§ 4410. Revisions to Plan

The Secretary shall, in 1998 and at five-year intervals thereafter, undertake with the appropriate officials in Canada and Mexico to revise the goals and other elements of the Plan in accordance with the information required under section 4409 of this title and with the other provisions of this chapter.

AMENDMENTS

1994—Pub. L. 103–375 substituted “1998” for “1991”, inserted “and Mexico” after “Canada”, and struck out at end “The Secretary shall invite and encourage the appropriate officials in Mexico to participate in any revisions of the Plan.”

§ 4411. Relationship to other authorities

(a) Acquisition of lands and waters

Nothing in this chapter affects, alters, or modifies the Secretary’s authorities, responsibilities, obligations, or powers to acquire lands or waters or interests therein under any other statute.

(b) Mitigation

The Federal funds made available under this chapter and section 669b(b) of this title may not be used for fish and wildlife mitigation purposes under the Fish and Wildlife Coordination Act (16 U.S.C. 661 et seq.) or the Water Resources Development Act of 1986, Public Law 99–662 (1986), 100 Stat. 4235.

Æ REFINEMENTS IN TEXT

The Fish and Wildlife Coordination Act, referred to in subsec. (b), is act Mar. 10, 1934, ch. 55, 48 Stat. 401, as amended, which is classified generally to sections 661 to 666c of this title. For complete classification of this Act to the Code, see Short Title note set out under section 2201 of Title 33, Navigation and Navigable Waters.

§ 4412. Limitation on assessments against Migratory Bird Conservation Fund

Notwithstanding any other provision of law, only those personnel and administrative costs directly related to acquisition of real property shall be levied against the Migratory Bird Conservation Account. ¹

¹ So in original. Probably should be “Fund”. See section 718d of this title.

§ 4413. Other agreements

The Secretary shall undertake with the appropriate officials of nations in the Western Hemisphere to establish agreements, modeled after the Plan or the Agreement, for the protection of migratory birds identified in section 2912(a)(5) of this title. When any such agreements are reached, the Secretary shall make recommendations to the appropriate Committees on legislation necessary to implement the agreements.

AMENDMENTS

2002—Pub. L. 107–308 substituted “Western Hemisphere” for “western hemisphere”.

§ 4414. Assessment of progress in wetlands conservation

Not later than January 31, 1996, the Secretary, in cooperation with the Council, to further the purposes of the chapter shall—

(1) develop and implement a strategy to assist in the implementation of this Act in conserving the full complement of North American wetlands systems and species dependent on those systems, that incorporates information existing on the date of the issuance of the strategy in final form on types of wetlands habitats and species dependent on the habitats; and

(2) develop and implement procedures to monitor and evaluate the effectiveness of wetlands conservation projects completed under this chapter.

§ 4501. Forestry and related natural resource assistance

(a) Focus of activities

To achieve the maximum impact from activities undertaken under the authority of this chapter, the Secretary shall focus such activities on the key countries which could have a substantial impact on emissions of greenhouse gases related to global warming.

(b) Authority for international forestry activities

In support of forestry and related natural resource activities outside of the United States and its territories and possessions, the Secretary of Agriculture may—
(1) provide assistance that promotes sustainable development and global environmental stability, including assistance for—
   (A) conservation and sustainable management of forest land;
   (B) forest plantation technology and tree improvement;
   (C) rehabilitation of cutover lands, eroded watersheds, and areas damaged by wildfires or other natural disasters;
   (D) prevention and control of insects, diseases, and other damaging agents;
   (E) preparedness planning, training, and operational assistance to combat natural disasters;
   (F) more complete utilization of forest products leading to resource conservation;
   (G) range protection and enhancement; and
   (H) wildlife and fisheries habitat protection and improvement;
(2) share technical, managerial, extension, and administrative skills related to public and private natural resource administration;
(3) provide education and training opportunities to promote the transfer and utilization of scientific information and technologies;
(4) engage in scientific exchange and cooperative research with foreign governmental, educational, technical and research institutions; and
(5) cooperate with domestic and international organizations that further international programs for the management and protection of forests, rangelands, wildlife and fisheries, and related natural resource activities.

(c) Eligible countries
The Secretary shall undertake the activities described in subsection (b) of this section, in countries that receive assistance from the Agency for International Development only at the request, or with the concurrence, of the Administrator of the Agency for International Development.

REFERENCES IN TEXT
This chapter, referred to in subsecs. (a) and (b), was in the original “this title”, meaning title VI of Pub. L. 101–513, Nov. 5, 1990, 104 Stat. 2070, which is classified principally to this chapter. For complete classification of title VI to the Code, see Short Title note set out below and Tables.

AMENDMENTS

SHORT TITLE OF 1992 AMENDMENT
Section 1 of Pub. L. 102–574 provided that: “This Act [enacting sections 4502a and 4503a to 4503d of this title, amending this section and section 4503 of this title, and enacting provisions set out as notes under sections 4502a and 4503a of this title] may be cited as the ‘Hawaii Tropical Forest Recovery Act’.”

SHORT TITLE
Section 601 of title VI of Pub. L. 101–513 provided that: “This title [enacting this chapter and amending sections 1641, 1643, 2101, and 2109 of this title] may be cited as the ‘International Forestry Cooperation Act of 1990’.”

§ 4502. Tropical deforestation assessment and assistance
In support of the Tropical Forestry Action Plan and to specifically address tropical deforestation and degradation, the Secretary may—
(1) support and actively participate in global and regional meetings that seek to reform such Plan;
(2) together with the United States Agency for International Development, and other Federal agencies, provide technical assistance to tropical countries for the formulation of national forestry sector development strategies; and
(3) cooperate with tropical countries on research, training, and technical programs aimed at implementing national forestry sector development strategies.

§ 4502a. Tropical forestry research and assistance

(a) Assistance
To promote sound management and conservation of tropical forests of the United States and to promote the development and transfer of technical, managerial, educational, and administrative skills to managers of tropical forests within or outside the United States, the Secretary of Agriculture is authorized to provide assistance through the Forest Service to eligible entities in States with tropical forests to—
(1) develop, promote, and demonstrate sustainable harvesting of native woods and other forest products on a sustainable yield basis in balance with natural resource conservation;
(2) promote habitat preservation and species protection or recovery;
(3) protect indigenous plant and animal species and essential watersheds from non-native animals, plants, and pathogens;
(4) establish biological control agents for non-native species that threaten natural ecosystems;
(5) establish a monitoring system in tropical forests to identify baseline conditions and determine detrimental changes or improvements over time;
(6) detect and appraise stresses affecting tropical forests caused by insect infestations, diseases, pollution, fire, and non-native animal and plant species, and by the influence of people;
(7) determine the causes of changes that are detected through experimentation, intensive monitoring, and data collection at affected tropical forest sites; and
(8) engage in research, demonstration, education, training, and outreach that furthers the objectives of this subsection.

(b) Form of assistance
Assistance provided to eligible entities under this section may be in the form of grants, contracts, or cooperative agreements.

1 So in original. The comma probably should not appear.
§ 4503. Institute of Tropical Forestry in Puerto Rico

(a) Expansion

The Secretary shall expand the capabilities of and construct additional facilities at the Caribbean National Forest and Institute of Tropical Forestry in Puerto Rico, as the Secretary determines necessary to support the purpose of this chapter, and as funds are appropriated for such expansion and construction.

(b) Tropical forestry plans

Not later than 1 year after November 5, 1990, the Secretary shall prepare and submit to the Committee on Agriculture, Nutrition, and Forestry of the Senate, the Committee on Agriculture, the House of Representatives, and to the Committees on Appropriations of the Senate and House of Representatives, a tropical forestry plan for the expansion and construction of additional facilities under subsection (a) of this section. Such plan shall include provisions for—

(1) the construction or acquisition of a major center for education, interpretation, and appreciation of the benefits and methods of the intelligent management of tropical forests;

(2) the acquisition or construction of facilities for housing and classroom instruction near the Caribbean National Forest-Luguillo Experimental Forest; and

(3) the acquisition or construction of facilities for the study and recovery of endangered tropical wildlife, fish and plant species.

Amendments

References to Acts

(F) a review of the extent to which existing Federal forestry programs can be utilized to achieve the purposes of the plan; and

(G) the establishment of experimental tropical forests in the State of Hawaii as authorized by section 4503b of this title.

(3) Capability

In preparing elements of the plan that address paragraph (2)(F), the Secretary shall identify the capability of the plan—

(A) to promote a greater understanding of tropical forest ecosystem processes, conservation biology, and biodiversity management;

(B) to demonstrate the various benefits of maintaining a tropical forest reserve system;

(C) to promote sound watershed and forest management;

(D) to develop compatible land uses adjacent to protected natural areas; and

(E) to develop new methods of reclaiming and restoring degraded lands.

REFERENCES IN TEXT

Section 5(b) of the Hawaii Tropical Forest Recovery Act, referred to in subsec. (b)(1), probably means section 4(b) of that Act, Pub. L. 102–574, which contains provisions regarding an action plan, and which is set out as a note below. Section 5 of that Act, which is set out as a note under section 4502a of this title, does not contain a subsec. (b).

PRIOR PROVISIONS

A prior section 605 of Pub. L. 101–513 was redesignated section 606 of this title.

AMENDMENTS

1994—Subsec. (b)(1). Pub. L. 103–437 substituted “Natural Resources” for “Interior and Insular Affairs” after “Committee on”.

HAWAII TROPICAL FOREST RECOVERY TASK FORCE

“(a) Establishment.—There is established the Hawaii Tropical Forest Recovery Task Force (hereafter in this section referred to as the ‘Task Force’) to advise the Secretary of Agriculture with respect to tropical forests and related ecosystems in the State of Hawaii.

“(b) Action Plan.—Not later than 1 year after the date of the first meeting of the Task Force, the Task Force shall submit to the Committees, Secretaries, and Governor referred to in subsection (k) an action plan that contains findings and recommendations for rejuvenating Hawaii’s tropical forests, including findings and recommendations on—

“(1) methods of restoring the health of declining or degraded tropical forest land;

“(2) compatible uses within tropical forests, particularly agroforestry and the cultivation of scarce or valuable hardwoods and other forest products in Hawaii’s tropical forests;

“(3) actions to encourage and accelerate the identification and classification of unidentified plant, animal, and microbe species;

“(4) actions to—

“(A) promote public awareness of tropical forest preservation;

“(B) protect threatened and endangered species;

“(C) improve forest management and planning; and

“(D) promote public awareness of the harm caused by introduced species;

“(5) the benefits of fencing or other management activities for the protection of Hawaii’s native plants and animals from non-native species, including the identification and priorities for the areas where these activities are appropriate;

“(6) traditional practices, uses, and needs of native Hawaiians in tropical forests;

“(7) means of improving the health of tropical forests and related ecosystems in the State of Hawaii through programs administered by the Secretary of Agriculture and the Secretary of the Interior;

“(8) the capability of existing Federal, State, and private forestry programs for rejuvenating Hawaii’s tropical forests; and

“(9) such other issues relating to tropical forests in Hawaii as the Task Force considers appropriate.

“(c) Composition.—The Task Force shall be composed of 12 members, of whom—

“(1) three members shall be appointed by the Secretary of Agriculture, two of whom shall be representatives of the Forest Service and the Soil Conservation Service, respectively;

“(2) two members shall be appointed by the Secretary of the Interior as representatives of the United States Fish and Wildlife Service and the National Park Service, respectively;

“(3) six members shall be appointed by the Governor of Hawaii, of whom—

“(A) two members shall be private owners of tropical forest lands;

“(B) two members shall be experts in the field of tropical forestry; and

“(C) two members shall be representatives of Hawaii conservation organizations that have demonstrated expertise in the areas of tropical forest management, habitat preservation, and alien species control or have demonstrated effective advocacy in the areas; and

“(4) one member shall be the Administrator of the Department of Land and Natural Resources, State of Hawaii, or the designated representative of the Administrator.

“(d) Initial Appointments.—Appointments under this section to the Task Force shall be made not later than 90 days after the date of enactment of this Act [Oct. 29, 1992].

“(e) Chairperson.—The Task Force shall select a Chairperson from among its members.

“(f) Vacancies.—A vacancy on the Task Force shall not affect its powers and shall be filled in the same manner as the original appointment.

“(g) Compensation.—

“(1) In General.—A member of the Task Force shall not receive compensation as a result of the performance of services for the Task Force.

“(2) Travel Expenses.—The members of the Task Force shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5, United States Code, while away from their homes or regular places of business in the performance of services for the Task Force.

“(h) Meetings.—The Task Force shall meet not later than 180 days after the date of enactment of this Act [Oct. 29, 1992] and shall meet at the call of the Chairperson.

“(i) Voting.—The Task Force shall act and advise by majority vote.

“(j) Assistance.—The Secretary of Agriculture and the Secretary of the Interior shall provide such assistance and support as are necessary to meet the objectives of the Task Force. The assistance shall include making Federal facilities, equipment, tools, and technical assistance available on such terms and conditions as the appropriate Secretary considers necessary.

“(k) Report.—The action plan required under subsection (b) shall be submitted to—
"(1) the Committees on Agriculture and Interior (now Committee on Natural Resources) of the House of Representatives; "(2) the Committees on Agriculture, Nutrition, and Forestry and Energy and Natural Resources of the Senate; "(3) the Secretary of Agriculture; "(4) the Secretary of the Interior; and "(5) the Governor of Hawaii. "(f) NONAPPLICABILITY OF CERTAIN PROVISIONS OF LAW.—Sections 7(d), 10(f), and 14 of the Federal Advisory Committee Act (5 U.S.C. App. 2 (sic)) (5 U.S.C. App.) shall not apply to the Task Force. "(m) TERMINATION.—The Task Force and authority to carry out this section shall terminate 180 days after submitting the report required by subsection (b)."

§ 4503b. Hawaii Experimental Tropical Forest

(a) Definitions
As used in this section:
(1) Forest
The term “Forest” means the Hawaii Experimental Tropical Forest.
(2) Governor
The term “Governor” means the Governor of Hawaii.
(3) Lands
The term “lands” means lands, waters, and interests in lands and waters.
(4) State
The term “State” means the State of Hawaii.

(b) Establishment and management
At the request of the Governor, the Secretary shall establish and administer within the State a Hawaii Experimental Tropical Forest. The Forest shall be managed as—
(1) a model of quality tropical forest management where harvesting on a sustainable yield basis can be demonstrated in balance with natural resource conservation;
(2) a site for research on tropical forestry, conservation biology, and natural resource management; and
(3) a center for demonstration, education, training, and outreach on tropical forestry, conservation biology, and natural resources research and management.

(c) Delineation of location of Forest
(1) Identification of lands
The Governor and the Secretary shall identify one or more suitable sites for the Forest in lands within the State. The identification of each site shall be based on scientific, ecological, administrative, and such other factors as the Governor and Secretary consider to be necessary or desirable to achieve the purposes of this section. Each site identified pursuant to the preceding sentence shall be of sufficient size and located so that the site can be effectively managed for Forest purposes.
(2) Exterior boundaries
The exterior boundaries of the Forest, including the boundaries of all sites identified for Forest purposes, shall be delineated on an official map. The map shall be available for public inspection in the office of the Administrator of the Division of Forestry and Wildlife of the Department of Land and Natural Resources of the State. The Governor and the Secretary may from time to time, by mutual agreement, amend the official map to modify the boundaries of the Forest.

(d) Authorities of Secretary
(1) In general
To carry out the purposes of this section, the Secretary is authorized—
(A) to administer the Forest in cooperation with the Governor and affected State agencies;
(B) to make grants and enter into contracts and cooperative agreements with the Federal Government, the government of the State, local governments, corporations, nonprofit organizations and individuals;
(C) to exercise existing authority with respect to cooperative forestry and research for Forest purposes;
(D) to issue necessary rules and regulations or apply existing rules and regulations applicable to areas administered by the Forest Service that are necessary or desirable to administer the Forest—
(i) for the purposes described in subsection (b) of this section;
(ii) to protect persons within the Forest; and
(iii) to preserve and protect the resources in the Forest.
(2) Land acquisition
The authority in section 1643 of this title shall be available to the Secretary to carry out this section.
(3) Statutory construction
Nothing in this section is intended to affect the jurisdiction of the State, both civil and criminal, over any person within the Forest by reason of the establishment of the Forest under this section, except in the case of a penalty for an offense against the United States. (Pub. L. 101–513, title VI, § 606, as added Pub. L. 102–574, § 2(a)(2), Oct. 29, 1992, 106 Stat. 4594.)

Prior Provisions
A prior section 606 of Pub. L. 101–513 was renumbered section 610 and is classified to section 4505 of this title.

§ 4503c. Omitted

Constitution
Section, Pub. L. 101–513, title VI, § 607, as added Pub. L. 102–574, § 2(a)(2), Oct. 29, 1992, 106 Stat. 4595, which required the Secretary of Agriculture to make annual reports to Congress, submitting the reports pursuant to section 1606(c) of this title, on the progress, needs, and long-range plans of the Institutes of Tropical Forestry in meeting the requirements of section 6796 of Title 7, Agriculture, terminated, effective May 15, 2000, pursuant to section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, page 45 of House Document No. 103–7.
A prior section 607 of Pub. L. 101–513, which amended sections 1641, 1643, 2101, and 2109 of this title, was renumbered section 611.

§ 4503d. Definitions
As used in this chapter (unless the context otherwise requires):
(1) Institutes of Tropical Forestry
The term "Institutes of Tropical Forestry" means the Institute of Tropical Forestry in Puerto Rico and the Institute of Pacific Islands Forestry established under section 6706 of title 7.

(2) Secretary
The term "Secretary" means the Secretary of Agriculture.

(3) State
The term "State" means each of the 50 States, Guam, American Samoa, the Republic of Palau (until the Compact of Free Association enters into effect), Puerto Rico, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

For Oct. 1, 1994, as the date the Compact of Free Association with the Republic of Palau enters into effect, referred to in par. (3), see Proc. No. 6726, Sept. 27, 1994, 59 F.R. 49777, set out as a note under section 1931 of Title 48, Territories and Insular Possessions.

§ 4504. Administrative provisions
(a) Coordination of activities
The Secretary shall coordinate all activities outside of the United States under this chapter with other Federal officials, departments, agencies, and international organizations, as the President may require.

(b) Assistance
The Secretary may provide assistance, as determined appropriate by the Secretary to carry out this chapter, including technical and financial assistance, equipment, and facilities without reimbursement.

(1) Institutes of Tropical Forestry
The term "Institutes of Tropical Forestry" means the Institute of Tropical Forestry in Puerto Rico and the Institute of Pacific Islands Forestry established under section 6706 of title 7.

(2) Secretary
The term "Secretary" means the Secretary of Agriculture.

(3) State
The term "State" means each of the 50 States, Guam, American Samoa, the Republic of Palau (until the Compact of Free Association enters into effect), Puerto Rico, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

CHAPTER 66—TAKE PRIDE IN AMERICA PROGRAM

Sec. 4601. Establishment of Take Pride in America Program
There is hereby established the Take Pride in America Program within the Department of the Interior (hereinafter referred to as the "TPIA Program").

(b) Purposes
The purposes of the TPIA Program shall include the following:

(1) To establish and maintain a public awareness campaign in cooperation with public and private organizations and individuals—
(A) to instill in the public the importance of the appropriate use of, and appreciation for Federal, State, and local lands, facilities, and natural and cultural resources;
(B) to encourage an attitude of stewardship and responsibility toward these lands, facilities, and resources; and
(C) to promote participation by individuals, organizations, and communities of a conservation ethic in caring for these lands, facilities, and resources.

(2) To conduct a national awards program to honor those individuals and entities which, in the opinion of the Secretary of the Interior (hereafter in this chapter referred to as the "Secretary"), have distinguished themselves in the activities described in paragraph (1) of this subsection.

REFERENCES IN TEXT
This chapter, referred to in subsec. (b)(2), was in the original "this Act", and was translated as reading "this title", meaning title XI of Pub. L. 101–628, Nov. 28, 1990, 104 Stat. 4502, known as the Take Pride in America Act, which is classified generally to this chapter, to reflect the probable intent of Congress.

SHORT TITLE
Section 1101 of title XI of Pub. L. 101–628 provided that: "This title [enacting this chapter] may be cited as the "Take Pride in America Act".

§ 4602. Gifts and bequests
(a) Authority
The Secretary may solicit, accept, hold, administer, invest in government securities, and use gifts and bequests of money and other personal property to aid or facilitate the purposes of the TPIA Program. Property so donated and accepted shall not be subject to sequestration.

(b) Accounting
The Secretary shall maintain a full accounting of such gifts and bequests.

(c) Treatment of donations, etc.
For purposes of Federal law, property accepted pursuant to this section shall be considered as a gift, bequest, or devise to the United States.

(d) Use of property
Any property and the proceeds thereof shall be used as nearly as practicable in accordance with the terms of the gift or bequest.

§ 4603. Administrative services
The Secretary of the Interior shall provide such facilities, administrative services, person-
