plus because the complete name of the Secretary of Transportation is used the first time the term appears in a section. The words “selling and distributing” are substituted for “who is engaged in the sale and distribution of” to eliminate unnecessary words. The word “purpose” is omitted as surplus. In clause (3), the words “selling and distributing” are substituted for “engaged in the sale and distribution of” to eliminate unnecessary words. In clauses (10) and (11), the words “the Northern Mariana Islands” are added because of section 502(a)(2) of the Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States of America, as enacted by the Act of March 24, 1976 (Public Law 94–241, 90 Stat. 238), and as proclaimed to be in effect by the President on January 9, 1978 (Proc. No. 4534, Oct. 24, 1977, 42 F.R. 56690). The words “the Canal Zone” are omitted because of the Panama Canal Treaty of 1977. § 30103. Relationship to other laws

(a) UNIFORMITY OF REGULATIONS.—The Secretary of Transportation may not prescribe a safety regulation related to a motor vehicle subject to subchapter I of chapter 135 of this title that differs from a motor vehicle safety standard prescribed under this chapter. However, the Secretary may prescribe, for a motor vehicle operated by a carrier subject to subchapter I of chapter 135, a safety regulation that imposes a higher standard of performance after manufacture than that required by an applicable standard in effect at the time of manufacture.

(b) PREEMPTION.—(1) When a motor vehicle safety standard is in effect under this chapter, a State or a political subdivision of a State may prescribe or continue in effect a standard applicable to the same aspect of performance of a motor vehicle or motor vehicle equipment only if the standard is identical to the standard prescribed under this chapter. However, the United States Government, a State, or a political subdivision of a State may prescribe a standard for a motor vehicle or motor vehicle equipment obtained for its own use that imposes a higher performance requirement than that required by the otherwise applicable standard under this chapter.

(2) A State may enforce a standard that is identical to a standard prescribed under this chapter.

(c) ANTITRUST LAWS.—This chapter does not—

(1) exempt from the antitrust laws conduct that is unlawful under those laws; or

(2) prohibit under the antitrust laws conduct that is lawful under those laws.

(d) WARRANTY OBLIGATIONS AND ADDITIONAL LEGAL RIGHTS AND REMEDIES.—Sections 30118-30121, 30166(f), and 30167(a) and (b) of this title do not establish or affect a warranty obligation under a law of the United States or a State. A remedy under those sections and sections 30161 and 30162 of this title is in addition to other rights and remedies under other laws of the United States or a State.

(e) COMMON LAW LIABILITY.—Compliance with a motor vehicle safety standard prescribed under this chapter does not exempt a person from liability at common law.
