(Mar. 23, 1932, ch. 90, § 1, 47 Stat. 70.)

SHORT TITLE

Act Mar. 23, 1932, ch. 90, 47 Stat. 70, which enacted this chapter, is popularly known as the “Norris-LaGuardia Act”.

§ 102. Public policy in labor matters declared

In the interpretation of this chapter and in determining the jurisdiction and authority of the courts of the United States, as such jurisdiction and authority are defined and limited in this chapter, the public policy of the United States is declared as follows:

Whereas under prevailing economic conditions, developed with the aid of governmental authority for owners of property to organize in the corporate and other forms of ownership association, the individual unorganized worker is commonly helpless to exercise actual liberty of contract and to protect his freedom of labor, and thereby to obtain acceptable terms and conditions of employment, wherefore, though he should be free to decline to associate with his fellows, it is necessary that he have full freedom of association, self-organization, and designation of representatives of his own choosing, to negotiate the terms and conditions of his employment, and that he shall be free from the interference, restraint, or coercion of employers of labor, or their agents, in the designation of such representatives or in self-organization or in other concerted activities for the purpose of collective bargaining or other mutual aid or protection; therefore, the following definitions of, and limitations upon, the jurisdiction and authority of the courts of the United States are enacted.

(Mar. 23, 1932, ch. 90, § 2, 47 Stat. 70.)

§ 103. Nonenforceability of undertakings in conflict with public policy; “yellow dog” contracts

Any undertaking or promise, such as is described in this section, or any other undertaking or promise in conflict with the public policy declared in section 102 of this title, is declared to be contrary to the public policy of the United States, shall not be enforceable in any court of the United States and shall not afford any basis for the granting of legal or equitable relief by any such court, including specifically the following:

Every undertaking or promise hereafter made, whether written or oral, express or implied, constituting or contained in any contract or agreement of hiring or employment between any individual, firm, company, association, or corporation, and any employee or prospective employee of the same, whereby

(a) Either party to such contract or agreement undertakes or promises not to join, become, or remain a member of any labor organization or of any employer organization; or

(b) Either party to such contract or agreement undertakes or promises that he will withdraw from an employment relation in the event that he joins, becomes, or remains a member of any labor organization or of any employer organization.

(Mar. 23, 1932, ch. 90, § 3, 47 Stat. 70.)

§ 104. Enumeration of specific acts not subject to restraining orders or injunctions

No court of the United States shall have jurisdiction to issue any restraining order or temporary or permanent injunction in a case involving or growing out of any labor dispute to prohibit any person or persons participating or interested in such dispute (as these terms are herein defined) from doing, whether singly or in concert, any of the following acts:

(a) Ceasing or refusing to perform any work or to remain in any relation of employment;

(b) Becoming or remaining a member of any labor organization or of any employer organization, regardless of any such undertaking or promise as is described in section 103 of this title;

(c) Paying or giving to, or withholding from, any person participating or interested in such labor dispute, any strike or unemployment benefits or insurance, or other moneys or things of value;

(d) By all lawful means aiding any person participating or interested in any labor dispute who is being prosecuted against in, or is prosecuting, any action or suit in any court of the United States or of any State;

(e) Giving publicity to the existence of, or the facts involved in, any labor dispute, whether by advertising, speaking, patrolling, or by any other method not involving fraud or violence;

(f) Assembling peaceably to act or to organize to act in promotion of their interests in a labor dispute;

(g) Advising or notifying any person of an intention to do any of the acts heretofore specified;

(h) Agreeing with other persons to do or not to do any of the acts heretofore specified; and

(i) Advising, urging, or otherwise causing or inducing without fraud or violence the acts heretofore specified, regardless of any such undertaking or promise as is described in section 103 of this title.

(Mar. 23, 1932, ch. 90, § 4, 47 Stat. 70.)

§ 105. Doing in concert of certain acts as constituting unlawful combination or conspiracy subjecting person to injunctive remedies

No court of the United States shall have jurisdiction to issue a restraining order or temporary or permanent injunction upon the ground that
any of the persons participating or interested in
a labor dispute constitute or are engaged in an
unlawful combination or conspiracy because of
the doing in concert of the acts enumerated in
section 104 of this title.

(Mar. 23, 1932, ch. 90, § 5, 47 Stat. 71.)

§ 106. Responsibility of officers and members of
associations or their organizations for un-
lawful acts of individual officers, members,
and agents

No officer or member of any association or or-
ganization, and no association or organization
participating or interested in a labor dispute,
shall be held responsible or liable in any court of
the United States for the unlawful acts of indi-
vidual officers, members, or agents, except upon
clear proof of actual participation in, or actual
authorization of, such acts, or of ratification of
such acts after actual knowledge thereof.

(Mar. 23, 1932, ch. 90, § 6, 47 Stat. 71.)

§ 107. Issuance of injunctions in labor disputes;
hearing; findings of court; notice to affected
persons; temporary restraining order; under-
takings

No court of the United States shall have juris-
diction to issue a temporary or permanent in-
junction in any case involving or growing out of
a labor dispute, as defined in this chapter, ex-
cept after hearing the testimony of witnesses in
open court (with opportunity for cross-examina-
tion) in support of the allegations of a com-
plaint made under oath, and testimony in oppo-
sition thereto, if offered, and except after find-
ings of fact by the court, to the effect—

(a) That unlawful acts have been threatened
and will be committed unless restrained or have
been committed and will be continued unless re-
strained, but no injunction or temporary re-
straining order shall be issued on account of any
threat or unlawful act excepting against the
person or persons, association, or organization
making the threat or committing the unlawful
act or actually authorizing or ratifying the
same after actual knowledge thereof;

(b) That substantial and irreparable injury to
complainant’s property will follow;

(c) That as to each item of relief granted
greater injury will be inflicted upon complain-
ant by the denial of relief than will be inflicted
upon defendants by the granting of relief;

(d) That complainant has no adequate remedy
at law; and

(e) That the public officers charged with the
duty to protect complainant’s property are un-
able or unwilling to furnish adequate protection.

Such hearing shall be held after due and per-
sonal notice thereof has been given, in such
manner as the court shall direct, to all known
persons against whom relief is sought, and also
to the chief of those public officials of the coun-
ty and city within which the unlawful acts have
been threatened or committed charged with the
duty to protect complainant’s property: Pro-
vided, however, That if a complainant shall also
allege that, unless a temporary restraining
order shall be issued without notice, a substan-
tial and irreparable injury to complainant’s
property will be unavoidable, such a temporary
restraining order may be issued upon testimony
under oath, sufficient, if sustained, to justify
the court in issuing a temporary injunction
upon a hearing after notice. Such a temporary
restraining order shall be effective for no longer
than five days and shall become void at the expi-
reration of said five days. No temporary restrain-
ing order or temporary injunction shall be is-
ued except on condition that complainant shall
first file an undertaking with adequate security
in an amount to be fixed by the court sufficient
to recompense those enjoined for any loss, ex-
 pense, or damage caused by the improvident or
erroneous issuance of such order or injunction,
including all reasonable costs (together with a
reasonable attorney’s fee) and expense of defense
against the order or against the granting of any
injunctive relief sought in the same proceeding
and subsequently denied by the court.

The undertaking mentioned in this section
shall be understood to signify an agreement en-
tered into by the complainant and the surety
upon which a decree may be rendered in the
same suit or proceeding against said complain-
ant and surety, upon a hearing to assess dam-
ages of which hearing complainant and surety
shall have reasonable notice, the said complain-
ant and surety submitting themselves to the
jurisdiction of the court for that purpose. But
nothing in this section contained shall deprive
any party having a claim or cause of action
under or upon such undertaking from electing to
pursue his ordinary remedy by suit at law or in
equity.

(Mar. 23, 1932, ch. 90, § 7, 47 Stat. 71.)

§ 108. Noncompliance with obligations involved
in labor disputes or failure to settle by negoti-
ation or arbitration as preventing injunc-
tive relief

No restraining order or injunctive relief shall
be granted to any complainant who has failed to
comply with any obligation imposed by law
which is involved in the labor dispute in ques-
tion, or who has failed to make every reasonable
effort to settle such dispute either by negotia-
tion or with the aid of any available govern-
mental machinery of mediation or voluntary ar-
bitration.

(Mar. 23, 1932, ch. 90, § 8, 47 Stat. 72.)

§ 109. Granting of restraining order or injunction
as dependent on previous findings of fact;
limitation on prohibitions included in re-
straining orders and injunctions

No restraining order or temporary or perma-
nent injunction shall be granted in a case in-
volving or growing out of a labor dispute, except
upon the basis of findings of fact made and filed by
the court in the record of the case prior to the
issuance of such restraining order or injunction;
and every restraining order or injunction grant-
ed in a case involving or growing out of a labor
dispute shall include only a prohibition of such
specific act or acts as may be expressly com-
plained of in the bill of complaint or petition
filed in such case and as shall be expressly in-
cluded in said findings of fact made and filed by
the court as provided in this chapter.
§ 110. Review by court of appeals of issuance or denial of temporary injunctions; record

Whenever any court of the United States shall issue or deny any temporary injunction in a case involving or growing out of a labor dispute, the court shall, upon the request of any party to the proceedings and on his filing the usual bond for costs, forthwith certify as in ordinary cases the record of the case to the court of appeals for its review. Upon the filing of such record in the court of appeals, the appeal shall be heard and the temporary injunctive order affirmed, modified, or set aside expeditiously.1

(a) This chapter may be cited as the “Labor Management Relations Act, 1947”.
(b) Industrial strife which interferes with the normal flow of commerce and with the full production of articles and commodities for commerce, can be avoided or substantially minimized if employers, employees, and labor organizations each recognize under law one another’s legitimate rights in their relations with each other, and above all recognize under law that neither party has any right in its relations with any other to engage in acts or practices which jeopardize the public health, safety, or interest.

It is the purpose and policy of this chapter, in order to promote the full flow of commerce, to prescribe the legitimate rights of both employees and employers in their relations affecting commerce, to provide orderly and peaceful procedures for preventing the interference by either with the legitimate rights of the other, to protect the rights of individual employees in their relations with labor organizations whose activities affect commerce, to define and prescribe practices on the part of labor and management which affect commerce and are inimical to the general welfare, and to protect the rights of the public in connection with labor disputes affecting commerce.

SUBCHAPTER II—NATIONAL LABOR RELATIONS

CODIFICATION

This subchapter is comprised of the National Labor Relations Act, and is not part of the Labor Management Relations Act, 1947, which comprises this chapter.

§ 151. Findings and declaration of policy

The denial by some employers of the right of employees to organize and the refusal by some employers to accept the procedure of collective bargaining lead to strikes and other forms of industrial strife or unrest, which have the intent or the necessary effect of burdening or obstructing commerce by (a) impairing the efficiency, safety, or operation of the instrumentalities of commerce; (b) occurring in the current of commerce; (c) materially affecting, restraining, or controlling the flow of raw materials or manufactured or processed goods from or into the channels of commerce, or the prices of such materials or goods in commerce; or (d) causing diminution of employment and wages in such volume as substantially to impair or disrupt the market for goods flowing from or into the channels of commerce.

The inequality of bargaining power between employees who do not possess full freedom of as-sociation or actual liberty of contract, and employers who are organized in the corporate or other forms of ownership association substantially burdens and affects the flow of commerce, and tends to aggravate recurrent business depressions, by depressing wage rates and the purchasing power of wage earners in industry and by preventing the stabilization of competitive wage rates and working conditions within and between industries.

Experience has proved that protection by law of the right of employees to organize and bargain collectively safeguards commerce from injury, impairment, or interruption, and promotes the flow of commerce by removing certain recognized sources of industrial strife and unrest, by encouraging practices fundamental to the friendly adjustment of industrial disputes arising out of differences as to wages, hours, or other working conditions, and by restoring equality of bargaining power between employers and employees.

Experience has further demonstrated that certain practices by some labor organizations, their officers, and members have the intent or the necessary effect of burdening or obstructing commerce by preventing the free flow of goods in such commerce through strikes and other forms of industrial unrest or through concerted activities which impair the interest of the public in the free flow of such commerce. The elimination of such practices is a necessary condition to the assurance of the rights herein guaranteed.

It is hereby declared to be the policy of the United States to eliminate the causes of certain substantial obstructions to the free flow of commerce and to mitigate and eliminate these obstructions when they have occurred by encouraging the practice and procedure of collective bargaining and by protecting the exercise by workers of full freedom of association, self-organization, and designation of representatives of their own choosing, for the purpose of negotiating the terms and conditions of their employment or other mutual aid or protection.

§ 153. National Labor Relations Board

(a) Creation, composition, appointment, and tenure; Chairman; removal of members

The National Labor Relations Board (hereinafter called the "Board") created by this subchapter prior to its amendment by the Labor Management Relations Act, 1947 [29 U.S.C. 141 et seq.], is continued as an agency of the United States, except that the Board shall consist of five instead of three members, appointed by the President by and with the advice and consent of the Senate. Of the two additional members so provided for, one shall be appointed for a term of five years and the other for a term of two years. Their successors, and the successors of the other members, shall be appointed for terms of five years each, excepting that any individual chosen to fill a vacancy shall be appointed only for the unexpired term of the member whom he shall succeed. The President shall designate one member to serve as Chairman of the Board. Any member of the Board may be removed by the President, upon notice and hearing, for neglect of duty or malfeasance in office, but for no other cause.

(b) Delegation of powers to members and regional directors; review and stay of actions of regional directors; quorum; seal

The Board is authorized to delegate to any group of three or more members any or all of the powers which it may itself exercise. The Board is also authorized to delegate to its regional directors its powers under section 159 of this title to determine the unit appropriate for the purpose of collective bargaining, to investigate and provide for hearings, and determine whether a question of representation exists, and to direct an election or take a secret ballot under subsection (c) or (e) of section 159 of this title and certify the results thereof, except that upon the filing of a request therefor with the Board by any interested person, the Board may review any action of a regional director delegated to him under this paragraph, but such a review shall not, unless specifically ordered by the Board, operate as a stay of any action taken by the regional director. A vacancy in the Board shall not impair the power of the remaining members to exercise all of the powers of the Board, and three members of the Board shall, at all times, constitute a quorum of the Board, except that two members shall constitute a quorum of any group designated pursuant to the first sentence hereof. The Board shall have an official seal which shall be judicially noticed.

(c) Annual reports to Congress and the President

The Board shall at the close of each fiscal year make a report in writing to Congress and to the President summarizing significant case activities and operations for that fiscal year.

(d) General Counsel; appointment and tenure; powers and duties; vacancy

There shall be a General Counsel of the Board who shall be appointed by the President, by and with the advice and consent of the Senate, for a term of four years. The General Counsel of the Board shall exercise general supervision over all attorneys employed by the Board (other than administrative law judges and legal assistants to Board members) and over the officers and employees in the regional offices. He shall have final authority, on behalf of the Board, in respect of the investigation of charges and issuance of complaints under section 160 of this title, and in respect of the prosecution of such complaints before the Board, and shall have such other duties as the Board may prescribe or as may be provided by law. In case of a vacancy in the office of the General Counsel the President is authorized to designate the officer or employee who shall act as General Counsel during such vacancy, but no person or persons so designated shall so act for more than forty days when the Congress is in session unless a nomination to fill such vacancy shall have been submitted to the Senate, or (2) after the adjournment sine die of the session of the Senate in which such nomination was submitted.

§ 158. Unfair labor practices

(a) Unfair labor practices by employer

It shall be an unfair labor practice for an employer—

(1) to interfere with, restrain, or coerce employees in the exercise of the rights guaranteed in section 157 of this title;
(2) to dominate or interfere with the formation or administration of any labor organization or contribute financial or other support to it: Provided, That subject to rules and regulations made and published by the Board pursuant to section 156 of this title, an employer shall not be prohibited from permitting employees to confer with him during working hours without loss of time or pay;
(3) by discrimination in regard to hire or tenure of employment or any term or condition of employment to encourage or discourage membership in any labor organization: Provided, That nothing in this subchapter, or in any other statute of the United States, shall preclude an employer from making an agreement with a labor organization (not established, maintained, or assisted by any action defined in this subsection as an unfair labor practice) to require as a condition of employment membership therein or on after the thirtieth day following the beginning of such employment or the effective date of such agreement, whichever is the later, (i) if such labor organization is the representative of the employees as provided in section 159(a) of this title, in the appropriate collective-bargaining unit covered by such agreement when made, and (ii) unless following an election held as provided in section 159(e) of this title within one year preceding the effective date of such agreement, the Board shall have certified that at least a majority of the employees eligible to vote in such election have voted to rescind the authority of such labor organization to make such an agreement: Provided further, That no employer shall justify any discrimination against an employee for nonmembership in a labor organization (A) if he has reasonable grounds for believing that such membership was not available to the employee on the same terms and conditions generally applicable to other members, or (B) if he has reasonable grounds for believing that membership was denied or terminated for reasons other than the failure of the employee to tender the periodic dues and the initiation fees uniformly required as a condition of acquiring or retaining membership;
(4) to discharge or otherwise discriminate against an employee because he has filed charges or given testimony under this subchapter;
(5) to refuse to bargain collectively with the representatives of his employees, subject to the provisions of section 159(a) of this title.

(b) Unfair labor practices by labor organization

It shall be an unfair labor practice for a labor organization or its agents—

(1) to restrain or coerce (A) employees in the exercise of the rights guaranteed in section 157 of this title: Provided, That this paragraph shall not impair the right of a labor organization to prescribe its own rules with respect to the acquisition or retention of membership therein; or (B) an employer in the selection of his representatives for the purposes of collective bargaining or the adjustment of grievances;
(2) to cause or attempt to cause an employer to discriminate against an employee in violation of subsection (a)(3) of this section or to discriminate against an employee with respect to whom membership in such organization has been denied or terminated on some ground other than his failure to tender the periodic dues and the initiation fees uniformly required as a condition of acquiring or retaining membership;
(3) to refuse to bargain collectively with an employer, provided it is the representative of
his employees subject to the provisions of section 159(a) of this title;

(4)(i) to engage in, or to induce or encourage any individual employed by any person engaged in commerce or in an industry affecting commerce to engage in, a strike or a refusal in the course of his employment to use, manufacture, process, transport, or otherwise handle or work on any goods, articles, materials, or commodities or to perform any services; or (ii) to threaten, coerce, or restrain any person engaged in commerce or in an industry affecting commerce, where in either case an object thereof is—

(A) forcing or requiring any employer or self-employed person to join any labor or employer organization or to enter into any agreement which is prohibited by subsection (e) of this section;

(B) forcing or requiring any person to cease using, selling, handling, transporting, or otherwise dealing in the products of any other producer, processor, or manufacturer, or to cease doing business with any other person, or forcing or requiring any other employer to recognize or bargain with a labor organization as the representative of his employees unless such labor organization has been certified as the representative of such employees under the provisions of section 159 of this title: Provided, That nothing contained in this clause (B) shall be construed to make unlawful, where not otherwise unlawful, any primary strike or primary picketing;

(C) forcing or requiring any employer to recognize or bargain with a labor organization as the representative of his employees if another labor organization has been certified as the representative of such employees under the provisions of section 159 of this title;

(D) forcing or requiring any employer to assign particular work to employees in a particular labor organization or in a particular trade, craft, or class rather than to employees in another labor organization or in another trade, craft, or class, unless such employer is failing to conform to an order or certification of the Board determining the bargaining representative for employees performing such work:

Provided, That nothing contained in this subsection shall be construed to make unlawful a refusal by any person to enter upon the premises of any employer (other than his own employer), if the employees of such employer are engaged in a strike ratified or approved by a representative of such employees whom such employer is required to recognize under this subchapter: Provided further, That for the purposes of this paragraph (4) only, nothing contained in such paragraph shall be construed to prohibit publicity, other than picketing, for the purpose of truthfully advising the public, including consumers and members of a labor organization, that a product or products are produced by an employer with whom the labor organization has a primary dispute and are distributed by another employer, as long as such publicity does not have an effect of inducing any individual employed by any person other than the primary employer in the course of his employment to refuse to pick up, deliver, or transport any goods, or not to perform any services, at the establishment of the employer engaged in such distribution;

(5) to require of employees covered by an agreement authorized under subsection (a)(3) of this section the payment, as a condition precedent to becoming a member of such organization, of a fee in an amount which the Board finds excessive or discriminatory under all the circumstances. In making such a finding, the Board shall consider, among other relevant factors, the practices and customs of labor organizations in the particular industry, and the wages currently paid to the employees affected;

(6) to cause or attempt to cause an employer to pay or deliver or agree to pay or deliver any money or other thing of value, in the nature of an exaction, for services which are not performed or not to be performed; and

(7) to picket or cause to be picketed, or threaten to picket or cause to be picketed, any employer where an object thereof is forcing or requiring an employer to recognize or bargain with a labor organization as the representative of his employees, or forcing or requiring the employees of an employer to accept or select such labor organization as their collective bargaining representative, unless such labor organization is currently certified as the representative of such employees:

(A) where the employer has lawfully recognized in accordance with this subchapter any other labor organization and a question concerning representation may not appropriately be raised under section 159(c) of this title,

(B) where within the preceding twelve months a valid election under section 159(c) of this title has been conducted, or

(C) where such picketing has been conducted without a petition under section 159(c) of this title being filed within a reasonable period of time not to exceed thirty days from the commencement of such picketing: Provided, That the Board finds excessive or discriminatory under all the circumstances. In making such a finding, the Board shall consider, among other relevant factors, the practices and customs of labor organizations in the particular industry, and the wages currently paid to the employees affected; and shall certify the results thereof: Provided further, That nothing in this subparagraph (C) be construed to prohibit any picketing or other publicity for the purpose of truthfully advising the public (including consumers) that an employer does not employ members of, or have a contract with, a labor organization, unless an effect of such picketing is to induce any individual employed by any other person in the course of his employment, not to pick up, deliver or transport any goods or not to perform any services.

Nothing in this paragraph (7) shall be construed to permit any act which would otherwise be an unfair labor practice under this subsection.
§ 158

(c) Expression of views without threat of reprisal or force or promise of benefit

The expressing of any views, argument, or opinion, or the dissemination thereof, whether in written, printed, graphic, or visual form, shall not constitute or be evidence of an unfair labor practice under any of the provisions of this subchapter, if such expression contains no threat of reprisal or force or promise of benefit.

(d) Obligation to bargain collectively

For the purposes of this section, to bargain collectively is the performance of the mutual obligation of the employer and the representative of the employees to meet at reasonable times and confer in good faith with respect to wages, hours, and other terms and conditions of employment, or the negotiation of an agreement, or any question arising thereunder, and the execution of a written contract incorporating any agreement reached if requested by either party, but such obligation does not compel either party to agree to a proposal or require the making of a concession: Provided, That where there is in effect a collective-bargaining contract covering employees in an industry affecting commerce, the duty to bargain collectively shall also mean that no party to such contract shall terminate or modify such contract, unless the party desiring such termination or modification—

(1) serves a written notice upon the other party to the contract of the proposed termination or modification sixty days prior to the expiration date thereof, or in the event such contract contains no expiration date, sixty days prior to the time it is proposed to make such termination or modification;

(2) offers to meet and confer with the other party for the purpose of negotiating a new contract or a contract containing the proposed modifications;

(3) notifies the Federal Mediation and Conciliation Service within thirty days after such notice of the existence of a dispute, and simultaneously therewith notifies any State or Territorial agency established to mediate and conciliate disputes within the State or Territory where the dispute occurred, provided no agreement has been reached by that time; and

(4) continues in full force and effect, without resorting to strike or lock-out, all the terms and conditions of the existing contract for a period of sixty days after such notice is given or until the expiration date of such contract, whichever occurs later:

The duties imposed upon employers, employees, and labor organizations by paragraphs (2) to (4) of this subsection shall become inapplicable upon an intervening certification of the Board, under which the labor organization or individual, which is a party to the contract, has been superseded as or ceased to be the representative of the employees subject to the provisions of section 159(a) of this title, and the duties so imposed shall not be construed as requiring either party to discuss or agree to any modification of the terms and conditions contained in a contract for a fixed period, if such modification is to become effective before such terms and conditions can be reopened under the provisions of the contract. Any employee who engages in a strike within any notice period specified in this subsection, or who engages in any strike within the appropriate period specified in subsection (g) of this section, shall lose his status as an employee of the employer engaged in the particular labor dispute, for the purposes of sections 158, 159, and 160 of this title, but such loss of status for such employee shall terminate if and when he is reemployed by such employer. Whenever the collective bargaining involves employees of a health care institution, the provisions of this subsection shall be modified as follows:

(A) The notice of paragraph (1) of this subsection shall be ninety days; the notice of paragraph (3) of this subsection shall be sixty days; and the contract period of paragraph (4) of this subsection shall be ninety days.

(B) Where the bargaining is for an initial agreement following certification or recognition, at least thirty days' notice of the existence of a dispute shall be given by the labor organization to the agencies set forth in paragraph (3) of this subsection.

(C) After notice is given to the Federal Mediation and Conciliation Service under either clause (A) or (B) of this section, the Service shall promptly communicate with the parties and use its best efforts, by mediation and conciliation, to bring them to agreement. The parties shall participate fully and promptly in such meetings as may be undertaken by the Service for the purpose of aiding in a settlement of the dispute.

(e) Enforceability of contract or agreement to boycott any other employer; exception

It shall be an unfair labor practice for any labor organization and any employer to enter into any contract or agreement, express or implied, whereby such employer ceases or refrains or agrees to cease or refrain from handling, using, selling, transporting or otherwise dealing in any of the products of any other employer, or to cease doing business with any other person, and any contract or agreement entered into hereofore or hereafter containing such an agreement shall be to such extent unenforceable and void: Provided, That nothing in this subchapter shall apply to an agreement between a labor organization and an employer in the construction industry relating to the contracting or subcontracting of work to be done at the site of the construction, alteration, painting, or repair of a building, structure, or other work: Provided further, That for the purposes of this subsection and subsection (b)(4)(B) of this section the terms "any employer", "any person engaged in commerce or an industry affecting commerce", and "any person" when used in relation to the terms "any other producer, processor, or manufacturer", "any other employer", or "any other person" shall not include persons in the relation of a jobber, manufacturer, contractor, or subcontractor working on the goods or premises of the jobber or manufacturer or performing parts of an integrated process of production in the apparel and clothing industry: Provided further, That nothing in this subchapter shall prohibit

the enforcement of any agreement which is within the foregoing exception.

(f) Agreement covering employees in the building and construction industry

It shall not be an unfair labor practice under subsections (a) and (b) of this section for an employer engaged primarily in the building and construction industry to make an agreement covering employees engaged (or who, upon their employment, will be engaged) in the building and construction industry with a labor organization of which building and construction employees are members (not established, maintained, or assisted by any action defined in subsection (a) of this section as an unfair labor practice) because (1) the majority status of such labor organization has not been established under the provisions of section 159 of this title prior to the making of such agreement, or (2) such agreement requires as a condition of employment, membership in such labor organization after the seventh day following the beginning of such employment or the effective date of the agreement, whichever is later, or (3) such agreement requires the employer to notify such labor organization of opportunities for employment with such employer, or gives such labor organization an opportunity to refer qualified applicants for such employment, or (4) such agreement specifies minimum training or experience qualifications for employment or provides for priority in opportunities for employment based upon length of service with such employer, in the industry or in the particular geographical area: Provided, That nothing in this subsection shall set aside the final proviso to subsection (a)(3) of this section for an employer engaged primarily in the building and construction industry to make an agreement covering employees engaged (or who, upon their employment, will be engaged) in the building and construction industry with a labor organization of which building and construction employees are members (not established, maintained, or assisted by any action defined in subsection (a) of this section as an unfair labor practice) because (1) the majority status of such labor organization has not been established under the provisions of section 159 of this title prior to the making of such agreement, or (2) such agreement requires as a condition of employment, membership in such labor organization after the seventh day following the beginning of such employment or the effective date of the agreement, whichever is later, or (3) such agreement requires the employer to notify such labor organization of opportunities for employment with such employer, or gives such labor organization an opportunity to refer qualified applicants for such employment, or (4) such agreement specifies minimum training or experience qualifications for employment or provides for priority in opportunities for employment based upon length of service with such employer, in the industry or in the particular geographical area: Provided, That nothing in this subsection shall set aside the final proviso to subsection (a)(3) of this section: Provided further, That any agreement which would be invalid, but for clause (1) of this subsection, shall not be a bar to a petition filed pursuant to section 159(c) or 159(e) of this title.

(g) Notification of intention to strike or picket at any health care institution

A labor organization before engaging in any strike, picketing, or other concerted refusal to work at any health care institution shall, not less than ten days prior to such action, notify the institution in writing and the Federal Mediation and Conciliation Service of that intention, except that in the case of bargaining for an initial agreement following certification or recognition the notice required by this subsection shall not be given until the expiration of the period specified in clause (B) of the last sentence of subsection (d) of this section. The notice shall state the date and time that such action will commence. The notice, once given, may be extended by the written agreement of both parties.

(a)(3) and (b)(2) of this section] shall not make an unfair labor practice the performance of any obligation under a collective-bargaining agreement entered into prior to the date of the enactment of this Act [June 23, 1947], or (in the case of an agreement for a period of not more than one year) entered into on or after such date of enactment, but prior to the effective date of this title, if the performance of such obligation would not have constituted an unfair labor practice under section 8(3) [see subsec. (Dec. 6, 1937, ch. 3, § 5, 51 Stat. 5.)

CODIFICATION

This section was not enacted either as part of the Labor Management Relations Act, 1947, which comprises this chapter, or as part of the National Labor Relations Act, which comprises this subchapter.

§ 159. Representatives and elections

(a) Exclusive representatives; employees’ adjustment of grievances directly with employer

Representatives designated or selected for the purposes of collective bargaining by the majority of the employees in a unit appropriate for such purposes, shall be the exclusive representatives of all the employees in such unit for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment, or other conditions of employment: Provided, That any individual employee or a group of employees shall have the right at any time to present grievances to their employer and to have such grievances adjusted, without the intervention of the bargaining representative, as long as the adjustment is not inconsistent with the terms of a collective-bargaining contract or agreement then in effect: Provided further, That the bargaining representative has been given an opportunity to be present at such adjustment.

(b) Determination of bargaining unit by Board

The Board shall decide in each case whether, in order to assure employees the fullest freedom in exercising the rights guaranteed by this subchapter, the unit appropriate for the purposes of collective bargaining shall be the employer unit, craft unit, plant unit, or subdivision thereof: Provided, That the Board shall not (1) divide any unit into two or more units, or (2) determine that any unit is inappropriate for such purposes if such unit includes both professional employees and employees who are not professional employees unless a majority of such professional employees vote for inclusion in such unit; or (2) decide that any craft unit is inappropriate for such purposes on the ground that a different unit has been established by a prior Board determination, unless a majority of the employees in the proposed craft unit vote against separate representation or (3) decide that any unit is inappropriate for such purposes if it includes, together with other employees, any individual employed as a guard to enforce against employees and other persons rules to protect property of the employer or to protect the safety of persons on the employer’s premises; but no labor organization shall be certified as the representative of employees in a bargaining unit of guards if such organization admits to membership, employees other than guards.

(c) Hearings on questions affecting commerce; rules and regulations

(1) Whenever a petition shall have been filed, in accordance with such regulations as may be prescribed by the Board—

(A) by an employee or group of employees or any individual or labor organization acting in their behalf alleging that a substantial number of employees (i) refused to recognize and engage in collective bargaining and that their employer declines to recognize their representative as the representative defined in subsection (a) of this section, or (ii) assert that the individual or labor organization, which has been certified or is being currently recognized by their employer as the bargaining representative, is no longer a representative as defined in subsection (a) of this section; or

(B) by an employer, alleging that one or more individuals or labor organizations have presented to him a claim to be recognized as the representative defined in subsection (a) of this section;

the Board shall investigate such petition and if it has reasonable cause to believe that a question of representation affecting commerce exists shall provide for an appropriate hearing upon due notice. Such hearing may be conducted by an officer or employee of the regional office, who shall not make any recommendations with respect thereto. If the Board finds upon the record of such hearing that such a question of representation exists, it shall direct an election by secret ballot and shall certify the results thereof.

(2) In determining whether or not a question of representation affecting commerce exists, the same regulations and rules of decision shall apply irrespective of the identity of the persons filing the petition or the kind of relief sought and in no case shall the Board deny a labor organization a place on the ballot by reason of an order with respect to such labor organization or its predecessor not issued in conformity with section 160(c) of this title.

(3) No election shall be directed in any bargaining unit or any subdivision within which in the preceding twelve-month period, a valid election shall have been held. Employees engaged in an economic strike who are not entitled to reinstatement shall be eligible to vote under such regulations as the Board shall find are consist-
ent with the purposes and provisions of this subchapter in any election conducted within twelve months after the commencement of the strike. In any election where none of the choices on the ballot receives a majority, a run-off shall be conducted, the ballot providing for a selection between the two choices receiving the largest and second largest number of valid votes cast in the election.

(4) Nothing in this section shall be construed to prohibit the waiving of hearings by stipulation for the purpose of a consent election in conformity with regulations and rules of decision of the Board.

(5) In determining whether a unit is appropriate for the purposes specified in subsection (b) of this section and there is a petition for the enforcement or review of such order, such certification and the record of such investigation shall be included in the transcript of the entire record required to be filed under subsection (e) or (f) of section 180 of this title, and thereupon the decision of the court enforcing, modifying, or setting aside in whole or in part the order of the Board shall be made and entered upon the pleadings, testimony, and proceedings set forth in such transcript.

(e) Secret ballot; limitation of elections

(1) Upon the filing with the Board, by 30 per centum or more of the employees in a bargaining unit covered by an agreement between the employer and a labor organization made pursuant to section 158(a)(3) of this title, of a petition alleging they desire that such agreement be rescinded, the Board shall take a secret ballot of the employees in such unit and certify the results thereof to such labor organization and to the employer.

(2) No election shall be conducted pursuant to this subsection in any bargaining unit or any subdivision within which, in the preceding twelve-month period, a valid election shall have been held.

AMENDMENTS

1959—Subsec. (c)(3). Pub. L. 86-257, § 762, substituted "Employees engaged in an economic strike who are not entitled to reinstatement shall be eligible to vote under such regulations as the Board shall find are consistent with the purposes and provisions of this subchapter in any election conducted within twelve months after the commencement of the strike" for "Employees on strike who are not entitled to reinstatement shall not be eligible to vote." Subsecs. (f) and (g). Pub. L. 86-257, § 201(d), repealed subsec. (h) which related to affidavits showing union's officers free from Communist Party affiliation or belief.

1947—Act June 23, 1947, amended section generally to allow employees to carry their grievances directly to the employer, to circumscribe certain powers of the Board, to make the union file with the Secretary of Labor its constitution, bylaws, and report before being certified as a bargaining agent, to require annual reports by labor unions, and to require labor unions to file affidavits with the Board if their officers are affiliated with or believe in the Communist Party.

\textbf{Effective Date of 1959 Amendment}

\textbf{Effective Date of 1947 Amendment}

\textbf{Certain Certifications of Bargaining Units Unaffected}

Section 103 of title 1 of act June 23, 1947, provided that: "No provisions of this title [amending this subchapter] shall affect any certification of representatives or any determination as to the appropriate collective-bargaining unit, which was made under section 9 of the National Labor Relations Act (this section) prior to the effective date of this title [sixty days after June 23, 1947] until one year after the date of such certification or if, in respect of any such certification, a collective-bargaining contract was entered into prior to the effective date of this title [sixty days after June 23, 1947], until the end of the contract period or until one year after such date, whichever first occurs."

§ 160. Prevention of unfair labor practices

(a) Powers of Board generally

The Board is empowered, as hereinafter provided, to prevent any person from engaging in any unfair labor practice (listed in section 158 of this title) affecting commerce. This power shall not be affected by any other means of adjustment or prevention that has been or may be established by agreement, law, or otherwise: Provided, That the Board is empowered by agreement with any agency of any State or Territory to exercise such jurisdiction over any cases in any industry (other than mining, manufacturing, communications, and transportation except where predominantly local in character) even though such cases may involve labor disputes affecting commerce, unless the provision of the State or Territorial statute applicable to the determination of such cases by such agency is inconsistent with the corresponding provision of this subchapter or has received a construction inconsistent therewith.

(b) Complaint and notice of hearing; answer; court rules of evidence inapplicable

Whenever it is charged that any person has engaged in or is engaging in any unfair labor practice, the Board, or any agent or agency designated by the Board for such purposes, shall have power to issue and cause to be served upon
such person a complaint stating the charges in that respect, and containing a notice of hearing before the Board or a member thereof, or before a designated agent or agency, at a place therein fixed, not less than five days after the serving of said complaint; Provided, That no complaint shall issue based upon any unfair labor practice occurring more than six months prior to the filing of the charge with the Board and the service of a copy thereof upon the person against whom such charge is made, unless the person aggrieved thereby was prevented from filing such charge by reason of service in the armed forces, in which event the six-month period shall be computed from the day of his discharge. Any such complaint may be amended by the member, agent, or agency conducting the hearing or the Board in its discretion at any time prior to the issuance of an order based thereon. The person so complained of shall have the right to file an answer to the original or amended complaint and to appear in person or otherwise and give testimony at the place and time fixed in the complaint. In the discretion of the member, agent, or agency conducting the hearing or the Board, any other person may be allowed to intervene in the said proceeding and to present testimony. Any such proceeding shall, so far as practicable, be conducted in accordance with the rules of evidence applicable in the district courts of the United States under the rules of civil procedure for the district courts of the United States, adopted by the Supreme Court of the United States pursuant to section 2072 of title 28.

(c) Reduction of testimony to writing; findings and orders of Board

The testimony taken by such member, agent, or agency or the Board shall be reduced to writing and filed with the Board. Thereafter, in its discretion, the Board upon notice may take further testimony or hear argument. If upon the preponderance of the testimony taken the Board shall be of the opinion that any person named in the complaint has engaged in or is engaging in any such unfair labor practice, then the Board shall issue an order dismissing the said complaint. Provided, That no complaint shall issue based upon any unfair labor practice occurring more than six months prior to the filing of the charge with the Board and the service of a copy thereof upon the person against whom such charge is made, unless the person aggrieved thereby was prevented from filing such charge by reason of service in the armed forces, in which event the six-month period shall be computed from the day of his discharge. Any such complaint may be amended by the member, agent, or agency conducting the hearing or the Board in its discretion at any time prior to the issuance of an order based thereon. The person so complained of shall have the right to file an answer to the original or amended complaint and to appear in person or otherwise and give testimony at the place and time fixed in the complaint. In the discretion of the member, agent, or agency conducting the hearing or the Board, any other person may be allowed to intervene in the said proceeding and to present testimony. Any such proceeding shall, so far as practicable, be conducted in accordance with the rules of evidence applicable in the district courts of the United States under the rules of civil procedure for the district courts of the United States, adopted by the Supreme Court of the United States pursuant to section 2072 of title 28.

(d) Modification of findings or orders prior to filing record in court

Until the record in a case shall have been filed in a court, as hereinafter provided, the Board may at any time upon reasonable notice and in such manner as it shall deem proper, modify or set aside, in whole or in part, any finding or order made or issued by it.

(e) Petition to court for enforcement of order; proceedings; review of judgment

The Board shall have power to petition any court of appeals of the United States, within any circuit or district, respectively, wherein the unfair labor practice in question occurred or wherein such person resides or transacts business, for the enforcement of such order and for appropriate temporary relief or restraining order, and shall file in the court the record in the proceedings, as provided in section 2112 of title 28. Upon the filing of such petition, the court shall cause notice thereof to be served upon such person, and thereupon shall have jurisdiction of the parties and the cause of action and of the question determined therein, and shall have power to grant such temporary relief or restraining order as it deems just and proper, and to make and enter a decree enforcing, modifying and enforcing as so modified, or setting aside in whole or in part the order of the Board. No objection that has not been urged before the Board, its member, agent, or agency, shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances. The findings of the Board with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive. If either party shall apply to the court for leave to adduce additional evidence and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the hearing before the Board, its member, agent, or agency, the court may order such additional evidence to be taken before the Board, its member, agent, or agency,
and to be a part of the record. The Board may modify its findings as to the facts, or make new findings by reason of additional evidence so taken and filed, and it shall file such modified or new findings, which findings with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive, and shall file its recommendations, if any, for the modification or setting aside of its original order. Upon the filing of the record with it the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the appropriate United States court of appeals if application was made to the district court as hereinabove provided, and by the Supreme Court of the United States upon writ of certiorari or certification as provided in section 1254 of title 28.

(f) Review of final order of Board on petition to court

Any person aggrieved by a final order of the Board granting or denying in whole or in part the relief sought may obtain a review of such order in any United States court of appeals in the circuit wherein the unfair labor practice in question was alleged to have been engaged in or wherein such person resides or transacts business, or in the United States Court of Appeals for the District of Columbia, by filing in such a court a written petition praying that the order of the Board be modified or set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Board, and thereupon the aggrieved party shall file in the court the record in the proceeding, certified by the Board, as provided in section 2112 of title 28. Upon the filing of such petition, the court shall proceed in the same manner as in the case of an application by the Board under subsection (e) of this section, and shall have the same jurisdiction to grant to the Board such temporary relief or restraining order as it deems just and proper, and in like manner to make and enter a decree enforcing, modifying, and enforcing as so modified, or setting aside in whole or in part the order of the Board; the findings of the Board with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall in like manner be conclusive.

(g) Institution of court proceedings as stay of Board’s order

The commencement of proceedings under subsection (e) or (f) of this section shall not, unless specifically ordered by the court, operate as a stay of the Board’s order.

(h) Jurisdiction of courts unaffected by limitations prescribed in chapter 6 of this title

When granting appropriate temporary relief or a restraining order, or making and entering a decree enforcing, modifying, and enforcing as so modified or setting aside in whole or in part an order of the Board, as provided in this section, the jurisdiction of courts sitting in equity shall not be limited by chapter 6 of this title.

(j) Injunctions

The Board shall have power, upon issuance of a complaint as provided in subsection (b) of this section charging that any person has engaged in or is engaging in an unfair labor practice, to petition any United States district court, within any district wherein the unfair labor practice in question is alleged to have occurred or wherein such person resides or transacts business, for appropriate temporary relief or restraining order. Upon the filing of any such petition the court shall cause notice thereof to be served upon such person, and thereupon shall have jurisdiction to grant to the Board such temporary relief or restraining order as it deems just and proper.

(k) Hearings on jurisdictional strikes

Whenever it is charged that any person has engaged in an unfair labor practice within the meaning of paragraph (4)(D) of section 158(b) of this title, the Board is empowered and directed to hear and determine the dispute out of which such unfair labor practice shall have arisen, unless, within ten days after notice that such charge has been filed, the parties to such dispute submit to the Board satisfactory evidence that they have adjusted, or agreed upon methods for the voluntary adjustment of, the dispute. Upon compliance by the parties to the dispute with the decision of the Board or upon such voluntary adjustment of the dispute, such charge shall be dismissed.

(l) Boycotts and strikes to force recognition of uncertified labor organizations; injunctions; notice; service of process

Whenever it is charged that any person has engaged in an unfair labor practice within the meaning of paragraph (4)(A), (B), or (C) of section 158(b) of this title, or section 158(e) of this title or section 158(b)(7) of this title, the preliminary investigation of such charge shall be made forthwith and given priority over all other cases except cases of like character in the office where it is filed or to which it is referred. If, after such investigation, the officer or regional attorney to whom the matter may be referred has reasonable cause to believe such charge is true and that a complaint should issue, he shall, on behalf of the Board, petition any United States district court within any district where the unfair labor practice in question has occurred, is alleged to have occurred, or wherein such person resides or transacts business, for appropriate injunctive relief pending the final adjudication of the Board with respect to such matter. Upon the filing of any such petition the district court shall have jurisdiction to grant such injunctive relief or temporary restraining order as it deems just and proper, notwithstanding any other provision of law: Provided further, That no temporary restraining order shall be issued without notice unless a petition alleges that substantial and irreparable injury to the charging party will be unavoidable and such temporary restraining order shall be effective for no longer than five days and will become void at the expiration of such period: Provided further, That such officer or regional attorney shall not apply for any re-
straining order under section 158(b)(7) of this title if a charge against the employer under section 158(a)(2) of this title has been filed and after the preliminary investigation, he has reasonable cause to believe that such charge is true and that a complaint should issue. Upon filing of any such petition the courts shall cause notice thereof to be served upon any person involved in the charge and such person, including the charging party, shall be given an opportunity to appear by counsel and present any relevant testimony. Provided further. That for the purposes of this subsection district courts shall be deemed to have jurisdiction of a labor organization (1) in the district in which such organization maintains its principal office, or (2) in any district in which its duly authorized officers or agents are engaged in promoting or protecting the interests of employees members. The service of legal process upon such officer or agent shall constitute service upon the labor organization and make such organization a party to the suit. In situations where such relief is appropriate the procedure specified herein shall apply to charges with respect to section 158(b)(4)(D) of this title.

(m) Priority of cases

Whenever it is charged that any person has engaged in an unfair labor practice within the meaning of subsection (a)(3) or (b)(2) of section 158 of this title, such charge shall be given priority over all other cases except cases of like character in the office where it is filed or to which it is referred and cases given priority under subsection (l) of this section.

The rules of evidence applicable in the district courts of the United States, referred to in subsec. (b), are set out in the Appendix to Title 28, Judiciary and Judicial Procedure.

The rules of civil procedure for the district courts of the United States, referred to in subsec. (b), are set out in the Appendix to Title 28.

Chapter 6 (§101 et seq.) of this title, referred to in subsec. (h), is a reference to Act Mar. 23, 1932, ch. 97, 47 Stat. 76, popularly known as the Norris-LaGuardia Act.

CODIFICATION

In subsec. (c), “administrative law judge or judges” and “such judge or judges” substituted for “examiner or examiners” and “such examiner or examiners”, respectively, pursuant to section 3105 of Title 5, Government Organization and Employees, and section 3 of Pub. L. 95–251, Mar. 27, 1978, 92 Stat. 184, which is set out as a note under section 3105 of Title 5.

As originally enacted subsecs. (j) and (l) contained references to the District Court of the United States for the District of Columbia. Act June 25, 1948, as amended by act May 24, 1949, substituted “United States District Court for the District of Columbia” for “District Court of the United States for the District of Columbia”. However, the words “United States District Court for the District of Columbia” have now been deleted entirely as superfluous in view of section 132(a) of Title 28, Judiciary and Judicial Procedure, which states that “There shall be in each judicial district a district court which shall be a court of record known as the United States District Court for the district”, and section 88 of Title 28 which states that “the District of Columbia constitutes one judicial district”.

AMENDMENTS

1969—Subsec. (d). Pub. L. 90–257, §704(d), included unfair labor practices within the meaning of sections 158(e) and 158(b)(7) of this title, and inserted proviso prohibiting the officer or regional attorney from applying for any restraining order under section 158(a)(2) of this title if a charge against the employer under section 158(e) of this title has been filed and after the preliminary investigation, he has reasonable cause to believe that such charge is true and that a complaint should issue.

1958—Subsec. (d). Pub. L. 85–791, §13(a), struck out “out a transcript of” after “until”.

Subsec. (e). Pub. L. 85–791, §13(b), struck out “(including the United States Court of Appeals for the District of Columbia)” in second sentence and substituted “file in the court the record in the proceedings, as provided in section 2112 of title 28” for “certify and file in the court a transcript of the entire record in the proceedings including the pleadings and testimony upon which such order was entered and the findings and order of the Board” in first sentence, in second sentence substituted “the filing of such petition” for “such filing of” and struck out “upon the pleadings, testimony and proceedings set forth in such transcript” after “make and enter”, in fifth sentence substituted “member” for “members” after “before the Board, its”, and substituted “record” for “transcript”, and in seventh sentence substituted “Upon the filing of the record with it the” for “The”, and “section 1254 of title 28” for “sections 346 and 347 of title 28.”

Subsec. (f). Pub. L. 85–791, §13(c), substituted “transmitted by the clerk of the court to” for “served upon” and “the record in the proceeding, certified by the Board, as provided in section 2112 of title 28” for “a transcript of the entire record in the proceeding, certified by the Board including the pleading and testimony upon which the order complained of was entered, and the findings and order of the Board” in second sentence and, in third sentence substituted “the filing of such petition,” for “such filing”, and struck out “exclusive” before “jurisdiction”.

1947—Act June 23, 1947, amended section generally and added subsecs. § 161. Investigatory powers of Board

For the purpose of all hearings and investigations, which, in the opinion of the Board, are necessary and proper for the exercise of the powers vested in it by sections 159 and 160 of this title—

(1) Documentary evidence; summoning witnesses and taking testimony

The Board, or its duly authorized agents or agencies, shall at all reasonable times have access to, for the purpose of examination, and the right to copy any evidence of any person being investigated or proceeded against that relates to any matter under investigation or in question. The Board, or any member thereof, shall upon application of any party to such proceedings, forthwith issue to such party subpoenas requiring the attendance and testimony of witnesses or the production of any evidence in such proceedings or investigation requested in such application. Within five days after the service of a subpoena on any person requiring the production of any evidence in his possession or under his control, such person may petition the Board to revoke, and the Board shall revoke, such subpoena if in its opinion the evidence whose production is required does not relate to any matter under investigation, or any matter in question in such proceedings, or if in its opinion such subpoena does not describe with sufficient particularity the evidence whose production is required. Any member of the Board, or any agent or agency designated by the Board for such purposes, may administer oaths and affirmations, examine witnesses, and receive evidence. Such attendance of witnesses and the production of such evidence may be required from any place in the United States or any Territory or possession thereof, at any designated place of hearing.

(2) Court aid in compelling production of evidence and attendance of witnesses

In case of contumacy or refusal to obey a subpoena issued to any person, any district court of the United States or the United States courts of any Territory or possession, within the jurisdiction of which the inquiry is carried on or within the jurisdiction of which said person guilty of contumacy or refusal to obey is found or resides or transacts business, upon application by the Board shall have jurisdiction to issue to such person an order requiring such person to appear before the Board, its member, agent, or agency, there to produce evidence if so ordered, or there to give testimony touching the matter under investigation or in question; and any failure to obey such order of the court may be punished by said court as a contempt thereof.

(4) Process, service and return; fees of witnesses

Complaints, orders, and other process and papers of the Board, its member, agent, or agency, may be served either personally or by registered or certified mail or by telegraph or by leaving a copy thereof at the principal office or place of business of the person required to be served. The verified return by the individual so serving the same setting forth the manner of such service shall be proof of the same, and the return post office receipt or telegraph receipt therefor when registered or certified and mailed or when telegraphed as aforesaid shall be proof of service of the same. Witnesses summoned before the Board, its member, agent, or agency, shall be paid the same fees and mileage that are paid witnesses in the courts of the United States, and witnesses whose depositions are taken and the persons taking the same shall be entitled to the same fees as are paid for like services in the courts of the United States.

(5) Process, where served

All process of any court to which application may be made under this subchapter may be served in the judicial district wherein the defendant or other person required to be served resides or may be found.

(6) Information and assistance from departments

The several departments and agencies of the Government, when directed by the President, shall furnish the Board, upon its request, all records, papers, and information in their possession relating to any matter before the Board.

(7) Mailing of process

EXECUTIVE ORDER No. 11849

§ 172. Federal Mediation and Conciliation Service

(a) Creation; appointment of Director

There is created an independent agency to be known as the Federal Mediation and Conciliation Service (herein referred to as the “Service”), except that for sixty days after June 23, 1947, such term shall refer to the Conciliation Service of the Department of Labor). The Service shall be under the direction of a Federal Mediation and Conciliation Director (hereinafter referred to as the “Director”), who shall be appointed by the President by and with the advice and consent of the Senate. The Director shall not engage in any other business, vocation, or employment.

(b) Appointment of officers and employees; expenditures for supplies, facilities, and services

The Director is authorized, subject to the civil service laws, to appoint such clerical and other personnel as may be necessary for the execution of the functions of the Service, and shall fix their compensation in accordance with chapter 51 and subchapter III of chapter 53 of title 5, and may, without regard to the provisions of the civil service laws, appoint such conciliators and mediators as may be necessary to carry out the functions of the Service. The Director is authorized to make such expenditures for supplies, facilities, and services as he deems necessary. Such expenditures shall be allowed and paid upon presentation of itemized vouchers therefor approved by the Director or by any employee designated by him for that purpose.

(c) Principal and regional offices; delegation of authority by Director; annual report to Congress

The principal office of the Service shall be in the District of Columbia, but the Director may establish regional offices convenient to localities in which labor controversies are likely to arise. The Director may by order, subject to revocation at any time, delegate any authority or discretion conferred upon him by this chapter to any regional director, or other officer or employee of the Service. The Director may establish suitable procedures for cooperation with State and local mediation agencies. The Director shall make an annual report in writing to Congress at the end of the fiscal year.

(d) Transfer of all mediation and conciliation services to Service; effective date; pending proceedings unaffected

All mediation and conciliation functions of the Secretary of Labor or the United States Conciliation Service under section 51 of this title, and all functions of the United States Conciliation Service under any other law are transferred to the Federal Mediation and Conciliation Service, together with the personnel and records of the United States Conciliation Service. Such transfer shall take effect upon the sixtyieth day after June 23, 1947. Such transfer shall not affect any proceedings pending before the United States Conciliation Service or any certification, order, rule, or regulation theretofore made by it or by the Secretary of Labor. Section 51 of this title, referred to in subsec. (d), was repealed by Pub. L. 89–554, § 8(a), Sept. 6, 1966, 80 Stat. 642.

CODIFICATION

Provisions of subsec. (a) which prescribed the basic annual compensation of the Director were omitted to conform to the provisions of the Executive Schedule. See section 5314 of Title 5, Government Organization and Employees.

In subsec. (b), “chapter 51 and subchapter III of chapter 53 of title 5” substituted for “the Classification Act of 1949, as amended” on authority of Pub. L. 89–554, § 7(b), Sept. 6, 1966, 80 Stat. 631, the first section of which enacted Title 5.

Provisions of subsec. (b) that authorized the Director to fix the compensation of conciliators and mediators
without regard to the Classification Act of 1923, as amended, have been omitted as obsolete. Sections 1202 and 1204 of the Classification Act of 1949, 63 Stat. 972, 973, repealed the Classification Act of 1923 and all other laws or parts of laws inconsistent with the 1949 Act. While section 1106(a) of the 1949 Act provided that references in other laws to the 1923 Act should be held and considered to mean the 1949 Act, it did not have the effect of continuing the exceptions contained in this section because of section 1106(b) which provided that the application of the 1949 Act to any position, officer, or employee shall not be affected by section 1106(a). The Classification Act of 1949 was repealed by Pub. L. 89–554, Sept. 6, 1966, §8(a), 80 Stat. 652 (of which section 1 revised and enacted Title 5, Government Organization and Employees, into law). Section 5102 of Title 5 contains the applicability provisions of the 1949 Act, and section 5103 of Title 5 authorizes the Office of Personnel Management to determine the applicability to specific positions and employees.

§173. Functions of Service

(a) Settlement of disputes through conciliation and mediation

It shall be the duty of the Service, in order to prevent or minimize interruptions of the free flow of commerce growing out of labor disputes, to assist parties to labor disputes in industries affecting commerce to settle such disputes through conciliation and mediation.

(b) Intervention on motion of Service or request of parties; avoidance of mediation of minor disputes

The Service may proffer its services in any labor dispute in any industry affecting commerce, either upon its own motion or upon the request of one or more of the parties to the dispute, whenever in its judgment such dispute threatens to cause a substantial interruption of commerce. The Director and the Service are directed to avoid attempting to mediate disputes which would have only a minor effect on interstate commerce if State or other conciliation services are available to the parties. Whenever the Service does proffer its services in any dispute, it shall be the duty of the Service promptly to put itself in communication with the parties and to use its best efforts, by mediation and conciliation, to bring them to agreement.

(c) Settlement of disputes by other means upon failure of conciliation

If the Director is not able to bring the parties to agreement by conciliation within a reasonable time, he shall seek to induce the parties voluntarily to seek other means of settling the dispute without resort to strike, lock-out, or other coercion, including submission to the employees in the bargaining unit of the employer’s last offer of settlement for approval or rejection in a secret ballot. The failure or refusal of either party to agree to any procedure suggested by the Director shall not be deemed a violation of any duty or obligation imposed by this chapter.

(d) Use of conciliation and mediation services as last resort

Final adjustment by a method agreed upon by the parties is declared to be the desirable method for settlement of grievance disputes arising under the application or interpretation of any existing collective-bargaining agreement. The Service is directed to make its conciliation and mediation services available in the settlement of such grievance disputes only as a last resort and in exceptional cases.

(e) Encouragement and support of establishment and operation of joint labor management activities conducted by committees

The Service is authorized and directed to encourage and support the establishment and operation of joint labor management activities conducted by plant, area, and industrywide committees designed to improve labor management relationships, job security and organizational effectiveness, in accordance with the provisions of section 175a of this title.

(f) Use of alternative means of dispute resolution procedures; assignment of neutrals and arbitrators

The Service may make its services available to Federal agencies to aid in the resolution of disputes under the provisions of subchapter IV of chapter 5 of title 5. Functions performed by the Service may include assisting parties to disputes related to administrative programs, training persons in skills and procedures employed in alternative means of dispute resolution, and furnishing officers and employees of the Service to act as neutrals. Only officers and employees who are qualified in accordance with section 573 of title 5 may be assigned to act as neutrals. The Service shall consult with the agency designated by, or the interagency committee designated or established by, the President under section 573 of title 5 in maintaining rosters of neutrals and arbitrators, and to adopt such procedures and rules as are necessary to carry out the services authorized in this subsection.

(a) The Congress finds that the existence, in industries engaged in commerce or in the production of goods for commerce, of labor conditions detrimental to the maintenance of the minimum standard of living necessary for health, efficiency, and general well-being of workers (1) causes commerce and the channels and instrumentalities of commerce to be used to spread and perpetuate such labor conditions among the workers of the several States; (2) burdens commerce and the free flow of goods in commerce; (3) constitutes an unfair method of competition in commerce; (4) leads to labor disputes burdening and obstructing commerce and the free flow of goods in commerce; and (5) interferes with the orderly and fair marketing of goods in commerce. (A) The rate or rates applicable under the most recent wage order issued by the Secretary prior to the effective date of the Fair Labor Standards Amendments of 1966, increased by 12 per centum, unless such rate or rates are superseded by the rate or rates prescribed in a wage order issued by the Secretary pursuant to the recommendations of a review committee appointed under paragraph (C). Such rate or rates shall become effective sixty days after the effective date of the Fair Labor Standards Amendments of 1966 or one year from the effective date of the most recent wage order applicable to such employee therefore issued by the Secretary pursuant to the recommendations of a special industry committee appointed under section 205 of this title, whichever is later.

(B) Beginning one year after the applicable effective date under paragraph (A), not less than the rate or rates prescribed by paragraph (A), increased by an amount equal to 16 per centum of the rate or rates applicable under the most recent wage order issued by the Secretary prior to the effective date of the Fair Labor Standards Amendments of 1966, unless such rate or rates are superseded by the rate or rates prescribed in a wage order issued by the Secretary pursuant to the recommendations of a review committee appointed under paragraph (C).

(C) Any employer, or group of employers, employing a majority of the employees of an industry in Puerto Rico or the Virgin Islands, may apply to the Secretary in writing for the appointment of a review committee to recommend the minimum rate or rates to be paid such employees in lieu of the rate or rates provided by paragraph (A) or (B). The Secretary shall promptly consider such application and may appoint a review committee if he has reasonable cause to believe, on the basis of financial and other information contained in the application, that compliance with any applicable rate or rates prescribed by paragraph (A) or (B) will substantially curtail employment in such industry. The Secretary’s decision upon any such application shall be final. Any wage order issued pursuant to the recommendations of a review committee appointed under this paragraph shall take effect on the applicable effective date provided in paragraph (A) or (B).

(D) In the event a wage order has not been issued pursuant to the recommendation of a review committee prior to the applicable effective date under paragraph (A) or (B), the applicable percentage increase provided by any such paragraph shall take effect on the effective date prescribed therein, except with respect to the employees of an employer who filed an application under paragraph (C) and who files with the Secretary an undertaking with a surety or securities satisfactory to the Secretary for payment to his employees of an amount sufficient to compensate such employees for the difference between the wages they actually receive and the wages to which they are entitled under this subsection. “(4) The provisions of sections 205 and 208 of this title, relating to special industry committees, shall be applicable to review committees appointed under this subsection. The appointment of a review committee shall be in addition to and not in lieu of any special industry committee required to be appointed pursuant to the provisions of subsection (a) of section 205 of this title, except that no special industry committee shall hold any hearing within one year after a minimum
wage rate or rates for such industry shall have been recommended to the Secretary by a review committee to be paid in lieu of the rate or rates provided for under paragraphs (A) or (B). The minimum wage rate or rates prescribed by this subsection shall be in effect only for so long as and insofar as such minimum wage rate or rates have not been superseded by a wage order fixing a higher minimum wage rate or rates (but not in excess of the applicable rate prescribed in subsection (a) or subsection (b) of this section) hereafter issued by the Secretary pursuant to the recommendation of a special industry committee.

No objection to the order of the Secretary shall be considered by the court unless such objection shall have been urged before such industry committee or unless there were reasonable grounds for failure so to do. If application is made to the court for leave to adduce additional evidence, and it is shown to the satisfaction of the court that such additional evidence may materially affect the result of the proceeding and that there were reasonable grounds for failure to adduce such evidence in the proceedings before such industry committee, the court may order such additional evidence to be taken before an industry committee and to be adduced upon the hearing in such manner and upon such terms and conditions as to the court may seem proper. Such industry committee may modify the initial findings by reason of the additional evidence so taken, and shall file with the court such modified or new findings which if supported by substantial evidence shall be conclusive, and shall also file its recommendation, if any, for the modification or setting aside of the original order. (b) The commencement of proceedings under subsection (a) of this section shall not, unless specifically ordered by the court, operate as a stay of the Administrator’s order. The court shall not grant any stay of the order unless the person complaining of such order shall file in court an undertaking with a surety or sureties satisfactory to the court for the payment to the employees affected by the order, in the event such order is affirmed, of the amount by which the compensation such employees are entitled to receive under the order exceeds the compensation they actually receive while such stay is in effect.

(iii) the on-off switch of the scrap paper balers and paper box compactors is maintained in an off position when the scrap paper balers and paper box compactors are not in operation; and

(iv) the employer of 16- and 17-year-old employees provides notice, and posts a notice, on the scrap paper balers and paper box compactors stating that—

(C)(i) Employers shall prepare and submit to the Secretary reports—

1 See References in Text note below.

(vi) The Secretary shall, prior to making such a determination, conduct an investigation and inspection in accordance with section 212(b) of this title.

(vii) The reporting requirements of this subparagraph shall expire 2 years after August 6, 1996.

ment of a student by such employer if such employer certifies to the Secretary that the employment of such student will not reduce the full-time employment opportunities of persons other than those employed under special certificates issued under this subsection, and

(ii) in the case of an employer which is a retail or service establishment, subparagraph (B) of paragraph (1) shall not apply with respect to the issuance of special certificates for such employer under such paragraph.

The requirement of this subparagraph shall not apply in the case of the issuance of special certificates under paragraph (3) for the employment of full-time students by institutions of higher education; except that if the Secretary determines that an institution of higher education is employing students under certificates issued under paragraph (3) but in violation of the requirements of this paragraph or of regulations issued thereunder, the requirements of this subparagraph shall be deemed to be satisfied with respect to the issuance of special certificates under paragraph (3) for the employment of students by such institution.

(C) No special certificate may be issued under this subsection unless the employer for whom the certificate is to be issued provides evidence satisfactory to the Secretary of the student status of the employees to be employed under such special certificate.

(D) To minimize paperwork for, and to encourage, small businesses to employ students under special certificates issued under paragraphs (1) and (2), the Secretary shall, by regulation or order, prescribe a simplified application form to be used by employers in applying for such a certificate for the employment of not more than six full-time students. Such an application shall require only—

(ii) a listing of the date the applicant began business, and

(iii) the certification that the employment of such full-time students will not reduce the full-time employment opportunities of persons other than persons employed under special certificates.

(c) Handicapped workers

(1) The Secretary, to the extent necessary to prevent curtailment of opportunities for employment, shall by regulation or order provide for the employment, under special certificates, of individuals (including individuals employed in agriculture) whose earning or productive capacity is impaired by age, physical or mental deficiency, or injury, at wages which are—

(A) lower than the minimum wage applicable under section 206 of this title,

(B) commensurate with those paid to nonhandicapped workers, employed in the vicinity in which the individuals under the certificates are employed, for essentially the same type, quality, and quantity of work, and

(C) related to the individual’s productivity.

(2) The Secretary shall not issue a certificate under paragraph (1) unless the employer provides written assurances to the Secretary that—

(A) in the case of individuals paid on an hourly rate basis, wages paid in accordance with paragraph (1) will be reviewed by the employer at periodic intervals at least once every six months, and

(B) wages paid in accordance with paragraph (1) will be adjusted by the employer at periodic intervals, at least once each year, to reflect changes in the prevailing wage paid to experienced nonhandicapped individuals employed in the locality for essentially the same type of work.

(3) Notwithstanding paragraph (1), no employer shall be permitted to reduce the hourly wage rate prescribed by certificate under this subsection in effect on June 1, 1986, of any handicapped individual for a period of two years from such date without prior authorization of the Secretary.

(4) Nothing in this subsection shall be construed to prohibit an employer from maintaining or establishing work activities centers to provide therapeutic activities for handicapped clients.

(5)(A) Notwithstanding any other provision of this subsection, any employee receiving a special minimum wage at a rate specified pursuant to this subsection or the parent or guardian of such an employee may petition the Secretary to obtain a review of such special minimum wage rate. An employee or the employee’s parent or guardian may file such a petition for and in behalf of the employee and other employees similarly situated. No employee may be a party to any such action unless the employee or the employee’s parent or guardian gives consent in writing to become such a party and such consent is filed with the Secretary.

(B) Upon receipt of a petition filed in accordance with subparagraph (A), the Secretary within ten days shall assign the petition to an administrative law judge appointed pursuant to section 554 of title 5. The administrative law judge shall conduct a hearing on the record in accordance with section 554 of title 5 with respect to such petition within thirty days after assignment.

(C) In any such proceeding, the employer shall have the burden of demonstrating that the special minimum wage rate is justified as necessary in order to prevent curtailment of opportunities for employment.

(D) In determining whether any special minimum wage rate is justified as necessary in order to prevent curtailment of opportunities for employment.

(i) the productivity of the employee or employees identified in the petition and the conditions under which such productivity was measured; and

(ii) the productivity of other employees performing work of essentially the same type and quality for other employers in the same vicinity.

(E) The administrative law judge shall issue a decision within thirty days after the hearing provided for in subparagraph (B). Such action shall be deemed to be a final agency action unless within thirty days the Secretary grants a
request to review the decision of the administrative law judge. Either the petitioner or the employer may request review by the Secretary within fifteen days of the date of issuance of the decision by the administrative law judge.

89 The Secretary, within thirty days after receiving a request for review, shall review the record and either adopt the decision of the administrative law judge, together with any exceptions, shall be deemed to be a final agency action.

(a) A final agency action shall be subject to judicial review pursuant to chapter 7 of title 5. An action seeking such review shall be brought within thirty days of a final agency action described in subparagraph (F).

(d) Employment by schools

The Secretary may by regulation or order provide that sections 206 and 207 of this title shall not apply in the case of employment by any elementary or secondary school of its students if such employment constitutes, as determined under regulations prescribed by the Secretary, an integral part of the regular education program provided by such school and such employment is in accordance with applicable child labor laws.

§ 218c. Protections for employees

(a) Prohibition

No employer shall discharge or in any manner discriminate against any employee with respect to his or her compensation, terms, conditions, or other privileges of employment because the employee (or an individual acting at the request of the employee) has—

(1) received a credit under section 36B of Title 26 or a subsidy under section 18071 of title 42;¹
(2) provided, caused to be provided, or is about to provide or cause to be provided to the employee, the Federal Government, or the attorney general of a State information relating to any violation of, or any act or omission the employee reasonably believes to be a violation of, any provision of this title¹ (or an amendment made by this title);¹
(3) testified or is about to testify in a proceeding concerning such violation;
(4) assisted or participated, or is about to assist or participate, in such a proceeding; or
(5) objected to, or refused to participate in, any activity, policy, practice, or assigned task that the employee (or other such person) reasonably believed to be in violation of any provision of this title¹ (or amendment), or any order, rule, regulation, standard, or ban under this title¹ (or amendment).

(b) Complaint procedure

(1) In general

An employee who believes that he or she has been discharged or otherwise discriminated against by any employer in violation of this section may seek relief in accordance with the procedures, notifications, burdens of proof, remedies, and statutes of limitation set forth in section 2087(b) of title 15.

(2) No limitation on rights

stand, (1) the payment of such liabilities would bring about financial ruin of many employers and seriously impair the capital resources of many others, thereby resulting in the reduction of industrial operations, halting of expansion and development, curtailing employment, and the earning power of employees; (2) the credit of many employers would be seriously impaired; (3) there would be created both an extended and continuous uncertainty on the part of industry, both employer and employee, as to the financial condition of productive establishments and a gross inequality of competitive conditions between employers and between industries; (4) employees would receive windfall payments, including liquidated damages, of sums for activities performed by them without any expectation of reward beyond that included in their agreed rates of pay; (5) there would occur the promotion of increasing demands for payment to employees for engaging in activities no compensation for which had been contemplated by either the employer or employee at the time they were engaged in; (6) voluntary collective bargaining would be interfered with and industrial disputes between employees and employers and between employees and employees would be created; (7) the courts of the country would be burdened with excessive and needless litigation and chagrntous practices would be encouraged; (8) the Public Treasury would be deprived of large sums of revenues and public finances would be seriously deranged by claims against the Public Treasury for refunds of taxes already paid; (9) the cost to the Government of goods and services heretofore and hereafter purchased by its various departments and agencies would be unreasonably increased and the Public Treasury would be seriously affected by consequent increased cost of war contracts; and (10) serious and adverse effects upon the revenues of Federal, State, and local governments would occur.

The Congress further finds that all of the foregoing constitutes a substantial burden on commerce and a substantial obstruction to the free flow of goods in commerce.

The Congress, therefore, further finds and declares that it is in the national public interest and for the general welfare, essential to national defense, and necessary to aid, protect, and foster commerce, that this chapter be enacted.

The Congress further finds that the varying and extended periods of time for which, under the laws of the several States, potential retroactive liability may be imposed upon employers, have given and will give rise to great difficulties in the sound and orderly conduct of business and industry.

The Congress further finds and declares that all of the results which have arisen or may arise under the Fair Labor Standards Act of 1938, as amended, as aforesaid, may (except as to liability for liquidated damages) arise with respect to the Walsh-Healey and Bacon-Davis Acts and that it is, therefore, in the national public interest and for the general welfare, essential to national defense, and necessary to aid, protect, and foster commerce, that this chapter shall apply to the Walsh-Healey Act and the Bacon-Davis Act.

(b) It is declared to be the policy of the Congress in order to meet the existing emergency and to correct existing evils (1) to relieve and protect, interstate commerce from practices which burden and obstruct it; (2) to protect the right of collective bargaining; and (3) to define and limit the jurisdiction of the courts.

In exercising his power under this section the
Secretary shall prescribe by general rule simplified reports for labor organizations or employers for whom he finds that by virtue of their size a detailed report would be unduly burdensome, but the Secretary may revoke such provision for simplified forms of any labor organization or employer if he determines, after such investigation as he deems proper and due notice and opportunity for a hearing, that the purposes of this section would be served thereby.

Every bona fide candidate shall have the right, once within 30 days prior to an election of a labor organization in which he is a candidate, to inspect a list containing the names and last known addresses of all members of the labor organization who are subject to a collective bargaining agreement requiring membership therein as a condition of employment, which list shall be maintained and kept at the principal office of such labor organization by a designated official thereof. Not less than fifteen days prior to the election notice thereof shall be mailed to each member at his last known home address. Each member in good standing shall be entitled to one vote. No member whose dues have been withheld by his employer for payment to such organization pursuant to his voluntary authorization provided for in a collective bargaining agreement shall be declared ineligible to vote or be a candidate for office in such organization by reason of alleged delay or default in the payment of dues. (a) Filing of complaint; presumption of validity of challenged election

A member of a labor organization—

(1) who has exhausted the remedies available under the constitution and bylaws of such organization and of any parent body, or

(2) who has invoked such available remedies without obtaining a final decision within three calendar months after their invocation, may file a complaint with the Secretary within one calendar month thereafter alleging the violation of any provision of section 481 of this title (including violation of the constitution and bylaws of the labor organization pertaining to the election and removal of officers). The challenged election shall be presumed valid pending a final decision thereon (as hereinafter provided) and in the interim the affairs of the organization shall be conducted by the officers elected or in such other manner as its constitution and bylaws may provide.

(b) Investigation of complaint; commencement of civil action by Secretary; jurisdiction; preservation of assets

The Secretary shall investigate such complaint and, if he finds probable cause to believe that a violation of this subchapter has occurred and has not been remedied, he shall, within sixty days after the filing of such complaint, bring a civil action against the labor organization as an entity in the district court of the United States in which such labor organization maintains its principal office to set aside the invalid election of any member of a labor organization—

(1) who has exhausted the remedies available under the constitution and bylaws of such labor organization as insofar as they are not inconsistent with the provisions of this subchapter.

(c) Declaration of void election; order for new election; certification of election to court; decree; certification of result of vote for removal of officers

If, upon a preponderance of the evidence after a trial upon the merits, the court finds—

(1) that an election has not been held within the time prescribed by section 481 of this title, or

(2) that the violation of section 481 of this title may have affected the outcome of an election, the court shall declare the election, if any, to be void and direct the conduct of a new election under supervision of the Secretary and, so far as
lawful and practicable, in conformity with the constitution and bylaws of the labor organization. The Secretary shall promptly certify to the court the names of the persons elected, and the court shall thereupon enter a decree declaring such persons to be the officers of the labor organization. If the proceeding is for the removal of officers pursuant to subsection (h) of section 481 of this title, the Secretary shall certify the results of the vote and the court shall enter a decree declaring whether such persons have been removed as officers of the labor organization.

(d) Review of orders; stay of order directing election

An order directing an election, dismissing a complaint, or designating elected officers of a labor organization shall be appealable in the same manner as the final judgment in a civil action. The remedy provided by this subchapter shall be exclusive. The remedy provided by this subchapter for challenging an election already conducted shall be exclusive.

§ 483. Application of other laws; existing rights and remedies; exclusiveness of remedy for challenging election

No labor organization shall be required by law to conduct elections of officers with greater frequency or in a different form or manner than is required by its own constitution or bylaws, except as otherwise provided by this subchapter. Existing rights and remedies to enforce the constitution and bylaws of a labor organization with respect to elections prior to the conduct thereof shall not be affected by the provisions of this subchapter. The remedy provided by this subchapter for challenging an election already conducted shall be exclusive.

SUBCHAPTER VI—SAFEGUARDS FOR LABOR ORGANIZATIONS

§ 501. Fiduciary responsibility of officers of labor organizations

(a) Duties of officers; exculpatory provisions and resolutions void

The officers, agents, shop stewards, and other representatives of a labor organization occupy positions of trust in relation to such organization and its members as a group. It is, therefore, the duty of each such person, taking into account the special problems and functions of a labor organization, to hold its money and property solely for the benefit of the organization and its members and to manage, invest, and expend the same in accordance with its constitution and bylaws and any resolutions of the governing bodies adopted thereunder, to refrain from dealing with such organization as an adverse party or in behalf of an adverse party in any matter connected with his duties and from holding or acquiring any pecuniary or personal interest which conflicts with the interests of such organization, and to account to the organization for any profit received by him in whatever capacity in connection with transactions conducted by him or under his direction on behalf of the organization. A general exculpatory provision in the constitution and bylaws of such a labor organization or a general exculpatory resolution of a governing body purporting to relieve any such person of liability for breach of the duties declared by this section shall be void as against public policy.

(b) Violation of duties; action by member after refusal or failure by labor organization to commence proceedings; jurisdiction; leave of court; counsel fees and expenses

When any officer, agent, shop steward, or representative of any labor organization is alleged to have violated the duties declared in subsection (a) of this section and the labor organization or its governing board or officers refuse or fail to sue or recover damages or secure an accounting or other appropriate relief within a reasonable time after being requested to do so by any member of the labor organization, such member may sue such officer, agent, shop steward, or representative in any district court of the United States or in any State court of competent jurisdiction to recover damages or secure an accounting or other appropriate relief for the benefit of the labor organization. No such proceeding shall be brought except upon leave of the court obtained upon verified application and for good cause shown, which application may be made ex parte. The trial judge may allot a reasonable part of the recovery in any action under this subsection to pay the fees of counsel prosecuting the suit at the instance of the member of the labor organization and to compensate such member for any expenses necessarily paid or incurred by him in connection with the litigation.

(c) Embezzlement of assets; penalty

Any person who embezzles, steals, or unlawfully and willfully abducts or converts to his own use, or the use of another, any of the moneys, funds, securities, property, or other assets of a labor organization of which he is an officer, or by which he is employed, directly or indirectly, shall be fined not more than $10,000 or imprisoned for not more than five years, or both.

§ 502. Bonding of officers and employees of labor organizations; amount, form, and placement of bonds; penalty for violation

(a) Every officer, agent, shop steward, or other representative or employee of any labor organization (other than a labor organization whose property and annual financial receipts do not exceed $5,000 in value), or of a trust in which a labor organization is interested, who handles funds or other property thereof shall be bonded to provide protection against loss by reason of acts of fraud or dishonesty on his part directly or through connivance with others. The bond of each such person shall be fixed at the beginning of the organization’s fiscal year and shall be in an amount not less than 10 per centum of the funds handled by him and his predecessor or predecessors, if any, during the preceding fiscal...
year, but in no case more than $500,000. If the labor organization or the trust in which a labor organization is interested does not have a preceding fiscal year, the amount of the bond shall be, in the case of a local labor organization, not less than $1,000, and in the case of any other labor organization or of a trust in which a labor organization is interested, not less than $10,000. Such bonds shall be individual or schedule in form, and shall have a corporate surety company as surety thereon. Any person who is not covered by such bonds shall not be permitted to receive, handle, disburse, or otherwise exercise custody or control of the funds or other property of a labor organization or of a trust in which a labor organization is interested. No such bond shall be placed through an agent or broker or with a surety company in which any labor organization or any officer, agent, shop steward, or other representative of a labor organization has any direct or indirect interest. Such surety company shall be a corporate surety which holds a grant of authority from the Secretary of the Treasury under sections 9304–9308 of title 31, as an acceptable surety on Federal bonds: Provided, That when in the opinion of the Secretary a labor organization has made other bonding arrangements which would provide the protection required by this section at comparable cost or less, he may exempt such labor organization from placing a bond through a surety company holding such grant of authority.

(b) Any person who willfully violates this section shall be fined not more than $10,000 or imprisoned for not more than one year, or both.

EX. ORD. NO. 13578. COORDINATING POLICIES ON AUTOMOTIVE COMMUNITIES AND WORKERS
Ex. Ord. No. 13578, July 6, 2011, 76 F.R. 40591, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

ACTION 1. Policy. Over the last decade, the United States has experienced a decline in employment in the automotive industry and among part suppliers. This decline accelerated dramatically from 2008 to 2009, with more than 400,000 jobs being lost in the industry. Now, 2 years later, the American automotive industry is beginning to recover. The automotive industry has, over the past 2 years, experienced its strongest period of job growth since the late 1990s. Exports have expanded, and the domestic automakers in 2010 gained market share for the first time since 1995. The automotive supply chain, which employs three times as many workers as the automakers, has also shown renewed strength. However, we still have a long way to go.

Over the past 2 years my Administration has undertaken coordinated efforts on behalf of automotive communities, including targeted technical and financial assistance. For example, the Department of Labor set aside funds for green jobs and job training for high-growth sectors of the economy specifically targeted to communities affected by the automotive downturn, and the Department of Commerce provided funds specifically for automotive communities to develop plans for economic recovery. Stabilizing the automotive industry will also require the use of expanded strategies by automotive communities that include land-use redevelopment, small business support, and worker training.

The purpose of this order is to continue the coordinated federal response to factors affecting automotive communities and workers and to ensure that Federal programs and policies address these concerns.

SIC. 2. Assignment of Responsibilities to the Secretary of Labor
(a) The Secretary of Labor shall:
(i) work to coordinate the development of policies and programs among executive departments and agencies toward the goal of coordinating the federal response to factors that have a distinct impact on automotive communities and workers, including through the coordination of economic adjustment assistance activities;
(ii) advise the President, in coordination with the Director of the National Economic Council, on the potential effects of pending legislation;
(iii) provide recommendations to the President, in coordination with the Director of the National Economic Council, on executive branch policy proposals affecting automotive communities and changes to Federal policies and programs intended to address issues of special importance to automotive communities and workers; and
(iv) conduct outreach to representatives of nonprofit organizations, businesses, labor organizations, State and local government agencies, elected officials, and other interested persons that will assist in bringing to the President’s attention concerns, ideas, and policy options for expanding and improving efforts to revitalize automotive communities.

(b) The Secretary of Labor shall perform the functions assigned by this order in coordination with the Director of the National Economic Council. The Secretary of Labor may delegate these responsibilities to the Executive Director of the Department of Labor Office of Recovery for Auto Communities and Workers.

SIC. 4. General Provisions. (a) The heads of executive departments and agencies shall assist and provide information to the Secretary of Labor or the Secretary’s designee, consistent with applicable law, as may be necessary to carry out the responsibilities assigned by this order.
(b) Nothing in this order shall be construed to impair or otherwise affect:
(i) authority granted by law to an executive department, agency, or the head thereof; or
(ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.
(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.
(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

BARACK OBAMA.

§ 552. Deputy Secretary: appointment; duties
There is established in the Department of Labor the office of Deputy Secretary of Labor, which shall be filled by appointment by the President, by and with the advice and consent of the Senate. The Deputy Secretary shall perform such duties as may be prescribed by the Secretary of Labor or required by law. (Apr. 17, 1946, ch. 140, § 1, 60 Stat. 91; Pub. L. 99-619, § 2(a)(1), Nov. 6, 1986, 100 Stat. 3491.)

§ 623. Prohibition of age discrimination

(a) Employer practices

It shall be unlawful for an employer—

(1) to fail or refuse to hire or to discharge any individual or otherwise discriminate against any individual with respect to his compensation, terms, conditions, or privileges of employment, because of such individual’s age;

(2) to limit, segregate, or classify his employees in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individual’s age; or

(3) to reduce the wage rate of any employee in order to comply with this chapter.

(b) Employment agency practices

It shall be unlawful for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of such individual’s age, or to classify or refer for employment any individual on the basis of such individual’s age.

(c) Labor organization practices

It shall be unlawful for a labor organization—

(1) to exclude or to expel from its membership, or otherwise to discriminate against, any individual because of his age;

(2) to limit, segregate, or classify its membership, or to classify or fail or refuse to refer for employment any individual in any way which would deprive or tend to deprive any individual of employment opportunities, or would limit such employment opportunities or otherwise adversely affect his status as an employee or as an applicant for employment, because of such individual’s age;

(3) to cause or attempt to cause an employer to discriminate against an individual in violation of this section.

(d) Opposition to unlawful practices; participation in investigations, proceedings, or litigation

It shall be unlawful for an employer to discriminate against any of his employees or applicants for employment, for an employment agency to discriminate against any individual, or for a labor organization to discriminate against any member thereof or applicant for membership, because such individual, member or applicant for membership has opposed any practice made unlawful by this section, or because such individual, member or applicant for membership has made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or litigation under this chapter.

(e) Printing or publication of notice or advertisement indicating preference, limitation, etc.

It shall be unlawful for an employer, labor organization, or employment agency to print or publish, or cause to be printed or published, any notice or advertisement relating to employment by such an employer or membership in or any classification or referral for employment by such a labor organization, or relating to any classification or referral for employment by such an employment agency, indicating any preference, limitation, specification, or discrimination, based on age.

(f) Lawful practices; age an occupational qualification; other reasonable factors; laws of foreign workplace; seniority system; employee benefit plans; discharge or discipline for good cause

It shall not be unlawful for an employer, employment agency, or labor organization—

(1) to take any action otherwise prohibited under subsections (a), (b), (c), or (e) of this section where age is a bona fide occupational qualification reasonably necessary to the normal operation of the particular business, or where the differentiation is based on reasonable factors other than age, or where such practices involve an employee in a workplace in a foreign country, and compliance with such subsections would cause such employer, or a corporation controlled by such employer, to violate the laws of the country in which such workplace is located;

(2) to take any action otherwise prohibited under subsection (a), (b), (c), or (e) of this section—

(A) to observe the terms of a bona fide seniority system that is not intended to evade the purposes of this chapter, except that no such seniority system shall require or permit the involuntary retirement of any individual specified by section 631(a) of this title because of the age of such individual; or

(B) to observe the terms of a bona fide employee benefit plan—

(i) where, for each benefit or benefit package, the actual amount of payment made or cost incurred on behalf of an older worker is no less than that made or incurred on behalf of a younger worker, as permissible under section 1625.10, title 29, Code of Federal Regulations (as in effect on June 22, 1989); or

(ii) that is a voluntary early retirement incentive plan consistent with the relevant purpose or purposes of this chapter.

Notwithstanding clause (i) or (ii) of subparagraph (B), no such employee benefit plan or
voluntary early retirement incentive plan shall excuse the failure to hire any individual, and no such employee benefit plan shall require or permit the involuntary retirement of any individual specified by section 631(a) of this title, because of the age of such individual. An employer, employment agency, or labor organization acting under subparagraph (A), or under clause (i) or (ii) of subparagraph (B), shall have the burden of proving that such actions are lawful in any civil enforcement proceeding brought under this chapter; or (3) to discharge or otherwise discipline an individual for good cause.

(g) Repealed. Pub. L. 101–239, title VI, § 623

(h) Practices of foreign corporations controlled by American employers; foreign employers not controlled by American employers; factors determining control

(1) If an employer controls a corporation whose place of incorporation is in a foreign country, any practice by such corporation prohibited under this section shall be presumed to be such practice by such employer.

(2) The prohibitions of this section shall not apply where the employer is a foreign person not controlled by an American employer.

(3) For the purpose of this subsection the determination of whether an employer controls a corporation shall be based upon the—

(A) interrelation of operations,

(B) common management,

(C) centralized control of labor relations, and

(D) common ownership or financial control, of the employer and the corporation.

(i) Employee pension benefit plans; cessation or reduction of benefit accrual or of allocation to employee account; distribution of benefits after attainment of normal retirement age; compliance; highly compensated employees

(1) Except as otherwise provided in this subsection, it shall be unlawful for an employer, an employment agency, a labor organization, or any combination thereof to establish or maintain an employee pension benefit plan which re-

(A) in the case of a defined benefit plan, the cessation of an employee’s benefit accrual, or the reduction of the rate of an employee’s benefit accrual, because of age, or

(B) in the case of a defined contribution plan, the cessation of allocations to an employee’s account, or the reduction of the rate at which amounts are allocated to an employee’s account, because of age.

(2) Nothing in this section shall be construed to prohibit an employer, employment agency, or labor organization from observing any provision of an employee pension benefit plan to the extent that such provision imposes (without regard to age) a limitation on the amount of benefits that the plan provides or a limitation on the number of years of service or years of participation which are taken into account for purposes of determining benefit accrual under the plan.

(3) In the case of any employee who, as of the end of any plan year under a defined benefit plan, has attained normal retirement age under such plan—

(A) if distribution of benefits under such plan with respect to such employee has commenced as of the end of such plan year, then any requirement of this subsection for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of the actuarial equivalent of in-service distribution of benefits, and

(B) if distribution of benefits under such plan with respect to such employee has not commenced as of the end of such year in accordance with section 1056(a)(3) of this title and section 401(a)(14)(C) of title 26, and the payment of benefits under such plan with respect to such employee is not suspended during such plan year pursuant to section 1053(a)(3)(B) of this title or section 411(a)(3)(B) of title 26, then any requirement of this subsection for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of any adjustment in the benefit payable under the plan during such plan year attributable to the delay in the distribution of benefits after the attainment of normal retirement age.

The provisions of this paragraph shall apply in accordance with regulations of the Secretary of the Treasury. Such regulations shall provide for the application of the preceding provisions of this paragraph to all employee pension benefit plans subject to this subsection and may provide for the application of such provisions, in the case of any such employee, with respect to any period of time within a plan year.

(4) Compliance with the requirements of this subsection with respect to an employee pension benefit plan shall constitute compliance with the requirements of this section relating to benefit accrual under such plan.

(5) Paragraph (1) shall not apply with respect to any employee who is a highly compensated employee (within the meaning of section 414(q) of title 26) to the extent provided in regulations prescribed by the Secretary of the Treasury for purposes of precluding discrimination in favor of highly compensated employees within the meaning of subchapter D of chapter 1 of title 26.

(6) A plan shall not be treated as failing to meet the requirements of paragraph (1) solely because the subsidized portion of any early retirement benefit is disregarded in determining benefit accruals or it is a plan permitted by subsection (m) of this section.¹

(7) Any regulations prescribed by the Secretary of the Treasury pursuant to clause (v) of section 411(b)(1)(H) of title 26 and subparagraphs (C) and (D)² of section 411(b)(2) of title 26 shall apply with respect to the requirements of this subsection in the same manner and to the same extent as such regulations apply with respect to the requirements of such sections 411(b)(1)(H) and 411(b)(2).

(8) A plan shall not be treated as failing to meet the requirements of this section solely be-

cause such plan provides a normal retirement age described in section 1002(24)(B) of this title and section 411(a)(8)(B) of title 26.

(9) For purposes of this subsection—
(A) The terms "employee pension benefit plan", "defined benefit plan", "defined contribution plan", and "normal retirement age" have the meanings provided such terms in section 1002 of this title.
(B) The term "compensation" has the meaning provided by section 414(s) of title 26.

(10) SPECIAL RULES RELATING TO AGE.—
(A) COMPARISON TO SIMILARLY SITUATED YOUNGER INDIVIDUAL.—
(i) IN GENERAL.—A plan shall not be treated as failing to meet the requirements of paragraph (1) if a participant's accrued benefit, as determined as of any date under the terms of the plan, would be equal to or greater than that of any similarly situated, younger individual who is or could be a participant.
(ii) SIMILARLY SITUATED.—For purposes of this subparagraph, a participant is similarly situated to any other individual if such participant is identical to such other individual in every respect (including period of service, compensation, position, date of hire, work history, and any other respect) except for age.
(iii) DISREGARD OF SUBSIDIZED EARLY RETIREMENT BENEFITS.—In determining the accrued benefit as of any date for purposes of this clause, the subsidized portion of any early retirement benefit or retirement-type subsidy shall be disregarded.
(iv) ACCRUED BENEFIT.—For purposes of this subparagraph, the accrued benefit may, under the terms of the plan, be expressed as an annuity payable at normal retirement age, the balance of a hypothetical account, or the current value of the accumulated percentage of the employee's final average compensation.

(B) APPLICABLE DEFINED BENEFIT PLANS.—
(I) INTEREST CREDITS.—
(i) IN GENERAL.—An applicable defined benefit plan shall be treated as failing to meet the requirements of paragraph (1) unless the terms of the plan provide that any interest credit (or an equivalent amount) for any plan year shall be at a rate which is not greater than the market rate of return. A plan shall not be treated as failing to meet the requirements of this subparagraph merely because the plan provides for a reasonable minimum guaranteed rate of return or for a rate of return that is equal to the greater of a fixed or variable rate of return.
(ii) PRESERVATION OF CAPITAL.—An interest credit (or an equivalent amount) of less than zero shall in no event result in the account balance or similar amount being less than the aggregate amount of contributions credited to the account.
(iii) MARKET RATE OF RETURN.—The Secretary of the Treasury may provide by regulation for rules governing the calculation of a market rate of return for purposes of subclause (I) and for permissible methods of crediting interest to the account (including fixed or variable interest rates) resulting in effective rates of return meeting the requirements of subclause (I). In the case of a governmental plan (as defined in the first sentence of section 414(d) of title 26), a rate of return or a method of crediting interest established pursuant to any provision of Federal, State, or local law (including any administrative rule or policy adopted in accordance with any such law) shall be treated as a market rate of return for purposes of subclause (I) and a permissible method of crediting interest for purposes of meeting the requirements of subclause (I), except that this sentence shall only apply to a rate of return or method of crediting interest if such rate or method does not violate any other requirement of this chapter.

(II) SPECIAL RULE FOR PLAN CONVERSIONS.—If, after June 29, 2005, an applicable plan amendment is adopted, the plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the requirements of clause (iii) are met with respect to each individual who was a participant in the plan immediately before the adoption of the amendment.

(III) RATE OF BENEFIT ACCRUAL.—Subject to clause (iv), the requirements of this clause are met with respect to any participant if the accrued benefit of the participant under the terms of the plan as in effect after the amendment is not less than the sum of—
(I) the participant's accrued benefit for years of service before the effective date of the amendment, determined under the terms of the plan as in effect before the amendment, plus
(II) the participant's accrued benefit for years of service after the effective date of the amendment, determined under the terms of the plan as in effect after the amendment.

(IV) SPECIAL RULES FOR EARLY RETIREMENT SUBSIDIES.—For purposes of clause (iii)(I), the plan shall credit the accumulation account or similar amount with the amount of any early retirement benefit or retirement-type subsidy for the plan year in which the participant retires if, as of such time, the participant has met the age, years of service, and other requirements under the plan for entitlement to such benefit or subsidy.

(V) APPLICABLE PLAN AMENDMENT.—For purposes of this subparagraph—
(I) IN GENERAL.—The term "applicable plan amendment" means an amendment to a defined benefit plan which has the effect of converting the plan to an applicable defined benefit plan.
(II) SPECIAL RULE FOR COORDINATED BENEFITS.—If the benefits of 2 or more defined benefit plans established or maintained by an employer are coordinated in such a

manner as to have the effect of the adoption of an amendment described in subclause (1), the sponsor of the defined benefit plan or plans providing for such coordination shall be treated as having adopted such a plan amendment as of the date such coordination begins.

(III) MULTIPLE AMENDMENTS.—The Secretary of the Treasury shall issue regulations to prevent the avoidance of the purposes of this subparagraph through the use of 2 or more plan amendments rather than a single amendment.

(IV) APPLICABLE DEFINED BENEFIT PLAN.—For purposes of this subparagraph, the term “applicable defined benefit plan” has the meaning given such term by section 1053(f)(3) of this title.

(vi) TERMINATION REQUIREMENTS.—An applicable defined benefit plan shall not be treated as failing to meet the requirements of clause (i) unless the plan provides that, upon the termination of the plan—

(I) if the interest credit rate (or an equivalent amount) under the plan is a variable rate, the rate of interest used to determine accrued benefits under the plan shall be equal to the average of the rates of interest used under the plan during the 5-year period ending on the termination date, and

(II) the interest rate and mortality table used to determine the amount of any benefit under the plan payable in the form of an annuity payable at normal retirement age shall be the rate and table specified under the plan for such purpose as of the termination date, except that if such interest rate is a variable rate, the interest rate shall be determined under the rules of subclause (I).

(C) CERTAIN OFFSETS PERMITTED.—A plan shall not be treated as failing to meet the requirements of paragraph (1) solely because the plan provides offsets against benefits under the plan to the extent such offsets are allowable in applying the requirements of section 401(a) of title 26.

(D) PERMITTED DISPARITIES IN PLAN CONTRIBUTIONS OR BENEFITS.—A plan shall not be treated as failing to meet the requirements of paragraph (1) solely because the plan provides a disparity in contributions or benefits with respect to which the requirements of section 401(l) of title 26 are met.

(E) INDEXING PERMITTED.—

(i) IN GENERAL.—A plan shall not be treated as failing to meet the requirements of paragraph (1) solely because the plan provides for indexing of accrued benefits under the plan.

(ii) PROTECTION AGAINST LOSS.—Except in the case of any benefit provided in the form of a variable annuity, clause (i) shall not apply with respect to any indexing which results in an accrued benefit less than the accrued benefit determined without regard to such indexing.

(iii) INDEXING.—For purposes of this subparagraph, the term “indexing” means, in connection with an accrued benefit, the periodic adjustment of the accrued benefit by means of the application of a recognized investment index or methodology.

(F) EARLY RETIREMENT BENEFIT OR RETIREMENT-TYPE SUBSIDY.—For purposes of this paragraph, the terms “early retirement benefit” and “retirement-type subsidy” have the meaning given such terms in section 1054(g)(2)(A) of this title.

(G) BENEFIT ACCRUED TO DATE.—For purposes of this paragraph, any reference to the accrued benefit shall be a reference to such benefit accrued to date.

(i) Employment as firefighter or law enforcement officer

It shall not be unlawful for an employer which is a State, a political subdivision of a State, an agency or instrumentality of a State or a political subdivision of a State, or an interstate agency to fail or refuse to hire or to discharge any individual because of such individual’s age if such action is taken—

(1) with respect to the employment of an individual as a firefighter or as a law enforcement officer, the employer has complied with section 3(b)(2) of the Age Discrimination in Employment Amendments of 1996, if the individual was discharged after the date described in such section, and the individual has attained—

(A) the age of hiring or retirement, respectively, in effect under applicable State or local law on March 3, 1983; or

(B)(i) if the individual was not hired, the age of hiring in effect on the date of such failure or refusal to hire under applicable State or local law enacted after September 30, 1996; or

(ii) if applicable State or local law was enacted after September 30, 1996, and the individual was discharged, the higher of—

(I) the age of retirement in effect on the date of such discharge under such law; and

(II) age 55; and

(2) pursuant to a bona fide hiring or retirement plan that is not a subterfuge to evade the purposes of this chapter.

(k) Seniority system or employee benefit plan; compliance

A seniority system or employee benefit plan shall comply with this chapter regardless of the date of adoption of such system or plan.

(l) Lawful practices; minimum age as condition of eligibility for retirement benefits; deductions from severance pay; reduction of long-term disability benefits

Notwithstanding clause (i) or (ii) of subsection (f)(2)(B) of this section—

(1)(A) It shall not be a violation of subsection (a), (b), (c), or (e) of this section solely because—

(i) an employee pension benefit plan (as defined in section 1002(2) of this title) provides for the attainment of a minimum age as a condition of eligibility for normal or early retirement benefits; or

(ii) a defined benefit plan (as defined in section 1002(35) of this title) provides for—
(I) payments that constitute the subsidized portion of an early retirement benefit; or

(II) social security supplements for plan participants that commence before the age and terminate at the age (specified by the plan) when participants are eligible to receive reduced or unreduced old-age insurance benefits under title II of the Social Security Act (42 U.S.C. 401 et seq.), and that do not exceed such old-age insurance benefits.

(B) A voluntary early retirement incentive plan that—

(i) is maintained by—

(I) a local educational agency (as defined in section 7801 of title 20), or

(II) an education association which principally represents employees of 1 or more agencies described in subclause (I) and which is described in section 501(c)(5) or (6) of title 26 and exempt from taxation under section 501(a) of title 26, and

(ii) makes payments or supplements described in subclauses (I) and (II) of subparagraph (A)(ii) in coordination with a defined benefit plan (as so defined) maintained by an eligible employer described in section 457(e)(1)(A) of title 26 or by an education association described in clause (i)(II), shall be treated solely for purposes of subparagraph (A)(ii) as if it were a part of the defined benefit plan with respect to such payments or supplements. Payments or supplements under such a voluntary early retirement incentive plan shall not constitute severance pay for purposes of paragraph (2).

(2)(A) It shall not be a violation of subsection (a), (b), (c), or (e) of this section solely because following a contingent event unrelated to age—

(i) the value of any retiree health benefits received by an individual eligible for an immediate pension;

(ii) the value of any additional pension benefits that are made available solely as a result of the contingent event unrelated to age and following which the individual is eligible for not less than an immediate and unreduced pension; or

(iii) the values described in both clauses (i) and (ii), are deducted from severance pay made available as a result of the contingent event unrelated to age.

(B) For an individual who receives immediate pension benefits that are actuarially reduced under subparagraph (A)(i), the amount of the deduction available pursuant to subparagraph (A)(i) shall be reduced by the same percentage as the reduction in the pension benefits.

(C) For purposes of this paragraph, severance pay shall include that portion of supplemental unemployment compensation benefits (as described in section 501(c)(17) of title 26) that—

(1) constitutes additional benefits of up to 52 weeks;

(2) has the primary purpose and effect of continuing benefits until an individual becomes eligible for an immediate and unreduced pension; and

(3) is discontinued once the individual becomes eligible for an immediate and unreduced pension.

(D) For purposes of this paragraph and solely in order to make the deduction authorized under this paragraph, the term “retiree health benefits” means benefits provided pursuant to a group health plan covering retirees, for which (determined as of the contingent event unrelated to age)—

(i) the package of benefits provided by the employer for the retirees who are below age 65 is at least comparable to benefits provided under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.);

(ii) the package of benefits provided by the employer for the retirees who are age 65 and above is at least comparable to that offered under a plan that provides a benefit package with one-fourth the value of benefits provided under title XVIII of such Act; or

(iii) the package of benefits provided by the employer is as described in clauses (i) and (ii).

(E)(i) If the obligation of the employer to provide retiree health benefits is of limited duration, the value for each individual shall be calculated at a rate of $3,000 per year for benefit years before age 65, and $750 per year for benefit years beginning at age 65 and above.

(ii) If the obligation of the employer to provide retiree health benefits is of unlimited duration, the value for each individual shall be calculated at a rate of $48,000 for individuals below age 65, and $24,000 for individuals age 65 and above.

(iii) The values described in clauses (i) and (ii) shall be calculated based on the age of the individual as of the date of the contingent event unrelated to age. The values are effective on October 16, 1990, and shall be adjusted on an annual basis, with respect to a continuing event that occurs subsequent to the first year after October 16, 1990, based on the medical component of the Consumer Price Index for all-urban consumers published by the Department of Labor.

(iv) If an individual is required to pay a premium for retiree health benefits, the value calculated pursuant to this subparagraph shall be reduced by whatever percentage of the overall premium the individual is required to pay.

(F) If an employer that has implemented a deduction pursuant to subparagraph (A) fails to fulfill the obligation described in subparagraph (E), any aggrieved individual may bring an action for specific performance of the obligation described in subparagraph (E). The relief shall be in addition to any other remedies provided under Federal or State law.

(3) It shall not be a violation of subsection (a), (b), (c), or (e) of this section solely because an employer provides a bona fide employee

benefit plan or plans under which long-term disability benefits received by an individual are reduced by any pension benefits (other than those attributable to employee contributions)
(A) paid to the individual that the individual voluntarily elects to receive; or
(B) for which an individual who has attained the later of age 62 or normal retirement age is eligible.

(m) Voluntary retirement incentive plans
Notwithstanding subsection (f)(2)(B) of this section, it shall not be a violation of subsection (a), (b), (c), or (e) of this section solely because a plan of an institution of higher education (as defined in section 1001 of title 20) offers employees who are serving under a contract of unlimited tenure (or similar arrangement providing for unlimited tenure) supplemental benefits upon voluntary retirement that are reduced or eliminated on the basis of age, if—

(1) such institution does not implement with respect to such employees any age-based reduction or cessation of benefits that are not such supplemental benefits, except as permitted by other provisions of this chapter;

(2) such supplemental benefits are in addition to any retirement or severance benefits which have been offered generally to employees serving under a contract of unlimited tenure (or similar arrangement providing for unlimited tenure), independent of any early retirement or exit-incentive plan, within the preceding 365 days; and

(3) any employee who attains the minimum age and satisfies all non-age-based conditions for receiving a benefit under the plan has an opportunity lasting not less than 180 days to elect to retire and to receive the maximum benefit that could then be elected by a younger but otherwise similarly situated employee, and the plan does not require retirement to occur sooner than 180 days after such election.

EPA ADMINISTRATOR NOT EXERCISING “STATUTORY AUTHORITY” UNDER THIS SECTION IN EXERCISING ANY AUTHORITY UNDER TOXIC SUBSTANCES CONTROL ACT

In exercising any authority under the Toxic Substances Control Act (15 U.S.C. § 2601 et seq.), in connection with amendment made by section 15(a) of Pub. L. 101–637, the Administrator of the Environmental Protection Agency may, for purposes of subsection (b)(1) of this section, be considered to be exercising statutory authority to prescribe or enforce standards or regulations affecting occupational safety and health, see section 15(b) of Pub. L. 101–637, set out as a note under section 2626 of Title 15, Commerce and Trade.

§ 654. Duties of employers and employees

(a) Each employer—

(1) shall furnish to each of his employees employment and a place of employment which are free from recognized hazards that are causing or are likely to cause death or serious physical harm to his employees;

(2) shall comply with occupational safety and health standards promulgated under this chapter.

(b) Each employee shall comply with occupational safety and health standards and all rules, regulations, and orders issued pursuant to this chapter which are applicable to his own actions and conduct.

§ 655. Standards

(a) Promulgation by Secretary of national consensus standards and established Federal standards; time for promulgation; conflicting standards

Without regard to chapter 5 of title 5 or to the other subsections of this section, the Secretary shall, as soon as practicable during the period beginning with the effective date of this chapter and ending two years after such date, by rule promulgate as an occupational safety or health standard any national consensus standard, and any established Federal standard, unless he determines that the promulgation of such a standard would not result in improved safety or health for specifically designated employees. In the event of conflict among any such standards, the Secretary shall promulgate the standard which assures the greatest protection of the safety or health of the affected employees.

(b) Procedure for promulgation, modification, or revocation of standards

The Secretary may by rule promulgate, modify, or revoke any occupational safety or health standard in the following manner:

(1) Whenever the Secretary, upon the basis of information submitted to him in writing by an interested person, a representative of any organization of employers or employees, a nationally recognized standards-producing organization, the Secretary of Health and Human Services, the National Institute for Occupational Safety and Health, or a State or political subdivision, or on the basis of information developed by the Secretary or otherwise available to him, determines that a rule should be promulgated in order to serve the objectives of this chapter, the Secretary may request the recommendations of an advisory committee appointed under section 656 of this title. The Secretary shall provide such an advisory committee with any proposals of his own or of the Secretary of Health and Human Services, together with all pertinent factual information developed by the Secretary or the Secretary of Health and Human Services, or otherwise available, including the results of research, demonstrations, and experiments. An advisory committee shall submit to the Secretary its recommendations regarding the rule to be promulgated within ninety days from the date of its appointment or within such longer or shorter period as may be prescribed by the Secretary, but in no event for a period which is longer than two hundred and seventy days.

(2) The Secretary shall publish a proposed rule promulgating, modifying, or revoking an occu-
(5) The Secretary, in promulgating standards dealing with toxic materials or harmful physical agents under this subsection, shall set the standard which most adequately assures, to the extent feasible, on the basis of the best available evidence, that no employee will suffer material impairment of health or functional capacity, even if such employee has regular exposure to the hazard dealt with by such standard for the period of his working life. Development of standards under this subsection shall be based upon research, demonstrations, experiments, and such other information as may be appropriate. In addition to the attainment of the highest degree of health and safety protection for the employee, other considerations shall be the latest available scientific data in the field, the feasibility of the standards, and experience gained under this and other health and safety laws. Whenever practicable, the standard promulgated shall be expressed in terms of objective criteria and of the performance desired.

(6)(A) Any employer may apply to the Secretary for a temporary order granting a variance from a standard or any provision thereof promulgated under this section. Such temporary order shall be granted only if the employer files an application which meets the requirements of clause (B) and establishes that (i) he is unable to comply with a standard by its effective date because of unavailability of professional or technical personnel or of materials and equipment needed to come into compliance with the standard or because necessary construction or alteration of facilities cannot be completed by the effective date, (ii) he is taking all available steps to safeguard his employees against the hazards covered by the standard, and (iii) he has an effective program for coming into compliance with the standard as quickly as practicable. Any temporary order issued under this paragraph shall prescribe the practices, means, methods, operations, and processes which the employer must adopt and use while the order is in effect and state in detail his program for coming into compliance with the standard. Such a temporary order may be granted only after notice to employees and an opportunity for a hearing: Provided, That the Secretary may issue one interim order to be effective until a decision is made on the basis of the hearing. No temporary order may be in effect for longer than the period needed by the employer to achieve compliance with the standard or one year, whichever is shorter, except that such an order may be renewed not more than twice (I) so long as the requirements of this paragraph are met and (II) if an application for renewal is filed at least 90 days prior to the expiration date of the order. No interim renewal of an order may remain in effect for longer than 180 days.

(B) An application for a temporary order under this paragraph (6) shall contain:

(i) a specification of the standard or portion thereof from which the employer seeks a variance,

(ii) a representation by the employer, supported by representations from qualified persons having firsthand knowledge of the facts represented, that he is unable to comply with the standard or portion thereof and a detailed statement of the reasons therefor,

(iii) a statement of the steps he has taken and will take (with specific dates) to protect employees against the hazard covered by the standard,

(iv) a statement of when he expects to be able to comply with the standard and what steps he has taken and what steps he will take (with dates specified) to come into compliance with the standard, and

(v) a certification that he has informed his employees of the application by giving a copy thereof to their authorized representative, posting a statement giving a summary of the application and specifying where a copy may be examined at the place or places where notices to employees are normally posted, and by other appropriate means.

A description of how employees have been informed shall be contained in the certification. The information to employees shall also inform them of their right to petition the Secretary for a hearing.

(C) The Secretary is authorized to grant a variance from any standard or portion thereof whenever he determines, or the Secretary of Health and Human Services certifies, that such variance is necessary to permit an employer to participate in an experiment approved by him or the Secretary of Health and Human Services de-
signed to demonstrate or validate new and improved techniques to safeguard the health or safety of workers.

(7) Any standard promulgated under this subsection shall prescribe the use of labels or other appropriate forms of warning as are necessary to insure that employees are apprised of all hazards to which they are exposed, relevant symptoms and appropriate emergency treatment, and proper conditions and precautions of safe use or exposure. Where appropriate, such standard shall also prescribe suitable protective equipment and control or technological procedures to be used in connection with such hazards and shall provide for monitoring or measuring employee exposure at such locations and intervals, and in such manner as may be necessary for the protection of employees. In addition, where appropriate, any such standard shall prescribe the type and frequency of medical examinations or other tests which shall be made available, by the employer or at his cost, to employees exposed to such hazards in order to most effectively determine whether the health of such employees is adversely affected by such exposure. In the event such medical examinations are in the nature of research, as determined by the Secretary of Health and Human Services, such examinations may be furnished at the expense of the Secretary of Health and Human Services. The results of such examinations or tests shall be furnished only to the Secretary or the Secretary of Health and Human Services, and, at the request of the employee, to his physician. The Secretary, in consultation with the Secretary of Health and Human Services, may by rule promulgated pursuant to section 553 of title 5, make appropriate modifications in the foregoing requirements relating to the use of labels or other forms of warning, monitoring or measuring, and medical examinations, as may be warranted by experience, information, or medical or technological developments acquired subsequent to the promulgation of the relevant standard.

(8) Whenever a rule promulgated by the Secretary differs substantially from an existing national consensus standard, the Secretary shall, at the same time, publish in the Federal Register if he determines (A) that employees are exposed to grave danger from exposure to substances or agents determined to be toxic or physically harmful or from new hazards, and (B) that such emergency standard is necessary to protect employees from such danger.

(2) Such standard shall be effective until suspended by a standard promulgated in accordance with the procedures prescribed in paragraph (3) of this subsection.

(3) Upon publication of such standard in the Federal Register the Secretary shall commence a proceeding in accordance with subsection (b) of this section, and the standard as published shall also serve as a proposed rule for the proceeding. The Secretary shall promulgate a standard under this paragraph no later than six months after publication of the emergency standard as provided in paragraph (2) of this subsection.

(d) Variances from standards; procedure

Any affected employer may apply to the Secretary for a rule or order for a variance from a standard promulgated under this section. Affected employees shall be given notice of each such application and an opportunity to participate in a hearing. The Secretary shall issue such rule or order if he determines on the record, after opportunity for an inspection where appropriate and a hearing, that the proponent of the variance has demonstrated by a preponderance of the evidence that the conditions, practices, means, methods, operations, or processes used or proposed to be used by an employer will provide employment and places of employment to his employees which are as safe and healthful as those which would prevail if he complied with the standard. The rule or order so issued shall prescribe the conditions the employer must maintain, and the practices, means, methods, operations, and processes which he must adopt and utilize to the extent they differ from the standard in question. Such a rule or order may be modified or revoked upon application by an employer, employees, or by the Secretary on his own motion, in the manner prescribed for its issuance under this subsection at any time after six months from its issuance.

(e) Statement of reasons for Secretary’s determinations; publication in Federal Register

Whenever the Secretary promulgates any standard, makes any rule, order, or decision, grants any exemption or extension of time, or compromises, mitigates, or settles any penalty assessed under this chapter, he shall include a statement of the reasons for such action, which shall be published in the Federal Register.

(f) Judicial review

Any person who may be adversely affected by a standard issued under this section may at any time prior to the sixtieth day after such standard is promulgated file a petition challenging the validity of such standard with the United States court of appeals for the circuit wherein such person resides or has his principal place of business, for a judicial review of such standard. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary. The filing of such petition shall not, unless otherwise ordered by the court, operate as a stay of the standard. The determinations of the Secretary shall be conclusive if supported by substantial evidence in the record considered as a whole.

(g) Priority for establishment of standards

In determining the priority for establishing standards under this section, the Secretary shall give due regard to the urgency of the need for mandatory safety and health standards for particular industries, trades, crafts, occupations,
businesses, workplaces or work environments. The Secretary shall also give due regard to the recommendations of the Secretary of Health and Human Services regarding the need for mandatory standards in determining the priority for establishing such standards.

"(a) Chemical Process Safety Standard.—The Secretary of Labor shall act under the Occupational Safety and Health Act of 1970 (29 U.S.C. 655) to prevent accidental releases of chemicals which could pose a threat to employees. Not later than 12 months after the date of enactment of the Clean Air Act Amendments of 1990 [Nov. 15, 1990], the Secretary of Labor, in coordination with the Administrator of the Environmental Protection Agency, shall promulgate, pursuant to the Occupational Safety and Health Act, a chemical process safety standard designed to protect employees from hazards associated with accidental releases of highly hazardous chemicals in the workplace.

"(b) List of Highly Hazardous Chemicals.—The Secretary shall include as part of such standard a list of highly hazardous chemicals, which include toxic, flammable, highly reactive and explosive substances. The list of such chemicals may include those chemicals listed by the Administrator under section 302 of the Emergency Planning and Community Right to Know Act of 1986 (42 U.S.C. 11020). The Secretary may make additions to such list when a substance is found to pose a threat of serious injury or fatality in the event of an accidental release in the workplace.

"(c) Elements of Safety Standard.—Such standard shall, at minimum, require employers to—

2 develop and maintain written safety information identifying workplace hazards, equipment used in the processes, and technology used in the processes;
“(2) perform a workplace hazard assessment, including, as appropriate, identification of potential sources of accidental releases, an identification of any previous release within the facility which had a likely potential for catastrophic consequences in the workplace, estimation of workplace effects of a range of releases, estimation of the health and safety effects of such range on employees;

“(3) consult with employees and their representatives on the development and conduct of hazard assessments and the development of chemical accident prevention plans and provide access to these and other records required under the standard;

“(4) establish a system to respond to the workplace hazard assessment findings, which shall address prevention, mitigation, and emergency responses;

“(5) periodically review the workplace hazard assessment and response system;

“(10) establish a quality assurance program to ensure that initial process related equipment, maintenance materials, and spare parts are fabricated and installed consistent with design specifications;

“(11) establish maintenance systems for critical process related equipment including written procedures, employee training, appropriate inspections, and testing of such equipment to ensure ongoing mechanical integrity;

“(12) conduct pre-start-up safety reviews of all newly installed or modified equipment;

“(13) establish and implement written procedures to manage change to process chemicals, technology, equipment and facilities; and

“(14) investigate every incident which results in or could have resulted in a major accident in the workplace, with any findings to be reviewed by operating personnel and modifications made if appropriate.

“(b) FLEXIBILITY.—Nothing in this section may prohibit any individual who has not received the specified training from engaging in hazardous waste operations. The requirements of the preceding sentence shall not apply to any general site worker who has received the equivalent of such training. Workers who may be exposed to unique or special hazards shall be provided additional training.

“(c) FINAL REGULATIONS.—Final regulations under subsection (a) shall take effect one year after the date they are promulgated. In promulgating final regulations on standards under subsection (a), the Secretary of Labor shall include each of the provisions listed in paragraphs (1) through (11) of subsection (b) unless the Secretary determines that the evidence in the public record considered as a whole does not support inclusion of any such provision.

“(d) SPECIFIC TRAINING STANDARDS.—

“(1) OFFSITE INSTRUCTION; FIELD EXPERIENCE.—

Standards promulgated under subsection (a) shall include training standards requiring that general site workers (such as equipment operators, general laborers, and other supervised personnel) engaged in hazardous substance removal or other activities which expose or potentially expose such workers to hazardous substances receive a minimum of 40 hours of initial instruction off the site, and a minimum of three days of actual field experience under the direct supervision of a trained, experienced supervisor, at the time of assignment. The requirements of the preceding sentence shall not apply to any general site worker who has received the equivalent of such training. Workers who may be exposed to unique or special hazards shall be provided additional training.

“(2) TRAINING OF SUPERVISORS.—Standards promulgated under subsection (a) shall include training standards requiring that onsite managers and supervisors directly responsible for the hazardous waste operations (such as foremen) receive the same training as general site workers set forth in paragraph (1) of this subsection and at least eight additional hours of specialized training on managing hazardous waste operations. The requirements of the preceding sentence shall not apply to any person who has received the equivalent of such training.

“(3) CERTIFICATION; ENFORCEMENT.—Such training standards shall contain provisions for certifying that general site workers, onsite managers, and supervisors have received the specified training and shall prohibit any individual who has not received the specified training of such persons from engaging in hazardous waste operations covered by the standard. The certification procedures shall be as less comprehensive than those adopted by the Environmental Protection Agency in its Model Accreditation Plan for Asbestos Abatement Training as required under the Asbestos Hazard Emergency Response Act of 1986 [Pub. L. 99–519, see...
17, 1986] which shall provide no less protection under
shall issue interim final regulations under this section
and shall apply until final regulations become effective under subsection (c).

"(c) INTERIM REGULATIONS.—The Secretary of Labor
shall issue interim final regulations under this section within 60 days after the enactment of this section [Oct. 17, 1986] which shall provide no less protection under this section for workers employed by contractors and emergency response workers than the protections contained in the Environmental Protection Agency Manual (1981) 'Health and Safety Requirements for Employees Engaged in Field Activities' and existing standards under the Occupational Safety and Health Act of 1970 [29 U.S.C. 651 et seq.] found in subpart C of part 1926 of title 29 of the Code of Federal Regulations. Such interim final regulations shall take effect upon issuance and shall apply until final regulations become effective under subsection (c).

"(d) COVERAGE OF CERTAIN STATE AND LOCAL EMPLOYERS.—Not later than 90 days after the promulgation of final regulations under subsection (a), the Administrator shall promulgate standards identical to those promulgated by the Secretary of Labor under subsection (a). Standards promulgated under this subsection shall apply to employees of State and local governments in each State which does not have in effect an approved State plan under section 18 of the Occupational Safety and Health Act of 1970 [29 U.S.C. 667] providing for standards for the health and safety protection of employees engaged in hazardous waste operations."

(b) Advisory committees; appointment; duties; membership; compensation; reimbursement to member’s employer; meetings; availability of records; conflict of interest

An advisory committee may be appointed by the Secretary to assist him in his standard-setting functions under section 655 of this title. Each such committee shall consist of not more than fifteen members and shall include as a member one or more designees of the Secretary of Health and Human Services, and shall include among its members an equal number of persons qualified by experience and affiliation to present the viewpoint of the employers involved, and of persons similarly qualified to present the viewpoint of the workers involved, as well as one or more representatives of health and safety agencies of the States. An advisory committee may also include such other persons as the Secretary may appoint who are qualified by knowledge and experience to make a useful contribution to the work of such committee, including one or more representatives of professional organizations of technicians or professionals specializing in occupational safety or health, and one or more representatives of nationally recognized standards-producing organizations, but the number of persons so appointed to any such advisory committee shall not exceed the number appointed to such committee as representatives of Federal and State agencies. Persons appointed to advisory committees from private life shall be compensated in the same manner as consultants or experts under section 3109 of title 5. In order to carry out the purposes of this chap-

credentials to the owner, operator, or agent in
charge, is authorized—

any district court of the United States or the

(c) Maintenance, preservation, and availability of
records; issuance of regulations; scope of
records; periodic inspections by employer;
posting of notices by employer; notification
of employee of corrective action

(1) Each employer shall make, keep and pre-
serve, and make available to the Secretary or
the Secretary of Health and Human Services,
such records regarding his activities relating to
this chapter as the Secretary, in cooperation
with the Secretary of Health and Human Serv-
ces, may prescribe by regulation as necessary
or appropriate for the enforcement of this chap-

causes and prevention of occupational accidents
and illnesses. In order to carry out the provi-
sions of this paragraph such regulations may in-
clude provisions requiring employers to conduct
periodic inspections. The Secretary shall also
issue regulations requiring that employers,
through posting of notices or other appropriate

including the provisions of applicable standards.

(2) The Secretary, in cooperation with the Sec-

regulations shall provide employees or their rep-

such monitoring or measuring, and to have ac-

shall also make appropriate provision for each
employee or former employee to have access to
such records as will indicate his own exposure
to toxic materials or harmful physical agents.
Each employer shall promptly notify any em-

materials or harmful physical agents in con-

Subject to regulations issued by the Secretary, a representative of the employer and a representative authorized by his employees shall be given an opportunity to accompany the Secretary or his authorized representative during the physical inspection of any workplace under subsection (a) of this section for the purpose of aiding such inspection. Where there is no authorized employee representative, the Secretary or his authorized representative shall consult with a reasonable number of employees concerning matters of health and safety in the workplace.

(f) Request for inspection by employees or representative of employees; grounds; procedure; determination of request; notification of Secretary or representative prior to or during any inspection of violations; procedure for review of refusal by representative of Secretary to issue citation for alleged violations

(1) Any employees or representative of employees who believe that a violation of a safety or health standard exists that threatens physical harm, or that an imminent danger exists, may request an inspection by giving notice to the Secretary or his authorized representative of such violation or danger. Any such notice shall be reduced to writing, shall set forth with reasonable particularity the grounds for the notice, and shall be signed by the employees or representative of employees, and a copy shall be provided the employer or his agent no later than at the time of inspection, except that, upon the request of the person giving such notice, his name and the names of individual employees referred to therein shall not appear in such copy or on any record published, released, or made available pursuant to subsection (g) of this section. If upon receipt of such notification the Secretary determines there are reasonable grounds to believe that such violation or danger exists, he shall make a special inspection in accordance with the provisions of this section as soon as practicable, to determine if such violation or danger exists. If the Secretary determines there are no reasonable grounds to believe that a violation or danger exists he shall notify the employees or representative of the employees in writing of such determination.

(2) Prior to or during any inspection of a workplace, any employees or representative of employees employed in such workplace may notify the Secretary or any representative of the Secretary responsible for conducting the inspection, in writing, of any violation of this chapter which they have reason to believe exists in such workplace. The Secretary shall, by regulation, establish procedures for informal review of any refusal by a representative of the Secretary to issue a citation with respect to any such alleged violation and shall furnish the employees or representative of employees requesting such review a written statement of the reasons for the Secretary’s final disposition of the case.

(g) Compilation, analysis, and publication of reports and information; rules and regulations

(1) The Secretary and Secretary of Health and Human Services are authorized to compile, analyze, and publish, either in summary or detailed form, all reports or information obtained under this section.

(h) Use of results of enforcement activities

The Secretary shall not use the results of enforcement activities, such as the number of citations issued or penalties assessed, to evaluate employees directly involved in enforcement activities under this chapter or to impose quotas or goals with regard to the results of such activities.

CHANGES OF NAME

§ 658. Citations

(a) Authority to issue; grounds; contents; notice in lieu of citation for de minimis violations

If, upon inspection or investigation, the Secretary or his authorized representative believes that an employer has violated a requirement of section 654 of this title, of any standard, rule or order promulgated pursuant to section 655 of this title, or of any regulations prescribed pursuant to this chapter, he shall with reasonable promptness issue a citation to the employer. Each citation shall be in writing and shall describe with particularity the nature of the violation, including a reference to the provision of the chapter, standard, rule, regulation, or order alleged to have been violated. In addition, the citation shall fix a reasonable time for the abatement of the violation. The Secretary may prescribe procedures for the issuance of a notice in lieu of a citation with respect to de minimis violations which have no direct or immediate relationship to safety or health.
(b) Posting
Each citation issued under this section, or a copy or copies thereof, shall be prominently posted, as prescribed in regulations issued by the Secretary, at or near each place a violation referred to in the citation occurred.

(c) Time for issuance
No citation may be issued under this section after the expiration of six months following the occurrence of any violation.

§ 659. Enforcement procedures

(a) Notification of employer of proposed assessment of penalty subsequent to issuance of citation; time for notification of Secretary by employer of contest by employer of citation or proposed assessment; citation and proposed assessment as final order upon failure of employer to notify of contest and failure of employees to file notice

If, after an inspection or investigation, the Secretary issues a citation under section 658(a) of this title, he shall, within a reasonable time after the termination of such inspection or investigation, notify the employer by certified mail of the penalty, if any, proposed to be assessed under section 666 of this title and that the employer has fifteen working days within which to notify the Secretary that he wishes to contest the citation or proposed assessment of penalty. If, within fifteen working days from the receipt of the notice issued by the Secretary the employer fails to notify the Secretary that he intends to contest the citation or proposed assessment as final order upon failure of employer to notify of contest and failure of employees to file notice, the recipient of notification issued by the Secretary, the employer fails to notify the Secretary that he intends to contest the notification or proposed assessment of penalty, the notification or proposed assessment of penalty, the notification and assessment, as proposed, shall be deemed a final order of the Commission and not subject to review by any court or agency.

(b) Notification of employer of failure to correct in allotted time period violation for which citation was issued and proposed assessment of penalty for failure to correct; time for notification of Secretary by employer of contest by employer of notification of failure to correct or proposed assessment; notification or proposed assessment as final order upon failure of employer to notify of contest

If the Secretary has reason to believe that an employer has failed to correct a violation for which a citation has been issued within the period permitted for its correction (which period shall not begin to run until the entry of a final order by the Commission in the case of any review proceedings under this section initiated by the employer in good faith and not solely for delay or avoidance of penalties), the Secretary shall notify the employer by certified mail of such failure and of the penalty proposed to be assessed under section 666 of this title by reason of such failure, and that the employer has fifteen working days within which to notify the Secretary that he wishes to contest the Secretary’s notification or the proposed assessment of penalty. If, within fifteen working days from the receipt of notification issued by the Secretary, the employer fails to notify the Secretary that he intends to contest the notification or proposed assessment of penalty, the notification or proposed assessment of penalty, the notification and assessment, as proposed, shall be deemed a final order of the Commission and not subject to review by any court or agency.

(c) Advisement of Commission by Secretary of notification of contest by employer of citation or notification or of filing of notice by any employee or representative of employees; hearing by Commission; orders of Commission and Secretary; rules of procedure

If an employer notifies the Secretary that he intends to contest a citation issued under section 658(a) of this title or notification issued under subsection (a) or (b) of this section, or if, within fifteen working days of the issuance of a citation under section 658(a) of this title, any employee or representative of employees files a notice with the Secretary alleging that the period of time fixed in the citation for the abatement of the violation is unreasonable, the Secretary shall immediately advise the Commission of such notification, and the Commission shall afford an opportunity for a hearing (in accordance with section 554 of title 5 but without regard to subsection (a)(3) of such section). The Commission shall thereafter issue an order, based on findings of fact, affirming, modifying, or vacating the Secretary’s citation or proposed penalty, or directing other appropriate relief, and such order shall become final thirty days after its issuance. Upon a showing by an employer of a good faith effort to comply with the abatement requirements of a citation, and that abatement has not been completed because of factors beyond his reasonable control, the Secretary, after an opportunity for a hearing as provided in this subsection, shall issue an order affirming or modifying the abatement requirements in such citation. The rules of procedure prescribed by the Commission shall provide affected employees or representatives of affected employees an opportunity to participate as parties to hearings under this subsection.

§ 660. Judicial review

(a) Filing of petition by persons adversely affected or aggrieved; orders subject to review; jurisdiction; venue; procedure; conclusiveness of record and findings of Commission; appropriate relief; finality of judgment

Any person adversely affected or aggrieved by an order of the Commission issued under subsection (c) of section 659 of this title may obtain a review of such order in any United States court of appeals for the circuit in which the violation is alleged to have occurred or where the employer has its principal office, or in the Court of Appeals for the District of Columbia Circuit, by filing in such court within sixty days following the issuance of such order a written petition praying that the order be modified or set aside. A copy of such petition shall be forthwith transmitted to the clerk of the court to the Commission and to the other parties, and thereupon the
Commission shall file in the court the record in the proceeding as provided in section 2112 of title 28. Upon such filing, the court shall have jurisdiction of the proceeding and of the question determined therein, and shall have power to grant such temporary relief or restraining order as it deems just and proper, and to make and enter upon the pleadings, testimony, and proceedings set forth in such record a decree affirming, modifying, or setting aside in whole or in part, the order of the Commission and enforcing the same to the extent that such order is affirmed or modified. The commencement of proceedings under this subsection shall not, unless ordered by the court, operate as a stay of the order of the Commission. No objection that has not been urged before the Commission shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances. The findings of the Commission with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive. If any party shall apply to the court for leave to adduce additional evidence and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the hearing before the Commission, the court may order such additional evidence to be taken before the Commission and to be made a part of the record. The Commission may modify its findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and it shall file such modified or new findings, which findings with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive, and its recommendations, if any, for the modification or setting aside of its original order. Upon the filing of the record with it, the jurisdiction of the court shall be exclusive and its judgment conclusive in connection with any petition for review; as provided in section 1254 of the United States court of appeals for the circuit in which the alleged violation occurred or in which the employer has its principal office, and the provisions of subsection (a) of this section shall govern such proceedings to the extent applicable. If no petition for review, as provided in subsection (a) of this section, is filed within sixty days after service of the Commission’s order, the Commission’s findings of fact and order shall be conclusive in connection with any petition for enforcement which is filed by the Secretary after the expiration of such sixty-day period. In any such case, as well as in the case of a noncontested citation or notification by the Secretary which has become a final order of the Commission under subsection (a) or (b) of section 659 of this title, the clerk of the court, unless otherwise ordered by the court, shall forthwith enter a decree enforcing the order and shall transmit a copy of such decree to the Secretary and the employer named in the petition. In any contempt proceeding brought to enforce a decree of a court of appeals entered pursuant to this subsection or subsection (a) of this section, the court of appeals may assess the penalties provided in section 666 of this title, in addition to invoking any other available remedies.

(e) Discharge or discrimination against employee for exercise of rights under this chapter; prohibition; procedure for relief

(1) No person shall discharge or in any manner discriminate against any employee because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or related to this chapter or has testified or is about to testify in any such proceeding or because of the exercise by such employee on behalf of himself or others of any right afforded by this chapter.

(2) Any employee who believes that he has been discharged or otherwise discriminated against by any person in violation of this subsection may, within thirty days after such violation occurs, file a complaint with the Secretary alleging such discrimination. Upon receipt of such complaint, the Secretary shall cause such investigation to be made as he deems appropriate. If upon such investigation, the Secretary determines that the provisions of this subsection have been violated, he shall bring an action in any appropriate United States district court against such person. In any such action the United States district courts shall have jurisdiction, for cause shown to restrain violations of paragraph (1) of this subsection and order all appropriate relief including reinstatement of the employee to his former position with back pay.

(3) Within 90 days of the receipt of a complaint filed under this subsection the Secretary shall notify the complainant of his determination under paragraph (2) of this subsection.

(b) Filing of petition by Secretary; orders subject to review; jurisdiction; venue; procedure; conclusiveness of record and findings of Commission; enforcement of orders; contempt proceedings

The Secretary may also obtain review or enforcement of any final order of the Commission by filing a petition for such relief in the United States court of appeals for the circuit in which the alleged violation occurred or in which the employer has its principal office, and the provisions of subsection (a) of this section shall govern such proceedings to the extent applicable. If no petition for review, as provided in subsection (a) of this section, is filed within sixty days after service of the Commission’s order, the Commission’s findings of fact and order shall be conclusive in connection with any petition for enforcement which is filed by the Secretary after the expiration of such sixty-day period. In any such case, as well as in the case of a noncontested citation or notification by the Secretary which has become a final order of the Commission under subsection (a) or (b) of section 659 of this title, the clerk of the court, unless otherwise ordered by the court, shall forthwith enter a decree enforcing the order and shall transmit a copy of such decree to the Secretary and the employer named in the petition. In any contempt proceeding brought to enforce a decree of a court of appeals entered pursuant to this subsection or subsection (a) of this section, the court of appeals may assess the penalties provided in section 666 of this title, in addition to invoking any other available remedies.

(b) Submission of State plan for development and enforcement of State standards to preempt applicable Federal standards

Any State which, at any time, desires to assume responsibility for development and enforcement therein of occupational safety and health standards relating to any occupational safety or health issue with respect to which a Federal standard has been promulgated under section 655 of this title shall submit a State plan for the development of such standards and their enforcement.

If the Secretary rejects a plan submitted under subsection (b) of this section, he shall afford the State submitting the plan due notice and opportunity for a hearing before so doing.

(e) Discretion of Secretary to exercise authority over comparable standards subsequent to approval of State plan; duration; retention of jurisdiction by Secretary upon determination of enforcement of plan by State

The Secretary may exercise the authority referred to above until he determines, on the basis of actual operations under the State plan, that the criteria set forth in subsection (c) of this section are being applied, but he shall not make such determination for at least three years after the plan’s approval under subsection (c) of this section.

Upon making the determination referred to in the preceding sentence, the provisions of sections 654(a)(2), 657 (except for the purpose of carrying out subsection (f) of this section), 658, 659, 662, and 666 of this title, and standards promulgated under section 655 of this title, shall not apply with respect to any occupational safety or health issues covered under the plan, but the Secretary may retain jurisdiction under the above provisions in any proceeding commenced under section 659 or 659 of this title before the date of determination.

(g) Judicial review of Secretary's withdrawal of approval or rejection of plan; jurisdiction; venue; procedure; appropriate relief; finality of judgment

The State may obtain a review of a decision of the Secretary withdrawing approval of or rejecting its plan by the United States court of appeals for the circuit in which the State is located by filing in such court within thirty days following receipt of notice of such decision a petition to modify or set aside in whole or in part the action of the Secretary. A copy of such petition shall forthwith be served upon the Secretary, and thereupon the Secretary shall certify and file in the court the record upon which the decision complained of was issued as provided in section 2112 of title 28. Unless the court finds that the Secretary’s decision in rejecting a proposed State plan or withdrawing his approval of such a plan is not supported by substantial evidence the court shall affirm the Secretary’s decision. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28.

(h) Temporary enforcement of State standards

The Secretary may enter into an agreement with a State under which the State will be per-

2. The Secretary of Health and Human Services shall from time to time consult with the Secretary in order to develop specific plans for such research, demonstrations, and experiments as are necessary to produce criteria, including criteria identifying toxic substances, enabling the Secretary to meet his responsibility for the formulation of safety and health standards under this chapter; and the Secretary of Health and Human Services, on the basis of such research, demonstrations, and experiments and any other information available to him, shall develop and publish at least annually such criteria as will effectuate the purposes of this chapter.

3. The Secretary of Health and Human Services, on the basis of such research, demonstrations, and experiments, and any other information available to him, shall develop criteria dealing with toxic materials and harmful physical agents and substances which will describe exposure levels that are safe for various periods of employment, including but not limited to the exposure levels at which no employee will suffer impaired health or functional capacities or diminished life expectancy as a result of his work experience.

4. The Secretary of Health and Human Services shall also conduct special research, experiments, and demonstrations relating to occupational safety and health as are necessary to explore new problems, including those created by new technology in occupational safety and health, which may require ameliorative action beyond that which is otherwise provided for in the operating provisions of this chapter. The Secretary of Health and Human Services shall
also conduct research into the motivational and behavioral factors relating to the field of occupational safety and health.

(5) The Secretary of Health and Human Services, in order to comply with his responsibilities under paragraph (2), and in order to develop needed information regarding potentially toxic substances or harmful physical agents, may prescribe regulations requiring employers to measure, record, and make reports on the exposure of employees to substances or physical agents which the Secretary of Health and Human Services reasonably believes may endanger the health or safety of employees. If the Secretary of Health and Human Services determines that any substance is potentially toxic at the concentrations in which it is used or found in a place of employment, and such substance is not covered by an occupational safety or health standard promulgated under section 555 of this title, the Secretary of Health and Human Services shall immediately submit such determination to the Secretary, together with all pertinent criteria.

(7) Within two years of December 29, 1970, and annually thereafter the Secretary of Health and Human Services shall conduct and publish industrywide studies of the effect of chronic or low-level exposure to industrial materials, processes, and stresses on the potential for illness, disease, or loss of functional capacity in aging adults.

(5) individuals with disabilities continually encounter various forms of discrimination in such critical areas as employment, housing, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and public services; and

(6) the goals of the Nation properly include the goal of providing individuals with disabilities with the tools necessary to—

(b) Purpose

The purposes of this chapter are—

(1) to empower individuals with disabilities to maximize employment, economic self-sufficiency, independence, and inclusion and integration into society, through—

(A) statewide workforce investment systems implemented in accordance with title I of the Workforce Investment Act of 1998 [29 U.S.C. 2801 et seq.] that include, as integral components, comprehensive and coordinated state-of-the-art programs of vocational rehabilitation;

(B) independent living centers and services;

(C) research;

(D) training;

(E) demonstration projects; and

(F) the guarantee of equal opportunity; and
(2) to ensure that the Federal Government plays a leadership role in promoting the employment of individuals with disabilities, especially individuals with significant disabilities, and in assisting States and providers of services in fulfilling the aspirations of such individuals with disabilities for meaningful and gainful employment and independent living.

(c) Policy

It is the policy of the United States that all programs, projects, and activities receiving assistance under this chapter shall be carried out in a manner consistent with the principles of—

Amendments

§ 718. Traditionally underserved populations

(a) Findings

With respect to the programs authorized in subchapters II through VII of this chapter, the Congress finds as follows:

(1) Racial profile

The racial profile of America is rapidly changing. While the rate of increase for white Americans is 3.2 percent, the rate of increase for racial and ethnic minorities is much higher: 38.6 percent for Latinos, 14.6 percent for African-Americans, and 40.1 percent for Asian-Americans and other ethnic groups. By the year 2000, the Nation will have 260,000,000 people, one of every three of whom will be either African-American, Latino, or Asian-American.

(2) Rate of disability

Ethnic and racial minorities tend to have disabling conditions at a disproportionately high rate. The rate of work-related disability for American Indians is about one and one-half times that of the general population. African-Americans are also one and one-half times more likely to be disabled than whites and twice as likely to be significantly disabled.

(3) Inequitable treatment

Patterns of inequitable treatment of minorities have been documented in all major junctions of the vocational rehabilitation process. As compared to white Americans, a larger percentage of African-American applicants to the vocational rehabilitation system is denied acceptance. Of applicants accepted for service, a larger percentage of African-American cases is closed without being rehabilitated. Minorities are provided less training than their white counterparts. Consistently, less money is spent on minorities than on their white counterparts.

(4) Recruitment

Recruitment efforts within vocational rehabilitation at the level of preservice training, continuing education, and in-service training must focus on bringing larger numbers of minorities into the profession in order to provide appropriate practitioner knowledge, role models, and sufficient manpower to address the clearly changing demographics of vocational rehabilitation.

(b) Outreach to minorities

(1) In general

For each fiscal year, the Commissioner and the Director of the National Institute on Disability and Rehabilitation Research (referred to in this subsection as the “Director”) shall reserve 1 percent of the funds appropriated for the fiscal year for programs authorized under subchapters II, III, VI, and VII of this chapter to carry out this subsection. As compared to white Americans, a larger percentage of African-American applicants to the vocational rehabilitation system is denied acceptance. § 722. Eligibility and individualized plan for employment

(a) Eligibility

(1) Criterion for eligibility

An individual is eligible for assistance under this subchapter if the individual—

(A) is an individual with a disability under section 705(20)(A) of this title; and

(B) requires vocational rehabilitation services to prepare for, secure, retain, or regain employment.

(2) Presumption of benefit

(A) Demonstration

For purposes of this section, an individual shall be presumed to be an individual that can benefit in terms of an employment outcome from vocational rehabilitation services under section 705(20)(A) of this title, unless the designated State unit involved can demonstrate by clear and convincing evidence that such individual is incapable of benefiting in terms of an employment outcome from vocational rehabilitation services due to the severity of the disability of the individual.

(B) Methods

In making the demonstration required under subparagraph (A), the designated State unit shall explore the individual’s abilities, capabilities, and capacity to perform in work situations, through the use of trial work experiences, as described in section 705(2)(D) of this title, with appropriate supports provided through the designated State unit, except under limited circumstances when an individual cannot take advantage of such experiences. Such experiences shall be of sufficient variety and over a sufficient period of time to determine the eligibility of the individual or to determine the existence of clear and convincing evidence that the individual is incapable of benefiting in terms of an employment outcome from vocational rehabilitation services due to the severity of the disability of the individual.

(3) Presumption of eligibility

(A) In general

For purposes of this section, an individual who has a disability or is blind as determined pursuant to title II or title XVI of the Social Security Act (42 U.S.C. 401 et seq. and 1381 et seq.) shall be—

(i) considered to be an individual with a significant disability under section 705(21)(A) of this title; and

(ii) presumed to be eligible for vocational rehabilitation services under this subchapter (provided that the individual intends to achieve an employment outcome consistent with the unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice of the individual) unless the designated State unit involved can demonstrate by clear and convincing evidence that such individual is incapable of benefiting in terms of an employment outcome from vocational rehabilitation services due to the severity of the disability of the individual in accordance with paragraph (2).

(B) Construction

Nothing in this paragraph shall be construed to create an entitlement to any vocational rehabilitation service.

(4) Use of existing information

(A) In general

To the maximum extent appropriate and consistent with the requirements of this part, for purposes of determining the eligibility of an individual for vocational rehabilitation services under this subchapter and developing the individualized plan for employment described in subsection (b) of this section for the individual, the designated State unit shall use information that is existing and current (as of the date of the determination of eligibility or of the development of the individualized plan for employment), including information available from other programs and providers, particularly information used by education officials and the Social Security Administration, information provided by the individual and the family of the individual, and information obtained under the assessment for determining eligibility and vocational rehabilitation needs.

(B) Determinations by officials of other agencies

Determinations made by officials of other agencies, particularly education officials described in section 721(a)(11)(D) of this title, regarding whether an individual satisfies one or more factors relating to whether an individual is an individual with a disability under section 705(20)(A) of this title or an individual with a significant disability under section 705(21)(A) of this title shall be used, to the extent appropriate and consistent with the requirements of this part, in assisting the designated State unit in making such determinations.

(C) Basis

The determination of eligibility for vocational rehabilitation services shall be based on—

(i) the review of existing data described in section 705(2)(A)(i) of this title; and

(ii) to the extent that such data is unavailable or insufficient for determining eligibility, the provision of assessment activities described in section 705(2)(A)(ii) of this title.

(5) Determination of ineligibility

If an individual who applies for services under this subchapter is determined, based on the review of existing data and, to the extent necessary, the assessment activities described in section 705(2)(A)(ii) of this title, not to be eligible for the services, or if an eligible individual receiving services under an individualized plan for employment is determined to be no longer eligible for the services—
(A) the ineligibility determination involved shall be made only after providing an opportunity for full consultation with the individual or, as appropriate, the individual’s representative;
(B) the individual or, as appropriate, the individual’s representative, shall be informed in writing (supplemented as necessary by other appropriate modes of communication consistent with the informed choice of the individual) of the ineligibility determination, including—
   (i) the reasons for the determination; and
   (ii) a description of the means by which the individual may express, and seek a remedy for, any dissatisfaction with the determination, including the procedures for review by an impartial hearing officer under subsection (c) of this section;
(C) the individual shall be provided with a description of services available from the client assistance program under section 732 of this title and information on how to contact that program; and
(D) any ineligibility determination that is based on a finding that the individual is incapable of benefiting in terms of an employment outcome shall be reviewed—
   (i) within 12 months; and
   (ii) thereafter, if such a review is requested by the individual or, if appropriate, by the individual’s representative.

(6) Timeframe for making an eligibility determination

The designated State unit shall determine whether an individual is eligible for vocational rehabilitation services under this subchapter within a reasonable period of time, not to exceed 60 days, after the individual has submitted an application for the services unless—
(A) exceptional and unforeseen circumstances beyond the control of the designated State unit preclude making an eligibility determination within 60 days and the designated State unit and the individual agree to a specific extension of time; or
(B) the designated State unit is exploring an individual’s abilities, capabilities, and capacity to perform in work situations under paragraph (2)(B).

(b) Development of an individualized plan for employment

(2)(A) For each fiscal year beginning on or after October 1, 1978, each State shall be entitled to an allotment in an amount equal to the amount such State received under paragraph (1) for the fiscal year ending September 30, 1978, and an additional amount determined pursuant to subparagraph (B) of this paragraph.

(B) For each fiscal year beginning on or after October 1, 1978, each State shall be entitled to an allotment from any amount authorized to be appropriated for such fiscal year under section 720(b)(1) of this title for allotment under this section in excess of the amount appropriated under section 720(b)(1)(A) of this title for the fiscal year ending September 30, 1978, in an amount equal to the sum of—

(i) an amount bearing the same ratio to 50 percent of such excess amount as the product of the population of the State and the square of its allotment percentage bears to the sum of the corresponding products for all the States; and

(b) Unused funds; redistribution; increase in amount

(1) Not later than 45 days prior to the end of the fiscal year, the Commissioner shall determine, after reasonable opportunity for the submission to the Commissioner of comments by the State agency administering or supervising the program established under this subchapter, that any payment of an allotment to a State under section 731(a) of this title for any fiscal year will not be utilized by such State in carrying out the purposes of this subchapter.

(2) As soon as practicable but not later than the end of the fiscal year, the Commissioner shall make such amount available for carrying out the purposes of this subchapter to one or more other States to the extent the Commissioner determines such other State will be able to use such additional amount during that fiscal year or the subsequent fiscal year for carrying out such purposes. The Commissioner shall make such amount available only if such other State will be able to make sufficient payments from non-Federal sources to pay for the non-Federal share of the cost of vocational rehabilitation services under the State plan for the fiscal year for which the amount was appropriated.

(3) For the purposes of this part, any amount made available to a State for any fiscal year pursuant to this subsection shall be regarded as an increase of such State's allotment (as determined under the preceding provisions of this section) for such year.

If there is an agency in the State which has, or had, prior to February 22, 1984, served as a client assistance agency under this section and which received Federal financial assistance under this chapter, the Governor may, in the initial designation, designate an agency which provides treatment, services, or rehabilitation to individuals with disabilities under this chapter.

(b) Existence of State program as requisite to receiving payments

No State may receive payments from its allotment under this chapter in any fiscal year unless the State has in effect not later than October 1, 1984, a client assistance program which—

(1) has the authority to pursue legal, administrative, and other appropriate remedies to ensure the protection of rights of individuals with disabilities who are receiving treatments, services, or rehabilitation under this chapter within the State; and

(2) meets the requirements of designation under subsection (c) of this section.

§ 732. Client assistance program

(a) Establishment of grant program

From funds appropriated under subsection (h) of this section, the Secretary shall, in accordance with this section, make grants to States to establish and carry out client assistance programs to provide assistance in informing and advising all clients and client applicants of all available benefits under this chapter, and, upon request of such clients or client applicants, to assist and advocate for such clients or applicants in their relationships with projects, programs, and services provided under this chapter, including assistance and advocacy in pursuing legal, administrative, or other appropriate remedies to ensure the protection of the rights of such individuals under this chapter and to facilitate access to the services funded under this chapter through individual and systemic advocacy. The client assistance program shall provide information on the available services and benefits under this chapter and title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) to individuals with disabilities in the State, especially with regard to individuals with disabilities who have traditionally been underserved or underserved by vocational rehabilitation programs. In providing assistance and advocacy under this subsection with respect to services under this subchapter, a client assistance program may provide the assistance and advocacy with respect to services that are directly related to facilitating the employment of the individual.

(b) Existence of State program as requisite to receiving payments

No State may receive payments from its allotment under this chapter in any fiscal year unless the State has in effect not later than October 1, 1984, a client assistance program which—

(2) meets the requirements of designation under subsection (c) of this section.

(c) Designation of agency to conduct program

(1)(A) The Governor shall designate a public or private agency to conduct the client assistance program under this section. Except as provided in the last sentence of this subparagraph, the Governor shall designate an agency which is independent of any agency which provides treatment, services, or rehabilitation to individuals under this chapter. If there is an agency in the State which has, or had, prior to February 22, 1984, served as a client assistance agency under this section and which received Federal financial assistance under this chapter, the Governor may, in the initial designation, designate an agency which provides treatment, services, or rehabilitation to individuals with disabilities under this chapter.

(B)(i) The Governor may not redesignate the agency designated under subparagraph (A) without good cause and unless—

(I) the Governor has given the agency 30 days notice of the intention to make such redesignation, including specification of the good cause for such redesignation and an opportunity to respond to the assertion that good cause has been shown;

(II) individuals with disabilities or the individuals’ representatives have timely notice of the redesignation and opportunity for public comment; and

(III) the agency has the opportunity to appeal to the Commissioner on the basis that the redesignation was not for good cause.

(ii) If, after August 7, 1998—

(1) a designated State agency undergoes any change in the organizational structure of the agency that results in the creation of one or more new State agencies or departments or results in the merger of the designated State agency with one or more other State agencies or departments; and

(2) an agency (including an office or other unit) within the designated State agency was conducting a client assistance program before the change under the last sentence of subparagraph (A),
the Governor shall redesignate the agency conducting the program. In conducting the redesignation, the Governor shall designate to conduct the program an agency that is independent of any agency that provides treatment, services, or rehabilitation to individuals with disabilities under this chapter.

(2) In carrying out the provisions of this section, the Governor shall consult with the director of the State vocational rehabilitation agency, the head of the developmental disability protection and advocacy agency, and with representatives of professional and consumer organizations serving individuals with disabilities in the State.

(3) The agency designated under this subsection shall be accountable for the proper use of funds made available to the agency.

The agency designated under subsection (c) of this section may not bring any class action in carrying out its responsibilities under this section.

(e) Allotment and reallocation of funds

(1) (A) The Secretary shall allot the sums appropriated for each fiscal year under this section among the States on the basis of relative population of each State, except that no State shall receive less than $50,000.

(B) The Secretary shall allot $30,000 each to American Samoa, Guam, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

(C) For the purpose of this paragraph, the term “State” does not include American Samoa, Guam, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

(D)(i) In any fiscal year in which the funds appropriated for such fiscal year exceed $7,500,000, the minimum allotment shall be $100,000 for States and $45,000 for territories.

(ii) For any fiscal year in which the total amount appropriated under subsection (h) of this section exceeds the total amount appropriated under such subsection for the preceding fiscal year, the Secretary shall increase each of the minimum allotments under clause (i) by a percentage that shall not exceed the percentage increase in the total amount appropriated under such subsection between the preceding fiscal year and the fiscal year involved.

(2) The amount of an allotment to a State for a fiscal year which the Secretary determines will not be required by the State during the period for which it is available for the purpose for which allotted shall be available for reallocation by the Secretary at appropriate times to other States with respect to which such a determination has not been made, in proportion to the original allotments of such States for such fiscal year, but with such proportionate amount for any of such other States being reduced to the extent it exceeds the sum the Secretary estimates such State needs and will be able to use during such period, and the total of such reduction shall be similarly reallocated among the States whose proportionate amounts were not so reduced. Any such amount so reallocated to a State for a fiscal year shall be deemed to be a part of its allotment for such fiscal year.

(3) Except as specifically prohibited by or as otherwise provided in State law, the Secretary shall pay to the agency designated under subsection (c) of this section the amount specified in the application approved under subsection (f) of this section.

(f) Application by State for grant funds

(3) Each program shall contain provisions designed to assure that to the maximum extent possible alternative means of dispute resolution are available for use at the discretion of an applicant or client of the program prior to resorting to litigation or formal adjudication to resolve a dispute arising under this section.

(B) In subparagraph (A), the term “alternative means of dispute resolution” means any procedure, including good faith negotiation, conciliation, facilitation, mediation, factfinding, and arbitration, and any combination of procedures, that is used in lieu of litigation in a court or formal adjudication in an administrative forum, to resolve a dispute arising under this section.

(4) For purposes of any periodic audit, report, or evaluation of the performance of a client assistance program under this section, the Secretary shall not require such a program to disclose the identity of, or any other personally identifiable information related to, any individual requesting assistance under such program.

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to promote an increase in the opportunities for individuals with disabilities to be employed at all levels and occupations of the Federal Government, and to support the goals articulated in section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), it is hereby ordered as follows:

**SECTION 1.** Increasing the Federal Employment Opportunities for Individuals with Disabilities. (a) Recent evidence demonstrates that, throughout the United States, qualified persons with disabilities have been refused employment despite their availability and qualifications, and many qualified persons with disabilities are never made aware of available employment opportunities. Evidence also suggests that increased efforts at outreach, and increased understanding of the reasonable accommodations available for persons with disabilities, will permit persons with disabilities to compete for employment on a more level playing field.

(b) Based on current hiring patterns and anticipated increases from expanded outreach efforts and appropriate accommodations, the Federal Government, over the next 5 years, will be able to hire 100,000 qualified individuals with disabilities. In furtherance of such efforts, Federal agencies shall:

(1) Use available hiring authorities, consistent with statutes, regulations, and prior Executive orders and Presidential Memoranda;

(2) Expand their outreach efforts, using both traditional and nontraditional methods; and

(3) Increase their efforts to accommodate individuals with disabilities.

(c) As a model employer, the Federal Government will take the lead in educating the public about employment opportunities available for individuals with disabilities.

(d) This order does not require agencies to create new positions or to change existing qualification standards for any position.

**SIC. 2. Implementation.** Each Federal agency shall prepare a plan to increase the opportunities for individuals with disabilities to be employed in the agency. Each agency shall submit that plan to the Office of Personnel Management within 60 days from the date of this order.

**SIC. 3. Authority to Develop Guidance.** The Office of Personnel Management shall develop guidance on the provisions of this order to increase the opportunities for individuals with disabilities employed in the Federal Government.

**SIC. 4. Judicial Review.** This order is intended only to improve the internal management of the executive branch and does not create any right or benefit, substantive or procedural, enforceable at law or equity by a party against the United States, its agencies, its officers, its employees, or any person.

**WILLIAM J. CLINTON.**

**EX. ORD. NO. 13164. REQUIRING FEDERAL AGENCIES TO ESTABLISH PROCEDURES TO FACILITATE THE PROVISION OF REASONABLE ACCOMMODATION.**

**SECTION 1. Establishment of Effective Written Procedures to Facilitate the Provision of Reasonable Accommodation.**

(a) Each Federal agency shall establish effective written procedures for processing requests for reasonable accommodation by employees and applicants with disabilities. The written procedures may allow different components of an agency to tailor their procedures as necessary to ensure the expeditious processing of requests.

(b) As set forth in Re-charting the Course: The First Report of the Presidential Task Force on Employment of Adults with Disabilities (1998), effective written procedures for processing requests for reasonable accommodation should include the following:

(2) Explain how the agency will process a request for reasonable accommodation, and from whom the individual will receive a final decision;

(5) Explain the agency’s right to request relevant supplemental medical information if the information submitted does not clearly explain the nature of the disability, or the need for the reasonable accommodation, or does not otherwise clarify how the requested accommodation will assist the employee to perform the essential functions of the job or to enjoy the benefits and privileges of the workplace;

(6) Explain the agency’s right to have medical information reviewed by a medical expert of the agency’s choosing at the agency’s expense;

(7) Provide that reassignment will be considered as a reasonable accommodation if the agency determines that no other reasonable accommodation will permit the employee with a disability to perform the essential functions of his or her current position;

(9) Ensure that agencies’ systems of recordkeeping track the processing of requests for reasonable accommodation and maintain the confidentiality of medical information received in accordance with applicable law and regulations; and

(10) Encourage the use of informal dispute resolution processes to allow individuals with disabilities to obtain prompt reconsideration of denials of reasonable accommodation. Agencies must also inform individuals with disabilities that they have the right to file complaints in the Equal Employment Opportunity process and other statutory processes, as appropriate, if their requests for reasonable accommodation are denied.

SIC. 2. Submission of Agency Reasonable Accommodation Procedures to the Equal Employment Opportunity Commission (EEOC). Within 1 year from the date of this order, each agency shall submit its procedures to the EEOC. § 796f–2. Grants to centers for independent living in States in which State funding equals or exceeds Federal funding

(a) Establishment

(1) In general

(A) Initial year

(i) Determination

The director of a designated State unit, as provided in paragraph (2), or the Commissioner, as provided in paragraph (3), shall award grants under this section for an initial fiscal year if the Commissioner determines that the amount of State funds that were earmarked by a State for a preceding fiscal year to support the general operation of centers for independent living meeting the requirements of this subpart equaled or exceeded the amount of funds allotted to the State under subsection (c) or (d) of section 796f of this title for such year.

(ii) Grants

The director or the Commissioner, as appropriate, shall award such grants, from the amount of funds so allotted for the initial fiscal year, to eligible agencies in the State for the planning, conduct, administration, and evaluation of centers for independent living that comply with the standards and assurances set forth in section 796f–4 of this title.

(iii) Regulation

The Commissioner shall by regulation specify the preceding fiscal year with respect to which the Commissioner will make the determinations described in clause (i) and subparagraph (B), making such adjustments as may be necessary to accommodate State funding cycles such as 2-year funding cycles or State fiscal years that do not coincide with the Federal fiscal year.

(B) Subsequent years

For each year subsequent to the initial fiscal year described in subparagraph (A), the director of the designated State unit shall continue to have the authority to award such grants under this section if the Commissioner determines that the State continues to earmark the amount of State funds described in subparagraph (A)(1). If the State does not continue to earmark such an amount for a fiscal year, the State shall be ineligible to make grants under this section after a final year following such fiscal year, as defined in accordance with regulations established by the Commissioner, and for each subsequent fiscal year.

(2) Grants by designated State units

In order for the designated State unit to be eligible to award the grants described in paragraph (1) and carry out this section for a fiscal year with respect to a State, the designated State agency shall submit an application to the Commissioner at such time, and in such manner as the Commissioner may require, including information about the amount of State funds described in paragraph (1) for the preceding fiscal year. If the Commissioner makes a determination described in subparagraph (A)(i) or (B), as appropriate, of paragraph (1), the Commissioner shall approve the application and designate the director of the designated State unit to award the grant and carry out this section.

(3) Grants by Commissioner

If the designated State agency of a State described in paragraph (1) does not submit and obtain approval of an application under paragraph (2), the Commissioner shall award the grant described in paragraph (1) to eligible agencies in the State in accordance with section 796f–3 of this title.

(b) Eligible agencies

In any State in which the Commissioner has approved the State plan required by section 796c of this title, the director of the designated State unit may award a grant under this section to any eligible agency that—

In the administration of the provisions of this section, the director of the designated State unit shall award grants under this section to any eligible agency that has been awarded a grant under this subpart by September 30, 1997,
unless the director makes a finding that the agency involved fails to comply with the standards and assurances set forth in section 796f-4 of this title.

(d) New centers for independent living

(1) In general

If there is no center for independent living serving a region of the State or the region is underserved or underserved, and the increase in the allotment of the State is sufficient to support an additional center for independent living in the State, the director of the designated State unit may award a grant under this section from among eligible agencies, consistent with the provisions of the State plan under section 796c of this title setting forth the design of the State for establishing a statewide network of centers for independent living.

(2) Selection

In selecting from among eligible agencies in awarding a grant under this subpart for a new center for independent living—

(A) the director of the designated State unit and the chairperson of, or other individual designated by, the Statewide Independent Living Council acting on behalf of and at the direction of the Council, shall jointly appoint a peer review committee that shall rank applications in accordance with the standards and assurances set forth in section 796f-4 of this title and criteria jointly established by such director and such chairperson or individual;

(3) Current centers

Notwithstanding paragraphs (1) and (2), a center for independent living that receives assistance under subpart 2 for a fiscal year shall be eligible for a grant for the subsequent fiscal year under this subsection.

(e) Order of priorities

Unless the director of the designated State unit and the chairperson of the Council or other individual designated by the Council acting on behalf of and at the direction of the Council jointly agree on another order of priority, the director shall be guided by the following order of priorities in allocating funds among centers for independent living within a State, to the extent funds are available:

(1) The director of the designated State unit shall support existing centers for independent living, as described in subsection (c) of this section, that comply with the standards and assurances set forth in section 796f-4 of this title, at the level of funding for the previous year.

(2) Enforcement

The director of the designated State unit shall terminate all funds under this section to such center 90 days after—

(A) the date of such notification; or

(B) in the case of a center that requests an appeal under subsection (i) of this section, the date of any final decision under subsection (i) of this section,

unless the center submits a plan to achieve compliance within 90 days and such plan is approved by the director, or if appealed, by the Commissioner.

(h) Onsite compliance review

The director of the designated State unit shall annually conduct onsite compliance reviews of at least 15 percent of the centers for independent living that receive funding under this section in the State. Each team that conducts onsite compliance review of centers for independent living shall include at least one person who is not an employee of the designated State agency, who has experience in the operation of centers for
independent living, and who is jointly selected by the director of the designated State unit and the chairperson of or other individual designated by the Council acting on behalf of and at the direction of the Council. A copy of this review shall be provided to the Commissioner.

(i) Adverse actions
If the director of the designated State unit proposes to take a significant adverse action against a center for independent living, the center may seek mediation and conciliation to be provided by an individual or individuals who are free of conflicts of interest identified by the chairperson of or other individual designated by the Council. § 1001. Congressional findings and declaration of policy
(a) Benefit plans as affecting interstate commerce and the Federal taxing power

The Congress finds that the growth in size, scope, and numbers of employee benefit plans in recent years has been rapid and substantial; that the operational scope and economic impact of such plans is increasingly interstate; that the continued well-being and security of millions of employees and their dependents are directly affected by these plans; that they are affected with a national public interest; that they have become an important factor affecting the stability of employment and the successful development of industrial relations; that they have become an important factor in commerce because of the interstate character of their activities, and of the activities of their participants, and the employers, employee organizations, and other entities by which they are established or maintained; that a large volume of the activities of such plans are carried on by means of the mails and instrumentalities of interstate commerce; that owing to the lack of employee information and adequate safeguards concerning their operation, it is desirable in the interests of employees and their beneficiaries, and to provide for the general welfare and the free flow of commerce, that disclosure be made and safeguards be provided with respect to the establishment, operation, and administration of such plans; that they substantially affect the revenues of the United States because they are afforded preferential Federal tax treatment; that despite the enormous growth in such plans many employees with long years of employment are losing anticipated retirement benefits owing to the lack of vesting provisions in such plans; that owing to the inadequacy of current minimum standards, the soundness and stability of plans with respect to adequate funds to pay promised benefits may be endangered; that owing to the termination of plans before requisite funds have been accumulated, employees and their beneficiaries have been deprived of anticipated benefits; and that it is therefore desirable in the interests of employees and their beneficiaries, for the protection of the revenue of the United States.
States, and to provide for the free flow of commerce, that minimum standards be provided assuring the equitable character of such plans and their financial soundness.

(b) **Protection of interstate commerce and beneficiaries by requiring disclosure and reporting of conduct, etc., for fiduciaries.**

It is hereby declared to be the policy of this chapter to protect interstate commerce and the interests of participants in employee benefit plans and their beneficiaries, by requiring the disclosure and reporting to participants and beneficiaries of financial and other information with respect thereto, by establishing standards of conduct, responsibility, and obligation for fiduciaries of employee benefit plans, and by providing for appropriate remedies, sanctions, and ready access to the Federal courts.

(c) **Protection of interstate commerce, the Federal taxing power, and beneficiaries by vesting of accrued benefits, setting minimum standards of funding, requiring termination insurance.**

It is hereby further declared to be the policy of this chapter to protect interstate commerce, the Federal taxing power, and the interests of participants in private pension plans and their beneficiaries by improving the equitable character of the soundness of such plans by requiring them to vest the accrued benefits of employees with significant periods of service, to meet minimum standards of funding, and by requiring plan termination insurance.

On or before January 31, 1980, the President will sub-
mit to both Houses of the Congress an evaluation of the
effect to which this Reorganization Plan has allevi-

cific legislative recommendations for a long-term ad-
ministrative structure under ERISA.

SEC. 108. INCIDENTAL TRANSFERS

unexpended balances transferred shall be used for pur-
poses other than those for which the appropriation was
originally made. The Director of the Office of Man-
agement and Budget shall provide for terminating the af-
airs of any agencies abolished herein and for such fur-
ther measures and dispositions as such Director deems
necessary to effectuate the purposes of this Reorganiza-
tion Plan.

SEC. 109. EFFECTIVE DATE

come effective at such time or times, on or before April
30, 1979, as the President shall specify, but not sooner
than the earliest time allowable under Section 906 of
Title 5, United States Code.

plans, see sections 104, 105, and 106 of Pub. L. 109–280,

Revenue Code.]
Both Departments have already made considerable progress, and both will continue the effort to simplify their rules and their forms.

The Reorganization Plan is the most significant result of their joint effort to modify and simplify ERISA. It will eliminate most of the jurisdictional overlap between Treasury and Labor by making the following changes:

1) Treasury will have statutory authority for minimum standards. The new plan puts all responsibility for funding, participation, and vesting of benefit rights in the Department of Treasury. These standards are necessary to ensure that employee benefit plans are adequately funded and that all beneficiary rights are protected. Treasury is the most appropriate Department to administer these provisions; however, Labor will continue to have veto power over Treasury decisions that significantly affect collectively bargained plans.

2) Labor will have statutory authority for fiduciary obligations. ERISA prohibits transactions in which self-interest or conflict of interest could occur, but allows certain exemptions from these prohibitions. Labor will be responsible for overseeing fiduciary conduct under these provisions.

3) Both Departments will retain enforcement powers. The Reorganization Plan will continue Treasury’s authority to audit plans and levy tax penalties for any deviation from standards. The plan will also continue Labor’s authority to bring civil action against plans and fiduciaries. These provisions are retained in order to keep the special expertise of each Department available. New coordination between the Departments will eliminate duplicative investigations of alleged violations.

This reorganization will make an immediate improvement in ERISA’s administration. It will eliminate almost all of the dual and overlapping authority in the two departments and dramatically cut the time required to process applications for exemptions from prohibited transactions.

This plan is an interim arrangement. After the Departments have had a chance to administer ERISA under this new plan, the Office of Management and Budget and the Departments will jointly evaluate that experience. Based on that evaluation, early in 1980, the Administration will make appropriate legislative proposals to establish a long-term administrative structure for ERISA.

Each provision in this reorganization will accomplish one or more of the purposes in Title 5 of U.S.C. 901(a). There will be no change in expenditure or personnel levels, although a small number of people will be transferred from the Department of Treasury to the Department of Labor.

We all recognize that the administration of ERISA has been unduly burdensome. I am confident that this reorganization will significantly relieve much of that burden.

This plan is the culmination of our effort to streamline ERISA. It provides an administrative arrangement that will work.

ERISA has been a symbol of unnecessarily complex government regulation. I hope this new step will become equally symbolic of my Administration’s commitment to making government more effective and less intrusive in the lives of our people. 

JIMMY CARTER.

EXECUTIVE ORDER No. 12262
Ex. Ord. No. 12262, Jan. 7, 1981, 46 F.R. 2313, which established the Interagency Employee Benefit Council and provided for its membership, functions, etc., was revoked by Ex. Ord. No. 12379, §9, Aug. 17, 1982, 47 F.R. 36099, set out as a note under section 14 of the Federal Advisory Committee Act in the Appendix to Title 5, Government Organization and Employees.

§ 1001a. Additional Congressional findings and declaration of policy

(a) Effects of multiemployer pension plans

The Congress finds that—

(1) multiemployer pension plans have a substantial impact on interstate commerce and are affected with a national public interest;

(2) multiemployer pension plans have accounted for a substantial portion of the increase in private pension plan coverage over the past three decades;

(3) the continued well-being and security of millions of employees, retirees, and their dependents are directly affected by multiemployer pension plans; and

(4) withdrawals of contributing employers from a multiemployer pension plan frequently result in substantially increased funding obligations for employers who continue to contribute to the plan, adversely affecting the plan, its participants and beneficiaries, and labor-management relations, and

(B) in a declining industry, the incidence of employer withdrawals is higher and the adverse effects described in subparagraph (A) are exacerbated.

(b) Modification of multiemployer plan termination insurance provisions and replacement of program

The Congress further finds that—

(1) it is desirable to modify the current multiemployer plan termination insurance provisions in order to increase the likelihood of protecting plan participants against benefit losses; and

(2) it is desirable to replace the termination insurance program for multiemployer pension plans with an insolvency-based benefit protection program that will enhance the financial soundness of such plans, place primary emphasis on plan continuation, and contain program costs within reasonable limits.

(c) Policy

It is hereby declared to be the policy of this Act—

(1) to foster and facilitate interstate commerce,

(2) to alleviate certain problems which tend to discourage the maintenance and growth of multiemployer pension plans,

(3) to provide reasonable protection for the interests of participants and beneficiaries of financially distressed multiemployer pension plans, and
§ 1001b

(4) to provide a financially self-sufficient program for the guarantee of employee benefits under multiemployer plans.

§ 1001b. Findings and declaration of policy

(a) Findings

The Congress finds that—

(1) single-employer defined benefit pension plans have a substantial impact on interstate commerce and are affected with a national interest;

(2) the continued well-being and retirement income security of millions of workers, retirees, and their dependents are directly affected by such plans;

(3) the existence of a sound termination insurance system is fundamental to the retirement income security of participants and beneficiaries of such plans; and

(4) the current termination insurance system in some instances encourages employers to terminate pension plans, evade their obligations to pay benefits, and shift unfunded pension liabilities onto the termination insurance system and the other premium-payers.

(b) Additional findings

The Congress further finds that modification of the current termination insurance system and an increase in the insurance premium for single-employer defined benefit pension plans—

(1) is desirable to increase the likelihood that full benefits will be paid to participants and beneficiaries of such plans;

(2) is desirable to provide for the transfer of liabilities to the termination insurance system only in cases of severe hardship;

(3) is necessary to maintain the premium costs of such system at a reasonable level; and

(4) is necessary to finance properly current funding deficiencies and future obligations of the single-employer pension plan termination insurance system.

(c) Declaration of policy

It is hereby declared to be the policy of this title—

(1) to foster and facilitate interstate commerce;

(2) to encourage the maintenance and growth of single-employer defined benefit pension plans;

(3) to increase the likelihood that participants and beneficiaries under single-employer defined benefit pension plans will receive their full benefits;

(4) to provide for the transfer of unfunded pension liabilities onto the single-employer pension plan termination insurance system only in cases of severe hardship;

(5) to maintain the premium costs of such system at a reasonable level; and

(6) to assure the prudent financing of current funding deficiencies and future obligations of the single-employer pension plan termination insurance system by increasing termination insurance premiums.

CODIFICATION

Section was enacted as part of the Single-Employer Pension Plan Amendments Act of 1986, and not as part of the Employee Retirement Income Security Act of 1974 which comprises this chapter.

EFFECTIVE DATE

Section effective Jan. 1, 1986, with certain exceptions, see section 11019 of Pub. L. 99–272, set out as an Effective Date of 1986 Amendment note under section 1341 of this title.

§ 1002. Definitions

For purposes of this subchapter:

(1) The terms “employee welfare benefit plan” and “welfare plan” mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that such plan, fund, or program was established or is maintained for the purpose of providing for its participants or their beneficiaries, through the purchase of insurance or otherwise, (A) medical, surgical, or hospital care or benefits, or benefits in the event of sickness, accident, disability, death or unemployment, or vacation benefits, apprenticeship or other training programs, or day care centers, scholarship funds, or prepaid legal services, or (B) any benefit described in section 186(c) of this title (other than pensions on retirement or death, and insurance to provide such pensions).

(2)(A) Except as provided in subparagraph (B), the terms “employee pension benefit plan” and “pension plan” mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that by its express terms or as a result of surrounding circumstances such plan, fund, or program—
(i) provides retirement income to employees, or
(ii) results in a deferral of income by employees for periods extending to the termination of covered employment or beyond, regardless of the method of calculating the contributions made to the plan, the method of calculating the benefits under the plan or the method of distributing benefits from the plan. A distribution from a plan, fund, or program shall not be treated as made in a form other than retirement income or as a distribution prior to termination of covered employment solely because such distribution is made to an employee who has attained age 62 and who is not separated from employment at the time of such distribution.

(B) The Secretary may by regulation prescribe rules consistent with the standards and purposes of this chapter providing one or more exempt categories under which—

(i) severance pay arrangements, and
(ii) supplemental retirement income payments, under which the pension benefits of retirees or their beneficiaries are supplemented to take into account some portion or all of the increases in the cost of living (as determined by the Secretary of Labor) since retirement.

shall, for purposes of this subchapter, be treated as welfare plans rather than pension plans. In the case of any arrangement or payment a principal effect of which is the evasion of the standards or purposes of this chapter applicable to pension plans, such arrangement or payment shall be treated as a pension plan. An applicable voluntary early retirement incentive plan (as defined in section 457(e)(11)(D)(ii) of title 26) making payments or supplements described in section 457(e)(11)(D)(i) of title 26, and an applicable employment retention plan (as defined in section 457(f)(1)(A) of title 26) shall, for purposes of this subchapter, be treated as a welfare plan (and not a pension plan) with respect to such payments and supplements.

The term “employee benefit plan” or “plan” means an employee welfare benefit plan or an employee pension benefit plan or a plan which is both an employee welfare benefit plan and an employee pension benefit plan.

The term “employee organization” means any labor union or any organization of any kind, or any agency or employee representation committee, association, group, or plan, in which employees participate and which exists for the purpose, in whole or in part, of dealing with employers concerning an employee benefit plan, or other matters incidental to employment relationships; or any employees’ beneficiary association organized for the purpose in whole or in part, of establishing such a plan.

The term “employer” means any person acting directly as an employer, or indirectly in the interest of an employer, in relation to an employee benefit plan; and includes a group or association of employers acting for an employer in such capacity.

The term “employee” means any individual employed by an employer.

(7) The term “participant” means any employee or former employee of an employer, or any member or former member of an employee organization, who is or may become eligible to receive a benefit of any type from an employee benefit plan which covers employees of such employer or members of such organization, or whose beneficiaries may be eligible to receive any such benefit.

(8) The term “beneficiary” means a person designated by a participant, or by the terms of an employee benefit plan, who is or may become entitled to a benefit thereunder.

(9) The term “person” means an individual, partnership, joint venture, corporation, mutual company, joint-stock company, trust, estate, unincorporated organization, association, or employee organization.

(12) The term “industry or activity affecting commerce” means any activity, business, or industry in commerce or in which a labor dispute would hinder or obstruct commerce or the free flow of commerce, and includes any activity or industry “affecting commerce” within the meaning of the Labor Management Relations Act, 1947 [29 U.S.C. 141 et seq.], or the Railway Labor Act [45 U.S.C. 151 et seq.].

(13) The term “Secretary” means the Secretary of Labor.

(14) The term “party in interest” means, as to an employee benefit plan—

(A) any fiduciary (including, but not limited to, any administrator, officer, trustee, or custodian), counsel, or employee of such employee benefit plan;

(B) a person providing services to such plan;

(C) an employer any of whose employees are covered by such plan;

(D) an employee organization any of whose members are covered by such plan;

(E) an owner, direct or indirect, of 50 percent or more of—

(i) the combined voting power of all classes of stock entitled to vote or the total value of shares of all classes of stock of a corporation, or

(iii) the beneficial interest of a trust or unincorporated enterprise, which is an employer or an employee organization described in subparagraph (C) or (D);

losses, whether or not realized, from assets allocated to or maintained by an insurance company under which income, gains, or losses of the insurance company are, in accordance with regulations of the Secretary, treated as a party in interest with respect to such trust.

The Secretary, after consultation and coordination with the Secretary of the Treasury, may by regulation prescribe a percentage lower than 50 percent for subparagraph (E) and (G) and lower than 10 percent for subparagraph (H) or (I). The Secretary may prescribe regulations for determining the ownership (direct or indirect) of assets of the insurance company, and the manner in which indirect stockholdings are taken into account. Any person who is a party in interest with respect to a plan to which a trust described in section 501(c)(22) of title 26 is permitted to make payments under section 1103 of this title shall be treated as a party in interest with respect to such trust.

The term "relative" means a spouse, ancestor, lineal descendant, or spouse of a lineal descendant.

The term "administrator" means—

(i) the person specifically so designated by the terms of the instrument under which the plan is operated;

(ii) if an administrator is not so designated, the plan sponsor; or

(iii) in the case of a plan for which an administrator is not designated and a plan sponsor cannot be identified, such other person as the Secretary may by regulation prescribe.

The term "plan sponsor" means (i) the employer in the case of the employee benefit plan established or maintained by a single employer, (ii) the employee organization in the case of a plan established or maintained by an employee organization, or (iii) in the case of a plan established or maintained by two or more employers or jointly by one or more employers and one or more employee organizations, the association, committee, joint board of trustees, or other similar group of representatives of the parties who establish or maintain the plan.

The term "separate account" means an account established or maintained by an insurance company under which income, gains, and losses, whether or not realized, from assets allocated to such account, are, in accordance with the applicable contract, credited to or charged against such account without regard to other income, gains, or losses of the insurance company.

The term "adequate consideration" when used in part 4 of subtitle B of this subchapter means (A) in the case of a security for which there is a generally recognized market, either (i) the price of the security prevailing on a national securities exchange which is registered under section 78f of title 15, or (ii) if the security is not traded on such a national securities exchange, a price not less favorable to the plan than the offering price for the security as established by the current bid and asked prices quoted by persons independent of the issuer and of any party in interest; and (B) in the case of an asset other than a security for which there is a generally recognized market, the fair market value of the asset as determined in good faith by the trustee or named fiduciary pursuant to the terms of the plan and in accordance with regulations promulgated by the Secretary.

The term "nonforfeitable" when used with respect to a pension benefit or right means a claim obtained by a participant or his beneficiary to that part of an immediate or deferred benefit under a pension plan which arises from the participant’s service, which is unconditional, and which is legally enforceable against the plan. For purposes of this paragraph, a right to an accrued benefit derived from employer contributions shall not be treated as forfeitable merely because the plan contains a provision described in section 1053(a)(3) of this title.

The term "security" has the same meaning as such term has under section 77b(1) of title 15.

(A) Except as otherwise provided in subparagraph (B), a person is a fiduciary with respect to a plan to the extent (i) he exercises any discretionary authority or discretionary control respecting management of such plan or exercises any authority or control respecting management or disposition of its assets, (ii) he renders investment advice for a fee or other compensation, direct or indirect, with respect to any moneys or other property of such plan, or has any authority or responsibility to do so, or (iii) he has any discretionary authority or discretionary responsibility in the administration of such plan. Such term includes any person designated under section 1105(c)(1)(B) of this title.

(B) If any money or other property of an employee benefit plan is invested in securities issued by an investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], such investment shall not by itself cause such investment company or such investment company's investment adviser or principal underwriter to be deemed to be a fiduciary or a party in interest as those terms are defined in this subchapter, except insofar as such investment company or its investment adviser or principal underwriter acts in connection with an employee benefit plan covering employees of the investment company, the investment adviser, or its principal underwriter. Nothing contained in this subparagraph shall limit the duties imposed on such investment company, in-

\[\text{See References in Text note below.}\]
vested adviser, or principal underwriter by any other law.

(22) The term "normal retirement benefit" means the greater of the early retirement benefit under the plan, or the benefit under the plan commencing at normal retirement age. The normal retirement benefit shall be determined without regard to—

(A) medical benefits, and

(B) disability benefits not in excess of the qualified disability benefit.

For purposes of this paragraph, a qualified disability benefit is a disability benefit provided by a plan which does not exceed the benefit which would be provided for the participant if he separated from the service at normal retirement age. For purposes of this paragraph, the early retirement benefit under a plan shall be determined without regard to any benefit under the plan which the Secretary of the Treasury finds to be a benefit described in section 1054(b)(1)(G) of this title.

(23) The term "accrued benefit" means—

(A) in the case of a defined benefit plan, the individual’s accrued benefit determined under the plan and, except as provided in section 1054(c)(3) of this title, expressed in the form of an annual benefit commencing at normal retirement age, or

(B) in the case of a plan which is an individual account plan, the balance of the individual’s account.

The accrued benefit of an employee shall not be less than the amount determined under section 1054(c)(2)(B) of this title with respect to the employee’s accumulated contribution.

(24) The term "normal retirement age" means the earlier of—

(A) the time a plan participant attains normal retirement age under the plan, or

(B) the later of—

(i) the time a plan participant attains age 65, or

(ii) the 5th anniversary of the time a plan participant commenced participation in the plan.

(25) The term "vested liabilities" means the present value of the immediate or deferred benefits available at normal retirement age for participants and their beneficiaries which are nonforfeitable.

(26) The term "current value" means fair market value where available and otherwise the fair value as determined in good faith by a trustee or a named fiduciary (as defined in section 1102(a)(2) of this title) pursuant to the terms of the plan and in accordance with regulations of the Secretary, assuming an orderly liquidation at the time of such determination.

(27) The term "present value", with respect to a liability, means the value adjusted to reflect anticipated events. Such adjustments shall conform to such regulations as the Secretary of the Treasury may prescribe.

(28) The term "normal service cost" or "normal cost" means the annual cost of future pension benefits and administrative expenses assigned, under an actuarial cost method, to years subsequent to a particular valuation date of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(29) The term "accrued liability" means the excess of the present value, as of a particular valuation date of a pension plan, of the projected future benefit costs and administrative expenses for all plan participants and beneficiaries over the present value of future contributions for the normal cost of all applicable plan participants and beneficiaries. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(30) The term "unfunded accrued liability" means the excess of the accrued liability, under an actuarial cost method which so provides, over the present value of the assets of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(31) The term "advance funding actuarial cost method" or "actuarial cost method" means a recognized actuarial technique utilized for establishing the amount and incidence of the annual actuarial cost of pension plan benefits and expenses. Acceptable actuarial cost methods shall include the accrued benefit cost method (unit credit method), the entry age normal cost method, the individual level premium cost method, the attained age normal cost method, and the frozen initial liability cost method. The terminal funding cost method and the current funding (pay-as-you-go) cost method are not acceptable actuarial cost methods. The Secretary of the Treasury shall issue regulations to further define acceptable actuarial cost methods.

(32) The term "governmental plan" means a plan established or maintained for its employees by the Government of the United States, by the government of any State or political subdivision thereof, or by any agency or instrumentality of any of the foregoing. The term "governmental plan" also includes any plan to which the Railroad Retirement Act of 1935, or 1937 [45 U.S.C. 231 et seq.] applies, and which is financed by contributions required under that Act and any plan of an international organization which is exempt from taxation under the provisions of the International Organizations Immunities Act [22 U.S.C. 288 et seq.]. The term "governmental plan" includes a plan which is established and maintained by an Indian tribal government (as defined in section 7701(a)(40) of title 26), a subdivision of an Indian tribal government (determined in accordance with section 7871(d) of title 26), or an agency or instrumentality of either, and all of the participants of which are employees of such entity substantially all of whose services as such an employee are in the performance of essential governmental functions but not in the performance of commercial activities (whether or not an essential government function).\(^3\)

(33)(A) The term "church plan" means a plan established and maintained (to the extent required in clause (ii) of subparagraph (B)) for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of title 26.\(^3\)

\(^3\)So in original. Probably should be followed by a period.
(B) The term "church plan" does not include a plan—

(i) which is established and maintained primarily for the benefit of employees (or their beneficiaries) of such church or convention or association of churches who are employed in connection with one or more unrelated trades or businesses (within the meaning of section 513 of title 26), or

(ii) if less than substantially all of the individuals included in the plan are individuals described in subparagraph (A) or in clause (ii) of subparagraph (C) (or their beneficiaries).

(C) For purposes of this paragraph—

(i) A plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches includes a plan maintained by an organization, whether a civil law corporation or otherwise, the principal purpose or function of which is the administration or funding of a plan or program for the provision of retirement benefits or welfare benefits, or both, for the employees of a church or a convention or association of churches, if such organization is controlled by or associated with a church or a convention or association of churches, or an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of title 26.

(ii) The term employee of a church or a convention or association of churches includes—

(I) a duly ordained, commissioned, or licensed minister of a church in the exercise of his ministry, regardless of the source of his compensation;

(II) an employee of an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of title 26 and which is controlled by or associated with a church or a convention or association of churches, if it shares common religious bonds and convictions with that church or convention or association of churches;

(III) an individual described in clause (v).

(iii) A church or a convention or association of churches which is exempt from tax under section 501 of title 26 shall be deemed the employer of any individual included as an employee under clause (ii).

(iv) An organization, whether a civil law corporation or otherwise, is associated with a church or a convention or association of churches if it shares common religious bonds and convictions with that church or convention or association of churches.

(v) If an employee who is included in a church plan separates from the service of a church or a convention or association of churches or an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of title 26 and which is controlled by or associated with a church or a convention or association of churches, the church plan shall not fail to meet the requirements of this paragraph merely because the plan—

(I) retains the employee's accrued benefit or account for the payment of benefits to the employee or his beneficiaries pursuant to the terms of the plan; or

(II) receives contributions on the employee's behalf after the employee's separation from such service, but only for a period of 5 years after such separation, unless the employee is disabled (within the meaning of the disability provisions of the church plan or, if there are no such provisions in the church plan, within the meaning of section 72(m)(7) of title 26) at the time of such separation from service.

(D)(i) If a plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of title 26 fails to meet one or more of the requirements of this paragraph and corrects its failure to meet such requirements within the correction period, the plan shall be deemed to meet the requirements of this paragraph for the year in which the correction was made and for all prior years.

(ii) If a correction is not made within the correction period, the plan shall be deemed not to meet the requirements of this paragraph beginning with the date on which the earliest failure to meet one or more of such requirements occurred.

(iii) For purposes of this subparagraph, the term "correction period" means—

(I) the period ending 270 days after the date of mailing by the Secretary of the Treasury of a notice of default with respect to the plan's failure to meet one or more of the requirements of this paragraph; or

(II) any period set by a court of competent jurisdiction after a final determination that the plan fails to meet such requirements, or, if the court does not specify such period, any reasonable period determined by the Secretary of the Treasury on the basis of all the facts and circumstances, but in any event not less than 270 days after the determination has become final; or

(III) any additional period which the Secretary of the Treasury determines is reasonable or necessary for the correction of the default,

whichever has the latest ending date.

(34) The term "individual account plan" or "defined contribution plan" means a pension plan which provides for an individual account for each participant and for benefits based solely upon the amount contributed to the participant's account, and any income, expenses, gains and losses, and any forfeitures of accounts of other participants which may be allocated to such participant's account.

(35) The term "defined benefit plan" means a pension plan other than an individual account plan; except that a pension plan which is not an individual account plan and which provides a benefit derived from employer contributions which is based partly on the balance of the separate account of a participant—

(A) for the purposes of section 1052 of this title, shall be treated as an individual account plan, and

(B) for the purposes of paragraph (23) of this section and section 1054 of this title, shall be treated as an individual account plan to the extent benefits are based upon the separate account of a participant and as a defined benefit plan with respect to the remaining portion of benefits under the plan.
(36) The term "excess benefit plan" means a plan maintained by an employer solely for the purpose of providing benefits for certain employees in excess of the limitations on contributions and benefits imposed by section 415 of title 26 on plans to which that section applies without regard to whether the plan is funded. To the extent that a separable part of a plan (as determined by the Secretary of Labor) maintained by an employer is maintained for such purpose, that part shall be treated as a separate plan which is an excess benefit plan.

(37)(A) The term "multiemployer plan" means a plan—

(i) to which more than one employer is required to contribute,

(ii) which is maintained pursuant to one or more collective bargaining agreements between one or more employee organizations and more than one employer, and

(iii) which satisfies such other requirements as the Secretary may prescribe by regulation.

(B) For purposes of this paragraph, all trades or businesses (whether or not incorporated) which are under common control within the meaning of section 1361(b)(1) of this title are considered a single employer.

(C) Notwithstanding subparagraph (A), a plan is a multiemployer plan on and after its termination date if the plan was a multiemployer plan under this paragraph for the plan year preceding its termination date.

(D) For purposes of this subchapter, notwithstanding the preceding provisions of this paragraph, for any plan year which began before September 26, 1980, the term "multiemployer plan" means a plan described in this paragraph (37) as in effect immediately before such date.

(E) Within one year after September 26, 1980, a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation and subject to the provisions of sections 1453(b) and (c) of this title, that the plan shall not be treated as a multiemployer plan for all purposes under this chapter or the Internal Revenue Code of 1954 if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980—

(i) the plan was not a multiemployer plan because the plan was not a plan described in subparagraph (A)(iii) of this paragraph and section 414(f)(11)(C) of title 26 (as such provisions were in effect on the day before September 26, 1980); and

(ii) the plan had been identified as a plan that was not a multiemployer plan in substantially all its filings with the corporation, the Secretary of Labor and the Secretary of the Treasury.

(F)(i) For purposes of this subchapter a qualified football coaches plan—

(I) shall be treated as a multiemployer plan to the extent not inconsistent with the purposes of this subparagraph; and

(II) notwithstanding section 401(k)(4)(B) of title 26, may include a qualified cash and deferred arrangement.

(ii) For purposes of this subparagraph, the term "qualified football coaches plan" means any defined contribution plan which is established and maintained by an organization—

(I) which is described in section 501(c) of title 26;

(II) the membership of which consists entirely of individuals who primarily coach football as full-time employees of 4-year colleges or universities described in section 170(b)(1)(A)(ii) of title 26; and

(III) which was in existence on September 18, 1986.

(G)(i) Within 1 year after August 17, 2006—

(I) an election under subparagraph (E) may be revoked, pursuant to procedures prescribed by the Pension Benefit Guaranty Corporation, if, for each of the 3 plan years prior to August 17, 2006, the plan would have been a multiemployer plan but for the election under subparagraph (E), and

(II) a plan that meets the criteria in clauses (i) and (ii) of subparagraph (A) of this paragraph or that is described in clause (vi) may, pursuant to procedures prescribed by the Pension Benefit Guaranty Corporation, elect to be a multiemployer plan, if—

(aa) for each of the 3 plan years immediately preceding the first plan year for which the election under this paragraph is effective with respect to the plan, the plan has met those criteria or is so described,

(bb) substantially all of the plan's employer contributions for each of those plan years were made or required to be made by organizations that were exempt from tax under section 501 of title 26, and

(cc) the plan was established prior to September 2, 1974.

(ii) An election under this subparagraph shall be effective for all purposes under this chapter and under title 26, starting with any plan year beginning on or after January 1, 1999, and ending before January 1, 2008, as designated by the plan in the election made under clause (i)(II).

(iii) Once made, an election under this subparagraph shall be irrevocable, except that a plan described in clause (i)(II) shall cease to be a multiemployer plan as of the plan year beginning immediately after the first plan year for which the majority of its employer contributions were made or required to be made by organizations that were not exempt from tax under section 501 of title 26.

(iv) The fact that a plan makes an election under clause (i)(II) does not imply that the plan was not a multiemployer plan prior to the date of the election or would not be a multiemployer plan without regard to the election.

(v)(I) No later than 30 days before an election is made under this subparagraph, the plan administrator shall provide notice of the pending election to each plan participant and beneficiary, each labor organization representing such participants or beneficiaries, and each employer that has an obligation to contribute to the plan, describing the principal differences between the guarantee programs under subchapter III and the benefit restrictions under this subchapter for single employer and multiemployer plans, along with such other information as the plan administrator chooses to include.
(II) Within 180 days after August 17, 2006, the Secretary shall prescribe a model notice under this clause.

(III) A plan administrator’s failure to provide the notice required under this subparagraph shall be treated for purposes of section 1132(c)(2) of this title as a failure or refusal by the plan administrator to file the annual report required to be filed with the Secretary under section 1021(b)(1) of this title.

(vi) A plan is described in this clause if it is a plan sponsored by an organization which is described in section 501(c)(5) of title 26 and exempt from tax under section 501(a) of such title and which was established in Chicago, Illinois, on August 12, 1881.

(vii) For purposes of this chapter and title 26, a plan making an election under this subparagraph shall be treated as maintained pursuant to a collective bargaining agreement if a collective bargaining agreement, expressly or otherwise, provides for or permits employer contributions to the plan by one or more employers that are signatory to such agreement, or participation in the plan by one or more employees of an employer that is signatory to such agreement, regardless of whether the plan was created, established, or maintained for such employees by virtue of another document that is not a collective bargaining agreement.

(38) The term “investment manager” means any fiduciary (other than a trustee or named fiduciary, as defined in section 1102(a)(2) of this title)—

(A) who has the power to manage, acquire, or dispose of any asset of a plan;

(B) who (i) is registered as an investment adviser under the Investment Advisers Act of 1940 (15 U.S.C. 80b–1 et seq.); (ii) is not registered as an investment adviser under such Act by reason of paragraph (1) of section 203A(a) of such Act (15 U.S.C. 80b–3a(a)), is registered as an investment adviser under the laws of the State (referred to in such paragraph (1) in which it maintains its principal office and place of business, and, at the time the fiduciary last filed the registration form most recently filed by the fiduciary with such State in order to maintain the fiduciary’s registration under the laws of such State, also filed a copy of such form with the Secretary; (iii) is a bank, as defined in that Act; or (iv) is an insurance company qualified to perform services described in subparagraph (A) under the laws of more than one State; and

(C) has acknowledged in writing that he is a fiduciary with respect to the plan.

(39) The terms “plan year” and “fiscal year of the plan” mean, with respect to a plan, the calendar, policy, or fiscal year on which the records of the plan are kept.

(40) (A) The term “multiple employer welfare arrangement” means an employee welfare benefit plan, or any other arrangement (other than an employee welfare benefit plan), which is established or maintained for the purpose of offering or providing any benefit described in paragraph (1) to the employees of two or more employers (including one or more self-employed individuals), or to their beneficiaries, except that such term does not include any such plan or other arrangement which is established or maintained—

(i) under or pursuant to one or more agreements which the Secretary finds to be collective bargaining agreements,

(ii) by a rural electric cooperative association,

(iii) by a rural telephone cooperative association.

(B) For purposes of this paragraph—

(i) two or more trades or businesses, whether or not incorporated, shall be deemed a single employer if such trades or businesses are within the same control group.

(ii) the term “control group” means a group of trades or businesses under common control.

(iii) the determination of whether a trade or business is under “common control” with another trade or business shall be determined under regulations of the Secretary applying principles similar to the principles applied in determining whether employees of two or more trades or businesses are treated as employed by a single employer under section 1301(b) of this title, except that, for purposes of this paragraph, common control shall not be based on an interest of less than 25 percent.

(iv) the term “rural electric cooperative” means—

(I) any organization which is exempt from tax under section 501(a) of title 26 and which is engaged primarily in providing electric service on a mutual or cooperative basis, and

(II) any organization described in paragraph (4) or (6) of section 501(c) of title 26 which is exempt from tax under section 501(a) of title 26 and at least 80 percent of the members of which are organizations described in subclause (I), and

(v) the term “rural telephone cooperative association” means an organization described in paragraph (4) or (6) of section 501(c) of title 26 which is exempt from tax under section 501(a) of title 26 and at least 80 percent of the members of which are organizations engaged primarily in providing telephone service to rural areas of the United States on a mutual, cooperative, or other basis.

(41) (41) § 1002 SINGLE-EMPLOYER PLAN.—The term “single-employer plan” means an employee benefit plan other than a multiemployer plan.

(42) (42) § 1002 The term “plan assets” means plan assets as defined by such regulations as the Secretary may prescribe, except that under such regulations the assets of any entity shall not be treated as plan assets if, immediately after the most recent acquisition of any equity interest in the entity, less than 25 percent of the total value of each class of equity interest in the entity is held by benefit plan investors. For purposes of determinations pursuant to this paragraph, the value of any equity interest held by a person (other than such a benefit plan investor) who has discretionary authority or control with respect to the assets of the entity or any person who provides investment advice for a fee (direct or indi-
rect) with respect to such assets, or any affiliate of such a person, shall be disregarded for purposes of calculating the 25 percent threshold. An entity shall be considered to hold plan assets only to the extent of the percentage of the equity interest held by benefit plan investors. For purposes of this paragraph, the term “benefit plan investor” means an employee benefit plan subject to part 4, any plan to which section 4975 of title 26 applies, and any entity whose underlying assets include plan assets by reason of a plan’s investment in such entity.

So in original. Probably should be “part 4 of subtitle B.”.

(a) Filing of annual report with Secretary

(1) The administrator of any employee benefit plan subject to this part shall file with the Secretary the annual report for a plan year within 210 days after the close of such year (or within such time as may be required by regulations promulgated by the Secretary in order to reduce duplicative filing). The Secretary shall make copies of such annual reports available for inspection in the public document room of the Department of Labor.

(2)(A) With respect to annual reports required to be filed with the Secretary under this part, he may by regulation prescribe simplified annual reports for any pension plan which covers less than 100 participants.

(B) Nothing contained in this paragraph shall preclude the Secretary from requiring any information or data from any such plan to which this part applies where he finds such data or information is necessary to carry out the purposes of this subchapter.
The administrator shall furnish to each participant, and each beneficiary receiving benefits under the plan, every five years after the plan becomes subject to this part an updated summary plan description described in section 1022 of this title which integrates all plan amendments made within such five-year period, except that in a case where no amendments have been made to a plan during such five-year period this sentence shall not apply. Notwithstanding the foregoing, the administrator shall furnish to each participant, and to each beneficiary receiving benefits under the plan, the summary plan description described in section 1022 of this title every tenth year after the plan becomes subject to this part. If there is a modification or change described in section 1022(a) of this title (other than a material reduction in covered services or benefits provided in the case of a group health plan (as defined in section 1191(b)(a)(1) of this title)), a summary description of such modification or change shall be furnished not later than 210 days after the end of the plan year in which the change is adopted to each participant, and to each beneficiary who is receiving benefits under the plan. If there is a modification or change described in section 1022(a) of this title that is a material reduction in covered services or benefits provided under a group health plan (as defined in section 1191(b)(a)(1) of this title), a summary description of such modification or change shall be furnished not later than 60 days after the date of the adoption of the modification or change. In the alternative, the plan sponsors may provide such description at regular intervals of not more than 90 days. The Secretary shall issue regulations within 180 days after August 21, 1996, providing alternative mechanisms to delivery by mail through which group health plans (as so defined) may notify participants and beneficiaries of material reductions in covered services or benefits.

(2) The administrator shall make copies of the latest updated summary plan description and the latest annual report and the bargaining agreement, trust agreement, contract, or other instruments under which the plan was established or is operated available for examination any plan participant or beneficiary in the principal office of the administrator and in such other places as may be necessary to make available all pertinent information to all participants (including such places as the Secretary may prescribe by regulations).

(3) Within 210 days after the close of the fiscal year of the plan, the administrator (other than an administrator of a defined benefit plan to which the requirements of section 1021(f) of this title applies) shall furnish to each participant, and to each beneficiary receiving benefits under the plan, a copy of the statements and schedules, for such fiscal year, described in subparagraphs (A) and (B) of section 1023(b)(3) of this title and such other material (including the percentage determined under section 1023(d)(11) of this title).

The administrator may make a reasonable charge to cover the cost of furnishing such complete copies. The Secretary may by regulation prescribe the maximum amount which will constitute a reasonable charge under the preceding sentence.

(5) Identification and basic plan information and actuarial information included in the annual report for any plan year shall be filed with the Secretary in an electronic format which accommodates display on the Internet, in accordance with regulations which shall be prescribed by the Secretary. The Secretary shall provide for display of such information included in the annual report, within 90 days after the date of the filing of the annual report, on an Internet website maintained by the Secretary and other appropriate media. Such information shall also be displayed on any Intranet website maintained by the plan sponsor (or by the plan administrator on behalf of the plan sponsor) for the purpose of communicating with employees and not the public, in accordance with regulations which shall be prescribed by the Secretary.

c) Statement of rights

The Secretary may by regulation require that the administrator of any employee benefit plan furnish to each participant and to each beneficiary receiving benefits under the plan a statement of the rights of participants and beneficiaries under this subchapter.

d) Furnishing summary plan information to employers and employee representatives of multiemployer plans

(G) in the case of a multiemployer plan that has merged with another plan or to which assets and liabilities have been transferred, the actuarial valuation of the assets and liabilities of each affected plan during the year preceding the effective date of the merger or transfer, based upon the most recent data available as of the day before the first day of the plan year, or other valuation method performed under standards and procedures as the Secretary may prescribe by regulation;

(H) a description as to whether the plan—

(i) sought or received an amortization extension under section 1084(d) of this title or section 431(d) of title 26 for such plan year; or

(ii) used the shortfall funding method (as such term is used in section 1085 of this title) for such plan year; and

(ii) the administrator may make a reasonable charge to cover copying, mailing, and other costs of furnishing copies of information pursuant to this subparagraph.

(2) Effect of subsection

Nothing in this subsection waives any other provision under this subchapter requiring plan administrators to provide, upon request, information to employers that have an obligation to contribute under the plan.

§ 1028. Reliance on administrative interpretations

In any criminal proceeding under section 1131 of this title, based on any act or omission in alleged violation of this part or section 1112 of this title, no person shall be subject to any liability or punishment for or on account of the failure of such person to (1) comply with this part or section 1112 of this title, if he pleads and proves that the act or omission complained of was in good faith, in conformity with, and in reliance on any regulation or written ruling of the Secretary, or (2) publish and file any information required by any provision of this part if he pleads and proves that he published and filed such information in good faith, and in conformity with any regulation or written ruling of the Secretary issued under this part regarding the filing of such reports. Such a defense, if established, shall be a bar to the action or proceeding, notwithstanding that (A) after such act or omission, such interpretation or opinion is modified or rescinded or is determined by judicial authority to be invalid or of no legal effect, or (B) after publishing or filing the annual reports and other reports required by this subchapter, such publication or filing is determined by judicial authority not to be in conformity with the requirements of this part.

AMENDMENTS

1997—Pub. L. 105–34, which directed the amendment of cl. (2)(B) by substituting “annual reports” for “plan descriptions, annual reports,” was executed by making the substitution for “plan description, annual reports,” to reflect the probable intent of Congress.

1989—Pub. L. 101–239 substituted “act or omission” for “act of omission” before “complained of”.

§ 1029. Forms

(a) Information required on forms

Except as provided in subsection (b) of this section, the Secretary may require that any information required under this subchapter to be submitted to him, including but not limited to the information required to be filed by the administrator pursuant to section 1023(b)(3) and (c) of this title, must be submitted on such forms as he may prescribe.

(b) Information not required on forms

The financial statement and opinion required to be prepared by an independent qualified public accountant pursuant to section 1023(a)(3)(A) of this title, the actuarial statement required to be prepared by an enrolled actuary pursuant to section 1023(a)(4)(A) of this title and the summary plan description required by section 1022(a) of this title shall not be required to be submitted on forms.

(c) Format and content of summary plan description, annual report, etc., required to be furnished to plan participants and beneficiaries

The Secretary may prescribe the format and content of the summary plan description, the summary of the annual report described in section 1024(b)(3) of this title and any other report, statements or documents (other than the bargaining agreement, trust agreement, contract, or other instrument under which the plan is established or operated), which are required to be furnished or made available to plan participants and beneficiaries receiving benefits under the plan.

REGULATIONS

Secretary authorized, effective Sept. 2, 1974, to promulgate regulations wherever provisions of this subchapter call for the promulgation of regulations, see section 1631 of this title.

§ 1030. Alternative methods of compliance

(a) The Secretary on his own motion or after having received the petition of an administrator
may prescribe an alternative method for satisfying any requirement of this part with respect to any pension plan, or class of pension plans, subject to such requirement if he determines—

(1) that the use of such alternative method is consistent with the purposes of this subchapter and that it provides adequate disclosure to the participants and beneficiaries in the plan, and adequate reporting to the Secretary,

(2) that the application of such requirement of this part would—

(A) increase the costs to the plan, or

(B) impose unreasonable administrative burdens with respect to the operation of the plan, having regard to the particular characteristics of the plan or the type of plan involved; and

(3) that the application of this part would be adverse to the interests of plan participants in the aggregate.

(b) An alternative method may be prescribed under subsection (a) of this section by regulation or otherwise. If an alternative method is prescribed other than by regulation, the Secretary shall provide notice and an opportunity for interested persons to present their views, and shall publish in the Federal Register the provisions of such alternative method.

REGULATIONS

Secretary authorized, effective Sept. 2, 1974, to promulgate regulations wherever provisions of this subchapter call for the promulgation of regulations, see section 1031 of this title.

§ 1031. Repeal and effective date

(a)(1) The Welfare and Pension Plans Disclosure Act (29 U.S.C. 301 et seq.) is repealed except that such Act shall continue to apply to any conduct and events which occurred before the effective date of this part.

(2) (A) Section 664 of title 18 is amended by striking out “any such plan subject to the provisions of the Welfare and Pension Plans Disclosure Act” and inserting in lieu thereof “any employee benefit plan subject to any provisions of title 1 of the Employee Retirement Income Security Act of 1974”.

(B) Section 1027 of title 18 is amended by striking out “Welfare and Pension Plans Disclosure Act” and inserting in lieu thereof “Employee Retirement Income Security Act of 1974”.

(b)(1) Except as provided in paragraph (2), this part (including the amendments and repeals made by subsection (a) of this section) shall take effect on January 1, 1975.

(2) In the case of a plan which has a plan year which begins before January 1, 1975, and ends after December 31, 1974, the Secretary may postpone by regulation the effective date of the repeal of any provision of the Welfare and Pension Plans Disclosure Act (and of any amendment made by subsection (a)(2) of this section) and the effective date of any provision of this part, until the beginning of the first plan year of such plan which begins after January 1, 1975.

(c) The provisions of this subchapter authorizing the Secretary to promulgate regulations shall take effect on September 2, 1974.

(d) Subsections (b) and (c) of this section shall not apply with respect to amendments made to this part in provisions enacted after September 2, 1974.

§ 1052. Minimum participation standards

(a)(1)(A) No pension plan may require, as a condition of participation in the plan, that an employee complete a period of service with the employer or employers maintaining the plan extending beyond the later of the following dates—

(i) the date on which the employee attains the age of 21; or

(ii) the date on which he completes 1 year of service.

(B)(i) in the case of any plan which provides that after not more than 2 years of service each participant has a right to 100 percent of his accrued benefit under the plan which is nonforfeitable at the time such benefit accrues, clause (ii) of subparagraph (A) shall be applied by substituting “2 years of service” for “1 year of service”.

(ii) In the case of any plan maintained exclusively for employees of an educational organization (as defined in section 170(b)(1)(A)(i) of title 26) by an employer which is exempt from tax under section 501(a) of title 26, which provides that each participant having at least 1 year of service has a right to 100 percent of his accrued benefit under the plan which is nonforfeitable at the time such benefit accrues, clause (i) of subparagraph (A) shall be applied by substituting “26” for “21.” This clause shall not apply to any plan to which clause (i) applies.

(2) No pension plan may exclude from participation (on the basis of age) employees who have attained a specified age.
(3)(A) For purposes of this section, the term “year of service” means a 12-month period during which the employee has not less than 1,000 hours of service. For purposes of this paragraph, computation of any 12-month period shall be made with reference to the date on which the employee’s employment commenced, except that, in accordance with regulations prescribed by the Secretary, such computation may be made by reference to the first day of a plan year in the case of an employee who does not complete 1,000 hours of service during the 12-month period beginning on the date his employment commenced.

(B) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term “year of service” shall be such period as may be determined under regulations prescribed by the Secretary.

(C) For purposes of this section, the term “year of service” means a 12-month period during which the employee has satisfied the minimum age and service requirements specified in such paragraph, and who is otherwise entitled to participate in the plan.

(D) For purposes of this section, in the case of any maritime industry, 125 days of service shall be treated as 1,000 hours of service. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(4) A plan shall be treated as not meeting the requirements of paragraph (1) unless it provides that any employee who has satisfied the minimum age and service requirements specified in such paragraph, and who is otherwise entitled to participate in the plan, commences participation in the plan no later than the earlier of—

(A) the first day of the first plan year beginning after the date on which such employee satisfied such requirements, or

(B) the date 6 months after the date on which he satisfied such requirements,

unless such employee was separated from the service before the date referred to in subparagraph (A) or (B), whichever is applicable.

(b)(1) Except as otherwise provided in paragraphs (2), (3), and (4), all years of service with the employer or employers maintaining the plan shall be taken into account in computing the period of service for purposes of subsection (a)(1)(B) of this section.

(2) In the case of any employee who has any 1-year break in service (as defined in section 1053(b)(3)(A) of this title) under a plan to which the Secretary may prescribe regulations to carry out the purposes of this subparagraph, such employee shall be treated as having completed the 12-month period beginning on the date his employment commenced, except that, in accordance with regulations prescribed by the Secretary, such computation may be made by reference to the first day of a plan year in the case of an employee who does not complete 1,000 hours of service during the 12-month period beginning on the date his employment commenced.

(B) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term “year of service” shall be such period as may be determined under regulations prescribed by the Secretary.

(4) A plan shall be treated as not meeting the requirements of paragraph (1) unless it provides that any employee who has satisfied the minimum age and service requirements specified in such paragraph, and who is otherwise entitled to participate in the plan, commences participation in the plan no later than the earlier of—

(A) the first day of the first plan year beginning after the date on which such employee satisfied such requirements, or

(B) the date 6 months after the date on which he satisfied such requirements,

unless such employee was separated from the service before the date referred to in subparagraph (A) or (B), whichever is applicable.

(b)(1) Except as otherwise provided in paragraphs (2), (3), and (4), all years of service with the employer or employers maintaining the plan shall be taken into account in computing the period of service for purposes of subsection (a)(1)(B) of this section.

(2) In the case of any employee who has any 1-year break in service (as defined in section 1053(b)(3)(A) of this title) under a plan to which the Secretary may prescribe regulations to carry out the purposes of this subparagraph, such employee shall be treated as having completed the 12-month period beginning on the date his employment commenced, except that, in accordance with regulations prescribed by the Secretary, such computation may be made by reference to the first day of a plan year in the case of an employee who does not complete 1,000 hours of service during the 12-month period beginning on the date his employment commenced.

(B) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term “year of service” shall be such period as may be determined under regulations prescribed by the Secretary.

(C) For purposes of this section, the term “year of service” means a 12-month period during which the employee has satisfied the minimum age and service requirements specified in such paragraph, and who is otherwise entitled to participate in the plan.

(4) A plan shall be treated as not meeting the requirements of paragraph (1) unless it provides that any employee who has satisfied the minimum age and service requirements specified in such paragraph, and who is otherwise entitled to participate in the plan, commences participation in the plan no later than the earlier of—

(A) the first day of the first plan year beginning after the date on which such employee satisfied such requirements, or

(B) the date 6 months after the date on which he satisfied such requirements,

unless such employee was separated from the service before the date referred to in subparagraph (A) or (B), whichever is applicable.
(ii) the number of days for which there was such an absence.

§ 1053. Minimum vesting standards
(a) Nonforfeatability requirements
Each pension plan shall provide that an employee’s right to his normal retirement benefit is nonforfeitable upon the attainment of normal retirement age and in addition shall satisfy the requirements of paragraphs (1) and (2) of this subsection.
(1) A plan satisfies the requirements of this paragraph if an employee’s rights in his ac-
cruced benefit derived from his own contributions are nonforfeitable.

(2)(A)(i) In the case of a defined benefit plan, a plan satisfies the requirements of this paragraph if it satisfies the requirements of clause (ii) or (iii).

(ii) A plan satisfies the requirements of this clause if an employee who has completed at least 5 years of service has a nonforfeitable right to 100 percent of the employee’s accrued benefit derived from employer contributions.

(iii) A plan satisfies the requirements of this clause if an employee has a nonforfeitable right to a percentage of the employee’s accrued benefit derived from employer contributions determined under the following table:

<table>
<thead>
<tr>
<th>Years of service:</th>
<th>The nonforfeitable percentage is:</th>

(B)(i) In the case of an individual account plan, a plan satisfies the requirements of this paragraph if it satisfies the requirements of clause (ii) or (iii).

(ii) A plan satisfies the requirements of this clause if an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee’s accrued benefit derived from employer contributions.

(iii) A plan satisfies the requirements of this clause if an employee has a nonforfeitable right to a percentage of the employee’s accrued benefit derived from employer contributions determined under the following table:

(3)(A) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that it is not payable if the participant dies (except in the case of a survivor annuity which is payable as provided in section 1055 of this title).

(B) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that the payment of benefits is suspended for such period as the employee is employed, subsequent to the commencement of payment of such benefits—

(i) in the case of a plan other than a multiemployer plan, by an employer who maintains the plan under which such benefits were being paid; and

(ii) in the case of a multiemployer plan, in the same industry, in the same trade or craft, and the same geographic area covered by the plan, as when such benefits commenced.

The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subparagraph, including regulations with respect to the meaning of the term “employed”.

(C) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that, in the case of a participant who does not have a nonforfeitable right to at least 50 percent of his accrued benefit derived from employer contributions, such accrued benefit may be forfeited on account of the withdrawal by the participant of any amount attributable to the benefit derived from mandatory contributions (as defined in the last sentence of section 1054(c)(2)(C) of this title) made by such participant.

(ii) Clause (i) shall not apply to a plan unless the plan provides that any accrued benefit forfeited under a plan provision described in such clause shall be restored upon repayment by the participant of the full amount of the withdrawal described in such clause plus, in the case of a defined benefit plan, interest. Such interest shall be computed on such amount at the rate determined for purposes of section 1054(c)(2)(C) of this title (if such subsection applies) on the date of such repayment (computed annually from the date of such withdrawal). The plan provision required under this clause may provide that such repayment must be made (I) in the case of a withdrawal on account of separation from service, before the earlier of 5 years after the date of the withdrawal; or (II) in the case of any other withdrawal, 5 years after the date of the withdrawal.

(iii) In the case of accrued benefits derived from employer contributions which accrued before September 2, 1974, a right to such accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that an amount of such accrued benefit may be forfeited on account of the withdrawal by the participant of an amount attributable to the benefit derived from mandatory contributions, made by such participant before September 2, 1974, if such amount forfeited is proportional to such amount withdrawn. This clause shall not apply to any plan to which any mandatory contribution is made after September 2, 1974. The Secretary of the Treasury shall prescribe such regulations as may be necessary to carry out the purposes of this clause.

(iv) For purposes of this subparagraph, in the case of any class-year plan, a withdrawal of employee contributions shall be treated as a withdrawal of such contributions on a plan year by plan year basis in succeeding order of time.

(v) Cross reference.—
For nonforfeitability where the employee has a nonforfeitable right to at least 50 percent of his accrued benefit, see section 1056(c) of this title.

(E)(i) A right to an accrued benefit derived from employer contributions under a multimember plan shall not be treated as forfeitable solely because the plan provides that benefits accrued as a result of service with the participant’s employer before the employer had an obligation to contribute under the plan may not be payable if the employer ceases contributions to the multimember plan.

(ii) A participant’s right to an accrued benefit derived from employer contributions under a multimember plan shall not be treated as forfeitable solely because—

(I) the plan is amended to reduce benefits under section 1425 or 1441 of this title, or

(II) benefit payments under the plan may be suspended under section 1426 or 1441 of this title.

(F) A matching contribution (within the meaning of section 401(m) of title 26) shall not be treated as forfeitable merely because such contribution is forfeitable if the contribution to which the matching contribution relates is treated as an excess contribution under section 401(k)(3)(B) of title 26, an excess deferral under section 402(g)(2)(A) of title 26, an erroneous automatic contribution under section 411(w) of title 26, or an excess aggregate contribution under section 401(m)(6)(B) of title 26.

(b) Computation of period of service

(1) In computing the period of service under the plan for purposes of determining the nonforfeitable percentage under subsection (a)(2) of this section, all of an employee’s years of service with the employer or employers maintaining the plan shall be taken into account, except that the following may be disregarded:

(A) years of service before age 18,1

(B) years of service during a period for which the employee declined to contribute to a plan requiring employee contributions,1

(C) years of service with an employer during any period for which the employer did not maintain the plan or a predecessor plan, defined by the Secretary of the Treasury;

(D) service not required to be taken into account under paragraph (3);

(E) years of service before January 1, 1971, unless the employee has had at least 3 years of service after December 31, 1970;

(F) years of service before this part first applies to the plan if such service would have been disregarded under the rules of the plan with regard to breaks in service, as in effect on the applicable date; and

(G) in the case of a multiemployer plan, years of service—

(i) with an employer after—

(I) a complete withdrawal of such employer from the plan (within the meaning of section 1383 of this title), or

(II) to the extent permitted by regulations prescribed by the Secretary of the Treasury, a partial withdrawal described in section 1385(b)(2)(A)(i) of this title in connection with the decertification of the collective bargaining representative; and

(ii) with any employer under the plan after the termination date of the plan under section 1348 of this title.

(2)(A) For purposes of this section, except as provided in subparagraph (C), the term “year of service” means a calendar year, plan year, or other 12-consecutive month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) during which the participant has completed 1,000 hours of service.

(B) For purposes of this section, the term “hour of service” has the meaning provided by section 1052(a)(3)(C) of this title.

(C) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term “year of service” shall be such period as determined under regulations of the Secretary.

(D) For purposes of this section, in the case of any maritime industry, 125 days of service shall be treated as 1,000 hours of service. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(3)(A) For purposes of this paragraph, the term “1-year break in service” means a calendar year, plan year, or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) during which the participant has not completed more than 500 hours of service.

(B) For purposes of paragraph (1), in the case of any employee who has any 1-year break in service, years of service before such break shall not be required to be taken into account until he has completed a year of service after his return.

(C) For purposes of paragraph (1), in the case of any participant in an individual account plan or an insured defined benefit plan which satisfies the requirements of subsection 1054(b)(1)(F) of this title who has 5 consecutive 1-year breaks in service, years of service after such 5-year period shall not be required to be taken into account for purposes of determining the nonforfeitable percentage of his accrued benefit derived from employer contributions which accrued before such 5-year period.

(D)(I) For purposes of paragraph (1), in the case of a nonvested participant, years of service with the employer or employers maintaining the plan before any period of consecutive 1-year breaks in service shall not be required to be taken into account if the number of consecutive 1-year breaks in service within such period equals or exceeds the greater of—

(I) 5, or

(II) the aggregate number of years of service before such period.

(ii) If any years of service are not required to be taken into account by reason of a period of breaks in service to which clause (i) applies, such years of service shall not be taken into account in applying clause (i) to a subsequent period of breaks in service.

(iii) For purposes of clause (i), the term “nonvested participant” means a participant who does not have any nonforfeitable right under the plan to an accrued benefit derived from employer contributions.

1 So in original. The comma probably should be a semicolon.
(E)(i) In the case of each individual who is absent from work for any period—
   (I) by reason of the pregnancy of the individual,
   (II) by reason of the birth of a child of the individual,
   (III) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or
   (IV) for purposes of caring for such child for a period beginning immediately following such birth or placement,
the plan shall treat as hours of service, solely for purposes of determining under this paragraph whether a 1-year break in service has occurred, the hours described in clause (ii).

(ii) The hours described in this clause are—
   (I) the hours of service which otherwise would normally have been credited to such individual but for such absence, or
   (II) in any case in which the plan is unable to determine the hours described in subclause (I), 8 hours of service per day of absence, except that the total number of hours treated as hours of service under this clause by reason of such pregnancy or placement shall not exceed 501 hours.

(iii) The hours described in clause (ii) shall be treated as hours of service as provided in this subparagraph—
   (I) only in the year in which the absence from work begins, if a participant would be prevented from incurring a 1-year break in service in such year solely because the period of absence is treated as hours of service as provided in clause (i); or
   (II) in any other case, in the immediately following year.

(iv) For purposes of this subparagraph, the term “year” means the period used in computations pursuant to paragraph (2).

(v) A plan may provide that no credit will be given pursuant to this subparagraph unless the individual furnishes to the plan administrator such timely information as the plan may reasonably require to establish—
   (I) that the absence from work is for reasons referred to in clause (i), and
   (II) the number of days for which there was such an absence.

(4) Cross references.
   (A) For definitions of “accrued benefit” and “normal retirement age”, see sections 1002(23) and (24) of this title.
   (B) For effect of certain cash out distributions, see section 1054(d)(1) of this title.

(c) Plan amendments altering vesting schedule

(1)(A) A plan amendment changing any vesting schedule under the plan shall be treated as not satisfying the requirements of subsection (a)(2) of this section if the nonforfeitable percentage of the accrued benefit derived from employer contributions (determined as of the later of the date such amendment is adopted, or the date such amendment becomes effective) of any employee who is a participant in the plan is less than such nonforfeitable percentage computed under the plan without regard to such amendment.

(B) A plan amendment changing any vesting schedule under the plan shall be treated as not satisfying the requirements of subsection (a)(2) of this section unless each participant having not less than 3 years of service is permitted to elect, within a reasonable period after adoption of such amendment, to have his nonforfeitable percentage computed under the plan without regard to such amendment.

(2) Subsection (a) of this section shall not apply to benefits which may not be provided for designated employees in the event of early termination of the plan under provisions of the plan adopted pursuant to regulations prescribed by the Secretary of the Treasury to preclude the discrimination prohibited by section 401(a)(4) of title 26.

(d) Nonforfeitable benefits after lesser period and in greater amounts than required

A pension plan may allow for nonforfeitable benefits after a lesser period and in greater amounts than are required by this part.

(e) Consent for distribution; present value; covered distributions

(1) If the present value of any nonforfeitable benefit with respect to a participant in a plan exceeds $5,000, the plan shall provide that such benefit may not be immediately distributed without the consent of the participant.

(2) For purposes of paragraph (1), the present value shall be calculated in accordance with section 1055(g)(3) of this title.

(3) This subsection shall not apply to any distribution of dividends to which section 404(k) of title 26 applies.

(4) A plan shall not fail to meet the requirements of this subsection if, under the terms of the plan, the present value of the nonforfeitable accrued benefit is determined without regard to that portion of such benefit which is attributable to rollover contributions (and earnings allocable thereto). For purposes of this subparagraph, the term “rollover contributions” means any rollover contribution under sections 402(c), 403(a)(4), 403(b)(8), 408(d)(3)(A)(ii), and 457(e)(16) of title 26.

(f) Special rules for plans computing accrued benefits by reference to hypothetical account balance or equivalent amounts

(1) In general

An applicable defined benefit plan shall not be treated as failing to meet—
   (A) subject to paragraph (2), the requirements of subsection (a)(2), or
   (B) the requirements of section 1054(c) or 1055(g) of this title, or the requirements of subsection (e), with respect to accrued benefits derived from employer contributions, solely because the present value of the accrued benefit (or any portion thereof) of any participant is, under the terms of the plan, equal to the amount expressed as the balance in the hypothetical account described in paragraph (3) or as an accumulated percentage of the participant’s final average compensation.

(2) 3-year vesting

In the case of an applicable defined benefit plan, such plan shall be treated as meeting the
requirements of subsection (a)(2) only if an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee’s accrued benefit derived from employer contributions.

(3) Applicable defined benefit plan and related rules

For purposes of this subsection—

(A) In general

The term “applicable defined benefit plan” means a defined benefit plan under which the accrued benefit (or any portion thereof) is calculated as the balance of a hypothetical account maintained for the participant or as an accumulated percentage of the participant’s final average compensation.

(B) Regulations to include similar plans

The Secretary of the Treasury shall issue regulations which include in the definition of an applicable defined benefit plan any defined benefit plan (or any portion of such a plan) which has an effect similar to an applicable defined benefit plan.

1996—Subsec. (a)(2). Pub. L. 104–188, § 1424(b)(1), substituted “subparagraph (A) or (B)” for “subparagraph (A) or (C)” in introductory provisions.

Subsec. (a)(2)(C). Pub. L. 104–188, § 1424(b)(2), struck out subpar. (C) which read as follows: “A plan satisfies the requirements of this subparagraph if—

(1) the plan is a multipayer plan (within the meaning of section 1002(37)); and

(2) the requirements of this subparagraph if—

(i) the plan is a multiemployer plan (within the meaning of section 1002(37)); and

(ii) the plan出去 any multi-employer plan (within the meaning of section 1002(37)).

In no event shall the present value determined under subclause (II) be less than $25,000.

(2) For purposes of paragraph (1), the term ‘applicable interest rate’ means the interest rate which would be used (as of the date of the distribution) by the Pension Benefit Guaranty Corporation for purposes of determining the present value of a lump sum distribution on plan termination.

Subsec. (e)(1). Pub. L. 101–239, § 7862(d)(10), which directed amendment of par. (1) by substituting “nonforfeitable benefit” for “vested accrued benefit”, could not be executed because the language “vested accrued benefit” did not appear after the amendment by Pub. L. 101–239, § 7862(d)(5), see below.

AMENDMENTS

2008—Subsec. (f)(1)(B). Pub. L. 110–348 amended subpar. (B) generally. Prior to amendment, subpar. (B) read as follows: “the requirements of this section 1054(c) of this title or section 1055(g) of this title with respect to contributions other than employee contributions.”.

2006—Subsec. (a)(2). Pub. L. 109–280, § 904(b)(1), amended par. (2) generally, substituting provisions relating to satisfaction of requirements in the case of a defined benefit plan and in the case of an individual account plan for provisions relating to satisfaction of requirements if an employee who has completed at least 5 years of service has a nonforfeitable right to 100 percent of the employee’s accrued benefit derived from employer contributions or if an employee has a nonforfeitable right to a percentage of such benefit based upon number of years of service.

Subsec. (e)(1). Pub. L. 101–239, § 7862(d)(10), which directed amendment of par. (1) by substituting “nonforfeitable benefit” for “vested accrued benefit”, could not be executed because the language “vested accrued benefit” did not appear after the amendment by Pub. L. 101–239, § 7862(d)(5), see below.

1996—Subsec. (a)(2). Pub. L. 104–188, § 1424(b)(1), substituted “subparagraph (A) or (B)” for “subparagraph (A) or (B)” in introductory provisions.

Subsec. (a)(2)(C). Pub. L. 104–188, § 1424(b)(2), struck out subpar. (C) which read as follows: “A plan satisfies the requirements of this subparagraph if—

(2) the requirements of this subparagraph if—

(i) the plan is a multiemployer plan (within the meaning of section 1002(37)); and

(ii) the plan出去 any multi-employer plan (within the meaning of section 1002(37)).

In no event shall the present value determined under subclause (II) be less than $25,000.

(2) For purposes of subparagraph (A), the term ‘applicable interest rate’ means the interest rate which would be used (as of the date of the distribution) by the Pension Benefit Guaranty Corporation for purposes of determining the present value of a lump sum distribution on plan termination.

1995—Subsec. (a)(2). Pub. L. 104–188, § 1424(a)(1), substituted “satisfies the requirements” for “satisfies the following requirements” in introductory provisions.

Subsec. (b)(1)(A). Pub. L. 101–239, § 7861(a)(6)(B), amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “years of service before age 18, except that in case of a plan which does not satisfy subparagraph (A) or (B) of subsection (a)(2) of this section, the plan may not disregard any such year of service during which the employee was a participant.”.

Subsec. (e)(1). Pub. L. 101–239, § 7862(d)(10), which directed amendment of par. (1) by substituting “nonforfeitable benefit” for “vested accrued benefit”, could not be executed because the language “vested accrued benefit” did not appear after the amendment by Pub. L. 101–239, § 7862(d)(5), see below.

1986—Subsec. (a)(2). Pub. L. 99–514, §1113(e)(1), amended par. (2) generally, substituting provisions covering 5-year vesting, 3- to 7-year vesting, and multiemployer plans, for former provisions which covered 10-year vesting, 5- to 15-year vesting, and the "rule of 45" under which a plan satisfied the requirements of this paragraph if an employee who had completed at least 5

years of service and with respect to whom the sum of his age and years of service equalled or exceeded 45 had a right to a percentage of his accrued benefits derived from employer contributions.

Subsec. (a)(3)(D)(ii). Pub. L. 99–514, §1886(a)(1)(B)(i), inserted last sentence and struck out former last sentence which read as follows: "In the case of a defined contribution plan the plan provision required under this clause may provide that such repayment must be made before the participant has any 1-year break in service commencing after the withdrawal."

Subsec. (c)(1)(B). Pub. L. 99–514, §1113(e)(4)(A), substituted "'3 years'" for "'5 years'".

Pub. L. 99–514, §1886(a)(1)(B), amended par. (3) generally. Prior to amendment, par. (3) read as follows: "The requirements of subsection (a)(2) of this section shall be deemed to be satisfied in the case of a class year plan if such plan provides that 100 percent of each employee's rights to or derived from the contributions of the employer on his behalf with respect to any plan year are nonforfeitable not later than the end of the 5th year following the plan year for which such contributions were made. For purposes of this part, the term 'class year plan' means a profit sharing, stock bonus, or money purchase plan which provides for the separate nonforfeitability of employees' rights to or derived from the contributions for each plan year."

Amendment by Pub. L. 101–239, §7862(d)(4), amended par. (1) generally. Prior to amendment, par. (1) read as follows: "If the present value of any accrued benefit exceeds $3,500, such benefit shall not be treated as nonforfeitable if the plan provides that the present value of such benefit could be immediately distributed without the consent of the participant."

Subsec. (e)(2). Pub. L. 99–514, §1139(c)(1), amended par. (2) generally. Prior to amendment, par. (2) read as follows: "For purposes of paragraph (1), the present value shall be calculated by using an interest rate not greater than the interest rate which would be used (as of the date of the distribution) by the Pension Benefit Guaranty Corporation for purposes of determining the present value of a lump sum distribution on plan termination."

Subsec. (b)(1)(C). Pub. L. 98–397, §102(c), substituted "5 consecutive 1-year breaks in service" for "'any 1-year break in service'" and substituted "'such 5-year period'" for "'such break'" in two places.

Subsec. (b)(2). Heading "Applicable interest rate" amended subpar. (D) generally. Prior to amendment, subpar. (D) read as follows: "For purposes of paragraph (1), in the case of a participant who, under the plan, does not have any nonforfeitable right to an accrued benefit derived from employer contributions, years of service before any 1-year break in service before such break shall not be required to be taken into account if the number of consecutive 1-year breaks in service equals or exceeds the aggregate number of such years of service prior to such break. Such aggregate number of years of service before such break shall be deemed not to include any years of service not required to be taken into account under this subparagraph by reason of any prior break in service."

**§ 1054. Benefit accrual requirements**

(a) Satisfaction of requirements by pension plans

Each pension plan shall satisfy the requirements of subsection (b)(3) of this section, and—

(1) in the case of a defined benefit plan, shall satisfy the requirements of subsection (b)(1) of this section; and

(2) in the case of a defined contribution plan, shall satisfy the requirements of subsection (b)(2) of this section.

(b) Enumeration of plan requirements

(1)(A) A defined benefit plan satisfies the requirements of this paragraph if the accrued benefit to which each participant is entitled upon his separation from the service is not less than—

(1) 3 percent of the normal retirement benefit to which he would be entitled at the normal retirement age if he commenced participation at the earliest possible entry age under the plan and served continuously until the earlier of age 65 or the normal retirement age specified under the plan, multiplied by

provided, see sections 302 and 303 of Pub. L. 98–397, set out as a note under section 1001 of this title.

**Effective Date of 1980 Amendment**

Amendment by Pub. L. 96–364 effective Sept. 26, 1980, except as specifically provided, see section 1461(e) of this title.
(ii) the number of years (not in excess of 33 1/3%) of his participation in the plan.

In the case of a plan providing retirement benefits based on compensation during any period, the normal retirement benefit to which a participant would be entitled shall be determined as if he continued to earn annually the average rate of compensation which he earned during ten consecutive years of service, not in excess of 10, for which his compensation was the highest. For purposes of this subparagraph, social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after such current year.

(B) A defined benefit plan satisfies the requirements of this paragraph of a particular plan year if under the plan the accrued benefit payable at the normal retirement age is equal to the normal retirement benefit and the annual rate at which any individual who is or could be a participant can accrue the retirement benefits payable at normal retirement age under the plan for any later plan year is not more than 133 1/3% of the annual rate at which he can accrue benefits for any plan year beginning on or after such particular plan year and before such later plan year. For purposes of this subparagraph—

(i) any amendment to the plan which is in effect for the current year shall be treated as in effect for all other plan years;

(ii) any change in an accrual rate which does not apply to any individual who is or could be a participant in the current year shall be disregarded;

(iii) the fact that benefits under the plan may be payable to certain employees before normal retirement age shall be disregarded; and

(iv) social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after the current year.

(C) A defined benefit plan satisfies the requirements of this paragraph if the accrued benefit to which any participant is entitled upon his separation from the service is not less than a fraction of the annual benefit commencing at normal retirement age to which he would be entitled under the plan as in effect on the date of his separation if he continued to earn annually until normal retirement age the same rate of compensation upon which his normal retirement benefit would be computed under the plan, determined as if he had attained normal retirement age on the date any such determination is made (but taking into account no more than the 10 years of service immediately preceding his separation from service). Such fraction shall be a fraction, not exceeding 1, the numerator of which is the total number of his years of participation in the plan (as of the date of his separation from the service) and the denominator of which is the total number of years he would have participated in the plan if he separated from the service at the normal retirement age. For purposes of this subparagraph, social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after such current year.

(D) Subparagraphs (A), (B), and (C) shall not apply with respect to years of participation before the first plan year to which this section applies but a defined benefit plan satisfies the requirements of this subparagraph with respect to such years of participation only if the accrued benefit of any participant with respect to such years of participation is not less than the greater of—

(i) his accrued benefit determined under the plan, as in effect from time to time prior to September 2, 1974, or

(ii) an accrued benefit which is not less than one-half of the accrued benefit to which such participant would have been entitled if subparagraph (A), (B), or (C) applied with respect to such years of participation.

(E) Notwithstanding subparagraphs (A), (B), and (C) of this paragraph, a plan shall not be treated as not satisfying the requirements of this paragraph solely because the accrual of benefits under the plan does not become effective until the employee has two continuous years of service. For purposes of this subparagraph, the term "year of service" has the meaning provided by section 1052(a)(3)(A) of this title.

(F) Notwithstanding subparagraphs (A), (B), and (C), a defined benefit plan satisfies the requirements of this paragraph if such plan—

(i) is funded exclusively by the purchase of insurance contracts, and

(ii) satisfies the requirements of paragraphs (2) and (3) of section 1081(b) of this title (relating to certain insurance contract plans), but only if an employee's accrued benefit as of any applicable date is not less than the cash surrender value his insurance contracts would have on such applicable date if the requirements of paragraphs (4), (5), and (6) of section 1081(b) of this title were satisfied.

(G) Notwithstanding the preceding subparagraphs, a defined benefit plan shall be treated as not satisfying the requirements of this paragraph if the participant's accrued benefit is reduced on account of any increase in his age or service. The preceding sentence shall not apply to benefits under the plan commencing before benefits payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] which benefits under the plan—

(i) do not exceed social security benefits, and

(ii) terminate when such social security benefits commence.

(H)(i) Notwithstanding the preceding subparagraphs, a defined benefit plan shall be treated as not satisfying the requirements of this paragraph if, under the plan, an employee's benefit accrual is ceased, or the rate of an employee's benefit accrual is reduced, because of the attainment of any age.

(ii) A plan shall not be treated as failing to meet the requirements of this subparagraph solely because the plan imposes (without regard to age) a limitation on the amount of benefits that the plan provides or a limitation on the number of years of service or years of participation which are taken into account for purposes of determining benefit accrual under the plan.
(iii) In the case of any employee who, as of the end of any plan year under a defined benefit plan, has attained normal retirement age under such plan—

(I) if distribution of benefits under such plan with respect to such employee has commenced as of the end of such plan year, then any requirement of this subparagraph for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of the actuarial equivalent of in-service distribution of benefits, and

(II) if distribution of benefits under such plan with respect to such employee has not commenced as of the end of such year in accordance with section 415(a)(3) of this title, and the payment of benefits under such plan with respect to such employee is not suspended during such plan year pursuant to section 1053(a)(3)(B) of this title, then any requirement of this subparagraph for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of any adjustment in the benefit payable under the plan during such plan year attributable to the delay in the distribution of benefits after the attainment of normal retirement age.

The preceding provisions of this clause shall apply in accordance with regulations of the Secretary of the Treasury pursuant to clause (v) of section 1053(a)(3)(B) of this title, as determined without regard to section 1052(b)(5) of this title as determined under regulations prescribed by the Secretary which provide for the calculation of such period on any reasonable and consistent basis.

(B) A plan shall not be treated as failing to meet the requirements of clause (i) solely because the subsidized portion of any early retirement benefit is disregarded in determining benefit accruals.

(vi) Any regulations prescribed by the Secretary of the Treasury pursuant to clause (v) of section 411(b)(1)(H) of title 26 shall apply with respect to the requirements of such section in the same manner and to the same extent as such regulations apply with respect to the requirements of such section.

(3) A plan satisfies the requirements of this paragraph if—

(A) in the case of a defined benefit plan, the plan requires separate accounting for the portion of each employee’s accrued benefit derived from any voluntary employee contributions permitted under the plan; and

(B) in the case of any plan which is not a defined benefit plan, the plan requires separate accounting for each employee’s accrued benefit.

(4)(A) For purposes of determining an employee’s accrued benefit, the term “year of participation” means a period of service (beginning at the earliest date on which the employee is a participant in the plan and which is included in a period of service required to be taken into account under section 1052(b) of this title) as determined under regulations prescribed by the Secretary which provide for the calculation of such period on any reasonable and consistent basis.

(B) For purposes of this paragraph, except as provided in subparagraph (C), in the case of any employee whose customar employment is less than full time, the calculation of such employee’s service on any basis which provides less than a ratable portion of the accrued benefit to which he would be entitled under the plan if his customary employment were full time shall not be treated as made on a reasonable and consistent basis.

(C) For purposes of this paragraph, in the case of any employee whose service is less than 1,000 hours during any calendar year, plan year or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) the calculation of such employee’s service on any basis which provides less than a ratable portion of the accrued benefit to which he would be entitled under the plan if his customary employment were full time shall not be treated as made on a reasonable and consistent basis merely because such service is not taken into account.

(D) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during any calendar year, plan year or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) the calculation of his period of service shall not be treated as not made on a reasonable and consistent basis merely because such service is not taken into account.

(E) For purposes of this subsection in the case of any maritime industry, 125 days of service shall be treated as a year of participation. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(5) SPECIAL RULES RELATING TO AGE.—

(A) COMPARISON TO SIMILARLY SITUATED YOUNGER INDIVIDUAL.—

(i) IN GENERAL.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H)(i) if a participant’s accrued benefit, as determined as of any date under the terms of the plan, would be equal to or greater than that of any similarly situated, younger individual who is or could be a participant.

(ii) SIMILARLY SITUATED.—For purposes of this subparagraph, a participant is similarly
situated to any other individual if such participant is identical to such other individual in every respect (including period of service, compensation, position, date of hire, work history, and any other respect) except for age.

(iii) Disregard of subsidized early retirement benefits.—In determining the accrued benefit as of any date for purposes of this subparagraph, the subsidized portion of any early retirement benefit or retirement-type subsidy shall be disregarded.

(iv) Accrued benefit.—For purposes of this subparagraph, the accrued benefit may, under the terms of the plan, be expressed as an annuity payable at normal retirement age, the balance of a hypothetical account, or the current value of the accumulated percentage of the employee’s final average compensation.

(B) Applicable defined benefit plans.—

(i) Interest credits.—

(I) In general.—An applicable defined benefit plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the terms of the plan provide that any interest credit (or an equivalent amount) for any plan year shall be at a rate which is not greater than a market rate of return. A plan shall not be treated as failing to meet the requirements of this subclause merely because the plan provides for a reasonable minimum guaranteed rate of return or for a rate of return that is equal to the greater of a fixed or variable rate of return.

(II) preservation of capital.—An applicable defined benefit plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the plan provides that an interest credit (or equivalent amount) of less than zero shall in no event result in the account balance or similar amount being less than the aggregate amount of contributions credited to the account.

(III) Market rate of return.—The Secretary of the Treasury may provide by regulation for rules governing the calculation of a market rate of return for purposes of paragraph (1)(H) for permissible methods of crediting interest to the account (including fixed or variable interest rates) resulting in effective rates of return meeting the requirements of subclause (I).

(ii) Special rule for plan conversions.—If, after June 29, 2005, an applicable plan amendment is adopted, the plan shall be treated as failing to meet the requirements of clause (i) and for permissible methods of crediting interest to the account (including fixed or variable interest rates) resulting in effective rates of return meeting the requirements of subclause (I).

(ii) Special rule for plan conversions.—If a single plan adopts an amendment described in subclause (I), the sponsor of the defined benefit plan or plans providing for such coordination shall be treated as having adopted such a plan amendment as of the date such coordination begins.

(III) Multiple amendments.—The Secretary of the Treasury shall issue regulations to prevent the avoidance of the purposes of this subparagraph through the use of 2 or more plan amendments rather than a single amendment.

(IV) Applicable defined benefit plan.—For purposes of this subparagraph, the term “applicable defined benefit plan” has the meaning given such term by section 1053(f)(3) of this title.

(v) Applicable plan amendment.—For purposes of this subparagraph—

(I) In general.—The term “applicable plan amendment” means an amendment to a defined benefit plan which has the effect of converting the plan to an applicable defined benefit plan.

(II) Special rule for coordinated benefits.—If the benefits of 2 or more defined benefit plans established or maintained by an employer are coordinated in such a manner as to have the effect of the adoption of an amendment described in subclause (I), the sponsor of the defined benefit plan or plans providing for such coordination shall be treated as having adopted such a plan amendment as of the date such coordination begins.

(III) Market rate of return.—The Secretary of the Treasury may provide by regulation for rules governing the calculation of a market rate of return for purposes of paragraph (1)(H) for permissible methods of crediting interest to the account (including fixed or variable interest rates) resulting in effective rates of return meeting the requirements of subclause (I).

(vi) Termination requirements.—An applicable defined benefit plan shall not be treated as meeting the requirements of clause (i) unless the plan provides that, upon the termination of the plan—

(I) if the interest credit rate (or an equivalent amount) under the plan is a variable rate, the rate of interest used to determine accrued benefits under the plan shall be equal to the average of the rates of interest used under the plan during the 5-year period ending on the termination date, and

(II) the interest rate and mortality table used to determine the amount of any benefit under the plan payable in the form of an annuity payable at normal retirement age shall be the rate and table specified.
under the plan for such purpose as of the termination date, except that if such interest rate is a variable rate, the interest rate shall be determined under the rules of subclause (I).

(C) Certain offsets permitted.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H)(i) solely because the plan provides offsets against benefits under the plan to the extent such offsets are otherwise allowable in applying the requirements of section 401(a) of title 26.

(D) Permitted disparities in plan contributions or benefits.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H) solely because the plan provides a disparity in contributions or benefits with respect to which the requirements of section 401(l) of title 26 are met.

(E) Indexing permitted.—

(i) In general.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H) solely because the plan provides for indexing of accrued benefits under the plan.

(ii) Protection against loss.—Except in the case of any benefit provided in the form of a variable annuity, clause (i) shall not apply with respect to any indexing which results in an accrued benefit less than the accrued benefit determined without regard to such indexing.

(iii) Indexing.—For purposes of this subparagraph, the term “indexing” means, in connection with an accrued benefit, the periodic adjustment of the accrued benefit by means of the application of a recognized investment index or methodology.

(F) Early retirement benefit or retirement-type subsidy.—For purposes of this paragraph, the terms “early retirement benefit” and “retirement-type subsidy” have the meaning given such terms in subsection (g)(2)(A).

(G) Benefit accrued to date.—For purposes of this paragraph, any reference to the accrued benefit shall be a reference to such benefit accrued to date.

(c) Employee’s accrued benefits derived from employer and employee contributions

(1) For purposes of this section and section 1053 of this title an employee’s accrued benefit derived from employer contributions as of any applicable date is the excess (if any) of the accrued benefit for such employee as of such applicable date over the accrued benefit derived from contributions made by such employee as of such date.

(2)(A) In the case of a plan other than a defined benefit plan, the accrued benefit derived from contributions made by an employee as of any applicable date is—

(i) except as provided in clause (ii), the balance of the employee’s separate account consisting only of his contributions and the income, expenses, gains, and losses attributable thereto, or

(ii) if a separate account is not maintained with respect to an employee’s contributions under such a plan, the amount which bears the same ratio to his total accrued benefit as the total amount of the employee’s contributions (less withdrawals) bears to the sum of such contributions and the contributions made on his behalf by the employer (less withdrawals).

(B) Defined benefit plans.—In the case of a defined benefit plan, the accrued benefit derived from contributions made by an employee as of any applicable date is the amount equal to the employee’s accumulated contributions expressed as an annual benefit commencing at normal retirement age, using an interest rate which would be used under the plan under section 1055(g)(3) of this title (as of the determination date).

(C) For purposes of this subsection, the term “accumulated contributions” means the total of—

(i) all mandatory contributions made by the employee,

(ii) interest (if any) under the plan to the end of the last plan year to which section 1053(a)(2) of this title does not apply (by reason of the applicable effective date), and

(iii) interest on the sum of the amounts determined under clauses (i) and (ii) compounded annually—

(I) at the rate of 120 percent of the Federal mid-term rate (as in effect under section 1274 of title 26 for the 1st month of a plan year for the period beginning with the 1st plan year to which subsection (a)(2) of this section applies by reason of the applicable effective date) and ending with the date on which the determination is being made, and

(II) at the interest rate which would be used under the plan under section 1055(g)(3) of this title (as of the determination date) for the period beginning with the determination date and ending on the date on which the employee attains normal retirement age.

For purposes of this subparagraph, the term “mandatory contributions” means amounts contributed to the plan by the employee which are required as a condition of employment, as a condition of participation in such plans, or as a condition of obtaining benefits under the plan attributable to employer contributions.

(D) The Secretary of the Treasury is authorized to adjust by regulation the conversion factor described in subparagraph (B) from time to time as he may deem necessary. No such adjustment shall be effective for a plan year beginning before the expiration of 1 year after such adjustment is determined and published.

(3) For purposes of this section, in the case of any defined benefit plan, if an employee’s accrued benefit is to be determined as an amount other than an annual benefit commencing at normal retirement age, or if the accrued benefit derived from contributions made by an employee is to be determined with respect to a benefit other than an annual benefit in the form of a single life annuity (without ancillary benefits) commencing at normal retirement age, the employee’s accrued benefit, or the accrued benefits derived from contributions made by an employee, as the case may be, shall be the actuarial equivalent of such benefit or amount determined under paragraph (1) or (2).
(4) In the case of a defined benefit plan which permits voluntary employee contributions, the portion of an employee’s accrued benefit derived from such contributions shall be treated as an accrued benefit derived from employee contributions under a plan other than a defined benefit plan.

(d) Employee service which may be disregarded in determining employee’s accrued benefits under plan

Notwithstanding section 1053(b)(1) of this title, for purposes of determining the employee’s accrued benefit under the plan, the plan may disregard service performed by the employee with respect to which he has received—

(1) a distribution of the present value of his entire nonforfeitable benefit if such distribution was in an amount (not more than the dollar limit under section 1053(e)(1) of this title) permitted under regulations prescribed by the Secretary of the Treasury, or

(2) a distribution of the present value of his nonforfeitable benefit attributable to such service which he elected to receive.

Paragraph (1) shall apply only if such distribution was made on termination of the employee’s participation in the plan or under such other circumstances as may be provided under regulations prescribed by the Secretary of the Treasury.

(e) Opportunity to repay full amount of distributions which have been reduced through disregarded employee service

For purposes of determining the employee’s accrued benefit, the plan shall not disregard service as provided in subsection (d) of this section unless the plan provides an opportunity for the participant to repay the full amount of a distribution described in subsection (d) of this section with, in the case of a defined benefit plan, interest at the rate determined for purposes of subsection (c)(2)(C) of this section and provides that upon such repayment the employee’s accrued benefit shall be recomputed by taking into account service so disregarded. This subsection shall apply only in the case of a participant who—

(1) received such a distribution in any plan year to which this section applies which distribution was less than the present value of his accrued benefit,

(2) resumes employment covered under the plan, and

(3) repays the full amount of such distribution with, in the case of a defined benefit plan, interest at the rate determined for purposes of subsection (c)(2)(C) of this section.

The plan provision required under this subsection may provide that such repayment must be made (A) in the case of a withdrawal on account of separation from service, before the earlier of 5 years after the first date on which the participant is subsequently re-employed by the employer, or the close of the first period of 5 consecutive 1-year breaks in service commencing after the withdrawal; or (B) in the case of any other withdrawal, 5 years after the date of the withdrawal.

(f) Employer treated as maintaining a plan

For the purposes of this part, an employer shall be treated as maintaining a plan if any employee of such employer accrues benefits under such plan by reason of service with such employer.

(g) Decrease of accrued benefits through amendment of plan

(1) The accrued benefit of a participant under a plan may not be decreased by an amendment of the plan, other than an amendment described in section 1082(d)(2) or 1441 of this title.

(2) For purposes of paragraph (1), a plan amendment which has the effect of—

(A) eliminating or reducing an early retirement benefit or a retirement-type subsidy (as defined in regulations), or

(B) eliminating an optional form of benefit, with respect to benefits attributable to service before the amendment shall be treated as reducing accrued benefits. In the case of a retirement-type subsidy, the preceding sentence shall apply only with respect to a participant who satisfies (either before or after the amendment) the pre-amendment conditions for the subsidy. The Secretary of the Treasury shall by regulations provide that this paragraph shall not apply to any plan amendment which reduces or eliminates benefits or subsidies which create significant burdens or complexities for the plan and plan participants, unless such amendment adversely affects the rights of any participant in a more than de minimis manner. The Secretary of the Treasury may by regulations provide that this subsection shall apply only if such distribution was made on termination of the employee’s participation in the plan.

Paragraph (1) shall apply only if such distribution was made on termination of the employee’s participation in the plan.

(3) For purposes of this subsection, any—

(A) tax credit employee stock ownership plan (as defined in section 409(a) of title 26), or

(B) employee stock ownership plan (as defined in section 4975(e)(7) of title 26),

shall not be treated as failing to meet the requirements of this subsection merely because it modifies distribution options in a nondiscriminatory manner.

(4)(A) A defined contribution plan (in this subparagraph referred to as the “transferee plan”) shall not be treated as failing to meet the requirements of this subsection merely because it modifies distribution options in a nondiscriminatory manner.

(B) a defined contribution plan (in this subparagraph referred to as the “transferee plan”) shall not be treated as failing to meet the requirements of this subsection merely because it modifies distribution options in a nondiscriminatory manner.

(4)(A) A defined contribution plan (in this subparagraph referred to as the “transferee plan”) shall not be treated as failing to meet the requirements of this subsection merely because it modifies distribution options in a nondiscriminatory manner.

(B) a defined contribution plan (in this subparagraph referred to as the “transferee plan”) shall not be treated as failing to meet the requirements of this subsection merely because it modifies distribution options in a nondiscriminatory manner.
(iv) the election described in clause (iii) was made after the participant or beneficiary received a notice describing the consequences of making the election; and
(v) the transferee plan allows the participant or beneficiary described in clause (iii) to receive any distribution to which the participant or beneficiary is entitled under the transferee plan in the form of a single sum distribution.

(B) Subparagraph (A) shall apply to plan mergers and other transactions having the effect of a direct transfer, including consolidations of beneficiaries and other transactions having the effect of a respect to any participant unless—

1. to the elimination of a form of distribution with respect to any participant unless—

(a) a single sum payment is available to such participant at the same time or times as the form of distribution being eliminated; and
(b) such single sum payment is based on the same or greater portion of the participant’s account as the form of distribution being eliminated.

(h) Notice of significant reduction in benefit accruals

(1) An applicable pension plan may not be amended so as to provide for a significant reduction in the rate of future benefit accrual unless the plan administrator provides the notice described in paragraph (2) to each applicable individual (and to each employee organization representing applicable individuals) and to each employer who has an obligation to contribute to the plan.

(2) The notice required by paragraph (1) shall be written in a manner calculated to be understood by the average plan participant and shall provide sufficient information (as determined in accordance with regulations prescribed by the Secretary of the Treasury) to allow applicable individuals to understand the effect of the plan amendment if no material modification of the amendment occurs before the amendment is adopted.

(6)(A) In the case of any egregious failure to meet any requirement of this subsection with respect to any plan amendment, the provisions of the applicable pension plan shall be applied as if such plan amendment entitled all applicable individuals to the greater of—

(i) the benefits to which they would have been entitled without regard to such amendment, or
(ii) the benefits under the plan with regard to such amendment.

(B) For purposes of subparagraph (A), there is an egregious failure to meet the requirements of this subsection if such failure is within the control of the plan sponsor and is—

(i) an intentional failure (including any failure to promptly provide the required notice or information after the plan administrator discovers an unintentional failure to meet the requirements of this subsection),

(ii) a failure to provide most of the individuals with most of the information they are entitled to receive under this subsection, or

(iii) a failure which is determined to be egregious under regulations prescribed by the Secretary of the Treasury.

(7) The Secretary of the Treasury may by regulations allow any notice under this subsection to be provided by using new technologies.

(8) For purposes of this subsection—

(A) The term “applicable individual” means, with respect to any plan amendment—

(i) each participant in the plan; and
(ii) any beneficiary who is an alternate payee (within the meaning of section 1056(d)(3)(K) of this title) under an applicable qualified domestic relations order (within the meaning of section 1056(d)(3)(B)(i) of this title),

whose rate of future benefit accrual under the plan may reasonably be expected to be significantly reduced by such plan amendment.

(B) The term “applicable pension plan” means—

(i) any defined benefit plan; or
(ii) an individual account plan which is subject to the funding standards of section 412 of title 26.

(9) For purposes of this subsection, a plan amendment which eliminates or reduces any early retirement benefit or retirement-type subsidy (within the meaning of subsection (g)(2)(A) of this section) shall be treated as having the effect of reducing the rate of future benefit accrual.

(i) Prohibition on benefit increases where plan sponsor is in bankruptcy

(1) In the case of a plan described in paragraph (3) which is maintained by an employer that is a debtor in a case under title 11 or similar Federal or State law, no amendment of the plan which increases the liabilities of the plan by reason of—

(A) any increase in benefits,
(B) any change in the accrual of benefits, or
(C) any change in the rate at which benefits become nonforfeitable under the plan,
with respect to employees of the debtor, shall be effective prior to the effective date of such employer’s plan of reorganization.

(2) Paragraph (1) shall not apply to any plan amendment that—
(A) the Secretary of the Treasury determines to be reasonable and that provides for only de minimis increases in the liabilities of the plan with respect to employees of the debtor,
(B) only repeals an amendment described in section 1082(d)(2) of this title,
(C) is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26, or
(D) was adopted prior to, or pursuant to a collective bargaining agreement entered into prior to, the date on which the employer became a debtor in a case under title 11 or similar Federal or State law.

(3) This subsection shall apply only to plans (other than multiemployer plans) covered under section 1321 of this title for which the funding target attainment percentage (as defined in section 1083(d)(2) of this title) is less than 100 percent after taking into account the effect of the amendment.

(4) For purposes of this subsection, the term “employer” has the meaning set forth in section 1082(b)(1) of this title, without regard to section 1082(b)(2) of this title.

(j) Diversification requirements for certain individual account plans

(1) In general
An applicable individual account plan shall meet the diversification requirements of paragraphs (2), (3), and (4).

(2) Employee contributions and elective deferrals invested in employer securities
In the case of the portion of an applicable individual’s account attributable to employee contributions and elective deferrals which is invested in employer securities, a plan meets the requirements of this paragraph if the applicable individual may elect to direct the plan to divest any such securities and to reinvest an equivalent amount in other investment options meeting the requirements of paragraph (4).

(3) Employer contributions invested in employer securities
In the case of the portion of the account attributable to employer contributions other than elective deferrals which is invested in employer securities, a plan meets the requirements of this paragraph if each applicable individual who—
(A) is a participant who has completed at least 3 years of service, or
(B) is a beneficiary of a participant described in subparagraph (A) or of a deceased participant,
may elect to direct the plan to divest any such securities and to reinvest an equivalent amount in other investment options meeting the requirements of paragraph (4).

(4) Investment options
(A) In general
The requirements of this paragraph are met if the plan offers not less than 3 investment options, other than employer securities, to which an applicable individual may direct the proceeds from the divestment of employer securities pursuant to this subsection, each of which is diversified and has materially different risk and return characteristics.

(B) Treatment of certain restrictions and conditions
(i) Time for making investment choices
A plan shall not be treated as failing to meet the requirements of this paragraph merely because the plan limits the time for divestment and reinvestment to periodic, reasonable opportunities occurring no less frequently than quarterly.

(ii) Certain restrictions and conditions not allowed
Except as provided in regulations, a plan shall not meet the requirements of this paragraph if the plan imposes restrictions or conditions with respect to the investment of employer securities which are not imposed on the investment of other assets of the plan. This subparagraph shall not apply to any restrictions or conditions imposed by reason of the application of securities laws.

(5) Applicable individual account plan
For purposes of this subsection—

(A) In general
The term “applicable individual account plan” means any individual account plan (as defined in section 1002(34) of this title) which holds any publicly traded employer securities.

(B) Exception for certain ESOPs
Such term does not include an employee stock ownership plan if—

(ii) such plan is a separate plan (for purposes of section 414(l) of title 26) with respect to any other defined benefit plan or individual account plan maintained by the same employer or employers.

(D) Certain plans treated as holding publicly traded employer securities
(i) In general
Except as provided in regulations or in clause (ii), a plan holding employer securities which are not publicly traded employer securities shall be treated as holding publicly traded employer securities if
any employer corporation, or any member of a controlled group of corporations which includes such employer corporation, has issued a class of stock which is a publicly traded employer security.

(ii) Exception for certain controlled groups with publicly traded securities

Clause (i) shall not apply to a plan if—

(I) no employer corporation, or parent corporation of an employer corporation, has issued any publicly traded employer security, and

(II) no employer corporation, or parent corporation of an employer corporation, has issued any special class of stock which grants particular rights to, or bears particular risks for, the holder or issuer with respect to any corporation described in clause (i) which has issued any publicly traded employer security.

(iii) Definitions

For purposes of this subparagraph, the term—

(I) “controlled group of corporations” has the meaning given such term by section 1563(a) of title 26, except that “50 percent” shall be substituted for “80 percent” each place it appears.

(II) “employer corporation” means a corporation which is an employer maintaining the plan, and

§ 1055. Requirement of joint and survivor annuity and preretirement survivor annuity

(a) Required contents for applicable plans

Each pension plan to which this section applies shall provide that—
(1) in the case of a vested participant who does not die before the annuity starting date, the accrued benefit payable to such participant shall be provided in the form of a qualified joint and survivor annuity, and
(2) in the case of a vested participant who dies before the annuity starting date and who has a surviving spouse, a qualified preretirement survivor annuity shall be provided to the surviving spouse of such participant.

(b) Applicable plans

(1) This section shall apply to—
(A) any defined benefit plan,
(B) any individual account plan which is subject to the funding standards of section 1082 of this title, and
(C) any participant under any other individual account plan unless—
(i) such plan provides that the participant’s nonforfeitable accrued benefit (reduced by any security interest held by the plan by reason of a loan outstanding to such participant) is payable in full, on the death of the participant, to the participant’s surviving spouse or the surviving spouse consents in the manner required under subsection (c)(2) of this section, to a designated beneficiary,
(ii) such participant does not elect the payment of benefits in the form of a life annuity, and
(iii) with respect to such participant, such plan is not a direct or indirect transfer (in a transfer after December 31, 1984) of a plan which is described in subparagraph (A) or (B) or to which this clause applied with respect to the participant.

Clause (iii) of subparagraph (C) shall apply only with respect to the transferred assets (and income therefrom) if the plan separately accounts for such assets and any income therefrom.

(2) (A) In the case of—
(i) a tax credit employee stock ownership plan (as defined in section 409(a) of title 26), or
(ii) any individual account plan which is subject to the funding standards of section 1082 of this title, and

subsection (a) of this section shall not apply to that portion of the employee’s accrued benefit to which the requirements of section 409(h) of title 26 apply.

(B) Subparagraph (A) shall not apply with respect to any participant unless the requirements of clause (1), (2), and (3) of paragraph (1)(C) are met with respect to such participant.

(4) This section shall not apply to a plan which the Secretary of the Treasury or his delegate has determined is a plan described in section 404(c) of title 26 (or a continuation thereof) in which participation is substantially limited to individuals who, before January 1, 1976, ceased employment covered by the plan.

A plan shall not be treated as failing to meet the requirements of paragraph (1)(C) or (2) merely because the plan provides that benefits will not be payable to the surviving spouse of the participant unless the participant and such spouse had been married throughout the 1-year period ending on the earlier of the participant’s annuity starting date or the date of the participant’s death.

(c) Plans meeting requirements of section

(1) A plan meets the requirements of this section only if—
(A) under the plan, each participant—
(i) may elect at any time during the applicable election period to waive the qualified joint and survivor annuity form of benefit or the qualified preretirement survivor annuity form of benefit (or both),
(ii) if the participant elects a waiver under clause (i), may elect the qualified optional survivor annuity at any time during the applicable election period, and
(iii) may revoke any such election at any time during the applicable election period, and

(B) the plan meets the requirements of paragraphs (2), (3), and (4).

(2) Each plan shall provide that an election under paragraph (1)(A)(i) shall not take effect unless—
(A)(i) the spouse of the participant consents in writing to such election, (ii) such election designates a beneficiary (or a form of benefits) which may not be changed without spousal consent (or the consent of the spouse expressly permits designations by the participant without any requirement of further consent by the spouse), and (iii) the participant’s consent acknowledges the effect of such election and is witnessed by a plan representative or a notary public, or

(B) it is established to the satisfaction of a plan representative that the consent required under subparagraph (A) may not be obtained because there is no spouse, because the spouse cannot be located, or because of such other circumstances as the Secretary of the Treasury may by regulations prescribe.

Any consent by a spouse (or establishment that the consent of a spouse may not be obtained) under the preceding sentence shall be effective only with respect to such spouse.

(3) (A) Each plan shall provide to each participant, within a reasonable period of time before the annuity starting date (and consistent with such regulations as the Secretary of the Treasury may prescribe) a written explanation of—
(i) the terms and conditions of the qualified joint and survivor annuity and of the qualified optional survivor annuity,

(ii) the participant’s right to make, and the effect of, a revocation of an election under paragraph (1).

(B) Each plan shall provide to each participant, within the applicable period with respect to such participant (and consistent with such regulations as the Secretary may prescribe), a written explanation with respect to the qualified preretirement survivor annuity comparable to that required under subparagraph (A).

1 So in original. Probably should be ‘‘clauses’’.
2 So in original. There are two pars. designated (4) and no par. (3).
§ 1055

In the case of a participant who separates from service before attaining age 35, the applicable election period shall be a reasonable period after separation.

Each plan shall provide that, if this section applies to a participant when part or all of the participant’s accrued benefit is to be used as security for a loan, no portion of the participant’s accrued benefit may be used as security for such loan unless—

(A) the spouse of the participant (if any) consents in writing to such use during the 90-day period ending on the date on which the loan is to be so secured, and

(B) requirements comparable to the requirements of paragraph (2) are met with respect to such consent.

The requirements of this subsection shall not apply with respect to the qualified joint and survivor annuity form of benefit or the qualified preretirement survivor annuity form of benefit, as the case may be, if such benefit may not be waived (or another beneficiary selected) and if the plan fully subsidizes the costs of such benefit.

For purposes of subparagraph (A), a plan fully subsidizes the costs of a benefit if under the plan the failure to waive such benefit by a participant would not result in a decrease in any plan benefits with respect to such participant and would not result in increased contributions and if the plan makes a determination under paragraph (2),

(A) relying on a consent or revocation referred to in paragraph (1)(A), or

(B) making a determination under paragraph (2),

then such consent, revocation, or determination shall be treated as valid for purposes of discharging the plan from liability to the extent of payments made pursuant to such Act.

For purposes of this subsection, the term “qualifying joint and survivor annuity” means an annuity—

(A) for the life of the participant with a survivor annuity for the life of the spouse which is less than 75 percent of) the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(B) which is the actuarial equivalent of a single annuity for the life of the participant.

Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

For purposes of this section, the term “qualified optional survivor annuity” means an annuity—

(i) for the life of the participant with a survivor annuity for the life of the spouse which is 75 percent or greater than or equal to 75 percent, the applicable percentage is 75 percent, and

(ii) which is the actuarial equivalent of a single annuity for the life of the participant.

Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

If a plan fiduciary acts in accordance with part 4 of this subtitle in—

(A) for the life of the participant with a survivor annuity for the life of the spouse which is equal to the applicable percentage of the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(B) which is the actuarial equivalent of a single annuity for the life of the participant.

Under subparagraph (B) with respect to benefits accrued before the date of such separation from service shall not begin later than such date.

Notwithstanding any other provision of this subsection—

(A) A plan may provide the written explanation described in paragraph (3)(A) after the annuity starting date. In any case to which this subparagraph applies, the applicable election period under paragraph (7) shall not end before the 30th day after the date on which such explanation is provided.

(ii) The Secretary of the Treasury may by regulations limit the application of clause (i), except that such regulations may not limit the period of time by which the annuity starting date precedes the provision of the written explanation other than by providing that the annuity starting date may not be earlier than termination of employment.

(B) A plan may permit a participant to elect (with any applicable spousal consent) to waive any requirement that the written explanation be provided at least 30 days before the annuity starting date (or to waive the 30-day requirement under subparagraph (A)) if the distribution commences more than 7 days after such explanation is provided.

(d)(1) “Qualified joint and survivor annuity” defined

For purposes of this section, the term “qualified joint and survivor annuity” means an annuity—

(A) for the life of the participant with a survivor annuity for the life of the spouse which is not less than 50 percent of (and is not greater than 100 percent of) the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(2)(A) For purposes of this section, the term “qualified optional survivor annuity” means an annuity—

(i) for the life of the participant with a survivor annuity for the life of the spouse which is less than 75 percent of) the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(ii) which is the actuarial equivalent of a single annuity for the life of the participant.

Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

(B)(i) For purposes of subparagraph (A), if the survivor annuity percentage—

(I) is less than 75 percent, the applicable percentage is 75 percent, and

(II) is greater than or equal to 75 percent, the applicable percentage is 50 percent.

(ii) For purposes of clause (i), the term “survivor annuity percentage” means the percentage which the survivor annuity under the plan’s qualified joint and survivor annuity bears to the annuity payable during the joint lives of the participant and the spouse.
(e) "Qualified preretirement survivor annuity" defined

For purposes of this section—

(1) Except as provided in paragraph (2), the term "qualified preretirement survivor annuity" means a survivor annuity for the life of the surviving spouse of—

(A) the payments to the surviving spouse under such annuity are not less than the amounts which would be payable as a survivor annuity under the qualified joint and survivor annuity under the plan (or the actuarial equivalent thereof) if—

(i) in the case of a participant who dies after the date on which the participant attained the earliest retirement age, such participant had—

(I) separated from service on the date of death,

(II) survived to the earliest retirement age,

(III) retired with an immediate qualified joint and survivor annuity at the earliest retirement age, and

(IV) died on the day after the day on which such participant would have attained the earliest retirement age, and

(B) under the plan, the earliest period for which the surviving spouse may receive a payment under such annuity is not later than the month in which the participant would have attained the earliest retirement age under the plan.

In the case of an individual who separated from service before the date of such individual's death, subparagraph (A)(ii)(I) shall not apply.

(2) In the case of any individual account plan or participant described in subparagraph (B) or (C) of subsection (b)(1) of this section, the term "qualified preretirement survivor annuity" means an annuity for the life of the surviving spouse the actuarial equivalent of which is not less than 50 percent of the portion of the account balance of the participant (as of the date of death) to which the participant had a nonforfeitable right (within the meaning of section 1053 of this title).

(3) For purposes of paragraphs (1) and (2), any security interest held by the plan by reason of a loan outstanding to the participant shall be taken into account in determining the amount of the qualified preretirement survivor annuity.

(f) Marriage requirements for plan

(1) Except as provided in paragraph (2), a plan may provide that a qualified joint and survivor annuity (or a qualified preretirement survivor annuity) will not be provided unless the participant and spouse had been married throughout the 1-year period ending on the earlier of—

(A) the participant's annuity starting date, or

(B) the date of the participant's death.

(2) For purposes of paragraph (1), if—

(A) a participant marries within 1 year before the annuity starting date, and

(B) the participant and the participant's spouse in such marriage have been married for at least a 1-year period ending on or before the date of the participant's death,

such participant and such spouse shall be treated as having been married throughout the 1-year period ending on the participant's annuity starting date.

(g) Distribution of present value of annuity; written consent; determination of present value

(1) A plan may provide that the present value of a qualified joint and survivor annuity or a qualified preretirement survivor annuity will be immediately distributed if such value does not exceed the amount that can be distributed without the participant's consent under section 1053(e) of this title. No distribution may be made under the preceding sentence after the annuity starting date unless the participant and the spouse of the participant (or where the participant has died, the surviving spouse) consent in writing to such distribution.

(2) If—

(A) the present value of the qualified joint and survivor annuity or the qualified preretirement survivor annuity exceeds the amount that can be distributed without the participant's consent under section 1053(e) of this title, and

(B) the participant and the spouse of the participant (or where the participant has died, the surviving spouse) consent in writing to the distribution,

the plan may immediately distribute the present value of such annuity.

(3)(A) For purposes of paragraphs (1) and (2), the present value shall not be less than the present value calculated by using the applicable mortality table and the applicable interest rate.

(B) For purposes of subparagraph (A)—

(i) The term "applicable mortality table" means a mortality table, modified as appropriate by the Secretary of the Treasury, based on the mortality table specified for the plan year under subparagraph (A) of section 1083(h)(3) of this title (without regard to subparagraph (C) or (D) of such section).

For purposes of this section—

(1) The term "vested participant" means any participant who has a nonforfeitable right (within the meaning of section 1002(19) of this title) to any portion of such participant's accrued benefit.

(2)(A) The term "annuity starting date" means—

(i) the first day of the first period for which an amount is payable as an annuity, or

(ii) in the case of a benefit not payable in the form of an annuity, the first day on which all events have occurred which entitle the participant to such benefit.

(B) For purposes of subparagraph (A), the first day of the first period for which a benefit is to be received by reason of disability shall be treated as the annuity starting date only if such benefit is not an auxiliary benefit.

(3) The term "earliest retirement age" means the earliest date on which, under the plan, the participant could elect to receive retirement benefits.

(i) Increased costs from providing annuity

A plan may take into account in any equitable manner (as determined by the Secretary of the Treasury) any increased costs resulting from providing a qualified joint or survivor annuity or a qualified preretirement survivor annuity.

(j) Use of participant's accrued benefit as security for loan as not preventing distribution

If the use of any participant's accrued benefit (or any portion thereof) as security for a loan meets the requirements of subsection (c)(4) of this section, nothing in this section shall prevent any distribution required by reason of a failure to comply with the terms of such loan.

(k) Spousal consent

No consent of a spouse shall be effective for purposes of subsection (g)(1) or (g)(2) of this section (as the case may be) unless requirements comparable to the requirements for spousal consent to an election under subsection (c)(1)(A) of this section are met.

(f) Regulations; consultation of Secretary of the Treasury with Secretary of Labor

In prescribing regulations under this section, the Secretary of the Treasury shall consult with the Secretary of Labor.

§ 1056. Form and payment of benefits

(a) Commencement date for payment of benefits

Each pension plan shall provide that unless the participant otherwise elects, the payment of benefits under the plan to the participant shall begin not later than the 60th day after the latest of the close of the plan year in which—

(1) the date on which the participant attains the earlier of age 65 or the normal retirement age specified under the plan,

(2) the 10th anniversary of the year in which the participant commenced participation in the plan, or

(3) the participant terminates his service with the employer.

In the case of a plan which provides for the payment of an early retirement benefit, such plan shall provide that a participant who satisfied the service requirements for such early retirement benefit, but separated from the service (with any nonforfeitable right to an accrued benefit) before satisfying the age requirement for such early retirement benefit, is entitled upon satisfaction of such age requirement to receive a benefit not less than the benefit to which he would be entitled at the normal retirement age, actuarially reduced under regulations prescribed by the Secretary of the Treasury.

(b) Decrease in plan benefits by reason of increases in benefit levels under Social Security Act or Railroad Retirement Act of 1937

If—

(1) a participant or beneficiary is receiving benefits under a pension plan, or

(2) a participant is separated from the service and has non-forfeitable rights to benefits,
a plan may not decrease benefits of such a participant by reason of any increase in the benefit levels payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] or the Railroad Retirement Act of 1937 [45 U.S.C. 231 et seq.] or any increase in the wage base under such title II, if such increase takes place after September 2, 1974, or (if later) the earlier of the date of first entitlement of such benefits or the date of such separation.

(c) Forfeiture of accrued benefits derived from employer contributions

No pension plan may provide that any part of a participant’s accrued benefit derived from employer contributions (whether or not otherwise nonforfeitable) is forfeitable solely because of withdrawal by such participant of any amount attributable to the benefit derived from contributions made by such participant. The preceding sentence shall not apply (1) to the accrued benefit of any participant unless, at the time of such withdrawal, such participant has a nonforfeitable right to at least 50 percent of such accrued benefit, or (2) to the extent that an accrued benefit is permitted to be forfeited in accordance with section 1053(a)(3)(D)(iii) of this title.

(d) Assignment or alienation of plan benefits

(1) Each pension plan shall provide that benefits provided under the plan may not be assigned or alienated.

(2) For the purposes of paragraph (1) of this subsection, there shall not be taken into account any voluntary and revocable assignment of not to exceed 10 percent of any benefit payment, or of any irrevocable assignment or alienation of benefits executed before September 2, 1974. The preceding sentence shall not apply to any assignment or alienation made for the purposes of defraying plan administration costs. For purposes of this paragraph a loan made to a participant or beneficiary shall not be treated as an assignment or alienation if such loan is secured by the participant’s accrued non-forfeitable benefit and is exempt from the tax imposed by section 4975 of title 26 (relating to tax on prohibited transactions) by reason of section 4975(d)(1) of title 26.

(3)(A) Paragraph (1) shall apply to the creation, assignment, or recognition of a right to any benefit payable with respect to a participant pursuant to a domestic relations order, except that paragraph (1) shall not apply if the order is determined to be a qualified domestic relations order. Each pension plan shall provide for the payment of benefits in accordance with the applicable requirements of any qualified domestic relations order.

(B) For purposes of this paragraph—

(i) the term “qualified domestic relations order” means a domestic relations order—

(I) which creates or recognizes the existence of an alternate payee’s right to, or assigns to an alternate payee the right to, receive all or a portion of the benefits payable with respect to a participant under a plan, and

(II) with respect to which the requirements of subparagraphs (C) and (D) are met, and

(ii) the term “domestic relations order” means any judgment, decree, or order (including approval of a property settlement agreement) which—

(I) relates to the provision of child support, alimony payments, or marital property rights to a spouse, former spouse, child, or other dependent of a participant, and

(II) is made pursuant to a State domestic relations law (including a community property law).

(C) A domestic relations order meets the requirements of this subparagraph only if such order clearly specifies—

(i) the name and the last known mailing address (if any) of the participant and the name and mailing address of each alternate payee covered by the order,
(ii) the amount or percentage of the participant's benefits to be paid by the plan to each such alternate payee, or the manner in which such amount or percentage is to be determined.

(iii) the number of payments or period to which such order applies, and

(iv) each plan to which such order applies.

(D) A domestic relations order meets the requirements of this subparagraph only if such order—

(i) does not require a plan to provide any type or form of benefit, or any option, not otherwise provided under the plan,

(ii) does not require the plan to provide increased benefits (determined on the basis of actuarial value), and

(iii) does not require the payment of benefits to an alternate payee which are required to be paid to another alternate payee under another order previously determined to be a qualified domestic relations order.

(E)(I) A domestic relations order shall not be treated as failing to meet the requirements of clause (i) of subparagraph (D) solely because such order requires that payment of benefits be made to an alternate payee—

(I) in the case of any payment before a participant has separated from service, on or after the date on which the participant attains (or would have attained) the earliest retirement age,

(II) as if the participant had retired on the date on which such payment is to begin under such order (but taking into account only the present value of benefits actually accrued and not taking into account the present value of any employer subsidy for early retirement), and

(III) in any form in which such benefits may be paid under the plan to the participant (other than in the form of a joint and survivor annuity with respect to the alternate payee and his or her subsequent spouse).

For purposes of subclause (II), the interest rate assumption used in determining the present value shall be the interest rate specified in the plan or, if no rate is specified, 5 percent.

(ii) For purposes of this subparagraph, the term "earliest retirement age" means the earlier of—

(I) the date on which the participant is entitled to a distribution under the plan, or

(II) the later of the date of the participant attains age 50 or the earliest date on which the participant could begin receiving benefits under the plan if the participant separated from service.

(F) To the extent provided in any qualified domestic relations order—

(i) the former spouse of a participant shall be treated as a surviving spouse of such participant for purposes of section 1055 of this title (and any spouse of the participant shall not be treated as a spouse of the participant for such purposes), and

(ii) if married for at least 1 year, the surviving former spouse shall be treated as meeting the requirements of section 1055(f) of this title.

(G)(i) In the case of any domestic relations order received by a plan—

(I) the plan administrator shall promptly notify the participant and each alternate payee of the receipt of such order and the plan's procedures for determining the qualified status of domestic relations orders, and

(II) within a reasonable period after receipt of such order, the plan administrator shall determine whether such order is a qualified domestic relations order and notify the participant and each alternate payee of such determination.

(ii) Each plan shall establish reasonable procedures to determine the qualified status of domestic relations orders and to administer distributions under such qualified orders. Such procedures—

(I) shall be in writing.

(II) shall provide for the notification of each person specified in a domestic relations order as entitled to payment of benefits under the plan (at the address included in the domestic relations order) of such procedures promptly upon receipt by the plan of the domestic relations order, and

(III) shall permit an alternate payee to designate a representative for receipt of copies of notices that are sent to the alternate payee with respect to a domestic relations order.

(H)(i) During any period in which the issue of whether a domestic relations order is a qualified domestic relations order is being determined (by the plan administrator, by a court of competent jurisdiction, or otherwise), the plan administrator shall separately account for the amounts (hereinafter in this subparagraph referred to as the "segregated amounts") which would have been payable to the alternate payee during such period if the order had been determined to be a qualified domestic relations order.

(ii) If within the 18-month period described in clause (v) the order (or modification thereof) is determined to be a qualified domestic relations order, the plan administrator shall pay the segregated amounts (including any interest thereon) to the person or persons entitled thereto.

(iii) If within the 18-month period described in clause (v)—

(I) it is determined that the order is not a qualified domestic relations order, or

(II) the issue as to whether such order is a qualified domestic relations order is not resolved,

then the plan administrator shall pay the segregated amounts (including any interest thereon) to the person or persons who would have been entitled to such amounts if there had been no order.

(iv) Any determination that an order is a qualified domestic relations order which is made after the close of the 18-month period described in clause (v) shall be applied prospectively only.

(v) For purposes of this subparagraph, the 18-month period described in this clause is the 18-month period beginning with the date on which the first payment would be required to be made under the domestic relations order.

(I) If a plan fiduciary acts in accordance with part 4 of this subtitle in—
(i) treating a domestic relations order as being (or not being) a qualified domestic relations order, or
(ii) taking action under subparagraph (H),
then the plan’s obligation to the participant and each alternate payee shall be discharged to the extent of any payment made pursuant to such Act.

(J) A person who is an alternate payee under a qualified domestic relations order shall be considered for purposes of any provision of this chapter a beneficiary under the plan. Nothing in the preceding sentence shall permit a requirement under section 1301 of this title of the payment of more than 1 premium with respect to a participant for any period.

(K) The term “alternate payee” means any spouse, former spouse, child, or other dependent of a participant who is recognized by a domestic relations order as having a right to receive all, or a portion of, the benefits payable under a plan with respect to such participant.

(L) This paragraph shall not apply to any plan to which paragraph (1) does not apply.

(M) Payment of benefits by a pension plan in accordance with the applicable requirements of a qualified domestic relations order shall not be treated as garnishment for purposes of section 1673(a) of title 15.

(N) In prescribing regulations under this paragraph, the Secretary shall consult with the Secretary of the Treasury.

(4) Paragraph (1) shall not apply to any offset of a participant’s benefits provided under an employee pension benefit plan against an amount that the participant is ordered or required to pay to the plan if—

(A) the order or requirement to pay arises—
   (i) under a judgment of conviction for a crime involving such plan,
   (ii) under a civil judgment (including a consent order or decree) entered by a court in an action brought in connection with a violation (or alleged violation) of part 4 of this subtitle, or
   (iii) pursuant to a settlement agreement between the Secretary and the participant, or a settlement agreement between the Pension Benefit Guaranty Corporation and the participant, in connection with a violation (or alleged violation) of part 4 of this subtitle by a fiduciary or any other person,

(B) the judgment, order, decree, or settlement agreement expressly provides for the offset of all or part of the amount ordered or required to be paid to the plan against the participant’s benefits provided under the plan, and

(C) in a case in which the survivor annuity requirements of section 1055 of this title apply with respect to distributions from the plan to the participant, if the participant has a spouse at the time at which the offset is to be made—
   (i) either—
      (I) such spouse has consented in writing to such offset and such consent is witnessed by a notary public or representative of the plan (or it is established to the satisfaction of a plan representative that such consent may not be obtained by rea-

son of circumstances described in section 1055(c)(2)(B) of this title), or
   (II) an election to waive the right of the spouse to a qualified joint and survivor annuity or a qualified preretirement survivor annuity is in effect in accordance with the requirements of section 1055(c) of this title,

   (ii) such spouse is ordered or required in such judgment, order, decree, or settlement to pay an amount to the plan in connection with a violation of part 4 of this subtitle, or

   (iii) in such judgment, order, decree, or settlement, such spouse retains the right to receive the survivor annuity under a qualified joint and survivor annuity provided pursuant to section 1055(a)(1) of this title and under a qualified preretirement survivor annuity provided pursuant to section 1055(a)(2) of this title, determined in accordance with paragraph (5).

A plan shall not be treated as failing to meet the requirements of section 1055 of this title solely by reason of an offset under this paragraph.

(5) (A) The survivor annuity described in paragraph (4)(C)(iii) shall be determined as if—
   (i) the participant terminated employment on the date of the offset,
   (ii) there was no offset,
   (iii) the plan permitted commencement of benefits only on or after normal retirement age,

   (iv) the plan provided only the minimum-required qualified joint and survivor annuity, and

   (v) the amount of the qualified preretirement survivor annuity under the plan is equal to the amount of the survivor annuity payable under the minimum-required qualified joint and survivor annuity.

   (B) For purposes of this paragraph, the term “minimum-required qualified joint and survivor annuity” means the qualified joint and survivor annuity which is the actuarial equivalent of the participant’s accrued benefit (within the meaning of section 1002(23) of this title) and under which the survivor annuity is 50 percent of the amount of the annuity which is payable during the joint lives of the participant and the spouse.

(e) Limitation on distributions other than life annuities paid by plan

(1) In general

Notwithstanding any other provision of this part, the fiduciary of a pension plan that is subject to the additional funding requirements of section 1083(j)(4) of this title shall not permit a prohibited payment to be made from a plan during a period in which such plan has a liquidity shortfall (as defined in section 1083(j)(4)(E)(i) of this title).

(2) Prohibited payment

For purposes of paragraph (1), the term “prohibited payment” means—

(A) any payment, in excess of the monthly amount paid under a single life annuity (plus any social security supplements described in the last sentence of section
§ 1056(b)(1)(G) of this title, to a participant or beneficiary whose annuity starting date (as defined in section 1055(h)(2) of this title), that occurs during the period referred to in paragraph (1),

(B) any payment for the purchase of an irrevocable commitment from an insurer to pay benefits, and

(C) any other payment specified by the Secretary of the Treasury by regulations.

(3) Period of shortfall

For purposes of this subsection, a plan has a liquidity shortfall during the period that there is an underpayment of an installment under section 1083(4)(A) of this title by reason of section 1083 of this title.

(4) Coordination with other provisions

Compliance with this subsection shall not constitute a violation of any other provision of this chapter.

(f) Missing participants in terminated plans

In the case of a plan covered by section 1350 of this title, upon termination of the plan, benefits of missing participants shall be treated in accordance with section 1350 of this title.

(g) Funding-based limits on benefits and benefit accruals under single-employer plans

(1) Funding-based limitation on shutdown benefits and other unpredictable contingent event benefits under single-employer plans

(A) In general

If a participant of a defined benefit plan which is a single-employer plan is entitled to an unpredictable contingent event benefit payable with respect to any event occurring during any plan year, the plan shall provide that such benefit may not be provided if the adjusted funding target attainment percentage for such plan year—

(i) is less than 60 percent, or

(ii) would be less than 60 percent taking into account such occurrence.

(B) Exemption

Subparagraph (A) shall cease to apply with respect to any plan year, effective as of the first day of the plan year, upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 1083(4)(A)) for the plan year attributable to the amendment, and

(ii) in the case of subparagraph (A)(ii), the amount sufficient to result in an adjusted funding target attainment percentage of 80 percent.

(C) Exception for certain benefit increases

Subparagraph (A) shall not apply to any amendment which provides for an increase in benefits under a formula which is not based on a participant’s compensation, but only if the rate of such increase is not in excess of the contemporaneous rate of increase in average wages of participants covered by the amendment.

(3) Limitations on accelerated benefit distributions

(A) Funding percentage less than 60 percent

A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan’s adjusted funding target attainment percentage for a plan year is less than 60 percent, the plan may not pay any prohibited payment after the valuation date for the plan year.

(B) Bankruptcy

A defined benefit plan which is a single-employer plan shall provide that, during any period in which the plan sponsor is a debtor in a case under title 11 or similar Federal or State law, the plan may not pay any prohibited payment. The preceding sentence shall not apply (i) or after the date on which the enrolled actuary of the plan certifies that the adjusted funding target attainment per-
centage of such plan is not less than 100 per-
percentage.

(C) Limited payment if percentage at least 60
percentage but less than 80 percent

(i) In general
A defined benefit plan which is a single-
employer plan shall provide that, in any
case in which the plan’s adjusted funding
target attainment percentage for a plan
year is 60 percent or greater but less than
80 percent, the plan may not pay any pro-
hibited payment after the valuation date
for the plan year to the extent the amount
of the payment exceeds the lesser of—
(1) 50 percent of the amount of the pay-
ment which could be made without re-
gard to this subsection, or
(2) the present value (determined
under guidance prescribed by the Pen-
sion Benefit Guaranty Corporation,
using the interest and mortality assump-
tions under section 1055(g) of this title)
of the maximum guarantee with respect
to the participant under section 1322 of
this title.

(ii) One-time application

(I) In general
The plan shall also provide that only 1
prohibited payment meeting the require-
ments of clause (i) may be made with re-
spect to any participant during any pe-
riod of consecutive plan years to which
the limitations under either subpara-
graph (A) or (B) or this subparagraph ap-
plies.

(II) Treatment of beneficiaries
For purposes of this clause, a partici-
pant and any beneficiary on his behalf
(including an alternate payee, as defined
in subsection (d)(3)(K)) shall be treated
as 1 participant. If the accrued benefit of
a participant is allocated to such an al-
ternate payee and 1 or more other per-
sons, the amount under clause (i) shall
be allocated among such persons in the
same manner as the accrued benefit is
allocated unless the qualified domestic
relations order (as defined in subsection
(d)(3)(B)(i)) provides otherwise.

(D) Exception
This paragraph shall not apply to any plan
for any plan year if the terms of such plan
(as in effect for the period beginning on Sep-
tember 1, 2005, and ending with such plan
year) provide for no benefit accruals with re-
spect to any participant during such period.

(E) Prohibited payment
For purpose1 of this paragraph, the term
“prohibited payment” means—
(i) any payment, in excess of the monthly
amount paid under a single life annuity
(plus any social security supplements de-
scribed in the last sentence of section
1054(b)(1)(G) of this title), to a participant
or beneficiary whose annuity starting date

(4) Limitation on benefit accruals for plans
with severe funding shortfalls

(A) In general
A defined benefit plan which is a single-
employer plan shall provide that, in any
case in which the plan’s adjusted funding
target attainment percentage for a plan
year is less than 60 percent, benefit accruals
under the plan shall cease as of the valu-
ation date for the plan year.

(B) Exemption
Subparagraph (A) shall cease to apply with
respect to any plan year, effective as of the
first day of the plan year, upon payment by
the plan sponsor of a contribution (in addi-
tion to any minimum required contribution
under section 1083 of this title) equal to the
amount sufficient to result in an adjusted
funding target attainment percentage of 60
percent.

(5) Rules relating to contributions required to
avoid benefit limitations

(A) Security may be provided

(i) In general
For purposes of this subsection, the ad-
justed funding target attainment percent-
age shall be determined by treating as an
asset of the plan any security provided by
a plan sponsor or another party meeting the
requirements of clause (ii).

(ii) Form of security
The security required under clause (i)
shall consist of—
(I) a bond issued by a corporate surety
company that is an acceptable surety for
purposes of section 1112 of this title,
(II) cash, or United States obligations
which mature in 3 years or less, held in
escrow by a bank or similar financial in-
stitution, or
(III) such other form of security as is
satisfactory to the Secretary of the
Treasury and the parties involved.

(iii) Enforcement
Any security provided under clause (i)
may be perfected and enforced at any time
after the earlier of—
(I) the date on which the plan termi-
nates,
(II) if there is a failure to make a pay-
ment of the minimum required contribu-
tion for any plan year beginning after
the security is provided, the due date for
§ 1056

the payment under section 1083(j) of this title, or
(III) if the adjusted funding target attainment percentage is less than 60 percent for a consecutive period of 7 years, the valuation date for the last year in the period.

(iv) Release of security

The security shall be released (and any amounts thereunder shall be refunded together with any interest accrued thereon) at such time as the Secretary of the Treasury may prescribe in regulations, including regulations for partial releases of the security by reason of increases in the adjusted funding target attainment percentage.

(B) Prefunding balance or funding standard carryover balance may not be used

No prefunding balance or funding standard carryover balance under section 1083(f) of this title may be used under paragraph (1), (2), or (4) to satisfy any payment an employer may make under any such paragraph to avoid or terminate the application of any limitation under such paragraph.

(C) Deemed reduction of funding balances

(i) In general

Subject to clause (iii), in any case in which a benefit limitation under paragraph (1), (2), (3), or (4) would (but for this subparagraph and determined without regard to paragraph (1)(B), (2)(B), or (4)(B)) apply to such plan for the plan year, the plan sponsor of such plan shall be treated for purposes of this chapter as having made an election under section 1083(f) of this title to reduce the prefunding balance or funding standard carryover balance by such amount as is necessary for such benefit limitation not to apply to the plan for such plan year.

(ii) Exception for insufficient funding balances

Clause (i) shall not apply with respect to a benefit limitation for any plan year if the application of clause (i) would not result in the benefit limitation not applying for such plan year.

(iii) Restrictions of certain rules to collectively bargained plans

With respect to any benefit limitation under paragraph (1), (2), or (4), clause (i) shall only apply in the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and 1 or more employers.

(6) New plans

Paragraphs (1), (2), and (4) shall not apply to a plan for the first 5 plan years of the plan. For purposes of this paragraph, the reference in this paragraph to a plan shall include a reference to any predecessor plan.

(7) Presumed underfunding for purposes of benefit limitations

(A) Presumption of continued underfunding

In any case in which a benefit limitation under paragraph (1), (2), (3), or (4) has been applied to a plan with respect to the plan year preceding the current plan year, the adjusted funding target attainment percentage of the plan for the current plan year shall be presumed to be equal to the adjusted funding target attainment percentage of the plan for the preceding plan year until the enrolled actuary of the plan certifies the actual adjusted funding target attainment percentage of the plan for the current plan year.

(B) Presumption of underfunding after 10th month

In any case in which no certification of the adjusted funding target attainment percentage for the current plan year is made with respect to the plan before the first day of the 10th month of such year, for purposes of paragraphs (1), (2), (3), and (4), such first day shall be deemed, for purposes of such paragraph, to be the valuation date of the plan for the current plan year and the plan’s adjusted funding target attainment percentage shall be conclusively presumed to be less than 60 percent as of such first day.

(C) Presumption of underfunding after 4th month for nearly underfunded plans

In any case in which—

(i) a benefit limitation under paragraph (1), (2), (3), or (4) did not apply to a plan with respect to the plan year preceding the current plan year, but the adjusted funding target attainment percentage of the plan for such preceding plan year was not more than 10 percentage points greater than the percentage which would have caused such paragraph to apply to the plan with respect to such preceding plan year, and

(ii) as of the first day of the 4th month of the current plan year, the enrolled actuary of the plan has not certified the actual adjusted funding target attainment percentage of the plan for the current plan year,

until the enrolled actuary so certifies, such first day shall be deemed, for purposes of such paragraph, to be the valuation date of the plan for the current plan year and the adjusted funding target attainment percentage of the plan as of such first day shall, for purposes of such paragraph, be presumed to be equal to 10 percentage points less than the adjusted funding target attainment percentage of the plan for such preceding plan year.

(8) Treatment of plan as of close of prohibited or cessation period

For purposes of applying this part—

(A) Operation of plan after period

Unless the plan provides otherwise, payments and accruals will resume effective as of the day following the close of the period for which any limitation of payment or accrual of benefits under paragraph (3) or (4) applies.

(B) Treatment of affected benefits

Nothing in this paragraph shall be construed as affecting the plan’s treatment of
benefits which would have been paid or accrued but for this subsection.

(9) Terms relating to funding target attainment percentage

For purposes of this subsection—

(A) In general

The term “funding target attainment percentage” has the same meaning given such term by section 1083(d)(2) of this title.

(B) Adjusted funding target attainment percentage

The term “adjusted funding target attainment percentage” means the funding target attainment percentage which is determined under subparagraph (A) by increasing each of the amounts under subparagraphs (A) and (B) of section 1083(d)(2) of this title by the aggregate amount of purchases of annuities for employees other than highly compensated employees (as defined in section 414(q) of title 26) which were made by the plan during the preceding 2 plan years.

(C) Application to plans which are fully funded without regard to reductions for funding balances

(i) In general

In the case of a plan for any plan year, if the funding target attainment percentage is 100 percent or more (determined without regard to the reduction in the value of assets under section 1083(f)(4) of this title), the funding target attainment percentage for purposes of subparagraphs (A) and (B) shall be determined without regard to such reduction.

(ii) Transition rule

Clause (i) shall be applied to plan years beginning after 2007 and before 2011 by substituting for “100 percent” the applicable percentage determined in accordance with the following table:

<table>
<thead>
<tr>
<th>In the case of a plan year beginning in calendar year:</th>
<th>The applicable percentage is</th>
</tr>
</thead>
<tbody>
<tr>
<td>2008 .......................................................</td>
<td>92</td>
</tr>
<tr>
<td>2009 .......................................................</td>
<td>94</td>
</tr>
<tr>
<td>2010 .......................................................</td>
<td>96</td>
</tr>
</tbody>
</table>

(iii) Limitation

Clause (ii) shall not apply with respect to any plan year beginning after 2008 unless the funding target attainment percentage (determined without regard to the reduction in the value of assets under section 1083(f)(4) of this title) of the plan for each preceding plan year beginning after 2007 was not less than the applicable percentage with respect to such preceding plan year determined under clause (ii).

(D) Special rule for certain years

Solely for purposes of any applicable provision—

(i) In general

For plan years beginning on or after October 1, 2008, and before October 1, 2010, the adjusted funding target attainment percentage of a plan shall be the greater of—

(I) such percentage, as determined without regard to this subparagraph, or

(II) the adjusted funding target attainment percentage for such plan for the plan year beginning after October 1, 2007, and before October 1, 2008, as determined under rules prescribed by the Secretary of the Treasury.

(ii) Special rule

In the case of a plan for which the valuation date is not the first day of the plan year—

(I) clause (i) shall apply to plan years beginning after December 31, 2007, and before January 1, 2010, and

(II) clause (i)(II) shall apply based on the last plan year beginning before November 1, 2007, as determined under rules prescribed by the Secretary of the Treasury.

(iii) Applicable provision

For purposes of this subparagraph, the term “applicable provision” means—

(I) paragraph (3), but only for purposes of applying such paragraph to a payment which, as determined under rules prescribed by the Secretary of the Treasury, is a payment under a social security leveling option which accelerates payments under the plan before, and reduces payments after, a participant starts receiving social security benefits in order to provide substantially similar aggregate payments both before and after such benefits are received, and

(II) paragraph (4).

(10) Secretarial authority for plans with alternate valuation date

In the case of a plan which has designated a valuation date other than the first day of the plan year, the Secretary of the Treasury may prescribe rules for the application of this subsection which are necessary to reflect the alternate valuation date.

(11) Special rule for 2008

For purposes of this subsection, in the case of plan years beginning in 2008, the funding target attainment percentage for the preceding plan year may be determined using such methods of estimation as the Secretary of the Treasury may provide.

§ 1058. Mergers and consolidations of plans or transfers of plan assets

A pension plan may not merge or consolidate with, or transfer its assets or liabilities to, any other plan after September 2, 1974, unless each participant in the plan would (if the plan then terminated) receive a benefit immediately after the merger, consolidation, or transfer which is equal to or greater than the benefit he would have been entitled to receive immediately before the merger, consolidation, or transfer (if the plan had then terminated). The preceding sentence shall not apply to any transaction to the extent that participants either before or after the transaction are covered under a multi-employer plan to which subchapter III of this chapter applies.

Amendments

§ 1059. Recordkeeping and reporting requirements

(A) requests such report, in such manner and at such time as may be provided in such regulations,

(B) terminates his service with the employer, or

(C) has a 1-year break in service (as defined in section 1053(b)(3)(A) of this title).

The employer shall furnish to the plan administrator the information necessary for the administrator to make the reports required by the pre-
cedeing sentence. Not more than one report shall be required under subparagraph (A) in any 12-month period. Not more than one report shall be required under subparagraph (C) with respect to consecutive 1-year breaks in service. Such administrator shall maintain the records, and make the reports, required by paragraph (1).

(b) If any person who is required, under subsection (a) of this section, to furnish information or maintain records for any plan year fails to comply with such requirement, he shall pay to the Secretary a civil penalty of $10 for each employee with respect to whom such failure occurs, unless it is shown that such failure is due to reasonable cause.  

AMENDMENTS

REGULATIONS

Secretary authorized, effective Sept. 2, 1974, to promulgate regulations wherever provisions of this subchapter call for the promulgation of regulations, see section 1001 of this title.

§ 1060. Multiple employer plans and other special rules

(a) Plan maintained by more than one employer

Notwithstanding any other provision of this part or part 3, the following provisions of this subsection shall apply to a plan maintained by more than one employer:

(1) Section 1052 of this title shall be applied as if all employees of each of the employers were employed by a single employer.

(2) Sections 1053 and 1054 of this title shall be applied as if all such employers constituted a single employer, except that the application of any rules with respect to breaks in service shall be made under regulations prescribed by the Secretary.

(3) The minimum funding standard provided by section 1082 of this title shall be determined as if all participants in the plan were employed by a single employer.

(b) Maintenance of plan of predecessor employer

For purposes of this part and part 3—

(1) in any case in which the employer maintains a plan of a predecessor employer, service for such predecessor shall be treated as service for the employer, and

(2) in any case in which the employer maintains a plan which is not the plan maintained by a predecessor employer, service for such predecessor shall, to the extent provided in regulations prescribed by the Secretary of the Treasury, be treated as service for the employer.

(c) Plan maintained by controlled group of corporations

For purposes of sections 1052, 1053, and 1054 of this title, all employees of all corporations which are members of a controlled group of corporations (within the meaning of section 1563(a) of title 26, determined without regard to section 1563(a)(4) and (e)(3)(C) of title 26) shall be treated as employed by a single employer. With respect to a plan adopted by more than one such corporation, the minimum funding standard of section 1082 of this title shall be determined as if all such employers were a single employer, and allocated to each employer in accordance with regulations prescribed by the Secretary of the Treasury.

(d) Plan of trades or businesses under common control

For purposes of sections 1052, 1053, and 1054 of this title, under regulations prescribed by the Secretary of the Treasury, all employees of trades or businesses (whether or not incorporated) which are under common control shall be treated as employed by a single employer. The regulations prescribed under this subsection shall be based on principles similar to the principles which apply in the case of subsection (c) of this section.

(e) Special rules for eligible combined defined benefit plans and qualified cash or deferred arrangements

(1) General rule

Except as provided in this subsection, this chapter shall be applied to any defined benefit plan or applicable individual account plan which are1 part of an eligible combined plan in the same manner as if each such plan were not a part of the eligible combined plan. In the case of a termination of the defined benefit plan and the applicable defined contribution plan forming part of an eligible combined

plan, the plan administrator shall terminate each such plan separately.

(2) Eligible combined plan

For purposes of this subsection—

(A) In general

The term “eligible combined plan” means a plan—

(i) which is maintained by an employer which, at the time the plan is established, is a small employer,

(ii) which consists of a defined benefit plan and an applicable individual account plan each of which qualifies under section 401(a) of title 26,

(iii) the assets of which are held in a single trust forming part of the plan and are clearly identified and allocated to the defined benefit plan and the applicable individual account plan to the extent necessary for the separate application of this chapter under paragraph (1), and

(iv) with respect to which the benefit, contribution, vesting, and nondiscrimination requirements of subparagraphs (B), (C), (D), (E), and (F) are met.

For purposes of this subparagraph, the term “small employer” has the meaning given such term by section 4980D(d)(2) of title 26, except that such section shall be applied by substituting “500” for “50” each place it appears.

(B) Benefit requirements

(i) In general

The benefit requirements of this subparagraph are met if the accrued benefit of each participant derived from employer contributions, when expressed as an annual retirement benefit, is not less than the percentage of compensation from the employer.

(ii) Applicable percentage

For purposes of clause (i), the applicable percentage is the lesser of—

(I) 1 percent multiplied by the number of years of service with the employer, or

(II) 20 percent.

(iii) Special rule for applicable defined benefit plans

If the defined benefit plan under clause (i) is an applicable defined benefit plan as defined in section 1053(f)(3)(B) of this title which meets the interest credit requirements of section 1054(b)(5)(B)(i) of this title, the plan shall be treated as meeting the requirements of clause (i) with respect to any plan year if each participant receives pay credit for the year which is not less than the percentage of compensation determined in accordance with the following table:

<table>
<thead>
<tr>
<th>If the participant’s age as of the beginning of the year is—</th>

(iv) Years of service

For purposes of this subparagraph, years of service shall be determined under the rules of paragraphs (1), (2), and (3) of section 1053(b) of this title, except that the plan may not disregard any year of service because of a participant making, or failing to make, any elective deferral with respect to the qualified cash or deferred arrangement to which subparagraph (C) applies.

(C) Contribution requirements

(i) In general

The contribution requirements of this subparagraph with respect to any applicable individual account plan forming part of an eligible combined plan are met if—

(I) the qualified cash or deferred arrangement included in such plan constitutes an automatic contribution arrangement, and

(II) the employer is required to make matching contributions on behalf of each employee eligible to participate in the arrangement in an amount equal to 50 percent of the elective contributions of the employee to the extent such elective contributions do not exceed 4 percent of compensation.

Rules similar to the rules of clauses (ii) and (iii) of section 401(k)(12)(B) of title 26 shall apply for purposes of this clause.

(ii) Nonelective contributions

An applicable individual account plan shall not be treated as failing to meet the requirements of clause (i) because the employer makes nonelective contributions under the plan but such contributions shall not be taken into account in determining whether the requirements of clause (i)(II) are met.

(D) Vesting requirements

The vesting requirements of this subparagraph are met if—

(i) in the case of a defined benefit plan forming part of an eligible combined plan an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee’s accrued benefit under the plan derived from employer contributions, and

(ii) in the case of an applicable individual account plan forming part of eligible combined plan—

(I) an employee has a nonforfeitable right to any matching contribution made under the qualified cash or deferred arrangement included in such plan by an employer with respect to any elective contribution, including matching contributions in excess of the contribu-
(3) Automatic contribution arrangement

For purposes of this subsection—

(A) In general

A qualified cash or deferred arrangement shall be treated as an automatic contribution arrangement if the arrangement—

(i) provides that each employee eligible to participate in the arrangement is treated as having elected to have the employer make elective contributions in an amount equal to 4 percent of the employee’s compensation unless the employee specifically elects not to have such contributions made or to have such contributions made at a different rate, and

(ii) meets the notice requirements under subparagraph (B).

(B) Notice requirements

(i) In general

The requirements of this subparagraph are met if the requirements of clauses (ii) and (iii) are met.

(ii) Reasonable period to make election

The requirements of this clause are met if each employee to whom subparagraph (A)(i) applies—

(I) receives a notice explaining the employee’s right under the arrangement to elect not to have elective contributions made on the employee’s behalf or to have the contributions made at a different rate, and

(II) has a reasonable period of time after receipt of such notice and before the first elective contribution is made to make such election.

(iii) Annual notice of rights and obligations

The requirements of this clause are met if each employee eligible to participate in the arrangement is, within a reasonable period before any year, given notice of the employee’s rights and obligations under the arrangement.

The requirements of this subparagraph shall not be treated as met unless the requirements of clauses (i) and (ii) of section 401(k)(12)(D) of title 26 are met with respect to the notices described in clauses (ii) and (iii) of this subparagraph.

(4) Coordination with other requirements

(A) Treatment of separate plans

The except clause in section 1002(35) of this title shall not apply to an eligible combined plan.

(B) Reporting

An eligible combined plan shall be treated as a single plan for purposes of section 1023 of this title.

(5) Applicable individual account plan

For purposes of this subsection—

(A) In general

The term “applicable individual account plan” means an individual account plan which includes a qualified cash or deferred arrangement.

(B) Qualified cash or deferred arrangement

The term “qualified cash or deferred arrangement” has the meaning given such term by section 401(k)(2) of title 26.

REGULATIONS

Secretary authorized, effective Sept. 2, 1974, to promulgate regulations wherever provisions of this subchapter call for the promulgation of regulations, see section 1031 of this title.

§ 1061. Effective dates

(a) Except as otherwise provided in this section, this part shall apply in the case of plan years beginning after September 2, 1974.

(b)(1) Except as otherwise provided in subsection (d) of this section, sections 1055, 1056(d) and 1058 of this title shall apply with respect to plan years beginning after December 31, 1975.

(2) Except as otherwise provided in subsections (c) and (d) of this section in the case of a plan in existence on January 1, 1974, this part shall apply in the case of plan years beginning after December 31, 1975.

(c)(1) In the case of a plan maintained on January 1, 1974, pursuant to one or more agreements which the Secretary finds to be collective bargaining agreements between employee organizations and one or more employers, no plan shall be treated as not meeting the requirements of sections 1054 and 1055 of this title by reason of a supplementary or special plan provision (within the meaning of paragraph (2)) for any plan year before the year which begins after the earlier of—

(A) the date on which the last of such agreements relating to the plan terminates (determined without regard to any extension thereof agreed to after September 2, 1974), or

(B) December 31, 1980.

For purposes of subparagraph (A) and section 1006(c) of this title, any plan amendment made pursuant to a collective bargaining agreement relating to the plan which amends the plan solely to conform to any requirement contained in this chapter or title 26 shall not be treated as a termination of such collective bargaining agreement. This paragraph shall not apply unless the Secretary determines that the participation and vesting rules in effect on September 2, 1974, are not less favorable to participants, in the aggregate, than the rules provided under sections 1052, 1053, and 1054 of this title.

(2) For purposes of paragraph (1), the term “supplementary or special plan provision” means any plan provision which—

(A) provides supplementary benefits, not in excess of one-third of the basic benefit, in the form of an annuity for the life of the participant, or

(B) provides that, under a contractual agreement based on medical evidence as to the effects of working in an adverse environment for an extended period of time, a participant having 25 years of service is to be treated as having 30 years of service.

(3) This subsection shall apply with respect to a plan if (and only if) the application of this subsection results in a later effective date for this part than the effective date required by subsection (b) of this section.

(d) If the administrator of a plan elects under section 1017(d) of this Act to make applicable to a plan year and to all subsequent plan years the provisions of title 26 relating to participation, vesting, funding, and form of benefit, this part shall apply to the first plan year to which such election applies and to all subsequent plan years.

(e)(1) No pension plan to which section 1052 of this title applies may make effective any plan amendment with respect to breaks in service (which amendment is made or becomes effective after January 1, 1974, and before the date on which section 1052 of this title first becomes effective with respect to such plan) which provides that any employee’s participation in the plan would commence at any date later than the later of—

(A) the date on which his participation would commence under the break in service rules of section 1052(b) of this title, or

1See References in Text note below.
§ 1081. Coverage

(a) Plans excepted from applicability of this part

This part shall apply to any employee pension benefit plan described in section 1003(a) of this title, (and not exempted under section 1003(b) of this title), other than:

1. an employee welfare benefit plan;
2. an insurance contract plan described in subsection (b) of this section;
3. a plan which is unfunded and is maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees;
4. a plan which is established and maintained by a society, order, or association described in section 501(c)(5) or (9) of title 26, if no part of the contributions to or under such plan are made by employers of participants in such plan; or

(b) “Insurance contract plan” defined

For the purposes of paragraph (2) of subsection (a) of this section a plan is an “insurance contract plan” if—

1. the plan is funded exclusively by the purchase of individual insurance contracts,
2. such contracts provide for level annual premium payments to be paid extending not...
later than the retirement age for each individual participating in the plan, and commencing with the date the individual became a participant in the plan (or, in the case of an increase in benefits, commencing at the time such increase became effective),

(3) benefits provided by the plan are equal to the benefits provided under each contract at normal retirement age under the plan and are guaranteed by an insurance carrier (licensed under the laws of a State to do business with the plan) to the extent premiums have been paid,

(4) premiums payable for the plan year, and all prior plan years under such contracts have been paid before lapse or there is reinstatement of the policy,

(5) no rights under such contracts have been subject to a security interest at any time during the plan year, and

(6) no policy loans are outstanding at any time during the plan year.

A plan funded exclusively by the purchase of group insurance contracts which is determined under regulations prescribed by the Secretary of the Treasury to have the same characteristics as contracts described in the preceding sentence shall be treated as a plan described in this subsection.

(c) Applicability of this part to terminated multiemployer plans

This part applies, with respect to a terminated multiemployer plan to which section 1321 of this title applies, until the last day of the plan year in which the plan terminates, within the meaning of section 1314(a)(2) of this title.

SPECIAL RULE FOR CERTAIN BENEFITS FUNDED UNDER AN AGREEMENT APPROVED BY THE PENSION BENEFIT GUARANTY CORPORATION

For applicability of amendment by Pub. L. 109–280 to a multiemployer plan that is a party to an agreement that was approved by the Pension Benefit Guaranty Corporation prior to June 30, 2005, and that increases benefits and provides for certain withdrawal liability rules, see section 206 of Pub. L. 109–280, set out as a note under section 412 of Title 26, Internal Revenue Code.
§ 1082. Minimum funding standards

(a) Requirement to meet minimum funding standard

(1) In general

A plan to which this part applies shall satisfy the minimum funding standard applicable to the plan for any plan year.

(2) Minimum funding standard

For purposes of paragraph (1), a plan shall be treated as satisfying the minimum funding standard for a plan year if—

(A) in the case of a defined benefit plan which is a single-employer plan, the employer makes contributions to or under the plan for the plan year which, in the aggregate, are not less than the minimum required contribution determined under section 1083 of this title for the plan for the plan year,

(B) in the case of a money purchase plan which is a single-employer plan, the employer makes contributions to or under the plan for the plan year which are required under the terms of the plan, and

(C) in the case of a multiemployer plan, the employers make contributions to or under the plan for any plan year which, in the aggregate, are sufficient to ensure that the plan does not have an accumulated funding deficiency under section 1084 of this title as of the end of the plan year.

(b) Liability for contributions

(1) In general

Except as provided in paragraph (2), the amount of any contribution required by this section (including any required installments under paragraphs (3) and (4) of section 1083(j) of this title) shall be paid by the employer responsible for making contributions to or under the plan.

(2) Joint and several liability where employer member of controlled group

If the employer referred to in paragraph (1) is a member of a controlled group, each member of such group shall be jointly and severally liable for payment of such contributions.

(3) Multiemployer plans in critical status

Paragraph (1) shall not apply in the case of a multiemployer plan for any plan year in which the plan is in critical status pursuant to section 1085 of this title. This paragraph shall only apply if the plan sponsor adopts a rehabilitation plan in accordance with section 1085(e) of this title and complies with the terms of such rehabilitation plan (and any updates or modifications of the plan).

(c) Variance from minimum funding standards

(1) Waiver in case of business hardship

(A) In general

If—

(i) an employer is (or in the case of a multiemployer plan, 10 percent or more of the number of employers contributing to or under the plan are) unable to satisfy the minimum funding standard for a plan year

without temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan), and

(ii) application of the standard would be adverse to the interests of plan participants in the aggregate,

the Secretary of the Treasury may, subject to subparagraph (C), waive the requirements of subsection (a) for such plan year with respect to all or any portion of the minimum funding standard. The Secretary of the Treasury shall not waive the minimum funding standard with respect to a plan for more than 3 of any 15 (5 of any 15 in the case of a multiemployer plan) consecutive plan years.

(B) Effects of waiver

If a waiver is granted under subparagraph (A) for any plan year—

(i) in the case of a single-employer plan, the minimum required contribution under section 1083 of this title for the plan year shall be reduced by the amount of the waived funding deficiency and such amount shall be amortized as required under section 1083(e) of this title, and

(ii) in the case of a multiemployer plan, the funding standard account shall be credited under section 1084(b)(3)(C) of this title with the amount of the waived funding deficiency and such amount shall be amortized as required under section 1084(b)(2)(C) of this title.

(C) Waiver of amortized portion not allowed

The Secretary of the Treasury may not waive under subparagraph (A) any portion of the minimum funding standard under subsection (a) for a plan year which is attributable to any waived funding deficiency for any preceding plan year.

(2) Determination of business hardship

For purposes of this subsection, the factors taken into account in determining temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) shall include (but shall not be limited to) whether or not—

(A) the employer is operating at an economic loss,

(B) there is substantial unemployment or underemployment in the trade or business and in the industry concerned,

(C) the sales and profits of the industry concerned are depressed or declining, and

(D) it is reasonable to expect that the plan will be continued only if the waiver is granted.

(3) Waived funding deficiency

For purposes of this part, the term “waived funding deficiency” means the portion of the minimum funding standard under subsection (a) (determined without regard to the waiver) for a plan year waived by the Secretary of the Treasury and not satisfied by employer contributions.
(4) Security for waivers for single-employer plans, consultations

(A) Security may be required

(i) In general

Except as provided in subparagraph (C), the Secretary of the Treasury may require an employer maintaining a defined benefit plan which is a single-employer plan (within the meaning of section 1301(a)(15) of this title) to provide security to such plan as a condition for granting or modifying a waiver under paragraph (1).

(ii) Special rules

Any security provided under clause (i) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Corporation, by a contributing sponsor (within the meaning of section 1301(a)(13) of this title), or a member of such sponsor’s controlled group (within the meaning of section 1301(a)(14) of this title).

(B) Consultation with the Pension Benefit Guaranty Corporation

Except as provided in subparagraph (C), the Secretary of the Treasury shall, before granting or modifying a waiver under this subsection with respect to a plan described in subparagraph (A)(i)—

(1) provide the Pension Benefit Guaranty Corporation with—

(I) notice of the completed application for any waiver or modification, and

(II) an opportunity to comment on such application within 30 days after receipt of such notice, and

(ii) consider—

(I) any comments of the Corporation under clause (i)(I), and

(II) any views of any employee organization (within the meaning of section 1002(4) of this title) representing participants in the plan which are submitted in writing to the Secretary of the Treasury in connection with such application.

Information provided to the Corporation under this subparagraph shall be considered tax return information and subject to the safeguarding and reporting requirements of section 6103(p) of title 26.

(C) Exception for certain waivers

(i) In general

The preceding provisions of this paragraph shall not apply to any plan with respect to which the sum of—

(I) the aggregate unpaid minimum required contributions for the plan year and all preceding plan years, and

(II) the present value of all waiver amortization installments determined for the plan year and succeeding plan years under section 1083(c)(2) of this title,

is less than $1,000,000.

(ii) Treatment of waivers for which applications are pending

The amount described in clause (i)(I) shall include any increase in such amount which would result if all applications for waivers of the minimum funding standard under this subsection which are pending with respect to such plan were denied.

(iii) Unpaid minimum required contribution

For purposes of this subparagraph—

(I) In general

The term “unpaid minimum required contribution” means, with respect to any plan year, any minimum required contribution under section 1083 of this title for the plan year which is not paid on or before the due date (as determined under section 1083(j)(1) of this title) for the plan year.

(II) Ordering rule

For purposes of subclause (I), any payment to or under a plan for any plan year shall be allocated first to unpaid minimum required contributions for all preceding plan years on a first-in, first-out basis and then to the minimum required contribution under section 1083 of this title for the plan year.

(5) Special rules for single-employer plans

(A) Application must be submitted before date 21⁄2 months after close of year

In the case of a single-employer plan, no waiver may be granted under this subsection with respect to any plan for any plan year unless an application therefor is submitted to the Secretary of the Treasury not later than the 15th day of the 3rd month beginning after the close of such plan year.

(B) Special rule if employer is member of controlled group

In the case of a single-employer plan, if an employer is a member of a controlled group, the temporary substantial business hardship requirements of paragraph (1) shall be treated as met only if such requirements are met—

(i) with respect to such employer, and

(ii) with respect to the controlled group of which such employer is a member (determined by treating all members of such group as a single employer).

The Secretary of the Treasury may provide that an analysis of a trade or business or industry of a member need not be conducted if such Secretary determines such analysis is not necessary because the taking into account of such member would not significantly affect the determination under this paragraph.

(6) Advance notice

(A) In general

The Secretary of the Treasury shall, before granting a waiver under this subsection, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such waiver to each affected party (as defined in section 1301(a)(21) of this title). Such notice shall include a de-
scription of the extent to which the plan is funded for benefits which are guaranteed under subchapter III and for benefit liabilities.

(B) Consideration of relevant information

The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under subparagraph (A).

(7) Restriction on plan amendments

(A) In general

No amendment of a plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan shall be adopted if a waiver under this subsection or an extension of time under section 1084(d) of this title is in effect with respect to the plan, or if a plan amendment described in subsection (d)(2) which reduces the accrued benefit of any participant has been made at any time in the preceding 12 months (24 months in the case of a multiemployer plan). If a plan is amended in violation of the preceding sentence, any such waiver, or extension of time, shall not apply to any plan year ending on or after the date on which such amendment is adopted.

(B) Exception

Subparagraph (A) shall not apply to any plan amendment which—

(i) the Secretary of the Treasury determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan,

(ii) only repeals an amendment described in subsection (d)(2), or

(iii) is required as a condition of qualification under part I of subchapter D of chapter I of title 26.

(8) Cross reference

For corresponding duties of the Secretary of the Treasury with regard to implementation of title 26, see section 421(c) of title 26.

(d) Miscellaneous rules

(1) Change in method or year

If the funding method or a plan year for a plan is changed, the change shall take effect only if approved by the Secretary of the Treasury.

(2) Certain retroactive plan amendments

For purposes of this section, any amendment applying to a plan year which—

(A) is adopted after the close of such plan year but no later than 2½ months after the close of the plan year (or, in the case of a multiemployer plan, no later than 2 years after the close of such plan year),

(B) does not reduce the accrued benefit of any participant determined as of the beginning of the first plan year to which the amendment applies, and

(C) does not reduce the accrued benefit of any participant determined as of the time of adoption except to the extent required by the circumstances,

shall, at the election of the plan administrator, be deemed to have been made on the first day of such plan year. No amendment described in this paragraph which reduces the accrued benefits of any participant shall take effect unless the plan administrator files a notice with the Secretary of the Treasury notifying him of such amendment and such Secretary has approved such amendment, or within 90 days after the date on which such notice was filed, failed to disapprove such amendment. No amendment described in this subsection shall be approved by the Secretary of the Treasury unless such Secretary determines that such amendment is necessary because of a temporary substantial business hardship (as determined under subsection (c)(2)) or a substantial business hardship (as so determined) in the case of a multiemployer plan and that a waiver under subsection (c) (or, in the case of a multiemployer plan, any extension of the amortization period under section 1084(d) of this title) is unavailable or inadequate.

(3) Controlled group

For purposes of this section, the term ‘controlled group’ means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of title 26.

§1083. Minimum funding standards for single-employer defined benefit pension plans

(a) Minimum required contribution

For purposes of this section and section 1082(a)(2)(A) of this title, except as provided in subsection (f), the term “minimum required contribution” means, with respect to any plan year of a single-employer plan—

(1) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) is less than the funding target of the plan for the plan year, the sum of—

(A) the target normal cost of the plan for the plan year;

(B) the shortfall amortization charge (if any) for the plan for the plan year determined under subsection (c), and

(C) the waiver amortization charge (if any) for the plan for the plan year as determined under subsection (e); or

(2) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) equals or exceeds the funding target of the plan for the plan year, the target normal cost of the plan for the plan year reduced (but not below zero) by such excess.

(b) Target normal cost

For purposes of this section:

(1) In general

Except as provided in subsection (i)(2) with respect to plans in at-risk status, the term “target normal cost” means, for any plan year, the excess of—

(A) the sum of—

(i) the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year, plus

(ii) the amount of plan-related expenses expected to be paid from plan assets during the plan year, over

(B) the amount of mandatory employee contributions expected to be made during the plan year.

(2) Special rule for increase in compensation

For purposes of this subsection, if any benefit attributable to services performed in a preceding plan year is increased by reason of any increase in compensation during the current plan year, the increase in such benefit shall be treated as having accrued during the current plan year.
(c) Shortfall amortization charge

(1) In general

For purposes of this section, the shortfall amortization charge for a plan for any plan year is the aggregate total (not less than zero) of the shortfall amortization installments for such plan year with respect to any shortfall amortization base which has not been fully amortized under this subsection.

(2) Shortfall amortization installment

For purposes of paragraph (1)—

(A) Determination

The shortfall amortization installments are the amounts necessary to amortize the shortfall amortization base of the plan for any plan year in level annual installments over the 7-plan-year period beginning with such plan year.

(B) Shortfall installment

The shortfall amortization installment for any plan year in the 7-plan-year period under subparagraph (A) with respect to any shortfall amortization base is the annual installment determined under subparagraph (A) for that year for that base.

(C) Segment rates

In determining any shortfall amortization installment under this paragraph, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

(D) Special election for eligible plan years

(i) In general

If a plan sponsor elects to apply this subparagraph with respect to the shortfall amortization base of a plan for any eligible plan year (in this subparagraph and paragraph (1) referred to as an “election year”), then, notwithstanding subparagraphs (A) and (B)—

(I) the shortfall amortization installments with respect to such base shall be determined under clause (ii) or (iii), whichever is specified in the election, and

(II) the shortfall amortization installment for any plan year in the 9-plan-year period described in clause (ii) or the 15-plan-year period described in clause (iii), respectively, with respect to such shortfall amortization base is the annual installment determined under the applicable clause for that year for that base.

(ii) 2 plus 7 amortization schedule

The shortfall amortization installments determined under this clause are—

(I) in the case of the first 2 plan years in the 9-plan-year period beginning with the election year, interest on the shortfall amortization base of the plan for the election year (determined using the effective interest rate for the plan for the election year), and

(II) in the case of the last 7 plan years in such 9-plan-year period, the amounts necessary to amortize the remaining balance of the shortfall amortization base of the plan for the election year in level annual installments over such last 7 plan years (using the segment rates under subparagraph (C) for the election year).

(iii) 15-year amortization

The shortfall amortization installments determined under this subparagraph are the amounts necessary to amortize the shortfall amortization base of the plan for the election year in level annual installments over the 15-plan-year period beginning with the election year (using the segment rates under subparagraph (C) for the election year).

(iv) Election

(I) In general

The plan sponsor of a plan may elect to have this subparagraph apply to not more than 2 eligible plan years with respect to the plan, except that in the case of a plan described in section 106 of the Pension Protection Act of 2006, the plan sponsor may only elect to have this subparagraph apply to a plan year beginning in 2011.

(II) Amortization schedule

Such election shall specify whether the amortization schedule under clause (ii) or (iii) shall apply to an election year, except that if a plan sponsor elects to have this subparagraph apply to 2 eligible plan years, the plan sponsor must elect the same schedule for both years.

(III) Other rules

Such election shall be made at such time, and in such form and manner, as shall be prescribed by the Secretary of the Treasury, and may be revoked only with the consent of the Secretary of the Treasury. The Secretary of the Treasury shall, before granting a revocation request, provide the Pension Benefit Guaranty Corporation an opportunity to comment on the conditions applicable to the treatment of any portion of the election year shortfall amortization base that remains unamortized as of the revocation date.

(v) Eligible plan year

For purposes of this subparagraph, the term “eligible plan year” means any plan year beginning in 2008, 2009, 2010, or 2011, except that a plan year shall only be treated as an eligible plan year if the due date under subsection (j)(1) for the payment of the minimum required contribution for such plan year occurs on or after June 25, 2010.

For increases in required contributions in cases of excess compensation or extraordinary dividends or stock redemptions, see paragraph (7).

(3) Shortfall amortization base

For purposes of this section, the shortfall amortization base of a plan for a plan year is—

(A) the funding shortfall of such plan for such plan year, minus

(B) the present value (determined using the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2)) of the aggregate total of the shortfall amortization installments and waiver amortization installments which have been determined for such plan year and any succeeding plan year with respect to the shortfall amortization bases and waiver amortization bases of the plan for any plan year preceding such plan year.

(4) Funding shortfall

For purposes of this section, the funding shortfall of a plan for any plan year is the excess (if any) of—

(A) the funding target of the plan for the plan year, over

(B) the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) for the plan year which are held by the plan on the valuation date.

(5) Exemption from new shortfall amortization base

(A) In general

In any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(A)) is equal to or greater than the funding target of the plan for the plan year, the shortfall amortization base of the plan for such plan year shall be zero.

(B) Transition rule

(i) In general

Except as provided in clause (iii), in the case of plan years beginning after 2007 and before 2011, only the applicable percentage of the funding target shall be taken into account under paragraph (3)(A) in determining the funding shortfall for purposes of paragraph (3)(A) and subparagraph (A).

(ii) Applicable percentage

For purposes of subparagraph (A), the applicable percentage shall be determined in accordance with the following table:

<table>
<thead>
<tr>
<th>In the case of a plan year beginning in calendar year:</th>
<th>The applicable percentage is</th>

Clause (i) shall not apply to a plan—

(I) which was not in effect for a plan year beginning in 2007, or

(II) which was in effect for a plan year beginning in 2007 and which was subject to section 1082(d) of this title (as in effect for plan years beginning in 2007 for such year, determined after the application of paragraphs (6) and (9) thereof.

(6) Early deemed amortization upon attainment of funding target

In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the shortfall amortization charge for such plan year and succeeding plan years, the shortfall amortization bases for all preceding plan years (and all shortfall amortization installments determined with respect to such bases) shall be reduced to zero.

(7) Increases in alternate required installments in cases of excess compensation or extraordinary dividends or stock redemptions

(A) In general

If there is an installment acceleration amount with respect to a plan for any plan year in the restriction period with respect to an election year under paragraph (2)(D), then the shortfall amortization installment otherwise determined and payable under such paragraph for such plan year shall, subject to the limitation under subparagraph (B), be increased by such amount.

(B) Total installments limited to shortfall base

Subject to rules prescribed by the Secretary of the Treasury, if a shortfall amortization installment with respect to any shortfall amortization base for an election year is required to be increased for any plan year under subparagraph (A),

(i) such increase shall not result in the amount of such installment exceeding the present value of such installment and all succeeding installments with respect to such base (determined without regard to such increase but after application of clause (ii)), and

(ii) subsequent shortfall amortization installments with respect to such base shall, in reverse order of the otherwise required installments, be reduced to the extent necessary to limit the present value of such subsequent shortfall amortization installments (after application of this paragraph) to the present value of the remaining un-amortized shortfall amortization base.

(C) Installment acceleration amount

For purposes of this paragraph—

(i) In general

The term “installment acceleration amount” means, with respect to any plan year in a restriction period with respect to an election year, the sum of—

(II) the aggregate amount of extraordinary dividends and redemptions deter-
(ii) Annual limitation

The installment acceleration amount for any plan year shall not exceed the excess (if any) of—

(I) the sum of the shortfall amortization installments for the plan year and all preceding plan years in the amortization period elected under paragraph (2)(D) with respect to the shortfall amortization base with respect to an election year, determined without regard to paragraph (2)(D) and this paragraph, over

(II) the sum of the shortfall amortization installments for such plan year and all such preceding plan years, determined after application of paragraph (2)(D) (and in the case of any preceding plan year, after application of this paragraph).

(iii) Carryover of excess installment acceleration amounts

(I) In general

If the installment acceleration amount for any plan year (determined without regard to clause (ii)) exceeds the limitation under clause (ii), then, subject to subclause (II), such excess shall be treated as an installment acceleration amount with respect to the succeeding plan year.

(II) Cap to apply

If any amount treated as an installment acceleration amount under subclause (I) or this subclause with respect\(^1\) any succeeding plan year, when added to other installment acceleration amounts (determined without regard to clause (ii)) with respect to the plan year, exceeds the limitation under clause (ii), the portion of such amount representing such excess shall be treated as an installment acceleration amount with respect to the next succeeding plan year.

(iv) Exclusion on years to which amounts carried for

No amount shall be carried under subclause (I) or (II) to a plan year which begins after the first plan year following the last plan year in the restriction period (or after the second plan year following such last plan year in the case of an election year with respect to which 15-year amortization was elected under paragraph (2)(D)).

(IV) Ordering rules

For purposes of applying subclause (II), installment acceleration amounts for the plan year (determined without regard to any carryover under this clause) shall be applied first against the limitation under clause (ii) and then carryovers to such plan year shall be applied against such limitation on a first-in, first-out basis.

(II) $1,000,000.

(ii) Amounts set aside for nonqualified deferred compensation

If during any calendar year assets are set aside or reserved (directly or indirectly) in a trust (or other arrangement as determined by the Secretary of the Treasury), or transferred to such a trust or other arrangement, by a plan sponsor for purposes of paying deferred compensation of an employee under a nonqualified deferred compensation plan (as defined in section 409A of such title) of the plan sponsor, then, for purposes of clause (I), the amount of such assets shall be treated as remuneration of the employee includible in income for the calendar year unless such amount is otherwise includible in income for such year. Any amount to which the preceding sentence applies shall not be taken into account under this paragraph for any subsequent calendar year.

(iii) Only remuneration for certain 2009 services counted

Remuneration shall be taken into account under clause (i) only to the extent attributable to services performed by the employee for the plan sponsor after February 28, 2010.

(II) Secretarial authority

The Secretary of the Treasury may by regulation provide for the application of this clause in the case of a person other than a corporation.

In the case of any calendar year beginning after 2010, the dollar amount under clause (i)(II) shall be increased by an amount equal to—

(I) such dollar amount, multiplied by

(II) the cost-of-living adjustment determined under section 1(f)(3) of such title for the calendar year, determined by substituting “calendar year 2009” for “calendar year 1992” in subparagraph (B) thereof.

(I) the adjusted net income (within the meaning of section 1343 of this title) of the plan sponsor for the preceding plan year, determined without regard to any reduction by reason of interest, taxes, depreciation, or amortization, or

(II) in the case of a plan sponsor that determined and declared dividends in the same manner for at least 5 consecutive years immediately preceding such plan year, the aggregate amount of dividends determined and declared for such plan year using such manner.

(ii) Only certain post-2009 dividends and redemptions counted

For purposes of clause (i), there shall only be taken into account dividends declared, and redemptions occurring, after February 28, 2010.

Redemptions that are made pursuant to a plan maintained with respect to employees, or that are made on account of the death, disability, or termination of employment of an employee or shareholder, shall not be taken into account under clause (i).

(v) Exception for certain preferred stock

(I) In general

Dividends and redemptions with respect to applicable preferred stock shall not be taken into account under clause (i) to the extent that dividends accrue with respect to such stock at a specified rate in all events and without regard to the plan sponsor’s income, and interest accrues on any unpaid dividends with respect to such stock.

(II) Applicable preferred stock

For purposes of subclause (I), the term “applicable preferred stock” means preferred stock which was issued before March 1, 2010 (or which was issued after such date and is held by an employee benefit plan subject to the provisions of this subchapter).

(II) if the plan sponsor elects 15-year amortization for the shortfall amortization base for the election year, the 5-year period beginning with the election year (or, if later, the first plan year beginning after December 31, 2009).

(iii) Elections for multiple plans

If a plan sponsor makes elections under paragraph (2)(D) with respect to 2 or more plans, the Secretary of the Treasury shall provide rules for the application of this paragraph to such plans, including rules for the ratable allocation of any installment acceleration amount among such plans on the basis of each plan’s relative
reduction in the plan’s shortfall amortization installment for the first plan year in the amortization period described in subparagraph (A) (determined without regard to this paragraph).

(iv) Mergers and acquisitions

The Secretary of the Treasury shall prescribe rules for the application of paragraph (2)(D) and this paragraph in any case where there is a merger or acquisition involving a plan sponsor making the election under paragraph (2)(D).

(d) Rules relating to funding target

For purposes of this section—

(1) Funding target

Except as provided in subsection (i)(1) with respect to plans in at-risk status, the funding target of a plan for a plan year is the present value of all benefits accrued or earned under the plan as of the beginning of the plan year.

(2) Funding target attainment percentage

The “funding target attainment percentage” of a plan for a plan year is the ratio (expressed as a percentage) which—

(A) the value of plan assets for the plan year (as reduced under subsection (f)(4)(B)), bears to
(B) the funding target of the plan for the plan year (determined without regard to subsection (i)(1)).

(e) Waiver amortization charge

(1) Determination of waiver amortization charge

The waiver amortization charge (if any) for a plan for any plan year is the aggregate total of the waiver amortization installments for such plan year with respect to the waiver amortization bases for each of the 5 preceding plan years.

(2) Waiver amortization installment

For purposes of paragraph (1)—

(A) Determination

The waiver amortization installments are the amounts necessary to amortize the waiver amortization base of the plan for any plan year in level annual installments over a period of 5 plan years beginning with the succeeding plan year.

(B) Waiver installment

The waiver amortization installment for any plan year in the 5-year period under subparagraph (A) with respect to any waiver amortization base is the annual installment determined under subparagraph (A) for that year for that base.

(3) Interest rate

In determining any waiver amortization installment under this subsection, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

(4) Waiver amortization base

The waiver amortization base of a plan for a plan year is the amount of the waived funding deficiency (if any) for such plan year under section 1082(c) of this title.

(5) Early deemed amortization upon attainment of funding target

In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the waiver amortization charge for such plan year and succeeding plan years, the waiver amortization bases for all preceding plan years (and all waiver amortization installments determined with respect to such bases) shall be reduced to zero.

(f) Reduction of minimum required contribution by prefunding balance and funding standard carryover balance

(1) Election to maintain balances

(A) Prefunding balance

The plan sponsor of a single-employer plan may elect to maintain a prefunding balance.

(B) Funding standard carryover balance

(i) In general

In the case of a single-employer plan described in clause (ii), the plan sponsor may elect to maintain a funding standard carryover balance, until such balance is reduced to zero.

(ii) Plans maintaining funding standard account in 2007

A plan is described in this clause if the plan—

(I) was in effect for a plan year beginning in 2007, and
(II) had a positive balance in the funding standard account under section 1082(b) of this title as in effect for such plan year and determined as of the end of such plan year.

(2) Application of balances

A prefunding balance and a funding standard carryover balance maintained pursuant to this paragraph—

(A) shall be available for crediting against the minimum required contribution, pursuant to an election under paragraph (3), (B) shall be applied as a reduction in the amount treated as the value of plan assets for purposes of this section, to the extent provided in paragraph (4), and
(C) may be reduced at any time, pursuant to an election under paragraph (5).

(3) Election to apply balances against minimum required contribution

(A) In general

Except as provided in subparagraphs (B) and (C), in the case of any plan year in which the plan sponsor elects to credit against the minimum required contribution for the current plan year all or a portion of the prefunding balance or the funding standard carryover balance for the current plan year (not in excess of such minimum required contribution), the minimum required contribution for the plan year shall be reduced as of the first day of the plan year by the amount so credited by the plan sponsor. For purposes of the preceding sentence, the min-
imum required contribution shall be determined after taking into account any waiver under section 1082(c) of this title.

(B) Coordination with funding standard carryover balance

To the extent that any plan has a funding standard carryover balance greater than zero, no amount of the prefunding balance of such plan may be credited under this paragraph in reducing the minimum required contribution.

(C) Limitation for underfunded plans

The preceding provisions of this paragraph shall not apply for any plan year if the ratio (expressed as a percentage) which—

(i) the value of plan assets for the preceding plan year (as reduced under paragraph (4)(C)), bears to

(ii) the funding target of the plan for the preceding plan year (determined without regard to subsection (i)(1)),

is less than 80 percent. In the case of plan years beginning in 2008, the ratio under this subparagraph may be determined using such methods of estimation as the Secretary of the Treasury may prescribe.

(D) Special rule for certain years of plans maintained by charities

(i) In general

For purposes of applying subparagraph (C) for plan years beginning after August 31, 2009, and before September 1, 2011, the ratio determined under such subparagraph for the preceding plan year shall be the greater of—

(I) such ratio, as determined without regard to this subparagraph, or

(II) the ratio for such plan for the plan year beginning after August 31, 2007, and before September 1, 2008, as determined under rules prescribed by the Secretary of the Treasury.

(ii) Special rule

In the case of a plan for which the valuation date is not the first day of the plan year—

(I) clause (i) shall apply to plan years beginning after December 31, 2008, and before January 1, 2011, and

(II) clause (i)(II) shall apply based on the last plan year beginning before September 1, 2007, as determined under rules prescribed by the Secretary of the Treasury.

(iii) Limitation to charities

This subparagraph shall not apply to any plan unless such plan is maintained exclusively by one or more organizations described in section 501(c)(3) of title 26.

(4) Effect of balances on amounts treated as value of plan assets

In the case of any plan maintaining a prefunding balance or a funding standard carryover balance pursuant to this subsection, the amount treated as the value of plan assets shall be deemed to be such amount, reduced as provided in the following subparagraphs:

(A) Applicability of shortfall amortization base

For purposes of subsection (c)(5), the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance, but only if an election is made under paragraph (3) applying any portion of the prefunding balance in reducing the minimum required contribution in effect for the plan year.

(B) Determination of excess assets, funding shortfall, and funding target attainment percentage

(i) In general

For purposes of subsections (a), (c)(4)(B), and (d)(2)(A), the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance and the funding standard carryover balance.

(ii) Special rule for certain binding agreements with PBGC

For purposes of subsection (c)(4)(B), the value of plan assets shall not be deemed to be reduced for a plan year by the amount of the specified balance if, with respect to such balance, there is in effect for a plan year a binding written agreement with the Pension Benefit Guaranty Corporation which provides that such balance is not available to reduce the minimum required contribution for the plan year. For purposes of the preceding sentence, the term “specified balance” means the prefunding balance or the funding standard carryover balance, as the case may be.

(C) Availability of balances in plan year for crediting against minimum required contribution

For purposes of paragraph (3)(C)(i) of this subsection, the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance.

(5) Election to reduce balance prior to determinations of value of plan assets and crediting against minimum required contribution

(A) In general

The plan sponsor may elect to reduce by any amount the balance of the prefunding balance and the funding standard carryover balance for any plan year (but not below zero). Such reduction shall be effective prior to any determination of the value of plan assets for such plan year under this section and application of the balance in reducing the minimum required contribution for such plan for such plan year pursuant to an election under paragraph (2).

(B) Coordination between prefunding balance and funding standard carryover balance

To the extent that any plan has a funding standard carryover balance greater than zero, no election may be made under subparagraph (A) with respect to the prefunding balance.
§ 1083

(6) Prefunding balance

(A) In general

A prefunding balance maintained by a plan shall consist of a beginning balance of zero, increased and decreased to the extent provided in subparagraphs (B) and (C), and adjusted further as provided in paragraph (8).

(B) Increases

(i) In general

As of the first day of each plan year beginning after 2008, the prefunding balance of a plan shall be increased by the amount elected by the plan sponsor for the plan year. Such amount shall not exceed the excess (if any) of—

(I) the aggregate total of employer contributions to the plan for the preceding plan year, over—

(II) the minimum required contribution for such preceding plan year.

(ii) Adjustments for interest

Any excess contributions under clause (i) shall be properly adjusted for interest accruing for the periods between the first day of the current plan year and the dates on which the excess contributions were made, determined by using the effective interest rate for the preceding plan year and by treating contributions as being first used to satisfy the minimum required contribution.

(iii) Certain contributions necessary to avoid benefit limitations disregarded

The excess described in clause (i) with respect to any preceding plan year shall be reduced (but not below zero) by the amount of contributions an employer would be required to make under paragraph (1), (2), or (4) of section 1056(g) of this title to avoid a benefit limitation which would otherwise be imposed under such paragraph for the preceding plan year. Any contribution which may be taken into account in satisfying the requirements of more than 1 of such paragraphs shall be taken into account only once for purposes of this clause.

(C) Decrease

The prefunding balance of a plan shall be decreased (but not below zero) by—

(i) as of the first day of each plan year after 2008, the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

(ii) as of the time specified in paragraph (5)(A), any reduction in such balance elected under paragraph (5).

(7) Funding standard carryover balance

(A) In general

A funding standard carryover balance maintained by a plan shall consist of a beginning balance determined under subparagraph (B), decreased to the extent provided in subparagraph (C), and adjusted further as provided in paragraph (8).

(B) Beginning balance

The beginning balance of the funding standard carryover balance shall be the positive balance described in paragraph (1)(B)(ii)(II).

(C) Decreases

The funding standard carryover balance of a plan shall be decreased (but not below zero) by—

(i) as of the first day of each plan year after 2008, the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

(ii) as of the time specified in paragraph (5)(A), any reduction in such balance elected under paragraph (5).

(8) Adjustments for investment experience

In determining the prefunding balance or the funding standard carryover balance of a plan as of the first day of the plan year, the plan sponsor shall, in accordance with regulations prescribed by the Secretary of the Treasury, adjust such balance to reflect the rate of return on plan assets for the preceding plan year. Notwithstanding subsection (g)(3), such rate of return shall be determined on the basis of fair market value and shall properly take into account, in accordance with such regulations, all contributions, distributions, and other plan payments made during such period.

(9) Elections

Elections under this subsection shall be made at such times, and in such form and manner, as shall be prescribed in regulations of the Secretary of the Treasury.

(g) Valuation of plan assets and liabilities

(1) Timing of determinations

Except as otherwise provided under this subsection, all determinations under this section for a plan year shall be made as of the valuation date of the plan for such plan year.

(2) Valuation date

For purposes of this section—

(A) In general

Except as provided in subparagraph (B), the valuation date of a plan for any plan year shall be the first day of the plan year.

(B) Exception for small plans

If, on each day during the preceding plan year, a plan had 100 or fewer participants, the plan may designate any day during the plan year as its valuation date for such plan year and succeeding plan years. For purposes of this subparagraph, all defined benefit plans which are single-employer plans and are maintained by the same employer (or any member of such employer’s controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account.

(C) Application of certain rules in determination of plan size

For purposes of this paragraph—

(i) Plans not in existence in preceding year

In the case of the first plan year of any plan, subparagraph (B) shall apply to such...
plan by taking into account the number of participants that the plan is reasonably expected to have on days during such first plan year.

(ii) Predecessors

Any reference in subparagraph (B) to an employer shall include a reference to any predecessor of such employer.

(3) Determination of value of plan assets

For purposes of this section—

(A) In general

Except as provided in subparagraph (B), the value of plan assets shall be the fair market value of the assets.

(B) Averaging allowed

A plan may determine the value of plan assets on the basis of the averaging of fair market values, but only if such method—

(i) is permitted under regulations prescribed by the Secretary of the Treasury,

(ii) does not provide for averaging of such values over more than the period beginning on the last day of the 25th month preceding the month in which the valuation date occurs and ending on the valuation date (or a similar period in the case of a valuation date which is not the 1st day of a month), and

(iii) does not result in a determination of the value of plan assets which, at any time, is lower than 90 percent or greater than 110 percent of the fair market value of such assets at such time.

Any such averaging shall be adjusted for contributions, distributions, and expected earnings (as determined by the plan’s actuary on the basis of an assumed earnings rate specified by the actuary but not in excess of the third segment rate applicable under subsection (h)(2)(C)(iii)), as specified by the Secretary of the Treasury.

(4) Accounting for contribution receipts

For purposes of determining the value of assets under paragraph (3)—

(A) Prior year contributions

If—

(i) an employer makes any contribution to the plan after the valuation date for the plan year in which the contribution is made, and

(ii) the contribution is for a preceding plan year,

the contribution shall be taken into account as an asset of the plan as of the valuation date, except that in the case of any plan year beginning after 2008, only the present value (determined as of the valuation date) of such contribution may be taken into account. For purposes of the preceding sentence, present value shall be determined using the effective interest rate for the preceding plan year to which the contribution is properly allocable.

(B) Special rule for current year contributions made before valuation date

If any contributions for any plan year are made to or under the plan during the plan year but before the valuation date for the plan year, the assets of the plan as of the valuation date shall not include—

(1) such contributions, and

(ii) interest on such contributions for the period between the date of the contributions and the valuation date, determined by using the effective interest rate for the plan year.

(h) Actuarial assumptions and methods

(1) In general

Subject to this subsection, the determination of any present value or other computation under this section shall be made on the basis of actuarial assumptions and methods—

(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

(B) which, in combination, offer the actuary’s best estimate of anticipated experience under the plan.

(2) Interest rates

(A) Effective interest rate

For purposes of this section, the term “effective interest rate” means, with respect to any plan for any plan year, the single rate of interest which, if used to determine the present value of the plan’s accrued or earned benefits referred to in subsection (d)(1), would result in an amount equal to the funding target of the plan for such plan year.

(B) Interest rates for determining funding target

For purposes of determining the funding target and normal cost of a plan for any plan year, the interest rate used in determining the present value of the benefits of the plan shall be—

(i) in the case of benefits reasonably determined to be payable during the 5-year period beginning on the first day of the plan year, the first segment rate with respect to the applicable month,

(ii) in the case of benefits reasonably determined to be payable during the 15-year period beginning at the end of the period described in clause (i), the second segment rate with respect to the applicable month, and

(iii) in the case of benefits reasonably determined to be payable after the period described in clause (ii), the third segment rate with respect to the applicable month.

(C) Segment rates

For purposes of this paragraph—

(i) First segment rate

The term “first segment rate” means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 5-year period commencing with such month.

(ii) Second segment rate

The term “second segment rate” means, with respect to any month, the single rate
§ 1083 of interest which shall be determined by
the Secretary of the Treasury for such month on the basis of the corporate bond
yield curve for such month, taking into account only that portion of such yield curve
which is based on bonds maturing during the 15-year period beginning at the end of
the period described in clause (i).

(iii) Third segment rate

The term "third segment rate" means, with respect to any month, the single rate
of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 15-year period beginning at the end of the period described in clause (i).

(D) Corporate bond yield curve

For purposes of this paragraph—

(i) In general

The term "corporate bond yield curve" means, with respect to any month, a yield curve which is prescribed by the Secretary of the Treasury for such month and which reflects the average, for the 24-month period ending with the month preceding such month, of monthly yields on investment grade corporate bonds with varying maturities and that are in the top 3 quality levels available.

(ii) Election to use yield curve

Solely for purposes of determining the minimum required contribution under this section, the plan sponsor may, in lieu of the segment rates determined under subparagraph (C), elect to use interest rates under the corporate bond yield curve. For purposes of the preceding sentence such curve shall be determined without regard to the 24-month averaging described in clause (i). Such election, once made, may be revoked only with the consent of the Secretary of the Treasury.

(E) Applicable month

For purposes of this paragraph, the term "applicable month" means, with respect to any plan for any plan year, the month which includes the valuation date of such plan for such plan year or, at the election of the plan sponsor, any of the 4 months which precede such month. Any election made under this subparagraph shall apply to the plan year for which the election is made and all succeeding plan years, unless the election is revoked with the consent of the Secretary of the Treasury.

(F) Publication requirements

The Secretary of the Treasury shall publish for each month the corporate bond yield curve (and the corporate bond yield curve reflecting the modification described in section 1055(g)(3)(B)(ii)(I) of this title for such month) and each of the rates determined under subparagraph (C) for such month. The Secretary of the Treasury shall also publish a description of the methodology used to determine such yield curve and such rates which is sufficiently detailed to enable plans to make reasonable projections regarding the yield curve and such rates for future months based on the plan’s projection of future interest rates.

(G) Transition rule

(i) In general

Notwithstanding the preceding provisions of this paragraph, for plan years beginning in 2008 or 2009, the first, second, or third segment rate for a plan with respect to any month shall be equal to the sum of—

(I) the product of such rate for such month determined without regard to this subparagraph, multiplied by the applicable percentage, and

(II) the product of the rate determined under the rules of section 1082(b)(5)(B)(ii)(II) of this title (as in effect for plan years beginning in 2007), multiplied by a percentage equal to 100 percent minus the applicable percentage.

(ii) Applicable percentage

For purposes of clause (i), the applicable percentage is 33\(\frac{1}{3}\) percent for plan years beginning in 2008 and 66\(\frac{2}{3}\) percent for plan years beginning in 2009.

(iii) New plans ineligible

Clause (i) shall not apply to any plan if the first plan year of the plan begins after December 31, 2007.

(iv) Election

The plan sponsor may elect not to have this subparagraph apply. Such election, once made, may be revoked only with the consent of the Secretary of the Treasury.

(3) Mortality tables

(A) In general

Except as provided in subparagraph (C) or (D), the Secretary of the Treasury shall by regulation prescribe mortality tables to be used in determining any present value or making any computation under this section. Such tables shall be based on the actual experience of pension plans and projected trends in such experience. In prescribing such tables, the Secretary of the Treasury shall take into account results of available independent studies of mortality of individuals covered by pension plans.

(B) Periodic revision

The Secretary of the Treasury shall (at least every 10 years) make revisions in any table in effect under subparagraph (A) to reflect the actual experience of pension plans and projected trends in such experience.

(C) Substitute mortality table

(i) In general

Upon request by the plan sponsor and approval by the Secretary of the Treasury, a mortality table which meets the requirements of clause (iii) shall be used in deter-
(v) Deadline for submission and disposition

(i) Submission

The plan sponsor shall submit a mortality table to the Secretary of the Treasury for approval under this subparagraph at least 7 months before the 1st day of the period described in clause (i).

(ii) Disposition

Any mortality table submitted to the Secretary of the Treasury for approval under this subparagraph shall be treated as in effect as of the 1st day of the period described in clause (i) unless the Secretary of the Treasury, during the 180-day period beginning on the date of such submission, disapproves of such table and provides the reasons that such table fails to meet the requirements of clause (iii). The 180-day period shall be extended upon mutual agreement of the Secretary of the Treasury and the plan sponsor.

(D) Separate mortality tables for the disabled

Notwithstanding subparagraph (A)—

(i) In general

The Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under subparagraph (A)) under this subsection for individuals who are entitled to benefits under the plan on account of disability. The Secretary of the Treasury shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

(ii) Special rule for disabilities occurring after 1994

In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under clause (i) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act [42 U.S.C. 401 et seq.] and the regulations thereunder.

(iii) Periodic revision

The Secretary of the Treasury shall (at least every 10 years) make revisions in any table in effect under clause (i) to reflect the actual experience of pension plans and projected trends in such experience.

(4) Probability of benefit payments in the form of lump sums or other optional forms

For purposes of determining any present value or making any computation under this section, there shall be taken into account—

(A) the probability that future benefit payments under the plan will be made in the form of optional forms of benefits provided under the plan (including lump sum distributions, determined on the basis of the plan’s experience and other related assumptions), and

(B) any difference in the present value of such future benefit payments resulting from the use of actuarial assumptions, in determining benefit payments in any such optional form of benefits, which are different from those specified in this subsection.

(5) Approval of large changes in actuarial assumptions

(A) In general

No actuarial assumption used to determine the funding target for a plan to which this paragraph applies may be changed without the approval of the Secretary of the Treasury.

(B) Plans to which paragraph applies

This paragraph shall apply to a plan only if—

(i) the plan is a single-employer plan to which subchapter III applies,
§ 1083

(i) Special rules for at-risk plans

(1) Funding target for plans in at-risk status

(A) In general

In the case of a plan which is in at-risk status for a plan year, the funding target of the plan for the plan year shall be equal to the sum of—

(i) the present value of all benefits accrued or earned under the plan as of the beginning of the plan year, as determined by using the additional actuarial assumptions described in subparagraph (B),

(ii) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds $50,000,000, or that exceeds $5,000,000 and that is 5 percent or more of the funding target of the plan before such change.

(B) Additional actuarial assumptions

The actuarial assumptions described in this subparagraph are as follows:

(i) All employees who are not otherwise assumed to retire as of the valuation date but who will be eligible to elect benefits during the plan year and the 10 succeeding plan years shall be assumed to retire at the earliest retirement date under the plan but not before the end of the plan year for which the at-risk funding target and at-risk target normal cost are being determined.

(ii) All employees shall be assumed to elect the retirement benefit available under the plan at the assumed retirement age (determined after application of clause (i)) which would result in the highest present value of benefits.

(C) Loading factor

The loading factor applied with respect to a plan under this paragraph for any plan year is the sum of—

(i) $700, times the number of participants in the plan, plus

(ii) 4 percent of the funding target (determined without regard to this paragraph) of the plan for the plan year.

(2) Target normal cost of at-risk plans

In the case of a plan which is in at-risk status for a plan year, the target normal cost of the plan for such plan year shall be equal to the sum of—

(A) the excess of—

(i) the sum of—

(I) the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year, determined using the additional actuarial assumptions described in paragraph (1)(B),

(II) the amount of plan-related expenses expected to be paid from plan assets during the plan year, over

(ii) the amount of mandatory employee contributions expected to be made during the plan year, plus

(B) in the case of a plan which also has been in at-risk status for at least 2 of the 4 preceding plan years, a loading factor equal to 4 percent of the amount determined under subsection (b)(1)(A)(i) with respect to the plan for the plan year.

(3) Minimum amount

In no event shall—

(A) the at-risk funding target be less than the funding target, as determined without regard to this subsection, or

(B) the at-risk target normal cost be less than the target normal cost, as determined without regard to this subsection.

(4) Determination of at-risk status

For purposes of this subsection—

(A) In general

A plan is in at-risk status for a plan year if—

(i) the funding target attainment percentage for the preceding plan year (determined under this section without regard to this subsection) is less than 80 percent, and

(ii) the funding target attainment percentage for the preceding plan year (determined under this section by using the additional actuarial assumptions described in paragraph (1)(B) in computing the funding target) is less than 70 percent.

(B) Transition rule

In the case of plan years beginning in 2006, 2009, and 2010, subparagraph (A)(i) shall be applied by substituting the following percentages for “80 percent”:

(i) 65 percent in the case of 2008,

(ii) 70 percent in the case of 2009,

(iii) 75 percent in the case of 2010.

In the case of plan years beginning in 2008, the funding target attainment percentage for the preceding plan year under subparagraph (A) may be determined using such methods of estimation as the Secretary of the Treasury may provide.

(C) Special rule for employees offered early retirement in 2006

(i) In general

For purposes of subparagraph (A)(ii), the additional actuarial assumptions described in paragraph (1)(B) shall not be taken into account with respect to any employee if—
(I) such employee is employed by a specified automobile manufacturer,
(II) such employee is offered a substantial amount of additional cash compensation, substantially enhanced retirement benefits under the plan, or materially reduced employment duties on the condition that by a specified date (not later than December 31, 2010) the employee retires (as defined under the terms of the plan),
(III) such offer is made during 2006 and pursuant to a bona fide retirement incentive program and requires, by the terms of the offer, that such offer can be accepted not later than a specified date (not later than December 31, 2006), and
(IV) such employee does not elect to accept such offer before the specified date on which the offer expires.

(ii) Specified automobile manufacturer
For purposes of clause (i), the term ‘specified automobile manufacturer’ means—
(I) any manufacturer of automobiles, and
(II) any manufacturer of automobile parts which supplies such parts directly to a manufacturer of automobiles and which, after a transaction or series of transactions ending in 1999, ceased to be a member of a controlled group which included such manufacturer of automobiles.

(5) Transition between applicable funding targets and between applicable target normal costs

(A) In general
In any case in which a plan which is in at-risk status for a plan year has been in such status for a consecutive period of fewer than 5 plan years, the applicable amount of the funding target and of the target normal cost shall be, in lieu of the amount determined without regard to this paragraph, the sum of—
(i) the amount determined under this section without regard to this subsection, plus
(ii) the transition percentage for such plan year of the excess of the amount determined under this subsection (without regard to this paragraph) over the amount determined under this section without regard to this subsection.

(B) Transition percentage
For purposes of subparagraph (A), the transition percentage shall be determined in accordance with the following table:

<table>
<thead>
<tr>
<th>Years (including the plan year)</th>
<th>The transition percentage is—</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>20</td>
</tr>
<tr>
<td>2</td>
<td>40</td>
</tr>
<tr>
<td>3</td>
<td>60</td>
</tr>
<tr>
<td>4</td>
<td>80</td>
</tr>
</tbody>
</table>

(C) Years before effective date
For purposes of this paragraph, plan years beginning before 2008 shall not be taken into account.

(6) Small plan exception
If, on each day during the preceding plan year, a plan had 500 or fewer participants, the plan shall not be treated as in at-risk status for the plan year. For purposes of this paragraph, all defined benefit plans (other than multiemployer plans) maintained by the same employer (or any member of such employer’s controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account and the rules of subsection (g)(2)(C) shall apply.

(j) Payment of minimum required contributions

(1) In general
For purposes of this section, the due date for any payment of any minimum required contribution for any plan year shall be 81⁄2 months after the close of the plan year.

(2) Interest
Any payment required under paragraph (1) for a plan year that is made on a date other than the valuation date for such plan year shall be adjusted for interest accruing for the period between the valuation date and the payment date, at the effective rate of interest for the plan for such plan year.

(3) Accelerated quarterly contribution schedule for underfunded plans

(A) Failure to timely make required installment
In any case in which the plan has a funding shortfall for the preceding plan year, the employer maintaining the plan shall make the required installments under this paragraph and if the employer fails to pay the full amount of a required installment for the plan year, then the amount of interest charged under paragraph (2) on the underpayment for the period of underpayment shall be determined by using a rate of interest equal to the rate otherwise used under paragraph (2) plus 5 percentage points. In the case of plan years beginning in 2008, the funding shortfall for the preceding plan year may be determined using such methods of estimation as the Secretary of the Treasury may provide.

(B) Amount of underpayment, period of underpayment
For purposes of subparagraph (A)—
(i) Amount
The amount of the underpayment shall be the excess of—
(I) the required installment, over
(II) the amount (if any) of the installment contributed to or under the plan on or before the due date for the installment.

(ii) Period of underpayment
The period for which any interest is charged under this paragraph with respect
to any portion of the underpayment shall run from the due date for the installment to the date on which such portion is contributed to or under the plan.

(iii) Order of crediting contributions
For purposes of clause (i)(II), contributions shall be credited against unpaid required installments in the order in which such installments are required to be paid.

(C) Number of required installments; due dates
For purposes of this paragraph—

(i) Payable in 4 installments
There shall be 4 required installments for each plan year.

(ii) Time for payment of installments
The due dates for required installments are set forth in the following table:

<table>
<thead>
<tr>
<th>In the case of the following required installment:</th>
<th>The due date is:</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st</td>
<td>April 15</td>
</tr>
<tr>
<td>2nd</td>
<td>July 15</td>
</tr>
<tr>
<td>3rd</td>

</tr>
<tr>
<td>4th</td>
<td>January 15 of the following year.</td>
</tr>
</tbody>
</table>

(D) Amount of required installment
For purposes of this paragraph—

(i) In general
The amount of any required installment shall be 25 percent of the required annual payment.

(ii) Required annual payment
For purposes of clause (i), the term “required annual payment” means the lesser of—

(I) 90 percent of the minimum required contribution (determined without regard to this subsection) to the plan for the plan year under this section, or
(II) 100 percent of the minimum required contribution (determined without regard to this subsection or to any waiver under section 1082(c) of this title) to the plan for the preceding plan year.

Subclause (II) shall not apply if the preceding plan year referred to in such clause was not a year of 12 months.

(E) Fiscal years, short years, and years with alternate valuation date

(i) Fiscal years
In applying this paragraph to a plan year beginning on any date other than January 1, there shall be substituted for the months specified in this paragraph, the months which correspond thereto.

(ii) Short plan year
This subparagraph shall be applied to plan years of less than 12 months in accordance with regulations prescribed by the Secretary of the Treasury.

(iii) Plan with alternate valuation date
The Secretary of the Treasury shall prescribe regulations for the application of this paragraph in the case of a plan which has a valuation date other than the first day of the plan year.

(F) Quarterly contributions not to include certain increased contributions
Subparagraph (D) shall be applied without regard to any increase under subsection (c)(7).

(4) Liquidity requirement in connection with quarterly contributions

(A) In general
A plan to which this paragraph applies shall be treated as failing to pay the full amount of any required installment under paragraph (3) to the extent that the value of the liquid assets paid in such installment is less than the liquidity shortfall (whether or not such liquidity shortfall exceeds the amount of such installment required to be paid but for this paragraph).

(B) Plans to which paragraph applies
This paragraph shall apply to a plan (other than a plan described in subsection (g)(2)(B)) which—

(i) is required to pay installments under paragraph (3) for a plan year, and
(ii) has a liquidity shortfall for any quarter during such plan year.

(C) Period of underpayment
For purposes of paragraph (3)(A), any portion of an installment that is treated as not paid under subparagraph (A) shall continue to be treated as unpaid until the close of the quarter in which the due date for such installment occurs.

(D) Limitation on increase
If the amount of any required installment is increased by reason of subparagraph (A), in no event shall such increase exceed the amount which, when added to prior installments for the plan year, is necessary to increase the funding target attainment percentage of the plan for the plan year (taking into account the expected increase in funding target due to benefits accruing or earned during the plan year) to 100 percent.

(E) Definitions
For purposes of this paragraph—

(i) Liquidity shortfall
The term “liquidity shortfall” means, with respect to any required installment, an amount equal to the excess (as of the last day of the quarter for which such installment is made) of—

(I) the base amount with respect to such quarter, over
(II) the value (as of such last day) of the plan’s liquid assets.

(ii) Base amount

(I) In general
The term “base amount” means, with respect to any quarter, an amount equal to 3 times the sum of the adjusted disbursements from the plan for the 12 months ending on the last day of such quarter.
(II) Special rule

If the amount determined under subclause (I) exceeds an amount equal to 2 times the sum of the adjusted disbursements from the plan for the 36 months ending on the last day of the quarter and an enrolled actuary certifies to the satisfaction of the Secretary of the Treasury that such excess is the result of nonrecurring circumstances, the base amount with respect to such quarter shall be determined without regard to amounts related to those nonrecurring circumstances.

(iii) Disbursements from the plan

The term "disbursements from the plan" means all disbursements from the trust, including purchases of annuities, payments of single sums and other benefits, and administrative expenses.

(iv) Adjusted disbursements

The term "adjusted disbursements" means disbursements from the plan reduced by the product of—

(I) the plan’s funding target attainment percentage for the plan year, and

(II) the sum of the purchases of annuities, payments of single sums, and such other disbursements as the Secretary of the Treasury shall provide in regulations.

(v) Liquid assets

The term "liquid assets" means cash, marketable securities, and such other assets as specified by the Secretary of the Treasury in regulations.

(vi) Quarter

The term "quarter" means, with respect to any required installment, the 3-month period preceding the month in which the due date for such installment occurs.

The Secretary of the Treasury may prescribe such regulations as are necessary to carry out this paragraph.

(k) Imposition of lien where failure to make required contributions

(1) In general

In the case of a plan to which this subsection applies (as provided under paragraph (2)), if—

(A) any person fails to make a contribution payment required by section 1082 of this title and this section before the due date for such payment, and

(B) the unpaid balance of such payment (including interest), when added to the aggregate unpaid balance of all preceding such payments for which payment was not made before the due date (including interest), exceeds $1,000,000,

then there shall be a lien in favor of the plan in the amount determined under paragraph (3) upon all property and rights to property, whether real or personal, belonging to such person and any other person who is a member of the same controlled group of which such person is a member.

(2) Plans to which subsection applies

This subsection shall apply to a single-employer plan covered under section 1321 of this title for any plan year for which the funding target attainment percentage (as defined in subsection (d)(2)) of such plan is less than 100 percent.

(3) Amount of lien

For purposes of paragraph (1), the amount of the lien shall be equal to the aggregate unpaid balance of contribution payments required under this section and section 1082 of this title for which payment has not been made before the due date.

(4) Notice of failure; lien

(A) Notice of failure

A person committing a failure described in paragraph (1) shall notify the Pension Benefit Guaranty Corporation of such failure within 10 days of the due date for the required contribution payment.

(B) Period of lien

The lien imposed by paragraph (1) shall arise on the due date for the required contribution payment and shall continue until the last day of the first plan year in which the plan ceases to be described in paragraph (1)(B). Such lien shall continue to run without regard to whether such plan continues to be described in paragraph (2) during the period referred to in the preceding sentence.

(C) Certain rules to apply

Any amount with respect to which a lien is imposed under paragraph (1) shall be treated as taxes due and owing the United States and rules similar to the rules of subsections (c), (d), and (e) of section 1368 of this title shall apply with respect to a lien imposed by subsection (a) and the amount with respect to such lien.

(5) Enforcement

Any lien created under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Pension Benefit Guaranty Corporation, by the contributing sponsor (or any member of the controlled group of the contributing sponsor).

(6) Definitions

For purposes of this subsection—

(A) Contribution payment

The term "contribution payment" means, in connection with a plan, a contribution payment required to be made to the plan, including any required installment under paragraphs (3) and (4) of subsection (j).

(B) Due date; required installment

The terms "due date" and "required installment" have the meanings given such terms by subsection (j).

L. 109–280 to which the amendment relates, except as otherwise provided, see section 112 of Pub. L. 110–458, set out as a note under section 72 of Title 26, Internal Revenue Code.

Amendment by section 121(a) of Pub. L. 110–458 effective as if included in the provisions of Pub. L. 109–280 to which the amendment relates, see section 121(c) of Pub. L. 110–458, set out as a note under section 430 of Title 26, Internal Revenue Code.

Amendment by section 202(a) of Pub. L. 110–458 applicable as if included in the enactment of this section,
(a) In general

For purposes of section 1082 of this title, the accumulated funding deficiency of a multiemployer plan for any plan year is—

(1) except as provided in paragraph (2), the amount, determined as of the end of the plan year, equal to the excess (if any) of the total charges to the funding standard account of the plan for all plan years (beginning with the first plan year for which this part applies to the plan) over the total credits to such account for such years, and

(2) if the multiemployer plan is in reorganization for any plan year, the accumulated funding deficiency of the plan determined under section 1423 of this title.

(b) Funding standard account

(1) Account required

Each multiemployer plan to which this part applies shall establish and maintain a funding standard account. Such account shall be credited and charged solely as provided in this section.

(2) Charges to account

For a plan year, the funding standard account shall be charged with the sum of—

(A) the normal cost of the plan for the plan year,

(B) the amounts necessary to amortize in equal annual installments (until fully amortized)—

(i) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(ii) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

B) the amounts necessary to amortize in equal annual installments (until fully amortized) over a period of 5 plan years any amount credited to the funding standard account under section 1082(b)(3)(D) of this title (as in effect on the day before August 17, 2006), and

(E) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 20 years the contributions which would be required to be made under the plan but for the provisions of section 1082(c)(3) of this title (as in effect on the day before August 17, 2006).

(3) Credits to account

For a plan year, the funding standard account shall be credited with the sum of—

(A) the amount considered contributed by the employer to or under the plan for the plan year,

(B) the amount necessary to amortize in equal annual installments (until fully amortized)—

(i) separately, with respect to each plan year, the net decrease (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(ii) separately, with respect to each plan year, the net decrease (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(ii) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(D) in the case of a plan year for which the accumulated funding deficiency is determined under the funding standard account if such plan year follows a plan year for which such deficiency was determined under the alternative minimum funding standard under section 1085 of this title (as in effect on the day before August 17, 2006), the excess (if any) of any debit balance in the funding
standard account (determined without regard to this subparagraph) over any debit balance in the alternative minimum funding standard account.

(4) Special rule for amounts first amortized in plan years before 2008

In the case of any amount amortized under section 1082(b) of this title (as in effect on the day before August 17, 2006) over any period beginning with a plan year beginning before 2008, in lieu of the amortization described in paragraphs (2)(B) and (3)(B), such amount shall continue to be amortized under such section as so in effect.

(5) Combining and offsetting amounts to be amortized

Under regulations prescribed by the Secretary of the Treasury, amounts required to be amortized under paragraph (2) or paragraph (3), as the case may be—

(A) may be combined into one amount under such paragraph to be amortized over a period determined on the basis of the remaining amortization period for all items entering into such combined amount, and

(B) may be offset against amounts required to be amortized under the other such paragraph, with the resulting amount to be amortized over a period determined on the basis of the remaining amortization periods for all items entering into whichever of the two amounts being offset is the greater.

(6) Interest

The funding standard account (and items therein) shall be charged or credited (as determined under regulations prescribed by the Secretary of the Treasury) with interest at the rates of interest used under the plan to deter-

graph (C) is met may treat the portion of any experience loss or gain attributable to net investment losses incurred in either or both of the first two plan years ending after August 31, 2008, as an item separate from other experience losses, to be amortized in equal annual installments (until fully amortized) over the period—

(I) beginning with the plan year in which such portion is first recognized in the actuarial value of assets, and

(II) ending with the last plan year in the 30-plan year period beginning with the plan year in which such net investment loss was incurred.

(ii) Coordination with extensions

If this subparagraph applies for any plan year—

(I) no extension of the amortization period under clause (i) shall be allowed under subsection (d), and

(II) if an extension was granted under subsection (d) for any plan year before the election to have this subparagraph apply to the plan year, such extension shall not result in such amortization period exceeding 30 years.

(iii) Net investment losses

For purposes of this subparagraph—

(I) In general

Net investment losses shall be determined in the manner prescribed by the Secretary of the Treasury on the basis of the difference between actual and expected returns (including any difference attributable to any criminally fraudulent investment arrangement).

(II) Criminally fraudulent investment arrangements

The determination as to whether an arrangement is a criminally fraudulent investment arrangement shall be made under rules substantially similar to the rules prescribed by the Secretary of the Treasury for purposes of section 165 of title 26.

(B) Expanded smoothing period

(i) In general

A multiemployer plan with respect to which the solvency test under subparagraph (C) is met may change its asset valuation method in a manner which—

(I) spreads the difference between expected and actual returns for either or both of the first 2 plan years ending after August 31, 2008, over a period of not more than 10 years,

(II) provides that for either or both of the first 2 plan years beginning after August 31, 2008, the value of plan assets at any time shall not be less than 80 percent or greater than 130 percent of the fair market value of such assets at such time, or

(III) makes both changes described in subclauses (I) and (II) to such method.

(ii) Asset valuation methods

If this subparagraph applies for any plan year—

(I) the Secretary of the Treasury shall not treat the asset valuation method of the plan as unreasonable solely because of the changes in such method described in clause (i), and

(II) such changes shall be deemed approved by such Secretary under section 1082(d)(1) of this title and section 412(d)(1) of title 26.

(iii) Amortization of reduction in unfunded accrued liability

If this subparagraph and subparagraph (A) both apply for any plan year, the plan shall treat any reduction in unfunded accrued liability resulting from the application of this subparagraph as a separate experience amortization base, to be amortized in equal annual installments (until fully amortized) over a period of 30 plan years rather than the period such liability would otherwise be amortized over.

(C) Solvency test

The solvency test under this paragraph is met only if the plan actuary certifies that the plan is projected to have sufficient assets to timely pay expected benefits and anticipated expenditures over the amortization period, taking into account the changes in the funding standard account under this paragraph.

(D) Restriction on benefit increases

If subparagraph (A) or (B) apply to a multiemployer plan for any plan year, then, in addition to any other applicable restrictions on benefit increases, a plan amendment increasing benefits may not go into effect during either of the 2 plan years immediately following such plan year unless—

(I) the plan actuary certifies that—

(a) any such increase is paid for out of additional contributions not allocated to the plan immediately before the application of this paragraph to the plan, and

(b) the plan’s funded percentage and projected credit balances for such 2 plan years are reasonably expected to be at least as high as such percentage and balances would have been if the benefit increase had not been adopted, or

(II) the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26 or to comply with other applicable law.

(E) Reporting

A plan sponsor of a plan to which this paragraph applies shall—

(I) give notice of such application to participants and beneficiaries of the plan, and

(II) inform the Pension Benefit Guaranty Corporation of such application in such form and manner as the Director of the Pension Benefit Guaranty Corporation may prescribe.

(c) Additional rules

(1) Determinations to be made under funding method

For purposes of this part, normal costs, accrued liability, past service liabilities, and ex-
perience gains and losses shall be determined under the funding method used to determine costs under the plan.

(2) Valuation of assets

(A) In general

For purposes of this part, the value of the plan’s assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary of the Treasury.

(B) Election with respect to bonds

The value of a bond or other evidence of indebtedness which is not in default as to principal or interest may, at the election of the plan administrator, be determined on an amortized basis running from initial cost at purchase to par value at maturity or earliest call date. Any election under this subparagraph shall be made at such time and in such manner as the Secretary of the Treasury shall by regulations provide, shall apply to all such evidences of indebtedness, and may be revoked only with the consent of such Secretary.

(3) Actuarial assumptions must be reasonable

For purposes of this section, all costs, liabilities, rates of interest, and other factors under the plan shall be determined on the basis of actuarial assumptions and methods—

(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

(B) which, in combination, offer the actuary’s best estimate of anticipated experience under the plan.

(4) Treatment of certain changes as experience gain or loss

For purposes of this section, if—

(A) a change in benefits under the Social Security Act [42 U.S.C. 301 et seq.] or in other retirement benefits created under Federal or State law, or

(B) a change in the definition of the term “wages” under section 3121 of title 26, or a change in the amount of such wages taken into account under regulations prescribed for purposes of section 401(a)(5) of title 26,

results in an increase or decrease in accrued liability under a plan, such increase or decrease shall be treated as an experience loss or gain.

(5) Full funding

If, as of the close of a plan year, a plan would (without regard to this paragraph) have an accumulated funding deficiency in excess of the full funding limitation—

(A) the funding standard account shall be credited with the amount of such excess, and

(B) all amounts described in subparagraphs (B), (C), and (D) of subsection (b)(2) and subparagraph (B) of subsection (b)(3) which are required to be amortized shall be considered fully amortized for purposes of such subparagraphs.

(6) Full-funding limitation

(A) In general

For purposes of paragraph (5), the term “full-funding limitation” means the excess of—

(i) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

(ii) the lesser of—

(I) the fair market value of the plan’s assets, or

(II) the value of such assets determined under paragraph (2).

(B) Minimum amount

(i) In general

In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

(I) 90 percent of the current liability of the plan (including the expected increase in current liability due to benefits accruing during the plan year), over

(II) the value of the plan’s assets determined under paragraph (2).

(ii) Assets

For purposes of clause (i), assets shall not be reduced by any credit balance in the funding standard account.

(C) Full funding limitation

For purposes of this paragraph, unless otherwise provided by the plan, the accrued liability under a multiemployer plan shall not include benefits which are not nonforfeitable under the plan after the termination of the plan (taking into consideration section 411(d)(3) of title 26).

(D) Current liability

For purposes of this paragraph—

(i) In general

The term “current liability” means all liabilities to employees and their beneficiaries under the plan.

(ii) Treatment of unpredictable contingent event benefits

For purposes of clause (i), any benefit contingent on an event other than—

(I) age, service, compensation, death, or disability, or

(II) an event which is reasonably and reliably predictable (as determined by the Secretary of the Treasury),

shall not be taken into account until the event on which the benefit is contingent occurs.

(iii) Interest rate used

The rate of interest used to determine current liability under this paragraph shall be the rate of interest determined under subparagraph (E).

(iv) Mortality tables

(I) Commissioners’ standard table

In the case of plan years beginning before the first plan year to which the first
tables prescribed under subclause (II) apply, the mortality table used in determining current liability under this paragraph shall be the table prescribed by the Secretary of the Treasury which is based on the prevailing commissioners’ standard table (described in section 807(d)(5)(A) of title 26) used to determine reserves for group annuity contracts issued on January 1, 1993.

(II) Secretarial authority

The Secretary of the Treasury may by regulation prescribe for plan years beginning after December 31, 1999, mortality tables to be used in determining current liability under this subsection. Such tables shall be based upon the actual experience of pension plans and projected trends in such experience. In prescribing such tables, such Secretary shall take into account results of available independent studies of mortality of individuals covered by pension plans.

(v) Separate mortality tables for the disabled

Notwithstanding clause (iv)—

(I) In general

The Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under clause (iv)) to determine current liability under this subsection for individuals who are entitled to benefits under the plan on account of disability. Such Secretary shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

(II) Special rule for disabilities occurring after 1994

In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under subclause (I) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act [42 U.S.C. 401 et seq.] and the regulations thereunder.

(vi) Periodic review

The Secretary of the Treasury shall periodically (at least every 5 years) review any tables in effect under this subparagraph and shall, to the extent such Secretary determines necessary, by regulation update the tables to reflect the actual experience of pension plans and projected trends in such experience.

(E) Required change of interest rate

For purposes of determining a plan’s current liability for purposes of this paragraph—

(i) In general

If any rate of interest used under the plan under subsection (b)(6) to determine cost is not within the permissible range, the plan shall establish a new rate of interest within the permissible range.

(ii) Permissible range

For purposes of this subparagraph—

(I) In general

Except as provided in subclause (II), the term “permissible range” means a rate of interest which is not more than 5 percent above, and not more than 10 percent below, the weighted average of the rates of interest on 30-year Treasury securities during the 4-year period ending on the last day before the beginning of the plan year.

(II) Secretarial authority

If the Secretary of the Treasury finds that the lowest rate of interest permissible under subclause (I) is unreasonably high, such Secretary may prescribe a lower rate of interest, except that such rate may not be less than 80 percent of the average rate determined under such subclause.

(iii) Assumptions

Notwithstanding paragraph (3)(A), the interest rate used under the plan shall be—

(I) determined without taking into account the experience of the plan and reasonable expectations, but

(II) consistent with the assumptions which reflect the purchase rates which would be used by insurance companies to satisfy the liabilities under the plan.

(7) Annual valuation

(A) In general

For purposes of this section, a determination of experience gains and losses and a valuation of the plan’s liability shall be made not less frequently than once every year, except that such determination shall be made more frequently to the extent required in particular cases under regulations prescribed by the Secretary of the Treasury.

(B) Valuation date

(i) Current year

Except as provided in clause (ii), the valuation referred to in subparagraph (A) shall be made as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year.

(ii) Use of prior year valuation

The valuation referred to in subparagraph (A) may be made as of a date within the plan year prior to the year to which the valuation refers if, as of such date, the value of the assets of the plan are not less than 100 percent of the plan’s current liability (as defined in paragraph (6)(D)) without regard to clause (iv) thereof.

(iii) Adjustments

Information under clause (ii) shall, in accordance with regulations, be actuarially adjusted to reflect significant differences in participants.
§ 1084

(4) Limitation

A change in funding method to use a prior year valuation, as provided in clause (ii), may not be made unless as of the valuation date within the prior plan year, the value of the assets of the plan are not less than 125 percent of the plan’s current liability (as defined in paragraph (6)(D) without regard to clause (iv) thereof).

(8) Time when certain contributions deemed made

For purposes of this section, any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this subparagraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary of the Treasury.

(d) Extension of amortization periods for multi-employer plans

(1) Automatic extension upon application by certain plans

(A) In general

If the plan sponsor of a multiemployer plan—

(i) submits to the Secretary of the Treasury an application for an extension of the period of years required to amortize any unfunded liability described in any clause of subsection (b)(2)(B) or described in subsection (b)(4), and

(ii) includes with the application a certification by the plan’s actuary described in subparagraph (B),

the Secretary of the Treasury shall extend the amortization period for the period of time (not in excess of 5 years) specified in the application. Such extension shall be in addition to any extension under paragraph (2).

(B) Criteria

A certification with respect to a multiemployer plan is described in this subparagraph if the plan’s actuary certifies that, based on reasonable assumptions—

(i) absent the extension under subparagraph (A) if such extension would carry out the purposes of this chapter and would provide adequate protection for participants under the plan and their beneficiaries, and

(ii) the failure to permit such extension would—

(I) result in a substantial risk to the voluntary continuation of the plan, or a substantial curtailment of pension benefit levels or employee compensation, and

(II) be adverse to the interests of plan participants in the aggregate.

(C) Action by Secretary of the Treasury

The Secretary of the Treasury shall act upon any application for an extension under this paragraph within 180 days of the submission of such application. If such Secretary rejects the application for an extension under this paragraph, such Secretary shall provide notice to the plan detailing the specific reasons for the rejection, including references to the criteria set forth above.

(3) Advance notice

(A) In general

The Secretary of the Treasury shall, before granting an extension under this subsection, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such extension to each affected party (as defined in section 1301(a)(21) of this title) with respect to the affected plan. Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under subchapter III and for benefit liabilities.

(B) Consideration of relevant information

The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under paragraph (1).

(1) if the plan is in endangered status—

(A) the plan sponsor shall adopt and implement a funding improvement plan in accordance with the requirements of subsection (c), and

(b) Determination of endangered and critical status

For purposes of this section—

(1) Endangered status

A multiemployer plan is in endangered status for a plan year if, as determined by the plan actuary under paragraph (3), the plan is not in critical status for the plan year and, as of the beginning of the plan year, either—

(A) the plan’s funded percentage for such plan year is less than 80 percent, or

(B) the plan has an accumulated funding deficiency for such plan year, or is projected to have such an accumulated funding deficiency for any of the 6 succeeding plan years, taking into account any extension of amortization periods under section 1084(d) of this title.

For purposes of this section, a plan shall be treated as in seriously endangered status for a
§ 1085

A multiemployer plan is in critical status for a plan year if, as determined by the plan actuary under paragraph (3), the plan is described in 1 or more of the following subparagraphs as of the beginning of the plan year:

(A) A plan is described in this subparagraph if—
   (i) the funded percentage of the plan is less than 65 percent, and
   (ii) the sum of—
   (I) the fair market value of plan assets, plus
   (II) the present value of the reasonably anticipated employer contributions for the current plan year and each of the 6 succeeding plan years, assuming that the terms of all collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years, is less than the present value of all nonforfeitable benefits projected to be payable under the plan during the current plan year and each of the 6 succeeding plan years (plus administrative expenses for such plan years).

(B) A plan is described in this subparagraph if—
   (i) the plan has an accumulated funding deficiency for the current plan year, not taking into account any extension of amortization periods under section 1084(d) of this title, or
   (ii) the plan is projected to have an accumulated funding deficiency for any of the 3 succeeding plan years (4 succeeding plan years if the funded percentage of the plan is 65 percent or less), not taking into account any extension of amortization periods under section 1084(d) of this title.

(C) A plan is described in this subparagraph if—
   (i) the plan’s normal cost for the current plan year, plus interest (determined at the rate used for determining costs under the plan) for the current plan year on the amount of unfunded benefit liabilities under the plan as of the last date of the preceding plan year, exceeds
   (II) the present value of the reasonably anticipated employer and employee contributions for the current plan year,
   (ii) the present value, as of the beginning of the current plan year, of nonforfeitable benefits of inactive participants is greater than the present value of nonforfeitable benefits of active participants, and
   (iii) the plan has an accumulated funding deficiency for the current plan year, or is projected to have such a deficiency for any of the 4 succeeding plan years, not taking into account any extension of amortization periods under section 1084(d) of this title.

(D) A plan is described in this subparagraph if the sum of—

(i) the fair market value of plan assets, plus
   (ii) the present value of the reasonably anticipated employer contributions for the current plan year and each of the 4 succeeding plan years (plus administrative expenses for such plan years).

(3) Annual certification by plan actuary

(A) In general

Not later than the 90th day of each plan year of a multiemployer plan, the plan actuary shall certify to the Secretary of the Treasury and to the plan sponsor—

(i) whether or not the plan is in endangered status for such plan year and whether or not the plan is or will be in critical status for such plan year, and

(ii) in the case of a plan which is in a funding improvement or rehabilitation period, whether or not the plan is making the scheduled progress in meeting the requirements of its funding improvement or rehabilitation plan.

(B) Actuarial projections of assets and liabilities

(i) In general

In making the determinations and projections under this subsection, the plan actuary shall make projections required for the current and succeeding plan years of the current value of the assets of the plan and the present value of all liabilities to participants and beneficiaries under the plan for the current plan year as of the beginning of such year. The actuary’s projections shall be based on reasonable actuarial estimates, assumptions, and methods that, except as provided in clause (iii), offer the actuary’s best estimate of anticipated experience under the plan. The projected present value of liabilities as of the beginning of such year shall be determined based on the most recent of either—

(I) the actuarial statement required under section 1023(d) of this title with respect to the most recently filed annual report, or

(II) the actuarial valuation for the preceding plan year.

(ii) Determinations of future contributions

Any actuarial projection of plan assets shall assume—

(I) reasonably anticipated employer contributions for the current and succeeding plan years, assuming that the terms of the one or more collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years, or

(II) the present value of the reasonably anticipated contributions for the current plan year and each of the 4 succeeding plan years (plus administrative expenses for such plan years).
(c) Funding improvement plan must be adopted
for multiemployer plans in endangered status

(1) In general

In any case in which a multiemployer plan is in endangered status for a plan year, the plan sponsor, in accordance with this subsection—

(A) shall adopt a funding improvement plan not later than 240 days following the required date for the actuarial certification of endangered status under subsection (b)(3)(A), and

(B) within 30 days after the adoption of the funding improvement plan—

(i) shall provide to the bargaining parties 1 or more schedules showing revised benefit structures, revised contribution structures, or both, which, if adopted, may reasonably be expected to enable the multiemployer plan to meet the applicable benchmarks in accordance with the funding improvement plan, including—

(I) one proposal for reductions in the amount of future benefit accruals necessary to achieve the applicable benchmarks, assuming no amendments increasing contributions under the plan (other than amendments increasing contributions necessary to achieve the applicable benchmarks after amendments have reduced future benefit accruals to the maximum extent permitted by law), and

(II) one proposal for increases in contributions under the plan necessary to achieve the applicable benchmarks, assuming no amendments reducing future benefit accruals under the plan, and

(ii) may, if the plan sponsor deems appropriate, prepare and provide the bargaining parties with additional information relating to contribution rates or benefit reductions, alternative schedules, or other information relevant to achieving the applicable benchmarks in accordance with the funding improvement plan.

For purposes of this section, the term “applicable benchmarks” means the requirements applicable to the multiemployer plan under paragraph (3) (as modified by paragraph (5)).

(2) Exception for years after process begins

Paragraph (1) shall not apply to a plan year if such year is in a funding plan adoption period or funding improvement period by reason of the plan being in endangered status for a preceding plan year. For purposes of this section, such preceding plan year shall be the initial determination year with respect to the funding improvement plan to which it relates.

(3) Funding improvement plan

For purposes of this section—

(A) In general

A funding improvement plan is a plan which consists of the actions, including options or a range of options to be proposed to the bargaining parties, formulated to provide, based on reasonably anticipated experience and reasonable actuarial assumptions, for the attainment by the plan during the funding improvement period of the following requirements:

(i) Increase in plan’s funding percentage

The plan’s funded percentage as of the close of the funding improvement period equals or exceeds a percentage equal to the sum of—

(4) Funding improvement period

For purposes of this section—

(A) In general

The funding improvement period for any funding improvement plan adopted pursuant to this subsection is the 10-year period beginning on the first day of the first plan year of the multiemployer plan beginning after the earlier of—

(i) the second anniversary of the date of the adoption of the funding improvement plan, or

(ii) the expiration of the collective bargaining agreements in effect on the due date for the actuarial certification of endangered status for the initial determination year under subsection (b)(3)(A) and covering, as of such due date, at least 75 percent of the active participants in such multiemployer plan.

(B) Seriously endangered plans

In the case of a plan in seriously endangered status, except as provided in paragraph (5), subparagraph (A)(i)(II) shall be applied by substituting “20 percent” for “33 percent”.

(5) Special rules for seriously endangered plans more than 70 percent funded

(A) In general

If the funded percentage of a plan in seriously endangered status was more than 70 percent as of the beginning of the initial determination year—

(i) paragraphs (3)(B) and (4)(B) shall apply only if the plan’s actuary certifies, within 30 days after the certification under subsection (b)(3)(A) for the initial determination year, that, based on the terms of the plan and the collective bargaining agreements in effect at the time of such certification, the plan is not projected to meet the requirements of paragraph (3)(A) (without regard to paragraphs (3)(B) and (4)(B)), and

(ii) if there is a certification under clause (i), the plan may, in formulating its funding improvement plan, only take into account the rules of paragraph (3)(B) and (4)(B) for plan years in the funding improvement period beginning on or before the date on which the last of the collective bargaining agreements described in paragraph (4)(A)(i) expires.

(B) Special rule after expiration of agreements

Notwithstanding subparagraph (A)(ii), if, for any plan year ending after the date described in subparagraph (A)(ii), the plan actuary certifies (at the time of the annual certification under subsection (b)(3)(A) for such plan year) that, based on the terms of the plan and collective bargaining agreements in effect at the time of that annual certification, the plan is not projected to be able to meet the requirements of paragraph (3)(A) (without regard to paragraphs (3)(B) and (4)(B)), paragraphs (3)(B) and (4)(B) shall continue to apply for such year.

(6) Updates to funding improvement plan and schedules

(A) Funding improvement plan

The plan sponsor shall annually update the funding improvement plan and shall file the update with the plan’s annual report under section 1024 of this title.

(B) Schedules

The plan sponsor shall annually update any schedule of contribution rates provided under this subsection to reflect the experience of the plan.
(C) Duration of schedule
A schedule of contribution rates provided by the plan sponsor and relied upon by bargaining parties in negotiating a collective bargaining agreement shall remain in effect for the duration of that collective bargaining agreement.

(7) Imposition of default schedule where failure to adopt funding improvement plan

(A) In general
If—

(i) a collective bargaining agreement providing for contributions under a multiemployer plan that was in effect at the time the plan entered endangered status expires, and

(ii) after receiving one or more schedules from the plan sponsor under paragraph (1)(B), the bargaining parties with respect to such agreement fail to adopt a contribution schedule with terms consistent with the funding improvement plan and a schedule from the plan sponsor,

the plan sponsor shall implement the schedule described in paragraph (1)(B)(i)(I) beginning on the date specified in subparagraph (B).

(B) Date of implementation
The date specified in this subparagraph is the date which is 180 days after the date on which the collective bargaining agreement described in subparagraph (A) expires.

(C) Failure to make scheduled contributions
Any failure to make a contribution under a schedule of contribution rates provided under this paragraph shall be treated as a delinquent contribution under section 1145 of this title and shall be enforceable as such.

(8) Funding plan adoption period
For purposes of this section, the term “funding plan adoption period” means the period beginning on the date of the certification under subsection (b)(3)(A) for the initial determination year and ending on the day before the first day of the funding improvement period.

(d) Rules for operation of plan during adoption and improvement periods

(1) Special rules for plan adoption period
During the funding plan adoption period—

(A) the plan sponsor may not accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

(i) a reduction in the level of contributions for any participants,

(ii) a suspension of contributions with respect to any period of service, or

(iii) any new direct or indirect exclusion of younger or newly hired employees from plan participation,

(B) no amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan may be adopted unless the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26 or to comply with other applicable law, and

(C) in the case of a plan in seriously endangered status, the plan sponsor shall take all reasonable actions which are consistent with the terms of the plan and applicable law and which are expected, based on reasonable assumptions, to achieve—

(i) an increase in the plan’s funded percentage, and

(ii) postponement of an accumulated funding deficiency for at least 1 additional plan year.

Actions under subparagraph (C) include applications for extensions of amortization periods under section 1084(d) of this title, use of the shortfall funding method in making funding standard account computations, amendments to the plan’s benefit structure, reductions in future benefit accruals, and other reasonable actions consistent with the terms of the plan and applicable law.

(2) Compliance with funding improvement plan

(A) In general
A plan may not be amended after the date of the adoption of a funding improvement plan so as to be inconsistent with the funding improvement plan.

(B) No reduction in contributions
A plan sponsor may not during any funding improvement period accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

(i) a reduction in the level of contributions for any participants,

(ii) a suspension of contributions with respect to any period of service, or

(iii) any new direct or indirect exclusion of younger or newly hired employees from plan participation.

(C) Special rules for benefit increases
A plan may not be amended after the date of the adoption of a funding improvement plan so as to increase benefits, including future benefit accruals, unless the plan actuarially certifies that the benefit increase is consistent with the funding improvement plan and is paid for out of contributions not required by the funding improvement plan to meet the applicable benchmark in accordance with the schedule contemplated in the funding improvement plan.

(e) Rehabilitation plan must be adopted for multiemployer plans in critical status

(1) In general
In any case in which a multiemployer plan is in critical status for a plan year, the plan sponsor, in accordance with this subsection—

(A) shall adopt a rehabilitation plan not later than 240 days following the required date for the actuarial certification of critical status under subsection (b)(3)(A), and

(B) within 30 days after the adoption of the rehabilitation plan—
(i) shall provide to the bargaining parties 1 or more schedules showing revised benefit structures, revised contribution structures, or both, which, if adopted, may reasonably be expected to enable the multiemployer plan to emerge from critical status in accordance with the rehabilitation plan, and

(ii) may, if the plan sponsor deems appropriate, prepare and provide the bargaining parties with additional information relating to contribution rates or benefit reductions, alternative schedules, or other information relevant to emerging from critical status in accordance with the rehabilitation plan.

The schedule or schedules described in subparagraph (B)(i) shall reflect reductions in future benefit accruals and adjustable benefits, and increases in contributions, that the plan sponsor determines are reasonably necessary to enable the plan to emerge from critical status. One schedule shall be designated as the default schedule and such schedule shall assume that there are no increases in contributions under the plan other than the increases necessary to emerge from critical status after future benefit accruals and other benefits (other than benefits the reduction or elimination of which are not permitted under section 1054(g) of this title) have been reduced to the maximum extent permitted by law.

(2) Exception for years after process begins

Paragraph (1) shall not apply to a plan year if such year is in a rehabilitation plan adoption period or rehabilitation period by reason of the plan being in critical status for a preceding plan year. For purposes of this section, such preceding plan year shall be the initial critical year with respect to the rehabilitation plan to which it relates.

(3) Rehabilitation plan

For purposes of this section—

(A) In general

A rehabilitation plan is a plan which consists of—

(i) actions, including options or a range of options to be proposed to the bargaining parties, formulated, based on reasonably anticipated experience and reasonable actuarial assumptions, to enable the plan to cease to be in critical status by the end of the rehabilitation period and may include reductions in plan expenditures (including plan mergers and consolidations), reductions in future benefit accruals or increases in contributions, if agreed to by the bargaining parties, or any combination of such actions, or

(ii) if the plan sponsor determines that, based on reasonable actuarial assumptions and upon exhaustion of all reasonable measures, the plan can not reasonably be expected to emerge from critical status by the end of the rehabilitation period, reasonable measures to emerge from critical status at a later time or to forestall possible insolvency (within the meaning of section 1426 of this title).

A rehabilitation plan must provide annual standards for meeting the requirements of such rehabilitation plan. Such plan shall also include the schedules required to be provided under paragraph (1)(B)(i) and if clause (ii) applies, shall set forth the alternatives considered, explain why the plan is not reasonably expected to emerge from critical status by the end of the rehabilitation period, and specify when, if ever, the plan is expected to emerge from critical status in accordance with the rehabilitation plan.

(B) Updates to rehabilitation plan and schedules

(i) Rehabilitation plan

The plan sponsor shall annually update the rehabilitation plan and shall file the update with the plan's annual report under section 1024 of this title.

(ii) Schedules

The plan sponsor shall annually update any schedule of contribution rates provided under this subsection to reflect the experience of the plan.

(iii) Duration of schedule

A schedule of contribution rates provided by the plan sponsor and relied upon by bargaining parties in negotiating a collective bargaining agreement shall remain in effect for the duration of that collective bargaining agreement.

(C) Imposition of default schedule where failure to adopt rehabilitation plan

(i) In general

If—

(I) a collective bargaining agreement providing for contributions under a multiemployer plan that was in effect at the time the plan entered critical status expires, and

(II) after receiving one or more schedules from the plan sponsor under paragraph (1)(B), the bargaining parties with respect to such agreement fail to adopt a contribution schedule with terms consistent with the rehabilitation plan and a schedule from the plan sponsor under paragraph (1)(B)(i),

the plan sponsor shall implement the default schedule described in the last sentence of paragraph (1) beginning on the date specified in clause (ii).

(ii) Date of implementation

The date specified in this clause is the date which is 180 days after the date on which the collective bargaining agreement described in clause (i) expires.

(iii) Failure to make scheduled contributions

Any failure to make a contribution under a schedule of contribution rates provided under this subsection shall be treated as a delinquent contribution under sec-
(4) Rehabilitation period
For purposes of this section—

(A) In general
The rehabilitation period for a plan in critical status is the 10-year period beginning on the first day of the first plan year of the multiemployer plan following the earlier of—

(i) the second anniversary of the date of the adoption of the rehabilitation plan, or
(ii) the expiration of the collective bargaining agreements in effect on the due date for the actuarial certification of critical status for the initial critical year under subsection (a)(1) and covering, as of such date at least 75 percent of the active participants in such multiemployer plan.

If a plan emerges from critical status as provided under subparagraph (B) before the end of such 10-year period, the rehabilitation period shall end with the plan year preceding the plan year for which the determination under subparagraph (B) is made.

(B) Emergence
A plan in critical status shall remain in such status until a plan year for which the plan actuary certifies, in accordance with subsection (b)(3)(A), that the plan is not projected to have an accumulated funding deficiency for the plan year or any of the 9 succeeding plan years, without regard to the use of the shortfall method but taking into account any extension of amortization periods under section 1084(d) of this title.

(5) Rehabilitation plan adoption period
For purposes of this section, the term “rehabilitation plan adoption period” means the period beginning on the date of the certification under subsection (b)(3)(A) for the initial critical period beginning on the date of the rehabilitation plan adoption period” means the period beginning on the date of the certification under subsection (b)(3)(A) for the initial critical period beginning on the date of the rehabilitation plan adoption period.

(6) Limitation on reduction in rates of future accruals
Any reduction in the rate of future accruals under the default schedule described in the last sentence of paragraph (1) shall not reduce the rate of future accruals below—

(A) a monthly benefit (payable as a single life annuity commencing at the participant’s normal retirement age) equal to 1 percent of the contributions required to be made with respect to a participant, or the equivalent standard accrual rate for a participant or group of participants under the collective bargaining agreements in effect as of the first day of the initial critical year, or

(B) if lower, the accrual rate under the plan on such first day.

The equivalent standard accrual rate shall be determined by the plan sponsor based on the standard or average contribution base units which the plan sponsor determines to be representative for active participants and such other factors as the plan sponsor determines to be relevant. Nothing in this paragraph shall be construed as limiting the ability of the plan sponsor to prepare and provide the bargaining parties with alternative schedules to the default schedule that establish lower or higher accrual and contribution rates than the rates otherwise described in this paragraph.

(7) Automatic employer surcharge

(A) Imposition of surcharge
Each employer otherwise obligated to make contributions for the initial critical year shall be obligated to pay to the plan for such year a surcharge equal to 5 percent of the contributions otherwise required under the applicable collective bargaining agreement (or other agreement pursuant to which the employer contributes). For each succeeding plan year in which the plan is in critical status for a consecutive period of years beginning with the initial critical year, the surcharge shall be 10 percent of the contributions otherwise so required.

(B) Enforcement of surcharge
The surcharges under subparagraph (A) shall be due and payable on the same schedule as the contributions on which the surcharges are based. Any failure to make a surcharge payment shall be treated as a delinquent contribution under section 1145 of this title and shall be enforceable as such.

(C) Surcharge to terminate upon collective bargaining agreement renegotiation
The surcharge under this paragraph shall cease to be effective with respect to employees covered by a collective bargaining agreement (or other agreement pursuant to which the employer contributes), beginning on the effective date of a collective bargaining agreement (or other such agreement) that includes terms consistent with a schedule presented by the plan sponsor under paragraph (1)(B)(1), as modified under subparagraph (B) of paragraph (3).

(D) Surcharge not to apply until employer receives notice
The surcharge under this paragraph shall not apply to an employer until 30 days after the employer has been notified by the plan sponsor that the plan is in critical status and that the surcharge is in effect.

(E) Surcharge not to generate increased benefit accruals
Notwithstanding any provision of a plan to the contrary, the amount of any surcharge under this paragraph shall not be the basis for any benefit accrual under the plan.

(8) Benefit adjustments

(A) Adjustable benefits

(i) In general
Notwithstanding section 1054(g) of this title, the plan sponsor shall, subject to the notice requirements in subparagraph (C), make any reductions to adjustable benefits which the plan sponsor deems appropriate, based upon the outcome of collective bargaining over the schedule or schedules provided under paragraph (1)(B)(1).
(ii) Exception for retirees

Except in the case of adjustable benefits described in clause (iv)(III), the plan sponsor of a plan in critical status shall not reduce adjustable benefits of any participant or beneficiary whose benefit commencement date is before the date on which the plan provides notice to the participant or beneficiary under subsection (b)(3)(D) for the initial critical year.

(iii) Plan sponsor flexibility

The plan sponsor shall include in the schedules provided to the bargaining parties an allowance for funding the benefits of participants with respect to whom contributions are not currently required to be made, and shall reduce their benefits to the extent permitted under this subchapter and considered appropriate by the plan sponsor based on the plan’s then current overall funding status.

(iv) Adjustable benefit defined

For purposes of this paragraph, the term “adjustable benefit” means—

(I) benefits, rights, and features under the plan, including post-retirement death benefits, 60-month guarantees, disability benefits not yet in pay status, and similar benefits,

(II) any early retirement benefit or retirement-type subsidy (within the meaning of section 1054(g)(2)(A) of this title) and any benefit payment option (other than the qualified joint and survivor annuity), and

(III) benefit increases that would not be eligible for a guarantee under section 1322a of this title on the first day of initial critical year because the increases were adopted (or, if later, took effect) less than 60 months before such first day.

(B) Normal retirement benefits protected

Except as provided in subparagraph (A)(iv)(III), nothing in this paragraph shall be construed to permit a plan to reduce the level of a participant’s accrued benefit payable at normal retirement age.

(C) Notice requirements

(i) In general

No reduction may be made to adjustable benefits under subparagraph (A) unless notice of such reduction has been given at least 30 days before the general effective date of such reduction for all participants and beneficiaries to—

(I) plan participants and beneficiaries,

(II) each employer who has an obligation to contribute (within the meaning of section 1392(a) of this title) under the plan, and

(III) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer.

(ii) Content of notice

The notice under clause (i) shall contain—

(I) sufficient information to enable participants and beneficiaries to understand the effect of any reduction on their benefits, including an estimate (on an annual or monthly basis) of any affected adjustable benefit that a participant or beneficiary would otherwise have been eligible for as of the general effective date described in clause (i), and

(II) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance where appropriate.

(iii) Form and manner

Any notice under clause (i)—

(I) shall be provided in a form and manner prescribed in regulations of the Secretary of the Treasury, in consultation with the Secretary,

(II) shall be written in a manner so as to be understood by the average plan participant, and

(III) may be provided in written, electronic, or other appropriate form to the extent such form is reasonably accessible to persons to whom the notice is required to be provided.

The Secretary of the Treasury shall in the regulations prescribed under subclause (I) establish a model notice that a plan sponsor may use to meet the requirements of this subparagraph.

(9) Adjustments disregarded in withdrawal liability determination

(A) Benefit reductions

Any benefit reductions under this subsection shall be disregarded in determining a plan’s unfunded vested benefits for purposes of determining an employer’s withdrawal liability under section 1381 of this title.

(B) Surcharges

Any surcharges under paragraph (7) shall be disregarded in determining the allocation of unfunded vested benefits to an employer under section 1391 of this title, except for purposes of determining the unfunded vested benefits attributable to an employer under section 1391(c)(4) of this title or a comparable method approved under section 1391(c)(5) of this title.

(C) Simplified calculations

The Pension Benefit Guaranty Corporation shall prescribe simplified methods for the application of this paragraph in determining withdrawal liability.

(f) Rules for operation of plan during adoption and rehabilitation period

(1) Compliance with rehabilitation plan

(A) In general

A plan may not be amended after the date of the adoption of a rehabilitation plan under subsection (e) so as to be inconsistent with the rehabilitation plan.

(B) Special rules for benefit increases

A plan may not be amended after the date of the adoption of a rehabilitation plan
under subsection (e) so as to increase benefits, including future benefit accruals, unless the plan actuary certifies that such increase is paid for out of additional contributions not contemplated by the rehabilitation plan, and after taking into account the benefit increase, the multiemployer plan still is reasonably expected to emerge from critical status by the end of the rehabilitation period on the schedule contemplated in the rehabilitation plan.

(2) Restriction on lump sums and similar benefits

(A) In general

Effective on the date the notice of certification of the plan’s critical status for the initial critical year under subsection (b)(3)(D) is sent, and notwithstanding section 1054(g) of this title, the plan shall not pay—

(i) any payment, in excess of the monthly amount paid under a single life annuity (plus any social security supplements described in the last sentence of section 1054(b)(1)(G) of this title), to a participant or beneficiary whose annuity starting date (as defined in section 1055(h)(2) of this title) occurs after the date such notice is sent,

(ii) any payment for the purchase of an irrecoverable commitment from an insurer to pay benefits, and

(iii) any other payment specified by the Secretary of the Treasury by regulations.

(B) Exception

Subparagraph (A) shall not apply to a benefit which under section 1053(e) of this title may be immediately distributed without the consent of the participant or to any makeup payment in the case of a retroactive annuity starting date or any similar payment of benefits owed with respect to a prior period.

(3) Adjustments disregarded in withdrawal liability determination

Any benefit reductions under this subsection shall be disregarded in determining a plan’s unfunded vested benefits for purposes of determining an employer’s withdrawal liability under section 1381 of this title.

(4) Special rules for plan adoption period

During the rehabilitation plan adoption period—

(A) the plan sponsor may not accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

(1) a reduction in the level of contributions for any participants,

(2) a suspension of contributions with respect to any period of service, or

(3) any new direct or indirect exclusion of younger or newly hired employees from plan participation, and

(B) no amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan may be adopted unless the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26 or to comply with other applicable law.

(g) Expedited resolution of plan sponsor decisions

If, within 60 days of the due date for adoption of a funding improvement plan under subsection (c) or a rehabilitation plan under subsection (e), the plan sponsor of a plan in endangered status or a plan in critical status has not agreed on a funding improvement plan or rehabilitation plan, then any member of the board or group that constitutes the plan sponsor may require that the plan sponsor enter into an expedited dispute resolution procedure for the development and adoption of a funding improvement plan or rehabilitation plan.

(h) Nonbargained participation

(1) Both bargained and nonbargained employee-participants

§ 1101. Coverage

(a) Scope of coverage

This part shall apply to any employee benefit plan described in section 1003(a) of this title (and not exempted under section 1003(b) of this title), other than—

(1) a plan which is unfunded and is maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees; or

(2) any agreement described in section 736 of title 26, which provides payments to a retired partner or deceased partner or a deceased partner’s successor in interest.

(b) Securities or policies deemed to be included in plan assets

For purposes of this part:

(1) in the case of a plan which invests in any security issued by an investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a–1 et seq.], the assets of such plan shall be deemed to include such security but shall not, solely by reason of such investment, be deemed to include any assets of such investment company.

(2) in the case of a plan to which a guaranteed benefit policy is issued by an insurer, the assets of such plan shall be deemed to include such policy, but shall not, solely by reason of the issuance of such policy, be deemed to include any assets of such insurer.

For purposes of this paragraph:

(A) the term “insurer” means an insurance company, insurance service, or insurance organization, qualified to do business in a State.

(B) the term “guaranteed benefit policy” means an insurance policy or contract to the extent that such policy or contract provides for benefits the amount of which is guaranteed by the insurer.

(c) Clarification of application of ERISA to insurance company general accounts

(1)(A) Not later than June 30, 1997, the Secretary shall issue proposed regulations to provide guidance for the purpose of determining, in cases where an insurer issues 1 or more policies to or for the benefit of an employee benefit plan (and such policies are supported by assets of such insurer’s general account), which assets held by the insurer (other than plan assets held in its separate accounts) constitute assets of the plan for purposes of this part and section 4975 of title 26 and to provide guidance with respect to the application of this subchapter to the general account assets of insurers.

(B) The proposed regulations under subparagraph (A) shall be subject to public notice and comment until September 30, 1997.
(C) The Secretary shall issue final regulations providing the guidance described in subparagraph (A) not later than December 31, 1997.

(D) Such regulations shall only apply with respect to policies which are issued by an insurer on or before December 31, 1998, to or for the benefit of an employee benefit plan which is supported by assets of such insurer’s general account. With respect to policies issued on or before December 31, 1998, such regulations shall take effect at the end of the 18-month period following the date on which such regulations become final.

(2) The Secretary shall ensure that the regulations issued under paragraph (1)—

(A) are administratively feasible, and

(B) protect the interests and rights of the plan and of its participants and beneficiaries (including meeting the requirements of paragraph (3)).

(3) The regulations prescribed by the Secretary pursuant to paragraph (1) shall require, in connection with any policy issued by an insurer to or for the benefit of an employee benefit plan to the extent that the policy is not a guaranteed benefit policy (as defined in subsection (3)), the insurer provide the guidance described in subsection (b)(2)(B) of this section—

(A) that a plan fiduciary totally independent of the insurer authorize the purchase of such policy (unless such purchase is a transaction exempt under section 1108(b)(5) of this title),

(B) that the insurer describe (in such form and manner as shall be prescribed in such regulations), in annual reports and in policies issued to the policyholder after the date on which such regulations are issued in final form pursuant to paragraph (1)(C)—

(i) a description of the method by which any income and expenses of the insurer’s general account are allocated to the policy during the term of the policy and upon the termination of the policy, and

(ii) for each report, the actual return to each such annual report,

(C) that the insurer disclose to the plan fiduciary the extent to which alternative arrangements supported by assets of separate accounts of the insurer (which generally hold plan assets) are available, whether there is a right under the policy to transfer funds to a separate account and the terms governing any such right, and the extent to which support by assets of the insurer’s general account and support by assets of separate accounts of the insurer might pose differing risks to the plan, and

(D) that the insurer manage those assets of the insurer which are assets of such insurer’s general account (irrespective of whether any such assets are plan assets) with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims, taking into account all obligations supported by such enterprise.

(4) Compliance by the insurer with all requirements of the regulations issued by the Secretary pursuant to paragraph (1) shall be deemed compliance by such insurer with sections 1104, 1106, and 1107 of this title with respect to those assets of the insurer’s general account which support a policy described in paragraph (3).

(5)(A) Subject to subparagraph (B), any regulations issued under paragraph (1) shall not take effect before the date on which such regulations become final.

(B) No person shall be subject to liability under this part or section 4975 of title 26 for conduct which occurred before the date which is 18 months following the date described in subparagraph (A) on the basis of a claim that the assets of an insurer (other than plan assets held in a separate account) constitute assets of the plan, except—

(i) as otherwise provided by the Secretary in regulations intended to prevent avoidance of the regulations issued under paragraph (1), or

(ii) as provided in an action brought by the Secretary pursuant to paragraph (2) or (3) of section 1132(a) of this title for a breach of fiduciary responsibilities which would also constitute a violation of Federal or State criminal law.

The Secretary shall bring a cause of action described in clause (i) if a participant, beneficiary, or fiduciary demonstrates to the satisfaction of the Secretary that a breach described in clause (ii) has occurred.

(6) Nothing in this subsection shall preclude the application of any Federal criminal law.

(7) For purposes of this subsection, the term "policy" includes a contract.

(8) Paragraphs (1) through (3) and (5) shall apply to all policies issued on or before November 7, 1995.

(1) the plan expressly provides that the trustee or trustees are subject to the direction of a named fiduciary who is not a trustee, in which case the trustees shall be subject to proper directions of such fiduciary which are made in accordance with the terms of the plan and which are not contrary to this chapter, or

(2) authority to manage, acquire, or dispose of assets of the plan is delegated to one or more investment managers pursuant to section 1102(c)(3) of this title.

(B) If a contribution is conditioned on initial qualification of the plan under section 401 or 403(a) of title 26, and if the plan receives an adverse determination with respect to its initial qualification, then paragraph (1) shall not prohibit the return of such contribution or payment to the employer within one year after such determination, but only if the application for the determination is made by the time prescribed by law for filing the employer’s return for the taxable year in which such plan was adopted, or such later date as the Secretary of the Treasury may prescribe.

(C) If a contribution is conditioned upon the deductibility of the contribution under section 404 of title 26, then, to the extent the deduction is disallowed, paragraph (1) shall not prohibit the return to the employer of such contribution (to the extent disallowed) within one year after the disallowance of the deduction.

(3) In the case of a withdrawal liability payment which has been determined to be an overpayment, paragraph (1) shall not prohibit the return of such payment to the employer within 6 months after the date of such determination.

In addition to any liability which he may have under any other provisions of this part, a fiduciary with respect to a plan shall be liable for a breach of fiduciary responsibility of another fiduciary with respect to the same plan in the following circumstances:

(1) if he participates knowingly in, or knowingly undertakes to conceal, an act or omission of such other fiduciary, knowing such act or omission is a breach;

(2) if, by his failure to comply with section 1104(a)(1) of this title in the administration of his specific responsibilities which give rise to his status as a fiduciary, he has enabled such other fiduciary to commit a breach; or

(3) if he has knowledge of a breach by such other fiduciary, unless he makes reasonable efforts under the circumstances to remedy the breach.

(b) Assets held by two or more trustees

(1) Except as otherwise provided in subsection (d) of this section and in section 1103(a)(1) and (2) of this title, if the assets of a plan are held by two or more trustees—

(2) If a plan expressly provides for a procedure described in paragraph (1), and pursuant to such procedure any fiduciary responsibility of a named fiduciary is allocated to another person, or a person is designated to carry out any such responsibility, then such named fiduciary shall not be liable for an act or omission of such person in carrying out such responsibility except to the extent that—

(A) the named fiduciary violated section 1104(a)(1) of this title—

(i) with respect to such allocation or designation,

(ii) with respect to the establishment or implementation of the procedure under paragraph (1), or

(B) Not later than December 31, 1976, the Secretary shall prescribe regulations which shall have the effect of requiring that a plan divest itself of 50 percent of the holdings of employer securities and employer real property which the plan would be required to divest before January 1, 1985, under paragraph
(2) or subsection (c) of this section (whichever is applicable).

(b) Exception

(1) Subsection (a) of this section shall not apply to any acquisition or holding of qualifying employer securities or qualifying employer real property by an eligible individual account plan. (2) If this paragraph applies to an eligible individual account plan, the portion of such plan which consists of applicable elective deferrals (and earnings allocable thereto) shall be treated as a separate plan—

(ii) to which the requirements of this section apply.

(B)(i) This paragraph shall apply to any eligible individual account plan if any portion of the plan’s applicable elective deferrals (or earnings allocable thereto) are required to be invested in qualifying employer securities or qualifying employer real property or both—

(I) pursuant to the terms of the plan, or

(II) at the direction of a person other than the participant on whose behalf such elective deferrals are made to the plan (or a beneficiary).

(ii) This paragraph shall not apply to an individual account plan for a plan year if, on the last day of the preceding plan year, the fair market value of the assets of all individual account plans maintained by the employer equals not more than 10 percent of the fair market value of the assets of all pension plans (other than multi-employer plans) maintained by the employer.

(iii) This paragraph shall not apply to an individual account plan that is an employee stock ownership plan as defined in section 4975(e)(7) of title 26.

(A) the fair market value of the assets of the plan determined on such date (disregarding any portion of the fair market value of employer securities which is attributable to appreciation of such securities after December 31, 1974) but not less than the fair market value of plan assets on January 1, 1975, or

(B) an amount equal to the sum of (i) the total amount of the contributions to the plan received after December 31, 1974, and prior to such date, plus (ii) the fair market value of the assets of the plan, determined on January 1, 1975.

(2) For purposes of this subsection, in the case of an employer security held by a plan after January 1, 1975, the ownership of which is derived from ownership of employer securities held by the plan on January 1, 1975, or from the exercise of rights derived from such ownership, the value of such security held after January 1, 1975, shall be based on the value as of January 1, 1975, of the security from which ownership was derived. (C) The term “eligible individual account plan” does not include any individual account plan the benefits of which are taken into account in determining the benefits payable to a participant under any defined benefit plan.

(D) The term “qualifying employer real property” means parcels of employer real property—

(a) if a substantial number of the parcels are dispersed geographically;

(b) if each parcel of real property and the improvements thereon are suitable (or adaptable without excessive cost) for more than one use;

(c) even if all of such real property is leased to one lessee (which may be an employer, or an affiliate of an employer); and

(d) if the acquisition and retention of such property comply with the provisions of this part (other than section 1104(a)(1)(B) of this title) to the extent it requires diversification, and sections 1104(a)(1)(C), 1106 (this title, and subsection (a) of this section).

(5) The term “qualifying employer security” means an employer security which is—

(a) stock,

(b) a marketable obligation (as defined in subsection (e) of this section), or

(c) an interest in a publicly traded partnership (as defined in section 7704(b) of title 26), but only if such partnership is an existing partnership as defined in section 1021(c)(2)(A) of the Revenue Act of 1987 (Public Law 100–203).

After December 17, 1987, in the case of a plan other than an eligible individual account plan, an employer security described in subparagraph (A) or (C) shall be considered a qualifying employer security only if such employer security satisfies the requirements of subsection (f)(1) of this section.

(6) The term “employee stock ownership plan” means an individual account plan—

(a) which is a stock bonus plan which is qualified, or a stock bonus plan and money purchase plan both of which are qualified, under section 401 of title 26, and which is designed to invest primarily in qualifying employer securities, and

(b) which meets such other requirements as the Secretary of the Treasury may prescribe by regulation.

(7) A corporation is an affiliate of an employer if it is a member of any controlled group of corporations (as defined in section 1563(a) of title 26, except that “applicable percentage” shall be substituted for “80 percent” wherever the latter percentage appears in such section) of which the employer who maintains the plan is a member. For purposes of the preceding sentence, the term “applicable percentage” means 50 percent, or such lower percentage as the Secretary may prescribe by regulation. A person other than a corporation shall be treated as an affiliate of an employer to the extent provided in regulations of the Secretary. An employer which is a person other than a corporation shall be treated as affiliated with another person to the extent provided by regulations of the Secretary. Regulations under this paragraph shall be prescribed only after consultation and coordination with the Secretary of the Treasury.

(8) The Secretary may prescribe regulations specifying the extent to which conversions, splits, the exercise of rights, and similar transactions are not treated as acquisitions.

(9) For purposes of this section, an arrangement which consists of a defined benefit plan and an individual account plan shall be treated as 1 plan if the benefits of such individual account plan are taken into account in determining the benefits payable under such defined benefit plan.

(e) Marketable obligations

For purposes of subsection (d)(5) of this section, the term “marketable obligation” means a bond, debenture, note, or certificate, or other evidence of indebtedness (hereinafter in this subsection referred to as “obligation”) if—

(1) such obligation is acquired—

(A) on the market, either (i) at the price of the obligation prevailing on a national securities exchange which is registered with the Securities and Exchange Commission, or (ii) at which a prospectus or offering circular filed with the Securities and Exchange Commission, and (ii) at which a substantially similar security is listed, at a price not less favorable to the plan than the price paid for the obligation as established by current bid and asked prices quoted by persons independent of the issuer; or

(B) from an underwriter, at a price not in excess of the public offering price for the obligation as set forth in a prospectus or offering circular filed with the Securities and Exchange Commission, and (ii) at which a substantially similar security is listed, at a price not less favorable to the plan than the price paid currently for a substantially portion of the same issue by persons independent of the issuer; or

(C) from a secondary market participant, at a price not less favorable to the plan than the price paid currently for a substantial portion of the same issue by persons independent of the issuer; or

(2) immediately following acquisition of such obligation—

(B) at least 50 percent of the aggregate amount referred to in subparagraph (A) is held by persons independent of the issuer; and

(3) immediately following acquisition of the obligation, not more than 25 percent of the as-
sets of the plan is invested in obligations of the employer or an affiliate of the employer.

(f) Maximum percentage of stock held by plan; time of holding or acquisition; necessity of legally binding contract

(1) Stock satisfies the requirements of this paragraph if, immediately following the acquisition of such stock—

(A) no more than 25 percent of the aggregate amount of stock of the same class issued and outstanding at the time of acquisition is held by the plan, and

(B) at least 50 percent of the aggregate amount referred to in subparagraph (A) is held by persons independent of the issuer.

(2) Until January 1, 1989, a plan shall not be treated as violating subsection (a) of this section solely by holding stock which fails to satisfy the requirements of paragraph (1) if such stock—

(A) has been so held since December 17, 1987, or

(B) was acquired after December 17, 1987, pursuant to a legally binding contract in effect on December 17, 1987, and has been so held at all times after the acquisition.

§ 1108. Exemptions from prohibited transactions

(a) Grant of exemptions

The Secretary shall establish an exemption procedure for purposes of this subsection. Pursuant to such procedure, he may grant a conditional or unconditional exemption of any fiduciary or transaction, or class of fiduciaries or transactions, from all or part of the restrictions imposed by sections 1106 and 1107(a) of this title. Action under this subsection may be taken only after consultation and coordination with the Secretary of the Treasury. An exemption granted under this subsection shall not relieve a fiduciary from any other applicable provision of this chapter. The Secretary may not grant an exemption under this subsection unless he finds that such exemption is—

(1) administratively feasible,
(2) in the interests of the plan and of its participants and beneficiaries, and
(3) protective of the rights of participants and beneficiaries of such plan.

Before granting an exemption under this subsection from section 1106(a) or 1107(a) of this title, the Secretary shall publish notice in the Federal Register of the pendency of the exemption, shall require that adequate notice be given to interested persons, and shall afford interested persons opportunity to present views. The Secretary may not grant an exemption under this subsection unless he finds that such exemption is—

(1) administratively feasible,
(2) in the interests of the plan and of its participants and beneficiaries, and
(3) protective of the rights of participants and beneficiaries of such plan.

(b) Enumeration of transactions exempted from section 1106 prohibitions

The prohibitions provided in section 1106 of this title shall not apply to any of the following transactions:

A loan made by a plan shall not fail to meet the requirements of the preceding sentence by reason of a loan repayment suspension described under section 414(u)(4) of title 26.

(2) Contracting or making reasonable arrangements with a party in interest for office space, or legal, accounting, or other services necessary for the establishment or operation of the plan, if no more than reasonable compensation is paid therefor.

(4) The investment of all or part of a plan’s assets in deposits which bear a reasonable interest rate in a bank or similar financial institution supervised by the United States or a State, if such bank or other institution is a fiduciary of such plan and if—

(A) the plan covers only employees of such bank or other institution and employees of affiliates of such bank or other institution, or
(B) such investment is expressly authorized by a provision of the plan or by a fiduciary (other than such bank or institution or affiliate thereof) who is expressly empowered by the plan to so instruct the trustee with respect to such investment.

(5) Any contract for life insurance, health insurance, or annuities with one or more insurers which are qualified to do business in a State, if the plan pays no more than adequate consideration, and if each such insurer or insurers is—

(A) the employer maintaining the plan, or
(B) a party in interest which is wholly owned (directly or indirectly) by the employer maintaining the plan, or by any person which is a party in interest with respect to the plan, but only if the total premiums and annuity considerations written by such insurers for life insurance, health insurance, or annuities for all plans (and their employers with respect to which such insurers are parties in interest (not including premiums or annuity considerations written by the employer maintaining the plan) do not exceed 5 percent of the total premiums and annuity considerations written for all lines of insurance in that year by such insurers (not including premiums or annuity considerations written by the employer maintaining the plan).

(6) The providing of any ancillary service by a bank or similar financial institution supervised by the United States or a State, if such bank or other institution is a fiduciary of such plan, and if—

(A) such bank or similar financial institution has adopted adequate internal safeguards which assure that the providing of such ancillary service is consistent with sound banking and financial practice, as determined by Federal or State supervisory authority, and
(B) the extent to which such ancillary service is provided is subject to specific guidelines issued by such bank or similar financial institution (as determined by the Secretary after consultation with Federal authorities).
§ 1108

and State supervisory authority), and adherence to such guidelines would reasonably preclude such bank or similar financial institution from providing such ancillary service (i) in an excessive or unreasonable manner, and (ii) in a manner that would be inconsistent with the best interests of participants and beneficiaries of employee benefit plans.

Such ancillary services shall not be provided at more than reasonable compensation.

(7) The exercise of a privilege to convert securities, to the extent provided in regulations of the Secretary, but only if the plan receives no less than adequate consideration pursuant to such conversion.

(B) the bank, trust company, or insurance company receives not more than reasonable compensation, and

(C) such transaction is expressly permitted by the instrument under which the plan is maintained, or by a fiduciary (other than the bank, trust company, or insurance company, or an affiliate thereof) who has authority to manage and control the assets of the plan.

(B) on the later of the date on which the stock was acquired by the plan, or January 1, 1975, such stock constituted a qualifying employer security (as defined in section 1107(d)(5) of this title as then in effect), and

(C) such stock does not constitute a qualifying employer security (as defined in section 1107(d)(5) of this title as in effect at the time of the sale).

(13) Any transfer made before January 1, 2014, of excess pension assets from a defined benefit plan to a retiree health account in a qualified transfer permitted under section 420 of title 26 (as in effect on August 17, 2006).

(14) Any transaction in connection with the provision of investment advice described in section 1002(21)(A)(ii) of this title to a participant or beneficiary of an individual account plan that permits such participant or beneficiary to direct the investment of assets in their individual account, if—

(i) the provision of the investment advice to the participant or beneficiary of the plan with respect to a security or other property available as an investment under the plan,

(ii) the acquisition, holding, or sale of a security or other property available as an investment under the plan pursuant to the investment advice, or

(iii) the direct or indirect receipt of fees or other compensation by the fiduciary adviser or an affiliate thereof (or any employee, agent, or registered representative of the fiduciary adviser or affiliate) in connection with the provision of the advice or in connection with an acquisition, holding, or sale of a security or other property available as an investment under the plan pursuant to the investment advice, and

(B) the requirements of subsection (g) are met.

(15)(A) Any transaction involving the purchase or sale of securities, or other property (as determined by the Secretary), between a plan and a party in interest (other than a fiduciary described in section 1002(21)(A) of this title) with respect to a plan if—

(iii) the terms of the transaction, including the price, are at least as favorable to the plan as an arm's length transaction, and

(iv) the compensation associated with the purchase and sale is not greater than the compensation associated with an arm’s length transaction with an unrelated party.

(B) For purposes of this paragraph, the term “block trade” means any trade of at least 10,000 shares or with a market value of at least $200,000 which will be allocated across two or more unrelated client accounts of a fiduciary.

(16) Any transaction involving the purchase or sale of securities, or other property (as determined by the Secretary), between a plan and a party in interest if—

(C) the price and compensation associated with the purchase and sale are not greater than the price and compensation associated with an arm’s length transaction with an unrelated party,

(D) if the party in interest has an ownership interest in the system or venue described in subparagraph (A), the system or venue has been authorized by the plan sponsor or other independent fiduciary for transactions described in this paragraph, and

(E) not less than 30 days prior to the initial transaction described in this paragraph executed through any system or venue described in subparagraph (A), a plan fiduciary is provided written or electronic notice of the execution of such transaction through such system or venue.

(17)(A) Transactions described in subparagraphs (A), (B), and (D) of section 1106(a)(1) of this title between a plan and a person that is a party in interest other than a fiduciary (or an affiliate) who has or exercises any discretionary authority or control with respect to the investment of the plan assets involved in the transaction or renders investment advice (within the meaning of section 1002(21)(A)(ii) of this title) with respect to those assets, solely by reason of providing services to the plan (as defined in section 1002(3) of this title) with respect to which such bank or broker-dealer (or affiliate) does not have investment discretion, after such fiduciary has received no consideration other than cash payment against prompt delivery of a security for which market quotations are readily available,

(B) for purposes of this paragraph, the term “adequate consideration” means—

(i) in the case of a security for which there is a generally recognized market—

(I) the price of the security prevailing on a national securities exchange which is registered under section 6 of the Securities Exchange Act of 1934 [15 U.S.C. 78f], taking into account factors such as the size of the transaction and the marketability of the security, or

(II) if the security is not traded on such a national securities exchange, a price not less favorable to the plan than the offering price for the security as established by the current bid and asked prices quoted by persons independent of the issuer and of the party in interest, taking into account factors such as the size of the transaction and the marketability of the security, and

(ii) in the case of an asset other than a security for which there is a generally recognized market, the fair market value of the asset as determined in good faith by a fiduciary or fiduciaries in accordance with regulations prescribed by the Secretary.

(18) FOREIGN EXCHANGE TRANSACTIONS.—Any foreign exchange transactions, between a bank or broker-dealer (or any affiliate of either), and a plan (as defined in section 1002(3) of this title) with respect to which such bank or broker-dealer (or affiliate) is a trustee, custodian, fiduciary, or other party in interest, if—

(A) the transaction is in connection with the purchase, holding, or sale of securities or other investment assets (other than a foreign exchange transaction unrelated to any other investment in securities or other investment assets),

(B) at the time the foreign exchange transaction is entered into, the terms of the transaction are not less favorable to the plan than the terms generally available in comparable arm’s length foreign exchange transactions involving unrelated parties, or the terms afforded by the bank or broker-dealer (or any affiliate of either) in comparable arm’s length foreign exchange transactions involving unrelated parties,

(C) the exchange rate used by such bank or broker-dealer (or affiliate) for a particular foreign exchange transaction does not deviate by more than 3 percent from the interbank bid and asked rates for transactions of comparable size and maturity at the time of the transaction as displayed on an independent service that reports rates of exchange in the foreign currency market for such currency, and

(D) the bank or broker-dealer (or any affiliate of either) does not have investment discretion, or provide investment advice, with respect to the transaction.

(19) CROSS TRADING.—Any transaction described in sections 1106(a)(1)(A) and 1106(b)(2) of this title involving the purchase and sale of a security between a plan and any other account managed by the same investment manager, if—

written policies and procedures of the investment manager described in subparagraph (H).

(E) each plan participating in the transaction has assets of at least $100,000,000, except that if the assets of a plan are invested in a master trust containing the assets of plans maintained by employers in the same controlled group (as defined in section 1107(d)(2) of this title), the master trust has assets of at least $100,000,000.

(H) the investment manager has adopted, and cross-trades are effected in accordance with, written cross-trading policies and procedures that are fair and equitable to all accounts participating in the cross-trading program, and that include a description of the manager’s pricing policies and procedures, and the manager’s policies and procedures for allocating cross trades in an objective manner among accounts participating in the cross-trading program, and

The written report under subparagraph (I) shall also notify the plan fiduciary of the plan’s right to terminate participation in the investment manager’s cross-trading program at any time.

(20)(A) Except as provided in subparagraphs (B) and (C), a transaction described in section 1106(a) of this title in connection with the acquisition, holding, or disposition of any security or commodity, if the transaction is corrected before the end of the correction period.

(1) In general

The prohibitions provided in section 1106 of this title shall not apply to transactions described in subsection (b)(14) if the investment advice provided by a fiduciary adviser is provided under an eligible investment advice arrangement.

(2) Eligible investment advice arrangement

For purposes of this subsection, the term “eligible investment advice arrangement” means an arrangement—
(A) which either—
(i) provides that any fees (including any commission or other compensation) received by the fiduciary adviser for investment advice or with respect to the sale, holding, or acquisition of any security or other property for purposes of investment of plan assets do not vary depending on the basis of any investment option selected, or
(ii) uses a computer model under an investment advice program meeting the requirements of paragraph (3) in connection with the provision of investment advice by a fiduciary adviser to a participant or beneficiary, and

(B) with respect to which the requirements of paragraph (4), (5), (6), (7), (8), and (9) are met.

(3) Investment advice program using computer model

(A) In general

An investment advice program meets the requirements of this paragraph if the requirements of subparagraphs (B), (C), and (D) are met.

(B) Computer model

The requirements of this subparagraph are met if the investment advice provided under the investment advice program is provided pursuant to a computer model that—
(i) applies generally accepted investment theories that take into account the historic returns of different asset classes over defined periods of time,
(ii) utilizes relevant information about the participant, which may include age, life expectancy, retirement age, risk tolerance, other assets or sources of income, and preferences as to certain types of investments,
(iii) utilizes prescribed objective criteria to provide asset allocation portfolios com-
prised of investment options available under the plan.

(iv) operates in a manner that is not biased in favor of investments offered by the fiduciary adviser or a person with a material affiliation or contractual relationship with the fiduciary adviser, and

(C) Certification

(i) In general

The requirements of this subparagraph are met with respect to any arrangement if the arrangement is expressly authorized by a plan fiduciary other than the person offering the arrangement, and

(ii) Renewal of certifications

If, as determined under regulations prescribed by the Secretary, there are material modifications to a computer model, the requirements of this subparagraph are met only if a certification described in clause (i) is obtained with respect to the computer model as so modified.

(iii) Eligible investment expert

The term ‘‘eligible investment expert’’ means any person—

(I) which meets such requirements as the Secretary may provide, and

(II) does not bear any material affiliation or contractual relationship with any investment adviser or a related person thereof (or any employee, agent, or registered representative of the investment adviser or related person).

(D) Exclusivity of recommendation

The requirements of this subparagraph are met with respect to any investment advice program if—

(i) the only investment advice provided under the program is the advice generated by the computer model described in subparagraph (B), and

(ii) any transaction described in subsection (b)(14)(A)(ii) occurs solely at the direction of the participant or beneficiary.

Nothing in the preceding sentence shall preclude the participant or beneficiary from requesting investment advice other than that described in subparagraph (A), but only if such request has not been solicited by any person connected with carrying out the arrangement.

(4) Express authorization by separate fiduciary

The requirements of this paragraph are met with respect to an arrangement if the arrangement is expressly authorized by a plan fiduciary other than the person offering the investment advice program, any person providing investment options under the plan, or any affiliate of either.

The requirements of this paragraph are met if an independent auditor, who has appropriate technical training or experience and proficiency and so represents in writing—

(A) conducts an annual audit of the arrangement for compliance with the requirements of this section, and

(B) following completion of the annual audit, issues a written report to the fiduciary who authorized use of the arrangement which presents its specific findings regarding compliance of the arrangement with the requirements of this subsection.

For purposes of this paragraph, an auditor is considered independent if it is not related to the person offering the arrangement to the plan and is not related to any person providing investment options under the plan.

(6) Disclosure

The requirements of this paragraph are met if—

(A) the fiduciary adviser provides to a participant or a beneficiary before the initial provision of the investment advice with regard to any security or other property offered as an investment option, a written notification (which may consist of notification by means of electronic communication)—

(i) of the role of any party that has a material affiliation or contractual relationship with the fiduciary adviser in the development of the investment advice program and in the selection of investment options available under the plan,

(ii) of the past performance and historical rates of return of the investment options available under the plan,

(iii) of all fees or other compensation relating to the advice that the fiduciary adviser or any affiliate thereof is to receive (including compensation provided by any third party) in connection with the provision of the advice or in connection with the sale, acquisition, or holding of the security or other property,

(iv) of any material affiliation or contractual relationship of the fiduciary adviser or affiliates thereof in the security or other property,

\footnote{So in original. The word "of" probably should appear.}
(B) at all times during the provision of advisory services to the participant or beneficiary, the fiduciary adviser—

(iii) provides, without charge, accurate information to the recipient of the advice concerning any material change to the information required to be provided to the recipient of the advice at a time reasonably contemporaneous to the change in information.

(C) the compensation received by the fiduciary adviser and affiliates thereof in connection with the sale, acquisition, or holding of the security or other property is reasonable, and
(D) the terms of the sale, acquisition, or holding of the security or other property are at least as favorable to the plan as an arm's length transaction would be.

(8) Standards for presentation of information

(A) In general
The requirements of this paragraph are met if the notification required to be provided to participants and beneficiaries under paragraph (6)(A) is written in a clear and conspicuous manner and in a manner calculated to be understood by the average plan participant and is sufficiently accurate and comprehensive to reasonably apprise such participants and beneficiaries of the information required to be provided in the notification.

(B) Model form for disclosure of fees and other compensation
The Secretary shall issue a model form for the disclosure of fees and other compensation required in paragraph (6)(A)(iii) which meets the requirements of subparagraph (A).

(9) Maintenance for 6 years of evidence of compliance
The requirements of this paragraph are met if a fiduciary adviser who has provided advice referred to in paragraph (1) maintains, for a period of not less than 6 years after the provision of the advice, any records necessary for determining whether the requirements of the preceding provisions of this subsection and of subsection (b)(14) have been met. A transaction prohibited under section 1106 of this title shall not be considered to have occurred solely because the records are lost or destroyed prior to the end of the 6-year period due to circumstances beyond the control of the fiduciary adviser.

(10) Exemption for plan sponsor and certain other fiduciaries

(A) In general
Subject to subparagraph (B), a plan sponsor or other person who is a fiduciary (other than a fiduciary adviser) shall not be treated as failing to meet the requirements of this part solely by reason of the provision of investment advice referred to in section 1002(21)(A)(ii) of this title (or solely by reason of contracting for or otherwise arranging for the provision of the advice), if—
(i) the advice is provided by a fiduciary adviser pursuant to an eligible investment advice arrangement between the plan sponsor or other fiduciary and the fiduciary adviser for the provision by the fiduciary adviser of investment advice referred to in such section,
(ii) the terms of the eligible investment advice arrangement require compliance by the fiduciary adviser with the requirements of this subsection, and
(iii) the terms of the eligible investment advice arrangement include a written acknowledgment by the fiduciary adviser that the fiduciary adviser is a fiduciary of the plan with respect to the provision of the advice.

(B) Continued duty of prudent selection of adviser and periodic review
Nothing in subparagraph (A) shall be construed to exempt a plan sponsor or other person who is a fiduciary from any requirement of this part for the prudent selection and periodic review of a fiduciary adviser with whom the plan sponsor or other person enters into an eligible investment advice arrangement for the provision of investment advice referred to in section 1002(21)(A)(ii) of this title. The plan sponsor or other person who is a fiduciary has no duty under this part to monitor the specific investment advice given by the fiduciary adviser to any particular recipient of the advice.

(C) Availability of plan assets for payment for advice
Nothing in this part shall be construed to preclude the use of plan assets to pay for reasonable expenses in providing investment advice referred to in section 1002(21)(A)(ii) of this title.

A fiduciary may also be removed for a violation of section 1111 of this title.

§ 1112. Bonding

(a) Requisite bonding of plan officials

Every fiduciary of an employee benefit plan and every person who handles funds or other property of such a plan (hereafter in this section referred to as "plan official") shall be bonded as provided in this section; except that—

(1) where such plan is one under which the only assets from which benefits are paid are the general assets of a union or of an employer, the administrator, officers, and employees of such plan shall be exempt from the bonding requirements of this section.

(2) no bond shall be required of any entity which is registered as a broker or a dealer under section 78o(b) of title 15 if the broker or dealer is subject to the fidelity bond requirements of a self-regulatory organization (within the meaning of section 78s(a)(26) of title 15). ¹

(3) no bond shall be required of a fiduciary (or of any director, officer, or employee of such fiduciary) if such fiduciary—

(A) is a corporation organized and doing business under the laws of the United States or of any State;

(B) is authorized under such laws to exercise trust powers or to conduct an insurance business;

(C) is subject to supervision or examination by Federal or State authority; and

(D) has at all times a combined capital and surplus in excess of such a minimum amount as may be established by regulations issued by the Secretary, which amount shall be at least $1,000,000. Paragraph (2) shall apply to a bank or other financial institution which is authorized to exercise trust powers and the deposits of which are not insured by the Federal Deposit Insurance Corporation, only if such bank or institution meets bonding or similar requirements under State law which the Secretary determines are at least equivalent to those imposed on banks by Federal law.

The amount of such bond shall be fixed at the beginning of each fiscal year of the plan. Such amount shall be not less than 10 per centum of the amount of funds handled. In no case shall such bond be less than $1,000,000 nor more than $500,000, except that the Secretary, after due notice and opportunity for hearing to all interested parties, and after consideration of the record, may prescribe an amount in excess of $500,000, subject to the 10 per centum limitation of the preceding sentence. For purposes of fixing the amount of such bond, the amount of funds handled shall be determined by the funds handled by the person, group, or class to be covered by such bond and by their predecessor or predecessors, if any, during the preceding reporting year, or if the plan has no preceding reporting year, the amount of funds to be handled during the current reporting year by such person, group, or class, estimated as provided in regulations of the Secretary. Such bond shall provide protection to the plan against loss by reason of acts of fraud or dishonesty on the part of the plan official, directly or through connivance with others. Any bond shall have as surety thereon a corporate surety company which is an acceptable surety on Federal bonds under authority granted by the Secretary of the Treasury pursuant to sections 9304–9308 of title 31.

Any bond shall be in a form or of a type approved by the Secretary, including individual bonds or schedule or blanket forms of bonds which cover a group or class. In the case of a plan that holds employer securities (within the meaning of section 1107(d)(1) of this title), this subsection shall be applied by substituting "$1,000,000" for "$500,000" each place it appears.

(b) Unlawful acts

It shall be unlawful for any plan official to whom subsection (a) of this section applies, to receive, handle, disburse, or otherwise exercise custody or control of any of the funds or other property of any employee benefit plan, without being bonded as required by subsection (a) of this section and it shall be unlawful for any plan official of such plan, or any other person having authority to direct the performance of such functions, to permit such functions, or any of them, to be performed by any plan official, with respect to whom the requirements of subsection (a) of this section have not been met.

(c) Conflict of interest prohibited in procuring bonds

It shall be unlawful for any person to procure any bond required by subsection (a) of this sec-

tion from any surety or other company or through any agent or broker in whose business operations such plan or any party in interest in such plan has any control or significant financial interest, direct or indirect.

(d) Exclusiveness of statutory basis for bonding requirement for persons handling funds or other property of employee benefit plans

Nothing in any other provision of law shall require any person, required to be bonded as provided in subsection (a) of this section because he handles funds or other property of an employee benefit plan, to be bonded insofar as the handling by such person of the funds or other property of such plan is concerned.

(e) Regulations

The Secretary shall prescribe such regulations as may be necessary to carry out the provisions of this section including exempting a plan from the requirements of this section where he finds that (1) other bonding arrangements or (2) the overall financial condition of the plan would be adequate to protect the interests of the beneficiaries and participants. When, in the opinion of the Secretary, the administrator of a plan offers adequate evidence of the financial responsibility of the plan, or that other bonding arrangements would provide adequate protection of the beneficiaries and participants, he may exempt such plan from the requirements of this section.

(II) ending on the date the failure is corrected.

(C) MINIMUM PENALTIES WHERE FAILURE DISCOVERED.—Notwithstanding clauses (i) and (ii) of subparagraph (D):

(i) IN GENERAL.—In the case of 1 or more failures with respect to a participant or beneficiary—

(D) LIMITATIONS.—

(i) **Penalty not to apply where failure not discovered exercising reasonable diligence.**—No penalty shall be imposed by subparagraph (A) on any failure during any period for which it is established to the satisfaction of the Secretary that the person otherwise liable for such penalty did not know, and exercising reasonable diligence would not have known, that such failure existed.

(ii) **Penalty not to apply to failures corrected within certain periods.**—In the case of failures which are due to reasonable cause and not to willful neglect, the penalty imposed by subparagraph (A) for failures shall not exceed the amount equal to the lesser of—

In a case where a plan has not designated in the summary plan description of the plan an individual as agent for the service of legal process, service upon the Secretary shall constitute such service. The Secretary, not later than 15 days after receipt of service under the preceding sentence, shall notify the administrator or any trustee of the plan of receipt of such service.

(2) Any money judgment under this subchapter against an employee benefit plan shall be enforceable only against the plan as an entity and shall not be enforceable against any other person unless liability against such person is established in his individual capacity under this subchapter.

(e) **Jurisdiction**

(1) Except for actions under subsection (a)(1)(B) of this section, the district courts of the United States shall have exclusive jurisdiction of civil actions under this subchapter brought by the Secretary or by a participant, beneficiary, fiduciary, or any person referred to in section 1021(f)(1) of this title. (f) **Amount in controversy; citizenship of parties**

The district courts of the United States shall have jurisdiction, without respect to the amount in controversy or the citizenship of the parties, to grant the relief provided for in subsection (a) of this section in any action.

(g) **Attorney’s fees and costs; awards in actions involving delinquent contributions**

(1) In any action under this subchapter (other than an action described in paragraph (2)) by a participant, beneficiary, or fiduciary, the court in its discretion may allow a reasonable attorney’s fee and costs of action to either party.

(A) the unpaid contributions,

(B) interest on the unpaid contributions,

(C) an amount equal to the greater of—

(i) interest on the unpaid contributions, or

(ii) liquidated damages provided for under the plan in an amount not in excess of 20 percent (or such higher percentage as may be permissible under Federal or State law) of the amount determined by the court under subparagraph (A),

(D) reasonable attorney’s fees and costs of the action, to be paid by the defendant, and

(E) such other legal or equitable relief as the court deems appropriate.

For purposes of this paragraph, interest on unpaid contributions shall be determined by using
the rate provided under the plan, or, if none, the rate prescribed under section 6621 of title 26.

(h) Service upon Secretary of Labor and Secretary of the Treasury

A copy of the complaint in any action under this subchapter by a participant, beneficiary, or fiduciary (other than an action brought by one or more participants or beneficiaries under subsection (a)(1)(B) of this section which is solely for the purpose of recovering benefits due such participants under the terms of the plan) shall be served upon the Secretary and the Secretary of the Treasury by certified mail. (i) Administrative assessment of civil penalty

In the case of a transaction prohibited by section 106(b)(4) of this title by a party in interest with respect to a plan to which this part applies, the Secretary may assess a civil penalty against such party in interest. The amount of such penalty may not exceed 5 percent of the amount involved in each such transaction (as defined in section 4975(f)(4) of title 26) for each year or part thereof during which the prohibited transaction continues, except that, if the transaction is not corrected (in such manner as the Secretary shall prescribe in regulations which shall be consistent with section 4975(f)(5) of title 26) within 90 days after notice from the Secretary (or such longer period as the Secretary may permit), such penalty may be in an amount not more than 100 percent of the amount involved. This subsection shall not apply to a transaction with respect to a plan described in section 4975(e)(1) of title 26.

(j) Direction and control of litigation by Attorney General

In all civil actions under this subchapter, attorneys appointed by the Secretary may represent the Secretary (except as provided in section 518(a) of title 28), but all such litigation shall be subject to the direction and control of the Attorney General.

(k) Jurisdiction of actions against the Secretary of Labor

Suits by an administrator, fiduciary, participant, or beneficiary of an employee benefit plan to review a final order of the Secretary, to restrain the Secretary from taking any action contrary to the provisions of this chapter, or to compel him to take action required under this subchapter, may be brought in the district court of the United States for the district where the plan has its principal office, or in the United States District Court for the District of Columbia.

   (B) any knowing participation in such a breach or violation by any other person, the Secretary shall assess a civil penalty against such fiduciary or other person in an amount equal to 20 percent of the applicable recovery amount.

(2) For purposes of paragraph (1), the term ‘applicable recovery amount’ means any amount which is recovered from a fiduciary or other person with respect to a breach or violation described in paragraph (1)—
   (A) pursuant to any settlement agreement with the Secretary, or
   (B) ordered by a court to be paid by such fiduciary or other person to a plan or its participants and beneficiaries in a judicial proceeding instituted by the Secretary under subsection (a)(2) or (a)(5) of this section.

(3) The Secretary may, in the Secretary’s sole discretion, waive or reduce the penalty under paragraph (1) if the Secretary determines in writing that—

§ 1144. Other laws

(a) Supersedure; effective date

Except as provided in subsection (b) of this section, the provisions of this subchapter and
subchapter III of this chapter shall supersede any and all State laws insofar as they may now or hereafter relate to any employee benefit plan described in section 1003(a) of this title and not exempt under section 1003(b) of this title. This section shall take effect on January 1, 1975.

(b) Construction and application

(1) This section shall not apply with respect to any cause of action which arose, or any act or omission which occurred, before January 1, 1975.

(2)(A) Except as provided in subparagraph (B), nothing in this subchapter shall be construed to exempt or relieve any person from any law of any State which regulates insurance, banking, or securities.

(B) Neither an employee benefit plan described in section 1003(a) of this title, which is not exempt under section 1003(b) of this title (other than a plan established primarily for the purpose of providing death benefits), nor any trust established under such a plan, shall be deemed to be an insurance company or other insurer, bank, trust company, or investment company or to be engaged in the business of insurance or banking for purposes of any law of any State purporting to regulate insurance companies, insurance contracts, banks, trust companies, or investment companies.

(3) Nothing in this section shall be construed to prohibit use by the Secretary of services or facilities of a State agency as permitted under section 1136 of this title.

For purposes of this section:
(1) The term "State law" includes all laws, decisions, rules, regulations, or other State action having the effect of law, of any State. A law of the United States applicable only to the District of Columbia shall be treated as a State law rather than a law of the United States.
(2) The term "State" includes a State, any political subdivisions thereof, or any agency or instrumentality of either, which purports to regulate, directly or indirectly, the terms and conditions of employee benefit plans covered by this subchapter.

(C) under which such contributions are invested in accordance with regulations prescribed by the Secretary under section 1104(c)(5) of this title.

(3) The plan administrator of an automatic contribution arrangement shall, within a reasonable period before such plan year, provide to each participant to whom the arrangement applies for such plan year notice of the participant's rights and obligations under the arrangement which—
(i) is sufficiently accurate and comprehensive to apprise the participant of such rights and obligations, and
(ii) is written in a manner calculated to be understood by the average participant to whom the arrangement applies.
(B) A notice shall not be treated as meeting the requirements of subparagraph (A) with respect to a participant unless—

FINDINGS AND PURPOSE
Section 2 of Pub. L. 105–92 provided that:
“(a) FINDINGS.—The Congress finds as follows:
“(1) The impending retirement of the baby boom generation will severely strain our already overburdened entitlement system, necessitating increased reliance on pension and other personal savings.
“(2) Studies have found that less than a third of Americans have even tried to calculate how much they will need to have saved by retirement, and that less than 20 percent are very confident they will have enough money to live comfortably throughout their retirement.
“(3) A leading obstacle to expanding retirement savings is the simple fact that far too many Americans—particularly the young—are either unaware of, or without the knowledge and resources necessary to take advantage of, the extensive benefits offered by our retirement savings system.
“(b) PURPOSE.—It is the purpose of this Act [see Short Title of 1997 Amendment note, set out under section 1001 of this title]—
“(1) to advance the public’s knowledge and understanding of retirement savings and its critical importance to the future well-being of American workers and their families;
“(2) to provide for a periodic, bipartisan national retirement savings summit in conjunction with the White House to elevate the issue of savings to national prominence; and

The preceding sentence shall not require any period of coverage to extend beyond January 1, 2014.

(vi) Special rule for TAA-eligible individuals

In the case of a qualifying event described in section 1163(2) of this title with respect to a covered employee who is (as of the date that the period of coverage would, but for this clause or clause (vii), otherwise terminate under clause (i) or (ii)) a TAA-eligible individual (as defined in section 1165(b)(4)(B) of this title), the period of coverage shall not terminate by reason of clause (i) or (ii), as the case may be, before the later of the date specified in such clause or the date on which such individual ceases to be such a TAA-eligible individual. The preceding sentence shall not require any period of coverage to extend beyond January 1, 2014.

(B) may, at the election of the payor, be made in monthly installments.

In no event may the plan require the payment of any premium before the day which is 45 days after the day on which the qualified beneficiary made the initial election for continuation coverage. (c) Group health plan coverage of dependent children in cases of adoption

(1) Coverage effective upon placement for adoption

In any case in which a group health plan provides coverage for dependent children of participants or beneficiaries, such plan shall provide benefits to dependent children placed with participants or beneficiaries for adoption under the same terms and conditions as apply in the case of dependent children who are natural children of participants or beneficiaries under the plan, irrespective of whether the adoption has become final.

(2) Restrictions based on preexisting conditions at time of placement for adoption prohibited

A group health plan may not restrict coverage under the plan of any dependent child adopted by a participant or beneficiary, or placed with a participant or beneficiary for adoption, solely on the basis of a preexisting condition of such child at the time that such child would otherwise become eligible for coverage under the plan, if the adoption or placement for adoption occurs while the participant or beneficiary is eligible for coverage under the plan.

(3) Definitions

For purposes of this subsection—

(A) Child

The term “child” means, in connection with any adoption, or placement for adoption, of the child, an individual who has not attained age 18 as of the date of such adoption or placement for adoption.

The term “placement”, or being “placed”, for adoption, in connection with any placement for adoption of a child with any person, means the assumption and retention by such person of a legal obligation for total or partial support of such child in anticipation of adoption of such child. The child’s placement with such person terminates upon the termination of such legal obligation.

(d) Continued coverage of costs of a pediatric vaccine under group health plans

A group health plan may not reduce its coverage of the costs of pediatric vaccines (as defined under section 1928(h)(6) of the Social Security Act [42 U.S.C. 1396s(h)(6)] as amended by section 13830 of the Omnibus Budget Reconciliation Act of 1993) below the coverage it provided as of May 1, 1993.

(B) Waiting period not treated as a break in coverage

For purposes of subparagraph (A) and subsection (d)(4) of this section, any period that an individual is in a waiting period for any coverage under a group health plan (or for group health insurance coverage) or is in an affiliation period (as defined in subsection (g)(2) of this section) shall not be taken into account in determining the continuous period under subparagraph (A).

(B) Election of alternative method

A group health plan, or a health insurance issuer offering group health insurance coverage, may elect to apply subsection (a)(3) of this section based on coverage of benefits within each of several classes or categories of benefits specified in regulations rather than as provided under subparagraph (A). Such election shall be made on a uniform basis for all participants and beneficiaries. Under such election a group health plan or issuer shall count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within such class or category.

(A) upon request of such plan or issuer, the entity which issued the certification provided by the individual shall promptly disclose to such requesting plan or issuer information on coverage of classes and categories of health benefits available under such entity’s plan or coverage, and
(B) such entity may charge the requesting plan or issuer for the reasonable cost of disclosing such information.

(3) Regulations
The Secretary shall establish rules to prevent an entity’s failure to provide information under paragraph (1) or (2) with respect to previous coverage of an individual from adversely affecting any subsequent coverage of the individual under another group health plan or health insurance coverage.

A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, shall permit an employee who is eligible, but not enrolled, for coverage under the terms of the plan (or a dependent of such an employee if the dependent is eligible, but not enrolled, for coverage under such terms) to enroll for coverage under the terms of the plan if each of the following conditions is met:

(C) The employee’s or dependent’s coverage described in subparagraph (A)—
(i) was under a COBRA continuation provision and the coverage under such provision was exhausted; or
(ii) was not under such a provision and either the coverage was terminated as a result of loss of eligibility for the coverage (including as a result of legal separation, divorce, death, termination of employ-
ment, or reduction in the number of hours of employment) or employer contributions toward such coverage were terminated.

(D) Under the terms of the plan, the employee requests such enrollment not later than 30 days after the date of exhaustion of coverage described in subparagraph (C)(i) or termination of coverage or employer contribution described in subparagraph (C)(ii).

(2) For dependent beneficiaries

(A) In general

If—

(i) a group health plan makes coverage available with respect to a dependent of an individual,

(ii) the individual is a participant under the plan (or has met any waiting period applicable to becoming a participant under the plan and is eligible to be enrolled under the plan but for a failure to enroll during a previous enrollment period), and

(iii) a person becomes such a dependent of the individual through marriage, birth, or adoption or placement for adoption,

the group health plan shall provide for a dependent special enrollment period described in subparagraph (B) during which the person (or, if not otherwise enrolled, the individual) may be enrolled under the plan as a dependent of the individual, and in the case of the birth or adoption of a child, the spouse of the individual may be enrolled as a dependent of the individual if such spouse is otherwise eligible for coverage.

(B) Dependent special enrollment period

A dependent special enrollment period under this subparagraph shall be a period of not less than 30 days and shall begin on the later of—

(i) Termination of Medicaid or CHIP coverage

The employee or dependent is covered under a Medicaid plan under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] or under a State child health plan under title XXI of such Act [42 U.S.C. 1397aa et seq.] and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility for such coverage and the employee requests coverage under the group health plan (or health insurance coverage) not later than 60 days after the date of termination of such coverage.

(ii) Eligibility for employment assistance under Medicaid or CHIP

The employee or dependent becomes eligible for assistance, with respect to coverage under the group health plan or health insurance coverage under such Medicaid plan or State child health plan (including under any waiver or demonstration project conducted under or in relation to such a plan), if the employee requests coverage under the group health plan or health insurance coverage not later than 60 days after the date the employee or dependent is determined to be eligible for such assistance.

(II) Model notice

Not later than 1 year after February 4, 2009, the Secretary and the Secretary of Health and Human Services, in consultation with Directors of State Medicaid agencies under title XIX of the Social Security Act and Directors of State CHIP agencies under title XXI of such Act, shall jointly develop national and State-specific model notices for purposes of subparagraph (A). The Secretary shall provide employers with such model no-
uses so as to enable employers to timely comply with the requirements of subparagraph (A). Such model notices shall include information regarding how an employee may contact the State in which the employee resides for additional information regarding potential opportunities for such premium assistance, including how to apply for such assistance.

(III) Option to provide concurrent with provision of plan materials to employee

An employer may provide the model notice applicable to the State in which an employee resides concurrent with the furnishing of materials notifying the employee of health plan eligibility, concurrent with materials provided to the employee in connection with an open season or election process conducted under the plan, or concurrent with the furnishing of the summary plan description as provided in section 1024(b) of this title.

(ii) Disclosure about group health plan benefits to States for Medicaid and CHIP eligible individuals

In the case of a participant or beneficiary of a group health plan who is covered under a Medicaid plan of a State under title XIX of the Social Security Act or under a State child health plan under title XXI of such Act, the plan administrator of the group health plan shall disclose to the State, upon request, information about the benefits available under the group health plan in sufficient specificity, as determined under regulations of the Secretary of Health and Human Services in consultation with the Secretary that require use of the model coverage coordination disclosure form developed under section 311(b)(1)(C) of the Children’s Health Insurance Program Reauthorization Act of 2009, so as to permit the State to make a determination (under paragraph (2)(B), (3), or (10) of section 2105(c) of the Social Security Act [42 U.S.C. 1397ee(c)(2)(B), (3), (10)] or otherwise) concerning the cost-effectiveness of the State providing medical or child health assistance through premium assistance for the purchase of coverage under such group health plan and in order for the State to provide supplemental benefits required under paragraph (10)(E) of such section or other authority.

(g) Use of affiliation period by HMOs as alternative to preexisting condition exclusion

(1) In general

In the case of a group health plan that offers medical care through health insurance coverage offered by a health maintenance organization, the plan may provide for an affiliation period with respect to coverage through the organization only if—

(A) no preexisting condition exclusion is imposed with respect to coverage through the organization,

(B) the period is applied uniformly without regard to any health status-related factors, and

(C) such period does not exceed 2 months (or 3 months in the case of a late enrollee).

(2) Affiliation period

(A) Defined

For purposes of this part, the term “affiliation period” means a period which, under the terms of the health insurance coverage offered by the health maintenance organization, must expire before the health insurance coverage becomes effective. The organization is not required to provide health care services or benefits during such period and no premium shall be charged to the participant or beneficiary for any coverage during the period.

(B) Beginning

Such period shall begin on the enrollment date.

(C) Runs concurrently with waiting periods

An affiliation period under a plan shall run concurrently with any waiting period under the plan.

(3) Alternative methods

A group health plan, and a health insurance issuer offering health insurance coverage in connection with a group health plan, may not require any individual (as a condition of enrollment or continued enrollment under the plan) to pay a premium or contribution which is greater than such premium or contribution for a similarly situated individual enrolled in the plan on the basis of any health status-related factor in relation to the individual or to an individual enrolled under the plan as a dependent of the individual.

(2) Construction

Nothing in paragraph (1) shall be construed—
(A) to restrict the amount that an employer may be charged for coverage under a group health plan except as provided in paragraph (3); or
(B) to prevent a group health plan, and a health insurance issuer offering group health insurance coverage, from establishing premium discounts or rebates or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention.

(A) In general

For purposes of this section, a group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not adjust premium or contribution amounts for the group covered under such plan on the basis of genetic information.

(B) Rule of construction

Nothing in subparagraph (A) or in paragraphs (1) and (2) of subsection (d) shall be construed to limit the ability of a health insurance issuer offering health insurance coverage in connection with a group health plan to increase the premium for an employer based on the manifestation of a disease or disorder of an individual who is enrolled in the plan. In such case, the manifestation of a disease or disorder in one individual cannot also be used as genetic information about other group members and to further increase the premium for the employer.

(c) Genetic testing

Nothing in paragraph (1) shall be construed to preclude a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, from obtaining and using the results of a genetic test in making a determination regarding payment (as such term is defined for the purposes of applying the regulations promulgated by the Secretary of Health and Human Services under part C of title XI of the Social Security Act [42 U.S.C. 1320d et seq.] and section 264 of the Health Insurance Portability and Accountability Act of 1996, as may be revised from time to time) consistent with subsection (a).

(B) Limitation

For purposes of subparagraph (A), a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, may request only the minimum amount of information necessary to accomplish the intended purpose.

(4) Research exception

Notwithstanding paragraph (1), a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, may request, but not require, that a participant or beneficiary undergo a genetic test if each of the following conditions is met:

(B) The plan or issuer clearly indicates to each participant or beneficiary, or in the case of a minor child, to the legal guardian of such beneficiary, to whom the request is made that—

(i) compliance with the request is voluntary; and

(ii) non-compliance will have no effect on enrollment status or premium or contribution amounts.

(C) No genetic information collected or acquired under this paragraph shall be used for underwriting purposes.

(D) The plan or issuer notifies the Secretary in writing that the plan or issuer is conducting activities pursuant to the exception provided for under this paragraph, including a description of the activities conducted.

(E) The plan or issuer complies with such other conditions as the Secretary may by regulation require for activities conducted under this paragraph.
(d) Prohibition on collection of genetic information

(3) Incidental collection

If a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, obtains genetic information incidental to the requesting, requiring, or purchasing of other information concerning any individual, such request, requirement, or purchase shall not be considered a violation of paragraph (2) if such request, requirement, or purchase is not in violation of paragraph (1).

(e) Application to all plans

The provisions of subsections (a)(1)(F), (b)(3), (c), and (d), and subsection (b)(1) and section 1181 of this title with respect to genetic information, shall apply to group health plans and health insurance issuers without regard to section 1191a(a) of this title.

(f) Genetic information of a fetus or embryo

(2) Exception

Paragraph (1)(A) shall not apply in connection with any group health plan or health insurance issuer in any case in which the decision to discharge the mother or her newborn child prior to the expiration of the minimum length of stay otherwise required under paragraph (1)(A) is made by an attending provider in consultation with the mother.

(b) Prohibitions

A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not—

(1) deny to the mother or her newborn child eligibility, or continued eligibility, to enroll or to renew coverage under the terms of the plan, solely for the purpose of avoiding the requirements of this section;

(2) provide monetary payments or rebates to mothers to encourage such mothers to accept less than the minimum protections available under this section;

(3) penalize or otherwise reduce or limit the reimbursement of an attending provider because such provider provided care to an individual participant or beneficiary in accordance with this section;

(4) provide incentives (monetary or otherwise) to an attending provider to induce such provider to provide care to an individual participant or beneficiary in a manner inconsistent with this section; or

(5) subject to subsection (c)(3) of this section, restrict benefits for any portion of a period within a hospital length of stay required under subsection (a) of this section; or

(2) This section shall not apply with respect to any group health plan, or any group health insurance coverage offered by a health insurance issuer, which does not provide benefits for hospital lengths of stay in connection with childbirth for a mother or her newborn child.

(3) Nothing in this section shall be construed as preventing a group health plan or issuer from imposing deductibles, coinsurance, or other cost-sharing in relation to benefits for hospital lengths of stay in connection with childbirth for a mother or newborn child under the plan (or under health insurance coverage offered in connection with a group health plan), except that such coinsurance or other cost-sharing for any portion of a period within a hospital length of stay required under subsection (a) of this section may not be greater than such coinsurance or cost-sharing for any preceding portion of such stay.

(d) Notice under group health plan

The imposition of the requirements of this section shall be treated as a material modification in the terms of the plan described in section 1022(a)(1) of this title, for purposes of assuring notice of such requirements under the plan; except that the summary description required to be provided under the last sentence of section 1024(b)(1) of this title with respect to such modification shall be provided by not later than 60 days after the first day of the first plan year in which such requirements apply.

(e) Level and type of reimbursements

Nothing in this section shall be construed to prevent a group health plan or a health insurance issuer offering group health insurance coverage from negotiating the level and type of reimbursement with a provider for care provided in accordance with this section.

(f) Preemption; exception for health insurance coverage in certain States

(1) In general

The requirements of this section shall not apply with respect to health insurance coverage if there is a State law (as defined in section 1191(a)(1) of this title) for a State that regulates such coverage that is described in any of the following subparagraphs:

(A) Such State law requires such coverage to provide for at least a 48-hour hospital length of stay following a normal vaginal delivery and at least a 96-hour hospital length of stay following a cesarean section.

(B) Such State law requires such coverage to provide for maternity and pediatric care in accordance with guidelines established by the American College of Obstetricians and Gynecologists, the American Academy of Pediatrics, or other established professional medical associations.

(C) Such State law requires, in connection with such coverage for maternity care, that the hospital length of stay for such care is left to the decision of (or required to be made by) the attending provider in consultation with the mother.

(2) Construction

Section 1191(a)(1) of this title shall not be construed as superseding a State law described in paragraph (1).

§ 1185a. Parity in mental health and substance use disorder benefits

(a) In general

(1) Aggregate lifetime limits

In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits—

(A) No lifetime limit

If the plan or coverage does not include an aggregate lifetime limit on substantially all medical and surgical benefits, the plan or coverage may not impose any aggregate lifetime limit on mental health or substance use disorder benefits.

(B) Lifetime limit

If the plan or coverage includes an aggregate lifetime limit on substantially all medical and surgical benefits (in this paragraph referred to as the “applicable lifetime limit”), the plan or coverage shall either—

(i) apply the applicable lifetime limit both to the medical and surgical benefits to which it otherwise would apply and to mental health and substance use disorder benefits and not distinguish in the application of such limit between such medical and surgical benefits and mental health and substance use disorder benefits; or

(ii) not include any aggregate lifetime limit on mental health or substance use disorder benefits that is less than the applicable lifetime limit.

(C) Rule in case of different limits

In the case of a plan or coverage that is not described in subparagraph (A) or (B) and that includes no or different aggregate limits on different categories of medical and surgical benefits, the Secretary shall establish rules under which subparagraph (B) is applied to such plan or coverage with respect to mental health and substance use disorder benefits by substituting for the applicable annual limit an average annual limit that is computed taking into account the weighted average of the annual limits applicable to such categories.

(2) Annual limits

In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits—

(A) No annual limit

If the plan or coverage does not include an annual limit on substantially all medical and surgical benefits, the plan or coverage may not impose any annual limit on mental health or substance use disorder benefits.

(B) Annual limit

If the plan or coverage includes an annual limit on substantially all medical and surgical benefits (in this paragraph referred to as the “applicable annual limit”), the plan or coverage shall either—

(i) apply the applicable annual limit both to medical and surgical benefits to which it otherwise would apply and to mental health and substance use disorder benefits and not distinguish in the application of such limit between such medical and surgical benefits and mental health and substance use disorder benefits; or

(ii) not include any annual limit on mental health or substance use disorder benefits that is less than the applicable annual limit.

(C) Rule in case of different limits

In the case of a plan or coverage that is not described in subparagraph (A) or (B) and that includes no or different annual limits on different categories of medical and surgical benefits, the Secretary shall establish rules under which subparagraph (B) is applied to such plan or coverage with respect to mental health and substance use disorder benefits by substituting for the applicable annual limit an average annual limit that is computed taking into account the weighted average of the annual limits applicable to such categories.

(3) Financial requirements and treatment limitations

(A) In general

In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits, such plan or coverage shall ensure that—

(i) the financial requirements applicable to such mental health or substance use disorder benefits are no more restrictive than the predominant financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), and there are no separate cost sharing requirements that are applicable only with respect to mental health or substance use disorder benefits; and

(ii) the treatment limitations applicable to such mental health or substance use disorder benefits are no more restrictive than the predominant treatment limitations applied to substantially all medical and surgical benefits covered by the plan (or coverage) and there are no separate treatment limitations that are applicable only with respect to mental health or substance use disorder benefits.

(B) Definitions

In this paragraph:

(i) Financial requirement

The term “financial requirement” includes deductibles, copayments, coinsurance, and out-of-pocket expenses, but excludes an aggregate lifetime limit and an annual limit subject to paragraphs (1) and (2).\(^1\)

---

1So in original. The comma probably should be a period.
§ 1185a

(ii) Predominant

A financial requirement or treatment limit is considered to be predominant if it is the most common or frequent of such type of limit or requirement.

(iii) Treatment limitation

The term “treatment limitation” includes limits on the frequency of treatment, number of visits, days of coverage, or other similar limits on the scope or duration of treatment.

(4) Availability of plan information

The criteria for medical necessity determinations made under the plan with respect to mental health or substance use disorder benefits (or the health insurance coverage offered in connection with the plan with respect to such benefits) shall be made available by the plan administrator (or the health insurance issuer offering such coverage) in accordance with regulations to any current or potential participant, beneficiary, or contracting provider upon request. The reason for any denial under the plan (or coverage) of reimbursement or payment for services with respect to mental health or substance use disorder benefits in the case of any participant or beneficiary shall, on request or as otherwise required, be made available by the plan administrator (or the health insurance issuer offering such coverage) to the participant or beneficiary in accordance with regulations.

(5) Out-of-network providers

In the case of a plan or coverage that provides both medical and surgical benefits and mental health or substance use disorder benefits, if the plan or coverage provides coverage for medical or surgical benefits provided by out-of-network providers, the plan or coverage shall provide coverage for mental health or substance use disorder benefits provided by out-of-network providers in a manner that is consistent with the requirements of this section.

(b) Construction

Nothing in this section shall be construed—

(1) as requiring a group health plan (or health insurance coverage offered in connection with such a plan) to provide any mental health or substance use disorder benefits; or

(2) in the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides mental health or substance use disorder benefits, as affecting the terms and conditions of the plan or coverage relating to such benefits under the plan or coverage, except as provided in subsection (a).

(c) Exemptions

(1) Small employer exemption

(A) In general

This section shall not apply to any group health plan (and group health insurance coverage offered in connection with a group health plan) for any plan year of a small employer.

(B) Small employer

For purposes of subparagraph (A), the term “small employer” means, in connection with a group health plan with respect to a calendar year and a plan year, an employer who employed an average of at least 2 (or 1 in the case of an employer residing in a State that permits small groups to include a single individual) but not more than 50 employees on business days during the preceding calendar year.

(C) Application of certain rules in determination of employer size

For purposes of this paragraph—

(i) Application of aggregation rule for employers

Rules similar to the rules under subsections (b), (c), (m), and (o) of section 414 of title 26 shall apply for purposes of treating persons as a single employer.

(ii) Employers not in existence in preceding year

In the case of an employer which was not in existence throughout the preceding calendar year, the determination of whether such employer is a small employer shall be based on the average number of employees that it is reasonably expected such employer will employ on business days in the current calendar year.

(iii) Predecessors

Any reference in this paragraph to an employer shall include a reference to any predecessor of such employer.

(2) Cost exemption

(A) In general

With respect to a group health plan (or health insurance coverage offered in connection with such a plan), if the application of this section to such plan (or coverage) results in an increase for the plan year involved of the actual total costs of coverage with respect to medical and surgical benefits and mental health and substance use disorder benefits under the plan (as determined and certified under subparagraph (C)) by an amount that exceeds the applicable percentage described in subparagraph (B) of the actual total plan costs, the provisions of this section shall not apply to such plan (or coverage) during the following plan year, and such exemption shall apply to the plan (or coverage) for 1 plan year. An employer may elect to continue to apply mental health and substance use disorder parity pursuant to this section with respect to the group health plan (or coverage) involved regardless of any increase in total costs.

(B) Applicable percentage

With respect to a plan (or coverage), the applicable percentage described in this subparagraph shall be—

(i) 2 percent in the case of the first plan year in which this section is applied; and

(ii) 1 percent in the case of each subsequent plan year.
(C) Determinations by actuaries

Determinations as to increases in actual costs under a plan (or coverage) for purposes of this section shall be made and certified by a qualified and licensed actuary who is a member in good standing of the American Academy of Actuaries. All such determinations shall be in a written report prepared by the actuary. The report, and all underlying documentation relied upon by the actuary, shall be maintained by the group health plan or health insurance issuer for a period of 6 years following the notification made under subparagraph (E).

(D) 6-month determinations

If a group health plan (or a health insurance issuer offering coverage in connection with a group health plan) seeks an exemption under this paragraph, determinations under subparagraph (A) shall be made after such plan (or coverage) has complied with this section for the first 6 months of the plan year involved.

(E) Notification

(i) In general

The determination of the Secretary of the Treasury shall not be prima facie evidence on issues relating solely to part 4 of subtitle B of subchapter I of this chapter. § 1232. Protection for employees under Federal procurement, construction, and research contracts and grants

(a) Study and investigation by Secretary of Labor

The Secretary of Labor shall, during the 2-year period beginning on September 2, 1974, conduct a full and complete study and investigation of the steps necessary to be taken to insure that professional, scientific, and technical personnel and others working in associated occupations employed under Federal procurement, construction, or research contracts or grants will, to the extent feasible, be protected against forfeitures of pension or retirement rights or benefits, otherwise provided, as a consequence of job transfers or loss of employment resulting from terminations or modifications of Federal contracts, grants, or procurement policies. The Secretary of Labor shall report the results of his study and investigation to the Congress within 2 years after September 2, 1974. The Secretary of Labor is authorized, to the extent provided by law, to obtain the services of private research institutions and such other persons by contract or other arrangement as he determines necessary in carrying out the provisions of this section.

(b) Consultation

In the course of conducting the study and investigation described in subsection (a) of this section, and in developing the regulations referred to in subsection (c) of this section, the Secretary of Labor shall consult—

(1) with appropriate professional societies, business organizations, and labor organizations, and

(2) with the heads of interested Federal departments and agencies.

(c) Regulations

Within 1 year after the date on which he submits his report to the Congress under subsection (a) of this section, the Secretary of Labor shall, if he determines it to be feasible, develop regulations, which will provide the protection of pension and retirement rights and benefits referred to in subsection (a) of this section.

(d) Congressional review of regulations; resolution of disapproval

(1) Any regulations developed pursuant to subsection (c) of this section shall take effect if, and only if—

(A) the Secretary of Labor, not later than the day which is 3 years after September 2, 1974, delivers a copy of such regulations to the House of Representatives and a copy to the Senate, and

(B) before the close of the 120-day period which begins on the day on which the copies of such regulations are delivered to the House of Representatives and to the Senate, neither the House of Representatives nor the Senate adopts, by an affirmative vote of a majority of those present and voting in that House, a resolution of disapproval.

(2) For purposes of this subsection, the term “resolution of disapproval” means only a resolution of either House of Congress, the matter after the resolving clause of which is as follows: “That the ___ does not favor the taking effect of the regulations transmitted to the Congress by the Secretary of Labor on ___,” the first blank space therein being filled with the name of the resolving House and the second blank space therein being filled with the day and year.

(3) A resolution of disapproval in the House of Representatives shall be referred to the Committee on Education and Labor. A resolution of
disapproval in the Senate shall be referred to the Committee on Labor and Public Welfare.

(4)(A) If the committee to which a resolution of disapproval has been referred has not reported it at the end of 7 calendar days after its introduction, it is in order to move either to discharge the committee from further consideration of the resolution or to discharge the committee from further consideration of any other resolution of disapproval which has been referred to the committee.

(B) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution of disapproval), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(C) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution of disapproval.

(5)(A) When the committee has reported, or has been discharged from further consideration of, a resolution of disapproval, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(B) Debate on the resolution of disapproval shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(6)(A) Motions to postpone, made with respect to the discharge from committee or the consideration of a resolution of disapproval, and motions to proceed to the consideration of other business, shall be decided without debate.

(B) Appeals from the decisions of the Chair relating to the application of the rules of the House of Representatives or the Senate, as the case may be, to the procedure relating to any resolution of disapproval shall be decided without debate.

(7) Whenever the Secretary of Labor transmits copies of the regulations to the Congress, a copy of such regulations shall be delivered to each House of Congress on the same day and shall be delivered to the Clerk of the House of Representatives if the House is not in session and to the Secretary of the Senate if the Senate is not in session.

(8) The 120 day period referred to in paragraph (1) shall be computed by excluding—

(A) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain or an adjournment of the Congress sine die, and

(B) any Saturday and Sunday, not excluded under subparagraph (A), when either House is not in session.

(9) This subsection is enacted by the Congress—

(A) as an exercise of the rulemaking power of the House of Representatives and the Senate, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions of disapproval described in paragraph (2); and they supersede other rules only to the extent that they are inconsistent therewith; and

(B) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedures of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

Whenever in this subchapter reference is made to the term “fund” the reference shall be considered to refer to the appropriate fund established under this subsection.

(b) Credits to funds; availability of funds; investment of moneys in excess of current needs

(1) Each fund established under this section shall be credited with the appropriate portion of—

(A) funds borrowed under subsection (c) of this section,

(C) the value of the assets of a plan administered under section 1342 of this title by a trustee to the extent that they exceed the liabilities of such plan,

(F) attorney’s fees awarded to the corporation, and
(G) receipts from any other operations under this subchapter.

(3) Whenever the corporation determines that the moneys of any fund are in excess of current needs, it may request the investment of such amounts as it determines advisable by the Secretary of the Treasury in obligations issued or guaranteed by the United States but, until all borrowings under subsection (c) of this section have been repaid, the obligations in which such excess moneys are invested may not yield a rate of return in excess of the rate of interest payable on such borrowings.

(c) Authority to issue notes or other obligations; purchase by Secretary of the Treasury as public debt transaction

The corporation is authorized to issue to the Secretary of the Treasury notes or other obligations in an aggregate amount of not to exceed $100,000,000, in such forms and denominations, bearing such maturities, and subject to such terms and conditions as may be prescribed by the Secretary of the Treasury. The Secretary of the Treasury is authorized and directed to purchase any notes or other obligations issued by the corporation under this subsection, and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which securities may be issued under that chapter, are extended to include any purchase of such notes and obligations. unless no other amounts are available for such payment.

(3) The corporation may invest amounts of the fund in such obligations as the corporation considers appropriate.

(g) Other use of funds; deposits of repayments

§ 1306. Premium rates

(a) Schedules for premium rates and bases for application; establishment, coverage, etc.

(1) The corporation shall prescribe such schedules of premium rates and bases for the application of those rates as may be necessary to provide sufficient revenue to the fund for the corporation to carry out its functions under this subchapter. The premium rates charged by the corporation for any period shall be uniform for all plans, other than multiemployer plans, insured by the corporation with respect to basic benefits guaranteed by it under section 1322 of this title, and shall be uniform for all multiemployer plans with respect to basic benefits guaranteed by it under section 1322a of this title.

(2) The corporation shall maintain separate schedules of premium rates, and bases for the application of those rates, for—

(A) basic benefits guaranteed by it under section 1322 of this title for single-employer plans,

(B) basic benefits guaranteed by it under section 1322a of this title for multiemployer plans,

(C) nonbasic benefits guaranteed by it under section 1322 of this title for single-employer plans,

(D) nonbasic benefits guaranteed by it under section 1322a of this title for multiemployer plans,

and

(E) reimbursements of uncollectible withdrawal liability under section 1402 of this title.

The corporation may revise such schedules whenever it determines that revised schedules are necessary. Except as provided in section 1322a(f) of this title, in order to place a revised schedule described in subparagraph (A) or (B) in effect, the corporation shall proceed in accordance with subsection (b)(1) of this section, and such schedule shall apply only to plan years beginning more than 30 days after the date on which a joint resolution approving such revised schedule is enacted.

(3)(A) Except as provided in subparagraph (C), the annual premium rate payable to the corporation by all plans for basic benefits guaranteed under this subchapter for any period shall be uniform for all plans, other than multiemployer plans, insured by the corporation with respect to basic benefits guaranteed by it under section 1322 of this title, and shall be uniform for all multiemployer plans with respect to basic benefits guaranteed by it under section 1322a of this title.

The corporation may revise such schedules whenever it determines that revised schedules are necessary. Except as provided in section 1322a(f) of this title, in order to place a revised schedule described in subparagraph (A) or (B) in effect, the corporation shall proceed in accordance with subsection (b)(1) of this section, and such schedule shall apply only to plan years beginning more than 30 days after the date on which a joint resolution approving such revised schedule is enacted.

(B) The corporation may prescribe by regulation the extent to which the rate described in subparagraph (A) applies more than once for any plan year to an individual participating in more than one plan maintained by the same employer, and the corporation may prescribe regulations under which the rate described in clause (i) or (iv) of subparagraph (A) will not apply to the same participant in any multiemployer plan more than once for any plan year.

(C)(i) If the sum of—

(I) the amounts in any fund for basic benefits guaranteed for multiemployer plans, and

(II) the value of any assets held by the corporation for payment of basic benefits guaranteed for multiemployer plans,

is for any calendar year less than 2 times the amount of basic benefits guaranteed by the corporation under this subchapter for multiemployer plans which were paid out of any such fund or assets during the preceding calendar year, the annual premium rates under subparagraph (A) shall be increased to the next highest premium level necessary to insure that such sum will be at least 2 times greater than such amount during the following calendar year.

(ii) If the board of directors of the corporation determines that an increase in the premium rates under subparagraph (A) is necessary to provide assistance to plans which are receiving assistance under section 1431 of this title and to plans the board finds are reasonably likely to require such assistance, the board may order such increase in the premium rates.

(iii) The maximum annual premium rate which may be established under this subparagraph is $2.60 for each participant.

(iv) The provisions of this subparagraph shall not apply if the annual premium rate is increased to a level in excess of $2.60 per participant under any other provisions of this subchapter.

(D)(i) Not later than 120 days before the date on which an increase under subparagraph (C)(ii)
is to become effective, the corporation shall publish in the Federal Register a notice of the determination described in subparagraph (C)(ii), the basis for the determination, the amount of the increase in the premium, and the anticipated increase in premium income that would result from the increase in the premium rate. The notice shall invite public comment, and shall provide for a public hearing if one is requested. Any such hearing shall be commenced not later than 60 days before the date on which the increase is to become effective.

(ii) The board of directors shall review the hearing record established under clause (i) and shall, not later than 30 days before the date on which the increase is to become effective, determine (after consideration of the comments received) whether the amount of the increase should be changed and shall publish its determination in the Federal Register.

(E)(i) Except as provided in subparagraph (H), the additional premium determined under this subparagraph with respect to any plan for any plan year shall be an amount equal to the amount determined under clause (ii) divided by the number of participants in such plan as of the close of the preceding plan year.

(ii) The amount determined under this clause for any plan year shall be an amount equal to $9.00 for each $1,000 (or fraction thereof) of unfunded vested benefits under the plan as of the close of the preceding plan year.

(iii) For purposes of clause (ii), the term "unfunded vested benefits" means, for a plan year, the excess (if any) of—

(I) the funding target of the plan as determined under section 1083(d) of this title for the plan year by only taking into account vested benefits and by using the interest rate described in clause (iv), over

(II) the fair market value of plan assets for the plan year which are held by the plan on the valuation date.

(iv) The interest rate used in valuing benefits for purposes of clause (I) of clause (iii) shall be equal to the first, second, or third segment rate, as the case may be, for the month preceding the month in which the plan year begins, which would be determined under section 1083(h)(2)(C) of this title if section 1083(h)(2)(D) of this title were applied by using the monthly yields for the month preceding the month in which the plan year begins on investment grade corporate bonds with varying maturities and in the top 3 quality levels rather than the average of such yields for a 24-month period.

(F) For each plan year beginning in a calendar year after 2006, there shall be substituted for the premium rate specified in clause (i) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying the premium rate specified in clause (i) of subparagraph (A) by the ratio of—

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2004; and

(ii) the premium rate in effect under clause (i) of subparagraph (A) for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of $1, such product shall be rounded to the nearest multiple of $1.

(G) For each plan year beginning in a calendar year after 2006, there shall be substituted for the premium rate specified in clause (iv) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying the premium rate specified in clause (iv) of subparagraph (A) by the ratio of—

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2004; and

(ii) the premium rate in effect under clause (iv) of subparagraph (A) for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of $1, such product shall be rounded to the nearest multiple of $1.

(H)(i) In the case of an employer who has 25 or fewer employees on the first day of the plan year, the additional premium determined under subparagraph (E) for each participant shall not exceed $5 multiplied by the number of participants in the plan as of the close of the preceding plan year.

(ii) For purposes of clause (i), whether an employer has 25 or fewer employees on the first day of the plan year is determined by taking into consideration all of the employees of all members of the contributing sponsor's controlled group. In the case of a plan maintained by two or more contributing sponsors, the employees of all contributing sponsors and their controlled groups shall be aggregated for purposes of determining whether the 25-or-fewer-employees limitation has been satisfied.

(4) The corporation may prescribe, subject to the enactment of a joint resolution in accordance with this section or section 1322a(f) of this title, alternative schedules of premium rates, and bases for the application of those rates, for basic benefits guaranteed by it under sections 1322 and 1322a of this title based, in whole or in part, on the risks insured by the corporation in each plan.

(5)(A) In carrying out its authority under paragraph (1) to establish schedules of premium rates, and bases for the application of those rates, for nonbasic benefits guaranteed under sections 1322 and 1322a of this title the premium rates charged by the corporation for any period for nonbasic benefits guaranteed shall—

(i) be uniform by category of nonbasic benefits guaranteed,

(ii) be based on the risks insured in each category, and

(iii) reflect the experience of the corporation (including experience which may be reasonably anticipated) in guaranteeing such benefits.

(B) Notwithstanding subparagraph (A), premium rates charged to any multiemployer plan

§ 1306
by the corporation for any period for supplemental guarantees under section 1322a(g)(2) of this title may reflect any reasonable considerations which the corporation determines to be appropriate.

(6) In carrying out its authority under paragraph (1) to establish premium rates and bases for basic benefits guaranteed under section 1322 of this title with respect to single-employer plans, the corporation shall establish such rates and bases in coverage schedules in accordance with the provisions of this paragraph. 

(B) The corporation may establish annual premiums for single-employer plans composed of the sum of—

(i) a charge based on a rate applicable to the excess, if any, of the present value of the basic benefits of the plan which are guaranteed over the value of the assets of the plan, not in excess of 0.1 percent, and

(ii) an additional charge based on a rate applicable to the present value of the basic benefits of the plan which are guaranteed.

The rate for the additional charge referred to in clause (ii) shall be set by the corporation for every year at a level which the corporation estimates will yield total revenue approximately equal to the total revenue to be derived by the corporation from the charges referred to in clause (i) of this subparagraph. 

(C) The corporation may establish annual premiums for single-employer plans based on—

(i) the number of participants in a plan, but such premium rates shall not exceed the rates described in paragraph (3),

(ii) unfunded basic benefits guaranteed under this subchapter, but such premium rates shall not exceed the limitations applicable to charges referred to in subparagraph (B)(i), or

(iii) total guaranteed basic benefits, but such premium rates shall not exceed the rates for additional charges referred to in subparagraph (B)(ii).

If the corporation uses two or more of the rate bases described in this subparagraph, the premium rates shall be designed to produce approximately equal amounts of aggregate premiums determined under this paragraph.

(D) For purposes of this paragraph, the corporation shall by regulation define the terms "value of assets" and "present value of the benefits" of the plan which are guaranteed. 

(1) In general.—The term "applicable 12-month period" means—

(i) the 12-month period beginning with the first month following the month in which the termination date occurs, and

(ii) each of the first two 12-month periods immediately following the period described in subclause (I).

(2) Plans terminated in bankruptcy reorganization.—In any case in which the requirements of subparagraph (B) are met in connection with the termination of the plan with respect to 1 or more persons described in such subparagraph, the 12-month period described in clause (i)(I) shall be the 12-month period beginning with the first month following the month which includes the earliest date as of which each such person is discharged or dismissed in the case described in such clause in connection with such person.

(D) Coordination with section 1307.—

(I) Notwithstanding section 1307 of this title—

(i) premiums under this paragraph shall be due within 30 days after the beginning of any applicable 12-month period, and

(ii) the designated payor shall be the person who is the contributing sponsor as of immediately before the termination date.

(ii) The fifth sentence of section 1307(a) of this title shall not apply in connection with premiums determined under this paragraph.

(b) Revised schedule; Congressional procedures applicable

(1) In order to place a revised schedule (other than a schedule described in subsection (a)(2)(C), (D), or (E) of this section) in effect, the corporation shall transmit the proposed schedule, its proposed effective date, and the reasons for its proposal to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives, and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(2) The succeeding paragraphs of this subsection are enacted by Congress as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described in paragraph (3). They shall supersede other
rules only to the extent that they are inconsistent therewith. They are enacted with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any rule of that House.

(3) For the purpose of the succeeding paragraphs of this subsection, "resolution" means only a joint resolution, the matter after the resolving clause of which is as follows: "The proposed revised schedule transmitted to Congress by the Pension Benefit Guaranty Corporation on ___ is hereby approved.", the blank space there-in being filled with the date on which the corporation's message proposing the rate was delivered.

(4) A resolution shall be referred to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(5) If a committee to which has been referred a resolution has not reported it before the expiration of 10 calendar days after its introduction, it shall then (but not before) be in order to move to discharge the committee from further consideration of that resolution, or to discharge the committee from further consideration of any other resolution with respect to the proposed adjustment which has been referred to the committee. The motion to discharge may be made only by a person favoring the resolution, shall be highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same proposed rate), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same proposed rate.

(6) When a committee has reported, or has been discharged from further consideration of a resolution, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. Debate on the resolution shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(7) Motions to postpone, made with respect to the discharge from committee, or the consideration of, a resolution and motions to proceed to the consideration of other business shall be decided without debate. § 1307. Payment of premiums

(a) Premiums payable when due; accrual; waiver or reduction

The designated payor of each plan shall pay the premiums imposed by the corporation under this subchapter with respect to that plan when they are due. Premiums under this subchapter are payable at the time, and on an estimated, advance, or other basis, as determined by the corporation. Premiums imposed by this subchapter on September 2, 1974 (applicable to that portion of any plan year during which such date occurs) are due within 30 days after such date. Premiums imposed by this subchapter on the first plan year commencing after September 2, 1974, are due within 30 days after such plan year commences. Premiums shall continue to accrue until a plan’s assets are distributed pursuant to a termination procedure, or until a trustee is appointed pursuant to section 1342 of this title, whichever is earlier. The corporation may waive or reduce premiums for a multiemployer plan for any plan year during which such plan receives financial assistance from the corporation under section 1431 of this title, except that any amount so waived or reduced shall be treated as financial assistance under such section.

(b) Late payment charge; waiver; interest on overpayment

(2) The corporation is authorized to pay, subject to regulations prescribed by the corporation, interest on the amount of any overpayment of premium refunded to a designated payor. Interest under this paragraph shall be calculated at the same rate and in the same manner as interest is calculated for underpayments under paragraph (1).

(c) Civil action to recover premium penalty and interest

If any designated payor fails to pay a premium when due, the corporation is authorized to bring a civil action in any district court of the United States within the jurisdiction of which the plan assets are located, the plan is administered, or in which a defendant resides or is found for the recovery of the amount of the premium penalty, and interest, and process may be served in any other district. The district courts of the United States shall have jurisdiction over actions brought under this subsection by the corporation without regard to the amount in controversy.

For purposes of this subchapter, a successor plan is considered to be a continuation of a predecessor plan. For this purpose, unless otherwise specifically indicated in this subchapter, a successor plan is a plan which covers a group of employees which includes substantially the same employees as a previously established plan, and provides substantially the same benefits as that plan provided.

(b) Plans not covered

§ 1322. Single-employer plan benefits guaranteed

(a) Nonforfeitable benefits

Subject to the limitations contained in subsection (b) of this section, the corporation shall guarantee, in accordance with this section, the payment of all nonforfeitable benefits (other than benefits becoming nonforfeitable solely on account of the termination of a plan) under a single-employer plan which terminates at a time when this subchapter applies to it.

(b) Exceptions

(1) Except to the extent provided in paragraph (7)—

(A) no benefits provided by a plan which has been in effect for less than 60 months at the time the plan terminates shall be guaranteed under this section, and

(B) any increase in the amount of benefits under a plan resulting from a plan amendment which was made, or became effective, whatever is later, within 60 months before the date on which the plan terminates shall be disregarded.

(2) For purposes of this subsection, the time a successor plan (within the meaning of section 1321(a) of this title) has been in effect includes the time a previously established plan (within the meaning of section 1321(a) of this title) was in effect. For purposes of determining what benefits are guaranteed under this section in the case of a plan to which section 1321 of this title does not apply on September 3, 1974, the 6-month period referred to in paragraph (1) shall be computed beginning on the first date on which such section does apply to the plan.

(3) The amount of monthly benefits described in subsection (a) of this section provided by a plan, which are guaranteed under this section with respect to a participant, shall not have an actuarial value which exceeds the actuarial value of a monthly benefit in the form of a life annuity commencing at age 65 equal to the lesser of—

(A) his average monthly gross income from his employer during the 5 consecutive calendar year period (or, if less, during the number of calendar years in such period in which he actively participates in the plan) during which his gross income from that employer was greater than during any other such period with that employer determined by dividing 1/12 of the sum of all such gross income by the number of such calendar years in which he had such gross income, or

(B) $750 multiplied by a fraction, the numerator of which is the contribution and benefit base (determined under section 230 of the Social Security Act [42 U.S.C. 430]) in effect at the time the plan terminates and the denominator of which is such contribution and benefit base in effect in calendar year 1974.

The provisions of this paragraph do not apply to non-basic benefits. The maximum guaranteed monthly benefit shall not be reduced solely on account of the age of a participant in the case of a benefit payable by reason of disability that occurred on or before the termination date, if the participant demonstrates to the satisfaction of the corporation that the Social Security Administration has determined that the participant satisfies the definition of disability under title II or XVI of the Social Security Act [42 U.S.C. 401 et seq., 1381 et seq.], and the regulations thereunder. If a benefit payable by reason of disability is converted to an early or normal retirement benefit for reasons other than a change in the health of the participant, such early or normal retirement benefit shall be treated as a continuation of the benefit payable by reason of disability and this subparagraph shall continue to apply.

(4)(A) The actuarial value of a benefit, for purposes of this subsection, shall be determined in accordance with regulations prescribed by the corporation.

(B) For purposes of paragraph (3)—

(i) the term “gross income” means “earned income” within the meaning of section 911(b) of title 26 (determined without regard to any community property laws),

(ii) in the case of a participant in a plan under which contributions are made by more than one employer, amounts received as gross income from any employer under that plan...
shall be aggregated with amounts received from any other employer under that plan during the same period, and
(ii) any non-basic benefit shall be disregarded.

(5)(A) For purposes of this paragraph, the term "majority owner" means an individual who, at any time during the 60-month period ending on the date the determination is being made—
(i) owns the entire interest in an unincorporated trade or business,
(ii) in the case of a partnership, is a partner who owns, directly or indirectly, 50 percent or more of either the capital interest or the profits interest in such partnership, or
(iii) in the case of a corporation, owns, directly or indirectly, 50 percent or more in value of either the voting stock of that corporation or all the stock of that corporation.

For purposes of clause (iii), the constructive ownership rules of section 1563(e) of title 26 (other than paragraph (3)(C) thereof) shall apply, including the application of such rules under section 414(c) of title 26.

(B) In the case of a participant who is a majority owner, the amount of benefits guaranteed under this section shall equal the product of—
(i) a fraction (not to exceed 1) the numerator of which is the number of years from the later of the effective date or the adoption date of the plan to the termination date, and the denominator of which is 10, and
(ii) the amount of benefits that would be guaranteed under this section if the participant were not a majority owner.

(6)(A) No benefits accrued under a plan after the date on which the Secretary of the Treasury issues notice that he has determined that any trust which is a part of a plan does not meet the requirements of section 401(a) of title 26, or that the plan does not meet the requirements of section 404(a)(2) of title 26, are guaranteed under this section unless such determination is erroneous. This subparagraph does not apply if the Secretary subsequently issues a notice that such trust meets the requirements of section 401(a) of title 26 or that the plan meets the requirements of section 404(a)(2) of title 26, are guaranteed under this section unless such determination is erroneous. This subparagraph does not apply if the Secretary subsequently issues a notice that such trust meets the requirements of section 401(a) of title 26 or that the plan meets the requirements of section 404(a)(2) of title 26, are guaranteed under this section unless such determination is erroneous.

(B) No benefits accrued under a plan after the date on which an amendment of the plan is adopted which causes the Secretary of the Treasury to determine that any trust under the plan has ceased to meet the requirements of section 401(a) of title 26 or that the plan has ceased to meet the requirements of section 404(a)(2) of title 26, are guaranteed under this section unless such determination is erroneous. This subparagraph shall not apply if the amendment is revoked as of the date it was first effective or amended to comply with such requirements.

(7) Benefits described in paragraph (1) are guaranteed only to the extent of the greater of—
(A) 20 percent of the amount which, but for the fact that the plan or amendment has not been in effect for 60 months or more, would be guaranteed under this section, or
(B) $20 per month,
multiplied by the number of years (but not more than 5) the plan or amendment, as the case may be, has been in effect. In determining how many years a plan or amendment has been in effect for purposes of this paragraph, the first 12 months beginning with the date on which the plan or amendment is made or first becomes effective (whichever is later) constitutes one year, and each consecutive period of 12 months thereafter constitutes an additional year. This paragraph does not apply to benefits payable under a plan unless the corporation finds substantial evidence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this subchapter.

(B) If an unpredictable contingent event benefit (as defined in section 1056(g)(1) of this title) is payable by reason of the occurrence of any event, this section shall be applied as if a plan amendment had been adopted on the date such event occurred.

(c) Payment by corporation to participants and beneficiaries of recovery percentage of outstanding amount of benefit liabilities

(1) In addition to benefits paid under the preceding provisions of this section with respect to a terminated plan, the corporation shall pay the portion of the amount determined under paragraph (2) which is allocated with respect to each participant under section 1344(a) of this title. Such payment shall be made to such participant or to such participant’s beneficiaries (including alternate payees, within the meaning of section 1056(d)(3)(K) of this title).

(2) The amount determined under this paragraph is an amount equal to the product derived by multiplying—
(A) the outstanding amount of benefit liabilities under the plan (including interest calculated from the termination date), by
(B) the applicable recovery ratio.

(3)(A) IN GENERAL.—Except as provided in subparagraph (C), the term “recovery ratio” means the ratio which—
(i) the sum of the values of all recoveries under section 1362, 1363, or 1364 of this title, determined by the corporation in connection with plan terminations described under subparagraph (B), bears to
(ii) the sum of all unfunded benefit liabilities under such plans as of the termination date in connection with any such prior termination.

(B) A plan termination described in this subparagraph is a termination with respect to which—
(i) the corporation has determined the value of recoveries under section 1362, 1363, or 1364 of this title, and
(ii) notices of intent to terminate were provided (or in the case of a termination by the corporation, a notice of determination under section 1342 of this title was issued) during the 5-Federal fiscal year period ending with the third fiscal year preceding the fiscal year in
which occurs the date of the notice of intent to terminate (or the notice of determination under section 1342 of this title) with respect to the plan termination for which the recovery ratio is being determined.

(C) In the case of a terminated plan with respect to which the outstanding amount of benefit liabilities exceeds $20,000,000, for purposes of this section, the term "recovery ratio" means, with respect to the termination of such plan, the ratio of—

(i) the value of the recoveries of the corporation under section 1362, 1363, or 1364 of this title in connection with such plan, to

(ii) the amount of unfunded benefit liabilities under such plan as of the termination date.

(D) Determinations under this subsection shall be made by the corporation. Such determinations shall be binding unless shown by clear and convincing evidence to be unreasonable.

(d) Authorization to guarantee other classes of benefits

The corporation is authorized to guarantee the payment of such other classes of benefits and to establish the terms and conditions under which such other classes of benefits are guaranteed as it determines to be appropriate.

(e) Nonforfeitability of preretirement survivor annuity

For purposes of subsection (a) of this section, a qualified preretirement survivor annuity (as defined in section 1055(e)(1) of this title) with respect to a participant under a terminated single-employer plan shall not be treated as forfeitable solely because the participant has not died as of the termination date.

(f) Effective date of plan amendments

For purposes of this section, the effective date of a plan amendment described in section 1054(i)(1) of this title shall be the effective date of the plan of reorganization of the employer described in section 1054(i)(1) of this title or, if later, the effective date stated in such amendment.

(g) Bankruptcy filing substituted for termination date

If a contributing sponsor of a plan has filed or has had filed against such person a petition seeking liquidation or reorganization in a case under title 11 or under any similar Federal law or law of a State or political subdivision, and the case has not been dismissed as of the termination date of the plan, then such section shall be applied by treating the date such petition was filed as the termination date of the plan.

(h) Special rule for plans electing certain funding requirements

If any plan makes an election under section 402(a)(1) of the Pension Protection Act of 2006 and is terminated effective before the end of the 10-year period beginning on the first day of the first applicable plan year—

(i) this section shall be applied—

(A) by treating the first day of the first applicable plan year as the termination date of the plan, and

(B) by determining the amount of guaranteed benefits on the basis of plan assets and liabilities as of such assumed termination date, and

(2) notwithstanding section 1344(a) of this title, plan assets shall first be allocated to pay the amount, if any, by which—

(A) the amount of guaranteed benefits under this section (determined without regard to paragraph (1) and on the basis of plan assets and liabilities as of the actual date of plan termination), exceeds

(B) the amount determined under paragraph (1).

§ 1322a. Multiemployer plan benefits guaranteed

(a) Benefits of covered plans subject to guarantee

The corporation shall guarantee, in accordance with this section, the payment of all nonforfeitable benefits (other than benefits becoming nonforfeitable solely on account of the termination of a plan) under a multiemployer plan—

(1) to which this subchapter applies, and

(2) which is insolvent under section 1426(b) or 1441(d)(2) of this title.

(b) Benefits or benefit increases not eligible for guarantee

(1)(A) For purposes of this section, a benefit or benefit increase which has been in effect under a plan for less than 60 months is not eligible for the corporation's guarantee. For purposes of this paragraph, any month of any plan year during which the plan was insolvent or terminated (within the meaning of section 1341a(a)(2) of this title) shall not be taken into account.

(B) For purposes of this section, a benefit or benefit increase which has been in effect under a plan for less than 60 months before the first day of the plan year for which an amendment reducing the benefit or the benefit increase is taken into account under section 1425(a)(2) of this title shall not be taken into account.

(2) For purposes of this section—

(A) a year of credited service is a year in which the participant completed—

(i) a full year of participation in the plan, or

(ii) any period of service before participation which is credited for purposes of benefit accrual as the equivalent of a full year of participation;

(B) the number of the participant's years of credited service;

(C) in the case of a plan to which section 1321 of this title did not apply on September 3, 1974, the time periods referred to in this section are computed beginning on the date on which section 1321 of this title first applies to the plan.

(c) Determinations respecting amount of guarantee

(1) Except as provided in subsection (g) of this section, the monthly benefit of a participant or a beneficiary which is guaranteed under this section by the corporation with respect to a plan is the product of—

(A) 100 percent of the accrual rate up to $11, plus 75 percent of the lesser of—

(i) $33, or

(ii) the accrual rate, if any, in excess of $11, and

(B) the number of the participant's years of credited service.

(2) For purposes of this section, the accrual rate is—

(A) the monthly benefit of the participant or beneficiary which is described in subsection (a) of this section and which is eligible for the corporation's guarantee under subsection (b) of this section, except that such benefit shall be—

(i) no greater than the monthly benefit which would be payable under the plan at normal retirement age in the form of a single life annuity, and

(ii) determined without regard to any reduction under section 411(a)(3)(E) of title 26; divided by

(B) the participant's years of credited service.

(3) For purposes of this subsection—

(A) a year of credited service is a year in which the participant completed—

(i) a full year of participation in the plan, or

(ii) any period of service before participation which is credited for purposes of benefit accrual as the equivalent of a full year of participation;

(B) the number of the participant's years of credited service;

(C) the number of years of credited service shall be determined by including service which may otherwise be disregarded by the plan under section 411(a)(3)(E) of title 26.

(d) Amount of guarantee of reduced benefit

In the case of a benefit which has been reduced under section 411(a)(3)(E) of title 26, the corporation shall guarantee the lesser of—

(1) the reduced benefit, or

(2) the amount determined under subsection (c) of this section.

(e) Ineligibility of benefits for guarantee

The corporation shall not guarantee benefits under a multiemployer plan which, under section 1322(b)(6) of this title, would not be guaranteed under a single-employer plan.

(f) Study, report, etc., respecting premium increase in existing basic-benefit guarantee levels; Congressional procedures applicable for revision of schedules

(1) No later than 5 years after September 26, 1980, and at least every fifth year thereafter, the corporation shall—
(A) conduct a study to determine—
   (i) the premiums needed to maintain the basic-benefit guarantee levels for multiemployer plans described in subsection (c) of this section, and
   (ii) whether the basic-benefit guarantee levels for multiemployer plans may be increased without increasing the basic-benefit premiums for multiemployer plans under this subchapter; and

(B) report such determinations to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(2)(A) If the last report described in paragraph (1) indicates that a premium increase is necessary to support the existing basic-benefit guarantee levels for multiemployer plans, the corporation shall transmit to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate by March 31 of any calendar year in which congressional action under this subchapter is requested—
   (i) a revised schedule of basic-benefit guarantees for multiemployer plans which would be necessary in the absence of an increase in premiums approved in accordance with section 1306(b) of this title,
   (ii) a revised schedule of basic-benefit premiums for multiemployer plans which is necessary to support the existing basic-benefit guarantees for such plans, and
   (iii) a revised schedule of basic-benefit guarantees for multiemployer plans for which the schedule of premiums necessary is higher than the existing premium schedule for such plans but lower than the revised schedule of premiums for such plans specified in clause (ii), together with such schedule of premiums.

(B) The revised schedule of increased premiums referred to in subparagraph (A)(i) or (A)(ii) shall go into effect as approved by the enactment of a joint resolution.

(C) If an increase in premiums is not so enacted, the revised guarantee schedule described in subparagraph (A)(i) shall go into effect on the first day of the second calendar year following the year in which such revised guarantee schedule was submitted to the Congress.

(3)(A) If the last report described in paragraph (1) indicates that basic-benefit guarantees for multiemployer plans can be increased without increasing the basic-benefit premiums for multiemployer plans under this subchapter, the corporation shall submit to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate by March 31 of the calendar year in which congressional action under this paragraph is requested—
   (i) a revised schedule of increases in the basic-benefit guarantees which can be supported by the existing schedule of basic-benefit premiums for multiemployer plans, and
   (ii) a revised schedule of basic-benefit premiums sufficient to support the existing basic-benefit guarantees.

(B) The revised schedules referred to in subparagraph (A)(i) or subparagraph (A)(ii) shall go into effect as approved by the enactment of a joint resolution.

(4)(A) The succeeding subparagraphs of this paragraph are enacted by the Congress as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of joint resolutions (as defined in subparagraph (B)). Such subparagraphs shall supersede other rules only to the extent that they are inconsistent therewith. They are enacted with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any rule of that House.

(B) For purposes of this subsection, “joint resolution” means only a joint resolution, the matter after the resolving clause of which is as follows: “The proposed schedule described in transmitted to the Congress by the Pension Benefit Guaranty Corporation on is hereby approved.”, the first blank space therein being filled with “section 4022A(f)(2)(A)(ii) of the Employee Retirement Income Security Act of 1974”, “section 4022A(f)(2)(A)(iii) of the Employee Retirement Income Security Act of 1974”, “section 4022A(f)(2)(A)(i) of the Employee Retirement Income Security Act of 1974”, or “section 4022A(f)(3)(A)(i) of the Employee Retirement Income Security Act of 1974”, or “section 4022A(f)(3)(A)(ii) of the Employee Retirement Income Security Act of 1974” (whichever is applicable), and the second blank space therein being filled with the date on which the corporation’s message proposing the revision was submitted.

(C) The procedure for disposition of a joint resolution shall be the procedure described in section 1306(b)(4) through (7) of this title.

(g) Guarantee of payment of other classes of benefits and establishment of terms and conditions of guarantee; promulgation of regulations for establishment of supplemental program to guarantee benefits otherwise ineligible; status of benefits; applicability of revised schedule of premiums

(1) The corporation may guarantee the payment of such other classes of benefits under multiemployer plans, and establish the terms and conditions under which those other classes of benefits are guaranteed, as it determines to be appropriate.

(2)(A) The corporation shall prescribe regulations to establish a supplemental program to guarantee benefits under multiemployer plans which would be guaranteed under this section but for the limitations in subsection (c) of this section. Such regulations shall be proposed by the corporation no later than the end of the 18th calendar month following September 26, 1980. The regulations shall make coverage under the supplemental program available no later than January 1, 1983. Any election to participate in
the supplemental program shall be on a voluntary basis, and a plan electing such coverage shall continue to pay the premiums required under section 1306(a)(2)(B) of this title to the revolving fund used pursuant to section 1305 of this title in connection with benefits otherwise guaranteed under this section. Any such election shall be irrevocable, except to the extent otherwise provided by regulations prescribed by the corporation.

(B) The regulations prescribed under this paragraph shall provide—

(i) that a plan must elect coverage under the supplemental program within the time permitted by the regulations;

(ii) unless the corporation determines otherwise, that a plan may not elect supplemental coverage unless the value of the assets of the plan as of the end of the plan year preceding the plan year in which the election must be made is an amount equal to 15 times the total amount of the benefit payments made under the plan for that year; and

(iii) such other reasonable terms and conditions for supplemental coverage, including funding standards and any other reasonable limitations with respect to plans or benefits covered or to means of program financing, as the corporation determines are necessary and appropriate for a feasible supplemental program consistent with the purposes of this subchapter.

(3) Any benefits guaranteed under this subsection shall be considered nonbasic benefits for purposes of this subchapter.

(4)(A) No revised schedule of premiums under this subsection, after the initial schedule, shall go into effect unless—

(i) the revised schedule is submitted to the Congress, and

(ii) a joint resolution described in subparagraph (B) is not enacted before the close of the 60th legislative day after such schedule is submitted to the Congress.

(B) For purposes of subparagraph (A), a joint resolution described in this subparagraph is a joint resolution the matter after the resolving clause of which is as follows: “The revised premium schedule transmitted to the Congress by the Pension Benefit Guaranty Corporation under section 4022A(g)(4) of the Employee Retirement Income Security Act of 1974 on [date] is hereby disapproved.”

(C) For purposes of subparagraph (A), the term “legislative day” means any calendar day other than a day on which either House is not in session because of a sine die adjournment or an adjournment of more than 3 days to a day certain.

(D) The procedure for disposition of a joint resolution described in subparagraph (B) shall be the procedure described in paragraphs (4) through (7) of section 1306(b) of this title.

(5) Regulations prescribed by the corporation to carry out the provisions of this subsection, may, to the extent provided therein, supersede the requirements of sections 1426, 1431, and 1441 of this title, and the requirements of section 412E of title 26, but only with respect to benefits guaranteed under this subsection.

(h) Applicability to nonforfeitable benefits accrued as of July 30, 1980; manner and extent of guarantee

(1) Except as provided in paragraph (3), subsections (b) and (c) of this section shall not apply with respect to the nonforfeitable benefits accrued as of July 29, 1980, with respect to a participant or beneficiary under a multiemployer plan—

(1) who is in pay status on July 29, 1980, or

(2) who is within 36 months of the normal retirement age and has a nonforfeitable right to a pension as of that date.

(2) The benefits described in paragraph (1) shall be guaranteed by the corporation in the same manner and to the same extent as benefits are guaranteed by the corporation under section 1322 of this title (without regard to this section).

(3) This subsection does not apply with respect to a plan for plan years following a plan year—

(A) in which the plan has terminated within the meaning of section 1341(a)(2) of this title, or

(B) in which it is determined by the corporation that substantially all the employers have withdrawn from the plan pursuant to an agreement or arrangement to withdraw.

SUBTITLE C—TERMINATIONS

§1341. Termination of single-employer plans

(a) General rules governing single-employer plan terminations

(1) Exclusive means of plan termination

Except in the case of a termination for which proceedings are otherwise instituted by the corporation as provided in section 1342 of this title, a single-employer plan may be terminated only in a standard termination under subsection (b) of this section or a distress termination under subsection (c) of this section.
(2) 60-day notice of intent to terminate

Not less than 60 days before the proposed termination date of a standard termination under subsection (b) of this section or a distress termination under subsection (c) of this section, the plan administrator shall provide to each affected party (other than the corporation in the case of a standard termination) a written notice of intent to terminate stating that such termination is intended and the proposed termination date. The written notice shall include any related additional information required in regulations of the corporation.

(3) Adherence to collective bargaining agreements

The corporation shall not proceed with a termination of a plan under this section if the termination would violate the terms and conditions of an existing collective bargaining agreement. Nothing in the preceding sentence shall be construed as limiting the authority of the corporation to institute proceedings to involuntarily terminate a plan under section 1342 of this title.

(b) Standard termination of single-employer plans

(1) General requirements

A single-employer plan may terminate under a standard termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to affected parties required under subsection (a)(2) of this section,

(B) the requirements of subparagraphs (A) and (B) of paragraph (2) are met,

(C) the corporation does not issue a notice of noncompliance under subparagraph (C) of paragraph (2), and

(D) when the final distribution of assets occurs, the plan is sufficient for benefit liabilities (determined as of the proposed termination date).

(2) Termination procedure

(A) Notice to the corporation

As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2) of this section, the plan administrator shall send a notice to the corporation setting forth—

(i) certification by an enrolled actuary—

(I) of the projected amount of the assets of the plan (as of a proposed date of final distribution of assets),

(II) of the actuarial present value (as of such date) of the benefit liabilities (determined as of the proposed termination date) under the plan, and

(III) that the plan is projected to be sufficient (as of such proposed date of final distribution) for such benefit liabilities,

(ii) such information as the corporation may prescribe in regulations as necessary to enable the corporation to make determinations under subparagraph (C), and

(iii) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certification under clause (i) is accurate and complete, and

(II) the information provided to the corporation under clause (ii) is accurate and complete.

Clause (i) and clause (iii)(I) shall not apply to a plan described in section 412(i) of title 26.

(B) Notice to participants and beneficiaries of benefit commitments

No later than the date on which a notice is sent by the plan administrator under subparagraph (A), the plan administrator shall send a notice to each person who is a participant or beneficiary under the plan—

(i) specifying the amount of the benefit liabilities (if any) attributable to such person as of the proposed termination date and the benefit form on the basis of which such amount is determined, and

(ii) including the following information used in determining such benefit liabilities:

(I) the length of service,

(II) the age of the participant or beneficiary,

(III) wages,

(IV) the assumptions, including the interest rate, and

(V) such other information as the corporation may require.

Such notice shall be written in such manner as is likely to be understood by the participant or beneficiary and as may be prescribed in regulations of the corporation.

(C) Notice from the corporation of noncompliance

(i) In general

Within 60 days after receipt of the notice under subparagraph (A), the corporation shall issue a notice of noncompliance to the plan administrator if—

(I) it determines, based on the notice sent under paragraph (2)(A) of subsection (b) of this section, that there is reason to believe that the plan is not sufficient for benefit liabilities,

(II) it otherwise determines, on the basis of information provided by affected parties or otherwise obtained by the corporation, that there is reason to believe that the plan is not sufficient for benefit liabilities, or

(III) it determines that any other requirement of subparagraph (A) or (B) of this paragraph or of subsection (a)(2) of this section has not been met, unless it further determines that the issuance of such notice would be inconsistent with the interests of participants and beneficiaries.

(ii) Extension

The corporation and the plan administrator may agree to extend the 60-day pe-
period referred to in clause (i) by a written agreement signed by the corporation and the plan administrator before the expiration of the 60-day period. The 60-day period shall be extended as provided in the agreement and may be further extended by subsequent written agreements signed by the corporation and the plan administrator made before the expiration of a previously agreed upon extension of the 60-day period. Any extension may be made upon such terms and conditions (including the payment of benefits) as are agreed upon by the corporation and the plan administrator.

(D) Final distribution of assets in absence of notice of noncompliance

The plan administrator shall commence the final distribution of assets pursuant to the standard termination of the plan as soon as practicable after the expiration of the 60-day (or extended) period referred to in subparagraph (C), but such final distribution may occur only if—

(1) the plan administrator has not received during such period a notice of noncompliance from the corporation under subparagraph (C), and

(2) when such final distribution occurs, the plan is sufficient for benefit liabilities (determined as of the termination date).

(3) Methods of final distribution of assets

(A) In general

In connection with any final distribution of assets pursuant to the standard termination of the plan under this subsection, the plan administrator shall distribute the assets in accordance with section 1344 of this title. In distributing such assets, the plan administrator shall—

(i) purchase irrevocable commitments from an insurer to provide all benefit liabilities under the plan, or

(ii) in accordance with the provisions of the plan and any applicable regulations, otherwise fully provide all benefit liabilities under the plan. A transfer of assets to the corporation in accordance with section 1350 of this title on behalf of a missing participant shall satisfy this subparagraph with respect to such participant.

(B) Certification to the corporation of final distribution of assets

Within 30 days after the final distribution of assets is completed pursuant to the standard termination of the plan under this subsection, the plan administrator shall send a notice to the corporation certifying that the assets of the plan have been distributed in accordance with the provisions of subparagraph (A) so as to pay all benefit liabilities under the plan.

(4) Continuing authority

Nothing in this section shall be construed to preclude the continued exercise by the corporation, after the termination date of a plan terminated in a standard termination under this subsection, of its authority under section 1303 of this title with respect to matters relating to the termination. A certification under paragraph (3)(B) shall not affect the corporation’s obligations under section 1322 of this title.

(5) Special rule for certain plans where cessation or change in membership of a controlled group

(A) In general

Except as provided in subparagraphs (B) and (D), if—

(i) there is a transaction or series of transactions which result in a person ceasing to be a member of a controlled group, and

(ii) such person immediately before the transaction or series of transactions maintained a single-employer plan which is a defined benefit plan which is fully funded, then the interest rate used in determining whether the plan is sufficient for benefit liabilities or to otherwise assess plan liabilities for purposes of this subsection or section 1342(a)(4) of this title shall be not less than the interest rate used in determining whether the plan is fully funded.

(B) Limitations

Subparagraph (A) shall not apply to any transaction or series of transactions unless—

(i) any employer maintaining the plan immediately before or after such transaction or series of transactions—

(1) has an outstanding senior unsecured debt instrument which is rated investment grade by each of the nationally recognized statistical rating organizations for corporate bonds that has issued a credit rating for such instrument, or

(2) if no such debt instrument of such employer has been rated by such an organization but 1 or more of such organizations has made an issuer credit rating for such employer, all such organizations which have so rated the employer have rated such employer investment grade, and

(ii) the employer maintaining the plan after the transaction or series of transactions employs at least 20 percent of the employees located in the United States who were employed by such employer immediately before the transaction or series of transactions.

(C) Fully funded

For purposes of subparagraph (A), a plan shall be treated as fully funded with respect to any transaction or series of transactions if—

(i) in the case of a transaction or series of transactions which occur in a plan year beginning before January 1, 2008, the funded current liability percentage determined under section 1082(d) of this title for the plan year is at least 100 percent, and

(ii) in the case of a transaction or series of transactions which occur in a plan year beginning on or after such date, the fund-
ing target attainment percentage determined under section 1083 of this title is, as of the valuation date for such plan year, at least 100 percent.

(D) 2 year limitation

Subparagraph (A) shall not apply to any transaction or series of transactions if the plan referred to in subparagraph (A)(ii) is terminated under subsection (c) or section 1342 of this title after the close of the 2-year period beginning on the date on which the first such transaction occurs.

(c) Distress termination of single-employer plans

(1) In general

A single-employer plan may terminate under a distress termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to affected parties required under subsection (a)(2) of this section,

(B) the requirements of subparagraph (A) of paragraph (2) are met, and

(C) the corporation determines that the requirements of subparagraphs (B) and (D) of paragraph (2) are met.

(2) Termination requirements

(A) Information submitted to the corporation

As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2) of this section, the plan administrator shall provide the corporation, in such form as may be prescribed by the corporation in regulations, the following information:

(i) such information as the corporation may prescribe by regulation as necessary to make determinations under subparagraph (B) and paragraph (3);

(ii) unless the corporation determines the information is not necessary for purposes of paragraph (3)(A) or section 1362 of this title, certification by an enrolled actuary of—

(I) the amount (as of the proposed termination date and, if applicable, the proposed distribution date) of the current value of the assets of the plan,

(II) the actuarial present value (as of such dates) of the benefit liabilities under the plan,

(III) whether the plan is sufficient for benefit liabilities as of such dates,

(IV) the actuarial present value (as of such dates) of benefits under the plan guaranteed under section 1322 of this title, and

(V) whether the plan is sufficient for guaranteed benefits as of such dates;

(iii) in any case in which the plan is not sufficient for benefit liabilities as of such date—

(I) the name and address of each participant and beneficiary under the plan as of such date, and

(II) such other information as shall be prescribed by the corporation by regulation as necessary to enable the corporation to be able to make payments to participants and beneficiaries as required under section 1322(c) of this title; and

(iv) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certifications under clause (ii) is accurate and complete, and

(II) the information provided to the corporation under clauses (i) and (iii) is accurate and complete.

Clause (ii) and clause (iv)(I) shall not apply to a plan described in section 412(i) of title 26.

(B) Determination by the corporation of necessary distress criteria

Upon receipt of the notice of intent to terminate required under subsection (a)(2) of this section and the information required under subparagraph (A), the corporation shall determine whether the requirements of this subparagraph are met as provided in clause (i), (ii), or (iii). The requirements of this subparagraph are met if each person who is (as of the proposed termination date) a contributing sponsor of such plan or a member of such sponsor’s controlled group meets the requirements of any of the following clauses:

(i) Liquidation in bankruptcy or insolvency proceedings

The requirements of this clause are met by a person if—

(I) such person has filed or has had filed against such person, as of the proposed termination date, a petition seeking liquidation in a case under title 11 or under any similar Federal law or law of a State or political subdivision of a State (or a case described in clause (ii) filed by or against such person has been converted, as of such date, to a case in which liquidation is sought), and

(II) such case has not, as of the proposed termination date, been dismissed.

(ii) Reorganization in bankruptcy or insolvency proceedings

The requirements of this clause are met by a person if—

(I) such person has filed, or has had filed against such person, as of the proposed termination date, a petition seeking reorganization in a case under title 11 or under any similar law of a State or political subdivision of a State (or a case described in clause (i) filed by or against such person has been converted, as of such date, to such a case in which reorganization is sought), and

(II) such case has not, as of the proposed termination date, been dismissed, (III) such person timely submits to the corporation any request for the approval of the bankruptcy court (or other appropriate court in a case under such similar law of a State or political subdivision) of the plan termination, and

(IV) the bankruptcy court (or such other appropriate court) determines
that, unless the plan is terminated, such person will be unable to pay all its debts pursuant to a plan of reorganization and will be unable to continue in business outside the chapter 11 reorganization process and approves the termination.

(iii) Termination required to enable payment of debts while staying in business or to avoid unreasonably burdensome pension costs caused by declining workforce

The requirements of this clause are met by a person if such person demonstrates to the satisfaction of the corporation that—

(I) unless a distress termination occurs, such person will be unable to pay such person’s debts when due and will be unable to continue in business, or

(II) the costs of providing pension coverage have become unreasonably burdensome to such person, solely as a result of a decline of such person’s workforce covered as participants under all single-employer plans of which such person is a contributing sponsor.

(C) Notification of determinations by the corporation

The corporation shall notify the plan administrator as soon as practicable of its determinations made pursuant to subparagraph (B).

(D) Disclosure of termination information

(i) In general

A plan administrator that has filed a notice of intent to terminate under subsection (a)(2) shall provide to an affected party any information provided to the corporation under subparagraph (A) or the regulations under subsection (a)(2) not later than 15 days after—

(I) receipt of a request from the affected party for the information; or

(II) the provision of new information to the corporation relating to a previous request.

(A) Determinations by the corporation relating to plan sufficiency for guaranteed benefits and for benefit liabilities

If the corporation determines that the requirements for a distress termination set forth in paragraphs (1) and (2) are met, the corporation shall—

(ii) determine that the plan is sufficient for benefit liabilities (as of the termination date) or that the corporation is unable to make such determination on the basis of information made available to the corporation, and

(C) Finding after authorized commencement of termination that plan is unable to pay benefits

(i) Finding with respect to benefit liabilities which are not guaranteed benefits

(D) Administration of the plan during interim period

(i) In general

The plan administrator shall—

(I) meet the requirements of clause (ii) for the period commencing on the date on which the plan administrator provides a notice of distress termination to the corporation under subsection (a)(2) of this section and ending on the date on which the plan administrator receives notification from the corporation of its determinations under subparagraph (A), and

(III) does not use plan assets to purchase irrevocable commitments to provide benefits from an insurer, and

(IV) continues to pay all benefit liabilities under the plan, but, commencing on the proposed termination date, limits the payment of benefits under the plan to those benefits which are guaranteed by the corporation under section 1322 of this title or to which assets are required to be allocated under section 1344 of this title.

In the event the plan administrator is later determined not to have met the requirements for distress termination, any benefits which are not paid solely by reason of compliance with subclause (IV) shall be due and payable immediately (together with interest, at a reasonable rate, in accordance with regulations of the corporation).

(d) Sufficiency

For purposes of this section—

(1) Sufficiency for benefit liabilities

A single-employer plan is sufficient for benefit liabilities if there is no amount of unfunded benefit liabilities under the plan.

(2) Sufficiency for guaranteed benefits

A single-employer plan is sufficient for guaranteed benefits if there is no amount of unfunded guaranteed benefits under the plan.

(e) Limitation on the conversion of a defined benefit plan to a defined contribution plan

The adoption of an amendment to a plan which causes the plan to become a plan described in section 1321(b)(1) of this title constitutes a termination of the plan. Such an amendment may take effect only after the plan satisfies the requirements for standard termination under subsection (c) of this section.

**§ 1341a. Termination of multiemployer plans**

**(a) Determinative factors**

Termination of a multiemployer plan under this section occurs as a result of—

(1) the adoption after September 26, 1980, of a plan amendment which provides that participants will receive no credit for any purpose under the plan for service with any employer after the date specified by such amendment;

(2) the withdrawal of every employer from the plan, within the meaning of section 1383 of this title, or the cessation of the obligation of all employers to contribute under the plan; or

(3) the adoption of an amendment to the plan which causes the plan to become a plan described in section 1321(b)(1) of this title.

**(b) Date of termination**

(1) The date on which a plan terminates under paragraph (1) or (3) of subsection (a) of this section is the later of—

(A) the date on which the amendment is adopted, or

(B) the date on which the amendment takes effect.

(2) The date on which a plan terminates under paragraph (2) of subsection (a) of this section is the earlier of—

(A) the date on which the last employer withdraws, or
§ 1342. Institution of termination proceedings by the corporation

(a) Authority to institute proceedings to terminate a plan

The corporation may institute proceedings under this section to terminate a plan whenever it determines that—

(1) the plan has not met the minimum funding standard required under section 412 of title 26, or has been notified by the Secretary of the Treasury that a notice of deficiency under section 6212 of title 26 has been mailed with respect to the tax imposed under section 4971(a) of title 26,

(2) the plan will be unable to pay benefits when due,

(3) the reportable event described in section 1343(c)(7) of this title has occurred, or

(4) the possible long-run loss of the corporation with respect to the plan may reasonably be expected to increase unreasonably if the plan is not terminated.

The corporation shall as soon as practicable institute proceedings under this section to terminate a single-employer plan whenever the corporation determines that the plan does not have assets available to pay benefits which are currently due under the terms of the plan. The corporation may prescribe a simplified procedure to follow in terminating small plans as long as that procedure includes substantial safeguards for the rights of the participants and beneficiaries under the plans, and for the employers who maintain such plans (including the requirement for a court decree under subsection (c) of this section). Notwithstanding any other provision of this subchapter, the corporation is authorized to pool assets of terminated plans for purposes of administration, investment, payment of liabilities of all such terminated plans, and such other purposes as it determines to be appropriate in the administration of this subchapter.

(b) Appointment of trustee

(1) Whenever the corporation makes a determination under subsection (a) of this section with respect to a plan or is required under subsection (a) of this section to institute proceedings under this section, it may, upon notice to the plan, apply to the appropriate United States district court for the appointment of a trustee to administer the plan with respect to which the determination is made pending the issuance of a decree under subsection (c) of this section ordering the termination of the plan. If within 3 business days after the filing of an application under this subsection, or such other period as the court may order, the administrator of the plan consents to the appointment of a trustee, or fails to show why a trustee should not be appointed, the court may grant the application and appoint a trustee to administer the plan in accordance with its terms until the corporation determines that the plan should be terminated or that termination is unnecessary. The corporation may request that it be appointed as trustee of a plan in any case.

(2) Notwithstanding any other provision of this subchapter—
(A) upon the petition of a plan administrator or the corporation, the appropriate United States district court may appoint a trustee in accordance with the provisions of this section if the interests of the plan participants would be better served by the appointment of the trustee, and

(B) upon the petition of the corporation, the appropriate United States district court shall appoint a trustee proposed by the corporation for a multiemployer plan which is in reorganization or to which section 1341a(g) of this title applies, unless such appointment would be adverse to the interests of the plan participants and beneficiaries in the aggregate.

(3) The corporation and plan administrator may agree to the appointment of a trustee without proceeding in accordance with the requirements of paragraphs (1) and (2).

(c) Adjudication that plan must be terminated

(1) If the corporation is required under subsection (b) of this section to commence proceedings under this section with respect to a plan or, after issuing a notice under this section to a plan administrator, has determined that the plan must be terminated, it may, upon notice to the plan administrator, apply to the appropriate United States district court for a decree adjudicating that the plan must be terminated in order to protect the interests of the participants or to avoid any unreasonable deterioration of the financial condition of the plan or any unreasonable increase in the liability of the fund. If the trustee appointed under subsection (b) of this section disagrees with the determination of the corporation under the preceding sentence he may intervene in the proceeding relating to the application for the decree, or make application for such decree himself. Upon granting a decree for which the corporation or trustee has applied under this subsection the court shall authorize the trustee appointed under subsection (b) of this section (or appoint a trustee if one has not been appointed under such subsection and authorize him) to terminate the plan in accordance with the provisions of this subtitle. If the corporation and the plan administrator agree that a plan should be terminated and agree to the appointment of a trustee without proceeding in accordance with the requirements of this subsection (other than this sentence) the trustee shall have the power described in subsection (d)(1) of this section and, in addition to any other duties imposed on the trustee under law or by agreement between the corporation and the plan administrator, the trustee is subject to the duties described in subsection (d)(3) of this section. Whenever a trustee appointed under this subchapter is operating a multiemployer plan, the corporation shall provide a copy of the administrative record, including the trusteeship decision record of a termination of a plan described under clause (i).

(2) In the case of a proceeding initiated under this section, the plan administrator shall provide the corporation, upon the request of the corporation, the information described in clauses (ii), (iii), and (iv) of section 1341(c)(2)(A) of this title.

(3) Disclosure of termination information—

(A) In general—

(i) Information from plan sponsor or administrator.—A plan sponsor or plan administrator of a single-employer plan that has received a notice from the corporation of a determination that the plan should be terminated under this section shall provide to an affected party any information provided to the corporation in connection with the plan termination.

(ii) Information from corporation.—The corporation shall provide a copy of the administrative record, including the trusteeship decision record of a termination of a plan described under clause (i).

(B) Timing of disclosure.—The plan sponsor, plan administrator, or the corporation, as applicable, shall provide the information described in subparagraph (A) not later than 15 days after—

(i) receipt of a request from an affected party for such information; or

(ii) in the case of information described under subparagraph (A)(i), the provision of any new information to the corporation relating to a previous request by an affected party.

(C) Confidentiality.—

(i) In general.—The plan administrator, the plan sponsor, or the corporation shall not provide information under subparagraph (A) in a form which includes any information that may directly or indirectly be associated with, or otherwise identify, an individual participant or beneficiary.

(ii) Limitation.—A court may limit disclosure under this paragraph of confidential information described in section 552(b) of title 5 to authorized representatives (within the meaning of section 1341(c)(2)(D)(iv) of this title) of the participants or beneficiaries that agree to ensure the confidentiality of such information.

(D) Form and manner of information; charges.—

(i) Form and manner.—The corporation may prescribe the form and manner of the provision of information under this paragraph, which shall include delivery in written, electronic, or other appropriate form to the extent that such form is reasonably accessible to individuals to whom the information is required to be provided.

(ii) Reasonable charges.—A plan sponsor may charge a reasonable fee for any information provided under this paragraph in other than electronic form.

(d) Powers of trustee

(1)(A) A trustee appointed under subsection (b) of this section shall have the power—

(i) to do any act authorized by the plan or this subchapter to be done by the plan administrator or any trustee of the plan;

(ii) to require the transfer of all (or any part) of the assets and records of the plan to himself as trustee;

(iii) to invest any assets of the plan which he holds in accordance with the provisions of the
§ 1342

If the court to which application is made under subsection (c) of this section dismisses the application with prejudice, or if the corporation fails

(A) to collect for the plan any amounts due the plan, including but not limited to the power to collect from the persons obligated to make the payments in accordance with the requirements of this subchapter;
(B) to terminate or to liquidate the plan, including but not limited to the power to issue, publish, or file such notices, statements, and reports as may be required by the corporation or any order of the court;
(C) to commence, prosecute, or defend on behalf of the plan any suit or proceeding involving the plan;
(D) to receive any payment made by the corporation to the plan under this subchapter;
(E) to issue, publish, or file such notices, statements, and reports as may be required by the corporation or any order of the court;
(F) to recover payments under section 4975(e) of title 26 (except to the extent that the provisions of this subchapter are inconsistent with the requirements applicable under part 4 of subtitle B of subchapter I of this chapter and of such section 4975).

(2) As soon as practicable after his appointment, the trustee shall give notice to interested parties of the institution of proceedings under this subchapter to determine whether the plan should be terminated or to terminate the plan, whichever is applicable. For purposes of this paragraph, the term ‘interested party’ means—

(A) the plan administrator,
(B) each participant in the plan and each beneficiary of a deceased participant,
(C) each employer who may be subject to liability under section 1362, 1363, or 1364 of this title,
(D) each employer who is or may be liable to the plan under section 1 of part 1 of subtitle E of this subchapter,
(E) each employer who has an obligation to contribute, within the meaning of section 1392(a) of this title, under a multiemployer plan, and
(F) each employee organization which, for purposes of collective bargaining, represents plan participants employed by an employer described in subparagraph (C), (D), or (E).

(3) Except to the extent inconsistent with the provisions of this chapter, or as may be otherwise ordered by the court, a trustee appointed under this section shall be subject to the same duties as those of a trustee under section 704 of title 11, and shall be, with respect to the plan, a fiduciary within the meaning of paragraph (21) of section 1002 of this title and under section 4975(e) of title 26 (except to the extent that the provisions of this subchapter are inconsistent with the requirements applicable under part 4 of subtitle B of subchapter I of this chapter and of such section 4975).

(e) Filing of application notwithstanding pendency of other proceedings

An application by the corporation under this section may be filed notwithstanding the pendency in the same or any other court of any bankruptcy, mortgage foreclosure, or equity receivership proceeding, or any proceeding to reorganize, conserve, or liquidate such plan or its property, or any proceeding to enforce a lien against property of the plan.

(f) Exclusive jurisdiction; stay of other proceedings

Upon the filing of an application for the appointment of a trustee or the issuance of a decree under this section, the court to which an application is made shall have exclusive jurisdiction of the plan involved and its property wherever located with the powers, to the extent consistent with the purposes of this section, of a court of the United States having jurisdiction over cases under chapter 11 of title 11. Pending an adjudication under subsection (c) of this section such court shall stay, and upon appointment by it of a trustee, as provided in this section such court shall continue the stay of, any pending mortgage foreclosure, equity receivership, or other proceeding to reorganize, conserve, or liquidate the plan or its property and any other suit against any receiver, conservator, or trustee of the plan or its property. Pending

(g) Venue

An action under this subsection may be brought in the judicial district where the plan administrator resides or does business or where any asset of the plan is situated. A district court in which such action is brought may issue process with respect to such action in any other judicial district.

(h) Compensation of trustee and professional service personnel appointed or retained by trustee

(1) The amount of compensation paid to each trustee appointed under the provisions of this subchapter shall require the prior approval of the corporation, and, in the case of a trustee appointed by a court, the consent of that court.

(2) Trustees shall appoint, retain, and compensate accountants, actuaries, and other professional service personnel in accordance with regulations prescribed by the corporation.

(3) The amount of compensation paid to each professional service personnel appointed or retained by the plan sponsor or the corporation, and, in the case of a trustee appointed under subsection (a) of this section to a plan administrator and (whether or not a trustee has been appointed under subsection (b) of this section), shall require the prior approval of the corporation.

§ 1343. Reportable events

(a) Notification that event has occurred

Within 30 days after the plan administrator or the contributing sponsor knows or has reason to know that a reportable event described in subsection (c) of this section has occurred, he shall notify the corporation that such event has occurred, unless a notice otherwise required under this subsection has already been provided with respect to such event. The corporation is authorized to waive the requirement of the preceding sentence with respect to any or all reportable events with respect to any plan, and to require the notification to be made by including the event in the annual report made by the plan.

(b) Notification that event is about to occur

(1) The requirements of this subsection shall be applicable to a contributing sponsor if, as of the close of the preceding plan year—

(A) the aggregate unfunded vested benefits (as determined under section 1306(a)(3)(E)(iii) of this title) of plans subject to this subchapter which are maintained by such sponsor and members of such sponsor's controlled groups (disregarding plans with no unfunded vested benefits) exceed $50,000,000, and

(B) the funded vested benefit percentage for such plans is less than 90 percent.

For purposes of subparagraph (B), the funded vested benefit percentage means the percentage which the aggregate value of the assets of such plans bears to the aggregate vested benefits of such plans (determined in accordance with section 1306(a)(3)(E)(iii) of this title).

(2) This subsection shall not apply to an event if the contributing sponsor, or the member of the contributing sponsor's controlled group to which the event relates, is—

(A) a person subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934 [15 U.S.C. 78m, 78o(d)], or

(B) a subsidiary (as defined for purposes of such Act [15 U.S.C. 78a et seq.]) of a person subject to such reporting requirements.

(3) No later than 30 days prior to the effective date of an event described in paragraph (9), (10), (11), (12), or (13) of subsection (c) of this section, a contributing sponsor to which the requirements of this subsection apply shall notify the corporation that the event is about to occur.

(4) The corporation may waive the requirement of this subsection with respect to any or all reportable events with respect to any contributing sponsor.

(c) Enumeration of reportable events

For purposes of this section a reportable event occurs—

(1) when the Secretary of the Treasury issues notice that a plan has ceased to be a plan described in section 1321(a)(2) of this title, or when the Secretary of Labor determines the plan is not in compliance with subchapter I of this chapter;

(2) when an amendment of the plan is adopted if, under the amendment, the benefit payable with respect to any participant may be decreased;

(3) when the number of active participants is less than 80 percent of the number of such participants at the beginning of the plan year, or is less than 75 percent of the number of such participants at the beginning of the previous plan year;
(4) when the Secretary of the Treasury determines that there has been a termination or partial termination of the plan within the meaning of section 411(d)(3) of title 26, but the occurrence of such a termination or partial termination does not, by itself, constitute or require a termination of a plan under this subchapter;

(5) when the plan fails to meet the minimum funding standards under section 412 of title 26 (without regard to whether the plan is a plan described in section 1321(a)(2) of this title) or under section 1082 of this title;

(6) when the plan is unable to pay benefits thereunder when due;

(7) when there is a distribution under the plan to a participant who is a substantial owner as defined in section 1321(d) of this title if—

(A) such distribution has a value of $10,000 or more;

(B) such distribution is not made by reason of the death of the participant; and

(C) immediately after the distribution, the plan has nonforfeitable benefits which are not funded;

(8) when a plan merges, consolidates, or transfers its assets under section 1058 of this title, or when an alternative method of compliance is prescribed by the Secretary of Labor under section 1030 of this title;

(9) when, as a result of an event, a person ceases to be a member of the controlled group;

(10) when a contributing sponsor or a member of a contributing sponsor’s controlled group liquidates in a case under title 11, or when an alternative method of compliance is prescribed by the Secretary of Labor under section 1030 of this title;

(11) when a contributing sponsor or a member of a contributing sponsor’s controlled group declares an extraordinary dividend (as defined in section 1059(c) of title 26) or redeems, in any 12-month period, an aggregate of 10 percent or more of the total combined voting power of all classes of stock entitled to vote, or an aggregate of 10 percent or more of the total value of shares of all classes of stock, of a contributing sponsor and all members of its controlled group;

(12) when, in any 12-month period, an aggregate of 3 percent or more of the benefit liabilities of a plan covered by this subchapter and maintained by a contributing sponsor or a member of its controlled group are transferred to a person that is not a member of the controlled group or to a plan or plans maintained by a person or persons that are not such a contributing sponsor or a member of its controlled group; or

(13) when any other event occurs that may be indicative of a need to terminate the plan and that is prescribed by the corporation in regulations.

For purposes of paragraph (7), all distributions to a participant within any 24-month period are treated as a single distribution.

(d) Notification to corporation by Secretary of the Treasury

The Secretary of the Treasury shall notify the corporation—

(1) whenever a reportable event described in paragraph (1), (4), or (5) of subsection (c) of this section occurs, or

(2) whenever any other event occurs which the Secretary of the Treasury believes indicates that the plan may not be sound.

(e) Notification to corporation by Secretary of Labor

The Secretary of Labor shall notify the corporation—

(1) whenever a reportable event described in paragraph (1), (5), or (8) of subsection (c) of this section occurs, or

(2) whenever any other event occurs which the Secretary of Labor believes indicates that the plan may not be sound.

(f) Disclosure exemption

Any information or documentary material submitted to the corporation pursuant to this section shall be exempt from disclosure under section 552 of title 5, and no such information or documentary material may be made public, except as may be relevant to any administrative or judicial action or proceeding. Nothing in this section is intended to prevent disclosure to either body of Congress or to any duly authorized committee or subcommittee of the Congress.

The Securities Exchange Act of 1934, referred to in subsec. (b)(2)(B), is act June 6, 1934, ch. 404, 48 Stat. 881, as amended, which is classified principally to chapter 28 (§78a et seq.) of Title 15, Commerce and Trade. § 1344. Allocation of assets

(a) Order of priority of participants and beneficiaries

In the case of the termination of a single-employer plan, the plan administrator shall allocate the assets of the plan (available to provide benefits) among the participants and beneficiaries of the plan in the following order:

(1) First, to that portion of each individual’s accrued benefit which is derived from the participant’s contributions to the plan which were not mandatory contributions.

(2) Second, to that portion of each individual’s accrued benefit which is derived from the participant’s mandatory contributions.

(3) Third, in the case of benefits payable as an annuity—

(A) in the case of the benefit of a participant or beneficiary which was in pay status as of the beginning of the 3-year period ending on the termination date of the plan, to each such benefit, based on the provisions of the plan (as in effect during the 5-year period ending on such date) under which such benefit would be the least.

(B) in the case of a participant’s or beneficiary’s benefit (other than a benefit described in subparagraph (A)) which would have been in pay status as of the beginning of such 3-year period if the participant had retired prior to the beginning of the 3-year period and if his benefits had commenced (in the normal form of annuity under the plan) as of the beginning of such period, to each such benefit based on the provisions of the plan (as in effect during the 5-year period ending on such date) under which such benefit would be the least.

For purposes of subparagraph (A), the lowest benefit in pay status during a 3-year period shall be considered the benefit in pay status for such period.

(4) Fourth—

(A) to all other benefits (if any) of individuals under the plan guaranteed under this subchapter (determined without regard to section 1322(a) of this title), and

(B) to the additional benefits (if any) which would be determined under subparagraph (A) if section 1322(b)(5)(B) of this title did not apply.

For purposes of this paragraph, section 1321 of this title shall be applied without regard to subsection (c) thereof.

(5) Fifth, to all other nonforfeitable benefits under the plan.

(6) Sixth, to all other benefits under the plan.

(b) Adjustment of allocations; reallocations; mandatory contributions; establishment of sub-classes and categories

For purposes of subsection (a) of this section—

(1) The amount allocated under any paragraph of subsection (a) of this section with respect to any benefit shall be properly adjusted for any allocation of assets with respect to that benefit under a prior paragraph of subsection (a) of this section.

(2) If the assets available for allocation under any paragraph of subsection (a) of this section (other than paragraphs (4), (5), and (6)) are insufficient to satisfy in full the benefits of all individuals which are described in that paragraph, the assets shall be allocated pro rata among such individuals on the basis of the present value (as of the termination date) of their respective benefits described in that paragraph.

(3) If assets available for allocation under paragraph (4) of subsection (a) of this section are insufficient to satisfy in full the benefits of all individuals who are described in that paragraph, the assets shall be allocated first to benefits described in subparagraph (A) of that paragraph. Any remaining assets shall then be allocated to benefits described in subparagraph (B) of that paragraph. If assets allocated to such subparagraph (B) are insufficient to satisfy in full the benefits described in that subparagraph, the assets shall be allocated pro rata among individuals on the basis of the present value (as of the termination date) of their respective benefits described in that subparagraph.

(4) This paragraph applies if the assets available for allocation under paragraph (5) of subsection (a) of this section are not sufficient to satisfy in full the benefits of individuals described in that paragraph.

(A) If this paragraph applies, except as provided in subparagraph (B), the assets shall be allocated to the benefits of individuals described in such paragraph (5) on the basis of the benefits of individuals which would have been described in such paragraph (5) under the plan as in effect at the beginning of the 5-year period ending on the date of plan termination.

(B) If the assets available for allocation under subparagraph (A) are sufficient to satisfy in full the benefits of individuals described in that subparagraph, then for purposes of subparagraph (A), benefits of individuals described in such subparagraph shall be determined on the basis of the plan as amended by the most recent plan amendment effective during such 5-year period under which the assets available for allocation are sufficient to satisfy in full the benefits of individuals described in subparagraph (A) and any assets remaining to be allocated under such sub-
paragraph shall be allocated under subparagraph (A) on the basis of the plan as amended by the next succeeding plan amendment effective during such period.

(5) If the Secretary of the Treasury determines that the allocation made pursuant to this section (without regard to this paragraph) results in discrimination prohibited by section 401(a)(4) of title 26 then, if required to prevent the disqualification of the plan (or any trust under the plan) under section 401(a) or 403(a) of title 26, the assets allocated under subsections (a)(4)(B), (a)(5), and (a)(6) of this section shall be reallocated to the extent necessary to avoid such discrimination.

(6) The term "mandatory contributions" means amounts contributed to the plan by a participant which are required as a condition of employment, as a condition of participation in such plan, or as a condition of obtaining benefits under the plan attributable to employment contributions. For this purpose, the total amount of mandatory contributions of a participant is the amount of such contributions reduced (but not below zero) by the sum of the amounts paid or distributed to him under the plan before its termination.

(7) A plan may establish subclasses and categories within the classes described in paragraphs (1) through (6) of subsection (a) of this section in accordance with regulations prescribed by the corporation.

(c) Increase or decrease in value of assets

Any increase or decrease in the value of the assets of a single-employer plan occurring during the period beginning on the later of (1) the date a trustee is appointed under section 1342(b) of this title or (2) the date on which the plan is terminated is to be allocated between the plan and the corporation in the manner determined by the court (in the case of a court-appointed trustee) or as agreed upon by the corporation and the plan administrator in any other case. Any increase or decrease in the value of the assets of a single-employer plan occurring after the date on which the plan is terminated shall be credited to, or suffered by, the corporation.

(d) Distribution of residual assets; restrictions on reversions pursuant to recently amended plans; assets attributable to employee contributions; calculation of remaining assets

(1) Subject to paragraph (3), any residual assets of a single-employer plan may be distributed to the employer if—

(A) all liabilities of the plan to participants and their beneficiaries have been satisfied,

(B) the distribution does not contravene any provision of law, and

(C) the plan provides for such a distribution in these circumstances.

(2)(A) In determining the extent to which a plan provides for the distribution of plan assets to the employer for purposes of paragraph (1)(C), any such provision, and any amendment increasing the amount which may be distributed to the employer, shall not be treated as effective before the end of the fifth calendar year following the date of the adoption of such provision or amendment.

(B) A distribution to the employer from a plan shall not be treated as failing to satisfy the requirements of this paragraph if the plan has been in effect for fewer than 5 years and the plan has provided for such a distribution since the effective date of the plan.

(C) Except as otherwise provided in regulations of the Secretary of the Treasury, in any case in which a transaction described in section 1058 of this title occurs, subparagraph (A) shall continue to apply separately with respect to the amount of any assets transferred in such transaction.

(D) For purposes of this subsection, the term "employer" includes any member of the controlled group of which the employer is a member. For purposes of the preceding sentence, the term "controlled group" means any group treated as a single employer under subsection (b), (c), (m) or (o) of section 414 of title 26.

(3)(A) Before any distribution from a plan pursuant to paragraph (1), if any assets of the plan attributable to employee contributions remain after satisfaction of all liabilities described in subsection (a) of this section, such remaining assets shall be equitably distributed to the participants who made such contributions or their beneficiaries (including alternate payees, within the meaning of section 1056(d)(3)(K) of this title).

(B) For purposes of subparagraph (A), the portion of the remaining assets which are attributable to employee contributions shall be an amount equal to the product derived by multiplying—

(i) the market value of the total remaining assets, by

(ii) a fraction—

(I) the numerator of which is the present value of all portions of the accrued benefits with respect to participants which are derived from participants’ mandatory contributions (referred to in subsection (a)(2) of this section), and

(II) the denominator of which is the present value of all benefits with respect to which assets are allocated under paragraphs (2) through (6) of subsection (a) of this section.

(C) For purposes of this paragraph, each person who is, as of the termination date—

(i) a participant under the plan, or

(ii) an individual who has received, during the 3-year period ending with the termination date, a distribution from the plan of such individual’s entire nonforfeitable benefit in the form of a single sum distribution in accordance with section 1053(e) of this title or in the form of irrevocable commitments purchased by the plan from an insurer to provide such nonforfeitable benefit,

shall be treated as a participant with respect to the termination, if all or part of the nonforfeitable benefit with respect to such person is or was attributable to participants’ mandatory contributions (referred to in subsection (a)(2) of this section).

(4) Nothing in this subsection shall be construed to limit the requirements of section 4980(d) of title 26 (as in effect immediately after the enactment of the Omnibus Budget Reconcili-
Bankruptcy filing substituted for termination date

If a contributing sponsor of a plan has filed or has had filed against such person a petition seeking liquidation or reorganization in a case under title 11 or under any similar Federal law or law of a State or political subdivision, and the case has not been dismissed as of the termination date of the plan, then subsection (a)(3) shall be applied by treating the date such petition was filed as the termination date of the plan.

(f) Valuation of section 1362(c) liability for determining amounts payable by corporation to participants and beneficiaries

(1) In general

In the case of a terminated plan, the value of the recovery of liability under section 1362(c) of this title allocable as a plan asset under this section for purposes of determining the amount of benefits payable by the corporation shall be determined by multiplying—
(A) the amount of liability under section 1362(c) of this title as of the termination date of the plan, by
(B) the applicable section 1362(c) recovery ratio.

(2) Section 1362(c) recovery ratio

For purposes of this subsection—

(A) In general

Except as provided in subparagraph (C), the term “section 1362(c) recovery ratio” means the ratio which—
(i) the sum of the values of all recoveries under section 1362(c) of this title determined by the corporation in connection with plan terminations described under subparagraph (B), bears to
(ii) the sum of all the amounts of liability under section 1362(c) of this title with respect to such plans as of the termination date in connection with any such prior termination.

(B) Prior terminations

A plan termination described in this subparagraph is a termination with respect to which—
(i) the value of recoveries under section 1362(c) of this title have been determined by the corporation, and
(ii) notices of intent to terminate were provided (or in the case of a termination by the corporation, a notice of determination under section 1342 of this title was issued) during the 5-Federal fiscal year period ending with the third fiscal year preceding the fiscal year in which occurs the date of the notice of intent to terminate (or the notice of determination under section 1342 of this title) with respect to the plan termination for which the recovery ratio is being determined.

(C) Exception

In the case of a terminated plan with respect to which the outstanding amount of benefit liabilities exceeds $20,000,000, the term “section 1362(c) recovery ratio” means, with respect to the termination of such plan, the ratio of—
(i) the value of the recoveries on behalf of the plan under section 1362(c) of this title, to
(ii) the amount of the liability owed under section 1362(c) of this title as of the date of plan termination to the trustee appointed under section 1342(b) or (c) of this title.

(3) Subsection not to apply

This subsection shall not apply with respect to the determination of—
(A) whether the amount of outstanding benefit liabilities exceeds $20,000,000, or
(B) the amount of any liability under section 1362 of this title to the corporation or the trustee appointed under section 1342(b) or (c) of this title.

(4) Determinations

Determinations under this subsection shall be made by the corporation. Such determinations shall be binding unless shown by clear and convincing evidence to be unreasonable.

§ 1345. Recapture of payments

(a) Authorization to recover benefits

Except as provided in subsection (c) of this section, the trustee is authorized to recover for the benefit of a plan from a participant the recoverable amount (as defined in subsection (b) of this section) of all payments from the plan to him which commenced within the 3-year period immediately preceding the time the plan is terminated.

(b) Recoverable amount

For purposes of subsection (a) of this section the recoverable amount is the excess of the amount determined under paragraph (1) over the amount determined under paragraph (2).

(1) The amount determined under this paragraph is the sum of the actual payments received by the participant within the 3-year period.

(2) The amount determined under this paragraph is the sum of—

(A) the sum of the amount such participant would have received during each consecutive 12-month period within the 3 years if the participant received the benefit in the form described in paragraph (3),

**§ 1363. Liability of substantial employer for withdrawal from single-employer plans under multiple controlled groups**

(a) Single-employer plans with two or more contributing sponsors

Except as provided in subsection (d) of this section, the plan administrator of a single-employer plan which has two or more contributing sponsors shall at least two of whom are not under common control—

(1) shall notify the corporation of the withdrawal during a plan year of a substantial employer for such plan year from the plan, within 60 days after such withdrawal, and

(2) request that the corporation determine the liability of all persons with respect to the withdrawal of the substantial employer.

The corporation shall, as soon as practicable thereafter, determine whether there is liability resulting from the withdrawal of the substantial employer and notify the liable persons of such liability.

(b) Computation of liability

Except as provided in subsection (c) of this section, any one or more contributing sponsors who withdraw, during a plan year for which they constitute a substantial employer, from a single-employer plan which has two or more contributing sponsors at least two of whom are not under common control, shall, upon notification of such contributing sponsors by the corporation as provided by subsection (a) of this section, be liable, together with the members of their controlled groups, to the corporation in accordance with the provisions of section 1362 of this title and this section. The amount of liability shall be computed on the basis of the amount determined by the corporation to be the amount described in section 1362 of this title for the entire plan, as if the plan had been terminated by the corporation on the date of the withdrawal referred to in subsection (a)(1) of this section multiplied by a fraction—

(1) the numerator of which is the total amount required to be contributed to the plan by such contributing sponsors for the last 5 years ending prior to the withdrawal, and

(2) the denominator of which is the total amount required to be contributed to the plan by all contributing sponsors for such last 5 years.

In addition to and in lieu of the manner prescribed in the preceding sentence, the corporation may also determine such liability on any other equitable basis prescribed by the corporation in regulations. Any amount collected by the corporation under this subsection shall be held in escrow subject to disposition in accordance with the provisions of paragraphs (2) and (3) of subsection (c) of this section.

(c) Bond in lieu of payment of liability; 5-year termination period

(1) In lieu of payment of a contributing sponsor’s liability under this section, the contributing sponsor may be required to furnish a bond to the corporation in an amount not exceeding 150 percent of his liability to insure payment of his liability under this section. The bond shall have as surety thereon a corporate surety company which is an acceptable surety on Federal bonds under authority granted by the Secretary of the Treasury under sections 9304–9308 of title 31. Any such bond shall be in a form or of a type approved by the Secretary including individual bonds or schedule or blanket forms of bonds which cover a group or class.

(2) If the plan is not terminated under section 1341(c) or 1342 of this title within the 5-year period commencing on the day of withdrawal, the liability is abated and any payment held in escrow shall be refunded without interest (or the bond cancelled) in accordance with bylaws or rules prescribed by the corporation.

(3) If the plan terminates under section 1341(c) or 1342 of this title within the 5-year period commencing on the day of withdrawal, the corporation shall—

(A) demand payment or realize on the bond and hold such amount in escrow for the benefit of the plan;

(B) treat any escrowed payments under this section as if they were plan assets and apply them in a manner consistent with this subtitle; and

(C) refund any amount to the contributing sponsor which is not required to meet any obligation of the corporation with respect to the plan.

(d) Alternate appropriate procedure

The provisions of this subsection apply in the case of a withdrawal described in subsection (a)
of this section, and the provisions of subsections (b) and (c) of this section shall not apply, if the corporation determines that the procedure provided for under this subsection is consistent with the purposes of this section and section 1342 of this title and is more appropriate in the particular case. Upon a showing by the plan administrator of the plan that the withdrawal from the plan by one or more contributing sponsors has resulted, or will result, in a significant reduction in the amount of aggregate contributions to or under the plan, the corporation may—

(1) require the plan fund to be equitably allocated between those participants no longer working in covered service under the plan as a result of the withdrawal, and those participants who remain in covered service under the plan;

(2) treat that portion of the plan funds allocable under paragraph (1) to participants no longer in covered service as a plan terminated under section 1342 of this title; and

(3) treat that portion of the plan fund allocable to participants remaining in covered service as a separate plan.

(e) Indemnity agreement

The corporation is authorized to waive the application of the provisions of subsections (b), (c), and (d) of this section whenever it determines that there is an indemnity agreement in effect among contributing sponsors under the plan which is adequate to satisfy the purposes of this section and of section 1364 of this title.

EFFECTIVE DATE OF 1986 AMENDMENT

§ 1368. Lien for liability

(a) Creation of lien
If any person liable to the corporation under section 1362, 1363, or 1364 of this title neglects or
refuses to pay, after demand, the amount of such liability (including interest), there shall be a lien in favor of the corporation in the amount of such liability (including interest) upon all property and rights to property, whether real or personal, belonging to such person, except that such lien may not be in an amount in excess of 30 percent of the collective net worth of all persons described in section 1362(a) of this title.

(b) Term of lien

The lien imposed by subsection (a) of this section arises on the date of termination of a plan, and continues until the liability imposed under section 1362, 1363, or 1364 of this title is satisfied or becomes unenforceable by reason of lapse of time.

c) Priority

(1) Except as otherwise provided under this section, the priority of a lien imposed under subsection (a) of this section shall be determined in the same manner as under section 6323 of title 26 (as in effect on April 7, 1986). Such section 6323 shall be applied for purposes of this section by disregarding subsection (g)(4) and by substituting—

(A) "lien imposed by section 4068 of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1368]" for "lien imposed by section 6321" each place it appears in subsections (a), (b), (c)(1), (c)(4)(B), (d), (e), and (h)(5);

(B) "the corporation" for "the Secretary" in subsections (a) and (b)(9)(C);

(C) "the payment of the amount on which the lien is based" for "the collection of any tax under this title" in subsection (b)(3);

(D) "a person whose property is subject to the lien" for "the taxpayer" in subsections (b)(4), (c)(2)(A)(i) (the first place it appears), (c)(2)(B), (c)(4)(B), and (c)(4)(C) (in the matter preceding clause (i));

(E) "such person" for "the taxpayer" in subsections (c)(2)(A)(i) (the second place it appears) and (c)(4)(C)(i)(1);

(F) "part of the loan value of the amount on which the lien is based made to the corporation" for "satisfaction of a levy pursuant to section 6323(b)" in subsection (b)(9)(C);

(G) "section 4068(a) lien" for "tax lien" each place it appears in subsections (c)(1), (c)(2)(A), (c)(3)(B)(ii), (c)(4)(B), (d), and (h)(5); and

(H) "the date on which the lien is first filed" for "the date of the assessment of the tax" in subsection (g)(3)(A).

(2) In a case under title 11 or in insolvency proceedings, the lien imposed under subsection (a) of this section shall be treated in the same manner as a tax due and owing to the United States for purposes of title 11 or section 3713 of title 31.

(3) For purposes of applying section 6323(a) of title 26 to determine the priority between the lien imposed under subsection (a) of this section and a Federal tax lien, each lien shall be treated as a judgment lien arising as of the time notice of such lien is filed.

(d) Civil action; limitation period

(1) In any case where there has been a refusal or neglect to pay the liability imposed under section 1362, 1363, or 1364 of this title, the corporation may bring civil action in a district court of the United States to enforce the lien of the corporation under this section with respect to such liability or to subject any property, of whatever nature, of the liable person, or in which he has any right, title, or interest to the payment of such liability.

(2) The liability imposed by section 1362, 1363, or 1364 of this title may be collected by a proceeding in court if the proceeding is commenced within 6 years after the date upon which the plan was terminated or prior to the expiration of any period for collection agreed upon in writing by the corporation and the liable person before the expiration of such 6-year period. The period of limitations provided under this paragraph shall be suspended for the period the assets of the liable person are in the control or custody of any court of the United States, or of any State, or of the District of Columbia, and for 6 months thereafter, and for any period during which the liable person is outside the United States if such period of absence is for a continuous period of at least 6 months.

e) Release or subordination

If the corporation determines that release of the lien or subordination of the lien to any other creditor of the liable person would not adversely affect the collection of the liability imposed under section 1362, 1363, or 1364 of this title, or that the amount realizable by the corporation from the property to which the lien attaches will ultimately be increased by such release or subordination, and that the ultimate collection of the liability will be facilitated by such release or subordination, the corporation may issue a certificate of release or subordination of the lien with respect to such property, or any part thereof.

Amendment by Pub. L. 100–203 applicable with respect to plan terminations under section 1341 of this title with respect to which notices of intent to terminate are provided under section 1341(a)(2) of this title after Dec. 17, 1987, and plan terminations with respect to which proceedings are instituted by the Pension Benefit Guaranty Corporation under section 1332 of this title after that date, see section 9312(d)(1) of Pub. §1369. Treatment of transactions to evade liability; effect of corporate reorganization
(a) Treatment of transactions to evade liability
If a principal purpose of any person in entering into any transaction is to evade liability to which such person would be subject under this subtitle and the transaction becomes effective within five years before the termination date of the termination on which such liability would be based, then such person and the members of such person’s controlled group (determined as of the termination date) shall be subject to liability under this subtitle in connection with such termination as if such person were a contributing sponsor of the terminated plan as of the termination date. This subsection shall not cause any person to be liable under this subtitle in connection with such plan termination for any increases or improvements in the benefits provided under the plan which are adopted after the date on which the transaction referred to in the preceding sentence becomes effective.

(b) Effect of corporate reorganization
For purposes of this subtitle, the following rules apply in the case of certain corporate reorganizations:
§ 1370 Enforcement authority relating to terminations of single-employer plans

(a) In general

Any person who is with respect to a single-employer plan a fiduciary, contributing sponsor, member of a contributing sponsor’s controlled group, participant, or beneficiary, and is adversely affected by an act or practice of any party (other than the corporation) in violation of any provision of section 1341, 1342, 1362, 1363, 1364, or 1369 of this title, or who is an employee organization representing such a participant or beneficiary so adversely affected for purposes of collective bargaining with respect to such plan, may bring an action—

(1) to enjoin such act or practice, or

(2) to obtain other appropriate equitable relief (A) to redress such violation or (B) to enforce such provision.

(b) Status of plan as party to action and with respect to legal process

A single-employer plan may be sued under this section as an entity. Service of summons, subpoena, or other legal process of a court upon a trustee or an administrator of a single-employer plan in such trustee’s or administrator’s capacity as such shall constitute service upon the plan. If a plan has not designated in the summary plan description of the plan an individual agent for the service of legal process, service upon any contributing sponsor of the plan shall constitute such service. Any money judgment under this section against a single-employer plan shall be enforceable only against the plan as an entity and shall not be enforceable against any other person unless liability against such person is established in such person’s individual capacity.

c) Jurisdiction and venue

The district courts of the United States shall have exclusive jurisdiction of civil actions under this section. Such actions may be brought in the district where the plan is administered, where the violation took place, or where a defendant resides or may be found, and process may be served in any other district where a defendant resides or may be found. The district courts of the United States shall have jurisdiction, without regard to the amount in controversy or the citizenship of the parties, to grant the relief provided for in subsection (a) of this section in any action.

(d) Right of corporation to intervene

A copy of the complaint or notice of appeal in any action under this section shall be served upon the corporation by certified mail. The corporation shall have the right in its discretion to intervene in any action.

(e) Awards of costs and expenses

(1) General rule

In any action brought under this section, the court in its discretion may award all or a portion of the costs and expenses incurred in connection with such action, including reasonable attorney’s fees, to any party who prevails or substantially prevails in such action.

(2) Exemption for plans

Notwithstanding the preceding provisions of this subsection, no plan shall be required in any action to pay any costs and expenses (including attorney’s fees).

(f) Limitation on actions

(1) In general

Except as provided in paragraph (3), an action under this section may not be brought after the later of—

(A) 6 years after the date on which the cause of action arose, or

(B) 3 years after the applicable date specified in paragraph (2).

(2) Applicable date

(A) General rule

Except as provided in subparagraph (B), the applicable date specified in this paragraph is the earliest date on which the plaintiff acquired or should have acquired actual knowledge of the existence of such cause of action.

(B) Special rule for plaintiffs who are fiduciaries

In the case of a plaintiff who is a fiduciary bringing the action in the exercise of fiduciary duties, the applicable date specified in this paragraph is the date on which the plaintiff became a fiduciary with respect to the plan if such date is later than the date described in subparagraph (A).

(3) Cases of fraud or concealment

In the case of fraud or concealment, the period described in paragraph (1)(B) shall be extended to 6 years after the applicable date specified in paragraph (2).
§1371. Penalty for failure to timely provide required information

The corporation may assess a penalty, payable to the corporation, against any person who fails to provide any notice or other material information required under this subtitle, subtitle A, B, or C of this subchapter, or section 1083(k)(4) of this title, or any regulations prescribed under any such subtitle or such section, within the applicable time limit specified therein. Such penalty shall not exceed $1,000 for each day for which such failure continues.

AMENDMENTS
2008—Pub. L. 110–458 substituted “or section 1083(k)(4) of this title,” for “as section 1083(k)(4) or 1085(b)(e) of this title.”

L. 100–203, §§ 9302–9346, to which such amendment relates, see section 7882 of Pub. L. 101–239, set out as a note under section 401 of Title 26, Internal Revenue Code.

AMENDMENTS

§1381. Withdrawal liability established; criteria and definitions

(a) If an employer with draws from a multiemployer plan in a complete withdrawal or a partial withdrawal, then the employer is liable to the plan in the amount determined under this part to be the withdrawal liability.

(b) For purposes of subsection (a) of this section—

(1) The withdrawal liability of an employer to a plan is the amount determined under section 1381 of this title to be the allocable amount of unfunded vested benefits, adjusted—

(A) first, by any de minimis reduction applicable under section 1380 of this title,

(B) next, in the case of a partial withdrawal, in accordance with section 1386 of this title,

(C) then, to the extent necessary to reflect the limitation on annual payments under section 1389(c)(1)(B) of this title, and

(D) finally, in accordance with section 1405 of this title.

(2) The term “complete withdrawal” means a complete withdrawal described in section 1383 of this title.

(3) The term “partial withdrawal” means a partial withdrawal described in section 1385 of this title.

Prior Provisions

AMENDMENTS

PART 1—EMPLOYER WITHDRAWALS
§ 1382. Determination and collection of liability; notification of employer

When an employer withdraws from a multiemployer plan, the plan sponsor, in accordance with this part, shall—

(1) determine the amount of the employer's withdrawal liability,

(2) notify the employer of the amount of the withdrawal liability, and

(3) collect the amount of the withdrawal liability from the employer.

§ 1383. Complete withdrawal

(a) Determinative factors

For purposes of this part, a complete withdrawal from a multiemployer plan occurs when an employer—

(1) permanently ceases to have an obligation to contribute under the plan, or

(2) permanently ceases all covered operations under the plan.

(b) Building and construction industry

(1) Notwithstanding subsection (a) of this section, in the case of an employer that has an obligation to contribute under a plan for work performed in the building and construction industry, a complete withdrawal occurs only as described in paragraph (2), if—

(A) substantially all the employees with respect to whom the employer has an obligation to contribute under the plan perform work in the building and construction industry, and

(B) the plan—

(i) primarily covers employees in the building and construction industry, or

(ii) is amended to provide that this subsection applies to employers described in this paragraph.

(2) A withdrawal occurs under this paragraph if—

(A) an employer ceases to have an obligation to contribute under the plan, and

(B) the employer—

(i) continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required, or

(ii) resumes such work within 5 years after the date on which the obligation to contribute under the plan ceases, and does not renew the obligation at the time of the resumption.

(3) In the case of a plan terminated by mass withdrawal (within the meaning of section 1341(a)(2) of this title), paragraph (2) shall be applied by substituting "3 years" for "5 years" in subparagraph (B)(ii).

(c) Entertainment industry

(1) Notwithstanding subsection (a) of this section, in the case of an employer that has an obligation to contribute under a plan for work performed in the entertainment industry, primarily on a temporary or project-by-project basis, if the plan primarily covers employees in the en-
entertainment industry, a complete withdrawal occurs only as described in subsection (b)(2) of this section applied by substituting “plan” for “collective bargaining agreement” in subparagraph (B)(i) thereof.

For purposes of this subsection, the term “entertainment industry” means—

(A) theater, motion picture (except to the extent provided in regulations prescribed by the corporation), radio, television, sound or visual recording, music, and dance, and

(B) such other entertainment activities as the corporation may determine to be appropriate.

(3) The corporation may by regulation exclude a group or class of employers described in the preceding sentence from the application of this subsection if the corporation determines that such exclusion is necessary—

(A) to protect the interest of the plan’s participants and beneficiaries, or

(B) to prevent a significant risk of loss to the corporation with respect to the plan.

(4) A plan may be amended to provide that this subsection shall not apply to a group or class of employers under the plan.

(d) Other determinative factors

(1) Notwithstanding subsection (a) of this section, in the case of an employer who—

(A) has an obligation to contribute under a plan described in paragraph (2) primarily for work described in such paragraph, and

(B) does not continue to perform work within the jurisdiction of the plan,

a complete withdrawal occurs only as described in paragraph (3).

(2) A plan is described in this paragraph if substantially all of the contributions required under the plan are made by employers primarily engaged in the long and short haul trucking industry, the household goods moving industry, or the public warehousing industry.

(3) A withdrawal occurs under this paragraph if—

(A) an employer permanently ceases to have an obligation to contribute under the plan or permanently ceases all covered operations under the plan, and

(B) either—

(i) the corporation determines that the plan has suffered substantial damage to its contribution base as a result of such cessation, or

(ii) the employer fails to furnish a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to 50 percent of the withdrawal liability of the employer.

(4) If, after an employer furnishes a bond or escrow to a plan under paragraph (3)(B)(i), the corporation determines that the cessation of the employer’s obligation to contribute under the plan (considered together with any cessations by other employers), or cessation of covered operations under the plan, has resulted in substantial damage to the contribution base of the plan, the employer shall be treated as having withdrawn from the plan on the date on which the obligation to contribute or covered operations ceased, and such bond or escrow shall be paid to the plan. The corporation shall not make a determination under this paragraph more than 60 months after the date on which such obligation to contribute or covered operations ceased.

(5) If the corporation determines that the employer has no further liability under the plan either—

(A) because it determines that the contribution base of the plan has not suffered substantial damage as a result of the cessation of the employer’s obligation to contribute or cessation of covered operations (considered together with any cessation of contribution obligation, or of covered operations, with respect to other employers), or

(B) because it may not make a determination under paragraph (4) because of the last sentence thereof,

then the bond shall be cancelled or the escrow refunded.

(6) Nothing in this subsection shall be construed as a limitation on the amount of the withdrawal liability of any employer.

(e) Date of complete withdrawal

For purposes of this part, the date of a complete withdrawal is the date of the cessation of the obligation to contribute or the cessation of covered operations.

(f) Special liability withdrawal rules for industries other than construction and entertainment industries; procedures applicable to amend plans

(1) The corporation may prescribe regulations under which plans in industries other than the construction or entertainment industries may be amended to provide for special withdrawal liability rules similar to the rules described in subsections (b) and (c) of this section.

(2) Regulations under paragraph (1) shall permit use of special withdrawal liability rules—

(A) only in industries (or portions thereof) in which, as determined by the corporation, the characteristics that would make use of such rules appropriate are clearly shown, and

(B) only if the corporation determines, in each instance in which special withdrawal liability rules are permitted, that use of such rules will not pose a significant risk to the corporation under this subchapter.

§ 1384. Sale of assets

(a) Complete or partial withdrawal not occurring as a result of sale and subsequent cessation of covered operations or cessation of obligation to contribute to covered operations; continuation of liability of seller

(1) A complete or partial withdrawal of an employer (hereinafter in this section referred to as the “seller”) under this section does not occur solely because, as a result of a bona fide, arm’s-length sale of assets to an unrelated party (here-
in ater in this section referred to as the "purchaser"), the seller ceases covered operations or ceases to have an obligation to contribute for such operations, if—

(1) the purchaser has an obligation to contribute to the plan with respect to the operations for substantially the same number of contribution base units for which the seller had an obligation to contribute to the plan;

(B) the purchaser provides to the plan for a period of 5 plan years commencing with the first plan year beginning after the sale of assets, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the greater of—

(i) the average annual contribution required to be made by the seller with respect to the operations under the plan for the 3 plan years preceding the plan year in which the sale of the employer’s assets occurs, or

(ii) the annual contribution that the seller was required to make with respect to the operations under the plan for the last plan year before the plan year in which the sale of the assets occurs,

which bond or escrow shall be paid to the plan if the purchaser withdraws from the plan, or fails to make a contribution to the plan when due, at any time during the first 5 plan years beginning after the sale; and

(C) the contract for sale provides that, if the purchaser withdraws in a complete withdrawal, or a partial withdrawal with respect to operations, during such first 5 plan years, the seller is secondarily liable for any withdrawal liability it would have had to the plan with respect to the operations (but for this section) if the liability of the purchaser with respect to the plan is not paid.

(2) If the purchaser—

(A) withdraws before the last day of the fifth plan year beginning after the sale, and

(B) fails to make any withdrawal liability payment when due,

then the seller shall pay to the plan an amount equal to the payment that would have been due from the seller but for this section.

(3)(A) If all, or substantially all, of the seller’s assets are distributed, or if the seller is liquidated before the end of the 5 plan year period described in paragraph (1)(C), then the seller shall provide a bond or amount in escrow equal to the present value of the withdrawal liability the seller would have had but for this subsection.

(B) If only a portion of the seller’s assets are distributed during such period, then a bond or escrow shall be required, in accordance with regulations prescribed by the corporation, in a manner consistent with subparagraph (A).

(4) The liability of the party furnishing a bond or escrow under this subsection shall be reduced, upon payment of the bond or escrow to the plan, by the amount thereof.

(b) Liability of purchaser

(1) For the purposes of this part, the liability of the purchaser shall be determined as if the purchaser had been required to contribute to the plan in the year of the sale and the 4 plan years preceding the sale the amount the seller was required to contribute for such operations for such 5 plan years.

(2) If the plan is in reorganization in the plan year in which the sale of assets occurs, the purchaser shall furnish a bond or escrow in an amount equal to 200 percent of the amount described in subsection (a)(1)(B) of this section.

(c) Variances or exemptions from continuation of liability of seller; procedures applicable

The corporation may by regulation vary the standards in subparagraphs (B) and (C) of subsection (a)(1) of this section if the variance would more effectively or equitably carry out the purposes of this subchapter. Before it promulgates such regulations, the corporation may grant individual or class variances or exemptions from the requirements of such subparagraphs if the particular case warrants it. Before granting such an individual or class variance or exemption, the corporation—

(1) shall publish notice in the Federal Register of the pendency of the variance or exemption,

(2) shall require that adequate notice be given to interested persons, and

(3) shall afford interested persons an opportunity to present their views.

(d) "Unrelated party" defined

For purposes of this section, the term "unrelated party" means a purchaser or seller who does not bear a relationship to the seller or purchaser, as the case may be, that is described in section 267(b) of title 26, or that is described in regulations prescribed by the corporation applying principles similar to the principles of such section.

Amendment

Effectiveness of Amendment

Amendment by Pub. L. 101–239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99–514, to which such amendment relates, see section 7891(f) of Pub. L. 101–239, set out as a note under section 1002 of this title.

§ 1385. Partial withdrawals

(a) Determinative factors

Except as otherwise provided in this section, there is a partial withdrawal by an employer from a plan on the last day of a plan year if for such plan year—

(1) there is a 70-percent contribution decline, or

(2) there is a partial cessation of the employer’s contribution obligation.

(b) Criteria applicable

For purposes of subsection (a) of this section—
(1) (A) There is a 70-percent contribution decline for any plan year if during each plan year in the 3-year testing period the employer’s contribution base units do not exceed 30 percent of the employer’s contribution base units for the high base year.

(B) For purposes of subparagraph (A) —

(i) The term “3-year testing period” means the period consisting of the plan year and the immediately preceding 2 plan years.

(ii) The number of contribution base units for the high base year is the average number of such units for the 2 plan years for which the employer’s contribution base units were the highest within the 5 plan years immediately preceding the beginning of the 3-year testing period.

(2) (A) There is a partial cessation of the employer’s contribution obligation for the plan year if, during such year —

(i) the employer permanently ceases to have an obligation to contribute under one or more but fewer than all collective bargaining agreements under which the employer has been obligated to contribute under the plan but continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required or transfers such work to another location or to an entity or entities owned or controlled by the employer, or

(ii) an employer permanently ceases to have an obligation to contribute under the plan with respect to work performed at one or more but fewer than all of its facilities, but continues to perform work at the facility of the type for which the obligation to contribute ceased.

(B) For purposes of subparagraph (A), a cessation of obligations under a collective bargaining agreement shall not be considered to have occurred solely because, with respect to the same plan, one agreement that requires contributions to the plan has been substituted for another agreement.

(c) Retail food industry

(1) In the case of a plan in which a majority of the covered employees are employed in the retail food industry, the plan may be amended to provide that this section shall be applied with respect to such plan —

(A) by substituting “35 percent” for “70 percent” in subsections (a) and (b) of this section, and

(B) by substituting “65 percent” for “30 percent” in subsection (b) of this section.

(2) Any amendment adopted under paragraph (1) shall provide rules for the equitable reduction of withdrawal liability in any case in which the number of the plan’s contribution base units, in the 2 plan years following the plan year of withdrawal of the employer, is higher than such number immediately after the withdrawal.

(3) Section 1388 of this title shall not apply to a plan which has been amended under paragraph (1).

(d) Continuation of liability of employer for partial withdrawal under amended plan

In the case of a plan described in section 404(c) of title 26, or a continuation thereof, the plan may be amended to provide rules setting forth other conditions consistent with the purposes of this chapter under which an employer has liability for partial withdrawal.

A. before December 13, 1979, had publicly announced the total cessation of covered operations at a facility in a State (and such cessation occurred within 12 months after the announcement),

B. had not been obligated to make contributions to the plan on behalf of the employees at such facility for more than 8 years before the discontinuance of contributions, and

C. after the discontinuance of contributions does not within 1 year after the date of the partial withdrawal perform work in the same State of the type for which contributions were previously required, shall be liable under such section with respect to such partial withdrawal in an amount not greater than the amount determined under paragraph (2).

(2) The amount determined under this paragraph is the excess (if any) of—

(A) the present value (on the withdrawal date) of the benefits under the plan which—

i. were vested on the withdrawal date (or, if earlier, at the time of separation from service with the employer at the facility),

ii. were accrued by employees who on December 13, 1979 (or, if earlier, at the time of separation from service with the employer at the facility), were employed at the facility, and

**§ 1386. Adjustment for partial withdrawal; determination of amount; reduction for partial withdrawal liability; procedures applicable**

(a) The amount of an employer’s liability for a partial withdrawal, before the application of sections 1399(c)(1) and 1405 of this title, is equal to the product of—

1. the amount determined under section 1391 of this title, and adjusted under section 1389 of this title if appropriate, determined as if the employer had withdrawn from the plan in a complete withdrawal—

2. (A) on the date of the partial withdrawal, or

3. (B) in the case of a partial withdrawal described in section 1385(a)(1) of this title (relating to 70-percent contribution decline), on the last day of the first plan year in the 3-year testing period, multiplied by

4. (2) a fraction which is 1 minus a fraction—

(A) the numerator of which is the employer’s contribution base units for the plan year following the plan year in which the partial withdrawal occurs, and

(B) the denominator of which is the average of the employer’s contribution base units for—

i. except as provided in clause (ii), the 5 plan years immediately preceding the plan year in which the partial withdrawal occurs, or

ii. in the case of a partial withdrawal described in section 1385(a)(1) of this title (relating to 70-percent contribution decline), the 5 plan years immediately preceding the beginning of the 3-year testing period.

(b) In the case of an employer that has withdrawal liability for a partial withdrawal from a plan, any withdrawal liability of that employer for a partial or complete withdrawal from that plan in a subsequent plan year shall be reduced by the amount of any partial withdrawal liability (reduced by any abatement or reduction of such liability) of the employer with respect to the plan for a previous plan year.

2. The corporation shall prescribe such regulations as may be necessary to provide for proper adjustments in the reduction provided by paragraph (1) for—

(B) changes in contribution base units occurring after the close of the prior year for which partial withdrawal liability was determined, and

(C) any other factors for which it determines adjustment to be appropriate, so that the liability for any complete or partial withdrawal in any subsequent year (after the application of the reduction) properly reflects the employer’s share of liability with respect to the plan.

§ 1387. Reduction or waiver of complete withdrawal liability; procedures and standards applicable

(a) The corporation shall provide by regulation for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from a plan subsequently resumes covered operations under the plan or renews an obligation to contribute under the plan, to the extent that the corporation determines that reduction or waiver of withdrawal liability is consistent with the purposes of this chapter.

(b) The corporation shall prescribe by regulation a procedure and standards for the amendment of plans to provide alternative rules for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from the plan subsequently resumes covered operations or renews an obligation to contribute under the plan. The rules may apply only to the extent that the rules are consistent with the purposes of this chapter.

§ 1388. Reduction of partial withdrawal liability

(a) Obligation of employer for payments for partial withdrawal for plan years beginning after the second consecutive plan year; criteria applicable; furnishing of bond in lieu of payment of partial withdrawal liability

(1) If, for any 2 consecutive plan years following the plan year in which an employer has partially withdrawn from a plan under section 1385(a)(1) of this title (referred to elsewhere in this section as the “partial withdrawal year”), the number of contribution base units with respect to which the employer has an obligation to contribute under the plan for each such year is not less than 90 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute under the plan for the high base year (within the meaning of section 1385(b)(1)(B)(ii) of this title), then the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second consecutive plan year following the partial withdrawal year.

(2)(A) For any plan year for which the number of contribution base units with respect to which an employer who has partially withdrawn under section 1385(a)(1) of this title has an obligation to contribute under the plan equals or exceeds the number of units for the highest year determined under paragraph (1) without regard to “90 percent of”, the employer may furnish (in lieu of payment of the partial withdrawal liability determined under section 1386 of this title) a bond to the plan in the amount determined by the plan sponsor (not exceeding 50 percent of the annual payment otherwise required).

(B) If the plan sponsor determines under paragraph (1) that the employer has no further liability to the plan for the partial withdrawal, then the bond shall be cancelled.

(C) If the plan sponsor determines under paragraph (1) that the employer continues to have liability to the plan for the partial withdrawal, then—

(i) the bond shall be paid to the plan,

(ii) the employer shall immediately be liable for the outstanding amount of liability due with respect to the plan year for which the bond was posted, and

(iii) the employer shall continue to make the partial withdrawal liability payments as they are due.

(b) Obligation of employer for payments for partial withdrawal for plan years beginning after the second consecutive plan year; other criteria applicable

If—

(1) for any 2 consecutive plan years following a partial withdrawal under section 1385(a)(1) of this title, the number of contribution base units with respect to which the employer has an obligation to contribute for each such year exceeds 30 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute for the high base year (within the meaning of section 1385(b)(1)(B)(ii) of this title) and

(2) the total number of contribution base units with respect to which all employers under the plan have obligations to contribute in each of such 2 consecutive years is not less than 90 percent of the total number of contribution base units for which all employers had obligations to contribute in the partial withdrawal plan year;

then, the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second such consecutive plan year.

(c) Pro rata reduction of amount of partial withdrawal liability payment of employer for plan year following partial withdrawal year

In any case in which, in any plan year following a partial withdrawal under section 1385(a)(1) of this title, the number of contribution base units with respect to which the employer has an obligation to contribute for such year equals or exceeds 110 percent (or such other percentage as the plan may provide by amendment and which is not prohibited under regulations prescribed by the corporation) of the number of contribution base units with respect to which the employer had an obligation to contribute in the partial withdrawal year, then the amount of the employer’s partial withdrawal liability payment for such year shall be reduced pro rata, in accordance with regulations prescribed by the corporation.

§ 1389. De minimis rule

(a) Reduction of unfunded vested benefits allocable to employer withdrawn from plan

Except in the case of a plan amended under subsection (b) of this section, the amount of the unfunded vested benefits allocable under section 1391 of this title to an employer who withdraws from a plan shall be reduced by the smaller of—

1. 1/4 of 1 percent of the plan’s unfunded vested obligations (determined as of the end of the plan year ending before the date of withdrawal), or

2. $50,000,

reduced by the amount, if any, by which the unfunded vested benefits allocable to the employer, determined without regard to this subsection, exceeds $100,000.

(b) Amendment of plan for reduction of amount of unfunded vested benefits allocable to employer withdrawn from plan

A plan may be amended to provide for the reduction of the amount determined under section 1391 of this title by not more than the greater of—

1. the amount determined under subsection (a) of this section, or

2. the lesser of—

(A) the amount determined under subsection (a)(1) of this section, or

(B) $100,000,

reduced by the amount, if any, by which the amount determined under section 1391 of this title for the employer, determined without regard to this subsection, exceeds $150,000.

(c) Nonapplicability

This section does not apply—

1. to an employer who withdraws in a plan year in which substantially all employers withdraw from the plan, or

2. in any case in which substantially all employers withdraw from the plan during a period of one or more plan years pursuant to an agreement or arrangement to withdraw, to an employer who withdraws pursuant to such agreement or arrangement.

(d) Presumption of employer withdrawal from plan pursuant to agreement or arrangement applicable in action or proceeding to determine or collect withdrawal liability

In any action or proceeding to determine or collect withdrawal liability, if substantially all employers have withdrawn from a plan within a period of 3 plan years, an employer who has withdrawn from such plan during such period shall be presumed to have withdrawn from the plan pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

(1) first had an obligation to contribute to the plan after September 26, 1980,
(2) had an obligation to contribute to the plan for no more than the lesser of—
(A) 6 consecutive plan years preceding the date on which the employer withdraws, or
(B) the number of years required for vesting under the plan,
(3) was required to make contributions to the plan for each such plan year in an amount equal to less than 2 percent of the sum of all employer contributions made to the plan for each such year, and
(4) has never avoided withdrawal liability because of the application of this section with respect to the plan.

(b) Subsection (a) of this section shall apply to an employer with respect to a plan only if—
(1) the plan is amended to provide that subsection (a) of this section applies;
(2) the plan provides, or is amended to provide, that the reduction under section 113(a)(3)(E) of title 26 applies with respect to the employees of the employer; and
(3) the ratio of the assets of the plan for the plan year preceding the first plan year for which the employer was required to contribute to the plan to the benefit payments made during that plan year was at least 8 to 1.

(2)(A) An employer’s proportional share of the unamortized amount of the change in the plan’s unfunded vested benefits for plan years ending after September 25, 1980, is the sum of the employer’s proportional shares of the unamortized amount of the change in unfunded vested benefits (if any) as determined under paragraph (4).

(b) Factors determining computation of amount of unfunded vested benefits allocable to employer withdrawn from plan

(1) Except as provided in subsections (c) and (d) of this section, the amount of unfunded vested benefits allocable to an employer that withdraws is the sum of—
(A) the employer’s proportional share of the unamortized amount of the change in the plan’s unfunded vested benefits for plan years ending after September 25, 1980, as determined under paragraph (2),
(B) the employer’s proportional share, if any, of the unamortized amount of the plan’s unfunded vested benefits at the end of the plan year ending before September 26, 1980, as determined under paragraph (3); and
(C) the employer’s proportional share of the unamortized amounts of the reallocated unfunded vested benefits (if any) as determined under paragraph (4).

If the sum of the amounts determined with respect to an employer under paragraphs (2), (3), and (4) is negative, the unfunded vested benefits allocable to the employer shall be zero.

(2)(A) An employer’s proportional share of the unamortized amount of the change in the plan’s unfunded vested benefits for plan years ending after September 25, 1980, is the sum of the employer’s proportional shares of the unamortized amount of the change in unfunded vested benefits for each plan year in which the employer has an obligation to contribute under the plan ending—
(i) after such date, and
(ii) before the plan year in which the withdrawal of the employer occurs.

(B) The change in a plan’s unfunded vested benefits for a plan year is the amount by which—
(i) the unfunded vested benefits at the end of the plan year; exceeds
(ii) the sum of—
(I) the unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, and
(II) the sum of the unamortized amounts of the change in unfunded vested benefits for each plan year ending after September 25, 1980, and preceding the plan year for which the change is determined.

(C) The unamortized amount of the change in a plan’s unfunded vested benefits with respect to a plan year is the change in unfunded vested benefits for the plan year, reduced by 5 percent of such change for each succeeding plan year.

(D) The unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, is the amount of the unfunded vested benefits as of the end of that plan year reduced by 5 percent of such amount for each succeeding plan year.

(E) An employer’s proportional share of the unamortized amount of a change in unfunded vested benefits is the product of—
(i) the unamortized amount of such change (as of the end of the plan year preceding the plan year in which the employer withdrawing); multiplied by

$1391. Methods for computing withdrawal liability

(a) Determination of amount of unfunded vested benefits allocable to employer withdrawn from plan

The amount of the unfunded vested benefits allocable to an employer that withdraws from a plan shall be determined in accordance with subsection (b), (c), or (d) of this section.
(ii) a fraction—

(I) the numerator of which is the sum of the contributions required to be made under the plan by the employer for the year in which such change arose and for the 4 preceding plan years, and

(II) the denominator of which is the sum for the plan year in which such change arose and the 4 preceding plan years of all contributions made by employers who had an obligation to contribute under the plan for the plan year in which such change arose reduced by the contributions made in such years by employers who had withdrawn from the plan in the year in which the change arose.

(3) An employer’s proportional share of the unamortized amount of the plan’s unfunded vested benefits for the last plan year ending before September 26, 1980, is the product of—

(A) such unamortized amount; multiplied by—

(B) a fraction—

(i) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the most recent 5 plan years ending before September 26, 1980, and

(ii) the denominator of which is the sum of all contributions made for the most recent 5 plan years ending before September 26, 1980, by all employers—

(I) who had an obligation to contribute under the plan for the first plan year ending on or after such date, and

(II) who had not withdrawn from the plan before such date.

(4)(A) An employer’s proportional share of the unamortized amount of the reallocated unfunded vested benefits is the sum of the employer’s proportional share of the unamortized amount of the reallocated unfunded vested benefits for each plan year ending before the plan year in which the employer withdrew from the plan.

(B) Except as otherwise provided in regulations prescribed by the corporation, the reallocated unfunded vested benefits for a plan year is the sum of—

(i) any amount which the plan sponsor determines in that plan year to be uncollectible for reasons arising out of cases or proceedings under title 11, or similar proceedings.1

(ii) any amount which the plan sponsor determines in that plan year will not be assessed to the extent provided in regulations prescribed by the corporation, to provide that the amount of unfunded vested benefits allocable to an employer not described in section 1383(b)(1)(A) of this title (relating to the building and construction industry) may be amended, to the extent provided in regulations prescribed by the corporation, to provide that the amount of the unfunded vested benefits allocable to an employer not described in section 1383(b)(1)(A) of this title shall be determined in a manner different from that provided in subsection (b) of this section.

(2)(A) The amount of the unfunded vested benefits allocable to any employer under this paragraph is the sum of the amounts determined under subparagraphs (B) and (C).

(B) The amount determined under this subparagraph is the product of—

(i) the plan’s unfunded vested benefits as of the end of the last plan year ending before September 26, 1980, reduced as if those obligations were being fully amortized in level annual installments over 15 years beginning with the first plan year ending on or after such date; multiplied by

(ii) a fraction—

(I) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the last 5 plan years ending before September 26, 1980, and

(II) the denominator of which is the sum of all contributions made for the last 5 plan years ending before September 26, 1980, by all employers who had an obligation to contribute under the plan for the first plan year ending after September 25, 1980, and who had not withdrawn from the plan before such date.

(C) The amount determined under this subparagraph is the product of—

(i) an amount equal to—

(I) the plan’s unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less

(II) the sum of the value as of such date of all outstanding claims for withdrawal liabi-

ity which can reasonably be expected to be collected, with respect to employers withdrawing before such plan year, and that portion of the amount determined under subparagraph (B)(i) which is allocable to employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws and who also had an obligation to contribute under the plan for the first plan year ending after September 25, 1980; multiplied by

(ii) a fraction—

(I) the numerator of which is the total amount required to be contributed under the plan by the employer for the last 5 plan years ending before the date on which the employer withdraws, and

(II) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the date on which the employer withdraws, increased by the amount of any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed by an employer who withdrew from the plan under this part during those plan years.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this subchapter, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

(3) The amount of the unfunded vested benefits allocable to an employer under this paragraph is the product of—

(A) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less the value as of the end of such year of all outstanding claims for withdrawal liability which can reasonably be expected to be collected from employers withdrawing before such year; multiplied by

(B) a fraction—

(i) the numerator of which is the total amount required to be contributed by the employer under the plan for the last 5 plan years ending before the withdrawal, and

(ii) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the withdrawal, increased by any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed to the plan during those plan years by employers who withdrew from the plan under this section during those plan years.

(4)(A) The amount of the unfunded vested benefits allocable to an employer under this paragraph is equal to the sum of—

(i) the plan's unfunded vested benefits which are attributable to participants' service with the employer (determined as of the end of the plan year in which the employer withdraws), and

(ii) the employer's proportional share of any unfunded vested benefits which are not attributable to service with the employer or other employers who are obligated to contribute under the plan in the plan year preceding the plan year in which the employer withdraws (determined as of the end of the plan year preceding the plan year in which the employer withdraws).

(B) The plan's unfunded vested benefits which are attributable to participants' service with the employer is the amount equal to the value of nonforfeitable benefits under the plan which are attributable to participants' service with such employer (determined under plan rules not inconsistent with regulations of the corporation) decreased by the share of plan assets determined under subparagraph (C) which is allocated to the employer as provided under subparagraph (D).

(C) The value of plan assets determined under this subparagraph is the value of plan assets allocated to nonforfeitable benefits which are attributable to service with the employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws, which is determined by multiplying—

(i) the value of the plan assets as of the end of the plan year preceding the plan year in which the employer withdraws, by

(ii) a fraction—

(I) the numerator of which is the value of nonforfeitable benefits which are attributable to service with such employers, and

(II) the denominator of which is the value of all nonforfeitable benefits under the plan as of the end of the plan year.

(D) The share of plan assets, determined under subparagraph (C), which is allocated to the employer shall be determined in accordance with one of the following methods which shall be adopted by the plan by amendment:

(i) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the value of the nonforfeitable benefits which are attributable to service with the employer, and

(II) the denominator of which is the value of the nonforfeitable benefits which are attributable to service with all employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws;

(ii) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the sum of all contributions (accumulated with interest) which have been made to the plan by the employer for the plan year preceding the plan year in which the employer withdraws and all preceding plan years; and

(II) the denominator of which is the sum of all contributions (accumulated with interest) which have been made to the plan (for the plan year preceding the plan year in which the employer withdraws and all pre-
ceding plan years) by all employers who have an obligation to contribute to the plan for the plan year preceding the plan year in which the employer withdraws; or

(3) by multiplying the value of plan assets under subparagraph (C) by a fraction—

(I) the numerator of which is the amount determined under clause (ii)(I) of this subparagraph, less the sum of benefit payments (accumulated with interest) made to participants and their beneficiaries for the plan years described in such clause (ii)(I) which are attributable to service with the employer; and

(II) the denominator of which is the amount determined under clause (ii)(II) of this subparagraph, reduced by the sum of benefit payments (accumulated with interest) made to participants and their beneficiaries for the plan years described in such clause (ii)(II) which are attributable to service with respect to the employers described in such clause (ii)(II).

(E) The amount of the plan’s unfunded vested benefits for a plan year preceding the plan year in which an employer withdraws, which is not attributable to service with employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which such employer withdraws, is equal to—

(i) an amount equal to—

(I) the value of all nonforfeitable benefits under the plan at the end of such plan year, reduced by

(II) the value of nonforfeitable benefits under the plan at the end of such plan year which are attributable to participants’ service with employers who have an obligation to contribute under the plan for such plan year, reduced by

(ii) an amount equal to—

(I) the value of the plan assets as of the end of such plan year, reduced by

(II) the value of plan assets as of the end of such plan year as determined under subparagraph (C); reduced by

(iii) the value of all outstanding claims for withdrawal liability which can reasonably be expected to be collected with respect to employers withdrawing before the year preceding the plan year in which the employer withdraws.

(F) The employer’s proportional share described in subparagraph (A)(ii) for a plan year is the amount determined under subparagraph (E) for the employer, but not in excess of an amount which bears the same ratio to the sum of the amounts determined under subparagraph (E) for all employers under the plan as the amount determined under subparagraph (C) for the employer bears to the sum of the amounts determined under subparagraph (C) for all employers under the plan.

(G) The corporation may prescribe by regulation other methods which a plan may adopt for allocating assets to determine the amount of the unfunded vested benefits attributable to service with the employer and to determine the employer’s share of unfunded vested benefits not attributable to service with employers who have an obligation to contribute under the plan in the plan year in which the employer withdraws.

(5) The corporation shall prescribe by regulation a procedure by which a plan may, by amendment, adopt any other alternative method for determining an employer’s allocable share of unfunded vested benefits under this section, subject to the approval of the corporation based on its determination that adoption of the method by the plan would not significantly increase the risk of loss to plan participants and beneficiaries or to the corporation.

(B) The corporation may prescribe by regulation standard approaches for alternative methods, other than those set forth in the preceding paragraphs of this subsection, which a plan may adopt under subparagraph (A), for which the corporation may waive or modify the approval requirements of subparagraph (A). Any alternative method shall provide for the allocation of substantially all of a plan’s unfunded vested benefits among employers who have an obligation to contribute under the plan.

(C) Unless the corporation by regulation provides otherwise, a plan may be amended to provide that a period of more than 5 but not more than 10 plan years may be used for determining the numerator and denominator of any fraction which is used under any method authorized under this section for determining an employer’s allocable share of unfunded vested benefits under this section.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this subchapter, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

(E) Fresh start option. Notwithstanding paragraph (1), a plan may be amended to provide that the withdrawal liability method described in subsection (b) shall be applied by substituting the plan year which is specified in the amendment and for which the plan has no unfunded vested benefits for the plan year ending before September 26, 1980.

(d) Method of calculating allocable share of employer of unfunded vested benefits set forth in subsection (c)(3) of this section; applicability of certain statutory provisions

(1) The method of calculating an employer’s allocable share of unfunded vested benefits set forth in subsection (c)(3) of this section shall be the method for calculating an employer’s allocable share of unfunded vested benefits under a plan to which section 401(c) of title 26, or a continuation of such a plan, applies, unless the plan is amended to adopt another method authorized under subsection (b) or (c) of this section:

(2) Sections 1381, 1389, 1399(c)(1)(B), and 1405 of this title shall not apply with respect to the withdrawal of an employer from a plan described in paragraph (1) unless the plan is amended to provide that any of such sections apply, may, by

(e) Reduction of liability of withdrawn employer in case of transfer of liabilities to another plan incident to withdrawal or partial withdrawal of employer

In the case of a transfer of liabilities to another plan incident to an employer’s withdrawal...
or partial withdrawal, the withdrawn employer’s liability under this part shall be reduced in an amount equal to the value, as of the end of the last plan year ending on or before the date of the withdrawal, of the transferred unfunded vested benefits.

(f) Computations applicable in case of withdrawal following merger of multiemployer plans

In the case of a withdrawal following a merger of multiemployer plans, subsection (b), (c), or (d) of this section shall be applied in accordance with regulations prescribed by the corporation; except that, if a withdrawal occurs in the first plan year beginning after a merger of multiemployer plans, the determination under this section shall be made as if each of the multiemployer plans had remained separate plans.

(2) in the absence of complete data, rely on the most recent complete actuarial valuation used for purposes of determining the unfunded vested benefits of plan for computing withdrawal liability.

(b) Factors determinative of unfunded vested benefits of plan for computing withdrawal liability of employer

In determining the unfunded vested benefits of a plan for purposes of determining an employer’s withdrawal liability under this part, the corporation may prescribe by regulation actuarial assumptions which may be used by a plan actuary in determining the unfunded vested benefits of a plan for purposes of determining an employer’s withdrawal liability under this part. Withdrawal liability under this part shall be determined by each plan on the basis of—

(1) actuarial assumptions and methods which, in the aggregate, are reasonable (taking into account the experience of the plan and reasonable expectations) and which, in combination, offer the actuary’s best estimate of anticipated experience under the plan, or

(2) actuarial assumptions and methods set forth in the corporation’s regulations for purposes of determining an employer’s withdrawal liability.

(c) Transactions to evade or avoid liability

If a principal purpose of any transaction is to evade or avoid liability under this part, this part shall be applied (and liability shall be determined and collected) without regard to such transaction.

§ 1393. Actuarial assumptions

(a) Use by plan actuary in determining unfunded vested benefits of a plan for computing withdrawal liability of employer

The corporation may prescribe by regulation actuarial assumptions which may be used by a plan actuary in determining the unfunded vested benefits of a plan for purposes of determining an employer’s withdrawal liability under this part. Withdrawal liability under this part shall be determined by each plan on the basis of—

(1) actuarial assumptions and methods which, in the aggregate, are reasonable (taking into account the experience of the plan and reasonable expectations) and which, in combination, offer the actuary’s best estimate of anticipated experience under the plan, or

(2) actuarial assumptions and methods set forth in the corporation’s regulations for purposes of determining an employer’s withdrawal liability.

(b) Factors determinative of unfunded vested benefits of plan for computing withdrawal liability of employer

In determining the unfunded vested benefits of a plan for purposes of determining an employer’s withdrawal liability under this part, the plan actuary may—

(1) rely on the most recent complete actuarial valuation used for purposes of section 412 of title 26 and reasonable estimates for the interim years of the unfunded vested benefits; and

(2) in the absence of complete data, rely on the data available or on data secured by a sampling which can reasonably be expected to be representative of the status of the entire plan.

(c) Determination of amount of unfunded vested benefits

For purposes of this part, the term “unfunded vested benefits” means with respect to a plan, an amount equal to—

(A) the value of nonforfeitable benefits under the plan, less

(B) the value of the assets of the plan.

§ 1392. Obligation to contribute

(a) “Obligation to contribute” defined

For purposes of this part, the term “obligation to contribute” means an obligation to contribute arising—

(1) under one or more collective bargaining (or related) agreements, or

(2) as a result of a duty under applicable labor-management relations law, but

does not include an obligation to pay withdrawal liability under this section or to pay delinquent contributions.

(b) Payments of withdrawal liability not considered contributions

Payments of withdrawal liability under this part shall not be considered contributions for purposes of this part.

(c) Transactions to evade or avoid liability

If a principal purpose of any transaction is to evade or avoid liability under this part, this part shall be applied (and liability shall be determined and collected) without regard to such transaction.

Amendments

§ 1394. Application of plan amendments; exception

(a) No plan rule or amendment adopted after January 31, 1981, under section 1389 or 1391(c) of this title may be applied without the employer's consent with respect to liability for a withdrawal or partial withdrawal which occurred before the date on which the rule or amendment was adopted.

(b) All plan rules and amendments authorized under this part shall operate and be applied uniformly with respect to each employer, except that special provisions may be made to take into account the creditworthiness of an employer. The plan sponsor shall give notice to all employers who have an obligation to contribute under the plan and to all employee organizations representing employees covered under the plan of any plan rules or amendments adopted pursuant to this section.

§ 1395. Plan notification to corporation of potentially significant withdrawals

The corporation may, by regulation, require the plan sponsor of a multiemployer plan to provide notice to the corporation when the withdrawal from the plan by any employer has resulted, or will result, in a significant reduction in the amount of aggregate contributions under the plan made by employers.

§ 1396. Special rules for plans under section 404(c) of title 26

(a) Amount of withdrawal liability; determinative factors

In the case of a plan described in subsection (b) of this section—

(1) if an employer withdraws prior to a termination described in section 1341a(a)(2) of this title, the amount of withdrawal liability to be paid in any year by such employer shall be an amount equal to the greater of—

(A) the amount determined under section 1399(c)(1)(C)(i) of this title, or

(B) the product of—

(i) the number of contribution base units for which the employer would have been required to make contributions for the prior plan year if the employer had not withdrawn, multiplied by

(ii) the contribution rate for the plan year which would be required to meet the amortization schedules contained in section 1423(d)(3)(B)(ii) of this title (determined without regard to any limitation on such rate otherwise provided by this subchapter)

except that an employer shall not be required to pay an amount in excess of the withdrawal liability computed with interest; and

(2) the withdrawal liability of an employer who withdraws after December 31, 1983, as a result of a termination described in section 1341a(a)(2) of this title which is agreed to by the labor organization that appoints the employee representative on the joint board of trustees who sponsors the plan, shall be determined under subsection (c) of this section if—

(A) as a result of prior employer withdrawals in any plan year commencing after January 1, 1980, the number of contribution base units is reduced to less than 67 percent of the average number of such units for the calendar years 1974 through 1979; and

(B) at least 50 percent of the withdrawal liability attributable to the first 33 percent decline described in subparagraph (A) has been determined by the plan sponsor to be uncollectible within the meaning of regulations of the corporation of general applicability; and

(C) the rate of employer contributions under the plan for each plan year following the first plan year beginning after September 26, 1980 and preceding the termination date equals or exceeds the rate described in section 1423(d)(3) of this title.

(b) Covered plans

A plan is described in this subsection if—

(1) it is a plan described in section 404(c) of title 26 or a continuation thereof; and

(2) participation in the plan is substantially limited to individuals who retired prior to January 1, 1976.

(c) Amount of liability of employer; "a year of signatory service" defined

(1) The amount of an employer's liability under this paragraph is the product of—

(A) the amount of the employer's withdrawal liability determined without regard to this section, and

(B) the greater of 90 percent, or a fraction—

(i) the numerator of which is an amount equal to the portion of the plan's unfunded vested benefits that is attributable to plan participants who have a total of 10 or more years of signatory service, and

(ii) the denominator of which is an amount equal to the total unfunded vested benefits of the plan.

(2) For purposes of paragraph (1), the term "a year of signatory service" means a year during any portion of which a participant was employed for an employer who was obligated to contribute in that year, or who was subsequently obligated to contribute.

§ 1397. Application of part in case of certain pre-1980 withdrawals; adjustment of covered plan

(a) For the purpose of determining the amount of unfunded vested benefits allocable to an employer for a partial or complete withdrawal from a plan which occurs after September 25, 1980, and for the purpose of determining whether there has been a partial withdrawal after such date, the amount of contributions, and the number of contribution base units, of such employer properly allocable—

(1) to work performed under a collective bargaining agreement for which there was a permanent cessation of the obligation to contribute before September 26, 1980, or

(2) to work performed at a facility at which all covered operations permanently ceased before September 26, 1980, or for which there was a permanent cessation of the obligation to contribute before that date, shall not be taken into account.

(b) A plan may, in a manner not inconsistent with regulations, which shall be prescribed by the corporation, adjust the amount of unfunded vested benefits allocable to other employers under a plan maintained by an employer described in subsection (a) of this section.

§ 1398. Withdrawal not to occur because of change in business form or suspension of contributions during labor dispute

Notwithstanding any other provision of this part, an employer shall not be considered to have withdrawn from a plan solely because—

(1) an employer ceases to exist by reason of—

(A) a change in corporate structure described in section 1369(b) of this title, or

(B) a change to an unincorporated form of business enterprise,

if the change causes no interruption in employer contributions or obligations to contribute under the plan, or

(2) an employer suspends contributions under the plan during a labor dispute involving its employees.

For purposes of this part, a successor or parent corporation or other entity resulting from any such change shall be considered the original employer.

§ 1399. Notice, collection, etc., of withdrawal liability

(a) Furnishing of information by employer to plan sponsor

An employer shall, within 30 days after a written request from the plan sponsor, furnish such information as the plan sponsor reasonably determines to be necessary to enable the plan sponsor to comply with the requirements of this part.

(b) Notification, demand for payment, and review upon complete or partial withdrawal by employer

(1) As soon as practicable after an employer's complete or partial withdrawal, the plan sponsor shall—

(A) notify the employer of—

(i) the amount of the liability, and

(ii) the schedule for liability payments, and

(B) demand payment in accordance with the schedule.

(2) No later than 90 days after the employer receives the notice described in paragraph (1), the employer—

(i) may ask the plan sponsor to review any specific matter relating to the determination of the employer's liability and the schedule of payments,

(ii) may identify any inaccuracy in the determination of the amount of the unfunded vested benefits allocable to the employer, and

(iii) may furnish any additional relevant information to the plan sponsor.

(B) After a reasonable review of any matter raised, the plan sponsor shall notify the employer of—
(i) the plan sponsor's decision,

(ii) the basis for the decision, and

(iii) the reason for any change in the determination of the employer's liability or schedule of liability payments.

(c) Payment requirements; amount, etc.

(1) (A) (i) Except as provided in subparagraphs (B) and (D) of this paragraph and in paragraphs (4) and (5), an employer shall pay the amount determined under section 1391 of this title, adjusted if appropriate first under section 1389 of this title and then under section 1386 of this title over the period of years necessary to amortize the amount in level annual payments determined under subparagraph (C), calculated as if the first payment were made on the first day of the plan year following the plan year in which the withdrawal occurs and as if each subsequent payment were made on the first day of each subsequent plan year. Actual payment shall commence in accordance with paragraph (2).

(ii) The determination of the amortization period described in clause (i) shall be based on the assumptions used for the most recent actuarial valuation for the plan.

(B) In any case in which the amortization period described in subparagraph (A) exceeds 20 years, the employer's liability shall be limited to the first 20 annual payments determined under subparagraph (C).

(C) (i) Except as provided in subparagraph (E), the amount of each annual payment shall be the product of—

(I) the average annual number of contribution base units for the period of 3 consecutive plan years, during the period of 10 consecutive plan years ending before the plan year in which the withdrawal occurs, in which the number of contribution base units for which the employer had an obligation to contribute under the plan is the highest, and

(II) the highest contribution rate at which the employer had an obligation to contribute under the plan during the 10 plan years ending with the plan year in which the withdrawal occurs.

For purposes of the preceding sentence, a partial withdrawal described in section 1385(a)(1) of this title shall be deemed to occur on the last day of the first year of the 3-year testing period described in section 1385(b)(1)(B)(i) of this title.

(ii) (I) A plan may be amended to provide that for any plan year ending before 1986 the amount of each annual payment shall be (in lieu of the amount determined under clause (i)) the average of the required employer contributions under the plan for the period of 3 consecutive plan years (during the period of 10 consecutive plan years ending with the plan year preceding the plan year in which the withdrawal occurs) for which such required contributions were the highest.

(II) Subparagraph (B) shall not apply to any plan year to which this clause applies.

(III) This clause shall not apply in the case of any withdrawal described in subparagraph (D).

(IV) If under a plan this clause applies to any plan year but does not apply to the next plan year, this clause shall not apply to any plan year after such next plan year.

(V) For purposes of this clause, the term "required contributions" means, for any period, the amounts which the employer was obligated to contribute for such period (not taking into account any delinquent contribution for any other period).

(iii) A plan may be amended to provide that for the first plan year ending on or after September 26, 1980, the number "5" shall be substituted for the number "10" each place it appears in clause (i) or clause (ii) (whichever is appropriate). If the plan is so amended, the number "5" shall be increased by one for each succeeding plan year until the number "10" is reached.

(D) In any case in which a multiemployer plan terminates by the withdrawal of every employer from the plan, or in which substantially all the employers withdraw from a plan pursuant to an agreement or arrangement to withdraw from the plan—

(i) the liability of each such employer who has withdrawn shall be determined (or redetermined) under this paragraph without regard to subparagraph (B), and

(ii) notwithstanding any other provision of this part, the total unfunded vested benefits of the plan shall be fully allocated among all such employers in a manner not inconsistent with regulations which shall be prescribed by the corporation.

Withdrawal by an employer from a plan, during a period of 3 consecutive plan years within which substantially all the employers who have an obligation to contribute under the plan withdraw, shall be presumed to be a withdrawal pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

(E) In the case of a partial withdrawal described in section 1385(a) of this title, the amount of each annual payment shall be the product of—

(i) the amount determined under subparagraph (C) (determined without regard to this subparagraph), multiplied by

(ii) the fraction determined under section 1386(a)(2) of this title.

(2) Withdrawal liability shall be payable in accordance with the schedule set forth by the plan sponsor under subsection (b)(1) of this section beginning no later than 60 days after the date of the demand notwithstanding any request for review or appeal of determinations of the amount of such liability or of the schedule.

(3) Each annual payment determined under paragraph (1)(C) shall be payable in 4 equal installments due quarterly, or at other intervals specified by plan rules. If a payment is not made when due, interest on the payment shall accrue from the due date until the date on which the payment is made.

(4) The employer shall be entitled to prepay the outstanding amount of the unpaid annual withdrawal liability payments determined under paragraph (1)(C), plus accrued interest, if any, in whole or in part, without penalty. If the prepayment is made pursuant to a withdrawal which is later determined to be part of a withdrawal described in paragraph (1)(D), the withdrawal li-
The amendment, or, within 90 days after the corporation receives notice and a copy of the amendment from the plan sponsor, fails to disapprove the amendment.

(b) Amendment respecting methods for computing withdrawal liability

An amendment permitted by section 1391(c)(5) of this title may be adopted only in accordance with that section.

(c) Criteria for disapproval by corporation

The corporation shall disapprove an amendment referred to in subsection (a) or (b) of this section only if the corporation determines that the amendment creates an unreasonable risk of loss to plan participants and beneficiaries or to the corporation.

(1) Any dispute between an employer and the plan sponsor of a multiemployer plan concerning a determination made under sections 1381 through 1399 of this title shall be resolved through arbitration. Either party may initiate the arbitration proceeding within a 60-day period after the earlier of—

(A) the date of notification to the employer under section 1399(b)(2)(B) of this title, or

(B) 120 days after the date of the employer's request under section 1399(b)(2)(A) of this title.

The parties may jointly initiate arbitration within the 180-day period after the date of the plan sponsor's demand under section 1399(b)(1) of this title.

(2) An arbitration proceeding under this section shall be conducted in accordance with fair and equitable procedures to be promulgated by the corporation. The plan sponsor may purchase insurance to cover potential liability of the arbitrator. If the parties have not provided for the costs of the arbitration, including arbitrator's fees, by agreement, the arbitrator shall assess such fees. The arbitrator may also award reasonable attorney's fees.

(3)(A) For purposes of any proceeding under this section, any determination made by a plan sponsor under sections 1381 through 1399 of this title and section 1405 of this title is presumed correct unless the party contesting the determination shows by a preponderance of the evidence that the determination was unreasonable or clearly erroneous.

(B) In the case of the determination of a plan's unfunded vested benefits for a plan year, the determination is presumed correct unless a party contesting the determination shows by a preponderance of evidence that—

(i) the actuarial assumptions and methods used in the determination were, in the aggregate, unreasonable (taking into account the
experience of the plan and reasonable expectations), or
(ii) the plan's actuary made a significant error in applying the actuarial assumptions or methods.

(b) Alternative collection proceedings; civil action subsequent to arbitration award; conduct of arbitration proceedings

(1) If no arbitration proceeding has been initiated pursuant to subsection (a) of this section, the amounts demanded by the plan sponsor under section 1399(b)(1) of this title shall be due and owing on the schedule set forth by the plan sponsor. The plan sponsor may bring an action in a State or Federal court of competent jurisdiction for collection.

(2) Upon completion of the arbitration proceedings in favor of one of the parties, any party thereto may bring an action, no later than 30 days after the issuance of an arbitrator's award, in an appropriate United States district court in accordance with section 1451 of this title to enforce, vacate, or modify the arbitrator's award.

(3) Any arbitration proceedings under this section shall, to the extent consistent with this subchapter, be conducted in the same manner, subject to the same limitations, carried out with the same powers (including subpoena power), and enforced in United States courts as an arbitration proceeding carried out under title 9.

(c) Presumption respecting finding of fact by arbitrator

In any proceeding under subsection (b) of this section, there shall be a presumption, rebuttable only by a clear preponderance of the evidence, that the findings of fact made by the arbitrator were correct.

(d) Payments by employer prior and subsequent to determination by arbitrator; adjustments; failure of employer to make payments

Payments shall be made by an employer in accordance with the determinations made under this part until the arbitrator issues a final decision for arbitration, with any necessary adjustments with respect to overpayments or underpayments arising out of the decision of the arbitrator with respect to the determination. If the employer fails to make timely payment in accordance with such final decision, the employer shall be treated as being delinquent in the making of a contribution required under the plan (within the meaning of section 1145 of this title).

(e) Procedures applicable to certain disputes

(1) In general—If—

(A) a plan sponsor of a plan determines that—

(i) a complete or partial withdrawal of an employer has occurred, or

(ii) an employer is liable for withdrawal liability payments with respect to the complete or partial withdrawal of an employer from the plan,

(B) such determination is based in whole or in part on a finding by the plan sponsor under section 1392(c) of this title that a principal purpose of a transaction that occurred before January 1, 1999, was to evade or avoid withdrawal liability under this subtitle, and

(C) such transaction occurred at least 5 years before the date of the complete or partial withdrawal,

then the special rules under paragraph (2) shall be used in applying subsections (a) and (d) of this section and section 1399(c) of this title to the employer.

(2) Special rules

(A) Determination

Notwithstanding subsection (a)(3) of this section—

(i) a determination by the plan sponsor under paragraph (1)(B) shall not be presumed to be correct, and

(ii) the plan sponsor shall have the burden to establish, by a preponderance of the evidence, the elements of the claim under section 1392(c) of this title that a principal purpose of the transaction was to evade or avoid withdrawal liability under this subtitle.

Nothing in this subparagraph shall affect the burden of establishing any other element of a claim for withdrawal liability under this subtitle.

(B) Procedure

Notwithstanding subsection (d) of this section and section 1399(c) of this title, if an employer contests the plan sponsor's determination under paragraph (1) through an arbitration proceeding pursuant to subsection (a) of this section, or through a claim brought in a court of competent jurisdiction, the employer shall not be obligated to make any withdrawal liability payments until a final decision in the arbitration proceeding, or in court, upholds the plan sponsor's determination.

(f) Procedures applicable to certain disputes
electing person contests the plan sponsor’s determination with respect to withdrawal liability payments under paragraph (1) through an arbitration proceeding pursuant to subsection (a), through an action brought in a court of competent jurisdiction for review of such an arbitration decision, or as otherwise permitted by law, the electing person shall not be obligated to make the withdrawal liability payments until a final decision in the arbitration proceeding, or in court, upholds the plan sponsor’s determination, but only if the electing person—

(A) provides notice to the plan sponsor of its election to apply the special rule in this paragraph within 90 days after the plan sponsor notifies the electing person of its liability by reason of the application of section 1392(c) of this title; and

(B) if a final decision in the arbitration proceeding, or in court, of the withdrawal liability dispute has not been rendered within 12 months from the date of such notice, the electing person provides to the plan, effective as of the first day following the 12-month period, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the sum of the withdrawal liability payments that would otherwise be due under subsection (d) and section 1398(c) of this title for the 12-month period beginning with the first anniversary of such notice. Such bond or escrow shall remain in effect until there is a final decision in the arbitration proceeding, or in court, of the withdrawal liability dispute, at which time such bond or escrow shall be paid to the plan if such final decision upholds the plan sponsor’s determination.

(3) DEFINITION OF SMALL EMPLOYER.—For purposes of this subsection—

(A) IN GENERAL.—The term “small employer” means any employer which, for the calendar year in which the transaction referred to in paragraph (1)(B) occurred and for each of the 3 preceding years, on average—

(i) employs not more than 500 employees, and

(ii) is required to make contributions to the plan for not more than 250 employees.

(B) CONTROLLED GROUP.—Any group treated as a single employer under subsection (b)(1) of section 1301 of this title, without regard to any transaction that was a basis for the plan’s finding under section 1392 of this title, shall be treated as a single employer for purposes of this subparagraph.

(4) ADDITIONAL SECURITY PENDING RESOLUTION OF DISPUTE.—If a withdrawal liability dispute to which this subsection applies is not concluded by 12 months after the electing person posts the bond or escrow described in paragraph (2), the electing person shall, at the start of each succeeding 12-month period, provide an additional bond or amount held in escrow equal to the sum of the withdrawal liability payments that would otherwise be payable to the plan during that period.

(5) The liability of the party furnishing a bond or escrow under this subsection shall be reduced, upon the payment of the bond or escrow to the plan, by the amount thereof.

If any employer requests in writing that the plan sponsor make an estimate of such employer’s potential withdrawal liability with respect to the plan or to provide information unique to that employer, the plan sponsor may require the employer to pay the reasonable cost of making such estimate or providing such information.”

By May 1, 1982, the corporation shall establish by regulation a supplemental program to reimburse multiemployer plans for withdrawal liability payments which are due from employers and which are determined to be uncollectible for reasons arising out of cases or proceedings involving the employers under title 11, or similar cases or proceedings. Participation in the supplemental program shall be on a voluntary basis, and a plan which elects coverage under the program shall pay premiums to the corporation in accordance with a premium schedule.

(d) Terms and conditions, limitations, etc., of supplemental program

The supplemental program may be offered to eligible plans on such terms and conditions, and with such limitations with respect to the payment of reimbursements (including the exclusion of de minimis amounts of uncollectible employer liability, and the reduction or elimination of reimbursements which cannot be paid from collected premiums) and such restrictions on withdrawal from the program, as the corporation considers necessary and appropriate.

(e) Arrangements by corporation with private insurers for implementation of program; election of coverage by participating plans with private insurers

(B) trustees representing employees who are participants in plans which participate in the fund.

(c) Payments to plan; amount, criteria, etc.

(1) If an employer withdraws from a plan which participates in a withdrawal liability payment fund, then, to the extent provided in the trust, the fund shall pay to that plan—

(A) the employer’s attributable liability,

(B) the employer’s withdrawal liability payments which would have been due but for section 1388, 1389, 1399, or 1405 of this title,

(C) the employer’s withdrawal liability payments to the extent they are uncollectible.

(2) The fund may provide for the payment of the employer’s attributable liability if the fund—

(A) provides for the payment of both the attributable and the unattributable liability of the employer in a single payment, and

(B) is subrogated to all rights of the plan against the employer.

(3) For purposes of this section, the term—

(A) “attributable liability” means the excess, if any, determined under the provisions of a plan not inconsistent with regulations of the corporation, of—

(i) the value of vested benefits accrued as a result of service with the employer, over

(ii) the value of plan assets attributed to the employer, and

(B) “unattributable liability” means the excess of withdrawal liability over attributable liability.

Such terms may be further defined, and the manner in which they shall be applied may be prescribed, by the corporation by regulation.

The provisions of the preceding sentence shall supersede any and all State laws relating to fiduciaries insofar as they may now or hereafter relate to a fund to which this section applies.

(g) Prohibition on payments from fund to plan where certain labor negotiations involve employer withdrawn or partially withdrawn from plan and continuity of labor organization representing employees continues

No payments shall be made from a fund to a plan on the occasion of a withdrawal or partial withdrawal of an employer from such plan if the employees representing the withdrawn contribution base units continue, after such withdrawal, to be represented under section 159 of this title (or other applicable labor laws) in negotiations with such employer by the labor organization which represented such employees immediately preceding such withdrawal.

(b) Unfunded vested benefits allocable to insolvent employer undergoing liquidation or dissolution; maximum amount; determinative factors

In the case of an insolvent employer undergoing liquidation or dissolution, the unfunded vested benefits allocable to that employer shall not exceed an amount equal to the sum of—

1. 50 percent of the unfunded vested benefits allocable to the employer (determined without regard to this section), and
2. that portion of 50 percent of the unfunded vested benefits allocable to the employer (as determined under paragraph (1)) which does not exceed the liquidation or dissolution value of the employer determined—
   1. as of the commencement of liquidation or dissolution, and
   2. after reducing the liquidation or dissolution value of the employer by the amount determined under paragraph (1).

(c) Property not subject to enforcement of liability; precondition

To the extent that the withdrawal liability of an employer is attributable to his obligation to contribute to or under a plan as an individual (whether as a sole proprietor or as a member of a partnership), property which may be exempt from the estate under section 522 of title 11, or under similar provisions of law, shall not be subject to enforcement of such liability.

(d) Insolvency of employer; liquidation or dissolution value of employer

For purposes of this section—

1. an employer is insolvent if the liabilities of the employer, including withdrawal liability under the plan (determined without regard to subsection (b) of this section), exceed the assets of the employer (determined as of the commencement of the liquidation or dissolution), and
2. the liquidation or dissolution value of the employer shall be determined without regard to such withdrawal liability.

(e) One or more withdrawals of employer attributable to same sale, liquidation, or dissolution

In the case of one or more withdrawals of an employer attributable to the same sale, liquidation, or dissolution, under regulations prescribed by the corporation—

1. all such withdrawals shall be treated as a single withdrawal for the purpose of applying this section, and
2. the withdrawal liability of the employer to each plan shall be an amount which bears the same ratio to the present value of the withdrawal liability payments to all plans (after the application of the preceding provisions of this section) as the withdrawal liability of the employer to such plan (determined without regard to this section) bears to the withdrawal liability of the employer to all such plans (determined without regard to this section).

§1411. Mergers and transfers between multiemployer plans

(a) Authority of plan sponsor

Unless otherwise provided in regulations prescribed by the corporation, a plan sponsor may not cause a multiemployer plan to merge with one or more multiemployer plans, or engage in
a transfer of assets and liabilities to or from another multiemployer plan, unless such merger or transfer satisfies the requirements of subsection (b) of this section.

(b) Criteria

A merger or transfer satisfies the requirements of this section if—

(1) In accordance with regulations of the corporation, the plan sponsor of a multiemployer plan notifies the corporation of a merger with or transfer of plan assets or liabilities to another multiemployer plan at least 120 days before the effective date of the merger or transfer;

(2) no participant’s or beneficiary’s accrued benefit will be lower immediately after the effective date of the merger or transfer than the benefit immediately before that date;

(3) the benefits of participants and beneficiaries are not reasonably expected to be subject to suspension under section 1426 of this title; and

(4) an actuarial valuation of the assets and liabilities of each of the affected plans has been performed during the plan year preceding the effective date of the merger or transfer, based upon the most recent data available as of the day before the start of that plan year, or other valuation of such assets and liabilities performed under such standards and procedures as the corporation may prescribe by regulation.

(c) Actions not deemed violation of section 1106(a) or (b)(2) of this title

The merger of multiemployer plans or the transfer of assets or liabilities between multiemployer plans, shall be deemed not to constitute a violation of the provisions of section 1106(a) of this title or section 1106(b)(2) of this title if the corporation determines that the merger or transfer otherwise satisfies the requirements of this section.

(A) the corporation determines that the interests of the plan participants and beneficiaries and of the corporation are adequately protected, or

(B) fails to make any determination regarding the adequacy with which such interests are protected with respect to such transfer of liabilities.

If, after the receipt of such application, the corporation determines that the interests of the plan participants and beneficiaries and of the corporation are adequately protected, or

(B) fails to make any determination regarding the adequacy with which such interests are protected with respect to such transfer of liabilities.

(2) In the case of a transfer described in subsection (c)(3) of this section, paragraph (1) of this subsection is satisfied by the advance agreement to the transfer by the employer who will be obligated to contribute to the single-employer plan.

(f) Additional requirements by corporation for protection of interests of plan participants, beneficiaries and corporation; approval by corporation of transfer of assets or liabilities to single-employer plan from plan in reorganization; covered transfers in connection with termination

A plan sponsor may apply to the corporation for an order partitioning a plan. The corporation may not order the partition of a plan except upon notice to the plan sponsor and the participants and beneficiaries whose vested benefits will be affected by the partition of the plan, and upon finding that—

(1) a substantial reduction in the amount of aggregate contributions under the plan has resulted or will result from a case or proceeding under title 11 with respect to an employer;

(2) the plan is likely to become insolvent;

(3) contributions will have to be increased significantly in reorganization to meet the minimum contribution requirement and prevent insolvency; and

The corporation may order the partition of a plan notwithstanding the pendency of a proceeding described in subsection (b)(1) of this section.

(f) Authority of corporation to obtain decree partitioning plan and appointing trustee for terminated portion of partitioned plan

The corporation may proceed under section 1342(c) through (h) of this title for a decree partitioning a plan and appointing a trustee for the terminated portion of a partitioned plan. The court may order the partition of a plan upon making the findings described in subsection (b)(1) through (4) of this section, and subject to the conditions set forth in subsections (c) through (e) of this section.

The plan created by the partition is—

§ 1414. Asset transfer rules

(a) Applicability and scope

A transfer of assets from a multiemployer plan to another plan shall comply with asset-transfer rules which shall be adopted by the multiemployer plan and which—

(1) do not unreasonably restrict the transfer of plan assets in connection with the transfer of plan liabilities, and

(2) operate and are applied uniformly with respect to each proposed transfer, except that the rules may provide for reasonable variations taking into account the potential financial impact of a proposed transfer on the multiemployer plan.

Plan rules authorizing asset transfers consistent with the requirements of section 1412(c)(3) of this title shall be considered to satisfy the requirements of this subsection.
§ 1415. Transfers pursuant to change in bargain-

(a) Authority to transfer from old plan to new plan pursuant to employee participation in another multiemployer plan after certified change of representative

(b) Notification by employer of plan sponsor of old plan; notification by plan sponsor of old plan of employer and plan sponsor of new plan; appeal by new plan to prevent transfer; further proceedings

(d) Escrow payments by employer upon complete or partial withdrawal and prior to transfer

(e) Prohibition on transfer of assets to new plan by plan sponsor of old plan; exceptions

(b) Exemption of de minimis transfers

(c) Reduction of amount of withdrawal liability of employer upon transfer of appropriate amount of assets and liabilities by plan sponsor of old plan to new plan

§ 1415. Transfers pursuant to change in bargain-

(a) Authority to transfer from old plan to new plan pursuant to employee participation in another multiemployer plan after certified change of representative

The corporation shall prescribe regulations which exempt de minimis transfers of assets from the requirements of this part.

(c) Written reciprocity agreements

This part shall not apply to transfers of assets pursuant to written reciprocity agreements, except to the extent provided in regulations prescribed by the corporation.

§ 1415. Transfers pursuant to change in bargain-

In any case in which an employer has completely or partially withdrawn from a multiemployer plan (hereafter in this section referred to as the “old plan”) as a result of a certified change of collective bargaining representative occurring after September 25, 1980, if participants of the old plan who are employed by the employer will, as a result of that change, participate in another multiemployer plan (hereafter in this section referred to as the “new plan”), the old plan shall transfer assets and liabilities to the new plan in accordance with this section.

The corporation shall prescribe regulations (as determined under section 1381(b) of this title) with respect to the old plan shall be reduced by the amount by which—

(b) the new plan either—

(i) fails to file such an appeal, or

(ii) the corporation, pursuant to such an appeal, fails to find that the new plan would suffer substantial financial harm as a result of the transfer described in the notice under paragraph (2)(B) within 180 days after the date on which the appeal is filed,

then the plan sponsor of the old plan shall transfer the appropriate amount of assets and liabilities to the new plan.

If the plan sponsor of the old plans transfers the appropriate amount of assets and liabilities under this section to the new plan, then the amount of the employer’s withdrawal liability (as determined under section 1381(b) of this title without regard to such transfer and this section) with respect to the old plan shall be reduced by the amount by which—

(1) the value of the unfunded vested benefits allocable to the employer which were transferred by the plan sponsor of the old plan to the new plan, exceeds

(2) the value of the assets transferred.

In any case in which there is a complete or partial withdrawal described in subsection (a) of this section, if—

(1) the new plan files an appeal with the corporation under subsection (b)(3) of this section, and

(2) the employer is required by section 1389 of this title to begin making payments of withdrawal liability before the earlier of—

(A) the date on which the corporation finds that the new plan would not suffer substantial financial harm as a result of the transfer, or

(B) the last day of the 180-day period beginning on the date on which the new plan files its appeal,

then the employer shall make such payments into an escrow held by a bank or similar financial institution satisfactory to the old plan. If the transfer is made, the amounts paid into the escrow shall be paid to the old plan and credited against the employer’s withdrawal liability.

In any case in which there is a complete or partial withdrawal described in subsection (a) of this section, if—

(1) Notwithstanding subsection (b) of this section, the plan sponsor shall not transfer any assets to the new plan if—

(A) the old plan is in reorganization (within the meaning of section 1421(a) of this title), or

(B) the transfer of assets would cause the old plan to go into reorganization (within the meaning of section 1421(a) of this title).

(2) In any case in which a transfer of assets from the old plan to the new plan is prohibited by paragraph (1), the plan sponsor of the old plan shall transfer—
(A) all nonforfeitable benefits described in subsection (b)(2) of this section, if the value of such benefits does not exceed the withdrawal liability of the employer with respect to such withdrawal, or
(B) such nonforfeitable benefits having a value equal to the withdrawal liability of the employer, if the value of such benefits exceeds the withdrawal liability of the employer.

(f) Agreement between plan sponsors of old plan and new plan to transfer in compliance with other statutory provisions; reduction of withdrawal liability of employer from old plan; amount of withdrawal liability of employer to new plan

(1) Notwithstanding subsections (b) and (e) of this section, the plan sponsors of the old plan and the new plan may agree to a transfer of assets and liabilities that complies with sections 1411 and 1414 of this title, rather than this section, except that the employer’s liability with respect to the withdrawal from the old plan shall be reduced under subsection (c) of this section as if assets and liabilities had been transferred in accordance with this section.

(2) If the employer withdraws from the new plan within 240 months after the effective date of a transfer of assets and liabilities described in this section, the amount of the employer’s withdrawal liability to the new plan shall be the greater of—
(A) the employer’s withdrawal liability determined under part 1 of this subtitle with respect to the new plan, or
(B) the amount by which the employer’s withdrawal liability to the old plan was reduced under subsection (c) of this section, reduced by 5 percent for each 12-month period following the effective date of the transfer and ending before the date of the withdrawal from the new plan.

(g) Definitions

For purposes of this section—

(1) "appropriate amount of assets" means the amount by which the value of the nonforfeitable benefits to be transferred exceeds the amount of the employer’s withdrawal liability to the old plan (determined under part 1 of this subtitle with respect to such plan year under section 412(b)(3)(B) of title 26, over the amount by which the employer’s withdrawal liability to the new plan (determined under part 1 of this subtitle without regard to section 1421(e) of this title), and
(2) "certified change of collective bargaining representative" means a change of collective bargaining representative certified under the Labor-Management Relations Act, 1947 [29 U.S.C. 141 et seq.], or the Railway Labor Act [45 U.S.C. 151 et seq.].

PART 3—REORGANIZATION: MINIMUM CONTRIBUTION REQUIREMENT FOR MULTIEMPLOYER PLANS

§1421. Reorganization status

(a) Reorganization index of plan for plan year greater than zero

A multiemployer plan is in reorganization for a plan year if the plan’s reorganization index for that year is greater than zero.

(b) Determination of reorganization index of plan for plan year; applicable factors, definitions, etc.

(1) A plan’s reorganization index for any plan year is the excess of—
(A) the vested benefits charge for such year, over
(B) the net charge to the funding standard account for such year.

(2) For purposes of this part, the net charge to the funding standard account for any plan year is the excess (if any) of—
(A) the charges to the funding standard account for such year under section 412(b)(2) of title 26, over
(B) the credits to the funding standard account under section 412(b)(3)(B) of title 26.

(3) For purposes of this part, the vested benefits charge for any plan year is the amount which would be necessary to amortize the plan’s unfunded vested benefits as of the end of the base plan year in equal annual installments—
(A) over 10 years, to the extent such benefits are attributable to persons in pay status, and
(B) over 25 years, to the extent such benefits are attributable to other participants.

(4)(A) The vested benefits charge for a plan year shall be based on an actuarial valuation of the plan as of the end of the base plan year, adjusted to reflect—
(i) any—
(I) decrease of 5 percent or more in the value of plan assets, or increase of 5 percent or more in the number of persons in pay status, during the period beginning on the first day of the plan year following the base plan year and ending on the adjustment date, or
(II) at the election of the plan sponsor, actuarial valuation of the plan as of the adjustment date, or any later date not later than the last day of the plan year for which the determination is being made,
(ii) any change in benefits under the plan which is not otherwise taken into account

under this subparagraph and which is pursuant to any amendment—

(I) adopted before the end of the plan year for which the determination is being made, and

(II) effective after the end of the base plan year and on or before the end of the plan year referred to in subclause (I), and

(iii) any other event (including an event described in subparagraph (B)(i)(I)) which, as determined in accordance with regulations prescribed by the Secretary, would substantially increase the plan’s vested benefit charge.

(B)(i) In determining the vested benefits charge for a plan year following a plan year in which the plan was not in reorganization, any change in benefits which—

(I) results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits as a result of changes in a collective bargaining agreement, or

(II) results from any other change in a collective bargaining agreement,

shall not be taken into account except to the extent provided in regulations prescribed by the Secretary of the Treasury.

(ii) Except as otherwise determined by the Secretary of the Treasury, in determining the vested benefits charge for any plan year following any plan year in which the plan was in reorganization, any change in benefits—

(I) described in clause (i)(I), or

(II) described in clause (i)(II) as determined under regulations prescribed by the Secretary of the Treasury,

shall, for purposes of subparagraph (A)(ii), be treated as a change in benefits pursuant to an amendment to a plan.

(5)(A) For purposes of this part, the base plan year for any plan year is—

(i) if there is a relevant collective bargaining agreement, the last plan year ending at least 6 months before the relevant effective date, or

(ii) if there is no relevant collective bargaining agreement, the last plan year ending at least 12 months before the beginning of the plan year.

(B) For purposes of this part, a relevant collective bargaining agreement is a collective bargaining agreement—

(i) which is in effect for at least 6 months during the plan year, and

(ii) which has not been in effect for more than 36 months as of the end of the plan year.

(C) For purposes of this part, the relevant effective date is the earliest of the effective dates for the relevant collective bargaining agreements.

(D) For purposes of this part, the adjustment date is the date which is—

(i) 90 days before the relevant effective date, or

(ii) if there is no relevant effective date, 90 days before the beginning of the plan year.

(6) For purposes of this part, the term “person in pay status” means—

(A) a participant or beneficiary on the last day of the base plan year who, at any time during such year, was paid an early, late, normal, or disability retirement benefit (or a death benefit related to a retirement benefit), and

(B) to the extent provided in regulations prescribed by the Secretary of the Treasury, any other person who is entitled to such a benefit under the plan.

(7) For purposes of paragraph (3)—

(A) in determining the plan’s unfunded vested benefits, plan assets shall first be allocated to the vested benefits attributable to persons in pay status, and

(B) the vested benefits charge shall be determined without regard to reductions in accrued benefits under section 1425 of this title which are first effective in the plan year.

(8) For purposes of this part, any outstanding claim for withdrawal liability shall not be considered a plan asset, except as otherwise provided in regulations prescribed by the Secretary of the Treasury.

(9) For purposes of this part, the term “unfunded vested benefits” means with respect to a plan, an amount (determined in accordance with regulations prescribed by the Secretary of the Treasury) equal to—

(A) the value of nonforfeitable benefits under the plan, less

(B) the value of assets of the plan.

(c) Payment of benefits to participants

Except as provided in regulations prescribed by the corporation, while a plan is in reorganization a benefit with respect to a participant (other than a death benefit) which is attributable to employer contributions and which has a value of more than $1,750 may not be paid in a form other than an annuity which (by itself or in combination with social security, railroad retirement, or workers’ compensation benefits) provides substantially level payments over the life of the participant.

(d) Terminated multiemployer plans

Any multiemployer plan which terminates under section 1341a(a)(2) of this title shall not be considered in reorganization after the last day of the plan year in which the plan is treated as having terminated.

Amendments

§ 1422

Notice of reorganization and funding requirements

(a)(1) If—

(A) a multiemployer plan is in reorganization for a plan year, and

(B) section 1423 of this title would require an increase in contributions for such plan year,

the plan sponsor shall notify the persons described in subsection (a)(2) of this paragraph, which was in effect on Sept. 26, 1980, expires, without regard to extensions agreed to after Sept. 26, 1980, or three years after Sept. 26, 1980, see section 1461(e)(3) of this title.

§ 1423. Minimum contribution requirement

(a) Maintenance of funding standard account; amount of accumulated funding deficiency

(1) For any plan year for which a plan is in reorganization—

(A) the plan shall continue to maintain its funding standard account while it is in reorganization, and

(B) the plan’s accumulated funding deficiency under section 1084(a) of this title for such plan year shall be equal to the excess (if any) of—

(i) the sum of the minimum contribution requirement for such plan year (taking into account any overburden credit under section 1424(a) of this title) plus the plan’s accumulated funding deficiency for the preceding plan year (determined under this section if the plan was in reorganization during such year or under section 1084(a) of this title if the plan was not in reorganization), over

(ii) amounts considered contributed by employers to or under the plan for the plan year (increased by any amount waived under subsection (f) of this section for the plan year).

(2) For purposes of paragraph (1), withdrawal liability payments (whether or not received) which are due with respect to withdrawals before the end of the base plan year shall be considered amounts contributed by the employer to or under the plan if, as of the adjustment date, it was reasonable for the plan sponsor to anticipate that such payments would be made during the plan year.

(b) Determination of amount; applicable factors

(1) Except as otherwise provided in this section, for purposes of this part the minimum contribution requirement for a plan year in which a plan is in reorganization is an amount equal to the excess of—

(A) the sum of—

(i) the plan’s vested benefits charge for the plan year, and

(ii) the increase in normal cost for the plan year determined under the entry age normal funding method which is attributable to plan amendments adopted while the plan was in reorganization, over

(B) the amount of the overburden credit (if any) determined under section 1424 of this title for the plan year.

(2) If the plan’s current contribution base for the plan year is less than the plan’s valuation contribution base for the plan year, the minimum contribution requirement for such plan year shall be equal to the product of the amount determined under paragraph (1) (after any adjustment required by this part other than this paragraph) and a fraction—

(A) the numerator of which is the plan’s current contribution base for the plan year, and

(B) the denominator of which is the plan’s valuation contribution base for the plan year.

(3)(A) If the vested benefits charge for a plan year of a plan in reorganization is less than the plan’s cash-flow amount for the plan year, the plan’s minimum contribution requirement for the plan year is the amount determined under paragraph (1) (determined before the application of paragraph (2)) after substituting the term “cash-flow amount” for the term “vested benefits charge” in paragraph (1)(A).

(B) For purposes of subparagraph (A), a plan’s cash-flow amount for a plan year is an amount equal to—

(i) the amount of the benefits payable under the plan for the base plan year, plus the amount of the plan’s administrative expenses for the base plan year, reduced by
(ii) the value of the available plan assets for the base plan year determined under regulations prescribed by the Secretary of the Treasury, adjusted in a manner consistent with section 1421(b)(4) of this title.

(c) Current contribution base; valuation contribution base

(1) For purposes of this part, a plan’s current contribution base for a plan year is the number of contribution base units with respect to which contributions are required to be made under the plan for that plan year, determined in accordance with regulations prescribed by the Secretary of the Treasury.

(2)(A) Except as provided in subparagraph (B), for purposes of this part a plan’s valuation contribution base is the number of contribution base units for which contributions were received for the base plan year—

(i) adjusted to reflect declines in the contribution base which have occurred (or could reasonably be anticipated) as of the adjustment date for the plan year referred to in paragraph (1),

(ii) adjusted upward (in accordance with regulations prescribed by the Secretary of the Treasury) for any contribution base reduction in the base plan year caused by a strike or lockout or by unusual events, such as fire, earthquake, or severe weather conditions, and

(iii) adjusted (in accordance with regulations prescribed by the Secretary of the Treasury) for reductions in the contribution base resulting from transfers of liabilities.

(B) For any plan year—

(i) in which the plan is insolvent (within the meaning of section 1426(b)(1) of this title), and

(ii) beginning with the first plan year beginning after the expiration of all relevant collective bargaining agreements which were in effect in the plan year in which the plan became insolvent,

the plan’s valuation contribution base is the greater of the number of contribution base units for which contributions were received for the first or second plan year preceding the first plan year in which the plan became insolvent,

the funding standard requirement applicable to plan amendments increasing benefits

(1) Under regulations prescribed by the Secretary of the Treasury, the minimum contribution requirement applicable to any plan for any plan year which is determined under subsection (b) of this section (without regard to subsection (b)(2) of this section) shall not exceed an amount which is equal to the sum of—

(A) the greater of—

(i) the funding standard requirement for such plan year, or

(ii) 107 percent of—

(I) if the plan was not in reorganization in the preceding plan year, the funding standard requirement for such preceding plan year, or

(II) if the plan was in reorganization in the preceding plan year, the sum of the amount determined under this subparagraph for the preceding plan year and the amount (if any) determined under subparagraph (B) for the preceding plan year, plus

(B) if for the plan year a change in benefits is first required to be considered in computing the charges under section 412(b)(2)(A) or (B)\(^1\) of title 26, the sum of—

(i) the increase in normal cost for a plan year determined under the entry age normal funding method due to increases in benefits described in section 1421(b)(4)(A)(i) of this title (determined without regard to section 1421(b)(4)(B)(i) of this title), and

(ii) the amount necessary to amortize in equal annual installments the increase in the value of vested benefits under the plan due to increases in benefits described in clause (i) over—

(I) 10 years, to the extent such increase in value is attributable to persons in pay status, or

(II) 25 years, to the extent such increase in value is attributable to other participants.

(2) For purposes of paragraph (1), the funding standard requirement for any plan year is an amount equal to the net charge to the funding standard account for such plan year (as defined in section 1396(b) of this title, if a plan amendment which increases benefits is adopted after January 1, 1980—

(i) paragraph (1) shall apply only if the plan is a plan described in subparagraph (B), and

(ii) the amount under paragraph (1) shall be determined without regard to paragraph (1)(B).

(B) A plan is described in this subparagraph if—

(i) the rate of employer contributions under the plan for the first plan year beginning on or after the date on which an amendment increasing benefits is adopted, multiplied by the valuation contribution base for that plan year, equals or exceeds the sum of—

(I) the amount that would be necessary to amortize fully, in equal annual installments, by July 1, 1986, the unfunded vested benefits attributable to plan provisions in effect on July 1, 1977 (determined as of the last day of the base plan year); and

(II) the amount that would be necessary to amortize fully, in equal annual installments, over the period described in subparagraph (C), beginning with the first day of the first plan year beginning on or after the date on which the amendment is adopted, the unfunded vested benefits (determined as of the last day of the base plan year) attributable to each plan amendment after July 1, 1977; and

(ii) the rate of employer contributions for each subsequent plan year is not less than the lesser of—

\(^1\) See References in Text note below.
§ 1424  TITLE 29—LABOR

Page 602

(I) the rate which when multiplied by the valuation contribution base for that subsequent plan year produces the annual amount that would be necessary to complete the amortization schedule described in clause (i), or

(ii) the rate for the plan year immediately preceding such subsequent plan year, plus 5 percent of such rate.

(C) The period determined under this subparagraph is the lesser of—

(i) 12 years, or

(ii) a period equal in length to the average of the remaining expected lives of all persons receiving benefits under the plan.

(4) Paragraph (1) shall not apply with respect to a plan, other than a plan described in paragraph (3), for the period of consecutive plan years in each of which the plan is in reorganization, beginning with a plan year in which occurs the earlier of the date of the adoption or the effective date of any amendment of the plan which increases benefits with respect to service performed before the plan year in which the adoption of the amendment occurred.

(e) Adjustment of vested benefits charge

In determining the minimum contribution requirement with respect to a plan year under subsection (b) of this section, the vested benefits charge may be adjusted to reflect a plan amendment reducing benefits under section 412(c)(8) of title 26.

(f) Waiver of accumulated funding deficiency

(1) The Secretary of the Treasury may waive any accumulated funding deficiency under this section in accordance with the provisions of section 1082(c) of this title.

(2) Any waiver under paragraph (1) shall not be treated as a waived funding deficiency (within the meaning of section 1082(c)(3) of this title).

(g) Statutory methods applicable for determinations

For purposes of making any determination under this part, the requirements of section 1084(c)(3) of this title shall apply.

§ 1424. Overburden credit against minimum contribution requirement

(a) Applicability of overburden credit to determinations

For purposes of determining the minimum contribution requirement under section 1423 of this title (before the application of section 1423(b)(2) or (d) of this title) the plan sponsor of a plan which is overburdened for the plan year shall apply an overburden credit against the plan’s minimum contribution requirement for the plan year (determined without regard to section 1423(b)(2) or (d) of this title and without regard to this section).

(b) Determination of overburden status of plan

A plan is overburdened for a plan year if—

(1) the average number of pay status participants under the plan in the base plan year exceeds the average of the number of active participants in the base plan year and the 2 plan years preceding the base plan year, and

(2) the rate of employer contributions under the plan equals or exceeds the greater of—

(A) such rate for the preceding plan year, or

(B) such rate for the plan year preceding the first year in which the plan is in reorganization.

(c) Amount of overburden credit

The amount of the overburden credit for a plan year is the product of—

(1) one-half of the average guaranteed benefit paid for the base plan year, and

(2) the overburden factor for the plan year.

The amount of the overburden credit for a plan year shall not exceed the amount of the minimum contribution requirement for such year (determined without regard to this section).

(d) Amount of overburden factor

For purposes of this section, the overburden factor of a plan for the plan year is an amount equal to—
(1) the average number of pay status participants for the base plan year, reduced by
(2) the average of the number of active participants for the base plan year and for each of the
2 plan years preceding the base plan year.

(e) Definitions; determinative factors

For purposes of this section—
(1) The term “pay status participant” means, with respect to a plan, a participant receiving retirement benefits under the plan.
(2) The number of active participants for a plan year shall be the sum of—
(A) the number of active employees who are participants in the plan and on whose behalf contributions are required to be made during the plan year;
(B) the number of active employees who are not participants in the plan but who are in an employment unit covered by a collective bargaining agreement which requires the employees’ employer to contribute to the plan, unless service in such employment unit was never covered under the plan or a predecessor thereof, and
(C) the total number of active employees attributed to employers who made contributions to the plan for the plan year of withdrawal liability pursuant to part 1 of this subtitle, determined by dividing—
(i) the total amount of such payments, by
(ii) the amount equal to the total contributions received by the plan during the plan year divided by the average number of active employees who were participants in the plan during the plan year.

The Secretary of the Treasury shall by regulation provide alternative methods of determining active participants where (by reason of irregular employment, contributions on a unit basis, or otherwise) this paragraph does not yield a representative basis for determining the credit.

(3) The term “average number” means, with respect to pay status participants for a plan year, a number equal to one-half the sum of—
(A) the number with respect to the plan as of the beginning of the plan year, and
(B) the number with respect to the plan as of the end of the plan year.

(4) The average guaranteed benefit paid is 12 times the average monthly pension payment guaranteed under section 1322a(c)(1) of this title determined under the provisions of the plan in effect at the beginning of the first plan year in which the plan is in reorganization and without regard to section 1322a(c)(2) of this title.

(5) The first year in which the plan is in reorganization is the first of a period of 1 or more consecutive plan years in which the plan has been in reorganization not taking into account any plan years the plan was in reorganization prior to any period of 3 or more consecutive plan years in which the plan was not in reorganization.

(f) Eligibility of plan for overburden credit for plan year

(1) Notwithstanding any other provision of this section, a plan is not eligible for an overburden credit for a plan year if the Secretary of the Treasury finds that the plan’s current contribution base for the plan year was reduced, without a corresponding reduction in the plan’s unfunded vested benefits attributable to pay status participants, as a result of a change in an agreement providing for employer contributions under the plan.

(2) For purposes of paragraph (1), a complete or partial withdrawal of an employer (within the meaning of part 1 of this subtitle) does not impair a plan’s eligibility for an overburden credit, unless the Secretary of the Treasury finds that a contribution base reduction described in paragraph (1) resulted from a transfer of liabilities to another plan in connection with the withdrawal.

(g) Overburden credit where 2 or more multiemployer plans merge

Notwithstanding any other provision of this section, if 2 or more multiemployer plans merge, the amount of the overburden credit which may be applied under this section with respect to the plan resulting from the merger for any of the 3 plan years ending after the effective date of the merger shall not exceed the sum of the used overburden credit for each of the merging plans for its last plan year ending before the effective date of the merger. For purposes of the preceding sentence, the used overburden credit is that portion of the credit which does not exceed the excess of the minimum contribution requirement (determined without regard to any overburden requirement under this section) over the employer contributions required under the plan.

§1425. Adjustments in accrued benefits

(a) Amendment of multiemployer plan in reorganization to reduce or eliminate accrued benefits attributable to employer contributions ineligible for guarantee of corporation; adjustment of vested benefits charge to reflect plan amendment

(1) Notwithstanding sections 1053 and 1054 of this title, a multiemployer plan in reorganization may be amended in accordance with this section, to reduce or eliminate accrued benefits attributable to employer contributions which, under section 1322a(b) of this title, are not eligible for the corporation’s guarantee. The preceding sentence shall only apply to accrued benefits under plan amendments (or plans) adopted after March 26, 1980, or under collective bargaining agreements entered into after March 26, 1980.

(2) In determining the minimum contribution requirement with respect to a plan for a plan

1 See References in Text note below.
year under section 1423(b) of this title, the vested benefits charge may be adjusted to reflect a plan amendment reducing benefits under this section or section 412(c)(8) of title 26, but only if the amendment is adopted and effective no later than 3½ months after the end of the plan year, or within such extended period as the Secretary of the Treasury may prescribe by regulation under section 412(c)(10) of title 26.

(b) Reduction of accrued benefits; notice by plan sponsors to plan participants and beneficiaries

(1) Accrued benefits may not be reduced under this section unless—

(A) a notice has been given, at least 6 months before the first day of the plan year in which the amendment reducing benefits is adopted, to—

(i) plan participants and beneficiaries,

(ii) each employer who has an obligation to contribute (within the meaning of section 1392(a) of this title) under the plan, and

(iii) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer,

that the plan is in reorganization and that, if contributions under the plan are not increased, accrued benefits under the plan will be reduced or an excise tax will be imposed on employers;

(B) in accordance with regulations prescribed by the Secretary of the Treasury—

(i) any category of accrued benefits is not reduced with respect to inactive participants to a greater extent proportionally than such category of accrued benefits is reduced with respect to active participants,

(ii) benefits attributable to employer contributions other than accrued benefits and the rate of future benefit accruals are reduced at least to an extent equal to the reduction in accrued benefits of inactive participants, and

(iii) in any case in which the accrued benefit of a participant or beneficiary is reduced by changing the benefit form or the requirements which the participant or beneficiary must satisfy to be entitled to the benefit, such reduction is not applicable to—

(I) any participant or beneficiary in pay status on the effective date of the amendment, or the beneficiary of such a participant, or

(II) any participant who has attained normal retirement age, or who is within 5 years of attaining normal retirement age, on the effective date of the amendment, or the beneficiary of any such participant; and

(C) the rate of employer contributions for the plan year in which the amendment becomes effective and for all succeeding plan years in which the plan is in reorganization equals or exceeds the greater of—

(i) the rate of employer contributions, calculated without regard to the amendment, for the plan year in which the amendment becomes effective, or

(ii) the rate of employer contributions for the plan year preceding the plan year in which the amendment becomes effective.

(2) The plan sponsors shall include in any notice required to be sent to plan participants and beneficiaries under paragraph (1) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance where appropriate.

(c) Recoupment by plan of excess benefit payment

A plan may not recoup a benefit payment which is in excess of the amount payable under the plan because of an amendment retroactively reducing accrued benefits under this section.

(d) Amendment of plan to increase or restore accrued benefits previously reduced or rate of future benefit accruals; conditions, applicable factors, etc.

(1)(A) A plan which has been amended to reduce accrued benefits under this section may be amended to increase or restore accrued benefits, or the rate of future benefit accruals, only if the plan is amended to restore levels of previously reduced accrued benefits of inactive participants and of participants who are within 5 years of attaining normal retirement age to at least the same extent as any such increase in accrued benefits or in the rate of future benefit accruals. 

(B) For purposes of this subsection, in the case of a plan which has been amended under this section to reduce accrued benefits—

(i) an increase in a benefit, or in the rate of future benefit accruals, shall be considered a benefit increase to the extent that the benefit, or the accrual rate, is thereby increased above the highest benefit level, or accrual rate, which was in effect under the terms of the plan before the effective date of the amendment reducing accrued benefits, and

(ii) an increase in a benefit, or in the rate of future benefit accruals, shall be considered a benefit restoration to the extent that the benefit, or the accrual rate, is not thereby increased above the highest benefit level, or accrual rate, which was in effect under the terms of the plan immediately before the effective date of the amendment reducing accrued benefits.

(2) If a plan is amended to partially restore previously reduced accrued benefit levels, or the rate of future benefit accruals, the benefits of inactive participants shall be restored in at least the same proportions as other accrued benefits which are restored.

(3) No benefit increase under a plan may take effect in a plan year in which an amendment reducing accrued benefits under the plan, in accordance with this section, is adopted or first becomes effective.

(4) A plan is not required to make retroactive benefit payments with respect to that portion of an accrued benefit which was reduced and subsequently restored under this section.

(e) "Inactive participant" defined

For purposes of this section, “inactive participant” means a person not in covered service
under the plan who is in pay status under the 
plan or who has a nonforfeitable benefit under the 
plan.

(f) Promulgation of rules; contents, etc.

The Secretary of the Treasury may prescribe 
rules under which, notwithstanding any other 
provision of this section, accrued benefit reduc-
tions or benefit increases for different partici-
pant groups may be varied equitably to reflect 
variations in contribution rates and other rele-
vant factors reflecting differences in negoti-
tated levels of financial support for plan benefit 
obligations.

§ 1426. Insolvent plans

(a) Suspension of payments of benefits; condi-
tions, amount, etc.

Notwithstanding sections 1053 and 1054 of this 
title, in any case in which benefit payments 
under an insolvent multiemployer plan exceed 
the resource benefit level, any such payments of 
benefits which are not basic benefits shall be 
suspended, in accordance with this section, to 
the extent necessary to reduce the sum of such 
payments and the payments of such basic bene-
fits to the greater of the resource benefit level 
or the level of basic benefits, unless an alter-
native procedure is prescribed by the corpora-
tion under section 1322a(g)(5) of this title.

(b) Determination of insolvency status for plan 
year; definitions

For purposes of this section, for a plan year—
(1) a multiemployer plan is insolvent if the 
plan’s available resources are not sufficient to 
pay benefits under the plan when due for the 
plan year, or if the plan is determined to be in-
solvent under subsection (d) of this section;
(2) “resource benefit level” means the level of 
monthly benefits determined under sub-
sections (c)(1) and (3) and (d)(3) of this section 
to be the highest level which can be paid out 
of the plan’s available resources;
(3) “available resources” means the plan’s 
cash, marketable assets, contributions, with-
drawal liability payments, and earnings, less 
reasonable administrative expenses and 
amounts owed for such plan year to the cor-
poration under section 1431(b)(2) of this title; and
(4) “insolvency year” means a plan year in 
which a plan is insolvent.

(c) Determination by plan sponsor of plan in re-
organization of resource benefit level of plan 
for each insolvency year; uniform applica-
tion of suspension of benefits; adjustments of 
benefit payments

(1) The plan sponsor of a plan in reorganiza-
tion shall determine in writing the plan’s re-
source benefit level for each insolvency year, 
based on the plan sponsor’s reasonable projec-
tion of the plan’s available resources and the 
benefits payable under the plan.

(2) The suspension of benefit payments under 
this section shall, in accordance with regula-
tions prescribed by the Secretary of the Treas-
ury, apply in substantially uniform proportions 
to the benefits of all persons in pay status (with-
in the meaning of section 1421(b)(6) of this title) 
under the plan, except that the Secretary of the 
Treasury may prescribe rules under which bene-
fit suspensions for different participant groups 
may be varied equitably to reflect variations in 
contribution rates and other relevant factors in-
cluding differences in negotiated levels of finan-
cial support for plan benefit obligations.

(3) Notwithstanding paragraph (2), if a plan 
sponsor determines in writing that the plan’s 
available resources in that insolvency year could 
have supported benefit payments above the re-
source benefit level for that insolvency year, the 
plan sponsor shall distribute the excess resources 
to the participants and benefi-
ciaries who received benefit payments from 
the plan in that insolvency year, in accordance 
with regulations prescribed by the Secretary of 
the Treasury.

(B) For purposes of this paragraph, the term 
“excess resources” means available resources 
above the amount necessary to support the re-
source benefit level, but no greater than the 
amount necessary to pay benefits for the plan 
year at the benefit levels under the plan.

(5) If, by the end of an insolvency year, any 
benefit has not been paid at the resource benefit 
level, amounts up to the resource benefit level 
which were unpaid shall be distributed to the 
participants and beneficiaries, in accordance 
with regulations prescribed by the Secretary of 
the Treasury, to the extent possible taking into 
account the plan’s total available resources in 
that insolvency year.

(6) Except as provided in paragraph (4) or (5), 
a plan is not required to make retroactive bene-
fit payments with respect to that portion of a 
benefit which was suspended under this section.

(d) Applicability and determinations respecting 
plan assets; time for determinations of re-
source benefit level and level of basic bene-
fits

(1) As of the end of the first plan year in which 
a plan is in reorganization, and at least every 3
plan years thereafter (unless the plan is no longer in reorganization), the plan sponsor shall compare the value of plan assets (determined in accordance with section 1423(b)(3)(B)(ii) of this title) for that plan year with the total amount of benefit payments made under the plan for that plan year. Unless the plan sponsor determines that the value of plan assets exceeds 3 times the total amount of benefit payments, the plan sponsor shall determine whether the plan will be insolvent in any of the next 5 plan years. If the plan sponsor makes such a determination that the plan will be insolvent in any of the next 5 plan years, the plan sponsor shall make the comparison under this paragraph at least annually until the plan sponsor makes a determination that the plan will not be insolvent in any of the next 5 plan years.

(2) If, at any time, the plan sponsor of a plan in reorganization reasonably determines, taking into account the plan’s recent and anticipated financial experience, that the plan’s available resources are not sufficient to pay benefits under the plan when due for the next plan year, the plan sponsor shall make such determination available to interested parties.

(3) The plan sponsor of a plan in reorganization shall determine in writing for each insolvency year the resource benefit level and the level of basic benefits no later than 3 months before the insolvency year.

(e) Notice, etc., requirements of plan sponsor of plan in reorganization regarding insolvency and resource benefit levels

(1) If the plan sponsor of a plan in reorganization determines under subsection (d)(1) or (2) of this section that the plan may become insolvent (within the meaning of subsection (b)(1) of this section), the plan sponsor shall—

(A) notify the Secretary of the Treasury, the corporation, the parties described in section 1422(a)(2) of this title, and the plan participants and beneficiaries of that determination, and

(B) inform the parties described in section 1422(a)(2) of this title and the plan participants and beneficiaries that if insolvency occurs certain benefit payments will be suspended, but that basic benefits will continue to be paid.

(2) No later than 2 months before the first day of each insolvency year, the plan sponsor of a plan in reorganization shall notify the Secretary of the Treasury, the corporation, and the parties described in paragraph (1)(B) of the resource benefit level determined in writing for that insolvency year.

(3) In any case in which the plan sponsor anticipates that the resource benefit level for an insolvency year may not exceed the level of basic benefits, the plan sponsor shall notify the corporation.

(4) Notice required by this subsection shall be given in accordance with regulations prescribed by the corporation, except that notice to the Secretary of the Treasury shall be given in accordance with regulations prescribed by the Secretary of the Treasury.

(5) The corporation may prescribe a time other than the time prescribed by this section for the making of a determination or the filing of a notice under this section.

(f) Financial assistance from corporation; conditions and criteria applicable

(1) If the plan sponsor of an insolvent plan, for which the resource benefit level is above the level of basic benefits, anticipates that, for any month in an insolvency year, the plan will not have funds sufficient to pay basic benefits, the plan sponsor may apply for financial assistance from the corporation under section 1431 of this title.

(2) A plan sponsor who has determined a resource benefit level for an insolvency year which is below the level of basic benefits shall apply for financial assistance from the corporation under section 1431 of this title.

Withdrawal Liability of Employer From Plan Terminating While Plan Insolvent Within This Section: Determinations, Factors, Etc.

Section 108(c)(3) of Pub. L. 96–364 provided that:

“(A) For the purpose of determining the withdrawal liability of an employer under title IV of the Employee Retirement Income Security Act of 1974 [this subchapter] from a plan that terminates while the plan is insolvent (within the meaning of section 4245 of such Act [this section]), the plan’s unfunded vested benefits shall be reduced by an amount equal to the sum of all overburdened credits that were applied in determining the plan’s accumulated funding deficiency for all plan years preceding the first plan year in which the plan is insolvent, plus interest thereon.

“(B) The provisions of subparagraph (A) apply only if—

“(i) the plan would have been eligible for the overburden credit in the last plan year beginning before the date of the enactment of this Act [Sept. 26, 1980],

if section 4243 of the Employee Retirement Income Security Act of 1974 [section 1423 of this title] had been in effect for that plan year, and

“(ii) the Pension Benefit Guaranty Corporation determines that the reduction of unfunded vested benefits under subparagraph (A) would not significantly increase the risk of loss to the corporation.”

PART 4—FINANCIAL ASSISTANCE

§1431. Assistance by corporation

(a) Authority; procedure applicable; amount

If, upon receipt of an application for financial assistance under section 1426(f) of this title or section 1441(d) of this title, the corporation verifies that the plan is or will be insolvent and un-

(b) Conditions; repayment terms

(1) Financial assistance shall be provided under such conditions as the corporation determines are equitable and are appropriate to prevent unreasonable loss to the corporation with respect to the plan.

(2) A plan which has received financial assistance shall repay the amount of such assistance to the corporation on reasonable terms consistent with regulations prescribed by the corporation.

(c) Assistance pending final determination of application

Pending determination of the amount described in subsection (a) of this section, the corporation may provide financial assistance in such amounts as it considers appropriate in order to avoid undue hardship to plan participants and beneficiaries.

PART 5—BENEFITS AFTER TERMINATION

§1441. Benefits under certain terminated plans

(a) Amendment of plan by plan sponsor to reduce benefits, and suspension of benefit payments

Notwithstanding sections 1053 and 1054 of this title, the plan sponsor of a terminated multiemployer plan to which section 1341a(d) of this title applies shall amend the plan to reduce benefits, and shall suspend benefit payments, as required by this section.

(b) Determinations respecting value of nonforfeitable benefits under terminated plan and value of assets of plan

(1) The value of nonforfeitable benefits under a terminated plan referred to in subsection (a) of this section, and the value of the plan’s assets, shall be determined in writing, in accordance with regulations prescribed by the corporation, as of the end of the plan year during which section 1341a(d) of this title becomes applicable to the plan, and each plan year thereafter.

(2) For purposes of this section, plan assets include outstanding claims for withdrawal liability (within the meaning of section 1301(a)(12) of this title).

(c) Amendment of plan by plan sponsor to reduce benefits for conservation of assets; factors applicable

(1) If, according to the determination made under subsection (b) of this section, the value of nonforfeitable benefits exceeds the value of the plan’s assets, the plan sponsor shall amend the plan to reduce benefits under the plan to the extent necessary to ensure that the plan’s assets are sufficient, as determined and certified in accordance with regulations prescribed by the corporation, to discharge when due all of the plan’s obligations with respect to nonforfeitable benefits.

(2) Any plan amendment required by this subsection shall, in accordance with regulations prescribed by the Secretary of the Treasury—

(A) reduce benefits only to the extent necessary to comply with paragraph (1);

(B) reduce accrued benefits only to the extent that those benefits are not eligible for the corporation’s guarantee under section 1322a(b) of this title;

(C) comply with the rules for and limitations on benefit reductions under a plan in reorganization, as prescribed in section 1425 of this title, except to the extent that the corporation prescribes other rules and limitations in regulations under this section; and

(D) take effect no later than 6 months after the end of the plan year for which it is determined that the value of nonforfeitable benefits exceeds the value of the plan’s assets.

(d) Suspension of benefit payments; determinative factors; powers and duties of plan sponsor; retroactive benefit payments

(1) In any case in which benefit payments under a plan which is insolvent under paragraph (2)(A) exceed the resource benefit level, any such payments which are not basic benefits shall be suspended, in accordance with this subsection, to the extent necessary to reduce the sum of such payments and such basic benefits to the greater of the resource benefit level or the level of basic benefits, unless an alternative procedure is prescribed by the corporation in connection with a supplemental guarantee program established under section 1322a(g)(2) of this title.

(2) For purposes of this subsection, for a plan year—

(A) a plan is insolvent if—

(i) the plan has been amended to reduce benefits to the extent permitted by subsection (c) of this section, and

(ii) the plan’s available resources are not sufficient to pay benefits under the plan when due for the plan year; and

(B) “resource benefit level” and “available resources” have the meanings set forth in paragraphs (2) and (3), respectively, of section 1426(b) of this title.

(3) The plan sponsor of a plan which is insolvent (within the meaning of paragraph (2)(A)) shall have the powers and duties of the plan sponsor of a plan in reorganization which is insolvent (within the meaning of section 1426(b)(1) of this title), except that regulations governing the plan sponsor’s exercise of those powers and duties under this section shall be prescribed by the corporation, and the corporation shall prescribe by regulation notice requirements which assure that plan participants and beneficiaries receive adequate notice of benefit suspensions.

(4) A plan is not required to make retroactive benefit payments with respect to that portion of a benefit which was suspended under this subsection, except that the provisions of section 1426(c)(4) and (5) of this title shall apply in the case of plans which are insolvent under para-
§ 1451

Civil actions

(a) Persons entitled to maintain actions

(1) A plan fiduciary, employer, plan participant, or beneficiary, who is adversely affected by the act or omission of any party under this subtitle with respect to a multiemployer plan, or an employee organization which represents such a plan participant or beneficiary for purposes of collective bargaining, may bring an action for appropriate legal or equitable relief, or both.

(2) Notwithstanding paragraph (1), this section does not authorize an action against the Secretary of the Treasury, the Secretary of Labor, or the corporation.

(b) Failure of employer to make withdrawal liability payment within prescribed time

In any action under this section to compel an employer to pay withdrawal liability, any failure of the employer to make any withdrawal liability payment within the time prescribed shall be treated in the same manner as a delinquent contribution (within the meaning of section 1145 of this title).

(c) Jurisdiction of Federal and State courts

The district courts of the United States shall have exclusive jurisdiction of an action under this section without regard to the amount in controversy, except that State courts of competent jurisdiction shall have concurrent jurisdiction over an action brought by a plan fiduciary to collect withdrawal liability.

(d) Venue and service of process

An action under this section may be brought in the district where the plan is administered or where a defendant resides or does business, and process may be served in any district where a defendant resides, does business, or may be found.

(e) Costs and expenses

In any action under this section, the court may award all or a portion of the costs and expenses incurred in connection with such action, including reasonable attorney’s fees, to the prevailing party.

(f) Time limitations

An action under this section may not be brought after the later of—

(1) 6 years after the date on which the cause of action arose, or

(2) 3 years after the earliest date on which the plaintiff acquired or should have acquired actual knowledge of the existence of such cause of action; except that in the case of fraud or concealment, such action may be brought not later than 6 years after the date of discovery of the existence of such cause of action.

(g) Service of complaint on corporation; intervention by corporation

A copy of the complaint in any action under this section or section 1401 of this title shall be served upon the corporation by certified mail. The corporation may intervene in any such action.

PART 6—ENFORCEMENT

§ 1452. Penalty for failure to provide notice

Any person who fails, without reasonable cause, to provide a notice required under this subtitle or any implementing regulations shall be liable to the corporation in an amount up to $100 for each day for which such failure continues. The corporation may bring a civil action against any such person in the United States District Court for the District of Columbia or in any district court of the United States within the jurisdiction of which the plan assets are located, the plan is administered, or a defendant resides or does business, and process may be served in any district where a defendant resides, does business, or may be found.

§ 1453. Election of plan status

(a) Authority, time, and criteria

Within one year after September 26, 1980, a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation, that the plan shall not be treated as a multiemployer plan for any purpose under this chapter or the Internal Revenue Code of 1954, if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980—

(1) the plan was not a multiemployer plan because the plan was not a plan described in section 302 (37)(A)(ii) of this title and section 414(f)(1)(C) of title 26 (as such provisions were in effect on the day before September 26, 1980); and

(2) the plan had been identified as a plan that was not a multiemployer plan in substantially all its filings with the corporation, the Secretary of Labor and the Secretary of the Treasury.

(b) Requirements

An election described in subsection (a) of this section shall be effective only if—

(1) the plan is amended to provide that it shall not be treated as a multiemployer plan
for all purposes under this chapter and the Internal Revenue Code of 1954, and
(2) written notice of the amendment is provided to the corporation within 60 days after the amendment is adopted.

(c) Effective date

An election described in subsection (a) of this section shall be treated as being effective as of September 26, 1980.

SUBTITLE F—TRANSITION RULES AND EFFECTIVE DATES

AMENDMENTS

§ 1461. Effective date; special rules

(a) The provisions of this subchapter take effect on September 2, 1974.

(b) Notwithstanding the provisions of subsection (a) of this section, the corporation shall pay benefits guaranteed under this subchapter with respect to any plan—

(1) which is not a multiemployer plan,

(2) which terminates after June 30, 1974, and before September 2, 1974,

(3) to which section 1321 of this title would apply if that section were effective beginning on July 1, 1974, and

(4) with respect to which a notice is filed with the Secretary of Labor and received by him not later than 10 days after September 2, 1974, except that, for reasonable cause shown, such notice may be filed with the Secretary of Labor and received by him not later than October 31, 1974, stating that the plan is a plan described in paragraphs (1), (2), and (3).

The corporation shall not pay benefits guaranteed under this subchapter with respect to a plan described in the preceding sentence unless the corporation finds substantial evidence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this subchapter or for the purpose of avoiding the liability which might be imposed under subtitle D of this subchapter if the plan terminated on or after September 2, 1974. The provisions of subtitle D of this subchapter do not apply in the case of such a plan which terminates before September 2, 1974. For purposes of determining whether a plan is a plan described in paragraph (2), the provisions of section 1348 of this title shall not apply, but the corporation shall make the determination on the basis of the date on which benefits ceased to accrue or on any other reasonable basis consistent with the purposes of this subsection.

(c)(1) Except as provided in paragraphs (2), (3), and (4), the corporation shall not pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates before August 1, 1980. Whenever the corporation exercises the authority granted under paragraph (2) or (3), the corporation shall notify the Committee on Education and Labor and the Committee on Ways and Means of the House of Representatives, and the Committee on Labor and Public Welfare and the Committee on Finance of the Senate.

(2) The corporation may, in its discretion, pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates after September 2, 1974 and before August 1, 1980, if—

(A) the plan was maintained during the 60 months immediately preceding the date on which the plan terminates, and

(B) the corporation determines that the payment by the corporation of benefits guaranteed under this subchapter with respect to that plan will not jeopardize the payments the corporation anticipates it may be required to make in connection with benefits guaranteed under this subchapter with respect to multiemployer plans which terminate after July 31, 1980.

(3) Notwithstanding any provision of section 1321 or 1322 of this title which would prevent such payments, the corporation, in carrying out its authority under paragraph (2), may pay benefits guaranteed under this subchapter with respect to a multiemployer plan described in paragraph (2) in any case in which those benefits would otherwise not be payable if—

(A) the plan has been in effect for at least 5 years,

(B) the plan has been in substantial compliance with the funding requirements for a qualified plan with respect to the employees and former employees in those employment units on the basis of which the participating employers have contributed to the plan for the preceding 5 years, and

(C) the participating employers and employee organization or organizations had no reasonable recourse other than termination.

(4) If the corporation determines, under paragraph (2) or (3), that it will pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates before August 1, 1980, the corporation—

(A) may establish requirements for the continuation of payments which commenced before January 2, 1974, with respect to retired participants under the plan,

(B) may not, notwithstanding any other provision of this subchapter, make payments with respect to any participant under such a plan.
who, on January 1, 1974, was receiving payment of retirement benefits, in excess of the amounts and rates payable with respect to such participant on that date.

(C) may not make any payments with respect to benefits guaranteed under this subchapter in connection with such a plan which are derived, directly or indirectly, from amounts borrowed under section 1305(c) of this title, and

(D) shall review from time to time payments made under the authority granted to it by paragraphs (2) and (3), and reduce or terminate such payments to the extent necessary to avoid jeopardizing the ability of the corporation to make payments of benefits guaranteed under this subchapter in connection with multiemployer plans which terminate after July 31, 1980, without increasing premium rates for such plans.

(d) Notwithstanding any other provision of this subchapter, guaranteed benefits payable by the corporation pursuant to its discretionary authority under this section shall continue to be paid at the level guaranteed under section 1322 of this title, without regard to any limitation on payment under subparagraph (C) or (D) of subsection (c)(4) of this section.

(e)(1) Except as provided in paragraphs (2), (3), and (4), the amendments to this chapter made by the Multiemployer Pension Plan Amendments Act of 1980 shall take effect on September 26, 1980.

(2)(A) Except as provided in this paragraph, part 1 of subtitle E of this subchapter, relating to withdrawal liability, takes effect on September 26, 1980.

B) For purposes of determining withdrawal liability under part 1 of subtitle E of this subchapter, an employer who has withdrawn from a plan shall be considered to have withdrawn from a multiemployer plan if, at the time of the withdrawal, the plan was a multiemployer plan as defined in section 1301(a)(3) of this title as in effect on September 26, 1980, expires, without regard to extensions agreed to on or after September 26, 1980, or

(3) Sections 1421 through 1426 of this title, relating to multiemployer plan reorganization, shall take effect, with respect to each plan, on the first day of the first plan year beginning on or after the earlier of—

(A) the date on which the last collective bargaining agreement providing for employer contributions under the plan, which was in effect on September 26, 1980, expires, without regard to extensions agreed to on or after September 26, 1980, or

(B) 3 years after September 26, 1980.

(4) Section 1415 of this title shall take effect on September 26, 1980.

(f)(1) In the event that before September 26, 1980, the corporation has determined that—

(A) an employer has withdrawn from a multiemployer plan under section 1363 of this title, and

(B) the employer is liable to the corporation under such section,

the corporation shall retain the amount of liability paid to it or furnished in the form of a bond and shall pay such liability to the plan in the event the plan terminates in accordance with section 1341(a)(2) of this title before the earlier of September 26, 1985, or the day after the 5-year period commencing on the date of such withdrawal.

(2) In any case in which the plan is not so terminated within the period described in paragraph (1), the liability of the employer is abated and any payment held in escrow shall be refunded without interest to the employer or the employer’s bond shall be cancelled.

(g)(1) In any case in which an employer or employers withdrew from a multiemployer plan before the effective date of part I of subtitle E of this subchapter, the corporation may—

(A) apply section 1363(d) of this title, as in effect before the amendments made by the Multiemployer Pension Plan Amendments Act of 1980, to such plan,

(B) assess liability against the withdrawn employer with respect to the resulting terminated plan,

(C) guarantee benefits under the terminated plan under section 1322 of this title, as in effect before such amendments, and

(D) if necessary, enforce such action through suit brought under section 1303 of this title.

(2) The corporation shall use the revolving fund used by the corporation with respect to basic benefits guaranteed under section 1322a of this title in guaranteeing benefits under a terminated plan described in this subsection.

(h)(1) In the case of an employer who entered into a collective bargaining agreement—

(A) which was effective on January 12, 1979, and which remained in effect through May 15, 1982, and

(B) under which contributions to a multiemployer plan were to cease on January 12, 1982, any withdrawal liability incurred by the employer pursuant to part 1 of subtitle E of this subchapter as a result of the complete or partial withdrawal of the employer from the multiemployer plan before January 16, 1982, shall be void.

(2) In any case in which—

(A) an employer engaged in the grocery wholesaling business—

(i) had ceased all covered operations under a multiemployer plan before June 30, 1981, and had relocated its operations to a new facility in another State, and

(ii) had notified a local union representative on May 14, 1980, that the employer had tentatively decided to discontinue operations and relocate to a new facility in another State, and

(B) all State and local approvals with respect to construction of and commencement of operations at the new facility had been obtained, a contract for construction had been entered into, and construction of the new facility had begun before September 26, 1980, any withdrawal liability incurred by the employer pursuant to part 1 of subtitle E of this subchapter as a result of the complete or partial withdrawal of the employer from the multiemployer plan before June 30, 1981, shall be void.

(i) The preceding provisions of this section shall not apply with respect to amendments
made to this subchapter in provisions enacted after October 22, 1986.

(b) Applicability of standards, licensing, and insurance requirements; promulgation of regulations; amount of insurance required

(1) When using, or causing to be used, any vehicle for providing transportation to which this section applies, each agricultural employer, agricultural association, and farm labor contractor shall—

(A) ensure that such vehicle conforms to the standards prescribed by the Secretary under paragraph (2) of this subsection and other applicable Federal and State safety standards,

(B) ensure that each driver has a valid and appropriate license, as provided by State law, to operate the vehicle, and

(2)(A) For purposes of paragraph (1)(A), the Secretary shall prescribe such regulations as may be necessary to protect the health and safety of migrant and seasonal agricultural workers.

(B) To the extent consistent with the protection of the health and safety of migrant and seasonal agricultural workers, the Secretary shall, in promulgating regulations under subparagraph (A), consider, among other factors—
(i) the type of vehicle used,
(ii) the passenger capacity of the vehicle,
(iii) the distance which such workers will be carried in the vehicle,
(iv) the type of roads and highways on which such workers will be carried in the vehicle,
(v) the extent to which a proposed standard would cause an undue burden on agricultural employers, agricultural associations, or farm labor contractors.

(C) Standards prescribed by the Secretary under subparagraph (A) shall be in addition to, and shall not supersede or modify, any standard under part B of subtitle IV of title 49, or regulations issued thereunder, which is independently applicable to transportation to which this section applies. A violation of any such standard shall also constitute a violation under this chapter.

(D) In the event that the Secretary fails for any reason to prescribe standards under subparagraph (A) by the effective date of this chapter, the standards prescribed under section 31502 of title 49, relating to the transportation of migrant workers, shall, for purposes of paragraph (1)(A), be deemed to be the standards prescribed by the Secretary under this paragraph, and shall, as appropriate and reasonable in the circumstances, apply (i) without regard to the mileage and boundary line limitations contained in such section, and (ii) until superseded by standards actually prescribed by the Secretary in accordance with this paragraph.

(3) The level of insurance required under paragraph (1)(C) shall be determined by the Secretary considering at least the factors set forth in paragraph (2)(B) and similar farmworker transportation requirements under State law.

(c) Adjustments of insurance requirements in the event of workers’ compensation coverage

If an agricultural employer, agricultural association, or farm labor contractor is the employer of any migrant or seasonal agricultural worker for purposes of a State workers’ compensation law and such employer provides workers’ compensation coverage for such worker in the event of bodily injury or death as provided by such State law, the following adjustments in the requirements of subsection (b)(1)(C) of this section relating to having an insurance policy or liability bond apply:

(1) No insurance policy or liability bond shall be required of the employer, if such workers are transported only under circumstances for which there is coverage under such State law.

(2) An insurance policy or liability bond shall be required of the employer for circumstances under which coverage for the transportation of such workers is not provided under such State law.

(d) Time for promulgation of regulations for standards implementing requirements; revision of standards

The Secretary shall, by regulations promulgated in accordance with section 1861 of this title not later than the effective date of this chapter, prescribe the standards required for the purposes of implementing this section. § 1854. Private right of action

(a) Maintenance of civil action in district court by aggrieved person

Any person aggrieved by a violation of this chapter or any regulation under this chapter by a farm labor contractor, agricultural employer, agricultural association, or other person may file suit in any district court of the United States having jurisdiction of the parties, without regard to the amount in controversy and without regard to the citizenship of the parties and without regard to exhaustion of any alternative administrative remedies provided herein.

Upon application by a complainant and in such circumstances as the court may deem just, the court may appoint an attorney for such complainant and may authorize the commencement of the action.

(c) Award of damages or other equitable relief; amount; criteria; appeal

(1) If the court finds that the respondent has intentionally violated any provision of this chapter or any regulation under this chapter, it may award damages up to and including an amount equal to the amount of actual damages, or statutory damages of up to $500 per plaintiff per violation, or other equitable relief, except that (A) multiple infractions of a single provision of this chapter or of regulations under this chapter shall constitute only one violation for purposes of determining the amount of statutory damages due a plaintiff; and (B) if such complaint is certified as a class action, the court shall award no more than the lesser of up to $500 per plaintiff per violation, or up to $500,000 or other equitable relief.

(2) In determining the amount of damages to be awarded under paragraph (1), the court is authorized to consider whether an attempt was made to resolve the issues in dispute before the resort to litigation.

(3) Any civil action brought under this section shall be subject to appeal as provided in chapter 83 of title 28.

(d) Workers’ compensation benefits; exclusive remedy

(1) Notwithstanding any other provision of this chapter, where a State workers’ compensation law is applicable and coverage is provided for a migrant or seasonal agricultural worker, the workers’ compensation benefits shall be the exclusive remedy for loss of such worker under this chapter.

(2) The exclusive remedy prescribed by paragraph (1) precludes the recovery under subsection (c) of this section of actual damages for loss from an injury or death but does not preclude recovery under subsection (c) of this section for statutory damages or equitable relief, except that such relief shall not include back or front pay or in any manner, directly or indirectly, expand or otherwise alter or affect (A) a recovery under a State workers’ compensation law or (B) rights conferred under a State workers’ compensation law.

(e) Expansion of statutory damages

If the court finds in an action which is brought by or for a worker under subsection (a) of this section in which a claim for actual damages is precluded because the worker’s injury is covered by a State workers’ compensation law as provided by subsection (d) of this section that—

(1)(A) the defendant in the action violated section 1841(b) of this title by knowingly requiring or permitting a driver to drive a vehicle for the transportation of migrant or seasonal agricultural workers while under the influence of alcohol or a controlled substance (as defined in section 802 of title 21) and the defendant had actual knowledge of the driver’s condition, and

(B) such violation resulted in injury to or death of the migrant or seasonal worker by or for whom the action was brought and such injury or death arose out of and in the course of employment as determined under the State workers’ compensation law,

(2)(A) the defendant violated a safety standard prescribed by the Secretary under section 1841(b) of this title which the defendant was determined in a previous judicial or administrative proceeding to have violated, and

(B) such safety violation resulted in an injury or death described in paragraph (1)(B),
(3)(A)(i) the defendant willfully disabled or removed a safety device prescribed by the Secretary under section 1841(b) of this title, or
(ii) the defendant in conscious disregard of the requirements of section 1841(b) of this title failed to provide a safety device required under such section, and
(B) such disablement, removal, or failure to provide a safety device resulted in an injury or death described in paragraph (1)(B), or
(4)(A) the defendant violated a safety standard prescribed by the Secretary under section 1841(b) of this title,
(B) such safety violation resulted in an injury or death described in paragraph (1)(B), and
(C) the defendant at the time of the violation of section 1841(b) of this title also was—
(i) an unregistered farm labor contractor in violation of section 1811(a) of this title, or
(ii) a person who utilized the services of a farm labor contractor of the type specified in clause (i) without taking reasonable steps to determine that the farm labor contractor possessed a valid certificate of registration authorizing the performance of the farm labor contracting activities which the contractor was requested or permitted to perform with the knowledge of such person.

the court shall award not more than $10,000 per plaintiff per violation with respect to whom the court made the finding described in paragraph (1), (2), (3), or (4), except that multiple infractions of a single provision of this chapter shall constitute only one violation for purposes of determining the amount of statutory damages due to a plaintiff under this subsection and in the case of a class action, the court shall award not more than the lesser of up to $10,000 per plaintiff or up to $500,000 for all plaintiffs in such class action.

(f) Tolling of statute of limitations

If it is determined under a State workers’ compensation law that the workers’ compensation law is not applicable to a claim for bodily injury or death of a migrant or seasonal agricultural worker, the statute of limitations for bringing an action for actual damages for such injury or death under subsection (a) of this section shall be tolled for the period during which the claim for such injury or death under such State workers’ compensation law was pending. The statute of limitations for an action for other actual damages, statutory damages, or equitable relief arising out of the same transaction or occurrence as the injury or death of the migrant or seasonal agricultural worker shall be tolled for the period during which the claim for such injury or death was pending under the State workers’ compensation law.

   (iv) of the legal rights and remedies available to the examinee if the polygraph test is not conducted in accordance with this chapter, and

(3) the term "mass layoff" means a reduction in force which—

(A) is not the result of a plant closing; and

(B) results in an employment loss at the single site of employment during any 30-day period for—

(i) (I) at least 33 percent of the employees (excluding any part-time employees); and

(ii) at least 50 employees (excluding any part-time employees); or

(ii) at least 500 employees (excluding any part-time employees);

(4) the term "representative" means an exclusive representative of employees within the meaning of section 159(a) or 158(f) of this title or section 152 of title 45;

After the effective date of the sale of part or all of an employer's business, the purchaser shall be responsible for providing notice for any plant closing or mass layoff in accordance with section 2102 of this title. Notwithstanding any other provision of this chapter, any person who is an employee of the seller (other than a part-time employee) as of the effective date of the sale shall be considered an employee of the purchaser immediately after the effective date of the sale.

(2) Notwithstanding subsection (a)(6) of this section, an employee may not be considered to have experienced an employment loss if the closing or layoff is the result of the relocation or consolidation of part or all of the employer's business and, prior to the closing or layoff—

(A) the employer offers to transfer the employee to a different site of employment within a reasonable commuting distance with no more than a 6-month break in employment; and

**Effective Date**

Section 11 of Pub. L. 100–379 provided that: "This Act [enacting this chapter] shall take effect upon enactment."

**Short Title**

Section 1(a) of Pub. L. 100–379 provided that: "This Act [enacting this chapter] may be cited as the ‘Worker Adjustment and Retraining Notification Act’."  

§ 2102. Notice required before plant closings and mass layoffs

(a) Notice to employees, State dislocated worker units, and local governments

An employer shall not order a plant closing or mass layoff until the end of a 60-day period after the employer serves written notice of such an order—

(1) to each representative of the affected employees as of the time of the notice or, if there is no such representative at that time, to each affected employee; and

(2) to the State or entity designated by the State to carry out rapid response activities under section 2864(a)(2)(A) of this title, and the chief elected official of the unit of local government within which such closing or layoff is to occur.

If there is more than one such unit, the unit of local government which the employer shall notify is the unit of local government to which the employer pays the highest taxes for the year preceding the year for which the determination is made.

(b) Reduction of notification period

(1) An employer may order the shutdown of a single site of employment before the conclusion of the 60-day period if as of the time that notice would have been required the employer was actively seeking capital or business which, if obtained, would have enabled the employer to avoid or postpone the shutdown and the employer reasonably and in good faith believed that giving the notice required would have precluded the employer from obtaining the needed capital or business.

(2)(A) An employer may order a plant closing or mass layoff before the conclusion of the 60-day period if the closing or mass layoff is caused by business circumstances which, if reasonably foreseeable as of the time that notice would have been required.

(B) No notice under this chapter shall be required if the plant closing or mass layoff is due to any form of natural disaster, such as a flood, earthquake, or the drought currently ravaging the farmlands of the United States.

(3) An employer relying on this subsection shall give as much notice as is practicable and at that time shall give a brief statement of the basis for reducing the notification period.

(c) Extension of layoff period

A layoff of more than 6 months which, at its outset, was announced to be a layoff of 6 months or less, shall be treated as an employment loss under this chapter unless—

(1) the extension beyond 6 months is caused by business circumstances (including unforeseeable changes in price or cost) not reasonably foreseeable at the time of the initial layoff; and

(2) notice is given at the time it becomes reasonably foreseeable that the extension beyond 6 months will be required.

(d) Determinations with respect to employment loss

For purposes of this section, in determining whether a plant closing or mass layoff has occurred or will occur, employment losses for 2 or more groups at a single site of employment, each of which is less than the minimum number of employees specified in section 2101(a)(2) or (3) of this title but which in the aggregate exceed that minimum number, and which occur within any 90-day period shall be considered to be a plant closing or mass layoff unless the employer demonstrates that the employment losses are the result of separate and distinct actions and causes and are not an attempt by the employer to evade the requirements of this chapter.

**Amendments**

1998—Subsec. (a)(2). Pub. L. 105–277, § 101(f) [title VIII, § 405(d)(26)], struck out “the State dislocated worker unit or office (referred to in section 1661(b)(2) of this title), or” before “the State or entity”.

L. 105–277, § 101(f) [title VIII, § 405(d)(26)], substituted “to the State dislocated worker unit or office (referred to in section 1661(b)(2) of this title), or the State or entity designated by the State to carry out rapid response activities under section 2864(a)(2)(A) of this title, and the chief” for “to the State dislocated worker unit (designated or created under title III of the Job Training Partnership Act) and the chief”.

**Effective Date of 1998 Amendment**

§ 2103. Exemptions

This chapter shall not apply to a plant closing or mass layoff if—

(1) the closing is of a temporary facility or the closing or layoff is the result of the completion of a particular project or undertaking, and the affected employees were hired with the understanding that their employment was limited to the duration of the facility or the project or undertaking; or

(2) the closing or layoff constitutes a strike or constitutes a lockout not intended to evade the requirements of this chapter.

Nothing in this chapter shall require an employer to serve written notice pursuant to section 2102(a) of this title when permanently replacing a person who is deemed to be an economic striker under the National Labor Relations Act [29
§ 2104. Administration and enforcement of requirements

(a) Civil actions against employers

(1) Any employer who orders a plant closing or mass layoff in violation of section 2102 of this title shall be liable to each aggrieved employee who suffers an employment loss as a result of such closing or layoff for—

(A) back pay for each day of violation at a rate of compensation not less than the higher of—

(i) the average regular rate received by such employee during the last 3 years of the employee's employment; or

(ii) the final regular rate received by such employee; and

(B) benefits under an employee benefit plan described in section 1002(3) of this title, including the cost of medical expenses incurred during the employment loss which would have been covered under an employee benefit plan if the employment loss had not occurred.

Such liability shall be calculated for the period of the violation, up to a maximum of 60 days, but in no event for more than one-half the number of days the employee was employed by the employer.

(2) The amount for which an employer is liable under paragraph (1) shall be reduced by—

(A) any wages paid by the employer to the employee for the period of the violation;

(B) any voluntary and unconditional payment by the employer to the employee that is not required by any legal obligation; and

(C) any payment by the employer to a third party or trustee (such as premiums for health benefits or payments to a defined contribution pension plan) on behalf of and attributable to the employee for the period of the violation.

In addition, any liability incurred under paragraph (1) with respect to a defined benefit pension plan may be reduced by crediting the employee with service for all purposes under such a plan for the period of the violation.

(3) Any employer who violates the provisions of section 2102 of this title with respect to a unit of local government shall be subject to a civil penalty of not more than $500 for each day of such violation, except that such penalty shall not apply if the employer pays to each aggrieved employee the amount for which the employer is liable to that employee within 3 weeks from the date the employer orders the shutdown or layoff.

(4) If an employer which has violated this chapter proves to the satisfaction of the court that the act or omission that violated this chapter was in good faith and that the employer had reasonable grounds for believing that the act or omission was not a violation of this chapter the court may, in its discretion, reduce the amount of the liability or penalty provided for in this section.

(b) Exclusivity of remedies

The remedies provided for in this section shall be the exclusive remedies for any violation of this chapter. Under this chapter, a Federal court shall not have authority to enjoin a plant closing or mass layoff.

§ 2105. Procedures in addition to other rights of employees

The rights and remedies provided to employees by this chapter are in addition to, and not in lieu of, any other contractual or statutory rights and remedies of the employees, and are not intended to alter or affect such rights and remedies, except that the period of notification required by this chapter shall run concurrently with any period of notice required by contract or by any other statute.

§ 2106. Procedures encouraged where not required

It is the sense of Congress that an employer who is not required to comply with the notice requirements of section 2102 of this title should, to the extent possible, provide notice to its employees about a proposal to close a plant or permanently reduce its workforce.

§ 2107. Authority to prescribe regulations

(a) The Secretary of Labor shall prescribe such regulations as may be necessary to carry out this chapter. Such regulations shall, at a minimum, include interpretative regulations describing the methods by which employers may...
provide for appropriate service of notice as required by this chapter.

(b) The mailing of notice to an employee’s last known address or inclusion of notice in the employee’s paycheck will be considered acceptable methods for fulfillment of the employer’s obligation to give notice to each affected employee under this chapter.

(Pub. L. 100–379, §8, Aug. 4, 1988, 102 Stat. 894.)

§ 2108. Effect on other laws

The giving of notice pursuant to this chapter, if done in good faith compliance with this chapter, shall not constitute a violation of the National Labor Relations Act [29 U.S.C. 151 et seq.] or the Railway Labor Act [45 U.S.C. 151 et seq.].

2508. Definitions.
2509. Technical assistance program authorization.

§ 2501. Findings; statement of purpose
(a) Findings
The Congress finds that—
(1) American businesses now and for the remainder of the 20th century will face a dramatically different labor market than the one to which they have become accustomed;
(2) two in every three new entrants to the work force will be women, and to meet labor needs such women must work in all occupational areas including in apprenticeable occupations and nontraditional occupations;
(3) women face significant barriers to their full and effective participation in apprenticeable occupations and nontraditional occupations;
(4) the business community must be prepared to address the barriers that women have to such jobs, in order to successfully integrate them into the work force; and
(5) few resources are available to employers and unions who need assistance in recruiting, training, and retaining women in apprenticeable occupations and other nontraditional occupations.

(b) Purpose
It is the purpose of this chapter to provide technical assistance which will assist them in preparing the workplace to employ women in apprenticeable occupations and nontraditional occupations;
(2) providing grants to community-based organizations to deliver technical assistance to employers and labor unions to prepare them to recruit, train, and employ women in apprenticeable occupations and nontraditional occupations;
(3) authorizing the Department of Labor to serve as a liaison between employers, labor, and the community-based organizations providing technical assistance, through its national office and its regional administrators; and
(4) conducting a comprehensive study to examine the barriers to the participation of women in apprenticeable occupations and nontraditional occupations and to develop recommendations for the workplace to eliminate such barriers.

SHORT TITLE
Section 1 of Pub. L. 102–530 provided that: "This Act [enacting this chapter] shall be cited as the 'Women in Apprenticeship and Nontraditional Occupations Act.'"

§ 2502. Outreach to employers and labor unions

With funds available to the Secretary of Labor to carry out the operations of the Department of Labor in fiscal year 1994 and subsequent fiscal years, the Secretary shall carry out an outreach program to inform employers of technical assistance available under section 2503(a) of this title to assist employers to prepare the workplace to employ women in apprenticeable occupations and nontraditional occupations.

CHAPTER 28—FAMILY AND MEDICAL LEAVE

§ 2601. Findings and purposes

(a) Findings

Congress finds that—

(1) the number of single-parent households and two-parent households in which the single parent or both parents work is increasing significantly;

(2) it is important for the development of children and the family unit that fathers and mothers be able to participate in early child-rearing and the care of family members who have serious health conditions;

(3) the lack of employment policies to accommodate working parents can force individuals to choose between job security and parenting;

(4) there is inadequate job security for employees who have serious health conditions that prevent them from working for temporary periods;

(5) due to the nature of the roles of men and women in our society, the primary responsibility for family caretaking often falls on women, and such responsibility affects the working lives of women more than it affects the working lives of men; and

(6) employment standards that apply to one gender only have serious potential for encouraging employers to discriminate against employees and applicants for employment who are of that gender.

(b) Purposes

It is the purpose of this Act—

(1) to balance the demands of the workplace with the needs of families, to promote the stability and economic security of families, and to promote national interests in preserving family integrity;

(2) to entitle employees to take reasonable leave for medical reasons, for the birth or adoption of a child, and for the care of a child, spouse, or parent who has a serious health condition;

(3) to accomplish the purposes described in paragraphs (1) and (2) in a manner that accommodates the legitimate interests of employers;

(4) to accomplish the purposes described in paragraphs (1) and (2) in a manner that, consistent with the Equal Protection Clause of the Fourteenth Amendment, minimizes the potential for employment discrimination on the basis of sex by ensuring generally that leave is available for eligible medical reasons (including maternity-related disability) and for compelling family reasons, on a gender-neutral basis; and

(5) to promote the goal of equal employment opportunity for women and men, pursuant to such clause.

§2612. Leave requirement

(a) In general

(1) Entitlement to leave

Subject to section 2613 of this title, an eligible employee shall be entitled to a total of 12 workweeks of leave during any 12-month period for one or more of the following:

(A) Because of the birth of a son or daughter of the employee and in order to care for such son or daughter.

(B) Because of the placement of a son or daughter with the employee for adoption or foster care.

(C) In order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition.

(D) Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.

(E) Because of any qualifying exigency (as the Secretary shall, by regulation, determine) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.

(2) Expiration of entitlement

The entitlement to leave under subparagraphs (A) and (B) of paragraph (1) for a birth or placement of a son or daughter shall expire at the end of the 12-month period beginning on the date of such birth or placement.

(3) Servicemember family leave

Subject to section 2613 of this title, an eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember shall be entitled to a total of 26 workweeks of leave during a 12-month period to care for the servicemember. The leave described in this paragraph shall only be available during a single 12-month period.

(4) Combined leave total

During the single 12-month period described in paragraph (3), an eligible employee shall be
entitled to a combined total of 26 workweeks of leave under paragraphs (1) and (3). Nothing in this paragraph shall be construed to limit the availability of leave under paragraph (1) during any other 12-month period.

(5) Calculation of leave for airline flight crews

The Secretary may provide, by regulation, a method for calculating the leave described in paragraph (1) with respect to employees described in section 2611(2)(D) of this title.

(b) Leave taken intermittently or on reduced leave schedule

(1) In general

Leave under subparagraph (A) or (B) of subsection (a)(1) shall not be taken by an employee intermittently or on a reduced leave schedule unless the employee and the employer of the employee agree otherwise. Subject to paragraph (2), subsection (e)(2), and subsection (b)(5) or (f) (as appropriate) of section 2613 of this title, leave under subparagraph (C) or (D) of subsection (a)(1) or under subsection (a)(3) may be taken intermittently or on a reduced leave schedule when medically necessary. Subject to subsection (e)(3) and section 2613(f) of this title, leave under subsection (a)(1)(E) may be taken intermittently or on a reduced leave schedule. The taking of leave intermittently or on a reduced leave schedule pursuant to this paragraph shall not result in a reduction in the total amount of leave to which the employee is entitled under subsection (a) beyond the amount of leave actually taken.

(2) Alternative position

If an employee requests intermittent leave, or leave on a reduced leave schedule, under subparagraph (C) or (D) of subsection (a)(1) or under subsection (a)(3), that is foreseeable based on planned medical treatment, the employer may require such employee to transfer temporarily to an available alternative position offered by the employer for which the employee is qualified and that—

(A) has equivalent pay and benefits; and

(B) better accommodates recurring periods of leave than the regular employment position of the employee.

(c) Unpaid leave permitted

Except as provided in subsection (d), leave granted under subsection (a) may consist of unpaid leave. Where an employee is otherwise exempt under regulations issued by the Secretary pursuant to section 213(a)(1) of this title, the compliance of an employer with this subchapter by providing unpaid leave shall not affect the exempt status of the employee under such section.

(d) Relationship to paid leave

(1) Unpaid leave

If an employer provides paid leave for fewer than 12 workweeks (or 26 workweeks in the case of leave provided under subsection (a)(3)), the additional weeks of leave necessary to attain the 12 workweeks (or 26 workweeks, as appropriate) of leave required under this subchapter may be provided without compensation.

(2) Substitution of paid leave

(A) In general

An eligible employee may elect, or an employer may require the employee, to substitute any of the accrued paid vacation leave, personal leave, or medical or sick leave of the employee for leave provided under subparagraph (C) or (D) of subsection (a)(1) for any part of the 12-week period of such leave under such subsection, except that nothing in this subchapter shall require an employer to provide paid sick leave or paid medical leave in any situation in which such employer would not normally provide any such paid leave. An eligible employee may elect, or an employer may require the employee, to substitute any of the accrued paid vacation leave, personal leave, family leave, or medical or sick leave of the employee for leave provided under subsection (a)(3) for any part of the 26-week period of such leave under such subsection, except that nothing in this subchapter requires an employer to provide paid sick leave or paid medical leave in any situation in which the employer would not normally provide any such paid leave.

(e) Foreseeable leave

(1) Requirement of notice

In any case in which the necessity for leave under subparagraph (A) or (B) of subsection (a)(1) is foreseeable based on an expected birth or placement, the employee shall provide the employer with not less than 30 days’ notice, before the date the leave is to begin, of the employee’s intention to take leave under such subparagraph, except that if the date of the birth or placement requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

(2) Duties of employee

In any case in which the necessity for leave under subparagraph (C) or (D) of subsection (a)(1) or under subsection (a)(3) is foreseeable based on planned medical treatment, the employee—

(A) shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider of the employee or the health care provider of the son, daughter, spouse, parent, or covered servicemember of the employee, as appropriate; and

(B) shall provide the employer with not less than 30 days’ notice, before the date the leave is to begin, of the employee’s intention to take leave under such subparagraph, except that if the date of the treatment re-
quires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

(3) Notice for leave due to covered active duty of family member

In any case in which the necessity for leave under subsection (a)(1)(E) is foreseeable, whether because the spouse, or a son, daughter, or parent, of the employee is on covered active duty, or because of notification of an impending call or order to covered active duty, the employee shall provide such notice to the employer as is reasonable and practicable.

(f) Spouses employed by same employer

(1) In general

In any case in which a husband and wife entitled to leave under subsection (a) are employed by the same employer, the aggregate number of workweeks of leave to which both may be entitled may be limited to 12 workweeks during any 12-month period, if such leave is taken—

(A) under subparagraph (A) or (B) of subsection (a)(1); or

(B) to care for a sick parent under subparagraph (C) of such subsection.

(2) Servicemember family leave

(A) In general

The aggregate number of workweeks of leave to which both that husband and wife may be entitled under subsection (a) may be limited to 26 workweeks during the single 12-month period described in subsection (a)(3) if the leave is—

(i) leave under subsection (a)(3); or

(ii) a combination of leave under subsection (a)(3) and leave described in paragraph (1).

(B) Both limitations applicable

If the leave taken by the husband and wife includes leave described in paragraph (1), the limitation in paragraph (1) shall apply to the leave described in paragraph (1).

(5) Construction
Nothing in this subsection shall be construed to prohibit an employer from requiring an employee on leave under section 2612 of this title to provide a reasonable basis for the leave or to prove that the employee is eligible for the leave.

(B) the employer notifies the employee of the intent of the employer to deny restoration on such basis at the time the employer determines that such injury would occur; and

(C) in any case in which the leave has commenced, the employee elects not to return to employment after receiving such notice.

(2) Affected employees

An eligible employee described in paragraph (1) is a salaried eligible employee who is among the highest paid 10 percent of the employees employed by the employer within 75 miles of the facility at which the employee is employed.

(2) Failure to return from leave

(3) Certification

CHAPTER 29—WORKERS TECHNOLOGY SKILL DEVELOPMENT

Sec. 2701. Findings.

2702. Purposes.

2703. Definitions.

2704. Grants.

2705. Identification and dissemination of best practices.

2706. Authorization of appropriations.

§ 2701. Findings

The Congress finds and declares the following:

(1) In an increasingly competitive world economy, the companies and nations that lead in the rapid development, commercialization, and application of new and advanced technologies, and in the high-quality, competitively priced production of goods and services, will lead in economic growth, employment, and high living standards.

(2) While the United States remains the world leader in science and invention, it has not done well in rapidly making the transition from achievement in its research laboratories to high-quality, competitively priced production of goods and services. This lag and the unprecedented competitive challenge that the United States has faced from abroad have contributed to a drop in real wages and living standards.

(3) Companies that are successfully competitive in the rapid development, commercialization, application, and implementation of advanced technologies, and in the successful delivery of goods and services, recognize that worker participation and labor-management cooperation in the deployment, application, and implementation of advanced workplace technologies make an important contribution to high-quality, competitively priced production of goods and services and in maintaining and improving real wages for workers.

(4) The Federal Government has an important role in encouraging and augmenting private sector efforts relating to the development, application, manufacture, and deployment of new and advanced technologies. The role should be to—

(A) work with private companies, States, worker organizations, nonprofit organizations, and institutions of higher education to ensure the development, application, production, and implementation of new and advanced technologies to promote the improvement of workers’ skills, wages, job security, and working conditions, and a healthy environment;

(B) encourage worker and worker organization participation in the development, commercialization, evaluation, selection, application, and implementation of new and advanced technologies in the workplace; and

(C) promote the use and integration of new and advanced technologies in the workplace that enhance workers’ skills.

(5) In working with the private sector to promote the technological leadership and economic growth of the United States, the Federal Government has a responsibility to ensure that Federal technology programs help the United States to remain competitive and to maintain and improve living standards and to create and retain secure jobs in economically stable communities.

GEORGE W. BUSH.

MEMORANDUM FOR THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

In order to compete in the global economy, the United States needs the most educated workforce in the world. The high-wage jobs of the 21st century will require more knowledge and skills than the jobs of the past. We therefore must develop innovative strategies to train more Americans with the skills that businesses and the economy will need to ensure American competitiveness.

Community colleges are a key part of our education system, providing a flexible and affordable place to sharpen relevant workforce skills and align them with the needs of employers in their communities. Traditional four-year colleges, on-line institutions, and non-traditional educational outlets also can play an essential role in providing training opportunities. To prepare students for 21st-century jobs, these institutions need to develop flexible, affordable, and responsive training programs that meet regional and national economic needs. An important way to ensure that training programs meet such needs is through partnerships between these institutions and labor unions, small businesses, and other regional employers. As educational institutions develop these innovative programs, we should assess what works and what does not, so that we reward excellent outcomes and true innovation that meets the needs of entrepreneurs and other employers in every part of the country, from rural communities to urban centers.

Therefore, I am establishing a task force to develop skills for America's future by identifying, developing, and increasing the scale of promising approaches to improving the skills of our Nation's workers. By coordinating the work of relevant agencies with that of non-profits, labor unions, and private sector organizations, and by leveraging the assets of these entities, this effort will build better partnerships between businesses, community colleges, and other training providers to get Americans trained for the jobs of today and tomorrow.

SECTION 1. Establishment. There is established an interagency Task Force on Skills for America's Future (Task Force) to ensure that Federal policies promote innovative training programs and curricula, including successful public-private partnerships, at community colleges as well as in other settings, that will prepare the American workforce for 21st-century jobs. The Chair of the Council of Economic Advisers, the Assistant to the President for Economic Policy, and the Assistant to the President for Domestic Policy shall serve as Co-Chairs of the Task Force.

Sec. 2. Membership. In addition to the Co-Chairs, the Task Force shall consist of the following members, or any senior official designated by one of the following members who is a part of the member's department, agency, or office, and who is a full time employee of the Federal Government:

(a) the Secretary of Defense;

(b) the Secretary of Agriculture;

(c) the Secretary of Commerce;

(d) the Secretary of Labor;

(e) the Secretary of Health and Human Services;

(f) the Secretary of Transportation;

(g) the Secretary of Energy;

(l) the Director of the Office of Science and Technology Policy; and

(m) the heads of other executive departments, agencies, or offices as the Co-Chairs may designate.
§ 2811. Purpose

The purpose of this subchapter is to provide workforce investment activities, through statewide and local workforce investment systems, that increase the employment, retention, and earnings of participants, and, as a result, improve the quality of the workforce, reduce welfare dependency, and enhance the productivity and competitiveness of the Nation.

(E) Sustained the fiscal integrity

In this paragraph, the term "sustained the fiscal integrity", used with respect to funds used by a service delivery area or local area, means that the Secretary has not made a final determination during any of the last 3 years for which data are available, prior to the date of the designation request involved, that either the grant recipient or the administrative entity of the area misexpended the funds due to willful disregard of the requirements of the Act involved, gross negligence, or failure to observe accepted standards of administration.

(4) Designation on recommendation of State board

The Governor may approve a request from any unit of general local government (including a combination of such units) for designation (including temporary designation) as a local area if the State board determines, taking into account the factors described in clauses (i) through (v) of paragraph (1)(B), and recommends to the Governor, that such area should be so designated.

"(b) Subject to section 10 and the other provisions of this Act, a veteran who has been approved for participation in a program of job training under this Act and has a current certificate of eligibility for such participation may enter a program of job training that has been approved under section 7 and is offered to the veteran by the employer.

"APPROVAL OF EMPLOYER PROGRAMS

"SEC. 7. (a)(1) An employer may be paid assistance under section 8(a) on behalf of an eligible veteran employed by such employer and participating in a program of job training offered by that employer only if the program is approved under this section and in accordance with such procedures as the Administrator may by regulation prescribe.

"(b) Except as provided in subsection (b), the Administrator shall approve a proposed program of job training of an employer unless the Administrator determines that the application does not contain a certification by the employer of the following:

"(1) That the employer is planning that, upon a veteran's entry into training, the veteran will be employed in a position for which training is to be provided.

"(2) That the job which is the objective of the training will be not less than the wages and benefits currently paid to a participant in the employer's program of job training.

"(3) That the wages and benefits to be paid to a veteran participating in the employer's program of job training will be not less than the wages and benefits normally paid to other employees participating in a comparable program of job training.

"(4) That the employer will not employ in the program of job training a veteran who is already qualified by training and experience for the job for which training is to be provided.

"(5) That the job which is the objective of the training program is one that involves significant training.

"(6) That the training content of the program is adequate, in light of the nature of the occupation for which training is to be provided and of comparable training opportunities in such occupation, to accomplish the training objective certified under clause (2) of subsection (e).

"(7) That each participating veteran will be employed full time in the program of job training.

"(8) That the training period under the proposed program is not longer than the training periods that employers in the community are currently requiring for new employees to complete in order to become competent in the occupation or job for which training is to be provided.

"(d) The Administrator shall withhold approval of an employer's proposed program of job training pending the outcome of an investigation under section 10 and, based on the outcome of such an investigation, may disapprove such program.

"PAYMENTS TO EMPLOYERS

"SEC. 8. (a)(1) Except as provided in paragraph (3) and subsection (b) and subject to the provisions of section
9, the Administrator shall make quarterly payments to an employer of a veteran participating in an approved program of job training under this Act. Subject to section 7, the Act, 10, and paragraph (2), the amount paid to an employer on behalf of a veteran for any period of time shall be 50 percent of the product of (A) the starting hourly rate of wages paid to the veteran by the employer (without regard to overtime or premium pay), and (B) the number of hours worked by the veteran during that period.

(2) The total amount that may be paid to an employer on behalf of a veteran participating in a program of job training under this Act is $10,000.

(3) In order to relieve financial burdens on business enterprises with relatively few numbers of employees, the Administrator may make payments under this Act on a monthly, rather than quarterly, basis to an employer with a number of employees less than a number which shall be specified in regulations which the Administrator shall prescribe for the purposes of this paragraph.

(b) Payment may not be made to an employer for a period of training under this Act on behalf of a veteran until the Administrator has received—

(1) from the veteran, a certification that the veteran was employed full time by the employer in a program of job training during such period; and

(2) from the employer, a certification—

(A) that the veteran was employed by the employer during that period and that the veteran's performance and progress during such period were satisfactory; and

(B) of the number of hours worked by the veteran during that period.

With respect to the first such certification by an employer with respect to a veteran, the certification shall indicate the date on which the employment of the veteran began and the starting hourly rate of wages paid to the veteran (without regard to overtime or premium pay).

(c)(1)(A) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification, or information contained in an application, submitted by an employer which was false in any material respect, the amount of such overpayment shall constitute a liability of the employer to the United States.

(2) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran for that period and that the veteran's performance and progress during such period were satisfactory, the amount of such overpayment shall constitute a liability of the employer to the United States.

(3) Any overpayment referred to in paragraph (1) or (2) may be recovered in the same manner as any other debt due the United States. Any overpayment recovered shall be credited to funds available to make payments under this Act. If there are no such funds, any overpayment recovered shall be deposited into the Treasury.

(4) Any overpayment referred to in paragraph (1) or (2) may be waived, in whole or in part, in accordance with the terms and conditions set forth in section 5302 of title 38, United States Code.

"ENTRY INTO PROGRAM OF JOB TRAINING"

"SEC. 9. Notwithstanding any other provision of this Act, the Administrator may withhold or deny approval of a veteran's entry into an approved program of job training if the Administrator determines that funds are not available to make payments under this Act on behalf of the veteran in the amount necessary to employ that veteran. The veteran may begin such program of job training with the employer two weeks after the notice is transmitted to the Administrator unless within that time the employer has received notice from the Administrator that approval of the veteran's entry into that program of job training must be withheld or denied in accordance with this section.

"PROVISION OF TRAINING THROUGH EDUCATIONAL INSTITUTIONS"

"SEC. 10. An employer may enter into an agreement with an educational institution that has been approved for the enrollment of veterans under chapter 34 of title 38, United States Code, in order that such institution may provide a program of job training (or a portion of such a program) under this Act. Whenever such an agreement has been entered into, the application of the employer under section 7 shall cease and shall include a description of the training to be provided under the agreement.

"DISCONTINUANCE OF APPROVAL OF PARTICIPATION IN CERTAIN EMPLOYER PROGRAMS"

"SEC. 11. (a) If the Administrator finds that at any time that a program of job training previously approved by the Administrator for the purposes of this Act has failed to meet any of the requirements established under this Act, the Administrator may immediately disapprove further participation by veterans in that program. The Administrator shall provide to the employer concerned, and to each veteran participating in the employer's program, a statement of the reasons for, and an opportunity for a hearing with respect to, such disapproval. The employer and each such veteran shall be notified of such disapproval, the reasons for such disapproval, and the opportunity for a hearing. Notification shall be by certified or registered letter, and a return receipt shall be secured.

(b)(1) If the Administrator determines that the rate of veterans' successful completion of an employer's programs of job training previously approved by the Administrator for the purposes of this Act is disproportionately low because of deficiencies in the quality of those programs, the Administrator shall disapprove participation in such programs on the part of veterans who had not begun such participation on the date that the employer is notified of the disapproval. In determining whether any such rate is disproportionately low because of such deficiencies, the Administrator shall take into account appropriate data, including—

(A) the quarterly data provided by the Secretary with respect to the number of veterans who receive counseling in connection with training under this Act, are referred to employers under this Act, participate in job training under this Act, complete such training or do not complete such training, and the reasons for noncompletion; and

(B) data compiled through the particular employer's compliance surveys.

(2) With respect to a disapproval under paragraph (1), the Administrator shall provide to the employer concerned the kind of statement, opportunity for hearing, and notice described in subsection (a).

(3) A disapproval under paragraph (1) shall remain in effect until such time as the Administrator determines that adequate remedial action has been taken.

"INSPECTION OF RECORDS; INVESTIGATIONS"

"SEC. 12. (a) The records and accounts of employers pertaining to veterans on behalf of whom assistance has been paid under this Act, as well as other records..."
that the Administrator determines to be necessary to ascertain compliance with the requirements established under this Act, shall be available at reasonable times for examination by authorized representatives of the Federal Government.

“(b) The Administrator may monitor employers and veterans participating in programs of job training under this Act to determine compliance with the requirements established under this Act.

“(c) The Administrator may investigate any matter the Administrator considers necessary to determine compliance with the requirements established under this Act. The investigations authorized by this subsection may include examining records (including making certified copies of records), questioning employees, and entering into any premises or onto any site where any part of a program of job training is conducted under this Act, or where any of the records of the employer offering or providing such program are kept.

“(d) The Administrator may administer functions under subsections (b) and (c) in accordance with an agreement between the Administrator and the Secretary providing for the administration of such sub-sections (or any portion of such subsections) by the Department of Labor. Under such an agreement, any entity of the Department of Labor specified in the agreement may administer such subsections, notwithstanding section 4(b).

“(B) the veteran has an in-person interview with the case manager not later than 60 days after entering into a program of training under this Act; and

“(C) periodic (not less frequent than monthly) contact is maintained with each such veteran for the purpose of (i) avoiding unnecessary termination of employment, (ii) referring the veteran to appropriate counseling, if necessary, (iii) facilitating the veteran's successful completion of such program, and (iv) following up with the employer and the veteran in order to determine the veteran's progress in the program and the outcome regarding the veteran's participation in and successful completion of the program.

“(B) in the case of the employee of an employer, if the Secretary determines that—

“(i) the employer has an appropriate and effective employee assistance program that is available to all veterans participating in the employer's programs of job training under this Act; or

“(d) Payments made under this Act pursuant to contracts entered into for the provision of job-readiness skills development and counseling services under subsection (a) may only be paid out of the same account used to make payments under section 3104(a)(7) of title 38, United States Code, and the amount paid out of such account in any fiscal year for such services shall not exceed an amount equal to 5 percent of the amount obligated to carry out this Act for such fiscal year, except that for fiscal year 1988 the amount shall not exceed 5 percent of the amount available to carry out this Act on October 1, 1987.

“INFORMATION AND OUTREACH, USE OF AGENCY RESOURCES

“SEC. 15. (a) The Administrator and the Secretary shall jointly provide for an outreach and public information program—

"(d) The Administrator and the Secretary shall coordinate the outreach and public information program under subsection (a)(1), and job development activities under subsection (a)(2), with job counseling, placement, job development, and other services provided for under chapters 41 and 42 of title 38, United States Code, and with other similar services offered by other public agencies and organizations.

CHAPTER 31—ASSISTIVE TECHNOLOGY FOR INDIVIDUALS WITH DISABILITIES

Sec. 3001. Findings and purposes.
3002. Definitions.

3003. State grants for assistive technology.
3004. State grants for protection and advocacy services related to assistive technology.
3005. National activities.
3006. Administrative provisions.
3007. Authorization of appropriations.
3011 to 3018. Omitted.

§ 3001. Findings and purposes

(a) Findings

Congress finds the following:

(1) Over 54,000,000 individuals in the United States have disabilities, with almost half experiencing severe disabilities that affect their ability to see, hear, communicate, reason, walk, or perform other basic life functions.

(2) Disability is a natural part of the human experience and in no way diminishes the right of individuals to—

(A) live independently;

(B) enjoy self-determination and make choices;

(C) benefit from an education;

(D) pursue meaningful careers; and

(E) enjoy full inclusion and integration in the economic, political, social, cultural, and educational mainstream of society in the United States.

(3) Technology is one of the primary engines for economic activity, education, and innovation in the Nation, and throughout the world. The commitment of the United States to the development and utilization of technology is one of the main factors underlying the strength and vibrancy of the economy of the United States.

(4) As technology has come to play an increasingly important role in the lives of all persons in the United States, in the conduct of business, in the functioning of government, in the fostering of communication, in the conduct of commerce, and in the provision of education, its impact upon the lives of individuals with disabilities in the United States has been comparable to its impact upon the remainder of the citizens of the United States. Any development in mainstream technology will have profound implications for individuals with disabilities in the United States.

(5) Substantial progress has been made in the development of assistive technology devices, including adaptations to existing devices that facilitate activities of daily living that significantly benefit individuals with disabilities of all ages. These devices, including adaptations, increase involvement in, and reduce expenditures associated with, programs and activities that facilitate communication, ensure independent functioning, enable early childhood development, support educational achievement, provide and enhance employment options, and enable full participation in community living for individuals with disabilities. Access to such devices can also reduce expenditures associated with early childhood intervention, education, rehabilitation and training, health care, employment, residential living, independent living, recreation opportunities, and other aspects of daily living.

(6) Over the last 15 years, the Federal Government has invested in the development of
comprehensive statewide programs of technology-related assistance, which have proven effective in assisting individuals with disabilities in accessing assistive technology devices and assistive technology services. This partnership between the Federal Government and the States provided an important service to individuals with disabilities by strengthening the capacity of each State to assist individuals with disabilities of all ages meet their assistive technology needs.

Despite the success of the Federal-State partnership in providing access to assistive technology devices and assistive technology services, there is a continued need to provide information about the availability of assistive technology, advances in improving accessibility and functionality of assistive technology, and appropriate methods to secure and utilize assistive technology in order to maximize the independence and participation of individuals with disabilities in society.

The combination of significant recent changes in Federal policy (including changes to section 794d of this title, accessibility provisions of the Help America Vote Act of 2002 (42 U.S.C. 15301 et seq.), and the amendments made to the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6301 et seq.) by the No Child Left Behind Act of 2001) and the rapid and unending evolution of technology require a Federal-State investment in State assistive technology systems to continue to ensure that individuals with disabilities reap the benefits of the technological revolution and participate fully in life in their communities.

(b) Purposes

The purposes of this chapter are—

(1) to support State efforts to improve the provision of assistive technology to individuals with disabilities through comprehensive statewide programs of technology-related assistance, for individuals with disabilities of all ages, that are designed to—

(A) increase the availability of, funding for, access to, provision of, and training about assistive technology devices and assistive technology services;

(B) increase the ability of individuals with disabilities of all ages to secure and maintain possession of assistive technology devices as such individuals make the transition between services offered by educational or human service agencies or between settings of daily living (for example, between home and work);

(C) increase the capacity of public agencies and private entities to provide and pay for assistive technology devices and assistive technology services on a statewide basis for individuals with disabilities of all ages;

(D) increase the involvement of individuals with disabilities and, if appropriate, their family members, guardians, advocates, and authorized representatives, in decisions related to the provision of assistive technology devices and assistive technology services;

(E) increase and promote coordination among State agencies, between State and local agencies, among local agencies and private entities (such as managed care providers), that are involved or are eligible to be involved in carrying out activities under this chapter;

(F) increase the awareness and facilitate the change of laws, regulations, policies, practices, procedures, and organizational structures, that facilitate the availability or provision of assistive technology devices and assistive technology services; and

(G) increase awareness and knowledge of the benefits of assistive technology devices and assistive technology services among targeted individuals and entities and the general population; and

(2) to provide States with financial assistance that supports programs designed to maximize the ability of individuals with disabilities and their family members, guardians, advocates, and authorized representatives to obtain assistive technology devices and assistive technology services.
