The Secretary shall include in the notification a statement of the right of the veteran to submit an application for a waiver under this subsection and a description of the procedures for submitting the application.

(c) The recovery of any payment or the collection of any indebtedness (or any interest thereon) may not be waived under this section if, in the Secretary's opinion, there exists in connection with the claim for such waiver an indication of fraud, misrepresentation or bad faith on the part of the person or persons having an interest in obtaining a waiver of such recovery or the collection of such indebtedness (or any interest thereon).
