(2) The monthly entitlement may not exceed the member's demonstrated loss of earned income from nonmilitary or self-employment. In calculating such loss of income, income from an income protection plan, vacation pay, or sick leave which the member elects to receive shall be considered.

(3) The total amount of pay and allowances paid under subsections (g) and (h) and compensation paid under section 206(a) of this title for any period may not exceed the amount of pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service for that period.

(2) Pay and allowances may not be paid under subsection (g) or (h) for a period of more than six months. The Secretary concerned may extend such period in any case if the Secretary determines that it is in the interests of fairness and equity to do so.

(3) A member is not entitled to benefits under subsection (g) or (h) if the injury, illness, disease, or aggravation of an injury, illness, or disease is the result of the gross negligence or misconduct of the member.

(4) Regulations with respect to procedures for paying pay and allowances under subsections (g) and (h) shall be prescribed—

(A) by the Secretary of Defense for the armed forces under the jurisdiction of the Secretary; and

(B) by the Secretary of Homeland Security for the Coast Guard when the Coast Guard is not operating as a service in the Navy.

(j) A member of the uniformed services who is entitled to medical or dental care under section 1074a of title 10 is entitled to travel and transportation allowances, or a monetary allowance in place thereof, for necessary travel incident to such care, and return to his home upon discharge from treatment.

words “or the United States Naval Academy” are inserted to reflect section 541 of title 10, under which graduates of that Academy may be appointed in the Army or the Air Force.

In subsection (i), the inclusion of the Coast Guard Reserve is based on the authority contained in section 755(c) of title 14.

§ 205. Computation: service creditable

(a) Subject to subsections (b) and (c), for the purpose of computing the basic pay of a member of a uniformed service, his years of service are computed by adding—

(1) all periods of active service as an officer, Army field clerk, flight officer, aviation midshipman, or enlisted member of a uniformed service;

(2) all periods during which he was enlisted or held an appointment as an officer, Army field clerk, or flight officer of—

(A) a regular component of a uniformed service;

(B) the Regular Army Reserve;
(C) the Organized Militia before July 1, 1916;
(D) the National Guard;
(E) the National Guard Reserve;
(F) a reserve component of a uniformed service;
(G) the Naval Militia;
(H) the National Naval Volunteers;
(I) the Navy Reserve Force;
(J) the Army without specification of component;
(K) the Air Force without specification of component;
(L) the Marine Corps Reserve Force;
(M) the Philippine Scouts; or
(N) the Philippine Constabulary;

(3) for a commissioned officer in service on June 30, 1922, all service that was then counted in computing longevity pay and all service as a contract surgeon serving full time;

(4) all periods during which he held an appointment as a nurse, reserve nurse, or commissioned officer in the Army Nurse Corps as it existed at any time before April 16, 1947, the Navy Nurse Corps as it existed at any time before April 16, 1947, or the Public Health Service, or a reserve component of any of them;

(5) all periods during which he was a deck officer or junior engineer in the National Oceanic and Atmospheric Administration;

(6) all periods that, under law in effect on January 10, 1962, were authorized to be credited in computing basic pay; and

(7) all periods while—

(A) on a temporary disability retired list, honorary retired list, or a retired list of a uniformed service;

(B) entitled to retired pay, retirement pay, or retainer pay, from a uniformed service or the Department of Veterans Affairs, as a member of the Fleet Reserve or the Fleet Marine Corps Reserve; or

(C) a member of the Honorary Reserve of the Officers' Reserve Corps or the Organized Reserve Corps.

Except for any period of active service described in clause (1) and except as provided by subsections (b), (c), and (d) of section 1402 and subsections (b), (c), and (d) of section 1402a of title 10, a period of service described in clauses (2) through (7) that is performed while on a retired list, in a retired status, or in the Fleet Reserve or Fleet Marine Corps Reserve, may not be included to increase retired pay, retirement pay, or retainer pay. For the purpose of clause (5), periods during which a member was a deck officer or junior engineer in the National Oceanic and Atmospheric Administration includes periods during which a member was a deck officer or junior engineer in the Environmental Science Services Administration or the Coast and Geodetic Survey.

(b) A period of time may not be counted more than once under subsection (a).

(c) The periods of service authorized to be counted under subsection (a) shall, under regulations prescribed by the Secretary concerned, include service performed by a member of a uniformed service before he became 18 years of age.

(d) Notwithstanding subsection (a), a commissioned officer may not count in computing basic pay a period of service after October 13, 1964, that the officer performed concurrently as a member of the Senior Reserve Officers' Training Corps, except for service that the officer performed on or after August 1, 1979, other than for training as an enlisted member of the Selected Reserve may be so counted.

(e) Notwithstanding subsection (a), a period of service described in paragraph (2) of a member who enlists in a reserve component may not be counted under this section.

(2) Paragraph (1) applies to the following service:

(A) Service performed while a member of a reserve component under an enlistment under section 12103(b) or 12103(d) of title 10 before the member begins service on active duty under such section (including a period of active duty for training) unless the member performs inactive-duty training before beginning service on active duty or active duty for training;

(B) Service performed while a member of a reserve component under an enlistment under section 513 of title 10 (other than a period of active duty to which the member is ordered under chapter 1209 of title 10 or another provision of law).

(f) Notwithstanding subsection (a), the periods of service of a commissioned officer appointed under section 12203 of title 10 after receiving financial assistance under section 16401 of such title that are counted under this section may not include a period of service after January 1, 2000, that the officer performed concurrently as an enlisted member of the Marine Corps Platoon Leaders Class program and the Marine Corps Reserve, except that service after that date that the officer performed before commissioning (concurrently with the period of service as a member of the Marine Corps Platoon Leaders Class program) as an enlisted member on active duty or as a member of the Selected Reserve may be so counted.

In subsection (a), the introductory clause is substituted for section 233(a) (introductory clause) of existing title 37. In clauses (1) and (2), the word “officer” is substituted for the words “commissioned officer, commissioned warrant officer, warrant officer” to conform to the definition of “officer” in section 101 of this revised title. In clause (1), the words “Regular or Reserve component” are omitted, since, under the definition of “reserve component” in section 102 of the source statute, those words are defined to include members with non-component status. Together, these categories compose the entire structure of any uniformed service. In clause (2), the words “a reserve component of a uniformed service” are substituted for the words “the National Guard of the United States, or in the Reserve component under an enlistment under section 601 of the Army National Guard of the United States, or in the Air Force Reserve Corps Reserve, or in the Coast Guard Reserve, or in the Marine Corps Reserve, or in the Coast Guard Reserve, or in the Reserve Corps of the Public Health Service,” since all of the named organizations were or are reserve components. In clause (4), the words “as it existed at any time before April 16, 1947” are inserted for clarity, since the reference is intended to apply to the corps established by law before April 16, 1947. Service in the Army Nurse Corps or Navy Nurse Corps now existing would be included under clause (1) or (2), since there is now no legal distinction between the service of nurses and that of other members of the Army and Navy. In clause (6), the date “January 1, 1961,” is substituted for the words “the effective date of this section,” to reflect laws enacted after that effective date which authorized certain service to be credited for pay purposes. See, for example, Public Law 86-142. Clause (9) is substituted for section 233(b) (less proviso) of existing title 37. The last sentence is substituted for section 233(b) (proviso) of existing title 37.

In subsection (b), the first 33 words of section 233(d) of existing title 37 are omitted as covered by the words “are computed by adding” in subsection (a). The words “for any reason, in section 233(d) of existing title 37, are omitted as surplusage.

In subsection (c)(3), the words “chapter 67 of title 10” are substituted for the words “title III of the Army and Air Force Vitalization and Retirement Equalization Act of 1948,” since that title was repealed by section 53 of the Act of August 10, 1956, ch. 1041, 70 Stat. 641, and is now codified as chapter 67 of title 10 by section 1 of that Act.

AMENDMENTS

1996—Subsec. (d). Pub. L. 104–201 substituted “for service that the officer performed on or after August 1, 1979,” for “for that service after July 31, 1990, that the officer performed while serving on active duty.”

1994—Subsec. (b)(v)(I)(A), Pub. L. 103–337, § 517(b)(2)(A), substituted “1210(b) or 1210(d)” for “511(b) or 511(d)”.

1989—Subsec. (e). Pub. L. 101–189 amended subsec. (e) generally. Prior to amendment, subsec. (e) read as follows: “Notwithstanding subsection (a), a commissioned officer may not count in computing his basic pay any period of service after October 13, 1964, that he performed concurrently as a member of a uniformed service and as a member of the Senior Reserve Officers’ Training Corps.”

1991—Subsecs. (a) to (c), Pub. L. 102–25 struck out “of this section” and “of this subsection” wherever appearing.

(7) and (8), which provided for the addition of four years for medical and dental officers and one year in addition to the four years for a medical officer who has completed one year of medical internship or the equivalent, respectively, redesignated cl. (9) as (7), and in text following cl. (7), as so redesignated, substituted “subsections (b), (c), and (d) of section 1402 and subsections (b), (c), and (d) of section 1402a for section 1402(b)–(d) and section 1402a(a)–(d),” and “clauses (2) through (7)” for “clauses (2)–(9).”

1965—Subsec. (a)(1). Pub. L. 89–961 substituted “subsections (b), (c), and (d) and as (e) and (d), respectively. Former subsection (c), relating to limitations on service authorized to be credited under cl. (7) or (8) of subsec. (a) of this section.”

1959—Subsec. (b). Pub. L. 86–531, § 402(c), redesignated subsec. (b) and (c) as (e) and (d), respectively. Former subsection (c), relating to limitations on service authorized to be credited under cl. (7) or (8) of subsec. (a) of this section, was struck out.

1956—Subsec. (a). Pub. L. 84–718 substituted “Environmental Science Services Administration” for “Coast and Geodetic Survey” in cl. (5) and inserted provision that, for the purpose of cl. (5), periods during which a person was a deck officer in the Coast and Geodetic Survey.

### §206. Reserves; members of National Guard: inactive-duty training

(a) Under regulations prescribed by the Secretary concerned, and to the extent provided for by appropriations, a member of the National Guard or a member of a reserve component of a uniformed service who is not entitled to basic pay under section 204 of this title, is entitled to compensation, at the rate of 3/8 of the basic pay authorized for a member of a uniformed service of a corresponding grade entitled to basic pay—

(1) for each regular period of instruction, or period of appropriate duty, at which the member is engaged for at least two hours, including that performed on a Sunday or holiday;

(2) for the performance of such other equivalent training, instruction, duty, or appropriate duties, as the Secretary may prescribe; or

without regard to section (a) for a regular period of instruction that the member is scheduled to perform but is unable to perform because of physical disability resulting from an injury, illness, or disease incurred or aggravated—

(A) in line of duty while performing—

(i) active duty; or

(ii) inactive-duty training;

(B) while traveling directly to or from that duty or training (unless such injury, illness, disease, or aggravation of an injury, illness, or disease is the result of the gross negligence or misconduct of the member); or

(C) in line of duty while remaining overnight immediately before the commencement of inactive-duty training, or while remaining overnight, between successive periods of inactive-duty training, at or in the vicinity of the site of the inactive-duty training.

(b) The regulations prescribed under subsection (a) for each uniformed service, the National Guard, and each of the classes of organization of the reserve components within each uniformed service, may be different. The Secretary concerned shall, for the National Guard and each of the classes of organization within each uniformed service, prescribe—

(1) minimum standards that must be met before an assembly for drill or other equivalent period of training, instruction, duty, or appropriate duties may be credited for pay purposes, and those standards may require the presence of duty of officers and enlisted members in numbers equal to or more than a minimum number or percentage of the unit strength for a specified period of time with participation in a prescribed kind of training;

(2) the maximum number of assemblies or periods of other equivalent training, instruction, duty, or appropriate duties, that may be counted for pay purposes in each fiscal year or in lesser periods of time; and

(3) the minimum number of assemblies or periods of other equivalent training, instruction,
duty, or appropriate duties that must be completed in stated periods of time before the members of units or organizations can qualify for pay.

(c) A person enlisted in the inactive National Guard is not entitled to pay under this section.

(d)(1) Except as provided in paragraph (2), this section does not authorize compensation for work or study performed by a member of a reserve component or by a member of the National Guard while not in Federal service in connection with correspondence courses of a uniformed service.

(2) A member of the Selected Reserve of the Ready Reserve may be paid compensation under this section at a rate and under terms determined by the Secretary of Defense, but not to exceed the rate otherwise applicable to the member under subsection (a), upon the member’s successful completion of a course of instruction undertaken by the member using electronic-based distributed learning methodologies to accomplish training requirements related to unit readiness or mobilization, as directed for the member by the Secretary concerned. The compensation may be paid regardless of whether the course of instruction was under the direct control of the Secretary concerned or included the presence of an instructor.

(3) The prohibition in paragraph (1), including the prohibition as it relates to a member of the National Guard while not in Federal service, applies to—

(A) any work or study performed on or after September 7, 1962, unless that work or study is specifically covered by the exception in paragraph (2); and

(B) any claim based on that work or study arising after that date.

(e) A member of the National Guard or of a reserve component of the uniformed services may not be paid under this section for more than four periods of equivalent training, instruction, duty, or appropriate duties performed during a fiscal year instead of the member’s regular period of instruction or regular period of appropriate duty during that fiscal year.

(f) A member of the Individual Ready Reserve is not entitled to compensation under this section for participation in screening for which the member is paid a stipend under section 433a of this title.

In subsection (a), the words “National Guard” are substituted for the words “National Guard, Air National Guard”, in section 301(a) of existing title 37, to conform to the definition of “National Guard” in section 101(6) of this revised title. The words “member of a reserve component of a uniformed service” are substituted for the words “National Guard of the United States, Air National Guard of the United States, Organized Reserve Corps, Naval Reserve, Air Force Reserve, Marine Corps Reserve, Coast Guard Reserve, and the Reserve Corps of the Public Health Service,” since all of those organizations, or their successors, are the reserve components of the uniformed services. The words “who is not entitled to basic pay under section 204 of this title” are substituted for section 301(e) as (applicable to basic pay) of existing title 37. The words “of a corresponding grade” are inserted for clarity.

In subsection (b), the words “National Guard or reserve components” are substituted for the listing of organizations for the reasons set forth above. Reference to “classes of organization,” so far as they relate to the National Guard, are omitted, since there are no classes of organization of the National Guard.

(b) For purposes of this paragraph, the years of service of a member as an air weapons controller shall be computed, under regulations prescribed by the Secretary concerned, from the date the member begins training leading to a designation as an air weapons controller, but there shall be excluded from such computation any period of more than 90 days during which the member performs primary duties other than as an air weapons controller.

(d)(1) In time of war, the President may suspend the payment of incentive pay for any hazardous duty described in subsection (a).

(2) A member is entitled to not more than two payments of incentive pay, authorized by this
section, for a period of time during which he qualifies for more than one payment of that pay.

(e) A member of a uniformed service who is entitled to basic pay may be paid incentive pay under this subsection, at a monthly rate not to exceed $150, for any month during which the member performs duty involving regular participation as a firefighting crew member, as determined by the Secretary concerned.

(f)(1) Under regulations prescribed by the President and to the extent provided for by appropriations, when a member of a reserve component of a uniformed service, or of the National Guard, who is entitled to compensation under section 206 of this title, performs, under orders, any duty described in subsection (a) for members entitled to basic pay, he is entitled to an increase in compensation equal to 1/30 of the monthly incentive pay authorized by subsection (b) or (c), as the case may be, for the performance of that hazardous duty by a member of a corresponding grade who is entitled to basic pay. He is entitled to the increase for as long as he is qualified for it, for each regular period of instruction, or period of appropriate duty, at which he is engaged for at least two hours, including that performed on a Sunday or holiday, or for the performance of such other equivalent training, instruction, duty, or appropriate duties, as the Secretary may prescribe under section 206(a) of this title. This subsection does not apply to a member who is entitled to basic pay under section 204 of this title for the entire month.

(2)(A) If in any calendar month a member performs duty as described in paragraph (1) and while entitled to basic pay also performs hazardous duty as described in the same paragraph of subsection (a) as constitutes the predicate for his entitlement under paragraph (1), the earned units of measuring entitlement for incentive pay under this section shall be combined. If the sum of units determined under the preceding sentence equals or exceeds the minimum standard prescribed by the President for entitlement to pay specified under subsections (b) and (c) for a member of corresponding grade who is entitled to basic pay for the entire relevant month, the member shall be entitled to an increase in compensation equal to 1/30 of the monthly incentive pay authorized by subsection (b) or (c) for the performance of that hazardous duty by a member of corresponding grade who is entitled to basic pay for the entire month.

(B) A member who qualifies for entitlement under this paragraph is entitled to the increase for each day in the relevant month in which he is entitled to basic pay pursuant to section 204 of this title or to compensation under section 206 of this title.

(C) In this paragraph, the term ‘units’ means the significant increments of performance prescribed as qualifying standards in regulations promulgated by the President pursuant to this section.

In subsection (b), the words preceding the tables are substituted for section 235(b) (words preceding tables) of existing title 37. The words ‘‘Years of service computed under section 200’’ are inserted in the tables for clarity.

In subsection (f), the words ‘‘a member of a reserve component of a uniformed service, or of the National Guard’’ are substituted for the enumeration of the organizations concerned in section 301(d) of existing title 37. The words ‘‘when . . . performs, under orders, any duty described in subsection (a) (1) for members entitled to basic pay’’ are substituted for the words ‘‘when required by competent orders to perform any hazardous duty prescribed by or pursuant to section 235 of this title for members of the uniformed services entitled to receive basic pay and when in consequence of such orders they do perform any hazardous duty so prescribed’’. In subsection (g), the words ‘‘entitled to incentive pay under section 301(a)(1) of this title’’ are substituted
for the words “flight pay”. At the time of the enactment of the source statute, additional pay was authorized as “flight pay”. However, the Career Compensation Act of 1949 did not authorize “flight pay” but provided incentive pay in section 204(a)(1) [now section 301(a)(1) of this revised title] for “duty as a crew member . . . involving frequent and regular participation in aerial flight”. The words “before January 2 of each year” are substituted for the words “On or before January 1, annually”. The word “grade” is substituted for the word “rank” to conform to the definition in section 101(15) of this revised title.

(a) Special Pay Authorized.—The Secretary of the military department concerned may pay monthly special pay to any member of the Army, Navy, Air Force, or Marine Corps (including a member of a reserve component thereof) for any month, or portion of a month, in which the member serves on active duty in the Armed Forces, or has the member’s eligibility for retirement from the Armed Forces suspended, as described in subsection (b).

(b) Eligibility Requirements.—A member of the Armed Forces referred to in subsection (a) is eligible to receive special pay under this section if the member, at any time during the period beginning on October 1, 2009, and ending on June 30, 2011, serves on active duty while the member’s enlistment or period of obligated service is extended, or has the member’s eligibility for retirement suspended, pursuant to section 123 or 12305 of title 10, United States Code, or any other provision of law (commonly referred to as a ‘stop-loss authority’) that authorizes the President to extend an enlistment or period of obligated service, or suspend eligibility for retirement, of a member of the Armed Forces in time of war or national emergency declared by Congress or the President.

(c) Amount.—The amount of monthly special pay payable to a member under this section for a month may not exceed $500.

(d) Construction With Other Pays.—Monthly special pay payable to a member under this section is in addition to any other amounts payable to the member by law.

Transitional Provisions

(a) Implementation Plan.—

(1) Development.—The Secretary of Defense shall develop a plan to implement subchapters II and III of chapter 5 of title 37, United States Code, as added by section 661(a), and to correspondingly transition all of the special and incentive pay programs for members of the uniformed services solely to provisions of such subchapters.

(2) Submission.—Not later than one year after the date of the enactment of this Act [Jan. 28, 2008], the Secretary shall submit the implementation plan to the congressional defense committees (Committees on Armed Services and Appropriations of the Senate and the House of Representatives).

(b) Transitional Period.—During a transitional period of not more than 10 years beginning on the date of the enactment of this Act [Jan. 28, 2008], the Secretary of Defense, the Secretaries of a military department, and the Secretaries referred to in subsection (d) may continue to use the authorities in subchapter I of chapter 5 of title 37, United States Code, as designated by section 661(a), but subject to the terms of such provisions and such modifications as the Secretary may include in the implementation plan, to provide bonuses and special and incentive pays for members of the uniformed services.

(c) Notice of Implementation of New Authorities.—Not less than 30 days before the date on which a special pay or bonus authority provided under subchapter II of chapter 5 of title 37, United States Code, as added by section 661(a), is first utilized, the Secretary of Defense shall submit to the congressional defense committees a notice of the implementation of the authority, including whether, as a result of implementation of the authority, a corresponding authority in subchapter I of such chapter, as designated by section 661(a), will no longer be used.

(d) Coordination.—The Secretary of Defense shall prepare the implementation plan in coordination with—

(1) the Secretary of Homeland Security, with respect to the Coast Guard; (2) the Secretary of Health and Human Services, with respect to the commissioned corps of the Public Health Service; and

(3) the Secretary of Commerce, with respect to the National Oceanic and Atmospheric Administration.

(e) No Effect on Fiscal Year 2008 Obligations.—During fiscal year 2008, obligations incurred under subchapters I, II, and III of chapter 5 of title 37, United States Code, as amended by section 661, to provide bonuses, incentive pays, special pays, and similar payments to members of the uniformed services under such subchapters may not exceed the obligations that would be incurred in the absence of the amendments made by such section.

Retention Incentives Initiative for Critically Short Military Occupational Specialties

(a) Requirement for New Incentives.—The Secretary of Defense shall establish and provide for members of the Armed Forces qualified in critically short military occupational specialties a series of new incentives that the Secretary considers potentially effective for increasing the rates at which those members are retained in the Armed Forces for service in such specialties.

(b) Critically Short Military Occupational Specialties.—For the purposes of this section, a military occupational specialty is a critically short military occupational specialty for an Armed Force if the number of members retained in that Armed Force in fiscal year 1998 for service in that specialty is less than 50 percent of the number of members of that Armed Force that were projected to be retained in that Armed Force for service in the specialty by the Secretary of the military department concerned as of October 1, 1997.

(c) Incentives.—It is the sense of Congress that, among the new incentives established and provided under this section, the Secretary of Defense should include the following incentives:

(1) Family support and leave allowances;

(2) Increased special reenlistment or retention bonuses;

(3) Repayment of educational loans;

(4) Priority of selection for assignment to preferred permanent duty station or for extension at permanent duty station;

(5) Modified leave policies;

(6) Special consideration for Government housing or additional housing allowances.

(d) Relationship to Other Incentives.—Incentives provided under this section are in addition to any special pay or other benefit that is authorized under any other provision of law.

(e) Reports.—(1) Not later than December 1, 1998, the Secretary of Defense shall submit to the congressional defense committees [Committees on Armed
Services and Appropriations of the Senate and the House of Representatives] a report that identifies, for each of the Armed Forces, the critically short military occupational specialties to which incentives under this section are to apply.

"(2) Not later than April 15, 1999, the Secretary of Defense shall submit to the congressional defense committees a report that specifies, for each of the Armed Forces, the incentives that are to be provided under this section."

TITLE 37—PAY AND ALLOWANCES OF THE UNIFORMED SERVICES

basis, and (C) meets the requirements of paragraph (3), is entitled to continuous monthly submarine duty incentive pay in the amount prescribed pursuant to subsection (b).

(2) Subject to regulations prescribed by the President, a member of the naval service who is entitled to basic pay but is not entitled to continuous monthly submarine duty incentive pay under paragraph (1) is entitled to submarine duty incentive pay in the amount prescribed pursuant to subsection (b) for any period during which such member performs frequent and regular operational submarine duty (as defined in paragraph (5)) required by orders.

(3) To be entitled to continuous monthly submarine duty incentive pay through 26 years of service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer), a member must perform operational submarine duties for at least 6 of the first 12, and at least 10 of the first 18, years of his submarine service. However, if a member performs the prescribed operational submarine duties for at least 8 but less than 10 of the first 18 years of his submarine service, he is entitled to continuous monthly submarine duty incentive pay for the first 22 years of his service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer).

(4) If upon completion of either 12 or 18 years of submarine service it is determined that a member has failed to perform the minimum prescribed operational submarine duty requirements during the prescribed periods of time, his entitlement to continuous monthly submarine duty incentive pay ceases. If entitlement to continuous monthly submarine duty incentive pay ceases upon completion of 12 years of submarine service, entitlement to that pay may again commence upon completion of 18 years of submarine service if the minimum operational submarine duty requirements have been met, and such pay shall continue for the period of time prescribed in accordance with this section. However, if entitlement to continuous monthly submarine duty incentive pay ceases in the case of any member at the completion of either 12 or 18 years of submarine service or 26 years of service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer), such member shall be entitled to that pay in the amount prescribed pursuant to subsection (b) for the performance of subsequent operational submarine duty, or for the performance of service as a member of a submarine operational command staff, if such member’s duties require serving on a submarine during underway operations.

(5) In this section:

(A) The term “operational submarine duty” means duty—

(1) while attached under competent orders to a submarine, while serving as an operator or crew member of an operational submersible (including an undersea exploration or research vehicle), while undergoing training preliminary to assignment to a nuclear-powered submarine, while undergoing rehabilitation after assignment to a nuclear-powered submarine, or, in the case of a member qualified in submarines, while attached as a member of a submarine operational command staff whose duties require serving on a submarine during underway operations—

(I) during one calendar month: 48 hours, except that hours served underway in excess of 48 as a member of a submarine operational command staff during any of the immediately preceding five calendar months and not already used to qualify for incentive pay may be applied to satisfy the underway time requirements for the current month;

(II) during any two consecutive calendar months when the requirements of subclause (I) of this clause have not been met: 96 hours; or

(III) during any three consecutive calendar months when the requirements of subclause (II) of this clause have not been met: 144 hours;

(ii) while receiving instruction to prepare for assignment to a submarine of advanced design, or

(iii) while receiving instruction to prepare for a position of increased responsibility on a submarine.

(B) The term “submarine service” means the service performed, under regulations prescribed by the Secretary of the Navy, by a member, and the years of submarine service are computed beginning with the effective date of the initial order to perform submarine service.

(b) MONTHLY RATES.—The Secretary of the Navy shall prescribe the monthly rates of submarine duty incentive pay, except that the maximum monthly rate may not exceed $1,000.

(c) EXCEPTIONS.—(1) An officer who fails of selection for assignment as an executive officer or commanding officer of a submarine or who declines to serve in either such position may not be paid submarine duty incentive pay except for periods during which the officer is serving on a submarine during underway operations.

(2) An enlisted member may not be paid continuous submarine duty incentive pay while serving ashore between submarine sea duty assignments unless the member has a sufficient period of enlistment (including any extension of an enlistment) remaining to be reassigned to submarine sea duty.

(d) APPLICABILITY TO CERTAIN NAVY RESERVE DUTY.—Under regulations prescribed by the President and to the extent provided for by appropriations, when a member of the Navy Reserve who is entitled to compensation under section 206 of this title, performs, under orders, duty on a submarine during underway operations, he is eligible for an increase in such compensation equal to one-thirtieth of the monthly incentive pay prescribed pursuant to subsection (b) for the performance of that duty by a member of a corresponding grade and years of service who is entitled to basic pay. Such a member is
eligible for the increase for each day served, for as long as he is qualified for it, during each regular period of appropriate duty.

In subsection (b), the words "Appropriation of" are substituted for the words "of the funds appropriated to" The words "may not be paid" are substituted for the words "no part . . . shall be available for the payment" The words "member of a uniformed service" are substituted for the words "person in the military service" to conform to subsection (a). (F) SPECIAL RULE FOR MEMBERS WHO RECEIVE SOLE SURVIVORSHIP DISCHARGE.—(A) If a member of the uniformed services receives a sole survivorship discharge, the Secretary concerned—

(i) shall not require repayment by the member of the unearned portion of any bonus, incentive pay, or similar benefit previously paid to the member; and

(ii) may grant an exception to the requirement to terminate the payment of any unpaid amounts of a bonus, incentive pay, or similar benefit if the Secretary concerned determines that termination of the payment of the unpaid amounts would be contrary to a personnel policy or management objective, would be against equity and good conscience, or would be contrary to the best interests of the United States.

(B) In this paragraph, the term “sole survivorship discharge” means the separation of a member from the Armed Forces, at the request of the member, pursuant to the Department of Defense policy permitting the early separation of a member who is the only surviving child in a family in which—

(i) the father or mother or one or more siblings—

(I) served in the Armed Forces; and

(ii) the death, status, or disability did not result from the intentional misconduct or willful neglect of the parent or sibling and was not incurred during a period of unauthorized absence.

(c) EFFECT OF BANKRUPTCY.—An obligation to repay the United States under this section is, for all purposes, a debt owed the United States. A discharge in bankruptcy under title 11 does not discharge a person from such debt if the discharge order is entered less than five years after—

(1) the date of the termination of the agreement or contract on which the debt is based; or

(2) in the absence of such an agreement or contract, the date of the termination of the service on which the debt is based.

(d) DEFINITIONS.—In this section:

(1) The term “bonus, incentive pay, or similar benefit” means a bonus, incentive pay, special pay, or similar payment, or an educational benefit or stipend, paid to a member of the uniformed services under a provision of law that refers to the repayment requirements of this section or section 303a(e) of this title.

(2) The term “service”, as used in subsection (c)(2), refers to an obligation willingly undertaken by a member of the uniformed services, in exchange for a bonus, incentive pay, or similar benefit offered by the Secretary concerned—

(A) to a member in a regular or reserve component who remains on active duty or in an active status;

L. 96–343, § 7, Sept. 8, 1980, 94 Stat. 1128, provided that: “Effective September 1, 1980, the rates of basic allowance for subsistence authorized by section 402 of title 37, United States Code, as in effect on the day before the date of the enactment of this Act (Sept. 8, 1980) (as prescribed by the President under section 1009 of such title), are increased by 10 percent.”

**Regulations Relating to Subsistence Allowance**

Regulations relating to basic allowance for subsistence, see Ex. Ord. No. 11157, June 22, 1964, 29 F.R. 7973,
§ 402a. Supplemental subsistence allowance for low-income members with dependents

(a) Supplemental Allowance Required.—(1) The Secretary concerned shall increase the basic allowance for subsistence to which a member of the armed services described in subsection (b) is otherwise entitled under section 402 of this title by an amount (in this section referred to as the “supplemental subsistence allowance”) designed to remove the member’s household from eligibility for benefits under the supplemental nutrition assistance program.

(2) The supplemental subsistence allowance may not exceed $1,100 per month. In establishing the amount of the supplemental subsistence allowance to be paid an eligible member under this paragraph, the Secretary shall take into consideration the amount of the basic allowance for housing that the member receives under section 403 of this title or would otherwise receive under such section, in the case of a member who is not entitled to that allowance as a result of assignment to quarters of the United States or a housing facility under the jurisdiction of a uniformed service.

(3) In the case of a member described in subsection (b) who establishes to the satisfaction of the Secretary concerned that the allotment of the member’s household under the supplemental nutrition assistance program, calculated in the absence of the supplemental subsistence allowance, would exceed the amount established by the Secretary concerned under paragraph (2), the amount of the supplemental subsistence allowance for the member shall be equal to the lesser of the following:

(A) The value of that allotment.

(B) $1,100.

(b) Members Entitled to Allowance.—(1) Subject to subsection (d), a member of the armed forces with dependents is entitled to receive the supplemental subsistence allowance if the Secretary concerned determines that the member’s income, together with the income of the rest of the member’s household (if any), is within the highest income standard of eligibility, as then in effect under section 5(c) of the Food and Nutrition Act of 2008 (7 U.S.C. 2014(c)) and without regard to paragraph (1) of such section, for participation in the supplemental nutrition assistance program.

(2) In determining whether a member meets the eligibility criteria under paragraph (1), the Secretary concerned shall take into consideration the amount of the basic allowance for housing that the member receives under section 403 of this title or would otherwise receive under such section, in the case of a member who is not entitled to that allowance as a result of assignment to quarters of the United States or a housing facility under the jurisdiction of a uniformed service.

(3) In determining whether a member meets the eligibility criteria under paragraph (1), the Secretary concerned shall not take into consideration—

(A) the amount of the supplemental subsistence allowance that is payable under this section;

(B) the amount of any special pay that is payable to the member under section 310 of this title, relating to duty subject to hostile fire or imminent danger; or

(C) the amount of any family separation allowance that is payable to the member under section 227 of this title.

(c) Application for Allowance.—To request the supplemental subsistence allowance, a member shall submit the application to the Secretary concerned in such form and containing such information as the Secretary concerned may prescribe. A member applying for the supplemental subsistence allowance shall furnish such evidence regarding the member’s satisfaction of the eligibility criteria under subsection (b) as the Secretary concerned may require.

(d) Effective Period.—The entitlement of a member to receive the supplemental subsistence allowance terminates upon the occurrence of any of the following events, even though the member continues to meet the eligibility criteria described in subsection (b):

(1) Payment of the supplemental subsistence allowance for 12 consecutive months.

(2) Promotion of the member to a higher grade.

(3) Transfer of the member in a permanent change of station.

(e) Reapplication.—Upon the termination of the effective period of the supplemental subsistence allowance for a member, or in anticipation of the imminent termination of the allowance, a member may reapply for the allowance under subsection (c), and the Secretary concerned shall approve the application and resume payment of the allowance to the member, if the member continues to meet, or once again meets, the eligibility criteria described in subsection (b).

(f) Eligibility for Other Federal Assistance.—(1) A child or spouse of a member of the armed forces receiving the supplemental subsistence allowance under this section who, except on account of the receipt of such allowance, would be eligible to receive a benefit described in paragraph (2) shall be considered to be eligible for that benefit notwithstanding the receipt of such allowance.

(2) The benefits referred to in paragraph (1) are as follows:

(A) Assistance provided under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.).

(B) Assistance provided under the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.).

(C) A service provided under the Head Start Act (42 U.S.C. 9831 et seq.).
(D) Assistance under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858 et seq.).

(3) A household that includes a member of the armed forces receiving the supplemental subsistence allowance under this section and that, except on account of the receipt of such allowance, would be eligible to receive a benefit under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) shall be considered to be eligible for that benefit notwithstanding the receipt of such allowance.

(g) Definitions.—In this section:

(1) The term “Secretary concerned” means—
(A) the Secretary of Defense; and
(B) the Secretary of Homeland Security, with respect to the Coast Guard when it is not operating as a service in the Navy.

(2) The terms “allotment” and “household” have the meanings given those terms in section 3 of the Food and Nutrition Act of 2008 (7 U.S.C. 2012).

Effective Date of 2009 Amendment

shall prescribe the rates of the basic allowance for housing that are applicable for the various military housing areas in the United States. The rates for an area shall be based on the costs of adequate housing determined for the area under paragraph (2). (2) The Secretary of Defense shall determine the costs of adequate housing in a military housing area in the United States for all members of the uniformed services entitled to a basic allowance for housing in that area. The Secretary shall base the determination upon the costs of adequate housing for civilians with comparable income levels in the same area. After June 30, 2001, the Secretary may not differentiate between members with dependents in pay grades E–1 through E–4 in determining what constitutes adequate housing for members. (3) The total amount that may be paid for a fiscal year for the basic allowance for housing under this subsection may not be less than the product of— (A) the total amount authorized to be paid for such allowance for the preceding fiscal year; and (B) a fraction— (i) the numerator of which is the index of the national average monthly cost of housing for June of the preceding fiscal year; and (ii) the denominator of which is the index of the national average monthly cost of housing for June of the second preceding fiscal year. (4) An adjustment in the rates of the basic allowance for housing under this subsection as a result of the Secretary’s redetermination of housing costs in an area shall take effect on the same date as the effective date of the next increase in basic pay under section 1009 of this title or other provision of law. (5) On and after July 1, 2001, the Secretary of Defense shall establish a single monthly rate for members of the uniformed services with dependents in pay grades E–1 through E–4 in the same military housing area. The rate shall be consistent with the rates paid to members in pay grades other than pay grades E–1 through E–4 and shall be based on the following: (A) The average cost of a two-bedroom apartment in that military housing area. (B) One-half of the difference between the average cost of a two-bedroom townhouse in that area and the amount determined in subparagraph (A). (6) So long as a member of a uniformed service retains uninterrupted eligibility to receive a basic allowance for housing within an area of the United States, the monthly amount of the allowance for the member may not be reduced as a result of changes in housing costs in the area or the promotion of the member. (7)(A) Under the authority of this paragraph, the Secretary of Defense may prescribe a temporary increase in the rates of basic allowance for housing otherwise prescribed for a military housing area or a portion of a military housing area if the military housing area or portion thereof— (i) is located in an area covered by a declaration by the President under section 401 of the
§ 403  TITLE 37—PAY AND ALLOWANCES OF THE UNIFORMED SERVICES

Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170) that a major disaster exists; or

(ii) contains one or more military installations that are experiencing a sudden increase in the number of members of the armed forces assigned to the installation.

(B) The Secretary of Defense shall base the amount of the increase to be made in the rates of basic allowance for housing for an area on a determination by the Secretary of the amount by which the costs of adequate housing for civilians have increased in the area by reason of the disaster or the influx of military personnel, except that the increase may not exceed the amount equal to 20 percent of the rate of basic allowance for housing otherwise prescribed for the area.

(C) A member may be paid a basic allowance for housing at a rate increased under this paragraph only if the member certifies to the Secretary concerned that the member has incurred increased housing costs in the area by reason of the disaster or the influx of military personnel.

(D) Subject to subparagraph (E), an increase in the rates of basic allowance for housing in an area under this paragraph shall remain in effect until the effective date of the first adjustment in rates of basic allowance for housing made for the area pursuant to a redetermination of housing costs in the area under this subsection that occurs after the date of the increase under this paragraph.

(E) An increase in the rates of basic allowance for housing for an area may not be prescribed under this paragraph or continue after December 31, 2012.

(c) Basic Allowance for Housing Outside the United States.—(1) The Secretary of Defense may prescribe an overseas basic allowance for housing for a member of a uniformed service who is on duty outside of the United States. The Secretary shall establish the basic allowance for housing under this subsection on the basis of housing costs in the overseas area in which the member is assigned.

(2) So long as a member of a uniformed service retains uninterrupted eligibility to receive a basic allowance for housing in an overseas area and the actual monthly cost of housing for the member is not reduced, the monthly amount of the allowance in an area outside the United States may not be reduced as a result of changes in housing costs in the area or the promotion of the member. The monthly amount of the allowance may be adjusted to reflect changes in currency rates.

(3) (A) In the case of a member of the uniformed services authorized to receive an allowance under paragraph (1), the Secretary concerned may make a lump-sum payment to the member for required deposits and advance rent, and for expenses relating thereto, that are—

(i) incurred by the member in occupying private housing outside of the United States; and

(ii) authorized or approved under regulations prescribed by the Secretary concerned.

(B) Expenses for which a member may be reimbursed under this paragraph may include losses relating to housing that are sustained by the member as a result of fluctuations in the relative value of the currencies of the United States and the foreign country in which the housing is located.

(C) The Secretary concerned shall recoup the full amount of any deposit or advance rent payments made by the Secretary under subparagraph (A), including any gain resulting from currency fluctuations between the time of payment and the time of recoupment.

(d) Basic Allowance for Housing When Dependents Do Not Accompany Member.—(1) A member of a uniformed service with dependents who is on permanent duty at a location described in paragraph (2) may be paid a family separation basic allowance for housing under this subsection at a monthly rate equal to the rate of the basic allowance for housing established under subsection (b) or the overseas basic allowance for housing established under subsection (c), whichever applies to that location, for members in the same grade at that location without dependents.

(2) A permanent duty location referred to in paragraph (1) is a location—

(A) to which the movement of the member's dependents is not authorized at the expense of the United States under section 476 of this title, and the member's dependents do not reside at or near the location; and

(B) at which quarters of the United States are not available for assignment to the member.

(3) If a member with dependents is assigned to duty in an area that is different from the area in which the member's dependents reside, the member is entitled to a basic allowance for housing as provided in subsection (b) or (c), whichever applies to the member, subject to the following:

(A) If the member's assignment to duty in that area, or the circumstances of that assignment, require the member's dependents to reside in a different area, as determined by the Secretary concerned, the amount of the basic allowance for housing for the member shall be based on the area in which the dependents reside or the member's last duty station, whichever the Secretary concerned determines to be most equitable.

(B) If the member's assignment to duty in that area is under the conditions of a low-cost or no-cost permanent change of station or permanent change of assignment, the amount of the basic allowance for housing for the member shall be based on the member's last duty station if the Secretary concerned determines that it would be inequitable to base the allowance on the cost of housing in the area to which the member is reassigned.

(C) If the member is reassigned for a permanent change of station or permanent change of assignment from a duty station in the United States to another duty station in the United States for a period of not more than one year for the purpose of participating in professional military education or training classes, the amount of the basic allowance for housing for
the member may be based on whichever of the
following areas the Secretary concerned deter-
mines will provide the more equitable basis for
the allowance:

(i) The area of the duty station to which
the member is reassigned.

(ii) The area in which the dependents re-
side, but only if the dependents reside in
that area when the member departs for the
duty station to which the member is reas-
signed and only for the period during which
the dependents reside in that area.

(iii) The area of the former duty station of
the member, if different than the area in
which the dependents reside.

(4) A family separation basic allowance for
housing paid to a member under this subsection
is in addition to any other allowance or per
diem that the member receives under this title.
A member may receive a basic allowance for
housing under both paragraphs (1) and (3).

(e) EFFECT OF ASSIGNMENT TO QUARTERS.—(1)
Except as otherwise provided by law, a member of
a uniformed service who is assigned to quar-
ters of the United States or a housing facility
under the jurisdiction of a uniformed service ap-
propriate to the grade, rank, or rating of the
member and adequate for the member and de-
pendents of the member, if with dependents, is
not entitled to a basic allowance for housing.

(2) A member without dependents who is in
a pay grade above pay grade E–6 and who is as-
signed to quarters of the United States or a
housing facility under the jurisdiction of a uni-
formed service, appropriate to the grade or rank
of the member and adequate for the member,
may elect not to occupy those quarters and in-
stead to receive the basic allowance for housing
prescribed for the member’s pay grade by this
section.

(3) A member without dependents who is in
pay grade E–6 and who is assigned to quarters of
the United States that do not meet the mini-
mum adequacy standards established by the
Secretary of Defense for members in such pay
grade, or to a housing facility under the juris-
diction of a uniformed service that does not
meet such standards, may elect not to occupy
such quarters or facility and instead to receive
the basic allowance for housing prescribed for
the member’s pay grade under this section.

(4) The Secretary concerned may deny the
right to make an election under paragraph (2) or
(3) if the Secretary determines that the exercise
of such an election would adversely affect a
training mission, military discipline, or mili-
tary readiness.

(5) A member with dependents who is assigned
to quarters of the United States or a housing fa-
cility under the jurisdiction of a uniformed ser-
tice may be paid the basic allowance for housing
if, because of orders of competent authority, the
dependents are prevented from occupying those
quarters.

(f) ELIGIBILITY DURING INITIAL FIELD DUTY
OR SEA DUTY.—(1) A member of a uniformed
service without dependents who makes a perma-
nent change of station for assignment to a unit
conducting field operations is not entitled to a
basic allowance for housing while on that initial
field duty unless the commanding officer of the
member certifies that the member was nec-
essarily required to procure quarters at the
member’s expense.

(2)(A) Except as provided in subparagraphs (B)
and (C), a member of a uniformed service with-
out dependents who is in a pay grade below pay
grade E–6 is not entitled to a basic allowance for
housing while the member is on sea duty.

(B) Under regulations prescribed by the Sec-
retary concerned, the Secretary may authorize
the payment of a basic allowance for housing to
a member of a uniformed service without de-
pendents who is serving in pay grade E–4 or E–5
and is assigned to sea duty. In prescribing regu-
lations under this subparagraph, the Secretary
concerned shall consider the availability of
quarters for members serving in pay grades E–4
and E–5.

(C) Notwithstanding section 421 of this title,
two members of the uniformed services in a pay
grade below pay grade E–6 who are married to
each other, have no other dependents, and are si-
multaneously assigned to sea duty are each en-
titled to a basic allowance for housing during
the period of such simultaneous sea duty. The
amount of the allowance payable to a member
under the preceding sentence shall be based on
the without dependents rate for the pay grade of
the member.

(3) The Secretary of Defense, and the Sec-
retary of Homeland Security with respect to the
Coast Guard when it is not operating as a ser-
vice in the Department of the Navy, shall pre-
scribe regulations defining the terms “field
duty” and “sea duty” for purposes of this sec-
tion.

(g) RESERVE MEMBERS.—(1) A member of a re-
serve component without dependents who is
called or ordered to active duty to attend acces-
sion training, in support of a contingency oper-
ation, or for a period of more than 30 days, or a
retired member without dependents who is or-
dered to active duty under section 688(a) of title
10 in support of a contingency operation or for a
period of more than 30 days, may not be denied
a basic allowance for housing if, because of that
call or order, the member is unable to continue
to occupy a residence—

(A) which is maintained as the primary resi-
dence of the member at the time of the call or
order; and

(B) which is owned by the member or for
which the member is responsible for rental
payments.

(2) The Secretary concerned may provide a
basic allowance for housing to a member de-
scribed in paragraph (1) at a monthly rate equal
to the rate of the basic allowance for housing es-

dubbed under subsection (b) or the overseas
basic allowance for housing established under
subsection (c), whichever applies to the location
at which the member is serving, for members in
the same grade at that location without depend-
ents. The member may receive both a basic al-

owance for housing under paragraph (1) and
under this paragraph for the same month, but
may not receive the portion of the allowance au-
Authorized under section 474 of this title, if any, for lodging expenses if a basic allowance for housing is provided under this paragraph.

(3) Paragraphs (1) and (2) shall not apply if the member is authorized transportation of household goods under section 476 of this title as part of the call or order to active duty described in such paragraph.

(4) The rate of basic allowance for housing to be paid to the following members of a reserve component shall be equal to the rate in effect for similarly situated members of a regular component of the uniformed services:

(A) A member who is called or ordered to active duty for a period of more than 30 days.

(B) A member who is called or ordered to active duty for a period of 30 days or less in support of a contingency operation.

(5) The Secretary of Defense shall establish a rate of basic allowance for housing to be paid to a member of a reserve component while the member serves on active duty under a call or order to active duty specifying a period of 30 days or less, unless the call or order to active duty is in support of a contingency operation.

(6) The Secretary concerned may make such determinations as may be necessary to administer this section, including determinations of dependency and relationship. When warranted by the circumstances, the Secretary concerned may reconsider and change or modify any such determination. The authority of the Secretary concerned under this subsection may be delegated. Any determination made under this section with regard to a member of the uniformed services is final and is not subject to review by any court, unless there is fraud or gross negligence.

(3) Parking facilities (including utility connections) provided members of the uniformed services for house trailers and mobile homes not owned by the Government shall not be considered to be quarters for the purposes of this section or any other provision of law. Any fees established by the Government for the use of such a facility shall be established in an amount sufficient to cover the cost of maintenance, services, and utilities and to amortize the cost of construction of the facility over the 25-year period beginning with the completion of such construction.

(l) **TEMPORARY CONTINUATION OF ALLOWANCE FOR DEPENDENTS OF MEMBERS DYING ON ACTIVE DUTY**.—(1) The Secretary of Defense, or the Secretary of Homeland Security in the case of the Coast Guard when not operating as a service in the Navy, may allow the dependents of a member of the armed forces who dies on active duty and whose dependents are occupying family housing provided by the Department of Defense, or by the Department of Homeland Security in the case of the Coast Guard, other than on a rental basis on the date of the member’s death to continue to occupy such housing without charge for a period of 365 days.

(2) The Secretary concerned may pay a basic allowance for housing (at the rate that is payable for members of the same grade and dependents of a member of a uniformed service with dependents)—

(A) are not occupying a housing facility under the jurisdiction of a uniformed service on the date of the member’s death;

(B) are occupying such housing on a rental basis on such date; or

(C) vacate such housing sooner than 365 days after the date of the member’s death.

(3) An allowance may be paid under paragraph (2) to the spouse of the deceased member even though the spouse is also a member of the uniformed services who dies while on active duty and whose dependents—

(A) are not occupying a housing facility under the jurisdiction of a uniformed service on the date of the member’s death;

(B) are occupying such housing on a rental basis on such date; or

(C) vacate such housing sooner than 365 days after the date of the member’s death.

(4) The payment of the allowance under paragraph (2) shall terminate 365 days after the date of the member’s death.

(m) **MEMBERS PAYING CHILD SUPPORT**.—(1) A member of a uniformed service with dependents may not be paid a basic allowance for housing at the with dependents rate solely by reason of the payment of child support by the member if—

(A) the member is assigned to a housing facility under the jurisdiction of a uniformed service; or

(B) the member is assigned to sea duty, and elects not to occupy assigned quarters for un-
accompanied personnel, unless the member is in a pay grade above E–3.

(2) A member of a uniformed service assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service who is not otherwise authorized a basic allowance for housing and who pays child support is entitled to the basic allowance for housing differential, except for months for which the amount payable for the child support is less than the rate of the differential. Payment of a basic allowance for housing differential does not affect any entitlement of the member to a partial allowance for quarters under subsection (n).

(3) The basic allowance for housing differential to which a member is entitled under paragraph (2) is the amount equal to the difference between—

(A) the rate of the basic allowance for quarters (with dependents) for the member's pay grade, as such rate was in effect on December 31, 1997, under this section (as in effect on that date); and

(B) the rate of the basic allowance for quarters (without dependents) for the member's pay grade, as such rate was in effect on December 31, 1997, under this section (as in effect on that date).

(4) Whenever the rates of basic pay for members of the uniformed services are increased, the monthly amount of the basic allowance for housing differential computed under paragraph (3) shall be increased by the average percentage increase in the rates of basic pay. The effective date of the increase shall be the same date as the effective date of the increase in the rates of basic pay.

(5) In the case of two members, who have one or more common dependents (and no others), who are not married to each other, and one of whom pays child support to the other, the amount payable for the child support is less than the rate of the basic allowance for quarters. Payment of a basic allowance for housing differential does not affect any entitlement of the member to a partial allowance for quarters under subsection (n), by the Secretary of Defense under paragraph (2).

(d) THE BASIC ALLOWANCE FOR HOUSING—

(1) A member of a uniformed service without dependents who is not entitled to receive a basic allowance for housing under subsection (b), (c), or (d) is entitled to a partial basic allowance for housing at a rate determined by the Secretary of Defense under paragraph (2).

(2) The rate of the partial basic allowance for housing is the partial rate of the basic allowance for housing paid to the member's pay grade, as such rate was in effect on December 31, 1997, under this section (as in effect on that date).

(o) TREATMENT OF LOW-COST AND NO-COST MOVES AS NOT BEING REASSIGNMENTS.—In the case of a member who is assigned to duty at a location or under circumstances that make it necessary for the member to be reassigned under the conditions of low-cost or no-cost permanent change of station or permanent change of assignment, the member may be treated for the purposes of this section as if the member were not reassigned if the Secretary concerned determines that it would be inequitable to base the member's entitlement to, and amount of, a basic allowance for housing on the cost of housing in the area to which the member is reassigned.

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 469(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

(1) upon first reporting for active duty (other than for training) for a period of more than 90 days;

(2) upon completing at least 14 days of active duty as a member of a reserve component;

(3) upon completing 14 periods, each of which was of at least two hours’ duration, of inactive-duty training as a member of the Ready Reserve; or

(1) on active duty or on inactive duty training; and

(2) required by directive of the Surgeon General to wear a uniform.

An officer is not entitled to more than one allowance under this subsection.

HISTORICAL AND REVISION NOTES

In subsection (a), the words “Subject to subsections (b) and (c) of this section,” are inserted for clarity. The words “of an armed force” are inserted, since the source section, as originally enacted, did not apply to the Public Health Service or the Coast and Geodetic Survey. (See section 243 of the Armed Forces Reserve Act of 1952 (66 Stat. 492).) The words “of the Army, or the Air Force, without specification of component” are inserted to reflect the definition of “reserve component” in section 102(k) of the source statute. That definition is executed throughout this revised title. For that reason, the words “but not as a member of the Army without specification of component or the Air Force without specification of component, in section 254(a)(2) of existing title 37,” are omitted, and since those categories are excluded by the words “member of a reserve component.” The words “of a reserve component,” in section 254(a)(3) of existing title 37, are omitted, since the Ready Reserve cannot be in anything other than a reserve component.

In subsection (b), the words “heretofore or hereafter” are omitted as surplusage.

In subsection (c), the words “An officer” are substituted for the words “any individual”, since the revised section applies only to officers.

In subsection (d), the words “who is in pay grade O-1, O-2, or O-3” are substituted for the words “is receiving the pay of the junior assistant, assistant, or senior assistant grade” to reflect current terminology. (See chapter 3 of this revised title.) The last sentence is substituted for section 214 (words following semicolon) of existing title 37, substituted for section 302(f) of the Act of August 7, 1947, cited above.

AMENDMENTS

§ 416. Uniform allowance: officers; additional allowances

(a) In addition to the allowance provided by section 415 of this title, a reserve officer of an armed force, an officer of the Army or the Air Force without specification of component, or a regular officer of an armed force appointed under section 2106 or 2107 of title 10 is entitled to not more than $230 as reimbursement for additional uniforms and equipment required on that duty, for each time that the officer enters on active duty for a period of more than 90 days.

(b) Subsection (a) does not apply to a tour of active duty if:

(1) the officer, during that tour or within a period of two years before entering on that tour, received, under any law, an initial uniform reimbursement or allowance of more than $400; or

(2) the officer enters on that tour two years after completing a period of active duty of more than 90 days' duration.
forms and equipment, upon completion of each period, after July 9, 1952, of four years of service, as prescribed by section 1332(a)(2) of title 10, in an active status in one or more reserve components, including at least 28 days of active duty. However, periods of active duty of more than 90 days may not be included in computing four years of service.

Subsec. (b). Pub. L. 101–189 redesignated first sentence of subsec. (b) as (a) and in remaining provisions of subsec. (b) substituted “Subsection (a) does not apply” for “However, this subsection does not apply”.

SAVE PAY PROVISION

Section 663(b) of Pub. L. 101–189 provided that: “An officer of an armed force who, but for the amendments made by subsection (a) [amending this section], would have become entitled to a uniform reimbursement under section 416(a) of title 37, United States Code, before the end of the one-year period beginning on the date of the enactment of this Act [Nov. 29, 1989] shall be entitled (during such one-year period) to receive such reimbursement under such section as in effect on the day before the date of the enactment of this Act.”

ALLOWANCE FOR SERVICE PRIOR TO OCTOBER 3, 1964

Section 2 of Pub. L. 88–624 provided that: “The amendments made by this Act [amending this section] do not entitle an officer to an allowance for any 4-year period of service completed prior to the effective date of this Act [Oct. 3, 1964].”

§ 417. Uniform allowance: officers; general provisions

(a) Subject to standards, policies, and procedures prescribed by the Secretary of Defense, the Secretary of each military department may prescribe regulations that he considers necessary to carry out sections 415(a)–(c) and 416 of this title within his department’s jurisdiction. The Secretary of Homeland Security, with the concurrence of the Secretary of the Navy, may prescribe regulations that he considers necessary to carry out those sections for the Coast Guard when it is not operating as a service in the Navy. As far as practicable, regulations for all reserve components shall be uniform.

(b) Under regulations approved by the Secretary of Defense, or by the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Navy, and subject to section 415(a)–(c) of this title, a reserve officer of an armed force who has received a uniform and equipment allowance under section 415(a)–(c) or 416 of this title, may if a different uniform is required, be paid a uniform and equipment reimbursement upon transfer to, or appointment in, another reserve component.

(c) For the purposes of sections 415(a)–(c) and 416 of this title and subsections (a) and (b), an officer may count only that duty for which he is required to wear a uniform.

(d)(1) For purposes of sections 415 and 416 of this title, a period for which an officer of an armed force, while employed as a National Guard technician, is required to wear a uniform under section 709(b) of title 32 shall be treated as a period of active duty (other than for training).

(2) A uniform allowance may not be paid, and uniforms may not be furnished, to an officer under section 1332 of title 10 or section 5901 of title 32 for a period of employment referred to in paragraph (1) for which an officer is paid a uniform allowance under section 415 or 416 of this title.

§ 427. Family separation allowance

(a) ENTITLEMENT TO ALLOWANCE.—(1) In addition to any allowance or per diem to which he otherwise may be entitled under this title a member of a uniformed service with dependents is entitled to a monthly allowance equal to $250 if—

(A) the movement of his dependents to his permanent station or a place near that station is not authorized at the expense of the United States under section 476 of this title and his dependents do not reside at or near that station;

(B) he is on duty on board a ship away from the home port of the ship for a continuous period of more than 30 days; or

(C) he is on temporary duty away from his permanent station for a continuous period of more than 30 days and his dependents do not reside at or near his temporary duty station.

(2) A member who becomes entitled to an allowance under this subsection by virtue of duty prescribed in subparagraph (B) or (C) of paragraph (1) for a continuous period of more than 30 days is entitled to the allowance effective as of the earlier of—

(A) the first day of that period; or

(B) the first day the member ceased being entitled to a previous allowance under this subsection by reason of the end of duty prescribed in such subparagraphs, if the member ceased being entitled to the previous allowance within 30 days before the first day of that period.

(b) ENTITLEMENT WHEN NO RESIDENCE OR HOUSEHOLD MAINTAINED FOR DEPENDENTS.—An allowance is payable under subsection (a) even though the member does not maintain for his primary dependents who would otherwise normally reside with him, a residence or household, subject to his management and control, which he is likely to share with them as a common household when his duty assignment permits.

(c) EFFECT OF ELECTION TO SERVE UNACCOMPANIED TOUR OF DUTY.—(1) Except as provided in paragraph (2) or (3), a member who elects to serve a tour of duty unaccompanied by his dependents at a permanent station to which the movement of his dependents is authorized at the expense of the United States under section 476 of this title is not entitled to an allowance under subsection (a)(1)(A).

(3) The Secretary concerned may waive paragraph (1) in situations in which it would be inequitable to deny the allowance to the member because of unusual family or operational circumstances.

(d) ENTITLEMENT WHILE SPOUSE ENTITLED TO BASIC PAY.—(1) A member married to another member of the uniformed services becomes entitled, regardless of any other dependency status, to an allowance under subsection (a) by virtue of
duty prescribed in subparagraph (A), (B), or (C) of paragraph (1) of such subsection if the member was residing together immediately before being separated by reasons of execution of military orders.

(2) If a married couple, both of whom are members of the uniformed services, with dependents are simultaneously assigned to duties described in subparagraph (A), (B), or (C) of subsection (a)(1) and the members resided together with their dependents immediately before their assignments, the Secretary concerned shall pay each of the members the full amount of the monthly allowance specified in such subsection until one of the members is no longer assigned to duties described in such subparagraphs. Upon expiration of the additional allowance, paragraph (1) shall continue to apply to the remaining member so long as the member is assigned to duties described in subparagraph (A), (B), or (C) of such subsection.

(1) immediately before the authorized absence, was performing the temporary duty at a location away from the home or permanent duty station of the member;

(2) was receiving a per diem allowance under section 474(a)(4) of this title to cover lodging and subsistence expenses incurred at the temporary duty location because quarters of the United States were not available for assignment to the member at that location; and

(3) before the end of the authorized absence, returns to the duty location.

(c) Payment Limitation.—The amount paid or reimbursed under subsection (a) for a member may not exceed the lesser of—

(1) the actual daily cost of lodging incurred by the member at the temporary duty location during the authorized absence of the member; and

(2) the lodging portion of the applicable daily per diem rate for the temporary duty location.

(d) Authorized Absence Defined.—In this section, the term "authorized absence", with respect to a member, means that the member is in an authorized leave status or that the absence of the member is otherwise authorized under regulations prescribed by the Secretary concerned.

(e) Termination.—No payment or reimbursement may be provided under this section with respect to an authorized absence that begins after the travel authorities transition expiration date.
§ 475. Travel and transportation allowances: per diem while on duty outside the continental United States

(a) PER DIEM AUTHORIZED.—Without regard to the monetary limitation of this title, the Secretary concerned may pay a per diem to a member of the uniformed services who is on duty outside of the continental United States, whether or not the member is in a travel status. The Secretary may pay the per diem in advance of the accrual of the per diem.

(b) DETERMINATION OF PER DIEM.—In determining the per diem to be paid under this section, the Secretary concerned shall consider all elements of the cost of living to members of the uniformed services under the Secretary’s jurisdiction and their dependents, including the cost of quarters, subsistence, and other necessary incidental expenses. However, dependents may not be considered in determining the per diem allowance for a member in a travel status.

(c) TREATMENT OF HOUSING COST AND ALLOWANCE.—Housing cost and allowance may be disregarded in prescribing a station cost of living allowance under this section.

(d) UNUSUAL OR EXTRAORDINARY EXPENSES.—

(1) The Secretary concerned may reimburse a member of the uniformed services on duty as described in subsection (a) or (e) for an unusual or extraordinary expense incurred by the member incident to such duty that—

(A) is directly related to the conditions or location of the duty or the location of the member’s dependents;

(B) is of a nature or a magnitude not normally incurred by members of the uniformed services on duty inside the continental United States; and

(C) is not included in the per diem determined under subsection (b) as payable to the member under subsection (a) or (e).

(2) Any reimbursement provided to a member under paragraph (1) is in addition to a per diem payable to that member under subsection (a) or (e).

(e) PAYMENT OF ALLOWANCE BASED ON OVERSEAS LOCATION OF DEPENDENTS.—In the case of a member assigned to duty inside the continental United States whose dependents continue to reside outside the continental United States, the Secretary concerned may pay the member a per diem under this section based on the location of the dependents and provide reimbursement under subsection (d) for an unusual or extraordinary expense incurred by the dependents if the Secretary determines that such payment or reimbursement is in the best interest of the member or the member’s dependents and in the best interest of the United States.

(f) TERMINATION.—During and after the travel authorities expiration date, no per diem may be paid under this section for any period.

§ 475a. Travel and transportation allowances: de-
parture allowances

(a) Under regulations prescribed by the Sec-
retaries concerned, when dependents of members
of the uniformed services are authorized or or-
dered to depart by competent authority, they
may be authorized such allowances as the Sec-
retary concerned determines necessary to offset
the expenses incident to the departure. Allow-
ances authorized by this section are in addition
to those authorized by any other section of this
title. Such allowances may be paid in advance.

For the purposes of this section, a dependent
“authorized or ordered to depart by competent
authority” includes—

(1) a dependent who is present at or in the
vicinity of the member’s duty station when
the departure of dependents is authorized or or-
dered by competent authority and who ac-
tually moved to an authorized safe haven des-
ignated by that authority, whether such safe
haven is at or in the vicinity of the member’s
duty station or elsewhere; and

(2) a dependent who resides at or in the
vicinity of a former duty station of the member
following the assignment of the member else-
where or who resides at or in the vicinity of a
duty station (other than the duty station of
the member) incident to orders in connection
with an unaccompanied tour of duty of the

member, if a departure of dependents is authorized or ordered by competent authority from the duty station at which or in the vicinity of which the dependent resides and the dependent actually moves to an authorized safe haven designated by that authority.

(3) A dependent who established a household at or in the vicinity of the member’s duty station but who is temporarily absent therefrom for any reason when departure of dependents is authorized or ordered by competent authority;

(4) A dependent who was authorized to join the member and who departed from his former place of residence incident to joining the member but who, as a result of the departure of dependents, is diverted to a safe haven designated by competent authority or is authorized to travel to a place the dependent may designate, even though he was in the United States when the departure was authorized or ordered.

(b)(1) Under regulations prescribed by the Secretaries concerned, each member whose dependents are covered by subsection (a) is entitled to have one motor vehicle that is owned by the member (or a dependent of the member) and is for the personal use of the member or his dependents, transported at the expense of the United States to a designated place for the use of the dependents. When the dependents are permitted to rejoin the member, the vehicle may be transported at the expense of the United States to his permanent duty station.

(2) If a motor vehicle of a member (or a dependent of the member) that is transported at the expense of the United States under paragraph (1) does not arrive at the authorized destination of the vehicle by the designated delivery date, the Secretary concerned shall reimburse the member for expenses incurred after that date to rent a motor vehicle for the dependent’s use. The amount reimbursed may not exceed $30 per day, and the rental period for which reimbursement may be provided expires after 7 days or on the date on which the delayed vehicle arrives at the authorized destination (whichever occurs first).

(c) During and after the travel authorities expiration date, no allowance under subsection (a) or transportation or reimbursement under subsection (b) may be provided with respect to an authority or order to depart.

§ 476. Travel and transportation allowances: dependents; baggage and household effects

(a)(1) Except as provided in paragraph (2), a member of a uniformed service who is ordered to make a change of permanent station is entitled to transportation in kind, reimbursement therefor, or a monetary allowance in place of the cost of transportation, plus a per diem, for the member's dependents at rates prescribed by the Secretaries concerned, but not more than the rate authorized under section 474(d) of this title. The Secretary concerned may also reimburse the member for mandatory pet quarantine fees for household pets, but not to exceed $550 per change of station, when the member incurs the fees incident to such change of station.

(B) Subject to uniform regulations prescribed by the Secretaries concerned, in the case of a permanent change of station in which the Secretary concerned has authorized transportation of a motor vehicle under section 2634 of title 10 (except when such transportation is authorized from the old duty station to the new duty station), the member is entitled to a monetary allowance for transportation of that motor vehicle—

(i) from the old duty station to—

(I) the customary port of embarkation which is nearest the old duty station if delivery of the motor vehicle to the port of embarkation is not made in conjunction with the member's travel to the member's port of embarkation; or

(II) the customary port of embarkation which is nearest to the member's port of embarkation if delivery of the motor vehicle to the port of embarkation is made in conjunction with the member's travel to the member's port of embarkation;

whichever is most cost-effective for the Government considering all operational, travel, and transportation requirements incident to such change of station; and

(ii) from the customary port of debarkation which has been designated by the Government considering all operational, travel, and transportation requirements incident to such change of station to the new duty station.

Such monetary allowance shall be established at a rate per mile that does not exceed the rate established under section 474(d)(1) of this title. If clause (i)(I) applies to the transportation by the member of a motor vehicle from the old duty station, the monetary allowance under this subparagraph shall also cover travel from the new duty station to the port of debarkation to pick up the vehicle. In the case of the transportation of a motor vehicle arranged by the member under section 2634(h) of title 10, the Secretary concerned may pay the member, upon presentation of proof of shipment, a monetary allowance in lieu of transportation, as established under section 474(d)(1) of this title.

(C) Under regulations prescribed by the Secretary of Defense, the weight allowance in pounds to which a member is entitled under subparagraph (A) is determined in accordance with the following table:

(b)(1)(A) Except as provided in paragraph (2), in connection with a change of temporary or permanent station, a member is entitled to transportation (including packing, crating, drayage, temporary storage, and unpacking) of baggage and household effects within the weight allowances listed in subparagraph (C), without regard to the comparative costs of the various modes of transportation. Temporary storage in excess of 180 days may be authorized. Alternatively, the member may be paid reimbursement or a monetary allowance under subparagraph (F).
(D)(i) In connection with the change of temporary or permanent station of a member in a pay grade below pay grade O-6, the Secretary concerned may authorize a higher weight allowance than the weight allowance determined under subparagraph (C) for the member if the Secretary concerned determines that the application of the weight allowance determined under such subparagraph would result in significant hardship to the member or the dependents of the member. An increase in weight allowance under this clause may not result in a weight allowance exceeding the weight allowance specified in subparagraph (C) for pay grades O-6 to O-10, unless the additional weight allowance in excess of such maximum is intended to permit the shipping of consumables that cannot be reasonably obtained at the new station of the member.

(ii) In addition to the weight allowance authorized for such member with dependents under paragraph (C), the Secretary concerned may authorize up to an additional 500 pounds in weight allowance for shipment of professional books and equipment belonging to the spouse of such member.

(iii) The Secretary of Defense shall prescribe regulations to carry out this subparagraph.

(E) Under regulations prescribed by the Secretary of Defense, or the Secretary of Homeland Security for the Coast Guard when it is not operating as a service in the Navy, cadets at the United States Military Academy, the United States Air Force Academy, and the United States Coast Guard Academy, and midshipmen at the United States Naval Academy shall be entitled, in connection with temporary or permanent station change, to transportation of baggage and household effects as provided in subparagraph (A). The weight allowance for cadets and midshipmen is 350 pounds.

(F) A member entitled to transportation of baggage and household effects under subparagraph (A) may, as an alternative to the provision of transportation, be paid reimbursement or, at the member’s request, a monetary allowance in advance for the cost of transportation of the baggage and household effects. The monetary allowance may be paid only if the amount of the allowance does not exceed the cost that would be incurred by the Government under subparagraph (A) for the transportation of the baggage and household effects. Appropriations available to the Department of Defense, the Department of Homeland Security, and the Department of Health and Human Services for providing transportation of baggage or household effects of members of the uniformed services shall be available to pay a reimbursement or monetary allowance under this subparagraph. The Secretary concerned may prescribe the manner in which the risk of liability for damage, destruction, or loss of baggage or household effects arranged, packed, created, or loaded by a member is allocated among the member, the United States, and any contractor when a reimbursement or monetary allowance is elected under this subparagraph.

(G) Under regulations prescribed by the Secretary of Defense, the Secretary concerned may pay a member a share (determined pursuant to such regulations) of the savings resulting to the United States when the total weights of the member’s baggage and household effects shipped and stored under subparagraph (A) are less than the average weights of the baggage and household effects that are shipped and stored, respectively, by other members in the same grade and with the same dependents status as the member in connection with station changes comparable to the member’s change of station. The total savings shall be equal to the difference between the cost of shipping and cost of storing such average weights of baggage and household effects, respectively, and the corresponding costs associated with the weights of the member’s baggage and household effects. For the administration of this subparagraph, the Secretary of Defense shall annually determine the average weights of baggage and household effects shipped and stored in connection with a change of temporary or permanent station.

(H)(i) Except as provided in paragraph (2) and subject to clause (iii), in connection with an evacuation from a permanent station located in a foreign area, a member is entitled to transportation (including shipment and payment of any quarantine costs) of family household pets.

(ii) A member entitled to transportation under clause (i) may be paid reimbursement or, at the member’s request, a monetary allowance in accordance with the provisions of subparagraph (F) if the member secures by commercial means shipment and any quarantining of the pets otherwise subject to transportation under clause (i).

(iii) The provision of transportation under clause (i) and the payment of reimbursement under clause (ii) shall be subject to such regulations as the Secretary of Defense shall prescribe with respect to members of the armed forces for purposes of this subparagraph. Such regulations may specify limitations on the types, size, and number of pets for which transportation may be provided or reimbursement paid.

(2) The transportation and allowances authorized under paragraph (1) may be paid or provided to a member upon his separation from the service or release from active duty only if the member applies for the transportation and allowances not later than 180 days after the date of his separation or release from active duty. If a member to whom this paragraph applies has been authorized nontemporary storage under subsection (d), the 180-day period shall not begin until such authorization for nontemporary stor-

Except in the case of a member who, on the date of his separation, discharge, or release, or at any
time during the one-year period following that
date, is confined in a hospital, or is in its vicin-
ity, undergoing medical treatment, the cost of
the storage, for the period that exceeds one
year, shall be paid by the member.

(e) When orders directing a change of perma-
ment station for the member concerned have not
been issued, or when they have been issued but
cannot be used as authority for the transpor-
tation of his dependents, baggage, and household
effects, the Secretaries concerned may authorize
the movement of the dependents, baggage, and
household effects and prescribe transportation
in kind, reimbursement therefor, or a monetary
allowance in place thereof (as the case may be),
plus a per diem, as authorized under subsection
(a) or (b). This subsection may be used only
under unusual or emergency circumstances, in-
cluding those in which—

(1) the member is performing duty at a place
designated by the Secretary concerned as being
within a zone from which dependents
should be evacuated;

(2) orders which direct the member’s travel
in connection with temporary duty do not pro-
vide for return to the permanent station or do
not specify or imply any limit to the period of
absence from his permanent station; or

(3) the member is serving on permanent duty
at a station outside the United States, in Ha-
waii or Alaska, or on sea duty.

(f)(1) Under regulations prescribed by the Sec-
retary concerned, transportation for dependents,
baggage, and household effects of a member,
plus a per diem, as authorized under subsection
(a) or (b), is authorized if the member dies while entitled to
basic pay under chapter 3 of this title.

(2) The Secretary concerned shall give the de-
pendents of a member described in paragraph (1)
a period of not less than three years, beginning
on the date of the death of the member, during
which to select a home for the purposes of the
travel and transportation allowances authorized
by this section.

(g)(1) Under uniform regulations prescribed by
the Secretaries concerned, a member who—

(A) is retired, or is placed on the temporary
disability retired list, under chapter 61 of title
10;

(B) is retired with pay under any other law,
or, immediately following at least eight years
of continuous active duty with no single break
therein of more than 90 days, is discharged
with separation pay or severance pay or is in-
voluntarily released from active duty with
separation pay or readjustment pay;
or

(C) is involuntarily separated from active
duty during the period beginning on October 1,
1990, and ending on December 31, 2001,
is, not later than one year from the date he is so
retired, placed on that list, involuntarily sepa-
rated, discharged, or released, except as pre-
scribed in regulations by the Secretaries con-
cerned, entitled to transportation for his de-
pendents, baggage, and household effects to the
home selected under section 474(c) of this title,
and to a per diem for his dependents. In addi-
tion, baggage and household effects may be shipped to a location other than the home selected by the member.

(2) If baggage and household effects of a member are shipped to a place selected by him as his home under section 474(c) of this title that is not a place described in clause (A) or (B) of section 474(c)(2) of this title or to a location other than the home selected by the member, or if transportation is provided for a member's dependents to a place selected by the member as his home under section 474(c) of this title that is not a place described in clause (A) or (B) of section 474(c)(2) of this title, and the costs of that shipment or transportation are in excess of those that would have been incurred if the shipment had been made or the transportation had been provided to a location in the United States (other than Alaska or Hawaii), the member shall pay that excess cost.

(3) If a member authorized to select a home under section 474(c) of this title accrues that right or any entitlement under this subsection but dies before the member exercises the right or entitlement, that right or entitlement accrues to and may be exercised by the surviving dependents at any time before the end of the three-year period beginning on the date on which the member accrued that right or entitlement. If there are no surviving dependents, the baggage and household effects of the deceased member may be shipped to the home of the person legally entitled to such baggage and effects. However, if baggage and household effects are shipped under circumstances described in paragraph (2) in which the member would have been required to pay the excess costs of that shipment, the surviving dependents or the person legally entitled to the baggage and household effects, as the case may be, shall pay that excess cost.

(h)(1) If the Secretary concerned determines that it is in the best interests of a member described in paragraph (2) or the member's dependents and the United States, the Secretary may, when orders direct a change of permanent station for the member concerned have not been issued, or when they have been issued but cannot be used as authority for the transportation of the member's dependents, baggage, and household effects—

(A) authorize the movement of the member's dependents, baggage, and household effects at the station to an appropriate location in the United States or its possessions or, if the dependents are foreign nationals, to the country of the dependents' origin and prescribe transportation in kind, reimbursement therefor, or a monetary allowance in place thereof, as the case may be, plus a per diem, as authorized under subsection (a) or (b); and

2. Consider the current economic data on the cost of subsistence, including lodging and other necessary incidental expenses related thereto, when prescribing per diem rates and designating areas as high cost areas; and
3. Consider the average cost of transportation and current economic data on the cost of subsistence, including lodging and other necessary incidental expenses related thereto, when prescribing mileage allowances.

§ 484. Travel and transportation; dependents; household and personal effects; trailers; additional movements; motor vehicles; sale of bulky items; claims for proceeds; appropriation chargeable

(a) In this section, ‘‘household and personal effects’’ and ‘‘household effects’’ may include, in addition to other authorized weight allowances, two privately owned motor vehicles which may be shipped at United States expense. Under regulations prescribed by the Secretaries concerned, and in place of the transportation of household and personal effects, a dependent, who would otherwise be entitled to transportation of household and personal effects under this section, may transport a house trailer or mobile dwelling within and between the areas specified in section 479 of this title for use as a residence by one of the following means—

(1) transport it and be reimbursed by the United States;

(2) deliver it to an agent of the United States for transportation by the United States or by commercial means; or

(3) have it transported by commercial means, and be reimbursed by the United States.

If a trailer or dwelling is transported under clause (2) or (3), that transportation may include two privately owned motor vehicles which may be shipped at United States expense. (3) on request of the member (if injured or ill), or his dependent, next of kin, or other person described in clause (2), to another location determined in advance or later approved by the Secretary concerned, or his designee.

When he considers it necessary, the Secretary concerned may, with respect to the household and personal effects of a member who is officially reported as absent for a period of more than 29 days in a missing status, authorize the nontemporary storage of those effects for a period of one year, or longer when justified. In addition, he may authorize additional movements of, and prescribe transportation for, the dependents and household and personal effects, or the dependents and house trailer or mobile dwelling, of a member who is officially reported as absent for a period of more than one year in a missing status.

(c) When a member described in subsection (b) is in an injured or ill status, transportation of dependents and household and personal effects authorized by this section may be provided only when prolonged hospitalization or treatment is anticipated.

(1) reimbursement for the commercial cost of the transportation; or

(2) a monetary allowance at the prescribed rate for all, or that part, of the travel for which transportation in kind is not furnished.

(f) The Secretary concerned may store the household and personal effects of a member described in subsection (b) until proper disposition can be made. The cost of the storage and transportation (including packing, crating, drayage, temporary storage, and unpacking) of household
and personal effects shall be charged against appro-
priations currently available.

(g) The Secretary concerned may, when he de-
termines that there is an emergency and a sale
would be in the best interests of the United
States, provide for the public or private sale of
motor vehicles and other bulky items of house-
hold and personal effects of a member described
in subsection (b). Before a sale, and if prac-
ticable, a reasonable effort shall be made to de-
termine the desires of the interested persons.

The net proceeds received from the sale shall,
under regulations prescribed by the Secretary
concerned, be sent to the owner or other per-
sons. If there are no such persons, or if they or
their addresses are not known within one year
from the date of sale, the net proceeds may be
covered into the Treasury as miscellaneous re-
cipts.

(h) Claims for net proceeds that are covered
into the Treasury under subsection (g) may be
filed with the Secretary of Defense by the right-
ful owners, their heirs or next of kin, or their
legal representatives at any time before the end
of a 5-year period from the date the proceeds are
covered into the Treasury. When a claim is filed,
the Secretary of Defense shall allow or disallow
it. A claim that is allowed shall be paid from the
appropriation for refunding money erroneously
received and covered. If a claim is not filed be-
fore the end of the 5-year period from the date
the proceeds are covered into the Treasury, it is
barred from being acted on by the courts or the
Secretary of Defense.

(i) If a motor vehicle of a member (or a de-
pendent of the member) that is transported at
the expense of the United States under this sec-
tion does not arrive at the authorized destina-
tion of the vehicle by the designated delivery
date, the Secretary concerned shall reimburse
the dependent for expenses incurred after that
date to rent a motor vehicle for the dependent’s
use. The amount reimbursed may not exceed $30
per day, and the rental period for which reim-
bursement may be provided expires after 7 days
or on the date on which the delayed vehicle ar-
rives at the authorized destination (whichever
occurs first). In a case in which two motor vehi-
cles of a member (or the dependent or depend-
ents of a member) are transported at the ex-
panse of the United States, no reimbursement is
payable under this subsection unless both motor
vehicles do not arrive at the authorized destina-
tion of the vehicles by the designated delivery
date.

Only that portion of the source law which is applicable to members of the uniformed services and their dependents is codified in this section.

The words “in this chapter” are substituted for “For the purpose of this Act”.

In clause (1), the words “with respect to a member of a uniformed service” are inserted for clarity. In clause (1)(A), the word “lawful” is omitted as unnecessary in view of the accepted recognition of the fact that the word “wife” means a lawful wife. In clause (1)(E), the words “Secretary concerned, or his designee” are substituted for “head of the department concerned, or subordinate designated by him” to conform to the definitions in 37 U.S.C. 101(5). Amendments

1987—Pub. L. 100–26 substituted “in this chapter:” for “In this chapter—”, inserted “The term” at beginning of pars. (1) to (3), and substituted period for semicolon at end of par. (1) and period for “; and” at end of par. (2).

Effective Date of 1997 Amendment

Amendment by Pub. L. 105–85 effective Jan. 1, 1998, see section 603(c) of Pub. L. 105–85, set out as a note under section 5561 of Title 8, Government Organization and Employees.

§552. Pay and allowances; continuance while in a missing status; limitations

(a) A member of a uniformed service who is on active duty or performing inactive-duty training, and who is in a missing status, is—

(1) for the period he is in that status, entitled to receive or have credited to his account the same pay and allowances, as defined in this chapter, to which he was entitled at the beginning of that period or may thereafter become entitled; and

(2) for the period, not to exceed one year, required for his hospitalization and rehabilitation after termination of that status, under regulations prescribed by the Secretaries concerned, with respect to incentive pay, considered to have satisfied the requirements of section 301 of this title so as to entitle him to a continuation of that pay.

However, a member who is performing full-time training duty or other full-time duty without pay, or inactive-duty training with or without pay, is entitled to the pay and allowances to which he would have been entitled if he had been on active duty with pay. Notwithstanding section 1523 of title 10 or any other provision of law, the promotion of a member while he is in a missing status is fully effective for all purposes.

(b) The expiration of a member's term of service while he is in a missing status does not end his entitlement to pay and allowances under subsection (a). Notwithstanding the death of a member while in a missing status, entitlement to pay and allowances under subsection (a) ends on the date—

(1) the Secretary concerned receives evidence that the member is dead; or

(2) that his death is prescribed or determined under section 555 of this title or under chapter 76 of title 10.

(c) A member is not entitled to pay and allowances under subsection (a) for a period during which he is officially determined to be absent from his post of duty without authority, and he is indebted to the United States for payments from amounts credited to his account for that period.

(d) A member who is performing full-time training duty or inactive-duty training is entitled to the benefits of this section only when he is officially determined to be in a missing status that results from the performance of duties prescribed by competent authority.

(e) A member in a missing status who is continued in that status under section 555 of this title or under chapter 76 of title 10 is entitled to...
be credited with pay and allowances under sub-
section (a).

In clause (2), the words “heretofore or hereafter” are omitted as unnecessary.
§ 555. Secretarial review

(a) Except as provided in subsection (d), when a member of a uniformed service entitled to pay and allowances under section 552 of this title has been in a missing status, and the official report of his death or of the circumstances of his absence has not been received by the Secretary concerned, he shall, before the end of a 12-month period in that status, have the case fully reviewed. After that review and the end of the 12-month period in a missing status, or after a later review which shall be made when warranted by information received or other circumstances, the Secretary concerned, or his designee, may—

(1) if the member can reasonably be presumed to be living, direct a continuance of his missing status; or

(2) make a finding of death.

(b) When a finding of death is made under subsection (a), it shall include the date death is presumed to have occurred for the purpose of—

(1) ending the crediting of pay and allowances;

(2) settlement of accounts; and

(3) payment of death gratuities.

That date is—

(A) the day after the day on which the 12-month period in a missing status ends; or

(B) if the missing status has been continued under subsection (a), the day determined by the Secretary concerned, or his designee.

(c) For the sole purpose of determining status under this section, a dependent of a member on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section is conclusive as to—

(1) death or finding of death;

(2) the fact of dependency under this chapter; and

(3) the fact of dependency for the purpose of paying six months' death gratuities authorized by law.

Amendments

1996—Subsec. (a). Pub. L. 104–106, § 569(c)(3)(A), substituted “the date on which, in a case covered by section 555 of this title, the Secretary concerned receives evidence, or, in a case covered by chapter 76 of title 10, the Secretary concerned determines pursuant to that chapter, that” for “the date the Secretary concerned receives evidence that”.

Subsec. (g). Pub. L. 104–106, § 569(c)(3)(B), inserted “or under chapter 76 of title 10” after “section 555 of this title”.

1991—Subsecs. (e) to (g). Pub. L. 102–25 struck out “of this section” after “subsections (f) and (g)” in subsec. (e) and after “subsections (a)–(d)” in subsecs. (f) and (g).

§ 554. Renumbered § 484

§ 555. Secretarial determinations

(a) The Secretary concerned, or his designee, may make any determination necessary to administer this chapter and, when so made, it is conclusive as to—

(1) death or finding of death;

(2) the fact of dependency under this chapter; and

(3) the fact of dependency for the purpose of paying six months' death gratuities authorized by law;
(4) the fact of dependency under any other law authorizing the payment of pay, allowances, or other emoluments to enlisted members of the armed forces, when the payments are contingent on dependency;
(5) any other status covered by this chapter;
(6) an essential date, including one on which evidence or information is received by the Secretary concerned; and
(7) whether information received concerning a member of a uniformed service is to be considered and acted on as an official report of death.

Paragraphs (1), (5), (6), and (7) only apply with respect to a case to which section 555 of this title applies.

(b) When the Secretary concerned, in a case to which section 555 of this title applies, receives information that he considers establishes conclusively the death of a member of a uniformed service, he shall, notwithstanding any earlier finding of death, take action relating to death or other status of the member, act on it as an official report of death. After the end of the 12-month period in a missing status prescribed by section 555 of this title, the Secretary concerned, or his designee, shall, when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that a member in a missing status is dead, make a finding of death.

(c) The Secretary concerned, or his designee, may determine the entitlement of a member to pay and allowances under this chapter, including credits and charges in his account, and that determination is conclusive. An account may not be charged or debited with an amount that a member captured, beleaguered, or besieged by a hostile force may receive or be entitled to receive from, or have placed to his credit by, the hostile force as pay, allowances, or other compensation.

(d) The Secretary concerned, or his designee, may, when warranted by the circumstances, reconsider a determination made under this chapter, and change or modify it.
(e) When the account of a member has been charged or debited with an allotment paid under this chapter, the amount so charged or debited shall be recredited to the account of the member if the Secretary concerned, or his designee, determines that the payment was induced by fraud or misrepresentation to which the member was not a party.

(f) Except an allotment for an unearned insurance premium, an allotment paid from pay and allowances of a member for the period he is entitled to pay and allowances under section 552 of this title may not be collected from the allottee or charged against the pay of the deceased member.

(g) The Secretary concerned, or his designee, may waive the recovery of an erroneous pay-ment or overpayment of an allotment to a dependent if he considers recovery is against equity and good conscience.

(h) For the sole purpose of determining pay under this section, a dependent of a member of a uniformed service on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section in a case to which section 555 of this title applies is conclusive on all other departments and agencies of the United States. This subsection does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

AMENDMENTS

§ 558. Income tax deferment

Notwithstanding any other provision of law, a Federal income tax return of, or the payment of a Federal income tax by, a member of a uniformed service who, at the time the return or payment would otherwise become due, is in a missing status, does not become due until the earlier of the following dates—

(1) the fifteenth day of the third month in which he ceased (except by reason of death or incompetency) being in a missing status, unless before the end of that fifteenth day he is again in a missing status; or

(2) a survivor of a casualty to a ship, station, or military installation which results in the loss or destruction of disbursing records.
trator, or conservator of the estate of the taxpayer is appointed.

That due date is prescribed subject to the power of the Secretary of the Treasury or his delegate to extend the time for filing the return or paying the tax, as in other cases, and to assess and collect the tax as provided by sections 6851, 6861, and 6871 of the Internal Revenue Code of 1986 in cases in which the assessment or collection is jeopardized and in cases of bankruptcy or receivership.

§ 559. Benefits for members held as captives

(a) In this section:

(1) The term “captive status” means a missing status of a member of the uniformed services which, as determined by the President, arises because of a hostile action and is a result of membership in the uniformed services, but does not include a period of captivity of a member as a prisoner of war if Congress provides to such member, in an Act enacted after August 27, 1986, monetary payment in respect of such period of captivity.

(2) The term “former captive” means a person who, as a member of the uniformed services, was held in a captive status.

(b)(1) The Secretary of the Treasury shall establish a savings fund to which the Secretary concerned may allot all or any portion of the pay and allowances of any member of the uniformed services who is in a captive status to the extent that such pay and allowances are not subject to an allotment under section 553 of this title or any other provision of law.

(2) Amounts so allotted shall bear interest at a rate which, for any calendar quarter, shall be equal to the average rate paid on United States Treasury bills with three-month maturities issued during the preceding calendar quarter. Such interest shall be computed quarterly.

(3) Amounts in the savings fund credited to a member shall be considered as pay and allowances for purposes of section 553(c) of this title and shall otherwise be subject to withdrawal under procedures which the Secretary of the Treasury shall establish.

(4) Any interest accruing under this subsection on—

(A) any amount for which a member is indebted to the United States under section 552(c) of this title shall be deemed to be part of the amount due under such section; and

(B) any amount referred to in section 556(f) of this title shall be deemed to be part of such amount for purposes of such section.

(5) An allotment under this subsection may be made without regard to section 553(c) of this title.

(c)(1) Except as provided in paragraph (3), the President shall make a cash payment to any person who is a former captive. Such payment shall be made before the end of the one-year period beginning on the date on which the captive status of such person terminates.

(2) Except as provided in section 802 of the Victims of Terrorism Compensation Act (5 U.S.C. 5569 note), the amount of such payment shall be determined by the President under the provisions of section 5569(d)(2) of title 5.

(3)(A) The President—

(i) may defer such payment in the case of any former captive who during such one-year period is charged with an offense described in clause (i), until final disposition of such charge; and

(ii) may deny such payment in the case of any former captive who during such one-year period is convicted of a captivity-related offense—

(I) referred to in subsection (b) or (c) of section 8312 of title 5; or

(II) under chapter 47 of title 10 (the Uniform Code of Military Justice) that is punishable by dishonorable discharge, dismissal, confinement for one year or more.

(B) For the purposes of subparagraph (A), a captivity-related offense is an offense that is—

(i) committed by a person while the person is in a captive status; and

(ii) related to the captive status of the person.

(4) A payment under this subsection is in addition to any other amount provided by law.
(5) Any amount due a person under this subsection shall, after the death of such person, be deemed to be pay and allowances for the purposes of this chapter.

(6) Any payment made under paragraph (1) that is later denied under paragraph (3)(A)(i) is a claim of the United States Government for purposes of section 3711 of title 31.

(d) A determination by the President under subsection (a)(1) or (c) is final and is not subject to judicial review.

BACK PAY FOR MEMBERS OF THE NAVY AND MARINE CORPS SELECTED FOR PROMOTION WHILE INTERNEED AS PRISONERS OF WAR DURING WORLD WAR II

“(a) ENTITLEMENT OF FORMER PRISONERS OF WAR.—Upon receipt of a claim made in accordance with this section, the Secretary of the Navy shall pay, from any appropriation currently available to the Secretary, back pay to any person who, by reason of being interned as a prisoner of war while serving as a member of the Navy or the Marine Corps during World War II, was not available to accept a promotion for which the person had been selected.

“(b) PAYMENT TO SURVIVING SPOUSE OF DECEASED FORMER MEMBER.—In the case of a person described in subsection (a) who is deceased, the back pay for that person under this section shall be paid to the living surviving spouse of that person, if any. “(c) AMOUNT OF BACK PAY.—(1) The amount of back pay payable to or for a person described in subsection (a) is the amount equal to the difference between—

“(A) the total amount of basic pay that would have been paid to that person for service in the Navy or the Marine Corps for the back-pay computation period if the person had been promoted to the grade to which selected to be promoted; and

“(B) the total amount of basic pay that was actually paid to or for that person for such service for the back-pay computation period.

“(2) For purposes of paragraph (1), the back-pay computation period for a person covered by subsection (a) is the period—

“(A) beginning on the date (as determined by the Secretary of the Navy) as of when that person’s promotion would have been effective for pay purposes but for the person’s internment as a prisoner of war; and

“(B) ending on the earliest of—

“(i) the date of the person’s discharge or release from active duty;

“(ii) the date on which the person’s promotion to that grade in fact became effective for pay purposes; and

“(iii) the end of World War II.”
“(3) The amount determined for a person under paragraph (1) shall be increased to reflect increases in cost of living since the basic pay referred to in paragraph (1)(B) was paid to or for that person, calculated on the basis of the Consumer Price Index (all items—United States city average) published monthly by the Bureau of Labor Statistics.

“(d) TIME LIMITATIONS.—(1) To be eligible for a payment under this section, a claimant must file a claim for such payment with the Secretary of the Navy within two years after the effective date of the regulations prescribed to carry out this section.

“(2) Not later than 18 months after receiving a claim for payment under this section, the Secretary shall determine the eligibility of the claimant for payment of the claim. Subject to subsection (f), if the Secretary determines that the claimant is eligible for the payment, the Secretary shall promptly pay the claim.

“(g) ATTORNEY FEES.—Notwithstanding any contract, the representative of a person may not receive, for services rendered in connection with the claim of, or with respect to, a person under this section, more than 10 percent of the amount of a payment made under this section on that claim.

“(h) OUTREACH.—The Secretary of the Navy shall take such actions as are necessary to ensure that the benefits and eligibility for benefits under this section are widely publicized by means designed to provide actual notice of the availability of the benefits in a timely manner to the maximum number of eligible persons practicable.

“(i) DEFINITION.—In this section, the term ‘World War II’ has the meaning given that term in section 101(b) of title 38, United States Code.

PAYMENT TO INDIVIDUALS HELD IN CAPTIVE STATUS BETWEEN NOVEMBER 4, 1979, AND JANUARY 21, 1981

For payment for individuals in the uniformed services referred to in subsection (c) of this section held in captive status between Nov. 4, 1979, and Jan. 21, 1981, see section 602 of Pub. L. 99–399, set out as a note under section 5569 of Title 5, Government Organization and Employees.

CHAPTER 11—PAYMENTS TO MENTALLY INCOMPETENT PERSONS

§ 601. Applicability

This chapter applies to—

(1) members of a uniformed service who are on active duty (other than for training) or who are on a retired list of that service; and

(2) members of the Fleet Reserve or Fleet Marine Corps Reserve.

HISTORICAL AND REVISION NOTES

Revised section Source (U.S. Code) Source (Statutes at Large)

The words “on active duty (other than for training)” are substituted for the words “on the active...list” to conform to longstanding administrative construction, and because there is no “active list” in the case of many of the uniformed services named, but only for certain regular component of those services, e.g., the “Regular Army” and the “Regular Air Force”. The words “a retired list of that service” are substituted for the words “retired list”, since there is more than one retired list for many of the services named. (See sections 1376, 3966, and 6966 of title 10, for example.) The words “members of the Reserve components of the respective services entitled to Federal pay either on the active or any retired list of said services” are omitted as covered by clause (1), since members of the reserve components are members of the uniformed services concerned. The word “transferred” is omitted as surplusage.

§ 602. Payments: designation of person to receive amounts due

(a) Active duty pay and allowances, amounts due for accrued or accumulated leave, or retired or retainer pay, that are otherwise payable to a member to whom this chapter applies and who, in the opinion of a board of medical officers or physicians, is mentally incapable of managing his affairs, may be paid for that member’s use or benefit to any person designated by the Secretary concerned, or by any officer to whom he delegates his authority under this section, without the appointment in judicial proceedings of a committee, guardian, or other legal representative.

(b) The board shall consist of at least three qualified medical officers or physicians, one of whom is specially qualified in the treatment of mental disorders, appointed from available medical officers or physicians under his jurisdiction by the head of whichever of the following is providing medical treatment for the member, or by a person designated by that head—

(1) Department of the Army;

(2) Department of the Navy;

(3) Department of the Air Force;

(4) Department of Health and Human Services; or

(5) Department of Veterans Affairs.

If the hospitalization or medical care of the member is not provided by the United States, the board shall be appointed by the Secretary of the department having jurisdiction of the member.

(c) A payment made to a person who is designated under this section discharges the obligation of the United States as to the amount paid.

(d) A person serving in a legal, medical, fiduciary, or other capacity, may not demand or ac-
cept a fee, commission, or other charge for any service performed under this chapter.

(e) This section does not apply in any case in which a legal committee, guardian, or other representative has been appointed by a court of competent jurisdiction, except as to payments made before the paying agency of the department concerned receives notice of that appointment.

(f) A person who is designated to receive payments under this section shall furnish satisfactory assurance that the amounts received by him will be applied to the use and benefit of the incompetent member, and, where the payments may reasonably be expected to be more than $1,000, shall provide a suitable bond to be paid for out of amounts due the incompetent member, and, where the payments will be applied to the use and benefit of the incompetent, the bond may be approved by the legal committee, guardian, or other representative who has been appointed by a court of competent jurisdiction.

§ 1006. Advance payments

(a) Under regulations prescribed by the Secretary concerned, a member of a uniformed service may be paid in advance—

(1) not more than three months’ pay of such member upon such member’s change of permanent station; or

(2) the amount of an allotment made from such member’s pay to a dependent if such member is assigned or scheduled for assignment to sea duty or other duty with a unit or command deployed or to be deployed outside the United States and the allotment is made by such member not more than sixty days before the scheduled date of the assignment of such member to such duty.

(b) Under regulations prescribed by the Secretary concerned, a member of a uniformed service who is on duty at a distant station where the pay and emoluments to which he is entitled cannot be disbursed regularly, may be paid in advance—

(c) Under regulations prescribed by the Secretary concerned, an advance of pay to a member of a uniformed service who is on duty outside the United States, or other place designated by the Secretary of Defense, of not more than two months’ basic pay may be made to a member if the member or the dependents of the member are ordered evacuated by competent authority. An advance of pay under this subsection is not subject to the conditions under which advances of pay may be made under subsection (a) or (b). An advance may be made on the basis of the evacuation of a member’s dependents only if all dependents of members of the uniformed services are ordered evacuated from the place where the member’s dependents are located. In the case of a member with dependents, the payment may be made directly to dependents previously designated by the member. The Secretary concerned or his designee may waive any right of recovery of not more than one month’s basic pay advanced under this subsection if he finds that recovery of the advance would be against equity and good conscience or against the public interest.

(d) If a person to whom an advance of pay is made under subsection (a), (b), or (c) dies or is separated from his uniformed service, before liquidation of that advance, the amount remaining unliquidated at the time of his death or separation shall be credited to the account of the disbursing officer concerned. However, the unliquidated amount remains a debt of that person or his estate to the United States.

(e)(1) As far as practicable, regulations for the administration of subsections (a)–(d) shall be uniform for all of the uniformed services.

(2)(A) Notwithstanding any other provision of law, an obligation for an advance of pay made
pursuant to this section shall be recorded as an obligation only in the fiscal year in which the entitlement of the member to the pay accrues.

(B) Current appropriations available for advance payments under this section may be transferred to the prior fiscal year's appropriation available for the same purpose in the amount of any unliquidated advance payments that remain at the end of such prior fiscal year. Such unliquidated advance payments shall then be credited to the current appropriation.

(f) Under regulations prescribed by the Secretary of Homeland Security, an advance of pay of not more than three months' pay may be made to an officer of the Coast Guard who is ordered to sea duty or to or from shore duty beyond the seas. In addition, the Commandant of the Coast Guard may direct such advances as he considers necessary and proper to members of the Coast Guard stationed at distant stations where the pay and emoluments to which they are entitled cannot be paid regularly.

(g) Under regulations prescribed by the Secretary concerned, the dislocation allowance authorized by section 477(a) of this title for a member of a uniformed service whose dependents are covered by section 475a(a) of this title may be paid in advance of the evacuation of the dependents and to the dependents designated by the member.

(k) Notwithstanding subsections (a) and (b) of section 3324 of title 31, the Secretary concerned may, when the last day of the pay period falls on a Saturday, Sunday, or legal holiday, authorize the payment of pay and allowances to members of uniformed service under his jurisdiction on the preceding workday but not more than three days before the last day of that pay period. If a member dies after he has received an advance payment under this subsection, but before the last day of the pay period for which the payment is made, no part of the amount so advanced is recoverable by the United States.

(l) Under regulations prescribed by the Secretary concerned, not more than one month's pay may be paid in advance to a member of the Armed Forces Health Professions Scholarship program upon reporting for a period of active duty required by section 2121(c) of title 10.

(4) Under regulations prescribed by the Secretary concerned, not more than one month's pay may be paid in advance to a member of the Senior Reserve Officers' Training Corps who is ordered to field training or a practice required under section 2109 of title 10.

In subsection (c), the words "Secretary concerned" are substituted for the words "heads of the departments concerned" to conform to the definition in section 101(b) of this revised title.

In subsection (d), the words "armed forces" are substituted for the words "armed forces" to conform to the definition in section 101(b) of this revised title.

§ 1007. Deductions from pay

(a) The pay of an officer of an armed force may be withheld, under section 5512 of title 5, only for an indebtedness to the United States admitted by the officer or shown by the judgment of a court, or upon a special order issued in the discretion of the Secretary of Defense (or the Secretary of Homeland Security, in the case of an
officer of the Coast Guard when the Coast Guard is not operating as a service in the Navy), or upon the denial of relief of an officer pursuant to section 3527 of title 31.

(b) An amount due to the United States from an enlisted member of the Army or the Air Force for articles sold to him on credit under section 4621(a)(1) or 9621(a)(1) of title 10, as the case may be, shall be deducted from the next pay due him after the sale is reported.

(c)(1) Under regulations prescribed by the Secretary concerned, an amount that a member of the uniformed services is administratively determined to owe the United States or any of its instrumentalities may be deducted from the member’s pay in monthly installments.

(2) After the deduction of pay forfeited by the sentence of a court-martial, if any, or otherwise authorized by law to be withheld, the deductions authorized by this section may not reduce the pay actually received by a member of the uniformed services for any month to less than one-third of the member’s pay for that month.

(3)(A) If the indebtedness of a member of the uniformed services to the United States is due to the overpayment of pay or allowances to the member through no fault of the member, the amount of the overpayment shall be recovered in monthly installments. The amount deducted from the pay of the member for a month to recover the overpayment amount may not exceed 15 percent of the member’s pay for that month unless the member requests or consents to collection of the overpayment at an accelerated rate.

(B) In all cases described in subparagraph (A), the Secretary concerned shall provide a reasonable opportunity for the member to request a delay in the imposition of the repayment requirement to recover the indebtedness. Before beginning collection efforts, the Secretary concerned shall consider the reasons provided by the member for the requested delay, including the financial ability of the member to repay the indebtedness, and the hardship that immediate collection would impose on the member and the member’s dependents.

(4)(A) If a member of the uniformed services, through no fault of the member, incurs a wound, injury, or illness while in the line of duty in a combat operation or combat zone designated by the President or the Secretary of Defense, any overpayment of pay or allowances made to the member while the member recovers from the wound, injury, or illness may not be deducted from the member’s pay until—

(i) the member is notified of the overpayment; and

(ii) the later of the following occurs:

(I) The end of the 180-day period beginning on the date of the completion of the tour of duty of the member in the combat operation or combat zone.

(II) The end of the 90-day period beginning on the date of the reassignment of the member from a military treatment facility or other medical unit outside of the theater of operations.

(B) Subparagraph (A) shall not apply if the member, after receiving notification of the overpayment, requests or consents to initiation at an earlier date of the collection of the overpayment of the pay or allowances.

(d) Subject to subsection (c), an amount due the United States from an enlisted member of the Army or the Air Force may be deducted from his pay on final statement, or from his savings on his clothing allowance.

(e) The amount of any damage, or cost of repairs, to arms or equipment caused by the abuse or negligence of a member of the Army, Navy, Air Force, or Marine Corps, as the case may be, who had the care of, or was using, the property when it was damaged, shall be deducted from his pay.

(f) If, upon final settlement of the accounts of an officer of the Army or the Air Force charged with the issue of an article of military supply, there is a deficiency of that article, or if an article of military supply with whose issue an officer is charged is damaged, the value of the lost article or the amount of the damage shall be charged against the officer and deducted from his monthly pay, unless he shows to the satisfaction of the Secretary of the Army or the Secretary of the Air Force, as the case may be, by one or more affidavits setting forth the circumstances, that he was not at fault.
