

lead to the development of plans based on the broadest conception of the overall national interest rather than the particular desires of the individual services.

I transmit herewith Reorganization Plan No. 6 of 1953, prepared in accordance with the Reorganization Act of 1949, as amended, and providing for reorganizations in the Department of Defense.

After investigation I have found and hereby declare that each reorganization included in Reorganization Plan No. 6 of 1953 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949, as amended.

I have found and hereby declare that it is necessary to include in the accompanying reorganization plan, by reason of reorganizations made thereby, provisions for the appointment and compensation of six additional Assistant Secretaries of Defense and a General Counsel of the Department of Defense. The rates of compensation fixed for these officers are those which I have found to prevail in respect to comparable officers in the executive branch of the Government.

The statutory authority for the exercise of the function of guidance to the Munitions Board in connection with strategic and logistic plans, abolished by section 2(d) of the reorganization plan, is section 213(c) of the National Security Act of 1947, as amended.

The taking effect of the reorganizations included in Reorganization Plan No. 6 of 1953 is expected to result in a more effective, efficient, and economical performance of functions in the Department of Defense. It is impracticable to specify or itemize at this time the reduction of expenditures which it is probable will be brought about by such taking effect.

The Congress is a full partner in actions to strengthen our Military Establishment. Jointly we must carry forward a sound program to keep America strong. The Congress and the President, acting in their proper spheres, must perform their duties to the American people in support of our highest traditions. Should, for any reason, the national military policy become a subject of partisan politics, the only loser would be the American people.

We owe it to all the people to maintain the best Military Establishment that we know how to devise. There are none, however, to whom we owe it more than the soldiers, the sailors, the marines, and the airmen in uniform whose lives are pledged to the defense of our freedom.

DWIGHT D. EISENHOWER.

THE WHITE HOUSE, April 30, 1953.
