

(2) Any balance in the Fund at the time of its termination shall be deposited in the General Fund of the Treasury.

(3) A decision of the Attorney General to terminate the Fund shall not be subject to judicial review.

(d) Availability of funds for expenditure

Funds shall not be available for obligation unless an implementation plan as set forth in subsection (e) of this section is submitted to each member of the Committees on the Judiciary and Appropriations of both the House of Representatives and the Senate and the Congress does not by law block or prevent the obligation of such funds. Such funds shall be treated as a reprogramming of funds under section 605 of the Department of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, 1997, and shall not be available for obligation or expenditure except in compliance with the procedures set forth in that section and this section.

(e) Implementation plan

The implementation plan shall include:

(1) the law enforcement assistance capability requirements and an explanation of law enforcement's recommended interface;

(2) the proposed actual and maximum capacity requirements for the number of simultaneous law enforcement communications intercepts, pen registers, and trap and trace devices that authorized law enforcement agencies may seek to conduct, set forth on a county-by-county basis for wireline services and on a market service area basis for wireless services, and the historical baseline of electronic surveillance activity upon which such capacity requirements are based;

(3) a prioritized list of carrier equipment, facilities, and services deployed on or before January 1, 1995, to be modified by carriers at the request of law enforcement based on its investigative needs;

(4) a projected reimbursement plan that estimates the cost for the coming fiscal year and for each fiscal year thereafter, based on the prioritization of law enforcement needs as outlined in (3),¹ of modification by carriers of equipment, facilities and services, installed on or before January 1, 1995.

(f) Annual report to Congress

The Attorney General shall submit to the Congress each year a report specifically detailing all deposits and expenditures made pursuant to subchapter I² of this chapter in each fiscal year. This report shall be submitted to each member of the Committees on the Judiciary and Appropriations of both the House of Representatives and the Senate, and to the Speaker and minority leader of the House of Representatives and to the majority and minority leaders of the Senate, no later than 60 days after the end of each fiscal year.

§ 1103. Approval of loan guarantees**(a) Authority to approve loan guarantees**

Subject to the provisions of this section and consistent with the purpose of this chapter, the Board may approve loan guarantees under this chapter.

(b) Regulations**(1) Requirements**

The Administrator (as defined in section 1104 of this title), under the direction of and for approval by the Board, shall prescribe regulations to implement the provisions of this chapter and shall do so not later than 120 days after funds authorized to be appropriated under section 1109 of this title have been appropriated in a bill signed into law.

(2) Elements

The regulations prescribed under paragraph (1) shall—

(A) set forth the form of any application to be submitted to the Board under this chapter;

(B) set forth time periods for the review and consideration by the Board of applications to be submitted to the Board under this chapter, and for any other action to be taken by the Board with respect to such applications;

(C) provide appropriate safeguards against the evasion of the provisions of this chapter;

(D) set forth the circumstances in which an applicant, together with any affiliate of an applicant, shall be treated as an applicant for a loan guarantee under this chapter;

(E) include requirements that appropriate parties submit to the Board any documents and assurances that are required for the administration of the provisions of this chapter; and

(F) include such other provisions consistent with the purpose of this chapter as the Board considers appropriate.

(3) Construction

(A) Nothing in this chapter shall be construed to prohibit the Board from requiring, to the extent and under circumstances considered appropriate by the Board, that affiliates of an applicant be subject to certain obligations of the applicant as a condition to the approval or maintenance of a loan guarantee under this chapter.

(B) If any provision of this chapter or the application of such provision to any person or entity or circumstance is held to be invalid by a court of competent jurisdiction, the remainder of this chapter, or the application of such provision to such person or entity or circumstance other than those as to which it is held invalid, shall not be affected thereby.

(c) Authority limited by appropriations acts

The Board may approve loan guarantees under this chapter only to the extent provided for in

advance in appropriations Acts, and the Board may accept credit risk premiums from a non-Federal source in order to cover the cost of a loan guarantee under this chapter, to the extent that appropriations of budget authority are insufficient to cover such costs.

(d) Requirements and criteria applicable to approval

(1) In general

The Board shall utilize the underwriting criteria developed under subsection (g) of this section, and any relevant information provided by the departments and agencies with which the Board consults under section 1102 of this title, to determine which loans may be eligible for a loan guarantee under this chapter.

(2) Prerequisites

In addition to meeting the underwriting criteria under paragraph (1), a loan may not be guaranteed under this chapter unless—

(A) the loan is made to finance the acquisition, improvement, enhancement, construction, deployment, launch, or rehabilitation of the means by which local television broadcast signals will be delivered to a non-served area or underserved area;

(B) the proceeds of the loan will not be used for operating, advertising, or promotion expenses, or for the acquisition of licenses for the use of spectrum in any competitive bidding under section 309(j) of this title;

(C) the proposed project, as determined by the Board in consultation with the National Telecommunications and Information Administration, is not likely to have a substantial adverse impact on competition that outweighs the benefits of improving access to the signals of a local television station in a non-served area or underserved area and is commercially viable;

(D)(i) the loan—

(I) is provided by any entity engaged in the business of commercial lending—

(aa) if the loan is made in accordance with loan-to-one-borrower and affiliate transaction restrictions to which the entity is subject under applicable law; or

(bb) if item (aa) does not apply, the loan is made only to a borrower that is not an affiliate of the entity and only if the amount of the loan and all outstanding loans by that entity to that borrower and any of its affiliates does not exceed 10 percent of the net equity of the entity; or

(II) is provided by a nonprofit corporation, including the National Rural Utilities Cooperative Finance Corporation, engaged primarily in commercial lending, if the Board determines that such nonprofit corporation has one or more issues of outstanding long-term debt that is rated within the highest 3 rating categories of a nationally recognized statistical rating organization;

(ii) if the loan is provided by a lender described in clause (i)(II) and the Board deter-

mines that the making of the loan by such lender will cause a decline in such lender's debt rating as described in that clause, the Board at its discretion may disapprove the loan guarantee on this basis;

(iii) no loan may be made for purposes of this chapter by a governmental entity or affiliate thereof, or by the Federal Agricultural Mortgage Corporation, or any institution supervised by the Federal Housing Finance Agency, or any affiliate of such entities;

(iv) any loan must have terms, in the judgment of the Board, that are consistent in material respects with the terms of similar obligations in the private capital market;

(v) for purposes of clause (i)(I)(bb), the term "net equity" means the value of the total assets of the entity, less the total liabilities of the entity, as recorded under generally accepted accounting principles for the fiscal quarter ended immediately prior to the date on which the subject loan is approved;

(E) repayment of the loan is required to be made within a term of the lesser of—

(i) 25 years from the date of the execution of the loan; or

(ii) the economically useful life, as determined by the Board or in consultation with persons or entities deemed appropriate by the Board, of the primary assets to be used in the delivery of the signals concerned; and

(F) the loan meets any additional criteria developed under subsection (g) of this section.

(3) Protection of United States financial interests

The Board may not approve the guarantee of a loan under this chapter unless—

(A) the Board has been given documentation, assurances, and access to information, persons, and entities necessary, as determined by the Board, to address issues relevant to the review of the loan by the Board for purposes of this chapter; and

(B) the Board makes a determination in writing that—

(i) to the best of its knowledge upon due inquiry, the assets, facilities, or equipment covered by the loan will be utilized economically and efficiently;

(ii) the terms, conditions, security, and schedule and amount of repayments of principal and the payment of interest with respect to the loan protect the financial interests of the United States and are reasonable;

(iii) the value of collateral provided by an applicant is at least equal to the unpaid balance of the loan amount covered by the loan guarantee (the "Amount" for purposes of this clause); and if the value of collateral provided by an applicant is less than the Amount, the additional required collateral is provided by any affiliate of the applicant;

(iv) all necessary and required regulatory and other approvals, spectrum li-

censes, and delivery permissions have been received for the loan and the project under the loan;

(v) the loan would not be available on reasonable terms and conditions without a loan guarantee under this chapter; and

(vi) repayment of the loan can reasonably be expected.

(e) Considerations

(1) Type of market

(A) Priority considerations

To the maximum extent practicable, the Board shall give priority in the approval of loan guarantees under this chapter in the following order:

(i) First, to projects that will serve households in nonserved areas. In considering such projects, the Board shall balance projects that will serve the largest number of households with projects that will serve remote, isolated communities (including noncontiguous States) in areas that are unlikely to be served through market mechanisms.

(ii) Second, to projects that will serve households in underserved areas. In considering such projects, the Board shall balance projects that will serve the largest number of households with projects that will serve remote, isolated communities (including noncontiguous States) in areas that are unlikely to be served through market mechanisms.

Within each category, the Board shall consider the project's estimated cost per household and shall give priority to those projects that provide the highest quality service at the lowest cost per household.

(B) Additional consideration

The Board should give additional consideration to projects that also provide high-speed Internet service.

(C) Prohibitions

The Board may not approve a loan guarantee under this chapter for a project that—

(i) is designed primarily to serve 1 or more of the top 40 designated market areas (as that term is defined in section 122(j) of title 17); or

(ii) would alter or remove National Weather Service warnings from local broadcast signals.

(2) Other considerations

The Board shall consider other factors, which shall include projects that would—

(A) offer a separate tier of local broadcast signals, but for applicable Federal, State, or local laws or regulations;

(B) provide lower projected costs to consumers of such separate tier; and

(C) enable the delivery of local broadcast signals consistent with the purpose of this chapter by a means reasonably compatible with existing systems or devices predominantly in use.

(3) Further consideration

In implementing this chapter, the Board shall support the use of loan guarantees for

projects that would serve households not likely to be served in the absence of loan guarantees under this chapter.

(f) Guarantee limits

(1) Limitation on aggregate value of loans

The aggregate value of all loans for which loan guarantees are issued under this chapter (including the unguaranteed portion of such loans) may not exceed \$1,250,000,000.

(2) Guarantee level

A loan guarantee issued under this chapter may not exceed an amount equal to 80 percent of a loan meeting in its entirety the requirements of subsection (d)(2)(A) of this section. If only a portion of a loan meets the requirements of that subsection, the Board shall determine that percentage of the loan meeting such requirements (the "applicable portion") and may issue a loan guarantee in an amount not exceeding 80 percent of the applicable portion.

(g) Underwriting criteria

Within the period provided for under subsection (b)(1) of this section, the Board shall, in consultation with the Director of the Office of Management and Budget and an independent public accounting firm, develop underwriting criteria relating to the guarantee of loans that are consistent with the purpose of this chapter, including appropriate collateral and cash flow levels for loans guaranteed under this chapter, and such other matters as the Board considers appropriate.

(h) Credit risk premiums

(1) Establishment and acceptance

(A) In general

The Board may establish and approve the acceptance of credit risk premiums with respect to a loan guarantee under this chapter in order to cover the cost, as defined in section 661a(5) of title 2, of the loan guarantee. To the extent that appropriations of budget authority are insufficient to cover the cost, as so determined, of a loan guarantee under this chapter, credit risk premiums shall be accepted from a non-Federal source under this subsection on behalf of the applicant for the loan guarantee.

(B) Authority limited by appropriations Acts

Credit risk premiums under this subsection shall be imposed only to the extent provided for in advance in appropriations Acts.

(2) Credit risk premium amount

(A) In general

The Board shall determine the amount of any credit risk premium to be accepted with respect to a loan guarantee under this chapter on the basis of—

(i) the financial and economic circumstances of the applicant for the loan guarantee, including the amount of collateral offered;

(ii) the proposed schedule of loan disbursements;

(iii) the business plans of the applicant for providing service;

(iv) any financial commitment from a broadcast signal provider; and

(v) the concurrence of the Director of the Office of Management and Budget as to the amount of the credit risk premium.

(B) Proportionality

To the extent that appropriations of budget authority are sufficient to cover the cost, as determined under section 661a(5) of title 2, of loan guarantees under this chapter, the credit risk premium with respect to each loan guarantee shall be reduced proportionately.

(C) Payment of premiums

Credit risk premiums under this subsection shall be paid to an account (the “Escrow Account”) established in the Treasury which shall accrue interest and such interest shall be retained by the account, subject to subparagraph (D).

(D) Deductions from Escrow Account

If a default occurs with respect to any loan guaranteed under this chapter and the default is not cured in accordance with the terms of the underlying loan or loan guarantee agreement, the Administrator, in accordance with subsections (i) and (j) of section 1104 of this title, shall liquidate, or shall cause to be liquidated, all assets collateralizing such loan as to which it has a lien or security interest. Any shortfall between the proceeds of the liquidation net of costs and expenses relating to the liquidation, and the guarantee amount paid pursuant to this chapter shall be deducted from funds in the Escrow Account and credited to the Administrator for payment of such shortfall. At such time as determined under subsection (d)(2)(E) of this section when all loans guaranteed under this chapter have been repaid or otherwise satisfied in accordance with this chapter and the regulations promulgated hereunder, remaining funds in the Escrow Account, if any, shall be refunded, on a pro rata basis, to applicants whose loans guaranteed under this chapter were not in default, or where any default was cured in accordance with the terms of the underlying loan or loan guarantee agreement.

(i) Limitations on guarantees for certain cable operators

Notwithstanding any other provision of this chapter, no loan guarantee under this chapter may be granted or used to provide funds for a project that extends, upgrades, or enhances the services provided over any cable system to an area that, as of December 21, 2000, is covered by a cable franchise agreement that expressly obligates a cable system operator to serve such area.

(j) Judicial review

The decision of the Board to approve or disapprove the making of a loan guarantee under this chapter shall not be subject to judicial review.

(k) Applicability of APA

Except as otherwise provided in subsection (j) of this section, the provisions of subchapter II of

chapter 5 and chapter 7 of title 5 (commonly referred to as the Administrative Procedure Act), shall apply to actions taken under this chapter.

§ 1104. Administration of loan guarantees

(a) In general

The Administrator of the Rural Utilities Service (in this chapter referred to as the “Administrator”) shall issue and otherwise administer loan guarantees that have been approved by the Board in accordance with sections 1102 and 1103 of this title.

(b) Security for protection of United States financial interests

(1) Terms and conditions

An applicant shall agree to such terms and conditions as are satisfactory, in the judgment of the Board, to ensure that, as long as any principal or interest is due and payable on a loan guaranteed under this chapter, the applicant—

(A) shall maintain assets, equipment, facilities, and operations on a continuing basis;

(B) shall not make any discretionary dividend payments that impair its ability to repay obligations guaranteed under this chapter;

(C) shall remain sufficiently capitalized; and

(D) shall submit to, and cooperate fully with, any audit of the applicant under section 1105(a)(2) of this title.

(2) Collateral

(A) Existence of adequate collateral

An applicant shall provide the Board such documentation as is necessary, in the judgment of the Board, to provide satisfactory evidence that appropriate and adequate collateral secures a loan guaranteed under this chapter.

(B) Form of collateral

Collateral required by subparagraph (A) shall consist solely of assets of the applicant, any affiliate of the applicant, or both (whichever the Board considers appropriate), including primary assets to be used in the delivery of signals for which the loan is guaranteed.

(C) Review of valuation

The value of collateral securing a loan guaranteed under this chapter may be reviewed by the Board, and may be adjusted downward by the Board if the Board reasonably believes such adjustment is appropriate.

(3) Lien on interests in assets

Upon the Board's approval of a loan guarantee under this chapter, the Administrator shall have liens on assets securing the loan, which shall be superior to all other liens on such assets, and the value of the assets (based on a determination satisfactory to the Board) subject to the liens shall be at least equal to the unpaid balance of the loan amount covered by the loan guarantee, or that value approved by the Board under section 1103(d)(3)(B)(iii) of this title.

(4) Perfected security interest

With respect to a loan guaranteed under this chapter, the Administrator and the lender shall have a perfected security interest in assets securing the loan that are fully sufficient to protect the financial interests of the United States and the lender.

(5) Insurance

In accordance with practices in the private capital market, as determined by the Board, the applicant for a loan guarantee under this chapter shall obtain, at its expense, insurance sufficient to protect the financial interests of the United States, as determined by the Board.

(c) Assignment of loan guarantees

The holder of a loan guarantee under this chapter may assign the loan guaranteed under this chapter in whole or in part, subject to such requirements as the Board may prescribe.

(d) Expiration of loan guarantee upon stripping

Notwithstanding subsections (c), (e), and (h) of this section, a loan guarantee under this chapter shall have no force or effect if any part of the guaranteed portion of the loan is transferred separate and apart from the unguaranteed portion of the loan.

(e) Adjustment

The Board may approve the adjustment of any term or condition of a loan guarantee or a loan guaranteed under this chapter, including the rate of interest, time of payment of principal or interest, or security requirements only if—

(1) the adjustment is consistent with the financial interests of the United States;

(2) consent has been obtained from the parties to the loan agreement;

(3) the adjustment is consistent with the underwriting criteria developed under section 1103(g) of this title;

(4) the adjustment does not adversely affect the interest of the Federal Government in the assets or collateral of the applicant;

(5) the adjustment does not adversely affect the ability of the applicant to repay the loan; and

(6) the National Telecommunications and Information Administration has been consulted by the Board regarding the adjustment.

(f) Performance schedules**(1) Performance schedules**

An applicant for a loan guarantee under this chapter for a project covered by section 1103(e)(1)¹ of this title shall enter into stipulated performance schedules with the Administrator with respect to the signals to be provided through the project.

(2) Penalty

The Administrator may assess against and collect from an applicant described in paragraph (1) a penalty not to exceed 3 times the interest due on the guaranteed loan of the applicant under this chapter if the applicant fails to meet its stipulated performance schedule under that paragraph.

(g) Compliance

The Administrator, in cooperation with the Board and as the regulations of the Board may provide, shall enforce compliance by an applicant, and any other party to a loan guarantee for whose benefit assistance under this chapter is intended, with the provisions of this chapter, any regulations under this chapter, and the terms and conditions of the loan guarantee, including through the submittal of such reports and documents as the Board may require in regulations prescribed by the Board and through regular periodic inspections and audits.

(h) Commercial validity

A loan guarantee under this chapter shall be incontestable—

(1) in the hands of an applicant on whose behalf the loan guarantee is made, unless the applicant engaged in fraud or misrepresentation in securing the loan guarantee; and

(2) as to any person or entity (or their respective successor in interest) who makes or contracts to make a loan to the applicant for the loan guarantee in reliance thereon, unless such person or entity (or respective successor in interest) engaged in fraud or misrepresentation in making or contracting to make such loan.

(i) Defaults

The Board shall prescribe regulations governing defaults on loans guaranteed under this chapter, including the administration of the payment of guaranteed amounts upon default.

(j) Recovery of payments**(1) In general**

The Administrator shall be entitled to recover from an applicant for a loan guarantee under this chapter the amount of any payment made to the holder of the guarantee with respect to the loan.

¹ See References in Text note below.

(2) Subrogation

Upon making a payment described in paragraph (1), the Administrator shall be subrogated to all rights of the party to whom the payment is made with respect to the guarantee which was the basis for the payment.

(3) Disposition of property**(A) Sale or disposal**

The Administrator shall, in an orderly and efficient manner, sell or otherwise dispose of any property or other interests obtained under this chapter in a manner that maximizes taxpayer return and is consistent with the financial interests of the United States.

(B) Maintenance

The Administrator shall maintain in a cost-effective and reasonable manner any property or other interests pending sale or disposal of such property or other interests under subparagraph (A).

(k) Action against obligor**(1) Authority to bring civil action**

The Administrator may bring a civil action in an appropriate district court of the United States in the name of the United States or of the holder of the obligation in the event of a default on a loan guaranteed under this chapter. The holder of a loan guarantee shall make available to the Administrator all records and evidence necessary to prosecute the civil action.

(2) Fully satisfying obligations owed the United States

The Administrator may accept property in satisfaction of any sums owed the United States as a result of a default on a loan guaranteed under this chapter, but only to the extent that any cash accepted by the Administrator is not sufficient to satisfy fully the sums owed as a result of the default.

(l) Breach of conditions

The Administrator shall commence a civil action in a court of appropriate jurisdiction to enjoin any activity which the Board finds is in violation of this chapter, the regulations under this chapter, or any conditions which were duly agreed to, and to secure any other appropriate relief, including relief against any affiliate of the applicant.

(m) Attachment

No attachment or execution may be issued against the Administrator or any property in the control of the Administrator pursuant to this chapter before the entry of a final judgment (as to which all rights of appeal have expired) by a Federal, State, or other court of competent jurisdiction against the Administrator in a proceeding for such action.

(n) Fees**(1) Application fee**

The Board shall charge and collect from an applicant for a loan guarantee under this chapter a fee to cover the cost of the Board in making necessary determinations and findings with respect to the loan guarantee application

under this chapter. The amount of the fee shall be reasonable.

(2) Loan guarantee origination fee

The Board shall charge, and the Administrator may collect, a loan guarantee origination fee with respect to the issuance of a loan guarantee under this chapter.

(3) Use of fees collected**(A) In general**

Any fee collected under this subsection shall be used, subject to subparagraph (B), to offset administrative costs under this chapter, including costs of the Board and of the Administrator.

(B) Subject to appropriations

The authority provided by this subsection shall be effective only to such extent or in such amounts as are provided in advance in appropriations Acts.

(C) Limitation on fees

The aggregate amount of fees imposed by this subsection shall not exceed the actual amount of administrative costs under this chapter.
