

§ 44924. Repair station security

(a) SECURITY REVIEW AND AUDIT.—To ensure the security of maintenance and repair work conducted on air carrier aircraft and components at foreign repair stations, the Under Secretary for Border and Transportation Security of the Department of Homeland Security, in consultation with the Administrator of the Federal Aviation Administration, shall complete a security review and audit of foreign repair stations that are certified by the Administrator under part 145 of title 14, Code of Federal Regulations, and that work on air carrier aircraft and components. The review shall be completed not later than 6 months after the date on which the Under Secretary issues regulations under subsection (f).

(b) ADDRESSING SECURITY CONCERNS.—The Under Secretary shall require a foreign repair station to address the security issues and vulnerabilities identified in a security audit conducted under subsection (a) within 90 days of providing notice to the repair station of the security issues and vulnerabilities so identified and shall notify the Administrator that a deficiency was identified in the security audit.

(c) SUSPENSIONS AND REVOCATIONS OF CERTIFICATES.—

(1) FAILURE TO CARRY OUT EFFECTIVE SECURITY MEASURES.—If, after the 90th day on which a notice is provided to a foreign repair station under subsection (b), the Under Secretary determines that the foreign repair station does not maintain and carry out effective security measures, the Under Secretary shall notify the Administrator of the determination. Upon receipt of the determination, the Administrator shall suspend the certification of the repair station until such time as the Under Secretary determines that the repair station maintains and carries out effective security measures and transmits the determination to the Administrator.

(2) IMMEDIATE SECURITY RISK.—If the Under Secretary determines that a foreign repair station poses an immediate security risk, the Under Secretary shall notify the Administrator of the determination. Upon receipt of the determination, the Administrator shall revoke the certification of the repair station.

(3) PROCEDURES FOR APPEALS.—The Under Secretary, in consultation with the Administrator, shall establish procedures for appealing a revocation of a certificate under this subsection.

(d) FAILURE TO MEET AUDIT DEADLINE.—If the security audits required by subsection (a) are not completed on or before the date that is 6 months after the date on which the Under Secretary issues regulations under subsection (f), the Administrator shall be barred from certifying any foreign repair station (other than a station that was previously certified, or is in the process of certification, by the Administration under this part) until such audits are completed for existing stations.

(e) PRIORITY FOR AUDITS.—In conducting the audits described in subsection (a), the Under Secretary and the Administrator shall give priority to foreign repair stations located in coun-

tries identified by the Government as posing the most significant security risks.

(f) REGULATIONS.—Not later than 240 days after the date of enactment of this section, the Under Secretary, in consultation with the Administrator, shall issue final regulations to ensure the security of foreign and domestic aircraft repair stations.

(g) REPORT TO CONGRESS.—If the Under Secretary does not issue final regulations before the deadline specified in subsection (f), the Under Secretary shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report containing an explanation as to why the deadline was not met and a schedule for issuing the final regulations.

REFERENCES IN TEXT

The date of enactment of this section, referred to in subsec. (f), is the date of enactment of Pub. L. 108-176, which was approved Dec. 12, 2003.

AMENDMENTS

2007—Subsec. (a). Pub. L. 110-53, §1616(b)(1), substituted “6 months” for “18 months”.

Subsec. (d). Pub. L. 110-53, §1616(b)(2), inserted “(other than a station that was previously certified, or is in the process of certification, by the Administration under this part)” after “foreign repair station”.

Pub. L. 110-53, §1616(b)(1), which directed amendment of subsec. (b) by substituting “6 months” for “18 months”, was executed by making the substitution in subsec. (d), to reflect the probable intent of Congress.

EFFECTIVE DATE

Section applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108-176, set out as an Effective Date of 2003 Amendment note under section 106 of this title.

SUSPENSION OF CERTIFICATION OF FOREIGN REPAIR STATIONS

Pub. L. 110-53, title XVI, §1616(a), Aug. 3, 2007, 121 Stat. 488, provided that: “If the regulations required by section 44924(f) of title 49, United States Code, are not issued within 1 year after the date of enactment of this Act [Aug. 3, 2007], the Administrator of the Federal Aviation Administration may not certify any foreign repair station under part 145 of title 14, Code of Federal Regulations, after such date unless the station was previously certified, or is in the process of certification by the Administration under that part.”

§ 44925. Deployment and use of detection equipment at airport screening checkpoints

(a) WEAPONS AND EXPLOSIVES.—The Secretary of Homeland Security shall give a high priority to developing, testing, improving, and deploying, at airport screening checkpoints, equipment that detects nonmetallic, chemical, biological, and radiological weapons, and explosives, in all forms, on individuals and in their personal property. The Secretary shall ensure that the equipment alone, or as part of an integrated system, can detect under realistic operating conditions the types of weapons and explosives that terrorists would likely try to smuggle aboard an air carrier aircraft.

(b) STRATEGIC PLAN FOR DEPLOYMENT AND USE OF EXPLOSIVE DETECTION EQUIPMENT AT AIRPORT SCREENING CHECKPOINTS.—

(1) IN GENERAL.—Not later than 90 days after the date of enactment of this section, the Assistant Secretary of Homeland Security (Transportation Security Administration) shall submit to the appropriate congressional committees a strategic plan to promote the optimal utilization and deployment of explosive detection equipment at airports to screen individuals and their personal property. Such equipment includes walk-through explosive detection portals, document scanners, shoe scanners, and backscatter x-ray scanners. The plan may be submitted in a classified format.

(2) CONTENT.—The strategic plan shall include, at minimum—

(A) a description of current efforts to detect explosives in all forms on individuals and in their personal property;

(B) a description of the operational applications of explosive detection equipment at airport screening checkpoints;

(C) a deployment schedule and a description of the quantities of equipment needed to implement the plan;

(D) a description of funding needs to implement the plan, including a financing plan that provides for leveraging of non-Federal funding;

(E) a description of the measures taken and anticipated to be taken in carrying out subsection (d); and

(F) a description of any recommended legislative actions.

(3) IMPLEMENTATION.—The Secretary shall begin implementation of the strategic plan within one year after the date of enactment of this paragraph.

(c) PORTAL DETECTION SYSTEMS.—There is authorized to be appropriated to the Secretary of Homeland Security for the use of the Transportation Security Administration \$250,000,000, in addition to any amounts otherwise authorized by law, for research, development, and installation of detection systems and other devices for the detection of biological, chemical, radiological, and explosive materials.

(d) INTERIM ACTION.—Until measures are implemented that enable the screening of all passengers for explosives, the Assistant Secretary shall provide, by such means as the Assistant Secretary considers appropriate, explosives detection screening for all passengers identified for additional screening and their personal property that will be carried aboard a passenger aircraft operated by an air carrier or foreign air carrier in air transportation or intrastate air transportation.

AMENDMENTS

2007—Subsec. (b)(3). Pub. L. 110–53 added par. (3).

ISSUANCE OF STRATEGIC PLAN FOR DEPLOYMENT AND USE OF EXPLOSIVE DETECTION EQUIPMENT AT AIRPORT SCREENING CHECKPOINTS

Pub. L. 110–53, title XVI, §1607(a), Aug. 3, 2007, 121 Stat. 483, provided that: “Not later than 30 days after the date of enactment of this Act [Aug. 3, 2007], the Secretary of Homeland Security, in consultation with the Administrator of the Transportation Security Administration, shall issue the strategic plan the Secretary was required by section 44925(b) of title 49, United States Code, to have issued within 90 days after the date of enactment of the Intelligence Reform and Terrorism Prevention Act of 2004 (Public Law 108–458) [Dec. 17, 2004].”

ADVANCED AIRPORT CHECKPOINT SCREENING DEVICES

Pub. L. 108–458, title IV, §4014, Dec. 17, 2004, 118 Stat. 3720, directed the Assistant Secretary of Homeland Security (Transportation Security Administration), not later than Mar. 31, 2005, to develop and initiate a pilot program to deploy and test advanced airport checkpoint screening devices and technology as an integrated system at not less than 5 airports in the United States.

§ 44926. Appeal and redress process for passengers wrongly delayed or prohibited from boarding a flight

(a) IN GENERAL.—The Secretary of Homeland Security shall establish a timely and fair process for individuals who believe they have been delayed or prohibited from boarding a commercial aircraft because they were wrongly identified as a threat under the regimes utilized by the Transportation Security Administration, United States Customs and Border Protection, or any other office or component of the Department of Homeland Security.

(b) OFFICE OF APPEALS AND REDRESS.—

(1) ESTABLISHMENT.—The Secretary shall establish in the Department an Office of Appeals and Redress to implement, coordinate, and execute the process established by the Secretary pursuant to subsection (a). The Office shall include representatives from the Transportation Security Administration, United States Customs and Border Protection, and such other offices and components of the Department as the Secretary determines appropriate.

(2) RECORDS.—The process established by the Secretary pursuant to subsection (a) shall include the establishment of a method by which the Office, under the direction of the Secretary, will be able to maintain a record of air carrier passengers and other individuals who have been misidentified and have corrected erroneous information.

(3) INFORMATION.—To prevent repeated delays of an¹ misidentified passenger or other individual, the Office shall—

(A) ensure that the records maintained under this subsection contain information determined by the Secretary to authenticate the identity of such a passenger or individual;

(B) furnish to the Transportation Security Administration, United States Customs and
