A notice of delayed action shall not be considered agency action subject to judicial review. If the Secretary publishes an advance
notice of proposed rulemaking, the Secretary is not required to follow such notice with a notice of proposed rulemaking if the Secretary determines on the basis of such advanced notice and the comments received thereon that the contemplated action should not be taken under the provisions of the National Traffic and Motor Vehicle Safety Act of 1966 (formerly 15 U.S.C. 1381 et seq.), including the provisions of section 103 of such Act (formerly 15 U.S.C. 1392), and if the Secretary publishes the reasons for such determination consistent with chapter 5 of title 5, United States Code.

The Secretary may not decide against promulgation of a final rule because of lack of time to complete rulemaking. Any such rulemaking actions shall be published in the Federal Register, together with the reasons for such decisions, consistent with chapter 5 of title 5, United States Code.

The extension of the completion date shall not be considered agency action subject to judicial review.
