.

(D) Consistency with statewide transportation plan.—Each project shall be—

(i) consistent with the statewide transportation plan developed under this section for the State;

(ii) identical to the project or phase of the project as described in an approved metropolitan transportation plan; and

(iii) in conformance with the applicable State air quality implementation plan developed under the Clean Air Act, if the project is carried out in an area designated as nonattainment for ozone, particulate matter, or carbon monoxide under that Act.

(E) Requirement of anticipated full funding.—The transportation improvement program shall include a project, or an identified phase of a project, only if full funding can reasonably be anticipated to be available for the project within the time period contemplated for completion of the project.

(F) Financial plan.—The transportation improvement program may include a financial plan that demonstrates how the approved transportation improvement program can be implemented, indicates resources from public and private sources that are reasonably expected to be made available to carry out the transportation improvement program, and recommends any additional financing strategies for needed projects and programs. The financial plan may include, for illustrative purposes, additional projects that would be included in the adopted transportation plan if reasonable additional resources beyond those identified in the financial plan were available.

(G) Selection of projects from illustrative list.—

(i) No required selection.—Notwithstanding subparagraph (F), a State shall not be required to select any project from the illustrative list of additional projects included in the financial plan under subparagraph (F).

(ii) Required action by the Secretary.—Action by the Secretary shall be required for a State to select any project from the illustrative list of additional projects included in the financial plan under subparagraph (F) for inclusion in an approved transportation improvement program.

(H) Priorities.—The transportation improvement program shall reflect the priorities for programming and expenditures of funds, including transportation enhancement activities, required by this chapter and title 23.

(5) Project selection for areas of less than 50,000 population.—Projects carried out in areas with populations of less than 50,000 individuals shall be selected, from the approved transportation improvement program (excluding projects carried out on the National Highway System and projects carried out under the bridge program or the Interstate maintenance program under title 23 or sections 5310, 5311, 5316, and 5317 of this title) by the State in cooperation with the affected nonmetropolitan local officials with responsibility for transportation. Projects carried out in areas with populations of less than 50,000 individuals on the National Highway System or under the bridge program or the Interstate maintenance program under title 23 or sections 5310, 5311, 5316, and 5317 of this title shall be included in the approved statewide transportation improvement program, by the State in consultation with the affected nonmetropolitan local officials with responsibility for transportation.

(6) Transportation improvement program approval.—Every 4 years, a transportation improvement program developed under this subsection shall be reviewed and approved by the Secretary if based on a current planning finding.

(7) Planning finding.—A finding shall be made by the Secretary at least every 4 years that the transportation planning process through which statewide transportation plans and programs are developed is consistent with this section and section 5303.

(8) Modifications to project priority.—Notwithstanding any other provision of law, action by the Secretary shall not be required to advance a project included in the approved transportation improvement program in place of another project in the program.

(b) Funding.—Funds set aside pursuant to section 5305(g) of this title and section 104(1) of title 23 shall be available to carry out this section.

(i) Treatment of Certain State Laws as Congestion Management Processes.—For purposes of this section and section 5303, and sections 134 and 135 of title 23, State laws, rules, or regulations pertaining to congestion management systems or programs may constitute the congestion management process under this section and section 5303, and sections 134 and 135 of title 23, if the Secretary finds that the State laws, rules, or regulations are consistent with, and fulfill the intent of, the purposes of this section, section 5303, and sections 134 and 135 of title 23, as appropriate.

(j) Continuation of Current Review Practice.—Since the statewide transportation plan and the transportation improvement program described in this section are subject to a reasonable opportunity for public comment, since individual projects included in the statewide transportation plans and the transportation improvement program are subject to review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), and since decisions by the Secretary concerning statewide transportation plans or the transportation improvement program described in this section have not been reviewed under such Act as of January 1, 1997, any
decision by the Secretary concerning a metropolitan or statewide transportation plan or the transportation improvement program described in this section shall not be considered to be a Federal action subject to review under such Act.

REFERENCES IN TEXT

The Clean Air Act, referred to in subsecs. (b)(2) and (g)(4)(D)(iii), is act July 14, 1955, ch. 360, 69 Stat. 322, as amended, which is classified generally to chapter 55 (§4321 et seq.) of Title 42, The Public Health and Welfare. For complete classification of this Act to the Code, see Short Title note set out under section 7401 of Title 42 and Tables.

AMENDMENTS

2005—Pub. L. 109–59 amended section catchline and text generally. Prior to amendment, text consisted of subsecs. (a) to (e) relating to development and updating of a transportation improvement program, contents of program, selection of projects, notice and an opportunity to comment on proposed programs, and conformance of review requirements under the National Environmental Policy Act of 1969.

Pub. L. 105–178, §3005(a), in second sentence, substituted “the metropolitan planning organization, in cooperation with the chief executive officer of the State and any affected mass transportation operator,” for “the organization” and inserted “other affected employee representatives, freight shippers, providers of freight transportation services,” after “transportation authority employees,” and “representatives of users of public transit,” after “private providers of transportation.”

Subsec. (b)(2)(C). Pub. L. 105–178, §3005(d)(2)(B), as added by Pub. L. 105–206, §9009(c)(2), which directed amendment of subpar. (C) by substituting “strategies;” and for “strategies which may include,” was executed by making the substitution for “strategies, which may include” to reflect the probable intent of Congress.

Subsec. (c)(1). Pub. L. 105–178, §3005(c)(1), added par. (1) and struck out former par. (1) which read as follows: “Except as provided in section 5305(d)(1) of this title, the State, in cooperation with the metropolitan planning organization, shall select projects in a metropolitan area that involve United States Government participation. Selection shall comply with the transportation improvement program for the area.”

Subsec. (c)(4). Pub. L. 105–178, §3005(c)(3), as added by Pub. L. 105–206, §9009(c)(2), added par. (4) and struck out heading and text of former par. (4). Text read as follows: “Notwithstanding subsection (b)(2)(C), a State or metropolitan planning organization shall not be required to select any project from the illustrative list of additional projects included in the financial plan under subsection (b)(2)(C).”

Subsec. (c)(5), (6). Pub. L. 105–178, §3005(c)(2), added paras. (5) and (6).

EFFECTIVE DATE OF 1998 AMENDMENT

SCHEDULE FOR IMPLEMENTATION

Pub. L. 109–59, title III, §3006(b), Aug. 10, 2005, 119 Stat. 1565, provided that: “The Secretary of Transportation shall issue guidance on a schedule for implementation of the changes made by this section (amending this section), taking into consideration the established planning update cycle for States and metropolitan planning organizations. The Secretary shall not require a State or metropolitan planning organization to deviate from its established planning update cycle to implement changes made by this section. Beginning July 1, 2007, State or metropolitan planning organization plan or program updates shall reflect changes made by this section.”

§5005. Planning programs

(a) STATE DEFINED.—In this section, the term “State” means a State of the United States, the District of Columbia, and Puerto Rico.

(b) GENERAL AUTHORITY.—

(1) GRANTS AND AGREEMENTS.—Under criteria established by the Secretary, the Secretary may award grants to States, authorities of the States, metropolitan planning organizations, and local governmental authorities, and make agreements with other departments, agencies, or instrumentalities of the Government to—

(A) develop transportation plans and programs;
(B) plan, engineer, design, and evaluate a public transportation project; and
(C) conduct technical studies relating to public transportation.

(2) ELIGIBLE ACTIVITIES.—Activities eligible under paragraph (1) include the following:
(A) Studies related to management, planning, operations, capital requirements, and economic feasibility.
(B) Evaluating previously financed projects.
(C) Peer reviews and exchanges of technical data, information, assistance, and related activities in support of planning and environmental analyses among metropolitan planning organizations and other transportation planners.

(D) Other similar and related activities preliminary to and in preparation for constructing, acquiring, or improving the operation of facilities and equipment.

(c) PURPOSE.—To the extent practicable, the Secretary shall ensure that amounts appropriated or made available under section 5338 to carry out this section and sections 5303, 5304, and 5306 are used to support balanced and comprehensive transportation planning that considers the relationships among land use and all transportation modes, without regard to the programmatic source of the planning amounts.

(d) METROPOLITAN PLANNING PROGRAM.—
(1) APORTIONMENT TO STATES.—
(A) IN GENERAL.—The Secretary shall apportion 80 percent of the amounts made available under subsection (g)(1) among the States to carry out sections 5303 and 5306 in the ratio that—
(i) the population of urbanized areas in each State, as shown by the latest available decennial census of population; bears to
(ii) the total population of urbanized areas in all States, as shown by that census.
(B) MINIMUM APPORTIONMENT.—Notwithstanding subparagraph (A), a State may not receive less than 0.5 percent of the amount apportioned under this paragraph.
(2) APORTIONMENT TO MPO'S.—Amounts apportioned to a State under paragraph (1) shall be made available, not later than 30 days after the date of apportionment, to metropolitan planning organizations in the State designated under this section under a formula that—
(A) considers population of urbanized areas;
(B) provides an appropriate distribution for urbanized areas to carry out the cooperative processes described in this section;
(C) the State develops in cooperation with the metropolitan planning organizations; and
(D) the Secretary approves.

(3) SUPPLEMENTAL AMOUNTS.—
(A) IN GENERAL.—The Secretary shall apportion 20 percent of the amounts made available under subsection (g)(1) among the States to supplement allocations made under paragraph (1) for metropolitan planning organizations.

(B) FORMULA.—The Secretary shall apportion amounts referred to in subparagraph (A) under a formula that reflects the additional cost of carrying out planning, programming, and project selection responsibilities under sections 5303 and 5306 in certain urbanized areas.

(e) STATE PLANNING AND RESEARCH PROGRAM.—
(1) APORTIONMENT TO STATES.—
(A) IN GENERAL.—The Secretary shall apportion the amounts made available under subsection (g)(2) among the States for grants and contracts to carry out section 5304 and sections 5306, 5315, and 5322 in the ratio that—
(i) the population of urbanized areas in each State, as shown by the latest available decennial census of population; bears to
(ii) the population of urbanized areas in all States, as shown by that census.
(B) MINIMUM APPORTIONMENT.—Notwithstanding subparagraph (A), a State may not receive less than 0.5 percent of the amount apportioned under this paragraph.

(2) SUPPLEMENTAL AMOUNTS.—A State, as the State considers appropriate, may authorize part of the amount made available under this subsection to be used to supplement amounts made available under subsection (d).

(f) GOVERNMENT'S SHARE OF COSTS.—The Government's share of the cost of an activity funded using amounts made available under this section may not exceed 80 percent of the cost of the activity unless the Secretary determines that it is in the interests of the Government not to require a State or local match.

(g) ALOCATION OF FUNDS.—Of the funds made available by or appropriated to carry out this section under section 5338(c) for fiscal years 2005 through 2010, and for the period beginning October 1, 2010, and ending March 4, 2011, —

(1) 82.72 percent shall be available for the metropolitan planning program under subsection (d); and
(2) 17.28 percent shall be available to carry out subsection (e).

(h) AVAILABILITY OF FUNDS.—Funds apportioned under this section to a State that have not been obligated in the 3-year period beginning after the last day of the fiscal year for which the funds are authorized shall be reapportioned among the States.

1So in original. Probably should be “2011—".
§ 5306

In subsection (c), the words “title 23” are substituted for “this title” for consistency in this chapter and to reflect the apparent intent of Congress. The word “appropriate” is omitted as surplus.

In subsection (e)(2), the words “under the formula program” are omitted as surplus.

In subsections (f) and (g), the word “area” is added for clarity and consistency with 42:7501(2).

In subsection (f), the words “Notwithstanding any other provisions of this chapter or title 23, United States Code” are omitted as surplus.

AMENDMENTS

2005—Pub. L. 109–59 added par. (1) generally. Prior to amendment, par. (1) read as follows: “(1)(A) In consultation with the State, the metropolitan planning organization designated for a transportation management area shall select the projects to be carried out in the area with United States Government participation under this chapter or title 23, except projects of the National Highway System or under the Bridge and Interstate Maintenance programs.

“(B) In cooperation with the metropolitan planning organization designated for a transportation management area, the State shall select the projects to be carried out in the area of the National Highway System or under the Bridge and Interstate Maintenance programs.”

In subsection (e)(2), Pub. L. 105–178, §3006(e)(1), added (2) and struck out former par. (2) which read as follows: “If the Secretary does not certify before October 1, 1993, that a metropolitan planning organization is carrying out its responsibilities, the Secretary may withhold any part of the apportionment under section 104(b)(3) of title 23 attributed to the relevant metropolitan area under section 133(d)(3) of title 23 and capital amounts apportioned under section 5336 of this title. If an organization remains uncertified for more than 2 consecutive years after September 30, 1994, 20 percent of that apportionment and capital amounts shall be withheld. The withheld apportionments shall be restored when the Secretary certifies the organization.”

EFFECTIVE DATE OF 1998 AMENDMENTS

§ 5306. Private enterprise participation in metropolitan planning and transportation improvement programs and relationship to other limitations

(a) Private Enterprise Participation.—A plan or program required by section 5303, 5304, or 5305 of this title shall encourage to the maximum extent feasible, as determined by local policies, criteria, and decisionmaking, the participation of private enterprise. If equipment or a facility already being used in an urban area is to be acquired under this chapter, the program shall provide that it be improved so that it will better serve the transportation needs of the area.

(b) Relationship to Other Limitations.—Sections 5303–5305 of this title do not authorize—

(1) a metropolitan planning organization to impose a legal requirement on a transportation facility, provider, or project not eligible under this chapter or title 25; and

(2) intervention in the management of a transportation authority.

Revised Section Source (U.S. Code) Source (Statutes at Large)

5306(g) ...... 49 App.:1607(j).
§ 5307. Urbanized area formula grants

(a) Definitions.—In this section, the following definitions apply:

(1) Associated capital maintenance items.—The term “associated capital maintenance items” means—

(A) equipment, tires, tubes, and material, each costing at least .5 percent of the current fair market value of rolling stock comparable to the rolling stock for which the equipment, tires, tubes, and material are to be used; and

(B) reconstruction of equipment and material, each of which after reconstruction will have a fair market value of at least .5 percent of the current fair market value of rolling stock comparable to the rolling stock for which the equipment and material will be used.

(2) Designated recipient.—The term “designated recipient” means—

(A) an entity designated, in accordance with the planning process under sections 5303, 5304, and 5306, by the chief executive officer of a State, responsible local officials, and publicly owned operators of public transportation, to receive and apportion amounts under section 5336 that are attributable to transportation management areas identified under section 5303; or

(B) a State or regional authority if the authority is responsible under the laws of a State for a capital project and for financing and directly providing public transportation.

(b) General Authority.—

(1) Grants.—The Secretary may make grants under this section for—

(A) capital projects and associated capital maintenance items;

(B) planning;

(C) transit enhancements;

(D) operating costs of equipment and facilities for use in public transportation in an urbanized area with a population of less than 225,000, as determined by the 1990 decennial census; or

(E) operating costs of equipment and facilities for use in public transportation in a portion or portions of an urbanized area with a population of at least 200,000, but not more than 225,000, if—

(i) the urbanized area includes parts of more than one State;

(ii) the portion of the urbanized area includes only one State;

(iii) the population of the portion of the urbanized area is less than 30,000; and

(iv) the grants will not be used to provide public transportation outside of the portion of the urbanized area; and

(F) operating costs of equipment and facilities for use in public transportation for local governmental authorities in areas which adopted transit operating and financing plans that became a part of the Houston, Texas, urbanized area as a result of the 2000 decennial census of population, but lie outside the service area of the principal public transportation agency that serves the Houston urbanized area.

(2) Special rule for fiscal years 2005 through 2010, and the period beginning October 1, 2011, and ending March 4, 2011.—

(A) Increased flexibility.—The Secretary may award grants under this section, from funds made available to carry out this section for each of the fiscal years 2005 through 2010, and the period beginning October 1, 2010, and ending March 4, 2011, to finance the operating cost of equipment and facilities for use in public transportation in an urbanized area with a population of at least 200,000, as determined by the 2000 decennial census of population, if—

(i) the urbanized area had a population of less than 200,000, as determined by the 1990 decennial census of population; or

(ii) a portion of the urbanized area was a separate urbanized area with a population of less than 200,000, as determined by the 1990 decennial census of population; or

(iii) the area was not designated as an urbanized area, as determined by the 1990 decennial census; or

(iv) a portion of the area was not designated as an urbanized area, as determined by the 1990 decennial census, and received assistance under section 5311 in fiscal year 2002.

(B) Maximum amounts in fiscal year 2005.—In fiscal year 2005—

(i) amounts made available to any urbanized area under clause (i) or (ii) of subparagraph (A) shall not be more than the amount apportioned in fiscal year 2002 to the urbanized area with a population of less than 200,000, as determined in the 1990 decennial census of population; or

(ii) amounts made available to any urbanized area under subparagraph (A)(iii) shall be not more than the amount apportioned to the urbanized area under this section for fiscal year 2003; and

(iii) each portion of any area not designated as an urbanized area, as determined by the 1990 decennial census, and eligible to receive funds under subparagraph (A)(iv), shall receive an amount of funds to carry out this section that is not less than the amount the portion of the area received under section 5311 for fiscal year 2002.

(C) Maximum amounts in fiscal year 2006.—In fiscal year 2006—

(i) amounts made available to any urbanized area under clause (i) or (ii) of subparagraph (A) shall be not more than 50 percent of the amount apportioned in fiscal year 2002 to the urbanized area with a population of less than 200,000, as determined in the 1990 decennial census of population; or

(ii) amounts made available to any urbanized area under subparagraph (A)(iii) shall be not more than 50 percent of the amount apportioned to the urbanized area under this section for fiscal year 2003; and

(iii) each portion of any area not designated as an urbanized area, as determined by the 1990 decennial census, and eli-

...igible to receive funds under subparagraph (A)(iv), shall receive an amount of funds to carry out this section that is not less than 50 percent of the amount the portion of the area received under section 5311 for fiscal year 2002.

(D) Maximum amounts in fiscal year 2007.—In fiscal year 2007—

(i) amounts made available to any urbanized area under clause (i) or (ii) of subparagraph (A) shall not be more than 25 percent of the amount apportioned in fiscal year 2002 to the urbanized area with a population of less than 200,000, as determined in the 1990 decennial census of population;

(ii) amounts made available to any urbanized area under subparagraph (A)(iii) shall be not more than 25 percent of the amount apportioned to the urbanized area under this section for fiscal year 2003; and

(iii) each portion of any area not designated as an urbanized area, as determined by the 1990 decennial census, and eligible to receive funds under subparagraph (A)(iv), shall receive an amount of funds to carry out this section that is not less than 25 percent of the amount the portion of the area received under section 5311 in fiscal year 2002.

(E) Maximum amounts in fiscal years 2008 through 2010 and during the period beginning October 1, 2008, and ending March 4, 2011.—In fiscal years 2008 through 2010, and during the period beginning October 1, 2010, and ending March 4, 2011.—

(i) amounts made available to any urbanized area under clause (i) or (ii) of subparagraph (A) shall not be more than 50 percent of the amount apportioned in fiscal year 2002 to the urbanized area with a population of less than 200,000, as determined in the 1990 decennial census of population;

(ii) amounts made available to any urbanized area under subparagraph (A)(iii) shall be not more than 50 percent of the amount apportioned to the urbanized area under this section for fiscal year 2003; and

(iii) each portion of any area not designated as an urbanized area, as determined by the 1990 decennial census, and eligible to receive funds under subparagraph (A)(iv), shall receive an amount of funds to carry out this section that is not less than 50 percent of the amount the portion of the area received under section 5311 in fiscal year 2002.

(3) In a transportation management area designated under section 5303(k) of this title, amounts that cannot be used to pay operating expenses under this section also are available for a highway project if—

(A) that use is approved, in writing, by the metropolitan planning organization under section 5303 of this title after appropriate notice and an opportunity for comment and appeal is provided to affected public transportation providers;

(B) the Secretary decides the amounts are not needed for investment required by the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.); and

(C) the metropolitan planning organization in approving the use under subparagraph (A) determines that the local transit needs are being addressed.

(c) Public participation requirements.—

Each recipient of a grant shall—

(1) make available to the public information on amounts available to the recipient under this section and the program of projects the recipient proposes to undertake;

(2) develop, in consultation with interested parties, including private transportation providers, a proposed program of projects for activities to be financed;

(3) publish a proposed program of projects in a way that affected citizens, private transportation providers, and local elected officials have the opportunity to examine the proposed program and submit comments on the proposed program and the performance of the recipient;

(4) provide an opportunity for a public hearing in which to obtain the views of citizens on the proposed program of projects;

(5) ensure that the proposed program of projects provides for the coordination of public transportation services assisted under section 5336 of this title with transportation services assisted from other United States Government sources;

(6) consider comments and views received, especially those of private transportation providers, in preparing the final program of projects; and

(7) make the final program of projects available to the public.

(d) Grant recipient requirements.—A recipient may receive a grant in a fiscal year only if—

(1) the recipient, within the time the Secretary prescribes, submits a final program of projects prepared under subsection (c) of this section and a certification for that fiscal year that the recipient (including a person receiving amounts from a chief executive officer of a State under this section)—

(A) has or will have the legal, financial, and technical capacity to carry out the program, including safety and security aspects of the program;

(B) has or will have satisfactory continuing control over the use of equipment and facilities;

(C) will maintain equipment and facilities;

(D) will ensure that elderly and handicapped individuals, or an individual presenting a medicare card issued to that individual capped individuals, or an individual presenting a medicare card issued to that individual (42 U.S.C. 401 et seq., 1395 et seq.), will be charged during non-peak hours for transportation using or involving a facility or equipment of a project financed under this section not more than 50 percent of the peak hour fare;

(E) in carrying out a procurement under this section—

(i) will use competitive procurement (as defined or approved by the Secretary);
(e) Granting expenses under this section may not exceed 50 percent of the net project cost of the project.

(f) The recipient may provide additional local matching amounts.

(g) The recipient may provide additional local matching amounts.

(h) The recipient may provide additional local matching amounts.

(i) The recipient may provide additional local matching amounts.

(j) A State authority that is a designated recipient and providing public transportation in at least 2 urbanized areas may apply for operating assistance in an amount not more than the amount for all urbanized areas in which it provides transportation.

(k) When approving an application under paragraph (1) of this subsection, the Secretary may not reduce the amount of operating assistance approved for another State or a local transportation authority within the affected urbanized areas.

(l) When a project obligates all amounts apportioned to it under section 5336 of this title and then carries out a part of a project described in this section (except a project for operating expenses) without amounts of the Government and according to all applicable procedures and requirements (except to the extent the procedures and requirements limit a State to carrying out a project with amounts of the Government previously apportioned to it), the Secretary may pay to the recipient the Government’s share of the cost of carrying out that part when additional amounts are apportioned to the recipient under section 5336 if—

(A) the recipient applies for the payment;

(B) the Secretary approves the payment; and

(C) before carrying out that part, the Secretary approves the plans and specifications for the part in the same way as for other projects under this section.

(d) The Secretary may approve an application under paragraph (1) of this subsection only if an authorization for this section is in effect for the fiscal year to which the application applies. The Secretary may not approve an application if the payment will be more than—

(A) the recipient’s expected apportionment under section 5336 of this title if the total amount authorized to be appropriated for the fiscal year to carry out this section is appropriated; less

(B) the maximum amount of the apportionment that may be made available for projects for operating expenses under this section.

(e) The cost of carrying out that part of a project includes the amount of interest earned and payable on bonds issued by the recipient to the extent proceeds of the bonds are expended in carrying out the part. However, the amount of interest allowed under this paragraph may not be more than the most favorable financing terms reasonably available for the project at the time of borrowing. The applicant shall certify, in a manner satisfactory to the Secretary, that the applicant has shown reasonable diligence in seeking the most favorable financing terms.
(h) Reviews, Audits, and Evaluations.—(1)(A) At least annually, the Secretary shall carry out, or require a recipient to have carried out independently, reviews and audits and the Secretary shall coordinate such reviews with any related State or local reviews.

(2) A recipient may request the Secretary to approve its procurement system. The Secretary shall coordinate such reviews with the Comptroller General.

(i) Treatment.—For the purposes of this section, the United States Virgin Islands shall be treated as an urbanized area, as defined in section 5302.

RELEVANT PROVISIONS

(a) Reviews, Audits, and Evaluations.—(1)(A) At least annually, the Secretary shall carry out, or require a recipient to have carried out independently, reviews and audits and the Secretary considers appropriate to establish whether the recipient has carried out—

(i) the activities proposed under subsection (d) of this section in a timely and effective way and can continue to do so; and

(ii) those activities and its certifications and has used amounts of the Government in the way required by law.

(B) An audit of the use of amounts of the Government shall comply with the auditing procedures of the Comptroller General.

(2) At least once every 3 years, the Secretary shall review and evaluate completely the performance of a recipient in carrying out the recipient’s program, specifically referring to compliance with statutory and administrative requirements and the extent to which actual program activities are consistent with the activities proposed under subsection (d) of this section and the planning process required under sections 5303–5306 of this title. To the extent practicable, the Secretary shall coordinate such reviews with any related State or local reviews.

(3) The Secretary may take appropriate action consistent with a review, audit, and evaluation under this subsection, including making an appropriate adjustment in the amount of a grant or withdrawing the grant.

(c) PROCUREMENT SYSTEM APPROVAL.—A recipient may request the Secretary to approve its procurement system. The Secretary shall approve the system for use for procurements financed under section 5306 of this title if, after consulting with the Administrator for Federal Procurement Policy, the Secretary decides the system provides for competitive procurement. Approval of a system under this subsection does not relieve a recipient of the duty to certify under subsection (d)(1)(E) of this section.

(f) OPERATING FERRIES OUTSIDE URBANIZED AREAS.—A vessel used in ferryboat operations financed under section 5306 of this title that is part of a State-operated ferry system may be operated occasionally outside the urbanized area in which service is provided to accommodate periodic maintenance if existing ferry service is not reduced significantly by operating outside the area.

(k) RELATIONSHIP TO OTHER LAWS.—

(1) APPLICABLE PROVISIONS.—Sections 5301, 5302, 5303, 5304, 5306, 5315(c), 5318, 5319, 5323, 5325, 5327, 5329, 5330, 5331, 5332, 5333, and 5355 apply to this section and to any grant made under this section.

(2) INAPPLICABLE PROVISIONS.—

(A) IN GENERAL.—Except as provided by this section, no other provision of this chapter applies to this section or to a grant made under this section.

(B) TITLE 5.—The provision of assistance under this chapter shall not be construed as bringing within the application of chapter 5 of title 5 any nonsupervisory employee of a public transportation system (or any other agency or entity performing related functions) to which such chapter is otherwise inapplicable.
In subsection (c)(5), the words “shall and, if deemed appropriate by the recipient, modify the proposed program of projects” are omitted as surplus.

In subsection (d)(1)(B), the words “through operation or lease or otherwise” are omitted as surplus.

In subsection (d)(1)(D), the words “ensure that elderly and handicapped individuals . . . will be charged during non-peak hours for transportation using or involving a facility or equipment of a project financed under this chapter not more than 50 percent of the peak hour fare” are substituted for 49 App.:1607a(e)(3)(C) and the word “will give the rate required by section 1504(m) of this Appendix” for clarity and consistency in the revised title. The word “duly” is omitted as surplus.

In subsection (d)(1)(J)(ii), the words “has decided” are added for clarity to correct an error in the source provisions being restated.

In subsection (e), the words “at its option”, “public”, “the amount of any”, “by such system”, “Any public or private”, “solely”, and “available in” are omitted as surplus.

In subsection (f), the word “authority” is substituted for “agency or instrumentality” for consistency in the revised title and with other titles of the Code.

In subsection (f)(1), the words “is responsible under State laws for the financing, construction and operation, directly by lease, contract or otherwise, of public transportation services” are omitted as surplus because a State that is a designated recipient has that responsibility. The words “of UMTA funds”, “combined total permissible”, and “whether the amount for any particular urbanized area is exceeded” are omitted as surplus.

In subsection (f)(2), the word “Secretary” is substituted for “UMTA” (subsequently changed to “FTA” because of section 3004(b) of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102-240, 105 Stat. 2083)) because of 49:102(a)(10)(A).

The words “This provision shall take effect with the fiscal year 1990 section 9 apportionment” are omitted as obsolete.

In subsection (g)(2), before clause (A), the word “applies” is substituted for “is sought beyond the currently authorized funds for such recipient” to eliminate unnecessary words. In clause (A), the words “of funds” are omitted as surplus.

In subsection (g)(3), the words “Subject to the provisions of this paragraph”, “the Federal share of which the Secretary is authorized to pay under this section”, and “actually” are omitted as surplus.

In subsection (i)(1)(A), before clause (i), the words “necessary or” are omitted as surplus. In clause (ii), the words “required” are substituted for “which is consistent with the applicable requirements” of this chapter and other applicable laws to eliminate unnecessary words.

In subsection (i)(1)(B), the words “Comptroller General” are substituted for “General Accounting Office” because of 31:702(b).

In subsection (i)(2), the words “In addition to the reviews and audits described in paragraph (1)” and “perform a” are omitted as surplus.

Subsection (i)(3) is substituted for 49 App.:1607a(g)(3) to eliminate unnecessary words.

In subsection (i), the words “Administrator for Federal Procurement Policy” are substituted for “Office of Federal Procurement Policy” because of 41:404(b). The words “Such approval shall be binding until withdrawn” are omitted as surplus.

In subsection (m)(1), the words “available under section 5306 of this title” are substituted for “available under this subsection for clarity.”

In subsection (n)(2), the references to sections 5302(a)(8) and 5318 are added for clarity. The source provisions of sections 5302(a)(8) and 5318, enacted by section 317 of the Surface Transportation and Uniform Relocation Assistance Act of 1987 (Public Law 100-17, 101 Stat. 233), were not intended to come under the exclusion stated in 49 App.:1607a(e)(1). The reference to 49 App.:1604(k)(3) is omitted as obsolete. The words “con-

"(2) Period of availability.—Funds apportioned under paragraph (1) shall be available for obligation for 3 years following the fiscal year in which the funds are apportioned. Funds that are not obligated at the end of such period shall be reapportioned under the urbanized area formula program of section 5302.

"(3) Report.—A recipient of funds apportioned under paragraph (1) shall submit, as part of the recipient's annual certification to the Secretary, a report listing the projects carried out during the preceding fiscal year with those funds."

Subsecs. (m), (n). Pub. L. 109–59, §3009(a)(2), redesignated subsec. (m) and (n) as (j) and (k), respectively. 2004—Subsec. (b)(2). Pub. L. 108–310 inserted "AND FOR THE PERIOD OF OCTOBER 1, 2004, THROUGH MAY 31, 2005" after "2004" in heading and directed the insertion of "and for the period of October 1, 2004, through May 31, 2005" after "2004," in subpar. (A), which was executed on April 29, 2004 by making the insertion after "2004" in introductory provisions of subpar. (A), to reflect the probable intent of Congress.

Subsec. (b)(2)(B). Pub. L. 108–88, §8(b)(3), inserted at end "Each portion of an area not designated as an urbanized area under the 1990 Federal decennial census and eligible to receive funds under subparagraph (A)(iv) shall receive an amount of funds made available to carry out this section that is no less than the amount the portion of the area received under section 5311 in fiscal year 2002."

2002—Subsec. (b)(1). Pub. L. 107–232, §1(1), struck out at end "The Secretary may make grants under this section from funds made available for fiscal year 1998 to finance the operating costs of equipment and facilities for use in mass transportation in an urbanized area with a population of at least 200,000.

Subsec. (b)(2) to (4). Pub. L. 107–232, §1(2)–(4), added par. (2), redesignated former pars. (2) and (3) as (3) and (4), respectively, and realigned margins of par. (3)(C), as redesignated.

Subsec. (a). Pub. L. 105–178, §3007(b)(1), substituted "In this section, the following definitions apply:" for "In this section—" in introductory provisions.

Subsec. (a)(1). Pub. L. 105–178, §3007(b)(2), inserted "ASSOCIATED CAPITAL MAINTENANCE ITEMS.—The term " after "(1)".

Subsec. (a)(2). Pub. L. 105–178, §3007(b)(3), inserted "DESIGNATED RECIPIENT.—The term " after "(2)".

Subsec. (b)(1). Pub. L. 105–178, §3007(h)(1), as added by Pub. L. 105–206, 199009(e), inserted at end "The Secretary may make grants under this section from funds made available for fiscal year 1998 to finance the operating costs of equipment and facilities for use in mass transportation in an urbanized area with a population of at least 200,000."

Subsec. (b)(2). Pub. L. 105–178, §3007(c)(1), substituted "and improvement costs of equipment" for "improvement and operating costs of equipment" and inserted at end "The Secretary may also make grants under this section to finance the operating cost of equipment and facilities for use in mass transportation in an urbanized area with a population of less than 200,000."

Subsec. (b)(3). (4). Pub. L. 105–178, §3007(c)(5), (6), redesignated par. (4) as (3) and struck out former par. (3) which read as follows: "A grant for a capital project under this section also is available to finance the leasing of equipment and facilities for use in mass transportation, subject to regulations the Secretary prescribes limiting the grant to leasing arrangements that are more cost effective than acquisition or construction.."

Subsec. (b)(5). Pub. L. 105–178, §3007(c)(6), struck out par. (5) which read as follows: "Amounts under this section are available for a highway project under title 23 only if amounts used for the State or local share of the project are eligible to finance either a highway or mass transportation project."

Subsec. (g)(3). Pub. L. 105–178, §3007(d), substituted "the most favorable financing terms reasonably avail-
able for the project at the time of borrowing. The applicant shall certify, in a manner satisfactory to the Secretary, that the applicant has shown reasonable diligence in seeking the most favorable financing terms." for "the amount by which the estimated cost of carrying out the part (if it would be carried out at the time the part is converted to a regularly financed project) exceeds the actual cost (except interest) of carrying out the part."

Subsec. (i)(2). Pub. L. 105–178, § 3007(e), inserted at end "To the extent practicable, the Secretary shall coordinate such reviews with any related State or local reviews."

Subsec. (k). Pub. L. 105–178, § 3007(f), amended heading and text of subsec. (k) generally. Prior to amendment, text read as follows: "A certification under subsection (d) of this section and any additional certification required by law to be submitted to the Secretary may be consolidated into a single document to be submitted annually as part of the grant application under this section. The Secretary shall publish annually a list of all certifications required under this chapter with the publication required under section 5336(e)(2) of this title."

Subsec. (n)(2). Pub. L. 105–178, § 3007(g), inserted "5319," after "5318,".

1996—Subsec. (a)(2). Pub. L. 104–287 substituted "title;" or "title," for "title;" in subpar. (A) and "transportation." for "transportation or;" in subpar. (B) and struck out subpar. (C) which read as follows: "A recipient designated under section 5(b)(1) of the Federal Transit Act not later than January 5, 1983."

**Effective Date of 1996 Amendment**

**Effective Date of 1996 Amendment**

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5303 of this title.

**Effective Date of 1994 Amendment**

**Pilot Program for Cooperative Procurement of Major Capital Equipment**

“(a) IN GENERAL.—Notwithstanding any other provision of law, for fiscal years 1999 through 2004 and for the period of October 1, 2004, through July 30, 2005, a recipient of assistance under section 5307 or 5309 of title 49, United States Code, may use, as part of the local matching funds for a capital project (as defined in section 5302(a) of title 49, United States Code), the proceeds from the issuance of revenue bonds.

“(b) MAINTENANCE OF EFFORT.—The Secretary of Transportation shall approve of the use of the proceeds from the issuance of revenue bonds for the remainder of the net project cost (as defined in section 5302(a) of title 49, United States Code) only if the aggregate amount of financial support for mass transportation in the urbanized area from the State and affected local governmental authorities during the next 3 fiscal years, as programmed in the State Transportation Improvement Program under section 135 of title 23, United States Code, is not less than the aggregate amount provided by the State and affected local governmental authorities in the urbanized area during the preceding 3 fiscal years.

“(c) REPORT.—

“(1) IN GENERAL.—Not later than January 1, 2003, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a report on the recipients described in subsection (a) that have used, as part of the local matching funds for a capital project, the proceeds from the issuance of revenue bonds, during the period described in subsection (a).

“(2) CONTENTS OF REPORT.—The report required by this subsection shall include—

“(A) information on each project undertaken, the amount of the revenue bonds issued, and the status of repayment of the bonds; and

“(B) any recommendations of the Secretary regarding the application of this section.”

PILOT PROGRAM FOR INTERCITY RAIL INFRASTRUCTURE INVESTMENT FROM MASS TRANSIT ACCOUNT OF HIGHWAY TRUST FUND

“(1) PROVISION OF ASSISTANCE.—Notwithstanding any other provision of law, during the period described in paragraph (2), the Secretary of Transportation may continue to provide assistance under section 5307 of title 49, United States Code, to finance the operating costs of equipment and facilities for use in mass transportation in any urbanized area (as that term is defined in section 5302 of title 49, United States Code) with a population of at least 200,000, if the Secretary determines that—

“(A) the number of the total bus revenue vehicle-miles operated in or directly serving the area is less than 900,000; and

“(B) the number of buses operated in or directly serving the area does not exceed 15.

“(2) PERIOD DESCRIBED.—For purposes of paragraph (1), the period described in this paragraph is the period beginning on the date of enactment of this Act [June 9, 1998] and ending on the earlier of—

“(A) 5 years after the date of enactment of this Act; and

“(B) the date on which the Secretary determines that—

“(i) the number of the total bus revenue vehicle-miles operated in or directly serving the area is greater than or equal to 900,000; and

“(ii) the number of buses operated in or directly serving the area exceeds 15.

“(3) SERVICES FOR ELDERLY AND PERSONS WITH DISABILITIES.—In addition to assistance made available under paragraph (1), the Secretary may provide assistance under section 5307 of title 49, United States Code, to a transit provider that operates 20 or fewer vehicles in an urbanized area with a population of at least 200,000 to finance the operating costs of equipment and facilities used by the transit provider in providing mass transportation services to elderly and persons with disabilities, provided that such assistance to all entities shall not exceed $1,444,000 annually.”

§ 5308. Clean fuels grant program

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) CLEAN FUEL BUS.—The term “clean fuel bus” means a passenger vehicle used to provide public transportation that—

(A) is powered by—

(i) compressed natural gas;

(ii) liquefied natural gas;

(iii) biodiesel fuels;

(iv) batteries;

(v) alcohol-based fuels;

(vi) hybrid electric;

(vii) fuel cell;

(viii) clean diesel, to the extent allowed under this section; or

(ix) other low or zero emissions technology; and

§ 5308

In subsection (a), the words "The Secretary of Transportation may make" are added for clarity and consistency in this chapter. The words "the purpose of" are omitted as surplus.

In subsection (b)(1), the cross-reference to 49 App. 1617(b) and (c) is corrected because it no longer is correct because of the restatement of 49 App.:1617 by section 3025 of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102-240, 105 Stat. 2112), restated as section 5338 of the revised title.

In subsection (b)(2), the words "the limitations contained in" and "applicable to such projects" are omitted as surplus.

AMENDMENTS

2005—Pub. L. 109–59 substituted "grant program" for "formula grant program" in section catchline and amended text generally. Prior to amendment, text consisted of subsecs. (a) to (e) relating to definitions, authority of Secretary, application for grants, apportionment of funds, additional requirements, and availability of funds.

1998—Pub. L. 105–178, § 3008(a), amended section catchline and text generally. Prior to amendment, text read as follows:

"(a) General Authority.—The Secretary of Transportation may make grants under this section to recipients to finance eligible projects.

(b) Application of Other Sections.—(1) Sections 5307(a)–(d), (h)–(i), and (n) and 5338(a)–(c), (f), (g), and (j) of this title apply to amounts made available under section 5338(a) of this title to carry out this section.

(2) Sections 5307(e) and 5338(d) of this title apply to grants under this section."

Subsec. (e)(2), Pub. L. 105–178, § 3008(c), as added by Pub. L. 105–206, substituted "35 percent" for

**NATIONAL FUEL CELL BUS TECHNOLOGY DEVELOPMENT PROGRAM**

"(a) Establishment.—The Secretary [of Transportation] shall establish a national fuel cell bus technology development program (in this section referred to as the ‘program’) to facilitate the development of added to the amount made available in the following fiscal year.

In subsection (a), the words "The Secretary of Transportation may make" are added for clarity and consistency in this chapter. The words "the purpose of" are omitted as surplus.

In subsection (b)(1), the cross-reference to 49 App. 1617(b) and (c) is corrected because it no longer is correct because of the restatement of 49 App.:1617 by section 3025 of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102-240, 105 Stat. 2112), restated as section 5338 of the revised title.

In subsection (b)(2), the words "the limitations contained in" and "applicable to such projects" are omitted as surplus.

AMENDMENTS

2005—Pub. L. 109–59 substituted ‘grant program’ for ‘formula grant program’ in section catchline and amended text generally. Prior to amendment, text consisted of subsecs. (a) to (e) relating to definitions, authority of Secretary, application for grants, apportionment of funds, additional requirements, and availability of funds.

1998—Pub. L. 105–178, §3008(a), amended section catchline and text generally. Prior to amendment, text read as follows:

"(a) General Authority.—The Secretary of Transportation may make grants under this section to recipients to finance eligible projects.

(b) Application of Other Sections.—(1) Sections 5307(a)–(d), (h)–(i), and (n) and 5338(a)–(c), (f), (g), and (j) of this title apply to amounts made available under section 5338(a) of this title to carry out this section.

(2) Sections 5307(e) and 5338(d) of this title apply to grants under this section.

Subsec. (e)(2), Pub. L. 105–178, §3008(c), as added by Pub. L. 105–206, substituted ‘35 percent’ for ‘50,000,000’.

**EFFECTIVE DATE OF 1998 AMENDMENT**

**NATIONAL FUEL CELL BUS TECHNOLOGY DEVELOPMENT PROGRAM**

"(a) Establishment.—The Secretary [of Transportation] shall establish a national fuel cell bus technology development program (in this section referred to as the ‘program’) to facilitate the development of

(B) the Administrator of the Environmental Protection Agency has certified sufficiently reduces harmful emissions.

(2) ELIGIBLE PROJECT.—The term ‘eligible project’—

(A) means a project in a nonattainment or maintenance area described in paragraph (4)(A)(i) for—

(i) purchasing or leasing clean fuel buses, including buses that employ a lightweight composite primary structure;

(ii) constructing or leasing clean fuel buses or electrical recharging facilities and related equipment for such buses; or

(iii) constructing new or improving existing public transportation facilities to accommodate clean fuel buses; and

(B) at the discretion of the Secretary, may include a project located in a nonattainment or maintenance area described in paragraph (4)(A) relating to clean fuel, biodiesel, hybrid electric, or zero emissions technology buses that exhibit equivalent or superior emissions reductions to existing clean fuel or hybrid electric technologies.

(3) MAINTENANCE AREA.—The term ‘maintenance area’ has the meaning such term has under section 101 of title 23.

(4) RECIPIENT.—

(A) IN GENERAL.—The term ‘recipient’ means a designated recipient (as defined in section 5307(a)(2)) for an area that, and a recipient for an urbanized area with a population of less than 200,000 that—

(i) is designated as a nonattainment area for ozone or carbon monoxide under section 107(d) of the Clean Air Act (42 U.S.C. 7407(d)); or

(ii) is a maintenance area for ozone or carbon monoxide.

(B) SMALLER URBANIZED AREAS.—In the case of an urbanized area with a population of less than 200,000, the State in which the area is located shall act as the recipient for the area under this section.

(b) AUTHORITY.—The Secretary shall make grants in accordance with this section to recipients to finance eligible projects.

(c) CLEAN DIESEL BUSES.—Not more than 25 percent of the amount made available by or appropriated under section 5338 in each fiscal year to carry out this section may be made available to fund clean diesel buses.

(d) GRANT REQUIREMENTS.—

(1) IN GENERAL.—A grant under this section shall be subject to the requirements of section 5307.

(2) GOVERNMENT’S SHARE OF COSTS FOR CERTAIN PROJECTS.—Section 5323(a) applies to projects carried out under this section.

(e) AVAILABILITY OF FUNDS.—Any amount made available or appropriated under this section—

(1) shall remain available to a project for 2 years after the fiscal year for which the amount is made available or appropriated; and

(2) that remains unobligated at the end of the period described in paragraph (1) shall be
commercially viable fuel cell technology and related infrastructure.

"(b) GENERAL AUTHORITY.—The Secretary may enter into grants, contracts, and cooperative agreements with no more than 3 geographically diverse nonprofit organizations and recipients under chapter 53 of title 49, United States Code, to conduct fuel cell technology and infrastructure projects under the program.

"(c) GRANT CRITERIA.—In selecting applicants for grants under the program, the Secretary shall consider the applicant—

"(1) ability to contribute significantly to furthering fuel cell technology as it relates to transit bus operations, including hydrogen production, energy storage, fuel cell technologies, vehicle systems integration, and power electronics technologies;

"(2) financing plan and cost share potential;

"(3) fuel cell technology to ensure that the program advances different fuel cell technologies, including hydrogen-fueled and methanol-powered liquid-fueled fuel cell technologies, that may be viable for public transportation systems; and

"(4) other criteria that the Secretary determines are necessary to carry out the program.

"(d) COMPETITIVE GRANT SELECTION.—The Secretary shall conduct a national solicitation for applications for grants under the program. Grant recipients shall be selected on a competitive basis. The Secretary shall give priority consideration to applicants that have successfully managed advanced transportation technology projects, including projects related to hydrogen and fuel cell public transportation operations for a period of not less than 5 years.

"(e) FEDERAL SHARE.—The Federal share of costs of the program shall be provided from funds made available to carry out this section. The Federal share of the cost of a project carried out under the program shall not exceed 50 percent of such cost.

"(f) GRANT REQUIREMENTS.—A grant under this section shall be subject to—

"(1) all terms and conditions applicable to a grant made under section 5309 of title 49, United States Code; and

"(2) such other terms and conditions as are determined by the Secretary.

CLEAN FUEL VEHICLES

"(a) STUDY.—The Comptroller General shall conduct a study of the various low and zero emission fuel technologies for transit vehicles, including compressed natural gas, liquefied natural gas, biodiesel fuel, battery, alcohol based fuel, hybrid electric, fuel cell, and clean diesel to determine—

"(1) the status of the development and use of such technologies;

"(2) the environmental benefits of such technologies under the Clean Air Act [42 U.S.C. 7401 et seq.]; and

"(3) the cost of such technologies and any associated equipment.

"(b) REPORT.—Not later than January 1, 2000, the Comptroller General shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a report on the results of the study, together with recommendations for incentives to encourage the use of low and zero emission fuel technology for transit vehicles.

§ 5309. Capital investment grants

(a) DEFINITIONS.—In this section, the following definitions apply:

"(A) ALTERNATIVES ANALYSIS.—The term "alternatives analysis" means a study conducted as part of the transportation planning process required under sections 5303 and 5304, which includes—

(A) an assessment of a wide range of public transportation alternatives designed to address a transportation problem in a corridor or subarea;

(B) sufficient information to enable the Secretary to make the findings of project justification and local financial commitment required under this section;

(C) the selection of a locally preferred alternative; and

(D) the adoption of the locally preferred alternative as part of the long-range transportation plan required under section 5303.

(2) MAJOR NEW FIXED GUIDEWAY CAPITAL PROJECT.—The term "major new fixed guideway capital project" means a new fixed guideway capital project for which the Federal assistance provided or to be provided under this section is $75,000,000 or more.

(3) NEW FIXED GUIDEWAY CAPITAL PROJECT.—The term "new fixed guideway capital project" means a minimum operable segment of a capital project for a new fixed guideway system or extension to an existing fixed guideway system.

(b) GENERAL AUTHORITY.—The Secretary may make grants under this section to assist State and local governmental authorities in financing—

(1) new fixed guideway capital projects under subsections (d) and (e), including the acquisition of real property, the initial acquisition of rolling stock for the systems, the acquisition of rights-of-way, and relocation, for fixed guideway corridor development for projects in the advanced stages of alternatives analysis or preliminary engineering;

(2) capital projects to modernize existing fixed guideway systems;

(3) capital projects to replace, rehabilitate, and purchase buses and related equipment and to construct bus-related facilities, including programs of bus and bus-related projects for assistance to subrecipients that are public agencies, private companies engaged in public transportation, or private nonprofit organizations; and

(4) the development of corridors to support new fixed guideway capital projects under subsections (d) and (e), including protecting rights-of-way through acquisition, construction of dedicated bus and high occupancy vehicle lanes and park and ride lots, and other nonvehicular capital improvements that the Secretary may decide would result in increased public transportation usage in the corridor.

(c) GRANT REQUIREMENTS.—

(1) IN GENERAL.—The Secretary may not approve a grant for a project under this section unless the Secretary determines that—

(A) the project is part of an approved transportation plan and program of projects required under sections 5303, 5304, and 5306; and

(B) the applicant has, or will have—

(i) the legal, financial, and technical capacity to carry out the project, including safety and security aspects of the project; and

(ii) satisfactory continuing control over the use of the equipment or facilities; and
§ 5309  

(iii) the capability and willingness to maintain the equipment or facilities.

(2) CERTIFICATION.—An applicant that has submitted the certifications required under subparagraphs (A), (B), (C), and (H) of section 5307(d)(1) shall be deemed to have provided sufficient information upon which the Secretary may make the determinations required under this subsection.

(3) GRANTEE REQUIREMENTS.—The Secretary shall require that any grant awarded under this section to a recipient be subject to all terms, conditions, requirements, and provisions that the Secretary determines to be necessary or appropriate for the purposes of this section, including requirements for the disposition of net increases in the value of real property resulting from the project assisted under this section.

(d) MAJOR CAPITAL INVESTMENT GRANTS OF $75,000,000 OR MORE.—

(1) FULL FUNDING GRANT AGREEMENT.—

(A) IN GENERAL.—A major new fixed guideway capital project shall be carried out through a full funding grant agreement.

(B) CRITERIA.—The Secretary shall enter into a full funding grant agreement, based on the evaluations and ratings required under this subsection, with each grantee receiving assistance for a major new fixed guideway capital project that—

(i) is authorized for final design and construction; and

(ii) has been rated as medium, medium-high, or high, in accordance with paragraph (5)(B).

(2) APPROVAL OF GRANTS.—The Secretary may approve a grant under this section for a major new fixed guideway capital project only if the Secretary, based upon evaluations and considerations set forth in paragraph (3), determines that the project is—

(A) based on the results of an alternatives analysis and preliminary engineering;

(B) justified based on a comprehensive review of its mobility improvements, environmental benefits, cost effectiveness, operating efficiencies, economic development effects, and public transportation supportive land use policies and future patterns; and

(C) supported by an acceptable degree of local financial commitment (including evidence of stable and dependable financing sources) to construct, maintain, and operate the system or extension, and maintain and operate the entire public transportation system without requiring a reduction in existing public transportation services or level of service to operate the proposed project.

(3) EVALUATION OF PROJECT JUSTIFICATION.—

In making the determinations under paragraph (2)(B) for a major capital investment grant, the Secretary shall analyze, evaluate, and consider—

(A) the results of the alternatives analysis and preliminary engineering for the proposed project;

(B) the reliability of the forecasting methods used to estimate costs and utilization made by the recipient and the contractors to the recipient;

(C) the direct and indirect costs of relevant alternatives;

(D) factors such as—

(i) congestion relief;

(ii) improved mobility;

(iii) air pollution;

(iv) noise pollution;

(v) energy consumption; and

(vi) all associated ancillary and mitigation costs necessary to carry out each alternative analyzed;

(E) reductions in local infrastructure costs and other benefits achieved through compact land use development, such as positive impacts on the capacity, utilization, or longevity of other surface transportation assets and facilities;

(F) the cost of suburban sprawl;

(G) the degree to which the project increases the mobility of the public transportation dependent population or promotes economic development;

(H) population density and current transit ridership in the transportation corridor;

(I) the technical capability of the grant recipient to construct the project;

(J) any adjustment to the project justification necessary to reflect differences in local land, construction, and operating costs; and

(K) other factors that the Secretary determines to be appropriate to carry out this subsection.

(4) EVALUATION OF LOCAL FINANCIAL COMMITMENT.—

(A) IN GENERAL.—In evaluating a project under paragraph (2)(C), the Secretary shall require that—

(i) the proposed project plan provides for the availability of contingency amounts that the Secretary determines to be reasonable to cover unanticipated cost increases;

(ii) each proposed local source of capital and operating financing is stable, reliable, and available within the proposed project timetable; and

(iii) local resources are available to re-capitalize and operate the overall proposed public transportation system, including essential feeder bus and other services necessary to achieve the projected ridership levels without requiring a reduction in existing public transportation services or level of service to operate the proposed project.

(B) EVALUATION CRITERIA.—In assessing the stability, reliability, and availability of proposed sources of local financing under paragraph (2)(C), the Secretary shall consider—

(i) the reliability of the forecasting methods used to estimate costs and utilization made by the recipient and the contractors to the recipient;

(ii) existing grant commitments;

(iii) the degree to which financing sources are dedicated to the proposed purposes;

(iv) any debt obligation that exists, or is proposed by the recipient, for the proposed
project or other public transportation purpose; and

(v) the extent to which the project has a local financial commitment that exceeds the required non-Federal share of the cost of the project.

(C) Consideration of Fiscal Capacity of State and Local Governments.—If the Secretary determines that the project will continue to meet such engineering or from preliminary engineering to final design and construction unless the Secretary determines that the project meets the requirements of this section and there is a reasonable likelihood that the project will continue to meet such requirements.

(5) Project Advancement and Ratings.—(A) Project Advancement.—A proposed project under this subsection shall not advance from alternatives analysis to preliminary engineering to final design and construction unless the Secretary determines that the project meets the requirements of this section and there is a reasonable likelihood that the project will continue to meet such requirements.

(B) Ratings.—In making a determination under subparagraph (A), the Secretary shall evaluate and rate the project on a 5-point scale (high, medium-high, medium, medium-low, or low) based on the results of the alternatives analysis, the project justification criteria, and the degree of local financial commitment, as required under this subsection. In rating the projects, the Secretary shall provide, in addition to the overall project rating, individual ratings for each of the criteria established by this subsection and shall give comparable, but not necessarily equal, numerical weight to each project justification criteria\(^1\) in calculating the overall project rating.

(6) Policy Guidance.—(A) Publication.—The Secretary shall publish policy guidance regarding the new fixed guideway capital project review and evaluation process and criteria—

(i) not later than 120 days after the date of enactment of the Federal Public Transportation Act of 2005; and

(ii) each time significant changes are made by the Secretary to the process and criteria, but not less frequently than once every 2 years.

(B) Public Comment and Response.—The Secretary shall—

(i) invite public comment to the policy guidance published under subparagraph (A); and

(ii) publish a response to the comments received under clause (i).

(e) Capital Investment Grants Less Than $75,000,000.— (1) In General.—(A) Applicability of Requirements.—Except as provided by subparagraph (B), a new fixed guideway capital project shall be subject to the requirements of this subsection if the Federal assistance provided or to be provided under this section for the project is less than $75,000,000 and the total estimated net capital cost of the project is less than $250,000,000.

(B) Projects Receiving Less Than $25,000,000 in Federal Assistance.—If the assistance provided under this section with respect to a new fixed guideway capital project is less than $25,000,000, the requirements of this subsection shall not apply to the project until such date as the final regulation to be issued under paragraph (9) takes effect.

(2) Selection Criteria.—The Secretary may provide Federal assistance under this subsection with respect to a proposed project only if the Secretary finds that the project is—

(A) based on the results of planning and alternatives analysis;

(B) justified based on a review of its public transportation supportive land use policies, cost effectiveness, and effect on local economic development; and

(C) supported by an acceptable degree of local financial commitment.

(3) Planning and Alternatives.—In evaluating a project under paragraph (2)(A), the Secretary shall analyze and consider the results of planning and alternatives analysis for the project.

(4) Project Justification.—For purposes of making the finding under paragraph (2)(B), the Secretary shall—

(A) determine the degree to which the project is consistent with local land use policies and is likely to achieve local developmental goals;

(B) determine the cost effectiveness of the project at the time of the initiation of revenue service;

(C) determine the degree to which the project will have a positive effect on local economic development;

(D) consider the reliability of the forecasting methods used to estimate costs and ridership associated with the project; and

(E) consider other factors that the Secretary determines appropriate to carry out this subsection.

(5) Local Financial Commitment.—(A) In General.—For purposes of paragraph (2)(C), the Secretary shall require that each proposed source of capital and operating financing is stable, reliable, and available within the proposed project timetable.

(B) Consideration of Fiscal Capacity of State and Local Governments.—If the Secretary gives priority to financing projects under this subsection that include more than the non-Federal share required under subsection (h), the Secretary shall give equal consideration to differences in the fiscal capacity of State and local governments.

(6) Advancement of Project to Development and Construction.—

(A) General Rule.—A proposed project under this subsection may advance from planning and alternatives analysis to project...
development and construction only if the Secretary finds that the project meets the requirements of this subsection and there is a reasonable likelihood that the project will continue to meet such requirements.

(B) EVALUATION.—In making the findings under subparagraph (A), the Secretary shall evaluate and rate the project as high, medium-high, medium, medium-low, or low based on the results of the analysis of the project justification criteria and the degree of local financial commitment, as required by this subsection and shall give comparable, but not necessarily equal, numerical weight to each project justification criteria in calculating the overall project rating.

(7) CONTENTS OF PROJECT CONSTRUCTION GRANT AGREEMENT.—A project construction grant agreement under this subsection shall specify the scope of the project to be constructed, the estimated net project cost of the project, the schedule under which the project shall be constructed, the maximum amount of funding to be obtained under this subsection, the proposed schedule for obligation of future Federal grants, and the sources of funding from other than the Government. The agreement may include a commitment on the part of the Secretary to provide funding for the project in future fiscal years.

(8) LIMITATION ON ENTRY INTO CONSTRUCTION GRANT AGREEMENT.—The Secretary may enter into a project construction grant agreement for a project under this subsection only if the project is authorized for construction and has been rated as high, medium-high, or medium under this subsection.

(9) REGULATIONS.—Not later than 240 days after the date of enactment of the Federal Public Transportation Act of 2005, the Secretary shall issue regulations establishing an evaluation and rating process for proposed projects under this subsection that is based on the results of project justification and local financial commitment, as required under this subsection.

(10) FIXED GUIDEWAY CAPITAL PROJECT.—In this subsection, the term “fixed guideway capital project” includes a corridor-based bus capital project if—

(A) a substantial portion of the project operates in a separate right-of-way dedicated for public transit use during peak hour operations; or

(B) the project represents a substantial investment in a defined corridor as demonstrated by features such as park-and-ride lots, transit stations, bus arrival and departure signage, intelligent transportation systems technology, traffic signal priority, off-board fare collection, advanced bus technology, and other features that support the long-term corridor investment.

(11) IMPACT REPORT.—

(A) IN GENERAL.—Not later than 120 days after the date of enactment of the Federal Public Transportation Act of 2005, the Federal Transit Administration shall submit to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the methodology to be used in evaluating the land use and economic development impacts of non-fixed guideway or partial fixed guideway projects.

(B) CONTENTS.—The report submitted under subparagraph (A) shall address any qualitative and quantitative differences between fixed guideway and non-fixed guideway projects with respect to land use and economic development impacts.

(f) PREVIOUSLY ISSUED LETTER OF INTENT OR FULL FUNDING GRANT AGREEMENT.—Subsections (d) and (e) do not apply to projects for which the Secretary has issued a letter of intent or entered into a full funding grant agreement before the date of enactment of the Federal Public Transportation Act of 2005. Subsection (e) also does not apply to projects for which the Secretary has received an application for final design before such date of enactment.

(g) LETTERS OF INTENT, FULL FUNDING GRANT AGREEMENTS, AND EARLY SYSTEMS WORK AGREEMENTS.—

(1) LETTERS OF INTENT.—

(A) AMOUNTS INTENDED TO BE OBLIGATED.—The Secretary may issue a letter of intent to an applicant announcing an intention to obligate, for a capital project under this section, an amount from future available budget authority specified in law that is not more than the amount stipulated as the financial participation of the Secretary in the project. When a letter is issued for fixed guideway projects, the amount shall be sufficient to complete at least an operable segment.

(B) TREATMENT.—The issuance of a letter under subparagraph (A) is deemed not to be an obligation under sections 1106(c), 1106(d), 1501, and 1502(a) of title 31 or an administrative commitment.

(2) FULL FUNDING GRANT AGREEMENTS.—

(A) TERMS.—The Secretary may make a full funding grant agreement with an applicant. The agreement shall—

(i) establish the terms of participation by the Government in a project under this section;

(ii) establish the maximum amount of Government financial assistance for the project;

(iii) cover the period of time for completing the project, including a period extending beyond the period of an authorization; and

(iv) make timely and efficient management of the project easier according to the law of the United States.

(B) SPECIAL FINANCIAL RULES.—

(i) IN GENERAL.—A full funding grant agreement under this paragraph obligates an amount of available budget authority specified in law and may include a commitment, contingent on amounts to be specified in law in advance for commitments under this paragraph, to obligate an additional amount from future available budget authority specified in law.
(ii) STATEMENT OF CONTINGENT COMMITMENT.—The agreement shall state that the contingent commitment is not an obligation of the Government.

(iii) INTEREST AND OTHER FINANCING COSTS.—Interest and other financing costs of efficiently carrying out a part of the project within a reasonable time are a cost of carrying out the project under a full funding grant agreement, except that eligible costs may not be more than the cost of the most favorable financing terms reasonably available for the project at the time of borrowing. The applicant shall certify, in a way satisfactory to the Secretary, that the applicant has shown reasonable diligence in seeking the most favorable financing terms.

(iv) COMPLETION OF OPERABLE SEGMENT.—The amount stipulated in an agreement under this paragraph for a fixed guideway project shall be sufficient to complete at least an operable segment.

(C) BEFORE AND AFTER STUDY.—

(i) IN GENERAL.—A full funding grant agreement under this paragraph shall require the applicant to conduct a study that—

(I) describes and analyzes the impacts of the new fixed guideway capital project on transit services and transit ridership;

(II) evaluates the consistency of predicted and actual project characteristics and performance; and

(III) identifies sources of differences between predicted and actual outcomes.

(ii) INFORMATION COLLECTION AND ANALYSIS PLAN.—

(I) SUBMISSION OF PLAN.—Applicants seeking an agreement under this paragraph shall submit a complete plan for the collection and analysis of information to identify the impacts of the new fixed guideway capital project and the accuracy of the forecasts prepared during the development of the project. Preparation of this plan shall be included in the full funding grant agreement as an eligible activity.

(II) CONTENTS OF PLAN.—The plan submitted under subclause (I) shall provide for—

(aa) the collection of data on the current transit system regarding transit service levels and ridership patterns, including origins and destinations, access modes, trip purposes, and rider characteristics;

(bb) documentation of the predicted scope, service levels, capital costs, operating costs, and ridership of the project;

(cc) collection of data on the transit system 2 years after the opening of the new fixed guideway capital project, including analogous information on transit service levels and ridership patterns and information on the as-built scope and capital costs of the project; and

(dd) analysis of the consistency of predicted project characteristics with the after data.

(D) COLLECTION OF DATA ON CURRENT SYSTEM.—To be eligible for a full funding grant agreement under this paragraph, recipients shall have collected data on the current system, according to the plan required, before the beginning of construction of the proposed new start project. Collection of this data shall be included in the full funding grant agreement as an eligible activity.

(3) EARLY SYSTEM WORK AGREEMENTS.—

(A) CONDITIONS.—The Secretary may make an early systems work agreement with an applicant if a record of decision under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) has been issued on the project and the Secretary finds there is reason to believe—

(i) a full funding grant agreement for the project will be made; and

(ii) the terms of the work agreement will promote ultimate completion of the project more rapidly and at less cost.

(B) CONTENTS.—

(i) IN GENERAL.—A work agreement under this paragraph obligates an amount of available budget authority specified in law and shall provide for reimbursement of preliminary costs of carrying out the project, including land acquisition, timely procurement of system elements for which specifications are decided, and other activities the Secretary decides are appropriate to make efficient, long-term project management easier.

(ii) PERIOD COVERED.—A work agreement under this paragraph shall cover the period of time the Secretary considers appropriate. The period may extend beyond the period of current authorization.

(iii) INTEREST AND OTHER FINANCING COSTS.—Interest and other financing costs of efficiently carrying out the work agreement within a reasonable time are a cost of carrying out the agreement, except that eligible costs may not be more than the cost of the most favorable financing terms reasonably available for the project at the time of borrowing. The applicant shall certify, in a way satisfactory to the Secretary, that the applicant has shown reasonable diligence in seeking the most favorable financing terms.

(iv) FAILURE TO CARRY OUT PROJECT.—If an applicant does not carry out the project for reasons within the control of the applicant, the applicant shall repay all Government payments made under the work agreement plus reasonable interest and penalty charges the Secretary establishes in the agreement.

(4) LIMITATION ON AMOUNTS.—

(A) MAJOR CAPITAL INVESTMENT GRANTS CONTINGENT COMMITMENT AUTHORITY.—The total estimated amount of future obligations of the Government and contingent commitments to incur obligations covered by all
outstanding letters of intent, full funding grant agreements, and early systems work agreements under this subsection for major new fixed guideway capital projects may be not more than the greater of the amount authorized under sections 5338(a)(2) and 5338(c) for such projects or an amount equivalent to the last 3 fiscal years of funding allocated under subsections (m)(1)(A) and (m)(2)(A)(ii) for such projects, less an amount the Secretary reasonably estimates is necessary for grants under this section for those of such projects that are not covered by a letter or agreement. The total amount covered by new letters and contingent commitments included in full funding grant agreements and early systems work agreements for such projects may be not more than a limitation specified in law.

(B) OTHER CONTINGENT COMMITMENT AUTHORITY.—The total estimated amount of future obligations of the Government and contingent commitments to incur obligations covered by all project construction grant agreements and early system work agreements under this subsection for small capital projects described in subsection (e) may be not more than the greater of the amount allocated under subsection (m)(2)(A)(i) for such projects or an amount equivalent to the last fiscal year of funding allocated under such subsection for such projects, less an amount the Secretary reasonably estimates is necessary for grants under this section for those of such projects that are not covered by an agreement. The total amount covered by new letters and contingent commitments included in project construction grant agreements and early systems work agreements for such projects may be not more than a limitation specified in law.

(D) APPROPRIATION REQUIRED.—An obligation may be made under this subsection only when amounts are appropriated for the obligation.

(5) NOTIFICATION OF CONGRESS.—At least 60 days before issuing a letter of intent for the Secretary shall notify, in writing, the Committees on Transportation and Infrastructure and Appropriations of the House of Representatives and the Committees on Banking, Housing, and Urban Affairs and Appropriations of the Senate of the proposed letter or agreement. The Secretary shall include with the notification a copy of the proposed letter or agreement as well as the evaluations and ratings for the project.

See References in Text note below.

(h) GOVERNMENT’S SHARE OF NET PROJECT COST.—

(1) IN GENERAL.—Based on engineering studies, studies of economic feasibility, and information on the expected use of equipment or facilities, the Secretary shall estimate the net project cost. A grant for the project shall be for 80 percent of the net capital project cost, unless the grant recipient requests a lower grant percentage.

(2) ADJUSTMENT FOR COMPLETION UNDER BUDGET.—The Secretary may adjust the final net project cost of a new fixed guideway capital project evaluated under subsections (d) and (e) to include the cost of eligible activities not included in the originally defined project if the Secretary determines that the originally defined project has been completed at a cost that is significantly below the original estimate.

(3) MAXIMUM GOVERNMENT SHARE.—The Secretary may provide a higher grant percentage than requested by the grant recipient if—

(A) the Secretary determines that the net project cost of the project is not more than 10 percent higher than the net project cost estimated at the time the project was approved for advancement into preliminary engineering; and

(B) the ridership estimated for the project is not less than 90 percent of the ridership estimated for the project at the time the project was approved for advancement into preliminary engineering.

(4) REMAINDER OF NET PROJECT COST.—The remainder of net project costs shall be provided from an undistributed cash surplus, a replacement or depreciation cash fund or reserve, or new capital.

(5) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this section, including paragraph (1) and subsections (d)(4)(B)(v) and (e)(6), shall be construed as authorizing the Secretary to require a non-Federal financial commitment for a project that is more than 20 percent of the net capital project cost.

(6) SPECIAL RULE FOR ROLLING STOCK COSTS.—In addition to amounts allowed pursuant to paragraph (1), a planned extension to a fixed guideway system may include the cost of rolling stock previously purchased if the applicant satisfies the Secretary that only amounts other than amounts of the Government were used and that the purchase was made for use on the extension. A refund or reduction of the remainder may be made only if a refund of a proportional amount of the grant of the Government is made at the same time.

(7) LIMITATION ON APPLICABILITY.—This subsection does not apply to projects for which the Secretary has entered into a full funding grant agreement before the date of enactment of the Federal Public Transportation Act of 2005.

(i) UNDERTAKING PROJECTS IN ADVANCE.—

(1) IN GENERAL.—The Secretary may pay the Government’s share of the net capital project cost to a State or local governmental authority that carries out any part of a project described in this section without the aid of
amounts of the Government and according to all applicable procedures and requirements if—
(A) the State or local governmental authority applies for the payment;
(B) the Secretary approves the payment; and
(C) before carrying out the part of the project, the Secretary approves the plans and specifications for the part in the same way as other projects under this section.

(2) FINANCING COSTS.—
(A) IN GENERAL.—The cost of carrying out part of a project includes the amount of interest earned and payable on bonds issued by the State or local governmental authority to the extent proceeds of the bonds are expended in carrying out the part.

(B) LIMITATION ON AMOUNT OF INTEREST.—
The amount of interest under this paragraph may not be more than the most favorable interest terms reasonably available for the project at the time of borrowing.

(C) CERTIFICATION.—The applicant shall certify, in a manner satisfactory to the Secretary, that the applicant has shown reasonable diligence in seeking the most favorable financial terms.

(j) AVAILABILITY OF AMOUNTS.—
(1) IN GENERAL.—An amount made available or appropriated under section 5338(a)(3)(C)(i)(I), 5338(a)(3)(C)(iv), 5338(b)(2)(E), or 5338(c) for replacement, rehabilitation, and purchase of buses and related equipment and construction of bus-related facilities or for new fixed guideway capital projects shall remain available for 3 fiscal years, including the fiscal year in which the amount is made available or appropriated. Any of such amounts that are unobligated at the end of the 3-fiscal-year period may be used by the Secretary for any purpose under this section.

(2) USE OF DEOBLIGATED AMOUNTS.—An amount available under this section that is deobligated may be used for any purpose under this section.

(k) REPORTS ON NEW STARTS.—
(1) ANNUAL REPORT ON FUNDING RECOMMENDATIONS.—Not later than the first Monday in February of each year, the Secretary shall submit to the Committees on Transportation and Infrastructure and Appropriations of the House of Representatives and the Committees on Banking, Housing, and Urban Affairs and Appropriations of the Senate a report that in—
(A) conduct an annual review of—
(i) the processes and procedures for evaluating, rating, and recommending new fixed guideway capital projects; and
(ii) the Secretary’s implementation of such processes and procedures; and
(B) report to Congress on the results of such review by May 31 of each year.

(1) OTHER REPORTS.—
(1) BEFORE AND AFTER STUDY REPORTS.—Not later than the first Monday of August of each year, the Secretary shall submit to the committees referred to in subsection (k)(1) a report containing a summary of the results of the studies conducted under subsection (g)(2)(C).

(2) CONTRACTOR PERFORMANCE ASSESSMENT REPORT.—
(A) IN GENERAL.—Not later than 180 days after the enactment of the Federal Public Transportation Act of 2005, and each year thereafter, the Secretary shall submit to the committees referred to in subsection (k)(1) a report analyzing the consistency and accuracy of cost and ridership estimates made by each contractor to public transportation agencies developing new fixed guideway capital projects.

(B) CONTENTS.—The report submitted under subparagraph (A) shall compare the cost and ridership estimates made at the time projects are approved for entrance into preliminary engineering with—
(i) estimates made at the time projects are approved for entrance into final design;
(ii) costs and ridership when the project commences revenue operation; and
(iii) costs and ridership when the project has been in operation for 2 years.

(C) CONSIDERATIONS.—In making comparisons under subparagraph (B), the Secretary shall consider factors having an impact on costs and ridership not under the control of the contractor. The Secretary shall also consider the role taken by each contractor in the development of the project.

(3) CONTRACTOR PERFORMANCE INCENTIVE REPORT.—Not later than 180 days after the enactment of the Federal Public Transportation Act of 2005, the Secretary shall submit to the committees referred to in subsection (k)(1) a report on the suitability of allowing contractors to public transportation agencies that undertake new fixed guideway capital projects under this section to receive performance incentive awards if a project is completed for less than the original estimated cost.

(m) ALLOCATING AMOUNTS.—
(1) FISCAL YEAR 2005.—Of the amounts made available or appropriated for fiscal year 2005 under section 5338(a)(3)—
(A) $1,377,329,000 shall be allocated for new fixed capital projects under subsection (d);
(B) $1,204,684,000 shall be allocated for capital projects for fixed guideway modernization; and
(C) $1,669,600,000 shall be allocated for capital projects for buses and bus-related equipment and facilities.
§ 5309

(2) Fiscal years 2006 through 2010 and October 1, 2010, through March 4, 2011.—The amounts made available or appropriated for fiscal years 2006 through 2010, and during the period beginning October 1, 2010, and ending March 4, 2011, under sections 5338(b) and 5338(c) shall be allocated as follows:

(A) Capital Investment Grants.—Of the amounts appropriated under section 5338(c)—
   (i) $200,000,000 for each of fiscal years 2007 through 2010, and $84,931,000 for the period beginning October 1, 2010, and ending March 4, 2011, shall be allocated for projects for new fixed guideway capital projects of less than $75,000,000 in accordance with subsection (e); and
   (ii) the remainder shall be allocated for major new fixed guideway capital projects in accordance with subsection (d).

(B) Fixed Guideway Modernization.—The amounts made available under section 5338(b)(2)(D) shall be allocated for capital projects for fixed guideway modernization.

(C) Buses and Bus-Related Equipment and Facilities.—The amounts made available under section 5338(b)(2)(E) shall be allocated for capital projects for buses and bus-related equipment and facilities.

(3) Fixed Guideway Modernization.—The amounts made available for fixed guideway modernization under section 5338(b)(2)(D) for fiscal year 2006 and each fiscal year thereafter shall be allocated in accordance with section 5337.

(4) Preliminary Engineering and Alternatives Analysis.—Not more than 8 percent of the allocation described in paragraph (1)(A) may be expended on alternatives analysis and preliminary engineering.

(5) Preliminary Engineering.—Not more than 8 percent of the allocation described in paragraph (2)(A) may be expended on preliminary engineering.

(6) Funding for Ferry Boats.—Of the amounts described in paragraphs (1)(A) and (2)(A)—
   (A) $10,400,000 shall be available in fiscal year 2005 for capital projects in Alaska and Hawaii for new fixed guideway systems and extension projects utilizing ferry boats, ferry boat terminals, or approaches to ferry boat terminals;
   (B) $15,000,000 shall be available in each of fiscal years 2006 through 2010, and $6,369,000 shall be available for the period beginning October 1, 2010, and ending March 4, 2011, for capital projects in Alaska and Hawaii for new fixed guideway ferry systems and extension projects utilizing ferry boats, ferry boat terminals, or approaches to ferry boat terminals; and
   (C) $5,000,000 shall be available for each of fiscal years 2006 though 2010, and $2,123,000 shall be available for the period beginning October 1, 2010 and ending March 4, 2011, for payments to the Denali Commission under the terms of section 307(e) of the Denali Commission Act of 1998 (42 U.S.C. 3121 note) for docks, waterfront development projects, and related transportation infrastructure.

(7) Bus and Bus Facility Grants.—The amounts made available under paragraphs (1)(C) and (2)(C) shall be allocated as follows:

(A) Ferry Boat Systems.—
   (i) Fiscal years 2006 through 2010.—Not more than 8 percent of the allocation described in paragraph (1)(A) shall be available in each of fiscal years 2006 through 2010 for ferry boats or ferry terminal facilities. Of such funds, the following amounts shall be set aside for each fiscal year:
      (I) $2,500,000 for the San Francisco Water Transit Authority.
      (II) $2,500,000 for the Massachusetts Bay Transportation Authority Ferry System.
      (III) $1,000,000 for the Camden, New Jersey Ferry System.
      (IV) $1,000,000 for the Governor’s Island, New York Ferry System.
      (V) $1,000,000 for the Philadelphia Penn’s Landing Ferry Terminal.
      (VI) $1,000,000 for the Staten Island Ferry.
      (VII) $850,000 for the Maine State Ferry Service, Rockland.
      (VIII) $350,000 for the Maine State Ferry Service.
   (ii) Special Rule for October 1, 2010, through March 4, 2011.—$4,246,000 shall be available for the period beginning October 1, 2010 and ending March 4, 2011, for ferry boats or ferry terminal facilities. The Secretary shall set aside a portion of such amount in accordance with clause (i), except that the Secretary shall set aside 155⁄365ths of each dollar amount specified in subclauses (I) through (VIII).

(B) Fuel Cell Bus Program.—The following amounts shall be set aside for the national fuel cell bus technology development program under section 3045 of the Federal Public Transportation Act of 2005:
   (i) $11,250,000 for fiscal year 2006.
   (ii) $11,500,000 for fiscal year 2007.
   (iii) $12,750,000 for fiscal year 2008.
   (iv) $13,500,000 for fiscal year 2009.
   (v) $13,500,000 for fiscal year 2010.
   (vi) $5,732,000 for the period beginning October 1, 2010 and ending March 4, 2011.

(C) Projects Not in Urbanized Areas.—Not less than 5.5 percent shall be available in each fiscal year, and during the period beginning October 1, 2010, and ending March 4, 2011, for projects that are not in urbanized areas.

(D) Intermodal Terminals.—Not less than $35,000,000 shall be available in each fiscal year, and not less than $14,863,000 shall be available for the period beginning October 1, 2010 and ending March 4, 2011, for intermodal terminal projects, including the intercity bus portion of such projects.

(E) Bus Testing.—$3,000,000 shall be available in each fiscal year, and $1,273,000 shall be available for the period beginning October 1, 2010 and ending March 4, 2011, for bus testing under section 5318.

(F) Bus and Bus Facility Grant Considerations.—In making grants under paragraphs 365

In subsection (a), before clause (1), the words “in accordance with the provisions of this chapter” are omitted as surplus. The words “and on such terms and conditions as the Secretary may prescribe” and 49 App.:1602(a)(1)(D) (3d sentence) are omitted as unnecessary because of section 5335(a) of the revised title and 49:322(a). The words “(directly, through the purchase of securities or equipment trust certificates, or otherwise)” and “and agencies thereof” are omitted as surplus. In clause (1), the word “detailed” is omitted as surplus. In clause (2), the words “capital projects” are substituted for “the acquisition, construction, reconstruction, and improvement of facilities and equipment for use, by operation or lease or otherwise, in mass transportation service” for clarity and consistency in this section. The words “Eligible facilities and equipment may include personal property such as buses and other rolling stock, and rail and bus facilities, and real” are omitted as surplus. The text of section 5302(a) of the revised title. The words “Except” and clause (D) was not carried forward.

In subsection (b)(1), the word “finance” is omitted as surplus.

In subsection (b)(2), the words “for real property acquisition” are omitted as surplus. The words “project” are substituted for “approved project” are added for clarity and consistency. The words “which shall be in lieu of the determination required by subparagraph (A)” “‘real’, and ‘connection with’” are omitted as surplus.

In subsection (b)(3), the word “comprehensive” is omitted as surplus. The words “by the project” are added for clarity. The words “a period of” and “longer” are omitted as surplus.

In subsection (b)(4), the words “a period not exceeding” and “Each agreement shall provide that” are omitted as surplus. The words “shall be made within the 10-year period” are substituted for “shall not be later than 10 years following the fiscal year in which the agreement is made” to eliminate unnecessary words. The words “if any, over the original cost of the real property” are omitted as surplus. The words “deposit in” are substituted for “credit to” for consistency in the revised title and with other titles of the United States Code.

In subsection (b)(5), the word “actual” is omitted as surplus. The words “deposited in” are substituted for “credited to” for consistency in the revised title and with other titles of the Code.

In subsection (c), before clause (1), the words “grant or loan” are substituted for “assistance” for consistency in the revised section. In clause (1), the words “rail carrier” are substituted for “railroad” for consistency in the revised title and with other titles of the Code.

In subsection (d), before clause (1), the words “Except as provided in subsections (b)(2) and (e) of this section” are added for clarity. In clause (1), the words “through operation or lease or otherwise” are omitted as surplus.

In subsection (e)(2), before clause (A), the word “existing” is added for clarity and consistency.

In subsection (e)(6)(C), the words “Part A of Title I of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102-240, 105 Stat. 1915)” are substituted for “the Federal-Aid Highway Act of 1991” because the Federal-Aid Highway Act of 1991 was title I of H.R. 1517, that was originally the predecessor provisions to Part A of Title I of H.R. 2950, enacted into law as the Intermodal Surface Transportation Efficiency Act of 1991. In subsection (f)(1), the words “or entity” are omitted as surplus.

In subsection (f)(2), before clause (A), the words “for a project under subsection (a)(5) of this section” are added for clarity. In clause (B), the words “publicly or privately owned” are omitted as surplus.

In subsection (g)(1)(A), the words “The letter shall be regarded as an intended obligation” are omitted as surplus. In subsection (g)(1)(D), the words “pursuant to such a letter of intent” are omitted as surplus.

In subsection (g)(2)(A)(ii), the words “and conditions” are omitted as being included in “terms.”

In subsection (g)(4), the word “issued” is omitted as surplus. The text of section 5302(a) of the revised title. The words “Except as provided in paragraph (2) of this subsection” are added for clarity. The words “Such remainder may be provided in whole or in part from other than public sources and any public or private”, “solely”, and “at any time” are omitted as surplus. The words “shall be deemed” are omitted as unnecessary since the text is a statement of a legal conclusion.

In subsection (i), before clause (1), the words “Except for a loan under subsection (b) of this section” are added for clarity. The words “loan and interest” are substituted for “loan then outstanding” to eliminate unnecessary words.

In subsection (j), the words “loan and interest” are substituted for “principal and accrued interest on the loan” then outstanding” to eliminate unnecessary words.

In subsection (k)(1)(B) and (3), the word “existing” is added for clarity and consistency.

In subsection (m)(1)(B) and (3), the word “subject to paragraph (3)” are omitted as surplus. The reference to fiscal year 1992 is omitted as obsolete.
In subsection (n)(2), the words “Subject to the provisions of this paragraph”, “the Federal share of which the Secretary is authorized to pay under this subsection”, and “actually” are omitted as surplus.

AMENDMENTS

Subsec. (m)(2)(A)(i). Pub. L. 111–322, § 2303(1)(C), substituted “$4,931,000 for the period beginning October 1, 2010 and ending March 4, 2011” for “$50,000,000 for the period beginning October 1, 2010, and ending December 31, 2010”.

Pub. L. 111–147, § 433(1)(C), substituted “2010, and $50,000,000 for the period beginning October 1, 2010, and ending December 31, 2010,” for “2009”.

Subsec. (m)(6)(B). Pub. L. 111–322, § 2303(2)(A), which directed substitution of “$6,369,000 shall be available for the period beginning October 1, 2010, and ending March 4, 2011,” for “$3,750,000 shall be available for the period beginning October 1, 2010, and ending December 31, 2010,” was executed by making the substitution for “$3,750,000 shall be available for the period beginning October 1, 2010, and ending March 4, 2011,” for “$1,250,000 shall be available for the period beginning October 1, 2010, and ending December 31, 2010”.

Pub. L. 111–147, § 433(2)(B), substituted “2010, and $1,250,000 shall be available for the period beginning October 1, 2010, and ending December 31, 2010,” for “2009”.

Subsec. (m)(7)(A). Pub. L. 111–147, § 433(3)(A), inserted cl. (i) designation and heading, substituted “$10,000,000 shall be available in each of fiscal years 2006 through 2010” for “$10,000,000 shall be available in each of fiscal years 2006 through 2010” in introductory provisions, redesignated former cls. (i) to (viii) as subcls. (I) to (VIII), respectively, of cl. (i), and added cl. (ii).

Pub. L. 111–322, § 2303(3)(A)(ii), which directed substitution of “$4,246,000 shall be available for the period beginning October 1, 2010, and ending March 4, 2011” for “$2,500,000 shall be available for the period beginning October 1, 2010, and ending December 31, 2010,” was executed by making the substitution for “$2,500,000 shall be available in the period beginning October 1, 2010, and ending December 31, 2010”, to reflect the probable intent of Congress.

Pub. L. 111–147, § 433(3)(C), inserted “, and during the period beginning October 1, 2010, and ending December 31, 2010,” after “fiscal year”.

Subsec. (m)(7)(D). Pub. L. 111–322, § 2303(6), substituted “$14,863,000 shall be available for the period beginning October 1, 2010 and ending March 4, 2011” for “$3,750,000 shall be available for the period beginning October 1, 2010, and ending December 31, 2010”, See Codification note above.

Pub. L. 111–147, § 433(3)(D), inserted “, and not less than $8,750,000 shall be available for the period beginning October 1, 2010, and ending December 31, 2010,” after “year”.

Subsec. (m)(7)(E). Pub. L. 111–322, § 2303(7), substituted “$1,273,000 shall be available for the period beginning October 1, 2010 and ending March 4, 2011,” for “$750,000 shall be available for the period beginning October 1, 2010, and ending December 31, 2010”. See Codification note above.

Pub. L. 111–147, § 433(3)(E), inserted “, and $750,000 shall be available for the period beginning October 1, 2010, and ending December 31, 2010,” after “year”.

2009—Subsec. (d)(6)(B). Pub. L. 110–244, § 201(d)(1), substituted “subsection and shall give comparable, but not necessarily equal, numerical weight to each project justification criteria in calculating the overall project rating.” for “regulation.”

Subsec. (e)(6)(B). Pub. L. 110–244, § 201(d)(2), substituted “subsection and shall give comparable, but not
necessarily equal, numerical weight to each project justification criteria in calculating the overall project rating," for "subsection.

2005—Pub. L. 109–109 amended section catchline and text generally. Prior to amendment, text consisted of subsec. (a) to (p) providing for grants and loans to assist State and local governmental authorities in financing capital projects related to fixed guideway systems, capital projects needed for an efficient and coordinated mass transportation system, the capital costs of converting mass transportation with other transportation, the introduction of new technology, and mass transportation projects to meet the special needs of elderly individuals and individuals with disabilities.

(2) describes whether such uses of such funds has improved transportation services for low-income individuals; and

(3) contains such other relevant information as may be appropriate.”

DOLLAR VALUE OF MOBILITY IMPROVEMENTS
“(a) IN GENERAL.—The Secretary [of Transportation] shall not consider the dollar value of mobility improvements, as specified in the report required under section 5306(e) (as added by this Act), in evaluating projects under section 5309 of title 49, United States Code, in developing regulations, or in carrying out any other duty of the Secretary.”

“(b) STUDY.—

“(1) IN GENERAL.—The Comptroller General shall conduct a study of the dollar value of mobility improvements and the relationship of mobility improvements to the overall transportation justification of a new fixed guideway system or extension to an existing system.

“(2) REPORT.—Not later than January 1, 2000, the Comptroller General shall submit a report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a report on the results of the study under paragraph (1), including an analysis of the factors relevant to determining the dollar value of mobility improvements.”

JOBS ACCESS AND REVERSE COMMUTE GRANTS

ENCOURAGEMENT OF ADVERSELY AFFECTED INDUSTRIES TO COMPETE FOR CONTRACTS

§5310. Formula grants for special needs of elderly individuals and individuals with disabilities

(a) GENERAL AUTHORITY.—

(1) GRANTS.—The Secretary may make grants to States and local governmental authorities under this section for public transportation capital projects planned, designed, and carried out to meet the special needs of elderly individuals and individuals with disabilities.

(2) SUBRECIPIENTS.—A State that receives a grant under this section may allocate the amounts provided under the grant to—

(A) a governmental authority; or

(B) a governmental authority that—

(i) is approved by the State to coordinate services for elderly individuals and individuals with disabilities; or

(ii) certifies that there are not any nonprofit organizations readily available in the area to provide the services described under paragraph (1).

(3) ACQUIRING PUBLIC TRANSPORTATION SERVICES.—A public transportation capital project under this section may include acquisition of public transportation services as an eligible capital expense.

(4) ADMINISTRATIVE EXPENSES.—A State or local governmental authority may use not more than 10 percent of the amounts apportioned to the State under this section to administer, plan, and provide technical assistance for a project funded under this section.

(b) APPORTIONMENT AND TRANSFERS.—

(1) FORMULA.—The Secretary shall apportion amounts made available to carry out this section under a formula the Secretary administers that considers the number of elderly individuals and individuals with disabilities in each State.

(2) TRANSFER OF FUNDS.—Any funds apportioned to a State under paragraph (1) may be transferred by the State to the apportionments made under sections 5311(c) and 5336 if such funds are only used for eligible projects selected under this section.

(c) GOVERNMENT’S SHARE OF COSTS.—

(1) CAPITAL PROJECTS.—

(A) IN GENERAL.—A grant for a capital project under this section shall be for 80 percent of the net capital costs of the project, as determined by the Secretary.

(B) EXCEPTION.—A State described in section 120(b) of title 23 shall receive an increased Government share in accordance with the formula under that section.

(2) REMAINDER.—The remainder of the net project costs—

(A) may be provided from an undistributed cash surplus, a replacement or depreciation cash fund or reserve, or taxable interest earnings with a State or local social service agency or a private social service organization, or new capital;

(B) may be derived from amounts appropriated or otherwise made available to a department or agency of the Government (other than the Department of Transportation) that are eligible to be expended for transportation; and

(C) notwithstanding subparagraph (B), may be derived from amounts made available to carry out the Federal lands highway program established by section 204 of title 23.

(3) USE OF CERTAIN FUNDS.—For purposes of paragraph (2)(B), the prohibitions on the use of funds for matching requirements under section 403(a)(5)(C)(vii) of the Social Security Act (42 U.S.C. 603(a)(5)(C)(vii)) shall not apply to Federal or State funds to be used for transportation purposes.

(d) GRANT REQUIREMENTS.—
§ 5310  TITLE 49—TRANSPORTATION  Page 210

(1) IN GENERAL.—A grant under this section shall be subject to all requirements of a grant under section 5307 to the extent the Secretary determines appropriate.

(2) CERTIFICATION REQUIREMENTS.—

(A) FUND TRANSFERS.—A grant recipient under this section that transfers funds to a project funded under section 5336 in accordance with subsection (b)(2) shall certify that the project for which the funds are requested has been coordinated with private nonprofit providers of services under this section.

(B) PROJECT SELECTION AND PLAN DEVELOPMENT.—Beginning in fiscal year 2007, each grant recipient under this section shall certify that—

(i) the projects selected were derived from a locally developed, coordinated public transit-human services transportation plan; and

(ii) the plan was developed through a process that included representatives of public, private, and nonprofit transportation and human services providers and participation by the public.

(C) ALLOCATIONS TO SUBRECIPIENTS.—Each grant recipient under this section shall certify that allocations of the grant to subrecipients, if any, are distributed on a fair and equitable basis.

(e) STATE PROGRAM OF PROJECTS.

(1) IN GENERAL.—Amounts made available to carry out this section may be used for transportation projects to assist in providing transportation services for elderly individuals and individuals with disabilities that are included in a State program of projects.

(2) SUBMISSION AND APPROVAL.—A State shall submit to the Secretary annually for approval a program of projects. The program shall contain an assurance that the program provides for maximum feasible coordination of transportation services assisted under this section with transportation services assisted by other Government sources.

(f) LEASING VEHICLES.—Vehicles acquired under this section may be leased to local government authorities to improve transportation services designed to meet the special needs of elderly individuals and individuals with disabilities.

(g) MEAL DELIVERY FOR HOMEBOUND INDIVIDUALS.—Public transportation service providers receiving assistance under this section or section 5311(c) may coordinate and assist in regularly providing meal delivery service for homebound individuals if the delivery service does not conflict with providing public transportation service or reduce service to public transportation passengers.

(h) TRANSFERS OF FACILITIES AND EQUIPMENT.—With the consent of the recipient in possession of a facility or equipment acquired with a grant under this section, a State may transfer the facility or equipment to any recipient eligible to receive assistance under this chapter if the facility or equipment will continue to be used as required under this section.

‘‘(4) A plan established under this section—

(A) may be provided from an undistributed cash surplus, a replacement or depreciation cash fund or reserve, a service agreement with a State or local social service agency or a private social service organization, or new capital; and

(B) may be derived from amounts appropriated to or made available to a department or agency of the Government (other than the Department of Transportation) that are eligible to be expended for transportation purposes.

**ELIGIBLE ACTIVITIES.—Projects eligible under the pilot program may include the collection of data necessary to support the report to Congress required by paragraph (7).**

**(7) REPORT.—Not later than 2 years after the date of enactment of this Act [Aug. 10, 2005], the Secretary shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a report on the pilot program, which may include—

(A) the extent to which funds were used to subsidize existing paratransit service provided in compliance with the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.);

(B) whether States participating in the pilot program use the funds to provide services to persons with disabilities that exceed those services required by the Americans with Disabilities Act of 1990 differently than States not in the pilot program;

(C) whether States participating in this pilot program use the funds to provide services to individuals with disabilities that exceed those services required by the Americans with Disabilities Act of 1990 to the detriment of other eligible projects;

(D) the percentage of funds used to assist elderly individuals;

(E) the percentage of funds used to assist individuals with disabilities;

(F) the extent to which States participating in this pilot program serve a wider range of elderly, low income, and persons with disabilities populations;

(G) whether the pilot program improves services to elderly individuals and individuals with disabilities;

(H) the extent to which States participating in the pilot program were able to expand the range of transportation alternatives available to elderly individuals and individuals with disabilities; and

(I) whether the pilot program facilitates or discourages coordination with or integration of other funding sources.

**(8) SUNSET.—This subsection shall cease to be effective on March 4, 2011.**

**OVER-THE-ROAD BUS ACCESSIBILITY PROGRAM**

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) INTERCITY, FIXED-ROUTE OVER-THE-ROAD BUS SERVICE.—The term ‘‘intercity, fixed-route over-the-road bus service’’ means regularly scheduled bus service for the general public, using an over-the-road bus, that—

(A) operates with limited stops over fixed routes connecting 2 or more urban areas not in close proximity or connecting 1 or more rural communities with an urban area not in close proximity;

(B) has the capacity for transporting baggage carried by passengers; and

(C) makes meaningful connections with scheduled intercity bus service to more distant points.
(2) OTHER OVER-THE-ROAD BUS SERVICE.—The term ‘other over-the-road bus service’ means any other transportation using over-the-road buses including local fixed-route service, commuter service, and charter or tour service (including tour or excursion service that includes features in addition to bus transportation such as meals, lodging, admission to points of interest or special attractions or the services of a tour guide).

(3) OVER-THE-ROAD BUS.—The term ‘over-the-road bus’ means a bus characterized by an elevated passenger deck located over a baggage compartment.

(b) GENERAL AUTHORITY.—The Secretary [of Transportation] shall make grants under this section to operators of over-the-road buses to finance the incremental capital and training costs of complying with the Department of Transportation’s final rule regarding accessibility of over-the-road buses required by section 369(a)(2)(B) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12186(a)(2)(B)).

(c) GRANT CRITERIA.—In selecting applicants for grants under this section, the Secretary shall consider:

(1) the identified need for over-the-road bus accessibility for persons with disabilities in the areas served by the applicant;

(2) the extent to which the applicant demonstrates innovative strategies and financial commitment to providing access to over-the-road buses to persons with disabilities;

(3) the extent to which the over-the-road bus operator acquires equipment required by the final rule prior to any required timeframe in the final rule;

(4) the extent to which financing the costs of complying with the Department of Transportation’s final rule regarding accessibility of over-the-road buses presents a financial hardship for the applicant; and

(5) the impact of accessibility requirements on the continuation of over-the-road bus service, with particular consideration of the impact of the requirements on service to rural areas and for low-income individuals.

(d) COMPETITIVE GRANT SELECTION.—The Secretary shall conduct a national solicitation for applications for grants under this section. Grantees shall be selected on a competitive basis.

(e) FEDERAL SHARE OF COSTS.—The Federal share of costs under this section shall be provided from funds made available to carry out this section and shall be determined in accordance with section 333(a) of title 49, United States Code.

(f) GRANT REQUIREMENTS.—A grant under this section shall be subject to all of the terms and conditions applicable to subrecipients who provide intercity bus transportation under section 333(a)(2) of title 49, United States Code, and such other terms and conditions as the Secretary may prescribe.

(g) FUNDING.—

(1) INTERCITY, FIXED ROUTE OVER-THE-ROAD BUS SERVICE.—Of the amounts made available to carry out this section in each fiscal year, 75 percent shall be available for operators of over-the-road buses used substantially or exclusively in intercity, fixed-route over-the-road bus service to finance the incremental capital and training costs of the Department of Transportation’s final rule regarding accessibility of over-the-road buses. Such amounts shall remain available until expended.

(2) OTHER OVER-THE-ROAD BUS SERVICE.—Of the amounts made available to carry out this section in each fiscal year, 25 percent shall be available for operators of other over-the-road bus service to finance the incremental capital and training costs of the Department of Transportation’s final rule regarding accessibility of over-the-road buses. Such amounts shall remain available until expended.

§ 5311. Formula grants for other than urbanized areas

(a) DEFINITIONS.—As used in this section, the following definitions shall apply:

(1) RECIPIENT.—The term “recipient” means a State or Indian tribe that receives a Federal transit program grant directly from the Federal Government.

(2) SUBRECIPIENT.—The term “subrecipient” means a State or local governmental authority, a nonprofit organization, or an operator of public transportation or intercity bus service that receives Federal transit program grant funds indirectly through a recipient.

(b) GENERAL AUTHORITY.—

(1) GRANTS AUTHORIZED.—Except as provided by paragraph (2), the Secretary may award grants under this section to recipients located in areas other than urbanized areas for—

(A) public transportation capital projects;

(B) operating costs of equipment and facilities for use in public transportation; and

(C) the acquisition of public transportation services, including service agreements with private providers of public transportation services.

(2) STATE PROGRAM.—

(A) IN GENERAL.—A project eligible for a grant under this section shall be included in a State program for public transportation service projects, including agreements with private providers of public transportation service.

(B) SUBMISSION TO SECRETARY.—Each State shall submit to the Secretary annually the program described in paragraph (A).

(C) APPROVAL.—The Secretary may not approve the program unless the Secretary determines that—

(i) the program provides a fair distribution of amounts in the State, including Indian reservations; and

(ii) the program provides the maximum feasible coordination of public transportation service assisted under this section with transportation service assisted by other Federal sources.

(3) RURAL TRANSPORTATION ASSISTANCE PROGRAM.—

(A) IN GENERAL.—The Secretary shall carry out a rural transportation assistance program in other than urbanized areas.

(B) GRANTS AND CONTRACTS.—In carrying out this section, the Secretary may use not more than 2 percent of the amount made available to carry out this section to make grants and contracts for transportation research, technical assistance, training, and related support services in other than urbanized areas.

(C) PROJECTS OF A NATIONAL SCOPE.—Not more than 15 percent of the amounts available under subparagraph (B) may be used by the Secretary to carry out projects of a national scope, with the remaining balance provided to the States.

(4) DATA COLLECTION.—Each recipient under this section shall submit an annual report to the Secretary containing information on capital investment, operations, and service provided with funds received under this section, including—

(A) total annual revenue;
(B) sources of revenue;  
(C) total annual operating costs;  
(D) total annual capital costs;  
(E) fleet size and type, and related facilities;  
(F) revenue vehicle miles; and  
(G) ridership.

c) Apportionments.—  
(1) Public Transportation on Indian Reservations.—Of the amounts made available or appropriated for each fiscal year pursuant to subsections (a)(1)(C)(v) and (b)(2)(G) of section 5338, the following amounts shall be apportioned for grants to Indian tribes for any purpose eligible under this section, under such terms and conditions as may be established by the Secretary:  
(A) $8,000,000,000 for fiscal year 2006.  
(B) $10,000,000,000 for fiscal year 2007.  
(C) $12,000,000,000 for fiscal year 2008.  
(D) $15,000,000,000 for fiscal year 2009.  
(E) $15,000,000,000 for fiscal year 2010.  
(F) $6,369,000 for the period beginning October 1, 2010 and ending March 4, 2011.

(2) Remaining Amounts.—Of the amounts made available or appropriated for each fiscal year pursuant to subsections (a)(1)(C)(v) and (b)(2)(G) of section 5338 that are not apportioned under paragraph (1)—  
(A) 20 percent shall be apportioned to the States in accordance with paragraph (3); and  
(B) 80 percent shall be apportioned to the States in accordance with paragraph (4).

(3) Apportionments Based on Land Area in Nonurbanized Areas.—  
(A) In General.—Subject to subparagraph (B), each State shall receive an amount that is equal to the amount apportioned under paragraph (2)(A) multiplied by the ratio of the land area in areas other than urbanized areas in that State and divided by the land area in all areas other than urbanized areas in the United States, as shown by the most recent decennial census of population.  
(B) Maximum Apportionment.—No State shall receive more than 5 percent of the amount apportioned under this paragraph.

(4) Apportionments Based on Population in Nonurbanized Areas.—Each State shall receive an amount equal to the amount apportioned under paragraph (2)(B) multiplied by the ratio of the population of areas other than urbanized areas in that State divided by the population of all areas other than urbanized areas in the United States, as shown by the most recent decennial census of population.

d) Use for Local Transportation Service.—A State may use an amount apportioned under this section for a project included in a program under subsection (b) of this section and eligible for assistance under this chapter if the project will provide local transportation service, as defined by the Secretary of Transportation, in an area other than an urbanized area.

e) Use for Administration, Planning, and Technical Assistance.—The Secretary of Transportation may allow a State to use not more than 15 percent of the amount apportioned under this section to administer this section and provide technical assistance to a subrecipient, including project planning, program and management development, coordination of public transportation programs, and research the State considers appropriate to promote effective delivery of public transportation to an area other than an urbanized area.

f) Intercity Bus Transportation.—  
(1) In General.—A State shall expend at least 15 percent of the amount made available in each fiscal year to carry out a program to develop and support intercity bus transportation. Eligible activities under the program include—  
(A) planning and marketing for intercity bus transportation;  
(B) capital grants for intercity bus shelters;  
(C) joint-use stops and depots;  
(D) operating grants through purchase-of-service agreements, user-side subsidies, and demonstration projects; and  
(E) coordinating rural connections between small public transportation operations and intercity bus carriers.

(2) Certification.—A State does not have to comply with paragraph (1) of this subsection in a fiscal year in which the chief executive officer of the State certifies to the Secretary, after consultation with affected intercity bus service providers, that the intercity bus service needs of the State are being met adequately.

g) Government Share of Costs.—  
(1) Capital Projects.—  
(A) In General.—Except as provided by subparagraph (B), a grant awarded under this section for a capital project or project administrative expenses shall be for 80 percent of the net costs of the project, as determined by the Secretary.  
(B) Exception.—A State described in section 120(b) of title 23 shall receive a Government share of the net costs in accordance with the formula under that section.

(2) Operating Assistance.—  
(A) In General.—Except as provided by subparagraph (B), a grant made under this section for operating assistance may not exceed 50 percent of the net operating costs of the project, as determined by the Secretary.  
(B) Exception.—A State described in section 120(b) of title 23 shall receive a Government share of the net operating costs equal to 62.5 percent of the Government share provided for under paragraph (1)(B).

(3) Remainder.—The remainder of net project costs—  
(A) may be provided from an undistributed cash surplus, a replacement or depreciation cash fund or reserve, a service agreement with a State or local social service agency or a private social service organization, or new capital;  
(B) may be derived from amounts appropriated or otherwise made available to a department or agency of the Government (other than the Department of Transportation) that are eligible to be expended for transportation; and
may be derived from amounts made available to carry out the Federal lands highway program established by section 204 of title 23.

(4) USE OF CERTAIN FUNDS.—For purposes of paragraph (3)(B), the prohibitions on the use of funds for matching requirements under section 403(a)(5)(C)(vii) of the Social Security Act (42 U.S.C. 603(a)(5)(C)(vii)) shall not apply to Federal or State funds to be used for transportation purposes.

(5) LIMITATION ON OPERATING ASSISTANCE.—A State carrying out a program of operating assistance under this section may not limit the level or extent of use of the Government grant for the payment of operating expenses.

(h) TRANSFER OF FACILITIES AND EQUIPMENT.—With the consent of the recipient currently having a facility or equipment acquired with assistance under this section, a State may transfer the facility or equipment to any recipient eligible to receive assistance under this chapter if the facility or equipment will continue to be used as required under this section.

(1) RELATIONSHIP TO OTHER LAWS.—(1) Section 5333(b) applies to this section if the Secretary of Labor utilizes a special warranty that provides a 5333(b) applies to this section if the Secretary of Labor utilizes a special warranty that provides a

In subsection (i)(1), the text of 49 App.:1614(f) (1st sentence) is omitted as unnecessary because of section 5334(a) of the revised title and 49:322(a). The words “in carrying out projects” are omitted as surplus.

AMENDMENTS

Subsec. (c)(1)(F). Pub. L. 111–322 amended subpar. (F) generally. Prior to amendment, subpar. (F) read as follows: “$3,750,000 for the period beginning October 1, 2010, and ending December 31, 2010.”

Pub. L. 111–147 added subpar. (F).

2008—Subsec. (g)(1)(A). Pub. L. 110–244, § 201(e)(1), (2), substituted “for a capital project or project administrative expenses” for “for any purpose other than operating assistance” and struck out “capital” after “net”.

Subsec. (i)(1). Pub. L. 110–244, § 201(e)(3), substituted “Section 5333(b)” for “Sections 5323(a)(1)(D) and 5333(b) of this title apply”.

2005—Subsec. (a). Pub. L. 109–59, § 3013(a), amended heading and text of subsec. (a) generally. Prior to amendment, text read as follows: “In this section, ‘recipient’ includes a State authority, a local government authority, a nonprofit organization, and an operator of mass transportation service.”

Subsec. (b). Pub. L. 109–59, § 3013(b), reenacted heading without change and amended text of subsec. (b) generally. Prior to amendment, text read as follows: “(1) The Secretary of Transportation may make grants for transportation projects that are included in a State program of mass transportation service projects (including service agreements with private providers of mass transportation service) for areas other than urbanized areas. The program shall be submitted annually to the Secretary. The Secretary may approve the program only if the Secretary finds that the program provides a fair distribution of amounts in the State, including Indian reservations, and the maximum feasible coordination of mass transportation service assisted under this section with transportation service assisted by other United States Government sources.

(2) The Secretary of Transportation shall carry out a rural transportation assistance program in nonurbanized areas. In carrying out this paragraph, the Secretary may make grants and contracts for transportation research, technical assistance, training, and related support services in nonurbanized areas.”

Subsec. (c). Pub. L. 109–59, § 3013(c), amended heading and text of subsec. (c) generally. Prior to amendment, text read as follows: “The Secretary of Commerce prepares after the 4th year ending September 30, 1993, and before the latest census is published, or the population estimate the Secretary of Commerce prepares after the 8th year ending September 30, 1993, and before the latest census is published. The amount may be obligated by the chief executive officer of each State receives an amount equal to the total amount apportioned multiplied by a ratio equal to the population of areas other than urbanized areas in a State divided by the population of all areas other than urbanized areas in the United States, as shown by the most recent of the following: the latest government census, the population estimate the Secretary of Commerce prepares after the 4th year after the date the latest census is published, or the population estimate the Secretary of Commerce prepares after the 8th year after the date the latest census is published. The amount may be obligated by the chief executive officer for 2 years after the fiscal year in which the amount is apportioned. An amount that is not obligated at the end of that period shall be reapportioned among the States for the next fiscal year.”

Subsec. (d). Pub. L. 109–59, § 3013(d), inserted “Planning,” after “Administration” in heading and in text struck out “(1)” before “The Secretary,” substituted “subrecipient” for “recipient,” and struck out par. (2) which read as follows: “Except as provided in this section, a State carrying out a program of operating assistance under this section may not limit the level or extent of use of the Government grant for the payment of operating expenses.”

Subsec. (f)(2). Pub. L. 109–59, § 3013(e)(2), inserted heading and substituted “Secretary, after consultation with affected intercity bus service providers,” for “Secretary of Transportation.”

Subsec. (g). Pub. L. 109–59, § 3013(f), substituted “Government” for “Government’s” in heading and amended text generally. Prior to amendment, text read as follows: “(1) In this subsection, ‘amounts of the Government or revenues’ do not include amounts received under a service agreement with a State or local social service agency or a private social service organization.

(2) A grant of the Government for a capital project under this section may not be more than 80 percent of the net cost of the project, as determined by the Secretary of Transportation. A grant to pay a subsidy for operating expenses may not be more than 50 percent of the net cost of the operating expense project. At least 50 percent of the remainder shall be paid in cash from sources other than amounts of the Government or revenues from providing mass transportation. Transit system amounts that make up the remainder shall be from an undistributed cash surplus, a replacement or depreciation cash fund or reserve, or new capital.”

Subsec. (h). Pub. L. 109–59, § 3013(g), redesignated subsec. (i) as (h) and struck out heading and text of former subsec. (h). Text read as follows: “An amount made available under this section may be used for operating assistance.”

Subsec. (j)(1). Pub. L. 109–59, § 3013(h), which directed amendment of subsec. (j)(1) by substituting “if the Secretary of Labor utilizes a special warranty that provides a fair and equitable arrangement to protect the interests of employees” for “but the Secretary of Labor may waive the application of section 5333(b)”, was executed by making the substitution in subsec. (j)(1) to reflect the probable intent of Congress and the redesignation of subsec. (j) as (i) by Pub. L. 109–59, § 3013(g)(2). See above.

§ 5312. Research, development, demonstration, and deployment projects

(a) RESEARCH, DEVELOPMENT, DEMONSTRATION, AND DEPLOYMENT PROJECTS.—

(1) IN GENERAL.—The Secretary may make grants, contracts, cooperative agreements, and other agreements (including agreements with departments, agencies, and instrumentalities of the United States Government) for research, development, demonstration, and deployment projects, and evaluation of technology of national significance to public transportation, that the Secretary determines
§5312

(1) DEFINITION OF CONSORTIUM.—In this subsection, the term “consortium”—
(A) means 1 or more public or private organizations located in the United States that provide public transportation service to the public and 1 or more businesses, including small- and medium-sized businesses, incorporated in a State, offering goods or services or willing to offer goods and services to public transportation operators; and
(B) may include, as additional members, public or private research organizations located in the United States, or State or local governmental authorities.

(2) GENERAL AUTHORITY.—The Secretary may, under terms and conditions that the Secretary prescribes, enter into grants, contracts, cooperative agreements, and other agreements with consortia selected in accordance with paragraph (4), to promote the early deployment of innovation in public transportation services, management, operational practices, or technology that has broad applicability. This paragraph shall be carried out in consultation with the transit industry by competitively selected consortia that will share costs, risks, and rewards of early deployment of innovation.

(3) CONSORTIUM CONTRIBUTION.—A consortium assisted under this subsection shall provide not less than 50 percent of the costs of any joint partnership project. Any business, organization, person, or governmental body may contribute funds to a joint partnership project.

(4) NOTICE REQUIREMENT.—The Secretary shall periodically give notice of the technical areas for which joint partnerships are solicited, required qualifications of consortia desiring to participate, the method of selection and evaluation criteria to be used in selecting participating consortia and projects, and the process by which innovation projects described in paragraph (1) will be awarded.

(5) USE OF REVENUES.—The Secretary shall accept, to the maximum extent practicable, a portion of the revenues resulting from sales of an innovation project funded under this section. Such revenues shall be accounted for separately within the Mass Transit Account of the Highway Trust Fund and shall be available to the Secretary for activities under this subsection. Annual revenues that are less than $1,000,000 shall be available for obligation without further appropriation and shall not be subject to any obligation limitation.

(c) INTERNATIONAL PUBLIC TRANSPORTATION PROGRAM.—
(1) ACTIVITIES.—The Secretary is authorized to engage in activities to inform the United States domestic public transportation community about technological innovations available in the international marketplace and activities that may afford domestic businesses the opportunity to become globally competitive in the export of public transportation products and services. Such activities may include—
(A) development, monitoring, assessment, and dissemination domestically of information about worldwide public transportation market opportunities;
(B) cooperation with foreign public sector entities in research, development, demonstration, training, and other forms of technology transfer and exchange of experts and information;
(C) advocacy, in international public transportation markets, of firms, products, and services available from the United States;
(D) informing the international market about the technical quality of public transportation products and services through participation in seminars, expositions, and similar activities; and
(E) offering those Federal Transit Administration technical services which cannot be readily obtained from the United States private sector to foreign public authorities planning or undertaking public transportation projects if the cost of these services will be recovered under the terms of each project.

(2) COOPERATION.—The Secretary may carry out activities under this subsection in cooperation with other Federal agencies, State or local agencies, public or private nonprofit institutions, government laboratories, foreign governments, or any other organization the Secretary determines is appropriate.

(3) FUNDING.—The funds available to carry out this subsection shall include revenues paid to the Secretary by any cooperating organization or person. Such revenues shall be available to the Secretary to carry out activities under this subsection, including promotional materials, travel, reception, and representation expenses necessary to carry out such activities. Annual revenues that are less than $1,000,000 shall be available for obligation without further appropriation and shall not be subject to any obligation limitation. Not later than January 1 of each fiscal year, the Secretary shall publish a report on the activities under this paragraph funded from the account.

§5313. Transit cooperative research program

(a) COOPERATIVE RESEARCH PROGRAM.—The amounts made available under subsections (a)(5)(C)(iii) and (d)(1) of section 5338 are available for a public transportation cooperative research program. The Secretary of Transportation shall establish an independent governing board for the program. The board shall recommend public transportation research, development, and technology transfer activities the Secretary considers appropriate.

(b) FEDERAL ASSISTANCE.—The Secretary may make grants to, and cooperative agreements with, the National Academy of Sciences to carry out activities under this subsection that the Secretary decides are appropriate.

(c) GOVERNMENT'S SHARE.—If there would be a clear and direct financial benefit to an entity under a grant or contract financed under this section, the Secretary shall establish a Government share consistent with that benefit.

AMENDMENTS

Subsec. (a). Pub. L. 109–59, §3014(a), amended heading and text of subsec. (a) generally. Prior to amendment, text read as follows: "The Secretary of Transportation (or the Secretary of Housing and Urban Development when required by section 5338(i) of this title) may undertake, or make grants or contracts (including agreements with departments, agencies, and instrumentalities of the United States Government) for, research, development, and demonstration projects related to urban mass transportation that the Secretary decides will help reduce urban transportation needs, improve mass transportation service, or help mass transportation service meet the urban transportation needs at a minimum cost. The Secretary may request and receive appropriate information from any source. This subsection does not limit the authority of the Secretary under another law."
§ 5314. National research programs

(a) PROGRAM.—(1) The amounts made available under section 5338(d) are available to the Secretary of Transportation for grants, contracts, cooperative agreements, or other agreements for the purposes of sections 5312, 5315, and 5322 of this title, as the Secretary considers appropriate.

(2) The Secretary shall provide public transportation-related technical assistance, demonstration programs, research, public education, and other activities the Secretary considers appropriate to help public transportation providers comply with the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.). To the extent practicable, the Secretary shall carry out this paragraph through a contract with a national nonprofit organization serving individuals with disabilities that has a demonstrated capacity to carry out the activities.

(3) Not more than 25 percent of the amounts made available under paragraph (1) of this subsection is available to the Secretary for special demonstration initiatives, subject to terms the Secretary considers consistent with this chapter, except that section 5333(b) of this title applies to an operational grant financed in carrying out section 5312(a) of this title. For a nonrenewable grant of not more than $100,000, the Secretary shall provide expedited procedures on complying with the requirements of this chapter.

(4)(A) The Secretary may undertake a program of public transportation technology development in coordination with affected entities.

(B) The Secretary shall develop guidelines for cost-sharing in technology development projects financed under this paragraph. The guidelines shall be flexible and reflect the extent of technical risk, market risk, and anticipated supplier benefits and payback periods.

(5) The Secretary may use amounts appropriated under this subsection to supplement amounts available under section 5313(a) of this title, as the Secretary considers appropriate.

(6) MEDICAL TRANSPORTATION DEMONSTRATION GRANTS.—

(A) GRANTS AUTHORIZED.—The Secretary may award demonstration grants, from funds made available under paragraph (1), to eligible entities to provide transportation services to individuals to access dialysis treatments and other medical treatments for renal disease.

(B) ELIGIBLE ENTITIES.—An entity shall be eligible to receive a grant under this paragraph if the entity—

(i) meets the conditions described in section 501(c)(3) of the Internal Revenue Code of 1986; or

(ii) is an agency of a State or unit of local government.

(C) USE OF FUNDS.—Grant funds received under this paragraph may be used to provide transportation services to individuals to access dialysis treatments and other medical treatments for renal disease.

(D) APPLICATION.—

(i) IN GENERAL.—Each eligible entity desiring a grant under this paragraph shall submit an application to the Secretary at such time, at such place, and containing such information as the Secretary may reasonably require.

(ii) SELECTION OF GRANTEE.—In awarding grants under this paragraph, the Secretary shall give preference to eligible entities from communities with—

(I) high incidence of renal disease; and

(II) limited access to dialysis facilities.

(E) RULEMAKING.—The Secretary shall issue regulations to implement and administer the grant program established under this paragraph.

(F) REPORT.—The Secretary shall submit a report on the results of the demonstration projects funded under this paragraph to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(b) GOVERNMENT’S SHARE.—When there would be a clear and direct financial benefit to an entity under a grant, contract, cooperative agreement, or other agreement under subsection (a) or section 5312, the Secretary shall establish a United States Government share consistent with the benefit.
(c) NATIONAL TECHNICAL ASSISTANCE CENTER FOR SENIOR TRANSPORTATION.—

(1) ESTABLISHMENT.—The Secretary shall award grants to a national not-for-profit organization for the establishment and maintenance of a national technical assistance center.

(2) ELIGIBILITY.—An organization shall be eligible to receive a grant under paragraph (1) if the organization—

(A) focuses significantly on serving the needs of the elderly;

(B) has demonstrated knowledge and expertise in senior transportation policy and planning issues;

(C) has affiliates in a majority of the States;

(D) has the capacity to convene local groups to consult on operation and development of senior transportation programs; and

(E) has established close working relationships with the Federal Transit Administration and the Administration on Aging.

(3) USE OF FUNDS.—The national technical assistance center established under this section shall—

(A) gather best practices from throughout the Nation and provide such practices to local communities that are implementing senior transportation programs;

(B) work with teams from local communities to identify how the communities are successfully meeting the transportation needs of senior citizens and any gaps in services in order to create a plan for an integrated senior transportation program;

(C) provide resources on ways to pay for senior transportation services;

(D) create a web site to publicize and circulate information on senior transportation services for senior citizens;

(E) establish a clearinghouse for print, video, and audio resources on senior mobility; and

(F) administer the demonstration grant program established under paragraph (4).

(4) GRANTS AUTHORIZED.—

(A) IN GENERAL.—The national technical assistance center established under this section, in consultation with the Federal Transit Administration, shall award senior transportation demonstration grants to—

(i) local transportation organizations;

(ii) State agencies;

(iii) units of local government; and

(iv) nonprofit organizations.

(B) USE OF FUNDS.—Grant funds received under this paragraph may be used to—

(i) evaluate the state of transportation services for senior citizens;

(ii) recognize barriers to mobility that senior citizens encounter in their communities;

(iii) establish partnerships and promote coordination among community stakeholders, including public, not-for-profit, and for-profit providers of transportation services for senior citizens;

(iv) identify future transportation needs of senior citizens within local communities; and

(v) establish strategies to meet the unique needs of healthy and frail senior citizens.

(C) SELECTION OF GRANTEES.—The Secretary shall select grantees under this paragraph based on a fair representation of various geographical locations throughout the United States.

establish an Industry Technical Panel composed of representatives of transportation suppliers and operators and others involved in technology development. A majority of the Panel members shall represent the supply industry. The Panel shall assist the Secretary in identifying priority technology development areas and in establishing guidelines for project development, project cost sharing, and project execution."

Subsec. (b). Pub. L. 109–59, § 3016(a)(7), substituted "contract, cooperative agreement, or other agreement under subsection (a) or section 5312," for "or contract financed under subsection (a) of this section."

1998—Subsec. (a)(1). Pub. L. 105–178, § 3029(b)(6), substituted "subsection (d) and (h)(7) of section 5338" for "section 5338(g)(4)".

§ 5315. National transit institute

(a) ESTABLISHMENT.—The Secretary shall award grants to Rutgers University to conduct a national transit institute.

(b) DUTIES.—

(1) IN GENERAL.—In cooperation with the Federal Transit Administration, State transportation departments, public transportation authorities, and national and international entities, the institute established under subsection (a) shall develop and conduct training and educational programs for Federal, State, and local transportation employees, United States citizens, and foreign nationals engaged or to be engaged in Government-aid public transportation work.

(2) TRAINING AND EDUCATIONAL PROGRAMS.—The training and educational programs developed under paragraph (1) may include courses in recent developments, techniques, and procedures related to—

(A) intermodal and public transportation planning;

(B) management;

(C) environmental factors;

(D) acquisition and joint use rights-of-way;

(E) engineering and architectural design;

(F) procurement strategies for public transportation systems;

(G) turnkey approaches to delivering public transportation systems;

(H) new technologies;

(I) emission reduction technologies;

(J) ways to make public transportation accessible to individuals with disabilities;

(K) construction, construction management, insurance, and risk management;

(L) maintenance;

(M) contract administration;

(N) inspection;

(O) innovative finance;

(P) workplace safety; and

(Q) public transportation security.

(c) PROVIDING EDUCATION AND TRAINING.—Education and training of Government, State, and local transportation employees under this section shall be provided—

(1) by the Secretary at no cost to the States and local governments for subjects that are a Government program responsibility; or

(2) when the education and training are paid under subsection (d) of this section, by the State, with the approval of the Secretary, through grants and contracts with public and private agencies, other institutions, individuals, and the institute.

(d) AVAILABILITY OF AMOUNTS.—Not more than .5 percent of the amounts made available for a fiscal year beginning after September 30, 1991, to a State or public transportation authority in the State to carry out sections 5307 and 5309 of this title is available for expenditure by the State and public transportation authorities in the State, with the approval of the Secretary, to pay not more than 80 percent of the cost of tuition and direct educational expenses related to educating and training State and local transportation employees under this section.

§5316. Job access and reverse commute formula grants

(a) Definitions.—In this section, the following definitions apply:

(1) Access to jobs project.—The term “access to jobs project” means a project relating to the development and maintenance of transportation services designed to transport welfare recipients and eligible low-income individuals to and from jobs and activities related to their employment, including—

(A) transportation projects to finance planning, capital, and operating costs of providing access to jobs under this chapter;
(B) promoting public transportation by low-income workers, including the use of public transportation by workers with non-traditional work schedules;
(C) promoting the use of transit vouchers for welfare recipients and eligible low-income individuals; and

(D) promoting the use of employer-provided transportation, including the transit pass benefit program under section 132 of the Internal Revenue Code of 1986.

(2) Eligible low-income individual.—The term “eligible low-income individual” means an individual whose family income is at or below 150 percent of the poverty line (as that term is defined in section 673(2) of the Community Services Block Grant Act (42 U.S.C. 9902(2)), including any revision required by that section) for a family of the size involved.

(3) Recipient.—The term “recipient” means a designated recipient (as defined in section 5307(a)(2)) for urbanized areas with a population of 200,000 or more, and—

(i) the number of eligible low-income individuals and welfare recipients in each such urbanized area; bears to

(ii) the number of eligible low-income individuals and welfare recipients in all such urbanized areas.

(B) 20 percent of the funds shall be apportioned among the States in the ratio that—

(i) the number of eligible low-income individuals and welfare recipients in urbanized areas with a population of less than 200,000 in each State; bears to

(ii) the number of eligible low-income individuals and welfare recipients in all such urbanized areas.

(C) 20 percent of the funds shall be apportioned among the States in the ratio that—

(i) the number of eligible low-income individuals and welfare recipients in other than urbanized areas in each State; bears to

(ii) the number of eligible low-income individuals and welfare recipients in other than urbanized areas in all States.

(4) Reverse commute project.—The term “reverse commute project” means a public transportation project designed to transport residents of urbanized areas and other than urbanized areas to suburban employment opportunities, including any projects to—

(A) subsidize the costs associated with adding reverse commute bus, train, carpool, van routes, or service from urbanized areas and other than urbanized areas to suburban workplaces;
(B) subsidize the purchase or lease by a nonprofit organization or public agency of a van or bus dedicated to shuttling employees from their residences to a suburban workplace; or

(C) otherwise facilitate the provision of public transportation services to suburban employment opportunities.

(b) General Authority.—

(1) Grants.—The Secretary may make grants under this section to a recipient for access to jobs and reverse commute projects carried out by the recipient or a subrecipient.

(2) Administrative expenses.—A recipient may use not more than 10 percent of the amounts apportioned to the recipient under this section to administer, plan, and provide technical assistance for a project funded under this section.

(3) Apportionments.—

(A) Formula.—The Secretary shall apportion amounts made available for a fiscal year to carry out this section as follows:

(i) the number of eligible low-income individuals and welfare recipients in each such urbanized area; bears to

(ii) the number of eligible low-income individuals and welfare recipients in all such urbanized areas.

(B) 20 percent of the funds shall be apportioned among the States in the ratio that—

(i) the number of eligible low-income individuals and welfare recipients in urbanized areas with a population of less than 200,000 in each State; bears to

(ii) the number of eligible low-income individuals and welfare recipients in all such urbanized areas.

(C) 20 percent of the funds shall be apportioned among the States in the ratio that—

(i) the number of eligible low-income individuals and welfare recipients in other than urbanized areas in each State; bears to

(ii) the number of eligible low-income individuals and welfare recipients in other than urbanized areas in all States.

(2) Use of apportioned funds.—Except as provided in paragraph (3)—

(A) funds apportioned under paragraph (1)(A) shall be used for projects serving urbanized areas with a population of 200,000 or more;

(B) funds apportioned under paragraph (1)(B) shall be used for projects serving urbanized areas with a population of less than 200,000; and

(C) funds apportioned under paragraph (1)(C) shall be used for projects serving other than urbanized areas.

nate activities under this section with related

activities under programs of other Federal de-

partments and agencies.

(2) With nonprofit providers.—A State

that transfers funds to an apportionment

under section 5336 pursuant to subsection (e)

shall certify to the Secretary that any project for which the funds are requested under this

section has been coordinated with nonprofit providers of services.

(3) Project selection and planning.—A re-
cipient of funds under this section shall cer-
tify to the Secretary that—

(A) the projects selected were derived from a

locally developed, coordinated public transit-human services transportation plan; and

(B) the plan was developed through a process that included representatives of public,

private, and nonprofit transportation and human services providers and participation by the

public.

(h) Government’s share of costs.—

(1) Capital projects.—A grant for a capital

project under this section may not exceed 80

percent of the net capital costs of the project, as determined by the Secretary.

(2) Operating assistance.—A grant made

under this section for operating assistance may not exceed 50 percent of the net operating

costs of the project, as determined by the Secretary.

(3) Remainder.—The remainder of the net

project costs—

(A) may be provided from an undistributed

cash surplus, a replacement or depreciation

cash fund or reserve, a service agreement

with a State or local social service agency or

a private social service organization, or new

capital; and

(B) may be derived from amounts appro-

priated to or made available to a department or agency of the Government (other than the

Department of Transportation) that are eligible to be expended for transportation.

(4) Use of certain funds.—For purposes of

paragraph (3)(B), the prohibitions on the use of funds for matching requirements under sec-

tion 403(a)(5)(C)(vii) of the Social Security Act (42 U.S.C. 603(a)(5)(C)(vii)) shall not apply to

Federal or State funds to be used for transporta-

tion purposes.

(5) Limitation on operating assistance.—A

recipient carrying out a program of operating assistance under this section may not limit the

level or extent of use of the Government grant for the payment of operating expenses.

(i) Program evaluation.—

(1) Comptroller general.—Beginning one

year after the date of enactment of the Fed-

eral Public Transportation Act of 2005, and

every 2 years thereafter, the Comptroller Gen-

eral shall—

(A) conduct a study to evaluate the grant

program authorized by this section; and

(B) transmit to the Committee on Trans-

portation and Infrastructure of the House of

Representatives and the Committee on

Banking, Housing, and Urban Affairs of the

Senate a report describing the results of the

study under subparagraph (A).

(2) Department of transportation.—Not

later than 3 years after the date of enactment of

1 Federal Public Transportation Act of 2005, the

Secretary shall—

PRIOR PROVISIONS

§ 5317. New freedom program
(a) DEFINITIONS.—In this section, the following definitions apply:
(1) RECIPIENT.—The term ‘‘recipient’’ means a designated recipient (as defined in section 5307(a)(2)) and a State that receives a grant under this section directly.
(2) SUBRECIPIENT.—The term ‘‘subrecipient’’ means a State or local governmental authority, nonprofit organization, or operator of public transportation services that receives a grant under this section indirectly through a recipient.
(b) GENERAL AUTHORITY.—
(1) GRANTS.—The Secretary may make grants under this section to a recipient for new public transportation services and public transportation alternatives beyond those required by the Americans with Disabilities Act of 1990 (22 U.S.C. 12101 et seq.) that assist individuals with disabilities with transportation, including transportation to and from jobs and employment support services.
(2) ADMINISTRATIVE EXPENSES.—A recipient may use not more than 10 percent of the amounts apportioned to the recipient under this section to administer, plan, and provide technical assistance for a project funded under this section.
(c) APPORTIONMENTS.—
(1) FORMULA.—The Secretary shall apportion amounts made available to carry out this section as follows:
(A) 60 percent of the funds shall be apportioned among designated recipients (as defined in section 5307(a)(2)) for urbanized areas with a population of 200,000 or more in the ratio that—
(i) the number of individuals with disabilities in each such urbanized area; bears to (ii) the number of individuals with disabilities in all such urbanized areas.
(B) 20 percent of the funds shall be apportioned among the States in the ratio that—
(i) the number of individuals with disabilities in urbanized areas with a population of less than 200,000 in each State; bears to (ii) the number of individuals with disabilities in all such urbanized areas.
(C) 20 percent of the funds shall be apportioned among the States in the ratio that—
(i) the number of individuals with disabilities in other than urbanized areas in each State; bears to (ii) the number of individuals with disabilities in other than urbanized areas in all States.

(2) USE OF APPORTIONED FUNDS.—Funds apportioned under paragraph (1) shall be used for projects as follows:
(A) Funds apportioned under paragraph (1)(A) shall be used for projects serving urbanized areas with a population of 200,000 or more.
(B) Funds apportioned under paragraph (1)(B) shall be used for projects serving urbanized areas with a population of less than 200,000.
(C) Funds apportioned under paragraph (1)(C) shall be used for projects serving other than urbanized areas.

(3) TRANSFERS.—
(A) IN GENERAL.—A State may transfer any funds apportioned to it under paragraph (1)(B) or (1)(C), or both, to an apportionment under section 5311(c) or 5336, or both.
(B) LIMITED TO ELIGIBLE PROJECTS.—Any funds transferred pursuant to this paragraph shall be made available only for eligible projects selected under this section.

(C) CONSULTATION.—A State may make a transfer of an amount under this subsection only after consulting with responsible local officials and publicly owned operators of public transportation in each area for which the amount originally was awarded under subsection (d)(4).

(d) COMPETITIVE PROCESS FOR GRANTS TO SUBRECIPIENTS.—
(1) AREAWIDE SOLICITATION.—A recipient of funds apportioned under subsection (c)(1)(A) shall conduct, in cooperation with the appropriate metropolitan planning organization, an areawide solicitation for applications for grants to the recipient and subrecipients under this section.

(2) STATEWIDE SOLICITATION.—A recipient of funds apportioned under subsection (c)(1)(B) or (c)(1)(C) shall conduct a statewide solicitation for applications for grants to the recipient and subrecipients under this section.

(3) APPLICATION.—Recipient subrecipients seeking to receive a grant from funds apportioned under subsection (c) shall submit to
§ 5318

(4) LIMITATION ON OPERATING ASSISTANCE.—A recipient carrying out a program of operating assistance under this section may not limit the level or extent of use of the Government grant for the payment of operating expenses.

§ 5318. Bus testing facility

(a) FACILITY.—The Secretary shall maintain one facility for testing a new bus model for maintainability, reliability, safety, performance (including braking performance), structural integrity, fuel economy, emissions, and noise.

(b) OPERATION AND MAINTENANCE.—The Secretary shall enter into a contract or cooperative agreement with, or make a grant to, a qualified person or organization to operate and maintain the facility. The contract, cooperative agreement, or grant may provide for the testing of rail cars and other public transportation vehicles at the facility.

(c) FEES.—The person operating and maintaining the facility shall establish and collect fees for the testing of vehicles at the facility. The Secretary must approve the fees.

(d) AVAILABILITY OF AMOUNTS TO PAY FOR TESTING.—The Secretary shall enter into a contract or cooperative agreement with, or make a grant to, the operator of the facility under which the Secretary shall pay 80 percent of the cost of testing a vehicle at the facility from amounts available to carry out this section. The entity having the vehicle tested shall pay 20 percent of the cost.

(e) ACQUIRING NEW BUS MODELS.—Amounts appropriated or made available under this chapter may be obligated or expended to acquire a new bus model only if a bus of that model has been tested at the facility maintained by the Secretary under subsection (a).

through partnering with State and local governments; and
(iii) improving park and public land transportation infrastructure.

(B) Consultation with other agencies.—To the extent that projects are proposed or funded in eligible areas that are not within the jurisdiction of the Department of the Interior, the Secretary of the Interior shall consult with the heads of the relevant Federal land management agencies in carrying out the responsibilities under this section.

(2) Use of funds.—A grant, cooperative agreement, interagency agreement, or other agreement for a qualified project under this section shall be available to finance the leasing of equipment and facilities for use in public transportation, subject to any regulation that the Secretary may prescribe limiting the grant or agreement to leasing arrangements that are more cost-effective than purchase or construction.

(3) Alternative transportation facilities and services.—Projects receiving assistance under this section shall provide alternative transportation facilities and services that complement and enhance existing transportation services in national parks and public lands in a manner that is consistent with Department of Interior and other public land management policies regarding private automobile access to and in such parks and lands.

(c) Definitions.—In this section, the following definitions apply:

(1) Eligible area.—The term "eligible area" means any federally owned or managed park, refuge, or recreational area that is open to the general public, including—
(A) a unit of the National Park System;
(B) a unit of the National Wildlife Refuge System;
(C) a recreational area managed by the Bureau of Land Management;
(D) a recreation area managed by the Bureau of Reclamation; and
(E) a unit of the National Forest System.

(2) Federal land management agency.—The term "Federal land management agency" means a Federal agency that manages an eligible area.

(3) Alternative transportation.—The term "alternative transportation" means transportation by bus, rail, or any other publicly or privately owned conveyance that provides to the public general or special service on a regular basis, including sightseeing service. Such term also includes a nonmotorized transportation system (including the provision of facilities for pedestrians, bicycles, and nonmotorized watercraft).

(4) Qualified participant.—The term "qualified participant" means—
(A) a Federal land management agency; or
(B) a State, tribal, or local governmental authority with jurisdiction over land in the vicinity of an eligible area acting with the consent of the Federal land management agency, alone or in partnership with a Federal land management agency or other governmental or nongovernmental participant.

(5) Qualified project.—The term "qualified project" means a planning or capital project in or in the vicinity of an eligible area that—
(A) is an activity described in section 5302(a)(1), 5303, 5304, 5305, or 5309(b); or
(B) involves—
(i) the purchase of rolling stock that incorporates clean fuel technology or the replacement of buses of a type in use on the date of enactment of the Federal Public Transportation Act of 2005 with clean fuel vehicles; or
(ii) the deployment of alternative transportation vehicles that introduce innovative technologies or methods;
(C) relates to the capital costs of coordinating the Federal land management agency public transportation systems with other public transportation systems;
(D) provides a nonmotorized transportation system (including the provision of facilities for pedestrians, bicycles, and nonmotorized watercraft);
(E) provides waterborne access within or in the vicinity of an eligible area, as appropriate to and consistent with this section; or
(F) is any other alternative transportation project that—
(i) enhances the environment;
(ii) prevents or mitigates an adverse impact on a natural resource;
(iii) improves Federal land management agency resource management;
(iv) improves visitor mobility and accessibility and the visitor experience;
(v) reduces congestion and pollution (including noise pollution and visual pollution); and
(vi) conserves a natural, historical, or cultural resource (excluding rehabilitation or restoration of a non-transportation facility).

(d) Federal agency cooperative arrangements.—The Secretary shall develop cooperative arrangements with the Secretary of the Interior that provide for—
(1) technical assistance in alternative transportation;
(2) interagency and multidisciplinary teams to develop Federal land management agency alternative transportation policy, procedures, and coordination; and
(3) the development of procedures and criteria relating to the planning, selection, and funding of qualified projects and the implementation and oversight of the program of projects in accordance with this section.

(e) Limitation on use of available amounts.—
(1) In general.—The Secretary, in consultation with the Secretary of the Interior, may use not more than 10 percent of the amount made available for a fiscal year under section 5303(b)(2)(J) to administer this section and to carry out planning, research, and technical assistance under this section, including the development of technology appropriate for use in a qualified project.

(2) Additional amounts.—Amounts made available under this subsection are in addition
to amounts otherwise available to the Secretary to carry out planning, research, and technical assistance under this chapter or any other provision of law.

(3) MAXIMUM AMOUNT.—No qualified project shall receive more than 25 percent of the total amount made available to carry out this section under section 5338(b)(2)(J) for any fiscal year.

(4) TRANSFERS TO LAND MANAGEMENT AGENCIES.—The Secretary may transfer amounts available under paragraph (1) to the appropriate Federal land management agency to pay necessary costs of the agency for such activities described in paragraph (1) in connection with activities being carried out under this section.

(f) PLANNING PROCESS.—In undertaking a qualified project under this section—

(1) if the qualified participant is a Federal land management agency—

(A) the Secretary, in cooperation with the Secretary of the Interior, shall develop transportation planning procedures that are consistent with—

(i) the metropolitan planning provisions under section 5303; 
(ii) the statewide planning provisions under section 5304; and 
(iii) the public participation requirements under section 5307(d); and 

(B) in the case of a qualified project that is at a unit of the National Park System, the planning process shall be consistent with the general management plans of the unit of the National Park System; and

(2) if the qualified participant is a State or local governmental authority, or more than one State or local governmental authority in more than one State, the qualified participant shall—

(A) comply with the metropolitan planning provisions under section 5303; 
(B) comply with the statewide planning provisions under section 5304; 
(C) comply with the public participation requirements under section 5307(d); and 
(D) consult with the appropriate Federal land management agency during the planning process.

(g) COST SHARING.—

(1) GOVERNMENT’S SHARE.—The Secretary, in cooperation with the Secretary of the Interior, shall establish the Government’s share of the net project cost to be provided to a qualified participant under this section.

(2) CONSIDERATIONS.—In establishing the Government’s share of the net project cost to be provided under this section, the Secretary shall consider—

(A) visitation levels and the revenue derived from user fees in the eligible area in which the qualified project is carried out; 
(B) the extent to which the qualified participant coordinates with a public transportation authority or private entity engaged in public transportation; 
(C) private investment in the qualified project, including the provision of contract services, joint development activities, and the use of innovative financing mechanisms; 
(D) the clear and direct benefit to the qualified participant; and 
(E) any other matters that the Secretary considers appropriate to carry out this section.

(3) SPECIAL RULE.—Notwithstanding any other provision of law, funds appropriated to any Federal land management agency may be counted toward the remainder of the net project cost.

(h) SELECTION OF QUALIFIED PROJECTS.—

(1) IN GENERAL.—The Secretary of the Interior, after consultation with and in cooperation with the Secretary, shall determine the final selection and funding of an annual program of qualified projects in accordance with this section.

(2) CONSIDERATIONS.—In determining whether to include a project in the annual program of qualified projects, the Secretary of the Interior shall consider—

(A) the justification for the qualified project, including the extent to which the project would conserve resources, prevent or mitigate adverse impact, and enhance the environment; 
(B) the location of the qualified project, to ensure that the selected qualified projects—

(i) are geographically diverse nationwide; and 
(ii) include qualified projects in eligible areas located in both urban areas and rural areas; 
(C) the size of the qualified project, to ensure that there is a balanced distribution; 
(D) the historical and cultural significance of a qualified project; 
(E) safety; 
(F) the extent to which the qualified project would—

(i) enhance livable communities; 
(ii) reduce pollution (including noise pollution, air pollution, and visual pollution); 
(iii) reduce congestion; and 
(iv) improve the mobility of people in the most efficient manner; and 
(G) any other matters that the Secretary of the Interior considers appropriate to carry out this section, including—

(i) visitation levels; 
(ii) the use of innovative financing or joint development strategies; and 
(iii) coordination with gateway communities.

(i) QUALIFIED PROJECTS CARRIED OUT IN ADVANCE.—

(1) IN GENERAL.—When a qualified participant carries out any part of a qualified project without assistance under this section in accordance with all applicable procedures and requirements, the Secretary, in consultation with the Secretary of the Interior, may pay the share of the net capital project cost of a qualified project if—

(A) the qualified participant applies for the payment; 
(B) the Secretary approves the payment; and
(C) before carrying out that part of the qualified project, the Secretary approves the plans and specifications in the same manner as plans and specifications are approved for other projects assisted under this section.

(2) **FINANCING COSTS.**

(A) In General.—The cost of carrying out part of a qualified project under paragraph (1) includes the amount of interest earned and payable on bonds issued by a State or local governmental authority, to the extent that proceeds of the bond are expended in carrying out that part.

(B) **LIMITATION ON AMOUNT OF INTEREST.**—The rate of interest under this paragraph may not exceed the most favorable rate reasonably available for the qualified project at the time of borrowing.

(C) **CERTIFICATION.**—The qualified participant shall certify, in a manner satisfactory to the Secretary, that the qualified participant has exercised reasonable diligence in seeking the most favorable interest rate.

(j) **RELATIONSHIP TO OTHER LAWS.**—

(1) **SECTION 5307.**—A qualified participant under this section shall be subject to the requirements of sections 5307 and 5333(a) to the extent the Secretary determines to be appropriate.

(2) **OTHER REQUIREMENTS.**—A qualified participant under this section shall be subject to any other requirements that the Secretary determines to be appropriate to carry out this section, including requirements for the distribution of proceeds on disposition of real property and equipment resulting from a qualified project assisted under this section.

(3) **PROJECT MANAGEMENT PLAN.**—If the amount of assistance anticipated to be required for a qualified project under this section is not less than $25,000,000—

(A) the qualified project shall, to the extent the Secretary considers appropriate, be carried out through a full funding grant agreement in accordance with section 5309(g); and

(B) the qualified participant shall prepare a project management plan in accordance with section 5327(a).

(k) **ASSET MANAGEMENT.**—The Secretary, in consultation with the Secretary of the Interior, may transfer the interest of the Department of Transportation in, and control over, all facilities and equipment acquired under this section to a qualified participant for use and disposition in accordance with any property management regulations that the Secretary determines to be appropriate.

(l) **COORDINATION OF RESEARCH AND DEPLOYMENT OF NEW TECHNOLOGIES.**—

(1) **GRANTS AND OTHER ASSISTANCE.**—The Secretary, in cooperation with the Secretary of the Interior, may undertake, or make grants, cooperative agreements, contracts (including agreements with departments, agencies, and instrumentalities of the Federal Government) or other agreements for research, development, and deployment of new technologies in eligible areas that will—

(A) conserve resources;

(B) prevent or mitigate adverse environmental impact;

(C) improve visitor mobility, accessibility, and enjoyment; and

(D) reduce pollution (including noise pollution and visual pollution).

(2) **INFORMATION.**—The Secretary may request and receive appropriate information from any source.

(3) **FUNDING.**—Grants, cooperative agreements, contracts, and other agreements under paragraph (1) shall be awarded from amounts allocated under subsection (e)(1).

(m) **INNOVATIVE FINANCING.**—A qualified project receiving financial assistance under this section shall be eligible for funding through a State infrastructure bank or other innovative financing mechanism available to finance an eligible project under this chapter.

(n) **REPORTS.**—

(1) In General.—The Secretary, in consultation with the Secretary of the Interior, shall annually submit a report on the allocation of amounts made available to assist qualified projects under this section to—

(A) the Committee on Banking, Housing, and Urban Affairs of the Senate;

(B) the Committee on Transportation and Infrastructure of the House of Representatives; and

(C) the Committee on Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate.

(2) **ANNUAL REPORTS.**—The report required under paragraph (1) shall be included in the report submitted under section 5399(k)(1).

§ 5321. Crime prevention and security

The Secretary of Transportation may make capital grants from amounts available under section 5338 of this title to public transportation systems for crime prevention and security. This chapter does not prevent the financing of a project under this section when a local governmental authority other than the grant applicant has law enforcement responsibilities.

AMENDMENTS
2005—Pub. L. 109–59 substituted “public transportation” for “mass transportation”.

REGULATIONS
Pub. L. 109–59, title III, §3026(c), Aug. 10, 2005, 119 Stat. 1624, provided that: “Not later than 180 days after the date of enactment of this Act (Aug. 10, 2005), the Secretary of Transportation and the Secretary of Homeland Security shall issue jointly final regulations to establish the characteristics of and requirements for public transportation security grants, including funding priorities, eligible activities, methods for awarding grants, and limitations on administrative expenses.”

PUBLIC TRANSPORTATION SECURITY

“(1) IN GENERAL.—Not later than 45 days after the date of enactment of this Act (Aug. 10, 2005), the Secretary of Transportation shall execute an annex to the memorandum of understanding between the Secretary and the Secretary of Homeland Security, dated September 30, 2004, to define and clarify the respective roles and responsibilities of the Department of Transportation and the Department of Homeland Security relating to public transportation security.

“(2) CONTENTS.—The annex to be executed under paragraph (1) shall—

“(A) establish a process to develop security standards for public transportation agencies;

“(B) create a method of direct coordination with public transportation agencies on security matters;

“(C) address any other issues determined to be appropriate by the Secretary and the Secretary of Homeland Security; and

“(D) include a formal and permanent mechanism to ensure coordination and involvement by the Department of Transportation, as appropriate, in public transportation security.”

§ 5322. Human resource programs

(a) IN GENERAL.—The Secretary of Transportation may undertake, or make grants and contracts for, programs that address human resource needs as they apply to public transportation activities. A program may include—

(1) an employment training program;

(2) an outreach program to increase minority and female employment in public transportation activities;

(3) research on public transportation personnel and training needs; and

(4) training and assistance for minority business opportunities.

(b) FELLOWSHIPS.—

(1) AUTHORITY TO MAKE GRANTS.—The Secretary may make grants to States, local governmental authorities, and operators of public transportation systems to provide fellowships to train personnel employed in managerial, technical, and professional positions in the public transportation field.

(2) TERMS.—

(A) PERIOD OF TRAINING.—A fellowship under this subsection may not be for more than 1 year of training in an institution that offers a program applicable to the public transportation industry.

(B) SELECTION OF INDIVIDUALS.—A recipient of a grant for a fellowship under this subsection shall select an individual on the basis of demonstrated ability and for the contribution the individual reasonably can be expected to make to an efficient public transportation operation.

(C) AMOUNT.—A grant for a fellowship under this subsection may not be more than the lesser of $65,000 or 75 percent of the sum of—

(i) tuition and other charges to the fellowship recipient;

(ii) additional costs incurred by the training institution and billed to the grant recipient; and

(iii) the regular salary of the fellowship recipient for the period of the fellowship to the extent the salary is actually paid or reimbursed by the grant recipient.

In this section, before clause (1), the word “make” is substituted for “provide financial assistance by” to eliminate unnecessary words. The words “national and local” are omitted as surplus. The text of 49 App.:1616 (last sentence) is omitted as surplus.

AMENDMENTS
§ 5323. General provisions on assistance

(a) INTERESTS IN PROPERTY.—

(1) IN GENERAL.—Financial assistance provided under this chapter to a State or a local governmental authority may be used to acquire an interest in, or to buy property of, a private company engaged in public transportation, for a capital project for property acquired from a private company engaged in public transportation after July 9, 1964, or to operate a public transportation facility or equipment in competition with, or in addition to, transportation service provided by an existing public transportation company, only if—

(A) the Secretary determines that such financial assistance is essential to a program of projects required under sections 5303, 5304, and 5306;

(B) the Secretary determines that the program provides for the participation of private companies engaged in public transportation to the maximum extent feasible; and

(C) just compensation under State or local law will be paid to the company for its franchise or property.

(2) LIMITATION.—A governmental authority may not use financial assistance of the United States Government to acquire land, equipment, or a facility used in public transportation from another governmental authority in the same geographic area.

(b) NOTICE AND PUBLIC HEARING.—

(1) IN GENERAL.—For a capital project that will substantially affect a community, or the public transportation service of a community, an applicant shall—

(A) provide an adequate opportunity for public review and comment on the project;

(B) after providing notice, hold a public hearing on the project if the project affects significant economic, social, or environmental interests;

(C) consider the economic, social, and environmental effects of the project; and

(D) find that the project is consistent with official plans for developing the community.

(2) NOTICE.—Notice of a hearing under this subsection—

(A) shall include a concise description of the proposed project; and

(B) shall be published in a newspaper of general circulation in the geographic area the project will serve.

(3) APPLICATION REQUIREMENTS.—An application for a grant under this chapter for a capital project described in paragraph (1) shall include—

(A) a certification that the applicant has complied with the requirements of this subsection; and

(B) in the environmental record for the project, evidence that the applicant has complied with the requirements of this subsection.

(c) FARES NOT REQUIRED.—This chapter does not require that elderly individuals and individuals with disabilities be charged a fare.

(d) CONDITION ON CHARTER BUS TRANSPORTATION SERVICE.—

(1) AGREEMENTS.—Financial assistance under this chapter may be used to buy or operate a bus only if the applicant, governmental authority, or publicly owned operator that receives the assistance agrees that, except as provided in the agreement, the governmental authority or an operator of public transportation for the governmental authority will not provide charter bus transportation service outside the urban area in which it provides regularly scheduled public transportation service. An agreement shall provide for a fair arrangement the Secretary of Transportation considers appropriate to ensure that the assistance will not enable a governmental authority or an operator for a governmental authority to foreclose a private operator from providing intercity charter bus service if the private operator can provide the service.

(2) VIOLATIONS.—

(A) INVESTIGATIONS.—On receiving a complaint about a violation of the agreement required under paragraph (1), the Secretary shall investigate and decide whether a violation has occurred.

(B) ENFORCEMENT OF AGREEMENTS.—If the Secretary decides that a violation has occurred, the Secretary shall correct the violation under terms of the agreement.

(C) ADDITIONAL REMEDIES.—In addition to any remedy specified in the agreement, the Secretary shall bar a recipient or an operator from receiving Federal transit assistance in an amount the Secretary considers appropriate if the Secretary finds a pattern of violations of the agreement.

(e) BOND PROCEEDS ELIGIBLE FOR LOCAL SHARE.—

(1) USE AS LOCAL MATCHING FUNDS.—Notwithstanding any other provision of law, a recipient of assistance under section 5307 or 5309 may use the proceeds from the issuance of revenue bonds as part of the local matching funds for a capital project.

(2) MAINTENANCE OF EFFORT.—The Secretary shall approve of the use of the proceeds from the issuance of revenue bonds for the remainder of the net project cost only if the Secretary finds that the aggregate amount of financial support for public transportation in the urbanized area provided by the State and affected local governmental authorities during the next 3 fiscal years, as programmed in the State transportation improvement program under section 5304, is not less than the aggregate amount provided by the State and affected local governmental authorities in the urbanized area during the preceding 3 fiscal years.

(3) DEBT SERVICE RESERVE.—The Secretary may reimburse an eligible recipient for deposits of bond proceeds in a debt service reserve that the recipient establishes pursuant to section 5302(a)(1)(K) from amounts made available to the recipient under section 5309.

(4) PILOT PROGRAM FOR URBANIZED AREAS.—
(A) IN GENERAL.—The Secretary shall establish a pilot program to reimburse not to exceed 10 eligible recipients for deposits of bond proceeds in a debt service reserve that the recipient establishes pursuant to section 5322(a)(1)(K) from amounts made available to the recipient under section 5307.

(B) REPORT.—Not later than July 31, 2008, the Secretary shall submit to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the status and effectiveness of the pilot program established under subparagraph (A).

(f) SCHOOLBUS TRANSPORTATION.—

(1) AGREEMENTS.—Financial assistance under this chapter may be used for a capital project, or to operate public transportation equipment or a public transportation facility, only if the applicant agrees not to provide schoolbus transportation that exclusively transports students and school personnel in competition with a private schoolbus operator. This subsection does not apply—

(A) to an applicant that operates a school system in the area to be served and a separate and exclusive schoolbus program for the school system;

(B) unless a private schoolbus operator can provide adequate transportation that complies with applicable safety standards at reasonable rates; and

(C) to a State or local governmental authority if it or a direct predecessor in interest from which it acquired the duty of transporting school children and personnel, and facilities to transport them, provided schoolbus transportation at any time after November 25, 1973, but before November 26, 1974.

(2) VIOLATIONS.—If the Secretary finds that an applicant, governmental authority, or publicly owned operator has violated the agreement required under paragraph (1), the Secretary shall bar a recipient or an operator from receiving Federal transit assistance in an amount the Secretary considers appropriate.

(g) BUYING BUSES UNDER OTHER LAWS.—Subsections (d) and (f) of this section apply to sections 133 and 142 of title 23. However, subsection (f)(1)(C) of this section applies to sections 133 and 142 only if schoolbus transportation was provided at any time after August 12, 1972, but before August 13, 1973.

(h) GRANT AND LOAN PROHIBITIONS.—A grant or loan may not be used to—

(1) pay ordinary governmental or nonproject operating expenses; or

(2) support a procurement that uses an exclusionary or discriminatory specification.

(i) GOVERNMENT’S SHARE OF COSTS FOR CERTAIN PROJECTS.—

(1) EQUIPMENT FOR ADA AND CLEAN AIR ACT COMPLIANCE.—A grant for a project to be assisted under this chapter that involves acquiring vehicle-related equipment or facilities required by the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) or vehicle-related equipment or facilities (including clean fuel or alternative fuel vehicle-related equipment or facilities) for purposes of complying with or maintaining compliance with the Clean Air Act, is for 90 percent of the net project cost of such equipment or facilities attributable to compliance with those Acts. The Secretary shall have discretion to determine, through practicable administrative procedures, the costs of such equipment or facilities attributable to compliance with those Acts.

(2) CERTAIN STATE OWNED RAILROADS.—The Government share for financial assistance under this chapter to a State-owned railroad (as defined in section 603 of the Rail Safety and Service Improvement Act of 1982 (45 U.S.C. 1202)) shall be the same as the Government share under section 120(b) of title 23 for Federal-aid highway funds apportioned to the State in which the railroad operates.

(j) BUY AMERICA.—

(1) The Secretary of Transportation may obligate an amount that may be appropriated to carry out this chapter for a project only if the steel, iron, and manufactured goods used in the project are produced in the United States.

(2) The Secretary of Transportation may waive paragraph (1) of this subsection if the Secretary finds that—

(A) applying paragraph (1) would be inconsistent with the public interest;

(B) the steel, iron, and goods produced in the United States are not produced in a sufficient and reasonably available amount or are not of a satisfactory quality;

(C) when procuring rolling stock (including train control, communication, and traction power equipment) under this chapter—

(i) the cost of components and subcomponents produced in the United States is more than 60 percent of the cost of all components of the rolling stock; and

(ii) final assembly of the rolling stock has occurred in the United States; or

(D) including domestic material will increase the cost of the overall project by more than 25 percent.

(3) WRITTEN JUSTIFICATION FOR PUBLIC INTEREST WAIVER.—When issuing a waiver based on a public interest determination under paragraph (2)(A), the Secretary shall issue a detailed written justification as to why the waiver is in the public interest. The Secretary shall publish such justification in the Federal Register and provide the public with a reasonable period of time for notice and comment.

(4) In this subsection, labor costs involved in final assembly are not included in calculating the cost of components.

(5) The Secretary of Transportation may not make a waiver under paragraph (2) of this subsection for goods produced in a foreign country if the Secretary, in consultation with the United States Trade Representative, decides that the government of that foreign country—

(A) has an agreement with the United States Government under which the Secretary has waived the requirement of this subsection; and

(B) has violated the agreement by discriminating against goods to which this subsection...
applies that are produced in the United States and to which the agreement applies.

(6) A person is ineligible under subpart 9.4 of chapter 1 of title 49, Code of Federal Regulations, to receive a contract or subcontract made with amounts authorized under the Federal Public Transportation Act of 2005 if a court or department, agency, or instrumentality of the Government decides the person intentionally—

(A) affixed a “Made in America” label, or a label with an inscription having the same meaning, to goods sold in or shipped to the United States that are used in a project to which this subsection applies but not produced in the United States; or

(B) represented that goods described in clause (A) of this paragraph were produced in the United States.

(7) The Secretary of Transportation may not impose any limitation on assistance provided under this chapter that restricts a State from imposing more stringent requirements than this subsection on the use of articles, materials, and supplies mined, produced, or manufactured in foreign countries in projects carried out with that assistance or restricts a recipient of that assistance from complying with those State-imposed requirements.

(8) OPPORTUNITY TO CORRECT INADVERTENT ERROR.—The Secretary may allow a manufacturer or supplier of steel, iron, or manufactured goods to correct after bid opening any certification of noncompliance or failure to properly complete the certification (but not including failure to sign the certification) under this subsection if such manufacturer or supplier attests under penalty of perjury that such manufacturer or supplier submitted an incorrect certification as a result of an inadvertent or clerical error. The burden of establishing inadvertent or clerical error is on the manufacturer or supplier.

(9) ADMINISTRATIVE REVIEW.—A party adversely affected by an agency action under this subsection shall have the right to seek review under section 702 of title 5.

PARTICIPATION OF GOVERNMENTAL AGENCIES IN DESIGN AND DELIVERY OF TRANSPORTATION SERVICES.—To the extent feasible, governmental agencies and nonprofit organizations that receive assistance from Government sources (other than the Department of Transportation) for nonemergency transportation services—

(1) shall participate and coordinate with recipients of assistance under this chapter in the design and delivery of transportation services; and

(2) shall be included in the planning for those services.

(1) RELATIONSHIP TO OTHER LAWS.—Section 1001 of title 18 applies to a certificate, submission, or statement provided under this chapter. The Secretary may terminate financial assistance under this chapter and seek reimbursement directly, or by offsetting amounts, available under this chapter if the Secretary determines that a recipient of such financial assistance has made a false or fraudulent statement or related act in connection with a Federal transit program.

(m) PREAWARD AND POSTDELIVERY REVIEW OF ROLLING STOCK PURCHASES.—The Secretary of Transportation shall prescribe regulations requiring a preaward and postdelivery review of a grant under this chapter to buy rolling stock to ensure compliance with Government motor vehicle safety requirements, subsection (j) of this section, and bid specifications and requirements of grant recipients under this chapter. Under this subsection, independent inspections and review are required, and a manufacturer certification is not sufficient. Rolling stock procurements of 20 vehicles or fewer made for the purpose of serving other than urbanized areas or nontransit public entities and private entities if—

(1) the incidental use does not interfere with the recipient’s public transportation operations;

(2) all costs related to the incidental use are fully recaptured by the recipient from the nontransit public entity or private entity;

(3) the recipient uses revenues received from the incidental use in excess of costs for planning, capital, and operating expenses that are incurred in providing public transportation; and

(4) private entities pay all applicable excise taxes on fuel.

AMENDMENTS

2006—Subsec. (a)(1). Pub. L. 109–99, § 5023(a)(1), inserted heading and text of par. (1) and struck out former par. (1) which authorized use of financial assistance provided under this chapter for certain purposes only if the Secretary finds the assistance is essential to a program of projects required under sections 5303–5306 of this title, the Secretary finds that the program, to the maximum extent feasible, provides for the participation of private companies, just compensation will be paid to the company for its franchise or property, and the Secretary of Labor certifies that the assistance complies with section 5333(b) of this title.

Pub. L. 103–429, § 6(A)(10)(A)

This makes a clarifying amendment to the catchline for 49:5323(j).

The word “review” is substituted for “audit” for clarity. The words “buses and other” are omitted as surplus.

Pub. L. 104–297

This amends 49:5313(d), 5317(b)(5), and 5232(b)(1), (c), and (e) to correct erroneous cross-references.
made for the purpose of serving other than urbanized areas and urbanized areas with populations of 200,000 or fewer shall be subject to the same requirements as established for procurements of 10 or fewer buses under the post-delivery purchaser’s requirements certification process under section 663.37(c) of title 49, Code of Federal Regulations.

Subsec. (i). Pub. L. 105–178, §3020(c), amended heading and text of subsec. (i) generally. Prior to amendment, text read as follows: “A Government grant for a project to be assisted under this chapter that involves acquiring vehicle-related equipment required by the Clean Air Act (42 U.S.C. 7401 et seq.) or the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) is for 90 percent of the net project cost of the equipment that is attributable to complying with those Acts. The Secretary of Transportation, through practicable administrative procedures, may determine the costs attributable to that equipment.”

Subsec. (j). Pub. L. 105–178, §3020(b), inserted heading and amended text of par. (7) generally. Prior to amendment, text read as follows: “Not later than January 1, 1998, the Secretary of Transportation shall submit to Congress a report on purchases from foreign entities waived under paragraph (2) of this subsection in the fiscal years ending September 30, 1992, and September 30, 1993. The report shall indicate the dollar value of items for which waivers were granted.”

Subsec. (k) to (m). Pub. L. 105–178, §3020(d), added subsec. (k) and redesignated former subsecs. (k) and (l) as (l) and (m), respectively.

1996—Subsecs. (b)(1), (c), (e). Pub. L. 104–267 struck out “except section 5307)” after “under this chapter”.

EFFECTIVE DATE OF 1996 AMENDMENT Amendment by Pub. L. 104–267 effective July 5, 1994, see section 8(1) of Pub. L. 104–267, set out as a note under section 5303 of this title.

RULEMAKING Pub. L. 109–59, title III, §3023(i)(5), Aug. 10, 2005, 119 Stat. 1118, provided that: “Not later than 180 days after the date of enactment of this Act [Aug. 10, 2005], the Secretary [of Transportation] shall issue a final rule on procurement of systems under the definition to be considered high-cost systems, after contract award in any case in which the contractor has made a certification of compliance with the requirements in good faith.

‘(D) CERTIFICATION UNDER NEGOTIATED PROCUREMENT PROCESS.—In any case in which a negotiated procurement process is used, compliance with the Buy America requirements shall be determined on the basis of the certification submitted with the final offer.’"

‘‘(a) IN GENERAL.—All buses manufactured on or after September 1, 1999, that are purchased with Federal funds by recipients of assistance from the Federal Transit Administration shall conform with the Federal Transit Administration Guidance on Buy America Requirements, dated March 18, 1997.

‘‘(b) RULE OF CONSTRUCTION.—For purposes of this section, a bus shall be considered to be manufactured on or after September 1, 1999, if the manufacturing process for that bus is not completed on or before August 31, 1999.’’

§5324. Special provisions for capital projects

(a) RELOCATION AND REAL PROPERTY REQUIREMENTS.—The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601 et seq.) shall apply to financial assistance for capital projects under this chapter.

(b) CONSIDERATION OF ECONOMIC, SOCIAL, AND ENVIRONMENTAL INTERESTS.—

(1) COOPERATION AND CONSULTATION.—In carrying out the policy of section 5301(e), the Secretary shall cooperate and consult with the Secretary of the Interior and the Administrator of the Environmental Protection Agency on each project that may have a substantial impact on the environment.

(2) PUBLIC PARTICIPATION IN ENVIRONMENTAL REVIEWS.—In performing environmental reviews, the Secretary shall review each transcript of a hearing submitted under section 5323(b) to establish that an adequate opportunity to present views was given to all parties having a significant economic, social, or environmental interest in the project, and that the project application includes a record of—

(A) the environmental impact of the proposal;

(B) adverse environmental effects that cannot be avoided;

(C) alternatives to the proposal; and

(D) irreversible and irretrievable impacts on the environment.

(3) APPROVAL OF APPLICATIONS FOR ASSISTANCE.—

SUBPART IV—FINDINGS BY THE SECRETARY.—The Secretary may approve an application for financial assistance for a capital project in accordance with this chapter only if the Secretary makes written findings, after reviewing the application and the transcript of any

develop a list of representative items that are subject to the Buy America requirements, and shall address the procurement of systems under the definition to ensure that major system procurements are not used to circumvent the Buy America requirements.

‘‘(C) POST-AWARD WAIVERS.—To permit a grantee to request a non-availability waiver from the Buy America requirements under section 5307, the Secretary of Transportation, after contract award in any case in which the contractor has made a certification of compliance with the requirements in good faith.

‘‘(D) CERTIFICATION UNDER NEGOTIATED PROCUREMENT PROCESS.—In any case in which a negotiated procurement process is used, compliance with the Buy America requirements shall be determined on the basis of the certification submitted with the final offer.’’

final offer.’’

final offer.’’
(i) an adequate opportunity to present views was given to all parties having a significant economic, social, or environmental interest;
(ii) the preservation and enhancement of the environment and the interest of the community in which the project is located were considered; and
(iii) no adverse environmental effect is likely to result from the project, or no feasible and prudent alternative to the effect exists and all reasonable steps have been taken to minimize the effect.

(B) HEARING.—If a hearing has not been conducted or the Secretary decides that the record of the hearing is inadequate for making the findings required by this subsection, the Secretary shall conduct a hearing on an environmental issue raised by the application after giving adequate notice to interested persons.

(C) AVAILABILITY OF FINDINGS.—The Secretary’s findings under subparagraph (A) shall be made a matter of public record.

(c) RAILROAD CORRIDOR PRESERVATION.—

(1) IN GENERAL.—The Secretary may assist an applicant to acquire railroad right-of-way before the completion of the environmental reviews for any project that may use the right-of-way if the acquisition is otherwise permitted under Federal law. The Secretary may establish restrictions on such an acquisition as the Secretary determines to be necessary and appropriate.

(2) ENVIRONMENTAL REVIEWS.—Railroad right-of-way acquired under this subsection may not be developed in anticipation of the project until all required environmental reviews for the project have been completed.

(d) RELATIONSHIPS.—Section 5320 of this title shall be construed to authorize the Secretary to acquire railroad right-of-way under this section. The words “acquire” and “right-of-way” are omitted as surplus.

In subsection (b)(2), before clause (A), the words “in carrying out section 5306 of this title” are added for clarity and consistency with subsections (b)(3) and (c) of this section. The word “detailed” is omitted as surplus. In clause (B), the words “should the proposal be implemented” are omitted as surplus. In clause (D), the words “which may be involved in the proposed project should it be implemented” are omitted as surplus.

In subsection (b)(3), before clause (i), the word “financial” is added for clarity. The words “full and complete” are omitted as surplus. In clause (ii), the word “fair” is omitted as surplus. In clause (iii), the word “either” is omitted as surplus.

In subsection (c), the words “The Secretary of Transportation may not” are substituted for “None of the provisions of this chapter shall be construed to authorize the Secretary to” to eliminate unnecessary words. The words “in any manner” are omitted as surplus. The words “fairs, tolls, rentals, or other” are omitted as surplus. The word “by any local public or private transit agency” is omitted as surplus. The words “However, the Secretary may” are substituted for “but nothing in this subsection shall prevent the Secretary from taking such actions as may be necessary to” to eliminate unnecessary words. The words “local governmental authority, corporation, or association” are substituted for “agency or agencies” for consistency with sections 5309 and 5310 of the revised title.

AMENDMENTS

2005—Pub. L. 109–59 amended section generally. Prior to amendment, section consisted of subsections (a) to (c) relating to requirements of a relocation program for families displaced by a project, consideration of economic, social, and environmental interests, and prohibition against regulating the operation of a mass transportation system for which a grant is made under section 5309 and regulating any charge for the system after a grant is made.

§ 5325. Contract requirements

(a) COMPETITION.—Recipients of assistance under this chapter shall conduct all procurement transactions in a manner that provides full and open competition as determined by the Secretary.

(b) ARCHITECTURAL, ENGINEERING, AND DESIGN CONTRACTS.—

(1) PROCEDURES FOR AWARDING CONTRACT.—A contract or requirement for program management, architectural engineering construction, management, a feasibility study, and preliminary engineering, design, architectural, engi-
neering, surveying, mapping, or related services for a project for which Federal assistance is provided under this chapter shall be awarded in the same way as a contract for architectural and engineering services is negotiated under chapter 11 of title 40 or an equivalent qualifications-based requirement of a State adopted before August 10, 2005.

(2) ADDITIONAL REQUIREMENTS.—When awarding a contract described in paragraph (1), recipients of assistance under this chapter shall comply with the following requirements:

(A) PERFORMANCE OF AUDITS.—Any contract or subcontract awarded under this chapter shall be performed and audited in compliance with cost principles contained in part 31 of title 48, Code of Federal Regulations (commonly known as the Federal Acquisition Regulation).

(B) INDIRECT COST RATES.—A recipient of funds under a contract or subcontract awarded under this chapter shall accept indirect cost rates established in accordance with the Federal Acquisition Regulation for 1-year applicable accounting periods by a cognizant Federal or State government agency, if such rates are not currently under dispute.

(C) APPLICATION OF RATES.—After a firm’s indirect cost rates are accepted under subparagraph (B), the recipient of the funds shall apply such rates for the purposes of contract estimation, negotiation, administration, reporting, and contract payment, and shall not be limited by administrative or de facto ceilings.

(D) PRENOTIFICATION: CONFIDENTIALITY OF DATA.—A recipient requesting or using the cost and rate data described in subparagraph (C) shall notify any affected firm before such request or use. Such data shall be confidential and shall not be accessible or provided by the group of agencies sharing cost data under this subparagraph, except by written permission of the audited firm. If prohibited by law, such cost and rate data shall not be disclosed under any circumstances.

(c) EFFICIENT PROCUREMENT.—A recipient may award a procurement contract under this chapter to other than the lowest bidder if the award furthers an objective consistent with the purposes of this chapter, including improved long-term operating efficiency and lower long-term costs.

(d) DESIGN-BUILD PROJECTS.—

(1) TERM DEFINED.—In this subsection, the term "design-build project"—

(A) means a project under which a recipient enters into a contract with a seller, firm, or consortium of firms to design and build a public transportation system or an operable segment of such system, that meets specific performance criteria; and

(B) may include an option to finance, or operate for a period of time, the system or segment or any combination of designing, building, operating, or maintaining such system or segment.

(2) FINANCIAL ASSISTANCE FOR CAPITAL COSTS.—Federal financial assistance under this chapter may be provided for the capital costs of a design-build project after the recipient complies with Government requirements.

(e) MULTYEAR ROLLING STOCK.—

(1) CONTRACTS.—A recipient procuring rolling stock with Government financial assistance under this chapter may make a multiyear contract to buy the rolling stock and replacement parts under which the recipient has an option to buy additional rolling stock or replacement parts for not more than 5 years after the date of the original contract.

(2) COOPERATION AMONG RECIPIENTS.—The Secretary shall allow at least two recipients to act on a cooperative basis to procure rolling stock in compliance with this subsection and other Government procurement requirements.

(f) ACQUIRING ROLLING STOCK.—A recipient of financial assistance under this chapter may enter into a contract to expend that assistance to acquire rolling stock—

(1) based on—

(A) initial capital costs; or

(B) performance, standardization, life cycle costs, and other factors; or

(2) with a party selected through a competitive procurement process.

(g) EXAMINATION OF RECORDS.—Upon request, the Secretary and the Comptroller General, or any of their representatives, shall have access to and the right to examine and inspect all records, documents, and papers, including contracts, related to a project for which a grant is made under this chapter.

(h) GRANT PROHIBITION.—A grant awarded under this chapter or the Federal Public Transportation Act of 2005 may not be used to support a procurement that uses an exclusionary or discriminatory specification.

(i) BUS DEALER REQUIREMENTS.—No State law requiring buses to be purchased through in-State dealers shall apply to vehicles purchased with a grant under this chapter.

(j) AWARDS TO RESPONSIBLE CONTRACTORS.—

(1) IN GENERAL.—Federal financial assistance under this chapter may be provided for contracts only if a recipient awards such contracts to responsible contractors possessing the ability to successfully perform under the terms and conditions of a proposed procurement.

(2) CRITERIA.—Before making an award to a contractor under paragraph (1), a recipient shall consider—

(A) the integrity of the contractor;

(B) the contractor’s compliance with public policy;

(C) the contractor’s past performance, including the performance reported in the Contractor Performance Assessment Reports required under section 5309(i)(2); and

(D) the contractor’s financial and technical resources.
In subsection (a), the words "reconstruction", "in furtherance of the purposes", "by applicants", "procedures as defined by the Secretary", "of the contracting parties", and "the operations or activities under" are omitted as surplus. The words "shall be made available to" are substituted for "shall . . . have access to", and the words "an officer or employee of the Secretary or Comptroller General" are substituted for "any of their duly authorized representatives", for consistency in the revised title and with other titles of the United States Code.

This amends the catchline for 49:5325(d) to make a clarifying amendment.

Subsec. (b)(2), (3). Pub. L. 110–244, §201(k)(2), (3), redesignated par. (3) as (2) and struck out former par. (2). Text read as follows: "(Paragraph (1) does not apply to the extent a State has adopted by law, before the date of enactment of the Federal Public Transportation Act of 2005, an equivalent State qualifications-based requirement for contracting for architectural, engineering, and design services."

2005—Pub. L. 109–59 amended section generally. Prior to amendment, section consisted of subsec. (a) to (c) relating to noncompetitive bidding in subsec. (a), procedures for award of architectural, engineering, and design contracts in subsec. (b), and efficient procurement in subsec. (c).

1998—Subsec. (b). Pub. L. 105–178, §3022(a)(1), as added by Pub. L. 105–206, inserted "or requirement" after "A contract" and "When awarding such contracts, recipients of assistance under this chapter shall maximize efficiencies of administration by accepting nondisputed audits conducted by other governmental agencies, as provided in subparagraphs (C) through (F) of section 112(b)(2) of title 23, United States Code." before "This subsection does not apply".

Pub. L. 105–178, §3022(a)(1), (2), redesignated subsec. (d) as (b) and struck out heading and text of former subsec. (b). Text read as follows: "A recipient of financial assistance of the United States Government under this chapter may make a contract to expedite that assistance to acquire rolling stock—

"(1) based on—

"(A) initial capital costs; or

"(B) performance, standardization, life cycle costs, and other factors; or

"(2) with a party selected through a competitive procurement process."

Subsec. (c). Pub. L. 105–178, §3022(a)(1), (3), added subsec. (c) and struck out heading and text of former subsec. (c). Text read as follows: "A recipient of a grant under section 5307 of this title procuring an associated capital maintenance item under section 5307(b) may make a contract directly with the original manufacturer or supplier of the item to be replaced, without receiving prior approval of the Secretary, if the recipient first certifies in writing to the Secretary that—

"(1) the manufacturer or supplier is the only source for the item; and

"(2) the price of the item is no more than the price similar customers pay for the item."

**EFFECTIVE DATE OF 1998 AMENDMENT**

**EFFECTIVE DATE OF 1996 AMENDMENT**

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5030 of this title.

**§ 5327. Project management oversight**

(a) **PROJECT MANAGEMENT PLAN REQUIREMENTS.**—To receive United States Government financial assistance for a major capital project under this chapter or the National Capital Transportation Act of 1969 (Public Law 91–143, 83 Stat. 320), a recipient must prepare and carry out a project management plan approved by the Secretary of Transportation. The plan shall provide for—

"(1) adequate recipient staff organization with well-defined reporting relationships, statements of functional responsibilities, job descriptions, and job qualifications;
(2) A budget covering the project management organization, appropriate consultants, property acquisition, utility relocation, systems demonstration staff, audits, and miscellaneous payments the recipient may be prepared to justify;

(3) A construction schedule for the project;

(4) A document control procedure and record-keeping system;

(5) A change order procedure that includes a documented, systematic approach to the handling of construction change orders;

(6) Organizational structures, management skills, and staffing levels required throughout the construction phase;

(7) Quality control and quality assurance functions, procedures, and responsibilities for construction, system installation, and integration of system components;

(8) Material testing policies and procedures;

(9) Internal plan implementation and reporting requirements;

(10) Criteria and procedures to be used for testing the operational system or its major components;

(11) Periodic updates of the plan, especially related to project budget and project schedule, financing, ridership estimates, and the status of local efforts to enhance ridership where ridership estimates partly depend on the success of those efforts;

(12) The recipient’s commitment to submit a project budget and project schedule to the Secretary each month; and

(13) Safety and security management.

(b) PLAN APPROVAL.—(1) The Secretary shall approve a plan not later than 60 days after it is submitted. If the approval cannot be completed within 60 days, the Secretary shall notify the recipient, explain the reasons for the delay, and estimate the additional time that will be required.

(2) The Secretary shall inform the recipient of the reasons when a plan is disapproved.

(c) LIMITATIONS.—

(1) LIMITATIONS ON USE OF AVAILABLE AMOUNTS.—Of the amounts made available to carry out this chapter for a fiscal year, the Secretary may use not more than the following amounts to make contracts for the activities described in paragraph (2):

(A) 0.5 percent of amounts made available to carry out section 5305.

(B) 0.75 percent of amounts made available to carry out section 5307.

(C) 1 percent of amounts made available to carry out section 5309.

(D) 0.5 percent of amounts made available to carry out section 5310.

(E) 0.5 percent of amounts made available to carry out section 5311.

(F) 0.5 percent of amounts made available to carry out section 5320.

(2) ACTIVITIES.—Paragraph (1) shall apply to the following:

(A) Activities to oversee the construction of a major project.

(B) Activities to review and audit the safety and security, procurement, management, and financial compliance of a recipient or subrecipient of funds under sections 5305, 5307, 5309, 5310, 5311, and 5320.

(C) Activities to provide technical assistance to correct deficiencies identified in compliance reviews and audits carried out under this section.

(3) LIMITATIONS ON APPLICABILITY.—Subsections (a), (b), and (e) do not apply to contracts under this section for activities described in paragraphs (2)(B) and (2)(C).

(4) GOVERNMENT’S SHARE OF COSTS.—The Government shall pay the entire cost of carrying out a contract under this subsection.

(5) AVAILABILITY OF CERTAIN FUNDS.—Beginning in fiscal year 2006, funds available under paragraph (1)(C) shall be made available to the Secretary before allocating the funds appropriated to carry out any project under a full funding grant agreement or project construction grant agreement.

(d) ACCESS TO SITES AND RECORDS.—Each recipient of assistance under this chapter or section 14(b) of the National Capital Transportation Act of 1969 (Public Law 91–143, 83 Stat. 320), as added by section 2 of the National Capital Transportation Amendments of 1979 (Public Law 96–184, 93 Stat. 1320), shall provide the Secretary and a contractor the Secretary chooses access to the construction sites and records of the recipient when reasonably necessary.

(e) REGULATIONS.—The Secretary shall prescribe regulations necessary to carry out this section. The regulations shall include—

(1) A definition of “major capital project” for subsection (c) of this section that excludes a project to acquire rolling stock or to maintain or rehabilitate a vehicle; and

(2) A requirement that oversight begin during the preliminary engineering stage of a project, unless the Secretary finds it more appropriate to begin the oversight during another stage of the project, to maximize the transportation benefits and cost savings associated with project management oversight.

(f) FINANCIAL PLAN.—A recipient of financial assistance for a project under this chapter with an estimated total cost of $1,000,000,000 or more shall submit to the Secretary an annual financial plan for the project. The plan shall be based on detailed annual estimates of the cost to complete the remaining elements of the project and on reasonable assumptions, as determined by the Secretary, of future increases in the cost to complete the project.

### Financing of Oversight Activities

### § 5328. Project review

#### (a) Schedule—

(1) Alternatives analysis.—The Secretary shall cooperate with an applicant undertaking an alternatives analysis required by subsections (d) and (e) of section 5309 in the alternatives analysis and in preparing a draft environmental impact statement and shall approve the draft for circulation not later than 45 days after the applicant submits the draft to the Secretary.

(2) Advancement to preliminary engineering stage.—After the draft is circulated and not later than 30 days after the applicant selects a locally preferred alternative, the Secretary shall allow the project to advance to the preliminary engineering stage if the Secretary finds the project meets the requirements of subsection (d) or (e) of section 5309.

(3) Record of decision.—The Secretary shall issue a record of decision and allow a project to advance to the final design stage not later than 120 days after the final environmental impact statement for the project is completed if the Secretary determines that the project meets the requirements of subsection (d) or (e) of section 5309.

(4) Funding agreements.—The Secretary shall enter into a full funding grant agreement or project construction grant agreement, as appropriate, between the Government and the project sponsor if the Secretary determines that the project meets the requirements of subsection (d) or (e) of section 5309.

(b) Allowed delays.—(1) Advancement of a project under the time requirements of subsection (a) of this section may be delayed only—

(A) for the time the applicant may request; or

(B) during the time the Secretary finds, after reasonable notice and an opportunity for comment, that the applicant, for reasons attributable only to the applicant, has not complied substantially with the provisions of this chapter applicable to the project.

(2) Not more than 10 days after imposing a delay under paragraph (1)(B) of this subsection, the Secretary shall give the applicant a written comment, that the applicant, for reasons attributable only to the applicant, has not complied substantially with the provisions of this chapter applicable to the project.

(3) At least once every 6 months, the Secretary shall report to the Committee on Transportation and Infrastructure of the House of Rep-
representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate on each situation in which the Secretary has not met a time requirement of subsection (a) of this section or delayed a time requirement under paragraph (1)(B) of this subsection. The report shall explain the reasons for the delay and include a plan for achieving timely completion of the Secretary’s review.

(c) PROGRAM OF INTERRELATED PROJECTS.—(1) In this subsection, a program of interrelated projects includes the following:

(A) the New Jersey Urban Core Project (as defined in title III of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102–240, 105 Stat. 2087));

(B) the San Francisco Bay Area Rail Extension Program, consisting of at least an extension of the San Francisco Bay Area Rapid Transit District to the San Francisco International Airport (Phase 1a to Colma and Phase 1b to San Francisco Airport), the Santa Clara County Transit District Tasman Corridor Project, a program element designated by a change to the Metropolitan Transportation Commission Resolution No. 1876, and a program element financed completely with non-Government amounts, including the BART Warm Springs Extension, Dublin Extension, and West Pittsburgh Extension;

(C) the Los Angeles Metro Rail Minimum Operable Segment-3 Program, consisting of 7 stations and approximately 11.6 miles of heavy rail subway on the following lines:

(i) one line running west and northwest from the Hollywood/Vine station to the North Hollywood station, with 2 intermediate stations.

(ii) one line running west from the Wilshire/Western station to the Pico/San Vicente station, with one intermediate station.

(iii) the East Side Extension, consisting of an initial line of approximately 3 miles, with at least 2 stations, beginning at Union Station and running generally east.

(D) the Baltimore-Washington Transportation Improvement Program, consisting of 3 extensions of the Baltimore Light Rail to Hunt Valley, Penn Station, and Baltimore-Washington Airport, MARC extensions to Frederick and Waldorf, Maryland, and an extension of the Washington Subway system to Largo, Maryland.

(E) the Tri-County Metropolitan Transportation District of Oregon Light Rail Program, consisting of the locally preferred alternative for the Westside Light Rail Project, including system related costs, contained in the Department of Transportation and Related Agencies Appropriations Act, 1991 (Public Law 101–516, 104 Stat. 2155), and defined in House Report 101–584, the Hillsboro extension to the Westside Light Rail Project contained in that Act, and the locally preferred alternative for the South/North Corridor Project;

(F) the Queens Local/Express Connector Program, consisting of the locally preferred alternative for the connection of the 63d Street tunnel extension to the Queens Boulevard lines, the bell-mouth part of the connector that will allow for future access by commuter rail trains and other subway lines to the 63d Street tunnel extension, planning elements for connecting the upper and lower levels to commuter and subway lines in Long Island City, and planning elements for providing a connector for commuter rail transportation to the East side of Manhattan and subway lines to the proposed Second Avenue subway.

(G) the Dallas Area Rapid Transit Authority light rail elements of the New System Plan, consisting of the locally preferred alternative for the South Oak Cliff corridor, the South Oak Cliff corridor extension-Camp Wisdom, the West Oak Cliff corridor-Westmoreland, the North Central corridor-Park Lane, the North Central corridor-Richardson, Plano, and Garland extensions, the Pleasant Grove corridor-Buckner, and the Carrollton corridors-Farmers Branch and Las Colinas terminal.

(H) other programs designated by law or the Secretary.

(2) Consistent with the time requirements of subsection (a) of this section or as otherwise provided by law, the Secretary shall make at least one full financing grant agreement for each program described in paragraph (1) of this subsection. The agreement shall include commitments to advance each of the applicant’s program elements (in the program of interrelated projects) through the appropriate program review stages as provided in subsection (a) or as otherwise provided by law and to provide Government financing for each element. The agreement may be changed to include design and construction of a particular element.

(3) When reviewing a project in a program of interrelated projects, the Secretary shall consider the local financial commitment, transportation effectiveness, and other assessment factors of all program elements to the extent consideration expedites carrying out the project.

(4) Including a program element not financed by the Government in a program of interrelated projects does not impose Government requirements that otherwise would not apply to the element.

AMENDMENTS

§ 5330. State safety oversight

(a) APPLICATION.—This section shall only apply to—

(1) States that have rail fixed guideway public transportation systems that are not subject to regulation by the Federal Railroad Administration; and

(2) States that are designing rail fixed guideway public transportation systems that will not be subject to regulation by the Federal Railroad Administration.

Effective Date of 1998 Amendment

Title IX of Pub. L. 105-206 effective simultaneously with enactment of Pub. L. 105-178 and to be treated as included in Pub. L. 105-178 at time of enactment, and provisions of Pub. L. 105-178, as in effect on day before July 22, 1998, that are amended by title IX of Pub. L. 105-206 to be treated as not enacted, see section 9016 of Pub. L. 105-206, set out as a note under section 101 of Title 23, Highways.

§ 5339. Investigations of safety hazards and security risks

(a) IN GENERAL.—The Secretary may conduct investigations into safety hazards and security risks associated with a condition in equipment, a facility, or an operation financed under this chapter to establish the nature and extent of the condition and how to eliminate, mitigate, or correct it.

(b) SUBMISSION OF CORRECTIVE PLAN.—If the Secretary establishes that a safety hazard or security risk warrants further protective measures, the Secretary shall require the local governmental authority receiving amounts under this chapter to submit a plan for eliminating, mitigating, or correcting it.

(c) WITHHOLDING FINANCIAL ASSISTANCE.—Financial assistance under this chapter, in an amount to be determined by the Secretary, may be withheld until a plan is approved and carried out.

(b) GENERAL AUTHORITY.—The Secretary of Transportation may withhold not more than 5 percent of the amount required to be appropriated for use in a State or urbanized area in the State under section 5307 of this title for a fiscal year beginning after September 30, 1994, if the State in the prior fiscal year has not met the requirements of subsection (c) of this section and the Secretary decides the State is not making an adequate effort to comply with subsection (c).

(c) STATE REQUIREMENTS.—A State meets the requirements of this section if the State—

1. establishes and is carrying out a safety program plan for each fixed guideway public transportation system in the State that establishes at least safety requirements, lines of authority, levels of responsibility and accountability, and methods of documentation for the system; and

2. designates a State authority as having responsibility—

(A) to require, review, approve, and monitor the carrying out of each plan;

(B) to investigate hazardous conditions and accidents on the systems; and

(C) to require corrective action to correct or eliminate those conditions.

(d) MULTISTATE INVOLVEMENT.—When more than one State is subject to this section in connection with a single public transportation authority, the affected States shall ensure uniform safety standards and enforcement or shall designate an entity (except the public transportation authority) to ensure uniform safety standards and enforcement and to meet the requirements of subsection (c) of this section.

(e) AVAILABILITY OF WITHHELD AMOUNTS.—(1) An amount withheld under subsection (b) of this section remains available for apportionment for use in the State until the end of the 2d fiscal year after the fiscal year for which the amount may be appropriated.

(2) If a State meets the requirements of subsection (c) of this section before the last day of the period for which an amount withheld under subsection (b) of this section remains available under paragraph (1) of this subsection, the Secretary, on the first day on which the State meets the requirements, shall apportion to the State the amount withheld that remains available for apportionment for use in the State until the end of the 2d fiscal year after the fiscal year in which the amount is withheld.

(f) APPOINTMENT.—An amount not obligated at the end of the 3-year period shall be apportioned for use in other States under section 5336 of this title.

(g) FEDERAL AID.—Except as provided under subsection (c), an amount not obligated at the end of the fiscal year in which the amount is withheld shall be apportioned. An amount withheld under subsection (b) of this section remains available for apportionment for use in a State or urbanized area in a fiscal year until the end of the 3-year period.

(h) FEDERAL AID.—An amount apportioned under paragraph (1) of subsection (c) of this section remains available under paragraph (1) of this subsection, the amount shall be apportioned for use in other States under section 5336 of this title.

(2) If a State does not meet the requirements of subsection (c) of this section at the end of the period for which an amount withheld under subsection (b) of this section remains available under paragraph (1) of this subsection, the amount shall be apportioned for use in other States under section 5336 of this title.

In subsection (e)(1), the words “under subsection (a) of this section from apportionment for use in any State in a fiscal year” are omitted as surplus.

In subsection (e)(2) and (3), the words “from apportionment” and “for apportionment for use in a State” are omitted as surplus.

AMENDMENTS

2005—Pub. L. 109–59, § 3029(a)(1), substituted “State safety oversight” for “Withholding amounts for non-compliance with safety requirements” in section catchline. Subsec. (a). Pub. L. 109–59, § 3029(a)(1), added subsec. (a) and struck out heading and text of former subsec. (a). Text read as follows: “This section applies only to States that have rail fixed guideway mass transportation systems not subject to regulation by the Federal Railroad Administration.” Subsec. (c)(1). Pub. L. 109–59, § 3002(b)(4), substituted “public transportation” for “mass transportation”.

Subsec. (f). Pub. L. 109–59, § 3029(a)(3), struck out heading and text of subsec. (f). Text read as follows: “Not later than December 18, 1992, the Secretary shall prescribe regulations stating the requirements for complying with subsection (c) of this section.”

§ 5331. Alcohol and controlled substances testing

(a) DEFINITIONS.—In this section—

(1) “controlled substance” means any substance under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802) whose use the Secretary of Transportation decides has a risk to transportation safety.

(2) “person” includes any entity organized or existing under the laws of the United States, a State, territory, or possession of the United States, or a foreign country.

(3) “public transportation” means any form of public transportation, except a form the Secretary decides is covered adequately, for employee alcohol and controlled substances testing purposes, under section 20140 or 31306 of this title or section 2303a, 7101(i), or 7302(e) of title 49.

(b) TESTING PROGRAM FOR PUBLIC TRANSPORTATION EMPLOYEES.—(1) (A) In the interest of public transportation safety, the Secretary shall prescribe regulations that establish a program requiring public transportation operations that
receive financial assistance under section 5307, 5309, or 5311 of this title to conduct preemployment, reasonable suspicion, random, and post-accident testing of public transportation employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of a controlled substance in violation of law or a United States Government regulation, and to conduct reasonable suspicion, random, and post-accident testing of such employees for the use of alcohol in violation of law or a United States Government regulation. The regulations shall permit such operations to conduct preemployment testing of such employees for the use of alcohol.

(B) When the Secretary of Transportation considers it appropriate in the interest of safety, the Secretary may prescribe regulations for conducting periodic recurring testing of public transportation employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of alcohol or a controlled substance in violation of law or a United States Government regulation. The regulations shall permit such operations to conduct preemployment testing of such employees for the use of alcohol.

(c) DISQUALIFICATIONS FOR USE.—(1) When the Secretary of Transportation considers it appropriate, the Secretary shall require disqualification for an established period of time or dismissal of any employee referred to in subsection (b)(1) of this section who is found—

(A) to have used or been impaired by alcohol when on duty; or

(B) to have used a controlled substance, whether or not on duty, except as allowed for medical purposes by law or regulation.

(2) This section does not supersede any penalty applicable to a public transportation employee under another law.

(d) TESTING AND LABORATORY REQUIREMENTS.—In carrying out subsection (b) of this section, the Secretary of Transportation shall develop requirements that shall—

(1) promote, to the maximum extent practicable, individual privacy in the collection of specimens;

(2) for laboratories and testing procedures for controlled substances, incorporate the Department of Health and Human Services scientific and technical guidelines dated April 11, 1988, and any amendments to those guidelines, including mandatory guidelines establishing—

(A) comprehensive standards for every aspect of laboratory controlled substances testing and laboratory procedures to be applied in carrying out this section, including standards requiring the use of the best available technology to ensure the complete reliability and accuracy of controlled substances tests and strict procedures governing the chain of custody of specimens collected for controlled substances testing;

(B) the minimum list of controlled substances for which individuals may be tested; and

(C) appropriate standards and procedures for periodic review of laboratories and criteria for certification and revocation of certification of laboratories to perform controlled substances testing in carrying out this section;

(3) require that a laboratory involved in controlled substances testing under this section have the capability and facility, at the laboratory, of performing screening and confirmation tests;

(4) provide that all tests indicating the use of alcohol or a controlled substance in violation of law or a Government regulation be confirmed by a scientifically recognized method of testing capable of providing quantitative information about alcohol or a controlled substance;

(5) provide that each specimen be subdivided, secured, and labeled in the presence of the tested individual and that a part of the specimen be retained in a secure manner to prevent the possibility of tampering, so that if the individual’s confirmation test results are positive the individual has an opportunity to have the retained part tested by a 2d confirmation test done independently at another certified laboratory if the individual requests the 2d confirmation test not later than 3 days after being advised of the results of the first confirmation test;

(6) ensure appropriate safeguards for testing to detect and quantify alcohol in breath and body fluid samples, including urine and blood, through the development of regulations that may be necessary and in consultation with the Secretary of Health and Human Services;

(7) provide for the confidentiality of test results and medical information (except information about alcohol or a controlled substance) of employees, except that this clause does not prevent the use of test results for the orderly imposition of appropriate sanctions under this section; and

(8) ensure that employees are selected for tests by nondiscriminatory and impartial methods, so that no employee is harassed by being treated differently from other employees in similar circumstances.

(e) REHABILITATION.—The Secretary of Transportation shall prescribe regulations establishing requirements for rehabilitation programs that provide for the identification and opportunity for treatment of any public transportation employee referred to in subsection (b)(1) of this section who is found to have used alcohol or a controlled substance in violation of law or a Government regulation. The Secretary shall decide on the circumstances under which employees shall be required to participate in a program. This subsection does not prevent a public transportation operation from establishing a program under this section in cooperation with another public transportation operation.

(f) RELATIONSHIP TO OTHER LAWS, REGULATIONS, STANDARDS, AND ORDERS.—(1) A State of
local government may not prescribe, issue, or continue in effect a law, regulation, standard, or order that is inconsistent with regulations prescribed under this section. However, a regulation prescribed under this section does not preempt a State criminal law that imposes sanctions for reckless conduct leading to loss of life, injury, or damage to property.

(2) In prescribing regulations under this section, the Secretary of Transportation—

(A) shall establish only requirements that are consistent with international obligations of the United States; and

(B) shall consider applicable laws and regulations of foreign countries.

(g) INELIGIBILITY FOR ASSISTANCE.—A person is not eligible for financial assistance under section 5307, 5309, or 5311 of this title if the person is required, under regulations of the Secretary of Transportation prescribed under this section, to undergo a program of alcohol and controlled substance testing and does not establish the program.

In subsection (a), before clause (1), the text of 49 App.:1618a(a)(3) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section. In clause (3), the words “controlled substance” are substituted for “drug” for consistency in this section.

In subsection (b)(1)(B), the word “also” is omitted as surplus.

In subsection (b)(2)(B), the words “may require” are substituted for “as determined by the Secretary” for clarity and to eliminate unnecessary words.

In subsection (d), the word “samples” is omitted as surplus.

In subsection (d)(2), before clause (A), the word “subsequent” is omitted as surplus.

In subsection (d)(3), the words “of any individual” are omitted as surplus.

In subsection (d)(4), the words “by any individual” are omitted as surplus.

In subsection (d)(5), the word “tested” is substituted for “assayed” for consistency. The words “24 confirmation test” are substituted for “independent test” for clarity and consistency.

In subsection (d)(6), the word “Secretary” is substituted for “Department” for consistency in the revised title and with other titles of the United States Code.

In subsection (f)(1), the word “prescribe” is substituted for “adopt” for consistency in the revised title and with other titles of the Code. The word “rule” is omitted as being synonymous with “regulation”. The word “ordinance” is omitted as being included in “law” and “regulation”. The words “whether the provisions apply specifically to mass transportation employees, or to the general public” are omitted as surplus.

In subsection (f)(3), the word “prevent” is substituted for “restrict the discretion of” to eliminate unnecessary words.

In subsection (g) the words “in accordance with such regulations” are omitted as surplus.

This amends 49:5331(a)(3) to correct an erroneous cross-reference.

AMENDMENTS

2005—Subsec. (a)(3). Pub. L. 109–59, §3030(a), substituted “section 20140 or 31306 of this title or section 2303a, 7101(d), or 7302(e) of title 46” for “section 20140 or 31306 of this title” and inserted at end “The Secretary may also decide that a form of public transportation is covered adequately, for employee alcohol and controlled substances testing purposes, under the alcohol and controlled substance statutes or regulations of an agency within the Department of Transportation or the Coast Guard.”.

Subsec. (b)(1)(A). Pub. L. 109–59, §3030(b), struck out “or section 103(e)(4) of title 23” after “5311 of this title”.

Subsec. (g). Pub. L. 109–59, §3030(b), struck out “or section 103(e)(4) of title 23” after “5311 of this title”.

1995—Subsec. (b)(1)(A). Pub. L. 104–59 added subpar. (A) and struck out former subpar. (A) which read as follows: “In the interest of mass transportation safety, the Secretary of Transportation shall prescribe regulations not later than October 28, 1992, that establish a program requiring mass transportation operations that receive financial assistance under section 5307, 5309, or 5311 of this title or section 103(e)(4) of title 23 to conduct preemployment, reasonable suspicion, random, and post-accident testing of mass transportation employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of alcohol or a controlled substance by mass transportation employees.”

Subsec. (g). Pub. L. 109–59, §3030(b), struck out “or section 103(e)(4) of title 23” after “5311 of this title”.

1994—Subsec. (a)(3). Pub. L. 103–429 substituted “section 20140 or 31306” for “subchapter II of chapter 201 or section 31306”.

EFFECTIVE DATE OF 1994 AMENDMENT

§ 5332. Nondiscrimination

(a) DEFINITION.—In this section, “person” includes a governmental authority, political subdivision, authority, legal representative, trust, unincorporated organization, trustee, trustee in bankruptcy, and receiver.

(b) PROHIBITIONS.—A person may not be excluded from participating in, denied a benefit of, or discriminated against under a project, pro-
gram, or activity receiving financial assistance under this chapter because of race, color, creed, national origin, sex, or age.

(c) COMPLIANCE.—(1) The Secretary of Transportation shall take affirmative action to ensure compliance with subsection (b) of this section.

(2) When the Secretary decides that a person receiving financial assistance under this chapter is not complying with subsection (b) of this section, a civil rights law of the United States, or a regulation or order under that law, the Secretary shall notify the person of the decision and require action be taken to ensure compliance with subsection (b).

(d) AUTHORITY OF SECRETARY FOR NONCOMPLIANCE.—If a person does not comply with subsection (b) of this section within a reasonable time after receiving notice, the Secretary shall—

(1) direct that no further financial assistance of the United States Government under this chapter be provided to the person;

(2) refer the matter to the Attorney General with a recommendation that a civil action be brought;

(3) proceed under title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq.); and

(4) take any other action provided by law.

(e) CIVIL ACTIONS BY ATTORNEY GENERAL.—The Attorney General may bring a civil action for appropriate relief when—

(1) a matter is referred to the Attorney General under subsection (d)(2) of this section; or

(2) the Attorney General believes a person is engaged in a pattern or practice in violation of this section.

(f) APPLICATION AND RELATIONSHIP TO OTHER LAWS.—This section applies to an employment opportunity and is in addition to title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.).

§ 5333. Labor standards

(a) PREVAILING WAGES REQUIREMENT.—The Secretary of Transportation shall ensure that laborers and mechanics employed by contractors and subcontractors in construction work financed with a grant or loan under this chapter be paid wages not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor under sections 3141–3144, 3146, and 3147 of title 40. The Secretary of Transportation may approve a grant or loan only after being assured that required labor standards will be maintained on the construction work. For a labor standard under this subsection, the Secretary of Labor has the same duties and powers stated in Reorganization Plan No. 14 of 1950 (eff. May 24, 1950, 44 Stat. 1267) and section 3145 of title 40.

(b) EMPLOYEE PROTECTIVE ARRANGEMENTS.—(1) As a condition of financial assistance under sections 5307–5312, 5316, 5318, 5323(a)(1), 5323(b), 5323(d), 5328, 5337, and 5338(b) of this title, the interests of employees affected by the assistance shall be protected under arrangements the Secretary of Labor concludes are fair and equitable. The agreement granting the assistance under sections 5307–5312, 5316, 5318, 5323(a)(1), 5323(b), 5323(d), 5328, 5337, and 5338(b) shall specify the arrangements.

(2) Arrangements under this subsection shall include provisions that may be necessary for—

(A) the preservation of rights, privileges, and benefits (including continuation of pension rights and benefits) under existing collective bargaining agreements or otherwise;

(B) the continuation of collective bargaining rights;

(C) the protection of individual employees against a worsening of their positions related to employment;

(D) assurances of employment to employees of acquired public transportation systems;

(E) assurances of priority of reemployment of employees whose employment is ended or who are laid off; and

(F) paid training or retraining programs.

(3) Arrangements under this subsection shall provide benefits at least equal to benefits established under section 11326 of this title.

(4) Fair and equitable arrangements to protect the interests of employees utilized by the Secretary of Labor for assistance to purchase like-kind equipment or facilities, and grant amend-
ments which do not materially revise or amend existing assistance agreements, shall be certified without referral.

(5) When the Secretary is called upon to issue fair and equitable determinations involving assumptions of employment when one private transit bus service contractor replaces another through competitive bidding, such decisions shall be based on the principles set forth in the Department of Labor's decision of September 21, 1994, as clarified by the supplemental ruling of November 7, 1994, with respect to grant NV-90-XO21. This paragraph shall not serve as a basis for objections under section 215.3(d) of title 29, Code of Federal Regulations.

2005—Subsec. (b)(1). Pub. L. 109–59, §3031(1), substituted “5316, 5318, 5323(a)(1), 5328(b), 5328(d), 5328, 5337, and 5338(b)” for “5316(d), 5323(a)(1), (b), (d), and (e), 5328, 5337, and 5338(b)” in two places.

Subsec. (b)(4), (5). Pub. L. 109–59, §3031(2), added pars. (4) and (5).

EFFECTIVE DATE OF 1995 AMENDMENT

§ 5334. Administrative provisions

(a) GENERAL AUTHORITY.—In carrying out this chapter, the Secretary of Transportation may—

(1) prescribe terms for a project under sections 5307 and 5309–5311 of this title (except terms the Secretary of Labor prescribes under section 5333(b) of this title);

(2) sue and be sued;

(3) foreclose on property or bring a civil action to protect or enforce a right conferred on the Secretary of Transportation by law or agreement;

(4) buy property related to a loan under this chapter;

(5) agree to pay an annual amount in place of a State or local tax on real property acquired or owned under this chapter;

(6) sell, exchange, or lease property, a security, or an obligation;

(7) obtain loss insurance for property and assets the Secretary of Transportation holds;

(8) consent to a modification in an agreement under this chapter;

(9) include in an agreement or instrument under this chapter a covenant or term the Secretary of Transportation considers necessary to carry out this chapter;

(10) collect fees to cover the costs of training or conferences, including costs of promotional materials, sponsored by the Federal Transit Administration to promote public transportation and credit amounts collected to the appropriation concerned; and

(11) issue regulations as necessary to carry out the purposes of this chapter.

(b) PROHIBITIONS AGAINST REGULATING OPERATIONS AND CHARGES.—

(1) IN GENERAL.—Except for purposes of national defense or in the event of a national or regional emergency, the Secretary may not regulate the operation, routes, or schedules of a public transportation system for which a grant is made under this chapter, nor may the Secretary regulate the rates, fares, tolls, rentals, or other charges prescribed by any provider of public transportation.

(2) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this subsection shall be construed to prevent the Secretary from requiring a recipient of funds under this chapter to comply with the terms and conditions of its Federal assistance agreement.

(c) PROCEDURES FOR PRESCRIBING REGULATIONS.—(1) The Secretary of Transportation shall prepare an agenda listing all areas in which the Secretary intends to propose regula-
tions governing activities under this chapter within the following 12 months. The Secretary shall publish the proposed agenda in the Federal Register as part of the Secretary’s semiannual regulatory agenda that lists regulatory activities of the Federal Transit Administration. The Secretary shall submit the agenda to the Committees on Transportation and Infrastructure and Appropriations of the House of Representatives and the Committees on Banking, Housing, and Urban Affairs and Appropriations of the Senate on the day the agenda is published.

(2) Except for emergency regulations, the Secretary of Transportation shall give interested parties at least 60 days to participate in a regulatory proceeding under this chapter by submitting written information, views, or arguments, with or without an oral presentation, except when the Secretary for good cause finds that public notice and comment are unnecessary because of the routine nature or insignificant impact of the regulation or that an emergency regulation should be issued. The Secretary may extend the 60-day period if the Secretary decides the period is insufficient to allow diligent individuals to prepare comments or that other circumstances justify an extension.

(3) An emergency regulation ends 120 days after it is issued.

(4) The Secretary of Transportation shall comply with this section (except subsection (i)) and sections 5318(e), 5323(a)(2), 5325(a), 5325(b), and 5325(f) when proposing or carrying out a regulation governing an activity under this chapter.

(e) DEPOSITORY AND AVAILABILITY OF ACCOUNTS.—The Secretary of Transportation shall deposit amounts made available to the Secretary under this chapter in a checking account in the Treasury. Receipts, assets, and amounts obtained or held by the Secretary to carry out this chapter are available for administrative expenses to carry out this chapter.

(f) BUDGET PROGRAM AND SET OF ACCOUNTS.—The Secretary of Transportation shall—

(1) submit each year a budget program as provided in section 9103 of title 31; and

(2) maintain a set of accounts for audit under chapter 35 of title 31.

(g) DEPOSITARY AND AVAILABILITY OF AMOUNTS.—The Secretary of Transportation shall deposit amounts made available to the Secretary under this chapter in a checking account in the Treasury. Receipts, assets, and amounts obtained or held by the Secretary to carry out this chapter are available for administrative expenses to carry out this chapter.

(h) TRANSACTION.—A financial transaction of the Secretary of Transportation under this chapter and a related voucher are binding on all officers and employees of the United States Government.

(i) DEALING WITH ACQUIRED PROPERTY.—Notwithstanding another law related to the Government acquiring, using, or disposing of real property, the Secretary of Transportation may deal with property acquired under subsection (a)(3) or (4) of this section in any way. However, this subsection does not—

(1) deprive a State or political subdivision of a State of jurisdiction of the property; or

(2) impair the civil rights, under the laws of a State or political subdivision of a State, of an inhabitant of the property.

(j) TRANSFER OF ASSETS NO LONGER NEEDED.—

(1) If a recipient of assistance under this chapter decides an asset acquired under this chapter at least in part with that assistance is no longer needed for the purpose for which it was acquired, the Secretary of Transportation may authorize the recipient to transfer the asset to a local governmental authority to be used for a public purpose with no further obligation to the Government. The Secretary may authorize a transfer for a public purpose other than public transportation only if the Secretary decides—

(A) the asset will remain in public use for at least 5 years after the date the asset is transferred;

(B) there is no purpose eligible for assistance under this chapter for which the asset should be used;

(C) the overall benefit of allowing the transfer is greater than the interest of the Government in liquidation and return of the financial interest of the Government in the asset, after considering fair market value and other factors; and

(D) through an appropriate screening or survey process, there is no interest in acquiring the asset for Government use if the asset is a facility or land.

(2) A decision under paragraph (1) of this section must be in writing and include the reason for the decision.

(3) This subsection is in addition to another law related to using and disposing of a facility or equipment under an assistance agreement.

(4) PROCEEDS FROM THE SALE OF TRANSIT ASSETS.—

(A) IN GENERAL.—When real property, equipment, or supplies acquired with assistance under this chapter are no longer needed for public transportation purposes as determined under the applicable assistance agreement, the Secretary may authorize the sale, transfer, or lease of the assets under conditions determined by the Secretary and subject to the requirements of this subsection.

(B) USE.—The net income from asset sales, uses, or leases (including lease renewals) under this subsection shall be used by the recipient to reduce the gross project cost of other capital projects carried out under this chapter.

(C) RELATIONSHIP TO OTHER AUTHORITY.—The authority of the Secretary under this subsection is in addition to existing authorities controlling allocation or use of recipient income otherwise permissible in law or regulation in effect prior to the date of enactment of this paragraph.

(1) TRANSFER OF AMOUNTS AND NON-GOVERNMENT SHARE.—(1) Amounts made available for a public transportation project under title 23 shall be transferred to and administered by the Secretary of Transportation under this chapter.

(2) The provisions of title 23 related to the non-Government share apply to amounts under title 23 used for public transportation projects. The provisions of this chapter related to the non-Government share apply to amounts under this chapter used for highway projects.

(j) RELATIONSHIP TO OTHER LAWS.—(1) Section 9107(a) of title 31 applies to the Secretary of Transportation under this chapter.
(2) Section 6101(b) to (d) of title 41 applies to a contract for more than $1,000 for services or supplies related to property acquired under this chapter.

(k) Notification of Pending Discretionary Grants.—Not less than 3 full business days before announcement of award by the Secretary of any discretionary grant, letter of intent, or full funding grant agreement totaling more than $1,000,000 or more, the Secretary shall notify the Committees on Banking, Housing, and Urban Affairs and Appropriations of the Senate and Committees on Transportation and Infrastructure and Appropriations of the House of Representatives.

(i) Agency Statements.—

(1) In General.—The Administrator of the Federal Transit Administration shall follow applicable rulemaking procedures under section 553 of title 5 before the Federal Transit Administration issues a statement that imposes a binding obligation on recipients of Federal assistance under this chapter.

(2) Binding Obligation Defined.—In this subsection, the term “binding obligation” means a substantive policy statement, rule, or guidance document issued by the Federal Transit Administration that grants rights, imposes obligations, produces significant effects on private interests, or effects a significant change in existing policy.

In subsections (c)–(j), the relevant substantive provisions of 12:1749a are substituted for “shall have the functions, powers, and duties set forth in section 1749a of title 12, except subsections (c) and (f) of such section” for clarity. The reference to subsection (c)(2) is omitted as obsolete because section 301(d)(1) of the Housing and Community Development Technical Amendments Act of 1984 (Public Law 98–479, 98 Stat. 2228) repealed 12:1749a(c)(2). The words “(in addition to any authority otherwise vested in him)” are omitted as surplus.

In subsection (a), the text of 49 App.:1608(a) (1st sentence related to 12:1749a(c)(8)) is omitted as obsolete. Before clause (1), the words “carrying out this chapter” are substituted for “the performance of, and with respect to, the functions, powers, and duties vested in him by this chapter” to eliminate unnecessary words. In clause (1), the words “(except terms the Secretary of Labor prescribes under section 5333(c) of this title)” are added for clarity because 49 App.:1608(a) only applies to the Secretary of Transportation and does not supersede the responsibility of the Secretary of Labor. In clause (3), the word “civil” is added for clarity. The words “contract, or other” are omitted as surplus. In clause (4), the words “bid for and . . . at any foreclosure or any other sale” are omitted as surplus. In clause (6), the words “at public or private sale” are substituted for “(real or personal)”, and “upon such terms as he may fix” are omitted as surplus. Clause (8) is substituted for 49 App.:1608(a) (1st sentence related to 12:1749a(c)(7)) to eliminate unnecessary words. In clause (9), the word “provisions” is omitted as surplus. The words “carry out this chapter” are substituted for “assure that the purposes of this subchapter will be achieved” to eliminate unnecessary words.

In subsection (b), the words “regulatory” and “regulatory proceeding” are substituted for “rulemaking” for consistency in the revised title and because “rule” and “regulation” are synonymous.

In subsection (b)(1), the words “Federal Transit Administration” are substituted for “Urban Mass Transportation Administration” because of section 3004(b) of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102–240, 106 Stat. 2088). The words “also” and “required by the first sentence of this paragraph” are omitted as surplus.

In subsection (c), before clause (1), the words “in the performance of, and with respect to, the functions, powers, and duties vested in him by this subchapter . . . notwithstanding the provisions of any other law” are omitted as surplus. In clause (1), the words “prepare . . . and” and “for wholly owned Government corporations” are omitted as surplus.

Subsection (d) is substituted for 49 App.:1608(a) (1st sentence related to 12:1749a(b) and last sentence) to eliminate unnecessary words.

Pub. L. 109–59, §3032(b)(4), substituted “public transportation” for “mass transportation” in pars. (1) and (2).

Subsec. (i). Pub. L. 109–59, §3032(2), (3), redesignated subsec. (h) as (i) and struck out heading and text of former subsec. (i). Text read as follows: “The Secretary of Housing and Urban Development shall—

(1) carry out section 5312(a) and (b)(1) of this title related to—

(A) urban transportation systems and planned development of urban areas; and

(B) the role of transportation planning in overall urban planning; and

(2) advise and assist the Secretary of Transportation in making findings under section 5323(a)(1)(A) of this title.

Subsecs. (k), (l). Pub. L. 109–59, §3032(6), added subsecs. (k) and (l).

Subsec. (b)(4). Pub. L. 105–178, §3025(c), substituted “5323(a)(2), 5323(c), 5323(e), 5324(c), 5325(a), 5325(h), 5325(c), 5326(c), and 5326(d)” for “5323(a)(2), (c) and (e), 5325(c), and 5325 of this title”.

Subsec. (c)(2). Pub. L. 104–316 substituted “for” for “the Comptroller General shall”.

§ 5335. National transit database

(a) NATIONAL TRANSIT DATABASE.—To help meet the needs of individual public transportation systems, the United States Government, State and local governments, and the public for information on which to base public transportation service planning, the Secretary of Transportation shall maintain a reporting system, using uniform categories to accumulate public transportation financial and operating information and using a uniform system of accounts. The reporting and uniform systems shall contain appropriate information to help any level of government make a public sector investment decision. The Secretary may request and receive appropriate information from any source.

(b) REPORTING AND UNIFORM SYSTEMS.—The Secretary may award a grant under section 5307 or 5311 only if the applicant, and any person that will receive benefits directly from the grant, are subject to the reporting and uniform systems.

§ 5336. Apportionment of appropriations for formula grants

(a) BASED ON URBANIZED AREA POPULATION.—Of the amount apportioned under subsection (i)(2) to carry out section 5307—

(1) 8.32 percent shall be apportioned each fiscal year only in urbanized areas with a population of less than 200,000 so that each of those areas is entitled to receive an amount equal to—

(A) 50 percent of the total amount apportioned multiplied by a ratio equal to the population of the area divided by the total population of all urbanized areas with populations of less than 200,000 as shown in the latest United States Government census; and

(B) 50 percent of the total amount apportioned multiplied by a ratio for the area based on population weighted by a factor, established by the Secretary of Transportation, of the number of inhabitants in each square mile; and

(2) 90.68 percent shall be apportioned each fiscal year only in urbanized areas with populations of at least 200,000 and provided in subsections (b) and (c) of this section, except that the amount apportioned to the Anchorage urbanized area under subsection (b) shall be available to the Alaska Railroad for any costs related to its passenger operations.

(b) BASED ON FIXED GUIDEWAY REVENUE VEHICLE-MILES, ROUTE-MILES, AND PASSENGER-MILES.—(1) In this subsection, “fixed guideway vehicle-miles” and “fixed guideway route-miles” include ferry boat operations directly or under contract by the designated recipient and, beginning in fiscal year 2006, 60 percent of the directional route miles attributable to the Alaska Railroad passenger operations.

(2) Of the amount apportioned under subsection (a)(2) of this section, 33.29 percent shall be apportioned as follows:

Subsec. (a)(1). Pub. L. 105-178, §3026(a)(2), substituted “using uniform categories” for “by uniform categories,” and “and using a uniform system of accounts” for “and a uniform system of accounts and records”.

§ 5336. Apportionment of appropriations for formula grants

(a) BASED ON URBANIZED AREA POPULATION.—Of the amount apportioned under subsection (i)(2) to carry out section 5307—

(1) 8.32 percent shall be apportioned each fiscal year only in urbanized areas with a population of less than 200,000 so that each of those areas is entitled to receive an amount equal to—

(A) 50 percent of the total amount apportioned multiplied by a ratio equal to the population of the area divided by the total population of all urbanized areas with populations of less than 200,000 as shown in the latest United States Government census; and

(B) 50 percent of the total amount apportioned multiplied by a ratio for the area based on population weighted by a factor, established by the Secretary of Transportation, of the number of inhabitants in each square mile; and

(2) 90.68 percent shall be apportioned each fiscal year only in urbanized areas with populations of at least 200,000 and provided in subsections (b) and (c) of this section, except that the amount apportioned to the Anchorage urbanized area under subsection (b) shall be available to the Alaska Railroad for any costs related to its passenger operations.

(b) BASED ON FIXED GUIDEWAY REVENUE VEHICLE-MILES, ROUTE-MILES, AND PASSENGER-MILES.—(1) In this subsection, “fixed guideway vehicle-miles” and “fixed guideway route-miles” include ferry boat operations directly or under contract by the designated recipient and, beginning in fiscal year 2006, 60 percent of the directional route miles attributable to the Alaska Railroad passenger operations.

(2) Of the amount apportioned under subsection (a)(2) of this section, 33.29 percent shall be apportioned as follows:
§ 5336

P

028-001

cent shall be apportioned as follows:

(iii) 25 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio equal to the population of the area divided by the total population of all areas, as shown by the latest Government census; and

(B) 26.61 percent of the 90.8 percent apportioned under this paragraph shall be apportioned so that each urbanized area with a population of at least 200,000 but not more than 999,999 is entitled to receive an amount equal to—

(ii) 25 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio for the area based on population weighted by a factor, established by the Secretary of Transportation, of the number of inhabitants in each square mile.

(C) Under subparagraph (A) of this paragraph, fixed guideway revenue vehicle- or route-miles, and passengers served on those miles, in an urbanized area with a population of less than 200,000, where the miles and passengers served otherwise would be attributable to an urbanized area with a population of at least 1,000,000 in an adjacent State, are attributable to the governmental authority in the State in which the urbanized area with a population of less than 200,000 is located. The authority is deemed an urbanized area with a population of at least 200,000 if the authority makes a contract for the service.

(D) A recipient’s apportionment under sub-

paragraph (A)(i) of this paragraph may not be reduced if the recipient, after satisfying the Secretary of Transportation that energy or operating efficiencies would be achieved, reduces revenue vehicle-miles but provides the same frequency of revenue service to the same number of riders.

(c) Based on Bus Revenue Vehicle-Miles and Passenger-Miles.—Of the amount apportioned under subsection (a)(2) of this section, 66.71 percent shall be apportioned as follows:

(i) 90.8 percent of the total amount apportioned under this subsection shall be apportioned as follows:

(A) 73.39 percent of the 90.8 percent apportioned under this paragraph shall be apportioned so that each urbanized area with a population of at least 1,000,000 is entitled to receive an amount equal to—

(ii) 50 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio equal to the number of fixed guideway route-miles attributable to the area, as established by the Secretary of Transportation, divided by the total number of all fixed guideway revenue vehicle-miles attributable to all areas; and

(iii) 25 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio equal to the number of fixed guideway route-miles attributable to all areas.

(A) 95.61 percent of the total amount apportioned under this subsection shall be apportioned so that each urbanized area with a population of at least 200,000 is entitled to receive an amount equal to—

(i) 60 percent of the 95.61 percent apportioned under this subparagraph multiplied by a ratio equal to the number of fixed guideway revenue vehicle-miles attributable to the area, as established by the Secretary of Transportation, divided by the total number of all fixed guideway revenue vehicle-miles attributable to all areas; and

(ii) 40 percent of the 95.61 percent apportioned under this subparagraph multiplied by a ratio equal to the number of fixed guideway route-miles attributable to the area, established by the Secretary, divided by the total number of all fixed guideway route-miles attributable to all areas.

An urbanized area with a population of at least 750,000 in which commuter rail transportation is provided shall receive at least .75 percent of the total amount apportioned under this subparagraph.

(B) 4.39 percent of the total amount apportioned under this subsection shall be apportioned so that each urbanized area with a population of at least 200,000 is entitled to receive an amount equal to—

(i) the number of fixed guideway vehicle passenger-miles traveled multiplied by the number of fixed guideway vehicle passenger-miles traveled for each dollar of operating cost in an area; divided by

(ii) the total number of fixed guideway vehicle passenger-miles traveled multiplied by the total number of fixed guideway vehicle passenger-miles traveled for each dollar of operating cost in all areas.

An urbanized area with a population of at least 750,000 in which commuter rail transportation is provided shall receive at least .75 percent of the total amount apportioned under this subparagraph.

(A) 90.8 percent of the total amount apportioned under this subsection shall be apportioned as follows:

(A) 73.39 percent of the 90.8 percent apportioned under this paragraph shall be apportioned so that each urbanized area with a population of at least 1,000,000 is entitled to receive an amount equal to—

(i) 50 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio equal to the total bus revenue vehicle-miles operated in or directly serving the urbanized area divided by the total bus revenue vehicle-miles attributable to all areas;

(ii) 25 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio equal to the population of the area divided by the total population of all areas, as shown by the latest Government census; and

(iii) 25 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio for the area based on population weighted by a factor, established by the Secretary of Transportation, of the number of inhabitants in each square mile.

(B) 26.61 percent of the 90.8 percent apportioned under this paragraph shall be apportioned so that each urbanized area with a population of at least 200,000 but not more than 999,999 is entitled to receive an amount equal to—

(i) 50 percent of the 26.61 percent apportioned under this subparagraph multiplied by a ratio equal to the total bus revenue vehicle-miles operated in or directly serving the urbanized area divided by the total bus revenue vehicle-miles attributable to all areas;

(ii) 25 percent of the 26.61 percent apportioned under this subparagraph multiplied by a ratio equal to the population of the area divided by the total population of all areas, as shown by the latest Government census; and

(iii) 25 percent of the 26.61 percent apportioned under this subparagraph multiplied by a ratio for the area based on population weighted by a factor, established by the Secretary of Transportation, of the number of inhabitants in each square mile.

(2) 9.2 percent of the total amount apportioned under this subsection shall be apportioned so that each urbanized area with a population of at least 200,000 is entitled to receive an amount equal to—

(A) the number of bus passenger-miles traveled multiplied by the number of bus passenger-miles traveled for each dollar of operating cost in an area; divided by

(B) the total number of bus passenger-miles traveled multiplied by the total number of bus passenger-miles traveled for each dollar of operating cost in all areas.

(d) Date of Apportionment.—The Secretary of Transportation shall—

(1) apportion amounts appropriated under subsections (a)(1)(C)(vi) and (b)(2)(B) of section 5338 of this title to carry out section 5307 of
this title not later than the 10th day after the date the amounts are appropriated or October 1 of the fiscal year for which the amounts are appropriated, whichever is later; and

(2) publish apportionments of the amounts, including amounts attributable to each urbanized area with a population of more than 50,000 and amounts attributable to each State of a multistate urbanized area, on the apportionment date.

(e) AMOUNTS NOT APPORTIONED TO DESIGNATED RECIPIENTS.—The chief executive officer of a State may expend in an urbanized area with a population of less than 200,000 an amount apportioned under this section that is not apportioned to a designated recipient as defined in section 5307(a) of this title.

(f) TRANSFERS OF APPORTIONMENTS.—(1) The chief executive officer of a State may transfer any part of the State’s apportionment under subsection (a)(1) of this section to supplement amounts apportioned to the State under section 5311(c) of this title or amounts apportioned to urbanized areas under this subsection. The chief executive officer may make a transfer only after consulting with responsible local officials and publicly owned operators of public transportation in each area for which the amount originally was apportioned under this section.

(2) The chief executive officer of a State may transfer any part of the State’s apportionment under section 5311(c) of this title to supplement amounts apportioned to the State under subsection (a)(1) of this section.

(3) The chief executive officer of a State may use throughout the State amounts of a State’s apportionment remaining available for obligations at the beginning of the 90-day period before the period of the availability of the amounts expires.

(4) A designated recipient for an urbanized area with a population of at least 200,000 may transfer a part of its apportionment under this section to the chief executive officer of a State. The chief executive officer shall distribute the transferred amounts to urbanized areas under this section.

(5) Capital and operating assistance limitations applicable to the original apportionment apply to amounts transferred under this section.

(g) PERIOD OF AVAILABILITY TO RECIPIENTS.—An amount apportioned under this section may be obligated by the recipient for 3 years after the fiscal year in which the amount is apportioned. Not later than 30 days after the end of the 3-year period, an amount that is not obligated at the end of that period shall be added to the amount that may be apportioned under this section in the next fiscal year.

(h) APPLICATION OF OTHER SECTIONS.—Sections 5302, 5318, 5323(a)(1), (d), and (f), 5332, and 5333 of this title apply to this section and to a grant made with funds apportioned under this section. Except as provided in this section, no other provision of this chapter applies to this section or to a grant made with funds apportioned under this section.

(i) APPORTIONMENTS.—Of the amounts made available for each fiscal year under subsections (a)(1)(C)(vi) and (b)(2)(B) of section 5338—

(1) one percent shall be apportioned, in fiscal year 2006 and each fiscal year thereafter, to certain urbanized areas with populations of less than 200,000 in accordance with subsection (j); and

(2) any amount not apportioned under paragraph (1) shall be apportioned to urbanized areas in accordance with subsections (a) through (c).

(j) SMALL TRANSIT INTENSIVE CITIES FORMULA.—

(1) DEFINITIONS.—In this subsection, the following definitions apply:

(A) ELIGIBLE AREA.—The term “eligible area” means an urbanized area with a population of less than 200,000 that meets or exceeds in one or more performance categories the industry average for all urbanized areas with a population of at least 200,000 but not more than 999,999, as determined by the Secretary in accordance with subsection (c)(2).

(B) PERFORMANCE CATEGORY.—The term “performance category” means each of the following:

(i) Passenger miles traveled per vehicle revenue mile.

(ii) Passenger miles traveled per vehicle revenue hour.

(iii) Vehicle revenue miles per capita.

(iv) Vehicle revenue hours per capita.

(v) Passenger miles traveled per capita.

(vi) Passengers per capita.

(2) APPORTIONMENT.—

(A) APPORTIONMENT FORMULA.—The amount to be apportioned under subsection (i)(1) shall be apportioned among eligible areas in the ratio that—

(i) the number of performance categories for which each eligible area meets or exceeds the industry average in urbanized areas with a population of at least 200,000 but not more than 999,999; bears to—

(ii) the aggregate number of performance categories for which all eligible areas meet or exceed the industry average in urbanized areas with a population of at least 200,000 but not more than 999,999.

(B) DATA USED IN FORMULA.—The Secretary shall calculate apportionments under this subsection for a fiscal year using data from the national transit database used to calculate apportionments for that fiscal year under this section.

(k) STUDY ON INCENTIVES IN FORMULA PROGRAMS.—

(1) STUDY.—The Secretary shall conduct a study to assess the feasibility and appropriateness of developing and implementing an incentive funding system under sections 5307 and 5311 for operators of public transportation.

(2) REPORT.—

(A) IN GENERAL.—Not later than 2 years after the date of enactment of the Federal Public Transportation Act of 2005, the Secretary shall submit a report on the results of the study conducted under paragraph (1) to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.
(B) CONTENTS.—The report submitted under subparagraph (A) shall include—

(i) an analysis of the availability of appropriate measures to be used as a basis for the distribution of incentive payments;

(ii) the optimal number and size of any incentive programs;

(iii) what types of systems should compete for various incentives;

(iv) how incentives should be distributed; and

(v) the likely effects of the incentive funding system.

(d) which read as follows: “The Secretary of Transportation shall conduct a study to determine whether the formula for apportioning funds to urbanized areas under section 5336 of title 49, United States Code, accurately reflects the needs of urbanized areas and, if not, whether any changes should be made either to the formula or through some other mechanism to reflect the fact that some urbanized areas with a population between 50,000 and 200,000 have transit systems that carry more passengers per mile or hour than the average of those transit systems in urbanized areas with a population over 200,000.”

Subsec. (g). Pub. L. 109–59, § 3034(a)(2), redesignated subsec. (g) as (h), and struck out heading and text of former subsec. (h).

Subsec. (h). Text read as follows: “If sufficient amounts are available, the Secretary of Transportation shall—

(1) conduct a study to determine whether the formula for apportioning funds to urbanized areas under section 5336 of title 49, United States Code, accurately reflects the needs of urbanized areas and, if not, whether any changes should be made either to the formula or through some other mechanism to reflect the fact that some urbanized areas with a population between 50,000 and 200,000 have transit systems that carry more passengers per mile or hour than the average of those transit systems in urbanized areas with a population over 200,000.

(2) award funds for the purpose of conducting that study, or for any proposed changes to the method for apportioning funds to urbanized areas with a population over 50,000.”

**§ 5337. Apportionment based on fixed guideway factors**

(a) DISTRIBUTION.—The Secretary shall apportion amounts made available for fixed guideway modernization under section 5309 for each of fiscal years 2005 through 2010 as follows:

(1) The first $497,700,000 shall be apportioned to the following urbanized areas as follows:

(A) Baltimore, $38,948,000.

(B) Boston, $38,948,000.

(C) Chicago/Northwestern, Indiana, $78,169,000.

(D) Cleveland, $38,948,000.

(E) New Orleans, $1,730,588.
§ 5337

Applying and in each urbanized area to which paragraph (1) applies and in each urbanized area to which paragraph (2)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(1) of this section.

The next $5,700,000 shall be apportioned as follows:

(A) 65 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

(B) 35 percent to other urbanized areas eligible for assistance under section 5336(b)(2)(A) if the areas contain fixed guideway systems placed in revenue service at least 7 years before the fiscal year in which amounts are made available and in any urbanized area if, before the first day of the fiscal year, the area satisfies the Secretary that the area has modernization needs that cannot adequately be met with amounts received under section 5336(b)(2)(A), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

The next $70,000,000 shall be apportioned as follows:

(A) 50 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

(B) 50 percent in other urbanized areas eligible for assistance under section 5336(b)(2)(A) to which amounts were apportioned under this section for fiscal year 1997, as provided in section 5336(b)(2)(A) and subsection (e)(1) of this section.

The next $5,700,000 shall be apportioned in the following urbanized areas as follows:

(A) Pittsburgh, 61.76 percent.

(B) Cleveland, 10.73 percent.

(C) New Orleans, 5.79 percent.

(D) 21.72 percent in urbanized areas to which paragraph (2)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(1) of this section.

The next $186,600,000 shall be apportioned in each urbanized area to which paragraph (1) applies and in each urbanized area to which paragraph (2)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(1) of this section.

The next $70,000,000 shall be apportioned as follows:

(A) 65 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

(B) 35 percent to other urbanized areas eligible for assistance under section 5336(b)(2)(A) if the areas contain fixed guideway systems placed in revenue service at least 7 years before the fiscal year in which amounts are made available and in any urbanized area if, before the first day of the fiscal year, the area satisfies the Secretary that the area has modernization needs that cannot adequately be met with amounts received under section 5336(b)(2)(A), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

The next $50,000,000 shall be apportioned as follows:

(A) 60 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

(B) 40 percent to urbanized areas to which paragraph (5)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

Remaining amounts shall be apportioned as follows:

(A) 50 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

(B) 50 percent to urbanized areas to which paragraph (5)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.

This amends 49:5337(a)(4) to correct an erroneous cross-reference.

#### REFERENCES IN TEXT

The date of enactment of the Federal Public Transportation Act of 2005, referred to in subsec. (f), is the date of enactment of title III of Pub. L. 109-59, which was approved Aug. 10, 2005.

#### AMENDMENTS

Subsec. Pub. L. 111-322 amended subsec. (g) generally. Prior to amendment, text read as follows: “The Secretary shall apportion amounts made available for fixed guideway modernization under section 5337 for the period beginning October 1, 2010, and ending December 31, 2010, in accordance with subsection (a), except that the Secretary shall apportion 25 percent of each dollar amount specified in subsection (a),” except that the Secretary shall apportion 25 percent of each dollar amount specified in subsection (a), except that the Secretary shall apportion 25 percent of each dollar amount specified in subsection (a).

Pub. L. 111-147, §439(c), added subsec. (g).

1998—Subsec. (a). Pub. L. 105-378, §3028(c), as added by Pub. L. 105-206, in par. (2)(B), substituted “(e)(1)” for “(e)”.

For “(f)” in par. (3)(D), substituted “(2)(B)” for “(2)(B)(i)” and “(e)(1)” for “(e)(1)” in par. (4), substituted “(e)(1)” for “(e)” and in pars. (5) to (7), substituted “(e)(2)” for “(e)” wherever appearing.

Subsec. (e). Pub. L. 105-178, §3028(b), added subsec. (e) relating to route segments to be included in apportionment formulas.

Subsec. (e)(1). Pub. L. 105-178, §3029(b)(12), which directed substitution of “subsections (b) and (h)(4)” for section 5338 for “section 5338(f)”, could not be executed because “section 5338(f)” does not appear in text.

#### EFFECTIVE DATE OF 1998 AMENDMENT

Title IX of Pub. L. 105-206 effective simultaneously with enactment of Pub. L. 105-178 and to be treated as included in Pub. L. 105-178 at time of enactment, and provisions of Pub. L. 105-178, as in effect on days before July 22, 1998, that are amended by title IX of Pub. L. 105-206 to be treated as not enacted, see section 9016 of Pub. L. 105-206, set out as a note under section 101 of Title 23, Highways.

#### EFFECTIVE DATE OF 1994 AMENDMENT

**EFFECTIVE DATE OF 1996 AMENDMENT**

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5303 of this title.

**Allocation for National Research and Technology Programs**

"(a) IN GENERAL.—Amounts appropriated pursuant to section 5338(d) of title 49, United States Code, for national research and technology programs under sections 5312, 5314, and 5322 of such title shall be allocated by the Secretary [of Transportation] as follows:

"(1) Public Transportation National Security Study.—

"(A) IN GENERAL.—Not later than 6 months after the date of enactment of this Act [Aug. 10, 2005], the Secretary shall enter into an agreement with the National Academy of Sciences to conduct a study of the value of major public transportation systems in the United States serving the 38 urbanized areas that have a population of more than 1,000,000;"
than 1,000,000 individuals provide to the Nation’s security and the ability of such systems to accommodate the evacuation, egress or ingress of people to or from critical locations in times of emergency.

(B) ALTERNATIVE ROUTES.—For each system described in subparagraph (A) the study shall identify—

(i) potential alternative routes for evacuation using other transportation modes such as highway, air, marine, and pedestrian activities; and

(ii) transit routes that, if disrupted, do not have sufficient transit alternatives available.

(C) REPORT.—Not later than 24 months after the date of entry into the agreement, the Academy shall submit to the Secretary and the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a final report on the results of the study and evaluation, together with such recommendations as the Academy considers appropriate.

(D) FUNDING.—For each of fiscal year 2006 and 2007 $250,000 shall be available to carry out this paragraph.

(2) CENTER FOR TRANSIT-ORIENTED DEVELOPMENT.—For each of fiscal years 2006 through 2009, not less than $1,000,000 shall be made available by the Secretary for establishment and operation of the Center for Transit-Oriented Development—

(A) to develop standards and definitions for transit-oriented development adjacent to public transportation facilities;

(B) to develop system planning guidance, performance criteria, and modeling techniques for metropolitan planning agencies and public transportation agencies to maximize ridership through land use planning and adjacent development; and

(C) to provide research support and technical assistance to public transportation agencies, metropolitan planning agencies, and other persons regarding transit-oriented development.

(3) TRANSPORTATION EQUITY RESEARCH PROGRAM.—For each of fiscal years 2006 through 2009, not less than $1,000,000 shall be made available by the Secretary for research and demonstration activities that focus on the impacts that transportation planning, investment, and operations have on low-income and minority populations that are transit dependent. Such activities shall include the development of strategies to advance economic and community development in low-income and minority communities and the development of training programs that promote the employment of low-income and minority community residents on Federal-aid transportation projects constructed in their communities.

(4) COGNITIVE IMPAIRMENT STUDY.—For each fiscal year 2006, $1,000,000 shall be made available by the Secretary for research and demonstration activities that focus on the capacity and resources of Oregon public transportation systems to address the needs, barriers, and desires for travel of people with cognitive impairments.

(5) TRANSIT CAREER LADDER TRAINING PROGRAM.—For each of fiscal years 2006 through 2009, not less than $1,000,000 shall be available for a nationwide career ladder job training partnership program for public transportation employees to respond to technological changes in the public transportation industry, especially in the area of maintenance. Such program shall be carried out by the Secretary through a contract with a national nonprofit organization with a demonstrated capacity to develop and provide such programs.

(6) PILOT PROGRAM FOR REMOTE INFRARED AURAL SIGNS.—

(A) IN GENERAL.—For each of fiscal years 2006 through 2008, not less than $600,000 shall be made available by the Secretary to carry out a pilot program to determine the benefits of remote infrared audible signage technology for provision of wayfinding and information to people who are visually, cognitively, or learning disabled.

(B) REPORT.—

(i) IN GENERAL.—Not later than September 30, 2009, the Secretary shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a report on the pilot program carried out under this section.

(ii) CONTENTS.—The report—

(aa) an evaluation of the effect of the pilot program on multimodal accessibility in public transportation;

(bb) an evaluation of the effect of the program on operators of public transportation and their passengers;

(cc) an evaluation of the effect of making public transportation accessible to people with visual, cognitive, and learning disabilities on ridership of public transportation and use of paratransit; and

(dd) an evaluation of the effect of the program on the education, community integration, work life, and general quality of life of the targeted population.

(7) HYDROGEN FUEL CELL SHUTTLE DEPLOYMENT DEMONSTRATION PROJECT.—To demonstrate the utility of hydrogen fueled vehicles in daily shuttle service, $800,000 in each of fiscal years 2006 and 2007 shall be provided for hydrogen fueled employee shuttle vans, related equipment, operations, public education and outreach to the DaVinci [probably should be “Da Vinci”] Center in Allentown, Pennsylvania.

(8) WISCONSIN SUPPLEMENTAL TRANSPORTATION RURAL ASSISTANCE PROGRAM (STARP).—

(A) IN GENERAL.—For capital projects, operations, purchase or lease of vehicles, and integration, planning and coordination of public transportation services in the State of Wisconsin that will supplement and expand existing rural and special public transportation services in that State, $2,000,000 in each of fiscal years 2006, 2007, 2008, and 2009 shall be provided to the State of Wisconsin Department of Transportation.

(B) PURPOSE.—Funds received under this program may be used to supplement public transportation programs for rural populations for activities authorized under sections 5306, 5311, and 5316 of title 49, United States Code. Funds made available under this program are subject to the requirements of section 5311 of title 49, United States Code, except that funds may be made available for up to 80 percent of net operating costs. In awarding grants made available under this program, the State shall consider—

(i) rural population in the area to be served by the applicant;

(ii) extent to which the applicant demonstrates coordination of existing transportation services or proposed public transportation services;

(iii) need for additional services in the area being serviced by the applicant and the extent to which the proposed services will address those needs and provide accessibility for non-ambulatory recipients;

(iv) extent to which the applicant demonstrates an innovative approach that is responsive to the identified service needs of the rural population; and

(v) extent to which the applicant demonstrates that the communities being served have been consulted in the planning process.

(9) HUMAN SERVICES TRANSPORTATION COORDINATION.—

(A) IN GENERAL.—For the management of a program to improve and enhance the coordination of Federal resources for human services transportation with those of the Department of Transpor-
tation, $1,600,000 in each of fiscal years 2006, 2007, 2008, and 2009 shall be provided to a national non-profit organization that is competitively selected by the Secretary. Such organization shall have demonstrated expertise in issues of transportation coordination and in providing technical assistance to local transportation organizations.

(ii) ELIGIBLE ACTIVITIES.—Under this program, the organization selected by the Secretary shall—

(i) establish an advisory panel consisting of Federal, State, and local officials and organizations;

(ii) prepare an inventory of human service transportation agencies operating in the United States;

(iii) prepare an inventory of Federal transportation spending;

(iv) develop a program of technical assistance and training for human services transportation organizations that shall include on-site technical assistance, a resource clearinghouse, and preparation of technical manuals;

(v) prepare an annual report for the Secretary on activities under this program and make recommendations for improving coordination.

(19) PORTLAND, OREGON STREETCAR PROTOTYPE PURCHASE AND DEPLOYMENT.—Not less than $1,000,000 shall be made available in each of fiscal years 2006, 2007, 2008, and 2009 by the Secretary to TriMet for the purchase and deployment of a domestically manufactured streetcar.

(20) PUBLIC TRANSPORTATION PARTICIPATION PILOT PROGRAM.—

(A) IN GENERAL.—Of the funds allocated under this section for each of fiscal years 2006 through 2009, $1,000,000 for each fiscal year shall be made available by the Secretary to establish a pilot program to support planning and public participation activities related to public transportation projects.

(B) ELIGIBLE ACTIVITIES.—Activities eligible to be carried out under the pilot program may include the following:

(i) Improving data collection analysis and transportation access for all users of the public transportation systems.

(ii) Supporting public participation through the project development phases.

(iii) Using innovative techniques to improve the coordination of transportation alternatives.

(iv) Contracting with stakeholders to focus on the delivery of transportation plans and programs.

(v) Measuring and reporting on the annual performance of the transportation systems.

(21) TRANSPORTATION HYBRID ELECTRIC VEHICLE AND FUEL CELL RESEARCH.—$500,000 in fiscal year 2006, $540,000 in fiscal year 2007, $550,000 in fiscal year 2008, and $625,000 in fiscal year 2009 for the Southern California Regional Public Safety Training Center.

(22) CENTER FOR ADVANCED TRANSPORTATION INITIATIVES.—$500,000 in fiscal year 2006, $540,000 in fiscal year 2007, $550,000 in fiscal year 2008, and $625,000 in fiscal year 2009 for the Rutgers Center for Advanced Transportation Initiatives (CAFT).

(23) INSTITUTE OF TECHNOLOGY'S TRANSPORTATION, ECONOMIC, AND LAND USE SYSTEM.—$500,000 in fiscal year 2006, $540,000 in fiscal year 2007, $550,000 in fiscal year 2008, and $625,000 in fiscal year 2009 for the Greater New Haven Transit District Fuel Cell-Powered Bus Research.

(24) REGIONAL TRANSIT TRAINING CONSORTIUM PILOT PROGRAM.—$270,000 in fiscal year 2006, $380,000 in fiscal year 2007, $380,000 in fiscal year 2008, and $450,000 in fiscal year 2009 for the Southern California Regional Transit Training Consortium Pilot Program.

(b) REMAINDER.—After making allocations under subsection (a), the remainder of funds made available by section 5338(d) of title 49, United States Code, for national research and technology programs under sections 5312, 5314, and 5322 for a fiscal year or period shall be allocated at the discretion of the Secretary to other research, development, demonstration and deployment projects authorized by sections 5312, 5314, and 5322 of such title.

(c) ADDITIONAL APPROPRIATIONS.—The Secretary shall allocate amounts appropriated pursuant to subsection 5338(d) of title 49, United States Code, for national research and technology programs under sections 5312, 5314, and 5322 of such title—

(1) for fiscal year 2010, in amounts equal to the amounts allocated for fiscal year 2009 under each of paragraphs (2), (3), (5), (6), and (8) through (25) of subsection (a); and

(2) for the period beginning October 1, 2010, and ending March 4, 2011, in amounts equal to three sixtieths of the amounts allocated for fiscal year 2010 under each of paragraphs (2), (3), (5), (6), and (8) through (25) of subsection (a).

(d) FUNDING.—If the Secretary determines that a project or activity described in subsection (a) received sufficient funds in fiscal year 2010, or a previous fiscal year, to carry out the purpose for which the project or activity was authorized, the Secretary may not allocate any amounts under subsection (c) for the project or activity for fiscal year 2011, or any subsequent fiscal year.

ADJUSTMENTS FOR SURFACE TRANSPORTATION

EXTENSION ACT OF 1997

Pub. L. 105–178, title III, §3041, June 9, 1998, 112 Stat. 394, provided that the Secretary of Transportation en-
sure that the total apportionments and allocations made to a designated grant recipient under this section for fiscal year 1998 be reduced by the amount apportioned to such designated recipient pursuant to section 8 of Pub. L. 105–130 (amending sections 5309, 5337, and 5338 of this title) and in making the apportionments, the Secretary adjust the amount apportioned to each urbanized area for fixed guideway modernization for fiscal year 1998 to reflect the method of apportioning funds in section 5337(a) of this title.

TRAINING AND CURRICULUM DEVELOPMENT

"(1) IN GENERAL.—Any funds made available by section 5338(b)(2)(C)(i) of title 49, United States Code, shall be available in equal amounts for transportation research, training, and curriculum development at institutions identified in subparagraphs (E) and (F) of section 5505(c)(3) of such title.

"(2) SPECIAL RULE.—If the institutions identified in paragraph (1) are selected pursuant to [section] 5505(1)(3)(B) of such title in fiscal year 2002, 2003, or 2004 or in the period October 1, 2004, through July 30, 2005, the funds made available to carry out this subsection shall be available to those institutions to carry out the activities required pursuant to section 5505(1)(3)(B) of such title for that fiscal year."

PROGRAMS OF FEDERAL TRANSIT ADMINISTRATION; LIMITATION ON OBBLIGATIONS

Pub. L. 109–115, div. A, title I, §140, Nov. 5, 2005, 119 Stat. 2420, which provided that the limitations on obliga- tions for the programs of the Federal Transit Administra- tion were not to apply to any authority under this section previously made available for obligation, or to any other authority previously made available for obligation from the Transportation, Treasury, Housing and Urban Development, the Judiciary, and Independent Agencies Appropriations Act, 2006, and was re- peated in provisions of subsequent appropriations acts which are not set out in the Code.

Similar provisions were contained in the following prior appropriation acts:

§ 5339. Alternatives analysis program

(a) GRANTS AND AGREEMENTS.—Under criteria established by the Secretary, the Secretary may award grants to States, authorities of the States, metropolitan planning organizations, and local governmental authorities to develop alternatives analyses as defined by section 5309(a)(1).

(b) GOVERNMENT’S SHARE OF COSTS.—The Government’s share of the cost of an activity funded using amounts made available under this section may not exceed 80 percent of the cost of the activity.

(c) AVAILABILITY OF FUNDS.—An amount made available or appropriated under section 5338(b)(2)(L) for this section shall remain available for 3 fiscal years, including the fiscal year in which the amount is made available or appropriated. Any of such amounts that are unobligated at the end of the 3-fiscal-year period may be used by the Secretary for any purpose under this section.

AMENDMENTS

2005—Pub. L. 109–59 inserted section catchline and amended text generally. Prior to amendment, text read as follows: “Effective for funds not yet expended on the effective date of this section, the Federal share for funds under this chapter for a grantee named in section 603(14) of Public Law 97–468 shall be the same as the Federal share under 23 U.S.C. section 120(b) for Federal aid highway funds apportioned to the State in which it operates.”

§ 5340. Apportionments based on growing States and high density States formula factors

(a) DEFINITION.—In this section, the term “State” shall mean each of the 50 States of the United States.

(b) ALLOCATION.—Of the amounts made available for each fiscal year under section 5338(b)(2)(M), the Secretary shall apportion—

(1) 50 percent to States and urbanized areas in accordance with subsection (c); and

(2) 50 percent to States and urbanized areas in accordance with subsection (d).

(c) GROWING STATE APPORTIONMENTS.—

(1) APPORTIONMENT AMONG STATES.—The amounts apportioned under subsection (b)(1) shall provide each State with an amount equal
to the total amount apportioned multiplied by a ratio equal to the population of that State forecast for the year that is 15 years after the most recent decennial census, divided by the total population of all States forecast for the year that is 15 years after the most recent decennial census. Such forecast shall be based on the population trend for each State between the most recent decennial census and the most recent estimate of population made by the Secretary of Commerce. 

(2) APPOINTMENTS BETWEEN URBANIZED AREAS AND OTHER THAN URBANIZED AREAS IN EACH STATE.—

(A) IN GENERAL.—The Secretary shall apportion amounts to each State under paragraph (1) so that urbanized areas in that State receive an amount equal to the amount apportioned to that State multiplied by a ratio equal to the sum of the forecast population of all urbanized areas in that State divided by the total forecast population of that State. In making the apportionment under this subparagraph, the Secretary shall utilize any available forecasts made by the State. If no forecasts are available, the Secretary shall utilize data on urbanized areas and total population from the most recent decennial census.

(B) REMAINING AMOUNTS.—Amounts remaining for each State after apportionment under subparagraph (A) shall be apportioned to that State and added to the amount made available for grants under section 5311.

(3) APPOINTMENTS AMONG URBANIZED AREAS IN EACH STATE.—The Secretary shall apportion amounts made available to urbanized areas in each State under paragraph (2)(A) so that each urbanized area receives an amount equal to the amount apportioned under paragraph (2)(A) multiplied by a ratio equal to the population of each urbanized area divided by the sum of populations of all urbanized areas in the State. Amounts apportioned to each urbanized area shall be added to amounts apportioned to that urbanized area under section 5336, and made available for grants under section 5307.

(d) HIGH DENSITY STATE APPOINTMENTS.—Amounts to be apportioned under subsection (b)(2) shall be apportioned as follows:

(1) ELIGIBLE STATES.—The Secretary shall designate as eligible for an apportionment under this subsection all States with a population density in excess of 370 persons per square mile.

(2) STATE URBANIZED LAND FACTOR.—For each State qualifying for an apportionment under paragraph (1), the Secretary shall calculate an amount equal to—

(A) the total land area of the State (in square miles); multiplied by

(B) 370; multiplied by

(C)(i) the population of the State in urbanized areas; divided by

(ii) the total population of the State.

(3) STATE APPOINTMENT FACTOR.—For each State qualifying for an apportionment under paragraph (1), the Secretary shall calculate an amount equal to the difference between the total population of the State less the amount calculated in paragraph (2).

(4) STATE APPOINTMENT.—Each State qualifying for an apportionment under paragraph (1) shall receive an amount equal to the amount to be apportioned under this subsection multiplied by the amount calculated for the State under paragraph (3) divided by the sum of the amounts calculated under paragraph (3) for all States qualifying for an apportionment under paragraph (1).

(5) APPOINTMENTS AMONG URBANIZED AREAS IN EACH STATE.—The Secretary shall apportion amounts made available to each State under paragraph (4) so that each urbanized area receives an amount equal to the amount apportioned under paragraph (4) multiplied by a ratio equal to the population of each urbanized area divided by the sum of populations of all urbanized areas in the State. Amounts apportioned to each urbanized area shall be added to amounts apportioned to that urbanized area under section 5336, and made available for grants under section 5307.

AMENDMENTS

2005—Pub. L. 109–109, title V, §§5401(c), 5402(c), Aug. 10, 2005, 119 Stat. 1815, 1820, substituted “National university transportation centers” for “University transportation research” in item 5505 and “University transportation research” for “Advanced vehicle technologies program” in item 5506.

SUBCHAPTER I—GENERAL

§ 5501. National Intermodal Transportation System policy

(a) GENERAL.—It is the policy of the United States Government to develop a National Intermodal Transportation System that is economically efficient and environmentally sound, provides the foundation for the United States to compete in the global economy, and will move
individuals and property in an energy efficient way.

(b) **SYSTEM CHARACTERISTICS.**—(1) The National Intermodal Transportation System shall consist of all forms of transportation in a unified, interconnected manner, including the transportation systems of the future, to reduce energy consumption and air pollution while promoting economic development and supporting the United States’ preeminent position in international commerce.

(2) The National Intermodal Transportation System shall include a National Highway System consisting of the Dwight D. Eisenhower System of Interstate and Defense Highways and those principal arterial roads that are essential for interstate and regional commerce and travel, national defense, intermodal transfer facilities, and international commerce and border crossings.

(3) The National Intermodal Transportation System shall include significant improvements in public transportation necessary to achieve national goals for improved air quality, energy conservation, international competitiveness, and mobility for elderly individuals, individuals with disabilities, and economically disadvantaged individuals in urban and rural areas of the United States.

(4) The National Intermodal Transportation System shall provide improved access to ports and airports, the Nation’s link to commerce.

(5) The National Intermodal Transportation System shall give special emphasis to the contributions of the transportation sectors to increased productivity growth. Social benefits must be considered with particular attention to the external benefits of reduced air pollution, reduced traffic congestion, and other aspects of the quality of life in the United States.

(6) The National Intermodal Transportation System must be operated and maintained with consistent attention to the concepts of innovation, competition, energy efficiency, productivity, growth, and accountability. Practices that resulted in the lengthy and overly costly construction of the Dwight D. Eisenhower System of Interstate and Defense Highways must be confronted and stopped.

(7) The National Intermodal Transportation System shall be adapted to “intelligent vehicles”, “magnetic levitation systems”, and other new technologies, wherever feasible and economical, with benefit cost estimates given special emphasis on safety considerations and techniques for cost allocation.

(8) When appropriate, the National Intermodal Transportation System will be financed, as regards Government apportionments and reimbursements, by the Highway Trust Fund. Financial assistance will be provided to State and local governments and their instrumentalities to help carry out national goals related to mobility for elderly individuals, individuals with disabilities, and economically disadvantaged individuals.

(9) The National Intermodal Transportation System must be the centerpiece of a national investment commitment to create the new wealth of the United States for the 21st century.

(c) **DISTRIBUTION AND POSTING.**—The Secretary of Transportation shall distribute copies of the policy in subsections (a) and (b) of this section to each employee of the Department of Transportation and ensure that the policy is posted in all offices of the Department.

### § 5502. Intermodal Transportation Advisory Board

(a) **ORGANIZATION.**—The Intermodal Transportation Advisory Board is a board in the Office of the Secretary of Transportation.

(b) **MEMBERSHIP.**—The Board consists of the Secretary, who serves as chairman, and the Administrator, or the Administrator’s designee, of—

(1) the Federal Highway Administration;
(2) the Federal Aviation Administration;
(3) the Maritime Administration;
(4) the Federal Railroad Administration; and
(5) the Federal Motor Carrier Safety Administration.

(c) **DUTIES AND POWERS.**—The Board shall provide recommendations for carrying out the duties of the Secretary described in section 301(3) of this title.

### AMENDMENTS

### TERMINATION OF ADVISORY BOARDS

Advisory boards established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year period beginning on the date of their establishment, unless, in the case of a board established by the President or an officer of the Federal Government, such board is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a board established by Congress, its duration is otherwise provided by law. See sections 3(2), and 14 of Pub. L. 92–463, Oct. 5, 1972, 86 Stat. 770, 776, set out in the Appendix to Title 5, Government Organization and Employees.

### § 5503. Office of Intermodalism

(a) **ESTABLISHMENT.**—There is established in the Research and Innovative Technology Administration an Office of Intermodalism.

(b) **DIRECTOR.**—The head of the Office is a Director who shall be appointed by the Secretary.

(c) **DUTIES AND POWERS.**—The Director shall carry out the duties of the Secretary described in section 301(3) of this title.
(d) RESEARCH.—The Director shall—
  (1) coordinate United States Government research on intermodal transportation as provided in the plan developed under section 6009(b) of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102–240, 105 Stat. 2177); and
  (2) carry out additional research needs identified by the Director.

(e) TECHNICAL ASSISTANCE.—The Director shall provide technical assistance to States and to metropolitan planning organizations for urban areas having a population of at least 1,000,000 in collecting data related to intermodal transportation to facilitate the collection of the data by States and metropolitan planning organizations.

Amounts reserved under section 5504(d) not awarded to States as grants may be used by the Director to provide technical assistance under this subsection.

(f) NATIONAL INTERMODAL SYSTEM IMPROVEMENT PLAN.—
  (1) IN GENERAL.—The Director, in consultation with the advisory board established under section 5502 and other public and private transportation interests, shall develop a plan to improve the national intermodal transportation system. The plan shall include—
    (A) an assessment and forecast of the national intermodal transportation system’s impact on mobility, safety, energy consumption, the environment, technology, international trade, economic activity, and quality of life in the United States;
    (B) an assessment of the operational and economic attributes of each passenger and freight mode of transportation and the optimal role of each mode in the national intermodal transportation system;
    (C) a description of recommended intermodal and multimodal research and development projects;
    (D) a description of emerging trends that have an impact on the national intermodal transportation system;
    (E) recommendations for improving intermodal policy, transportation decision-making, and financing to maximize mobility and the return on investment of Federal spending on transportation;
    (F) an estimate of the impact of current Federal and State transportation policy on the national intermodal transportation system; and
    (G) specific near and long-term goals for the national intermodal transportation system.
  
  (2) PROGRESS REPORTS.—The Director shall submit an initial report on the plan to improve the national intermodal transportation system 2 years after the date of enactment of the Motor Carrier Safety Reauthorization Act of 2005, and a follow-up report 2 years after that, to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives. The progress report shall—
    (A) describe progress made toward achieving the plan’s goals;
    (B) describe challenges and obstacles to achieving the plan’s goals;
    (C) update the plan to reflect changed circumstances or new developments; and
    (D) make policy and legislative recommendations the Director believes are necessary and appropriate to achieve the goals of the plan.

(3) PLAN DEVELOPMENT FUNDING.—Such sums as may be necessary from the administrative expenses of the Research and Innovative Technology Administration shall be reserved by the Secretary of Transportation each year for the purpose of completing and updating the plan to improve the national intermodal transportation plan.

(g) IMPACT MEASUREMENT METHODOLOGY; IMPACT REVIEW.—The Director and the Director of the Bureau of Transportation Statistics shall jointly—
  (1) develop, in consultation with the modal administrations, and State and local planning organizations, common measures to compare transportation investment decisions across the various modes of transportation; and
  (2) formulate a methodology for measuring the impact of intermodal transportation on—
    (A) the environment;
    (B) public health and welfare;
    (C) energy consumption;
    (D) the operation and efficiency of the transportation system;
    (E) congestion, including congestion at the Nation’s ports; and
    (F) the economy and employment.

(h) ADMINISTRATIVE AND CLERICAL SUPPORT.—The Director shall provide administrative and clerical support to the Intermodal Transportation Advisory Board.

(i) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary of Transportation such sums as may be necessary for fiscal years 2006 through 2009 to carry out this chapter.

2008—Subsec. (f)(2). Pub. L. 110–244, § 301(k)(1), substituted “Motor Carrier Safety Reauthorization Act of
§ 5504. Model intermodal transportation plans

(a) GRANTS.—The Secretary of Transportation shall make grants to States to develop model State intermodal transportation plans that are consistent with the policy set forth in section 302(e) of this title. The model plans shall include systems for collecting data related to intermodal transportation.

(b) DISTRIBUTION.—The Secretary shall award grants to States under this section that represent a variety of geographic regions and transportation needs, patterns, and modes.

(c) PLAN SUBMISSION.—As a condition to a State receiving a grant under this section, the Secretary shall require that the State provide assurances that the State will submit to the Secretary a State intermodal transportation plan not later than 18 months after the date of receipt of the grant.

(d) GRANT AMOUNTS.—The Secretary shall reserve, from amounts deducted under section 104(a) of title 23, $3,000,000 to make grants under this section. The total amount that a State may receive in grants under this section may not be more than $500,000.

§ 5505. National university transportation centers

(a) In General.—

(1) Establishment and operation.—The Secretary of Transportation shall make grants under this section to eligible nonprofit institutions of higher learning to establish and operate national university transportation centers.

(2) Role of centers.—The role of each center shall be to advance significant transportation research on critical national transportation issues and to expand the workforce of transportation professionals.

(b) Applicability of Requirements.—A grant received by an eligible nonprofit institution of higher learning under this section shall be available for the same purposes, and shall be subject to the same terms and conditions, as a grant made to a nonprofit institution of higher learning under section 5506.

(c) Eligible Nonprofit Institution of Higher Learning Defined.—In this section, the term “eligible nonprofit institution of higher learning” means each of the following:

(1) University of Alaska.

(2) Marshall University, West Virginia, on behalf of a consortium of West Virginia colleges and universities.

(3) University of Minnesota.

(4) University of Missouri, Rolla.

(5) Northwestern University.

(6) Oklahoma Transportation Center.

(7) Portland State University, in partnership with the University of Oregon, Oregon State University, and the Oregon Institute of Technology.

(8) University of Vermont.

(9) Western Transportation Institute at Montana State University.

(10) University of Wisconsin.

### § 5506. University transportation research

(a) **In General.**—The Secretary of Transportation shall make grants under this section to nonprofit institutions of higher learning to establish and operate university transportation centers.

(b) **Objectives.**—Grants received under this section shall be used by nonprofit institutions of higher learning to advance significantly the state-of-the-art in transportation research and expand the workforce of transportation professionals through the following programs and activities:

1. **Research.**—Basic and applied research, the products of which are judged by peers or other experts in the field of transportation to advance the body of knowledge in transportation.

2. **Education.**—An education program relating to transportation that includes multidisciplinary course work and participation in research.

3. **Technology Transfer.**—An ongoing program of technology transfer that makes transportation research results available to potential users in a form that can be implemented, utilized, or otherwise applied.

(c) **Regional, Tier I, and Tier II Centers.**—

1. **Regional and Tier I Centers.**—For each of fiscal years 2005 through 2009, the Secretary shall make grants under subsection (a) to nonprofit institutions of higher learning to establish and operate:

   - (A) 10 regional university transportation centers;

   - (B) 10 Tier I university transportation centers.

2. **Tier II Centers.**—

   - (A) For each of fiscal years 2006 through 2009, the Secretary shall make grants under subsection (a) to nonprofit institutions of higher learning to establish and operate 22 Tier II university transportation centers.

   - (B) The Tier II centers consist of the following:

     - (i) University of Arkansas, Mack-Blackwell Rural Transportation Center.
     - (ii) University of California, Davis.
     - (iii) California State University, San Bernardino.
     - (iv) Cleveland State University, Work Zone Safety Institute.
     - (v) University of Connecticut.
     - (vi) University of Delaware in Newark.
     - (vii) University of Detroit Mercy (including the coalition partners of the university).
     - (viii) George Mason University.
     - (ix) Hampton University, Eastern Seaboard Intermodal Transportation Applications Center (ESITAC).
     - (x) Kansas State University.
     - (xi) Louisiana State University, LTRC-TTEC.
     - (xii) University of Massachusetts Amherst.
     - (xiii) Michigan Technological University.
     - (xiv) University of Nevada Las Vegas.
     - (xv) North Carolina State University, Center for Transportation and the Environment.
     - (xvi) Northwestern University.
     - (xvii) Ohio Higher Education Transportation Consortium University of Akron.
     - (xviii) University of Rhode Island.
     - (xix) University of Toledo.
     - (xx) Utah State University.
     - (xxi) Youngstown State University.
     - (xxii) University of Memphis.

(d) **Competitive Selection Process.**—

1. **Applications.**—In order to be eligible to receive a grant under subsection (c)(1), a nonprofit institution of higher learning shall submit to the Secretary an application that is in such form and contains such information as the Secretary may require.

2. **General Selection Criteria.**—Except as otherwise provided by this section, the Secretary shall select each recipient of a grant under subsection (c)(1) through a competitive process on the basis of the following:

   - (A) The demonstrated research and extension resources available to the recipient to carry out this section.

   - (B) The capability of the recipient to provide leadership in making national and regional contributions to the solution of immediate and long-range transportation problems.

   - (C) The recipient's demonstrated commitment of at least $400,000 each year in regularly budgeted institutional amounts to support ongoing transportation research and education programs.

   - (D) The recipient's demonstrated ability to disseminate results of transportation research and education programs through a statewide or regionwide continuing education program.

   - (E) The strategic plan the recipient proposes to carry out under the grant.

(e) **Regional University Transportation Centers.**—

1. **Competition.**—Not later than March 31, 2006, and not later than March 31st of every 4th year thereafter, the Secretary shall complete a competition among nonprofit institu-

tions of higher learning for grants to establish and operate the 10 regional university transportation centers referred to in subsection (c)(1)(A).

2. SELECTION CRITERIA.—In conducting a competition under paragraph (1), the Secretary shall select a nonprofit institution of higher learning on the basis of—

(A) the criteria described in subsection (d)(2); and

(B) whether or not the institution (or, in the case of a consortium of institutions, the lead institution) can demonstrate that it has an established, recognized program in transportation research and education, as evidenced by—

(i) not less than $2,000,000 in highway or public transportation research expenditures each year for each of the preceding 5 years; and

(ii) not less than 10 graduate degrees awarded in professional fields closely related to highways and public transportation each year for each of the preceding 5 years; and

(iii) not less than 5 tenured or tenure-track faculty members who specialize on a full-time basis in professional fields closely related to highways and public transportation who, as a group, have published a total at least 50 refereed journal publications on highway or public transportation research during the preceding 5 years.

3. GRANT RECIPIENTS.—After selecting a nonprofit institution of higher learning as a grant recipient on the basis of a competition conducted under this subsection, the Secretary shall make a grant to the recipient to establish and operate a regional university transportation center in each of the first 4 fiscal years beginning after the date of the competition.

4. SPECIAL RULE FOR FISCAL YEARS 2005 AND 2006.—For fiscal years 2005 and 2006, the Secretary shall make a grant under this section to each of the 10 nonprofit institutions of higher learning that were competitively selected for grants by the Secretary under this section in July 1999 to operate regional university transportation centers.

5. AMOUNT OF GRANTS.—The Secretary shall make a grant to a nonprofit institution of higher learning to establish and operate a regional university transportation center of—

(A) $1,000,000 for fiscal year 2005; and

(B) $2,000,000 for each of fiscal years 2006 through 2008; and

(C) $2,250,000 for fiscal year 2009.

6. TIER I UNIVERSITY TRANSPORTATION CENTERS.—

1. COMPETITION.—Not later than June 30, 2006, and not later than June 30 of every 4th year thereafter, the Secretary shall complete a competition among nonprofit institutions of higher learning for grants to establish and operate the 10 Tier I university transportation centers referred to in subsection (c)(1)(B).

2. SELECTION CRITERIA.—In conducting a competition under paragraph (1), the Secretary shall select a nonprofit institution of higher learning on the basis of—

(A) the criteria described in subsection (d)(2); and

(B) whether or not the institution (or, in the case of a consortium of institutions, the lead institution) can demonstrate that it has an established, recognized program in transportation research and education, as evidenced by—

(i) not less than $1,000,000 in highway or public transportation research expenditures each year for each of the preceding 5 years or not less than $8,000,000 in such expenditures during the 5 preceding years;

(ii) not less than 5 graduate degrees awarded in professional fields closely related to highways and public transportation each year for each of the preceding 5 years; and

(iii) not less than 3 tenured or tenure-track faculty members who specialize on a full-time basis in professional fields closely related to highways and public transportation who, as a group, have published a total at least 20 refereed journal publications on highway or public transportation research during the preceding 5 years.

3. GRANT RECIPIENTS.—After selecting a nonprofit institution of higher learning as a grant recipient on the basis of a competition conducted under this subsection, the Secretary shall make a grant to the recipient to establish and operate a Tier I university transportation center in each of the first 4 fiscal years beginning after the date of the competition.

4. SPECIAL RULE FOR FISCAL YEARS 2005 AND 2006.—For fiscal years 2005 and 2006, the Secretary shall make a grant under this section to each of the 10 nonprofit institutions of higher learning that were competitively selected for grant awards by the Secretary under this section in May 2002 to operate university transportation centers (other than regional centers).

5. AMOUNT OF GRANTS.—The Secretary shall make a grant of $1,000,000 for each of fiscal years 2005 through 2009 to a nonprofit institution of higher learning who, as a group, have published a total at least 20 refereed journal publications on highway or public transportation research during the preceding 5 years.

6. TIER II UNIVERSITY TRANSPORTATION CENTERS.—

1. SELECTION.—The Secretary shall make grants to the nonprofit institutions of higher learning to establish and operate the 22 Tier II university transportation centers referred to in subsection (c)(2)(B).

2. AMOUNT OF GRANTS.—The Secretary shall make a grant of $500,000 for each of fiscal years 2006 through 2009 to a nonprofit institution of higher learning to establish and operate a Tier II university transportation center.

(h) SUPPORT OF NATIONAL STRATEGY FOR SURFACE TRANSPORTATION RESEARCH.—In order to be eligible to receive a grant under this section, a nonprofit institution of higher learning shall provide assurances satisfactory to the Secretary that the research and education activities of its university transportation center will support
the national strategy for surface transportation research, as identified by—

(1) the report of the National Highway Research and Technology Partnership entitled ‘‘Highway Research and Technology: The Need for Greater Investment’’, dated April 2002; and

(2) the programs of the National Research and Technology Program of the Federal Transit Administration.

(i) MAINTENANCE OF EFFORT.—

(1) IN GENERAL.—In order to be eligible to receive a grant under this section, a nonprofit institution of higher learning shall enter into an agreement with the Secretary to ensure that the institution will maintain total expenditures from all other sources to establish and operate a university transportation center and related research activities at a level at least equal to the average level of such expenditures in its 2 fiscal years prior to award of a grant under this section.

(2) SPECIAL RULE.—Nothing in paragraph (1) requires a nonprofit institution of higher learning designated as a Tier II university transportation center to maintain total expenditures as described in paragraph (1) in excess of the amount of the grant awarded to the institution.

(j) FEDERAL SHARE.—The Federal share of the costs of activities carried out using a grant made under this section shall be 50 percent of such costs. The non-Federal share may include funds provided to a recipient under section 503, 504(b), or 505 of title 23.

(k) PROGRAM COORDINATION.—

(1) COORDINATION.—The Secretary shall coordinate the research, education, and technology transfer activities that grant recipients carry out under this section, disseminate the results of the research, and establish and operate a clearinghouse to disseminate the results of the research.

(2) ANNUAL REVIEW AND EVALUATION.—At least annually, and consistent with the plan developed under section 508 of title 23, the Secretary shall review and evaluate programs of grant recipients.

(3) MANAGEMENT AND OVERSIGHT.—For each of fiscal years 2008 and 2009, the Secretary shall expend not more than 1.5 percent of amounts made available to carry out this section to carry out management and oversight of the centers receiving assistance under this section and section 5505.

(l) PROGRAM ADMINISTRATION.—The Secretary shall carry out this section acting through the Administrator of the Research and Innovative Technology Administration.

(m) LIMITATION ON AVAILABILITY OF FUNDS.—Funds made available to carry out this section shall remain available for obligation by the Secretary for a period of 2 years after the last day of the fiscal year for which such funds are authorized.

AMENDMENTS

Subsec. (e)(5)(C). Pub. L. 110–244, §116, substituted “$2,250,000” for “$2,225,000”.

Subsec. (k)(3). Pub. L. 110–244, §111(g)(3)(C), substituted “For each of fiscal years 2008 and 2009, the Secretary shall expend not more than 1.5 percent of amounts made available to carry out this section” for “The Secretary shall expend not more than $400,000 for each of fiscal years 2006 through 2009 from amounts made available to carry out this section”.

2005—Pub. L. 109–59 amended section catchline and text generally, substituting provisions relating to university transportation research for provisions relating to advanced vehicle technologies program.

SUBCHAPTER II—TERMINALS
§5561. Definition
In this chapter, "civic and cultural activities" includes libraries, musical and dramatic presentations, art exhibits, adult education programs, public meeting places, and other facilities for carrying on an activity any part of which is supported under a law of the United States.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

In this chapter, both sections 6 and 15 of the Amtrak Improvement Act (Public Law 93–496, 88 Stat. 1528, 1533) are listed as source credits for the addition of section 4(i) to the Department of Transportation Act (Public Law 89–670, 80 Stat. 931). This is done to conform to the probable intent of Congress as evidenced by the directory language of section 15 of the Act of October 26, 1974.

In this section, the words "for community groups, convention visitors and others" are omitted as unnecessary.

§5562. Assistance projects
(a) REQUIREMENTS TO PROVIDE ASSISTANCE.—The Secretary of Transportation shall provide financial, technical, and advisory assistance under this chapter to—

(1) promote, on a feasibility demonstration basis, the conversion of at least 3 rail passenger terminals into intermodal transportation terminals;

(2) preserve rail passenger terminals that reasonably are likely to be converted or maintained pending preparation of plans for their reuse;

(3) acquire and use space in suitable buildings of historic or architectural significance but only if use of the space is feasible and prudent when compared to available alternatives; and

(4) encourage State and local governments, local and regional transportation authorities,
common carriers, philanthropic organizations, and other responsible persons to develop plans to convert rail passenger terminals into intermodal transportation terminals and civic and cultural activity centers.

(b) **EFFECT ON ELIGIBILITY.**—This chapter does not affect the eligibility of any rail passenger terminal for preservation or reuse assistance under another program or law.

(c) **ACQUIRING SPACE.**—The Secretary may acquire space under subsection (a)(3) of this section only after consulting with the Advisory Council on Historic Preservation and the Chairman of the National Endowment for the Arts.

(4) **ACQUIRING SPACE.**—The Secretary may acquire space under subsection (a)(3) of this section only after consulting with the Advisory Council on Historic Preservation and the Chairman of the National Endowment for the Arts.

In subsection (a)(3), the words "but only if" are substituted for "unless . . . would not" for consistency.

In subsection (a)(4), the word "encourage" is substituted for "stimulating" for clarity.

In subsection (b), the words "This chapter does not affect" are substituted for "Nothing in this subsection shall be construed to invalidate" for clarity and consistency. The words "rail passenger terminal" are substituted for "station" and the word "law" is substituted for "statute", for consistency.

§ 5563. Conversion of certain rail passenger terminals

(a) **AUTHORITY TO PROVIDE ASSISTANCE.**—The Secretary of Transportation may provide financial assistance to convert a rail passenger terminal to an intermodal transportation terminal under section 5562(a)(1) of this title only if—

1. the terminal can be converted to accommodate other modes of transportation the Secretary of Transportation decides are appropriate, including—
   
   (A) motorbus transportation;
   (B) mass transit (rail or rubber-tire); and
   (C) airline ticket offices and passenger terminals providing direct transportation to area airports;

2. the terminal is listed on the National Register of Historic Places maintained by the Secretary of the Interior;

3. the architectural integrity of the terminal will be preserved;

4. to the extent practicable, the use of the terminal facilities for transportation may be combined with use of those facilities for other civic and cultural activities, especially when another activity is recommended by—

   (A) the Advisory Council on Historic Preservation;
   (B) the Chairman of the National Endowment for the Arts; or
   (C) consultants retained under subsection (b) of this section; and

5. the terminal and the conversion project meet other criteria prescribed by the Secretary of Transportation after consultation with the Council and Chairman.

(b) **ARCHITECTURAL INTEGRITY.**—The Secretary of Transportation must employ consultants on whether the architectural integrity of the rail passenger terminal will be preserved under subsection (a)(3) of this section. The Secretary may decide that the architectural integrity will be preserved only if the consultants concur. The Council and Chairman shall recommend consultants to be employed by the Secretary. The consultants also may make recommendations referred to in subsection (a)(4) of this section.

(c) **GOVERNMENT'S SHARE OF COSTS.**—The Secretary of Transportation may not make a grant under this section for more than 80 percent of the total cost of converting a rail passenger terminal into an intermodal transportation terminal.

In subsection (a), before clause (1), the words “to convert a rail passenger terminal to an intermodal transportation terminal under section 5562(a)(1) of this title” are substituted for “for the purpose set forth in paragraph (1)(A) of this subsection” for clarity and because of the restatement. In clause (5), the word “prescribed” is substituted for “develop and promulgate” for consistency in the revised title and with other titles of the United States Code.

Subsection (b) is substituted for “and such judgment is concurred in by consultants recommended by the Chairman of the National Endowment of [sic] the Arts and the Advisory Council on Historic Preservation and retained for this purpose by the Secretary” for clarity and consistency in the revised title.

§ 5564. Interim preservation of certain rail passenger terminals

(a) **GENERAL GRANT AUTHORITY.**—Subject to subsection (b) of this section, the Secretary of Transportation may make a grant of financial assistance to a responsible person (including a governmental authority) to preserve a rail passenger terminal under section 5562(a)(2) of this title. To receive assistance under this section, the person must be qualified, prepared, committed, and authorized by law to maintain (and prevent the demolition, dismantling, or further de—
terioration of) the terminal until plans for its reuse are prepared.

(b) GRANT REQUIREMENTS.—The Secretary of Transportation may make a grant of financial assistance under this section only if—

(1) the grant is made in accordance with regulations promulgated by the Secretary of Transportation.

(2) the Secretary decides the rail passenger terminal has a reasonable likelihood of being converted to, or conditioned for reuse as, an intermodal transportation terminal, a civic or cultural activities center, or both; and

(3) the amount of the Federal share of any grant . . . shall not exceed 80 percent of the total cost of the project for conversion and its subsequent maintenance and operation; and

(4) conversion and continued public use of rail passenger terminals that are—

(A) reasonably capable of conversion to intermodal transportation terminals;

(B) listed in the National Register of Historic Places maintained by the Secretary of the Interior;

(C) recommended (on the basis of architectural integrity and quality) by the Advisory Council on Historic Preservation or the Chairman of the National Endowment for the Arts.

(2) The Secretary of Transportation may not make a grant under this section for more than 80 percent of the total cost of maintaining the terminal for an interim period of not more than 5 years.

In subsection (a), the words “Subject to subsection (b) of this section” are added for clarity. The word “authority” is substituted for “entity” for consistency in the revised title. The words “in accordance with regulations” and “applicable” are omitted as surplus.

In subsection (b), the words before clause (1) are substituted for “Provided. That” for clarity and consistency in the revised title.

In subsection (c)(2), the words “The Secretary of Transportation may not make a grant” are substituted for “The amount of the Federal share of any grant . . . shall not exceed” for clarity and consistency in this chapter.

§ 5565. Encouraging the development of plans for converting certain rail passenger terminals

(a) GENERAL GRANT AUTHORITY.—The Secretary of Transportation may make a grant of financial assistance to a qualified person (including a governmental authority) to encourage the development of plans for converting a rail passenger terminal under section 5562(a)(4) of this title. To receive assistance under this section, the person must—

(1) be prepared to develop practicable plans that meet zoning, land use, and other requirements of the applicable State and local jurisdictions in which the terminal is located;

(2) incorporate into the designs and plans proposed for converting the terminal, features that reasonably appear likely to attract private investors willing to carry out the planned conversion and its subsequent maintenance and operation; and

(3) complete the designs and plans for the conversion within the period of time prescribed by the Secretary.

(b) PREFERENCE.—In making a grant under this section, the Secretary of Transportation shall give preferential consideration to an applicant whose completed designs and plans will be carried out within 3 years after their completion.

(c) MAXIMIZING CONVERSION AND CONTINUED PUBLIC USE.—(1) Amounts appropriated to carry out this section and section 5562(a)(4) of this title shall be expended in the way most likely to maximize the conversion and continued public use of rail passenger terminals that are—

(A) listed in the National Register of Historic Places maintained by the Secretary of the Interior;

(B) recommended (on the basis of architectural integrity and quality) by the Advisory Council on Historic Preservation or the Chairman of the National Endowment for the Arts.

(2) The Secretary of Transportation may not make a grant under this section for more than 80 percent of the total cost of the project for which the financial assistance is provided.

This amends 49:565 to correct an erroneous section catchline.

AMENDMENTS

EFFECTIVE DATE OF 1994 AMENDMENT

§ 5566. Records and audits

(a) RECORD REQUIREMENTS.—Each recipient of financial assistance under this chapter shall keep records required by the Secretary of Transportation. The records shall disclose—

(1) the amount, and disposition by the recipient, of the proceeds of the assistance;

(2) the total cost of the project for which the assistance was given or used;

(3) the amount of that part of the cost of the project supplied by other sources; and

(4) any other records that will make an effective audit easier.

(b) AUDITS AND INSPECTIONS.—For 3 years after a project is completed, the Secretary and the Comptroller General may audit and inspect records of a recipient that the Secretary or Comptroller General decides may be related or pertinent to the financial assistance.

In this section, the word “undertaking” is omitted as being included in “project”.

In subsection (a), before clause (1), the word “fully” is omitted as surplus.

In subsection (b), the words “the expiration of” and “of the United States” are omitted as unnecessary because of 49:322(b) and 31:711(2). The words “or any of their duly authorized representatives” are omitted as unnecessary because of 49:322(b) and 31:711(2). The words “may audit and inspect” are substituted for “shall have access for the purpose of audit and examination” for consistency in this chapter and with other titles of the United States Code. The word “recipient” is substituted for “such receipts” to correct an error in the underlying source provisions.

§ 5567. Preference for preserving buildings of historic or architectural significance

Amtrak shall give preference to the use of rail passenger terminal facilities that will preserve buildings of historic or architectural significance.

§ 5701. Food transportation safety inspections

(a) Inspection Procedures.—

(1) In General.—The Secretary of Transportation, in consultation with the Secretary of Health and Human Services and the Secretary of Agriculture, shall establish procedures for transportation safety inspections for the purpose of identifying suspected incidents of contamination or adulteration of—

(A) food in violation of regulations promulgated under section 416 of the Federal Food, Drug, and Cosmetic Act;

(B) a carcass, part of a carcass, meat, meat food product, or animal subject to detention under section 402 of the Federal Meat Inspection Act (21 U.S.C. 672); and

(C) poultry products or poultry subject to detention under section 19 of the Poultry Products Inspection Act (21 U.S.C. 467a).

(2) Training.—

(A) In General.—The Secretary of Transportation shall develop and carry out a training program to conduct enforcement of this chapter and regulations prescribed under this chapter or compatible State laws and regulations.

(B) Conduct.—In carrying out this paragraph, the Secretary of Transportation shall train inspectors, including Department of Transportation personnel that perform commercial motor vehicle or railroad safety inspections.

(b) Notification of Secretary of Health and Human Services or Secretary of Agriculture.—The Secretary of Transportation shall promptly notify the Secretary of Health and Human Services or the Secretary of Agriculture, as applicable, of any instances of potential food contamination or adulteration of a food identified during transportation safety inspections.

(c) Use of State Employees.—The means by which the Secretary of Transportation carries out subsection (b) may include inspections conducted by State employees using funds authorized to be appropriated under sections 31102 through 31104.

§ 5902

AMENDMENTS

1996—Par. (1). Pub. L. 104–291, § 203(1), added par. (1) and struck out former par. (1) which read as follows: “the definitions in section 10102 of this title apply.”

Paras. (6) to (8). Pub. L. 104–291, § 203(2), (3), added par. (6) and redesignated former pars. (6) and (7) as (7) and (8), respectively.

§ 5902. Notifications and certifications

(a) PRIOR NOTIFICATION.—If the first carrier to which any loaded container or trailer having a projected gross cargo weight of more than 29,000 pounds is tendered for intermodal transportation is a motor carrier, the person tendering the container or trailer shall give the motor carrier a notification of the gross cargo weight and a reasonable description of the contents of the container or trailer before the tendering of the container or trailer. The notification may be transmitted electronically or by telephone. This subsection applies to any person within the United States who tenders a container or trailer subject to this chapter for intermodal transportation if the first carrier is a motor carrier.

(b) CERTIFICATION.—

(1) IN GENERAL.—A person who tenders a loaded container or trailer with an actual gross cargo weight of more than 29,000 pounds to a first carrier for intermodal transportation shall provide a certification of the contents of the container or trailer in writing, or electronically, before or when the container or trailer is so tendered.

(2) CONTENTS OF CERTIFICATION.—The certification required by paragraph (1) shall include:

(A) the actual gross cargo weight;
(B) a reasonable description of the contents of the container or trailer;
(C) the identity of the certifying party;
(D) the container or trailer number; and
(E) the date of certification or transfer of data to another document, as provided for in paragraph (3).

(3) TRANSFER OF CERTIFICATION DATA.—A carrier who receives a certification may transfer the information contained in the certification to another document or to electronic format for forwarding to a subsequent carrier. The person transferring the information shall state on the forwarded document the date on which the data was transferred and the identity of the party who performed the transfer.

(4) SHIPPING DOCUMENTS.—For purposes of this chapter, a shipping document, prepared by the person who tenders a container or trailer to a first carrier, that contains the information required by paragraph (2) meets the requirements of paragraph (1).

(5) USE OF “FREIGHT ALL KINDS” TERM.—The term “Freight All Kinds” or “FAK” may not be used for the purpose of certification under section 5902(b) after December 31, 2006, as a commodity description for a trailer or container if the weight of any commodity in the trailer or container equals or exceeds 20 percent of the total weight of the contents of the trailer or container. This subsection does not

forwarder, warehouer, or terminal operator is not a beneficial owner only because of providing or arranging for any part of the intermodal transportation of property.

(3) “carrier” means—

(A) a motor carrier, a water carrier, and a rail carrier providing transportation of property in commerce; and

(B) an ocean common carrier (as defined in section 40102 of title 46) providing transportation of property in commerce.

(4) “container” has the meaning given the term “freight container” by the International Standards Organization in Series 1, Freight Containers, 3d Edition (reference number ISO668–1979(E)), including successive revisions, and similar containers that are used in providing transportation in interstate commerce.

(5) “first carrier” means the first carrier transporting a loaded container or trailer in intermodal transportation.

(6) “gross cargo weight” means the weight of the cargo, packaging materials (including ice), pallets, and dunnage.

(7) “intermodal transportation” means the successive transportation of a loaded container or trailer from its place of origin to its place of destination by more than one mode of transportation in interstate or foreign commerce, whether under a single bill of lading or under separate bills of lading.

(8) “trailer” means a nonpower, property-carrying, trailing unit that is designed for use in combination with a truck tractor.

HISTORICAL AND REVISION NOTES

This chapter restates 49:508 and the relevant definitions in 49:501 because the subject matter more appropriately belongs in subtitle III of title 49. The text of 49:501 is restated to incorporate the definitions in section 10102 of this title (as amended) because the subject matter more appropriately belongs in subtitle III of title 49. The text of 49:501 because the subject matter more appropriately belongs in subtitle III of title 49. The text of 49:501 is restated to incorporate the definitions in section 10102 of this title, as amended.
prohibit the use of the term after that date for rating purposes.

(6) SEPARATE DOCUMENT MARKING.—If a separate document is used to meet the requirements of paragraph (1), it shall be conspicuously marked “INTERMODOAL CERTIFICATION”.

(7) APPLICABILITY.—This subsection applies to any person, domestic or foreign, who first tenders a container or trailer subject to this chapter for intermodal transportation within the United States.

(c) FORWARDING CERTIFICATIONS TO SUBSEQUENT CARRIERS.—A carrier, agent of a carrier, broker, customs broker, freight forwarder, warehouse, or terminal operator shall forward the certification provided under subsection (b) of this section to a subsequent carrier transporting the container or trailer in intermodal transportation before or when the loaded intermodal container or trailer is tendered to the subsequent carrier. If no certification is received by the subsequent carrier before or when the container or trailer is tendered to it, the subsequent carrier may presume that no certification is required. The act of forwarding the certification may not be construed as a verification or affirmation of the accuracy or completeness of the information in the certification. If a person inaccurately transfers the information on the certification, or fails to forward the certification to a subsequent carrier, then that person is liable to any person who incurs any bond, fine, penalty, cost (including storage), or interest for any such fine, penalty, cost (including storage), or interest incurred as a result of the inaccurate transfer of information or failure to forward the certification. A subsequent carrier who incurs a bond, fine, penalty, or cost (including storage), or interest as a result of the inaccurate transfer of the information, or the failure to forward the certification, shall have a lien against the contents of the container or trailer under section 5905 in the amount of the bond, fine, penalty, or cost (including storage), or interest and all court costs and legal fees incurred by the carrier as a result of such inaccurate transfer or failure.

(d) LIABILITY TO OWNER OR BENEFICIAL OWNER.—If—

(1) a person inaccurately transfers information on a certification required by subsection (b)(1), or fails to forward a certification to the subsequent carrier;

(2) as a result of the inaccurate transfer of such information or a failure to forward a certification, the subsequent carrier incurs a bond, fine, penalty, or cost (including storage), or interest; and

(3) that subsequent carrier exercises its rights to a lien under section 5905,

then that person is liable to the owner or beneficial owner, or to any other person paying the amount of the lien to the subsequent carrier, for the amount of the lien and all costs related to the imposition of the lien, including court costs and legal fees incurred in connection with it.

(e) NONAPPLICATION.—(1) The notification and certification requirements of subsections (a) and (b) of this section do not apply to any intermodal container or trailer containing consigned shipments loaded by a motor carrier if that motor carrier—

(A) performs the highway portion of the intermodal movement; or

(B) assumes the responsibility for any weight-related fine or penalty incurred by any other motor carrier that performs a part of the highway transportation.

(2) Subsections (a) and (b) of this section and section 5903(c) of this title do not apply to a carrier when the carrier is transferring a loaded container or trailer to another carrier during intermodal transportation, unless the carrier is also the person tendering the loaded container or trailer to the first carrier.

(3) A carrier, agent of a carrier, broker, customs broker, freight forwarder, warehouse, or terminal operator is deemed not to be a person tendering a loaded container or trailer to a first carrier under this section, unless the carrier, agent, broker, customs broker, freight forwarder, warehouse, or terminal operator assumes legal responsibility for loading property into the container or trailer.

Pub. L. 104–291, §204(a)(2), substituted “29,000 pounds” for “10,000 pounds (including packing material and pallets), the person shall give the carrier a written”.

Pub. L. 104–291, §204(a)(1), substituted “If the first carrier to which any” for “Before a person tenders to a first carrier for intermodal transportation a”.

Subsec. (b). Pub. L. 104–291, §204(b), reenacted heading without change and amended text generally. Prior to amendment, text read as follows: “Not later than when a person tenders to a first carrier for intermodal transportation a container or trailer to which subsection (a) of this section applies or a loaded container or trailer having an actual gross cargo weight of more than 10,000 pounds (including packing material and pallets), the person shall certify to the carrier in writing the actual

gross cargo weight and a reasonable description of the contents of the container or trailer.

Subsec. (c). Pub. L. 104–291, § 204(c)(2), inserted at end.

"If a person inaccurately transfers the information on the certification, or fails to forward the certification to a subsequent carrier, then that person is liable to any person who incurs any bond, fine, penalty, cost (including storage), or interest for any such fine, penalty, cost (including storage), or interest incurred as a result of the inaccurate transfer of information or failure to forward the certification. A subsequent carrier who incurs a bond, fine, penalty, or cost (including storage), or interest and all court costs and legal fees incurred by the carrier as a result of such inaccurate transfer or failure,"

Pub. L. 104–291, § 204(c)(1), substituted "transportation before or when the loaded intermodal container or trailer is tendered to the subsequent carrier. If no certification is received by the subsequent carrier before or when the container or trailer is tendered to it, the subsequent carrier may presume that no certification is required." for "transportation."

Former subsec. (d) redesignated (e).

Subsec. (e). Pub. L. 104–291, § 204(d), (e), redesignated subsec. (d) as (e), added par. (1), redesignated former pars. (1) and (2) as (2) and (3), respectively, and adjusted margin of par. (2).

§ 5903. Prohibitions

(a) Providing erroneous information. — A person, To whom section 5902(b) applies, tendering a loaded container or trailer may not provide erroneous information in a certification required by section 5902(b) of this title.

(b) Transporting prior to receiving certification. —

(1) Presumption. — If no certification is received by a motor carrier before or when the loaded intermodal container or trailer is tendered to it, the motor carrier may presume that the gross cargo weight of the container or trailer is less than 29,001 pounds.

(2) Copy of certification not required to accompany any container or trailer. — Notwithstanding any other provision of this chapter to the contrary, a copy of the certification required by section 5902(b) is not required to accompany the intermodal container or trailer.

(c) Unlawful coercion. — (1) A person may not coerce or attempt to coerce a person participating in intermodal transportation to transport a loaded container or trailer having an actual gross cargo weight of more than 29,000 pounds before the certification required by section 5902(b) of this title is provided.

(2) A person, knowing that the weight of a loaded container or trailer or the weight of a tractor-trailer combination carrying the container or trailer is more than the weight allowed by applicable State law, may not coerce or attempt to coerce a carrier to transport the container or trailer or to operate the tractor-trailer combination in violation of that State law.

(d) Notice to leased operators. —

(1) In general. — If a motor carrier knows that the gross cargo weight of an intermodal container or trailer subject to the certification requirements of section 5902(b) would result in a violation of applicable State gross vehicle weight laws, then—

(A) the motor carrier shall give notice to the operator of a vehicle which is leased by the vehicle operator to a motor carrier that transports an intermodal container or trailer of the gross cargo weight of the container or trailer as certified to the motor carrier under section 5902(b);

(B) the notice shall be provided to the operator prior to the operator being tendered the container or trailer;

(C) the notice required by this subsection shall be in writing, but may be transmitted electronically; and

(D) the motor carrier shall bear the burden of proof to establish that it tendered the required notice to the operator.

In this section, the words "may not" are substituted for "it shall be a violation" and "It shall be unlawful" for consistency in the revised title.

In subsection (a), the words "After the date on which the Secretary of Transportation issues final regulations to enforce this section" are omitted because of section 5907(b) of the revised title. The words "to fail to comply with paragraph (1) or (2)" are omitted as unnecessary because the failure to comply with an affirmative duty is a violation without the need to say so specifically. The word "false" is omitted as included in "erroneous". The word "written" is omitted as surplus.

In subsection (b), the words "as such term is defined in section 10102 of this title" are omitted as unnecessary because of section 5901(1) of the revised title.

The word "transport" is substituted for "provide transportation of" for consistency and to eliminate unnecessary words.

AMENDMENTS

Subsec. (b), Pub. L. 104–291, § 205(2), added subsec. (b) and struck out former subsec. (b) which read as follows: "(b) TRANSPORTING PRIOR TO RECEIVING CERTIFICATION.—A motor carrier may not transport a loaded container or trailer to which section 5902(b) of this title applies before receiving the certification required by section 5902(b)."

Subsec. (c), Pub. L. 104–291, § 205(3), substituted "29,000 pounds" for "10,000 pounds (including packing materials and pallets)".

*So in original. Probably should not be capitalized.*
§ 5904. State enforcement

(a) GENERAL.—A State may enact a law to permit the State or a political subdivision of the State—

(1) to impose a fine or penalty, for a violation of a State highway weight law or regulation by a tractor-trailer combination carrying a loaded container or trailer for which a certification is required by section 5902(b) of this title, against the person tendering the loaded container or trailer to the first carrier if the violation results from the person's having provided erroneous information in the certification in violation of section 5903(a) of this title; and

(2) to impound the container or trailer until the fine or penalty has been paid by the owner or beneficial owner of the contents of the container or trailer or the person tendering the loaded container or trailer to the first carrier.

(b) LIMITATION.—This chapter does not require a person tendering a loaded container or trailer to a first carrier to ensure that the first carrier or any other carrier involved in the intermodal transportation will comply with any State highway weight law or regulation, other than as required by this chapter.

§ 5905. Liens

(a) GENERAL.—If a person involved in the intermodal transportation of a loaded container or trailer for which a certification is required by section 5902(b) of this title is required, because of a violation of a State's gross vehicle weight laws or regulations, to post a bond or pay a fine, penalty, cost (including storage), or interest resulting from—

(1) erroneous information provided by the certifying party in the certification to the first carrier in violation of section 5903(a) of this title;

(2) the failure of the party required to provide the certification to the first carrier to provide it;

(3) the failure of a person required under section 5902(c) to forward the certification to forward it; or

(4) an error occurring in the transfer of information on the certification to another document under section 5902(b)(3) or (c),

then the person posting the bond, or paying the fine, penalty, costs (including storage), or interest has a lien against the contents equal to the amount of the bond, fine, penalty, cost (including storage), or interest incurred, until the person receives a payment of that amount from the owner or beneficial owner of the contents, or from the person responsible for making or forwarding the certification, or transferring the information from the certification to another document.

(b) LIMITATION.—(1) A lien under this section does not authorize a person to dispose of the contents of a loaded container or trailer until the person who tendered the container or trailer to the first carrier, or the owner or beneficial owner of the contents, is given a reasonable opportunity to establish responsibility for the bond, fine, penalty, cost (including storage), or interest. The lien shall remain in effect until the lien holder has received payment for all costs and expenses described in subsection (a) of this section.

(2) In this section, an owner or beneficial owner of the contents of a container or trailer or a person tendering a container or trailer to the first carrier is deemed not to be a person involved in the intermodal transportation of the container or trailer.

In subsection (a)(1), the words “false” and “written” are omitted as surplus and for consistency with section 5903(a) of the revised title.

In subsection (b), the words “does not require” are substituted for “shall not be treated as” for consistency in the revised title.

§ 5905. Liens

(a) GENERAL.—If a person involved in the intermodal transportation of a loaded container or trailer for which a certification is required by section 5902(b) of this title is required, because of a violation of a State’s gross vehicle weight laws or regulations, to post a bond or pay a fine, penalty, cost (including storage), or interest resulting from—

(1) erroneous information provided by the certifying party in the certification to the first carrier in violation of section 5903(a) of this title;

(2) the failure of the party required to provide the certification to the first carrier to provide it;

(3) the failure of a person required under section 5902(c) to forward the certification to forward it; or

(4) an error occurring in the transfer of information on the certification to another document under section 5902(b)(3) or (c),

then the person posting the bond, or paying the fine, penalty, costs (including storage), or interest has a lien against the contents equal to the amount of the bond, fine, penalty, cost (including storage), or interest incurred, until the person receives a payment of that amount from the owner or beneficial owner of the contents, or from the person responsible for making or forwarding the certification, or transferring the information from the certification to another document.

(b) LIMITATION.—(1) A lien under this section does not authorize a person to dispose of the contents of a loaded container or trailer until the person who tendered the container or trailer to the first carrier, or the owner or beneficial owner of the contents, is given a reasonable opportunity to establish responsibility for the bond, fine, penalty, cost (including storage), or interest. The lien shall remain in effect until the lien holder has received payment for all costs and expenses described in subsection (a) of this section.

(2) In this section, an owner or beneficial owner of the contents of a container or trailer or a person tendering a container or trailer to the first carrier is deemed not to be a person involved in the intermodal transportation of the container or trailer.

In this section, the word “expenses” is omitted as surplus.

In subsection (a), the words “false” and “written” are omitted as surplus and for consistency with section 5903(a) of the revised title.

In subsection (b)(1), the word “establish” is substituted for “determine” for consistency in the revised title.

In subsection (b)(2), the words “is deemed not to be” are substituted for “shall not be treated as” for consistency in the revised title.

1996—Subsec. (a). Pub. L. 104–291, §206(1), added subsec. (a) and struck out former subsec. (a) which read as follows:

“(a) GENERAL.—If a person involved in the intermodal transportation of a loaded container or trailer for which a certification is required by section 5902(b) of this title is required under State law to post a bond or pay any fine, penalty, cost, or interest resulting from providing erroneous information in the certification to the first carrier in violation of section 5903(a) of this title, the person has a lien against the contents equal to the amount of the bond, fine, penalty, cost, or interest incurred, until the person receives a payment of that amount from the owner or beneficial owner of the contents or from the person responsible for making the certification.”

Subsec. (b)(1). Pub. L. 104–291, §206(3), substituted “cost (including storage), or interest. The lien shall remain in effect until the lien holder has received payment for all costs and expenses described in subsection (a) of this section.” for “cost, or interest.”

Pub. L. 104–291, §206(2), inserted “, or the owner or beneficial owner of the contents,” after “first carrier”.

§ 5906. Perishable agricultural commodities

Section 5906 of this title does not apply to a container or trailer the contents of which are perishable agricultural commodities (as defined in the Perishable Agricultural Commodities Act, 1930 (7 U.S.C. 499a et seq.)).

§ 5907. Effective date

This chapter shall take effect 180 days after the date of enactment of the Intermodal Safe Container Transportation Amendments Act of 1996.

§ 5908. Relationship to other laws

Nothing in this chapter affects—

(1) chapter 51 (relating to transportation of hazardous material) or the regulations promulgated under that chapter; or

(2) any State highway weight or size law or regulation applicable to tractor-trailer combinations.

age caused by excavations will be enhanced by a coordinated national effort to improve one-call notification programs in each State and the effectiveness and efficiency of one-call notification systems that operate under such programs."

§ 6102. Definitions

In this chapter, the following definitions apply:

(1) **ONE-CALL NOTIFICATION SYSTEM.**—The term “one-call notification system” means a system operated by an organization that has as 1 of its purposes to receive notification from excavators of intended excavation in a specified area in order to disseminate such notification to underground facility operators that are members of the system so that such operators can locate and mark their facilities in order to prevent damage to underground facilities in the course of such excavation.

(2) **STATE ONE-CALL NOTIFICATION PROGRAM.**—The term “State one-call notification program” means the State statutes, regulations, orders, judicial decisions, and other elements of law and policy in effect in a State that establish the requirements for the operation of one-call notification systems in such State.

(3) **STATE.**—The term “State” means a State, the District of Columbia, and Puerto Rico.

(4) **SECRETARY.**—The term “Secretary” means the Secretary of Transportation.

§ 6103. Minimum standards for State one-call notification programs

(a) **MINIMUM STANDARDS.**—In order to qualify for a grant under section 6106, a State one-call notification program shall, at a minimum, provide for—

(1) appropriate participation by all underground facility operators, including all government operators;

(2) appropriate participation by all excavators, including all government and contract excavators; and

(3) flexible and effective enforcement under State law with respect to participation in, and use of, one-call notification systems.

(b) **APPROPRIATE PARTICIPATION.**—In determining the appropriate extent of participation required for types of underground facilities or excavators under subsection (a), a State shall assess, rank, and take into consideration the risks to the public safety, the environment, excavators, and vital public services associated with—

(1) damage to types of underground facilities; and

(2) activities of types of excavators.

(c) **IMPLEMENTATION.**—A State one-call notification program also shall, at a minimum, provide for and document—

(1) consideration of the ranking of risks under subsection (b) in the enforcement of its provisions;

(2) a reasonable relationship between the benefits of one-call notification and the cost of implementing and complying with the require-

ments of the State one-call notification program; and

(3) voluntary participation where the State determines that a type of underground facility or an activity of a type of excavator poses a de minimis risk to public safety or the environment.

(d) **PENALTIES.**—To the extent the State determines appropriate and necessary to achieve the purposes of this chapter, a State one-call notification program shall, at a minimum, provide for—

(1) administrative or civil penalties commensurate with the seriousness of a violation by an excavator or facility owner of a State one-call notification program;

(2) increased penalties for parties that repeatedly damage underground facilities because they fail to use one-call notification systems or for parties that repeatedly fail to provide timely and accurate marking after the required call has been made to a one-call notification system;

(3) reduced or waived penalties for a violation of a requirement of a State one-call notification program that results in, or could result in, damage that is promptly reported by the violator;

(4) equitable relief; and

(5) citation of violations.

AMENDMENTS

§ 6104. Compliance with minimum standards

(a) **REQUIREMENT.**—In order to qualify for a grant under section 6106, each State shall submit to the Secretary a grant application under subsection (b). The State shall submit the application not later than 2 years after the date of enactment of this chapter.

(b) **APPLICATION.**—

(1) Upon application by a State, the Secretary shall review that State’s one-call notification program, including the provisions for the implementation of the program and the record of compliance and enforcement under the program.

(2) Based on the review under paragraph (1), the Secretary shall determine whether the State’s one-call notification program meets the minimum standards for such a program set forth in section 6103 in order to qualify for a grant under section 6106.

(3) In order to expedite compliance under this section, the Secretary may consult with the State as to whether an existing State one-call notification program, a specific modification thereof, or a proposed State program would result in a positive determination under paragraph (2).
(4) The Secretary shall prescribe the form and manner of filing an application under this section that shall provide sufficient information about a State’s one-call notification program for the Secretary to evaluate its overall effectiveness. Such information may include the nature and reasons for exceptions from required participation, the types of enforcement available, and such other information as the Secretary deems necessary.

(5) The application of a State under paragraph (1) and the record of actions of the Secretary under this section shall be available to the public.

(c) ALTERNATIVE PROGRAM.—A State is eligible to receive a grant under section 6106 if the State maintains an alternative one-call notification program that provides protection for public safety, excavators, and the environment that is equivalent to, or greater than, protection provided under a program that meets the minimum standards set forth in section 6103.

(d) REPORT.—The Secretary shall include the following information in reports submitted under section 60124 of this title—

(1) a description of the extent to which each State has adopted and implemented the minimum Federal standards under section 6103 or maintains an alternative program under subsection (c);

(2) an analysis by the Secretary of the overall effectiveness of each State’s one-call notification program and the one-call notification systems operating under such program in achieving the purposes of this chapter;

(3) the impact of each State’s decisions on the extent of required participation in one-call notification systems on prevention of damage to underground facilities; and

(4) areas where improvements are needed in one-call notification systems in operation in each State.

The report shall also include any recommendations the Secretary determines appropriate. If the Secretary determines that the purposes of this chapter have been substantially achieved, no further report under this section shall be required.

REFERENCES IN TEXT

The date of the enactment of this chapter, referred to in subsec. (a), is the date of enactment of Pub. L. 105–178, which was approved June 9, 1998.

AMENDMENTS

2002—Subsec. (d). Pub. L. 107–355 substituted “The Secretary shall” for “Within 3 years after the date of the enactment of this chapter, the Secretary shall begin to” in introductory provisions.

§6105. Implementation of best practices guidelines

(a) ADOPTION OF BEST PRACTICES.—The Secretary of Transportation shall encourage States, operators of one-call notification programs, excavators (including all government and contract excavators), and underground facility operators to adopt and implement practices identified in the best practices report entitled “Common Ground”, as periodically updated.

(b) TECHNICAL ASSISTANCE.—The Secretary shall provide technical assistance to and participate in programs sponsored by a non-profit organization specifically established for the purpose of reducing construction-related damage to underground facilities.

(c) GRANTS.—

(1) IN GENERAL.—The Secretary may make grants to a non-profit organization described in subsection (b).

(2) AUTHORIZATION OF APPROPRIATIONS.—In addition to amounts authorized under section 6107, there is authorized to be appropriated for making grants under this subsection $500,000 for each of fiscal years 2003 through 2006. Such sums shall remain available until expended.

(3) GENERAL REVENUE FUNDING.—Any sums appropriated under this subsection shall be derived from general revenues and may not be derived from amounts collected under section 60301.

AMENDMENTS

2002—Pub. L. 107–355 amended section generally. Prior to amendment, section related to study of existing one-call systems, purpose and considerations of study, report by Secretary within one year of June 9, 1998, and discretion of Secretary as to whether to carry out study.

§6106. Grants to States

(a) IN GENERAL.—The Secretary may make a grant of financial assistance to a State that qualifies under section 6104(b) to assist in improving—

(1) the overall quality and effectiveness of one-call notification systems in the State;

(2) communications systems linking one-call notification systems;

(3) location capabilities, including training personnel and developing and using location technology;

(4) record retention and recording capabilities for one-call notification systems;

(5) public information and education;

(6) participation in one-call notification systems; or

(7) compliance and enforcement under the State one-call notification program.

(b) STATE ACTION TAKEN INTO ACCOUNT.—In making grants under this section, the Secretary shall take into consideration the commitment of each State to improving its State one-call notification program, including legislative and regulatory actions taken by the State after the date of enactment of this chapter.

(c) FUNDING FOR ONE-CALL NOTIFICATION SYSTEMS.—A State may provide funds received under this section directly to any one-call notification system in such State that substantially adopts the best practices identified under section 6105.

$1,000,000 for fiscal year 2000 and $5,000,000 for fiscal year 2001.''

6103, 6104, and 6105 for fiscal years 2007 through 2010. Such funds shall remain available until expended.

(a) FOR GRANTS TO STATES.—There are authorized to be appropriated to the Secretary to provide grants to States under section 6106 $1,000,000 for each of fiscal years 2007 through 2010. Such funds shall remain available until expended.

(b) FOR ADMINISTRATION.—There are authorized to be appropriated to the Secretary such sums as may be necessary to carry out sections 6103, 6104, and 6105 for fiscal years 2007 through 2010.

(c) GENERAL REVENUE FUNDING.—Any sums appropriated under this section shall be derived from general revenues and may not be derived from amounts collected under section 6091 of this title.

AMENDMENTS

2002—Subsec. (a). Pub. L. 107–355, § 2(d)(1), substituted “$1,000,000 for each of fiscal years 2003 through 2006” for “$1,000,000 for fiscal year 2003 and $5,000,000 for fiscal year 2001” in first sentence.

§ 6108. Relationship to State laws
Nothing in this chapter preempts State law or shall impose a new requirement on any State or mandate revisions to a one-call system.

§ 6109. Public education and awareness
(a) GRANT AUTHORITY.—The Secretary shall make a grant to an appropriate entity for promoting public education and awareness with respect to the 811 national excavation damage prevention phone number.

(b) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary $1,000,000 for the period beginning October 1, 2006, and ending September 30, 2008, to carry out this section.

PART A—RAIL

CHAPTER 101—GENERAL PROVISIONS

Sec.
1001. Rail transportation policy.
1002. Definitions.

§ 1001. Rail transportation policy
In regulating the railroad industry, it is the policy of the United States Government—

(1) to allow, to the maximum extent possible, competition and the demand for services to establish reasonable rates for transportation by rail;

(2) to minimize the need for Federal regulatory control over the rail transportation system and to require fair and expeditious regulatory decisions when regulation is required;

(3) to promote a safe and efficient rail transportation system by allowing rail carriers to earn adequate revenues, as determined by the Board;

(4) to ensure the development and continuation of a sound rail transportation system
with effective competition among rail carriers and with other modes, to meet the needs of the public and the national defense;
(5) to foster sound economic conditions in transportation and to ensure effective competition and coordination between rail carriers and other modes;
(6) to maintain reasonable rates where there is an absence of effective competition and where rail rates provide revenues which exceed the amount necessary to maintain the rail system and to attract capital;
(7) to reduce regulatory barriers to entry into and exit from the industry;
(8) to operate transportation facilities and equipment without detriment to the public health and safety;
(9) to encourage honest and efficient management of railroads;
(10) to require rail carriers, to the maximum extent practicable, to rely on individual rate increases, and to limit the use of increases of general applicability;
(11) to encourage fair wages and safe and suitable working conditions in the railroad industry;
(12) to prohibit predatory pricing and practices, to avoid undue concentrations of market power, and to prohibit unlawful discrimination;
(13) to ensure the availability of accurate cost information in regulatory proceedings, while minimizing the burden on rail carriers of developing and maintaining the capability of providing such information;
(14) to encourage and promote energy conservation; and
(15) to provide for the expeditious handling and resolution of all proceedings required or permitted to be brought under this part.

(Prior Provisions)

Prior sections 10101 and 10101a were omitted in the general amendment of this subtitle by Pub. L. 104–88, title I, §102(a), Dec. 29, 1995, 109 Stat. 805.)

§ 10102. Definitions

In this part—
(1) “Board” means the Surface Transportation Board;
(2) “car service” includes (A) the use, control, supply, movement, distribution, exchange, interchange, and return of locomotives, cars, other vehicles, and special types of equipment used in the transportation of property by a rail carrier, and (B) the supply of trains by a rail carrier;
(3) “control”, when referring to a relationship between persons, includes actual control, legal control, and the power to exercise control, through or by (A) common directors, officers, stockholders, a voting trust, or a holding company, or (B) any other means;
(4) “person”, in addition to its meaning under section 1 of title 1, includes a trustee, receiver, assignee, or personal representative of a person;
(5) “rail carrier” means a person providing common carrier railroad transportation for
compensation, but does not include street, suburban, or interurban electric railways not operated as part of the general system of rail transportation;

(6) "railroad" includes—
(A) a bridge, car float, lighter, ferry, and intermodal equipment used by or in connection with a railroad;
(B) the road used by a rail carrier and owned by it or operated under an agreement; and
(C) a switch, spur, track, terminal, terminal facility, and a freight depot, yard, and ground, used or necessary for transportation;

(7) "rate" means a rate or charge for transportation;

(8) "State" means a State of the United States and the District of Columbia;

(9) "transportation" includes—
(A) a locomotive, car, vehicle, vessel, warehouse, wharf, pier, dock, yard, property, facility, instrumentality, or equipment of any kind related to the movement of passengers or property, or both, by rail, regardless of ownership or an agreement concerning use; and
(B) services related to that movement, including receipt, delivery, elevation, transfer in transit, refrigeration, icing, ventilation, storage, handling, and interchange of passengers and property; and

(10) "United States" means the States of the United States and the District of Columbia.

Prior Provisions

Prior sections 10102 and 10103 were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Section 10102, Pub. L. 95–473, Oct. 17, 1978, 92 Stat. 1338; Pub. L. 96–296, §10(a)(1), Aug. 26, 1994, 108 Stat. 1836, as amended, was redesignated as this section and is set out as a section of Title 49, subtitle I, except sections 10102, 10301, 10302, 10303, and 10304, which are redesignated as this section and are set out as sections 10102, 10301, 10302, 10303, and 10304, respectively.

Chapter 105—Jurisdiction

§ 10501. General Jurisdiction

(a)(1) Subject to this chapter, the Board has jurisdiction over transportation by rail carrier that is—

(A) only by railroad; or

(B) by railroad and water, when the transportation is under common control, management, or arrangement for a continuous carriage or shipment.

(2) Jurisdiction under paragraph (1) applies only to transportation in the United States between a place in—

(A) a State and a place in the same or another State as part of the interstate rail network;

(B) a State and a place in a territory or possession of the United States;

(C) a territory or possession of the United States and a place in another such territory or possession;

(D) a territory or possession of the United States and another place in the same territory or possession;

(E) the United States and another place in the United States through a foreign country; or

(F) the United States and a place in a foreign country.

(b) The jurisdiction of the Board over—

(1) transportation by rail carriers, and the remedies provided in this part with respect to rates, classifications, rules (including car service, interchange, and other operating rules), practices, routes, services, and facilities of such carriers; and

(2) the construction, acquisition, operation, abandonment, or discontinuance of spur, industrial, team, switching, or side tracks, or facilities, even if the tracks are located, or intended to be located, entirely in one State, is exclusive. Except as otherwise provided in this part, the remedies provided under this part with respect to regulation of rail transportation are exclusive and preempt the remedies provided under Federal or State law.

(c)(1) In this subsection—

(A) the term “local governmental authority”—

(i) has the same meaning given that term by section 5302(a) of this title; and

(ii) includes a person or entity that contracts with the local governmental authority to provide transportation services; and

(B) the term “mass transportation” means transportation services described in section 5302(a) of this title that are provided by rail.

(2) Except as provided in paragraph (3), the Board does not have jurisdiction under this part over—

(A) mass transportation provided by a local government authority; or

(B) a solid waste rail transfer facility as defined in section 10908 of this title, except as provided under sections 10908 and 10909 of this title.

(3)(A) Notwithstanding paragraph (2) of this subsection, a local governmental authority, described in paragraph (2), is subject to applicable laws of the United States related to—

(i) safety;

(ii) the representation of employees for collective bargaining; and

(iii) employment, retirement, annuity, and unemployment systems or other provisions related to dealings between employees and employers.

(B) The Board has jurisdiction under sections 11102 and 11103 of this title over transportation provided by a local government authority only if the Board finds that such governmental authority meets all of the standards and requirements for being a rail carrier providing transportation subject to the jurisdiction of the Interstate Commerce Commission that were in effect immediately before January 1, 1996. The enactment of the ICC Termination Act of 1995 shall neither expand nor contract coverage of employees and employers by the Railway Labor Act, the Railroad Retirement Act of 1974, the Railroad Retirement Tax Act, and the Railroad Unemployment Insurance Act.

§ 10502. Authority to exempt rail carrier transportation

(a) In a matter related to a rail carrier providing transportation subject to the jurisdiction of the Board under this part, the Board, to the maximum extent consistent with this part, shall exempt a person, class of persons, or a transaction or service whenever the Board finds that the application in whole or in part of a provision of this part—

(1) is not necessary to carry out the transportation policy of section 10101 of this title; and

(2) either—

(A) the transaction or service is of limited scope; or

(B) the application in whole or in part of the provision is not needed to protect shippers from the abuse of market power.

(b) The Board may, where appropriate, begin a proceeding under this section on its own initiative or on application by the Secretary of Transportation or an interested party. The Board shall, within 90 days after receipt of any such application, determine whether to begin an appropriate proceeding. If the Board decides not to begin a class exemption proceeding, the reasons for the decision shall be published in the Federal Register. Any proceeding begun as a result of an application under this subsection shall be completed within 9 months after it is begun.

(c) The Board may specify the period of time during which an exemption granted under this section is effective.

(d) The Board may revoke an exemption, to the extent it specifies, when it finds that application in whole or in part of a provision of this part to the person, class, or transportation is necessary to carry out the transportation policy of section 10101 of this title. The Board shall, within 90 days after receipt of a request for revocation under this subsection, determine whether to begin an appropriate proceeding. If the Board decides not to begin a proceeding to revoke a class exemption, the reasons for the decision shall be published in the Federal Register. Any proceeding begun as a result of a request under this subsection shall be completed within 9 months after it is begun.

(e) No exemption order issued pursuant to this section shall operate to relieve any rail carrier from an obligation to provide contractual terms for liability and claims which are consistent with the provisions of section 11706 of this title. Nothing in this subsection or section 11706 of this title shall prevent rail carriers from offering alternative terms or services based upon the provisions of section 11706 of this title.

(f) The Board may exercise its authority under this section to exempt transportation that is provided by a rail carrier as part of a continuous intermodal movement.

(g) The Board may not exercise its authority under this section to relieve a rail carrier of its obligation to protect the interests of employees as required by this part.

Prior Provisions

Provisions similar to those in this section were contained in sections 10501 and 10504 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a). Prior sections 10502 to 10505, 10521 to 10531, 10541 to 10544, and 10561, were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

The Railroad Retirement Tax Act, referred to in subsec. (c)(3)(B), is act Aug. 29, 1935, ch. 812, as amended, which is classified generally to chapter 11 (§351 et seq.) of Title 45, Railroads. For classification of this Act to the Code, see Codification note set out preceding section 367 of Title 45 and Tables.
(d)(1) If the Board determines, under section 10707 of this title, that a rail carrier has market dominance over the transportation to which a particular rate applies, the rate established by such carrier for such transportation must be reasonable.

(2) In determining whether a rate established by a rail carrier is reasonable for purposes of this section, the Board shall give due consideration to:

(A) the amount of traffic which is transported at revenues which do not contribute to going concern value and the efforts made to minimize such traffic;

(B) the amount of traffic which contributes only marginally to fixed costs and the extent to which, if any, rates on such traffic can be changed to maximize the revenues from such traffic; and

(C) the carrier's mix of rail traffic to determine whether one commodity is paying an unreasonable share of the carrier's overall revenues.

recognizing the policy of this part that rail carriers shall earn adequate revenues, as established by the Board under section 10704(a)(2) of this title.

(3) The Board shall, within one year after January 1, 1996, complete the pending Interstate Commerce Commission non-coal rate guidelines proceeding to establish a simplified and expedited method for determining the reasonableness of challenged rail rates in those cases in which a full stand-alone cost presentation is too costly, given the value of the case.

PRIOR PROVISIONS

Prior sections 10701 and 10701a were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Section 10701, Pub. L. 95–473, Oct. 17, 1978, 92 Stat. 1371; Pub. L. 96–296, §13(a), July 5, 1994, 108 Stat. 1369, related to standards applicable to those routes, and shall prescribe the maximum rate, classification, rule, or practice to be followed. The Board may decide that a rate charged or collected by a rail carrier for transportation subject to the jurisdiction of the Board under this part shall establish reasonable—

(1) rates, to the extent required by section 10707, divisions of joint rates, and classifications for transportation and service it may provide under this part; and

(2) rules and practices on matters related to that transportation or service.

PRIOR PROVISIONS

§10703. Authority for rail carriers to establish through routes

Rail carriers providing transportation subject to the jurisdiction of the Board under this part shall establish through routes (including physical connections) with each other and with water carriers providing transportation subject to chapter 137, shall establish rates and classifications applicable to those routes, and shall establish rules for their operation and provide—

(1) reasonable facilities for operating the through route; and

(2) reasonable compensation to persons entitled to compensation for services related to the through route.

PRIOR PROVISIONS

§10704. Authority and criteria: rates, classifications, rules, and practices prescribed by Board

(a)(1) When the Board, after a full hearing, decides that a rate charged or collected by a rail carrier for transportation subject to the jurisdiction of the Board under this part, or that a classification, rule, or practice of that carrier, does or will violate this part, the Board may prescribe the maximum rate, classification, rule, or practice to be followed. The Board may order the carrier to stop the violation. When a rate, classification, rule, or practice is prescribed under this subsection, the affected carrier may not publish, charge, or collect a different rate and shall adopt the classification and observe the rule or practice prescribed by the Board.

(2) The Board shall maintain and revise as necessary standards and procedures for establishing revenue levels for rail carriers providing transportation subject to its jurisdiction under this part that are adequate, under honest, economi-
§ 10705. Authority: through routes, joint classifications, rates, and divisions prescribed by Board

(a)(1) The Board may, and shall when it considers it desirable in the public interest, prescribe through routes, joint classifications, joint rates, the division of joint rates, and the conditions under which those routes must be operated, for a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(b) The Board may require a rail carrier to include in a through route substantially less than the entire length of its railroad and any intermediate railroad operated with it under common management or control if that intermediate railroad lies between the terminals of the through route only when—

(A) required under section 10741, 10742, or 11102 of this title;

(B) inclusion of those lines would make the through route unreasonably long when compared with a practicable alternative through route that could be established; or

(C) the Board decides that the proposed through route is needed to provide adequate, and more efficient or economic, transportation.

The Board shall give reasonable preference, subject to this subsection, to the rail carrier originating the traffic when prescribing through routes.

(b) The Board shall prescribe the division of joint rates to be received by a rail carrier providing transportation subject to its jurisdiction under this part when it decides that a division of joint rates established by the participating carriers under section 10703 of this title, or under a decision of the Board under subsection (a) of this section, does or will violate section 10701 of this title.

(c) If a division of a joint rate prescribed under a decision of the Board is later found to violate section 10701 of this title, the Board may decide what division would have been reasonable and order adjustment to be made retroactive to the date the complaint was filed, the date the order for an investigation was made, or a later date that the Board decides is justified. The Board may make a decision under this subsection effective as part of its original decision.

§ 10705. Authority: through routes, joint classifications, rates, and divisions prescribed by Board

AMENDMENTS

§ 10705. Authority: through routes, joint classifications, rates, and divisions prescribed by Board

(a)(1) The Board may, and shall when it considers it desirable in the public interest, prescribe through routes, joint classifications, joint rates, the division of joint rates, and the conditions under which those routes must be operated, for a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(b) The Board may require a rail carrier to include in a through route substantially less than the entire length of its railroad and any intermediate railroad operated with it under common management or control if that intermediate railroad lies between the terminals of the through route only when—

(A) required under section 10741, 10742, or 11102 of this title;

(B) inclusion of those lines would make the through route unreasonably long when compared with a practicable alternative through route that could be established; or

(C) the Board decides that the proposed through route is needed to provide adequate, and more efficient or economic, transportation.

The Board shall give reasonable preference, subject to this subsection, to the rail carrier originating the traffic when prescribing through routes.

(b) The Board shall prescribe the division of joint rates to be received by a rail carrier providing transportation subject to its jurisdiction under this part when it decides that a division of joint rates established by the participating carriers under section 10703 of this title, or under a decision of the Board under subsection (a) of this section, does or will violate section 10701 of this title.

(c) If a division of a joint rate prescribed under a decision of the Board is later found to violate section 10701 of this title, the Board may decide what division would have been reasonable and order adjustment to be made retroactive to the date the complaint was filed, the date the order for an investigation was made, or a later date that the Board decides is justified. The Board may make a decision under this subsection effective as part of its original decision.

 Prior Provisions

Prior sections 10704 and 10705 were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 10705. Authority: through routes, joint classifications, rates, and divisions prescribed by Board

(a)(1) The Board may, and shall when it considers it desirable in the public interest, prescribe through routes, joint classifications, joint rates, the division of joint rates, and the conditions under which those routes must be operated, for a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(b) The Board may require a rail carrier to include in a through route substantially less than the entire length of its railroad and any intermediate railroad operated with it under common management or control if that intermediate railroad lies between the terminals of the through route only when—

(A) required under section 10741, 10742, or 11102 of this title;

(B) inclusion of those lines would make the through route unreasonably long when compared with a practicable alternative through route that could be established; or

(C) the Board decides that the proposed through route is needed to provide adequate, and more efficient or economic, transportation.

The Board shall give reasonable preference, subject to this subsection, to the rail carrier originating the traffic when prescribing through routes.

(b) The Board shall prescribe the division of joint rates to be received by a rail carrier providing transportation subject to its jurisdiction under this part when it decides that a division of joint rates established by the participating carriers under section 10703 of this title, or under a decision of the Board under subsection (a) of this section, does or will violate section 10701 of this title.

(c) If a division of a joint rate prescribed under a decision of the Board is later found to violate section 10701 of this title, the Board may decide what division would have been reasonable and order adjustment to be made retroactive to the date the complaint was filed, the date the order for an investigation was made, or a later date that the Board decides is justified. The Board may make a decision under this subsection effective as part of its original decision.

§ 10705. Authority: through routes, joint classifications, rates, and divisions prescribed by Board

(a)(1) The Board may, and shall when it considers it desirable in the public interest, prescribe through routes, joint classifications, joint rates, the division of joint rates, and the conditions under which those routes must be operated, for a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(b) The Board may require a rail carrier to include in a through route substantially less than the entire length of its railroad and any intermediate railroad operated with it under common management or control if that intermediate railroad lies between the terminals of the through route only when—

(A) required under section 10741, 10742, or 11102 of this title;

(B) inclusion of those lines would make the through route unreasonably long when compared with a practicable alternative through route that could be established; or

(C) the Board decides that the proposed through route is needed to provide adequate, and more efficient or economic, transportation.

The Board shall give reasonable preference, subject to this subsection, to the rail carrier originating the traffic when prescribing through routes.

(b) The Board shall prescribe the division of joint rates to be received by a rail carrier providing transportation subject to its jurisdiction under this part when it decides that a division of joint rates established by the participating carriers under section 10703 of this title, or under a decision of the Board under subsection (a) of this section, does or will violate section 10701 of this title.

(c) If a division of a joint rate prescribed under a decision of the Board is later found to violate section 10701 of this title, the Board may decide what division would have been reasonable and order adjustment to be made retroactive to the date the complaint was filed, the date the order for an investigation was made, or a later date that the Board decides is justified. The Board may make a decision under this subsection effective as part of its original decision.
§ 10706. Rate agreements: exemption from antitrust laws

(a)(1) In this subsection—

(A) the term "affiliate" means a person controlling, controlled by, or under common control or ownership with another person and "ownership" refers to equity holdings in a business entity of at least 5 percent;

(B) the term "single-line rate" refers to a rate or allowance proposed by a single rail carrier that is applicable only over its line and for which the transportation (exclusive of terminal services by switching, drayage or other terminal carriers or agencies) can be provided by that carrier; and

(C) the term "practically participates in the movement" shall have such meaning as the Board shall by regulation prescribe.

(2)(A) A rail carrier providing transportation subject to the jurisdiction of the Board under this part that is a party to an agreement of at least 2 rail carriers that relates to rates (including charges between rail carriers and compensation paid or received for the use of facilities and equipment), classifications, divisions, or rules related to them, or procedures for joint consideration, initiation, publication, or establishment of them, shall apply to the Board for approval of that agreement under this subsection. The Board shall approve the agreement only when it finds that the making and carrying out of the agreement will further the transportation policy of section 10101 of this title and may require compliance with conditions necessary to make the agreement further that policy as a condition of its approval. If the Board approves the agreement, it may be made and carried out under its terms and under the conditions required by the Board, and the Sherman Act (15 U.S.C. 1, et seq.), the Clayton Act (15 U.S.C. 12, et seq.), the Federal Trade Commission Act (15 U.S.C. 41, et seq.), sections 73 and 74 of the Wilson Tariff Act (15 U.S.C. 8 and 9), and the Act of June 19, 1936 (15 U.S.C. 13, 13a, 13b, 21a) do not apply to parties and other persons with respect to making or carrying out the agreement. However, the Board may not approve or continue approval of an agreement when the conditions required by it are not met or if it does not receive a verified statement under subparagraph (B) of this paragraph.

(B) The Board may approve an agreement under subparagraph (A) of this paragraph only when the rail carriers applying for approval file a verified statement with the Board. Each statement must specify for each rail carrier that is a party to the agreement—

(i) the name of the carrier;

(ii) the mailing address and telephone number of its headquarter’s office; and

(iii) the names of each of its affiliates and the names, addresses, and addresses of each of its officers and directors and of each person, together with an affiliate, owning or controlling any debt, equity, or security interest in it having a value of at least $1,000,000.

(3)(A) An organization established or continued under an agreement approved under this subsection shall make a final disposition of a rule or rate docketed with it by the 120th day after the proposal is docketed. Such an organization may not—

(i) permit a rail carrier to discuss, to participate in agreements related to, or to vote on single-line rates proposed by another rail carrier, except that for purposes of general rate increases and broad changes in rates, classifications, rules, and practices only, if the Board finds at any time that the implementation of this clause is not feasible, it may delay or suspend such implementation in whole or in part;

(ii) permit a rail carrier to discuss, to participate in agreements related to, or to vote on rates related to a particular interline movement unless that rail carrier practicably participates in the movement; or

(iii) if there are interline movements over two or more routes between the same end points, permit a carrier to discuss, to participate in agreements related to, or to vote on rates except with a carrier which forms part of a particular single route. If the Board finds at any time that the implementation of this clause is not feasible, it may delay or suspend such implementation in whole or in part.

(B)(i) In any proceeding in which a party alleges that a rail carrier voted or agreed on a rate or allowance in violation of this subsection, that party has the burden of showing that the vote or agreement occurred. A showing of parallel behavior does not satisfy that burden by itself.

(ii) In any proceeding in which it is alleged that a carrier was a party to an agreement, conspiracy, or combination in violation of a Federal law cited in subsection (a)(2)(A) of this section or of any similar State law, proof of an agreement, conspiracy, or combination may not be inferred from evidence that two or more rail carriers acted together with respect to an interline rate or related matter and that a party to such action took similar action with respect to a rate or related matter on another route or traffic. In any proceeding in which such a violation is alleged, evidence of a discussion or agreement between or among such rail carrier and one or more other rail carriers, or of any rate or other action resulting from such discussion or agreement, shall not be admissible if the discussion or agreement—

(I) was in accordance with an agreement approved under paragraph (2) of this subsection; or

(II) concerned an interline movement of the rail carrier, and the discussion or agreement would not, considered by itself, violate the laws referred to in the first sentence of this clause.

In any proceeding before a jury, the court shall determine whether the requirements of subclause (I) or (II) are satisfied before allowing the introduction of any such evidence.

(C) An organization described in subparagraph (A) of this paragraph shall provide that transcripts or sound recordings be made of all meetings, that records of votes be made, and that such transcripts or recordings and voting records be submitted to the Board and made available to other Federal agencies in connec-
tion with their statutory responsibilities over rate bureaus, except that such material shall be kept confidential and shall not be subject to disclosure under section 552 of title 5, United States Code.

(b) Notwithstanding any other provision of this subsection, one or more rail carriers may enter into an agreement, without obtaining prior Board approval, that provides solely for compilation, publication, and other distribution of rates in effect or to become effective. The Sherman Act (15 U.S.C. 1 et seq.), the Clayton Act (15 U.S.C. 12 et seq.), the Federal Trade Commission Act (15 U.S.C. 41 et seq.), sections 73 and 74 of the Wilson Tariff Act (15 U.S.C. 8 and 9), and the Act of June 19, 1936 (15 U.S.C. 13a, 13b, 21a) shall not apply to parties and other persons with respect to making or carrying out such agreement. However, the Board may, upon application or on its own initiative, investigate whether the parties to such an agreement have exceeded its scope, and upon a finding that they have, the Board may issue such orders as are necessary, including an order dissolving the agreement, to ensure that actions taken pursuant to the agreement are limited as provided in this paragraph.

(3)(A) Whenever two or more shippers enter into an agreement to discuss among themselves that relates to the amount of compensation such shippers propose to be paid by rail carriers providing transportation subject to the jurisdiction of the Board under this part, for use by such rail carriers of rolling stock owned or leased by such shippers, the shippers shall apply to the Board for approval of that agreement under this paragraph. The Board shall approve the agreement only when it finds that the making and carrying out of the agreement will further the transportation policy set forth in section 10101 of this title and may require compliance with conditions necessary to make the agreement further that policy as a condition of approval. If the Board approves the agreement, it may be made and carried out under its terms and under the terms required by the Board, and the antitrust laws set forth in paragraph (2) of this subsection do not apply to parties and other persons with respect to making or carrying out the agreement. The Board shall approve or disapprove an agreement under this paragraph within one year after the date application for approval of such agreement is made.

(B) If the Board approves an agreement described in subparagraph (A) of this paragraph and the shippers entering into such agreement and the rail carriers proposing to use rolling stock owned or leased by such shippers, under payment by such carriers or under a published allowance, are unable to agree upon the amount of compensation to be paid for the use of such rolling stock, any party directly involved in the negotiations may require that the matter be settled by submitting the issues in dispute to the Board. The Board shall render a binding decision, based upon a standard of reasonableness and after taking into consideration any past precedents on the subject matter of the negotiations, not later than 90 days after the date of the submission of the dispute to the Board.

(C) Nothing in this paragraph shall be construed to change the law in effect prior to October 1, 1980, with respect to the obligation of rail carriers to utilize rolling stock owned or leased by shippers.

(b) The Board may require an organization established or continued under an agreement approved under this section to maintain records and submit reports. The Board may inspect a record maintained under this section.

(c) The Board may review an agreement approved under subsection (a) of this section and shall change the conditions of approval or terminate it when necessary to comply with the public interest and subsection (a). The Board shall postpone the effective date of a change of an agreement under this subsection for whatever period it determines to be reasonably necessary to avoid unreasonable hardship.

(d) The Board may begin a proceeding under this section on its own initiative or on application. Action of the Board under this section—

(1) approving an agreement;
(2) denying, ending, or changing approval;
(3) prescribing the conditions on which approval is granted; or
(4) changing those conditions, has effect only as related to application of the antitrust laws referred to in subsection (a) of this section.

(e)(1) The Federal Trade Commission, in consultation with the Antitrust Division of the Department of Justice, shall prepare periodically an assessment of, and shall report to the Board on—

(A) possible anticompetitive features of—

(i) agreements approved or submitted for approval under subsection (a) of this section; and

(ii) an organization operating under those agreements; and

(B) possible ways to alleviate or end an anticompetitive feature, effect, or aspect in a manner that will further the goals of this part and of the transportation policy of section 10101 of this title.

(2) Reports received by the Board under this subsection shall be published and made available to the public under section 552(a) of title 5.

PRIOR PROVISIONS

AMENDMENTS

§ 10707. Determination of market dominance in rail rate proceedings

(a) In this section, ‘‘market dominance’’ means an absence of effective competition from other rail carriers or modes of transportation for the transportation to which a rate applies.

(b) When a rate for transportation by a rail carrier providing transportation subject to the jurisdiction of the Board under this part is challenged as being unreasonably high, the Board shall determine whether the rail carrier proposing or defending a rate applies, it may then determine that rate to be unreasonable if it exceeds a reasonable maximum for that transportation. However, a finding of market dominance does not establish a presumption that —

(A) such rail carrier has or does not have market dominance over such transportation; or

(B) the proposed rate exceeds or does not exceed a reasonable maximum.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10709 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Prior sections 10707 and 10707a were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 10707a. Rail cost adjustment factor

(a) The Board shall, as often as practicable, but in no event less often than quarterly, publish a rail cost adjustment factor which shall be a fraction, the numerator of which is the latest published Index of Railroad Costs (which index shall be compiled or verified by the Board, with appropriate adjustments to reflect the change in composition of railroad costs, including the quality and mix of material and labor) and the denominator of which is the same index for the fourth quarter of every fifth year, beginning with the fourth quarter of 1992.

(b) The rail cost adjustment factor published by the Board under subsection (a) of this section shall take into account changes in railroad productivity. The Board shall also publish a similar index that does not take into account changes in railroad productivity.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10712 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 10709. Contracts

(a) One or more rail carriers providing transportation subject to the jurisdiction of the Board under this part may enter into a contract with one or more purchasers of rail services to provide specified services under specified rates and conditions.

(b) A party to a contract entered into under this section shall have no duty in connection with services provided under such contract other than those duties specified by the terms of the contract.

(c)(1) A contract that is authorized by this section, and transportation under such contract, shall not be subject to this part, and may not be subsequently challenged before the Board or in any court on the grounds that such contract violates a provision of this part.

(2) The exclusive remedy for any alleged breach of a contract entered into under this section shall be an action in an appropriate State court or United States district court, unless the parties otherwise agree. This section does not confer original jurisdiction on the district courts of the United States based on section 1331 or 1337 of title 28, United States Code.

(d)(1) A summary of each contract for the transportation of agricultural products (including grain, as defined in section 3 of the United States Grain Standards Act (7 U.S.C. 75) and products thereof) entered into under this section shall be filed with the Board, containing such nonconfidential information as the Board prescribes. The Board shall publish special rules for such contracts in order to ensure that the essential terms of the contract are available to the general public.

(2) Documents, papers, and records (and any copies thereof) relating to a contract described in subsection (a) shall not be subject to the mandatory disclosure requirements of section 552 of title 5.

(e) Any lawful contract between a rail carrier and one or more purchasers of rail service that was in effect on October 1, 1980, shall be considered a contract authorized by this section.

(f) A rail carrier that enters into a contract as authorized by this section remains subject to the common carrier obligation set forth in section 11101, with respect to rail transportation not provided under such a contract.

(g)(1) No later than 30 days after the date of filing of a summary of a contract under this section, the Board may, on complaint, begin a proceeding to review such contract on the grounds described in this subsection.

(2) (A) A complaint may be filed under this subsection—

(i) by a shipper on the grounds that such shipper individually will be harmed because the proposed contract unduly impairs the ability of the contracting rail carrier or carriers to meet their common carrier obligations to the complainant under section 11101 of this title; or

(ii) by a port only on the grounds that such port individually will be harmed because the proposed contract will result in unreasonable discrimination against such port.

(B) In addition to the grounds for a complaint described in subparagraph (A) of this paragraph, a complaint may be filed by a shipper of agricultural commodities on the grounds that such shipper individually will be harmed because—

(i) the rail carrier has unreasonably discriminated by refusing to enter into a contract with such shipper for rates and services for the transportation of the same type of commodity under similar conditions to the contract at issue, and that shipper was ready, willing, and able to enter into such a contract at a time essentially contemporaneous with the period during which the contract at issue was offered; or

(ii) the proposed contract constitutes a destructive competitive practice under this part.

In making a determination under clause (ii) of this subparagraph, the Board shall consider the difference between contract rates and published single car rates.

(C) For purposes of this paragraph, the term "unreasonable discrimination" has the same meaning as such term has under section 10741 of this title.

(3)(A) Within 30 days after the date a proceeding is commenced under paragraph (1) of this subsection, or within such shorter time period after such date as the Board may establish, the Board shall determine whether the contract that is the subject of such proceeding is in violation of this section.

(B) If the Board determines, on the basis of a complaint filed under paragraph (2)(B)(i) of this subsection, that the grounds for a complaint described in such paragraph have been established with respect to a rail carrier, the Board shall, subject to the provisions of this section, order such rail carrier to provide rates and service substantially similar to the contract at issue with such differentials in terms and conditions as are justified by the evidence.

(h)(1) Any rail carrier may, in accordance with the terms of this section, enter into contracts for the transportation of agricultural commodities (including forest products, but not including wood pulp, wood chips, pulpwod or paper) involving the utilization of carrier owned or leased equipment not in excess of 40 percent of the capacity of such carrier's owned or leased equipment by major car type (plain boxcars, covered hopper cars, gondolas and open top hoppers, coal cars, bulkhead flatcars, pulpwod rackcars, and flatbed equipment, including TOFC/COFC).

(2) The Board may, on request of a rail carrier or other party or on its own initiative, grant such relief from the limitations of paragraph (1) of this subsection as the Board considers appropriate. If it appears that additional equipment may be made available without impairing the rail carrier's ability to meet its common carrier obligations under section 11101 of this title.

(i) Within 30 days after the date a proceeding is commenced under paragraph (1) of this subsection, the Board shall determine whether the contract at issue is subject to this part, and may not be entered into under this section.

(j) Any contract entered into under this section shall be deemed to have been entered into in violation of this part, and shall be voidable at the option of the Board after such date as the Board may establish, the Board shall determine whether the contract is in violation of this part, and may not be entered into under this section.

(k) Within 30 days after the date a proceeding is commenced under paragraph (1) of this subsection, the Board shall determine whether the proposed contract unduly impairs the ability of the contracting rail carrier or carriers to meet their common carrier obligations to the complainant under section 11101 of this title; or
tation Advisory Council shall make recommendations to Congress on whether to extend the effectiveness of or otherwise modify this subsection.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10713 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Prior sections 10709 to 10713 were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

A prior section 10729, Pub. L. 95–473, Oct. 17, 1978, 92 Stat. 1389, authorized rail carrier to establish rate, classification, rule, or practice requiring total capital investment of at least $1,000,000 to implement upon notice to Interstate Commerce Commission and opportunity for Commission proceeding and final decision within 180 days after notice and provided that Commission could not suspend or set aside any rate that became final for period of five years but could revise rate to level equal to variable costs of providing transportation when Commission found level then in effect reduced going concern of carrier, prior to repeal by Pub. L. 96–448, title II, §210(a), title VII, §710(a), Oct. 14, 1980, 94 Stat. 1910, 1966, effective Oct. 1, 1980.

Prior sections 10730 to 10735 were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 10722. Car utilization

In order to encourage more efficient use of freight cars, notwithstanding any other provision of this part, rail carriers shall be permitted to establish premium charges for special services or special levels of services not otherwise applicable to the movement. The Board shall facilitate development of such charges so as to increase the utilization of equipment.
§ 10741. Prohibitions against discrimination by rail carriers

(a)(1) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part may not subject a person, place, port, or type of traffic to unreasonable discrimination.

(2) For purposes of this section, a rail carrier engages in unreasonable discrimination when it charges or receives from a person a different compensation for a service rendered, or to be rendered, in transportation the rail carrier may perform under this part than it charges or receives from another person for performing a like and contemporaneous service in the transportation of a like kind of traffic under substantially similar circumstances.

(b) This section shall not apply to—

(1) contracts described in section 10709 of this title;

(2) rail rates applicable to different routes; or

(3) discrimination against the traffic of another carrier providing transportation by any mode.

(c) Differences between rates, classifications, rules, and practices of rail carriers do not constitute a violation of this section if such differences result from different services provided by rail carriers.

PRIOR PROVISIONS

§ 10743. Liability for payment of rates

(a)(1) Liability for payment of rates for transportation for a shipment of property by a shipper or consignor to a consignee other than the shipper or consignor, is determined under this subsection when the transportation is provided by a rail carrier under this part. When the shipper or consignor instructs the rail carrier transporting the property to deliver it to a consignee that is an agent only, not having beneficial title to the property, the consignee is liable for rates billed at the time of delivery for which the consignee is otherwise liable, but not for additional rates that may be found to be due after delivery if the consignee gives written notice to the delivering carrier before delivery of the property—

(A) of the agency and absence of beneficial title; and

(B) of the name and address of the beneficial owner of the property if it is reconsigned or diverted to a place other than the place specified in the original bill of lading.

(2) When the consignee is liable only for rates billed at the time of delivery under paragraph (1) of this subsection, the shipper or consignor, or, if the property is reconsigned or diverted, the beneficial owner, is liable for those additional rates regardless of the bill of lading or contract under which the property was transported. The beneficial owner is liable for all rates when the property is reconsigned or diverted by an agent but is refused or abandoned at its ultimate destination if the agent gave the rail carrier in the reconsignment or diversion order a notice of agency and the name and address of the beneficial owner. A consignee giving the rail carrier, and a reconsignor or divertor giving a rail carrier erroneous information about the identity of the beneficial owner of the property is liable for the additional rates.

(b) Liability for payment of rates for transportation for a shipment of property by a shipper or consignor, named in the bill of lading as consignee, is determined under this subsection when the transportation is provided by a rail carrier under this part. When the shipper or consignor gives written notice, before delivery of the property, to the line-haul rail carrier that is to make ultimate delivery—

(1) to deliver the property to another party identified by the shipper or consignor as the beneficial owner of the property; and

(2) that delivery is to be made to that party on payment of all applicable transportation rates;

that party is liable for the rates billed at the time of delivery and for additional rates that may be found to be due after delivery if that party does not pay the rates required to be paid under paragraph (2) of this subsection on delivery. However, if the party gives written notice to the delivering rail carrier before delivery that the party is not the beneficial owner of the prop-
property and gives the rail carrier the name and address of the beneficial owner, then the party is not liable for those additional rates. A shipper, consignor, or party to whom delivery is made that gives the delivering rail carrier erroneous information about the identity of the beneficial owner, is liable for the additional rates regardless of the bill of lading or contract under which the property was transported. This subsection does not apply to a prepaid shipment of property.

(c)(1) A rail carrier may bring an action to enforce liability under subsection (a) of this section. That rail carrier must bring the action during the period provided in section 11705(a) of this title or by the end of the 6th month after final judgment against it in an action against the consignee, or the beneficial owner named by the consignee or agent, under that section.

(2) A rail carrier may bring an action to enforce liability under subsection (b) of this section. That carrier must bring the action during the period provided in section 11705(a) of this title or by the end of the 6th month after final judgment against it in an action against the shipper, consignor, or other party under that section.

§ 10744. Continuous carriage of freight

A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part may not enter a combination or arrangement to prevent the carriage of freight from being continuous from the place of shipment to the place of destination whether by change of time schedule, carriage in different cars, or by other means. The carriage of freight by those rail carriers is considered to be a continuous carriage from the place of shipment to the place of destination when a break of bulk, stoppage, or interruption is not made in good faith for a necessary purpose, and with the intent of avoiding or unnecessarily interrupting the continuous carriage or of evading this part.

§ 10745. Transportation services or facilities furnished by shipper

A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part may establish a charge or allowance for transportation or service for property when the owner of the property, directly or indirectly, furnishes a service related to or an instrumentality used in the transportation or service. The Board may prescribe the maximum reasonable charge or allowance a rail carrier subject to its jurisdiction may pay for a service or instrumentality furnished under this section. The Board may begin a proceeding under this section on its own initiative or on application.

Prior Provisions

Provisions similar to those in this section were contained in section 10745 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 182(a).

§ 10746. Demurrage charges

A rail carrier providing transportation subject to the jurisdiction of the Board under this part shall compute demurrage charges, and establish rules related to those charges, in a way that fulfills the national needs related to—

(1) freight car use and distribution; and

(2) maintenance of an adequate supply of freight cars to be available for transportation of property.

Prior Provisions

Provisions similar to those in this section were contained in section 10750 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 182(a).

§ 10747. Designation of certain routes by shippers

Prior Provisions

Provisions similar to those in this section were contained in section 10747 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 182(a).

§ 10747. Designation of certain routes by shippers

(a)(1) When a person delivers property to a rail carrier for transportation subject to the jurisdiction of the Board under this part, the person may direct the rail carrier to transport the property over an established through route. When competing rail lines constitute a part of the route, the person shipping the property may designate the lines over which the property will be transported. The designation must be in writing. A rail carrier may be directed to transport property over a particular through route when—

(A) there are at least 2 through routes over which the property could be transported;

(B) a through rate has been established for transportation over each of those through routes; and

(C) the rail carrier is a party to those routes and rates.

(2) A rail carrier directed to route property transported under paragraph (1) of this subsection must issue a through bill of lading containing the routing instructions and transport the property according to the instructions. When the property is delivered to a connecting
rail carrier, that rail carrier must also receive and transport it according to the routing instructions and deliver it to the next succeeding rail carrier or consignee according to the instructions.

(b) The Board may prescribe exceptions to the authority of a person to direct the movement of traffic under subsection (a) of this section.

AMENDMENTS

§ 10901. Authorizing construction and operation of railroad lines

(a) A person may—
(1) construct an extension to any of its railroad lines;
(2) construct an additional railroad line;
(3) provide transportation over, or by means of, an extended or additional railroad line; or
(4) in the case of a person other than a rail carrier, acquire a railroad line or acquire or operate an extended or additional railroad line,

only if the Board issues a certificate authorizing such activity under subsection (c).

(b) A proceeding to grant authority under subsection (a) of this section begins when an application is filed. On receiving the application, the Board shall give reasonable public notice, including notice to the Governor of any affected State, of the beginning of such proceeding.

(c) The Board shall issue a certificate authorizing activities for which such authority is requested in an application filed under subsection (b) unless the Board finds that such activities are inconsistent with the public convenience and necessity. Such certificate may approve the application as filed, or with modifications, and may require compliance with conditions (other than labor protection conditions) the Board finds necessary in the public interest.

(d)(1) When a certificate has been issued by the Board under this section authorizing the construction or extension of a railroad line, no other rail carrier may block any construction or extension authorized by such certificate by refusing to permit the carrier to cross its property if—

(A) the construction does not unreasonably interfere with the operation of the crossed line;
(B) the operation does not materially interfere with the operation of the crossed line; and
(C) the owner of the crossing line compensates the owner of the crossed line.

(2) If the parties are unable to agree on the terms of operation or the amount of payment for purposes of paragraph (1) of this subsection, either party may submit the matters in dispute to the Board for determination. The Board shall make a determination under this paragraph within 120 days after the dispute is submitted for determination.

§10902. Short line purchases by Class II and Class III rail carriers

(a) A Class II or Class III rail carrier providing transportation subject to the jurisdiction of the Board under this part may acquire or operate an extended or additional rail line under this section only if the Board issues a certificate authorizing such activity under subsection (c).

(b) A proceeding to grant authority under subsection (a) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section begins when an application filed under subsection (c) of this section.

(c) The Board shall issue a certificate authorizing activities for which such authority is requested in an application filed under subsection (b) unless the Board finds that such activities are inconsistent with the public convenience and necessity. Such certificate may approve the application as filed, or with modifications, and may require compliance with conditions (other than labor protection conditions) the Board finds necessary in the public interest.

(d) The Board shall require any Class II rail carrier which receives a certificate under subsection (c) of this section to provide a fair and equitable arrangement for the protection of the interests of employees who may be affected thereby. The arrangement shall consist exclusively of one year of severance pay, which shall not exceed the amount of earnings from railroad employment of the employee during the 12-month period immediately preceding the date on which the application for such certificate is filed with the Board. The amount of such severance pay shall be reduced by the amount of earnings from railroad employment of the employee with the acquiring carrier during the 12-month period immediately following the effective date of the transaction to which the certificate applies. The parties may agree to terms other than as provided in this subsection. The Board shall not require such an arrangement from a Class III rail carrier which receives a certificate under subsection (c) of this section.

§10903. Filing and procedure for application to abandon or discontinue

(a)(1) A rail carrier providing transportation subject to the jurisdiction of the Board under this part who intends to—

(A) abandon any part of its railroad lines; or
(B) discontinue the operation of all rail transportation over any part of its railroad lines,

must file an application relating thereto with the Board. An abandonment or discontinuance may be carried out only as authorized under this chapter.

(2) When a rail carrier providing transportation subject to the jurisdiction of the Board under this part files an application, the application shall include—

(A) an accurate and understandable summary of the rail carrier’s reasons for the proposed abandonment or discontinuance;
(B) a statement indicating that each interested person is entitled to make recommendations to the Board on the future of the rail line; and
(C)(i) a statement that the line is available for subsidy or sale in accordance with section 10904 of this title, (ii) a statement that the rail carrier will promptly provide to each interested party an estimate of the annual subsidy and minimum purchase price, calculated in accordance with section 10904 of this title, and (iii) the name and business address of the person who is authorized to discuss the subsidy or sale terms for the rail carrier.

(3) The rail carrier shall—

(A) send by certified mail notice of the application to the chief executive officer of each State that would be directly affected by the proposed abandonment or discontinuance;
(B) post a copy of the notice in each terminal and station on each portion of a railroad line proposed to be abandoned or over which all transportation is to be discontinued;
(C) publish a copy of the notice for 3 consecutive weeks in a newspaper of general circulation in each county in which each such portion is located;
(D) mail a copy of the notice, to the extent practicable, to all shippers that have made significant use (as designated by the Board) of the railroad line during the 12 months preceding the filing of the application; and
(E) attach to the application filed with the Board an affidavit certifying the manner in which subparagraphs (A) through (D) of this paragraph have been satisfied, and certifying that subparagraphs (A) through (D) have been satisfied within the most recent 30 days prior to the date the application is filed.

(b)(1) Except as provided in subsection (d), abandonment and discontinuance may occur as provided in section 10904.
(2) The Board shall require as a condition of any abandonment or discontinuance under this section provisions to protect the interests of employees. The provisions shall be at least as beneficial to those interests as the provisions established under sections 11326(a) and 24706(c) of this title.

(c)(1) In this subsection, the term "potentially subject to abandonment" has the meaning given the term in regulations of the Board. The regulations may include standards that vary by region of the United States and by railroad or group of railroads.

(2) Each rail carrier shall maintain a complete diagram of the transportation system operated, directly or indirectly, by the rail carrier. The rail carrier shall submit to the Board and publish amendments to its diagram that are necessary to maintain the accuracy of the diagram. The diagram shall—

(A) include a detailed description of each of its railroad lines potentially subject to abandonment; and
(B) identify each railroad line for which the rail carrier plans to file an application to abandon or discontinue under subsection (a) of this section.

(d) A rail carrier providing transportation subject to the jurisdiction of the Board under this part may—

(1) abandon any part of its railroad lines; or
(2) discontinue the operation of all rail transportation over any part of its railroad lines;

only if the Board finds that the present or future public convenience and necessity require or permit the abandonment or discontinuance. In making the finding, the Board shall consider whether the abandonment or discontinuance will have a serious, adverse impact on rural and community development.

(e) Subject to this section and sections 10904 and 10905 of this title, if the Board—

(1) finds public convenience and necessity, it shall—

(A) approve the application as filed; or
(B) approve the application with modifications and require compliance with conditions that the Board finds are required by public convenience and necessity; or

(2) fails to find public convenience and necessity, it shall deny the application.

REACHES IN TEXT

PRIOR PROVISIONS

1 See References in Text note below.
provide promptly to a party considering an offer of financial assistance and shall provide concurrently to the Board—

(1) an estimate of the annual subsidy and minimum purchase price required to keep the line or a portion of the line in operation;

(2) its most recent reports on the physical condition of that part of the railroad line involved in the proposed abandonment or discontinuance;

(3) traffic, revenue, and other data necessary to determine the amount of annual financial assistance which would be required to continue rail transportation over that part of the railroad line; and

(4) any other information that the Board considers necessary to allow a potential offeror to calculate an adequate subsidy or purchase offer.

(c) Within 4 months after an application is filed under section 10903, any person may offer to subsidize or purchase the railroad line that is the subject of such application. Such offer shall be filed concurrently with the Board. If the offer to subsidize or purchase is less than the carrier’s estimate stated pursuant to subsection (b)(1), the offer shall explain the basis of the disparity, and the manner in which the offer is calculated.

(d)(1) Unless the Board, within 15 days after the expiration of the 4-month period described in subsection (c), finds that one or more financially responsible persons (including a governmental authority) have offered financial assistance regarding that part of the railroad line to be abandoned or over which all rail transportation is to be discontinued, abandonment or discontinuance may be carried out in accordance with section 10903.

(2) If the Board finds that such an offer or offers of financial assistance have been made within such period, abandonment or discontinuance shall be postponed until—

(A) the carrier and a financially responsible person have reached agreement on a transaction for subsidy or sale of the line; or

(B) the conditions and amount of compensation are established under subsection (f).

(e) Except as provided in subsection (f)(3), if the rail carrier and a financially responsible person (including a governmental authority) fail to agree on the amount or terms of the subsidy or purchase, either party may, within 30 days after the offer is made, request that the Board establish the conditions and amount of compensation. If the Board has established the conditions and amount of compensation, any other offeror whose offer was made within the 4-month period described in subsection (c) may request that the Board establish the conditions and amount of compensation. If the Board has established the conditions and amount of compensation, and the original offer has been withdrawn, any other offeror whose offer was made within the 4-month period described in subsection (c) may accept the Board’s decision within 20 days after such decision, and the Board shall require the carrier to enter into a subsidy or sale agreement with such offeror, if such subsidy or sale agreement incorporates the Board’s decision.

(f) (A) No purchaser of a line or portion of line sold under this section may transfer or discontinue service on such line prior to the end of the second year after consummation of the sale, nor may such purchaser transfer such line, except to the rail carrier from whom it was purchased, prior to the end of the fifth year after consummation of the sale.

(B) No subsidy arrangement approved under this section shall remain in effect for more than one year, unless otherwise mutually agreed by the parties.

(g) Upon abandonment of a railroad line under this chapter, the obligation of the rail carrier abandoning the line to provide transportation on that line, as required by section 11101(a), is extinguished.

Prior Provisions

Provisions similar to those in this section were contained in section 10905 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 10905. Offering abandoned rail properties for sale for public purposes

When the Board approves an application to abandon or discontinue under section 10903, the Board shall find whether the rail properties that are involved in the proposed abandonment or discontinuance are appropriate for use for public purposes, including highways, other forms of mass transportation, conservation, energy production or transmission, or recreation. If the Board finds that the rail properties proposed to be abandoned are appropriate for public purposes and not required for continued rail operations, the properties may be sold, leased, exchanged, or otherwise disposed of only under conditions provided in the order of the Board. The conditions may include a prohibition on any such disposal for a period of not more than 180 days after the effective date of the order, unless the properties have first been offered, on reasonable terms, for sale for public purposes.

Prior Provisions

Provisions similar to those in this section were contained in section 10906 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 10906. Exception

Notwithstanding section 10901 and subchapter II of chapter 113 of this title, and without the approval of the Board, a rail carrier providing transportation subject to the jurisdiction of the Board under this part may enter into arrangements for the joint ownership or joint use of spur, industrial, team, switching, or side tracks. The Board does not have authority under this chapter over construction, acquisition, operation, abandonment, or discontinuance of spur, industrial, team, switching, or side tracks.

Prior Provisions

Provisions similar to those in this section were contained in section 10906 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 10907. Railroad development

(a) In this section, the term “financially responsible person” means a person who—

(1) is capable of paying the constitutional minimum value of the railroad line proposed to be acquired; and

(2) is able to assure that adequate transportation will be provided over such line for a period of not less than 3 years.

Such term includes a governmental authority but does not include a Class I or Class II rail carrier.

(b)(1) When the Board finds that—

(A)(i) the public convenience and necessity require or permit the sale of a particular railroad line under this section; or

(ii) a railroad line is on a system diagram map as required under section 10903 of this title, but the rail carrier owning such line has not filed an application to abandon such line under section 10903 of this title before an application to purchase such line, or any required preliminary filing with respect to such application, is filed under this section; and

(B) an application to purchase such line has been filed by a financially responsible person,

the Board shall require the rail carrier owning the railroad line to sell such line to such financially responsible person at a price not less than the constitutional minimum value.

(2) For purposes of this subsection, the constitutional minimum value of a particular railroad line shall be presumed to be not less than the net liquidation value of such line or the going concern value of such line, whichever is greater.

(c)(1) For purposes of this section, the Board may determine that the public convenience and necessity require or permit the sale of a railroad line if the Board determines, after a hearing on the record, that—

(A) the rail carrier operating such line refuses within a reasonable time to make the necessary efforts to provide adequate service to shippers who transport traffic over such line;

(B) the transportation over such line is inadequate for the majority of shippers who transport traffic over such line;

(C) the sale of such line will not have a significantly adverse financial effect on the rail carrier operating such line;

(D) the sale of such line will not have an adverse effect on the overall operational performance of the rail carrier operating such line; and

(E) the sale of such line will be likely to result in improved railroad transportation for shippers that transport traffic over such line.

(2) In a proceeding under this subsection, the burden of proving that the public convenience and necessity require or permit the sale of a particular railroad line is on the person filing the application to acquire such line. If the Board finds under this subsection that the public convenience and necessity require or permit the sale of a particular railroad line, the Board shall concurrently notify the parties of such finding and publish such finding in the Federal Register.

(d) In the case of any railroad line subject to sale under subsection (a) of this section, the Board shall, upon the request of the acquiring carrier, require the selling carrier to provide to the acquiring carrier trackage rights to allow a reasonable interchange with the selling carrier or to move power equipment or empty rolling stock between noncontiguous feeder lines operated by the acquiring carrier. The Board shall require the acquiring carrier to provide the sel-
ing carrier reasonable compensation for any such trackage rights.

(e) The Board shall require, to the maximum extent practicable, the use of the employees who would normally have performed work in connection with a railroad line subject to a sale under this section.

(f) In the case of a railroad line which carried less than 3,000,000 gross ton miles of traffic per mile in the preceding calendar year, whenever a purchasing carrier under this section petitions the Board for joint rates applicable to traffic moving over through routes in which the purchasing carrier may practically participate, the Board shall, within 30 days after the date such petition is filed and pursuant to section 10705(a) of this title, require the establishment of reasonable joint rates and divisions over such route.

(g)(1) Any person operating a railroad line acquired under this section may elect to be exempt from any of the provisions of this part, except that such a person may not be exempt from the provisions of chapter 108, as in effect prior to railroad development. See section 10090 of this title.

(h) If a purchasing carrier under this section proposes to sell or abandon all or any portion of a purchasing railroad line, such purchasing carrier shall offer the right of first refusal with respect to such line or portion thereof to the carrier which sold such line under this section. Such offer shall be made at a price equal to the sum of the price paid by such purchasing carrier to such selling carrier for such line or portion thereof and the fair market value (less deterioration) of any improvements made, as adjusted to reflect inflation.

(i) Any person operating a railroad line acquired under this section may determine preconditions, such as payment of a subsidy, which must be met by shippers in order to obtain service over such lines, but such operator must notify the shipper on the line of its intention to impose such preconditions.

PRIORITY PROVISIONS

Provisions similar to those in this section were contained in section 10910 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Prior sections 10907 to 10910 and 10921 to 10936 were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Section 10907, Pub. L. 95–473, Oct. 17, 1978, 92 Stat. 1407, related to rail carriers entering into arrangements for joint use or ownership of spur, industrial, team, switching, or side tracks, and deprived Interstate Commerce Commission of authority over such tracks when located in one State or over certain electric railways. See sections 10908, 10909, and 10910 of this title.

Section 10908, Pub. L. 95–473, Oct. 17, 1978, 92 Stat. 1407, related to discontinuing or changing interstate train or ferry transportation subject to State law.

§ 10908. Regulation of solid waste rail transfer facilities

(a) In general.—Each solid waste rail transfer facility shall be subject to and shall comply with all applicable Federal and State requirements, both substantive and procedural, including judicial and administrative orders and fines, respecting the prevention and abatement of pollution, the protection and restoration of the environment, and the protection of public health and safety, including laws governing solid waste, to the same extent as required for any similar solid waste management facility, as defined in section 1004(29) of the Solid Waste Disposal Act (42 U.S.C. 6921 et seq.), mining operations under subtitle C of the Solid Waste Disposal Act (42 U.S.C. 6901 et seq.), and State requirements pursuant to subsection (a) of section 10909 of this chapter.

(b) Existing facilities.—

(1) State laws and standards.—Not later than 90 days after the date of enactment of the Clean Railroads Act of 2008, a solid waste rail transfer facility operating as of such date of enactment shall comply with all Federal and State requirements pursuant to subsection (a) other than those provisions requiring permits.

(2) Permit requirements.—

(A) State non-siting permits.—Any solid waste rail transfer facility operating as of the date of enactment of the Clean Railroads Act of 2008 that does not possess a permit required pursuant to subsection (a), other than a siting permit for the facility, as of the date of enactment of the Clean Railroads Act of 2008 shall not be required to possess any such permits in order to operate the facility—

(i) if, within 180 days after such date of enactment, the solid waste rail transfer facility has submitted, in good faith, a complete application for all permits, except sited permits, required pursuant to subsection (a) to the appropriate permitting agency authorized to grant such permits; and

(ii) until the permitting agency has either approved or denied the solid waste rail transfer facility’s application for each permit.

(B) Siting permits and requirements.—A solid waste rail transfer facility operating as of the date of enactment of the Clean Railroads Act of 2008 that does not possess a State siting permit required pursuant to subsection (a) as of such date of enactment shall not be required to possess any siting permit to continue to operate or comply with any State land use requirements. The Governor of a State in which the facility is located, or his or her designee, may petition the Board to require the facility to apply for a land-use exemption pursuant to section 10909 of this chapter. The Board shall accept the petition, and the facility shall be required to have a Board-issued land-use exemption in order to continue to operate, pursuant to section 10909 of this chapter.

(c) Common carrier obligation.—No prospective or current rail carrier customer may demand solid waste rail transfer service from a rail carrier at a solid waste rail transfer facility that does not already possess the necessary Federal land-use exemption and State permits at the location where service is requested.

(d) Non-Waste Commodities.—Nothing in this section or section 10909 of this chapter shall affect a rail carrier’s ability to conduct transportation-related activities with respect to commodities other than solid waste.

(e) Definitions.—

(1) In general.—In this section:

(A) Commercial and retail waste.—The term “commercial and retail waste” means material discarded by stores, offices, restaurants, warehouses, nonmanufacturing activities at industrial facilities, and other similar establishments or facilities.

(B) Construction and demolition debris.—The term “construction and demolition debris” means waste building materials, packaging, and rubble resulting from construction, remodeling, repair, and demolition operations on pavements, houses, commercial buildings, and other structures.

(C) Household waste.—The term “household waste” means material discarded by residential dwellings, hotels, motels, and other similar permanent or temporary housing establishments or facilities.

(D) Industrial waste.—The term “industrial waste” means the solid waste generated by manufacturing and industrial and research and development processes and operations, including contaminated soil, nonhazardous oil spill cleanup waste and dry nonhazardous pesticides and chemical waste, but does not include hazardous waste regulated under subtitle C of the Solid Waste Disposal Act (42 U.S.C. 6921 et seq.), mining or oil and gas waste.

(E) Institutional waste.—The term “institutional waste” means material discarded by hospitals, material discarded by nonmanufacturing activities at prisons and government facilities, and material discarded by other similar establishments or facilities.

(F) Municipal solid waste.—The term “municipal solid waste” means—

(i) household waste;

(ii) commercial and retail waste; and

(iii) institutional waste.

(G) Solid waste.—With the exception of waste generated by a rail carrier during track, track structure, or right-of-way construction, maintenance, or repair (including railroad ties and line-side poles) or waste generated as a result of a railroad accident, incident, or derailment, the term “solid waste” means—
(i) construction and demolition debris;
(ii) municipal solid waste;
(iii) household waste;
(iv) commercial and retail waste;
(v) institutional waste;
(vi) sludge;
(vii) industrial waste; and
(viii) other solid waste, as determined appropriate by the Board.

(H) SOLID WASTE RAIL TRANSFER FACILITY.—
The term “solid waste rail transfer facility”—

(i) means the portion of a facility owned or operated by or on behalf of a rail carrier (as defined in section 10102 of this title) where solid waste, as a commodity to be transported for a charge, is collected, stored, separated, processed, treated, managed, disposed of, or transferred, when the activity takes place outside of original shipping containers; but

(ii) does not include—

(I) the portion of a facility to the extent that activities taking place at such portion are comprised solely of the railroad transportation of solid waste after the solid waste is loaded for shipment on or in a rail car, including railroad transportation for the purpose of interchanging railroad cars containing solid waste shipments; or

(II) a facility where solid waste is solely transferred or transloaded from a tank truck directly to a rail tank car.

(I) SLUDGE.—The term “sludge” means any solid, semi-solid or liquid waste generated from a municipal, commercial, or industrial wastewater treatment plant, water supply treatment plant, or air pollution control facility exclusive of the treated effluent from a wastewater treatment plant.

(2) EXCEPTIONS.—Notwithstanding paragraph (1), the terms “household waste”, “commercial and retail waste”, and “institutional waste” do not include—

(A) yard waste and refuse-derived fuel;
(B) used oil;
(C) wood pallets;
(D) clean wood;
(E) medical or infectious waste; or
(F) motor vehicles (including motor vehicle parts or vehicle fluff).

(3) STATE REQUIREMENTS.—In this section the term “State requirements” does not include the laws, regulations, ordinances, orders, or other requirements of a political subdivision of a State, including a locality or municipality, unless a State expressly delegates such authority to such political subdivision.

§ 10909. SOLID WASTE RAIL TRANSFER FACILITY LAND-USE EXEMPTION

(a) AUTHORITY.—The Board may issue a land-use exemption for a solid waste rail transfer facility that is or is proposed to be operated by or on behalf of a rail carrier if—

(1) the Board finds that a State, local, or municipal law, regulation, order, or other requirement affecting the siting of such facility unreasonably burdens the interstate transportation of solid waste by railroad, discriminates against the railroad transportation of solid waste and a solid waste rail transfer facility, or a rail carrier that owns or operates such a facility petitions the Board for such an exemption; or

(2) the Governor of a State in which a facility that is operating as of the date of enactment of the Clean Railroads Act of 2008 is located, or his or her designee, petitions the Board to initiate a permit proceeding for that particular facility.

(b) LAND-USE EXEMPTION PROCEDURES.—Not later than 90 days after the date of enactment of the Clean Railroads Act of 2008, the Board shall publish procedures governing the submission and review of applications for solid waste rail transfer facility land-use exemptions. At a minimum, the procedures shall address—

(1) the information that each application should contain to explain how the solid waste rail transfer facility will not pose an unreasonable risk to public health, safety, or the environment;

(2) the opportunity for public notice and comment including notification of the municipality, the State, and any relevant Federal or State regional planning entity in the jurisdiction of which the solid waste rail transfer facility is proposed to be located;

(3) the timeline for Board review, including a requirement that the Board approve or deny an exemption within 90 days after the full record for the application is developed;

(4) the expedited review timelines for petitions for modifications, amendments, or revocations of granted exemptions;

(5) the process for a State to petition the Board to require a solid waste transfer facility or a rail carrier that owns or operates such a facility to apply for a siting permit; and

(6) the process for a solid waste transfer facility or a rail carrier that owns or operates such a facility to petition the Board for a land-use exemption.

(c) STANDARD FOR REVIEW.—

(1) The Board may only issue a land-use exemption if it determines that the facility at the existing or proposed location does not pose an unreasonable risk to public health, safety,
or the environment. In deciding whether a solid waste rail transfer facility that is or proposed to be constructed or operated by or on behalf of a rail carrier poses an unreasonable risk to public health, safety, or the environment, the Board shall weigh the particular facility’s potential benefits to and the adverse impacts on public health, public safety, the environment, interstate commerce, and transportation of solid waste by rail.

(2) The Board may not grant a land-use exemption for a solid waste rail transfer facility proposed to be located on land within any unit of or land affiliated with the National Park System, the National Wildlife Refuge System, the National Wilderness Preservation System, the National Trails System, the National Wild and Scenic Rivers System, a National Monument, or lands referenced in Public Law 108–421 for which a State has implemented a conservation management plan, if operation of the facility would be inconsistent with restrictions placed on such land.

(d) Considerations.—When evaluating an application under this section, the Board shall consider and give due weight to the following, as applicable:

(1) the land-use, zoning, and siting regulations or solid waste planning requirements of the State or State subdivision in which the facility is or will be located that are applicable to solid waste transfer facilities, including those that are not owned or operated by or on behalf of a rail carrier;

(2) the land-use, zoning, and siting regulations or solid waste planning requirements applicable to the property where the solid waste rail transfer facility is proposed to be located;

(3) regional transportation planning requirements developed pursuant to Federal and State law;

(4) regional solid waste disposal plans developed pursuant to State or Federal law;

(5) any Federal and State environmental protection laws or regulations applicable to the site;

(6) any unreasonable burdens imposed on the interstate transportation of solid waste by railroad, or the potential for discrimination against the railroad transportation of solid waste, a solid waste rail transfer facility, or a rail carrier that owns or operates such a facility; and

(7) any other relevant factors, as determined by the Board.

(e) Existing Facilities.—Upon the granting of a petition from the State in which a solid waste rail transfer facility is operating as of the date of enactment of the Clean Railroads Act of 2008, the Board shall submit a complete application for a siting permit to the Board pursuant to the procedures issued pursuant to subsection (b). No State may enforce a law, regulation, order, or other requirement affecting the siting of a facility that is operating as of the date of enactment of the Clean Railroads Act of 2008 until the Board has approved or denied a permit pursuant to subsection (c).

(f) Effect of Land-Use Exemption.—If the Board grants a land-use exemption to a solid waste rail transfer facility, all State laws, regulations, orders, or other requirements affecting the siting of a facility are preempted with regard to that facility. An exemption may require compliance with such State laws, regulations, orders, or other requirements.

(g) Injunctive Relief.—Nothing in this section precludes a person from seeking an injunction to enjoin a solid waste rail transfer facility from being constructed or operated by or on behalf of a rail carrier if that facility has materially violated, or will materially violate, its land-use exemption or if it failed to receive a valid land-use exemption under this section.

(h) Fees.—The Board may charge permit applicants reasonable fees to implement this section, including the costs of third-party consultants.

(i) Definitions.—In this section the terms "solid waste", "solid waste rail transfer facility", and "State requirements" have the meaning given such terms in section 10908(e).

§ 10910. Effect on other statutes and authorities

Nothing in section 10908 or 10909 is intended to affect the traditional police powers of the State to require a rail carrier to comply with State and local environmental, public health, and public safety standards that are not unreasonably burdensome to interstate commerce and do not discriminate against rail carriers.

§ 11101. Common carrier transportation, service, and rates

(a) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part shall provide the transportation or service on reasonable request. A rail carrier shall not be found to have violated this section because it fulfills its reasonable commitments under contracts authorized under section 10709 of this title before responding to reasonable requests for service. Commitments which deprive a carrier of its ability to respond to reasonable requests for common carrier service are not reasonable.

(b) A rail carrier shall also provide to any person, on request, the carrier’s rates and other service terms. The response by a rail carrier to a request for the carrier’s rates and other service terms shall be—

(1) in writing and forwarded to the requesting person promptly after receipt of the request; or

(2) promptly made available in electronic form.

(c) A rail carrier may not increase any common carrier rates or change any common carrier service terms unless 20 days have expired after written or electronic notice is provided to any person who, within the previous 12 months—

(1) has requested such rates or terms under subsection (b); or

(2) has made arrangements with the carrier for a shipment that would be subject to such increased rates or changed terms.

(d) With respect to transportation of agricultural products, in addition to the requirements of subsections (a), (b), and (c), a rail carrier shall publish, make available, and retain for public inspection its common carrier rates, schedules of rates, and other service terms, and any proposed and actual changes to such rates and service terms. For purposes of this subsection, agricultural products shall include grain as defined in section 3 of the United States Grain Standards Act (7 U.S.C. 75) and all products thereof, and fertilizer.

(e) A rail carrier shall provide transportation or service in accordance with the rates and service terms, and any changes thereto, as published or otherwise made available under subsection (b), (c), or (d).

(f) The Board shall, by regulation, establish rules to implement this section. The regulations shall provide for immediate disclosure and dissemination of rates and service terms, including classifications, rules, and practices, and their effective dates. Final regulations shall be adopted by the Board not later than 180 days after January 1, 1996.

PRIOR PROVISIONS

AMENDMENTS

EFFECTIVE DATE

§ 11103

Prior Provisions
Provisions similar to those in this section were contained in section 11103 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 11103. Switch connections and tracks
(a) On application of the owner of a lateral branch line of railroad, or of a shipper tendering interstate traffic for transportation, a rail carrier providing transportation subject to the jurisdiction of the Board under this part shall construct, maintain, and operate, on reasonable conditions, a switch connection to connect that branch line or private side track with its railroad and shall furnish cars to move that traffic to the best of its ability without discrimination in favor of or against the shipper when the connection—
(1) is reasonably practicable;
(2) can be made safely; and
(3) will furnish sufficient business to justify its construction and maintenance.

(b) If a rail carrier fails to install and operate a switch connection after application is made under subsection (a) of this section, the owner of the lateral branch line of railroad or the shipper may file a complaint with the Board under section 11701 of this title. The Board shall investigate the complaint and decide the safety, practicability, justification, and compensation to be paid for the connection. The Board may direct the rail carrier to comply with subsection (a) of this section only after a full hearing.

Prior Provisions
Provisions similar to those in this section were contained in section 11103 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 11104. Criteria
(a)(1) A rail carrier providing transportation subject to the jurisdiction of the Board under this part shall furnish safe and adequate car service and establish, observe, and enforce reasonable rules and practices on car service. The Board may require a rail carrier to provide facilities and equipment that are reasonably necessary to furnish safe and adequate car service if the Board decides that the rail carrier has materially failed to furnish that service. The Board may begin a proceeding under this paragraph when an interested person files an application with it. The Board may act only after a hearing on the record and an affirmative finding, based on the evidence presented, that—
(A) providing the facilities or equipment will not materially and adversely affect the ability of the rail carrier to provide safe and adequate transportation;
(B) the amount spent for the facilities or equipment, including a return equal to the rail carrier’s current cost of capital, will be recovered; and
(C) providing the facilities or equipment will not impair the ability of the rail carrier to attract adequate capital.

(2) The Board may require a rail carrier to file its car service rules with the Board.

(b) The Board may designate and appoint agents and agencies to make and carry out its directions related to car service and matters under sections 11123 and 11124(a)(1) of this title.

(c) The Board shall consult, as it considers necessary, with the National Grain Car Council on matters within the charter of that body.

Prior Provisions
Provisions similar to those in this section were contained in section 11104 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 11105. Criteria
(a) The regulations of the Board on car service shall encourage the purchase, acquisition, and efficient use of freight cars. The regulations may include—
(1) the compensation to be paid for the use of a locomotive, freight car, or other vehicle;
(2) the other terms of any arrangement for the use by a rail carrier of a locomotive, freight car, or other vehicle not owned by the rail carrier using the locomotive, freight car, or other vehicle, whether or not owned by another carrier, shipper, or third person; and
(3) sanctions for nonobservance.

(b) The rate of compensation to be paid for each type of freight car shall be determined by the expense of owning and maintaining that type of freight car, including a fair return on its
cost giving consideration to current costs of capital, repairs, materials, parts, and labor. In determining the rate of compensation, the Board shall consider the transportation use of each type of freight car, the national level of ownership of each type of freight car, and other factors that affect the adequacy of the national freight car supply.

PRIOR PROVISIONS

§11123. Situations requiring immediate action to serve the public

(a) When the Board determines that shortage of equipment, congestion of traffic, unauthorized cessation of operations, failure of existing commuter rail passenger transportation operations caused by a cessation of service by the National Railroad Passenger Corporation, or other failure of traffic movement exists which creates an emergency situation of such magnitude as to have substantial adverse effects on shippers, or on rail service in a region of the United States, or that a rail carrier providing transportation subject to the jurisdiction of the Board under this part cannot transport the traffic offered to it in a manner that properly serves the public, the Board, to promote commerce and service to the public, for a period not to exceed 30 days—

(1) direct the handling, routing, and movement of the traffic of a rail carrier and its distribution over its own or other railroad lines;

(2) require joint or common use of railroad facilities;

(3) prescribe temporary through routes;

(4) give directions for—

(A) preference or priority in transportation;

(B) embargoes; or

(C) movement of traffic under permits; or

(5) in the case of a failure of existing freight or commuter rail passenger transportation operations caused by a cessation of service by the National Railroad Passenger Corporation, direct the continuation of the operations and dispatching, maintenance, and other necessary infrastructure functions related to the operations.

(b)(1) Except with respect to proceedings under paragraph (2) of this subsection, the Board may act under this section on its own initiative or on application without regard to subchapter II of chapter 5 of title 5.

(2) Rail carriers may establish between themselves the terms of compensation for operations, and use of facilities and equipment, required under this section. When rail carriers do not agree on the terms of compensation under this section, the Board may establish the terms for them. The Board may act under subsection (a) before conducting a proceeding under this paragraph.

(3)(A) Except as provided in subparagraph (B), when a rail carrier is directed under this section to operate the lines of another rail carrier due to that carrier’s cessation of operations, compensation for the directed operations shall derive only from revenues generated by the directed operations.

(B) In the case of a failure of existing freight or commuter rail passenger transportation operations caused by a cessation of service by the National Railroad Passenger Corporation, the Board shall provide funding to fully reimburse the directed service provider for its costs associated with the activities directed under subsection (a), including the payment of increased insurance premiums. The Board shall order complete indemnification against any and all claims associated with the provision of service to which the directed rail carrier may be exposed.

(c)(1) The Board may extend any action taken under subsection (a) of this section beyond 30 days if the Board finds that a transportation emergency described in subsection (a) continues to exist. Action by the Board under subsection (a) of this section may not remain in effect for more than 240 days beyond the initial 30-day period.

(2) The Board may not take action under this section that would—

(A) cause a rail carrier to operate in violation of this part; or

(B) impair substantially the ability of a rail carrier to serve its own customers adequately, or to fulfill its common carrier obligations.

(3) A rail carrier directed by the Board to take action under this section is not responsible, as a result of that action, for debts of any other rail carrier.

(4) In the case of a failure of existing freight or commuter rail passenger transportation operations caused by cessation of service by the National Railroad Passenger Corporation, the Board may not direct a rail carrier to undertake activities under subsection (a) to continue such operations unless—

(A) the Board first affirmatively finds that the rail carrier is operationally capable of conducting the directed service in a safe and efficient manner; and

(B) the funding for such directed service required by subparagraph (B) of subsection (b)(3) is provided in advance in appropriations Acts.

(d) In carrying out this section, the Board shall require, to the maximum extent practicable, the use of employees who would normally have performed work in connection with the traffic subject to the action of the Board.

(e) For purposes of this section, the National Railroad Passenger Corporation and any entity providing commuter rail passenger transportation shall be considered rail carriers subject to the Board’s jurisdiction.

(f) For purposes of this section, the term “commuter rail passenger transportation” has the meaning given that term in section 24102(4).¹

§ 11124  War emergencies; embargoes imposed by
carriers

(a)(1) When the President, during time of war
or threatened war, notifies the Board that it is
essential to the defense and security of the
United States to give preference or priority to
the movement of certain traffic, the Board shall
direct that preference or priority be given to
that traffic.

(2) When the President, during time of war
or threatened war, demands that preference and
precedence be given to the transportation of
troops and material of war over all other traffic,
all rail carriers providing transportation subject
to the jurisdiction of the Board under this part
shall adopt every means within their control
to facilitate and expedite the military traffic.

(b) An embargo imposed by any such rail
carrier does not apply to shipments consigned to
agents of the United States Government for its
use. The rail carrier shall deliver those
shipments as promptly as possible.

§ 11141. Definitions
In this subchapter—
(1) the terms “rail carrier” and “lessor”
include a receiver or trustee of a rail carrier and
lessor, respectively;

(2) the term “lessor” means a person owning
a railroad that is leased to and operated by a
carrier providing transportation subject to the
jurisdiction of the Board under this part; and

(3) the term “association” means an organi-
mation maintained by or in the interest of a
group of rail carriers providing transportation or
service subject to the jurisdiction of the Board
under this part that performs a service, or
engages in activities, related to transporta-
tion under this part.

Prior Provisions
Stat. 15721, related to service of household goods freight
forwarders.

§ 11145. Depreciation charges
The Board shall, for a class of rail carriers
providing transportation subject to its jurisdic-
tion under this part, prescribe, and change when
necessary, those classes of property for which
depreciation charges may be included under oper-
ating expenses and a rate of depreciation that
may be charged to a class of property. The
Board may classify those rail carriers for pur-
poses of this section. A rail carrier for whom
depreciation charges and rates of depreciation are
in effect under this section for any class of property
may not—
(1) charge another rate of depreciation; or
(3) include other depreciation charges in operating expenses.

PRIOR PROVISIONS

§ 11144. Records; form; inspection; preservation

(a) The Board may prescribe the form of records required to be prepared or compiled under this subchapter—

(1) by rail carriers and lessors, including records related to movement of traffic and receipts and expenditures of money; and

(2) by persons furnishing cars to or for a rail carrier providing transportation subject to the jurisdiction of the Board under this part to the extent related to those cars or that service.

(b) The Board, or an employee designated by the Board, may on demand and display of proper credentials—

(1) inspect and examine the lands, buildings, and equipment of a rail carrier or lessor; and

(2) inspect and copy any record of—

(A) a rail carrier, lessor, or association;

(B) a person controlling, controlled by, or under common control with a rail carrier if the Board considers inspection relevant to that person’s relation to, or transaction with, that rail carrier; and

(c) The Board may prescribe the time period during which operating, accounting, and financial records must be preserved by rail carriers, lessors, and persons furnishing cars.

PRIOR PROVISIONS

SUBCHAPTER IV—RAILROAD COST ACCOUNTING

§ 11161. Implementation of cost accounting principles

The Board shall periodically review its cost accounting rules and shall make such changes in those rules as are required to achieve the regulatory purposes of this part. The Board shall ensure that the rules promulgated under this section are the most efficient and least burdensome means by which the required information may be developed for regulatory purposes. To the maximum extent practicable, the Board shall conform such rules to generally accepted accounting principles.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11163 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 11162. Rail carrier cost accounting system

(a) Each rail carrier shall have and maintain a cost accounting system that is in compliance with the rules promulgated by the Board under section 11161 of this title. A rail carrier may, after notifying the Board, make modifications in such system unless, within 60 days after the date of notification, the Board finds such modifications to be inconsistent with the rules promulgated by the Board under section 11161 of this title.

(b) For purposes of determining whether the cost accounting system of a rail carrier is in compliance with the rules promulgated by the Board, the Board shall have the right to examine and make copies of any documents, papers, or records of such rail carrier relating to compliance with such rules. Such documents, papers, and records (and any copies thereof) shall not be subject to the mandatory disclosure requirements of section 552 of title 5.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11164 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).
§ 11163. Cost availability

As required by the rules of the Board governing discovery in Board proceedings, rail carriers shall make relevant cost data available to shippers, States, ports, communities, and other interested parties that are a party to a Board proceeding in which such data are required.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11165 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 11164. Accounting and cost reporting

To obtain expense and revenue information for regulatory purposes, the Board may promulgate reasonable rules for railroad carriers providing transportation subject to the jurisdiction of the Board under this part, prescribing expense and revenue accounting and reporting requirements consistent with generally accepted accounting principles uniformly applied to such carriers. Such requirements shall be cost effective and compatible with and not duplicative of the managerial and responsibility accounting requirements of those carriers.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11165 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

A prior section 11164 to 11168 were omitted in the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

PRIOR PROVISIONS

§ 11165. Equipment trusts: recordation; evidence of indebtedness

(a) A mortgage (other than a mortgage under chapter 313 of title 46), lease, equipment trust agreement, conditional sales agreement, or other instrument evidencing the mortgage, lease, conditional sale, or bailment of or security interest in vessels, railroad cars, locomotives, or other rolling stock, or accessories used on such railroad cars, locomotives, or other rolling stock (including superstructures and racks), intended for a use related to interstate commerce shall be filed with the Board in order to perfect the security interest that is the subject of such instrument. An assignment of a right or interest under one of those instruments and an amendment to that instrument or assignment including a release, discharge, or satisfaction of any part of it shall also be filed with the Board. The instrument, assignment, or amendment must be in writing, executed by the parties to it, and acknowledged or verified under Board regulations. When filed under this section, that document is notice to, and enforceable against, all persons. A document filed under this section does not have to be filed, deposited, registered, or recorded under another law of the United States, a State (or its political subdivisions), or territory or possession of the United States, related to filing, deposit, registration, or recordation of those documents. This section does not change chapter 313 of title 46.

(b) The Board shall maintain a system for recording each document filed under subsection (a) of this section and mark each of them with a consecutive number and the date and hour of their recordation. The Board shall maintain and keep open for public inspection an index of documents filed under that subsection. That index shall include the name and address of the principal debtors, trustees, guarantors, and other parties to those documents and may include other facts that will assist in determining the rights of the parties to those transactions.

(c) The Board must at the greatest extent practicable perform its functions under this section through contracts with private sector entities.

(d) A mortgage, lease, equipment trust agreement, conditional sales agreement, or other instrument evidencing the mortgage, lease, conditional sale, or bailment of or security interest in vessels, railroad cars, locomotives, or other rolling stock, or accessories used on such railroad
cars, locomotives, or other rolling stock (including superstructures and racks), or any assignment thereof, which—

(1) is duly constituted under the laws of a country other than the United States; and

(2) relates to property that bears the reporting marks and identification numbers of any person domiciled in or corporation organized under the laws of such country,

shall be recognized with the same effect as having been filed under this section.

(e) Interests with respect to which documents are filed or recognized under this section are deemed perfected in all jurisdictions, and shall be governed by applicable State or foreign law in all matters not specifically governed by this section.

(f) The Board shall collect, maintain, and keep open for public inspection a railway equipment register consistent with the manner and format maintained by the Interstate Commerce Commission as of January 1, 1996.

Prior Provisions

Provisions similar to those in this section were contained in section 11303 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Sections 11303 and 11304 were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

SUBCHAPTER II—COMBINATIONS

§11321. Scope of authority

(a) The authority of the Board under this subchapter is exclusive. A rail carrier or corporation participating in or resulting from a transaction approved by or exempted by the Board under this subchapter may carry out the transaction, own and operate property, and exercise control or franchises acquired through the transaction without the approval of a State authority. A rail carrier, corporation, or person participating in that approved or exempted transaction is exempt from the antitrust laws and from all other law, including State and municipal law, as necessary to let that rail carrier, corporation, or person carry out the transaction, hold, maintain, and operate property, and exercise control or franchises acquired through the transaction. However, if a purchase and sale, a lease, or a corporate consolidation or merger is involved in the transaction, the carrier or corporation may carry out the transaction only with the consent of a majority, or the number required under applicable State law, of the votes of the holders of the capital stock of that corporation entitled to vote. The vote must occur at a regular meeting, or special meeting called for that purpose, of those stockholders and the notice of the meeting must indicate its purpose.

(b) A power granted under this subchapter to a carrier or corporation is in addition to and changes its powers under its corporate charter and under State law. Action under this subchapter does not establish or provide for establishing a corporation under the laws of the United States.

Prior Provisions

Provisions similar to those in this section were contained in section 11341 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§11322. Limitation on pooling and division of transportation or earnings

(a) A rail carrier providing transportation subject to the jurisdiction of the Board under this part may not agree or combine with another of those rail carriers to pool or divide traffic or services or any part of their earnings without the approval of the Board under this section or section 11123 of this title. The Board may approve and authorize the agreement or combination if the rail carriers involved have consent to the pooling or division and the Board finds that a pooling or division of traffic, services, or earnings—

(1) will be in the interest of better service to the public or of economy of operation; and

(2) will not unreasonably restrain competition.

(b) The Board may impose conditions governing the pooling or division and may approve and
§ 11323. Consolidation, merger, and acquisition of control

(a) The following transactions involving rail carriers providing transportation subject to the jurisdiction of the Board under this part may be carried out only with the approval and authorization of the Board:

(1) Consolidation or merger of the properties or franchises of at least two rail carriers into one corporation for the ownership, management, and operation of the previously separately owned properties.

(2) A purchase, lease, or contract to operate property of another rail carrier by any number of rail carriers.

(3) Acquisition of control of a rail carrier by any number of rail carriers.

(4) Acquisition of control of at least two rail carriers by a person that is not a rail carrier.

(5) Acquisition of control of a rail carrier by a person that is not a rail carrier but that controls any number of rail carriers.

(6) Acquisition by a rail carrier of trackage rights over, or joint ownership in or joint use of, a railroad line (and terminals incidental to it) owned or operated by another rail carrier.

(b) A person may carry out a transaction referred to in subsection (a) of this section or participate in achieving the control or management, including the power to exercise control or management, in a common interest of more than one of those rail carriers, regardless of how that result is reached, only with the approval and authorization of the Board under this subchapter. In addition to other transactions, each of the following transactions are considered achievements of control or management:

(1) A transaction by a rail carrier that has the effect of putting that rail carrier and person affiliated with it, taken together, in control of another rail carrier.

(2) A transaction by a person affiliated with a rail carrier that has the effect of putting that rail carrier and persons affiliated with it, taken together, in control of another rail carrier.

(3) A transaction by at least 2 persons acting together (one of whom is a rail carrier or is affiliated with a rail carrier) that has the effect of putting those persons and rail carriers and persons affiliated with any of them, or with any of those affiliated rail carriers, taken together, in control of another rail carrier.

(c) A person is affiliated with a rail carrier under this subchapter if, because of the relationship between that person and a rail carrier, it is reasonable to believe that the affairs of another rail carrier, control of which may be acquired by that person, will be managed in the interest of the other rail carrier.

carriers located in the area involved in the transaction if they apply for inclusion and the Board finds their inclusion to be consistent with the public interest.

(d) In a proceeding under this section which does not involve the merger or control of at least two Class I railroads, as defined by the Board, the Board shall approve such an application unless it finds that—

(1) as a result of the transaction, there is likely to be substantial lessening of competition, creation of a monopoly, or restraint of trade in freight surface transportation in any region of the United States; and

(2) the anticompetitive effects of the transaction outweigh the public interest in meeting significant transportation needs.

In making such findings, the Board shall, with respect to any application that is part of a plan or proposal developed under section 333(a)–(d) of this title, accord substantial weight to any recommendations of the Attorney General.

(e) No transaction described in section 11326(b) may have the effect of avoiding a collective bargaining agreement or shifting work from a rail carrier with a collective bargaining agreement to a rail carrier without a collective bargaining agreement.

(f)(1) To the extent provided in this subsection, a proceeding under this subchapter relating to a transaction involving at least one Class I rail carrier shall not be considered an adjudication required by statute to be determined on the record after opportunity for an agency hearing, for the purposes of subchapter II of chapter 5 of title 5, United States Code.

(2) Ex parte communications, as defined in section 551(14) of title 5, United States Code, shall be permitted in proceedings described in paragraph (1) of this subsection, subject to the requirements of paragraph (3) of this subsection.

(3)(A) Any member or employee of the Board who makes or receives a written ex parte communication concerning the merits of a proceeding described in paragraph (1) shall promptly place the communication in the public docket of the proceeding.

(B) Any member or employee of the Board who makes or receives an oral ex parte communication concerning the merits of a proceeding described in paragraph (1) shall promptly place the communication in the public docket of the proceeding.

4. Nothing in this subsection shall be construed to require the Board or any of its members or employees to engage in any ex parte communication with any person. Nothing in this subsection or any other law shall be construed to limit the authority of the members or employees of the Board, in their discretion, to note in the docket or otherwise publicly the occurrence and substance of an ex parte communication.

§11325. Consolidation, merger, and acquisition of control: procedure

(a) The Board shall publish notice of the application under section 11324 in the Federal Register by the end of the 30th day after the application is filed with the Board. However, if the application is incomplete, the Board shall reject it by the end of that period. The order of rejection is a final action of the Board. The published notice shall indicate whether the application involves—

(1) the merger or control of at least two Class I railroads, as defined by the Board, to be decided within the time limits specified in subsection (b) of this section;

(2) transactions of regional or national transportation significance, to be decided within the time limits specified in subsection (c) of this section; or

(3) any other transaction covered by this section, to be decided within the time limits specified in subsection (d) of this section.

(b) If the application involves the merger or control of two or more Class I railroads, as defined by the Board, the following conditions apply:

(1) Written comments about an application may be filed with the Board within 45 days after notice of the application is published under subsection (a) of this section. Copies of such comments shall be served on the Attorney General and the Secretary of Transportation, who may decide to intervene as a party to the proceeding. That decision must be made by the 15th day after the date of receipt of the written comments, and if the decision is to intervene, preliminary comments about the application must be sent to the Board by the end of the 15th day after the date of receipt of the written comments.

(2) The Board shall require that applications inconsistent with an application, notice of which was published under subsection (a) of this section, and applications for inclusion in the transaction, be filed with the Board by the 90th day after publication of notice under that subsection.

(3) The Board must conclude evidentiary proceedings by the end of 1 year after the date of publication of notice under subsection (a) of this section. The Board must issue a final decision by the 90th day after the date on which it concludes the evidentiary proceedings.

(c) If the application involves a transaction other than the merger or control of at least two Class I railroads, as defined by the Board, which the Board has determined to be of regional or national transportation significance, the following conditions apply:

(1) Written comments about an application, including comments of the Attorney General and the Secretary of Transportation, may be filed with the Board within 30 days after notice of the application is published under subsection (a) of this section.

(2) The Board shall require that applications inconsistent with an application, notice of which was published under subsection (a) of this section, and applications for inclusion in the transaction, be filed with it by the 60th
day after publication of notice under that subsection.

(3) The Board must conclude any evidentiary proceedings by the 180th day after the date of publication of notice under subsection (a) of this section. The Board must issue a final decision by the 90th day after the date on which it concludes the evidentiary proceedings.

(d) For all applications under this section other than those specified in subsections (b) and (c) of this section, the following conditions apply:

1. Written comments about an application, including comments of the Attorney General and the Secretary of Transportation, may be filed with the Board within 30 days after notice of the application is published under subsection (a) of this section.

2. The Board must conclude any evidentiary proceedings by the 180th day after the date of publication of notice under subsection (a) of this section. The Board must issue a final decision by the 45th day after the date on which it concludes the evidentiary proceedings.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11345 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 11326. Employee protective arrangements in transactions involving rail carriers

(a) Except as otherwise provided in this section, when approval is sought for a transaction under sections 11324 and 11325 of this title, the Board shall require the rail carrier to provide a fair arrangement at least as protective of the interests of employees who are affected by the transaction as the terms imposed under section 5(2)(f) of the Interstate Commerce Act before February 5, 1976, and the terms established under section 24706(c) of this title. Notwithstanding this part, the arrangement may be made by the rail carrier and the authorized representative of its employees. The arrangement and the order approving the transaction must require that the employees of the affected rail carrier will not be in a worse position related to their employment as a result of the transaction during the 4 years following the effective date of the final action of the Board (or if an employee was employed for a lesser period of time by the rail carrier before the action became effective, for that lesser period).

(b) When approval is sought under sections 11324 and 11325 for a transaction involving one Class II and one or more Class III rail carriers, there shall be an arrangement as required under subsection (a) of this section, except that such arrangement shall be limited to one year of severance pay, which shall not exceed the amount of earnings from railroad employment of that employee during the 12-month period immediately preceding the date on which the application for approval of such transaction is filed with the Board. The amount of such severance pay shall be reduced by the amount of earnings from railroad employment of that employee with the acquiring carrier during the 12-month period immediately following the effective date of the transaction. The parties may agree to terms other than as provided in this subsection.

CHAPTER 115—FEDERAL-STATE RELATIONS

§ 11501. Tax discrimination against rail transportation property

(a) In this section—

(1) the term “assessment” means valuation for a property tax levied by a taxing district;

(2) the term “assessments jurisdiction” means a geographical area in a State used in determining the assessed value of property for ad valorem taxation;

(3) the term “rail transportation property” means property, as defined by the Board, owned or used by a rail carrier providing transportation subject to the jurisdiction of the Board under this part; and

(4) the term “commercial and industrial property” means property, other than transportation property and land used primarily for agricultural purposes or timber growing, devoted to a commercial or industrial use and subject to a property tax levy.

(b) The following acts unreasonably burden and discriminate against interstate commerce, and a State, subdivision of a State, or authority acting for a State or subdivision of a State may not do any of them:

(1) Assess rail transportation property at a value that has a higher ratio to the true market value of the rail transportation property than the ratio that the assessed value of other commercial and industrial property in the same assessment jurisdiction has to the true market value of the other commercial and industrial property.

(2) Levy or collect a tax on an assessment that may not be made under paragraph (1) of this subsection.

(3) Levy or collect an ad valorem property tax on rail transportation property at a tax rate that exceeds the tax rate applicable to commercial and industrial property in the same assessment jurisdiction.

(4) Impose another tax that discriminates against a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(c) Notwithstanding section 1341 of title 28 and without regard to the amount in controversy or citizenship of the parties, a district court of the United States has jurisdiction, concurrent with other jurisdiction of courts of the United States and the States, to prevent a violation of subsection (b) of this section. Relief may be granted under this subsection only if the ratio of assessed value to true market value of rail transportation property exceeds by at least 5 percent the ratio of assessed value to true market value of other commercial and industrial property in the same assessment jurisdiction. The burden of proof in determining assessed value and true market value is governed by State law. If the ratio of the assessed value of other commercial and industrial property in the assessment jurisdiction to the true market value of all other
commercial and industrial property cannot be determined to the satisfaction of the district court through the random-sampling method known as a sales assessment ratio study (to be carried out under statistical principles applicable to such a study), the court shall find, as a violation of this section—

(1) an assessment of the rail transportation property at a value that has a higher ratio to the true market value of the rail transportation property than the assessed value of all other property subject to a property tax levy in the assessment jurisdiction has to the true market value of all other commercial and industrial property; and

(2) the collection of an ad valorem property tax on the rail transportation property at a tax rate that exceeds the tax ratio rate applicable to taxable property in the taxing district.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11503 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

CHAPTER 117—ENFORCEMENT:
INVESTIGATIONS, RIGHTS, AND REMEDIES

Sec.
11701. General authority.
11702. Enforcement by the Board.
11703. Enforcement by the Attorney General.
11704. Rights and remedies of persons injured by rail carriers.
11705. Limitation on actions by and against rail carriers.
11706. Liability of rail carriers under receipts and bills of lading.
11707. Liability when property is delivered in violation of routing instructions.

§11502. Withholding State and local income tax by rail carriers

(a) No part of the compensation paid by a rail carrier providing transportation subject to the jurisdiction of the Board under this part to an employee who performs regularly assigned duties as such an employee on a railroad in more than one State shall be subject to the income tax laws of any State or subdivision of that State, other than the State or subdivision thereof of the employee’s residence.

(b) A rail carrier witholding pay from an employee under subsection (a) of this section shall file income tax information returns and other reports only with the State and subdivision of residence of the employee.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11503 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Prior sections 11502 to 11507 were omitted in the general amendment of this subtitle by Pub. L. 104–88, §102(a).

PRIOR PROVISIONS

§ 11702. Enforcement by the Board

The Board may bring a civil action—

(1) to enjoin a rail carrier from violating sections 10901 through 10906 of this title, or a regulation prescribed or order or certificate issued under any of those sections;

(2) to enforce subchapter II of chapter 113 of this title and to compel compliance with an order of the Board under that subchapter; and

(3) to enforce an order of the Board, except a civil action to enforce an order for the payment of money, when it is violated by a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

PRIOR PROVISIONS

§ 11703. Enforcement by the Attorney General

(a) The Attorney General may, and on request of the Board shall, bring court proceedings to enforce this part, or a regulation or order of the Board or certificate issued under this part, and to prosecute a person violating this part or a regulation or order of the Board or certificate issued under this part.

(b) The United States Government may bring a civil action on behalf of a person to compel a rail carrier providing transportation subject to the jurisdiction of the Board under this part to provide that transportation to that person in compliance with this part at the same rate charged, or on conditions as favorable as those given by the rail carrier, for like traffic under similar conditions to another person.

PRIOR PROVISIONS

§ 11704. Rights and remedies of persons injured by rail carriers

(a) A person injured because a rail carrier providing transportation or service subject to the jurisdiction of the Board under this part does not obey an order of the Board, except an order for the payment of money, may bring a civil action in a United States District Court to enforce that order under this subsection.

(b) A rail carrier providing transportation subject to the jurisdiction of the Board under this part is liable for damages sustained by a person as a result of an act or omission of that carrier in violation of this part. A rail carrier providing transportation subject to the jurisdiction of the Board under this part is liable to a person for amounts charged that exceed the applicable rate for the transportation.

(c)(1) A person may file a complaint with the Board under section 11701(b) of this title or bring a civil action under subsection (b) of this section to enforce liability against a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(2) When the Board makes an award under subsection (b) of this section, the Board shall order the rail carrier to pay the amount awarded by a specific date. The Board may order a rail carrier providing transportation subject to the jurisdiction of the Board under this part to pay damages only when the proceeding is on complaint. The person for whose benefit an order of the Board requiring the payment of money is made may bring a civil action to enforce that order under this paragraph if the rail carrier does not pay the amount awarded by the date payment was ordered to be made.

(d)(1) When a person begins a civil action under subsection (b) of this section to enforce an order of the Board requiring the payment of damages by a rail carrier providing transportation subject to the jurisdiction of the Board under this part, the text of the order of the Board must be included in the complaint. In addition to the district courts of the United States, a State court of general jurisdiction having jurisdiction of the parties has jurisdiction to enforce an order under this paragraph. The findings and order of the Board are competent evidence of the facts stated in them. Trial in a civil action brought in a district court of the United States under this paragraph is in the judicial district—

(A) in which the plaintiff resides;

(B) in which the principal operating office of the rail carrier is located; or

(C) through which the railroad line of that carrier runs.

In a civil action under this paragraph, the plaintiff is liable for only those costs that accrue on an appeal taken by the plaintiff.

(2) All parties in whose favor the award was made may be joined as plaintiffs in a civil action brought in a district court of the United States under this subsection and all the rail carriers that are parties to the order awarding damages may be joined as defendants. Trial in the action is in the judicial district in which any one of the plaintiffs could bring the action against any one of the defendants. Process may

be served on a defendant at its principal operating office when that defendant is not in the district in which the action is brought. A judgment ordering recovery may be made in favor of any of those plaintiffs against the defendant found to be liable to that plaintiff.

(3) The district court shall award a reasonable attorney’s fee as a part of the damages for which a rail carrier is found liable under this subsection. The district court shall tax and collect that fee as a part of the costs of the action.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11705 of this title prior to the general amendment of this subtitle by Pub. L. 104—88, §102(a).

§ 11705. Limitation on actions by and against rail carriers

(a) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part must begin a civil action to recover overcharges under section 11704(b) of this title within 3 years after the claim accrues.

(b) A person must begin a civil action to recover damages under section 11704(b) of this title within 2 years after the claim accrues, whether or not a complaint is filed under section 11704(c)(1).

(c) A person must file a complaint with the Board to recover damages under section 11704(b) of this title within 2 years after the claim accrues.

(d) The limitation period under subsection (b) of this section is extended for 6 months from the time written notice is given to the claimant by the rail carrier of disallowance of any part of the claim specified in the notice if a written claim is given to the rail carrier within that limitation period. The limitation periods under subsections (b) and (c) of this section are extended for 90 days from the time the rail carrier begins a civil action under subsection (a) of this section to recover charges related to the same transportation or service, or collects (without beginning a civil action under that subsection) the charge for that transportation or service if that action is begun or collection is made within the appropriate period.

(e) A person must begin a civil action to enforce an order of the Board against a rail carrier for the payment of money within one year after the date the order required the money to be paid.

(f) This section applies to transportation for the United States Government. The time limitations under this section are extended, as related to transportation for or on behalf of the United States Government, for 3 years from the date of—

(1) payment of the rate for the transportation or service involved;

(2) subsequent refund for overpayment of that rate; or

(3) deduction made under section 3726 of title 31, whichever is later.

(g) A claim related to a shipment of property accrues under this section on delivery or tender of delivery by the rail carrier.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11706 of this title prior to the general amendment of this subtitle by Pub. L. 104—88, §102(a).

§ 11706. Liability of rail carriers under receipts and bills of lading

(a) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part shall issue a receipt or bill of lading for property it receives for transportation under this part. Each rail carrier and any other carrier that delivers the property and is providing transportation or service subject to the jurisdiction of the Board under this part are liable to the person entitled to recover under the receipt or bill of lading. The liability imposed under this subsection is for the actual loss or injury to the property caused by—

(1) the receiving rail carrier;

(2) the delivering rail carrier; or

(3) another rail carrier over whose line or route the property is transported in the United States or from a place in the United States to a place in an adjacent foreign country when transported under a through bill of lading.

Failure to issue a receipt or bill of lading does not affect the liability of a rail carrier. A delivering rail carrier is deemed to be the rail carrier performing the line-haul transportation nearest the destination but does not include a rail carrier providing only a switching service at the destination.

(b) The rail carrier issuing the receipt or bill of lading under subsection (a) of this section or delivering the property for which the receipt or bill of lading was issued is entitled to recover from the rail carrier over whose line or route the loss or injury occurred the amount required to be paid to the owners of the property, as evidenced by a receipt, judgment, or transcript, and the amount of its expenses reasonably incurred in defending a civil action brought by that person.

(c)(1) A rail carrier may not limit or be exempt from liability imposed under subsection (a) of this section except as provided in this subsection. A limitation of liability or of the amount of recovery or representation or agreement in a receipt, bill of lading, contract, or rule in violation of this section is void.

(2) A rail carrier of passengers may limit its liability under its passenger rate for loss or injury of baggage carried on trains carrying passengers.
(3) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part may establish rates for transportation of property under which—

(A) the liability of the rail carrier for such property is limited to a value established by written declaration of the shipper or by a written agreement between the shipper and the carrier;

(B) specified amounts are deducted, pursuant to a written agreement between the shipper and the carrier, from any claim against the carrier with respect to the transportation of such property.

(d)(1) A civil action under this section may be brought in a district court of the United States or in a State court.

(2)(A) A civil action under this section may only be brought—

(i) against the originating rail carrier, in the judicial district in which the point of origin is located;

(ii) against the delivering rail carrier, in the judicial district in which the principal place of business of the person bringing the action is located if the delivering carrier operates a railroad or a route through such judicial district, or in the judicial district in which the point of destination is located; and

(iii) against the carrier alleged to have caused the loss or damage, in the judicial district in which such loss or damage is alleged to have occurred.

(B) In this section, “judicial district” means (i) in the case of a United States district court, a judicial district of the United States, and (ii) in the case of a State court, the applicable geographic area over which such court exercises jurisdiction.

(e) A rail carrier may not provide by rule, contract, or otherwise, a period of less than 9 months for filing a claim against it under this section and a period of less than 2 years for bringing a civil action against it under this section. The period for bringing a civil action is computed from the date the carrier gives a written notice that the carrier has disallowed any part of the claim specified in the notice. For the purposes of this subsection—

(1) an offer of compromise shall not constitute a disallowance of any part of the claim unless the carrier, in writing, informs the claimant that such part of the claim is disallowed and provides reasons for such disallowance; and

(2) communications received from a carrier’s insurer shall not constitute a disallowance of any part of the claim unless the insurer, in writing, informs the claimant that such part of the claim is disallowed, provides reasons for such disallowance, and informs the claimant that the insurer is acting on behalf of the carrier.

§11707. Liability when property is delivered in violation of routing instructions

(a)(1) When a rail carrier providing transportation subject to the jurisdiction of the Board under this part diverts or delivers property to another rail carrier in violation of routing instructions in the bill of lading, both of those rail carriers are jointly and severally liable to the rail carrier that was deprived of its right to participate in hauling that property for the total amount of the rate it would have received if it participated in hauling the property.

(2) A rail carrier is not liable under paragraph (1) of this subsection when it diverts or delivers property in compliance with an order or regulation of the Board.

(3) A rail carrier to whom property is transported is not liable under this subsection if it shows that it had no notice of the routing instructions before transporting the property. The burden of proving lack of notice is on that rail carrier.

(b) The court shall award a reasonable attorney’s fee to the plaintiff in a judgment against the defendant rail carrier under subsection (a) of this section. The court shall tax and collect that fee as a part of the costs of the action.

Prior Provisions

Provisions similar to those in this section were contained in section 11710 of this title prior to the general amendment of this subtitle by Pub. L. 105–112, Dec. 29, 1995, 109 Stat. 841.

Sec.
11901. General civil penalties.
11902. Interference with railroad car supply.
11903. Record keeping and reporting violations.
11904. Unlawful disclosure of information.
11905. Disobedience to subpoenas.
11906. General criminal penalty when specific penalty not provided.
11907. Punishment of corporation for violations committed by certain individuals.
11908. Relation to other Federal criminal penalties.

§ 11901. General civil penalties

(a) Except as otherwise provided in this section, a rail carrier providing transportation subject to the jurisdiction of the Board under this part, an officer or agent of that rail carrier, or a receiver, trustee, lessee, or agent of one of them, knowingly violating this part or an order of the Board under this part is liable to the United States Government for a civil penalty of not more than $5,000 for each violation. Liability under this subsection is incurred for each distinct violation. A separate violation occurs for each day the violation continues.

(b) A rail carrier providing transportation subject to the jurisdiction of the Board under this part, or a receiver or trustee of that rail carrier, violating a regulation or order of the Board under section 11124(a)(2) or (b) of this title is liable to the United States Government for a civil penalty of $500 for each violation and for $25 for each day the violation continues.

(c) A person knowingly authorizing, consenting to, or permitting a violation of sections 10901 through 10906 of this title or of a requirement, or a regulation under any of those sections, is liable to the United States Government for a civil penalty of not more than $5,000.

(d) A rail carrier, receiver, or operating trustee violating an order or direction of the Board under section 11123 or 11124(a)(1) of this title is liable to the United States Government for a civil penalty of at least $100 but not more than $500 for each violation and for $50 for each day the violation continues.

(e)(1) A person required under subchapter III of chapter 111 of this title to make, prepare, preserve, or submit that record as required under that subchapter, is liable to the United States Government for a civil penalty of not more than $500 for each violation.

(2) A rail carrier providing transportation subject to the jurisdiction of the Board under this part, a lessor, receiver, or trustee of that rail carrier, violating section 11144(b)(2) of this title, is liable to the United States Government for a civil penalty of $100 for each violation.

(3) A rail carrier providing transportation subject to the jurisdiction of the Board under this part, a lessor, receiver, or trustee of that rail carrier, a person furnishing cars, and an officer, agent, or employee of one of them, required to make a report to the Board or answer a question that does not make the report or does not specifically, completely, and truthfully answer the question, is liable to the United States Government for a civil penalty of $100 for each violation.

(4) A separate violation occurs for each day a violation under this subsection continues.

(f) Trial in a civil action under subsections (a) through (e) of this section is in the judicial district in which the rail carrier has its principal operating office or in a district through which the railroad of the rail carrier runs.

PRIOR PROVISIONS

EFFECTIVE DATE

§ 11902. Interference with railroad car supply

(a) A person that offers or gives anything of value to another person acting for or employed by a rail carrier providing transportation subject to the jurisdiction of the Board under this part intending to influence an action of that other person related to supply, distribution, or movement of cars, vehicles, or vessels used in the transportation of property, or because of the action of that other person, shall be fined not more than $1,000, imprisoned for not more than 2 years, or both.

(b) A person acting for or employed by a rail carrier providing transportation subject to the jurisdiction of the Board under this part that solicits, accepts, or receives anything of value—

(1) intending to be influenced by it in an action of that person related to supply, distribution, or movement of cars, vehicles, or vessels used in the transportation of property; or

(2) because of the action of that person,

shall be fined not more than $1,000, imprisoned for not more than 2 years, or both.

§ 11903. Record keeping and reporting violations

A person required to make a report to the Board, or make, prepare, or preserve a record, under subchapter III of chapter 111 of this title about transportation subject to the jurisdiction of the Board under this part that knowingly and willfully—

(1) makes a false entry in the report or record;
(2) destroys, mutilates, changes, or by another means falsifies the record;
(3) does not enter business related facts and transactions in the record;
(4) makes, prepares, or preserves the record in violation of a regulation or order of the Board; or
(5) files a false report or record with the Board,

shall be fined not more than $5,000, imprisoned for not more than 2 years, or both.

HISTORICAL AND REVISION NOTES

PUBL. L. 105–102

This amends 49:11904(a)(2) to correct a grammatical error.

PRIOR PROVISIONS

§ 11904. Unlawful disclosure of information

(a) A—

(1) rail carrier providing transportation subject to the jurisdiction of the Board under this part, or an officer, agent, or employee of that rail carrier, or another person authorized to receive information from that rail carrier, that knowingly discloses to another person, except the shipper or consignee, or
(2) person who solicits or knowingly receives,

information described in subsection (b) without the consent of the shipper or consignee shall be fined not more than $1,000.

(b) The information referred to in subsection (a) is information about the nature, kind, quantity, destination, consignee, or routing of property tendered or delivered to that rail carrier for transportation provided under this part, or information about the contents of a contract authorized under section 10709 of this title, that may be used to the detriment of the shipper or consignee or may disclose improperly, to a competitor, the business transactions of the shipper or consignee.

(c) This part does not prevent a rail carrier providing transportation subject to the jurisdiction of the Board under this part from giving information—

(1) in response to legal process issued under authority of a court of the United States or a State;
(2) to an officer, employee, or agent of the United States Government, a State, or a territory or possession of the United States; or
(3) to another rail carrier or its agent to adjust mutual traffic accounts in the ordinary course of business.

(d) An employee of the Board delegated to make an inspection or examination under section 11144 of this title who knowingly discloses information acquired during that inspection or examination, except as directed by the Board, a court, or a judge of that court, shall be fined not more than $500, imprisoned for not more than 6 months, or both.

(e) A person that knowingly discloses confidential data made available to such person under section 11163 of this title by a rail carrier providing transportation subject to the jurisdiction of the Board under this part shall be fined not more than $50,000.

1997—Subsec. (a)(2), Pub. L. 105–102 struck out "a:” before "person”.

§ 11905. Disobedience to subpoenas

A person not obeying a subpoena or requirement of the Board to appear and testify or produce records shall be fined at least $100 but not more than $5,000, imprisoned for not more than one year, or both.

PRIOR PROVISIONS

AMENDMENTS

§ 11906. General criminal penalty when specific penalty not provided

When another criminal penalty is not provided under this chapter, a rail carrier providing transportation subject to the jurisdiction of the Board under this part, and when that rail carrier is a corporation, a director or officer of the corporation, or a receiver, trustee, lessee, or person acting for or employed by the corporation that, alone or with another person, willfully violates this part or an order prescribed under this part, court shall be fined not more than $5,000. The person may be imprisoned for not more than 2 years in addition to being fined under this section. A separate violation occurs each day a violation of this part continues.
§ 11907. Punishment of corporation for violations committed by certain individuals

An act or omission that would be a violation of this part if committed by a director, officer, receiver, trustee, lessee, agent, or employee of a railroad carrier providing transportation or service subject to the jurisdiction of the Board under this part that is a corporation is also a violation of this part by that corporation. The penalties of this chapter apply to that violation. When acting in the scope of their employment, the actions and omissions of individuals acting for or employed by that railroad carrier are considered to be the actions and omissions of that railroad carrier as well as that individual.

Amendments

CHAPTER 131—GENERAL PROVISIONS

Sec. 13101. Transportation policy.
13102. Definitions.
13103. Remedies as cumulative.

Ammendments

§ 13101. Transportation policy

(a) IN GENERAL.—To ensure the development, coordination, and preservation of a transportation system that meets the transportation needs of the United States, including the United States Postal Service and national defense, it is the policy of the United States Government to oversee the modes of transportation and—

(1) in overseeing those modes—

(A) to recognize and preserve the inherent advantage of each mode of transportation;

(B) to promote safe, adequate, economical, and efficient transportation;
(C) to encourage sound economic conditions in transportation, including sound economic conditions among carriers;
(D) to encourage the establishment and maintenance of reasonable rates for transportation, without unreasonable discrimination or unfair or destructive competitive practices;
(E) to cooperate with each State and the officials of each State on transportation matters; and
(F) to encourage fair wages and working conditions in the transportation industry;
(2) in overseeing transportation by motor carrier, to promote competitive and efficient transportation services in order to—
(A) encourage fair competition, and reasonable rates for transportation by motor carriers of property;
(B) promote efficiency in the motor carrier transportation system and to require fair and expeditious decisions when required;
(C) meet the needs of shippers, receivers, passengers, and consumers;
(D) allow a variety of quality and price options to meet changing market demands and the diverse requirements of the shipping and traveling public;
(E) allow the most productive use of equipment and energy resources;
(F) enable efficient and well-managed carriers to earn adequate profits, attract capital, and maintain fair wages and working conditions;
(G) provide and maintain service to small communities and small shippers and intrastate bus services;
(H) provide and maintain commuter bus operations;
(I) improve and maintain a sound, safe, and competitive privately owned motor carrier system;
(J) promote greater participation by minorities in the motor carrier system;
(K) promote intermodal transportation;
(3) in overseeing transportation by motor carrier of passengers—
(A) to cooperate with the States on transportation matters for the purpose of encouraging the States to exercise intrastate regulatory jurisdiction in accordance with the objectives of this part;
(B) to provide Federal procedures which ensure that intrastate regulation is exercised in accordance with this part; and
(C) to ensure that Federal reform initiatives enacted by section 31138 and the Bus Regulatory Reform Act of 1982 are not nullified by State regulatory actions; and
(4) in overseeing transportation by water carriers, to encourage and promote service and price competition in the noncontiguous domestic trade.

(b) ADMINISTRATION TO CARRY OUT POLICY.—This part shall be administered and enforced to carry out the policy of this section and to promote the public interest.

§ 13102

TITe 49—TRANSPORTATION

**Definitions**

§13103. Remedies as cumulative

Except as otherwise provided in this part, the remedies provided under this part are in addition to remedies existing under another law or common law.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10321 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

CHAPTER 133—ADMINISTRATIVE PROVISIONS

Sec. 13301. Powers.
13302. Intervention.
13303. Service of notice in proceedings.
13304. Service of process in court proceedings.

§ 13301. Powers
(a) GENERAL POWERS OF SECRETARY.—Except as otherwise specified, the Secretary may carry out this part. Enumeration of a power of the Secretary in this part does not exclude another power the Secretary may have in carrying out this part. The Secretary may prescribe regulations in carrying out this part.
(b) OBTAINING INFORMATION.—The Secretary may obtain from carriers providing, and brokers for, transportation and service subject to this part, and from persons controlling, controlled by, or under common control with those carriers or brokers to the extent that the business of that person is related to the management of the business of that carrier or broker, information the Secretary decides is necessary to carry out this part.
(c) SUBPOENA POWER.—
(1) BY SECRETARY.—The Secretary may subpoena witnesses and records related to a proceeding under this part from any place in the United States, to the designated place of the proceeding. If a witness disobeys a subpoena, the Secretary, or a party to a proceeding under this part, may petition a court of the United States to enforce that subpoena.
(2) ENFORCEMENT.—The district courts of the United States have jurisdiction to enforce a subpoena issued under this section. Trial is in the district in which the proceeding is conducted. The court may punish a refusal to obey a subpoena as a contempt of court.
(d) TESTIMONY OF WITNESSES.—
(1) PROCEDURE FOR TAKING TESTIMONY.—In a proceeding under this part, the Secretary may take the testimony of a witness by deposition and may order the witness to produce records. A party to a proceeding pending under this part may take the testimony of a witness by deposition and may require the witness to produce records at any time after a proceeding is at issue on petition and answer.
(2) SUBPOENA.—If a witness fails to be deposited or to produce records under paragraph (1) of this subsection, the Secretary may subpoena the witness to take a deposition, produce the records, or both.
(3) DEPOSITIONS.—A deposition may be taken before a judge of a court of the United States, a United States magistrate judge, a clerk of a district court, or a chancellor, justice, or judge of a supreme or superior court, mayor or chief magistrate of a city, judge of a county court, or court of common pleas of any State, or a notary public who is not counsel or attorney of a party or interested in the proceeding.
(4) NOTICE OF DEPOSITION.—Before taking a deposition, reasonable notice must be given in writing by the party or the attorney of that party proposing to take a deposition to the opposing party or the attorney of record of that party, whoever is nearest. The notice shall state the name of the witness and the time and place of taking the deposition.
(5) TRANSCRIPT.—The testimony of a person deposed under this subsection shall be taken under oath. The person taking the deposition shall prepare, or cause to be prepared, a transcript of the testimony taken. The transcript shall be subscribed by the deponent.
(6) FOREIGN COUNTRY.—The testimony of a witness who is in a foreign country may be taken by deposition before an officer or person designated by the Secretary or agreed on by the parties by written stipulation filed with the Secretary. A deposition shall be filed with the Secretary promptly.
(e) WITNESS FEES.—Each witness summoned before the Secretary or whose deposition is taken under this section and the individual taking the deposition are entitled to the same fees and mileage paid for those services in the courts of the United States.
(f) POWERS OF BOARD.—For those provisions of this part that are specified to be carried out by the Board, the Board shall have the same powers as the Secretary has under this section.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10322 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

EFFECTIVE DATE

§ 13302. Intervention
Under regulations of the Secretary, reasonable notice of, and an opportunity to intervene and participate in, a proceeding under this part related to transportation subject to jurisdiction under subchapter I of chapter 135 shall be given to interested persons.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10326 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 13303. Service of notice in proceedings
(a) AGENTS FOR SERVICE OF PROCESS.—A carrier, a broker, or a freight forwarder providing transportation or service subject to jurisdiction under chapter 135 shall designate, in writing, an agent by name and post office address on whom service of notices in a proceeding before, and of actions of, the Secretary may be made.
(b) FILING WITH STATE.—A motor carrier providing transportation under this part shall also file the designation with the appropriate author-
ity of each State in which it operates. The designation may be changed at any time in the same manner as originally made.

(c) Notice.—A notice to a motor carrier, freight forwarder, or broker shall be served personally or by mail on the motor carrier, freight forwarder, or broker or on its designated agent. Service by mail on the designated agent shall be made at the address filed for the agent. When notice is given by mail, the date of mailing is considered to be the time when the notice is served. If a motor carrier, freight forwarder, or broker does not have a designated agent, service may be made by posting a copy of the notice at the headquarters of the Department of Transportation.

13531. General jurisdiction.

SUBCHAPTER IV—AUTHORITY TO EXEMPT

13541. Authority to exempt transportation or services.

§13501. General jurisdiction

The Secretary and the Board have jurisdiction, as specified in this part, over transportation by motor carrier and the procurement of that transportation, to the extent that passengers, property, or both, are transported by motor carrier—

(1) between a place in—

(A) a State and a place in another State;

(B) a State and another place in the same State through another State;

(C) the United States and another place in the same State through another State;

(D) the United States and another place in the United States through a foreign country to the extent the transportation is in the United States;

(2) in a reservation under the exclusive jurisdiction of the United States or on a public highway.

Prior Provisions

Provisions similar to those in this section were contained in section 10321 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Effective Date

§13502. Exempt transportation between Alaska and other States

To the extent that transportation by a motor carrier between a place in Alaska and a place in another State under section 13501 is provided in a foreign country—

(1) neither the Secretary nor the Board has jurisdiction to impose a requirement over conduct of the motor carrier in the foreign country conflicting with a requirement of that country; but

(2) the motor carrier, as a condition of providing transportation in the United States, shall comply, with respect to all transportation provided between Alaska and the other
§ 13503. Exempt motor vehicle transportation in terminal areas

(a) TRANSPORTATION BY CARRIERS.—

(1) IN GENERAL.—Neither the Secretary nor the Board has jurisdiction under this subchapter over transportation by motor vehicle provided in a terminal area when the transportation—

(A) is a transfer, collection, or delivery;
(B) is provided by—

(i) a rail carrier subject to jurisdiction under chapter 106;
(ii) a water carrier subject to jurisdiction under subchapter II of this chapter; or
(iii) a freight forwarder subject to jurisdiction under subchapter III of this chapter;

(C) is incidental to transportation or service provided by the carrier or freight forwarder that is subject to jurisdiction under chapter 105 of this title or under subchapter II or III of this chapter.

(2) APPLICABILITY OF OTHER PROVISIONS.—Transportation exempt from jurisdiction under paragraph (1) of this subsection is subject to jurisdiction under this part over—

(A) a transfer, collection, or delivery; and

(B) is provided by a person as an agent or member of such corporate family.

(b) TRANSPORTATION BY AGENT.—

(1) IN GENERAL.—Except to the extent provided by paragraph (2) of this subsection, neither the Secretary nor the Board has jurisdiction under this subchapter over transportation by motor vehicle provided in a terminal area when the transportation—

(A) is a transfer, collection, or delivery; and

(B) is provided by a person as an agent or under other arrangement for—

(i) a rail carrier subject to jurisdiction under chapter 106 of this title;
(ii) a motor carrier subject to jurisdiction under this subchapter;
(iii) a water carrier subject to jurisdiction under subchapter II of this chapter; or
(iv) a freight forwarder subject to jurisdiction under subchapter III of this chapter.

(2) TREATMENT OF TRANSPORTATION BY PRINCIPAL.—Transportation exempt from jurisdiction under paragraph (1) of this subsection is considered transportation provided by the carrier or service provided by the freight forwarder for whom the transportation was provided and is subject to jurisdiction under chapter 105 of this title when provided for such a rail carrier, under this subchapter when provided for such a motor carrier, under subchapter II of this chapter when provided for such a water carrier, and under subchapter III of this chapter when provided for such a freight forwarder.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10522 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 13504. Exempt motor carrier transportation entirely in one State

Neither the Secretary nor the Board has jurisdiction under this subchapter over transportation, except transportation of household goods, by a motor carrier operating solely within the State of Hawaii. The State of Hawaii may regulate transportation exempt from jurisdiction under this section and, to the extent provided by a motor carrier operating solely within the State of Hawaii, transportation exempt under section 13503 of this title.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10523 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 13505. Transportation furthering a primary business

(a) IN GENERAL.—Neither the Secretary nor the Board has jurisdiction under this part over the transportation of property by motor vehicle when—

(1) the property is transported by a person engaged in a business other than transportation; and

(2) the transportation is within the scope of, and furthers a primary business (other than transportation) of the person.

(b) CORPORATE FAMILIES.—

(1) IN GENERAL.—Neither the Secretary nor the Board has jurisdiction under this part over transportation of property by motor vehicle for compensation provided by a person who is a member of a corporate family for other members of such corporate family.

(2) DEFINITION.—In this section, “corporate family” means a group of corporations consisting of a parent corporation and all subsidiaries in which the parent corporation owns directly or indirectly a 100 percent interest.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10524 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 13506. Miscellaneous motor carrier transportation exemptions

(a) IN GENERAL.—Neither the Secretary nor the Board has jurisdiction under this part over—
(1) a motor vehicle transporting only school children and teachers to or from school;
(2) a motor vehicle providing taxicab service;
(3) a motor vehicle owned or operated by or for a hotel and only transporting hotel patrons between the hotel and the local station of a carrier;
(4) a motor vehicle controlled and operated by a farmer and transporting—
   (A) the farmer’s agricultural or horticultural commodities and products; or
   (B) supplies to the farm of the farmer;
(5) a motor vehicle controlled and operated by a cooperative association (as defined by section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a))) or by a federation of cooperative associations if the federation has no greater power or purposes than a cooperative association, except that if the cooperative association or federation provides transportation for compensation between a place in a State and a place in another State, or between a place in a State and another place in the same State through another State—
   (A) for a nonmember that is not a farmer, cooperative association, federation, or the United States Government, the transportation (except for transportation otherwise exempt under this subchapter)—
      (i) shall be limited to transportation incidental to the primary transportation operation of the cooperative association or federation and necessary for its effective performance; and
      (ii) may not exceed in each fiscal year 25 percent of the total transportation of the cooperative association or federation between those places, measured by tonnage; and
   (B) the transportation for all nonmembers may not exceed in each fiscal year, measured by tonnage, the total transportation between those places for the cooperative association or federation and its members during that fiscal year;
(6) transportation by motor vehicle of—
   (A) ordinary livestock;
   (B) agricultural or horticultural commodities (other than manufactured products thereof);
   (C) commodities listed as exempt in the Commodity List incorporated in ruling numbered 107, March 19, 1958, Bureau of Motor Carriers, Interstate Commerce Commission, other than frozen fruits, frozen berries, frozen vegetables, cocoa beans, coffee beans, tea, bananas, or hemp, or wool imported from a foreign country, wool tops and noils, or wool waste (carded, spun, woven, or knitted);
   (D) cooked or uncooked fish, whether breaded or not, or frozen or fresh shellfish, or byproducts thereof not intended for human consumption, other than fish or shellfish that have been treated for preserving, such as canned, smoked, pickled, spiced, corned, or kippered products; and
   (E) livestock and poultry feed and agricultural seeds and plants, if such products (excluding products otherwise exempt under this paragraph) are transported to a site of agricultural production or to a business enterprise engaged in the sale to agricultural producers of goods used in agricultural production;
(7) a motor vehicle used only to distribute newspapers;
(8) (A) transportation of passengers by motor vehicle incidental to transportation by aircraft;
   (B) transportation of property (including baggage) by motor vehicle as part of a continuous movement which, prior or subsequent to such part of the continuous movement, has been or will be transported by an air carrier or (to the extent so agreed by the United States and approved by the Secretary) by a foreign air carrier; or
(9) transportation of property by motor vehicle in lieu of transportation by aircraft because of adverse weather conditions or mechanical failure of the aircraft or other causes due to circumstances beyond the control of the carrier or shipper;
(9) the operation of a motor vehicle in a national park or national monument;
(10) a motor vehicle carrying not more than 15 individuals in a single, daily roundtrip to commute to and from work;
(11) transportation of used pallets and used empty shipping containers (including intermodal cargo containers), and other used shipping devices (other than containers or devices used in the transportation of motor vehicles or parts of motor vehicles);
(12) transportation of natural, crushed, vesicular rock to be used for decorative purposes;
(13) transportation of wood chips;
(14) brokers for motor carriers of passengers, except as provided in section 13904(d); or
(15) transportation of broken, crushed, or powdered glass.
(b) EXEMPT UNLESS OTHERWISE NECESSARY.—
Except to the extent the Secretary or Board, as applicable, finds it necessary to exercise jurisdiction to carry out the transportation policy of section 13101, neither the Secretary nor the Board has jurisdiction under this part over—
(1) transportation provided entirely in a municipality, in contiguous municipalities, or in a zone that is adjacent to, and commercially a part of, the municipality or municipalities, except—
   (A) when the transportation is under common control, management, or arrangement for a continuous carriage or shipment to or from a place outside the municipality, municipalities, or zone; or
   (B) that in transporting passengers over a route between a place in a State and a place in another State, or between a place in a State and another place in the same State through another State, the transportation is exempt from jurisdiction under this part only if the motor carrier operating the motor vehicle also is lawfully providing intrastate transportation of passengers over the entire route under the laws of each State through which the route runs;

(2) transportation by motor vehicle provided casually, occasionally, or reciprocally but not as a regular occupation or business, except when a broker or other person sells or offers for sale passenger transportation provided by a person authorized to transport passengers by motor vehicle under an application pending, or registration issued, under this part; or

(3) the emergency towing of an accidentally wrecked or disabled motor vehicle.

HISTORICAL AND REVISION NOTES

Pub. L. 105–102

This amends 49:13506(a)(5) to correct a grammatical error.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10526 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

AMENDMENTS

2002—Subsec. (a)(2). Pub. L. 107–298 amended par. (2) generally. Prior to amendment, par. (2) read as follows: "a motor vehicle providing taxicab service and having a capacity of not more than 6 passengers and not operated on a regular route or between specified places;".

ABOLITION OF INTERSTATE COMMERCE COMMISSION

§ 13507. Mixed loads of regulated and unregulated property

A motor carrier of property providing transportation exempt from jurisdiction under paragraph (6), (8), (11), (12), or (13) of section 13506(a) may transport property under such paragraph in the same vehicle and at the same time as property which the carrier is authorized to transport under a registration issued under section 13902(a). Such transportation shall not affect the unregulated status of such exempt property or the regulated status of the property which the carrier is authorized to transport under such registration.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10526 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 13508. Limited authority over cooperative associations

(a) In general.—Notwithstanding section 13506(a)(5), any cooperative association (as defined by section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a))) or a federation of cooperative associations shall prepare and maintain such records relating to transportation provided by such association or federation, in such form as the Secretary or the Board may require by regulation to carry out the provisions of such section 13506(a)(5). The Secretary or the Board, or an employee designated by the Secretary or the Board, may on demand and display of proper credentials—

(1) inspect and examine the lands, buildings, and equipment of such association or federation; and

(2) inspect and copy any record of such association or federation.

(b) Reports.—Notwithstanding section 13506(a)(5), the Secretary or the Board may require a cooperative association or federation of cooperative associations described in subsection (a) of this section to file reports with the Secretary or the Board containing answers to questions about transportation provided by such association or federation.

(c) Enforcement.—The Secretary or the Board may bring a civil action to enforce subsections (a) and (b) of this section or a regulation or order of the Secretary or the Board issued under this section, when violated by a cooperative association or federation of cooperative associations described in subsection (a).

(d) Reporting Penalties.—

(1) In general.—A person required to make a report to the Secretary or the Board, answer a question, or maintain a record under this section, or an officer, agent, or employee of that person, that—

(A) does not make the report;

(B) does not specifically, completely, and truthfully answer the question; or

(C) does not maintain the record in the form and manner prescribed under this section;

is liable to the United States for a civil penalty of not more than $500 for each violation and for not more than $250 for each additional day the violation continues.

(2) Venue.—Trial in a civil action under paragraph (1) shall be in the judicial district in which—

(A) the cooperative association or federation of cooperative associations has its principal office;

(B) the violation occurred; or

(C) the offender is found.

Process in the action may be served in the judicial district of which the offender is an inhabitant or in which the offender may be found.

(e) Evasion Penalties.—A person, or an officer, employee, or agent of that person, that by any means knowingly and willfully tries to evade compliance with the provisions of this section shall be fined at least $200 but not more than $500 for the first violation and at least $250 but not more than $2,000 for a subsequent violation.

(f) Recordkeeping Penalties.—A person required to make a report, answer a question, or maintain a record under this section, or an officer, agent, or employee of that person, that—

(1) willfully does not make that report;

(2) willfully does not specifically, completely, and truthfully answer that question in 30 days from the date that the question is required to be answered;
(3) willfully does not maintain that record in the form and manner prescribed;  
(4) knowingly and willfully falsifies, destroys, mutilates, or changes that report or record;  
(5) knowingly and willfully files a false report or record under this section;  
(6) knowingly and willfully makes a false or incomplete entry in that record about a business-related fact or transaction; or  
(7) knowingly and willfully maintains a record in violation of a regulation or order issued under this section;  
shall be fined not more than $5,000.  

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10529 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

SUBCHAPTER II—WATER CARRIER TRANSPORTATION

§ 13521. General jurisdiction
(a) GENERAL RULES.—The Secretary and the Board have jurisdiction over transportation insofar as water carriers are concerned—  
(1) by water carrier between a place in a State and a place in another State, even if part of the transportation is outside the United States;  
(2) by water carrier and motor carrier from a place in a State to a place in another State; except that if part of the transportation is outside the United States, the Secretary only has jurisdiction over that part of the transportation provided—  
(A) by motor carrier that is in the United States; and  
(B) by water carrier that is from a place in the United States to another place in the United States; and  
(3) by water carrier or by water carrier and motor carrier between a place in the United States and a place outside the United States, to the extent that—  
(A) when the transportation is by motor carrier, the transportation is provided in the United States;  
(B) when the transportation is by water carrier to a place outside the United States, the transportation is provided by water carrier from a place in the United States to another place in the United States before transshipment from a place in the United States to a place outside the United States; and  
(C) when the transportation is by water carrier from a place outside the United States, the transportation is provided by water carrier from a place in the United States to another place in the United States after transshipment to a place in the United States from a place outside the United States.  
(b) DEFINITIONS.—In this section, the terms “State” and “United States” include the territories and possessions of the United States.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10561 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

SUBCHAPTER III—FREIGHT FORWARDER SERVICE

§ 13531. General jurisdiction
(a) IN GENERAL.—The Secretary and the Board have jurisdiction, as specified in this part, over service that a freight forwarder undertakes to provide, or is authorized or required under this part to provide, to the extent transportation is provided in the United States and is between—  
(1) a place in a State and a place in another State, even if part of the transportation is outside the United States;  
(2) a place in a State and another place in the same State through a place outside the State; or  
(3) a place in the United States and a place outside the United States.  

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10561 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

SUBCHAPTER IV—AUTHORITY TO EXEMPT

§ 13541. Authority to exempt transportation or services
(a) IN GENERAL.—In any matter subject to jurisdiction under this part, the Secretary or the Board, as applicable, shall exempt a person, class of persons, or a transaction or service from the application, in whole or in part, of a provision of this part as it applies to such person, class, transaction, or service, when the Secretary or Board finds that the application of that provision—  
(1) is not necessary to carry out the transportation policy of section 13101;  
(2) is not needed to protect shippers from the abuse of market power or that the transaction or service is of limited scope; and  
(3) is in the public interest.  
(b) INITIATION OF PROCEEDING.—The Secretary or Board, as applicable, may, where appropriate, begin a proceeding under this section on the Secretary’s or Board’s own initiative or on application by an interested party.

(c) PERIOD OF EXEMPTION.—The Secretary or Board, as applicable, may specify the period of time during which an exemption granted under this section is effective.
§ 13701. Requirements for reasonable rates, classifications, through routes, rules, and practices for certain transportation

(a) Reasonableness.—

PRIOR PROVISIONS

Provisions similar to those in this section were contained in sections 10701, 10704, and 10705 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

EFFECTIVE DATE

§13702. Tariff requirement for certain transportation

(a) In General.—Except when providing transportation for charitable purposes without charge, a carrier subject to jurisdiction under chapter 135 may provide transportation or service that is—

(1) in noncontiguous domestic trade, except with regard to bulk cargo, forest products, recycled metal scrap, waste paper, and paper waste; or

(2) for movement of household goods;

only if the rate for such transportation or service is contained in a tariff that is in effect under this section. The carrier may not charge or receive a different compensation for the transportation or service than the rate specified in the tariff, whether by returning a part of that rate to a person, giving a person a privilege, allowing the use of a facility that affects the value of that transportation or service, or another device. A rate contained in a tariff shall be stated in money of the United States.

(b) Tariff Requirements for Noncontiguous Domestic Trade.—

(1) Filing.—A carrier providing transportation or service described in subsection (a)(1) shall publish and file with the Board tariffs containing the rates established for such transportation or service. The carriers shall keep such tariffs available for public inspection. The Board shall prescribe the form and manner of publishing, filing, and keeping tariffs available for public inspection under this subsection.

(2) Contents.—The Board may prescribe any specific information and charges to be identified in a tariff, but at a minimum tariffs must identify plainly—

(A) the carriers that are parties to it;

(B) the places between which property will be transported;

(C) terminal charges if a carrier provides transportation or service subject to jurisdiction under subchapter III of chapter 135;

(D) privileges given and facilities allowed; and

(E) any rules that change, affect, or determine any part of the published rate.

(3) Inland Divisions.—A carrier providing transportation or service described in subsection (a)(1) under a joint rate for a through movement shall not be required to state separately or otherwise reveal in tariff filings the inland divisions of that through rate.

(4) Time-Volume Rates.—Rates in tariffs filed under this subsection may vary with the volume of cargo offered over a specified period of time.

(5) Changes.—The Board may permit carriers to change rates, classifications, rules, and practices without filing complete tariffs under this subsection if the change is not being changed when the Board finds that action to be consistent with the public interest. Those carriers may either—

(A) publish new tariffs that incorporate changes, or

(B) plainly indicate the proposed changes in the tariffs then in effect and make the tariffs as changed available for public inspection.

(6) Complaints.—A complaint that a rate or related rule or practice maintained in a tariff under this subsection violates section 13701(a) may be submitted to the Board for resolution.

(c) Tariff Requirements for Household Goods Carriers.—

(1) In General.—A carrier providing transportation described in subsection (a)(2) shall maintain rates and related rules and practices in a published tariff. The tariff must be available for inspection by the Board and be made available for inspection by shippers upon reasonable request.

(2) Notice of Availability.—A carrier that maintains a tariff under this subsection may not enforce the provisions of the tariff unless the carrier has given notice that the tariff is available for inspection in its bill of lading or by other actual notice to individuals whose shipments are subject to the tariff.

(3) Requirements.—A carrier that maintains a tariff under this subsection is bound by the tariff except as otherwise provided in this part. A tariff that does not comply with this subsection may not be enforced against any individual shipper.

(4) Incorporation by Reference.—A carrier may incorporate by reference the rates, terms, and other conditions of a tariff in agreements covering the transportation of household goods.

(5) Complaints.—A complaint that a rate or related rule or practice maintained in a tariff under this subsection violates section 13701(a) may be submitted to the Board for resolution.

(d) Invalidation.—The Board may invalidate a tariff prepared by a carrier or carriers under this section if that tariff violates this section or a regulation of the Board carrying out this section.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in sections 10761 and 10762 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§13703. Certain collective activities; exemption from antitrust laws

(a) Agreements.—

(1) Authority to Enter.—A motor carrier providing transportation or service subject to
jurisdiction under chapter 135 may enter into an agreement with one or more such carriers to establish—
(A) through routes and joint rates;
(B) rates for the transportation of household goods;
(C) classifications;
(D) mileage guides;
(E) rules;
(F) divisions;
(G) rate adjustments of general application based on industry average carrier costs (so long as there is no discussion of individual markets or particular single-line rates); or
(H) procedures for joint consideration, initiation, or establishment of matters described in subparagraphs (A) through (G).
(2) SUBMISSION OF AGREEMENT TO BOARD; APPROVAL.—An agreement entered into under paragraph (1) may be submitted by any carrier or carriers that are parties to such agreement to the Board for approval and may be approved by the Board only if it finds that such agreement is in the public interest.

(3) CONDITIONS.—The Board may require compliance with reasonable conditions consistent with this part to assure that the agreement furthers the transportation policy set forth in section 13101.

(4) INDEPENDENTLY ESTABLISHED RATES.—Any carrier which is a party to an agreement under paragraph (1) is not, and may not be, precluded from independently establishing its own rates, classification, and mileages or from adopting and using a noncollectively made classification or mileage guide.

(5) INVESTIGATIONS.—
(A) REASONABLENESS.—The Board may suspend and investigate the reasonableness of any rate, rule, classification, or rate adjustment of general application made pursuant to an agreement under this section.
(B) ACTIONS NOT IN THE PUBLIC INTEREST.—The Board may investigate any action taken pursuant to an agreement approved under this section. If the Board finds that the action is not in the public interest, the Board may take such measures as may be necessary to protect the public interest with regard to the action, including issuing an order directing the parties to cease and desist or modify the action.

(6) EFFECT OF APPROVAL.—If the Board approves the agreement or renews approval of the agreement, it may be made and carried out under its terms and under the conditions required by the Board, and the antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12), do not apply to parties and other persons with respect to making or carrying out the agreement.

(b) RECORDS.—The Board may require an organization established or continued under an agreement approved under this section to maintain records and submit reports. The Board, or its delegate, may inspect a record maintained under this section, or monitor any organization's compliance with this section.

(c) REVIEW.—

(1) IN GENERAL.—The Board may review an agreement approved under this section, on its own initiative or on request, and shall change the conditions of approval or terminate it when necessary to protect the public interest. Action of the Board under this section—
(A) approving an agreement,
(B) denying, ending, or changing approval,
(C) prescribing the conditions on which approval is granted, or
(D) changing those conditions,
has effect only as related to application of the antitrust laws referred to in subsection (a).

(2) PERIODIC REVIEW OF APPROVALS.—Subject to this section, in the 5-year period beginning on the date of the enactment of this paragraph and in each 5-year period thereafter, the Board shall initiate a proceeding to review any agreement approved pursuant to this section. Any such agreement shall be continued unless the Board determines otherwise.

(d) EXISTING AGREEMENTS.—
(1) AGREEMENTS EXISTING AS OF DECEMBER 31, 1995.—Agreements approved under former section 10706(b) and in effect on December 31, 1995, shall be treated for purposes of this section as approved by the Board under this section beginning on January 1, 1996.

(2) CASES PENDING AS OF DATE OF THE ENACTMENT.—Nothing in section 227 (other than subsection (b)) of the Motor Carrier Safety Improvement Act of 1999, including the amendments made by such Act, shall be construed as creating any obligation for a shipper based solely on a classification that was on file with the Interstate Commerce Commission or elsewhere on December 31, 1995.

(e) LIMITATIONS ON STATUTORY CONSTRUCTION.—
(1) UNDERCHARGE CLAIMS.—Nothing in this section shall serve as a basis for any undercharge claim.

(2) OBLIGATION OF SHIPPER.—Nothing in this title, the ICC Termination Act of 1995, or any amendments or repeals made by such Act shall be construed as creating any obligation for a shipper based solely on a classification that was on file with the Interstate Commerce Commission or elsewhere on December 31, 1995.

(f) INDUSTRY STANDARD GUIDES.—
(1) IN GENERAL.—
(A) PUBLIC AVAILABILITY.—Routes, rates, classifications, mileage guides, and rules established under agreements approved under this section shall be published and made available for public inspection upon request.
(B) PARTICIPATION OF CARRIERS.—
(1) IN GENERAL.—A motor carrier of property whose routes, rates, classifications, mileage guides, and rules established under agreements approved under this section must participate in the determining or governing publication for such provisions to apply.
(ii) POWER OF ATTORNEY.—The motor carrier of property shall issue a power of attorney to the publishing agent and, upon its acceptance, the agent shall issue a written certification to the motor carrier
affirming its participation in the governing publication, and the certification shall be made available for public inspection.

(2) MILEAGE LIMITATION.—No carrier subject to jurisdiction under subchapter I or III of chapter 135 may enforce collection of its mileage rates unless such carrier—

(A) is a participant in a publication of mileages formulated under an agreement approved under this section; or

(B) uses a publication of mileage (other than a publication described in subparagraph (A)) that can be examined by any interested person upon reasonable request.

(g) SINGLE LINE RATE DEFINED.—In this section, the term “single line rate” means a rate, charge, or allowance proposed by a single motor carrier that is applicable only over its line and for which the transportation can be provided by that carrier.

REFERENCES IN TEXT

The date of the enactment of this paragraph, referred to in subssecs. (c)(2) and (d)(2), is the date of enactment of Pub. L. 106–159, which was approved Dec. 9, 1999.

Former section 10706(b), referred to in subsec. (d)(1), probably means section 10706(b) of this title as in effect before that section was omitted and a new section 10706 enacted in the general amendment of this subtitle by Pub. L. 104–88, title I, §102(a), Dec. 29, 1995, 109 Stat. 804, 812.

For complete classification of this Act to the Code, see Short Title of 1995 Amendment note set out under section 101 of this title and Tables.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10706 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

AMENDMENTS

2003—Subsecs. (d) to (h). Pub. L. 108–7 redesignated subssecs. (e) to (h) as (d) to (g), respectively, and struck out heading and text of former subsec. (d). Text read as follows: “The Board shall not take any action that would permit the establishment of nationwide collective ratemaking authority.”

1999—Subsec. (c). Pub. L. 106–159, §227(a), designated introductory provisions as par. (1) and inserted heading, redesignated former pars. (1) to (4) as subs paras. (A) to (D), respectively, of par. (1) and realigned their margins, and added par. (2).

Subsec. (d). Pub. L. 106–159, §227(b), amended heading and text of subsec. (d) generally. Prior to amendment, text read as follows: “Subject to subsection (c), approval of an agreement under subsection (a) shall expire 3 years after the date of approval unless renewed under this subsection. The approval may be renewed upon request of the parties to the agreement if such parties resubmit the agreement to the Board, the agreement is unchanged, and the Board approves such renewal. The Board shall approve the renewal unless it finds that the renewal is not in the public interest. Parties to the agreement may continue to undertake activities pursuant to the previously approved agreement while the renewal request is pending.”

Subsec. (e). Pub. L. 106–159, §227(c), designated existing provisions as par. (1), inserted par. heading, and added par. (2).

1996—Subsec. (e). Pub. L. 104–287, §5(28)(A), substituted “December 31, 1995,” for “the day before the effective date of this section” and “January 1, 1996” for “such effective date”.

Subsec. (f)(2). Pub. L. 104–287, §5(28)(B), substituted “December 31, 1995” for “the day before the effective date of this section”.

§13704. Household goods rates—estimates; guarantees of service

(a) IN GENERAL.—

(1) AUTHORITY.—Subject to the provisions of paragraph (2) of this subsection, a motor carrier providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 may establish a rate for the transportation of household goods which is based on the carrier’s written, binding estimate of charges for providing such transportation.

(2) NONPREFERENTIAL; NONPREDATORY.—Any rate established under this subsection must be available on a nonpreferential basis to shippers and must not result in charges to shippers which are predatory.

(b) RATES FOR GUARANTEED SERVICE.—

(1) AUTHORITY.—Subject to the provisions of paragraph (2) of this subsection, a motor carrier providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 may establish rates for the transportation of household goods which guarantee that the carrier will pick up and deliver such household goods at the times specified in the contract for such services and provide a penalty or per diem payment in the event the carrier fails to pick up or deliver such household goods at the specified time. The charges, if any, for such guarantee and penalty provision may vary to reflect one or more options available to meet a particular shipper’s needs.

(2) AUTHORITY OF SECRETARY TO REQUIRE NONGUARANTEED SERVICE RATES.—Before a carrier may establish a rate for any service under paragraph (1) of this subsection, the Secretary may require such carrier to have in effect and
§ 13705. Requirements for through routes among
motor carriers of passengers

(a) Establishment; Reasonableness.—A motor carrier providing transportation of passengers subject to jurisdiction under subchapter I of chapter 135 shall establish through routes with other carriers of the same type and shall establish individual and joint rates applicable to them. Such through route must be reasonable.

(b) Prescribed by Board.—When the Board finds it necessary to enforce the requirements of this section, the Board may prescribe through routes and the conditions under which those routes must be operated for motor carriers providing transportation of passengers subject to jurisdiction under subchapter I of chapter 135.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10735 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 13706. Liability for payment of rates

(a) Liability of Consignee.—Liability for payment of rates for transportation for a shipment of property by a shipper or consignor to a consignee other than the shipper or consignor, is determined under this section when the transportation is provided by motor carrier under this part. When the shipper or consignor instructs the carrier transporting the property to deliver it to a consignee that is an agent only, not having beneficial title to the property, the consignee is liable for rates billed at the time of delivery for which the consignee is otherwise liable, but not for additional rates that may be found to be due after delivery if the consignee gives written notice to the delivering carrier before delivery of the property—

(1) of the agency and absence of beneficial title; and

(2) of the name and address of the beneficial owner of the property if it is reconsigned or diverted to a place other than the place specified in the original bill of lading.

(b) Liability of Beneficial Owner.—When the consignee is liable only for rates billed at the time of delivery under subsection (a), the shipper or consignor, or, if the property is reconsigned or diverted, the beneficial owner is liable for those additional rates regardless of the bill of the lading or contract under which the property was transported. The beneficial owner is liable for all rates when the property is reconsigned or diverted by an agent but is refused or abandoned at its ultimate destination if the agent gave the carrier in the reconsign ment or diversion order a notice of agency and the name and address of the beneficial owner. A consignee giving the carrier erroneous information about the identity of the beneficial owner of the property is liable for the additional rates.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10744 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 13707. Payment of rates

(a) Transfer of Possession Upon Payment.—Except as provided in subsection (b), a carrier providing transportation or service subject to jurisdiction under this part shall give up possession at the destination of the property transported by it only when payment for the transportation or service is made.

(b) Exceptions.—

(1) Regulations.—Under regulations of the Secretary governing the payment for transportation and service and preventing discrimination, those carriers may give up possession at destination of property transported by them before payment for the transportation or service. The regulations of the Secretary may provide for periodic payment for transportation provided by motor carriers and for periodic payment for transportation provided by water carriers.

(2) Extensions of Credit to Governmental Entities.—Such a carrier (including a motor carrier being used by a household goods freight forwarder) may extend credit for transportation provided by the United States Government, a State, a territory or possession of the United States, or a political subdivision of any of them.

(3) Shipments of Household Goods.—

(A) In General.—A carrier providing transportation of a shipment of household goods shall give up possession of the household goods being transported at the destination upon payment of—

(i) 100 percent of the charges contained in a binding estimate provided by the carrier;

(ii) not more than 110 percent of the charges contained in a nonbinding estimate provided by the carrier; or

(iii) in the case of a partial delivery of the shipment, the prorated percentage of the charges calculated in accordance with subparagraph (B).

(B) Calculation of Prorated Charges.—For purposes of subparagraph (A)(iii), the prorated percentage of the charges shall be the percentage of the total charges due to the carrier as described in clause (i) or (ii) of subparagraph (A) that is equal to the per-
percent of the weight of that portion of the shipment delivered to the total weight of the shipment.

(C) POST-CONTRACT SERVICES.—Subparagraph (A) does not apply to additional services requested by a shipper after the contract of service is executed that were not included in the estimate.

(D) IMPRACTICABLE OPERATIONS.—Subparagraph (A) does not apply to impracticable operations, as defined by the applicable carrier tariff, except that the charges collected at delivery for such operations shall not exceed 15 percent of all other charges due at delivery. Any remaining charges due shall be paid within 30 days after the carrier presents its freight bill.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10743 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

AMENDMENTS

§ 13708. Billing and collecting practices

(a) DISCLOSURE.—A motor carrier subject to jurisdiction under subchapter I of chapter 135 shall disclose, when a document is presented or electronically transmitted for payment to the person responsible directly to the motor carrier for payment or agent of such responsible person, the actual rates, charges, or allowances for any transportation service and shall also disclose, at such time, whether and to whom any allowance or reduction in charges is made.

(b) FALSE OR MISLEADING INFORMATION.—No person may cause a motor carrier to present false or misleading information on a document about the actual rate, charge, or allowance to any party to the transaction.

(c) ALLOWANCES FOR SERVICES.—When the actual rate, charge, or allowance is dependent upon the performance of a service by a party to the transportation arrangement, such as tendering a volume of freight over a stated period of time, the motor carrier shall indicate in any document presented for payment to the person responsible directly to the motor carrier that a reduction, allowance, or other adjustment may apply.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10743 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 13709. Procedures for resolving claims involving unfiled, negotiated transportation rates

(a) TRANSPORTATION PROVIDED AT RATES OTHER THAN LEGAL TARIFF RATES.—

(1) IN GENERAL.—When a claim is made by a motor carrier of property (other than a household goods carrier) providing transportation subject to jurisdiction under subchapter II of chapter 105 (as in effect on December 31, 1995) or subchapter I of chapter 135, by a freight forwarder (other than a household goods freight forwarder), or by a party representing such a carrier or freight forwarder regarding the collection of rates or charges for such transportation in addition to those originally billed and collected by the carrier or freight forwarder for such transportation, the person against whom the claim is made may elect to satisfy the claim under the provisions of subsection (b), (c), or (d), upon showing that—

(A) the carrier or freight forwarder is no longer transporting property or is transporting property for the purpose of avoiding the application of this section; and

(B) with respect to the claim—

(i) the person was offered a transportation rate by the carrier or freight forwarder other than that legally on file at the time with the Board or with the Interstate Commerce Commission, as required, for the transportation service;

(ii) the person tendered freight to the carrier or freight forwarder in reasonable reliance upon the offered transportation rate;

(iii) such transportation rate was billed and collected by the carrier or freight forwarder; and

(iv) the carrier or freight forwarder demands additional payment of a higher rate filed in a tariff.

(2) FORUM.—If there is a dispute as to the showing under paragraph (1)(A), such dispute shall be resolved by the court in which the claim is brought. If there is a dispute as to the showing under paragraph (1)(B), such dispute shall be resolved by the Board. Pending the resolution of any such dispute, the person shall not have to pay any additional compensation to the carrier or freight forwarder.

(3) EFFECT OF SATISFACTION OF CLAIMS.—Satisfaction of the claim under subsection (b), (c), or (d) shall be binding on the parties, and the parties shall not be subject to chapter 119 of this title, as such chapter was in effect on December 31, 1995, or chapter 149.

(b) CLAIMS INVOLVING SHIPMENTS WEIGHING 10,000 POUNDS OR LESS.—A person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim if the shipments each weighed 10,000 pounds or less, by payment of 20 percent of the difference between the carrier’s applicable and effective tariff rate and the rate originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(c) CLAIMS INVOLVING SHIPMENTS WEIGHING MORE THAN 10,000 POUNDS.—A person from whom the additional legally applicable and effective

(a) the election must be made not later than the 90th day following the date on which such notification is received.

(b) demands for payment made before December 4, 1993.—If the carrier or freight forwarder has demanded the payment of additional freight charges, and has not filed a suit for the collection of such additional freight charges, before December 4, 1993, and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f), the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

(h) claims involving small-business concerns, charitable organizations, and recyclable materials.—

(1) in general.—Notwithstanding subsections (b), (c), and (d), a person from whom the additional legally applicable and effective tariff rate or charges are sought may not elect to use the provisions of subsections (a) through (f) at the time of the making of such initial demand, the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

(e) effects of election.—When a person from whom additional legally applicable freight rates or charges are sought does not elect to use the provisions of subsection (b), (c), or (d), the person may pursue all rights and remedies existing under this part or, for transportation provided before January 1, 1996, all rights and remedies that existed under this title on December 31, 1965.

(f) stay of additional compensation.—When a person proceeds under this section to challenge the reasonableness of the legally applicable freight rate or charges, the person may pursue all rights and remedies existing under this part or, for transportation provided before January 1, 1996, all rights and remedies that existed under this title on December 31, 1965.

(g) notification of election.—

(1) general rule.—A person must notify the carrier or freight forwarder as to its election to proceed under subsection (b), (c), or (d). Except as provided in paragraphs (2), (3), and (4), such election may be made at any time.

(2) demands for payment initially made after december 3, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder initially demands the payment of additional freight charges after December 3, 1993, and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f) at the time of the making of such initial demand, the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

(3) pending suits for collection made before december 4, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder has filed, before December 4, 1993, a suit for the collection of additional freight charges and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f), the election must be made not later than the 90th day following the date on which such notification is received.

(4) demands for payment made before december 4, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder has demanded the payment of additional freight charges, and has not filed a suit for the collection of such additional freight charges, before December 4, 1993, and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f), the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

(h) claims involving small-business concerns, charitable organizations, and recyclable materials.—

(1) in general.—Notwithstanding subsections (b), (c), and (d), a person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim by payment of 15 percent of the difference between the carrier’s applicable and effective tariff rate and the rate originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(d) claims involving public warehousemen.—Notwithstanding subsections (b) and (c), a person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim by payment of 5 percent of the difference between the carrier’s applicable and effective tariff rate and the rate originally billed and paid if such person is a public warehouseman. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(e) effects of election.—When a person from whom additional legally applicable freight rates or charges are sought does not elect to use the provisions of subsection (b), (c) or (d), the person may pursue all rights and remedies existing under this part or, for transportation provided before January 1, 1996, all rights and remedies that existed under this title on December 31, 1965.

(f) stay of additional compensation.—When a person proceeds under this section to challenge the reasonableness of the legally applicable freight rate or charges being claimed by a carrier or freight forwarder in addition to those originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(g) notification of election.—

(1) general rule.—A person must notify the carrier or freight forwarder as to its election to proceed under subsection (b), (c), or (d). Except as provided in paragraphs (2), (3), and (4), such election may be made at any time.

(2) demands for payment initially made after december 3, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder initially demands the payment of additional freight charges after December 3, 1993, and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f), the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

Prior Provisions

Provisions similar to those in this section were contained in section 10701 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

Amendments

1996—Subsec. (a)(1), (3). Pub. L. 104–287, § 5(29)(A), substituted “December 31, 1995” for “the day before the effective date of this section”.

Subsec. (e). Pub. L. 104–287, § 5(29)(B), substituted “January 1, 1996” for “the effective date of this section”.

Abolition of Interstate Commerce Commission

§ 13710. Additional billing and collecting practices

(a) Miscellaneous Provisions.—

(1) Information relating to basis of rate.—A motor carrier of property (other than a motor carrier providing transportation in noncontiguous domestic trade) shall provide to the shipper, on request of the shipper, a written or electronic copy of the rate, classification, rules, and practices, upon which any rate applicable to its shipment or agreed to between the shipper and carrier is based.

(2) Reasonableness of rates; collecting additional charges.—When the applicability or reasonableness of the rates and related provisions billed by a motor carrier is challenged by the person paying the freight charges, the Board shall determine whether such rates and provisions are reasonable under section 13701 or applicable based on the record before it.

(3) Billing disputes.—

(A) Initiated by motor carriers.—In those cases where a motor carrier (other than a motor carrier providing transportation of household goods or in noncontiguous domestic trade) seeks to collect charges in addition to those billed and collected which are contested by the payor, the carrier may request that the Board determine whether any additional charges over those billed and collected must be paid.

A carrier must issue any bill for charges in addition to those originally billed within 180 days of the receipt of the original bill in order to have the right to collect such charges.

(B) Initiated by shippers.—If a shipper seeks to contest the charges originally billed or additional charges subsequently billed, the shipper may request that the Board determine whether the charges billed must be paid. A shipper must contest the original bill or subsequent bill within 180 days of receipt of the bill in order to have the right to contest such charges.

(4) Voiding of certain tariffs.—Any tariff on file with the Interstate Commerce Commission on August 26, 1994, and not required to be filed after that date is null and void beginning on that date. Any tariff on file with the Interstate Commerce Commission on January 1, 1996, and not required to be filed after that date is null and void beginning on that date.

(b) Resolution of disputes over status of common carrier or contract carrier.—If a motor carrier (other than a motor carrier providing transportation of household goods) that was subject to jurisdiction under subchapter II of chapter 105, as in effect on December 31, 1995, and that had authority to provide transportation as both a motor common carrier and a motor contract carrier and a dispute arises as to whether certain transportation that was provided prior to January 1, 1996, was provided in its common carrier or contract carrier capacity and the parties are not able to resolve the dispute consensually, the Board shall resolve the dispute.

Prior Provisions

Provisions similar to those in this section were contained in sections 10762 and 11101 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

Amendments

Subsec. (b). Pub. L. 104–287, § 5(30)(B), substituted “December 31, 1995” for “the day before the effective date of this section” and “January 1, 1996,” for “the effective date of this section”.

Abolition of Interstate Commerce Commission

§ 13711. Alternative procedure for resolving undercharge disputes

(a) General Rule.—It shall be an unreasonable practice for a motor carrier of property (other than a household goods carrier) providing transportation subject to jurisdiction under subchapter I of chapter 135 or, before January 1, 1996, to have provided transportation that was subject to jurisdiction under subchapter II of chapter 105, as in effect on December 31, 1995, a freight forwarder (other than a household goods freight forwarder), or a party representing such a carrier or freight forwarder to attempt to charge or to charge for a transportation service the difference between (1) the applicable rate...
that was lawfully in effect pursuant to a tariff that was filed in accordance with this chapter or, with respect to transportation provided before January 1, 1996, in accordance with chapter 107, as in effect on the date the transportation was provided, by the carrier or freight forwarder applicable to such transportation service, and (2) the negotiated rate for such transportation service if the carrier or freight forwarder is no longer transporting property between places described in section 13501(1) or is transporting property between places described in section 13501(1) for the purpose of avoiding application of this section.

(b) JURISDICTION OF BOARD.—

(1) DETERMINATION.—The Board shall have jurisdiction to make a determination of whether or not attempting to charge or the charging of a rate by a motor carrier or freight forwarder or party representing a motor carrier or freight forwarder is an unreasonable practice under subsection (a). If the Board determines that attempting to charge or the charging of the rate is an unreasonable practice under subsection (a), the carrier, freight forwarder, or party may not collect the difference described in subsection (a) between the applicable rate and the negotiated rate for the transportation service.

(2) FACTORS TO CONSIDER.—In making a determination under paragraph (1), the Board shall consider—

(A) whether the person was offered a transportation rate by the carrier or freight forwarder or party representing a motor carrier or freight forwarder that legally on file with the Interstate Commerce Commission or the Board, as required, at the time of the movement for the transportation service;

(B) whether the person tendered freight to the carrier or freight forwarder in reasonable reliance upon the offered transportation rate;

(C) whether the carrier or freight forwarder did not properly or timely file with the Interstate Commerce Commission or the Board, as required, a tariff providing for such transportation rate or failed to enter into an agreement for contract carriage;

(D) whether the transportation rate was billed and collected by the carrier or freight forwarder; and

(E) whether the carrier or freight forwarder or party demands additional payment of a higher rate filed in a tariff.

(c) STAY OF ADDITIONAL COMPENSATION.—When a person proceeds under this section to challenge the reasonableness of the practice of a motor carrier, freight forwarder, or party described in subsection (a) to attempt to charge or to charge the difference described in subsection (a) between the applicable rate and the negotiated rate for the transportation service in addition to those charges already billed and collected for the transportation service, the person shall not have to pay any additional compensation to the carrier, freight forwarder, or party until the Board has made a determination as to the reasonableness of the practice as applied to the freight of the person against whom the claim is made.

(d) TREATMENT.—Subsection (a) is an exception to the requirements of section 13702 and, for transportation provided before January 1, 1996, to the requirements of sections 10761(a) and 10762, as in effect on December 31, 1995, as such sections relate to a filed tariff rate and other general tariff requirements.

(e) NONAPPLICABILITY OF NEGOTIATED RATE DISPUTE RESOLUTION PROCEDURE.—If a person elects to seek enforcement of subsection (a) with respect to a rate for a transportation or service, section 13709 shall not apply to such rate.

(f) DEFINITIONS.—In this section, the term "negotiated rate" means a rate, charge, classification, or rule agreed upon by a motor carrier or freight forwarder and a shipper through negotiations pursuant to which no tariff was lawfully and timely filed and for which there is written evidence of such agreement.

(g) APPLICABILITY TO FILING CASES.—This section shall apply to all cases and proceedings pending on January 1, 1996.

Sections 10761(a) and 10762, referred to in subsec. (d), were omitted in the general amendment of this subtitle by Pub. L. 104–88, title I, §102(a), Dec. 29, 1995, 109 Stat. 804, effective Jan. 1, 1996.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 2(e) of Pub. L. 103–180, set out as a note under former section 10701 of this title.

AMENDMENTS

1996—Subsec. (a). Pub. L. 104–287, §5(31)(A), substituted "or, before January 1, 1996" for "or, before the effective date of this section"; “December 31, 1995" for “the day before the effective date of this section"; and “providing before January 1, 1996" for “provided before the effective date of this section”.

Subsec. (b). Pub. L. 104–287, §5(31)(B), substituted “January 1, 1996" for “the effective date of this section" and “December 31, 1995" for “the day before such effective date".

Subsec. (c). Pub. L. 104–287, §5(31)(C), substituted “January 1, 1996" for “the effective date of this section".

ABOLITION OF INTERSTATE COMMERCE COMMISSION

§ 13712. Government traffic
A carrier providing transportation or service for the United States Government may transport property or individuals for the United States Government without charge or at a rate reduced from the applicable commercial rate. Section 6101(b) to (d) of title 41 does not apply when transportation for the United States Government can be obtained from a carrier lawfully operating in the area where the transportation would be provided.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10921 of this title prior to the general amendment of this subtitle by Pub. L. 111–350, §102(a).

AMENDMENTS
2011—Pub. L. 111–350 substituted “Section 6101(b) to (d) of title 41” for “Section 3709 of the Revised Statutes (41 U.S.C. 5)”.

§ 13713. Food and grocery transportation
(a) Certain compensation prohibited.—Notwithstanding any other provision of law, it shall not be unlawful for a seller of food and grocery products using a uniform zone delivered pricing system to compensate a customer who picks up purchased food and grocery products at the shipping point of the seller if such compensation is available to all customers of the seller on a non-discriminatory basis and does not exceed the actual cost to the seller of delivery to such customer.

(b) Sense of Congress.—It is the sense of the Congress that any savings accruing to a customer by reason of compensation permitted by subsection (a) of this section should be passed on to the ultimate consumer.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10721 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 13901. Requirement for registration
A person may provide transportation or service subject to jurisdiction under subchapter I or III of chapter 135 or be a broker for transportation subject to jurisdiction under subchapter I of that chapter, only if the person is registered under this chapter to provide the transportation or service.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 10921 of this title prior to the general amendment of this subtitle by Pub. L. 111–350, §102(a).

EFFECTIVE DATE

§ 13902. Registration of motor carriers
(a) Motor carrier generally.—

(1) In general.—Except as provided in this section, the Secretary shall register a person to provide transportation subject to jurisdiction under subchapter I of chapter 135 of this title as a motor carrier if the Secretary finds that the person is willing and able to comply with—

(A) this part and the applicable regulations of the Secretary and the Board;

(B)(i) any safety regulations imposed by the Secretary;

(ii) the duties of employers and employees established by the Secretary under section 31135; and

(iii) the safety fitness requirements established by the Secretary under section 31144;

(C) the accessibility requirements established by the Secretary under subpart H of part 37 of title 49, Code of Federal Regulations, or such successor regulations to those accessibility requirements as the Secretary may issue, for transportation provided by an over-the-road bus; and

(D) the minimum financial responsibility requirements established by the Secretary pursuant to sections 13906 and 31138.

(2) Additional registration requirements for household goods motor carriers.—In addition to meeting the requirements of paragraph (1), the Secretary may register a person to provide transportation of household goods as a household goods motor carrier only after that person—

(A) provides evidence of participation in an arbitration program and provides a copy of the notice of the arbitration program as required by section 14708(b)(2); and

(B) identifies its tariff and provides a copy of the notice of the availability of that tariff for inspection as required by section 13705(c);

(C) provides evidence that it has access to, has read, is familiar with, and will observe all applicable Federal laws relating to consumer protection, estimating, consumers’ rights and responsibilities, and options for limitations of liability for loss and damage; and

(D) discloses any relationship involving common stock, common ownership, common management, or common familial relationships between that person and any other
motor carrier, freight forwarder, or broker. Any public recipient of governmental assistance which is providing or seeking to provide transportation subject to any applicable requirement of paragraph (1) or, in the case of a recipient to which paragraph (2) applies, paragraph (1) or (2).

(3) Withholding.—If the Secretary determines that a recipient under this section does not meet, or is not able to meet, any requirement of paragraph (1) or, in the case of a recipient to which paragraph (2) applies, paragraph (1) or (2), the Secretary shall withhold registration.

(4) Limitation on Complaints.—The Secretary may hear a complaint from any person concerning a registration under this subsection on the ground that the registrant fails or will fail to comply with this part, the applicable regulations of the Secretary and the Board (including the accessibility requirements established by the Secretary under subpart H of part 37 of title 49, Code of Federal Regulations, or such successor regulations to those accessibility requirements as the Secretary may issue, for transportation provided by an over-the-road bus), the safety regulations of the Secretary, or the safety fitness or minimum financial responsibility requirements of paragraph (1) of this subsection. In the case of a registration for the transportation of household goods as a household goods motor carrier, the Secretary may also hear a complaint on the ground that the registrant fails or will fail to comply with the requirements of paragraph (2) of this subsection.

(b) Motor Carriers of Passengers.—

(1) Registration of Private Recipients of Governmental Assistance.—The Secretary shall register under subsection (a)(1) a private recipient of governmental assistance to provide special or charter transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that the recipient meets the requirements of subsection (a)(1), unless the Secretary finds, on the basis of evidence presented by any person objecting to the registration, that the transportation to be provided pursuant to the registration is not in the public interest.

(2) Registration of Public Recipients of Governmental Assistance.—

(A) Charter Transportation.—The Secretary shall register under subsection (a)(1) a public recipient of governmental assistance to provide special or charter transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that—

(i) the recipient meets the requirements of subsection (a)(1); and

(ii) no motor carrier of passengers (other than a motor carrier of passengers which is a public recipient of governmental assistance) is providing, or is willing to provide, the transportation; or

(II) the transportation is to be provided entirely in the area in which the public recipient provides regularly scheduled mass transportation services.

(B) Regular-Route Transportation.—The Secretary shall register under subsection (a)(1) a public recipient of governmental assistance to provide regular-route transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that the recipient meets the requirements of subsection (a)(1), unless the Secretary finds, on the basis of evidence presented by any person objecting to the registration, that the transportation to be provided pursuant to the registration is not in the public interest.

(C) Treatment of Certain Public Recipients.—Any public recipient of governmental assistance which is providing or seeking to provide transportation of passengers subject to jurisdiction under subchapter I of chapter 135 shall, for purposes of this part, be treated as a person which is providing or seeking to provide transportation of passengers subject to such jurisdiction.

(3) Intrastate Transportation by Interstate Carriers.—A motor carrier of passengers that is registered by the Secretary under subsection (a) is authorized to provide regular-route transportation entirely in one State as a motor carrier of passengers if such intrastate transportation is to be provided on a route over which the carrier provides interstate transportation of passengers.

(4) Repealment of State Regulation Regarding Certain Service.—No State or political subdivision thereof and no interstate agency or other political agency of 2 or more States shall enact or enforce anylaw, rule, regulation, standard or other provision having the force and effect of law relating to the provision of pickup and delivery of express packages, newspapers, or mail in a commercial zone if the shipment has had or will have a prior or subsequent movement by bus in intrastate commerce and, if a city within the commercial zone, is served by a motor carrier of passengers providing regular-route transportation of passengers subject to jurisdiction under subchapter I of chapter 135.

(5) Jurisdiction over Certain Intrastate Transportation.—Subject to section 13301(d), any intrastate transportation authorized by this subsection shall be treated as transportation subject to jurisdiction under subchapter I of chapter 135 until such time as the carrier takes such action as is necessary to establish the laws of such State as applicable to such transportation, but in no case later than the 30th day following the date on which the motor carrier of passengers first begins providing transportation entirely in one State under this paragraph.

(6) Special Operations.—This subsection shall not apply to any regular-route transportation of passengers provided entirely in one State which is in the nature of a special operation.
(7) Suspension or revocation.—Intrastate transportation authorized under this subsection may be suspended or revoked by the Secretary under section 13905 of this title at any time.

(8) Definitions.—In this subsection, the following definitions apply:

(A) Public recipient of governmental assistance.—The term “public recipient of governmental assistance” means—

(i) any State,

(ii) any municipality or other political subdivision of a State,

(iii) any public agency or instrumentalities of one or more States and municipalities and political subdivisions of a State,

(iv) any Indian tribe, and

(v) any corporation, board, or other person owned or controlled by any entity described in clause (i), (ii), (iii), or (iv), which before, on, or after January 1, 1996, received governmental assistance for the purchase or operation of any bus.

(B) Private recipient of government assistance.—The term “private recipient of government assistance” means any person (other than a person described in subparagraph (A)) who before, on, or after January 1, 1996, received governmental financial assistance in the form of a subsidy for the purchase, lease, or operation of any bus.

(c) Restrictions on Motor Carriers Domiciled in or Owned or Controlled by Nationals of a Contiguous Foreign Country.—

(1) Prevention of discriminatory practices.—If the President, or the delegate thereof, determines that an act, policy, or practice of a foreign country contiguous to the United States, or any political subdivision or any instrumentality of any such country is unreasonable or discriminatory and burdens or restricts United States transportation companies, providing, or seeking to provide, motor carrier transportation to, from, or within such foreign country, the President or such delegate may—

(A) seek elimination of such practices through consultations; or

(B) notwithstanding any other provision of law, suspend, modify, amend, condition, or restrict operations, including geographical restriction of operations, in the United States by motor carriers of property or passengers domiciled in such foreign country or owned or controlled by persons of such foreign country.

(2) Equalization of treatment.—Any action taken under paragraph (1)(A) to eliminate an act, policy, or practice shall be so devised as to equal to the extent possible the burdens or restrictions imposed by such foreign country on United States transportation companies.

(3) Removal or modification.—The President, or the delegate thereof, may remove or modify in whole or in part any action taken under paragraph (1)(A) if the President or such delegate determines that such removal or modification is consistent with the obligations of the United States under a trade agreement or with United States transportation policy.

(4) Protection of existing operations.—Unless and until the President, or the delegate thereof, makes a determination under paragraph (1) or (3), nothing in this subsection shall affect—

(A) operations of motor carriers of property or passengers domiciled in any contiguous foreign country or owned or controlled by persons of any contiguous foreign country permitted in the commercial zones along the United States-Mexico border as such zones were defined on December 31, 1995; or

(B) any existing restrictions on operations of motor carriers of property or passengers domiciled in any contiguous foreign country or owned or controlled by persons of any contiguous foreign country or any modifications thereof pursuant to section 6 of the Bus Regulatory Reform Act of 1982.

(5) Publication; comment.—Unless the President, or the delegate thereof, determines that expeditious action is required, the President shall publish in the Federal Register any determination under paragraph (1) or (3), together with a description of the facts on which such a determination is based and any proposed action to be taken pursuant to paragraph (1)(B) or (3), and provide an opportunity for public comment.

(6) Delegation to Secretary.—The President may delegate any or all authority under this subsection to the Secretary, who shall consult with other agencies as appropriate. In accordance with the directions of the President, the Secretary may issue regulations to enforce this subsection.

(7) Civil actions.—Either the Secretary or the Attorney General may bring a civil action in an appropriate district court of the United States to enforce this subsection or a regulation prescribed or order issued under this subsection. The court may award appropriate relief, including injunctive relief.

(8) Limitation on statutory construction.—This subsection shall not be construed as affecting the requirement for all foreign motor carriers and foreign motor private carriers operating in the United States to comply with all applicable laws and regulations pertaining to fitness, safety of operations, financial responsibility, and taxes imposed by section 4461 of the Internal Revenue Code of 1986.

(d) Transition Rule.—Pending the implementation of the rulemaking required by section 13908, the Secretary may register a person under this section—

(A) as a motor common carrier if such person would have been issued a certificate to provide transportation as a motor common carrier under this subtitle on December 31, 1995; and

(B) as a motor contract carrier if such person would have been issued a permit to provide transportation as a motor contract carrier under this subtitle on such day.

(2) Definitions.—In this subsection, the terms “motor common carrier” and “motor contract carrier” have the meaning such terms had under section 10102 as such section was in effect on December 31, 1995.
 § 13902

TITLE 49—TRANSPORTATION

Page 352

(3) Termination.—This subsection shall cease to be in effect on the transition termination date.

(e) Penalties for Failure to Comply With Registration Requirements.—In addition to other penalties available under law, motor carriers that fail to register their operations as required by this section or that operate beyond the scope of their registrations may be subject to the following penalties:

(1) Out-of-service orders.—If, upon inspection or investigation, the Secretary determines that a motor vehicle providing transportation requiring registration under this section is operating without a registration or beyond the scope of its registration, the Secretary may order the vehicle out-of-service. Subsequent to the issuance of the out-of-service order, the Secretary shall provide an opportunity for review in accordance with section 554 of title 5, United States Code; except that such review shall occur not later than 10 days after issuance of such order.

(2) Permission for Operations.—A person domiciled in a country contiguous to the United States with respect to which an action under subsection (c)(1)(A) or (c)(1)(B) is in effect and providing transportation for which registration is required under this section shall maintain evidence of such registration in the motor vehicle when the person is providing the transportation. The Secretary shall not permit the operation in interstate commerce in the United States of any motor vehicle in which there is not a copy of the registration issued pursuant to this section.

(f) Modification of Carrier Registration.—

(1) In General.—On and after the transition termination date, the Secretary—

(A) may not register a motor carrier under this section as a motor common carrier or a motor contract carrier;

(B) shall register applicants under this section as motor carriers; and

(C) shall issue any motor carrier registered under this section after that date a motor carrier certificate of registration that specifies whether the holder of the certificate may provide transportation of persons, household goods, other property, or any combination thereof.

(2) Pre-existing Certificates and Permits.—The Secretary shall redesignate any motor carrier certificate or permit issued before the transition termination date as a motor carrier certificate of registration. On and after the transition termination date, any person holding a motor carrier certificate of registration redesignated under this paragraph may provide both contract carriage (as defined in section 13102(4)(B)) and transportation under terms and conditions meeting the requirements of section 13710(a)(1). The Secretary may not, pursuant to any regulation or form issued before or after the transition termination date, make any distinction among holders of motor carrier certificates of registration on the basis of whether the holder would have been classified as a common carrier or as a contract carrier under—

(A) subsection (d) of this section, as that section was in effect before the transition termination date; or

(B) any other provision of this title that was in effect before the transition termination date.

(3) Transition Termination Date Defined.—

In this section, the term “transition termination date” means the first day of January occurring more than 12 months after the date of enactment of the Unified Carrier Registration Act of 2005.

(g) Motor Carrier Defined.—In this section and sections 13905 and 13906, the term “motor carrier” includes foreign motor private carriers.

COORDINATION WITH DEPARTMENT OF JUSTICE

Pub. L. 110–281, § 5, July 30, 2008, 122 Stat. 2916, provided that: “Not later than 6 months after the date of enactment of this Act [July 30, 2008], the Secretary of Transportation and the Attorney General shall enter into a memorandum of understanding to delineate the specific roles and responsibilities of the Department of Transportation and the Department of Justice, respect-
equivalent to compliance with the United States law or regulation, including for each law or regulation an analysis as to how the corresponding United States and Mexican laws and regulations differ.

“(c) During and following the pilot program described in subsection (a), the Inspector General of the Department of Transportation shall monitor and review the conduct of the pilot program and submit to Congress and the Secretary of Transportation an interim report, 6 months after the commencement of the pilot program, and a final report, within 90 days after the conclusion of the pilot program. Such reports shall address whether—

”(1) the Secretary of Transportation has established sufficient mechanisms to determine whether the pilot program is having any adverse effects on motor carrier safety;

”(2) Federal and State monitoring and enforcement activities are sufficient to ensure that participants in the pilot program are in compliance with all applicable laws and regulations; and

”(3) the pilot program consists of a representative and adequate sample of Mexico-domiciled carriers likely to engage in cross-border operations beyond United States municipalities and commercial zones on the United States-Mexico border;

”(d) In the event that the Secretary of Transportation in any fiscal year seeks to grant operating authority for the purpose of initiating cross-border operations beyond United States municipalities and commercial zones on the United States-Mexico border either with Mexico-domiciled motor coaches or Mexico-domiciled commercial motor vehicles carrying placardable quantities of hazardous materials, such activities shall be initiated only after the conclusion of a separate pilot program limited to vehicles of the pertinent type. Each such separate pilot program shall follow the same requirements and processes stipulated under subsections (a) through (c) of this section and shall be planned, conducted and evaluated in concert with the Department of Homeland Security or its Inspector General, as appropriate, so as to address any and all security concerns associated with such cross-border operations.”

RELATIONSHIP TO OTHER LAWS

“(i) verification of a drug and alcohol testing program consistent with part 40 of title 49, Code of Federal Regulations;

“(ii) verification of that motor carrier’s system of compliance with hours-of-service rules, including hours-of-service records;

“(iii) verification of proof of insurance;

“(iv) review of available data concerning motor carrier’s safety history, and other information necessary to determine the carrier’s preparedness to comply with Federal Motor Carrier Safety rules and regulations and Hazardous Materials rules and regulations;

“(v) an inspection of that Mexican motor carrier’s commercial vehicles,igon only to vehicles of the pertinent type. Each such separate pilot program shall follow the same requirements and processes stipulated under subsections (a) through (c) of this section and shall be planned, conducted and evaluated in concert with the Department of Homeland Security or its Inspector General, as appropriate, so as to address any and all security concerns associated with such cross-border operations.”

SAFETY OF CROSS-BORDER TRUCKING BETWEEN UNITED STATES AND MEXICO

“(a) No funds limited or appropriated in this Act [see Tables for classification] may be obligated or expended for the review or processing of an application by a Mexican motor carrier for authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border until the Federal Motor Carrier Safety Administration—

”(1)(A) requires a safety examination of such motor carrier to be performed before the carrier is granted conditional operating authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border;

”(B) requires the safety examination to include—

”(i) verification of available performance data and safety management programs;

”(ii) verification of a drug and alcohol testing program consistent with part 40 of title 49, Code of Federal Regulations;

”(iii) verification of that motor carrier’s system of compliance with hours-of-service rules, including hours-of-service records;

”(iv) verification of proof of insurance;

”(v) review of available data concerning motor carrier’s safety history, and other information necessary to determine the carrier’s preparedness to comply with Federal Motor Carrier Safety rules and regulations and Hazardous Materials rules and regulations;

”(v) an inspection of that Mexican motor carrier’s commercial vehicles,igon only to vehicles of the pertinent type. Each such separate pilot program shall follow the same requirements and processes stipulated under subsections (a) through (c) of this section and shall be planned, conducted and evaluated in concert with the Department of Homeland Security or its Inspector General, as appropriate, so as to address any and all security concerns associated with such cross-border operations.”

SAFETY OF CROSS-BORDER TRUCKING BETWEEN UNITED STATES AND MEXICO

“(a) No funds limited or appropriated in this Act [see Tables for classification] may be obligated or expended for the review or processing of an application by a Mexican motor carrier for authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border until the Federal Motor Carrier Safety Administration—

”(1)(A) requires a safety examination of such motor carrier to be performed before the carrier is granted conditional operating authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border;

”(B) requires the safety examination to include—

”(i) verification of available performance data and safety management programs;
authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border that do not display a valid Commercial Vehicle Safety Alliance inspection decal, by certified inspectors in accordance with the requirements for a Level I Inspection under the criteria of the North American Standard Inspection (as defined in section 350.105 of title 49, Code of Federal Regulations), including examination of the driver, vehicle exterior and vehicle under-carriage;

"(B) A Commercial Vehicle Safety Alliance decal to be affixed to such commercial vehicle upon completion of the inspection required by clause (A) or a re-inspection if the vehicle has met the criteria for the Level I inspection; and

"(C) that any such decal, when affixed, expire at the end of a period of not more than 90 days, but nothing in this paragraph shall be construed to preclude the Administration from requiring reinspection of a vehicle bearing a valid inspection decal or from requiring that such a decal be removed when a certified Federal or State inspect determines that such a vehicle has a safety violation subsequent to the inspection for which the decal was granted.

"(6) requires State inspectors who detect violations of Federal safety laws or regulations to enforce them or notify Federal authorities of such violations;

"(7)(A) equips all United States-Mexico commercial border crossings with scales suitable for enforcement action; equips 5 of the 10 such crossings that have the highest volume of commercial vehicle traffic with weigh-in-motion (WIM) systems; ensures that the remaining 5 such border crossings are equipped within 12 months; requires inspectors to verify the weight of each Mexican motor carrier commercial vehicle entering the United States at said WIM equipped high volume border crossings; and

"(B) initiates a study to determine which other crossings should also be equipped with weigh-in-motion systems;

"(8) the Federal Motor Carrier Safety Administration has implemented a policy to ensure that no Mexican motor carrier will be granted authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border unless that carrier provides proof of valid insurance with an insurance company licensed in the United States;

"(9) requires commercial vehicles operated by a Mexican motor carrier to enter the United States only at commercial border crossings where and when a certified motor carrier safety inspector is on duty and where adequate capacity exists to conduct a sufficient number of meaningful vehicle safety inspections and to accommodate vehicles placed out-of-service as a result of said inspections.

"(10) publishes—

"(A) interim final regulations under section 210(b) of the Motor Carrier Safety Improvement Act of 1999 (Pub. L. 106-159) (49 U.S.C. 31144 note) that establish minimum requirements for motor carriers, including foreign motor carriers, to ensure they are knowledgeable about Federal safety standards, that may include the administration of a proficiency examination;

"(B) interim final regulations under section 31148 of title 49, United States Code, that implement measures to improve training and provide for the certification of motor carrier safety auditors;

"(C) a policy under sections 218(a) and (b) of that Act (49 U.S.C. 31133 note) establishing standards for the determination of the appropriate number of Federal and State motor carrier inspectors for the United States-Mexico border;

"(D) a policy under section 218(d) of that Act (49 U.S.C. 14901 note) that prohibits foreign motor carriers from leasing vehicles to another carrier to transport products to the United States while the lessor is subject to a suspension, restriction, or limitation on its right to operate in the United States; and

"(E) a policy under section 219(a) of that Act (49 U.S.C. 14901 note) that prohibits foreign motor carriers from operating in the United States that is found to have operated illegally in the United States.

"(b) No vehicles owned or leased by a Mexican motor carrier and carrying hazardous materials in a placardable quantity may be permitted to operate beyond a United States municipality or commercial zone until the United States has completed an agreement with the Government of Mexico which ensures that drivers of such vehicles carrying such placardable quantities of hazardous materials meet substantially the same requirements as United States drivers carrying such materials.

"(c) No vehicles owned or leased by a Mexican motor carrier may be permitted to operate beyond United States municipalities and commercial zones under conditional or permanent operating authority granted by the Federal Motor Carrier Safety Administration until—

"(1) the Department of Transportation Inspector General conducts a comprehensive review of border operations within 180 days of enactment [probably means date of enactment of this Act, which was approved Dec. 18, 2001] to verify that—

"(A) all new inspector positions funded under this Act [see Tables for classification] have been filled and the inspectors have been fully trained;

"(B) each inspector conducting on-site safety compliance reviews in Mexico consistent with the safety fitness evaluation procedures set forth in part 385 of title 49, Code of Federal Regulations, is fully trained as a safety specialist;

"(C) the requirement of subparagraph (a)(2) has not been met by transferring experienced inspectors from other parts of the United States to the United States-Mexico border, undermining the level of inspection coverage and safety elsewhere in the United States;

"(D) the Federal Motor Carrier Safety Administration has implemented a policy to ensure compliance with hours-of-service rules under part 395 of title 49, Code of Federal Regulations, by Mexican motor carriers seeking authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border;

"(E) the information infrastructure of the Mexican government is sufficiently accurate, accessible, and integrated with that of United States enforcement authorities to allow United States authorities to verify the status and validity of licenses, vehicle registrations, operating authority and insurance of Mexican motor carriers while operating in the United States, and that adequate telecommunications links exist at all United States-Mexico border crossings used by Mexican motor carrier commercial vehicles, and in all mobile enforcement units operating adjacent to the border, to ensure that licenses, vehicle registrations, operating authority and insurance information can be easily and quickly verified at border crossings or by mobile enforcement units;

"(F) there is adequate capacity at each United States-Mexico border crossing used by Mexican motor carrier commercial vehicles to conduct a sufficient number of meaningful vehicle safety inspections and to accommodate vehicles placed out-of-service as a result of said inspections;

"(G) there is an accessible database containing sufficiently comprehensive data to allow safety monitoring of all Mexican motor carriers that apply for authority to operate commercial vehicles beyond United States municipalities and commercial zones on the United States-Mexico border and the drivers of those vehicles; and

"(H) measures are in place to enable United States law enforcement authorities to ensure the
effective enforcement and monitoring of license revocation and licensing procedures of Mexican motor carriers.

"The Secretary of Transportation certifies in writing in a manner addressing the Inspector General's findings in paragraphs (c)(1)(A) through (c)(1)(H) of this section that the opening of the border does not pose an unacceptable safety risk to the American public.

"(d) The Department of Transportation Inspector General shall conduct an audit review using the criteria in (c)(1)(A) through (c)(1)(H) consistent with paragraph (c) of this section, 180 days after the first review is completed, and at least annually thereafter.

The moratorium must reflect the conditions under which cross-border and domestic markets. Therefore, the moratorium with respect to Mexico has been concluded to ensure fair competition and reciprocal treatment for charter and tour bus companies under the Agreement with Mexico covering reciprocal cross-border charter or tour bus services as of the date of entry into force of the Agreement.

I am pleased that an agreement between the United States and Mexico has been concluded to ensure fair and reciprocal treatment for charter and tour bus interests on both sides of the border. The agreement reached, however, does not allow for full access to cross-border and domestic markets. Therefore, the moratorium must reflect the conditions under which operating authority may be issued to Mexican charter and tour bus companies under the agreement.

Pursuant to section 6 of the Bus Regulatory Reform Act of 1982 [Pub. L. 97-261, see Tables for classification] authorized the President to remove the moratorium in whole or in part for any country or political subdivision thereof upon determining that such action is in the national interest. Sixty days' advance notice to the Congress is required whenever the removal or modification applies to a foreign contiguous country or political subdivision thereof that substantially prohibits the granting of motor carrier authority to persons from the United States.

This is to give public notice that, pursuant to the moratorium is modified only to authorize the Interstate Commerce Commission to grant Mexican motor carriers authority to transport passengers in charter or special services, in foreign commerce, in round-trip or one-way service between Mexico and the United States pursuant to the following restrictions:

1. The Mexican motor carrier can conduct cross-border charter or special service in the United States only when the broker of record certifies that the service is wholly or in part a one-way trip or one-way service between the United States and Mexico; and
2. Tickets or tour packages for such operations cannot be sold in the United States; and
3. The terms of the grants of authority given to Mexican motor carriers will be limited by the life of the agreement with Mexico covering reciprocal cross-border charter and special operations.

This action applies only to international charter and tour operations, does not allow for point-to-point service within the United States, and does not authorize companies to conduct cross-border regular route service. This action preserves the status quo with respect to Mexican trucking companies and Mexican companies engaged in regular route service, and will maintain the moratorium on those operations through September 25, 1994, unless earlier revoked or modified.

Accordingly, you are directed to notify the Congress today on my behalf that, effective 60 days hence, the moratorium will no longer be in effect for Mexican charter and tour bus companies subject to the above stated conditions. Because of this action, the Interstate Commerce Commission will then accept and process expeditiously all applications for operating authority from Mexican owned, controlled, or domiciled charter and tour bus firms. I should note that applications in Mexico by United States charter and tour bus firms will be similarly treated.

You are hereby authorized and directed to publish this determination in the Federal Register.

Memorandum of President of the United States, Jan. 1, 1994, 59 F.R. 653, provided:

Memorandum for the Secretary of Transportation
Section 6 of the Bus Regulatory Reform Act of 1982 [Pub. L. 97-261, see Tables for classification] authorized the President to remove the moratorium in whole or in part for any country or political subdivision thereof upon determining that such action is in the national interest. Sixty days' advance notice to the Congress is required whenever the removal or modification applies to a foreign contiguous country or political subdivision thereof that substantially prohibits the granting of motor carrier authority to persons from the United States.

As set forth in the Statement of Administrative Action regarding the North American Free Trade Agreement (NAFTA) that I submitted to the Congress on November 3, 1993, the moratorium with respect to Mexico will be lifted in phases to coincide with the schedule of liberalization in the relevant provisions of the NAFTA. The NAFTA specifically states that the moratorium will not apply to the provision of cross-border charter or tour bus services as of the date of entry into force of the Agreement.

This action applies only to international charter or tour bus operations, does not allow for point-to-point bus service within the United States, and does not authorize companies to conduct cross-border regular route bus service.

Effective January 1, 1994, the Interstate Commerce Commission will begin to accept and process expeditiously all applications for operating authority from Mexican owned, controlled, or domiciled charter and tour bus firms.

This determination shall be published in the Federal Register.

EXTENSION OF MORATORIUM

Memorandum of President of the United States, Mar. 2, 1985, 50 F.R. 12393, provided:

Memorandum for the Secretary of Transportation and the United States Trade Representative

Pursuant to section 6 of the Bus Regulatory Reform Act of 1982, 49 U.S.C. 10922(h)(1) and (2) [Pub. L. 97–261, see former 49 U.S.C. 10922(m)(1), (2)], I hereby extend for an additional 2 years both the moratorium imposed by that section and all actions taken by my predecessors under that section on the issuance of certificates or permits to motor carriers domiciled in, or owned or controlled by persons of, a contiguous foreign country. This action preserves the status quo and will maintain the moratorium through September 19, 1986, unless earlier revoked or modified. This memorandum shall be published in the Federal Register.

WILLIAM J. CLINTON.

Memorandum of President of the United States, June 5, 2001, 66 F.R. 30799, provided:

Memorandum for the Secretary of Transportation

Section 6 of the Bus Regulatory Reform Act of 1982 [Pub. L. 97–261, see former 49 U.S.C. 10922(m)(1), (2)] imposed a moratorium on the issuance of certificates or permits to motor carriers domiciled in, or owned or controlled by persons of a contiguous foreign country, and authorized the President to modify the moratorium. The Interstate Commerce Commission Termination Act of 1995 (ICCTA), Public Law 104–188, 109 Stat. 803 [ICC Termination Act of 1995, see Tables for classification], maintained these restrictions, subject to modifications made prior to the enactment of the ICCTA (Dec. 29, 1995), and empowered the President to make further modifications to the moratorium. Pursuant to 49 U.S.C. 13902(c)(5), I modified the moratorium on June 5, 2001, to allow motor carriers domiciled in the United States that are owned or controlled by persons of Mexico to obtain operating authority to transport international cargo by truck between points in the United States and to provide bus services between points in the United States.

The North American Free Trade Agreement (NAFTA) established a schedule for liberalizing certain restrictions on investment in truck and bus services. Pursuant to 49 U.S.C. 13902(c)(3), I have determined that expeditious action is required to implement these modifications to the moratorium. Effective today, the Department of Transportation will accept and expeditiously process applications, submitted by enterprises domiciled in the United States that are owned or controlled by persons of Mexico, to obtain operating authority to provide cross-border scheduled bus services and cross-border truck services. In reviewing such applications, the Department shall continue to work closely with the Department of Justice, the Office of Homeland Security, and other relevant Federal departments, agencies, and offices in

Pursuant to 49 U.S.C. 13902(c)(5), I have determined that expeditious action is required to implement these modifications to the moratorium. Effective today, the Department of Transportation will accept and expeditiously process applications, submitted by enterprises domiciled in the United States that are owned or controlled by persons of Mexico, to obtain operating authority to provide cross-border scheduled bus services and cross-border truck services. In reviewing such applications, the Department shall continue to work closely with the Department of Justice, the Office of Homeland Security, and other relevant Federal departments, agencies, and offices in
order to help ensure the security of the border and to prevent potential threats to national security.

Motor carriers domiciled in Mexico operating in the United States will be subject to the same Federal and State laws, regulations, and procedures that apply to carriers domiciled in the United States. These include safety regulations, such as drug and alcohol testing requirements; insurance requirements; taxes and fees; and other applicable laws and regulations, including those administered by the United States Customs Service, the Immigration and Naturalization Service, the Department of Labor, and Federal and State environmental agencies.

You are authorized and directed to publish this memorandum in the Federal Register.

GEORGE W. BUSH.

§ 13903. Registration of freight forwarders

(a) IN GENERAL.—The Secretary shall register a person to provide service subject to jurisdiction under subchapter III of chapter 135 as a freight forwarder if the Secretary finds that the person is fit, willing, and able to provide the service and to comply with this part and applicable regulations of the Secretary and the Board.

(b) REGISTRATION AS CARRIER REQUIRED.—The freight forwarder may provide transportation as the carrier itself only if the freight forwarder also has registered to provide transportation as a carrier under this chapter.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10924 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

AMENDMENTS

2008—Subsec. (a). Pub. L. 110–244 amended subsec. (a) generally. Prior to amendment, text read as follows:

“(1) HOUSEHOLD GOODS.—The Secretary shall register a person to provide service subject to jurisdiction under subchapter III of chapter 135 as a freight forwarder of household goods if the Secretary finds that the person is fit, willing, and able to provide the service and to comply with this part and applicable regulations of the Secretary and the Board.

“(2) OTHERS.—The Secretary may register a person to provide service subject to jurisdiction under subchapter III of chapter 135 as a freight forwarder of household goods if the Secretary finds that such registration is needed for the protection of shippers and that the person is fit, willing, and able to provide the service and to comply with this part and applicable regulations of the Secretary and the Board.

§ 13904. Registration of brokers

(a) IN GENERAL.—The Secretary shall register, subject to section 13906(b), a person to be a broker for transportation of property subject to jurisdiction under subchapter I of chapter 135, if the Secretary finds that the person is fit, willing, and able to be a broker for transportation and to comply with this part and applicable regulations of the Secretary.

(b) REGISTRATION AS CARRIER REQUIRED.—

(1) IN GENERAL.—The broker may provide the transportation itself only if the broker also has been registered to provide the transportation as a motor carrier under this chapter.

(2) LIMITATION.—This subsection does not apply to a motor carrier registered under this chapter or to an employee or agent of the motor carrier to the extent the transportation is to be provided entirely by the motor carrier, with other registered motor carriers, or with rail or water carriers.

(c) REGULATIONS TO PROTECT SHIPPERS.—Regulations of the Secretary applicable to brokers registered under this section shall provide for the protection of shippers by motor vehicle.

(d) BOND AND INSURANCE.—The Secretary may impose on brokers for motor carriers of passengers such requirements for bonds or insurance or both as the Secretary determines are needed to protect passengers and carriers dealing with such brokers.

§ 13905. Effective periods of registration

(a) PERSON HOLDING ICC AUTHORITY.—Any person having authority to provide transportation or service as a motor carrier, freight forwarder, or broker under this title, as in effect on December 31, 1995, shall be deemed, for purposes of this part, to be registered to provide such transportation or service under this part.

(b) PERSON REGISTERED WITH SECRETARY.—

(1) IN GENERAL.—Except as provided in paragraph (2), any person having registered with the Secretary to provide transportation or
service as a motor carrier or motor private carrier under this title, as in effect on January 1, 2005, but not having registered pursuant to section 13902(a), shall be treated, for purposes of this part, to be registered to provide such transportation or service for purposes of sections 13908 and 14504a.

(2) EXCLUSIVELY INTRASTATE OPERATORS.—Paragraph (1) does not apply to a motor carrier or motor private carrier (including a transporter of waste or recyclable materials) engaged exclusively in intrastate transportation operations.

(c) IN GENERAL.—Except as otherwise provided in this part, each registration issued under section 13902, 13903, or 13904 shall be effective from the date specified by the Secretary and shall remain in effect for such period as the Secretary determines appropriate by regulation.

(d) SUSPENSION, AMENDMENTS, AND REVOCATIONS.—

(1) IN GENERAL.—On application of the registrant, the Secretary may amend or revoke a registration. On complaint or on the Secretary’s own initiative and after notice and an opportunity for a proceeding, the Secretary may (A) suspend, amend, or revoke any part of the registration of a motor carrier, broker, or freight forwarder for willful failure to comply with this part, an applicable regulation or order of the Secretary or of the Board (including the accessibility requirements established by the Secretary under subpart H of part 37 of title 49, Code of Federal Regulations, or such successor regulations to those accessibility requirements as the Secretary may issue, for transportation provided by an over-the-road bus), or a condition of its registration; and (B) suspend, amend, or revoke any part of the registration of a motor carrier, broker, or freight forwarder for failure to pay a civil penalty imposed under chapter 5, 51, 149, or 311 of this title; or (ii) for failure to arrange and abide by an acceptable payment plan for such civil penalty, within 90 days of the time specified by order of the Secretary for the payment of such penalty. Subparagraph (B) shall not apply to any person who is unable to pay a civil penalty because such person is a debtor in a case under chapter 11 of title 11, United States Code.

(2) REGULATIONS.—Not later than 12 months after the date of the enactment of this paragraph, the Secretary, after notice and opportunity for public comment, shall issue regulations to provide for the suspension, amendment, or revocation of a registration under this part for failure to pay a civil penalty as provided in paragraph (1)(B).

(e) PROCEDURE.—Except on application of the registrant, the Secretary may revoke a registration of a motor carrier, freight forwarder, or broker, only after—

(1) the Secretary has issued an order to the registrant under section 14701 requiring compliance with this part, a regulation of the Secretary, or a condition of the registration; and

(2) the registrant willfully does not comply with the order for a period of 30 days.

(f) EXPEDITED PROCEDURE.—

(1) PROTECTION OF SAFETY.—Notwithstanding subchapter II of chapter 5 of title 5, the Secretary—

(A) may suspend the registration of a motor carrier, a freight forwarder, or a broker for failure to comply with requirements of the Secretary pursuant to section 13904(c) or 13906 or an order or regulation of the Secretary prescribed under those sections; and

(B) shall revoke the registration of a motor carrier that has been prohibited from operating in interstate commerce for failure to comply with the safety fitness requirements of section 31144.

(2) IMMINENT HAZARD TO PUBLIC HEALTH.—Without regard to subchapter II of chapter 5 of title 5, the Secretary shall revoke the registration of a motor carrier of passengers if the Secretary finds that such carrier has been conducting unsafe operations which are an imminent hazard to public health or property.

(3) NOTICE; PERIOD OF SUSPENSION.—The Secretary may suspend or revoke under this subsection the registration only after giving notice of the suspension or revocation to the registrant. A suspension remains in effect until the registrant complies with the applicable sections or, in the case of a suspension under paragraph (2), until the Secretary revokes the suspension.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 10925 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

AMENDMENTS

2005—Subsec. (d)(2) inserted “(including the accessibility requirements established by the Secretary under subpart H of part 37 of title 49, Code of Federal Regulations, or such successor regulations to those accessibility requirements as the Secretary may issue, for transportation provided by an over-the-road bus)” after “Board”.

2003—Subsec. (e)(1). Pub. L. 109–59, §4303(a), added subsec. (b) and redesignated former subsecs. (b) and (c) as (c) and (d), respectively. Former subsec. (d) redesignated (e).

Subsec. (e). Pub. L. 109–59, §4303(a)(1), redesignated subsec. (d) as (e). Former subsec. (e) redesignated (f).
Subsec. (e)(1). Pub. L. 109–59, §4104(1), added par. (1) and struck out heading and text of former par. (1). Text read as follows: “Without regard to subchapter II of chapter 5 of title 5, the Secretary may suspend the registration of a motor carrier, a freight forwarder, or a broker for failure to comply with safety requirements of the Secretary or the safety fitness requirements pursuant to section 13904(c), 13906, or 31144 of this title, or an order or regulation of the Secretary prescribed under those sections.”

Subsec. (e)(2). Pub. L. 109–59, §4104(2), substituted “shall revoke the registration” for “may suspend a registration”.

Subsec. (e)(3). Pub. L. 109–59, §4104(3), added par. (3) and struck out heading and text of former par. (3). Text read as follows: “The Secretary may suspend under this subsection the registration only after giving notice of the suspension to the registrant. The suspension remains in effect until the registrant complies with those applicable sections or, in the case of a suspension under paragraph (2), until the Secretary revokes such suspension.”

1996—Subsec. (a). Pub. L. 104–287 substituted “December 1995” for “the day before the effective date of this section”.

§ 13906. Security of motor carriers, motor private carriers, brokers, and freight forwarders

(a) MOTOR CARRIER REQUIREMENTS.—

(1) LIABILITY INSURANCE REQUIREMENT.—The Secretary may register a motor carrier under section 13902 only if the registrant files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary, in an amount not less than required by sections 31138 and 31139.

(2) SECURITY REQUIREMENT.—Not later than 120 days after the date of enactment of the Unified Carrier Registration Act of 2005, any person, other than a motor private carrier, registered with the Secretary to provide transportation or service as a motor carrier under section 13905(b) shall file with the Secretary a bond, insurance policy, or other type of security approved by the Secretary, in an amount not less than required by sections 31138 and 31139.

(b) BROKER REQUIREMENTS.—The Secretary may register a person as a broker under section 13904 only if the person files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary to ensure that the transportation for which a broker arranges is provided. The registration remains in effect only as long as the broker continues to satisfy the security requirements of this subsection.

(c) FREIGHT FORWARDER REQUIREMENTS.—

(1) LIABILITY INSURANCE.—The Secretary may register a person as a freight forwarder under section 13903 of this title only if the person files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary. The security must be sufficient to pay, not more than the amount of the security, for each final judgment against the freight forwarder for bodily injury to, or death of, an individual, or loss of, or damage to, property (other than property referred to in paragraph (2) of this subsection), resulting from the negligent operation, maintenance, or use of motor vehicles by or under the direction and control of the freight forwarder when providing transfer, collection, or delivery service under this part.

(2) FREIGHT FORWARDER INSURANCE.—The Secretary may require a registered freight forwarder to file with the Secretary a bond, insurance policy, or other type of security approved by the Secretary sufficient to pay, not more than the amount of the security, for loss of, or damage to, property for which the freight forwarder provides service.

See References in Text note below.
(3) **Effective Period.**—The freight forwarder’s registration remains in effect only as long as the freight forwarder continues to satisfy the security requirements of this subsection.

(d) **Type of Insurance.**—The Secretary may determine the type and amount of security filed under this section. A motor carrier may submit proof of qualifications as a self-insurer to satisfy the security requirements of this section. The Secretary shall adopt regulations governing the standards for approval as a self-insurer. Motor carriers which have been granted authority to self-insure as of January 1, 1996, shall retain that authority unless, for good cause shown and after notice and an opportunity for a hearing, the Secretary finds that the authority must be revoked.

(e) **Notice of Cancellation of Insurance.**—The Secretary shall issue regulations requiring the submission to the Secretary of notices of insurance cancellation sufficiently in advance of actual cancellation so as to enable the Secretary to promptly revoke the registration of any carrier or broker after the effective date of the cancellation.

(f) **Form of Endorsement.**—The Secretary shall also prescribe the appropriate form of endorsement to be appended to policies of insurance and surety bonds which will subject the insurance policy or surety bond to the full security limits of the coverage required under this section. (Added Pub. L. 104–88, title I, §103, Dec. 29, 1995, 109 Stat. 885; amended Pub. L. 104–287, §5(34), Oct. 11, 1996, 110 Stat. 3392; Pub. Paragraph (3) of this subsection, referred to in subsec. (a)(1), was redesignated as paragraph (4) of subsec. (a) of this section by Pub. L. 109–59, title IV, §4303(b)(1), Aug. 10, 2005, 119 Stat. 1762.

The date of enactment of the Unified Carrier Registration Act of 2005, referred to in subsec. (a)(2), is the date of enactment of subtitle C of title IV of Pub. L. 109–59, which was approved Aug. 10, 2005.

**Prior Provisions**

Provisions similar to those in this section were contained in section 10927 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

**Amendments**

Subsec. (a)(2) to (4), Pub. L. 109–59, §4303(b), added par. (2) and redesignated former pars. (2) and (3) as (3) and (4), respectively.

1996—Subsec. (d), Pub. L. 104–287 substituted “January 1, 1996,” for “the effective date of this section.”

**Relationship to Other Laws**

Except as provided in sections 14504, 14504a, and 14506 of this title, subtitle C (§§4301–4306) of title IV of Pub. L. 109–59 is not intended to prohibit any State or any political subdivision of any State from enacting, imposing, or enforcing any law or regulation with respect to a motor carrier, motor private carrier, broker, freight forwarder, or leasing company that is not otherwise prohibited by law, see section 4302 of Pub. L. 109–59, set out as a note under section 13902 of this title.
household goods if, after notice and an opportunity for a hearing, the Secretary finds that such agent, within a reasonable time after the date of issuance of a compliance order under this section, but in no event less than 30 days after such date of issuance, has willfully failed to comply with such order.

(4) **Hearing.**—Upon filing of a petition with the Secretary by an agent who is the subject of an order issued pursuant to the second sentence of paragraph (3) of this subsection and after notice, a hearing shall be held with an opportunity to be heard. At such hearing, a determination shall be made whether the order issued pursuant to paragraph (3) of this subsection should be rescinded.

(5) **Court Review.**—Any agent adversely affected or aggrieved by an order of the Secretary issued under this subsection may seek relief in the appropriate United States court of appeals as provided by and in the manner prescribed in chapter 158 of title 28, United States Code.

(d) Limitation on Applicability of Antitrust Laws.—

(1) In General.—The antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12), do not apply to discussions or agreements between a motor carrier providing transportation of household goods and its agents (whether or not an agent is also a carrier) related solely to—

(A) rates for the transportation of household goods under the authority of the principal carrier;

(B) accessorial, terminal, storage, or other charges for services incidental to the transportation of household goods transported under the authority of the principal carrier;

(C) allowances relating to transportation of household goods under the authority of the principal carrier; and

(D) ownership of a motor carrier providing transportation of household goods by an agent or membership on the board of directors of any such motor carrier by an agent.

(2) **Board Review.**—The Board, upon its own initiative or request, shall review any activities undertaken under paragraph (1) and shall modify or terminate the activity if necessary to protect the public interest.

(e) **Definitions.**—In this section, the following definitions apply:

(1) **Household Goods.**—The term “household goods” has the meaning such term had under section 10102(11) of this title, as in effect on December 31, 1995.

(2) **Transportation.**—The term “transportation” means transportation that would be subject to the jurisdiction of the Interstate Commerce Commission under subchapter II of chapter 105 of this title, as in effect on December 31, 1995, if such subchapter were still in effect.

### Abolition of Interstate Commerce Commission

### §13908. Registration and other reforms

(a) **Establishment of Unified Carrier Registration System.**—The Secretary, in cooperation with the States, representatives of the motor carrier, motor private carrier, freight forwarder, and broker industries and after notice and opportunity for public comment, shall issue within 1 year after the date of enactment of the Unified Carrier Registration Act of 2005 regulations to establish an online Federal registration system, to be named the “Unified Carrier Registration System”, to replace—

(1) the current Department of Transportation identification number system, the single State registration system under section 14504; and

(2) the registration system contained in this chapter and the financial responsibility information system under section 13906; and

(3) the service of process agent systems under sections 503 and 13304.

(b) **Role as Clearinghouse and Depository of Information.**—The Unified Carrier Registration System shall serve as a clearinghouse and depository of information on, and identification of, all foreign and domestic motor carriers, motor private carriers, brokers, freight forwarders, and others required to register with the Department of Transportation, including information with respect to a carrier’s safety rating, compliance with required levels of financial responsibility, and compliance with the provisions of section 14504a. The Secretary shall ensure that Federal agencies, States, representatives of the motor carrier industry, and the public have access to the Unified Carrier Registration Sys-

system, including the records and information contained in the System.

(c) Procedures for Correcting Information.—Not later than 60 days after the effective date of this section, the Secretary shall prescribe regulations establishing procedures that enable a motor carrier to correct erroneous information contained in any part of the Unified Carrier Registration System.

(d) Fee System.—The Secretary shall establish, under section 9701 of title 31, a fee system for the Unified Carrier Registration System according to the following guidelines:

(1) Registration and Filing Evidence of Financial Responsibility.—The fee for new registrants shall as nearly as possible cover the costs of processing the registration but shall not exceed $300.

(2) Evidence of Financial Responsibility.—The fee for filing evidence of financial responsibility pursuant to this section shall not exceed $10 per filing. No fee shall be charged for a filing for purposes of designating an agent for service of process or the filing of other information relating to financial responsibility.

(3) Access and Retrieval Fees.—

(A) In General.—Except as provided in subparagraph (B), the fee system shall include a nominal fee for the access to or retrieval of information from the Unified Carrier Registration System to cover the costs of operating and upgrading the System, including the personnel costs incurred by the Department and the costs of administration of the unified carrier registration agreement.

(B) Exceptions.—There shall be no fee charged under this paragraph—

(i) to any agency of the Federal Government or a State government or any political subdivision of any such government for the access to or retrieval of information and data from the Unified Carrier Registration System for its own use; or

(ii) to any representative of a motor carrier, motor private carrier, leasing company, broker, or freight forwarder (as each is defined in section 14504a) for the access to or retrieval of the individual information related to such entity from the Unified Carrier Registration System for the individual use of such entity.

(e) Use of Fees for Unified Carrier Registration System.—Fees collected under this section may be credited to the Department of Transportation appropriations account for purposes for which such fees are collected and shall be available for expenditure for such purposes until expended.

(f) Application to Certain Intrastate Operations.—Nothing in this section requires the registration of a motor carrier, a motor private carrier of property, or a transporter of waste or recyclable materials operating exclusively in intrastate transportation not otherwise required to register with the Secretary under another provision of this title.

REFERENCES IN TEXT

The date of enactment of the Unified Carrier Registration Act of 2005, referred to in subsec. (a), is the date of enactment of subtitle C of title IV of Pub. L. 109–59, which was approved Aug. 10, 2005.

The effective date of this section, referred to in subsec. (c), probably means the date of enactment of Pub. L. 109–59, which amended this section generally and was approved Aug. 10, 2005.

AMENDMENTS

2008—Subsecs. (e), (f). Pub. L. 110–244 added subsec. (e) and redesignated former subsec. (e) as (f).

2005—Pub. L. 109–59 amended heading and text of section generally. Prior to amendment, text consisted of subsecs. (a) to (e) relating to issuance of regulations to replace the current Department of Transportation identification number system, the single State registration system under section 14504, the registration system contained in this chapter, and the financial responsibility information system under section 13906 with a single, online, Federal system.

1996—Subsec. (d)(1). Pub. L. 104–287, §5(c36)(A), substituted “December 31, 1995” for “the day before the effective date of this section”.

Subsec. (e). Pub. L. 104–287, §5(c36)(B), substituted “January 1, 1996” for “the effective date of this section”.

REGULATIONS

Pub. L. 110–53, title XV, §1537(b), Aug. 3, 2007, 121 Stat. 467, provided that: “Not later than October 1, 2007, the Federal Motor Carrier Safety Administration shall issue final regulations to establish the Unified Carrier Registration System, as required by section 13908 of title 49, United States Code, and set fees for the unified carrier registration agreement for calendar year 2007 or subsequent calendar years to be charged to motor carriers, motor private carriers, and freight forwarders under such agreement, as required by 14504a of title 49, United States Code.”

SUBCHAPTER I—GENERAL REQUIREMENTS

§ 14101. Providing transportation and service

(a) ON REASONABLE REQUEST.—A carrier providing transportation or service subject to jurisdiction under chapter 135 shall provide the transportation or service on reasonable request. In addition, a motor carrier shall provide safe and adequate service, equipment, and facilities.

(b) CONTRACTS WITH SHIPPERS.—

(1) IN GENERAL.—A carrier providing transportation or service subject to jurisdiction under chapter 135 may enter into a contract with a shipper, other than for the movement of household goods described in section 13102(10)(A), to provide specified services under specified rates and conditions. If the shipper and carrier, in writing, expressly waive any or all rights and remedies under this part for the transportation covered by the contract, the transportation provided under the contract shall not be subject to the waived rights and remedies and may not be subsequently challenged on the ground that it violates the waived rights and remedies. The parties may not waive the provisions governing registration, insurance, or safety fitness.

(2) REMEDY FOR BREACH OF CONTRACT.—The exclusive remedy for any alleged breach of a contract entered into under this subsection shall be an action in an appropriate State court or United States district court, unless the parties otherwise agree.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11107 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 14102. Leased motor vehicles

(a) GENERAL AUTHORITY OF SECRETARY.—The Secretary may require a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 that uses motor vehicles not owned by it to transport property under an arrangement with another party to—

(1) make the arrangement in writing signed by the parties specifying its duration and the compensation to be paid by the motor carrier;

(2) carry a copy of the arrangement in each motor vehicle to which it applies during the period the arrangement is in effect;

(3) inspect the motor vehicles and obtain liability and cargo insurance on them; and

(4) have control of and be responsible for operating those motor vehicles in compliance with requirements prescribed by the Secretary on safety of operations and equipment, and with other applicable law as if the motor vehicles were owned by the motor carrier.

(b) RESPONSIBLE PARTY FOR LOADING AND UNLOADING.—The Secretary shall require, by regulation, that any arrangement, between a motor carrier of property providing transportation subject to jurisdiction under subchapter I of chapter 135 and any other person, under which such other person is to provide any portion of such transportation by a motor vehicle not owned by the carrier shall specify, in writing, who is responsible for loading and unloading the property onto and from the motor vehicle.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11107 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 14103. Loading and unloading motor vehicles

(a) SHIPPER RESPONSIBLE FOR ASSISTING.—Whenever a shipper or receiver of property requires that any person who owns or operates a motor vehicle transporting property in interstate commerce (whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135) be assisted in the loading or unloading of such vehicle, the shipper or receiver shall be responsible for providing such assistance or shall compensate the owner or operator for all costs associated with securing and compensating the person or persons providing such assistance.

(b) COERCION PROHIBITED.—It shall be unlawful to coerce or attempt to coerce any person providing transportation of property by motor vehicle for compensation in interstate commerce (whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135) to load or unload any part of such property onto or from such vehicle or to employ or pay one or more persons to load or unload any part of such property onto or from such vehicle; except that this subsection shall not be construed as making unlawful any activity which is not unlawful under the National Labor Relations Act or the Act of March 23, 1932 (47 Stat. 70; 29 U.S.C. 101 et seq.), commonly known as the Norris-LaGuardia Act.

REFERENCES IN TEXT

The National Labor Relations Act, referred to in subsec. (b), is act July 5, 1935, ch. 372, 49 Stat. 449, as amended, which is classified generally to subchapter II (§ 151 et seq.) of chapter 7 of Title 29, Labor. For complete classification of this Act to the Code, see section 167 of Title 29 and Tables.

Act of March 23, 1932, commonly known as the Norris-LaGuardia Act, referred to in subsec. (b), is act Mar. 23, 1932, ch. 90, 47 Stat. 70, as amended, which is classified generally to chapter 6 (§ 101 et seq.) of Title 29. For
complete classification of this Act to the Code, see Short Title note set out under section 101 of Title 29 and Tables.

§ 14104. Household goods carrier operations

(a) General Regulatory Authority.—

(1) Paperwork Minimization.—The Secretary may issue regulations, including regulations protecting individual shippers, in order to carry out this part with respect to the transportation of household goods by motor carriers subject to jurisdiction under subchapter I of chapter 135. The regulations and paperwork required of motor carriers providing transportation of household goods shall be minimized to the maximum extent feasible consistent with the protection of individual shippers.

(2) Performance Standards.—

(A) In general.—Regulations of the Secretary protecting individual shippers shall include, where appropriate, reasonable performance standards for the transportation of household goods subject to jurisdiction under subchapter I of chapter 135.

(B) Factors to Consider.—In establishing performance standards under this paragraph, the Secretary shall take into account at least the following—

(i) the level of performance that can be achieved by a well-managed motor carrier transporting household goods;

(ii) the degree of harm to individual shippers which could result from a violation of the regulation;

(iii) the need to set the level of performance at a level sufficient to deter abuses which result in harm to consumers and violations of regulations;

(iv) service requirements of the carriers;

(v) the cost of compliance in relation to the consumer benefits to be achieved from such compliance; and

(vi) the need to set the level of performance at a level designed to encourage carriers to offer service responsive to shipper needs.

(3) Limitations on Statutory Construction.—Nothing in this section shall be construed to limit the Secretary's authority to require reports from motor carriers providing transportation of household goods or to require such carriers to provide specified information to consumers concerning their past performance.

(b) Estimates.—

(1) Required to be in Writing.—

(A) In general.—Except as otherwise provided in this subsection, every motor carrier providing transportation of household goods described in section 13102(10)(A) as a household goods motor carrier and subject to jurisdiction under subchapter I of chapter 135 shall conduct a physical survey of the household goods to be transported on behalf of a prospective individual shipper and shall provide the shipper with a written estimate of charges for the transportation and all related services.

(B) Waiver.—A shipper may elect to waive a physical survey under this paragraph by written agreement signed by the shipper before the shipment is loaded. A copy of the waiver agreement must be retained as an addendum to the bill of lading and shall be subject to the same record inspection and preservation requirements of the Secretary as are applicable to bills of lading.

(C) Estimate.—

(i) In general.—Notwithstanding a waiver under subparagraph (B), a carrier's statement of charges for transportation must be submitted to the shipper in writing and must indicate whether it is binding or nonbinding. The written estimate shall be based on a physical survey of the household goods if the household goods are located within a 50-mile radius of the location of the carrier's household goods agent preparing the estimate.

(ii) Binding.—A binding estimate under this paragraph must indicate that the carrier and shipper are bound by such charges. The carrier may impose a charge for providing a written binding estimate.

(iii) Nonbinding.—A nonbinding estimate under this paragraph must indicate that the actual charges will be based upon the actual weight of the individual shipper's shipment and the carrier's lawful tariff charges. The carrier may not impose a charge for providing a nonbinding estimate.

(2) Other Information.—At the time that a motor carrier provides the written estimate required by paragraph (1), the motor carrier shall provide the shipper a copy of the Department of Transportation publication FMCSA–ESA–03–005 (or its successor publication) entitled "Ready to Move?" Before the execution of a contract for service, the motor carrier shall provide the shipper copy of the Department of Transportation publication OCE 100, entitled "Your Rights and Responsibilities When You Move" required by section 375.213 of title 49, Code of Federal Regulations (or any successor regulation).

(3) Applicability of Antitrust Laws.—Any charge for an estimate of charges provided by a motor carrier to a shipper for transportation of household goods subject to jurisdiction under subchapter I of chapter 135 shall be subject to the antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12).

(c) Flexibility in Weighing Shipments.—The Secretary shall issue regulations that provide motor carriers providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 with the maximum possible flexibility in weighing shipments, consistent with assurance to the shipper of accurate weighing practices. The Secretary shall not prohibit such carriers from backweighing shipments or from basing their charges on the reweigh weights if the shipper observes both the
tare and gross weighings (or, prior to such weighings, waives in writing the opportunity to observe such weighings) and such weighings are performed on the same scale.

(C) USE OF DATA FOR INTERNAL DOT PURPOSES.—If an exemption is granted under this paragraph, nothing shall prevent the Secretary from using data from reports filed under this subsection for internal purposes of the Department of Transportation or including such data in aggregate industry statistics released for publication if such inclusion would not render the filer’s data readily identifiable.

(D) PENDING REQUESTS.—The Secretary shall not release publicly the report of a carrier making a request under subparagraph (A) while such request is pending.

(3) PERIOD OF EXEMPTIONS.—Exemptions granted under this subsection shall be for 3-year periods.

(d) STREAMLINING AND SIMPLIFICATION.—The Secretary shall streamline and simplify, to the maximum extent practicable, any reporting requirements the Secretary imposes under this section.

AMENDMENTS

CHAPTER 143—FINANCE

Sec.

14302. Pooling and division of transportation or earnings.

14303. Consolidation, merger, and acquisition of control of motor carriers of passengers.

§ 14301. Security interests in certain motor vehicles

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) MOTOR VEHICLE.—The term “motor vehicle” means a truck of rated capacity (gross vehicle weight) of at least 10,000 pounds, a highway tractor of rated capacity (gross combination weight) of at least 10,000 pounds, a property-carrying trailer or semitrailer with at least one load-carrying axle of at least 10,000 pounds, or a motor bus with a seating capacity of at least 10 individuals.

(2) LIEN CREDITOR.—The term “lien creditor” means a creditor having a lien on a motor vehicle and includes an assignee for benefit of creditors from the date of assignment, a trustee in a case under title 11 from the date of filing of the petition in that case, and a receiver in equity from the date of appointment of the receiver.

(3) SECURITY INTEREST.—The term “security interest” means an interest (including an interest established by a conditional sales contract, mortgage, equipment trust, or other lien or title retention contract, or lease) in a motor vehicle when the interest secures payment or performance of an obligation.

(4) PERFECTION.—The term “perfection”, as related to a security interest, means taking action (including public filing, recording, notation on a certificate of title, and possession of collateral by the secured party), or the existence of facts, required under law to make a security interest enforceable against general creditors and subsequent lien creditors of a debtor, but does not include compliance with requirements related only to the establishment of a valid security interest between the debtor and the secured party.

(b) REQUIREMENTS FOR PERFECTION OF SECURITY INTEREST.—A security interest in a motor vehicle owned by, or in the possession and use of, a carrier registered under section 13902 of this title and owing payment or performance of an obligation secured by that security interest is perfected in all jurisdictions against all general, and subsequent lien, creditors of, and all persons taking a motor vehicle by sale (or taking or retaining a security interest in a motor vehicle) from, that carrier when—

(1) a certificate of title is issued for a motor vehicle under a law of a jurisdiction that requires or permits indication, on a certificate of title, of a security interest in the motor vehicle if the security interest is indicated on the certificate;

(2) a certificate of title has not been issued and the law of the State where the principal place of business of that carrier is located requires or permits public filing or recording of, or in relation to, that security interest if there has been such a public filing or recording; and

(3) a certificate of title has not been issued and the security interest cannot be perfected under paragraph (2) of this subsection, if the security interest has been perfected under the law (including the conflict of laws rules) of the State where the principal place of business of that carrier is located.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11304 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, title I, § 102(a).

EFFECTIVE DATE

§ 14302. Pooling and division of transportation or earnings

(a) APPROVAL REQUIRED.—A carrier providing transportation subject to jurisdiction under sub-
chapter I of chapter 135 may not agree or combine with another such carrier to pool or divide traffic or services or any part of their earnings without the approval of the Board under this section.

(b) STANDARDS FOR APPROVAL.—The Board may approve and authorize an agreement or combination between or among motor carriers of passengers, or between a motor carrier of passengers and a rail carrier of passengers if the carriers involved assent to the pooling or division and the Board finds that a pooling or division of traffic, services, or earnings—

(1) will be in the interest of better service to the public or of economy of operation; and

(2) will not unreasonably restrain competition.

(c) PROCEDURE.—

(1) APPLICATION.—Any motor carrier of property may apply to the Board for approval of an agreement or combination with another such carrier to pool or divide traffic or any services or any part of their earnings by filing such agreement or combination with the Board not less than 50 days before its effective date.

(2) DETERMINATION OF IMPORTANCE AND RESTRAINT ON COMPETITION.—Prior to the effective date of the agreement or combination, the Board shall determine whether the agreement or combination is of major transportation importance and whether there is substantial likelihood that the agreement or combination will unduly restrain competition. If the Board determines that neither of these 2 factors exists, it shall, prior to such effective date and without a hearing, approve and authorize the agreement or combination, under such rules and regulations as the Board may issue, and for such consideration between such carriers and upon such terms and conditions as shall be found by the Board to be just and reasonable.

(3) HEARING.—If the Board determines either that the agreement or combination is of major transportation importance or that there is substantial likelihood that the agreement or combination will unduly restrain competition, the Board shall hold a hearing concerning whether the agreement or combination will be in the interest of better service to the public or of economy in operation and whether it will unduly restrain competition and shall suspend operation of such agreement or combination pending such hearing and final decision thereon. After such hearing, the Board shall indicate to what extent it finds that the agreement or combination will be in the interest of better service to the public or of economy in operation and will not unduly restrain competition and if assented to by all the carriers involved, shall to that extent, approve and authorize the agreement or combination, under such rules and regulations as the Board may issue, and for such consideration between such carriers and upon such terms and conditions as shall be found by the Board to be just and reasonable.

(d) CONDITIONS.—The Board may impose conditions governing the pooling or division and may approve and authorize payment of a reasonable consideration between the carriers.

(e) INITIATION OF PROCEEDING.—The Board may begin a proceeding under this section on its own initiative or on an application.

(f) EFFECT OF APPROVAL.—A carrier may participate in an arrangement approved by or exempted by the Board under this section without the approval of any other Federal, State, or municipal body. A carrier participating in an approved or exempted arrangement is exempt from the antitrust laws and from all other law, including State and municipal law, as necessary to let that person carry out the arrangement.

(g) CONTINUATION OF EXISTING AGREEMENTS.—Any agreements in operation under the provisions of this title on January 1, 1996, that are succeeded by this section shall remain in effect until further order of the Board.

(h) DEFINITIONS.—In this section, the following definitions apply:

(1) HOUSEHOLD GOODS.—The term “household goods” has the meaning such term had under section 10102(11) of this title, as in effect on December 31, 1995.

(2) TRANSPORTATION.—The term “transportation” means transportation that would be subject to the jurisdiction of the Interstate Commerce Commission under subchapter II of chapter 105 of this title, as in effect on December 31, 1995, if such subchapter were still in effect.

ABOLITION OF INTERSTATE COMMERCE COMMISSION

Interstate Commerce Commission abolished by section 103 of Pub. L. 104–88, set out as a note under section 701 of this title.

§ 14303. Consolidation, merger, and acquisition of control of motor carriers of passengers

(a) APPROVAL REQUIRED.—The following transactions involving motor carriers of passengers subject to jurisdiction under subchapter I of chapter 135 may be carried out only with the approval of the Board:

(1) Consolidation or merger of the properties or franchises of at least 2 carriers into one operation for the ownership, management, and operation of the previously separately owned properties.

(2) A purchase, lease, or contract to operate property of another carrier by any number of carriers.

(3) Acquisition of control of a carrier by any number of carriers.

(4) Acquisition of control of at least 2 carriers by a person that is not a carrier.

(5) Acquisition of control of a carrier by a person that is not a carrier but that controls any number of carriers.

(b) STANDARD FOR APPROVAL.—The Board shall approve and authorize a transaction under this section when it finds the transaction is consistent with the public interest. The Board shall consider at least the following:

(1) The effect of the proposed transaction on the adequacy of transportation to the public.

(2) The total fixed charges that result from the proposed transaction.

(3) The interest of carrier employees affected by the proposed transaction.

The Board may impose conditions governing the transaction.

(c) DETERMINATION OF COMPLETENESS OF APPLICATION.—Within 30 days after the date on which an application is filed under this section, the Board shall either publish a notice of the application in the Federal Register or reject the application if it is incomplete.

(d) COMMENTS.—Written comments about an application may be filed with the Board within 45 days after the date on which notice of the application is published under subsection (c).

(e) DEADLINES.—The Board shall complete evidentiary proceedings by the 240th day after the date on which notice of the application is published under subsection (c). The Board shall issue a final decision by the 180th day after the conclusion of the evidentiary proceedings. The Board may extend a time period under this subsection; except that the total of all such extensions with respect to any application shall not exceed 90 days.

(f) EFFECT OF APPROVAL.—A carrier or corporation participating in or resulting from a transaction approved by the Board under this section, or exempted by the Board from the application of this section pursuant to section 13541, may carry out the transaction, own and operate property, and exercise control or franchises acquired through the transaction without the approval of a State authority. A carrier, corporation, or person participating in the approved or exempted transaction is exempt from the antitrust laws and from all other law, including State and municipal law, as necessary to let that person carry on the transaction, hold, maintain, and operate property, and exercise control or franchises acquired through the transaction.

(g) LIMITATION ON APPLICABILITY.—This section shall not apply to transactions involving carriers whose aggregate gross operating revenues were not more than $2,000,000 during a period of 12 consecutive months ending not more than 6 months before the date of the agreement of the parties.

(h) APPLICABILITY OF CERTAIN PROVISIONS.—When the Board approves and authorizes a transaction under this section in which a person not a carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 acquires control of at least 1 carrier subject to such jurisdiction, the person is subject, as a carrier, to the following provisions of this title that apply to the carrier being acquired by that person, to the extent specified by the Board: sections 504(f), 14121–14123, 14901(a), and 14907.

(i) INTERIM APPROVAL.—Pending determination of an application filed under this section, the Board may approve, for a period of not more than 180 days, the operation of the properties sought to be acquired by the person proposing in the application to acquire those properties, when it appears that failure to do so may result in destruction of or injury to those properties or substantially interfere with their future usefulness in providing adequate and continuous service to the public. Transportation provided by a motor carrier under a grant of approval under this subsection is subject to this part.

(j) SUPPLEMENTAL ORDERS.—When cause exists, the Board may issue appropriate orders supplemental to an order made in a proceeding under this section.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in sections 11341, 11342, 11343, 11345a, 11346a, 11348, 11349,
§ 14501

14501. Federal authority over intrastate transportation

(a) MOTOR CARRIERS OF PASSENGERS.—

(1) LIMITATION ON STATE LAW.—No State or political subdivision thereof and no interstate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard, or other provision having the force and effect of law relating to—

(A) scheduling of interstate or intrastate transportation (including discontinuance or reduction in the level of service) provided by a motor carrier of passengers subject to jurisdiction under subchapter I of chapter 135 of this title on an interstate route;

(B) the implementation of any change in the rates for such transportation or for any charter transportation except to the extent that notice, not in excess of 30 days, of changes in schedules may be required; or

(C) the authority to provide intrastate or interstate charter bus transportation.

This paragraph shall not apply to intrastate commuter bus operations, or to intrastate bus transportation of any nature in the State of Hawaii.

(2) MATTERS NOT COVERED.—Paragraph (1) shall not affect any authority of a State with respect to motor vehicles, the authority of a State to impose highway route controls or limitations based on the size or weight of the motor vehicle or the hazardous nature of the cargo, or the authority of a State to regulate motor carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization; (B) does not apply to the intrastate transportation of household goods; and

(C) does not apply to the authority of a State or a political subdivision of a State to enact or enforce a law, regulation, or other provision relating to the price of for-hire motor vehicle transportation by a tow truck, if such transportation is performed without the prior consent or authorization of the owner or operator of the motor vehicle.

(3) STATE STANDARD TRANSPORTATION PRACTICES.—

(A) CONTINUATION.—Paragraph (1) shall not affect any authority of a State, political subdivision of a State, or political authority of 2 or more States to enact or enforce a law, regulation, or other provision, with respect to the intrastate transportation of property by motor carriers, related to—

(i) uniform cargo liability rules,

(ii) uniform bills of lading or receipts for property being transported,

(iii) uniform cargo credit rules,

(iv) antitrust immunity for joint line rates or routes, classifications, mileage guides, and pooling, or

(v) antitrust immunity for agent-van line operations (as set forth in section 13907).

if such law, regulation, or provision meets the requirements of subparagraph (B).

(B) REQUIREMENTS.—A law, regulation, or provision of a State, political subdivision, or political authority meets the requirements of this subparagraph if—

(i) the law, regulation, or provision covers the same subject matter as, and compliance with such law, regulation, or provi-
sion is no more burdensome than compliance with, a provision of this part or a regulation issued by the Secretary or the Board under this part; and

(ii) the law, regulation, or provision only applies to a carrier upon request of such carrier.

(C) ELECTION.—Notwithstanding any other provision of law, a carrier affiliated with a direct air carrier through common controlling ownership may elect to be subject to a law, regulation, or provision of a State, political subdivision, or political authority under this paragraph.

(4) NONAPPLICABILITY TO HAWAII.—This subsection shall not apply with respect to the State of Hawaii.

(5) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this section shall be construed to prevent a State from requiring that, in the case of a motor vehicle to be towed from private property without the consent of the owner or operator of the vehicle, the person towing the vehicle have prior written authorization from the property owner or lessee (or an employee or agent thereof) or that such owner or lessee (or an employee or agent thereof) be present at the time the vehicle is towed from the property, or both.

(d) PRE-ARRANGED GROUND TRANSPORTATION.—

(1) IN GENERAL.—No State or political subdivision thereof and no interstate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard or other provision having the force and effect of law requiring a license or fee on account of the fact that a motor vehicle is providing pre-arranged ground transportation service if the motor carrier providing such service—

(A) meets all applicable registration requirements under chapter 139 for the interstate transportation of passengers;

(B) meets all applicable vehicle and intrastate passenger licensing requirements of the State or States in which the motor carrier is domiciled or registered to do business; and

(C) is providing such service pursuant to a contract for—

(i) transportation by the motor carrier from one State, including intermediate stops, to a destination in another State; or

(ii) transportation by the motor carrier from one State, including intermediate stops in another State, to a destination in the original State.

(2) INTERMEDIATE STOP DEFINED.—In this section, the term ‘‘intermediate stop’’, with respect to transportation by a motor carrier, means a pause in the transportation in order for one or more passengers to engage in personal or business activity, but only if the driver providing the transportation to such passenger or passengers does not, before resuming the transportation of such passenger (or at least 1 of such passengers), provide transportation to any other person not included among the passengers being transported when the pause began.

(3) MATTERS NOT COVERED.—Nothing in this subsection shall be construed—

(A) as subjecting taxicab service to regulation under chapter 135 or section 31138;

(B) as prohibiting or restricting an airport, train, or bus terminal operator from contracting to provide preferential access or facilities to one or more providers of pre-arranged ground transportation service; and

(C) as restricting the right of any State or political subdivision of a State to require, in a nondiscriminatory manner, that any individual operating a vehicle providing pre-arranged ground transportation service originating in the State or political subdivision have submitted to pre-licensing drug testing or a criminal background investigation of the records of the State in which the operator is domiciled, by the State or political subdivision by which the operator is licensed to provide such service, or by the motor carrier providing such service, as a condition of providing such service.

§ 14502. Tax discrimination against motor carrier transportation property

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) ASSESSMENT.—The term “assessment” means valuation for a property tax levied by a taxing district.

(2) ASSESSMENT JURISDICTION.—The term “assessment jurisdiction” means a geographical area in a State used in determining the assessed value of property for ad valorem taxation.

(3) MOTOR CARRIER TRANSPORTATION PROPERTY.—The term “motor carrier transportation property” means property, as defined by the Secretary, owned or used by a motor carrier providing transportation in interstate commerce whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135.

(4) COMMERCIAL AND INDUSTRIAL PROPERTY.—The term “commercial and industrial property” means property, other than transportation property, land and used primarily for agricultural purposes or timber growing, devoted to a commercial or industrial use, and subject to a property tax levy.

(b) ACTS BURDENING INTERSTATE COMMERCE.—The following acts unreasonably burden and discriminate against interstate commerce and a State, subdivision of a State, or authority acting for a State or subdivision of a State may not do any of them:

(1) EXCESSIVE VALUATION OF PROPERTY.—Assess motor carrier transportation property at a value that has a higher ratio to the true market value of the motor carrier transportation property than the ratio that the assessed value of other commercial and industrial property in the same assessment jurisdiction has to the true market value of the other commercial and industrial property.

(2) TAX ON ASSESSMENT.—Levy or collect a tax on an assessment that may not be made under paragraph (1).

(3) AD VALOREM TAX.—Levy or collect an ad valorem property tax on motor carrier transportation property at a tax rate that exceeds the tax rate applicable to commercial and industrial property in the same assessment jurisdiction.

(c) JURISDICTION.—

(1) IN GENERAL.—Notwithstanding section 131 of title 28 and without regard to the amount in controversy or citizenship of the parties, a district court of the United States has jurisdiction, concurrent with other jurisdiction of courts of the United States and the States, to prevent a violation of subsection (b) of this section.

(2) LIMITATION IN RELIEF.—Relief may be granted under this subsection only if the ratio of assessed value to true market value of motor carrier transportation property exceeds, by at least 5 percent, the ratio of assessed value to true market value of other commercial and industrial property in the same assessment jurisdiction.

(3) BURDEN OF PROOF.—The burden of proof in determining assessed value and true market value is governed by State law.

(4) VIOLATION.—If the ratio of the assessed value of other commercial and industrial property in the assessment jurisdiction to the true market value of all other commercial and industrial property cannot be determined to the satisfaction of the district court through the random-sampling method known as a sales assessment ratio study (to be carried out under statistical principles applicable to such a study), the court shall find, as a violation of this section—

(A) an assessment of the motor carrier transportation property at a value that has a higher ratio to the true market value of the motor carrier transportation property than the assessment value of all other property subject to a property tax levy in the assessment jurisdiction has to the true market value of all such other property; and

(B) the collection of ad valorem property tax on the motor carrier transportation property at a tax rate that exceeds the tax ratio rate applicable to taxable property in the taxing district.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11503a of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 14503. Withholding State and local income tax by certain carriers

(a) SINGLE STATE TAX WITHHOLDING.—

(1) IN GENERAL.—No part of the compensation paid by a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 or by a motor private carrier to an employee who performs regularly assigned duties in 2 or more States as such an employee with respect to a motor vehicle shall be subject to the income tax laws of any State or subdivision of that State, other than the State or subdivision thereof of the employee’s residence.

(2) EMPLOYEE DEFINED.—In this subsection, the term “employee” has the meaning given such term in section 31132.

(b) SPECIAL RULES.—

(1) CALCULATION OF EARNINGS.—In this subsection, an employee is deemed to have earned more than 50 percent of pay in a State or subdivision of that State in which the time worked by the employee in the State or subdivision is more than 50 percent of the total time worked by the employee while employed during the calendar year.

(2) WATER CARRIERS.—A water carrier providing transportation subject to jurisdiction under subchapter II of chapter 135 shall file income tax information returns and other reports only with—

(A) the State and subdivision of residence of the employee (as shown on the employment records of the carrier); and

(B) the State and subdivision in which the employee earned more than 50 percent of the pay received by the employee from the carrier during the preceding calendar year.
(3) **Applicability to sailors.**—This subsection applies to pay of a master, officer, or sailor who is a member of the crew on a vessel engaged in foreign, coastwise, intercostal, or noncontiguous trade or in the fisheries of the United States.

(c) **Filing of information.**—A motor and motor private carrier withholding pay from an employee under subsection (a) of this section shall file income tax information returns and other reports only with the State and subdivision of residence of the employee.

**Temporary Reenactment of Section**

Pub. L. 110–53, title XV, §1537(a), Aug. 3, 2007, 121 Stat. 467, provided that section 14504 of this title, as in effect on Dec. 31, 2006, was to be in effect for the period beginning on Jan. 1, 2007, and ending on the earlier of Jan. 1, 2008, or the effective date of final regulations issued (none issued as of Jan. 1, 2008) pursuant to section 1537(b) of Pub. L. 110–53, set out as a note under section 13908 of this title.

§14504a. Unified Carrier Registration System plan and agreement

(a) **Definitions.**—In this section and section 14506 (except as provided in paragraph (5)), the following definitions apply:

(1) **Commercial motor vehicle.**—

(A) **In general.**—Except as provided in subparagraph (B), the term "commercial motor vehicle"—

(i) for calendar years 2008 and 2009, has the meaning given in section 31101; and

(ii) for years beginning after December 31, 2009, means a self-propelled vehicle described in section 31101.

(B) **Exception.**—With respect to determining the size of a motor carrier or motor private carrier’s fleet in calculating the fee to be paid by a motor carrier or motor private carrier pursuant to subsection (f)(1), the motor carrier or motor private carrier shall have the option to include, in addition to commercial motor vehicles as defined in subparagraph (A), any self-propelled vehicle used on the highway in commerce to transport passengers or property for compensation regardless of the gross vehicle weight rating of the vehicle or the number of passengers transported by such vehicle.

(2) **Base-State.**—

(A) **In general.**—Subject to subparagraph (B), the term "base-State" means, with respect to a unified carrier registration agreement, a State—

(i) that is in compliance with the requirements of subsection (e); and

(ii) in which the motor carrier, motor private carrier, broker, freight forwarder, or leasing company to which the agreement applies maintains its principal place of business.

(B) **Designation of base-State.**—A motor carrier, motor private carrier, broker, freight forwarder, or leasing company may designate another State in which it maintains an office or operating facility to be its base-State in the event that—

(i) the State in which the motor carrier, motor private carrier, broker, freight forwarder, or leasing company maintains its principal place of business is not in compliance with the requirements of subsection (e); or

(ii) the motor carrier, motor private carrier, broker, freight forwarder, or leasing company does not have a principal place of business in the United States.

(3) **Intrastate fee.**—The term "intrastate fee" means any fee, tax, or other type of assessment, including per vehicle fees and gross receipts taxes, imposed on a motor carrier or motor private carrier for the renewal of the intrastate authority or insurance filings of such carrier with a State.

(4) **Leasing company.**—The term "leasing company" means a lessor that is engaged in the business of leasing or renting for compensation motor vehicles without drivers to a motor carrier, motor private carrier, or freight forwarder.

(5) **Motor carrier.**—

(A) **This section.**—In this section:

(i) **In general.**—The term "motor carrier" includes all carriers that are otherwise exempt from this part—

(I) under subchapter I of chapter 135; or

(II) through exemption actions by the former Interstate Commerce Commission under this title.

(ii) **Exclusions.**—In this section, the term "motor carrier" does not include—

(I) any carrier subject to section 13504; or

(II) any other carrier that the board of directors of the unified carrier registration plan determines to be appropriate pursuant to subsection (d)(4)(C).

(B) **Section 14506.**—In section 14506, the term "motor carrier" includes all carriers that are otherwise exempt from this part—

(i) under subchapter I of chapter 135; or
§ 14504a

TITLE 49—TRANSPORTATION

Page 374

(ii) through exemption actions by the former Interstate Commerce Commission under this title.

(6) PARTICIPATING STATE.—The term “participating State” means a State that has complied with the requirements of subsection (e).

(7) SSRS.—The term “SSRS” means the single state registration system in effect on the date of enactment of this section.

(8) UNIFIED CARRIER REGISTRATION AGREEMENT.—The terms “unified carrier registration agreement” and “UCR agreement” mean the interstate agreement developed under the unified carrier registration plan governing the collection and distribution of registration and financial responsibility information provided and fees paid by motor carriers, motor private carriers, brokers, freight forwarders, and leasing companies pursuant to this section.

(9) UNIFIED CARRIER REGISTRATION PLAN.—The terms “unified carrier registration plan” and “UCR plan” mean the organization of State, Federal, and industry representatives responsible for developing, implementing, and administering the unified carrier registration agreement.

(10) VEHICLE REGISTRATION.—The term “vehicle registration” means the registration of any commercial motor vehicle under the International Registration Plan (as defined in section 31701) or any other registration law or regulation of a jurisdiction.

(b) APPLICABILITY OF PROVISIONS TO FREIGHT FORWARDERS.—A freight forwarder that operates commercial motor vehicles and is not required to register as a carrier pursuant to section 13903(b) shall be subject to the provisions of this section as if the freight forwarder is a motor carrier.

(c) UNREASONABLE BURDEN.—For purposes of this section, it shall be considered an unreasonable burden upon interstate commerce for any State or any political subdivision of a State, or any political authority of two or more States—

(1) to enact, impose, or enforce any requirement or standards with respect to, or levy any fee or charge on, any motor carrier or motor private carrier providing transportation or service subject to jurisdiction under subchapter I of chapter 135 (in this section referred to as an “interstate motor carrier” and an “interstate motor private carrier”, respectively) in connection with—

(A) the registration with the State of the interstate operations of the motor carrier or motor private carrier;

(B) the filing with the State of information relating to the financial responsibility of a motor carrier or motor private carrier pursuant to sections 31138 or 31139;

(C) the filing with the State of the name of the local agent for service of process of the motor carrier or motor private carrier pursuant to sections 1 583 or 13904; or

(D) the annual renewal of the intrastate authority, or the insurance filings, of the motor carrier or motor private carrier, or other intrastate filing requirement necess
tary to operate within the State if the motor carrier or motor private carrier is—

(i) registered under section 13902 or section 13905(b); and

(ii) in compliance with the laws and regulations of the State authorizing the carrier to operate in the State in accordance with section 14501(c)(2)(A); except with respect to—

(I) intrastate service provided by motor carriers of passengers that is not subject to the preemption provisions of section 14501(a);

(II) motor carriers of property, motor private carriers, brokers, or freight forwarders, or their services or operations, that are described in subparagraphs (B) and (C) of section 14501(c)(2).²

(III) the intrastate transportation of waste or recyclable materials by any carrier; or

(2) to require any interstate motor carrier or motor private carrier that also performs intrastate operations to pay any fee or tax which a carrier engaged exclusively in intrastate operations is exempt.

(d) UNIFIED CARRIER REGISTRATION PLAN.—

(1) BOARD OF DIRECTORS.—

(A) GOVERNANCE OF PLAN; ESTABLISHMENT.—The unified carrier registration plan shall have a board of directors consisting of representatives of the Department of Transportation, participating States, and the motor carrier industry. The Secretary shall establish the board.

(B) COMPOSITION.—The board shall consist of 15 directors appointed by the Secretary as follows:

(i) FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION.—One director from each of the Federal Motor Carrier Safety Administration’s 4 service areas (as those areas were defined by the Federal Motor Carrier Safety Administration on January 1, 2005) from among the chief administrative officers of the State agencies responsible for overseeing the administration of the UCR agreement.

(ii) STATE AGENCIES.—Five directors from the professional staffs of State agencies responsible for overseeing the administration of the UCR agreement in their respective States. Nominees for these 5 directorships shall be submitted to the Secretary by the national association of professional employees of the State agencies responsible for overseeing the administration of the UCR agreement in their respective States.

(iii) MOTOR CARRIER INDUSTRY.—Five directors from the motor carrier industry. At least 1 of the appointees under this clause shall be a representative of a national trade association representing the general motor carrier of property industry. At least 1 of the appointees under this clause shall represent a motor carrier that falls within the smallest fleet fee bracket.

agreement. The rules and regulations shall—

issue rules and regulations to govern the UCR

UCR AGREEMENT

for—

(A) prescribe uniform forms and formats,

(B) provide for the administration of the

unified carrier registration agreement, in-

cluding procedures for amending the agree-

ment and obtaining clarification of any pro-

vision of the Agreement;

(C) provide procedures for dispute resolu-

tion under the agreement that provide due

process for all involved parties; and

(D) designate a depository.

(3) COMPENSATION AND EXPENSES.—

(A) IN GENERAL.—Except for the represen-
tative of the Department appointed under

paragraph (1)(B)(iv), no director shall receive

any compensation or other benefits from the

Federal Government for serving on the board

or be considered a Federal employee as a result of such service.

(B) EXPENSES.—All directors shall be re-
bursed for expenses they incur attending

meetings of the board. In addition, the board

may approve the reimbursement of expenses

incurred by members of any subcommittee

or task force appointed under paragraph (5)

for carrying out the duties of the sub-

committee or task force. The reimbursement

of expenses to directors and subcommittee

and task force members shall be under sub-

chapter II of chapter 57 of title 5, United

States Code, governing reimbursement of ex-

penses for travel by Federal employees.

(4) MEETINGS.—

(A) IN GENERAL.—The board shall meet at

least once per year. Additional meetings

may be called, as needed, by the chairperson

of the board, a majority of the directors, or

the Secretary.

(B) QUORUM.—A majority of directors shall

constitute a quorum.

(C) VOTING.—Approval of any matter be-

fore the board shall require the approval of

a majority of all directors present at the

meeting, except that a decision to approve

the exclusion of carriers from the definition

of the term “motor carrier” under sub-

section (a)(5) shall require an affirmative

vote of ¾ of all such directors.3

(D) OPEN MEETINGS.—Meetings of the board

and any subcommittees or task forces ap-

pointed under paragraph (5) shall be subject

to the provisions of section 552b of title 5.

(5) SUBCOMMITTEES.—

(A) INDUSTRY ADVISORY SUBCOMMITTEE.—

The chairperson shall appoint an industry

advisory subcommittee. The industry advi-

sory subcommittee shall consider any mat-

ter before the board and make recommenda-

tions to the board.

(B) OTHER SUBCOMMITTEES.—The chair-

person shall appoint an audit subcommittee,

a dispute resolution subcommittee, and any

additional subcommittees and task forces

that the board determines to be necessary.

(C) MEMBERSHIP.—The chairperson of each

subcommittee shall be a director. The other

members of subcommittees and task forces

may be directors or nondirectors.

(D) REPRESENTATION ON SUBCOMMITTEES.—

Except for the industry advisory subcommit-

tee (the membership of which shall consist

solely of representatives of entities subject

to the fee requirements of subsection (f)),

each subcommittee and task force shall in-

clude representatives of the participating

States and the motor carrier industry.

(6) DELEGATION OF AUTHORITY.—The board

may contract with any person or any agency

of a State to perform administrative functions

required under the unified carrier registration

agreement, but may not delegate its decision

or policy-making responsibilities.

(7) DETERMINATION OF FEES.—

(A) RECOMMENDATION BY BOARD.—The

board shall recommend to the Secretary the
initial annual fees to be assessed carriers, leasing companies, brokers, and freight forwarders under the unified carrier registration agreement. In making its recommendation to the Secretary for the level of fees to be assessed in any agreement year, and in setting the fee level, the board and the Secretary shall consider—

(i) the administrative costs associated with the unified carrier registration plan and the agreement;

(ii) whether the revenues generated in the previous year and any surplus or shortage from that or prior years enable the participating States to achieve the revenue levels set by the board; and

(iii) the provisions governing fees under subsection (f)(1).

(B) SETTING FEES.—The Secretary shall set the initial annual fees for the next agreement year and any subsequent adjustment of those fees—

(i) within 90 days after receiving the board’s recommendation under subparagraph (A); and

(ii) after notice and opportunity for public comment.

(8) LIABILITY PROTECTIONS FOR DIRECTORS.—No individual appointed to serve on the board shall be liable to any other director or to any other party for harm, either economic or non-economic, caused by an act or omission of the other party for harm, either economic or non-economic arising from the individual's service on the board if—

(A) the individual was acting within the scope of his or her responsibilities as a director; and

(B) the harm was not caused by willful or criminal misconduct, gross negligence, reckless misconduct, or a conscious, flagrant indifference to the right or safety of the party harmed by the individual.

(9) INAPPLICABILITY OF FEDERAL ADVISORY COMMITTEE ACT.—The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the unified carrier registration plan, the board, or its committees.

(10) CERTAIN FEES NOT AFFECTED.—This section does not limit the amount of money a State may charge for vehicle registration or the amount of any fuel use tax a State may impose pursuant to the International Fuel Tax Agreement (as defined in section 31701).

(e) STATE PARTICIPATION.—

(1) STATE PLAN.—No State shall be eligible to participate in the unified carrier registration plan or to receive any revenues derived under the UCR agreement, unless the State submits to the Secretary, not later than 3 years after the date of enactment of the Unified Carrier Registration Act of 2005, a plan—

(A) identifying the State agency that has or will have the legal authority, resources, and qualified personnel necessary to administer the agreement in accordance with the rules and regulations promulgated by the board of directors; and

(B) demonstrating that an amount at least equal to the revenue derived by the State from the unified carrier registration agreement shall be used for motor carrier safety programs, enforcement, or the administration of the UCR plan and UCR agreement.

(2) AMENDED PLANS.—A State that submits a plan under this subsection may change the agency designated in the plan by filing an amended plan with the Secretary and the chairperson of the board of directors.

(3) WITHDRAWAL OF PLAN.—If a State withdraws, or notifies the Secretary that it is withdrawing, the plan it submitted under this subsection, the State may no longer participate in the unified carrier registration agreement or receive any portion of the revenues derived under the agreement. The Secretary shall notify the chairperson upon receiving notice from a State that it is withdrawing its plan or withdrawing from the agreement, or both.

(4) TERMINATION OF ELIGIBILITY.—If a State fails to submit a plan to the Secretary in accordance with paragraph (1) or withdraws its plan under paragraph (3), the State may not submit or resubmit a plan or participate in the agreement.

(5) PROVISION OF PLAN TO CHAIRPERSON.—The Secretary shall provide a copy of each plan submitted under this subsection to the chairperson of the board of directors not later than 10 days after date of submission of the plan.

(f) CONTENTS OF UNIFIED CARRIER REGISTRATION AGREEMENT.—The unified carrier registration agreement shall provide the following:

(1) FEES.—(A) Fees charged—

(i) to a motor carrier, motor private carrier, or freight forwarder under the UCR agreement shall be based on the number of commercial motor vehicles owned or operated by the motor carrier, motor private carrier, or freight forwarder; and

(ii) to a broker or leasing company under the UCR agreement shall be based on the number of commercial motor vehicles owned or operated by the broker or leasing company.

(B) The fees shall be determined by the Secretary based upon the recommendation of the board under subsection (d)(7).

(C) The board shall develop for purposes of charging fees no more than 6 and no less than 4 brackets of carriers (including motor private carriers) based on the size of fleet.

(D) The fee scale shall be progressive in the amount of the fee.

(E) The board may ask the Secretary to adjust the fees within a reasonable range on an annual basis if the revenues derived from the fees—

(i) are insufficient to provide the revenues to which the States are entitled under this section; or

(ii) exceed those revenues.

(2) DETERMINATION OF OWNERSHIP OR OPERATION.—For purposes of this subsection, a commercial motor vehicle is owned or operated by a motor carrier, motor private carrier, or freight forwarder if the vehicle is registered under Federal law or State law, or both, in the
name of the motor carrier, motor private carrier, or freight forwarder or is controlled by the motor carrier, motor private carrier, or freight forwarder under a long term lease during a vehicle registration year.

(3) **Calculation of Number of Commercial Motor Vehicles Owned or Operated.**—The number of commercial motor vehicles owned or operated by a motor carrier, motor private carrier, or freight forwarder for purposes of paragraph (1) shall be based either on the number of commercial motor vehicles the motor carrier, motor private carrier, or freight forwarder has indicated it operates on its most recently filed MCS-150 or the total number of such vehicles it owned or operated for the 12-month period ending on June 30 of the year immediately prior to the registration year of the Unified Carrier Registration System. A motor carrier may include in the calculation of its fleet size for purposes of paragraph (1) any commercial motor vehicle. Motor carriers and motor private carriers in the calculation of their fleet size for purposes of paragraph (1) may elect not to include commercial motor vehicles used exclusively in the intrastate transportation of property, waste, or recyclable material.

(4) **Payment of Fees.**—Motor carriers, motor private carriers, leasing companies, brokers, and freight forwarders shall pay all fees required under this section to their base-State pursuant to the UCR Agreement.

(g) **Payment of Fees.**—Revenues derived under the UCR Agreement shall be allocated to participating States as follows:

(1) A State that participated in the SSRS in the last registration year under the SSRS ending before the date of enactment of the Unified Carrier Registration Act of 2005 and complies with subsection (e) is entitled to receive under this section a portion of the revenues generated under the UCR agreement equivalent to the revenues it received under the SSRS in such last registration year, as long as the State continues to comply with subsection (e).

(2) A State that collected intrastate registration fees from interstate motor carriers, interstate motor private carriers, or interstate exempt carriers and complies with subsection (e) is entitled to receive under this section an additional portion of the revenues generated under the UCR agreement equivalent to the revenues it received from such carriers in the last calendar year ending before the date of enactment of the Unified Carrier Registration Act of 2005, as long as the State continues to comply with subsection (e).

(3) States that comply with subsection (e) but did not participate in SSRS during such last registration year shall be entitled under this section to an annual allotment not to exceed $500,000 from the revenues generated under the UCR agreement, as long as the State continues to comply with the provisions of subsection (e).

(4) The amount of revenues generated under the UCR agreement to which a State is entitled under this section shall be calculated by the board and approved by the Secretary.

(h) **Distribution of UCR Agreement Revenues.**—

(1) **Eligibility.**—Each State that is in compliance with subsection (e) shall be entitled under this section to a portion of the revenues derived from the UCR Agreement in accordance with subsection (g).

(2) **Entitlement to Revenues.**—A State that is in compliance with subsection (e) may retain an amount of the gross revenues it collects from motor carriers, motor private carriers, brokers, freight forwarders and leasing companies under the UCR agreement equivalent to the portion of revenues to which the State is entitled under subsection (g). All revenues a participating State collects in excess of the amount to which the State is so entitled shall be forwarded to the depository designated by the board under subsection (d)(2)(D).

(3) **Distribution of Funds from Depository.**—The excess funds deposited in the depository shall be distributed by the board of directors as follows:

(A) On a pro rata basis to each participating State that did not collect revenues under the UCR agreement equivalent to the amount such State is entitled under subsection (g), except that the sum of the gross revenues collected under the UCR agreement by a participating State and the amount distributed to it from the depository shall not exceed the amount to which the State is entitled under subsection (g).

(B) After all distributions under subparagraph (A) have been made, to pay the administrative costs of the UCR plan and the UCR agreement.

(4) **Retention of Certain Excess Funds.**—Any excess funds held by the depository after distributions and payments under paragraphs (3)(A) and (3)(B) shall be retained in the depository, and the fees charged under the UCR agreement to motor carriers, motor private carriers, leasing companies, freight forwarders, and brokers for the next fee year shall be reduced by the Secretary accordingly.

(1) **Enforcement.**—

(1) **Civil Actions.**—Upon request by the Secretary, the Attorney General may bring a civil action in the United States district court described in paragraph (2) to enforce an order issued to require compliance with this section and with the terms of the UCR agreement.

(2) **Venue.**—An action under this section may be brought only in a United States district court in the State in which compliance with the order is required.

(3) **Relief.**—Subject to section 1341 of title 28, the court, on a proper showing shall issue a temporary restraining order or a preliminary or permanent injunction requiring that the State or any person comply with this section.

(4) **Enforcement by States.**—Nothing in this section—

(A) prohibits a participating State from issuing citations and imposing reasonable fines and penalties pursuant to the applicable laws and regulations of the State on any
motor carrier, motor private carrier, freight
forwarder, broker, or leasing company for
failure to—
(1) submit information documents as re-
quired under subsection (d)(2); or
(II) pay the fees required under sub-
section (f); or
(B) authorizes a State to require a motor
carrier, motor private carrier, or freight for-
warder to display as evidence of compliance
any form of identification in excess of those
permitted under section 14506 on or in a com-
mercial motor vehicle.

(j) APPLICATION TO INTRASTATE CARRIERS.—
Notwithstanding any other provision of this sec-
tion, a State may elect to apply the provisions
of the UCR agreement to motor carriers and
motor private carriers and forwarders subject to
its jurisdiction that operate solely in
intrastate commerce within the borders of the
State.

14711. Enforcement by State attorneys general.

AMENDMENTS

§ 14701. General authority

(a) INVESTIGATIONS.—The Secretary or the Board, as applicable, may begin an investigation under this part on the Secretary's or the Board's own initiative or on complaint. If the Secretary or Board, as applicable, finds that a carrier or broker is violating this part, the Secretary or Board, as applicable, shall take appropriate action to compel compliance with this part. If the Secretary finds that a foreign motor carrier or foreign motor private carrier is violating chapter 139, the Secretary shall take appropriate action to compel compliance with that chapter. The Secretary or Board, as applicable, may take action under this subsection only after giving the carrier or broker notice of the investigation and an opportunity for a proceeding.

(b) COMPLAINTS.—A person, including a governmental authority, may file with the Secretary or Board, as applicable, a complaint about a violation of this part by a carrier providing, or broker for, transportation or service subject to jurisdiction under this part or by a foreign motor carrier or foreign motor private carrier providing transportation registered under section 13902 of this title. The complaint must state the facts that are the subject of the violation. The Secretary or Board, as applicable, may dismiss a complaint that it determines does not state reasonable grounds for investigation and action.

(c) DEADLINE.—A formal investigative proceeding begun by the Secretary or Board under subsection (a) of this section is dismissed automatically unless it is concluded with administrative finality by the end of the 3d year after the date on which it was begun.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11701 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

CONSUMER COMPLAINT INFORMATION

“(a) ESTABLISHMENT OF SYSTEM.—Not later than 1 year after the date of enactment of this Act [Aug. 10, 2005], the Secretary shall—

“(1) establish (A) a system for filing and logging consumer complaints relating to household goods motor carriers for the purpose of compiling or linking complaint information gathered by the Department of Transportation and the States with regard to such carriers, (B) a database of the complaints, and (C) a procedure for the public to have access, subject to section 552(a) of title 5, United States Code, to aggregated information and for carriers to challenge duplicate or fraudulent information in the database;

“(2) issue regulations requiring each motor carrier of household goods to submit on a quarterly basis a report summarizing—

“(A) the number of shipments that originate and are delivered for individual shippers during the reporting period by the carrier;

“(B) the number and general category of complaints lodged by consumers with the carrier;

“(C) the number of claims filed with the carrier for loss and damage in excess of $500;

“(D) the number of such claims resolved during the reporting period;

“(E) the number of such claims declined in the reporting period; and

“(F) the number of such claims that are pending at the close of the reporting period; and

“(3) develop a procedure to forward a complaint, including the motor carrier bill of lading number, if known, related to the complaint to a motor carrier named in such complaint and to an appropriate State authority (as defined in section 14710(d) of title 49, United States Code) in the State in which the complainant resides.

“(b) USE OF INFORMATION.—The Secretary shall consider information in the data base established under subsection (a) in its household goods compliance and enforcement program.”

[For definitions of ‘‘carrier’’, ‘‘household goods’’, ‘‘motor carrier’’, and ‘‘Secretary’’ as used in section 4214 of Pub. L. 109–59, set out above, see section 4222(a) of Pub. L. 109–59, set out as a note under section 13102 of this title.]

§ 14702. Enforcement by the regulatory authority

(a) IN GENERAL.—The Secretary or the Board, as applicable, may bring a civil action—

(1) to enforce section 14103 of this title; or

(2) to enforce this part, or a regulation or order of the Secretary or Board, as applicable, when violated by a carrier or broker providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 of this title or by a foreign motor carrier or foreign motor private carrier providing transportation registered under section 13902 of this title.

(b) VENUE.—In a civil action under subsection (a)(2) of this section—

(1) trial is in the judicial district in which the carrier, foreign motor carrier, foreign motor private carrier, or broker operates;

(2) process may be served without regard to the territorial limits of the district or of the State in which the action is instituted; and
§ 14703. Enforcement by the Attorney General

The Attorney General may, and on request of either the Secretary or the Board shall, bring court proceedings—

1. to enforce this part or a regulation or order of the Secretary or Board or terms of registration under this part; and
2. to proseute a person violating this part or a regulation or of the Secretary or Board or term of registration under this part.

§ 14704. Rights and remedies of persons injured by carriers or brokers

(a) In general.—A person injured because a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 does not obey an order of the Secretary or the Board, as applicable, under this part, except an order for the payment of money, may bring a civil action to enforce that order under this subsection. A person may bring a civil action for injunctive relief for violations of sections 14102 and 14103.

(b) Liability and damages for exceeding tariff rate.—A carrier providing transportation or service subject to jurisdiction under chapter 135 is liable for damages sustained by a person as a result of an act or omission of that carrier or broker in violation of this part.

(c) Election.—

1. Complaint to DOT or Board; civil action.—A person may file a complaint with the Board or the Secretary, as applicable, under section 14701(b) or bring a civil action under subsection (b) to enforce liability against a carrier or broker providing transportation or service subject to jurisdiction under chapter 135.

2. Order of DOT or Board.—

(A) In General.—When the Board or Secretary, as applicable, makes an award under subsection (b) of this section, the Board or Secretary, as applicable, shall order the carrier to pay the amount awarded by a specific date. The Board or Secretary, as applicable, may order a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 to pay damages only when the proceeding is on complaint.

(B) Enforcement by civil action.—The person for whose benefit an order of the Board or Secretary requiring the payment of money is made may bring a civil action to enforce that order under this paragraph if the carrier or broker does not pay the amount awarded by the date payment was ordered to be made.

(d) Procedure.—

1. In general.—When a person begins a civil action under subsection (b) of this section to enforce an order of the Board or Secretary requiring the payment of damages by a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 of this title, the text of the order of the Board or Secretary must be included in the complaint. In addition to the district courts of the United States, a State court of general jurisdiction having jurisdiction of the parties has jurisdiction to enforce an order under this paragraph. The findings and order of the Board or Secretary are competent evidence of the facts stated in them. Trial in a civil action brought in a district court of the United States under this paragraph is in the judicial district in which the plaintiff resides or in which the principal operating office of the carrier or broker is located. In a civil action under this paragraph, the plaintiff is liable for only those costs that accrue on an appeal taken by the plaintiff.

2. Parties.—All parties in whose favor the award was made may be joined as plaintiffs in a civil action brought in a district court of the United States under this subsection and all the carriers that are parties to the order awarding damages may be joined as defendants. Trial in the action is in the judicial district in which any one of the plaintiffs could bring the action against any one of the defendants. Process may be served on a defendant at its principal operating office when that defendant is not in the district in which the action is brought. A judgment ordering recovery may be made in favor of any of those plaintiffs against the defendant found to be liable to that plaintiff.

(e) Attorney’s fees.—The district court shall award a reasonable attorney’s fee under this section. The district court shall tax and collect that fee as part of the costs of the action.

§ 14705. Limitation on actions by and against carriers

(a) IN GENERAL.—A carrier providing transportation or service subject to jurisdiction under chapter 135 must begin a civil action to recover charges for transportation or service provided by the carrier within 18 months after the claim accrues.

(b) OVERCHARGES.—A person must begin a civil action to recover overcharges within 18 months after the claim accrues. If the claim is against a carrier providing transportation subject to jurisdiction under chapter 135 and an election to file a complaint with the Board or Secretary, as applicable, is made under section 14704(c)(1), the complaint must be filed within 3 years after the claim accrues.

(c) DAMAGES.—A person must file a complaint with the Board or Secretary, as applicable, to recover damages under section 14704(b) within 2 years after the claim accrues.

(d) EXTENSIONS.—The limitation periods under subsection (b) of this section are extended for 6 months from the time written notice is given to the claimant by the carrier of disallowance of any part of the claim specified in the notice if a written claim is given to the carrier within those limitation periods. The limitation periods under subsections (b) and (c) of this section are extended for 90 days from the time the carrier begins a civil action under subsection (a) to recover charges related to the same transportation or service, or collects (without beginning a civil action under that subsection) the charge for that transportation or service if that action is begun or collection is made within the appropriate period.

(e) PAYMENT.—A person must begin a civil action to enforce an order of the Board or Secretary against a carrier within 1 year after the date of the order.

(f) GOVERNMENT TRANSPORTATION.—This section applies to transportation for the United States Government. The time limitations under this section are extended, as related to transportation for or on behalf of the United States Government, for 3 years from the later of the date of—

(1) payment of the rate for the transportation or service involved;
(2) subsequent refund for overpayment of that rate; or
(3) deduction made under section 3726 of title 31.

(g) ACCRUAL DATE.—A claim related to a shipment of property accrues under this section on delivery or tender of delivery by the carrier.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11706 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 14706. Liability of carriers under receipts and bills of lading

(a) GENERAL LIABILITY.—

(1) MOTOR CARRIERS AND FREIGHT FORWARDERS.—A carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 shall issue a receipt or bill of lading for property it receives for transportation under this part. That carrier and any other carrier that delivers the property and is providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 or chapter 105 are liable to the person entitled to recover under the receipt or bill of lading. The liability imposed under this paragraph is for the actual loss or injury to the property caused by (A) the receiving carrier, (B) the delivering carrier, or (C) another carrier over whose line or route the property is transported in the United States or from a place in the United States to a place in an adjacent foreign country when transported under a through bill of lading and, except in the case of a freight forwarder, applies to property reconsigned or diverted under a tariff under section 13702. Failure to issue a receipt or bill of lading does not affect the liability of a carrier. A delivering carrier is deemed to be the carrier performing the line-haul transportation nearest the destination but does not include a carrier providing only a switching service at the destination.

(2) FREIGHT FORWARDER.—A freight forwarder is both the receiving and delivering carrier. When a freight forwarder provides service and uses a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 to receive property from a consignor, the motor carrier performing the line-haul transportation nearest the destination shall issue a receipt and shipping receipt for the freight forwarder with its consent. With the consent of the freight forwarder, a motor carrier may deliver property for a freight forwarder on the freight forwarder’s bill of lading, freight bill, or shipping receipt to the consignee named in it, and receipt for the property may be made on the freight forwarder’s delivery receipt.

(b) APPORTIONMENT.—The carrier issuing the receipt or bill of lading under subsection (a) of this section or delivering the property for which the receipt or bill of lading was issued is entitled to recover from the carrier over whose line or route the loss or injury occurred the amount required to be paid to the owners of the property, as evidenced by a receipt, judgment, or transcript, and the amount of its expenses reasonably incurred in defending a civil action brought by that person.

(c) SPECIAL RULES.—

(1) MOTOR CARRIERS.—

(A) SHIPPER WaIVER.—Subject to the provisions of subparagraph (B), a carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 may, subject to the provisions of this chapter (including with respect to a motor carrier, the requirements of section 13710(a)), establish rates for the transportation of property (other than household goods described in section 13102(10)(A)) under which the liability of the carrier for such property is limited to a value established by written or electronic declaration of the shipper or by written agreement between the carrier and...
§ 14706

shipper if that value would be reasonable under the circumstances surrounding the transportation.

(B) CARRIER NOTIFICATION.—If the motor carrier is not required to file its tariff with the Board, it shall provide under section 13710(a)(1) to the shipper, on request of the shipper, a written or electronic copy of the rate, classification, rules, and practices upon which any rate applicable to a shipment, or agreed to between the shipper and the carrier, is based. The copy provided by the carrier shall clearly state the dates of applicability of the rate, classification, rules, or practices.

(C) PROHIBITION AGAINST COLLECTIVE ESTABLISHMENT.—No discussion, consideration, or approval as to rules to limit liability under this subsection may be undertaken by carriers acting under an agreement approved pursuant to section 13703.

(2) WATER CARRIERS.—If loss or injury to property occurs while it is in the custody of a water carrier, the liability of that carrier is determined by its bill of lading and the law applicable to water transportation. The liability of the initial or delivering carrier is the same as the liability of the water carrier.

(d) CIVIL ACTIONS.—

(1) AGAINST DELIVERING CARRIER.—A civil action under this section may be brought against a delivering carrier in a district court of the United States or in a State court. Trial, if the action is brought in a district court of the United States, is in a judicial district in which the defendant carrier operates. If in a State court, is in a State through which the United States is in a judicial district, and if the action is brought in a district court of the United States or in a State court. Trial, if in a State court, is in a judicial district in which the defendant carrier operates.

(2) AGAINST CARRIER RESPONSIBLE FOR LOSS.—A civil action under this section may be brought against a carrier alleged to have caused the loss or damage, in the judicial district in which such loss or damage is alleged to have occurred.

(3) JURISDICTION OF COURTS.—A civil action under this section may be brought in a United States district court or in a State court.

(4) JUDICIAL DISTRICT DEFINED.—In this section, “judicial district” means—

(A) in the case of a United States district court, a judicial district of the United States; and

(B) in the case of a State court, the applicable geographic area over which such court exercises jurisdiction.

(e) MINIMUM PERIOD FOR FILING CLAIMS.—

(1) IN GENERAL.—A carrier may not provide by rule, contract, or otherwise, a period of less than 9 months for filing a claim against it under this section and a period of less than 2 years for bringing a civil action against it under this section. The period for bringing a civil action is computed from the date the carrier gives a person written notice that the carrier has disallowed any part of the claim specified in the notice.

(2) SPECIAL RULES.—For the purposes of this subsection—

(A) an offer of compromise shall not constitute a disallowance of any part of the claim unless the carrier, in writing, informs the claimant that such part of the claim is disallowed and provides reasons for such disallowance; and

(B) communications received from a carrier’s insurer shall not constitute a disallowance of any part of the claim unless the insurer, in writing, informs the claimant that such part of the claim is disallowed, provides reason for such disallowance, and informs the claimant that the insurer is acting on behalf of the carrier.

(f) LIMITING LIABILITY OF HOUSEHOLD GOODS CARRIERS TO DECLARED VALUE.—

(1) IN GENERAL.—A carrier or group of carriers subject to jurisdiction under subchapter I or III of chapter 155 may petition the Board to modify, eliminate, or establish rules for the transportation of household goods under which the liability of the carrier for that property is limited to a value established by written declaration of the shipper or by a written agreement.

(2) FULL VALUE PROTECTION OBLIGATION.—Unless the carrier receives a waiver in writing under paragraph (3), a carrier’s maximum liability for household goods that are lost, damaged, destroyed, or otherwise not delivered to the final destination is an amount equal to the replacement value of such goods, subject to a maximum amount equal to the declared value of the shipment and to rules issued by the Surface Transportation Board and applicable tariffs.

(3) APPLICATION OF RATES.—The released rates established by the Board under paragraph (1) (“commonly known as “released rates’”) shall not apply to the transportation of household goods by a carrier unless the liability of the carrier for the full value of such household goods under paragraph (2) is waived, in writing, by the shipper.

(g) MODIFICATIONS AND REFORMS.—

(1) STUDY.—The Secretary shall conduct a study to determine whether any modifications or reforms should be made to the loss and damage provisions of this section, including those related to limitation of liability by carriers.

(2) FACTORS TO CONSIDER.—In conducting the study, the Secretary, at a minimum, shall consider—

(A) the efficient delivery of transportation services;

(B) international and intermodal harmony;

(C) the public interest; and

(D) the interest of carriers and shippers.

(3) REPORT.—Not later than 12 months after January 1, 1996, the Secretary shall submit to Congress a report on the results of the study, together with any recommendations of the Secretary (including legislative recommendations) for implementing modifications or reforms identified by the Secretary as being appropriate.

Prior Provisions

Provisions similar to those in this section were contained in sections 10730 and 11707 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Amendments

"(1) the time within which an action may be commenced shall be determined under section 13906 or 13907 of chapter 135 of this title; and

(2) any applicable costs, and disclosure of the rate summary of the arbitration procedure, including a concise easy-to-read, accurate summary of the arbitration procedure, any applicable costs, and disclosure of the legal effects of election to utilize arbitration. Such notice must be given to persons for whom household goods are to be transported by the carrier before such goods are tendered to the carrier for transportation."

1996—Subsec. (g)(3). Pub. L. 104–287 substituted "January 1, 1996" for "the effective date of this section".

Review of Liability of Carriers

"(a) Review.—Not later than 1 year after the date of enactment of this Act (Aug. 10, 2006), the Surface Transportation Board shall complete a review of the current Federal regulations regarding the level of liability protection provided by motor carriers that provide transportation of household goods and revise such regulations, if necessary, to provide enhanced protection in the case of loss or damage."

"(b) Determinations.—The review required by subsection (a) shall include a determination of—

"(1) whether the current regulations provide adequate protection; and

"(2) the benefits of purchase by a shipper of insurance to supplement the carrier's limitations on liability; and

"(3) whether there are abuses of the current regulations that leave the shipper unprotected in the event of loss and damage to a shipment of household goods."

For definitions of "carrier", "household goods", "motor carrier", and "transportation" as used in section 4215 of Pub. L. 109–59, set out above, see section 4202(a) of Pub. L. 109–59, set out as a note under section 13102 of this title.

§14707. Private enforcement of registration requirement

(a) In General.—If a person provides transportation by motor vehicle or service in clear violation of section 13901–13904 or 13906, a person injured by the transportation or service may bring a civil action to enforce any such section. In a civil action under this subsection, trial is in the judicial district in which the person who violated that section operates.

(b) Procedure.—A copy of the complaint in a civil action under subsection (a) shall be served on the Secretary and a certificate of service must appear in the complaint filed with the court. The Secretary may intervene in a civil action under subsection (a). The Secretary may notify the district court in which the action is pending that the Secretary intends to consider the matter that is the subject of the complaint in a proceeding before the Secretary. When that notice is filed, the court shall stay further action pending disposition of the proceeding before the Secretary.

(c) Attorney's Fees.—In a civil action under subsection (a), the court may determine the amount of and award a reasonable attorney's fee to the prevailing party. That fee is in addition to costs allowable under the Federal Rules of Civil Procedure.

Prior Provisions

Provisions similar to those in this section were contained in section 11708 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§14708. Dispute settlement program for household goods carriers

(a) Offering Shippers Arbitration.—As a condition of registration under section 13902 or 13903, a carrier providing transportation of household goods subject to jurisdiction under subchapter I or III of chapter 135 must agree to offer in accordance with this section to shippers of household goods arbitration as a means of settling disputes between such carriers and shippers of household goods concerning damage or loss to the household goods transported and to determine whether carrier charges, in addition to those collected at delivery, must be paid by shippers for transportation and services related to transportation of household goods.

(b) Arbitration Requirements.—

(1) Prevention of Special Advantage.—The arbitration that is offered must be designed to prevent a carrier from having any special advantage in any case in which the claimant resides or does business at a place distant from the carrier's principal or other place of business.

(2) Notice of Arbitration Procedure.—The carrier must provide the shipper an adequate notice of the availability of neutral arbitration, including a concise easy-to-read, accurate summary of the arbitration procedure, any applicable costs, and disclosure of the legal effects of election to utilize arbitration. Such notice must be given to persons for whom household goods are to be transported by the carrier before such goods are tendered to the carrier for transportation.

(3) Provision of Forms.—Upon request of a shipper, the carrier must promptly provide such forms and other information as are necessary for initiating an action to resolve a dispute under arbitration.

(4) Independence of Arbitrator.—Each person authorized to arbitrate or otherwise settle disputes must be independent of the parties to the dispute and must be capable, as determined under such regulations as the Secretary may issue, to resolve such disputes fairly and expeditiously. The carrier must ensure that each person chosen to settle the disputes is authorized and able to obtain from the shipper or carrier any material and relevant information to the extent necessary to carry out a fair and expeditious decisionmaking process.

(5) Appportionment of Costs.—No shipper may be charged more than half of the cost for instituting an arbitration proceeding that is brought under this section. In the decision, the arbitrator may determine which party shall pay the cost or a portion of the cost of the arbitration proceeding, including the cost of instituting the proceeding.

(6) Requests.—The carrier must not require the shipper to agree to utilize arbitration.
prior to the time that a dispute arises. If the dispute involves a claim for $10,000 or less and the shipper requests arbitration, such arbitration shall be binding on the parties if the dispute involves a claim for more than $10,000 and the shipper requests arbitration, such arbitration shall be binding on the parties only if the carrier agrees to arbitration.

(7) ORAL PRESENTATION OF EVIDENCE.—The arbitrator may provide for an oral presentation of a dispute concerning transportation of household goods by a party to the dispute (or a party’s representative), but such oral presentation may be made only if all parties to the dispute expressly agree to such presentation and the date, time, and location of such presentation.

(8) DEADLINE FOR DECISION.—The arbitrator must, as expeditiously as possible but at least within 60 days of receipt of written notification of the dispute, render a decision based on the information gathered; except that, in any case in which a party to the dispute fails to provide in a timely manner any information concerning such dispute which the person settling the dispute may reasonably require to resolve the dispute, the arbitrator may extend such 60-day period for a reasonable period of time. A decision resolving a dispute may include any remedies appropriate under the circumstances, including repair, replacement, refund, reimbursement for expenses, compensation for damages, and an order requiring the payment of additional carrier charges.

(c) LIMITATION ON USE OF MATERIALS.—Materials and information obtained in the course of a decision making process to settle a dispute by arbitration under this section may not be used to bring an action under section 16905.

(d) ATTORNEY’S FEES TO SHIPPERS.—In any court action to resolve a dispute between a shipper of household goods and a carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 concerning the transportation of household goods by such carrier, the shipper shall be awarded reasonable attorney’s fees if—

1. the shipper submits a claim to the carrier within 120 days after the date the shipment is delivered or the date the delivery is scheduled, whichever is later;
2. the shipper prevails in such court action; and
3. the shipper was not advised by the carrier during the claim settlement process that a dispute settlement program was available to settle the dispute.

(b) a decision resolving the dispute was not rendered through arbitration under this section but before—

1. the period provided under subsection (b)(8) for resolution of such dispute (including, if applicable, an extension of such period under such subsection) ends; and
2. a decision resolving such dispute is rendered.

(f) LIMITATION OF APPLICABILITY TO COLLECT-ON-DELIVERY TRANSPORTATION.—The provisions of this section shall apply only in the case of collect-on-delivery transportation of household goods.

(g) REVIEW BY SECRETARY.—Not later than 18 months after January 1, 1996, the Secretary shall complete a review of the dispute settlement program established under this section. If, after notice and opportunity for comment, the Secretary determines that changes are necessary to such program to ensure the fair and equitable resolution of disputes under this section, the Secretary shall implement such changes and transmit a report to Congress on such changes.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11711 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

AMENDMENTS

2005—Subsec. (a). Pub. L. 109–59, §4206(a), inserted “and to determine whether carrier charges, in addition to those collected at delivery, must be paid by shippers for transportation and services related to transportation of household goods” before period at end.

Subsec. (b)(6). Pub. L. 109–59, §4206(b), substituted “$10,000” for “$5,000” in two places.

Subsec. (b)(8). Pub. L. 109–59, §4206(c), substituted compensation for damages, and an order requiring the payment of additional carrier charges’ for “and compensation for damages”.

Subsec. (d)(3). Pub. L. 109–59, §4206(d), added subpar. (A) and redesignated former subpars. (A) and (B) as (B) and (C), respectively.

1996—Subsec. (g). Pub. L. 104–287 substituted “January 1, 1996” for “the effective date of this section”.

§14709. Tariff reconciliation rules for motor carriers of property

Subject to review and approval by the Board, motor carriers subject to jurisdiction under subchapter I of chapter 135 (other than motor carriers providing transportation of household goods) and shippers may resolve, by mutual consent, overcharge and under-charge claims result-
ing from incorrect tariff provisions or billing errors arising from the inadvertent failure to properly and timely file and maintain agreed upon rates, rules, or classifications in compliance with section 13702 or, with respect to transportation provided before January 1, 1996, sections 10761 and 10762, as in effect on December 31, 1995. Resolution of such claims among the parties shall not subject any party to the penalties for departing from a tariff.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 13712 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

AMENDMENTS

1996—Pub. L. 104–287 substituted “January 1, 1996” for “the effective date of this section” and “December 31, 1995” for “the day before the effective date of this section”.

§ 14710. Enforcement of Federal laws and regulations with respect to transportation of household goods

(a) ENFORCEMENT BY STATES.—Notwithstanding any other provision of this title, a State authority may enforce the consumer protection provisions of this title that apply to individual shippers, as determined by the Secretary, and are related to the delivery and transportation of household goods in interstate commerce. Any fine or penalty imposed on a carrier in a proceeding under this subsection shall be paid, notwithstanding any other provision of law, to and retained by the State.

(b) NOTICE.—The State shall serve written notice to the Secretary or the Board, as the case may be, of any civil action under subsection (a) prior to initiating such civil action. The notice shall include a copy of the complaint to be filed to initiate such civil action, except that if it is not feasible for the State to provide such prior notice, the State shall provide the notice immediately upon instituting such civil action.

(c) ENFORCEMENT ASSISTANCE OUTREACH PLAN.—The Federal Motor Carrier Safety Administration shall implement an outreach plan to enhance the coordination and effective enforcement of Federal laws and regulations with respect to transportation of household goods between and among Federal and State law enforcement and consumer protection authorities. The outreach shall include, as appropriate, local law enforcement and consumer protection authorities.

(d) STATE AUTHORITY DEFINED.—In this section, the term “State authority” means an agency of a State that has authority under the laws of the State to regulate the intrastate movement of household goods.

AMENDMENTS

2005—Subsec. (a). Pub. L. 109–115, §173(a), (e), temporarily substituted “a State authority other than the attorney general of the state may, as parens patriae,” for “a State authority may” in first sentence and inserted second sentence which read as follows: “Any civil action for injunctive relief to enjoin such delivery or transportation or to compel a person to pay a fine or penalty assessed under chapter 119 shall be brought in an appropriate district court of the United States.” See Termination Date of 2005 Amendment note below.

Subsec. (b). Pub. L. 109–115, §173(b), (e), temporarily amended subsec. (b) to read as follows: “EXERCISE OF ENFORCEMENT AUTHORITY.—The authority of this section shall be exercised subject to the requirements of subsections (b)–(f) of this title.” See Termination Date of 2005 Amendment note below.

AMENDMENTS

§ 14901. General civil penalties

(a) REPORTING AND RECORDKEEPING.—A person required to make a report to the Secretary or the Board, answer a question, or make, prepare, or preserve a record under this part concerning transportation subject to jurisdiction under subchapter I or III of chapter 135 or transportation by a foreign carrier registered under section 13902, or an officer, agent, or employee of that person that—

(1) does not make the report;
(2) does not specifically, completely, and truthfully answer the question;
(3) does not make, prepare, or preserve the record in the form and manner prescribed;
(4) does not comply with section 13901; or
(5) does not comply with section 13902(c);

is liable to the United States for a civil penalty of not less than $500 for each violation and for each additional day the violation continues, except that, in the case of a person who is not registered under this part to provide transportation of passengers, or an officer, agent, or employee of such person, that does not comply with section 13901 with respect to providing transportation of passengers, the amount of the civil penalty shall not be less than $2,000 for each violation and for each additional day the violation continues.

(b) TRANSPORTATION OF HAZARDOUS WASTES.—A person subject to jurisdiction under subchapter I of chapter 135, or an officer, agent, or employee of that person, who is required to comply with section 13901 of this title but does not so comply with respect to the transportation of hazardous wastes as defined by the Environmental Protection Agency pursuant to section 3001 of the Solid Waste Disposal Act (but not including any waste the regulation of which under the Solid Waste Disposal Act has been suspended by Congress) shall be liable to the United States for a civil penalty not to exceed $20,000 for each violation.

(c) FACTORS TO CONSIDER IN DETERMINING AMOUNT.—In determining and negotiating the amount of a civil penalty under subsection (a) or (d) concerning transportation of household goods, the degree of culpability, any history of prior such conduct, the degree of harm to shippers or carriers, ability to pay, the effect on ability to do business, whether the shipper has been adequately compensated before institution of the proceeding, and such other matters as fairness may require shall be taken into account.

(d) PROTECTION OF HOUSEHOLD GOODS SHIPPERS.—

(1) IN GENERAL.—If a carrier providing transportation of household goods subject to jurisdiction under subchapter I or III of chapter 135 or a receiver or trustee of such carrier fails or refuses to comply with any regulation issued by the Secretary or the Board relating to protection of individual shippers, such carrier, receiver, or trustee is liable to the United States for a civil penalty of not less than $1,000 for each violation and for each additional day during which the violation continues.

(2) ESTIMATE OF COST OF BROKER WITHOUT CARRIER AGREEMENT.—If a broker for transportation of household goods subject to jurisdiction under subchapter I of chapter 135 makes an estimate of the cost of transporting any such goods before entering into an agreement with a carrier to provide transportation of household goods subject to such jurisdiction, the broker is liable to the United States for a civil penalty of not less than $10,000 for each violation.

(3) UNAUTHORIZED TRANSPORTATION.—If a person provides transportation of household goods subject to jurisdiction under subchapter I of chapter 135 or provides broker services for such transportation without being registered under chapter 139 to provide such transportation or services as a motor carrier or broker, as the case may be, such person is liable to the United States for a civil penalty of not less than $25,000 for each violation.

(e) VIOLATION RELATING TO TRANSPORTATION OF HOUSEHOLD GOODS.—Any person that knowingly engages in or knowingly authorizes an agent or other person—

(1) to falsify documents used in the transportation of household goods subject to jurisdiction under subchapter I or III of chapter 135 which evidence the weight of a shipment; or
(2) to charge for accessorial services which are not performed or for which the carrier is not entitled to be compensated in any case in which such services are not reasonably necessary in the safe and adequate movement of the shipment;

is liable to the United States for a civil penalty of not less than $2,000 for each violation and of not less than $5,000 for each subsequent violation. Any State may bring a civil action in the United States district courts to compel a person to pay a civil penalty assessed under this section.

(f) VENUE.—Trial in a civil action under subsections (a) through (e) of this section is in the judicial district in which—

(1) the carrier or broker has its principal office;
(2) the carrier or broker was authorized to provide transportation or service under this part when the violation occurred;
(3) the violation occurred; or
(4) the offender is found.

Process in the action may be served in the judicial district of which the offender is an inhabitant or in which the offender may be found.

(g) BUSINESS ENTERTAINMENT EXPENSES.—

(1) IN GENERAL.—Any business entertainment expense incurred by a water carrier providing transportation subject to this part shall not constitute a violation of this part if that expense would not be unlawful if incurred by a person not subject to this part.

(2) COST OF SERVICE.—Any business entertainment expense subject to paragraph (1) that is paid or incurred by a water carrier providing transportation subject to this part shall not be taken into account in determining the cost of service or the rate base for purposes of section 13702.

Amendments

2005—Subsec. (d). Pub. L. 109–59 designated existing provisions as par. (1), inserted heading, and added pars. (2) and (3).

Effective Date

Foreign Motor Carrier Penalties and Disqualifications

Pub. L. 106–159, title II, §219, Dec. 9, 1999, 113 Stat. 1788, provided that:

"(a) GENERAL RULE.—Subject to subsections (b) and (c), a foreign motor carrier or foreign motor private carrier (as such terms are defined under section 13302 of title 49, United States Code) that operates without authority, before the implementation of the land transportation provisions of the North American Free Trade Agreement, outside the boundaries of a commercial zone along the United States-Mexico border shall be liable to the United States for a civil penalty and shall be disqualified from operating a commercial motor vehicle anywhere within the United States and the disqualification may be permanent.

"(b) PENALTY FOR INTENTIONAL VIOLATION.—The civil penalty for an intentional violation of subsection (a) by a carrier shall not be more than $5,000 and the carrier shall be disqualified from operating a commercial motor vehicle anywhere within the United States for a period of not more than 6 months.

"(c) PENALTY FOR PATTERN OF INTENTIONAL VIOLATIONS.—The civil penalty for a pattern of intentional violations of subsection (a) by a carrier shall not be more than $25,000 and the carrier shall be disqualified from operating a commercial motor vehicle anywhere within the United States and the disqualification may be permanent.

"(d) LEASING.—Before the implementation of the land transportation provisions of the North American Free Trade Agreement, during any period in which a suspension, condition, restriction, or limitation imposed under section 13902(c) of title 49, United States Code, applies to a motor carrier (as defined in section 13902(e) of such title), that motor carrier may not lease a commercial motor vehicle to another motor carrier or a motor private carrier to transport property in the United States.

"(e) SAVINGS CLAUSE.—No provision of this section may be enforced if it is inconsistent with any international agreement of the United States.

"(f) ACTS OF EMPLOYEES.—The actions of any employee driver of a foreign motor carrier or foreign motor private carrier committed without the knowledge of the carrier or committed unintentionally shall not be grounds for penalty or disqualification under this section."

§14902. Civil penalty for accepting rebates from carrier

A person—

(1) delivering property to a carrier providing transportation or service subject to jurisdiction under chapter 135 for transportation under this part or for whom that carrier will transport the property as consignor or consignee for that person from a State or territory or possession of the United States to another State or possession, territory, or to a foreign country; and

(2) knowingly accepting or receiving by any means a rebate or offset against the rate for transportation for, or service of, that property contained in a tariff required under section 13702;

is liable to the United States for a civil penalty in an amount equal to 3 times the amount of money that person accepted or received as a rebate or offset and 3 times the amount of money or other consideration accepted or received as a rebate or offset. In a civil action under this section, all money or other consideration received by the person during a period of 6 years before an action is brought under this section may be included in determining the amount of the penalty, and if that total amount is included, the penalty shall be 3 times that total amount.

Prior Provisions

Provisions similar to those in this section were contained in section 11902 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§14903. Tariff violations

(a) CIVIL PENALTY FOR UNDERCHARGING AND OVERCHARGING.—A person who offers, grants, gives, solicits, accepts, or receives by any means transportation or service provided for property by a carrier subject to jurisdiction under chapter 135 at a rate different than the rate in effect under section 13702 is liable to the United States for a civil penalty of not more than $100,000 for each violation.
§ 14907 Recordkeeping and reporting violations

A person required to make a report to the Secretary or the Board, as applicable, answer a question, or make, prepare, or preserve a record under this part about transportation subject to jurisdiction under subchapter I or III of chapter 135, or an officer, agent, or employee of that person, that—

(1) does not make that report;
(2) does not specifically, completely, and truthfully answer that question in 30 days from the date the Secretary or Board, as applicable, requires the question to be answered;
(3) does not make, prepare, or preserve that record in the form and manner prescribed;
(4) falsifies, destroys, mutilates, or changes that report or record;
(5) files a false report or record;
(6) makes a false or incomplete entry in that record about a business related fact or transaction; or

(b) GENERAL CRIMINAL PENALTY.—A carrier providing transportation or service subject to jurisdiction under chapter 135 or an officer, director, receiver, trustee, lessee, agent, or employee of a corporation that is subject to jurisdiction under that chapter, that willfully does not observe its tariffs as required under section 13702, shall be fined under title 18 or imprisoned not more than 2 years, or both.

(c) ACTIONS OF AGENTS AND EMPLOYEES.—When acting in the scope of their employment, the actions and omissions of persons acting for or employed by a carrier or shipper that is subject to this section are considered to be the actions and omissions of that carrier or shipper as well as that person.

(d) VENUE.—Trial in a criminal action under this section is in the judicial district in which any part of the violation is committed or through which the transportation is conducted.

§ 14904. Additional rate violations

(a) REBATES BY AGENTS.—A person, or an officer, employee, or agent of that person, that—

(1) offers, grants, gives, solicits, accepts, or receives a rebate for concession, in violation of a provision of this part related to motor carrier transportation subject to jurisdiction under subchapter I of chapter 135; or

(2) by any means assists or permits another person to get transportation that is subject to jurisdiction under that subchapter at less than the rate in effect for that transportation under section 13702, is liable to the United States for a civil penalty of $200 for the first violation and $250 for a subsequent violation.

(b) UNDERCHARGING.—

(1) FREIGHT FORWARDER.—A freight forwarder providing service subject to jurisdiction under subchapter III of chapter 135, or an officer, agent, or employee of that freight forwarder, that assists a person in getting, or willingly permits a person to get, service provided under that subchapter at less than the rate in effect for that service under section 13702, is liable to the United States for a civil penalty of not more than $300 for the first violation and not more than $2,000 for a subsequent violation.

(2) OTHERS.—A person that by any means gets, or attempts to get, service provided under subchapter III of chapter 135 at less than the rate in effect for that service under section 13702, is liable to the United States for a civil penalty of not more than $500 for the first violation and not more than $2,000 for a subsequent violation.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 11904 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 14905. Penalties for violations of rules relating to loading and unloading motor vehicles

(a) CIVIL PENALTIES.—Whoever knowingly authorizes, consents to, or permits a violation of subsection (a) or (b) of section 14103 or who knowingly violates subsection (a) of such section is liable to the United States for a civil penalty of not more than $10,000 for each violation.

(b) CRIMINAL PENALTIES.—Whoever knowingly violates section 14103(b) of this title shall be fined under title 18 or imprisoned not more than 2 years, or both.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 11905a of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 14906. Evasion of regulation of carriers and brokers

A person, or an officer, employee, or agent of that person, that by any means tries to evade regulation provided under this part for carriers or brokers is liable to the United States for a civil penalty of $200 for the first violation and at least $250 for a subsequent violation.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 11906 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).
§ 14908

(7) makes, prepares, or preserves a record in violation of an applicable regulation or order of the Secretary or Board; is liable to the United States for a civil penalty of not more than $5,000.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 11909 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 14908. Unlawful disclosure of information

(a) DISCLOSURE OF SHIPMENT AND ROUTING INFORMATION.—
(1) VIOLATIONS.—A carrier or broker providing transportation subject to jurisdiction under subchapter I, II, or III of chapter 135 or an officer, receiver, trustee, lessee, or employee of that carrier or broker, or another person authorized by that carrier or broker to receive information from that carrier or broker may not disclose to another person, except the shipper or consignee, and a person may not solicit, or receive, information about the nature, kind, quantity, destination, consignee, or routing of property delivered to that carrier or broker for transportation provided under this part without the consent of the shipper or consignee if that information may be used to the detriment of the shipper or consignee or may disclose improperly to a competitor the business transactions of the shipper or consignee.
(2) PENALTY.—A person violating paragraph (1) of this subsection is liable to the United States for a civil penalty of not more than $2,000.

(b) LIMITATION ON STATUTORY CONSTRUCTION.—This part does not prevent a carrier or broker providing transportation subject to jurisdiction under chapter 135 from giving information—
(1) in response to legal process issued under authority of a court of the United States or a State;
(2) to an officer, employee, or agent of the United States Government, a State, or a territory or possession of the United States; or
(3) to another carrier or its agent to adjust mutual traffic accounts in the ordinary course of business.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 11909 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 14909. Disobedience to subpoenas

Whoever does not obey a subpoena or requirement of the Secretary or the Board to appear and testify or produce records shall be fined under title 18 or imprisoned not more than 1 year, or both.

PRIOR PROVISIONS
Provisions similar to those in this section were contained in section 11912 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).
§ 14913. Conclusiveness of rates in certain prosecutions

When a carrier publishes or files a particular rate under section 13702 or participates in such a rate, the published or filed rate is conclusive proof against that carrier, its officers, and agents that it is the legal rate for that transportation or service in a proceeding begun under section 14902 or 14903. A departure, or offer to depart, from that published or filed rate is a violation of those sections.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11916 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 14914. Civil penalty procedures

(a) IN GENERAL.—After notice and an opportunity for a hearing, a person found by the Surface Transportation Board to have violated a provision of law that the Board carries out or a regulation prescribed under such law by the Board that is related to transportation which occurs under subchapter II of chapter 135 for which a civil penalty is provided, is liable to the United States for the civil penalty provided. The amount of the civil penalty shall be assessed by the Board by written notice. In determining the amount of the penalty, the Board shall consider the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other matters that justice requires.

(b) COMPROMISE.—The Board may compromise, modify, or remit, with or without consideration, a civil penalty until the assessment is referred to the Attorney General.

(c) COLLECTION.—If a person fails to pay an assessment of a civil penalty after it has become final, the Board may refer the matter to the Attorney General for collection in an appropriate district court of the United States.

(d) REFUNDS.—The Board may refund or remit a civil penalty collected under this section if—

(1) application has been made for refund or remission of the penalty within 1 year from the date of payment; and

(2) the Board finds that the penalty was unlawfully, improperly, or excessively imposed.

§ 14915. Penalties for failure to give up possession of household goods

(a) CIVIL PENALTY.—

(1) IN GENERAL.—Whoever is found holding a household goods shipment hostage is liable to the United States for a civil penalty of not less than $10,000 for each violation.

(2) EACH DAY, A SEPARATE VIOLATION.—Each day a carrier is found to have failed to give up possession of household goods may constitute a separate violation.

(3) SUSPENSION.—If the person found holding a shipment hostage is a carrier or broker, the Secretary may suspend for a period of not less than 12 months nor more than 36 months the registration of such carrier or broker under chapter 139. The force and effect of such suspension of a carrier or broker shall extend to and include any carrier or broker having the same ownership or operational control as the suspended carrier or broker.

(b) CRIMINAL PENALTY.—Whoever has been convicted of having failed to give up possession of household goods shall be fined under title 18 or imprisoned for not more than 2 years, or both.

AMENDMENTS

CHAPTER 151—GENERAL PROVISIONS

Sec. 15101. Transportation policy.

15102. Definitions.

15103. Remedies as cumulative.

§ 15101. Transportation policy

(a) IN GENERAL.—To ensure the development, coordination, and preservation of a transportation system that meets the transportation needs of the United States, including the national defense, it is the policy of the United States Government to oversee the modes of transportation and in overseeing those modes—

(1) to recognize and preserve the inherent advantage of each mode of transportation;

(2) to promote safe, adequate, economical, and efficient transportation;

(3) to encourage sound economic conditions in transportation, including sound economic conditions among carriers;

(4) to encourage the establishment and maintenance of reasonable rates for transportation without unreasonable discrimination or unfair or destructive competitive practices;

(5) to cooperate with each State and the officials of each State on transportation matters; and

(6) to encourage fair wages and working conditions in the transportation industry.

(b) ADMINISTRATION TO CARRY OUT POLICY.—This part shall be administered and enforced to carry out the policy of this section.
§ 15102. Definitions

In this part—

(1) BOARD.—The term “Board” means the Surface Transportation Board.

(2) PIPELINE CARRIER.—The term “pipeline carrier” means a person providing pipeline transportation for compensation.

(3) RATE.—The term “rate” means a rate or charge for transportation.

(4) STATE.—The term “State” means a State of the United States and the District of Columbia.

(5) TRANSPORTATION.—The term “transportation” includes—

(A) property, facilities, instrumentalities, or equipment of any kind related to the movement of property, regardless of ownership or an agreement concerning use; and

(B) services related to that movement, including receipt, delivery, transfer in transit, storage, handling, and interchange of property.

(6) UNITED STATES.—The term “United States” means the States of the United States and the District of Columbia.

§ 15103. Remedies as cumulative

Except as otherwise provided in this part, the remedies provided under this part are in addition to remedies existing under another law or common law.

CHAPTER 153—JURISDICTION

§ 15301. General pipeline jurisdiction

(a) IN GENERAL.—The Board has jurisdiction over transportation by pipeline, or by pipeline and railroad or water, when transporting a commodity other than water, gas, or oil. Jurisdiction under this subsection applies only to transportation in the United States between a place in—

(1) a State and a place in another State;

(2) the District of Columbia and another place in the District of Columbia;

(3) a State and a place in a territory or possession of the United States;

(4) a territory or possession of the United States and a place in another such territory or possession;

(5) a territory or possession of the United States and another place in the same territory or possession;

(6) the United States and another place in the United States through a foreign country; or

(7) the United States and a place in a foreign country.

(b) NO JURISDICTION OVER INTRASTATE TRANSPORTATION.—The Board does not have jurisdiction under subsection (a) over the transportation of property, or the receipt, delivery, storage, or handling of property, entirely in a State (other than the District of Columbia) and not transported between a place in the United States and a place in a foreign country except as otherwise provided in this part.

(c) PROTECTION OF STATES POWERS.—This part does not affect the power of a State, in exercising its police power, to require reasonable intrastate transportation by carriers providing transportation subject to the jurisdiction of the Board under this chapter unless the State requirement is inconsistent with an order of the Board issued under this part or is prohibited under this part.

§ 15302. Authority to exempt pipeline carrier transportation

PRIORITY PROVISIONS

Provisions similar to those in this section were contained in section 10103 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).
§ 15502. Authority to exempt pipeline carrier transportation

(a) In general.—In a matter related to a pipeline carrier providing transportation subject to jurisdiction under this chapter, the Board shall exempt a person, class of persons, or a transaction or service when the Board finds that the application, in whole or in part, of a provision of this part—

(1) is not necessary to carry out the transportation policy of section 15101; and

(2) either (A) the transaction or service is of limited scope, or (B) the application, in whole or in part, of the provision is not needed to protect shippers from the abuse of market power.

(b) Initiation of proceeding.—The Board may, where appropriate, begin a proceeding under this section on its own initiative or an interested party.

(c) Period of exemption.—The Board may specify the period of time during which an exemption granted under this section is effective.

(d) Revocation.—The Board may revoke an exemption, to the extent it specifies, when it finds that application, in whole or in part, of a provision of this part to the person, class, or transportation is necessary to carry out the transportation policy of section 15101.

CHAPTER 155—RATES

Sec. 15501. Standards for pipeline rates, classifications, through routes, rules, and practices.

15502. Authority for pipeline carriers to establish rates, classifications, rules, and practices.

15503. Authority and criteria: rates, classifications, rules, and practices prescribed by Board.

15504. Government traffic.

15505. Prohibition against discrimination by pipeline carriers.

15506. Facilities for interchange of traffic.

§ 15501. Standards for pipeline rates, classifications, through routes, rules, and practices

(a) Reasonableness.—A rate, classification, rule, or practice related to transportation or service provided by a pipeline carrier subject to this part must be reasonable. A through route established by such a carrier must be reasonable.

(b) Nondiscrimination.—A pipeline carrier providing transportation subject to this part may not discriminate in its rates against a connecting line of any other pipeline, rail, or water carrier providing transportation subject to this subtitle or unreasonably discriminate against that line in the distribution of traffic that is not routed specifically by the shipper.

Effective Date

Prior Provisions

Provisions similar to those in this section were contained in section 10701 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

Effective Date

§ 15502. Authority for pipeline carriers to establish rates, classifications, rules, and practices

A pipeline carrier providing transportation or service subject to this part shall establish—

(1) rates and classifications for transportation and service it may provide under this part; and

(2) rules and practices on matters related to that transportation or service.

Prior Provisions

Provisions similar to those in this section were contained in section 10702 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, § 102(a).

§ 15503. Authority and criteria: rates, classifications, rules, and practices prescribed by Board

(a) In general.—When the Board, after a full hearing, decides that a rate charged or collected by a pipeline carrier for transportation subject to this part, or that a classification, rule, or practice of that carrier, does or will violate this part, the Board may prescribe the rate, classification, rule, or practice to be followed. In prescribing the rate, classification, rule, or practice, the Board may utilize rate reasonableness procedures that provide an effective simulation of a market-based price for a stand alone pipeline. The Board may order the carrier to stop the violation. When a rate, classification, rule, or practice is prescribed under this subsection, the affected carrier may not publish, charge, or collect a different rate and shall adopt the classification and observe the rule or practice prescribed by the Board.

(b) Factors to consider.—When prescribing a rate, classification, rule, or practice for transportation or service by a pipeline carrier, the Board shall consider, among other factors—

(1) the effect of the prescribed rate, classification, rule, or practice on the movement of traffic by that carrier;

(2) the need for revenues that are sufficient, under honest, economical, and efficient management, to let the carrier provide that transportation or service; and

(3) the availability of other economic transportation alternatives.

(c) Proceeding.—The Board may begin a proceeding under this section on complaint. A complaint under this section must contain a full statement of the facts and the reasons for the complaint and must be made under oath.

§ 15504

Government traffic

A pipeline carrier providing transportation or service for the United States Government may transport property for the United States Government without charge or at a rate reduced from the applicable commercial rate. Section 6101(b) to (d) of title 41 does not apply when transportation for the United States Government can be obtained from a carrier lawfully operating in the area where the transportation would be provided.

AMENDMENTS

2011—Pub. L. 111–350 substituted "Section 6101(b) to (d) of title 41" for "Section 3709 of the Revised Statutes (41 U.S.C. 5)".

§ 15505. Prohibition against discrimination by pipeline carriers

A pipeline carrier providing transportation or service subject to this part may not subject a person, place, port, or type of traffic to unreasonable discrimination.

AMENDMENTS

2011—Pub. L. 111–350 substituted "Section 6101(b) to (d) of title 41" for "Section 3709 of the Revised Statutes (41 U.S.C. 5)".

§ 15506. Facilities for interchange of traffic

A pipeline carrier providing transportation subject to this part shall provide reasonable, proper, and equal facilities that are within its power to provide for the interchange of traffic between, and for the receiving, forwarding, and delivering of property to and from, its respective line and a connecting line of a pipeline, rail, or water carrier under this subtitle.

AMENDMENTS

2011—Pub. L. 111–350 substituted "Section 6101(b) to (d) of title 41" for "Section 3709 of the Revised Statutes (41 U.S.C. 5)".

SUBCHAPTER A—GENERAL REQUIREMENTS

Sec.

15701. Providing transportation and service.

15721. Definitions.

15722. Records: form; inspection; preservation.

15723. Reports by carriers, lessors, and associations.

Effective Date

§ 15721. Definitions

In this subchapter, the following definitions apply:

(1) **CARRIER, LESSOR.**—The terms “carrier” and “lessor” include a receiver or trustee of a pipeline carrier and lessor, respectively.

(2) **LESSOR.**—The term “lessor” means a person owning a pipeline that is leased to and operated by a carrier providing transportation under this part.

(3) **ASSOCIATION.**—The term “association” means an organization maintained by or in the interest of a group of pipeline carriers that performs a service, or engages in activities, related to transportation under this part.

Prior Provisions

Provisions similar to those in this section were contained in section 11145 of this title prior to the general amendment of this subtitle by Pub. L. 104-88, § 102(a).

§ 15722. Records: form; inspection; preservation

(a) **FORM OF RECORDS.**—The Board may prescribe the form of records required to be prepared or compiled under this subchapter by pipeline carriers and lessors, including records related to movement of traffic and receipts and expenditures of money.

(b) **INSPECTION.**—The Board, or an employee designated by the Board, may on demand and display of proper credentials—

(1) inspect and examine the lands, buildings, and equipment of a pipeline carrier or lessor; and

(2) inspect and copy any record of—

(A) a pipeline carrier, lessor, or association; and

(B) a person controlling, controlled by, or under common control with a pipeline carrier if the Board considers inspection relevant to that person’s relation to, or transaction with, that carrier.

(c) **PRESERVATION PERIOD.**—The Board may prescribe the time period during which operating, accounting, and financial records must be preserved by pipeline carriers and lessors.

Prior Provisions

Provisions similar to those in this section were contained in section 11144 of this title prior to the general amendment of this subtitle by Pub. L. 104-88, § 102(a).

§ 15723. Reports by carriers, lessors, and associations

(a) **FILING OF REPORTS.**—The Board may require pipeline carriers, lessors, and associations, or classes of them as the Board may prescribe, to file annual, periodic, and special reports with the Board containing answers to questions asked by it.

(b) **UNDER OATH.**—Any report under this section shall be made under oath.

Prior Provisions

Provisions similar to those in this section were contained in section 11145 of this title prior to the general amendment of this subtitle by Pub. L. 104-88, § 102(a).

CHAPTER 159—ENFORCEMENT: INVESTIGATIONS, RIGHTS, AND REMEDIES

Sec. 15901. General authority.

15902. Enforcement by the Board.

15903. Enforcement by the Attorney General.

15904. Rights and remedies of persons injured by pipeline carriers.

15905. Limitation on actions by and against pipeline carriers.

15906. Liability of pipeline carriers under receipts and bills of lading.

AMENDMENTS

§ 15901. General authority

(a) **INVESTIGATION; COMPLIANCE ORDER.**—Except as otherwise provided in this part, the Board may begin an investigation under this part only on complaint. If the Board finds that a pipeline carrier is violating this part, the Board shall take appropriate action to compel compliance with this part. The Board shall provide the carrier notice of the investigation and an opportunity for a proceeding.

(b) **COMPLAINT.**—A person, including a governmental authority, may file with the Board a complaint about a violation of this part by a pipeline carrier providing transportation or service subject to this part. The complaint must state the facts that are the subject of the violation. The Board may dismiss a complaint it determines does not state reasonable grounds for investigation and action. However, the Board may not dismiss a complaint made against a pipeline carrier providing transportation subject to this part because of the absence of direct damage to the complainant.

(c) **AUTOMATIC DISMISSAL.**—A formal investigative proceeding begun by the Board under subsection (a) is dismissed automatically unless it is concluded by the Board with administrative finality by the end of the 3d year after the date on which it was begun.
§ 15902. Enforcement by the Board

The Board may bring a civil action to enforce an order of the Board, except a civil action to enforce an order for the payment of money, when it is violated by a pipeline carrier providing transportation subject to this part.

Prior Provisions

Provisions similar to those in this section were contained in section 11702 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Effective Date

§ 15903. Enforcement by the Attorney General

(a) On Behalf of Board.—The Attorney General may, and on request of the Board shall, bring court proceedings to enforce this part or a regulation or order of the Board and to prosecute a person violating this part or a regulation or order of the Board issued under this part.

(b) On Behalf of Others.—The United States Government may bring a civil action on behalf of a person to compel a pipeline carrier providing transportation or service subject to this part to provide that transportation or service to that person in compliance with this part at the same rate charged, or on conditions as favorable as those given by the carrier, for like traffic under similar conditions to another person.

Prior Provisions

Provisions similar to those in this section were contained in section 11702 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 15904. Rights and remedies of persons injured by pipeline carriers

(a) Enforcement of Orders.—A person injured because a pipeline carrier providing transportation or service subject to this part does not obey an order of the Board, except an order for the payment of money, may bring a civil action to enforce that order under this subsection.

(b) Liability of Carrier.—

(1) Excessive Charges.—A pipeline carrier providing transportation subject to this part is liable to a person for amounts charged that exceed the applicable rate for the transportation.

(2) Damages.—A pipeline carrier providing transportation subject to this part is liable for damages sustained by a person as a result of an act or omission of that carrier in violation of this part.

(c) Complaints.—

(1) Filing.—A person may file a complaint with the Board under section 15901(b) or bring a civil action under subsection (b) to enforce liability against a pipeline carrier providing transportation subject to this part.

(2) Payment Deadline.—When the Board makes an award under subsection (b), the Board shall order the carrier to pay the amount awarded by a specific date. The Board may order a carrier providing transportation subject to this part to pay damages only when the proceeding is on complaint. The person for whose benefit an order of the Board requiring the payment of money is made may bring a civil action to enforce that order under this paragraph if the carrier does not pay the amount awarded by the date payment was ordered to be made.

(d) Civil Actions.—

(1) Complaint.—When a person begins a civil action under subsection (b) to enforce an order of the Board requiring the payment of damages by a pipeline carrier providing transportation subject to this part, the text of the order of the Board must be included in the complaint. In addition to the district courts of the United States, a State court of general jurisdiction having jurisdiction of the parties has jurisdiction to enforce an order under this paragraph. The findings and order of the Board are competent evidence of the facts stated in them. Trial in a civil action brought in a district court of the United States under this paragraph is in the judicial district in which the plaintiff resides or in which the principal operating office of the carrier is located. In a civil action under this paragraph, the plaintiff is liable for only those costs that accrue on an appeal taken by the plaintiff.

(2) Attorney’s Fees.—The district court shall award a reasonable attorney’s fee as a part of the damages for which a carrier is found liable under this subsection. The district court shall tax and collect that fee as a part of the costs of the action.

Historical and Revision Notes

Pub. L. 105–102

This amends 49:15904(c)(1) to correct an erroneous cross-reference.

Prior Provisions

Provisions similar to those in this section were contained in section 11702 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

Amendments

1997—Subsec. (c)(1). Pub. L. 105–102 substituted “15901(b)” for “section 11501(b)”.

§ 15905. Limitation on actions by and against pipeline carriers

(a) In General.—A pipeline carrier providing transportation or service subject to this part...
must begin a civil action to recover charges for transportation or service provided by the carrier within 3 years after the claim accrues.

(b) OVERCHARGES.—A person must begin a civil action to recover overcharges under section 15904(b)(1) within 3 years after the claim accrues. If an election to file a complaint with the Board is made under section 15904(c)(1), the complaint must be filed within 3 years after the claim accrues.

(c) DAMAGES.—A person must file a complaint with the Board to recover damages under section 15904(b)(2) within 2 years after the claim accrues.

(d) EXTENSIONS.—The limitation periods under subsection (b) are extended for 6 months from the time written notice is given to the claimant by the carrier of disallowance of any part of the claim specified in the notice if a written claim is given to the carrier within those limitation periods. The limitation periods under subsection (b) and the 2-year period under subsection (c) are extended for 90 days from the time the carrier begins a civil action under subsection (a) to recover charges related to the same transportation or service, or collects (without beginning a civil action under that subsection) the charge for that transportation or service if that action is begun or collection is made within the appropriate period.

(e) PAYMENT.—A person must begin a civil action to enforce an order of the Board against a carrier for the payment of money within one year after the date the order required the money to be paid.

(f) GOVERNMENT TRANSPORTATION.—This section applies to transportation for the United States Government. The time limitations under this section are extended, as related to transportation for or on behalf of the United States Government, for 3 years from the date of—

(1) payment of the rate for the transportation or service involved,

(2) subsequent refund for overpayment of that rate, or

(3) deduction made under section 3726 of title 49, whichever is later.

(g) ACCRUAL DATE.—A claim related to a shipment of property accrues under this section on delivery or tender of delivery by the carrier.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11706 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 15906. Liability of pipeline carriers under receipts and bills of lading

(a) GENERAL LIABILITY.—A pipeline carrier providing transportation or service subject to this part shall issue a receipt or bill of lading for property it receives for transportation under this part. That carrier and any other carrier that delivers the property and is providing transportation or service subject to jurisdiction under this part are liable to the person entitled to recover under the receipt or bill of lading.

The liability imposed under this subsection is for the actual loss or injury to the property caused by the carrier over whose line or route the property is transported in the United States or from a place in the United States to a place in an adjacent foreign country when transported under a through bill of lading. Failure to issue a receipt or bill of lading does not affect the liability of a carrier.

(b) APPORTIONMENT.—The carrier issuing the receipt or bill of lading under subsection (a) or delivering the property for which the receipt or bill of lading was issued is entitled to recover from the carrier over whose line or route the loss or injury occurred the amount required to be paid to the owners of the property, as evidenced by a receipt, judgment, or transcript, and the amount of its expenses reasonably incurred in defending a civil action brought by that person.

(c) CIVIL ACTIONS.—A civil action under this section may be brought against a delivering carrier in a district court of the United States or in a State court. Trial, if the action is brought in a district court of the United States, is in a judicial district, and if in a State court, is in a State, through which the defendant carrier operates a line or route.

(d) MINIMUM PERIOD FOR FILING CLAIMS.—A pipeline carrier may not provide by rule, contract, or otherwise, a period of less than 9 months for filing a claim against it under this section and a period of less than 2 years for bringing a civil action against it under this section. The period for bringing a civil action is computed from the date the carrier gives a person written notice that the carrier has disallowed any part of the claim specified in the notice. For the purposes of this subsection—

(1) an offer of compromise shall not constitute a disallowance of any part of the claim unless the carrier, in writing, informs the claimant that such part of the claim is disallowed and provides reasons for such disallowance; and

(2) communications received from a carrier's insurer shall not constitute a disallowance of any part of the claim unless the insurer, in writing, informs the claimant that such part of the claim is disallowed, provides reasons for such disallowance, and informs the claimant that the insurer is acting on behalf of the carrier.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11707 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

CHAPTER 161—CIVIL AND CRIMINAL PENALTIES

Sec. 1601. General civil penalties.
1602. Recordkeeping and reporting violations.
1603. Unlawful disclosure of information.
1604. Disobedience to subpoenas.
1605. General criminal penalty when specific penalty not provided.
1606. Punishment of corporation for violations committed by certain individuals.
§ 16101. General civil penalties

(a) GENERAL.—Except as otherwise provided in this section, a pipeline carrier providing transportation subject to this part, an officer or agent of that carrier, or a receiver, trustee, lessee, or agent of one of them, knowingly violating this part or an order of the Board under this part is liable to the United States for a civil penalty of not more than $5,000 for each violation. Liability under this subsection is incurred for each distinct violation. A separate violation occurs for each day the violation continues.

(b) RECORDKEEPING AND REPORTING.—

(1) RECORDS.—A person required under chapter 157 to make, prepare, preserve, or submit to the Board a record concerning transportation subject to this part that does not make, prepare, preserve, or submit that record as required under that chapter, is liable to the United States for a civil penalty of $500 for each violation.

(2) INSPECTION.—A carrier providing transportation subject to this part, and a lessor, receiver, or trustee of that carrier, violating section 15722, is liable to the United States for a civil penalty of $100 for each violation.

(3) REPORTS.—A carrier providing transportation subject to the jurisdiction of the Board under this part, a lessor, receiver, or trustee of that carrier, and an officer, agent, or employee of one of them, required to make a report to the Board or answer a question that does not make the report or does not specifically, completely, and truthfully answer the question, is liable to the United States for a civil penalty of $100 for each violation.

(4) CONTINUED VIOLATION.—A separate violation occurs for each day violation under this subsection continues.

(c) VENUE.—Trial in a civil action under this section is in the judicial district in which the carrier has its principal operating office.

HISTORICAL AND REVISION NOTES

PUBL. L. 105–102

This amends 49:16101 to redesignate subsection (d) as (c) because no subsection (c) was enacted.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11909 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

AMENDMENTS

EFFECTIVE DATE

§ 16102. Recordkeeping and reporting violations

A person required to make a report to the Board, or make, prepare, or preserve a record, under chapter 157 about transportation subject to this part that knowingly and willfully—

(1) makes a false entry in the report or record,

(2) destroys, mutilates, changes, or by another means falsifies the record,

(3) does not enter business related facts and transactions in the record,

(4) makes, prepares, or preserves the record in violation of a regulation or order of the Board, or

(5) files a false report or record with the Board,

shall be fined under title 18 or imprisoned not more than 2 years, or both.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11909 of this title prior to the general amendment of this subtitle by Pub. L. 104–88, §102(a).

§ 16103. Unlawful disclosure of information

(a) GENERAL PROHIBITION.—A pipeline carrier providing transportation subject to this part, or an officer, agent, or employee of that carrier, or another person authorized to receive information from that carrier, that knowingly discloses to another person, except the shipper or consignee, or a person who solicits or knowingly receives information about the nature, kind, quantity, destination, consignee, or routing of property tendered or delivered to that carrier for transportation provided under this part without the consent of the shipper or consignee, if that information may be used to the detriment of the shipper or consignee, to a competitor the business transactions of the shipper or consignee, is liable to the United States for a civil penalty of not more than $1,000.

(b) LIMITATION ON STATUTORY CONSTRUCTION.—This part does not prevent a pipeline carrier providing transportation under this part from giving information—

(1) in response to legal process issued under authority of a court of the United States or a State;

(2) to an officer, employee, or agent of the United States Government, a State, or a territory or possession of the United States; or

(3) to another carrier or its agent to adjust mutual traffic accounts in the ordinary course of business.

(c) BOARD EMPLOYEE.—An employee of the Board delegated to make an inspection or examination under section 15722 who knowingly discloses information acquired during that inspection or examination, except as directed by the Board, a court, or a judge of that court, shall be fined under title 18 or imprisoned for not more than 6 months, or both.

short title of 1994 amendment

pub. l. 103–440, title i, § 101, nov. 2, 1994, 108 stat. 4651, provided that: “this title [enacting sections 26101 to 26105 of this title, renumbering former sections 26101 and 26102 of this title as 26101 and 26102 of this title, respectively, and enacting provisions set out as notes under section 26101 of this title and section 838 of ‘title 49, railroads’] may be cited as the ‘swift rail development act of 1994’.”

pub. l. 101–440, title ii, § 201, nov. 2, 1994, 108 stat. 4619, provided that: “this title [enacting sections 20145 to 20151 and 21108 of this title, amending sections 103, 20103, 20111, 20116, 20137, 20133, 20142, and 21303 of this title, and enacting provisions set out as a note under section 11504 of this title] may be cited as the ‘federal railroad safety authorization act of 1994’.”

railroad safety strategy

pub. l. 110–432, div. a, title i, § 102, oct. 16, 2008, 122 stat. 4852, provided that:

“(a) safety goals.—in conjunction with existing federally-required and voluntary strategic planning efforts ongoing at the department and the federal railroad administration as of the date of enactment of this act (oct. 16, 2008), the secretary shall develop a long-term strategy for improving railroad safety to cover a period of not less than 5 years. the strategy shall include an annual plan and schedule for achieving, at a minimum, the following goals:

“(1) reducing the number and rates of accidents, incidents, injuries, and fatalities involving railroads including train collisions, derailments, and human factors.

“(2) improving the consistency and effectiveness of enforcement and compliance programs.

“(3) improving the identification of high-risk highway-rail grade crossings and strengthening enforcement and other methods to increase grade crossing safety.

“(4) improving research efforts to enhance and promote railroad safety and performance.

“(5) preventing railroad trespasser accidents, incidents, injuries, and fatalities.

“(6) improving the safety of railroad bridges, tunnels, and related infrastructure to prevent accidents, incidents, injuries, and fatalities caused by catastrophic failures and other bridge and tunnel failures.

(b) resource needs.—the strategy and annual plan shall include estimates of the funds and staff resources needed to accomplish the goals established by subsection (a). such estimates shall also include the staff skills and training required for timely and effective accomplishment of each such goal.

“(c) submission with the president’s budget.—the secretary shall submit the strategy and annual plan to the senate committee on commerce, science, and transportation and the house of representatives committee on transportation and infrastructure at the same time as the president’s budget submission.

“(d) achievement of goals.—no less frequently than annually, the secretary shall assess the progress of the department toward achieving the strategic goals described in subsection (a). the secretary shall identify any deficiencies in achieving the goals within the strategy and develop and institute measures to remediate such deficiencies. the secretary and the administrator shall convey their assessment to the employees of the federal railroad administration and shall identify any deficiencies that should be remediated before the next progress assessment.

“(2) report to congress.—beginning in 2009, not later than november 1 of each year, the secretary shall transmit a report to the senate committee on commerce, science, and transportation and the house of representatives committee on transportation and infrastructure on the performance of the federal railroad administration containing the progress assessment required by paragraph (1) toward achieving the goals of the railroad safety strategy and annual plans under subsection (a).

[for definitions of ‘railroad’ ‘department’ ‘secretary’ and ‘crossing’, as used in section 2(a) of pub. l. 110–432, set out above, see section 2(a) of pub. l. 110–432, set out as a note under section 20102 of this title.]

reports on statutory mandates and recommendations

pub. l. 110–432, div. a, title i, § 101, oct. 16, 2008, 122 stat. 4859, provided that: “not later than december 31, 2008, and annually thereafter, the secretary shall transmit a report to the house of representatives committee on transportation and infrastructure and the senate committee on commerce, science, and transportation on the specific actions taken to implement unmet statutory mandates regarding railroad safety and each open railroad safety recommendation made by the national transportation safety board or the department’s inspector general.”

[for definitions of ‘secretary’, ‘railroad’, and ‘department’, as used in section 106 of pub. l. 110–432, set out above, see section 2(a) of pub. l. 110–432, set out as a note under section 20102 of this title.]
(B) another operating railroad employee who is not subject to chapter 211;
(C) an employee who maintains the right of way of a railroad;
(D) an employee of a railroad carrier who is a hazmat employee as defined in section 5102(3) of this title;
(E) an employee who inspects, repairs, or maintains locomotives, passenger cars, or freight cars; and
(F) any other employee of a railroad carrier who directly affects railroad safety, as determined by the Secretary.

Clause (1) is substituted for the source provisions to avoid repeating the definition of "railroad" in each chapter in this part.

AMENDMENTS

2008—Pub. L. 110–432, § 2(b), added pars. (1) and (4) and redesignated former pars. (1) and (2) as (2) and (3), respectively.

DEFINITIONS APPLICABLE TO DIVISION A OF PUB. L. 110–432

"(1) CROSSING.—The term ‘crossing’ means a location within a State, other than a location where one or more railroad tracks cross one or more railroad tracks at grade, where—

"(A) a public highway, road, or street, or a private roadway, including associated sidewalks and pathways, crosses one or more railroad tracks either at grade or grade-separated; or

"(B) a pathway explicitly authorized by a public authority or a railroad carrier that is dedicated for the use of nonvehicular traffic, including pedestrians, bicyclists, and others, that is not associated with a public highway, road, or street, or a private roadway, crosses one or more railroad tracks either at grade or grade-separated.

"(2) DEPARTMENT.—The term ‘Department’ means the Department of Transportation.

"(3) RAILROAD.—The term ‘railroad’ has the meaning given that term by section 20102 of title 49, United States Code.

"(4) RAILROAD CARRIER.—The term ‘railroad carrier’ has the meaning given that term by section 20102 of title 49, United States Code.

"(5) SECRETARY.—The term ‘Secretary’ means the Secretary of Transportation.

"(6) STATE.—The term ‘State’ means a State of the United States, the District of Columbia, or the Commonwealth of Puerto Rico."

§ 20103. General authority

(a) REGULATIONS AND ORDERS.—The Secretary of Transportation, as necessary, shall prescribe regulations and issue orders for every area of railroad safety supplementing laws and regulations in effect on October 16, 1970. When prescribing a security regulation or issuing a security order that affects the safety of railroad operations, the Secretary of Homeland Security shall consult with the Secretary.

(b) REGULATIONS OF PRACTICE FOR PROCEEDINGS.—The Secretary shall prescribe regulations of practice applicable to each proceeding under this chapter. The regulations shall reflect the varying nature of the proceedings and include time limits for disposition of the proceedings. The time limit for disposition of a proceeding may not be more than 12 months after the date it begins.

(c) CONSIDERATION OF INFORMATION AND STANDARDS.—In prescribing regulations and issuing orders under this section, the Secretary shall consider existing relevant safety information and standards.

(d) NONEMERGENCY WAIVERS.—The Secretary may waive compliance with any part of a regulation prescribed or order issued under this chapter if the waiver is in the public interest and consistent with railroad safety. The Secretary shall make public the reasons for granting the waiver.

(e) HEARINGS.—The Secretary shall conduct a hearing as provided by section 503 of title 5 when prescribing a regulation or issuing an order under this part, including a regulation or order establishing, amending, or providing a waiver, described in subsection (d), of compliance with a railroad safety regulation prescribed or order issued under this part. An opportunity for an oral presentation shall be provided.

(f) TOURIST RAILROAD CARRIERS.—In prescribing regulations that pertain to railroad safety that affect tourist, historic, scenic, or excursion railroad carriers, the Secretary of Transportation shall take into consideration any finan-
eral, operational, or other factors that may be unique to such railroad carriers. The Secretary shall submit a report to Congress not later than September 30, 1995, on actions taken under this subsection.

(g) EMERGENCY WAIVERS.—

(1) In general.—The Secretary may waive compliance with any part of a regulation prescribed or order issued under this part without prior notice and comment if the Secretary determines that—

(A) it is in the public interest to grant the waiver;

(B) the waiver is not inconsistent with railroad safety; and

(C) the waiver is necessary to address an actual or impending emergency situation or emergency event.

(2) Period of waiver.—A waiver under this subsection may be issued for a period of not more than 60 days and may be renewed upon application to the Secretary only after notice and an opportunity for a hearing on the waiver. The Secretary shall immediately revoke the waiver if continuation of the waiver would not be consistent with the goals and objectives of this part.

(3) Statement of reasons.—The Secretary shall state in the decision issued under this subsection the reasons for granting the waiver.

(4) Consultation.—In granting a waiver under this subsection, the Secretary shall consult and coordinate with other Federal agencies, as appropriate, for matters that may impact such agencies.

(5) Emergency situation; emergency event.—In this subsection, the terms “emergency situation” and “emergency event” mean a natural or manmade disaster, such as a hurricane, flood, earthquake, mudslide, forest fire, snowstorm, terrorist act, biological outbreak, release of a dangerous radiological, chemical, explosive, or biological material, or a war-related activity, that poses a risk of death, serious illness, severe injury, or substantial property damage. The disaster may be local, regional, or national in scope.

In this part, the word “rule” is omitted as being synonymous with “regulation”. The word “standard” is omitted as being included in “regulation”.

In subsection (a), the words “(hereafter in this subchapter referred to as the ‘Secretary’)” in 45:431(a) (1st sentence cl. (1)) are omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section.

In subsection (b), the words “within 180 days after July 8, 1976” are omitted as expired. The word “prescribe” is substituted for “take such action as may be necessary to develop and publish” for consistency in the revised title and with other titles of the United States Code and to eliminate unnecessary words.

In subsection (d), the words “after hearing in accordance with subsection (b) of this section” are omitted as surplus because of the language restated in subsection (e) of this section.

### Amendments

Subsec. (e). Pub. L. 110–432, §308(2), added subsec. (e) and struck out former subsec. (e). Prior to amendment, text read as follows: “The Secretary shall conduct a hearing as provided by section 533 of title 5 when prescribing a regulation or issuing an order under this chapter, including a regulation or order establishing, amending, or waiving compliance with a railroad safety regulation prescribed or order issued under this chapter. An opportunity for an oral presentation shall be provided.”

2002—Subsec. (a). Pub. L. 107–296 inserted at end “When prescribing a security regulation or issuing a security order that affects the safety of railroad operations, the Secretary of Homeland Security shall consult with the Secretary.”

### Effective Date of 2002 Amendment

Amendment by Pub. L. 107–296 effective 60 days after Nov. 25, 2002, see section 4 of Pub. L. 107–296, set out as an Effective Date note under section 101 of Title 6, Domestic Security.

### Regulations

Section 4(t) of Pub. L. 103–272 provided that:

“(1) Not later than March 3, 1995, the Secretary of Transportation shall complete a regulatory proceeding to consider prescribing regulations to improve the safety and working conditions of locomotive cabs. The proceeding shall assess—

“(A) the adequacy of Locomotive Crashworthiness Requirements Standard S–580, or any successor standard, adopted by the Association of American Railroads in 1988 in improving the safety of locomotive cabs; and

“(B) the extent to which environmental, sanitary, and other working conditions in locomotive cabs affect productivity, health, and the safe operation of locomotives.

“(2) Supporting Research and Analysis.—In support of the proceeding required under paragraph (1) of this subsection, the Secretary shall conduct research and analysis, including computer modeling and full-scale crash testing, as appropriate, to consider—

“(A) the costs and benefits associated with equipping locomotives with—

“(i) braced collision posts;

“(ii) rollover protection devices;

“(iii) deflection plates;

“(iv) shatterproof windows;

“(v) readily accessible crush refuges;

“(vi) uniform sill heights;

“(vii) antilockers, or other equipment designed to prevent overrides resulting from head-on locomotive collisions;

“(viii) equipment to deter post-collision entry of flammable liquids into locomotive cabs;

“(ix) any other devices intended to provide crash protection for occupants of locomotive cabs; and

“(x) functioning and regularly maintained sanitary facilities; and

In that proceeding, the Secretary may consider the extent to which—

“(i) each of the improvements described in clause (A) of paragraph (1) reduces the risk of serious injury or death in collisions between adjacent locomotive cabs;

“(ii) the consideration required under paragraph (2) is cost effective; and

“(iii) the regulations prescribed or orders issued under this chapter are necessary to carry out the safety policies and objectives of this subchapter.”
“(b) Locomotive Cab Studies

“(a) In General.—Not later than 1 year after the date of enactment of this Act [Oct. 16, 2008], the Secretary, through the Railroad Safety Advisory Committee if the Secretary makes such a request, shall complete a study on the safety impact of the use of personal electronic devices, including cell phones, video games, and other distracting devices, by safety-related railroad employees (as defined in section 20102(4) of title 49, United States Code), during the performance of such employees’ duties. The study shall consider the prevalence of the use of such devices.

“(b) Locomotive Cab Environment.—The Secretary may also study other elements of the locomotive cab environment and their effect on an employee’s health and safety.

“(c) Report.—Not later than 6 months after the completion of any study under this section, the Secretary shall issue a report on the study to the Senate Committee on Commerce, Science, and Transportation and the House of Representatives Committee on Transportation and Infrastructure.

“(d) Authority.— Based on the conclusions of the study required under (a), the Secretary of Transportation may prohibit the use of personal electronic devices, such as cell phones, video games, or other electronic devices that may distract employees from safely performing their duties, unless those devices are being used according to railroad operating rules or for other work purposes. Based on the conclusions of other studies conducted under subsection (b), the Secretary may prescribe regulations to improve elements of the cab environment to protect an employee’s health and safety.

[For definitions of “Secretary” and “railroad”, as used in section 405 of Pub. L. 110–432, set out above, see section 2(a) of Pub. L. 110–432, set out as a note under section 20102 of this title.]

“Tunnel Information

Pub. L. 110–432, div. A, title IV, § 411, Oct. 16, 2008, 122 Stat. 4889, provided that: “Not later than 120 days after the date of enactment of this Act [Oct. 16, 2008], each railroad carrier shall, with respect to each of its tunnels which—

“(1) are longer than 1000 feet and located under a city with a population of 50,000 or greater; or

“(2) carry 5 or more scheduled passenger trains per day, or 500 or more carloads of poison- or toxic-by-inhalation hazardous materials (as defined in parts [probably should be “sections”] 171.8, 173.115, and 173.132 of title 49, Code of Federal Regulations) per year, maintain, for at least two years, historical documentation of structural inspection and maintenance activities for such tunnels, including information on the methods of ingress and egress into and out of the tunnel, the types of cargos typically transported through the tunnel, and schematics or blueprints for the tunnel, when available. Upon request, a railroad carrier shall provide periodic briefings on such information to the governments of the local jurisdiction in which the tunnel is located, including updates whenever a repair or rehabilitation project substantially alters the methods of ingress and egress. Such governments shall use appropriate means to protect and restrict the distribution of this information.

“(B) the effects on train crews of the presence of asbestos in locomotive components.

“(3) Report.—If, on the basis of the proceeding required under paragraph (1) of this subsection, the Secretary decides not to prescribe regulations, the Secretary shall report to Congress on the reasons for that decision.”

§ 20104. Emergency authority

(a) ORDERING RESTRICTIONS AND PROHIBITIONS.—(1) If, through testing, inspection, investigation, or research carried out under this chapter, the Secretary of Transportation decides that an unsafe condition or practice, or a combination of unsafe conditions and practices, causes an emergency situation involving a hazard of death, personal injury, or significant harm to the environment, the Secretary immediately may order restrictions and prohibitions, without regard to section 20103(e) of this title, that may be necessary to abate the situation.

(2) The order shall describe the condition or practice, or a combination of conditions and practices, that causes the emergency situation and prescribe standards and procedures for obtaining relief from the order. This paragraph does not affect the Secretary’s discretion under this section to maintain the order in effect for as long as the emergency situation exists.

(b) REVIEW OF ORDERS.—After issuing an order under this section, the Secretary shall provide an opportunity for review of the order under section 554 of title 5. If a petition for review is filed and the review is not completed by the end of the 30-day period beginning on the date the order was issued, the order stops being effective at the end of that period unless the Secretary decides in writing that the emergency situation still exists.

(c) CIVIL ACTIONS TO COMPEL ISSUANCE OF ORDERS.—An employee of a railroad carrier engaged in interstate or foreign commerce who may be exposed to imminent physical injury during that employment because of the Secretary’s failure, without any reasonable basis, to issue an order under subsection (a) of this section, or the employee’s authorized representative, may bring a civil action against the Secretary in a district court of the United States to compel the Secretary to issue an order. The action must be brought in the judicial district in which the emergency situation is alleged to exist, in which that employing carrier has its principal executive office, or for the District of Columbia. The Secretary’s failure to issue an order under subsection (a) of this section may be reviewed only under section 706 of title 5.

20104(c) ...... 45:432(e).

In subsection (a)(1), the words "or both" are omitted as surplus. The words "immediately may order restrictions and prohibitions..." that may be necessary to abate the situation” are substituted for “may immediately issue an order...” imposing such restrictions or prohibitions as may be necessary to bring about the abatement of such emergency situation” to eliminate unnecessary words.

In subsection (a)(2), the words "or a combination of conditions and practices” are added for consistency with paragraph (1). The words “as determined by the Secretary)” are omitted as surplus. The last sentence is substituted for 45:432(d) (last sentence) for clarity.

In subsection (b), the words “the Secretary” are added for clarity.

In subsection (c), the words “issue an order” are substituted for “seek relief” for consistency in this section. The words “The action must be brought in the judicial district” are substituted for “for the judicial district” for consistency in the revised title.

AMENDMENTS

2008—Subsec. (a)(1). Pub. L. 110–432 substituted “death, personal injury, or significant harm to the environment” for “death or personal injury”.

§ 20105. State participation

(a) INVESTIGATIVE AND SURVEILLANCE ACTIVITIES.—The Secretary concerned may prescribe investigative and surveillance activities necessary to enforce the safety regulations prescribed and orders issued by the Secretary that apply to railroad equipment, facilities, rolling stock, and operations in a State. The State may participate in those activities when the safety practices for railroad equipment, facilities, rolling stock, and operations in the State are regulated by a State authority and the authority submits to the Secretary concerned an annual certification as provided in subsection (b) of this section.

(b) ANNUAL CERTIFICATION.—(1) A State authority’s annual certification must include—

(A) a certification that the authority—

(i) has regulatory jurisdiction over the safety practices for railroad equipment, facilities, rolling stock, and operations in the State;

(ii) was given a copy of each safety regulation prescribed and order issued by the Secretary concerned, that applies to the equipment, facilities, rolling stock, or operations, as of the date of certification; and

(iii) is conducting the investigative and surveillance activities prescribed by the Secretary concerned, that applies to railroad equipment, facilities, rolling stock, and operations, as determined by the Secretary concerned;

(B) a report, in the form the Secretary concerned prescribes by regulation, that includes—

(i) the name and address of each railroad carrier subject to the safety jurisdiction of the authority;

(ii) each accident or incident reported during the prior 12 months by a railroad carrier involving a fatality, personal injury requiring hospitalization, or property damage of more than $750 (or a higher amount prescribed by the Secretary concerned), and a summary of the authority’s investigation of the cause and circumstances surrounding the accident or incident;

(iii) the record maintenance, reporting, and inspection practices conducted by the

1 So in original. Probably should be “Secretary concerned”.
authority to aid the Secretary concerned in enforcing railroad safety regulations prescribed and orders issued by the Secretary concerned, including the number of inspections made of railroad equipment, facilities, rolling stock, and operations by the authority during the prior 12 months; and 
(iv) other information the Secretary concerned requires.

(2) An annual certification applies to a safety regulation prescribed or order issued after the date of the certification only if the State authority submits an appropriate certification to provide the necessary investigative and surveillance activities prescribed under subsection (a) of this section, the Secretary concerned may make an agreement with a State authority for the authority to provide any part of the investigative and surveillance activities prescribed by the Secretary concerned as necessary to enforce the safety regulations and orders applicable to the equipment, facility, rolling stock, or operation.

(2) The Secretary concerned may terminate any part of an agreement made under this subsection on finding that the authority has not provided every part of the investigative and surveillance activities to which the agreement relates. The Secretary concerned must give the authority notice and an opportunity for a hearing before taking action under this subsection. When the Secretary concerned gives notice, the burden of proof is on the authority to show that it is complying satisfactorily with the investigative and surveillance activities prescribed by the Secretary concerned.

(c) AGREEMENT WHEN CERTIFICATION NOT RECEIVED.—(1) If the Secretary concerned does not receive an annual certification under subsection (a) of this section related to any railroad equipment, facility, rolling stock, or operation, the Secretary concerned may make an agreement with a State authority for the authority to provide any part of the investigative and surveillance activities prescribed by the Secretary concerned as necessary to enforce the safety regulations and orders applicable to the equipment, facility, rolling stock, or operation.

(2) In subsection (b)(1)(A)(iii), the words "as necessary to enforce the safety program under the certification or agreement" are omitted as surplus.

(d) AGREEMENT FOR INVESTIGATIVE AND SURVEILLANCE ACTIVITIES.—In addition to providing for State participation under this section, the Secretary concerned may make an agreement with a State to provide investigative and surveillance activities related to the duties under chapters 203–213 of this title (in the case of the Secretary of Transportation) and duties under section 114 of this title (in the case of the Secretary of Homeland Security).

(e) PAYMENT.—On application by a State authority that has submitted a certification under subsections (a) and (b) of this section or made an agreement under subsection (c) or (d) of this section, the Secretary concerned shall pay not more than 50 percent of the cost of the personnel, equipment, and activities of the authority needed, during the next fiscal year, to carry out a safety program under the certification or agreement. However, the Secretary concerned may pay an authority only when the authority assures the Secretary concerned that it will provide the remaining cost of the safety program and that the total State money expended for the safety program, excluding grants of the United States Government, will be at least as much as the average amount expended for the fiscal years that ended June 30, 1969, and June 30, 1970.

(f) MONITORING.—The Secretary concerned may monitor State investigative and surveillance practices and carry out other inspections and investigations necessary to help enforce this chapter (in the case of the Secretary of Transportation) and duties under section 114 of this title (in the case of the Secretary of Homeland Security).

(g) DEFINITIONS.—In this section—
(1) the term "safety" includes security; and
(2) the term "Secretary concerned" means—
(A) the Secretary of Transportation, with respect to railroad safety matters concerning such Secretary under laws administered by that Secretary;
(B) the Secretary of Homeland Security, with respect to railroad safety matters concerning such Secretary under laws administered by that Secretary.

Subsec. (f). Pub. L. 107–296, §1710(a)(2), (4), substituted “Secretary concerned” for “Secretary” and “chapter (in the case of the Secretary of Transportation) and duties under section 114 of this title (in the case of the Secretary of Homeland Security)” for “chapter”.

**Effective Date of 2002 Amendment**

Amendment by Pub. L. 107–296 effective 60 days after Nov. 25, 2002, see section 4 of Pub. L. 107–296, set out as an Effective Date note under section 101 of Title 6, Domestic Security.

§ 20106. Preemption

(a) National Uniformity of Regulation.—(1) Laws, regulations, and orders related to railroad safety and laws, regulations, and orders related to railroad security shall be nationally uniform to the extent practicable.

(2) A State may adopt or continue in force a law, regulation, or order related to railroad safety or security until the Secretary of Transportation (with respect to railroad safety matters), or the Secretary of Homeland Security (with respect to railroad security matters), prescribes a regulation or issues an order covering the subject matter of the State requirement. A State may adopt or continue in force an additional or more stringent law, regulation, or order related to railroad safety or security when the law, regulation, or order—

(A) is necessary to eliminate or reduce an essentially local safety or security hazard;

(B) is not incompatible with a law, regulation, or order of the United States Government; and

(C) does not unreasonably burden interstate commerce.

(b) Clarification Regarding State Law Causes of Action.—(1) Nothing in this section shall be construed to preempt an action under State law seeking damages for personal injury, death, or property damage alleging that a party—

(A) has failed to comply with the Federal standard of care established by a regulation or order issued by the Secretary of Transportation (with respect to railroad safety matters), or the Secretary of Homeland Security (with respect to railroad security matters), covering the subject matter as provided in subsection (a) of this section;

(B) has failed to comply with its own plan, rule, or standard that it created pursuant to a regulation or order issued by either of the Secretaries; or

(C) has failed to comply with a State law, regulation, or order that is not incompatible with subsection (a)(2).

(2) This subsection shall apply to all pending State law causes of action arising from events or activities occurring on or after January 18, 2002.

(c) Jurisdiction.—Nothing in this section creates a Federal cause of action on behalf of an injured party or confers Federal question jurisdiction for such State law causes of action.

2007—Pub. L. 110–53 amended section generally. Prior to amendment, text of section read as follows: “Laws, regulations, and orders related to railroad safety and laws, regulations, and orders related to railroad security shall be nationally uniform to the extent practicable. A State may adopt or continue in force a law, regulation, or order related to railroad safety or security until the Secretary of Transportation (with respect to railroad safety matters), or the Secretary of Homeland Security (with respect to railroad security matters), prescribes a regulation or issues an order covering the subject matter of the State requirement. “(2) is not incompatible with a law, regulation, or order of the United States Government; and

“(3) does not unreasonably burden interstate commerce.”

2002—Pub. L. 107–296, §1710(c), in introductory provisions, in first sentence inserted “and laws, regulations, and orders related to railroad security” after “safety”, in second sentence substituted “Transportation (with respect to railroad safety matters), or the Secretary of Homeland Security (with respect to railroad security matters),” for “Transportation”, and in second and third sentences inserted “or security” after “or related to railroad safety”.

Page 407 TITLe 49—TRANSPORTATION § 20106
§ 20107 Inspection and investigation

(a) GENERAL.—To carry out this part, the Secretary of Transportation may take actions the Secretary considers necessary, including—

(1) conduct investigations, make reports, issue subpoenas, require the production of documents, take depositions, and prescribe record-keeping and reporting requirements; and

(2) delegate to a public entity or qualified person the inspection, examination, and testing of railroad equipment, facilities, rolling stock, operations, and persons.

(b) ENTRY AND INSPECTION.—In carrying out this part, an officer, employee, or agent of the Secretary, at reasonable times and in a reasonable way, may enter and inspect railroad equipment, facilities, rolling stock, operations, and relevant records. When requested, the officer, employee, or agent shall display proper credentials. During an inspection, the officer, employee, or agent is an employee of the United States Government under chapter 171 of title 28.

(c) RAILROAD RADIO COMMUNICATIONS.—

(1) IN GENERAL.—To carry out the Secretary’s responsibilities under this part and under chapter 51, the Secretary may authorize officers, employees, or agents of the Secretary to conduct, with or without making their presence known, the following activities in circumstances the Secretary finds to be reasonable:

(A) Intercepting a radio communication, with or without the consent of the sender or other receivers of the communication, but only where such communication is broadcast or transmitted over a radio frequency which is—

(i) authorized for use by one or more railroad carriers by the Federal Communications Commission; and

(ii) primarily used by such railroad carriers for communications in connection with railroad operations.

(B) Communicating the existence, contents, substance, purport, effect, or meaning of the communication, subject to the restrictions in paragraph (3).

(C) Receiving or assisting in receiving the communication (or any information therein contained).

(D) Disclosing the contents, substance, purport, effect, or meaning of the communication (or any part thereof of such communication) or using the communication (or any information contained therein), subject to the restrictions in paragraph (3), after having received the communication or acquired knowledge of the contents, substance, purport, effect, or meaning of the communication (or any part thereof).

(E) Recording the communication by any means, including writing and tape recording.

(2) ACCIDENT AND INCIDENT PREVENTION AND INVESTIGATION.—The Secretary, and officers, employees, and agents of the Department of Transportation authorized by the Secretary, may engage in the activities authorized by paragraph (1) for the purpose of accident and incident prevention and investigation.

(3) USE OF INFORMATION.—(A) Information obtained through activities authorized by paragraphs (1) and (2) shall not be admitted into evidence in any administrative or judicial proceeding except—

(i) in a prosecution of a felony under Federal or State criminal law; or

(ii) to impeach evidence offered by a party other than the Federal Government regarding the existence, electronic characteristics, content, substance, purport, effect, meaning, or timing of, or identity of parties to, a communication intercepted pursuant to paragraphs (1) and (2) in proceedings pursuant to section 5122, 5123, 20702(b), 20111, 20112, 20113, or 20114 of this title.

(B) If information obtained through activities set forth in paragraphs (1) and (2) is admitted into evidence for impeachment purposes in accordance with subparagraph (A), the court, administrative law judge, or other officer before whom the proceeding is conducted may make such protective orders regarding the confidentiality or use of the information as may be appropriate in the circumstances to protect privacy and administer justice.

(C) No evidence shall be excluded in an administrative or judicial proceeding solely because the government would not have learned of the existence of or obtained such evidence but for the interception of information that is not admissible in such proceeding under subparagraph (A).

(D) Information obtained through activities set forth in paragraphs (1) and (2) shall not be subject to publication or disclosure, or search or review in connection therewith, under section 552 of title 5.

(E) Nothing in this subsection shall be construed to impair or otherwise affect the authority of the United States to intercept a communication, and collect, retain, analyze, use, and disseminate the information obtained thereby, under a provision of law other than this subsection.

(4) APPLICATION WITH OTHER LAW.—Section 705 of the Communications Act of 1934 (47 U.S.C. 605) and chapter 119 of title 18 shall not apply to conduct authorized by and pursuant to this subsection.

(3) to file a complaint, or directly cause to be brought a proceeding related to the enforcement of this part or, as applicable to railroad safety or security, chapter 51 or 57 of this title, or to testify in that proceeding;

(4) to notify, or attempt to notify, the railroad carrier or the Secretary of Transportation of a work-related personal injury or work-related illness of an employee;

(5) to cooperate with a safety or security investigation by the Secretary of Transportation, the Secretary of Homeland Security, or the National Transportation Safety Board;

(6) to furnish information to the Secretary of Transportation, the Secretary of Homeland Security, the National Transportation Safety Board, or any Federal, State, or local regulatory or law enforcement agency as to the facts relating to any accident or incident resulting in injury or death to an individual or damage to property occurring in connection with railroad transportation; or

(7) to accurately report hours on duty pursuant to chapter 211.

(b) HAZARDOUS SAFETY OR SECURITY CONDITIONS.—(1) A railroad carrier engaged in interstate or foreign commerce, or an officer or employee of such a railroad carrier, shall not discharge, demote, suspend, reprimand, or in any other way discriminate against an employee for—

(A) reporting, in good faith, a hazardous safety or security condition;

(B) refusing to work when confronted by a hazardous safety or security condition related to the performance of the employee’s duties, if the conditions described in paragraph (2) exist; or

(C) refusing to authorize the use of any safety-related equipment, track, or structures, if the employee is responsible for the inspection or repair of the equipment, track, or structures, when the employee believes that the equipment, track, or structures are in a hazardous safety or security condition, if the conditions described in paragraph (2) exist.

(2) A refusal is protected under paragraph (1)(B) and (C) if—

(A) the refusal is made in good faith and no reasonable alternative to the refusal is available to the employee;

(B) a reasonable individual in the circumstances then confronting the employee would conclude that—

(i) the hazardous condition presents an imminent danger of death or serious injury; and

(ii) the urgency of the situation does not allow sufficient time to eliminate the danger without such refusal; and

(C) the employee, where possible, has notified the railroad carrier of the existence of the hazardous condition and the intention not to perform further work, or not to authorize the use of the hazardous equipment, track, or structures, unless the condition is corrected immediately or the equipment, track, or structures are repaired properly or replaced.

(3) In this subsection, only paragraph (1)(A) shall apply to security personnel employed by a railroad carrier to protect individuals and property transported by railroad.

(c) PROMPT MEDICAL ATTENTION.—

(1) PROHIBITION.—A railroad carrier or person covered under this section may not deny, delay, or interfere with the medical or first aid treatment of an employee who is injured during the course of employment, if transportation to a hospital is requested by an employee who is injured during the course of employment, the railroad shall promptly arrange to have the injured employee transported to the nearest hospital where the employee can receive safe and appropriate medical care.

(2) DISCIPLINE.—A railroad carrier or person covered under this section may not discipline, or threaten discipline to, an employee for requesting medical or first aid treatment, or for following orders or a treatment plan of a treating physician, except that a railroad carrier’s refusal to permit an employee to return to work following medical treatment shall not be considered a violation of this section if the refusal is pursuant to Federal Railroad Administration medical standards for fitness of duty or, if there are no pertinent Federal Railroad Administration standards, a carrier’s medical standards for fitness for duty. For purposes of this paragraph, the term “discipline” means to bring charges against a person in a disciplinary proceeding, suspend, terminate, place on probation, or make note of reprimand on an employee’s record.

(d) ENFORCEMENT ACTION.

(1) IN GENERAL.—An employee who alleges discharge, discipline, or other discrimination in violation of subsection (a), (b), or (c) of this section, may seek relief in accordance with the provisions of this section, with any petition or other request for relief under this section to be initiated by filing a complaint with the Secretary of Labor.

(2) PROCEDURE.—

(A) IN GENERAL.—Any action under paragraph (1) shall be governed by the rules and procedures set forth in section 4221(b), including:

(i) BURDENS OF PROOF.—Any action brought under (d)(1) shall be governed by

1So in original. Probably should be preceded by “subsection”.

1
the legal burdens of proof set forth in section 42121(b).

(ii) **Statute of Limitations.**—An action under paragraph (1) shall be commenced not later than 180 days after the date on which the alleged violation of subsection (a), (b), or (c) of this section occurs.

(iii) **Civil Actions to Enforce.**—If a person fails to comply with an order issued by the Secretary of Labor pursuant to the procedures in section 42121(b), the Secretary of Labor may bring a civil action to enforce the order in the district court of the United States for the judicial district in which the violation occurred, as set forth in 42121. 2

(B) **Exemption.**—Notification made under section 42121(b)(1) shall be made to the person named in the complaint and the person’s employer.

(3) **De Novo Review.**—With respect to a complaint under paragraph (1), if the Secretary of Labor has not issued a final decision within 210 days after the filing of the complaint and if the delay is not due to the bad faith of the employee, the employee may bring an original action at law or equity for de novo review in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy, and which action shall, at the request of either party to such action, be tried by the court with a jury.

(4) **Appeals.**—Any person adversely affected or aggrieved by an order issued pursuant to the procedures in section 42121(b), 3 may obtain review of the order in the United States court of appeals for the circuit in which the violation, with respect to which the order was issued, allegedly occurred or the circuit in which the complainant resided on the date of such violation. The petition for review must be filed not later than 60 days after the date of the issuance of the final order of the Secretary of Labor. The review shall conform to chapter 7 of title 5. The commencement of proceedings under this paragraph shall not, unless ordered by the court, operate as a stay of the order.

(e) **Remedies.**—

(1) **In General.**—An employee prevailing in any action under subsection (d) shall be entitled to all relief necessary to make the employee whole.

(2) **Damages.**—Relief in an action under subsection (d) (including an action described in subsection (d)(3)) shall include—

(A) reinstatement with the same seniority status that the employee would have had, but for the discrimination;

(B) any backpay, with interest; and

(C) compensatory damages, including compensation for any special damages sustained as a result of the discrimination, including litigation costs, expert witness fees, and reasonable attorney fees.

(3) **Possible Relief.**—Relief in any action under subsection (d) may include punitive damages in an amount not to exceed $250,000.

(f) **Election of Remedies.**—An employee may not seek protection under both this section and another provision of law for the same allegedly unlawful act of the railroad carrier.

(g) **No Preemption.**—Nothing in this section preempts or diminishes any other safeguards against discrimination, demotion, discharge, suspension, threats, harassment, reprimand, retaliation, or any other manner of discrimination provided by Federal or State law.

(h) **Rights Retained by Employee.**—Nothing in this section shall be deemed to diminish the rights, privileges, or remedies of any employee under any Federal or State law or under any collective bargaining agreement. The rights and remedies in this section may not be waived by any agreement, policy, form, or condition of employment.

(i) **Disclosure of Identity.**—

(1) Except as provided in paragraph (2) of this subsection, or with the written consent of the employee, the Secretary of Transportation or the Secretary of Homeland Security may not disclose the name of an employee of a railroad carrier who has provided information about an alleged violation of this part or, as applicable to railroad safety or security, chapter 51 or 57 of this title, or a regulation prescribed or order issued under any of those provisions.

(2) The Secretary of Transportation or the Secretary of Homeland Security shall disclose to the Attorney General the name of an employee described in paragraph (1) if the matter is referred to the Attorney General for enforcement. The Secretary making such disclosures shall provide reasonable advance notice to the affected employee if disclosure of that person’s identity or identifying information is to occur.

(j) **Process for Reporting Security Problems to the Department of Homeland Security.**—

(1) **Establishment of Process.**—The Secretary of Homeland Security shall establish through regulations, after an opportunity for notice and comment, a process by which any person may report to the Secretary of Homeland Security regarding railroad security problems, deficiencies, or vulnerabilities.

(2) **Acknowledgment of Receipt.**—If a report submitted under paragraph (1) identifies the person making the report, the Secretary of Homeland Security shall respond promptly to such person and acknowledge receipt of the report.

(3) **Steps to Address Problem.**—The Secretary of Homeland Security shall review and consider the information provided in any report submitted under paragraph (1) and shall take appropriate steps to address any problems or deficiencies identified.

2 So in original. Probably should be preceded by “section”.

3 So in original. The comma probably should not appear.
In subsections (a) and (b), the words “railroad carrier” are substituted for “common carrier by railroad” because of the definition of “railroad carrier” in section 20102 of the revised title.

In subsection (a)(1), the words “under or” are omitted as surplus.

In subsection (b)(1)(B), before subclause (i), the words “the hazardous condition is of such a nature that” are omitted as surplus. The word “individual” is substituted for “person” as being more appropriate. In subclause (ii), the words “resort to” are omitted as surplus.

In subsection (b)(1)(C), the words “his apprehension of” are omitted as surplus.

In subsection (b)(2), the words “by a carrier . . . transported by railroad” are substituted for “by a railroad . . . transported by such railroad” for consistency in the revised title.

Subsection (d) is substituted for 45:441(d) for clarity and to eliminate unnecessary words.

Subsection (e)(2) is substituted for 45:441(f)(2) to eliminate unnecessary words.

AMENDMENTS

Subsec. (d). Pub. L. 110–432, §419(a)(1), redesignated subsec. (c) as (d). Former subsec. (d) redesignated (e).

Subsec. (d)(1). Pub. L. 110–432, §419(b)(1)(A), substituted “(a), (b), or (c)” for “(a) or (b)”.

Subsec. (d)(2)(A)(ii). Pub. L. 110–432, §419(b)(1)(C), substituted “(a), (b), or (c)” for “(a) or (b)”.

Subsec. (e)(3). Pub. L. 110–432, §419(b)(2)(D), substituted “(d)” for “(c)”.

Subsecs. (f) to (j). Pub. L. 110–432, §419(a)(1), redesignated subsecs. (e) to (i) as (f) to (j), respectively.

Amendments generally. Prior to amendment, section consisted of subsecs. (a) to (e) relating to prohibition against discharge or discrimination for filing of complaints or testifying, prohibition against discharge or discrimination for refusal to work because of hazardous conditions, dispute resolution, election of remedies, and nondisclosure of identity of employee who had provided information regarding a violation.

CRITICAL INCIDENT STRESS PLAN

“(a) IN GENERAL.—The Secretary of Transportation, in consultation with the Secretary of Labor and the Secretary of Health and Human Services, as appropriate, shall require each Class I railroad carrier, each intercity passenger railroad carrier, and each commuter railroad carrier to develop and submit for approval to the Secretary a critical incident stress plan that provides for debriefing, counseling, guidance, and other appropriate support services to be offered to an employee affected by a critical incident.

“(b) PLAN REQUIREMENTS.—Each such plan shall include provisions for—

(1) relieving an employee who was involved in a critical incident of his or her duties for the balance of the duty tour, following any actions necessary for the safety of persons and contemporaneous documentation of the incident;

(2) upon the employee’s request, relieving an employee who witnessed a critical incident of his or her duties following any actions necessary for the safety of persons and contemporaneous documentation of the incident; and

(3) providing such leave from normal duties as may be necessary and reasonable to receive preventive services, treatment, or both, related to the incident.

“(c) SECRETARY TO DEFINE WHAT CONSTITUTES A CRITICAL INCIDENT.—Within 30 days after the date of enactment of this Act (Oct. 16, 2008), the Secretary shall initiate a rulemaking proceeding to define the term ‘critical incident’ for the purposes of this section.”

[For definitions of “railroad carrier” and “Secretary,” as used in section 201 of Pub. L. 110–432, set out above, see section 2(a) of Pub. L. 110–432, set out as a note under section 20102 of this title.]
§ 20111. Enforcement by the Secretary of Transportation

(a) EXCLUSIVE AUTHORITY.—The Secretary of Transportation has exclusive authority—

(1) to impose and compromise a civil penalty for a violation of a railroad safety regulation prescribed or order issued by the Secretary;

(2) except as provided in section 20113 of this title, to request an injunction for a violation of a railroad safety regulation prescribed or order issued by the Secretary; and

(3) to recommend appropriate action be taken under section 20112(a) of this title.

(b) COMPLIANCE ORDERS.—The Secretary may issue an order directing compliance with this part or with a railroad safety regulation prescribed or order issued under this part.

(c) ORDERS PROHIBITING INDIVIDUALS FROM PERFORMING SAFETY-SENSITIVE FUNCTIONS.—

(1) If an individual’s violation of this part, chapter 51 of this title, or a regulation prescribed, or an order issued, by the Secretary under this part or chapter 51 of this title is shown to make that individual unfit for the performance of safety-sensitive functions, the Secretary, after providing notice and an opportunity for a hearing, may issue an order prohibiting the individual from performing safety-sensitive functions in the railroad industry for a specified period of time or until specified conditions are met.

(2) This subsection does not affect the Secretary’s authority under section 20104 of this title to act on an emergency basis.

(d) REGULATIONS REQUIRING REPORTING OF REMEDIAL ACTIONS.—(1) The Secretary shall prescribe regulations to require that a railroad carrier notified by the Secretary that imposition of a civil penalty will be recommended for a failure to comply with this part, chapter 51 or 57 of this title, or a railroad safety regulation prescribed or order issued by the Secretary, not later than the 30th day after the end of the month in which the notification is received—

(A) actions taken to remedy the failure; or

(B) if appropriate remedial actions cannot be taken by that 30th day, an explanation of the reasons for the delay.

(2) The Secretary—

(A) not later than June 3, 1993, shall issue a notice of a regulatory proceeding for proposed regulations to carry out this subsection; and

(B) not later than September 3, 1994, shall prescribe final regulations to carry out this subsection.

§ 20112. Enforcement by the Attorney General

(a) CIVIL ACTIONS.—At the request of the Secretary of Transportation, the Attorney General may bring a civil action in a district court of the United States—

(1) to enjoin a violation of, or to enforce, this part, except for section 20109 of this title, or a railroad safety regulation prescribed or order issued by the Secretary;

(2) to collect a civil penalty imposed or an amount agreed on in compromise under section 21301, 21302, or 21303 of this title; or

(3) to enforce a subpoena, request for admissions, request for production of documents or other tangible things, or request for testimony by deposition issued by the Secretary under this part.

(b) VENUE.—(1) Except as provided in paragraph (2) of this subsection, a civil action under

In this section, the word “impose” is substituted for “assess” for consistency.

In subsection (b), the word “further” is omitted as surplus.

In subsection (d), the words “this part, chapter 51 or 57 of this title” are substituted for “the Federal railroad safety laws, as such term is defined in section 441(e) of this title” because 45:441(e) is not restated as a definition.

AMENDMENTS

2008—Subsec. (c). Pub. L. 110–103 amended subsec. (c) generally. Prior to amendment, text read as follows: “If an individual’s violation of this chapter or any of the laws transferred to the jurisdiction of the Secretary of Transportation by subsection (e)(1), (2), and (6)(A) of section 6 of the Department of Transportation Act, as in effect on June 1, 1994, or a regulation prescribed or order issued by the Secretary under this chapter is shown to make that individual unfit for the performance of safety-sensitive functions, the Secretary, after notice and opportunity for a hearing, may issue an order prohibiting the individual from performing safety-sensitive functions in the railroad industry for a specified period of time or until specified conditions are met. This subsection does not affect the Secretary’s authority under section 20104 of this title to act on an emergency basis.”

1994—Subsec. (c). Pub. L. 103–440 inserted “this chapter or any of the laws transferred to the jurisdiction of the Secretary of Transportation by subsection (e)(1), (2), and (6)(A) of section 6 of the Department of Transportation Act, as in effect on June 1, 1994, or” after “individual’s violation of.”
this section may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. If an action to collect a penalty is against an individual, the action also may be brought in the judicial district in which the individual resides.

(2) A civil action to enforce a subpoena issued under section 20111(b) of this title may be brought in the judicial district in which the defendant resides, does business, or is found.

In subsection (a), before clause (1), the words “At the request of the Secretary of Transportation” are substituted for “at the request of the Secretary” in 45:439(a), and are made applicable to all of the source provisions restated in this subsection, for clarity and consistency. The words “at the request of the Secretary” in 45:439(a) are interpreted and restated to mean that the Secretary’s request is to the Attorney General rather than to the district court. See H.R. Rep. No. 91–1194, 91st Cong., 2d Sess., p. 20 (1970). The words “the Attorney General may bring a civil action in a district court of the United States” are substituted for “such district court shall have jurisdiction, upon petition by the Attorney General” in 45:437(a) (last sentence). The district courts of the United States shall have jurisdiction, upon petition by the Attorney General” in 45:437(a)(2), and “The United States district court shall . . . upon petition by the Attorney General on behalf of the United States . . . have jurisdiction” in 45:439(a) for clarity and consistency. It is not necessary to restate that the district court has jurisdiction because of 26:1331 and 1345. See also the statement of Senator Prousty in 115 Cong. Rec. 42026 (1969) explaining that similar language in section 110 of S. 1933, 91st Cong., 1st Sess. (the derivative source for 45:439) would grant the Attorney General the power to seek injunctions. Clause (1) of 45:437 is substituted for the source provisions to eliminate unnecessary words. In clause (1), the words “subject to the provisions of rules 65(a) and (b) of the Federal Rules of Civil Procedure” in 45:439(a) are omitted as surplus because the Federal Rules of Civil Procedure (28 App. U.S.C.) apply in the district court unless otherwise provided. In clause (2), the words “or an amount agreed on in compromise” are added for clarity.

In subsection (b)(1), the text of 45:439(c) (words before 1st comma) is omitted because it applies only to actions brought by a State authority. See discussion of the cross-reference in the note for section 20113(c) of the revised title. The last sentence is substituted for “in which the individual resides” in 45:438(c) because of the restatement.

In subsection (b)(2), the words “compliance order issued under section 20111(b) of this title” are substituted for “order, or directive” because the latter words are interpreted as referring to “orders directing compliance” in 45:439(a) (2d sentence), restated in section 20111(b).

AMENDMENTS

Subsec. (a)(3). Pub. L. 110–432, §309(3), (4), substituted “subpoena, request for admissions, request for production of documents or other tangible things, or request for testimony by deposition” for “subpoena” and “part.” for “chapter.”

§ 20113. Enforcement by the States

(a) INJUNCTIVE RELIEF.—If the Secretary of Transportation does not begin a civil action under section 20112 of this title to enjoin the violation of a railroad safety regulation prescribed or order issued by the Secretary not later than 15 days after the date the Secretary receives notice of the violation and a request from a State authority participating in investigative and surveillance activities under section 20105 of this title that the action be brought, the authority may bring a civil action in a district court of the United States to enjoin the violation. This subsection does not apply if the Secretary makes an affirmative written finding that the violation did not occur or that the action is not necessary because of other enforcement action taken by the Secretary related to the violation.

(b) IMPOSITION AND COLLECTION OF CIVIL PENALTIES.—If the Secretary does not impose the applicable civil penalty for a violation of a railroad safety regulation prescribed or order issued by the Secretary not later than 60 days after the date of receiving notice from a State authority participating in investigative and surveillance activities under section 20105 of this title, the authority may bring a civil action in a district court of the United States to impose and collect the penalty. This paragraph does not apply if the Secretary makes an affirmative written finding that the violation did not occur.

(c) VENUE.—A civil action under this section may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. However, a State authority may not bring an action under this section outside the State.

### Title 49—Transportation

#### § 20115. User fees

**(a) Schedule of fees.—**The Secretary of Transportation shall prescribe by regulation a schedule of fees for railroad carriers subject to this chapter. The fees—

1. shall cover the costs of carrying out this chapter (except section 20108(a));
2. shall be imposed fairly on the railroad carriers, in reasonable relationship to an appropriate combination of criteria such as revenue ton-miles, track miles, passenger miles, or other relevant factors; and
3. may not be based on that part of industry revenues attributable to a railroad carrier or class of railroad carriers.

**(b) Collection procedures.—**The Secretary shall prescribe procedures to collect the fees. The Secretary may use the services of a department, agency, or instrumentality of the United States Government or of a State or local authority to collect the fees, and may reimburse the department, agency, or instrumentality a reasonable amount for its services.

**(c) Collection, deposit, and use.—**(1) The Secretary shall impose and collect fees under this section for each fiscal year before the end of the fiscal year.

(2) Fees collected under this section shall be deposited in the general fund of the Treasury as offsetting receipts. The fees may be used, to the extent provided in advance in an appropriation law, only to carry out this chapter.

(3) Fees prescribed under this section shall be imposed in an amount sufficient to pay for the costs of activities under this chapter. However, the total fees received for a fiscal year may not be more than 100 percent of the total amount of the appropriations for the fiscal year for activities to be financed by the fees.

(4) Annual report.—**(1) Not later than 90 days after the end of each fiscal year in which fees

In subsection (a), the words “the defendant may demand a jury trial” are substituted for “trial shall be by the court, or, upon demand of the accused, by a jury” to eliminate unnecessary words and for consistency in the revised title.

In subsection (b), the words “may be served in any judicial district” are substituted for “may run into any other district” for clarity.

In subsection (c), the words “a final action of the Secretary” are substituted for “Any final agency action taken by the Secretary” to eliminate unnecessary words.

The words “this part or, as applicable to railroad safety, chapter 51 or 57 of this title” are substituted for “this subchapter or under any of the other Federal railroad safety laws as defined in section 441(e) of this title” because of the restatement. The words “is subject to judicial review as provided in chapter 7 of title 5” are omitted as unnecessary because 5ch. 7 applies unless otherwise stated. The words “and in the manner prescribed” are omitted as surplus.

#### § 20114. Judicial procedures

**(a) Criminal contempt.—**In a trial for criminal contempt for violating an injunction or restraining order issued under this chapter, the violation of which is also a violation of this chapter, the defendant may demand a jury trial.

The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

**(b) Subpoenas for witnesses.—**A subpoena for a witness required to attend a district court of the United States in an action brought under this chapter may be served in any judicial district.

**(c) Review of agency action.—**Except as provided in section 20104(c) of this title, a proceeding to review a final action of the Secretary of Transportation under this part or, as applicable to railroad safety, chapter 51 or 57 of this title shall be brought in the appropriate court of appeals as provided in chapter 159 of title 28.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 870.)
are collected under this section, the Secretary shall report to Congress on—

(A) the amount of fees collected during that fiscal year;
(B) the impact of the fees on the financial health of the railroad industry and its competitive position relative to each competing mode of transportation; and
(C) the total cost of Government safety activities for each other competing mode of transportation, including any part of that total cost defrayed by Government user fees.

(2) Not later than 90 days after submitting a report for a fiscal year, the Secretary shall submit to Congress recommendations for corrective legislation if the report includes a finding that—

(A) there has been an impact from the fees on the financial health of the railroad industry or its competitive position relative to each competing mode of transportation; or
(B) there is a significant difference in the burden of Government user fees on the railroad industry and other competing modes of transportation.

(e) EXPIRATION.—This section expires on September 30, 1995.

HISTORICAL AND REVISION NOTES

In subsection (a), before clause (1), the words “after notice and comment” are omitted as unnecessary because of 5:553.

In subsection (c), the words “beginning on March 1, 1991” are omitted as obsolete.

§ 20116. Rulemaking process

No rule or order issued by the Secretary under this part shall be effective if it incorporates by reference a code, rule, standard, requirement, or practice issued by an association or other entity that is not an agency of the Federal Government, unless the date on which the code, rule, standard, requirement, or practice was adopted is specifically cited in the rule or order, or the code, rule, standard, requirement, or practice has been subject to notice and comment under a rule or order issued under this part.

(A) I

(B) G

(C) $225,000,000 for fiscal year 2009;
(D) $245,000,000 for fiscal year 2010;
(E) $266,000,000 for fiscal year 2011;
(F) $289,000,000 for fiscal year 2012; and
(G) $293,000,000 for fiscal year 2013.

(2) With amounts appropriated pursuant to paragraph (1), the Secretary shall purchase Gage Restraint Measurement System vehicles and track geometry vehicles or other comparable technology as needed to assess track safety consistent with the results of the track inspection study required by section 403 of the Rail Safety Improvement Act of 2008.

(3) There are authorized to be appropriated to the Secretary $18,000,000 for the period encompassing fiscal years 2009 through 2013 to design, develop, and construct the Facility for Underground Rail Station and Tunnel at the Transportation Technology Center in Pueblo, Colorado. The facility shall be used to test and evaluate the vulnerabilities of above-ground and underground rail tunnels to prevent accidents and incidents in such tunnels, to mitigate and remediate the consequences of any such accidents or incidents, and to provide a realistic scenario for training emergency responders.

(4) Such sums as may be necessary from the amount appropriated pursuant to paragraph (1) for each of the fiscal years 2009 through 2013 shall be made available to the Secretary for personnel in regional offices and in Washington, D.C., whose duties primarily involve rail security.

(b) GRADE CROSSING SAFETY.—Not more than $1,000,000 may be appropriated to the Secretary for improvements in grade crossing safety, except demonstration projects under section 20134(c) of this title. Amounts appropriated under this subsection remain available until expended.

(c) RESEARCH AND DEVELOPMENT, AUTOMATED TRACK INSPECTION, AND STATE PARTICIPATION GRANTS.—Amounts appropriated under this section for research and development, automated track inspection, and grants under section 20105(e) of this title remain available until expended.

(d) MINIMUM AVAILABLE FOR CERTAIN PURPOSES.—At least 50 percent of the amounts appropriated to the Secretary for a fiscal year to carry out railroad research and development programs under this chapter or another law shall be available for safety research, improved track inspection and information acquisition technology, improved railroad freight transportation, and improved railroad passenger systems.

(e) OPERATION LIFESAVER.—In addition to amounts otherwise authorized by law, there are authorized to be appropriated for railroad research and development $300,000 for fiscal year 1995, $500,000 for fiscal year 1996, and $750,000 for fiscal year 1997, to support Operation Lifesaver, Inc.

the Secretary determines that disclosure would be consistent with the confidentiality needed for that safety risk reduction program or pilot program.

(c) **DISCRETIONARY PROHIBITION OF DISCLOSURE.**—The Secretary may prohibit the public disclosure of risk analyses or risk mitigation analyses that the Secretary has obtained under other provisions of, or regulations or orders under, this chapter if the Secretary determines that the prohibition of public disclosure is necessary to promote railroad safety.

### § 20119. Study on use of certain reports and surveys

(a) **STUDY.**—The Federal Railroad Administration shall complete a study to evaluate whether it is in the public interest, including public safety and the legal rights of persons injured in railroad accidents, to withhold from discovery or admission into evidence in a Federal or State court proceeding for damages involving personal injury or wrongful death against a carrier any report, survey, schedule, list, or data compiled or collected for the purpose of evaluating, planning, or implementing a railroad safety risk reduction program required under this chapter, including a railroad carrier’s analysis of its safety risks and its statement of the mitigation measures with which it will address those risks.

(b) **AUTHORITY.**—Following completion of the study required under subsection (a), the Secretary, if in the public interest, including public safety and the legal rights of persons injured in railroad accidents, may prescribe a rule subject to notice and comment to address the results of the study. Any such rule prescribed pursuant to this subsection shall not become effective until 1 year after its adoption.

### § 20120. Enforcement report

(a) **IN GENERAL.**—Beginning not later than December 31, 2009, the Secretary of Transportation shall make available to the public and publish on its public website an annual report that—

(1) provides a summary of railroad safety and hazardous materials compliance inspections and audits that Federal or State inspectors conducted in the prior fiscal year organized by type of alleged violation, including track, motive power and equipment, signal, grade crossing, operating practices, accident and incidence reporting, and hazardous materials;

(2) provides a summary of all enforcement actions taken by the Secretary or the Federal Railroad Administration during the prior fiscal year, including—

1 So in original. No subsec. (b) has been enacted.

### References in Text

Section 403 of the Rail Safety Improvement Act of 2008, referred to in subsec. (a)(2), is section 403 of Pub. L. 110-432, which is set out as a note under section 20142 of this title.

### Amendments

### § 20118. Prohibition on public disclosure of railroad safety analysis records

(a) **IN GENERAL.**—Except as necessary for the Secretary of Transportation or another Federal agency to enforce or carry out any provision of Federal law, any part of any record (including, but not limited to, a railroad carrier’s analysis of its safety risks and its statement of the mitigation measures it has identified with which to address those risks) that the Secretary has obtained pursuant to a provision of, or regulation or order under, this chapter related to the establishment, implementation, or modification of a railroad safety risk reduction program or pilot program is exempt from the requirements of section 552 of title 5 if the record is—

(1) supplied to the Secretary pursuant to that safety risk reduction program or pilot program; or

(2) made available for inspection and copying by an officer, employee, or agent of the Secretary pursuant to that safety risk reduction program or pilot program.

(b) **EXCEPTION.**—Notwithstanding subsection (a), the Secretary may disclose any part of any record comprised of facts otherwise available to the public if, in the Secretary’s sole discretion,

In subsection (a), before clause (1), the words “within 180 days after July 8, 1976” are omitted as expired.

§ 20132. Visible markers for rear cars

(a) GENERAL.—The Secretary of Transportation shall prescribe regulations and issue orders that may be necessary to require that—

(1) the rear car of each passenger and commuter train has at least one highly visible marker that is lighted during darkness and when weather conditions restrict clear visibility; and
(2) the rear car of each freight train has highly visible markers during darkness and when weather conditions restrict clear visibility.

(b) PREEMPTION.—Notwithstanding section 20106 of this title, subsection (a) of this section does not prohibit a State from continuing in force a law, regulation, or order in effect on July 8, 1976, related to lighted markers on the rear car of a freight train except to the extent it would cause the car to be in violation of this section.

SUBCHAPTER II—PARTICULAR ASPECTS OF SAFETY

PARTICULAR ASPECTS OF SAFETY

§ 20131. Restricted access to rolling equipment

The Secretary of Transportation shall prescribe regulations and issue orders that may be necessary to require that when railroad carrier employees (except train or yard crews) assigned to inspect, test, repair, or service rolling equipment have to work on, under, or between that equipment, every manually operated switch, including each crossover switch, providing access to the track on which the equipment is located is lined against movement to that track and secured by an effective locking device that can be removed only by the class or craft of employees performing the inspection, testing, repair, or service.

HISTORICAL AND REVISION NOTES

The words “within 180 days after July 8, 1976” are omitted as expired.
The Secretary may make applicable some or all of the standards established under this subsection to cars existing at the time the regulations are prescribed, as well as to new cars, and the Secretary shall explain in the rulemaking document the basis for making such standards applicable to existing cars.

(b) Initial and Final Regulations.—(1) The Secretary shall prescribe initial regulations under subsection (a) within 3 years after November 2, 1994. The initial regulations may exempt equipment used by tourist, historic, scenic, and excursion railroad carriers to transport passengers.

(2) The Secretary shall prescribe final regulations under subsection (a) within 5 years after November 2, 1994.

(c) Personnel.—The Secretary may establish within the Department of Transportation 2 additional full-time equivalent positions beyond the number permitted under existing law to assist with the drafting, prescribing, and implementation of regulations under this section.

(d) Consultation.—In prescribing regulations, issuing orders, and making amendments under this section, the Secretary may consult with Amtrak, public authorities operating railroad passenger service, other railroad carriers transporting passengers, organizations of passengers, and organizations of employees. A consultation is not subject to the Federal Advisory Committee Act (5 U.S.C. App.), but minutes of the consultation shall be placed in the public docket of the regulatory proceeding.

AMENDMENTS

1994—Pub. L. 103-440 amended section generally, substituting present provisions for provisions requiring the Secretary to take administrative action to ensure that the construction, operation, and maintenance of passenger rail equipment maximize the safety of passengers, and providing for areas of consideration and concentration, as well as consultation with Amtrak.

§ 20134. Grade crossings and railroad rights of way

(a) General.—To the extent practicable, the Secretary of Transportation shall maintain a coordinated effort to develop and carry out solutions to the railroad grade crossing problem and measures to protect pedestrians in densely populated areas along railroad rights of way. To carry out this subsection, the Secretary may use the authority of the Secretary under this chapter and over highway traffic, and motor vehicle safety and over highway construction. The Secretary may purchase items of nominal value and distribute them to the public without charge as part of an educational or awareness program to accomplish the purposes of this section and of any other sections of this title related to improving the safety of highway-rail crossings and to preventing trespass on railroad rights of way, and the Secretary shall prescribe guidelines for the administration of this authority.

(b) Signal Systems and Other Devices.—Not later than June 22, 1991, the Secretary shall prescribe regulations and issue orders to ensure the safe maintenance, inspection, and testing of signal systems and devices at railroad highway grade crossings.

(c) Demonstration Projects.—(1) The Secretary shall establish demonstration projects to evaluate whether accidents and incidents involving trains would be reduced by—

(A) reflective markers installed on the road surface or on a signal post at railroad grade crossings;

(B) stop signs or yield signs installed at grade crossings; and

(C) speed bumps or rumble strips installed on the road surfaces at the approaches to grade crossings.

(2) Not later than June 22, 1990, the Secretary shall submit a report on the results of the demonstration projects to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate.

§ 20135. Licensing or certification of locomotive operators

(a) GENERAL.—The Secretary of Transportation shall prescribe regulations and issue orders to establish a program requiring the licensing or certification, after one year after the program is established, of any operator of a locomotive.

(b) PROGRAM REQUIREMENTS.—The program established under subsection (a) of this section—

1. shall be carried out through review and approval of each railroad carrier’s operator qualification standards;
2. shall provide minimum training requirements;
3. shall require comprehensive knowledge of applicable railroad carrier operating practices and rules;
4. except as provided in subsection (c)(1) of this section, shall require consideration, to the extent the information is available, of the motor vehicle driving record of each individual seeking licensing or certification, including—
   (A) any denial, cancellation, revocation, or suspension of a motor vehicle operator’s license by a State for cause within the prior 5 years; and
   (B) any conviction within the prior 5 years of an offense described in section 33904(a)(3)(A) or (B) of this title;
5. may require, based on the individual’s driving record, disqualification or the granting of a license or certification conditioned on requirements the Secretary prescribes; and
6. shall require an individual seeking a license or certification—
   (A) to request the chief driver licensing official of each State in which the individual has held a motor vehicle operator’s license within the prior 5 years to provide information about the individual’s driving record to the individual’s employer, prospective employer, or the Secretary, as the Secretary requires; and
   (B) to make the request provided for in section 33905(b)(4) of this title for information to be sent to the individual’s employer, prospective employer, or the Secretary, as the Secretary requires.

(c) WAIVERS.—(1) The Secretary shall prescribe standards and establish procedures for waiving subsection (b)(4) of this section for an individual or class of individuals who the Secretary decides are not currently unfit to operate a locomotive. However, the Secretary may waive subsection (b)(4) for an individual or class of individuals with a conviction, cancellation, revocation, or suspension of a motor vehicle operator’s license, described in paragraph (2)(A) or (B) of this subsection only if the individual or class, after the conviction, cancellation, revocation, or suspension, successfully completes a rehabilitation program established by a railroad carrier or approved by the Secretary.

(2) If an individual, after the conviction, cancellation, revocation, or suspension, successfully completes a rehabilitation program established by a railroad carrier or approved by the Secretary, the individual may not be denied a license or certification under subsection (b)(4) of this section because of—
   (A) a conviction for operating a motor vehicle when under the influence of, or impaired by, alcohol or a controlled substance; or
   (B) the cancellation, revocation, or suspension of the individual’s motor vehicle operator’s license for operating a motor vehicle when under the influence of, or impaired by, alcohol or a controlled substance.

(d) OPPORTUNITY FOR HEARING.—An individual denied a license or certification or whose license
or certification is conditioned on requirements prescribed under subsection (b)(4) of this section shall be entitled to a hearing under section 20103(e) of this title to decide whether the license has been properly denied or conditioned.

(e) OPPORTUNITY TO EXAMINE AND COMMENT ON INFORMATION.—The Secretary, employer, or prospective employer, as appropriate, shall make information obtained under subsection (b)(6) of this section available to the individual. The individual shall be given an opportunity to comment in writing about the information. Any comment shall be included in any record or file maintained by the Secretary, employer, or prospective employer that contains information to which the comment is related.

§ 20136. Automatic train control and related systems

The Secretary of Transportation shall prescribe regulations and issue orders to require that—

(1) an individual performing a test of an automatic train stop, train control, or cab signal apparatus required by the Secretary to be performed before entering territory where the apparatus will be used shall certify in writing that the test was performed properly; and

(2) the certification required under clause (1) of this section shall be maintained in the same way and place as the daily inspection report for the locomotive.

This amends 49:20136(2) to correct an error in the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 875).

AMENDMENTS

EFFECTIVE DATE OF 1994 AMENDMENT

§ 20137. Event recorders

(a) DEFINITION.—In this section, “event recorder” means a device that—

(1) records train speed, hot box detection, throttle position, brake application, brake operations, and any other function the Secretary of Transportation considers necessary to record to assist in monitoring the safety of train operation, such as time and signal indication; and

(2) is designed to resist tampering.

(b) REGULATIONS AND ORDERS.—Not later than December 22, 1989, the Secretary shall prescribe regulations and issue orders that may be necessary to enhance safety by requiring that a train be equipped with an event recorder not later than one year after the regulations are prescribed and the orders are issued. However, if the Secretary finds it is impracticable to equip trains within that one-year period, the Secretary may extend the period to a date that is not later than 18 months after the regulations are prescribed and the orders are issued.

§ 20138. Tampering with safety and operational monitoring devices

(a) GENERAL.—The Secretary of Transportation shall prescribe regulations and issue orders to prohibit the willful tampering with, or disabling of, any specified railroad safety or operational monitoring device.

(b) PENALTIES.—(1) A railroad carrier operating a train on which a safety or operational monitoring device is tampered with or disabled in violation of a regulation prescribed or order issued under subsection (a) of this section is liable to the United States Government for a civil penalty under section 21301 of this title.
(2) An individual tampering with or disabling a safety or operational monitoring device in violation of a regulation prescribed or order issued under subsection (a) of this section, or knowingly operating or allowing to be operated a train on which such a device has been tampered with or disabled, is liable for penalties established by the Secretary. The penalties may include—

(A) a civil penalty under section 21301 of this title;
(B) suspension from work; and
(C) suspension or loss of a license or certification issued under section 20335 of this title.

§ 20140. Alcohol and controlled substances testing

(a) DEFINITION.—In this section, “controlled substance” means any substance under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802) specified by the Secretary of Transportation.

(b) GENERAL.—(1) In the interest of safety, the Secretary of Transportation shall prescribe regulations and issue orders, not later than October 28, 1992, related to alcohol and controlled substances use in railroad operations. The regulations shall establish a program requiring—

(A) a railroad carrier to conduct preemployment, reasonable suspicion, random, and post-accident testing of all railroad employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of a controlled substance in violation of law or a United States Government regulation, and to conduct reasonable suspicion, random, and post-accident testing of such employees for the use of alcohol in violation of law or a United States Government regulation; the regulations shall permit such railroad carriers to conduct preemployment testing of such employees for the use of alcohol; and

(B) when the Secretary considers it appropriate, disqualification for an established period of time or dismissal of any employee found—

(i) to have used or been impaired by alcohol when on duty; or

(ii) to have used a controlled substance, whether or not on duty, except as allowed for medical purposes by law or a regulation or order under this chapter.

(2) When the Secretary of Transportation considers it appropriate in the interest of safety, the Secretary may prescribe regulations and issue orders requiring railroad carriers to conduct periodic recurring testing of railroad employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of alcohol or a controlled substance in violation of law or a Government regulation.

(c) TESTING AND LABORATORY REQUIREMENTS.—In carrying out this section, the Secretary of Transportation shall develop requirements that shall—

(1) promote, to the maximum extent practicable, individual privacy in the collection of specimens;

(2) for laboratories and testing procedures for controlled substances, incorporate the Department of Health and Human Services scientific and technical guidelines dated April 11, 1988, and any amendments to those guidelines, including mandatory guidelines establishing—

(A) comprehensive standards for every aspect of laboratory controlled substances testing and laboratory procedures to be applied in carrying out this section, including standards requiring the use of the best available technology to ensure the complete reliability and accuracy of controlled substances tests and strict procedures governing the chain of custody of specimens collected for controlled substances testing;

(B) the minimum list of controlled substances for which individuals may be tested; and

(C) appropriate standards and procedures for periodic review of laboratories and criteria for certification and revocation of certification of laboratories to perform controlled substances testing in carrying out this section;

(3) require that a laboratory involved in controlled substances testing under this section have the capability and facility, at the laboratory, of performing screening and confirmation tests;

(4) provide that all tests indicating the use of alcohol or a controlled substance in viola-
tion of law or a Government regulation be confirmed by a scientifically recognized method of testing capable of providing quantitative information about alcohol or a controlled substance;

(5) provide that each specimen be subdivided, secured, and labeled in the presence of the tested individual and that a part of the specimen be retained in a secure manner to prevent the possibility of tampering, so that if the individual's confirmation test results are positive the individual has an opportunity to have the retained part tested by a 2d confirmation test done independently at another certified laboratory if the individual requests the 2d confirmation test not later than 3 days after being advised of the results of the first confirmation test;

(6) ensure appropriate safeguards for testing to detect and quantify alcohol in breath and body fluid samples, including urine and blood, through the development of regulations that may be necessary and in consultation with the Secretary of Health and Human Services;

(7) provide for the confidentially of test results and medical information (other than information about alcohol or a controlled substance) of employees, except that this clause does not prevent the use of test results for the orderly imposition of appropriate sanctions under this section; and

(8) ensure that employees are selected for tests by nondiscriminatory and impartial methods, so that no employee is harassed by being treated differently from other employees in similar circumstances.

(d) REHABILITATION.—The Secretary of Transportation shall prescribe regulations or issue orders establishing requirements for rehabilitation programs that at least provide for the identification and opportunity for treatment of railroad employees responsible for safety-sensitive functions (as decided by the Secretary) in need of assistance in resolving problems with the use of alcohol or a controlled substance in violation of law or a Government regulation. The Secretary shall decide on the circumstances under which employees shall be required to participate in a program. Each railroad carrier is encouraged to make such a program available to all of its employees in addition to employees responsible for safety-sensitive functions. This subsection does not prevent a railroad carrier from establishing a program under this subsection in cooperation with another railroad carrier.

(e) INTERNATIONAL OBLIGATIONS AND FOREIGN LAWS AND REGULATIONS.—In carrying out this section, the Secretary of Transportation—

(1) shall establish only requirements that are consistent with international obligations of the United States; and

(2) shall consider applicable laws and regulations of foreign countries.

(f) OTHER REGULATIONS ALLOWED.—This section does not prevent the Secretary of Transportation from continuing in effect, amending, or further supplementing a regulation prescribed or order issued before October 28, 1991, governing the use of alcohol or a controlled substance in railroad operations.

In subsection (b)(1), before clause (A), the words “controlled substances” are substituted for “drug” for consistency in this section. In clauses (B) and (C), the word “found” is substituted for “determined” for consistency in the revised title.

In subsection (c)(3), the words “of any employee” are omitted as surplus.

In subsection (c)(4), the words “by any employee” are omitted as surplus.

In subsection (c)(5), the word “tested” is substituted for “assayed” for consistency. The words “2d confirmation test” are substituted for “independent test” for clarity and consistency.

AMENDMENTS

1995—Subsec. (b)(1)(A). Pub. L. 104–59 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “a railroad carrier to conduct preemployment, reasonable suspicion, random, and postaccident testing of all railroad employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of alcohol or a controlled substance in violation of law or a United States Government regulation; and”.

ALCOHOL AND CONTROLLED SUBSTANCE TESTING FOR MAINTENANCE-OF-WAY EMPLOYEES

(a) REVIEW AND REVISION OF EXISTING REGULATIONS.—The Secretary of Transportation shall review existing regulations on railroad power brakes and, not later than December 31, 1993, revise the regulations based on safety information presented during the review. Where applicable, the Secretary shall prescribe regulations that establish standards on dynamic braking equipment.

(b) 2-WAY END-OF-TRAIN DEVICES.—(1) The Secretary shall require 2-way end-of-train devices (or devices able to perform the same function) on road trains, except locals, road switchers, or work trains, to enable the initiation of emergency braking from the rear of a train. The Secretary shall prescribe regulations as soon as possible, but not later than December 31, 1993, re-
quiring the 2-way end-of-train devices. The regulations at least shall—

(A) establish standards for the devices based on performance;

(b) prohibit a railroad carrier, on or after the date that is one year after the regulations are prescribed, from acquiring any end-of-train device for use on trains that is not a 2-way device meeting the standards established under clause (A) of this paragraph;

(C) require that the trains be equipped with 2-way end-of-train devices meeting those standards not later than 4 years after the regulations are prescribed; and

(D) provide that any 2-way end-of-train device acquired for use on trains before the regulations are prescribed shall be deemed to meet the standards.

(2) The Secretary may consider petitions to amend the regulations prescribed under paragraph (1) of this subsection to allow the use of alternative technologies that meet the same basic performance requirements established by the regulations.

(3) In developing the regulations required by paragraph (1) of this subsection, the Secretary shall consider information presented under subsection (a) of this section.

(c) Exclusions.—The Secretary may exclude from regulations prescribed under subsections (a) and (b) of this section any category of trains or rail operations if the Secretary decides that the exclusion is in the public interest and is consistent with railroad safety. The Secretary shall make public the reasons for the exclusion. The Secretary at least shall exclude from the regulations prescribed under subsection (b)—

(1) trains that have manned cabooses;

(2) passenger trains with emergency brakes;

(3) trains that operate only on track that is not part of the general railroad system;

(4) trains that do not exceed 30 miles an hour and do not operate on heavy grades, except for any categories of trains specifically designated by the Secretary; and

(5) trains that operate in a push mode.

§ 20142. Track safety

(a) Review of Existing Regulations.—Not later than March 3, 1993, the Secretary of Transportation shall begin a review of Department of Transportation regulations related to track safety standards. The review at least shall include an evaluation of—

(1) procedures associated with maintaining and installing continuous welded rail and its attendant structure, including cold weather installation procedures;

(2) the need for revisions to regulations on track excepted from track safety standards; and

(3) employee safety.

(b) Revision of Regulations.—Not later than September 1, 1995, the Secretary shall prescribe regulations and issued orders to revise track safety standards, considering safety information presented during the review under subsection (a) of this section and the report of the Comptroller General submitted under subsection (c) of this section.

(c) Comptroller General’s Study and Report.—The Comptroller General shall study the effectiveness of the Secretary’s enforcement of track safety standards, with particular attention to recent relevant railroad accident experience and information. Not later than September 3, 1993, the Comptroller General shall submit a report to Congress and the Secretary on the results of the study, with recommendations for improving enforcement of those standards.

(d) Identification of Internal Rail Defects.—In carrying out subsections (a) and (b), the Secretary shall consider whether or not to prescribe regulations and issue orders concerning—

(1) inspection procedures to identify internal rail defects, before they reach imminent failure size, in rail that has significant shelling; and

(2) any specific actions that should be taken when a rail surface condition, such as shelling, prevents the identification of internal defects.

(e) Track Standards.—

(1) In General.—Within 90 days after the date of enactment of this subsection, the Federal Railroad Administration shall—

(A) require each track owner using continuous welded rail track to include procedures (in its procedures filed with the Administration pursuant to section 213.119 of title 49, Code of Federal Regulations) to improve the identification of cracks in rail joint bars;

(B) instruct Administration track inspectors to obtain copies of the most recent continuous welded rail programs of each railroad within the inspectors’ areas of responsibility and require that inspectors use those programs when conducting track inspections; and

(C) establish a program to review continuous welded rail joint bar inspection data from railroads and Administration track inspectors periodically.

(2) Inspection.—Whenever the Administration determines that it is necessary or appropriate, the Administration may require railroads to increase the frequency of inspection, or improve the methods of inspection, of joint bars in continuous welded rail.

§ 20143. Locomotive visibility

(a) DEFINITION.—In this section, “locomotive visibility” means the enhancement of day and night visibility of the front end unit of a train, considering in particular the visibility and perspective of a driver of a motor vehicle at a grade crossing.

(b) INTERIM REGULATIONS.—Not later than December 31, 1992, the Secretary of Transportation shall prescribe temporary regulations identifying ditch, crossing, strobe, and oscillating lights as temporary locomotive visibility measures and authorizing and encouraging the installation and use of those lights. Subchapter II of chapter 5 of title 5 does not apply to a temporary regulation or to an amendment to a temporary regulation.

(c) REVIEW OF REGULATIONS.—The Secretary shall review the Secretary’s regulations on locomotive visibility. Not later than December 31, 1993, the Secretary shall complete the current research of the Department of Transportation on locomotive visibility. In conducting the review, the Secretary shall collect relevant information from operational experience by rail carriers using enhanced visibility measures.

(d) REGULATORY PROCEEDING.—Not later than June 30, 1994, the Secretary shall begin a regulatory proceeding to prescribe final regulations requiring substantially enhanced locomotive visibility measures. In the proceeding, the Secretary shall consider at least—

(1) revisions to the existing locomotive headlight standards, including standards for placement and intensity;
(2) requiring the use of reflective material to enhance locomotive visibility;
(3) requiring the use of additional alerting lights, including ditch, crossing, strobe, and oscillating lights;
(4) requiring the use of auxiliary lights to enhance locomotive visibility when viewed from the side;
(5) the effect of an enhanced visibility measure on the vision, health, and safety of train crew members; and
(6) separate standards for self-propelled, push-pull, and multi-unit passenger operations without a dedicated head end locomotive.

(e) FINAL REGULATIONS.—(1) Not later than June 30, 1995, the Secretary shall prescribe final regulations requiring enhanced locomotive visibility measures. The Secretary shall require that not later than December 31, 1997, a locomotive not excluded from the regulations be equipped with temporary visibility measures under subsection (b) of this section or the visibility measures the final regulations require.

(2) In prescribing regulations under paragraph (1) of this subsection, the Secretary may exclude a category of trains or rail operations from a specific visibility requirement if the Secretary decides the exclusion is in the public interest and is consistent with rail safety, including grade-crossing safety.

(3) A locomotive equipped with temporary visibility measures prescribed under subsection (b) of this section when final regulations are prescribed under paragraph (1) of this subsection is deemed to be complying with the final regula-
tions for 4 years after the final regulations are prescribed.

In this section, the word “visibility” is substituted for “conspicuity” for clarity and consistency in this chapter.

In subsection (a), the words “by means of lighting, reflective materials, or other means” are omitted as surplus.

In subsection (b), the words “those lights” are substituted for “such measures” for clarity.

In subsection (c), the word “Secretary’s” is substituted for “Department of Transportation’s” because of 49:102(b). The word “using” is substituted for “having . . . in service” to eliminate unnecessary words.

In subsection (e)(2) and (3) of this section, the reference is to paragraph (1) of this subsection, rather than to subsection (d) of this section, because the regulations are prescribed under paragraph (1).

In subsection (e)(2), the words “a category” are substituted for “and category” to correct an apparent mistake in the source provision. See S. Rept. 102–990, 102d Cong., 2d Sess., p. 18 (1992).

In subsection (e)(3), the word “full” is omitted as surplus.

§ 20144. Blue signal protection for on-track vehicles

The Secretary of Transportation shall prescribe regulations applying blue signal protection to on-track vehicles where rest is provided.

The words “prescribe regulations” are substituted for “within one year after the date of the enactment of this Act, amend part 218 of title 49, Code of Federal Regulations” because the regulations to carry out this section have been prescribed.

§ 20145. Report on bridge displacement detection systems

Not later than 18 months after November 2, 1994, the Secretary of Transportation shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report concerning any action that has been taken by the Secretary on railroad bridge displacement detection systems.

AMENDMENTS

§ 20146. Institute for Railroad Safety

The Secretary of Transportation, in conjunction with a university or college having expertise in transportation safety, shall establish, within one year after November 2, 1994, an Institute for Railroad Safety. The Institute shall research, develop, fund, and test measures for reducing the number of fatalities and injuries relevant to railroad operations. There are authorized to be appropriated to the Secretary $1,000,000 for each of the fiscal years 1996 through 2000 to fund activities carried out under this section by the Institute, which shall report at least once each year on its use of such funds in carrying out such activities and the results thereof to the Secretary of Transportation and the Congress.

§ 20147. Warning of civil liability

The Secretary of Transportation shall encourage railroad carriers to warn the public about potential liability for violation of regulations related to vandalism of railroad signs, devices, and equipment and to trespassing on railroad property.
