§ 979. Prohibition on loan and grant assistance to persons convicted of certain crimes

Funds appropriated to the Department of Defense may not be used to provide a loan, a guarantee of a loan, or a grant to any person who has been convicted by a court of general jurisdiction of any crime which involves the use of (or assisting others in the use of) force, trespass, or the seizure of property under the control of an institution of higher education to prevent officials or students of the institution from engaging in their duties or pursuing their studies.

PRIORITY PROVISIONS

Provisions similar to those in this section were contained in the following appropriation acts:

§ 981. Limitation on number of enlisted aides

(a) Funds appropriated to the Department of Defense may not be used for research involving a human being as an experimental subject unless—

(1) the informed consent of the subject is obtained in advance; or

(2) in the case of research intended to be beneficial to the subject, the informed consent of the subject or a legal representative of the subject is obtained in advance.

(b) The Secretary of Defense may waive the prohibition in this section with respect to a specific research project to advance the development of a medical product necessary to the armed forces if the research project may directly benefit the subject and is carried out in accordance with all other applicable laws.

PRIORITY PROVISIONS

Provisions similar to those in this section were contained in the following appropriation acts:

AMENDMENTS

2001—Pub. L. 107–107 designated existing provisions as subsec. (a) and added subsec. (b).

EFFECTIVE DATE

Section effective Oct. 1, 1985, see section 1404 of Pub. L. 98–525, set out as a note under section 520b of this title.

§ 980. Limitation on use of humans as experimental subjects

(a) Funds appropriated to the Department of Defense may not be used for research involving a human being as an experimental subject unless—

(1) the informed consent of the subject is obtained in advance; or

(2) in the case of research intended to be beneficial to the subject, the informed consent of the subject or a legal representative of the subject is obtained in advance.

(b) The Secretary of Defense may waive the prohibition in this section with respect to a specific research project to advance the development of a medical product necessary to the armed forces if the research project may directly benefit the subject and is carried out in accordance with all other applicable laws.
