(1) Emergency measures

The term "emergency measures" means those measures that—
(A) are necessary to address damage caused by a natural disaster to natural resources on nonindustrial private forest land, and the damage, if not treated—
(i) would impair or endanger the natural resources on the land; and
(ii) would materially affect future use of the land; and
(B) would restore forest health and forest-related resources on the land.

(2) Natural disaster

The term "natural disaster" includes wildfires, hurricanes or excessive winds, drought, ice storms or blizzards, floods, or other resource-impacting events, as determined by the Secretary.

(3) Nonindustrial private forest land

The term "nonindustrial private forest land" means rural land, as determined by the Secretary, that—
(A) has existing tree cover (or had tree cover immediately before the natural disaster and is suitable for growing trees); and
(B) is owned by any nonindustrial private individual, group, association, corporation, or other private legal entity, that has definitive decision-making authority over the land.

(4) Secretary

The term "Secretary" means the Secretary of Agriculture.

(b) Availability of assistance

The Secretary may make payments to an owner of nonindustrial private forest land who carries out emergency measures to restore the land after the land is damaged by a natural disaster.

(c) Eligibility

To be eligible to receive a payment under subsection (b), an owner must demonstrate to the satisfaction of the Secretary that the nonindustrial private forest land on which the emergency measures are carried out had tree cover immediately before the natural disaster.

(d) Cost share requirement

Payments made under subsection (b) shall not exceed 75 percent of the total cost of the emergency measures carried out by an owner of nonindustrial private forest land.

(e) Authorization of appropriations

There are authorized to be appropriated to the Secretary such funds as may be necessary to carry out this section. Amounts so appropriated shall remain available until expended.

§ 2302. Transportation service and facility programs

(a) Formulation and implementation of plans and projects developed pursuant to plans

The Secretary of the Interior (hereinafter referred to as “Secretary”) is authorized to formulate transportation plans and implement transportation projects where feasible pursuant to those plans for units of the national park system.

(b) Contracts, acquisitions, etc., for improvement of access to park system units

To carry out the purposes of subsection (a) of this section, the Secretary is authorized to—

(1) contract with public or private agencies or carriers to provide transportation services, capital equipment, or facilities to improve access to units of the national park system;

(2) operate such services directly in the absence of suitable and adequate agencies or carriers;

(3) acquire by purchase, lease, or agreement, capital equipment for such services; and

(4) where necessary to carry out the purposes of this chapter, acquire by lease, purchase, donation, exchange, or transfer, lands, waters, and interests therein which are situated outside the boundary of a unit of the national park system, which property shall be administered as part of the unit: Provided, That any land or interests in land owned by a State or any of its political subdivisions may be acquired only by donation: Provided further, That any land acquisition shall be subject to such statutory limitations, if any, on methods of acquisition and appropriations thereof as may be specifically applicable to such area.

(d) Appropriation of fees collected and covered into Planning, Development, and Operation of Recreational Facilities appropriation account

All fees directly collected by the National Park Service in the operation of the facilities and services authorized by this chapter shall be covered into the Planning, Development, and Operation of Recreational Facilities appropriation account to be subject to appropriation.

(e) Establishment of information programs

The Secretary shall establish information programs to inform the public of available park access opportunities and to promote the use of transportation modes other than personal motor vehicles for access to and travel within the units of the national park system.

(f) Undertaking of concession facilities or services

Transportation facilities and services provided pursuant to this chapter shall not be considered as concession facilities or services within the meaning of the Act of October 9, 1965 (79 Stat. 969) and may be undertaken by the Secretary directly or by contract without regard to any requirement of local, State, or Federal law respecting determinations of public convenience and necessity or other similar matters: Provided, That the Secretary or his contractor shall consult with the appropriate State or local public service commission or other such body having authority to issue certificates of convenience and necessity, and any such contractor shall be subject to applicable requirements of such body unless the Secretary determines that such requirements would not be consistent with the purposes and provisions of this chapter.

(g) Construction of grant of authority respecting operation of motor vehicles excepted from statutory coverage

No grant of authority in this chapter shall be deemed to expand the exemption of section 10526(a)(9) of title 49.

AMENDMENTS

1996—Subsec. (c). Pub. L. 104–333 struck out subsec. (c) which read as follows: “Acquisitions pursuant to subsection (b)(3) and (4) of this section shall not commence prior to sixty days (not counting days on which the Senate or the House of Representatives has adjourned for more than three consecutive days) from the time the Secretary has submitted a detailed proposal for such acquisitions to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives.”

1994—Subsec. (c). Pub. L. 103–437 substituted “Natural Resources” for “Interior and Insular Affairs” after “Committee on”.

§ 2303. Transportation projects

(a) Assistance of heads of other Federal departments and agencies in formulation and implementation

To carry out the purposes of this chapter, the Secretary of Transportation, the Secretary of Housing and Urban Development, the Secretary of Health and Human Services, and the Secretary of Commerce, and the heads of such other Federal departments or agencies as the Secretary deems necessary are directed to assist the Secretary in the formulation and implementation of transportation projects.

(b) Report to Congressional committees concerning planning, etc.

Within one hundred and eighty days from August 15, 1978, the Secretary shall prepare and submit to the Committee on Energy and Natural Resources of the House of Representatives and the Committee on Natural Resources of the Senate a report containing any recommendations the Secretary may have concerning the purposes and provisions of this chapter.
Resources of the Senate and the Committee on Natural Resources of the House of Representatives, a compilation of Federal statutes and programs providing authority for the planning, funding, or operation of transportation projects which might be utilized by the Secretary to carry out the purpose of this chapter. The Secretary shall revise the compilation thereafter as he deems necessary.

Amendments
1994—Subsec. (b). Pub. L. 103–437 substituted “‘Natural Resources’” for “‘Secretary of Health and Human Services’” substituted for “‘Secretary of Health, Education, and Welfare’” in subsec. (a) pursuant to section 509(b) of Pub. L. 96–88, which is classified to section 3508(b) of Title 20, Education.

§2304. Procedures applicable to formulation and implementation of transportation plans and projects developed pursuant to plans

(a) Public notice and meeting

The Secretary shall, during the formulation of any transportation plan authorized pursuant to section 2302 of this title—

(1) give public notice of intention to formulate such a plan by publication in the Federal Register and in a newspaper or periodical having general circulation in the vicinity of the affected unit of the national park system;¹

(2) following such notice hold a public meeting at a location or locations convenient to the affected unit of the National Park System.

(b) Notice and opportunity to comment given to State and local governments; report to Congressional committees

Prior to the implementation of any project developed pursuant to the transportation plan formulated pursuant to subsection (a) of this section, the Secretary shall—

(1) establish procedures, including but not limited to public meetings, to give State and local governments and the public an opportunity to comment on the proposed transportation project; and

(2) submit, when the proposed project would involve an expenditure in excess of $100,000 in any fiscal year, a detailed report to the Committee on Energy and Natural Resources of the United States Senate and the Committee on Natural Resources of the United States House of Representatives. The Secretary may proceed with the implementation of such plan only after sixty days (not counting days on which the Senate or House of Representatives has adjourned for more than three consecutive days) have elapsed following submission of the plan.

¹So in original. Probably should be followed by “and”.

Amendments
1994—Subsec. (b)(2). Pub. L. 103–437 substituted “‘Natural Resources’” for “‘Interior and Insular Affairs’” after “‘Committee on’.”

§2305. Report to Congress; contents

The Secretary shall submit a report to the Congress within three years of August 15, 1978. The report shall include, but not be limited to, his findings and recommendations regarding—

(a) preservation of natural resource values within units of the National Park System through access alternatives;

(b) effects of transportation projects on communities in close proximity to the units of the National Park System; and

(c) future transportation projects formulated pursuant to this chapter.

§2306. Authorization of appropriations; availability of amounts

In carrying out the purposes of this chapter, there is hereby authorized to be appropriated $1,000,000 for fiscal year 1979; $2,000,000 for fiscal year 1980; and $3,000,000 for fiscal year 1981, which shall remain available until expended. In a fiscal year when the amounts actually appropriated are less than the amounts listed above, the authorized but unappropriated amount shall continue to be available for appropriation in succeeding fiscal years.
