to invite the several States of the United States and foreign countries to take part in Interama, except that no Communist de facto government holding any people in subjugation shall be invited to participate.

REPORT TO CONGRESS BY MAY 15, 1966

Section 2(b) of Pub. L. 89–355 provided that the department or agency designated by the President pursuant to section 2081 of this title, submit a report to the Senate Committees on Foreign Relations and Appropriations and the Speaker of the House, on the proposed nature, extent and cost of United States participation in Interama and of the extent of participation of foreign countries and private industries.

§ 2083. Commissioner for Interama; procurement and appointment of personnel; powers and duties

(a) There shall be in the designated department or agency a Commissioner for Interama who shall be appointed by the President. Subject to the direction of the head of the designated department or agency, the Commissioner for Interama shall perform such duties as the President may prescribe to carry out this chapter.

(b) In order to carry out the provisions of this chapter, the head of the designated department or agency is authorized—

(1) to appoint and fix the compensation of such persons as he deems necessary without regard to the civil service laws and chapter 51 and subchapter III of chapter 53 of title 5, except that no person so appointed shall receive compensation at a rate in excess of that received by persons under chapter 51 and subchapter III of chapter 53 of title 5 for the performance of comparable duties;

(2) to procure temporary and intermittent services in accordance with the provisions of section 3109 of title 5;

(3) to enter into contracts;

(4) to select, purchase, rent, construct, or otherwise acquire exhibits, including materials and equipment therefor, and to provide for the transportation, insurance, display, maintenance, and dismantling thereof;

(5) to incur such other expenses as may be necessary; and

(6) to accept donations of money, property, and services and the loan of property.

CODIFICATION

In subsec. (b)(1), (2), “chapter 51 and subchapter III of chapter 53 of title 5” and “section 3109 of title 5” substituted for “the Classification Act of 1949” and “section 15 of the Administrative Expenses Act of 1946 (5 U.S.C. 55a)”, respectively, on authority of Pub. L. 89–554, §(7), Sept. 6, 1966, 80 Stat. 661, the first section of which enacted Title 5, Government Organization and Employees.

AMENDMENTS

The executive branch shall undertake activities to increase its capacity to address global tobacco prevention and control issues through coordinated domestic action, limited bilateral assistance to foreign governments, and support to multilateral organizations. International activities shall be directed towards deterring children from tobacco use, protecting nonsmokers, and providing information about the adverse health effects of tobacco use and the health benefits of cessation.

**SIC. 2. Responsibilities of Federal Departments and Agencies.**

(a) Tobacco Trade Policy. In the implementation of international trade policy, executive departments and agencies shall not promote the sale or export of tobacco or tobacco products, or seek the reduction or removal of foreign government restrictions on tobacco. Nothing in this Executive Order shall be construed to authorize the United States to alter its trade laws and international agreements to ensure non-discriminatory treatment of United States products.
§ 2102. Authority of Secretary

(a) Use of health research and research training resources

To carry out the purposes of clause (1) of section 2101 of this title, the Secretary of Health, Education, and Welfare (hereafter referred to as the “Secretary”) may in the exercise of his responsibilities under the Vocational Rehabilitation Act, sections 191 to 194 of title 42, and any other provision of law, to conduct and support health research and research training, including research and research training relating to the rehabilitation of the handicapped, make such use of health research and research training resources in participating foreign countries as he may deem necessary and desirable.

(b) Fellowships; equipment, meetings and conferences; interchange of scientists and experts; consultants; compensation and travel expenses

To carry out his responsibilities under this section the Secretary may—

(1) establish and maintain fellowships in the United States and in participating foreign countries;

(2) make grants to public institutions or agencies and to nonprofit private institutions or agencies in the United States and in participating foreign countries for the purpose of establishing and maintaining fellowships;

(3) make grants or loans of equipment, medical, biological, physical, or chemical substances or other materials, for use by public institutions or agencies, or nonprofit private institutions or agencies, or by individuals, in participating foreign countries;

(4) participate and otherwise cooperate in any international health or medical research or research training meetings, conferences, or other activities;

(5) facilitate the interchange between the United States and participating foreign countries, and among participating foreign countries, of research scientists and experts who are engaged in experiments and programs of research or research training, and in carrying out such purpose may pay per diem compensation, subsistence, and travel for such scientists and experts when away from their places of residence at rates not to exceed those provided in section 5703 of title 5 for persons in the Government service intermittently employed; and

(6) procure, in accordance with the provisions of section 3109 of title 5, the temporary or intermittent services of experts or consultants; individuals so employed shall receive compensation at a rate to be fixed by the Secretary, but not in excess of $50 per diem, including travel time, and while away from their homes or regular places of business may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of title 5 for persons in the Government service employed intermittently.

(c) Definitions

For the purposes of this section—

(1) The term “health research” shall include, but not be limited to, research, investigations, and studies relating to causes and methods of prevention of accidents, including but not limited to highway and aviation accidents.

(2) The term “participating foreign countries” means those foreign countries which cooperate with the United States in carrying out the purposes of this section.

§ 2103. Authority of President

(a) Use of foreign currencies and credits

It is the sense of Congress that the President should use his authority under the Constitution and laws of the United States to accomplish the purposes of section 2101 of this title and in accomplishing such purposes (1) use to the fullest extent practicable foreign currencies or credits available for utilization by the United States, (2) enter into agreements to use foreign currencies and credits available to other nations for use with the agreement of the United States, and (3) use any other foreign currencies and credits which may be made available by participating foreign countries.

(b) Disease and health deficiency investigations, experiments, and studies; rehabilitation

To carry out the purposes of section 2101 of this title the President, in cooperation with participating foreign countries, is authorized to encourage, support, and promote the planning and conduct of, and training for, research investigations, experiments, and studies in the United States and in participating foreign countries relating to the causes, diagnosis, treatment, con-
trol, and prevention of diseases and impairments of mankind (including nutritional and other health deficiencies) or to the rehabilitation of the handicapped.

(c) Fellowships; equipment; technical assistance; interchange of scientists and experts; compensation and travel expenses; health science programs and projects; meetings and conferences; scientific publications

To carry out his responsibilities under this chapter the President may—

(1) establish and maintain fellowships in participating foreign countries;

(2) make financial grants to establish and maintain fellowships, and for other purposes, to public institutions and agencies and to nonprofit private institutions and agencies, and to individuals in participating foreign countries, or contract with such institutions, agencies, or individuals without regard to section 3324(a) and (b) of title 31 and section 6101 of title 41;

(3) make grants or loans of equipment, medical, biological, physical, or chemical substances or other materials, for use by such institutions, agencies, or individuals;

(4) furnish technical assistance and advice to such institutions or agencies and in carrying out such purposes may pay the compensation and expenses of scientists and experts from the United States and other participating foreign countries;

(5) facilitate the interchange among participating foreign countries of scientists and experts (including the payment of travel and subsistence for such scientists and experts when away from their places of residence);

(6) cooperate and assist in the planning and conduct of research, research planning, and research training programs and projects by groups engaged in, or concerned with, research or research training endeavors in the health sciences, and, through financial grants or other appropriate means, assist in special research, research planning, or research training projects conducted by or under the auspices of such groups where they can effectively carry out such activities contemplated by this joint resolution;

(7) encourage and support international communication in the sciences relating to health by means of calling or cooperating in the convening, and financing or contributing to the financing of the expenses of, international scientific meetings and conferences; and provide, or arrange for the provision of, translating and other services, and issue or finance publications, leading to a more effective dissemination of relevant scientific information with respect to research conducted in the United States or participating foreign countries.

(d) Programs of an operational nature excepted from assistance

The activities authorized in this section shall not extend to the support of public health, medical care, or other programs of an operational nature as contrasted with research and research training nor shall any of the grants authorized by this section include grants for the improve-

ment or extension of public health administration in other countries except for necessary research and research training in the science of public health and public health administration.

(e) Consultants; advisory committees; compensation and travel expenses

The President is authorized, to the extent he deems it necessary to carry out the purposes of section 2101 of this title, to employ experts and consultants or organizations thereof, as authorized by section 3109 of title 5 and create a committee or committees to be composed entirely of persons who are citizens of the United States to advise him in the administration of this chapter, individuals so employed and members of committees shall be entitled to receive compensation at a rate to be fixed by the President, but not to exceed $50 per diem, including travel time, and while away from their homes or regular places of business they may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 3793 of title 5 for persons in the Government service employed intermittently.

(f) Delegation of authority; regulations

The President may delegate any authority vested in him by this section to the Secretary of Health, Education, and Welfare. The Secretary may from time to time issue such regulations as may be necessary to carry out any authority which is delegated to him under this section, and may delegate performance of any such authority to the Surgeon General of the Public Health Service, the Director of the Office of Vocational Rehabilitation, the Chief of the Children's Bureau, or other subordinates acting under his direction.

(g) Use of foreign currencies and credits

In order to carry out the purposes of section 2101 of this title, and subject to section 1306 of title 31, the President may use or enter into agreements with foreign nations or organizations of nations to use the foreign currencies which accrue under title I of the Food for Peace Act [7 U.S.C. 1701 et seq.], and the Mutual Security Act of 1954, or which are otherwise available for utilization by the United States. The President is authorized to agree to the utilization by foreign nations, for programs designed to carry out the purposes of section 2101 of this title in cooperation with the United States, of amounts deposited in special accounts pursuant to section 142(b)1 of the Mutual Security Act of 1954, to the extent that the amounts in such accounts exceed the requirements of other programs covered by such section 142(b). Such utilization of amounts in special accounts shall be without regard to the second proviso in clause (iii) of such section 142(b).

(i) Definitions

For the purposes of this section—

(1) the term “health research” shall include, but not be limited to, research, investigations,
