SUBPART 2—INDEPENDENT LIVING SERVICES

§ 796e. Allotments

(a) In general

(1) States

(A) Population basis

Except as provided in subparagraphs (B) and (C), from sums appropriated for each fiscal year to carry out this subpart, the Commissioner shall make an allotment to each State whose State plan has been approved under section 796d-1 of this title of an amount bearing the same ratio to such sums as the population of the State bears to the population of all States.

(B) Maintenance of 1992 amounts

Subject to the availability of appropriations to carry out this subpart, the amount of any allotment made under subparagraph (A) to a State for a fiscal year shall not be less than the amount of an allotment made to the State for fiscal year 1992 under part A of this subchapter, as in effect on the day before October 29, 1992.

(C) Minimums

Subject to the availability of appropriations to carry out this subpart, and except as provided in subparagraph (B), the allotment to any State under subparagraph (A) shall be not less than \$275,000 or $\frac{1}{3}$ of 1 percent of the sums made available for the fiscal year for which the allotment is made, whichever is greater, and the allotment of any State under this section for any fiscal year that is less than \$275,000 or $\frac{1}{3}$ of 1 percent of such sums shall be increased to the greater of the two amounts.

(2) Certain territories

(A) In general

For the purposes of paragraph (1)(C), Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands shall not be considered to be States.

(B) Allotment

Each jurisdiction described in subparagraph (A) shall be allotted under paragraph (1)(A) not less than $\frac{1}{4}$ of 1 percent of the amounts made available for purposes of this subpart for the fiscal year for which the allotment is made.

(3) Adjustment for inflation

For any fiscal year, beginning in fiscal year 1999, in which the total amount appropriated to carry out this subpart exceeds the total amount appropriated to carry out this subpart for the preceding fiscal year, the Commissioner shall increase the minimum allotment under paragraph (1)(C) by a percentage that shall not exceed the percentage increase in the total amount appropriated to carry out this subpart between the preceding fiscal year and the fiscal year involved.

(b) Proportional reduction

To provide allotments to States in accordance with subsection (a)(1)(B) of this section, to pro-

vide minimum allotments to States (as increased under subsection (a)(3) of this section) under subsection (a)(1)(C) of this section, or to provide minimum allotments to States under subsection (a)(2)(B) of this section, the Commissioner shall proportionately reduce the allotments of the remaining States under subsection (a)(1)(A) of this section, with such adjustments as may be necessary to prevent the allotment of any such remaining State from being reduced to less than the amount required by subsection (a)(1)(B) of this section.

(c) Reallotment

Whenever the Commissioner determines that any amount of an allotment to a State for any fiscal year will not be expended by such State in carrying out the provisions of this subpart, the Commissioner shall make such amount available for carrying out the provisions of this subpart to one or more of the States that the Commissioner determines will be able to use additional amounts during such year for carrying out such provisions. Any amount made available to a State for any fiscal year pursuant to the preceding sentence shall, for the purposes of this section, be regarded as an increase in the allotment of the State (as determined under the preceding provisions of this section) for such year.

SUBPART 3—CENTERS FOR INDEPENDENT LIVING

§ 796f. Program authorization

(a) In general

From the funds appropriated for fiscal year 1999 and for each subsequent fiscal year to carry out this subpart, the Commissioner shall allot such sums as may be necessary to States and other entities in accordance with subsections (b) through (d) of this section.

(b) Training

(1) Grants; contracts; other arrangements

For any fiscal year in which the funds appropriated to carry out this subpart exceed the funds appropriated to carry out this subpart for fiscal year 1993, the Commissioner shall first reserve from such excess, to provide training and technical assistance to eligible agencies, centers for independent living, and Statewide Independent Living Councils for such fiscal year, not less than 1.8 percent, and not more than 2 percent, of the funds appropriated to carry out this subpart for the fiscal year involved.

(2) Allocation

From the funds reserved under paragraph (1), the Commissioner shall make grants to, and enter into contracts and other arrangements with, entities that have experience in the operation of centers for independent living to provide such training and technical assistance with respect to planning, developing, conducting, administering, and evaluating centers for independent living.

(3) Funding priorities

The Commissioner shall conduct a survey of Statewide Independent Living Councils and centers for independent living regarding training and technical assistance needs in order to determine funding priorities for such grants, contracts, and other arrangements.

(4) Review

To be eligible to receive a grant or enter into a contract or other arrangement under this subsection, such an entity shall submit an application to the Commissioner at such time, in such manner, and containing a proposal to provide such training and technical assistance, and containing such additional information as the Commissioner may require. The Commissioner shall provide for peer review of grant applications by panels that include persons who are not government employees and who have experience in the operation of centers for independent living.

(5) Prohibition on combined funds

No funds reserved by the Commissioner under this subsection may be combined with

funds appropriated under any other Act or part of this chapter if the purpose of combining funds is to make a single discretionary grant or a single discretionary payment, unless such funds appropriated under this part are separately identified in such grant or payment and are used for the purposes of this part.

(c) In general

(1) States

(A) Population basis

After the reservation required by subsection (b) of this section has been made, and except as provided in subparagraphs (B) and (C), from the remainder of the amounts appropriated for each such fiscal year to carry out this subpart, the Commissioner shall make an allotment to each State whose State plan has been approved under section 796d-1 of this title of an amount bearing the same ratio to such remainder as the population of the State bears to the population of all States.

(B) Maintenance of 1992 amounts

Subject to the availability of appropriations to carry out this subpart, the amount of any allotment made under subparagraph (A) to a State for a fiscal year shall not be less than the amount of financial assistance received by centers for independent living in the State for fiscal year 1992 under part B of this subchapter, as in effect on the day before October 29, 1992.

(C) Minimums

Subject to the availability of appropriations to carry out this subpart and except as provided in subparagraph (B), for a fiscal year in which the amounts appropriated to carry out this subpart exceed the amounts appropriated for fiscal year 1992 to carry out part B of this subchapter, as in effect on the day before October 29, 1992—

(i) if such excess is not less than \$8,000,000, the allotment to any State under subparagraph (A) shall be not less than \$450,000 or $\frac{1}{3}$ of 1 percent of the sums made available for the fiscal year for which the allotment is made, whichever is greater, and the allotment of any State under this section for any fiscal year that is less than \$450,000 or $\frac{1}{3}$ of 1 percent of such sums shall be increased to the greater of the 2 amounts;

(ii) if such excess is not less than \$4,000,000 and is less than \$8,000,000, the allotment to any State under subparagraph (A) shall be not less than \$400,000 or $\frac{1}{3}$ of 1 percent of the sums made available for the fiscal year for which the allotment is made, whichever is greater, and the allotment of any State under this section for any fiscal year that is less than \$400,000 or $\frac{1}{3}$ of 1 percent of such sums shall be increased to the greater of the 2 amounts; and

(iii) if such excess is less than \$4,000,000, the allotment to any State under subparagraph (A) shall approach, as nearly as pos-

sible, the greater of the 2 amounts described in clause (ii).

(2) Certain territories

(A) In general

For the purposes of paragraph (1)(C), Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands shall not be considered to be States.

(B) Allotment

Each jurisdiction described in subparagraph (A) shall be allotted under paragraph (1)(A) not less than $\frac{1}{4}$ of 1 percent of the remainder for the fiscal year for which the allotment is made.

(3) Adjustment for inflation

For any fiscal year, beginning in fiscal year 1999, in which the total amount appropriated to carry out this subpart exceeds the total amount appropriated to carry out this subpart for the preceding fiscal year, the Commissioner shall increase the minimum allotment under paragraph (1)(C) by a percentage that shall not exceed the percentage increase in the total amount appropriated to carry out this subpart between the preceding fiscal year and the fiscal year involved.

(4) Proportional reduction

To provide allotments to States in accordance with paragraph (1)(B), to provide minimum allotments to States (as increased under paragraph (3)) under paragraph (1)(C), or to provide minimum allotments to States under paragraph (2)(B), the Commissioner shall proportionately reduce the allotments of the remaining States under paragraph (1)(A), with such adjustments as may be necessary to prevent the allotment of any such remaining State from being reduced to less than the amount required by paragraph (1)(B).

(d) Reallotment

Whenever the Commissioner determines that any amount of an allotment to a State for any fiscal year will not be expended by such State for carrying out the provisions of this subpart, the Commissioner shall make such amount available for carrying out the provisions of this subpart to one or more of the States that the Commissioner determines will be able to use additional amounts during such year for carrying out such provisions. Any amount made available to a State for any fiscal year pursuant to the preceding sentence shall, for the purposes of this section, be regarded as an increase in the allotment of the State (as determined under the preceding provisions of this section) for such year.

§ 796f-1. Grants to centers for independent living in States in which Federal funding exceeds State funding

(a) Establishment

(1) In general

Unless the director of a designated State unit awards grants under section 796f-2 of this title to eligible agencies in a State for a fiscal year, the Commissioner shall award grants under this section to such eligible agencies for such fiscal year from the amount of funds allotted to the State under subsection (c) or (d) of section 796f of this title for such year.

(2) Grants

The Commissioner shall award such grants, from the amount of funds so allotted, to such eligible agencies for the planning, conduct, administration, and evaluation of centers for independent living that comply with the standards and assurances set forth in section 796f-4 of this title.

(b) Eligible agencies

In any State in which the Commissioner has approved the State plan required by section 796c of this title, the Commissioner may make a grant under this section to any eligible agency that—

(1) has the power and authority to carry out the purpose of this subpart and perform the functions set forth in section 796f-4 of this title within a community and to receive and administer funds under this subpart, funds and contributions from private or public sources that may be used in support of a center for independent living, and funds from other public and private programs;

(c) Existing eligible agencies

In the administration of the provisions of this section, the Commissioner shall award grants to any eligible agency that has been awarded a grant under this subpart by September 30, 1997, unless the Commissioner makes a finding that the agency involved fails to meet program and fiscal standards and assurances set forth in section 796f-4 of this title.

(d) New centers for independent living

(1) In general

If there is no center for independent living serving a region of the State or a region is un-

derserved, and the increase in the allotment of the State is sufficient to support an additional center for independent living in the State, the Commissioner may award a grant under this section to the most qualified applicant proposing to serve such region, consistent with the provisions in the State plan setting forth the design of the State for establishing a statewide network of centers for independent living.

(2) Selection

In selecting from among applicants for a grant under this section for a new center for independent living, the Commissioner—

(A) shall consider comments regarding the application, if any, by the Statewide Independent Living Council in the State in which the applicant is located;

(B) shall consider the ability of each such applicant to operate a center for independent living based on—

- (i) evidence of the need for such a center;
- (ii) any past performance of such applicant in providing services comparable to independent living services;
- (iii) the plan for satisfying or demonstrated success in satisfying the standards and the assurances set forth in section 796f-4 of this title;
- (iv) the quality of key personnel and the involvement of individuals with significant disabilities;
- (v) budgets and cost-effectiveness;
- (vi) an evaluation plan; and
- (vii) the ability of such applicant to carry out the plans; and

(C) shall give priority to applications from applicants proposing to serve geographic areas within each State that are currently unserved or underserved by independent living programs, consistent with the provisions of the State plan submitted under section 796c of this title regarding establishment of a statewide network of centers for independent living.

(3) Current centers

Notwithstanding paragraphs (1) and (2), a center for independent living that receives assistance under subpart 2 for a fiscal year shall be eligible for a grant for the subsequent fiscal year under this subsection.

(e) Order of priorities

The Commissioner shall be guided by the following order of priorities in allocating funds among centers for independent living within a State, to the extent funds are available:

(2) The Commissioner shall provide for a cost-of-living increase for such existing centers for independent living.

A center that provides or manages residential housing after October 1, 1994, shall not be considered to be an eligible agency under this section.

(g) Review

(1) In general

The Commissioner shall periodically review each center receiving funds under this section to determine whether such center is in compliance with the standards and assurances set forth in section 796f-4 of this title. If the Commissioner determines that any center receiving funds under this section is not in compliance with the standards and assurances set forth in section 796f-4 of this title, the Commissioner shall immediately notify such center that it is out of compliance.

§ 796f-2. Grants to centers for independent living in States in which State funding equals or exceeds Federal funding

(a) Establishment

(1) In general

(A) Initial year

(i) Determination

The director of a designated State unit, as provided in paragraph (2), or the Commissioner, as provided in paragraph (3), shall award grants under this section for an initial fiscal year if the Commissioner determines that the amount of State funds that were earmarked by a State for a preceding fiscal year to support the general operation of centers for independent living meeting the requirements of this subpart equaled or exceeded the amount of funds allotted to the State under subsection (c) or (d) of section 796f of this title for such year.

(ii) Grants

The director or the Commissioner, as appropriate, shall award such grants, from the amount of funds so allotted for the initial fiscal year, to eligible agencies in the State for the planning, conduct, administration, and evaluation of centers for independent living that comply with the standards and assurances set forth in section 796f-4 of this title.

(iii) Regulation

The Commissioner shall by regulation specify the preceding fiscal year with respect to which the Commissioner will make the determinations described in clause (i) and subparagraph (B), making such adjustments as may be necessary to accommodate State funding cycles such as 2-year funding cycles or State fiscal years that do not coincide with the Federal fiscal year.

(B) Subsequent years

For each year subsequent to the initial fiscal year described in subparagraph (A), the

director of the designated State unit shall continue to have the authority to award such grants under this section if the Commissioner determines that the State continues to earmark the amount of State funds described in subparagraph (A)(i). If the State does not continue to earmark such an amount for a fiscal year, the State shall be ineligible to make grants under this section after a final year following such fiscal year, as defined in accordance with regulations established by the Commissioner, and for each subsequent fiscal year.

(2) Grants by designated State units

In order for the designated State unit to be eligible to award the grants described in paragraph (1) and carry out this section for a fiscal year with respect to a State, the designated State agency shall submit an application to the Commissioner at such time, and in such manner as the Commissioner may require, including information about the amount of State funds described in paragraph (1) for the preceding fiscal year. If the Commissioner makes a determination described in subparagraph (A)(i) or (B), as appropriate, of paragraph (1), the Commissioner shall approve the application and designate the director of the designated State unit to award the grant and carry out this section.

(3) Grants by Commissioner

If the designated State agency of a State described in paragraph (1) does not submit and obtain approval of an application under paragraph (2), the Commissioner shall award the grant described in paragraph (1) to eligible agencies in the State in accordance with section 796f-1 of this title.

(b) Eligible agencies

In any State in which the Commissioner has approved the State plan required by section 796c of this title, the director of the designated State unit may award a grant under this section to any eligible agency that—

(1) has the power and authority to carry out the purpose of this subpart and perform the functions set forth in section 796f-4 of this title within a community and to receive and administer funds under this subpart, funds and contributions from private or public sources that may be used in support of a center for independent living, and funds from other public and private programs;

(2) is determined by the director to be able to plan, conduct, administer, and evaluate a center for independent living, consistent with the standards and assurances set forth in section 796f-4 of this title; and

(3) submits an application to the director at such time, in such manner, and containing such information as the head of the designated State unit may require.

(c) Existing eligible agencies

In the administration of the provisions of this section, the director of the designated State unit shall award grants under this section to any eligible agency that has been awarded a grant under this subpart by September 30, 1997,

unless the director makes a finding that the agency involved fails to comply with the standards and assurances set forth in section 796f-4 of this title.

(d) New centers for independent living

(1) In general

If there is no center for independent living serving a region of the State or the region is unserved or underserved, and the increase in the allotment of the State is sufficient to support an additional center for independent living in the State, the director of the designated State unit may award a grant under this section from among eligible agencies, consistent with the provisions of the State plan under section 796c of this title setting forth the design of the State for establishing a statewide network of centers for independent living.

(2) Selection

In selecting from among eligible agencies in awarding a grant under this subpart for a new center for independent living—

(A) the director of the designated State unit and the chairperson of, or other individual designated by, the Statewide Independent Living Council acting on behalf of and at the direction of the Council, shall jointly appoint a peer review committee that shall rank applications in accordance with the standards and assurances set forth in section 796f-4 of this title and criteria jointly established by such director and such chairperson or individual;

(B) the peer review committee shall consider the ability of each such applicant to operate a center for independent living, and shall recommend an applicant to receive a grant under this section, based on—

(i) evidence of the need for a center for independent living, consistent with the State plan;

(ii) any past performance of such applicant in providing services comparable to independent living services;

(iii) the plan for complying with, or demonstrated success in complying with, the standards and the assurances set forth in section 796f-4 of this title;

(iv) the quality of key personnel of the applicant and the involvement of individuals with significant disabilities by the applicant;

(v) the budgets and cost-effectiveness of the applicant;

(vi) the evaluation plan of the applicant; and

(vii) the ability of such applicant to carry out the plans; and

(C) the director of the designated State unit shall award the grant on the basis of the recommendations of the peer review committee if the actions of the committee are consistent with Federal and State law.

(3) Current centers

Notwithstanding paragraphs (1) and (2), a center for independent living that receives assistance under subpart 2 for a fiscal year shall be eligible for a grant for the subsequent fiscal year under this subsection.

(e) Order of priorities

Unless the director of the designated State unit and the chairperson of the Council or other individual designated by the Council acting on behalf of and at the direction of the Council jointly agree on another order of priority, the director shall be guided by the following order of priorities in allocating funds among centers for independent living within a State, to the extent funds are available:

(1) The director of the designated State unit shall support existing centers for independent living, as described in subsection (c) of this section, that comply with the standards and assurances set forth in section 796f-4 of this title, at the level of funding for the previous year.

(2) The director of the designated State unit shall provide for a cost-of-living increase for such existing centers for independent living.

(3) The director of the designated State unit shall fund new centers for independent living, as described in subsection (d) of this section, that comply with the standards and assurances set forth in section 796f-4 of this title.

(f) Nonresidential agencies

A center that provides or manages residential housing after October 1, 1994, shall not be considered to be an eligible agency under this section.

(g) Review

(1) In general

The director of the designated State unit shall periodically review each center receiving funds under this section to determine whether such center is in compliance with the standards and assurances set forth in section 796f-4 of this title. If the director of the designated State unit determines that any center receiving funds under this section is not in compliance with the standards and assurances set forth in section 796f-4 of this title, the director of the designated State unit shall immediately notify such center that it is out of compliance.

(2) Enforcement

The director of the designated State unit shall terminate all funds under this section to such center 90 days after—

(A) the date of such notification; or

(B) in the case of a center that requests an appeal under subsection (i) of this section, the date of any final decision under subsection (i) of this section,

unless the center submits a plan to achieve compliance within 90 days and such plan is approved by the director, or if appealed, by the Commissioner.

(h) Onsite compliance review

The director of the designated State unit shall annually conduct onsite compliance reviews of at least 15 percent of the centers for independent living that receive funding under this section in the State. Each team that conducts onsite compliance review of centers for independent living shall include at least one person who is not an employee of the designated State agency, who has experience in the operation of centers for

independent living, and who is jointly selected by the director of the designated State unit and the chairperson of or other individual designated by the Council acting on behalf of and at the direction of the Council. A copy of this review shall be provided to the Commissioner.

(i) Adverse actions

If the director of the designated State unit proposes to take a significant adverse action against a center for independent living, the center may seek mediation and conciliation to be provided by an individual or individuals who are free of conflicts of interest identified by the chairperson of or other individual designated by the Council. If the issue is not resolved through the mediation and conciliation, the center may appeal the proposed adverse action to the Commissioner for a final decision.
