"(1) TEMPORARY REGULATIONS.—Not later than April 1, 2006, the Secretary of Transportation shall issue temporary regulations to implement the grant program under section 20154 of title 49, United States Code, as added by subsection (a). Subchapter II of chapter 5 of title 5, United States Code, shall not apply to the issuance of a temporary regulation under this subsection or of any amendment of such a temporary regulation."
§ 20155. Tank cars

(a) STANDARDS.—The Federal Railroad Administration shall—

(1) validate a predictive model to quantify the relevant dynamic forces acting on railroad tank cars under accident conditions within 1 year after the date of enactment of this section; and

(2) initiate a rulemaking to develop and implement appropriate design standards for pressurized tank cars within 18 months after the date of enactment of this section.

(b) OLDER TANK CAR IMPACT RESISTANCE ANALYSIS AND REPORT.—Within 1 year after the date of enactment of this section the Federal Railroad Administration shall conduct a comprehensive analysis to determine the impact resistance of the steels in the shells of pressure tank cars constructed before 1989. Within 6 months after completing that analysis the Administration shall transmit a report, including recommendations for reducing any risk of catastrophic fracture and separation of such cars, to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

§ 20156. Railroad safety risk reduction program

(a) IN GENERAL.—

(1) PROGRAM REQUIREMENT.—Not later than 4 years after the date of enactment of the Rail Safety Improvement Act of 2008, the Secretary of Transportation, by regulation, shall require each railroad carrier that is a Class I railroad, a railroad carrier that has inadequate safety performance (as determined by the Secretary), or a railroad carrier that provides intercity rail passenger or commuter rail passenger transportation—

(A) to develop a railroad safety risk reduction program under subsection (d) that systematically evaluates railroad safety risks on its system and manages those risks in order to reduce the numbers and rates of railroad accidents, incidents, injuries, and fatalities;

(B) to submit its program, including any required plans, to the Secretary for review and approval; and

(C) to implement the program and plans approved by the Secretary.

(2) RELIANCE ON PILOT PROGRAM.—The Secretary may conduct behavior-based safety and other research, including pilot programs, before promulgating regulations under this subsection and thereafter. The Secretary shall use any information and experience gathered through such research and pilot programs under this subsection in developing regulations under this section.

(b) REVIEW AND APPROVAL.—The Secretary shall review and approve or disapprove railroad safety risk reduction program plans within a reasonable period of time. If the proposed plan is not approved, the Secretary shall notify the affected railroad carrier as to the specific areas in which the proposed plan is deficient, and the railroad carrier shall correct all deficiencies within a reasonable period of time following receipt of written notice from the Secretary. The Secretary shall annually conduct a review to ensure that the railroad carriers are complying with their plans.

(c) RISK ANALYSIS.—In developing its railroad safety risk reduction program each railroad carrier required to submit such a program pursuant to subsection (a) shall identify and analyze the aspects of its railroad, including operating rules and practices, infrastructure, equipment, employee levels and schedules, safety culture, management structure, employee training, and other matters, including those not covered by railroad safety regulations or other Federal regulations, that impact railroad safety.

(d) PROGRAM ELEMENTS.—

(1) In general.—Each railroad carrier’s safety risk reduction program shall include—

(A) the mitigation of aspects that increase risks to railroad safety; and

(B) the enhancement of aspects that decrease risks to railroad safety.

(2) REQUIRED COMPONENTS.—Each railroad carrier’s safety risk reduction program shall include a risk mitigation plan in accordance with this section, a technology implementation plan that meets the requirements of subsection (e), and a fatigue management plan that meets the requirements of subsection (f).

(3) TECHNOLOGY IMPLEMENTATION PLAN.—

(a) In general.—As part of its railroad safety risk reduction program, a railroad carrier required to submit a railroad safety risk reduction program under subsection (a) shall develop, and periodically update as necessary, a 10-year technology implementation plan that describes the railroad carrier’s plan for development, adoption, implementation, mainte-
nance, and use of current, new, or novel technologies on its system over a 10-year period to reduce safety risks identified under the railroad safety risk reduction program. Any updates to the plan are subject to review and approval by the Secretary.

(2) TECHNOLOGY ANALYSIS.—A railroad carrier’s technology implementation plan shall include an analysis of the safety impact, feasibility, and cost and benefits of implementing technologies, including processor-based technologies, positive train control systems (as defined in section 20157(i)), electronically controlled pneumatic brakes, rail integrity inspection systems, rail integrity warning systems, switch position monitors and indicators, trespasser prevention technology, highway-rail grade crossing technology, and other new or novel railroad safety technology, as appropriate, that may mitigate risks to railroad safety identified in the risk analysis required by subsection (c).

(3) IMPLEMENTATION SCHEDULE.—A railroad carrier’s technology implementation plan shall contain a prioritized implementation schedule for the development, adoption, implementation, and use of current, new, or novel technologies on its system to reduce safety risks identified under the railroad safety risk reduction program.

(4) POSITIVE TRAIN CONTROL.—Except as required by section 20157 (relating to the requirements for implementation of positive train control systems), the Secretary shall ensure that—

(A) each railroad carrier’s technology implementation plan required under paragraph (1) that includes a schedule for implementation of a positive train control system complies with that schedule; and

(B) each railroad carrier required to submit such a plan implements a positive train control system pursuant to such plan by December 31, 2018.

(f) FATIGUE MANAGEMENT PLAN.—

(1) IN GENERAL.—As part of its railroad safety risk reduction program, a railroad carrier required to submit a railroad safety risk reduction program under subsection (a) shall develop and update at least once every 2 years a fatigue management plan that is designed to reduce the fatigue experienced by safety-related railroad employees and to reduce the likelihood of accidents, incidents, injuries, and fatalities caused by fatigue. Any such update shall be subject to review and approval by the Secretary.

(2) TARGETED FATIGUE COUNTERMEASURES.—A railroad carrier’s fatigue management plan shall take into account the varying circumstances of operations by the railroad on different parts of its system, and shall prescribe appropriate fatigue countermeasures to address those varying circumstances.

(3) ADDITIONAL ELEMENTS.—A railroad shall consider the need to include in its fatigue management plan elements addressing each of the following items, as applicable:

(A) Employee education and training on the physiological and human factors that affect fatigue, as well as strategies to reduce or mitigate the effects of fatigue, based on the most current scientific and medical research and literature.

(B) Opportunities for identification, diagnosis, and treatment of any medical condition that may affect alertness or fatigue, including sleep disorders.

(C) Effects on employee fatigue of an employee’s short-term or sustained response to emergency situations, such as derailments and natural disasters, or engagement in other intensive working conditions.

(D) Scheduling practices for employees, including innovative scheduling practices, on-duty call practices, work and rest cycles, increased consecutive days off for employees, changes in shift patterns, appropriate scheduling practices for varying types of work, and other aspects of employee scheduling that would reduce employee fatigue and cumulative sleep loss.

(E) Methods to minimize accidents and incidents that occur as a result of working at times when scientific and medical research have shown increased fatigue disrupts employees’ circadian rhythm.

(F) Alertness strategies, such as policies on napping, to address acute drowsiness and fatigue while an employee is on duty.

(G) Opportunities to obtain restful sleep at lodging facilities, including employee sleeping quarters provided by the railroad carrier.

(H) The increase of the number of consecutive hours of off-duty rest, during which an employee receives no communication from the employing railroad carrier or its managers, supervisors, officers, or agents.

(I) Avoidance of abrupt changes in rest cycles for employees.

(J) Additional elements that the Secretary considers appropriate.

(g) CONSENSUS.—

(1) IN GENERAL.—Each railroad carrier required to submit a railroad safety risk reduction program under subsection (a) shall consult with, employ good faith and use its best efforts to reach agreement with, all of its directly affected employees, including any nonprofit employee labor organization representing a class or craft of directly affected employees of the railroad carrier, on the contents of the safety risk reduction program.

(2) STATEMENT.—If the railroad carrier and its directly affected employees, including any nonprofit employee labor organization representing a class or craft of directly affected employees of the railroad carrier, cannot reach consensus on the proposed contents of the plan, then directly affected employees and such organization may file a statement with the Secretary explaining their views on the plan on which consensus was not reached. The Secretary shall consider such views during review and approval of the program.

(b) ENFORCEMENT.—The Secretary shall have the authority to assess civil penalties pursuant to chapter 213 for a violation of this section, including the failure to submit, certify, or comply with a safety risk reduction program, risk miti-
§ 20157

Implementation of positive train control systems

(a) In General.—

(1) Plan Required.—Not later than 18 months after the date of enactment of the Rail Safety Improvement Act of 2008, each Class I railroad carrier and each entity providing regularly scheduled intercity or commuter rail passenger transportation shall develop and submit to the Secretary of Transportation a plan for implementing a positive train control system by December 31, 2015, governing operations on—

(A) its main line over which intercity rail passenger transportation or commuter rail passenger transportation, as defined in section 24102, is regularly provided;

(B) its main line over which poison- or toxic-by-inhalation hazardous materials, as defined in parts 171.8, 173.115, and 173.132 of title 49, Code of Federal Regulations, are transported; and

(C) such other tracks as the Secretary may prescribe by regulation or order.

(2) Implementation.—The plan shall describe how it will provide for interoperability of the system with movements of trains of other railroad carriers over its lines and shall, to the extent practical, implement the system in a manner that addresses areas of greater risk before areas of lesser risk. The railroad carrier shall implement a positive train control system in accordance with the plan.

(b) Technical Assistance.—The Secretary may provide technical assistance and guidance to railroad carriers in developing the plans required under subsection (a).

(c) Review and Approval.—Not later than 90 days after the Secretary receives a plan, the Secretary shall review and approve or disapprove it. If the proposed plan is not approved, the Secretary shall notify the affected railroad carrier or other entity as to the specific areas in which the proposed plan is deficient, and the railroad carrier or other entity shall correct all deficiencies within 30 days following receipt of written notice from the Secretary. The Secretary shall annually conduct a review to ensure that the railroad carriers are complying with their plans.

(d) Report.—Not later than December 31, 2012, the Secretary shall transmit a report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the progress of the railroad carriers in implementing such positive train control systems.

(e) Enforcement.—The Secretary is authorized to assess civil penalties pursuant to chapter 213 for a violation of this section, including the failure to submit or comply with a plan for implementing positive train control under subsection (a).

(f) Other Railroad Carriers.—Nothing in this section restricts the discretion of the Secretary to require railroad carriers other than those specified in subsection (a) to implement a positive train control system pursuant to this section or section 20156, or to specify the period by which implementation shall occur that does not exceed the time limits established in this section or section 20156. In exercising such discretion, the Secretary shall, at a minimum, consider the risk to railroad employees and the public associated with the operations of the railroad carrier.

(g) Regulations.—The Secretary shall prescribe regulations or issue orders necessary to implement this section, including regulations specifying in appropriate technical detail the essential functionalities of positive train control systems, and the means by which those systems will be qualified.

(h) Certification.—The Secretary shall not permit the installation of any positive train control system or component in revenue service unless the Secretary has certified that any such system or component has been approved through the approval process set forth in part 236 of title 49, Code of Federal Regulations, and complies with the requirements of that part.

(1) Definitions.—In this section:

(I) interoperability.—The term “interoperability” means the ability to control locomotives of the host railroad and tenant railroad to communicate with and respond to the positive train control system, including uninterrupted movements over property boundaries.

(2) Main Line.—The term “main line” means a segment or route of railroad tracks over which 5,000,000 or more gross tons of railroad traffic is transported annually, except that—

(A) the Secretary may, through regulations under subsection (g), designate additional tracks as main line as appropriate for this section; and

(B) for intercity rail passenger transportation or commuter rail passenger transportation routes or segments over which limited or no freight railroad operations occur, the Secretary shall define the term “main line” by regulation.

(3) Positive Train Control System.—The term “positive train control system” means a system designed to prevent train-to-train collisions, over-speed derailments, incursions into established work zone limits, and the movement of a train through a switch left in the wrong position.

So in original. Probably should be “sections”.

1
§ 20158. Railroad safety technology grants

(a) GRANT PROGRAM.—The Secretary of Transportation shall establish a grant program for the deployment of train control technologies, train control component technologies, processor-based technologies, electronically controlled pneumatic brakes, rail integrity inspection systems, rail integrity warning systems, switch position indicators and monitors, remote control power switch technologies, track integrity circuit technologies, and other new or novel railroad safety technology.

(b) GRANT CRITERIA.—

(1) ELIGIBILITY.—Grants shall be made under this section to eligible passenger and freight railroad carriers, railroad suppliers, and State and local governments for projects described in subsection (a) that have a public benefit of improved safety and network efficiency.

(2) CONSIDERATIONS.—Priority shall be given to projects that—

(A) focus on making technologies interoperable between railroad systems, such as train control technologies;

(B) accelerate train control technology deployment on high-risk corridors, such as those that have high volumes of hazardous materials shipments or over which commuter or passenger trains operate; or

(C) benefit both passenger and freight safety and efficiency.

(3) IMPLEMENTATION PLANS.—Grants may not be awarded under this section to entities that fail to develop and submit to the Secretary the plans required by sections 20156(e)(2) and 20157.

(4) MATCHING REQUIREMENTS.—Federal funds for any eligible project under this section shall not exceed 80 percent of the total cost of such project.

(c) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary of Transportation $50,000,000 for each of fiscal years 2009 through 2013 to carry out this section. Amounts appropriated pursuant to this section shall remain available until expended.

§ 20159. Roadway user sight distance at highway-rail grade crossings

Not later than 18 months after the date of enactment of the Rail Safety Improvement Act of 2008, the Secretary, after consultation with the Federal Railroad Administration, the Federal Highway Administration, and States, shall develop and make available to States model legislation providing for improving safety by addressing sight obstructions, including vegetation growth, topographic features, structures, and standing railroad equipment, at highway-rail grade crossings that are equipped solely with passive warnings, as recommended by the Inspector General of the Department of Transportation in Report No. MH–2007-04.

§ 20160. National crossing inventory

(a) INITIAL REPORTING OF INFORMATION ABOUT PREVIOUSLY UNREPORTED CROSSINGS.—Not later than 1 year after the date of enactment of the Rail Safety Improvement Act of 2008 or 6 months after a new crossing becomes operational, whichever occurs later, each railroad carrier shall—

(1) report to the Secretary of Transportation current information, including information about warning devices and signage, as specified by the Secretary, concerning each previously unreported crossing through which it operates or with respect to the trackage over which it operates; or

(2) ensure that the information has been reported to the Secretary by another railroad carrier that operates through the crossing.

(b) UPDATING OF CROSSING INFORMATION.—

(1) On a periodic basis beginning not later than 2 years after the date of enactment of the Rail Safety Improvement Act of 2008 and on or before September 30 of every year thereafter, or as otherwise specified by the Secretary, each railroad carrier shall—

(A) report to the Secretary current information, including information about warning devices and signage, as specified by the Secretary, concerning each crossing through which it operates or with respect to the trackage over which it operates; or

(B) ensure that the information has been reported to the Secretary by another railroad carrier that operates through the crossing.

(2) A railroad carrier that sells a crossing or any part of a crossing or after the date of enactment of the Rail Safety Improvement Act of 2008 shall, not later than the date that is 18 months after the date of enactment of that Act or 3 months after the sale, whichever occurs later, or as otherwise specified by the Secretary, report to the Secretary current information, as specified by the Secretary, concerning the change in ownership of the crossing or part of the crossing.

(c) RULEMAKING AUTHORITY.—The Secretary shall prescribe the regulations necessary to implement this section. The Secretary may enforce each provision of the Department of Transportation’s statement of the national highway-rail crossing inventory policy, procedures, and instruction for States and railroads that is in effect on the date of enactment of the Rail Safety Improvement Act of 2008, until such provision is superseded by a regulation issued under this section.

(d) DEFINITIONS.—In this section:

(1) CROSSING.—The term “crossing” means a location within a State, other than a location where one or more railroad tracks cross one or more railroad tracks either at grade or grade-separated, where—
(a) A public highway, road, or street, or a private roadway, including associated sidewalks and pathways, crosses one or more railroad tracks either at grade or grade-separated; or
(b) A pathway explicitly authorized by a public authority or a railroad carrier that is dedicated for the use of nonvehicular traffic, including pedestrians, bicyclists, and others, that is not associated with a public highway, road, or street, or a private roadway, crosses one or more railroad tracks either at grade or grade-separated.

(2) The term “State” means a State of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

REFERENCES IN TEXT

The date of enactment of the Rail Safety Improvement Act of 2008, referred to in subsec. (a) to (c), is the date of enactment of div. A of Pub. L. 110–432, which was approved Oct. 16, 2008.

§20161. Fostering introduction of new technology to improve safety at highway-rail grade crossings

(a) FINDINGS.—
(1) Collisions between highway users and trains at highway-rail grade crossings continue to cause an unacceptable loss of life, serious personal injury, and property damage.
(2) While elimination of at-grade crossings through complete elimination of crossings and grade separations offers the greatest long-term promise for optimizing the safety and efficiency of the two modes of transportation, over 140,000 public grade crossings remain on the general rail system—approximately one for each route mile on the general rail system.
(3) Conventional highway traffic control devices such as flashing lights and gates are often effective in warning motorists of a train’s approach to an equipped crossing.
(4) Since enactment of the Highway Safety Act of 1973, over $4,200,000,000 of Federal funding has been invested in safety improvements at highway-rail grade crossings, yet a majority of public highway-rail grade crossings are not yet equipped with active warning systems.
(5) The emergence of new technologies presents opportunities for more effective and affordable warnings and safer passage of highway users and trains at remaining highway-rail grade crossings.
(6) Implementation of new crossing safety technology will require extensive cooperation between highway authorities and railroad carriers.
(7) Federal Railroad Administration regulations establishing performance standards for processor-based signal and train control systems provide a suitable framework for qualification of new or novel technology at highway-rail grade crossings, and the Federal Highway Administration’s Manual on Uniform Traffic Control Devices provides an appropriate means of determining highway user interface with such new technology.
(b) POLICY.—It is the policy of the United States to encourage the development of new technology that can prevent loss of life and injuries at highway-rail grade crossings. The Secretary of Transportation is designated to carry out this policy in consultation with States and necessary public and private entities.
(c) SUBMISSION OF NEW TECHNOLOGY PROPOSALS.—Railroad carriers and railroad suppliers may submit for review and approval to the Secretary such new technology designed to improve safety at highway-rail grade crossings. The Secretary shall approve by order the new technology designed to improve safety at highway-rail grade crossings in accordance with Federal Railroad Administration standards for the development and use of processor-based signal and train control systems and shall consider the effects on safety of highway-user interface with the new technology.
(d) EFFECT OF SECRETARIAL APPROVAL.—If the Secretary approves by order new technology to provide warning to highway users at a highway-rail grade crossing and such technology is installed at a highway-rail grade crossing in accordance with the conditions of the approval, this determination preempts any State statute or regulation concerning the adequacy of the technology in providing warning at the crossing.

§20162. Minimum training standards and plans

(a) IN GENERAL.—The Secretary of Transportation shall, not later than 1 year after the date of enactment of the Rail Safety Improvement Act of 2008, establish—
(1) minimum training standards for each class and craft of safety-related railroad employee (as defined in section 20102) and equivalent railroad carrier and subcontractor employees, which shall require railroad carriers, contractors, and subcontractors to qualify or otherwise document the proficiency of such employees in each such class and craft regarding their knowledge of, and ability to comply with, Federal railroad safety laws and regulations and railroad carrier rules and procedures promulgated to implement those Federal railroad safety laws and regulations;
(2) a requirement that railroad carriers, contractors, and subcontractors develop and submit training and qualification plans to the Secretary for approval, including training programs and information deemed necessary by the Secretary to ensure that all safety-related railroad employees receive appropriate training in a timely manner; and
(3) a minimum training curriculum, and ongoing training criteria, testing, and skills evaluation measures to ensure that safety-related railroad employees, and contractor and subcontractor employees, charged with the
spection of track or railroad equipment are qualified to assess railroad compliance with Federal standards to identify defective conditions and initiate immediate remedial action to correct critical safety defects that are known to contribute to derailments, accidents, incidents, or injuries, and, in implementing the requirements of this paragraph, take into consideration existing training programs of railroad carriers.

(b) **APPROVAL.**—The Secretary shall review and approve the plans required under subsection (a)(2) utilizing an approval process required for programs to certify the qualification of locomotive engineers pursuant to part 240 of title 49, Code of Federal Regulations.

(c) **EXEMPTION.**—The Secretary may exempt railroad carriers and railroad carrier contractors and subcontractors from submitting training plans for which the Secretary has issued training regulations before the date of enactment of the Rail Safety Improvement Act of 2008.

**REFERENCES IN TEXT**

The date of enactment of the Rail Safety Improvement Act of 2008, referred to in subsec. (a) and (c), is the date of enactment of div. A of Pub. L. 110–432, which was approved Oct. 16, 2008.

**§ 20164. Development and use of rail safety technology**

(a) **IN GENERAL.**—Not later than 1 year after enactment of the Railroad Safety Enhancement Act of 2008, the Secretary of Transportation shall prescribe standards, guidance, regulations, or orders governing the development, use, and implementation of rail safety technology in dark territory, in arrangements not defined in section 20501 or otherwise not covered by Federal standards, guidance, regulations, or orders that ensure the safe operation of such technology, such as—

1. switch position monitoring devices or indicators;
2. radio, remote control, or other power-assisted switches;
3. hot box, high water, or earthquake detectors;
4. remote control locomotive zone limiting devices;
5. slide fences;
6. grade crossing video monitors;
7. track integrity warning systems; or
8. other similar rail safety technologies, as determined by the Secretary.

(b) **DARK TERRITORY DEFINED.**—In this section, the term "dark territory" means any territory in a railroad system that does not have a signal or train control system installed or operational.

**REFERENCES IN TEXT**

**§ 20165. Limitations on non-Federal alcohol and drug testing**

(a) **TESTING REQUIREMENTS.**—Any non-Federal alcohol and drug testing program of a railroad carrier must provide that all post-employment tests of the specimens of employees who are subject to both the program and chapter 211 of this title be conducted using a scientifically recognized method of testing capable of determining the presence of the specific analyte at a level above the cut-off level established by the carrier.

1 See References in Text note below.
§ 20166. Emergency escape breathing apparatus

Not later than 18 months after the date of enactment of the Rail Safety Improvement Act of 2008, the Secretary of Transportation shall prescribe regulations that require railroad carriers—

1. to provide emergency escape breathing apparatus suitable to provide head and neck coverage with respiratory protection for all crewmembers in locomotive cabs on freight trains carrying hazardous materials that would pose an inhalation hazard in the event of release;
2. to provide convenient storage in each freight train locomotive to enable crewmembers to access such apparatus quickly;
3. to maintain such equipment in proper working condition; and
4. to provide their crewmembers with appropriate training for using the breathing apparatus.

§ 20167. Railroad safety infrastructure improvement grants

(a) Grant Program.—The Secretary of Transportation shall establish a grant program for safety improvements to railroad infrastructure, including the acquisition, improvement, or rehabilitation of intermodal or rail equipment or facilities, including track, bridges, tunnels, yards, buildings, passenger stations, facilities, and maintenance and repair shops.

(b) Eligibility.—Grants shall be made under this section to eligible passenger and freight railroad carriers, and State and local governments for projects described in subsection (a). Grants shall also be made available to assist a State or political subdivision thereof in establishing a quiet zone pursuant to part 222 of title 49, Code of Federal Regulations.

(c) Considerations.—In awarding grants, the Secretary shall consider, at a minimum—

1. the age and condition of the rail infrastructure of the applicant;
2. the railroad carrier’s safety record, including accident and incident numbers and rates;
3. the volume of hazardous materials transported by the railroad;
4. the operation of passenger trains over the railroad; and
5. whether the railroad carrier has submitted a railroad safety risk reduction program, as required by section 20156.

(d) Matching Requirements.—Federal funds for any eligible project under this section shall not exceed 50 percent of the total cost of such project.

(e) Authorization of Appropriations.—There are authorized to be appropriated to the Secretary of Transportation $5,000,000 for each of fiscal years 2010 through 2013 to carry out this section. Amounts appropriated pursuant to this subsection shall remain available until expended.

CHAPTER 203—SAFETY APPLIANCES

Sec.
2031. Definition and nonapplication.
2032. General requirements.
2033. Moving defective and insecure vehicles needing repairs.
2034. Assumption of risk by employees.
2035. Inspection of mail cars.
2036. Exemption for technological improvements.

§ 20301. Definition and nonapplication

(a) Definition.—In this chapter, “vehicle” means a car, locomotive, tender, or similar vehicle.

(b) Nonapplication.—This chapter does not apply to the following:

1. a train of 4-wheel coal cars.
2. a train of 8-wheel standard logging cars if the height of each car from the top of the rail to the center of the coupling is not more than 25 inches.
3. a locomotive used in hauling a train referred to in clause (2) of this subsection when the locomotive and cars of the train are used only to transport logs.
4. a car, locomotive, or train used on a street railway.

Historical and Revision Notes

Pub. L. 103–272

Revised
Section
Source (U.S. Code)
Source (Statutes at Large)
20301(a) ....... 45:8 (“trains, locomotives, tenders, cars, and similar vehicles”).
20301(b) ...... 45:8 (3d sentence).
45:6 (1st sentence proviso).
45:8 (words after 16th comma).

Mar. 2, 1903, ch. 976, §1 (words after 24d comma), 32 Stat. 443.

Subsection (a) is added to avoid repeating the substance of the definition throughout this chapter.
In subsection (b), the words before clause (1) are substituted for "Provided. That nothing in sections 1 to 7 of this title shall apply to" in 45:6 because 45:9, 11, and 16 provide that 45:9 and 11-16 apply to the same vehicles and trains as 45:1-7 apply to. In clause (1), the word "coal" is added for clarity because of the decision of the Supreme Court in Baltimore & Ohio Railway Co. v. Jackson, 353 U.S. 326, 333 (1957) and the legislative history of 45:6 (proviso). See 24 Cong. Rec. 1477 (1893). The text of 45:8 (words after last comma) is omitted as unnecessary because of the definition of "railroad" in section 20302 of the revised title.

**Pub. L. 104–287**

This amends 49:20303(b) to clarify the restatement of 45:8 by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 881).

**AMENDMENTS**

**Effective Date of 1996 Amendment**

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5303 of this title.

### §20302. General requirements

#### (a) General.—Except as provided in subsection (c) of this section and section 20303 of this title, a railroad carrier may use or allow to be used on any of its railroad lines—

1. a vehicle only if it is equipped with—
   - (A) couplers coupling automatically by impact, and capable of being uncoupled, without the necessity of individuals going between the ends of the vehicles;
   - (B) secure sill steps and efficient hand brakes; and
   - (C) secure ladders and running boards when required by the Secretary of Transportation, and, if ladders are required, secure handholds or grab irons on its roof at the top of each ladder;

2. except as otherwise ordered by the Secretary, a vehicle only if it is equipped with secure grab irons or handholds on its ends and sides for greater security to individuals in coupling and uncoupling vehicles;

3. a vehicle only if it complies with the standard height of drawbars required by regulations prescribed by the Secretary;

4. a locomotive only if it is equipped with a power-driving wheel brake and appliances for operating the train-brake system; and

5. a train only if—
   - (A) enough of the vehicles in the train are equipped with power or train brakes so that the engineer on the locomotive hauling the train can control the train’s speed without the necessity of brake operators using the common hand brakes for that purpose; and
   - (B) at least 50 percent of the vehicles in the train are equipped with power or train brakes and the engineer is using the power or train brakes on those vehicles and on all other vehicles equipped with them that are associated with those vehicles in the train.

#### (b) Refusal to receive vehicles not properly equipped.—A railroad carrier complying with subsection (a)(5)(A) of this section may refuse to receive from a railroad line of a connecting railroad carrier or a shipper a vehicle that is not equipped with power or train brakes that will work and readily interchange with the power or train brakes in use on the vehicles of the complying railroad carrier.

#### (c) Combined vehicles loading and hauling long commodities.—Notwithstanding subsection (a)(1)(B) of this section, when vehicles are combined to load and haul long commodities, only one of the vehicles must have hand brakes during the loading and hauling.

#### (d) Authority to change requirements.—The Secretary may—

1. change the number, dimensions, locations, and manner of application prescribed by the Secretary for safety appliances required by subsection (a)(1)(B) and (C) and (2) of this section only for good cause and after providing an opportunity for a full hearing;

2. amend regulations for installing, inspecting, maintaining, and requiring power and train brakes only for the purpose of achieving safety; and

3. increase, after an opportunity for a full hearing, the minimum percentage of vehicles in a train that are required by subsection (a)(5)(B) of this section to be equipped with power or train brakes.

#### (e) Services of Association of American Railroads.—In carrying out subsection (d)(2) and (3) of this section, the Secretary may use the services of the Association of American Railroads.

</table>

In subsection (a), before clause (1), the words "Except as provided in subsection (c) of this section and section 20300 of this title" are added to alert the reader to the exceptions restated in subsection (c) and section 20303. The words "use or allow to be used" are substituted for "haul or permit to be hauled or used" in 45:2 and 11, "haul or permit to be hauled or used" in 45:9, "using . . . run . . . hauling or permitting . . . hauling or permitting to be hauled or used" in 45:5 and 6, and "in 45:8 for consistency in this section and to eliminate unnecessary words. See United States v. St. Louis Southwestern Ry. Co. of Texas, 184 F. 28, 32 (5th Cir., 1910); United States v. Chicago, M. & St. P. Ry. Co., 149 F. 486, 488 (D.S.D. Iowa, 1906). The words "That from and after the first day of January, eighteen hundred and ninety-eight", "That from and after the first day of January, eighteen hundred and ninety-five", and "That on and after the first day of January, eighteen hundred and ninety-eight", and "That from and after the first day of July, eighteen hundred and ninety-five" in sections 1, 2, and 4, respectively, of the Act of March 2, 1893 (ch. 196, 27 Stat. 531), are omitted as obsolete. The words "a railroad carrier . . . on any of its railroad lines" are substituted for "any railroad . . . on its line" in 45:1, "any such railroad . . . on its line" in 45:2, "any railroad company" in 45:4, "railroads in the Territories and the District of Columbia . . . used on any railroad, and in the Territories and the District of Columbia" in 45:8, "Whenever, as provided in sections 1 to 7 of this title" and "any railroad" in 45:9, and "any railroad subject to the provisions of sections 11 to 16 of this title" in 45:11 for consistency, for clarity and to eliminate unnecessary words, and because of the definition of "railroad carrier" in section 20102 of the revised title. See Southern Ry. Co. v. United States, 222 U.S. 20, 26 (1911). In clauses (1)–(3), the word "vehicle" is substituted for "any car" in 45:2, "car" in 45:4, "all trains, locomotives, tenders, cars, and similar vehicles used on . . . all other locomotives, tenders, cars, and similar vehicles used in connection therewith" in 45:8, and "any car subject to the provisions of said sections . . . to wit: All cars" in 45:11, and "any car or vehicle" in 45:12 for clarity, for consistency in the revised title, to eliminate unnecessary words, and because of the definition of "vehicle" in section 20301 of the revised title. In clause (1)(C), a comma is placed after the word "uncoupled" for clarity. See Johnson v. Southern Pacific Co., 196 U.S. 1, 18 (1904). In clause (1)(C), the words "by the Secretary of Transportation" are added for clarity because of 45:12. In clause (3), the words "required by regulations prescribed by the Secretary" are substituted for "the standard now fixed or the standard so prescribed . . . the standard so prescribed by the Secretary" in 45:12 for clarity and to eliminate unnecessary words. The words "said Secretary is given authority, after hearing, to modify, or change, and to prescribe the standard height of drawbars and to fix the time within which such modification or change shall become effective and obligatory" are omitted as surplus because of 49:322(a). The words "and prior to the time so fixed . . . and after the time so fixed" are omitted as surplus. In clause (4), the word "locomotive" is substituted for "any locomotive engine" in 45:1 and "all trains, locomotives, tenders, cars, and similar vehicles used on . . . all other locomotives, tenders, cars, and similar vehicles used in connection therewith" in 45:8 for clarity and to eliminate unnecessary words. In clause (5)(B), the words "the engineer is using the power or train brakes on those vehicles and on all other vehicles equipped with them that are associated with those vehicles in the train" are substituted for "their brakes used and operated by the engineer of the locomotive drawing such train, and all power-braked cars in such train which are associated together with said 50 per cent shall have their brakes so used and operated" and "all . . . locomotives, tenders, cars, and similar vehicles" for clarity and consistency in this section. The text of section 2 (2d sentence) of the Act of March 2, 1903 (ch. 976, 32 Stat. 943), as added by section 1(b) of the Power or Train Brakes Safety Appliance Act of 1958 (Public Law 85-375, 72 Stat. 86), is omitted as executed. In subsection (b), the words "A railroad carrier complying with subsection (a)(5)(A) of this section" are substituted for "any railroad shall have equipped a sufficient number of its cars so as to comply with the provisions of section 1 of this title" in 45:3 and "The provisions and requirements of sections 1 to 7 of this title shall be held to apply to railroads in the Territories and the District of Columbia" in 45:8 for clarity, for consistency in this section, and because of the definition of "railroad carrier" in section 20102 of the revised title. The words "a vehicle that is not equipped with power or train brakes that will work and readily interchange with the power or train brakes in use on the vehicles of the complying railroad carrier" are substituted for "any cars not equipped sufficiently, in accordance with said section, with such power or train brakes as will work and readily interchange with the brakes in use on its own cars, as required by sections 1 to 7 of this title" in 45:3 for clarity and to eliminate unnecessary words. In subsection (c), the words "Notwithstanding subsection (a)(1)(B) of this section" are added for clarity. In subsection (d)(1), the words "change . . . only for . . . and after" are substituted for "shall remain as the standards of equipment to be used on all cars subject to the provisions of sections 11 to 16 of this title, unless changed by an order of said Secretary of Transportation to be made after . . . and for" for clarity and to eliminate unnecessary words. The text of section 3 (proviso) of the Act of April 14, 1910 (ch. 160, 36 Stat. 298), is omitted as obsolete. In subsection (d)(2), the text of 45:9 (2d sentence words before proviso) is omitted as executed. In subsection (d)(3), the words "to more fully carry into effect the objects of said sections" and "from time to time" are omitted as surplus. The words "an opportunity for" are added for clarity and consistency in the revised title and with other titles of the Code. The words "equipped and used" are substituted for "operated" for consistency in this section. In subsection (e), the words "and may avail himself of the advice and assistance of any department, commission, or board of the United States Government, and of State governments" are omitted as unnecessary because of 49:301(6) and (7) and 322(c). The words "but no official or employee of the United States shall receive any additional compensation for such service except as now permitted by law" are omitted as surplus because of 5:333.
be moved when necessary to make repairs, without a penalty being imposed under section 21302 of this title, from the place at which the defect or insecurity was first discovered to the nearest available place at which the repairs can be made—

(1) on the railroad line on which the defect or insecurity was discovered; or

(2) at the option of a connecting railroad carrier, on the railroad line of the connecting carrier, if not farther than the place of repair described in clause (1) of this subsection.

(b) USE OF CHAINS INSTEAD OF DRAWBARS.—A vehicle in a revenue train or in association with commercially-used vehicles may be moved under this section with chains instead of drawbars only when the vehicle contains livestock or perishable freight.

(c) LIABILITY.—The movement of a vehicle under this section is at the risk only of the railroad carrier doing the moving. This section does not relieve a carrier from liability in a proceeding to recover damages for death or injury of a railroad employee arising from the movement of a vehicle with equipment that is defective, insecure, or not maintained in compliance with this chapter.

Revised Section Source (U.S. Code) Source (Statutes at Large)
20303(b) ...... 45:13 (2d sentence proviso words after last semi-colon) 20303(c) ...... 45:13 (2d sentence proviso words between semi-colons)

In subsections (a) and (b), the word “moved” is substituted for “hauled” and “hauling” for consistency in this section.

In subsection (a), before clause (1), the words “A vehicle that is equipped in compliance with this chapter” are substituted for “where any car shall have been properly equipped, as provided in sections 1 to 16 of this chapter” to eliminate unnecessary words. The words “while such car was being used by such carrier upon its line of railroad” are omitted as surplus since this chapter only applies in the case of vehicles used by railroad carriers on their railroad lines. The word “nevertheless” is added for clarity. The words “when necessary to make repairs” are substituted for “if any such movement is necessary to make such repairs and such repairs cannot be made except at any such repair point” to eliminate unnecessary words. The words “without a penalty being imposed under section 21302 of this title” are substituted for “without liability for the penalties imposed by this section or section 6 of this title” because of the restatement.

In subsection (b), the words “A vehicle . . . may be moved under this section . . . only when” are substituted for “and nothing in this proviso shall be construed to permit the hauling of defective cars . . . unless” for clarity and to eliminate unnecessary words.

In subsection (c), the word “hauling” is omitted for consistency in this section. The word “proceeding” is substituted for “remedial action” for consistency in the revised title and to ensure that administrative, as well as court proceedings, are included. The words “to recover damages” are added for clarity. The words “‘arising from’ are substituted for “caused . . . by reason of or in connection with” to eliminate unnecessary words.

§20304. Assumption of risk by employees

An employee of a railroad carrier injured by a vehicle or train used in violation of section 20302(a)(1)(A), (2), (4), or (5)(A) of this title does not assume the risk of injury resulting from the violation, even if the employee continues to be employed by the carrier after learning of the violation.

Revised Section Source (U.S. Code) Source (Statutes at Large)
20304 ...... 45:8 (words before 16th comma).

The words “after learning of the violation” are substituted for “after the unlawful use of such locomotive, car, or train had been brought to his knowledge” in 45:7 for clarity.

§20305. Inspection of mail cars

The Secretary of Transportation shall inspect the construction, adaptability, design, and condition of mail cars used on railroads in the United States. The Secretary shall make a report on the inspection and submit a copy of the report to the United States Postal Service.

Revised Section Source (U.S. Code) Source (Statutes at Large)
20305 ...... 45:37.

The words “United States Postal Service” are substituted for “Postmaster General” because of sections 4(a) and 5(e) of the Postal Reorganization Act (Public Law 91–375, 84 Stat. 773, 775).

§20306. Exemption for technological improvements

(a) GENERAL.—Subject to subsection (b) of this section, the Secretary of Transportation may exempt from the requirements of this chapter railroad equipment or equipment that will be operated on rails, when those requirements preclude the development or implementation of more efficient railroad transportation equipment or other transportation innovations under existing law.

(b) CONDITIONS FOR EXEMPTION.—The Secretary may grant an exemption under subsection (a) of this section only on the basis of—

(1) findings based on evidence developed at a hearing; or
§ 20501 TITLE 49—TRANSPORTATION

(2) an agreement between national railroad labor representatives and the developer of the new equipment or technology.

In subsection (a), the words “Notwithstanding any other provision of law” and “the mandatory requirements of” are omitted as surplus. The words “existing law” are substituted for “the existing statutes” for consistency in the revised title.

In subsection (b), the words before clause (1) are added because of the restatement. Clause (1) is substituted for “after a hearing and consistent with findings based upon evidence developed therein” to eliminate unnecessary words. In clause (2), the words “an agreement” are substituted for “expressions of agreement” to eliminate unnecessary words.

CHAPTER 205—SIGNAL SYSTEMS

Sec. 20501. Definition.

§ 20501. Definition

In this chapter, “signal system” means a block signal system, an interlocking, automatic train stop, train control, or cab-signal device, or a similar appliance, method, device, or system intended to promote safety in railroad operations.

HISTORICAL AND REVISION NOTES

In subsection (a), the words “Notwithstanding any other provision of law” and “the mandatory requirements of” are omitted as surplus. The words “existing law” are substituted for “the existing statutes” for consistency in the revised title.

This section is added to eliminate the unnecessary repetition of the words used in the definition. The definition is derived from 49 App. 26(b)–(f).

§ 20502. Requirements for installation and use

(a) INSTALLATION.—(1) When the Secretary of Transportation decides after an investigation that it is necessary in the public interest, the Secretary may order a railroad carrier to install, on any part of its railroad line, a signal system that complies with requirements of the Secretary. The order must allow the carrier a reasonable time to complete the installation. A carrier may discontinue or materially alter a signal system required under this paragraph only with the approval of the Secretary.

(2) A railroad carrier ordered under paragraph (1) of this subsection to install a signal system on one part of its railroad line may not be held negligent for not installing the system on any part of its line that was not included in the order. If an accident or incident occurs on a part of the line on which the signal system was not required to be installed and was not installed, the use of the system on another part of the line may not be considered in a civil action brought because of the accident or incident.

(b) USE.—A railroad carrier may allow a signal system to be used on its railroad line only when the system, including its controlling and operating apparatuses—

(1) may be operated safely without unnecessary risk of personal injury; and

(2) has been inspected and can meet any test prescribed under this chapter.

</table>

In subsection (a)(1), the words “decides after an investigation that it is necessary in the public interest” are substituted for “after investigation, if found necessary in the public interest” for clarity. The word “specifications” is omitted as included in “requirements”. The words “The order must allow the carrier a reasonable time to complete the installation” are substituted for “such order to be issued and published a reasonable time (as determined by the Secretary) in advance of the date for its fulfillment” to eliminate unnecessary words. The words a signal system required under this paragraph are substituted for “That block signal systems, interlocking, automatic train stop, train control, and cab-signal devices in use on August 26, 1937, or such systems or devices hereinafter installed” to eliminate unnecessary or obsolete words and because of the definition of “signal system” in section 20501 of the revised title.

In subsection (a)(2), the words “railroad line” are substituted for “railroad” for consistency in the revised title. The word “civil” is added for consistency in the revised title and with other titles of the United States Code. The words “or incident” are added for consistency in this part.

In subsection (b), before clause (1), the words “may allow . . . only when” are substituted for “It shall be unlawful . . . unless” for clarity. In clause (1), the words “in proper condition and” and “in the service to which it is put” are omitted as being covered by the words of the clause. The words “risk of personal injury” are substituted for “peril to life and limb” for clarity. The words “from time to time” are omitted as surplus. In clause (2), the words “prescribed under this chapter” are substituted for “in accordance with the provisions of this section” and “prescribed in the rules and regulations provided for in this section” for consistency and to eliminate unnecessary words.
§ 20503. Amending regulations and changing requirements

The Secretary of Transportation may amend a regulation or change a requirement applicable to a railroad carrier for installing, maintaining, inspecting, or repairing a signal system under this chapter—

(1) when the carrier files with the Secretary a request for the amendment or change and the Secretary approves the request; or

(2) on the Secretary’s own initiative for good cause shown.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In this section, before clause (1), the text of 49 App.:26(c) (words before 2d proviso) is omitted as executed. The words “the Secretary of Transportation may amend . . . change” are substituted for “and approved by the Secretary of Transportation” and “the Secretary may . . . revise, amend, or modify” for clarity and to eliminate unnecessary words. The words “regulation or . . . a requirement applicable to a railroad carrier for installing, maintaining, inspecting, or repairing a signal system under this chapter” are substituted for “rules, standards, and instructions herein provided” and ‘‘rules, standards, and instructions prescribed by him under this subsection’’ for clarity, for consistency in the revised title, and because of the restatement. Clause (1) is substituted for “such railroad may from time to time change . . . but such change shall not take effect and the new rules, standards, and instructions be enforced until they shall have been filed with” for clarity and to eliminate unnecessary words. The words “and as revised, amended, or modified they shall be obligatory upon the railroad carrier for installing, maintaining, inspecting, or repairing a signal system under this chapter” are substituted for “forthwith”, for consistency in the revised title, and because of the restatement. Clause (1) is substituted for “such railway may . . . revise, amend, or modify” for clarity, for consistency in the revised title, and because of the restatement. The word “individual” is substituted for “signal system” in section 20501 of the revised title.

§ 20504. Inspection, testing, and investigation

(a) SYSTEMS IN USE.—(1) The Secretary of Transportation may—

(A) inspect and test a signal system used by a railroad carrier; and

(B) decide whether the system is in safe operating condition.

(2) In carrying out this subsection, the Secretary may employ only an individual who—

(A) has no interest in a patented article required to be used on or with a signal system; and

(B) has no financial interest in a railroad carrier or in a concern dealing in railroad supplies.

(b) SYSTEMS SUBMITTED FOR INVESTIGATION AND TESTING.—The Secretary may investigate, test, and report on the use of and need for a signal system, without cost to the United States Government, when the system is submitted in completed shape for investigation and testing.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
20504(b) ...... | 45:36. | May 27, 1908, ch. 200, §1 (1st complete par. on p. 325), 35 Stat. 325.

In subsection (a)(1)(B), the words “safe operating condition” are substituted for “proper condition to operate and provide adequate safety” to eliminate unnecessary words.

In subsection (a)(2), before clause (A), the text of 49:26(d) (2d sentence) is omitted because of 5:3101. The text of 49:26(d) (3d sentence) is omitted because of 5:ch. 33. The words “In carrying out this subsection, the Secretary may employ” are substituted for “shall be used for such purpose” for clarity. In clause (A), the words “either directly or indirectly” are omitted as surplus.

In subsection (b), the word “experimentally” is omitted as surplus. The words “a signal system” are substituted for “any appliances or systems intended to promote the safety of railway operation” because of the definition of “signal system” in section 20501 of the revised title. The text of 45:36 (last sentence) is omitted because of 49:323.

§ 20505. Reports of malfunctions and accidents

In the way and to the extent required by the Secretary of Transportation, a railroad carrier shall report to the Secretary a failure of a signal system to function as intended. If the failure results in an accident or incident causing injury to an individual or property that is required to be reported under regulations prescribed by the Secretary, the carrier owning or maintaining the signal system shall report to the Secretary immediately in writing the fact of the accident or incident.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a)(1)(B), the words “safe operating condition” are substituted for “proper condition to operate and provide adequate safety” to eliminate unnecessary words.

In subsection (a)(2), before clause (A), the text of 49:26(d) (2d sentence) is omitted because of 5:3101. The text of 49:26(d) (3d sentence) is omitted because of 5:ch. 33. The words “In carrying out this subsection, the Secretary may employ” are substituted for “shall be used for such purpose” for clarity. In clause (A), the words “either directly or indirectly” are omitted as surplus.

In subsection (b), the word “experimentally” is omitted as surplus. The words “a signal system” are substituted for “any appliances or systems intended to promote the safety of railway operation” because of the definition of “signal system” in section 20501 of the revised title. The text of 45:36 (last sentence) is omitted because of 49:323.

The words “signal system” are substituted for “such systems, devices, or appliances” because of the definition of “signal system” in section 20501 of the revised title. The word “indicate” is omitted as being included in “function”. The words “or incident” are added for consistency in this part. The word “individual” is substituted for “person”, and the word “immediately” is substituted for “forthwith”, for consistency in the revised title and with other titles of the United States Code.
CHAPTER 207—LOCOMOTIVES

Sec. 20701. Requirements for use.
20702. Inspections, repairs, and inspection and repair reports.
20703. Accident reports and investigations.

§ 20701. Requirements for use

A railroad carrier may use or allow to be used a locomotive or tender on its railroad line only when the locomotive or tender and its parts and appurtenances—

(1) are in proper condition and safe to operate without unnecessary danger of personal injury;

(2) have been inspected as required under this chapter and regulations prescribed by the Secretary of Transportation under this chapter; and

(3) can withstand every test prescribed by the Secretary under this chapter.

§ 20702. Inspections, repairs, and inspection and repair reports

(a) General.—The Secretary of Transportation shall—

(1) become familiar, so far as practicable, with the condition of every locomotive and tender and its parts and appurtenances;

(2) inspect every locomotive and tender and its parts and appurtenances as necessary to carry out this chapter, but not necessarily at stated times or at regular intervals; and

(3) ensure that every railroad carrier makes inspections of locomotives and tenders and their parts and appurtenances as required by regulations prescribed by the Secretary and repairs every defect that is disclosed by an inspection before a defective locomotive, tender, part, or appurtenance is used again.

(b) Noncomplying Locomotives, Tenders, and Parts.—(1) When the Secretary finds that a locomotive, tender, or locomotive or tender part or appurtenance owned or operated by a railroad carrier does not comply with this chapter or a regulation prescribed under this chapter, the Secretary shall give the carrier written notice describing any defect resulting in noncompliance. Not later than 5 days after receiving the notice of noncompliance, the carrier may submit a written request for a reinspection. On receiving the request, the Secretary shall provide for the reinspection by an officer or employee of the Department of Transportation who did not make the original inspection. The reinspection shall be made not later than 15 days after the date the Secretary gives the notice of noncompliance.

(2) Immediately after the reinspection is completed, the Secretary shall give written notice to the railroad carrier stating whether the locomotive, tender, part, or appurtenance is in compliance. If the original finding of noncompliance is sustained, the carrier has 30 days after receipt of the notice to file an appeal with the Secretary. If the carrier files an appeal, the Secretary, after providing an opportunity for a proceeding, may revise or set aside the finding of noncompliance.

(3) A locomotive, tender, part, or appurtenance found not in compliance under this subsection may be used only after it is—

(A) repaired to comply with this chapter and regulations prescribed under this chapter; or

(B) found on reinspection or appeal to be in compliance.

(c) Reports.—A railroad carrier shall make and keep, in the way the Secretary prescribes by regulation, a report of every—

(1) inspection made under regulations prescribed by the Secretary; and

(2) repair made of a defect disclosed by such an inspection.

(d) Changes in Inspection Procedures.—A railroad carrier may change a rule or instruction of the carrier governing the inspection by the carrier of the locomotives and tenders and locomotive and tender parts and appurtenances of the carrier when the Secretary approves a request filed by the carrier to make the change.
In this section, the words “locomotive and tender and its parts and appurtenances” and “locomotive, tender, or locomotive or tender part or appurtenance” are substituted for “locomotive boiler” and “boiler or boilers or apparatus pertaining thereto” in 45:29 and “the provision of sections 22 to 29 . . . of this title as to the equipment of locomotives shall apply to and include the entire locomotive and tender and all their parts with the same force and effect as it applies to locomotive boilers and their appurtenances” in 45:30 for clarity and because of the restatement. In subsection (a), before clause (1), the word “shall” is substituted for “It shall be the duty of”, “shall”, and “His first duty shall be” in 45:29 and shall . . . and shall have the same powers and duties with respect to all the parts and appurtenances of the locomotive and tender that they have with respect to the boiler of a locomotive and the appurtenances thereof” in 45:30 for clarity and to eliminate unnecessary words. In clause (1), the words “ordinarily housed or repaired in his district, and if any locomotive is ordinarily housed or repaired in two or more districts, then the director of locomotive inspection or an assistant shall make such division between inspectors as will avoid the necessity for duplication of work” in 45:29 are omitted as obsolete because of Reorganization Plan No. 3 of 1965 (eff. July 27, 1965, 79 Stat. 1320) and 49 App.:1655(e)(1)(E)–(G). In clause (2), the words “. . . as necessary to carry out” are substituted for “make such personal inspection . . . from time to time as may be necessary to fully carry out the provisions of” in 45:29 and “inspect . . . in 45:30 to eliminate unnecessary words. The words “under his care” and “as may be consistent with his other duties” in 45:29 are omitted as obsolete because of Reorganization Plan No. 3 of 1965 (eff. July 27, 1965, 79 Stat. 1320) and 49 App.:1655(e)(1)(E)–(G). The words “but not necessarily” are substituted for “he shall not be required to make such inspections” in 45:29 to eliminate unnecessary words. In clause (3), the words “inspections of locomotives and tenders and their parts and appurtenances as required by regulations prescribed by the Secretary” are substituted for “inspections in accordance with the rules and regulations established or approved by the Secretary of Transportation” in 45:29 and “the provision of sections 22 to 29 of this title as to the equipment of locomotives shall apply to and include the entire locomotive and tender and all their parts with the same force and effect as it applies to locomotive boilers and their appurtenances” in 45:30 for clarity and because of the restatement. The words “a defective locomotive, tender, part, or appurtenance is used again” are substituted for “the boiler or boilers or appurtenances pertaining thereto are again put in service” in 45:29 for clarity and because of the restatement. The text of 45:30 (last sentence) is omitted as obsolete because of Reorganization Plan No. 3 of 1965 (eff. July 27, 1965, 79 Stat. 1320), 49 App.:1655(e)(1)(E)–(G), and 5:ch. 33.

In subsection (b), the word “reinspection” is substituted for “reexamination” for consistency in this chapter. In subsection (b)(1), the words “in the performance of his duty” in 45:29 are omitted as surplus. The words “owned or operated by a railroad carrier” are added for clarity and because of the words “owning or operating such locomotive” in 45:29 (last sentence). The words “does not comply with this chapter or a regulation prescribed under this chapter” are substituted for “not conforming to the requirements of the law or the rules and regulations established and approved as hereinafter before stated” in 45:29 to eliminate unnecessary words and because of the restatement. The words “describing any defect resulting in noncompliance” are substituted for “that the locomotive is not in serviceable condition . . . because of defects set out and described in said notice” for consistency in this section and to eliminate unnecessary words. The words “written request for a reinspection” are substituted for “appeal . . . by telegraph or by letter to have said boiler reexamined” for clarity and to eliminate unnecessary words. The words “an officer or employee of the Department of Transportation” are substituted for “one of the assistant directors of locomotive inspection or any district inspector” because of Reorganization Plan No. 3 of 1965 (eff. July 27, 1965, 79 Stat. 1320) and 49 App.:1655(e)(1)(E)–(G).

In subsection (b)(2), the words “Immediately after” the reinspection is completed” are substituted for “upon such reexamination the boiler is found in serviceable condition . . . immediately” and “but if the reexamination of said boiler sustains the decision of the district inspector . . . at once” in 45:29 to eliminate unnecessary words. The words “the appeal from the decision of the inspector is dismissed” for clarity and consistency in this subsection. The words “after providing an opportunity for a proceeding” are substituted for “after hearing” as being more appropriate and for consistency in the revised title and with other titles of the United States Code. The words “may revise or set aside the finding of noncompliance” are substituted for “shall have power to revise, modify, or set aside such action . . . and declare that said locomotive is in serviceable condition and authorize the same to be operated” to eliminate unnecessary words. Subsection (b)(3) is substituted for “and thereafter such boiler shall not be used until in serviceable condition” and “whereonupon such boiler may be put into service without further delay” in 45:29 and the text of 45:29 (last proviso) for clarity and to eliminate unnecessary words.

In subsection (c), before clause (1), the words “make and keep” are substituted for “keep” for clarity.
or locomotive or tender part or appurtenance results in an accident or incident causing serious personal injury or death, the railroad carrier owning or operating the locomotive or tender—

(1) immediately shall file with the Secretary of Transportation a written statement of the fact of the accident or incident; and

(2) when the locomotive is disabled to the extent it cannot be operated under its own power, shall preserve intact all parts affected by the accident or incident, if possible without interfering with traffic, until an investigation of the accident or incident is completed.

(b) INVESTIGATIONS.—The Secretary shall—

(1) investigate each accident and incident reported under subsection (a) of this section;

(2) inspect each part affected by the accident or incident; and

(3) make a complete and detailed report on the cause of the accident or incident.

(c) PUBLICATION AND USE OF INVESTIGATION REPORTS.—When the Secretary considers publication to be in the public interest, the Secretary may publish a report of an investigation made under this section, stating the cause of the accident or incident and making appropriate recommendations. No part of a report may be admitted into evidence or used in a civil action for damages resulting from a matter mentioned in the report.

In this section, the words “or incident” and “and incident” are added for consistency in this part.

In subsection (a), before clause (1), the words “locomotive, tender, or locomotive or tender part or appurtenance . . . locomotive or tender” are substituted for “locomotive or its appurtenances . . . said locomotive” in 45:32 and the text of 45:30 (1st sentence related to 45:32) for clarity and because of the restatement. The word “personal” is substituted for “to one or more persons” to eliminate unnecessary words. In clause (1), the word “immediately” is substituted for “forthwith” for consistency in this chapter. In clause (2), the words “operated under its own power” are substituted for “cannot be run by its own steam” for clarity. The words “hindrance or” are omitted as being included in “interfering”. The word “investigation” is substituted for “inspection” for consistency in this section.

In subsection (c), the words “at any time call upon the director of locomotive inspection for a report of any accident embraced in section 32 of this title, and upon the receipt of said report” are omitted as obsolete because of Reorganization Plan No. 3 of 1965 (eff. July 27, 1965, 79 Stat. 1320) and 49 App. 1652(c)(1)(E)–(G). The text of 45:33 (2d sentence) is omitted as surplus. The words “civil action” are substituted for “suit or action” for consistency in the revised title and with other titles of the United States Code. The words “resulting from” are substituted for “growing out of” for clarity. The words “or investigation” are omitted as unnecessary because of the restatement.

### CHAPTER 209—ACCIDENTS AND INCIDENTS

Sec. 20901. Reports.

20902. Investigations.

20903. Reports not evidence in civil actions for damages.

§ 20901. Reports

(a) GENERAL REQUIREMENTS.—Not later than 30 days after the end of each month, a railroad carrier shall file a report with the Secretary of Transportation on all accidents and incidents resulting in injury or death to an individual or damage to equipment or a roadbed arising from the carrier’s operations during the month. The report shall be under oath and shall state the nature, cause, and circumstances of each reported accident or incident. If a railroad carrier assigns human error as a cause, the report shall include, at the option of each employee whose error is alleged, a statement by the employee explaining any factors the employee alleges contributed to the accident or incident.

(b) MONETARY THRESHOLD FOR REPORTING.—(1) In establishing or changing a monetary threshold for the reporting of a railroad accident or incident, the Secretary shall base damage cost calculations only on publicly available information obtained from—

(A) the Bureau of Labor Statistics; or

(B) another department, agency, or instrumentality of the United States Government if the information has been collected through objective, statistically sound survey methods or has been previously subject to a public notice and comment process in a proceeding of a Government department, agency, or instrumentality.

(2) If information is not available as provided in paragraph (1)(A) or (B) of this subsection, the Secretary may use any other source to obtain the information. However, use of the information shall be subject to public notice and an opportunity for written comment.

In this section, the words “accident” and “incident” are used, and the words “collision” and “derailment” are omitted, for consistency in this part. The words “the general manager, superintendent, or other proper officer of” in 45:38 are omitted as surplus because any duty of a railroad carrier must necessarily be carried out through its proper officers and agents. The text of 45:38 (1st sentence proviso) is omitted as executed.

In subsection (b), the words “or incident” are added for consistency. The text of section 15(c) of the Rail Safety Enforcement and Review Act (Pub. 102-365, 106 Stat. 981) is omitted as executed.

§ 20902. Investigations

(a) General Authority.—The Secretary of Transportation, or an impartial investigator authorized by the Secretary, may investigate—

(1) an accident or incident resulting in serious injury to an individual or to railroad property, occurring on the railroad line of a railroad carrier; and

(2) an accident or incident reported under section 20605 of this title.

(b) Other Duties and Powers.—In carrying out an investigation, the Secretary or authorized investigator may subpoena witnesses, require the production of records, exhibits, and other evidence, administer oaths, and take testimony. If the accident or incident is investigated by a commission of the State in which it occurred, the Secretary, if convenient, shall carry out the investigation at the same time as, and in coordination with, the commission’s investigation. The railroad carrier on whose railroad line the accident or incident occurred shall provide reasonable facilities to the Secretary for the investigation.

(c) Reports.—When in the public interest, the Secretary shall make a report of the investigation, stating the cause of the accident or incident and making recommendations the Secretary considers appropriate. The Secretary shall publish the report in a way the Secretary considers appropriate.

§ 20903. Reports not evidence in civil actions for damages

No part of an accident or incident report filed by a railroad carrier under section 20901 of this title or made by the Secretary of Transportation under section 20802 of this title may be used in a civil action for damages resulting from a matter mentioned in the report.

§ 21101

Definitions

In this chapter—

(1) "designated terminal" means the home or away-from-home terminal for the assignment of a particular crew.

(2) "dispatching service employee" means an operator, train dispatcher, or other train employee who by the use of an electrical or mechanical device dispatches, reports, transmits, receives, or delivers orders related to or affecting train movements.

(3) "employee" means a dispatching service employee, a signal employee, or a train employee.

(4) "signal employee" means an individual who is engaged in installing, repairing, or maintaining signal systems.

(5) "train employee" means an individual engaged in or connected with the movement of a train, including a hostler.

Historical and Revision Notes

<table>

<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

Clause (2) is added to avoid the necessity of repeating the substance of the definition every time a "dispatching service employee" is referred to in this chapter. The language in clause (2) is derived from 45:63.

Clause (3) is added to provide a definition of "employee" when the source provisions apply to all types of employees covered by this chapter.

Clause (4) is added to avoid the necessity of repeating the substance of the definition every time a "signal employee" is referred to in this chapter. The language in clause (4) is derived from 45:63a.

In clause (5), the words "train employee" are substituted for "employee" to distinguish the term from the terms "dispatching service employee" and "signal employee." The word "actually" is omitted as surplus.

AMENDMENTS

provision of commuter rail passenger transportation or intercity rail passenger transportation, the limitations on duty hours for train employees of such railroad carriers shall be governed by new section 21103, except as provided in paragraph (3).

(3) After the effective date of the regulations prescribed by the Secretary under section 21109(b) of this title, such carriers shall—

(A) comply with the limitations on duty hours for train employees with respect to the provision of commuter rail passenger transportation or intercity rail passenger transportation as prescribed by such regulations; and

(B) be exempt from complying with the provisions of old section 21103 and new section 21103 for such employees.

(4) In this section:

(A) The terms “commuter rail passenger transportation” and “intercity rail passenger transportation” have the meaning given those terms in section 24102 of this title.

(C) The term “new section 21103” means section 21103 of this chapter as amended by the Rail Safety Improvement Act of 2008.

(D) The term “old section 21103” means section 21103 of this chapter as it was in effect on the day before the enactment of that Act.

(Historical and Revision Notes)

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (b), the words “with respect to one or more of its employees” are omitted as surplus because the authority to exempt a railroad carrier includes the authority to exempt only some of the employees of the carrier. The words “carrier to require or allow its employees to be on duty” are substituted for “any railroad described in this section to work its employees” for clarity and consistency in this chapter.

References in Text

Amendments

§ 21103. Limitations on duty hours of train employees

(a) In General.—Except as provided in subsection (d) of this section, a railroad carrier and its officers and agents may not require or allow a train employee to—

(1) remain on duty, go on duty, wait for deadhead transportation, be in deadhead transportation from a duty assignment to the place of final release, or be in any other mandatory service for the carrier in any calendar month where the employee has spent a total of 276 hours—

(A) on duty;

(B) waiting for deadhead transportation, or in deadhead transportation from a duty assignment to the place of final release; or

(C) in any other mandatory service for the carrier;

(2) remain or go on duty for a period in excess of 12 consecutive hours;

(3) remain or go on duty unless that employee has had at least 10 consecutive hours off duty during the prior 24 hours; or

(4) remain or go on duty after that employee has initiated an on-duty period each day for—

(A) 6 consecutive days, unless that employee has had at least 48 consecutive hours off duty at the employee’s home terminal during which time the employee is unavailable for any service for any railroad carrier except that—

(i) an employee may work a seventh consecutive day if that employee completed his or her final period of on-duty time on his or her sixth consecutive day at a terminal other than his or her home terminal; and

(ii) any employee who works a seventh consecutive day pursuant to subparagraph (i) shall have at least 72 consecutive hours off duty at the employee’s home terminal during which time the employee is unavailable for any service for any railroad carrier; or

(B) except as provided in subparagraph (A), 7 consecutive days, unless that employee has had at least 72 consecutive hours off duty at the employee’s home terminal during which time the employee is unavailable for any service for any railroad carrier, if—

(i) for a period of 18 months following the date of enactment of the Rail Safety Improvement Act of 2008, any employee who works a seventh consecutive day pursuant to subparagraph (i) shall have at least 72 consecutive hours off duty at the employee’s home terminal during which time the employee is unavailable for any service for any railroad carrier, if—

(1) (i) for a period of 18 months following the date of enactment of the Rail Safety Improvement Act of 2008, an existing collective bargaining agreement expressly provides for such a schedule or, following the expiration of 18 months after the date of enactment of the Rail Safety Improvement Act of 2008, collective bargaining agreements entered into during such period expressly provide for such a schedule; or

(ii) such a schedule is provided for by a pilot program authorized by a collective bargaining agreement; or
(iii) such a schedule is provided for by a pilot program under section 21108 of this chapter related to employees’ work and rest cycles.

The Secretary may waive paragraph (4), consistent with the procedural requirements of section 20103, if a collective bargaining agreement provides a different arrangement and such an arrangement is in the public interest and consistent with railroad safety.

(b) Determining Time on Duty.—In determining under subsection (a) of this section the time a train employee is on or off duty, the following rules apply:

(1) Time on duty begins when the employee reports for duty and ends when the employee is finally released from duty.

(2) Time the employee is engaged in or connected with the movement of a train is time on duty.

(3) Time spent performing any other service for the railroad carrier during a 24-hour period in which the employee is engaged in or connected with the movement of a train is time on duty.

(4) Time spent in deadhead transportation to a duty assignment is time on duty, but time spent in deadhead transportation from a duty assignment to the place of final release is neither time on duty nor time off duty.

(5) An interim period available for rest at a place other than a designated terminal is time on duty.

(6) An interim period available for less than 4 hours rest at a designated terminal is time on duty.

(7) An interim period available for at least 4 hours rest at a place with suitable facilities for food and lodging is not time on duty when the employee is prevented from getting to the employee’s designated terminal by any of the following:

(A) a casualty;

(B) a track obstruction.

(c) Limbo Time Limitation and Additional Rest Requirement.—

(1) A railroad carrier may not require or allow an employee—

(A) to exceed a total of 40 hours per calendar month spent—

(i) waiting for deadhead transportation; or

(ii) in deadhead transportation from a duty assignment to the place of final release,

following a period of 12 consecutive hours on duty that is neither time on duty nor time off duty, not including interim rest periods, during the period from the date of enactment of the Rail Safety Improvement Act of 2008 to one year after such date of enactment; and

(B) to exceed a total of 30 hours per calendar month spent—

(i) waiting for deadhead transportation; or

(ii) in deadhead transportation from a duty assignment to the place of final release,

following a period of 12 consecutive hours on duty that is neither time on duty nor time off duty, not including interim rest periods, during the period beginning one year after the date of enactment of the Rail Safety Improvement Act of 2008 except that the Secretary may further limit the monthly limitation pursuant to regulations prescribed under section 21109.

(2) The limitations in paragraph (1) shall apply unless the train carrying the employee is directly delayed by—

(A) a casualty;

(B) an accident;

(C) an act of God;

(D) a derailment;

(E) a major equipment failure that prevents the train from advancing; or

(F) a delay resulting from a cause unknown and unforeseeable to a railroad carrier or its officer or agent in charge of the employee when the employee left a terminal.

(3) Each railroad carrier shall report to the Secretary, in accordance with procedures established by the Secretary, each instance where an employee subject to this section spends time waiting for deadhead transportation or in deadhead transportation from a duty assignment to the place of final release in excess of the requirements of paragraph (1).

(4) If—

(A) the time spent waiting for deadhead transportation or in deadhead transportation from a duty assignment to the place of final release that is not time on duty, plus

(B) the time on duty,

exceeds 12 consecutive hours, the railroad carrier and its officers and agents shall provide the employee with additional time off duty equal to the number of hours by which such sum exceeds 12 hours.

(d) Emergencies.—A train employee on the crew of a wreck or relief train may be allowed to remain or go on duty for not more than 4 additional hours in any period of 24 consecutive hours when an emergency exists and the work of the crew is related to the emergency. In this subsection, an emergency ends when the track is cleared and the railroad line is open for traffic.

(e) Communication During Time Off Duty.—

During a train employee’s minimum off-duty period of 10 consecutive hours, as provided under subsection (a) or during an interim period of at least 4 consecutive hours available for rest under subsection (b)(7) or during additional off-duty hours under subsection (c)(4), a railroad carrier, and its officers and agents, shall not communicate with the train employee by telephone, by pager, or in any other manner that could reasonably be expected to disrupt the employee’s rest. Nothing in this subsection shall prohibit communication necessary to notify an employee of an emergency situation, as defined by the Secretary. The Secretary may waive the
requirements of this paragraph for commuter or intercity passenger railroads if the Secretary determines that such a waiver will not reduce safety and is necessary to maintain such railroads' efficient operations and on-time performance of its trains.

HISTORICAL AND REVISION NOTES

In subsection (a), before clause (1), the words “Except as provided in subsection (c) of this section” are added to alert the reader to the exception restated in subsection (c). The words “train employee” are substituted for “employee” because of the definition of “train employee” in section 21101 of the revised title. In clause (2), the words “12 consecutive hours” are substituted for “continuously . . . fourteen hours” and “except that, effective upon the expiration of the two-year period beginning on the effective date of this paragraph, such fourteen-hour duty period shall be reduced to twelve hours” because the 2-year period has ended.

In subsection (b), the words before paragraph (1) are added as related to 45:61(b)(3) and (4) (last sentence) and substituted for “‘in determining, for the purposes of subsection (a), the number of hours an employee is on duty’ in 45:62(b)” for clarity. In paragraphs (2) and (3), the word “‘actually’ is omitted as surplus. In paragraph (4), the words “‘neither time on duty nor time off duty’ are substituted for “time off duty” for clarity. In paragraphs (5)–(7) of this subsection, is time on duty.

In subsection (c), the words “‘A train employee on’ are added for consistency in this section. The word “actual” is omitted as surplus.

REFERENCES IN TEXT

The date of enactment of the Rail Safety Improvement Act of 2008, referred to in subsections (a)(3)(B)(i) and (c)(1), is the date of enactment of div. A of Pub. L. 110–432, which was approved Oct. 16, 2008.

AMENDMENTS

2008—Subsec. (a). Pub. L. 110–432, §108(b)(1), added subsec. (a) and struck out former subsec. (a). Prior to amendment, text read as follows: “Except as provided in subsection (c) of this section, a railroad carrier and its officers and agents may not require or allow a train employee to remain or go on duty—

“‘(1) unless that employee has had at least 8 consecutive hours off duty during the prior 24 hours; or “(2) after that employee has been on duty for 12 consecutive hours, until that employee has had at least 10 consecutive hours off duty.’

Subsecs. (c), (d). Pub. L. 110–432, §108(b)(2), added subsec. (c) and redesignated former subsec. (c) as (d).

§21104. Limitations on duty hours of signal employees

(a) IN GENERAL.—Except as provided in subsection (c) of this section, a railroad carrier and its officers and agents may not require or allow its signal employees to remain or go on duty and a contractor or subcontractor to a railroad carrier and its officers and agents may not require or allow its signal employees to remain or go on duty—

(1) for a period in excess of 12 consecutive hours; or

(2) unless that employee has had at least 10 consecutive hours off duty during the prior 24 hours.

(b) DETERMINING TIME ON DUTY.—In determining under subsection (a) of this section the time a signal employee is on duty or off duty, the following rules apply:

(1) Time on duty begins when the employee reports for duty and ends when the employee is finally released from duty.

(2) Time spent performing any other service for the railroad carrier during a 24-hour period in which the employee is engaged in installing, repairing, or maintaining signal systems is time on duty.

(3) Time spent returning from a trouble call, whether the employee goes directly to the employee’s residence or by way of the employee’s quarters or directly to the employee’s residence or by way of the employee’s headquarters, is neither time on duty nor time off duty.

(4) If, at the end of scheduled duty hours, an employee has not completed the trip from the final outlying worksite of the duty period to the employee’s headquarters or directly to the employee’s residence, the time after the scheduled duty hours necessarily spent in completing the trip to the residence or headquarters is neither time on duty nor time off duty.

(5) If an employee is released from duty at an outlying worksite before the end of the employee’s scheduled duty hours to comply with this section, the time necessary for the trip from the worksite to the employee’s headquarters or directly to the employee’s residence is neither time on duty nor time off duty.

(6) Time spent in transportation on an on-track vehicle, including time referred to in paragraphs (3)–(5) of this subsection, is time on duty.

(7) A regularly scheduled meal period or another release period of at least 30 minutes but not more than one hour is time off duty and does not break the continuity of service of the employee under this section, but a release pe-
of more than one hour is time off duty and does break the continuity of service.

(c) **EMERGENCIES.**—A signal employee may be allowed to remain or go on duty for not more than 4 additional hours in any period of 24 consecutive hours when an emergency exists and the work of that employee is related to the emergency. In this subsection, an emergency situation, as defined by the Secretary, is time off duty in that tower, office, station, or place at which at least 2 shifts are employed; or (2) a total of 12 hours during a 24-hour period in a tower, office, station, or place at which only one shift is employed.

(d) **COMMUNICATION DURING TIME OFF DUTY.**—During a signal employee’s minimum off-duty period of 10 consecutive hours, as provided under subsection (a), a railroad carrier or a contractor or subcontractor to a railroad carrier and its officers and agents, shall not communicate with the signal employee by telephone, by pager, or in any other manner that could reasonably be expected to disrupt the employee’s rest. Nothing in this subsection shall prohibit communication necessary to notify an employee of an emergency situation, as defined by the Secretary.

(e) **EXCLUSIVITY.**—The hours of service, duty hours, and rest periods of signal employees shall be governed exclusively by this chapter. Signal employees operating motor vehicles shall not be subject to any hours of service rules, duty hours or rest period rules promulgated by any Federal authority, including the Federal Motor Carrier Safety Administration, other than the Federal Railroad Administration.

HISTORICAL AND REVISION NOTES

</tr>
</tbody>
</table>

In this section, the words “signal employee” are substituted for “an individual employed by the railroad who is engaged in installing, repairing or maintaining signal systems” and “an individual described in paragraph (1)” in 45:63a(a), “individual” in 45:63a(b) and (c), and “individual engaged in installing, repairing, or maintaining signal systems” in 45:63a(f) because of the definition of “signal employee” in section 21101 of the revised title.

Subsection (a)(1) is substituted for 45:63a(a) (last sentence) for clarity and because of the restatement.

Subsection (a)(2), before clause (A), the words “Except as provided in subsection (c) of this section” are added to alert the reader to the exception restated in subsection (c). The text of 45:63a(a) (2d sentence) is omitted as surplus.

In subsection (b), the words before paragraph (1) are added as related to 45:63a(c) and substituted for “in determining for the purposes of subsection (a) of this section the number of hours an individual is on duty” for clarity. In paragraph (2), the word “actually” is omitted as surplus.

In subsection (c), the word “actual” is omitted as surplus.

**AMENDMENTS**

2008—Subsec. (a). Pub. L. 110–432, §108(c)(1), added subsec. (a) and struck out subsec. (a) which limited the amount of time spent on duty by signal employees.

Subsec. (b)(3). Pub. L. 110–432, §108(c)(2), substituted “duty.” for “duty, except that up to one hour of that time spent returning from the final trouble call of a period of continuous or broken service is time off duty.”

Subsec. (c). Pub. L. 110–432, §108(c)(3), inserted at end “A signal employee may not be allowed to remain or go on duty under the emergency authority provided under this subsection to conduct routine repairs, routine maintenance, or routine inspection of signal systems.”

Subsecs. (d), (e), Pub. L. 110–432, §108(c)(4), added subsecs. (d) and (e).

**EFFECTIVE DATE OF 2008 AMENDMENT**

§ 21105. Limitations on duty hours of dispatching service employees

(a) **APPLICATION.**—This section applies, rather than section 21103 or 21104 of this title, to a train employee or signal employee during any period of time the employee is performing duties of a dispatching service employee.

(b) **GENERAL.**—Except as provided in subsection (d) of this section, a dispatching service employee may not be required or allowed to remain or go on duty for more than—

(1) a total of 9 hours during a 24-hour period in a tower, office, station, or place at which at least 2 shifts are employed; or

(2) a total of 12 hours during a 24-hour period in a tower, office, station, or place at which only one shift is employed.

(d) **COMMERCIAL TIME ON DUTY.**—Under subsection (b) of this section, time spent performing any other service for the railroad carrier during a 24-hour period in which the employee is on duty in a tower, office, station, or other place is time on duty in that tower, office, station, or place.

(d) **EMERGENCIES.**—When an emergency exists, a dispatching service employee may be allowed to remain or go on duty for not more than 4 additional hours during a period of 24 consecutive hours for not more than 3 days during a period of 7 consecutive days.

HISTORICAL AND REVISION NOTES

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>
In this section, the words “dispatching service employee” are substituted for “operator, train dispatcher, or other employee who by the use of the telegraph, telephone, radio, or any other electrical or mechanical device dispatches, reports, transmits, receives, or delivers orders pertaining to or affecting train movements” in 45:63(a), “employee . . . on duty in a class of service . . . described in paragraph (1) or (2) of such subsection” in 45:63(b), and “employees named in such subsection” in 45:63(c) because of the definition of “dispatching service employee” in section 21101 of the revised title.

In subsection (a), the words “This section applies, rather than section 21103 or 21104 of this title” are substituted for “whether consecutive or in the aggregate” to eliminate unnecessary words.

In subsection (c), the words “a tower, office, station, or other place” are substituted for “a place, described in paragraph (1) or (2) of such subsection” for clarity.

In this section, before clause (1), the words “and any individuals employed to maintain the right of way of a railroad carrier” are substituted for 45:62(e) because of the restatement.

§ 21106. Limitations on employee sleeping quarters

(a) IN GENERAL.—A railroad carrier and its officers and agents—

(1) may provide sleeping quarters (including crew quarters, camp or bunk cars, and trailers) for employees, and any individuals employed to maintain the right of way of a railroad carrier, only if the sleeping quarters are clean, safe, and sanitary, give those employees and individuals an opportunity for rest free from the interruptions caused by noise under the control of the carrier, and provide indoor toilet facilities, potable water, and other features to protect the health of employees; and

(2) may not begin, after July 7, 1976, construction or reconstruction of sleeping quarters referred to in clause (1) of this section in an area or in the immediate vicinity of an area, as determined under regulations prescribed by the Secretary of Transportation, in which railroad switching or humping operations are performed.

(b) CAMP CARS.—Not later than December 31, 2009, any railroad carrier that uses camp cars shall fully retrofit or replace such cars in compliance with subsection (a).

(c) REGULATIONS.—Not later than April 1, 2010, the Secretary of Transportation, in coordination with the Secretary of Labor, shall prescribe regulations to implement subsection (a)(1) to protect the safety and health of any employees and individuals employed to maintain the right of way of a railroad carrier that uses camp cars, which shall require that all camp cars comply with those regulations by December 31, 2010. In prescribing the regulations, the Secretary shall assess the action taken by any railroad carrier to fully retrofit or replace its camp cars pursuant to this section.

(d) COMPLIANCE AND ENFORCEMENT.—The Secretary shall determine whether a railroad carrier has fully retrofitted or replaced a camp car pursuant to subsection (b) and shall prohibit the use of any non-compliant camp car. The Secretary may assess civil penalties pursuant to chapter 213 for violations of this section.

Hist. Notes—Statutes at Large:

§ 21108. Pilot projects

(a) IN GENERAL.—As of the date of enactment of the Rail Safety Improvement Act of 2008, a railroad carrier or railroad carriers and all non-profit employee labor organizations representing any class or craft of directly affected covered service employees of the railroad carrier or railroad carriers, may jointly petition the Secretary of Transportation for approval of—

(1) a waiver of compliance with this chapter as in effect on the date of enactment of the Rail Safety Improvement Act of 2008; or

(2) a waiver of compliance with this chapter as it will be effective 9 months after the enactment of the Rail Safety Improvement Act of 2008,

to enable the establishment of one or more pilot projects to demonstrate the possible benefits of implementing alternatives to the strict application of the requirements of this chapter, including requirements concerning maximum on-duty and minimum off-duty periods.

(b) GRANTING OF WAIVERS.—The Secretary may, after notice and opportunity for comment, approve such waivers described in subsection (a) for a period not to exceed two years, if the Secretary determines that such a waiver of compliance is in the public interest and is consistent with railroad safety.

(c) EXTENSIONS.—Any such waiver, based on a new petition, may be extended for additional periods of up to two years, after notice and opportunity for comment. An explanation of any waiver granted under this section shall be published in the Federal Register.

(d) REPORT.—The Secretary of Transportation shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives, no later than December 31, 2012, or, if no projects are completed prior to December 31, 2012, no later than 6 months after the completion of a pilot project, a report that—

(1) explains and analyzes the effectiveness of any pilot project established pursuant to a waiver granted under subsection (a);

(2) describes the status of all other waivers granted under subsection (a) and their related pilot projects, if any; and

(3) recommends any appropriate legislative changes to this chapter.

(e) DEFINITION.—For purposes of this section, the term “directly affected covered service employees” means covered service employees to whose hours of service the terms of the waiver petitioned for specifically apply.
duty assignment to the place of final release, that could affect employee fatigue and railroad safety.

(c) CONSIDERATIONS.—In issuing regulations under subsection (a) the Secretary shall consider scientific and medical research related to fatigue and fatigue abatement, railroad scheduling and operating practices that improve safety or reduce employee fatigue, the railroad’s use of new or novel technology intended to reduce or eliminate human error, the variations in freight and passenger railroad scheduling practices and operating conditions, the variations in duties and operating conditions for employees subject to this chapter, a railroad’s required or voluntary use of fatigue management plans covering employees subject to this chapter, and any other relevant factors.

(d) TIME LIMITS.—

(1) If the Secretary determines that regulations are necessary under subsection (a), the Secretary shall first request that the Railroad Safety Advisory Committee develop proposed regulations and, if the Committee accepts the task, provide the Committee with a reasonable time period in which to complete the task.

(2) If the Secretary requests that the Railroad Safety Advisory Committee accept the task of developing regulations under subsection (b) and the Committee accepts the task, the Committee shall reach consensus on the rulemaking within 18 months after accepting the task. If the Committee does not reach consensus within 18 months after the Secretary makes the request, the Secretary shall prescribe appropriate regulations within 18 months.

(3) If the Secretary does not request that the Railroad Safety Advisory Committee accept the task of developing regulations under subsection (b), the Secretary shall prescribe regulations within 3 years after the date of enactment of the Rail Safety Improvement Act of 2008.

(e) PILOT PROJECTS.—

(1) IN GENERAL.—Not later than 2 years after the date of enactment of the Rail Safety Improvement Act of 2008, the Secretary shall conduct at least 2 pilot projects of sufficient size and scope to analyze specific practices which may be used to reduce fatigue for train and engine and other railroad employees as follows:

(A) A pilot project at a railroad or railroad facility to evaluate the efficacy of communicating to employees notice of their assigned shift time 10 hours prior to the beginning of their assigned shift as a method for reducing employee fatigue.

(B) A pilot project at a railroad or railroad facility to evaluate the efficacy of requiring railroads who use employee scheduling practices that subject employees to periods of unscheduled duty calls to assign employees to defined or specific unscheduled call shifts that are followed by shifts not subject to call, as a method for reducing employee fatigue.

(2) WAIVER.—The Secretary may temporarily waive the requirements of this section, if necessary, to complete a pilot project under this subsection.

(f) DUTY CALL DEFINED.—In this section the term “duty call” means a telephone call that a railroad places to an employee to notify the employee of his or her assigned shift time.

REFERENCES IN TEXT

The date of enactment of the Rail Safety Improvement Act of 2008, referred to in subsecs. (b), (d)(3), and (e)(1), is the date of enactment of div. A of Pub. L. 110–432, which was approved Oct. 16, 2008.

CHAPTER 213—PENALTIES

SUBCHAPTER I—CIVIL PENALTIES

§ 21301. Chapter 201 general violations

(a) PENALTY.—(1) A person may not fail to comply with section 20160 or with a regulation prescribed or order issued by the Secretary of Transportation under chapter 201 of this title. Subject to section 21304 of this title, a person violating section 20160 of this title or a regulation prescribed or order issued by the Secretary under chapter 201 is liable to the United States Government for a civil penalty. The Secretary shall impose the penalty applicable under paragraph (2) of this subsection. A separate violation occurs for each day the violation continues.

(2) The Secretary shall include in, or make applicable to, each regulation prescribed or order issued under chapter 201 of this title a penalty against each offense. The Secretary may impose a civil penalty for a violation of section 20160 of this title. The amount of the penalty shall be at least $500 but not more than $25,000. However, when a grossly negligent violation or a pattern of repeated violations has caused an imminent hazard of death or injury to individuals, or has caused death or injury, the amount may be not more than $100,000.

(3) The Secretary may compromise the amount of a civil penalty imposed under this subsection to not less than $500 before referring the matter to the Attorney General for collection. In determining the amount of a compromise, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of violations, the ability to pay, and any effect on the ability to continue to do business; and

(C) other matters that justice requires.

(b) SETOFF.—The Government may deduct the amount of a civil penalty imposed or com-
promised under this section from amounts it owes the person liable for the penalty.

(c) DEPOSIT IN TREASURY.—A civil penalty collected under this section or section 2013(b) of this title shall be deposited in the Treasury as miscellaneous receipts.

**HISTORICAL AND REVISION NOTES**

**PUB. L. 103–272**

This amends 49:23101(a)(1) to clarify the restatement of 45:438(a) by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 891).

**AMENDMENTS**

2008—Subsec. (a)(1). Pub. L. 110–432, §204(d)(1), inserted “with section 20160 or” after “comply” and “section 20160 of this title or” after “viable.”

Subsec. (a)(2). Pub. L. 110–432, §302(a), substituted “$25,000,” for “$10,000,” and “$100,000,” for “$20,000.”

Pub. L. 110–432, §204(d)(2), inserted “The Secretary shall impose a civil penalty for a violation of section 20160 of this title.” after first sentence.

1996—Subsc. (a)(1). Pub. L. 104–287, §§5(53)(B), substituted “Secretary under chapter 201 is liable” for “Secretary of Transportation under chapter 201 of this title is liable.”

Pub. L. 104–287, §§5(53)(B), inserted “A person may not fail to comply with a regulation prescribed or order issued by the Secretary of Transportation under chapter 201 of this title,” before “Subject to.”

**EFFECTIVE DATE OF 1996 AMENDMENT**

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5903 of this title.

§ 21302. Chapter 201 accident and incident violations and chapter 203–209 violations

(a) PENALTY.—(1) Subject to section 21304 of this title, a person violating a regulation prescribed or order issued under chapter 201 of this title related to accident and incident reporting or investigation, or violating chapters 203–209 of this title or a regulation or requirement prescribed or order issued under this chapter is liable to the United States Government for a civil penalty. An act by an individual that causes a railroad carrier to be in violation is a violation. A separate violation occurs for each day the violation continues.

(2) The Secretary of Transportation imposes a civil penalty under this subsection. The amount of the penalty shall be at least $500 but not more than $25,000. However, when a grossly negligent violation or a pattern of repeated violations has caused an imminent hazard of death or injury to individuals, or has caused death or injury, the amount may be not more than $100,000.

(3) The Secretary may compromise the amount of the civil penalty under section 3711 of title 31. In determining the amount of a compromise, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of violations, the ability to pay, and any effect on the ability to continue to do business; and
(C) other matters that justice requires.

(4) If the Secretary does not compromise the amount of the civil penalty, the Secretary shall refer the matter to the Attorney General for collection.

(b) CIVIL ACTIONS TO COLLECT.—The Attorney General shall bring a civil action in a district court of the United States to collect a civil penalty that is referred to the Attorney General for collection under subsection (a) of this section. The action may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. If the action is against an individual, the action also may be brought in the judicial district in which the individual resides.

### Historical and Revision Notes

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In subsection (a)(1), the words “(including but not limited to a railroad; any manager, supervisor, official, or other employee or agent of a railroad; any owner, manufacturer, lessor, or lessee of railroad equipment, track, or facilities; any independent contractor providing goods or services to a railroad; and any employee of such owner, manufacturer, lessee, or independent contractor)” are omitted as surplus because of the definition of “person” in 1:1 and because the provision being violated indicates to whom it applies. The words violating a regulation prescribed or order issued under chapter 215, to the extent related to accident and incident reporting or investigation” are substituted for “violating … any rule, regulation, order, or standard issued under … the Federal Railroad Safety Act of 1970 [45 U.S.C. 441 et seq.] pertaining to accident reporting or investigations” in 45:38, and the words “violating chapters 203-209 of this title or a regulation or requirement prescribed or order issued under such chapters” in 45:38, are substituted for various language in the source provisions, for clarity, for consistency in this section, and to eliminate unnecessary words. The words “liable to the
United States Government for a civil penalty" are substituted for "liable to a penalty" for clarity. The text of 49:338(b) (related to 45:39) is omitted as covered by 45:43.

In subsection (a)(2), the words "The Secretary of Transportation imposes a civil penalty under this subsection" are substituted for "to be assessed by the Secretary of Transportation" in 45:6. "Such penalty shall be assessed by the Secretary of Transportation" in 45:13, the text of 45:19 (words after 7th comma) and 14 (words after semicolon), and "in such amount . . . as the Secretary of Transportation deems reasonable" in 45:34 and 43 and 49 App.26(b) for clarity and to eliminate unnecessary words. The words "per violation" are omitted as surplus.

In subsection (a)(3) and (b), the words "Attorney General" are substituted for "United States attorney" and "such attorneys, subject to the direction of the Attorney General", "proper United States attorney" and "proper United States attorneys" because of 28:569.

In subsection (a)(3), the words "section 3711 of title 31" are substituted for "the Federal Claims Collection Act of 1966" and "sections 3711 and 3716 to 3718 of title 31" because the Federal Claims Collection Act of 1966 has been repealed and reenacted as part of title 31 and penalties are compromised under 31:3711. In clause (B), the words "prior or subsequent" are omitted as unnecessary.

In subsection (a)(4), the words "the Secretary shall refer the matter to the Attorney General for collection" are substituted for "recovered in a suit or suits to be brought by" for clarity. The words "and it shall also be the duty of the Secretary of Transportation to lodge with . . . information of any such violations as may come to his knowledge" and "and it shall be the duty of the director of locomotive inspection to give information . . . of all violations coming to his knowledge" are omitted as obsolete.

In subsection (b), the words "The Attorney General shall bring a civil action in a district court of the United States to collect a civil penalty that is referred to the Attorney General for collection under subsection (a) of this section after satisfactory information is presented to the Attorney General. The action may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. If the action is against an individual, the action also may be brought in the judicial district in which the individual resides.

(2) A civil action under this subsection must be brought not later than 2 years after the date of the violation unless administrative notification under section 3711 of title 31 is given within that 2-year period to the person committing the violation. However, even if notification is given, the action must be brought within the period specified in section 2462 of title 28.

(c) IMPOSITION OF KNOWLEDGE.—In any proceeding under this section, a railroad carrier is deemed to know the acts of its officers and agents.

§ 21303. Chapter 211 violations

(a) PENALTY.—(1) Subject to section 21304 of this title, a person violating chapter 211 of this title, including section 21101 (as such section was in effect on the day before the date of enactment of the Rail Safety Improvement Act of 2008), or violating any provision of a waiver applicable to that person that has been granted under section 21108 of this title, is liable to the United States Government for a civil penalty. An act by an individual that causes a railroad carrier to be in violation is a violation. For a violation of section 21106 of this title, a separate violation occurs for each day a facility is not in compliance.

(2) The Secretary of Transportation imposes a civil penalty under this subsection. The amount of the penalty shall be at least $500 but not more than $25,000. However, when a grossly negligent violation or a pattern of repeated violations has caused an imminent hazard of death or injury to individuals, or has caused death or injury, the amount may be not more than $100,000.

(3) The Secretary may compromise the amount of the civil penalty under section 3711 of title 31. In determining the amount of a compromise, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of violations, the ability to pay, and any effect on the ability to continue to do business; and

(C) other matters that justice requires.

(4) If the Secretary does not compromise the amount of the civil penalty, the Secretary shall refer the matter to the Attorney General for collection.

(b) CIVIL ACTIONS TO COLLECT.—(1) The Attorney General shall bring a civil action in a district court of the United States to collect a civil penalty that is referred to the Attorney General for collection under subsection (a) of this section after satisfactory information is presented to the Attorney General. The action may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. If the action is against an individual, the action also may be brought in the judicial district in which the individual resides.

(2) A civil action under this subsection must be brought not later than 2 years after the date of the violation unless administrative notification under section 3711 of title 31 is given within that 2-year period to the person committing the violation. However, even if notification is given, the action must be brought within the period specified in section 2462 of title 28.

(c) IMPOSITION OF KNOWLEDGE.—In any proceeding under this section, a railroad carrier is deemed to know the acts of its officers and agents.

§ 21303. Chapter 211 violations

(a) PENALTY.—(1) Subject to section 21304 of this title, a person violating chapter 211 of this title, including section 21101 (as such section was in effect on the day before the date of enactment of the Rail Safety Improvement Act of 2008), or violating any provision of a waiver applicable to that person that has been granted under section 21108 of this title, is liable to the United States Government for a civil penalty. An act by an individual that causes a railroad carrier to be in violation is a violation. For a violation of section 21106 of this title, a separate violation occurs for each day a facility is not in compliance.

(2) The Secretary of Transportation imposes a civil penalty under this subsection. The amount of the penalty shall be at least $500 but not more than $25,000. However, when a grossly negligent violation or a pattern of repeated violations has caused an imminent hazard of death or injury to
In this section, the words “Attorney General” are substituted for “United States attorney” because of 28:509. The words “civil action” are substituted for “suit or suits”, “action”, and “prosecutions” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.).

In subsection (a)(1), the words “including but not limited to a railroad; any manager, supervisor, official, or other employee or agent of a railroad; any owner, manufacturer, lessor, or lessee of railroad equipment, track, or facilities; any independent contractor providing goods or services to a railroad; and any employee of such owner, manufacturer, lessee, or independent contractor” are omitted as surplus because of the definition of “person” in 1:1 and because the provision being violated indicates to whom it applies. The words “violation.” An individual is deemed not to have violated chapter 211 of this title” are substituted for “that requires or permits any employee to go, be, or remain on duty in violation of section 62, section 63, or section 63a of this title, or that violates any other provision of this chapter” to eliminate unnecessary words.

The words “to the United States Government for a civil penalty” are substituted for “the Secretary shall recover in a suit or suits” because penalties are compromised under title 31” because penalties are compromised under title 31” are substituted for “sections 3711 and 3716 to 3718 of title 31” because penalties are compromised under title 31:3711 in clause (B), the words “prior or subsequent” are omitted as unnecessary.

In subsection (d), the words “the Secretary shall refer the matter to the Attorney General for collection” are substituted for “recovered in a suit or suits to be brought by” for clarity. The text of 45:64a(b) is omitted as obsolete. In subsection (b)(1), the words “The Attorney General shall bring a civil action in a district court of the United States to collect a civil penalty that is referred to the Attorney General for collection under subsection (a) of this section after satisfactory information is presented to the Attorney General” are substituted for “It shall be the duty of the United States attorney to bring such an action upon satisfactory information being lodged with him” for clarity and consistency in this section and with other provisions of the revised title.

In subsection (c), the words “any proceeding” are substituted for “all prosecutions” for consistency in the revised title.

This amends 49:21304(a)(1) to correct a grammatical error.

§21304. Willfulness requirement for penalties against individuals

A civil penalty under this subchapter may be imposed against an individual only for a willful violation. An individual is deemed not to have committed a willful violation if the individual was following the direct order of a railroad carrier official or supervisor under protest communicated to the official or supervisor. The individual is entitled to document the protest.

PUB. L. 103–272, §1(e), July 5, 1994, 108 Stat. 893.)

SUBCHAPTER II—CRIMINAL PENALTIES

§ 21311. Records and reports

(a) RECORDS AND REPORTS UNDER CHAPTER 201.—A person shall be fined under title 18, imprisoned for not more than 2 years, or both, if the person knowingly and willfully—

(1) makes a false entry in a record or report required to be made or preserved under chapter 201 of this title;
(2) destroys, mutilates, changes, or by another means falsifies such a record or report;
(3) does not enter required specified facts and transactions in such a record or report;
(4) makes or preserves such a record or report in violation of a regulation prescribed or required to be made or preserved under chapter 201 of this title; or
(5) files a false record or report with the Secretary of Transportation.

(b) ACCIDENT AND INCIDENT REPORTS.—A railroad carrier not filing a report in violation of section 20901 of this title shall be fined not more than $2,500. A separate violation occurs for each violation and not more than $500 for each day the violation continues.

21311(b) ...... 45:39 (related to fine).

In subsection (a), before clause (1), the words “fined under title 18” are substituted for “fined not more than $5,000” for consistency with title 18. In clause (1), the word “prepared” is omitted as surplus. In clause (4), the word “prepares” is omitted as surplus.

In subsection (b), the words “shall be deemed guilty of a misdemeanor” are omitted for consistency with title 18. The words “upon conviction thereof by a court of competent jurisdiction” and “punished by a” are omitted as surplus.

AMENDMENTS

2008—Subsec. (b), Pub. L. 110–432 amended subsec. (b) generally. Prior to amendment, text read as follows: “A railroad carrier not filing the report required by sec-

$22101. Financial assistance for State projects

(a) GENERAL.—The Secretary of Transportation shall provide financial assistance to a State, as provided under this chapter, for a rail freight assistance project of the State when a rail carrier subject to part A of subtitle IV of this title maintains a rail line in the State. The assistance is for the cost of—

(1) acquiring, in any way the State considers appropriate, an interest in a rail line or rail property to maintain existing, or to provide future, rail freight transportation, but only if the Surface Transportation Board has authorized, or exempted from the requirements of that authorization, the abandonment of, or the discontinuance of rail transportation on, the rail line related to the project;
(2) improving and rehabilitating rail property on a rail line to the extent necessary to allow adequate and efficient rail freight transportation on the line, but only if the rail carrier certifies that the rail line related to the project carried not more than 5,000,000 gross ton-miles of freight a mile in the prior year; and
(3) building rail or rail-related facilities (including new connections between at least 2 existing rail lines, intermodal freight terminals, sidings, bridges, and relocation of existing lines) to improve the quality and efficiency of the rail freight transportation, but only if the rail carrier certifies that the rail line related to the project carried not more than 5,000,000 gross ton-miles of freight a mile in the prior year.

(b) CALCULATING COST-BENEFIT RATIO.—The Secretary shall establish a methodology for calculating the ratio of benefits to costs of projects proposed under this chapter. In establishing the methodology, the Secretary shall consider the need for equitable treatment of different regions of the United States and different commodities transported by rail. The establishment of the methodology is committed to the discretion of the Secretary.

(c) CONDITIONS.—(1) Assistance for a project shall be provided under this chapter only if—

(A) a rail carrier certifies that the rail line related to the project carried more than 20 carloads a mile during the most recent year during which transportation was provided by the carrier on the line; and
(B) the ratio of benefits to costs for the project, as calculated using the methodology
established under subsection (b) of this section, is more than 1.0.

(2) If the rail carrier that provided the transportation on the rail line is no longer in existence, the applicant for the project shall provide the information required by the certification under paragraph (1)(A) of this subsection in the way the Secretary prescribes.

(3) The Secretary may waive the requirement of paragraph (1)(A) or (2) of this subsection if the Secretary—

(A) decides that the rail line has contractual guarantees of at least 40 carloads a mile for each of the first 2 years of operation of the proposed project; and

(B) finds that there is a reasonable expectation that the contractual guarantees will be fulfilled.

(d) LIMITATIONS ON AMOUNTS.—A State may not receive more than 15 percent of the amounts provided in a fiscal year under this chapter. Not more than 20 percent of the amounts available under this chapter may be provided in a fiscal year for any one project.

In this chapter, the word “transportation” is substituted for “service” for consistency in the revised title. In subsection (a), before clause (1), the words “when a rail carrier . . . maintains a rail line in the State” are substituted for “As used in this section, the term ‘State’ means any State in which a rail carrier providing transportation . . . maintains any line of railroad” because of the restatement. The words “the jurisdiction of the Interstate Commerce Commission” are omitted as unnecessary because of 49 U.S.C. 105. In clause (1), the words “by purchase, lease” are omitted as being included in “in any way the State considers appropriate” to eliminate unnecessary words.

In subsection (b), the words “no later than July 1, 1990” are omitted as executed.

In subsection (c)(1), before clause (A), the words “Assistance for a project shall be provided under this chapter only if” are substituted for “No project shall be provided rail freight assistance under this section unless” because of the restatement.

In subsection (c)(2), the words “If the rail carrier that provided the transportation on the rail line” are substituted for “In a case where the railroad”, and the words “information required by the certification under paragraph (1)(A) of this subsection” are substituted for “such information”, for clarity.

AMENDMENTS

EFFECTIVE DATE OF 1995 AMENDMENT

Amendment by Pub. L. 104-88 effective Jan. 1, 1996, see section 2 of Pub. L. 104-88, set out as an Effective Date note under section 701 of this title.

§ 22102. Eligibility

A State is eligible to receive financial assistance under this chapter only when the State complies with regulations the Secretary of Transportation prescribes under this chapter and the Secretary decides that—

(1) the State has an adequate plan for rail transportation in the State and a suitable process for updating, revising, and modifying the plan;

(2) the State plan is administered or coordinated by a designated State authority and provides for a fair distribution of resources;

(3) the State authority—

(A) is authorized to develop, promote, supervise, and support safe, adequate, and efficient rail transportation;

(B) employs or will employ sufficient qualified and trained personnel;

(C) maintains or will maintain adequate programs of investigation, research, promotion, and development with opportunity for public participation; and

(D) is designated and directed to take all practicable steps (by itself or with other State authorities) to improve rail transportation safety and reduce energy use and pollution related to transportation; and

(4) the State has ensured that it maintains or will maintain adequate procedures for financial control, accounting, and performance evaluation for the proper use of assistance provided by the United States Government.

“agency” for consistency in the revised title. In clause (2), the word “fair” is substituted for “equitable” for consistency in the revised title. In clause (3)(A), the words “is authorized” are substituted for “has authority and administrative jurisdiction” to eliminate unnecessary words. In clause (3)(B), the words “directly or indirectly” are omitted as surplus. In clause (4), the word “adopt” is omitted as being included in “maintain”.

§ 22103. Applications

(a) FILING.—A State must file an application with the Secretary of Transportation for financial assistance for a project described under section 22101(a) of this title not later than January 1 of the fiscal year for which amounts have been appropriated. However, for a fiscal year for which the authorization of appropriations for assistance under this chapter has not been enacted by the first day of the fiscal year, the State must file the application not later than 90 days after the date of enactment of a law authorizing the appropriations for that fiscal year. The Secretary shall prescribe the form of the application.

(b) CONSIDERATIONS.—In considering an application under this subsection, the Secretary shall consider the following:

(1) the percentage of rail lines that rail carriers have identified to the Surface Transportation Board for abandonment or potential abandonment in the State.

(2) the likelihood of future abandonments in the State.

(3) the ratio of benefits to costs for a proposed project calculated using the methodology established under section 22101(b) of this title.

(4) the likelihood that the rail line will continue operating with assistance.

(5) the impact of rail bankruptcies, rail restructuring, and rail mergers on the State.

HISTORICAL AND REVISION NOTES

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In subsection (a), the words “under this chapter” are added for clarity. The words “a law” are substituted for “legislation” for consistency in the revised title.

In subsection (b)(3), the words “established by the Secretary” are omitted as surplus.

In subsection (b)(5), the words “applying for assistance” are omitted as unnecessary because of the re-statement.

§ 22104. State rail plan financing

(a) ENTITLEMENT AND USES.—On the first day of each fiscal year, each State is entitled to $36,000 of the amounts made available under section 22108 of this title during that fiscal year to be used—

(1) to establish, update, revise, and modify the State plan required by section 22102 of this title; or

(2) to carry out projects described in section 22101(a)(1), (2), or (3) of this title, as designated by the State, if those projects meet the requirements of section 22101(c)(1)(B) of this title.

(b) APPLICATIONS.—Each State must apply for amounts under this section not later than the first day of the fiscal year for which the amounts are available. However, for any fiscal year for which the authorization of appropriations for financial assistance under this chapter has not been enacted by the first day of the fiscal year, the State must apply for amounts under this section not later than 60 days after the date of enactment of a law authorizing the appropriations for that fiscal year. Not later than 60 days after receiving an application, the Secretary of Transportation shall consider the application and notify the State of the approval or disapproval of the application.

(c) AVAILABILITY OF AMOUNTS.—Amounts provided under this section remain available to a State for obligation for the first 3 months after the end of the fiscal year for which the amounts were made available. Amounts not applied for under this section or that remain unobligated after the first 3 months after the end of the fiscal year for which the amounts were made available are available to the Secretary for projects meeting the requirements of this chapter.

HISTORICAL AND REVISION NOTES

EFFECTIVE DATE OF 1995 AMENDMENT

In subsection (a)(1), the word “modify” is added for consistency with §22104(a), restated in section 22102 of the revised title.

In subsection (b), the words “not later than the first day of the fiscal year for which the amounts are available” are substituted for “on or before the first day of the fiscal year” for clarity.

In subsection (c), the word “timely” is omitted as unnecessary. The words “the first 3 months after the end of the fiscal year for which the amounts were made available” are substituted for “the expiration of the period described in the previous sentence” for clarity.

§ 22105. Sharing project costs

(a) GENERAL.—(1) The United States Government’s share of the costs of financial assistance for a project under this chapter is 70 percent. The State may pay its share of the costs in cash or through the following benefits, except that for assistance provided under section 22101(a)(2) of this title, the Government’s share is 70 percent. The State may agree to combine any part of the amounts of financial assistance for a project under this chapter.

(B) real and tangible personal property (provided by the State or a person for the State) necessary for the safe and efficient operation of rail freight transportation.

(C) track rights secured by the State for a rail carrier.

(D) the cash equivalent of State salaries for State employees working on the State project, except overhead and general administrative costs.

(2) A State may pay more than its required percentage share of the costs of a project under this chapter. When a State, or a person acting for a State, pays more than the State share of the costs of its projects during a fiscal year, the excess amount shall be applied to the State share for the costs of the State projects for later fiscal years.

(b) AGREEMENTS TO COMBINE AMOUNTS.—States may agree to combine any part of the amounts made available under this chapter to carry out a project that is eligible for assistance under this chapter when—

(1) the project will benefit each State making the agreement; and

(2) the agreement is not a violation of State law.

HISTORICAL AND REVISED NOTES

Pub. L. 160–272

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a), the words “financial assistance for projects under this chapter” are substituted for “as-

1 So in original. Probably should be “thereon”.

In subsection (a), before clause (A), the words “financial assistance for a project under this chapter” are substituted for “rail freight assistance project” for clarity and consistency in this chapter. In clause (B), the words “for use in its rail freight assistance program” are omitted as unnecessary because of the restatement. In clause (D), the words “State employees” are substituted for “State public employees” to eliminate an unnecessary word.

In subsection (b), before clause (1), the words “States may agree” are substituted for “Two or more States . . . enter into an agreement” to eliminate unnecessary words.

§ 22106. Limitations on financial assistance

(a) GRANTS AND LOANS.—A State shall use financial assistance for projects under this chapter to make grants or lend money to the owner of rail property, or a rail carrier providing rail transportation, related to a project being assisted.

(b) STATE USE OF REPAID FUNDS AND CONTINGENT INTEREST RECOVERIES.—The State shall place the United States Government’s share of money that is repaid and any contingent interest that is recovered in an interest-bearing account. The repaid money, contingent interest, and any interest thereof shall be considered to be State funds. The State shall use such funds to make other grants and loans, consistent with the purposes for which financial assistance may be used under subsection (a), as the State considers to be appropriate.

(c) ENCOURAGING PARTICIPATION.—To the maximum extent possible, the State shall encourage the participation of shippers, rail carriers, and local communities in paying the State share of assistance costs.

HISTORICAL AND REVISED NOTES

Pub. L. 160–272

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a), the words “financial assistance for projects under this chapter” are substituted for “as-
assistance provided under subsection (b) of this section' for clarity. The words ‘rail carrier providing rail transportation’ are substituted for ‘operator of rail service’ for consistency in the revised title. The word ‘conditions’ is omitted as being included in ‘terms’. The words ‘Secretary of the Treasury’ are substituted for ‘Department of the Treasury’ because of 31:301(b).

(b) A recipient of financial assistance may in the same manner and under the same conditions as if they were originally granted to the State by the Comptroller General or the Secretary of Transportation may in the same manner and under the same conditions as if they were originally granted to the State by the Secretary of Transportation.

(c) The Secretary shall make regular financial and performance audits, as provided under section 109 of this title, of each rail carrier subject to the project payments assistance under this chapter. The Board shall provide the information not later than 30 days after receiving a request from the Secretary.

(d) A rail carrier providing rail transportation shall disclose—

(1) the amount of, and disposition by the recipient, of the assistance;
(2) the total costs of the project for which the assistance was given or used;
(3) the amount of that part of the costs of the project paid by other sources and
(4) any other records that will make an effective audit easier.

(b) AUDITS.—The Secretary shall make regular financial and performance audits, as provided under chapter 75 of title 31, of activities and transactions assisted under this chapter.

(c) INFORMATION.—The Surface Transportation Board shall provide the Secretary with information the Secretary requests to enable the Secretary to assist in making an audit easier. The Board shall provide the information not later than 30 days after receiving a request from the Secretary.

Amendments

2008—Subsec. (a), (b), (c), (d), Pub. L. 110–432, § 701(a)(1), struck out last sentence which read as follows: ‘‘The State shall decide on the financial terms of the grant or loan, except that the time for making grant advances shall be determined by the Secretary of Transportation. The records shall be kept for 3 years after a project is completed and shall be disclosed in the same manner and under the same conditions as if they were originally granted to the State by the Secretary of Transportation.’’

Subsec. (b), Pub. L. 110–432, § 701(a)(2), added subsec. (b) and struck out former subsec. (b). Prior to amendment, text read as follows: ‘‘The State shall place the United States Government’s share of money that is repaid in an interest-bearing account. However, the Secretary of Transportation may allow a borrower to place that money, for the benefit of the State, in a bank designated by the Secretary of the Treasury under section 10 of the Act of June 11, 1942 (12 U.S.C. 265). The State shall use the money and accumulated interest to make other grants and loans under this chapter in the same manner and under the same conditions as if they were originally granted to the State by the Secretary of Transportation.’’

Subsecs. (c), (d), Pub. L. 110–432, § 701(a)(3), redesignated subsec. (d) as (c) and struck out former subsec. (c), Text of former subsec. (c) read as follows: ‘‘The State may place the Secretary of Transportation the Government’s share of unused money and accumulated interest at any time. However, the State must pay the unused money and accumulated interest to the Secretary when the State ends its participation under this chapter.’’

Subsec. (e), Pub. L. 110–432, § 701(a)(3), struck out subsec. (e). Text read as follows: ‘‘Each State shall retain a contingent interest (redeemable preference shares) for the Government’s share of amounts in a rail line receiving assistance under this chapter. The State may collect its share of the amounts used for the rail line if—

‘‘(1) an application for abandonment of the rail line is filed under chapter 109 of this title; or
‘‘(2) the rail line is sold or disposed of after it has received assistance under this chapter.’’

1996—Subsec. (b), Pub. L. 104–287 inserted ‘‘in the same manner and under the same conditions as if they were originally granted to the State by the Secretary of Transportation’’ after ‘‘under this chapter’’.

Effective Date of 1996 Amendment

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5303 of this title.

§ 22107. Records, audits, and information

(a) RECORDS.—Each recipient of financial assistance through an arrangement under this chapter shall keep records required by the Secretary of Transportation. The records shall be kept for 3 years after a project is completed and shall disclose—

(1) the amount of, and disposition by the recipient, of the assistance;
(2) the total costs of the project for which the assistance was given or used;
(3) the amount of that part of the costs of the project paid by other sources and
(4) any other records that will make an effective audit easier.
Title 49—Transportation

32108. Authorization of appropriations

(a) General.—(1) Not more than the following amounts may be appropriated to the Secretary of Transportation to carry out this chapter:

(A) $25,000,000 for the fiscal year ending September 30, 1993.

(B) $30,000,000 for the fiscal year ending September 30, 1994.

(2) Amounts appropriated under paragraph (1) of this subsection remain available until expended.

(3) No amount may be appropriated under this subsection to the Secretary for any period after September 30, 1994, to carry out this chapter.

(b) Distribution of amounts.—The Secretary shall establish procedures necessary to ensure that amounts available to the Secretary for projects under this chapter are distributed not later than April 1 of the fiscal year for which the amounts are appropriated. If any amounts are not distributed by April 1, the Secretary shall report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the status of those amounts and the reasons for the delay in distribution.

(c) Availability of other amounts.—Amounts appropriated to carry out section 5(i) of the Department of Transportation Act for fiscal year 1990 that are not applied for or that remain unobligated on January 1, 1991, are available to the Secretary for projects under this chapter.

Effective Date of 1994 Amendment

§ 22301. Capital grants for class II and class III railroads

Subsection (c) is added because section 2(b)(1) of the Local Rail Service Reauthorizing Act (Public Law 101–213, 103 Stat. 1943) provided that amounts available for fiscal year 1990 to carry out section 5(i) of the Department of Transportation Act that were not applied for or remained unobligated are available to the Secretary in carrying out projects under this chapter, as in effect on October 1, 1990.

(Pub. L. 103–429)

This amends 49:22108(a)(3) to clarify the restatement of 49 App.:1654(q) by section 1 of the Act of July 5, 1994 (Public Law 103–272, 106 Stat. 980).
(ii) facilitate the continued or greater use of railroad transportation for freight shipments; and

(iii) reduce the use of less fuel efficient modes of transportation in the transportation of such shipments; or

(B) demonstrate innovative technologies and advanced research and development that increase fuel economy, reduce greenhouse gas emissions, and lower the costs of operation.

(2) PROVISION OF GRANTS.—Grants may be provided under this chapter—

(A) directly to the class II or class III railroad; or

(B) with the concurrence of the class II or class III railroad, to a State or local government.

(3) STATE COOPERATION.—Class II and class III railroad applicants for a grant under this chapter are encouraged to utilize the expertise and assistance of State transportation agencies in applying for and administering such grants. State transportation agencies are encouraged to provide such expertise and assistance to such railroads.

(4) REGULATIONS.—Not later than October 1, 2008, the Secretary shall issue final regulations to implement the program under this section.

(b) MAXIMUM FEDERAL SHARE.—The maximum Federal share for carrying out a project under this section shall be 80 percent of the project cost. The non-Federal share may be provided by any non-Federal source in cash, equipment, or services. Other in-kind contributions may be approved by the Secretary on a case-by-case basis consistent with this chapter.

(c) USE OF FUNDS.—Grants provided under this section shall be used to implement track capital projects as soon as possible. In no event shall section 22303 be used to implement the program under this section.

(d) EMPLOYEE PROTECTION.—The Secretary shall require as a condition of any grant made under this section that the recipient railroad provide a fair arrangement at least as protective of the interests of employees who are affected by the project to be funded with the grant as the terms imposed under section 11326(a), as in effect on the date of the enactment of this chapter.

(e) LABOR STANDARDS.—

(1) PREVAILING WAGES.—The Secretary shall ensure that laborers and mechanics employed by contractors and subcontractors in construction work financed by a grant made under this section will be paid wages not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor under subchapter IV of chapter 31 of title 29 (commonly known as the “Davis-Bacon Act”). The Secretary shall make a grant under this section only after being assured that required labor standards will be maintained on the construction work.

(2) WAGE RATES.—Wage rates in a collective bargaining agreement negotiated under the Railway Labor Act (45 U.S.C. 151 et seq.) are deemed for purposes of this subsection to comply with the subchapter IV of chapter 31 of title 29.

(f) STUDY.—The Secretary shall conduct a study of the projects carried out with grant assistance under this section to determine the extent to which the program helps promote a reduction in fuel use associated with the transportation of freight and demonstrates innovative technologies that increase fuel economy, reduce greenhouse gas emissions, and lower the costs of operation. Not later than March 31, 2009, the Secretary shall submit a report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the study, including any recommendations the Secretary considers appropriate regarding the program.

(g) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary $50,000,000 for each of fiscal years 2008 through 2011 for carrying out this section.

REFERENCES IN TEXT
The date of the enactment of this chapter, referred to in subsec. (d), probably means the date of enactment of Pub. L. 110–140, which amended this chapter generally and was approved Dec. 19, 2007.

The Railway Labor Act, referred to in subsec. (e)(2), is act May 20, 1926, ch. 347, 44 Stat. 577, which is classified principally to chapter 8 (§151 et seq.) of Title 45, Railroads. For complete classification of this Act to the Code, see section 151 of Title 45 and Tables.

PRIOR PROVISIONS

AMENDMENTS

EFFECTIVE DATE
Section effective on the date that is 1 day after Dec. 19, 2007, see section 1601 of Pub. L. 110–140, set out as a note under section 1824 of Title 2, The Congress.

CHAPTER 225—FEDERAL GRANTS TO STATES FOR HIGHWAY-RAIL GRADE CROSSING SAFETY

Sec. 22501. Financial assistance to States for certain projects.
22502. Distribution.
22503. Standards for awarding grants.
22504. Use of funds.
22505. Authorization of appropriations.

§22501. Financial assistance to States for certain projects

The Secretary of Transportation shall make grants—

1 So in original. The word “the” probably should not appear.
(1) to a maximum of 3 States per year for development or continuation of enhanced public education and awareness activities, in combination with targeted law enforcement, to significantly reduce violations of traffic laws at highway-rail grade crossings and to help prevent and reduce injuries and fatalities along railroad rights-of-way; and

(2) to provide for priority highway-rail grade crossing safety improvements, including the installation, repair, or improvement of—

(A) railroad crossing signals, gates, and related technologies, including median barriers and four quadrant gates;

(B) highway traffic signalization, including highway signals tied to railroad signal systems;

(C) highway lighting and crossing approach signage;

(D) roadway improvements, including railroad crossing panels and surfaces; and

(E) related work to mitigate dangerous conditions.

STATE ACTION PLANS

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act (Oct. 16, 2008), the Secretary shall identify the 10 States that have had the most highway-rail grade crossing collisions, on average, over the past 3 years and require those States to develop a State grade crossing action plan within a reasonable period of time, as determined by the Secretary. The plan shall identify specific solutions for improving safety at crossings, including highway-rail grade crossing closures or grade separations, and shall focus on crossings that have experienced multiple accidents or are at high risk for such accidents. The Secretary shall provide assistance to the States in developing and carrying out, as appropriate, the plan. The plan may be coordinated with other State or Federal planning requirements and shall cover a period of time determined to be appropriate by the Secretary. The Secretary may condition the awarding of any grants under section 20158, 20167, or 22501 of title 49, United States Code, to a State identified under this section on the development of such State's plan.

"(b) REVIEW AND APPROVAL.—Not later than 60 days after the Secretary receives a plan under subsection (a), the Secretary shall review and approve or disapprove it. If the proposed plan is disapproved, the Secretary shall notify the affected State as to the specific areas in which the proposed plan is deficient, and the State shall correct all deficiencies within 30 days following receipt of written notice from the Secretary."

(For definitions of "Secretary", "State", and "crossing", as used in section 202 of Pub. L. 110–432, set out above, see section 2(a) of Pub. L. 110–432, set out as a note under section 20102 of this title.)

§ 22502. Distribution

The Secretary shall provide the grants to the State agency or agencies responsible for highway-rail grade crossing safety.

§ 22503. Standards for awarding grants

(a) SECTION 22501(1) GRANTS.—The Secretary shall provide grants under section 22501(1) based upon the merits of the proposed program of activities provided by the State and upon a determination of where the grants will provide the greatest safety benefits. The Secretary may give priority to States that have developed and implemented a State grade crossing action plan, as described under section 202 of the Rail Safety Improvement Act of 2008.

(b) SECTION 22501(2) GRANTS.—The Secretary shall provide grants to State and local governments under section 22501(2) to provide priority grade crossing safety improvements on an expeditious basis at a location where there has been a highway-rail grade crossing collision within the previous two years involving major loss of life or multiple serious bodily injuries.

REFERENCES IN TEXT

Section 202 of the Rail Safety Improvement Act of 2008, referred to in subsec. (a), is section 202 of Pub. L. 110–432, which is set out as a note under section 22501 of this title.

§ 22504. Use of funds

(a) IN GENERAL.—Any State receiving a grant under section 22501(1) shall use the funds to de-
§ 22505. Authorization of appropriations

There are authorized to be appropriated to the Secretary $1,500,000 for each of fiscal years 2010 through 2013 to carry out the provisions of section 22501(1) of this chapter. There are authorized to be appropriated to the Secretary $1,500,000 for each of fiscal years 2010 through 2013 to carry out the provisions of section 22501(2) of this chapter. Amounts appropriated pursuant to this section shall remain available until expended.

§ 22506. Review

The Secretary may seek the advice of the States and rail carriers in further defining this term.

§ 22701. Definitions

In this subchapter:¹

(1) PRIVATE BENEFIT.—

(A) IN GENERAL.—The term “private benefit”—

(i) means a benefit accrued to a person or private entity, other than Amtrak, that directly improves the economic and competitive condition of that person or entity through improved assets, cost reductions, service improvements, or any other means as defined by the Secretary; and

(ii) shall be determined on a project-by-project basis, based upon an agreement between the parties.

(B) CONSULTATION.—The Secretary may seek the advice of the States and rail carriers in further defining this term.

(2) PUBLIC BENEFIT.—

(A) IN GENERAL.—The term “public benefit”—

(i) means a benefit accrued to the public, including Amtrak, in the form of enhanced mobility of people or goods, environmental protection or enhancement, congestion mitigation, enhanced trade and economic development, improved air quality or land use, more efficient energy use, enhanced public safety or security, reduction of public expenditures due to improved transportation efficiency or infrastructure preservation, and any other positive community effects as defined by the Secretary; and

(ii) shall be determined on a project-by-project basis, based upon an agreement between the parties.

(B) CONSULTATION.—The Secretary may seek the advice of the States and rail carriers in further defining this term.

(3) STATE.—The term “State” means any of the 50 States and the District of Columbia.

(4) STATE RAIL TRANSPORTATION AUTHORITY.—The term “State rail transportation authority” means the State agency or official responsible under the direction of the Governor of the State or a State law for preparation, maintenance, coordination, and administration of the State rail plan.

§ 22702. Authority

(a) IN GENERAL.—Each State may prepare and maintain a State rail plan in accordance with the provisions of this chapter.

(b) REQUIREMENTS.—The Secretary shall establish the minimum requirements for the preparation and periodic revision of a State rail plan, including that a State shall—

(1) establish or designate a State rail transportation authority to prepare, maintain, coordinate, and administer the plan;

(2) establish or designate a State rail plan approval authority to approve the plan;

(3) submit the State’s approved plan to the Secretary of Transportation for review; and

(4) revise and resubmit a State-approved plan no less frequently than once every 5 years for reapproval by the Secretary.

§ 22703. Purposes

(a) PURPOSES.—The purposes of a State rail plan are as follows:

(1) To set forth State policy involving freight and passenger rail transportation, including commuter rail operations, in the State.

(2) To establish the period covered by the State rail plan.

(3) To present priorities and strategies to enhance rail service in the State that benefits the public.

(4) To serve as the basis for Federal and State rail investments within the State.

(b) COORDINATION.—A State rail plan shall be coordinated with other State transportation planning goals and programs, including the plan required under section 135 of title 23, and set forth rail transportation’s role within the State transportation system.

§ 22704. Transparency; coordination; review

(a) PREPARATION.—A State shall provide adequate and reasonable notice and opportunity for

¹So in original. Probably should be “chapter:”.}

Page 470 TITLE 49—TRANSPORTATION
comment and other input to the public, rail carriers, commuter and transit authorities operating in, or affected by rail operations within the State, units of local government, and other interested parties in the preparation and review of its State rail plan.

(b) INTERGOVERNMENTAL COORDINATION.—A State shall review the freight and passenger rail service activities and initiatives by regional planning agencies, regional transportation authorities, and municipalities within the State, or in the region in which the State is located, while preparing the plan, and shall include any recommendations made by such agencies, authorities, and municipalities as deemed appropriate by the State.

§ 22705. Content

(a) IN GENERAL.—Each State rail plan shall, at a minimum, contain the following:

(1) An inventory of the existing overall rail transportation system and rail services and facilities within the State and an analysis of the role of rail transportation within the State’s surface transportation system.

(2) A review of all rail lines within the State, including proposed high-speed rail corridors and significant rail line segments not currently in service.

(3) A statement of the State’s passenger rail service objectives, including minimum service levels, for rail transportation routes in the State.

(4) A general analysis of rail’s transportation, economic, and environmental impacts in the State, including congestion mitigation, trade and economic development, air quality, land-use, energy-use, and community impacts.

(5) A long-range rail investment program for current and future freight and passenger infrastructure in the State that meets the requirements of subsection (b).

(6) A statement of public financing issues for rail projects and service in the State, including a list of current and prospective public capital and operating funding resources, public subsidies, State taxation, and other financial policies relating to rail infrastructure development.

(7) An identification of rail infrastructure issues within the State that reflects consultation with all relevant stakeholders.

(8) A review of major passenger and freight intermodal rail connections and facilities within the State, including seaports, and prioritized options to maximize service integration and efficiency between rail and other modes of transportation within the State.

(9) A review of publicly funded projects within the State to improve rail transportation safety and security, including all major projects funded under section 130 of title 23.

(10) A performance evaluation of passenger rail services operating in the State, including possible improvements in those services, and a description of strategies to achieve those improvements.

(11) A compilation of studies and reports on high-speed rail corridor development within the State not included in a previous plan under this subchapter, and a plan for funding any recommended development of such corridors in the State.

(12) A statement that the State is in compliance with the requirements of section 22102.

(b) LONG-RANGE SERVICE AND INVESTMENT PROGRAM.—

(1) PROGRAM CONTENT.—A long-range rail investment program included in a State rail plan under subsection (a)(8) shall, at a minimum, include the following matters:

(A) A list of any rail capital projects expected to be undertaken or supported in whole or in part by the State.

(B) A detailed funding plan for those projects.

(2) PROJECT LIST CONTENT.—The list of rail capital projects shall contain—

(A) A description of the anticipated public and private benefits of each such project; and

(B) A statement of the correlation between—

(i) public funding contributions for the projects; and

(ii) the public benefits.

(3) CONSIDERATIONS FOR PROJECT LIST.—In preparing the list of freight and intercity passenger rail capital projects, a State rail transportation authority should take into consideration the following matters:

(A) Contributions made by non-Federal and non-State sources through user fees, matching funds, or other private capital involvement.

(B) Rail capacity and congestion effects.

(C) Effects on highway, aviation, and maritime capacity, congestion, or safety.

(D) Regional balance.

(E) Environmental impact.

(F) Economic and employment impacts.

(G) Projected ridership and other service measures for passenger rail projects.

§ 22706. Review

The Secretary shall prescribe procedures for States to submit State rail plans for review under this title, including standardized format and data requirements. State rail plans completed before the date of enactment of the Passenger Rail Investment and Improvement Act of 2008 shall substantially meet the requirements of this chapter, as determined by the Secretary, shall be deemed by the Secretary to have met the requirements of this chapter.

REFERENCES IN TEXT

The date of enactment of the Passenger Rail Investment and Improvement Act of 2008, referred to in text, is the date of enactment of div. B of Pub. L. 110–432, which was approved Oct. 16, 2008.

24103. Enforcement.
24104. Authorization of appropriations.
24105. Congestion grants.

AMENDMENTS

§ 24101. Findings, mission, and goals

(a) FINDINGS.—(1) Public convenience and necessity require that Amtrak, to the extent its budget allows, provide modern, cost-efficient, and energy-efficient intercity passenger transportation between crowded urban areas and in other areas of the United States.

(2) Rail passenger transportation can help alleviate overcrowding of airways and airports and on highways.

(3) A traveler in the United States should have the greatest possible choice of transportation most convenient to the needs of the traveler.

(4) A greater degree of cooperation is necessary among Amtrak, other rail carriers, State, regional, and local governments, the private sector, labor organizations, and suppliers of services and equipment to Amtrak to achieve a performance level sufficient to justify expending public money.

(5) Modern and efficient commuter rail passenger transportation is important to the viability and well-being of major urban areas and to the energy conservation and self-sufficiency goals of the United States.

(6) As a rail passenger transportation entity, Amtrak should be available to operate commuter rail passenger transportation through its subsidiary, Amtrak Commuter, under contract with commuter authorities that do not provide transportation themselves as part of the governmental function of the State.

(7) The Northeast Corridor is a valuable resource of the United States used by intercity and commuter rail passenger transportation and freight transportation.

(8) Greater coordination between intercity and commuter rail passenger transportation is required.

(b) MISSION.—The mission of Amtrak is to provide efficient and effective intercity passenger rail mobility consisting of high quality service that is trip-time competitive with other intercity travel options and that is consistent with the goals of subsection (d).

(c) GOALS.—Amtrak shall—

(1) use its best business judgment in acting to minimize United States Government subsidies, including—

(A) increasing fares;

(B) increasing revenue from the transportation of mail and express;

(C) reducing losses on food service;

(D) improving its contracts with operating rail carriers;

(E) reducing management costs; and

(F) increasing employee productivity;

(2) minimize Government subsidies by encouraging State, regional, and local governments and the private sector, separately or in combination, to share the cost of providing rail passenger transportation, including the cost of operating facilities;

(3) carry out strategies to achieve immediately maximum productivity and efficiency consistent with safe and efficient transportation;

(4) operate Amtrak trains, to the maximum extent feasible, to all station stops within 15 minutes of the time established in public timetables;

(5) develop transportation on rail corridors subsidized by States and private parties;

(6) implement schedules based on a system-wide average speed of at least 60 miles an hour that can be achieved with a degree of reliability and passenger comfort;

(7) encourage rail carriers to assist in improving intercity rail passenger transportation;

(8) improve generally the performance of Amtrak through comprehensive and systematic operational programs and employee incentives;

(9) provide additional or complementary intercity transportation service to ensure mobility in times of national disaster or other instances where other travel options are not adequately available;

(10) carry out policies that ensure equitable access to the Northeast Corridor by intercity and commuter rail passenger transportation;

(11) coordinate the uses of the Northeast Corridor, particularly intercity and commuter rail passenger transportation; and

(12) maximize the use of its resources, including the most cost-effective use of employees, facilities, and real property.

(d) MINIMIZING GOVERNMENT SUBSIDIES.—To carry out subsection (c)(12) of this section, Amtrak is encouraged to make agreements with the private sector and undertake initiatives that are consistent with good business judgment and designed to maximize its revenues and minimize Government subsidies. Amtrak shall prepare a financial plan, consistent with section 204 of the Passenger Rail Investment and Improvement Act of 2008, including the budgetary goals for fiscal years 2009 through 2013. Amtrak and its Board of Directors shall adopt a long-term plan that minimizes the need for Federal operating subsidies.

HISTORICAL AND REVISION NOTES

Revised Source (U.S. Code) Source (Statutes at Large)
Section Code
24101(a) 45:501.

In this part, the word “Amtrak” is substituted for “National Railroad Passenger Corporation”, and the words “Amtrak Commuter” are substituted for “Amtrak Commuter Services Corporation”, to reflect the more current and commonly used names of the entities. The words “rail transportation” are substituted for “rail service” and “rail services”, the word “transportation” is substituted for “service” where appropriate, and the word “authority” is substituted for “agency”, as being more appropriate and for consistency in the revised title and with other titles of the United States Code. The words “rail carrier” are substituted for “railroad” because of the definitions of “rail carrier” and “railroad” in 49:10102.

In subsection (a), the words “The Congress finds that the” and “The Congress further finds that” are omitted as surplus.

In subsection (a)(3), the words “greatest possible choice” are substituted for “to the maximum extent feasible . . . the freedom to choose the mode of” to eliminate unnecessary words.

In subsection (c), before clause (1), the words “Amtrak shall” are substituted for “The Congress hereby establishes the following goals for Amtrak” to eliminate unnecessary words. The text of 45:501a(9) is omitted as obsolete because there no longer are any technical assistance panels. In clause (2), the words “stations and other” are omitted as surplus. In clause (4), the words “for such operation” are omitted as surplus. In clause (10), the word “various” is omitted as surplus. In clause (11), the words “real property” are substituted for “real estate” for consistency in the revised title and with other titles of the Code.

REFERENCES IN TEXT

Section 204 of the Passenger Rail Investment and Improvement Act of 2008, referred to in subsec. (d), is section 204 of Pub. L. 110–432, which is set out in a note below.

AMENDMENTS

2008—Pub. L. 110–432, §218(a)(1)(A), which directed substitution of “plan, consistent with section 204 of the Passenger Rail Investment and Improvement Act of 2008, including the budgetary goals for fiscal years 2009 through 2013.” for “plan to operate within the funding levels authorized by section 2104 of this chapter, including the budgetary goals for fiscal years 1998 through 2002.” to reflect the probable intent of Congress.

Subsec. (d). Pub. L. 105–134, §201, inserted at end “Amtrak shall prepare a financial plan to operate within the funding levels authorized by section 2104 of this chapter, including budgetary goals for fiscal years 1998 through 2002. Commencing no later than the fiscal year following the fifth anniversary of the Amtrak Reform and Accountability Act of 1997, Amtrak shall operate without Federal operating grant funds appropriated for its benefit.”

AMTRAK TO CONTINUE TO PROVIDE NON-HIGH-SPEED SERVICES

Pub. L. 110–432, div. B, title II, §203–209, Oct. 16, 2008, 122 Stat. 4912–4917, provided that: “SEC. 203. ESTABLISHMENT OF IMPROVED FINANCIAL ACCOUNTING SYSTEM. (a) IN GENERAL.—The Amtrak Board of Directors— (1) may employ an independent financial consultant with experience in railroad accounting to assist Amtrak in improving Amtrak’s financial accounting and reporting system and practices; (2) shall implement a modern financial accounting and reporting system not later than 3 years after the date of enactment of this Act (Oct. 16, 2008); and (3) shall, not later than 90 days after the end of each fiscal year through fiscal year 2013— (A) submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a comprehensive report that allocates all of Amtrak’s revenues and costs to each of its routes, each of its lines of business, and each major activity within each route and line of business activity, including— (i) train operations; (ii) equipment maintenance; (iii) food service; (iv) sleeping cars; (v) ticketing; (vi) reservations; and (vii) unallocated fixed overhead costs; (B) include the report described in subparagraph (A) in Amtrak’s annual report; and (c) post such report on Amtrak’s website. (b) VERIFICATION OF SYSTEM REPORT.—The Inspector General of the Department of Transportation shall review the accounting system designed and implemented under subsection (a) to ensure that it accomplishes the purposes for which it is intended. The Inspector General shall report his or her findings and conclusions, together with any recommendations, to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate.
"(c) CATEGORIZATION OF REVENUES AND EXPENSES.—In carrying out subsection (a), the Amtrak Board of Directors shall separately categorize assigned revenues and attributable expenses by type of service, including long-distance routes, State-sponsored routes, commuter contract routes, and Northeast Corridor routes.

"SEC. 204. DEVELOPMENT OF 5-YEAR FINANCIAL PLAN.

(a) Development of 5-Year Financial Plan.—The Amtrak Board of Directors shall submit an annual budget and business plan for Amtrak, and a 5-year financial plan for the fiscal year to which that budget and business plan relate and the subsequent 4 years, prepared in accordance with this section, to the Secretary of Transportation no later than—

"(1) the first day of each fiscal year beginning after the date of enactment of this Act [Oct. 16, 2008]; or

"(2) the date that is 60 days after the date of enactment of an appropriations Act for the fiscal year, if later.

"(b) Contents of 5-Year Financial Plan.—The 5-year financial plan for Amtrak shall include, at a minimum—

"(1) all projected revenues and expenditures for Amtrak, including governmental funding sources;

"(2) projected ridership levels for all Amtrak passenger operations;

"(3) revenue and expenditure forecasts for non-passenger operations;

"(4) capital funding requirements and expenditures necessary to maintain passenger service in order to accommodate projected ridership levels and predicted sources of capital funding;

"(5) operational funding needs, if any, to maintain current and projected levels of passenger service, including State-supported routes and predicted funding sources;

"(6) projected capital and operating requirements, ridership, and revenue for any new passenger service operations or service expansions;

"(7) an assessment of the continuing financial stability of Amtrak, as indicated by factors such as anticipated Federal funding of capital and operating costs, Amtrak’s ability to efficiently recruit, retain, and manage its workforce, and Amtrak’s ability to effectively provide passenger rail service;

"(8) estimates of long-term and short-term debt and associated principal and interest payments (both current and anticipated);

"(9) annual cash flow forecasts;

"(10) a statement describing methods of estimation and significant assumptions;

"(11) specific measures that demonstrate measurable improvement year over year in the financial results of Amtrak’s operations;

"(12) prior fiscal year and projected operating ratio, cash operating loss, and cash operating loss per passenger on a route, business line, and corporate basis;

"(13) prior fiscal year and projected specific costs and savings estimates resulting from reform initiatives;

"(14) prior fiscal year and projected labor productivity statistics on a route, business line, and corporate basis;

"(15) prior fiscal year and projected equipment reliability statistics; and

"(16) capital and operating expenditures for anticipated security needs.

"(c) STANDARDS TO PROMOTE FINANCIAL STABILITY.—In meeting the requirements of subsection (b), Amtrak shall—

"(1) apply sound budgetary practices, including reducing costs and other expenditures, improving productivity, increasing revenues, or combinations of such practices;

"(2) use the categories specified in the financial accounting and reporting system developed under section 203 when preparing its 5-year financial plan; and

"(3) ensure that the plan is consistent with the authorizations of appropriations under title I of this division [122 Stat. 4908].

"(d) REVIEW BY DOT INSPECTOR GENERAL.—Within 60 days after their submission by Amtrak, the Inspector General of the Department of Transportation shall review the annual budget and the 5-year financial plans prepared by Amtrak under this section to determine whether they meet the requirements of subsection (b) and shall furnish any relevant findings to the Committee on Transportation and Infrastructure of the House of Representatives, the Committee on Appropriations of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Appropriations of the Senate.

"SEC. 205. RESTRUCTURING LONG-TERM DEBT AND CAPITAL LEASES.

"(a) IN GENERAL.—The Secretary of the Treasury, in consultation with the Secretary of Transportation and Amtrak, may make agreements to restructure Amtrak’s indebtedness as of the date of enactment of this Act [Oct. 16, 2008]. This authorization expires 2 years after the date of enactment of this Act.

"(b) DEBT RESTRUCTURING.—The Secretary of the Treasury, in consultation with the Secretary and Amtrak, shall enter into negotiations with the holders of Amtrak debt, including leases, outstanding as of the date of enactment of this Act for the purpose of restructuring (including repayment) and repaying that debt. The Secretary of the Treasury may secure agreements for restructuring or repayment on such terms as the Secretary of the Treasury deems favorable to the interests of the United States Government.

"(c) CRITERIA.—In restructuring Amtrak’s indebtedness, the Secretary of the Treasury and Amtrak—

"(1) shall take into consideration repayment costs, the term of any loan or loans, and market conditions; and

"(2) shall ensure that the restructuring results in significant savings to Amtrak and the United States Government.

"(d) PAYMENT OF RENEGOTIATED DEBT.—If the criteria under subsection (c) are met, the Secretary of the Treasury may assume or repay the restructured debt, as appropriate.

"(e) AMTRAK PRINCIPAL AND INTEREST PAYMENTS.—

"(1) PRINCIPAL ON DEBT SERVICE.—Unless the Secretary of the Treasury makes sufficient payments to creditors under subsection (d) so that Amtrak is required to make no payments to creditors in a fiscal year, the Secretary [of Transportation] shall use funds authorized by section 102 of this division [122 Stat. 4908] for the use of Amtrak for retirement of principal or payment of interest on loans for capital equipment, or capital leases.

"(2) REDUCTIONS IN AUTHORIZATION LEVELS.—Whenever action taken by the Secretary of the Treasury under subsection (a) results in reductions in amounts of principal or interest that Amtrak must service on existing debt, the corresponding amounts authorized by section 102 [122 Stat. 4908] shall be reduced accordingly.

"(f) LEGAL EFFECT OF PAYMENTS UNDER THIS SECTION.—The payment of principal and interest on secured debt, other than debt assumed under subsection (d), with the proceeds of grants under subsection (e) shall not—

"(1) modify the extent or nature of any indebtedness of Amtrak to the United States in existence as of the date of enactment of this Act [Oct. 16, 2008];

"(2) change the private nature of Amtrak’s or its successors’ liabilities; or

"(3) imply any Federal guarantee or commitment to amortize Amtrak’s outstanding indebtedness.

"(g) SECRETARY APPROVAL.—Amtrak may not incur more debt after the date of enactment of this Act without the express advance approval of the Secretary [of Transportation].

"(h) REPORT.—The Secretary of the Treasury shall transmit a report to the Committee on Transportation..."
and Infrastructure of the House of Representatives, the Committee on Appropriations of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Appropriations of the Senate, by June 1, 2010—

“(1) describing in detail any agreements to restructure the Amtrak debt; and

“(2) providing an estimate of the savings to Amtrak and the United States Government.”

“SEC. 206. ESTABLISHMENT OF GRANT PROCESS.

“(a) Grant Requests.—Amtrak shall submit grant requests (including a schedule for the disbursement of funds), consistent with the requirements of this division [see Short Title of 2008 Amendment note set out under section 2010 of this title], to the Secretary [of Transportation] for funds authorized to be appropriated to the Secretary for the use of Amtrak under sections 101(a), (b), and (c) [122 Stat. 4908], 102 [122 Stat. 4908], 219(b) [49 U.S.C. 24307 note], and 302 [enacting section 24105 of this title].

“(b) Procedures for Grant Requests.—The Secretary shall establish substantive and procedural requirements, including schedules, for grant requests under this section not later than 30 days after the date of enactment of this Act [Oct. 16, 2008] and shall transmit copies of such requirements and schedules to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate. As part of those requirements, the Secretary shall require, at a minimum, that Amtrak deposit grant funds, consistent with the appropriated amounts for each area of expenditure in a given fiscal year, in the following 2 accounts:

“(1) The Amtrak Operating account.

“(2) The Amtrak General Capital account.

Amtrak may not transfer such funds to another account or expend such funds for any purpose other than the purposes covered by the account in which the funds are deposited without approval by the Secretary [of Transportation].

“(c) Review and Approval.—

“(1) 30-Day Approval Process.—The Secretary shall complete the review of a grant request (including the disbursement schedule) and approve or disapprove the request within 30 days after the date on which Amtrak submits the grant request. If the Secretary disapproves the request or determines that the request is incomplete or deficient, the Secretary shall include the reason for disapproval or the incomplete items or deficiencies in a notice to Amtrak.

“(2) 15-Day Modification Period.—Within 15 days after receiving notification from the Secretary under the preceding sentence, Amtrak shall submit a modified request for the Secretary’s review.

“(3) Revised Requests.—Within 15 days after receiving a modified request from Amtrak, the Secretary shall either approve the modified request or, if the Secretary finds that the request is still incomplete or deficient, the Secretary shall identify in writing to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate the remaining deficiencies and recommend a process for resolving the outstanding portions of the request.

“SEC. 207. METRICS AND STANDARDS.

“(a) In General.—Within 180 days after the date of enactment of this Act [Oct. 16, 2008], the Federal Railroad Administration shall obtain the necessary data and publish a quarterly report on the performance and service quality of intercity passenger train operations, including Amtrak’s cost recovery, ridership, on-time performance and minutes of delay, caused by delay, on-board services, stations, facilities, equipment, and other services.

“(b) Contracts With Host Rail Carriers.—To the extent practicable, Amtrak and its host rail carriers shall incorporate the metrics and standards developed under subsection (a) into their access and service agreements.

“(c) Arbitration.—If the development of the metrics and standards is not completed within the 180-day period required by subsection (a) and new routes, the elimination of existing routes, and the contraction or expansion of services or frequencies over such routes. In developing such methodologies, the entity shall consider—

“(1) the current or expected performance and service quality of intercity passenger train operations, including cost recovery, on-time performance and minutes of delay, ridership, on-board services, stations, facilities, equipment, and other services;

“(2) the transportation needs of communities and populations that are not well served by intercity passenger rail service or by other forms of intercity transportation;

“(3) the transportation needs of communities and populations that are not well served by intercity passenger rail service or by other forms of intercity transportation;

“(4) Amtrak’s and other major intercity passenger rail service providers in other countries’ methodologies for determining intercity passenger rail routes and services; and

“(5) the views of the States and other interested parties.

“(b) Submission to Congress.—Within 1 year after the date of enactment of this Act [Oct. 16, 2008], the entity shall submit recommendations developed under subsection (a) to Amtrak, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate.

“(c) Consideration of Recommendations.—Within 90 days after receiving the recommendations developed under subsection (a) by the entity, the Amtrak Board of Directors shall consider the adoption of those recommendations. The Board shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Com-
merce, Science, and Transportation of the Senate explaining its reasons for adopting or not adopting the recommendations.

SEC. 209. STATE-SUPPORTED ROUTES.

SEC. 209. STATE-SUPPORTED ROUTES.—(a) IN GENERAL.—Within 2 years after the date of enactment of this Act (Oct. 16, 2008), the Amtrak Board of Directors, in consultation with the Secretary [of Transportation], the governors of each relevant State, and the Mayor of the District of Columbia, or entities representing those officials, shall develop and implement a single, nationwide standardized methodology for establishing and allocating the operating and capital costs among the States and Amtrak associated with trains operated on each of the routes described in section 24102(5)(B) and (D) and section 24702 that—

(1) ensures, within 5 years after the date of enactment of this Act, equal treatment in the provision of like services of all States and groups of States (including the District of Columbia); and

(2) allocates to each route the costs incurred only for the benefit of that route and a proportionate share, based upon factors that reasonably reflect relative use, of costs incurred for the common benefit of more than one route.

(b) Revisions.—The Amtrak Board of Directors, in consultation with the Secretary, the governors of each relevant State, and the Mayor of the District of Columbia, or entities representing those officials, may revise or amend the methodology established under subsection (a) as necessary, consistent with the intent of this section, including revisions or modifications based on Amtrak’s financial accounting system developed pursuant to section 233 of this division.

(c) Review.—If Amtrak and the States (including the District of Columbia) in which Amtrak operates such routes do not voluntarily adopt and implement the methodology developed under subsection (a) in allocating costs and determining compensation for the provision of service in accordance with the date established therein, the Surface Transportation Board shall determine the appropriate methodology required under subsection (a) for such services in accordance with the procedures and procedural schedule applicable to a proceeding under section 25004(c) of title 49, United States Code, and require the full implementation of this methodology with regards to the provision of such service within 1 year after the Board’s determination of the appropriate methodology.

(d) Use of Chapter 244 Funds.—Funds provided to a State under chapter 244 of title 49, United States Code, may be used, as provided in that chapter, to pay capital costs determined in accordance with this section.

ON-BORD SERVICE IMPROVEMENTS

(a) IN GENERAL.—Within 1 year after metrics and standards are established under section 207 of this division [set out above], Amtrak shall develop and implement a plan to improve on-board service pursuant to the metrics and standards for such service developed under that section.

(b) Report.—Amtrak shall provide a report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the on-board service improvements prescribed in the plan and the timeline for implementing such improvements.

NEXT GENERATION CORRIDOR TRAIN EQUIPMENT

(a) IN GENERAL.—Within 180 days after the date of enactment of this Act (Oct. 16, 2008), Amtrak shall establish a Next Generation Corridor Equipment Pool Committee, comprised of representatives of Amtrak, the Federal Railroad Administration, host freight railroad companies, passenger railroad equipment manufacturers, interested States, and, as appropriate, other passenger railroad operators. The purpose of the Committee shall be to design, develop specifications for, and procure standardized next-generation corridor equipment.

(b) Functions.—The Committee may—

(1) determine the number of different types of equipment required, taking into account variations in operational needs and corridor infrastructure;

(2) establish a pool of equipment to be used on corridor routes funded by participating States; and

(3) subject to agreements between Amtrak and States, utilize services provided by Amtrak to design, maintain and remanufacture equipment.

(c) Cooperative Agreements.—Amtrak and States participating in the Committee may enter into agreements for the funding, procurement, remanufacture, ownership, and management of corridor equipment, including equipment currently owned or leased by Amtrak and next-generation corridor equipment acquired as a result of the Committee’s actions, and may establish a corporation, which may be owned or jointly-owned by Amtrak, participating States, or other entities, to perform these functions.

(d) Funding.—In addition to the authorizations provided in this section, capital projects to carry out the purposes of this section shall be eligible for grants made pursuant to chapter 244 of title 49, United States Code.

(E) Authorization of Appropriations.—There are authorized to be appropriated to the Secretary [of Transportation] $5,000,000 for fiscal year 2010, to remain available until expended, for grants to Amtrak and States participating in the Next Generation Corridor Train Equipment Pool Committee established under this section for the purpose of designing, developing specifications for, and initiating the procurement of an initial order of 1 or more types of standardized next-generation corridor train equipment and establishing a jointly-owned corporation to manage that equipment.

FAIR COMPETITIVE BIDDING FOR STATE-SUPPORTED INTERCITY RAIL SERVICE

Pub. L. 110–447, div. H, title I, § 150, Dec. 8, 2004, 118 Stat. 3221, which provided that for the purpose of assisting State-supported intercity rail service, in order to demonstrate whether competition would provide higher quality rail passenger service at reasonable prices, the Secretary of Transportation, working with affected States, was to develop and implement a procedure for fair competitive bidding by Amtrak and non-Amtrak operators for State-supported routes, was from the Consolidated Appropriations Act, 2005, and was not repeated in subsequent appropriation acts.

Amtrak Findings

(1) intercity rail passenger service is an essential component of a national intermodal passenger transportation system;

(2) Amtrak is facing a financial crisis, with growing and substantial debt obligations severely limiting its ability to cover operating costs and jeopardizing its long-term viability;

(3) immediate action is required to improve Amtrak’s financial condition if Amtrak is to survive;

(4) all of Amtrak’s stakeholders, including labor, management, and the Federal Government, must participate in efforts to reduce Amtrak’s costs and increase its revenues;

(5) additional flexibility is needed to allow Amtrak to operate in a businesslike manner in order to manage costs and maximize revenues;

(6) Amtrak should participate in efforts to reduce Amtrak’s costs and increase its revenues; and

(7) new management flexibility produces cost savings without compromising safety;"
“(7) Amtrak’s management should be held accountable to ensure that all investment by the Federal Government and State governments is used effectively to improve the quality of service and the long-term financial health of Amtrak;

“(8) Amtrak and its employees should proceed quickly with proposals to modify collective bargaining agreements to make more efficient use of manpower and to realize cost savings which are necessary to reduce Federal financial assistance;

“(9) Amtrak and intercity bus service providers should work cooperatively and develop coordinated intermodal relationships promoting seamless transportation services which enhance travel options and increase operating efficiencies;

“(10) Amtrak’s Strategic Business Plan calls for the establishment of a dedicated source of capital funding for Amtrak in order to ensure that Amtrak will be able to fulfill the goals of maintaining—

“(A) a national passenger rail system; and

“(B) that system without Federal operating assistance; and

“(C) Federal financial assistance to cover operating losses incurred by Amtrak should be eliminated by the year 2002.”

**Fiscal Accountability**

“SEC. 202. INDEPENDENT ASSESSMENT.

“(a) INITIATION.—Not later than 15 days after the date of enactment of this Act [Dec. 2, 1997], the Secretary of Transportation shall contract with an entity independent of Amtrak and not in any contractual relationship with Amtrak, and independent of the Department of Transportation, to conduct a complete independent assessment of the financial requirements of Amtrak through fiscal year 2002. The entity shall have demonstrated knowledge about railroad industry accounting requirements, including the uniqueness of the industry and of Surface Transportation Board accounting requirements. The Department of Transportation, Office of Inspector General, shall approve the entity’s statement of work and the award and shall oversee the contract. In carrying out its responsibilities under the preceding sentence, the Inspector General’s Office shall perform such overview and validation or verification of data as may be necessary to assure that the assessment conducted under this subsection meets the requirements of this section.

“(b) ASSESSMENT CRITERIA.—The Secretary and Amtrak shall provide to the independent entity estimates of the financial requirements of Amtrak for the period described in subsection (a), using as a base the fiscal year 1997 appropriation levels established by the Congress. The Independent assessment shall be based on an objective analysis of Amtrak’s funding needs.

“(c) CERTAIN FACTORS TO BE TAKEN INTO ACCOUNT.—The independent assessment shall take into account all relevant factors, including Amtrak’s—

“(1) cost allocation process and procedures;

“(2) expenses related to intercity rail passenger service, commuter service, and any other service Amtrak provides;

“(3) Strategic Business Plan, including Amtrak’s projected expenses, capital needs, ridership, and revenue forecasts; and

“(4) assets and liabilities.

For purposes of paragraph (3), in the capital needs part of its Strategic Business Plan Amtrak shall distinguish between that portion of the capital required for the Northeast Corridor and that required outside the Northeast Corridor, and shall include rolling stock requirements, including capital leases, ‘state of good repair’ requirements, and infrastructure improvements.

“(d) STUDY.—The independent assessment also shall determine whether, and to what extent, Amtrak has performed each year during the period from 1992 through 1996 services under contract at amounts less than the cost to Amtrak of performing such services with respect to any activity other than the provision of intercity rail passenger transportation, or mail or express transportation. For purposes of this clause, the cost to Amtrak of performing services shall be determined using generally accepted accounting principles for contracting. If identified, such contracts shall be detailed in the report of the independent assessment, as well as the methodology for preparation of bids to reflect Amtrak’s actual cost of performance.

“(e) DEADLINE.—The independent assessment shall be completed not later than 180 days after the contract is awarded, and shall be submitted to the Council established under section 203, the Secretary of Transportation, the Committee on Commerce, Science, and Transportation of the United States Senate, and the Committee on Transportation and Infrastructure of the United States House of Representatives.

“SEC. 203. AMTRAK REFORM COUNCIL.

“(a) ESTABLISHMENT.—There is established an independent commission to be known as the Amtrak Reform Council,

“(b) MEMBERSHIP.—

“(1) IN GENERAL.—The Council shall consist of 11 members, as follows:

“(A) The Secretary of Transportation.

“(B) Two individuals appointed by the President, of which—

“(i) one shall be a representative of a rail labor organization; and

“(ii) one shall be a representative of rail management.

“(C) Three individuals appointed by the Majority Leader of the United States Senate.

“(D) One individual appointed by the Minority Leader of the United States Senate.

“(E) Three individuals appointed by the Speaker of the United States House of Representatives.

“(F) One individual appointed by the Minority Leader of the United States House of Representatives.

“(2) APPOINTMENT CRITERIA.—

“(A) TIME FOR INITIAL APPOINTMENTS.—Appointment under paragraph (1) shall be made within 30 days after the date of enactment of this Act [Dec. 2, 1997].

“(B) EXPERTISE.—Individuals appointed under subparagraphs (C) through (F) of paragraph (1)—

“(i) may not be employees of the United States; and

“(ii) may not be board members or employees of Amtrak.

“(C) May not be representatives of rail labor organizations or rail management; and

“(D) shall have technical qualifications, professional standing, and demonstrated expertise in the field of corporate management, finance, rail or other transportation operations, labor, economics, or the law, or other areas of expertise relevant to the Council.

“(E) TERM.—Members shall serve for terms of 5 years. If a vacancy occurs other than by the expiration of a term, the individual appointed to fill the vacancy shall be appointed in the same manner as, and shall serve only for the unexpired portion of the term for which, that individual’s predecessor was appointed.

“(F) CHAIRMAN.—The Council shall elect a chairman from among its membership within 15 days after the earlier of—
“(A) the date on which all members of the Council have been appointed under paragraph (2)(A); or

“(B) 45 days after the date of enactment of this Act

“(5) MAJORITY REQUIRED FOR ACTION.—A majority of the members of the Council present and voting is required for the Council to take action. No person shall be elected chairman of the Council who receives fewer than 5 votes.

“(c) ADMINISTRATIVE SUPPORT.—The Secretary of Transportation shall provide such administrative support to the Council as it needs in order to carry out its duties under this section.

“(d) TRAVEL EXPENSES.—Each member of the Council shall serve without pay, but shall receive travel expenses, including per diem in lieu of subsistence, in accordance with section[s] 5702 and 5703 of title 5, United States Code.

“(e) MEETINGS.—Each meeting of the Council, other than a meeting at which proprietary information is to be discussed, shall be open to the public.

“(f) ACCESS TO INFORMATION.—Amtrak shall make available to the Council all information the Council requires to carry out its duties under this section. The Council shall establish appropriate procedures to ensure against the public disclosure of any information obtained under this subsection that is a trade secret or confidential.

“(g) DUTIES.—

“(1) EVALUATION AND RECOMMENDATION.—The Council shall:

“(A) evaluate Amtrak’s performance; and

“(B) make recommendations to Amtrak for achieving further cost containment and productivity improvements, and financial reforms.

“(2) SPECIFIC CONSIDERATIONS.—In making its evaluation and recommendations under paragraph (1), the Council shall consider all relevant performance factors, including—

“(A) Amtrak’s operation as a national passenger rail system which provides access to all regions of the country and ties together existing and emerging rail passenger corridors;

“(B) appropriate methods for adoption of uniform cost and accounting procedures throughout the Amtrak system, based on generally accepted accounting principles; and

“(C) management efficiencies and revenue enhancements, including savings achieved through labor and contracting negotiations.

“(3) MONITOR WORK-RULE SAVINGS.—If, after January 1, 1997, Amtrak enters into an agreement involving work-rules intended to achieve savings with an organization representing Amtrak employees, then Amtrak shall report quarterly to the Council—

“(A) the savings realized as a result of the agreement; and

“(B) how the savings are allocated.

“(h) ANNUAL REPORT.—Each year before the fifth anniversary of the date of enactment of this Act [Dec. 2, 1997], the Council shall submit to the Congress a report that includes an assessment of—

“(1) Amtrak’s progress on the resolution of productivity issues; or

“(2) the status of those productivity issues, and makes recommendations for improvements and for any changes in law it believes to be necessary or appropriate.

“(i) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Council such sums as may be necessary to enable the Council to carry out its duties.

**INTERSTATE RAIL COMPACTS**

“(a) CONSENT TO COMPACTS.—Congress grants consent to States with an interest in a specific form, route, or corridor of intercity passenger rail service (including high speed rail service) to enter into interstate compacts to promote the provision of the service, including—

“(1) retaining an existing service or commencing a new service;

“(2) assembling rights-of-way; and

“(3) performing capital improvements, including—

“(A) the construction and rehabilitation of maintenance facilities;

“(B) the purchase of locomotives; and

“(C) operational improvements, including communications, signals, and other systems.

“(b) FINANCING.—An interstate compact established by States under subsection (a) may provide that, in order to carry out the compact, the States may—

“(1) accept contributions from a unit of State or local government or a person;

“(2) use any Federal or State funds made available for intercity passenger rail service (except funds made available for Amtrak);

“(3) on such terms and conditions as the States consider advisable—

“(A) borrow money on a short-term basis and issue notes for the borrowing; and

“(B) issue bonds; and

“(4) obtain financing by other means permitted under Federal or State law.”

**DEFINITION**

Pub. L. 110–432, div. B, §3, Oct. 16, 2008, 122 Stat. 4908, provided that: “In this division [see Short Title of 2008 Amendment note set out under section 20101 of this title], the term ‘Secretary’ means the Secretary of Transportation.”

**§ 24102. Definitions**

In this part—

(1) “auto-ferry transportation” means intercity rail passenger transportation—

(A) of automobiles or recreational vehicles and their occupants; and

(B) when space is available, of used unoccupied vehicles.

(2) “commuter authority” means a State, local, or regional entity established to provide, or make a contract providing for, commuter rail passenger transportation.

(3) “commuter rail passenger transportation” means short-haul rail passenger transportation in metropolitan and suburban areas usually having reduced fare, multiple-ride, and commuter tickets and morning and evening peak period operations.

(4) “intercity rail passenger transportation” means rail passenger transportation, except commuter rail passenger transportation.

(5) “national rail passenger transportation system” means—

(A) the segment of the continuous Northeast Corridor railroad line between Boston, Massachusetts, and Washington, District of Columbia;

(B) rail corridors that have been designated by the Secretary of Transportation as high-speed rail corridors (other than corridors described in subparagraph (A)), but only after regularly scheduled intercity service over a corridor has been established;

(C) long-distance routes of more than 750 miles between endpoints operated by Amtrak as of the date of enactment of the Pas-
senger Rail Investment and Improvement Act of 2008; and
(D) short-distance corridors, or routes of not more than 750 miles between endpoints, operated by—
(1) Amtrak; or
(2) another rail carrier that receives funds under chapter 244.
(6) “Northeast Corridor” means Connecticut, Delaware, the District of Columbia, Maryland, Massachusetts, New Jersey, New York, Pennsylvania, and Rhode Island.
(7) “rail carrier” means a person, including a unit of State or local government, providing rail transportation for compensation.
(8) “rate” means a rate, fare, or charge for rail transportation.
(9) “regional transportation authority” means an entity established to provide passenger transportation in a region.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
45:502(9). | (no source).

In clause (1), before subclause (A), the text of 45:502(1), (2), and (10) is omitted as surplus. The text of 45:502(6), (7), (12), (14), and (18) is omitted because the complete names of the Performance Evaluation Center, Interstate Commerce Commission, Railroad Safety System Program, Technical Assistance Panel, and Secretary of Transportation are used the first time the terms appear in a section. The words “characterized by transportation” are omitted as surplus.

In clause (3), the text of 45:502(3)(A) and the words “on and after October 1, 1979” are omitted as obsolete. Reference to 45:564(e) is omitted as obsolete because 45:564(e) was repealed by section 113(d) of the Omnibus Budget Reconciliation Act of 1981 (Public Law 97–35, 95 Stat. 697).

In clauses (4) and (10), the words “authority, corporation, or other” are omitted as surplus.

In clause (4), the words “and includes the Metropolitan Transportation Authority, the Connecticut Department of Transportation, the Maryland Department of Transportation, the Southeastern Pennsylvania Transportation Authority, the New Jersey Transit Corporation, the Massachusetts Bay Transportation Authority, the Port Authority Trans-Hudson Corporation, any successor agencies, and any entity created by one or more such agencies for the purpose of operating” are omitted as surplus.

In clause (5), the words “whether within or across the geographical boundaries of a State” are omitted as surplus.

Clause (9) is added to eliminate repetition of the words “fares or charges” throughout this part.

REFERENCES IN TEXT

The date of enactment of the Passenger Rail Investment and Improvement Act of 2008, referred to in par. (5)(C), is the date of enactment of div. B of Pub. L. 110–432, which was approved Oct. 16, 2008.

AMENDMENTS

2008— Pars. (2) to (5). Pub. L. 110–432 added par. (5), redesignated former pars. (3) to (5) as (2) to (4), respectively, and struck out former par. (2) which read as follows: “‘basic system’ means the system of intercity rail passenger transportation designated by the Secretary of Transportation under section 4 of the Amtrak Improvement Act of 1978 and approved by Congress, and transportation required to be provided under section 24703(a) of this title and section 4(g) of the Act, including changes in the system or transportation that Amtrak makes using the route and service criteria.”

1997—Pars. (2) to (6). Pub. L. 105–134, § 407(1), (2), redesignated pars. (3) to (7) as (2) to (6), respectively, and struck out former par. (2) which read as follows: “‘avoidable loss’ means the avoidable costs of providing rail passenger transportation, less revenue attributable to the transportation, as determined by the Interstate Commerce Commission under section 533 of title 49.”

Par. (7). Pub. L. 105–134, § 407(2), (3), redesignated par. (8) as (7) and inserted “, including a unit of State or local government,” after “means a person”. Former par. (7) redesignated (6).

Pars. (8) to (10). Pub. L. 105–134, § 407(2), redesignated pars. (8) to (10) as (7) to (9), respectively.

Par. (11). Pub. L. 105–134, § 407(1), struck out par. (11) which read as follows: “‘route and service criteria’ means the criteria and procedures for making route and service decisions established under section 404(c)(1)–(3)(A) of the Rail Passenger Service Act.”

§ 24103. Enforcement

(a) GENERAL.—(1) Except as provided in paragraph (2) of this subsection, only the Attorney General may bring a civil action for equitable relief in a district court of the United States when Amtrak or a rail carrier—
(1) engages in or adheres to an action, practice, or policy inconsistent with this part;
(2) obstructs or interferes with an activity authorized under this part;
(C) refuses, fails, or neglects to discharge its duties and responsibilities under this part; or
(D) threatens—
   (i) to engage in or adhere to an action, practice, or policy inconsistent with this part;
   (ii) to obstruct or interfere with an activity authorized by this part; or
   (iii) to refuse, fail, or neglect to discharge its duties and responsibilities under this part.

(2) An employee affected by any conduct or threat referred to in paragraph (1) of this subsection, or an authorized employee representative, may bring the civil action if the conduct or threat involves a labor agreement.

(b) REVIEW OF DISCONTINUANCE OR REDUCTION.—A discontinuance of a route, a train, or transportation, or a reduction in the frequency of transportation, by Amtrak is reviewable only in a civil action for equitable relief brought by the Attorney General.

(c) VENUE.—Except as otherwise prohibited by law, a civil action under this section may be brought in the judicial district in which Amtrak or the rail carrier resides or is found.

HISTORICAL AND REVISION NOTES

In subsections (a) and (b), the words “may bring a civil action”, “may bring the civil action”, and “in a civil action brought by” are substituted for “upon petition of” and “in a civil action” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.).

In subsection (a)(1), before clause (A), the words “Except as provided in paragraph (2) of this subsection” are added for clarity. The word “only” is added for clarity. See National Railroad Passenger Corp. et al. v. National Association of Railroad Passengers, 414 U.S. 453 (1974). In clauses (A) and (D)(i), the words “the policies and purposes of” are omitted as surplus.

In subsection (a)(2), the word “duly” is omitted as surplus.

In subsection (b), the words “in any court” are omitted as surplus.

Subsection (c) is substituted for 45:547(a) (1st sentence words between 13th–15th commas) for consistency in the revised title and with other titles of the United States Code. The text of 45:547(b) is omitted as surplus.

§ 24104. Authorization of appropriations

(a) IN GENERAL.—There are authorized to be appropriated to the Secretary of Transportation:
   (1) $1,138,000,000 for fiscal year 1998;
   (2) $1,058,000,000 for fiscal year 1999;
   (3) $1,023,000,000 for fiscal year 2000;
   (4) $989,000,000 for fiscal year 2001; and
   (5) $955,000,000 for fiscal year 2002, for the benefit of Amtrak for capital expenditures under chapters 243, 247, and 249 of this title, operating expenses, and payments described in subsection (c)(1)(A) through (C). In fiscal years following the fifth anniversary of the enactment of the Amtrak Reform and Accountability Act of 1997 no funds authorized for Amtrak shall be used for operating expenses other than those prescribed for tax liabilities under section 3221 of the Internal Revenue Code of 1986 that are more than the amount needed for benefits of individuals who retire from Amtrak and for their beneficiaries.

(b) OPERATING EXPENSES.—(1) Not more than $381,000,000 may be appropriated to the Secretary for each of the fiscal years ending September 30, 1993, and September 30, 1994, for the benefit of Amtrak for operating expenses. Not more than 5 percent of the amounts appropriated for each fiscal year shall be used to pay operating expenses under section 247041 of this title for transportation in operation on September 30, 1992.

(2)(A) Not more than the following amounts may be appropriated to the Secretary for the benefit of Amtrak for operating losses under section 247041 of this title for transportation beginning after September 30, 1992:
   (i) $7,500,000 for the fiscal year ending September 30, 1993.
   (ii) $9,500,000 for the fiscal year ending September 30, 1994.

(B) The expenditure by Amtrak of an amount appropriated under subparagraph (A) of this paragraph is deemed not to be an operating expense when calculating the revenue-to-operating expense ratio of Amtrak.

(c) MANDATORY PAYMENTS.—(1) Not more than $150,000,000 for the fiscal year ending September 30, 1993, and amounts that may be necessary for the fiscal year ending September 30, 1994, may be appropriated to the Secretary to pay—
   (A) tax liabilities under section 3221 of the Internal Revenue Code of 1986 (26 U.S.C. 3221) due in those fiscal years that are more than the amount needed for benefits for individuals who retire from Amtrak and for their beneficiaries;
   (B) obligations of Amtrak under section 8(a) of the Railroad Unemployment Insurance Act (45 U.S.C. 358(a)) due in those fiscal years that are more than obligations of Amtrak calculated on an experience-related basis; and
   (C) obligations of Amtrak due under section 3321 of the Code (26 U.S.C. 3321).

(2) Amounts appropriated under this subsection are not a United States Government subsidy of Amtrak.

(d) PAYMENT TO AMTRAK.—Amounts appropriated under this section shall be paid to Amtrak under the budget request of the Secretary as approved or modified by Congress when the amounts are appropriated. A payment may not be made more frequently than once every 90 days, unless Amtrak, for good cause, requests more frequent payment before a 90-day period ends. In each fiscal year in which amounts are authorized to be appropriated under this sec-

1 See References in Text note below.
tion, amounts appropriated shall be paid to Amtrak as follows:

(1) 50 percent on October 1.
(2) 25 percent on January 1.
(3) 25 percent on April 1.

(e) AVAILABILITY OF AMOUNTS AND EARLY APPROPRIATIONS.—(1) Amounts appropriated under this section remain available until expended.
(2) Amounts for capital acquisitions and improvements may be appropriated in a fiscal year before the fiscal year in which the amounts will be obligated.

(f) LIMITATIONS ON USE.—Amounts appropriated under this section may not be used to subsidize operating losses of commuter rail passenger or rail freight transportation.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a)(2), before clause (A), the words “In addition to amounts that may be appropriated under section 24909 of this title” are added for clarity.

In subsection (a)(3)(B) and (C), the words “or States” are omitted because of 1:1. Before each clause (i), the words “Except as provided in clause (ii)” are omitted as surplus.

In subsection (d), before clause (1), the words “by the Secretary” and “for expenditure by it” are omitted as surplus.

In subsection (e)(2), the words “Funds appropriated pursuant to this section shall be made available to the Secretary during the fiscal year for which appropriated” are omitted as surplus.

REFERENCES IN TEXT

Section 3221 of the Internal Revenue Code of 1986, referred to in subsec. (a), is classified to section 3221 of Title 26, Internal Revenue Code.

AMENDMENTS

LIMITATION ON USE OF TAX REFUND

“(a) IN GENERAL.—Amtrak may not use any amount received under section 977 of the Taxpayer Relief Act of 1997 [Pub. L. 105–95, 26 U.S.C. 172 note]—

“(1) for any purpose other than making payments to non-Amtrak States (pursuant to section 977(c) of that Act), or the financing of qualified expenses (as that term is defined in section 977(e)(1) of that Act); or

“(2) to offset other amounts used for any purpose other than the financing of such expenses.

“(b) REPORT BY ABC.—The Amtrak Reform Council shall report quarterly to the Congress on the use of amounts received by Amtrak under section 977 of the Taxpayer Relief Act of 1997.”

REFORM BOARD

Pub. L. 105–134, title IV, §411(b), Dec. 2, 1997, 111 Stat. 2589, provided that: “If the Reform Board has not assumed the responsibilities of the Board of Directors of Amtrak before July 1, 1998, all provisions authorizing appropriations under the amendments made by section 301(a) of this Act [amending this section] for a fiscal year after fiscal year 1998 shall cease to be effective. The preceding sentence shall have no effect on funds provided to Amtrak pursuant to section 977 of the Taxpayer Relief Act of 1997 [Pub. L. 105–95, 26 U.S.C. 172 note].”

§ 24105. Congestion grants

(a) AUTHORITY.—The Secretary of Transportation may make grants to States, or to Amtrak in cooperation with States, for financing the capital costs of facilities, infrastructure, and equipment for high priority rail corridor projects necessary to reduce congestion or facilitate ridership growth in intercity rail passenger transportation.

(b) ELIGIBLE PROJECTS.—Projects eligible for grants under this section include projects—

(1) identified by Amtrak as necessary to reduce congestion or facilitate ridership growth in intercity rail passenger transportation along heavily traveled rail corridors;
(2) identified by the Surface Transportation Board as necessary to improve the on time performance and reliability of intercity rail passenger transportation under section 24308(f); and
(3) designated by the Secretary as being sufficiently advanced in development to be capable of serving the purposes described in subsection (a) on an expedited schedule.

(c) FEDERAL SHARE.—The Federal share of the cost of a project financed under this section shall not exceed 80 percent.

(d) GRANT CONDITIONS.—The Secretary of Transportation shall require each recipient of a 1So in original. Probably should be “on-time”. 
grant under this section to comply with the grant requirements of section 24405 of this title.

(e) Authorization of Appropriations.—There are authorized to be appropriated, from amounts made available under section 301 of the Passenger Rail Investment and Improvement Act of 2008, to the Secretary to carry out this section—

(1) $50,000,000 for fiscal year 2010;
(2) $75,000,000 for fiscal year 2011;
(3) $100,000,000 for fiscal year 2012; and
(4) $100,000,000 for fiscal year 2013.

CHAPTER 243—AMTRAK

Sec. 24301. Status and applicable laws.
24302. Board of directors.
24303. Officers.
24304. Employee stock ownership plans.
24305. General authority.
24306. Mail, express, and auto-ferry transportation.
24307. Special transportation.
24308. Use of facilities and providing services to Amtrak.
24309. Retaining and maintaining facilities.
24310. Management accountability.
24311. Acquiring interests in property by eminent domain.
24312. Labor standards.
24313. Rail safety system program.
24314. Repealed.
24315. Reports and audits.
24316. Plan to assist families of passengers involved in rail passenger accidents.1

Amendments

§ 24301. Status and applicable laws

(a) Status.—Amtrak—

(1) is a railroad carrier under section 20102(2)1 and chapters 261 and 281 of this title;
(2) shall be operated and managed as a for-profit corporation; and
(3) is not a department, agency, or instrumentality of the United States Government, and shall not be subject to title 31.

(b) Principal Office and Place of Business.—The principal office and place of business of Amtrak are in the District of Columbia. Amtrak is qualified to do business in each State in which Amtrak carries out an activity authorized under this part. Amtrak shall accept service of process by certified mail addressed to the secretary of Amtrak at its principal office and place of business. Amtrak is a citizen only of the District of Columbia when deciding original jurisdiction of the district courts of the United States in a civil action.

(c) Application of Subtitle IV.—Subtitle IV of this title shall not apply to Amtrak, except for sections 11123, 11301, 1122(a), 11502, and 11706. Notwithstanding the preceding sentence, Amtrak shall continue to be considered an employer under the Railroad Retirement Act of 1974, the Railroad Unemployment Insurance Act, and the Railroad Retirement Tax Act.

(d) Application of Safety and Employee Relations Laws and Regulations.—Laws and regulations governing safety, employee representation for collective bargaining purposes, the handling of disputes between carriers and employees, employee retirement, annuity, and unemployment systems, and other dealings with employees that apply to a rail carrier subject to part A of subtitle IV of this title apply to Amtrak.

(e) Application of Certain Additional Laws.—Section 552 of title 5, this part, and, to the extent consistent with this part, the District of Columbia Business Corporation Act (D.C. Code §29–301 et seq.) apply to Amtrak. Section 522 of title 5, United States Code, applies to Amtrak for any fiscal year in which Amtrak receives a Federal subsidy.

(f) Tax Exemption for Certain Commuter Authorities.—A commuter authority that was eligible to make a contract with Amtrak Commuter to provide commuter rail passenger transportation but which decided to provide its own rail passenger transportation beginning January 1, 1983, is exempt, effective October 1, 1981, from paying a tax or fee to the same extent Amtrak is exempt.

(g) Nonapplication of Rate, Route, and Service Laws.—A State or other law related to rates, routes, or service does not apply to Amtrak in connection with rail passenger transportation.

(h) Nonapplication of Pay Period Laws.—A State or local law related to pay periods or days for payment of employees does not apply to Amtrak. Except when otherwise provided under a collective bargaining agreement, an employee of Amtrak shall be paid at least as frequently as the employee was paid on October 1, 1979.

(i) Preemption Related to Employee Work Requirements.—A State may not adopt or continue in force a law, rule, regulation, order, or standard requiring Amtrak to employ a specified number of individuals to perform a particular task, function, or operation.

(j) Nonapplication of Laws on Joint Use or Operation of Facilities and Equipment.—Prohibitions of law applicable to an agreement for the joint use or operation of facilities and equipment necessary to provide quick and efficient rail passenger transportation do not apply to a person making an agreement with Amtrak to the extent necessary to allow the person to make and carry out obligations under the agreement.

(k) Exemption From Additional Taxes.—In this subsection—

(1) “additional tax” means a tax or fee—

1 So in original. Does not conform to section catchline.
2 See References in Text note below.
(i) on the acquisition, improvement, ownership, or operation of personal property by Amtrak; and
(ii) on real property, except a tax or fee on the acquisition of real property or on the value of real property not attributable to improvements made, or the operation of those improvements, by Amtrak.

(B) “Amtrak” includes a rail carrier subsidiary of Amtrak and a lessor or lessee of Amtrak or one of its rail carrier subsidiaries.

(2) Amtrak is not required to pay an additional tax because of an expenditure to acquire or improve real property, equipment, a facility, or right-of-way material or structures used in providing rail passenger transportation, even if that use is indirect.

(I) EXEMPTION FROM TAXES LEVIED AFTER SEPTEMBER 30, 1981.—(1) IN GENERAL.—Amtrak, a rail carrier subsidiary of Amtrak, and any passenger or other customer of Amtrak or such subsidiary, are exempt from a tax, fee, head charge, or other charge, imposed or levied by a State, political subdivision, or local taxing authority on Amtrak, a rail carrier subsidiary of Amtrak, or on persons traveling in intercity rail passenger transportation or on mail or express transportation provided by Amtrak or such a subsidiary, or on the carriage of such persons, mail, express, or on the sale of any such transportation, or on the gross receipts derived therefrom after September 30, 1981. In the case of a tax or fee that Amtrak was required to pay as of September 10, 1982, Amtrak is not exempt from such tax or fee if it was assessed before April 1, 1997.

(2) The district courts of the United States have original jurisdiction over a civil action Amtrak brings to enforce this subsection and may grant equitable or declaratory relief requested by Amtrak.

(m) WASTE DISPOSAL.—(1) An intercity rail passenger car manufactured after October 14, 1990, shall be built to provide for the discharge of human waste only at a servicing facility. Amtrak shall retrofit each of its intercity rail passenger cars that was manufactured after May 1, 1971, and before October 15, 1990, with a human waste disposal system that provides for the discharge of human waste only at a servicing facility. Subject to appropriations.

(A) the retrofit program shall be completed not later than October 15, 2001; and

(B) a car that does not provide for the discharge of human waste only at a servicing facility shall be removed from service after that date.

(2) Section 361 of the Public Health Service Act (42 U.S.C. 264) and other laws of the United States, States, and local governments do not apply to waste disposal from rail carrier vehicles operated in intercity rail passenger transportation. The district courts of the United States have original jurisdiction over a civil action Amtrak brings to enforce this paragraph and may grant equitable or declaratory relief requested by Amtrak.

(n) RAIL TRANSPORTATION TREATED EQUALLY.—When authorizing transportation in the continental United States for an officer, employee, or member of the uniformed services of a department, agency, or instrumentality of the Government, the head of that department, agency, or instrumentality shall consider rail transportation (including transportation by extra-fare trains) the same as transportation by another authorized mode. The Administrator of General Services shall include Amtrak in the contract air program of the Administrator in markets in which transportation provided by Amtrak is competitive with other carriers on fares and total trip times.

(o) APPLICABILITY OF DISTRICT OF COLUMBIA LAW.—Any lease or contract entered into between Amtrak and the State of Maryland, or any department or agency of the State of Maryland, after the date of the enactment of this subsection shall be governed by the laws of the District of Columbia.

In subsection (a), before clause (1), the text of 45:541 (1st sentence) is omitted as executed. The text of 45:541 (last sentence) is omitted as surplus. In clause (1), the words “rail carrier” are substituted for “common carrier by railroad” because of 49-10102. In clause (3), the words “department, agency, or instrumentality” are substituted for “agency, instrumentality, authority, or entity, or establishment” for consistency in the revised title and with other titles of the United States Code. The word “instrumentality” includes entities, authorities, establishments, and any other organizational unit of the United States Government that is not a department or agency.

In subsection (b), the words “in connection with the performance of such activities” and “to which the Corporation is a party” are omitted as surplus. The word “instrumentality” includes entities, authorities, establishments, and any other organizational unit of the United States Government that is not a department or agency.

In subsection (c)(1)(B), the words “whether by track age or otherwise” are omitted as surplus.

In subsection (c)(2)(B), the words “adversely affected” are substituted for “aggravied” for consistency in the revised title and with other titles of the Code.

In subsection (d), the word “same” is omitted as surplus.

In subsection (e), the text of 45:546(a) (last sentence) and (e)(3) is omitted as surplus.

In subsection (f), the words “the place” are omitted as surplus.

In subsection (h), the word “applicable” is omitted as surplus.

In subsection (j), the words “existing”, “including the antitrust laws of the United States”, and “contracts . . . leases” are omitted as surplus.

In subsection (k)(2), the words “of funds” are omitted as surplus.

In subsection (l)(1), the words “Notwithstanding any other provision of law”, “other”, “including such taxes and fees levied after September 30, 1962”, and “notwithstanding any provision of law” are omitted as executed.

The text of 45:546(b) (2d sentence) is omitted as surplus. In subsection (l)(2), the words “Notwithstanding the provision of section 1341 of title 28” are omitted as surplus.

In subsection (m)(1), before clause (A), the word “New” is omitted as surplus.

In subsection (m)(2), the word “vehicles” is substituted for “conveyances” for clarity.

### References in Text

The Railroad Unemployment Insurance Act, referred to in subsec. (c), is act June 25, 1938, ch. 680, 52 Stat. 1094, as amended, which is classified principally to chapter 11 (§ 351 et seq.) of Title 45, Railroads. For complete classification of this Act to the Code, see section 367 of Title 45 and Tables.

The Railroad Retirement Act of 1974, referred to in subsec. (c), is act Aug. 29, 1935, ch. 812, §§ 3201 et seq., 48A Stat. 401, as amended, which is classified generally to chapter 9 (§ 231 et seq.) of Title 45, Railroads. For complete classification of this Act to the Code, see section 3323 of Title 26 and Tables.

The District of Columbia Business Corporation Act, referred to in subsec. (e), is act June 8, 1954, ch. 269, 68 Stat. 179, as amended, which is not classified to the Code.

The date of the enactment of this subsection, referred to in subsec. (o), is the date of enactment of Pub. L. 110-53, which was approved Aug. 3, 2007.

### Amendments

Subsec. (a)(3). Pub. L. 105-134, § 415(d)(1), inserted “, and shall not be subject to title 31 after “United States Government”.

Subsec. (c). Pub. L. 105-134, § 401(2), reenacted heading without change and amended text generally. Prior to amendment, text read as follows:

“(1) Part A of subtitle IV of this title applies to Amtrak, except for provisions related to the—

(A) regulation of rates;

(B) abandonment or extension of rail lines used only for passenger transportation and the abandonment or extension of operations over those lines;

(C) regulation of routes and service;

(D) discontinuance or change of rail passenger transportation operations; and

(E) issuance of securities or the assumption of an obligation or liability related to the securities of others.

(2) Notwithstanding this subsection—

(A) section 10721 of this title applies to Amtrak; and

(B) on application of an adversely affected motor carrier, the Surface Transportation Board under part A of subtitle IV of this title may hear a complaint about an unfair or predatory rate or marketing practice of Amtrak for a route or service operating at a loss.”

Subsec. (e). Pub. L. 105-134, § 110(a), inserted at end “Section 552 of title 5, United States Code, applies to Amtrak for any fiscal year in which Amtrak receives a Federal subsidy.”

Subsec. (f). Pub. L. 105-134, § 106(b), amended heading and text of subsec. (f) generally. Prior to amendment,
The laws of the District of Columbia govern leases and contracts of Amtrak, regardless of where they are executed.

Subsec. (c)(2)(A). Pub. L. 104–88, § 308(g)(1)(B), substituted "section 10721 of this title" for "sections 10721–10724 of this title".

Subsec. (c)(2)(B). Pub. L. 104–88, § 308(g)(1)(C), substituted "Transportation Board under part A of subtitle IV" for "Interstate Commerce Commission under any provision of subtitle IV of this Act applicable to a carrier subject to subchapter I of chapter 105".

Subsec. (d). Pub. L. 104–88, § 308(g)(2), substituted "rail carrier subject to part A of subtitle IV" for "common carrier subject to subchapter I of chapter 105".

EFFECTIVE DATE OF 1995 AMENDMENT

REGULATIONS

Pub. L. 101–610, title VI, § 601(d), (e), Nov. 16, 1990, 104 Stat. 3236, provided that:

"(d) Not later than 1 year after the date of enactment of this Act [Nov. 16, 1990], the Secretary of Transportation, after appropriate notice and comment, and in consultation with the National Railroad Passenger Corporation, the Administrator of the Environmental Protection Agency, the Surgeon General, and State and local officials shall promulgate such regulations as may be necessary to mitigate the impact of the head charge of human waste from railroad passenger cars on areas that may be considered environmentally sensitive.

"(e) Not later than 1 year after the date of enactment of this Act [Nov. 16, 1990], the Secretary of Transportation shall promulgate regulations directing the National Railroad Passenger Corporation to, where appropriate, publish printed information, and make public address announcements, explaining its existing disposal technology and the retrofit and new equipment program, and encouraging passengers using existing equipment not to dispose of wastes in stations, railroad yards, or while the train is moving through environmentally sensitive areas."

PASSENGER CHOICE

Pub. L. 103–134, title I, § 109, Dec. 2, 1997, 111 Stat. 2574, provided that: "Federal employees are authorized to travel on Amtrak for official business where total travel cost from office to office is competitive on a total trip or time basis."

APPLICATION OF FEDERAL PROPERTY AND ADMINISTRATIVE SERVICES ACT

port, and subsistence expenses incurred in attending Board meetings.

(c) TRAVEL.—(1) Each director not employed by the United States Government shall be subject to the same travel and reimbursable business travel expense policies and guidelines that apply to Amtrak’s executive management when performing Board duties.

(2) Not later than 60 days after the end of each fiscal year, the Board shall submit a report describing all travel and reimbursable business travel expenses paid to each director when performing Board duties to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate.

(3) The report submitted under paragraph (2) shall include a detailed justification for any travel or reimbursable business travel expense that deviates from Amtrak’s travel and reimbursable business travel expense policies and guidelines.

(d) VACANCIES.—A vacancy on the Board is filled in the same way as the original selection, except that an individual appointed by the President of the United States under subsection (a)(1)(C) of this section to fill a vacancy occurring before the end of the term for which the predecessor of that individual was appointed is appointed for the remainder of that term. A vacancy required to be filled by appointment under subsection (a)(1)(C) must be filled not later than 120 days after the vacancy occurs.

(e) QUORUM.—A majority of the members serving shall constitute a quorum for doing business.

(f) BYLAWS.—The Board may adopt and amend bylaws governing the operation of Amtrak.

(Historical and Revision Notes—Continued)

1997—Pub. L. 105–134 amended section generally. Prior to amendment, section related, in subsec. (a), to establishment, duties, membership, and confirmation procedure of Reform Board, in subsec. (b), to selection of the Board of Directors, and in subsec. (c), to authority of Reform Board to recommend to Congress a plan to implement transfer of Amtrak’s infrastructure assets and responsibilities to a new separately governed corporation.

2008—Pub. L. 110–432 amended section generally. Prior to amendment, section related, in subsec. (a), to composition and terms of Amtrak board of directors, in subsec. (b), to cumulative voting by stockholders, in subsec. (c), to conflicts of interest of directors, in subsec. (d), to pay and expenses of directors, in subsec. (e), to vacancies on board, and in subsec. (f), to bylaws of board.

Effective Date of 2008 Amendment

Pub. L. 110–432, div. B, title II, $202(b), Oct. 16, 2008, 122 Stat. 4921, provided that: “The amendment made by subsection (a) [amending this section] shall take effect 6 months after the date of enactment of this Act [Oct. 16, 2008]. The members of the Amtrak Board of Direc-
tors serving as of the date of enactment of this Act may continue to serve for the remainder of the term to which they were appointed.”

§ 24303. Officers

(a) APPOINTMENT AND TERMS.—Amtrak has a President and other officers that are named and appointed by the board of directors of Amtrak. An officer of Amtrak must be a citizen of the United States. Officers of Amtrak serve at the pleasure of the board.

(b) PAY.—The board may fix the pay of the officers of Amtrak. An officer may not be paid more than the general level of pay for officers of rail carriers with comparable responsibility. The preceding sentence shall not apply for any fiscal year for which no Federal assistance is provided to Amtrak.

(c) CONFLICTS OF INTEREST.—When employed by Amtrak, an officer may not have a financial or employment relationship with another rail carrier, except that holding securities issued by a rail carrier is not deemed to be a violation of this subsection if the officer holding the securities makes a complete public disclosure of the holdings and does not participate in any decision directly affecting the rail carrier.

In subsection (a), before clause (1), the words “issue and” are omitted because they are included in “have outstanding”. The words “in such amounts as it shall determine” are omitted as surplus. The words “one issue of common stock and one issue of preferred stock” are substituted for “two issues of capital stock, a common and a preferred” for clarity. In clause (1), the word “designated” is omitted as surplus.

In subsection (b)(1)(A), the words “may not hold” are substituted for “may be issued and held only by any person other than” to eliminate unnecessary words.

In subsections (b)(1)(B) and (c), the words “as defined in section 10102(6) of title 49” are omitted because of the definition of “rail carrier” in section 24102 of the revised title.

In subsection (b)(1)(B), the words “after the initial issue is completed” are omitted as executed. The words “single” and “directly or indirectly through subsidiaries or affiliated companies, nominees, or any person subject to its direction or control” are omitted as surplus. The words “may not vote not more than one-third of the total number of shares of outstanding common stock of Amtrak” are substituted for “At no time . . . shall the aggregate of the shares of common stock of the Corporation voted by . . . exceed 33% per centum of such shares issued and outstanding” to eliminate unnecessary words.

In subsection (b)(2), the words “Additional common stock” are substituted for “a number of shares in excess of 33% per centum of the total number of common shares issued and outstanding, such excess number” to eliminate unnecessary words. The words “issued and” are omitted because they are included in “outstanding”.

Subsection (c)(1) is substituted for “Dividends shall be fixed at a rate not less than 6 per centum per annum, and shall be cumulative” to eliminate unnecessary words.

In subsection (c)(2), the text of 45:544(a) (last sentence) (A) (last sentence) and the words “for any dividend period” and “at the rate fixed in the articles of incorporation” are omitted as surplus.

In subsection (c)(3), the words “holders of preferred stock” are substituted for “preferred stockholders”, and the words “holders of common stock” are substituted for “common stockholders”, for consistency in this chapter.

In subsection (a), before clause (1), the words “issue and” are omitted because they are included in “have outstanding”. The words “in such amounts as it shall determine” are omitted as surplus. The words “one issue of common stock and one issue of preferred stock” are substituted for “two issues of capital stock, a common and a preferred” for clarity. In clause (1), the word “designated” is omitted as surplus.

In subsection (b)(1)(A), the words “may not hold” are substituted for “may be issued and held only by any person other than” to eliminate unnecessary words.

In subsections (b)(1)(B) and (c), the words “as defined in section 10102(6) of title 49” are omitted because of the definition of “rail carrier” in section 24102 of the revised title.

In subsection (b)(1)(B), the words “after the initial issue is completed” are omitted as executed. The words “single” and “directly or indirectly through subsidiaries or affiliated companies, nominees, or any person subject to its direction or control” are omitted as surplus. The words “may not vote not more than one-third of the total number of shares of outstanding common stock of Amtrak” are substituted for “At no time . . . shall the aggregate of the shares of common stock of the Corporation voted by . . . exceed 33% per centum of such shares issued and outstanding” to eliminate unnecessary words.

In subsection (b)(2), the words “Additional common stock” are substituted for “a number of shares in excess of 33% per centum of the total number of common shares issued and outstanding, such excess number” to eliminate unnecessary words. The words “issued and” are omitted because they are included in “outstanding”.

Subsection (c)(1) is substituted for “Dividends shall be fixed at a rate not less than 6 per centum per annum, and shall be cumulative” to eliminate unnecessary words.

In subsection (c)(2), the text of 45:544(a) (last sentence) (A) (last sentence) and the words “for any dividend period” and “at the rate fixed in the articles of incorporation” are omitted as surplus.

In subsection (c)(3), the words “holders of preferred stock” are substituted for “preferred stockholders”, and the words “holders of common stock” are substituted for “common stockholders”, for consistency in this chapter.

§ 24304. Employee stock ownership plans

In issuing stock pursuant to applicable corporate law, Amtrak is encouraged to include employee stock ownership plans.

In subsection (c)(4), the words “at such time and upon such terms as the articles of incorporation shall provide” are omitted as surplus.

In subsection (d)(3), the text of 45:544(e)(1) and the words “Commencing on October 1, 1981” are omitted as executed. The words “and in consideration of receiving further Federal financial assistance”, “of the United States Government”, “additional”, and “of funds” are omitted as surplus.

In subsection (d)(3), the words “required to be issued” are omitted as surplus.

Subsection (e) is substituted for 45:544(e)(2) to eliminate unnecessary words.

In subsection (f), the words “in addition to the stock authorized by subsection (a) of this section”, “securities, bonds, debentures, notes, and other”, and “as it may determine” are omitted as surplus.

Subsection (g) is substituted for 45:544(e)(1) to eliminate unnecessary words.

AMENDMENTS

Amtrak Stock

Pub. L. 105–134, title IV, §415(b), (c), Dec. 2, 1997, 111 Stat. 2590, provided that:

“(b) Redemption of Common Stock.—Amtrak shall, before October 1, 2002, redeem all common stock previously issued, for the fair market value of such stock.

“(c) Elimination of Liquidation Preference and Voting Rights of Preferred Stock.—(1)(A) Preferred stock of Amtrak held by the Secretary of Transportation shall confer no liquidation preference.

“(B) Subparagraph (A) shall take effect 90 days after the date of the enactment of this Act [Dec. 2, 1997].

“(2) Preferred stock of Amtrak held by the Secretary of Transportation shall confer no voting rights.

“(B) Subparagraph (A) shall take effect 60 days after the date of the enactment of this Act.”

§ 24305. General authority

(a) Acquisition and Operation of Equipment and Facilities.—(1) Amtrak may acquire, operate, maintain, and make contracts for the operation and maintenance of equipment and facilities necessary for intercity and commuter rail passenger transportation, the transportation of mail and express, and auto-ferry transportation.

(2) Amtrak shall operate and control directly, to the extent practicable, all aspects of the rail passenger transportation it provides.

(3)(A) Except as provided in subsection (d)(2), Amtrak may enter into a contract with a motor carrier of passengers for the intercity transportation of passengers by motor carrier over regular routes only—

(i) if the motor carrier is not a public recipient of governmental assistance, as such term is defined in section 13902(b)(6)(A) of this title, other than a recipient of funds under section 5311 of this title;

(ii) for passengers who have had prior movement by rail or will have subsequent movement by rail; and

(iii) if the buses, when used in the provision of such transportation, are used exclusively for the transportation of passengers described in clause (ii).

(B) Subparagraph (A) shall not apply to transportation funded predominantly by a State or local government, or to ticket selling agreements.

(b) Maintenance and Rehabilitation.—Amtrak may maintain and rehabilitate rail passenger equipment and shall maintain a regional maintenance plan that includes—

(1) a review panel at the principal office of Amtrak consisting of members the President of Amtrak designates;

(2) a systemwide inventory of spare equipment parts in each operational region;

(3) enough maintenance employees for cars and locomotives in each region;

(4) a systematic preventive maintenance program;

(5) periodic evaluations of maintenance costs, time lags, and parts shortages and corrective actions; and

(6) other elements or activities Amtrak considers appropriate.

(c) Miscellaneous Authority.—Amtrak may—

(1) make and carry out appropriate agreements;

(2) transport mail and express and shall use all feasible methods to obtain the bulk mail business of the United States Postal Service;

(3) improve its reservation system and advertising;

(4) provide food and beverage services on its trains only if revenues from the services each year at least equal the cost of providing the services;

(5) conduct research, development, and demonstration programs related to the mission of Amtrak; and

(6) buy or lease rail rolling stock and develop and demonstrate improved rolling stock.

(d) Through Routes and Joint Fares.—(1) Establishing through routes and joint fares between Amtrak and other intercity rail passenger carriers and motor carriers of passengers is consistent with the public interest and the transportation policy of the United States. Congress encourages establishing those routes and fares.

(2) Amtrak may establish through routes and joint fares with any domestic or international motor carrier, air carrier, or water carrier.

(3) Congress encourages Amtrak and motor common carriers of passengers to use the authority conferred in sections 11322 and 14302 of this title for the purpose of providing improved service to the public and economy of operation.

(e) Rail Police.—Amtrak may employ rail police to provide security for rail passengers and property of Amtrak. Rail police employed by Amtrak who have complied with a State law establishing requirements applicable to rail police or individuals employed in a similar position may be employed without regard to the law of another State containing those requirements.

(f) Domestic Buying Preferences.—(1) In this subsection, “United States” means the States, territories, and possessions of the United States and the District of Columbia.

(2) Amtrak shall buy only—

(A) unmanufactured articles, material, and supplies mined or produced in the United States; or

(B) manufactured articles, material, and supplies manufactured in the United States substantially from articles, material, and sup-
plies mined, produced, or manufactured in the United States.

(3) Paragraph (2) of this subsection applies only when the cost of those articles, material, or supplies bought is at least $1,000,000.

(4) On application of Amtrak, the Secretary of Transportation may exempt Amtrak from this subsection if the Secretary decides that—

(A) for particular articles, material, or supplies—

(i) the requirements of paragraph (2) of this subsection are inconsistent with the public interest;

(ii) the cost of imposing those requirements is unreasonable; or

(iii) the articles, material, or supplies, or the articles, material, or supplies from which they are manufactured, are not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities and are not of a satisfactory quality; or

(B) rolling stock or power train equipment cannot be bought and delivered in the United States within a reasonable time.

"(a) AMTRAK SECURITY EVALUATION.—No later than 180 days after the enactment of this Act [Dec. 16, 2009], Amtrak, in consultation with the Assistant Secretary of Homeland Security (Transportation Security Administration), shall submit a report to Congress that contains—

"(1) a comprehensive, system-wide, security evaluation; and
"(2) proposed guidance and procedures necessary to implement a new checked firearms program.

(b) DEVELOPMENT AND IMPLEMENTATION OF GUIDANCE AND PROCEDURES.—

"(1) IN GENERAL.—Not later than one year after the enactment of this Act [Dec. 16, 2009], Amtrak, in consultation with the Assistant Secretary, shall develop and implement guidance and procedures to carry out the duties and responsibilities of firearm storage and carriage in checked baggage cars and at Amtrak stations that accept checked baggage.

"(2) SCOPE.—The guidance and procedures developed under paragraph (1) shall—

"(A) permit Amtrak passengers holding a ticket for a specific Amtrak route to place an unloaded firearm or starter pistol in a checked bag on such route if—

"(i) the Amtrak station accepts checked baggage for such route;
"(ii) the passenger declares to Amtrak, either orally or in writing, at the time the reservation is made or not later than 24 hours before departure, that the firearm will be placed in his or her bag and will be unloaded;
"(iii) the firearm is in a hard-sided container;
"(iv) such container is locked; and
"(v) only the passenger has the key or combination for such container.

"(B) permit Amtrak passengers holding a ticket for a specific Amtrak route to place small arms ammunition for personal use in a checked bag on such route if the ammunition is securely packed—

"(i) in fiber, wood, or metal boxes; or
"(ii) in other packaging specifically designed to carry small amounts of ammunition; and

"(c) include any other measures needed to ensure the safety and security of Amtrak employees, passengers, and infrastructure, including—

"(i) requiring inspections of any container containing a firearm or ammunition; and
"(ii) the temporary suspension of firearm carriage service if credible intelligence information indicates a threat related to the national rail system or specific routes or trains.

"(c) DEFINITIONS.—

"(1) [sic] For purposes of this section, the term ‘checked baggage’ refers to baggage transported that is accessible only to select Amtrak employees..."
person primarily engaged in auto-ferry service shall not be deemed to be a railroad, from providing such...

In subsection (b)(2), the words “may provide” are substituted for “Nothing in this section shall be construed to prohibit or to authorize...” to eliminate unnecessary words and for clarity. The words “rail lines” are substituted for “lines” for consistency in the revised title and with other titles of the Code.

In subsection (b)(3), the words “has the effect of prohibiting or”, “fine, penalty, or other”, and “for violation of” are omitted as surplus. The words “rail carrier” are substituted for “common carrier by railroad” for consistency in the revised title and with other titles of the Code.

AMENDMENTS

Text read as follows: “(1) A person primarily providing auto-ferry transportation and any other person not a rail carrier may provide auto-ferry transportation over any route under a certificate issued by the Interstate Commerce Commission if the Commission finds that the auto-ferry transportation—

(A)(2) A rail carrier that has not made a contract with Amtrak to provide rail passenger transportation may provide auto-ferry transportation over its own rail lines.

(B) State and local laws and regulations that impair the provision of auto-ferry transportation do not apply to Amtrak or a rail carrier providing auto-ferry transportation. A rail carrier may not refuse to participate with Amtrak in providing auto-ferry transportation because a State or local law or regulation makes the transportation unlawful.”

§ 24307. Special transportation

(a) REDUCED FARE PROGRAM.—Amtrak shall maintain a reduced fare program for the following:

1. individuals at least 65 years of age;
2. individuals (except alcoholics and drug abusers) who—
   (A) have a physical or mental impairment that substantially limits a major life activity of the individual;
   (B) have a record of an impairment; or
   (C) are regarded as having an impairment.
3. retired employees of a rail carrier or terminal company;
4. a spouse (including a dependent) of an employee referred to in clause (A) or (B) of this paragraph.

(b) EMPLOYER TRANSPORTATION.—(1) In this subsection, “rail carrier employee” means—

(A) an active full-time employee of a rail carrier or terminal company and includes an employee on furlough or leave of absence;
(B) a retired employee of a rail carrier or terminal company; and
(C) a dependent of an employee referred to in clause (A) or (B) of this paragraph.

(2) Amtrak shall ensure that a rail carrier employee eligible for free or reduced-rate rail transportation on April 30, 1971, under an agreement in effect on that date is eligible, to the greatest extent practicable, for free or reduced-rate intercity rail passenger transportation provided by Amtrak under this part, if space is available, on terms similar to those available on that date under the agreement. However, Amtrak may apply to all rail carrier employees eligible to receive free or reduced-rate transportation under any agreement a single systemwide schedule of terms that Amtrak decides applied to a majority of employees on that date under all those agreements. Unless Amtrak and a rail carrier make a different agreement, the carrier shall reimburse Amtrak at the rate of 25 percent of the systemwide average monthly yield of each revenue passenger-mile. The reimbursement is in place of costs Amtrak incurs related to free or reduced-rate transportation, including liability related to travel of a rail carrier employee eligible for free or reduced-rate transportation.

(3) This subsection does not prohibit the Interstate Commerce Commission from ordering retroactive relief in a proceeding begun or reopened after October 1, 1981.

(HISTORICAL AND REVISION NOTES)

Revised Source | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a), before clause (1), the word “maintain” is substituted for “Within 90 days after September 29, 1979” and “establish” for clarity.

In subsection (b), before clause (1), the word “act” is substituted for “take all steps necessary to” to eliminate unnecessary words. The words “access to” are added for clarity. In clause (1), the words “and devices” are omitted as surplus. In clause (4), the words “architectural and other” are omitted as surplus.

In subsection (c)(1)(A), the words “period of” and “while on” are omitted as surplus.

In subsection (c)(2), the words “take such action as may be necessary to”, “the terms of... policy or”, and “to such railroad employee” are omitted as surplus. The words “or group of railroads” are omitted because of 1:1.

AMENDMENTS

1997—Subsecs. (b), (c). Pub. L. 105–134 redesignated subsec. (c) as (b) and struck out former subsec. (b) which read as follows: “(b) ACTIONS TO ENSURE ACCESS.—Amtrak may act to ensure access to intercity transportation for elderly or handicapped individuals on passenger trains operated by or for Amtrak. That action may include—

(1) acquiring special equipment;
(2) conducting special training for employees;
(3) designing and acquiring new equipment and facilities; and
(4) eliminating barriers in existing equipment and facilities to comply with the highest standards of design, construction, and alteration of property to accommodate elderly and handicapped individuals; and

[Further text follows]
"(5) providing special assistance to elderly and handicapped individuals when getting on and off trains and in terminal areas."

ACCESSIBILITY BY INDIVIDUALS WITH DISABILITIES

(a) IN GENERAL.—Amtrak, in consultation with station owners and other railroads operating service through the existing stations that it serves, shall evaluate the improvements necessary to make these stations readily accessible to and usable by individuals with disabilities, as required by such section 242(e)(2) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12162(e)(2)). The evaluation shall include, for each applicable station, improved requirements to bring it into compliance with the applicable parts of such section 242(e)(2), any potential barriers to achieving compliance, including issues related to passenger rail station platforms, the estimated cost of the improvements necessary, the identification of the responsible person (as defined in section 241(5) of that Act (42 U.S.C. 12161(5))), and the earliest practicable date when such improvements can be made. The evaluation shall also include a detailed plan and schedule for bringing all applicable stations into compliance with the applicable parts of section 242(e)(2) by the 2010 statutory deadline for station accessibility. Amtrak shall submit the evaluation to the Committee on Transportation and Infrastructure of the House of Representatives; the Committee on Commerce, Science, and Transportation of the Senate; the Department of Transportation; and the National Council on Disability by February 1, 2009, along with recommendations for funding the necessary improvements. Should the Department of Transportation issue any rule related to transportation for individuals with disabilities by intercity passenger rail after Amtrak submits its evaluation, Amtrak shall, within 120 days after the date that such rule is published, submit to the above parties a supplemental evaluation on any impact of the rule on its cost and schedule for achieving full compliance.

(b) ACCESSIBILITY IMPROVEMENTS AND BARRIER REMOVAL FOR PEOPLE WITH DISABILITIES.—There are authorized to be appropriated to the Secretary [of Transportation] for the use of Amtrak such sums as may be necessary to improve the accessibility of facilities, including rail platforms, and services.

(1) ACCESS IMPROVEMENTS AT CERTAIN SHARED STATIONS.—Amtrak is responsible for its share, if any, of the costs of accessibility improvements required by the Americans With Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) at any station jointly used by Amtrak and a commuter authority.

(2) CERTAIN REQUIREMENTS NOT TO APPLY UNTIL 1998.—Amtrak shall not be subject to any requirement under subsection (a)(1), (a)(3), or (e)(2) of section 242 of the Americans With Disabilities Act of 1990 (42 U.S.C. 12162) until January 1, 1998.

ABOLITION OF INTERSTATE COMMERCE COMMISSION AND TRANSFER OF FUNCTIONS

Interstate Commerce Commission abolished and functions of Commission transferred, except as otherwise provided in Pub. L. 104–88, to Surface Transportation Board effective Jan. 1, 1996, by section 702 of this title, and section 101 of Pub. L. 104–88, set out as a note under section 701 of this title. References to Interstate Commerce Commission deemed to refer to Surface Transportation Board, a member or employee of the Board, or Secretary of Transportation, as appropriate, see section 205 of Pub. L. 104–88, set out as a note under section 701 of this title.

§ 24308. Use of facilities and providing services to Amtrak

(a) GENERAL AUTHORITY.—(1) Amtrak may make an agreement with a rail carrier or regional transportation authority to use facilities of, and have services provided by, the carrier or authority under terms on which the parties agree. The terms shall include a penalty for untimely performance.

(2)(A) If the parties cannot agree and if the Surface Transportation Board finds it necessary to carry out this part, the Board shall—

(i) order that the facilities be made available and the services provided to Amtrak; and

(ii) prescribe reasonable terms and compensation for using the facilities and providing the services.

(B) When prescribing reasonable compensation under subparagraph (A) of this paragraph, the Board shall consider quality of service as a major factor when determining whether, and the extent to which, the incremental costs of using the facilities and providing the services shall be greater than the incremental costs of using the facilities and providing the services.

(C) The Board shall decide the dispute not later than 90 days after Amtrak submits the dispute to the Board.

(3) Amtrak’s right to use the facilities or have the services provided is conditioned on payment of the compensation. If the compensation is not paid promptly, the rail carrier or authority entitled to it may bring an action against Amtrak to recover the amount owed.

(4) Amtrak shall seek immediate and appropriate legal remedies to enforce its contract rights when track maintenance on a route over which Amtrak operates falls below the contractual standard.

(b) OPERATING DURING EMERGENCIES.—To facilitate operation by Amtrak during an emergency, the Board, on application by Amtrak, shall require a rail carrier to provide facilities immediately during the emergency. The Board then shall promptly prescribe reasonable terms, including indemnification of the carrier by Amtrak against personal injury risk to which the carrier may be exposed. The rail carrier shall provide the facilities for the duration of the emergency.

(c) PREFERENCE OVER FREIGHT TRANSPORTATION.—Except in an emergency, intercity and commuter rail passenger transportation provided by or for Amtrak has preference over freight transportation in using a rail line, junction, or crossing unless the Board orders otherwise under this subsection. A rail carrier affected by this subsection may apply to the Board for relief. If the Board, after an opportunity for a hearing under section 553 of title 5, decides that preference for intercity and commuter rail passenger transportation materially will lessen the quality of freight transportation provided to shippers, the Board shall establish
the rights of the carrier and Amtrak on reasonable terms.

(d) ACCELERATED SPEEDS.—If a rail carrier refuses to allow accelerated speeds on trains operated by or for Amtrak, Amtrak may apply to the Board for an order allowing the carrier to allow the accelerated speeds. The Board shall decide whether accelerated speeds are unsafe or impracticable and which improvements would be required to make accelerated speeds safe and practicable. After an opportunity for a hearing, the Board shall establish the maximum allowable speeds of Amtrak trains on terms the Board decides are reasonable.

(e) ADDITIONAL TRAINS.—(1) When a rail carrier does not agree to provide, or allow Amtrak to provide, for the operation of additional trains over a rail line of the carrier, Amtrak may apply to the Board for an order requiring the carrier to provide or allow for the operation of the requested trains. After a hearing on the record, the Board may order the carrier, within 60 days from the date of the order, to provide or allow for the operation of the requested trains on a schedule based on legally permissible operating times. However, if the Board decides not to hold a hearing, the Board, not later than 30 days after receiving the application, shall publish in the Federal Register the reasons for the decision not to hold the hearing.

(2) The Board shall consider—
(A) when conducting a hearing, whether an order would impair unreasonably freight transportation of the rail carrier, with the carrier having the burden of demonstrating that the additional trains will impair the freight transportation; and
(B) when establishing scheduled running times, the statutory goal of Amtrak to implement schedules that attain a system-wide average speed of at least 60 miles an hour that can be adhered to with a high degree of reliability and passenger comfort.

(3) Unless the parties have an agreement that establishes the compensation Amtrak will pay the carrier for additional trains provided under an order under this subsection, the Board shall decide the dispute under subsection (a) of this section.

(f) PASSENGER TRAIN PERFORMANCE AND OTHER STANDARDS.—

(1) INVESTIGATION OF SUBSTANDARD PERFORMANCE.—If the on-time performance of any intercity passenger train averages less than 80 percent for any 2 consecutive calendar quarters, the Surface Transportation Board (referred to in this section as the “Board”) may initiate an investigation, or upon the filing of a complaint by Amtrak, an intercity passenger rail operator, a host freight railroad over which Amtrak operates, or an entity for which Amtrak operates intercity passenger rail service, the Board shall initiate such an investigation, to determine whether and to what extent delays or failures to achieve minimum standards are due to causes that could reasonably be addressed by a rail carrier over whose tracks the intercity passenger train operates or reasonably addressed by Amtrak or other intercity passenger rail operators. As part of its investigation, the Board has authority to review the accuracy of the train performance data and the extent to which scheduling and congestion contribute to delays. In making its determination or carrying out such an investigation, the Board shall obtain information from all parties involved and identify reasonable measures and make recommendations to improve the service, quality, and on-time performance of the train.

(2) PROBLEMS CAUSED BY HOST RAIL CARRIER.—If the Board determines that delays or failures to achieve minimum standards investigated under paragraph (1) are attributable to a rail carrier’s failure to provide preference to Amtrak over freight transportation as required under subsection (c), the Board may award damages against the host rail carrier, including prescribing such other relief to Amtrak as it determines to be reasonable and appropriate pursuant to paragraph (3) of this subsection.

(3) DAMAGES AND RELIEF.—In awarding damages and prescribing other relief under this subsection the Board shall consider such factors as—
(A) the extent to which Amtrak suffers financial loss as a result of host rail carrier delays or failure to achieve minimum standards; and
(B) what reasonable measures would adequately deter future actions which may reasonably be expected to be likely to result in delays to Amtrak on the route involved.

(4) USE OF DAMAGES.—The Board shall, as it deems appropriate, order the host rail carrier to remit the damages awarded under this subsection to Amtrak or to an entity for which Amtrak operates intercity passenger rail service. Such damages shall be used for capital or operating expenditures on the routes over which delays or failures to achieve minimum standards were the result of a rail carrier’s failure to provide preference to Amtrak over freight transportation as determined in accordance with paragraph (2).

In subsection (a)(1), the word “authority” is substituted for “agencies” for consistency in the revised title and with other titles of the United States Code. The words “tracks and other” are omitted as surplus. The words “of . . . by, the carrier or authority” are substituted for “casualty” for consistency.

In subsection (a)(2)(C), the words “shall decide the dispute” are added, and the words “submits the dispute” are substituted for “application”, for clarity.

In subsection (a)(3), the words “Amtrak’s right to use the facilities or have the services provided is conditioned upon payment of the compensation” are substituted for “and the rights of the Corporation to such services or to the use of tracks or facilities of the railroad or agency under such order . . . shall be conditioned upon payment by the Corporation of the compensation fixed by the Commission” to eliminate unnecessary words. The words “or under an order issued under subsection (b) of this section” are omitted as obsolete because 45:562(b) is executed. The words “appropriate” are substituted for “and with respect to the nature and extent of improvements to track, signal systems, and other facilities that would be required” to eliminate unnecessary words.

In subsection (d), the words “upon request of the Corporation” and “otherwise” are omitted as surplus. The words “which improvements would be required” are substituted for “and with respect to the nature and extent of improvements to track, signal systems, and other facilities that would be required” to eliminate unnecessary words.

In subsection (e)(1), the words “satisfactory, voluntary” are omitted as surplus. The words “provide, or allow” are added, and the words “Amtrak may apply to the Secretary for an order requiring the carrier to provide or allow for the operation of the requested trains” are substituted for “Upon receipt of an application from the Corporation”, for clarity.

In subsection (e)(2)(A), the words “involved” and “seeking to oppose the operation of an additional train” are omitted as surplus. The words “when conducting a hearing” are added for clarity.

In subsection (e)(2)(B), the word “proper” is omitted as surplus. The words “60 miles” are substituted for “55 miles” for consistency with 45:501a(b), restated in section 24101(c)(6) of the revised title. Section 1172(3) of the Omnibus Budget Reconciliation Act of 1981 (Public Law 91–35, 95 Stat. 688) raised the speed from 55 to 60 in 45:501a but did not make a corresponding change in 45:562(g).

In subsection (e)(3), the words “Unless the parties have an agreement that establishes the compensation Amtrak will pay the carrier for additional trains provided under an order under this subsection” are substituted for 45:562(g) (last sentence words before last comma) to eliminate unnecessary words. The words “the dispute” are added for clarity and consistency in this section.

REFERENCES IN TEXT

Section 207 of the Passenger Rail Investment and Improvement Act of 2008, referred to in subsec. (f)(1), is section 207 of Pub. L. 110–432, which is set out in a note under section 24101 of this title.

AMENDMENTS

Subsec. (c). Pub. L. 110–432, § 213(d)(3), (4), substituted “Board” for “Secretary of Transportation” after “unless the” and for “Secretary” in three places.

FEES

Pub. L. 110–432, div. B, title II, § 213(b), Oct. 16, 2008, 122 Stat. 4926, provided that: “The Surface Transportation Board may establish and collect filing fees from any entity that files a complaint under section 24308(f)(1) of title 49, United States Code, or otherwise requests or requires the Board’s services pursuant to this division (see Short Title of 2008 Amendment note set out under section 24101 of this title). The Board shall establish such fees at levels that will fully or partially, as the Board determines to be appropriate, offset the costs of adjudicating complaints under that section and other requests or requirements for Board action under this division. The Board may waive any fee established under this subsection for any governmental entity as determined appropriate by the Board.”

SPECIAL PASSENGER TRAINS

Pub. L. 110–432, div. B, title II, § 216, Oct. 16, 2008, 122 Stat. 4930, provided that: “Amtrak is encouraged to increase the operation of special trains funded by, or in partnership with, private sector operators through competitive contracting to minimize the need for Federal subsidies. Amtrak shall utilize the provisions of section 24308 of title 49, United States Code, when necessary to obtain access to facilities, train and engine crews, or services of a rail carrier or regional transportation authority that are required to operate such trains.”

§ 24309. Retaining and maintaining facilities

(a) DEFINITIONS.—In this section—
(1) “facility” means a rail line, right of way, fixed equipment, facility, or real property related to a rail line, right of way, fixed equipment, or facility, including a signal system, passenger station and repair tracks, a station building, a platform, and a related facility, including a water, fuel, steam, electric, and air line.

(2) Downgrading a facility means reducing a track classification as specified in the Federal Railroad Administration track safety standards or altering a facility so that the time required for rail passenger transportation to be provided over the route on which a facility is located may be increased.

(b) Approval Required for Downgrading or Disposal.—A facility of a rail carrier or regional transportation authority that Amtrak used to provide rail passenger transportation on February 1, 1979, or on January 1, 1997, may be downgraded or disposed of only after approval by the Secretary of Transportation under this section.

(c) Notification and Analysis.—(1) A rail carrier intending to downgrade or dispose of a facility Amtrak currently is not using to provide transportation shall notify Amtrak of its intention. If, not later than 60 days after Amtrak receives the notice, Amtrak and the carrier do not agree to retain or maintain the facility or to convey an interest in the facility to Amtrak, the carrier may apply to the Secretary for approval to downgrade or dispose of the facility.

(2) After a rail carrier notifies Amtrak of its intention to downgrade or dispose of a facility, Amtrak shall survey population centers with rail passenger transportation facilities to assist in preparing a valid and timely analysis of the need for the facility and shall update the survey as appropriate. Amtrak also shall maintain a system for collecting information gathered in the survey. The system shall collect the information based on geographic regions and on whether the facility would be part of a short haul or long haul route. The survey should facilitate an analysis of—

(A) ridership potential by ascertaining existing and changing travel patterns that would provide maximum efficient rail passenger transportation;

(B) the quality of transportation of competitive or likely competitors;

(C) the likelihood of Amtrak offering transportation at a competitive fare;

(D) opportunities to target advertising and fares to potential classes of riders;

(E) economic characteristics of rail passenger transportation related to the facility and the extent to which the characteristics are consistent with sound economic principles of short haul or long haul rail transportation; and

(F) the feasibility of applying effective internal cost controls to the facility and route served by the facility to improve the ratio of passenger revenue to transportation expenses (excluding maintenance of tracks, structures, and equipment and depreciation).

(d) Approval of Application and Payment of Avoidable Costs.—(1) If Amtrak does not object to an application not later than 30 days after it is submitted, the Secretary shall approve the application promptly.

(2) If Amtrak objects to an application, the Secretary shall decide by not later than 180 days after the objection those costs the rail carrier may avoid if it does not have to retain or maintain a facility in the condition Amtrak requests. If Amtrak does not agree by not later than 60 days after the decision to pay the carrier these avoidable costs, the Secretary shall approve the application. When deciding whether to pay a carrier the avoidable costs of retaining or maintaining a facility, Amtrak shall consider—

(A) the potential importance of restoring rail passenger transportation on the route on which the facility is located;

(B) the market potential of the route;

(C) the availability, adequacy, and energy efficiency of an alternate rail line or alternate mode of transportation to provide passenger transportation to or near the places that would be served by the route;

(D) the extent to which major population centers would be served by the route;

(E) the extent to which providing transportation over the route would encourage the expansion of an intercity rail passenger system in the United States; and

(F) the possibility of increased ridership on a rail line that connects with the route.

(e) Compliance With Other Obligations.—Downgrading or disposing of a facility under this section does not relieve a rail carrier from complying with its other common carrier or legal obligations related to the facility.

In subsection (a)(1), the words “rail line” are substituted for “railroad tracks” for consistency in the revised title and with other titles of the United States Code.

In subsection (b), the word “authority” is substituted for “agency” for consistency in the revised title and with other titles of the Code. The words “obtaining the” are omitted as surplus.

In subsection (c)(1), the words “first” and “to take such action” are omitted as surplus.

In subsection (c)(2), before clause (A), the words “need for the” are added for clarity. The words “necessary or” are omitted as surplus. The words “Within 90 days after September 29, 1979” and “45:566(d)(2), A(l)” are omitted as executed. The word “maintain” is substituted for “take steps to prepare” for clarity. The words “survey plan which shall provide for” and “compilation, and storage” are omitted as surplus. In clause (F), the words “over time” are omitted as surplus.

In subsection (d)(2), before clause (A), the word “timely” is omitted as surplus. In clause (F), the words
“rail line” are substituted for “lines of railroad” for consistency in the revised title and with other titles of the Code. In subsection (e), the words “approval of” are omitted as surplus.

AMENDMENTS

§ 24310. Management accountability

(a) In General.—Within 3 years after the date of enactment of the Passenger Rail Investment and Improvement Act of 2008, and 2 years thereafter, the Inspector General of the Department of Transportation shall complete an overall assessment of the progress made by Amtrak management and the Department of Transportation in implementing the provisions of that Act.

(b) Assessment.—The management assessment undertaken by the Inspector General may include a review of—

(1) effectiveness in improving annual financial planning;
(2) effectiveness in implementing improved financial accounting;
(3) efforts to implement minimum train performance standards;
(4) progress maximizing revenues, minimizing Federal subsidies, and improving financial results; and
(5) any other aspect of Amtrak operations the Inspector General finds appropriate to review.

Amendment note set out under section 20101 of this title.

Prior Provisions

§ 24311. Acquiring interests in property by eminent domain

(a) General Authority.—(1) To the extent financial resources are available, Amtrak may acquire by eminent domain under subsection (b) of this section interests in property—

(A) necessary for intercity rail passenger transportation, except property of a rail carrier, a State, a political subdivision of a State, or a governmental authority; or

(B) requested by the Secretary of Transportation in carrying out the Secretary’s duty to design and build an intermodal transportation terminal at Union Station in the District of Columbia if the Secretary assures Amtrak that the Secretary will reimburse Amtrak.

(2) Amtrak may exercise the power of eminent domain only if it cannot—

(A) acquire the interest in the property by contract; or

(B) agree with the owner on the purchase price for the interest.

(b) Civil Actions.—(1) A civil action to acquire an interest in property by eminent domain under subsection (a) of this section must be brought in the district court of the United States for the judicial district in which the property is located or, if a single piece of property is located in more than one judicial district, in any judicial district in which any piece of the property is located. An interest is condemned and taken by Amtrak for its use when a declaration of taking is filed under this subsection and an amount of money estimated in the declaration to be just compensation for the interest is deposited in the court. The declaration may be filed with the complaint in the action or at any time before judgment. The declaration must contain or be accompanied by—

(A) a statement of the public use for which the interest is taken;

(B) a description of the property sufficient to identify it;

(C) a statement of the interest in the property taken;

(D) a plan showing the interest taken; and

(E) a statement of the amount of money Amtrak estimates is just compensation for the interest.

(2) When the declaration is filed and the deposit is made under paragraph (1) of this subsection, title to the property vests in Amtrak in fee simple absolute or in the lesser interest shown in the declaration, and the right to the money vests in the person entitled to the money. When the declaration is filed, the court may decide—

(A) the time by which, and the terms under which, possession of the property is given to Amtrak; and

(B) the disposition of outstanding charges related to the property.

(3) After a hearing, the court shall make a finding on the amount that is just compensation for the interest in the property and enter judgment awarding that amount and interest on it. The rate of interest is 6 percent a year and is computed on the amount of the award less the amount deposited in the court from the date of taking to the date of payment.

(4) On application of a party, the court may order immediate payment of any part of the amount deposited in the court for the compensation to be awarded. If the award is more than the amount received, the court shall enter judgment against Amtrak for the deficiency.

(C) Authority To Condemn Rail Carrier Property Interests.—(1) If Amtrak and a rail carrier cannot agree on a sale to Amtrak of an interest in property of a rail carrier necessary for intercity rail passenger transportation, Amtrak may apply to the Interstate Commerce Commission for an order establishing the need of Amtrak for the interest and requiring the carrier to convey the interest on reasonable terms, including just compensation. The need of Amtrak is deemed to be established, and the Commission, after holding an expedited proceeding and not later than 120 days after receiving the application, shall order the interest conveyed unless the Commission decides that—
(A) conveyance would impair significantly the ability of the carrier to carry out its obligations as a common carrier; and

(B) the obligations of Amtrak to provide modern, efficient, and economical rail passenger transportation can be met adequately by acquiring an interest in other property, either by sale or by exercising its right of eminent domain under subsection (a) of this section.

(2) If the amount of compensation is not determined by the date of the Commission’s order, the order shall require, as part of the compensation, interest at 6 percent a year from the date prescribed for the conveyance until the compensation is paid.

(3) Amtrak subsequently may reconvey to a third party an interest conveyed to Amtrak under this subsection or prior comparable provision of law if the Commission decides that the reconveyance will carry out the purposes of this part, regardless of when the proceeding was brought (including a proceeding pending before a United States court on November 28, 1990).

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a)(1), before clause (A), the words “the exercise of the right of” and “right-of-way, land, or other” are omitted as surplus.

In subsection (b)(1) and (2), the words “estate or” are omitted as surplus.

In subsection (b)(1), before clause (A), the words “A civil action to acquire an interest in property by eminent domain under subsection (a) of this section must be brought” are added, the words “any judicial district in which any piece of the property is located” are substituted for “any such court”, and the words “under this subsection” are added, for clarity.

In subsection (b)(2), before clause (A), the words “When the declaration is filed and the deposit is made under paragraph (1) of this subsection” are substituted for “shall thereupon” for clarity. The word “immediately” is omitted as surplus. In clause (A), the words “possession of the property is given to Amtrak” are substituted for “the parties in possession are required to surrender possession to the Corporation” to eliminate unnecessary words. Clause (B) is substituted for 45:545(d)(5) (last sentence) to eliminate unnecessary words.

In subsection (b)(3), the words “of money” are omitted as surplus. The words “awarding that amount and interest on it” are substituted for “make an award and... accordingly. Such judgment shall include, as part of the just compensation awarded, interest” to eliminate unnecessary words. The words “of interest” are added for clarity. The words “finally... as the value of the property on the date of taking” and “on such date” are omitted as surplus.

In subsection (b)(4), the word “award” is substituted for “compensation finally awarded” for consistency and to eliminate unnecessary words. The words “of the money... by any person entitled to compensation” and “amount of the” are omitted as surplus.

In subsection (c)(1), before clause (A), the words “terms for”, “at issue”, “to the Corporation”, “and conditions”, “for the property”, “in any event”, “‘from the Corporation’, and ‘to the Corporation on such reasonable terms to the Corporation, or available to the Corporation by the exercise of its authority under section 545(d) of this title’” for clarity and to eliminate unnecessary words.

In subsection (c)(2), the words “reconvey... as an interest conveyed to Amtrak under this subsection or prior comparable provision of law” are substituted for “convey title or other interest in such property” for consistency in the revised title and to eliminate unnecessary words. The words “regardless of when the proceeding was brought” are added (including a proceeding pending before a United States court on November 28, 1990).

In subsection (c)(3), the words “of money” are omitted as surplus. In clause (A), the words “of the property to the Corporation” are omitted as surplus. In clause (B), the words “other than by sale or by exercising its right of eminent domain under subsection (a) of this section” are substituted for “which is available for sale on reasonable terms to the Corporation, or available to the Corporation by the exercise of its authority under section 545(d) of this title” for clarity and to eliminate unnecessary words.

ABOLITION OF INTERSTATE COMMERCE COMMISSION AND TRANSFER OF FUNCTIONS

Interstate Commerce Commission abolished and functions of Commission transferred, except as otherwise provided in Pub. L. 104–88, to Surface Transportation Board effective Jan. 1, 1996, by section 702 of this title and section 101 of Pub. L. 104–88, set out as a note under section 701 of this title. References to Interstate Commerce Commission deemed to refer to Surface Transportation Board, a member or employee of the Board, or Secretary of Transportation, as appropriate, see section 205 of Pub. L. 104–88, set out as a note under section 701 of this title.

§ 24312. Labor standards

(a) PREVAILING WAGES AND HEALTH AND SAFETY STANDARDS.—Amtrak shall ensure that laborers and mechanics employed by contractors and subcontractors in construction work financed under an agreement made under section 24308(a) of this title will be paid wages not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor under sections 3141–3144, 3146, and 3147 of title 40. Amtrak may make such an agreement only after being assured that required labor standards will be maintained on the construction work. Health and safety standards prescribed by the Secretary under section 3704 of title 40 apply to all construction work performed under such an agreement, except for construction work performed by a rail carrier.
§ 24313 TITLe 49—TRANSPORTATION Page 498

(b) WAGE RATES.—Wage rates in a collective bargaining agreement negotiated under the Railway Labor Act (45 U.S.C. 151 et seq.) are deemed to comply with sections 3141–3144, 3146, and 3147 of title 49.

In subsection (a)(1), the words “take such action as may be necessary to”, “the performance of”, “with the assistance of”, “contract or”, “at rates”, and “adequate” are omitted as surplus. In subsection (a)(2), the words “provided for” and “and pursuant to” are omitted as surplus. In subsection (b)(1), the words “Except as provided in paragraph (2) of this subsection” are omitted as surplus.

REFERENCES IN TEXT

The Railway Labor Act, referred to in subsec. (b), is act May 20, 1926, ch. 347, 44 Stat. 577, as amended, which is classified principally to chapter 8 (§151 et seq.) of Title 45, Railroads. For complete classification of this Act to the Code, see section 151 of Title 45 and Tables.

AMENDMENTS

1994—Subsec. (a)(1). Pub. L. 103–272, §121(a)(2), redesignated par. (1) as subsec. (a). Pub. L. 105–134, §101(f), 105(c), struck out “, 24701(a), or 24704(b)(2)” after “24308(a)“. Subsec. (a)(2). Pub. L. 105–134, §121(a)(3), redesignated par. (2) as subsec. (b). Subsec. (b). Pub. L. 105–134, §121(a)(1), (3), redesignated subsec. (a)(2) as (b), inserted heading, and struck out former subsec. (b), which read as follows: “(b) CONTRACTING OUT.—(1) Amtrak may not contract out work normally performed by an employee in a bargaining unit covered by a contract between a labor organization and Amtrak or a rail carrier that provided intercity rail passenger transportation on October 30, 1970, if contracting out results in the layoff of an employee in the bargaining unit. “(2) This subsection does not apply to food and beverage services provided on trains of Amtrak.”

CONTRACTING OUT

“(b) AMENDMENT OF EXISTING COLLECTIVE BARGAINING AGREEMENT.—“(1) CONTRACTING OUT.—Any collective bargaining agreement entered into between Amtrak and an organization representing Amtrak employees before the date of enactment of this Act [Dec. 2, 1997] is deemed amended to include the language of section 24312(b) of title 49, United States Code, as that section existed on the day before the effective date [Dec. 2, 1997] of the amendments made by subsection (a) [amending this section].

“(2) ENFORCEABILITY OF AMENDMENT.—The amendment to any such collective bargaining agreement deemed to be made by paragraph (1) of this subsection is binding on all parties to the agreement and has the same effect as if arrived at by agreement of the parties under the Railway Labor Act [45 U.S.C. 151 et seq.].

“(c) CONTRACTING-OUT ISSUES TO BE INCLUDED IN NEGOTIATIONS.—Proposals on the subject matter of contracting out work, other than work related to food and beverage service, which results in the layoff of an Amtrak employee—“(1) shall be included in negotiations under section 6 of the Railway Labor Act (45 U.S.C. 156) between Amtrak and an organization representing Amtrak employees, which shall be commenced by— “(A) the date on which labor agreements under negotiation on the date of enactment of this Act [Dec. 2, 1997] may be re-opened; or “(B) November 1, 1999, whichever is earlier; “(2) may, at the mutual election of Amtrak and an organization representing Amtrak employees, be included in any negotiation in progress under section 6 of the Railway Labor Act (45 U.S.C. 156) on the date of enactment of this Act; and “(3) may not be included in any negotiation in progress under section 6 of the Railway Labor Act (45 U.S.C. 156) on the date of enactment of this Act, unless both Amtrak and the organization representing Amtrak employees agree to include it in the negotiation.

No contract between Amtrak and an organization representing Amtrak employees, that is under negotiation on the date of enactment of this Act, may contain a moratorium that extends more than 5 years from the date of expiration of the last moratorium.

“(d) NO INFRINGEMENT.—The amendment made by subsection (a)(1) [amending this section] is without prejudice to the power of Amtrak to contract out the provision of food and beverage services on board Amtrak trains or to contract out work not resulting in the layoff of Amtrak employees.”

§ 24313. Rail safety system program

In consultation with rail labor organizations, Amtrak shall maintain a rail safety system program; for employees working on property owned by Amtrak. The program shall be a model for other rail carriers to use in developing safety programs. The program shall include—

(1) periodic analyses of accident information, including primary and secondary causes;

(2) periodic evaluations of the activities of the program, particularly specific steps taken in response to an accident;

(3) periodic reports on amounts spent for occupational health and safety activities of the program;

(4) periodic reports on reduced costs and personal injuries because of accident prevention activities of the program;

(5) periodic reports on direct accident costs, including claims related to accidents; and

(6) reports and evaluations of other information Amtrak considers appropriate.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 917.)

HISTORICAL AND REVISION NOTES

In this section, before clause (1), the words “No later than January 1, 1979” are omitted as executed. The word “maintain” is substituted for “develop and implement” for clarity. The words “designed to serve as” and “required under this section” are omitted as surplus. In clause (1), the words “if known” are omitted as surplus. In clause (2), the words “undertaken” and “causes” are omitted as surplus. In clauses (3)–(6), the word “reports” is substituted for “identification” for clarity. In clause (5), the word “included” is omitted as surplus. In clause (6), the word “or data” and “necessary or” are omitted as surplus.

§24315. Reports and audits

(a) AMTRAK ANNUAL OPERATIONS REPORT.—Not later than February 15 of each year, Amtrak shall submit to Congress a report that—

(1) for each route on which Amtrak provided intercity rail passenger transportation during the prior fiscal year, includes information on—

(A) ridership;
(B) passenger-miles;
(C) the short-term avoidable profit or loss for each passenger-mile;
(D) the revenue-to-cost ratio;
(E) revenues;
(F) the United States Government subsidy;
(G) the subsidy not provided by the United States Government; and
(H) on-time performance;

(2) provides relevant information about a decision to pay an officer of Amtrak more than the rate for level I of the Executive Schedule under section 5312 of title 5; and

(3) specifies—

(A) significant operational problems Amtrak identifies; and
(B) proposals by Amtrak to solve those problems.

(b) AMTRAK GENERAL AND LEGISLATIVE ANNUAL REPORT.—(1) Not later than February 15 of each year, Amtrak shall submit to the President and Congress a complete report of its operations, activities, and accomplishments, including a statement of revenues and expenditures for the prior fiscal year. The report—

(A) shall include a discussion and accounting of Amtrak’s success in meeting the goal of section 24902(b)\(^1\) of this title; and

(B) may include recommendations for legislation, including the amount of financial assistance needed for operations and capital improvements, the method of computing the assistance, and the sources of the assistance.

(2) Amtrak may submit reports to the President and Congress at other times Amtrak considers desirable.

(c) SECRETARY’S REPORT ON EFFECTIVENESS OF THIS PART.—The Secretary of Transportation shall prepare a report on the effectiveness of this part in meeting the requirements for a balanced transportation system in the United States. The report may include recommendations for legislation. The Secretary shall include this report as part of the annual report the Secretary submits under section 308(a) of this title.

(d) INDEPENDENT AUDITS.—An independent certified public accountant shall audit the financial statements of Amtrak each year. The audit shall be carried out at the place at which the financial statements normally are kept and under generally accepted auditing standards. A report of the audit shall be included in the report required by subsection (a) of this section.

(e) COMPTROLLER GENERAL AUDITS.—The Comptroller General may conduct performance audits of the activities and transactions of Amtrak. Each audit shall be conducted at the place at which the Comptroller General decides and under generally accepted management principles. The Comptroller General may prescribe regulations governing the audit.

(f) AVAILABILITY OF RECORDS AND PROPERTY OF AMTRAK AND RAIL CARRIERS.—Amtrak and, if required by the Comptroller General, a rail carrier with which Amtrak has made a contract for intercity rail passenger transportation shall make available for an audit under subsection (d) or (e) of this section all records and property of, or used by, Amtrak or the carrier that are necessary for the audit. Amtrak and the carrier shall provide facilities for verifying transactions with the balances or securities held by depositories, fiscal agents, and custodians. Amtrak and the carrier may keep all reports and property.

(g) COMPTROLLER GENERAL’S REPORT TO CONGRESS.—The Comptroller General shall submit to Congress a report on each audit, giving comments and information necessary to inform Congress on the financial operations and condition of Amtrak and recommendations related to those operations and conditions. The report also shall specify any financial transaction or undertaking the Comptroller General considers is carried out without authority of law. When the Comptroller General submits a report to Congress, the Comptroller General shall submit a copy of it to the President, the Secretary, and Amtrak at the same time.

(h) ACCESS TO RECORDS AND ACCOUNTS.—A State shall have access to Amtrak’s records, accounts, and other necessary documents used to determine the amount of any payment to Amtrak required of the State.

\(^1\) See References in Text note below.

Only noncertified public accountants licensed before December 30, 1970, who were already conducting audits were allowed to continue. The words "or places" are omitted because of 1.1. The words "financial statements" are substituted for "accounts" because audits are performed on financial statements, not accounts. The words "independent" and "annual" are omitted as surplus. The text of 49:644(1)(b) is substituted as surplus because those requirements are included in "generally accepted auditing standards".

In subsection (e), the word "rules" is omitted as being synonymous with "regulations". The words "or places" are omitted because of 1.1. The word "appropriate" is omitted as surplus.

In subsection (f), the words "if required" are substituted for "To the extent . . . deems necessary" to eliminate unnecessary words. The words "the person conducting" "The representatives of the Comptroller General", "his representatives", "as he may make of the financial transactions of the Corporation", "things, or", "and full" are omitted as surplus. The words "may keep" are substituted for "shall remain in possession and custody of and shall remain in the possession and custody of" to eliminate unnecessary words.

In subsection (g), the word "giving" is substituted for "the report to the Congress shall contain such" to eliminate unnecessary words. The words "as the Comptroller General may deem necessary" are substituted for "may be advisable", "program, expenditure or other", "observed in the course of the audit", and "or made" are omitted as surplus.

Section 24902(b) of this title, referred to in subsec. (b)(1)(A), was redesignated section 24902(a) and section 24902(e) was redesignated section 24903(b) by Pub. L. 105–134, title IV, §405(b)(1)(A), Dec. 2, 1997, 111 Stat. 2586.

AMENDMENTS

TERMINATION OF REPORTING REQUIREMENTS
For termination, effective May 15, 2000, of provisions in subsecs. (a), (b)(1), (c), and (d) of this section relating to requirements to submit regular periodic reports to Congress, see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, the 3rd item on page 176 and the 6th and 7th items on page 204 of House Document No. 103–7.

FUNDING FOR VALUATION OF AMTRAK'S ASSETS
Pub. L. 108–447, div. H, title I, Dec. 8, 2004, 118 Stat. 3221, provided in part: "That the Secretary of Transportation is authorized to retain up to $1,000,000 of the funds provided to retain a consultant or consultants to assist the Secretary in preparing a comprehensive valuation of Amtrak's assets to be completed not later than September 30, 2005: Provided further, That these funds shall be available to the Secretary of Transportation until expended: Provided further, That this valuation shall be used to retain a consultant or consultants to develop to the Secretary's satisfaction a methodology for determining the avoidable and fully allocated costs of each Amtrak route: Provided further, That once the Secretary has approved the methodology in compiling an annual report to Congress on the avoidable and fully allocated costs of each of its routes, with the initial report for fiscal year 2005 to be submitted to the House and Senate Committees on Appropriations, the House Committee on Transportation and Infrastructure, and the Senate Committee on Commerce, Science, and Transportation before December 15, 2005, and each subsequent report to be submitted within 90 days after the end of the fiscal year to which the report pertains."
§ 24316. Plans to address needs of families of passengers involved in rail passenger accidents

(a) Submission of Plan.—Not later than 6 months after the date of the enactment of the Rail Safety Improvement Act of 2008, a rail passenger carrier shall submit to the Chairman of the National Transportation Safety Board, the Secretary of Transportation, and the Secretary of Homeland Security a plan for addressing the needs of the families of passengers involved in any rail passenger accident involving a rail passenger carrier intercity train and resulting in a major loss of life.

(b) Contents of Plans.—A plan to be submitted by a rail passenger carrier under subsection (a) shall include, at a minimum, the following:

(1) A process by which a rail passenger carrier will maintain and provide to the National Transportation Safety Board, the Secretary of Transportation, and the Secretary of Homeland Security immediately upon request, a list which is based on the best available information at the time of the request of the names of the passengers aboard the train (whether or not such names have been verified), and will periodically update the list. The plan shall include a procedure, with respect to unreserved trains and passengers not holding reservations on other trains, for the rail passenger carrier to use reasonable efforts to ascertain the names of passengers aboard a train involved in an accident.

(2) A process for notifying the families of the passengers, before providing any public notice of the names of the passengers, either by utilizing the services of the organization designated for the accident under section 1139(a)(2) of this title or the services of other suitably trained individuals.

(3) A plan for creating and publicizing a reliable, toll-free telephone number within 4 hours after such an accident occurs, and for providing staff, to handle calls from the families of the passengers.

(4) A process for providing the notice described in paragraph (2) to the family of a passenger as soon as the rail passenger carrier has verified that the passenger was aboard the train (whether or not the names of all of the passengers have been verified).

(5) An assurance that, upon request of the family of a passenger, the rail passenger carrier will inform the family of whether the passenger's name appeared on any preliminary passenger manifest for the train involved in the accident.

(6) A process by which the family of each passenger will be consulted about the disposition of all remains and personal effects of the passenger within the control of the rail passenger carrier and by which any possession of the passenger within the control of the rail passenger carrier (regardless of its condition)

(A) will be retained by the rail passenger carrier for at least 18 months; and

(B) will be returned to the family unless the possession is needed for the accident investigation or any criminal investigation.

(7) A process by which the treatment of the families of nonrevenue passengers will be the same as the treatment of the families of revenue passengers.

(8) An assurance that the rail passenger carrier will provide adequate training to the employees and agents of the carrier to meet the needs of survivors and family members following an accident.

(9) An assurance that the family of each passenger or other person killed in the accident will be consulted about construction by the rail passenger carrier of any monument to the passengers, including any inscription on the monument.

(10) An assurance that the rail passenger carrier will provide reasonable compensation to any organization designated under section 1139(a)(2) of this title on an ongoing basis to ensure that families of passengers receive an appropriate level of services and assistance following each accident.

(11) An assurance that the rail passenger carrier will provide reasonable compensation to any organization designated under section 1139(a)(2) of this title for services provided by the organization.

(c) Use of Information.—Neither the National Transportation Safety Board, the Secretary of Transportation, the Secretary of Homeland Security, nor a rail passenger carrier may release to the public any personal information on a list obtained under subsection (b)(1), but may provide information on the list about a passenger to the passenger's family members to the extent that the Board or a rail passenger carrier considers appropriate.

(d) Limitation on Statutory Construction.—Nothing in this section may be construed as limiting the actions that a rail passenger carrier may take, or the obligations that a rail passenger carrier
may have, in providing assistance to the families of passengers involved in a rail passenger accident.

(2) INVESTIGATIONAL AUTHORITY OF BOARD AND SECRETARY.—Nothing in this section shall be construed to abridge the authority of the Board or the Secretary of Transportation to investigate the causes or circumstances of any rail accident, including the development of information regarding the nature of injuries sustained and the manner in which they were sustained, for the purpose of determining compliance with existing laws and regulations or identifying means of preventing similar injuries in the future.

(e) LIMITATION ON LIABILITY.—A rail passenger carrier shall not be liable for damages in any action brought in a Federal or State court arising out of the performance of the rail passenger carrier in preparing or providing a passenger list, or in providing information concerning a train reservation, pursuant to a plan submitted by the rail passenger carrier under subsection (b), unless such liability was caused by conduct of the rail passenger carrier which was grossly negligent or which constituted intentional misconduct.

(f) DEFINITIONS.—In this section, the terms “passenger” and “rail passenger accident” have the meaning given those terms by section 1339 of this title.

(g) FUNDING.—Out of funds appropriated pursuant to section 21017(a)(1)(A), there shall be made available to the Secretary of Transportation $500,000 for fiscal year 2010 to carry out this section. Amounts made available pursuant to this subsection shall remain available until expended.

REFERENCES IN TEXT

The date of the enactment of the Rail Safety Improvement Act of 2008, referred to in subsec. (a), is the date of enactment of div. A of Pub. L. 110–432, which was approved Oct. 16, 2008.

CHAPTER 244—INTERCITY PASSENGER RAIL SERVICE CORRIDOR CAPITAL ASSISTANCE

Sec. 24401. Definitions.
24402. Capital investment grants to support intercity passenger rail service.
24403. Project management oversight.
24404. Use of capital grants to finance first-dollar liability of grant project.
24405. Grant conditions.
24406. Authorization of appropriations.

§ 24401. Definitions

In this chapter:

(1) APPLICANT.—The term “applicant” means a State (including the District of Columbia), a group of States, an Interstate Compact, or a public agency established by one or more States and having responsibility for providing intercity passenger rail service.

(2) CAPITAL PROJECT.—The term “capital project” means a project or program in a State rail plan developed under chapter 227 of this title for—

(A) acquiring, constructing, improving, or inspecting equipment, track and track structures, or a facility for use in or for the primary benefit of intercity passenger rail service, expenses incidental to the acquisition or construction (including designing, engineering, location surveying, mapping, environmental studies, and acquiring rights-of-way), payments for the capital portions of rail trackage rights agreements, highway-rail grade crossing improvements related to intercity passenger rail service, mitigating environmental impacts, communication and signalization improvements, relocation assistance, acquiring replacement housing sites, and acquiring, constructing, relocating, and rehabilitating replacement housing;

(B) rehabilitating, remanufacturing or overhauling rail rolling stock and facilities used primarily in intercity passenger rail service;

(C) costs associated with developing State rail plans; and

(D) the first-dollar liability costs for insurance related to the provision of intercity passenger rail service under section 24404.

(3) INTERCITY PASSENGER RAIL SERVICE.—The term “intercity passenger rail service” means intercity rail passenger transportation, as defined in section 24102 of this title.

§ 24402. Capital investment grants to support intercity passenger rail service

(a) GENERAL AUTHORITY.—

(1) The Secretary of Transportation may make grants under this section to an applicant to assist in financing the capital costs of facilities, infrastructure, and equipment necessary to provide or improve intercity passenger rail transportation.

(2) Consistent with the requirements of this chapter, the Secretary shall require that a grant under this section be subject to the terms, conditions, requirements, and provisions the Secretary decides are necessary or appropriate for the purposes of this section, including requirements for the disposition of net increases in value of real property resulting from the project assisted under this section and shall prescribe procedures and schedules for the awarding of grants under this title, including application and qualification procedures and a record of decision on applicant eligibility. The Secretary shall issue a final rule establishing such procedures not later than 2 years after the date of enactment of the Passenger Rail Investment and Improvement Act of 2008. For the period prior to the earlier of the issuance of such a rule or 2 years after the date of enactment of such Act, the Secretary shall issue interim guidance to applicants covering such procedures, and administer the grant program authorized under this section pursuant to such guidance.

(b) PROJECT AS PART OF STATE RAIL PLAN.—

(1) The Secretary may not approve a grant for a project under this section unless the Sec-
Secretary finds that the project is part of a State rail plan developed under chapter 227 of this title, or under the plan required by section 211 of the Passenger Rail Investment and Improvement Act of 2008, and that the applicant or recipient has or will have the legal, financial, and technical capacity to carry out the project, satisfactory continuing control over the use of the equipment or facilities, and the capability and willingness to maintain the equipment or facilities.

(2) An applicant shall provide sufficient information upon which the Secretary can make the findings required by this subsection.

(3) If an applicant has not selected the proposed operator of its service competitively, the applicant shall provide written justification to the Secretary showing why the proposed operator is the best, taking into account price and other factors, and that use of the proposed operator will not unnecessarily increase the cost of the project.

(c) Project selection criteria.—The Secretary, in selecting the recipients of financial assistance to be provided under subsection (a), shall—

(1) require—

(A) that the project be part of a State rail plan developed under chapter 227 of this title, or under the plan required by section 211 of the Passenger Rail Investment and Improvement Act of 2008;

(B) that the applicant or recipient has or will have the legal, financial, and technical capacity to carry out the project, satisfactory continuing control over the use of the equipment or facilities, and the capability and willingness to maintain the equipment or facilities;

(C) that the applicant provides sufficient information upon which the Secretary can make the findings required by this subsection;

(D) that if an applicant has selected the proposed operator of its service competitively, that the applicant provide written justification to the Secretary showing why the proposed operator is the best, taking into account costs and other factors;

(E) that each proposed project meet all safety and security requirements that are applicable to the project under law; and

(F) that each project be compatible with, and operated in conformance with—

(i) plans developed pursuant to the requirements of section 135 of title 23, United States Code; and

(ii) the national rail plan (if it is available);

(2) select projects—

(A) that are anticipated to result in significant improvements to intercity rail passenger service, including, but not limited to, consideration of—

(i) the project’s levels of estimated ridership, increased on-time performance, reduced trip time, additional service frequency to meet anticipated or existing demand, or other significant service enhancements as measured against minimum standards developed under section 207 of the Passenger Rail Investment and Improvement Act of 2008;

(ii) the project’s anticipated favorable impact on air or highway traffic congestion, capacity, or safety; and

(iii) identification of the project by the Surface Transportation Board as necessary to improve the on-time performance and reliability of intercity passenger rail under section 24308(f);

(B) for which there is a high degree of confidence that the proposed project is feasible and will result in the anticipated benefits, as indicated by—

(i) the project’s precommencement compliance with environmental protection requirements;

(ii) the readiness of the project to be commenced;

(iii) the timing and amount of the project’s future noncommitted investments;

(iv) the commitment of any affected host rail carrier to ensure the realization of the anticipated benefits; and

(v) other relevant factors as determined by the Secretary; and

(C) for which the level of the anticipated benefits compares favorably to the amount of Federal funding requested under this chapter;

(3) give greater consideration to projects—

(A) that are anticipated to result in benefits to other modes of transportation and to the public at large, including, but not limited to, consideration of the project’s—

(i) encouragement of intermodal connectivity through provision of direct connections between train stations, airports, bus terminals, subway stations, ferry ports, and other modes of transportation;

(ii) anticipated improvement of freight or commuter rail operations;

(iii) encouragement of the use of positive train control technologies;

(iv) environmental benefits, including projects that involve the purchase of environmentally sensitive, fuel-efficient, and cost-effective passenger rail equipment;

(v) anticipated positive economic and employment impacts;

(vi) encouragement of State and private contributions toward station development, energy and environmentally efficient, and economic benefits; and

(vii) falling under the description in section 5302(a)(1)(G) of this title as defined to support intercity passenger rail service; and

(B) that incorporate equitable financial participation in the project’s financing, including, but not limited to, consideration of—

(i) donated property interests or services;

1 So in original. Probably should be followed by ‘of’.

2 So in original.
(ii) financial contributions by freight and commuter rail carriers commensurate with the benefit expected to their operations; and

(iii) financial commitments from host railroads, non-Federal governmental entities, nongovernmental entities, and others.

(d) STATE RAIL PLANS.—State rail plans completed before the date of enactment of the Passenger Rail Investment and Improvement Act of 2008 that substantially meet the requirements of chapter 227 of this title, as determined by the Secretary pursuant to section 22506 of this title, shall be deemed by the Secretary to have met the requirements of subsection (c)(1)(A) of this section.

(e) AMTRAK ELIGIBILITY.—To receive a grant under this section, Amtrak may enter into a cooperative agreement with 1 or more States to carry out 1 or more projects on a State rail plan's ranked list of rail capital projects developed under section 22504(a)(5) of this title. For such a grant, Amtrak may not use Federal funds authorized under section 101(a) or (c) of the Passenger Rail Investment and Improvement Act of 2008 to fulfill the non-Federal share requirements under subsection (g) of this section.

(f) LETTERS OF INTENT AND EARLY SYSTEMS WORK AGREEMENTS.—

(1) The Secretary may issue a letter of intent to an applicant announcing an intention to obligate, for a major capital project under this section, an amount from future available budget authority specified in law that is not more than the amount stipulated as the financial participation of the Secretary in the project.

(2) At least 30 days before issuing a letter under paragraph (1) of this subsection, the Secretary shall notify in writing the Committee on Commerce, Science, and Transportation of the Senate, and the House and Senate Committees on Appropriations of the proposed letter or agreement. The Secretary shall include with the notification a copy of the proposed letter or agreement, the criteria used in subsection (c) for selecting the project for a grant award, and a description of how the project meets such criteria.

(3) An obligation or administrative commitment may be made only when amounts are appropriated. The letter of intent shall state that the contingent commitment is not an obligation of the Federal Government, and is subject to the availability of appropriations under Federal law and to Federal laws in force or enacted after the date of the contingent commitment.

(g) FEDERAL SHARE OF NET PROJECT COST.—

(1)(A) Based on engineering studies, studies of economic feasibility, and information on the expected use of equipment or facilities, the Secretary shall estimate the net project cost.

(B) A grant for the project shall not exceed 80 percent of the project net capital cost.

(C) The Secretary shall give priority in allocating future obligations and contingent commitments to incur obligations to grant requests seeking a lower Federal share of the project net capital cost.

(2) Up to an additional 20 percent of the required non-Federal funds may be funded from amounts appropriated to or made available to a department or agency of the Federal Government that are eligible to be expended for transportation.

(3) The following amounts, not to exceed $15,000,000 per fiscal year, shall be available to each applicant as a credit toward an applicant’s matching requirement for a grant awarded under this section—

(A) in each of fiscal years 2009, 2010, and 2011—

(i) 50 percent of the average of amounts expended in fiscal years 2002 through 2008 by an applicant for capital projects related to intercity passenger rail service; and

(ii) 50 percent of the average of amounts expended in fiscal years 2002 through 2008 by an applicant for operating costs of such service; and

(B) in each of fiscal years 2010, 2011 and 2012, 50 percent of the amount by which the amounts expended for capital projects and operating costs related to intercity passenger rail service by an applicant in the prior fiscal year exceed the average capital and operating expenditures made for such service in fiscal years 2006, 2007, and 2008.

The Secretary may require such information as necessary to verify such expenditures. Credits made available to an applicant in a fiscal year under this paragraph may only be applied towards grants awarded in that fiscal year.

(4) The Federal share of expenditures for capital improvements under this chapter may not exceed 100 percent.

(h) 2-YEAR AVAILABILITY.—Funds appropriated under this section shall remain available until expended. If any amount provided as a grant under this section is not obligated or expended for the purposes described in subsection (a) within 2 years after the date on which the State received the grant, such sums shall be returned to the Secretary for other intercity passenger rail development projects under this section at the discretion of the Secretary.

(i) COOPERATIVE AGREEMENTS.—

(1) IN GENERAL.—A metropolitan planning organization, State transportation department, or other project sponsor may enter into an agreement with any public, private, or non-profit entity to cooperatively implement any project funded with a grant under this chapter.

(2) FORMS OF PARTICIPATION.—Participation by an entity under paragraph (1) may consist of—

(A) ownership or operation of any land, facility, locomotive, rail car, vehicle, or other physical asset associated with the project;

(B) cost-sharing of any project expense;

(C) carrying out administration, construction management, project management, project operation, or any other management or operational duty associated with the project; and

See References in Text note below.
(D) any other form of participation approved by the Secretary.

(3) SUBALLOCATION.—A State may allocate funds under this section to any entity described in paragraph (1).

(j) SPECIAL TRANSPORTATION CIRCUMSTANCES.—In carrying out this section, the Secretary shall allocate an appropriate portion of the amounts available under this section to provide grants to States—

(1) in which there is no intercity passenger rail service for the purpose of funding freight rail capital projects that are on a State rail plan developed under chapter 227 of this title that provide public benefits (as defined in chapter 227) as determined by the Secretary; or

(2) in which the rail transportation system is not physically connected to rail systems in the continental United States or may not otherwise qualify for a grant under this section due to the unique characteristics of the geography of that State or other relevant considerations, for the purpose of funding transportation-related capital projects.

(k) SMALL CAPITAL PROJECTS.—The Secretary shall make not less than 5 percent annually available from the amounts authorized under section 101(c) of the Passenger Rail Investment and Improvement Act of 2008 beginning in fiscal year 2009 for grants for capital projects eligible under this section not exceeding $2,000,000, including costs eligible under section 209(d) of that Act. For grants awarded under this subsection, the Secretary may waive requirements of this section, including state rail plan requirements, as appropriate.

(l) NONMOTORIZED TRANSPORTATION ACCESS AND STORAGE.—Grants under this chapter may be used to provide access to rolling stock for nonmotorized transportation, including bicycles, and recreational equipment, and to provide storage capacity in trains for such transportation, equipment, and other luggage, to ensure passenger safety.

REFERENCES IN TEXT

The date of enactment of the Passenger Rail Investment and Improvement Act of 2008, referred to in subsecs. (a)(2) and (d), is the date of enactment of div. B of Pub. L. 110–432, which was approved Oct. 16, 2008.

§ 24403. Project management oversight

(a) PROJECT MANAGEMENT PLAN REQUIREMENTS.—To receive Federal financial assistance for a major capital project under this chapter, an applicant must prepare and carry out a project management plan approved by the Secretary of Transportation. The plan shall provide for—

(1) adequate recipient staff organization with well-defined reporting relationships, statements of functional responsibilities, job descriptions, and job qualifications;

(2) a budget covering the project management organization, appropriate consultants, property acquisition, utility relocation, systems demonstration staff, audits, and miscellaneous payments the recipient may be prepared to justify;

(3) a construction schedule for the project;

(4) a document control procedure and record-keeping system;

(5) a change order procedure that includes a documented, systematic approach to handling the construction change orders;

(6) organizational structures, management skills, and staffing levels required throughout the construction phase;

(7) quality control and quality assurance functions, procedures, and responsibilities for construction, system installation, and integration of system components;

(8) material testing policies and procedures;

(9) internal plan implementation and reporting requirements;

(10) criteria and procedures to be used for testing the operational system or its major components;

(11) periodic updates of the plan, especially related to project budget and project schedule, financing, and ridership estimates; and

(12) the recipient's commitment to submit periodically a project budget and project schedule to the Secretary.

(b) SECRETARIAL OVERSIGHT.—

(1) The Secretary may use no more than 1 percent of amounts made available in a fiscal year for capital projects under this chapter to enter into contracts to oversee the construction of such projects.

(2) The Secretary may use amounts available under paragraph (1) of this subsection to make contracts for safety, procurement, man-
agreement, and financial compliance reviews and audits of a recipient of amounts under paragraph (1).

(3) The Federal Government shall pay the entire cost of carrying out a contract under this subsection.

(c) ACCESS TO SITES AND RECORDS.—Each recipient of assistance under this chapter shall provide the Secretary and a contractor the Secretary chooses under subsection (b) of this section with access to the construction sites and records of the recipient when reasonably necessary.

§ 24404. Use of capital grants to finance first-dollar liability of grant project

Notwithstanding the requirements of section 24402 of this chapter, the Secretary of Transportation may approve the use of a capital assistance grant under this chapter to fund self-insured retention of risk for the first tier of liability insurance coverage for rail passenger service associated with the grant, but the coverage may not exceed $20,000,000 per occurrence or $20,000,000 in aggregate per year.

§ 24405. Grant conditions

(a) BUY AMERICA.—(1) The Secretary of Transportation may obligate an amount that may be appropriated to carry out this chapter for a project only if the steel, iron, and manufactured goods used in the project are produced in the United States.

(2) The Secretary of Transportation may waive paragraph (1) of this subsection if the Secretary finds that—

A. applying paragraph (1) would be inconsistent with the public interest;

B. the steel, iron, and goods produced in the United States are not produced in a sufficient and reasonably available amount or are not of a satisfactory quality;

C. rolling stock or power train equipment cannot be bought and delivered in the United States within a reasonable time; or

D. including domestic material will increase the cost of the overall project by more than 25 percent.

(3) For purposes of this subsection, in calculating the components’ costs, labor costs involved in final assembly shall not be included in the calculation.

(4) If the Secretary determines that it is necessary to waive the application of paragraph (1) based on a finding under paragraph (2), the Secretary shall, before the date on which such finding takes effect—

A. publish in the Federal Register a detailed written justification as to why the waiver is needed; and

B. provide notice of such finding and an opportunity for public comment on such finding for a reasonable period of time not to exceed 15 days.

(5) Not later than December 31, 2012, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on any waivers granted under paragraph (2).

(6) The Secretary of Transportation may not make a waiver under paragraph (2) of this subsection for goods produced in a foreign country if the Secretary, in consultation with the United States Trade Representative, decides that the government of that foreign country—

A. has an agreement with the United States Government under which the Secretary has waived the requirement of this subsection; and

B. has violated the agreement by discriminating against goods to which this subsection applies that are produced in the United States and to which the agreement applies.

(7) A person is ineligible to receive a contract or subcontract made with amounts authorized under this chapter if a court or department, agency, or instrumentality of the Government decides the person intentionally—

A. affixed a “Made in America” label, or a label with an inscription having the same meaning, to goods sold in or shipped to the United States that are used in a project to which this subsection applies but not produced in the United States; or

B. represented that goods described in subparagraph (A) of this paragraph were produced in the United States.

(8) The Secretary may not impose any limitation on assistance provided under this chapter that restricts a State from imposing more stringent requirements than this subsection on the use of articles, materials, and supplies mined, produced, or manufactured in foreign countries in projects carried out with that assistance or restricts a recipient of that assistance from complying with those State-imposed requirements.

(9) The Secretary may allow a manufacturer or supplier of steel, iron, or manufactured goods to correct after bid opening any certification of noncompliance or failure to properly complete the certification (but not including failure to sign the certification) under this subsection if such manufacturer or supplier attests under penalty of perjury that such manufacturer or supplier submitted an incorrect certification as a result of an inadvertent or clerical error. The burden of establishing inadvertent or clerical error is on the manufacturer or supplier.

(10) A party adversely affected by an agency action under this subsection shall have the right to seek review under section 702 of title 5.

(11) The requirements of this subsection shall only apply to projects for which the costs exceed $100,000.

(b) OPERATORS DEEMED RAIL CARRIERS AND EMPLOYERS FOR CERTAIN PURPOSES.—A person that conducts rail operations over rail infrastructure constructed or improved with funding provided in whole or in part in a grant made under this chapter shall be considered a rail carrier as defined in section 10102(5) of this title for purposes of this title and any other statute that adopts that definition or in which that definition applies, including—
(1) the Railroad Retirement Act of 1974 (45 U.S.C. 231 et seq.);
(2) the Railway Labor Act (43 U.S.C. 151 et seq.); and
(3) the Railroad Unemployment Insurance Act (45 U.S.C. 351 et seq.).

(c) GRANT CONDITIONS.—The Secretary shall require as a condition of making any grant under this chapter for a project that uses rights-of-way owned by a railroad that—

(1) a written agreement exist between the applicant and the railroad regarding such use and ownership, including—

(A) any compensation for such use;

(B) assurances regarding the adequacy of infrastructure capacity to accommodate both existing and future freight and passenger operations;

(C) an assurance by the railroad that collective bargaining agreements with the railroad’s employees (including terms regulating the contracting of work) will remain in full force and effect according to their terms for work performed by the railroad on the railroad transportation corridor; and

(D) an assurance that an applicant complies with liability requirements consistent with section 28103 of this title; and

(2) the applicant agrees to comply with—

(A) the standards of section 24312 of this title, as such section was in effect on September 1, 2003, with respect to the project in the same manner that Amtrak is required to comply with those standards for construction work financed under an agreement made under section 24308 of this title; and

(B) the protective arrangements established under section 504 of the Railroad Revitalization and Regulatory Reform Act of 1976 (45 U.S.C. 836) with respect to employees affected by actions taken in connection with the project to be financed in whole or in part by grants under this chapter.

(d) REPLACEMENT OF EXISTING INTERCITY PASSENGER RAIL SERVICE.—

(1) COLLECTIVE BARGAINING AGREEMENT FOR INTERCITY PASSENGER RAIL PROJECTS.—Any entity providing intercity passenger railroad transportation that begins operations after the date of enactment of this Act ¹ on a project funded in whole or in part by grants made under this chapter and replaces intercity rail passenger service that was provided by Amtrak, unless such service was provided solely by Amtrak to another entity, as of such date shall enter into an agreement with the authorized bargaining agent or agents for adversely affected employees of the predecessor provider that—

(A) gives each such qualified employee of the predecessor provider priority in hiring according to the employee’s seniority on the predecessor provider for each position with the replacing entity that is in the employee’s craft or class and is available within 3 years after the termination of the service being replaced;

(B) establishes a procedure for notifying such an employee of such positions;

(C) establishes a procedure for such an employee to apply for such positions; and

(D) establishes rates of pay, rules, and working conditions.

(2) IMMEDIATE REPLACEMENT SERVICE.—

(A) NEGOTIATIONS.—If the replacement of preexisting intercity rail passenger service occurs concurrent with or within a reasonable time before the commencement of the replacing entity’s rail passenger service, the replacing entity shall give written notice of its plan to replace existing rail passenger service to the authorized collective bargaining agent or agents for the potentially adversely affected employees of the predecessor provider at least 30 days before the date on which it plans to commence service. Within 5 days after the date of receipt of such written notice, negotiations between the replacing entity and the collective bargaining agent or agents for the employees of the predecessor provider shall commence for the purpose of reaching agreement with respect to all matters set forth in subparagraphs (A) through (D) of paragraph (1). The negotiations shall continue for 30 days or until an agreement is reached, whichever is sooner. If at the end of 30 days the parties have not entered into an agreement with respect to all such matters, the unresolved issues shall be submitted for arbitration in accordance with the procedure set forth in subparagraph (B).

(B) ARBITRATION.—If an agreement has not been entered into with respect to all matters set forth in subparagraphs (A) through (D) of paragraph (1) as described in subparagraph (A) of this paragraph, the parties shall select an arbitrator. If the parties are unable to agree upon the selection of such arbitrator within 5 days, either or both parties shall notify the National Mediation Board, which shall provide a list of seven arbitrators with experience in arbitrating rail labor protection disputes. Within 5 days after such notification, the parties shall alternately strike names from the list until only 1 name remains, and that person shall serve as the neutral arbitrator. Within 45 days after selection of the arbitrator, the arbitrator shall conduct a hearing on the dispute and shall render a decision with respect to the unresolved issues among the matters set forth in subparagraphs (A) through (D) of paragraph (1). The arbitrator shall be guided by prevailing national standard rates of pay, benefits, and working conditions for comparable work. This decision shall be final, binding, and conclusive upon the parties. The salary and expenses of the arbitrator shall be borne equally by the parties; all other expenses shall be paid by the party incurring them.

(3) SERVICE COMMENCEMENT.—A replacing entity under this subsection shall commence service only after an agreement is entered into with respect to the matters set forth in subparagraphs (A) through (D) of paragraph (1) or the decision of the arbitrator has been rendered.

¹ See in original. Probably should be “(45).”
² See References in Text note below.
(4) Subsequent replacement of service.—If the replacement of existing rail passenger service takes place within 3 years after the replacing entity commences intercity passenger rail service, the replacing entity and the collective bargaining agent or agents for the adversely affected employees of the predecessor provider shall enter into an agreement with respect to the matters set forth in subparagraphs (A) through (D) of paragraph (1). If the parties have not entered into an agreement with respect to all such matters within 60 days after the date on which the replacing entity replaces the predecessor provider, the parties shall select an arbitrator using the procedures set forth in paragraph (2)(B), who shall, within 20 days after the commencement of the arbitration, conduct a hearing and decide all unresolved issues. This decision shall be final, binding, and conclusive upon the parties.

(e) Inapplicability to certain rail operations.—Nothing in this section applies to—

(1) commuter rail passenger transportation (as defined in section 24102(4) of this title) operations of a State or local government; authority (as those terms are defined in section 5302(11) and (6) respectively, of this title) eligible to receive financial assistance under section 5307 of this title, or to its contractor performing services in connection with commuter rail passenger operations (as so defined);

(2) the Alaska Railroad or its contractors; or

(3) Amtrak’s access rights to railroad rights of way and facilities under current law.

(f) Limitation.—No grants shall be provided under this chapter for commuter rail passenger transportation, as defined in section 24102(4) of this title.

REFERENCES IN TEXT

The Railroad Retirement Act of 1974, referred to in subsec. (b)(1), is act May 20, 1974, ch. 445, 88 Stat. 577, which is classified generally to chapter IV (§ 231 et seq.) of title 45, Railroads. For further details and complete classification of this Act to the Code, see Codification note set out preceding section 231 of Title 45, section 231t of Title 45, and Tables.

The Railway Labor Act, referred to in subsec. (b)(2), is act May 20, 1926, ch. 437, 44 Stat. 577, which is classified principally to chapter 8 (§ 151 et seq.) of Title 45, Railroads. For complete classification of this Act to the Code, see section 151 of Title 45 and Tables.

The Railroad Unemployment Insurance Act, referred to in subsec. (b)(3), is act June 25, 1938, ch. 680, 52 Stat. 1094, which is classified principally to chapter 11 (§ 151 et seq.) of Title 45, Railroads. For complete classification of this Act to the Code, see section 367 of Title 45 and Tables.

The date of enactment of this Act, referred to in subsec. (c)(1), probably means the date of enactment of Pub. L. 110–432, which enacted this section and was approved Oct. 16, 2008.

§ 24703. Discontinuance.

(a) Contracts for Transportation.—Amtrak may enter into a contract with a State, a regional or local authority, or another person for Amtrak to operate an intercity rail service or route not included in the national rail passenger transportation system upon such terms as the parties thereto may agree.

(b) Discontinuance.—Upon termination of a contract entered into under this section, or the cessation of financial support under such a contract by either party, Amtrak may discontinue such service or route, notwithstanding any other provision of law.

§ 24704. Transportation requested by States, authorities, and other persons

(a) Amtrak shall provide intercity rail passenger transportation under a contract under section 401(a) of the Act only with the consent of Amtrak.

(b) Discontinuance.—Upon termination of a contract entered into under this section, or the cessation of financial support under such a contract by either party, Amtrak may discontinue such service or route, notwithstanding any other provision of law.

§ 24705. Alternate passenger rail service pilot program

Amtrak shall provide intercity rail passenger transportation under a contract under section 401(a) of the Act only with the consent of Amtrak.

MENDMENTS

8So in original. Does not conform to section catchline.
§ 24706. Discontinuance

(a) NOTICE OF DISCONTINUANCE.—(1) Except as provided in subsection (b) of this section, at least 180 days before a discontinuance under section 24704 or or2 discontinuing service over a route, Amtrak shall give notice of the discontinuance in the way Amtrak decides will give a State, a regional or local authority, or another person the opportunity to agree to share or assume the cost of any part of the train, route, or service to be discontinued.

(2) Notice of the discontinuance under section 24704 or paragraph (1) shall be posted in all stations served by the train to be discontinued at least 14 days before the discontinuance.

(b) DISCONTINUANCE FOR LACK OF APPROPRIATIONS.—(1) Amtrak may discontinue service under section 24704 or subsection (a)(1) during

(A) the first month of a fiscal year if the authorization of appropriations and the appropriations for Amtrak are not enacted at least 90 days before the beginning of the fiscal year; and

(B) the 30 days following enactment of an appropriation for Amtrak or a rescission of an appropriation.

(2) Amtrak shall notify each affected State or regional or local transportation authority of a discontinuance under this subsection as soon as possible after Amtrak decides to discontinue the service.

(c) APPLICABILITY.—This section applies to all service over routes provided by Amtrak, notwithstanding any provision of section 24701 of this title or any other provision of this title except section 24702(b).

In subsection (a)(1), the words “Except as provided in subsection (b) of this section” are added for clarity. The word “authority” is substituted for “agency” for consistency in the revised title and with other titles of the United States Code.

In subsection (b)(1), before clause (A), the words “Notwithstanding the provisions of clause (ii)” are omitted as surplus. In clauses (A) and (B), the words “the benefit of” are omitted as surplus. In clause (A), the words “for such fiscal year” are omitted as surplus.

In subsection (c)(1), before clause (A), the words “Amtrak or” are substituted for 45:565(c)(1st sentence words before 2d comma) to eliminate unnecessary words because operations in the basic system have begun. The words “whether occurring before, on, or after January 1, 1975” and “without being limited to, such provisions as may be necessary for” are omitted as surplus. In clause (A), the words “to such employees” are omitted as surplus.

In subsection (c)(3), the words “Amtrak or” are substituted for 45:565(c) (1st sentence words after 2d comma) to eliminate unnecessary words because operations in the basic system have begun. The words “whether occurring before, on, or after January 1, 1975” and “without being limited to, such provisions as may be necessary for” are omitted as surplus. In clause (A), the words “to such employees” are omitted as surplus.

In subsection (c)(5), the words “be construed” are omitted as surplus. The text of 45:565(c) (last sentence) is omitted as executed.

### References in Text

### Amendments

1997—Subsec. (a)(1). Pub. L. 105–134, §101(c)(1)–(3), substituted “180 days” for “90 days” and “or discontinuing service over a route,” for “24707(a) or (b) of this title,” and inserted “or assume” after “agree to share”.

Subsec. (a)(2). Pub. L. 105–134, §101(c)(4), which directed substitution of “paragraph (1)” for “section 24707(a) or (b) of this title”, was executed by making the substitution for “24707(a) or (b) of this title” to reflect the probable intent of Congress.

Subsec. (b)(1). Pub. L. 105–134, §101(c)(5), which directed substitution of “subsection (a)(1)” for “section 24707(a) or (b) of this title”, was executed by making the substitution for “24707(a) or (b) of this title” to reflect the probable intent of Congress.

Subsec. (c). Pub. L. 105–134, §142(a), struck out subsec. (c) which related to employee protective arrangements.

### Effective Date of 1997 Amendment

Amendment by section 142(a) of Pub. L. 105–134 effective 180 days after Dec. 2, 1997, see section 142(c) of Pub. L. 105–134, set out in an Employee Protection Reforms note below.

### Deemed References to Chapters 509 and 511 of Title 51

General references to “this title” deemed to refer also to chapters 509 and 511 of Title 51, National and Commercial Space Programs, see section 44(d)(8) of Pub. L. 111–314, set out as a note under section 101 of this title.
provided to freight railroad employees and mass transportation employees as it existed on the day before the date of enactment of this Act [Dec. 2, 1997].

“SEC. 142. SERVICE DISCONTINUANCE.

“(a) REPEAL.—Section 24706(c) is repealed.

“(b) EXISTING CONTRACTS.—Any provision of a contract entered into before the date of the enactment of this Act [Dec. 2, 1997] between Amtrak and a labor organization representing Amtrak employees relating to employee protective arrangements and severance benefits applicable to employees of Amtrak is extinguished, including all provisions of Appendix C-2 to the National Railroad Passenger Corporation Agreement, signed July 5, 1973, shall be deemed served and effective on the date which is 120 days after the date of the enactment of this Act. Amtrak, and each affected labor organization representing Amtrak employees, shall promptly supply specific information and proposals with respect to each such notice.

“(b) NATIONAL MEDIATION BOARD EFFORTS.—Except as provided in subsection (c), the National Mediation Board shall complete all efforts, with respect to the dispute described in subsection (a), under section 5 of the Railroad Labor Act (45 U.S.C. 155) not later than 120 days after the date of the enactment of this Act [Dec. 2, 1997].

“(c) RAILWAY LABOR ACT ARBITRATION.—The parties to the dispute described in subsection (a) may agree to submit the dispute to arbitration under section 7 of the Railway Labor Act (45 U.S.C. 157), and any award resulting therefrom shall be retroactive to the date which is 120 days after the date of the enactment of this Act [Dec. 2, 1997].

“(d) DISPUTE RESOLUTION.—(1) With respect to the dispute described in subsection (a) which—

“(A) is unresolved as of the date which is 120 days after the date of the enactment of this Act [Dec. 2, 1997]; and

“(B) is not submitted to arbitration as described in subsection (c), Amtrak shall, and the labor organization parties to such dispute shall, within 120 days after the date of the enactment of this Act, each select an individual from the entire roster of arbitrators maintained by the National Mediation Board. Within 134 days after the date of the enactment of this Act, the individuals selected under the preceding sentence shall jointly select an individual from such roster to make recommendations with respect to such dispute under this subsection. If the National Mediation Board is not informed of the selection under the preceding sentence 134 days after the date of enactment of this Act, the Board shall immediately select such individual.

“(2) No individual shall be selected under paragraph (1) who is pecuniarily or otherwise interested in any organization of employees or any railroad.

“(3) The compensation of individuals selected under paragraph (1) shall be fixed by the National Mediation Board. The second paragraph of section 10 of the Railway Labor Act (45 U.S.C. 160) shall apply to the expenses of such individuals as if such individuals were members of a board created under section 10.

“(4) If the parties to a dispute described in subsection (a) fail to reach agreement within 150 days after the date of the enactment of this Act, the individual selected under paragraph (1) with respect to such dispute shall make recommendations to the parties proposing contract terms to resolve the dispute.

“(5) If the parties to a dispute described in subsection (a) fail to reach agreement, no change shall be made by either of the parties in the conditions out of which the dispute arose for 30 days after recommendations are made under paragraph (4).

“(6) Section 10 of the Railway Labor Act (45 U.S.C. 160) shall not apply to a dispute described in subsection (a).

“(d) NONAPPLICATION OF BANKRUPTCY LAW PROVISION.—Section 1172(c) of title 11, United States Code, shall not apply to Amtrak and its employees.”

§ 24709. International transportation

Amtrak may develop and operate international intercity rail passenger transportation between the United States and Canada and between the United States and Mexico. The Secretary of the Treasury and the Attorney General, in cooperation with Amtrak, shall maintain, consistent with the effective enforcement of the immigration and customs laws, an route customs inspection and immigration procedures for international intercity rail passenger transportation that will—

(1) be convenient for passengers; and

(2) result in the quickest possible international intercity rail passenger transportation.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

In this section, before clause (1), the words “points within”, “points in”, and “including Montreal, Canada; Vancouver, Canada; and Nuevo Laredo, Mexico” in 45:545(e)(7) are omitted as surplus. The words “establish” and “in 45:545(i) (1st sentence) are omitted as executed. The words “trains operated in” are omitted as surplus.
§ 24710. Long-distance routes

(a) ANNUAL EVALUATION.—Using the financial and performance metrics developed under section 207 of the Passenger Rail Investment and Improvement Act of 2008, Amtrak shall—

(1) evaluate annually the financial and operating performance of each long-distance passenger rail route operated by Amtrak; and

(2) rank the overall performance of such routes for 2008 and identify each long-distance passenger rail route operated by Amtrak in 2008 according to its overall performance as belonging to the best performing third of such routes, the second best performing third of such routes, or the worst performing third of such routes.

(b) PERFORMANCE IMPROVEMENT PLAN.—Amtrak shall develop and post on its website a performance improvement plan for its long-distance passenger rail routes to achieve financial and operating improvements based on the data collected through the application of the financial and performance metrics developed under section 207 of that Act. The plan shall address—

(1) on-time performance;

(2) scheduling, frequency, routes, and stops;

(3) the feasibility of restructuring service into connected corridor service;

(4) performance-related equipment changes and capital improvements;

(5) on-board amenities and service, including food, first class, and sleeping car service;

(6) State or other non-Federal financial contributions;

(7) improving financial performance;

(8) anticipated Federal funding of operating and capital costs; and

(9) other aspects of Amtrak’s long-distance passenger rail routes that affect the financial, competitive, and functional performance of service on Amtrak’s long-distance passenger rail routes.

(c) IMPLEMENTATION.—Amtrak shall implement the performance improvement plan developed under subsection (b) beginning in fiscal year 2010 for those routes identified as being in the worst performing third under subsection (a)(2); beginning in fiscal year 2011 for those routes identified as being in the second best performing third under subsection (a)(2); and beginning in fiscal year 2012 for those routes identified as being in the best performing third under subsection (a)(2).

(d) ENFORCEMENT.—The Federal Railroad Administration shall monitor the development, implementation, and outcome of improvement plans under this section. If the Federal Railroad Administration determines that Amtrak is not making reasonable progress in implementing its performance improvement plan or, after the performance improvement plan is implemented under subsection (c)(1) in accordance with the terms of that plan, Amtrak has not achieved the outcomes it has established for such routes, under the plan for any calendar year, the Federal Railroad Administration—

(1) shall notify Amtrak, the Inspector General of the Department of Transportation, the Committee on Commerce, Science, and Transportation of the Senate of its determination under this subsection;

(2) shall provide Amtrak with an opportunity for a hearing with respect to that determination; and

(3) may withhold appropriated funds otherwise available to Amtrak for the operation of a route or routes from among the worst performing third of routes currently served by Amtrak on which Amtrak is not making reasonable progress, other than funds made available for passenger safety or security measures.

REFERENCES IN TEXT

Section 207 of the Passenger Rail Investment and Improvement Act of 2008, referred to in subsecs. (a) and (b), is section 207 of Pub. L. 110–432, which is set out in a note under section 24101 of this title.

§ 24711. Alternate passenger rail service pilot program

(a) IN GENERAL.—Within 1 year after the date of enactment of the Passenger Rail Investment and Improvement Act of 2008, the Federal Railroad Administration shall complete a rule-making proceeding to develop a pilot program that—

(1) permits a rail carrier or rail carriers that own infrastructure over which Amtrak operates a passenger rail service route described in subparagraph (B), (C), or (D) of section 24102(5) or in section 24702 to petition the Administration to be considered as a passenger rail serv-
ice provider over that route in lieu of Amtrak for a period not to exceed 5 years after the date of enactment of the Passenger Rail Investment and Improvement Act of 2008; 

(2) requires the Administration to notify Amtrak within 30 days after receiving a petition under paragraph (1) and establish a deadline by which both the petitioner and Amtrak would be required to submit a bid to provide passenger rail service over the route to which the petition relates;

(3) requires that each bid describe how the bidder would operate the route, what Amtrak passenger equipment would be needed, if any, what sources of non-Federal funding the bidder would use, including any State subsidy, among other things;

(4) requires the Administration to select winning bidders by evaluating the bids against the financial and performance metrics developed under section 207 of the Passenger Rail Investment and Improvement Act of 2008 and to give preference in awarding contracts to bidders seeking to operate routes that have been identified as one of the five worst performing Amtrak routes under section 24710;

(5) requires the Administration to execute a contract within a specified, limited time after the deadline established under paragraph (2) and award to the winning bidder—

(A) the right and obligation to provide passenger rail service over that route subject to such performance standards as the Administration may require, consistent with the standards developed under section 207 of the Passenger Rail Investment and Improvement Act of 2008; and

(B) an operating subsidy—

(i) for the first year at a level not in excess of the level in effect during the fiscal year preceding the fiscal year in which the petition was received, adjusted for inflation;

(ii) for any subsequent years at such level, adjusted for inflation; and

(6) requires that each bid contain a staffing plan describing the number of employees needed to operate the service, the job assignments and requirements, and the terms of work for prospective and current employees of the bidder for the service outlined in the bid, and such staffing plan be made available by the winning bidder to the public after the bid award.

(b) ROUTE LIMITATIONS.—The Administration may not make the program available with respect to more than 2 Amtrak intercity passenger rail routes.

(c) PERFORMANCE STANDARDS; ACCESS TO FACILITIES; EMPLOYEES.—If the Administration awards the right and obligation to provide passenger rail service over a route under the program to a rail carrier or rail carriers—

(1) it shall execute a contract with the rail carrier or rail carriers for rail passenger operations on that route that conditions the operating and subsidy rights upon—

(A) the service provider continuing to provide passenger rail service on the route that is no less frequent, nor over a shorter distance, than Amtrak provided on that route before the award; and

(B) the service provider’s compliance with the minimum standards established under section 207 of the Passenger Rail Investment and Improvement Act of 2008 and such additional performance standards as the Administration may establish;

(2) it shall, if the award is made to a rail carrier other than Amtrak, require Amtrak to provide access to its reservation system, stations, and facilities directly related to operations to any rail carrier or rail carriers awarded a contract under this section, in accordance with section 217 of that Act, necessary to carry out the purposes of this section;

(3) the employees of any person used by a rail carrier or rail carriers (as defined in section 10102(5) of this title) in the operation of a route under this section shall be considered an employee of that carrier or carriers and subject to the applicable Federal laws and regulations governing similar crafts or classes of employees of Amtrak, including provisions under section 121 of the Amtrak Reform and Accountability Act of 1997 relating to employees that provide food and beverage service; and

(4) the winning bidder shall provide hiring preference to qualified Amtrak employees displaced by the award of the bid, consistent with the staffing plan submitted by the bidder and shall be subject to the grant conditions under section 24405 of this title.

(d) CESSION OF SERVICE.—If a rail carrier or rail carriers awarded a route under this section cease to operate the service or fail to fulfill their obligations under the contract required under subsection (c), the Administrator, in collaboration with the Surface Transportation Board, shall take any necessary action consistent with this title to enforce the contract and ensure the continued provision of service, including the installment of an interim service provider and re-bidding the contract to operate the service. The entity providing service shall either be Amtrak or a rail carrier defined in subsection (a)(1).

(e) ADEQUATE RESOURCES.—Before taking any action allowed under this section, the Secretary shall certify that the Administrator has sufficient resources that are adequate to undertake the program established under this section.

TITLE 49—TRANSPORTATION

Page 514

DEEMED REFERENCES TO CHAPTERS 509 AND 511 OF TITLE 51

General references to “this title” deemed to refer also to chapters 509 and 511 of Title 51, National and Commercial Space Programs, see section 4(d)(8) of Pub. L. 111–314, set out as a note under section 101 of this title.

EMPLOYEE TRANSITION ASSISTANCE

“(a) PROVISION OF FINANCIAL INCENTIVES.—For Amtrak employees who are adversely affected by the cessation of the operation of a long-distance route or any other route under section 24711 of title 49, United States Code, previously operated by Amtrak, the Secretary of Transportation shall develop a program under which the Secretary may, at the Secretary’s discretion, provide grants for financial incentives to be provided to Amtrak employees who voluntarily terminate their employment with Amtrak and relinquish any legal rights to receive termination-related payments under any contractual agreement with Amtrak.

“(b) CONDITIONS FOR FINANCIAL INCENTIVES.—As a condition for receiving financial assistance grants under this section, Amtrak must certify that—

“(1) a reasonable attempt was made to reassign an employee adversely affected under section 24711 of title 49, United States Code, or by the elimination of any route, to other positions within Amtrak in accordance with any contractual agreements;

“(2) the financial assistance results in a net reduction in the total number of employees equal to the number receiving financial incentives;

“(3) the financial assistance results in a net reduction in total employment expense equivalent to the total employment expenses associated with the employees receiving financial incentives; and

“(4) the total number of employees eligible for termination-related payments will not be increased without the express written consent of the Secretary.

“(c) AMOUNT OF FINANCIAL INCENTIVES.—The financial incentives authorized under this section may be no greater than $100,000 per employee.

“(d) AUTHORIZATION OF APPROPRIATIONS.—There are hereby authorized to be appropriated to the Secretary such sums as may be necessary to make grants to Amtrak to provide financial incentives under subsection (a).

“(e) TERMINATION-RELATED PAYMENTS.—If Amtrak employees adversely affected by the cessation of Amtrak service resulting from the awarding of a grant to an operator other than Amtrak for the operation of a route under section 24711 of title 49, United States Code, or any other route, previously operated by Amtrak do not receive financial incentives under subsection (a), then the Secretary shall make grants to Amtrak from funds authorized by section 101 of this division [122 Stat. 4908] for termination-related payments to employees under existing contractual agreements.”

CHAPTER 249—NORTHEAST CORRIDOR IMPROVEMENT PROGRAM

Sec. 24901. Definitions.

24902. Goals and requirements.

[24903. Repealed.]

24904. General authority.

24905. Northeast Corridor Infrastructure and Operations Advisory Commission; Safety Committee.

24906. Eliminating highway at-grade crossings.

24907. Note and mortgage.

24908. Transfer taxes and levies and recording charges.
(3) Reliability of intercity rail passenger transportation must be emphasized.
(4) Trip-time requirements of this section must be achieved to the extent compatible with the priorities referred to in paragraphs (1)–(3) of this subsection.
(5) Improvements that will pay for the investment by achieving lower operating or maintenance costs should be carried out before other improvements.
(6) Construction operations should be scheduled so that the fewest possible passengers are inconvenienced, transportation is maintained, and the on-time performance of Northeast Corridor commuter rail passenger and rail freight transportation is optimized.
(7) Planning should focus on completing activities that will provide immediate benefits to users of the Northeast Corridor.

(c) COMPATIBILITY WITH FUTURE IMPROVEMENTS AND PRODUCTION OF MAXIMUM LABOR BENEFITS.—Improvements under this section shall be compatible with future improvements in transportation and shall produce the maximum labor benefit from hiring individuals presently unemployed.

(d) AUTOMATIC TRAIN CONTROL SYSTEMS.—A train operating on the Northeast Corridor main line or between the main line and Atlantic City shall be equipped with an automatic train control system designed to slow or stop the train in response to an external signal.

(e) HIGH-SPEED TRANSPORTATION.—If practicable, Amtrak shall establish intercity rail passenger transportation in the Northeast Corridor that carries out section 703(1)(E) of the Railroad Revitalization and Regulatory Reform Act of 1976 (Public Law 94–210, 90 Stat. 121).

(f) EQUIPMENT DEVELOPMENT.—Amtrak shall develop economical and reliable equipment compatible with track, operating, and marketing characteristics of the Northeast Corridor, including the capability to meet reliable trip times under section 703(1)(E) of the Railroad Revitalization and Regulatory Reform Act of 1976 (Public Law 94–210, 90 Stat. 121) in regularly scheduled revenue transportation in the Corridor, when the Northeast Corridor improvement program is completed, Amtrak must decide that equipment complies with this subsection before buying equipment with financial assistance of the Government. Amtrak shall submit a request for an authorization of appropriations for production of the equipment.

(g) AGREEMENTS FOR OFF-CORRIDOR ROUTING OF RAIL FREIGHT TRANSPORTATION.—(1) Amtrak may make an agreement with a rail freight carrier or a regional transportation authority under which the carrier will carry out an alternate off-corridor routing of rail freight transportation over rail lines in the Northeast Corridor between the District of Columbia and New York metropolitan areas, including intermediate points. The agreement shall be for at least 5 years.
(2) Amtrak shall apply to the Interstate Commerce Commission for approval of the agreement and all related agreements accompanying the application as soon as the agreement is made. If the Commission finds that approval is necessary to carry out this chapter, the Commission shall approve the application and related agreements not later than 90 days after receiving the application.
(3) If an agreement is not made under paragraph (1) of this subsection, Amtrak, with the consent of the other parties, may apply to the Interstate Commerce Commission. Not later than 90 days after the application, the Commission shall decide on the terms of an agreement if it decides that doing so is necessary to carry out this chapter. The decision of the Commission is binding on the other parties.

(h) COORDINATION.—(1) The Secretary of Transportation shall coordinate—
(A) transportation programs related to the Northeast Corridor to ensure that the programs are integrated and consistent with the Northeast Corridor improvement program; and
(B) amounts from departments, agencies, and instrumentalities of the Government to achieve urban redevelopment and revitalization in the vicinity of urban rail stations in the Northeast Corridor served by intercity and commuter rail passenger transportation.
(2) If the Secretary finds significant noncompliance with this section, the Secretary may deny financing to a noncomplying program until the noncompliance is corrected.

(i) COMPLETION.—Amtrak shall give the highest priority to completing the program.

(j) APPLICABLE PROCEDURES.—No State or local building, zoning, subdivision, or similar laws, or any other State or local law from which a project would be exempt if undertaken by the Federal Government or an agency thereof within a Federal enclave wherein Federal jurisdiction is exclusive, including without limitation with respect to all such laws referenced herein above requirements for permits, actions, approvals or filings, shall apply in connection with the construction, ownership, use, operation, financing, leasing, conveying, mortgaging or enforcing a mortgage of (i) any improvement undertaken by or for the benefit of Amtrak as part of, or in furtherance of, the Northeast Corridor Improvement Project (including without limitation maintenance, service, inspection or similar facilities acquired, constructed or used for high speed trainsets) or chapter 241, 243, or 247 of this title or (ii) any land (and right, title or interest created with respect thereto) on which such improvement is located and adjoining, surrounding or any related land. These exemptions shall remain in effect and be applicable with respect to such land and improvements for the benefit of any mortgagee before, upon and after coming into possession of such improvements or land, any third party purchasers thereof in foreclosure (or through a deed in lieu of foreclosure), and their respective successors and assigns, in each case to the extent the land or improvements are used, or held for use, for railroad purposes or purposes accessory thereto. This subsection shall not apply to any improvement or related land unless Amtrak receives a Federal operating subsidy in the fiscal year in which Amtrak commits to or initiates such improvement.

In this section, the word “program” is substituted for “project” for consistency in this chapter.

In subsection (a)(1)(A) and (B), the words “schedule” and “appropriate” are omitted as surplus.

In subsection (a)(2), the words “in order” and “rail” are omitted as surplus.

In subsection (a)(4)–(6), the words “the goals contained in” are omitted as surplus.

In subsection (a)(4), the text of 45:853(2)(B) is omitted as executed.

In subsection (a)(5), the word “mobile” is added for consistency in this chapter. The word “on” is substituted for “about trains operated in” to eliminate unnecessary words.

The word “passenger” after “rail” is added for consistency in this chapter.

The text of 45:853(1)(A) and (B) is omitted as obsolete.

In subsection (c)(1), the words “in his sole discretion” are omitted as surplus.

In subsection (c)(2), the words “and in the amounts” are omitted as surplus.

In subsection (d), the words “department, agencies, and instrumentalities of the United States Government” are substituted for “relevant Federal agencies, including the Federal Communications Commission” for consistency in the revised title and with other titles of the United States Code.

In subsection (e), before clause (1), the words “of priority” are added for clarity. In clause (2), the words “Potential ridership should be considered” are added as surplus. In clause (5), the words “Reducing maintenance cost levels is desirable” are omitted as executed.

The words “before other improvements” are added for clarity. The words “other” after “improvements” are added as surplus.

In subsection (f), the words “accomplished in a manner which is”, “the accomplishment in the . . . of additional”, and “levels” are omitted as surplus.

In subsection (g), the words “after April 1, 1990” are omitted as executed. The words “between [sic] Washington, D.C., and Boston, Massachusetts” are added as surplus.

The words “or between the main line and Atlantic City” are substituted for “on the feeder line referred to in section 854(a)(1) of this title” for clarity.

In subsection (h), the text of 45:853(1)(E) (1st–4th sentences) and the word “Thereafter” are omitted as executed. The words “carried out” are substituted for “achieves the service goals specified in” for consistency in this section.

In subsection (i), the words “rolling stock and related” are added for clarity. The word “and” is added as surplus. The word “of” after “permitted” is added as surplus.

In subsection (j), the words “Within 6 months after May 30, 1980, the Secretary shall develop plans” are substituted for “achieves the service goals specified in” for consistency in this chapter.

In subsection (j)(1), the words “Within 6 months after May 30, 1980, the Secretary shall develop plans” and the text of 45:853(1)(E) are omitted as executed. The words “rail lines” are substituted for “lines” for clarity and consistency in this chapter.

The words “Washington” and “on such terms and conditions as the parties may agree” are omitted as surplus.

In subsection (j)(2), the words “including the provision of service use of tracks and facilities as provided in such application” are omitted as surplus.

In subsection (j)(3), the words “other parties” are substituted for “involved rail freight carriers” to eliminate unnecessary words.

The words “conditions” and “are” are omitted as surplus.

In subsection (k)(1), before clause (A), the words “take all steps necessary to” are omitted as surplus.

In subsection (k)(2), the words “accorded to (B)” are added for consistency in this chapter.
clause (A), the words “all”, “implementation of”, and “under this subchapter” are omitted as surplus. Clause (B) is substituted for 45:854(c)(2) to eliminate surplus and obsolete words.

Section 703(1)(E) of the Railroad Revitalization and Regulatory Reform Act of 1976, referred to in subsecs. (e) and (f), in section 703(1)(E) of Pub. L. 94–210, which was classified to section 8331(1)(E) of Title 45, Railroads, and was repealed and reenacted as subsec. (h) of this section by Pub. L. 103–272, §§1(e), 7(b), July 5, 1994, 108 Stat. 822, 1379.

AMENDMENTS
1997—Pub. L. 105–134 redesignated subsec. (b) as (a) and subsecs. (e) to (m) as (b) to (j), respectively, in subsec. (j) struck out “(m)” after “This subsection”, and struck out former subsecs. (a), (c), and (d) which related to Northeast Corridor improvement plan, cost sharing for nonoperational facilities, and passenger radio mobile telephone service, respectively.

ABOLITION OF INTERSTATE COMMERCE COMMISSION AND TRANSFER OF FUNCTIONS
Interstate Commerce Commission abolished and functions of Commission transferred, except as otherwise provided in Pub. L. 104–88, to Surface Transportation Board effective Jan. 1, 1996, by section 702 of this title, and section 101 of Pub. L. 104–88, set out as a note under section 701 of this title. References to Interstate Commerce Commission deemed to refer to Surface Transportation Board, a member or employee of the Board, or Secretary of Transportation, as appropriate, see section 205 of Pub. L. 104–88, set out as a note under section 701 of this title.

NORTHEAST CORRIDOR STATE-OF-GOOD-REPAIR PLAN
“(a) IN GENERAL.—Within 6 months after the date of enactment of this Act (Oct. 16, 2008), Amtrak, in consultation with the Secretary of Transportation and the States (including the District of Columbia) that contain the Northeast Corridor (as defined in section 24903 of this title), shall prepare a capital spending plan for capital projects required to make up the Northeast Corridor (as defined in section 24905 of this title) nut to state-of-good-repair by the end of fiscal year 2018, controls.
“(b) APPROVAL BY THE SECRETARY.—Within 15 days after receiving notification from the Secretary under paragraph (1), Amtrak shall submit a modified plan to the Secretary. If the Secretary disapproves the plan or determines that the plan is incomplete or deficient, the Secretary shall include the reason for disapproval or the incomplete items or deficiencies in a notice to Amtrak.
“(c) PLAN UPDATE.—The plan shall be updated at least annually and the Secretary shall review and approve such updates in accordance with the procedures described in subsection (b).
“(d) GRANTS.—The Secretary shall make grants to Amtrak with funds authorized by section 101(c) (122 Stat. 4908) for Northeast Corridor capital investments contained within the capital spending plan prepared by Amtrak and approved by the Secretary.
“(e) OVERSIGHT.—Using the funds authorized by section 101(d) (122 Stat. 4908), the Secretary shall review Amtrak’s capital expenditures funded by this section to ensure that such expenditures are consistent with the capital spending plan and that Amtrak is providing adequate project management oversight and fiscal controls.
“(f) ELIGIBILITY OF EXPENDITURES.—The Federal share of expenditures for capital improvements under this section may not exceed 100 percent.

§ 24904. General authority
(a) GENERAL.—To carry out this chapter and the Regional Rail Reorganization Act of 1973 (45 U.S.C. 701 et seq.), Amtrak may—
(1) acquire, maintain, and dispose of any interest in property used to provide improved high-speed rail transportation under section 24902 of this title;
(2) acquire, by condemnation or otherwise, any interest in real property that Amtrak considers necessary to carry out the goals of section 24902;
(3) provide for rail freight, intercity rail passenger, and commuter rail passenger transportation over property acquired under this section;
(4) improve rail rights of way between Boston, Massachusetts, and the District of Columbia (including the route through Springfield, Massachusetts, and routes to Harrisburg, Pennsylvania, and Albany, New York, from the Northeast Corridor main line) to achieve the goals of section 24902 of providing improved high-speed rail passenger transportation between Boston, Massachusetts, and the District of Columbia, and intermediate intercity markets;
(5) acquire, build, improve, and install passenger stations, communications and electric power facilities and equipment, public and private highway and pedestrian crossings, and other facilities and equipment necessary to provide improved high-speed rail passenger transportation over rights of way improved under clause (4) of this subsection;
(6) make agreements with other carriers and commuter authorities regarding the construction, development, and operation of improved facilities and services necessary to provide improved rail passenger transportation over rights of way and facilities acquired under the Regional Rail Reorganization Act of 1973 (45
In subsection (a), before clause (1), the words “the purposes of” are omitted as surplus. The words “this part” are substituted for “this subchapter, the Rail Passenger Service Act” for clarity because subchapter III of chapter 17 of title 45, United States Code, and the Rail Passenger Service Act make up part C of subtitle V of the revised title. In clause (1), the words “by purchase, lease, exchange, gift, or otherwise” are substituted for “to be on such terms and conditions as are necessary to” to eliminate unnecessary words. The word “reasonable” is substituted for “on an equitable and fair basis” for consistency in the revised title. In clause (2), the words “Market, personal, political, social, administrative, and fiscal” are omitted as surplus. The words “the continuous operation and maintenance of” are substituted for “as surplus. In clause (3), the words “which is necessary or” are omitted as surplus. In clause (4), the words “Washington and ‘‘other railroads’’ and ‘‘trackage rights, other’’, and ‘‘by the Corporation’” are omitted as surplus. In subsection (a)(2), the words “for the United States, by purchase, lease, condemnation, or otherwise” and “‘real or personal’” are omitted as surplus. In subsection (c)(1), the words “shall provide for” are substituted for “to be provided”, “consistent with equitable and fair compensation principles”, “proper amount of”, “the provision of", and “the date of” are omitted as surplus. In subsection (c)(2), the words “If the parties do not” are substituted for “In the event of a failure to" for clarity. The words “to be provided”, “consistent with equitable and fair compensation principles”, “proper amount of”, “the provision of", and “the date of” are omitted as surplus. In subsection (c)(3), the words “either before or” are omitted as surplus because the National Railroad Passenger Corporation may make agreements on arrangements for rail freight or commuter rail transportation under subsection (a)(6) of this section and this subsection applies only when there is no agreement.
AMENDMENTS

1997—Subsec. (a)(6) to (8). Pub. L. 105–134 inserted “and” at end of par. (6), substituted a period for “and” at end of par. (7), and struck out par. (8) which read as follows: “make agreements with telecommunications common carriers, subject to the Communications Act of 1934 (47 U.S.C. 151 et seq.), to continue existing, and establish new and improved, passenger radio mobile telephone service in the high-speed rail passenger transportation area specified in section 24902(a)(1) and (2).”

1994—Subsec. (a)(2). Pub. L. 103–429 inserted “, by condemnation or otherwise,” after “acquire”.

Effective Date of 1994 Amendment

Abolition of Interstate Commerce Commission and Transfer of Functions

Interstate Commerce Commission abolished and functions of Commission transferred, except as otherwise provided in Pub. L. 104–88, to Surface Transportation Board effective Jan. 1, 1996, by section 702 of this title, and section 101 of Pub. L. 104–88, set out as a note under section 701 of this title. References to Interstate Commerce Commission deemed to refer to Surface Transportation Board, a member or employee of the Board, or Secretary of Transportation, as appropriate, see section 205 of Pub. L. 104–88, set out as a note under section 701 of this title.

§ 24905. Northeast Corridor Infrastructure and Operations Advisory Commission; Safety Committee

(a) Northeast Corridor Infrastructure and Operations Advisory Commission; Safety Committee

(1) Within 180 days after the date of enactment of the Passenger Rail Investment and Improvement Act of 2008, the Secretary of Transportation shall establish a Northeast Corridor Infrastructure and Operations Advisory Commission (referred to in this section as the “Commission”) to promote mutual cooperation and planning pertaining to the rail operations and related activities of the Northeast Corridor. The Commission shall be made up of—

(A) members representing Amtrak;

(B) members representing the Department of Transportation, including the Federal Railroad Administration;

(C) 1 member from each of the States (including the District of Columbia) that constitute the Northeast Corridor as defined in section 24102, designated by, and serving at the pleasure of, the chief executive officer thereof; and

(D) non-voting representatives of freight railroad carriers using the Northeast Corridor selected by the Secretary.

(2) The Secretary shall ensure that the membership belonging to any of the groups enumerated under paragraph (1) shall not constitute a majority of the Commission’s memberships.

(3) The Commission shall establish a schedule and location for convening meetings, but shall meet no less than four times per fiscal year, and the Commission shall develop rules and procedures to govern the Commission’s proceedings.

(4) A vacancy in the Commission shall be filled in the manner in which the original appointment was made.

(5) Members shall serve without pay but shall receive travel expenses, including per diem in lieu of subsistence, in accordance with sections 5702 and 5703 of title 5.

(6) The Chairman of the Commission shall be elected by the members.

(7) The Commission may appoint and fix the pay of such personnel as it considers appropriate.

(8) Upon request of the Commission, the head of any department or agency of the United States may detail, on a reimbursable basis, any of the personnel of that department or agency to the Commission to assist it in carrying out its duties under this section.

(9) Upon the request of the Commission, the Administrator of General Services shall provide to the Commission, on a reimbursable basis, the administrative support services necessary for the Commission to carry out its responsibilities under this section.

(10) The Commission shall consult with other entities as appropriate.

(b) Statement of Goals and Recommendations.

(1) Statement of Goals.—The Commission shall develop a statement of goals concerning the future of Northeast Corridor rail infrastructure and operations based on achieving expanded and improved intercity, commuter, and freight rail services operating with greater safety and reliability, reduced travel times, increased frequencies and enhanced intermodal connections designed to address airport and highway congestion, reduce transportation energy consumption, improve air quality, and increase economic development of the Northeast Corridor region.

(2) Recommendations.—The Commission shall develop recommendations based on the statement developed under this section addressing, as appropriate—

(A) short-term and long-term capital investment needs beyond those specified in the state-of-good-repair plan under section 211 of the Passenger Rail Investment and Improvement Act of 2008;

(B) future funding requirements for capital improvements and maintenance;

(C) operational improvements of intercity passenger rail, commuter rail, and freight rail services;

(D) opportunities for additional non-rail uses of the Northeast Corridor;
implement new agreements for usage of facilities or services to Amtrak that benefit Amtrak facilities or services or that provide such facilities or services to Amtrak that ensures that—
(i) there is no cross-subsidization of commuter rail passenger, intercity rail passenger, or freight rail transportation;
(ii) each service is assigned the costs incurred only for the benefit of that service, and a proportionate share, based upon factors that reasonably reflect relative use, of costs incurred for the common benefit of more than 1 service; and
(iii) all financial contributions made by an operator of a service that benefit an infrastructure owner other than the operator are considered, including but not limited to, any capital infrastructure investments and in-kind services;
(B) develop a proposed timetable for implementing the formula before the end of the 6th year following the date of enactment of that Act;
(C) transmit the proposed timetable to the Surface Transportation Board; and
(D) at the request of a Commission member, petition the Surface Transportation Board to appoint a mediator to assist the Commission members through non-binding mediation to reach an agreement under this section.
(2) IMPLEMENTATION.—Amtrak and public authorities providing commuter rail passenger transportation on the Northeast Corridor shall implement new agreements for usage of facilities or services based on the formula proposed in paragraph (1) in accordance with the timetable established therein. If the entities fail to implement such new agreements in accordance with the timetable, the Commission shall petition the Surface Transportation Board to determine the appropriate compensation amounts for such services in accordance with section 24904(c) of this title. The Surface Transportation Board shall enforce its determination on the party or parties involved.
(3) REVISIONS.—The Commission may make necessary revisions to the formula developed under paragraph (1), including revisions based on Amtrak’s financial accounting system developed pursuant to section 203 of the Passenger Rail Investment and Improvement Act of 2008.
(d) TRANSMISSION OF STATEMENT OF GOALS AND RECOMMENDATIONS.—The Commission shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives—
(1) the statement of goals developed under subsection (b) within 1 year after the date of enactment of the Passenger Rail Investment and Improvement Act of 2008; and
(2) the recommendations developed under subsection (b) and the formula and timetable developed under subsection (c)(1) annually.
(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Commission such sums as may be necessary for the period encompassing fiscal years 2009 through 2013 to carry out this section.
(f) NORTHEAST CORRIDOR SAFETY COMMITTEE.—
(1) IN GENERAL.—The Secretary shall establish a Northeast Corridor Safety Committee composed of members appointed by the Secretary. The members shall be representatives of—
(A) the Department of Transportation, including the Federal Railroad Administration;
(B) Amtrak;
(C) freight carriers operating more than 150,000 train miles a year on the main line of the Northeast Corridor;
(D) commuter rail agencies;
(E) rail passengers;
(F) rail labor; and
(G) other individuals and organizations the Secretary decides have a significant interest in rail safety or security.
(2) FUNCTION; MEETINGS.—The Secretary shall consult with the Committee about safety and security improvements on the Northeast Corridor main line. The Committee shall meet at least two times per year to consider safety and security matters on the main line.
(3) REPORT.—At the beginning of the first session of each Congress, the Secretary shall submit a report to the Commission and to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the status of efforts to improve safety and security on the Northeast Corridor main line. The report shall include the safety and security recommendations of the Committee and the comments of the Secretary on those recommendations.
In subsection (a)(2), before clause (A), the words “develop and” are omitted as surplus. In clause (B)(v), the words “of opinions” and “among or between the Corporation, Amtrak Computer, other railroads, commuter authorities, and other State, local, and regional agencies responsible for the provision of commuter rail, rapid rail, or rail freight service, with respect to all matters” are omitted as surplus. The words “for facilities and transportation matters under” are substituted for “those conferred on the Commission in” for clarity.

In subsection (b)(1), the words “Within 30 days after the date of enactment of this Act . . . shall establish” are omitted as executed.

In subsection (b)(3), the words “each Congress” are substituted for “the 103rd Congress, and biennially thereafter” to eliminate unnecessary words. The words “pursuant to the provisions of this section” are omitted as unnecessary.

REFERENCES IN TEXT

The date of enactment of the Passenger Rail Investment and Improvement Act of 2008, referred to in subsecs. (a)(1), (c)(1), and (d)(1), is the date of enactment of div. B of Pub. L. 110–432, which was approved Oct. 16, 2008.

Sections 203 and 211 of the Passenger Rail Investment and Improvement Act of 2008, referred to in subsecs. (b)(2)(A) and (c)(3), are set out as notes under sections and Improvement Act of 2008, referred to in subsecs. and div. B of Pub. L. 110–432, which was approved Oct. 16, 2008.

AMENDMENTS

§ 24906. Eliminating highway at-grade crossings

(a) PLAN.—In consultation with the States on the main line of the Northeast Corridor, the Secretary of Transportation shall develop a plan not later than September 30, 1993, to eliminate all highway at-grade crossings of the main line by not later than December 31, 1997. The plan may provide that eliminating a crossing is not required if—

(1) impracticable or unnecessary; and

(2) using the crossing is consistent with conditions the Secretary considers appropriate to ensure safety.

(b) AMTRAK’S SHARE OF COSTS.—Amtrak shall pay 20 percent of the cost of eliminating each highway at-grade crossing under the plan.

In subsection (b), the words “obtained by the Secretary” and “‘the provisions of subtitle IV of title 49, the Securities Act of 1933 (15 U.S.C. 77a et seq.), and” are omitted as surplus. The words “has the same” are substituted for “shall enjoy all of the” for clarity. The words “conveyance or” are omitted, and the word “transfer” is substituted for “conveyances”, for consistency in this subtitle. The words “(including section 303(e) thereof (45 U.S.C. 743(e)))” are omitted as surplus. The words “section 303(b)” are substituted for “section 303(b)” to correct a mistake in section 217(c) of the Rail Transportation Improvement Act (Public Law 94-555, 90 Stat. 2620).

In subsection (c), the words “to any party for any damages, or in any other matter” are omitted as surplus. The word “because” is substituted for “by reason of the fact that” to eliminate unnecessary words. The words “related to the note or agreement” are substituted for “in connection with” for clarity. The words “all” and “(including fees of accountants, experts, and attorneys)” are omitted as surplus. The words “a civil action” are substituted for “any litigation” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “(including Hi line)” are substituted for “now or hereafter”, “to comply with rule 2 of the Federal Rules of Civil Procedure” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “legal” and “given, issued, or entered into” are omitted as surplus.

Abolition of Special Court, Regional Rail Reorganization Act of 1973, and Transfer of Functions
Special court abolished and all jurisdiction and functions transferred to United States District Court for District of Columbia, see section 719(b)(2) of Title 45, Railroads.

§ 24908. Transfer taxes and levies and recording charges
A transfer of an interest in rail property under this chapter is exempt from a tax or levy related to the transfer that is imposed by the United States Government, a State, or a political subdivision of a State. On payment of the appropriate charge for the conveyance or the designations of the fact that to eliminate unnecessary words. The words “related to the note or agreement” are substituted for “in connection with” for clarity. The words “(including fees of accountants, experts, and attorneys)” are omitted as surplus. The words “a civil action” are substituted for “any litigation” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “(including Hi line)” are substituted for “now or hereafter”, “to comply with rule 2 of the Federal Rules of Civil Procedure” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “legal” and “given, issued, or entered into” are omitted as surplus.

The words “or conveyances”, “(whether real, personal, or mixed)”, “which are made at any time”, “the purposes of”, “imposts”, “or on the recording of deeds, bills of sale, liens, encumbrances, or other instruments evidencing, effectuating, or incident to any such transfers or conveyances, whether imposed on the transferor or on the transferee”, “now or hereafter”, “to com-

1 See References in Text note below.
(xiv) improve track, including high speed surfacing, ballast cleaning, and associated equipment repair and material distribution;
(xv) rehabilitate interlockings between the District of Columbia and New York, New York;
(xvi) paint the Connecticut River, Groton, and Pelham Bay bridges;
(xvii) provide additional catenary renewal and power supply upgrading between the District of Columbia and New York, New York;
(xviii) rehabilitate structural, electrical, and mechanical systems at the 30th Street Station in Philadelphia, Pennsylvania;
(xix) install evacuation and fire protection facilities in tunnels in New York, New York;
(xx) improve the communication and signal systems between Wilmington, Delaware, and Boston, Massachusetts, on the Northeast Corridor main line, and between Philadelphia, Pennsylvania, and Harrisburg, Pennsylvania, on the Harrisburg Line;
(xxi) improve the electric traction systems between Wilmington, Delaware, and Newark, New Jersey;
(xxii) install baggage rack restraints, seat back guards, and seat lock devices on 348 passenger cars operating in the Northeast Corridor;
(xxiii) install 44 event recorders and 10 electronic warning devices on locomotives operating within the Northeast Corridor;
and
(xxiv) acquire cab signal test boxes and install 9 wayside loop code transmitters for use within the Northeast Corridor.

(2) The following additional amounts may be appropriated to the Secretary for expenditure by Amtrak:

(A) not more than $150,000,000 to achieve the goal of section 24902(a)(3) of this title.
(B) not more than $120,000,000 to acquire interests in property in the Northeast Corridor.
(C) not more than $650,000 to develop and use mobile radio frequencies for passenger rail mobile telephone service on high-speed rail passenger transportation.
(D) not more than $20,000,000 to acquire and improve interests in rail property designated under section 206(c)(1)(D) of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 716(c)(1)(D)).
(E) not more than $37,000,000 to carry out section 24902(a)(7) and (j) of this title.

(b) EMERGENCY MAINTENANCE.—Not more than $25,000,000 of the amount appropriated under the Act of February 28, 1975 (Public Law 94–6, 89 Stat. 11), may be used by Amtrak for emergency maintenance on rail property designated under section 206(c)(1)(C) of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 716(c)(1)(C)).

(c) PRIORITY IN USING CERTAIN AMOUNTS.—Amounts appropriated under subsection (a)(2)(B) and (D) of this section shall be used first to repay, with interest, obligations guaranteed under section 662 of the Rail Passenger Service Act, if the proceeds of those obligations were used to pay the expenses of acquiring interests in property referred to in subsection (a)(2)(B) and (D).

(d) PROHIBITION ON SUBSIDIZING COMMUTER AND FREIGHT OPERATING LOSSES.—Amounts appropriated under this section may not be used to subsidize operating losses of commuter rail or rail freight transportation.

(e) SUBSTITUTING AND DEFERRING CERTAIN IMPROVEMENTS.—(1) A project for which amounts are authorized under subsection (a)(1)(C) of this section is a part of the Northeast Corridor improvement program and is not a substitute for improvements specified in the document "Corridor Master Plan II, NECIP Restructured Program" of January, 1982. However, Amtrak may defer the project to carry out the improvement and rehabilitation for which amounts are authorized under subsection (a)(1)(B) of this section. The total cost of the project that Amtrak defers may not be substantially more than the amount Amtrak is required to expend or reserve under subsection (a)(1)(B).

(2) Section 24902 of this title is deemed not to be fulfilled until the projects under subsection (a)(1)(C) of this section are completed.

(f) AVAILABILITY OF AMOUNTS.—Amounts appropriated under subsection (a)(1) and (2)(A) and (C)–(E) of this section remain available until expended.

(g) AUTHORIZATIONS INCREASED BY PRIOR YEAR DEFICIENCIES.—An amount greater than that authorized for a fiscal year may be appropriated to the extent that the amount appropriated for any prior fiscal year is less than the amount authorized for that year.

§24910. Rail cooperative research program

(a) In GENERAL.—The Secretary shall establish and carry out a rail cooperative research pro-
gram. The program shall—

(1) address, among other matters, intercity
rail passenger and freight rail services, including
existing rail passenger and freight techn-
ologies and speeds, incrementally enhanced
rail systems and infrastructure, and new high-
speed wheel-on-rail systems;
(2) address ways to expand the transpor-
tation of international trade traffic by rail,
enhance the efficiency of intermodal inter-
change at ports and other intermodal termi-

nals, and increase capacity and availability of
rail service for seasonal freight needs;
(3) consider research on the interconnected-
ness of passenger rail, freight rail, and other rail
networks; and
(4) give consideration to regional concerns
regarding rail passenger and freight transpor-
tation, including meeting research needs common
to designated high-speed corridors, long-
distance rail services, and regional intercity
rail corridors, projects, and entities.

(b) CONTENT.—The program to be carried out
under this section shall include research de-
designed—

(1) to identify the unique aspects and at-
tributes of rail passenger and freight service;
(2) to develop more accurate models for evalu-
ating the impact of rail passenger and freight
service, including the effects on highway and
airport and airway congestion, environmental
quality, and energy consumption;
(3) to develop a better understanding of
modal choice as it affects rail passenger and
freight transportation, including development
of better models to predict utilization;
(4) to recommend priorities for technology
demonstration and development;
(5) to meet additional priorities as deter-
mined by the advisory board established under
subsection (c), including any recommenda-
tions made by the National Research Council;
(6) to explore improvements in management,
financing, and institutional structures;
(7) to address rail capacity constraints that
affect passenger and freight rail service through a wide variety of options, ranging

In subsections (a) and (f), the text of 45:854(a) (2d
sentence cl. (3)(A)) is omitted as executed.
In subsection (a)(1), before clause (A), the text of
45:854(a) (1st sentence) is omitted as surplus because of section 2402(a) of the revised title. In clause (B)(i), the words “if the National Railroad Passenger Corporation receives notification on or before June 1, 1983, from
that such State has approved” and “and if such Cor-
poration determines that such plan is feasible” are omitted as executed. The words “rehabilitation and other... 45:854(a) (3d sentence); added Aug. 13, 1981, Pub. L. 97-968, §301(4)(B), 96 Stat. 2549.

In subsection (a)(2)(D), the word “rail” is added for
consistency in the revised title.
In subsection (b), the words “After the conveyance
of rail properties, pursuant to section 303(b) of the
Regional Rail Reorganization Act of 1973 (45 U.S.C. 743(b)) and section 851(b) of this title” are omitted as executed. The words “remain available to” and “the pur-
purpose of performing” are omitted as surplus.
In subsection (c), the words “that portion of... 45:854(a) (3d last sentences); added Jan. 14, 1983, Pub. L. 97-968, §301(4)(B), 96 Stat. 2549.

In subsection (a)(2), before clause (C), the text of
45:854(a) (1st sentence) is omitted as surplus because of section 2402(a) of the revised title. In clause (B)(ii), the words “the word “Washington” is omitted as surplus. In
sub-clause (xx), the words “at locations” are omitted as surplus.
In subsection (a)(3)(C), the words “passenger mobile
telephone service on or before June 1, 1983, from
that such State has approved” and “and if such Cor-
poration determines that such plan is feasible” are omitted as executed. The words “rehabilitation and other... 45:854(a) (3d sentence); added Aug. 13, 1981, Pub. L. 97-968, §301(4)(B), 96 Stat. 2549.
from operating improvements to dedicated new infrastructure, taking into account the impact of such options on operations;

(8) to improve maintenance, operations, customer service, or other aspects of intercity passenger rail passenger and freight service;

(9) to recommend objective methodologies for determining intercity passenger rail routes and services, including the establishment of new routes, the elimination of existing routes, and the contraction or expansion of services or frequencies over such routes;

(10) to review the impact of equipment and operational safety standards on the further development of high-speed passenger rail operations connected to or integrated with non-high-speed freight or passenger rail operations;

(11) to recommend any legislative or regulatory changes necessary to foster further development and implementation of high-speed passenger rail operations while ensuring the safety of such operations that are connected to or integrated with non-high-speed freight or passenger rail operations;

(12) to review rail crossing safety improvements, including improvements using new safety technology; and

(13) to review and develop technology designed to reduce train horn noise and its effect on communities, including broadband horn technology.

(c) ADVISORY BOARD.—

(1) ESTABLISHMENT.—In consultation with the heads of appropriate Federal departments and agencies, the Secretary shall establish an advisory board to recommend research, technology, and technology transfer activities related to rail passenger and freight transportation.

(2) MEMBERSHIP.—The advisory board shall include—

(A) representatives of State transportation agencies;

(B) transportation and environmental economists, scientists, and engineers; and

(C) representatives of Amtrak, the Alaska Railroad, freight railroads, transit operating agencies, intercity rail passenger agencies, railroad labor organizations, and environmental organizations.

(d) NATIONAL ACADEMY OF SCIENCES.—The Secretary may make grants to, and enter into cooperative agreements with, the National Academy of Sciences to carry out such activities relating to the research, technology, and technology transfer activities described in subsection (b) as the Secretary deems appropriate.

(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary of Transportation $5,000,000 for each of fiscal years 2010 through 2013 for carrying out this section.

§ 26101. High-speed rail corridor planning

(a) CORRIDOR PLANNING ASSISTANCE.—(1) The Secretary may provide under this section financial assistance to a public agency or group of public agencies for corridor planning for up to 80 percent of the publicly financed costs associated with eligible activities.

(2) No less than 20 percent of the publicly financed costs associated with eligible activities shall come from State and local sources, which State and local sources may not include funds from any Federal program.

(b) ELIGIBLE ACTIVITIES.—(1) A corridor planning activity is eligible for financial assistance under subsection (a) if the Secretary determines that it is necessary to establish appropriate engineering, operational, financial, environmental, or socioeconomic projections for the establishment of high-speed rail service in the corridor and that it leads toward development of a prudent financial and institutional plan for implementation of specific high-speed rail improvements, or if it is an activity described in subparagraph (M). Eligible corridor planning activities include—

(A) environmental assessments;

(B) feasibility studies emphasizing commercial technology improvements or applications;

(C) economic analyses, including ridership, revenue, and operating expense forecasting;

(D) assessing the impact on rail employment of developing high-speed rail corridors;

(E) assessing community economic impacts;

(F) coordination with State and metropolitan area transportation planning and corridor planning with other States;

(G) operational planning;

(H) route selection analyses and purchase of rights-of-way for proposed high-speed rail service;

(I) preliminary engineering and design;

(J) identification of specific improvements to a corridor, including electrification, line straightening and other right-of-way improvements, bridge rehabilitation and replacement, use of advanced locomotives and rolling stock, ticketing, coordination with other modes of transportation, parking and other means of...
§ 26101

TITLED 49—TRANSPORTATION

Page 526

passenger access, track, signal, station, and other capital work, and use of intermodal terminals;
(ii) preparation of financing plans and prospectuses;
(iii) creation of public/private partnerships; and
(iv) the acquisition of locomotives, rolling stock, track, and signal equipment.

(2) No financial assistance shall be provided under this section for corridor planning with respect to the main line of the Northeast Corridor, between Washington, District of Columbia, and Boston, Massachusetts.

(c) CRITERIA FOR DETERMINING FINANCIAL ASSISTANCE.—Selection by the Secretary of recipients of financial assistance under this section shall be based on such criteria as the Secretary considers appropriate, including—

(1) the relationship of the corridor to the Secretary’s national high-speed ground transportation policy;
(2) the extent to which the proposed planning focuses on systems which will achieve sustained speeds of 125 mph or greater;
(3) the integration of the corridor into metropolitan area and statewide transportation planning;
(4) the potential interconnection of the corridor with other parts of the Nation’s transportation system, including the interconnection with other countries;
(5) the anticipated effect of the corridor on the congestion of other modes of transportation;
(6) whether the work to be funded will aid the efforts of State and local governments to comply with the Clean Air Act (42 U.S.C. 7401 et seq.);
(7) the past and proposed financial commitments and other support of State and local governments and the private sector to the proposed high-speed rail program, including the acquisition of rolling stock;
(8) the estimated level of ridership;
(9) the estimated capital cost of corridor improvements, including the cost of closing, improving, or separating highway-rail grade crossings;
(10) rail transportation employment impacts;
(11) community economic impacts;
(12) the extent to which the projected revenues of the proposed high-speed rail service, along with any financial commitments of State or local governments and the private sector, are expected to cover capital costs and operating and maintenance expenses;
(13) whether a specific route has been selected, specific improvements identified, and capacity studies completed; and
(14) whether the corridor has been designated as a high-speed rail corridor by the Secretary.

REFERENCES IN TEXT

The Clean Air Act, referred to in subsec. (c)(6), is act July 14, 1955, ch. 360, 69 Stat. 322, as amended, which is classified generally to chapter 85 (§7701 et seq.) of Title 42, The Public Health and Welfare. For complete classification of this Act to the Code, see Short Title note set out under section 7701 of Title 42 and Tables.

PRIOR PROVISIONS

A prior section 26101 was renumbered section 26101 of this title.

AMENDMENTS

Subsec. (b)(1). Pub. L. 109–59, §9001(a)(1)(D)(i), inserted “, or if it is an activity described in subparagraph (M)’’ after “high-speed rail improvements” in introductory provisions.

Subsec. (c)(2). Pub. L. 109–59, §9001(a)(1)(C), substituted “corridor development” for “corridor planning”.

CONGRESSIONAL FINDINGS; PURPOSE

Section 102 of title I of Pub. L. 103–440 provided that: “(a) FINDINGS.—The Congress finds that—

“(1) high-speed rail offers safe and efficient transportation in certain densely traveled corridors linking major metropolitan areas in the United States;
“(2) high-speed rail may have environmental advantages over certain other forms of intercity transportation;
“(3) Amtrak’s Metroliner service between Washington, District of Columbia, and New York, New York, the United States premier high-speed rail service, has shown that Americans will use high-speed rail when that transportation option is available;
“(4) new high-speed rail service should not receive Federal subsidies for operating and maintenance expenses;
“(5) State and local governments should take the prime responsibility for the development and implementation of high-speed rail service;
“(6) the private sector should participate in funding the development of high-speed rail systems;
“(7) in some intercity corridors, Federal planning assistance may be required to supplement the funding commitments of State and local governments and the private sector to ensure the adequate planning, including reasonable estimates of the costs and benefits, of high-speed rail systems;
“(8) improvement of existing technologies can facilitate the development of high-speed rail systems in the United States; and
“(9) Federal assistance is required for the improvement, adaptation, and integration of proven tech-
nologies for commercial application in high-speed rail service in the United States.

(b) PURPOSE.—The purpose of this title [see Short Title of 1994 Amendment note set out under section 2001 of this title] is to encourage farsighted State, local, and private efforts in the analysis and planning for high-speed rail systems in appropriate intercity corridors.

§ 26102. High-speed rail technology improvements

(a) AUTHORITY.—The Secretary may undertake activities for the improvement, adaptation, and integration of proven technologies for commercial application in high-speed rail service in the United States.

(b) ELIGIBLE RECIPIENTS.—In carrying out activities authorized by subsection (a), the Secretary may provide financial assistance to any United States private business, educational institution located in the United States, State or local government or public authority, or agency of the Federal Government.

(c) CONSULTATION WITH OTHER AGENCIES.—In carrying out activities authorized by subsection (a), the Secretary shall consult with such other governmental agencies as may be necessary concerning the availability of appropriate technologies for commercial application in high-speed rail service in the United States.

PRIOR PROVISIONS

A prior section 26102 was renumbered section 26102 of this title.

§ 26103. Safety regulations

The Secretary shall promulgate such safety regulations as may be necessary for high-speed rail services.

§ 26104. Authorization of appropriations

(a) FISCAL YEARS 2006 THROUGH 2013.—There are authorized to be appropriated to the Secretary—

(1) $30,000,000 for carrying out section 26101; and

(2) $30,000,000 for carrying out section 26102,

for each of the fiscal years 2006 through 2013.

(b) FUNDS TO REMAIN AVAILABLE.—Funds made available under this section shall remain available until expended.

AMENDMENTS

1998—Par. (2). Pub. L. 105–178 amended par. (2) generally. Prior to amendment, par. (2) read as follows: ‘‘the term ‘high-speed rail’ has the meaning given such term under section 511(n) of the Railroad Revitalization and Regulatory Reform Act of 1976.’’.

§ 26105. Definitions

For purposes of this chapter—

(1) the term ‘‘financial assistance’’ includes grants, contracts, cooperative agreements, and other transactions;

(2) the term ‘‘high-speed rail’’ means all forms of nonhighway ground transportation that run on rails or electromagnetic guideways providing transportation service which is—

(A) reasonably expected to reach sustained speeds of more than 125 miles per hour; and

(B) made available to members of the general public as passengers, but does not include rapid transit operations within an urban area that are not connected to the general rail system of transportation;

(3) the term ‘‘publicly financed costs’’ means the costs funded after April 29, 1993, by Federal, State, and local governments;

(4) the term ‘‘Secretary’’ means the Secretary of Transportation;

(5) the term ‘‘State’’ means any of the several States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, the Virgin Islands, Guam, American Samoa, and any other territory or possession of the United States; and

(6) the term ‘‘United States private business’’ means a business entity organized under the laws of the United States, or of a State, and conducting substantial business operations in the United States.

AMENDMENTS

1998—Par. (2). Pub. L. 105–178 amended par. (2) generally. Prior to amendment, par. (2) read as follows: ‘‘the term ‘high-speed rail’ has the meaning given such term under section 511(n) of the Railroad Revitalization and Regulatory Reform Act of 1976.’’.

§ 26106. High-speed rail corridor development

(a) IN GENERAL.—The Secretary of Transportation shall establish and implement a high-speed rail corridor development program.

(b) DEFINITIONS.—In this section, the following definitions apply:

(1) APPLICANT.—The term ‘‘applicant’’ means a State, a group of States, an Interstate Compact, a public agency established by one or more States and having responsibility for providing high-speed rail service, or Amtrak.

(2) CORRIDOR.—The term ‘‘corridor’’ means a corridor designated by the Secretary pursuant to section 104(d)(2) of title 23.

(3) CAPITAL PROJECT.—The term ‘‘capital project’’ means a project or program in a

1 So in original.
State rail plan developed under chapter 227 of this title for acquiring, constructing, improving, or inspecting equipment, track, and track structures, or a facility of use in or for the primary benefit of high-speed rail service, expenses incidental to the acquisition or construction (including designing, engineering, location surveying, mapping, environmental studies, and acquiring rights-of-way), payments for the capital portions of rail trackage, rights agreements, highway-rail grade crossing improvements related to high-speed rail service, mitigating environmental impacts, communication and signalization improvements, relocation assistance, acquiring replacement housing sites, and acquiring, constructing, relocating, and rehabilitating replacement housing.

(4) HIGH-SPEED RAIL.—The term “high-speed rail” means intercity passenger rail service that is reasonably expected to reach speeds of at least 110 miles per hour.

(5) INTERCITY PASSENGER RAIL SERVICE.—The term “intercity passenger rail service” has the meaning given the term “intercity rail passenger transportation” in section 24102 of this title.

(6) STATE.—The term “State” means any of the 50 States or the District of Columbia.

(c) GENERAL AUTHORITY.—The Secretary may make grants under this section to an applicant to finance capital projects in high-speed rail corridors.

(d) APPLICATIONS.—Each applicant seeking to receive a grant under this section to develop a high-speed rail corridor shall submit to the Secretary an application in such form and in accordance with such requirements as the Secretary shall establish.

(e) COMPETITIVE GRANT SELECTION AND CRITERIA FOR GRANTS.—

(1) IN GENERAL.—The Secretary shall—

(A) establish criteria for selecting among projects that meet the criteria specified in paragraph (2);

(B) conduct a national solicitation for applications; and

(C) award grants on a competitive basis.

(2) GRANT CRITERIA.—The Secretary, in selecting the recipients of high-speed rail development grants to be provided under subsection (c), shall—

(A) require—

(i) that the project be part of a State rail plan developed under chapter 227 of this title, or under the plan required by section 211 of the Passenger Rail Investment and Improvement Act of 2008;

(ii) that the applicant or recipient has or will have the legal, financial, and technical capacity to carry out the project, satisfactory continuing control over the use of the equipment or facilities, and the capability and willingness to maintain the equipment or facilities;

(iii) that the project be based on the results of preliminary engineering studies or other planning, including corridor planning activities funded under section 26101 of this title;

(iv) that the applicant provides sufficient information upon which the Secretary can make the findings required by this subsection;

(v) that if an applicant has selected the proposed operator of its service, that the applicant provide written justification to the Secretary showing why the proposed operator is the best, taking into account costs and other factors;

(vi) that each proposed project meet all safety and security requirements that are applicable to the project under law; and

(vii) that each project be compatible with, and operated in conformance with—

(I) plans developed pursuant to the requirements of section 135 of title 23; and

(II) the national rail plan (if it is available);

(B) select high-speed rail projects—

(i) that are anticipated to result in significant improvements to intercity rail passenger service, including, but not limited to, consideration of the project’s—

(I) levels of estimated ridership, increased on-time performance, reduced trip time, additional service frequency to meet anticipated or existing demand, or other significant service enhancements as measured against minimum standards developed under section 207 of the Passenger Rail Investment and Improvement Act of 2008;

(II) anticipated favorable impact on air or highway traffic congestion, capacity, or safety; and

(ii) for which there is a high degree of confidence that the proposed project is feasible and will result in the anticipated benefits, as indicated by—

(I) the project’s precommencement compliance with environmental protection requirements;

(II) the readiness of the project to be commenced;

(III) the commitment of any affected host rail carrier to ensure the realization of the anticipated benefits; and

(IV) other relevant factors as determined by the Secretary;

(iii) for which the level of the anticipated benefits compares favorably to the amount of Federal funding requested under this section; and

(C) give greater consideration to projects—

(i) that are anticipated to result in benefits to other modes of transportation and to the public at large, including, but not limited to, consideration of the project’s—

(I) encouragement of intermodal connectivity through provision of direct connections between train stations, airports, bus terminals, subway stations, ferry ports, and other modes of transportation;

(II) anticipated improvement of conventional intercity passenger, freight, or commuter rail operations;

(III) use of positive train control technologies;
(IV) environmental benefits, including projects that involve the purchase of environmentally sensitive, fuel-efficient, and cost-effective passenger rail equipment;
(V) anticipated positive economic and employment impacts;
(VI) encouragement of State and private contributions toward station development, energy and environmental efficiency, and economic benefits; and
(VII) falling under the description in section 5302(a)(1)(G) of this title as defined to support intercity passenger rail service; and

(ii) that incorporate equitable financial participation in the project’s financing, including, but not limited to, consideration of—
(I) donated property interests or services;
(II) financial contributions by intercity passenger, freight, and commuter rail carriers commensurate with the benefit expected to their operations; and
(III) financial commitments from host railroads, non-Federal governmental entities, non-governmental entities, and others.

(3) GRANT CONDITIONS.—The Secretary shall require each recipient of a grant under this chapter to comply with the grant requirements of section 24905 of this title.

(4) STATE RAIL PLANS.—State rail plans completed before the date of enactment of the Passenger Rail Investment and Improvement Act of 2008 that substantially meet the requirements of chapter 227 of this title, as determined by the Secretary pursuant to section 22506 of this title, shall be deemed by the Secretary to have met the requirements of paragraph (2)(A)(i) of this subsection.

(f) FEDERAL SHARE.—The Federal share of the cost of a project financed under this section shall not exceed 80 percent of the project net capital cost.

(g) ISSUANCE OF REGULATIONS.—Within 1 year after the date of enactment of this section, the Secretary shall issue regulations to carry out this section.

(h) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary to carry out this section—

(1) $150,000,000 for fiscal year 2009;
(2) $300,000,000 for fiscal year 2010;
(3) $350,000,000 for fiscal year 2011;
(4) $350,000,000 for fiscal year 2012; and
(5) $350,000,000 for fiscal year 2013.

"(a) SOLICITATION OF PROPOSALS.—
"(1) IN GENERAL.—Not later than 60 days after the date of enactment of this Act (Oct. 16, 2008), the Secretary of Transportation shall issue a request for proposals for projects for the financing, design, construction, operation, and maintenance of a high-speed intercity passenger rail system operating within a high-speed rail corridor, including—
"(A) the Northeast Corridor;
"(B) the California Corridor;
"(C) the Empire Corridor;
"(D) the Pacific Northwest Corridor;
"(E) the South Central Corridor;
"(F) the Gulf Coast Corridor;
"(G) the Chicago Hub Network;
"(H) the Florida Corridor;
"(I) the Keystone Corridor;
"(J) the Northern New England Corridor; and
"(K) the Southeast Corridor.

(2) SUBMISSION.—Proposals shall be submitted to the Secretary not later than 270 days after the publication of such request for proposals under paragraph (1).

(3) PERFORMANCE STANDARD.—Proposals submitted under paragraph (2) must meet any standards established by the Secretary. For corridors with existing intercity passenger rail service, proposals shall also be designed to achieve a reduction of existing maximum intercity rail service trip times between the main corridor city pairs by a minimum of 25 percent. In the case of a proposal submitted with respect to paragraph (1)(A), the proposal must be designed to achieve a 2-hour or less express service between Washington, District of Columbia, and New York City, New York.

(4) CONTENTS.—A proposal submitted under this subsection shall include—

"(A) the names and qualifications of the persons submitting the proposal and the entities proposed to finance, design, construct, operate, and maintain the railroad, railroad equipment, and related facilities, stations, and infrastructure;
"(B) a detailed description of the proposed rail service, including possible routes, required infrastructure investments and improvements, equipment needs and type, train frequencies, peak and average operating speeds, and trip times;
"(C) a description of how the project would comply with Federal rail safety and security laws, orders, and regulations governing high-speed rail operations;
"(D) the locations of proposed stations, which maximize the usage of existing infrastructure to the extent possible, and the populations such stations are intended to serve;
"(E) the type of equipment to be used, including any technologies, to achieve trip time goals;
"(F) a description of any proposed legislation needed to facilitate all aspects of the project; and
"(G) a financing plan identifying—
"(i) projected revenue, and sources thereof;
"(ii) the amount of any requested public contribution toward the project, and proposed sources;
§ 26106  TITLE 49—TRANSPORTATION  Page 530

“(ii) projected annual ridership projections for the first 10 years of operations; “
“(iii) projected levels of investment and capital costs; “
“(iv) the projected levels of capital investments required both initially and in subsequent years to maintain a state-of-good-repair necessary to provide the initially proposed level of service or higher levels of service; “
“(v) projected levels of private investment and sources thereof, including the identity of any person or entity that has made or is expected to make a commitment to provide or secure funding and the amount of such commitment; and “
“(vi) projected funding for the full fair market compensation for any asset, property right or interest, or service acquired from, owned, or held by a private person or Federal entity that would be acquired, impaired, or diminished in value as a result of a project, except as otherwise agreed to by the private person or entity; “
“(H) a description of how the project would contribute to the development of a national high-speed rail system and an intermodal plan describing how the system will facilitate convenient travel connections with other transportation services; “
“(I) a description of how the project will ensure compliance with Federal laws governing the rights and status of employees associated with the route and service, including those specified in section 24405 of title 49, United States Code; “
“(J) a description of how the design, construction, implementation, and operation of the project will accommodate and allow for future growth of existing and projected intercity, commuter, and freight rail service; “
“(K) a description of how the project would comply with Federal and State environmental laws and regulations, of what the [sic] environmental impacts would result from the project, and how any adverse impacts would be mitigated; and “
“(L) a description of the project’s impacts on highway and aviation congestion, energy consumption, land use, and economic development in the service area. “

“(b) DETERMINATION AND ESTABLISHMENT OF COMMISSIONS.—Not later than 60 days after receipt of the proposals under subsection (a), the Secretary shall—

“(1) make a determination as to whether any such proposals— “
“(A) contain the information required under subsection (a)(3) and (4); “
“(B) are sufficiently credible to warrant further consideration; “
“(C) are likely to result in a positive impact on the Nation’s transportation system; and “
“(D) are cost-effective and in the public interest; and “
“(2) establish a commission under subsection (c) for each corridor with one or more proposals that the Secretary determines satisfies the requirements of paragraph (1), and forward to each commission such proposals for review and consideration. “

“(c) COMMISSIONS.—

“(1) MEMBERS.—Each commission referred to in subsection (b)(2) shall include— “
“(A) the governors of the affected States, or their respective designees; “
“(B) mayors of appropriate municipalities along the proposed corridor, or their respective designees; “
“(C) a representative from each freight railroad carrier using the relevant corridor, if applicable; “
“(D) a representative from each transit authority using the relevant corridor, if applicable; “
“(E) representatives of nonprofit employee labor organizations representing affected railroad employees; and “
“(F) [sic] the President of Amtrak or his or her designee. “

“(2) APPOINTMENT AND SELECTION.—The Secretary shall appoint the members under paragraph (1). In selecting each commission’s members to fulfill the requirements under paragraph (1)(B) and (E), the Secretary shall consult with the Chairmen and Ranking Members of the Senate Committee on Commerce, Science, and Transportation and the House of Representatives Committee on Transportation and Infrastructure. “

“(3) CHAIRPERSON AND VICE-CHAIRPERSON SELECTION.—The Chairperson and Vice-Chairperson shall be selected from among members of each commission. “

“(4) QUORUM AND VACANCY.—

“(A) QUORUM.—A majority of the members of each commission shall constitute a quorum. “

“(B) VACANCY.—Any vacancy in each commission shall not affect its powers and shall be filled in the same manner in which the original appointment was made. “

“(5) APPLICATION OF LAW.—Except where otherwise provided by this section, the Federal Advisory Committee Act (P.L. 92–463) [5 U.S.C. App.] shall apply to each commission created under this section. “

“(d) CONSIDERATION.—

“(1) IN GENERAL.—Each commission established under subsection (b)(2) shall be responsible for reviewing the proposal or proposals forwarded to it under such subsection and not later than 90 days after the establishment of the commission, shall transmit to the Secretary a report which includes— “
“(A) a summary of each proposal received; “
“(B) services to be provided under each proposal, including projected ridership, revenues, and costs; “
“(C) proposed public and private contributions for each proposal; “
“(D) the advantages offered by the proposal over existing intercity passenger rail services; “
“(E) public operating subsidies or assets needed for the proposed project; “
“(F) possible risks to the public associated with the proposal, including risks associated with project financing, implementation, completion, safety, and security; “
“(G) a ranked list of the proposals recommended for further consideration under subsection (e) in accordance with each proposal’s projected positive impact on the Nation’s transportation system; “
“(H) an identification of any proposed Federal legislation that would facilitate implementation of the projects and Federal legislation that would be required to implement the projects; and “

“(I) any other recommendations by the commission concerning the proposed projects. “

“(2) VIRTUAL PRESENTATION.—Proposals shall be given an opportunity to make a virtual presentation to the commission to explain their proposals. “

“(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary for the use of each commission established under subsection (b)(2) such sums as are necessary to carry out this section. “

“(f) SELECTION BY SECRETARY.—

“(1) Not later than 60 days after receiving the recommended proposals of the commissions established under subsection (b)(2), the Secretary shall—

“(A) review such proposals and select any proposal which provides substantial benefits to the public and the national transportation system, is cost-effective, offers significant advantages over existing services, and meets other relevant factors determined appropriate by the Secretary; and “

“(B) issue a report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate containing any proposal with respect to subsection (a)(1)(A) that is selected by the Secretary under subparagraph (A) of this paragraph, all the information regarding the proposal provided to the Secretary under subsection (d), and any other relevant information deemed appropriate to include. “

“(2) Following the submission of the report under paragraph (1)(B), the Secretary shall transmit to the
Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate, a report containing any proposal with respect to subparagraphs (B) through (K) of subsection (a)(1) that are selected by the Secretary under paragraph (1) of this subsection, all the information regarding the proposal provided to the Secretary under subsection (d), and any other relevant information deemed appropriate.

(3) The report required under paragraph (2) shall not be submitted by the Secretary until the report submitted under paragraph (1) has been considered through a hearing by the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the report submitted under paragraph (1)(B).

(4) PRELIMINARY ENGINEERING.—For planning and preliminary engineering activities that meet the criteria of section 26101 of title 49, United States Code, (other than subsections (a) and (b)(2)) that are undertaken after the Secretary submits reports to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate as required under subsection (e), not to exceed $5,000,000 is authorized to be appropriated from funds made available under section 26104(a) of such title. Only 1 proposal for each corridor under subsection (a) shall be eligible for such funds.

(5) NO ACTIONS WITHOUT ADDITIONAL AUTHORITY.—No Federal agency may take any action to implement, establish, facilitate, or otherwise act upon any proposal submitted under this section, other than those actions specifically authorized by this section, without explicit statutory authority enacted after the date of enactment of this Act [Oct. 16, 2008].

(6) DEFINITIONS.—In this section, the following definitions apply:

(1) INTERCITY PASSENGER RAIL.—The term ‘intercity passenger rail’ means intercity rail passenger transportation as defined in section 24102 of title 49, United States Code.

(2) STATE.—The term ‘State’ means any of the 50 States or the District of Columbia.

(3) NORTHEAST CORRIDOR.—The term ‘Northeast Corridor’ has the meaning given under section 24102 of title 49, United States Code.

(4) HIGH-SPEED RAIL CORRIDOR.—The term ‘high-speed rail corridor’ and ‘corridor’ mean a corridor designated by the Secretary pursuant to section 104(d)(2) of title 23, United States Code, and the Northeast Corridor.

PART E—MISCELLANEOUS

AMENDMENTS

CHAPTER 281—LAW ENFORCEMENT

Sec. 28101. Rail police officers.

28102. Limit on certain accident or incident liability.

28103. Limitations on rail passenger transportation liability.

AMENDMENTS

UNITED STATES-CANADA ALASKA RAIL COMMISSION

Pub. L. 106–570, title III, Dec. 27, 2000, 114 Stat. 3043, provided that:

"SEC. 290. SHORT TITLE. "This title may be cited as the ‘Rails to Resources Act of 2000’.

"SEC. 291. FINDINGS. "Congress finds that—

(1) rail transportation is an essential component of the North American intermodal transportation system;

(2) the development of economically strong and socially stable communities in the western United States and Canada was encouraged significantly by government policies promoting the development of integrated transcontinental, interstate and interprovincial rail systems in the States, territories and provinces of the two countries;

(3) United States and Canadian federal support for the completion of new elements of the transcontinental, interstate and interprovincial rail systems was halted before rail connections were established to the State of Alaska and the Yukon Territory;

(4) rail transportation in otherwise isolated areas facilitates controlled access and may reduce overall impact to environmentally sensitive areas;

(5) the extension of the continental rail system through northern British Columbia and the Yukon Territory to the current terminus of the Alaska Railroad would significantly benefit the United States and Canadian visitor industries by facilitating the comfortable movement of passengers over long distances while minimizing effects on the surrounding areas; and

(6) ongoing research and development efforts in the rail industry continue to increase the efficiency of rail transportation, ensure safety, and decrease the impact of rail service on the environment.

"SEC. 301. AGREEMENT FOR A UNITED STATES-CANADA BILATERAL COMMISSION. "The President is authorized and urged to enter into an agreement with the Government of Canada to establish an independent joint commission to study the feasibility and advisability of linking the rail system in Alaska to the nearest appropriate point on the North American continental rail system.

"SEC. 302. COMPOSITION OF COMMISSION. 

(1) MEMBERSHIP.—

(1) TOTAL MEMBERSHIP.—The Agreement should provide for the Commission to be composed of 24 members, of which 12 members are appointed by the President and 12 members are appointed by the Government of Canada.

(2) GENERAL QUALIFICATIONS.—The Agreement should provide for the membership of the Commission, to the maximum extent practicable, to be representative of—

(A) the interests of the local communities (including the governments of the communities), aboriginal peoples, and businesses that would be affected by the connection of the rail system in Alaska to the North American continental rail system; and

(B) a broad range of expertise in areas of knowledge that are relevant to the significant issues to be considered by the Commission, including economics, engineering, management of resources, social sciences, fish and game management, environmental sciences, and transportation.

(2) UNITED STATES MEMBERSHIP.—If the United States and Canada enter into an agreement providing for the establishment of the Commission, the President shall appoint the United States members of the Commission as follows:

(1) Two members from among persons who are qualified to represent the interests of communities and local governments of Alaska.

(2) One member representing the State of Alaska, to be nominated by the Governor of Alaska.

(3) One member from among persons who are qualified to represent the interests of Native Alas-
§ 26106

Title 49—Transportation

Pennsylvania residing in the area of Alaska that would be affected by the extension of rail service.

(4) Three members from among persons involved in commercial activities in Alaska who are qualified to represent commercial interests in Alaska, of which one shall be a representative of the Alaska Railroad Corporation.

(5) One member representing United States Class I rail carriers and one member representing United States rail labor.

(6) Three members with relevant expertise, at least one of whom shall be an engineer with expertise in subarctic transportation and at least one of whom shall have expertise on the environmental impact of such transportation.

(C) Canadian Membership. The Agreement should provide for the Canadian membership of the Commission to be representative of broad categories of interests of Canada as the Government of Canada determines appropriate, consistent with subsection (a)(2).

SEC. 305. GOVERNANCE AND STAFFING OF COMMISSION.

(a) Chairman. The Agreement should provide for the Chairman of the Commission to be elected from among the members of the Commission by a majority vote of the members.

(b) Compensation and Expenses of United States Members.

(1) Compensation. Each member of the Commission appointed by the President who is not an officer or employee of the Federal Government shall be compensated at a rate equal to the daily rate of basic pay prescribed for level IV of the Executive Schedule under section 5316 of title 5, United States Code, for each day (including travel time) during which such member is engaged in the performance of the duties of the Commission. Each such member who is an officer or employee of the United States shall serve without compensation in addition to that received for services as an officer or employee of the United States.

(2) Travel Expenses. The members of the Commission appointed by the President shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5, United States Code, while away from their homes or regular places of business in the performance of services for the Commission.

(c) Staff.

(1) In General. The Agreement should provide for the appointment of a staff and an executive director to be the head of the staff.

(2) Compensation. Funds made available for the Commission by the United States may be used to pay the compensation of the executive director and other personnel at rates fixed by the Commission that are not in excess of the rate payable for level V of the Executive Schedule under section 5316 of title 5, United States Code.

(d) Office. The Agreement should provide for the office of the Commission to be located in a mutually agreed location within the impacted areas of Alaska, the Yukon Territory, and northern British Columbia.

(e) Meetings. The Agreement should provide for the Commission to meet at least biannually to review progress and to provide guidance to staff and others, and to hold, in locations within the affected areas of Alaska, the Yukon Territory and northern British Columbia, such additional informational or public meetings as the Commission deems necessary to the conduct of its business.

(f) Procurement of Services. The Agreement should authorize and encourage the Commission to procure by contract, to the maximum extent practicable, the services (including any temporary and intermittent services) that the Commission determines necessary for carrying out the duties of the Commission. In the case of any contract for the services of an individual, funds made available for the Commission by the United States may not be used to pay for the services of the individual at a rate that exceeds the daily equivalent of the annual rate of basic pay prescribed for level V of the Executive Schedule under section 5316 of title 5, United States Code.

SEC. 306. DUTIES.

(a) Study.

(1) In General. The Agreement should provide for the Commission to study and assess, on the basis of all available relevant information, the feasibility and advisability of linking the rail system in Alaska to the North American continental rail system through the continuation of the rail system in Alaska from its northeastern terminus to a connection with the continental rail system in Canada.

(2) Specific Issues. The Agreement should provide for the study and assessment to include the consideration of the following issues:

(A) Railroad engineering.

(B) Land ownership.

(C) Geology.

(D) Proximity to mineral, timber, tourist, and other resources.

(E) Market outlook.

(F) Environmental considerations.

(G) Social effects, including changes in the use or availability of natural resources.

(H) Potential financing mechanisms.

(3) Route. The Agreement should provide for the Commission, upon finding that it is feasible and advisable to link the rail system in Alaska as described in paragraph (1), to determine one or more recommended routes for the rail segment that establishes the linkage, taking into consideration cost, distance, access to potential freight markets, environmental matters, existing corridors that are already used for ground transportation, the route surveyed by the Army Corps of Engineers during World War II and such other factors as the Commission determines relevant.

(4) Combined Corridor Evaluation. The Agreement should also provide for the Commission to consider whether it would be feasible and advisable to combine the power transmission infrastructure and petroleum product pipelines of other utilities into one corridor with a rail extension of the rail system of Alaska.

(b) Report. The Agreement should require the Commission to submit to Congress and the Secretary of Transportation and to the Minister of Transport of the Government of Canada, not later than 3 years after the Commission commencement date, a report on the results of the study, including the Commission's findings regarding the feasibility and advisability of linking the rail system in Alaska as described in subsection (a)(1) and the Commission's recommendations regarding the preferred route and any alternative routes for the rail segment establishing the linkage.

(a) Commencement. The Agreement should provide for the Commission to begin to function on the date on which all members are appointed to the Commission as provided for in the Agreement.

(b) Termination. The Commission should be terminated 90 days after the date on which the Commission submits its report under section 306.

SEC. 308. Funding.

(a) Rails to Resources Fund. The Agreement should provide for the following:

(1) Establishment. The establishment of an interest-bearing account to be known as the 'Rails to Resources Fund'.

(2) Contributions. The contribution by the United States and the Government of Canada to the Fund of amounts that are sufficient for the Commission to carry out its duties.
“(3) AVAILABILITY.—The availability of amounts in the Fund to pay the costs of Commission activities.

“(4) DISSOLUTION.—Dissolution of the Fund upon the termination of the Commission and distribution of the amounts remaining in the Fund between the United States and the Government of Canada.

“(b) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to any fund established for use by the Commission as described in subsection (a)(1) $5,000,000, to remain available until expended.

“SEC. 309. DEFINITIONS.

“In this title:

“(1) AGREEMENT.—The term ‘Agreement’ means an agreement described in section 303.

“(2) COMMISSION.—The term ‘Commission’ means a commission established pursuant to any Agreement.”

§ 28101. Rail police officers

(a) IN GENERAL.—Under regulations prescribed by the Secretary of Transportation, a rail police officer who is employed by a rail carrier and certified or commissioned as a police officer under the laws of a State may enforce the laws of any jurisdiction in which the rail carrier owns property, to the extent of the authority of a police officer certified or commissioned under the laws of a State may enforce the laws of any jurisdiction in which the rail carrier owns property, to the extent of the authority of a police officer certified or commissioned under the laws of any jurisdiction, to protect—

(1) employees, passengers, or patrons of the rail carrier;

(2) property, equipment, and facilities owned, leased, operated, or maintained by the rail carrier;

(3) property moving in interstate or foreign commerce in the possession of the rail carrier; and

(4) personnel, equipment, and material moving by rail that are vital to the national defense.

(b) ASSIGNMENT.—A railroad police officer employed by a railroad carrier and certified or commissioned as a police officer under the laws of a State may be temporarily assigned to assist a second railroad carrier in carrying out law enforcement duties upon the request of the second railroad carrier, at which time the police officer shall be considered to be an employee of the second railroad carrier and shall have authority to enforce the laws of any jurisdiction in which the second railroad carrier owns property to the same extent as provided in subsection (a).

In subsection (a), the words “‘Notwithstanding any other provision of law’, ‘whether for compensatory or’, and ‘occurring’ are omitted as surplus.

In subsection (c), the words “an indemnification contract” are substituted for “coverage” for clarity.

AMENDMENTS

1994—Pub. L. 103–440 renumbered section 26102 of this title as this section.

§ 28102. Limit on certain accident or incident liability

(a) GENERAL.—When a publicly financed commuter transportation authority established under Virginia law makes a contract to indemnify Amtrak for liability for operations conducted by or for the authority or to indemnify a rail carrier over whose tracks those operations are conducted, liability against Amtrak, the authority, or the carrier for all claims (including punitive damages) arising from an accident or incident in the District of Columbia related to those operations may not be more than the limits of the liability coverage the authority maintains to indemnify Amtrak or the carrier.

(b) MINIMUM REQUIRED LIABILITY COVERAGE.—

A publicly financed commuter transportation authority referred to in subsection (a) of this section must maintain a total minimum liability coverage of at least $200,000,000.

(c) EFFECTIVENESS.—This section is effective only after Amtrak or a rail carrier seeking an indemnification contract under this section makes an operating agreement with a publicly financed commuter transportation authority established under Virginia law to provide access to its property for revenue transportation related to the operations of the authority.

The words “to the extent of the authority of a police officer certified or commissioned under the laws of that jurisdiction” are placed before clause (1) rather than at the end of clause (4), as in the source provision, to reflect the probable intent of Congress.

AMENDMENTS

1994—Pub. L. 103–440 renumbered section 26101 of this title as this section.

§ 28103. Limitations on rail passenger transportation liability

(a) LIMITATIONS.—(1) Notwithstanding any other statutory or common law or public policy, or the nature of the conduct giving rise to damages or liability, in a claim for personal injury to a passenger, death of a passenger, or damage to property of a passenger arising from or in connection with the provision of rail passenger transportation, or from or in connection with any rail passenger transportation operations over or rail passenger transportation use of right-of-way or facilities owned, leased, or maintained by any high-speed railroad authority or operator, any commuter authority or operator, any rail carrier, or any State, punitive damages, to the extent permitted by applicable State law, may be awarded in connection with any such claim only if the plaintiff establishes by clear
CHAPTER 283—STANDARD WORK DAY

Sec. 28301. General
28301. General.
28302. Penalties.

§ 28301. General

(a) Eight Hour Day.—In contracts for labor and service, 8 hours shall be a day’s work and the standard day’s work for determining the compensation for services of an employee employed by a common carrier by railroad subject to subtitle IV of this title and actually engaged in any capacity in operating trains used for transporting passengers or property on railroads from—

(1) a State of the United States or the District of Columbia to any other State or the District of Columbia;
(2) one place in a territory or possession of the United States to another place in the same territory or possession;
(3) a place in the United States to an adjacent foreign country; or
(4) a place in the United States through a foreign country to any other place in the United States.

(b) Application.—Subsection (a) of this section—

(1) does not apply to—
(A) an independently owned and operated railroad not exceeding one hundred miles in length;
(B) an electric street railroad; and
(C) an electric interurban railroad; but

(2) does apply to independently owned and operated railroad less than one hundred miles in length—
(A) whose principal business is leasing or providing terminal or transfer facilities to other railroads; or
(B) engaged in transfers of freight between railroads or between railroads and industrial plants.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a), the word “determining” is substituted for “reckoning” for clarity. The words “who are not or may hereafter be employed” are omitted as surplus. In clause (1), the words “or territory” are omitted because the existing territories of the United States are now connected to the United States by rail. In clause (2), the words “or possession of the United States” are added for consistency in the revised title and with other titles of the United States Code.

The text of sections 2 and 3 of the Act of September 3, 5, 1916 (ch. 436, 39 Stat. 721), is omitted to eliminate executed provisions.

§ 28302. Penalties

A person violating section 28301 of this title shall be fined under title 18, imprisoned not more than one year, or both.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
§ 28501. Definitions

In this chapter—
(1) the term ``Board'' means the Surface Transportation Board;
(2) the term ‘‘capital work’’ means maintenance, restoration, reconstruction, capacity enhancement, or rehabilitation work on track- age that would be treated, in accordance with generally accepted accounting principles, as a capital item rather than an expense;
(3) the term ‘‘commuter rail passenger transportation’’ has the meaning given that term in section 2102;
(4) the term ‘‘public transportation authority’’ means a local governmental authority (as defined in section 5302(a)(6)) established to provide, or make a contract providing for, commuter rail passenger transportation;
(5) the term ‘‘rail carrier’’ means a person, other than a governmental authority, providing common carrier railroad transportation for compensation subject to the jurisdiction of the Board under chapter 105;
(6) the term ‘‘segregated fixed guideway facility’’ means a fixed guideway facility constructed within the railroad right-of-way of a rail carrier but physically separate from trackage, including relocated trackage, within the right-of-way used by a rail carrier for freight transportation purposes; and
(7) the term ‘‘trackage’’ means a railroad line of a rail carrier, including a spur, industrial, team, switching, side, yard, or station track, and a facility of a rail carrier.

§ 28502. Surface Transportation Board mediation of trackage use requests

If, after a reasonable period of negotiation, a public transportation authority cannot reach agreement with a rail carrier to use trackage of, and have related services provided by, the rail carrier for purposes of commuter rail passenger transportation, the public transportation authority or the rail carrier may apply to the Board for nonbinding mediation. The Board shall conduct the nonbinding mediation in accordance with the mediation process of section 1109.4 of title 49, Code of Federal Regulations, as in effect on the date of enactment of this section.

§ 28503. Surface Transportation Board mediation of rights-of-way use requests

If, after a reasonable period of negotiation, a public transportation authority cannot reach agreement with a rail carrier to acquire an interest in a railroad right-of-way for the construction and operation of a segregated fixed guideway facility to provide commuter rail passenger transportation, the public transportation authority or the rail carrier may apply to the Board for nonbinding mediation. The Board shall conduct the nonbinding mediation in accordance with the mediation process of section 1109.4 of title 49, Code of Federal Regulations, as in effect on the date of enactment of this section.

§ 28504. Applicability of other laws

Nothing in this chapter shall be construed to limit a rail transportation provider’s right under section 28109(b) to enter into contracts that allocate financial responsibility for claims.

§ 28505. Rules and regulations

Within 1 year after the date of enactment of this section, the Board shall issue such rules and regulations as may be necessary to carry out this chapter.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

The words “Congress hereby declares that”; “to persons” and “Congress determines that” are omitted as surplus. The words “motor vehicle” before “equipment” are added for consistency. The words “and to expand the national driver register” are omitted because section 401 of the National Traffic and Motor Vehicle Safety Act of 1966 (Public Law 89–563, 80 Stat. 730), the only section in this law related to the national driver register, was superseded by the National Driver Register Act of 1982 (Public Law 97–364, 96 Stat. 1740).

SHORT TITLE OF 2007 AMENDMENT

SHORT TITLE OF 2005 AMENDMENT

SHORT TITLE OF 2000 AMENDMENT

Pub. L. 106–414, § 1, Nov. 1, 2000, 114 Stat. 1800, provided that: ‘‘This Act [enacting section 30170 of this title, amending sections 30115, 30116, 30118, 30120, 30126, and 30166 of this title, and enacting provisions set out as notes under sections 30115, 30116, 30118, 30123, and
30127 of this title] may be cited as the ‘Transportation Recall Enhancement, Accountability, and Documentation (TREAD) Act.’"

**Short Title of 1996 Amendment**

**Short Title of 1996 Amendment**

Pub. L. 104–152, §1, July 2, 1996, 110 Stat. 1384, provided that: “This Act [amending sections 30104 to 30114, 30121, 30123, 30127, 32102, 32304, and 32705 of this title, and enacting provisions set out as notes under this section and sections 30114 and 30127 of this title] may be cited as the ‘National Highway Traffic Safety Administration Reauthorization Act of 1998.’”

**Vehicle Backover Avoidance Technology Study; Nontraffic Incident Data Collection**

Pub. L. 109–9, title X, §10304, 10305, Aug. 10, 2005, 119 Stat. 1940, provided that:

**SEC. 10305. NONTRAFFIC INCIDENT DATA COLLECTION.**

“(a) In General.—In conjunction with the study required in section 10304, the National Highway Traffic Safety Administration shall establish a method to collect and maintain data on the number and types of injuries and deaths involving motor vehicles with a gross vehicle weight rating of not more than 10,000 pounds in non-traffic incidents.

“(b) Data Collection and Publication.—The Secretary of Transportation shall publish the data collected under subsection (a) no less frequently than biennially.”

**Study on Interior Device To Release Trunk Lid**

Pub. L. 105–178, title VII, §7106(e), June 9, 1998, 112 Stat. 469, required the National Highway Traffic Safety Administration to conduct a study of the benefits to motor vehicle drivers of a regulation to require the installation in a motor vehicle of an interior device to prevent the trunk lid from closing when a child is inside.

**SEC. 2506. SHORT TITLE.**

**SEC. 2501. REPEALED.**

**SEC. 2502. GENERAL PROVISIONS.**

“(a) Definitions.—As used in this part—

“(1) the term ‘bus’ means a motor vehicle with motive power, except a trailer, designed for carrying more than 10 persons;

“(2) the term ‘multipurpose passenger vehicle’ means a motor vehicle with motive power (except a trailer), designed to carry 10 persons or fewer, which is constructed either on a truck chassis or with special features for occasional off-road operation;

“(3) the term ‘passenger car’ means a motor vehicle with motive power (except a multipurpose passenger vehicle, motorcycle, or trailer), designed for carrying 1 to 10 persons or fewer;

“(4) the term ‘truck’ means a motor vehicle with motive power, except a trailer, designed primarily for the transportation of property or special purpose equipment; and

“(5) the term ‘Secretary’ means the Secretary of Transportation.

“(b) Procedure.—

“(1) IN GENERAL.—Except as provided in paragraph (2), any action taken under section 2505 shall be taken in accordance with the applicable provisions of the National Highway and Motor Vehicle Safety Act of 1966 (formerly 15 U.S.C. 1381 et seq.).

“(2) Specific Procedure.—

“(A) Intitlation.—To initiate an action under section 2505, the Secretary shall, not later than May 31, 1992, publish in the Federal Register an advance notice of proposed rulemaking or a notice of proposed rulemaking, except that if the Secretary is unable to publish such a notice by such date, the Secretary shall by such date publish in the Federal Register a notice that the Secretary will begin such action by a certain date which may not be later than January 31, 1993 and include in such notice the reasons for the delay. A notice of delayed action shall not be considered agency action subject to judicial review. If the Secretary publishes an advance
notice of proposed rulemaking, the Secretary is not required to follow such notice with a notice of proposed rulemaking if the Secretary determines on the basis of such advance notice and the comments received thereon that the contemplated action should not be taken under the provisions of the National Traffic and Motor Vehicle Safety Act of 1966 (formerly 15 U.S.C. 1381 et seq.), including the provisions of section 105 of such Act (formerly) 15 U.S.C. 1392, and if the Secretary publishes the reasons for such determination consistent with chapter 5 of title 5, United States Code.

"(B) COMPLETION.—

"(i) Period.—Action under paragraphs (1) through (4) of section 2503 which was begun under subparagraph (A) shall be completed within 26 months of the date of publication of an advance notice of proposed rulemaking or 18 months of the date of publication of a notice of proposed rulemaking. The Secretary may extend for any reason the period for completion of a rulemaking initiated by the issuance of a notice of proposed rulemaking for not more than 6 months if the Secretary publishes the reasons for such extension. The extension of such period shall not be considered agency action subject to judicial review.

"(ii) Action.—A rulemaking under paragraphs (1) through (4) of section 2503 shall be considered completed when the Secretary promulgates a final rule or when the Secretary decides not to promulgate a rule (which decision may include deferral of the action or reinitiation of the action). The Secretary may not decide against promulgation of a final rule because of lack of time to complete rulemaking. Any such rulemaking actions shall be published in the Federal Register, together with the reasons for such decisions, consistent with chapter 5 of title 5, United States Code, and the National Traffic and Motor Vehicle Safety Act of 1966 (formerly 15 U.S.C. 1381 et seq.).

"(iii) Special Rule.—

"(1) Period.—Action under paragraph (5) of section 2503 which was begun under subparagraph (A) shall be completed within 24 months of the date of publication of an advance notice of proposed rulemaking or a notice of proposed rulemaking. If the Secretary determines that there is a need for delay and if the public comment period is closed, the Secretary may extend the date for completion for not more than 6 months and shall publish in the Federal Register a notice stating the reasons for the extension and setting a date certain for completion of the action. The extension of the completion date shall not be considered agency action subject to judicial review.

"(2) Action.—A rulemaking under paragraph (5) of section 2503 shall be considered completed when the Secretary promulgates a final rule with standards on improved head injury protection.

"(C) Standard.—The Secretary may, as part of any action taken under section 2503, amend any motor vehicle safety standard or establish a new standard under the National Traffic and Motor Vehicle Safety Act of 1966 (formerly) 15 U.S.C. 1381 et seq.).

"SEC. 2503. MATTERS BEFORE THE SECRETARY.

"The Secretary shall address the following matters in accordance with section 2502:

"(1) Protection against unreasonable risk of roll-overs of passenger cars, multipurpose passenger vehicles, and trucks with a gross vehicle weight rating of 8,500 pounds or less and an unloaded vehicle weight of 5,500 pounds or less.

"(2) Extension of passenger car side impact protection to multipurpose passenger vehicles and trucks with a gross vehicle weight rating of 8,500 pounds or less.

"(3) Safety of child booster seats used in passenger cars and other appropriate motor vehicles.

"(4) Improved design for safety belts.

"(5) Improved head impact protection from interior components of passenger cars (i.e. roof rails, pillars, and front headers).

"SEC. 2504. REPEAL.

"(a) repeal of 2502(b)(1) to (3).

"(b) repeal of 2502(b)(4).

"(c) repeal of 2502(b)(6).

"(d) repeal of 2502(b)(7).

"SEC. 2505. REPEAL.

"(b) repeal of 2502(b)(6).

"(c) repeal of 2502(b)(7).

"SEC. 2506. REAR SEATBELTS.

"The Secretary shall expend such portion of the funds authorized to be appropriated under the Motor Vehicle Information and Cost Savings Act (formerly) 15 U.S.C. 1901 et seq.), for fiscal year 1993, as the Secretary deems necessary for the purpose of disseminating information to consumers regarding the manner in which passenger cars may be retrofitted with lap and shoulder seatbelts.

"SEC. 2507. BRAKE PERFORMANCE STANDARDS FOR PASSENGER CARS.

"Not later than December 31, 1993, the Secretary, in accordance with the National Traffic and Motor Vehicle Safety Act of 1966 (formerly 15 U.S.C. 1381 et seq.), shall publish an advance notice of proposed rulemaking to consider the need for any additional brake performance standards for passenger cars, including antilock brake standards. The Secretary shall complete such rulemaking (in accordance with section 2502(b)(2)(B)(i)) not later than 36 months from the date of initiation of such advance notice of proposed rulemaking. In order to facilitate and encourage innovation and early application of economical and effective antilock brake systems for all such vehicles, the Secretary shall, as part of the rulemaking, consider any such brake system adopted by a manufacturer.

"SEC. 2509. HEAD INJURY IMPACT STUDY.

"The Secretary, in the case of any head injury protection matters not subject to section 2503(b) for which the Secretary is on the date of enactment of this Act [Dec. 18, 1991] examining the need for rulemaking and is conducting research, shall provide a report to Congress by the end of fiscal year 1993 identifying those matters and their status. The report shall include a statement of any actions planned toward initiating such rulemaking no later than fiscal year 1994 or 1995 through use of either an advance notice of proposed rulemaking or a notice of proposed rulemaking and completing such rulemaking as soon as possible thereafter.

"FUEL SYSTEM INTEGRITY STANDARD

"(a) RATIFICATION OF STANDARD.—Federal Motor Vehicle Safety Standard Number 301 (49 CFR 571.301–75; Docket No. 73–20, Notice 2) as published on March 21, 1974 (39 F.R. 10588–10590) shall take effect on the dates set forth in such standard (as so published).

"(b) AMENDMENT OR REPEAL OF STANDARD.—The Secretary may amend the standard described in subsection (a) in order to correct technical errors in the standard, and may amend or repeal such standard if he determines such amendment or repeal will not diminish the level of motor vehicle safety.

"EX. ORD. No. 11357. ADMINISTRATION OF TRAFFIC AND MOTOR VEHICLE SAFETY THROUGH NATIONAL HIGHWAY SAFETY BUREAU AND ITS DIRECTOR

Ex. Ord. No. 11357, June 6, 1967, 32 F.R. 8225, provided:

"By virtue of the authority vested in me as President of the United States by Section 201 of the Highway Safety Act of 1966, as amended (80 Stat. 733, 943) [set out as a note under section 401 of Title 23, Highways],
§ 30102. Definitions

(a) GENERAL DEFINITIONS.—In this chapter—

(1) “dealer” means a person selling and distributing new motor vehicles or motor vehicle equipment primarily to purchasers that in good faith purchase the vehicles or equipment other than for resale.

(2) “defect” includes any defect in performance, construction, a component, or material of a motor vehicle or motor vehicle equipment.

(3) “distributor” means a person primarily selling and distributing motor vehicles or motor vehicle equipment for resale.

(4) “interstate commerce” means commerce between a place in a State and a place in another State or between places in the same State through another State.

(5) “manufacturer” means a person—

(A) manufacturing or assembling motor vehicles or motor vehicle equipment; or

(B) importing motor vehicles or motor vehicle equipment for resale.

(6) “motor vehicle” means a vehicle driven or drawn by mechanical power and manufactured primarily for use on public streets, roads, and highways, but does not include a vehicle operated only on a rail line.

(7) “motor vehicle equipment” means—

(A) any system, part, or component of a motor vehicle as originally manufactured;

(B) any similar part or component manufactured or sold for replacement or improvement of a system, part, or component, or as an accessory or addition to a motor vehicle; or

(C) any device or an article or apparel (except medicine or eyeglasses prescribed by a licensed practitioner) that is not a system, part, or component of a motor vehicle and is manufactured, sold, delivered, offered, or intended to be used only to safeguard motor vehicles and highway users against risk of accident, injury, or death.

(8) “motor vehicle safety” means the performance of a motor vehicle or motor vehicle equipment in a way that protects the public against unreasonable risk of accidents occurring because of the design, construction, or performance of a motor vehicle, and against unreasonable risk of death or injury in an accident, and includes nonoperational safety of a motor vehicle.

(9) “motor vehicle safety standard” means a minimum standard for motor vehicle or motor vehicle equipment performance.

(b) LIMITED DEFINITIONS.—(1) In sections 30117(b), 30118–30121, and 30166(f) of this title—

(A) “adequate repair” does not include repair resulting in substantially impaired operation of a motor vehicle or motor vehicle equipment;

(B) “first purchaser” means the first purchaser of a motor vehicle or motor vehicle equipment other than for resale;

(C) “original equipment” means motor vehicle equipment (including a tire) installed in or on a motor vehicle at the time of delivery to the first purchaser;

(D) “replacement equipment” means motor vehicle equipment (including a tire) that is not original equipment;

(E) a brand name owner of a tire marketed under a brand name not owned by the manufacturer of the tire is deemed to be the manufacturer of the tire;

(F) a defect in original equipment, or noncompliance of original equipment with a motor vehicle safety standard prescribed under this chapter, is deemed to be a defect or noncompliance of the motor vehicle in or on which the equipment was installed at the time of delivery to the first purchaser;

(G) a manufacturer of a motor vehicle in or on which original equipment was installed when delivered to the first purchaser is deemed to be the manufacturer of the equipment; and

(H) a retreader of a tire is deemed to be the manufacturer of the tire.

(2) The Secretary of Transportation may prescribe regulations changing paragraph (1)(C), (D), (F), or (G) of this subsection.

In subsection (a), the definitions apply to the entire chapter because of references in 15:1421–1431 applying 15:1391–1420 to 15:1421–1431. Before clause (1), the words “As used” are omitted as surplus. In clause (1), the text of 15:1391(10) and 49 App.:1655(a)(6)(A) is omitted as sur-
plus because the complete name of the Secretary of Transportation is used the first time the term appears in a section. The words “selling and distributing” are substituted for “who is engaged in the sale and distribution of” to eliminate unnecessary words. The word “purposes” is omitted as surplus. In clause (3), the words “selling and distributing” are substituted for “who is engaged in the sale and distribution of” to eliminate unnecessary words. In clause (5)(A), the words “manufacturing or assembling” are substituted for “engaged in the manufacturing or assembling of” to eliminate unnecessary words. In clause (7), the words “physician or other duly” and “drivers, passengers, and other” are omitted as surplus. In clause (8), the words “is also protected” and “to persons” are omitted as unnecessary. In clause (9), the words “which is practicable, which meets the need for motor vehicle safety and which provides objective criteria” are omitted as unnecessary because of 15:1392(a) which is restated in section 30111 of the revised title. In clauses (10) and (11), the words “the Northern Mariana Islands” are added because of section 502(a)(2) of the Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States of America, as enacted by the Act of March 24, 1976 (Public Law 94-241, 90 Stat. 238), and as proclaimed to be in effect by the President on January 9, 1978 (Proc. No. 4534, Oct. 24, 1977, 42 F.R. 56590). The words “the Canal Zone” are omitted because of the Panama Canal Treaty of 1977. In clause (10), the word “means” is substituted for “includes” as being more appropriate. The words “a State of the United States” are substituted for “each of the several States” for consistency. The words “the Commonwealth of” are omitted as surplus. In clause (11), the word “Federal” is omitted as surplus. The words “of the Commonwealth of Puerto Rico” are omitted as unnecessary because the district court of Puerto Rico is a district court of the United States under 28:119.

In subsection (b)(1), before clause (A), the words “The term” and “the term” are omitted as surplus. In clause (B), the words “of a motor vehicle or motor vehicle equipment” are added for clarity. In clause (E), the words “to be” are added for consistency. The words “marketed under such brand name” are omitted as surplus. In clause (F), the words “a motor vehicle safety standard prescribed under this chapter” are added for clarity and consistency. The word “noncompliance” is substituted for “failure to comply” for consistency in the chapter. In clause (G), the words “(rather than the manufacturer of such equipment)” are added as surplus. The words “deemed to be” are substituted for “considered” for consistency. In clause (H), the words “which have been” are omitted as surplus. Subsection (b)(2) is substituted for “Except as otherwise provided in regulations of the Secretary” for clarity and because of the restatement.

LOW-SPEED ELECTRIC BICYCLES

§ 30103. Relationship to other laws

(a) UNIFORMITY OF REGULATIONS.—The Secretary of Transportation may not prescribe a safety regulation related to a motor vehicle subject to subchapter I of chapter 135 of this title that differs from a motor vehicle safety standard prescribed under this chapter. However, the Secretary may prescribe, for a motor vehicle operated by a carrier subject to subchapter I of chapter 135, a safety regulation that imposes a higher standard of performance after manufacture than that required by an applicable standard in effect at the time of manufacture.

(b) PREEMPTION.—(1) When a motor vehicle safety standard is in effect under this chapter, a State or a political subdivision of a State may prescribe or continue in effect a standard applicable to the same aspect of performance of a motor vehicle or motor vehicle equipment only if the standard is identical to the standard prescribed under this chapter. However, the United States Government, a State, or a political subdivision of a State may prescribe a standard for a motor vehicle or motor vehicle equipment obtained for its own use that imposes a higher performance requirement than that required by the otherwise applicable standard under this chapter.

(2) A State may enforce a standard that is identical to a standard prescribed under this chapter.

(c) ANTITRUST LAWS.—This chapter does not—

(1) exempt from the antitrust laws conduct that is unlawful under those laws; or

(2) prohibit under the antitrust laws conduct that is lawful under those laws.

(d) WARRANTY OBLIGATIONS AND ADDITIONAL LEGAL RIGHTS AND REMEDIES.—Sections 30118–30121, 30166(f), and 30167(a) and (b) of this title do not establish or affect a warranty obligation under a law of the United States or a State. A remedy under those sections and sections 30161 and 30162 of this title is in addition to other rights and remedies under other laws of the United States or a State.

(e) COMMON LAW LIABILITY.—Compliance with a motor vehicle safety standard prescribed under this chapter does not exempt a person from liability at common law.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

In subsection (a), the words “or the Transportation of Explosives Act, as amended (18 U.S.C. 831–835)” are omitted as obsolete because 18:831–835 have been repealed. The word “prescribe” is substituted for “adopt” for consistency. The words “or continue in effect” and “prescribing safety regulations” are omitted as surplus. The word “prescribed” is substituted for “issued” for consistency. The words “to comply” and “Federal” are omitted as surplus. The words “in effect” are added for clarity.

In subsection (b)(1), the word “Federal” is omitted as surplus. The word “prescribe” is substituted for “either
to establish, or to continue in effect" for consistency and to eliminate unnecessary words. The words “standard prescribed under this chapter” are substituted for “‘Federal standard’ for clarity. The words “However, the United States . . . may prescribe” are substituted for “Nothing in this section shall be construed to prevent the Federal . . . from establishing” for consistency. The words “of a State” are substituted for “thereof” for clarity. The word “standard” is substituted for “safety requirement” for consistency. The words “performance requirement” are substituted for “standard of performance” to avoid using “standard” in 2 different ways.

Subsection (b)(2) is substituted for 15:1392(d) (2d sentence) for consistency and to eliminate unnecessary words.

In subsection (c), the words “be deemed to” and “of the United States” are omitted as surplus.

In subsection (d), the words “United States” are substituted for “‘Federal’” in 15:1420 for consistency. The words “Consumer” in 15:1420, “not in lieu of” in 15:1410a(e) and 1420, and “not in substitution for” in 15:1394(a)(6) are omitted as surplus. The word “other” is added for clarity.

AMENDMENTS

AMENDEMENT

§ 30104. Authorization of appropriations

There is authorized to be appropriated to the Secretary $98,313,500 for the National Highway Traffic Safety Administration to carry out this part in each fiscal year beginning in fiscal year 1999 and ending in fiscal year 2001.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

In this section, before clause (1), the words “to the Secretary of Transportation for the National Highway Traffic Safety Administration” are substituted for “‘For the National Highway Traffic Safety Administration” for clarity and consistency in the revised title and with other titles of the United States Code. The reference to fiscal year 1992 is omitted as obsolete.

AMENDMENTS

1999—Pub. L. 106–39 substituted “$98,313,500” for “$81,200,000”.

1996—Pub. L. 105–178 reenacted section catchline without change and amended text generally. Prior to amendment, text read as follows: “The following amounts may be appropriated to the Secretary of Transportation for the National Highway Traffic Safety Administration to carry out this chapter: ‘‘(1) $71,333,436 for the fiscal year ending September 30, 1993. ‘‘(2) $74,944,106 for the fiscal year ending September 30, 1994. ‘‘(3) $76,857,782 for the fiscal year ending September 30, 1995.’’”

§ 30105. Restriction on lobbying activities

(a) IN GENERAL.—No funds appropriated to the Secretary for the National Highway Traffic Safety Administration shall be available for any activity specifically designed to urge a State or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body.

(b) APPEARANCE AS WITNESS NOT BARRED.—Subsection (a) does not prohibit officers or employees of the United States from testifying before any State or local legislative body in response to the invitation of any member of that legislative body or a State executive office.

AMENDMENTS

EFFECTIVE DATE OF 1998 AMENDMENT

§ 30106. Rented or leased motor vehicle safety and responsibility

(a) IN GENERAL.—An owner of a motor vehicle that rents or leases the vehicle to a person (or an affiliate of the owner) shall not be liable under the law of any State or political subdivision thereof, by reason of being the owner of the vehicle (or an affiliate of the owner), for harm to persons or property that results or arises out of the use, operation, or possession of the vehicle during the period of the rental or lease, if—

(1) the owner (or an affiliate of the owner) is engaged in the trade or business of renting or leasing motor vehicles; and

(2) there is no negligence or criminal wrongdoing on the part of the owner (or an affiliate of the owner).

(b) Financial Responsibility Laws.—Nothing in this section supersedes the law of any State or political subdivision thereof—

(1) imposing financial responsibility or insurance standards on the owner of a motor vehicle for the privilege of registering and operating a motor vehicle; or

(2) imposing liability on business entities engaged in the trade or business of renting or leasing motor vehicles for failure to meet the financial responsibility or liability insurance requirements under State law.

(c) Applicability and Effective Date.—Notwithstanding any other provision of law, this section shall apply with respect to any action commenced on or after the date of enactment of this section without regard to whether the harm that is the subject of the action, or the conduct that caused the harm, occurred before such date of enactment.
(d) DEFINITIONS.—In this section, the following definitions apply:

(1) AFFILIATE.—The term “affiliate” means a person other than the owner that directly or indirectly controls, is controlled by, or is under common control with the owner. In the preceding sentence, the term “control” means the power to direct the management and policies of a person whether through ownership of voting securities or otherwise.

(2) OWNER.—The term “owner” means a person who is—

(A) a record or beneficial owner, holder of title, lessor, or lessee of a motor vehicle;
(B) entitled to the use and possession of a motor vehicle subject to a security interest in another person; or
(C) a lessee, lessee, or a bailee of a motor vehicle, in the trade or business of renting or leasing motor vehicles, having the use or possession thereof, under a lease, bailment, or otherwise.

(3) PERSON.—The term “person” means any individual, corporation, company, limited liability company, trust, association, firm, partnership, society, joint stock company, or any other entity.

REFERENCES IN TEXT
The date of enactment of this section, referred to in subsec. (c), is the date of enactment of Pub. L. 109–99, which was approved Aug. 10, 2005.

SUBCHAPTER II—STANDARDS AND COMPLIANCE

§ 30111. Standards

(a) GENERAL REQUIREMENTS.—The Secretary of Transportation shall prescribe motor vehicle safety standards. Each standard shall be practicable, meet the need for motor vehicle safety, and be stated in objective terms.

(b) CONSIDERATIONS AND CONSULTATION.—When prescribing a motor vehicle safety standard under this chapter, the Secretary shall—

(1) consider relevant available motor vehicle safety information;
(2) consult with the agency established under the Act of August 20, 1958 (Public Law 85–684, 72 Stat. 635), and other appropriate State or interstate authorities (including legislative committees);
(3) consider whether a proposed standard is reasonable, practicable, and appropriate for the particular type of motor vehicle or motor vehicle equipment for which it is prescribed; and
(4) consider the extent to which the standard will carry out section 30101 of this title.

(c) COOPERATION.—The Secretary may advise, assist, and cooperate with departments, agencies, and instrumentalities of the United States Government, States, and other public and private agencies in developing motor vehicle safety standards.

(d) EFFECTIVE DATES OF STANDARDS.—The Secretary shall specify the effective date of a motor vehicle safety standard prescribed under this chapter in the order prescribing the standard. A standard may not become effective before the 180th day after the standard is prescribed or later than one year after it is prescribed. However, the Secretary may prescribe a different effective date after finding for good cause shown, that a different effective date is in the public interest and publishing the reasons for the finding.

(e) 5-YEAR PLAN FOR TESTING STANDARDS.—The Secretary shall establish and periodically review and update on a continuing basis a 5-year plan for testing motor vehicle safety standards prescribed under this chapter that the Secretary considers capable of being tested. In developing the plan and establishing testing priorities, the Secretary shall consider factors the Secretary considers appropriate, consistent with section 30101 of this title and the Secretary’s other duties and powers under this chapter. The Secretary may change at any time those priorities to address matters the Secretary considers of greater priority. The initial plan may be the 5-year plan for compliance testing in effect on December 18, 1991.

stituted for “the date . . . is to take effect” to elimi-
nate unnecessary words. The words “under this chap-
ter” are added for clarity. The words “However, the
Secretary may prescribe a different effective date” are
substituted for “unless the Secretary” for clarity. The
word “different” is substituted for “earlier or later” to
eliminate unnecessary words.
In subsection (e), the words “duties and powers” are
substituted for “responsibilities”, and the word
“change” is substituted for “adjust”, and for clarity
and consistency in the revised title.

REFERENCES IN TEXT
Act of August 20, 1958, referred to in subsec. (b)(2), is
set out as a note under former section 313 of Title 23,
Highways.

PEDESTRIAN SAFETY ENHANCEMENT
that:

"SECTION 1. SHORT TITLE.
"This Act may be cited as the ‘Pedestrian Safety En-
hancement Act of 2010’.

"SECTION 2. DEFINITIONS.
"As used in this Act—
"(1) the term ‘Secretary’ means the Secretary of
Transportation;
"(2) the term ‘alert sound’ (herein referred to as the
‘sound’) means a vehicle-emitted sound to enable pe-
destrians to discern vehicle presence, direction, loca-
tion, and operation;
"(3) the term ‘cross-over speed’ means the speed at
which tire noise, wind resistance, or other factors
eliminate the need for a separate alert sound as de-
termined by the Secretary;
"(4) the term ‘motor vehicle’ has the meaning given
such term in section 30102(a)(1) of title 49, United
States Code, except that such term shall not include
a trailer (as such term is defined in section 571.3 of
title 49, Code of Federal Regulations);
"(5) the term ‘conventional motor vehicle’ means a
motor vehicle powered by a gasoline, diesel, or alter-
native fueled internal combustion engine as its sole
means of propulsion;
"(6) the term ‘manufacturer’ has the meaning given
such term in section 30102(a)(5) of title 49, United
States Code;
"(7) the term ‘dealer’ has the meaning given such
term in section 30102(a)(1) of title 49, United States
Code;
"(8) the term ‘defect’ has the meaning given such
term in section 30102(a)(2) of title 49, United States
Code;
"(9) the term ‘hybrid vehicle’ means a motor vehi-
cle which has more than one means of propulsion; and
"(10) the term ‘electric vehicle’ means a motor vehi-
cle with an electric motor as its sole means of pro-
pulsion.

"SEC. 3. MINIMUM SOUND REQUIREMENT FOR
MOTOR VEHICLES.

"(a) RULEMAKING REQUIRED.—Not later than 18
months after the date of enactment of this Act (Jan. 4,
2011) the Secretary shall initiate rulemaking, under
section 30111 of title 49, United States Code, to promul-
gate a motor vehicle safety standard—
"(1) establishing performance requirements for an
alert sound that allows blind and other pedestrians to
reasonably detect a nearby electric or hybrid vehicle
operating below the cross-over speed, if any; and
"(2) requiring new electric or hybrid vehicles to
provide an alert sound conforming to the require-
ments of the motor vehicle safety standard estab-
lished under this subsection.

"The motor vehicle safety standard established under
this subsection shall not require either driver or pedes-
trian activation of the alert sound and shall allow the
pedestrian to reasonably detect a nearby electric or hy-
brid vehicle in critical operating scenarios including,
but not limited to, constant speed, accelerating, or de-
celerating. The Secretary shall allow manufacturers to
provide additional or more sounds that comply with the
motor vehicle safety standard at the time of
manufacture. Further, the Secretary shall require
manufacturers to provide, within reasonable manufac-
turing tolerances, the same sound or set of sounds for
all vehicles of the same make and model and shall pro-
hbit manufacturers from providing any mechanism for
anyone other than the manufacturer or the dealer to
disable, alter, replace, or modify the sound or set of
sounds, except that the manufacturer or dealer may
alter, replace, or modify the sound or set of sounds in
order to remedy a defect or non-compliance with the
motor vehicle safety standard. The Secretary shall pro-
mulgate the required motor vehicle safety standard
pursuant to this subsection not later than 36 months
after the date of enactment of this Act.

"(b) CONSIDERATION.—When conducting the required
rulemaking, the Secretary shall—
"(1) determine the minimum level of sound emitted
from a motor vehicle that is necessary to provide
blind and other pedestrians with the information
needed to reasonably detect a nearby electric or hy-
brid vehicle operating at or below the cross-over
speed, if any;
"(2) determine the performance requirements for an
alert sound that is recognizable to a pedestrian as a
motor vehicle in operation; and
"(3) consider the overall community noise impact.

"(c) Phase-In Requirement.—The motor vehicle safety
standard prescribed pursuant to subsection (a) of this
section shall establish a phase-in period for compli-
ance, as determined by the Secretary, and shall require
full compliance with the required motor vehicle safety
standard for motor vehicles manufactured on or after
September 1st of the calendar year that begins 3 years
after the date on which the final rule is issued.

"(d) REQUIRED CONSULTATION.—When conducting the
required study and rulemaking, the Secretary shall—
"(1) consult with the Environmental Protection
Agency to assure that the motor vehicle safety stand-
ard is consistent with existing noise requirements
overseen by the Agency;
"(2) consult consumer groups representing individ-
uals who are blind;
"(3) consult with automobile manufacturers and
professional organizations representing them;
"(4) consult technical standardization organiza-
tions responsible for measurement methods such as
the Society of Automotive Engineers, the Inter-
national Organization for Standardization, and the
United Nations Economic Commission for Europe,
World Forum for Harmonization of Vehicle Regula-
tions.

"(e) REQUIRED STUDY AND REPORT TO CONGRESS.—Not
later than 48 months after the date of enactment of
this Act, the Secretary shall complete a study and re-
port to Congress as to whether there exists a safety
need to apply the motor vehicle safety standard re-
quired by subsection (a) to conventional motor vehi-
cles. In the event that the Secretary determines there
exists a safety need, the Secretary shall initiate rule-
making under section 30111 of title 49, United States
Code, to extend the standard to conventional motor ve-
HICLES.

"SEC. 4. FUNDING.

"Notwithstanding any other provision of law,
$2,000,000 of any amounts made available to the Sec-
retary of Transportation under [sic] section 406 of
title 23, United States Code, shall be made available
to the Administrator of the National Highway Trans-
portation Safety Administration for carrying out sec-
tion 3 of this Act.”

CHILD SAFETY STANDARDS FOR MOTOR VEHICLES
that:
'SECTION 1. SHORT TITLE.

'This Act may be cited as the ‘Cameron Gulbransen Kids Transportation Safety Act of 2007’ or the ‘K.T. Safety Act of 2007’.

'SEC. 2. RULEMAKING REGARDING CHILD SAFETY.

'(a) Power Window Safety.—

' (1) Consideration of Rule.—Not later than 18 months after the date of the enactment of this Act [Feb. 28, 2008], the Secretary shall initiate a rulemaking to consider prescribing or amending Federal motor vehicle safety standards to require power windows and panels on motor vehicles to automatically reverse direction when such power windows and panels detect an obstruction to prevent children and others from being trapped, injured, or killed.

'(3) Publication of Noncompliant Vehicles.—

'(A) Information Submission.—Not later than 60 days after the date of the enactment of this Act [Feb. 28, 2008], the manufacturer shall transmit to the Secretary the make and model of motor vehicles that do not comply with the requirements of paragraph (1). Any motor vehicle not included in the publication under this subparagraph shall be presumed to comply with such requirements.

'(B) The database established pursuant to paragraph (1) shall be phased-in.

'(C) Phase-In Period.—

'(1) Phase-In Period Required.—The safety standards prescribed pursuant to subsections (a) and (b) shall establish a phase-in period for compliance, as determined by the Secretary, and require full compliance with the safety standards not later than 48 months after the date on which the final rule is issued.

'(2) Phase-In Priorities.—In establishing the phase-in period of the rearward visibility safety standards required under subsection (b), the Secretary shall consider whether to require the phase-in according to different types of motor vehicles based on data demonstrating the frequency by which various types of motor vehicles have been involved in backing incidents resulting in injury or death. If the Secretary determines that any type of motor vehicle should be given priority, the Secretary shall issue regulations that specify—

'(A) which type or types of motor vehicles shall be phased-in first; and

'(B) the percentages by which such motor vehicles shall be phased-in.

'(d) Preventing Motor Vehicles from Rolling Away.—

'(1) Requirement.—Each motor vehicle with an automatic transmission that includes a ‘park’ position manufactured for sale after September 1, 2010, shall be equipped with a system that requires the service brake to be depressed before the transmission can be shifted out of ‘park’. This system shall function in any starting system key position in which the transmission can be shifted out of ‘park’.

'(2) Treatment as Motor Vehicle Safety Standard.—A violation of paragraph (1) shall be treated as a violation of a motor vehicle safety standard prescribed under section 30111 of title 49, United States Code, and shall be subject to enforcement by the Secretary under chapter 30 of such title.

'(3) Publication of Noncompliant Vehicles.—

'(A) Information Submission.—Not later than 60 days after the date on which the final rule is issued.

'(B) Availability.—The database established pursuant to paragraph (1) shall be made available to the public through the Internet and other means.

'(2) Contents.—The database established pursuant to paragraph (1) shall include information regarding—

'(A) the number, types, and causes of injuries and deaths resulting from the events described in paragraph (1); and

'(B) other variables that the Secretary determines will enhance the value of the database.

'SEC. 3. CHILD SAFETY INFORMATION PROGRAM.

'(a) In General.—Not later than 9 months after the date of the enactment of this Act [Feb. 28, 2008], the Secretary shall provide information about hazards to children in nontraffic, noncrash incident situations relating to child safety; or

'(2) creating a new consumer information program relating to child safety.
(b) Program Requirements.—In carrying out the program under subsection (a), the Secretary shall—

(1) utilize information collected pursuant to section 2(f) regarding nontraffic, noncrash injuries, and other relevant data the Secretary considers appropriate, to establish priorities for the program;

(2) address ways in which parents and caregivers can reduce risks to small children arising from back-over incidents, hyperthermia in closed motor vehicles, accidental actuation of power windows, and any other risks the Secretary determines should be addressed; and

(3) make information related to the program available to the public through the Internet and other means.

SEC. 4. Deadlines.

If the Secretary determines that the deadlines applicable under this Act cannot be met, the Secretary shall—

(1) establish new deadlines; and

(2) notify the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate of the new deadlines and describing the reasons the deadlines specified under this Act could not be met.

Improving Criteria Used in a Recall

The Secretary shall, not later than 30 days after the date of the enactment of this Act [Nov. 1, 2000], undertake a comprehensive review of all standards, criteria, procedures, and methods, including data management and analysis used by the National Highway Traffic Safety Administration in determining whether to open a defect or noncompliance investigation pursuant to subchapter II or IV of chapter 301 of title 49, United States Code, and shall undertake such steps as may be necessary to update and improve such standards, criteria, procedures, or methods, including data management and analysis.

(b) Report to Congress.—Not later than 1 year after the date of the enactment of this Act [Nov. 1, 2000], the Secretary shall transmit to the Committee on Commerce (now Committee on Energy and Commerce) of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report describing the Secretary’s findings and actions under subsection (a).''

§ 30112. Prohibitions on manufacturing, selling, and importing noncomplying motor vehicles and equipment

(a) General.—(1) Except as provided in this section, sections 30113 and 30114 of this title, and subchapter III of this chapter, a person may not manufacture for sale, sell, offer for sale, introduce or deliver for introduction in interstate commerce, or import into the United States, any motor vehicle or motor vehicle equipment manufactured on or after the date an applicable motor vehicle safety standard prescribed under this chapter takes effect unless the vehicle or equipment complies with the standard and is covered by a certification issued under section 30115 of this title.

(2) Except as provided in this section, sections 30113 and 30114 of this title, and subchapter III of this chapter, a school or school system may not purchase or lease a new 15-passenger van if it will be used significantly by, or on behalf of, the school or school system to transport primary, primary, or secondary school stu-

In subsection (a), the words “Except as provided in this section...” are substituted for 15:1397(c)(1) to eliminate unnecessary words and because of the restatement. The reference to section 30113 is added for clarity.

In subsection (b), before clause (1), the text of 15:1397(b)(3) is omitted as obsolete because under section 30124 of the revised title a standard prescribed under this chapter may not allow compliance by use of a safety belt interlock or a continuous buzzer. In clause (2)(A), the words “despite exercising reasonable care” are substituted for “in the exercise of due care” for clarity and consistency in the revised title. The words “motor vehicle safety standards prescribed under this chapter” are substituted for “Federal motor vehicle safety standards” for clarity and consistency in this chapter. In clause (2)(B), the words “without knowing about the noncompliance” are substituted for “unless such person knows that such vehicle or equipment does not conform” to eliminate unnecessary words and for consistency in the revised title. Clauses (4)(8) are added to provide cross-references to sections restating exceptions to the general rule restated in subsection (a) of this section.

REFERENCES IN TEXT

The date of enactment of this paragraph, referred to in subsec. (a)(2), is the date of enactment of Pub. L. 109–59, which was approved Aug. 10, 2005.

AMENDMENTS

2005—Subsec. (a). Pub. L. 109–99, which directed amendment of section 30112a, without specifying the title to be amended, by designating existing provisions as par. (1) and adding par. (2), was executed to this section, to reflect the probable intent of Congress.

§ 30113. General exemptions

(a) Definition.—In this section, “low-emission motor vehicle” means a motor vehicle meeting the standards for new motor vehicles applicable to the vehicle under section 202 of the Clean Air Act (42 U.S.C. 7521) when the vehicle is manufactured and emitting an air pollutant in an amount significantly below one of those standards.

(b) Authority To Exempt and Procedures.—(1) The Secretary of Transportation may exempt, on a temporary basis, motor vehicles from a motor vehicle safety standard prescribed under this chapter or passenger motor vehicles from a bumper standard prescribed under chapter 325 of this title, on terms the Secretary considers appropriate. An exemption may be renewed. A renewal may be granted only on reconsideration by the Secretary of an application for a renewal filed at a time specified in the application and the Secretary require.

(2) The Secretary may begin a proceeding under this subsection when a manufacturer applies for an exemption or a renewal of an exemption. The Secretary shall publish notice of the application and provide an opportunity to comment. An application for an exemption or for a renewal of an exemption shall be filed at a time and in the way, and contain information, this section and the Secretary require.

(3) The Secretary may act under this subsection on finding that—

(A) an exemption is consistent with the public interest and this chapter or chapter 325 of this title (as applicable); and

(B)(i) compliance with the standard would cause substantial economic hardship to a manufacturer that has tried to comply with the standard in good faith;

(ii) the exemption would make easier the development or field evaluation of a new motor vehicle safety feature providing a safety level at least equal to the safety level of the standard;

(iii) the exemption would make the development or field evaluation of a low-emission motor vehicle easier and would not unreasonably lower the safety level of that vehicle; or

(iv) compliance with the standard would prevent the manufacturer from selling a motor vehicle with an overall safety level at least equal to the overall safety level of nonexempt vehicles.

(c) Contents of Applications.—A manufacturer applying for an exemption under subsection (b) of this section shall include the following information in the application:

(1) if the application is made under subsection (b)(3)(B)(ii) of this section, a record of the research, development, and testing establishing the innovative nature of the safety feature and a detailed analysis establishing that the safety level of the feature at least equals the safety level of the standard.

(2) if the application is made under subsection (b)(3)(B)(ii) of this section, a record of the research, development, and testing establishing that the motor vehicle is a low-emission motor vehicle and that the safety level of the vehicle is not lowered unreasonably by exemption from the standard.

(3) if the application is made under subsection (b)(3)(B)(ii) of this section, a detailed analysis showing how the vehicle provides an overall safety level at least equal to the overall safety of nonexempt vehicles.

(4) if the application is made under subsection (b)(3)(B)(ii) of this section, a detailed analysis showing how the vehicle provides an overall safety level at least equal to the overall safety level of nonexempt vehicles.

(d) Eligibility.—A manufacturer is eligible for an exemption under subsection (b)(3)(B)(i) of this section (including an exemption under subsection (b)(3)(B)(i) relating to a bumper standard referred to in subsection (b)(1)) only if the Secretary determines that the manufacturer’s total motor vehicle production in the most recent year of production is not more than 10,000. A manufacturer is eligible for an exemption under subsection (b)(3)(B)(ii), (iii), or (iv) of this section only if the Secretary determines the ex-
emption is for not more than 2,500 vehicles to be sold in the United States in any 12-month period.

(e) Maximum Period.—An exemption or renewal under subsection (b)(3)(B)(i) of this section may be granted for not more than 3 years. An exemption or renewal under subsection (b)(3)(B)(ii), (iii), or (iv) of this section may be granted for not more than 2 years.

(f) Disclosure.—The Secretary may make public, by the 10th day after an application is filed, information contained in the application or relevant to the application unless the information concerns or is related to a trade secret or other confidential information not relevant to the application.

(g) Notice of Decision.—The Secretary shall publish in the Federal Register a notice of each decision granting an exemption under this section and the reasons for granting it.

(h) Permanent Label Requirement.—The Secretary shall require a permanent label to be fixed to a motor vehicle granted an exemption under this section. The label shall either name or describe each motor vehicle safety standard prescribed under this chapter or bumper standard prescribed under chapter 325 of this title from which the vehicle is exempt. The Secretary may require that written notice of an exemption be delivered by appropriate means to the dealer and the first purchaser of the vehicle other than for resale.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)
30113(a) ... 15:1410(g).

30113(b) ... 15:1410(a) (1st sentence), (c)(1) (23d–last words), (2) (23d–last words).
30113(c) ... 15:1410(e).
30113(d) ... 15:1410(d).
30113(e) ... 15:1410(a)(1) (1st–22d words), (2) (1st–22d words).
30113(f) ... 15:1410(f).
30113(g) ... 15:1410(a) (last sentence).
30113(h) ... 15:1410(b).

In subsection (a), the words “the term” and “type of” are omitted as surplus. The words “when the vehicle is manufactured” are substituted for “at the time of manufacture” for consistency.

In subsection (b)(1), the words “Except as provided in subsection (d) of this section” are omitted as surplus. The words “to such extent” are omitted as being included in “on terms the Secretary considers appropriate”.

In subsection (b)(2), the words “The Secretary may begin a proceeding under this subsection . . . for an exemption or a renewal of an exemption” are added because of the restatement. The words “of the application” are added for clarity. The words “An application for an exemption or for a renewal of an exemption shall be filed” are added because of the restatement.

In subsection (b)(3)(A), the words “such temporary” and the objectives of” are omitted as surplus.

In subsection (b)(3)(B)(i), the words “to a manufacturer that” are substituted for “such manufacturer . . . and that the manufacturer” to eliminate unnecessary words. The words “from which it requests to be exempted” are omitted as surplus.

In subsection (b)(3)(B)(ii), the words “from which an exemption is sought” are omitted as surplus.

In subsection (b)(3)(B)(iii), the words “lower the safety level” are substituted for “degrade the safety” for clarity.

In subsection (b)(3)(B)(iv), the word “requiring” is omitted as surplus.

In subsection (c), before clause (1), the words “the following information” are added for clarity. In clause (1), the word “describing” is substituted for “the basis of showing” to eliminate unnecessary words. The words “each motor vehicle safety standard prescribed under this chapter from which the manufacturer is requesting an exemption” are substituted for “the standards” for clarity. In clauses (2) and (3), the words “a record” are substituted for “documentation” for consistency in the revised title. In clause (2), the words “establishing that the safety level of the feature at least equals the safety level of the standard” are substituted for “establishing that the level of safety of the new safety feature is equivalent to or exceeds the level of safety established in the standard from which the exemption is sought” because of the restatement. In clause (3), the word “level” is added, and the words “lowered . . . by exemption from the standard” are substituted for “degraded”, for consistency in this section. In clause (4), the words “at least equal to” are substituted for “equivalent to or exceeding” for consistency.

In subsection (f), the text of 15:1410(f) (1st sentence) is omitted as executed. The words “under this section all” and “other information” are omitted as surplus. The words “to the application” are substituted for “thereto” for clarity. The words “business” and “for exemption” are omitted as surplus.

In subsection (g), the words “The Secretary” are added for clarity. The word “temporary” is omitted as surplus. The words “under this section” are added for clarity.

In subsection (h), the words “a . . . label to be fixed to a motor vehicle granted an exemption under this section” are substituted for “labeling of each exempted motor vehicle . . . and be affixed to such exempted vehicles” for clarity. The words “of such exempted motor vehicle in such manner as he deems” are omitted as surplus. The words “motor vehicle safety standard prescribed under this chapter” are substituted for “the standards” for clarity and consistency in this chapter.

AMENDMENTS

Subsec. (b)(3)(A). Pub. L. 105–277, § 101(g) [title III, § 351(a)(2)], inserted “, or a bumper standard prescribed under chapter 325 of this title,” after “motor vehicle safety standard prescribed under this chapter”,

Subsec. (c)(1). Pub. L. 105–277, § 101(g) [title III, § 351(a)(3)], inserted “(including an exemption under subsection (b)(3)(B)(i) relating to a bumper standard referred to in subsection (b)(1))” after “subsection (b)(3)(B)(i) of this section”.

Subsec. (d). Pub. L. 105–277, § 101(g) [title III, § 351(a)(4)], inserted “or bumper standard prescribed under chapter 325 of this title” after “each motor vehicle safety standard prescribed under this chapter”.

§ 30114. Special exemptions

The Secretary of Transportation may exempt a motor vehicle or item of motor vehicle equipment from section 30112(a) of this title on terms the Secretary decides are necessary for research,
investigations, demonstrations, training, competitive racing events, show, or display.

HISTORICAL AND REVISION NOTES

The word “conditions” is omitted as being included in “terms”, and the word “studies” is omitted as being included in “research”. The word “solely” is omitted as unnecessary.

AMENDMENTS

1998—Pub. L. 105–178 substituted “competitive racing events, show, or display” for “or competitive racing events”.

TRANSITION RULE

Pub. L. 105–178, title VII, §7107(b), June 9, 1998, 112 Stat. 469, provided that: “A person who is the owner of a motor vehicle located in the United States on the date of enactment of this Act [June 9, 1998] may seek an exemption under section 30114 of title 49, United States Code, as amended by subsection (a) of this section, for a period of 6 months after the date regulations of the Secretary of Transportation promulgated in response to such amendment take effect.”

§ 30115. Certification of compliance

(a) IN GENERAL.—A manufacturer or distributor of a motor vehicle or motor vehicle equipment shall certify to the distributor or dealer at delivery that the vehicle or equipment complies with applicable motor vehicle safety standards prescribed under this chapter. A person may not issue the certificate if, in exercising reasonable care, the person has reason to know the certificate is false or misleading in a material respect.

Certification of a vehicle must be shown by a label or tag permanently fixed to the vehicle. Certification of equipment may be shown by a label or tag on the equipment or on the outside of the container in which the equipment is delivered.

(b) CERTIFICATION LABEL.—In the case of the certification label affixed by an intermediate or final stage manufacturer of a motor vehicle built in more than 1 stage, each intermediate or final stage manufacturer shall certify with respect to each applicable Federal motor vehicle safety standard—

(1) that it has complied with the specifications set forth in the compliance documentation provided by the incomplete motor vehicle manufacturer in accordance with regulations prescribed by the Secretary; or

(2) that it has elected to assume responsibility for compliance with that standard.

If the intermediate or final stage manufacturer elects to assume responsibility for compliance with the standard covered by the documentation provided by an incomplete motor vehicle manufacturer, the intermediate or final stage manufacturer shall notify the incomplete motor vehicle manufacturer in writing within a reasonable time of affixing the certification label. A violation of this subsection shall not be subject to a civil penalty under section 30165.

HISTORICAL AND REVISION NOTES

The words “fail to issue a certificate required by section 1403 of this title” in 15:1397(a)(1)(C) and the text of 15:1397(a)(1)(E) (related to 15:1403) are omitted as surplus. The word “certify” is substituted for “furnish . . . the certification” in 15:1403 to eliminate unnecessary words. The words “the time of” and “of such vehicle or equipment by such manufacturer or distributor” are omitted as surplus. The words “prescribed under this chapter” are added for clarity. The word “reasonable” is substituted for “due” in 15:1397(a)(1)(C) for consistency in the revised title. The words “to the effect that a motor vehicle or item of motor vehicle equipment conforms to all applicable Federal motor vehicle safety standards” are omitted because of the restatement. The words “shown by” are substituted for “in the form of” in 15:1403 for clarity.

AMENDMENTS

FOLLOW-UP REPORT

Pub. L. 106–414, §16, Nov. 1, 2000, 114 Stat. 1808, provided that: “One year after the date of the enactment of this Act [Nov. 1, 2000], the Secretary of Transportation shall report to the Congress on the implementation of the amendments made by this Act [see Short Title of 2000 Amendment note set out under section 30101 of this title] and any recommendations for additional amendments for consumer safety.”

§ 30116. Defects and noncompliance found before sale to purchaser

(a) ACTIONS REQUIRED OF MANUFACTURERS AND DISTRIBUTORS.—If, after a manufacturer or distributor sells a motor vehicle or motor vehicle equipment to a distributor or dealer and before the distributor or dealer sells the vehicle or equipment, it is decided that the vehicle or equipment contains a defect related to motor vehicle safety or does not comply with applicable motor vehicle safety standards prescribed under this chapter—

(1) the manufacturer or distributor immediately shall repurchase the vehicle or equipment at the price paid by the distributor or dealer, plus transportation charges and reasonable reimbursement of at least one percent a month of the price paid prorated from the date of notice of noncompliance or defect to the date of repurchase; or

(2) if a vehicle, the manufacturer or distributor immediately shall give to the distributor or dealer at the manufacturer’s or distributor’s own expense, the part or equipment needed to make the vehicle comply with the standards or correct the defect.
(b) DISTRIBUTOR OR DEALER INSTALLATION.—
The distributor or dealer shall install the part or equipment referred to in subsection (a)(2) of this section. If the distributor or dealer installs the part or equipment with reasonable diligence after it is received, the manufacturer shall reimburse the distributor or dealer for the reasonable value of the installation and a reasonable reimbursement of at least one percent of a month of the manufacturer’s or distributor’s selling price prorated from the date of notice of noncompliance or defect to the date the motor vehicle complies with applicable motor vehicle safety standards prescribed under this chapter or the defect is corrected.

(c) ESTABLISHING AMOUNT DUE AND CIVIL ACTIONS.—The parties shall establish the value of installation and the amount of reimbursement under this section. If the parties do not agree, or if a manufacturer or distributor refuses to comply with subsection (a) or (b) of this section, the distributor or dealer purchasing the motor vehicle or motor vehicle equipment may bring a civil action. The action may be brought in a United States district court for the judicial district in which the manufacturer or distributor resides, is found, or has an agent, to recover damages, court costs, and a reasonable attorney’s fee. An action under this section must be brought not later than 3 years after the claim accrues.

In subsection (a)(1), the words “as the case may be”, “from such distributor or dealer”, “all . . . involved”, and “by the manufacturer or distributor” are omitted as surplus.

In subsection (a)(2), the words “manufacturer’s or distributor’s” are substituted for “his” for clarity. The words “or parts” are omitted because of 1:1. The words “the vehicle comply with the standards or correct the defect” are substituted for “conforming” for clarity.

In subsection (b), the words “the part or equipment referred to in subsection (a)(2) of this section” are added because of the restatement. The words “If the distributor or dealer installs the part or equipment with reasonable diligence after it is received, the manufacturer shall reimburse the distributor or dealer” are substituted for “and for the installation involved the manufacturer shall reimburse such distributor or dealer . . . Provided, however, That the distributor or dealer proceeds with reasonable diligence with the installation after the required part, part or equipment are received” to eliminate unnecessary words. The words “on or in such vehicle” are omitted as surplus. The words “notice of noncompliance or defect” are substituted for “notice of such nonconformance”, and the words “complies with applicable motor vehicle safety standards prescribed under this chapter or the defect is corrected” are substituted for “is brought into conformance with applicable Federal standards”, to eliminate unnecessary words and for consistency in the revised title.

In subsection (c), the words “the amount of reimbursement” are substituted for “such reasonable reimbursements” for clarity and because of the restatement. The words “by mutual agreement” are omitted as surplus. The words “If the parties do not agree” are substituted for “or failing such agreement”, and the words “by the court pursuant to the provisions of subsection (b) of this section” are omitted, because of the restatement. The words “the requirements of”, “then”, “as the case may be”, and “without respect to the amount in controversy” are omitted as surplus. The words “civil action” are substituted for “suit” because of rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “against such manufacturer or distributor” are omitted as surplus. The word “judicial” is added for consistency. The words “to recover damages, court costs, and a reasonable attorney’s fee” are substituted for “and shall recover the damage by him sustained, as well as all court costs plus reasonable attorneys’ fees”, and the words “must be brought” are substituted for “shall be forever barred unless commenced”, to eliminate unnecessary words. The word “claim” is substituted for “cause of action” for consistency.

§ 30117. Providing information to, and maintaining records on, purchasers

(a) PROVIDING INFORMATION AND NOTICE.—The Secretary of Transportation may require that each manufacturer of a motor vehicle or motor vehicle equipment provide technical information related to performance and safety required to carry out this chapter. The Secretary may require the manufacturer to give the following notice of that information when the Secretary decides it is necessary:

(1) to each prospective purchaser of a vehicle or equipment before the first sale other than for resale at each location at which the vehicle or equipment is offered for sale by a person having a legal relationship with the manufacturer, in a way the Secretary decides is appropriate.

(2) to the first purchaser of a vehicle or equipment other than for resale when the vehicle or equipment is bought, in printed matter placed in the vehicle or attached to or accompanying the equipment.

(b) MAINTAINING PURCHASER RECORDS AND PROCEDURES.—(1) A manufacturer of a motor vehicle or tire (except a retreaded tire) shall cause to be maintained a record of the name and address of the first purchaser of each vehicle or tire it produces and, to the extent prescribed by regulations of the Secretary, shall cause to be maintained a record of the name and address of the first purchaser of replacement equipment (except a tire) that the manufacturer produces. The Secretary may prescribe by regulation the records to be maintained and reasonable procedures for maintaining the records under this subsection, including procedures to be followed by distributors and dealers to assist the manufacturer in obtaining the information required by this subsection. A procedure shall be reasonable for the type of vehicle or tire involved, and shall provide reasonable assurance that a customer list of a distributor or dealer, or similar information, will be made available to a person (except the distributor or dealer) only when necessary to carry out this subsection and sections 30116–30121, 30166(f), and 30167(a) and (b) of this title. Availability of assistance from a distributor or dealer does not affect an obligation of a manufacturer under this subsection.

(2)(A) Except as provided in paragraph (3) of this subsection, the Secretary may require a dis-
turbulator or dealer to maintain a record under paragraph (1) of this subsection only if the business of the distributor or dealer is owned or controlled by a manufacturer of tires.

(B) The Secretary shall require each distributor and dealer whose business is not owned or controlled by a manufacturer of tires to give a registration form (containing the tire identification number) to the first purchaser of a tire. The Secretary shall prescribe the form, which shall be standardized for all tires and designed to allow the purchaser to complete and return it directly to the manufacturer of the tire. The manufacturer shall give sufficient copies of forms to distributors and dealers.

(3)(A) The Secretary shall evaluate from time to time how successful the procedures under paragraph (2) of this subsection have been in helping to maintain records about first purchasers of tires. After each evaluation, the Secretary shall decide—

(i) the extent to which distributors and dealers have complied with the procedures;

(ii) the extent to which distributors and dealers have encouraged first purchasers of tires to register the tires; and

(iii) whether to prescribe for manufacturers, distributors, or dealers other requirements that the Secretary decides will increase significantly the percentage of first purchasers of tires about whom records are maintained.

(B) The Secretary may prescribe a requirement under subparagraph (A) of this paragraph only if the Secretary decides it is necessary to reduce the risk to motor vehicle safety, after considering—

(i) the cost of the requirement to manufacturers and the burden of the requirement on distributors and dealers, compared to the increase in the percentage of first purchasers of tires about whom records would be maintained as a result of the requirement;

(ii) the extent to which distributors and dealers have complied with the procedures in paragraph (2) of this subsection; and

(iii) the extent to which distributors and dealers have encouraged first purchasers of tires to register the tires.

(C) A manufacturer of tires shall reimburse distributors and dealers of that manufacturer’s tires for all reasonable costs incurred by the distributors and dealers in complying with a requirement prescribed by the Secretary under subparagraph (A) of this paragraph.

(D) After making a decision under subparagraph (A) of this paragraph, the Secretary shall submit to each House of Congress a report containing a detailed statement of the decision and an explanation of the reasons for the decision.

(c) ROLLOVER TESTS.—

(1) DEVELOPMENT.—Not later than 2 years from the date of the enactment of this subsection, the Secretary shall—

(A) develop a dynamic test on rollovers by motor vehicles for the purposes of a consumer information program; and

(B) carry out a program of conducting such tests.

(2) TEST RESULTS.—As the Secretary develops a test under paragraph (1)(A), the Secretary shall conduct a rulemaking to determine how best to disseminate test results to the public.

(3) MOTOR VEHICLES COVERED.—This subsection applies to motor vehicles, including passenger cars, multipurpose passenger vehicles, and trucks, with a gross vehicle weight rating of 10,000 pounds or less. A motor vehicle designed to provide temporary residential accommodations is not covered.

In this section, the text of 15:1397(a)(1)(B) related to 15:1401(d), (D) related to 15:1418(b), and (E) related to 15:1401(d) is omitted as surplus.

In subsection (a), before clause (1), the words “such performance data and other”, “as may be”, “the purposes of”, “performance and technical”, and “to carry out the purposes of this chapter” the 2d time they appear are omitted as surplus. In clause (i), the words “such manufacturer’s” and “which may include, but is not limited to, printed matter (A) available for retention by such prospective purchaser and (B) sent by mail to such prospective purchaser upon his request” are omitted as surplus. The words “legal relationship” are substituted for “contractual, proprietary, or other legal relationship” to eliminate unnecessary words.

In subsection (b)(1), the word “cause to be maintained” is substituted for “cause the establishment and maintenance of” to eliminate unnecessary words. The words “prescribe by regulation” are substituted for “by rule, specify for consistency and because ‘rule’ and ‘regulation’ are synonymous. The words “under this subsection” are added for clarity. The word “involved” is substituted for “for which they are prescribed” to eliminate unnecessary words. The words “the purpose of” and “except that . . . or not” are omitted as surplus. The words “from a distributor or dealer” are added for clarity.

In subsection (b)(3)(A), before clause (i), the words “At the end of the two-year period following the effective date of this paragraph” are omitted as expired. In clause (iii), the words “(or any combination of such groups)” are omitted as unnecessary.

In subsection (b)(3)(B), before clause (i), the words “may prescribe a requirement” are substituted for “may order by rule the imposition of requirements” for consistency and to eliminate unnecessary words.
§ 30118. Notification of defects and noncompliance

(a) Notification by Secretary.—The Secretary of Transportation shall notify the manufacturer of a motor vehicle or replacement equipment immediately after making an initial decision (through testing, inspection, investigation, or research carried out under this chapter, examining communications under section 30166(f) of this title, or otherwise) that the vehicle or equipment contains a defect related to motor vehicle safety or does not comply with an applicable motor vehicle safety standard prescribed under this chapter. The notification shall include the information on which the decision is based. The Secretary shall publish a notice of each decision under this subsection in the Federal Register. Subject to section 30167(a) of this title, the notification and information are available to any interested person.

(b) Defect and Noncompliance Proceedings and Orders.—(1) The Secretary may make a final decision that a motor vehicle or replacement equipment contains a defect related to motor vehicle safety or does not comply with an applicable motor vehicle safety standard prescribed under this chapter only after giving the manufacturer an opportunity to present information, views, and arguments on whether the manufacturer has reasonably met the notification requirements. If the Secretary decides that the manufacturer has not reasonably met the notification requirements, the Secretary shall order the manufacturer to take specified action to meet those requirements and may take any other action authorized under this chapter.

(2) If the Secretary decides under paragraph (1) of this subsection that the vehicle or equipment contains the defect or does not comply, the Secretary shall order the manufacturer to—

(A) give notification under section 30119 of this title to the owners, purchasers, and dealers of the vehicle or equipment of the defect or noncompliance; and

(B) remedy the defect or noncompliance under section 30120 of this title.

(c) Notification by Manufacturer.—A manufacturer of a motor vehicle or replacement equipment shall notify the Secretary by certified mail, and the owners, purchasers, and dealers of the vehicle or equipment as provided in section 30119(d) of this section, if the manufacturer—

(1) learns the vehicle or equipment contains a defect and decides in good faith that the defect is related to motor vehicle safety; or

(2) decides in good faith that the vehicle or equipment does not comply with an applicable motor vehicle safety standard prescribed under this chapter.

(d) Exemptions.—On application of a manufacturer, the Secretary shall exempt the manufacturer from this section if the Secretary decides a defect or noncompliance is inconsequential to motor vehicle safety. The Secretary may take action under this subsection only after notice in the Federal Register and an opportunity for any interested person to present information, views, and arguments.

(e) Hearings About Meeting Notification Requirements.—On the motion of the Secretary or on petition of any interested person, the Secretary may conduct a hearing to decide whether the manufacturer has reasonably met the notification requirements under this section. Any interested person may make written and oral presentations of information, views, and arguments on whether the manufacturer has reasonably met the notification requirements. If the Secretary decides that the manufacturer has not reasonably met the notification requirements, the Secretary shall order the manufacturer to take specified action to meet those requirements and may take any other action authorized under this chapter.
§ 30119  TITLE 49—TRANSPORTATION  Page 552

In this section, the text of 15:1397(a)(1)(D) (related to 15:1411, 1412, 1413(c) (1st sentence cl. (6)), and 1417) is omitted as surplus.

In subsection (a), the words “making an initial decision” are substituted for “determines” to distinguish the decision from the decision made under subsection (b) of this section. The words “of such determination”, “to the manufacturer”, and “of the Secretary” are omitted as surplus. The words “under this subsection” are added for clarity.

In subsection (b)(1), the words “may make a final decision” are substituted for “determines”, and the words “prescribed under this chapter” are added, for clarity and consistency in this chapter.

In subsection (b)(2), before clause (A), the words “If the Secretary decides under paragraph (1) of this subsection that the vehicle or equipment contains a defect or does not comply” are added for clarity and because of the restatement. The words “after such presentations by the manufacturer and interested persons” are omitted as surplus. In clause (A), the words “of the defect or noncompliance” are added for clarity.

In subsection (c), before clause (1), the words “A manufacturer of a motor vehicle or replacement equipment” are substituted for “manufactured by him” in 15:1411 for clarity. The words “shall notify” are substituted for “he shall furnish notification to” to eliminate unnecessary words. The words “to the Secretary, if section 1411 of this title applies” in 15:1413(c) (1st sentence cl. (6)) are omitted because of the restatement. The words “of the vehicle or equipment” are added for clarity. The words “and he shall remedy the defect or failure to comply” in 15:1411 are omitted as unnecessary because of the source provisions restated in section 30120 of the revised title.

In subsection (d), the words “any requirement under”, “to give notice with respect to”, and “as it relates” are omitted as surplus. The words “The Secretary may take action under this subsection only” are added because of the restatement.

In subsection (e), the words “(including a manufacturer)” are omitted as surplus. The word “information” is substituted for “data” for consistency in the revised title.

AMENDMENTS

2000—Pub. L. 106–346, § 101(a) [title III, § 364], which directed amendment of this section in subsecs. (a), (b)(1), and (c), by inserting “original equipment,” before “or replacement equipment” wherever appearing, and in subsec. (c), by redesignating pars. (1) and (2) as subpars. (A) and (B), respectively, and realigning margins, by substituting “(1) In general.—A manufacturer” for “A manufacturer”, and by adding a new par (2) relating to duty of manufacturers, was repealed by Pub. L. 106–414, § 2. See Construction of 2000 Amendment note below.

CONSTRUCTION OF 2000 AMENDMENT

§ 30119. Notification procedures

(a) CONTENTS OF NOTIFICATION.—Notification by a manufacturer required under section 30118 of this title of a defect or noncompliance shall contain—

(1) a clear description of the defect or noncompliance;

(2) an evaluation of the risk to motor vehicle safety reasonably related to the defect or noncompliance;

(3) the measures to be taken to obtain a remedy of the defect or noncompliance;

(4) a statement that the manufacturer giving notice will remedy the defect or noncompliance without charge under section 30120 of this title;

(5) the earliest date on which the defect or noncompliance will be remedied without charge, and for tires, the period during which the defect or noncompliance will be remedied without charge under section 30120 of this title;

(6) the procedure the recipient of a notice is to follow to inform the Secretary of Transportation when a manufacturer, distributor, or dealer does not remedy the defect or noncompliance without charge under section 30120 of this title; and

(7) other information the Secretary prescribes by regulation.

(b) EARLIEST REMEDY DATE.—The date specified by a manufacturer in a notification under subsection (a)(5) of this section or section 30121(c)(2) of this title is the earliest date that parts and facilities reasonably can be expected to be available to remedy the defect or noncompliance. The Secretary may disapprove the date.

(c) TIME FOR NOTIFICATION.—Notification required under section 30118 of this title shall be given within a reasonable time—

(1) prescribed by the Secretary, after the manufacturer receives notice of a final decision under section 30118(b) of this title; or

(2) after the manufacturer first decides that a safety-related defect or noncompliance exists under section 30118(c) of this title.

(d) MEANS OF PROVIDING NOTIFICATION.—(1) Notification required under section 30118 of this title about a motor vehicle shall be sent by first class mail—

(A) to each person registered under State law as the owner and whose name and address are reasonably ascertainable by the manufacturer through State records or other available sources; or

(B) if a registered owner is not notified under clause (A) of this paragraph, to the most recent purchaser known to the manufacturer.

(2) Notification required under section 30118 of this title about replacement equipment (except a tire) shall be sent by first class mail to the most recent purchaser known to the manufacturer. In addition, if the Secretary decides that public notice is required for motor vehicle safety, public notice shall be given in the way required by the Secretary after consulting with the manufacturer.

(3) Notification required under section 30118 of this title about a tire shall be sent by first class mail (or, if the manufacturer prefers, by certified mail) to the most recent purchaser known to the manufacturer. In addition, if the Secretary decides that public notice is required for motor vehicle safety, public notice shall be given in the way required by the Secretary after consulting with the manufacturer. In deciding whether public notice is required, the Secretary shall consider—
omitted as surplus. The words "by a manufacturer" are added for clarity. In clause (3), the words "a statement of" are omitted as surplus. In clause (4), the word "remedy" is substituted for "cause . . . to be remedied" to eliminate unnecessary words. In clause (5), the words "(specified in accordance with the second and third sentences of section 1414(b)(2) of this title)" are omitted as surplus. In clause (6), the words "a description of" are omitted as surplus. The words "under section 30120 of this title" are added for consistency with the source provisions restated in this subsection. In clause (7), the words "in addition to such . . . a" are omitted as surplus.

In subsection (b), the words "in a notification under subsection (a)(5) of this section or section 30211(c) of this title" are substituted for "In either case" because of the restatement. The words "may disapprove" are substituted for "shall be subject to disapproval by" to eliminate unnecessary words.

In subsection (c)(2), the words "decides that a safety-related defect or noncompliance exists" are substituted for "makes a determination with respect to a defect or failure to comply" for clarity.

In subsection (d), the text of 15:1413(c) (1st sentence words before cl. (1)) is incorporated into each paragraph as appropriate.

In subsection (d)(1)(A), the words "who is" and "of such vehicle" are omitted as surplus.

In subsection (d)(4), the words "or dealers" are omitted because of 1:1. The words "of such manufacturer" are omitted as surplus.

In subsection (e), the word "replacement" is added for clarity and consistency with the source provisions being restated in subsection (d) of this section.

§ 30120. Remedies for defects and noncompliance

(a) WAYS TO REMEDY.—(1) Subject to subsections (f) and (g) of this section, when notification of a defect or noncompliance is required under section 30118(b) or (c) of this title, the manufacturer of the defective or noncomplying motor vehicle or replacement equipment shall remedy the defect or noncompliance without charge when the vehicle or equipment is presented for remedy. Subject to subsections (b) and (c) of this section, the manufacturer shall remedy the defect or noncompliance in any of the following ways the manufacturer chooses:

(A) if a vehicle—

(i) by repairing the vehicle;

(ii) by replacing the vehicle with an identical or reasonably equivalent vehicle; or

(iii) by refunding the purchase price, less a reasonable allowance for depreciation.

(B) if replacement equipment, by repairing the equipment or replacing the equipment with identical or reasonably equivalent equipment.

(2) The Secretary of Transportation may prescribe regulations to allow the manufacturer to

In subsection (a), before clause (1), the words "a motor vehicle or item of replacement equipment" are

In subsection (b), the words "in a notification under subsection (a)(5) of this section or section 30211(c) of this title" are substituted for "In either case" because of the restatement. The words "may disapprove" are substituted for "shall be subject to disapproval by" to eliminate unnecessary words.

In subsection (c)(2), the words "decides that a safety-related defect or noncompliance exists" are substituted for "makes a determination with respect to a defect or failure to comply" for clarity.

In subsection (d), the text of 15:1413(c) (1st sentence words before cl. (1)) is incorporated into each paragraph as appropriate.

In subsection (d)(1)(A), the words "who is" and "of such vehicle" are omitted as surplus.

In subsection (d)(4), the words "or dealers" are omitted because of 1:1. The words "of such manufacturer" are omitted as surplus.

In subsection (e), the word "replacement" is added for clarity and consistency with the source provisions being restated in subsection (d) of this section.

§ 30120. Remedies for defects and noncompliance

(a) WAYS TO REMEDY.—(1) Subject to subsections (f) and (g) of this section, when notification of a defect or noncompliance is required under section 30118(b) or (c) of this title, the manufacturer of the defective or noncomplying motor vehicle or replacement equipment shall remedy the defect or noncompliance without charge when the vehicle or equipment is presented for remedy. Subject to subsections (b) and (c) of this section, the manufacturer shall remedy the defect or noncompliance in any of the following ways the manufacturer chooses:

(A) if a vehicle—

(i) by repairing the vehicle;

(ii) by replacing the vehicle with an identical or reasonably equivalent vehicle; or

(iii) by refunding the purchase price, less a reasonable allowance for depreciation.

(B) if replacement equipment, by repairing the equipment or replacing the equipment with identical or reasonably equivalent equipment.

(2) The Secretary of Transportation may prescribe regulations to allow the manufacturer to

In subsection (a), before clause (1), the words "a motor vehicle or item of replacement equipment" are

In subsection (b), the words "in a notification under subsection (a)(5) of this section or section 30211(c) of this title" are substituted for "In either case" because of the restatement. The words "may disapprove" are substituted for "shall be subject to disapproval by" to eliminate unnecessary words.

In subsection (c)(2), the words "decides that a safety-related defect or noncompliance exists" are substituted for "makes a determination with respect to a defect or failure to comply" for clarity.

In subsection (d), the text of 15:1413(c) (1st sentence words before cl. (1)) is incorporated into each paragraph as appropriate.

In subsection (d)(1)(A), the words "who is" and "of such vehicle" are omitted as surplus.

In subsection (d)(4), the words "or dealers" are omitted because of 1:1. The words "of such manufacturer" are omitted as surplus.

In subsection (e), the word "replacement" is added for clarity and consistency with the source provisions being restated in subsection (d) of this section.

§ 30120. Remedies for defects and noncompliance

(a) WAYS TO REMEDY.—(1) Subject to subsections (f) and (g) of this section, when notification of a defect or noncompliance is required under section 30118(b) or (c) of this title, the manufacturer of the defective or noncomplying motor vehicle or replacement equipment shall remedy the defect or noncompliance without charge when the vehicle or equipment is presented for remedy. Subject to subsections (b) and (c) of this section, the manufacturer shall remedy the defect or noncompliance in any of the following ways the manufacturer chooses:

(A) if a vehicle—

(i) by repairing the vehicle;

(ii) by replacing the vehicle with an identical or reasonably equivalent vehicle; or

(iii) by refunding the purchase price, less a reasonable allowance for depreciation.

(B) if replacement equipment, by repairing the equipment or replacing the equipment with identical or reasonably equivalent equipment.

(2) The Secretary of Transportation may prescribe regulations to allow the manufacturer to

In subsection (a), before clause (1), the words "a motor vehicle or item of replacement equipment" are

In subsection (b), the words "in a notification under subsection (a)(5) of this section or section 30211(c) of this title" are substituted for "In either case" because of the restatement. The words "may disapprove" are substituted for "shall be subject to disapproval by" to eliminate unnecessary words.

In subsection (c)(2), the words "decides that a safety-related defect or noncompliance exists" are substituted for "makes a determination with respect to a defect or failure to comply" for clarity.

In subsection (d), the text of 15:1413(c) (1st sentence words before cl. (1)) is incorporated into each paragraph as appropriate.

In subsection (d)(1)(A), the words "who is" and "of such vehicle" are omitted as surplus.

In subsection (d)(4), the words "or dealers" are omitted because of 1:1. The words "of such manufacturer" are omitted as surplus.

In subsection (e), the word "replacement" is added for clarity and consistency with the source provisions being restated in subsection (d) of this section.
impose conditions on the replacement of a motor vehicle or refund of its price.

(b) Tire Remedies.—(1) A manufacturer of a tire, including an original equipment tire, shall remedy a defective or noncomplying tire if the owner or purchaser presents the tire for remedy not later than 60 days after the later of—
   (A) the day the owner or purchaser receives notification under section 30119 of this title; or
   (B) if the manufacturer decides to replace the tire, the day the owner or purchaser receives notification that a replacement is available.

(2) If the manufacturer decides to replace the tire and the replacement is not available during the 60-day period, the owner or purchaser must present the tire for remedy during a subsequent 60-day period that begins only after the owner or purchaser receives notification that a replacement will be available during the subsequent period. If tires are available during the subsequent period, only a tire presented for remedy during that period must be remedied.

(c) Adequacy of Repairs.—(1) If a manufacturer decides to repair a defective or noncomplying motor vehicle or replacement equipment and the repair is not done adequately within a reasonable time, the manufacturer shall—
   (A) replace the vehicle or equipment without charge with an identical or reasonably equivalent vehicle or equipment; or
   (B) for a vehicle, refund the purchase price, less a reasonable allowance for depreciation.

(2) Failure to repair a motor vehicle or replacement equipment adequately not later than 60 days after its presentation is prima facie evidence of failure to repair within a reasonable time. However, the Secretary may extend, by order, the 60-day period if good cause for an extension is shown and the reason is published in the Federal Register before the period ends.

Presentation of a vehicle or equipment for repair before the date specified by a manufacturer in a notice under section 30119(a)(5) or 30121(c)(2) of this title is not a presentation under this subsection.

(3) If the Secretary determines that a manufacturer's remedy program is not likely to be capable of completion within a reasonable time, the Secretary may require the manufacturer to accelerate the remedy program if the Secretary finds—
   (A) that there is a risk of serious injury or death if the remedy program is not accelerated; and
   (B) that acceleration of the remedy program can be reasonably achieved by expanding the sources of replacement parts, expanding the number of authorized repair facilities, or both.

The Secretary may prescribe regulations to carry out this paragraph.

(d) Filing manufacturer's Remedy Program.—A manufacturer shall file with the Secretary a copy of the manufacturer's program under this section for remedying a defect or noncompliance. The Secretary shall make the program available to the public and publish a notice of availability in the Federal Register. A manufacturer's remedy program shall include a plan for reimbursing an owner or purchaser who incurred the cost of the remedy within a reasonable time in advance of the manufacturer's notification under subsection (b) or (c) of section 30118. The Secretary may prescribe regulations establishing what constitutes a reasonable time for purposes of the preceding sentence and other reasonable conditions for the reimbursement plan. In the case of a remedy program involving the replacement of tires, the manufacturer shall include a plan addressing how to prevent, to the extent reasonably within the control of the manufacturer, replaced tires from being resold for installation on a motor vehicle, and how to limit, to the extent reasonably within the control of the manufacturer, the disposal of replaced tires in landfills, particularly through shredding, crumbling, recycling, recovery, and other alternative beneficial non-vehicular uses. The manufacturer shall include information about the implementation of such plan with each quarterly report to the Secretary regarding the progress of any notification or remedy campaigns.

(e) Hearings About Meeting Remedy Requirements.—On the motion of the Secretary or on application by any interested person, the Secretary may conduct a hearing to decide whether the manufacturer has reasonably met the remedy requirements under this section. Any interested person may make written and oral presentations of information, views, and arguments on whether the manufacturer has reasonably met the remedy requirements. If the Secretary decides a manufacturer has not reasonably met the remedy requirements, the Secretary shall order the manufacturer to take specified action to meet those requirements and may take any other action authorized under this chapter.

(f) Fair Reimbursement to Dealers.—A manufacturer shall pay fair reimbursement to a dealer providing a remedy without charge under this section.

(g) Nonapplication.—(1) The requirement that a remedy be provided without charge does not apply if the motor vehicle or replacement equipment was bought by the first purchaser more than 10 calendar years, or the tire, including an original equipment tire, was bought by the first purchaser more than 5 calendar years, before notice is given under section 30118(c) of this title or an order is issued under section 30118(b) of this title, whichever is earlier.

(2) This section does not apply during any period in which enforcement of an order under section 30118(b) of this title is restrained or the order is set aside in a civil action to which section 30212(d) of this title applies.

(h) Exemptions.—On application of a manufacturer, the Secretary shall exempt the manufacturer from this section if the Secretary decides a defect or noncompliance is inconsequential to motor vehicle safety. The Secretary may take action under this subsection only after notice in the Federal Register and an opportunity for any interested person to present information, views, and arguments.

(i) Limitation on Sale or Lease.—(1) If notification is required by an order under section 30118(b) of this title or is required under section 30118(c) of this title the manufacturer has
provided to a dealer (including retailers of motor vehicle equipment) notification about a new motor vehicle or new item of replacement equipment in the dealer’s possession at the time of notification that contains a defect related to motor vehicle safety or does not comply with an applicable motor vehicle safety standard prescribed under this chapter, the dealer may sell or lease the motor vehicle or item of replacement equipment only if—

(A) the defect or noncompliance is remedied as required by this section before delivery under the sale or lease; or

(B) when the notification is required by an order under section 30118(b) of this title, enforcement of the order is restrained or the order is set aside in a civil action to which section 30212(d) of this title applies.

(2) This subsection does not prohibit a dealer from offering for sale or lease the vehicle or equipment.

(j) Prohibition on Sales of Replaced Equipment.—No person may sell or lease any motor vehicle equipment (including a tire), for installation on a motor vehicle, that is the subject of a decision under section 30118(b) or a notice required under section 30118(c) in a condition that it may be reasonably used for its original purpose unless—

(1) the defect or noncompliance is remedied as required by this section before delivery under the sale or lease; or

(2) notification of the defect or noncompliance is required under section 30118(b) but enforcement of the order is set aside in a civil action to which section 30212(d) of this title applies.

In this section, the text of 15:1397(a)(1)(D) (related to 15:1414(a)(1)(D) (last sentence) and (c), and (H(II) is omitted as surplus.

In subsection (a)(1), before clause (A), the words “Subject to subsections (f) and (g) of this section” are added for clarity. The words “with an applicable Federal motor vehicle safety standard . . . which relates to motor vehicle safety” and “pursuant to such notification” are omitted as surplus. The words “shall remedy are substituted for “shall cause such defect or failure to comply in such motor vehicle or such item of replacement equipment to be remedied” to eliminate unnecessary words. The words “the defect or noncompliance” are added for clarity. In clauses (A) and (B), the words “without charge” are omitted as unnecessary because of the words “without charge” in this subsection before this clause (A). In clause (A), the words “presented for remedy pursuant to such notification” and “of such motor vehicle in full” are omitted as surplus.

Subsection (a)(2) is substituted for 15:1414(a)(2)(A) (last sentence) for clarity.

In subsection (b)(1), before clause (A), the words “shall remedy a defective or noncomplying tire if they are substituted for “shall not be obligated to remedy such tire if such tire is not” to eliminate unnecessary words and for consistency. The words “pursuant to notification” are omitted as surplus. In clause (B), the words “decides to replace the tire” are substituted for “elects replacement” for clarity.

Subsection (b)(2) is substituted for 15:1414(a)(5)(B) to eliminate unnecessary words.

In subsection (c)(1), the words before clause (A) are substituted for “Whenever a manufacturer has elected under subsection (a) of this section to cause the repair of a defect in a motor vehicle or item of replacement equipment or of a failure of such vehicle or item of replacement equipment to comply with a motor vehicle safety standard, and he has failed to cause such defect or failure to comply to be adequately repaired within a reasonable time, then (A) he shall” to eliminate unnecessary words. In clause (A), the word “replace” is substituted for “cause . . . to be replaced” for consistency. In clause (B), the word “refund” is substituted for “shall cause . . . to be refunded” for consistency. The words “in full” and “and if the manufacturer so elects” are omitted as surplus.

In subsection (c)(2), the word “presentation” is substituted for “tender” for clarity. The words “for repair” are omitted as surplus. The last sentence is substituted for 15:1414(b)(2) (last sentence) because of the restatement.

In subsection (e), the words “(including a manufacturer)” are omitted as surplus. The word “information” is substituted for “data” for consistency in the revised title.

In subsection (f), the word “fair” is substituted for “fair and equitable” to eliminate unnecessary words. The words “for such remedy” are omitted as surplus. The words “providing a” are substituted for “who effects” for consistency.
In subsection (g)(2), the words "In the case of notification required by an order" are omitted as unnecessary. The word "civil" is added because of rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.).

In subsection (h), the words "any requirement under", "or to remedy", and "as it relates" are omitted as surplus. The words "The Secretary may take action under this subsection only" are added because of the restatement.

AMENDMENTS

Subsec. (d). Pub. L. 106–414, § 7, inserted at end "In the case of a remedy program involving the replacement of tires, the manufacturer shall include a plan addressing how to prevent, to the extent reasonably within the control of the manufacturer, replaced tires from being resold for installation on a motor vehicle, and how to limit, to the extent reasonably within the control of the manufacturer, the disposal of replaced tires in landfills, particularly through shredding, crumbling, recycling, recovery, and other alternative beneficial non-vehicular uses. The manufacturer shall include information about the implementation of such plan with each quarterly report to the Secretary regarding the progress of any notification or remedy campaigns."

Pub. L. 106–414, § 8(b), inserted at end "A manufacturer's remedy program shall include a plan for reimbursing an owner or purchaser who incurred the cost of the remedy within a reasonable time in advance of the manufacturer's notification under subsection (b) or (c) of section 30118. The Secretary may prescribe regulations establishing what constitutes a reasonable time for purposes of the preceding sentence and other reasonable conditions for the reimbursement plan."

Subsec. (g)(1). Pub. L. 106–414, § 4, substituted "10 calendar years" for "3 calendar years" and "8 calendar years" for "5 calendar years"

§ 30121. Provisional notification and civil actions to enforce

(a) Provisional Notification.—(1) The Secretary of Transportation may order a manufacturer to issue a provisional notification if a civil action about an order issued under section 30118(b) of this title has been brought under section 30119(b), (c), or (d) of this title.

(2) A notification under this subsection does not relieve a manufacturer of liability for not giving notification required by an order under section 30118(b) of this title.

(b) Civil Actions for Not Notifying.—(1) A manufacturer that does not notify owners and purchasers as required under subsection (a) of this section is liable for a civil penalty regardless of whether the manufacturer prevails in an action referred to in subsection (a) of this section or the court in that action enforces it. Enforcement may be enjoined only if the court decides that the failure to notify is reasonable and that the manufacturer has demonstrated the likelihood of prevailing on the merits. If enforcement is enjoined, the manufacturer is not liable during the time the order is stayed.

(2) A manufacturer that does not notify owners and purchasers as required under subsection (a) of this section is liable for a civil penalty regardless of whether the manufacturer prevails in an action referred to in subsection (a) of this section or the court in that action enforces it. Enforcement may be enjoined only if the court decides that the failure to notify is reasonable and that the manufacturer has demonstrated the likelihood of prevailing on the merits. If enforcement is enjoined, the manufacturer is not liable during the time the order is stayed.

(c) Orders to Manufacturers.—If the Secretary prevails in a civil action referred to in subsection (a) of this section, the Secretary shall order the manufacturer—

(1) to notify each owner, purchaser, and dealer described in section 30119(b) of the title of the outcome of the action and other information the Secretary requires, and notification under this clause may be combined with notification required under section 30118(b) of this title;

(2) to specify the earliest date under section 30119(b) of this title on which the defect or noncompliance will be remedied without charge under section 30120 of this title; and

(3) if notification was required under subsection (a) of this section, to reimburse an owner or purchaser for reasonable and necessary expenses (in an amount that is not more than the amount specified in the order of the Secretary under subsection (a)) incurred for repairing the defect or noncompliance during the period beginning on the date that notification was required to be issued and ending on the date the owner or purchaser receives the notification under this subsection.

(d) Venue.—Notwithstanding section 30163(c) of this title, a civil action about an order issued under section 30118(b) of this title must be brought in the United States district court for a judicial district in the State in which the manufacturer is incorporated or the District of Columbia. On motion of a party, the court may transfer the action to another district court if good cause is shown. All actions related to the same order under section 30118(b) shall be consolidated in an action in one judicial district under an order of the court in which the first action was brought. If the first action is transferred to another court, that court shall issue the consolidation order.

In this section, the text of 15:1397(a)(1)(D) (related to 15:1415) is omitted as surplus. In subsection (a)(1), before clause (A), the words “and to which subsection (a) of this section applies” are omitted because of the restatement. In clause (A), the words “prescribed under this chapter” are substituted for “Federal”, and the words “civil action” are substituted for “proceeding”, for consistency. In clause (B), the words “that there is such a defect or failure” are omitted as surplus. In clause (C), the words “considers” is substituted for “which in the judgment of . . . are” to eliminate unnecessary words. In clause (D), the word “remedy” is substituted for “cause . . . to be remedied” to eliminate unnecessary words. The words “civil action” are substituted for “court proceeding” for consistency.

In subsection (b)(1), the words “with respect to such failure to notify” are omitted as surplus. The word “enjoys” is substituted for “restrains” for consistency. The words “of such an order” and “for which the effectiveness of” are omitted as surplus.

In subsection (b)(2), the words “by an order”, “or not”, and “(to which subsection (a) of the section applies)” are omitted as surplus.

In subsection (c), before clause (1), the words “a civil action referred to in subsection (a) of this section” are substituted for “(4) a manufacturer falls within the period specified in section 1413(b) of this title to comply with an order under section 1412(b) of this title to afford notification to owners and purchasers, (ii) a civil action to which subsection (a) of this section applies is commenced with respect to such order, and (iii) . . . in such action” to eliminate unnecessary words. In clause (1), the word “action” is substituted for “proceeding” for consistency. The words “containing” and “by an order” are omitted as surplus. In clause (2), the words “under section 30101(b) of this title” are substituted for “in accordance with the second and third sentences of section 1414(b) of this title” for clarity. The words “under section 30120 of this title” are added for clarity. In clause (3), the words “which are . . . by such owner or purchaser”, “the purpose of”, and “to which the order relates” are omitted as surplus.

In subsection (d), the words “Notwithstanding section 30103(c) of this title” are added for clarity. For “an applicable Federal motor vehicle safety standard” for consistency. The words “of design” the 2d time they appear and “rendered o” are omitted as surplus.

In subsection (e), the words “the purposes of this chapter” being more precise.

In subsection (d), the words “with respect . . . the rendering inoperative of” are omitted as surplus.
are designed and made in a way consistent with section 30101 of this title. A person may not sell, offer for sale, introduce for sale, or deliver for introduction in interstate commerce, a regrooved tire or a vehicle equipped with regrooved tires unless authorized by the Secretary.

(b) **Uniform Quality Grading System, Nomenclature, and Marketing Practices.**—The Secretary shall prescribe through standards a uniform quality grading system for motor vehicle tires to help consumers make an informed choice when purchasing tires. The Secretary also shall cooperate with industry and the Federal Trade Commission to the greatest extent practicable to eliminate deceptive and confusing tire nomenclature and marketing practices. A tire standard or regulation prescribed under this chapter supersedes an order or administrative interpretation of the Commission.

(c) **Maximum Load Standards.**—The Secretary shall require a motor vehicle to be equipped with tires that meet maximum load standards when the vehicle is loaded with a reasonable amount of luggage and the total number of passengers the vehicle is designed to carry. The vehicle shall be equipped with those tires by the manufacturer or by the first purchaser when the vehicle is first bought in good faith other than for resale.

In subsection (a), the words “to a motor vehicle safety standard prescribed under this chapter” are substituted for “in all standards for . . . established under subchapter I of this chapter . . . thereto” for consistency and because of the restatement. In subsection (b)(1)(A) and (B), the word “suitable” is omitted as surplus. In subsection (b)(1)(C), the words “for a tire containing . . . which it shall also contain” to eliminate unnecessary words. The word “allowing” is substituted for “would permit” for consistency. In subsection (b)(3), the word “actual” is omitted as surplus. In subsection (b)(5)(A), the word “statement” is substituted for “recital” for clarity. The words “complies with” are substituted for “conforms to”, the words “prescribed under this chapter” are substituted for “Federal”, and the word “or” is substituted for “except that in lieu of such recital” for consistency. In subsection (b)(5)(B), the word “appropriate” is omitted as surplus.

In subsection (d)(2), the words “by order” are omitted as surplus. The words “a regrooved tire or a motor vehicle equipped with regrooved tires” are substituted for “any tire or motor vehicle equipped with any tire which has been regrooved” for consistency. The words “A person may not . . . unless authorized by the Secretary” are substituted for “No person shall” for clarity and consistency in the revised title. The word “introduce” is substituted for “introduction” after “or” to correct a mistake.

In subsection (e), the words “The Secretary shall prescribe through standards are substituted for “within two years after September 9, 1966, the Secretary shall, through standards established under subchapter I of this chapter, prescribe by order, and publish in the Federal Register” in 15:1423 to eliminate necessary and executed words. The text of 15:1423 (2d sentence) is omitted as executed. The last sentence is substituted for 15:1425 to eliminate unnecessary words.

In subsection (f), the words “In standards established under subchapter I of this chapter” and “fully” are omitted as surplus. The words “The vehicle shall be equipped” are added for clarity.

### Amendments

1998—Pub. L. 105–178 redesignated subsecs. (d) to (f) as (a) to (c), respectively, and struck out former subsecs. (a) to (c), which related to labeling requirements, contents of label, and additional information that may be required, respectively.

### Improved Tire Information

Pub. L. 106–414, §11, Nov. 1, 2000, 114 Stat. 1806, provided that:

“(a) **Tire Labeling.**—Within 30 days after the date of the enactment of this Act [Nov. 1, 2000], the Secretary of Transportation shall initiate a rulemaking proceeding to improve the labeling of tires required by section 30123 of title 49, United States Code[,] to assist consumers in identifying tires that may be the subject of a decision under section 30121(b) of title 49 or a notice required under section 3011(c). The Secretary shall complete the rulemaking not later than June 1, 2002.

“(b) **Inflation Levels and Load Limits.**—In the rulemaking initiated under subsection (a), the Secretary may take whatever additional action is appropriate to ensure that the public is aware of the importance of observing motor vehicle tire load limits and maintaining proper tire inflation levels for the safe operation of a motor vehicle. Such additional action may include a requirement that the manufacturer of motor vehicles provide the purchasers of the motor vehicles information on appropriate tire inflation limits and loading requirements, respectively, if the Secretary determines that requiring such manufacturers to provide such information is the most appropriate way such information can be provided.”

### Tire Pressure Warning

Pub. L. 106–414, §13, Nov. 1, 2000, 114 Stat. 1806, provided that: “Not later than 1 year after the date of the enactment of this Act [Nov. 1, 2000], the Secretary of Transportation shall complete a rulemaking for a regulation to require a warning system in new motor vehicles to indicate to the operator when a tire is significantly under inflated. Such requirement shall become effective not later than 2 years after the date of the completion of such rulemaking.”

§ 30124. Buzzers indicating nonuse of safety belts

A motor vehicle safety standard prescribed under this chapter may not require or allow a manufacturer to comply with the standard by using a safety belt interlock designed to prevent starting or operating a motor vehicle if an occupant is not using a safety belt or a buzzer designed to indicate a safety belt is not in use, except a buzzer that operates only during the 8-
second period after the ignition is turned to the “start” or “on” position.

The text of 15:1410b(a) and (c)–(e) is omitted as obsolete. The text of 15:1410b(b)(2) and (3) and (f)(2) and (3) is omitted as unnecessary because of the restatement. The words “After the effective date of the amendment prescribed under subsection (a) of this section” are omitted as executed. The words “prescribed under this chapter” are substituted for “Federal” for consistency in this chapter.

§ 30125. Schoolbuses and schoolbus equipment

(a) DEFINITIONS.—In this section—

(1) “schoolbus” means a passenger motor vehicle designed to carry a driver and more than 10 passengers, that the Secretary of Transportation decides is likely to be used significantly to transport preprimary, primary, and secondary school students to or from school or an event related to school.

(2) “schoolbus equipment” means equipment designed primarily for a schoolbus or manufactured or sold to replace or improve a system, part, or component of a schoolbus or as an accessory or addition to a schoolbus.

(b) STANDARDS.—The Secretary shall prescribe motor vehicle safety standards for schoolbuses and schoolbus equipment manufactured in, or imported into, the United States. Standards shall include minimum performance requirements for—

(1) emergency exits;

(2) interior protection for occupants;

(3) floor strength;

(4) seating systems;

(5) crashworthiness of body and frame (including protection against rollover hazards);

(6) vehicle operating systems;

(7) windows and windshields; and

(8) fuel systems.

(c) TEST DRIVING BY MANUFACTURERS.—The Secretary may require by regulation a schoolbus or an accessory or addition to a schoolbus to be test-driven by a manufacturer before introduction in commerce.

The words “In order” are omitted as surplus. The words “United States Government” are substituted for “standards” to avoid using “standards” in 2 different ways. The text of 15:1397(b)(1) (last 6 words) is omitted as executed.

In subsection (c), the text of 15:1397(a)(1)(F) is omitted as unnecessary because of the restatement.

§ 30126. Used motor vehicles

To ensure a continuing and effective national safety program, it is the policy of the United States Government to encourage and strengthen State inspection of used motor vehicles. Therefore, the Secretary of Transportation shall prescribe uniform motor vehicle safety standards applicable to all used motor vehicles. The standards shall be stated in terms of motor vehicle safety performance.

The words “In order” are omitted as surplus. The words “United States Government” are substituted for “standards” to avoid using “standards” in 2 different ways. The text of 15:1397(b)(1) (last 6 words) is omitted as executed.

In subsection (c), the text of 15:1397(a)(1)(F) is omitted as unnecessary because of the restatement.

§ 30127. Automatic occupant crash protection and seat belt use

(a) DEFINITIONS.—In this section—

(1) “bus” means a motor vehicle with motive power (except a trailer) designed to carry more than 10 individuals.

(2) “multipurpose passenger vehicle” means a motor vehicle with motive power (except a trailer) designed to carry not more than 10 individuals, that is constructed either on a truck chassis or with special features for occasional off-road operation.

(3) “passenger car” means a motor vehicle with motive power (except a multipurpose passenger vehicle, motorcycle, or trailer) designed to carry not more than 10 individuals.

(4) “truck” means a motor vehicle with motive power (except a trailer) designed primarily to transport property or special purpose equipment.

(b) INFLATABLE RESTRAINT REQUIREMENTS.—(1) Not later than September 1, 1993, the Secretary of Transportation shall prescribe under this chapter an amendment to Federal Motor Vehicle Safety Standard 208 issued under the National
Traffic and Motor Vehicle Safety Act of 1966. The amendment shall require that the automatic occupant crash protection system for both of the front outboard seating positions for each of the following vehicles be an inflatable restraint (with lap and shoulder belts) complying with the occupant protection requirements under section 4.1.2.1 of Standard 208:

(A) 95 percent of each manufacturer's annual production of passenger cars manufactured after August 31, 1996, and before September 1, 1997.

(B) 80 percent of each manufacturer's annual production of buses, multipurpose passenger vehicles, and trucks (except walk-in van-type trucks and vehicles designed to be sold only to the United States Postal Service) with a gross vehicle weight rating of not more than 8,500 pounds and an unloaded vehicle weight of not more than 5,500 pounds manufactured after August 31, 1997, and before September 1, 1998.

(C) 100 percent of each manufacturer's annual production of passenger cars manufactured after August 31, 1997.

(D) 100 percent of each manufacturer's annual production of vehicles described in clause (B) of this paragraph manufactured after August 31, 1998.

(2) Manufacturers may not use credits and incentives available before September 1, 1998, under the provisions of Standard 208 (as amended by this section) to comply with the requirements of paragraph (1)(D) of this subsection after August 31, 1998.

(c) Owner Manual Requirements.—In amending Standard 208, the Secretary of Transportation shall require, to be effective as soon as possible after the amendment is prescribed, that owner manuals for passenger cars, buses, multipurpose passenger vehicles, and trucks equipped with an inflatable restraint include a statement in an easily understandable format stating that—

(1) either or both of the front outboard seating positions of the vehicle are equipped with an inflatable restraint referred to as an “airbag” and a lap and shoulder belt;

(2) the “airbag” is a supplemental restraint and is not a substitute for lap and shoulder belts;

(3) lap and shoulder belts also must be used correctly by an occupant in a front outboard seating position to provide restraint or protection from frontal crashes as well as other types of crashes or accidents; and

(4) occupants should always wear their lap and shoulder belts, if available, or other safety belts, whether or not there is an inflatable restraint.

(d) Seat Belt Use Laws.—Congress finds that it is in the public interest for each State to adopt and enforce mandatory seat belt use laws and for the United States Government to adopt and enforce mandatory seat belt use regulations.

(e) Temporary Exemptions.—(1) On application of a manufacturer, the Secretary of Transportation may exempt, on a temporary basis, motor vehicles of that manufacturer from any requirement under subsections (b) and (c) of this section on terms the Secretary considers appropriate. An exemption may be renewed.

(2) The Secretary of Transportation may grant an exemption under paragraph (1) of this subsection if the Secretary finds that there has been a disruption in the supply of any component of an inflatable restraint or in the use and installation of that component by the manufacturer because of an unavoidable event not under the control of the manufacturer that will prevent the manufacturer from meeting its anticipated production volume of vehicles with those restraints.

(3) Only an affected manufacturer may apply for an exemption. The Secretary of Transportation shall prescribe in the amendment to Standard 208 required under this section the information an affected manufacturer must include in its application under this subsection. The manufacturer shall specify in the application the models, lines, and types of vehicles affected. The Secretary may consolidate similar applications from different manufacturers.

(4) An exemption or renewal of an exemption is conditioned on the commitment of the manufacturer to recall the exempted vehicles for installation of the omitted inflatable restraint within a reasonable time that the manufacturer proposes and the Secretary of Transportation approves after the components become available in sufficient quantities to satisfy both anticipated production and recall volume requirements.

(5) The Secretary of Transportation shall publish in the Federal Register a notice of each application under this subsection and each decision to grant or deny a temporary exemption and the reasons for the decision.

(6) The Secretary of Transportation shall require a label for each exempted vehicle that can be removed only after recall and installation of the required inflatable restraint. The Secretary shall require that written notice of the exemption be provided to the dealer and the first purchaser of each exempted vehicle other than for resale, with the notice being provided in a way, and containing the information, the Secretary considers appropriate.

(f) Application.—(1) This section revises, but does not replace, Standard 208 as in effect on December 18, 1991, including the amendment of March 26, 1991 (56 Fed. Reg. 12472), to Standard 208, extending the requirements for automatic crash protection, with incentives for more innovative automatic crash protection, to trucks, buses, and multipurpose passenger vehicles. This section may not be construed as—

(A) affecting another provision of law carried out by the Secretary of Transportation applicable to passenger cars, buses, multipurpose passenger vehicles, or trucks; or

(B) establishing a precedent related to developing or prescribing a Government motor vehicle safety standard.

(2) This section and amendments to Standard 208 made under this section may not be construed as indicating an intention by Congress to affect any liability of a motor vehicle manufacturer under applicable law related to vehicles with or without inflatable restraints.

(g) Report.—(1) On October 1, 1992, and annually after that date through October 1, 2000, the
Secretary of Transportation shall submit reports on the effectiveness of occupant restraint systems expressed as a percentage reduction in fatalities or injuries of restrained occupants compared to unrestrained occupants for—

(A) a combination of inflated restraints and lap and shoulder belts;
(B) inflated restraints only; and
(C) lap and shoulder belts only.

(2) In consultation with the Secretaries of Labor and Defense, the Secretary of Transportation also shall provide information and analysis on lap and shoulder belt use, nationally and in each State by—

(A) military personnel;
(B) Government, State, and local law enforcement officers;
(C) other Government and State employees; and
(D) the public.

(h) AIRBAGS FOR GOVERNMENT CARS.—In cooperation with the Administrator of General Services and the heads of appropriate departments, agencies, and instrumentalities of the Government, the Secretary of Transportation shall establish a program, consistent with applicable procurement laws of the Government and available appropriations, requiring that all passenger cars acquired—

(1) after September 30, 1994, for use by the Government be equipped, to the maximum extent practicable, with driver-side inflatable restraints; and
(2) after September 30, 1996, for use by the Government be equipped, to the maximum extent practicable, with inflatable restraints for both front outboard seating positions.

“3) Children who have outgrown their child safety seats should ride in a belt-positioning booster seat until an adult seat belt fits properly.

“4) Children who were properly restrained when riding in passenger motor vehicles suffered less severe injuries from accidents than children not properly restrained.

“SEC. 3. IMPROVEMENT OF SAFETY OF CHILD RESTRAINTS IN PASSENGER MOTOR VEHICLES.

“(a) IN GENERAL.—The Secretary of Transportation (hereafter referred to as the ‘Secretary’) shall initiate a rulemaking proceeding to establish performance requirements for child restraints, including booster seats, for the restraint of children weighing more than 50 pounds.

“(b) ELEMENTS FOR CONSIDERATION.—In the rulemaking proceeding required by subsection (a), the Secretary shall—

“(1) consider whether to include injury performance criteria for child restraints, including booster seats and other products for use in passenger motor vehicles for the restraint of children weighing more than 50 pounds, under the requirements established in the rulemaking proceeding;

“(2) consider whether to establish performance requirements for seat belt fit when used with booster seats and other belt guidance devices;

“(3) consider whether to address situations where children weighing more than 50 pounds only have access to seating positions with lap belts, such as allowing tethered child restraints for such children; and

“(4) review the definition of the term ‘booster seat’ in Federal motor vehicle safety standard No. 213 under section 571.213 of title 49, Code of Federal Regulations, to determine if it is sufficiently comprehensive.

“(c) COMPLETION.—The Secretary shall complete the rulemaking proceeding required by subsection (a) not later than 30 months after the date of the enactment of this Act [Dec. 4, 2002].

“SEC. 4. DEVELOPMENT OF ANTHROPOMORPHIC TEST DEVICE SIMULATING A 10-YEAR OLD CHILD.

“(a) DEVELOPMENT AND EVALUATION.—Not later than 24 months after the date of the enactment of this Act [Dec. 4, 2002], the Secretary shall develop and evaluate an anthropomorphic test device that simulates a 10-year old child for use in testing child restraints used in passenger motor vehicles.

“(b) ADOPTION BY RULEMAKING.—Within 1 year following the development and evaluation carried out under subsection (a), the Secretary shall initiate a rulemaking proceeding for the adoption of an anthropomorphic test device as developed under subsection (a).

“SEC. 5. REQUIREMENTS FOR INSTALLATION OF LAP AND SHOULDER BELTS.

“(a) IN GENERAL.—Not later than 24 months after the date of the enactment of this Act [Dec. 4, 2002], the Secretary shall complete a rulemaking proceeding to amend Federal motor vehicle safety standard No. 208 under section 571.208 of title 49, Code of Federal Regulations, relating to occupant crash protection, in order to—

“(1) require a lap and shoulder belt assembly for each rear designated seating position in a passenger motor vehicle with a gross vehicle weight rating of 10,000 pounds or less, except that if the Secretary determines that installation of a lap and shoulder belt assembly is not practicable for a particular designated seating position in a particular type of passenger motor vehicle, the Secretary may exclude the designated seating position from the requirement; and

“(2) apply that requirement to passenger motor vehicles in phases in accordance with subsection (b).

“(b) IMPLEMENTATION SCHEDULE.—The requirement prescribed under subsection (a)(1) shall be implemented in phases on a production year basis beginning with the production year that begins not later than 12 months after the end of the year in which the regulations are prescribed under subsection (a). The final rule shall apply to all passenger motor vehicles with a gross vehicle weight rating of 10,000 pounds or less that are manufactured in the third production year of the implementation phase-in under the schedule.

“SEC. 6. EVALUATION OF INTEGRATED CHILD SAFETY SYSTEMS.

“(a) EVALUATION.—Not later than 180 days after the date of enactment of this Act [Dec. 4, 2002], the Secretary shall initiate an evaluation of integrated or built-in child restraints and booster seats. The evaluation should include—

“(1) the safety of the child restraint and correctness of fit for the child;

“(2) the availability of testing data on the system and vehicle in which the child restraint will be used;

“(3) the compatibility of the child restraint with different makes and models;

“(4) the cost-effectiveness of mass production of the child restraint for consumers;

“(5) the ease of use and relative availability of the child restraint to children riding in motor vehicles; and

“(6) the benefits of built-in seats for improving compliance with State child occupant restraint laws.

“(b) REPORT.—Not later than 12 months after the date of enactment of this Act [Dec. 4, 2002], the Secretary shall transmit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report of this evaluation.

“SEC. 7. DEFINITIONS. ‘As used in this Act, the following definitions apply:

“(1) CHILD RESTRAINT.—The term ‘child restraint’ means any product designed to provide restraint to a child (including booster seats and other products used with a lap and shoulder belt assembly) that meets applicable Federal motor vehicle safety standards prescribed by the National Highway Traffic Safety Administration.

“(2) PRODUCTION YEAR.—The term ‘production year’ means the 12-month period between September 1 of a year and August 31 of the following year.

“(3) PASSENGER MOTOR VEHICLE.—The term ‘passenger motor vehicle’ has the meaning given that term in section 405(f)(5) of title 23, United States Code.

“SEC. 8. AUTHORIZATION OF APPROPRIATIONS.

“(a) IN GENERAL.—There are authorized to be appropriated $5,000,000 to the Secretary of Transportation for—

“(1) the evaluation required by section 6 of this Act; and

“(2) research of the nature and causes of injury to children involved in motor vehicle crashes.

“(b) LIMITATION.—Funds appropriated under subsection (a) shall not be available for the general administrative expenses of the Secretary.’

Pub. L. 106-414, § 14, Nov. 1, 2000, 114 Stat. 1806, provided that:

“(a) IN GENERAL.—Not later than 12 months after the date of the enactment of this Act [Nov. 1, 2000], the Secretary of Transportation shall initiate a rulemaking for the purpose of improving the safety of child restraints, including minimizing head injuries from side impact collisions.

“(b) ELEMENTS FOR CONSIDERATION.—In the rulemaking required by subsection (a), the Secretary shall consider—

“(1) whether to require more comprehensive tests for child restraints than the current Federal motor vehicle safety standards require, including the use of dynamic tests that—

“(A) replicate an array of crash conditions, such as side-impact crashes and rear-impact crashes; and
"(B) reflect the designs of passenger motor vehicles as of the date of the enactment of this Act [Nov. 1, 2000]."

(2) whether to require the use of anthropomorphic test devices that—

(A) represent a greater range of sizes of children including the need to require the use of an anthropomorphic test device that is representative of a ten-year-old child; and

(B) are Hybrid III anthropomorphic test devices;

(3) whether to require improved protection from head injuries in side-impact and rear-impact crashes;

(4) how to provide consumer information on the physical compatibility of child restraints and vehicle seats on a model-by-model basis;

(5) whether to prescribe clearer and simpler labels and instructions required to be placed on child restraints;

(6) whether to amend Federal Motor Vehicle Safety Standard No. 213 (49 CFR 571.213) to cover restraints for children weighing up to 80 pounds;

(7) whether to establish booster seat performance and structural integrity requirements to be dynamically tested in 3-point lap and shoulder belts;

(8) whether to apply scaled injury criteria performance levels, including neck injury, developed for Federal Motor Vehicle Safety Standard No. 208 to child restraints and booster seats covered by in Federal Motor Vehicle Safety Standard No. 213; and

(9) whether to include child restraint in each vehicle crash tested under the New Car Assessment Program.

(2) REPORT TO CONGRESS.—If the Secretary does not incorporate any element described in subsection (b) in the final rule, the Secretary shall explain, in a report to the Senate Committee on Commerce, Science, and Transportation and the House of Representatives Committee on Commerce [now Committee on Energy and Commerce] submitted within 30 days after issuing the final rule, specifically why the Secretary did not incorporate any such element in the final rule.

(3) COMPLETION.—Notwithstanding any other provision of law, the Secretary shall complete the rulemaking required by subsection (a) not later than 24 months after the date of the enactment of this Act [Nov. 1, 2000].

(4) FUNDING.—For each fiscal year, of the funds made available to the Secretary for activities relating to safety, not less than $750,000 shall be made available to carry out crash testing of child restraints.

(5) CHILD RESTRAINT SAFETY RATINGS PROGRAM.—No later than 12 months after the date of the enactment of this Act [Nov. 1, 2000], the Secretary of Transportation shall issue a notice of proposed rulemaking to establish a child restraint safety rating consumer information program to provide practicable, readily understandable, and timely information to consumers for use in making informed decisions in the purchase of child restraints. No later than 24 months after the date of the enactment of this Act the Secretary shall issue a final rule establishing a child restraint safety rating program and providing other consumer information which the Secretary determines would be useful to consumers who purchase child restraint systems.

(6) STUDY.—In addition to consideration of booster seat performance and structural integrity contained in subsection (b)(7), not later than 12 months after the date of the enactment of this Act [Nov. 1, 2000], the Secretary of Transportation shall initiate and complete a study, taking into account the views of the public, on the use and effectiveness of automobile booster seats for children, compiling information on the advantages and disadvantages of using booster seats and determining the benefits, if any, to children from use of booster with lap and shoulder belts compared to children using lap and shoulder belts alone, and submit a report on the results of that study to the Congress.

(1) BOOSTER SEAT EDUCATION PROGRAM.—The Secretary of Transportation within 1 year after the date of the enactment of this Act [Nov. 1, 2000] shall develop a 5 year strategic plan to reduce deaths and injuries caused by failure to use the appropriate booster seat in the 4 to 8 year old age group by 25 percent.

(a) RULEMAKING TO IMPROVE AIR BAGS.—

(1) NOTICE OF PROPOSED RULEMAKING.—Not later than September 1, 1998, the Secretary of Transportation shall issue a notice of proposed rulemaking to improve occupant protection for occupants of different sizes, belted and unbelted, under Federal Motor Vehicle Safety Standard No. 208, while minimizing the risk to infants, children, and other occupants from injuries and deaths caused by air bags, by means that include advanced air bags.

(2) FINAL RULE.—Notwithstanding any other provision of law, the Secretary shall complete the rulemaking required by this subsection by issuing, not later than September 1, 1999, a final rule with any provision the Secretary deems appropriate, consistent with paragraph (1) and the requirements of section 30111, title 49, United States Code. If the Secretary determines that the final rule cannot be completed by that date to meet the purposes of paragraph (1), the Secretary may extend to the date for issuing the final rule to not later than March 1, 2000.

(3) EFFECTIVE DATE.—The final rule issued under this subsection shall become effective in phases as rapidly as practicable, beginning not earlier than September 1, 2002, and no sooner than 30 months after the date of the issuance of the final rule, but not later than September 1, 2003. The final rule shall become fully effective for all vehicles identified in section 30127(b), title 49, United States Code, that are manufactured on and after September 1, 2005. Should the phase-in of the final rule required by this paragraph commence on September 1, 2003, then in that event, and only in that event, the Secretary is authorized to make the final rule fully effective on September 1, 2006, for all vehicles that are manufactured on and after that date.

(4) COORDINATION OF EFFECTIVE DATES.—The requirements of S13 of Standard No. 238 shall remain in effect unless and until changed by the rule required by this subsection.

(5) CREDIT FOR EARLY COMPLIANCE.—To encourage early compliance, the Secretary is directed to include in the notice of proposed rulemaking required by paragraph (1) means by which manufacturers may earn credits for future compliance. Credits, on a one-vehicle for one-vehicle basis, may be earned for vehicles certified as being in full compliance under section 30115 of title 49, United States Code, with the rule required by paragraph (2) which are either—

(A) so certified in advance of the phase-in period; or

(B) in excess of the percentage requirements during the phase-in period.

(b) ADVISORY COMMITTEES.—Any government advisory committee, task force, or other entity involving air bags shall include representatives of consumer and safety organizations, insurers, manufacturers, and suppliers.

§30128. Vehicle rollover prevention and crash mitigation

(a) IN GENERAL.—The Secretary shall initiate rulemaking proceedings, for the purpose of establishing rules or standards that will reduce vehicle rollover crashes and mitigate deaths and
injuries associated with such crashes for motor vehicles with a gross vehicle weight rating of not more than 10,000 pounds.

(b) ROLLOVER PREVENTION.—One of the rulemaking proceedings initiated under subsection (a) shall be to establish performance criteria to reduce the occurrence of rollovers consistent with stability enhancing technologies. The Secretary shall issue a proposed rule in this proceeding by rule by October 1, 2006, and a final rule by April 1, 2009.

(c) OCCUPANT EJECTION PREVENTION.—
(1) IN GENERAL.—The Secretary shall also initiate a rulemaking proceeding to establish performance standards to reduce complete and partial ejections of vehicle occupants from outboard seating positions. In formulating the standards the Secretary shall consider various ejection mitigation systems. The Secretary shall issue a final rule under this paragraph no later than October 1, 2009.

(2) DOOR LOCKS AND DOOR RETENTION.—The Secretary shall complete the rulemaking proceeding initiated to upgrade Federal Motor Vehicle Safety Standard No. 208, relating to door locks and door retention, no later than 30 months after the date of enactment of this section.

(d) PROTECTION OF OCCUPANTS.—One of the rulemaking proceedings initiated under subsection (a) shall be to establish performance criteria to upgrade Federal Motor Vehicle Safety Standard No. 216 relating to roof strength for forces transmitted during a rollover crash. The Secretary shall issue a proposed rule by December 31, 2005, and a final rule by July 1, 2008.

(e) DEADLINES.—If the Secretary determines that the deadline for a final rule under this section cannot be met, the Secretary shall—
(1) notify the Senate Committee on Commerce, Science, and Transportation and the House of Representatives Committee on Energy and Commerce and explain why that deadline cannot be met; and
(2) establish a new deadline.

REFERENCES IN TEXT
The date of enactment of this section, referred to in subsec. (c)(2), is the date of enactment of Pub. L. 109–59, which was approved Aug. 10, 2005.

CODIFICATION
Section 10001(a) of Pub. L. 109–59, which directed that this section be added at the end of subchapter II of chapter 301, without specifying the title to be amended, was executed by adding this section at the end of subchapter II of this chapter, to reflect the probable intent of Congress.

SUBCHAPTER III—IMPORTING NONCOMPLYING MOTOR VEHICLES AND EQUIPMENT

§ 30141. Importing motor vehicles capable of complying with standards

(a) GENERAL.—Section 30112(a) of this title does not apply to a motor vehicle if—

(1) on the initiative of the Secretary of Transportation or on petition of a manufacturer or importer registered under subsection (c) of this section, the Secretary decides—
(A) the vehicle is—
(i) substantially similar to a motor vehicle originally manufactured for import into and sale in the United States;
(ii) certified under section 30115 of this title;
(iii) the same model year (as defined under regulations of the Secretary of Transportation) as the model of the motor vehicle it is being compared to; and
(iv) capable of being readily altered to comply with applicable motor vehicle safety standards prescribed under this chapter; or
(B) if there is no substantially similar United States motor vehicle, the safety features of the vehicle comply with or are capable of being altered to comply with those standards based on destructive test information or other evidence the Secretary of Transportation decides is adequate;

(b) PROCEDURES ON DECIDING ON MOTOR VEHICLE CAPABILITY.—(1) The Secretary of Transportation shall establish by regulation procedures for making a decision under subsection (a)(1) of this section and the information a petitioner must provide to show clearly that the motor vehicle is capable of being brought into compliance with applicable motor vehicle safety standards prescribed under this chapter. In establishing the procedures, the Secretary shall provide for a minimum period of public notice and written comment consistent with ensuring expeditious, but complete, consideration and avoiding delay by any person. In making a decision under those procedures, the Secretary shall consider test information and other information available to the Secretary, including any information provided by the manufacturer. If the Secretary makes a negative decision, the Secretary may not make another decision for the same model until at least 3 calendar months have elapsed after the negative decision.

(2) The Secretary of Transportation shall publish each year in the Federal Register a list of all decisions made under subsection (a)(1) of this section. Each published decision applies to the model of the motor vehicle for which the decision was made. A positive decision permits another importer registered under subsection (c) of this section to import a vehicle of the same
(c) REGISTRATION.—(1) The Secretary of Transportation shall establish procedures for registering a person who complies with requirements prescribed by the Secretary by regulation under this subsection, including—
   (A) recordkeeping requirements;
   (B) inspection of records and facilities related to motor vehicles the person has imported, altered, or both; and
   (C) requirements that ensure that the importer (or a successor in interest) will be able technically and financially to carry out responsibilities under sections 30117(b), 30118-30121, and 30166(f) of this title.

(2) The Secretary of Transportation shall deny registration to a person whose registration is revoked under paragraph (4) of this subsection.

(3) The Secretary of Transportation may deny registration to a person that is or was owned or controlled by, or under common ownership or control with, a person whose registration was revoked under paragraph (4) of this subsection.

(4) The Secretary of Transportation shall establish procedures for—
   (A) revoking or suspending a registration issued under paragraph (1) of this subsection for not complying with a requirement of this subchapter or any of sections 30112, 30115, 30117-30122, 30125(c), 30127, or 30166 of this title or regulations prescribed under this subchapter or any of those sections;
   (B) automatically suspending a registration for not paying a fee under subsection (a)(3) of this section in a timely manner or for knowingly filing a false or misleading certification under section 30146 of this title; and
   (C) reinstating suspended registrations.

(d) BONDS.—(1) A person importing a motor vehicle under this section shall provide a bond to the Secretary of Transportation to guarantee—
   (A) recordkeeping requirements;
   (B) inspection of records and facilities related to motor vehicles the person has imported, altered, or both; and
   (C) requirements that ensure that the importer (or a successor in interest) will be able technically and financially to carry out responsibilities under sections 30117(b), 30118-30121, and 30166(f) of this title.

(2) The amount of the bond provided under this subsection shall be at least equal to the dutiable value of the motor vehicle (as determined by the Secretary of the Treasury) but not more than 150 percent of that value.

(3) The amount of the bond provided under subsection (a)(3) of this section shall be at least equal to the dutiable value of the motor vehicle (as determined by the Secretary of the Treasury) but not more than 150 percent of that value.

(4) The bond provided under subsection (a)(3) shall be in such form as the Secretary of Transportation may require.

(5) The bond provided under subsection (a)(3) shall be paid under subsection (a)(3) of this section. The Secretary of the Treasury amounts for costs incurred under this section and section 30146 of this title to reimburse the Secretary of the Treasury for those costs.

§ 30143

Title 49—Transportation
Page 566

Individuals described in sections 30143 and 30144 of this title:
(1) the principal location at which an individual is permanently or indefinitely assigned to work; and
(2) for a member of the uniformed services, the individual’s permanent duty station.

(b) General.—Section 30112(a) of this title does not apply to a motor vehicle imported for personal use, and not for resale, by an individual—
(1) whose assigned place of employment was outside the United States as of October 31, 1988, and who has not had an assigned place of employment in the United States from that date through the date the vehicle is imported into the United States;
(2) who previously had not imported a motor vehicle into the United States under this section or section 108(g) of the National Traffic and Motor Vehicle Safety Act of 1966 or, before October 31, 1988, under section 108(b)(3) of that Act;
(3) who acquired, or made a binding contract to acquire, the vehicle before October 31, 1988;
(4) who imported the vehicle into the United States not later than October 31, 1992; and
(5) who satisfies section 108(b)(3) of that Act as in effect on October 30, 1988.

(c) Certification.—Subsection (b) of this section is carried out by certification in the form of the Secretary of Transportation or the Secretary of the Treasury may prescribe.

In subsection (a)(2), the words “after January 31, 1990” are substituted for “after the effective date of the regulations initially issued to implement the amendments made to this section by the Import Transportation Safety Compliance Act of 1988” for clarity. See 49 C.F.R. part 591.

In subsection (a)(3), the words “the individual takes the actions required under subsection (b) of this section” are substituted for “that individual takes the actions required by paragraph (2)” for clarity and because of the restatement.

In subsection (b)(1), the word “compliance” is substituted for “conformity” for consistency in this chapter.

In subsection (b)(1)(B), before clause (1), the word “conditions” is omitted as being included in “terms.”

§ 30143. Motor vehicles imported by individuals employed outside the United States

(a) Definition.—In this section, “assigned place of employment” means—

Historical and Revision Notes

In subsection (b), before clause (1), the words “(including a member of the uniformed services)” are omitted as unnecessary because of the restatement. In clause (1), the words “from that date through the date” are substituted for “that date and the date of entry of such motor vehicle” for clarity and consistency in this chapter. In clause (2), the words “under this section or section 108(g) of the National Traffic and Motor Vehicle Safety Act of 1966” are substituted for “this subsection” to preserve the exemption for motor vehicles imported under the source provisions between October 30, 1988, and the effective date of this restatement. In clause (3), the word “imports” is substituted for “enters” for clarity and consistency in this chapter. In clause (5) the word “satisfies” is substituted for “meets the terms, conditions, and other requirements . . . under” to eliminate unnecessary words.

References in Text

Subsections (b)(3) and (g) of section 108 of the National Traffic and Motor Vehicle Safety Act of 1966, referred to in subsection (b)(2), (5), are subsections (b)(3) and (g) of section 108 of Pub. L. 89–563, which were classified to subsecs. (b)(3) and (g), respectively, of section 1397 of Title 15, Commerce and Trade, were repealed and reenacted in sections 30112(b)(1)–(3) and 30143, respectively, of this title by Pub. L. 103–272, §§1(e), 7(b), July 5, 1994, 108 Stat. 945, 963, 1379.
§ 30144. Importing motor vehicles on a temporary basis

(a) GENERAL.—Section 30112(a) of this title does not apply to a motor vehicle imported on a temporary basis for personal use by an individual who is a member of—

(1)(A) the personnel of the government of a foreign country on assignment in the United States or a member of the Secretariat of a public international organization designated under the International Organizations Immunities Act (22 U.S.C. 288 et seq.); and

(B) the class of individuals for whom the Secretary of State has authorized free importation of motor vehicles; or

(2) the armed forces of a foreign country on assignment in the United States.

(b) VERIFICATION.—The Secretary of Transportation or the Secretary of the Treasury may require verification, that the Secretary of Transportation considers appropriate, that an individual is a member described under subsection (a) of this section. The Secretary of Transportation shall ensure that a motor vehicle imported under this section will be exported (at no cost to the United States Government) or abandoned to the Government when the individual no longer—

(1) resides in the United States; and

(2) is a member described under subsection (a) of this section.

(c) SALE IN THE UNITED STATES.—A motor vehicle imported under this section may not be sold when in the United States.

In subsection (a)(1)(B), the word “importation” is substituted for “entry” for clarity and consistency in this chapter.

In subsection (b), before clause (1), the words “that an individual is a member described under subsection (a) of this section” are substituted for “such status” for clarity. The word “imported” is substituted for “entered” for clarity and consistency in this chapter. In clause (2), the words “a member described under subsection (a) of this section” are substituted for “hold such status” for clarity.

(Pub. L. 104–287)

This amends 49:30144(a)(1)(A) to correct an erroneous cross-reference.

REFERENCES IN TEXT

The International Organizations Immunities Act, referred to in subsec. (a)(1)(B), is title I of act Dec. 29, 1945, ch. 652, 59 Stat. 669, as amended, which is classified principally to subchapter XVIII (§288 et seq.) of chapter 7 of Title 22, Foreign Relations and Intercourse. For complete classification of this Act to the Code, see Short Title note set out under section 288 of Title 22 and Tables.

AMENDMENTS

§ 30145. Importing motor vehicles or equipment requiring further manufacturing

Section 30112(a) of this title does not apply to a motor vehicle or motor vehicle equipment if the vehicle or equipment—

(1) requires further manufacturing to perform its intended function as decided under regulations prescribed by the Secretary of Transportation; and

(2) is accompanied at the time of importation by a written statement issued by the manufacturer indicating the applicable motor vehicle safety standard prescribed under this chapter with which it does not comply.

In clause (2), the word “importation” is substituted for “entry” for clarity and consistency in this chapter. The words “of the incomplete motor vehicle or item of equipment” are omitted as unnecessary because of the restatement. The words “prescribed under this chapter” are substituted for “Federal” for consistency in this chapter.

§ 30146. Release of motor vehicles and bonds

(a) COMPLIANCE CERTIFICATION AND BOND.—(1) Except as provided in subsections (c) and (d) of this section, an importer registered under section 30141(c) of this title may license or register an imported motor vehicle for use on public streets, roads, or highways, or release custody of a motor vehicle imported by the registered importer to meet applicable motor vehicle safety standards prescribed under this chapter or to a person for license or registration for use on public streets, roads, or highways, only after 30 days after the registered importer certifies to the Secretary of Transportation, in the way the Secretary prescribes, that the motor vehicle complies with each standard prescribed in the year the vehicle was manufactured and that applies in that year to that vehicle. A vehicle may not be released if the Secretary gives written notice before the end of the 30-day period that the Secretary will inspect the vehicle under subsection (c) of this section.

(2) The Secretaries of Transportation and the Treasury shall prescribe regulations—

(A) ensuring the release of a motor vehicle and bond required under section 30141(d) of this title at the end of the 30-day period, unless the Secretary of Transportation issues a notice of an inspection under subsection (c) of this section; and
(B) providing that the Secretary of Transportation shall release the vehicle and bond promptly after an inspection under subsection (c) of this section showing compliance with the standards applicable to the vehicle.

(3) Each registered importer shall include on each motor vehicle released under this subsection a label prescribed by the Secretary of Transportation identifying the importer and stating that the vehicle has been altered by the importer to comply with the standards applicable to the vehicle.

(b) RELIANCE ON MANUFACTURER’S CERTIFICATION.—In making a certification under subsection (a)(1) of this section, the registered importer may rely on the manufacturer’s certification for the model to which the motor vehicle involved is substantially similar if the importer certifies that any alteration made by the importer did not affect the compliance of the safety features of the vehicle and the importer keeps records verifying the certification for the period the Secretary of Transportation prescribes.

(c) EVIDENCE OF COMPLIANCE.—(1) The Secretary of Transportation may require that the certification under subsection (a)(1) of this section be accompanied by evidence of compliance the Secretary considers appropriate or may inspect the certified motor vehicle, or both. If the Secretary gives notice of an inspection, an importer may release the vehicle only after—

(A) an inspection showing the motor vehicle complies with applicable motor vehicle safety standards prescribed under this chapter for which the inspection was made; and

(B) release of the vehicle by the Secretary.

(2) The Secretary of Transportation shall inspect periodically a representative number of motor vehicles for which certifications have been filed under subsection (a)(1) of this section. In carrying out a motor vehicle testing program under this chapter, the Secretary shall include a representative number of motor vehicles for which certifications have been filed under subsection (a)(1).

(d) CHALLENGING THE CERTIFICATION.—A motor vehicle or bond may be released under subsection (a) of this section if the Secretary of Transportation, not later than 30 days after receiving a certification under subsection (a)(1) of this section, gives written notice that the Secretary believes or has reason to believe that the certification is false or contains a misrepresentation.

(e) BOND RELEASE.—A release of a bond required under section 30141(d) of this title is deemed an acceptance of a certification or completion of an inspection under this section but is not a decision by the Secretary of Transportation under section 30118(a) or (b) of this title of compliance with applicable motor vehicle safety standards prescribed under this chapter.

Sec. 30147. Responsibility for defects and noncompliance

(a) DEEMING DEFECT OR NONCOMPLIANCE TO CERTAIN VEHICLES AND IMPORTER AS MANUFACTURER.—(1) In carrying out sections 30117(b), 30118–30121, and 30166(f) of this title—

(A) for a defect or noncompliance with an applicable motor vehicle safety standard prescribed under this chapter for a motor vehicle originally manufactured for import into the United States, an imported motor vehicle having a valid certification under section 30146(a)(1) of this title and decided to be substantially similar to that motor vehicle shall be deemed as having the same defect or noncompliance as a motor vehicle subject to the standards prescribed under this chapter.

(B) the registered importer shall be deemed to be the manufacturer of any motor vehicle that the importer imports or brings into compliance with the standards for an individual under section 30142 of this title.

(2) The Secretary shall publish in the Federal Register notice of any defect or noncompliance under paragraph (1)(A) of this subsection.

(b) FINANCIAL RESPONSIBILITY REQUIREMENT.—The Secretary shall require by regulation each importer (including any successor in interest) to provide and maintain evidence, satisfactory to the Secretary, of sufficient financial responsibility to meet its obligations under sections 30117(b), 30118–30121, and 30166(f) of this title.

In subsection (a)(1), the words “Except as provided in subsections (c) and (d) of this section” are added because of the restatement.

In subsection (a)(2)(B), the words “showing compliance with the standards” are substituted for “showing no such failure to comply” for clarity.

§ 30147. Responsibility for defects and noncompliance

(a) DEEMING DEFECT OR NONCOMPLIANCE TO CERTAIN VEHICLES AND IMPORTER AS MANUFACTURER.—(1) In carrying out sections 30117(b), 30118–30121, and 30166(f) of this title—

(A) for a defect or noncompliance with an applicable motor vehicle safety standard prescribed under this chapter for a motor vehicle originally manufactured for import into the United States, an imported motor vehicle having a valid certification under section 30146(a)(1) of this title and decided to be substantially similar to that motor vehicle shall be deemed as having the same defect or noncompliance as a motor vehicle subject to the standards prescribed under this chapter.

(B) the registered importer shall be deemed to be the manufacturer of any motor vehicle that the importer imports or brings into compliance with the standards for an individual under section 30142 of this title.

(2) The Secretary shall publish in the Federal Register notice of any defect or noncompliance under paragraph (1)(A) of this subsection.

(b) FINANCIAL RESPONSIBILITY REQUIREMENT.—The Secretary shall require by regulation each importer (including any successor in interest) to provide and maintain evidence, satisfactory to the Secretary, of sufficient financial responsibility to meet its obligations under sections 30117(b), 30118–30121, and 30166(f) of this title.

In this section, the words “(relating to discovery, notification, and remedy of motor vehicle defects)” are omitted as surplus.

In subsection (a)(1)(A), the words “for a motor vehicle” are substituted for “in, or regarding, any motor vehicle” to eliminate unnecessary words.

1 So in original. Probably should be “misrepresentation.”
In subsection (a)(1)(B), the word “compliance” is substituted for “conformity” for consistency in this chapter.

SUBCHAPTER IV—ENFORCEMENT AND ADMINISTRATIVE

§ 30161. Judicial review of standards

(a) FILING AND VENUE.—A person adversely affected by an order prescribing a motor vehicle safety standard under this chapter may apply for review of the order by filing a petition for review in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 50 days after the order is issued.

(b) NOTIFYING SECRETARY.—The clerk of the court shall send immediately a copy of the petition to the Secretary of Transportation. The Secretary shall file with the court a record of the proceeding in which the order was prescribed.

(c) ADDITIONAL PROCEEDINGS.—(1) On request of the petitioner, the court may order the Secretary to receive additional evidence and evidence in rebuttal if the court is satisfied that the additional evidence is material and there were reasonable grounds for not presenting the evidence in the proceeding before the Secretary.

(2) The Secretary may modify findings of fact or make new findings because of the additional evidence presented. The Secretary shall file a modified or new finding, a recommendation to modify or set aside the order, and the additional evidence with the court.

(d) CERTIFIED COPIES OF RECORDS OF PROCEEDINGS.—The Secretary shall give any interested person a certified copy of the transcript of the record in a proceeding under this section on request and payment of costs. A certified copy of the record of the proceeding is admissible in a proceeding arising out of a matter under this chapter, regardless of whether the proceeding under this section has begun or becomes final.

(e) FINALITY OF JUDGMENT AND SUPREME COURT REVIEW.—A judgment of a court under this section is final and may be reviewed only by the Supreme Court under section 1254 of title 28.

In subsection (a), the words “In a case of actual controversy as to the validity of” and “who will be . . . when it is effective” are omitted as surplus. The words “an order prescribing a motor vehicle safety standard under this chapter” are substituted for “any order under section 1392 of this title” for consistency. The words “apply for review” are added for clarity. The words “The petition must be filed” are substituted for “at any time” for clarity. The text of 15:1394(a)(3) is omitted as surplus because 50c. 7 applies unless otherwise stated.

In subsection (b), the words “or other officer designated by him for that purpose” are omitted as surplus because of 49:322(b). The words “in which the order was prescribed” are substituted for “on which the Secretary based his order” for consistency. The words “as provided in section 2112 of title 28” are omitted as surplus.

In subsection (c)(1), the words “in such manner and upon such terms and conditions as to the court may seem proper” are omitted as surplus. The words “is satisfied” are substituted for “shows to the satisfaction of” to eliminate unnecessary words. The words “and to be adduced upon the hearing” are omitted as unnecessary.

In subsection (c)(2), the words “with the court” are substituted for “the return of” for clarity.

In subsection (d), the words “thereof” and “criminal, exclusion of imports, or other” are omitted as surplus. The words “under this section” are substituted for “with respect to the order” for clarity. The word “previously” is omitted as surplus.

In subsection (e), the words “under this section is final and may be reviewed only” are substituted for “affirming or setting aside, in whole or in part, any such order of the Secretary shall be final, subject to review to eliminate unnecessary words. The text of 15:1394(a)(5) is omitted because of rule 43 of the Federal Rules of Appellate Procedure (28 App. U.S.C.).

§ 30162. Petitions by interested persons for standards and enforcement

(a) FILING.—Any interested person may file a petition with the Secretary of Transportation requesting the Secretary to begin a proceeding—

(1) to prescribe a motor vehicle safety standard under this chapter; or

(2) to decide whether to issue an order under section 30118(b) of this title.

(b) STATEMENT OF FACTS.—The petition must state facts that the person claims establish that a motor vehicle safety standard or order referred to in subsection (a) of this section is necessary and briefly describe the order the Secretary should issue.

(c) PROCEEDINGS.—The Secretary may hold a public hearing or conduct an investigation or proceeding to decide whether to grant the petition.

(d) ACTIONS OF SECRETARY.—The Secretary shall grant or deny a petition not later than 120 days after the petition is filed. If a petition is granted, the Secretary shall begin the proceeding promptly. If a petition is denied, the Secretary shall publish the reasons for the denial in the Federal Register.

Subsection (a)(1) is substituted for “the issuance of an order pursuant to section 1392 of this title” for clarity and because of the restatement.

In subsection (b), the words “a motor vehicle safety standard” are added because of the restatement. The words “referred to in subsection (a) of this section” are added for clarity. The words “of the substance” are omitted as surplus.
In subsection (c), the words "as he deems appropriate in order" and "or not" are omitted as surplus.

In subsection (d), the words "described in subsection (b) of this section", "either", and "requested in the petition" are omitted as surplus.

§ 30163. Actions by the Attorney General

(a) CIVIL ACTIONS TO ENFORCE.—The Attorney General may bring a civil action in a United States district court to enjoin—

(1) a violation of this chapter or a regulation prescribed or order issued under this chapter; and

(2) the sale, offer for sale, or introduction or delivery for introduction, in interstate commerce, or the importation into the United States, of a motor vehicle or motor vehicle equipment for which it is decided, before the first purchase in good faith other than for resale, that the vehicle or equipment—

(A) contains a defect related to motor vehicle safety about which notice was given under section 30118(c) of this title or an order was issued under section 30118(b) of this title; or

(B) does not comply with an applicable motor vehicle safety standard prescribed under this chapter.

(b) PRIOR NOTICE.—When practicable, the Secretary of Transportation shall notify a person against whom a civil action under subsection (a) of this section is planned, give the person an opportunity to present that person's views, and, if the Attorney General so designates the person, give the person an opportunity to remedy the defect or comply with the applicable motor vehicle safety standard prescribed under this chapter does not prevent a court from granting appropriate relief.

(c) VENUE.—Except as provided in section 30121(d) of this title, a civil action under this section or section 30165(a) of this title may be brought in the judicial district in which the violation occurred or the defendant is found, resides, or does business. Process in the action may be served in any other judicial district in which the defendant resides or is found.

(d) JURY TRIAL DEMAND.—In a trial for criminal contempt for violating an injunction or restraining order issued under subsection (a) of this section, the violation of which is also a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(e) SUBPOENAS FOR WITNESSES.—In a civil action brought under this section, a subpoena for a witness may be served in any judicial district.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 967.)

§ 30164. Service of process

(a) DESIGNATING AGENTS.—A manufacturer offering a motor vehicle or motor vehicle equipment for import shall designate an agent on whom service of notices and process in administrative and judicial proceedings may be made. The designation shall be in writing and filed with the Secretary of Transportation. The designation may be changed in the same way as originally made.

(b) SERVICE.—An agent may be served at the agent's office or usual place of residence. Service on the agent is deemed to be service on the manufacturer. If a manufacturer does not designate an agent, service may be made by posting the notice or process in the office of the Secretary.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 968.)
§ 30165. Civil penalty

(a) CIVIL PENALTIES.—

(1) IN GENERAL.—A person that violates any section of 30112, 30115, 30117 through 30122, 30123(d), 30125(c), 30127, or 30141 through 30147, or a regulation prescribed thereunder, is liable for the penalty.

(2) SCHOOL BUSES.—

(A) IN GENERAL.—Notwithstanding paragraph (1), the maximum amount of a civil penalty under paragraph shall be $15,000,000 in the case of—

(i) the manufacture, sale, offer for sale, introduction or delivery for introduction into interstate commerce, or importation of a school bus or school bus equipment (as those terms are defined in section 30125(a) of this title) in violation of section 30112(a)(1) of this title; or

(ii) a violation of section 30112(a)(2) of this title.

(B) RELATED SERIES OF VIOLATIONS.—A separate violation occurs for each motor vehicle or item of motor vehicle equipment and for each failure or refusal to allow or perform an act required by any of those sections. The maximum penalty under this subsection for a related series of violations is $15,000,000.

(b) COMPROMISE AND SETOFF.—(1) The Secretary of Transportation may compromise the amount of a civil penalty imposed under this section.

(2) The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.

(c) CONSIDERATIONS.—In determining the amount of a civil penalty or compromise, the appropriateness of the penalty or compromise to the size of the business of the person charged and the gravity of the violation shall be considered.

(d) SUBPENAS FOR WITNESSES.—In a civil action brought under this section, a subpoena for a witness may be served in any judicial district.

In subsection (a), the text of 15:1424(b) (related to civil penalty) is omitted because of the restatement.

In subsection (b), the words “amount of a civil penalty imposed or compromised” are substituted for “amount of such penalty when finally determined, or the amount agreed upon in compromise” to eliminate unnecessary words.

In subsection (d), the words “who are required to attend a United States district court” are omitted as surplus. The words “be served in” are substituted for “run into” for clarity.

PUB. L. 103–429

This amends 49:30141(c)(4)(A) and 30165(a) to correct erroneous cross-references.
§ 30166

INSPECTIONS, INVESTIGATIONS, AND RECORDS

(a) Definition.—In this section, “motor vehicle accident” means an occurrence associated with the maintenance or operation of a motor vehicle or motor vehicle equipment resulting in personal injury, death, or property damage.

(b) Authority To Inspect and Investigate.—(1) The Secretary of Transportation may conduct an inspection or investigation—

(A) that may be necessary to enforce this chapter or a regulation prescribed or order issued under this chapter; or

(B) related to a motor vehicle accident and designed to carry out this chapter.

(2) The Secretary of Transportation shall cooperate with State and local officials to the greatest extent possible in an inspection or investigation under paragraph (1)(B) of this subsection.

(c) Matters That Can Be Inspected and Impounded.—In carrying out this chapter, an officer or employee designated by the Secretary of Transportation—

(1) at reasonable times, may inspect and copy any record related to this chapter;

(2) on request, may inspect records of a manufacturer, distributor, or dealer to decide whether the manufacturer, distributor, or dealer has complied or is complying with this chapter or a regulation prescribed or order issued under this chapter; and

(3) at reasonable times, in a reasonable way, and on display of proper credentials and written notice to an owner, operator, or agent in charge, may—

(A) enter and inspect with reasonable promptness premises in which a motor vehicle or motor vehicle equipment is manufactured, held for introduction in interstate commerce, or held for sale after introduction in interstate commerce;

(B) enter and inspect with reasonable promptness premises at which a vehicle or equipment involved in a motor vehicle accident is located;

(C) inspect with reasonable promptness that vehicle or equipment; and

(D) impound for not more than 72 hours a vehicle or equipment involved in a motor vehicle accident.

(d) Reasonable Compensation.—When a motor vehicle (except a vehicle subject to subchapter I of chapter 135 of this title) or motor vehicle equipment is inspected or temporarily impounded under subsection (c)(3) of this section, the Secretary of Transportation shall pay reasonable compensation to the owner of the vehicle if the inspection or impoundment results in denial of use, or reduction in value, of the vehicle.

(e) Records and Making Reports.—The Secretary of Transportation reasonably may require a manufacturer of a motor vehicle or motor vehicle equipment to keep records, and a manufacturer, distributor, or dealer to make reports, to enable the Secretary to decide whether the manufacturer, distributor, or dealer has complied or is complying with this chapter or a regulation prescribed or order issued under this chapter. This subsection does not impose a recordkeeping requirement on a distributor or dealer in addition to those imposed under subsection (f) of this section and section 30117(b) of this title or a regulation prescribed or order issued under subsection (f) or section 30117(b).

(f) Providing Copies of Communications About Defects and Noncompliance.—A manufacturer shall give the Secretary of Transportation a true or representative copy of each communication to the manufacturer’s dealers or to owners or purchasers of a motor vehicle or replacement equipment produced by the manufacturer about a defect or noncompliance with a motor vehicle safety standard prescribed under this chapter in a vehicle or equipment that is sold or serviced.

(g) Administrative Authority on Reports, Answers, and Hearings.—(1) In carrying out this chapter, the Secretary of Transportation may—

(A) require, by general or special order, any person to file reports or answers to specific questions, including reports or answers under oath; and

(B) conduct hearings, administer oaths, take testimony, and require (by subpoena or otherwise) the appearance and testimony of witnesses and the production of records the Secretary considers advisable.

(2) A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(h) Civil Actions To Enforce and Venue.—A civil action to enforce a subpoena or order under subsection (g) of this section may be brought in the United States district court for any judicial district in which the proceeding is conducted. The court may punish a failure to obey an order of the court to comply with a subpoena or order as a contempt of court.

(i) Governmental Cooperation.—The Secretary of Transportation may request a depart-
ment, agency, or instrumentality of the United States Government to provide records the Secretary considers necessary to carry out this chapter. The head of the department, agency, or instrumentality shall provide the record on request, may detail personnel on a reimbursable basis, and otherwise shall cooperate with the Secretary. This subsection does not affect a law limiting the authority of a department, agency, or instrumentality to provide information to another department, agency, or instrumentality.

(j) COOPERATION OF SECRETARY.—The Secretary of Transportation may advise, assist, and cooperate with departments, agencies, and instrumentalities of the Government, States, and other public and private agencies in developing a method for inspecting and testing to determine compliance with a motor vehicle safety standard.

(k) PROVIDING INFORMATION.—The Secretary of Transportation shall provide the Attorney General and, when appropriate, the Secretary of the Treasury, information obtained that indicates a violation of this chapter or a regulation prescribed or order issued under this chapter. The head of the department, agency, or instrumentality, may detail personnel on a reimbursable basis, and otherwise shall cooperate with the Secretary.

(1) REPORTING OF DEFECTS IN MOTOR VEHICLES AND PRODUCTS IN FOREIGN COUNTRIES.—

(1) REPORTING OF DEFECTS, MANUFACTURER DETERMINATION.—Not later than 5 working days after determining to conduct a safety recall or other safety campaign in a foreign country on a motor vehicle or motor vehicle equipment that is identical or substantially similar to a motor vehicle or motor vehicle equipment offered for sale in the United States, the manufacturer shall report the determination to the Secretary.

(2) REPORTING OF DEFECTS, FOREIGN GOVERNMENT DETERMINATION.—Not later than 5 working days after receiving notification that the government of a foreign country has determined that a safety recall or other safety campaign must be conducted in the foreign country on a motor vehicle or motor vehicle equipment that is identical or substantially similar to a motor vehicle or motor vehicle equipment offered for sale in the United States, the manufacturer of a motor vehicle or motor vehicle equipment shall report the determination to the Secretary.

(3) REPORTING REQUIREMENTS.—The Secretary shall prescribe the contents of the notification required by this subsection.

(m) EARLY WARNING REPORTING REQUIREMENTS.

(1) RULEMAKING REQUIRED.—Not later than 120 days after the date of the enactment of the Transportation Recall Enhancement, Accountability, and Documentation (TREAD) Act, the Secretary shall initiate a rulemaking proceeding to establish early warning reporting requirements for manufacturers of motor vehicles and motor vehicle equipment to enhance the Secretary’s ability to carry out the provisions of this chapter.

(2) DEADLINE.—The Secretary shall issue a final rule under paragraph (1) not later than June 30, 2002.

(3) REPORTING ELEMENTS.—

(A) WARRANTY AND CLAIMS DATA.—As part of the final rule promulgated under paragraph (1), the Secretary shall require manufacturers of motor vehicles and motor vehicle equipment to report, periodically or upon request by the Secretary, information which is received by the manufacturer derived from foreign and domestic sources to the extent that such information may assist in the identification of defects related to motor vehicle safety in motor vehicles and motor vehicle equipment in the United States and which concerns—

(i) data on claims submitted to the manufacturer for serious injuries (including death) and aggregate statistical data on property damage from alleged defects in a motor vehicle or in motor vehicle equipment; or

(ii) customer satisfaction campaigns, consumer advisories, recalls, or other activity involving the repair or replacement of motor vehicles or items of motor vehicle equipment.

(B) OTHER DATA.—As part of the final rule promulgated under paragraph (1), the Secretary may, to the extent that such information may assist in the identification of defects related to motor vehicle safety in motor vehicles and motor vehicle equipment in the United States, require manufacturers of motor vehicles or motor vehicle equipment to report, periodically or upon request of the Secretary, such information as the Secretary may request.

(C) REPORTING OF POSSIBLE DEFECTS.—The manufacturer of a motor vehicle or motor vehicle equipment shall report to the Secretary, in such manner as the Secretary establishes by regulation, all incidents of which the manufacturer receives actual notice which involve fatalities or serious injuries which are alleged or proven to have been caused by a possible defect in such manufacturer’s motor vehicle or motor vehicle equipment in the United States, or in a foreign country when the possible defect is in a motor vehicle or motor vehicle equipment that is identical or substantially similar to a motor vehicle or motor vehicle equipment offered for sale in the United States.

(4) HANDLING AND UTILIZATION OF REPORTING ELEMENTS.—

(A) SECRETARY’S SPECIFICATIONS.—In requiring the reporting of any information requested by the Secretary under this subsection, the Secretary shall specify in the final rule promulgated under paragraph (1)—

(i) how such information will be reviewed and utilized to assist in the identification of defects related to motor vehicle safety;

(ii) the systems and processes the Secretary will employ or establish to review and utilize such information; and

(iii) the manner and form of reporting such information, including in electronic form.

(B) INFORMATION IN POSSESSION OF MANUFACTURER.—The regulations promulgated by the Secretary under paragraph (1) may not require a manufacturer of a motor vehicle or
motor vehicle equipment to maintain or submit records respecting information not in the possession of the manufacturer.

(C) DISCLOSURE.—None of the information collected pursuant to the final rule promulgated under paragraph (1) shall be disclosed pursuant to section 30167(b) unless the Secretary determines the disclosure of such information will assist in carrying out sections 30117(b) and 30118 through 30121.

(D) BURdensome requirements.—In promulgating the final rule under paragraph (1), the Secretary shall not impose requirements unduly burdensome to a manufacturer of a motor vehicle or motor vehicle equipment, taking into account the manufacturer’s cost of complying with such requirements and the Secretary’s ability to use the information sought in a meaningful manner to assist in the identification of defects related to motor vehicle safety.

(5) PERIODIC REVIEW.—As part of the final rule promulgated pursuant to paragraph (1), the Secretary shall specify procedures for the periodic review and update of such rule.

(h) SALE OR LEASE OF DEFECTIVE OR NONCOMPLIANT TIRE.—

(1) IN GENERAL.—The Secretary shall, within 90 days of the date of the enactment of the Transportation Recall Enhancement, Accountability, and Documentation (TREAD) Act, issue a final rule requiring any person who knowingly and willfully sells or leases for use on a motor vehicle a defective tire or a tire which is not compliant with an applicable tire safety standard with actual knowledge that the manufacturer of such tire has notified its dealers of such defect or noncompliance as required under section 30112(c) or as required by an order under section 30118(b) to report such sale or lease to the Secretary.

(2) DEFECT OR NONCOMPLIANCE REMEDIED OR ORDER NOT IN EFFECT.—Regulations under paragraph (1) shall not require the reporting described in paragraph (1) where before delivery under a sale or lease of a tire

(A) the defect or noncompliance of the tire is remedied as required by section 30120; or

(B) notification of the defect or noncompliance is required under section 30118(b) but enforcement of the order is restrained or the order is set aside in a civil action to which section 30121(d) applies.

In this section, the words “regulation prescribed or issued under this chapter” are substituted for “rules, regulations, or orders promulgated thereunder” and “regulations and orders promulgated thereunder” for consistency and because “rule” and “regulation” are synonymous. The text of 15:1397(a)(1)(B) and (E) relates to 15:1401(a)(1) (1st sentence 61st–last words), (c)(2).

In this section, the word “use” is omitted as being included in “operation”. In subsection (b)(1)(A), the words “this chapter” are stated Oct. 27, 1974, Pub. L. 93–492, §102(a), 88 Stat. 1475.

In subsection (b)(1)(B), the words “the facts, circumstances, conditions, and causes of” are omitted as surplus. The words “designed to carry out” are substituted for “which is for the purposes of carrying out” to eliminate unnecessary words.
In subsection (b)(2), the words "making", "appropriate", and "consistent with the purposes of this section" are omitted as surplus.

In subsection (c), before clause (1), the words "in carrying out this chapter" are substituted for "for purposes of carrying out paragraph (1)" in 15:1401(a)(2) and "in carrying on any provision of this chapter" in 15:1401(c)(2) for clarity and consistency in this chapter. The words "an officer or employee designated by the Secretary of Transportation" are substituted for "officers or employees duly designated by the Secretary" in 15:1401(a)(2), "an officer or employee duly designated by the Secretary" in 15:1401(b), and "his duly authorized agent" in 15:1401(c)(2) for consistency. In subsection (c)(2), the words "may inspect and copy" are substituted for "shall . . . have access to, and for the purposes of examination the right to copy" in 15:1401(c)(2) to eliminate unnecessary words. The words "of any unnecessary materials or information any function of the Secretary under" are omitted as surplus. In clause (2), the word "may" is substituted for "permit such officer or employee to" in 15:1401(b) because of the restatement. The words "appropriate" and "relevant" are omitted as surplus. In clause (3)(A), the word "promises" is substituted for "factory, warehouse, or establishment" for consistency. In clause (3)(B), the words "not more than" are substituted for "a period not to exceed" for consistency.

In subsection (d), the words "for the purpose of inspection and the authority of" are omitted as surplus. The words "is inspected or temporarily impounded for the purpose of inspection" for clarity and conservation of words. The words "of the right to copy" are omitted as surplus. The words "any function of the Secretary under" are omitted as surplus. In clause (2), the word "may" is substituted for "permit such officer or employee to" in 15:1401(b) because of the restatement. The words "appropriate" and "relevant" are omitted as surplus. In clause (3)(A), the words "promises" is substituted for "factory, warehouse, or establishment" for consistency. In clause (3)(B), the words "not more than" are substituted for "a period not to exceed" for consistency.

In subsection (g)(1), before clause (A), the words "or on the authorization of the Secretary, any officer or employee of the Department of Transportation" are omitted as surplus because of 49:322(b). In clause (A), the words "in writing", "in such form as the Secretary may prescribe", "relating to any function of the Secretary under this subchapter", and "shall be filed with the Secretary within such reasonable period as the Secretary may prescribe" are omitted as surplus. In clause (B), the words "sit and act at such times and places" are omitted as being included in "conduct hearings".

The words "records" is substituted for "such books, papers, correspondence, memorandums, contracts, agreements, or other records" for consistency in the revised title and with other titles of the United States Code.

In subsection (h), the words "A civil action to enforce a subpoena or order . . . may be brought in the United States district court for the judicial district in which the proceeding is conducted" are substituted for "any of the courts of the United States within the jurisdiction of which an inquiry is carried on may, in the case of contumacy or refusal to obey a subpoena or order of the Secretary or such officer or employee . . . is an order requiring compliance therewith" for clarity and to eliminate unnecessary words. The words "an order of the court to comply with a subpoena or order" are substituted for "such order of the court" for clarity.

In subsection (i), the words "United States" are substituted for "Federal" for consistency. The words "to provide" are substituted for "from" because of the restatement. The words "his functions under" are omitted as surplus. The words "head of the" are added for clarity. The words "the Department of Transportation . . . made by the Secretary" are omitted as surplus. The words "detail personnel on a reimbursable basis" are substituted for 15:1401(c)(6)(B) to eliminate unnecessary words and because of the restatement. The word "otherwise" is added for clarity. The words "be deemed to" and "provision of" are omitted as surplus.

In subsection (j), the words "departments, agencies, and instrumentalities of the Government, States, and other public and private agencies" are substituted for "other Federal departments and agencies, and State and other interested public and private agencies" for consistency.

In subsection (k), the words "for appropriate action" are omitted as surplus.

This amends 49:30166(h) to clarify the restatement of 15:1401(c)(4) by section 1 of the Act of July 5, 1994 (Public Law 103-272, 108 Stat. 970).

REFERENCES IN TEXT

The date of the enactment of the Transportation Recall Enhancement, Accountability, and Documentation Act ("TREAD") Act, referred to in subsec. (m)(1) and (n)(1), is the date of enactment of Pub. L. 106-414, which was approved Nov. 1, 2000.

AMENDMENTS

1995—Subsec. (d). Pub. L. 104-88, §308(j), as amended by Pub. L. 104-267, substituted "subchapter I of chapter 135" for "subchapter I of chapter 135".

1994—Subsec. (h). Pub. L. 103-429 substituted "any judicial district" for "the judicial district".

EFFECTIVE DATE OF 1996 AMENDMENT

Section 6(f)(3) of Pub. L. 104-287 provided that the amendment made by that section is effective Dec. 29, 1995.

EFFECTIVE DATE OF 1995 AMENDMENT

Amendment by Pub. L. 104-88 effective Jan. 1, 1996, see section 2 of Pub. L. 104-88, set out as an Effective Date note under section 701 of this title.

EFFECTIVE DATE OF 1994 AMENDMENT

§ 30167. Disclosure of information by the Secretary of Transportation

(a) CONFIDENTIALITY OF INFORMATION.—Information obtained under this chapter related to a confidential matter referred to in section 1905 of title 49 may be disclosed only in the following ways:

(1) to other officers and employees carrying out this chapter;

(2) when relevant to a proceeding under this chapter;

(3) to the public if the confidentiality of the information is preserved;

(4) to the public when the Secretary of Transportation decides that disclosure is necessary to carry out section 30101 of this title.

(b) DEFECT AND NONCOMPLIANCE INFORMATION.—Subject to subsection (a) of this section,
the Secretary shall disclose information obtained under this chapter related to a defect or noncompliance that the Secretary decides will assist in carrying out sections 30117(b) and 30118–30121 of this title or that is required to be disclosed under section 30118(a) of this title. A requirement to disclose information under this subsection is in addition to the requirements of section 552 of title 5.

(c) INFORMATION ABOUT MANUFACTURER’S INCREASED COSTS.—A manufacturer opposing an action of the Secretary under this chapter because of increased cost shall submit to the Secretary information about the increased cost, including the manufacturer’s cost and the cost to retail purchasers, that allows the public and the Secretary to evaluate the manufacturer’s statement. The Secretary shall evaluate the information promptly and, subject to subsection (a) of this section, make the information and evaluation available to the public. The Secretary shall publish a notice in the Federal Register that the information is available.

(d) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

In this section, the text of 15:1397(a)(1)(B) (related to 15:1401(e)), (D) (related to 15:1418(a)(2)(B)), and (E) (related to 15:1401(e)) is omitted as surplus. The words “shall be considered confidential for the purpose of that section” are omitted as surplus. The words “may be disclosed only in the following ways” are substituted for “except that such information may be disclosed” in 15:1401(e) (1st sentence) and 15:1402(b)(2) (1st sentence) and “and shall not be disclosed; unless” in 15:1418(a)(2)(B) to eliminate unnecessary words. Clause (3) is substituted for 15:1402(b)(2) (1st sentence words before 2d comma) to eliminate unnecessary words.

In subsection (b), the words “Subject to” are substituted for “Except as provided in” for consistency.

The words “to the public so much of any” and “which is” are omitted as surplus. The words “which relates to motor vehicle safety” and “with an applicable Federal motor vehicle safety standard” are omitted because of the restatement. The words “the purposes of” and “and not in lieu of” are omitted as surplus.

In subsection (c), the words “For purposes of this section, the term ‘cost information’ means” and “such cost information” are omitted because of the restatement. The words “alleged”, “both”, and “resulting from action by the Secretary, in such form” are omitted as surplus. The words “Such term includes” are omitted because of the restatement. The words “to evaluate” are substituted for “to make an informed judgment” to eliminate unnecessary words and for consistency in the subsection. The words “in such detail as the Secretary may by regulation or order prescribe” are omitted as surplus because of 49:322(a). The word “thereafter” is omitted as surplus. The word “evaluate” is substituted for “prepare an evaluation of” to eliminate unnecessary words. The words “The Secretary” are added for clarity. The text of 15:1402(d) is omitted as surplus because of 49:322(a). The text of 15:1402(e) is omitted as surplus because of the restatement.

In subsection (d), the words “by the Secretary or any officer or employee under his control” and “duly” are omitted as surplus. The words “to have the information” are added for clarity.

§ 30168. Research, testing, development, and training

(a) GENERAL AUTHORITY.—(1) The Secretary of Transportation shall conduct research, testing, development, and training necessary to carry out this chapter. The research, development, testing, and training shall include—

(A) collecting information to determine the relationship between motor vehicle or motor vehicle equipment performance characteristics and—

(i) accidents involving motor vehicles; and

(ii) the occurrence of death or personal injury resulting from those accidents;

(B) obtaining experimental and other motor vehicles and motor vehicle equipment for research or testing; and

(C) selling or otherwise disposing of test motor vehicles and motor vehicle equipment and crediting the proceeds to current appropriations available to carry out this chapter.

(2) The Secretary may carry out this subsection through grants to States, interstate authorities, and nonprofit institutions.

(b) USE OF PUBLIC AGENCIES.—In carrying out this chapter, the Secretary shall use the services, research, and testing facilities of public agencies to the maximum extent practicable to avoid duplication.

(c) FACILITIES.—The Secretary may plan, design, and build a new facility or modify an existing facility to conduct research, development, and testing in traffic safety, highway safety, and...
motor vehicle safety. An expenditure of more than $100,000 for planning, design, or construction may be made only if the planning, design, or construction is approved by substantially similar resolutions by the Committees on Commerce and Transportation and Infrastructure of the House of Representatives and the Committees on Commerce, Science, and Transportation and Environment and Public Works of the Senate. To obtain that approval, the Secretary shall submit to Congress a prospectus on the proposed facility. The prospectus shall include—

1. a brief description of the facility being planned, designed, or built;
2. the location of the facility;
3. an estimate of the maximum cost of the facility;
4. a statement identifying private and public agencies that will use the facility and the contribution each agency will make to the cost of the facility; and
5. a justification of the need for the facility.

(d) INCREASING COSTS OF APPROVED FACILITIES.—The estimated maximum cost of a facility approved under subsection (c) of this section may be increased by an amount equal to the percentage increase in construction costs from the date the prospectus is submitted to Congress. However, the increase in the cost of the facility may not be more than 10 percent of the estimated maximum cost included in the prospectus. The Secretary shall decide what increase in construction costs has occurred.

(e) AVAILABILITY OF INFORMATION, PATENTS, AND DEVELOPMENTS.—When the United States Government makes more than a minimal contribution to a research or development activity under this chapter, the Secretary shall include in the arrangement for the activity a provision to ensure that all information, patents, and developments related to the activity are available to the public. However, the owner of a background patent may not be deprived of a right under the patent.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
30168(e) ...... | 15:1389(c). |

In subsection (a)(1), before clause (A), the words “the purposes of” and “but not limited to” are omitted as surplus. In clause (A), before subclause (i), the words “from any source” are omitted as surplus. In clause (B), the words “(by negotiation or otherwise)” and “purposes” are omitted as surplus. In clause (C), the word “crediting” is substituted for “reimbursing” because it is more appropriate. The words “of such sale or disposal” and “the purposes of” are omitted as surplus. In subsection (a)(2), the words “conduct research, testing, development, and training as authorized to be . . . for the conduct of such research, testing, development, and training” are omitted as surplus. The word “authorities” is substituted for “agencies” for consistency.

In subsection (b), the words “in order” are omitted as surplus.

In subsection (c), before clause (1), the word “suitable” is omitted as surplus. The word “testing” is substituted for “compliance and other testing” to eliminate unnecessary words. The words “An expenditure of more than $100,000 . . . may be made only” are substituted for “except that no appropriation shall be made . . . involving an expenditure in excess of $100,000” as being more precise and to eliminate unnecessary words. The words “substantially similar resolutions” are substituted for “resolutions adopted in substantially the same form” to eliminate unnecessary words. The words “Energy and Commerce” are substituted for “Interior and Foreign Commerce”; and the words “Public Works and Transportation” are substituted for “Public Works”, to conform to the amendments made to House Rule X changing the names of those committees. The words “Commerce, Science, and Transportation” are substituted for “Commerce”; and the words “Environment and Public Works” are substituted for “Public Works”, to conform to the amendments made to Senate Rule XXV changing the names of those committees. The words “To obtain that” are substituted for “For the purpose of securing consideration of such” to eliminate unnecessary words. The words “The prospectus shall include” are substituted for “including” for clarity. The words “(but not limited to)” are omitted as surplus. In clause (b), the words “statement of” are omitted as surplus.

In subsection (d), the words “if any” are omitted as surplus. The words “in the cost of the facility” are substituted for “authorized by this subsection”, and the words “The Secretary shall decide what increase in construction costs has occurred” are substituted for “as determined by the Secretary”, for clarity.

In subsection (e), the words “United States Government” are substituted for “Federal” for consistency. The words “arrangement for the activity” are substituted for “contract, grant, or other arrangement for such research or development activity”; and the words “patents, and developments” are substituted for “uses, processes, patents, and other developments”, to eliminate unnecessary words. The words “encouraging motor vehicle safety”, “effective”, “fully and freely”, and “general” are omitted as surplus. The word “However” is added for clarity. The words “may not be” are substituted for “Nothing herein shall be construed to” for consistency. The words “which he may have” are omitted as surplus.

AMENDMENTS

§ 30169. Annual reports

(a) GENERAL REPORT.—The Secretary of Transportation shall submit to the President to submit to Congress on July 1 of each year a report on the administration of this chapter for the prior calendar year. The report shall include—

1. (1) a thorough statistical compilation of accidents and injuries;
2. motor vehicle safety standards in effect or prescribed under this chapter;
3. the degree of observance of the standards;
4. a summary of current research grants and contracts and a description of the problems to be considered under those grants and contracts;
5. an analysis and evaluation of research activities completed and technological progress achieved;
§ 30170  TITLE 49—TRANSPORTATION  Page 578

§ 30170. Criminal Penalties

(a) CRIMINAL LIABILITY FOR FALSIFYING OR WITHHOLDING INFORMATION.—

(1) GENERAL RULE.—A person who violates section 1001 of title 18 with respect to the reporting requirements of section 30166, with the specific intention of misleading the Secretary with respect to motor vehicle or motor vehicle equipment safety related defects that have caused death or serious bodily injury to an individual (as defined in section 1365(g)(3) of title 18), shall be subject to criminal penalties of a fine under title 18, or imprisoned for not more than 15 years, or both.

(2) SAFE HARBOR TO ENCOURAGE REPORTING AND FOR WHISTLE BLOWERS.—

(A) CORRECTION.—A person described in paragraph (1) shall not be subject to criminal penalties under this subsection if: (1) at the time of the violation, such person does not know that the violation would result in an accident causing death or serious bodily injury; and (2) the person corrects any improper reports or failure to report within a reasonable time.

(B) REASONABLE TIME AND SUFFICIENCY OF CORRECTION.—The Secretary shall establish by regulation what constitutes a reasonable time for the purposes of subparagraph (A) and what manner of correction is sufficient for purposes of subparagraph (A). The Secretary shall issue a final rule under this subparagraph within 90 days of the date of the enactment of this section.

(C) EFFECTIVE DATE.—Subsection (a) shall not take effect before the final rule under subparagraph (b) takes effect.

(b) COORDINATION WITH DEPARTMENT OF JUSTICE.—The Attorney General may bring an action, or initiate grand jury proceedings, for a violation of subsection (a) only at the request of the Secretary of Transportation.

§ 30301. Definitions

In this chapter—

(1) “alcohol” has the same meaning given in term in regulations prescribed by the Secretary of Transportation.

1 See References in Text note below.
(2) “chief driver licensing official” means the official in a State who is authorized to—
(A) maintain a record about a motor vehicle operator’s license issued by the State; and
(B) issue, deny, revoke, suspend, or cancel a motor vehicle operator’s license issued by the State.

(3) “controlled substance” has the same meaning given that term in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802).

(4) “motor vehicle” means a vehicle, machine, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on public streets, roads, or highways, but does not include a vehicle operated only on a rail line.

(5) “motor vehicle operator’s license” means a license issued by a State authorizing an individual to operate a motor vehicle on public streets, roads, or highways.

(6) “participating State” means a State that has notified the Secretary under section 30303 of this title of its participation in the National Driver Register.

(7) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, the Northern Mariana Islands, the Trust Territory of the Pacific Islands, and any other territory or possession of the United States.

(8) “State of record” means a State that has given the Secretary a report under section 30304 of this title about an individual who is the subject of a request for information made under section 30305 of this title.

HISTORICAL AND REVISION NOTES

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In clauses (4) and (5), the words “public streets, roads, or highways” are substituted for “highway” and “highway” means any road or street” for consistency in the revised title.

In clause (4), the words “rail line” are substituted for “rail or rails” for consistency in the revised title.

The definitions of “Secretary”, “Register”, and “Register system” are omitted as surplus because the complete name of the Secretary of Transportation and the National Driver Register are used the first time the term appears in a section.

TERMINATION OF TRUST TERRITORY OF THE PACIFIC ISLANDS

For termination of Trust Territory of the Pacific Islands, see note set out preceding section 1681 of Title 48, Territories and Insular Possessions.

PROTECTION OF DOMESTIC VIOLENCE AND CRIME VICTIMS FROM CERTAIN DISCLOSURES OF INFORMATION

Pub. L. 109-162, title VIII, §827, Jan. 5, 2006, 119 Stat. 3066, provided that: “In developing regulations or guidance with regard to identification documents, including driver’s licenses, the Secretary of Homeland Security, in consultation with the Administrator of Social Security, shall consider and address the needs of victims, including victims of battery, extreme cruelty, domestic violence, dating violence, sexual assault, stalking, or trafficking, who are entitled to enroll in State address confidentiality programs, whose addresses are entitled to be suppressed under State or Federal law or suppressed by a court order, or who are protected from disclosure of information pursuant to section 384 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (8 U.S.C. 1367).”

IMPROVED SECURITY FOR DRIVERS’ LICENSES AND PERSONAL IDENTIFICATION CARDS

Pub. L. 110-177, title V, §508, Jan. 7, 2008, 121 Stat. 2035, provided that:

“(a) MINIMUM DOCUMENT REQUIREMENTS.—
“(1) MINIMUM REQUIREMENTS.—For purposes of section 201(c)(4) of the REAL ID Act of 2005 [div. B of Pub. L. 109-13] (49 U.S.C. 30301 note), a State may, in the case of an individual described in subparagraph (A) or (B) of paragraph (2), include in a driver’s license or other identification card issued to that individual by the State, the address specified in that subparagraph in lieu of the individual’s address of principal residence.

“(2) INDIVIDUALS AND INFORMATION.—The individuals and addresses referred to in paragraph (1) are the following:
“(A) In the case of a Justice of the United States, the address of the United States Supreme Court.
“(B) In the case of a judge of a Federal court, the address of the courthouse.

“(b) VERIFICATION OF INFORMATION.—For purposes of section 201(c)(4) of the REAL ID Act of 2005 (49 U.S.C. 30301 note), in the case of an individual described in subparagraph (A) or (B) of subsection (a)(2), a State need only require documentation of the address appearing on the individual’s driver’s license or other identification card issued by that State to the individual.”

“SEC. 201. DEFINITIONS.
“In this title, the following definitions apply:
“(1) DRIVER’S LICENSE.—The term ‘driver’s license’ means a motor vehicle operator’s license, as defined in section 30301 of title 49, United States Code.
“(2) IDENTIFICATION CARD.—The term ‘identification card’ means a personal identification card, as defined in section 1028(d) of title 18, United States Code, is issued by a State or political subdivision of a State, or entered into Federal law enforcement or national security database.
“(3) OFFICIAL PURPOSE.—The term ‘official purpose’ includes but is not limited to accessing Federal facilities, boarding federally regulated commercial aircraft, entering nuclear power plants, and any other purpose that the Secretary shall determine.
“(4) SECRETARY.—The term ‘Secretary’ means the Secretary of Homeland Security.
“(5) STATE.—The term ‘State’ means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, the Northern Mariana Islands, the Trust Territory of the Pacific Islands, and any other territory or possession of the United States.

“SEC. 202. MINIMUM DOCUMENT REQUIREMENTS AND ISSUANCE STANDARDS FOR FEDERAL RECOGNITION.
“(a) MINIMUM STANDARDS FOR FEDERAL USE.—
“(1) IN GENERAL.—Beginning 3 years after the date of the enactment of this division [May 11, 2005], a Federal agency may not accept, for any official purpose, a driver’s license or identification card issued by a State to any person unless the State is meeting the requirements of this section.

“(2) STATE CERTIFICATIONS.—The Secretary shall determine whether a State is meeting the requirements of this section based on certifications made by the State to the Secretary. Such certifications shall be made at such times and in such manner as the Secretary, in consultation with the Secretary of Transportation, may prescribe by regulation.
“(b) MINIMUM DOCUMENT REQUIREMENTS.—To meet the requirements of this section, a State shall include,
at a minimum, the following information and features to a person by the State:

"(1) The person's full legal name.
"(2) The person’s date of birth.
"(3) The person’s gender.
"(4) The person’s driver’s license or identification card number.
"(5) A digital photograph of the person.
"(6) The person’s address of principle residence.
"(7) The person’s signature.
"(8) Physical security features designed to prevent tampering, counterfeiting, or duplication of the document for fraudulent purposes.

"(9) A common machine-readable technology, with defined minimum data elements.

"(10) Satisfy the requirements of this section, a State shall require, at a minimum, presentation and verification of the following information before issuing a driver’s license or identification card to a person:

"(A) A photo identity document, except that a non-photo identity document is acceptable if it includes both the person’s full legal name and date of birth.
"(B) Documentation showing the person’s date of birth.
"(C) Proof of the person’s social security account number or verification that the person is eligible for a social security account number.
"(D) Documentation showing the person’s name and address of principal residence.

"(2) SPECIAL REQUIREMENTS.—

"(A) IN GENERAL.—To meet the requirements of this section, a State shall comply with the minimum standards of this paragraph.

"(B) EVIDENCE OF LAWFUL STATUS.—A State shall require, before issuing a driver’s license or identification card to a person, valid documentary evidence that the person—

"(i) is a citizen or national of the United States;
"(ii) is an alien lawfully admitted for permanent or temporary residence in the United States;
"(iii) has conditional permanent resident status in the United States;
"(iv) has an approved application for asylum in the United States or has entered into the United States in refugee status;
"(v) has a valid, unexpired nonimmigrant visa or nonimmigrant visa status for entry into the United States;
"(vi) has a pending application for asylum in the United States;
"(vii) has a pending or approved application for temporary protected status in the United States;
"(viii) has an approved deferred action status; or
"(ix) has a pending application for adjustment of status to that of an alien lawfully admitted for permanent residence in the United States or conditional permanent resident status in the United States.

"(C) TEMPORARY DRIVERS’ LICENSES AND IDENTIFICATION CARDS.—

"(i) IN GENERAL.—If a person presents evidence under any of clauses (v) through (ix) of subparagraph (B), the State may only issue a temporary driver’s license or temporary identification card to the person.

"(ii) EXPIRATION DATE.—A temporary driver’s license or temporary identification card issued pursuant to this subparagraph shall be valid only during the period of time of the applicant’s authorized stay in the United States or, if there is no definite end to the period of authorized stay, a period of one year.

"(iii) DISPLAY OF EXPIRATION DATE.—A temporary driver’s license or temporary identification card issued pursuant to this subparagraph shall clearly indicate that it is temporary and shall state the date on which it expires.

"(iv) RENEWAL.—A temporary driver’s license or temporary identification card issued pursuant to this subparagraph may be renewed only upon presentation of valid documentary evidence that the status by which the applicant qualified for the temporary driver’s license or temporary identification card has been extended by the Secretary of Homeland Security.

"(3) VERIFICATION OF DOCUMENTS.—To meet the requirements of this section, a State shall implement the following procedures:

"(A) Before issuing a driver’s license or identification card to a person, the State shall verify, with the issuing agency, the issuance, validity, and completeness of each document required to be presented by the person under paragraph (1) or (2).

"(B) The State shall not accept any foreign document, other than an official passport, to satisfy a requirement of paragraph (1) or (2).

"(C) Not later than September 11, 2005, the State shall enter into a memorandum of understanding with the Secretary of Homeland Security to routinely utilize the full social security account number systematic Alien Verification for Entitlements, as provided for by section 404 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (Pub. L. 104–208, div. C, § 8 U.S.C. 1324a note) (110 Stat. 3009–664), to verify the legal presence status of a person, other than a United States citizen, applying for a driver’s license or identification card.

"(4) OTHER REQUIREMENTS.—To meet the requirements of this section, a State shall adopt the following practices in the issuance of drivers’ licenses and identification cards:

"(1) Employ technology to capture digital images of identity source documents so that the images can be retained in electronic storage in a transferable format.

"(2) Retain paper copies of source documents for a minimum of 7 years or images of source documents presented for a minimum of 10 years.

"(3) Subject each person applying for a driver’s license or identification card to mandatory facial image capture.

"(4) Establish an effective procedure to confirm or verify a renewing applicant’s information.

"(5) Confirm with the Social Security Administration a social security account number presented by a person using the full social security account number. In the event that a social security account number is already registered to or associated with another person to which any State has issued a driver’s license or identification card, the State shall resolve the discrepancy and take appropriate action.

"(6) Refuse to issue a driver’s license or identification card to a person holding a driver’s license issued by another State without confirmation that the person is terminating or has terminated the driver’s license.

"(7) Ensure the physical security of locations where drivers’ licenses and identification cards are produced and the security of document materials and papers from which drivers’ licenses and identification cards are produced.

"(8) Subject all persons authorized to manufacture or produce drivers’ licenses and identification cards to appropriate security clearance requirements.

"(9) Establish fraud document recognition training programs for appropriate employees engaged in the issuance of drivers’ licenses and identification cards.

"(10) Limit the period of validity of all driver’s licenses and identification cards that are not temporary to a period that does not exceed 8 years.

"(11) In any case in which the State issues a driver’s license or identification card that does not satisfy the requirements of this section, ensure that such license or identification card—

"(A) clearly states on its face that it may not be accepted by any Federal agency for federal identification or any other official purpose; and
“SEC. 203. TRAFFICKING IN AUTHENTICATION DOCUMENTS.

"(a) CRIMINAL PENALTY.—[Amended section 1028 of Title 18, Crimes and Criminal Procedure.]

"(b) USE OF FALSE DRIVER’S LICENSE AT AIRPORTS.—

"(1) IN GENERAL.—The Secretary shall enter, into the appropriate aviation security screening database, appropriate information regarding any person convicted of using a false driver’s license at an airport (as such term is defined in section 40102 of title 49, United States Code).

"(2) FALSE DEFINED.—In this subsection, the term ‘false’ has the same meaning such term has under section 1028(d) of title 18, United States Code.

“SEC. 204. GRANTS TO STATES.

"(a) IN GENERAL.—The Secretary may make grants to a State to assist the State in conforming to the minimum standards set forth in this title.

"(b) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated $250,000 in the aggregate for fiscal years beginning after September 30, 1998.

“SEC. 205. AUTHORITY.

"(a) PARTICIPATION OF SECRETARY OF TRANSPORTATION AND STATES.—All authority to issue regulations, set standards, and issue grants under this title shall be carried out by the Secretary, in consultation with the Secretary of Transportation and the States.

"(b) EXTENSIONS OF DEADLINES.—The Secretary may grant to a State an extension of time to meet the requirements of section 202(a)(1) if the State provides adequate justification for noncompliance.

“SEC. 206. REPEAL.

"(Repealed section 7212 of Pub. L. 108–458, set out below.)

“SEC. 207. LIMITATION ON STATUTORY CONSTRUCTION.

“Nothing in this title shall be construed to affect the authorities or responsibilities of the Secretary of Transportation or the States under chapter 303 of title 49, United States Code.”

Pub. L. 108–458, title VII, §7212, Dec. 17, 2004, 118 Stat. 3827, which prohibited acceptance by a Federal agency, for any official purpose, of a driver’s license or personal identification card issued by a State more than 2 years after the publication of minimum standards unless the driver’s license or personal identification card conformed to such minimum standards, and directed the Secretary of Transportation, in consultation with the Secretary of Homeland Security, to establish such standards not later than 18 months after Dec. 17, 2004, was repealed by Pub. L. 109–13, div. B, title II, §206, May 11, 2005, 119 Stat. 316.

EVALUATION AND ASSESSMENT OF ALTERNATIVES

“(1) EVALUATION.—The Secretary shall evaluate the implementation of chapter 303 of title 49, United States Code, and the programs under sections 11006 and 31309 of such title and identify alternatives to improve the ability of the States to exchange information about unsafe drivers and to identify drivers with multiple licenses.

“(2) TECHNOLOGY ASSESSMENT.—The Secretary, in conjunction with the American Association of Motor Vehicle Administrators, shall conduct an assessment of available electronic technologies to improve access to and exchange of motor vehicle driving records. The assessment may consider alternative unique motor vehicle identifiers that would facilitate accurate matching of drivers and their records.

“(3) REPORT TO CONGRESS.—Not later than 2 years after the date of enactment of this Act [June 9, 1998], the Secretary shall transmit to Congress a report on the results of the evaluation and technology assessment, together with any recommendations for appropriate administrative and legislative actions.

“(4) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out paragraph (2) $250,000 in the aggregate for fiscal years beginning after September 30, 1998.”

§ 30302. National Driver Register

(a) ESTABLISHMENT AND CONTENTS.—The Secretary of Transportation shall establish as soon as practicable and maintain a National Driver Register to assist chief driver licensing officials of participating States in exchanging information about the motor vehicle driving records of individuals. The Register shall contain an index of the information reported to the Secretary under section 30304 of this title. The Register shall enable the Secretary (electronically or, until all States can participate electronically, by United States mail)—

(1) to receive information submitted under section 30304 of this title by the chief driver licensing official of a State of record;

(2) to receive a request for information made by the chief driver licensing official of a participating State under section 30305 of this title;

(3) to refer the request to the chief driver licensing official of a State of record; and

(4) in response to the request, to relay information provided by a chief driver licensing official of a State of record to the chief driver licensing official of a participating State, without interception of the information.

(b) ACCURACY OF INFORMATION.—The Secretary is not responsible for the accuracy of information relayed to the chief driver licensing official of a participating State. However, the Secretary shall maintain the Register in a way that ensures against inadvertent alteration of information during a relay.

(c) TRANSITION FROM PRIOR REGISTER.—(1) The Secretary shall provide by regulation for the orderly transition from the register maintained under the Act of July 14, 1960 (Public Law 86–660, 74 Stat. 526), as restated by section 401 of the National Traffic and Motor Vehicle Safety Act of 1966 (Public Law 89–563, 80 Stat. 730), to the Register maintained under this chapter.

(2) (A) The Secretary shall delete from the Register a report or information that was compiled under the Act of July 14, 1960 (Public Law 86–660, 74 Stat. 526), as restated by section 401 of the National Traffic and Motor Vehicle Safety Act of 1966 (Public Law 89–563, 80 Stat. 730), and transferred to the Register, after the earlier of—

(i) the date the State of record removes it from the State’s file;
(ii) 7 years after the date the report or information is entered in the Register; or
(iii) the date a fully electronic Register system is established.

(B) The report or information shall be disposed of under chapter 33 of title 44.

(3) If the chief driver licensing official of a participating State finds that information provided for inclusion in the Register is erroneous or is related to a conviction of a traffic offense that subsequently is reversed, the official immediately shall notify the Secretary. The Secretary shall provide for the immediate deletion of the information from the Register.

(d) ASSIGNMENT OF PERSONNEL.—In carrying out this chapter, the Secretary shall assign personnel necessary to ensure the effective operation of the Register.

(e) TRANSFER OF SELECTED FUNCTIONS TO NON-FEDERAL MANAGEMENT.—

(1) AGREEMENT.—The Secretary may enter into an agreement with an organization that represents the interests of the States to manage, administer, and operate the National Driver Register’s computer timeshare and user assistance functions. If the Secretary decides to enter into such an agreement, the Secretary shall ensure that the management of these functions is compatible with this chapter and the regulations issued to implement this chapter.

(2) REQUIRED DEMONSTRATION.—Any transfer of the National Driver Register’s computer timeshare and user assistance functions to an organization that represents the interests of the States shall begin only after a determination is made by the Secretary that all States are participating in the National Driver Register’s “Problem Driver Pointer System” (the system used by the Register to effect the exchange of motor vehicle driving records) and that the system is functioning properly.

(3) TRANSITION PERIOD.—Any agreement entered into under this subsection shall include a provision for a transition period sufficient to allow the States to make the budgetary and legislative changes the States may need to pay fees charged by the organization representing their interests for the use of the National Driver Register’s computer timeshare and user assistance functions. During this transition period, the Secretary shall continue to fund these transferred functions.

(4) FEES.—The total of the fees charged by the organization representing the interests of the States in any fiscal year for the use of the National Driver Register’s computer timeshare and user assistance functions shall not exceed the total cost to the organization of performing these functions in such fiscal year.

(5) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this subsection may be construed to diminish, limit, or otherwise affect the authority of the Secretary to carry out this chapter.

HISTORICAL AND REVISION NOTES

</table>
In subsection (c), the words “in the form and way” are substituted for “in such form, and according to such procedures” to eliminate unnecessary words.

§ 30304. Reports by chief driver licensing officials

(a) INDIVIDUALS COVERED.—As soon as practicable, the chief driver licensing official of each participating State shall submit to the Secretary of Transportation a report containing the information specified by subsection (b) of this section for each individual:

(1) who is denied a motor vehicle operator’s license by that State for cause;

(2) whose motor vehicle operator’s license is revoked, suspended, or canceled by that State for cause; or

(3) who is convicted under the laws of that State of any of the following motor vehicle-related offenses or comparable offenses:

(A) operating a motor vehicle while under the influence of, or impaired by, alcohol or a controlled substance;

(B) a traffic violation arising in connection with a fatal traffic accident, reckless driving, or racing on the highways;

(C) failing to give aid or provide identification when involved in an accident resulting in death or personal injury;

(D) perjury or knowingly making a false affidavit or statement to officials about activities governed by a law or regulation on the operation of a motor vehicle.

(b) CONTENTS.—(1) Except as provided in paragraph (2) of this subsection, a report under subsection (a) of this section shall contain—

(A) the individual’s legal name, date of birth, sex, and, at the Secretary’s discretion, height, weight, and eye and hair color;

(B) the name of the State providing the information;

(C) the social security account number if used by the State for driver record or motor vehicle license purposes, and the motor vehicle operator’s license number if different from the social security account number.

(2) A report under subsection (a) of this section about an event that occurs during the 2-year period before the State becomes a participating State is sufficient if the report contains the information specified in subsection (b)(1) of this section that is the subject of the report.

(c) TIME FOR FILING.—If a report under subsection (a) of this section is about an event that occurs—

(1) during the 2-year period before the State becomes a participating State, the report shall be submitted not later than 6 months after the State becomes a participating State; or

(2) after the State becomes a participating State, the report shall be submitted not later than 31 days after the motor vehicle department of the State receives any information specified in subsection (b)(1) of this section that is the subject of the report.

(d) EVENTS OCCURRING BEFORE PARTICIPATION.—This section does not require a State to report information about an event that occurs before the 2-year period before the State becomes a participating State.

(e) DRIVER RECORD INQUIRY.—Before issuing a motor vehicle operator’s license to an individual or renewing such a license, a State shall request from the Secretary information from the National Driver Register under section 30302 and the commercial driver’s license information system under section 31309 on the individual’s driving record.

</table>

In subsection (a), before clause (1), the words “after the date of enactment of this title” are omitted as obsolete.

In subsection (b)(1)(A), the words “(including day, month, and year)” are omitted as surplus.

In subsection (b)(2)(A), the words “a report under subsection (a) of this section” are substituted for “any report concerning an occurrence specified in subsection (a)(1), (2), or (3) of this section” to eliminate unnecessary words.

In subsection (c), before clause (1), the words “required to be transmitted by a chief driver licensing official of a State” are omitted as surplus. In clause (1), the words “specified in subsection (a)(1), (2), or (3) of this section” are omitted as surplus.

In subsection (b)(2), the words “A report under subsection (a) of this section” are substituted for “any report concerning an occurrence specified in subsection (a)(1), (2), or (3) of this section” to eliminate unnecessary words.

In subsection (c), before clause (1), the words “motor vehicle department of the State receives any information specified in subsection (b)(1) of this section that is the subject of the report” are substituted for “receipt by a State motor vehicle department of any information specified in subsection (b)(1) of this section which is the subject of such report” because of the restatement.

AMENDMENTS

§ 30305. Access to Register information

(a) REFERRALS OF INFORMATION REQUESTS.—(1) To carry out duties related to driver licensing, driver improvement, or transportation safety, the chief driver licensing official of a participating State may request the Secretary of Transportation to refer, electronically or by United States mail, a request for information about the motor vehicle driving record of an individual to the chief driver licensing official of a State of record.

(2) The Secretary of Transportation shall relay, electronically or by United States mail, information received from the chief driver licensing official of a State of record in response to a request under paragraph (1) of this subsection to the chief driver licensing official of the participating State requesting the information. However, the Secretary may refuse to relay information to the chief driver licensing official of a participating State that does not comply with section 30304 of this title.

(b) REQUESTS TO OBTAIN INFORMATION.—(1) The Chairman of the National Transportation Safety Board and the Administrator of the Federal Highway Administration may request the chief driver licensing official of a State to obtain information under subsection (a) of this section about an individual who is the subject of an ac-
cident investigation conducted by the Board or the Administrator. The Chairman and the Administrator may receive the information.

(2) An individual who is employed, or is seeking employment, as a driver of a motor vehicle may request the chief driver licensing official of the State in which the individual is employed or seeks employment to provide information about the individual under subsection (a) of this section to the individual’s employer or prospective employer. An employer or prospective employer may receive the information and shall make the information available to the individual. Information may not be obtained from the National Driver Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(3) An individual who has received, or is applying for, an airman’s certificate may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the Administrator of the Federal Aviation Administration. The Administrator may receive the information and shall make the information available to the individual for review and written comment. The Administrator may use the information to verify information required to be reported to the Administrator by an airman applying for an airman medical certificate and to evaluate whether the airman meets the minimum standards prescribed by the Administrator to be issued an airman medical certificate. The Administrator may not otherwise divulge or use the information. Information may not be obtained from the Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(4) An individual who is employed, or is seeking employment, by a rail carrier as an operator of a locomotive may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the individual’s employer or prospective employer or to the Secretary of Transportation. Information may not be obtained from the Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(5) An individual who holds, or is applying for, a license or certificate of registry under section 7101 of title 46, or a merchant mariner’s document under section 7302 of title 46, may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the Secretary of the department in which the Coast Guard is operating. The Secretary may receive the information and shall make the information available to the individual for review and written comment before denying, suspending, or revoking the license, certificate, or document of the individual based on the information and before using the information in an action taken under chapter 77 of title 46. The Secretary may not otherwise divulge or use the information, except for purposes of section 7101, 7302, or 7703 of title 46. Information may not be obtained from the Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(6) The head of a Federal department or agency that issues motor vehicle operator’s licenses may request the chief driver licensing official of a State to obtain information under subsection (a) of this section about an individual applicant for a motor vehicle operator’s license from such department or agency. The department or agency may receive the information, provided it transmits to the Secretary a report regarding any individual who is denied a motor vehicle operator’s license by that department or agency for cause; whose motor vehicle operator’s license is revoked, suspended, or canceled by that department or agency for cause; or about whom the department or agency has been notified of a conviction of any of the motor vehicle-related offenses or comparable offenses listed in section 30304(a)(3) and over whom the department or agency has licensing authority. The report shall contain the information specified in section 30304(b).

(7) An individual who is an officer, chief warrant officer, or enlisted member of the Coast Guard or Coast Guard Reserve (including a cadet or an applicant for appointment or enlistment of any of the foregoing and any member of a uniformed service who is assigned to the Coast Guard) may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the Commandant of the Coast Guard. The Commandant may receive the information and shall make the information available to the individual. Information may not be obtained from the Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(8) An individual who is seeking employment by an air carrier as a pilot may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the prospective employer of the individual or to the Secretary of Transportation. Information may not be obtained from the Register under this paragraph if the information was entered in the Register more than 3 years before the request unless the information is about a revocation or suspension still in effect on the date of the request.

(9) An individual who has or is seeking access to national security information for purposes of Executive Order No. 12968, or any successor Executive order, or an individual who is being investigated for Federal employment under authority of Executive Order No. 10450, or any successor Executive order, may request the chief driver licensing official of a State to provide information about the individual pursuant to subsection (a) of this section to a Federal department or agency that is authorized to investigate
the individual for the purpose of assisting in the determination of the eligibility of the individual for access to national security information or for Federal employment in a position requiring access to national security information. A Federal department or agency that receives information about an individual under the preceding sentence may use such information only for purposes of the authorized investigation and only in accordance with applicable law.

(10) A request under this subsection shall be made in the form and way the Secretary of Transportation prescribes by regulation.

(11) An individual may request the chief driver licensing official of a State to obtain information about the individual under subsection (a) of this section—

(A) to learn whether information about the individual is being provided;

(B) to verify the accuracy of the information; or

(C) to obtain a certified copy of the information.

(12) The head of a Federal department or agency authorized to receive information regarding an individual from the Register under this section may request and receive such information from the Secretary.

(c) RELATIONSHIP TO OTHER LAWS.—A request for, or receipt of, information from the Register is subject to sections 552 and 552a of title 5, and other applicable laws of the United States or a State, except that—

(1) the Secretary of Transportation may not relay or otherwise provide information specified in section 30304(b)(1)(A) or (C) of this title to a person not authorized by this section to receive the information;

(2) a request for, or receipt of, information by a chief driver licensing official, or by a person authorized by subsection (b) of this section to request and receive the information, is deemed to be a routine use under section 552a(b) of title 5; and

(3) receipt of information by a person authorized by this section to receive the information is deemed to be a disclosure under section 552a(c) of title 5, except that the Secretary of Transportation is not required to retain the accounting made under section 552a(c)(1) for more than 7 years after the disclosure.

(d) AVAILABILITY OF INFORMATION PROVIDED UNDER PRIOR LAW.—Information provided by a State under the Act of July 14, 1960 (Public Law 86–660, 74 Stat. 526), as restated by section 401 of the National Traffic and Motor Vehicle Safety Act of 1966 (Public Law 89–563, 80 Stat. 730), and under this chapter, shall be available under this section during the transition from the register maintained under that Act to the Register maintained under this chapter.

In subsection (a)(1), the words “on and after the date of enactment of this title” (Oct. 25, 1962) are omitted as obsolete.

In subsection (b)(1), the word “Administrator” is substituted for “Bureau of Motor Carrier Safety” for consistency.

Subsection (d) is substituted for the last 2 sentences (added twice by mistake) in paragraphs (1) and (2) and for the last sentence in paragraphs (3), (4), and (7)(C) of section 206(b) of the National Driver Register Act of 1982 (Public Law 97–364, 96 Stat. 1744) for clarity and to avoid repeating the provision unnecessarily.

PUB. L. 105–102, §2(18)(A)

This amends 49:30305(b)(8), as redesignated by section 207(b) of the Coast Guard Authorization Act of 1996 (Public Law 104–231, 110 Stat. 3008), to correct an erroneous cross-reference.

PUB. L. 105–102, §2(18)(B)

This amends 49:30305(b) to redesignate paragraph (8), as redesignated by section 502(b)(1) of the Federal Aviation Reauthorization Act of 1996 (Public Law 104–264, 110 Stat. 3262), as paragraph (9), because section 207(b) of the Coast Guard Authorization Act of 1996 (Public Law 104–231, 110 Stat. 3008), redesignated paragraph (7) as paragraph (8) but did not redesignate paragraph (8) as paragraph (9).

Executive Order No. 12968, referred to in subsec. (b)(9), is set out as a note under section 415 of Title 50, War and National Defense.

Executive Order No. 10450, referred to in subsec. (b)(9), is set out as a note under section 7311 of Title 5, Government Organization and Employees.

Act of July 14, 1960, referred to in subsec. (d), is set out as a note under section 30302 of this title.

AMENDMENTS

2004—Subsec. (b)(9) to (12). Pub. L. 108–375 added par. (9) and redesignated former pars. (9) to (11) as (10) to (12), respectively.

1996—Subsec. (b)(2). Pub. L. 104–178, §206(b)(1)(A), inserted before period at end “, unless the information is about a revocation or suspension still in effect on the date of the request”.

Subsec. (b)(10). Pub. L. 105–178, §206(b)(2)(A), redesignated par. (6) as (10) and transferred it to appear after par. (9).

1997—Subsec. (b)(8). Pub. L. 105–102, §2(18)(B), redesignated par. (8), relating to request, as (9).
§ 30306

Title 49—Transportation
Page 586

Pub. L. 105–102, §2(18)(A), in par. (8), relating to individual seeking employment as pilot, substituted “subsection (a) of this section” for “paragraph (2)”.

Subsec. (b)(9), Pub. L. 105–102, §2(18)(B), redesignated par. (8), relating to request, as (9).

1996—Subsec. (b)(7). Pub. L. 104–324, §207(b), added par. (7). Former par. (7), relating to individual seeking employment as pilot, redesignated (8).

Pub. L. 104–264, §502(b), added par. (7). Former par. (7), relating to request, redesignated (8).

Subsec. (b)(8), Pub. L. 104–324, §207(b), redesignated par. (7), relating to individual seeking employment as pilot, as (8).

Pub. L. 104–264, §502(b), redesignated par. (7), relating to request, as (8).

Effective Date of 1996 Amendment

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

Section 502(d) of Pub. L. 104–264 provided that: “The amendments made by this section [amending this section and sections 44936 and 46301 of this title] shall be effective as of the effective date of the National Driver Register; and

(b) Duties.—The Committee shall advise the Secretary of Transportation on—

(1) the efficiency of the maintenance and operation of the National Driver Register; and

(2) the effectiveness of the Register in assisting States in exchanging information about motor vehicle driving records.

(c) Composition and Appointment.—The Committee is composed of 15 members appointed by the Secretary as follows:

(1) 3 members appointed from among individuals who are specially qualified to serve on the Committee because of their education, training, or experience, and who are not officers or employees of the United States Government or a State;

(2) 3 members appointed from among groups outside the Government that represent the interests of bus and trucking organizations, enforcement officials, labor, or safety organizations;

(3) 9 members, geographically representative of the participating States, appointed from among individuals who are chief driver licensing officials of participating States.

(d) Terms.—(1) Except as provided in paragraph (2) of this subsection, the term of each member is 3 years.

(2) A vacancy on the Committee shall be filled in the same way as an original appointment. A member appointed to fill a vacancy serves for the remainder of the term of that member’s predecessor. After a member’s term ends, the member may continue to serve until a successor takes office.

(e) Pay and Expenses.—Members of the Committee serve without pay. However, the Secretary may reimburse a member for reasonable travel expenses incurred by the member in attending meetings of the Committee.

(f) Meetings, Chairman, Vice Chairman, and Quorum.—(1) The Committee shall meet at least once a year.

(2) The Committee shall elect a Chairman and a Vice Chairman from among its members.

(3) Eight members are a quorum.

(4) The Committee shall meet at the call of the Chairman or a majority of the members.

(g) Personnel and Services.—The Secretary may provide the Committee with personnel, penalty mail privileges, and similar services the Secretary considers necessary to assist the Committee in carrying out its duties and powers under this section.

(h) Reports.—At least once a year, the Committee shall submit to the Secretary a report on the matters specified in subsection (b) of this section. The report shall include any recommendations of the Committee for changes in the Register.

(i) Relationship to Other Laws.—The Committee is exempt from sections 10(e) and 14 of the Federal Advisory Committee Act (5 App. U.S.C.).

Historical and Revision Notes

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In subsection (a), the word “hereby” is omitted as surplus.

In subsection (c), the text of section 209(c)(2) of the Federal Driver Register Act of 1982 (Public Law 97–364, 96 Stat. 1746) is omitted as executed.

In subsection (g), the words “The Secretary may provide the Committee” are substituted for “The Advisory Committee may receive from the Secretary” for clarity.

In subsection (h), the cross-reference is used to avoid repeating the same language twice in this section.

References in Text

Sections 10 and 14 of the Federal Advisory Committee Act, referred to in subsec. (i), are sections 10 and 14 of Pub. L. 92–463, which are set out in the Appendix to Title 5, Government Organization and Employees.

§ 30307. Criminal penalties

(a) General Penalty.—A person (except an individual described in section 30305(b)(6) of this title) shall be fined under title 18, imprisoned for not more than one year, or both, if—

(1) the person receives under section 30305 of this title information specified in section 30304(b)(1)(A) or (C) of this title;

1 See References in Text note below.

§ 30504. Reporting requirements.

In this section, the words “fined under title 18” are substituted for “fined not more than $10,000” for consistency with title 18.

In subsection (a), before clause (1), the reference to “section 30305(b)(6) of this title” is used to carry out the probable intent of Congress. Section 305(b)(1) of the Airport and Airway Safety and Capacity Expansion Act of 1987 (Public Law 100–223, 101 Stat. 1526) amended section 206(b) of the National Driver Register Act of 1982 (Public Law 97–364, 96 Stat. 1747) by “redesignating paragraphs (3) and (4), and any reference thereto, as paragraphs (4) and (5), respectively’. Because the reference to “section 206(b)(4)” in section 208 of the National Driver Register Act of 1982 appears to have been incorrect before that amendment, and would continue to be incorrect if the reference is redesignated as required by the amendment, a reference to section 30305(b)(6) is used in this section to carry out the probable intent of Congress.

REFERENCES IN TEXT

Section 30305(b) of this title, referred to in subsec. (a), was amended by Pub. L. 105–178, title II, §2006(b)(2)(A), (B), June 9, 1998, 112 Stat. 335, which added a new par. (6) and redesignated former par. (6) as (10).

§ 30508. Authorization of appropriations

(a) GENERAL.—The Secretary of Transportation shall make available from amounts made available to carry out section 402 of title 23 $4,000,000 for each of the fiscal years ending September 30, 1993, and September 30, 1994, $2,550,000 for each of fiscal years 1995, 1996, and 1997, and $1,855,000 for the period of October 1, 1997, through March 31, 1998, to carry out this chapter.

(b) AVAILABILITY OF AMOUNTS.—Amounts authorized under this section remain available until expended.

In subsection (a), the text of section 211(a) of the National Driver Register Act of 1982 (Public Law 97–364, 96 Stat. 1747) is omitted as executed. The words “and the provisions of Public Law 86–660 (74 Stat. 526)” and references to fiscal years 1983–1987 and 1992 are omitted as obsolete. The word “section” in the source provision is translated as if it were “title” to reflect the apparent intent of Congress.

This amends 49:30308(b) to correct an error in the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 979).

This amends 49:30308 to correct a grammatical error.

AMENDMENTS

Subsec. (b). Pub. L. 103–429 substituted “authorized” for “appropriated”.

EFFECTIVE DATE OF 1994 AMENDMENT

CHAPTER 305—NATIONAL MOTOR VEHICLE TITLE INFORMATION SYSTEM

Sec.

30501. Definitions.

30503. State participation.

30504. Reporting requirements.

30505. Penalties and enforcement.

AMENDMENTS

§ 30501. Definitions

In this chapter—

(1) “automobile” has the same meaning given that term in section 32901(a) of this title.

(2) “certificate of title” means a document issued by a State showing ownership of an automobile.
(3) "insurance carrier" means an individual or entity engaged in the business of underwriting automobile insurance.

(4) "junk automobile" means an automobile that—
(A) is incapable of operating on public streets, roads, and highways; and
(B) has no value except as a source of parts or scrap.

(5) "junk yard" means an individual or entity engaged in the business of acquiring or owning junk automobiles for—
(A) resale in their entirety or as spare parts; or
(B) rebuilding, restoration, or crushing.

(6) "operator" means the individual or entity authorized or designated as the operator of the National Motor Vehicle Title Information System under section 30502(b) of this title, or the Attorney General, if there is no authorized or designated individual or entity.

(7) "salvage automobile" means an automobile that is damaged by collision, fire, flood, accident, trespass, or other event, to the extent that its fair salvage value plus the cost of repairing the automobile for legal operation on public streets, roads, and highways would be more than the fair market value of the automobile immediately before the event that caused the damage.

(8) "salvage yard" means an individual or entity engaged in the business of acquiring or owning salvage automobiles for—
(A) resale in their entirety or as spare parts; or
(B) rebuilding, restoration, or crushing.

(9) "State" means a State of the United States or the District of Columbia.

HISTORICAL AND REVISION NOTES

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In subsection (a)(2), the word "showing" is substituted for "evidencing" to use a more commonly understood term.

In subsection (a)(3), (5), and (8), the words "individual or entity" are substituted for "individual, corporation, or other entity" for clarity and consistency in the revised title and with other titles of the United States Code.

In subsection (a)(4) and (7), the words "public streets, roads, and highways" are substituted for "roads or highways" for clarity and consistency in the revised title. In subsection (a)(6), the words "National Automobile Title Information System" are substituted for "system" for clarity. The words "no authorized or designated individual or entity" are substituted for "no such individual or entity is authorized" for clarity. In subsection (a)(7), the word "event" is substituted for "occurrence" for clarity and consistency.

The text of 15:2041(9) is omitted because the complete title of the Secretary of Transportation is used the first time the term appears in a section.

AMENDMENTS

1996—Par. (6). Pub. L. 104–152, §3(a), substituted "Attorney General" for "Secretary of Transportation".

Pub. L. 104–152, §2(c), as amended by Pub. L. 105–102, §3(b), substituted "National Motor Vehicle Title Information System" for "National Automobile Title Information System".

EFFECTIVE DATE OF 1997 AMENDMENT
Pub. L. 105–102, §3(b), Nov. 20, 1997, 111 Stat. 2215, provided that the amendment made by section 3(b) is effective July 2, 1996.

Amendment by Pub. L. 105–102 effective as if included in the provisions of the Act to which the amendment relates, see section 3(f) of Pub. L. 105–102, set out as a note under section 106 of this title.

§ 30502. National Motor Vehicle Title Information System

(a) ESTABLISHMENT OR DESIGNATION.—(1) In cooperation with the States and not later than December 31, 1997, the Attorney General shall establish a National Motor Vehicle Title Information System that will provide individuals and entities referred to in subsection (e) of this section with instant and reliable access to information maintained by the States related to automobile titling described in subsection (d) of this section. However, if the Attorney General decides that the existing information systems meets the requirements of subsections (d) and (e) of this section and will permit the Attorney General to carry out this chapter as early as possible, the Attorney General, in consultation with the Secretary of Transportation, may designate an existing information system as the National Motor Vehicle Title Information System.

(2) In cooperation with the Secretary of Transportation and the States, the Attorney General shall establish an information system to assist in efforts to prevent the introduction or reintroduction of stolen vehicles and parts into interstate commerce.

(b) OPERATION.—The Attorney General may authorize the operation of the System established or designated under subsection (a)(1) of this section by agreement with one or more States, or by designating, after consulting with the States, a third party that represents the interests of the States.

(c) USER FEES.—Operation of the System established or designated under subsection (a)(1) of this section shall be paid for by user fees and should be self-sufficient and not be dependent on amounts from the United States Government. The amount of user fees the operator collects and keeps under this subsection subject to annual appropriation laws, excluding fees the operator collects and pays to an entity providing information to the operator, may be not more than the costs of operating the System.

(d) INFORMATION REQUIREMENTS.—The System established or designated under subsection (a)(1) of this section shall permit a user of the System at least to establish instantly and reliably—
(1) the validity and status of a document purporting to be a certificate of title;
(2) whether an automobile bearing a known vehicle identification number is titled in a particular State;
(3) whether an automobile known to be titled in a particular State is or has been a junk automobile or a salvage automobile;
(4) for an automobile known to be titled in a particular State, the odometer mileage disclosure required under section 32705 of this title for that automobile on the date the certificate of title for that automobile was issued and any later mileage information, if noted by the State; and
(5) whether an automobile bearing a known vehicle identification number has been reported as a junk automobile or a salvage automobile under section 30504 of this title.

(e) AVAILABILITY OF INFORMATION.—(1) The operator shall make available—
(A) to a participating State on request of that State, information in the System about any automobile;
(B) to a Government, State, or local law enforcement official on request of that official, information in the System about a particular automobile, junk yard, or salvage yard;
(C) to a prospective purchaser of an automobile on request of that purchaser, including an auction company or entity engaged in the business of purchasing used automobiles, information in the System about that automobile; and
(D) to a prospective or current insurer of an automobile on request of that insurer, information in the System about that automobile.

(2) The operator may release only the information reasonably necessary to satisfy the requirements of paragraph (1) of this subsection. The operator may not collect an individual’s social security account number or permit users of the System to obtain an individual’s address or social security account number.

(f) IMMUNITY.—Any person performing any activity under this section or sections 30503 or 30504 in good faith and with the reasonable belief that such activity was in accordance with this section or section 30503 or 30504, as the case may be, shall be immune from any civil action respecting such activity which is seeking money damages or equitable relief in any court of the United States or a State.

HISTORICAL AND REVISION NOTES

Section Source (U.S. Code) Source (Statutes at Large)

In subsection (a)(1), the words “January 31, 1996” are substituted for “January 1996” for clarity. The words “National Automobile Title Information System” are substituted for “National Motor Vehicle Title Information System” for clarity and consistency because the defined term in the source provisions being restated is “automobile”. The words “individuals and entities referred to in subsection (e) of this section” are substituted for “States and others”, the words “information maintained by the States related to automobile titling described in subsection (d) of this section” are substituted for “information maintained by States pertaining to the titling of automobiles”, and the words “existing information system” are substituted for “such system”, for clarity.

In subsection (b), the word “agreement” is substituted for “contract through an agreement” to eliminate unnecessary words. The words “designating” is substituted for “redesignating” for clarity.

In subsection (c), the words “user fees” are substituted for “a system of user fees” to eliminate unnecessary words. The words “amounts from the United States Government” are substituted for “Federal funds” for clarity and consistency in the revised titles and with other titles of the Code. The word “pays” are substituted for “passed on” for clarity. The word “entity” is substituted for “State or other entity” to eliminate unnecessary words.

In subsection (d)(4), the words “the odometer mileage disclosure required” are substituted for “the odometer reading information”, and the words “any later mileage information” are substituted for “any such later odometer information”, for consistency with section 32705 of the revised title.

In subsection (e)(2), the words “The operator may release only the information necessary” are substituted for “Notwithstanding any provision of paragraphs (1) through (4), the operator shall release no information other than what is necessary” to eliminate unnecessary words. The words “social security account number” are substituted for “social security number” for consistency with 22:405.

AMENDMENTS

Subsecs. (a), (b). Pub. L. 104–152, §3(a), which directed the amendment of this section by striking each reference to “Secretary of Transportation” or “Secretary” and inserting “Attorney General”, and Pub. L. 104–152, §3(b), which directed the striking of each reference to “Attorney General” and inserting “Secretary of Transportation”, were executed simultaneously, to reflect the probable intent of Congress. See below.

Subsec. (a)(1). Pub. L. 104–152, §3, substituted “Attorney General shall” for “Secretary of Transportation shall”, “Attorney General decides” for “Secretary decides”, “permit the Attorney General” for “permit the Secretary”, and “Attorney General, in consultation with the Secretary of Transportation” for “Secretary, in consultation with the Attorney General; the Secretary, in consultation with the Attorney General; the Secretary.”

Pub. L. 104–152, §2(c), as amended by Pub. L. 105–102, substituted “National Motor Vehicle Title Information System” for “National Automobile Title Information System” in two places, substituted “December 31, 1967” for “January 1966”, and substituted “Secretary of Transportation” for “Attorney General” and “Attorney General” for “Secretary”.

Subsec. (b). Pub. L. 104–152, §3(a), substituted “Attorney General” for “Secretary”.

EFFECTIVE DATE OF 1997 AMENDMENT

Pub. L. 105–102, §3(b), Nov. 20, 1997, 111 Stat. 2215, provided that the amendment made by section 3(b) is effective July 2, 1996.
Amendment by Pub. L. 105–102 effective as if included in the provisions of the Act to which the amendment relates, see section 3(f) of Pub. L. 105–102, set out as a note under section 106 of this title.

Effectiveness of System

Section 6(c) of Pub. L. 104–152 provided that: “The information system established under section 30502 of title 49, United States Code, shall be effective as provided in the rules promulgated by the Attorney General.”

§ 30503. State participation

(a) State information.—Each State shall make titling information maintained by that State available for use in operating the National Motor Vehicle Title Information System established or designated under section 30502 of this title.

(b) Verification checks.—Each State shall establish a practice of performing an instant title verification check before issuing a certificate of title to an individual or entity claiming to have purchased an automobile from an individual or entity in another State. The check shall consist of—

(1) communicating to the operator—

(A) the vehicle identification number of the automobile for which the certificate of title is sought;

(B) the name of the State that issued the most recent certificate of title for the automobile; and

(C) the name of the individual or entity to whom the certificate of title was issued; and

(2) giving the operator an opportunity to communicate to the participating State the results of a search of the information.

(c) Grants to States.—(1) In cooperation with the States and not later than January 1, 1994, the Attorney General shall—

(A) conduct a review of systems used by the States to compile and maintain information about the titling of automobiles; and

(B) determine for each State the cost of making titling information maintained by that State available to the operator to meet the requirements of section 30502(d) of this title.

(2) The Attorney General may make reasonable and necessary grants to participating States to be used in making titling information maintained by those States available to the operator.

(d) Report to Congress.—Not later than October 1, 1996, the Attorney General shall report to Congress on which States have met the requirements of this section. If a State has not met the requirements, the Attorney General shall describe the impediments that have resulted in the State's failure to meet the requirements.

(Historical and Revision Notes—Continued)

In subsection (a), the words “for use in operating . . . established or designated” are substituted for “for use in establishing . . . established” for clarity and for consistency with the source provisions restated in section 30502 of the revised title.

In subsection (b), before clause (1), the words “The check” are substituted for “Such instant title verification check” to eliminate unnecessary words. In subclauses (A) and (B), the words “of the automobile” are substituted for “of the vehicle” for consistency in the revised chapter.

In subsection (c)(1)(B), the words “section 30502(d) of this title” are substituted for “subsection (b)” to reflect the apparent intent of Congress.

In subsection (c)(2)(B), the words “paragraph (1)(B) of this subsection” are substituted for “subsection (d)(1)(B)” to reflect the apparent intent of Congress.

In subsection (c)(2)(B), the word “fair” is omitted as being included in “reasonable”.

Amendments

Subsec. (c)(1). Pub. L. 104–152, §3(a), substituted “Attorney General” for “Secretary of Transportation”.

Subsec. (c)(2). Pub. L. 104–152, §6(a), amended par. (2) generally. Prior to amendment, par. (2) read as follows: “The Secretary may make grants to participating States to be used in making titling information maintained by those States available to the operator if—

“(A) the grant to a State is not more than the lesser of—

“(i) 25 percent of the cost of making titling information maintained by that State available to the operator as determined by the Secretary under paragraph (1)(B) of this subsection; or

“(ii) $300,000; and

“(B) the Secretary decides that the grants are reasonable and necessary to establish the System.”

Subsec. (d). Pub. L. 104–152, §§2(b), 3(a), substituted “October 1, 1996” for “January 1, 1997” and substituted “Attorney General” for “Secretary” in two places.

Effective Date of 1997 Amendment

Pub. L. 105–102, §3(b), Nov. 20, 1997, 111 Stat. 2215, provided that the amendment made by section 3(b) is effective July 2, 1996.

Amendment by Pub. L. 105–102 effective as if included in the provisions of the Act to which the amendment relates, see section 3(f) of Pub. L. 105–102, set out as a note under section 106 of this title.

§ 30504. Reporting requirements

(a) Junk yard and salvage yard operators.—(1) Beginning at a time established by the Attorney General that is not sooner than the 3d month before the establishment or designation of the National Motor Vehicle Title Information System under section 30502 of this title, an individual or entity engaged in the business of operating a junk yard or salvage yard shall file a monthly report with the opera-
tor of the System. The report shall contain an inventory of all junk automobiles or salvage automobiles obtained by the junk yard or salvage yard during the prior month. The inventory shall contain—
(A) the vehicle identification number of each automobile obtained;
(B) the date on which the automobile was obtained;
(C) the name of the individual or entity from whom the automobile was obtained; and
(D) a statement of whether the automobile was crushed or disposed of for sale or other purposes.

(2) Paragraph (1) of this subsection does not apply to an individual or entity—
(A) required by State law to report the acquisition of junk automobiles or salvage automobiles to State or local authorities if those authorities make that information available to the operator; or
(B) issued a verification under section 33110 of this title stating that the automobile or parts from the automobile are not reported as stolen.

(b) INSURANCE CARRIERS.—Beginning at a time established by the Attorney General that is not sooner than the 3d month before the establishment or designation of the System, an individual or entity engaged in business as an insurance carrier shall file a monthly report with the operator. The report may be filed directly or through a designated agent. The report shall contain an inventory of all automobiles of the current model year or any of the 4 prior model years that the carrier, during the prior month, has obtained possession of and has decided are junk automobiles or salvage automobiles. The inventory shall contain—
(1) the vehicle identification number of each automobile obtained;
(2) the date on which the automobile was obtained;
(3) the name of the individual or entity from whom the automobile was obtained; and
(4) the name of the owner of the automobile at the time of the filing of the report.

(c) PROCEDURES AND PRACTICES.—The Attorney General shall establish by regulation procedures and practices to facilitate reporting in the least burdensome and costly fashion.

In subsections (a)(1), before clause (A), the words “Beginning at a time established by the Secretary of Transportation that is not sooner than the 3d month before the establishment or designation of” are substituted for “Beginning at a time determined by the Secretary, but no earlier than 3 months prior to the establishment of” for clarity and consistency with the source provisions restated in section 30502 of the revised title. The words “junk yard or salvage yard” are substituted for “automobile junk yard or automobile salvage yard” because of the definitions of “junk yard” and “salvage yard” in section 30501 of the revised title. The words “with the operator of the System” are substituted for “with the operator” for clarity. In clauses (A), (C), and (D), the words “each automobile” are substituted for “each vehicle”, and the words “the automobile” are substituted for “the vehicle”, for consistency in the revised title.

In subsection (a)(2)(B), the word “automobile” is substituted for “vehicle” for consistency in the revised title.

In subsections (b), before clause (1), the words “Beginning at a time established by the Secretary that is not sooner than the 3d month before the establishment or designation of” are substituted for “Beginning at a time determined by the Secretary, but no earlier than 3 months prior to the establishment of” for clarity and consistency with the source provisions restated in section 30502 of the revised title. In clauses (1), (3), and (4), the words “each automobile” are substituted for “each vehicle”, and the words “the automobile” are substituted for “the vehicle”, for consistency in the revised title.

AMENDMENTS

Subsecs. (b), (c). Pub. L. 104–152, §3(a), substituted “Attorney General” for “Secretary”.

EFFECTIVE DATE OF 1997 AMENDMENT

Pub. L. 105–102, §3(b), Nov. 20, 1997, 111 Stat. 2215, provided that the amendment made by section 3(b) is effective July 2, 1996.

Amendment by Pub. L. 105–102 effective as if included in the provisions of the Act to which the amendment relates, see section 3(f) of Pub. L. 105–102, set out as a note under section 106 of this title.

§ 30505. Penalties and enforcement

(a) PENALTY.—An individual or entity violating this chapter is liable to the United States Government for a civil penalty of not more than $1,000 for each violation.

(b) COLLECTION AND COMPROMISE.—(1) The Attorney General shall impose a civil penalty under this section. The Attorney General shall bring a civil action to collect the penalty. The Attorney General may compromise the amount of the penalty. In determining the amount of the penalty or compromise, the Attorney General shall consider the appropriateness of the penalty to the size of the business of the individual or entity charged and the gravity of the violation.

(2) The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the individual or entity liable for the penalty.

§ 31100  TITLE 49—TRANSPORTATION  Page 592

HISTORICAL AND REVISION NOTES

Revised  Source (U.S. Code)  Source (Statutes at Large)
Section  Date  Pub. L. & Stat. Page

In subsection (a), the words “An individual or entity violating this chapter is liable to the United States Government for a civil penalty of” are substituted for “Whose violations of this chapter may be assessed a civil penalty of” for clarity and consistency in the revised title and with other titles of the United States Code.

In subsection (b), the words “individual or entity” are substituted for “person” for clarity and consistency with the source provisions restated in the revised chapter.

In subsection (b)(1), the words “The Secretary of Transportation shall impose a civil penalty under this section” are substituted for “Any such penalty shall be assessed by the Secretary and collected in a civil action brought by the Attorney General of the United States” for clarity and consistency in the revised title and with other titles of the Code.

In subsection (b)(2), the words “penalty imposed or compromised” are substituted for “such penalty, finally determined, or the amount agreed upon in compromise”, and the words “liable for the penalty” are substituted for “charged”, for clarity and consistency in the revised title and other titles of the Code.

AMENDMENTS
1996—Subsec. (b)(1). Pub. L. 104–152 substituted “Attorney General shall impose” for “Secretary of Transportation shall impose”, “Attorney General may compromise” for “Secretary may compromise”, and “Attorney General shall consider” for “Secretary shall consider”.

PART B—COMMERCIAL

CHAPTER 311—COMMERCIAL MOTOR VEHICLE SAFETY

SUBCHAPTER I—GENERAL AUTHORITY AND STATE GRANTS

Sec. 31100. Purpose.
31101. Definitions.
31102. Grants to States.
31103. United States Government’s share of costs.
31104. Availability of amounts.
31105. Information systems.
31106. Border enforcement grants.
31107. Border enforcement grants.
31108. Motor carrier research and technology program.
31109. Performance and registration information system management.
31110. Performance and registration information system management.

SUBCHAPTER II—LENGTH AND WIDTH LIMITATIONS

31111. Length limitations.
31112. Property-carrying unit limitation.
31113. Weight limitations.
31114. Access to the Interstate System.
31115. Enforcement.

SUBCHAPTER III—SAFETY REGULATION

31131. Purposes and findings.
31132. Definitions.
31133. General powers of the Secretary of Transportation.
31134. Repealed.
31135. Duties of employers and employees.
31136. United States Government regulations.
31137. Monitoring device and brake maintenance regulations.

Sec. 31138. Minimum financial responsibility for transporting passengers.
31139. Minimum financial responsibility for transporting property.
[31140. Repealed.]
31141. Review and preemption of State laws and regulations.
31142. Inspection of vehicles.
31143. Investigating complaints and protecting complainants.
31144. Safety fitness of owners and operators.
31145. Coordination of Governmental activities and paperwork.
31146. Relationship to other laws.
31147. Limitations on authority.
31148. Certified motor carrier safety auditors.
31149. Medical program.
31150. Safety performance history screening.
31151. Roadability.

SUBCHAPTER IV—MISCELLANEOUS

31161. International cooperation.

AMENDMENTS
2005—Pub. L. 109–99, title IV, §§4108(b)(2), 4111(b), 4114(b), 4114(c), 4117(b), 4118(b), 4119(b), Aug. 10, 2005, 119 Stat. 1721, 1724, 1728, 1729, 1732, 1733, substituted “GENERAL AUTHORITY AND STATE GRANTS” for “STATE GRANTS AND OTHER COMMERCIAL MOTOR VEHICLE PROGRAMS” in subchapter I heading, “Border enforcement grants” for “Contract authority funding for information systems” in item 31107, and “Motor carrier research and technology program” for “Authorization of appropriations” in item 31108 and added items 31109 and 31149 to 31151, subchapter IV heading, and item 31161.

SUBCHAPTER I—GENERAL AUTHORITY AND STATE GRANTS

AMENDMENTS
1998—Pub. L. 105–178, title IV, §§4002(b), 4004(d), 4008(c), (d), 4010, June 9, 1998, 112 Stat. 395, 404, 407, inserted “AND OTHER COMMERCIAL MOTOR VEHICLE PROGRAMS” after “GRANTS” in subchapter I heading, added item 31100, substituted “Information systems” for “Commercial motor vehicle information system program” in item 31106 and “Contract authority funding for information systems” for “Truck and bus accident grant program” in item 31107, struck out items 31134 “Commercial Motor Vehicle Safety Regulatory Review Panel” and 31140 “Submission of State laws and regulations for review”, subchapter IV heading “MISCELLANEOUS”, and items 31161 “Procedures to ensure timely correction of safety violations” and 31162 “Compliance review priority”.

§ 31100. Purpose

The purpose of this subchapter is to ensure that the Secretary, States, and other political jurisdictions work in partnership to establish programs to improve motor carrier, commercial motor vehicle, and driver safety to support a safe and efficient transportation system by—
(1) focusing resources on strategic safety investments to promote safe for-hire and private
transportation, including transportation of passengers and hazardous materials, to identify high-risk carriers and drivers, and to invest in activities likely to generate maximum reductions in the number and severity of commercial motor vehicle crashes;

(2) increasing administrative flexibility and developing and enforcing effective, compatible, and cost-beneficial motor carrier, commercial motor vehicle, and driver safety regulations and practices, including improving enforcement of State and local traffic safety laws and regulations;

(3) assessing and improving statewide program performance by setting program outcome goals, improving problem identification and countermeasures planning, designing appropriate performance standards, measures, and benchmarks, improving performance information and analysis systems, and monitoring program effectiveness;

(4) ensuring that drivers of commercial motor vehicles and enforcement personnel obtain adequate training in safe operational practices and regulatory requirements; and

(5) advancing promising technologies and encouraging adoption of safe operational practices.

TRUCKING SECURITY

“(a) LEGAL STATUS VERIFICATION FOR LICENSED UNITED STATES COMMERCIAL DRIVERS.—Not later than 18 months after the date of the enactment of this Act [Oct. 13, 2006], the Secretary of Transportation, in cooperation with the Secretary of Homeland Security, shall issue regulations to implement the recommendations contained in the memorandum of the Inspector General of the Department of Transportation issued on June 4, 2004 (Control No. 2004–054).

“(b) COMMERCIAL DRIVER’S LICENSE ANTIFRAUD PROGRAMS.—Not later than 18 months after the date of the enactment of this Act [Oct. 13, 2006], the Secretary of Transportation, in cooperation with the Secretary of Homeland Security, shall issue a regulation to implement the recommendations contained in the Report of the Federal Motor Carrier Safety Administration Oversight of the Commercial Driver’s License Program (MH–2006–063).

“(c) VERIFICATION OF COMMERCIAL MOTOR VEHICLE TRAFFIC.—

“(1) GUIDELINES.—Not later than 18 months after the date of the enactment of this Act [Oct. 13, 2006], the Secretary of Transportation, in consultation with the Secretary of Homeland Security, shall draft guidelines for Federal, State, and local law enforcement officials, including motor carrier safety enforcement personnel, on how to identify noncompliance with Federal laws uniquely applicable to commercial motor vehicles and commercial motor vehicle operators engaged in cross-border traffic and communicate such noncompliance to the appropriate Federal authorities. Such guidelines shall be coordinated with the training and outreach activities of the Federal Motor Carrier Safety Administration under section 4139 of SAFETEA-LU (Public Law 109–59) [set out below].

“(2) VERIFICATION.—Not later than 18 months after the date of the enactment of this Act [Oct. 13, 2006], the Administrator of the Federal Motor Carrier Safety Administration shall modify the final rule regarding the enforcement of operating authority (Docket No. FMCSA–2002–13015) to establish a system or process by which a carrier’s operating authority can be verified during a roadside inspection.”

OUTREACH AND EDUCATION

“(a) IN GENERAL.—The Secretary of Transportation shall conduct, through any combination of grants, contracts, or cooperative agreements, an outreach and education program to be administered by the Federal Motor Carrier Safety Administration and the National Highway Traffic Safety Administration.

“(b) PROGRAM ELEMENTS.—The program shall include, at a minimum, the following:

“(1) A program to promote a more comprehensive and national effort to educate commercial motor vehicle drivers and passenger vehicle drivers on the importance of sharing the road with commercial motor vehicle drivers and passenger vehicle drivers can more safely share the road with each other.

“(2) A program to promote enhanced traffic enforcement efforts aimed at reducing the incidence of the most common unsafe driving behaviors that cause or contribute to crashes involving commercial motor vehicles and passenger vehicles.

“(3) A program to establish a public-private partnership to provide resources and expertise for the development and dissemination of information relating to sharing the road referred to in paragraphs (1) and (2) to each partner’s constituents and to the general public through the use of brochures, videos, paid and public announcements, the Internet, and other media.

“(c) FEDERAL SHARE.—The Federal share of a program or activity for which a grant is made under this section shall be 100 percent of the cost of such program or activity.

“(d) ANNUAL REPORT.—The Secretary shall prepare and transmit to Congress an annual report on the programs and activities carried out under this section. The final annual report shall be submitted not later than September 30, 2009.

“(e) FUNDING.—From amounts made available under section 31104(i) of title 49, United States Code, the Secretary shall make available $1,000,000 to the Federal Motor Carrier Safety Administration, and $3,000,000 to the National Highway Traffic Safety Administration. For each of fiscal years 2006, 2007, 2008, 2009, 2010, and 2011 (and $500,000 to the Federal Motor Carrier Safety Administration, and $1,500,000 to the National Highway Traffic Safety Administration, for the period beginning on October 1, 2011, and ending on March 31, 2012) to carry out this section (other than subsection (f)).

“(f) STUDY.—The Comptroller General shall update the Government Accountability Office’s evaluation of the ‘Share the Road Safely’ program to determine if it has achieved reductions in the number and severity of commercial motor vehicle crashes, including reductions in the number of deaths and the severity of injuries sustained in these crashes and shall report its updated evaluation to Congress no later than June 30, 2006.”

SAFETY DATA IMPROVEMENT PROGRAM

“(a) IN GENERAL.—The Secretary of Transportation shall make grants to States for projects and activities to improve the accuracy, timeliness, and completeness of commercial motor vehicle safety data reported to the Secretary.

“(b) ELIGIBILITY.—A State shall be eligible for a grant under this section in a fiscal year if the Secretary determines that the State has:

“(1) conducted a comprehensive audit of its commercial motor vehicle safety data system within the preceding 2 years;
“(2) developed a plan that identifies and prioritizes its commercial motor vehicle safety data needs and goals; and

“(3) identified performance-based measures to determine progress toward those goals.

“(c) Federal Share.—The Federal share of a grant under this section shall be 80 percent of the cost of the activities for which the grant is made.

“(d) Biennial Report.—Not later than 2 years after the date of enactment of this Act [Aug. 10, 2005], and biennially thereafter, the Secretary shall transmit to Congress a report on the activities and results of the program carried out under this section, together with any recommendations the Secretary determines appropriate.''

OPERATING AUTHORITY ENFORCEMENT ASSISTANCE FOR STATES

Pub. L. 109-59, title IV, §4139(a), Aug. 10, 2005, 119 Stat. 1345, provided that:

“(1) Training and Outreach.—Not later than 180 days after the date of enactment of this Act [Aug. 10, 2005], the Administrator of the Federal Motor Carrier Safety Administration shall conduct outreach and provide training as necessary to State personnel engaged in the enforcement of Federal motor carrier safety regulations to ensure their awareness of the process to be used for verification of the operating authority of motor carriers, including motor carriers of passengers, and to ensure proper enforcement when motor carriers are found to be in violation of operating authority requirements.

“(2) Assessment.—The Inspector General of the Department of Transportation may periodically assess the implementation and effectiveness of the training and outreach program.''

MOTOR CARRIER SAFETY ADVISORY COMMITTEE

“(1) In General.—The committee shall be composed of not more than 20 members appointed by the Administrator from among individuals who are not employees of the Administration and who are specially qualified to serve on the committee because of their education, training, or experience. The members shall include representatives of the motor carrier industry, safety advocates, and safety enforcement officials. Representatives of a single enumerated interest group may not constitute a majority of the members of the advisory committee.

“(2) Chairman.—The Administrator shall designate the chairman of the committee.

“(3) Pay.—A member of the committee shall serve without pay; except that the Administrator may allow a member, when attending meetings of the committee or a subcommittee of the committee, expenses authorized under section 5703 of title 5, relating to per diem, travel, and transportation expenses.

“(a) Establishment and Duties.—The Secretary of Transportation shall establish in the Federal Motor Carrier Safety Administration a motor carrier safety advisory committee. The committee shall—

“(1) provide advice and recommendations to the Administrator of the Federal Motor Carrier Safety Administration about needs, objectives, plans, approaches, content, and accomplishments of the motor carrier safety programs carried out by the Administration; and

“(2) provide advice and recommendations to the Administrator on motor carrier safety regulations.

“(b) Members, Chairman, Pay, and Expenses.—

“(1) In General.—The committee shall be composed of not more than 20 members appointed by the Administrator from among individuals who are not employees of the Administration and who are specially qualified to serve on the committee because of their education, training, or experience. The members shall include representatives of the motor carrier industry, safety advocates, and safety enforcement officials. Representatives of a single enumerated interest group may not constitute a majority of the members of the advisory committee.

“(2) Chairman.—The Administrator shall designate the chairman of the committee.

“(3) Pay.—A member of the committee shall serve without pay; except that the Administrator may allow a member, when attending meetings of the committee or a subcommittee of the committee, expenses authorized under section 5703 of title 5, relating to per diem, travel, and transportation expenses.

“(2) Support Staff, Information, and Services.—The Administrator shall provide support staff for the committee. On request of the committee, the Administrator shall provide information, administrative services, and supplies that the Administrator considers necessary for the committee to carry out its duties and powers.

“(d) Termination Date.—Notwithstanding the Federal Advisory Committee Act (5 U.S.C. App.), the advisory committee shall terminate on March 31, 2012.''

MOTOR CARRIER SAFETY STRATEGY

Pub. L. 106-159, title I, §104, Dec. 9, 1999, 113 Stat. 1754, provided that:

“(a) Safety Goals.—In conjunction with existing federally required strategic planning efforts, the Secretary shall develop a long-term strategy for improving commercial motor vehicle, operator, and carrier safety. The strategy shall include an annual plan and schedule for achieving, at a minimum, the following goals:

“(1) Reducing the number and rates of crashes, injuries, and fatalities involving commercial motor vehicles.

“(2) Improving the consistency and effectiveness of commercial motor vehicle, operator, and carrier enforcement and compliance programs.

“(3) Identifying and targeting enforcement efforts at high-risk commercial motor vehicles, operators, and carriers.

“(4) Improving research efforts to enhance and promote commercial motor vehicle, operator, and carrier safety and performance.

“(b) Contents of Strategy.—

“(1) Measurable Goals.—The strategy and annual plans under subsection (a) shall include, at a minimum, specific numeric or measurable goals designed to achieve the strategic goals of subsection (a). The purposes of the numeric or measurable goals are as follows:

“(A) To increase the number of inspections and compliance reviews to ensure that all high-risk commercial motor vehicles, operators, and carriers are examined.

“(B) To eliminate, with meaningful safety measures, the backlog of rulemakings.

“(C) To improve the quality and effectiveness of data bases by ensuring that all States and inspectors accurately and promptly report complete safety information.

“(D) To eliminate, with meaningful civil and criminal penalties for violations, the backlog of enforcement cases.

“(E) To provide for a sufficient number of Federal and State safety inspectors, and provide adequate facilities and equipment, at international border areas.

“(2) Resource Needs.—In addition, the strategy and annual plans shall include estimates of the funds and staff resources needed to accomplish each activity. Such estimates shall also include the staff skills and training needed for timely and effective accomplishment of each goal.

“(3) Savings Clause.—In developing and assessing progress toward meeting the measurable goals set forth in this subsection, the Secretary and the Federal Motor Carrier Safety Administrator shall not take any action that would impinge on the due process rights of motor carriers and drivers.

“(c) Submission with the President's Budget.—Beginning with fiscal year 2001 and each fiscal year thereafter, the Secretary shall submit to Congress the strategy and annual plan at the same time as the President's budget submission.

“(d) Annual Performance Agreement.—

“(1) Annual Performance Agreement.—For each of fiscal years 2001 through 2003, the following officials shall enter into annual performance agreements:

“(A) The Secretary and the Federal Motor Carrier Safety Administrator.

“(C) The Administrator and the Chief Safety Officer of the Federal Motor Carrier Safety Administration.
“(D) The Administrator and the regulatory ombudsman of the Administration designated by the Administrator under subsection (f).”

“(2) GOALS.—Each annual performance agreement entered into under paragraph (1) shall include the appropriate numeric or measurable goals of subsection (b).

“(3) PROGRESS ASSESSMENT.—Consistent with the current performance appraisal system of the Department of Transportation, the Secretary shall assess the progress of each official (other than the Secretary) referred to in paragraph (1) toward achieving the goals in his or her performance agreement. The Secretary shall convey the assessment to such official, including identification of any deficiencies that should be remediated before the next progress assessment.

“(4) ADMINISTRATION.—In deciding whether or not to award a bonus or other achievement award to an official of the Administration who is a party to a performance agreement required by this subsection, the Secretary shall give substantial weight to whether the official has made satisfactory progress toward meeting the goals of his or her performance agreement.

“(e) ACHIEVEMENT OF GOALS.—

“(1) PROGRESS ASSESSMENT.—No less frequently than semiannually, the Secretary and the Administrator shall assess the progress of the Administration toward achieving the strategic goals of subsection (a). The Secretary and the Administrator shall convey their assessment to the employees of the Administration and shall identify any deficiencies that should be remediated before the next progress assessment.

“(2) REPORT TO CONGRESS.—The Secretary shall report annually to Congress the contents of each performance agreement entered into under subsection (d) and the official’s performance relative to the goals of the performance agreement. In addition, the Secretary shall report to Congress on the performance of the Administration relative to the goals of the motor carrier safety strategy and annual plan under subsection (a).

“(1) EXPEDITING REGULATORY PROCEEDINGS.—The Administrator shall designate a regulatory ombudsman to expedite rulemaking proceedings. The Secretary and the Administrator shall each delegate to the ombudsman such authority as may be necessary for the ombudsman to expedite rulemaking proceedings of the Administration to comply with statutory and internal departmental deadlines, including authority to—

“(1) make decisions to resolve disagreements between officials in the Administration who are participating in a rulemaking process; and

“(2) ensure that sufficient staff are assigned to rulemaking projects to meet all deadlines.”

COMMERCIAL MOTOR VEHICLE SAFETY ADVISORY COMMITTEE

Pub. L. 106–159, title I, §105, Dec. 9, 1999, 113 Stat. 1756, provided that:

“(a) ESTABLISHMENT.—The Secretary may establish a commercial motor vehicle safety advisory committee to provide advice and recommendations on a range of motor carrier safety issues.

“(b) COMPOSITION.—The members of the advisory committee shall be appointed by the Secretary and shall include representatives of the motor carrier industry, drivers, safety advocates, manufacturers, safety enforcement officials, law enforcement agencies of border States, and other individuals affected by rulemakings under consideration by the Department of Transportation. Representatives of a single interest group may not constitute a majority of the members of the advisory committee.

“(c) FUNCTION.—The advisory committee shall provide advice to the Secretary on commercial motor vehicle safety and any regulations and standards relating to activities and functions of the Federal Motor Carrier Safety Administration.

“(d) TERMINATION DATE.—The advisory committee shall remain in effect until September 30, 2003.”

STUDY OF COMMERCIAL MOTOR VEHICLE CRASH CAUSE

Pub. L. 106–159, title II, §224, Dec. 9, 1999, 113 Stat. 1770, provided that:

“(a) OBJECTIVES.—The Secretary shall conduct a comprehensive study to determine the causes of, and contributing factors to, crashes that involve commercial motor vehicles. The study shall also identify data requirements and collection procedures, reports, and other measures that will improve the Department of Transportation’s and States’ ability to—

“(1) evaluate future crashes involving commercial motor vehicles;

“(2) monitor crash trends and identify causes and contributing factors; and

“(3) develop effective safety improvement policies and programs.

“(b) DESIGN.—The study shall be designed to yield information that will help the Department and the States identify activities and other measures likely to lead to significant reductions in the frequency, severity, and rate per mile traveled of crashes involving commercial motor vehicles, including vehicles described in section 31322(1)(B) of title 49, United States Code. As practicable, the study shall rank such activities and measures by the reductions each would likely achieve, if implemented.

“(c) CONSULTATION.—In designing and conducting the study, the Secretary shall consult with persons with expertise on—

“(1) crash causation and prevention;

“(2) commercial motor vehicles, drivers, and carriers, including passenger carriers;

“(3) highways and noncommercial motor vehicles and drivers;

“(4) Federal and State highway and motor carrier safety programs;

“(5) research methods and statistical analysis; and

“(6) other relevant topics.

“(d) PUBLIC COMMENT.—The Secretary shall make available for public comment information about the objectives, methodology, implementation, findings, and other aspects of the study.

“(e) REPORTS.—

“(1) IN GENERAL.—The Secretary shall promptly transmit to Congress the results of the study, together with any legislative recommendations.

“(2) REVIEW AND UPDATE.—The Secretary shall review the study at least once every 3 years and update the study and report as necessary.

“(f) FUNDING.—Of the amounts made available for each of fiscal years 2001, 2002, and 2003 under section 4003(i) of the Transportation Equity Act for the 21st Century [Pub. L. 105–178, 49 U.S.C. 31104 note] (112 Stat. 395–398), as added by section 103(b)(1) of this Act, $5,000,000 per fiscal year shall be available only to carry out this section.”

DATA COLLECTION AND ANALYSIS

Pub. L. 106–159, title II, §225, Dec. 9, 1999, 113 Stat. 1771, provided that:

“(a) IN GENERAL.—In cooperation with the States, the Secretary shall carry out a program to improve the collection and analysis of data on crashes, involving crash causation, involving commercial motor vehicles.

“(b) PROGRAM ADMINISTRATION.—The Secretary shall administer the program through the National Highway Traffic Safety Administration in cooperation with the Federal Motor Carrier Safety Administration. The National Highway Traffic Safety Administration shall—

“(1) enter into agreements with the States to collect data and report the data by electronic means to a central data repository; and

“(2) train State employees and motor carrier safety enforcement officials to assure the quality and uniformity of the data.”
§ 31101

TITLE 49—TRANSPORTATION

Page 596

"(c) USE OF DATA.—The National Highway Traffic Safety Administration shall—

(1) integrate the data, including driver citation and conviction information; and

(2) make the data base available electronically to the Federal Motor Carrier Safety Administration, the States, motor carriers, and other interested parties for problem identification, program evaluation, planning, and other safety-related activities.

(4) REPORT.—Not later than 3 years after the date on which the improved data program begins, the Secretary shall transmit a report to Congress on the program, together with any recommendations the Secretary finds appropriate.

(e) FUNDING.—Of the amounts deducted under section 104(a)(1) of title 23, United States Code, for each of fiscal years 2001, 2002, and 2003 $5,000,000 per fiscal year shall be available only to carry out this section.

(f) ADDITIONAL FUNDING FOR INFORMATION SYSTEMS.—

(2) AMOUNTS AS ADDITIONAL.—The amounts made available by paragraph (1) shall be in addition to amounts made available under section 31107 of title 49, United States Code.

§ 31101. Definitions

In this subchapter—

(1) “commercial motor vehicle” means (except in section 31106) a self-propelled or towed vehicle used on the highways in commerce principally to transport passengers or cargo, if the vehicle—

(A) has a gross vehicle weight rating or gross vehicle weight of at least 10,001 pounds, whichever is greater;

(B) is designed to transport more than 10 passengers including the driver; or

(C) is used in transporting material found to be hazardous under section 5103 of this title and transported in a quantity requiring placarding under regulations prescribed by the Secretary under section 5103.

(2) “employee” means a driver of a commercial motor vehicle (including an independent contractor when personally operating a commercial motor vehicle), a mechanic, a freight handler, or an individual not an employer, who—

(A) directly affects commercial motor vehicle safety in the course of employment by a commercial motor carrier; and

(B) is not an employee of the United States Government, a State, or a political subdivision of a State acting in the course of employment.

(3) “employer”—

(A) means a person engaged in a business affecting commerce that owns or leases a commercial motor vehicle in connection with that business, or assigns an employee to operate the vehicle in commerce; but

(B) does not include the Government, a State, or a political subdivision of a State.

(4) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, and the Northern Mariana Islands.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

Before clause (1), the words “unless the context otherwise requires” are omitted as unnecessary. The text of 49 App. 2301(4) is omitted as unnecessary because of 1:1. The text of 49 App. 2301(5) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section.

In clause (1), before subsection (A), the words “(except in section 31106)” are added because the source provisions being restated in section 31106 of the revised title contain a definition of “commercial motor vehicle”.

In clause (4), the words “the Commonwealth of” are omitted for consistency in the revised title and with other titles of the United States Code.

AMENDMENTS

1998—Par. (1)(A). Pub. L. 105–178, 4903(a)(1), inserted “or gross vehicle weight” after “rating” and substituted “10,001 pounds, whichever is greater” for “10,000 pounds”.

Par. (1)(C). Pub. L. 105–178, 4903(a)(2), inserted “and transported in a quantity requiring placarding under regulations prescribed by the Secretary under section 5103” before period at end.

SAVINGS CLAUSE

Pub. L. 105–178, title IV, §4003(h), June 9, 1998, 112 Stat. 398, provided that: “Amendments made by this section (amending this section and sections 31102 to 31104 of this title) shall not affect any funds made available before the date of enactment of this Act (June 9, 1998).”

§ 31102. Grants to States

(a) GENERAL AUTHORITY.—Subject to this section and the availability of amounts, the Secretary of Transportation may make grants to States for the development or implementation of programs for improving motor carrier safety and the enforcement of regulations, standards, and orders of the United States Government on commercial motor vehicle safety, hazardous materials transportation safety, and compatible State regulations, standards, and orders.

(b) STATE PLAN PROCEDURES AND CONTENTS.—

(1) The Secretary shall prescribe procedures for a State to submit a plan under which the State agrees to assume responsibility for improving motor carrier safety and to adopt and enforce regulations, standards, and orders of the Government on commercial motor vehicle safety, hazardous materials transportation safety, or compatible State regulations, standards, and orders. The Secretary shall approve the plan if the Secretary decides the plan is adequate to promote the objectives of this section and the plan—

(A) implements performance-based activities, including deployment of technology to
enhance the efficiency and effectiveness of commercial motor vehicle safety programs;

(B) designates the State motor vehicle safety agency responsible for administering the plan throughout the State;

(C) contains satisfactory assurances the agency has or will have the legal authority, resources, and qualified personnel necessary to enforce the regulations, standards, and orders;

(D) contains satisfactory assurances the State will devote adequate amounts to the administration of the plan and enforcement of the regulations, standards, and orders;

(E) provides that the total expenditure of amounts of the State and its political subdivisions (including amounts of the Government) for commercial motor vehicle safety programs for enforcement of commercial motor vehicle size and weight limitations, drug interdiction, and State traffic safety laws and regulations under subsection (c) of this section will be maintained at a level at least equal to the average level of that expenditure for the 3 full fiscal years beginning after October 1 of the year 5 years prior to the beginning of each Government fiscal year;¹

(F) provides a right of entry and inspection to carry out the plan;

(G) provides that all reports required under this section be submitted to the agency and that the agency will make the reports available to the Secretary on request;

(H) provides that the agency will adopt the reporting requirements and use the forms for recordkeeping, inspections, and investigations the Secretary prescribes;

(I) requires registrants of commercial motor vehicles to make a declaration of knowledge of the applicable safety regulations, standards, and orders of the Government and the State;

(J) provides that the State will grant maximum reciprocity for inspections conducted under the North American Inspection Standard through the use of a nationally accepted system that allows ready identification of previously inspected commercial motor vehicles;

(K) ensures that activities described in subsection (c)(1) of this section, if financed with grants under subsection (a) of this section, will not diminish the effectiveness of the development and implementation of commercial motor vehicle safety programs described in subsection (a);

(L) ensures that the State agency will coordinate the plan, data collection, and information systems with State highway safety programs under title 23;

(M) ensures participation in SAFETynet and other information systems by all appropriate jurisdictions receiving funding under this section;

(N) ensures that information is exchanged among the States in a timely manner;

(O) provides satisfactory assurances that the State will undertake efforts that will emphasize and improve enforcement of State and local traffic safety laws and regulations related to commercial motor vehicle safety;

(P) provides satisfactory assurances that the State will promote activities in support of national priorities and performance goals, including—

(i) activities aimed at removing impaired commercial motor vehicle drivers from the highways of the United States through adequate enforcement of regulations on the use of alcohol and controlled substances and by ensuring ready roadside access to alcohol detection and measuring equipment;

(ii) activities aimed at providing an appropriate level of training to State motor carrier safety assistance program officers and employees on recognizing drivers impaired by alcohol or controlled substances; and

(iii) interdiction activities affecting the transportation of controlled substances by commercial motor vehicle drivers and training on appropriate strategies for carrying out those interdiction activities;

(Q) provides that the State has established a program to ensure that—

(i) accurate, complete, and timely motor carrier safety data is collected and reported to the Secretary; and

(ii) the State will participate in a national motor carrier safety data correction system prescribed by the Secretary;

(R) ensures that the State will cooperate in the enforcement of registration requirements under section 13902 and financial responsibility requirements under sections 13906, 31138, and 31139 and regulations issued thereunder;

(S) ensures consistent, effective, and reasonable sanctions;

(T) ensures that roadside inspections will be conducted at a location that is adequate to protect the safety of drivers and enforcement personnel;

(U) provides that the State will include in the training manual for the licensing examination to drive a noncommercial motor vehicle and a commercial motor vehicle, information on best practices for driving safely in the vicinity of noncommercial and commercial motor vehicles;

(V) provides that the State will enforce the registration requirements of section 13902 by prohibiting the operation of any vehicle discovered to be operated by a motor carrier without a registration issued under such section or to operate beyond the scope of such registration;

(W) provides that the State will conduct comprehensive and highly visible traffic enforcement and commercial motor vehicle safety inspection programs in high-risk locations and corridors; and

(X) except in the case of an imminent or obvious safety hazard, ensures that an inspection of a vehicle transporting passengers for a motor carrier of passengers is conducted at a station, terminal, border crossing, maintenance facility, destination, or other location where a motor carrier may make a planned stop.

(2) If the Secretary disapproves a plan under this subsection, the Secretary shall give the State a written explanation and allow the State to modify and resubmit the plan for approval.
(3) In estimating the average level of State expenditure under paragraph (1)(E) of this subsection, the Secretary—

(A) may allow the State to exclude State expenditures for Government-sponsored demonstration or pilot programs; and

(B) shall require the State to exclude Government amounts and State matching amounts used to receive Government financing under subsection (a) of this section.

(c) USE OF GRANTS TO ENFORCE OTHER LAWS.—A State may use amounts received under a grant under subsection (a)—

(1) for the following activities if the activities are carried out in conjunction with an appropriate inspection of the commercial motor vehicle to enforce Government or State commercial motor vehicle safety regulations:

(A) enforcement of commercial motor vehicle size and weight limitations at locations other than fixed weight facilities, at specific locations such as steep grades or mountainous terrains where the weight of a commercial motor vehicle can significantly affect the safe operation of the vehicle, or at ports where intermodal shipping containers enter and leave the United States; and

(B) detection of the unlawful presence of a controlled substance (as defined under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802)) in a commercial motor vehicle or on the person of any occupant (including the operator) of the vehicle; and

(2) for documented enforcement of State traffic laws and regulations designed to promote the safe operation of commercial motor vehicles, including documented enforcement of such laws and regulations relating to noncommercial motor vehicles when necessary to promote the safe operation of commercial motor vehicles if the number of motor carrier safety activities (including roadside safety inspections) conducted in the State is maintained at a level at least equal to the average level of such activities conducted in the State in fiscal years 2003, 2004, and 2005; except that the State may not use more than 5 percent of the basic amount the State receives under the grant under subsection (a) for enforcement activities relating to noncommercial motor vehicles described in this paragraph unless the Secretary determines a higher percentage will result in significant increases in commercial motor vehicle safety.

(d) CONTINUOUS EVALUATION OF PLANS.—On the basis of reports submitted by a State motor vehicle safety agency of a State with a plan approved under this section and the Secretary’s own investigations, the Secretary shall make a continuing evaluation of the way the State is carrying out the plan. If the Secretary finds, after notice and opportunity for comment, the State plan previously approved is not being followed or has become inadequate to ensure enforcement of the regulations, standards, or orders, the Secretary shall withdraw approval of the plan and notify the State. The plan stops being effective when the notice is received. A State adversely affected by the withdrawal may seek judicial review under chapter 7 of title 5. Notwithstanding the withdrawal, the State may retain jurisdiction in administrative or judicial proceedings begun before the withdrawal if the issues involved are not related directly to the reasons for the withdrawal.

(e) ANNUAL REPORT.—The Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science and Transportation of the Senate an annual report that—

(1) analyzes commercial motor vehicle safety trends among the States and documents the most effective commercial motor vehicle safety programs implemented with grants under this section; and

(2) describes the effect of activities carried out with grants made under this section on commercial motor vehicle safety.

### Historical and Revision Notes

<table>

<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In this section, the word "rules" is omitted as being synonymous with "regulations".

In subsection (a), the words "Subject to this section and the availability of amounts" are substituted for "Under the terms and conditions of this section, subject to the availability of funds" to eliminate unnecessary words.

In subsection (b)(1), before clause (A), the word "preclude" is substituted for "formulate" for consistency in the revised title.

In subsection (b)(3)(B), the words "Government financial assistance programs implemented with grants under this section; and" are substituted for "Federal rules, regulations, standards, or orders applicable to commercial motor vehicle safety or compatible State rules, regulations, standards, or orders for consistency and to eliminate unnecessary words.

In subsection (c), the words "type of" are omitted as unnecessary. In clause (1), the word "leave" is substituted for "exit" for clarity and consistency in the revised title.

In subsection (d), the words "the regulations, standards, or orders" are substituted for "Federal rules, regulations, standards, or orders applicable to commercial motor vehicle safety or compatible State rules, regulations, standards, or orders for consistency and to eliminate unnecessary words. The last sentence is substituted for 49 App. 2302(d) (last sentence) for clarity."
AMENDMENTS

2005—Subsec. (b)(1)(A). Pub. L. 109–59, § 4106(a)(1), added subpar. (A) and struck out former subpar. (A) which read as follows: "(A) provides that the total expenditure of hazardous material transportation and interdiction, and State traffic safety laws and regulations under subsection (c) of this section will be maintained at a level at least equal to the average level of that expenditure for its last 3 full fiscal years before December 18, 1991;"

Subsec. (b)(1)(E). Pub. L. 109–59, § 4106(a)(2), added subpar. (E) and struck out former subpar. (E) which read as follows: "(E) provides that the total expenditure of hazardous material transportation and interdiction, and State traffic safety laws and regulations under subsection (c) of this section will be maintained at a level at least equal to the average level of that expenditure for its last 3 full fiscal years before December 18, 1991;"

Subsec. (b)(1)(Q). Pub. L. 109–59, § 4106(a)(3), added subpar. (Q) and struck out former subpar. (Q) which read as follows: "(Q) provides that the State will establish a program to ensure the proper and timely correction of commercial motor vehicle safety violations noted during an inspection carried out with funds authorized under section 31104;"

Subsec. (b)(1)(U) to (X). Pub. L. 109–59, § 4106(a)(5)–(7), added subpars. (U) to (X).

Subsec. (c). Pub. L. 109–59, § 4106(a)(9), added subsec. (c) and struck out heading and text of former subsec. (c). Text read as follows: "(c) Text read as follows: "A State may use amounts received under a grant under subsection (a) of this section for the following activities if the activities are carried out in conjunction with an appropriate inspection of the commercial motor vehicle to enforce Government or State commercial motor vehicle safety regulations:"

Subsec. (c)(1) enforcement of commercial motor vehicle size and weight limitations at locations other than fixed weight facilities, at specific locations such as steep grades or mountainous terrains where the weight of a commercial motor vehicle can significantly affect the safe operation of the vehicle, or at ports where intermodal shipping containers enter and leave the United States.

Subsec. (c)(1) detection of the unlawful presence of a controlled substance (as defined under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802)) in a commercial motor vehicle or on the person of any occupant (including the operator) of the vehicle.

Subsec. (c)(2) enforcement of State traffic laws and regulations designed to promote the safe operation of commercial motor vehicles.

Pub. L. 105–178, § 4003(c)(3), inserted "in support of national priorities and performance goals, including" after "activities" in introductory provisions, substituted "activities aimed at removing" for "to remove" in cl. (i), substituted "activities aimed at providing" for "to provide" and inserted "and" after semicolon in cl. (ii), added cl. (iii) and struck out former cls. (iii) and (iv) which read as follows: "(iii) to promote enforcement of the requirements related to the licensing of commercial motor vehicle drivers, including checking the status of commercial drivers’ licenses; and

(iv) to improve enforcement of hazardous material transportation regulations by encouraging more inspections of shipper facilities affecting highway transportation and more comprehensive inspection of the loads of commercial motor vehicles transporting hazardous material;"

Pub. L. 105–178, § 4003(c)(4), added subpar. (P) and struck out former subpar. (P) which read as follows: "provides satisfactory assurances that the State will promote effective—

(i) interdiction activities affecting the transportation of controlled substances by commercial motor vehicle drivers and training on appropriate strategies for carrying out those interdiction activities; and

(ii) use of trained and qualified officers and employees of political subdivisions and local governments, under the supervision and direction of the State motor vehicle safety agency, in the enforcement of regulations affecting commercial motor vehicle safety and hazardous material transportation safety; and"

Pub. L. 105–178, § 4003(c)(5)(A), substituted "sections 31138 and 31139", for "sections 31140 and 31146".

Subsec. (b)(1)(S), (T). Pub. L. 105–178, § 4003(c)(5)(B), added subpars. (S) and (T).

L. 109–59 is not intended to prohibit any State or any political subdivision of any State from enacting, implementing, or enforcing any law or regulation with respect to a motor carrier, motor private carrier, broker, freight forwarder, or leasing company that is not otherwise prohibited by law, see section 4302 of Pub. L. 109–59, set out as a note under section 13092 of this title.

MAINTENANCE OF EFFORT
Pub. L. 106–159, title I, §103(c), Dec. 9, 1999, 113 Stat. 1753, provided that: "The Secretary may not make, from funds made available by or under this section [amending section 31107 of this title, enacting provisions set out as notes under this section and section 31104 of this title, and amending a provision set out as a note under section 104 of Title 23, Highways] (including any amendment made by this section), a grant to a State unless the State first enters into a binding agreement with the Secretary that provides that the total expenditures of amounts of the State and its political subdivisions (not including amounts of the United States) for the development or implementation of programs for improving motor carrier safety and enforcement of regulations, standards, and orders of the United States on commercial motor vehicle safety, hazardous materials transportation safety, and compatible State regulations, standards, and orders will be maintained at a level at least equal to the average level of such expenditures for fiscal years 1997, 1998, and 1999."  

STATE COMPLIANCE WITH CDL REQUIREMENTS
Pub. L. 106–159, title I, §103(c), Dec. 9, 1999, 113 Stat. 1754, provided that:

"(1) WITHHOLDING OF ALLOCATION FOR NONCOMPLIANCE.—If a State is not in substantial compliance with each requirement of section 31311 of title 49, United States Code, the Secretary shall withhold all amounts that would be allocated, but for this paragraph, to the State from funds made available by or under this section (including any amendment made by this section), a grant to a State unless the State first enters into a binding agreement with the Secretary that provides that the total expenditures of amounts of the State and its political subdivisions (not including amounts of the United States) for the development or implementation of programs for improving motor carrier safety and enforcement of regulations, standards, and orders of the United States on commercial motor vehicle safety, hazardous materials transportation safety, and compatible State regulations, standards, and orders will be maintained at a level at least equal to the average level of such expenditures for fiscal years 1997, 1998, and 1999."

"(2) PERIOD OF AVAILABILITY OF WITHELD FUNDS.—Any funds withheld under paragraph (1) from any State shall remain available until June 30 of the fiscal year for which the funds are authorized to be appropriated."

"(3) WITHELD FUNDS AFTER COMPLIANCE.—If, before the last day of the period for which funds are withheld under paragraph (1) from allocation are to remain available for allocation to a State under paragraph (2), the Secretary determines that the State is in substantial compliance with each requirement of section 31311 of title 49, United States Code, the Secretary shall allocate to the State the withheld funds."

"(4) PERIOD OF AVAILABILITY OF SUBSEQUENTLY ALLOCATED FUNDS.—Any funds allocated pursuant to paragraph (3) shall remain available for expenditure until the last day of the first fiscal year following the fiscal year in which the funds are so allocated. Sums not expended at the end of such period are released to the Secretary for reallocation."

"(5) EFFECT OF NONCOMPLIANCE.—If, on June 30 of the fiscal year in which funds are withheld from allocation under paragraph (1), the State is not substantially complying with each requirement of section 31311 of title 49, United States Code, the funds are released to the Secretary for reallocation."

EFFECTS OF MCSAP GRANT REDUCTIONS

"(a) STUDY.—The Secretary [of Transportation] shall conduct a study on the effects of reductions of grants under section 31102 of title 49, United States Code, due to nonconformity of State intrastate motor carrier, commercial motor vehicle, and driver requirements with Federal interstate requirements. In conducting the study, the Secretary shall consider, at a minimum—

"(1) national uniformity and the purposes of the motor carrier safety assistance program;

"(2) State motor carrier, commercial motor vehicle, and driver safety oversight and enforcement capabilities; and

"(3) the safety impacts, costs, and benefits of full participation in the program."

"(b) REPORT.—Not later than 2 years after the date of the enactment of this Act [June 9, 1998], the Secretary shall submit to Congress a report on the results of the study."

"(c) ADJUSTMENT OF STATE ALLOCATIONS.—The Secretary is authorized to adjust State allocations under section 31103 of title 49, United States Code, to reflect the results of the study."
REFERENCES IN TEXT
Section 31104(f)(2), referred to in subsec. (b), was struck out by Pub. L. 110–244, title III, §301(a), June 6, 2008, 122 Stat. 1616.

AMENDMENTS
2005—Subsec. (a). Pub. L. 109–59 substituted ‘‘31102(b)(1)(E)’’ for ‘‘31102(b)(1)(D)’’ and inserted before last sentence ‘‘Amounts generated under the unified carrier registration agreement under section 1459a and received by a State and used for motor carrier safety purposes may be included as part of the State’s share not provided by the United States.’’

RELATIONSHIP TO OTHER LAWS
Except as provided in sections 14504, 14504a, and 14506 of this title, subtitle C (§§ 4301–4308) of title IV of Pub. L. 109–59 is not intended to prohibit any State or any political subdivision of any State from enacting, imposing, or enforcing any law or regulation with respect to a motor carrier, motor private carrier, broker, freight forwarder, or leasing company that is not otherwise prohibited by law, see section 4302 of Pub. L. 109–59, set out as a note under section 13802 of this title.

§31104. Availability of amounts

(a) In General.—Subject to subsection (f), there are authorized to be appropriated from the Highway Trust Fund (other than the Mass Transit Account) to carry out section 31102—

(1) $188,480,000 for fiscal year 2005;
(2) $188,000,000 for fiscal year 2006;
(3) $197,000,000 for fiscal year 2007;
(4) $202,000,000 for fiscal year 2008;
(5) $209,000,000 for fiscal year 2009;
(6) $209,000,000 for fiscal year 2010;
(7) $209,000,000 for fiscal year 2011; and
(8) $106,000,000 for the period beginning on October 1, 2011, and ending on March 31, 2012.

(b) Availability and Reallocation of Amounts.—Amounts made available under subsection (a) of this section remain available until expended. Allocations to a State remain available for expenditure in the State for the fiscal year in which they are allocated and for the next fiscal year. Amounts not expended by a State during those 2 fiscal years are released to the Secretary for reallocation.

(c) Reimbursement for Government’s Share of Costs.—Amounts made available under subsection (a) of this section shall be used to reimburse States proportionately for the United States Government’s share of costs incurred.

(d) Grants as Contractual Obligations.—Approval by the Secretary of a grant to a State under section 31102 of this title is a contractual obligation of the Government for payment of the Government’s share of costs incurred by the State in developing, implementing, or developing and implementing programs to enforce commercial motor vehicle regulations, standards, and orders.

(e) Deduction for Administrative Expenses.—On October 1 of each fiscal year or as soon after that date as practicable, the Secretary may deduct, from amounts made available under subsection (a) of this section for that fiscal year, not more than 1.25 percent of those amounts for administrative expenses incurred in carrying out section 31102 of this title in that fiscal year. The Secretary shall use at least 75 percent of those deducted amounts to train non-Government employees and to develop related training materials in carrying out section 31102.

(f) Allocation Criteria and Eligibility.—On October 1 of each fiscal year or as soon after that date as practicable and after making the deduction under subsection (e), the Secretary shall allocate amounts made available to carry out section 31102 for such fiscal year among the States with plans approved under section 31102. Such allocation shall be made under such criteria as the Secretary prescribes by regulation.

(g) Payment to States for Costs.—Each State shall submit vouchers for costs the State incurs under this section and section 31102 of this title. The Secretary shall pay the State an amount not more than the Government share of costs incurred as of the date of the vouchers.

(h) Intrastate Compatibility.—The Secretary shall prescribe regulations specifying tolerance guidelines and standards for ensuring compatibility of intrastate commercial motor vehicle safety laws and regulations with Government motor carrier safety regulations to be enforced under section 31102(a) of this title. To the extent practicable, the guidelines and standards shall allow for maximum flexibility while ensuring the degree of uniformity that will not diminish transportation safety. In reviewing State plans and allocating amounts or making grants under section 153 of title 23, the Secretary shall ensure that the guidelines and standards are applied uniformly.

(i) Administrative Expenses.—

(1) Authorization of Appropriations.—There are authorized to be appropriated from the Highway Trust Fund (other than the Mass Transit Account) for the Secretary of Transportation to pay administrative expenses of the Federal Motor Carrier Safety Administration—

(A) $254,849,000 for fiscal year 2005;
(B) $213,000,000 for fiscal year 2006;
(C) $223,000,000 for fiscal year 2007;
(D) $228,000,000 for fiscal year 2008;
(E) $234,000,000 for fiscal year 2009;
(F) $239,828,000 for fiscal year 2010;
(G) $244,144,000 for fiscal year 2011; and
(H) $227,072,000 for the period beginning on October 1, 2011, and ending on March 31, 2012.

(2) Use of Funds.—The funds authorized by this subsection shall be used for personnel costs; administrative infrastructure; rent; information technology; programs for research and technology, information management, regulatory development, the administration of the performance and registration information system management, and outreach and education; other operating expenses; and such other expenses as may from time to time become necessary to implement statutory mandates of the Administration not funded from other sources.

(j) Availability of Funds; Contract Authority.—

1 So in original.
(1) PERIOD OF AVAILABILITY.—The amounts made available under this section shall remain available until expended.

(2) INITIAL DATE OF AVAILABILITY.—Authorizations from the Highway Trust Fund (other than the Mass Transit Account) by this section shall be available for obligation on the date of their apportionment or allocation or on October 1 of the fiscal year for which they are authorized, whichever occurs first.

(3) CONTRACT AUTHORITY.—Approval by the Secretary of a grant with funds made available under this section imposes upon the United States a contractual obligation for payment of the Government’s share of costs incurred in carrying out the objectives of the grant.

(k) HIGH-PRIORITY ACTIVITIES.—

(1) CRITERIA.—The Secretary shall establish safety performance criteria to be used to distribute high priority program funds under this subsection.

(2) SET ASIDE.—The Secretary may set aside from amounts made available by subsection (a) up to $15,000,000 for each of fiscal years 2006 through 2011 and $7,500,000 for the period beginning on October 1, 2011, and ending on March 31, 2012, for States, local governments, and organizations representing government agencies or officials described in paragraph (3) for carrying out high priority activities and projects that improve commercial motor vehicle safety and compliance with commercial motor vehicle safety regulations (including activities and projects that are national in scope), increase public awareness and education, demonstrate new technologies, and reduce the number and rate of accidents involving commercial motor vehicles.

(3) DESCRIPTION OF RECIPIENTS.—Amounts set aside under this subsection shall be allocated by the Secretary only to State agencies, local governments, and organizations representing government agencies or officials that use and train qualified officers and employees in coordination with State motor vehicle safety agencies.

(4) LIMITATION.—At least 90 percent of the amounts set aside for a fiscal year under this subsection shall be awarded in grants to State agencies and local government agencies.

AMENDMENTS

Subsec. (i)(1)(G). Pub. L. 112–5, §202(b), amended subpar. (G) generally, substituting “(G) $244,144,000 for fiscal year 2011.” for “(G) $240,678,000 for the period beginning October 1, 2010, and ending on March 4, 2011.”

Subsec. (k)(2). Pub. L. 112–30, §122(d), substituted “2011 and $7,500,000 for the period beginning on October 1, 2011, and ending on March 31, 2012.” for “2011”.

Pub. L. 112–5, §202(d), substituted “through 2011” for “through 2010 and $6,370,000 for the period beginning October 1, 2010, and ending on March 4, 2011”.

Pub. L. 111–147, §422(a), added par. (7).

Pub. L. 111–147, §422(b), added subpar. (G).

Subsec. (k)(2). Pub. L. 111–322, §220(d), substituted “2010 and $6,370,000 for the period beginning October 1, 2010, and ending on March 4, 2011.” for “2009, $15,000,000 for fiscal year 2010, and $3,781,000 for the period beginning on October 1, 2010, and ending on December 31, 2010.”

Pub. L. 111–147, §422(d), substituted “2009, $15,000,000 for fiscal year 2010, and $3,781,000 for the period beginning on October 1, 2010, and ending on December 31, 2010” for “2009”.

2008—Subsec. (f). Pub. L. 110–244 struck out par. (1) designation and heading before “On October” and struck out par. (2) which permitted the Secretary to designate certain allocated amounts for high-priority and border activities.

Subsec. (b). Pub. L. 105–178, §4003(f), struck out par. (1) designation and par. (2) which read as follows: “Amounts made available under section 404(a)(2) of the Surface Transportation Assistance Act of 1992 before October 1, 1991, that are not obligated on October 1, 1992, are available for reallocation and obligation under paragraph (1) of this subsection.”

Subsec. (f). Pub. L. 105–178, §4003(g)(1), added subsec. (f) and struck out heading and text of former subsec. (f). Text read as follows: “On October 1 of each fiscal year or as soon after that date as practicable, the Secretary, after making the deduction described in subsection (e) of this section, shall allocate under criteria the Secretary establishes the amounts available for that fiscal year among the States with plans approved under section 31102 of this title. However, the Secretary may designate specific eligible States among which to allocate those amounts in allocating amounts available—

“(1) for research, development, and demonstration under subsection (g)(1)(F) of this section; and

“(2) for public education under subsection (g)(1)(G) of this section.”

Subsec. (g). Pub. L. 105–178, §4003(g)(1), (2), redesignated subsec. (h) as (g) and struck out former subsec. (g) which related to specific allocations.

Subsec. (i). Pub. L. 105–178, §4003(g)(3), struck out heading and text of subsec. (i). Text read as follows: “The Secretary shall prescribe regulations to develop an improved formula and process for allocating amounts made available for grants under section 31102(a) of this title among States eligible for those amounts. In prescribing those regulations, the Secretary shall—

“(1) consider ways to provide incentives to States that demonstrate innovative, successful, cost-efficient, or cost-effective programs to promote commercial motor vehicle safety and hazardous material transportation safety;

“(2) place special emphasis on incentives to States that conduct traffic safety enforcement activities that are coupled with motor carrier safety inspections; and

“(3) consider ways to provide incentives to States that increase compatibility of State commercial motor vehicle safety and hazardous material transportation regulations with Government safety regulations and promote other factors intended to promote effectiveness and efficiency the Secretary deems are appropriate.”

1997—Subsec. (a). Pub. L. 105–130 substituted “Not more” for “not more” in pars. (1) to (5) and added par. (6).
§ 31105 Employee protections

(a) Prohibitions.—(1) A person may not discharge an employee, or discipline or discriminate against an employee regarding pay, terms, or privileges of employment, because—

(A)(i) the employee, or another person at the employee’s request, has filed a complaint or begun a proceeding related to a violation of a commercial motor vehicle safety or security regulation, standard, or order, or has testified or will testify in such a proceeding; or

(ii) the person perceives that the employee has filed or is about to file a complaint or has begun or is about to begin a proceeding related to a violation of a commercial motor vehicle safety or security regulation, standard, or order; or

(B) the employee refuses to operate a vehicle because—

(i) the operation violates a regulation, standard, or order of the United States related to commercial motor vehicle safety, health, or security; or

(ii) the employee has a reasonable apprehension of serious injury to the employee or the public because of the vehicle’s hazardous safety or security condition;

(C) the employee accurately reports hours on duty pursuant to chapter 315;

(D) the employee cooperates, or the person perceives that the employee is about to cooperate, with a safety or security investigation by the Secretary of Transportation, the Secretary of Homeland Security, or the National Transportation Safety Board; or

(E) the employee furnishes, or the person perceives that the employee is or is about to furnish, information to the Secretary of Transportation, the Secretary of Homeland Security, the National Transportation Safety Board, or any Federal, State, or local regulatory or law enforcement agency as to the facts relating to any accident or incident resulting in injury or death to an individual or damage to property occurring in connection with commercial motor vehicle transportation.

(2) Under paragraph (1)(B)(i) of this subsection, an employee’s apprehension of serious injury is reasonable only if a reasonable individual in the circumstances then confronting the employee would conclude that the hazardous safety or security condition establishes a real danger of accident, injury, or serious impairment to health. To qualify for protection, the employee must have sought from the employer, and been unable to obtain, correction of the hazardous safety or security condition.

(b) Filing complaints and procedures.—(1) An employee alleging discharge, discipline, or discrimination in violation of subsection (a) of this section, or another person at the employee’s request, may file a complaint with the Secretary of Labor not later than 180 days after the alleged violation occurred. All complaints initiated under this section shall be governed by the legal burdens of proof set forth in section 42121(b). On receiving the complaint, the Secretary of Labor shall notify, in writing, the person alleged to have committed the violation of the filing of the complaint.

(2)(A) Not later than 60 days after receiving a complaint, the Secretary of Labor shall conduct an investigation, decide whether it is reasonable to believe a violation occurred, and notify, in writing, the complainant and the person alleged to have committed the violation of the findings. If the Secretary of Labor decides it is reasonable to believe a violation occurred, the Secretary of Labor shall include with the decision findings and a preliminary order for the relief provided under paragraph (3) of this subsection.

(B) Not later than 30 days after the notice under subparagraph (A) of this paragraph, the complainant and the person alleged to have committed the violation may file objections to the findings or preliminary order, or both, and request a hearing on the record. The filing of objections does not stay a reinstatement ordered in the preliminary order. If a hearing is not requested within 30 days, the preliminary order is final and not subject to judicial review.

(C) A hearing shall be conducted expeditiously. Not later than 120 days after the end of the hearing, the Secretary of Labor shall issue a decision. If the proceeding may be ended by a settlement agreement made by the Secretary of Labor, the complainant, and the person alleged to have committed the violation.

(3)(A) If the Secretary of Labor decides, on the basis of a complaint, a person violated subsection (a) of this section, the Secretary of Labor shall order the person to—

(i) take affirmative action to abate the violation;

(ii) reinstate the complainant to the former position with the same pay and terms and privileges of employment; and

(iii) pay compensatory damages, including backpay with interest and compensation for any special damages sustained as a result of the discrimination, including litigation costs, expert witness fees, and reasonable attorney fees.

(B) If the Secretary of Labor issues an order under subparagraph (A) of this paragraph and the complainant requests, the Secretary of Labor may assess against the person against whom the order is issued the costs (including attorney fees) reasonably incurred by the complainant in bringing the complaint. The Secretary of Labor shall determine the costs that reasonably were incurred.
(C) Relief in any action under subsection (b) may include punitive damages in an amount not to exceed $250,000.

(c) De Novo Review.—With respect to a complaint under paragraph (1), if the Secretary of Labor does not issue a final decision within 210 days after the filing of the complaint and if the delay is not due to the bad faith of the employee, the employee may bring an original action at law or equity for de novo review in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy, and which action shall, at the request of either party to such action, be tried by the court with a jury.

(d) Judicial Review and Venue.—A person adversely affected by an order issued after a hearing under subsection (b) of this section may file a petition for review, not later than 60 days after the order is issued, in the court of appeals of the United States for the circuit in which the violation occurred or the person resided on the date of the violation. Review shall conform to chapter 7 of title 5. The review shall be heard and decided expeditiously. An order of the Secretary of Labor subject to review under this section is not subject to judicial review in a criminal or other civil proceeding.

(e) Civil Actions to Enforce.—If a person fails to comply with an order issued under subsection (b) of this section, the Secretary of Labor shall bring a civil action to enforce the order in the district court of the United States for the judicial district in which the violation occurred.

(f) No Preemption.—Nothing in this section preempts or diminishes any other safeguards against discrimination, demotion, discharge, suspension, threats, harassment, reprimand, retaliation, or any other manner of discrimination provided by Federal or State law.

(g) Rights Retained by Employee.—Nothing in this section shall be deemed to diminish the rights, privileges, or remedies of any employee under any Federal or State law or under any collective bargaining agreement. The rights and remedies in this section may not be waived by any agreement, policy, form, or condition of employment.

(h) Disclosure of Identity.—

(1) Except as provided in paragraph (2) of this subsection, or with the written consent of the employee, the Secretary of Transportation or the Secretary of Homeland Security may not disclose the name of an employee who has provided information about an alleged violation of this part, or a regulation prescribed or order issued under any of those provisions.

(2) The Secretary of Transportation or the Secretary of Homeland Security shall disclose to the Attorney General the name of an employee described in paragraph (1) of this subsection if the matter is referred to the Attorney General for enforcement. The Secretary making such disclosure shall provide reasonable advance notice to the affected employee if disclosure of that person's identity or identifying information is to occur.

(i) Process for Reporting Security Problems to the Department of Homeland Security.—

(1) Establishment of Process.—The Secretary of Homeland Security shall establish through regulations, after an opportunity for notice and comment, a process by which any person may report to the Secretary of Homeland Security regarding motor carrier vehicle security problems, deficiencies, or vulnerabilities.

(2) Acknowledgment of Receipt.—If a report submitted under paragraph (1) identifies the person making the report, the Secretary of Homeland Security shall respond promptly to such person and acknowledge receipt of the report.

(3) Steps to Address Problem.—The Secretary of Homeland Security shall review and consider the information provided in any report submitted under paragraph (1) and shall take appropriate steps to address any problems or deficiencies identified.

(j) Definition.—In this section, "employee" means a driver of a commercial motor vehicle (including an independent contractor who personally operates a commercial motor vehicle), a mechanic, a freight handler, or an individual not an employer, who—

(1) directly affects commercial motor vehicle safety or security in the course of employment by a commercial motor carrier; and

(2) is not an employee of the United States Government, a State, or a political subdivision of a State acting in the course of employment.

### Historical and Revision Notes

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
<tbody>
<tr>
<td>31105(b)</td>
<td>49 App. 2305(c)</td>
<td>Jan. 6, 1983, Pub. L. 97–242, §605(c), 96 Stat. 2158.</td>
</tr>
</tbody>
</table>

In subsection (a)(1), before clause (A), the words "in any manner" are omitted as surplus. The word "conditions" is omitted as included in "terms". In clauses (A) and (B), the word "rule" is omitted as being synonymous with "regulation". In clause (A), the word "begun" is substituted for "instituted or caused to be instituted" for consistency in the revised title and to eliminate unnecessary words. In clause (B), the words before subclause (1) are substituted for "for refusing to operate a vehicle when" and "or because of" for clarity and consistency. In subclause (ii), the words "vehicle's unsafe condition" are substituted for "unsafe condition of such equipment" for consistency.

Subsection (a)(2) is substituted for 49 App. 2305(b) (2d, last sentences) for clarity and to eliminate unnecessary words.

In subsection (b)(1), the words "alleging such discharge, discipline, or discrimination" are omitted as surplus.

In subsection (b)(2)(B), the words "Not later than 30 days after the notice under subparagraph (A) of this paragraph" are substituted for "Thereafter" and "within thirty days" for clarity.

1 So in original. Probably should be "subsection (b)(1)".
In subsection (b)(2)(C), the words “Before the final order is issued” are substituted for “In the interim” for clarity.

Subsection (b)(3)(A) is substituted for 49 App.:2305(c)(2)(B) (1st sentence) for clarity and to eliminate unnecessary words. In clause (ii), the word “conditions” is omitted as included in “terms”. The provision for back pay is moved from clause (ii) to clause (iii) for clarity.

In subsection (b)(3)(B), the words “a sum equal to the aggregate amount of all” and “and expenses” are omitted as surplus. The words “in bringing the complaint” are substituted for “for, or in connection with, the bringing of the complaint upon which the order was issued” and “unnecessary” words.

In subsection (c), the words “or aggrieved” and “with respect to which the order was issued, allegedly” are omitted as surplus. The words “in accordance with the provisions of chapter 7 of title 5” are omitted because 5 ch. 7 applies unless otherwise stated.

In subsection (d), the text of 49 App.:2305(e) (last sentence) is omitted as unnecessary.

AMENDMENTS

2007—Pub. L. 110–53 amended text of section generally. Prior to amendment, section related to, in subsec. (a), prohibition against discharge or discipline of, or discrimination against, an employee regarding pay, terms, or privileges of employment for certain actions, in subsec. (b), procedures for filing of complaint, in subsec. (c), judicial review and venue, and, in subsec. (d), civil action to enforce an order.

EMPLOYEE PROTECTIONS

Pub. L. 105–178, title IV, § 4023, June 9, 1998, 112 Stat. 415, provided that: “Not later than 2 years after the date of enactment of this Act [June 9, 1998], the Secretary [of Transportation], in conjunction with the Secretary of Labor, shall report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives on the effectiveness of existing statutory employee protections provided for under section 31106 of title 49, United States Code. The report shall include recommendations to address any statutory changes necessary to strengthen the enforcement of such employee protection provisions.”

§ 31106. Information systems

(a) INFORMATION SYSTEMS AND DATA ANALYSIS.—

(1) IN GENERAL.—Subject to the provisions of this section, the Secretary shall establish and operate motor carrier, commercial motor vehicle, and driver information systems and data analysis programs to support safety regulatory and enforcement activities required under this title.

(2) NETWORK COORDINATION.—In cooperation with the States, the information systems under this section shall be coordinated into a network providing accurate identification of motor carriers and drivers, commercial motor vehicle registration and license tracking, and motor carrier, commercial motor vehicle, and driver safety performance data.

(3) DATA ANALYSIS CAPACITY AND PROGRAMS.—The Secretary shall develop and maintain under this section data analysis capacity and programs that provide the means to:

(A) identify and collect necessary motor carrier, commercial motor vehicle, and driver data;

(B) evaluate the safety fitness of motor carriers and drivers;

(C) develop strategies to mitigate safety problems and to use data analysis to address and measure the effectiveness of such strategies and related programs;

(D) determine the cost-effectiveness of Federal and State safety compliance and enforcement programs and other countermeasures;

(E) adapt, improve, and incorporate other information and information systems as the Secretary determines appropriate;

(F) ensure, to the maximum extent practical, that all the data is complete, timely, and accurate across all information systems and initiatives; and

(G) establish and implement a national motor carrier safety data correction system.

(4) STANDARDS.—To implement this section, the Secretary shall prescribe technical and operational standards to ensure

(A) uniform, timely, and accurate information collection and reporting by the States and other entities as determined appropriate by the Secretary;

(B) uniform Federal, State, and local policies and procedures necessary to operate the information system; and

(C) the reliability and availability of the information to the Secretary and States.

(b) PERFORMANCE AND REGISTRATION INFORMATION PROGRAM.—

(1) INFORMATION CLEARINGHOUSE.—The Secretary shall include, as part of the motor carrier information system authorized by this section, a program to establish and maintain a clearinghouse and repository of information related to State registration and licensing of commercial motor vehicles, the registrants of such vehicles, and the motor carriers operating such vehicles. The clearinghouse and repository may include information on the safety fitness of each of the motor carriers and registrants and other information the Secretary considers appropriate, including information on motor carrier, commercial motor vehicle, and driver safety performance.

(2) DESIGN.—The program shall link Federal motor carrier safety information systems with State commercial vehicle registration and licensing systems and shall be designed to enable a State to:

(A) determine the safety fitness of a motor carrier or registrant when licensing or registering the registrant or motor carrier or while the license or registration is in effect; and

(B) deny, suspend, or revoke the commercial motor vehicle registrations of a motor carrier or registrant that has been issued an operations out-of-service order by the Secretary.

(3) CONDITIONS FOR PARTICIPATION.—The Secretary shall require States, as a condition of participation in the program, to—

(A) comply with the uniform policies, procedures, and technical and operational standards prescribed by the Secretary under subsection (a)(4);

(B) possess or seek the authority to possess for a time period no longer than deter-
mained reasonable by the Secretary, to impose sanctions relating to commercial motor vehicle registration on the basis of a Federal safety fitness determination; and

(C) establish and implement a process to cancel the motor vehicle registration and seize the registration plates of a vehicle when an employer is found liable under section 33101(c)(2)(C) for knowingly allowing or requiring an employee to operate such a commercial motor vehicle in violation of an out-of-service order.

(4) Grants.—From the funds authorized by section 31104(d), the Secretary may make a grant in a fiscal year to a State to implement the performance and registration information system management requirements of this subsection.

(c) Commercial Motor Vehicle Driver Safety Program.—In coordination with the information system under section 31309, the Secretary is authorized to establish a program to improve commercial motor vehicle driver safety. The objectives of the program shall include—

(1) enhancing the exchange of driver licensing information among the States, the Federal Government, and foreign countries;

(2) providing information to the judicial system on commercial motor vehicle drivers;

(3) evaluating any aspect of driver performance that the Secretary determines appropriate; and

(4) developing appropriate strategies and countermeasures to improve driver safety.

(d) Cooperative Agreements, Grants, and Contracts.—The Secretary may carry out this section either independently or in cooperation with other Federal departments, agencies, and instrumentalities, or by making grants to, and entering into contracts and cooperative agreements with, States, local governments, associations, institutions, corporations, and other persons.

(e) Information Availability and Privacy Protection Policy.—The Secretary shall develop a policy on making information available from the information systems authorized by this section and section 31309. The policy shall be consistent with existing Federal information laws, including regulations, and shall provide for review and correction of such information in a timely manner.

In subsection (b)(2), the word “schedule” is substituted for “system” for clarity.

Amendments

2005—Subsec. (a)(3)(F), (G). Pub. L. 109–59, § 4108(a), added subpars. (F) and (G).

Subsec. (b)(2) to (4). Pub. L. 109–59, § 4109(a), added pars. (2) to (4) and struck out former paras. (2) to (4), which related to design of program with State licensing systems in par. (2), conditions of participation in par. (3), and funding for fiscal years 1998 to 2003 in par. (4).

1998—Pub. L. 105–178 amended section catchline and text generally, substituting, in subsec. (a), provisions relating to information systems and data analysis for provisions relating to definition of commercial motor vehicle, in subsec. (b), provisions relating to performance and registration information program for provisions relating to information system, in subsec. (c), provisions relating to commercial motor vehicle driver safety program for provisions relating to demonstration project, in subsec. (d), provisions relating to cooperative agreements, grants, and contracts for provisions relating to review of State systems, and in subsec. (e), provisions relating to information availability and privacy protection policy for provisions relating to regulations, and striking out subsecs. (f) and (g), which related to report to Congress and authorization of appropriations, respectively.

Deemed References to Chapters 509 and 511 of Title 51

General references to “this title” deemed to refer also to chapters 509 and 511 of Title 51, National and Commercial Space Programs, see section 5109(d)(8) of Pub. L. 111–314, set out as a note under section 101 of this title.

COMMERCIAL VEHICLE INFORMATION SYSTEMS AND NETWORKS DEPLOYMENT

“(a) in general.—The Secretary of Transportation shall carry out a commercial vehicle information systems and networks program to—

“(1) improve the safety and productivity of commercial vehicles and drivers; and

“(2) reduce costs associated with commercial vehicle operations and Federal and State commercial vehicle regulatory requirements.

“(b) purpose.—The program shall advance the technological capability and promote the deployment of intelligent transportation system applications for commercial vehicle operations, including commercial vehicle, commercial driver, and carrier-specific information systems and networks.

“(c) core deployment grants.—

“(1) in general.—The Secretary shall make grants to eligible States for the core deployment of commercial vehicle information systems and networks.

“(2) amount of grants.—The maximum aggregate amount the Secretary may grant to a State for the core deployment of commercial vehicle information systems and networks under this subsection and sections 5001(a)(5) and 5001(a)(6) of the Transportation Equity Act for the 21st Century [Pub. L. 105–178] (112 Stat. 240) may not exceed $2,500,000.

“(3) use of funds.—Funds from a grant under this subsection may only be used for the core deployment of commercial vehicle information systems and networks. An eligible State that has either completed the core deployment of commercial vehicle information systems and networks or completed such deployment before grant funds are expended under this subsection may use the grant funds for the expanded deployment of commercial vehicle information systems and networks in the State.

“(d) expanded deployment grants.—

“(1) in general.—For each fiscal year, from the funds remaining after the Secretary has made grants...
under subsection (c), the Secretary may make grants to each eligible State, upon request, for the expanded deployment of commercial vehicle information systems and networks.

(2) ELIGIBILITY.—Each State that has completed the core deployment of commercial vehicle information systems and networks in such State is eligible for an expanded deployment grant under this subsection.

(3) AMOUNT OF GRANTS.—Each fiscal year, the Secretary may distribute funds available for expanded deployment grants equally among the eligible States, but not to exceed $1,000,000 per State.

(4) USE OF FUNDS.—A State may use funds from a grant under this subsection only for the expanded deployment of commercial vehicle information systems and networks.

(e) ELIGIBILITY.—To be eligible for a grant under this section, a State—

"(1) shall have a commercial vehicle information systems and networks program plan approved by the Secretary that describes the various systems and networks at the State level that need to be refined, revised, upgraded, or built to accomplish deployment of core capabilities;

"(2) shall certify to the Secretary that its commercial vehicle information systems and networks deployment activities, including hardware procurement, software and system development, and infrastructure modifications—

"(A) are consistent with the national intelligent transportation systems and commercial vehicle information systems and networks architectures and available standards; and

"(B) promote interoperability and efficiency to the extent practicable; and

"(3) shall agree to execute interoperability tests developed by the Federal Motor Carrier Safety Administration to verify that its systems conform with the national intelligent transportation systems architecture, applicable standards, and protocols for commercial vehicle information systems and networks.

"(f) FEDERAL SHARE.—The Federal share of the cost of a project payable from funds made available to carry out this section shall not exceed 80 percent. The total Federal share of the cost of a project payable from all eligible Federal sources shall not exceed 80 percent.

(2) DEFINITIONS.—In this section, the following definitions apply:

"(1) COMMERCIAL VEHICLE INFORMATION SYSTEMS AND NETWORKS.—The term ‘commercial vehicle information systems and networks’ means the information systems and communications networks that provide the capability to—

"(A) improve the safety of commercial motor vehicle operations;

"(B) increase the efficiency of regulatory inspection processes to reduce administrative burdens by advancing technology to facilitate inspections and increase the effectiveness of enforcement efforts;

"(C) advance electronic processing of registration information, driver licensing information, fuel tax information, inspection and crash data, and other safety information;

"(D) enhance the safe passage of commercial motor vehicles across the United States and internationally; and

"(E) promote the communication of information among the States and encourage multistate cooperation and corridor development.

(3) CORE DEPLOYMENT.—The term ‘core deployment’ means the deployment of systems in a State necessary to provide the State with the following capabilities:

"(A) Safety information exchange to—

"(i) electronically collect and transmit commercial motor vehicle and driver inspection data at a majority of inspection sites in the State;

"(ii) connect to the safety and fitness electronic records system for access to interstate carrier and commercial vehicle data, summaries of past safety performance, and commercial motor vehicle credentials information; and

"(iii) exchange carrier data and commercial motor vehicle safety and credentials information within the State and connect to such system for access to interstate carrier and commercial vehicle data.

"(B) Interstate credentials administration to—

"(i) perform end-to-end processing, including carrier application, jurisdiction application processing, and credential issuance, of at least the international registration plan and international fuel tax agreement credentials and extend this processing to other credentials, including intrastate registration, vehicle titling, oversized vehicle permits, overweight vehicle permits, border registration, and hazardous materials permits;

"(ii) connect to such plan and agreement clearinghouses; and

"(iii) have at least 10 percent of the credentialing transaction volume in the State handled electronically and have the capability to add more carriers and to extend to branch offices where applicable.

"(C) Roadside electronic screening to electronically screen transponder-equipped commercial vehicles at a minimum of one fixed or mobile inspection site in the State and to replicate this screening at other sites in the State.

(4) EXPANDED DEPLOYMENT.—The term ‘expanded deployment’ means the deployment of systems in a State that exceed the requirements of a core deployment of commercial vehicle information systems and networks, improve safety and the productivity of commercial motor vehicle operations, and enhance transportation security.”

§ 31107. Border enforcement grants

(a) GENERAL AUTHORITY.—The Secretary of Transportation may make a grant in a fiscal year to an entity or a State that shares a land border with another country for carrying out border commercial motor vehicle safety programs and related enforcement activities and projects.

(b) MAINTENANCE OF EXPENDITURES.—The Secretary may make a grant to a State under this section only if the State agrees that the total expenditure of amounts of the State and political subdivisions of the State, exclusive of amounts from the United States, for carrying out border commercial motor vehicle safety programs and related enforcement activities and projects will be maintained at a level at least equal to the average level of that expenditure by the State and political subdivisions of the State for the last 2 fiscal years of the State or the Federal Government ending before October 1, 2005, whichever the State designates.

(c) GOVERNMENTS’ SHARE OF COSTS.—The Secretary shall reimburse a State under a grant made under this section an amount that is not more than 100 percent of the costs incurred by

1 So in original. Probably should be “GOVERNMENT’s”.
the State in a fiscal year for carrying out border commercial motor vehicle safety programs and related enforcement activities and projects.

(d) **Availability and Reallocation of Amounts.**—Allocations to a State remain available for expenditure in the State for the fiscal year in which they are allocated and for the next fiscal year. Amounts not expended by a State during those 2 fiscal years are available to the Secretary for reallocation under this section.

§ 31108. Motor carrier research and technology program

(a) **Research, Technology, and Technology Transfer Activities.**—

(1) **Establishment.**—The Secretary of Transportation shall establish and carry out a motor carrier and motor coach research and technology program.

(2) **Multiyear Plan.**—The program must include a multi-year research plan that focuses on nonredundant innovative research and shall be coordinated with other research programs on projects ongoing or planned within the Department of Transportation, as appropriate.

(3) **Research, Development, and Technology Transfer Activities.**—The Secretary may carry out under the program research, development, technology, and technology transfer activities with respect to—

(A) the causes of accidents, injuries, and fatalities involving commercial motor vehicles;

(B) means of reducing the number and severity of accidents, injuries, and fatalities involving commercial motor vehicles;

(C) improving the safety and efficiency of commercial motor vehicles through technological innovation and improvement;

(D) improving technology used by enforcement officers when conducting roadside inspections and compliance reviews to increase efficiency and information transfers; and

(E) increasing the safety and security of hazardous materials transportation.

(4) **Tests and Development.**—The Secretary may test, develop, or assist in testing and developing any material, invention, patented article, or process related to the research and technology program.

(5) **Training.**—The Secretary may use the funds made available to carry out this section for training or education of commercial motor vehicle safety personnel, including training in accident reconstruction and detection of controlled substances or other contraband and stolen cargo or vehicles.

(6) **Procedures.**—The Secretary may carry out this section—

(A) independently;

(B) in cooperation with other Federal departments, agencies, and instrumentalities and Federal laboratories; or

(C) by making grants to, or entering into contracts and cooperative agreements with, any Federal laboratory, State agency, authority, association, institution, for-profit or nonprofit corporation, organization, foreign country, or person.

(7) **Development and Promotion of Use of Products.**—The Secretary shall use funds made available to carry out this section to develop, administer, communicate, and promote the use of products of research, technology, and technology transfer programs under this section.

(b) **Collaborative Research and Development.**—

(1) **In General.**—To advance innovative solutions to problems involving commercial motor vehicle and motor carrier safety, security, and efficiency, and to stimulate the deployment of emerging technology, the Secretary may carry out, on a cost-shared basis, collaborative research and development with—

(A) non-Federal entities, including State and local governments, foreign governments, colleges and universities, corporations, institutions, partnerships, and sole proprietorships that are incorporated or established under the laws of any State; and

(B) Federal laboratories.

(2) **Cooperative Agreements.**—In carrying out this subsection, the Secretary may enter into cooperative research and development agreements (as defined in section 12 of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3710a)).

(3) **Cost Sharing.**—

(A) **Federal Share.**—The Federal share of the cost of activities carried out under a cooperative research and development agreement entered into under this subsection shall not exceed 50 percent; except that, if there is substantial public interest or benefit associated with any such activity, the Secretary may approve a greater Federal share.

(B) **Treatment of Directly Incurred Non-Federal Costs.**—All costs directly incurred by the non-Federal partners, including personnel, travel, and hardware or software development costs, shall be credited toward the non-Federal share of the cost of the activities described in subparagraph (A).

(4) **Use of Technology.**—The research, development, or use of a technology under a co-
operative research and development agreement entered into under this subsection, including the terms under which the technology may be licensed and the resulting royalties may be distributed, shall be subject to the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3701 et seq.).

The words “safety duties and powers” are substituted for “safety functions” for clarity and consistency in the revised title. The reference to fiscal year 1992 is omitted as obsolete.

REFERENCES IN TEXT

AMENDMENTS

2005—Pub. L. 109–59 amended section catchline and text generally. Prior to amendment, text read as follows: “Not more than $ may be appropriated to the Secretary of Transportation for the fiscal year ending September 30, 19 , to carry out the safety duties and powers of the Federal Highway Administration.”

§ 31109. Performance and registration information system management

The Secretary of Transportation may make a grant to a State to implement the performance and registration information system management requirements of section 31106(b).

SUBCHAPTER II—LENGTH AND WIDTH LIMITATIONS

§ 31111. Length limitations

(a) Definitions.—In this section, the following definitions apply:

(1) AUTOMOBILE TRANSPORTER.—The term “automobile transporter” means any vehicle combination designed and used specifically for the transport of assembled highway vehicles, including truck camper units.

(2) MAXI-CUBE VEHICLE.—The term “maxi-cube vehicle” means a truck tractor combined with a semitrailer and a separable property-carrying unit designed to be loaded and unloaded through the semitrailer, with the length of the separable property-carrying unit being not more than 34 feet and the length of the vehicle combination being not more than 65 feet.

(3) TRUCK TRACTOR.—The term “truck tractor” means—

(A) a non-property-carrying power unit that operates in combination with a semitrailer or trailer; or

(B) a power unit that carries as property only motor vehicles when operating in combination with a semitrailer in transporting motor vehicles.

(4) DRIVEAWAY SADDLEMOUNT VEHICLE TRANSPORTER COMBINATION.—The term “driveaway saddlemount vehicle transporter combination” means a vehicle combination designed and specifically used to tow up to 3 trucks or truck tractors, each connected by a saddle to the frame or fifth-wheel of the forward vehicle of the truck or truck tractor in front of it. Such combination may include one fullmount.

(b) General Limitations.—(1) Except as provided in this section, a State may not prescribe or enforce a regulation of commerce that—

(A) imposes a vehicle length limitation of less than 45 feet on a bus, of less than 48 feet on a semitrailer operating in a truck tractor-semitrailer combination, or of less than 28 feet on a semitrailer or trailer operating in a truck tractor-semitrailer-trailer combination, on any segment of the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under subsection (f) of this section) and those classes of qualifying Federal-aid Primary System highways designated by the Secretary of Transportation under subsection (e) of this section;

(B) imposes an overall length limitation on a commercial motor vehicle operating in a truck tractor-semitrailer or truck tractor-semitrailer-trailer combination;

(C) has the effect of prohibiting the use of a semitrailer or trailer of the same dimensions as those that were in actual and lawful use in that State on December 1, 1982;

(D) imposes a vehicle length limitation of not less than or more than 97 feet on all driveaway saddlemount vehicle transporter combinations;

(E) has the effect of prohibiting the use of an existing semitrailer or trailer, of not more than 28.5 feet in length, in a truck tractor-semitrailer-trailer combination if the semitrailer or trailer was operating lawfully on December 1, 1982, within a 65-foot overall length limit in any State; or

(F) imposes a limitation of less than 46 feet on the distance from the kingpin to the center of the rear axle on trailers used exclusively or primarily in connection with motorsports competition events.

(2) A length limitation prescribed or enforced by a State under paragraph (1)(A) of this subsection applies only to a semitrailer or trailer and not to a truck tractor.

(c) MAXI-CUBE AND VEHICLE COMBINATION LIMITATIONS.—A State may not prohibit a maxi-cube vehicle or a commercial motor vehicle combination consisting of a truck tractor and 2 trailing units on any segment of the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under subsection (f) of this section) and those classes of qualifying Federal-aid Primary System highways designated by the Secretary under subsection (e) of this section.

(d) EXCLUSION OF SAFETY AND ENERGY CONSERVATION DEVICES.—Length calculated under
this section does not include a safety or energy conservation device the Secretary decides is necessary for safe and efficient operation of a commercial motor vehicle. However, such a device may not have by its design or use the ability to carry cargo.

(e) QUALIFYING HIGHWAYS.—The Secretary by regulation shall designate as qualifying Federal-aid Primary System highways those highways of the Federal-aid Primary System in existence on June 1, 1991, that can accommodate safely the applicable vehicle lengths provided in this section.

(f) EXEMPTIONS.—(1) If the chief executive officer of a State, after consulting under paragraph (2) of this subsection, decides a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is not capable of safely accommodating a commercial motor vehicle having a length described in subsection (b)(1)(A) of this section or the motor vehicle combination described in subsection (c) of this section, the chief executive officer may notify the Secretary of that decision and request the Secretary to exempt that segment from either or both provisions.

(2) Before making a decision under paragraph (1) of this subsection, the chief executive officer shall consult with units of local government in the State in which the segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is located and with the chief executive officer of any adjacent State that may be directly affected by the exemption. As part of the consultations, consideration shall be given to any potential alternative route that serves the area in which the segment is located and can safely accommodate a commercial motor vehicle having a length described in subsection (b)(1)(A) of this section or the motor vehicle combination described in subsection (c) of this section.

(3) A chief executive officer’s notification under this subsection must include specific evidence of safety problems supporting the officer’s decision and the results of consultations about alternative routes.

(4)(A) If the Secretary decides, on request of a chief executive officer or on the Secretary’s own initiative, a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is not capable of safely accommodating a commercial motor vehicle having a length described in subsection (b)(1)(A) of this section or the motor vehicle combination described in subsection (c) of this section, the Secretary shall exempt the segment from either or both of those provisions. Before making a decision under this paragraph, the Secretary shall consider any possible alternative route that serves the area in which the segment is located.

(B) The Secretary shall make a decision about a specific segment not later than 120 days after the date of receipt of notification from a chief executive officer under paragraph (1) of this subsection or the date on which the Secretary initiates action under subparagraph (A) of this paragraph, whichever is applicable. If the Secretary finds the decision will not be made in time, the Secretary immediately shall notify Congress, giving the reasons for the delay, information about the resources assigned, and the projected date for the decision.

(C) Before making a decision, the Secretary shall give an interested person notice and an opportunity for comment. If the Secretary exempts a segment under this subsection, the final regulations under subsection (e) of this section are prescribed, the Secretary shall include the exemption as part of the final regulations. If the Secretary exempts the segment after the final regulations are prescribed, the Secretary shall publish the exemption as an amendment to the final regulations.

(g) ACCOMMODATING SPECIALIZED EQUIPMENT.—In prescribing regulations to carry out this section, the Secretary may make decisions necessary to accommodate specialized equipment, including automobile and vessel transporters and maxi-cube vehicles.

HISTORICAL AND REVISION NOTES

In subsection (a), the word “property” is substituted for “cargo” for consistency in the revised title.

Subsection (b)(1) is substituted for 49 App.2311(a) and (b) (2d–last sentences) to eliminate unnecessary words and for consistency in the revised title and with other titles of the United States Code. Hyphens are used in describing the combinations “truck tractor-semi-trailer” and “truck tractor–semitrailer-trailer” for consistency. In clause (D), the word “actually” is omitted as surplus.

Subsection (b)(2) is substituted for 49 App.2311(b) (1st sentence) because of the restatement.

In subsection (d), the words “such as rear view mirrors, turn signal lamps, marker lamps, steps and handholds for entry and egress, flexible fender extensions, mudflaps and splash and spray suppressant devices, load-induced tire bulge, refrigeration units or air compressors and other devices” are omitted as unnecessary and because most items listed relate to width rather than length.

In subsection (e), the words “by regulation” are added for clarity. The words “subject to the provisions of subsections (a) and (c) of this section” are omitted as surplus. The text of 49 App.:2311(e)(2) and (3) is omitted as surplus.

The word “amendment” is inserted before “motor vehicle” for consistency.

Subsection (f) is substituted for 49 App.2311(e) (2d–last sentences) to eliminate unnecessary words.

In subsection (f)(4)(C), the reference to regulations prescribed under subsection (e) is substituted for the reference in the source to regulations issued under subsection (a) to be more precise. The word “amendment” is substituted for “revision” for consistency in the revised title.

Subsection (g) is substituted for 49 App.2311(d) to eliminate unnecessary words. The Secretary’s general authority to prescribe regulations is provided in 49:322(a). The word “vessel” is substituted for “boat” because of 13:5. The text of 49 App.2311(g) is omitted as executed.

**AMENDMENTS**

2008—Subsec. (a)(4). Pub. L. 110–214, § 301(r)(1), in heading, substituted “Driveaway saddlemount” for “Drive-away saddlemount with fullmount”, and, in text, substituted driveaway saddlemount for “drive-away saddlemount with fullmount” and inserted at end “Such combination may include one fullmount.”

Subsec. (b)(1)(D). Pub. L. 110–214, § 301(r)(2), substituted “all driveaway saddlemount” for “a driveaway saddlemount with fullmount”.

Subsec. (b)(1)(D) to (F). Pub. L. 109–59, § 4114(b), added subpar. (D) and redesignated former subpars. (D) and (E) as (E) and (F), respectively.

Pub. L. 105–178, § 4005(2), inserted “MAXI-CUBE VEHICLE.—The term ‘MAXI-CUBE VEHICLE’ after ‘(1)’.”

Pub. L. 105–178, § 4005(3), inserted “TRUCK TRACTOR.—The term ‘TRUCK TRACTOR’ after ‘(2)’.”

**EFFECTIVE DATE OF 1995 AMENDMENT**

**§ 31112. Property-carrying unit limitation**

(a) **DEFINITIONS.—In this section—**

(1) “property-carrying unit” means any part of a commercial motor vehicle combination (except the truck tractor) used to carry property, including a trailer, a semitrailer, or the property-carrying section of a single unit truck.

(2) the length of the property-carrying units of a commercial motor vehicle combination is the length measured from the front of the first property-carrying unit to the rear of the last property-carrying unit.

(b) **GENERAL LIMITATIONS.—A State may not allow by any means the operation, on any segment of the Dwight D. Eisenhower System of Interstate and Defense Highways and those classes of qualifying Federal-aid Primary System highways designated by the Secretary of Transportation under section 31111(e) of this title, of any commercial motor vehicle combination (except a vehicle or load that cannot be dismantled easily or divided easily and that has been issued a special permit under applicable State law) with more than one property-carrying unit (not including the truck tractor) whose property-carrying units are more than—**

(1) the maximum combination trailer, semitrailer, or other type of length limitation allowed by law or regulation of that State before June 2, 1991; or

(2) the length of the property-carrying units of those commercial motor vehicle combinations, by specific configuration, in actual lawful operation on a regular or periodic basis (including continuing seasonal operation) in that State before June 2, 1991.

(c) **SPECIAL RULES FOR WYOMING, OHIO, ALASKA, IOWA, AND NEBRASKA.—In addition to the vehicles allowed under subsection (b) of this section—**

(1) Wyoming may allow the operation of additional vehicle configurations not in actual operation on June 1, 1991, but authorized by State law not later than November 3, 1992, if the vehicle configurations comply with the single axle, tandem axle, and bridge formula limits in section 127(a) of title 23 and are not more than 117,000 pounds gross vehicle weight;

(2) Ohio may allow the operation of commercial motor vehicle combinations with 3 property-carrying units of 28.5 feet each (not including the truck tractor) not in actual operation on June 1, 1991, to be operated in Ohio on the 1-mile segment of Ohio State Route 7 that begins at and is south of exit 16 of the Ohio Turnpike;

(3) Alaska may allow the operation of commercial motor vehicle combinations that were not in actual operation on June 1, 1991, but were in actual operation before July 6, 1991; and

(4) Iowa may allow the operation on Interstate Route 29 between Sioux City, Iowa, and the border between Iowa and South Dakota or on Interstate Route 129 between Sioux City, Iowa, and the border between Iowa and Nebraska of commercial motor vehicle combinations with trailer length, semitrailer length, and property-carrying unit length allowed by
law or regulation and in actual lawful operation on a regular or periodic basis (including continued seasonal operation) in South Dakota or Nebraska, respectively, before June 2, 1991.

(5) Nebraska may allow the operation of a truck tractor and 2 trailers or semitrailers not in actual lawful operation on a regular or periodic basis on June 1, 1991, if the length of the property-carrying units does not exceed 61 feet 6 inches and such combination is used only to transport equipment utilized by custom harvesters under contract to agricultural producers to harvest one or more of wheat, soybeans, and milo during the harvest months for such crops, as defined by the State of Nebraska.

(d) ADDITIONAL LIMITATIONS.—(1) A commercial motor vehicle combination whose operation in a State is not prohibited under subsections (b) and (c) of this section may continue to operate in the State on highways described in subsection (b) only if at least in compliance with all State laws, regulations, limitations, and conditions, including routing-specific and configuration-specific designations and all other restrictions in force in the State on June 1, 1991. However, subject to regulations prescribed by the Secretary under subsection (g)(2) of this section, the State may make minor adjustments of a temporary and emergency nature to route designations and vehicle operating restrictions in effect on June 1, 1991, for specific safety purposes and road construction.

(2) This section does not prevent a State from further restricting in any way or prohibiting the operation of any commercial motor vehicle combination subject to this section, except that a restriction or prohibition shall be consistent with this section and sections 31113(a) and (b) and 31114 of this title.

(3) A State making a minor adjustment of a temporary or emergency restriction under subsections (b) and (c) of this section may continue to operate on June 1, 1991 to be operated within its boundaries to transport sugar beets from the field where such sugar beets are harvested to storage, market, factory or stockpile or from stockpile to storage, market or factory. This provision shall expire on February 28, 1996.

(e) LIST OF STATE LENGTH LIMITATIONS.—(1) Not later than February 16, 1992, each State shall submit to the Secretary for publication a complete list of State length limitations applicable to commercial motor vehicle combinations operating in the State on the highways described in subsection (b) of this section. The list shall indicate the applicable State laws and regulations associated with the length limitations.

If a State does not submit the information as required, the Secretary shall complete and file the information for the State.

(2) Not later than March 17, 1992, the Secretary shall publish an interim list in the Federal Register consisting of all information submitted under paragraph (1) of this subsection. The Secretary shall review for accuracy all information submitted by a State under paragraph (1) and shall solicit and consider public comment on the accuracy of the information.

(3) A law or regulation may not be included on the list submitted by a State or published by the Secretary merely because it authorized, or could have authorized, by permit or otherwise, the operation of commercial motor vehicle combinations not in actual operation on a regular or periodic basis before June 2, 1991.

(4) Except as revised under this paragraph or paragraph (5) of this subsection, the list shall be published as final in the Federal Register not later than June 15, 1992. In publishing the final list, the Secretary shall make any revisions necessary to correct inaccuracies identified under paragraph (2) of this subsection. After publication of the final list, commercial motor vehicle combinations prohibited under subsection (b) of this section may not operate on the Dwight D. Eisenhower System of Interstate and Defense Highways and other Federal-aid Primary System highways designated by the Secretary except as published on the list. The list may be combined by the Secretary with the list required under section 127(d) of title 23.

(5) On the Secretary's own motion or on request by any person (including a State), the Secretary shall review the list published under paragraph (4) of this subsection. If the Secretary decides there is reason to believe a mistake was made in the accuracy of the list, the Secretary shall begin a proceeding to decide whether a mistake was made. If the Secretary decides there was a mistake, the Secretary shall publish the correction.

(f) LIMITATIONS ON STATUTORY CONSTRUCTION.—This section may not be construed—

(1) to allow the operation on any segment of the Dwight D. Eisenhower System of Interstate and Defense Highways of a longer combination vehicle prohibited under section 127(d) of title 23;

(2) to affect in any way the operation of a commercial motor vehicle having only one property-carrying unit; or

(3) to affect in any way the operation in a State of a commercial motor vehicle with more than one property-carrying unit if the vehicle was in actual operation on a regular or periodic basis (including seasonal operation) in that State before June 2, 1991, that was authorized under State law or regulation or lawful State permit.

(g) REGULATIONS.—(1) In carrying out this section only, the Secretary shall define by regulation loads that cannot be dismantled easily or divided easily.

(2) Not later than June 15, 1992, the Secretary shall prescribe regulations establishing criteria for a State to follow in making minor adjustments under subsection (d) of this section.
In this section, the word “property” is substituted for “cargo”, and the word “law” is substituted for “statute”, for consistency in the revised title. The words “Dwight D. Eisenhower System of Interstate and Defense Highways” are substituted for “National System of Interstate and Defense Highways” because of the Act of October 15, 1990 (Public Law 101–427, 104 Stat. 927).

In subsections (b), before clause (1), and (g)(1), the words “dismantled easily or divided easily” are substituted for “easily dismantled or divided” for clarity.

In subsection (e)(4), the words “Except as revised under this paragraph or paragraph (5) of this subsection” are substituted for “Except as modified pursuant to subparagraph (B) or (E) of this subsection” for clarity.

## Amendments

1996—Subsec. (d)(4). Pub. L. 104–205, which directed amendment of this section by adding a new subsection designated par. (4) without specifying where, was executed by adding par. (4) to subsec. (d) to reflect the probable intent of Congress.

## § 31113. Width limitations

(a) General limitations.—(1) Except as provided in subsection (e) of this section, a State (except Hawaii) may not prescribe or enforce a regulation of commerce that imposes a vehicle width limitation of more or less than 102 inches on a commercial motor vehicle operating on—

(A) a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under subsection (e) of this section);

(B) a qualifying Federal-aid highway designated by the Secretary of Transportation, with traffic lanes designed to be at least 12 feet wide; or

(C) a qualifying Federal-aid Primary System highway designated by the Secretary if the Secretary decides the designation is consistent with highway safety.

(2) Notwithstanding paragraph (1) of this subsection, a State may continue to enforce a regulation of commerce in effect on April 6, 1983, that applies to a commercial motor vehicle of more than 102 inches in width, until the date on which the State prescribes a regulation of commerce that complies with this subsection.

(3) A Federal-aid highway (except an interstate highway) not designated under this subsection on June 5, 1984, may be designated under this subsection only with the agreement of the chief executive officer of the State in which the highway is located.

(b) Exclusion of safety and energy conservation devices.—Width calculated under this section does not include a safety or energy conservation device the Secretary decides is necessary for safe and efficient operation of a commercial motor vehicle.

(c) Special use permits.—A State may grant a special use permit to a commercial motor vehicle that is more than 102 inches in width.

(d) State enforcement.—Consistent with this section, a State may enforce a commercial motor vehicle width limitation of 102 inches on a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under subsection (e) of this section) or other qualifying Federal-aid highway designated by the Secretary.

(e) Exemptions.—(1) If the chief executive officer of a State, after consulting under paragraph (2) of this subsection, decides a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is not capable of safely accommodating a commercial motor vehicle having the width provided in subsection (a) of this section, the chief executive officer may notify the Secretary of that decision and request the Secretary to exempt that segment from subsection (a) to allow the State to impose a width limitation of less than 102 inches for a vehicle (except a bus) on that segment.

(2) Before making a decision under paragraph (1) of this subsection, the chief executive officer shall consult with units of local government in the State in which the segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is located and with the chief executive officer of any adjacent State that may be directly affected by the exemption. As part of the consultations, consideration shall be given to any potential alternative route that serves the area in which the segment is located and can safely accommodate a commercial motor vehicle having the width provided for in subsection (a) of this section.

(3) A chief executive officer’s notification under this subsection must include specific evidence of safety problems supporting the officer’s decision and the results of consultations about alternative routes.

(4)(A) If the Secretary decides, on request of a chief executive officer or on the Secretary’s own initiative, a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is not capable of safely accommodating a commercial motor vehicle having a width provided in subsection (a) of this section, the Secretary shall exempt the segment from subsection (a) to allow the State to impose a width limitation of less than 102 inches for a vehicle (except a bus) on that segment. Before making a decision under this paragraph, the Secretary...
shall consider any possible alternative route that serves the area in which the segment is located.

(B) The Secretary shall make a decision about a specific segment not later than 120 days after the date of receipt of notification from a chief executive officer under paragraph (1) of this subsection or the date on which the Secretary initiates action under subparagraph (A) of this paragraph, whichever is applicable. If the Secretary finds the decision will not be made in time, the Secretary immediately shall notify Congress, giving the reasons for the delay, information about the resources assigned, and the projected date for the decision.

(C) Before making a decision, the Secretary shall give an interested person notice and an opportunity for comment. If the Secretary exempts a segment under this subsection before the final regulations under subsection (a) of this section are prescribed, the Secretary shall include the exemption as part of the final regulations. If the Secretary exempts the segment after the final regulations are prescribed, the Secretary shall publish the exemption as an amendment to the final regulations.

### Historical and Revision Notes

#### Revised Section | Source (U.S. Code) | Source (Statutes at Large)
---|---|---

In this section, the word “commercial” is added before “motor vehicle” for consistency. The words “Dwight D. Eisenhower System of Interstate and Defense Highways” are substituted for “National System of Interstate and Defense Highways” because of the Act of October 15, 1990 (Public Law 101–427, 104 Stat. 927).

In subsection (a)(1), before clause (A), the text of 49 App.:2316(f) is omitted as obsolete. The word “prescribe” is substituted for “establish, maintain” for consistency. The words “to assure compliance with the terms of this chapter and in any action under this section are omitted as surplus. The last sentence is substituted for 49 App.:2313 (last sentence) for clarity and to eliminate unnecessary words.

### § 31114. Access to the Interstate System

(a) **Prohibition on Denying Access.**—A State may not enact or enforce a law denying to a commercial motor vehicle subject to this subchapter or subchapter I of this chapter reasonable access between—

(1) the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under section 31111(f) or 31111(e) of this title) and other qualifying Federal-aid Primary System highways designated by the Secretary of Transportation; and

(2) terminals, facilities for food, fuel, repairs, and points of loading and unloading for household goods carriers, motor carriers of passengers, or any truck tractor-semitrailer combination in which the semitrailer has a length of not more than 28.5 feet and that generally operates as part of a vehicle combination described in section 31111(c) of this title.

(b) **Exception.**—This section does not prevent a State or local government from imposing reasonable restrictions, based on safety considerations, on a truck tractor-semitrailer combination in which the semitrailer has a length of not more than 28.5 feet and that generally operates as part of a vehicle combination described in section 31111(c) of this title.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 999.)

### Historical and Revision Notes

#### Revised Section | Source (U.S. Code) | Source (Statutes at Large)
---|---|---

### § 31115. Enforcement

On the request of the Secretary of Transportation, the Attorney General shall bring a civil action for appropriate injunctive relief to ensure compliance with this subchapter or subchapter I of this chapter. The action may be brought in a district court of the United States in any State in which the relief is required. On a proper showing, the court shall issue a temporary restraining order or preliminary or permanent injunction. An injunction under this section may order a State or person to comply with this subchapter, subchapter I, or a regulation prescribed under this subchapter or subchapter I.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 999.)

### Historical and Revision Notes

#### Revised Section | Source (U.S. Code) | Source (Statutes at Large)
---|---|---

The words “to assure compliance with the terms of this chapter” and “in any action under this section are omitted as surplus. The last sentence is substituted for 49 App.:2313 (last sentence) for clarity and to eliminate unnecessary words.

### SUBCHAPTER III—SAFETY REGULATION

#### § 31131. Purposes and findings

(a) **Purposes.**—The purposes of this subchapter are—
(1) to promote the safe operation of commercial motor vehicles;
(2) to minimize dangers to the health of operators of commercial motor vehicles and other employees whose employment directly affects motor carrier safety; and
(3) to ensure increased compliance with traffic laws and with the commercial motor vehicle safety and health regulations and standards prescribed and orders issued under this chapter.

(b) FINDINGS.—Congress finds—

(1) it is in the public interest to enhance commercial motor vehicle safety and thereby reduce highway fatalities, injuries, and property damage;
(2) improved, more uniform commercial motor vehicle safety measures and strengthened enforcement would reduce the number of fatalities and injuries and the level of property damage related to commercial motor vehicle operations;
(3) enhanced protection of the health of commercial motor vehicle operators is in the public interest; and
(4) interested State governments can provide valuable assistance to the United States Government in ensuring that commercial motor vehicle operations are conducted safely and healthfully.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 999.)

In subsection (a)(3), the words “this chapter” are substituted for “this Act” because title II of the Act of October 30, 1984 (Public Law 98–554, 96 Stat. 2632), amended and enacted provisions restated in this chapter.

TRAFFIC LAW INITIATIVE

Pub. L. 106–159, title II, §220, Dec. 9, 1999, 113 Stat. 1769, provided that:

“(a) IN GENERAL.—In cooperation with one or more States, the Secretary may carry out a program to develop innovative methods of improving motor carrier compliance with traffic laws. Such methods may include the use of photography and other imaging technologies.

“(b) REPORT.—The Secretary shall transmit to Congress a report on the results of any program conducted under this section, together with any recommendations as the Secretary determines appropriate.”

§ 31132. Definitions

In this subchapter—

(1) “commercial motor vehicle” means a self-propelled or towed vehicle used on the highways in interstate commerce to transport passengers or property, if the vehicle—

(A) has a gross vehicle weight rating or gross vehicle weight of at least 10,001 pounds, whichever is greater;
(B) is designed or used to transport more than 8 passengers (including the driver) for compensation;
(C) is designed or used to transport more than 15 passengers, including the driver, and is not used to transport passengers for compensation; or
(D) is used in transporting material found by the Secretary of Transportation to be hazardous under section 5103 of this title and transported in a quantity requiring placarding under regulations prescribed by the Secretary under section 5103.

(2) “employee” means an operator of a commercial motor vehicle (including an independent contractor when operating a commercial motor vehicle), a mechanic, a freight handler, or an individual not an employer, who—

(A) directly affects commercial motor vehicle safety in the course of employment; and
(B) is not an employee of the United States Government, a State, or a political subdivision of a State acting in the course of the employment by the Government, a State, or a political subdivision of a State.

(3) “employer”—

(A) means a person engaged in a business affecting interstate commerce that owns or leases a commercial motor vehicle in connection with that business, or assigns an employee to operate it; but
(B) does not include the Government, a State, or a political subdivision of a State.

(4) “interstate commerce” means trade, traffic, or transportation in the United States between a place in a State and—

(A) a place outside that State (including a place outside the United States); or
(B) another place in the same State through another State or through a place outside the United States.

(5) “intrapstate commerce” means trade, traffic, or transportation in a State that is not interstate commerce.

(6) “medical examiner” means an individual licensed, certified, or registered in accordance with regulations issued by the Federal Motor Carrier Safety Administration as a medical examiner.

(7) “regulation” includes a standard or order.

(8) “State” means a State of the United States, the District of Columbia, and, in sections 31136 and 31140–31142 of this title, a political subdivision of a State.

(9) “State law” includes a law enacted by a political subdivision of a State.

(10) “State regulation” includes a regulation prescribed by a political subdivision of a State.

1 See References in Text note below.
(c) DELEGATION.—The Secretary may delegate to a State receiving a grant under section 31102 of this title those duties and powers related to enforcement (including conducting investigations) of this subchapter and regulations prescribed under this subchapter that the Secretary considers appropriate.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
31133(b) | 49 App.:2510(c). | 
31133(c) | 49 App.:2510(b) (last sentence). | 

In subsection (a), the words before clause (1) are substituted for “In carrying out the Secretary’s functions under this chapter, the Secretary is authorized to” and to carry out the provisions of this chapter, or regulations issued pursuant to section 2532 of this Appendix” to eliminate unnecessary words. Clause (10) is substituted for “perform such acts . . . as the Secretary determines necessary”. The text of 49 App.:2510(a) is omitted as covered by 49 App.:2510(b) (1st sentence).

In subsection (b), the words “In conducting inspections and investigations” are substituted for “To carry out the Secretary’s inspection and investigation functions” to eliminate unnecessary words. The words “or the Secretary’s agent” are omitted as unnecessary.

AMENDMENTS

BORDER STAFFING STANDARDS

Pub. L. 106–159, title II, § 218, Dec. 9, 1999, 113 Stat. 1767, provided that:

“(a) DEVELOPMENT AND IMPLEMENTATION.—Not later than 1 year after the date of the enactment of this Act (Dec. 9, 1999), the Secretary shall develop and implement appropriate staffing standards for Federal and State motor carrier safety inspectors in international border areas.

“(b) FACTORS TO BE CONSIDERED.—In developing standards under subsection (a), the Secretary shall consider volume of traffic, hours of operation of the border facility, types of commercial motor vehicles, types of cargo, delineation of responsibility between Federal and State inspectors, and such other factors as the Secretary determines appropriate.

“(c) MAINTENANCE OF EFFORT.—The standards developed and implemented under subsection (a) shall ensure that the United States and each State will not reduce its respective level of staffing of motor carrier safety inspectors in international border areas from its average level staffing for fiscal year 2000.

“(d) BORDER COMMERCIAL MOTOR VEHICLE AND SAFETY ENFORCEMENT PROGRAMS.—

“(1) ENFORCEMENT.—If, on October 1, 2001, and October 1 of each fiscal year thereafter, the Secretary has not ensured that the levels of staffing required by the standards developed under subsection (a) are deployed, the Secretary shall designate the amount made available for allocation under [former] section 31104(f)(2)(B) of title 49, United States Code, for such fiscal year for States, local governments, and other persons for carrying out border commercial motor vehicle safety programs and enforcement activities and projects.

“(2) ALLOCATION.—If the Secretary makes a designation of an amount under paragraph (1), such amount shall be allocated by the Secretary to State agencies, local governments, and other persons that
use and train qualified officers and employees in coordination with State motor vehicle safety agencies.

(3) LIMITATION.—If the Secretary makes a designation pursuant to paragraph (1) for a fiscal year, the Secretary may not make a designation under [former] section 31104(c)(2)(B) of title 49, United States Code, for such fiscal year.’’

§31135. Duties of employers and employees

(a) In GENERAL.—Each employer and employee shall comply with regulations on commercial motor vehicle safety prescribed by the Secretary of Transportation under this subchapter that apply to the employer’s or employee’s conduct.

(b) PATTERN OF NONCOMPLIANCE.—If the Secretary finds that an officer of a motor carrier engages or has engaged in a pattern or practice of avoiding compliance, or masking or otherwise concealing noncompliance, with regulations on commercial motor vehicle safety prescribed under this subchapter, while serving as an officer of any motor carrier, the Secretary may suspend, amend, or revoke any part of the motor carrier’s registration under section 13905.

(c) REGULATIONS.—Not later than 1 year after the date of enactment of this subsection, the Secretary shall by regulation establish standards to implement subsection (b).

(d) DEFINITIONS.—In this section, the following definitions apply:

(1) MOTOR CARRIER.—The term ‘‘motor carrier’’ has the meaning such term has under section 13102.

(2) OFFICER.—The term ‘‘officer’’ means an owner, director, chief executive officer, chief operating officer, chief financial officer, safety director, vehicle maintenance supervisor, and driver supervisor of a motor carrier, regardless of the title attached to those functions, and any person, however designated, exercising controlling influence over the operations of a motor carrier.

§31136. United States Government regulations

(a) MINIMUM SAFETY STANDARDS.—Subject to section 30103(a) of this title, the Secretary of Transportation shall prescribe regulations on commercial motor vehicle safety. The regulations shall prescribe minimum safety standards for commercial motor vehicles. At a minimum, the regulations shall ensure that—

(1) commercial motor vehicles are maintained, equipped, loaded, and operated safely;

(2) the responsibilities imposed on operators of commercial motor vehicles do not impair their ability to operate the vehicles safely;

(3) the physical condition of operators of commercial motor vehicles is adequate to enable them to operate the vehicles safely and the periodic physical examinations required of such operators are performed by medical examiners who have received training in physical and medical examination standards and, after the national registry maintained by the Department of Transportation under section 31149(d) is established, are listed on such registry; and

(4) the operation of commercial motor vehicles does not have a deleterious effect on the physical condition of the operators.

(b) ELIMINATING AND AMENDING EXISTING REGULATIONS.—The Secretary may not eliminate or amend an existing motor carrier safety regulation related only to the maintenance, equipment, loading, or operation (including routing) of vehicles carrying material found to be hazardous under section 5103 of this title until an equivalent or more stringent regulation has been prescribed under section 5103.

(c) PROCEDURES AND CONSIDERATIONS.—(1) A regulation under this section shall be prescribed under section 553 of title 5 (without regard to sections 555 and 557 of title 5).

(2) Before prescribing regulations under this section, the Secretary shall consider, to the extent practicable and consistent with the purposes of this chapter—

(A) costs and benefits; and

(B) State laws and regulations on commercial motor vehicle safety, to minimize their unnecessary preemption.

(d) EFFECT OF EXISTING REGULATIONS.—If the Secretary does not prescribe regulations on commercial motor vehicle safety under this section, regulations on commercial motor vehicle safety prescribed by the Secretary before October 30, 1984, and in effect on October 30, 1984, shall be deemed in this subchapter to be regulations prescribed by the Secretary under this section.

(e) EXEMPTIONS.—The Secretary may grant in accordance with section 31315 waivers and exemptions from, or conduct pilot programs with respect to, any regulations prescribed under this section.

(f) LIMITATIONS ON MUNICIPALITY AND COMMERCIAL ZONE EXEMPTIONS AND WAIVERS.—(1) The Secretary may not—

(A) exempt a person or commercial motor vehicle from a regulation related to commercial motor vehicle safety only because the operations of the person or vehicle are entirely in a municipality or commercial zone of a municipality; or

(B) waive application to a person or commercial motor vehicle of a regulation related to
commercial motor vehicle safety only because the operations of the person or vehicle are entirely in a municipality or commercial zone of a municipality.

(2) If a person was authorized to operate a commercial motor vehicle in a municipality or commercial zone of a municipality in the United States for the entire period from November 19, 1987, through November 18, 1988, and if the person is otherwise qualified to operate a commercial motor vehicle, the person may operate a commercial motor vehicle entirely in a municipality or commercial zone of a municipality notwithstanding—

(A) paragraph (1) of this subsection;

(b) a minimum age requirement of the United States Government for operation of the vehicle; and

(C) a medical or physical condition that—

(i) would prevent an operator from operating a commercial motor vehicle under the commercial motor vehicle safety regulations in title 49, Code of Federal Regulations;

(ii) existed on July 1, 1988;

(iii) has not substantially worsened; and

(iv) does not involve alcohol or drug abuse.

(3) This subsection does not affect a State commercial motor vehicle safety law applicable to intrastate commerce.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
---|---|---

In subsection (a), the text of 49 App. 2505(g) is omitted because 5 c.h. 7 applies unless otherwise stated. Before clause (1), the words “Not later than 18 months after October 30, 1984” are omitted because the time period specified has expired. The words “Subject to section 30103(a) of this title” are added to alert the reader to that section.

In subsection (c)(1), the words “except that the time periods specified in this subsection shall apply to the issuance of such regulations” are omitted because the time periods referred to do not appear in subsection (c) as enacted. The reference was probably to the time periods in a prior version of subsection (c). See S. 2714, 98th Cong., 2nd Sess., §6(b) (as reported by the Committee on Commerce, Science, and Transportation of the Senate on May 2, 1984, in S. Rept. 98–424).

In subsection (d), the text of 49 App. 2505(d) is omitted as obsolete.

In subsection (f)(2)(C)(i), the words “an operator” are substituted for “such person” because only a natural person can have a medical or physical condition.

AMENDMENTS

2005—Subsec. (a)(3). Pub. L. 109–59 amended par. (3) generally. Prior to amendment, par. (3) read as follows:

“the physical condition of operators of commercial motor vehicles is adequate to enable them to operate the vehicles safely; and”.

1995—Subsec. (e)(2)(A), (J), (3). Pub. L. 104–287 substituted “November 28, 1995” for “the date of the enactment of this paragraph”.

1995—Subsec. (e)(1) to (3). Pub. L. 104–59 designated existing text as par. (1) and inserted heading, and added pars. (2) and (3).

EFFECTIVE DATE OF 2005 AMENDMENT

Amendment by Pub. L. 109–59 effective on the 365th day following Aug. 10, 2005, see section 4116(f) of Pub. L. 109–59, set out as an Effective Date note under section 31149 of this title.

HOURS OF SERVICE RULES FOR OPERATORS PROVIDING TRANSPORTATION TO MOVIE PRODUCTION SITES

Pub. L. 109–59, title IV, §4133, Aug. 10, 2005, 119 Stat. 1745, provided that: “The authority under title 49, United States Code, and any other provision of law, the maximum daily hours of service for an operator of a commercial motor vehicle providing transportation of property or passengers to or from a theatrical or television motion picture production site located within a 100 air mile radius of the work reporting location of such operator shall be those in effect under the regulations in effect under such sections on April 27, 2003.”

INTERSTATE VAN OPERATIONS.

Pub. L. 109–59, title IV, §4136, Aug. 10, 2005, 119 Stat. 1745, provided that: “The Federal motor carrier safety regulations that apply to interstate operations of commercial motor vehicles designed to transport between 9 and 15 passengers (including the driver) shall apply to all interstate operations of such carriers regardless of the distance traveled.”

AUTHORITY TO PROMULGATE SAFETY STANDARDS FOR RETROFITTING

Pub. L. 106–159, title I, §101(f), Dec. 9, 1999, 113 Stat. 1752, provided that: “The authority under title 49, United States Code, to promulgate safety standards for commercial motor vehicles and equipment subsequent to initial manufacture is vested in the Secretary and may be delegated.”

CERTAIN EXEMPTIONS

“(a) EXEMPTIONS.—

“(1) TRANSPORTATION OF AGRICULTURAL COMMODITIES AND FARM SUPPLIES.—Regulations prescribed by the Secretary of Transportation under sections 31136 and 31502 of title 49, United States Code, regarding maximum driving and on-duty time for drivers used by motor carriers shall not apply during planting and harvest periods, as determined by each State, to drivers transporting agricultural commodities or farm supplies for agricultural purposes in a State if such transportation is limited to an area within a 100 air mile radius from the source of the commodities or the distribution point for the farm supplies.

“(2) TRANSPORTATION AND OPERATION OF GROUND WATER WELL DRILLING RIGS.—Such regulations shall, in the case of a driver of a commercial motor vehicle who is used primarily in the transportation and operation of a ground water well drilling rig, permit any period of 7 or 8 consecutive days to end with the beginning of an off-duty period of 24 or more consecutive hours for the purposes of determining maximum
§ 31136  TITLE 49—TRANSPORTATION  Page 620
driving and on-duty time. Except as required in section 395.3 of title 49, Code of Federal Regulations, as in effect on the date of enactment of this sentence [Aug. 10, 2005], no additional off-duty time shall be re-
quired in order to operate such vehicle.

(3) TRANSPORTATION OF CONSTRUCTION MATERIALS AND EQUIPMENT.—Such regulations shall, in the case of a driver of a commercial motor vehicle who is used primarily in the transportation of construction materials and equipment, permit any period of 7 or 8 con-
secutive days to end with the beginning of an off-duty period of 24 or more consecutive hours for the pur-
poses of determining maximum driving and on-duty time.

(4) OPERATORS OF UTILITY SERVICE VEHICLES.—

(A) INAPPLICABILITY OF FEDERAL REGULATIONS.—Such regulations shall not apply to a driver of a utility service vehicle.

(B) PROHIBITION ON STATE REGULATIONS.—A State, a political subdivision of a State, an inter-
state agency, or other entity consisting of two or more States, may not enact or enforce any law, rule, regulation, or standard that imposes require-
ments on a driver of a utility service vehicle that are similar to the requirements contained in such regulations.

(5) SNOW AND ICE REMOVAL.—A State may waive the require-
ments of chapter 313 of title 49, United States Code, with respect to a vehicle that is being operated within the boundaries of an eligible unit of local government by an employee of such unit for the purpose of removing snow or ice from a roadway by plowing, sanding, or salting. Such waiver authority shall only apply in a case where the employee is needed to operate the vehicle because the employee of the eligible unit of local government who ordinarily oper-
ates the vehicle and who has a commercial drivers li-
cense is unable to operate the vehicle or is in need of additional assistance due to a snow emergency.

(b) EXEMPTION.—Except as provided in subsection (a)(4), nothing contained in this section shall apply to a driver of a utility service vehicle who is engaged in the transportation of a water well drilling rig, and pump service rigs equipped to access ground water.

(c) TRANSPORTATION OF CONSTRUCTION MATERIALS AND EQUIPMENT.—The term ‘transportation of construction materials and equipment’ means the transport-
ation of construction and pavement materials, construction equipment, and construction mainte-
nance vehicles, by a driver to or from an active con-
struction site (a construction site between initial mo-
bilization of equipment and materials to the site to the final completion of the construction project) within a 50 mile radius of the normal work reporting-
location of the driver. This paragraph does not apply to the transportation of material found by the Secretary to be hazardous under section 5103 of title 49, United States Code, in a quantity requiring plac-
carding under regulations issued to carry out such section.

(5) ELIGIBLE UNIT OF LOCAL GOVERNMENT.—The term ‘eligible unit of local government’ means a city, town, borough, county, parish, district, or other public body created by or pursuant to State law which has a total population of 5,000 individuals or less.

(6) Utility service vehicles.—The term ‘utility service vehicle’ means any commercial motor vehi-

(c) REVIEW BY THE SECRETARY.—The Secretary [of Transportation] may conduct a rulemaking proceeding to determin whether granting an exemption provided by subsection (a)(4), nothing contained in this section shall apply to a driver of a utility service vehicle who is engaged in the transportation of a water well drilling rig, and pump service rigs equipped to access ground water.

(d) REPORT.—The Secretary shall monitor the com-
mmercial motor vehicle safety performance of drivers of vehicles that are subject to an exemption under this section. If the Secretary determines that public safety has been adversely affected by an exemption granted under this section, the Secretary shall report to Con-
gress on the determination.

(e) DEFINITIONS.—In this section, the following defi-
nitions apply:

(1) 7 OR 8 CONSECUTIVE DAYS.—The term ‘7 or 8 con-
secutive days’ means the period of 7 or 8 consecutive days beginning on any day at the time designated by the motor carrier for the term from which the driver is normally dispatched.

(2) 24-HOUR PERIOD.—The term ‘24-hour period’ means any 24 consecutive hour period beginning at the time designated by the motor carrier for the term from which the driver is normally dispatched.

(3) GROUND WATER WELL DRILLING RIG.—The term ‘ground water well drilling rig’ means any vehicle,
or suspected damage to a propane gas system following a severe storm or flooding. An ‘emergency condition requiring an immediate response’ does not include requests to refill empty gas tanks. In the case of pipelines such conditions include (but are not limited to) indication of an abnormal pressure event, leak, release or rupture.”

Protection of Existing Exemptions

Pub. L. 105–178, title IV, §4007(d), June 9, 1998, 112 Stat. 404, provided that: “The amendments made by this section (amending this section and section 31315 of this title) shall not apply to or otherwise affect a waiver, exemption, or pilot program in effect on the day before the date of enactment of this Act [June 9, 1998] under chapter 313 or section 31316(e) of title 49, United States Code.”

Application of Regulations to Certain Commercial Motor Vehicles

Pub. L. 105–178, title IV, §4008(b), June 9, 1998, 112 Stat. 404, provided that: “Effective on the last day of the 1-year period beginning on the date of enactment of this Act [June 9, 1998], regulations prescribed under section 31136 of title 49, United States Code, shall apply to operators of commercial motor vehicles described in section 31321(c)(B) of such title (as amended by subsection (a) to the extent that those regulations did not apply to those operators on the date before such effective date, except to the extent that the Secretary determines, through a rulemaking proceeding, that it is appropriate to exempt such operators of commercial motor vehicles from the application of those regulations.”

Improved Interstate School Bus Safety

Federal Highway Administration Rulemaking

Pub. L. 104–88, title IV, §408, Dec. 29, 1995, 109 Stat. 956, provided that: “(a) Advance Notice.—The Federal Highway Administration shall issue an advance notice of proposed rulemaking dealing with a variety of fatigue-related issues pertaining to commercial motor vehicle motor vehicle safety (including 8 hours of continuous sleep after 10 hours of driving, loading and unloading operations, automated and tamper-proof recording devices, rest and recovery cycles, fatigue and stress in longer combination vehicles, fitness for duty, and other appropriate regulatory and enforcement countermeasures for reducing fatigue-related incidents and increasing driver alertness) not later than March 1, 1996.

(b) Rulemaking.—The Federal Highway Administration shall issue a notice of proposed rulemaking dealing with such issues within 1 year after issuance of the advance notice under subsection (a) is published and shall issue a final rule dealing with those issues within 2 years after the last day of such 1-year period.”

Exemptions From Requirements Relating to Commercial Motor Vehicles and Their Operators

Winter Home Heating Oil Delivery State Flexibility Program

Pub. L. 104–59, title III, §346, Nov. 28, 1995, 109 Stat. 615, as amended by Pub. L. 105–178, title I, §1211(c), June 9, 1998, 112 Stat. 152; Pub. L. 105–206, title IX, §9003(d)(3), July 22, 1998, 112 Stat. 839, provided that: “(a) In General.—After notice and opportunity for comment, the Secretary shall develop and implement a pilot program for the purpose of evaluating waivers of the regulations issued by the Secretary pursuant to sections 31136 and 31102 of title 49, United States Code, relating to maximum on-duty time, and sections 31102 and 31104(j) of such title, relating to the Motor Carrier Safety Assistance Program, to permit any period of 7 or 8 consecutive days to end with the beginning of an off-duty period of 24 or more consecutive hours for the purposes of determining maximum on-duty time for drivers of motor vehicles making intrastate home heating oil deliveries that occur within 100 air miles of a central terminal or distribution point of the distillation plant at which such oil is processed and such oil. The Secretary may approve up to 5 States to participate in the pilot program during the winter heating season in the 6-month period beginning on November 1, 1996.

(b) Approval Criteria.—The Secretary shall select States to participate in the pilot program upon approval of applications submitted by States to the Secretary. The Secretary shall act on a State’s application within 30 days after the date of its submission. The Secretary may only approve an application of a State under this section if the Secretary finds, at a minimum, that—

(1) a substantial number of the citizens of the State rely on home heating oil for heat during winter months;

(2) current maximum on-duty time regulations may endanger the welfare of these citizens by impeding timely deliveries of home heating oil;

(3) the State will ensure an equal to or greater level of safety with respect to home heating oil deliveries than the level of safety resulting from compliance with the regulations referred to in subsection (a);

(4) the State will monitor the safety of home heating oil deliveries while participating in the program; and

(5) employers of operators of home heating oil that will be covered by the program will agree to make all safety data developed from the pilot program available to the State and to the Secretary;

(c) Participation in Program.—Upon approval of an application of a State under this section, the Secretary shall permit the State to participate in the pilot program for an initial period of 15 days during the winter heating season of the State (as determined by the Governor and the Secretary). If, after the last day of such 15-day period, the Secretary finds that a State’s continued participation in the program is consistent with this section and has resulted in no significant adverse impact on public safety and is in the public interest, the Secretary shall extend the State’s participation in the program for periods of up to 30 additional days during such heating season.

(d) Suspension From Program.—The Secretary may suspend a State’s participation in the pilot program at any time if the Secretary finds—

(1) that the State has failed to comply with any of the criteria for participation in the program under this section;
§ 31137. Monitoring device and brake maintenance regulations

(a) USE OF MONITORING DEVICES.—If the Secretary of Transportation prescribes a regulation about the use of monitoring devices on commercial motor vehicles to increase compliance by operators of the vehicles with hours of service regulations of the Secretary, the regulation shall ensure that the devices are not used to harass vehicle operators. However, the devices may be used to monitor productivity of the operators.

(b) BRAKES AND BRAKE SYSTEMS MAINTENANCE REGULATIONS.—Not later than December 31, 1990, the Secretary shall prescribe regulations on improved standards or methods to ensure that brakes and brake systems of commercial motor vehicles are maintained properly and inspected by appropriate employees. At a minimum, the regulations shall establish minimum training requirements and qualifications for employees responsible for maintaining and inspecting the brakes and brake systems.

In subsection (b), the text of 49 App. 2521 (note) is omitted as executed.

§ 31138. Minimum financial responsibility for transporting passengers

(a) GENERAL REQUIREMENT.—

(1) TRANSPORTATION OF PASSENGERS FOR COMPENSATION.—The Secretary of Transportation shall prescribe regulations to require minimum levels of financial responsibility sufficient to satisfy liability amounts established by the Secretary covering public liability and property damage for the transportation of passengers for compensation by motor vehicle in the United States between a place in a State and—

(A) a place in another State;

(B) another place in the same State through a place outside of that State; or

(C) a place outside the United States.

(2) TRANSPORTATION OF PASSENGERS NOT FOR COMPENSATION.—The Secretary may prescribe regulations to require minimum levels of financial responsibility sufficient to satisfy liability amounts established by the Secretary covering public liability and property damage for the transportation of passengers for commercial purposes, but not for compensation, by motor vehicle in the United States between a place in a State and—

(A) a place in another State;

(B) another place in the same State through a place outside of that State; or

(C) a place outside the United States.

(b) MINIMUM AMOUNTS.—The level of financial responsibility established under subsection (a) of this section for a motor vehicle with a seating capacity of—

(1) at least 16 passengers shall be at least $5,000,000; and

(2) not more than 15 passengers shall be at least $1,500,000.

(c) EVIDENCE OF FINANCIAL RESPONSIBILITY.—

(1) Subject to paragraph (2) of this subsection, financial responsibility may be established by evidence of one or a combination of the following if acceptable to the Secretary of Transportation:

(A) insurance, including high self-retention.

(B) a guarantee.

(C) a surety bond issued by a bonding company authorized to do business in the United States.

(2) A person domiciled in a country contiguous to the United States and providing transportation to which a minimum level of financial responsibility under this section applies shall have evidence of financial responsibility in the motor vehicle when the person is providing the transportation. If evidence of financial responsibility is not in the vehicle, the Secretary of Transportation and the Secretary of the Treasury shall deny entry of the vehicle into the United States.

(3) A motor carrier may obtain the required amount of financial responsibility from more than one source provided the cumulative amount is equal to the minimum requirements of this section.

(4) OTHER PERSONS.—The Secretary may require a person, other than a motor carrier (as defined in section 13102), transporting passengers by motor vehicle to file with the Secretary the evidence of financial responsibility specified in subsection (c)(1) in an amount not less than the greater of the amount required by subsection (b)(1) or the amount required for such person to transport passengers under the laws of the State or States in which the person is operating; except that the amount of the financial responsibility must be sufficient to pay not more than the amount of the financial responsibility for each final judgment against the person for bodily injury to, or death of, an individual resulting from the negligent operation, maintenance, or use of the motor vehicle, or for loss or damage to property, or both.
(d) **CIVIL PENALTY.**—(1) If, after notice and an opportunity for a hearing, the Secretary of Transportation finds that a person (except an employee acting without knowledge) has knowingly violated this section or a regulation prescribed under this section, the person is liable to the United States Government for a civil penalty of not more than $10,000 for each violation. A separate violation occurs for each day the violation continues.

(2) The Secretary of Transportation shall impose the penalty by written notice. In determining the amount of the penalty, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue doing business; and

(C) other matters that justice requires.

(3) The Secretary of Transportation may compromise the penalty before referring the matter to the Attorney General for collection.

(4) The Attorney General shall bring a civil action in an appropriate district court of the United States to collect a penalty referred to the Attorney General for collection under this subsection.

(5) The amount of the penalty may be deducted from amounts the Government owes the person. An amount collected under this section shall be deposited in the Highway Trust Fund (other than the Mass Transit Account).

(e) **NONAPPLICATION.**—This section does not apply to a motor vehicle—

(1) transporting only school children and teachers to or from school;

(2) providing taxicab service (as defined in section 13102);

(3) carrying not more than 15 individuals in a single, daily round trip to and from work; or

(4) providing transportation service within a transit service area under an agreement with a Federal, State, or local government funded, in whole or in part, with a grant under section 5307, 5310, or 3311, including transportation designed and carried out to meet the special needs of elderly individuals and individuals with disabilities; except that, in any case in which the transit service area is located in more than 1 State, the minimum level of financial responsibility for such motor vehicle will be at least the highest level required for any of such States.

### Historical and Revision Notes—Continued

<table>

</thead>
</table>

In subsection (b), before clause (1), the text of section 18(b)(1) (words beginning with “except”) and (2) (words beginning with “except”) and (c) of the Bus Regulatory Reform Act of 1982 (Public Law 97–261, 96 Stat. 1121) is omitted as expired. The word “minimal” is omitted as surplus.

In subsection (c)(1), the words “The Secretary shall establish, by regulation, methods and procedures to assure compliance with this section” are omitted as surplus.

In subsection (d)(4), the words “The Attorney General shall bring a civil action . . . to collect a penalty referred to the Attorney General for collection under this subsection” are substituted for “Such civil penalty may be recovered in an action brought by the Attorney General on behalf of the United States” for consistency in the revised title.

In subsection (d)(5), the words “when finally determined (or agreed upon in compromise)” are omitted as surplus.

In subsection (e), before clause (1), the text of section 18(g) of the Bus Regulatory Reform Act of 1982 (Public Law 97–261, 96 Stat. 1123) is omitted as unnecessary because of the restatement.

### Amendments

2008—Subsec. (a). Pub. L. 110–244, §305(a)(1), added subsec. (a) and struck out former subsec. (a). Prior to amendment, text read as follows: “The Secretary of Transportation shall prescribe regulations to require minimum levels of financial responsibility sufficient to satisfy liability amounts established by the Secretary covering public liability and property damage for the transportation of passengers by commercial motor vehicle in the United States between a place in a State and—

“(1) a place in another State;

“(2) another place in the same State through a place outside of that State; or

“(3) a place outside the United States.”

2002—Subsec. (e)(2). Pub. L. 107–298 amended par. (2) generally. Prior to amendment, par. (2) read as follows: “providing taxicab service, having a seating capacity of not more than 6 passengers, and not being operated on a regular route or between specified places.”

### Effective Date of 1995 Amendment

§31139. Minimum financial responsibility for transporting property

(a) **DEFINITIONS.**—In this section—

(1) “farm vehicle” means a vehicle—

(A) designed or adapted and used only for agriculture;
shall be at least $750,000. However, if the Secretary ofTransportation finds it will not be feasible to require the minimum levels offinancial responsibility specified in subsection (b) in an amount not less than thegreater of the minimum amount required by this section or the amount required for such motor private carrier to transport property under the laws of theState or States in which the motor private carrier is operating; except that the amount ofthe financial responsibility must be sufficient to pay more than the amount of the financialresponsibility for each final judgment against the motor private carrier for bodily injury to, ordeath of, an individual resulting from negligent operation, maintenance, or use of the motorvehicle, or for loss or damage to property, or both.

(d) REQUIREMENTS FOR HAZARDOUS MATTER AND OIL.—(1) The Secretary of Transportation shall prescribe regulations to require minimum levels of financial responsibility sufficient to satisfy liability amounts established by the Secretary covering public liability, property damage, and environmental restoration for the transportation by motor vehicle in interstate or intrastate commerce of—

(A) hazardous material (as defined by the Secretary);

(B) oil or hazardous substances (as defined by the Administrator of the Environmental Protection Agency); or

(C) hazardous wastes (as defined by the Administrator).

(2) A person domiciled in a country contiguous to the United States and providing transportation to which a minimum level of financial responsibility under this section applies shall have evidence of financial responsibility in the motor vehicle when the person is entering the United States.

(f) EVIDENCE OF FINANCIAL RESPONSIBILITY.—(1) Subject to paragraph (2) of this subsection, financial responsibility may be established by evidence of one or a combination of the following if acceptable to the Secretary of Transportation:

(A) insurance.

(B) a guarantee.

(C) a surety bond issued by a bonding company authorized to do business in the United States.

(D) qualification as a self-insurer.

(2) A person domiciled in a country contiguous to the United States and providing transportation to which a minimum level of financial responsibility under this section applies shall have evidence of financial responsibility in the motor vehicle when the person is entering the United States. If evidence of financial responsibility is not in the vehicle, the Secretary of Transportation and the Secretary of the Treasury shall deny entry of the vehicle into the United States.
(3) A motor carrier may obtain the required amount of financial responsibility from more than one source provided the cumulative amount is equal to the minimum requirements of this section.

(g) CIVIL PENALTY.—(1) If, after notice and an opportunity for a hearing, the Secretary of Transportation finds that a person (except an employee acting without knowledge) has knowingly violated this section or a regulation prescribed under this section, the person is liable to the United States Government for a civil penalty of not more than $10,000 for each violation. A separate violation occurs for each day the violation continues.

(2) The Secretary of Transportation shall impose the penalty by written notice. In determining the amount of the penalty, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue doing business; and

(C) other matters that justice requires.

(3) The Secretary of Transportation may compromise the penalty before referring the matter to the Attorney General for collection.

(4) The Attorney General shall bring a civil action in an appropriate district court of the United States to collect a penalty referred to the Attorney General for collection under this subsection.

(5) The amount of the penalty may be deducted from amounts the Government owes the person. An amount collected under this section applies to a motor vehicle having a gross vehicle weight rating of less than 10,000 pounds if the vehicle is not used to transport in interstate or intrastate commerce—

(1) class A or B explosives;

(2) poison gas; or

(3) a large quantity of radioactive material.

HISTORICAL AND REVISION NOTES—CONTINUED

<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In subsection (a), before clause (1), the text of section 30(b)(8) of the Motor Carrier Act of 1980 (Public Law 96–296, 94 Stat. 823) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section. In subsection (b)(2), the words “for any vehicle” are omitted as surplus. The words beginning with “except” are omitted as expired. The text of section 30(a)(3) of the Act (Public Law 96–296, 94 Stat. 821) is omitted because the regulations have been issued. See 49 C.F.R. part 387.

In subsection (c)(2), the text of section 30(b)(2)(B) of the Act (Public Law 96–296, 94 Stat. 821) is omitted as expired.

In subsection (c)(3), before clause (A), the text of section 30(b)(3)(A) of the Act (Public Law 96–296, 94 Stat. 821) is omitted as surplus. The text of section 30(g)(5) of the Act (Public Law 96–296, 94 Stat. 822) is omitted as expired.

In subsection (f)(4), the words “The Attorney General shall bring a civil action . . . to collect a penalty referred to the Attorney General for collection under this subsection” are substituted for “Such civil penalty may be recovered in an action brought by the Attorney General on behalf of the United States” for consistency in the revised title.

In subsection (h)(5), the words “when finally determined (or agreed upon in compromise)” are omitted as surplus.

In subsection (g)(1) and (2), the words “any quantity of” are omitted as surplus.

AMENDMENTS

2008—Subsec. (b)(1). Pub. L. 110–244, §305(b)(1), struck out introductory provisions, substituted “motor carrier or motor private carrier (as such terms are defined in section 13102 of this title)” for “commercial motor vehicle”.

Subsec. (c). Pub. L. 110–244, §305(b)(2), struck out “commercial” before “motor vehicle”.

Subsecs. (c) to (f). Pub. L. 109–59, §4120(b)(2), (3), added subsec. (c) and redesignated former subsec. (c) to (e) as (d) to (f), respectively. Former subsec. (f) redesignated (g).
Subsec. (g), Pub. L. 109–59, § 4120(b)(2), redesignated subsec. (f) as (g). Former subsec. (g) redesignated (h).

Subsec. (g)(5), Pub. L. 109–59, § 4121, as amended by Pub. L. 110–244, § 301(f), substituted "Highway Trust Fund (other than the Mass Transit Account)" for "Treasury as miscellaneous receipts".

Subsec. (h), Pub. L. 109–59, § 4120(b)(2), redesignated subsec. (g) as (h).

**Effective Date of 2008 Amendment**

Amendment by section 301(f) of Pub. L. 110–244 effective as of the date of enactment of Pub. L. 110–244 (Aug. 10, 2005) and to be treated as included in Pub. L. 109–59 as of that date, and provisions of Pub. L. 109–59, as in effect on the day before June 6, 2008, that are amended by Pub. L. 110–244 to be treated as not enacted, see section 121(b) of Pub. L. 110–244, set out as a note under section 101 of Title 23, Highways.

**Effective Date of 1995 Amendment**

### §31141. Review and preemption of State laws and regulations

(a) **Preemption After Decision.**—A State may not enforce a State law or regulation on commercial motor vehicle safety that the Secretary of Transportation decides under this section may not be enforced.

(b) **Submission of Regulation.**—A State receiving funds made available under section 31104 that enacts a State law or issues a regulation on commercial motor vehicle safety shall submit a copy of the law or regulation to the Secretary immediately after the enactment or issuance.

(c) **Review and Decisions by Secretary.**—

(1) **Review.**—The Secretary shall review State laws and regulations on commercial motor vehicle safety. The Secretary shall decide whether the State law or regulation—

(A) has the same effect as a regulation prescribed by the Secretary under section 31136;

(B) is less stringent than such regulation; or

(C) is additional to or more stringent than such regulation.

(2) **Regulations with Same Effect.**—If the Secretary decides a State law or regulation has the same effect as a regulation prescribed by the Secretary under section 31136 of this title, the State law or regulation may be enforced.

(3) **Less Stringent Regulations.**—If the Secretary decides a State law or regulation is less stringent than a regulation prescribed by the Secretary under section 31136 of this title, the State law or regulation may not be enforced.

(4) **Additional or More Stringent Regulations.**—If the Secretary decides a State law or regulation is additional to or more stringent than a regulation prescribed by the Secretary under section 31136 of this title, the State law or regulation may not be enforced.

(5) **Applying Subsection.**—If the Secretary decides a State law or regulation is additional to or more stringent than a regulation prescribed by the Secretary under section 31136 of this title, the State law or regulation may be enforced unless the Secretary also decides that—

(A) the State law or regulation has no safety benefit;

(B) the State law or regulation is incompatible with the regulation prescribed by the Secretary; or

(C) enforcement of the State law or regulation would cause an unreasonable burden on interstate commerce.

(6) **Consideration of Effect on Interstate Commerce.**—In deciding under paragraph (4) whether a State law or regulation will cause an unreasonable burden on interstate commerce, the Secretary may consider the effect on interstate commerce of implementation of that law or regulation with the implementation of all similar laws and regulations of other States.

(d) **Waivers.**—(1) A person (including a State) may petition the Secretary for a waiver of a decision of the Secretary that a State law or regulation may not be enforced under this section. The Secretary shall grant the waiver, as expeditiously as possible, if the person demonstrates to the satisfaction of the Secretary that the waiver is consistent with the public interest and the safe operation of commercial motor vehicles.

(2) Before deciding whether to grant or deny a petition for a waiver under this subsection, the Secretary shall give the petitioner an opportunity for a hearing on the record.

(e) **Written Notice of Decisions.**—Not later than 10 days after making a decision under subsection (c) of this section that a State law or regulation may not be enforced, the Secretary shall give written notice to the State of that decision.

(f) **Judicial Review and Venue.**—(1) Not later than 60 days after the Secretary makes a decision under subsection (c) of this section, or grants or denies a petition for a waiver under subsection (d) of this section, a person (including a State) adversely affected by the decision, grant, or denial may file a petition for judicial review. The petition may be filed in the court of appeals of the United States for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business.

(2) The court has jurisdiction to review the decision, grant, or denial and to grant appropriate relief, including interim relief, as provided in chapter 7 of title 5.

(3) A judgment of a court under this subsection may be reviewed only by the Supreme Court under section 1254 of title 28.

(4) The remedies provided for in this subsection are in addition to other remedies provided by law.

(g) **Initiating Review Proceedings.**—To review a State law or regulation on commercial motor vehicle safety under this section, the Secretary may initiate a regulatory proceeding on the Secretary’s own initiative or on petition of an interested person (including a State).
§ 31142. Inspection of vehicles

(a) Inspection of safety equipment.—On the instruction of an authorized enforcement official of a State or of the United States Government, a commercial motor vehicle is required to pass an inspection of all safety equipment required under the regulations issued under section 31136.

(b) Inspection of vehicles and record retention.—The Secretary of Transportation shall prescribe regulations on Government standards for inspection of commercial motor vehicles and retention by employers of records of an inspection. The standards shall provide for annual or more frequent inspections of commercial vehicles unless the Secretary finds that another inspection system is as effective as an annual or more frequent inspection system. Regulations prescribed under this subsection are deemed to be regulations prescribed under section 31136 of this title.

(c) Preemption.—(1) Except as provided in paragraph (2) of this subsection, this subchapter and section 31102 of this title do not—

(A) prevent a State or voluntary group of States from imposing more stringent standards for use in their own periodic roadside inspection programs of commercial motor vehicles;

(B) prevent a State from enforcing a program for inspection of commercial motor vehicles that the Secretary decides is as effective as the Government standards prescribed under section (b) of this section;

(C) prevent a State from participating in the activities of a voluntary group of States enforcing a program for inspection of commercial motor vehicles; or

(D) require a State that is enforcing a program described in clause (B) or (C) of this paragraph to enforce a Government standard prescribed under subsection (b) of this section or to adopt or inspection of commercial motor vehicles in addition to that program to comply with the Government standards.

(2) The Government standards prescribed under subsection (b) of this section shall preempt a program of a State described in paragraph (1)(C) of this subsection as the program applies to the inspection of commercial motor vehicles in that State. The State may not enforce the program if the Secretary—

(A) decides, after notice and an opportunity for a hearing, that the State is not enforcing the program in a way that achieves the objectives of this section; and

(B) after making a decision under clause (A) of this paragraph, provides the State with a 6-month period to improve the enforcement of the program to achieve the objectives of this section.

(d) Inspection to be accepted as adequate in all States.—A periodic inspection of a commercial motor vehicle under the Government standards prescribed under subsection (b) of this section or a program described in subsection (c)(1)(B) or (C) of this section that is being enforced shall be recognized as adequate in every State for the period of the inspection. This section does not prohibit a State from making random inspections of commercial motor vehicles.

(e) Effect of Government standards.—The Government standards prescribed under subsection (b) of this section may not be enforced as the standards apply to the inspection of commercial motor vehicles in a State enforcing a program described in subsection (c)(1)(B) or (C) of this section if the Secretary decides that it is in the public interest and consistent with public safety for the Government standards not to be enforced as they apply to that inspection.

(f) Application of State regulations to Government-leased vehicles and operators.—A State receiving financial assistance...
under section 31102 of this title in a fiscal year may enforce in that fiscal year a regulation on commercial motor vehicle safety adopted by the State as the regulation applies to commercial motor vehicles and operators leased to the Government.

§ 31143. Investigating complaints and protecting complainants

(a) INVESTIGATING COMPLAINTS.—The Secretary of Transportation shall conduct a timely investigation of a nonfrivolous written complaint alleging that a substantial violation of a regulation prescribed under this subchapter is occurring or has occurred within the prior 60 days. The Secretary shall give the complainant timely notice of the findings of the investigation. The Secretary is not required to conduct separate investigations of duplicative complaints.

(b) PROTECTING COMPLAINANTS.—Notwithstanding section 552 of title 5, the Secretary may disclose the identity of a complainant only if disclosure is necessary to prosecute a violation. If disclosure becomes necessary, the Secretary shall take every practical means within the Secretary’s authority to ensure that the complainant is not subject to harassment, intimidation, disciplinary action, discrimination, or financial loss because of the disclosure.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1012.)

§ 31144. Safety fitness of owners and operators

(a) IN GENERAL.—The Secretary shall—

(1) determine whether an owner or operator is fit to operate safely commercial motor vehicles, utilizing among other things the accident record of an owner or operator operating in interstate commerce and the accident record and safety inspection record of such owner or operator—

(A) in operations that affect interstate commerce within the United States; and

(B) in operations in Canada and Mexico if the owner or operator also conducts operations within the United States;

(2) periodically update such safety fitness determinations;

(3) make such final safety fitness determinations readily available to the public; and

(4) prescribe by regulation penalties for violations of this section consistent with section 521.

(b) PROCEDURE.—The Secretary shall maintain by regulation a procedure for determining the telephone hotline for reporting safety violations.

“(a) IN GENERAL.—For a period of not less than 2 years beginning on or before the 90th day following the date of enactment of this Act [June 9, 1998], the Secretary [of Transportation] shall establish, maintain, and promote the use of a nationwide toll-free telephone system to be used by drivers of commercial motor vehicles and others to report potential violations of Federal motor carrier safety regulations.

“(b) MONITORING.—The Secretary shall monitor reports received by the telephone system and may consider nonfrivolous information provided by such reports in setting priorities for motor carrier safety audits and other enforcement activities.

“(c) STAFFING.—The toll-free telephone system shall be staffed 24 hours a day 7 days a week by individuals knowledgeable about Federal motor carrier safety regulations and procedures.

“(d) PROTECTION OF PERSONS REPORTING VIOLATIONS.—

(1) PROHIBITION.—A person reporting a potential violation to the telephone system while acting in good faith may not be discharged, disciplined, or discriminated against regarding pay, terms, or privileges of employment because of the reporting of such violation.

“(2) APPLICABILITY OF SECTION 31105 OF TITLE 49.—For purposes of section 31105 of title 49, United States Code, a violation or alleged violation of paragraph (1) shall be treated as a violation of section 31105(a) of such title.

“(3) FUNDING.—From amounts set aside under section 104(a)(10)(B) of title 23, United States Code, the Secretary may use not more than $250,000 for fiscal year 1999 and $375,000 for each of fiscal years 2000 through 2003 to carry out this section.”
safety fitness of an owner or operator. The procedure shall include, at a minimum, the following elements:

(1) Specific initial and continuing requirements with which an owner or operator must comply to demonstrate safety fitness.

(2) A methodology the Secretary will use to determine whether an owner or operator is fit.

(3) Specific time frames within which the Secretary will determine whether an owner or operator is fit.

(c) PROHIBITED TRANSPORTATION.—

(1) IN GENERAL.—Except as provided in section 521(b)(5)(A) and this subsection, an owner or operator who the Secretary determines is not fit may not operate commercial motor vehicles in interstate commerce beginning on the 61st day after the date of such fitness determination and until the Secretary determines such owner or operator is fit.

(2) OWNERS OR OPERATORS TRANSPORTING PASSENGERS.—With regard to owners or operators of commercial motor vehicles designed or used to transport passengers, an owner or operator who the Secretary determines is not fit may not operate in interstate commerce until the State determines such owner or operator is fit.

(3) OWNERS OR OPERATORS TRANSPORTING HAZARDOUS MATERIAL.—With regard to owners or operators of commercial motor vehicles designed or used to transport hazardous material, the Secretary will use a methodology the Secretary will use to determine whether an owner or operator is fit. A violation of this paragraph by an owner or operator transporting hazardous material shall be considered a violation of chapter 51, and shall be subject to the penalties in sections 5123 and 5124.

(4) SECRETARY'S DISCRETION.—Except for owners or operators described in paragraphs (2) and (3), the Secretary may allow an owner or operator who is not fit to continue operating for an additional 60 days after the 61st day after the date of such fitness determination and until the Secretary determines such owner or operator is fit. A violation of this paragraph by any owner or operator transportation hazardous material shall be considered a violation of chapter 51, and shall be subject to the penalties in sections 5123 and 5124.

(5) TRANSPORTATION AFFECTING INTERSTATE COMMERCE.—Owners or operators of commercial motor vehicles prohibited from operating in interstate commerce pursuant to paragraphs (1) through (3) of this section may not operate any commercial motor vehicle that affects interstate commerce until the Secretary determines that such owner or operator is fit.

(d) DETERMINATION OF UNFITNESS BY STATE.—If a State that receives motor carrier safety assistance program funds under section 31102 determines, by applying the standards prescribed by the Secretary under subsection (b), that an owner or operator of a commercial motor vehicle that has its principal place of business in that State and operates in intrastate commerce is unfit under such standards and prohibits the owner or operator from operating such vehicle in the State, the Secretary shall prohibit the owner or operator from operating such vehicle in interstate commerce until the State determines that the owner or operator is fit.

(e) REVIEW OF FITNESS DETERMINATIONS.—

(1) IN GENERAL.—Not later than 45 days after an unfit owner or operator requests a review, the Secretary shall review such owner's or operator's compliance with those requirements with which the owner or operator failed to comply and resulted in the Secretary determining that the owner or operator was not fit.

(2) OWNERS OR OPERATORS TRANSPORTING PASSENGERS.—Not later than 30 days after an unfit owner or operator of commercial motor vehicles designed or used to transport passengers requests a review, the Secretary shall review such owner's or operator's compliance with those requirements with which the owner or operator failed to comply and resulted in the Secretary determining that the owner or operator was not fit.

(3) OWNERS OR OPERATORS TRANSPORTING HAZARDOUS MATERIAL.—Not later than 30 days after an unfit owner or operator of commercial motor vehicles designed or used to transport hazardous material for which placarding of a motor vehicle is required under regulations prescribed under chapter 51, the Secretary shall review such owner's or operator's compliance with those requirements with which the owner or operator failed to comply and resulted in the Secretary determining that the owner or operator was not fit.

(f) PROHIBITED GOVERNMENT USE.—A department, agency, or instrumentality of the United States Government may not use to provide any transportation service an owner or operator who the Secretary has determined is not fit until the Secretary determines such owner or operator is fit.

(g) SAFETY REVIEWS OF NEW OPERATORS.—

(1) IN GENERAL.—The Secretary shall require, by regulation, each owner and each operator granted new operating authority, after the date on which section 31148(b) is first implemented, to undergo a safety review within the first 18 months after the owner or operator, as the case may be, begins operations under such authority.

(2) ELEMENTS.—In the regulations issued pursuant to paragraph (1), the Secretary shall establish the elements of the safety review, including basic safety management controls. In establishing such elements, the Secretary shall consider their effects on small businesses and shall consider establishing alternate locations where such reviews may be conducted for the convenience of small businesses.

(3) PHASE-IN OF REQUIREMENT.—The Secretary shall phase in the requirements of paragraph (1) in a manner that takes into account the availability of certified motor carrier safety auditors.

(4) NEW ENTRANT AUTHORITY.—Notwithstanding any other provision of this title, any new operating authority granted after the date on which section 31148(b) is first implemented shall be designated as new entrant authority.
until the safety review required by paragraph (1) is completed.

(5) NEW ENTRANT AUDITS.—

(A) GRANTS.—The Secretary may make grants to States and local governments for new entrant motor carrier audits under this subsection without requiring a matching contribution from such States and local governments.

(B) SET ASIDE.—The Secretary shall set aside from amounts made available by section 31104(a) up to $29,000,000 per fiscal year and up to $14,500,000 for the period beginning on October 1, 2011, and ending on March 31, 2012, for audits of new entrant motor carrier carriers conducted pursuant to this paragraph.

(C) DETERMINATION.—If the Secretary determines that a State or local government is not able to use government employees to conduct new entrant motor carrier audits, the Secretary may use the funds set aside under this paragraph to conduct audits for such States or local governments.

In subsection (a), the word "regulation" is substituted for "rule" for consistency in the revised title and because the terms are synonymous.

In subsection (a)(1), the words "after notice and opportunity for comment" are omitted as unnecessary because of 5:553. The text of 49 App. 2512(b) is omitted as executed.

AMENDMENTS

2010—Subsec. (g)(5)(B). Pub. L. 111–322 substituted "(and up to $12,500,000 for the period beginning October 1, 2010, and ending on March 4, 2011)" for "(and up to $7,310,000 for the period beginning on October 1, 2010, and ending on December 31, 2010)".

2005—Subsec. (a). Pub. L. 109–59, §4114(a), reenacted heading without change and amended text of subsec. (a) generally. Prior to amendment, text read as follows: "The Secretary shall—"

(1) determine whether an owner or operator is fit to operate safely commercial motor vehicles;

(2) periodically update such safety fitness determinations;

(3) make such final safety fitness determinations readily available to the public; and

(4) prescribe by regulation penalties for violations of this section consistent with section 521.

Subsec. (c). Pub. L. 109–59, §7112(b)(2), which directed amendment of this section by redesignating the second subsec. (c), relating to safety reviews of new operators, as (f), was repealed by Pub. L. 110–244, §301(b)(2).

Pub. L. 109–59, §4107(b)(1), as amended by Pub. L. 110–244, §301(b)(1), redesignated subsec. (c), relating to safety reviews of new operators, as (f).

Subsec. (c)(1). Pub. L. 109–59, §7112(b)(1), substituted "section 521(b)(5)(A)" for "sections 521(b)(5)(A) and 5113".

Subsec. (c)(3). Pub. L. 109–59, §7112(b)(2), inserted at end "A violation of this paragraph by an owner or operator transporting hazardous material shall be considered a violation of chapter 51, and shall be subject to the penalties in sections 5123 and 5124.

Subsec. (c)(5). Pub. L. 109–59, §4114(b), added par. (5).

Pub. L. 109–59, §4114(c)(1), as amended by Pub. L. 110–244, §301(c), redesignated subsec. (d) as (e).

Subsec. (e). Pub. L. 109–59, §4114(c)(1), as amended by Pub. L. 110–244, §301(c), redesignated subsec. (d) as (e). Former subsec. (e) redesignated (f).

Subsec. (f). Pub. L. 109–59, §7112(c), which directed amendment of this section by redesignating the second subsec. (c), relating to safety reviews of new operators, as (f), was repealed by Pub. L. 110–244, §301(b)(2).

Pub. L. 109–59, §4114(c)(1), as amended by Pub. L. 110–244, §301(c), redesignated subsec. (e) as (f). Former subsec. (f) redesignated (g).

Pub. L. 109–59, §4107(b)(1), as amended by Pub. L. 110–244, §301(b)(1), redesignated subsec. (c), relating to safety reviews of new operators, as (f).

Subsec. (g). Pub. L. 109–59, §4114(c)(1), as amended by Pub. L. 110–244, §301(c), redesignated subsec. (f) as (g).

1999—Subsec. (c). Pub. L. 106–159 added subsec. (c) relating to safety reviews of new operators.

1996—Pub. L. 105–178 reenacted section catchline without change and amended text generally, substituting, in subsec. (a), general provisions for provisions relating to procedure and, in subsec. (b), provisions relating to procedure for provisions relating to findings and action on registrations, and adding subsecs. (c) to (e).

1995—Subsec. (a)(1). Pub. L. 104–88, §104(g)(1)–(3), in first sentence substituted "The Secretary" for "In cooperation with the Interstate Commerce Commission, the Secretary" and "section 13902" for "sections 10922 and 10923" and in subpar. (C) struck out "and the Commission" after "Secretary".

Subsec. (b), (g). Pub. L. 104–88, §104(g)(4), added subsec. (b) and struck out former subsec. (b) which read as follows: "FINDINGS AND ACTION ON APPLICATIONS.—The Commission shall—"

(1) find an applicant for authority to operate as a motor carrier unfit if the applicant does not meet the safety fitness requirements established under subsection (a) of this section; and

(2) deny the application.

EFFECTIVE DATE OF 2006 AMENDMENT

Amendment by Pub. L. 110–244 effective as of the date of enactment of Pub. L. 109–59 (Aug. 10, 2005) and to be treated as included in Pub. L. 109–59 as of that date, and provisions of Pub. L. 109–59, as in effect on the day before June 6, 2006, that are amended by Pub. L. 110–244 to be treated as not enacted, see section 121(b) of Pub. L. 110–244, set out as a note under section 101 of Title 23, Highways.
§ 31147. Limitations on authority

(a) TRAFFIC REGULATIONS.—This subchapter does not authorize the Secretary of Transportation to prescribe traffic safety regulations or preempt State traffic regulations. However, the Secretary may prescribe traffic regulations to the extent their subject matter was regulated under parts 390–399 of title 49, Code of Federal Regulations, on October 30, 1984.

(b) REGULATING THE MANUFACTURING OF VEHICLES.—This subchapter does not authorize the Secretary to regulate the manufacture of commercial motor vehicles for any purpose, including fuel economy, safety, or emission control.

In subsection (a), the word “prescribe” is substituted for “establish or maintain” for consistency in the revised title and with other titles of the United States Code.

§ 31148. Certified motor carrier safety auditors

(a) IN GENERAL.—Not later than 1 year after the date of the enactment of this section, the Secretary of Transportation shall complete a rulemaking to improve training and provide for the certification of motor carrier safety auditors, including private contractors, to conduct safety inspection audits and reviews described in subsection (b).

(b) CERTIFIED INSPECTION AUDIT REQUIREMENT.—Not later than 1 year after completion of the rulemaking required by subsection (a), any safety inspection audit or review required by, or based on the authority of, this chapter or chapter 5, 313, or 315 of this title and performed after December 31, 2002, shall be conducted by—

(1) a motor carrier safety auditor certified under subsection (a); or

(2) a Federal or State employee who, on the date of the enactment of this section, was qualified to perform such an audit or review.

(c) EXTENSION.—If the Secretary determines that subsection (b) cannot be implemented within the 1-year period established by that subsection and notifies the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives of the determination and the reasons therefor, the Secretary may extend the deadline for compliance with subsection (b) by not more than 12 months.

(d) APPLICATION WITH OTHER AUTHORITY.—The Secretary may not delegate the Secretary’s authority to private contractors to issue ratings or operating authority, and nothing in this section authorizes any private contractor to issue ratings or operating authority.

(e) OVERSIGHT RESPONSIBILTY.—The Secretary shall have authority over any motor carrier safety auditor certified under subsection (a), in-
including the authority to decertify a motor carrier safety auditor.

REFERENCES IN TEXT
The date of the enactment of this section, referred to in subs. (a) and (b)(2), is the date of enactment of Pub. L. 106–159, which was approved Dec. 9, 1999.

§ 31149. Medical program

(a) MEDICAL REVIEW BOARD.—

(1) ESTABLISHMENT AND FUNCTION.—The Secretary of Transportation shall establish a Medical Review Board to provide the Federal Motor Carrier Safety Administration with medical advice and recommendations on medical standards and guidelines for the physical qualifications of operators of commercial motor vehicles, medical examiner education, and medical research.

(2) COMPOSITION.—The Medical Review Board shall be appointed by the Secretary and shall consist of 5 members selected from medical institutions and private practice. The membership shall reflect expertise in a variety of medical specialties relevant to the driver fitness requirements of the Federal Motor Carrier Safety Administration.

(b) CHIEF MEDICAL EXAMINER.—The Secretary shall appoint a chief medical examiner who shall be an employee of the Federal Motor Carrier Safety Administration and who shall hold a position under section 3104 of title 5, United States Code, relating to employment of specially qualified scientific and professional personnel, and shall be paid under section 5376 of title 5, United States Code, relating to pay for certain senior-level positions.

(c) MEDICAL STANDARDS AND REQUIREMENTS.—

(1) IN GENERAL.—The Secretary, with the advice of the Medical Review Board and the chief medical examiner, shall—

(A) establish, review, and revise—

(i) medical standards for operators of commercial motor vehicles that will ensure that the physical condition of operators of commercial motor vehicles is adequate to enable them to operate the vehicles safely; and

(ii) requirements for periodic physical examinations of such operators performed by medical examiners who have, at a minimum, self-certified that they have completed training in physical and medical examination standards and are listed on a national registry maintained by the Department of Transportation;

(B) require each such operator to have a current valid medical certificate;

(C) conduct periodic reviews of a select number of medical examiners on the national registry to ensure that proper examinations of such operators are being conducted;

(D) develop, as appropriate, specific courses and materials for medical examiners listed in the national registry established under this section, and require those medical examiners to, at a minimum, self-certify that they have completed specific training, including refresher courses, to be listed in the registry;

(E) require medical examiners to transmit the name of the applicant and numerical identifier, as determined by the Administrator of the Federal Motor Carrier Safety Administration, for any completed medical examination report required on title 49, Code of Federal Regulations, electronically to the chief medical examiner on a monthly basis; and

(F) periodically review a representative sample of the medical examination reports associated with the name and numerical identifiers of applicants transmitted under subparagraph (E) for errors, omissions, or other indications of improper certification.

(2) MONITORING PERFORMANCE.—The Secretary shall investigate patterns of errors or improper certification by a medical examiner. If the Secretary finds that a medical examiner has issued a medical certificate to an operator of a commercial motor vehicle who fails to meet the applicable standards at the time of the examination or that a medical examiner has falsely claimed to have completed training in physical and medical examination standards as required by this section, the Secretary may remove such medical examiner from the registry and may void the medical certificate of the applicant or holder.

(d) NATIONAL REGISTRY OF MEDICAL EXAMINERS.—The Secretary, acting through the Federal Motor Carrier Safety Administration—

(1) shall establish and maintain a current national registry of medical examiners who are qualified to perform examinations and issue medical certificates;

(2) shall remove from the registry the name of any medical examiner that fails to meet or maintain the qualifications established by the Secretary for being listed in the registry or otherwise does not meet the requirements of this section or regulation issued under this section;

(3) shall accept as valid only medical certificates issued by persons on the national registry of medical examiners; and

(4) may make participation of medical examiners in the national registry voluntary if such a change will enhance the safety of operators of commercial motor vehicles.

(e) REGULATIONS.—The Secretary shall issue such regulations as may be necessary to carry out this section.

Effective Date
Pub. L. 109–59, title IV, §4116(f), Aug. 10, 2005, 119 Stat. 1728, as amended by Pub. L. 110–244, title III, §301(d), June 6, 2008, 122 Stat. 1616, provided that: "The amend-ments made by subsections (a) and (b) [enacting this section and amending section 31136 of this title] shall take effect on the 365th day following the date of enactment of this Act [Aug. 10, 2005]."
treated as included in Pub. L. 109–59 as of that date, and provisions of Pub. L. 109–59, as in effect on the day before June 6, 2008, that are amended by Pub. L. 110–244 to be treated as not enacted, see section 122(b) of Pub. L. 110–244, set out as an Effective Date of 2008 note under section 101 of Title 23, Highways.)

§ 31150. Safety performance history screening

(a) IN GENERAL.—The Secretary of Transportation shall provide persons conducting pre-employment screening services for the motor carrier industry electronic access to the following reports contained in the Motor Carrier Management Information System:

(1) Commercial motor vehicle accident reports.

(2) Inspection reports that contain no driver-related safety violations.

(3) Serious driver-related safety violation inspection reports.

(b) CONDITIONS ON PROVIDING ACCESS.—Before providing a person access to the Motor Carrier Management Information System under subsection (a), the Secretary shall—

(1) ensure that any information that is released to such person will be in accordance with the Fair Credit Reporting Act (15 U.S.C. 1681 et seq.) and all other applicable Federal law;

(2) ensure that such person will not conduct a screening without the operator-applicant’s written consent;

(3) ensure that any information that is released to such person will not be released to any person or entity, other than the motor carrier requesting the screening services or the operator-applicant, unless expressly authorized or required by law; and

(4) provide a procedure for the operator-applicant to correct inaccurate information in the System in a timely manner.

(c) DESIGN.—The process for providing access to the Motor Carrier Management Information System under subsection (a) shall be designed to assist the motor carrier industry in assessing an individual operator’s crash and serious safety violation inspection history as a preemployment condition. Use of the process shall not be mandatory and may only be used during the preemployment assessment of an operator-applicant.

(d) SERIOUS DRIVER-RELATED SAFETY VIOLATION DEFINED.—In this section, the term “serious driver-related violation” means a violation by an operator of a commercial motor vehicle that the Secretary determines will result in the operator being prohibited from continuing to operate a commercial motor vehicle until the violation is corrected.

§ 31151. Roadability

(a) INSPECTION, REPAIR, AND MAINTENANCE OF INTERMODAL EQUIPMENT.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this section, the Secretary of Transportation, after providing notice and opportunity for comment, shall issue regulations establishing a program to ensure that intermodal equipment used to transport intermodal containers is safe and systematically maintained.

(2) INTERMODAL EQUIPMENT SAFETY REGULATIONS.—The Secretary shall issue the regulations under this section as a subpart of the Federal motor carrier safety regulations.

(3) CONTENTS.—The regulations issued under this section shall include, at a minimum—

(A) a requirement to identify intermodal equipment providers responsible for the inspection and maintenance of intermodal equipment that is interchanged or intended for interchange to motor carriers in intermodal transportation;

(B) a requirement to match intermodal equipment readily to an intermodal equipment provider through a unique identifying number;

(C) a requirement that an intermodal equipment provider identified under subparagraph (A) systematically inspect, repair, and maintain, or cause to be systematically inspected, repaired, and maintained, intermodal equipment described in subparagraph (A) that is intended for interchange with a motor carrier;

(D) a requirement to ensure that each intermodal equipment provider identified under subparagraph (A) maintains a system of maintenance and repair records for such equipment;

(E) requirements that—

(i) a specific list of intermodal equipment components or items be identified for the visual or audible inspection of which a driver is responsible before operating the equipment over the road; and

(ii) the inspection under clause (i) be conducted as part of the Federal requirement in effect on the date of enactment of this section that a driver be satisfied that the intermodal equipment components are in good working order before the equipment is operated over the road;

(F) a requirement that a facility at which an intermodal equipment provider regularly makes intermodal equipment available for interchange have an operational process and space readily available for a motor carrier to have an equipment defect identified pursuant to subparagraph (E) repaired or the equipment replaced prior to departure;

(G) a program for the evaluation and audit of compliance by intermodal equipment providers with applicable Federal motor carrier safety regulations;

(H) a civil penalty structure consistent with section 522(b) of title 49, United States Code, for intermodal equipment providers that fail to attain satisfactory compliance with applicable Federal motor carrier safety regulations; and
§ 31151

TITLE 49—TRANSPORTATION

Page 634

(i) a prohibition on intermodal equipment providers from placing intermodal equipment in service on the public highways to the extent such providers or their equipment are found to pose an imminent hazard;

(ii) a process by which motor carriers and agents of motor carriers shall be able to request the Federal Motor Carrier Safety Administration to undertake an investigation of an intermodal equipment provider identified under subparagraph (A) that is alleged to be not in compliance with the regulations under this section;

(K) a process by which equipment providers and agents of equipment providers shall be able to request the Administration to undertake an investigation of a motor carrier that is alleged to be not in compliance with the regulations issued under this section;

(L) a process by which a driver or motor carrier transporting intermodal equipment is required to report to the intermodal equipment provider or the provider’s designated agent any actual damage or defect in the intermodal equipment of which the driver or motor carrier is aware at the time the intermodal equipment is returned to the intermodal equipment provider or the provider’s designated agent;

(M) a requirement that any actual damage or defect identified in the process established under subparagraph (L) be repaired before the equipment is made available for interchange to a motor carrier and that repairs of equipment made pursuant to the regulations of this subparagraph and reports made pursuant to the subparagraph (L) process be documented in the maintenance records for such equipment; and

(N) a procedure under which motor carriers, drivers and intermodal equipment providers may seek correction of their motor carrier safety records through the deletion from those records of violations of safety regulations attributable to deficiencies in the intermodal chassis or trailer for which they should not have been held responsible.

(4) DEADLINE FOR RULEMAKING PROCEEDING.—Not later than 120 days after the date of enactment of this section, the Secretary shall initiate a rulemaking proceeding for issuance of the regulations under this section.

(b) INSPECTION, REPAIR, AND MAINTENANCE OF INTERMODAL EQUIPMENT.—The Secretary or an employee of the Department of Transportation designated by the Secretary may inspect intermodal equipment, and copy related maintenance and repair records for such equipment, on demand and display of proper credentials.

(c) OUT-OF-SERVICE UNTIL REPAIR.—Any intermodal equipment that is determined under this section to fail to comply with applicable Federal safety regulations may be placed out of service by the Secretary or a Federal, State, or government official designated by the Secretary and may not be used on a public highway until the repairs necessary to bring such equipment into compliance have been completed. Repairs of equipment taken out of service shall be documented in the maintenance records for such equipment.

(d) PREEMPTION GENERALLY.—Except as provided in subsection (e), a law, regulation, order, or other requirement of a State, a political subdivision of a State, or a tribal organization relating to commercial motor vehicle safety is preempted if such law, regulation, order, or other requirement exceeds or is inconsistent with a requirement imposed under or pursuant to this section.

(e) PRE-EXISTING STATE REQUIREMENTS.—

(1) IN GENERAL.—Except as provided in paragraph (2), a State requirement for the periodic inspection of intermodal chassis by intermodal equipment providers that was in effect on January 1, 2005, shall remain in effect only until the date on which requirements prescribed under this section take effect.

(2) NONPREEMPTION OF STATE REQUIREMENTS.—

(A) IN GENERAL.—Notwithstanding subsection (d), a State requirement described in paragraph (1) is not preempted by a Federal requirement prescribed under this section if the Secretary determines that the State requirement is as effective as the Federal requirement and does not unduly burden interstate commerce.

(B) APPLICATION REQUIRED.—Subparagraph (A) applies to a State requirement only if the State applies to the Secretary for a determination under this paragraph with respect to the requirement before the date on which the regulations issued under this section take effect. The Secretary shall make a determination with respect to any such application within 6 months after the date on which the Secretary receives the application.

(C) AMENDED STATE REQUIREMENTS.—Any amendment to a State requirement not preempted under this subsection because of a determination by the Secretary under subparagraph (A) may not take effect unless—

(i) it is submitted to the Secretary before the effective date of the amendment; and

(ii) the Secretary determines that the amendment would not cause the State requirement to be less effective than the Federal requirement and would not unduly burden interstate commerce.

(f) DEFINITIONS.—In this section, the following definitions apply:

(1) INTERMODAL EQUIPMENT.—The term “intermodal equipment” means trailing equipment that is used in the intermodal transportation of containers over public highways in interstate commerce, including trailers and chassis.

(2) INTERMODAL EQUIPMENT INTERCHANGE AGREEMENT.—The term “intermodal equipment interchange agreement” means the Uniform Intermodal Interchange and Facilities Access Agreement or any other written document executed by an intermodal equipment provider or its agent and a motor carrier or its agent, the primary purpose of which is to establish the responsibilities and liabilities of both parties with respect to the interchange of the intermodal equipment.

(3) INTERMODAL EQUIPMENT PROVIDER.—The term “intermodal equipment provider” means
any person that interchanges intermodal equipment with a motor carrier pursuant to a written interchange agreement or has a contractual responsibility for the maintenance of the intermodal equipment.

(4) INTERCHANGE.—The term “interchange”—

(A) means the act of providing intermodal equipment to a motor carrier pursuant to an intermodal equipment interchange agreement for the purpose of transporting the equipment for loading or unloading by any person or repositioning the equipment for the benefit of the equipment provider; but

(B) does not include the leasing of equipment to a motor carrier for primary use in the motor carrier’s freight hauling operations.

REFERENCES IN TEXT

The date of enactment of this section, referred to in subsec. (a)(1), (3)(E)(ii), (4), is the date of enactment of Pub. L. 109–59, which was approved Aug. 10, 2005.

AMENDMENTS

§ 31161. International cooperation

The Secretary of Transportation is authorized to use funds made available by section 31104(a) to participate and cooperate in international activities to enhance motor carrier, commercial motor vehicle, driver, and highway safety by such means as exchanging information, conducting research, and examining needs, best practices, and new technology.

PRIOR PROVISIONS

§ 31161. International cooperation

The Secretary of Transportation is authorized to use funds made available by section 31104(a) to participate and cooperate in international activities to enhance motor carrier, commercial motor vehicle, driver, and highway safety by such means as exchanging information, conducting research, and examining needs, best practices, and new technology.

PRIOR PROVISIONS

§ 31301. Definitions

In this chapter—

(1) “alcohol” has the same meaning given

(A) in the jurisdiction of the United States between a place in a State and a place outside that State (including a place outside the United States); or

(B) in the United States that affects trade, traffic, and transportation described in subclause (A) of this clause.

(2) “commerce” means trade, traffic, and transportation—

(A) in the jurisdiction of the United States between a place in a State and a place outside that State (including a place outside the United States); or

(B) in the United States that affects trade, traffic, and transportation described in subclause (A) of this clause.

(3) “commercial driver’s license” means a license issued by a State to an individual authorizing the individual to operate a class of commercial motor vehicles.

(4) “commercial motor vehicle” means a motor vehicle used in commerce to transport passengers or property that—

(A) has a gross vehicle weight rating or gross vehicle weight of at least 26,001 pounds, whichever is greater, or a lesser gross vehicle weight rating or gross vehicle weight the Secretary of Transportation prescribes by regulation, but not less than a gross vehicle weight rating of 10,001 pounds;

(B) is designed to transport at least 16 passengers including the driver; or

(C) is used to transport material found by the Secretary to be hazardous under section 5103 of this title, except that a vehicle shall not be included as a commercial motor vehicle under this subclause if—

(i) the vehicle does not satisfy the weight requirements of subclause (A) of this clause;

(ii) the vehicle is transporting material listed as hazardous under section 306(a) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9656(a)) and is not otherwise regulated by the Secretary or is transporting a consumer commodity or limited quantity of hazardous material as defined

Sec.

31316. Limitation on statutory construction.

31317. Procedure for prescribing regulations.

AMENDMENTS

1998—Pub. L. 105–178, title IV, §§ 4007(b), 4011(b)(2), (f), June 9, 1998, 112 Stat. 403, 407, 408, substituted “Commercial driver’s license requirement” for “Limitation on the number of driver’s licenses” in item 31302 and “Waivers, exemptions, and pilot programs” for “Waiver authority” in item 31315 and struck out items 31312 “Grants for testing and ensuring the fitness of operators of commercial motor vehicles” and 31313 “Grants for issuing commercial drivers’ licenses and complying with State participation requirements”.

§ 31301. Definitions

In this chapter—

(1) “alcohol” has the same meaning given

(A) in the jurisdiction of the United States between a place in a State and a place outside that State (including a place outside the United States); or

(B) in the United States that affects trade, traffic, and transportation described in subclause (A) of this clause.

(2) “commerce” means trade, traffic, and transportation—

(A) in the jurisdiction of the United States between a place in a State and a place outside that State (including a place outside the United States); or

(B) in the United States that affects trade, traffic, and transportation described in subclause (A) of this clause.

(3) “commercial driver’s license” means a license issued by a State to an individual authorizing the individual to operate a class of commercial motor vehicles.

(4) “commercial motor vehicle” means a motor vehicle used in commerce to transport passengers or property that—

(A) has a gross vehicle weight rating or gross vehicle weight of at least 26,001 pounds, whichever is greater, or a lesser gross vehicle weight rating or gross vehicle weight the Secretary of Transportation prescribes by regulation, but not less than a gross vehicle weight rating of 10,001 pounds;

(B) is designed to transport at least 16 passengers including the driver; or

(C) is used to transport material found by the Secretary to be hazardous under section 5103 of this title, except that a vehicle shall not be included as a commercial motor vehicle under this subclause if—

(i) the vehicle does not satisfy the weight requirements of subclause (A) of this clause;

(ii) the vehicle is transporting material listed as hazardous under section 306(a) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9656(a)) and is not otherwise regulated by the Secretary or is transporting a consumer commodity or limited quantity of hazardous material as defined

Sec.

31301. Definitions.

31302. Commercial driver’s license requirement.

31303. Notification requirements.

31304. Employer responsibilities.

31305. General driver fitness and testing.

31306. Alcohol and controlled substances testing.

31307. Minimum training requirements for operators of longer combination vehicles.

31310. Disqualifications.
in section 171.8 of title 49, Code of Federal Regulations; and

(iii) the Secretary does not deny the application of this exception to the vehicle (individually or as part of a class of motor vehicles) in the interest of safety.

(6) “driver’s license” means a license issued by a State to an individual authorizing the individual to operate a motor vehicle on highways.

(7) “employee” means an operator of a commercial motor vehicle (including an independent contractor when operating a commercial motor vehicle) who is employed by an employer.

(8) “employer” means a person (including the United States Government, a State, or a political subdivision of a State) that owns or leases a commercial motor vehicle or assigns employees to operate a commercial motor vehicle.

(9) “felony” means an offense under a law of the United States or a State that is punishable by death or imprisonment for more than one year.

(10) “hazardous material” has the same meaning given that term in section 5102 of this title.

(11) “motor vehicle” means a vehicle, machine, tractor, or semitrailer propelled or drawn by mechanical power and used on public streets, roads, or highways, but does not include a vehicle, machine, tractor, trailer, or semitrailer operated only on a rail line or custom harvesting farm machinery.

(12) “serious traffic violation” means—

(A) excessive speeding, as defined by the Secretary by regulation;
(B) reckless driving, as defined under State or local law;
(C) a violation of a State or local law on motor vehicle traffic control (except a parking violation) and involving a fatality, other than a violation to which section 31310(b)(1)(E) or 31310(c)(1)(E) applies;
(D) driving a commercial motor vehicle when the individual has not obtained a commercial driver’s license;

(E) driving a commercial motor vehicle when the individual does not have in his or her possession a commercial driver’s license unless the individual provides, by the date that the individual must appear in court or pay any fine with respect to the citation, to the enforcement authority that issued the citation proof that the individual held a valid commercial driver’s license on the date of the citation;

(F) driving a commercial motor vehicle when the individual has not met the minimum testing standards;

(i) under section 31305(a)(3) for the specific class of vehicle the individual is operating; or

(ii) under section 31305(a)(5) for the type of cargo the vehicle is carrying; and

(G) any other similar violation of a State or local law on motor vehicle traffic control (except a parking violation) that the Secretary designates by regulation as serious.

(13) “State” means a State of the United States and the District of Columbia.

(14) “United States” means the States and the District of Columbia.

In clause (1), the text of 49 App.:2716(13) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section.

In clause (4)(A), the words “at least 26,001 pounds” are substituted for “26,001 or more pounds”, and the word “prescribes” is substituted for “determines appropriate”.

In clause (4)(B), the words “26,001 or more pounds” are substituted for “more than 15 passengers” for consistency.

In clause (4)(C)(i), the text of 49 App.:2716(13) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section.

In clause (4)(C)(ii), the words “at least 26,001 pounds” are substituted for “26,001 or more pounds”, and the word “prescribes” is substituted for “determines appropriate”.

In clause (4)(C)(iii), the words “at least 26,001 pounds” are substituted for “26,001 or more pounds”, and the word “prescribes” is substituted for “determines appropriate”.

In clause (11), the words “public streets, roads, or highways” are added for consistency in the revised title.

In clause (12)(C), the words “involving a fatality” are substituted for “involving a fatal traffic accident” to eliminate unnecessary words.

In clause (1), the text of 49 App.:2716(13) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section.

In clause (4)(A), the words “at least 26,001 pounds” are substituted for “26,001 or more pounds”, and the word “prescribes” is substituted for “determines appropriate”.

In clause (4)(B), the words “at least 26,001 pounds” are substituted for “26,001 or more pounds”, and the word “prescribes” is substituted for “determines appropriate”.

In clause (4)(C)(i), the text of 49 App.:2716(13) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section.

In clause (4)(C)(ii), the words “at least 26,001 pounds” are substituted for “26,001 or more pounds”, and the word “prescribes” is substituted for “determines appropriate”.

In clause (4)(C)(iii), the words “at least 26,001 pounds” are substituted for “26,001 or more pounds”, and the word “prescribes” is substituted for “determines appropriate”.

In clause (11), the words “public streets, roads, or highways” are added for consistency in the revised title.

In clause (12)(C), the words “involving a fatality” are substituted for “involving a fatal traffic accident” to eliminate unnecessary words.
§ 31302. Commercial driver's license requirement

No individual shall operate a commercial motor vehicle without a valid commercial driver's license issued in accordance with section 31303. An individual operating a commercial motor vehicle may have only one driver's license at any time and may have only one learner's permit at any time.

§ 31303. Notification requirements

(a) Violations.—An individual operating a commercial motor vehicle, having a driver's license issued by a State, and violating a State or local law on motor vehicle traffic control (except a parking violation) shall notify the individual's employer of the violation. If the violation occurred in a State other than the issuing State, the individual also shall notify a State official designated by the issuing State. The notifications required by this subsection shall be made not later than 30 days after the date the individual is found to have committed the violation.

(b) Revocations, Suspensions, and Cancellations.—An employee who has a driver's license revoked, suspended, or canceled by a State, who loses the right to operate a commercial motor vehicle in a State for any period, or who is disqualified from operating a commercial motor vehicle for any period, shall notify the employee's employer of the action not later than 30 days after the date of the action.

(c) Previous Employment.—(1) Subject to paragraph (2) of this subsection, an individual applying for employment as an operator of a commercial motor vehicle shall notify the prospective employer, at the time of the application, of any previous employment as an operator of a commercial motor vehicle.

(2) The Secretary of Transportation shall prescribe by regulation the period for which notice of previous employment must be given under paragraph (1) of this subsection. However, the period may not be less than the 10-year period ending on the date of the application.

The words “Effective July 1, 1987” are omitted as executed. The words after “issued a driver’s license” are omitted as expired.

AMENDMENTS

2005—Pub. L. 109–59 inserted “and may have only one learner’s permit at any time” before period at end.
§ 31304. Employer responsibilities

An employer may not knowingly allow an employee to operate a commercial motor vehicle in the United States during a period in which the employee—

(1) has a driver’s license revoked, suspended, or canceled by a State, has lost the right to operate a commercial motor vehicle in a State, or has been disqualified from operating a commercial motor vehicle; or

(2) has more than one driver’s license (except as allowed under section 31302 of this title).

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

In this section, before clause (1), the words “Effective July 1, 1987” are omitted as executed. The words “permit, or authorize” are omitted as surplus. Clause (2) is substituted for 49 App.:2703(2) to eliminate unnecessary words.

§ 31305. General driver fitness and testing

(a) MINIMUM STANDARDS FOR TESTING AND FITNESS.—The Secretary of Transportation shall prescribe regulations on minimum standards for testing and ensuring the fitness of an individual operating a commercial motor vehicle. The regulations—

(1) shall prescribe minimum standards for written and driving tests of an individual operating a commercial motor vehicle;

(2) shall require an individual who operates or will operate a commercial motor vehicle to take a driving test in a vehicle representative of the type of vehicle the individual operates or will operate;

(3) shall prescribe minimum testing standards for the operation of a commercial motor vehicle and may prescribe different minimum testing standards for different classes of commercial motor vehicles;

(4) shall ensure that an individual taking the tests has a working knowledge of—

(A) regulations on the safe operation of a commercial motor vehicle prescribed by the Secretary and contained in title 49, Code of Federal Regulations; and

(B) safety systems of the vehicle;

(5) shall ensure that an individual who operates or will operate a commercial motor vehicle carrying a hazardous material—

(A) is qualified to operate the vehicle under regulations on motor vehicle transportation of hazardous material prescribed under chapter 51 of this title;

(B) has a working knowledge of—

(i) those regulations;

(ii) the handling of hazardous material;

(iii) the operation of emergency equipment used in response to emergencies arising out of the transportation of hazardous material; and

(iv) appropriate response procedures to follow in those emergencies; and

(C) is licensed by a State to operate the vehicle after having first been determined under section 5103a of this title as not posing a security risk warranting denial of the license.

(6) shall establish minimum scores for passing the tests;

(7) shall ensure that an individual taking the tests is qualified to operate a commercial motor vehicle under regulations prescribed by the Secretary and contained in title 49, Code of Federal Regulations, to the extent the regulations apply to the individual; and

(b) REQUIREMENTS FOR OPERATING VEHICLES.—

(1) Except as provided in paragraph (2) of this subsection, an individual may operate a commercial motor vehicle only if the individual has passed written and driving tests that meet the minimum standards prescribed by the Secretary under subsection (a) of this section to operate the vehicle and has a commercial driver’s license to operate the vehicle.

(2) The Secretary may prescribe regulations providing that an individual may operate a commercial motor vehicle for not more than 90 days if the individual—

(A) passes a driving test for operating a commercial motor vehicle that meets the minimum standards prescribed under subsection (a) of this section; and

(B) has a driver’s license that is not suspended, revoked, or canceled.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

31305(b) .......... 49 App.:2704(b).

In this section, the word “Federal” is omitted as unnecessary.

In subsection (a), before clause (1), the words “Not later than July 15, 1988” are omitted as obsolete. In clause (3), the words “if the Secretary considers appropriate to carry out the objectives of this title” are omitted as unnecessary.

In subsection (b)(1), the words “taken and” are omitted as unnecessary. The text of 49 App.:2704(b)(3) is omitted as obsolete.

AMENDMENTS

1999—Subsec. (b)(1). Pub. L. 106–159 struck out “to operate the vehicle” after “written and driving tests” and inserted “to operate the vehicle and has a commercial
driver’s license to operate the vehicle” before period at end.

**Operation of Commercial Motor Vehicles by Individuals Who Use Insulin To Treat Diabetes Mellitus**

(a) Revision of Final Rule.—Not later than 90 days after the date of the enactment of this Act [Aug. 10, 2005], the Secretary [of Transportation] shall begin revising the final rule published in the Federal Register on September 3, 2005, relating to persons with diabetes, to allow individuals who use insulin to treat their diabetes to operate commercial motor vehicles in interstate commerce. The revised final rule shall provide for the individual assessment of applicants who use insulin to treat their diabetes and who are, except for their use of insulin, otherwise qualified under the Federal motor carrier safety regulations. The revised final rule shall be consistent with the criteria described in section 4018 of the Transportation Equity Act for the 21st Century [Pub. L. 105–178] (49 U.S.C. 31306 note) and shall conclude the rulemaking process in the Federal Motor Carrier Safety Administration docket relating to qualifications of drivers with diabetes.

(b) No Period of Commercial Driving While Using Insulin Required for Qualification.—After the earlier of the date of issuance of the revised final rule under subsection (a) or the 90th day following the date of enactment of this Act [Aug. 10, 2005], the Secretary may not require individuals with insulin-treated diabetes mellitus who are applying for an exemption from the physical qualification standards to have experience operating commercial motor vehicles while using insulin in order to be exempted from the physical qualification standards to operate a commercial motor vehicle in interstate commerce.

(c) Minimum Period of Insulin Use.—Subject to subsection (b), the Secretary shall require individuals with insulin-treated diabetes mellitus to have a minimum period of insulin use to demonstrate stable control of diabetes before operating a commercial motor vehicle in interstate commerce. Such demonstration shall be consistent with the findings reported in July 2000, by the expert medical panel established by the Secretary, in A Report to Congress on the Feasibility of a Program to Qualify Individuals with Insulin-Treated Diabetes Mellitus to Operate Commercial Motor Vehicles in Interstate Commerce as Directed by the Transportation Equity Act for the 21st Century. For individuals who have been newly diagnosed with type 1 diabetes, the minimum period of insulin use may not exceed 2 months, unless directed by the treating physician. For individuals who have type 2 diabetes and are converting to insulin use, the minimum period of insulin use may not exceed 1 month, unless directed by the treating physician.

(d) Limitations.—Insulin-treated individuals may not be held by the Secretary to a higher standard of physical qualification in order to operate a commercial motor vehicle in interstate commerce than other individuals applying to operate, or operating, a commercial motor vehicle in interstate commerce; except to the extent that limited operating, monitoring, and medical requirements are deemed medically necessary under regulations issued by the Secretary.

**CDL School Bus Endorsement**

Pub. L. 106–159, title II, §214, Dec. 9, 1999, 113 Stat. 1766, provided that: “The Secretary shall conduct a rulemaking to establish a special commercial driver’s license endorsement for drivers of school buses. The endorsement shall, at a minimum—

(1) include a driving skills test in a school bus; and

(2) address proper safety procedures for—

(A) loading and unloading children;

(B) using emergency exits; and

(C) traversing highway rail grade crossings.”

**Insulin Treated Diabetes Mellitus**

(a) Determination.—Not later than 18 months after the date of enactment of this Act [June 9, 1998], the Secretary [of Transportation] shall determine whether a practicable and cost-effective screening, operating, and monitoring protocol could likely be developed for insulin treated diabetes mellitus individuals who want to operate commercial motor vehicles in interstate commerce that would ensure a level of safety equal to or greater than that achieved with the current prohibition on individuals with insulin treated diabetes mellitus driving such vehicles.

(b) Compilation and Evaluation.—Prior to making the determination in subsection (a), the Secretary shall compile and evaluate research and other information on the effects of insulin treated diabetes mellitus on driving performance. In preparing the compilation and evaluation, the Secretary shall, at a minimum—

(1) consult with States that have developed and are implementing a screening process to identify individuals with insulin treated diabetes mellitus who may obtain waivers to drive commercial motor vehicles in intrastate commerce;

(2) evaluate the Department’s policy and actions to permit certain insulin treated diabetes mellitus individuals who meet selection criteria and who successfully comply with the approved monitoring protocol to operate in other modes of transportation;

(3) assess the possible legal consequences of permitting insulin treated diabetes mellitus individuals to drive commercial motor vehicles in interstate commerce;

(4) analyze available data on the safety performance of diabetic drivers of motor vehicles;

(5) assess the relevance of intrastate driving and experiences of other modes of transportation to interstate commercial motor vehicle operations; and

(6) consult with interested groups knowledgeable about diabetes and related issues.

(c) Report to Congress.—If the Secretary determines that no protocol described in subsection (a) could likely be developed, the Secretary shall report to Congress the basis for such determination.

(d) Initiation of Rulemaking.—If the Secretary determines that a protocol described in subsection (a) could likely be developed, the Secretary shall report to Congress a description of the elements of such protocol and shall promptly initiate a rulemaking proceeding to implement such protocol.

**Performance-Based CDL Testing**

(a) Review.—Not later than 1 year after the date of enactment of this Act [June 9, 1998], the Secretary [of Transportation] shall complete a review of the procedures established and implemented by States under section 31305 of title 49, United States Code, to determine if the current system for testing is an accurate measure and reflection of an individual’s knowledge and skills as an operator of a commercial motor vehicle and to identify methods to improve testing and licensing standards, including identifying the benefits and costs of a graduated licensing system.

(b) Regulations.—The Secretary may issue regulations under section 31305 of title 49, United States Code, reflecting the results of the review.

**Driver Fatigue**

§ 31306. Alcohol and controlled substances testing

(a) DEFINITION.—In this section, “controlled substance” means any substance under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802) specified by the Secretary of Transportation.

(b) TESTING PROGRAM FOR OPERATORS OF COMMERCIAL MOTOR VEHICLES.—(1)(A) In the interest of commercial motor vehicle safety, the Secretary of Transportation shall prescribe regulations that establish a program requiring motor carriers to conduct preemployment, reasonable suspicion, random, and post-accident testing of operators of commercial motor vehicles for the use of a controlled substance in violation of law or a United States Government regulation and to conduct reasonable suspicion, random, and post-accident testing of such operators for the use of alcohol in violation of law or a United States Government regulation. The regulations shall permit such motor carriers to conduct preemployment testing of such employees for the use of alcohol.

(B) When the Secretary of Transportation considers it appropriate in the interest of safety, the Secretary may prescribe regulations for conducting periodic recurring testing of operators of commercial motor vehicles for the use of alcohol or a controlled substance in violation of law or a Government regulation.

(2) In prescribing regulations under this subsection, the Secretary of Transportation—

(A) shall require that post-accident testing of an operator of a commercial motor vehicle be conducted when loss of human life occurs in an accident involving a commercial motor vehicle; and

(B) may require that post-accident testing of such an operator be conducted when bodily injury or significant property damage occurs in any other serious accident involving a commercial motor vehicle.

(c) TESTING AND LABORATORY REQUIREMENTS.—In carrying out subsection (b) of this section, the Secretary of Transportation shall develop requirements that shall—

(1) promote, to the maximum extent practicable, individual privacy in the collection of specimens;

(2) for laboratories and testing procedures for controlled substances, incorporate the Department of Health and Human Services scientific and technical guidelines dated April 11, 1988, and any amendments to those guidelines, including mandatory guidelines establishing—

(A) comprehensive standards for every aspect of laboratory controlled substances testing and laboratory procedures to be applied in carrying out this section, including standards requiring the use of the best available technology to ensure the complete reliability and accuracy of controlled substances tests and strict procedures governing the chain of custody of specimens collected for controlled substances testing;

(B) the minimum list of controlled substances for which individuals may be tested; and

(C) appropriate standards and procedures for periodic review of laboratories and criteria for certification and revocation of certification of laboratories to perform controlled substances testing in carrying out this section;

(3) require that a laboratory involved in testing under this section have the capability and facility, at the laboratory, of performing screening and confirmation tests;

(4) provide that any test indicating the use of alcohol or a controlled substance in violation of law or a Government regulation be confirmed by a scientifically recognized method of testing capable of providing quantitative information about alcohol or a controlled substance;

(5) provide that each specimen be subdivided, secured, and labeled in the presence of the tested individual and that a part of the specimen be retained in a secure manner to prevent the possibility of tampering, so that if the individual’s confirmation test results are positive the individual has an opportunity to have the retained part tested by a 2d confirmation test done independently at another certified laboratory if the individual requests the 2d confirmation test not later than 3 days after being advised of the results of the first confirmation test;

(6) ensure appropriate safeguards for testing to detect and quantify alcohol in breath and body fluid samples, including urine and blood, through the development of regulations that may be necessary and in consultation with the Secretary of Health and Human Services;

(7) provide for the confidentiality of test results and medical information (except information about alcohol or a controlled substance) of employees, except that this clause does not prevent the use of test results for the orderly imposition of appropriate sanctions under this section; and

(8) ensure that employees are selected for tests by nondiscriminatory and impartial
methods, so that no employee is harassed by being treated differently from other employees in similar circumstances.

(d) **TESTING AS PART OF MEDICAL EXAMINATION.**—The Secretary of Transportation may provide that testing under subsection (a) of this section for operators subject to subpart E of part 391 of title 49, Code of Federal Regulations, be conducted as part of the medical examination required under that subpart.

(e) **REHABILITATION.**—The Secretary of Transportation shall prescribe regulations establishing requirements for rehabilitation programs that provide for the identification and opportunity for treatment of operators of commercial motor vehicles who are found to have used alcohol or a controlled substance in violation of law or a Government regulation. The Secretary shall decide on the circumstances under which those operators shall be required to participate in a program. This section does not prevent a motor carrier from establishing a program under this section in cooperation with another motor carrier.

(f) **SANCTIONS.**—The Secretary of Transportation shall decide on appropriate sanctions for a commercial motor vehicle operator who is found, based on tests conducted and confirmed under this section, to have used alcohol or a controlled substance in violation of law or a Government regulation but who is not under the influence of alcohol or a controlled substance as provided in this chapter.

(g) **EFFECT ON STATE AND LOCAL GOVERNMENT REGULATIONS.**—A State or local government may not prescribe or continue in effect a law, regulation, standard, or order that is inconsistent with regulations prescribed under this section. However, a regulation prescribed under this section may not be construed to preempt a State criminal law that imposes sanctions for reckless conduct leading to loss of life, injury, or damage to property.

(h) **INTERNATIONAL OBLIGATIONS AND FOREIGN LAWS.**—In prescribing regulations under this section, the Secretary of Transportation—

(1) shall establish only requirements that are consistent with international obligations of the United States; and

(2) shall consider applicable laws and regulations of foreign countries.

(i) **OTHER REGULATIONS ALLOWED.**—This section does not prevent the Secretary of Transportation from continuing in effect, amending, or further supplementing a regulation prescribed before October 28, 1991, governing the use of alcohol or a controlled substance by commercial motor vehicle employees.

(j) **APPLICATION OF PENALTIES.**—This section does not supersede a penalty applicable to an operator of a commercial motor vehicle under this chapter or another law.

"(a) **IN GENERAL.**—The Secretary shall conduct a study of the feasibility and merits of—

"(1) requiring medical review officers or employers to report all verified positive controlled substances test results on any driver subject to controlled substances testing under part 382 of title 49, Code of Federal Regulations, including the identity of each person tested and each controlled substance found, to the State that issued the driver’s commercial driver’s license; and

"(2) requiring all prospective employers, before hiring any driver, to query the State that issued the driver’s commercial driver’s license on whether the State has on record any verified positive controlled substances test on such driver.

"(b) **STUDY FACTORS.**—In carrying out the study under this section, the Secretary shall assess—

"(1) methods for safeguarding the confidentiality of verified positive controlled substances test results; and

"(2) the costs, benefits, and safety impacts of requiring States to maintain records of verified positive controlled substances test results; and
“(3) whether a process should be established to allow drivers—
“(A) to correct errors in their records; and
“(B) to expunge information from their records after a reasonable period of time.
“(c) REPORT.—Not later than 2 years after the date of the enactment of this Act [Dec. 9, 1999], the Secretary shall submit to Congress a report on the study carried out under this section, together with such recommendations as the Secretary determines appropriate.”

§ 31307. Minimum training requirements for operators of longer combination vehicles

(a) DEFINITION.—In this section, “longer combination vehicle” means a vehicle consisting of a truck tractor and more than one trailer or semitrailer that operates on the Dwight D. Eisenhower System of Interstate and Defense Highways with a gross vehicle weight of more than 80,000 pounds.

(b) REQUIREMENTS.—Not later than December 18, 1994, the Secretary of Transportation shall prescribe regulations establishing minimum training requirements for operators of longer combination vehicles. The training shall include certification of an operator’s proficiency by an instructor who has met the requirements established by the Secretary.

(Historical and Revision Notes)

In subsection (a), the words “a vehicle consisting” are substituted for “any combination” for clarity. The words “Dwight D. Eisenhower System of Interstate and Defense Highways” are substituted for “National System of Interstate and Defense Highways” because of the Act of October 15, 1990 (Public Law 101–427, 104 Stat. 1020.)

In subsection (b), the words “Not later than June 9, 1998,” are omitted as executed.

§ 31308. Commercial driver’s license

After consultation with the States, the Secretary of Transportation shall prescribe regulations on minimum uniform standards for the issuance of commercial drivers’ licenses and learner’s permits by the States and for information to be contained on each of the licenses and permits. The standards shall require at a minimum that—
(1) an individual issued a commercial driver’s license pass written and driving tests for the operation of a commercial motor vehicle that comply with the minimum standards prescribed by the Secretary under section 31305(a) of this title;
(2) before a commercial driver’s license learner’s permit may be issued to an individual, the individual must pass a written test, that complies with the minimum standards prescribed by the Secretary under section 31305(a), on the operation of the commercial motor vehicle that the individual will be operating under the permit;
(3) the license or learner’s permit be tamperproof to the maximum extent practicable and each license or learner’s permit issued after January 1, 2001, include unique identifiers (which may include biometric identifiers) to minimize fraud and duplication; and
(4) the license or learner’s permit contain—
(A) the name and address of the individual issued the license or learner’s permit and a physical description of the individual;
(B) the social security account number or other number or information the Secretary decides is appropriate to identify the individual;
(C) the class or type of commercial motor vehicle the individual is authorized to operate under the license or learner’s permit;
(D) the name of the State that issued the license or learner’s permit; and
(E) the dates between which the license or learner’s permit is valid.

(Historical and Revision Notes)

The words “Not later than July 15, 1988” are omitted as obsolete.

Amendments

2005—Pub. L. 109–59, §4122(2)(B), substituted “the licenses and permits” for “the licensees” in introductory provisions.
Former par. (2) redesignated (3).
Paras. (3), (4). Pub. L. 109–59, §4122(2)(C), (E), redesignated paras. (2) and (3) as (3) and (4), respectively, and inserted “or learner’s permit” after “license” wherever appearing.
1998—Par. (2). Pub. L. 105–178 inserted before semicolon “and each license issued after January 1, 2001, include unique identifiers (which may include biometric identifiers) to minimize fraud and duplication”.

Page 642
**§ 31309. Commercial driver's license information system**

(a) **GENERAL REQUIREMENT.**—The Secretary of Transportation shall maintain an information system that will serve as a clearinghouse and depository of information about the licensing, identification, and disqualification of operators of commercial motor vehicles. The system shall be coordinated with activities carried out under section 31106. The Secretary shall consult with the States in carrying out this section.

(b) **CONTENTS.**—(1) At a minimum, the information system under this section shall include for each operator of a commercial motor vehicle—

(A) information the Secretary considers appropriate to ensure identification of the operator;

(B) the name, address, and physical description of the operator;

(C) the social security account number of the operator or other number or information the Secretary considers appropriate to identify the operator;

(D) the name of the State that issued the license or learner’s permit to the operator;

(E) the dates between which the license or learner’s permit is valid; and

(F) whether the operator had a commercial motor vehicle driver’s license or learner’s permit revoked, suspended, or canceled by a State, lost the right to operate a commercial motor vehicle in a State for any period, or has been disqualified from operating a commercial motor vehicle.

(2) The information system under this section must accommodate any unique identifiers required to minimize fraud or duplication of a commercial driver’s license or learner’s permit under section 31308(b).1

(c) **AVAILABILITY OF INFORMATION.**—Information in the information system shall be made available and subject to review and correction in accordance with the policy developed under section 31106.

(d) **FEE SYSTEM.**—The Secretary may establish a fee system for using the information system. Fees collected under this subsection in a fiscal year shall equal as nearly as possible the costs of operating the information system in that fiscal year. The Secretary shall deposit fees collected under this subsection in the Highway Trust Fund (except the Mass Transit Account).

(e) **MODERNIZATION PLAN.**—

(1) **IN GENERAL.**—Not later than 120 days after the date of enactment of this subsection, the Secretary shall develop and publish a comprehensive national plan to modernize the information system under this section that—

(A) complies with applicable Federal information technology security standards;

(B) provides for the electronic exchange of all information including the posting of convictions;

(C) contains self auditing features to ensure that data is being posted correctly and consistently by the States;

(D) integrates the commercial driver’s license and the medical certificate; and

(E) provides a schedule for modernization of the system.

(2) **CONSULTATION.**—The plan shall be developed in consultation with representatives of the motor carrier industry, State safety enforcement agencies, and State licensing agencies designated by the Secretary.

(3) **STATE FUNDING OF FUTURE EFFORTS.**—The plan shall specify that States will fund future efforts to modernize the commercial driver’s information system.

(4) **DEADLINE FOR STATE PARTICIPATION.**—

(A) **IN GENERAL.**—The Secretary shall establish in the plan a date by which all States must be operating commercial driver’s license information systems that are compatible with the modernized information system under this section.

(B) **FACTORS TO CONSIDER.**—In establishing the date under subparagraph (A), the Secretary shall consider the following:

(i) Availability and cost of technology and equipment needed to comply with subparagraph (A).

(ii) Time necessary to install, and test the operation of, such technology and equipment.

(5) **IMPLEMENTATION.**—The Secretary shall implement the plan developed under subsection (a) and modernize the information system under this section to meet the requirements of the plan.

(f) **FUNDING.**—At the Secretary’s discretion, a State may use the funds made available to the State under section 31313 to modernize its commercial driver’s license information system to be compatible with the modernized information system under this section.

1See References in Text note below.
In subsection (a), the words “Not later than January 1, 1989” are omitted as obsolete. The words “shall consult with” are substituted for “consult” for clarity.

In subsection (b), the text of 49 App.:2706(b)(1) is omitted as executed. The words “utilizing such system” are omitted as surplus.

In subsection (f), the text of 49 App.:2706(g) and section 9105(b) of the Anti-Drug Abuse Act of 1988 (Public Law 106–60, 102 Stat. 4530) is omitted as obsolete.

REFERENCES IN TEXT
Par. (2) of section 31308, referred to in subsec. (b)(2), was redesignated par. (3) and a new par. (2) was added by Pub. L. 109–59, title IV, § 4122(2)(C), (D), Aug. 10, 2005, 119 Stat. 1734.

The date of enactment of this section, referred to in subsec. (e)(1), is the date of enactment of Pub. L. 109–59, which was approved Aug. 10, 2005.

AMENDMENTS

1998—Subsec. (d)(2). Pub. L. 105–178, § 4011(d)(4), added par. (2) and struck out former par. (2) which read as follows: “(2) The Secretary may establish an information system under this section, the Secretary may establish” for “If the Secretary establishes an information system, as the case may be, under this section, the Secretary may establish”.

Subsec. (d)(3). Pub. L. 105–178, § 4011(d)(5), added subsec. (d)(3). 1996—Subsec. (a). Pub. L. 105–178, § 4011(d)(1), (2), substituted “maintain an information system for” for “make an agreement under subsection (b) of this section for the operation of, or establish under subsection (e) of this section, an information system” and inserted “The system shall be coordinated with activities carried out under section 31106.” before “The Secretary shall consult”.

Subsec. (b). Pub. L. 105–178, § 4011(d)(3), (8), redesignated subsec. (d) as (b) and struck out heading and text of former subsec. (b). Text read as follows: “If the Secretary decides that an information system used by a State or States about the driving status of operators of motor vehicles or another State-operated information system could be used to carry out this section, and the State or States agrees to the use of the system for carrying out this section, the Secretary may make an agreement with the State or States to use the system as provided in this section and section 31311(c) of this title. An agreement made under this subsection shall contain terms the Secretary considers necessary to carry out this chapter.”.

Subsec. (c). Pub. L. 105–178, § 4011(d)(3), (8), redesignated subsec. (e) as (c) and struck out heading and text of former subsec. (c). Text read as follows: “If the Secretary does not make an agreement under subsection (b) of this section, the Secretary shall establish an information system about the driving status and licensing of operators of commercial motor vehicles as provided in this section.”

Subsec. (d)(2). Pub. L. 105–178, § 4011(d)(4), added par. (2) and struck out former par. (2) which read as follows: “Not later than December 31, 1990, the Secretary shall prescribe regulations on minimum uniform standards for a biometric identification system to ensure the identification of operators of commercial motor vehicles.”

Subsec. (e). Pub. L. 105–178, § 4011(d)(8), redesignated subsec. (e) as (c).

Pub. L. 105–178, § 4011(d)(5), added subsec. (e) and struck out heading and text of former subsec. (e). Text read as follows:

“(1) On request of a State, the Secretary or the operator of the information system, as the case may be, may make available to the State information in the information system under this section.

“(2) On request of an employee, the Secretary or the operator of the information system, as the case may be, may make available to the employee information in the information system about the employee.

“(3) On request of an employer or prospective employer of an employee and after notification to the employee, the Secretary or the operator of the information system, as the case may be, may make available to the employer or prospective employer information in the information system about the employee.

“(4) On the request of the Secretary, the operator of the information system shall make available to the Secretary information about the driving status and licensing of operators of commercial motor vehicles (including information required by subsection (d)(1) of this section).

Pub. L. 105–178, § 4011(d)(6), (7), substituted “The Secretary may establish” for “If the Secretary establishes an information system under this section, the Secretary shall establish”.

GRANTS FOR MODERNIZATION OF COMMERCIAL DRIVER’S LICENSE INFORMATION SYSTEMS

“(c) GRANTS.—

“(1) IN GENERAL.—The Secretary [of Transportation] may make a grant to a State or organization representing agencies and officials of a State in a fiscal year to modernize the commercial driver’s license information system of the State to be compatible with the modernized commercial driver’s license information system under section 31309 of title 49, United States Code, if the State is in substantial compliance with the requirements of section 31311 of such title and this section, as determined by the Secretary.

“(2) CRITERIA.—The Secretary shall establish criteria for the distribution of grants and notify each State annually of such criteria.

“(3) USE OF GRANT.—A State may use a grant under this subsection only to implement improvements that are consistent with the modernization plan developed by the Secretary.

“(4) GOVERNMENT SHARE.—A grant under this subsection to a State or organization may not be for more than 80 percent of the costs incurred by the State or organization in a fiscal year in modernizing the commercial driver’s license information system of the State to be compatible with the modernized commercial driver’s license information system under section 31309 of title 49, United States Code. In determining these costs, the Secretary shall include in-kind contributions of the State.

“(d) FUNDING.—There are authorized to be appropriated from the Highway Trust Fund (other than the Mass Transit Account) to carry out this section—

“(1) $5,000,000 for fiscal year 2006;

“(2) $7,000,000 for fiscal year 2007;

“(3) $8,000,000 for fiscal year 2008;

“(4) $8,000,000 for fiscal year 2009;

“(5) $8,000,000 for fiscal year 2010; and

“(6) $8,000,000 for fiscal year 2011.

“(e) CONTRACT AUTHORITY AND AVAILABILITY.—

“(1) PERIOD OF AVAILABILITY.—The amounts made available under subsection (d) shall remain available until expended.

“(2) INITIAL DATE OF AVAILABILITY.—Amounts authorized to be appropriated from the Highway Trust Fund (other than the Mass Transit Account) by subsection (d) shall be available for obligation on the
date of their apportionment or allocation or on October 1 of the fiscal year for which they are authorized, whichever occurs first.

(3) CONTRACT AUTHORITY.—Approval by the Secretary of a grant with funds made available under subsection (d) imposes upon the United States a contractual obligation for payment of the Government’s share of costs incurred in carrying out the objectives of the grant.”

IMPROVED FLOW OF DRIVER HISTORY PILOT PROGRAM

“(a) PILOT PROGRAM.—

“(1) IN GENERAL.—The Secretary of Transportation shall carry out a pilot program in cooperation with 1 or more States to improve upon the timely exchange of pertinent driver performance and safety records data to motor carriers.

“(2) PURPOSE.—The purpose of the program shall be to—

“(A) determine to what extent driver performance records data, including relevant fines, penalties, and failures to appear for a hearing or trial, should be included as part of any information systems under the Department of Transportation’s oversight;

“(B) assess the feasibility, costs, safety impact, pricing impact, and benefits of record exchanges; and

“(C) assess methods for the efficient exchange of driver safety data available from existing State information systems and sources.

“(3) COMPLETION DATE.—The pilot program shall end on the last day of the 18-month period beginning on the date of initiation of the pilot program.

“(b) RULEMAKING.—After completion of the pilot program, the Secretary shall initiate, if appropriate, a rulemaking to revise the information system under section 31309 of title 49, United States Code, to take into account the results of the pilot program.”

§ 31310. Disqualifications

(a) BLOOD ALCOHOL CONCENTRATION LEVEL.—In this section, the blood alcohol concentration level at or above which an individual when operating a commercial motor vehicle is deemed to be driving under the influence of alcohol is .04 percent.

(b) FIRST VIOLATION OR COMMITTING FELONY.—(1) Except as provided in paragraph (2) of this subsection and subsection (c) of this section, the Secretary of Transportation shall disqualify from operating a commercial motor vehicle for at least one year an individual—

(A) committing a first violation of driving a commercial motor vehicle under the influence of alcohol or a controlled substance;

(B) committing a first violation of leaving the scene of an accident involving a commercial motor vehicle operated by the individual;

(C) using a commercial motor vehicle in committing a felony (except a felony described in subsection (d) of this section);

(D) committing a first violation of driving a commercial motor vehicle when the individual’s commercial driver’s license is revoked, suspended, or canceled based on the individual’s operation of a commercial motor vehicle or when the individual is disqualified from operating a commercial motor vehicle based on the individual’s operation of a commercial motor vehicle;

(E) convicted of more than one offense of causing a fatality through negligent or criminal operation of a commercial motor vehicle;

(2) If the vehicle involved in a violation referred to in paragraph (1) of this subsection is transporting hazardous material required to be placarded under section 5103 of this title, the Secretary shall disqualify the individual for at least 3 years.

(c) SECOND AND MULTIPLE VIOLATIONS.—(1) Subject to paragraph (2) of this subsection, the Secretary shall disqualify from operating a commercial motor vehicle for life an individual—

(A) committing more than one violation of driving a commercial motor vehicle under the influence of alcohol or a controlled substance;

(B) committing more than one violation of leaving the scene of an accident involving a commercial motor vehicle operated by the individual;

(C) using a commercial motor vehicle in committing more than one felony arising out of different criminal episodes;

(D) committing more than one violation of driving a commercial motor vehicle when the individual’s commercial driver’s license is revoked, suspended, or canceled based on the individual’s operation of a commercial motor vehicle or when the individual is disqualified from operating a commercial motor vehicle based on the individual’s operation of a commercial motor vehicle;

(E) convicted of more than one offense of causing a fatality through negligent or criminal operation of a commercial motor vehicle; or

(F) committing any combination of single violations or use described in subparagraphs (A) through (E).

(2) The Secretary may prescribe regulations establishing guidelines (including conditions) under which a disqualification for life under paragraph (1) of this subsection may be reduced to a period of not less than 10 years.

(d) CONTROLLED SUBSTANCE VIOLATIONS.—The Secretary shall disqualify from operating a commercial motor vehicle for life an individual who uses a commercial motor vehicle in committing a felony involving manufacturing, distributing, or dispensing a controlled substance, or possession with intent to manufacture, distribute, or dispense a controlled substance.

(e) SERIOUS TRAFFIC VIOLATIONS.—(1) The Secretary shall disqualify from operating a commercial motor vehicle for at least 120 days an individual who, in a 3-year period, commits 2 serious traffic violations involving a commercial motor vehicle operated by the individual.

(2) The Secretary shall disqualify from operating a commercial motor vehicle for at least 60 days an individual who, in a 3-year period, commits 3 serious traffic violations involving a commercial motor vehicle operated by the individual.

(f) EMERGENCY DISQUALIFICATION.—(1) LIMITED DURATION.—The Secretary shall disqualify an individual from operating a commercial motor vehicle for not to exceed 30 days if the Secretary determines that allowing the individual to continue to operate a commercial motor vehicle would create an imminent hazard (as such term is defined in section 5102).

(2) AFTER NOTICE AND HEARING.—The Secretary shall disqualify an individual from op-
(g) Noncommercial Motor Vehicle Violations.—

(1) Issuance of Regulations.—Not later than 1 year after the date of the enactment of this Act, the Secretary shall issue regulations providing for the disqualification by the Secretary from operating a commercial motor vehicle of an individual who holds a commercial driver’s license and who has been convicted of—

(A) a serious offense involving a motor vehicle (other than a commercial motor vehicle) that has resulted in the revocation, cancellation, or suspension of the individual’s license; or

(B) a drug or alcohol related offense involving a motor vehicle (other than a commercial motor vehicle).

(2) Requirements for Regulations.—Regulations issued under paragraph (1) shall establish the minimum periods for which the disqualifications shall be in effect, but in no case shall the time periods for disqualification for noncommercial motor vehicle violations be more stringent than those for offenses or violations involving a commercial motor vehicle. The Secretary shall determine such periods based on the seriousness of the offenses on which the convictions are based.

(h) State Disqualification.—Notwithstanding subsections (b) through (g) of this section, the Secretary does not have to disqualify an individual from operating a commercial motor vehicle if the State that issued the individual a license authorizing the operation has disqualified the individual from operating a commercial motor vehicle under subsections (b) through (g). Revocation, suspension, or cancellation of the license is deemed to be disqualification under this subsection.

(i) Out-of-Service Orders.—(1)(A) To enforce section 392.5 of title 49, Code of Federal Regulations, the Secretary shall prescribe regulations establishing and enforcing an out-of-service period of 24 hours for an individual who violates section 392.5. An individual may not violate an out-of-service order issued under those regulations.

(B) The Secretary shall prescribe regulations establishing and enforcing requirements for reporting out-of-service orders issued under regulations prescribed under subparagraph (A) of this paragraph. Regulations prescribed under this subparagraph shall require at least that an operator of a commercial motor vehicle who is issued an out-of-service order to report the issuance to the individual’s employer and to the State that issued the operator a driver’s license.

(2) The Secretary shall prescribe regulations establishing sanctions and penalties related to violations of out-of-service orders by individuals operating commercial motor vehicles. The regulations shall require at least that—

(A) an operator of a commercial motor vehicle found to have committed a first violation of an out-of-service order shall be disqualified from operating such a vehicle for at least 10 days and liable for a civil penalty of at least $2,500;

(B) an operator of a commercial motor vehicle found to have committed a 2d violation of an out-of-service order shall be disqualified from operating such a vehicle for at least 2 years and not more than 5 years and liable for a civil penalty of at least $5,000;

(C) an employer that knowingly allows or requires an employee to operate a commercial motor vehicle in violation of an out-of-service order shall be liable for a civil penalty of not more than $25,000; and

(D) an employer that knowingly and willingly allows or requires an employee to operate a commercial motor vehicle in violation of an out-of-service order shall, upon conviction, be subject for each offense to imprisonment for a term not to exceed one year or a fine under title 18, or both.

(j) Grade-Crossing Violations.—

(1) Sanctions.—The Secretary shall issue regulations establishing sanctions and penalties relating to violations, by persons operating commercial motor vehicles, of laws and regulations pertaining to railroad-highway grade crossings.

(2) Minimum Requirements.—The regulations issued under paragraph (1) shall, at a minimum, require that—

(A) the penalty for a single violation is not less than a 60-day disqualification of the driver’s commercial driver’s license; and

(B) any employer that knowingly allows, permits, authorizes, or requires an employee to operate a commercial motor vehicle in violation of such a law or regulation shall be subject to a civil penalty of not more than $10,000.

Subsection (c)(1)(D) is substituted for 49 App. § 2707(a)(2)(A)(iv) for clarity and to eliminate unnecessary words.
In subsection (g)(1)(A), the words “Not later than 1 year after October 27, 1986” are omitted as obsolete.
In subsection (g)(2), before clause (A), the words “Not later than December 18, 1992, the Secretary shall prescribe regulations” are substituted for “The Secretary shall issue regulations” and 49 App. § 2718(c) to eliminate executed words. The word “individuals” is substituted for “persons” for clarity and consistency in the revised title and with other titles of the United States Code. In clause (C), the words “permits, authorizes” are omitted as being included in “allows”.

The date of the enactment of this Act, referred to in subsec. (g)(1), is the date of enactment of Pub. L. 106–159, which was approved Dec. 9, 1999.

AMENDMENTS
Subsec. (1)(2)(A). Pub. L. 109–59, § 4102(b)(2), substituted “180 days” for “90 days” and “$2,500” for “$1,000”.
Subsec. (1)(2)(B). Pub. L. 109–59, § 4102(b)(3), substituted “2 years” for “one year” and “$5,000;” for “$1,000;”.
Subsec. (1)(2)(C). Pub. L. 109–59, § 4102(b)(4), substituted “$25,000; and” for “$10,000.”
Subsec. (c)(1)(B). Pub. L. 106–159, § 201(a)(2)(B), substituted “within 90 days” for “within 120 days”.
Subsec. (c)(1)(C). Pub. L. 106–159, § 201(a)(2)(C), redesignated (B) as (C).

EFFECTIVE DATE OF 1995 AMENDMENT

REGULATIONS
Section 403(b) of Pub. L. 104–88 provided that: “The initial regulations required under section 31310(b) of title 49, United States Code, shall be issued not later than 1 year after the date of the enactment of this Act [Dec. 29, 1995].”

§ 31311. Requirements for State participation
(a) GENERAL.—To avoid having amounts withheld from apportionment under section 31314 of this title, a State shall comply with the following requirements:
(1) The State shall adopt and carry out a program for testing and ensuring the fitness of individuals to operate commercial motor vehicles consistent with the minimum standards prescribed by the Secretary of Transportation under section 31305(a) of this title.

(2) The State may issue a commercial driver’s license to an individual only if the individual passes written and driving tests for the operation of a commercial motor vehicle that comply with the minimum standards.

(3) The State shall have in effect and enforce a law providing that an individual with a blood alcohol concentration level at or above the level established by section 31310(a) of this title when operating a commercial motor vehicle is deemed to be driving under the influence of alcohol.

(4) The State shall authorize an individual to operate a commercial motor vehicle only by issuing a commercial driver’s license containing the information described in section 31308(3) of this title.\(^1\)

(5) At least 60 days before issuing a commercial driver’s license to an individual or renewing such a license, the State shall request from any other State that has issued a driver’s license to the individual all information about the driving record of the individual.

(6) Not later than 30 days after issuing a commercial driver’s license, the State shall notify the Secretary or the operator of the information system under section 31309 of this title, as the case may be, of the proposed issuance of the license and other information the Secretary may require to ensure identification of the individual applying for the license.

(7) Not later than 30 days after disqualifying a commercial driver’s license, the State shall notify the Secretary or the operator of the information system under section 31309 of this title, as the case may be, of the issuance.

(8) Not later than 10 days after disqualifying the holder of a commercial driver’s license from operating a commercial motor vehicle (or after revoking, suspending, or canceling the license) for at least 60 days, the State shall notify the Secretary or the operator of the information system under section 31309 of this title, as the case may be, of the license that issued the license, of the disqualification, revocation, suspension, or cancellation, and the violation that resulted in the disqualification, revocation, suspension, or cancellation shall be recorded.

(9) If an individual violates a State or local law on motor vehicle traffic control (except a parking violation) and the individual—

(A) has a commercial driver’s license issued by another State; or

(B) is operating a commercial vehicle without a commercial driver’s license and has a driver’s license issued by another State, the State in which the violation occurred shall notify a State official designated by the issuing State of the violations not later than 10 days after the date the individual is found to have committed the violation.

(10) (A) The State may not issue a commercial driver’s license to an individual during a period in which the individual is disqualified

\(^1\) See References in Text note below.
§ 31311 T ITLE 49—TRANSPORTATION Page 648

from operating a commercial motor vehicle or the individual's driver's license is revoked, suspended, or canceled.

(B) The State may not issue a special license or permit (including a provisional or temporary license) to an individual who holds a commercial driver's license that permits the individual to drive a commercial motor vehicle during a period in which—

(i) the individual is disqualified from operating a commercial motor vehicle; or

(ii) the individual's driver's license is revoked, suspended, or canceled.

(11) The State may issue a commercial driver's license to an individual who has a commercial driver's license issued by another State only if the individual first returns the driver's license issued by the other State.

(12) The State may issue a commercial driver's license only to an individual who operates or will operate a commercial motor vehicle and is domiciled in the State, except that, under regulations the Secretary shall prescribe, the State may issue a commercial driver's license to an individual who operates or will operate a commercial motor vehicle and is not domiciled in a State that issues commercial drivers' licenses.

(13) The State shall impose penalties consistent with this chapter that the State considers appropriate and the Secretary approves for an individual operating a commercial motor vehicle.

(14) The State shall allow an individual to operate a commercial motor vehicle in the State if—

(A) the individual has a commercial driver's license issued by another State under the minimum standards prescribed by the Secretary under section 31305(a) of this title;

(B) the license is not revoked, suspended, or canceled; and

(C) the individual is not disqualified from operating a commercial motor vehicle.

(15) The State shall disqualify an individual from operating a commercial motor vehicle for the same reasons and time periods for which the Secretary shall disqualify the individual under subsections (b)-(e), (i)(1)(A) and (i)(2) of section 31310.

(16) (A) Before issuing a commercial driver's license to an individual, the State shall request the Secretary for information from the National Driver Register maintained under chapter 303 of this title (after the Secretary decides the Register is operational) on whether the individual—

(i) has been disqualified from operating a motor vehicle (except a commercial motor vehicle);

(ii) has had a license (except a license authorizing the individual to operate a commercial motor vehicle) revoked, suspended, or canceled for cause in the 3-year period ending on the date of application for the commercial driver's license; or

(iii) has been convicted of an offense specified in section 30304(a)(3) of this title.

(B) The State shall give full weight and consideration to that information in deciding whether to issue the individual a commercial driver's license.

(17) The State shall adopt and enforce regulations prescribed by the Secretary under section 31310 of this title.

(18) The State shall maintain, as part of its driver information system, a record of each violation of a State or local motor vehicle traffic control law while operating a motor vehicle (except a parking violation) for each individual who holds a commercial driver's license. The record shall be available upon request to the individual, the Secretary, employers, prospective employers, State licensing and law enforcement agencies, and their authorized agents.

(19) The State shall—

(A) record in the driving record of an individual who has a commercial driver's license issued by the State; and

(B) make available to all authorized persons and governmental entities having access to such record, all information the State receives under paragraph (9) with respect to the individual and every violation by the individual involving a motor vehicle (including a commercial motor vehicle) of a State or local law on traffic control (except a parking violation), not later than 10 days after the date of receipt of such information or the date of such violation, as the case may be. The State may not allow information regarding such violations to be withheld or masked in any way from the record of an individual possessing a commercial driver's license.

(20) The State shall revoke, suspend, or cancel the commercial driver's license of an individual in accordance with regulations issued by the Secretary to carry out section 31310(g).

(21) By the date established by the Secretary under section 31309(e)(4), the State shall be operating a commercial driver's license information system that is compatible with the modernized commercial driver's license information system under section 31309.

(b) STATE SATISFACTION OF REQUIREMENTS.—A State may satisfy the requirements of subsection (a) of this section that the State disqualify an individual from operating a commercial motor vehicle by revoking, suspending, or canceling the driver's license issued to the individual—

(c) NOTIFICATION.—Not later than 30 days after being notified by a State of the proposed issuance of a commercial driver's license to an individual, the Secretary or the operator of the information system under section 31309 of this title, as the case may be, shall notify the State whether the individual has a commercial driver's license issued by another State or has been disqualified from operating a commercial motor vehicle by another State or the Secretary.

*So in original. Probably should be "section".*
Subsection (a)(15) is substituted for section 31308(b)(5) of the revised title and to avoid repeating the language restated in section 31310(b)(6).

In subsection (b), the words “in accordance with the requirements of such subsection” are omitted as surplus.

AMENDMENTS

1999—Subsec. (a)(6). Pub. L. 106–159, §202(a), inserted “or renewing such a license” after “to an individual” and struck out “commercial” after “has issued a.”

Subsec. (a)(17). Pub. L. 109–59, §4123(b)(2), substituted “as 31310(b)” for “section 31310(b).”

1999—Subsec. (a)(6). Pub. L. 106–159, §202(a), inserted “or renewing such a license” after “to an individual” and struck out “commercial” after “has issued a.”

Subsec. (a)(8). Pub. L. 106–159, §202(b), inserted “and the violation that resulted in the disqualification, revocation, suspension, or cancellation shall be recorded” before the period at end.

Subsec. (a)(9). Pub. L. 106–159, §202(c), amended par. (9) generally. Prior to amendment, par. (9) read as follows: “If an individual operating a commercial motor vehicle violates a State or local law on motor vehicle traffic control (except a parking violation) and the vehicle violates a State or local law on motor vehicle traffic control (except a parking violation) and the individual has a driver’s license issued by another State, the State in which the violation occurred shall notify a State official designated by the issuing State of the violation not later than 10 days after the date the individual is found to have committed the violation.”

Subsec. (a)(10). Pub. L. 106–159, §202(d), designated existing provisions as subpar. (A) and added subpar. (B).

Subsec. (a)(13). Pub. L. 106–159, §202(e), inserted “consistent with this chapter that” after “penalties”, substituted “vehicle,” for “vehicle when the individual—”, and struck out paras. (A) to (C) which read as follows: “(A) does not have a commercial driver’s license; “(B) has a driver’s license revoked, suspended, or canceled; or “(C) is disqualified from operating a commercial motor vehicle.”

1998—Subsec. (a)(15). Pub. L. 105–178, §4011(e)(1), substituted “sections (b)–(e), (g)(1)(A), and (g)(2) of section 31310” for “section 31310(b)(6)” of this title.

Subsec. (a)(17), (18). Pub. L. 105–178, §4011(e)(2), (3), redesignated par. (18) as (17) and struck out former par. (17) which read as follows: “The State shall adopt and enforce regulations prescribed by the Secretary under section 31310(g)(1)(A) and (2) of this title.”

Effective Date of 1995 Amendment

STATE-TO-STATE NOTIFICATION OF VIOLATIONS DATA

Pub. L. 106–159, title II, §221, Dec. 9, 1999, 113 Stat. 1769, provided that:

“(a) DEVELOPMENT.—In cooperation with the States, the Secretary shall develop a uniform system to support the electronic transmission of data State-to-State on convictions for all motor vehicle traffic control law violations by individuals possessing a commercial driver’s license as required by paragraphs (9) and (19) of section 31313(a) of title 49, United States Code.

“(b) STATUS REPORT.—Not later than 2 years after the date of the enactment of this Act (Dec. 9, 1999), the Secretary shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the status of the implementation of this section.”
implementation of the State's commercial driver's license program, including expenses for computer hardware and software, publications, testing, personnel, training, and quality control. The grant may not be used to rent, lease, or buy land or buildings.

(B) PRIORITY.—In making grants under paragraph (1)(B), the Secretary shall give priority to States that will use such grants to achieve compliance with the requirements of the Motor Carrier Safety Improvement Act of 1999, including the amendments made by such Act.

(3) APPLICATION.—In order to receive a grant under this section, a State shall submit an application for such grant that is in such form, and contains such information, as the Secretary may require. The application shall include the State's assessment of its commercial driver's license program.

(4) MAINTENANCE OF EXPENDITURES.—The Secretary may make a grant to a State under this subsection only if the State agrees that the total expenditure of amounts of the State and political subdivisions of the State, exclusive of amounts from the United States, for the State's commercial driver's license program will be maintained at a level at least equal to the average level of that expenditure by the State and political subdivisions of the State for the last 2 fiscal years of the State ending before the date of enactment of this section.

(5) GOVERNMENT SHARE.—The Secretary shall reimburse a State under a grant made under this subsection an amount that is not more than 100 percent of the costs incurred by the State in a fiscal year in complying with section 31311 and improving its implementation of its commercial driver's license program. In determining such costs, the Secretary shall include in-kind contributions by the State. Amounts required to be expended by the State under paragraph (4) may not be included as part of the non-Federal share of such costs.

(b) HIGH-PRIORITY ACTIVITIES.—

(1) GRANTS FOR NATIONAL CONCERNS.—The Secretary may make a grant to a State agency, local government, or other person for 100 percent of the costs of research, development, demonstration projects, public education, and other special activities and projects relating to commercial driver licensing and motor vehicle safety that are of benefit to all jurisdictions.

(2) FUNDING.—The Secretary may deduct up to 10 percent of the amounts made available to carry out this section for a fiscal year to make grants under this subsection.

(c) EMERGING ISSUES.—The Secretary may designate up to 10 percent of the amounts made available to carry out this section for a fiscal year for allocation to a State agency, local government, or other person at the discretion of the Secretary to address emerging issues relating to commercial driver's license improvements.

(d) APPORTIONMENT.—Except as otherwise provided in subsection (c), all amounts made available to carry out this section for a fiscal year shall be apportioned to States according to criteria prescribed by the Secretary.

REFERENCES IN TEXT

The date of enactment of this section, referred to in subsec. (a)(4), is the date of enactment of Pub. L. 109–59, which was approved Aug. 10, 2005.

PRIOR PROVISIONS

§ 31314. Withholding amounts for State non-compliance

(a) FIRST FISCAL YEAR.—The Secretary of Transportation shall withhold up to 5 percent of the amount required to be apportioned to a State under section 104(b)(1), (3), and (4) of title 23 on the first day of the fiscal year after the first fiscal year beginning after September 30, 1992, throughout which the State does not comply substantially with a requirement of section 31311(a) of this title.

(b) SECOND FISCAL YEAR.—The Secretary shall withhold up to 10 percent of the amount required to be apportioned to a State under section 104(b)(1), (3), and (4) of title 23 on the first day of each fiscal year after the 2d fiscal year beginning after September 30, 1992, throughout which the State does not comply substantially with a requirement of section 31311(a) of this title.

(c) AVAILABILITY FOR APPORTIONMENT.—Amounts withheld under this section from apportionment to a State after September 30, 1995, are not available for apportionment to the State.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
3131(b) | 49 App.:2710(b). |
3131(c) | 49 App.:2710(c)(1). |
3131(d) | 49 App.:2710(c)(2). |
3131(e) | 49 App.:2710(c)(4). |

In this section, the word “amounts” is substituted for “funds” and “sums” for consistency in the revised title.

In subsection (e), the words “by the Secretary” are omitted as surplus.

AMENDMENTS

2005—Subsecs. (a), (b). Pub. L. 109–59 inserted “up to” after “withheld”.

In subsection (e), the word “amounts” is substituted for “funds” and “sums” for consistency in the revised title.

In this section, the word “amounts” is substituted for “funds” and “sums” for consistency in the revised title.
23. Available for projects under section 118(b) of title 23, the amounts are apportioned. Amounts not obligated at the end of the 3d fiscal year following the fiscal year for which the amounts are apportioned under section 104(b)(5) of title 23, lapse and remain available for expenditure until the end of the fiscal year for which the amounts are authorized to be appropriated.

(a) If the amounts would have been apportioned under section 104(b)(5)(B) of title 23 but for this section, the amounts remain available until the end of the 3d fiscal year following the fiscal year for which the amounts are authorized to be appropriated.

(b) If the amounts would have been apportioned under section 104(b)(2), (4), or (6) of title 23 but for this section, the amounts remain available until the end of the fiscal year following the fiscal year for which the amounts are authorized to be appropriated.

Subsec. (c). Pub L. 105–178, § 4011(g)(2), struck out par. (2) designation and struck out par. (1) which read as follows: “Amounts withheld under this section from apportionment to a State before October 1, 1995, remain available for apportionment to the State as follows: “(1) If, before the last day of the period for which amounts withheld under this section from apportionment are available for apportionment to a State under subsection (c)(1) of this section, the State has not substantially complied with all of the requirements of section 31311(a) of this title for a 365-day period, the amounts lapse or, for amounts withheld from apportionment under section 104(b)(5) of title 23, the amounts lapse and are available for projects under section 118(b) of title 23.”

Subsec. (d). Pub L. 105–178, § 4011(h)(2), as added by Pub L. 105–206, struck out heading and text of former subsec. (d). Text read as follows: “If, at the end of the period for which amounts withheld under this section from apportionment are available for apportionment to a State under subsection (c)(1) of this section, the State has not substantially complied with all of the requirements of section 31311(a) of this title for a 365-day period, the amounts lapse or, for amounts withholding from apportionment under section 104(b)(5) of title 23, the amounts lapse and are available for projects under section 118(b) of title 23.”

Subsec. (e). Pub L. 105–178, § 4011(g)(3), (4), redesignated subsec. (e) as (d) and struck out heading and text of former subsec. (d). Text read as follows: “(1) If, before the last day of the period for which amounts withheld under this section from apportionment are available for apportionment to a State under subsection (c)(1) of this section, the State substantially complies with all of the requirements of section 31311(a) of this title for a 365-day period, the amounts lapse or, for amounts withheld from apportionment under section 104(b)(5) of title 23, the amounts lapse and are available for projects under section 118(b) of title 23.”

Subsec. (f). Pub L. 105–178, § 4011(h)(2), as added by Pub L. 105–206, struck out par. (1) which read as follows: “Amounts withheld under this section from apportionment to a State before October 1, 1995, remain available for apportionment to the State as follows: “(1) If, before the last day of the period for which amounts withheld under this section from apportionment are available for apportionment to a State under subsection (c)(1) of this section, the State has not substantially complied with all of the requirements of section 31311(a) of this title for a 365-day period, the amounts lapse or, for amounts withheld from apportionment under section 104(b)(5) of title 23, the amounts lapse and are available for projects under section 118(b) of title 23.”

Subsec. (g). Pub L. 105–178, § 4011(g)(3), redesignated subsec. (g) as (f). Text read as follows: “(1) If, before the last day of the period for which amounts withheld under this section from apportionment are available for apportionment to a State under subsection (c)(1) of this section, the State substantially complies with all of the requirements of section 31311(a) of this title for a 365-day period, the amounts lapse or, for amounts withheld from apportionment under section 104(b)(5) of title 23, the amounts lapse and are available for projects under section 118(b) of title 23.”

Subsec. (h). Pub L. 105–178, § 4011(h)(3), redesignated subsec. (h) as (g). Text read as follows: “If, at the end of the period for which amounts withheld under this section from apportionment are available for apportionment to a State under subsection (c)(1) of this section, the State has not substantially complied with all of the requirements of section 31311(a) of this title for a 365-day period, the amounts lapse or, for amounts withheld from apportionment under section 104(b)(5) of title 23, the amounts lapse and are available for projects under section 118(b) of title 23.”

Subsec. (i). Pub L. 105–178, § 4011(h)(4), redesignated subsec. (i) as (h). Text read as follows: “If, at the end of the period for which amounts withheld under this section from apportionment are available for apportionment to a State under subsection (c)(1) of this section, the State substantially complies with all of the requirements of section 31311(a) of this title for a 365-day period, the amounts lapse or, for amounts withheld from apportionment under section 104(b)(5) of title 23, the amounts lapse and are available for projects under section 118(b) of title 23.”

Effective Date of 1998 Amendment

§ 31315. Waivers, exemptions, and pilot programs

(a) Waivers.—The Secretary may grant a waiver that relieves a person from compliance in whole or in part with a regulation issued under this chapter or section 31316 if the Secretary determines that it is in the public interest to grant the waiver and that the waiver is likely to achieve a level of safety that is equivalent to, or greater than, the level of safety that would be obtained in the absence of the waiver—

(1) for a period not in excess of 3 months;
(2) limited in scope and circumstances;
(3) for nonemergency and unique events; and
(4) subject to such conditions as the Secretary may impose.

(b) Exemptions.—

(1) In general.—Upon receipt of a request pursuant to paragraph (3), the Secretary of Transportation may grant to a person or class of persons an exemption from a regulation prescribed under this chapter or section 31316 if the Secretary finds such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption. An exemption may be granted for no longer than 2 years from its approval date and may be renewed upon application to the Secretary.

(2) Authority to revoke exemption.—The Secretary shall immediately revoke an exemption if—

(A) the person fails to comply with the terms and conditions of such exemption;
(B) the exemption has resulted in a lower level of safety than was maintained before the exemption was granted; or
(C) continuation of the exemption would not be consistent with the goals and objectives of this chapter or section 31316, as the case may be.

(3) Requests for exemption.—Not later than 180 days after the date of enactment of this section and after notice and an opportunity for public comment, the Secretary shall specify by regulation the procedures by which a person may request an exemption. Such regulations shall, at a minimum, require the person to provide the following information for each exemption request:

(A) The provisions from which the person requests exemption.
(B) The time period during which the requested exemption would apply.
(C) An analysis of the safety impacts the requested exemption may cause.
(D) The specific countermeasures the person would undertake to ensure an equivalent or greater level of safety than would be achieved absent the requested exemption.

(4) Notice and comment.—

(A) Upon receipt of a request.—Upon receipt of an exemption request, the Secretary shall publish in the Federal Register a notice explaining the request that has been filed and shall give the public an opportunity to inspect the safety analysis and any other relevant information known to the Secretary and to comment on the request. This subparagraph does not require the release of information protected by law from public disclosure.

(B) Upon granting a request.—Upon granting a request for exemption, the Secretary shall publish in the Federal Register the name of the person granted the exemption, the provisions from which the person will be exempt, the effective period, and all terms and conditions of the exemption.

(C) After denying a request.—After denying a request for exemption, the Secretary...
§ 31315

TITLE 49—TRANSPORTATION

Page 652

shall publish in the Federal Register the name of the person denied the exemption and the reasons for such denial. The Secretary may meet the requirement of this subparagraph by periodically publishing in the Federal Register the names of persons denied exemptions and the reasons for such denials.

(5) APPLICATIONS TO BE DEALT WITH PROMPTLY.—The Secretary shall grant or deny an exemption request after a thorough review of its safety implications, but in no case later than 180 days after the filing date of such request.

(6) TERMS AND CONDITIONS.—The Secretary shall establish terms and conditions for each exemption to ensure that it will likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption. The Secretary shall monitor the implementation of the exemption to ensure compliance with its terms and conditions.

(7) NOTIFICATION OF STATE COMPLIANCE AND ENFORCEMENT PERSONNEL.—Before granting a request for exemption, the Secretary shall notify State safety compliance and enforcement personnel, including roadside inspectors, and the public that a person will be operating pursuant to an exemption and any terms and conditions that will apply to the exemption.

(c) PILOT PROGRAMS.—

(1) IN GENERAL.—The Secretary may conduct pilot programs to evaluate alternatives to regulations relating to, or innovative approaches to, motor carrier, commercial motor vehicle, and driver safety. Such pilot programs may include exemptions from a regulation prescribed under this chapter or section 31136 if the pilot program contains, at a minimum, the elements described in paragraph (2). The Secretary shall publish in the Federal Register a detailed description of each pilot program, including the exemptions to be considered, and provide notice and an opportunity for public comment before the effective date of the program.

(2) PROGRAM ELEMENTS.—In proposing a pilot program and before granting exemptions for purposes of a pilot program, the Secretary shall require, as a condition of approval of the project, that the safety measures in the project are designed to achieve a level of safety that is equivalent to, or greater than, the level of safety that would otherwise be achieved through compliance with the regulations prescribed under this chapter or section 31136. The Secretary shall include, at a minimum, the following elements in each pilot program plan:

(A) A scheduled life of each pilot program of not more than 3 years.

(B) A specific data collection and safety analysis plan that identifies a method for comparison.

(C) A reasonable number of participants necessary to yield statistically valid findings.

(D) An oversight plan to ensure that participants comply with the terms and conditions of participation.

(E) Adequate countermeasures to protect the health and safety of study participants and the general public.

(F) A plan to inform State partners and the public about the pilot program and to identify approved participants to safety compliance and enforcement personnel and to the public.

(3) AUTHORITY TO REVOKE PARTICIPATION.—The Secretary shall immediately revoke participation in a pilot program of a motor carrier, commercial motor vehicle, or driver for failure to comply with the terms and conditions of the pilot program or if continued participation would not be consistent with the goals and objectives of this chapter or section 31136, as the case may be.

(4) AUTHORITY TO TERMINATE PROGRAM.—The Secretary shall immediately terminate a pilot program if its continuation would not be consistent with the goals and objectives of this chapter or section 31136, as the case may be.

(5) REPORT TO CONGRESS.—At the conclusion of each pilot program, the Secretary shall report to Congress the findings, conclusions, and recommendations of the program, including suggested amendments to laws and regulations that would enhance motor carrier, commercial motor vehicle, and driver safety and improve compliance with national safety standards.

(d) PREEMPTION OF STATE RULES.—During the time period that a waiver, exemption, or pilot program is in effect under this chapter or section 31136, no State shall enforce any law or regulation that conflicts with or is inconsistent with the waiver, exemption, or pilot program with respect to a person operating under the waiver or exemption or participating in the pilot program.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

The words “Notwithstanding any other provision of this chapter” are omitted as surplus.

REFERENCES IN TEXT

The date of enactment of this section, referred to in subsec. (b)(3), probably means the date of enactment of Pub. L. 105–178, which amended this section generally and was approved June 9, 1998.

AMENDMENTS

1998—Pub. L. 105–178 amended section catchline and text generally. Prior to amendment, text read as follows: “After notice and an opportunity for comment, the Secretary of Transportation may waive any part of this chapter or a regulation prescribed under this chapter as it applies to a class of individuals or commercial motor vehicles if the Secretary decides the waiver is not contrary to the public interest and does not diminish the safe operation of commercial motor vehicles. A waiver under this section shall be published in the Federal Register with reasons for the waiver.”
§ 31316. Limitation on statutory construction

This chapter does not affect the authority of the Secretary of Transportation to regulate commercial motor vehicle safety involving motor vehicles with a gross vehicle weight rating of less than 26,001 pounds or a lesser gross vehicle weight rating the Secretary decides is appropriate under section 31301(4)(A) of this title.

The words “This chapter does not affect” are substituted for “Nothing in this chapter shall be construed to diminish, limit, or otherwise affect” to eliminate unnecessary words.

§ 31317. Procedure for prescribing regulations

Regulations prescribed by the Secretary of Transportation to carry out this chapter (except section 31307) shall be prescribed under section 553 of title 5 without regard to sections 556 and 557 of title 5.

The text of 49 App. 2715(a) is omitted as surplus because of 49:322(a). The words “except section 31307” are added because the source provisions restated in this section do not apply to the source provisions restated in section 31307 of the revised title.

CHAPTER 315—MOTOR CARRIER SAFETY

Sec.
31501. Definitions.
31502. Requirements for qualifications, hours of service, safety, and equipment standards.
31503. Research, investigation, and testing.
31504. Identification of motor vehicles.

HISTORICAL AND REVISION NOTES

Chapter 315 is a restatement of existing chapter 31 of title 49, United States Code, that is redesignated as chapter 315 by section 1(c) of the bill.

§ 31501. Definitions

In this chapter—

(1) “migrant worker” means an individual going to or from employment in agriculture as provided under section 3121(g) of the Internal Revenue Code of 1986 (26 U.S.C. 3121(g)) or section 3(f) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(f)).

(A) means a person (except a motor common carrier) providing transportation referred to in section 13501 of this title by a motor vehicle (except a passenger automobile or station wagon) for at least 3 migrant workers at a time to or from their employment; but

(B) does not include a migrant worker providing transportation for migrant workers and their immediate families.

In clause (1), the words “going to or from” are substituted for “proceeding to or returning from” for clarity.

Clause (2) is included to ensure that the identical definitions that are relevant are used without repeating them. The source provisions for the quoted definitions are found in the revision notes for section 10102 of the revised title.

In clause (3), the words “including any contract common carrier by motor vehicle” are omitted as covered by the definition of “motor carrier”. The words “referred to in section 10521(a) of this title” are substituted for “in interstate or foreign commerce” for clarity and consistency in the revised title. The word “except” is substituted for “but not including” for clarity. The words “at least” are substituted for “or more”, and the words “but the term does not include” are substituted for “except”, for consistency.

PUBL. L. 103–429

This amends 49:31501(1) to correct an erroneous cross-reference.

AMENDMENTS

Par. (3)(A). Pub. L. 104–88, § 308(k)(2), substituted “13501” for “10521(a)”.

1994—Pub. L. 103–272 renumbered section 3101 of this title as this section and amended it generally, restating it without substantive change.

Par. (1). Pub. L. 103–429 substituted “section 3(f)” for “section 269(f)”.
§ 31502. Requirements for qualifications, hours of service, safety, and equipment standards

(a) APPLICATION.—This section applies to transportation—

(1) described in sections 13501 and 13502 of this title; and

(2) to the extent the transportation is in the United States and is between places in a foreign country, or between a place in a foreign country and a place in another foreign country.

(b) MOTOR CARRIER AND PRIVATE MOTOR CARRIER REQUIREMENTS.—The Secretary of Transportation may prescribe requirements for—

(1) qualifications and maximum hours of service of employees of, and safety of operation and equipment of, a motor carrier; and

(2) qualifications and maximum hours of service of employees of, and standards of equipment of, a motor private carrier, when needed to promote safety of operation.

(c) MIGRANT WORKER MOTOR CARRIER REQUIREMENTS.—The Secretary may prescribe requirements for the comfort of passengers, qualifications and maximum hours of service of operators, and safety of operation and equipment of a motor carrier of migrant workers. The requirements only apply to a carrier transporting a migrant worker—

(1) at least 75 miles; and

(2) across the boundary of a State, territory, or possession of the United States.

(d) CONSIDERATIONS.—Before prescribing or revising any requirement under this section, the Secretary shall consider the costs and benefits of the requirement.

(e) EXCEPTION.—

(1) IN GENERAL.—Notwithstanding any other provision of law, regulations issued under this section or section 31136 regarding—

(A) maximum driving and on-duty times applicable to operators of commercial motor vehicles,

(B) physical testing, reporting, or recordkeeping, and

(C) the installation of automatic recording devices associated with establishing the maximum driving and on-duty times referred to in subparagraph (A), shall not apply to any driver of a utility service vehicle during an emergency period of not more than 30 days declared by an elected State or local government official under paragraph (2) in the area covered by the declaration.

(2) DECLARATION OF EMERGENCY.—An elected State or local government official or elected officials of more than one State or local government jointly may issue an emergency declaration for purposes of paragraph (1) after notice to the Field Administrator of the Federal Motor Carrier Safety Administration with jurisdiction over the area covered by the declaration.

(3) INCIDENT REPORT.—Within 30 days after the end of the declared emergency period the official who issued the emergency declaration shall file with the Field Administrator a report of each safety-related incident or accident that occurred during the emergency period involving—

(A) a utility service vehicle driver to which the declaration applied; or

(B) a utility service vehicle of the driver to which the declaration applied.

(4) DEFINITIONS.—In this subsection, the following definitions apply:

(A) DRIVER OF A UTILITY SERVICE VEHICLE.—The term “driver of a utility service vehicle” means any driver who is considered to be a driver of a utility service vehicle for purposes of section 345(a)(4) of the National Highway System Designation Act of 1995 (49 U.S.C. 31136 note; 109 Stat. 613).

(B) UTILITY SERVICE VEHICLE.—The term “utility service vehicle” has the meaning that term has under section 345(e)(6) of the National Highway System Designation Act of 1995 (49 U.S.C. 31136 note; 109 Stat. 614–615).

## Historical and Revision Notes

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
<tbody>
<tr>
<td>3102(a) ……</td>
<td>(no source).</td>
<td>Feb. 4, 1887, ch. 104, 24 Stat. 379, §204(a)(1)–(2) (related to qualifications, hours of service, and safety).</td>
</tr>
<tr>
<td>3102(c) ……</td>
<td>49:304(a)(3a) (1st sentence); 49:1655(e)(6)(C).</td>

</tr>
</tbody>
</table>

Throughout the chapter, the words “Secretary of Transportation” are substituted for “Interstate Commerce Commission” because 49:1655(e)(6)(B)–(D) transferred the authority of the Interstate Commerce Commission under the provisions restated in this chapter to the Secretary of Transportation. Subsection (a) is included to maintain the jurisdictional scope of the source provisions from which subsections (b) and (c) of the revised section are taken. Subsections (b) and (c) are based on 49:304 which, as part of 49:ch. 8, is now restated as subchapter II of chapter 105 of the revised title. In addition, 49:305(a)(11) (last sentence) extended the jurisdictional scope of 49:304 as provided in subsection (a) of the revised section.

In subsection (b), before clause (1), the words “and to that end” are omitted as surplus. The word “prescribe” is substituted for “establish” for consistency. The word “reasonable” is omitted as surplus.

In subsection (b)(1), the words “as provided in this chapter” are omitted as unnecessary because of the reference.

1 See References in Text note below.

2 So in original. Probably should be followed by a period.
statement. The term “motor carrier” is substituted for “common carriers by motor vehicle” and “contract carriers by motor vehicle” because they are inclusive.

In subsection (b)(2), the words “when needed” are substituted for “if need therefor is found” to eliminate unnecessary words.

In subsection (c), the word “prescribe” is substituted for “establish” for consistency. The word “reasonable” is omitted as surplus. The words “for a total distance of” are omitted as unnecessary because a carrier necessarily crosses the boundary of a foreign country or the District of Columbia into or from the United States would necessarily cross the boundary of a State and be covered by the provision related to a State.

REFERENCES IN TEXT
Section 345 of the National Highway System Designation Act of 1995, referred to in subsec. (e)(4), is section 345 of Pub. L. 104–59, which was set out as a note under section 31136 of this title.

AMENDMENTS

1994—Pub. L. 103–272 renumbered section 3102 of this title as this section and amended it generally, restating it without substantive change.

EFFECTIVE DATE OF 1995 AMENDMENT

SAVINGS PROVISION
Pub. L. 100–690, title IX, §9102(c), Nov. 18, 1988, 102 Stat. 4529, provided that: “The amendment made by subsection (a) [amending section 2568 of former Title 49, Transportation] shall not be construed as having any effect on the enactment of subsection (d) of section 3102 [now 3102] of title 49, United States Code, which subsection (d) was added to such section by section 206(h) of the Motor Carrier Safety Act of 1984 [Pub. L. 98–354] on October 30, 1984.”

CONTINUED APPLICATION OF SAFETY AND MAINTENANCE REQUIREMENTS
Pub. L. 105–178, title IV, §4012(b), June 9, 1998, 112 Stat. 409, provided that:

“(1) IN GENERAL.—The amendment made by subsection (a) [amending this section] may not be construed—

“(A) to exempt any utility service vehicle from compliance with any applicable provision of law relating to vehicle mechanical safety, movement requirements, or inspections; or

“(B) to exempt any driver of a utility service vehicle from any applicable provision of law (including any regulation) established for the issuance, maintenance, or periodic renewal of a commercial driver’s license for that driver.

“(2) DEFINITIONS.—In this subsection, the following definitions apply:

“(A) COMMERCIAL DRIVER’S LICENSE.—The term ‘commercial driver’s license’ has the meaning that term has under section 31301 of title 49, United States Code.

“(B) DRIVER OF A UTILITY SERVICE VEHICLE.—The term ‘driver of a utility service vehicle’ has the meaning that term has under section 31502(e)(2) of such title (probably should be section 31502(e)(4)(A) of such title).

“(C) REGULATION.—The term ‘regulation’ has the meaning that term has under section 31312 of such title.

STUDY OF ADEQUACY OF PARKING FACILITIES

“(a) STUDY.—The Secretary [of Transportation] shall conduct a study to determine the location and quantity of parking facilities at commercial truck stops and travel plazas and public rest areas that could be used by motor carriers to comply with Federal hours of service rules. The study shall include an inventory of current facilities serving the National Highway System, analyze where shortages exist or are projected to exist, and propose a plan to reduce the shortages. The study may be carried out in cooperation with research entities representing motor carriers, the travel plaza industry, and commercial motor vehicle drivers.

“(b) REPORT.—Not later than 3 years after the date of the enactment of this Act [June 9, 1998], the Secretary shall transmit to Congress a report on the results of the study with any recommendations the Secretary determines appropriate as a result of the study.

“(c) FUNDING.—From amounts set aside under section 104(a) of title 23, United States Code, for each of fiscal years 1999, 2000, and 2001, the Secretary may use not to exceed $500,000 per fiscal year to carry out this section.”

EXEMPTIONS FROM REQUIREMENTS RELATING TO COMMERCIAL MOTOR VEHICLES AND THEIR OPERATORS
For provisions relating to exemptions from regulations prescribed under this section as to maximum driving and on-duty time for drivers used by motor carriers, see section 345 of Pub. L. 104–59, set out as a note under section 31136 of this title.

§31503. Research, investigation, and testing

(a) GENERAL AUTHORITY.—The Secretary of Transportation may investigate and report on the need for regulation by the United States Government of sizes, weight, and combinations of motor vehicles and qualifications and maximum hours of service of employees of a motor carrier subject to subchapter I of chapter 135 of this title and a motor private carrier. The Secretary shall use the services of each department, agency, or instrumentality of the Government and each organization of motor carriers having special knowledge of a matter being investigated.

(b) USE OF SERVICES.—In carrying out this chapter, the Secretary may use the services of a department, agency, or instrumentality of the Government having special knowledge about safety, to conduct scientific and technical research, investigation, and testing when necessary to promote safety of operation and equip-
ment of motor vehicles. The Secretary may reimburse the department, agency, or instrumentality for the services provided.

HISTORICAL AND REVISION NOTES

In subsection (a), the words "subject to subchapter II of chapter 105 of this title" are added for clarity. The word "services" is substituted for "assistance" for consistency. The words "department, agency, or instrumentality" are added for consistency. The word "services" is substituted for "assistance" for consistency.

In subsection (b), the words "In carrying out this chapter" are substituted for "For the purpose of carrying out the provisions pertaining to safety" to eliminate unnecessary words. The words "department . . . or bureau of the Government" for consistency.

In subsection (b), the words "In carrying out this chapter" are substituted for "For the purpose of carrying out the provisions pertaining to safety" to eliminate unnecessary words. The words "department . . . or bureau of the Government" for consistency.

In subsection (b), the words "In carrying out this chapter" are substituted for "For the purpose of carrying out the provisions pertaining to safety" to eliminate unnecessary words. The words "department . . . or bureau of the Government" for consistency.

The section is included to reflect the text of former 49:324 (related to motor private carriers and motor carriers of migrant workers) which is incorporated in the revised title by cross-reference.

AMENDMENTS

1994—Pub. L. 103–272 renumbered section 3104 of this title as this section and amended it generally, restating it without substantive change.

CHAPTER 317—PARTICIPATION IN INTERNATIONAL REGISTRATION PLAN AND INTERNATIONAL FUEL TAX AGREEMENT

Sec. 31701. Definitions.

AMENDMENTS

§ 31701. Definitions

In this chapter—

(1) “commercial motor vehicle”, with respect to—

(A) the International Registration Plan, has the same meaning given the term "apportionable vehicle" under the Plan; and

(B) the International Fuel Tax Agreement, has the same meaning given the term "qualified motor vehicle" under the Agreement.

(2) “fuel use tax” means a tax imposed on or measured by the consumption of fuel in a motor vehicle.

(3) “International Fuel Tax Agreement” means the interstate agreement on collecting and distributing fuel use taxes paid by motor carriers, developed under the auspices of the National Governors Association.

(4) “International Registration Plan” means the interstate agreement on apportioning vehicle registration fees paid by motor carriers, developed by the American Association of Motor Vehicle Administrators.

(5) “Regional Fuel Tax Agreement” means the interstate agreement on collecting and
distributing fuel use taxes paid by motor carriers in the States of Maine, Vermont, and New Hampshire.

§ 31701. Vehicle registration

After September 30, 1996, a State that is not participating in the International Registration Plan may not establish, maintain, or enforce a commercial motor vehicle registration law, regulation, or agreement that limits the operation in that State of a commercial motor vehicle that is not registered under the laws of the State, if the vehicle is registered under the laws of a State participating in the Plan.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 1032.)

§ 31704. Fuel use tax

(a) Reporting requirements.—After September 30, 1996, a State may establish, maintain, or enforce a law or regulation that has a fuel use tax reporting requirement (including any tax reporting form) only if the requirement conforms with the International Fuel Tax Agreement.

(b) Payment.—After September 30, 1996, a State may establish, maintain, or enforce a law or regulation that provides for the payment of a fuel use tax only if the law or regulation conforms with the International Fuel Tax Agreement as it applies to collection of a fuel use tax by a single base State and proportional sharing of fuel use taxes charged among the States where a commercial motor vehicle is operated.

(c) Limitation.—If the International Fuel Tax Agreement is amended, a State not participating in the Agreement when the amendment is made is not subject to the conformity requirements of subsections (a) and (b) of this section in regard to the amendment until after a reasonable time, but not earlier than the expiration of—

(1) the 365-day period beginning on the first day that States participating in the Agreement are required to comply with the amendment; or

(2) the 365-day period beginning on the day the relevant office of the State receives written notice of the amendment from the Secretary of Transportation.

(d) Nonapplication.—This section does not apply to a State that was participating in the Regional Fuel Tax Agreement on January 1, 1991, and that continues to participate in that Agreement after that date.

P.L. 103-272, §1(e), July 5, 1994, 108 Stat. 1032.)

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

The words “a State that is not participating in the International Registration Plan may not” are substituted for “no State (other than a State which is participating in the International Registration Plan) shall” for consistency in the revised title and to eliminate unnecessary words.
§ 31706. Enforcement

(a) CIVIL ACTIONS.—On request of the Secretary of Transportation, the Attorney General may bring a civil action in a court of competent jurisdiction to enforce compliance with sections 31704 and 31705 of this title.

(b) VENUE.—An action under this section may be brought only in the State in which an order is required to enforce compliance.

(c) RELIEF.—Subject to section 1341 of title 28, the court, on a proper showing—

(1) shall issue a temporary restraining order or a preliminary or permanent injunction; and

(2) may require by the injunction that the State or any person comply with sections 31704 and 31705 of this title.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

In subsection (a), the words “bring a civil action . . . to enforce compliance” are substituted for “commence a civil action for such injunctive relief as may be appropriate to ensure compliance” for consistency in the revised title and to eliminate unnecessary words.

In subsection (b), the words “an order is required to enforce compliance” are substituted for “relief is required with respect to such amendment” for clarity.

§ 31707. Limitations on statutory construction

Sections 31704 and 31705 of this title do not limit the amount of money a State may charge for registration of a commercial motor vehicle or the amount of any fuel use tax a State may impose.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

§ 32101. Definitions

In this part (except chapter 329 and except as provided in section 33101)—

(1) “bumper standard” means a minimum performance standard that substantially reduces—

(A) the damage to the front or rear end of a passenger motor vehicle from a low-speed collision (including a collision with a fixed barrier) or from towing the vehicle; or

(B) the cost of repairing the damage.

(2) “insurer” means a person in the business of issuing, or reinsuring any part of, a passenger motor vehicle insurance policy.

(3) “interstate commerce” means commerce between a place in a State and—

(A) a place in another State; or

(B) another place in the same State through another State.

(4) “make”, when describing a passenger motor vehicle, means the trade name of the manufacturer of the vehicle.

(5) “manufacturer” means a person—

(A) manufacturing or assembling passenger motor vehicles or passenger motor vehicle equipment; or

(B) importing motor vehicles or motor vehicle equipment for resale.

(6) “model”, when describing a passenger motor vehicle, means a category of passenger motor vehicles based on the size, style, and type of a make of vehicle.

(7) “motor vehicle” means a vehicle driven or drawn by mechanical power and manufactured primarily for use on public streets, roads, and highways, but does not include a vehicle operated only on a rail line.

(8) “motor vehicle accident” means an accident resulting from the maintenance or operation of a passenger motor vehicle or passenger motor vehicle equipment.

(9) “multipurpose passenger vehicle” means a passenger motor vehicle constructed on a truck chassis or with special features for occasional off-road operation.

(10) “passenger motor vehicle” means a motor vehicle with motive power designed to carry not more than 12 individuals, but does not include—

(A) a motorcycle; or

(B) a truck not designed primarily to carry its operator or passengers.

(11) “passenger motor vehicle equipment” means—

(A) a system, part, or component of a passenger motor vehicle as originally made; or

(B) a similar part or component made or sold for replacement or improvement of a system, part, or component, or as an accessory or addition to a passenger motor vehicle; or

(C) a device made or sold for use in towing a passenger motor vehicle.

(12) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, Guam, American Samoa, and the Virgin Islands.

(13) “United States district court” means a district court of the United States, a United
States court for Guam, the Virgin Islands, and American Samoa, and the district court for the Northern Marianas Islands.

In clause (1), the text of 15:1901(11) is omitted as surplus because the complete title of the Secretary of Transportation is used the first time the term appears in a section. The definition of “property loss reduction standard” is combined with the definition of “bumper standard” because the former term is used only in the definition of the latter term. Before clause (A), the words “the purpose of which is” and “eliminate” are omitted as surplus. In subclauses (A) and (B), the words “‘or both’” are omitted as surplus. In clause (2), the word “physical” is omitted as surplus.

In clause (5)(A), the words “manufacturing or assembling” are substituted for “engaged in the manufacturing or assembling of” to eliminate unnecessary words.

In clause (8), the words “maintenance or operation” are substituted for “operation, maintenance, or use” to eliminate an unnecessary word.

In clauses (12) and (13), the words “the Northern Mariana Islands” are added because of section 502(a)(2) of the Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States of America, as enacted by the Act of March 24, 1976 (Public Law 94-241, 90 Stat. 268), and as proclaimed to be in effect by the President on January 9, 1978. Pub. L. 105–178, title VII, §7102(b), June 9, 1998, 112 Stat. 465; Pub. L. 105–39, §1(b), July 28, 1999, 113 Stat. 206.

The reference to fiscal year 1992 is omitted as obsolete.

AMENDMENTS

1999—Pub. L. 106–39 substituted “$9,562,500” for “$6,200,000”.

1998—Pub. L. 105–178 reenacted section catchline without change and amended text generally. Prior to amendment, text read as follows: “The following amounts may be appropriated to the Secretary of Transportation for the National Highway Traffic Safety Administration to carry out this part in each fiscal year beginning in fiscal year 1999 and ending in fiscal year 2001:

CHAPTER 323—CONSUMER INFORMATION

Sec.
32301. Definitions.
32302. Passenger motor vehicle information.
32303. Insurance information.
32304. Passenger motor vehicle country of origin labeling.
32304A. Consumer tire information.
32305. Information and assistance from other departments, agencies, and instrumentalities.
32306. Personnel.
32307. Investigative powers.
32308. General prohibitions, civil penalty, and enforcement.
32309. Civil penalty for labeling violations.

AMENDMENTS

§ 32301. Definitions

In this chapter—

(1) “crashworthiness” means the protection a passenger motor vehicle gives its passengers against personal injury or death from a motor vehicle accident.

(2) “damage susceptibility” means the susceptibility of a passenger motor vehicle to damage in a motor vehicle accident.

Effective Date of 1994 Amendment

§ 32302. Passenger motor vehicle information

(a) **INFORMATION PROGRAM.**—The Secretary of Transportation shall maintain a program for developing the following information on passenger motor vehicles:

(1) damage susceptibility.
(2) crashworthiness.
(3) the degree of difficulty of diagnosis and repair of damage to, or failure of, mechanical and electrical systems.
(4) vehicle operating costs dependent on the characteristics referred to in clauses (1)–(3) of this subsection, including insurance information obtained under section 32303 of this title.

(b) **MOTOR VEHICLE INFORMATION.**—To assist a consumer in buying a passenger motor vehicle, the Secretary shall provide to the public the information developed under subsection (a) of this section. The information shall be in a simple and understandable form that allows comparison of the characteristics referred to in subsection (a)(1)–(3) of this section among the makes and models of passenger motor vehicles. The Secretary may require passenger motor vehicle dealers to distribute the information to prospective buyers.

(c) **INSURANCE COST INFORMATION.**—The Secretary shall prescribe regulations that require passenger motor vehicle dealers to distribute to prospective buyers information the Secretary develops and provides to the dealers that compares insurance costs for different makes and models of passenger motor vehicles based on damage susceptibility and crashworthiness.

In subsection (a), the words before clause (1) are substituted for “The Secretary shall compile the information described in subsection (c) of this section” and “existing information and information to be developed relating to” for clarity and to eliminate unnecessary words.

In subsection (b), the words “After the study has been completed” are omitted as executed. The words “To as-

§ 32303. Insurance information

(a) **GENERAL REPORTS AND INFORMATION REQUIREMENTS.**—(1) In carrying out this chapter, the Secretary of Transportation may require an insurer, or a designated agent of the insurer, to make reports and provide the Secretary with information. The reports and information may include accident claim information by make, model, and model year of passenger motor vehicle about the kind and extent of—

(A) physical damage and repair costs; and
(B) personal injury.

(2) In deciding which reports and information are to be provided under this subsection, the Secretary shall—

(A) consider the cost of preparing and providing the reports and information;
(B) consider the extent to which the reports and information will contribute to carrying out this chapter; and
(C) consult with State authorities and public and private agencies the Secretary considers appropriate.

(3) To the extent possible, the Secretary shall obtain reports and information under this subsection on a voluntary basis.

(b) **REQUESTED INFORMATION ON CRASHWORTHINESS, DAMAGE SUSCEPTIBILITY, AND REPAIR AND PERSONAL INJURY COST.**—When requested by the Secretary, an insurer shall give the Secretary information—

(1) about the extent to which the insurance premiums charged by the insurer are affected by damage susceptibility, crashworthiness, and the cost of repair and personal injury, for each make and model of passenger motor vehicle; and
(2) available to the insurer about the effect of damage susceptibility, crashworthiness, and the cost of repair and personal injury for each make and model of passenger motor vehicle on the risk incurred by the insurer in insuring that make and model.

(c) **DISCLOSURE.**—In distributing information received under this section, the Secretary may disclose identifying information about a person that may be an insured, a claimant, a passenger, an owner, a witness, or an individual involved in a motor vehicle accident, only with the consent of the person.

§ 32304. Passenger motor vehicle country of origin labeling (a) Definitions.—In this section—

(1) "allied supplier" means a supplier of passenger motor vehicle equipment that is wholly owned by the manufacturer, or if a joint venture vehicle assembly arrangement, a supplier that is wholly owned by one member of the joint venture arrangement.

(2) (A) "carline"—

(i) means a name given a group of passenger motor vehicles that has a degree of commonality in construction such as body and chassis;

(ii) does not consider a level of decor or opulence; and

(iii) except for light duty trucks, is not generally distinguished by characteristics such as roof line, number of doors, seats, or windows; and

(B) light duty trucks are different carlines than passenger motor vehicles.

(3) "country of origin"; when referring to the origin of an engine or transmission, means the country from which the largest share of the dollar value added to an engine or transmission has originated—

(A) with the United States and Canada treated as separate countries; and

(B) the estimate of the percentage of the dollar value shall be based on the purchase price of direct materials, as received at individual engine or transmission plants, of engines of the same displacement and transmissions of the same transmission type, plus the assembly and labor costs incurred for the final assembly of such engines and transmissions.

(4) "dealer" means a person residing or located in the United States, including the District of Columbia or a territory or possession of the United States, and engaged in selling or distributing new passenger motor vehicles to the ultimate purchaser.

(5) "final assembly place" means the plant, factory, or other place at which a new passenger motor vehicle is produced or assembled by a manufacturer, and from which the vehicle is delivered to a dealer or importer with all component parts necessary for the mechanical operation of the vehicle included with the vehicle, whether or not the component parts are permanently installed in or on the vehicle. Such term does not include facilities for engine and transmission fabrication and assembly and the facilities for fabrication of motor vehicle equipment component parts which are produced at the same final assembly place using processes such as stamping, machining, or molding processes.

(6) "foreign content" means passenger motor vehicle equipment that is not of United States/Canadian origin.

(7) "manufacturer" means a person—

(A) engaged in manufacturing or assembling new passenger motor vehicles;

(B) importing new passenger motor vehicles for resale; or

(C) acting for and under the control of such a manufacturer, assembler, or importer in connection with the distribution of new passenger motor vehicles.

(8) "new passenger motor vehicle" means a passenger motor vehicle for which a manufacturer, distributor, or dealer has never transferred the equitable or legal title to the vehicle to an ultimate purchaser.

(9) "of United States/Canadian origin", when referring to passenger motor vehicle equipment, means—

(A) for an outside supplier—

(i) the full purchase price of passenger motor vehicle equipment whose purchase price contains at least 70 percent value added in the United States and Canada; or

(ii) that portion of the purchase price of passenger motor vehicle equipment containing less than 70 percent value added in the United States and Canada that is attributable to the percent value added in the United States and Canada when such percent is expressed to the nearest 5 percent; and

(B) for an allied supplier, that part of the individual passenger motor vehicle equipment whose purchase price the manufacturer determines remains after subtracting the total of the purchase prices of all material of foreign content purchased from out-
side suppliers, with the determination of the United States/Canadian origin or of the foreign content from outside suppliers being consistent with subclause (A) of this clause.

(10) “outside supplier” means a supplier of passenger motor vehicle equipment to a manufacturer’s allied supplier, or a person other than an allied supplier, who ships directly to the manufacturer’s final assembly place.

(11) “passenger motor vehicle” has the same meaning given that term in section 32101(10) of this title, except that it includes any multipurpose vehicle or light duty truck when that vehicle or truck is rated at not more than 8,500 pounds gross vehicle weight.

(12) “passenger motor vehicle equipment”—

(A) means a system, subassembly, or component received at the final vehicle assembly place for installation on, or attachment to, a passenger motor vehicle at the time of its first shipment by the manufacturer to a dealer for sale to an ultimate purchaser; but

(B) does not include minor parts (including nuts, bolts, clips, screws, pins, braces, and other attachment hardware) and other similar items the Secretary of Transportation may prescribe by regulation after consulting with manufacturers and labor.

(13) “percentage (by value)”, when referring to passenger motor vehicle equipment of United States/Canadian origin, means the percentage remaining after subtracting the percentage (by value) of passenger motor vehicle equipment that is not of United States/Canadian origin that will be installed or included on those vehicles produced in a carline, from 100 percent—

(A) with value being expressed in terms of the purchase price; and

(B) for outside suppliers and allied suppliers, the value used is the purchase price of the equipment paid at the final assembly place.

(14) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, Guam, American Samoa, and the Virgin Islands.

(15) “value added in the United States and Canada” means a percentage determined by subtracting the total purchase price of foreign content from the total purchase price, and dividing the remainder by the total purchase price, excluding costs incurred or profits made at the final assembly place and beyond (including advertising, assembly, labor, interest payments, and profits), with the following groupings being used:

(A) engines of same displacement produced at the same plant.

(B) transmissions of the same type produced at the same plant.

(b) Manufacturer Requirement.—(1) Each manufacturer of a new passenger motor vehicle manufactured after September 30, 1994, and distributed in commerce for sale in the United States, shall establish each year for each model year and cause to be attached in a prominent place on each of those vehicles, at least one label. The label shall contain the following information:

(A) the percentage (by value) of passenger motor vehicle equipment of United States/Canadian origin installed on vehicles in the carline to which that vehicle belongs, identified by the words “U.S./Canadian content”.

(B) the final assembly place for that vehicle by city, State (where appropriate) and country.

(C) if at least 15 percent (by value) of equipment installed on passenger motor vehicles in a carline originated in any country other than the United States and Canada, the names of at least the 2 countries in which the greatest amount (by value) of that equipment originated and the percentage (by value) of the equipment originating in each country.

(D) the country of origin of the engine and the transmission for each vehicle.

(2) At the beginning of each model year, each manufacturer shall establish the percentages required for each carline to be indicated on the label under this subsection. Those percentages are applicable to that carline for the entire model year. A manufacturer may round those percentages to the nearest 5 percent.

(3) A manufacturer complying with the requirement of paragraph (1)(B) of this subsection satisfies the disclosure requirement of section 3(b) of the Automobile Information Disclosure Act (15 U.S.C. 1232(b)).

(c) Vehicle Content Percentage by Assembly Plant.—A manufacturer may display separately on the label required by subsection (b) the domestic content of a vehicle based on the assembly plant. Such display shall occur after the manner required to be in the label by subsection (b)(1)(A).

(d) Value Added Determination.—If a manufacturer or allied supplier requests information in a timely manner from one or more of its outside suppliers concerning the United States/Canadian content of particular equipment, but does not receive that information despite a good faith effort to obtain it, the manufacturer or allied supplier may make its own good faith value added determinations, subject to the following:

(1) The manufacturer or allied supplier shall make the same value added determinations as would be made by the outside supplier, that is, whether 70 percent or more of the value of equipment is added in the United States and/or Canada.

(2) The manufacturer or allied supplier shall consider the amount of value added and the location in which the value was added for all of the stages that the outside supplier would be required to consider.

(3) The manufacturer or allied supplier may determine that the value added in the United States and/or Canada is 70 percent or more only if it has a good faith basis to make that determination.

(4) A manufacturer and its allied suppliers may, on a combined basis, make value added determinations for no more than 10 percent, by value, of a carline’s total parts content from outside suppliers.

(5) Value added determinations made by a manufacturer or allied supplier under this paragraph shall have the same effect as if they were made by the outside supplier.
(6) This provision does not affect the obligation of outside suppliers to provide the requested information.

(e) SMALL PARTS.—The country of origin of nuts, bolts, clips, screws, pins, braces, gasoline, oil, blackout, phosphate rinse, windshield washer fluid, fasteners, tire assembly fluid, rivets, adhesives, and grommets, of any system, subassembly, or component installed in a vehicle shall be considered to be the country in which such parts were included in the final assembly of such vehicle.

(f) DEALER REQUIREMENT.—Each dealer engaged in the sale or distribution of a new passenger motor vehicle manufactured after September 30, 1994, shall cause to be maintained on that vehicle the label required to be attached to that vehicle under subsection (b) of this section.

(g) FORM AND CONTENT OF LABEL.—The Secretary of Transportation shall prescribe by regulation the form and content of the label required under subsection (b) of this section and the manner and location in which the label is attached. The Secretary shall permit a manufacturer to comply with this section by allowing the manufacturer to disclose the information required under subsection (b)(1) on the label required by section 3 of the Automobile Information Disclosure Act (15 U.S.C. 1222), on the label required by section 3208 of this title, or on a separate label that is readily visible. A manufacturer may add to the label required under subsection (b) a line stating the country in which vehicle assembly was completed.

(h) REGULATIONS.—In consultation with the Secretaries of Commerce and the Treasury, the Secretary of Transportation shall prescribe regulations necessary to carry out this section, including regulations establishing a procedure to verify the label information required under subsection (b)(1) of this section. Those regulations shall provide the ultimate purchaser of a new passenger motor vehicle with the best and most understandable information possible about the foreign content and United States/Canadian origin of the equipment of the vehicles without imposing costly and unnecessary burdens on the manufacturers. The Secretary of Transportation shall prescribe the regulations promptly to provide adequate lead time for each manufacturer to comply with this section. The regulations shall include provisions applicable to outside suppliers and allied suppliers to require those suppliers to certify whether passenger motor vehicle equipment provided by those suppliers is of United States origin, of United States/Canadian origin, or of foreign content and to provide other information the Secretary of Transportation decides is necessary to allow each manufacturer to comply reasonably with this section and to rely on that certification and information.

(i) PREEMPTION.—(1) When a label content requirement prescribed under this section is in effect, a State or a political subdivision of a State may not adopt or enforce a law or regulation related to the content of vehicles covered by a requirement under this section.

(2) A State or a political subdivision of a State may prescribe requirements related to the content of passenger motor vehicles obtained for its own use.

In this section, the words “passenger motor vehicle” and “vehicle” are substituted for “automobile” because the defined terms for the purpose of determining the country of origin from which the largest share of the dollar value added of . . . originating. If no country accounts for 50 percent or more of the dollar value added of . . . originated” are substituted for “in which 50 percent or more of the dollar value added of . . . originated” for clarity and to eliminate unnecessary words. In subclause (A), the word “with” is substituted for “For the purpose of determining the country of origin for engines and transmissions” are omitted as unnecessary.

In subsection (a)(3), before subclause (A), the words “from which the largest share of the dollar value added to . . . has originated” are substituted for “in which 50 percent or more of the dollar value added of . . . originated” for clarity and to eliminate unnecessary words. In subclause (A), the word “with” is substituted for “For the purpose of determining the country of origin” are omitted as unnecessary.

In subsection (a)(4), the word “possession” is added for clarity and consistency in the revised title and with other titles of the Code.

In subsection (a)(7), before subclause (A), the words “decor or opulence” are substituted for “decor of opulence” for clarity.

In subsection (a)(8), before subclause (A), the words “decor or opulence” are substituted for “decor of opulence” for clarity.
chase price from the total purchase price of such equipment” for clarity.

In subsection (a)(10), the word “person” is substituted for “anyone” for clarity and consistency in the revised title.

In subsection (a)(11), the words “a motor vehicle with motive power, manufactured primarily for use on public streets, roads, and highways, and designed to carry not more than 12 individuals . . . not including . . . a motorcycle; or . . . a truck not designed primarily to carry its operator or passengers” are substituted for “has the meaning provided in section 1901(1) of this title” for clarity.

In subsection (a)(13), before subclause (A), the words “the percentage remaining after subtracting” are substituted for “the resulting percentage when . . . is subtracted” for clarity.

In subsection (a)(15), before subclause (A), the words “Value added equals” are omitted as unnecessary because of the restatement.

The text of 15:1950(f)(2) is omitted as unnecessary because of 1:1. The text of 15:1950(f)(8) is omitted because the complete title of the Secretary of Transportation is used the first time the term appears in a section.

In subsection (b)(1)(A), the words “to which that vehicle belongs” are added for clarity.

In subsection (b)(3), the text of 15:1950(b)(3) (last sentence) is omitted as unnecessary because of the source provisions restated in this subsection.

Subsection (c) is substituted for “and each dealer shall cause to be maintained” for clarity and because of the restatement.

In subsection (e), the words “passenger motor vehicle equipment” are substituted for “a component” for clarity and for consistency with the defined term. The text of 15:1950(d) (last sentence) is omitted as unnecessary because of section 32308 of the revised title.

Subsection (f) is substituted for “foreign” for clarity and consistency with the defined term.

Pub. L. 103–429, §6(29)

Pub. L. 103–429, §6(30)
This amends 32304(a)(14) to reflect the inclusion of the Northern Mariana Islands and the exclusion of the Canal Zone. The words “the Northern Mariana Islands” are added because of section 502(a)(2) of the Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States of America, as enacted by the Act of March 24, 1976 (Public Law 94–241, 90 Stat. 268), and as proclaimed to be in effect by the President on January 9, 1978 (Proc. No. 4534, Oct. 24, 1977, 42 P.R. 56593). The words “the Canal Zone” are omitted because of the Panama Canal Treaty of 1977.

AMENDMENTS
1998—Subsec. (a)(3)(B), Pub. L. 105–178, §7106(d)(4)(A), inserted before period at end “, plus the assembly and labor costs incurred for the final assembly of such engine and transmission systems”.

Subsec. (a)(5), Pub. L. 105–178, §7106(d)(1)(A), inserted at end “Such term does not include facilities for engine and transmission fabrication and assembly and the facilities for fabrication of motor vehicle equipment component parts which are produced at the same final assembly place using forming processes such as stamping, machining, or molding processes”.

Subsec. (a)(9)(A), Pub. L. 105–178, §7106(d)(1)(C), amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “for an outside supplier, passenger motor vehicle equipment whose purchase price contains at least 70 percent value added in the United States and Canada; and

Subsec. (c), Pub. L. 105–178, §7106(d)(3), added subsec. (c). Former subsec. (c) redesignated (f).
(b) CONSULTATION.—The Secretary shall consult with the Secretary of Energy and the Administrator of the Environmental Protection Agency on the means of conveying tire fuel efficiency consumer information.

(c) REPORT TO CONGRESS.—The Secretary shall conduct periodic assessments of the rules promulgated under this section to determine the utility of such rules to consumers, the level of cooperation by industry, and the contribution to national goals pertaining to energy consumption. The Secretary shall transmit periodic reports detailing the findings of such assessments to the Senate Committee on Commerce, Science, and Transportation and the House of Representatives Committee on Energy and Commerce.

(d) TIRE MARKING.—The Secretary shall not require permanent labeling of any kind on a tire for the purpose of tire fuel efficiency information.

(e) APPLICATION WITH STATE AND LOCAL LAWS AND REGULATIONS.—Nothing in this section prohibits a State or political subdivision thereof from enforcing a law or regulation on tire fuel efficiency consumer information that was in effect on January 1, 2006. After a requirement promulgated under this section is in effect, a State or political subdivision thereof may adopt or enforce a law or regulation on tire fuel efficiency consumer information enacted or promulgated after January 1, 2006, if the requirements of that law or regulation are identical to the requirement promulgated under this section. Nothing in this section shall be construed to preempt a State or political subdivision thereof from regulating the fuel efficiency of tires (including establishing testing methods for determining compliance with such standards) not otherwise preempted under this chapter.

§ 32306. Personnel

(a) GENERAL AUTHORITY.—In carrying out this chapter, the Secretary of Transportation may—

(1) appoint and fix the pay of employees without regard to the provisions of title 5 governing appointment in the competitive service and chapter 51 and subchapter III of chapter 53 of title 5; and

(2) make contracts with persons for research and preparation of reports.

(b) STATUS OF ADVISORY COMMITTEE MEMBERS.—A member of an advisory committee appointed under section 325 of this title to carry out this chapter is a special United States Government employee under chapter 11 of title 18.

§ 32307. Investigative powers

(a) GENERAL AUTHORITY.—In carrying out this chapter, the Secretary of Transportation may—

(1) inspect and copy records of any person at any place where such records may be found;

(2) order a person to file written reports or answers to specific questions, including reports or answers under oath; and

(3) conduct hearings, administer oaths, take testimony, and require (by subpoena or otherwise) the appearance and testimony of witnesses and the production of records the Secretary considers advisable.

(Historical and Revision Notes)

§ 32308 TITLE 49—TRANSPORTATION  Page 666

(b) Witness Fees and Mileage.—A witness summoned under subsection (a) of this section is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

c) Civil Actions To Enforce.—A civil action to enforce a subpoena or order of the Secretary under subsection (a) of this section may be brought in the United States district court for the judicial district in which the proceeding by the Secretary is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena or order of the Secretary as a contempt of court.

(d) Confidentiality of Information.—Information obtained by the Secretary under this section related to a confidential matter referred to in section 1905 of title 18 may be disclosed to any other officer or employee of the United States Government for use in carrying out this chapter. This subsection does not authorize information to be withheld from a committee of Congress authorized to have the information.

HISTORICAL AND REVISION NOTES

Revised Section  Source (U.S. Code)  Source (Statutes at Large)
32307(b) ...... 15:1944(c).
32307(c) ...... 15:1944(d).
32307(d) ...... 15:1944(d).

In subsection (a), before clause (1), the words “In carrying out this chapter” are substituted for “For the purpose of carrying out the provisions of this subchapter”, “In order to carry out the provisions of this subchapter”, and “relating to any function of the Secretary under this subchapter”. The words “or on the authorization of the Secretary, any officer or employee of the Department of Transportation” and “or his duly authorized agent” are omitted as surplus because of 49:322(b). In clause (1), the words “inspect and copy” are substituted for “have access to, and for the purposes of examination the right to copy”, and the word “records” is substituted for “documentary evidence” and “materials and information”. For consistency and to eliminate unnecessary words. The words “relevant to the study authorized by this subchapter” are omitted as surplus. In clause (3), the words “in such form as the Secretary may prescribe” and “shall be filed with the Secretary within such reasonable period as the Secretary may prescribe” are omitted as surplus because of 49:322(a). In clause (3), the words “sit and act at such times and places” are omitted as being included in “conduct hearings”.

In subsection (c), the words “A civil action to enforce a subpoena or order of the Secretary under subsection (a) of this section may be brought in the United States district court for the judicial district in which the proceeding by the Secretary is conducted” are substituted for 15:1944(d) (words before semicolon) for consistency in the revised title and to eliminate unnecessary words.

In subsection (d), the words “reported to or otherwise” are omitted as surplus. The words “or such officer or employee” are omitted for consistency with subsection (a) of this section. The words “related to a confidential matter referred to” are substituted for “contains or relates to a trade secret or other matter referred to” to eliminate unnecessary words. The words “a committee of Congress authorized to have the information” are substituted for “the duly authorized committee of Congress” for clarity.

§ 32308. General prohibitions, civil penalty, and enforcement

(a) Prohibitions.—A person may not—

(1) fail to provide the Secretary of Transportation with information requested by the Secretary in carrying out this chapter; or

(2) fail to comply with applicable regulations prescribed by the Secretary in carrying out this chapter.

(b) Civil Penalty.—(1) A person that violates subsection (a) of this section is liable to the United States Government for a civil penalty of not more than $1,000 for each violation. Each failure to provide information or comply with a regulation in violation of subsection (a) is a separate violation. The maximum penalty under this subsection for a related series of violations is $400,000.

(2) The Secretary may compromise the amount of a civil penalty imposed under this section.

(3) In determining the amount of a penalty or compromise, the appropriateness of the penalty or compromise to the size of the business of the person charged and the gravity of the violation shall be considered.

(4) The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.

(c) Section 32304A.—Any person who fails to comply with the national tire fuel efficiency information program under section 32304A is liable to the United States Government for a civil penalty of not more than $50,000 for each violation.

(d) Civil Actions To Enforce.—(1) The Attorney General may bring a civil action in a United States district court to enjoin a violation of subsection (a) of this section.

(2) When practicable, the Secretary shall—

(A) notify a person against whom an action under this subsection is planned;

(B) give the person an opportunity to present that person’s views; and

(C) give the person a reasonable opportunity to comply.

(3) The failure of the Secretary to comply with paragraph (2) of this subsection does not prevent a court from granting appropriate relief.

(e) Venue and Service.—A civil action under this section may be brought in the judicial district in which the violation occurred or the defendant is found, resides, or does business. Process in the action may be served in any other judicial district in which the defendant resides or is found. A subpoena for a witness in the action may be served in any other judicial district.

HISTORICAL AND REVISION NOTES

Revised Section  Source (U.S. Code)  Source (Statutes at Large)
32308(b)(1) ...... 15:1948(a).
This amends the catchline for 49:32309 to correct an error in the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1042).

**AMENDMENTS**

**EFFECTIVE DATE OF 1994 AMENDMENT**

**CHAPTER 325—BUMPER STANDARDS**

(a) **DEFINITIONS.**—The definitions in section 32304 of this title apply to this section.

(b) **PENALTIES.**—A manufacturer of a passenger motor vehicle distributed in commerce for sale in the United States that willfully fails to attach the label required under section 32304 of this title to a new passenger motor vehicle that the manufacturer manufactures or imports, or a dealer that fails to maintain that label as required under section 32304, is liable to the United States Government for a civil penalty of not more than $1,000 for each violation.

The purpose of this chapter is to reduce economic loss resulting from damage to passenger motor vehicles involved in motor vehicle accidents by providing for the maintenance and enforcement of bumper standards.

**HISTORICAL AND REVISION NOTES**

**Pub. L. 103–429**

This amends the catchline for 49:32309 to correct an error in the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1042).

**AMENDMENTS**

**EFFECTIVE DATE OF 1994 AMENDMENT**

**CHAPTER 325—BUMPER STANDARDS**

(a) **GENERAL REQUIREMENTS AND NONAPPLICATION.**—The Secretary of Transportation shall prescribe by regulation bumper standards for passenger motor vehicles and may prescribe by regulation bumper standards for passenger motor vehicle equipment manufactured in, or imported into, the United States. A standard does not apply to a passenger motor vehicle or passenger motor vehicle equipment—

(1) intended only for export;

(2) labeled for export on the vehicle or equipment and the outside of any container of the vehicle or equipment; and

(3) exported.

(b) **LIMITATIONS.**—A standard under this section—
(1) may not conflict with a motor vehicle safety standard prescribed under chapter 301 of this title;
(2) may not specify a dollar amount for the cost of repairing damage to a passenger motor vehicle; and
(3) to the greatest practicable extent, may not preclude the attachment of a detachable hitch.

(c) EXEMPTIONS.—For good cause, the Secretary may exempt from all or any part of a standard—
(1) a multipurpose passenger vehicle;
(2) a make, model, or class of a passenger motor vehicle manufactured for a special use, if the standard would interfere unreasonably with the special use of the vehicle; or
(3) a passenger motor vehicle for which an application for an exemption under section 30013(b) of this title has been filed in accordance with the requirements of that section.

(d) COST REDUCTION AND CONSIDERATIONS.—When prescribing a standard under this section, the Secretary shall design the standard to obtain the maximum feasible reduction of costs to the public, considering—
(1) the costs and benefits of carrying out the standard;
(2) the effect of the standard on insurance costs and legal fees and costs;
(3) savings in consumer time and inconvenience; and
(4) health and safety, including emission standards.

(e) PROCEDURES.—Section 553 of title 5 applies to a standard prescribed under this section. However, the Secretary shall give an interested person an opportunity to make oral and written presentations of information, views, and arguments. A transcript of each oral presentation shall be kept. Under conditions prescribed by the Secretary, the Secretary may conduct a hearing to resolve an issue of fact material to a standard.

(f) EFFECTIVE DATE.—The Secretary shall prescribe an effective date for a standard prescribed under this section. That date may not be earlier than the date the standard is prescribed nor later than 18 months after the date the standard is prescribed. However, the Secretary may prescribe a later date when the Secretary submits to Congress and publishes the reasons for the later date. A standard only applies to a passenger motor vehicle or passenger motor vehicle equipment manufactured on or after the effective date.

(g) RESEARCH.—The Secretary shall conduct research necessary to carry out this chapter.

(Pub. L. 105–277, § 30113(b)).

</table>

In subsection (a), before clause (1), the words “Subject to subsections (b) through (e) of this section” are omitted as surplus. The words “shall prescribe by regulation” are substituted for “by rule . . . shall promulgate” for clarity. The words “may prescribe by regulation” are substituted for “by rule . . . may promulgate” for consistency.

In subsection (c), before clause (1), the words “In promulgating any bumper standard under this subchapter” are omitted as surplus. The words “from any part of a standard” are substituted for “partially or completely” for clarity and consistency.

In subsection (d), before clause (1), the words “to the public” are substituted for “to the public and to the consumer” because they are inclusive. In clause (2), the word “prospective” is omitted as surplus.

In subsection (e), the words “Section 553 of title 5 applies to a standard prescribed under this section” are substituted for “All rules establishing, amending, or revoking a bumper standard under this subchapter shall be issued pursuant to section 553 of title 5”, the words “opportunity to make oral and written presentations of information, views, and arguments” are substituted for “opportunity for oral presentation of data, views, or arguments, and the opportunity to make written submissions”, the words “conditions prescribed by the Secretary” are substituted for “in accordance with such conditions or limitations as he may make applicable thereto”, and the words “material to a standard” are substituted for “material to the establishing, amending, or revoking of a bumper standard”, to eliminate unnecessary words.

In subsection (f), the words “However, the Secretary may prescribe a later date when the Secretary submits” are substituted for “unless the Secretary presents” for clarity. The word “reasons” is substituted for “a detailed explanation of the reasons” to eliminate unnecessary words.

Amendments

§ 32503. Judicial review of bumper standards

(a) FILING AND Venue.—A person that may be adversely affected by a standard prescribed under section 32502 of this title may apply for review of the standard by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 59 days after the standard is prescribed.

(b) NOTIFYING Secretary.—The clerk of the court shall send immediately a copy of the peti-
tion to the Secretary of Transportation. The Secretary shall file with the court a record of the proceeding in which the standard was prescribed.

(c) ADDITIONAL PROCEEDINGS.—(1) On request of the petitioner, the court may order the Secretary to receive additional evidence and evidence in rebuttal if the court is satisfied the additional evidence is material and there were reasonable grounds for not presenting the evidence in the proceeding before the Secretary.

(2) The Secretary may modify findings of fact or make new findings because of the additional evidence presented. The Secretary shall file a modified or new finding, a recommendation to modify or set aside a standard, and the additional evidence with the court.

(d) SUPREME COURT REVIEW AND ADDITIONAL REMEDIES.—A judgment of a court under this section may be reviewed only by the Supreme Court under section 1254 of title 28. A remedy under this section is in addition to any other remedies provided by law.

The words “Under regulations prescribed by the Secretary of Transportation” are substituted for 15:1915(c)(1) (last sentence) to eliminate unnecessary words. The text of 15:1915(c)(2) is omitted as surplus because this section only applies to a vehicle or equipment subject to a standard prescribed under section 32502 of the revised title, and a standard prescribed under that section does not apply to a vehicle or equipment intended only for export, labeled for export, and exported.

§ 32505. Information and compliance requirements

(a) GENERAL AUTHORITY.—(1) To enable the Secretary of Transportation to decide whether a manufacturer of passenger motor vehicles or passenger motor vehicle equipment is complying with this chapter and standards prescribed under this chapter, the Secretary may require the manufacturer to—

(A) keep records;
(B) make reports;
(C) provide items and information, including vehicles and equipment for testing at a negotiated price not more than the manufacturer’s cost; and

(D) allow an officer or employee designated by the Secretary to inspect vehicles and relevant records of the manufacturer.

(2) To enforce this chapter, an officer or employee designated by the Secretary, on presenting appropriate credentials and a written notice to the owner, operator, or agent in charge, may inspect a facility in which passenger motor vehicles or passenger motor vehicle equipment is manufactured, held for introduction in interstate commerce, or held for sale after introduction in interstate commerce. An inspection shall be conducted at a reasonable time, in a reasonable way, and with reasonable promptness.

(b) POWERS OF SECRETARY AND CIVIL ACTIONS TO ENFORCE.—(1) In carrying out this chapter, the Secretary may—

(A) inspect and copy records of any person at reasonable times;
(B) order a person to file written reports or answers to specific questions, including reports or answers under oath; and
(C) conduct hearings, administer oaths, take testimony, and require (by subpoena or otherwise) the appearance and testimony of witnesses and the production of records the Secretary considers advisable.

(2) A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(3) A civil action to enforce a subpoena or order of the Secretary under this subsection may be brought in the United States district court for any judicial district in which the proceeding by the Secretary is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena or order of the Secretary as a contempt of court.
subsection may be brought in the United States district court for the judicial district in which the proceeding by the Secretary was conducted” are substituted for 15:1914(a)(4) (words before semicolon) for consistency in the revised title and to eliminate unnecessary words.

In subsection (c)(1), before clause (A), the words “reported to or otherwise” are omitted as surplus. The words “or his representative” are omitted for consistency with subsection (b) of this section. The words “related to a confidential matter referred to” are substituted for “contains or relates to a trade secret or other matter referred to” to eliminate unnecessary words. The words “shall be considered confidential for the purpose of that section” are omitted as surplus. In clause (A), the words “of the United States Government” are added for clarity. In clause (B) the words “when relevant” are omitted as surplus.

In subsection (c)(2), the words “a committee of Congress authorized to have the information” are substituted for “the duly authorized committees of the Congress” for clarity.

In subsection (c)(3), the words “copies of any communications, documents, reports, or other” are omitted as surplus.

This amends 49:32505(b)(3) to clarify the restatement of 15:1914(a)(4) by section 1 of the Act of July 5, 1994 (Public Law 103-272, 108 Stat. 1044).

Amendments

1994—Subsec. (b)(3). Pub. L. 103-429 substituted “any judicial district in which the proceeding by the Secretary is conducted” for “the judicial district in which the proceeding by the Secretary was conducted”.

Effective Date of 1994 Amendment

\(\S\) 32506. Prohibited acts

(a) General.—Except as provided in this section and section 32502 of this title, a person may not—

(1) manufacture for sale, sell, offer for sale, introduce or deliver for introduction in interstate commerce, or import into the United States, a passenger motor vehicle or passenger motor vehicle equipment manufactured on or after the date an applicable standard under section 32502 of this title takes effect, unless it conforms to the standard.

In subsection (b)(1), before clause (A), the words “In carrying out this chapter” are substituted for “For the purpose of carrying out the provisions of this subchapter”, “relevant to any function of the Secretary under this subchapter”, and “relating to any function of the Secretary under this subchapter” for consistency. In clause (A), the words “inspect and copy” are substituted for “have access to, and for the purposes of examination the right to copy” to eliminate unnecessary words. The word “records” is substituted for “documentary evidence” for consistency. In clause (B), the word “order” is substituted for “require, by general or special orders” to eliminate unnecessary words. The words “in such form as the Secretary may prescribe” and “shall be filed with the Secretary within such reasonable period as the Secretary may prescribe” are omitted as surplus because of 49:322(a). In clause (C), the words “sit and act at such times and places” are omitted as being included in “conduct hearings”.

In subsection (b)(3), the words “A civil action to enforce a subpoena or order of the Secretary under this

In subsection (a)(1), before clause (A), the words “To enable the Secretary of Transportation to decide whether . . . is complying” are substituted for “to enable him to determine whether such manufacturer has acted or is acting in compliance” and “determining whether such manufacturer has acted or is acting in compliance” to eliminate unnecessary words. The word “reasonably” is omitted as surplus. In clause (A), the word “keep” is substituted for “establish and maintain” for consistency in the revised title and to eliminate unnecessary words. The word “or his representative” is omitted as surplus. The words “of the United States Government” are added for clarity. In clause (B) the words “when relevant” are omitted as surplus.

In subsection (a)(2), the words “enter” is omitted as unnecessary words.

The words “shall be considered confidential for the purpose of that section” are omitted as surplus. In clause (A), the words “of the United States Government” are added for clarity. In clause (B) the words “when relevant” are omitted as surplus.

In subsection (a)(3), the words “copies of any communications, documents, reports, or other” are omitted as surplus.

This amends 49:32505(b)(3) to clarify the restatement of 15:1914(a)(4) by section 1 of the Act of July 5, 1994 (Public Law 103-272, 108 Stat. 1044).

Amendments

1994—Subsec. (b)(3). Pub. L. 103-429 substituted “any judicial district in which the proceeding by the Secretary is conducted” for “the judicial district in which the proceeding by the Secretary was conducted”.

Effective Date of 1994 Amendment

\(\S\) 32506. Prohibited acts

(a) General.—Except as provided in this section and section 32502 of this title, a person may not—

(1) manufacture for sale, sell, offer for sale, introduce or deliver for introduction in interstate commerce, or import into the United States, a passenger motor vehicle or passenger motor vehicle equipment manufactured on or after the date an applicable standard under section 32502 of this title takes effect, unless it conforms to the standard.

(2) fail to comply with an applicable regulation prescribed by the Secretary of Transportation under this chapter;

(3) fail to keep records, refuse access to or copying of records, fail to make reports or provide items or information, or fail or refuse to allow entry or inspection, as required by this chapter or a regulation prescribed under this chapter; or

(4) fail to provide the certificate required by section 32504 of this title, or provide a certificate that the person knows, or in the exercise of reasonable care has reason to know, is false or misleading in a material respect.

(b) Nonapplication.—Subsection (a)(1) of this section does not apply to—

(1) the sale, offer for sale, or introduction or delivery for introduction in interstate commerce of a passenger motor vehicle or passenger motor vehicle equipment after the first
purchase of the vehicle or equipment to be imported in good faith other than for resale (but this clause does not prohibit a standard from requiring that a vehicle or equipment be manufactured to comply with the standard over a specified period of operation or use); or

(2) a person—

(A) establishing that the person had no reason to know, by exercising reasonable care, that the vehicle or equipment does not comply with the standard; or

(B) holding, without knowing about a noncompliance and before that first purchase, a certificate issued under section 32504 of this title stating that the vehicle or equipment complies with the standard.

(c) IMPORTING NONCOMPLYING VEHICLES AND EQUIPMENT.—(1) The Secretaries of Transportation and the Treasury may prescribe joint regulations authorizing a passenger motor vehicle or passenger motor vehicle equipment not complying with a standard prescribed under section 32502 of this title to be imported into the United States subject to conditions (including providing a bond) the Secretaries consider appropriate to ensure that the vehicle or equipment will—

(A) comply, after importation, with the standards prescribed under section 32502 of this title;

(B) be exported; or

(C) be abandoned to the United States Government.

(2) The Secretaries may prescribe joint regulations that allow a passenger motor vehicle or passenger motor vehicle equipment to be imported into the United States after the first purchase in good faith other than for resale.

(d) LIABILITY UNDER OTHER LAW.—Compliance with a standard under this chapter does not prohibit a standard from requiring a vehicle or equipment to be manufactured in order to comply with the standard over a specified period of operation or use.

(e) VEHICLE REGISTRATION.—A person that violates subsection (a) or (c) of this section is subject to a civil penalty of not more than $1,000 for each violation. A separate violation occurs for each passenger motor vehicle or item of passenger motor vehicle equipment involved in a violation of section 32506(a)(1) or (4) of this title—

(A) that does not comply with a standard prescribed under section 32502 of this title; or

(B) for which a certificate is not provided, or for which a false or misleading certificate is provided, under section 32504 of this title.

(2) The maximum civil penalty under this subsection for a related series of violations is $500,000.

(3) The Secretary of Transportation imposes a civil penalty under this subsection. The Attorney General or the Secretary, with the concurrence of the Attorney General, shall bring a civil action in a United States district court to collect the penalty.

(b) CRIMINAL PENALTY.—A person knowingly and willfully violating section 32506(a)(1) of this title after receiving a notice of noncompliance from the Secretary shall be fined under title 18, imprisoned for not more than one year, or both. If the person is a corporation, the penalties of this subsection also apply to a director, officer, or individual agent of the corporation who, with knowledge of the Secretary’s notice, knowingly and willfully authorizes, orders, or performs an act that is any part of the violation.

(c) CIVIL ACTIONS TO ENFORCE.—(1) The Secretary or the Attorney General may bring a civil action in a United States district court to enjoin a violation of this chapter or the sale, offer for sale, introduction or delivery for introduction in interstate commerce, or importation into the United States, of a passenger motor vehicle or passenger motor vehicle equipment that is found, before the first purchase in good faith other than for resale, not to comply with a standard prescribed under section 32502 of this title.

(2) When practicable, the Secretary shall—

(A) notify a person against whom an action under this subsection is planned;

(B) give the person an opportunity to present that person’s views; and

(C) except for a knowing and willful violation, give the person a reasonable opportunity to comply.

(3) The failure of the Secretary to comply with paragraph (2) of this subsection does not prevent a court from granting appropriate relief.

(d) JURY TRIAL DEMAND.—In a trial for criminal contempt for violating an injunction or restraining order issued under subsection (c) of this section, the violation of which is also a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(e) VENUE.—A civil action under subsection (a) or (c) of this section may be brought in the judicial district in which the violation occurred or in which the defendant resides or is found. A subpoena for a witness in the action may be served in any other judicial district in which the defendant resides or is found.

§ 32508. Civil actions by owners of passenger motor vehicles

When an owner of a passenger motor vehicle sustains damages as a result of a motor vehicle accident because the vehicle did not comply with a standard prescribed under section 32502 of this title, the owner may bring a civil action against the manufacturer to recover the damages. The action may be brought in the United States District Court for the district in which the owner resides. The action must be brought not later than 3 years after the date of the accident. The court shall award costs and a reasonable attorney's fee to the owner when a judgment is entered for the owner.

In subsection (a), the words “he deems” and “his functions under” are omitted as surplus. The words “head of the” are added for consistency in the revised title and with other titles of the United States Code. The words “cooperate with the Secretary and” and “to the Department of Transportation upon request made by the Secretary” are omitted as surplus.

§ 32509. Information and assistance from other departments, agencies, and instrumentalities

(a) General Authority.—The Secretary of Transportation may request information necessary to carry out this chapter from a department, agency, or instrumentality of the United States Government. The head of the department, agency, or instrumentality shall provide the information.

(b) Detailing Personnel.—The head of a department, agency, or instrumentality may detail, on a reimbursable basis, personnel to assist the Secretary in carrying out this chapter.

In subsection (a), the words “if the person is a corporation, the penalties of this subsection also apply” are substituted for “If a corporation violates section 1916(a)(1) of this title after having received notice of noncompliance from the Secretary . . . shall be subject to penalties under this section in addition to the corporate”, the word “act” is substituted for “acts or practices”, and the words “any part of the violation” are substituted for “in whole or in part such violation”, to eliminate unnecessary words.

In subsection (d), the words “the defendant may demand a jury trial” are substituted for “trial shall be by the court, or, upon demand of the accused, by a jury” to eliminate unnecessary words and for consistency in the revised title.

Section. Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1047, related to annual report by Secretary of Transportation to Congress and the President concerning bumper standards.

§ 32511. Relationship to other motor vehicle standards

(a) Preemption.—Except as provided in this section, a State or a political subdivision of a State may prescribe or enforce a bumper standard for a passenger motor vehicle or passenger motor vehicle equipment only if the standard is identical to a standard prescribed under section 32502 of this title.

(b) Enforcement.—This chapter and chapter 301 of this title do not affect the authority of a State to enforce a bumper standard about an aspect of performance of a passenger motor vehicle or passenger motor vehicle equipment not covered by a standard prescribed under section 32502 of this title if the State bumper standard— (1) does not conflict with a standard prescribed under chapter 301 of this title; and (2) was in effect or prescribed by the State on October 20, 1972.

(c) Additional and Higher Standards of Performance.—The United States Government, a State, or a political subdivision of a State may prescribe a bumper standard for a passenger motor vehicle or passenger motor vehicle equipment obtained for its own use that imposes additional or higher standards of performance than a standard prescribed under section 32502 of this title.

In subsection (a), the words “may prescribe or enforce” are substituted for “shall have any authority to establish or enforce with respect to ... which is not identical” to eliminate unnecessary words. The words “a standard prescribed under section 32502 of this title” are substituted for “Federal bumper standard” for clarity.

In subsection (b), before clause (1), the words “to continue” are omitted as surplus. The words “‘bumper standard about an aspect of performance ... not covered by a standard prescribed under section 32502 of this title’” are substituted for “the State bumper standard” for clarity.

In subsection (c), the words “that imposes additional or higher standards of performance” are substituted for “if such requirement imposes an additional or higher standard of performance” for clarity and to eliminate unnecessary words.

CHAPTER 327—ODOMETERS

Sec. 32701. Findings and purposes.

(a) FINDINGS.—Congress finds that—

(1) buyers of motor vehicles rely heavily on the odometer reading as an index of the condition and value of a vehicle;

(2) buyers are entitled to rely on the odometer reading as an accurate indication of the mileage of the vehicle;

(3) an accurate indication of the mileage assists a buyer in deciding on the safety and reliability of the vehicle; and

(4) motor vehicles move in, or affect, interstate and foreign commerce.

(b) PURPOSES.—The purposes of this chapter are—

(1) to prohibit tampering with motor vehicle odometers; and

(2) to provide safeguards to protect purchasers in the sale of motor vehicles with altered or reset odometers.

In clause (3), the words “‘a term of’” are omitted as surplus.

In clause (4), the words “the distance a motor vehicle is driven” are substituted for “the actual distance a motor vehicle travels while in operation” for clarity and to eliminate unnecessary words.

HISTORICAL AND REVISION NOTES—CONTINUED

§ 32702. Definitions

In this chapter—

(1) “auction company” means a person taking possession of a motor vehicle owned by another to sell at an auction.

(2) “dealer” means a person that sold at least 5 motor vehicles during the prior 12 months to buyers that in good faith bought the vehicles other than for resale.

(3) “distributor” means a person that sold at least 5 motor vehicles during the prior 12 months for resale.

(4) “leased motor vehicle” means a motor vehicle leased to a person for at least 4 months by a lessor that leased at least 5 vehicles during the prior 12 months.

(5) “Odometer” means an instrument for measuring and recording the distance a motor vehicle is driven, but does not include an auxiliary instrument designed to be reset by the operator of the vehicle to record mileage of a trip.

(6) “repair” and “replace” mean to restore to a sound working condition by replacing any part of an odometer or by correcting any inoperative part of an odometer.

(7) “title” means the certificate of title or other document issued by the State indicating ownership.

(8) “Transfer” means to change ownership by sale, gift, or any other means.

§ 32703. Preventing tampering

(a) FEDERAL PROHIBITION.—In this chapter—

(1) “auction company” means a person taking possession of a motor vehicle owned by another to sell at an auction.

(2) “dealer” means a person that sold at least 5 motor vehicles during the prior 12 months to buyers that in good faith bought the vehicles other than for resale.

(3) “distributor” means a person that sold at least 5 motor vehicles during the prior 12 months for resale.

(4) “leased motor vehicle” means a motor vehicle leased to a person for at least 4 months by a lessor that leased at least 5 vehicles during the prior 12 months.

(5) “Odometer” means an instrument for measuring and recording the distance a motor vehicle is driven, but does not include an auxiliary instrument designed to be reset by the operator of the vehicle to record mileage of a trip.

(6) “Repair” and “Replace” mean to restore to a sound working condition by replacing any part of an odometer or by correcting any inoperative part of an odometer.

(7) “Title” means the certificate of title or other document issued by the State indicating ownership.

(8) “Transfer” means to change ownership by sale, gift, or any other means.

HISTORICAL AND REVISION NOTES

§ 32702. Definitions

(Pub. L. 104–287)

§ 32703. Preventing tampering

A person may not—
(1) advertise for sale, sell, use, install, or have installed, a device that makes an odometer of a motor vehicle register a mileage different from the mileage the vehicle was driven, as registered by the odometer within the designed tolerance of the manufacturer of the odometer;
(2) disconnect, reset, alter, or have disconnected, reset, or altered, an odometer of a motor vehicle intending to change the mileage registered by the odometer;
(3) with intent to defraud, operate a motor vehicle on a street, road, or highway if the person knows that the odometer of the vehicle is disconnected or not operating; or
(4) conspire to violate this section or section 32704 or 32705 of this title.

In subsection (b), the text of 15:1987(b)(1) is omitted as surplus.

§ 32705. Disclosure requirements on transfer of motor vehicles

(a)(1) DISCLOSURE REQUIREMENTS.—Under regulations prescribed by the Secretary of Transportation that include the way in which information is disclosed and retained under this section, a person transferring ownership of a motor vehicle shall give the transferee the following written disclosure:
(A) Disclosure of the cumulative mileage registered on the odometer.
(B) Disclosure that the actual mileage is unknown, if the transferor knows that the odometer reading is different from the number of miles the vehicle has actually traveled.

(2) A person transferring ownership of a motor vehicle may not violate a regulation prescribed under this section or give a false statement to the transferee in making the disclosure required by such a regulation.

(3) A person acquiring a motor vehicle for resale may not accept a written disclosure under this section unless it is complete.

(4)(A) This subsection shall apply to all transfers of motor vehicles (unless otherwise exempted by the Secretary by regulation), except in the case of transfers of new motor vehicles from a vehicle manufacturer jointly to a dealer and a person engaged in the business of renting or leasing vehicles for a period of 30 days or less.
(B) For purposes of subparagraph (A), the term “new motor vehicle” means any motor vehicle driven with no more than the limited use necessary in moving, transporting, or road testing such vehicle prior to delivery from the vehicle manufacturer to a dealer, but in no event shall the odometer reading of such vehicle exceed 300 miles.

(5) The Secretary may exempt such classes or categories of vehicles as the Secretary deems appropriate from these requirements. Until such
Section 32705  

(2) Under regulations prescribed by the Secretary, if the title to a motor vehicle issued to a transferor by a State is in the possession of a lienholder when the transferor transfers ownership of the vehicle, the transferor may use a lienholder when the transferor transfers ownership of that vehicle.

(3) The lessor shall retain the disclosures made by a lessee under paragraph (1) of this subsection for at least 4 years following the date the lessee transfers the leased motor vehicle.

(4) If the lessee transfers ownership of a leased motor vehicle without obtaining possession of the vehicle, the lessor, in making the disclosure required by subsection (a) of this section, may indicate on the title the mileage disclosed by the lessee under paragraph (1) of this subsection unless the lessor has reason to believe that the disclosure by the lessee does not reflect the actual mileage of the vehicle.

(5) The Secretary shall approve alternate motor vehicle mileage disclosure requirements submitted by a State unless the Secretary decides that the requirements are not consistent with the purpose of the disclosure required by subsection (b) or (c), as the case may be.

(a) A motor vehicle the ownership of which is transferred may not be licensed for use in a State unless the transferor signs and dates the title containing the space referred to in paragraph (3)(A)(ii) of this subsection, a statement, signed and dated by the transferor, of the mileage disclosure required under subsection (a) of this section. This paragraph does not apply to a transfer of ownership of a motor vehicle that has not been licensed before the transfer.

(ii) shall provide that the form be printed by means of a secure printing process (or other secure process);

(iii) shall provide that the State issue the form to the transferee;

(iv) shall provide that the person exercising the power of attorney retain a copy and submit the original to the State with a copy of the title showing the restatement of the mileage;

(v) may require that the State retain the power of attorney and the copy of the title for an appropriate period or that the State adopt alternative measures consistent with section 32701(b) of this title, after considering the costs to the State;

(vi) shall ensure that the mileage at the time of transfer be disclosed on the power of attorney document;

(vii) shall ensure that the mileage be restated exactly by the person exercising the power of attorney in the space referred to in paragraph (3)(A)(ii) of this subsection;

(viii) may not require that a motor vehicle be titled in the State in which the power of attorney was issued;

(ix) shall consider the need to facilitate normal commercial transactions in the sale or exchange of motor vehicles; and

(x) shall provide other conditions the Secretary considers appropriate.

(b) Section 32709(a) and (b) applies to a person granting or granted a power of attorney under this paragraph.

(3)(A) A motor vehicle the ownership of which is transferred may not be licensed for use in a State unless the title issued by the State to the transferee—

(i) is produced by means of a secure printing process (or other secure process);

(ii) indicates the mileage disclosure required to be made under subsection (a) of this section; and

(iii) contains a space for the transferee to disclose the mileage at the time of a future transfer and to sign and date the disclosure.

(B) Subparagraph (A) of this paragraph does not require a State to verify, or preclude a State from verifying, the mileage information contained in the title.

(c) LEASED MOTOR VEHICLES.—(1) For a leased motor vehicle, the regulations prescribed under subsection (a) of this section shall require written disclosure about mileage to be made by the lessee to the lessor when the lessor transfers ownership of that vehicle.

(ii) shall provide that the penalties for failure to comply with those requirements.

(2) Under those regulations, the lessor shall provide written notice to the lessee of—

(A) the lessee’s mileage disclosure requirements under paragraph (1) of this subsection; and

(B) the penalties for failure to comply with those requirements.

(c) The odometer reading on the date the auction company took possession of the motor vehicle.

(d) STATE ALTERNATE VEHICLE MILEAGE DISCLOSURE REQUIREMENTS.—The requirements of subsections (b) and (c)(1) of this section on the disclosure of motor vehicle mileage when motor vehicles are transferred or leased apply in a State unless the State has in effect alternate motor vehicle mileage disclosure requirements approved by the Secretary. The Secretary shall approve alternate motor vehicle mileage disclosure requirements submitted by a State unless the Secretary decides that the requirements are not consistent with the purpose of the disclosure required by subsection (b) or (c), as the case may be.

(e) AUCTION SALES.—If a motor vehicle is sold at an auction, the auction company conducting the auction shall maintain the following records for at least 4 years after the date of the sale:

(2) the vehicle identification number required under chapter 301 or 331 of this title.

(3) the odometer reading on the date the auction company took possession of the motor vehicle.

(f) APPLICATION AND REVISION OF STATE LAW.—

(1) Except as provided in paragraph (2) of this subsection, subsections (b)–(e) of this section apply to the transfer of a motor vehicle after April 28, 1989.

(2) If a State requests, the Secretary shall assist the State in revising its laws to comply with subsection (b) of this section. If a State requires time beyond April 28, 1989, to revise its laws to achieve compliance, the Secretary, on
request of the State, may grant additional time that the Secretary considers reasonable by publishing a notice in the Federal Register. The notice shall include the reasons for granting the additional time. In granting additional time, the Secretary shall ensure that the State is making reasonable efforts to achieve compliance.

HISTORICAL AND REVISION NOTES

Pub. L. 103–272

</thead>
</table>

In subsection (a)(1), before clause (A), the words “Not later than 90 days after October 20, 1972” are omitted as executed. In clause (B), the words “if the transferor knows that the mileage registered by the odometer is incorrect” are substituted for “if the odometer reading is known to the transferor to be different from the number of miles the vehicle has actually traveled” to eliminate unnecessary words. In subsection (b)(2)(A), before clause (i), the words “Under regulations prescribed by the Secretary” are substituted for “prescribed by rule by the Secretary” to eliminate reference to the Secretary by title. In clause (ii), the words “for consistency in the revised title and because “rule” is synonymous with “regulation”.” are omitted as surplus. In the words “to a transferee” are added for clarity. The words “before February 1, 1989” are omitted as expired. The words “in the possession of” are substituted for “physically held by”, and the words “when the transferors ownership of the vehicle” are substituted for “at the time of a transfer of such motor vehicle”, for clarity and consistency. The words “the transferor may” are substituted for “nothing in this subsection shall be construed to prohibit” for clarity and to eliminate unnecessary words. Clause (i) is substituted for “in a form and clause (ii) is substituted for “in accordance with paragraph (2)(A)(i)” for clarity and consistency. In clause (iii), the words “consistent with the purposes of this Act and the need to facilitate enforcement thereof” are omitted as surplus. In clauses (iv), (v), (vii), and (ix), the amendment made by section 7(a) of the Independent Safety Board Act Amendments of 1990 (Public Law 101–641, 94 Stat. 4357) is readdressed; section 408(d)(1)(C) of the Motor Vehicle and Cost Savings Act (15 U.S.C. 1988(d)(1)(C)), instead of section 408(d)(2)(C) of that Act to reflect the probable intent of Congress. There is no section 408(d)(2)(C) in that Act. Clause (vii) is substituted for “and under reasonable conditions” for clarity and consistency.

In subsection (b)(3)(A), before clause (1), the words “‘following such transfer’” are omitted as surplus. In clause (1), the word “‘produced’” is substituted for “set forth” for clarity. In clause (ii), the words “‘in the event of a future transfer’” are omitted as surplus.

In subsection (d)(1), the text of 15:1988(c)(1) (last sentence) is omitted as surplus because of 49:322(a).

In subsection (e), before clause (1), the words “establish and” are omitted as executed. In subsection (f)(1), the text of section 2(c)(3) of the Truth in Mileage Act of 1986 (Public Law 99–579, 100 Stat. 3311) is omitted as surplus.

Amendment by Pub. L. 103–272

Amendment by Pub. L. 104–287

This amendment 49:32702(b) and 32705 to clarify the restatement of 15:1982(5) and 1988 by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1049).

Amendments

1996—Subsec. (a). Pub. L. 104–287, §5(62)(A), substituted “Disclosure requirements” for “Written disclosure requirements” in heading and amended text generally. Prior to amendment, text read as follows: “(1) Under regulations prescribed by the Secretary of Transportation, a person transferring ownership of a motor vehicle shall give the transferee a written disclosure— (“(A) of the cumulative mileage registered by the odometer; or (“(B) that the mileage is unknown if the transferor knows that the mileage registered by the odometer is incorrect. (“(2) A person making a written disclosure required by a regulation prescribed under paragraph (1) of this subsection may not make a false statement in the disclosure. (“(3) A person acquiring a motor vehicle for resale may accept a disclosure under this section only if it is complete. (“(4) The regulations prescribed by the Secretary shall provide the way in which information is disclosed and retained under this section.” Subsec. (b)(3)(A). Pub. L. 104–287, §5(62)(B), substituted “may not be licensed for use in a State unless” for “may be licensed for use in a State only if” in introductory provisions. 1994—Subsec. (c)(2)(A). Pub. L. 103–429 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “the mileage disclosure requirements of subsection (a) of this section; and”.

Effective Date of 1996 Amendment

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5903 of this title.

Effective Date of 1994 Amendment

Regulations

§ 32706. Inspections, investigations, and records

(a) AUTHORITY TO INSPECT AND INVESTIGATE.—Subject to section 32707 of this title, the Secretary of Transportation may conduct an inspection or investigation necessary to carry out this chapter or a regulation prescribed or order issued under this chapter. The Secretary shall cooperate with State and local officials to the greatest extent possible in conducting an inspection or investigation. The Secretary may give the Attorney General information about a violation of this chapter or a regulation prescribed or order issued under this chapter.

(b) ENTRY, INSPECTION, AND IMPOUNDMENT.—(1) In carrying out subsection (a) of this section, an officer or employee designated by the Secretary, on display of proper credentials and written notice to the owner, operator, or agent in charge, may—

(A) enter and inspect commercial premises in which a motor vehicle or motor vehicle equipment is manufactured, held for shipment or sale, maintained, or repaired;

(B) enter and inspect noncommercial premises in which the Secretary reasonably believes there is a motor vehicle or motor vehicle equipment that is an object of a violation of this chapter;

(C) inspect that motor vehicle or motor vehicle equipment; and

(D) impound for not more than 72 hours for inspection a motor vehicle or motor vehicle equipment that the Secretary reasonably believes is an object of a violation of this chapter.

(2) An inspection or impoundment under this subsection shall be conducted at a reasonable time, in a reasonable way, and with reasonable promptness. The written notice may consist of a warrant issued under section 32707 of this title.

(c) REASONABLE COMPENSATION.—When the Secretary impounds for inspection a motor vehicle (except a vehicle subject to subchapter I of chapter 135 of this title) or motor vehicle equipment under subsection (b)(1)(D) of this section, the Secretary shall pay reasonable compensation to the owner of the vehicle or equipment if the inspection or impoundment results in denial of use, or reduction in value, of the vehicle or equipment.

(d) RECORDS AND INFORMATION REQUIREMENTS.—(1) To enable the Secretary to decide whether a dealer or distributor is complying with this chapter and regulations prescribed and orders issued under this chapter, the Secretary may require the dealer or distributor—

(A) to keep records;

(B) to provide information from those records if the Secretary states the purpose for requiring the information and identifies the information to the fullest extent practicable; and

(C) to allow an officer or employee designated by the Secretary to inspect relevant records of the dealer or distributor.

(2) This subsection and subsection (e)(1)(B) of this section do not authorize the Secretary to require a dealer or distributor to provide information on a regular periodic basis.

(e) ADMINISTRATIVE AUTHORITY AND CIVIL ACTIONS TO ENFORCE.—(1) In carrying out this chapter, the Secretary may—

(A) inspect and copy records of any person at reasonable times;

(B) order a person to file written reports or answers to specific questions, including reports or answers under oath; and

(C) conduct hearings, administer oaths, take testimony, and require (by subpoena or otherwise) the appearance and testimony of witnesses and the production of records the Secretary considers advisable.

(2) A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(3) A civil action to enforce a subpoena or order of the Secretary under this subsection may be brought in the United States district court for any judicial district in which the proceeding by the Secretary is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena or order of the Secretary as a contempt of court.

(f) PROHIBITIONS.—A person may not fail to keep records, refuse access to or copying of records, fail to make reports or provide information, fail to allow entry or inspection, or fail to permit impoundment, as required under this section.

In subsection (a), the words “Subject to section 32707 of this title” are added for clarity. The words “appropriate” and “consistent with the purposes of this subsection” are omitted as surplus. The words “The Secretary may give the Attorney General information” are substituted for “information obtained . . . may be referred to the Attorney General for investigative consideration” to eliminate unnecessary words.

In subsection (b)(1), before clause (A), the words “duly” and “stating their purpose and” are omitted as surplus. In clause (A), the words “any factory, warehouse, establishment, or other” are omitted as surplus.

In subsection (b)(2), the words “shall be commenced and completed” are omitted as surplus. The words “a warrant issued under section 32707 of this title” are substituted for “an administrative inspection warrant” for clarity.

In subsection (c), the words “the authority of” and “any item of” are omitted as surplus.

In subsection (d)(1), before clause (A), the words “the Secretary may require” are substituted for “as the Sec-
§ 32707  TITLE 49—TRANSPORTATION  Page 678

secretary may reasonably require” and “as the Secretary finds necessary” to eliminate unnecessary words. In clause (B), the words “such officer or employee” and “hereof” are omitted as surplus. In clause (C), the words “duly” and “upon request of such officer or employee” are omitted as surplus.

In subsection (d)(2), the words “and subsection (e)(1)” of this section” are added for clarity.

In subsection (e)(1), before clause (A), the words “in carrying out this chapter” are substituted for “For the purpose of carrying out the provisions of this subchapter”, “in order to carry out the provisions of this subchapter”, “relevant to any function of the Secretary under this subchapter”, and “relating to any function of the Secretary under this subchapter” for consistency. The words “or, with the authorization of the Secretary, any officer or employee of the Department of Transportation” and “or his duly authorized agent” are omitted as surplus because of 49:322(b).

In clause (A), the words “inspect and copy” are substituted for “have access to, and for the purposes of examination the right to copy” to eliminate unnecessary words. The word “records” is substituted for “documentary evidence” for consistency. The words “having materials or information” are omitted as surplus. In clause (B), the word “order” is substituted for “require, by general or special orders” to eliminate unnecessary words. The words “in such form as the Secretary may prescribe”, and “shall be filed with the Secretary within such reasonable period as the Secretary may prescribe” are omitted as surplus because of 49:322(a). In clause (C), the words “sit and act at such times and places” are omitted as being included in “conduct hearings.”

In subsection (e)(3), the words “A civil action to enforce a subpoena or order of the Secretary under this subchapter may be brought in the United States district court for the judicial district in which the proceeding by the Secretary was conducted” are substituted for 15:1990d(c)(4) (words before last comma) for consistency in the revised title and to eliminate unnecessary words.

PUB. L. 103–429
This amends 49:32706(e)(3) to clarify the restatement of 15:1990d(c)(4) by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1053).

PUB. L. 105–102
This amends 49:32706(c) to correct a cross-reference necessary because of the restatement of subtitle IV of title 49 by the ICC Termination Act (Public Law 104–88, 108 Stat. 863).

AMENDMENTS
1994—Subsec. (e)(3). Pub. L. 103–429 substituted “any judicial district in which the proceeding by the Secretary is conducted” for “the judicial district in which the proceeding by the Secretary was conducted.”

EFFECTIVE DATE OF 1994 AMENDMENT

§ 32707. Administrative warrants

(a) DEFINITION.—In this section, “probable cause” means a valid public interest in the effective enforcement of this chapter or a regulation prescribed under this chapter sufficient to justify the inspection or impoundment in the circumstances stated in an application for a warrant under this section.

(b) WARRANT REQUIREMENT AND ISSUANCE.—(1) Except as provided in paragraph (4) of this sub-

section, an inspection or impoundment under section 32706 of this title may be carried out only after a warrant is obtained.

(2) A judge of a court of the United States or a State court of record or a United States magistrate may issue a warrant for an inspection or impoundment under section 32706 of this title within the territorial jurisdiction of the court or magistrate. The warrant must be based on an affidavit that—

(A) establishes probable cause to issue the warrant; and

(B) is sworn to before the judge or magistrate by an officer or employee who knows the facts alleged in the affidavit.

(3) The judge or magistrate shall issue the warrant when the judge or magistrate decides there is a reasonable basis for believing that probable cause exists to issue the warrant. The warrant must—

(A) identify the premises, property, or motor vehicle to be inspected and the items or type of property to be impounded;

(B) state the purpose of the inspection, the basis for issuing the warrant, and the name of the affiant;

(C) direct an individual authorized under section 32706 of this title to inspect the premises, property, or vehicle for the purpose specified in the warrant;

(D) direct that the warrant be served during the hours specified in the warrant; and

(E) name the judge or magistrate with whom proof of service is to be filed.

(4) A warrant under this section is not required when—

(A) the owner, operator, or agent in charge of the premises consents;

(B) it is reasonable to believe that the mobility of the motor vehicle to be inspected makes it impractical to obtain a warrant;

(C) an application for a warrant cannot be made because of an emergency;

(D) records are to be inspected and copied under section 32706(e)(1)(A) of this title; or

(E) a warrant is not constitutionally required.

(c) SERVICE AND IMPOUNDMENT OF PROPERTY.—

(1) A warrant issued under this section must be served and proof of service filed not later than 10 days after its issuance date. The judge or magistrate may allow additional time in the warrant when the judge or magistrate decides there is a reasonable basis for believing that the impoundment is necessary because of an emergency.

(2) A judge of a court of the United States or a State court of record or a United States magistrate may issue a warrant for an inspection or impoundment under section 32706 of this title within the territorial jurisdiction of the court or magistrate. The warrant must be based on an affidavit that—

(A) establishes probable cause to issue the warrant; and

(B) is sworn to before the judge or magistrate by an officer or employee who knows the facts alleged in the affidavit.

(3) The judge or magistrate shall issue the warrant when the judge or magistrate decides there is a reasonable basis for believing that probable cause exists to issue the warrant. The warrant must—

(A) identify the premises, property, or motor vehicle to be inspected and the items or type of property to be impounded;

(B) state the purpose of the inspection, the basis for issuing the warrant, and the name of the affiant;

(C) direct an individual authorized under section 32706 of this title to inspect the premises, property, or vehicle for the purpose specified in the warrant;

(D) direct that the warrant be served during the hours specified in the warrant; and

(E) name the judge or magistrate with whom proof of service is to be filed.

(4) A warrant under this section is not required when—

(A) the owner, operator, or agent in charge of the premises consents;

(B) it is reasonable to believe that the mobility of the motor vehicle to be inspected makes it impractical to obtain a warrant;

(C) an application for a warrant cannot be made because of an emergency;

(D) records are to be inspected and copied under section 32706(e)(1)(A) of this title; or

(E) a warrant is not constitutionally required.

(c) SERVICE AND IMPOUNDMENT OF PROPERTY.—

(1) A warrant issued under this section must be served and proof of service filed not later than 10 days after its issuance date. The judge or magistrate may allow additional time in the warrant when the Secretary of Transportation demonstrates a need for additional time. Proof of service must be filed promptly with a written inventory of the property impounded under the warrant. The inventory shall be made in the presence of the individual serving the warrant and the individual from whose possession or premises the property was impounded, or if that individual is not present, a credible individual except the individual making the inventory. The individual serving the warrant shall verify the inventory. On request, the judge or magistrate shall send a copy of the inventory to the individual from whose possession or premises the property was impounded and to the applicant for the warrant.

(2) When property is impounded under a warrant, the individual serving the warrant shall—
(A) give the person from whose possession or premises the property was impounded a copy of the warrant and a receipt for the property; or

(B) leave the copy and receipt at the place from which the property was impounded.

(3) The judge or magistrate shall file the warrant, proof of service, and all documents filed about the warrant with the clerk of the United States district court for the judicial district in which the inspection is made.

### Historical and Revision Notes

![Table](https://example.com/historical_table.png)

In subsection (a), the words “inspection or impoundment” are substituted for “administrative inspections of the area, factory, warehouse, establishment, premises, or motor vehicle, or contents thereof” to eliminate unnecessary words and for consistency in this section.

In subsection (b)(1), the words “Except as provided in paragraph (4) of this subsection” are added for clarity. The words “an inspection or impoundment” are substituted for “any entry or administrative inspection (including impoundment of motor vehicles or motor vehicle equipment)” to eliminate unnecessary words.

In subsection (b)(2), before clause (A), the words “inspection or impoundment” are substituted for “the purpose of conducting administrative inspections authorized by section 1905 of title 18 may be disclosed only—

- to another officer or employee of the United States Government for use in carrying out this chapter
- in a proceeding under this chapter.

(a) GENERAL.—Information obtained by the Secretary of Transportation under this chapter related to a confidential matter referred to in section 1905 of title 18 may be disclosed only—

1. to another officer or employee of the United States Government for use in carrying out this chapter;
2. in a proceeding under this chapter.

(b) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

### Historical and Revision Notes

![Table](https://example.com/historical_table.png)

In subsection (a), before clause (1), the words “reported to or otherwise” and “or his representative” are omitted as surplus. The words “related to a confidential matter referred to” are substituted for “contains or relates to a trade secret or other matter referred to” to eliminate unnecessary words. The words “shall be considered confidential for the purpose of that section” are omitted as surplus.

In subsection (b), the words “a committee of Congress authorized to have the information” are substituted for “the duly authorized committees of the Congress” for clarity.

§ 32709. Penalties and enforcement

(a) CIVIL PENALTY.—(1) A person that violates this chapter or a regulation prescribed or order

![Table](https://example.com/historical_table.png)
issued under this chapter is liable to the United States Government for a civil penalty of not more than $2,000 for each violation. A separate violation occurs for each motor vehicle or device involved in the violation. The maximum penalty under this subsection for a related series of violations is $100,000.

(2) The Secretary of Transportation shall impose a civil penalty under this subsection. The Attorney General shall bring a civil action to collect the penalty. Before referring a penalty claim to the Attorney General, the Secretary may compromise the amount of the penalty. Before compromising the amount of the penalty, the Secretary shall give the person charged with a violation an opportunity to establish that the violation did not occur.

(3) In determining the amount of a civil penalty under this subsection, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue doing business; and

(C) other matters that justice requires.

(b) CRIMINAL PENALTY.—A person that knowingly and willfully violates this chapter or a regulation prescribed or order issued under this chapter shall be fined not more than $10,000, imprisoned for not more than 3 years, or both. If the person is a corporation, the penalties of this subsection also apply to a director, officer, or individual agent of a corporation who knowingly and willfully authorizes, orders, or performs an act in violation of this chapter or a regulation prescribed or order issued under this chapter without regard to penalties imposed on the corporation.

(c) CIVIL ACTIONS BY ATTORNEY GENERAL.—The Attorney General may bring a civil action to enjoin a violation of this chapter or a regulation prescribed or order issued under this chapter. The action may be brought in the United States district court for the judicial district in which the violation occurred or the defendant is found, resides, or does business. Process in the action may be served in any other judicial district in which the defendant resides or is found. A subpoena for a witness in the action may be served in any judicial district.

(d) CIVIL ACTIONS BY STATES.—(1) When a person violates this chapter or a regulation prescribed or order issued under this chapter, the chief law enforcement officer of the State in which the violation occurs may bring a civil action—

(A) to enjoin the violation; or

(B) to recover amounts for which the person is liable under section 32710 of this title for each person on whose behalf the action is brought.

(2) An action under this subsection may be brought in an appropriate United States district court or in a State court of competent jurisdiction. The action must be brought not later than 2 years after the claim accrues.

In subsection (a)(1), the words “that violates this chapter” are substituted for “who commits any act or causes to be done any act that violates any provision of this subchapter or omits to do any act or causes to be omitted any act that is required by any such provision” in 15:1990b(a) for consistency and to eliminate unnecessary words. The words “or a regulation prescribed or order issued under this chapter” are substituted for “No transferor shall violate any rule prescribed under this section” in 15:1988 for consistency in the revised title and because “rule” is synonymous with “regulations”. The words “a separate violation occurs for each motor vehicle or device involved in the violation” are substituted for “A violation of any such provision shall, for purposes of this section, constitute a separate violation with respect to each motor vehicle or device involved” in 15:1990(b) to eliminate unnecessary words.

In subsection (a)(2), the words “on behalf of the United States” are omitted as surplus. The words “Before compromising the amount of a penalty, the Secretary shall give” are substituted for “after affording” for clarity. The words “to present views and evidence in support thereof” and “alleged” are omitted as surplus.

In subsection (b), the words “that knowingly and willfully violates this chapter” are substituted for “knowingly and willfully commits any act or causes to be done any act that violates any provision of this subchapter or knowingly and willfully omits to do any act or causes to be omitted any act that is required by such provision” to eliminate unnecessary words. The words “or a regulation prescribed or order issued under this chapter” are substituted for “No transferor shall violate any rule prescribed under this section” in 15:1988 for consistency in the revised title and because “rule” is synonymous with “regulations”. The words “fined under title 18” are substituted for “fined not more than $50,000” for consistency with title 18. The words “an act in violation of” are substituted for “any of the acts or practices constituting in whole or in part a violation of” to eliminate unnecessary words.

In subsections (c) and (d), the word “enjoin” is substituted for “restrain” for consistency.

In subsection (c), the words “The United States district courts shall have jurisdiction” are omitted because of 28:1331. The words “for cause shown and subject to the provisions of rule 65(a) and (b) of the Federal Rules of Civil Procedure” are omitted as surplus because the rules apply in the absence of an exemption from them. The words “the violation occurred” are substituted for “wherein any act, omission, or transaction constituting the violation occurred”, and the word “resides” is substituted for “is an inhabitant”, to eliminate unnecessary words. The words “may be served” are substituted for “may run into” for clarity.

In subsection (d)(1), before clause (A), the words “this chapter or a regulation prescribed or order issued under
this chapter" are substituted for "requirement imposed under this subchapter" for consistency. The words "civil action" are substituted for "any action" for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.).

In subsection (d)(2), the words "without regard to the amount in controversy" are omitted because jurisdiction is now allowed under 28:1331 without regard to the amount in controversy. The words "United States district court" are substituted for "district court of the United States" for consistency with the definition in section 32101 of the revised title and with other provisions of the chapter.

§ 32710. Civil actions by private persons

(a) VIOLATION AND AMOUNT OF DAMAGES.—A person that violates this chapter or a regulation prescribed or order issued under this chapter, with intent to defraud, is liable for 2 times the actual damages or $1,500, whichever is greater.

(b) CIVIL ACTIONS.—A person may bring a civil action to enforce a claim under this section in an appropriate United States district court or in another court of competent jurisdiction. The action must be brought not later than 2 years after the claim accrues. The court shall award costs and a reasonable attorney’s fee to the person when a judgment is entered for that person.

In subsection (a), the words "this chapter or a regulation prescribed or order issued under this chapter" are substituted for "requirement imposed under this subchapter" for consistency.

In subsection (b), the words "A person may bring a civil action to enforce a claim under this section in an appropriate United States district court or in another court of competent jurisdiction. The action must be brought not later than 2 years after the claim accrues. The court shall award costs and a reasonable attorney’s fee to the person when a judgment is entered for that person." are substituted for "annul, alter, or affect" to eliminate unnecessary words. In clause (1), the words "subject to the provisions of this subchapter" are omitted as surplus. In clause (1), the word "affect" is substituted for "annul, alter, or affect" to eliminate unnecessary words. In clause (2), the words "subject to the provisions of this subchapter" are omitted as surplus.

CHAPTER 329—AUTOMOBILE FUEL ECONOMY

§ 32901. Definitions

(a) GENERAL.—In this chapter—

(1) "alternative fuel" means—

(A) methanol;

(B) denatured ethanol;

(C) other alcohols;

(D) except as provided in subsection (b) of this section, a mixture containing at least 85 percent of methanol, denatured ethanol, and other alcohols by volume with gasoline or other fuels;

(E) natural gas;

(F) liquefied petroleum gas;

(G) hydrogen;

(H) coal derived liquid fuels;

(I) fuels (except alcohol) derived from biological materials;

(J) electricity (including electricity from solar energy); and

(K) any other fuel the Secretary of Transportation prescribes by regulation that is not substantially petroleum and that would yield substantial energy security and environmental benefits.

(2) "alternative fueled automobile" means an automobile that is—

(A) dedicated automobile; or

(B) dual fueled automobile.

AMENDMENTS

§ 32901. Definitions
§ 32901

(3) except as provided in section 32908 of this title, “automobile” means a 4-wheeled vehicle that is propelled by fuel, or by alternative fuel, manufactured primarily for use on public streets, roads, and highways and rated at less than 10,000 pounds gross vehicle weight, except—

(A) a vehicle operated only on a rail line;

(B) a vehicle manufactured in different stages by 2 or more manufacturers, if no intermediate or final-stage manufacturer of that vehicle manufactures more than 10,000 multi-stage vehicles per year; or

(C) a work truck.

(4) “automobile manufactured by a manufacturer” includes every automobile manufactured by a person that controls, is controlled by, or is under common control with the manufacturer, but does not include an automobile manufactured by the person that is exported not later than 30 days after the end of the model year in which the automobile is manufactured.

(5) “average fuel economy” means average fuel economy determined under section 32904 of this title.

(6) “average fuel economy standard” means a performance standard specifying a minimum level of average fuel economy applicable to a manufacturer in a model year.

(7) “commercial medium- and heavy-duty on-highway vehicle” means an on-highway vehicle with a gross vehicle weight rating of 10,000 pounds or more.

(8) “dedicated automobile” means an automobile that operates only on alternative fuel.

(9) “dual fueled automobile” means an automobile that—

(A) is capable of operating on alternative fuel or a mixture of biodiesel and diesel fuel meeting the standard established by the American Society for Testing and Materials or under section 211(u) of the Clean Air Act (42 U.S.C. 7545(u)) for fuel containing 20 percent biodiesel (commonly known as “B20”) and on gasoline or diesel fuel;

(B) provides equal or superior energy efficiency, as calculated for the applicable model year during fuel economy testing for the United States Government, when operating on alternative fuel as when operating on gasoline or diesel fuel;

(C) for model years 1993–1995 for an automobile capable of operating on a mixture of an alternative fuel and gasoline or diesel fuel and if the Administrator of the Environmental Protection Agency decides to extend the application of this subclause, for an additional period ending not later than the end of the last model year to which section 32905(b) and (d) of this title applies, provides equal or superior energy efficiency, as calculated for the applicable model year during fuel economy testing for the Government, when operating on a mixture of alternative fuel and gasoline or diesel fuel containing exactly 50 percent gasoline or diesel fuel as when operating on gasoline or diesel fuel; and

(D) for a passenger automobile, meets or exceeds the minimum driving range prescribed under subsection (c) of this section.

(10) “fuel” means—

(A) gasoline;

(B) diesel oil; or

(C) other liquid or gaseous fuel that the Secretary decides by regulation to include in this definition as consistent with the need of the United States to conserve energy.

(11) “fuel economy” means the average number of miles traveled by an automobile for each gallon of gasoline (or equivalent amount of other fuel) used, as determined by the Administrator under section 32904(c) of this title.

(12) “import” means to import into the customs territory of the United States.

(13) “manufacture” (except under section 32902(d) of this title) means to produce or assemble in the customs territory of the United States or to import.

(14) “manufacturer” means—

(A) a person engaged in the business of manufacturing automobiles, including a predecessor or successor of the person to the extent provided under regulations prescribed by the Secretary; and

(B) if more than one person is the manufacturer of an automobile, the person specified under regulations prescribed by the Secretary.

(15) “model” means a class of automobiles as decided by regulation by the Administrator after consulting and coordinating with the Secretary.

(16) “model year”, when referring to a specific calendar year, means—

(A) the annual production period of a manufacturer, as decided by the Administrator, that includes January 1 of that calendar year; or

(B) that calendar year if the manufacturer does not have an annual production period.

(17) “non-passenger automobile” means an automobile that is not a passenger automobile or a work truck.

(18) “passenger automobile” means an automobile that the Secretary decides by regulation is manufactured primarily for transporting not more than 10 individuals, but does not include an automobile capable of off-highway operation that the Secretary decides by regulation is—

(A) has a significant feature (except 4-wheel drive) designed for off-highway operation; and

(B) is a 4-wheel drive automobile or is rated at more than 6,000 pounds gross vehicle weight.

(19) “work truck” means a vehicle that—

(A) is rated at between 8,500 and 10,000 pounds gross vehicle weight; and

(B) is not a medium-duty passenger vehicle (as defined in section 86.1803–01 of title 40, Code of Federal Regulations, as in effect on the date of the enactment of the Ten-in-Ten Fuel Economy Act).

(b) AUTHORITY TO CHANGE PERCENTAGE.—The Secretary may prescribe regulations changing the percentage referred to in subsection (a)(1)(D) of this section to not less than 70 percent because of requirements relating to cold start, safety, or vehicle functions.
(c) **MINIMUM DRIVING RANGES FOR DUAL FUELED PASSENGER AUTOMOBILES.**—(1) The Secretary shall prescribe by regulation the minimum driving range that dual fueled automobiles that are passenger automobiles must meet when operating on alternative fuel to be dual fueled automobiles under sections 32905 and 32906 of this title. A determination whether a dual fueled automobile meets the minimum driving range requirement under this paragraph shall be based on the combined Agency city/highway fuel economy as determined for average fuel economy purposes for those automobiles.

(2)(A) The Secretary may prescribe a lower range for a specific model than that prescribed under paragraph (1) of this subsection. A manufacturer may petition for a lower range than that prescribed under paragraph (1) for a specific model.

(B) The minimum driving range prescribed for dual fueled automobiles (except electric automobiles) under subparagraph (A) of this paragraph or paragraph (1) of this subsection must be at least 200 miles.

(C) If the Secretary prescribes a minimum driving range of 200 miles for dual fueled automobiles (except electric automobiles) under paragraph (1) of this subsection, subparagraph (A) of this paragraph does not apply to dual fueled automobiles (except electric automobiles).

(3) In prescribing a minimum driving range under paragraph (1) of this subsection and in taking an action under paragraph (2) of this subsection, the Secretary shall consider the purpose set forth in section 3 of the Alternative Motor Fuels Act of 1988 (Public Law 100–494, 102 Stat. 2442), consumer acceptability, economic practicability, technology, environmental impact, safety, drivability, performance, and other factors the Secretary considers relevant.

In this chapter, the word “model” is substituted for “model type” for consistency in this part.

In subsection (a)(3), before clause (A), the words “except as provided in section 32908 of this title” are added for clarity. The word “line” is added for consistency in the revised title and with other titles of the United States Code. The words “or rails” are omitted because of 1:1. The text of 15:2001(1) (last sentence) is omitted because of 49:322(a). The text of 15:2001(13) and (14) is omitted as surplus because the complete names of the Secretary of Transportation and Administrator of the Environmental Protection Agency are used the first time the terms appear in a section. The text of 15:2001 (related to 15:2011) is omitted because 15:2011 is outside the scope of the restatement. See section 4(c) of the bill.

In subsection (a)(4), the words “automobile manufactured by a manufacturer includes” are substituted for “Any reference in this subchapter to automobiles manufactured by a manufacturer shall be deemed—(1) to include” to eliminate unnecessary words. The word “every” is substituted for “all” because of the restatement. The words “but does not include” are substituted for “to exclude” for consistency. The words “manufactured by the person” are substituted for “manufactured (within the meaning of paragraph (1))” to eliminate unnecessary words.

In subsection (a)(10), the words “in accordance with procedures established” are omitted as surplus.

In subsection (a)(14), the word “particular” is omitted as surplus.

Subsection (a)(15)(B) is substituted for “If a manufacturer has no annual production period, the term ‘model year’ means the calendar year” to eliminate unnecessary words.

In subsection (a)(16), before clause (A), the words “but does not include an automobile capable of off-highway operation that” are substituted for “other than an automobile capable of off-highway operation” and “The term ‘automobile capable of off-highway operation’ means any automobile which” to eliminate unnecessary words.

In subsection (b), the words “The Secretary may prescribe regulations changing the percentage . . . to not less than 70 percent because of” are substituted for “but not less than 70 percent, as determined by the Secretary, by rule, to provide for” for clarity and because of the restatement.

In subsection (c)(1), the words “For purposes of the definitions in paragraph (1)(D)” are omitted as unnecessary because of the restatement. The words “within 18 months after October 14, 1988” are omitted as obsolete. The words “prescribe by regulation” are substituted for “establish by rule of general applicability for clarity and consistency in the revised title and with other titles of the United States Code and because” “rule” is synonymous with “regulation”. The words “that are passenger automobiles” are substituted for “The rule issued under this subparagraph shall apply only to dual fueled automobiles that are passenger automobiles” to eliminate unnecessary words.
REFERENCES IN TEXT

Section 3 of the Alternative Motor Fuels Act of 1988, referred to in subsec. (c)(3), is section 3 of Pub. L. 100–494, which is set out as a note under section 6374 of Title 42, The Public Health and Welfare.

AMENDMENTS

2007—Subsec. (a)(3). Pub. L. 110–140, § 103(a)(1), added par. (3) and struck out former par. (3) which read as follows: “except as provided in section 32908 of this title, ‘automobile’ means a 4-wheeled vehicle that is propelled by fuel, or by alternative fuel, manufactured primarily for use on public streets, roads, and highways (except a vehicle operated only on a rail line), and rated at—

(A) not more than 6,000 pounds gross vehicle weight; or

(B) more than 6,000, but less than 10,000, pounds gross vehicle weight, if the Secretary decides by regulation that—

(1) an average fuel economy standard under this chapter for the vehicle is feasible; and

(2) an average fuel economy standard under this chapter for the vehicle will result in significant energy conservation or the vehicle is substantially used for the same purposes as a vehicle rated at not more than 6,000 pounds gross vehicle weight.

Subsec. (a)(7), (8). Pub. L. 110–140, § 103(a)(2), (3), added par. (7) and redesignated former par. (7) as (8). Former par. (8) redesignated (9).

Subsec. (a)(10). Pub. L. 110–140, § 103(a)(3), inserted “or a mixture of biodiesel and diesel fuel meeting the standard established by the American Society for Testing and Materials or under section 211(u) of the Clean Air Act (42 U.S.C. 7545(u)) for fuel containing 20 percent biodiesel (commonly known as ‘B20’) after ‘alternative fuel’.”

Subsec. (a)(10) to (16). Pub. L. 110–140, § 103(a)(2), redesignated par. (9) to (15) as (10) to (16), respectively. Former par. (16) redesignated (17).

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 110–140 effective on the date that is 1 day after Dec. 19, 2007, see section 1601 of Pub. L. 110–140, set out as an Effective Date note under section 1822 of Title 2, The Congress.

CONSUMER ASSISTANCE TO RECYCLE AND SAVE

“SEC. 1301. SHORT TITLE.—This title may be cited as the ‘Consumer Assistance to Recycle and Save Act of 2009’.

“SEC. 1302. CONSUMER ASSISTANCE TO RECYCLE AND SAVE PROGRAM.—(a) ESTABLISHMENT.—There is established in the National Highway Traffic Safety Administration a voluntary program to be known as the ‘Consumer Assistance to Recycle and Save Program’ through which the Secretary, in accordance with this section and the regulations promulgated under subsection (d), shall—

(1) authorize the issuance of an electronic voucher, subject to the specifications set forth in subsection (c), to offset the purchase price or lease price for a qualifying lease of a new fuel efficient automobile upon the surrender of an eligible trade-in vehicle to a dealer participating in the Program;

(2) register dealers for participation in the Program and require that all registered dealers—

(A) accept vouchers as provided in this section as partial payment or down payment for the purchase or qualifying lease of any new fuel efficient automobile offered for sale or lease by that dealer; and

(B) in accordance with subsection (c)(2), to transfer each eligible trade-in vehicle surrendered to the dealer under the Program to an entity for disposal;

(3) in consultation with the Secretary of the Treasury, make electronic payments to dealers for eligible transactions by such dealers, in accordance with the regulations issued under subsection (d); and

(4) in consultation with the Secretary of the Treasury and the Inspector General of the Department of Transportation, establish and provide for the enforcement of measures to prevent and penalize fraud under the program.

“(b) QUALIFICATIONS FOR AND VALUE OF VOUCHERS.—A voucher issued under the Program shall have a value that may be applied to offset the purchase price or lease price for a qualifying lease of a new fuel efficient automobile as follows:

(1) $3,500 VALUE.—The voucher may be used to offset the purchase price or lease price of the new fuel efficient automobile by $3,500 if—

(A) the new fuel efficient automobile is a passenger automobile and the combined fuel economy value of such automobile is at least 4 miles per gallon higher than the combined fuel economy value of the eligible trade-in vehicle;

(B) the new fuel efficient automobile is a category 1 truck and the combined fuel economy value of such truck is at least 2 miles per gallon higher than the combined fuel economy value of the eligible trade-in vehicle;

(C) the new fuel efficient automobile is a category 2 truck that has a combined fuel economy value of at least 15 miles per gallon and—

(i) the eligible trade-in vehicle is a category 2 truck and the combined fuel economy value of the new fuel efficient automobile is at least 1 mile per gallon higher than the combined fuel economy value of the eligible trade-in vehicle;

(ii) the eligible trade-in vehicle is a category 3 truck of model year 2001 or earlier; or

(iii) the eligible trade-in vehicle is a category 3 truck of model year 2001 or earlier and is of similar size or larger than the new fuel efficient automobile as determined in a manner prescribed by the Secretary.

(2) $4,500 VALUE.—The voucher may be used to offset the purchase price or lease price of the new fuel efficient automobile by $4,500 if—

(A) the new fuel efficient automobile is a passenger automobile and the combined fuel economy value of such automobile is at least 10 miles per gallon higher than the combined fuel economy value of the eligible trade-in vehicle;

(B) the new fuel efficient automobile is a category 1 truck and the combined fuel economy value of such truck is at least 2 miles per gallon higher than the combined fuel economy value of the eligible trade-in vehicle;

(C) the new fuel efficient automobile is a category 2 truck that has a combined fuel economy value of at least 15 miles per gallon and—

(i) the eligible trade-in vehicle is a category 2 truck and the combined fuel economy value of the new fuel efficient automobile is at least 1 mile per gallon higher than the combined fuel economy value of the eligible trade-in vehicle;

(ii) the eligible trade-in vehicle is a category 3 truck of model year 2001 or earlier; or

(iii) the eligible trade-in vehicle is a category 3 truck of model year 2001 or earlier and is of similar size or larger than the new fuel efficient automobile as determined in a manner prescribed by the Secretary.

(3) PROGRAM SPECIFICATIONS.—

(A) GENERAL PERIOD OF ELIGIBILITY.—A voucher issued under the Program shall be used only in con-
connection with the purchase or qualifying lease of new fuel efficient automobiles that occur between July 1, 2009 and November 1, 2009.

(2) Number of vouchers per person and per trade-in vehicle.—Not more than 1 voucher may be issued for a single person and not more than 1 voucher may be issued for the joint registered owners of a single eligible trade-in vehicle.

(C) No combination of vouchers.—Only 1 voucher issued under the Program may be applied toward the purchase or qualifying lease of a single new fuel efficient automobile.

(D) Cap on funds for category 3 trucks.—Not more than 7.5 percent of the total funds made available for the Program shall be used for vouchers for the purchase or qualifying lease of category 3 trucks.

(E) Combination with other incentives permitted. The availability or use of a Federal, State, or local incentive or a State-issued voucher for the purchase or lease of a new fuel efficient automobile shall not limit the value or issuance of a voucher under the Program to any person otherwise eligible to receive such a voucher.

(F) No additional fees.—A dealer participating in the program may not charge a person purchasing or leasing a new fuel efficient automobile any additional fees associated with the use of a voucher under the Program.

(G) Number and amount.—The total number and value of vouchers issued under the Program may not exceed the amounts appropriated for such purpose.

(2) Disposition of eligible trade-in vehicles.—

(A) In general.—For each eligible trade-in vehicle surrendered to a dealer under the Program, the dealer shall certify to the Secretary, in such manner that the Secretary shall prescribe by rule, that the dealer—

(i) has not and will not sell, lease, exchange, or otherwise dispose of the vehicle for use as an automobile in the United States or in any other country; and

(ii) will transfer the vehicle (including the engine block), in such manner as the Secretary prescribes, to an entity that will ensure that the vehicle—

(I) will be crushed or shredded within such period and in such manner as the Secretary prescribes; and

(II) has not been, and will not be, sold, leased, exchanged, or otherwise disposed of for use as an automobile in the United States or in any other country.

(B) Savings provision.—Nothing in subparagraph (A) may be construed to preclude a person who is responsible for ensuring that the vehicle is crushed or shredded from—

(i) selling any parts of the disposed vehicle other than the engine block and drive train (unless with respect to the drive train, the transmission, drive shaft, or rear end are sold as separate parts); or

(ii) retaining the proceeds from such sale.

(C) Coordination.—The Secretary shall coordinate with the Attorney General to ensure that the National Motor Vehicle Title Information System and other publicly accessible systems are appropriately updated on a timely basis to reflect the crushing or shredding of vehicles under this section and appropriate reclassification of the vehicles' titles. The commercial market shall also have electronic and commercial access to the vehicle identification numbers of vehicles that have been disposed of on a timely basis.

(D) Regulations.—Notwithstanding the requirements of section 553 of title 5, United States Code, the Secretary shall promulgate final regulations to implement the Program not later than 30 days after the date of the enactment of this Act [June 24, 2009]. Such regulations shall—

(1) provide for a means of registering dealers for participation in the Program;

(2) establish procedures for the reimbursement of dealers participating in the Program to be made through electronic transfer of funds for the amount of the vouchers as soon as practicable but no longer than 10 days after the submission of information supporting the eligible transaction, as deemed appropriate by the Secretary;

(3) require the dealer to use the voucher in addition to any other rebate or discount advertised by the dealer or offered by the manufacturer for the new fuel efficient automobile and prohibit the dealer from using the voucher to offset any such other rebate or discount;

(4) require dealers to disclose to the person trading in an eligible trade-in vehicle the best estimate of the scrappage value of such vehicle and to permit the dealer to retain $50 of any amounts paid to the dealer for scrappage of the automobile as payment for any administrative costs to the dealer associated with participation in the Program;

(5) consistent with subsection (c)(2), establish requirements and procedures for the disposal of eligible trade-in vehicles and provide such information as may be necessary to ensure that vehicles disposed of and the new fuel efficient automobile purchased with each voucher;

(6) a mechanism for obtaining such other certifications as deemed necessary by the Secretary from entities engaged in vehicle disposal; and

(7) a list of entities to which dealers may transfer eligible trade-in vehicles for disposal; and

(E) a list of entities to which dealers may transfer eligible trade-in vehicles for disposal; and

(6) provide for the enforcement of the penalties described in subsection (e).

(3) Violation.—It shall be unlawful for any person to violate any provision under this section or any regulations issued pursuant to subsection (d) (other than by making a clerical error).

(4) Penalties.—Any person who commits a violation described in paragraph (1) shall be liable to the United States Government for a civil penalty of not more than $15,000 for each violation. The Secretary shall have the authority to assess and compromise such penalties, and shall have the authority to require from any entity the records and inspections necessary to enforce this program. In determining the amount of the civil penalty, the severity of the violation and the intent and history of the person committing the violation shall be taken into account.

(F) Information to consumers and dealers.—Not later than 30 days after the date of the enactment of this Act [June 24, 2009], and promptly upon the update of any relevant information, the Secretary shall make available on an Internet website and through other means determined by the Secretary information about the Program, including—

(1) how to determine if a vehicle is an eligible trade-in vehicle;
"(2) how to participate in the Program, including how to determine participating dealers; and

"(3) a comprehensive list, by make and model, of new fuel efficient automobiles meeting the require-
ments of the Program.

Once such information is available, the Secretary shall conduct a public awareness campaign to inform con-
sumers about the Program and where to obtain addi-
tional information.

"(g) RECORD KEEPING AND REPORT.—

"(1) DATABASE.—The Secretary shall maintain a database of the vehicle identification numbers of all new fuel efficient vehicles purchased or leased and all eligible trade-in vehicles disposed of under the Pro-
gram.

"(2) REPORT ON EFFICACY OF THE PROGRAM.—Not later than 60 days after the termination date de-
scribed in subsection (c)(1)(A), the Secretary shall submit a report to the Committee on Energy and Com-
merce of the House of Representatives and the Committee on Commerce, Science, and Transpor-
tation of the Senate describing the efficacy of the Program, including—

"(A) a description of Program results, including—

"(i) the total number and amount of vouchers issued for purchase or lease of new fuel efficient automo-
biles by manufacturer (including aggregate information concerning the make, model, model year) and category of automobile;

"(ii) aggregate information regarding the make, model, model year, and manufacturing location of 
vehicles traded in under the Program; and

"(iii) the location of sale or lease;

"(B) an estimate of the overall increase in fuel ef-
ciency in terms of miles per gallon, total annual oil savings, and total annual greenhouse gas reduc-
tions, as a result of the Program; and

"(C) an estimate of the overall economic and em-
ployment effects of the Program.

"(3) REVIEW OF ADMINISTRATION OF THE PROGRAM BY 
GOVERNMENT ACCOUNTABILITY OFFICE AND INSPECTOR 
GENERAL.—Not later than 180 days after the termin-
ination date described in subsection (c)(1)(A), the Gov-
ernment Accountability Office and the Inspector General of the Department of Transportation shall submit reports to the Committee on Energy and Com-
merce of the House of Representatives and the Com-
mittance on Commerce, Science, and Transportation of the Senate reviewing the administration of the pro-
gram.

"(b) EXCLUSION OF VOUCHERS FROM INCOME.—

"(1) FOR PURPOSES OF ALL FEDERAL AND STATE 
PROGRAMS.—A voucher issued under this program or any payment made for such a voucher pursuant to sub-
section (a)(3) shall not be regarded as income and shall not be regarded as a resource for the month of 
receipt of the voucher and the following 12 months, for purposes of determining the eligibility of the re-
cipient of the voucher (or the recipient’s spouse or other family or household members) for benefits or assistance, or the amount or extent of benefits or as-
sistance, under any Federal or State program.

"(2) FOR PURPOSES OF TAXATION.—A voucher issued under the program or any payment made for such a voucher pursuant to subsection (a)(3) shall not be regarded as gross income of the purchaser of a vehi-
cle for purposes of the Internal Revenue Code of 1986 [26 U.S.C. 1 et seq.].

"(1) DEFINITIONS.—As used in this section—

"(1) the term ‘passenger automobile’ means a pas-
senger automobile, as defined in section 32901(a)(18) of 
title 49, United States Code, that has a combined fuel 
economy value of at least 22 miles per gallon;

"(2) the term ‘category 1 truck’ means a nonpas-
senger automobile, as defined in section 32901(a)(17) of 
title 49, United States Code, that has a combined fuel economy value of at least 18 miles per gallon, except that such term does not include a category 2 truck;

"(3) the term ‘category 2 truck’ means a large van 
or a large pickup, as categorized by the Secretary

using the method used by the Environmental Protec-
tion Agency and described in the report entitled ‘Light-Duty Automotive Technology and Fuel Econ-
omy: Trends 1975 through 2008”; and

"(4) the term ‘category 3 truck’ means a work 
truck, as defined in section 32901(a)(19) of title 49, 
United States Code; and

"(5) the term ‘combined fuel economy value’ means—

"(A) with respect to a new fuel efficient auto-
mobile, the number, expressed in miles per gallon, 
centered below the words ‘Combined Economy Fuel’ 
on the label required to be affixed or caused to be 
affixed on a new automobile pursuant to subpart D 
of part 600 of title 40, Code of Federal Regulations;

"(B) with respect to an eligible trade-in vehicle, 
the equivalent of the number described in subpara-
graph (A), and posted under the words ‘Estimated 
New EPA MPG’ and above the word ‘Combined’ for 
vehicles of model year 1984 through 2007, or posted 
under the words ‘New EPA MPG’ and above the 
word ‘Combined’ for vehicles of model year 2008 or 
later on the fueleconomy.gov website of the Envi-
ronmental Protection Agency for the make, model, 
and year of such vehicle; or

"(C) with respect to an eligible trade-in vehicle 
made between model years 1978 through 1985, the 
equivalent of the number described in subpara-
graph (A) as determined by the Secretary (and 
posted on the website of the National Highway 
Traffic Safety Administration) using data main-
tained by the Environmental Protection Agency for 
the make, model, and year of such vehicle.

"(6) the term ‘dealer’ means a person licensed by a 
State who engages in the sale of new automobiles to 
ultimate purchasers;

"(7) the term ‘eligible trade-in vehicle’ means an 
automobile or a work truck (as such terms are de-

ined in section 32901(a) of title 49, United States Code) that, at the time it is presented for trade-in 
under this section—

"(A) is in drivable condition;

"(B) has been continuously insured consistent 
with the applicable State law and registered to the 
same owner for a period of not less than 1 year im-
mEDIATELY PRIOR TO SUCH TRADE-IN;

"(C) was manufactured less than 25 years before 
the date of the trade-in; and

"(D) in the case of an automobile, has a combined 
fuel economy value of 18 miles per gallon or less;

"(8) the term ‘new fuel efficient automobile’ means 
an automobile described in paragraph (1), (2), (3), or 
(4).

"(A) the equitable or legal title of which has not 
been transferred to any person other than the ultimate 
purchaser;

"(B) that carries a manufacturer’s suggested retail 
price of $45,000 or less;

"(C) that—

"(i) in the case of passenger automobiles, cat-
egory 1 trucks, or category 2 trucks, is certified 
to applicable standards under section 86.1811–84 of 
title 40, Code of Federal Regulations; or

"(ii) in the case of category 3 trucks, is certified 
to the applicable vehicle or engine standards 
under section 86.1815–68, 86–007–11 [probably means 
86.007–11], or 86.008–10 of title 40, Code of Federal 
Regulations; and

"(D) that has the combined fuel economy value of at 
least—

"(i) 22 miles per gallon for a passenger auto-
mobile;

"(ii) 18 miles per gallon for a category 1 truck;

"(iii) 15 miles per gallon for a category 2 truck;

"(9) the term ‘Program’ means the Consumer As-
sistance to Recycle and Save Program established 
by this section; and

"(10) the term ‘qualifying lease’ means a lease of an 
automobile for a period of not less than 5 years;
“(11) the term ‘scrap value’ means the amount received by the dealer for a vehicle upon transferring title of such vehicle to the person responsible for ensuring the dismantling and destroying of the vehicle;
“(12) the term ‘Secretary’ means the Secretary of Transportation acting through the National Highway Traffic Safety Administration;
“(13) the term ‘ultimate purchaser’ means, with respect to any new automobile, the first person who in good faith purchases such automobile for purposes other than resale;
“(14) the term ‘vehicle identification number’ means the 17 character number used by the automobile industry to identify individual automobiles; and
“(15) the term ‘voucher’ means an electronic transfer of funds to a dealer based on an eligible transaction under this program.

§ 32902. Average fuel economy standards

(a) Prescription of Standards by Regulation.—At least 18 months before the beginning of each model year, the Secretary of Transportation shall prescribe by regulation average fuel economy standards for automobiles manufactured by a manufacturer in that model year. Each standard shall be the maximum feasible average fuel economy level that the Secretary decides the manufacturers can achieve in that model year.

(b) Standards for Automobiles and Certain Other Vehicles.—

(1) In General.—The Secretary of Transportation, after consultation with the Secretary of Energy and the Administrator of the Environmental Protection Agency, shall prescribe separate average fuel economy standards for—

(A) passenger automobiles manufactured by manufacturers in each model year beginning with model year 2011 in accordance with this subsection;

(B) non-passenger automobiles manufactured by manufacturers in each model year beginning with model year 2011 in accordance with this subsection; and

(C) work trucks and commercial medium-duty or heavy-duty on-highway vehicles in accordance with subsection (k).

(2) Fuel Economy Standards for Automobiles.—

(A) Automobile Fuel Economy Average for Model Years 2011 Through 2020.—The Secretary shall prescribe a separate average fuel economy standard for passenger automobiles and a separate average fuel economy standard for non-passenger automobiles for each model year beginning with model year 2011 to achieve a combined fuel economy average for model year 2020 of at least 35 miles per gallon for the total fleet of passenger and non-passenger automobiles manufactured for sale in the United States for that model year.

(B) Automobile Fuel Economy Average for Model Years 2021 Through 2030.—For model years 2021 through 2030, the average fuel economy required to be attained by each passenger and non-passenger automobiles manufactured for sale in the United States shall be the maximum feasible average fuel economy standard for each fleet for that model year.

(C) Progress Toward Standard Required.—In prescribing average fuel economy standards under subparagraph (A), the Secretary shall prescribe annual fuel economy standard increases that increase the applicable average fuel economy standard ratably beginning with model year 2011 and ending with model year 2020.

(3) Authority of the Secretary.—The Secretary shall—

(A) prescribe by regulation separate average fuel economy standards for passenger and non-passenger automobiles based on 1 or more vehicle attributes related to fuel economy and express each standard in the form of a mathematical function; and

(B) issue regulations under this title prescribing average fuel economy standards for at least 1, but not more than 5, model years.

(4) Minimum Standard.—In addition to any standard prescribed pursuant to paragraph (3), each manufacturer shall also meet the minimum standard for domestically manufactured passenger automobiles, which shall be the greater of—

(A) 27.5 miles per gallon; or

(B) 92 percent of the average fuel economy projected by the Secretary for the combined domestic and non-domestic passenger automobile fleets manufactured for sale in the United States by all manufacturers in the model year, which projection shall be published in the Federal Register when the standard for that model year is promulgated in accordance with this section.

(c) Amending Passenger Automobile Standards.—The Secretary of Transportation may prescribe regulations amending the standard under subsection (b) of this section for a model year to a level that the Secretary decides is the maximum feasible average fuel economy level for that model year. Section 553 of title 5 applies to a proceeding to amend the standard. However, any interested person may make an oral presentation and a transcript shall be taken of that presentation.

(d) Exemptions.—(1) Except as provided in paragraph (3) of this subsection, on application of a manufacturer that manufactured (whether in the United States or not) fewer than 10,000 passenger automobiles in the model year 2 years before the model year for which the application is made, the Secretary of Transportation may exempt by regulation the manufacturer from a standard under subsection (b) or (c) of this section. An exemption for a model year applies only if the manufacturer manufactures (whether in the United States or not) fewer than 10,000 passenger automobiles in the model year. The Secretary may exempt a manufacturer only if the Secretary—

(A) finds that the applicable standard under those subsections is more stringent than the maximum feasible average fuel economy level that the manufacturer can achieve; and

(B) prescribes by regulation an alternative average fuel economy standard for the pas-
senger automobiles manufactured by the exempted manufacturer that the Secretary decides is the maximum feasible average fuel economy level for the manufacturers to which the alternative standard applies.

(2) An alternative average fuel economy standard the Secretary of Transportation prescribes under paragraph (1)(B) of this subsection may apply to an individually exempted manufacturer, to all automobiles to which this subsection applies, or to classes of passenger automobiles, as defined under regulations of the Secretary, manufactured by exempted manufacturers.

(3) Notwithstanding paragraph (1) of this subsection, an importer registered under section 30141(c) of this title may not be exempted as a manufacturer under paragraph (1) for a motor vehicle that the importer—
(A) imports; or
(B) brings into compliance with applicable motor vehicle safety standards prescribed under chapter 301 of this title for an individual under section 30142 of this title.

(4) The Secretary of Transportation may prescribe the contents of an application for an exemption.

(e) EMERGENCY VEHICLES.—(1) In this subsection, "emergency vehicle" means an automobile manufactured primarily for use—
(A) as an ambulance or combination ambulance-hearse;
(B) by the United States Government or a State or local government for law enforcement; or
(C) for other emergency uses prescribed by regulation by the Secretary of Transportation.

(2) A manufacturer may elect to have the fuel economy of an emergency vehicle excluded in applying a fuel economy standard under subsection (a), (b), (c), or (d) of this section. The election is made by providing written notice to the Secretary of Transportation and to the Administrator of the Environmental Protection Agency.

(f) CONSIDERATIONS ON DECISIONS ON MAXIMUM FEASIBLE AVERAGE FUEL ECONOMY.—When deciding maximum feasible average fuel economy under this section, the Secretary of Transportation shall consider technological feasibility, economic practicability, the effect of other motor vehicle standards of the Government on fuel economy, and the need of the United States to conserve energy.

(g) REQUIREMENTS FOR OTHER AMENDMENTS.—
(1) The Secretary of Transportation may prescribe regulations amending an average fuel economy standard prescribed under subsection (a) or (d) of this section if the amended standard meets the requirements of subsection (a) or (d), as appropriate.

(2) When the Secretary of Transportation prescribes an amendment under this section that makes an average fuel economy standard more stringent, the Secretary shall prescribe the amendment (and submit the amendment to Congress when required under subsection (c)(2) of this section) at least 18 months before the beginning of the model year to which the amendment applies.

(h) LIMITATIONS.—In carrying out subsections (c), (f), and (g) of this section, the Secretary of Transportation—
(1) may not consider the fuel economy of dedicated automobiles;
(2) shall consider dual fueled automobiles to be operated only on gasoline or diesel fuel; and
(3) may not consider, when prescribing a fuel economy standard, the trading, transferring, or availability of credits under section 32903.

(i) CONSULTATION.—The Secretary of Transportation shall consult with the Secretary of Energy in carrying out this section and section 32903 of this title.

(j) SECRETARY OF ENERGY COMMENTS.—(1) Before issuing a notice proposing to prescribe or amend an average fuel economy standard under subsection (a), (c), or (g) of this section, the Secretary of Transportation shall give the Secretary of Energy at least 10 days from the receipt of the notice during which the Secretary of Energy may, if the Secretary of Energy concludes that the proposed standard would adversely affect the conservation goals of the Secretary of Energy, provide written comments to the Secretary of Transportation about the impact of the standard on those goals. To the extent the Secretary of Transportation does not revise a proposed standard to take into account comments of the Secretary of Energy on any adverse impact of the standard, the Secretary of Transportation shall include those comments in the notice.

(2) Before taking final action on a standard or an exemption from a standard under this section, the Secretary of Transportation shall notify the Secretary of Energy and provide the Secretary of Energy a reasonable time to comment.

(k) COMMERCIAL MEDIUM- AND HEAVY-DUTY ON-HIGHWAY VEHICLES AND WORK TRUCKS.—
(1) STUDY.—Not later than 1 year after the National Academy of Sciences publishes the results of its study under section 108 of the Ten-in-Ten Fuel Economy Act, the Secretary of Transportation, in consultation with the Secretary of Energy and the Administrator of the Environmental Protection Agency, shall examine the fuel efficiency of commercial medium- and heavy-duty on-highway vehicles and work trucks and determine—
(A) the appropriate test procedures and methodologies for measuring the fuel efficiency of such vehicles and work trucks;
(B) the appropriate metric for measuring and expressing commercial medium- and heavy-duty on-highway vehicle and work truck fuel efficiency performance, taking into consideration, among other things, the work performed by such on-highway vehicles and work trucks and types of operations in which they are used;
(C) the range of factors, including, without limitation, design, functionality, use, duty cycle, infrastructure, and total overall energy consumption and operating costs that affect commercial medium- and heavy-duty on-highway vehicle and work truck fuel efficiency; and
(D) such other factors and conditions that could have an impact on a program to im-
prove commercial medium- and heavy-duty on-highway vehicle and work truck fuel efficiency.

(2) **RULEMAKING.**—Not later than 24 months after completion of the study required under paragraph (1), the Secretary, in consultation with the Secretary of Energy and the Administrator of the Environmental Protection Agency, by regulation, shall determine in a rulemaking proceeding how to implement a commercial medium- and heavy-duty on-highway vehicle and work truck fuel efficiency improvement program designed to achieve the maximum feasible improvement, and shall adopt and implement appropriate test methods, measurement metrics, fuel economy standards, and compliance and enforcement protocols that are appropriate, cost-effective, and technologically feasible for commercial medium- and heavy-duty on-highway vehicles and work trucks. The Secretary may prescribe separate standards for different classes of vehicles under this subsection.

(3) **LEAD-TIME; REGULATORY STABILITY.**—The commercial medium- and heavy-duty on-highway vehicle and work truck fuel economy standard adopted pursuant to this subsection shall provide not less than—

(A) 4 full model years of regulatory lead-time; and

(B) 3 full model years of regulatory stability.

### Historical and Revision Notes

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U. S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In subsection (a), the words “Any standard applicable to a model year under this subsection shall be prescribed” are omitted as surplus. The words “which begins more than 30 months after December 22, 1975” are omitted as executed.

In subsection (b), the text of 15:2002(a)(1) (related to model years before 1985) and (3) is omitted as expired. The words “at least” are omitted as unnecessary because of the source provisions restated in subsection (c) of this section.

In subsection (c)(1), the words “Subject to paragraph (2) of this subsection” are added for clarity. The words “may prescribe regulations amending” are substituted for “may, by rule, amend” for clarity and consistency in the revised title and because “rule” is synonymous with “regulation”. The words “for a model year” are substituted for “for model year 1985” or for any subsequent model year” to eliminate the expired limitation. The reference in 15:2002(b) to 15:2002(d) is omitted because 15:2002(d) is omitted from the revised title as executed. The words “as well as written” are omitted as surplus.

In subsection (c)(2), the words “If an amendment increases the standard . . . decreases the standard” are substituted for “except that any amendment that has the effect of increasing . . . decreases the standard” to eliminate unnecessary words. The words “For purposes of considering any modification which is submitted to the Congress under paragraph (4)” are omitted as surplus. The words “are deemed to be” are substituted for “shall be lengthened to” for clarity and consistency.

In subsection (d)(1), before clause (A), the words “Except as provided in paragraph (3) of this subsection” are added because of the restatement. The words “in the model year 2 years before” are substituted for “in the second model year preceding” for clarity. The words “The Secretary may exempt a manufacturer only if the Secretary” are substituted for “Such exemption may only be granted if the Secretary” and “The Secretary may not issue exemptions with respect to a model year unless he” to eliminate unnecessary words. The words “each such standard shall be set at a level which” are omitted as surplus.

In subsection (d)(3), before clause (A), the words “Notwithstanding paragraph (1) of this subsection” are substituted for “Notwithstanding any provision of law authorizing exemptions from energy conservation requirements for manufacturers of fewer than 10,000 motor vehicles” to eliminate unnecessary words. In clause (B), the word “compliance” is substituted for “conformity” for consistency with chapter 301 of the revised title. The words “prescribed under chapter 301 of this title” are substituted for “Federal” for consistency in the revised title. Subsection (d)(4) is substituted for 15:2002(c)(1) (2d sentence) to eliminate unnecessary words. The text of 15:2002(c)(2) is omitted as expired.

In subsection (e)(1)(B), the words “police or other” are omitted as unnecessary because the authority to prescribe standards includes the authority to amend those standards.

In subsection (g)(1), the words “from time to time” are omitted as unnecessary. The cross-reference to 15:2002(a)(3) is omitted as executed because 15:2002(a)(3) applied to model years 1981–1984.

In subsection (g)(2), the words “that makes” are substituted for “has the effect of making” to eliminate unnecessary words.

In subsection (h), the words “his responsibilities under” are omitted as surplus.

In subsection (j), the reference to 15:2002(d) and the words “or any modification of” are omitted because 15:2002(d) is omitted from the revised title as executed.

In subsection (k)(1), the words “to prescribe or amend” are substituted for “to establish, reduce, or amend” to eliminate unnecessary words. The words “adverse impact” are substituted for “level” for clarity and consistency. The words “those comments” are substituted for “unaccommodated comments” for clarity.
REFERENCES IN TEXT

AMENDMENTS

Subsec. (b). Pub. L. 110–140, §102(a)(2), added subsec. (b) and struck out former subsec. (b). Prior to amendment, text of subsec. (b) read as follows: “Except as provided in this section, the average fuel economy standard for passenger automobiles manufactured by a manufacturer in a model year after model year 1984 shall be 27.5 miles per gallon.”

Subsec. (c). Pub. L. 110–140, §102(a)(3), substituted “The Secretary” for “(1) Subject to paragraph (2) of this subsection, the Secretary” and struck out par. (2) which read as follows: “If an amendment increases the standard above 27.5 miles per gallon or decreases the standard below 26.0 miles a gallon, the Secretary of Transportation shall submit the amendment to Congress. The procedures of section 551 of the Energy Policy and Conservation Act (42 U.S.C. 6221) apply to an amendment, except that the 15 calendar days referred to in section 551(c) and (d) of the Act (42 U.S.C. 6211(c), (d)) are deemed to be 60 calendar days, and the 5

Effective Date of 2007 Amendment
Amendment by Pub. L. 110–140 effective on the date that is 1 day after Dec. 19, 2007, see section 1601 of Pub. L. 110–140, set out as an Effective Date note under section 1824 of Title 2, The Congress.

Continued applicability of existing standards

National Academy of Sciences studies

(a) In General.—As soon as practicable after the date of enactment of this Act [Dec. 19, 2007], the Secretary of Transportation shall execute an agreement with the National Academy of Sciences to develop a report evaluating vehicle fuel economy standards, including—

(1) an assessment of automotive technologies and costs to reflect developments since the Academy’s 2002 report evaluating the corporate average fuel economy standards agenda was conducted;

(2) an analysis of existing and potential technologies that may be used practically to improve automobile and medium-duty and heavy-duty truck fuel economy;

(3) an analysis of how such technologies may be practically integrated into the automotive and medium-duty and heavy-duty truck manufacturing processes; and

(b) after considering the results of the report developed under subparagraph (a), the Secretary shall develop a notice of proposed rulemaking for the adoption of average fuel economy standards for model years 2009 and 2010, and the proposed rulemaking shall be published in the Federal Register by February 1, 2008. The Secretary not later than 5 years after the date on which the Secretary executes the agreement with the Academy.

(c) Quinnipiac Updates.—After submitting the initial report, the Academy shall update the report at 5 year intervals thereafter through 2020.

THE ENERGY INDEPENDENCE AND SECURITY ACT OF 2007
Memorandum of President of the United States, Jan. 20, 2009, 74 F.R. 4007, provided:

Memorandum for the Secretary of Transportation [and] the Administrator of the National Highway Traffic Safety Administration.

In 2007, the Congress passed the Energy Independence and Security Act (EISA). This law mandates that, as part of the Nation’s efforts to achieve energy independence, the Secretary of Transportation prescribe fuel economy increases for automobiles, beginning with model year 2011, resulting in a combined fuel economy fleet average of at least 35 miles per gallon by model year 2020. On May 2, 2008, the National Highway Traffic Safety Administration (NHTSA) published a Notice of Proposed Rulemaking entitled Average Fuel Economy Standards, Passenger Cars and Light Trucks: Model Years 2011–2015, 73 Fed. Reg. 24352. In the notice and comment period, the NHTSA received numerous comments, some of them contending that certain aspects of the proposed rule, including appendices providing for preemption of State laws, were inconsistent with provisions of EISA and the Supreme Court’s decision in Massachusetts v. Environmental Protection Agency, 549 U.S. 497 (2007).

Federal law requires that the final rule regarding fuel economy standards be adopted at least 18 months before the beginning of the model year (49 U.S.C. 32902(g)(2)). In order for the model year 2011 standards to meet this requirement, the NHTSA must publish the final rule in the Federal Register by March 30, 2009. To date, the NHTSA has not published a final rule.

Therefore, I request that:

(a) in order to comply with the EISA requirement that fuel economy increases begin with model year 2011, you take all measures consistent with law, and in consultation and coordination with the Environmental Protection Agency, to publish in the Federal Register by March 30, 2009, a final rule prescribing increased fuel economy for model year 2011;

(b) before promulgating a final rule concerning model years after model year 2011, you consider the appropriate legal factors under the EISA, the comments filed in response to the Notice of Proposed Rulemaking, the relevant technological and scientific considerations, and to the extent feasible, the forthcoming report by the National Academy of Sciences mandated under section 107 of EISA; and

(c) in adopting the final rules in paragraphs (a) and (b) above, you consider whether any provisions regarding preemption are consistent with the EISA, the Supreme Court’s decision in Massachusetts v. EPA and other relevant provisions of law and the policies underlying them.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Secretary of Transportation is hereby authorized and directed to publish this memorandum in the Federal Register.

Barack Obama.
IMPROVING ENERGY SECURITY, AMERICAN COMPETITIVENESS AND JOB CREATION, AND ENVIRONMENTAL PROTECTION THROUGH A TRANSFORMATION OF OUR NATION'S FLEET OF CARS AND TRUCKS

Memorandum of President of the United States, May 21, 2010, 75 F.R. 29399, provided:

Memorandum for the Secretary of Transportation[,] the Secretary of Energy[,] the Administrator of the Environmental Protection Agency[,] and the Administrator of the National Highway Traffic Safety Administration.

America has the opportunity to lead the world in the development of a new generation of clean cars and trucks through innovative technologies and manufacturing that will spur economic growth and create high-quality domestic jobs, enhance our energy security, and improve our environment. We already have made significant strides toward reducing greenhouse gas pollution and enhancing fuel efficiency from motor vehicles with the joint rulemaking issued by the National Highway Traffic Safety Administration (NHTSA) and the Environmental Protection Agency (EPA) on April 1, 2010, which regulates these attributes of passenger cars and light-duty trucks for model years 2012–2016. In this memorandum, I request that additional coordinated steps be taken to produce a new generation of clean vehicles.

SECTION 1. Medium- and Heavy-Duty Trucks.

The Federal government and many States have now created a harmonized framework for addressing the fuel economy of and greenhouse gas emissions from cars and light-duty trucks, medium- and heavy-duty trucks, and buses continue to be a major source of fossil fuel consumption and greenhouse gas pollution. I therefore request that the Administrators of the EPA and the NHTSA immediately begin work on a joint rulemaking under the Clean Air Act (CAA) and the Energy Independence and Security Act of 2007 (EISA) to establish fuel efficiency and greenhouse gas emissions standards for commercial medium- and heavy-duty vehicles beginning with model year 2014, with the aim of issuing a final rule by July 30, 2011. As part of this rule development process, I request that the Administrators of the EPA and the NHTSA:

(a) Propose and take comment on strategies, including those designed to increase the use of existing technologies, to achieve substantial annual progress in reducing transportation sector emissions and fossil fuel consumption consistent with my Administration's overall energy and climate security goals. These strategies should consider whether particular segments of the diverse heavy-duty vehicle sector present special opportunities to reduce greenhouse gas emissions and increase fuel economy. For example, preliminary estimates indicate that large tractor trailers, representing half of all greenhouse gas emissions from this sector, can reduce greenhouse gas emissions by as much as 25 percent and increase their fuel efficiency by as much as 25 percent with the use of existing technologies;

(b) Include fuel efficiency and greenhouse gas emissions standards that take into account the market structure of the trucking industry and the unique demands of heavy-duty vehicle applications; seek harmonization with applicable State standards; consider the findings and recommendations published in the National Academy of Science report on medium- and heavy-duty truck regulation; strengthen the industry and enhance job creation in the United States; and recognize the continued leadership role of California and other States.

SECTION 2. Passenger Cars and Light-Duty Trucks.

Building on the earlier joint rulemaking, and in order to provide greater certainty and incentives for long-term innovation by automobile and light-duty vehicle manufacturers, I request that the Administrators of the EPA and the NHTSA develop, through notice and comment rulemaking, a coordinated national program under the CAA and the EISA to improve fuel efficiency and to reduce greenhouse gas emissions of passenger cars and light-duty trucks of model years 2017-2025. The national program should seek to produce joint Federal standards that are harmonized with applicable State standards, with the goal of ensuring that automobile manufacturers will be able to build a single, light-duty national fleet. The program should also seek to achieve substantial annual progress in reducing transportation sector greenhouse gas emissions and fossil fuel consumption, consistent with my Administration’s overall energy and climate security goals, through the increased domestic production and use of existing, advanced, and emerging technologies, and should strengthen the industry and enhance job creation in the United States. As part of implementing the national program, I request that the Administrators of the EPA and the NHTSA:

(a) Work with the State of California to develop by September 1, 2010, a technical assessment to inform the rulemaking process, reflecting input from an array of stakeholders on relevant factors, including viable technologies, costs, benefits, lead time to develop and deploy new and emerging technologies, incentives and other flexibilities to encourage development and deployment of new and emerging technologies, impacts on jobs and the automotive manufacturing base in the United States, and infrastructure for advanced vehicle technologies; and

(b) Take all measures consistent with law to issue by September 30, 2010, a Notice of Intent to Issue a Proposed Rule that announces plans for setting stringent fuel economy and greenhouse gas emissions standards for light-duty vehicles of model year 2017 and beyond, including plans for initiating joint rulemaking and gathering any additional information needed to support regulatory action. The Notice should describe the key elements of the program that the EPA and the NHTSA intend jointly to propose, under their respective statutory authorities, including potential standards that could be practically implemented nationally for the 2017-2025 model years and a schedule for setting those standards as expeditiously as possible, consistent with providing sufficient lead time to vehicle manufacturers.

SEC. 3. CLEANER VEHICLES AND FUELS AND NECESSARY INFRASTRUCTURE.

The success of our efforts to achieve enhanced energy security and to protect the environment also depends upon the development of infrastructure and promotion of fuels, including biofuels, which will enable the development and widespread deployment of advanced technologies. Therefore, I further request that:

(a) The Administrator of the EPA review for adequacy the current nongreenhouse gas emissions regulations for new motor vehicles, including engines, and motor vehicle fuels, including tailpipe emissions standards for nitrogen oxides and air toxics, and sulfur standards for gasoline. If the Administrator of the EPA finds that new emissions regulations are required, then I request that the Administrator of the EPA promulgate such regulations as part of a comprehensive approach toward regulating motor vehicles; and

(b) The Secretary of Energy promote the deployment of advanced technology vehicles by providing technical assistance to cities preparing for deployment of electric vehicles, including plug-in hybrids and all-electric vehicles; and

(c) The Department of Energy work with stakeholders on the development of voluntary standards to facilitate the robust deployment of advanced vehicle technologies and coordinate its efforts with the Department of Transportation, the NHTSA, and the EPA.

SEC. 4. GENERAL PROVISIONS.

(a) This memorandum shall be implemented consistent with applicable law, including international trade obligations, and subject to the availability of appropriations.

(b) This memorandum is not intended to, and does not, create any right or benefit, substantive or proce-
§ 32903 Credits for exceeding average fuel economy standards

(a) Earning and period for applying credits.—When the average fuel economy of passenger automobiles manufactured by a manufacturer in a particular model year exceeds an applicable average fuel economy standard under subsections (a) through (d) of section 32902 (determined by the Secretary of Transportation without regard to credits under this section), the manufacturer earns credits. The credits may be applied to—

(1) any of the 3 consecutive model years immediately before the model year for which the credits are earned; and
(2) to the extent not used under paragraph (1) any of the 5 consecutive model years immediately after the model year for which the credits are earned.

(b) Period of availability and plan for future credits.—(1) Except as provided in paragraph (2) of this subsection, credits under this section are available to a manufacturer at the end of the model year in which earned.

(2) (A) Before the end of a model year, if a manufacturer has reason to believe that its average fuel economy for passenger automobiles will be less than the applicable standard for that model year, the manufacturer may submit a plan to the Secretary of Transportation demonstrating that the manufacturer will earn sufficient credits under this section within the next 3 model years to allow the manufacturer to meet that standard for the model year involved. Unless the Secretary finds that the manufacturer is unlikely to earn sufficient credits under the plan, the Secretary shall approve the plan. Those credits are available for the model year involved if—

(i) the Secretary approves the plan; and
(ii) the manufacturer earns those credits as provided by the plan.

(B) If the average fuel economy of a manufacturer is less than the applicable standard under subsections (a) through (d) of section 32902 after applying credits under subsection (a)(1) of this section, the Secretary of Transportation shall notify the manufacturer and give the manufacturer a reasonable time (of at least 60 days) to submit a plan.

(c) Determining number of credits.—The number of credits a manufacturer earns under this section equals the product of—

(1) the number of tenths of a mile a gallon by which the average fuel economy of the passenger automobiles manufactured by the manufacturer in the model year in which the credits are earned exceeds the applicable average fuel economy standard under subsections (a) through (d) of section 32902; times
(2) the number of passenger automobiles manufactured by the manufacturer during that model year.

(d) Applying credits for passenger automobiles.—The Secretary of Transportation shall apply credits to a model year on the basis of the number of tenths of a mile a gallon by which the manufacturer involved was below the applicable average fuel economy standard for that model year and the number of passenger automobiles manufactured that model year by the manufacturer. Credits applied to a model year are no longer available for another model year. Before applying credits, the Secretary shall give the manufacturer written notice and reasonable opportunity to comment.

(e) Applying credits for non-passenger automobiles.—Credits for a manufacturer of automobiles that are not passenger automobiles are earned and applied to a model year in which the average fuel economy of that class of automobiles is below the applicable average fuel economy standard under section 32902(a) of this title, to the same extent and in the same way as provided in this section for passenger automobiles.

(f) Credit transferring among manufacturers.—

(1) In general.—The Secretary of Transportation may establish, by regulation, a fuel economy credit trading program to allow manufacturers whose automobiles exceed the average fuel economy standards prescribed under section 32902 to earn credits to be sold to manufacturers whose automobiles fail to achieve the prescribed standards such that the total oil savings associated with manufacturers that exceed the prescribed standards are preserved when trading credits to manufacturers that fail to achieve the prescribed standards.

(2) Limitation.—The trading of credits by a manufacturer to the category of passenger automobiles manufactured domestically is limited to the extent that the fuel economy level of such automobiles shall comply with the requirements of section 32902(b)(4), without regard to any trading of credits from other manufacturers.

(g) Credit transferring within a manufacturer’s fleet.—

(1) In general.—The Secretary of Transportation shall establish by regulation a fuel economy credit transferring program to allow any manufacturer whose automobiles exceed any of the average fuel economy standards prescribed under section 32902 to transfer the credits earned under this section and to apply such credits within that manufacturer’s fleet to a compliance category of automobiles that fails to achieve the prescribed standards.

(2) Years for which used.—Credits transferred under this subsection are available to be used in the same model years that the manufacturer could have applied such credits.

1 So in original. Probably should be followed by a comma.
under subsections (a), (b), (d), and (e), as well as for the model year in which the manufacturer earned such credits.

(3) **MAXIMUM INCREASE.**—The maximum increase in any compliance category attributable to transferred credits is—

(A) for model years 2011 through 2013, 1.0 mile per gallon;
(B) for model years 2014 through 2017, 1.5 miles per gallon; and
(C) for model year 2018 and subsequent model years, 2.0 miles per gallon.

(4) **LIMITATION.**—The transfer of credits by a manufacturer to the category of passenger automobiles manufactured domestically is limited to the extent that the fuel economy level of such automobiles shall comply with the requirements under section 32904(b)(4), without regard to any transfer of credits from other categories of automobiles described in paragraph (6)(B).

(5) **YEARS AVAILABLE.**—A credit may be transferred under this subsection only if it is earned after model year 2010.

(6) **DEFINITIONS.**—In this subsection:

(A) **FLEET.**—The term “fleets” means all automobiles manufactured by a manufacturer in a particular model year.

(B) **COMPLIANCE CATEGORY OF AUTOMOBILES.**—The term “compliance category of automobiles” means any of the following 3 categories of automobiles for which compliance is separately calculated under this chapter:

(i) Passenger automobiles manufactured domestically.
(ii) Passenger automobiles not manufactured domestically.
(iii) Non-passenger automobiles.

(h) **REFUND OF COLLECTED PENALTY.**—When a civil penalty has been collected under this chapter from a manufacturer that has earned credits under this section, the Secretary of the Treasury shall refund to the manufacturer the amount of the penalty to the extent the penalty is attributable to credits available under this section.

In this section, various forms of the words “apply credits” are substituted for various forms of “credits are available to be taken into account” to be more concise and to make more clear the distinction between when credits are available and to what years they may be applied.

In subsection (a), before clause (1), the text of 15:2002(h)(1) is omitted as surplus because of 49:322(a). The words “any adjustment under subsection (d) of this section” are omitted because 15:2002(d) is omitted from the revised title as executed. The words “calculated under subparagraph (C)” (which apparently should be “calculated under subparagraph (D)”) are omitted as surplus. In clauses (1) and (2), the words “with respect to the average fuel economy of that manufacturer” are omitted as surplus. The words “year for which the credits are earned” are substituted for “year in which such manufacturer exceeds such applicable average fuel economy standard” to eliminate unnecessary words.

Subsection (b)(1) is substituted for 15:2002(h)(1)(A) to eliminate unnecessary words.

In subsection (b)(2)(A) is substituted for 15:2002(h)(1)(C)(i)–(iii) to eliminate unnecessary words.

AMENDMENTS

2007—Subsec. (a). Pub. L. 110–140, § 104(a)(1), substituted “subsections (a) through (d) of section 32902” for “section 32902(b)–(d)” in introductory provisions.

Subsec. (a)(2). Pub. L. 110–140, § 104(a)(2), substituted “paragraph (1)” for “clause (1) of this subsection,” and “5 consecutive” for “3 consecutive”.

Subsecs. (b)(2)(B), (c)(1). Pub. L. 110–140, § 104(a)(1), substituted “subsections (a) through (d) of section 32902” for “section 32902(b)–(d)” of this title.

Subsecs. (f) to (h). Pub. L. 110–140, § 104(a)(3), (4), added subsec. (f) and (g) and redesignated former subsec. (f) as (h).

**EFFECTIVE DATE OF 2007 AMENDMENT**

Amendment by Pub. L. 110–140 effective on the date that is 1 day after Dec. 19, 2007, see section 1601 of Pub. L. 110–140, set out as an Effective Date note under section 1624 of Title 2, The Congress.

§ 32904. Calculation of average fuel economy

(a) **METHOD OF CALCULATION.**—(1) The Administrator of the Environmental Protection Agency shall calculate the average fuel economy of a manufacturer subject to—

(A) section 32902(a) of this title in a way prescribed by the Administrator; and

(B) section 32902(b)–(d) of this title by dividing—

(i) the number of passenger automobiles manufactured by the manufacturer in a model year; by

(ii) the sum of the fractions obtained by dividing the number of passenger automobiles of each model manufactured by the manufacturer in that model year by the fuel economy measured for that model.

(2)(A) In this paragraph, “electric vehicle” means a vehicle powered primarily by an electric motor drawing electrical current from a portable source.

(B) If a manufacturer manufactures an electric vehicle, the Administrator shall include in the calculation of average fuel economy under paragraph (1) of this subsection equivalent petroleum based fuel economy values determined by the Secretary of Energy for various classes of electric vehicles. The Secretary shall review those values each year and determine and propose necessary revisions based on the following factors:

(i) the approximate electrical energy efficiency of the vehicle, considering the kind of vehicle and the mission and weight of the vehicle.
(ii) the national average electrical generation and transmission efficiencies.

(iii) the need of the United States to conserve all forms of energy and the relative scarcity and value to the United States of all fuel used to generate electricity.

(iv) the specific patterns of use of electric vehicles compared to petroleum-fueled vehicles.

(b) SEPARATE CALCULATIONS FOR PASSENGER AUTOMOBILES MANUFACTURED DOMESTICALLY AND NOT DOMESTICALLY.—(1)(A) Except as provided in paragraphs (6) and (7) of this subsection, the Administrator shall make separate calculations under subsection (a)(1)(B) of this section for—

(i) passenger automobiles manufactured domestically by a manufacturer (or included in this category under paragraph (5) of this subsection); and

(ii) passenger automobiles not manufactured domestically by that manufacturer (or excluded from this category under paragraph (5) of this subsection).

(B) Passenger automobiles described in subparagraph (A)(i) and (ii) of this paragraph are deemed to be manufactured by separate manufacturers under this chapter, except for the purposes of section 32903.

(2) In this subsection (except as provided in paragraph (3)), a passenger automobile is deemed to be manufactured domestically in a model year if at least 75 percent of the cost to the manufacturer is attributable to value added in the United States or Canada, unless the assembly of the automobile is completed in Canada, unless the assembly of the automobile is completed in Canada, the automobile is imported into the United States not later than 30 days after the end of the model year;

(3)(A) In this subsection, a passenger automobile is deemed to be manufactured domestically in a model year, as provided in subparagraph (B) of this paragraph, if at least 75 percent of the cost to the manufacturer is attributable to value added in the United States or Canada, unless the assembly of the automobile is completed in Mexico, the automobile is imported into the United States more than 30 days after the end of the model year;

(B) Subparagraph (A) of this paragraph applies to automobiles manufactured by a manufacturer and sold in the United States, regardless of the place of assembly, as follows:

(i) A manufacturer that began assembling automobiles in Mexico before model year 1992 may elect, during the period from January 1, 1997, through January 1, 2004, to have subparagraph (A) of this paragraph apply to all automobiles manufactured by that manufacturer beginning with the model year that begins after the date of the election.

(ii) For a manufacturer that began assembling automobiles in Mexico after model year 1991, subparagraph (A) of this paragraph applies to all automobiles manufactured by that manufacturer beginning with the model year that begins after January 1, 1994, or the model year beginning after the date the manufacturer begins assembling automobiles in Mexico, whichever is later.

(iii) A manufacturer not described in clause (i) or (ii) of this subparagraph that assembles automobiles in Mexico after model year 1994, or the model year beginning after the date the manufacturer begins assembling automobiles in Mexico, whichever is later.

(iv) A manufacturer not described in clause (i) or (ii) of this subparagraph that does not make an election within the specified period, subparagraph (A) of this paragraph applies to all automobiles manufactured by that manufacturer beginning with the model year that begins after January 1, 1994.

(v) For a manufacturer described in clause (i) or (iii) of this subparagraph that does not qualify as domestically manufactured automobiles in the United States, Canada, or Mexico, subparagraph (A) of this paragraph applies to all automobiles manufactured by that manufacturer beginning with the model year that begins after January 1, 2004.

(C) The Secretary of Transportation shall prescribe reasonable procedures for elections under subparagraph (B) of this paragraph.

(4) In this subsection, the fuel economy of a passenger automobile that is not manufactured domestically is deemed to be equal to the average fuel economy of all passenger automobiles manufactured by the same manufacturer that are not manufactured domestically.

(5)(A) A manufacturer may submit to the Secretary of Transportation for approval a plan, including supporting material, stating the actions and the deadlines for taking the actions, that will ensure that the model or models referred to in subparagraph (B) of this paragraph will be manufactured domestically before the end of the 4th model year covered by the plan. The Secretary promptly shall consider and act on the plan. The Secretary shall approve the plan unless—

(i) the Secretary finds that the plan is inadequate to meet the requirements of this paragraph; or

(ii) the manufacturer previously has submitted a plan approved by the Secretary under this paragraph.

(B) If the plan is approved, the Administrator shall make separate calculations under paragraph (1)(A)(1) and exclude under paragraph (1)(A)(2) of this subsection, for each of the 4 model years covered by the plan, not more than 150,000 passenger automobiles manufactured by that manufacturer but not qualifying as domestically manufactured if—

(i) the model or models involved previously have not been manufactured domestically;

(ii) at least 50 percent of the cost to the manufacturer of each of the automobiles is attributable to value added in the United States or Canada;

(iii) the automobiles, if their assembly was completed in Canada, are imported into the United States not later than 30 days after the end of the model year; and

(iv) the model or models are manufactured domestically before the end of the 4th model year covered by the plan.
(c) TESTING AND CALCULATION PROCEDURES.—The Administrator shall measure fuel economy for each model and calculate average fuel economy for a manufacturer under testing and calculation procedures prescribed by the Administrator. However, except under section 32908 of this title, the Administrator shall use the same procedures for passenger automobiles the Administrator used for model year 1975 (weighted 55 percent urban cycle and 45 percent highway cycle), or procedures that give comparable results. A measurement of fuel economy or a calculation of average fuel economy (except under section 32908) shall be rounded off to the nearest .1 of a mile a gallon. The Administrator shall decide on the quantity of other fuel that is equivalent to one gallon of gasoline. To the extent practicable, fuel economy tests shall be carried out with emissions tests under section 206 of the Clean Air Act (42 U.S.C. 7525).

(d) EFFECTIVE DATE OF PROCEDURE OR AMENDMENT.—The Administrator shall prescribe a procedure under this section, or an amendment (except a technical or clerical amendment) in a procedure, at least 12 months before the beginning of the model year to which the procedure or amendment applies.

(e) REPORTS AND CONSULTATION.—The Administrator shall report measurements and calculations under this section to the Secretary of Transportation and shall consult and coordinate with the Secretary in carrying out this section.

32904. [15:2003(b)(2)(A)–(D) is omitted as executed. In clause (A), the words ‘‘is imported . . . more than 30 days after’’ are substituted for ‘‘is not imported . . . prior to or after’’ for clarity and consistency with the authority of the Secretary under the source provisions. In clause (B), the words ‘‘which is imported by a manufacturer in model year 1978 or any subsequent year, as the case may be, and’’ are omitted as surplus.]

32904(a)(1)–(3) . . . . 15:2003(b)(1)–(3) . . . . 15:2003(a)(1)–(3)

32904(b)(1)–(3) . . . . 15:2003(c)(1)–(3) . . . . 15:2003(b)(1)–(3)

32904(c) . . . . 15:2003(d) . . . . 15:2003(c)

32904(d) . . . . 15:2003(d) . . . . 15:2003(d)

In subsection (a)(1), before clause (A), the words ‘‘of a manufacturer subject to’’ are substituted for ‘‘for the purposes of’’ for clarity. In clause (B)(i), the words ‘‘the sum of the fractions obtained by’’ are substituted for ‘‘a sum of terms, each term of which is a fraction created by’’ to eliminate unnecessary words.

In subsection (a)(2)(B), before clause (i), the words ‘‘the Administrator shall include in the calculation of average fuel economy’’ are substituted for ‘‘fuel economy will be calculated . . . to include’’ for clarity. The text of 15:2003(a)(3)(B) is omitted as executed. The words ‘‘determine and propose’’ are substituted for ‘‘propose’’ for clarity and because the terms are synonymous. In clause (B), the words ‘‘which is imported by a manufacturer in model year 1978 or any subsequent year, as the case may be, and’’ are omitted as surplus.

In subsection (b)(1), before clause (A), the text of 15:2003(b)(2)(A)–(D) is omitted as executed. In clause (A), the words ‘‘is imported . . . more than 30 days after’’ are substituted for ‘‘is not imported . . . prior to or after’’ for clarity and consistency with the authority of the Secretary under the source provisions. In clause (B), the words ‘‘which is imported by a manufacturer in model year 1978 or any subsequent year, as the case may be, and’’ are omitted as surplus.

In subsection (b)(2)(A), before clause (i), the words ‘‘Except as provided in paragraphs (4) and (5) of this subsection’’ are added for clarity. The words ‘‘the Administrator shall make separate calculations’’ are substituted for ‘‘In calculating average fuel economy the Administrator shall separate the total number of passenger automobiles manufactured by a manufacturer into the following two categories’’ and ‘‘The EPA Administrator shall calculate the average fuel economy of each such separate category’’ to eliminate unnecessary words. In clauses (i) and (ii), the reference in the parenthetical to paragraph (3) is substituted for the reference in the source to paragraph (3), which apparently should have been a reference to paragraph (4). The text of 15:2003(b)(1)(A) (words in parentheses) and (B) (words in parentheses) is omitted as executed. Substituted for 15:2003(b)(1) (words after last comma) because of the restatement.

In subsection (b)(3)(A), before clause (1), the word ‘‘‘days’’ limits’’ is substituted for ‘‘days’’ for clarity. The text of 15:2003(b)(4)(C) is omitted as executed.

In subsection (b)(4)(A), before clause (1), the words ‘‘A manufacturer may file with the Secretary of Transportation a petition for an exemption from the requirement of separate calculations under paragraph (2)(A) of this subsection’’ are substituted for ‘‘petition . . . for an exemption from the provisions of paragraph (1) filed by a manufacturer, the Secretary’’ for clarity.

In subsection (b)(5)(B), the words ‘‘judgment of the court under this subparagraph may be reviewed’’ are substituted for ‘‘judgment of the court affirming, reversing, or setting aside, in whole or in part, any such decision’’ for clarity. The text of 15:2003(b)(6)(C) is omitted as executed.

In subsection (b)(5)(C), the words ‘‘Notwithstanding any other provision of law’’ are omitted as surplus. The words ‘‘a petition for’’ are added for consistency.

In subsection (c), the words ‘‘of a model type’’ and ‘‘of a manufacturer’’ are omitted as surplus. The words ‘‘by rule’’ are omitted as surplus because of the authority of the Administrator to prescribe regulations under section 32910(d) of the revised title. The term ‘‘regula-

In subsection (b)(3)(A), the words “is imported . . . more than 30 days after” are substituted for “is not imported . . . prior to the expiration of 30 days following” for clarity and consistency with title 49, United States Code.

In subsection (b)(3)(C), the words “and the EPA Administrator may prescribe rules for purposes of carrying out this subparagraph” are omitted as surplus because of the authority of the Administrator to prescribe regulations under 49:32910(d). The amendment made by section 371(b)(2) of the North American Free Trade Implementation Act (Public Law 103–182, 107 Stat. 2127) is not given effect because the last sentence of section 508(b)(2)(E) of the Motor Vehicle and Cost Savings Act (Public Law 92–513, 86 Stat. 947) was omitted in the restatement of title 49 because of the authority of the Administrator to prescribe regulations under 49:32910(d).

This makes conforming amendments necessary because of the restatement of 15:2003(b)(2)(G) as 49:32904(b)(3) by section 6(36)(B) of the bill.

AMENDMENTS

Subsec. (b)(6) to (8). Pub. L. 110–140, § 113(a), struck out pars. (6) to (8) which related to exemption from separate calculations requirement, judicial review of denial of petition, and unavailability of section 32903(a) and (b)(2) credits during model year when exemption is effective, respectively.

1994—Subsec. (b)(1). Pub. L. 103–429, § 6(36)(B), added par. (1) and struck out former par. (1) which read as follows: “In this subsection—

"(A) a passenger automobile is deemed to be manufactured domestically in a model year if at least 75 percent of the cost to the manufacturer is attributable to value added in the United States or Canada, unless the assembly of the automobile is completed in Canada and the automobile is imported into the United States more than 30 days after the end of the model year; and

"(B) the fuel economy of a passenger automobile that is not manufactured domestically is deemed to be equal to the average fuel economy of all passenger automobiles manufactured by the same manufacturer that are not manufactured domestically during that model year; and

"(C) a passenger automobile not manufactured domestically by that manufacturer (or excluded from this category under paragraph (3) of this subsection); and

"(D) the fuel economy of a passenger automobile manufactured domestically by a manufacturer (or included in this category under paragraph (3) of this subsection).

In subsection (e), the words “his duties under” are omitted as surplus.

PUB. L. 103–429, § 6(36)(A)

This makes conforming amendments necessary because of the restatement of 15:2003(b)(2)(G) as 49:32904(b)(3) by section 6(36)(B) of the bill.

PUB. L. 103–429, § 6(36)(B)
actment of this Act may accrue and use credits under sections 32903 and 32905 of such title beginning with model year 2011.’’

§ 32905. Manufacturing incentives for alternative fuel automobiles

(a) DEDICATED AUTOMOBILES.—Except as provided in subsection (c) of this section or section 32904(a)(2) of this title, for any model of dedicated automobile manufactured by a manufacturer after model year 1992, the fuel economy measured for that model shall be based on the fuel content of the alternative fuel used to operate the automobile. A gallon of a liquid alternative fuel used to operate a dedicated automobile is deemed to contain .15 gallon of fuel.

(b) DUAL FUELED AUTOMOBILES.—Except as provided in subsection (d) of this section for each model described under subsections (a)–(d), the Administrator shall measure the fuel economy for that model by dividing 1.0 by the sum of—

(1) .5 divided by the fuel economy measured under section 32904(c) of this title when operating the model on gasoline or diesel fuel; and

(2) .5 divided by the fuel economy—

(A) measured under subsection (a) when operating the model on alternative fuel; or

(B) measured based on the fuel content of B20 when operating the model on B20, which is deemed to contain 0.15 gallon of fuel.

(c) GASEOUS FUEL DEDICATED AUTOMOBILES.—For any model of gaseous fuel dedicated automobile manufactured by a manufacturer after model year 1992, the Administrator shall measure the fuel economy for that model based on the fuel content of the gaseous fuel used to operate the automobile. One hundred cubic feet of natural gas is deemed to contain .823 gallon equivalent of natural gas. The Secretary of Transportation shall determine the appropriate gallon equivalent of other gaseous fuels. A gallon equivalent of gaseous fuel is deemed to have a fuel content of .15 gallon of fuel.

(d) GASEOUS FUEL DUAL FUELED AUTOMOBILES.—For any model of gaseous fuel dual fueled automobile manufactured by a manufacturer in model years 1993 through 2019, the Administrator shall measure the fuel economy for that model by dividing 1.0 by the sum of—

(1) .5 divided by the fuel economy measured under section 32904(c) of this title when operating the model on gasoline or diesel fuel; and

(2) .5 divided by the fuel economy measured under subsection (c) of this section when operating the model on gaseous fuel.

(e) FUEL ECONOMY CALCULATIONS.—The Administrator shall calculate the manufacturer’s average fuel economy under section 32904(a)(1) of this title for each model described under subsection (a)–(d) of this section by use as the denominator the fuel economy measured for each model under subsections (a)–(d).

(f) FUEL ECONOMY INCENTIVE REQUIREMENTS.—In order for any model of dual fueled automobile to be eligible to receive the fuel economy incentives included in section 32906(a) and (b), a label shall be attached to the fuel compartment of each dual fueled automobile of that model, notifying that the vehicle can be operated on an alternative fuel and on gasoline or diesel, with the form of alternative fuel stated on the notice. This requirement applies to dual fueled automobiles manufactured on or after September 1, 2006.

(Historical and Revision Notes)

§ 32905(a) ..... 15:2013(a), (f)(1).
§ 32905(b) ..... 15:2013(b), (f)(1).
§ 32905(c) ..... 15:2013(c), (f)(1).
§ 32905(d) ..... 15:2013(d), (f)(1).
§ 32905(e) ..... 15:2013(e).
§ 32905(g) ..... 15:2013(f)(2)(A).
§ 32905(h) ..... 15:2013(f)(2)(C).

In subsections (a) and (c), the words “after model year 1992” are substituted for “Sections 1993–2004” to eliminate unnecessary words and because of the restatement.

In subsection (b), the words “in model years 1993–2004” are substituted for “Except as otherwise provided in this subsection, subsections (b) and (d) shall apply only to automobiles manufactured in model year 1993 through model year 2004” to eliminate unnecessary words and because of the restatement.

In subsection (c), the words “For purposes of this section” and “than natural gas” are omitted as unnecessary because of the restatement.

In subsection (e), the words “subject to the provisions of this section” are omitted as unnecessary because of the restatement. The words “a gallon equivalent of natural gas” are omitted as being included in “A gallon equivalent of any gaseous fuel”.

In subsection (f), the words “by including as the denominator” are substituted for “by including as the denominator of the term” for clarity.

Amendments

Subsec. (b)(2). Pub. L. 110–140, § 109(c), amended par. (2) generally. Prior to amendment, par. (2) read as follows: “.5 divided by the fuel economy measured under subsection (a) of this section when operating the model on alternative fuel,”

Subsecs. (f) to (h). Pub. L. 110–140, § 109(b)(3), (4), redesignated subsec. (h) as (f) and struck out former subsecs. (f) and (g) which related to temporary extension of application of subsecs. (b) and (d) and study and report on success of the policy of subsecs. (b) and (d), respectively.

Revised

Section

Source (U.S. Code)

Source (Statutes at Large)

Subsec. (b), Pub. L. 109–58, §759, added subsec. (b), 1996—Subsec. (g), Pub. L. 104–287 substituted “Committee on Commerce” for “Committee on Energy and Commerce”.

§ 32906. Maximum fuel economy increase for alternative fuel automobiles

(a) In General.—For each of model years 1993 through 2014 for each category of automobile (except an electric automobile), the maximum increase in average fuel economy for a manufacturer attributable to dual fueled automobiles is—

1. 1.2 miles a gallon for each of model years 1993 through 2014;
2. 1.0 miles per gallon for model year 2015;
3. 0.8 miles per gallon for model year 2016;
4. 0.6 miles per gallon for model year 2017;
5. 0.4 miles per gallon for model year 2018;
6. 0.2 miles per gallon for model year 2019; and
7. 0 miles per gallon for model years after 2019.

(b) Calculation.—In applying subsection (a), the Administrator of the Environmental Protection Agency shall determine the increase in a manufacturer’s average fuel economy attributable to dual fueled automobiles by subtracting from the manufacturer’s average fuel economy calculated under section 32905(e) the number equal to what the manufacturer’s average fuel economy would be if it were calculated by the formula under section 32904(a)(1) by including as the denominator for each model of dual fueled automobiles the fuel economy when the automobiles are operated on gasoline or diesel fuel.

(Historical and Revision Notes)

Revised Sections | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

AMENDMENTS

2007—Pub. L. 110–140 amended section generally, substituting provisions relating to maximum increase in average fuel economy for each of model years 1993 through 2019 and calculation of each such increase for provisions relating to maximum increase for each of model years 1993 through 2010 and authorizing offsets if the Secretary of Transportation reduced the average fuel economy standard for passenger automobiles for any model year below 27.5 miles per gallon.

HISTORICAL AND REVISION NOTES

Revised Sections | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
(a) Definitions.—In this section—

(1) automobile includes an automobile rated at not more than 8,500 pounds gross vehicle weight regardless of whether the Secretary of Transportation has applied this chapter to the automobile under section 32901(a)(3)(B) of this title.

(2) dealer means a person residing or located in a State, the District of Columbia, or a territory or possession of the United States, and engaged in the sale or distribution of new automobiles to the first person (except a dealer buying as a dealer) that buys the automobile in good faith other than for resale.

(b) Labeling Requirements and Contents.—

(1) Under regulations of the Administrator of the Environmental Protection Agency, a manufacturer of automobiles shall attach a label to a prominent place on each automobile manufactured in a model year. The dealer shall maintain the label on the automobile. The label shall contain the following information:

(A) the fuel economy of the automobile.

(B) the estimated annual fuel cost of operating the automobile.

(C) the range of fuel economy of comparable automobiles of all manufacturers.

(D) a statement that a booklet is available from the dealer to assist in making a comparison of fuel economy of other automobiles manufactured by all manufacturers in that model year.

(E) the amount of the automobile fuel efficiency tax imposed on the sale of the automobile under section 4064 of the Internal Revenue Code of 1986 (26 U.S.C. 4064).

(F) other information required or authorized by the Administrator that is related to the information required by clauses (A)–(D) of this paragraph.

(2) The Administrator may allow a manufacturer to comply with this subsection by—

(A) disclosing the information on the label required under section 3 of the Automobile Information Disclosure Act (15 U.S.C. 1232); and

(B) including the statement required by paragraph (1)(E) of this subsection at a time and in a way that takes into account special circumstances or characteristics.

(3) For dedicated automobiles manufactured after model year 1992, the fuel economy of those automobiles under paragraph (1)(A) of this subsection is the fuel economy for those automobiles when operated on alternative fuel, measured under section 32905(a) or (c) of this title, multiplied by .15. Each label required under paragraph (1) of this subsection for dual fueled automobiles shall—

(A) indicate the fuel economy of the automobile when operated on gasoline or diesel fuel;

(B) clearly identify the automobile as a dual fueled automobile;

(C) clearly identify the fuels on which the automobile may be operated; and

(D) contain a statement informing the consumer that the additional information required by subsection (c)(2) of this section is published and distributed by the Secretary of Energy.

(c) Fuel Economy Information Booklet.—(1) The Administrator shall prepare the booklet referred to in subsection (b)(1)(D) of this section. The booklet—

(A) shall be simple and readily understandable;

(B) shall contain information on fuel economy and estimated annual fuel costs of operating automobiles manufactured in each model year; and

(C) may contain information on geographical or other differences in estimated annual fuel costs.

(2)(A) For dual fueled automobiles manufactured after model year 1992, the booklet published under paragraph (1) shall contain additional information on—

(i) the energy efficiency and cost of operation of those automobiles when operated on gasoline or diesel fuel as compared to those automobiles when operated on alternative fuel; and

(ii) the driving range of those automobiles when operated on gasoline or diesel fuel as
§ 32908

TITLE 49—TRANSPORTATION

Page 700

compared to those automobiles when operated on alternative fuel.

(B) For dual fueled automobiles, the booklet published under paragraph (1) also shall contain—

(i) information on the miles a gallon achieved by the automobiles when operated on alternative fuel; and

(ii) a statement explaining how the information made available under this paragraph can be expected to change when the automobile is operated on mixtures of alternative fuel and gasoline or diesel fuel.

(3) The Secretary of Energy shall publish and distribute the booklet. The Administrator shall prescribe regulations requiring dealers to make the booklet available to prospective buyers.

(d) DISCLOSURE.—A disclosure about fuel economy or estimated annual fuel costs under this section does not establish a warranty under a law of the United States or a State.

(e) VIOLATIONS.—A violation of subsection (b) of this section is—

(1) a violation of section 3 of the Automobile Information Disclosure Act (15 U.S.C. 1232); and

(2) an unfair or deceptive act or practice in or affecting commerce under the Federal Trade Commission Act (15 U.S.C. 41 et seq.), except sections 5(m) and 18 (15 U.S.C. 45(m), 57a).

(f) CONSULTATION.—The Administrator shall consult with the Federal Trade Commission and the Secretaries of Transportation and Energy in carrying out this section.

(g) CONSUMER INFORMATION.—

(1) PROGRAM.—The Secretary of Transportation, in consultation with the Secretary of Energy and the Administrator of the Environmental Protection Agency, shall develop and implement by rule a program to require manufacturers—

(A) to label new automobiles sold in the United States with—

(i) information reflecting an automobile's performance on the basis of criteria that the Administrator shall develop, not later than 18 months after the date of the enactment of the Ten-in-Ten Fuel Economy Act, to reflect fuel economy and greenhouse gas and other emissions over the useful life of the automobile;

(ii) a rating system that would make it easy for consumers to compare the fuel economy and greenhouse gas and other emissions of automobiles at the point of purchase, including a designation of automobiles—

(I) with the lowest greenhouse gas emissions over the useful life of the vehicles; and

(II) the highest fuel economy; and

(iii) a permanent and prominent display that an automobile is capable of operating on an alternative fuel; and

(B) to include in the owner’s manual for vehicles capable of operating on alternative fuels information that describes that capability and the benefits of using alternative fuels, including the renewable nature and environmental benefits of using alternative fuels.

(2) CONSUMER EDUCATION.—

(A) IN GENERAL.—The Secretary of Transportation, in consultation with the Secretary of Energy and the Administrator of the Environmental Protection Agency, shall develop and implement by rule a consumer education program to improve consumer understanding of automobile performance described in paragraph (1)(A)(1) and to inform consumers of the benefits of using alternative fuel in automobiles and the location of stations with alternative fuel capacity.

(B) FUEL SAVINGS EDUCATION CAMPAIGN.—The Secretary of Transportation shall establish a consumer education campaign on the fuel savings that would be recognized from the purchase of vehicles equipped with thermal management technologies, including energy efficient air conditioning systems and glass.

(3) FUEL TANK LABELS FOR ALTERNATIVE FUEL AUTOMOBILES.—The Secretary of Transportation shall by rule require a label to be attached to the fuel compartment of vehicles capable of operating on alternative fuels, with the form of alternative fuel stated on the label. A label attached in compliance with the requirements of section 32905(h)(1) is deemed to meet the requirements of this paragraph.

(4) RULEMAKING DEADLINE.—The Secretary of Transportation shall issue a final rule under this subsection not later than 42 months after the date of the enactment of the Ten-in-Ten Fuel Economy Act.

HISTORICAL AND REVISION NOTES

PUB. L. 103–272

Revised Source (U.S. Code) Source (Statutes at Large)

1 See References in Text note below.
In this section, references to the Secretary of Energy are substituted for references to the Administrator of the Federal Energy Administration because of 42:7151.

In subsection (a)(1), the words “regardless of whether the Secretary of Transportation has applied this chapter to the automobile” are substituted for “notwithstanding any lack of determination required of the Secretary” for consistency with section 32901(b) of the revised title.

In subsection (a)(2), the words “means a person residing or located in a State, the District of Columbia, or a territory or possession of the United States, and engaged in the sale or distribution of new automobiles to the first person (except a dealer buying as a dealer) that buys the automobile in good faith other than for resale” are substituted for “has the same meaning as such term has in sections 2006(e) and (g) of the Automobile Information Disclosure Act (15 U.S.C. 1231(e))” to eliminate unnecessary words.

In subsection (b)(1), before clause (A), the text of 15:2006(a)(2) is omitted as executed. The words “Except as otherwise provided in paragraph (2)” are omitted as surplus because 15:2006(a)(2) is executed and is not part of the revised title.

In subsection (b)(1), after clause (A), the words “(whether or not manufactured by such manufacturer)” are substituted for “(whether or not manufactured by such manufacturer)” to eliminate unnecessary words.

The word “attach” is substituted for “cause to be attached,” to eliminate unnecessary words. The words “rules” is synonymous with “regulations.”

The words “except that in applying such term to this section, the term ‘automobile’ has the same meaning as such term has in section 2003(1) of this title (taking into account paragraph (3) of this subsection)” are omitted as surplus.

In subsection (b)(1), before clause (A), the words “means a person residing or located in a State, the District of Columbia, or a territory or possession of the United States, and engaged in the sale or distribution of new automobiles to the first person (except a dealer buying as a dealer) that buys the automobile in good faith other than for resale” are substituted for “has the same meaning as such term has in section 2006(e) of the Automobile Information Disclosure Act (15 U.S.C. 1231(e))” to include the words of 15:231(e) and (g) in the subsection for consistency in the revised title.

In subsection (b)(2), the words “first person” are substituted for “Territory” for consistency in the revised title.

In subsection (c)(1), the words “Secretary of Commerce” are substituted for “Secretary of Commerce, Science, and Transportation of the Senate and the House of Representatives which is required to be made”, “an express or implied”, and “that such fuel efficiency will be achieved, or that such cost will not be exceeded, under conditions of actual use” are omitted as surplus.

In subsection (c)(2), the words “his duties under” are omitted as surplus.

REFERENCES IN TEXT

The Federal Trade Commission Act, referred to in subsec. (e)(2), is act Sept. 26, 1914, ch. 311, 38 Stat. 717, as amended, which is classified generally to subchapter I (§41 et seq.) of chapter 2 of Title 15, Commerce and Trade. For complete classification of this Act to the Code, see section 56 of Title 15 and Tables.

AMENDMENTS

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 110–140 effective on the date that is 1 day after Dec. 19, 2007, see section 1801 of Pub. L. 110–140, set out as an Effective Date note under section 1804 of Title 2, The Congress.

PERIODIC REVIEW OF ACCURACY OF FUEL ECONOMY LABELING PROCEDURES

Pub. L. 110–140, title I, §110, Dec. 19, 2007, 121 Stat. 1506, provided that: “Beginning in December 2009, and not less often than every 5 years thereafter, the Administrator of the Environmental Protection Agency, in consultation with the Secretary of Transportation, shall—

(1) reevaluate the fuel economy labeling procedures described in the final rule published in the Federal Register on December 27, 2006 (71 Fed. Reg. 77,872; 40 CFR parts 86 and 600) to determine whether changes in the factors used to establish the labeling procedures warrant a revision of that process; and

(2) submit a report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Energy and Commerce of the House of Representatives which describes the results of the reevaluation process.”

EFFECTIVE DATE OF 1994 AMENDMENT

§ 32909. Judicial review of regulations

(a) FILING AND VENUE.—(1) A person that may be adversely affected by a regulation prescribed in carrying out any of sections 32901–32904 or 32908 of this title may apply for review of the regulation by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of
the United States for the circuit in which the person resides or has its principal place of business.

(2) A person adversely affected by a regulation prescribed under section 32912(c)(1) of this title may apply for review of the regulation by filing a petition for review in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business.

(b) **TIME FOR FILING AND JUDICIAL PROCEEDURES.**—The petition must be filed not later than 59 days after the regulation is prescribed, except that a petition for review of a regulation prescribing an amendment of a standard submitted to Congress under section 32902(c)(2) of this title must be filed not later than 59 days after the end of the 60-day period referred to in section 32902(c)(2). The clerk of the court shall send immediately a copy of the petition to the Secretary of Transportation or the Administrator of the Environmental Protection Agency, whoever prescribed the regulation. The Secretary or the Administrator shall file with the court a record of the proceeding in which the regulation was prescribed.

(c) **ADDITIONAL PROCEEDINGS.**—(1) When reviewing a regulation under subsection (a)(1) of this section, the court, on request of the petitioner, may order the Secretary or the Administrator to receive additional submissions if the court is satisfied the additional submissions are material and there were reasonable grounds for not presenting the submissions in the proceeding before the Secretary or Administrator.

(2) The Secretary or the Administrator may amend or set aside the regulation, or prescribe a new regulation because of the additional submissions presented. The Secretary or Administrator shall file an amended or new regulation with the court. The court shall review a changed or new regulation.

(d) **SUPREME COURT REVIEW AND ADDITIONAL REMEDIES.**—A judgment of a court under this section may be reviewed only by the Supreme Court under section 1254 of title 28. A remedy under subsections (a)(1) and (c) of this section is in addition to any other remedies provided by law.

</tbody>
</table>

In this section, the word “regulation” is substituted for “rule” for consistency in the revised title and because the terms are synonymous.

In subsection (a)(1) and (2), the words “apply for review” are added for clarity.

In subsection (a)(1), the text of 15:2004(a) (last sentence) is omitted because 15:2002(d) is executed and is not a part of the revised title.

In subsection (a)(2), the words “adversely affected” are substituted for “aggrieved”, and the words “regulation prescribed” are substituted for “final rule”, for consistency in the revised title and with other titles of the United States Code. The text of 15:2004(a) (4th sentence) and 2008(e)(3)(B) is omitted because 5:ch. 7 applies unless otherwise stated.

In subsection (b), the words “a regulation prescribing an amendment of a standard submitted to Congress” are substituted for “an amendment of a standard submitted to each of House of Congress” in 15:2004(a), and the words “‘the Secretary of Transportation or the Administrator of the Environmental Protection Agency, whoever prescribed the regulation’” are substituted for “‘the officer who prescribed the rule’”, for clarity. The words “a record of the proceeding in which the regulation was prescribed” are substituted for “the written submissions and other materials in the proceeding upon which such rule was based” in 15:2004(a) and “the written submissions to, and transcript of, the written and oral proceedings on which the rule was based, as provided in section 2112 of title 28, United States Code” in 15:2008(e)(3) for consistency and to eliminate unnecessary words.

In subsection (c)(1), the words “on request of the petitioner” are substituted for “If the petitioner applies to the court in a proceeding under subsection (a) of this section for leave to make additional submissions”, and the words “to receive additional submissions” are substituted for “to provide additional opportunity to make such submissions”, for clarity.

In subsection (c)(2), the words “amend . . . the regulation” and “amended . . . regulation” are substituted for “modify . . . the rule” and “modified . . . rule”, respectively, for consistency in the chapter and because “regulation” is synonymous with “rule”.

In subsection (d), the words “affirming or setting aside, in whole or in part” are omitted as surplus. The words “and not in lieu of” in 15:2004(d) are omitted as surplus.

**AMENDMENTS**

**EFFECTIVE DATE OF 1994 AMENDMENT**

§ 32910. **Administrative**

(a) **GENERAL POWERS.**—(1) In carrying out this chapter, the Secretary of Transportation or the Administrator of the Environmental Protection Agency may—
(A) inspect and copy records of any person at reasonable times;
(B) order a person to write reports or answers to specific questions, including reports or answers under oath and
(C) conduct hearings, administer oaths, take testimony, and subpena witnesses and records the Secretary or Administrator considers advisable.

(2) A witness summoned under paragraph 1(c) of this subsection is entitled to the same fee and mileage the witness would have been afforded to in section 552(b)(4) and relevant to an administrative or judicial proceeding under this chapter may be disclosed in that proceeding. A matter relating to any function of the Secretary or the EPA Administrator under this subchapter are substituted for “require, by subpena and answers under oath” are substituted for “Such reports and answers shall be made under oath or otherwise”, to eliminate unnecessary words. The words “in such form as the Secretary or EPA Administrator may prescribe” and “shall be filed with the Secretary or the EPA Administrator within such reasonable period as either may prescribe” are omitted as surplus because of subsection 15:2005(b)(2) of this title. In subsection (d) of this section and 49:322(a) the words “requiring a subpena or order of the Secretary or Administrator” are substituted for “require, by subpena, the attendance and testimony of such witnesses to eliminate unnecessary words.

In subsection (b), the words “A civil action to enforce a subpena or order of the Secretary or Administrator under subsection (a) of this section may be brought in the district court of the United States for any judicial district in which the proceeding by the Secretary or Administrator was conducted” are substituted for “any person . . . (B) provide . . . access to (and for the purpose of examination, the right to copy) any documentary evidence of such person” to eliminate unnecessary words. The words “which is relevant to any functions of the Secretary or the EPA Administrator under this subchapter” are omitted as covered by “In carrying out this chapter”. In clause (B), the word “order” is substituted for “require, by general or special orders”, and the words “including reports or answers under oath” are substituted for “Such reports and answers shall be made under oath or otherwise”, to eliminate unnecessary words. The words “in such form as the Secretary or EPA Administrator may prescribe” and “shall be filed with the Secretary or the EPA Administrator within such reasonable period as either may prescribe” are omitted as surplus because of subsection 15:2005(b)(2) of this title.

This amends 49:32911(b) to clarify the restatement of 15:2005(b)(2) by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1071).

AMENDMENTS
1994—Subsec. (b). Pub. L. 103–429 substituted “any judicial district in which the proceeding by the Secretary or the Administrator is conducted” for “the judicial district in which the proceeding by the Secretary or the Administrator was conducted”.

EFFECTIVE DATE OF 1994 AMENDMENT

§ 32911. Compliance

(a) GENERAL.—A person commits a violation if the person fails to comply with this chapter and regulations and standards prescribed and orders issued under this chapter (except sections 32902, 32903, 32908(b), 32917(b), and 32918 and regulations and standards prescribed and orders issued under those sections). The Secretary of Transportation shall conduct a proceeding, with an opportunity for a hearing on the record, to decide whether a person has committed a violation. Any interested person may participate in a proceeding under this subsection.

(b) AUTOMOBILE MANUFACTURERS.—A manufacturer of automobiles commits a violation if the manufacturer fails to comply with an applicable average fuel economy standard under section 32902 of this title. Compliance is determined after considering credits available to the manufacturer under section 32903 of this title. If average fuel economy calculations under section 32902(c) of this title indicate that a manufacturer has violated this subsection, the Secretary shall conduct a proceeding, with an opportunity for a hearing on the record, to decide whether a
violation has been committed. The Secretary may not conduct the proceeding if further measurements of fuel economy, further calculations of average fuel economy, or other information indicates a violation has not been committed. The results of the measurements and calculations and the information shall be published in the Federal Register. Any interested person may participate in a proceeding under this subsection.

Historical and Revision Notes

<table>

<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In this section, the words “commits a violation if the . . . fails” are substituted for “the following conduct is unlawful: . . . the failure of any person” for clarity and consistency in the revised title.

In subsection (a), the reference to 15:2011 is omitted because that provision is not restated in this chapter. The words “The Secretary of Transportation shall conduct a proceeding, with an opportunity for a hearing on the record, to decide” are substituted for “If, on the record after opportunity for agency hearing, the Secretary determines” in 15:2008 for clarity. The words “the Secretary shall assess the penalties provided for under subsection (b) of this section” are omitted as surplus.

In subsection (b), the words “Compliance is determined after considering credits available to the manufacturer under section 32903 of this title” are substituted for 15:2007(b) to eliminate unnecessary words. The words “the Secretary shall conduct a proceeding, with an opportunity for a hearing on the record, to decide” are substituted for “the Secretary shall commence a proceeding under paragraph (2) of this subsection” in 15:2008(a)(1) and “If, on the record after opportunity for agency hearing, the Secretary determines” in 15:2008(a)(2) for clarity. The words “may not conduct” are substituted for “unless” in 15:2008(a)(1) for clarity.

(Pub. L. 103–429)

This makes a conforming amendment necessary because of the restatement of 15:2011 as 49:32918 by section 6(43)(A) of the bill.

AMENDMENTS

1994—Subsec. (a). Pub. L. 103–429 substituted “. . . 32917(b), and 32918” for “. . . and 32917(b)”.

§ 32912. Civil penalties

(a) GENERAL PENALTY.—A person that violates section 32911(a) of this title is liable to the United States Government for a civil penalty of not more than $10,000 for each violation. A separate violation occurs for each day the violation continues.

(b) PENALTY FOR MANUFACTURER VIOLATIONS OF FUEL ECONOMY STANDARDS.—Except as provided in subsection (c) of this section, a manufacturer that violates a standard prescribed for a model year under section 32902 of this title is liable to the Government for a civil penalty of $5 multiplied by each .1 of a mile a gallon by which the applicable average fuel economy standard under that section exceeds the average economy—

(1) calculated under section 32904(a)(1)(A) or (B) of this title for automobiles to which the standard applies manufactured by the manufacturer during the model year;

(2) multiplied by the number of those automobiles; and

(3) reduced by the credits available to the manufacturer under section 32903 of this title for the model year.

(c) HIGHER PENALTY AMOUNTS.—(1) (A) The Secretary of Transportation shall prescribe by regulation a higher amount for each .1 of a mile a gallon to be used in calculating a civil penalty under subsection (b) of this section, if the Secretary decides that the increase in the penalty—

(i) will result in, or substantially further, substantial energy conservation for automobiles in model years in which the increased penalty may be imposed; and

(ii) will not have a substantial deleterious impact on the economy of the United States, a State, or a region of a State.

(B) The amount prescribed under subparagraph (A) of this paragraph may not be more than $10 for each .1 of a mile a gallon.

(C) The Secretary may make a decision under subparagraph (A)(ii) of this paragraph only when the Secretary decides that it is likely that the increase in the penalty will not—

(i) cause a significant increase in unemployment in a State or a region of a State; or

(ii) adversely affect competition; or

(iii) cause a significant increase in automobile imports.

(D) A higher amount prescribed under subparagraph (A) of this paragraph is effective for the model year beginning at least 18 months after the regulation stating the higher amount becomes final.

(2) The Secretary shall publish in the Federal Register a proposed regulation under this subsection and a statement of the basis for the regulation and provide each manufacturer of automobiles a copy of the proposed regulation and the statement. The Secretary shall provide a period of at least 45 days for written public comments on the proposed regulation. The Secretary shall submit a copy of the proposed regulation to the Federal Trade Commission and request the Commission to comment on the proposed regulation within that period. After that period, the Secretary shall give interested persons and the Commission an opportunity at a public hearing to present oral information, views, and arguments and to direct questions about disputed issues of material fact to—

(A) other interested persons making oral presentations;

(B) employees and contractors of the Government that made written comments or an
oral presentation or participated in the development or consideration of the proposed regulation; and

(C) experts and consultants that provided information to a person that the person includes, or refers to, in an oral presentation.

(3) The Secretary may restrict the questions of an interested person and the Commission when the Secretary decides that the questions are duplicative or not likely to result in a timely and effective resolution of the issues. A transcript shall be kept of a public hearing under this subsection. A copy of the transcript and written comments shall be available to the public at the cost of reproduction.

(4) The Secretary shall publish a regulation prescribed under this subsection in the Federal Register with the decisions required under paragraph (1) of this subsection.

(5) An officer or employee of a department, agency, or instrumentality of the Government violates section 1905 of title 18 by disclosing, except in an in camera proceeding by the Secretary or a court, information—

(A) provided to the Secretary or the court during consideration or review of a regulation prescribed under this subsection; and

(B) decided by the Secretary to be confidential under section 11(d) of the Energy Supply and Environmental Coordination Act of 1974 (15 U.S.C. 796(d)).

(d) Written Notice Requirement.—The Secretary shall impose a penalty under this section by written notice.

(e) Use of Civil Penalties.—For fiscal year 2008 and each fiscal year thereafter, from the total amount deposited in the general fund of the Treasury during the preceding fiscal year from fines, penalties, and other funds obtained through enforcement actions conducted pursuant to this section (including funds obtained under consent decrees), the Secretary of the Treasury, subject to the availability of appropriations, shall—

(1) transfer 50 percent of such total amount to the account providing appropriations to the Secretary of Transportation for the administration of this chapter, which shall be used by the Secretary to support rulemaking under this chapter; and

(2) transfer 50 percent of such total amount to the account providing appropriations to the Secretary of Transportation for the administration of this chapter, which shall be used by the Secretary to carry out a program to make grants to manufacturers for retooling, reequipping, or expanding existing manufacturing facilities in the United States to produce advanced technology vehicles and components.

In this section, the words “whom the Secretary determines under subsection (a) of this section” are omitted as surplus.

In subsection (b), before clause (1)(A), the words “Except as provided in subsection (c) of this section” are added for clarity. The words “that violates a standard prescribed for a model year under section 3202 of this title” are substituted for “to have violated a provision of section 2007(a)(1) of this title with respect to any model year” and “to have violated section 2007(a)(2) of this title” to avoid referring, as in the source, to one provision that in turn refers to another provision. In clause (1), the words “calculated under” are substituted for “established under” for clarity. The reference to section 3204(a)(2), which is a reference to the provision under which average fuel economy for nonpassenger automobiles is established, is added for clarity.

The text of 15:2008(e)(1)(B), which is a reference to the provision under which average fuel economy for nonpassenger automobiles is calculated, is added for clarity. The words “in which the average fuel economy standard for those automobiles is established, for clarity. The words “in which the average fuel economy standard for those automobiles is calculated, is substituted for the reference in the source to 15:2002(a) and (c), which is a reference to the provision under which the average fuel economy standard for those automobiles is established, for clarity. The words “in which the violation occurs” are omitted as surplus.

In subsection (c)(1)(A), before clause (i), the words “shall prescribe by regulation” are substituted for “shall, by rule . . . substitute” for consistency in the revised title and because “rule” and “regulation” are synonymous. The words “in accordance with the provisions of this subsection and subsection (e)” are omitted as surplus. The words “be less than $5.00” are omitted as surplus because under the subsection the Secretary may only raise the amount imposed to $10, or a $5 increase. The words “in the absence of such rule” are omitted as surplus. The words “increase in the penalty” are substituted for “additional amount of the civil penalty” for clarity. In clause (ii), the words “subject to subparagraph (B)” are omitted as surplus.

In subsection (c)(2)(B), before clause (A), the words “after the Secretary of Transportation develops a proposed rule pursuant to section 3202(d) of this title” are omitted as surplus. In clause (B), the words “written comments or an oral presentation” are substituted for “written or oral presentations” for consistency in the section. The text of 15:2008(e)(1)(B) (last sentence) and (C) is omitted as surplus because of 5:556(d).

In subsection (c)(5), before clause (A), the words “department, agency, or instrumentality” are substituted for “department or agency” for consistency in the revised title and with other titles of the United States Code.

Amendments

Effective Date of 2007 Amendment
Amendment by Pub. L. 110–140 effective on the date that is 1 day after Dec. 19, 2007, see section 1601 of Pub.
§ 32913. Compromising and remitting civil penalties

(a) GENERAL AUTHORITY AND LIMITATIONS.—
The Secretary of Transportation may compromise or remit the amount of a civil penalty imposed under section 32912(a) or (b) of this title. However, the amount of a penalty imposed under section 32912(b) may be compromised or remitted only to the extent—

(1) necessary to prevent the insolvency or bankruptcy of the manufacturer of automobiles;

(2) the manufacturer shows that the violation was caused by an act of God, a strike, or a fire; or

(3) the Federal Trade Commission certifies under subsection (b)(1) of this section that a reduction in the penalty is necessary to prevent a substantial lessening of competition.

(b) CERTIFICATION BY COMMISSION.—(1) A manufacturer liable for a civil penalty under section 32912(b) of this title may apply to the Commission for a certification that a reduction in the penalty is necessary to prevent a substantial lessening of competition.

(2) An application under this subsection must be made not later than 30 days after the Secretary decides that the manufacturer has violated section 32911(b) of this title. To the maximum extent practicable, the Commission shall make a decision on an application by the 90th day after the application is filed. A proceeding under this subsection may not delay the manufacturer’s liability for the penalty for more than 90 days after the application is filed.

(3) When a civil penalty is collected in a civil action under this chapter before a decision of the Commission under this subsection is final, the payment shall be paid to the court in which the action was brought. The court shall deposit the payment in the general fund of the Treasury on the 90th day after the decision of the Commission becomes final. When the court is holding payment of a penalty reduced under subsection (a)(3) of this section, the Secretary shall direct the court to remit the appropriate amount of the penalty to the manufacturer.

Secretary of Transportation or a judgment of a court of appeals of the United States for a circuit, the Attorney General shall bring a civil action in an appropriate district court of the United States to collect the penalty. The validity and appropriateness of the final order imposing the penalty is not reviewable in the action.

(b) *Priority of Claims.*—A claim of a creditor against a bankrupt or insolvent manufacturer of automobiles has priority over a claim of the United States Government against the manufacturer for a civil penalty under section 32912(b) of this title when the creditor’s claim is for credit extended before a final judgment (without regard to section 32913(b)(1) and (2) of this title) in an action to collect under subsection (a) of this section.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1074.)

The words “as the case may be” are omitted as surplus. The text of 15:2008(c)(1) (last sentence) is omitted as surplus because 5:ch. 7 applies unless otherwise stated.

§ 32916. Reports to Congress

(a) *Annual Report.*—Not later than January 15 of each year, the Secretary of Transportation shall submit to each House of Congress, and publish in the Federal Register, a report on the review by the Secretary of average fuel economy standards prescribed under this chapter.

(b) *Joint Examinations After Granting Exemptions.*—(1) After an exemption has been granted under section 32904(b)(6) of this title, the Secretaries of Transportation and Labor shall conduct annually a joint examination of the extent to which section 32904(b)(6)—

1. Achieves the purposes of this chapter;
2. Improves fuel efficiency (thereby facilitating conservation of petroleum and reducing petroleum imports);
3. Has promoted employment in the United States related to automobile manufacturing;
4. Has not caused unreasonable harm to the automobile manufacturing sector in the United States; and
5. Has permitted manufacturers that have assembled passenger automobiles deemed to be manufactured domestically under section 32904(b)(2) of this title thereafter to assemble in the United States passenger automobiles of the same model that have less than 75 percent of their value added in the United States or Canada, together with the reasons.

(2) The Secretary of Transportation shall include the results of the examination under paragraph (1) of this subsection in each report submitted under subsection (a) of this section more than 180 days after an exemption has been granted under section 32904(b)(6) of this title, or submit the results of the examination directly to Congress before the report is submitted when circumstances warrant.

In subsection (a), the words “a report on the review by the Secretary” are substituted for “a review” for

1 See References in Text note below.
§ 32917. Standards for executive agency automobiles

(a) DEFINITION.—In this section, “executive agency” has the same meaning given that term in section 105 of title 5.

(b) FLEET AVERAGE FUEL ECONOMY.—(1) The President shall prescribe regulations that require passenger automobiles leased for at least 60 consecutive days or bought by executive agencies in a fiscal year to achieve a fleet average fuel economy (determined under paragraph (2) of this subsection) for that year of at least the greater of—

(A) 18 miles a gallon; or

(B) the applicable average fuel economy standard under section 32902(b) or (c) of this title for the model year that includes January 1 of that fiscal year.

(2) Fleet average fuel economy is—

(A) the total number of passenger automobiles leased for at least 60 consecutive days or bought by executive agencies in a fiscal year (except automobiles designed for combat-related missions, law enforcement work, or emergency rescue work); divided by

(B) the sum of the fractions obtained by dividing the number of automobiles of each model leased or bought by the fuel economy of that model.

In subsection (b)(1), before clause (A), the words “within 120 days after December 22, 1975” and “which begins after December 22, 1975” are omitted as executed.

In subsection (b)(2), before clause (A), the words “As used in this section: (1) The term” are omitted as surplus. In clause (A), the words “to which this section applies” and “for the Armed Forces” are omitted as surplus. In clause (B), the words “the sum of the fractions obtained” are substituted for “a sum of terms, each term of which is a fraction created” to eliminate unnecessary words.

§ 32918. Retrofit devices

(a) DEFINITION.—In this section, the term “retrofit device” means any component, equipment, or other device—

(1) that is designed to be installed in or on an automobile (as an addition to, as a replacement for, or through alteration or modification of, any original component, equipment, or other device); and

(2) that any manufacturer, dealer, or distributor of the device represents will provide higher fuel economy than would have resulted with the automobile as originally equipped, as determined under regulations of the Administrator of the Environmental Protection Agency.

The term also includes a fuel additive for use in an automobile.

(b) EXAMINATION OF FUEL ECONOMY REPRESENTATIONS.—The Federal Trade Commission shall establish a program for systematically examining fuel economy representations made with respect to retrofit devices. Whenever the Commission has reason to believe that any representation may be inaccurate, the Commission shall request the Administrator to evaluate, in accordance with subsection (c) of this section, the retrofit device with respect to which the representation was made.

(c) EVALUATION OF RETROFIT DEVICES.—(1) On application of any manufacturer of a retrofit device (or prototype of a retrofit device), on request of the Commission under subsection (b) of this section, or on the motion of the Administrator, the Administrator shall evaluate, in accordance with regulations prescribed under subsection (e) of this section, any retrofit device to determine whether the retrofit device increases fuel economy and to determine whether the representations, if any, made with respect to the retrofit device are accurate.

(2) If under paragraph (1) of this subsection, the Administrator tests, or causes to be tested, any retrofit device on the application of a manufacturer of the device, the manufacturer shall supply, at the manufacturer’s expense, one or more samples of the device to the Administrator and shall be liable for the costs of testing incurred by the Administrator. The procedures for testing retrofit devices so supplied may include a requirement for preliminary testing by a qualified independent testing laboratory, at the expense of the manufacturer of the device.

(d) RESULTS OF TESTS AND PUBLICATION IN FEDERAL REGISTER.—(1) The Administrator shall publish in the Federal Register a summary of the results of all tests conducted under this section, together with the Administrator’s conclusions as to—
(A) the effect of any retrofit device on fuel economy;
(B) the effect of the device on emissions of air pollutants; and
(C) any other information the Administrator determines to be relevant in evaluating the device.

(2) The summary and conclusions shall also be submitted to the Secretary of Transportation and the Commission.

(e) REGULATIONS ESTABLISHING TESTS AND PROCEDURES FOR EVALUATION OF RETROFIT DEVICES.—The Administrator shall prescribe regulations establishing—
(1) testing and other procedures for evaluating the extent to which retrofit devices affect fuel economy and emissions of air pollutants; and
(2) criteria for evaluating the accuracy of fuel economy representations made with respect to retrofit devices.

HISTORICAL AND REVISION NOTES

</thead>
</table>

In subsection (a), the words “Administrator of the Environmental Protection Agency” are substituted for “Administrator” for clarity and to conform to the style of the codification which is to state the complete title the first time a descriptive title is used, and thereafter, to use a shorter title unless the context requires the complete title to be used.

In subsections (c) and (e), the word “regulations” is substituted for “rules” and “by rule” for consistency with the restatement of title 49.

In subsection (e)(1), the words “The Administrator shall prescribe regulations establishing” are substituted for “Within 180 days after December 22, 1975, the Administrator shall, by rule, establish” to eliminate executed words.

Prior Provisions

A prior section 32918 was renumbered section 32919 of this title.

§ 32919. Preemption

(a) GENERAL.—When an average fuel economy standard prescribed under this chapter is in effect, a State or a political subdivision of a State may not adopt or enforce a law or regulation related to fuel economy standards or average fuel economy standards for automobiles covered by an average fuel economy standard under this chapter.

(b) REQUIREMENTS MUST BE IDENTICAL.—When a requirement under section 32908 of this title is in effect, a State or a political subdivision of a State may adopt or enforce a law or regulation on disclosure of fuel economy or fuel operating costs for an automobile covered by section 32908 only if the law or regulation is identical to that requirement.

(c) STATE AND POLITICAL SUBDIVISION AUTOMOBILES.—A State or a political subdivision of a State may prescribe requirements for fuel economy for automobiles obtained for its own use.

AMENDMENTS

1994—Pub. L. 103–429 renumbered section 32918 of this title as this section.

CHAPTER 331—THEFT PREVENTION

Sec.
33101. Definitions.
33102. Theft prevention standard for high theft lines.
33103. Theft prevention standard for other lines.
33104. Designation of high theft vehicle lines and parts.
33105. Cost limitations.
33106. Exemption for passenger motor vehicles equipped with anti-theft devices.
33107. Voluntary vehicle identification standards.
33108. Monitoring compliance of manufacturers.
33110. Verifications involving motor vehicle major parts.
33111. Verifications involving motor vehicle major parts.
33112. Insurance reports and information.
33113. Theft reports.
33114. Prohibited acts.
33115. Civil penalties and enforcement.
33116. Confidentiality of information.
33118. Preemption of State and local law.

§ 33101. Definitions

In this chapter—
(1) “chop shop” means a building, lot, facility, or other structure or premise at which at least one person engages in receiving, concealing, destroying, disassembling, dismantling, reassembling, or storing a passenger motor vehicle or passenger motor vehicle part that has been unlawfully obtained—
(A) to alter, counterfeit, deface, destroy, disguise, falsify, forge, obliterate, or remove the identity of the vehicle or part, including the vehicle identification number or a derivative of that number; and
(B) to distribute, sell, or dispose of the vehicle or part in interstate or foreign commerce.

(2) “covered major part” means a major part selected under section 33104 of this title for coverage by the vehicle theft prevention standard prescribed under section 33102 or 33103 of this title.

(3) “existing line” means a line introduced into commerce before January 1, 1990.
(4) “first purchaser” means the person making the first purchase other than for resale.

(5) “line” means a name that a manufacturer of motor vehicles applies to a group of motor vehicle models of the same make that have the same body or chassis, or otherwise are similar in construction or design.

(6) “major part” means—
(A) the engine;
(B) the transmission;
(C) each door to the passenger compartment;
(D) the hood;
(E) the grille;
(F) each bumper;
(G) each front fender;
(H) the deck lid, tailgate, or hatchback;
(I) each rear quarter panel;
(J) the trunk floor pan;
(K) the frame or, for a unitized body, the supporting structure serving as the frame; and
(L) any other part of a passenger motor vehicle that the Secretary of Transportation by regulation specifies as comparable in design or function to any of the parts listed in subclauses (A)–(K) of this clause.

(7) “major replacement part” means a major part that is—
(A) an original major part in or on a completed motor vehicle and customized or modified after manufacture of the vehicle but before the time of its delivery to the first purchaser; or
(B) not installed in or on a motor vehicle at the time of its delivery to the first purchaser and the equitable or legal title to the vehicle has not been transferred to a first purchaser.

(8) “model year” has the same meaning given that term in section 32901(a) of this title.

(9) “new line” means a line introduced into commerce after December 31, 1989.

(10) “passenger motor vehicle” includes a multipurpose passenger vehicle or light duty truck when that vehicle or truck is rated at not more than 6,000 pounds gross vehicle weight.

(11) “vehicle theft prevention standard” means a minimum performance standard for identifying major parts of new motor vehicles and major replacement parts by inscribing or affixing numbers or symbols on those parts. This corrects a cross-reference in 49:33101(2) by eliminating the reference to 49:33102(c)(1). Section 3321(2) of the Act of October 25, 1992 (Public Law 102-519, 106 Stat. 3394), restated section 602(d)(1)(A) and (B) of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947) as section 602(d)(1) without making a corresponding change in the cross-reference restated in this section.

(12) “rear quarter panels” for clarity and consistency.

(13) “section 33102(c)(1)” as substituted for “sections 33102(c)(1) and 33104” for clarity and consistency.

(16) “section 2023(a)(1)(A)” for consistency in this chapter.

(17) “section 33102(c)” for “sections 33102(c) and 33104” for consistency in this chapter.

(18) “section 33104” of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947) as section 33104 without making a change in the cross-reference in section 601(6) to section 602(d)(1)(B).

(19) “section 33104” for “sections 33102(c) and 33104” for consistency in this chapter.

(20) “section 9 of Pub. L. 103-429, see section 9 of Pub. L. 103-429, set out as a note under section 321 of this title.” This makes a conforming amendment for consistency with the style of title 49.

Amendments

Effective Date of 1996 Amendment
Section 6(4) of Pub. L. 104–287 provided that the amendment made by that section is effective Oct. 31, 1994.

Effective Date of 1994 Amendment

§ 33102. Theft prevention standard for high theft lines
(a) GENERAL.—(1) The Secretary of Transportation by regulation shall prescribe a vehicle

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>
The Secretary of Transportation shall prescribe a vehicle theft standard that conforms to the requirements of this chapter for covered major parts that manufacturers install in passenger motor vehicles (except light duty trucks) in not more than 50 percent of the lines not designated under section 33104 of this title as high theft lines.

(b) **Extension of Application.**—(1) Not later than 3 years after the standard is prescribed under subsection (a) of this section and based on the finding of the Attorney General under subsection (c) of this section to apply the standard, the Secretary shall apply that standard to covered major parts and major replacement parts for covered parts that manufacturers install in the lines of passenger motor vehicles (except light duty trucks)—

(A) not designated under section 33104 of this title as high theft lines; and

(B) not covered by the standard prescribed under subsection (a) of this section.

(2) The Secretary shall include as part of the standard prescribed under subsection (a) of this section unless the Attorney General finds, based on information collected and analyzed under section 33112 of this title and other information the Attorney General develops after providing notice and an opportunity for a public hearing, that applying the standard prescribed in subsection (a) to the remaining lines of passenger motor vehicles (except light duty trucks) not covered by that standard would not substantially inhibit chop shop operations and motor vehicle thefts. The Attorney General also shall consider and include in the record additional costs, effectiveness, competition, and available alternative factors.

The Attorney General shall submit to the Secretary the finding and record on which the finding is based.

(d) **Long Range Review of Effectiveness.**—(1) Not later than December 31, 1999, the Attorney General shall make separate findings, after notice and an opportunity for a public hearing, on the following:

(A) whether the application of the standard under subsection (a) or (b) of this subsection, or both, have been effective in substantially inhibiting the operation of chop shops and motor vehicle theft.

(B) whether the anti-theft devices for which the Secretary has granted exemptions under section 33106 of this title are an effective substitute for parts marking in substantially inhibiting motor vehicle theft.

(2)(A) In making the finding under paragraph (1)(A) of this subsection, the Attorney General shall—

(i) consider the additional cost, competition, and available alternatives;

(ii) base that finding on information collected and analyzed under section 33112 of this title.

### § 33103. Theft prevention standard for other lines

(a) **General.**—Not later than October 23, 1994, the Secretary of Transportation shall prescribe the Secretary of Transportation shall prescribe the requirements of this chapter for covered major parts that manufacturers install in passenger motor vehicles in lines designated under section 33104 of this title as high theft lines; and

(b) **Major Replacement Parts.**—The standard shall be practicable and provide relevant objective criteria.

(c) **Limitations on Major Part and Replacement Part Standards.**—(1) For a major part installed by the manufacturer of the motor vehicle, the standard may not require a part to have more than one identification.

(2) For a major replacement part, the standard may not require—

(A) identification of a part not designed as a replacement for a major part required to be identified under the standard; or

(B) the inscribing or affixing of identification except a symbol identifying the manufacturer and a common symbol identifying the part as a major replacement part.

(d) **Records and Reports.**—This chapter does not authorize the Secretary to require a person to keep records or make reports, except as provided in sections 33104(c), 33106(c), 33108(a), and 33112 of this title.

### Historical and Revision Notes

<table>
<thead>

</thead>
</table>

In subsection (a)(1), before clause (A), the words “in accordance with this section” are omitted as surplus.

In subsection (a)(2), the text of 15:2022(c)(1)–(3) is omitted as obsolete because the standard has already been prescribed. See 49 C.F.R. part 541.

§ 33103. Theft prevention standard for other lines

(a) **General.**—Not later than October 23, 1994, the Secretary of Transportation shall prescribe...
(iii) consider the effectiveness, the extent of use, and the extent to which civil and criminal penalties under section 33115(b) of this title and section 2322 of title 18 on shop shops and vehicle theft: 

(iv) base that finding on the 3-year and 5-year reports issued by the Secretary under section 33113 of this title; and 

(v) base that finding on other information the Attorney General develops and includes in the public record.

(B) The Attorney General shall submit a finding under paragraph (1)(A) of this subsection promptly to the Secretary. If the Attorney General finds that the application of the standard under subsection (a) or (b) of this section, or both, has not been effective, the Secretary shall issue, not later than 180 days after receiving that finding, an order terminating the standard the Attorney General found was ineffective. The termination is effective for the model year beginning after the order is issued.

(3) In making a finding under paragraph (1)(B) of this subsection, the Secretary shall consider the additional cost, competition, and available alternatives. If the Attorney General finds that the anti-theft devices are an effective substitute, the Secretary shall continue to grant exemptions under section 33106 of this title for the model years after model year 2000 at one of the following levels that the Attorney General decides: at the level authorized before October 25, 1992, or at the level provided in section 33106(b)(2)(C) of this title for model year 2000.

(e) EFFECTIVE DATE OF STANDARD.—A standard prescribed under this section takes effect at least 6 months after the date the standard is prescribed, except that the Secretary may prescribe an earlier effective date if the Secretary—

(1) decides with good cause that the earlier date is in the public interest; and 

(2) publishes the reasons for the decision.

(f) NOTIFICATION OF CONGRESS.—The Secretary and the Attorney General shall inform the appropriate legislative committees of Congress with jurisdiction over this part and section 2322 of title 18 of actions taken or planned under this section.

In subsection (a), the words “foreign and domestic” are omitted as unnecessary. The words “as high theft lines” are added for clarity.

In subsection (b)(1), the words “to apply the standard” are added for clarity. The words “shall apply that standard to covered major parts and major replacement parts for covered parts that manufacturers install in the lines of passenger motor vehicles (except light duty trucks) . . . not designated under section 33104 of this title as high theft lines; and . . . not covered by the standard prescribed under subsection (a) of this section” are substituted for “the Secretary . . . shall designate all the remaining such lines of such passenger motor vehicles (other than light-duty trucks) and apply such standard to such lines in conformance with the requirements of this subchapter” for clarity and because of the restatement.

In subsection (b)(2), the words “The Secretary shall include as part of the regulatory proceeding under this subsection . . . developed by the Attorney General under subsection (c) of this section” are substituted for “shall be a part of the Secretary’s rulemaking record” for clarity.

In subsection (c), the words “Before the Secretary begins a regulatory proceeding under subsection (b) of this section” are substituted for “prior to the Secretary’s initiation and promulgation of a rule” for clarity. The words “applying the standard prescribed in subsection (a) to the remaining lines of passenger motor vehicles (except light duty trucks) not covered by that standard” are substituted for “requiring such additional parts marking for all of the applicable passenger motor vehicles” for clarity and because of the restatement.

In subsection (d)(1)(A), the words “whether the application of the standard under subsection (a) or (b) of this subsection, or both” are substituted for “whether one or both rules promulgated under this subsection” for clarity.

In subsection (d)(2)(A)(iii), the words “civil . . . penalties under section 33115(b) of this title” are substituted for “civil . . . penalties under section 2027(b) of this title” to correct an erroneous cross-reference.

In subsection (d)(3), the words “for the model years after model year 2000” are substituted for “for model years 2000” for clarity.

In subsection (e), the text of 15:2022(c)(4) (related to the standard under 15:2022(c)(1)) is omitted as obsolete because the standard under 15:2022(c)(1) has already been prescribed. See 49 C.F.R. §41.

§33104. Designation of high theft vehicle lines and parts

(a) DESIGNATION, NONAPPLICATION, SELECTION, AND PROCEDURES.—(1) For purposes of the standard under section 33102 of this title, the following are high theft lines:

(A) a passenger motor vehicle line determined under subsection (b) of this section to have had a new passenger motor vehicle theft rate in the 2-year period covering calendar years 1990 and 1991 greater than the median theft rate for all new passenger motor vehicle thefts in that 2-year period.

(B) a passenger motor vehicle line initially introduced into commerce in the United States after December 31, 1989, that is selected under paragraph (3) of this subsection as likely to have a theft rate greater than the median theft rate referred to in clause (A) of this paragraph.

(C) subject to paragraph (2) of this subsection, a passenger motor vehicle line having
(for existing lines) or likely to have (for new lines) a theft rate below the median theft rate referred to in clause (A) of this paragraph, if the major parts in the vehicles are selected under paragraph (3) of this subsection as interchangeable with the majority of the major parts that are subject to the standard and are contained in the motor vehicles of a line described in clause (A) or (B) of this paragraph.

(2) The standard may not apply to any major part of a line described in paragraph (1)(C) of this subsection if all the passenger motor vehicles of that line of passenger motor vehicles in those lines, that are to be subject to the standard, are interchangeable with the major parts of the line involved, account (for existing lines), or the Secretary of Transportation determines they are likely to account (for new lines), for more than 90 percent of the total annual production of all lines of that manufacturer containing those interchangeable parts.

(3) The lines, and the major parts of the passenger motor vehicles in those lines, that are to be subject to the standard may be selected by agreement between the manufacturer and the Secretary. If the manufacturer and the Secretary disagree on the selection, the Secretary shall select the lines and parts, after notice to the manufacturer and opportunity for written comment, and subject to the confidentiality requirements of this chapter.

To the maximum extent practicable, the Secretary shall prescribe reasonable procedures designed to ensure that a selection under paragraph (3) of this subsection is made at least 6 months before the first applicable model year beginning after the selection.

(4) A manufacturer may not be required to comply with the standard under a selection under paragraph (3) of this subsection for a model year beginning earlier than 6 months after the date of the selection.

(5) A passenger motor vehicle line subject on October 25, 1992, to parts marking requirements under sections 602 and 603 of the Motor Vehicle Information and Cost Savings Act (Public Law 92–513, 86 Stat. 947), as added by section 101(a) of the Motor Vehicle Theft Law Enforcement Act of 1984 (Public Law 98–547, 98 Stat. 2756), continues to be subject to the requirements of this section and section 33102 of this title unless the line is exempted under section 33106 of this title.

(b) Determining Theft Rate for Passenger Vehicles.—(1) In this subsection, “new passenger motor vehicle thefts”, when used in reference to a calendar year, means thefts in the United States in that year of passenger motor vehicles with the same model-year designation as that calendar year.

(2) Under subsection (a) of this section, the theft rate for passenger motor vehicles of a line shall be determined by a fraction—

(A) the numerator of which is the number of new passenger motor vehicle thefts for that line during the 2-year period referred to in subsection (a)(1)(A) of this section; and

(B) the denominator of which is the sum of the respective production volumes of all passenger motor vehicles of that line (as reported to the Administrator of the Environmental Protection Agency under chapter 329 of this title) that are of models year 1990 and 1991 and are distributed for sale in commerce in the United States.

(3) Under subsection (a) of this section, the median theft rate for all new passenger motor vehicle thefts during that 2-year period is the theft rate midway between the highest and the lowest theft rates determined under paragraph (2) of this subsection. If there is an even number of theft rates determined under paragraph (2), the median theft rate is the arithmetic average of the 2 adjoining theft rates midway between the highest and the lowest of those theft rates.

(4) In consultation with the Director of the Federal Bureau of Investigation, the Secretary periodically shall obtain from the most reliable source accurate and timely theft and recovery information and publish the information for review and comment. To the greatest extent possible, the Secretary shall use theft information reported by United States Government, State, and local police. After publication and opportunity for comment, the Secretary shall use the theft information to determine the median theft rate under this subsection. The Secretary and the Director shall take any necessary actions to improve the accuracy, reliability, and timeliness of the information, including ensuring that vehicles represented as stolen are really stolen.

(5) The Secretary periodically (but not more often than once every 2 years) may redetermine and prescribe by regulation the median theft rate under this subsection.

(c) Providing Information.—The Secretary by regulation shall require each manufacturer to provide information necessary to select under subsection (a)(3) of this section the high theft lines and the major parts to be subject to the standard.

(d) Application.—Except as provided in section 33106 of this title, the Secretary may not make the standard inapplicable to a line that has been subject to the standard.

### Historical and Revision Notes

<table>

<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In subsection (a)(1)(A), the words “the 2-year period covering calendar years 1990 and 1991” are substituted for “the 2 calendar years immediately preceding the year in which the Anti Car Theft Act of 1992 is enacted” because that Act was enacted on October 25, 1992. The substitution also makes it clear that the 2-year period is to be treated as a single period.

In subsection (a)(1)(B), the words “after December 31, 1999,” are substituted for “after the beginning of the 2-
year period specified in subparagraph (A)" for consistency with clause (A).

In subsection (a)(6), the word "passenger" is added because the source provisions in the revised chapter apply to passenger motor vehicles.

In subsection (b)(2)(B), the words "Administrator of the" are added for clarity and consistency because of section 1(b) of Reorganization Plan No. 3 of 1970 (eff. Dec. 2, 1970, 84 Stat. 2086). The words "model years 1983 and 1984" are substituted for "the 2 model years having the same model-year designations as the 2 calendar years specified in subsection (a)(1)(A) of this section" because the particular years are now known.

In subsection (b)(4), the words "Immediately upon en-
actment of this subchapter" are omitted as executed. The words "or sources" are omitted because of 1:1.

REFERENCES IN TEXT

Sections 602 and 603 of the Motor Vehicle Information and Cost Savings Act, referred to in subsec. (a)(6), are sections 602 and 603 of Pub. L. 103–272, which were classified to sections 2022 and 2023, respectively, of Title 15, Commerce and Trade, and were repealed and reenacted as sections 33102 to 33104 of this title by Pub. L. 103–272, §§1(e), July 5, 1994, 108 Stat. 1077, 1379.

§ 33105. Cost limitations

(a) MAXIMUM MANUFACTURER COSTS.—A standard under section 33102 or 33103 of this title may not impose—

(1) on a manufacturer of motor vehicles, compliance costs of more than $15 a motor vehicle; or

(2) on a manufacturer of major replacement parts, compliance costs for each part of more than the reasonable amount (but less than $15) that the Secretary of Transportation specifies in the standard.

(b) COSTS INVOLVED IN ENGINES AND TRANSMISSIONS.—For a manufacturer engaged in identifying engines or transmissions on October 25, 1984, in a way that substantially complies with the standard—

(1) the costs of identifying engines and transmissions may not be considered in calculating the manufacturer’s costs under subsection (a) of this section; and

(2) the manufacturer may not be required under the standard to conform to any identification system for engines and transmissions that imposes greater costs on the manufacturer than are incurred under the identification system used by the manufacturer on October 25, 1984.

(c) COST ADJUSTMENTS.—(1) In this subsection—

(A) "base period" means calendar year 1984.

(B) "price index" means the average over a calendar year of the Consumer Price Index (all items—United States city average) published monthly by the Secretary of Labor.

(2) At the beginning of each calendar year, as necessary data become available from the Bureau of Labor Statistics, the Secretary of Labor shall certify to the Secretary of Transportation and publish in the Federal Register the percentage difference between the price index for the 12 months before the beginning of the calendar year and the price index for the base period. For model years beginning in that calendar year, the amounts specified in subsection (a) of this section shall be adjusted by the percentage difference.

In subsection (a)(1) and (2), the words "compliance costs" are substituted for "costs . . . to comply with such standard" to eliminate unnecessary words. In clause (2), the words "reasonable amount (but less than $15)" are substituted for "reasonable lesser amount" for clarity.

In subsection (c)(2), the words "commencing on or after January 1, 1989" are omitted as obsolete.

§ 33106. Exemption for passenger motor vehicles equipped with anti-theft devices

(a) DEFINITIONS.—In this section—

(1) "anti-theft device" means a device to reduce or deter theft that—

(A) is in addition to the theft-deterrent de-

vice required by motor vehicle safety standard numbered 114 in section 571.114 of title 49, Code of Federal Regulations;

(B) the manufacturer believes will be effective in reducing or deterring theft of motor vehicles; and

(C) does not use a signaling device reserved by State law for use on police, emergency, or official vehicles, or on schoolbuses.

(2) "standard equipment" means equipment already installed in a motor vehicle when it is delivered from the manufacturer and not an accessory or other item that the first purchaser customarily has the option to have installed.

(b) GRANTING EXEMPTIONS AND LIMITATIONS.—

(1) A manufacturer may petition the Secretary of Transportation for an exemption from a requirement of a standard prescribed under section 33102 or 33103 of this title for a line of passenger motor vehicles equipped as standard equipment with an anti-theft device that the Secretary decides is likely to be as effective in reducing and deterring motor vehicle theft as compliance with the standard.

(2) The Secretary may grant an exemption—

(A) for model year 1987, for not more than 2 lines of a manufacturer;

(B) for each of the model years 1988–1996, for not more than 2 additional lines of a manufacturer;

(C) for each of the model years 1997–2000, for not more than one additional line of a manufacturer; and

(D) for each of the model years after model year 2000, for the number of lines that the Attorney General decides under section 33103(d)(3) of this title.

(3) An additional exemption granted under paragraph (2)(B) or (C) of this subsection does not affect an exemption previously granted.

(c) PETITIONING PROCEDURE.—A petition must be filed not later than 8 months before the start of production for the first model year covered by the petition. The petition must include—
(1) a detailed description of the device;
(2) the reasons for the manufacturer’s conclusion that the device will be effective in reducing and deterring theft of motor vehicles; and
(3) additional information the Secretary reasonably may require to make the decision described in subsection (b)(1) of this section.

(d) DECISIONS AND APPROVALS.—The Secretary shall make a decision about a petition filed under this section not later than 120 days after the date the petition is filed. A decision approving a petition must be based on substantial evidence. The Secretary may approve a petition in whole or in part. If the Secretary does not make a decision within the 120-day period, the petition shall be deemed to be approved and the manufacturer shall be exempt from the standard for the line covered by the petition for the subsequent model year.

(e) RESCISONS.—The Secretary may rescind an exemption if the Secretary decides that the anti-theft device has not been as effective in reducing and deterring motor vehicle theft as compliance with the standard. A rescission may be effective only—
(1) for a model year after the model year in which the rescission occurs; and
(2) at least 6 months after the manufacturer receives written notice of the rescission from the Secretary.

HISTORICAL AND REVISION NOTES

Pub. L. 103–272

Revised Section| Source (U.S. Code)| Source (Statutes at Large)
---|---|---

In subsection (b)(1), the words “the application of any of” are omitted as surplus. The words “or lines” are omitted because of 1:1.

In subsection (b)(2)(A), the words “for model year 1967” are substituted for “For the initial model year to which such standard applies” for clarity. See 50 Fed. Reg. 43169 (1985). In clause (D), the words “that the Attorney General decides” are substituted for “for which the Secretary may grant such an exemption (if any) shall be determined” for clarity and because of the restatement.

In subsection (d), the words “for the line covered by” are added for clarity.

Subsection (e) is substituted for §15:2025(d) for clarity and to eliminate unnecessary words.

Pub. L. 103–429

This amends 49:33106(b)(3) to correct an error in the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1082).

AMENDMENTS

1994—Subsec. (b)(3). Pub. L. 103–429 substituted “paragraph (2)(B) or (C) of this subsection” for “subparagraph (2)(B) or (C) of this paragraph”.

EFFECTIVE DATE OF 1994 AMENDMENT

§33107. Voluntary vehicle identification standards

(a) ELECTION TO INSCRIBE OR AFFIX IDENTIFYING MARKS.—The Secretary of Transportation by regulation may prescribe a vehicle theft prevention standard under which a person may elect to inscribe or affix an identifying number or symbol on major parts of a motor vehicle manufactured or owned by the person for purposes of section 511 of title 18 and related provisions. The standard may include provisions for registration of the identification with the Secretary or a person designated by the Secretary.

(b) STANDARD REQUIREMENTS.—The standard under this section shall be practicable and provide relevant objective criteria.

(c) VOLUNTARY COMPLIANCE.—Compliance with the standard under this section is voluntary. Failure to comply does not subject a person to a penalty or enforcement under this chapter.

(d) COMPLIANCE WITH OTHER STANDARDS.—Compliance with the standard under this section does not relieve a manufacturer from a requirement of a standard prescribed under section 33102 or 33103 of this title.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1083.)

HISTORICAL AND REVISION NOTES

Pub. L. 103–272

Revised Section| Source (U.S. Code)| Source (Statutes at Large)
---|---|---

§33108. Monitoring compliance of manufacturers

(a) RECORDS, REPORTS, INFORMATION, AND INSPECTION.—To enable the Secretary of Transportation to decide whether a manufacturer of motor vehicles containing a part subject to a standard prescribed under section 33102 or 33103 of this title, or a manufacturer of major replacement parts subject to the standard, is complying with this chapter and the standard, the Secretary may require the manufacturer to—
(1) keep records;
(2) make reports;
(3) provide items and information; and
(4) allow an officer or employee designated by the Secretary to inspect the vehicles and parts and relevant records of the manufacturer.

(b) ENTRY AND INSPECTION.—To enforce this chapter, an officer or employee designated by the Secretary, on presenting appropriate credentials and a written notice to the owner, operator, or agent in charge, may inspect a facility in
which motor vehicles containing major parts subject to the standard, or major replacement parts subject to the standard, are manufactured, held for introduction into interstate commerce, or held for sale after introduction into interstate commerce. An inspection shall be conducted at a reasonable time, in a reasonable way, and with reasonable promptness.

(c) CERTIFICATION OF COMPLIANCE.—(1) A manufacturer of a motor vehicle subject to the standard, and a manufacturer of a major replacement part subject to the standard, shall provide at the time of delivery of the vehicle or part a certification that the vehicle or part conforms to the applicable motor vehicle theft prevention standard. The certification shall accompany the vehicle or part until its delivery to the first purchaser. The Secretary by regulation may prescribe the type and form of the certification.

(2) This subsection does not apply to a motor vehicle or major replacement part that is—
(A) intended only for export;
(B) labeled only for export on the vehicle or replacement part and the outside of any container until exported; and
(C) exported.

(d) NOTIFICATION OF ERROR.—A manufacturer shall notify the Secretary if the manufacturer discovers that—
(1) there is an error in the identification (required by the standard) applied to a major part installed by the manufacturer in a motor vehicle during its assembly, or to a major replacement part manufactured by the manufacturer; and
(2) the motor vehicle or major replacement part has entered interstate commerce.

(Pub. L. 103-272, §1(c), July 5, 1994, 108 Stat. 1083.)

In subsection (a), before clause (1), the words “is complying” are substituted for “has acted or is acting in compliance” to eliminate unnecessary words. The word “reasonably” is omitted as surplus. In clause (1), the word “keep” is substituted for “establish and maintain” for consistency in the revised title and to eliminate unnecessary words. In clause (4), the words “upon request”, “duly”, and “such manufacturer shall make available all such items and information in accordance with such reasonable rules as the Secretary may prescribe” are omitted as surplus.

In subsection (b), the words “duly” and “enter and” are omitted as surplus.

In subsection (c)(2)(B), the words “or tagged” and “if any” are omitted as surplus.

Subsection (d) is substituted for 15:2026(d) for clarity.

§ 33109. National Stolen Passenger Motor Vehicle Information System

(a) GENERAL REQUIREMENTS.—(1) Not later than July 25, 1993, the Attorney General shall establish, and thereafter maintain, a National Stolen Passenger Motor Vehicle Information System containing the vehicle identification numbers of stolen passenger motor vehicles and stolen passenger motor vehicle parts. The System shall be located in the National Crime Information Center and shall include at least the following information on each passenger motor vehicle reported to a law enforcement authority as stolen and not recovered:
(A) the vehicle identification number.
(B) the make and model year.
(C) the date on which the vehicle was reported as stolen.
(D) the location of the law enforcement authority that received the report of the theft of the vehicle.
(E) the identification numbers of the vehicle parts (or derivatives of those numbers), at the time of the theft, if those numbers are different from the vehicle identification number of the vehicle.

(2) In establishing the System, the Attorney General shall consult with—
(A) State and local law enforcement authorities; and
(B) the National Crime Information Center Policy Advisory Board to ensure the security of the information in the System and that the System will not compromise the security of stolen passenger motor vehicle and passenger motor vehicle parts information in the System.

(3) If the Attorney General decides that the Center is not able to perform the functions of the System, the Attorney General shall make an agreement for the operation of the System separate from the Center.

(4) The Attorney General shall prescribe by regulation the effective date of the System.

(b) REQUESTS FOR INFORMATION.—(1) The Attorney General shall prescribe by regulation procedures under which an individual or entity intending to transfer a passenger motor vehicle or passenger motor vehicle part may obtain information on whether the vehicle or part is listed in the System as stolen.

(2) On request of an insurance carrier, a person lawfully selling or distributing passenger motor vehicle parts in interstate commerce, or an individual or enterprise engaged in the business of repairing passenger motor vehicles, the Attorney General (or the entity the Attorney General designates) immediately shall inform the insurance carrier, person, individual, or enterprise whether the System has a record of a vehicle or vehicle part with a particular vehicle identification number (or derivative of that number) being reported as stolen. The Attorney General may require appropriate verification to ensure that the request is legitimate and will not compromise the security of the System.

(c) ADVISORY COMMITTEE.—(1) Not later than December 24, 1992, the Attorney General shall establish in the Department of Justice an advisory committee. The Attorney General shall develop the System with the advice and recommendations of the committee.

(2)(A) The committee is composed of the following 10 members:
in the revised chapter.

In subsection (a)(4), the text of 15:2026c(f) (1st sentence) is omitted as surplus. The words “the effective date of the System” are substituted for “shall be effective as provided” because of the restatement.

In subsection (b)(1), the words “intending to transfer” are substituted for “seeking to transfer” for clarity. The words “passenger motor vehicle or passenger motor vehicle part” are substituted for “a vehicle or vehicle parts” for consistency with the terminology used in the revised chapter. The words “whether the vehicle or part” are substituted for “whether a part” for consistency with source provisions restated in the revised section.

In subsection (b)(2), the words “shall inform the insurance carrier, person, individual, or enterprise whether” are substituted for “provide such insurance carrier or person with a determination as to whether” for clarity and consistency in the revised subsection. The words “may require appropriate verification” are substituted for “may require such verification as the Attorney General deems appropriate” to eliminate unnecessary words.

In subsection (c)(1), the words “and appoint” are omitted as unnecessary because of the restatement.

AMENDMENTS

TERMINATION OF ADVISORY COMMITTEES

Advisory committees established after Jan. 5, 1973, to terminate not later than the expiration of 2-year period beginning on date of their establishment, unless, in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to expiration of such 2-year period, or in the case of a committee established by Congress, its duration is otherwise provided for by law. See section 14 of Pub. L. 92–463, Oct. 6, 1972, 86 Stat. 776, set out in the Appendix to Title 5, Government Organization and Employees.

§ 33110. Verifications involving junk and salvage motor vehicles

(a) DEFINITION.—In this section, “vehicle identification number” means a unique identification number (or derivative of that number) assigned to a passenger motor vehicle by a manufacturer in compliance with applicable regulations.

(b) GENERAL REQUIREMENTS.—(1) If an insurance carrier selling comprehensive motor vehicle insurance coverage obtains possession of and transfers a junk motor vehicle or a salvage motor vehicle, the carrier shall—

(A) under procedures the Attorney General prescribes by regulation under section 33109 of this title in consultation with the Secretary of Transportation, verify whether the vehicle is reported as stolen; and

(B) provide the purchaser or transferee of the vehicle from the insurance carrier verification identifying the vehicle identification number and verifying that the vehicle has not been reported as stolen or, if reported as stolen, that the carrier has recovered the vehicle and has proper legal title to the vehicle.

(2)(A) This subsection does not prohibit an insurance carrier from transferring a motor vehicle if, within a reasonable period of time during normal business operations (as decided by the Attorney General under section 33109 of this title) using reasonable efforts, the carrier—
§ 33111. Verifications involving motor vehicle major parts

(a) General Requirements.—A person engaged in the business of salvaging, dismantling, recycling, or repairing passenger motor vehicles may not knowingly sell in commerce or transfer or install a major part marked with an identification number without—

(1) first establishing, through a procedure the Attorney General by regulation prescribes in consultation with the Secretary of Transportation under section 33109 of this title, that the major part has not been reported as stolen; and

(2) providing the purchaser or transferee with a verification—

(A) identifying the vehicle identification number (or derivative of that number) of that major part; and

(B) verifying that the major part has not been reported as stolen.

(b) Nonapplication.—(1) Subsection (a) of this section does not apply to a person that—

(A) is the manufacturer of the major part;

(B) has purchased the major part directly from the manufacturer; or

(C) has received a verification from an insurance carrier under section 33110 of this title that the motor vehicle from which the major part is derived has not been reported as stolen, or that the carrier has not established whether that vehicle has been stolen.

(2) A person described under paragraph (1)(C) of this subsection that subsequently transfers or sells in commerce the motor vehicle or a major part of the vehicle shall provide the verification received from the carrier to the person to whom the vehicle or part is transferred or sold.

(c) Regulations.—The Attorney General shall prescribe regulations to carry out this section. The regulations shall include regulations prescribed in consultation with the Secretary that are necessary to ensure that a verification a person provides under subsection (a)(2) of this section is uniform, effective, and resistant to fraudulent use.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1086.)

In subsection (b)(1)(B), the words “or derivative thereof” are omitted as unnecessary because of the definition of “vehicle identification number” in subsection (a) of the revised section.

In subsection (b)(2)(A)(i), the words “has not been informed under the procedures prescribed” are substituted for “has not received a determination under” for clarity and consistency in the revised chapter. In clause (ii), the words “has not otherwise established whether” are substituted for “to otherwise determine whether” for clarity.

In subsection (b)(2)(B), the words “When a carrier transfers a motor vehicle for which the carrier has not established whether the vehicle has been reported as stolen, the carrier shall provide written certification to the transferee that the carrier has not established whether the vehicle has been reported as stolen” are substituted for “except that such carrier shall provide a written certification of such lack of determination” for clarity and because of the restatement.

Effective Date

Section 4(a) of Pub. L. 103–272 provided that: “Not later than April 25, 1993, the Attorney General shall prescribe the regulations required under section 33110(c) of title 49, United States Code, as enacted by section 1 of this Act. Section 33110(b) of title 49 is effective not later than 3 months after those regulations are prescribed but not before the date on which the National Stolen Passenger Motor Vehicle Information System established under section 33109 of title 49 is operational.”

§ 33112. Insurance reports and information

(a) Purposes.—The purposes of this section are—

(1) to prevent or discourage the theft of motor vehicles, particularly those stolen for the removal of certain parts;
(2) to prevent or discourage the sale and distribution in interstate commerce of used parts that are removed from those vehicles; and

(3) to help reduce the cost to consumers of comprehensive insurance coverage for motor vehicles.

(b) DEFINITIONS.—In this section—

(1) “insurer” includes a person (except a governmental entity) having a fleet of at least 20 motor vehicles that are used primarily for rental or lease and are not covered by a theft insurance policy issued by an insurer of passenger motor vehicles.

(2) “motor vehicle” includes a truck, a multipurpose passenger vehicle, and a motorcycle.

(c) ANNUAL INFORMATION REQUIREMENT.—(1) An insurer providing comprehensive coverage for motor vehicles shall provide annually to the Secretary of Transportation information on—

(A) the thefts and recoveries (in any part) of motor vehicles;

(B) the number of vehicles that have been recovered intact;

(C) the rating rules and plans, such as loss information and rating characteristics, used by the insurer to establish premiums for comprehensive coverage, including the basis for the premiums, and premium penalties for motor vehicles considered by the insurer as more likely to be stolen;

(D) the actions taken by the insurer to reduce the premiums, including changing rate levels for comprehensive coverage because of a reduction in thefts of motor vehicles;

(E) the actions taken by the insurer to assist in deterring or reducing thefts of motor vehicles; and

(F) other information the Secretary requires to carry out this chapter and to make the report and findings required by this chapter.

(2) The information on thefts and recoveries shall include an explanation on how the information is obtained, the accuracy and timeliness of the information, and the use made of the information, including the extent and frequency of reporting the information to national, public, and private agencies and associations the Federal Bureau of Investigation and State and local police.

(d) REPORTS ON REDUCED CLAIMS PAYMENTS.—An insurer shall report promptly in writing to the Secretary if the insurer, in paying a claim under an adjustment or negotiation between the insurer and the insured for a stolen motor vehicle under an adjustment or negotiation between the insurer and the insured for a stolen motor vehicle

(1) reduces the payment to the insured by the amount of the value, salvage or otherwise, of a recovered part subject to a standard prescribed under section 33102 or 33103 of this title; and

(2) the reduction is not made at the express election of the insured.

(e) GENERAL EXEMPTIONS.—The Secretary shall exempt from this section, for one or more years, an insurer that the Secretary decides should be exempted because—

(1) the cost of preparing and providing the information is excessive in relation to the size of the insurer’s business; and

(2) the information from that insurer will not contribute significantly to carrying out this chapter.

(f) SMALL INSURER EXEMPTIONS.—(1) In this subsection, “small insurer” means an insurer whose premiums for motor vehicle insurance issued directly or through an affiliate, including a pooling arrangement established under State law or regulation for the issuance of motor vehicle insurance, account for—

(A) less than one percent of the total premiums for all forms of motor vehicle insurance issued by insurers in the United States; and

(B) less than 10 percent of the total premiums for all forms of motor vehicle insurance issued by insurers in any State.

(2) The Secretary shall exempt by regulation a small insurer from this section if the Secretary finds that the exemption will not significantly affect the validity or usefulness of the information collected and compiled under this section, nationally or State-by-State. However, the Secretary may not exempt an insurer under this paragraph that is considered an insurer only because of subsection (b)(1) of this section.

(3) Regulations under this subsection shall provide that eligibility as a small insurer shall be based on the most recent calendar year for which adequate information is available, and that, once attained, the eligibility shall continue without further demonstration of eligibility for one or more years, as the Secretary considers appropriate.

(g) PRESCRIBED FORM.—Information required by this section shall be provided in the form the Secretary prescribes.

(h) PERIODIC COMPILATIONS.—Subject to section 552 of title 5, the Secretary periodically shall compile and publish information obtained by the Secretary under this section, in a form that will be helpful to the public, the police, and Congress.

(1) CONSULTATION.—In carrying out this section, the Secretary shall consult with public and private agencies and associations the Secretary considers appropriate.

In subsection (b)(1), the word “authority” is substituted for “entity” for clarity and consistency in the revised title.
In subsection (c)(1), before clause (A), the words “or their designated agents” are omitted as surplus. The words “beginning 2 years after October 25, 1984” are omitted as executed.

In subsection (c)(2), the words “by the insurer” are omitted as surplus.

Subsection (f)(1)(B) is substituted for 15:2022(a)(6)(C)(i) for clarity and to eliminate unnecessary words.

In subsection (f)(2), the words “the requirements of” are omitted as surplus.

In subsection (g), the words “by regulation or otherwise” are omitted as surplus.

In subsection (h), the words “the police” are substituted for “including Federal, State, and local police” to eliminate unnecessary words.

In subsection (i), the words “In carrying out this section” are added for clarity. The words “public and private agencies and associations” are substituted for “such State and insurance regulatory agencies and other agencies and associations, both public and private” to eliminate unnecessary words.

§ 33113. Theft reports

(a) TRUCK, MULTIPURPOSE PASSENGER VEHICLE, AND MOTORCYCLE REPORT.—Not later than October 25, 1995, the Secretary of Transportation shall submit a report to Congress that includes—

1. information on the number of trucks, multipurpose passenger vehicles, and motorcycles distributed for sale in interstate commerce that are stolen and recovered annually, compiled by model, make, and line;

2. information on the extent to which trucks, multipurpose passenger vehicles, and motorcycles stolen annually are dismantled to recover parts or are exported;

3. a description of the market for the stolen parts;

4. information on the premiums charged by insurers of comprehensive coverage of trucks, multipurpose passenger vehicles, or motorcycles, including any increase in the premiums charged because any of those motor vehicles is a likely candidate for theft;

5. an assessment of whether the identification of parts of trucks, multipurpose passenger vehicles, and motorcycles is likely—

A. to decrease the theft rate of those motor vehicles;

B. to increase the recovery rate of those motor vehicles;

C. to decrease the trafficking in stolen parts of those motor vehicles;

D. to stem the export and import of those stolen motor vehicles or parts; or

E. to have benefits greater than the costs of the identification; and

6. recommendations on whether, and to what extent, the identification of trucks, multipurpose passenger vehicles, and motorcycles should be required by law.

(b) MOTOR VEHICLE REPORT.—Not later than October 25, 1997, the Secretary shall submit a report to Congress that includes—

1. information on—

A. the methods and procedures used by public and private entities to collect, compile, and disseminate information on the theft and recovery of motor vehicles, including classes of motor vehicles; and

B. the reliability and timeliness of the information and how the information can be improved;

2. information on the number of motor vehicles distributed for sale in interstate commerce that are stolen and recovered annually, compiled by class, model, make, and line;

3. information on the extent to which motor vehicles stolen annually are dismantled to recover parts or are exported;

4. a description of the market for the stolen parts;

5. information on—

A. the costs to manufacturers and purchasers of passenger motor vehicles of compliance with the standards prescribed under this chapter;

B. the beneficial impacts of the standards and the monetary value of the impacts; and

C. the extent to which the monetary value is greater than the costs;

6. information on the experience of officials of the United States Government, States, and localities in—

A. making arrests and successfully prosecuting persons for violating a law set forth in title II or III of the Motor Vehicle Theft Law Enforcement Act of 1984;

B. preventing or reducing the number and rate of thefts of motor vehicles that are dismantled for parts subject to this chapter; and

C. preventing or reducing the availability of used parts that are stolen from motor vehicles subject to this chapter;

7. information on the premiums charged by insurers of comprehensive coverage of motor vehicles subject to this chapter, including any increase in the premiums charged because a motor vehicle is a likely candidate for theft, and the extent to which the insurers have reduced for the benefit of consumers the premiums, or foregone premium increases, because of this chapter;

8. information on the adequacy and effectiveness of laws of the United States and the States aimed at preventing the distribution and sale of used parts that have been removed from stolen motor vehicles and the adequacy of systems available to enforcement personnel for tracing parts to determine if they have been stolen from a motor vehicle;

9. an assessment of whether the identification of parts of other classes of motor vehicles is likely—

A. to decrease the theft rate of those vehicles;

B. to increase the recovery rate of those vehicles;

C. to decrease the trafficking in stolen parts of those vehicles;

D. to stem the export and import of those stolen vehicles, parts, or components; or

E. to have benefits greater than the costs of the identification; and

10. other relevant and reliable information available to the Secretary about the impact, including the beneficial impact, of the laws set forth in titles II and III of the Motor Vehicle Theft Law Enforcement Act of 1984;
The Motor Vehicle Theft Law Enforcement Act of 1984 on law enforcement, consumers, and manufacturers; and
(11) recommendations (including, as appropriate, legislative and administrative recommendations) for—
(A) continuing without change the standards prescribed under this chapter;
(B) amending this chapter to cover more or fewer lines of passenger motor vehicles;
(C) amending this chapter to cover other classes of motor vehicles; or
(D) ending the standards for all future motor vehicles.

(c) BASES OF REPORTS.—(1) The reports under subsections (a) and (b) of this section each shall be based on—

(A) information reported under this chapter by insurers of motor vehicles and manufacturers of motor vehicles and major replacement parts;

(B) information provided by the Federal Bureau of Investigation;

(C) experience obtained in carrying out this chapter;

(D) experience of the Government under the laws set forth in titles II and III of the Motor Vehicle Theft Law Enforcement Act of 1984; and

(E) other relevant and reliable information available to the Secretary.

(2) In preparing each report, the Secretary shall consult with the Attorney General and State and local law enforcement officials, as appropriate.

(3) The report under subsection (b) of this section shall—

(A) cover a period of at least 4 years after the standards required by this chapter are prescribed; and

(B) reflect any information, as appropriate, from the report under subsection (a) of this section, updated from the date of the report.

(4) At least 90 days before submitting each report to Congress, the Secretary shall publish a proposed report for public review and an opportunity of at least 45 days for written comment. The Secretary shall consider those comments in preparing the report to be submitted and include a summary of the comments with the submitted report.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 1089.)

## Historical and Revision Notes

<table>

</thead>
</table>

In this section, the word “information” is substituted for “data” for consistency in the revised title. The word “standards” is substituted for “standard” because there is more than one standard prescribed under this chapter.

In subsection (a), before clause (1), the words “October 25, 1995” are substituted for “3 years after October 25, 1992” (the date of enactment of the Anti-Car Theft Act of 1992) for clarity and to eliminate unnecessary words. In clause (1), the words “distributed for sale in interstate commerce that are” are substituted for “for all such motor vehicles distributed for sale in interstate commerce” for clarity. In clause (5)(A), the word “decrease” is substituted for “have . . . a beneficial impact in decreasing” for consistency and to eliminate unnecessary words.

In subsection (b), before clause (1), the words “October 25, 1997” are substituted for “5 years after October 25, 1992” (the date of enactment of the Anti-Car Theft Act of 1992) for clarity and to eliminate unnecessary words. In clause (1)(B), the word “accuracy” is omitted as redundant. In clause (2), the words “distributed for sale in interstate commerce that are” are substituted for “for all such motor vehicles distributed for sale in interstate commerce” for clarity. In clause (9)(A), the word “decrease” is substituted for “have . . . a beneficial impact in decreasing” for consistency and to eliminate unnecessary words.

In subsection (c)(1)(C), the words “carrying out” are substituted for “the implementation, administration, and enforcement” for consistency and to eliminate unnecessary words.

## References in Text

The Motor Vehicle Theft Law Enforcement Act of 1984, referred to in subsecs. (b)(6)(A), (10) and (c)(1)(D), is Pub. L. 98–547, Oct. 25, 1984, 98 Stat. 2754. Titles II and III of that act enacted sections 531, 512, 553, and 2320 (now 2321) of Title 18, Crimes and Criminal Procedure, and section 1627 of Title 19, Customs Duties, and amended sections 1901, 2311, and 2313 of Title 18. For complete classification of this Act to the Code, see Short Title of 1984 Amendment note set out under section 1901 of Title 15, Commerce and Trade, and Tables.

§ 33114. Prohibited acts

(a) GENERAL.—A person may not—
(1) manufacture for sale, sell, offer for sale, introduce or deliver for introduction in interstate commerce, or import into the United States, a motor vehicle or major replacement part subject to a standard prescribed under section 33102 or 33103 of this title, unless it conforms to the standard;

(2) fail to comply with a regulation prescribed by the Secretary of Transportation or Attorney General under this chapter;

(3) fail to keep specified records, refuse access to or copying of records, fail to make reports or provide items or information, or fail or refuse to allow entry or inspection, as required by this chapter;

(4) fail to provide the certification required by section 33109(c) of this title, or provide a certification that the person knows, or in the exercise of reasonable care has reason to know, is false or misleading in a material respect; or

(5) knowingly—

(A) own, operate, maintain, or control a chop shop;

(B) conduct operations in a chop shop; or

(C) transport a passenger motor vehicle or passenger motor vehicle part to or from a chop shop.

(b) NONAPPLICATION.—Subsection (a)(1) of this section does not apply to a person establishing that in the exercise of reasonable care the person did not have reason to know that the motor vehicle or major replacement part was not in conformity with the standard.

In subsection (a)(1), the words “which is manufactured or after the date the standard under section 2022 of this title takes effect under this subchapter for such vehicle or major replacement part” are omitted as obsolete because the standard applies to passenger motor vehicles and major replacement parts starting with the 1987 model year. See 50 Fed. Reg. 45166 (1985). In subsection (a)(5)(A), the words “of any kind” are omitted as unnecessary because of the definition of “chop shop” in section 33101 of the revised title.

§ 33115. Civil penalties and enforcement

(a) General penalty and civil actions to collect.—(1) A person that violates section 33114(a)(1)–(4) of this title is liable to the United States Government for a civil penalty of not more than $1,000 for each violation. The failure of more than one part of a single motor vehicle to conform to an applicable standard under section 33102 or 33103 of this title is only a single violation. The maximum penalty under this subsection for a related series of violations is $250,000.

(2) The Secretary of Transportation imposes a civil penalty under this subsection. The Secretary may compromise the amount of a penalty.

(3) In determining the amount of a civil penalty or compromise under this subsection, the Secretary shall consider the size of the person’s business and the gravity of the violation.

(4) The Attorney General shall bring a civil action in a United States district court to collect a civil penalty imposed under this subsection.

(5) The Government may deduct the amount of a civil penalty imposed or compromised under this subsection from amounts it owes the person liable for the penalty.

(b) Chop shop penalty and enforcement.—

(1) A person that violates section 33114(a)(5) of this title is liable to the Government for a civil penalty of not more than $100,000 a day for each violation.

(2) As appropriate and in consultation with the Attorney General, the Secretary shall—

(A) bring a civil action for a temporary or permanent injunction to restrain a person violating section 33114(a)(5) of this section;

(B) impose and recover the penalty described in paragraph (1) of this subsection; or

(C) take both the actions described in clauses (A) and (B) of this paragraph.

(c) Civil actions to enforce.—(1) The Attorney General may bring a civil action in a United States district court to enjoin a violation of this chapter or the sale, offer for sale, introduction or delivery for introduction in interstate commerce, or importation into the United States, of a passenger motor vehicle containing a major part, or of a major replacement part, that is subject to the standard and is determined before the sale of the vehicle or part to a first purchaser not to conform to the standard.

(2)(A) When practicable, the Secretary—

(i) shall notify a person against whom an action under this subsection is planned;

(ii) shall give the person an opportunity to present that person’s views; and

(iii) except for a knowing and willful violation, shall give the person a reasonable opportunity to comply.

(B) The failure of the Secretary to comply with subparagraph (A) of this paragraph does not prevent a court from granting appropriate relief.

(d) Jury trial demand.—In a trial for criminal contempt for violating an injunction or restraining order issued under subsection (c) of this section, the violation of which is a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(e) Venue.—A civil action under subsection (a) or (c) of this section may be brought in the judicial district in which the violation occurred or the defendant resides is found, or transacts business. Process in the action may be served in any other judicial district in which the defendant resides or is found. A subpoena for a witness in the action may be served in any judicial district.

tion by the Attorney General" for consistency with rule 2 of the Federal Rules of Civil Procedure (28 U.S.C.). The words "un behalf of the United States" are omitted as surplus. The words "shall have jurisdiction" are omitted because of 28:1331. The words "for cause shown and subject to the provisions of rule 65(a) and (b) of the Federal Rules of Civil Procedure" are omitted as surplus because the rules apply in the absence of an exception from them. The word "enjoin" is substituted for "restrain" for consistency in the revised title.

In subsection (d), the words "the defendant may demand a jury trial" are substituted for "trial shall be by the court, or, upon demand of the accused, by a jury" to eliminate unnecessary words and for consistency in the revised title.

§ 33116. Confidentiality of information
(a) GENERAL.—Information obtained by the Secretary of Transportation under this chapter related to a confidential matter referred to in section 1905 of title 18 may be disclosed only—
   (1) to another officer or employee of the United States Government for use in carrying out this chapter; or
   (2) in a proceeding under this chapter (except a proceeding under section 33104(a)(3)).
(b) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 1093.)

</thead>
</table>

In subsection (a), before clause (1), the words "reported to, or otherwise" and "or the Secretary’s representative are omitted as surplus. The words "relating to a confidential matter referred to" are substituted for "contains or relates to a trade secret or other matter referred to" to eliminate unnecessary words and for consistency in the revised title. The words "or in section 522(b)(4) of title 5" are omitted as surplus because the language in 18:1905 is broader than the language in 5:552(b)(4) and for consistency with similar provisions in other chapters in this part. The words "shall be considered confidential for the purpose of the applicable section of this subchapter" are omitted as surplus. In clause (1), the words "for use in carrying out" are substituted for "concerned with carrying out" for consistency with similar provisions in other chapters in this part. In clause (2), the words "when relevant" are omitted as surplus. The cross-reference to 15:2023(a)(3) is omitted. The text of 15:2023(a)(3), originally enacted as section 606(a)(3) of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947), was repealed by section 303(2) of the Anti Car Theft Act of 1992 (Public Law 102-519, 106 Stat. 3308). Section 303(2) also redesignated subsection (a)(4) as subsection (a)(3). However, a corresponding amendment to correct the cross-reference in the source provisions restated in this section was not made.

In subsection (b), the words "authorized to have the information" are added for clarity and consistency with similar provisions in other chapters in this part.

§ 33117. Judicial review
A person that may be adversely affected by a regulation prescribed under this chapter may obtain judicial review of the regulation under section 32909 of this title. A remedy under this section is in addition to any other remedies provided by law.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 1093.)

§ 40101. Policy

(a) Economic Regulation.—In carrying out subpart II of this part and those provisions of subpart IV applicable in carrying out subpart II, the Secretary of Transportation shall consider the following matters, among others, as being in the public interest and consistent with public convenience and necessity:

(1) assigning and maintaining safety as the highest priority in air commerce;

(2) before authorizing new air transportation services, evaluating the safety implications of those services;

(3) preventing deterioration in established safety procedures, recognizing the clear intent, encouragement, and dedication of Congress to further the highest degree of safety in air transportation and air commerce, and to maintain the safety vigilance that has evolved in air transportation and air commerce, and to attract capital, considering any material differences between interstate air transportation and foreign air transportation.

(b) Transportation by, and improving relations among, air carriers, and encouraging fair wages and working conditions.

(5) coordinating transportation by, and improving relations among, air carriers, and encouraging fair wages and working conditions.

(6) placing maximum reliance on competitive market forces and on actual and potential competition—

(A) to provide the needed air transportation system; and

(B) to encourage efficient and well-managed air carriers to earn adequate profits and attract capital, considering any material differences between interstate air transportation and foreign air transportation.

(7) developing and maintaining a sound regulatory system that is responsive to the needs of the public and in which decisions are reached promptly to make it easier to adapt the air transportation system to the present and future needs of—

(A) the commerce of the United States;
(B) the United States Postal Service; and
(C) the national defense.

(8) encouraging air transportation at major urban areas through secondary or satellite airports if consistent with regional airport plans of regional and local authorities, and if endorsed by appropriate State authorities—
(A) encouraging the transportation by air carriers that provide, in a specific market, transportation exclusively at those airports; and
(B) fostering an environment that allows those carriers to establish themselves and develop secondary or satellite airport services.

(9) preventing unfair, deceptive, predatory, or anticompetitive practices in air transportation.

(10) avoiding unreasonable industry concentration, excessive market domination, monopoly powers, and other conditions that would tend to allow at least one air carrier or foreign air carrier unreasonably to increase prices, reduce services, or exclude competition in air transportation.

(11) maintaining a complete and convenient system of continuous scheduled interstate air transportation for small communities and isolated areas with direct financial assistance from the United States Government when appropriate.

(12) encouraging, developing, and maintaining an air transportation system relying on actual and potential competition—
(A) to provide efficiency, innovation, and low prices; and
(B) to decide on the variety and quality of, and determine prices for, air transportation services.

(13) encouraging entry into air transportation markets by new and existing air carriers and the continued strengthening of small air carriers to ensure a more effective and competitive airline industry.

(14) promoting, encouraging, and developing civil aeronautics and a viable, privately-owned United States air transport industry.

(15) strengthening the competitive position of air carriers to at least ensure equality with foreign air carriers, including the attainment of the opportunity for air carriers to maintain and increase their profitability in foreign air transportation.

(16) ensuring that consumers in all regions of the United States, including those in small communities and rural and remote areas, have access to affordable, regularly scheduled air service.

(b) ALL-CARGO AIR TRANSPORTATION CONSIDERATIONS.—In carrying out subpart II of this part and those provisions of subpart IV applicable in carrying out subpart II, the Secretary of Transportation shall consider the following matters, among others and in addition to the matters referred to in subsection (a) of this section, as being in the public interest for all-cargo air transportation:

(1) encouraging and developing an expedited all-cargo air transportation system provided by private enterprise and responsive to—

(A) the present and future needs of shippers;
(B) the commerce of the United States; and
(C) the national defense.

(2) encouraging and developing an integrated transportation system relying on competitive market forces to decide the extent, variety, quality, and price of services provided.

(3) providing services without unreasonable discrimination, unfair or predatory practices, or predatory pricing.

(c) GENERAL SAFETY CONSIDERATIONS.—In carrying out subpart III of this part and those provisions of subpart IV applicable in carrying out subpart III, the Administrator of the Federal Aviation Administration shall consider the following matters:

(1) the requirements of national defense and commercial and general aviation.

(2) the public right of freedom of transit through the navigable airspace.

(d) SAFETY CONSIDERATIONS IN PUBLIC INTEREST.—In carrying out subpart III of this part and those provisions of subpart IV applicable in carrying out subpart III, the Administrator shall consider the following matters, among others, as being in the public interest:

(1) assigning, maintaining, and enhancing safety and security as the highest priorities in air commerce.

(2) regulating air commerce in a way that best promotes safety and fulfills national defense requirements.

(3) encouraging and developing civil aeronautics, including new aviation technology.

(4) controlling the use of the navigable airspace and regulating civil and military operations in that airspace in the interest of the safety and efficiency of both of those operations.

(5) consolidating research and development for air navigation facilities and the installation and operation of those facilities.

(6) developing and operating a common system of air traffic control and navigation for military and civil aircraft.

(7) providing assistance to law enforcement agencies in the enforcement of laws related to regulation of controlled substances, to the extent consistent with aviation safety.

(e) INTERNATIONAL AIR TRANSPORTATION.—In formulating United States international air transportation policy, the Secretaries of State and Transportation shall develop a negotiating policy emphasizing the greatest degree of competition compatible with a well-functioning international air transportation system, including the following:

(1) strengthening the competitive position of air carriers to ensure at least equality with foreign air carriers, including the attainment of the opportunity for air carriers to maintain and increase their profitability in foreign air transportation.

(2) freedom of air carriers and foreign air carriers to offer prices that correspond to consumer demand.

(3) the fewest possible restrictions on charter air transportation.
(4) the maximum degree of multiple and permissive international authority for air carriers so that they will be able to respond quickly to a shift in market demand.

(5) eliminating operational and marketing restrictions to the greatest extent possible.

(6) integrating domestic and international air transportation.

(7) increasing the number of nonstop United States gateway cities.

(8) opportunities for carriers of foreign countries to increase their access to places in the United States if exchanged for benefits of similar magnitude for air carriers or the traveling public with permanent linkage between rights granted and rights given away.

(9) eliminating discrimination and unfair competitive practices faced by United States airlines in foreign air transportation, including—

(A) excessive landing and user fees;

(B) unreasonable ground handling requirements;

(C) unreasonable restrictions on operations;

(D) prohibitions against change of gauge; and

(E) similar restrictive practices.

(10) promoting, encouraging, and developing civil aeronautics and a viable, privately-owned United States air transport industry.

(f) STRENGTHENING COMPETITION.—In selecting an air carrier to provide foreign air transportation from among competing applicants, the Secretary of Transportation shall consider, in addition to the matters specified in subsections (a) and (b) of this section, the strengthening of competition among air carriers operating in the United States, without unreasonable concentration in the air carrier industry.

HISTORICAL AND REVISION NOTES

<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In this part, the words "overseas air commerce" and "overseas air transportation" are omitted as obsolete because there no longer is a distinction in economic or safety regulation between "interstate" and "overseas" air commerce or air transportation.

In this section, the words "in carrying out . . . this part" are substituted for "in the exercise and performance of its powers and duties under this chapter" in 49 App.:1302(a), "in the exercise and performance of his powers and duties under this chapter" in 49 App.:1303, and "in exercising the authority granted in, and discharging the duties imposed by, this chapter" in 49 App.:1347 for consistency in the revised title and to eliminate unnecessary words.

In subsections (a) and (b), the reference to subpart II is added because the policy applies only to economic issues, and under the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 731), the Civil Aeronautics Board was given responsibility for economic issues.

In subsection (a)(2), the word "full" is omitted as surplus. The words "the recommendations of the Secretary of Transportation on" are omitted as obsolete because the Secretary carries out 49 App.:1302(a). The words "and full evaluation of any report or recommendation submitted under section 1307 of this Appendix" are omitted as obsolete because the report and recommendations are no longer required.

In subsection (a)(4), the words "by air carriers and foreign air carriers" are omitted as surplus. The words "unreasonable discrimination" are substituted for "unjust discriminations, undue preferences or advantages" for consistency in the revised title and to eliminate unnecessary words.

In subsection (a)(8), before subclause (A), the word "authorities" is substituted for "entities" for consistency in the revised title and with other titles of the Code. In subclause (A), the words "sole responsibility" are omitted as unnecessary because of the restatement.

In subsection (a)(15), the words "United States" are omitted as surplus because of the definition of "air carrier" in section 40102(a) of the revised title.

In subsection (b)(3), the words "unreasonable discrimination" are substituted for "unjust discriminations, undue preferences or advantages" for consistency in the revised title and to eliminate unnecessary words.

In subsections (c) and (d), the reference to subpart III is added because the policies apply only to safety issues, and under the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 731), the Federal Aviation Administration was given responsibility for safety issues.

In subsection (c), before clause (1), the word "Administrator" in section 306 of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 749) is retained on authority of 49:106(g). The words "consider the following matters" are substituted for "give full consideration to" for consistency in this section.

In subsection (d)(5), the word "both" in 49 App.:1303(c) is omitted as surplus the first time it appears. The words "of the United States" are omitted for consistency in the revised title and because of the definition of "navigable airspace" in section 40102(a) of the revised title. The words "of those operations" are added for clarity.

In subsection (d)(5), the word "both" in 49 App.:1303(e) is omitted as surplus.

In subsection (e), before clause (1), the words "the Congress intends that" are omitted as surplus. In
clauses (1) and (4), the words "United States" are omitted as surplus because of the definition of "air carrier" in section 40102(a) of the revised title. In clause (2), the word "prices" is substituted for "fares and rates" because of the definition of "price" in section 40102(a). In clause (8), the words "places in the United States" are substituted for "United States points" for consistency in this chapter. The word "air" is added for clarity and consistency in this subtitle. In clause (9)(C), the word "unreasonable" is substituted for "undue" for consistency in the revised title and with other titles of the United States Code.

**AMENDMENTS**

Subsec. (d)(2). Pub. L. 104–264, § 401(a)(1)(A), (2)(A), redesignated par. (1) as (2) and struck out "its development" and after "best promotes". Former par. (2) redesignated (3).

Subsec. (d)(3). Pub. L. 104–264, § 401(a)(1)(A), (2)(B), redesignated par. (2) as (3) and substituted "encouraging and developing civil aeronautics, including new aviation technology" for "promoting, encouraging, and developing civil aeronautics". Former par. (3) redesignated (4).

Subsec. (d)(4) to (7). Pub. L. 104–264, § 401(a)(1)(A), redesignated pars. (3) to (6) as (4) to (7), respectively.

**EFFECTIVE DATE OF 2000 AMENDMENT**

**EFFECTIVE DATE OF 1996 AMENDMENT**

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

**SHORT TITLE OF 2012 AMENDMENT**

Pub. L. 112–86, § 1, Jan. 3, 2012, 125 Stat. 1874, provided that: "This Act [amending section 4903 of this title] may be cited as the 'Risk-Based Security Screening for Members of the Armed Forces Act'."

**SHORT TITLE OF 2010 AMENDMENT**

Pub. L. 111–216, § 1, Aug. 1, 2010, 124 Stat. 2348, provided that: "This Act [amending sections 106, 1135, 40117, 41712, 43892, 44933, 44701, 44702, 47104, 47105, 47113, 47114, 48101, 48102, and 49108 of this title and sections 4981, 4261, 4271, and 4902 of Title 26, Internal Revenue Code, enacting provisions set out as notes under sections 49117 and 45701 of this title and sections 4081 and 4562 of Title 26, and amending provisions set out as a note under section 47109 of this title] may be cited as the 'Airline Safety and Federal Aviation Administration Extension Act of 2010'."

**SHORT TITLE OF 2007 AMENDMENT**

Pub. L. 110–135, § 1, Dec. 13, 2007, 121 Stat. 1450, provided that: "This Act [amending section 44113 of this title] may be cited as the 'Fair Treatment for Experienced Pilots Act'."

Pub. L. 110–113, § 1, Nov. 8, 2007, 121 Stat. 1039, provided that: "This Act (enacting and amending provisions set out as notes under this section) may be cited as the 'Procedural Fairness for September 11 Victims Act of 2007'."

**SHORT TITLE OF 2004 AMENDMENT**

Pub. L. 108–297, § 1, Aug. 9, 2004, 118 Stat. 1095, provided that: "This Act (enacting section 44113 of this title, amending sections 44107 and 44108 of this title, and enacting provisions set out as notes under section 44101 of this title) may be cited as 'Cape Town Treaty Implementation Act of 2004'".
§ 40101 TITLE 49—TRANSPORTATION

41742 of this title, renumbering section 45303 of this title as section 45304, repealing former section 45301 of this title, and enacting provisions set out as notes under this section and sections 106, 40110, and 41742 of this title] may be cited as the ‘Air Traffic Management System Performance Improvement Act of 1996’.

Section 278(a) of Pub. L. 104–264 provided that: ‘‘This section [amending sections 45301 and 47107 of this title and enacting provisions set out as notes under section 41742 of this title] may be cited as the ‘Rural Air Service Survival Act’.’’

Section 501 of title V of Pub. L. 104–264 provided that: ‘‘This title [amending sections 30605, 44936, and 46301 of this title and enacting provisions set out as notes under section 41113 of this title] may be cited as the ‘Aviation Disaster Family Assistance Act of 1996’.‘‘

Section 601 of title VI of Pub. L. 104–264 provided that: ‘‘This title [amending section 47124 of this title] may be cited as the ‘FAA Research, Engineering, and Development Management Reform Act of 1996’.‘‘

Section 701 of title VII of Pub. L. 104–264 provided that: ‘‘This title [amending sections 1136 and 41113 of this title and provisions set out as notes under section 41113 of this title] may be cited as the ‘Aviation Disaster Family Assistance Act of 1996’.‘‘

Section 801 of title VIII of Pub. L. 104–264 provided that: ‘‘This title [amending section 47133 of this title, amending sections 46301 and 47107 of this title and section 9562 of Title 26, Internal Revenue Code, and enacting provisions set out as notes under section 41707 of this title] may be cited as the ‘Airport Revenue Protection Act of 1996’.‘‘

Section 1101 of title XI of Pub. L. 104–264 provided that: ‘‘This title [amending sections 1136 and 41113 of this title and provisions set out as notes under section 41113 of this title] may be cited as the ‘Aviation Disaster Family Assistance Act of 1996’.‘‘

SHORT TITLE OF 1994 AMENDMENT

Pub. L. 103–305, title III, §301, Aug. 23, 1994, 108 Stat. 1589, provided that: ‘‘This title [amending sections 46301 and 47107 of this title, and enacting provisions set out as notes under this section and section 9562 of Title 26, Internal Revenue Code, renumbering former section 47129 of this title as section 47131 of this title, enacting provisions set out as notes under this section and sections 10621, 11501, 40102, 40105, 40117, 41113, 41713, 41734, 44502, 44503, 44598, 45301, 45101, 45102, 47104 to 47109, 47109 to 47111, 47115, 47117 to 47119, 47524, 48101 to 48103 and 48105 of this title] may be cited as the ‘FAA Research, Engineering, and Development Authorization Act of 1994’.‘‘

UNMANNED AERIAL SYSTEMS AND NATIONAL AIRSPACE

Pub. L. 112–81, div. A, title X, §1097, Dec. 31, 2011, 125 Stat. 1608, provided that: ‘‘(a) ESTABLISHMENT.—Not later than 180 days after the date of the enactment of this Act [Dec. 31, 2011], the Administrator of the Federal Aviation Administration shall establish a program to integrate unmanned aircraft systems into the national airspace system at six test ranges.

(b) PROGRAM REQUIREMENTS.—In establishing the program under subsection (a), the Administrator shall—

(1) safely designate nonexclusionary airspace for integrated manned and unmanned flight operations in the national airspace system;

(2) develop certification standards and air traffic requirements for unmanned flight operations at test ranges;

(3) coordinate with and leverage the resources of the Department of Defense and the National Aeronautics and Space Administration;

(4) address both civil and public unmanned aircraft systems;

(5) ensure that the program is coordinated with the Next Generation Air Transportation System; and

(6) provide for verification of the safety of unmanned aircraft systems and related navigation procedures before integration into the national airspace system.

(c) LOCATIONS.—In determining the location of a test range for the program under subsection (a), the Administrator shall—

(1) take into consideration geographic and climatic diversity;

(2) take into consideration the location of ground infrastructure and research needs; and

(3) consult with the Department of Defense and the National Aeronautics and Space Administration.

(d) TEST RANGE OPERATION.—A project at a test range shall be operational not later than 180 days after the date on which the project is established.

(e) REPORT.—Not later than 90 days after the date of completing each of the pilot projects, the Administrator shall submit to the appropriate congressional committees a report setting forth the Administrator’s findings and conclusions concerning the projects that includes a description and assessment of the progress being made in establishing special use airspace to fill the immediate need of the Department of Defense to develop detection techniques for small unmanned aircraft systems and to validate sensor integration and operation of unmanned aircraft systems.

(f) DURATION.—The program under subsection (a) shall terminate on the date that is five years after the date of the enactment of this Act [Dec. 31, 2011].

(g) DEFINITION.—In this section:

(1) the term ‘‘appropriate congressional committees’’ means—

(A) the Committee on Armed Services, the Committee on Transportation and Infrastructure, and the Committee on Science, Space, and Technology of the House of Representatives; and

(B) the Committee on Armed Services and the Committee on Commerce, Science, and Transportation of the Senate.

(2) The term ‘‘test range’’ means a defined geographic area where research and development are conducted.

FINDINGS

Pub. L. 110–113, §2, Nov. 8, 2007, 121 Stat. 1039, provided that: ‘‘Congress finds the following:

(2) Rules 45(b)(2) and 45(c)(3)(A)(ii) of the Federal Rules of Civil Procedure [28 U.S.C. App.] effectively limit service of a subpoena to any place within, or within 100 miles of, the district of the court by which it is issued, unless a statute of the United States expressly provides that the court, upon proper application and cause shown, may authorize the service of a subpoena at any other place.

(3) Litigating a Federal cause of action under the September 11 Victims Compensation Fund of 2001 is likely to involve the testimony and the production of other documents and tangible things by a substantial number of witnesses, many of whom may not reside, be employed, or regularly transact business within 100 miles of the Southern District of New York.’’
Revitalization of Aviation and Aeronautics

Pub. L. 108–176, §4, Dec. 12, 2003, 117 Stat. 2493, provided that: "Congress finds the following:

(1) The United States has revolutionized the way people travel, developing new technologies and aircraft to move people more efficiently and more safely.

(2) Past Federal investment in aeronautics research and development has benefited the economy and national security of the United States and the quality of life of its citizens.

(3) The total impact of civil aviation on the United States economy exceeds $900 billion annually and accounts for 9 percent of the gross national product and 11,000,000 jobs in the national workforce. Civil aviation products and services generate a significant surplus for United States trade accounts, and amount to significant numbers of the Nation's highly skilled, technologically qualified work force.

(4) Aerospace technologies, products, and services underpin the advanced capabilities of our men and women in uniform and those charged with homeland security.

(5) Future growth in civil aviation increasingly will be constrained by concerns related to aviation system safety and security, aviation system capabilities, aircraft noise, emissions, and fuel consumption.

(6) Revitalization of aircraft structures within the Federal Government to maintain its leadership in aviation and aeronautics are critical and must begin now.

(7) A recent report by the Commission on the Future of the United States Aerospace Industry outlined the scope of the problems confronting the aerospace and aviation industries in the United States and found that—

(A) aerospace will be at the core of the Nation's leadership and strength throughout the 21st century;

(B) aerospace will play an integral role in the Nation's economy, security, and mobility; and

(C) global leadership in aerospace is a national imperative.

(8) Despite the downturn in the global economy, projections of the Federal Aviation Administration indicate that upwards of 1,000,000,000 people will fly annually by 2013. Efforts must begin now to prepare for future growth in the number of airline passengers.

(9) The United States must increase its investment in research and development to revitalize the aviation and aerospace industries, to create jobs, and to provide educational assistance and training to prepare workers in those industries for the future.

Report on Long-Term Environmental Improvements

(2) Past Federal investment in aeronautics research and development has benefited the economy and national security of the United States and the quality of life of its citizens.

(3) The total impact of civil aviation on the United States economy exceeds $900,000,000,000 annually and accounts for 9 percent of the gross national product and 11,000,000 jobs in the national workforce.

Civil aviation products and services generate a significant surplus for United States trade accounts, and amount to significant numbers of the Nation's highly skilled, technologically qualified work force.

(4) Aerospace technologies, products, and services underpin the advanced capabilities of our men and women in uniform and those charged with homeland security.

(5) Future growth in civil aviation increasingly will be constrained by concerns related to aviation system safety and security, aviation system capabilities, aircraft noise, emissions, and fuel consumption.

(6) Revitalization of aircraft structures within the Federal Government to maintain its leadership in aviation and aeronautics are critical and must begin now.

(7) A recent report by the Commission on the Future of the United States Aerospace Industry outlined the scope of the problems confronting the aerospace and aviation industries in the United States and found that—

(A) aerospace will be at the core of the Nation's leadership and strength throughout the 21st century;

(B) aerospace will play an integral role in the Nation's economy, security, and mobility; and

(C) global leadership in aerospace is a national imperative.

(8) Despite the downturn in the global economy, projections of the Federal Aviation Administration indicate that upwards of 1,000,000,000 people will fly annually by 2013. Efforts must begin now to prepare for future growth in the number of airline passengers.

(9) The United States must increase its investment in research and development to revitalize the aviation and aerospace industries, to create jobs, and to provide educational assistance and training to prepare workers in those industries for the future.

Reduction of Noise and Emissions from Civilian Aircraft

(a) Establishment of Research Program.—From amounts made available under section 48102(a) of title 49, United States Code, the Secretary of Transportation shall establish a research program related to reducing community exposure to civilian aircraft noise or emissions through grants or other measures authorized under section 106(b)(6) of such title, including reimbursable agreements with other Federal agencies. The program shall include participation by educational and research institutions that have existing facilities for developing and testing noise reduction engine technology.

(b) Designation of Institute as a Center of Excellence.—The Administrator of the Federal Aviation Administration shall designate an institution described in subsection (a) as a Center of Excellence for Noise and Emission Research.

Air Transportation System Joint Planning and Development Office

(a) Establishment.—(1) The Secretary of Transportation shall establish in the Federal Aviation Administration a joint planning and development office to manage work related to the Next Generation Air Transportation System. The office shall be known as the Next Generation Air Transportation System Joint Planning and Development Office (in this section referred to as the 'Office').

(2) The responsibilities of the Office shall include—

(A) creating and carrying out an integrated plan for a Next Generation Air Transportation System pursuant to subsection (b);

(B) overseeing research and development on that system;

(C) creating a transition plan for the implementation of that system;

(D) coordinating aviation and aeronautics research programs to achieve the goal of more effective and directed programs that will result in applicable research;

(E) coordinating goals and priorities and coordinating research activities within the Federal Government with United States aviation and aeronautical firms;

(F) coordinating the development and utilization of new technologies to ensure that when available, they may be used to their fullest potential in aircraft and in the air traffic control system;

(G) facilitating the transfer of technology from research programs such as the National Aeronautics and Space Administration program and the Department of Defense Advanced Research Projects Agency program to Federal agencies with operational responsibilities and to the private sector; and

(H) reviewing activities relating to noise, emissions, fuel consumption, and safety conducted by Federal agencies, including the Federal Aviation Administration, the National Aeronautics and Space Administration, the Department of Commerce, and the Department of Defense.

(3) The Office shall operate in conjunction with relevant programs in the Department of Defense, the National Aeronautics and Space Administration, the Department of Commerce and the Department of Homeland Security. The Secretary of Transportation may re-
quest assistance from staff from those Departments and other Federal agencies.

(4) In developing and carrying out its plans, the Office shall consult with the public and ensure the participation of experts from the private sector including representatives of commercial aviation, general aviation, aviation labor groups, aviation research and development entities, aircraft and air traffic control suppliers, and the space industry.

(b) INTEGRATED PLAN.—The integrated plan shall be designed to ensure that the Next Generation Air Transportation System meets air transportation safety, security, mobility, efficiency, and capacity needs beyond those currently included in the Federal Aviation Administration's operational evolution plan and accomplishes the goals under subsection (c). The integrated plan shall include—

(1) a national vision statement for an air transportation system capable of meeting potential air traffic demand by 2025;

(2) a description of the demand and the performance characteristics that will be required of the Nation's future air transportation system, and an explanation of the new characteristics that were derived, including the national goals, objectives, and policies the system is designed to further, and the underlying socioeconomic determinants, and associated models and analyses;

(3) a multiagency research and development roadmap for creating the Next Generation Air Transportation System with the characteristics outlined under clause (ii) (2), including—

(A) the most significant technical obstacles and the research and development activities necessary to overcome them, including for each project, the role of each Federal agency, corporations, and universities;

(B) the annual anticipated cost of carrying out the research and development activities; and

(C) the technical milestones that will be used to evaluate the activities; and

(4) a description of the operational concepts to meet the system performance requirements for all system users and a timeline and anticipated expenditures needed to develop and deploy the system to meet the vision for 2025;

(c) GOALS.—The Next Generation Air Transportation System shall—

(1) improve the level of safety, security, efficiency, quality, and affordability of the National Airspace System and aviation services;

(2) take advantage of data from emerging ground-based and space-based communications, navigation, and surveillance technologies;

(3) integrate data streams from multiple agencies and sources to enable situational awareness and seamless global operations for all appropriate users of the system, including users responsible for civil aviation, homeland security, and national security;

(4) leverage investments in civil aviation, homeland security, and national security and build upon current air traffic management and infrastructure initiatives to meet system performance requirements for all system users;

(5) be scalable to accommodate and encourage substantial growth in domestic and international air transportation and anticipate and accommodate continuing technology upgrades and advances;

(6) accommodate a wide range of aircraft operations, including airlines, air taxis, helicopters, general aviation, and unmanned aerial vehicles; and

(7) take into consideration, to the greatest extent practicable, design of airport approach and departure flight paths to reduce exposure of noise and emissions pollution on affected residents.

(d) REPORTS.—The Administrator of the Federal Aviation Administration shall transmit to the Committee on Commerce, Science, and Transportation in the Senate and the Committee on Transportation and Infrastructure and the Committee on Science (now Committee on Science, Space, and Technology) in the House of Representatives—

(1) not later than 1 year after the date of enactment of this Act (Dec. 12, 2003), the integrated plan required in subsection (b); and

(2) annually at the time of the President's budget request, a report describing the progress in carrying out the plan required under subsection (b) and any changes to that plan.

(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Office $50,000,000 for each of the fiscal years 2004 through 2010.

NEXT GENERATION AIR TRANSPORTATION SENIOR POLICY COMMITTEE

(a) IN GENERAL.—The Secretary of Transportation shall establish a senior policy committee to work with the Next Generation Air Transportation System Joint Planning and Development Office. The senior policy committee shall be chaired by the Secretary.

(b) MEMBERSHIP.—In addition to the Secretary, the senior policy committee shall be composed of—

(1) the Administrator of the Federal Aviation Administration (or the Administrator's designee);

(2) the Administrator of the National Aeronautics and Space Administration (or the Administrator's designee);

(3) the Secretary of Defense (or the Secretary's designee);

(4) the Secretary of Homeland Security (or the Secretary's designee);

(5) the Secretary of Commerce (or the Secretary's designee);

(6) the Director of the Office of Science and Technology Policy (or the Director's designee); and

(7) designees from other Federal agencies determined by the Secretary of Transportation to have an important interest in, or responsibility for, other aspects of the system.

(c) FUNCTION.—The senior policy committee shall—

(1) advise the Secretary of Transportation regarding the national goals and strategic objectives for the transformation of the Nation's air transportation system to meet its future needs;

(2) provide policy guidance for the integrated plan for the air transportation system to be developed by the Next Generation Air Transportation System Joint Planning and Development Office;

(3) provide ongoing policy review for the transformation of the air transportation system;

(4) identify resource needs and make recommendations to their respective agencies for necessary funding for planning, research, and development activities; and

(5) make legislative recommendations, as appropriate, for the future air transportation system.

(d) CONSULTATION.—In carrying out its functions under this section, the senior policy committee shall consult with, and ensure participation by, the private sector (including representatives of general aviation, commercial aviation, aviation labor, and the space industry), members of the public, and other interested parties and may do so through a special advisory committee composed of such representatives.

REIMBURSEMENT FOR LOSSES INCURRED BY GENERAL AVIATION ENTITIES

(a) IN GENERAL.—The Secretary of Transportation may make grants to reimburse the following general aviation entities for the security costs incurred and revenue foregone as a result of the restrictions imposed by the Federal Government following the terrorist attacks on the United States that occurred on September 11, 2001:

(1) General aviation entities that operate at Ronald Reagan Washington National Airport.
“(2) Airports that are located within 15 miles of Ronald Reagan Washington National Airport and were operating under security restrictions on the date of enactment of this Act [Dec. 12, 2003] and general aviation entities operating at those airports.

“(3) General aviation entities affected by implementation of section 44939 of title 49, United States Code.

“(4) General aviation entities that were affected by Federal Aviation Administration Notices to Airmen FDC 2/1099 and 3/1862 or section 352 of the Department of Transportation and Related Agencies Appropriations Act, 2003 (Public Law 108-7, division I [117 Stat. 420]), or both.

“(5) Sightseeing operations that were not authorized to resume in enhanced class B air space under Federal Aviation Administration notice to airmen 1/1225.

“(b) DOCUMENTATION.—Reimbursement under this section shall be made in accordance with sworn financial statements or other appropriate data submitted by each general aviation entity demonstrating the costs incurred and revenue foregone to the satisfaction of the Secretary.

“(c) GENERAL AVIATION ENTITY DEFINED.—In this section, the term ‘general aviation entity’ means any person (other than a scheduled air carrier or foreign air carrier, as such terms are defined in section 40102 of title 49, United States Code) that—

“(1) operates nonmilitary aircraft under part 91 of title 14, Code of Federal Regulations, for the purpose of conducting its primary business; (2) manufactures nonmilitary aircraft with a maximum seating capacity of fewer than 20 passengers or aircraft parts to be used in such aircraft; (3) provides services necessary for nonmilitary operations under such part 91; or (4) operates an airport, other than a primary airport (as such terms are defined in such section 40102), that—

“(A) is listed in the national plan of integrated airport systems developed by the Federal Aviation Administration under section 47103 of such title; or (B) is normally open to the public, is located within the confines of enhanced class B airspace (as defined by the Federal Aviation Administration in Notice to Airmen FDC 10618), and was closed as a result of an order issued by the Federal Aviation Administration in the period beginning September 11, 2001, and ending January 1, 2002, and remained closed as a result of that order on January 1, 2002. Such term includes fixed base operators, flight schools, manufacturers of general aviation aircraft and products, persons engaged in nonscheduled aviation enterprises, and general aviation independent contractors.

“(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated out of this section $100,000,000. Such sums shall remain available until expended.”

GAO REPORT ON AIRLINES’ ACTIONS TO IMPROVE FINANCIALS AND ON EXECUTIVE COMPENSATION

“(a) FINDING.—Congress finds that the United States Government has by law provided substantial financial assistance to United States commercial airlines in the form of war risk insurance and reinsurance and other economic benefits and has imposed substantial economic and regulatory burdens on those airlines. In order to determine the economic viability of the domestic commercial airline industry and to evaluate the need for additional measures or the modification of existing laws, Congress needs more frequent information and independently verified information about the financial condition of these airlines.

“(b) REPORT.—Not later than one year after the date of enactment of this Act [Dec. 12, 2003], the Comptroller General shall prepare a report for Congress analyzing the financial condition of the United States airline industry in its efforts to reduce the costs, improve the earnings and profits and balances of each individual air carrier. The report shall recommend steps that the industry should take to become financially self-sufficient.

“(c) GAO AUTHORITY.—In order to compile the report required by subsection (b), the Comptroller General, or any of the Comptroller General’s duly authorized representatives, shall have access for the purpose of audit and examination to any books, accounts, documents, papers, and records of such air carriers that relate to the information required to compile the report. The Comptroller General shall submit with the report a certification as to whether the Comptroller General has had access to sufficient information to make informed judgments on the matters covered by the report.

“(d) REPORTS TO CONGRESS.—The Comptroller General shall transmit the report required by subsection (b) to the Senate Committee on Commerce, Science, and Transportation and the House of Representatives Committee on Transportation and Infrastructure.”

MAIL AND FREIGHT WAIVERS

“(a) IN GENERAL.—During a national emergency affecting air transportation or intrastate air transportation, the Secretary of Transportation, after consultation with the Transportation Security Oversight Board, may grant a complete or partial waiver of any restrictions on the carriage by aircraft of freight, mail, emergency medical supplies, personnel, or patients on aircraft, imposed by the Department of Transportation (or other Federal agency or department) that would permit such carriage of freight, mail, emergency medical supplies, personnel, or patients on flights, to, from, or within a State if the Secretary determines that—

“(1) extraordinary air transportation needs or concerns exist; and (2) the waiver is in the public interest, taking into consideration the isolation of and dependence on air transportation of the State.

“(b) LIMITATIONS.—The Secretary may impose reasonable limitations on any such waiver.”

AIR CARRIERS REQUIRED TO HONOR TICKETS FOR SUSPENDED SERVICE

RELATIONSHIP OF ELIGIBLE CRIME VICTIM COMPENSATION PROGRAMS TO SEPTEMBER 11TH VICTIM COMPENSATION FUND

AIR TRANSPORTATION SAFETY AND SYSTEM STABILIZATION

provision of law, in fiscal year 2012 and thereafter payments for costs described in subsection (a) of section 404 of Public Law 107–42, as amended [set out below], shall be considered to be included in, payments for compensation for the purposes of sections 406(b) and (d)(1) of such Act.”

“SECTION I. SHORT TITLE.

This Act may be cited as ‘the Air Transportation Safety and System Stabilization Act’.

“TITLE I—AIRLINE STABILIZATION

“SECTION 101. AVIATION DISASTER RELIEF

“(a) IN GENERAL.—Notwithstanding any other provision of law, the President shall take the following actions to compensate air carriers for losses incurred by the air carriers as a result of the terrorist attacks on the United States that occurred on September 11, 2001: 

“(2) Compensation air carriers in an aggregate amount equal to $5,000,000,000 for—

“(A) direct losses incurred beginning on September 11, 2001, by air carriers as a result of any Federal ground stop order issued by the Secretary of Transportation or any subsequent order which continues or renews such a stoppage; and

“(B) the incremental losses incurred beginning September 11, 2001, and ending December 31, 2001, by air carriers as a direct result of such attacks.

“(b) EMERGENCY DISPOSITION.—Congress designates the amount of new budget authority and outlays in all fiscal years resulting from this title as an emergency requirement pursuant to section 252(e) of the Balanced Budget and Emergency Deficit Control Act of 1985 (2 U.S.C. 901(e)). Such amount shall be available only to the extent that a request, that includes designation of such amount as an emergency requirement as defined in such Act [see Short Title note set out under section 900 of Title 2, The Congress], is transmitted by the President to Congress.

“SEC. 103. SPECIAL RULES FOR COMPENSATION.

“(a) DOCUMENTATION.—Subject to subsection (b), the amount of compensation payable to an air carrier under section 101(a)(2) may not exceed the amount of losses described in section 101(a)(2) that the air carrier demonstrates to the satisfaction of the President, using sworn financial statements or other appropriate data, that the air carrier incurred. The Secretary of Transportation and the Comptroller General of the United States may audit such statements and may request any information that the Secretary and the Comptroller General deem necessary to conduct such audit.

“(b) MAXIMUM AMOUNT OF COMPENSATION PAYABLE PER AIR CARRIER.—The maximum total amount of compensation payable to an air carrier under section 101(a)(2) may not exceed the lesser of—

“(1) the amount of such air carrier’s direct and incremental losses described in section 101(a)(2); or

“(2) in the case of—

“(A) flights involving passenger-only or combined passenger and cargo transportation, the product of—

“(i) $1,500,000,000; and

“(ii) the ratio of—

“(I) the available seat miles of the air carrier for the month of August 2001 as reported to the Secretary; to

“(B) flights involving cargo-only transportation, the product of—

“(i) $500,000,000; and

“(ii) the ratio of—

“(I) the total revenue ton miles or other auditable measure of the air carrier for cargo for the latest quarter for which data is available as reported to the Secretary; to

“(ii) the total revenue ton miles or other auditable measure of all such air carriers for cargo for such quarter as reported to the Secretary.

“(c) PAYMENTS.—The President may provide compensation to air carriers under section 101(a)(2) in 1 or more payments up to the amount authorized by this title.

“(d) COMPENSATION FOR CERTAIN AIR CARRIERS.—

“(1) SET-ASIDE.—The President may set aside a portion of the amount of compensation payable to air carriers under section 101(a)(2) to provide compensation to classes of air carriers, such as air tour operators and air ambulances (including hospitals operating air ambulances) for whom the application of a distribution formula containing available seat miles as a factor would inadequately reflect their share of direct and incremental losses. The President shall reduce the $4,500,000,000 specified in subsection (b)(2)(A)(i) by the amount set aside under this subsection.

“(2) DISTRIBUTION OF AMOUNTS.—The President shall distribute the amount set aside under this subsection proportionally among such air carriers based on an appropriate auditable measure, as determined by the President.

“SEC. 105. CONTINUATION OF CERTAIN AIR SERVICE.

“(a) ACTION OF SECRETARY.—The Secretary of Transportation should take appropriate action to ensure that all communities that had scheduled air service before September 11, 2001, continue to receive adequate air transportation service and that essential air service to small communities continues without interruption.

“(b) ESSENTIAL AIR SERVICE.—There is authorized to be appropriated to the Secretary to carry out the essential air service program under subchapter II of chapter 417 of title 49, United States Code, $120,000,000 for fiscal year 2002.

“(c) SECRETARIAL OVERSIGHT.—

“(1) IN GENERAL.—Notwithstanding any other provision of law, the Secretary is authorized to require an air carrier receiving direct financial assistance under this Act to maintain scheduled air service to any point served by that carrier before September 11, 2001.

“(2) AGREEMENTS.—In applying paragraph (1), the Secretary may require air carriers receiving direct financial assistance under this Act to enter into agreements which will ensure, to the maximum extent practicable, that all communities that had scheduled air service before September 11, 2001, continue to receive adequate air transportation service.

“(SEC. 106. REPORTS.

“(a) REPORT.—Not later than February 1, 2002, the President shall transmit to the Committee on Transportation and Infrastructure, the Committee on Appropriations, and the Committee on the Budget of the House of Representatives and the Committee on Commerce, Science, and Transportation, the Committee on Appropriations, and the Committee on the Budget of the Senate a report on the financial status of the air carrier industry and the amounts of assistance provided under this title to each air carrier.

“(b) UPDATE.—Not later than the last day of the 7-month period following the date of enactment of this
Act [Sept. 22, 2001], the President shall update and transmit the report to the Committees.

``SEC. 107. DEFINITIONS.``

``In this title, the following definitions apply:``

``(1) AIR CARRIER.—The term 'air carrier' has the meaning such term has under section 40102 of title 49, United States Code.``

``(2) Air transportation.—The term 'air transportation' means foreign air transportation, interstate air transportation, or the transportation of mail by aircraft.``

``(3) Aircraft manufacturer.—The term 'aircraft manufacturer' means any entity that manufactured the aircraft or any parts or components of the aircraft involved in the terrorist-related aircraft crashes of September 11, 2001, including employees and agents of that entity.``

``(4) Airport sponsor.—The term 'airport sponsor' means the owner or operator of an airport (as defined in section 40102 of title 49, United States Code).``

``(5) Claimant.—The term 'claimant' means an individual filing a claim for compensation under section 405(a)(1).``

``(6) Collateral source.—The term 'collateral source' means all collateral sources, including the loss of earnings or other benefits related to the terrorist-related aircraft crashes of September 11, 2001, or debris removal at any 9/11 crash site. Such term shall not include any entity, including the Port Authority of New York and New Jersey, with a property interest in the World Trade Center, on September 11, 2001, whether fee simple, leasehold or easement, direct or indirect.``

``(7) Contractor and subcontractor.—The term 'contractor and subcontractor' means any contractor or subcontractor (at any tier of a subcontracting relationship), including any general contractor, construction manager, prime contractor, consultant, or any parent, subsidiary, associated or allied company, affiliated company, corporation, firm, organization, or joint venture thereof that participated in debris removal at any 9/11 crash site. Such term shall not include any entity, including the Port Authority of New York and New Jersey, with a property interest in the World Trade Center, on September 11, 2001, whether fee simple, leasehold or easement, direct or indirect.``

``(8) Debris removal.—The term 'debris removal' means rescue and recovery efforts, removal of debris, cleanup, remediation, and response during the immediate aftermath of the terrorist-related aircraft crashes of September 11, 2001, with respect to a 9/11 crash site.``

``(9) Economic loss.—The term 'economic loss' means any pecuniary loss resulting from harm (including the loss of earnings or other benefits related to employment, medical expense loss, replacement services loss, loss due to death, burial costs, and loss of business or employment opportunities) to the extent recovery for such loss is allowed under applicable State law.``

``(10) Eligible individual.—The term 'eligible individual' means an individual determined to be eligible for compensation under section 405(c).``
§ 40101  TITLE 49—TRANSPORTATION  Page 734

“(11) IMMEDIATE AFTERMATH.—The term ‘immediate aftermath’ means any period beginning with the terrorist-related aircraft crashes of September 11, 2001, and ending on May 30, 2002.

“(12) NONECONOMIC LOSSES.—The term ‘noneconomic losses’ means losses for physical and emotional pain, suffering, inconvenience, physical impairment, mental anguish, disfigurement, loss of enjoyment of life, loss of society and companionship, loss of consortium (other than loss of domestic service), hedonic damages, injury to reputation, and all other noneconomic losses of any kind or nature.

“(13) SPECIAL MASTER.—The term ‘Special Master’ means the Special Master appointed under section 404(a).

“(14) 9/11 CRASH SITE.—The term ‘9/11 crash site’ means—

“(A) the World Trade Center site, Pentagon site, and Shanksville, Pennsylvania site;

“(B) the buildings or portions of buildings that were destroyed as a result of the terrorist-related aircraft crashes of September 11, 2001;

“(C) any area contiguous to a site of such crashes that the Special Master determines was sufficiently close to the site that there was a demonstrable risk of physical harm resulting from the impact of the aircraft or any subsequent fire, explosions, or building collapses (including the immediate area in which the impact occurred, fire occurred, portions of buildings fell, or debris fell upon and injured individuals); and

“(D) any area related to, or along, routes of debris removal, such as barges and Fresh Kills.

“SEC. 403. PURPOSE.

“It is the purpose of this title to provide compensation to any individual (or relatives of a deceased individual) who was physically injured or killed as a result of the terrorist-related aircraft crashes of September 11, 2001.

“SEC. 404. ADMINISTRATION.

“(a) IN GENERAL.—The Attorney General, acting through a Special Master appointed by the Attorney General, shall—

“(1) administer the compensation program established under this title;

“(2) promulgate all procedural and substantive rules for the administration of this title; and

“(3) employ and supervise hearing officers and other administrative personnel to perform the duties of the Special Master under this title.

“(b) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated such sums as may be necessary to pay the administrative and support costs for the Special Master in carrying out this title.

“SEC. 405. DETERMINATION OF ELIGIBILITY FOR COMPENSATION.

“(a) FILING OF CLAIM.—

“(1) IN GENERAL.—A claimant may file a claim for compensation under this title with the Special Master. The claim shall be on the form developed under paragraph (2) and shall state the factual basis for eligibility for compensation and the amount of compensation sought.

“(2) CLAIM FORM.—

“(A) IN GENERAL.—The Special Master shall develop a claim form that claimants shall use when submitting claims under paragraph (1). The Special Master shall ensure that such form can be filed electronically, if determined to be practicable.

“(B) CONTENTS.—The form developed under subparagraph (A) shall request—

“(i) information from the claimant concerning the physical harm that the claimant suffered, or in the case of a claim filed on behalf of a decedent information confirming the decedent’s death, as a result of the terrorist-related aircraft crashes of September 11, 2001, or debris removal during the immediate aftermath; and

“(ii) information from the claimant concerning any possible economic and noneconomic losses that the claimant suffered as a result of such crashes or debris removal during the immediate aftermath; and

“(iii) information regarding collateral sources of compensation the claimant has received or is entitled to receive by virtue of such crashes or debris removal during the immediate aftermath.

“(3) LIMITATION.—

“(A) IN GENERAL.—Except as provided by subparagraph (B), no claim may be filed under paragraph (1) after the date that is 2 years after the date on which regulations are promulgated under section 407(a).

“(B) EXCEPTION.—A claim may be filed under paragraph (1), in accordance with subsection (c)(3)(A)(i), by an individual (or by a personal representative on behalf of a deceased individual) during the period beginning on the date on which the regulations are updated under section 407(b) and ending on the date that is 5 years after the date on which such regulations are updated.

“(4) REVIEW AND DETERMINATION.—

“(1) REVIEW.—The Special Master shall review a claim submitted under subsection (a) and determine—

“(A) whether the claimant is an eligible individual under subsection (c);

“(B) with respect to a claimant determined to be an eligible individual—

“(i) the extent of the harm to the claimant, including any economic and noneconomic losses; and

“(ii) the amount of compensation to which the claimant is entitled based on the harm to the claimant, the facts of the claim, and the individual circumstances of the claimant.

“(2) NEGLIGENCE.—With respect to a claimant, the Special Master shall not consider negligence or any other theory of liability.

“(5) NO PUNITIVE DAMAGES.—The Special Master may not include amounts for punitive damages in any compensation paid under a claim under this title.

“(6) COLLATERAL COMPENSATION.—The Special Master shall reduce the amount of compensation determined under paragraph (1)(B)(ii) by the amount of the collateral source compensation the claimant has received or is entitled to receive as a result of the terrorist-related aircraft crashes of September 11, 2001.

“(7) ELIGIBILITY.—

“(1) IN GENERAL.—A claimant shall be determined to be an eligible individual for purposes of this subsection if the Special Master determines that such claimant—

“(A) is an individual described in paragraph (2); and

“(B) meets the requirements of paragraph (3).

“(2) INDIVIDUALS.—A claimant is an individual described in this paragraph if the claimant is—

“(i) an individual who—

“(I) was present at the World Trade Center, (New York, New York), the Pentagon (Arlington, Virginia), the site of the aircraft crash at Shanksville, Pennsylvania, or any other 9/11 crash site at the time, or in the immediate after-
muth, of the terrorist-related aircraft crashes of September 11, 2001; and

“(ii) suffered physical harm or death as a result of such an air crash or debris removal;

“(B) an individual who was a member of the flight crew or a passenger on American Airlines flight 11 or 77 or United Airlines flight 83 or 175, except that an individual identified by the Attorney General to have been a participant or conspirator in the terrorist-related aircraft crashes of September 11, 2001, or a representative of such individual shall not be eligible to receive compensation under this title; or

“(C) in the case of a decedent who is an individual described in subparagraph (A) or (B), the personal representative of the decedent who files a claim on behalf of the decedent.

“(3) REQUIREMENTS.—

“(A) REQUIREMENTS FOR FILING CLAIMS DURING EXTENDED FILING PERIOD.—

“(i) TIMING REQUIREMENTS FOR FILING CLAIMS.—An individual (or a personal representative on behalf of a deceased individual) may file a claim during the period described in subsection (a)(3)(B) as follows:

“(I) in the case that the Special Master determines the individual knew (or reasonably should have known) before the date specified in clause (ii) that the individual suffered a physical harm at a 9/11 crash site as a result of the terrorist-related aircraft crashes of September 11, 2001, or as a result of debris removal, and that the individual knew (or should have known) before such specified date that the individual was eligible to file a claim under this title, the individual may file a claim not later than the date that is 2 years after such specified date.

“(II) in the case that the Special Master determines the individual first knew (or reasonably should have known) on or after the date specified in clause (ii) that the individual suffered such a physical harm or that the individual first knew (or should have known) on or after such specified date that the individual was eligible to file a claim under this title, the individual may file a claim not later than the last day of the 2-year period beginning on the date the Special Master determines the individual first knew (or should have known) that the individual both suffered from such harm and was eligible to file a claim under this title.

“(B) OTHER ELIGIBILITY REQUIREMENTS FOR FILING CLAIMS.—An individual may file a claim during the period described in subsection (a)(3)(B) only if—

“(i) the individual was treated by a medical professional for suffering from a physical harm described in clause (i) within a reasonable time from the date of discovering such harm; and

“(ii) the individual’s physical harm is verified by contemporaneous medical records created by or at the direction of the medical professional who provided the medical care.

“(C) DATE SPECIFIED.—The date specified in this clause is the date on which the regulations are updated under section 407(a).

“(D) SINGLE CLAIM.—Not more than one claim may be submitted under this title by an individual on behalf of a deceased individual.

“(C) LIMITATION ON CIVIL ACTION.—

“(i) IN GENERAL.—Upon the submission of a claim under this title, the claimant waives the right to file a civil action (or to be a party to an action) in any Federal or State court for damages sustained as a result of the terrorist-related aircraft crashes of September 11, 2001, or for damages arising from or related to debris removal. The preceding sentence does not apply to a civil action to recover collateral source obligations, or to a civil action against any person who is a knowing participant in any conspiracy to hijack any aircraft or commit any terrorist act.

“(ii) PETITIONING ACTIONS.—In the case of an individual who is a party to a civil action described in clause (i), such individual may not submit a claim under this title—

“(I) during the period described in subsection (a)(3)(A) unless such individual withdrawals from such action by the date that is 90 days after the date on which regulations are promulgated under section 407(b);

“(II) during the period described in subsection (a)(3)(B) unless such individual withdrawals from such action by the date that is 90 days after the date on which the regulations are updated under section 407(b).

“(iii) SETTLED ACTIONS.—In the case of an individual who settled a civil action described in clause (i), such individual may not submit a claim under this title unless such action was commenced after December 22, 2003, and a release of all claims in such action was tendered prior to the date on which amounts contained in the James Zadroga 9/11 Health and Compensation Act of 2010 [Pub. L. 111–347] was enacted [Jan. 2, 2011].

“(C) ADDITIONAL FUNDING.—

“(1) IN GENERAL.—The Attorney General is authorized to accept such amounts as may be contributed by individuals, business concerns, or other entities to carry out this title, under such terms and conditions as the Attorney General may impose.

“(2) USE OF SEPARATE ACCOUNT.—In making payments under this title, the Attorney General shall deposit the amounts provided under subsection (d)(1) and represents the obligation of the Federal Government to provide for the payment of amounts for compensation under this title subject to the limitations under subsection (d).

“(D) ADDITIONAL FUNDING.—

“(1) IN GENERAL.—The total amount of Federal funds paid for compensation under this title, with respect to claims filed on or after the date on which the regulations are updated under section 407(b), shall not exceed $2,775,000,000. Of such amounts, not to exceed $387,500,000 shall be available to pay such claims during the 5-year period beginning on such date.

“(E) PRO-RATATION AND PAYMENT OF REMAINING CLAIMS.—

“(F) IN GENERAL.—The Special Master shall ratify the amount of compensation due claimants under this title in a manner to ensure, to the extent possible, that—

“(i) all claimants who, before application of the limitation under the second sentence of paragraph (1), would have been determined to be entitled to a payment under this title during such 5-year period, receive a payment during such period; and

“(ii) the total amount of all such payments made during such 5-year period do not exceed the amount available under the second sentence of paragraph (1) to pay claims during such period.

“(G) PAYMENT OF REMAINDER OF CLAIM AMOUNTS.—In any case in which the amount of a claim is ratably reduced pursuant to subparagraph (A), or a claimant’s claim under this title during such 5-year period described...
in paragraph (1), but in no event later than 1 year after such 5-year period, the Special Master shall pay to the claimant the amount that is equal to the difference between—

“(i) the amount that the claimant would have been paid under this title during such period without regard to the limitation under the second sentence of paragraph (1) applicable to such period; and

“(ii) the amount the claimant was paid under this title during such period.

Termination.—Upon completion of all payments pursuant to this subsection, the Victim’s Compensation Fund shall be permanently closed.

(e) ATTORNEY FEES.—

“(1) IN GENERAL.—Notwithstanding any contract, the representative of an individual may not charge, for services rendered in connection with the claim of an individual under this title, more than 10 percent of an award made under this title on such claim.

“(2) LIMITATION.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), in the case of an individual who was charged a legal fee in connection with the settlement of a civil action described in section 405(c)(3)(C)(iii), the representative of the individual may not charge any amount for compensation for services rendered in connection with a claim filed under this title.

“(B) EXCEPTION.—If the legal fee charged in connection with the settlement of a civil action described in section 405(c)(3)(C)(iii) of an individual is less than 10 percent of the aggregate amount of compensation awarded to such individual through such settlement, the representative of such individual may charge an amount for compensation for services rendered to the extent that such amount charged is not more than—

“(i) 10 percent of such aggregate amount through the settlement, minus

“(ii) the total amount of all legal fees charged for services rendered in connection with such settlement.

“(3) DISCRETION TO LOWER FEE.—In the event that the special master [probably should be capitalized] finds that the fee limit set by paragraph (1) or (2) provides excessive compensation for services rendered in connection with such claim, the Special Master may, in the discretion of the Special Master, award as reasonable compensation for services rendered an amount lesser than that permitted for in paragraph (1).

“SEC. 407. REGULATIONS.

“(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act [Sept. 2, 2001], the Attorney General, in consultation with the Special Master, shall promulgate regulations to carry out this title, including regulations with respect to—

“(1) forms to be used in submitting claims under this title;

“(2) the information to be included in such forms;

“(3) procedures for hearing and the presentation of evidence;

“(4) procedures to assist an individual in filing and pursuing claims under this title; and

“(5) other matters determined appropriate by the Attorney General.

“(b) UPDATED REGULATIONS.—Not later than 180 days after the date of the enactment of the James Zadroga 9/11 Health and Compensation Act of 2010 [Jan. 2, 2011], the Special Master shall update the regulations promulgated under subsection (a) to the extent necessary to comply with the provisions of title II of such Act [title II of Pub. L. 111–347, amending this note].

“SEC. 408. LIMITATION ON LIABILITY.

“(a) IN GENERAL.—

“(1) LIABILITY LIMITED TO INSURANCE COVERAGE.—Notwithstanding any other provision of law, liability for all claims, whether for compensatory or punitive damages or for contribution or indemnity, arising from the terrorist-related aircraft crashes of September 11, 2001, against an air carrier, aircraft manufacturer, airport sponsor, or person with a property interest in the World Trade Center, on September 11, 2001, whether fee simple, leasehold or easement, direct or indirect, or their directors, officers, employees, or agents, shall not be in an amount greater than the limits of liability insurance coverage maintained by that air carrier, aircraft manufacturer, airport sponsor, or person.

“(2) WILLFUL DEFAULTS ON REBUILDING OBLIGATION.—Paragraph (1) does not apply to any such person with a property interest in the World Trade Center if the Attorney General determines, after notice and an opportunity for a hearing on the record, that the person has defaulted willfully on a contractual obligation to rebuild, or assist in the rebuilding of, the World Trade Center.

“(3) LIMITATIONS ON LIABILITY FOR NEW YORK CITY.—Liability for all claims, whether for compensatory or punitive damages or for contribution or indemnity arising from the terrorist-related aircraft crashes of September 11, 2001, against the City of New York shall not exceed the greater of the city’s insurance coverage or $350,000,000. If a claimant is eligible to seek compensation under section 405 of this Act, submits a claim under section 405, the claimant waives the right to file a civil action (or to be a party to an action) in any Federal or State court for damages sustained as a result of the terrorist-related aircraft crashes of September 11, 2001, including any such action against the City of New York. The preceding sentence does not apply to a civil action to recover collateral source obligations.

“(4) LIABILITY FOR CERTAIN CLAIMS.—Notwithstanding any other provision of law, liability for all claims and actions (including claims or actions that have been previously resolved, that are currently pending, and that may be filed) for compensatory damages, contribution or indemnity, or any other form or type of relief, arising from or related to debris removal, against the City of New York, any entity (including the Port Authority of New York and New Jersey) with a property interest in the World Trade Center on September 11, 2001 (whether fee simple, leasehold or easement, or direct or indirect) and any contractors and subcontractors, shall not be in an amount that exceeds the sum of the following, as may be applicable:

“(A) The amount of funds of the WTC Captive Insurance Company, including the cumulative interest.

“(B) The amount of all available insurance identified in schedule 2 of the WTC Captive Insurance Company insurance policy.

“(C) As it relates to the limitation of liability of the City of New York, the amount that is the greater of the City of New York’s insurance coverage or $350,000,000. In determining the amount of the City’s insurance coverage for purposes of the previous sentence, any amount described in subparagraphs (A) and (B) shall not be included.

“(D) As it relates to the limitation of liability of any entity, including the Port Authority of New York and New Jersey, with a property interest in the World Trade Center on September 11, 2001 (whether fee simple, leasehold or easement, or direct or indirect), the amount of all available liability insurance coverage maintained by any such entity.

“(E) As it relates to the limitation of liability of any individual contractor or subcontractor, the amount of all available liability insurance coverage maintained by such contractor or subcontractor on September 11, 2001.

“(F) PRIORITY OF CLAIMS PAYMENTS.—Payments to plaintiffs who obtain a settlement or judgment with respect to a claim or action to which this subsection applies, shall be paid solely from the following funds in the following order, as may be applicable:
"(A) The funds described in subparagraph (A) or
(B) of paragraph (4).

(B) If there are no funds available as described in
paragraph (A) or (B) of paragraph (4), the funds described
in subparagraph (C) of such paragraph.

(C) If there are no funds available as described in
paragraph (A), (B), or (C) of paragraph (4), the funds
described in subparagraph (D) of such paragraph.

(D) If there are no funds available as described in
paragraph (A), (B), (C), or (D) of paragraph (4), the funds
described in subparagraph (E) of such paragraph.

(6) DECLARATORY JUDGMENT ACTIONS AND DIRECT
ACTION.—Any claimant to a claim or action to which
paragraph (4) applies may, with respect to such claim or
action, either file an action for a declaratory judg-
ment for insurance coverage or bring a direct action
against the insurance company involved, except that
such action for declaratory judgment or direct ac-
tion may be commenced until after the funds avail-
able in subparagraph(s) (A), (B), (C), and (D) of para-
graph (4) have been exhausted consistent with the
order described in such paragraph for payment.

(b) FEDERAL CAUSE OF ACTION.—

(1) AVAILABILITY OF ACTION.—There shall exist a
Federal cause of action for damages arising out of the
hijacking and subsequent crashes of American Air-
lines flights 11 and 77, and United Airlines flights 93
and 175, on September 11, 2001. Notwithstanding sec-
tion 40120(c) of title 49, United States Code, this cause
of action shall be the exclusive remedy for damages
arising out of the hijacking and subsequent crashes of
such flights.

(2) SUBSTANTIVE LAW.—The substantive law for de-
cision in any such suit shall be derived from the law,
including choice of law principles, of the State in
which the crash occurred unless such law is inconsis-
tent with or preempted by Federal law.

(3) JURISDICTION.—The United States District
Court for the Southern District of New York shall
have original and exclusive jurisdiction over all ac-
tions brought for any claim (including any claim for
loss of property, personal injury, or death) resulting
from or relating to the terrorist-related aircraft

(4) NATIONWIDE SUBPOENAS.—

(A) In general.—A subpoena requiring the at-
tendance of a witness at trial or a hearing con-
ducted under this section may be served at any
place in the United States.

(B) RULE OF CONSTRUCTION.—Nothing in this sub-
section is intended to diminish the authority of a
court to quash or modify a subpoena for the reasons
provided in clause (i), (iii), or (iv) of subparagraph
(A) or subparagraph (B) of rule 45(c)(3) of the Fed-

(C) EXCLUSION.—Nothing in this section shall in any
way limit any liability of any person who is a knowing
participant in any conspiracy to hijack any aircraft or
commit any terrorist act. Subsections (a) and (b) do
not apply to civil actions to recover collateral source
obligations.

SEC. 409. RIGHT OF SUBROGATION.

The United States shall have the right of subro-
gation with respect to any claim paid by the United
States under this title, subject to the limitations
described in section 408.

TITLE V—AIR TRANSPORTATION SAFETY

SEC. 501. INCREASED AIR TRANSPORTATION
SAFETY.

"Congress affirms the President’s decision to spend
$3,000,000,000 on airline safety and security in conjunc-
tion with this Act in order to restore public confidence
in the airline industry.

SEC. 502. CONGRESSIONAL COMMITMENT.

"Congress is committed to act expeditiously, in con-
sultation with the Secretary of Transportation, to
strengthen airport security and take further measures
to enhance the security of air travel.

TITLE VI—SEPARABILITY

SEC. 601. SEPARABILITY.

"If any provision of this Act (including any amend-
ment made by this Act [amending sections 49302 to
49306 of this title]) or the application thereof to any
person or circumstance is held invalid, the remainder
of this Act (including any amendment made by this
Act) and the application thereof to other persons or cir-
cumstances shall not be affected thereby.

[Memorandum of President of the United States,
Sept. 25, 2001, 66 F.R. 49007, delegated to the Secretary
of Transportation the authority vested in the President
under section 101(a)(2) of Pub. L. 107–42, set out above,
to compensate air carriers for direct and incremental
losses they incurred from the terrorist attacks of Sept.
11, 2001, and any resulting ground stop order.]

INDEPENDENT STUDY OF FAA COSTS AND ALLOCATIONS

127, provided that:

(a) INDEPENDENT ASSESSMENT.—

(1) IN GENERAL.—The Inspector General of the De-
partment of Transportation shall conduct the assess-
ments described in this section. To conduct the as-
sessments, the Inspector General may use the staff
and resources of the Inspector General or contract
with one or more independent entities.

(2) ASSESSMENT OF ADEQUACY AND ACCURACY OF FAA
COST DATA AND ATTRIBUTIONS.—

(A) IN GENERAL.—The Inspector General shall
conduct an assessment to ensure that the method
for calculating the overall costs of the Federal
Aviation Administration and attributing such costs
to specific users is appropriate, reasonable, and un-
derstandable to the users.

(B) COMPONENTS.—In conducting the assessment
under this paragraph, the Inspector General shall
assess the following:

(i) The Administration’s cost input data, in-
cluding the reliability of the Administration’s
source documents and the integrity and reliabil-
ity of the Administration’s data collection proc-
ess.

(ii) The Administration’s definition of the
services to which the Administration ultimately
attributes its costs.

(iii) The Administration’s system for tracking
assets.

(iv) The Administration’s system of internal
controls for ensuring the consistency and reliabil-
ity of reported data.

(v) The Administration’s definition of the
services to which the Administration ultimately
attributes its costs.

(vi) The cost pools used by the Administration
and the rationale for and reliability of the bases
which the Administration proposes to use in allo-
cating costs of services to users.

(C) REQUIREMENTS FOR ASSESSMENT OF COST
POOLS.—In carrying out subparagraph (B)(vi), the
Inspector General shall—

(i) review costs that cannot reliably be attrib-
uted to specific Administration services or activi-
ties (called ‘‘common and fixed costs’’ in the Ad-
ministration Cost Allocation Study) and consider
alternative methods for allocating such costs; and

(ii) perform appropriate tests to assess rela-
tionships between costs in the various cost pools
and activities and services to which the costs are
attributed by the Administration.

(3) COST EFFECTIVENESS, —
§ 40101  TITLe 49—TRANSPORTATION  Page 738

“(A) IN GENERAL.—The Inspector General shall assess the progress of the Administration in cost and performance management, including use of internal and external benchmarking in improving the performance and productivity of the Administration.

“(B) ANNUAL REPORTS.—Not later than December 31, 2000, and annually thereafter, the Inspector General shall transmit to Congress an updated report containing the results of the assessment conducted under this paragraph.

“(C) INFORMATION TO BE INCLUDED IN FAA FINANCIAL REPORT.—The Administrator [of the Federal Aviation Administration] shall include in the annual financial report of the Administration information on the performance of the Administration sufficient to permit users and others to make an informed evaluation of the progress of the Administration in increasing productivity.

“(b) FUNDING.—There are authorized to be appropriated such sums as may be necessary to carry out this section.”

OPERATIONS OF AIR TAXI INDUSTRY

Pub. L. 106–181, title VII, §735, Apr. 5, 2000, 114 Stat. 171, provided that:

“(a) STUDY.—The Administrator [of the Federal Aviation Administration], in consultation with the National Transportation Safety Board and other interested persons, shall conduct a study of air taxi operators regulated under part 135 of title 14, Code of Federal Regulations.

“(b) CONTENTS.—The study shall include an analysis of the size and type of the aircraft fleet, relevant aircraft equipment, hours flown, utilization rates, safety record by various categories of use and aircraft type, sales revenues, and airports served by the air taxi fleet.

“(c) REPORT.—Not later than 1 year after the date of enactment of this Act [Apr. 5, 2000], the Administrator shall transmit to Congress a report on the results of the study.”

FINDINGS

Section 271 of Pub. L. 104–264 provided that: “Congress finds the following:

“(1) The Administration [Federal Aviation Administration] is recognized throughout the world as a leader in aviation safety.

“(2) The Administration certifies aircraft, engines, propellers, and other manufactured parts.

“(3) The Administration certifies more than 650 training schools for pilots and nonpilots, more than 4,858 repair stations, and more than 193 maintenance schools.

“(4) The Administration certifies pilot examiners, who are then qualified to determine if a person has the skills necessary to become a pilot.

“(5) The Administration certifies more than 6,000 mechanics, each of whom is then qualified to medically certify the qualifications of pilots and nonpilots.

“(6) The Administration certifies more than 470 airports, and provides a limited certification for another 205 airports. Other airports in the United States are also reviewed by the Administration.

“(7) The Administration each year performs more than 355,000 inspections.

“(8) The Administration issues more than 655,000 pilot’s licenses and more than 560,000 nonpilot’s licenses (including mechanics).

“(9) The Administration’s certification means that the product meets world-wide recognized standards of safety and reliability.

“(10) The Administration’s certification means aviation-related equipment and services meet worldwide recognized standards.

“(11) The Administration’s certification is recognized by governments and businesses throughout the world and as such may be a valuable element for any company desiring to sell aviation-related products throughout the world.

“(12) The Administration’s certification may constitute a valuable license, franchise, privilege or benefits for the holders.

“(13) The Administration also is a major purchaser of computers, radars, and other systems needed to run the air traffic control system. The Administration’s design, acceptance, commissioning, or certification of such equipment, includes the private sector to market those products around the world, and as such confers a benefit on the manufacturer.

“(14) The Administration provides extensive services to public use aircraft.”

PURPOSES

Section 272 of title II of Pub. L. 104–264 provided that: “The purposes of this subtitle [subtitle C (§§271–278) of title II of Pub. L. 104–264, enacting sections 45301, 45303, 48111, and 48201 of this title, amending section 41742 of this title, renumbering section 45803 of this title as section 45804, repealing former section 45801 of this title, and enacting provisions set out as notes under this section and section 41742 of this title] are—

“(1) to provide a financial structure for the Administration [Federal Aviation Administration] so that it will be able to support the future growth in the national aviation and airport system;

“(2) to review existing and alternative funding options, including incentive-based fees for services, and establish a program to improve air traffic management system performance and to establish appropriate levels of cost accountability for air traffic management services provided by the Administration;

“(3) to ensure that any funding will be dedicated solely for the use of the Administration;

“(4) to authorize the Administration to recover the costs of its services from those who benefit from, but do not contribute to, the national aviation system and the services provided by the Administration;

“(5) to consider a fee system based on the cost or value of the services provided and other funding alternatives;

“(6) to develop funding options for Congress in order to provide for the long-term efficient and cost-effective support of the Administration and the aviation system; and

“(7) to achieve a more efficient and effective Administration for the benefit of the aviation transportation industry.”

INDEPENDENT ASSESSMENT OF FAA FINANCIAL REQUIREMENTS; ESTABLISHMENT OF NATIONAL CIVIL AVIATION REVIEW COMMISSION

“(a) INDEPENDENT ASSESSMENT.—

“(1) INITIATION.—Not later than 30 days after the date of the enactment of this Act [Oct. 9, 1996], the Administrator [of the Federal Aviation Administration] shall contract with an entity independent of the Administration [Federal Aviation Administration] and the Department of Transportation to conduct a complete independent assessment of the financial requirements of the Administration through the year 2002.

“(2) ASSESSMENT CRITERIA.—The Administrator shall provide to the independent entity estimates of the financial requirements of the Administration for the period described in paragraph (1), using as a base the fiscal year 1997 appropriation levels established by Congress. The independent assessment shall be based on an objective analysis of agency funding needs.

“(3) CERTAIN FACTORS TO BE TAKEN INTO ACCOUNT.—The independent assessment shall take into account all relevant factors, including—

“(A) anticipated air traffic forecasts;

“(B) other workload measures;
Title 49—Transportation

§ 40101

“(C) estimated productivity gains, if any, which contribute to budgetary requirements;

“(D) the need for programs; and

“(E) the need to provide for continued improvements in all facets of aviation safety, along with operational improvements in air traffic control.

“(4) COST ALLOCATION.—The independent assessment shall also assess the costs to the Administration occasioned by the provision of services to each segment of the aviation system.

“(5) DEADLINE.—The independent assessment shall be completed no later than 90 days after the contract is awarded, and shall be submitted to the Commission established under subsection (b), the Secretary of Transportation, the Secretary of the Treasury, the Committee on Commerce, Science, and Transportation and the Committee on Finance of the Senate, and the Committee on Transportation and Infrastructure and the Committee on Ways and Means of the House of Representatives.

“(b) NATIONAL CIVIL AVIATION REVIEW COMMISSION.—

“(1) ESTABLISHMENT.—There is established a commission to be known as the National Civil Aviation Review Commission (hereinafter in this section referred to as the ‘Commission’).

“(2) MEMBERSHIP.—The Commission shall consist of 21 members to be appointed as follows:

“(A) 13 members to be appointed by the Secretary, in consultation with the Secretary of the Treasury, from among individuals who have expertise in the aviation industry and who are able, collectively, to represent a balanced view of the issues important to general aviation, major air carriers, air cargo carriers, regional air carriers, business aviation, airports, aircraft manufacturers, the financial community, aviation industry workers, and airline passengers. At least one member appointed under this subparagraph shall have detailed knowledge of the congressional budgetary process.

“(B) Two members appointed by the Speaker of the House of Representatives.

“(C) Two members appointed by the minority leader of the House of Representatives.

“(D) Two members appointed by the majority leader of the Senate.

“(E) Two members appointed by the minority leader of the Senate.

“(3) TASK FORCES.—The Commission shall establish an aviation funding task force and an aviation safety task force to carry out the responsibilities of the Commission under this subsection.

“(4) FIRST MEETING.—The Commission may conduct its first meeting as soon as a majority of the members of the Commission are appointed.

“(5) HEARINGS AND CONSULTATION.—

“(A) HEARINGS.—The Commission shall take such testimony and solicit and receive such comments from the public and other interested parties as it considers appropriate, shall conduct 2 public hearings after affording adequate notice to the public thereof, and may conduct such additional hearings as may be necessary.

“(B) CONSULTATION.—The Commission shall consult on a regular and frequent basis with the Secretary, the Secretary of the Treasury, the Committee on Commerce, Science, and Transportation and the Committee on Finance of the Senate, and the Committee on Transportation and Infrastructure and the Committee on Ways and Means of the House of Representatives.

“(C) FACIA NOT TO APPLY.—The Commission shall not be considered an advisory committee for purposes of the Federal Advisory Committee Act (5 U.S.C. App.).

“(6) DUTIES OF AVIATION FUNDING TASK FORCE.—

“(A) REPORT TO SECRETARY.—

“(I) IN GENERAL.—The aviation funding task force established pursuant to paragraph (3) shall submit a report setting forth a comprehensive analysis of the Administration’s budgetary requirements through fiscal year 2002, based upon the independent assessment under subsection (a), that analyzes alternative financing and funding means for meeting the needs of the aviation system through the year 2002. The task force shall submit a preliminary report of that analysis to the Secretary not later than 6 months after the independent assessment is completed under subsection (a). The Secretary shall provide comments on the preliminary report to the task force within 30 days after receiving the report. The task force shall issue a final report of such comprehensive analysis within 30 days after receiving the Secretary’s comments on its preliminary report.

“(II) CONTENTS.—The report submitted by the aviation funding task force under clause (i)—

“(I) shall consider the independent assessment under subsection (a);

“(II) shall consider estimated cost savings, if any, resulting from the procurement and personnel reforms included in this Act [see Tables for classification] or in sections 40110(d) and 40122(g) of title 49, United States Code, and additional financial initiatives;

“(III) shall include specific recommendations to Congress on how the Airport and Airway Trust Fund receipts and taxes for each type of tax;

“(IV) shall include a draft bill containing the changes in law necessary to implement its recommendations.

“(B) RECOMMENDATIONS.—The aviation funding task force shall make such recommendations under subparagraph (A)(ii)(III) as the task force deems appropriate. These recommendations may include—

“(i) proposals for off-budget treatment of the Airport and Airway Trust Fund;

“(ii) alternative financing and funding proposals, including linked financing proposals;

“(iii) modifications to existing levels of Airport and Airway Trust Fund receipts and taxes for each type of tax;

“(iv) establishment of a cost-based user fee system based on, but not limited to, criteria under subparagraph (F) and methods to ensure that costs are borne by users on a fair and equitable basis;

“(v) methods to ensure that funds collected from the aviation community are able to meet the needs of the agency;

“(vi) methods to ensure that funds collected from the aviation community are applied to—

“(1) means of improving productivity by expanding and accelerating the use of automation and other technology;

“(2) methods of contracting out services consistent with this Act, other applicable law, and safety and national defense needs;

“(3) methods to accelerate air traffic control modernization and improvements in aviation safety and safety services;

“(4) the elimination of unneeded programs; and

“(v) a limited innovative program based on funding mechanisms such as loan guarantees, financial partnerships with for-profit private sector entities, government-sponsored enterprises, and revolving loan funds, as a means of funding specific facilities and equipment projects, and to pro-
vide limited additional funding alternatives for airport capacity development.

(D) IMPACT ASSESSMENT FOR RECOMMENDATIONS.—For each recommendation contained in the aviation funding task force’s report, the report shall include a full analysis and assessment of the impact of the recommendation, including the proportionate share of all users; the congressional budget process; the economics of the industry; the ability of the Administration to utilize the sums collected; and the funding needs of the Administration.

(E) TRUST FUND TAX RECOMMENDATIONS.—If the report to Congress, together with the Administrator, shall transmit the report to Congress upon its transmittal to Congress under subparagraph (B).

(F) FEES SYSTEM RECOMMENDATIONS.—If the report to Congress, together with the Administrator, the Secretary, in consultation with the Secretary of the Treasury, shall furnish comments on the report to the task force.

(G) REPORT BY THE SECRETARY BASED ON FINAL REPORT OF AVIATION FUNDING TASK FORCE.—(A) REPORT TO ADMINISTRATOR.—Not later than 30 days after receiving the final report of the aviation funding task force, the Secretary, in consultation with the Administrator, shall transmittal to Congress under subparagraph (B).—(i) a copy of the final report of the task force; and (ii) a draft bill containing the changes in law necessary to implement the Secretary’s recommendations.

(D) PUBLICATION.—The Secretary shall cause a copy of the report to be published in the Federal Register upon its transmittal to Congress under subparagraph (B).

(E) TRUST FUND TAX RECOMMENDATIONS.—If the task force’s report is not later than 30 days after receiving the final report of the aviation funding task force, the Administrator shall transmit the report to Congress, together with the Administrator’s recommendations for improving aviation safety in the United States.

(F) REPORT BY THE ADMINISTRATOR BASED ON FINAL REPORT OF AVIATION FUNDING TASK FORCE.—Not later than 30 days after receiving the report of the aviation safety task force, the Administrator shall transmit the report to Congress, together with the Administrator’s recommendations for improving aviation safety in the United States.

(G) GAO AUDIT OF COST ALLOCATION.—The Comptroller General shall conduct an assessment of the manner in which costs for air traffic services are allocated between the Administration and the Department of Defense. The Comptroller General shall report the
results of the assessment, together with any recommendations the Comptroller General may have for reallocation of costs and for opportunities to increase the efficiency of airport traffic control services provided by the Administration and by the Department of Defense, to the Commission, the Administrator, the Secretary of Defense, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate not later than 180 days after the date of the enactment of this Act.

(b) GAO ASSESSMENT.—Not later than 180 days after the date of the enactment of this Act, the Comptroller General shall transmit to the Commission and Congress an independent assessment of airport development needs.

JOINT AVIATION RESEARCH AND DEVELOPMENT PROGRAM

“(a) ESTABLISHMENT.—The Administrator [of the Federal Aviation Administration], in consultation with the heads of other appropriate Federal agencies, shall jointly establish a program to conduct research on aviation technologies that enhance United States competitiveness. The program shall include:

“(1) next-generation satellite communications, including global positioning satellites;

“(2) advanced airport and airborne security;

“(3) environmentally-compatible technologies, including technologies that limit or reduce noise and air pollution;

“(4) advanced aviation safety programs; and

“(5) technologies and procedures to enhance and improve airport and airway capacity.

“(b) PROCEDURES FOR CONTRACTS AND GRANTS.—The Administrator and the heads of the other appropriate Federal agencies shall administer contracts and grants entered into under the program established under subsection (a) in accordance with procedures developed jointly by the Administrator and the heads of the other appropriate Federal agencies. The procedures should include an integrated acquisition policy for contract and grant requirements and for technical data rights that are not an impediment to joint programs among the Federal Aviation Administration, the other Federal agencies involved, and industry.

“(c) PROGRAM ELEMENTS.—The program established under subsection (a) shall include:

“(1) selected programs that jointly enhance public and private aviation technology development;

“(2) an opportunity for private contractors to be involved in such technology research and development; and

“(3) the transfer of Government-developed technologies to the private sector to promote economic strength and competitiveness.

“(d) AUTHORIZATION OF APPROPRIATIONS.—Of amounts authorized to be appropriated for fiscal years 1995 and 1996 under section 48102(a) of title 49, United States Code, as amended by section 302 of this title, there are authorized to be appropriated for fiscal years 1995 and 1996, respectively, such sums as may be necessary to carry out this section.

AIR QUALITY IN AIRCRAFT CABINS

“(a) ESTABLISHMENT.—The Administrator [of the Federal Aviation Administration], in consultation with the heads of other appropriate Federal agencies, shall establish a research program to determine:

“(1) what, if any, aircraft cabin air conditions, including pressure altitude systems, on flights within
the United States are harmful to the health of airline passengers and crew, as indicated by physical symptoms such as headaches, nausea, fatigue, and lightheadedness; and

"(2) the risk of airline passengers and crew contracting infectious diseases during flight.

(b) CONTRACT WITH CENTER FOR DISEASE CONTROL.—In carrying out the research program established under subsection (a), the Administrator and the heads of the other appropriate Federal agencies shall contract with the Center for Disease Control [now Centers for Disease Control and Prevention] and other appropriate agencies to carry out any studies necessary to meet the goals of the program set forth in subsection (c).

"(c) GOALS.—The goals of the research program established under subsection (a) shall be—

"(1) to determine what, if any, cabin air conditions currently exist on domestic aircraft used for flights within the United States that could be harmful to the health of airline passengers and crew, as indicated by physical symptoms such as headaches, nausea, fatigue, and lightheadedness, and including the risk of infection by bacteria and viruses;

"(2) to determine to what extent, changes in, cabin air pressure, temperature, rate of cabin air circulation, the quantity of fresh air per occupant, and humidity on current domestic aircraft would reduce or eliminate the risk of illness or discomfort to airline passengers and crew; and

"(3) to establish a long-term research program to examine potential health problems to airline passengers and crew that may arise in an airplane cabin on a flight within the United States because of cabin air quality as a result of the conditions and changes described in paragraphs (1) and (2).

(d) PARTICIPATION.—In carrying out the research program established under subsection (a), the Administrator shall encourage participation in the program by representatives of aircraft manufacturers, air carriers, aviation employee organizations, airline passengers, and academia.

(e) EMERGENCY.—(1) Within six months after the date of enactment of this Act [Aug. 23, 1994], the Administrator shall submit to the Congress a plan for implementation of the research program established under subsection (a).

"(2) The Administrator shall annually submit to the Congress a report on the progress made during the year for which the report is submitted toward meeting the goals set forth in subsection (c).

(f) AUTHORIZATION OF APPROPRIATIONS.—Of amounts authorized to be appropriated for fiscal years 1995 and 1996 under section 48102(a) of title 49, United States Code, as amended by section 302 of this title, there are authorized to be appropriated for fiscal years 1995 and 1996, respectively, such sums as may be necessary to carry out this section.

INFORMATION ON DISSECTION OF AIRCRAFT

"(a) AVAILABILITY OF INFORMATION.—In the interest of protecting the health of air travelers, the Secretary shall publish a list of the countries (as determined by the Secretary) that require dissection of aircraft landing in such countries while passengers and crew are on board such aircraft.

"(b) REVISION.—The Secretary shall revise the list required under subsection (a) on a periodic basis.

"(c) PUBLICATION.—The Secretary shall publish the list required under subsection (a) not later than 30 days after the date of the enactment of this Act [Aug. 23, 1994]. The Secretary shall publish a revision to the list not later than 30 days after completing the revision under subsection (b)."

GENERAL AVIATION REVITALIZATION ACT OF 1994

"SECTION 1. SHORT TITLE.:

"(a) This Act may be cited as the 'General Aviation Revitalization Act of 1994'.

"SEC. 2. TIME LIMITATIONS ON CIVIL ACTIONS AGAINST AIRCRAFT MANUFACTURERS.

"(1) the term 'aircraft' means any aircraft, or the component, system, subassembly, or other part of an aircraft, for which a type certificate or airworthiness certificate has been issued by the Administrator, required in formation that is material and relevant to the performance or the maintenance or operation of such aircraft, or the component, system, subassembly, or other part, that is causally related to the harm which the claimant allegedly suffered;

"(2) if the person for whose injury or death the claim is being made is a passenger for purposes of receiving treatment for a medical or other emergency; or

"(3) if the person for whose injury or death the claim is being made was not aboard the aircraft at the time of the accident; or

"(4) to an action brought under a written warranty enforceable under law but for the operation of this Act.

"(c) GENERAL AVIATION AIRCRAFT DEFINED.—For purposes of this Act, the term 'general aviation aircraft' means any aircraft for which a type certificate or an airworthiness certificate has been issued by the Administrator of the Federal Aviation Administration, which, at the time such certificate was originally issued, had a maximum seating capacity of fewer than 20 passengers, and which was not, at the time of the accident, engaged in scheduled passenger-carrying operations as defined under regulations in effect under part A of subtitle VII of title 49, United States Code, at the time of the accident.

"(d) RELATIONSHIP TO OTHER LAWS.—This section supersedes any State law to the extent that such law permits a civil action described in subsection (a) to be brought after the applicable limitation period for such civil action established by subsection (a).

"SEC. 3. OTHER DEFINITIONS.

"For purposes of this Act—

"(1) the term 'aircraft' has the meaning given such term in section 40102(a)(6) of title 49, United States Code;

"(2) the term 'airworthiness certificate' means an airworthiness certificate issued under section 44704(c)(1) of title 49, United States Code, or under any predecessor Federal statute;
“(3) the term ‘limitation period’ means 18 years with respect to general aviation aircraft and the components, systems, subassemblies, and other parts of such aircraft; and
“(d) not later than 180 days after the date of this order, establish within the Department of Transportation a support staff (Staff), including employees from departments and agencies assigned pursuant to subsection (e) of this order, to support, as directed by the Secretary, the Secretary and the Committee in the performance of their duties relating to the policy set forth in section 1 of this order; and
“(e) the heads of executive departments and agencies shall provide to the Secretary of Transportation such information and assistance, including personnel and other resources for the Staff to which subsection (c) of this order refers, as may be necessary and appropriate to implement this order as agreed to by the heads of the departments and agencies involved; and
“(f) the Director of the Office of Management and Budget may issue such instructions as may be necessary to implement subsection (c) of this order.

Sic. 5. Additional Functions of the Senior Policy Committee. In addition to performing the functions specified in section 710 of the Act, the Committee shall:

(a) report not less often than every 2 years to the President, through the Secretary of Transportation, on progress made and projected to implement the policy set forth in section 1 of this order, together with such recommendations including performance measures for administrative or other action as the Committee determines appropriate;
(b) review the proposals by the heads of executive departments and agencies to the Director of the Office of Management and Budget with respect to programs affecting the policy set forth in section 1 of this order, and make recommendations including performance measures thereon, through the Secretary of Transportation, to the Director; and
(c) advise the Secretary of Transportation and, through the Secretary of Transportation, the Secretar-
§ 40102

DEFINITIONS OF TERMS IN PUB. L. 107–71

§ 40102. Definitions

(a) General Definitions.—In this part—

(1) “aeronautics” means the science and art of flight.

(2) “air carrier” means a citizen of the United States undertaking by any means, directly or indirectly, to provide air transportation.

(3) “air commerce” means foreign air commerce, interstate air commerce, the transportation of mail by aircraft, the operation of aircraft within the limits of a Federal airway, or the operation of aircraft that directly affects, or may endanger safety in, foreign or interstate air commerce.

(4) “air navigation facility” means a facility used, available for use, or designed for use, in aid of air navigation, including—

(A) a landing area;

(B) a light;

(C) apparatus or equipment for distributing weather information, signaling, radio-directional finding, or radio or other electromagnetic communication; and

(D) another structure or mechanism for guiding or controlling flight in the air or the landing and takeoff of aircraft.

(5) “air transportation” means foreign air transportation, interstate air transportation, or the transportation of mail by aircraft.

(6) “aircraft” means any contrivance invented, used, or designed to navigate, or fly in, the air.

(7) “aircraft engine” means an engine used, or intended to be used, to propel an aircraft, including a part, appurtenance, and accessory of the engine, except a propeller.

(8) “airman” means an individual—

(A) in command, or as pilot, mechanic, or member of the crew, who navigates aircraft when under way;

(B) except to the extent the Administrator of the Federal Aviation Administration may provide otherwise for individuals employed outside the United States, who is directly in charge of inspecting, maintaining, overhauling, or repairing aircraft, aircraft engines, propellers, or appliances; or

(C) who serves as an aircraft dispatcher or air traffic control tower operator.

(9) “airport” means a landing area used regularly by aircraft for receiving or discharging passengers or cargo.

(10) “all-cargo air transportation” means the transportation by aircraft in interstate air transportation of only property, or only mail, or both.

(11) “airplane” means an instrument, equipment, apparatus, a part, an appurtenance, or an accessory used, capable of being used, or intended to be used, in operating or controlling aircraft in flight, including a parachute, communication equipment, and another mechanism installed in or attached to aircraft during flight, and not a part of an aircraft, aircraft engine, or propeller.

(12) “cargo” means property, mail, or both.

(13) “charter air carrier” means an air carrier holding a certificate of public convenience and necessity that authorizes it to provide charter air transportation.

(14) “charter air transportation” means charter trips in air transportation authorized under this part.

(15) “citizen of the United States” means—

(A) an individual who is a citizen of the United States;

(B) a partnership each of whose partners is an individual who is a citizen of the United States; or

(C) a corporation or association organized under the laws of the United States or a State, the District of Columbia, or a territory or possession of the United States, of which the president and at least two-thirds of the board of directors and other managing officers are citizens of the United States, which is under the actual control of citizens of the United States, and in which at least 75 percent of the voting interest is owned or controlled by persons that are citizens of the United States.

(16) “civil aircraft” means an aircraft except a public aircraft.

(17) “civil aircraft of the United States” means an aircraft registered under chapter 441 of this title.

(18) “conditional sales contract” means a contract—

(A) for the sale of an aircraft, aircraft engine, propeller, appliance, or spare part, under which the buyer takes possession of the property but title to the property vests in the buyer at a later time on—

(i) paying any part of the purchase price; or

(ii) performing another condition; or

(iii) the happening of a contingency; or

(B) to bail or lease an aircraft, aircraft engine, propeller, appliance, or spare part, under which the bailee or lessee—

(i) agrees to pay an amount substantially equal to the value of the property; and

(ii) is to become, or has the option of becoming, the owner of the property on complying with the contract.
(19) “conveyance” means an instrument, including a conditional sales contract, affecting title to, or an interest in, property.
(20) “Federal airway” means a part of the navigable airspace that the Administrator designates as a Federal airway.
(21) “foreign air carrier” means a person, not a citizen of the United States, undertaking by any means, directly or indirectly, to provide foreign air transportation.
(22) “foreign air commerce” means the transportation of passengers or property by aircraft for compensation, the transportation of mail by aircraft, or the operation of aircraft in furthering a business or vocation, between a place in the United States and a place outside the United States when any part of the transportation or operation is by aircraft.
(23) “foreign air transportation” means the transportation of passengers or property by aircraft as a common carrier for compensation, the transportation of mail by aircraft, or the operation of aircraft in furthering a business or vocation, between a place in the United States and a place outside the United States when any part of the transportation or operation is by aircraft.
(24) “interstate air commerce” means the transportation of passengers or property by aircraft for compensation, the transportation of mail by aircraft, or the operation of aircraft in furthering a business or vocation—
(A) between a place in—
(i) a State, territory, or possession of the United States and a place in the District of Columbia or another State, territory, or possession of the United States;
(ii) a State and another place in the same State through the airspace over a place outside the State;
(iii) the District of Columbia and another place in the District of Columbia; or
(iv) a territory or possession of the United States and another place in the same territory or possession; and
(B) when any part of the transportation or operation is by aircraft.
(25) “interstate air transportation” means the transportation of passengers or property by aircraft as a common carrier for compensation, or the transportation of mail by aircraft—
(A) between a place in—
(i) a State, territory, or possession of the United States and a place in the District of Columbia or another State, territory, or possession of the United States;
(ii) Hawaii and another place in Hawaii through the airspace over a place outside Hawaii;
(iii) the District of Columbia and another place in the District of Columbia; or
(iv) a territory or possession of the United States and another place in the same territory or possession; and
(B) when any part of the transportation is by aircraft.
(26) “intrastate air carrier” means a citizen of the United States undertaking by any means to provide only intrastate air transportation.
(27) “intrastate air transportation” means the transportation by a common carrier of passengers or property for compensation, entirely in the same State, by turbojet-powered aircraft capable of carrying at least 30 passengers.
(28) “landing area” means a place on land or water, including an airport or intermediate landing field, used, or intended to be used, for the takeoff and landing of aircraft, even when facilities are not provided for sheltering, servicing, or repairing aircraft, or for receiving or discharging passengers or cargo.
(29) “large hub airport” means a commercial service airport (as defined in section 47102) that has at least 1.0 percent of the passenger boardings.
(30) “mail” means United States mail and foreign transit mail.
(31) “medium hub airport” means a commercial service airport (as defined in section 47102) that has at least 0.25 percent but less than 1.0 percent of the passenger boardings.
(32) “navigable airspace” means airspace above the minimum altitudes of flight prescribed by regulations under this subpart and subpart III of this part, including airspace needed to ensure safety in the takeoff and landing of aircraft.
(33) “navigate aircraft” and “navigation of aircraft” include piloting aircraft.
(34) “nonhub airport” means any of the following:
(A) the navigation of aircraft; and
(B) causing or authorizing the operation of aircraft with or without the right of legal control of the aircraft.
(35) “operate aircraft” and “operation of aircraft” mean using aircraft for the purposes of air navigation, including—
(A) the navigation of aircraft; and
(B) includes passengers who continue on an aircraft in international flight that stops at an airport in the 48 contiguous States, Alaska, or Hawaii for a nontraffic purpose.
(37) “person”, in addition to its meaning under section 1 of title 1, includes a governmental authority and a trustee, receiver, assignee, and other similar representative.
(38) “predatory” means a practice that violates the antitrust laws as defined in the first section of the Clayton Act (15 U.S.C. 12).
(39) “price” means a rate, fare, or charge.
(40) “propeller” includes a part, appurtenance, and accessory of a propeller.
(41) “public aircraft” means any of the following:
(A) Except with respect to an aircraft described in subparagraph (E), an aircraft used only for the United States Government, except as provided in section 40125(b).
(B) An aircraft owned by the Government and operated by any person for purposes re-
lated to crew training, equipment development, or demonstration, except as provided in section 40125(b).

(C) An aircraft owned and operated by the government of a State, the District of Columbia, or a territory or possession of the United States or a political subdivision of one of these governments, except as provided in section 40125(b).

(D) An aircraft exclusively leased for at least 90 continuous days by the government of a State, the District of Columbia, or a territory or possession of the United States or a political subdivision of one of these governments, except as provided in section 40125(b).

(E) An aircraft owned or operated by the armed forces or chartered to provide transportation or other commercial air service to the armed forces under the conditions specified by section 40125(c). In the preceding sentence, the term "other commercial air service" means an aircraft operation that is (i) within the United States territorial airspace; (ii) the Administrator of the Federal Aviation Administration determines is necessary to receive notice required to be given under section 40125(b).

(b) LIMITED DEFINITION.—In subpart II of this part, "control" means control by any means.

(1) "air traffic control system" means the combination of elements used to ensure adequate aircraft separation; the technical capabilities to satisfy the operational, engineering, management, and planning requirements for air traffic control.

(2) "smallest hub airport" means a commercial service airport (as defined in section 47102) that has at least 0.05 percent but less than 0.25 percent of the passenger boardings.

(3) "spare part" means an accessory, appurtenance, or part of an aircraft (except an aircraft engine or propeller), aircraft engine (except a propeller), propeller, or appliance, that is to be installed at a later time in an aircraft, aircraft engine, propeller, or appliance.

(4) "State authority" means an authority of a State designated under State law—

(A) to receive notice required to be given a State authority under subpart II of this part; or

(B) as the representative of the State before the Secretary of Transportation in any matter about which the Secretary is required to consult with or consider the views of a State authority under subpart II of this part.

(5) "ticket agent" means a person (except an air carrier, a foreign air carrier, or an employee of an air carrier or foreign air carrier) that as a principal or agent sells, offers for sale, negotiates for, or holds itself out as selling, providing, or arranging for, air transportation.

(6) "United States" means the States of the United States, the District of Columbia, and the territories and possessions of the United States, including the territorial sea and the overlying airspace.

(7) "air traffic control system" means the combination of elements used to safely and efficiently monitor, direct, control, and guide aircraft in the United States and United States-assigned airspace, including—

(A) allocated electromagnetic spectrum and physical, real, personal, and intellectual property assets making up facilities, equipment, and systems employed to detect, track, and guide aircraft movement;

(B) laws, regulations, orders, directives, agreements, and licenses;

(C) published procedures that explain required actions, activities, and techniques used to ensure adequate aircraft separation; and

(D) trained personnel with specific technical capabilities to satisfy the operational, engineering, management, and planning requirements for air traffic control.

Historical and Revision Notes

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
In subsection (a)(2), the words “by any means” are substituted for “whether . . . or by lease or any other arrangement” to eliminate unnecessary words. The word “provide” is substituted for “engage in” for consistency in the revised title.

In subsection (a)(3), the words “or navigation” are omitted as being included in the definition of “operation of aircraft” in this subsection.

In subsection (a)(4)(D), the words “having a similar purpose” are omitted as surplus.

In subsection (a)(6), the words “now known or hereafter” are omitted as surplus.

In subsection (a)(7), the words “of the engine” are substituted for “thereof” for clarity.

In subsection (a)(8)(A), the words “as the person” are omitted as surplus.

In subsection (a)(10), the word “transportation” is substituted for “carriage” for consistency in the revised title.

In subsection (a)(11), the words “of whatever description” are omitted as surplus. The word “navigation” is omitted as being included in the definition of “operate aircraft” in this subsection. The words “or mechanisms” are omitted because of 1:1.

In subsection (a)(12), added for clarity to distinguish between cargo (which includes mail) and property (which does not include mail).

In subsection (a)(13), the word “provide” is substituted for “engage in” for consistency in the revised title.

In subsection (a)(14), the words “including inclusive tour charter trips” are omitted as obsolete. The words “authorized under this part” are substituted for “rendered pursuant to authority conferred under this chapter under regulations prescribed by the Board” to eliminate unnecessary words.

In subsection (a)(15)(A), the words “or of one of its possessions” are omitted as being included in the definition of “United States” in this subsection.

In subsection (a)(15)(C), the words “created or” are omitted as being included in “organized”.

In subsection (a)(17), the words “chapter 441 of this title” are substituted for “this chapter” for clarity because aircraft are registered only under chapter 441.

In subsection (a)(18), the text of 49 App.:1301(19) (last sentence) is omitted as surplus.

In subsection (a)(18)(B)(i), the words “as compensation” are omitted as surplus.

In subsection (a)(18)(B)(ii), the words “it is agreed that”, “bound”, “full”, and “the terms of” are omitted as surplus.

In subsection (a)(19), the words “bill of sale . . . mortgage, assignment of mortgage, or other” are omitted as being included in “instrument”.

In subsection (a)(20), the words “of the United States” are omitted for consistency in the revised title and because of the definition of “navigable airspace” in this subsection.

In subsection (a)(21), the words “by any means” are substituted for “whether . . . or by lease or any other arrangement” to eliminate unnecessary words. The word “provide” is substituted for “engage in” for consistency in the revised title.

In subsection (a)(22)–(25) and (27), the words “transportation” and “passengers” are substituted for “carriage” and “persons,” respectively, for consistency in the revised title. The word “compensation” is substituted for, and is coextensive with, “compensation or hire.”

In subsection (a)(22) and (24), the words “or navigation” are omitted as being included in the definition of “operation of aircraft” in this subsection. The words “the conduct or” and “in commerce” are omitted as surplus. The words “when any part of the transportation or operation is by aircraft” are substituted for 49 App.:1301(24) (words after last semicolon) to eliminate unnecessary words.

In subsection (a)(23) and (25), the words “in commerce” are omitted as surplus. The words “when any part of the transportation is by aircraft” are substituted for 49 App.:1301(24) (words after last semicolon) to eliminate unnecessary words.

In subsection (a)(24)–(27), the words “of the United States” are omitted as surplus.

In subsection (a)(24)(A)(i) and (25)(A)(i), the words “or the District of Columbia” the first time they appear are omitted as surplus.

In subsection (a)(25)(A)(ii), the text of 49 App.:1301(24)(A) (words between semicolons) is omitted because 49 App.:1306(b)(2) removes the subject matter of the text from the definition. See H. Rept. No. 95–1211, 95th Cong., 2d Sess., p.16 (1978).

In subsection (a)(26), the words “by any means” are substituted for “whether . . . or by a lease or any other arrangement” to eliminate unnecessary words. The word “provide” is substituted for “engage in” for consistency in the revised title.

In subsection (a)(28), the word “place” is substituted for “locality” for consistency in the revised title.

In subsection (a)(32)(B), the words “(in the capacity of owner, lessee, or otherwise)” are omitted as surplus.

In subsection (a)(33), the words “in addition to its meaning under section 1 of title 1” are substituted for “any individual, firm, copartnership, corporation, company, association, joint stock association” for clarity because 1:1 is applicable to all laws unless otherwise provided. The words “governmental authority” are substituted for “body politic” for consistency in the revised title and with other titles of the United States Code.

Subsection (a)(35) is added to eliminate repetition of the words “rates, fares, or charges” throughout this part.
In subsection (a)(36), the text of 49 App.:1301(34) (1st sentence) is omitted as obsolete. Reference to the Canal Zone is omitted because of the Panama Canal Treaty of 1977. The text of 49 App.:1301(34) (last sentence) is omitted because of 48:734.

Subsection (a)(37)(A)(i) is substituted for "used exclusively in the service of any government and/or for political subdivision thereof, including the government of any State, Territory, or possession of the United States, or the District of Columbia" and "For purposes of this paragraph, used exclusively in the service of means, for other than the Federal Government" for clarity and to eliminate unnecessary words.

Subsection (a)(37)(A)(ii) is substituted for "used exclusively in the service of any government or of any political subdivision thereof, including the government of any State, Territory, or possession of the United States, or the District of Columbia" and "For purposes of this paragraph, used exclusively in the service of means, for other than the Federal Government, an aircraft which is owned and operated by a governmental entity for other than commercial purposes or which is exclusively leased by such governmental entity for not less than 90 continuous days" for clarity and to eliminate unnecessary words.

In subsection (a)(37)(B), the words "transporting passengers or property" are substituted for "engaged in carrying persons or property" for consistency in the revised title.

In subsection (a)(38), the words "that is to be installed at a later time" are substituted for "maintained for installation or use . . . but which at the time are not installed therein or attached thereto" to eliminate unnecessary words.

In subsection (a)(39), the word "authority" is substituted for "agency" and "entity" for consistency in the revised title. Before subclause (A), the words "department, agency, officer, or other" are omitted as being included in "authority".

In subsection (a)(40), the words "bona fide" and "by solicitation, advertisement, or otherwise" are omitted as surplus. The words "furnishes, contracts, etc." are omitted as being included in "authority".

In subsection (a)(41), the words "States of the United States" are substituted for "several States", and the word "sea" is substituted for "waters", for consistency in the revised title and with other titles of the Code.

Subsection (b) is substituted for 49 App.:1383 to eliminate unnecessary words.

PUBL. L. 103–429

This makes a conforming amendment for consistency with the style of title 49.

AMENDMENTS

2008—Subsec. (a)(41)(E). Pub. L. 110–181 inserted "or other commercial air service" after "transportation" and inserted at end "In the preceding sentence, the term 'other commercial air service' means an aircraft operation that (i) is within the United States territorial airspace; (ii) the Administrator of the Federal Aviation Administration determines is available for compensation or hire to the public, and (iii) must comply with all applicable civil aircraft rules under title 14, Code of Federal Regulations.

2003—Subsec. (a)(15)(C). Pub. L. 108–176, § 807, inserted "which is under the actual control of citizens of the United States," before "and which at the time are not installed therein or attached thereto".

Subsec. (a)(29) to (47). Pub. L. 108–176, § 225, added pars. (29), (31), (34), (36), and (42) and redesignated former pars. (29), (30), (31), (32), (33), (34), (35), (36), (37), (38), (39), (40), (41), (43), (44), (45), and (47), respectively.

2000—Subsec. (a)(37). Pub. L. 106–181, § 107(a), amended par. (37) generally, revising and restating provisions defining "public aircraft" to include references to qualifications found in section 40125(b) and (c).

Subsec. (a)(35). Pub. L. 103–35 struck out "for air transportation" after "charge".

Subsec. (a)(37)(B). Pub. L. 103–411 added subpar. (B) and struck out former subpar. (B) which read as follows: "does not include a government-owned aircraft transporting passengers or property for commercial purposes."

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 103–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 103–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 2000 AMENDMENT

EFFECTIVE DATE OF 1994 AMENDMENTS

Amendment by Pub. L. 103–411 effective on the 180th day following Oct. 25, 1994, see section 3(d) of Pub. L. 103–411, set out as a note under section 1131 of this title.

TERRITORIAL SEA OF UNITED STATES

For extension of territorial sea of United States, see Proc. No. 5928, set out as a note under section 1331 of Title 43, Public Lands.

DEFINITIONS OF TERMS IN PUBL. L. 107–71

Pub. L. 107–71, title I, § 133, Nov. 19, 2001, 115 Stat. 636, provided that: "Except as otherwise explicitly provided, any term used in this Act [see Tables for classification] that is defined in section 40102 of title 49, United States Code, has the meaning given that term in that section."

DEFINITIONS APPLICABLE TO PUBL. L. 106–181

Pub. L. 106–181, § 4, Apr. 5, 2000, 114 Stat. 64, provided that: "Except as otherwise provided in this Act [see Tables for classification], the following definitions apply:

"(1) ADMINISTRATOR.—The term 'Administrator' means the Administrator of the Federal Aviation Administration.

"(2) SECRETARY.—The term 'Secretary' means the Secretary of Transportation."

DEFINITIONS APPLICABLE TO PUBL. L. 103–305

Section 2 of Pub. L. 103–305 provided that: "In this Act [see Short Title of 1994 Amendment note set out under section 40101 of this title], the following definitions apply:

"(1) ADMINISTRATOR.—The term 'Administrator' means the Administrator of the Federal Aviation Administration.

"(2) SECRETARY.—The term 'Secretary' means the Secretary of Transportation."

§ 40103. Sovereignty and use of airspace

(a) SOVEREIGNTY AND PUBLIC RIGHT OF TRANSPORT.—(1) The United States Government has exclusive sovereignty of airspace of the United States.

(2) A citizen of the United States has a public right of transit through the navigable airspace. To further that right, the Secretary of Transportation shall consult with the Architectural
and Transportation Barriers Compliance Board established under section 502 of the Rehabilitation Act of 1973 (29 U.S.C. 792) before prescribing a regulation or issuing an order or procedure that will have a significant impact on the accessibility of commercial airports or commercial air transportation for handicapped individuals.

(b) USE OF AIRSPACE.—(1) The Administrator of the Federal Aviation Administration shall develop plans and policy for the use of the navigable airspace and assign by regulation or order the use of the airspace necessary to ensure the safety of aircraft and the efficient use of airspace. The Administrator may modify or revoke an assignment when required in the public interest.

(2) The Administrator shall prescribe air traffic regulations on the flight of aircraft (including regulations on safe altitudes) for—
(A) navigating, protecting, and identifying aircraft;
(B) protecting individuals and property on the ground;
(C) using the navigable airspace efficiently; and
(D) preventing collision between aircraft, between aircraft and land or water vehicles, and between aircraft and airborne objects.

(3) To establish security provisions that will encourage and allow maximum use of the navigable airspace by civil aircraft consistent with national security, the Administrator, in consultation with the Secretary of Defense, shall—
(A) establish areas in the airspace the Administrator decides are necessary in the interest of national defense; and
(B) by regulation or order, restrict or prohibit flight of civil aircraft that the Administrator cannot identify, locate, and control with available facilities in those areas.

(4) Notwithstanding the military exception in section 553(a)(1) of title 5, subchapter II of chapter 9, of title 49, the Administrator may modify or revoke an area when required in the public interest.

(c) FOREIGN AIRCRAFT.—A foreign aircraft, not part of the armed forces of a foreign country, may be navigated in the United States only when authorized by the Secretary of State.

(d) AIRCRAFT OF ARMED FORCES OF FOREIGN COUNTRIES.—Aircraft of the armed forces of a foreign country may be navigated in the United States only when authorized by the Secretary of State.

(e) NO EXCLUSIVE RIGHTS AT CERTAIN FACILITIES.—A person does not have an exclusive right to use an air navigation facility on which Government money has been expended. However, providing services at an airport by only one fixed-based operator is not an exclusive right if—
(1) it is unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide the services; and
(2) allowing more than one fixed-based operator to provide the services requires a reduction in space leased under an agreement existing on September 3, 1982, between the operator and the airport.

In clause (2), the words “on September 3, 1982” are added for clarity.

REGULATIONS
Pub. L. 89–670, title VI, § 613(a), (b), as added by Pub. L. 101–508, title IX, § 9124, Nov. 5, 1990, 104 Stat. 1388–370, provided that:

“(a) NATIONAL DISASTER AREAS.—Before the 180th day following the date of the enactment of this section [Nov. 5, 1990], the Administrator, for safety and humanitarian reasons, shall issue such regulations as may be necessary to prohibit or otherwise restrict aircraft overflights of any inhabited area which has been declared a national disaster area in the State of Hawaii.

“(b) EXCEPTIONS.—Regulations issued pursuant to subsection (a) shall not be applicable in the case of aircraft overflights involving an emergency or a legitimate [sic] scientific purpose.”

NATIONAL AIRSPACE REDESIGN
Pub. L. 106–181, title VII, § 736, Apr. 5, 2000, 114 Stat. 171, provided that:

“(a) FINDINGS.—Congress makes the following findings:

“(1) The national airspace, comprising more than 29 million square miles, handles more than 55,000 flights per day.

“(2) Almost 2,800,000 passengers per day traverse the United States through 20 major en route centers, including more than 700 different sectors.

“(3) Redesign and review of the national airspace may produce benefits for the travelling public by increasing the efficiency and capacity of the air traffic control system and reducing delays.

“(4) Redesign of the national airspace should be a high priority for the Federal Aviation Administration and the air transportation industry.

“(b) REDESIGN.—The Administrator [of the Federal Aviation Administration], with advice from the aviation industry and other interested parties, shall conduct a comprehensive redesign of the national airspace system.

“(c) REPORT.—Not later than December 31, 2000, the Administrator shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the Administrator’s comprehensive national airspace redesign. The report shall include projected milestones for completion of the redesign and shall also include a date for completion.

“(d) AUTHORIZATION.—There is authorized to be appropriated to the Administrator to carry out this section $12,000,000 for each of fiscal years 2000, 2001, and 2002.”

§ 40104. Promotion of civil aeronautics and safety of air commerce

(a) DEVELOPING CIVIL AERONAUTICS AND SAFETY OF AIR COMMERCE.—The Administrator of the Federal Aviation Administration shall encourage the development of civil aeronautics and safety of air commerce in and outside the United States. In carrying out this subsection, the Administrator shall take action that the Administrator considers necessary to establish, within available resources, a program to distribute civil aviation information in each region served by the Administration. The program shall provide, on request, informational material and expertise on civil aviation to State and local school administrators, college and university officials, and officers of other interested organizations.

(b) INTERNATIONAL ROLE OF THE FAA.—The Administrator shall promote and achieve global improvements in the safety, efficiency, and environmental effect of air travel by exercising leadership with the Administrator’s foreign counterparts, in the International Civil Aviation Organization and its subsidiary organizations, and other international organizations and fora, and with the private sector.

(c) AIRPORT CAPACITY ENHANCEMENT PROJECTS AT CONGESTED AIRPORTS.—In carrying out subsection (a), the Administrator shall take action to encourage the construction of airport capacity projects at congested airports as those terms are defined in section 47176.1

(Historical and Revision Notes)

HISTORICAL AND REVISION NOTES

The words “and foster” in 49 App.:1346 are omitted as surplus. The words “In carrying out this section” are substituted for “In furtherance of his mandate to promote civil aviation” in 49 App.:1346a because of the re-statement. The word “Administrator” is substituted for “Secretary of Transportation acting through the Administrator of the Federal Aviation Administration” for consistency with the source provisions restated in this section. The words “be designed so as to”, “various aspects of”, and “civil and” are omitted as surplus.

This makes conforming amendments to 49:40104, as enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1102), because of the restatement of 49 App.:1655(c)(1) (words after last comma) as 49:40104(b) by section 6(47)(C) of the bill.

REFERENCES IN TEXT
Section 47176, referred to in subsec. (c), probably should be a reference to section 47175 of this title, which defines “congested airport” and “airport capacity enhancement project”. No section 47176 of this title has been enacted.

AMENDMENTS
2003—Subsec. (b). Pub. L. 108–176, § 813, amended heading and text of subsec. (b) generally. Prior to amendment, text read as follows: “The Secretary of Transportation may develop and construct a civil supersonic aircraft.”

Subsec. (c), Pub. L. 108–176, § 303, added subsec. (c).

1 See References in Text note below.
§ 40105. International negotiations, agreements, and obligations

(a) ADVICE AND CONSULTATION.—The Secretary of State shall advise the Administrator of the Federal Aviation Administration and the Secretaries of Transportation and Commerce, and consult with them as appropriate, about negotiations for an agreement with a government of a foreign country to establish or develop air navigation, including air routes and services. The Secretary of Transportation shall consult with the Secretary of State in carrying out this part to the extent this part is related to foreign air transportation.

(b) ACTIONS OF SECRETARY AND ADMINISTRATOR.—(1) In carrying out this part, the Secretary of Transportation and the Administrator—

(A) shall act consistently with obligations of the United States Government under an international agreement;

(B) shall consider applicable laws and requirements of a foreign country; and

(C) may not limit compliance by an air carrier with obligations or liabilities imposed by the government of a foreign country when the Secretary takes any action related to a certificate of public convenience and necessity issued under chapter 411 of this title.

(2) This subsection does not apply to an agreement between an air carrier or an officer or representative of an air carrier and the government of a foreign country, if the Secretary of Transportation disapproves the agreement because it is not in the public interest. Section 40106(b)(2) of this title applies to this subsection.

(c) CONSULTATION ON INTERNATIONAL AIR TRANSPORTATION POLICY.—In carrying out section 40101(c) of this title, the Secretaries of State and Transportation, to the maximum extent practicable, shall consult on broad policy goals and individual negotiations with—

(1) the Secretaries of Commerce and Defense;

(2) airport operators; and

(3) scheduled air carriers;

(4) charter air carriers;

(5) airline labor;

(6) consumer interest groups;

(7) travel agents and tour organizers; and

(8) other groups, institutions, and governmental authorities affected by international aviation policy.

(d) CONGRESSIONAL OBSERVERS AT INTERNATIONAL AVIATION NEGOTIATIONS.—The President shall grant to at least one representative of each House of Congress the privilege of attending international aviation negotiations as an observer if the privilege is requested in advance in writing.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 1102.)

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a), the words “government of a foreign country” are substituted for “foreign governments” in 49 App.:1462 and “foreign country” in 49 App.:1550(a) for consistency in the revised title and with other titles of the United States Code. The words “Secretary of Transportation” are substituted for “Department of Transportation” in 49 App.:1551(b)(1)(B) and clause (2) because of 49102(b). The words “Secretary of State” are substituted for “Department of State” because of 22:2651.

In subsection (b)(1), before clause (A), the words “carrying out” are substituted for “exercising and performing . . . powers and duties” for consistency in the revised title and with other titles of the Code.

In clause (A), the words “an international agreement” are substituted for “any treaty, convention, or agreement that may be in force between the United States and any foreign country or foreign countries” for consistency and to eliminate unnecessary words. In clause (C), the word “public” is added for consistency in this part.

In subsection (b)(2), the words “obligation, duty, or liability arising out of a contract or other” and “here-tofore or hereafter” are omitted as surplus. The words “government of a foreign country” are substituted for “foreign country” for consistency in the revised title and with other titles of the Code. The last sentence is inserted to inform the reader that section 40106(b)(2) of the revised title qualifies this subsection.

In subsection (c), before clause (1), the words “‘To assist’ are omitted as surplus. The words “carrying out” are substituted for “developing and implementing” for consistency in the revised title and with other titles of the Code. The word “both” is omitted as surplus. In clause (8), the words “authorities” are substituted for “agencies” for consistency in the revised title and with other titles of the Code.
§ 40106 TITLE 49—TRANSPORTATION

RECIPROCAL AIRWORTHINESS CERTIFICATION

“(a) IN GENERAL.—As part of their bilateral negotiations with foreign nations and their civil aviation counterparts, the Secretary of State and the Administrator of the Federal Aviation Administration shall facilitate the reciprocal airworthiness certification of aviation products.

“(b) RECIPROCAL AIRWORTHINESS DEFINED.—In this section, the term ‘reciprocal airworthiness certification of aviation products’ means that the regulatory authorities of each nation perform a similar review in certifying or validating the certification of aircraft and aircraft components of other nations.’’

REPORT ON CERTAIN BILATERAL NEGOTIATIONS
Pub. L. 103–305, title V, §519, Aug. 23, 1994, 108 Stat. 1600, provided that: “The Secretary shall report every other month to the Committee on Public Works and Transportation (now Committee on Transportation and Infrastructure) of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the status of all active bilateral and multilateral negotiations and informal government-to-government consultations with United States aviation trade partners.”

§ 40106. Emergency powers

(a) DEVIAIONS FROM REGULATIONS.—Appropriate military authority may authorize aircraft of the armed forces of the United States to deviate from air traffic regulations prescribed under section 40103(b)(1) and (2) of this title when the authority decides the deviation is essential to the national defense because of a military emergency or urgent military necessity. The authority shall—

(1) give the Administrator of the Federal Aviation Administration prior notice of the deviation at the earliest practicable time; and

(2) to the extent time and circumstances allow, make every reasonable effort to consult with the Administrator and arrange for the deviation in advance on a mutually agreeable basis.

(b) SUSPENSION OF AUTHORITY.—(1) When the President decides that the government of a foreign country is acting inconsistently with the Convention for the Suppression of Unlawful Seizure of Aircraft or that the government of a foreign country allows territory under its jurisdiction to be used as a base of operations or training of, or as a sanctuary for, or arms, aids, or abets, a terrorist organization that knowingly uses the unlawful seizure, or the threat of an unlawful seizure, of an aircraft as an instrument of terrorism, the President may suspend the authority of—

(A) an air carrier or foreign air carrier to provide foreign air transportation to and from that foreign country;

(B) a person to operate aircraft in foreign air commerce to and from that foreign country;

(C) a foreign air carrier to provide foreign air transportation between the United States and another country that maintains air service with the foreign country; and

(D) a foreign person to operate aircraft in foreign air commerce between the United States and another country that maintains air service with the foreign country.

(2) The President may act under this subsection without notice or a hearing. The suspension remains in effect for as long as the President decides is necessary to ensure the security of aircraft against unlawful seizure. Notwithstanding section 40105(b) of this title, the authority of the President to suspend rights under this subsection is a condition to a certificate of public convenience and necessity, air carrier operating certificate, foreign air carrier or foreign aircraft permit, or foreign air carrier operating specification issued by the Secretary of Transportation under this part.

(3) An air carrier or foreign air carrier may not provide foreign air transportation, and a person may not operate aircraft in foreign air commerce, in violation of a suspension of authority under this subsection.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
40106(b) | 49 App.:1514. | 49 App.:1551(b)(1)(E).
40106(c) | 49 App.:1551(b)(1)(E). | 49 App.:1655(c)(1).

In subsection (a), before clause (1), the words “armed forces” are substituted for “national defense forces” because of 10:101. The words “section 40105(b) and (2) of this title” are substituted for “this subsection” as being more precise. In clauses (1) and (2), the word “Administrator” in section 307(f) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 750) is retained on authority of 49:106(g). In clause (2), the words “fully” and “required” are omitted as surplus.

In subsection (b)(1), the words “government of a foreign country” are substituted for “foreign nation” for consistency in the revised title and with other titles of the Code. Before clause (A), the words “in a manner” and “in any way” are omitted as surplus. The word “authority” is substituted for “right” as being more precise and for consistency in the revised title.

In subsection (b)(2), the words “deemed to be” are omitted because a legal conclusion is being stated.

In subsection (b)(3), the words “by the President” are omitted as surplus.

AIRCRAFT PIRACY

§ 40107. Presidential transfers

(a) GENERAL AUTHORITY.—The President may transfer to the Administrator of the Federal Aviation Administration a duty, power, activity, or facility of a department, agency, or instrumentality of the executive branch of the United States Government, or an officer or unit of a department, agency, or instrumentality of the executive branch, related primarily to selecting, developing, testing, evaluating, establishing, operating, or maintaining a system, procedure, facility, or device for safe and efficient air navigation and air traffic control. In making
a transfer, the President may transfer records and property and make officers and employees from the department, agency, instrumentality, or unit available to the Administrator.

(b) DURING WAR.—If war occurs, the President by executive order may transfer to the Secretary of Defense a duty, power, activity, or facility of the Administrator. In making the transfer, the President may transfer records, property, officers, and employees of the Administration to the Department of Defense.

In this section, the words ‘functions (including . . . parts of functions)’ are omitted as included in ‘duty, power, activity, or facility’.

In subsection (a), the words ‘of a department, agency, or instrumentality of the executive branch of the United States Government’ are substituted for ‘the executive departments or agencies of the Government’ for consistency in the revised title and with other titles of the United States Code. The word ‘unit’ is substituted for ‘organizational entity’ for clarity. The words ‘appropriate’ and ‘civilian and military’ are omitted as surplus. The words ‘officers and employees’ are substituted for ‘personnel’ for consistency in the revised title and with other titles of the Code. The words ‘to the Administrator’ are added for clarity.

In subsection (b), the text of 49 App.:1343(c) (words before proviso) is omitted as obsolete. The words ‘Secretary of Defense’ are substituted for ‘Department of Defense’ because of 10:133(a). The words ‘prior to enactment of such proposed legislation’ are omitted as obsolete because the legislation was not enacted. The word ‘appropriate’ is omitted as surplus. The words ‘of the Administration to the Department of Defense’ are added for clarity.

**EX. ORD. NO. 10786. TRANSFER OF FUNCTIONS OF THE AIRWAYS MODERNIZATION BOARD TO THE ADMINISTRATOR**

Ex. Ord. No. 10786, Nov. 1, 1958, 23 F.R. 8573, provided:

**SECTION 1.** All functions (including powers, duties, activities, and parts of functions) of the Airways Modernization Board, including those of the Chairman thereof, are hereby transferred to the Administrator of the Federal Aviation Agency; and all records, property, facilities, employees, and unexpended balances of appropriations, allocations, and other funds of the Airways Modernization Board, are hereby transferred to the Federal Aviation Agency [now Federal Aviation Administration].

Sec. 2. Such further measures and dispositions, if any, as the Director of the Bureau of the Budget (now the Office of Management and Budget) shall determine to be necessary in connection with the transfers provided for hereinabove in respect of records, property, facilities, employees, and balances shall be carried out in such manner as he shall direct and by such agencies as he shall designate.

Sec. 3. The provisions of this order shall become effective concurrently with the entering upon office as Administrator of the Federal Aviation Agency (now Federal Aviation Administration) of the first person appointed as Administrator. The functions transferred by section 1 hereof may be performed by the Administrator until the effective date of the repeal [Aug. 23, 1958] of the Airways Modernization Act of 1957 (former 49 U.S.C. 1211 et seq.) effected by section 1401(d) of the Federal Aviation Act of 1958 (Pub. L. 85–726).

**Dwight D. Eisenhower.**

**EX. ORD. NO. 10797. DELEGATION OF AUTHORITY TO THE DIRECTOR OF THE OFFICE OF MANAGEMENT AND BUDGET**

Ex. Ord. No. 10797, Dec. 24, 1958, 23 F.R. 10891, provided:

**SECTION 1.** There is hereby delegated to the Director of the Bureau of the Budget [now the Office of Management and Budget] all authority vested in the President by the last sentence of section 304 [see 49 U.S.C. 40107(a)], and by sections 1502(a) and 1502(b), of the Federal Aviation Act of 1958 (72 Stat. 749, 810) [Pub. L. 85–726, former 49 U.S.C. 1341 note], relating, respectively, (1) to providing in connection with transfers of functions made under other provisions of section 304, (i) for appropriate transfers of records and property; and (ii) for necessary civilian and military personnel to be made available from any office, department, or other agency from which transfers of functions are so made; (2) to determining the employees and property (including office equipment and official equipment and official records) employed by the Civil Aeronautics Board in the exercise and performance of those powers and duties which are vested in and imposed upon it by the Civil Aeronautics Act of 1938, as amended, [49 U.S.C. 401 et seq.], and which are vested by the Federal Aviation Act of 1958 [see 49 U.S.C. 40101 et seq.] in the Federal Aviation Agency, and to specifying the date or dates upon which the transfers of officers, employees, and property [including office equipment and official records] under section 1502(a) shall occur; and (3) specifying the date or dates upon which transfers of unexpended balances of appropriations under section 1502(b) shall occur. Such further measures and dispositions as the Director of the Bureau of the Budget [now the Office of Management and Budget] shall determine to be necessary in connection with the exercise of the authority delegated to him by this section shall be carried out in such manner as he shall direct and by such agencies as he shall designate.

Sec. 2. Executive Order No. 10731 of October 10, 1957, delegating to the Director of the Bureau of the Budget [now the Office of Management and Budget] the authority vested in the President by a certain provision of the Airways Modernization Act of 1957 [former 49 U.S.C. 1211 et seq.], is hereby revoked, such revocation to become effective on the date the repeal of that act takes effect under sections 1401(d) [repealing former 49 U.S.C. 1211–1215] and 1505(2) [former 49 U.S.C. 1301 note] of the Federal Aviation Act of 1958 (72 Stat. 806, 811).

Sec. 3. Except as otherwise provided in section 2 hereof, the provisions of this order shall become effective immediately.

**Dwight D. Eisenhower.**

**EX. ORD. NO. 11047. DELEGATION OF AUTHORITY TO SECRETARY OF DEFENSE AND ADMINISTRATOR**

By the virtue of the authority vested in me by section 301 of title 3 of the United States Code, and as President of the United States, it is ordered as follows:

**SECTION 1.** The Secretary of Defense and the Administrator of the Federal Aviation Agency (now Federal Aviation Administration) are hereby designated and empowered to exercise jointly, without the approval, ratification, or other action of the President, the authority vested in the President by the first sentence of section 304 of the Federal Aviation Act of 1958 (72 Stat. 749; 49 U.S.C. 1345 [first sentence]) [see 49 U.S.C. 40107(a)] to transfer functions (including, as used in this order, powers, duties, activities, facilities, and parts of functions) as described in that sentence to the extent that the said authority is in respect of transfers from the Department of Defense or any officer.
or organizational entity thereof to the Administrator of the Federal Aviation Administration of functions relating to flight inspection of air navigation facilities.

Section 2. The Administrator and the Secretary shall exercise the authority hereinabove delegated to them only as they shall deem such exercise to be necessary or desirable in the interest of promoting, in respect of either civil or military aviation, or both, safe and efficient air navigation and air traffic control.

Section 3. (a) To the extent necessitated by transfers of functions effected under the provisions of Section 1 of this order:

(1) Transfers of balances of appropriations available and necessary to finance and discharge the transferred functions shall be made under the authority of Section 202(b) of the Budget and Accounting Procedures Act of 1950 (31 U.S.C. 581(c)(b) (see 31 U.S.C. 1531)) as affected by the provisions of section 1(k) of Executive Order No. 10530 of May 10, 1954 [set out as a note under section 301 of Title 3, The President].

(2) Provisions for appropriate transfers of records and property shall be made under the authority of the last sentence of Section 304 of the Federal Aviation Act of 1958 (see 49 U.S.C. 40107(a)) as affected by the provisions of Section 1 of Executive Order No. 10797 of December 24, 1958 [set out above].

(b) Provisions for appropriate transfers of records and property shall be made under the authority of the last sentence of Section 304 of the Federal Aviation Act of 1958 (see 49 U.S.C. 40107(a)) as affected by the provisions of Section 1 of this order, all appropriate information in respect to any transfers or other arrangements proposed to be made in connection therewith under the provisions of Section 3 hereof, together with copy of the order or other transfer instrument proposed to be executed by them.

(b) In connection with any particular action or actions under Section 1 of this order, the Director of the Office of Management and Budget may either waive the requirements of Section 4(a), above, or reduce the 30 day period there prescribed.

EX. ORD. No. 1161. TRANSFER OF FEDERAL AVIATION AGENCY TO DEFENSE DEPARTMENT IN EVENT OF WAR

Ex. Ord. No. 1161, eff. July 7, 1964, 29 F.R. 9317, as amended by Ex. Ord. No. 11382, eff. Nov. 28, 1967, 32 F.R. 16247, provided:

WHEREAS Section 302(e) of the Federal Aviation Act of 1958 (see 49 U.S.C. 40107(b)) provides, in part, that in the event of war the President by Executive order may transfer to the Department of Defense any functions (including powers, duties, activities, facilities, and parts of functions) of the Federal Aviation Administration; and

WHEREAS it appears that the defense of the United States would require the transfer of the Federal Aviation Administration to the Department of Defense in the event of war; and

WHEREAS if any such transfer were to be made it would be essential to the defense of the United States that the transition be accomplished promptly and with minimum loss and effectiveness; and

WHEREAS these objectives require that the relationships that would obtain in the event of such a transfer as between the Federal Aviation Administration and the Department of Defense be understood in advance by the two agencies concerned and be developed in necessary detail by them in advance of transfer.

NOW, THEREFORE, by virtue of the authority vested in me by Section 302(e) (72 Stat. 746; 49 U.S.C. 1343(c)) [see 49 U.S.C. 40107(b)], and as President of the United States and Commander in Chief of the Armed Forces of the United States, it is hereby ordered as follows:

SECTION 1. The Secretary of Defense and the Secretary of Transportation are hereby directed to prepare and develop plans, procedures, programs, and courses of action in anticipation of the probable transfer of the Federal Aviation Administration to the Department of Defense in the event of war. Those plans, procedures, programs, and courses of action shall be prepared and developed in conformity with the following-described standards and conditions—

(A) The Federal Aviation Administration will function as an adjunct of the Department of Defense with the Federal Aviation Administrator being responsible directly to the Secretary of Defense and subject to his authority, direction, and control to the extent deemed necessary by the Secretary to be necessary for the discharge of his responsibilities as Secretary of Defense.

(B) To the extent deemed by the Secretary of Defense to be necessary for the accomplishment of the military mission, he will be authorized to direct the Administrator to place operational elements of the Federal Aviation Administration under the direct operational control of appropriate military commanders.

(C) While functioning as an adjunct of the Department of Defense, the Federal Aviation Administration will remain organizationally intact and the Administrator thereof will retain responsibility for administration of his statutory functions, subject to the authority, direction, and control of the Secretary of Defense to the extent deemed by the Secretary to be necessary for the discharge of his responsibilities as Secretary of Defense.

SECTION 2. In furtherance of the objectives of the foregoing provisions of this order, the Secretary of Defense and the Secretary of Transportation shall, to the extent permitted by law, make such arrangements and take such actions as they deem necessary to assure—

(A) That the functions of the Federal Aviation Administration are performed during any period of national emergency short of war in a manner that will assure that essential national defense requirements will be satisfied during any such period of national emergency.

(B) Consistent with the provisions of paragraphs (A), (B), and (C) of Section 1 of this order, that any transfer of the Federal Aviation Administration to the Department of Defense, in the event of war, will be accomplished smoothly and rapidly and effective operation of the agencies and functions affected by the transfer will be achieved after the transfer.

LYNDON B. JOHNSON.

§ 40108. Training schools

(a) AUTHORITY TO OPERATE.—The Administrator of the Federal Aviation Administration may operate schools to train officers and employees of the Administration to carry out duties, powers, and activities of the Administrator.

(b) ATTENDANCE.—The Administrator may authorize officers and employees of other departments, agencies, or instrumentalities of the United States Government, officers and employees of governments of foreign countries, and individuals from the aeronautics industry to attend those schools. However, if the attendance of any of those officers, employees, or individuals increases the cost of operating the schools, the Administrator may require the transfer of amounts or other consideration to offset the additional cost. The amount received may be credited to the appropriation current when the expenditures are or were paid, the ap-
proprietor'' are substituted for ''in those subjects necessary
carry out duties, powers, and activities of the Adminis-
other titles of the United States Code. The words ''to
the revised title.
for the proper performance of all authorized functions
of the Administration'' for clarity and consistency in
the Code. The words ''courses given in'', ''sufficient'',
tries'' are substituted for ''foreign governments'', for
States Government'' are substituted for ''govern-
(1) and in part as provided under clause (2)'' to elimi-
nation.
In subsection (a), the words “officers and” are added
for clarity and consistency in the revised title and with
other titles of the United States Code. The words “to
carry out duties, powers, and activities of the Adminis-
” are substituted for “in those subjects necessary
for the proper performance of all authorized functions
of the Administration” for clarity and consistency in
the revised title.
In subsection (b), the words “officers and employees”
are substituted for “personnel”, the words “depart-
ments, agencies, or instrumentalities of the United
States Government” are substituted for “governmental”,
and the words “governments of foreign countries”
are substituted for “foreign governments”, for
consistency in the revised title and with other titles of
the Code. The words “courses given in”, “sufficient”,
and “appropriate” are omitted as surplus. The text of
49 App.1354(d) (1st sentence) is omitted as unnecessary
because chapter 41 of title 5, United States Code,
applies to all training of employees. The words “or both”
are substituted for “(3) in part as provided under clause
(1) and in part as provided under clause (2)” to elimi-
nate unnecessary words.

§ 40109. Authority to exempt

(a) AIR CARRIERS AND FOREIGN AIR CARRIERS
NOT ENGAGED DIRECTLY IN OPERATING AIR-
CRAFT.—(1) The Secretary of Transportation
may exempt from subpart II of this part—
(A) an air carrier not engaged directly in
operating aircraft in air transportation; or
(B) a foreign air carrier not engaged directly
in operating aircraft in foreign air transporta-
(2) The exemption is effective to the extent
and for periods that the Secretary decides are in
the public interest.
(b) SAFETY REGULATION.—The Administrator
of the Federal Aviation Administration may
grant an exemption from a regulation prescribed
in carrying out sections 40103(b)(1) and (2), 40119,
44901, 44903, 44906, and 44905–44907 of this title
when the Administrator decides the exemption
is in the public interest.
(c) OTHER ECONOMIC REGULATION.—Except as
provided in this section, the Secretary may ex-
empt to the extent the Secretary considers nec-
-2019/12/02-READ.html
tation in certain markets if the Secretary finds that—

(A) because of an emergency created by unusual circumstances not arising in the normal course of business, air carriers holding certificates under section 41102 of this title cannot accommodate traffic in those markets;

(B) all possible efforts have been made to accommodate the traffic by using the resources of the air carriers, including the use of—

(i) foreign aircraft, or sections of foreign aircraft, under lease or charter to the air carriers; and

(ii) the air carriers’ reservations systems to the extent practicable;

(C) the exemption is necessary to avoid unreasonable hardship for the traffic in the markets that cannot be accommodated by the air carriers; and

(D) granting the exemption will not result in an unreasonable advantage to any party in a labor dispute where the inability to accommodate traffic in a market is a result of the dispute.

(2) When the Secretary grants an exemption to a foreign air carrier under this subsection, the Secretary shall—

(A) ensure that air transportation that the foreign air carrier provides under the exemption is made available on reasonable terms;

(B) monitor continuously the passenger load factor of air carriers in the market that hold certificates under section 41102 of this title; and

(C) review the exemption at least every 30 days to ensure that the unusual circumstances that established the need for the exemption still exist.

(3) The Secretary may renew an exemption (including renewals) under this subsection for not more than 30 days. An exemption may continue for not more than 5 days after the unusual circumstances that established the need for the exemption cease.

(h) Notice and Opportunity for Hearing.—

The Secretary may act under subsections (d) and (f)(3)(B) of this section only after giving the air carrier notice and an opportunity for a hearing.

HISTORICAL AND REVISION NOTES—PUB. L. 103–272

Revised Section Source (U.S. Code) Source (Statutes at Large)

40109(a) ...... 49 App.:1301(3) (proviso).

40109(b) ...... 49 App.:1396(b)(3).

40109(c) ...... 49 App.:1396(b)(2).

40109(d) ...... 49 App.:1396(b)(4).

40109(e) ...... 49 App.:1396(b)(5).

40109(f) ...... 49 App.:1396(b)(6).

40109(g) ...... 49 App.:1396(b)(7).

40109(h) ...... 49 App.:1396(b)(8).

In this section, the words “requirements of”, “term”, and “or limitation” are omitted as surplus. The word “rule” is substituted for “regulation”. The word “reasonable” is substituted for “undue” for consistency in the revised title and with other titles of the United States Code.

In subsection (a)(1), before clause (A), the words “by order” are omitted as unnecessary because of 5ch. 5, subch. II. The word “exempt” is substituted for “relieve” for consistency in this section.

In subsection (a)(2), the words “that the Secretary decides” are added for clarity.

In subsections (b), (c), and (f)(1)(B), the words “from time to time” are omitted as unnecessary.

In subsection (d), before clause (1), the words “to the extent” are omitted as surplus.

In subsection (f)(1), before clause (A), the words “Subject to paragraph (5) of this subsection” and “in air transportation” are omitted as surplus. The words “the Secretary may exempt” are substituted for “as may be prescribed in regulations promulgated by the Board” for clarity and to eliminate unnecessary words. In clause (A)(ii), the word “capacity” is omitted as surplus. In clause (B), the word “reasonable” is omitted as surplus. The word “prescribes” is substituted for “adopt” for consistency in the revised title and with other titles of the Code. The words “in the public interest” are omitted as surplus.

In subsection (f)(2), the words “by regulation” are omitted as surplus. The word “payload” is substituted for “property” for consistency in this subsection. The words “specified in this paragraph” are omitted as surplus.

In subsection (f)(3), the words “the State of” are omitted as surplus.

In subsection (f)(3)(A), the words “under this subsection” are substituted for “from section 371 of this title or any other requirement of this chapter”, the words “2 places” are substituted for “points both of which are”, and the word “between” is substituted for “one of which is in ... and the other in”, to eliminate unnecessary words.

In subsection (f)(3)(B), the word “only” is added for clarity. The words “promulgated by the Board”, “by such air carrier to points within such State”, and “but not limited to” are omitted as surplus. The word “Alas-
ka” is substituted for “such State” for clarity. The cross-reference is to section 41732(b)(1)(B) to correct an error in the source provisions. The cross-reference in 49 App.:388(c)(2) should have been to 49 App.:1389(f)(2). This error was not corrected when 49 App.:1389 was restated by section 202(b) of the Airport and Airway Safety and Capacity Expansion Act of 1987 (Public Law 100–252, 101 Stat. 1508). The comparable provision is 49 App.:1389(c)(1)(A)(ii), restated as section 41732(b)(1)(B).

In subsection (g), the word “exemption” is substituted for “authorization” and “authority” for clarity and consistency.

In subsection (g), before clause (A), the words “required”, “a period”, and “to the extent necessary” are omitted as surplus. The word “mail” is omitted as being included in “cargo”. In clause (B), before subclause (i), the words “for example” are omitted as surplus.

In subsection (h), the words “The Secretary may act under subsections (d) and (f)(3)(B) of this section” are added because of the restatement. The word “notice” does not appear in 49 App.:388(b)(6) (words between 5th and 8th commas) but is made applicable to both of the restated source provisions for consistency with subchapter II of chapter 5 of title 5, United States Code. The words “opportunity for a” are added for consistency in the revised title.

PUB. L. 104–287

This amends 49:40109(c) to correct an error in the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1105), to include in the cross-reference sections enacted after the cutoff date for the codification of title 49 as enacted by section 1 of the Act (Public Law 103–272, 108 Stat. 745), and to make it easier to include future sections in the cross-reference by restating it in terms of chapters.

AMENDMENTS

1996—Subsec. (c). Pub. L. 104–287, §8(65)(A), substituted “sections 44009 and 46301(b)” for “section 46301(b)”.

Pub. L. 104–287, §5(65)(A), substituted “chapter 413 (except sections 41308 and 41310(b)–(f)), chapter 415 (except sections 41501, 41503, 41504, 41506, 41510, 41511, 41701, 41702, 41705–41709, 41711, 41712, and 41714)” for “sections 41301–41306, 41308–41310(a), 41301, 41303, 41304, 41308, 41309, 41310(a)”, “41501, 41503, 41504, 41506, 41510, 41511, 41701, 41702, 41705–41709, 41711, 41712, and 41714”.

EFFECTIVE DATE OF 1996 AMENDMENT

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5303 of this title.

AUTHORITY TO GRANT EXEMPTIONS TO GOVERNMENT AIRCRAFT

Pub. L. 103–411, §3(b), Oct. 25, 1994, 108 Stat. 4237, provided that:

“(1) IN GENERAL.—The Administrator of the Federal Aviation Administration may grant an exemption to any unit of Federal, State, or local government from any requirement of part A of subtitle VII of title 49, United States Code, that would otherwise be applicable to current or future aircraft of such unit of government as a result of the amendment made by subsection (a) of this section (amending section 40102 of this title).

“(2) REQUIREMENTS.—The Administrator may grant an exemption under paragraph (1) only if—

“(A) the Administrator finds that granting the exemption is necessary to prevent an undue economic burden on the unit of government; and

“(B) the Administrator certifies that the aviation safety of the unit of government is effective and appropriate to ensure safe operations of the type of aircraft operated by the unit of government.”

§ 40110. General procurement authority

(a) GENERAL.—In carrying out this part, the Administrator of the Federal Aviation Administration—

(1) to the extent that amounts are available for obligation, may acquire services or, by condemnation or otherwise, an interest in property, including an interest in airspace immediately adjacent to and needed for airports and other air navigation facilities owned by the United States Government and operated by the Administrator;

(2) may dispose of an interest in property for adequate compensation; and

(3) may construct and improve laboratories and other test facilities.

(b) PURCHASE OF HOUSING UNITS.—

(1) AUTHORITY.—In carrying out this part, the Administrator may purchase a housing unit (including a condominium or a housing unit in a building owned by a cooperative) that is located outside the contiguous United States if the cost of the unit is $300,000 or less.

(2) ADJUSTMENTS FOR INFLATION.—For fiscal years beginning after September 30, 1997, the Administrator may adjust the dollar amount specified in paragraph (1) to take into account increases in local housing costs.

(3) CONTINUING OBLIGATIONS.—Notwithstanding section 1341 of title 31, the Administrator may purchase a housing unit under paragraph (1) even if there is an obligation thereafter to pay necessary and reasonable fees duly assessed upon such unit, including fees related to operation, maintenance, taxes, and insurance.

(4) CERTIFICATION TO CONGRESS.—The Administrator may purchase a housing unit under paragraph (1) only if, at least 30 days before completing the purchase, the Administrator transmits to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report containing—

(A) a description of the housing unit and its price;

(B) a certification that the price does not exceed the median price of housing units in the area; and

(C) a certification that purchasing the housing unit is the most cost-beneficial means of providing necessary accommodations in carrying out this part.

(5) PAYMENT OF FEES.—The Administrator may, when due, fees resulting from the purchase of a housing unit under this subsection from any amounts made available to the Administrator.

(c) DUTIES AND POWERS.—When carrying out subsection (a) of this section, the Administrator of the Federal Aviation Administration may—

(1) notwithstanding section 1341(a)(1) of title 31, lease an interest in property for not more than 20 years;

(2) consider the reasonable probable future use of the underlying land in making an award for a condemnation of an interest in airspace;

(3) construct, or acquire an interest in, a public building (as defined in section 3301(a) of the United States Code);
title 40) only under a delegation of authority from the Administrator of General Services; 

(4) use procedures other than competitive procedures only when the property or services needed by the Administrator of the Federal Aviation Administration are available from only one responsible source or only from a limited number of responsible sources and no other type of property or services will satisfy the needs of the Administrator; and 

(5) dispose of property under subsection (a)(2) of this section, except for airport and airway property and technical equipment used for the special purposes of the Administration, only under sections 121, 123, and 126 and chapter 5 of title 40. 

(d) Acquisition Management System.—

(1) In General.—In consultation with such non-governmental experts in acquisition management systems as the Administrator may employ, and notwithstanding provisions of Federal acquisition law, the Administrator shall develop and implement an acquisition management system for the Administration that addresses the unique needs of the agency and, at a minimum, provides for—

(A) more timely and cost-effective acquisitions of equipment, services, property, and materials; and

(B) the resolution of bid protests and contract disputes related thereto, using consensual alternative dispute resolution techniques to the maximum extent practicable. 

(2) Applicability of Federal Acquisition Law.—The following provisions of Federal acquisition law shall not apply to the new acquisition management system developed and implemented pursuant to paragraph (1): 

(A) Division C (except sections 3302, 3306(b), 3309, 3906, 4710, and 4711) of subtitle I of title 41; 

(B) Division B (except sections 1704 and 2303) of subtitle I of title 41. 

(C) The Federal Acquisition Streamlining Act of 1994 (Public Law 103–355). However, section 4705 of title 41 shall apply to the new acquisition management system developed and implemented pursuant to paragraph (1).

(D) The Small Business Act (15 U.S.C. 631 et seq.), except that all reasonable opportunities to be awarded contracts shall be provided to small business concerns and small business concerns owned and controlled by socially and economically disadvantaged individuals. 

(E) The Competition in Contracting Act. 

(F) Subchapter V of chapter 35 of title 31, relating to the procurement protest system. 

(G) The Federal Acquisition Regulation and any laws not listed in subparagraphs (A) through (F) providing authority to promulgate regulations in the Federal Acquisition Regulation. 

(3) Certain Provisions of Division B (Except Sections 1704 and 2303) of Subtitle I of Title 41.—Notwithstanding paragraph (2), chapter 21 of title 41 shall apply to the new acquisition management system developed and implemented under paragraph (1) with the following modifications:

(A) Sections 2101 and 2106 of title 41 shall not apply. 

(B) Within 90 days after the date of the enactment of the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century, the Administrator shall adopt definitions for the acquisition management system that are consistent with the purpose and intent of the Office of Federal Procurement Policy Act.¹ 

(C) After the adoption of those definitions, the criminal, civil, and administrative remedies provided under the Office of Federal Procurement Policy Act¹ apply to the acquisition management system. 

(D) In the administration of the acquisition management system, the Administrator may take adverse personnel action under section 27(e)(3)(A)(iv) of the Office of Federal Procurement Policy Act¹ in accordance with the procedures contained in the Administration's personnel management system. 

(4) Adjudication of Certain Bid Protests and Contract Disputes.—A bid protest or contract dispute that is not addressed or resolved through alternative dispute resolution shall be adjudicated by the Administrator through Dispute Resolution Officers or Special Masters of the Federal Aviation Administration Office of Dispute Resolution for Acquisition, acting pursuant to sections 46102, 46104, 46105, 46106 and 46107 and shall be subject to judicial review under section 46110 and to section 504 of title 5. 

(e) Prohibition on Release of Offeror Proposals.—

(1) General Rule.—Except as provided in paragraph (2), a proposal in the possession or control of the Administrator may not be made available to any person under section 552 of title 5. 

(2) Exception.—Paragraph (1) shall not apply to any portion of a proposal of an offeror the disclosure of which is authorized by the Administrator pursuant to procedures published in the Federal Register. The Administrator shall provide an opportunity for public comment on the procedures for a period of not less than 30 days beginning on the date of such publication in order to receive and consider the views of all interested parties on the procedures. The procedures shall not take effect before the 60th day following the date of such publication. 

(3) Proposal Defined.—In this subsection, the term “proposal” means information contained in or originating from any proposal, including a technical, management, or cost proposal, submitted by an offeror in response to the requirements of a solicitation for a competitive proposal.

(2) Definitions and informative supplement.

¹ See References in Text note below.
In this section, the word “Administrator” in section 303(a)-(d) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 747) is retained on authority of 49:106(g).

In subsection (a), before clause (1), the words “In carrying out this part” are added for clarity. The words “on behalf of the United States . . . where appropriate” are omitted as surplus.

In subsection (b)(1), the words “the words ‘by sale, lease, or otherwise’ and ‘real or personal’” are omitted as surplus.

In subsection (b)(2)(E), the words “‘real property required thereof’” are omitted as surplus because of the authority of the Administrator to acquire real property under clause (1) of this subsection.

In subsection (b)(1), the words “‘procedures other than competitive procedures’ are substituted for “non-competitive procedures” for consistency with subsection (b)(2)(D) of this section and 49:253(c).

In subsection (b)(2)(B), the text of 49 App.:1344(b)(1) (words before semicolon) and the words “easements through or other” are omitted as surplus.

In subsection (b)(2)(E), the word “lease” is replaced with “lease (or other).”

This amends 49:40110(a) to clarify the restatement of 49 App.:1344(a)(1) by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1106).

Effective Date of 1996 Amendment
Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

Effective Date of 1994 Amendment

FAA Evaluation of Long-Term Capital Leasing

"(a) In General.—The Administrator of the FAA may conduct a study of the benefits of long-term contracts for the leasing of aviation equipment and facilities.

"(b) Period of Contracts.—Notwithstanding any other provision of law, the Administrator may enter into a contract under the program to lease aviation equipment or facilities for a period of greater than 5 years.

"(c) Number of Contracts.—The Administrator may not enter into more than [10] contracts under the program.

"(d) Types of Contracts.—The contracts to be evaluated under the program may include contracts for telecommunications services that are provided through the use of a satellite, requirements related to oceanic and air traffic control, air-to-ground radio communications, and air traffic control tower construction.

Assessment of Acquisition Management System
Section 251 of Pub. L. 104–264 provided that: "Not later than April 1, 1999, the Administrator of the Federal Aviation Administration shall employ outside experts to provide an independent evaluation of the effectiveness of the Administration's acquisition management system within 3 months after such date. The Administrator shall transmit a copy of the evaluation to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives."

"(a) take such action as may be necessary to provide for an independent assessment of the acquisition management system of the Federal Aviation Administration that includes a review of any efforts of the Administrator in promoting and encouraging the use of full and open competition as the preferred method of procurement with respect to any contract that involves an amount greater than $50,000,000; and

"(b) submit to the Congress a report on the findings of that independent assessment. Provided. That for purposes of this section, the term 'full and open competition' has the meaning provided that term in section 4(6) of the Office of Federal Procurement Policy Act (41 U.S.C. 401(b))."

Acquisition Management System for Federal Aviation Administration

Alternative Procurement and Acquisition Pilot Program

"(a) Authority.—The Secretary of Transportation may conduct a test of alternative and innovative procurement procedures in carrying out acquisitions for one of the modernization programs under the Airway Capital Investment Plan prepared pursuant to section 44501(b) of title 49, United States Code. In conducting such test, the Secretary shall consult with the Administrator for Federal Procurement Policy.

"(b) Pilot Program Implementation.—(1) The Secretary of Transportation应当 prescribe policies and procedures for the interaction of the program manager and the end user executive responsible for the requirement for the equipment acquired. Such policies and procedures shall include provisions for enabling the end user executive to participate in acceptance testing.

"(2) Not later than 45 days after the date of enactment of this Act [Oct. 13, 1994], the Secretary of Transportation shall identify for the pilot program quantifiable measures and goals for reducing acquisition management costs.

"(3) The Secretary of Transportation shall establish for the pilot program a review process that provides
senior acquisition officials with reports on the minimum necessary data items required to ensure the appropriate expenditure of funds appropriated for the program conducted under this section—

(A) contain essential information on program results at appropriate intervals, including the criteria to be used in measuring the success of the program; and

(B) reduce data requirements from the current program review reporting requirements.

(c) **SPECIAL AUTHORITIES.**—The authority provided by subsection (a) shall include authority for the Secretary of Transportation—

(1) to apply any amendment or repeal of a provision of law made in this Act (see Short Title of 1994 Amendment note set out under section 251 of Title 41, Public Contracts) to the pilot program before the effective date of such amendment or repeal; and

(2) to opt to a procurement of items other than commercial items under such program—

(A) any authority provided in this Act (or in an amendment made by a provision of this Act) to waive a provision of law in the case of commercial items, and

(B) any exception applicable under this Act (or an amendment made by a provision of this Act) in the case of commercial items, before the effective date of such provision (or amendment) to the extent that the Secretary determines necessary to test the application of such waiver or exception to procurements of items other than commercial items.

(d) **APPLICABILITY.**—Subsection (c) applies with respect to—

(1) a contract that is awarded or modified after the date occurring 45 days after the date of the enactment of this Act (Oct. 13, 1994); and

(2) a contract that is awarded before such date and is to be performed (or may be performed), in whole or in part, after such date.

(e) **PROCEDURES AUTHORIZED.**—The test conducted under this section may include any of the following procedures:

(1) Restriction of competitions to sources determined capable in a precompetition screening process, provided that the screening process affords all interested sources a fair opportunity to be considered.

(2) Restriction of competitions to sources of preevaluated products, provided that the preevaluation process affords all interested sources a fair opportunity to be considered.

(3) **Alternative notice and publication requirements.**

(4) A process in which—

(A) the competitive process is initiated by publication in the Commerce Business Daily, or by dissemination through FACNET, of a notice that—

(i) contains a synopsis of the functional and performance needs of the executive agency conducting the test, and, for purposes of guidance only, other specifications; and

(ii) invites any interested source to submit information or samples showing the suitability of its product for meeting those needs, together with a price quotation, or, if appropriate, showing the source’s technical capability, past performance, product supportability, or other qualifications (including, as appropriate, information regarding rates and other cost-related factors);

(B) contracting officials develop a request for proposals (including appropriate specifications and evaluation criteria) after reviewing the submissions of interested sources and, if the officials determine necessary, after consultation with those sources; and

(C) a contract is awarded after a streamlined competition that is limited to all sources that timely provided product information in response to the notice or, if appropriate, to those sources determined most capable based on the qualification-based factors included in an invitation to submit information pursuant to subparagraph (A).

(f) **WAIVER OF PROCUREMENT REGULATIONS.**—(1) In conducting the test under this section, the Secretary of Transportation, with the approval of the Administrator for Federal Procurement Policy, may waive—

(A) any provision of the Federal Acquisition Regulation that is not required by statute; and

(B) any provision of the Federal Acquisition Regulation that is required by a provision of law described in paragraph (2), the waiver of which the Administrator determines in writing to be necessary to test procedures authorized by subsection (e).

(2) The provisions of law referred to in paragraph (1) are as follows:

(A) Subsections (e), (f), and (g) of section 8 of the Small Business Act (15 U.S.C. 637).

(B) The following provisions of the Federal Property and Administrative Services Act of 1949:

(i) Section 303 ((former) 41 U.S.C. 253) [see 41 U.S.C. 3301, 3303 to 3305].

(ii) Section 303A ((former) 41 U.S.C. 253a) [see 41 U.S.C. 3306].

(iii) Section 303B ((former) 41 U.S.C. 253b) [now 41 U.S.C. 3308 to 3701, 4702].

(iv) Section 303C ((former) 41 U.S.C. 253c) [now 41 U.S.C. 3311].

(3) The following provisions of the Office of Federal Procurement Policy Act:

(i) Section 4(6) ((former) 41 U.S.C. 403(6)) [see 41 U.S.C. 107].

(ii) Section 18 ((former) 41 U.S.C. 416) [see 41 U.S.C. 1708].

(e) **DEFINITION.**—In this section, the term ‘commercial item’ has the meaning provided that term in section 4(12) of the Office of Federal Procurement Policy Act [see 41 U.S.C. 103].

(f) **EXPIRATION OF AUTHORITY.**—The authority to conduct the test under subsection (a) and to award contracts under such test shall expire 4 years after the date of the enactment of this Act. Contracts entered into before such authority expires shall remain in effect, notwithstanding the expiration of the authority to conduct the test under this section.

(1) **RULE OF CONSTRUCTION.**—Nothing in this section shall be construed as authorizing the appropriation or obligation of funds for the test conducted pursuant to subsection (a)."

§ 40111. Multiyear procurement contracts for services and related items

(a) **GENERAL AUTHORITY.**—Notwithstanding section 1341(a)(1)(B) of title 31, the Administrator of the Federal Aviation Administration may make a contract of not more than 5 years for the following types of services and items of supply related to those services for which amounts otherwise would be available for obligation only in the fiscal year for which appropriated:

(1) operation, maintenance, and support of aircraft, vehicles, and other highly complex equipment;

(2) specialized training requiring high quality instructor skills, including training of pilots and aircrew members and foreign language training;

(3) base services, including ground maintenance, aircraft refueling, bus transportation, and refuse collection and disposal.

(b) **REQUIRED FINDINGS.**—The Administrator may make a contract under this section only if the Administrator finds that—

(1) there will be a continuing requirement for the service consistent with current plans for the proposed contract period;
§ 40112

TITLE 49—TRANSPORTATION

Page 762

(2) providing the service will require a substantial initial investment in plant or equipment, or will incur a substantial contingent liability for assembling, training, or transporting a specialized workforce; and

(3) the contract will promote the best interests of the United States by encouraging effective competition and promoting economies in operation.

(c) CONSIDERATIONS.—When making a contract under this section, the Administrator shall be guided by the following:

(1) The part of the cost of a plant or equipment amortized as a cost of contract performance may not be more than the ratio between the period of contract performance and the anticipated useful commercial life (instead of physical life) of the plant or equipment, considering the location and specialized nature of the plant or equipment, obsolescence, and other similar factors.

(2) The Administrator shall consider the desirability of—

(A) obtaining an option to renew the contract for a reasonable period of not more than 3 years, at a price that does not include charges for nonrecurring costs already amortized; and

(B) reserving in the Administrator the right, on payment of the unamortized part of the cost of the plant or equipment, to take title to the plant or equipment under appropriate circumstances.

(d) ENDING CONTRACTS.—A contract made under this section shall be ended if amounts are not made available to continue the contract into a subsequent fiscal year. The cost of ending the contract may be paid from—

(1) an appropriation originally available for carrying out the contract;

(2) an appropriation currently available for procuring the type of service concerned and not otherwise obligated; or

(3) amounts appropriated for payments to end the contract.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

40111(a) ...... 49 App.1344(e)(1).

40111(b) ...... 49 App.1344(e)(2).

40111(c) ...... 49 App.1344(e)(3).

40111(d) ...... 49 App.1344(e)(4).

In this section, the word “Administrator” in section 303(e) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 747) is retained on authority of 49:106(g). In subsection (a), before clause (1), the words “periods of” are omitted as surplus. In clause (3), the words “training of” are added for clarity. In clause (4), the word “aircraft” is substituted for “in-plane” for clarity.

In subsection (c)(2)(A), the words “plant, equipment, and other” are omitted as surplus.

In subsection (d), the words “canceled or” and “cancellation or” are omitted as being included in “ended” and “ending”, respectively.

§ 40112. Multiyear procurement contracts for property

(a) GENERAL AUTHORITY.—Notwithstanding section 1341(a)(1)(B) of title 31 and to the extent that amounts otherwise are available for obligation, the Administrator of the Federal Aviation Administration may make a contract of more than one but not more than 5 fiscal years to purchase property, except a contract to construct, alter, or make a major repair or improvement to real property.

(b) REQUIRED FINDINGS.—The Administrator may make a contract under this section if the Administrator finds that—

(1) the contract will promote the safety or efficiency of the national airspace system and will result in reduced total contract costs;

(2) the minimum need for the property to be purchased is expected to remain substantially unchanged during the proposed contract period in terms of production rate, procurement rate, and total quantities;

(3) there is a reasonable expectation that throughout the proposed contract period the Administrator will request appropriations for the contract at the level required to avoid cancellation;

(4) there is a stable design for the property to be acquired and the technical risks associated with the property are not excessive; and

(5) the estimates of the contract costs and the anticipated savings from the contract are realistic.

(c) REGULATIONS.—The Administrator shall prescribe regulations for acquiring property under this section to promote the use of contracts under this section in a way that will allow the most efficient use of those contracts. The regulations may provide for a cancellation provision in the contract to the extent the provision is necessary and in the best interest of the United States. The provision may include consideration of recurring and nonrecurring costs of the contractor associated with producing the item to be delivered under the contract. The regulations shall provide that, to the extent practicable—

(1) to broaden the aviation industrial base—

(A) a contract under this section shall be used to seek, retain, and promote the use under that contract of subcontractors, vendors, or suppliers; and

(B) on accrual of a payment or other benefit accruing on a contract under this section to a subcontractor, vendor, or supplier participating in the contract, the payment or benefit shall be delivered in the most expeditious way practicable; and

(2) this section and regulations prescribed under this section may not be carried out in a way that precludes or curtails the existing ability of the Administrator to provide for—

(A) competition in producing items to be delivered under a contract under this section; or
(B) ending a prime contract when performance is deficient with respect to cost, quality, or schedule.

(d) CONTRACT PROVISIONS.—(1) A contract under this section may—
   (A) be used for the advance procurement of components, parts, and material necessary to manufacture equipment to be used in the national airspace system;
   (B) provide that performance under the contract after the first year is subject to amounts being appropriated; and
   (C) contain a negotiated priced option for varying the number of end items to be procured over the period of the contract.

(2) If feasible and practicable, an advance procurement contract may be made to achieve economic-lot purchases and more efficient production rates.

(e) CANCELLATION PAYMENT AND NOTICE OF CANCELLATION CEILING.—(1) If a contract under this section provides that performance is subject to an appropriation being made, it also may provide for a cancellation payment to be made to the contractor if the appropriation is not made.

(2) Before awarding a contract under this section containing a cancellation ceiling of more than $100,000,000, the Administrator shall give written notice of the proposed contract and cancellation ceiling to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives. The contract may not be awarded until the end of the 30-day period beginning on the date of the notice.

(f) ENDING CONTRACTS.—A contract made under this section shall be ended if amounts are not made available to continue the contract into a subsequent fiscal year. The cost of ending the contract may be paid from—
   (1) an appropriation originally available for carrying out the contract;
   (2) an appropriation currently available for procuring the type of property concerned and not otherwise obligated; or
   (3) amounts appropriated for payment to end the contract.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
40112(a) | 49 App.:1344(f)(1)(A), (B), (C), (D), (E), (F) (last sentence words before “and’’). | 49 Stat. 3389.

In this section, the word “Administrator” in section 303(f) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 747) is retained on authority of 49:106(g).

In subsection (a), the reference in 49 App.:1344(f)(7) to a contract for the purchase of services is omitted as surplus because 49 App.:1344(f)(1) states that the subsection is concerned only with contracts for the purchase of property.

In subsection (b)(5), the word “savings” is substituted for “cost avoidance” for clarity.

In subsection (c), before clause (1), the word “both” is omitted as surplus. In clause (1)(A), the words “in such a manner as” and “companies that are” are omitted as surplus. In clause (1)(B), the words “accruing on” are substituted for “under” for clarity. The words “subcontractor” and “contract” are substituted for “subcontract” and “contractor”, respectively, to correct errors in the source provisions being restated.

In subsection (d)(1)(B), the words “after the first year” are substituted for “during the second and subsequent years of the contract” to eliminate unnecessary words.

In subsection (e)(2), the words “a clause setting forth” are omitted as surplus.

In subsection (f), the words “canceled or” and “cancellation or” are omitted as being included in “ended” and “ending”, respectively.

AMENDMENTS

Subsec. (e)(2). Pub. L. 104–287 substituted “Transportation and Infrastructure” for “Public Works and Transportation”.

EFFECTIVE DATE OF 1996 AMENDMENT

§ 40113. Administrative

(a) GENERAL AUTHORITY.—The Secretary of Transportation (or the Under Secretary of Transportation for Security with respect to security duties and powers designated to be carried out by the Under Secretary or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator) may take action the Secretary, Under Secretary, or Administrator, as appropriate, considers necessary to carry out this part, including conducting investigations, prescribing regulations, standards, and procedures, and issuing orders.

(b) HAZARDOUS MATERIAL.—In carrying out this part, the Secretary has the same authority
to regulate the transportation of hazardous material by air that the Secretary has under section 5103 of this title. However, this subsection does not prohibit or regulate the transportation of a firearm (as defined in section 232 of title 18) or ammunition for a firearm, when transported by an individual for personal use.

(c) GOVERNMENTAL ASSISTANCE.—The Secretary (or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator) may use the assistance of the Administrator of the National Aeronautics and Space Administration and any research or technical department, agency, or instrumentality of the United States Government on matters related to aircraft fuel and oil, and to the design, material, workmanship, construction, performance, maintenance, and operation of aircraft, aircraft engines, propellers, appliances, and air navigation facilities. Each department, agency, and instrumentality may conduct scientific and technical research, investigations, and tests necessary to assist the Secretary or Administrator of the Federal Aviation Administration in carrying out this part. This part does not authorize duplicating laboratory research activities of a department, agency, or instrumentality.

(d) INDEMNIFICATION.—The Under Secretary of Transportation for Security or the Administrator of the Federal Aviation Administration may indemnify an officer or employee of the Transportation Security Administration or Federal Aviation Administration, as the case may be, against a claim or judgment arising out of actions taken in carrying out the duties and powers designated to be carried out by the Administrator, or against a claim or judgment arising out of actions taken in carrying out any act that the Under Secretary or Administrator, as the case may be, may determine to be committed within the scope of the official duties of the officer or employee.

(e) ASSISTANCE TO FOREIGN AVIATION AUTHORITIES.—

(1) SAFETY-RELATED TRAINING AND OPERATIONAL SERVICES.—The Administrator may provide safety-related training and operational services to foreign aviation authorities with or without reimbursement, if the Administrator determines that providing such services promotes aviation safety. To the extent practicable, air travel reimbursed under this subsection shall be conducted on United States air carriers.

(2) REIMBURSEMENT SOUGHT.—The Administrator shall actively seek reimbursement for services provided under this subsection from foreign aviation authorities capable of providing such reimbursement.

(3) CREDITING APPROPRIATIONS.—Funds received by the Administrator pursuant to this section shall be credited to the appropriation from which the expenses were incurred in providing such services.

(4) REPORTING.—Not later than December 31, 1995, and annually thereafter, the Administrator shall transmit to Congress a list of the foreign aviation authorities to which the Administrator provided services under this subsection in the preceding fiscal year. Such list shall specify the dollar value of such services and any reimbursement received for such services.

(f) APPLICATION OF CERTAIN REGULATIONS TO ALASKA.—In amending title 14, Code of Federal Regulations, in a manner affecting intrastate aviation in Alaska, the Administrator of the Federal Aviation Administration shall consider the extent to which Alaska is not served by transportation modes other than air, and shall establish such regulatory distinctions as the Administrator considers appropriate.

HISTORICAL AND REVISION NOTES

<table>

In subsections (a), (c), and (d), the word “Administrator” in sections 313(a) and (e) and 1106 of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 732, 796) is retained on authority of 49:106(g).

Subsection (a) is substituted for 49 App.:1324(a) and 1354(a) to eliminate unnecessary words. The word “standards” is added for consistency.

In subsection (b), the words “his responsibilities under” and “safe” are omitted as surplus.

In subsection (c), the words “department, agency, and instrumentality” are substituted for “agency” and “governmental agency” for consistency in the revised title and with other titles of the United States Code.

The text of 49 App.:1505 (2d, 3d sentences) is omitted as superseded by 49 App.:1505(b), restated in sections 1105, 1110, and 1111 of the revised title. The word “existing” is omitted as surplus.

In subsection (d), the text of 49 App.:1354(e) (last sentence) is omitted because of 49:322(a).

AMENDMENTS

2001—Subsec. (a). Pub. L. 107-71, § 140(c)(3), inserted “the Under Secretary of Transportation for Security with respect to security duties and powers designated to be carried out by the Under Secretary or” before the Administrator of the Federal Aviation Administration and substituted “Under Secretary, or Administrator” for “or Administrator”.

Subsec. (d). Pub. L. 107-71, § 140(c)(2), inserted “Under Secretary of Transportation for Security or the” after “The” and substituted “employment of the Transportation Security Administration or Federal Aviation Administration, as the case may be,” for “employee of the Administration” and “the Under Secretary or Administrator, as the case may be, decides” for “the Administrator decides”.

TITTE 49—TRANSPORTATION § 40114

Effective Date of 2000 Amendment

TRANSFER OF FUNCTIONS

For transfer of functions, personnel, assets, and liabilities of the Transportation Security Administration of the Department of Transportation, including the functions of the Secretary of Transportation, and of the Under Secretary of Transportation for Security, relating thereto, to the Secretary of Homeland Security, see sections 203(2), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 23, 2002, as modified, set out as a note under section 542 of Title 6.

ADMINISTRATIVE SERVICES FRANCHISE FUND

Pub. L. 104–205, title I, Sept. 30, 1996, 110 Stat. 2967, provided in part that: "There is hereby established in the Treasury a fund, to be available without fiscal year limitation, for the costs of capitalizing and operating such administrative services as the PAA Administrator determines may be performed more advantageously as centralized services, including accounting, international training, payroll, travel, duplicating, multimedia and information technology services: Provided, That any inventories, equipment, and other assets pertaining to the services to be provided by such fund, either on hand or on order, less the related liabilities or unpaid obligations, and any appropriations made prior to the current year for the purpose of providing capital shall be used to capitalize such fund: Provided further, That such fund shall be paid in advance from funds available to the FAA and other Federal agencies for which such centralized services are performed, at rates which will return in full all expenses of operation, including accrued leave, depreciation of plant and equipment, amortization of Automated Data Processing (ADP) software and systems (either required or donated), and an amount necessary to maintain a reasonable operating reserve, as determined by the FAA Administrator: Provided further, That such fund shall provide services on a competitive basis: Provided further, That an amount not to exceed four percent of the total annual income to such fund may be retained in the fund for fiscal year 1997 and each year thereafter, to remain available until expended, to be used for the acquisition of capital equipment and for the improvement and implementation of FAA financial management, ADP, and support systems: Provided further, That no later than thirty days after the end of each fiscal year, amounts in excess of this reserve limitation shall be transferred to miscellaneous receipts in the Treasury."

AIRCRAFT PURCHASE LOAN GUARANTEE PROGRAM

Pub. L. 106–69, title III, §307, Oct. 9, 1999, 113 Stat. 1022, which provided that none of the funds in Pub. L. 106–69 were to be available for activities under the Aircraft Purchase Loan Guarantee Program during fiscal year 2000, was from the Department of Transportation and Related Agencies Appropriations Act, 2000, and was not repeated in subsequent appropriations acts. Similar provisions were contained in the following prior appropriation acts:

Historical and Revision Notes

In subsection (a), the word "Administrator" in section 313(b) of the Federal Aviation Act of 1958 (Public Law 85–272, title I, July 5, 1944, 108 Stat. 1110.)
§ 40115. Withholding information

(a) OBJECTIONS TO DISCLOSURE.—(1) A person may object to the public disclosure of information—

(A) in a record filed under this part; or

(B) obtained under this part by the Secretary of Transportation or State or the United States Postal Service.

(2) An objection must be in writing and must state the reasons for the objection. The Secretary of Transportation or State or the Postal Service shall order the information withheld from public disclosure when the appropriate Secretary or the Postal Service decides that disclosure of the information would—

(A) prejudice the United States Government in preparing and presenting its position in international negotiations; or

(B) have an adverse effect on the competitive position of an air carrier in foreign air transportation.

(b) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

In subsection (a)(1)(B), the words “the Secretary of Transportation or State or the United States Postal Service” are substituted for “‘the Board, the Secretary of State, or the Secretary of Transportation’” because under 49 App.:1561 the duties of the Civil Aeronautics Board were transferred to the Secretary of Transportation and the Postal Service.

In subsection (a)(2), the words “shall order the information withheld from public disclosure when the appropriate Secretary or the Postal Service decides that disclosure of the information” are substituted for “shall be withheld from public disclosure by the Board, the Secretary of State or the Secretary of Transportation” for clarity and because of the restatement.

In subsection (b), the words “‘The Board, the Secretary of State, or the Secretary of Transportation, as the case may be, shall be responsible for classified information in accordance with appropriate law’” are omitted as surplus.

§ 40116. State taxation

(a) DEFINITION.—In this section, “State” includes the District of Columbia, a territory or possession of the United States, and a political authority of at least 2 States.

(b) PROHIBITIONS.—Except as provided in subsection (c) of this section and section 40117 of this title, a State, a political subdivision of a State, and any person that has purchased or leased an airport under section 47134 of this title may not levy or collect a tax, fee, head charge, or other charge on—

(1) an individual traveling in air commerce;

(2) the transportation of an individual traveling in air commerce;

(3) the sale of air transportation;

(4) the gross receipts from that air commerce or transportation.

(c) AIRCRAFT TAKING OFF OR LANDING IN STATE.—A State or political subdivision of a State may levy or collect a tax on or related to a flight of a commercial aircraft or an activity or service on the aircraft only if the aircraft takes off or lands in the State or political subdivision as part of the flight.

(d) UNREASONABLE BURDENS AND DISCRIMINATION AGAINST INTERSTATE COMMERCE.—(1) In this subsection—

(A) “air carrier transportation property” means property (as defined by the Secretary of Transportation) that an air carrier providing air transportation owns or uses;

(B) “assessment” means valuation for a property tax levied by a taxing district;

(C) “assessment jurisdiction” means a geographical area in a State used in determining the assessed value of property for ad valorem taxation;

(D) “commercial and industrial property” means property (except transportation property and land used primarily for agriculture or timber growing) devoted to a commercial or industrial use and subject to a property tax levy.

(2)(A) A State, political subdivision of a State, or authority acting for a State or political subdivision may not do any of the following acts because those acts unreasonably burden and discriminate against interstate commerce:

(i) assess air carrier transportation property at a value that has a higher ratio to the true market value of the property than the ratio that the assessed value of other commercial and industrial property of the same type in the same assessment jurisdiction has to the true market value of the other commercial and industrial property.

(ii) levy or collect a tax on an assessment that may not be made under clause (i) of this subparagraph.

(iii) levy or collect an ad valorem property tax on air carrier transportation property at a tax rate greater than the tax rate applicable to commercial and industrial property in the same assessment jurisdiction.

(iv) levy or collect a tax, fee, or charge, first taking effect after August 23, 1994, exclusively
upon any business located at a commercial service airport or operating as a permissive of such an airport other than a tax, fee, or charge wholly utilized for airport or aeronautical purposes.

(B) Subparagraph (A) of this paragraph does not apply to an in lieu tax completely used for airport and aeronautical purposes.

(e) OTHER ALLOWABLE TAXES AND CHARGES.—Except as provided in subsection (d) of this section, a State or political subdivision of a State may levy or collect—

(1) taxes (except those taxes enumerated in subsection (b) of this section), including property taxes, net income taxes, franchise taxes, and sales or use taxes on the sale of goods or services; and

(2) reasonable rental charges, landing fees, and other service charges from aircraft operators for using airport facilities of an airport owned or operated by that State or subdivision.

(f) PAY OF AIR CARRIER EMPLOYEES.—(1) In this subsection—

(A) “pay” means money received by an employee for services.

(B) “State” means a State of the United States, the District of Columbia, and a territory or possession of the United States.

(C) An employee is deemed to have earned 50 percent of the employee’s pay in a State or political subdivision of a State in which the scheduled flight time of the employee in the State or subdivision is more than 50 percent of the total scheduled flight time of the employee when employed during the calendar year.

(2) The pay of an employee of an air carrier having regularly assigned duties on aircraft in at least 2 States is subject to the income tax laws of only the following:

(A) The State or political subdivision of the State that is the residence of the employee.

(B) The State or political subdivision of the State in which the employee earns more than 50 percent of the pay received by the employee from the carrier.

(3) Compensation paid by an air carrier to an employee described in subsection (a) in connection with such employee’s authorized leave or other authorized absence from regular duties on the carrier’s aircraft in order to perform services on behalf of the employee’s airline union shall be subject to the income tax laws of only the following:

(A) The State or political subdivision of the State that is the residence of the employee.

(B) The State or political subdivision of the State in which the employee’s scheduled flight time would have been more than 50 percent of the employee’s total scheduled flight time for the calendar year had the employee been engaged full time in the performance of regularly assigned duties on the carrier’s aircraft.

§40116

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
40116(f) | 49 App.:1512(c). | 49 App.:1512(b).
40116(f)(1)(A), (B) | 49 App.:1512(c). | 49 App.:1512(b).

Subsection (a) is made applicable to subsections (b) and (e) of this section to avoid having to repeat the term being defined. In subsection (a), the words “Commonwealth of Puerto Rico, the Virgin Islands, Guam” are omitted as surplus because of the definition of “territory or possession of the United States” in section 40102(a) of the revised title. The word “authority” is substituted for “agencies” for consistency in the revised title and with other titles of the United States Code.

In subsection (b), before clause (1), reference to 49 App.:1513(f), restated as subsection (c) of this section, is added for clarity. The words “directly or indirectly” are omitted as surplus. The text of 49 App.:1513(a) (words after “subsection (e) and”) is omitted as surplus.

In subsections (d)(2)(A), before clause (1), and (f)(1)(C) and (2), the word “political” is added for consistency in the revised title and with other titles of the Code.

In subsection (f)(1)(A), the word “pay” is substituted for “compensation” for consistency in the revised title and with chapter 35 of title 5, United States Code. The words “rendered by the employee in the performance of his duties and shall include wages and salary” are omitted as surplus.

In subsection (f)(1)(B), the words “means a State of the United States” are substituted for “also means” for clarity.

In subsection (f)(1)(C), the words “of a State” are added for clarity.

In subsection (f)(2), before clause (A), the words “as such an employee” are omitted as surplus.

PUB. L. 104–287

This amends 49:40116(d)(2)(A)(iv) to conform to the style of title 49 and to set out the effective date for this clause.

AMENDMENTS

1996—Subsec. (b). Pub. L. 104–264, in introductory provisions, substituted “a State,” for “a State or” and inserted “and any person that has purchased or leased an airport under section 47134 of this title” after “of a State.”

Subsec. (d)(2)(A)(iv). Pub. L. 104–287, which directed substitution of “August 23, 1994” for “the date of enact-
ment of this clause”, was executed by making the sub-
stitution for “the date of the enactment of this clause” to
reflect the probable intent of Congress.
Pub. L. 104–267 substituted “levy” for “Levy”,
added cl. (iv).

**Effective Date of 1996 Amendment**

Except as otherwise specifically provided, amend-
ment by Pub. L. 104–264 applicable only to fiscal years
beginning after Sept. 30, 1996, and not to be construed
as affecting funds made available for a fiscal year end-
ning before Oct. 1, 1996, see section 3 of Pub. L. 104–264,
set out as a note under section 106 of this title.

### § 40117. Passenger facility fees

(a) Definitions.—In this section, the following
definitions apply:

1. **Airport, commercial service airport, and public agency.**—The terms “airport”, “commercial service airport”, and “public agency” have the meaning those terms have under section 47102.

2. **Eligible agency.**—The term “eligible agency” means a public agency that controls a commercial service airport.

3. **Eligible airport-related project.**—The term “eligible airport-related project” means any of the following projects:

   - A project for airport development or airport planning under subchapter I of chapter 471.
   - A project for terminal development described in section 47110(d).
   - A project for costs of terminal development referred to in subparagraph (B) incurred after August 1, 1986, at an airport that did not have more than .25 percent of the total annual passenger boardings in the United States in the most recent calendar year for which data is available and at which total passenger boardings declined by at least 16 percent between calendar year 1989 and calendar year 1997.
   - A project for airport noise capability planning under section 47505.
   - A project to carry out noise compatibility measures eligible for assistance under section 47504, whether or not a program for those measures has been approved under section 47504.
   - A project for constructing gates and related areas at which passengers board or exit aircraft. In the case of a project required to enable additional air service by an air carrier with less than 50 percent of the annual passenger boardings at an airport, the project for constructing gates and related areas may include structural foundations and floor systems, exterior building walls and load-bearing interior columns or walls, windows, door and roof systems, building utilities (including heating, air conditioning, ventilation, plumbing, and electrical service), and aircraft fueling facilities adjacent to the gate.
   - A project for converting vehicles and ground support equipment used at a commercial service airport to low-emission technology (as defined in section 47102) or to use cleaner burning conventional fuels, retro-

fitting of any such vehicles or equipment that are powered by a diesel or gasoline engine with emission control technologies certified or verified by the Environmental Protection Agency to reduce emissions, or acquiring for use at a commercial service airport vehicles and ground support equipment that include low-emission technology or use cleaner burning fuels if the airport is located in an air quality nonattainment area (as defined in section 171(2) of the Clean Air Act (42 U.S.C. 7501(2))) or a maintenance area referred to in section 175A of such Act (42 U.S.C. 7505a) and if such project will result in an airport receiving appropriate emission credits as described in section 47139.

- **Ground support equipment.**—The term “ground support equipment” means service and maintenance equipment used at an airport to support aeronautical operations and related activities.

(b) General Authority.—(1) The Secretary of Transportation may authorize under this section an eligible agency to impose a passenger facility fee of $1, $2, or $3 on each paying passenger of an air carrier or foreign air carrier boarding an aircraft at an airport the agency controls to finance an eligible airport-related project, including making payments for debt service on indebtedness incurred to carry out the project, to be carried out in connection with the airport or any other airport the agency controls.

- **State, political subdivision.**—A State, political subdivision of a State, or political subdivision that is not the eligible agency may not regulate or prohibit the imposition or collection of a passenger facility fee or the use of the passenger facility revenue.

(c) **Passenger facility fee.**—A passenger facility fee may be imposed on a passenger of an air carrier or foreign air carrier originating or connecting at the commercial service airport that the agency controls.

(d) In lieu of authorizing a fee under paragraph (1), the Secretary may authorize under this section an eligible agency to impose a passenger facility fee of $4.00 or $4.50 on each paying passenger of an air carrier or foreign air carrier boarding an aircraft at an airport the agency controls to finance an eligible airport-related project, including making payments for debt service on indebtedness incurred to carry out the project, if the Secretary finds—

1. **Airport service.**—In the case of an airport that has more than 25 percent of the total number of annual boardings in the United States, that the project will make a significant contribution to improving air safety and security, increasing competition among air carriers, reducing current or anticipated congestion, or reducing the impact of aviation noise on people living near the airport; and

2. **Funds.**—That the project cannot be paid for from funds reasonably expected to be available for the programs referred to in section 48103.
(5) Maximum cost for certain low-emission technology projects.—The maximum cost that may be financed by imposition of a passenger facility fee under this section for a project described in subsection (a)(3)(G) with respect to a vehicle or ground support equipment may not exceed the incremental amount of the project cost that is greater than the cost of acquiring a vehicle or equipment that is not low-emission and would be used for the same purpose, or the cost of low-emission retrofitting, as determined by the Secretary.

(6) Debt service for certain projects.—In addition to the uses specified in paragraphs (1) and (4), the Secretary may authorize a passenger facility fee imposed under paragraph (1) or (4) to be used for making payments for debt service on indebtedness incurred to carry out at the airport a project that is not an eligible airport-related project if the Secretary determines that such use is necessary due to the financial need of the airport.

(7) Noise mitigation for certain schools.—

(A) In general.—In addition to the uses specified in paragraphs (1), (4), and (6), the Secretary may authorize a passenger facility fee imposed under paragraph (1) or (4) at a large hub airport that is the subject of an amended judgment and final order in condemnation filed on January 7, 1980, by the Superior Court of the State of California for the county of Los Angeles, to be used for a project to carry out noise mitigation for a building, or for the replacement of a relocatable building with a permanent building, in the noise impacted area surrounding the airport at which such building is used primarily for educational purposes, notwithstanding the air easement granted or any terms to the contrary in such judgment and final order if—

(i) the Secretary determines that the building is adversely affected by airport noise;

(ii) the building is owned or chartered by the school district that was the plaintiff in case number 986,442 or 986,446, which was resolved by such judgment and final order;

(iii) the project is for a school identified in 1 of the settlement agreements effective February 16, 2005, between the airport and each of the school districts;

(iv) in the case of a project to replace a relocatable building with a permanent building, the eligible project costs are limited to the actual structural construction costs necessary to mitigate aircraft noise in instructional classrooms to an interior noise level meeting current standards of the Federal Aviation Administration; and

(v) the project otherwise meets the requirements of this section for authorization of a passenger facility fee.

(B) Eligible project costs.—In subparagraph (A)(iv), the term ‘eligible project costs’ means the difference between the cost of standard school construction and the cost of construction necessary to mitigate classroom noise to the standards of the Federal Aviation Administration.

(c) Applications.—(1) An eligible agency must submit to the Secretary an application for authorization to impose a passenger facility fee. The application shall contain information and be in the form that the Secretary may require by regulation.

(2) Before submitting an application, the eligible agency must provide reasonable notice to, and an opportunity for consultation with, air carriers and foreign air carriers operating at the airport. The Secretary shall prescribe regulations that define reasonable notice and contain at least the following requirements:

(A) The agency must provide written notice of individual projects being considered for financing by a passenger facility fee and the date and location of a meeting to present the projects to air carriers and foreign air carriers operating at the airport.

(B) Not later than 30 days after written notice is provided under subparagraph (A) of this paragraph, each air carrier and foreign air carrier operating at the airport must provide to the agency written notice of receipt of the notice. Failure of a carrier to provide the notice may be deemed certification of agreement with the project by the carrier under subparagraph (D) of this paragraph.

(C) Not later than 45 days after written notice is provided under subparagraph (A) of this paragraph, the agency must conduct a meeting to provide air carriers and foreign air carriers with descriptions of projects and justifications and a detailed financial plan for projects.

(D) Not later than 30 days after the meeting, each air carrier and foreign air carrier must provide to the agency certification of agreement or disagreement with projects (or total plan for the projects). Failure to provide the certification is deemed certification of agreement with the project by the carrier. A certification of disagreement is void if it does not contain the reasons for the disagreement.

(E) The agency must include in its application or notice submitted under subparagraph (A) copies of all certifications of agreement or disagreement received under subparagraph (D).

(F) For the purpose of this section, an eligible agency providing notice and an opportunity for consultation to an air carrier or foreign air carrier is deemed to have satisfied the requirements of this paragraph if the eligible agency limits such notices and consultations to air carriers and foreign air carriers that have a significant business interest at the airport. In the subparagraph, the term ‘significant business interest’ means an air carrier or foreign air carrier that had no less than 1.0 percent of passenger boardings at the airport in the prior calendar year, had at least 25,000 passenger boardings at the airport in the prior calendar year, or provides scheduled service at the airport.

(3) Before submitting an application, the eligible agency must provide public notice of intent to collect a pass-
senger facility fee so as to inform those interested persons and agencies that may be affected. The public notice may include—

(i) publication in local newspapers of general circulation;
(ii) publication in other local media; and
(iii) posting the notice on the agency’s Internet website.

(B) A requirement for submission of public comments no sooner than 30 days, and no later than 45 days, after the date of the publication of the notice.

(C) A requirement that the agency include in its application or notice submitted under subparagraph (A) copies of all comments received under subparagraph (B).

(4) After receiving an application, the Secretary may provide notice and an opportunity to air carriers, foreign air carriers, and other interested persons to comment on the application. The Secretary shall make a final decision on the application not later than 120 days after receiving it.

(d) LIMITATIONS ON APPROVING APPLICATIONS.—

The Secretary may approve an application that an eligible agency has submitted under subsection (c) of this section to finance a specific project only if the Secretary finds, based on the application, that—

(1) the amount and duration of the proposed passenger facility fee will result in revenue (including interest and other returns on the revenue) that is not more than the amount necessary to finance the specific project;

(2) each project is an eligible airport-related project that will—

(A) preserve or enhance capacity, safety, or security of the national air transportation system;

(B) reduce noise resulting from an airport that is part of the system; or

(C) provide an opportunity for enhanced competition between or among air carriers and foreign air carriers;

(3) the application includes adequate justification for each of the specific projects; and

(4) in the case of an application to impose a fee of more than $3.00 for an eligible surface transportation or terminal project, the agency has made adequate provision for financing the airside needs of the airport, including runways, taxiways, aprons, and aircraft gates.

(e) LIMITATIONS ON IMPOSING FEES.—(1) An eligible agency may impose a passenger facility fee only—

(A) if the Secretary approves an application that the agency has submitted under subsection (c) of this section; and

(B) subject to terms the Secretary may prescribe to carry out the objectives of this section.

(2) A passenger facility fee may not be collected from a passenger—

(A) for more than 2 boardings on a one-way trip or a trip in each direction of a round trip;

(B) for the boarding to an eligible place under subchapter II of chapter 417 of this title for which essential air service compensation is paid under subchapter II;

(C) enplaning at an airport if the passenger did not pay for the air transportation which resulted in such enplanement, including any case in which the passenger obtained the ticket for the air transportation with a frequent flier award coupon without monetary payment;

(D) on flights, including flight segments, between 2 or more points in Hawaii;

(E) in Alaska aboard an aircraft having a seating capacity of less than 60 passengers; and

(F) enplaning at an airport if the passenger did not pay for the air transportation which resulted in such enplanement due to charter arrangements and payment by the Department of Defense.

(f) LIMITATIONS ON CONTRACTS, LEASES, AND USE AGREEMENTS.—(1) A contract between an air carrier or foreign air carrier and an eligible agency made at any time may not impair the authority of the agency to impose a passenger facility fee or to use the passenger facility revenue as provided in this section.

(2) A project financed with a passenger facility fee may not be subject to an exclusive long-term lease or use agreement of an air carrier or foreign air carrier, as defined by regulations of the Secretary.

(3) A lease or use agreement of an air carrier or foreign air carrier related to a project whose construction or expansion was financed with a passenger facility fee may not restrict the eligible agency from financing, developing, or assigning new capacity at the airport with passenger facility revenue.

(g) TREATMENT OF REVENUE.—(1) Passenger facility revenue is not airport revenue for purposes of establishing a price under a contract between an eligible agency and an air carrier or foreign air carrier.

(2) An eligible agency may not include in its price base the part of the capital costs of a project paid for by using passenger facility revenue to establish a price under a contract between the agency and an air carrier or foreign air carrier.

(3) For a project for terminal development, gates and related areas, or a facility occupied or used by at least one air carrier or foreign air carrier on an exclusive or preferential basis, a price payable by an air carrier or foreign air carrier using a similar facility at the airport that was not financed with passenger facility revenue.

(4) Passenger facility revenues that are held by an air carrier or an agent of the carrier after collection of a passenger facility fee constitute a trust fund that is held by the air carrier or agent for the beneficial interest of the eligible agency imposing the fee. Such carrier or agent holds neither legal nor equitable interest in the passenger facility revenues except for any handling fee or retention of interest collected on unremitted proceeds as may be allowed by the Secretary.

(h) COMPLIANCE.—(1) As necessary to ensure compliance with this section, the Secretary shall prescribe regulations requiring recordkeeping and auditing of accounts maintained by
an air carrier or foreign air carrier and its agent collecting a passenger facility fee and by the eligible agency imposing the fee.

(2) The Secretary periodically shall audit and review the use by an eligible agency of passenger facility revenue. After review and a public hearing, the Secretary may end any part of the authority of the agency to impose a passenger facility fee to the extent the Secretary decides that the revenue is not being used as provided in this section.

(3) The Secretary may set off amounts necessary to ensure compliance with this section against amounts otherwise payable to an eligible agency under subchapter I of chapter 471 of this title if the Secretary decides a passenger facility fee is excessive or that passenger facility revenue is not being used as provided in this section.

(i) REGULATIONS.—The Secretary shall prescribe regulations necessary to carry out this section. The regulations—

(1) may prescribe the time and form by which a passenger facility fee takes effect; 
(2) shall—

(A) require an air carrier or foreign air carrier and its agent to collect a passenger facility fee that an eligible agency imposes under this section;
(B) establish procedures for handling and remitting money collected;
(C) ensure that the money, less a uniform amount the Secretary determines reflects the average necessary and reasonable expenses (net of interest accruing to the carrier and agent after collection and before remittance) incurred in collecting and handling the fee, is paid promptly to the eligible agency for which they are collected; and
(D) require that the amount collected for any air transportation be noted on the ticket for that air transportation; and
(3) may permit an eligible agency to request that collection of a passenger facility fee be waived for—

(A) passengers enplaned by any class of air carrier or foreign air carrier if the number of passengers enplaned by the carriers in the class constitutes not more than one percent of the total number of passengers enplaned annually at the airport at which the fee is imposed; or
(B) passengers enplaned on a flight to an airport—

(i) that has fewer than 2,500 passenger boardings each year and receives scheduled passenger service; or
(ii) in a community which has a population of less than 10,000 and is not connected by a land highway or vehicular way to the land-connected National Highway System within a State.

(j) LIMITATION ON CERTAIN ACTIONS.—A State, political subdivision of a State, or authority of a State or political subdivision that is not the eligible agency may not tax, regulate, or prohibit or otherwise attempt to control in any manner, the imposition or collection of a passenger facility fee or the use of the revenue from the passenger facility fee.

(k) COMPETITION PLANS.—

(1) IN GENERAL.—Beginning in fiscal year 2001, no eligible agency may impose a passenger facility fee under this section with respect to a covered airport (as such term is defined in section 47106(f)) unless the agency has submitted to the Secretary a written competition plan in accordance with such section. This subsection does not apply to passenger facility fees in effect before the date of the enactment of this subsection.

(2) SECRETARY SHALL ENSURE IMPLEMENTATION AND COMPLIANCE.—The Secretary shall review any plan submitted under paragraph (1) to ensure that it meets the requirements of this section, and shall review its implementation from time-to-time to ensure that each covered airport successfully implements its plan.

(l) PILOT PROGRAM FOR PASSENGER FACILITY FEE AUTHORIZATIONS AT NONHUB AIRPORTS.—

(1) IN GENERAL.—The Secretary shall establish a pilot program to test alternative procedures for authorizing eligible agencies for nonhub airports to impose passenger facility fees. An eligible agency may impose in accordance with the provisions of this subsection a passenger facility fee under this section. For purposes of the pilot program, the procedures in this subsection shall apply instead of the procedures otherwise provided in this section.

(2) NOTICE AND OPPORTUNITY FOR CONSULTATION.—The eligible agency must provide reasonable notice and an opportunity for consultation to air carriers and foreign air carriers in accordance with subsection (c)(3) and must provide reasonable notice and opportunity for public comment in accordance with subsection (c)(3).

(3) NOTICE OF INTENTION.—The eligible agency must submit to the Secretary a notice of intention to impose a passenger facility fee under this subsection. The notice shall include—

(A) information that the Secretary may require by regulation on each project for which authority to impose a passenger facility fee is sought;
(B) the amount of revenue from passenger facility fees that is proposed to be collected for each project; and
(C) the level of the passenger facility fee that is proposed.

(4) ACKNOWLEDGEMENT OF RECEIPT AND INDICATION OF OBJECTION.—The Secretary shall acknowledge receipt of the notice and indicate any objection to the imposition of a passenger facility fee under this subsection for any project identified in the notice within 30 days after receipt of the eligible agency’s notice.

(5) AUTHORITY TO IMPOSE FEE.—Unless the Secretary objects within 30 days after receipt of the eligible agency’s notice, the eligible agency is authorized to impose a passenger facility fee in accordance with the terms of its notice under this subsection.

(6) REGULATIONS.—Not later than 180 days after the date of enactment of this subsection, the Secretary shall propose such regulations as may be necessary to carry out this subsection.
40117 (a) ... 49 App.:1513(e) (15)(A), (B), (D).
40117 (a) (2) ... (no source).
40117 (a) (3) ... 49 App.:1513(e) (15)(C).
40117 (a) (4) ... (no source).
40117 (b) (1) ... 49 App.:1513(e)(1).
40117 (b) (2) ... 49 App.:1513(e)(4).
40117 (b) (3) ... 49 App.:1513(e)(8) (1st sentence).
40117 (b) (4) ... 49 App.:1513(e)(6) (1st sentence).
40117 (c) (1) ... 49 App.:1513(e)(11) (A)–(C).
40117 (c) (2) ... 49 App.:1513(e)(11) (A)–(E) (last sentence).
40117 (d) ... 49 App.:1513(e)(2).
40117 (e) (1)(A) ... 49 App.:1513(e) (11)(A) (1st sentence).
40117 (e) (1)(B) ... 49 App.:1513(e) (11)(B).
40117 (e) (2)(A) ... 49 App.:1513(e)(6) (last sentence).
40117 (e) (2)(B) ... 49 App.:1513(e)(3).
40117 (e) (2)(C) ... 49 App.:1513(e)(4).
40117 (e) (3) ... 49 App.:1513(e)(8) (last sentence).
40117 (e) (4) ... 49 App.:1513(e)(3).
40117 (g) ... 49 App.:1513(e)(27).
40117 (h) ... 49 App.:1513(e)(42).
40117 (i) ... 49 App.:1513(e)(10).

In subsection (a), before clause (1), the text of 49 App.:1513(e)(15)(A) is omitted for clarity and because the terms “air carrier” and “foreign air carrier” are used the first time they appear in each subsection. The text of 49 App.:1513(e)(15)(D) is omitted because the complete name of the Secretary of Transportation is used the first time the term appears in this section. Clauses (2), (4), and (5) are added to avoid repeating the source provisions throughout this section. In clause (3)(D), the words “without regard to” are omitted as surplus.

In subsection (b)(1), the words “bonds and other” are omitted as surplus.

In subsection (b)(2), the word “limit” is omitted as being included in “regulate.”

In subsection (d), before clause (1), the text of 49 App.:1513(e)(5) is omitted as executed. The words “approve an application that an eligible agency has submitted under subsection (c) of this section” are substituted for “grant a public agency which controls a facility revenue to which the eligible entity is entitled” and “determine whether the entity is entitled to receive the interest on passenger facility revenue.”

In subsection (e)(1)(B), the words “and conditions” are omitted as being included in “terms.” Subsection (e)(2)(A) is substituted for 49 App.:1513(e)(6) (last sentence) to eliminate unnecessary words.
In subsection (e)(2)(B), the words “a public agency which controls any other airport”, “If a passenger of an air carrier is being provided air service”, and “with respect to such air service” are omitted as surplus.

In subsection (f)(3), the words “financed with” are substituted for “carried out through the use of” for “funds” for “funds.”

In subsection (g), the word “price” is substituted for “cost” for “costs.”

In subsection (h), the word “agent” is substituted for “agency” to correct an error in the source provisions.

In subsection (i), before clause (1), the words “Not later than May 4, 1991” are omitted as obsolete.

Pub. L. 104–287

This repeals §40117(e)(2)(C) to eliminate an executed provision and makes conforming amendments.

REFERENCES IN TEXT

The date of the enactment of this subsection, referred to in subsec. (k)(1), is the date of enactment of Pub. L. 106–181, which was approved Apr. 5, 2000.

The date of enactment of this subsection, referred to in subsecs. (l)(6) and (m)(7), is the date of enactment of Pub. L. 108–176, which was approved Dec. 12, 2003.

AMENDMENTS

Pub. L. 112–7 substituted “June 1, 2011,” for “April 1, 2011.”

Pub. L. 110–253 substituted “September 30, 2008,” for “the date that is 3 years after the date of issuance of regulations to carry out this subsection”.

Subsec. (a)(4) to (6). Pub. L. 108–176, §121(c), added par. (4) and redesignated former pars. (4) and (5) as (5) and (6), respectively.

Subsec. (b)(5). Pub. L. 108–176, §121(b), added par. (5).

2000—Subsec. (a). Pub. L. 106–181, §151, amended heading and text of subsec. (a) generally. Prior to amendment, text read as follows: “In this section—

(1) ‘airport’, ‘commercial service airport’, and ‘public agency’ have the same meanings given those terms in section 47102 of this title.

(2) ‘eligible agency’ means a public agency that controls a commercial service airport.

(3) ‘eligible airport-related project’ means a project—

(A) for airport development or airport planning under subchapter I of chapter 471 of this title; 
(B) for terminal development described in section 47110(d) of this title; 
(C) for airport noise capability planning under section 47505 of this title;

(D) to carry out noise compatibility measures eligible for assistance under section 47504 of this title, whether or not a program for those measures has been approved under section 47504; and

(E) for constructing gates and related areas at which passengers board or exit aircraft.

‘‘passenger facility fee’ means a fee imposed under this section.

‘‘passenger facility revenue’ means revenue derived from a passenger facility fee.’’

Subsec. (a)(3)(C) to (F). Pub. L. 106–181, §152(a), added subpar. (C) and redesignated former subpars. (C) to (E) as (D) to (F), respectively.

Subsec. (e)(2)(D), (E). Pub. L. 106–181, §135(a), added subpars. (D) and (E).

1996—Subsec. (a)(3)(D) to (F). Pub. L. 104–264, §142(b)(2), inserted “and” at end of subpar. (D), substituted a period for “,” and at end of subpar. (E), and struck out subpar. (F) which read as follows: “In addition to projects eligible under subparagraph (A), the construction, reconstruction, repair, or improvement of areas of an airport used for the operation of aircraft or actions to mitigate the environmental effects of such construction, reconstruction, repair, or improvement when the construction, reconstruction, repair, improvement, or action is necessary for compliance with the responsibilities of the operator or owner of the airport under the Americans with Disabilities Act of 1990, the Clean Air Act, or the Federal Water Pollution Control Act with respect to the airport.”

Subsec. (e)(2)(B) to (D). Pub. L. 104–287 inserted “and” at end of subpar. (B), redesignated subpar. (D) as (C), and struck out former subpar. (C) which read as follows: “For a project the Secretary does not approve under this section before October 1, 1993, if, during the fiscal year ending September 30, 1993, the amount available for obligation under subchapter II of chapter 417 of this title is less than $38,600,000, except that this clause—

(i) does not apply if the amount available for obligation under subchapter II of chapter 417 of this title is less than $38,600,000 because of sequestration or other general appropriations reductions applied proportionately to appropriations accounts throughout an Appropriations Act; and

(ii) does not affect the authority of the Secretary to approve the imposition of a fee or the use of revenues, derived from a fee imposed under an approval
made under this section, by a public agency that has received an approval to impose a fee under this section before September 30, 1993, regardless of whether the fee is being imposed on September 30, 1993; and:"

Subsec. (d)(3). Pub. L. 103–305, §204(b), added par. (3).

Effective Date of 2011 Amendment

Pub. L. 112–21, §5(j), June 29, 2011, 125 Stat. 235, provided that: "The amendments made by this section [amending this section and sections 44302, 44303, 47107, 47115, 47141, and 49108 of this title and provisions set out as a note under section 47109 of this title] shall take effect on July 1, 2011."

Pub. L. 112–16, §5(j), May 31, 2011, 125 Stat. 220, provided that: "The amendments made by this section [amending this section and sections 44302, 44303, 47107, 47115, 47141, and 49108 of this title and provisions set out as a note under section 47109 of this title] shall take effect on June 1, 2011."

Pub. L. 112–7, §5(j), Mar. 31, 2011, 125 Stat. 33, provided that: "The amendments made by this section [amending this section and sections 44302, 44303, 47107, 47115, 47141, and 49108 of this title and provisions set out as a note under section 47109 of this title] shall take effect on April 1, 2011."

Effective Date of 2010 Amendment

Pub. L. 111–249, §5(j), Sept. 30, 2010, 124 Stat. 2628, provided that: "The amendments made by this section [amending this section, sections 47139, 44302, 44303, 47107, 47115, 47141, and 49108 of this title, and provisions set out as a note under section 47109 of this title] shall take effect on October 1, 2010."

Pub. L. 111–216, §104(d), Aug. 1, 2010, 124 Stat. 2550, provided that: "The amendments made by this section [amending this section, sections 47139, 44302, 44303, 47107, 47115, 47141, and 49108 of this title, and provisions set out as a note under section 47109 of this title] shall take effect on October 1, 2010."

Pub. L. 111–197, §5(j), July 2, 2010, 124 Stat. 1354, provided that: "The amendments made by this section [amending this section, sections 44302, 44303, 47107, 47115, 47141, and 49108 of this title, and provisions set out as a note under section 47109 of this title] shall take effect on July 4, 2010."

Pub. L. 111–161, §5(j), Apr. 30, 2010, 124 Stat. 1127, provided that: "The amendments made by this section [amending this section, sections 44302, 44303, 47107, 47115, 47141, and 49108 of this title, and provisions set out as a note under section 47109 of this title] shall take effect on May 1, 2010."

Pub. L. 111–153, §5(j), Mar. 31, 2010, 124 Stat. 1085, provided that: "The amendments made by this section [amending this section, sections 44302, 44303, 47107, 47115, 47141, and 49108 of this title, and provisions set out as a note under section 47109 of this title] shall take effect on April 1, 2010."

Effective Date of 2009 Amendment

Pub. L. 111–116, §5(j), Dec. 16, 2009, 123 Stat. 3032, provided that: "The amendments made by this section [amending this section and sections 44302, 44303, 47107, 47115, 47141, and 49108 of this title and provisions set out as a note under section 47109 of this title] shall take effect on January 1, 2010."

Pub. L. 111–69, §5(j), Oct. 1, 2009, 123 Stat. 2055, provided that: "The amendments made by this section [amending this section and sections 47139, 44302, 44303, 47107, 47115, 47141, and 49108 of this title and provisions set out as notes under sections 47131 and 47109 of this title] shall take effect on October 1, 2009."

Pub. L. 111–12, §5(j), March 30, 2009, 123 Stat. 1458, provided that: "The amendments made by this section [amending this section and sections 44302, 44303, 47107, 47115, 47141, and 49108 of this title and provisions set out as a note under section 47109 of this title] shall take effect on April 1, 2009."

Effective Date of 2008 Amendment

Pub. L. 110–330, §5(i), Sept. 30, 2008, 122 Stat. 3719, provided that: "The amendments made by this section [amending this section, sections 47139, 44302, 44303, 47107, 47115, 47141, and 49108 of this title, and provisions set out as notes under sections 47131 and 47109 of this title] shall take effect on October 1, 2008."

Effective Date of 2003 Amendment

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

Effective Date of 2000 Amendment

Effective Date of 1996 Amendment

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

GUIDANCE

Pub. L. 108–176, title I, §121(d), Dec. 12, 2003, 117 Stat. 2560, provided that: "The Secretary, in consultation with the Administrator of the Environmental Protection Agency, shall issue guidance determining eligibility of projects, and how benefits to air quality must be demonstrated, under the amendments made by this section [amending this section]."

Eligibility of Airport Ground Access Transportation Projects

Pub. L. 108–176, title I, §123(e), Dec. 12, 2003, 117 Stat. 2562, provided that: "Not later than 60 days after the enactment of this Act [Dec. 12, 2003], the Administrator of the Federal Aviation Administration shall publish in the Federal Register the current policy of the Administration, consistent with current law, with respect to the eligibility of airport ground access transportation projects for the use of passenger facility fees under section 40117 of title 49, United States Code."

Competition Plans

Pub. L. 106–181, title I, §156(a), Apr. 5, 2000, 114 Stat. 80, provided that: "The Congress makes the following findings:"

"(1) Major airports must be available on a reasonable basis to all air carriers wishing to serve those airports."

"(2) 15 large hub airports today are each dominated by one air carrier, with each such carrier controlling more than 50 percent of the traffic at the hub."
§ 40118. Government-financed air transportation

(a) Transportation by air carriers holding certificates.—A department, agency, or instrumentality of the United States Government shall take necessary steps to ensure that the transportation of passengers and property by air is provided by an air carrier holding a certificate under section 41102 of this title if—

(1) the department, agency, or instrumentality—

(A) obtains the transportation for itself or in carrying out an arrangement under which payment is made by the Government or payment is made from amounts provided for the use of the Government; or

(B) provides the transportation to or for a foreign country or international or other organization without reimbursement;

(2) the transportation is authorized by the certificate or by regulation or exemption of the Secretary of Transportation; and

(3) the air carrier is—

(A) available, if the transportation is between a place in the United States and a place outside the United States; or

(B) reasonably available, if the transportation is between 2 places outside the United States.

(b) Transportation by foreign air carriers.—This section does not preclude the transportation of passengers and property by a foreign air carrier if the transportation is provided under a bilateral or multilateral air transportation agreement to which the Government and the government of a foreign country are parties if the agreement—

(1) is consistent with the goals for international aviation policy of section 40118(e) of this title; and

(2) provides for the exchange of rights or benefits of similar magnitude.

(c) Proof.—The Administrator of General Services shall prescribe regulations under which agencies may allow the expenditure of an appropriation for transportation in violation of this section only when satisfactory proof is presented showing the necessity for the transportation.

(d) Certain transportation by air outside the United States.—Notwithstanding subsections (a) and (c) of this section, any amount appropriated to the Secretary of State or the Administrator of the Agency for International Development may be used to pay for the transportation of an officer or employee of the Department of State or one of those agencies, a dependent of the officer or employee, and accompanying baggage, by a foreign air carrier when the transportation is between 2 places outside the United States.

(e) Relationship to other laws.—This section does not affect the application of the anti-discrimination provisions of this part.

(f) Prohibition of certification or contract clause.—(1) No certification by a contractor, and no contract clause, may be required in the case of a contract for the transportation of commercial items in order to implement a requirement in this section.

(2) In paragraph (1), the term “commercial item” has the meaning given such term in section 103 of title 41, except that it shall not include a contract for the transportation by air of passengers.

owned, controlled, granted, or conditionally granted or utilized by or otherwise for clarity and to eliminate unnecessary words. In subclause (B), the word “country” is substituted for “nation” for consistency in the revised title and with other titles of the Code. The words “international or other organization” are substituted for “international agency, or other organization, of whatever nationality” to eliminate unnecessary words. The words “provisions for” are omitted as surplus.

In subsection (b), before clause (1), the words “government of a foreign country” are substituted for “for foreign government” for consistency in the revised title and with other titles of the Code. The words “or governments” are omitted because of 1:1.

In subsection (c), the words “for payment for personnel or cargo transportation” are omitted as surplus.

In subsection (d), the words “the limitations established by” are omitted as surplus. The words “after October 7, 1978” are omitted as executed. The words “Secretary of State” are substituted for “Department of State” because of 22:2651. The words “Director of the United States Information Agency” are substituted for “International Communication Agency” in section 706 of the Act of October 7, 1978 (Public Law 95–426, 92 Stat. 992), because of section 2 of Reorganization Plan No. 2 of 1977 (eff. July 1, 1978, 91 Stat. 1656) and section 303(b) of the United States Information Agency Authorization Act, Fiscals Year 1982 and 1983 (Public Law 97–241, 94 Stat. 291). The words “Director of the United States International Development Cooperation Agency” are substituted for “Agency for International Development (or any successor agency)” in section 706 because of section (a)(3) of Reorganization Plan No. 2 of 1979 (eff. October 1, 1979, 93 Stat. 1379). The words “a foreign air carrier” are substituted for “air carriers which do not hold certificates under section 1371 of this Appendix” for clarity. See H. Conf. Rep. No. 95–1533, 95th Cong., 2d Sess., p. 45 (1978).

In subsection (e), the word “affect” is substituted for “prevent” for clarity. The words “to such traffic” are omitted as surplus.

P.L. 104–287, § 40119.

This amends the catchline for 49:40118(d) to make a clarifying amendment.

P.L. 104–287, § 40119.

This amends 49:40118(f)(1) to make a clarifying amendment.

AMENDMENTS

2009—Subsec. (f)(2). Pub. L. 110–178 inserted “, except that it shall not include a contract for the transportation by air of passengers” before period at end.

1998—Subsec. (d). Pub. L. 105–277, § 1422(b)(6), substituted “or the Administrator of the Agency for International Development” for “Air carriers which do not hold certificates under section 1371 of this Appendix” in heading.

P.L. 105–277, § 1335(p), struck out “, the Director of the United States Information Agency,” after “Secretary of State”.

P.L. 105–277, § 1225(h), struck out “, or the Director of the Arms Control and Disarmament Agency” before “may be used to pay”.

1996—Subsec. (c). Pub. L. 104–316 substituted “Administrator of General Services shall prescribe regulations under which agencies may” for “Comptroller General shall”.

Subsec. (d). Pub. L. 104–287, § 568(A), substituted “Certain Transportation by Air Outside the United States” for “Transportation by Foreign Air Carriers” in heading.

EFFECTIVE DATE OF 1994 AMENDMENT

For effective date and applicability of amendment by P.L. 103–355, see section 10001 of P.L. 103–355, set out as a note under section 2302 of Title 10, Armed Forces.

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 1998 AMENDMENT

Amendment by section 1225(h) of Pub. L. 105–277 effective on earlier of Apr. 1, 1999, or date of abolition of the United States Arms Control and Disarmament Agency pursuant to reorganization plan described in section 6601 of Title 22, Foreign Relations and Intercourse, see section 1201 of Pub. L. 105–277, set out as an Effective Date note under section 6511 of Title 22.

Amendment by section 1335(p) of Pub. L. 105–277 effective on earlier of Oct. 1, 1999, or date of abolition of the United States Information Agency pursuant to reorganization plan described in section 6601 of Title 22, Foreign Relations and Intercourse, see section 1301 of Pub. L. 105–277, set out as an Effective Date note under section 6511 of Title 22.

Amendment by section 1422(b)(6) of Pub. L. 105–277 effective on earlier of Apr. 1, 1999, or date of abolition of the United States International Development Cooperation Agency pursuant to reorganization plan described in section 6601 of Title 22, Foreign Relations and Intercourse, see section 1401 of Pub. L. 105–277, set out as an Effective Date note under section 6511 of Title 22.

EFFECTIVE DATE OF 1994 AMENDMENT

For effective date and applicability of amendment by P.L. 103–355, see section 10001 of P.L. 103–355, set out as a note under section 231 of Title 41, Public Contracts.

§ 40119. Security and research and development activities

(a) GENERAL REQUIREMENTS.—The Under Secretary of Transportation for Security and the Administrator of the Federal Aviation Administration each shall conduct research (including behavioral research) and development activities appropriate to develop, modify, test, and evaluate a system, procedure, facility, or device to protect passengers and property against acts of criminal violence, aircraft piracy, and terrorism and to ensure security.

(b) DISCLOSURE.—(1) Notwithstanding section 502 of title 5 and the establishment of a Department of Homeland Security, the Secretary of Transportation shall prescribe regulations prohibiting disclosure of information obtained or developed in ensuring security under this title if the Secretary of Transportation decides disclosing the information would—

(A) be an unwarranted invasion of personal privacy;

(B) reveal a trade secret or privileged or confidential commercial or financial information; or

(C) be detrimental to transportation safety.

(2) Paragraph (1) of this subsection does not authorize information to be withheld from a committee of Congress authorized to have the information.

(3) Nothing in paragraph (1) shall be construed to authorize the designation of information as...
sensitive security information (as defined in section 15.5 of title 49, Code of Federal Regulations)—
(A) to conceal a violation of law, inefficiency, or administrative error;
(B) to prevent embarrassment to a person, organization, or agency;
(C) to restrain competition; or
(D) to prevent or delay the release of information that does not require protection in the interest of transportation security, including basic scientific research information not clearly related to transportation security.

(c) TRANSFERS OF DUTIES AND POWERS PROHIBITED.—Except as otherwise provided by law, the Under Secretary may not transfer a duty or power under this section to another department, agency, or instrumentality of the United States Government.

<table>

In this section, the word “Administrator” in section 318(b) and (e) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 731) is retained on authority of 49:106(g).

In subsection (a), the words “as he may deem” and “aboard aircraft in air transportation or intrastate air transportation” are omitted as surplus.

In subsection (b)(1), before clause (A), the words “relating to freedom of information,” “as he may deem necessary,” and “in the conduct of research and development activities” are omitted as surplus. In clause (A), the word “including, but not limited to, information contained in any personnel, medical, or similar file” are omitted as surplus. In clause (B), the words “obtained from any person” are omitted as surplus.

In subsection (b)(2), the word “duly” is omitted as surplus. The words “to have the information” are added for clarity.

AMENDMENTS

(a) NONAPPLICATION.—Except as provided in the International Navigational Rules Act of 1977 (33 U.S.C. 1101 et seq.), the navigation and shipping laws of the United States and the rules for the prevention of collisions do not apply to aircraft or to the navigation of vessels related to those aircraft.

(b) EXTENDING APPLICATION OUTSIDE UNITED STATES.—The President may extend (in the way and for periods the President considers necessary) the application of this part to outside the United States when—

1. an international arrangement gives the United States Government authority to make the extension; and
2. the President decides the extension is in the national interest.

(c) ADDITIONAL REMEDIES.—A remedy under this part is in addition to any other remedies provided by law.

40120(b) ... | 49 App.:1510. | 
40120(c) ... | 49 App.:1506. | 

In subsection (a), the words "International Navigational Rules Act of 1977 (33 U.S.C. 1601 et seq.)" are substituted for "sections 143 to 147 of title 33" because those sections were repealed by section 3 of the Act of September 24, 1963 (Public Law 88-131, 77 Stat. 194), and replaced by 33:ch. 21. Chapter 21 was repealed by section 10 of the International Navigational Rules Act of 1977 (Public Law 96-75, 91 Stat. 311) and replaced by 33:1601-1608. The words "including any definition of ‘vessel’ or ‘vehicle’ found therein" and "be construed to" are omitted as surplus.

In subsection (b), before clause (1), the words "to the extent", "of time", and "any areas of land or water" are omitted as surplus. The words "and the overlying airspace thereof" are omitted as being included in "outside the United States". In clause (1), the words "treaty, agreement or other lawful" and "necessary legal" are omitted as surplus.

Subsection (c) is substituted for 49 App.:1506 to eliminate unnecessary words and for clarity and consistency in the revised title and with other titles of the United States Code.

REFERENCES IN TEXT

The International Navigational Rules Act of 1977, referred to in subsec. (a), is Pub. L. 96-75, July 27, 1977, 91 Stat. 308, as amended, which is classified principally to chapter 30 (§ 1601 et seq.) of Title 33, Navigation and Navigable Waters. For complete classification of this Act to the Code, see Short Title note set out under section 1601 of Title 33 and Tables.

Ex. Ord. No. 10854. Extension of Application

Ex. Ord. No. 10854, Nov. 27, 1959, 24 F.R. 9665, as amended by Ex. Ord. No. 11382, Nov. 28, 1967, 32 F.R. 16247, provided:

The application of the Federal Aviation Act of 1958 (72 Stat. 731; 49 U.S.C. § 1301 et seq. [see 49 U.S.C. 40101 et seq.]), to the extent necessary to permit the Secretary of Transportation to accomplish the purposes and objectives of Titles III [former 49 U.S.C. 1341 et seq., see Disposition Table at beginning of this title] and XII [see 49 U.S.C. 40103(b)(3), 46307] thereof, is here- by extended to those areas of land or water outside the United States and the overlying airspace thereof over or in which the Federal Government of the United States, under international treaty, agreement or other lawful arrangement, has appropriate jurisdiction or control: Provided, That the Secretary of Transportation, prior to taking any action under the authority hereby conferred, shall first consult with the Secretary of State on matters affecting foreign relations, and with the Secretary of Defense on matters affecting national-defense interests, and shall not take any action which the Secretary of State determines to be in conflict with any international treaty or agreement to which the United States is a party, or to be inconsistent with the successful conduct of the foreign relations of the United States, or which the Secretary of Defense determines to be inconsistent with the requirements of national defense.

§ 40121. Air traffic control modernization reviews

(a) Required Termination of Acquisitions.—The Administrator of the Federal Aviation Administration shall terminate any acquisitions program initiated after the date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996 and funded under the Facilities and Equipment account that—

(1) is more than 50 percent over the cost goal established for the program;
(2) fails to achieve at least 50 percent of the performance goals established for the program;
(3) is more than 50 percent behind schedule as determined in accordance with the schedule goal established for the program.

(b) Authorized Termination of Acquisition Programs.—The Administrator shall consider terminating, under the authority of subsection (a), any substantial acquisition program that—

(1) is more than 10 percent over the cost goal established for the program;
(2) fails to achieve at least 90 percent of the performance goals established for the program;
(3) is more than 10 percent behind schedule as determined in accordance with the schedule goal established for the program.

(c) Exceptions and Report.—

(1) Continuance of Program, Etc.—Notwithstanding subsection (a), the Administrator may continue an acquisitions program required to be terminated under subsection (a) if the Administrator determines that termination would be inconsistent with the development or operation of the national air transportation system in a safe and efficient manner.

(2) Department of Defense.—The Department of Defense shall have the same exemptions from acquisition laws as are waived by the Administrator under section 40110(d)(2) of this title when engaged in joint actions to improve or replenish the national air traffic control system. The Administration may acquire real property, goods, and services through the Department of Defense, or other appropriate agencies, but is bound by the acquisition laws and regulations governing those cases.

(3) Report.—If the Administrator makes a determination under paragraph (1), the Administrator shall transmit a copy of the determination, together with a statement of the basis for the determination, to the Committees on Appropriations of the Senate and the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Transportation and Infrastructure of the House of Representatives.

REFERENCES IN TEXT

The date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996, referred to in subsec. (a), is the date of enactment of Pub. L. 104-264, which was approved Oct. 9, 1996.

Amendments

2000—Subsec. (c)(2). Pub. L. 106-181 substituted "section 40110(d)(2) of this title" for "section 348(b) of Public Law 104-50".
Effective Date of 2000 Amendment

Effective Date

Section effective on date that is 30 days after Oct. 9, 1996, see section 203 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

Except as otherwise specifically provided, section applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

§ 40122. Federal Aviation Administration personnel management system

(a) In General.—

(1) Consultation and Negotiation.—In developing and making changes to the personnel management system initially implemented by the Administrator of the Federal Aviation Administration on April 1, 1996, the Administrator shall negotiate with the exclusive bargaining representatives of employees of the Administration certified under section 7111 of title 5 and consult with other employees of the Administration.

(2) Mediation.—If the Administrator does not reach an agreement under paragraph (1) with the exclusive bargaining representatives, the services of the Federal Mediation and Conciliation Service shall be used to attempt to reach such agreement. If the services of the Federal Mediation and Conciliation Service do not lead to an agreement, the Administrator’s proposed change to the personnel management system shall not take effect until 60 days have elapsed after the Administrator has transmitted the proposed change, along with the objections of the exclusive bargaining representatives to the change, and the reasons for such objections, to Congress. The 60-day period shall not include any period during which Congress has adjourned sine die.

(3) Cost Savings and Productivity Goals.—

The Administration and the exclusive bargaining representatives of the employees shall use every reasonable effort to find cost savings and to increase productivity within each of the affected bargaining units.

(4) Annual Budget Discussions.—The Administration and the exclusive bargaining representatives of the employees shall meet annually for the purpose of finding additional cost savings within the Administration’s annual budget as it applies to each of the affected bargaining units and throughout the agency.

(b) Expert Evaluation.—On the date that is 3 years after the personnel management system is implemented, the Administration shall employ outside experts to provide an independent evaluation of the effectiveness of the system within 3 months after such date. For this purpose, the Administrator may utilize the services of experts and consultants under section 3109 of title 5 without regard to the limitation imposed by the last sentence of section 3109(b) of such title, and may contract on a sole source basis, notwithstanding any other provision of law to the contrary.

(c) Pay Restriction.—No officer or employee of the Administration may receive an annual rate of basic pay in excess of the annual rate of basic pay payable to the Administrator.

(d) Ethics.—The Administration shall be subject to Executive Order No. 12674 and regulations and opinions promulgated by the Office of Government Ethics, including those set forth in section 2635 of title 5 of the Code of Federal Regulations.

(e) Employee Protections.—Until July 1, 1999, basic wages (including locality pay) and operational differential pay provided employees of the Administration shall not be involuntarily adversely affected by reason of the enactment of this section, except for unacceptable performance or by reason of a reduction in force or reorganization or by agreement between the Administration and the affected employees’ exclusive bargaining representative.

(f) Labor-Management Agreements.—Except as otherwise provided by this title, all labor-management agreements covering employees of the Administration that are in effect on the effective date of the Air Traffic Management System Performance Improvement Act of 1996 shall remain in effect until their normal expiration date, unless the Administrator and the exclusive bargaining representative agree to the contrary.

(g) Personnel Management System.—

(1) In General.—In consultation with the employees of the Administration and such non-governmental experts in personnel management systems as he may employ, and notwithstanding the provisions of title 5 and other Federal personnel laws, the Administrator shall develop and implement, not later than January 1, 1996, a personnel management system for the Administration that addresses the unique demands on the agency’s workforce. Such a new system shall, at a minimum, provide for greater flexibility in the hiring, training, compensation, and location of personnel.

(2) Applicability of Title 5.—The provisions of title 5 shall not apply to the new personnel management system developed and implemented pursuant to paragraph (1), with the exception of—

(A) section 2302(b), relating to whistle-blower protection, including the provisions for investigation and enforcement as provided in chapter 12 of title 5;

(B) sections 3308–3320, relating to veterans’ preference;

(C) chapter 71, relating to labor-management relations;

(D) section 7204, relating to antidiscrimination;

(E) chapter 73, relating to suitability, security, and conduct;

(F) chapter 81, relating to compensation for work injury;

(G) chapters 83–85, 87, and 89, relating to retirement, unemployment compensation, and insurance coverage; and

(H) sections 1201, 1211–1218, 1221, and 7701–7703, relating to the Merit Systems Protection Board.

### Appeals to Merit Systems Protection Board

Under the new personnel management system developed and implemented under paragraph (1), an employee of the Administration may submit an appeal to the Merit Systems Protection Board and may seek judicial review of any resulting final orders or decisions of the Board from any action that was appealable to the Board under any law, rule, or regulation as of March 31, 1996.

### Effective Date

This subsection shall take effect on April 1, 1996.

#### Right To Contest Adverse Personnel Actions

An employee of the Federal Aviation Administration who is the subject of a major adverse personnel action may contest the action either through any contractual grievance procedure that is applicable to the employee as a member of the collective bargaining unit or through the Administration's internal process relating to review of major adverse personnel actions of the Administration, known as Guaranteed Fair Treatment, or under section 40122(g)(3).

#### Election of Forum

Where a major adverse personnel action may be contested through more than one of the indicated forums (such as the contractual grievance procedure, the Federal Aviation Administration's internal process, or that of the Merit Systems Protection Board), an employee must elect the forum through which the matter will be contested.

Nothing in this section is intended to allow an employee to contest an action through more than one forum unless otherwise allowed by law.

#### Definition

In this section, the term "major adverse personnel action" means a suspension of more than 14 days, a reduction in pay or grade, a removal for conduct or performance, a nondisciplinary removal, a furlough of 30 days or less (but not including placement in a nonpay status as the result of a lapse of appropriations or an enactment by Congress), or a reduction in pay or an enactment by Congress, or a reduction in status as the result of a lapse of appropriations or security related information if the Administrator, shall disclose voluntarily-provided safety and security related information if the Administrator finds that—

1. The disclosure of the information would inhibit the voluntary provision of that type of information and that the receipt of that type of information aids in fulfilling the Administrator's safety and security responsibilities; and

2. Withholding such information from disclosure would be consistent with the Administrator's safety and security responsibilities.

#### Regulations

The Administrator shall issue regulations to carry out this section.

### Effective Date

Section effective on date that is 30 days after Oct. 9, 1996, see section 203 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

Except as otherwise specifically provided, section applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

### Deemed References to Chapters 509 and 511 of Title 51

General references to “this title” deemed to refer also to chapters 509 and 511 of Title 51, National and Commercial Space Programs, see section 4(d)(8) of Pub. L. 111–314, set out as a note under section 101 of this title.

### Protection of voluntarily submitted information

#### In General

Notwithstanding any other provision of law, neither the Administrator of the Federal Aviation Administration, nor any agency receiving information from the Administrator, shall disclose voluntarily-provided safety or security related information if the Administrator finds that—

1. The disclosure of the information would inhibit the voluntary provision of that type of information and that the receipt of that type of information aids in fulfilling the Administrator's safety and security responsibilities; and

2. Withholding such information from disclosure would be consistent with the Administrator's safety and security responsibilities.

#### Regulations

The Administrator shall issue regulations to carry out this section.

### Effective Date

Except as otherwise specifically provided, section applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

### Interstate agreements for airport facilities

Congress consents to a State making an agreement, not in conflict with a law of the United States, with another State to develop or operate an airport facility.

### Effective Date

Section effective on date that is 30 days after Oct. 9, 1996, see section 203 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

### Historical and Revision Notes

This restates 49:4502(e) as 49:40121 (now 40124) to provide a more appropriate place in title 49.

### Amendments

## References in Text

Executive Order No. 12674, referred to in subsec. (d), is set out as a note under section 7301 of Title 5, Government Organization and Employee Rights. The effective date of the Air Traffic Management System Performance Improvement Act of 1996, referred to in subsec. (f), is the date that is 30 days after Oct. 9, 1996. See section 202 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

### Amendments

2000—Subsec. (a)(2).

Pub. L. 106–181, §308(a), inserted at end “The 60-day period shall not include any period during which Congress has adjourned sine die.”

Subsec. (g).

Pub. L. 106–181, §307(a), added subsec. (g).

Subsecs. (h) to (j).

Pub. L. 106–181, §308(b), added subsecs. (h) to (j).

### Effective Date of 2000 Amendment

Amendment by Pub. L. 105–102 effective as if included in the provisions of the Act to which the amendment relates, see section 3(f) of Pub. L. 105–102, set out as a note under section 106 of this title.

§ 40125. Qualifications for public aircraft status

(a) Definitions.—In this section, the following definitions apply:

(1) Commercial purposes.—The term “commercial purposes” means the transportation of persons or property for compensation or hire, but does not include the operation of an aircraft by the armed forces for reimbursement when that reimbursement is required by any Federal statute, regulation, or directive, in effect on November 1, 1999, or by one government on behalf of another government under a cost reimbursement agreement if the government on whose behalf the operation is conducted certifies to the Administrator of the Federal Aviation Administration that the operation is necessary to respond to a significant and imminent threat to life or property (including natural resources) and that no service by a private operator is reasonably available to meet the threat.

(2) Governmental function.—The term “governmental function” means an activity undertaken by a government, such as national defense, intelligence missions, firefighting, search and rescue, law enforcement (including transport of prisoners, detainees, and illegal aliens), aeronautical research, or biological or geological resource management.

(3) Qualified non-crewmember.—The term “qualified non-crewmember” means an individual, other than a member of the crew, aboard an aircraft—

(A) operated by the armed forces or an intelligence agency of the United States Government; or

(B) whose presence is required to perform, or is associated with the performance of, a governmental function.

(4) Armed forces.—The term “armed forces” has the meaning given such term by section 101 of title 10.

(b) Aircraft Owned by Governments.—An aircraft described in subparagraph (A), (B), (C), or (D) of section 40102(a)(41) does not qualify as a public aircraft under such section when the aircraft is used for commercial purposes or to carry an individual other than a crewmember or a qualified non-crewmember.

(c) Aircraft Owned or Operated by the Armed Forces.—

(1) In general.—Subject to paragraph (2), an aircraft described in section 40102(a)(41)(E) qualifies as a public aircraft if—

(A) the aircraft is operated in accordance with title 10;

(B) the aircraft is operated in the performance of a governmental function under title 14, 31, 32, or 50 and the aircraft is not used for commercial purposes; or

(C) the aircraft is chartered to provide transportation or other commercial air service to the armed forces and the Secretary of Defense (or the Secretary of the department in which the Coast Guard is operating) designates the operation of the aircraft as being required in the national interest.

(2) Limitation.—An aircraft that meets the criteria set forth in paragraph (1) and that is owned or operated by the National Guard of a State, the District of Columbia, or any territory or possession of the United States, qualifies as a public aircraft only to the extent that it is operated under the direct control of the Department of Defense.

Amendments

Subsec. (c)(1)(C). Pub. L. 110–181, §1078(b), inserted “or other commercial air service” after “transportation”.

Effective Date

Section applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as an Effective Date of 2000 Amendments note under section 106 of this title.

Transfer of Functions

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 531(d), 551(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 40126. Severable services contracts for periods crossing fiscal years

(a) In General.—The Administrator of the Federal Aviation Administration may enter into a contract for procurement of severable services for a period that begins in 1 fiscal year and ends in the next fiscal year if (without regard to any option to extend the period of the contract) the contract period does not exceed 1 year.

(b) Obligation of Funds.—Funds made available for a fiscal year may be obligated for the total amount of a contract entered into under the authority of subsection (a).

Effective Date

Section applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as an Effective Date of 2000 Amendments note under section 106 of this title.

§ 40127. Prohibitions on discrimination

(a) Persons in Air Transportation.—An air carrier or foreign air carrier may not subject a person in air transportation to discrimination on the basis of race, color, national origin, religion, sex, or ancestry.

(b) Use of Private Airports.—Notwithstanding any other provision of law, no State or local government may prohibit the use or full enjoy-
of a private airport within its jurisdiction by any person on the basis of that person’s race, color, national origin, religion, sex, or ancestry. (Added Pub. L. 106–181, title VII, § 706(a), Apr. 5, 2000, 114 Stat. 157.)

**Effective Date**

Section applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as an Effective Date of 2000 Amendments note under section 106 of this title.

## § 40128. Overflights of national parks

(a) **In General.—**

(1) **General Requirements.**—A commercial air tour operator may not conduct commercial air tour operations over a national park or tribal lands, as defined by this section, except:

(A) in accordance with this section;

(B) in accordance with conditions and limitations prescribed for that operator by the Administrator; and

(C) in accordance with any applicable air tour management plan for the park or tribal lands.

(2) **Application for Operating Authority.**—

(A) **Application Required.**—Before commencing commercial air tour operations over a national park or tribal lands, a commercial air tour operator shall apply to the Administrator for authority to conduct the operations over the park or tribal lands.

(B) **Competitive Bidding for Limited Capacity Parks.**—Whenever an air tour management plan limits the number of commercial air tour operations over a national park during a specified time frame, the Administrator, in cooperation with the Director, shall develop an air tour management plan in accordance with subsection (b) and implement such plan.

(C) **Number of Operations Authorized.**—Before granting an application under this paragraph, the Administrator, in cooperation with the Director, shall take into consideration the provisions of the air tour management plan, the number of existing commercial air tour operators and current level of service and equipment provided by any such operators, and the financial viability of each commercial air tour operation.

(D) **Cooperation with NPS.**—Before granting an application under this paragraph, the Administrator, in cooperation with the Director, shall develop an air tour management plan in accordance with subsection (b) and implement such plan.

(E) **Time Limit on Response to ATMP Applications.**—The Administrator shall make every effort to act on any application under this paragraph before conducting commercial air tour operations over a national park. The Administrator shall receive or amend an application not later than 24 months after it is received or amended.

(F) **Priority.**—In acting on applications under this paragraph, the Administrator shall give priority to an application under this paragraph in any case in which a new entrant commercial air tour operator is seeking operating authority with respect to that national park.

(3) **Exception.**—Notwithstanding paragraph (1), commercial air tour operators may conduct commercial air tour operations over a national park under part 91 of the 1 title 14, Code of Federal Regulations if—

(A) such activity is permitted under part 119 of such title;

(B) the operator secures a letter of agreement from the Administrator and the national park superintendent for that national park describing the conditions under which the operations will be conducted; and

(C) the total number of operations under this exception is limited to not more than five flights in any 30-day period over a particular park.

(4) **Special Rule for Safety Requirements.**—Notwithstanding subsection (c), an existing commercial air tour operator shall apply, not later than 90 days after the date of the enactment of this section, for operating authority under part 119, 121, or 135 of title 14, Code of Federal Regulations. A new entrant commercial air tour operator shall apply for such authority before conducting commercial air tour operations over a national park or tribal lands. The Administrator shall make every effort to act on any such application for a new entrant and issue a decision on the application not later than 24 months after it is received or amended.

(b) **Air Tour Management Plans.**—

1. So in original. The word “the” probably should not appear.
(1) Establishment.—

(A) In General.—The Administrator, in cooperation with the Director, shall establish an air tour management plan for any national park or tribal land for which such a plan is not in effect whenever a person applies for authority to conduct a commercial air tour operation over the park. The air tour management plan shall be developed by means of a public process in accordance with paragraph (4).

(B) Objective.—The objective of any air tour management plan shall be to develop acceptable and effective measures to mitigate or prevent the significant adverse impacts, if any, of commercial air tour operations upon the natural and cultural resources, visitor experiences, and tribal lands.

(2) Environmental Determination.—In establishing an air tour management plan under this subsection, the Administrator and the Director shall each sign the environmental determination document required by section 102 of the National Environmental Policy Act of 1969 (42 U.S.C. 4332) which may include a finding of no significant impact, an environmental assessment, or an environmental impact statement and the record of decision for the air tour management plan.

(3) Contents.—An air tour management plan for a national park—

(A) may prohibit commercial air tour operations over a national park in whole or in part;

(B) may establish conditions for the conduct of commercial air tour operations over a national park, including commercial air tour routes, maximum or minimum altitudes, time-of-day restrictions, restrictions for particular events, maximum number of flights per unit of time, intrusions on privacy on tribal lands, and mitigation of noise, visual, or other impacts;

(C) shall apply to all commercial air tour operations over a national park that are also within ½ mile outside the boundary of a national park;

(D) shall include incentives (such as preferred commercial air tour routes and altitudes, relief from caps and curfews) for the adoption of quiet aircraft technology by commercial air tour operators conducting commercial air tour operations over a national park;

(E) shall provide for the initial allocation of opportunities to conduct commercial air tour operations over a national park if the plan includes a limitation on the number of commercial air tour operations for any time period; and

(F) shall justify and document the need for measures taken pursuant to subparagraphs (A) through (E) and include such justifications in the record of decision.

(4) Procedure.—In establishing an air tour management plan for a national park or tribal lands, the Administrator and the Director shall—

(A) hold at least one public meeting with interested parties to develop the air tour management plan;

(B) publish the proposed plan in the Federal Register for notice and comment and make copies of the proposed plan available to the public;

(C) comply with the regulations set forth in sections 1501.3 and 1501.5 through 1501.8 of title 40, Code of Federal Regulations (for purposes of complying with the regulations, the Federal Aviation Administration shall be the lead agency and the National Park Service is a cooperating agency); and

(D) solicit the participation of any Indian tribe whose tribal lands are, or may be, overflown by aircraft involved in a commercial air tour operation over the park or tribal lands to which the plan applies, as a cooperating agency under the regulations referred to in subparagraph (C).

(5) Judicial Review.—An air tour management plan developed under this subsection shall be subject to judicial review.

(6) Amendments.—The Administrator, in cooperation with the Director, may make amendments to an air tour management plan. Any such amendments shall be published in the Federal Register for notice and comment. A request for amendment of an air tour management plan shall be made in such form and manner as the Administrator may prescribe.

(c) Interim Operating Authority.—

(1) In General.—Upon application for operating authority, the Administrator shall grant interim operating authority under this subsection to a commercial air tour operator for commercial air tour operations over a national park or tribal lands for which the operator is an existing commercial air tour operator.

(2) Requirements and Limitations.—Interim operating authority granted under this subsection—

(A) shall provide annual authorization only for the greater of—

(i) the number of flights used by the operator to conduct commercial air tour operations over a national park during any 12-month period prior to the date of enactment of this section; or

(ii) the average number of flights per 12-month period used by the operator to conduct such operations within the 36-month period prior to such date of enactment, and, for seasonal operations, the number of flights so used during the season or seasons covered by that 12-month period;

(B) may not provide for an increase in the number of commercial air tour operations over a national park conducted during any time period by the commercial air tour operator above the number that the air tour operator was originally granted unless such an increase is agreed to by the Administrator and the Director;

(C) shall be published in the Federal Register to provide notice and opportunity for comment;

(D) may be revoked by the Administrator for cause;

(E) shall terminate 180 days after the date on which an air tour management plan is established for the park or tribal lands;
(F) shall promote protection of national park resources, visitor experiences, and tribal lands;
(G) shall promote safe commercial air tour operations;
(H) shall promote the adoption of quiet technology, as appropriate; and
(I) shall allow for modifications of the interim operating authority based on experience if the modification improves protection of national park resources and values and of tribal lands.

(3) NEW ENTRANT AIR TOUR OPERATORS.—
(A) IN GENERAL.—The Administrator, in cooperation with the Director, may grant interim operating authority under this paragraph to an air tour operator for a national park or tribal lands for which that operator is a new entrant air tour operator if the Administrator determines the authority is necessary to ensure competition in the provision of commercial air tour operations over the park or tribal lands.

(B) SAFETY LIMITATION.—The Administrator may not grant interim operating authority under subparagraph (A) if the Administrator determines that it would create a safety problem at the park or on the tribal lands, or the Director determines that it would create a noise problem at the park or on the tribal lands.

(C) ATMFL LIMITATION.—The Administrator may grant interim operating authority under subparagraph (A) of this paragraph only if the air tour management plan for the park or tribal lands to which the application relates has not been developed within 24 months after the date of the enactment of this section.

(d) EXEMPTIONS.—This section shall not apply to—
(1) the Grand Canyon National Park; or
(2) tribal lands within or abutting the Grand Canyon National Park.

(e) LAKE MEAD.—This section shall not apply to any air tour operator while flying over or near the Lake Mead National Recreation Area, solely as a transportation route, to conduct an air tour over the Grand Canyon National Park. For purposes of this subsection, an air tour operator flying over the Hoover Dam in the Lake Mead National Recreation Area en route to the Grand Canyon National Park shall be deemed to be flying solely as a transportation route.

(f) DEFINITIONS.—In this section, the following definitions apply:

(1) COMMERCIAL AIR TOUR OPERATOR.—The term “commercial air tour operator” means any person who conducts a commercial air tour operation over a national park.

(2) EXISTING COMMERCIAL AIR TOUR OPERATOR.—The term “existing commercial air tour operator” means a commercial air tour operator that—
(A) applies for operating authority as a commercial air tour operator for a national park or tribal lands; and
(B) has not engaged in the business of providing commercial air tour operations over the national park or tribal lands in the 12-month period preceding the application.

(4) COMMERCIAL AIR TOUR OPERATION OVER A NATIONAL PARK.—
(A) IN GENERAL.—The term “commercial air tour operation over a national park” means any flight, conducted for compensation or hire in a powered aircraft where a purpose of the flight is sightseeing over a national park, within ½ mile outside the boundary of any national park (except the Grand Canyon National Park), or over tribal lands (except those within or abutting the Grand Canyon National Park), during which the aircraft flies—
(i) below a minimum altitude, determined by the Administrator in cooperation with the Director, above ground level (except solely for purposes of takeoff or landing, or necessary for safe operation of an aircraft as determined under the rules and regulations of the Federal Aviation Administration requiring the pilot-in-command to take action to ensure the safe operation of the aircraft); or
(ii) less than 1 mile laterally from any geographic feature within the park (unless more than ½ mile outside the boundary).

(B) FACTORS TO CONSIDER.—In making a determination of whether a flight is a commercial air tour operation over a national park for purposes of this section, the Administrator may consider—
(i) whether there was a holding out to the public of willingness to conduct a sightseeing flight for compensation or hire;
(ii) whether a narrative that referred to areas or points of interest on the surface below the route of the flight was provided by the person offering the flight;
(iii) the area of operation;
(iv) the frequency of flights conducted by the person offering the flight;
(v) the route of flight;
(vi) the inclusion of sightseeing flights as part of any travel arrangement package offered by the person offering the flight;
(vii) whether the flight would have been canceled based on poor visibility of the surface below the route of the flight; and
(viii) any other factors that the Administrator and the Director consider appropriate.

(5) NATIONAL PARK.—The term “national park” means any unit of the National Park System.

(6) TRIBAL LANDS.—The term “tribal lands” means Indian country (as that term is defined in section 1151 of title 18) that is within or abutting a national park.

(7) ADMINISTRATOR.—The term “Administrator” means the Administrator of the Federal Aviation Administration.
The term ‘Director’ means the Director of the National Park Service.

References in Text
The date of the enactment of this section, referred to in subsecs. (a)(4), (c)(2)(A), (3)(C), and (f)(2), is the date of enactment of Pub. L. 106–181, which was approved Apr. 5, 2000.

Amendments
2003—Subsec. (e), Pub. L. 108–115 inserted at end—‘‘For purposes of this subsection, an air tour operator flying over the Hoover Dam in the Lake Mead National Recreation Area en route to the Grand Canyon National Park shall be deemed to be flying solely as a transportation route.’’

Effective Date of 2003 Amendment
Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

Effective Date
Section applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as an Effective Date of 2000 Amendments note under section 106 of this title.

Grand Canyon Overflight Rules

Quiet Technology Rulemaking for Air Tours Over Grand Canyon National Park

‘‘(1) Deadline for rule.—No later than January 2005, the Secretary of Transportation shall issue a final rule

‘‘(2) Resolution of disputes.—Subject to applicable administrative law and procedures, if the Secretary determines that a dispute among interested parties (including outside groups) or government agencies cannot be resolved within a reasonable time frame and could delay finalizing the rulemaking described in subsection (a), or implementation of final standards under such rule, due to controversy over adoption of quiet technology routes, establishment of incentives to encourage adoption of such routes, establishment of incentives to encourage adoption of quite technology, or other measures to achieve substantial restoration of natural quiet, the Secretary shall refer such dispute to a recognized center for environmental conflict resolution.’’

National Parks Air Tour Management

‘‘SEC. 801. SHORT TITLE.

‘‘This title may be cited as the ‘National Parks Air Tour Management Act of 2000’. ‘‘SEC. 802. FINDINGS.

‘‘Congress finds that—

‘‘(1) the Federal Aviation Administration has sole authority to control airspace over the United States;
‘‘(2) the Federal Aviation Administration has the authority to preserve, protect, and enhance the environment by minimizing, mitigating, or preventing the adverse effects of aircraft overflights on public and tribal lands;

‘‘(3) the National Park Service has the responsibility of conserving the scenery and natural and historic objects and wildlife in national parks and of providing for the enjoyment of the national parks in ways that leave the national parks unimpaired for future generations;

‘‘(4) the protection of tribal lands from aircraft overflights is consistent with protecting the public health and welfare and is essential to the maintenance of the natural and cultural resources of Indian tribes;

‘‘(5) the National Parks Overflights Working Group, composed of general aviation, commercial air tour, environmental, and Native American representatives, recommended that the Congress enact legislation based on the Group’s consensus work product; and

‘‘(6) this title reflects the recommendations made by that Group.

‘‘SEC. 803. AIR TOUR MANAGEMENT PLANS FOR NATIONAL PARKS.

‘‘(a) In general.—[Enacted this section.]

‘‘(b) Conforming Amendment.—[Amended analysis for chapter 49 of this title.]

‘‘(c) Compliance With Other Regulations.—For purposes of section 40128 of title 49, United States Code—

‘‘(1) regulations issued by the Secretary of Transportation and the Administrator [of the Federal Aviation Administration] under section 3 of Public Law 100–91 (16 U.S.C. 1a–1 note); and

‘‘(2) commercial air tour operations carried out in compliance with the requirements of those regulations, shall be deemed to meet the requirements of such section 40128.

‘‘SEC. 804. QUIET AIRCRAFT TECHNOLOGY FOR GRAND CANYON.

‘‘(a) Quiet Technology Requirements.—Within 12 months after the date of the enactment of this Act [Apr. 5, 2000], the Administrator shall designate reasonably achievable requirements for fixed-wing and helicopter aircraft necessary for such aircraft to be considered as employing quiet aircraft technology for pur-
poses of this section. If the Administrator determines that the Administrator will not be able to make such designation before the last day of such 12-month period, the Administrator shall transmit to Congress a report on the reasons for not meeting such time period and the expected date of such designation.

"(a) ROUTES OR CORRIDORS.—In consultation with the Director and the advisory group established under section 805, the Administrator shall establish, by rule, routes or corridors for commercial air tour operations (as defined in section 40128(f) of title 49, United States Code) by fixed-wing and helicopter aircraft that employ quiet aircraft technology for—

"(1) tours of the Grand Canyon originating in Clark County, Nevada; and

"(2) 'local loop' tours originating at the Grand Canyon National Park Airport, in Tusayan, Arizona, provided that such routes or corridors can be located in areas that will not negatively impact the substantial restoration of natural quiet, tribal lands, or safety.

"(c) OPERATIONAL CAPS.—Commercial air tour operations by any fixed-wing or helicopter aircraft that employs quiet aircraft technology that replaces an existing aircraft shall not subject to the operational placement aircraft under subsection (c) without regard to the requirements designated under subsection (a), may be used for commercial air tour operations under the same terms and conditions as a replacement aircraft under subsection (c) without regard to whether it replaces an existing aircraft.

"(e) MANDATE TO RESTORE NATURAL QUIET.—Nothing in this Act [should be ‘this title’] shall be construed to relieve or diminish—

"(1) the statutory mandate imposed upon the Secretary of the Interior and the Administrator of the Federal Aviation Administration under Public Law 100-91 (16 U.S.C. 1a-1 note) to achieve the substantial restoration of the natural quiet and experience at the Grand Canyon National Park; and

"(2) the obligations of the Secretary and the Administrator to promulgate forthwith regulations to achieve the substantial restoration of the natural quiet and experience at the Grand Canyon National Park.

"SEC. 805. ADVISORY GROUP.

"(a) ESTABLISHMENT.—Not later than 1 year after the date of the enactment of this Act [Apr. 5, 2000], the Administrator [of the Federal Aviation Administration] and the Director of the National Park Service shall jointly establish an advisory group to provide continuing advice and counsel with respect to commercial air tour operations over and near national parks.

"(b) MEMBERSHIP.—

"(1) IN GENERAL.—The advisory group shall be composed of—

"(A) a balanced group of—

"(i) representatives of general aviation;

"(ii) representatives of commercial air tour operators;

"(iii) representatives of environmental concerns; and

"(iv) representatives of Indian tribes;

"(B) a representative of the Federal Aviation Administration; and

"(C) a representative of the National Park Service.

"(2) EX OFFICIO MEMBERS.—The Administrator (or the designee of the Administrator) and the Director (or designee of the Director) shall serve as ex officio members.

"(3) CHAIRPERSON.—The representative of the Federal Aviation Administration and the representative of the National Park Service shall serve alternating 1-year terms as chairman of the advisory group, with the representative of the Federal Aviation Administration serving initially until the end of the calendar year following the year in which the advisory group is first appointed.

"(c) DUTIES.—The advisory group shall provide advice, information, and recommendations to the Administrator and the Director.

"(1) on the implementation of this title and the amendments made by this title;

"(2) on commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;

"(3) on other measures that might be taken to accommodate the interests of visitors to national parks; and

"(4) at the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands.

"(d) MODIFICATION OF EXISTING AIRPLANE TO MEET STANDARDS.—A commercial air tour operation by a fixed-wing or helicopter aircraft in a commercial air tour operator's fleet on the date of the enactment of this Act [Apr. 5, 2000] that meets the requirements designated under subsection (a), or is subsequently modified to meet the requirements designated under subsection (a), may be used for commercial air tour operations under the same terms and conditions as a replacement aircraft under subsection (c) without regard to whether it replaces an existing aircraft.

"(e) MANDATE TO RESTORE NATURAL QUIET.—Nothing in this Act [should be ‘this title’] shall be construed to relieve or diminish—

"(1) the statutory mandate imposed upon the Secretary of the Interior and the Administrator of the Federal Aviation Administration under Public Law 100-91 (16 U.S.C. 1a-1 note) to achieve the substantial restoration of the natural quiet and experience at the Grand Canyon National Park; and

"(2) the obligations of the Secretary and the Administrator to promulgate forthwith regulations to achieve the substantial restoration of the natural quiet and experience at the Grand Canyon National Park.

"SEC. 806. PROHIBITION OF COMMERCIAL AIR TOUR OPERATIONS OVER THE ROCKY MOUNTAIN NATIONAL PARK.

"Effective beginning on the date of the enactment of this Act [Apr. 5, 2000], no commercial air tour operation may be conducted in the airspace over the Rocky Mountain National Park notwithstanding any other provision of this Act or section 40128 of title 49, United States Code.

"SEC. 807. REPORTS.

"(a) OVERFLIGHT FEE REPORT.—Not later than 180 days after the date of the enactment of this Act [Apr. 5, 2000], the Administrator [of the Federal Aviation Administration] shall transmit to Congress a report on the effects of any fee charged by the National Park Service and the financial effects proposed offsets are likely to have on the commercial air tour industry. The report shall include, but shall not be limited to—

"(1) the viability of a tax credit for the commercial air tour operators equal to the amount of any overflight fees charged by the National Park Service; and

"(2) the financial effects of any offsets are likely to have on Federal Aviation Administration budgets and appropriations.

"(b) QUIET AIRCRAFT TECHNOLOGY REPORT.—Not later than 2 years after the date of the enactment of this Act, the Administrator and the Director of the National Park Service shall jointly transmit a report to Congress on the effects of this title in providing incentives for the development and use of quiet aircraft technology.

"SEC. 808. METHODOLOGIES USED TO ASSESS AIR TOUR NOISE.

"Any methodology adopted by a Federal agency to assess air tour noise in any unit of the national park system (including the Grand Canyon and Alaska) shall be based on reasonable scientific methods.
§ 40129. Collaborative decisionmaking pilot program

(a) ESTABLISHMENT.—Not later than 90 days after the date of enactment of this section, the Administrator of the Federal Aviation Administration shall establish a collaborative decisionmaking pilot program in accordance with this section.

(b) DURATION.—Except as provided in subsection (k), the pilot program shall be in effect for a period of 2 years.

(c) GUIDELINES.—The Administrator, with the concurrence of the Attorney General, shall issue guidelines concerning the pilot program. Such guidelines, at a minimum, shall—

(A) define a capacity reduction event;

(B) establish the criteria and process for determining when a capacity reduction event exists that warrants the use of collaborative decisionmaking among carriers at airports participating in the pilot program; and

(C) prescribe the methods of communication to be implemented among carriers during such an event.

(d) EFFECT OF DETERMINATION OF EXISTENCE OF CAPACITY REDUCTION EVENT.—Upon a determination by the Administrator that a capacity reduction event exists, the Administrator may authorize air carriers and foreign air carriers operating at an airport participating in the pilot program to communicate for a period of time not to exceed 24 hours with each other concerning changes in their respective flight schedules in order to use air traffic capacity most effectively. The Administration shall facilitate and monitor such communication. The Secretary or the Attorney General may monitor such communication.

(e) SELECTION OF PARTICIPATING AIRPORTS.—Not later than 30 days after the date on which the Administrator establishes the pilot program, the Administrator shall select 2 airports to participate in the pilot program from among the most capacity-constrained airports in the Nation based on the Administration’s Airport Capacity Benchmark Report 2001 or more recent data on airport capacity that is available to the Administrator. The Administrator shall select an airport for participation in the pilot program if the Administrator determines that collaborative decisionmaking among air carriers and foreign air carriers would reduce delays at the airport and have beneficial effects on reducing delays in the national airspace system as a whole.

(f) ELIGIBILITY OF AIR CARRIERS.—An air carrier or foreign air carrier operating at an airport selected to participate in the pilot program is eligible to participate in the pilot program if the Administrator determines that the carrier has the operational and communications capability to participate in the pilot program.

(g) MODIFICATION OR TERMINATION OF PILOT PROGRAM AT AN AIRPORT.—The Administrator, with the concurrence of the Attorney General, may modify or end the pilot program at an airport before the term of the pilot program has expired, or may ban an air carrier or foreign air carrier from participating in the program, if the Administrator determines that the purpose of the pilot program is not being furthered by participation of the airport or air carrier or if the Secretary of Transportation, with the concurrence of the Attorney General, finds that the pilot program or the participation of an air carrier or foreign air carrier in the pilot program has had, or is having, an adverse effect on competition among carriers.

(h) ANTITRUST IMMUNITY.—(1) IN GENERAL.—Unless, within 5 days after receiving notice from the Secretary of the Secretary’s intention to exercise authority under this subsection, the Attorney General submits to the Secretary a written objection to such action, including reasons for such objection, the Secretary may exempt an air carrier’s or foreign air carrier’s activities that are necessary to participate in the pilot program under this section from the antitrust laws for the sole purpose of participating in the pilot program. Such exemption shall not extend to any discussions, agreements, or activities outside the scope of the pilot program.

(I) CONSULTATION WITH ATTORNEY GENERAL.—The Secretary shall consult with the Attorney General regarding the design and implementation of the pilot program, including determining whether a limit should be set on the number of occasions collaborative decisionmaking could be employed during the initial 2-year period of the pilot program.

(j) EVALUATION.—(1) IN GENERAL.—Before the expiration of the 2-year period for which the pilot program is authorized under subsection (b), the Administrator shall determine whether the pilot program has facilitated more effective use of air traffic capacity and the Secretary, with the concurrence of the Attorney General, shall determine whether the pilot program has had an adverse effect on airline competition or the availability of air services to communities. The Administrator shall also examine whether capacity benefits resulting from the participation in the pilot program of an airport resulted in capacity benefits to other parts of the national airspace system.

(k) EXTENSION OF PILOT PROGRAM.—At the end of the 2-year period for which the pilot program is authorized, the Administrator, with the concurrence of the Attorney General, may continue the pilot program for an additional 2 years and
expand participation in the program to up to 7 additional airports if the Administrator determines pursuant to subsection (j) that the pilot program has facilitated more effective use of air traffic capacity and if the Secretary, with the concurrence of the Attorney General, determines that the pilot program has had no adverse effect on airline competition or the availability of air services to communities. The Administrator shall select the additional airports to participate in the extended pilot program in the same manner in which airports were initially selected to participate.

REFERENCES IN TEXT
The date of enactment of this section, referred to in subsec. (a), is the date of enactment of Pub. L. 108–176, which was approved Dec. 12, 2003.

EFFECTIVE DATE
Section applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as an Effective Date of 2003 Amendment note under section 106 of this title.

SUBPART II—ECONOMIC REGULATION

CHAPTER 411—AIR CARRIER CERTIFICATES

Sec. 41101. Requirement for a certificate.

41102. General, temporary, and charter air transportation certificates of air carriers.

41103. All-cargo air transportation certificates of air carriers.

41104. Additional limitations and requirements of charter air carriers.

41105. Transfers of certificates.

41106. Airlift service.

41107. Transportation of mail.

41108. Applications for certificates.

41109. Terms of certificates.

41110. Effective periods and amendments, modifications, suspensions, and revocations of certificates.

41111. Simplified procedure to apply for, amend, modify, suspend, and transfer certificates.

41112. Liability insurance and financial responsibility.

41113. Plans to address needs of families of passengers involved in aircraft accidents.

AMENDMENTS

§ 41101. Requirement for a certificate

(a) GENERAL.—Except as provided in this chapter or another law—

(1) an air carrier may provide air transportation only if the air carrier holds a certificate issued under this chapter authorizing the air transportation;

(2) a charter air carrier may provide charter air transportation only if the charter air carrier holds a certificate issued under this chapter authorizing the charter air transportation; and

(3) an air carrier may provide all-cargo air transportation only if the air carrier holds a certificate issued under this chapter authorizing the all-cargo air transportation.

(b) THROUGH SERVICE AND JOINT TRANSPORTATION.—A citizen of the United States providing transportation in a State of passengers or property as a common carrier for compensation with aircraft capable of carrying at least 30 passengers, under authority granted by the appropriate State authority—

(1) may provide transportation for passengers and property that includes through service by the citizen over its routes in the State and in air transportation by an air carrier or foreign air carrier; and

(2) subject to sections 41309 and 42111 of this title, may make an agreement with an air carrier or foreign air carrier to provide the joint transportation.

(c) PROPRIETARY OR EXCLUSIVE RIGHT NOT CONFERRED.—A certificate issued under this chapter does not confer a proprietary or exclusive right to use airspace, an airway of the United States, or an air navigation facility.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 1118.)

49 U.S.C. § 1301(d) (related to joint services).

Source (Statutes at Large)

In subsections (a)(2) and (c), the words “issued under this chapter” are added for clarity.

In subsection (a), the word “provide” is substituted for “engage in” for consistency in the revised title. The words before clause (1) are added to inform the reader that other provisions of the chapter and other laws qualify the requirement of being licensed by the Secretary of Transportation. In clause (1), the word “holds” is substituted for “there is in force” to eliminate unnecessary words. The words “under this chapter” are substituted for “by the Board” for clarity. In clause (2), the words “of public convenience and necessity” are omitted as surplus. In clause (3), the word “property” is omitted as surplus.

In subsection (b), the word “passengers” is substituted for “persons” for consistency in the revised title. Before clause (1), the words “Notwithstanding any other provision of this chapter” are omitted as surplus. The words “providing transportation” are substituted for “undertakes . . . the carriage of” for consistency in the revised title. The words “or hire” are omitted as surplus and for consistency. The words “for such carriage within such State” are omitted as surplus.

In clause (1), the words “through service” are substituted for “transportation” the first time it appears for clarity. In clause (2), the words “the requirements of” and “for such through services” are omitted as surplus.

In subsection (c), the word “property” is omitted as surplus. The words “landing area” are omitted because they are included in the definition of “air navigation facility” in section 40102(a) of the revised title.
§ 41102. General, temporary, and charter air
transportation certificates of air carriers

(a) ISSUANCE.—The Secretary of Transportation may issue a certificate of public convenience and necessity to a citizen of the United States authorizing the citizen to provide any part of the following air transportation the citizen has applied for under section 4108 of this title:

(1) air transportation as an air carrier.

(2) temporary air transportation as an air carrier for a limited period.

(3) charter air transportation as a charter air carrier.

(b) FINDINGS REQUIRED FOR ISSUANCE.—(1) Before issuing a certificate under subsection (a) of this section, the Secretary must find that the citizen is fit, willing, and able to provide the transportation to be authorized by the certificate and to comply with this part and regulations of the Secretary.

(2) In addition to the findings under paragraph (1) of this subsection, the Secretary, before issuing a certificate under subsection (a) of this section for foreign air transportation, must find that the transportation is consistent with the public convenience and necessity.

(c) TEMPORARY CERTIFICATES.—The Secretary may issue a certificate under subsection (a) of this section for interstate air transportation (except the transportation of passengers) or foreign air transportation for a temporary period of time (whether the application is for permanent or temporary authority) when the Secretary decides that a test period is desirable—

(1) to decide if the projected services, efficiencies, methods, and prices and the projected results will materialize and remain for a sustained period of time; or

(2) to evaluate the new transportation.

(d) FOREIGN AIR TRANSPORTATION.—The Secretary shall submit each decision authorizing the provision of foreign air transportation to the President under section 41307 of this title.

<th>Historical and Revision Notes</th>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In this section, "citizen of the United States" and "citizen" are substituted for "applicant" for clarity and consistency because only a citizen of the United States may be an "air carrier" as defined in section 40102(a) of the revised title, and only an air carrier may be a "charter air carrier" as defined in section 40102(a). The word "provide" is substituted for "perform" for consistency in the revised title.

In subsection (a), before clause (1), the words "of public convenience and necessity" are added for clarity. The words "any part of" are substituted for "the whole or any part of" to eliminate unnecessary words. In clauses (2) and (3), the words "in the case of" are omitted as surplus. In clause (3), the words "for such periods" are omitted as surplus.

In subsection (b)(1), the word "comply" is substituted for "conform" for consistency in the revised title. The words "properly" and "requirements" are omitted as surplus. The word "rules" is omitted as being synonymous with "regulations".

In subsection (b)(2), the words "foreign air transportation" are added because 49 App.:1551(a)(1)(A) provides that 49 App.:1371(d)(1)–(3) no longer applies to interstate or overseas transportation of persons. After January 1, 1985, other interstate and overseas air transportation and the domestic air transportation of mail do not require a certificate of public convenience and necessity. See H. Rept. 98–783, 98th Cong., 2d Sess., p.10 (1984).

In subsection (c), before clause (1), the words "issue a certificate" are substituted for "grant an application" for clarity and consistency in this chapter. The words "for interstate air transportation (except the transportation of passengers) or foreign air transportation" are added for clarity and consistency. The word "only" is omitted as surplus. In clause (1), the word "prices" is substituted for "rates, fares, charges" because of the definition of "price" in section 40102(a) of the revised title. The words "in fact" are omitted as surplus. In clause (2), the words "to assess the impact of the new services on the national air route structure, or otherwise" are omitted as surplus.

Subsection (d) is added for clarity.

§ 41103. All-cargo air transportation certificates of air carriers

(a) APPLICATIONS.—A citizen of the United States may apply to the Secretary of Transportation for a certificate authorizing the citizen to provide all-cargo air transportation. The application must contain information and be in the form the Secretary by regulation requires.

(b) ISSUANCE.—Not later than 180 days after an application for a certificate is filed under this section, the Secretary shall issue the certificate to a citizen of the United States authorizing the citizen, as an air carrier, to provide any part of
§ 41104

the all-cargo air transportation applied for unless the Secretary finds that the citizen is not fit, willing, and able to provide the all-cargo air transportation to be authorized by the certificate and to comply with regulations of the Secretary.

(c) TERMS.—The Secretary may impose terms the Secretary considers necessary when issuing a certificate under this section. However, the Secretary may not impose terms that restrict the places served or prices charged by the holder of the certificate.

(d) EXEMPTIONS AND STATUS.—A citizen issued a certificate under this section—

(1) is exempt in providing the transportation under the certificate from the requirements of

(A) section 41101(a)(1) of this title and regulations or procedures prescribed under section 41101(a)(1); and

(B) other provisions of this part and regulations or procedures prescribed under those provisions when the Secretary finds under regulations or procedures prescribed under a certificate issued under section 41102 of this title only to the extent required by the public interest. A regulation prescribed or order issued under this subsection may not be more restrictive than a regulation related to charter air transportation that was in effect on October 1, 1978.

(2) is an air carrier under this part except to the extent the citizen is exempt under this section from a requirement of this part.

In subsection (c), the words “reasonable”, “and limitations”, and “and conditions” are omitted as surplus. The word “places” is substituted for “points” for consistency in the revised title.

This amends 49:41103(a) to make the term consistent throughout subtitle VII of title 49.

AMENDMENTS

EFFECTIVE DATE OF 1994 AMENDMENT

§ 41104. Additional limitations and requirements of charter air carriers

(a) RESTRICTIONS.—The Secretary of Transportation may prescribe a regulation or issue an order restricting the marketability, flexibility, accessibility, or variety of charter air transportation provided under a certificate issued under section 41102 of this title only to the extent required by the public interest. A regulation prescribed or order issued under this subsection may not be more restrictive than a regulation related to charter air transportation that was in effect on October 1, 1978.

(b) SCHEDULED OPERATIONS.—

(1) IN GENERAL.—Except as provided in paragraphs (3) and (4), an air carrier, including an indirect air carrier, may not provide, in aircraft designed for more than 9 passenger seats, regularly scheduled charter air transportation, for which the public is provided in advance a schedule containing the departure location, departure time, and arrival location of the flight, to or from an airport that—

(A) does not have an airport operating certificate issued under part 139 of title 14, Code of Federal Regulations (or any subsequent similar regulation); or

(B) has an airport operating certificate issued under part 139 of title 14, Code of Federal Regulations (or any subsequent similar regulation) if the airport—

(i) is a reliever airport (as defined in section 47102) and is designated as such in the national plan of integrated airports maintained under section 47103; and

(ii) is located within 20 nautical miles (22 statute miles) of 3 or more airports that each annually account for at least 1 percent of the total United States passenger enplanements and at least 2 of which are operated by the sponsor of the reliever airport.

(2) DEFINITION.—In this paragraph, the term “regularly scheduled charter air transportation” does not include operations for which the departure time, departure location, and arrival location are specifically negotiated with the customer or the customer’s representative.

(3) EXCEPTION.—This subsection does not apply to any airport in the State of Alaska or to any airport outside the United States.

(4) WAIVERS.—The Secretary may waive the application of paragraph (1)(B) in cases in
which the Secretary determines that the public interest so requires.

(c) ALASKA.—An air carrier holding a certificate issued under section 41102 of this title may provide charter air transportation between places in Alaska only to the extent the Secretary decides the transportation is required by public convenience and necessity. The Secretary may make that decision when issuing, amending, or modifying the certificate. This subsection does not apply to a certificate issued under section 41102 to a citizen of the United States who, before July 1, 1977—

(1) maintained a principal place of business in Alaska; and

(2) conducted air transport operations between places in Alaska with aircraft with a certificate for gross takeoff weight of more than 40,000 pounds.

(d) SUSPENSIONS.—(1) The Secretary shall suspend for not more than 30 days any part of the certificate of a charter air carrier if the Secretary decides that the failure of the carrier to comply with the requirements described in sections 41110(e) and 41112 of this title, or a regulation or order of the Secretary under section 4110(e) or 41112, requires immediate suspension in the interest of the rights, welfare, or safety of the public. The Secretary may act under this paragraph without notice or a hearing.

(2) The Secretary shall begin immediately a hearing to decide if the certificate referred to in paragraph (1) of this subsection should be amended, modified, suspended, or revoked. Until the hearing is completed, the Secretary may suspend the certificate for additional periods totaling not more than 60 days. If the Secretary decides that the carrier is complying with the requirements described in sections 41110(e) and 41112 of this title and regulations and orders under sections 41110(e) and 41112, the Secretary may immediately end the suspension period and proceeding begun under this subsection. However, the Secretary is not prevented from imposing a civil penalty on the carrier for violating the requirements described in section 41110(e) or 41112 or a regulation or order under section 41110(e) or 41112.

### Historical and Revision Notes

#### Revisions

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

#### Insubsection (a), the word “rule” is omitted as being synonymous with “regulation”. The words “charter air transportation” are substituted for “charter trips” for consistency in this part.

#### In subsection (b), before clause (1), the words “Notwithstanding any other provision of this subchapter” are omitted as surplus. The words “An air carrier holding” are added for clarity, and the word “modifying” is added for consistency in the revised title. The words “citizen of the United States” are substituted for “person” for clarity and consistency because only a citizen of the United States may be an “air carrier” as defined in section 40102(a) of the revised title.

#### In subsection (c), the words “the requirements described in” are added for clarity.

#### In subsection (f)(1), the text of 49 App.:1371(n)(6) is omitted as surplus because of 49:322(a).

### AMENDMENTS

2003—Subsec. (b)(1). Pub. L. 108–176, §822(a), inserted a comma after “regularly scheduled charter air transportation”, substituted “paragraphs (3) and (4)” for “paragraph (3)” and “flight, to or from an airport that—” for “flight unless such air transportation is to and from an airport that has an airport operating certificate issued under part 139 of title 14, Code of Federal Regulations (or any subsequent similar regulation).”, and added subpars. (A) and (B).

Subsec. (b)(1). Pub. L. 106–528, §8(c)(1), added par. (1) and struck out heading and text of former par. (1). Text read as follows: “An air carrier, including an indirect air carrier, which operates aircraft designed for more than nine passenger seats, may not provide regularly scheduled charter air transportation for which the general public is provided in advance a schedule containing the departure location, departure time, and arrival location of the flights to or from an airport that is not located in Alaska and that does not have an operating certificate issued under part 138 of title 14, Code of Federal Regulations (or any subsequent similar regulations).”

Subsecs. (c), (d). Pub. L. 106–181, §723(1), redesignated subsecs. (b) and (c) as (c) and (d), respectively.

#### Effective Date of 2003 Amendment

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

#### Effective Date of 2000 Amendments

Amendment by Pub. L. 106–528 effective 30 days after Nov. 22, 2000, see section 9 of Pub. L. 106–528, set out as a note under section 106 of this title.

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of...
§ 41105. Transfers of certificates

(a) GENERAL.—A certificate issued under section 41102 of this title may be transferred only when the Secretary of Transportation approves the transfer as being consistent with the public interest.

(b) CERTIFICATION TO CONGRESS.—When a certificate is transferred, the Secretary shall certify to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives that the transfer is consistent with the public interest. The Secretary shall include with the certification a report analyzing the effects of the transfer on—

(1) the viability of each carrier involved in the transfer;  
(2) competition in the domestic airline industry; and  
(3) the trade position of the United States in the international air transportation market.

(c) TRANSPORTATION BETWEEN FOREIGN LOCATIONS.—The transportation of passengers or property by CRAF-eligible aircraft between two places outside the United States obtained by the Secretary of Defense or the Secretary of a military department through a contract for airlift service shall be provided by an air carrier referred to in subsection (a).

(d) EXCEPTION.—When the Secretary of Defense decides that no air carrier holding a certificate under section 41102 is capable of providing, and willing to provide, the airlift service, the Secretary of Defense may make a contract to provide the service with an air carrier not having a certificate.

(e) CRAF-ELIGIBLE AIRCRAFT DEFINED.—In this section, “CRAF-eligible aircraft” means aircraft of a type the Secretary of Defense has determined to be eligible to participate in the civil reserve air fleet.

§ 41106. Airlift service

(a) INTERSTATE TRANSPORTATION.—(1) Except as provided in subsection (d) of this section, the transportation of passengers or property by CRAF-eligible aircraft in interstate air transportation obtained by the Secretary of Defense or the Secretary of a military department through a contract for airlift service in the United States may be provided only by an air carrier that—

(A) has aircraft in the civil reserve air fleet or offers to place the aircraft in that fleet; and  
(B) holds a certificate issued under section 41102 of this title.

(2) The Secretary of Transportation shall act as expeditiously as possible on an application for a certificate under section 41102 of this title to provide airlift service.

(b) TRANSPORTATION BETWEEN THE UNITED STATES AND FOREIGN LOCATIONS.—Except as provided in subsection (d), the transportation of passengers or property by CRAF-eligible aircraft between a place in the United States and a place outside the United States obtained by the Secretary of Defense or the Secretary of a military department through a contract for airlift service shall be provided by an air carrier referred to in subsection (a).

PUBLICATION: 114 Stat. 1654, 1654A–87, provided that: “The
amendments made by this section [amending this section] shall take effect on October 1, 2000.''

§ 41107. Transportation of mail

When the United States Postal Service finds that the needs of the Postal Service require the transportation of mail by aircraft in foreign air transportation or between places in Alaska, in addition to the transportation of mail authorized under certificates in effect, the Postal Service shall certify that finding to the Secretary of Transportation with a statement about the additional transportation and facilities necessary to provide the additional transportation. A copy of each certification and statement shall be posted for at least 20 days in the office of the Secretary. After notice and an opportunity for a hearing, the Secretary shall issue a new certificate under section 41102 of this title, or amend or modify an existing certificate under section 41110(a)(2)(A) of this title, to provide the additional transportation or the transportation of mail by air-craft. The word "currently" is omitted as surplus. The word "transportation or the transportation of mail by air-"

the need for such transportation is required by the public convenience and necessity.

HISTORICAL AND REVISION NOTES

PUB. L. 103–272, §4(k)

<table>
<thead>
<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

The words "from time to time" are omitted as surplus. The words "United States Postal Service" and "Postmaster General" in section 401(c) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 757) because of sections 4(a) and 6(o) of the Postal Reorganization Act (Public Law 91–375, 84 Stat. 773, 783). The words "in foreign air transportation or between places in Alaska" are substituted for "between any points within the United States or between the United States and foreign countries" for consistency in the revised title and because 49 App.:1371(m) no longer applies to interstate or overseas air transportation (except transportation of mail between 2 places in Alaska). In addition, Congress did not intend to maintain the regulation of domestic air transportation of mail. See section 40102(a) of the revised title defining "air transportation" to mean interstate or foreign air transportation or the transportation of mail by aircraft. The word "currently" is omitted as surplus. The words "opportunity for a" are added for consistency in the revised title.

PUB. L. 103–272, §4(k)

Section 4(k) reflects amendments to the restatement required by section 1601(a)(8) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 757), as added by section 3(c) of the Civil Aeronautics Board Sunset Act of 1984 (Public Law 98–443, 98 Stat. 1574). Section 1601(a)(8) provides that the authority under 49 App.:1371(f) and 1375(b)(d) as those sections relate to transportation of mail by aircraft between places in Alaska (restated in sections 4107 and 4101–4103 of the revised title) ceases on January 1, 1999. Section 1601(b)(3) transfers the authority for prescribing rates for transportation of mail between places in Alaska from the Secretary of Transportation to the Postal Service effective January 1, 1999.

AMENDMENTS

Effective Date of 1999 Amendment

Effective Date of 1994 Amendment

Section 4(k) of Pub. L. 103–272 which provided that the amendments made by that section (amending this section and sections 41091, 41092, and 41093 of this title) were effective Jan. 1, 1999, was repealed by Pub. L. 106–31, title VI, §6003, May 21, 1999, 113 Stat. 113, effective Dec. 31, 1998.

§ 41108. Applications for certificates

(a) FORM, CONTENTS, AND PROOF OF SERVICE.—To be issued a certificate of public convenience and necessity under section 41102 of this title, a citizen of the United States must apply to the Secretary of Transportation. The application must—

(1) be in the form and contain information required by regulations of the Secretary; and

(2) be accompanied by proof of service on interested persons as required by regulations of the Secretary and on each community that may be affected by the issuance of the certificate.

(b) NOTICE, RESPONSE, AND ACTIONS ON APPLICATIONS.—(1) When an application is filed, the Secretary shall post a notice of the application in the office of the Secretary and give notice of the application to other persons as required by regulations of the Secretary. An interested person may file a response with the Secretary opposing or supporting the issuance of the certificate. Not later than 90 days after the application is filed, the Secretary shall—
(A) provide an opportunity for a public hearing on the application;
(B) begin the procedure under section 41111 of this title; or
(C) dismiss the application on its merits.

(2) An order of dismissal issued by the Secretary under paragraph (1)(C) of this subsection is a final order and may be reviewed judicially under section 46110 of this title.

(3) If the Secretary provides an opportunity for a hearing under paragraph (1)(A) of this subsection, an initial or recommended decision shall be issued not later than 150 days after the date the Secretary provides the opportunity. The Secretary shall issue a final order on the application not later than 180 days after the decision is issued. However, if the Secretary does not act within the 90-day period, the initial or recommended decision on an application to provide—

(A) interstate air transportation is a final order and may be reviewed judicially under section 46110 of this title; and
(B) foreign air transportation shall be submitted to the President under section 41307 of this title.

(4) If the Secretary acts under paragraph (1)(B) of this subsection, the Secretary shall issue a final order on the application not later than 180 days after beginning the procedure on the application.

(5) If a citizen applying for a certificate does not meet the procedural schedule adopted by the Secretary in a proceeding, the Secretary may extend the period for acting under paragraphs (3) and (4) of this subsection by a period equal to the period of delay caused by the citizen. In addition, under this paragraph, an initial or recommended decision under paragraph (3) of this subsection may be delayed for not more than 30 days in extraordinary circumstances.

(c) Proof Requirements.—(1) A citizen applying for a certificate must prove that the citizen is fit, willing, and able to provide the transportation referred to in section 41102 of this title and to comply with this part.

(2) A person opposing a citizen applying for a certificate must prove that the transportation referred to in section 41102(b)(2) of this title is not consistent with the public convenience and necessity. The transportation is deemed to be consistent with the public convenience and necessity unless the Secretary finds, by a preponderance of the evidence, that the transportation is not consistent with the public convenience and necessity.

§ 41109. Terms of certificates

(a) Each certificate issued under section 41102 of this title shall specify the type of transportation to be provided.

(2) The Secretary of Transportation—

(A) may prescribe terms for providing air transportation under the certificate that the Secretary finds may be required in the public interest; but

(B) may not prescribe a term preventing an air carrier from adding or changing schedules,
equipment, accommodations, and facilities for providing the authorized transportation to satisfy business development and public demand.

(3) A certificate issued under section 41102 of this title to provide foreign air transportation shall specify the places between which the air carrier is authorized to provide the transportation only to the extent the Secretary considers practicable and otherwise only shall specify each general route to be followed. The Secretary shall authorize an air carrier holding a certificate to provide foreign air transportation to handle and transport mail of countries other than the United States.

(4) A certificate issued under section 41102 of this title to provide foreign charter air transportation shall specify the places between which the air carrier is authorized to provide the transportation only to the extent the Secretary considers practicable and otherwise only shall specify each geographical area in which, or between which, the transportation may be provided.

(5) As prescribed by regulation by the Secretary, an air carrier other than a charter air carrier may provide charter trips or other special services without regard to the places named or type of transportation specified in its certificate.

(b) Modifying Terms.—(1) An air carrier may file with the Secretary an application to modify any term of its certificate issued under section 41102 of this title to provide interstate or foreign air transportation. Not later than 60 days after an application is filed, the Secretary shall—
   (A) provide the carrier an opportunity for an oral evidentiary hearing on the record; or
   (B) begin to consider the application under section 41110 of this title.

(2) The Secretary shall modify each term the Secretary finds to be inconsistent with the criteria under section 40103(a) and (b) of this title.

(3) An application under this subsection may not be dismissed under section 41108(b)(1)(C) of this title.

In subsection (a)(1), the text of 49 App.:1371(e)(1) (words before semicolon related to terminal and intermediate points) is omitted as obsolete because of 49 App.:1551(a)(1)(C) and because interstate and overseas air transportation is no longer regulated. The words "type of" are added for clarity. The word "provided" is substituted for "rendered" for consistency in the revised title.

In subsection (a)(2), the words before clause (A) are added for clarity. Clause (A) is substituted for 49 App.:1371(e)(1) (words after semicolon) for clarity and consistency and to eliminate unnecessary words. In clause (B), the words "may not prescribe a term preventing" are substituted for "No term, condition, or limitation of a certificate shall restrict the right" for clarity and consistency. The word "providing" is substituted for "performing" for consistency in the revised title.

In subsection (a)(3) and (4), the word "places" is substituted for "points", and the word "provide" is substituted for "engage in", for consistency in the revised title. The words "terminal and intermediate" are omitted as surplus. The words "between which the air carrier is authorized to provide the transportation" are added for clarity and consistency.

In subsection (a)(3), the words "or routes" are omitted because of 11. The words "The Secretary" are added for clarity.

In subsection (a)(4), the words "or areas" are omitted because of 11. In subsection (b), the words "condition, or limitation" are omitted as being included in "term".

In subsection (b)(1), before clause (A), the word "modify" is substituted for "removal or modification" to eliminate unnecessary words. The word "provide" is substituted for "engage in" for consistency in the revised title. In clause (A), the words "provide the carrier an opportunity" are substituted for "set such application for consistency in the revised title and with other titles of the United States Code. In clause (B), the words "the simplified procedures established by the Board in regulations pursuant to" are omitted as surplus.

Pub. L. 104–287

This amends 49:41109(a) to clarify the restatement of 49 App.:1371(e) by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1123).

Amendments

Effective Date of 1996 Amendment

Amendment by Pub. L. 104–287 effective July 5, 1994, see section 8(1) of Pub. L. 104–287, set out as a note under section 5303 of this title.

§41110. Effective periods and amendments, modifications, suspensions, and revocations of certificates

(a) General.—(1) Each certificate issued under section 41102 of this title is effective from the date specified in it and remains in effect until—
(A) the Secretary of Transportation suspends or revokes the certificate under this section;

(B) the end of the period the Secretary specifies for an air carrier having a certificate of temporary authority issued under section 41102(a)(2) of this title; or

(C) the Secretary certifies that transportation is no longer being provided under a certificate.

(2) On application or on the initiative of the Secretary and after notice and an opportunity for a hearing or, except as provided in paragraph (4) of this subsection, under section 41111 of this title, the Secretary may—

(A) amend, modify, or suspend any part of a certificate if the Secretary finds the public convenience and necessity require amendment, modification, or suspension; and

(B) revoke any part of a certificate if the Secretary finds that the certificate intentionally does not comply with this chapter, sections 41904–41910(a), 41501, 41503, 41504, 41506, 41510, 41511, 41701, 41702, 41705–41706, 41711, 41712, and 41731–41742, chapter 419, subchapter II of chapter 422, and section 46301(b) of this title, a regulation or order of the Secretary under any of those provisions, or a term of its certificate.

(3) The Secretary may revoke a certificate under paragraph (2)(B) of this subsection only if the holder of the certificate does not comply, within a reasonable time the Secretary specifies, with an order to the holder requiring compliance.

(4) A certificate to provide foreign air transportation may not be amended, modified, suspended, or revoked under section 41111 of this title if the holder of the certificate intentionally does not comply with all the facts and circumstances, that the hearing is required in the public interest.

(b) All-Cargo Air Transportation.—The Secretary may order that a certificate issued under section 41102 of this title authorizing all-cargo air transportation is ineffective if, after notice and an opportunity for a hearing, the Secretary finds that the transportation authorized by the certificate is not provided, or is not providing, the transportation.

(c) Foreign Air Transportation.—(1) Notwithstanding subsection (a)(2)(A) of this section, after notice and a reasonable opportunity for the affected air carrier to present its views, but without a hearing, the Secretary may suspend or revoke the authority of an air carrier to provide foreign air transportation to a place under a certificate issued under section 41102 of this title if the carrier—

(A) notifies the Secretary, under section 41734(a) of this title or a regulation of the Secretary, that it intends to suspend all transportation to that place; or

(B) does not provide regularly scheduled transportation to the place for 90 days immediately before the date the Secretary notifies the carrier of the action the Secretary proposes.

(2) Paragraph (1)(B) of this subsection does not apply to a place provided seasonal transportation comparable to the transportation provided during the prior year.

(d) Temporary Certificates.—On application or on the initiative of the Secretary, the Secretary may—

(1) review the performance of an air carrier issued a certificate under section 41102(c) of this title on the basis that the air carrier will provide innovative or low-priced air transportation under the certificate; and

(2) amend, modify, suspend, or revoke the certificate or authority under subsection (a)(2) or (c) of this section if the air carrier has not provided, or is not providing, the transportation.

(e) Continuing Requirements.—(1) To hold a certificate issued under section 41102 of this title, an air carrier must continue to be fit, willing, and able to provide the transportation authorized by the certificate and to comply with this part and regulations of the Secretary.

(2) After notice and an opportunity for a hearing, the Secretary shall amend, modify, suspend, or revoke any part of a certificate issued under section 41102 of this title if the Secretary finds that the air carrier—

(A) is not fit, willing, and able to provide the transportation authorized by the certificate and to comply with this part and regulations of the Secretary; or

(B) does not file reports necessary for the Secretary to decide if the carrier is complying with the requirements of clause (A) of this paragraph.

(f) Illegal Importation of Controlled Substances.—The Secretary—

(1) in consultation with appropriate departments, agencies, and instrumentalities of the United States Government, shall reexamine immediately the fitness of an air carrier that—

(A) violates the laws and regulations of the United States related to the illegal importation of a controlled substance; or

(B) does not adopt available measures to prevent the illegal importation of a controlled substance into the United States on its aircraft; and

(2) when appropriate, shall amend, modify, suspend, or revoke the certificate of the carrier issued under this chapter.

(g) Responses.—An interested person may file a response with the Secretary opposing or supporting the amendment, modification, suspension, or revocation of a certificate under subsection (a) of this section.

### Historical and Revision Notes—Continued

#### §41111. Simplified procedure to apply for, amend, modify, suspend, and transfer certificates

The words “transportation is no longer being provided under a certificate” are substituted for “operation thereunder has ceased” and “operations thereunder have ceased” for clarity and consistency.

In subsections (a)(2) and (e), the word “opportunity for a” is added for consistency in the revised title and with other titles of the United States Code.

In subsection (a)(2), before clause (A), the word “application” is substituted for “petition or complaint” for consistency in the revised title and with other titles of the Code. The words “an air carrier” are substituted for “any carrier” for clarity.

In subsection (a)(3), the word “to the provision, or to the order (other than an order issued in accordance with this sentence), rule, regulation, term, condition, or limitation found by the Board to have been violated” are omitted as surplus.

In subsection (b), the word “provision” is substituted for “engage in” for consistency in the revised title. The words “altered” and “the simplified procedures of” are omitted as surplus.

In subsection (b), the words “to the extent of such service” are omitted as surplus. The word “provided” is substituted for “performed” for consistency in the revised title.

In subsection (c)(1), the word “place” is substituted for “point” for consistency in the revised title. The words “except as provided in paragraph (4) of this subsection,” rule, regulation, term, condition, or limitation are added for clarity. The words “the simplified procedures of” are omitted as surplus.

In subsection (c)(2), the words “alter” and “the procedures prescribed in” are omitted as surplus.

#### Amendments

1994—Subsec. (e). Pub. L. 103–429 reenacted heading without change and amended text generally. Prior to amendment, text read as follows: “After notice and an opportunity for a hearing, the Secretary shall amend, modify, suspend, or revoke any part of a certificate issued under section 41102 of this title if the Secretary finds that the air carrier—

(1) is not fit, willing, and able to continue to provide the transportation authorized by the certificate and to comply with this part and regulations of the Secretary; or

(2) does not file reports necessary for the Secretary to decide if the carrier is complying with the requirements of clause (1) of this subsection.”

**Effective Date of 1994 Amendment**

### §41111. Simplified procedure to apply for, amend, modify, suspend, and transfer certificates

(A) **General Requirements.**—(1) The Secretary of Transportation shall prescribe regulations that simplify the procedure for—

(A) acting on an application for a certificate to provide air transportation under section 41102 of this title; and

(B) amending, modifying, suspending, or transferring any part of that certificate under section 41105 or 41109(a) or (c) of this title.

(2) Regulations under this section shall provide for notice and an opportunity for each interested person to file appropriate written evidence and argument. An oral evidentiary hearing is not required to be provided under this section.
§ 41112. Liability insurance and financial responsibility

(a) LIABILITY INSURANCE.—The Secretary of Transportation may issue a certificate to a citizen of the United States to provide air transportation as an air carrier under section 41102 of this title only if the citizen complies with regulations and orders of the Secretary governing the filing of an insurance policy or self-insurance plan approved by the Secretary. The policy or plan must be sufficient to pay, not more than the amount of the insurance, for bodily injury to, or death of, an individual or for loss of, or damage to, property of others, resulting from the operation or maintenance of the aircraft under the certificate. A certificate does not remain in effect unless the carrier complies with this subsection.

(b) FINANCIAL RESPONSIBILITY.—To protect passengers and shippers using an aircraft operated by an air carrier issued a certificate under section 41102 of this title, the Secretary may require the carrier to file a performance bond or equivalent security in the amount and on terms the Secretary prescribes. The bond or security must be sufficient to ensure the carrier adequately will pay the passengers and shippers when the transportation the carrier agrees to provide is not provided. The Secretary shall prescribe the amounts to be paid under this subsection.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 1126.)
handle calls from the families of the passengers.

(2) A process for notifying the families of the passengers, before providing any public notice of the names of the passengers, either by utilizing the services of the organization designated for the accident under section 1136(a)(2) of this title or the services of other suitably trained individuals.

(3) An assurance that the notice described in paragraph (2) will be provided to the family of a passenger as soon as the air carrier has verified that the passenger was aboard the aircraft (whether or not the names of all of the passengers have been verified) and, to the extent practicable, in person.

(4) An assurance that the air carrier will provide to the director of family support services designated for the accident under section 1136(a)(1) of this title, and to the organization designated for the accident under section 1136(a)(2) of this title, immediately upon request, a list (which is based on the best available information at the time of the request) of the names of the passengers aboard the aircraft (whether or not such names have been verified), and will periodically update the list.

(5) An assurance that the family of each passenger will be consulted about the disposition of all remains and personal effects of the passenger within the control of the air carrier.

(6) An assurance that if requested by the family of a passenger, any possession of the passenger within the control of the air carrier (regardless of its condition) will be returned to the family unless the possession is needed for the accident investigation or any criminal investigation.

(7) An assurance that any unclaimed possession of a passenger within the control of the air carrier will be retained by the air carrier for at least 18 months.

(8) An assurance that the family of each passenger will be consulted about construction by the air carrier of any monument to the passengers, including any inscription on the monument.

(9) An assurance that the treatment of the families of nonrevenue passengers (and any other victim of the accident) will be the same as the treatment of the families of revenue passengers.

(10) An assurance that the air carrier will work with any organization designated under section 1136(a)(2) of this title on an ongoing basis to ensure that families of passengers receive an appropriate level of services and assistance following each accident.

(11) An assurance that the air carrier will provide reasonable compensation to any organization designated under section 1136(a)(2) of this title for services provided by the organization.

(12) An assurance that the air carrier will assist the family of a passenger in traveling to the location of the accident and provide for the physical care of the family while the family is staying at such location.

(13) An assurance that the air carrier will commit sufficient resources to carry out the plan.

(14) An assurance that, upon request of the family of a passenger, the air carrier will inform the family of whether the passenger's name appeared on a preliminary passenger manifest for the flight involved in the accident.

(15) An assurance that the air carrier will provide adequate training to the employees and agents of the carrier to meet the needs of survivors and family members following an accident.

(16) An assurance that the air carrier, in the event that the air carrier volunteers assistance to United States citizens within the United States with respect to an aircraft accident outside the United States involving major loss of life, will consult with the Board and the Department of State on the provision of the assistance.

(17)(A) An assurance that, in the case of an accident that results in significant damage to a manmade structure or other property on the ground that is not government-owned, the air carrier will promptly provide notice, in writing, to the extent practicable, directly to the owner of the structure or other property about liability for any property damage and means for obtaining compensation.

(B) At a minimum, the written notice shall advise an owner (i) to contact the insurer of the property as the authoritative source for information about coverage and compensation; (ii) to not rely on unofficial information offered by air carrier representatives about compensation by the air carrier for accident-site property damage; and (iii) to obtain photogaphic or other detailed evidence of property damage as soon as possible after the accident, consistent with restrictions on access to the accident site.

(18) An assurance that, in the case of an accident in which the National Transportation Safety Board conducts a public hearing or comparable proceeding at a location greater than 80 miles from the accident site, the air carrier will ensure that the proceeding is made available simultaneously by electronic means at a location open to the public at both the origin city and destination city of the air carrier's flight if that city is located in the United States.

(c) CERTIFICATE REQUIREMENT.—The Secretary may not approve an application for a certificate of public convenience and necessity under section 41102 of this title unless the applicant has included as part of such application a plan that meets the requirements of subsection (b).

(d) LIMITATION ON LIABILITY.—An air carrier shall not be liable for damages in any action brought in a Federal or State court arising out of the performance of the air carrier in preparing or providing a passenger list, or in providing information concerning a preliminary passenger manifest, pursuant to a plan submitted by the air carrier under subsection (b), unless such liability was caused by conduct of the air carrier which was grossly negligent or which constituted intentional misconduct.

(e) AIRCRAFT ACCIDENT AND PASSENGER DEFINED.—In this section, the terms "aircraft accident" and "passenger" have the meanings such terms have in section 1136 of this title.
(f) STATUTORY CONSTRUCTION.—Nothing in this section may be construed as limiting the actions that an air carrier may take, or the obligations that an air carrier may have, in providing assistance to the families of passengers involved in an aircraft accident.

AMENDMENTS

2000—Subsec. (a). Pub. L. 106–181, §402(a)(5)(A), substituted “Each air carrier” for “Not later than 6 months after the date of the enactment of this section, each air carrier”.

Subsec. (c). Pub. L. 106–181, §402(a)(5)(B), substituted “The Secretary” for “After the date that is 6 months after the date of the enactment of this section, the Secretary”.

Subsec. (d). Pub. L. 106–181, §402(b), inserted “, or in providing information concerning a preliminary passenger manifest,” before “pursuant to a plan”.

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by section 402(a)(5)(B) to (c) of Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

Pub. L. 106–181, title IV, §402(a)(4), Apr. 5, 2000, 114 Stat. 130, provided that: “The amendments made by paragraphs (1), (2), and (3) [amending this section] shall take effect on the 180th day following the date of the enactment of this Act [Apr. 5, 2000]. On or before such 180th day, each air carrier holding a certificate of public convenience and necessity under section 4102 of title 49, United States Code, shall submit to the Secretary [of Transportation] and the Chairman of the National Transportation Safety Board an updated plan and recommendations developed by the model plan and recommendations developed by the National Transportation Safety Board, the Federal Emergency Management, in cooperation with the National Transportation Safety Board, the Federal Emergency Management Agency, the American Red Cross, air carriers, and families which have been involved in aircraft accidents shall establish a task force consisting of representatives of such entities and families, representatives of air carrier employees, and representatives of such other entities as the Secretary considers appropriate.

“(b) GUIDELINES AND RECOMMENDATIONS.—The task force established pursuant to subsection (a) shall develop—

“(1) guidelines to assist air carriers in responding to aircraft accidents;

“(2) recommendations on methods to ensure that attorneys and representatives of media organizations do not intrude on the privacy of families of passengers involved in an aircraft accident;

“(3) recommendations on methods to ensure that the families of passengers involved in an aircraft accident who are not citizens of the United States receive appropriate assistance;

“(4) recommendations on methods to ensure that State mental health licensing laws do not act to prevent out-of-state mental health workers from working at the site of an aircraft accident or other related sites;

“(5) recommendations on the extent to which military experts and facilities can be used to aid in the identification of the remains of passengers involved in an aircraft accident; and

“(6) recommendations on methods to improve the timeliness of the notification provided by air carriers to the families of passengers involved in an aircraft accident, including—

“(A) an analysis of the steps that air carriers would have to take to ensure that an accurate list of passengers on board the aircraft would be available within 1 hour of the accident and an analysis of such steps to ensure that such list would be available within 3 hours of the accident;

“(B) an analysis of the added costs to air carriers and travel agents that would result if air carriers were required to take the steps described in subparagraph (A); and

“(C) an analysis of any inconvenience to passengers, including flight delays, that would result if air carriers were required to take the steps described in subparagraph (A); and

“(D) an analysis of the implications for personal privacy that would result if air carriers were required to take the steps described in subparagraph (A).

“(c) REPORT.—Not later than 1 year after the date of the enactment of this Act [Oct. 9, 1996], the Secretary shall transmit to Congress a report containing the model plan and recommendations developed by the task force under subsection (b).”

LIMITATION ON STATUTORY CONSTRUCTION

Section 705 of title VII of Pub. L. 104–264 provided that: “Nothing in this title [enacting this section and section 1136 of this title, amending section 1155 of this title, and enacting provisions set out as notes under this section and section 40101 of this title] or any amendment made by this title may be construed as limiting the actions that an air carrier may take, or the obligations that an air carrier may have, in providing assistance to the families of passengers involved in an aircraft accident.”

CHAPTER 413—FOREIGN AIR TRANSPORTATION

Sec. 41301. Requirement for a permit.

41302. Permits of foreign air carriers.

41303. Transfers of permits.

41304. Effective periods and amendments, modifications, suspensions, and revocations of permits.
Sec. 41305. Applications for permits.
41306. Simplified procedure to apply for, amend, modify, and suspend permits.
41307. Presidential review of actions about foreign air transportation.
41308. Exemption from the antitrust laws.
41309. Cooperative agreements and requests.
41310. Discriminatory practices.
41311. Gambling restrictions.
41312. Ending or suspending foreign air transportation.
41313. Plans to address needs of families of passengers involved in foreign air carrier accidents.

AMENDMENTS

§ 41301. Requirement for a permit

A foreign air carrier may provide foreign air transportation only if the foreign air carrier holds a permit issued under this chapter authorizing the foreign air transportation.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 1126.)

The word "provide" is substituted for "engage in" for consistency in the revised title. The word "holds" is substituted for "there is in force" to eliminate unnecessary words.

§ 41302. Permits of foreign air carriers

The Secretary of Transportation may issue a permit to a person (except a citizen of the United States) authorizing the person to provide foreign air transportation as a foreign air carrier if the Secretary finds that—

(1) the person is fit, willing, and able to provide the foreign air transportation to be authorized by the permit and to comply with this part and regulations of the Secretary; and

(2)(A) the person is qualified, and has been designated by the government of its country, to provide the foreign air transportation under an agreement with the United States Government; or

(B) the foreign air transportation to be provided under the permit will be in the public interest.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 1126.)

In this section, before clause (1), the words "person (except a citizen of the United States)" and "person" are substituted for "applicant" for clarity and consistency because only a person other than a United States citizen may be a "foreign air carrier" as defined in section 40102(a) of the revised title. In clauses (1) and (2), the word "provide" is substituted for "perform" for consistency in the revised title. In clause (1), the word "properly" is omitted as surplus. The word "comply" is substituted for "conform" for consistency in the revised title. The word "rules" is omitted as being synonymous with "regulations." The word "requirements" is omitted as surplus. In clause (2)(A), the words "government of its country" are substituted for "its government" for consistency in the revised title and with other titles of the United States Code.

§ 41303. Transfers of permits

A permit issued under section 41302 of this title may be transferred only when the Secretary of Transportation approves the transfer because the transfer is in the public interest.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 1127.)

§ 41304. Effective periods and amendments, modifications, suspensions, and revocations of permits

(a) GENERAL.—The Secretary of Transportation may prescribe the period during which a permit issued under section 41302 of this title is in effect. After notice and an opportunity for a hearing, the Secretary may amend, modify, suspend, or revoke the permit if the Secretary finds that action to be in the public interest.

(b) SUSPENSIONS AND RESTRICTIONS.—Without a hearing, but subject to the approval of the President, the Secretary—

(1) may suspend summarily the permits of foreign air carriers of a foreign country, or amend, modify, or limit the operations of any foreign air carriers under the permits, when the Secretary finds—

(A) the action is in the public interest; and

(B) the government of a foreign country, or a foreign air carrier of the foreign country, over the objection of the United States Government, has—

(i) limited or denied the operating rights of an air carrier; or

(ii) engaged in unfair, discriminatory, or restrictive practices that have a substantial adverse competitive impact on an air carrier related to air transportation to, from, through, or over the territory of the foreign country; and

(2) to make this subsection effective, may restrict operations between the United States and the foreign country by a foreign air carrier of a third country.

(c) ILLEGAL IMPORTATION OF CONTROLLED SUBSTANCES.—The Secretary—

HISTORICAL AND REVISION NOTES
§ 41305. Applications for permits

(a) FORM, CONTENTS, NOTICE, RESPONSE, AND ACTIONS ON APPLICATIONS.—(1) A person must apply in writing to the Secretary of Transportation to be issued a permit under section 41302 of this title. The Secretary shall prescribe regulations to require that the application be—

(A) verified;

(B) in a certain form and contain certain information;

(C) served on interested persons; and

(D) accompanied by proof of service on those persons.

(2) When an application is filed, the Secretary shall post a notice of the application in the office of the Secretary and give notice of the application to other persons as required by regulations of the Secretary. An interested person may file a response with the Secretary opposing or supporting the issuance of the permit. The Secretary shall act on an application as expeditiously as possible.

(b) TERMS.—The Secretary may impose terms for providing foreign air transportation under the permit that the Secretary finds may be required in the public interest.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1127.)

In subsection (a), the words “altered” and “cancelled” are omitted as surplus.

In subsection (b)(1), before clause (A), the words “air carriers” and “air carriers” are omitted as surplus and for consistency because only a citizen of the United States may be an “air carrier” as defined in section 41302 of this title. The word “un aluminum” is omitted as surplus.

In subsection (c), before clause (1), the words “Notwithstanding any other provision of law” are omitted as surplus. The words “on and after August 15, 1958” are omitted as executed. In clause (1), before subclause (A), the words “law enforcement and other” are omitted as surplus. The words “air carriers” and “air carriers” are substituted for “agencies” for consistency in the revised title and with other titles of the Code. The words “a foreign air carrier” are substituted for “any carrier” for clarity. In clause (2), the words “of public convenience and necessity” are omitted as surplus. The word “amend” is added for consistency. The words “issued under this chapter” are added for clarity.

In subsection (d), the word “response” is substituted for “protest or memorandum” to eliminate unnecessary words. The words “alteration” and “cancellation” are omitted as surplus.

§ 41306. Simplified procedure to apply for, amend, modify, and suspend permits

(a) REGULATIONS.—The Secretary of Transportation shall prescribe regulations that simplify the procedure for—

(1) acting on an application for a permit to provide foreign air transportation under section 41302 of this title; and

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1127.)

</table>

In subsection (a)(1), before clause (A), the words “A person must apply . . . to the Secretary of Transportation to be issued a permit under section 41302 of this title” are added for clarity. Clause (C) is added for clarity.

In subsection (a)(2), the words “give due notice thereof to the public” are omitted as surplus. The words “response” is substituted for “protest or memorandum” to eliminate unnecessary words. The word “expeditiously” is substituted for “speedily” for consistency in this chapter.

In subsection (b), the words “reasonable” and “conditions” are omitted as surplus. The words “for providing foreign air transportation” are added for clarity.
(2) amending, modifying, or suspending any part of that permit under section 41304(a) or (b) of this title.

(b) NOTICE AND OPPORTUNITY TO RESPOND.—

Regulations under this section shall provide for notice and an opportunity for each interested person to file appropriate written evidence and argument. An oral evidentiary hearing is not required to be provided under this section.

§41307. Presidential review of actions about foreign air transportation

The Secretary of Transportation shall submit to the President for review each decision of the Secretary to issue, deny, amend, modify, suspend, revoke, or transfer a certificate issued under section 41102 of this title authorizing an air carrier, or a permit issued under section 41302 of this title authorizing a foreign air carrier, to provide foreign air transportation. The President may disapprove the decision of the Secretary only if the reason for disapproval is based on foreign relations or national defense considerations that are under the jurisdiction of the President. The President may not disapprove a decision of the Secretary if the reason is economic or related to carrier selection. A decision of the Secretary—

(1) is void if the President disapproves the decision and publishes the reasons (to the extent allowed by national security) for disapproval not later than 60 days after it is submitted to the President; or

(2)(A) takes effect as a decision of the Secretary if the President does not disapprove the decision not later than 60 days after the decision is submitted to the President; and

(B) when effective, may be reviewed judicially under section 46110 of this title.

In clause (2)(A), the words "not the President" are omitted as surplus.

EXECUTIVE ORDER No. 11920

Ex. Ord. No. 11920, June 18, 1976, 41 F.R. 23665, which provided for establishment of Executive branch procedures to facilitate review of submitted decisions, was revoked by Ex. Ord. No. 12547, Feb. 6, 1986, 51 F.R. 5029.

EXECUTIVE ORDER No. 12547

Ex. Ord. No. 12547, Feb. 6, 1986, 51 F.R. 5029, which provided for establishment of procedures to facilitate presidential review of international aviation decisions submitted by Department of Transportation, was revoked by Ex. Ord. No. 12597, May 13, 1987, 52 F.R. 18335, set out below.

EX. ORD. No. 12597. Establishing procedures for facilitating presidential review of international aviation decisions by the Department of Transportation

Ex. Ord. No. 12597, May 13, 1987, 52 F.R. 18335, provided:

By the authority vested in me as President by the Constitution and laws of the United States of America, including Section 801 of the Federal Aviation Act, as amended (49 U.S.C. app. §4161) [see 49 U.S.C. 41307, 41509(i)], and in order to provide presidential guidance to department and agency heads and facilitate presidential review of decisions by the Department of Transportation pursuant to the Federal Aviation Act [see 49 U.S.C. 40101 et seq.], it is hereby ordered as follows:

Section 1. Executive Order No. 12547 of February 6, 1986, is revoked.

Sec. 2. The Secretary of Transportation is designated and empowered to receive on behalf of the President any decision of the Department of Transportation (hereinafter referred to as the "DOT") subject to Section 801 of the Federal Aviation Act, as amended. The Secretary of Transportation is further designated and empowered to exercise, without the approval, ratification, or other action of the President, the authority of the President under Section 801 of the Federal Aviation Act, as amended, to review and determine not to disapprove any such decision that is not the subject of any written recommendation for disapproval or for a statement of reasons submitted to the Department of Transportation in accordance with section 5(b) of this Order.

Sec. 3. (a) Except as otherwise provided in this section, decisions of the DOT subject to Section 801 of the Federal Aviation Act, as amended, may be made available by the DOT for public inspection and copying following transmission to Executive departments and agencies pursuant to section 3(c) of this Order.

(b) In the interests of national security, and in order to allow for consideration of appropriate action under
Executive Order No. 12356 [50 U.S.C. 435 note], decisions of the DOT transmitted to Executive departments and agencies pursuant to section 3(c) of this Order shall be withheld from public disclosure for a period not to exceed 5 days after said transmission.

(c) At the same time that decisions of the DOT are received by the Secretary of Transportation pursuant to section 2 of this Order, the DOT shall transmit copies thereof to the Secretary of State, the Secretary of Defense, the Secretary of the Treasury, the Attorney General, the Assistant to the President for National Security Affairs, the Director of the Office of Management and Budget, and any other Executive department or agency that the DOT deems appropriate.

The Secretary of State and the Secretary of Defense, or their designees, shall review the decisions of the DOT transmitted pursuant to section 3(c) of this Order and shall promptly advise the Assistant to the President for National Security Affairs or his designee whether action pursuant to Executive Order No. 12356 is deemed appropriate. If, after considering these recommendations, the Assistant to the President for National Security Affairs determines that classification under Executive Order No. 12356 is appropriate, he shall take such action and immediately so inform the DOT. Actions pursuant to this subsection shall be completed by the persons designated herein within 5 days of the transmission of the decision.

(e) On and after the 6th day following transmission of a decision pursuant to section 3(c) of this Order or upon earlier notification by the Assistant to the President for National Security Affairs or his designee, the DOT is authorized to disclose all unclassified portions of the text of such decision. Nothing in this section is intended to affect the ability to withhold material under any Executive order or statute other than Section 801.

SEC. 4. (a) Departments and agencies outside of the Executive Office of the President shall raise only matters of national defense or foreign relations in the course of any oral, correspondence or written communication established by this Order. All other matters, including those related to regulatory policy, shall be presented to the DOT in accordance with the procedures of the DOT.

(b) Departments and agencies outside of the Executive Office of the President that identify matters of national defense or foreign relations while a decision is pending before the DOT shall, except as confidentiality is required for reasons of defense or foreign policy, make those matters known to the DOT in the course of its proceedings.

(c) The DOT shall receive the recommendations, addressed to the President, of the departments and agencies referred to in section 3(c) of this Order.

(d) Departments or agencies outside of the Executive Office of the President making recommendations on matters of national defense or foreign relations with respect to any decision received by the Secretary of Transportation under section 2 of this Order shall submit their recommendations in writing to the DOT; (1) within 4 days of the DOT’s issuance of a decision subject to a 10-day statutory review period under Section 801(b) [see 49 U.S.C. 41508(b)]; and (2) within 21 days of the DOT’s issuance of a decision subject to a 60-day statutory review period under Section 801(a) [see 49 U.S.C. 41507]; or (3) in exceptional cases, within the period specified by the DOT in its letter of transmittal.

(e) The DOT shall, as soon as practical after the deadlines specified in section 5(b) of this Order: (1) if no recommendations for disapproval or for a statement of reasons are received from the departments and agencies specified in section 3(c) of this Order, issue its decision to become effective according to its terms; or (2) if recommendations for disapproval or for a statement of reasons are received, transmitt them to the Assistant to the President for National Security Affairs, who, upon review, shall transmit a memorandum to the President with a recommendation as to whether or not the President should disapprove the proposed decision.

SEC. 6. (a) In advising the President with respect to his review of a decision pursuant to Section 801, depart-
ment, request, modification, or cancellation, the Secretary, on the basis of the findings required under section 41309(b)(1), shall exempt a person affected by the order from the antitrust laws to the extent necessary to allow the person to proceed with the transaction specifically approved by the order and with any transaction necessarily contemplated by the order.

### Historical and Revision Notes

</thead>
</table>

Subsection (a) is substituted for “the ‘anti-trust laws’ set forth in subsection (a) of section 12 of title 15” for consistency in the revised title and with other titles of the United States Code.

In subsection (b), reference to 49 App.:1378 and 1379 is omitted as obsolete.

### § 41309. Cooperative agreements and requests

**(a) FILING.**—An air carrier or foreign air carrier may file with the Secretary of Transportation a true copy of, or, if oral, a true and complete memorandum of, an agreement (except an agreement related to interstate air transportation), or a request for authority to discuss cooperative arrangements (except arrangements related to interstate air transportation), and any modification or cancellation of an agreement, between the air carrier or foreign air carrier and another air carrier, a foreign carrier, or another carrier.

**(b) APPROVAL.**—The Secretary of Transportation shall approve an agreement, request, modification, or cancellation referred to in subsection (a) of this section when the Secretary finds it is not adverse to the public interest and is not in violation of this part. However, the Secretary shall disapprove—

(1) or, after periodic review, end approval of, an agreement, request, modification, or cancellation, that substantially reduces or eliminates competition unless the Secretary finds that—

(A) the agreement, request, modification, or cancellation is necessary to meet a serious transportation need or to achieve important public benefits (including international comity and foreign policy considerations); and

(B) the transportation need cannot be met or those benefits cannot be achieved by reasonably available alternatives that are materially less anticompetitive; or

(2) an agreement that—

(A) is between an air carrier not directly operating aircraft in foreign air transportation and a carrier subject to subtitle IV of this title; and

(B) governs the compensation the carrier may receive for the transportation.

**(c) NOTICE AND OPPORTUNITY TO RESPOND OR FOR HEARING.**—(1) When an agreement, request, modification, or cancellation is filed, the Secretary of Transportation shall give the Attorney General and the Secretary of State written notice of, and an opportunity to submit written comments about, the filing. On the initiative of the Secretary of Transportation or on request of the Attorney General or Secretary of State, the Secretary of Transportation may conduct a hearing to decide whether an agreement, request, modification, or cancellation is consistent with this part whether or not it was approved previously.

(2) In a proceeding before the Secretary of Transportation applying standards under subsection (b)(1) of this section, a party opposing an agreement, request, modification, or cancellation has the burden of proving that it substantially reduces or eliminates competition and that less anticompetitive alternatives are available. The party defending the agreement, request, modification, or cancellation has the burden of proving the transportation need or public benefits.

(3) The Secretary of Transportation shall include the findings required by subsection (b)(1) of this section in an order of the Secretary approving or disapproving an agreement, request, modification, or cancellation.

In this section, the word “contract” is omitted as being included in “agreement”. In subsection (a), the words “(whether enforceable by provisions for liquidated damages, penalties, bonds, or otherwise)” are omitted as surplus. The words “(except an agreement related to interstate air transportation)” and “(except arrangements related to interstate air transportation)” are added because of 49 App.:1551(a)(6) (related to 49 App.:1382). The word “working” is omitted as surplus. The words “in force on October 24, 1978, or thereafter entered into” are omitted as executed. The words “and any modification or cancellation of an agreement” are substituted for “or any modification or cancellation thereof” for clarity and consistency. In subsection (b), before clause (1), the words “The Board shall by order disapprove any contract, agreement, or request . . . that it finds to be adverse to the public interest or in violation of this chapter” are omitted as surplus because of the language restated in this subsection that sets out the requirements for approval by the Secretary of Transportation before the antitrust exemption is effective. The words “whether or not previously approved by it” are omitted as surplus because of the language in clause (1) requiring periodic review and continuing approval. The words “by order” are omitted as unnecessary because of 5:ch. 5, subch. II. The text of 49 App.:1382(a)(2)(A)(iii) is omitted as surplus. The words “in accordance with regulations prescribed by the Board” are omitted as surplus.

Pub. L. 104–287

This amends 49:41309(b)(2)(B) for consistency in the subsection.

AMENDMENTS

EFFECTIVE DATE OF 1995 AMENDMENT

AIR TRANSPORTATION ARRANGEMENTS IN CERTAIN STATES

§ 41310. Discriminatory practices

(a) Prohibition.—An air carrier or foreign air carrier may not subject a person, place, port, or type of traffic in foreign air transportation to unreasonable discrimination.

(b) Review and Cancellation of Discriminatory Foreign Charges.—(1) The Secretary of Transportation shall survey charges imposed on an air carrier by the government of a foreign country or another foreign entity for the use of airport property or airway property in foreign air transportation. If the Secretary of Transportation decides that a charge is discriminatory, the Secretary promptly shall report the decision to the Secretary of State. The Secretaries of State and Transportation promptly shall begin negotiations with the appropriate government to end the discrimination. If the discrimination is not ended in a reasonable time through negotiation, the Secretary of Transportation shall establish a compensating charge equal to the discriminatory charge. With the approval of the Secretary of State, the Secretary of the Treasury shall impose the compensating charge on a foreign air carrier of that country as a condition to accepting the general declaration of the aircraft of the foreign air carrier when it lands or takes off.

(2) The Secretary of the Treasury shall maintain an account to credit money collected under paragraph (1) of this subsection. An air carrier shall be paid from the account an amount certified by the Secretary of Transportation to compensate the air carrier for the discriminatory charge paid to the government.

(c) Actions Against Discriminatory Activity.—(1) The Secretary of Transportation may take actions against discriminatory activity.

(2) The Secretary of Transportation may take actions the Secretary considers are in the public interest to eliminate an activity of a government of a foreign country or another foreign entity, including a foreign air carrier, when the Secretary, on the initiative of the Secretary or on complaint, decides that the activity—

(A) is an unjustifiable or unreasonable discriminatory, predatory, or anticompetitive practice against an air carrier; or

(B) imposes an unjustifiable or unreasonable restriction on access of an air carrier to a foreign market.

(d) Filing, and Acting on, Complaints.—(1) An air carrier, computer reservations system firm, or a department, agency, or instrumentality of the United States Government may file a complaint under subsection (c) or (g) of this section with the Secretary of Transportation. The Secretary shall approve, deny, or dismiss the complaint, set the complaint for a hearing or investigation, or begin another proceeding proposing remedial action not later than 60 days after receiving the complaint. The Secretary may extend the period for acting for additional periods totaling not more than 30 days if the Secretary decides that with additional time it is likely that a complaint can be resolved satisfactorily through negotiations with the government of the foreign country or foreign entity. The Secretary must act not later than 90 days after receiving the complaint. However, the Secretary may extend this 90-day period for not more than an additional 90 days if, on the last day of the initial 90-day period, the Secretary finds that—

(A) negotiations with the government have progressed to a point that a satisfactory resolution of the complaint appears imminent; or

(B) an air carrier or computer reservations system firm has not been subjected to eco—

49 App.:1551(a)(6), (b)(1)(C) 1551(a)(6), (b)(1)(C) (as
49 App.:1382(a)) relates to 49 App.:1382.
nomic injury by the government or entity as a result of filling the complaint; and
(C) the public interest requires additional time before the Secretary acts on the complaint.

(2) In carrying out paragraph (1) of this subsection and subsection (c) of this section, the Secretary of Transportation shall—
(A) solicit the views of the Secretaries of Commerce and State and the United States Trade Representative;
(B) give an affected air carrier or foreign air carrier reasonable notice and an opportunity to submit written evidence and arguments within the time limits of this subsection; and
(C) submit to the President under section 41307 or 41509(f) of this title actions proposed by the Secretary of Transportation.

(e) REVIEW.—(1) The Secretaries of State, the Treasury, and Transportation and the heads of other departments, agencies, and instrumentalities of the Government shall keep under review, to the extent of each of their jurisdictions, each form of discrimination or unfair competitive practice to which an air carrier is subject when providing foreign air transportation or a computer reservations system firm is subject when providing services with respect to airline service. Each Secretary and head shall—
(A) take appropriate action to eliminate any discrimination or unfair competitive practice found to exist; and
(B) request Congress to enact legislation when the authority to eliminate the discrimination or unfair practice is inadequate.

(2) The Secretary of Transportation shall report to Congress annually on each action taken under paragraph (1) of this subsection and on the continuing program to eliminate discrimination and unfair competitive practices. The Secretaries of State and the Treasury each shall give the Secretary of Transportation information necessary to prepare the report.

(f) REPORTS.—Not later than 30 days after acting on a complaint under this section, the Secretary of Transportation shall report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on action taken under this section on the complaint.

(g) ACTIONS AGAINST DISCRIMINATORY ACTIVITY BY FOREIGN CRS SYSTEMS.—The Secretary of Transportation may take such actions as the Secretary considers are in the public interest to eliminate an activity of a foreign air carrier that owns or markets a computer reservations system firm whose principal offices are located outside the United States, when the Secretary, on the initiative of the Secretary or on complaint, decides that the activity, with respect to airline service—
(1) is an unjustifiable or unreasonable discriminatory, predatory, or anticompetitive practice against a computer reservations system firm whose principal offices are located inside the United States; or
(2) imposes an unjustifiable or unreasonable restriction on access of such a computer reservations system to a foreign market.

41310(f) . . . . 49 App.:1199b(c).

In subsection (a), the words “may not subject . . . to unreasonable discrimination” are substituted for “No . . . shall make, give, or cause any undue or unreasonable preference or advantage . . . in any respect whatsoever” to eliminate unnecessary words. The words “foreign air transportation” are substituted for “air transportation” because 49 App.3551(a)(4)(C) provides that 49 App.3747 applies to interstate or overseas air transportation except insofar as 49 App.3747 requires air carriers to provide safe and adequate service.

In subsection (b)(2), the words “at any time”, “unreasonably exceed comparable charges for furnishing such airport property or airway property in the United States or are otherwise” and “reduce such charges or are omitted as surplus” are omitted because the Secretary of State shall promptly report such instances to” are omitted as surplus because the Secretary of Transportation is involved in the negotiations and aware of the failure to end the discrimination. The words “excessive or” are omitted as surplus. The words “or carriers” are omitted because of 1:1.

In subsection (b)(2), the words “in accordance with such regulations as he shall adopt” are omitted as surplus because of 49:322(a). The words “by them” are omitted as surplus.

In subsections (c)(1) and (d)(1), before each clause (A), the words “foreign entity” and “entity” are sub-

§ 41311. Gambling restrictions

(a) In general.—An air carrier or foreign air carrier may not install, transport, or operate, or permit the use of, any gambling device on board an aircraft in foreign air transportation.

(b) Definition.—In this section, the term "gambling device" means any machine or mechanical device (including gambling applications on electronic interactive video systems installed on board aircraft for passenger use)—

(1) which when operated may deliver, as the result of the application of an element of chance, any money or property; or

(2) by the operation of which a person may become entitled to receive, as the result of the application of an element of chance, any money or property.

STUDY OF GAMBLING ON COMMERCIAL AIRCRAFT

Section 205(b) of Pub. L. 103–305 provided that: "Not later than 1 year after the date of the enactment of this Act [Aug. 23, 1994], the Secretary shall complete a study of—

(1) the aviation safety effects of gambling applications on electronic interactive video systems installed on board aircraft for passenger use, including an evaluation of the effect of such systems on the navigational and other electronic equipment of the aircraft, on the passengers and crew of the aircraft, and on issues relating to the method of payment;

(2) the competitive implications of permitting foreign air carriers only, but not United States air carriers, to install, transport, and operate gambling applications on electronic interactive video systems on board aircraft in the foreign commerce of the United States on flights over international waters, or in fifth freedom city-pair markets; and

(3) whether gambling should be allowed on international flights, including proposed legislation to effectuate any recommended changes in existing law.

The Secretary shall, within 5 days after the completion of the study, submit a report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Public Works and Transportation [now Committee on Transportation and Infrastructure] of the House of Representatives on the results of the study."

§ 41312. Ending or suspending foreign air transportation

(a) General.—An air carrier holding a certificate issued under section 41102 of this title to provide foreign air transportation—

(1) may end or suspend the transportation to a place under the certificate only when the carrier gives at least 90 days notice of its intention to end or suspend the transportation to the Secretary of Transportation, any community affected by that decision, and the State authority of the State in which a community is located; and

(2) if it is the only air carrier holding a certificate to provide non-stop or single-plane foreign air transportation between 2 places, may end or suspend the transportation between those places only when the carrier gives at least 60 days notice of its intention to end or suspend the transportation to the Secretary and each community directly affected by that decision.

(b) Temporary Suspension.—The Secretary may authorize the temporary suspension of for-
eign air transportation under subsection (a) of this section when the Secretary finds the suspension is in the public interest.

49 App.:1351(b)(2)(E).

Aug. 23, 1958, Pub. L. 85–726, §401(b)(1)(E), as added

In the section, the text of 49 App.:1371(j) (related to

interstate and overseas transportation of persons) is

omitted because of 49 App.:1351(a)(1)(D). The text of 49

App.:1371(j) (related to other interstate and overseas air

transportation and the domestic air transportation of

mail) is omitted because a certificate of public conven-

ience and necessity is no longer required. See H.R.

Rept. 98–793, 98th Cong., 2d Sess., p. 10 (1984). The text of

49 App.:1371(j) (related to essential air transportation)

is omitted as superseded by 49 App.:1389, re-

stated as subchapter II of chapter 417 of title 49.

In subsection (a)(1) and (2), the word “place” is sub-

stituted for “point” for consistency in the revised title.

The words “by that decision” are added for clarity.

In subsection (a)(1), the words “which it is providing” are

omitted as surplus. The word “authority” is sub-

stituted for “agency” for consistency in the revised
title and with other titles of the United States Code.

In subsection (a)(2), the words “between those places” are

substituted for “being provided by such air carrier

under such certificate” to eliminate unnecessary

words.

In subsection (b), the words “by regulation or other-

wise” are omitted as surplus. The words “when the Sec-

retary finds the suspension is in” are substituted for

“As may be” for clarity and consistency.

PUB. L. 104–287

This amends 49:41312(a)(1) to conform to the style

title 49.

AMENDMENTS

1996—Subsec. (a)(1). Pub. L. 104–287 substituted “Sec-

retary of Transportation” for “Secretary”.

EFFECTIVE DATE

Section effective July 5, 1994, see section 9 of Pub. L.

103–429, set out as an Effective Date of 1994 Amendment

note under section 321 of this title.

§ 41313. Plans to address needs of families of pas-

sengers involved in foreign air carrier acci-

dents

(a) DEFINITIONS.—In this section, the following

definitions apply:

(1) AIRCRAFT ACCIDENT.—The term “aircraft

accident” means any aviation disaster, regard-

less of its cause or suspected cause, that oc-

curs within the United States; and

(2) PASSENGER.—The term “passenger” has

the meaning given such term by section 1136.

(b) SUBMISSION OF PLANS.—A foreign air car-

rier providing foreign air transportation under

this chapter shall transmit to the Secretary of

Transportation and the Chairman of the Na-

tional Transportation Safety Board a plan for

addressing the needs of the families of pas-

sengers involved in an aircraft accident that

involves an aircraft under the control of the for-

eign air carrier and results in a major loss of

life.

(c) CONTENTS OF PLANS.—To the extent per-

mitted by foreign law which was in effect on the
date of the enactment of this section, a plan

submitted by a foreign air carrier under sub-

section (b) shall include the following:

(1) TELEPHONE NUMBER.—A plan for publiciz-

ing a reliable, toll-free telephone number and

staff to take calls to such number from fami-

lies of passengers involved in an aircraft acci-

dent that involves an aircraft under the control

of the foreign air carrier and results in a

significant loss of life.

(2) NOTIFICATION OF FAMILIES.—A process for

notifying, in person to the extent practicable, the

families of passengers involved in an air-

craft accident that involves an aircraft under

the control of the foreign air carrier and re-

sults in a significant loss of life before provid-

ing any public notice of the names of such pas-

sengers. Such notice shall be provided by using

the services of—

(A) the organization designated for the ac-

cident under section 1136(a)(2); or

(B) other suitably trained individuals.

(3) NOTICE PROVIDED AS SOON AS POSSIBLE.—

An assurance that the notice required by para-

graph (2) shall be provided as soon as prac-

ticable after the foreign air carrier has veri-

fied the identity of a passenger on the foreign

aircraft, whether or not the names of all of the

passengers have been verified.

(4) LIST OF PASSENGERS.—An assurance that

the foreign air carrier shall provide, imme-

diately upon request, and update a list (based

on the best available information at the time

of the request) of the names of the passengers

aboard the aircraft (whether or not such names

have been verified), to—

(A) the director of family support services

designated for the accident under section

1136(a)(1); and

(B) the organization designated for the ac-

cident under section 1136(a)(2).

(5) CONSULTATION REGARDING DISPOSITION

OF REMAINS AND EFFECTS.—An assurance that

the family of each passenger will be consulted

about the disposition of any remains and per-

sonal effects of the passenger that are with-

in the control of the foreign air carrier.

(6) RETURN OF POSSESSIONS.—An assurance

that, if requested by the family of a passenger,

any possession (regardless of its condition) of

that passenger that is within the control of the

foreign air carrier will be returned to the family

unless the possession is needed for the accident

investigation or a criminal investiga-

tion.

(7) UNCLAIMED POSSESSIONS RETAINED.—An

assurance that any unclaimed possession of a

passenger within the control of the foreign air
carrier will be retained by the foreign air carrier for not less than 18 months after the date of the accident.

(8) MONUMENTS.—An assurance that the family of each passenger will be consulted about construction by the foreign air carrier of any monument to the passengers built in the United States, including any inscription on the monument.

(9) EQUAL TREATMENT OF PASSENGERS.—An assurance that the treatment of the families of nonrevenue passengers will be the same as the treatment of the families of revenue passengers.

(10) SERVICE AND ASSISTANCE TO FAMILIES OF PASSENGERS.—An assurance that the foreign air carrier will work with any organization designated under section 1136(a)(2) on an ongoing basis to ensure that families of passengers receive an appropriate level of services and assistance following an accident.

(11) COMPENSATION TO SERVICE ORGANIZATIONS.—An assurance that the foreign air carrier will provide reasonable compensation to any organization designated under section 1136(a)(2) for services and assistance provided by the organization.

(12) TRAVEL AND CARE EXPENSES.—An assurance that the foreign air carrier will assist the family of any passenger in traveling to the location of the accident and provide for the physical care of the family while the family is staying at such location.

(13) RESOURCES FOR PLAN.—An assurance that the foreign air carrier will commit sufficient resources to carry out the plan.

(14) SUBSTITUTE MEASURES.—If a foreign air carrier does not wish to comply with paragraph (10), (11), or (12), a description of proposed adequate substitute measures for the requirements of each paragraph with which the foreign air carrier does not wish to comply.

(15) TRAINING OF EMPLOYEES AND AGENTS.—An assurance that the foreign air carrier will provide adequate training to the employees and agents of the carrier to meet the needs of survivors and family members following an accident.

(16) CONSULTATION ON CARRIER RESPONSE NOT COVERED BY PLAN.—An assurance that the foreign air carrier, in the event that the foreign air carrier volunteers assistance to United States citizens within the United States with respect to an aircraft accident outside the United States involving major loss of life, the foreign air carrier will consult with the Board and the Department of State on the provision of the assistance.

(17) NOTICE CONCERNING LIABILITY FOR MAN- MADE STRUCTURES.—

(A) IN GENERAL.—An assurance that, in the case of an accident that results in significant damage to a manmade structure or other property on the ground that is not government-owned, the foreign air carrier will promptly provide notice, in writing, to the extent practicable, directly to the owner of the structure or other property about liability for any property damage and means for obtaining compensation.

(B) MINIMUM CONTENTS.—At a minimum, the written notice shall advise an owner (i) to contact the insurer of the property as the authoritative source for information about coverage and compensation; (ii) to not rely on unofficial information offered by foreign air carrier representatives about compensation by the foreign air carrier for accident-site property damage; and (iii) to obtain photographic or other detailed evidence of property damage as soon as possible after the accident, consistent with restrictions on access to the accident site.

(18) SIMULTANEOUS ELECTRONIC TRANSMISSION OF NTSB HEARING.—An assurance that, in the case of an accident in which the National Transportation Safety Board conducts a public hearing or comparable proceeding at a location greater than 80 miles from the accident site, the foreign air carrier will ensure that the proceeding is made available simultaneously by electronic means at a location open to the public at both the origin city and destination city of the foreign air carrier’s flight if that city is located in the United States.

(d) PERMIT AND EXEMPTION REQUIREMENT.—The Secretary shall not approve an application for a permit under section 41302 unless the applicant has included as part of the application or request for exemption a plan that meets the requirements of subsection (c).

(e) LIMITATION ON LIABILITY.—A foreign air carrier shall not be liable for damages in any action brought in a Federal or State court arising out of the performance of the foreign air carrier in preparing or providing a passenger list pursuant to a plan submitted by the foreign air carrier under subsection (c), unless the liability was caused by conduct of the foreign air carrier which was grossly negligent or which constituted intentional misconduct.

§ 41313  TITLE 49—TRANSPORTATION  Page 810

References in Text

The date of the enactment of this section, referred to in subsec. (c), is the date of enactment of Pub. L. 105–148, which was approved Dec. 16, 1997.

Amendments

2000—Subsec. (a)(2). Pub. L. 106–181, §403(a), amended heading and text of par. (2) generally. Prior to amendment, text read as follows: “The term ‘passenger’ includes an employee of a foreign air carrier or air carrier aboard an aircraft.”

Subsec. (b). Pub. L. 106–181, §403(b), substituted “major” for “significant”.

Subsec. (c)(15), (16). Pub. L. 106–181, §403(c)(1), added pars. (15) and (16).

Effective Date of 2003 Amendment

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as other-
wise specifically provided, see section 3 of Pub. L. 108-176, set out as a note under section 106 of this title.

**Effective Date of 2000 Amendment**

Amendment by section 403(a) and (b) of Pub. L. 106-181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106-181, set out as a note under section 106 of this title.

Pub. L. 106-181, title IV, § 403(c)(2), Apr. 5, 2000, 114 Stat. 131, provided that: "The amendments made by this section [enacting this section] shall take effect on the 180th day following the date of the enactment of this Act [Apr. 5, 2000]. On or before such 180th day, each foreign air carrier providing foreign air transportation under chapter 413 of title 49, United States Code, shall submit to the Secretary of Transportation and the Chairman of the National Transportation Safety Board an updated plan under section 41313 of such title that meets the requirements of the amendment made by paragraph (1)."

**Effective Date**

Pub. L. 105-148, § 1(c), Dec. 16, 1997, 111 Stat. 2683, provided that: "The amendments made by this title shall take effect on the 180th day following the date of enactment of this Act [Dec. 16, 1997]."

</thead>
</table>

In this chapter, the word "regulation" is omitted in restating the phrase "classifications, rules, regulations, and practices" because it is covered by the word "rules" and to distinguish the rules of an air carrier or foreign air carrier from the regulations of the United States Government. The word "reasonable" is substituted for "just and reasonable" and "just, reasonable, and equitable" for consistency in the revised title and to eliminate unnecessary words. See the revision notes following 49:10101. The word "prices" is substituted for "fares" and "rates, fares, and charges" because of the definition of "price" in section 40102(a) of the revised title.

In this section, before clause (1), the words "comply with" are substituted for "observe" for consistency in the revised title and with other titles of the United States Code. In clause (1), the words "individual and joint" are omitted as surplus. In clause (2), the words "unreasonably discriminating" are substituted for "unduly prefer or prejudice" for consistency in the revised title and to eliminate unnecessary words. See the revision notes following 49:10101.

**§ 41502. Establishing joint prices for through routes with other carriers**

(a) **Joint Prices.**—An air carrier may establish reasonable joint prices and through service with another carrier. However, an air carrier not directly operating aircraft in air transportation (except an air express company) may not establish under this section a joint price for the transportation of property with a carrier subject to subtitle IV of this title.

(b) **Prices, Classifications, Rules, and Practices and Divisions of Joint Prices.**—For through service by an air carrier and a carrier subject to subtitle IV of this title, the participating carriers shall establish—

(1) reasonable prices and reasonable classifications, rules, and practices affecting those prices or the value of the transportation provided under those prices; and

(2) for joint prices established for the through service, reasonable divisions of those joint prices among the participating carriers.

(c) **Statements Included in Tariffs.**—An air carrier and a carrier subject to subtitle IV of this title that are participating in through service and joint prices shall include in their tariffs, filed with the Secretary of Transportation, a statement showing the through service and joint prices.

In subsection (a), the words "(except an air express company)" are substituted for "(other than companies engaged in the air express business)" to eliminate unnecessary words.

In subsection (b), before clause (1), the words "participating carriers" are substituted for "carriers parties thereto" and "carriers participating therein" for consistency in this chapter.

In subsection (c), the words "or the Interstate Commerce Commission, as the case may be" are omitted because of 49:10526(a)(1)(B).

PUBL. L. 105–102

This amends the catchline for 49:41502 to make a technical and conforming amendment necessary because section 308(l) of the ICC Termination Act (Public Law 104–88) struck "common" from the text of 49:41502.

AMENDMENTS

1997—Pub. L. 104–88 substituted "another carrier" for "(other than companies authorized to operate)" in section catchline.

1995—Pub. L. 104–88 substituted "another carrier" for "(other than companies authorized to operate)" in section catchline.

In this section, before clause (1), the words "Notwithstanding any other provision of this chapter" are omitted as surplus. The words "a citizen of the United States providing transportation under section 41101(b) of this title" are substituted for "any citizen of the United States who undertakes, within any State, the carriage of persons or property as a common carrier for compensation or hire with aircraft capable of carrying thirty or more persons pursuant to authority for such carriage within such State granted by the appropriate State agency" for clarity and because of the restatement of 49 App.:1371(d)(4)(A)(i) and (ii) (related to joint services) in section 41101(b) of the revised title. The words "the establishment of" are omitted as surplus.

§ 41504. Tariffs for foreign air transportation

(a) FILING AND CONTENTS.—In the way prescribed by regulation by the Secretary of Transportation, every air carrier and foreign air carrier shall file with the Secretary, publish, and keep open to public inspection, tariffs showing the prices for the foreign air transportation provided between places served by the carrier and provided between places served by the carrier and places served by another air carrier or foreign air carrier with which through service and joint prices have been established. A tariff—

(1) shall contain—

(A) to the extent the Secretary requires by regulation, a description of the classifications, rules, and practices related to the foreign air transportation;

(B) a statement of the prices in money of the United States; and

(C) other information the Secretary requires by regulation; and

(2) may contain—

(A) a statement of the prices in money that is not money of the United States; and

(B) information that is required under the laws of a foreign country in or to which the air carrier or foreign air carrier is authorized to operate.

(b) CHANGES.—(1) Except as provided in paragraph (2) of this subsection, an air carrier or foreign air carrier may change a price or a classification, rule, or practice affecting that price or the value of the transportation provided under that price, specified in a tariff of the carrier for foreign air transportation only after 30 days after the carrier has filed, published, and posted notice of the proposed change in the same way as required for a tariff under subsection (a) of this section. However, the Secretary may prescribe an alternative notice requirement, of at least 25 days, to allow an air carrier or foreign air carrier to match a proposed change in a passenger fare or a charge of another air carrier or foreign air carrier. A notice under this paragraph must state plainly the change proposed and when the change will take effect.

(2) If the effect of a proposed change would be to begin a passenger fare that is outside of, or not covered by, the range of passenger fares
specified under section 41509(e)(2) and (3) of this title, the proposed change may be put into effect only on the expiration of 60 days after the notice is filed under regulations prescribed by the Secretary.

(c) Rejection of Changes.—The Secretary may reject a tariff or tariff change that is not consistent with this section and regulations prescribed by the Secretary. A tariff or change that is rejected is void.

In this section, the words “foreign air transportation” are substituted for “air transportation” because 49 App.:1373 no longer applies to interstate or overseas air transportation and 49 App.:1373(a)(e), restated in section 41901 of the revised title, governs rates for the transportation of mail by aircraft. See section 41020(a) of the revised title defining “air transportation” to mean interstate or foreign air transportation or the transportation of mail by aircraft. The words “passenger fare” are substituted for “fare” for consistency in the revised title.

In subsection (a), before clause (1), the word “print” is omitted as being included in “publish”. The word “places” is substituted for “points” for consistency in the revised title and with other titles of the United States Code. In clause (1)(A), the word “services” is omitted as being included in “practices”. In clauses (1)(B) and (2)(A), the word “lawful” is omitted as surplus.

In subsection (b)(1), the words “for foreign air transportation” are added because of 49 App.:1355(a)(4)(B). See the revision notes for subsection (a) of this section. The words “in the same way as required for a tariff under” are substituted for “in accordance with” for clarity. The words “proposed change in a passenger fare or a charge of another air carrier or foreign air carrier” are substituted for “fares or charges specified in another air carrier’s or foreign air carrier’s proposed tariff” for clarity and consistency in this section.

In subsection (b)(2), the words “not covered by” are substituted for “to which such range of fares does not apply” to eliminate unnecessary words. The words “subparagraphs (A) and (B) of section 1482(d) of this Appendix...section 1482(d)(7) of this Appendix” are omitted because those sections related to interstate and overseas air transportation and the source provisions restated in this section relate to foreign air transportation. In addition, the text of 49 App.:1355(a)(4)(D) provides that 49 App.:1482(c)(2) be in effect on January 1, 1985, except as related to foreign air transportation. The reference in the source provisions to “section 1482(d)(9) of this Appendix” has been restated as though it were a reference to 49 App.:1482(d)(10) to correct an apparent error in the International Air Transportation Competition Act of 1979 (Public Law 96-192, 94 Stat. 35). Section 24(b) of S. 1300 of the 96th Congress (the derivative source for the International Air Transportation Competition Act of 1979), as originally passed by both the Senate and the House of Representatives, restated section 403(c)(2) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 759) to read as it now does with a cross-reference to section 1002(j)(9) of the Federal Aviation Act of 1958. Also contained in those versions of S. 1300 in section 24(a) was an amendment to section 1002(j) of the Federal Aviation Act of 1958 to add a paragraph (9) that contained language identical to what is now section 1002(j)(10) of the Federal Aviation Act of 1958. When S. 1300 was reported by the conference committee and enacted into law as the International Air Transportation Competition Act of 1979, section 24(a) had been changed so that a different paragraph (9) was added and what had been paragraph (9) was now designated as a new paragraph (10) to be added. Apparently, when the conference committee designated section 1002(j)(9) as 1002(j)(10) it did not make a corresponding change in the cross-reference in section 403(c)(2). See 125 Cong. Rec. 26936, 32147, 36939.

§ 41505. Uniform methods for establishing joint prices, and divisions of joint prices, applicable to commuter air carriers

(a) Definition.—In this section, “commuter air carrier” means an air carrier providing transportation under section 40109(f) of this title that provides at least 5 scheduled roundtrips a week between the same 2 places.

(b) General.—Except as provided in subsection (c) of this section, when the Secretary of Transportation prescribes under section 41509 of this title a uniform method generally applicable to establishing joint prices and divisions of joint prices for and between air carriers holding certificates issued under section 41102 of this title, the Secretary shall make that uniform method apply to establishing joint prices and divisions of joint prices for and between air carriers and commuter air carriers.

(c) Notice Required Before Modifying, Suspending, or Ending Transportation.—A commuter air carrier that has an agreement with an air carrier to provide transportation for passengers and property that includes through service by the commuter air carrier over the commuter air carrier’s routes and air transportation provided by the air carrier shall give the air carrier and the Secretary at least 90 days’ notice before modifying, suspending, or ending the transportation. If the commuter air carrier does not give that notice, the uniform method of establishing joint prices and divisions of joint prices referred to in subsection (b) of this section does not apply to the commuter air carrier.

(Pub. L. 103-272, § 1(e), July 5, 1994, 108 Stat. 1134.)

</thead>
</table>

In subsection (a), before clause (1), the words “individual or joint” are omitted as surplus. The words “charged or received” are added for clarity.

The words “charged, collected, or received” are substituted for “demanded, charged, collected, or received” to eliminate unnecessary words.

The words “unreasonably discriminatory” are substituted for “unjustly discriminatory, or unduly preferential, or unduly prejudicial” for consistency in the revised title and to eliminate unnecessary words.

See the revision notes following 49:10101. In clause (2), the words “carrying out” are substituted for “enforcing” for clarity.

In subsection (b), the words “opportunity for an” are added for consistency in the revised title and with other titles of the United States Code.
§ 41508. Authority of the Secretary of Transportation to adjust divisions of joint prices for foreign air transportation

(a) GENERAL.—When the Secretary of Transportation decides that a division between air carriers, foreign air carriers, or both, of a joint price for foreign air transportation is or will be unreasonable or unreasonably discriminatory against any of those carriers, the Secretary shall prescribe a reasonable division of the joint price among those carriers. The Secretary may order the adjustment in the division of the joint price to be made retroactively to the date the complaint was filed, the date the order for an investigation was made, or a later date the Secretary decides is reasonable.

(b) WHEN SECRETARY MAY ACT.—The Secretary may act under this section on the Secretary’s own initiative or on a complaint filed with the Secretary and only after notice and an opportunity for a hearing.

HISTORICAL AND REVISION NOTES

In subsection (a), the words “interstate air transportation of persons, air transportation of property within the State of Alaska, air transportation of property between the air carriers or foreign air carriers parties thereto” are omitted because 49:1551(a)(5)(D) provides that 49 App.:1482(h) applies only to foreign air transportation. The words “unreasonable or unreasonably discriminatory” are substituted for “unjust, unreasonable, inequitable, or unduly preferential or prejudicial” for consistency in the revised title and to eliminate unnecessary words. See the revision notes following 49:10101. The words “as between the air carriers or foreign air carriers parties thereto” are substituted for “as between any of those carriers” and the word “retroactively” is added for clarity.

In subsection (b), the words “an opportunity for a” are added for consistency in the revised title and with other titles of the United States Code.

§ 41509. Authority of the Secretary of Transportation to suspend, cancel, and reject tariffs for foreign air transportation

(a) CANCELLATION AND REJECTION.—(1) On the initiative of the Secretary of Transportation or on a complaint filed with the Secretary, the Secretary may conduct a hearing to decide whether a price for foreign air transportation contained in an existing or newly filed tariff of an air carrier or foreign air carrier, a classification, rule, or practice affecting that price, or the value of the transportation provided under that price, is lawful. The Secretary may begin the hearing at once and without an answer or another formal pleading by the air carrier or foreign air carrier, but only after reasonable notice. If, after the hearing, the Secretary decides that the price, classification, rule, or practice is or will be unreasonable or unreasonably discriminatory, the Secretary may cancel or reject the tariff and prevent the use of the price, classification, rule, or practice.

(2) With or without a hearing, the Secretary may cancel or reject an existing or newly filed tariff of a foreign air carrier and prevent the use of a price, classification, rule, or practice when the Secretary decides that the cancellation or rejection is in the public interest.

(3) In deciding whether to cancel or reject a tariff of an air carrier or foreign air carrier under this subsection, the Secretary shall consider—

(A) the effect of the price on the movement of traffic;

(B) the need in the public interest of adequate and efficient transportation by air carriers and foreign air carriers at the lowest cost consistent with providing the transportation;

(C) the standards prescribed under law related to the character and quality of transportation to be provided by air carriers and foreign air carriers;

(D) the inherent advantages of transportation by aircraft;

(E) the need of the air carrier and foreign air carrier for revenue sufficient to enable the air carrier and foreign air carrier, under honest, economical, and efficient management, to provide adequate and efficient air carrier and foreign air carrier transportation;

(F) whether the price will be predatory or tend to monopolize competition among air carriers and foreign air carriers in foreign air transportation;

(G) reasonably estimated or foreseeable future costs and revenues for the air carrier or foreign air carrier for a reasonably limited future period during which the price would be in effect; and

(H) other factors.

(b) SUSPENSION.—(1)(A) Pending a decision under subsection (a)(1) of this section, the Secretary may suspend a tariff and the use of a price, classification, rule, or practice affecting that price.

(B) The Secretary may suspend a tariff of a foreign air carrier and the use of a price, classification, rule, or practice when the suspension is in the public interest.

(2) A suspension becomes effective when the Secretary files with the tariff and delivers to the air carrier or foreign air carrier affected by the suspension a written statement of the reasons for the suspension. To suspend a tariff, reasonable notice of the suspension must be given to the affected carrier.

(3) The suspension of a newly filed tariff may be for periods totaling not more than 365 days after the date the tariff otherwise would go into effect. The suspension of an existing tariff may be for periods totaling not more than 365 days after the effective date of the suspension. The Secretary may rescind at any time the suspension of a newly filed tariff and allow the price, classification, rule, or practice to go into effect.
§41509

(c) Effective Tariffs and Prices When Tariff Is Suspended, Canceled, or Rejected.—(1) If a tariff is suspended pending the outcome of a proceeding under subsection (a) of this section and the Secretary does not take final action in the proceeding during the suspension period, the tariff goes into effect at the end of that period subject to cancellation when the proceeding is concluded.

(2)(A) During the period of suspension, or after the cancellation or rejection, of a newly filed tariff (including a tariff that has gone into effect provisionally), the affected air carrier or foreign air carrier shall maintain in effect and use—

(i) the corresponding seasonal prices, or the classifications, rules, and practices affecting those prices or the value of transportation provided under those prices, that were in effect for the carrier immediately before the new tariff was filed; or

(ii) another price provided for under an applicable intergovernmental agreement or understanding.

(B) If the suspended, canceled, or rejected tariff is the first tariff of the carrier for the covered transportation, the carrier, for the purpose of operations during the period of suspension or pending effectiveness of a new tariff, may file another tariff containing a price or another classification, rule, or practice affecting the price, or the value of the transportation provided under the price, that is in effect (and not subject to a suspension order) for any air carrier providing the same transportation.

(3) If an existing tariff is suspended or canceled, the affected air carrier or foreign air carrier, for the purpose of operations during the period of suspension or pending effectiveness of a new tariff, may file another tariff containing a price or another classification, rule, or practice affecting the price, or the value of the transportation provided under the price, that is in effect (and not subject to a suspension order) for any air carrier providing the same transportation.

(d) Response to Refusal of Foreign Country To Allow Air Carrier to Charge a Price.—When the Secretary finds that the government or an aeronautical authority of a foreign country has refused to allow an air carrier to charge a price contained in a tariff filed and published under section 41504 of this title for foreign air transportation to the foreign country—

(1) the Secretary, without a hearing—

(A) may suspend any existing tariff of a foreign air carrier providing transportation between the United States and the foreign country for periods totaling not more than 365 days after the date of the suspension; and

(B) may order the foreign air carrier to charge, during the suspension periods, prices that are the same as those contained in a tariff (designated by the Secretary) of an air carrier filed and published under section 41504 of this title for foreign air transportation to the foreign country; and

(2) a foreign air carrier may continue to provide foreign air transportation to the foreign country only if the government or aeronautical authority of the foreign country allows an air carrier to start or continue foreign air transportation to the foreign country at the prices designated by the Secretary.

(e) Standard Foreign Fare Level.—(1)(A) In this subsection, “standard foreign fare level” means:

(i) for a class of fares existing on October 1, 1979, the fare between 2 places (as adjusted under subparagraph (B) of this paragraph) filed for and allowed by the Civil Aeronautics Board to go into effect after September 30, 1979, and before August 13, 1980 (with seasonal fares adjusted by the percentage difference that prevailed between seasons in 1978), or the fare established under section 1002(8) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 731), as added by section 24(a) of the International Air Transportation Competition Act of 1979 (Public Law 96–192, 94 Stat. 46); or

(ii) for a class of fares established after October 1, 1979, the fare between 2 places in effect on the effective date of the establishment of the new class.

(B) At least once every 60 days for fuel costs, and at least once every 180 days for other costs, the Secretary shall adjust the standard foreign fare level for the particular foreign air transportation to which the standard foreign fare level applies by increasing or decreasing that level by the percentage change from the last previous period in the actual operating cost for each available seat-mile. In adjusting a standard foreign fare level, the Secretary may not make an adjustment to costs actually incurred. In establishing a standard foreign fare level and making adjustments in the level under this paragraph, the Secretary may use all relevant or appropriate information reasonably available to the Secretary.

(2) The Secretary may not decide that a proposed fare for foreign air transportation is unreasonable on the basis that the fare is too low or too high if the proposed fare is neither more than 5 percent higher nor 50 percent lower than the standard foreign fare level when the Secretary decides that the proposed fare may be unreasonably discriminatory or that suspension of the fare is in the public interest because of an unreasonable regulatory action by the government of a foreign country that is related to a fare proposal of an air carrier; or

(B) 50 percent lower than the standard foreign fare level when the Secretary decides that the proposed fare may be predatory or discriminatory or that suspension of the fare is required because of an unreasonable regulatory action by the government of a foreign country that is related to a fare proposal of an air carrier.

(f) Submission of Orders to President.—The Secretary shall submit to the President an order made under this section suspending, canceling,
or rejecting a price for foreign air transportation, and an order rescinding the effectiveness of such an order, before publishing the order. Not later than 10 days after its submission, the President may disapprove the order on finding disapproval is necessary for United States foreign policy or national defense reasons.

(g) COMPLIANCE AS CONDITION OF CERTIFICATE OR PERMIT.—This section and compliance with an order of the Secretary under this section are conditions to any certificate or permit held by an air carrier or foreign air carrier. An air carrier or foreign air carrier may provide foreign air transportation only as long as the carrier maintains prices for that transportation that comply with this section and orders of the Secretary under this section.

§ 41510  TITLED—TRANSPORTATION  Page 818

In subsection (c)(2)(B), the words “of the carrier for the covered transportation” and “during the period of suspension or” are added for clarity.

In subsection (c)(3), the words “If an existing tariff is suspended or canceled” are added for clarity. The words “following cancellation of an existing tariff” are omitted as surplus.

In subsection (d), the word “properly” is omitted as surplus. In clause (1)(A), the words “the operation of” are omitted as surplus. The words “periods totaling not more than three hundred and sixty-five days in the aggregate” are omitted as surplus.

In subsection (d), the words “or suspensions” are omitted because of 1:1. In subclause (B), the words “and” are omitted as surplus. In clause (2), the words “by the Secretary” are added for clarity.

In subsection (e)(1)(B), the words “within 30 days after February 15, 1980” are omitted as executed. The words “as the case may be” are omitted as surplus.

In subsection (e)(2), the text of 49 App.:1482(j)(5)(A) is omitted as expired. The words “with respect to any proposed increase filed with the Board after the 180th day after February 15, 1980” and “with respect to any proposed decrease filed after February 15, 1980” are omitted as obsolete. The words “of persons” are omitted as surplus.

In subsection (e)(3)(A), the words “unreasonably discriminatory” are substituted for “unduly preferential, unduly prejudicial, or unjustly discriminatory” to eliminate unnecessary words and for consistency in the revised title. See the revision notes following 49:10101.

In subsection (g), the words “express” and “now . . . shall” are substituted for “no . . . shall” and “no . . . shall” in clause (1), the words “demand or collect” are omitted as being included in “charge or receive”. The words “then currently” are omitted as surplus. In clause (3), the words “tariff for foreign air transportation” are substituted for “such tariffs” for clarity.

In this section, the words “greater or less” are omitted as being included in “different”. The words “foreign air transportation” are omitted as being included in “air transportation” because 49 App.:1551(a)(4)(B) provides that 49 App.:1373 no longer applies to interstate or overseas air transportation and 49 App.:1376(a)–(e) restated in section 41901 of the revised title, governs prices for the transportation of mail by aircraft. See section 40322(a) of the revised title defining “air transportation” to mean interstate or foreign air transportation or the transportation of mail by aircraft. The words “for any service in connection therewith” are omitted as surplus because the word “transportation” includes any services related to the transportation.

In subsection (a), before clause (1), the words “may not” are substituted for “no . . . shall” and “no . . . shall” in clause (1), the words “demand or collect” are omitted as being included in “charge or receive”. The words “then currently” are omitted as surplus. In clause (3), the words “tariff for foreign air transportation” are substituted for “such tariffs” for clarity.

In subsection (b), before clause (1), the words “shipper, consignor, consignee, forwarder, broker, or other . . . any director, officer, agent, employee thereof” are omitted as surplus. In clause (1), the words “directly or indirectly, through any agent or broker, or otherwise” are omitted as surplus. In clause (2), before subclause (A), the words “in any manner or by any device, directly or indirectly, through any agent or broker, or otherwise” are omitted as surplus. In subsection (b), the word “favor” is omitted as surplus.

§ 41511  Special prices for foreign air transportation

(a) Free and reduced pricing.—This chapter does not prohibit an air carrier or foreign air carrier, under terms the Secretary of Transportation prescribes, from issuing or interchanging tickets or passes for free or reduced-price foreign air transportation to or for the following:

(1) a director, officer, or employee of the carrier (including a retired director, officer, or employee who is receiving retirement benefits from an air carrier or foreign air carrier);

(2) a parent or the immediate family of such an officer or employee or the immediate family of such a director.
(3) a widow, widower, or minor child of an employee of the carrier who died as a direct result of a personal injury sustained when performing a duty in the service of the carrier.

(4) a witness or attorney attending a legal investigation in which the air carrier is interested.

(5) an individual injured in an aircraft accident and a physician or nurse attending the individual.

(6) a parent or the immediate family of an individual injured or killed in an aircraft accident when the transportation is related to the accident.

(7) an individual or property to provide relief in a general epidemic, pestilence, or other emergency.

(8) other individuals under other circumstances the Secretary prescribes by regulation.

(b) SPACE-AVAILABLE BASIS.—Under terms the Secretary prescribes, an air carrier or foreign air carrier may grant reduced-price foreign air transportation on a space-available basis to the following:

(1) a minister of religion.

(2) an individual who is at least 60 years of age and no longer gainfully employed.

(3) an individual who is at least 65 years of age.

(4) an individual who has severely impaired vision or hearing or another physical or mental handicap and an accompanying attendant needed by that individual.

In this section, the words "foreign air transportation" are substituted for "transportation" and "in the case of overseas or foreign air transportation" because 49 App.:1551(a)(4)(B) provides that 49 App.:1373 no longer applies to interstate or overseas air transportation and 49 App. §1376(a)–(e), restated in section 41901 of the revised title, governs rates for the transportation of mail by aircraft. See section 40102(a) of the revised title defining "air transportation" to mean interstate or foreign air transportation or the transportation of mail by aircraft. The word "conditions" is omitted as being included in "terms".

In subsection (b)(7), the words "or other emergency" are substituted for "other calamitous visitation" for consistency.

In subsection (b)(2), the words "no longer gainfully employed" are substituted for "retired" and "for purposes of this subsection, the term 'retired' means no longer gainfully employed as defined by the Board" to eliminate unnecessary words.

In subsection (b)(4), the words "an individual who has severely impaired vision or hearing or another physical or mental handicap" are substituted for "handicapped individual" and "For the purposes of this subsection, the term 'handicapped individual' means any individual who has severely impaired vision or hearing, or any other physically or mentally handicapped person, as defined by the Board" to eliminate unnecessary words.

CHAPTER 417—OPERATIONS OF CARRIERS

SUBCHAPTER I—REQUIREMENTS

41701. Classification of air carriers.

41702. Interstate air transportation.

41703. Navigation of foreign civil aircraft.

41704. Transporting property not to be transported in aircraft cabins.

41705. Discrimination against handicapped individuals.

41706. Prohibitions against smoking on scheduled flights.

41707. Incorporating contract terms into written instrument.

41708. Reports.

41709. Records of air carriers.

41710. Time requirements.

41711. Air carrier management inquiry and cooperation with other authorities.

41712. Unfair and deceptive practices and unfair methods of competition.

41713. Preemption of authority over prices, routes, and service.

41714. Availability of slots.

41715. Phase-out of slot rules at certain airports.

41716. Interim slot rules at New York airports.

41717. Interim application of slot rules at Chicago O'Hare International Airport.

41719. Air service termination notice.

41720. Joint venture agreements.

41721. Reports by carriers on incidents involving animals during air transport.

41722. Delay reduction actions.

41723. Notice concerning aircraft assembly.

SUBCHAPTER II—SMALL COMMUNITY AIR SERVICE

41731. Definitions.

41732. Basic essential air service.

41733. Level of basic essential air service.

41734. Ending, suspending, and reducing basic essential air service.

41735. Enhanced essential air service.

41736. Air transportation to nonnegligible places.

41737. Compensation guidelines, limitations, and claims.

41738. Fitness of air carriers.

41739. Air carrier obligations.

41740. Joint proposals.

41741. Insurance.

41742. Essential air service authorization.

41743. Airports not receiving sufficient service.

41744. Preservation of basic essential air service at single carrier dominated hub airports.

41745. Community and regional choice programs.

41746. Tracking service.

41747. EAS local participation program.

41748. Marketing program.

SUBCHAPTER III—REGIONAL AIR SERVICE INCENTIVE PROGRAM

41761. Purpose.

SUBCHAPTER I—REQUIREMENTS

§ 41701. Classification of air carriers

The Secretary of Transportation may establish—

(1) reasonable classifications for air carriers when required because of the nature of the traffic to be served by them; and

(2) reasonable requirements for each class when the Secretary decides those requirements are necessary in the public interest.

(Pub. L. 103–272, § 1(e), July 5, 1994, 108 Stat. 1140.)

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)

This section is substituted for 49 App.:1374(a)(1) because 49 App.:1351(a)(4)(C) provides that 49 App.:1374 no longer applies to interstate or overseas air transportation except insofar as 49 App.:1374 requires air carriers to provide safe and adequate service.

§ 41703. Navigation of foreign civil aircraft

(a) PERMITTED NAVIGATION.—A foreign aircraft, not part of the armed forces of a foreign country, may be navigated in the United States only if—

(1) the country of registry grants a similar privilege to aircraft of the United States;

(2) by an airman holding a certificate or license issued or made valid by the United States Government or the country of registry;

(3) if the Secretary of Transportation authorizes the navigation; and

(4) if the navigation is consistent with terms the Secretary may prescribe.

(b) REQUIREMENTS FOR AUTHORIZING NAVIGATION.—The Secretary may authorize navigation under this section only if the Secretary decides the authorization is—

(1) in the public interest; and

(2) consistent with any agreement between the Government and the government of a foreign country.

(c) PROVIDING AIR COMMERCE.—The Secretary may authorize an aircraft permitted to navigate in the United States under this section to provide air commerce in the United States. However, the aircraft may take on for compensation, at a place in the United States, passengers or cargo destined for another place in the United States only if—

(1) specifically authorized under section 40108(g) of this title; or

(2) under regulations the Secretary prescribes authorizing air carriers to provide otherwise authorized air transportation with foreign registered aircraft under lease or charter to them without crew.

(d) PERMIT REQUIREMENTS NOT AFFECTED.—This section does not affect section 41301 or 41302 of this title. However, a foreign air carrier holding a permit under section 41302 does not need to obtain additional authorization under this section for an operation authorized by the permit.

(e) CARGO IN ALASKA.—

(1) IN GENERAL.—For the purposes of subsection (c), eligible cargo taken on or off any aircraft at a place in Alaska in the course of transportation of that cargo by any combination of 2 or more air carriers or foreign air carriers in either direction between a place in the United States and a place within the United States shall not be deemed to have bro-
The words “as may be necessary”, “which . . . lawfully”, and “by such person” are omitted as surplus. The words “The carrier is liable to pay an amount not more than” are substituted for “shall assume liability . . . within” for clarity. The words “to such person” are omitted as surplus. The words “The carrier may impose” are added for clarity. The words “terms and” are omitted as covered by “conditions”.

§ 41705. Discrimination against handicapped individuals

(a) In general.—In providing air transportation, an air carrier, including (subject to section 40105(b)) any foreign air carrier, may not discriminate against an otherwise qualified individual on the following grounds:

(1) the individual has a physical or mental impairment that substantially limits one or more major life activities.

(2) the individual has a record of such an impairment.

(3) the individual is regarded as having such an impairment.

(b) Each act constitutes separate offense.—For purposes of section 46301, a separate violation occurs under this section for each individual act of discrimination prohibited by subsection (a).

(c) Investigation of complaints.—

(1) In general.—The Secretary shall investigate each complaint of a violation of subsection (a).

(2) Publication of data.—The Secretary shall publish disability-related complaint data in a manner comparable to other consumer complaint data.

(3) Review and report.—The Secretary shall regularly review all complaints received by air carriers alleging discrimination on the basis of disability and shall report annually to Congress on the results of such review.

(4) Technical assistance.—Not later than 180 days after the date of the enactment of this subsection, the Secretary shall—

(A) implement a plan, in consultation with the Department of Justice, the United States Architectural and Transportation Barriers Compliance Board, and the National Council on Disability, to provide tech-
technical assistance to air carriers and individuals with disabilities in understanding the rights and responsibilities set forth in this section; and

(B) ensure the availability and provision of appropriate technical assistance manuals to individuals and entities with rights or responsibilities under this section.

HISTORICAL AND REVISION NOTES

In this section, before clause (1), the words “on the following grounds” are substituted for “by reason of such handicap” and “‘For purposes of paragraph (1) of this subsection the term ‘handicapped individual’ means any individual who” because of the restatement.

REFERENCES IN TEXT

The date of the enactment of this subsection, referred to in subsec. (c)(4), is the date of enactment of Pub. L. 106–181, which was approved Apr. 5, 2000.

AMENDMENTS

2000—Pub. L. 106–181 designated existing provisions as subsec. (a), inserted heading, substituted “carrier, in introductory provisions, and” for “carrier” in introductory provisions, and added subsecs. (b) and (c).

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2005, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 2000 AMENDMENT

ESTABLISHMENT OF HIGHER INTERNATIONAL STANDARDS

Pub. L. 106–181, title VII, §707(c), Apr. 5, 2000, 114 Stat. 158, provided that: “The Secretary of Transportation shall work with appropriate international organizations and the aviation authorities of other nations to bring about the establishment of higher standards for accommodating handicapped passengers in air transportation, particularly with respect to foreign air carriers that code-share with air carriers.”

RESTRICTIONS ON AIR TRANSPORTATION OF PEANUTS; SCIENTIFIC STUDY ON EFFECT OF AIRBORNE PARTICLES ON PASSENGERS

Pub. L. 106–89, title III, §346, Oct. 9, 1999, 113 Stat. 1023, provided that: “Hereafter, none of the funds made available under this Act or any other Act, may be used to implement, carry out, or enforce any regulation issued under section 41705 of title 49, United States Code, including any regulation contained in part 382 of title 14, Code of Federal Regulations, or any other provision of law (including any Act of Congress, regulation, or Executive order or any official guidance or correspondence thereto), that requires or encourages an air carrier (as that term is defined in section 40102 of title 49, United States Code) to, on intrastate or interstate air transportation (as those terms are defined in section 40102 of title 49, United States Code)—(1) provide a peanut-free buffer zone or any other related peanut-restricted area; or (2) restrict the distribution of peanuts, until 90 days after submission to the Congress and the Secretary of a peer-reviewed scientific study that determines that there are severe reactions by passengers to peanuts as a result of contact with very small airborne peanut particles of the kind that passengers might encounter in an aircraft.”

§ 41706. Prohibitions against smoking on scheduled flights

(a) SMOKING PROHIBITION IN INTRASTATE AND INTERSTATE AIR TRANSPORTATION.—An individual may not smoke in an aircraft in scheduled passenger interstate air transportation or scheduled passenger intrastate air transportation.

(b) SMOKING PROHIBITION IN FOREIGN AIR TRANSPORTATION.—The Secretary of Transportation shall require all air carriers and foreign air carriers to prohibit smoking in any aircraft in scheduled passenger foreign air transportation.

(c) LIMITATION ON APPLICABILITY.—

(1) IN GENERAL.—If a foreign government objects to the application of subsection (b) on the basis that subsection (b) provides for an extraterritorial application of the laws of the United States, the Secretary shall waive the application of subsection (b) to a foreign air carrier licensed by that foreign government at such time as an alternative prohibition negotiated under paragraph (2) becomes effective and is enforced by the Secretary.

(2) ALTERNATIVE PROHIBITION.—If, pursuant to paragraph (1), a foreign government objects to the prohibition under subsection (b), the Secretary shall enter into bilateral negotiations with the objecting foreign government to provide for an alternative smoking prohibition.

(d) REGULATIONS.—The Secretary shall prescribe such regulations as are necessary to carry out this section.

In subsec. (a), before clause (1), the words “On and after the date of expiration of the 4-month period following December 22, 1987” are omitted as executed. The words “of an aircraft” are added for clarity. The text of 49 App.:1374 (note) is omitted as executed.
AMENDMENTS

2000—Pub. L. 106–181 amended section catchline and text generally. Prior to amendment, text read as follows:

“(a) GENERAL.—An individual may not smoke in the passenger cabin or lavatory of an aircraft on a scheduled airline flight segment in air transportation or intrastate air transportation that is—

“(1) between places in a State of the United States, the District of Columbia, Puerto Rico, or the Virgin Islands;

“(2) between a place in any jurisdiction referred to in clause (1) of this subsection (except Alaska and Hawaii) and a place in any other of those jurisdictions; or

“(3)(A) scheduled for not more than 6 hours’ duration; and

“(B) during any term of the contract for providing interstate air transportation.

“(b) REGULATIONS.—The Secretary of Transportation shall prescribe regulations necessary to carry out this section.”

EFFECTIVE DATE OF 2000 AMENDMENT

Pub. L. 106–181, title VII, § 708(b), Apr. 5, 2000, 114 Stat. 159, provided that: “The amendment made by subsection (a) [amending this section] shall take effect on the date that is 60 days after the date of the enactment of this Act [Apr. 5, 2000].”

§ 41707. Incorporating contract terms into written instrument

To the extent the Secretary of Transportation prescribes by regulation, an air carrier may incorporate by reference in a ticket or written instrument any term of the contract for providing interstate air transportation.

HISTORICAL AND REVISION NOTES

In subsection (a), the word “reasonably” is omitted as surplus. The words “carry out” are substituted for “administration” for consistency in the revised title. The words “subsection 11343(c) of this title” are substituted for “section 5(b) of the Interstate Commerce Act, as amended” in section 407(e) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 766), to cite the corresponding section of the revised title and correct the inaccurate reference to the definition of “affiliate”.

In subsection (b)(3), the word “copy” is substituted for “true copy” to eliminate an unnecessary word. The word “transportation” is substituted for “traffic” for consistency in the revised title.

§ 41709. Records of air carriers

(a) REQUIREMENTS.—The Secretary of Transportation shall prescribe the form of records to be kept by an air carrier, including records on the movement of traffic, receipts and expenditures of money, and the time period during which the records shall be kept. A carrier may keep only records prescribed or approved by the Secretary. However, a carrier may keep additional records if the additional records do not impair the integrity of the records prescribed or approved by the Secretary and are not an unreasonable financial burden on the carrier.

(b) INSPECTION.—(1) The Secretary at any time may—

(A) inspect the land, buildings, and equipment of an air carrier or foreign air carrier when necessary to decide under subchapter II of this chapter or section 41102, 41103, or 41302 of this title whether a carrier is fit, willing, and able; and

(B) inspect records kept or required to be kept by an air carrier, foreign air carrier, or ticket agent.

(2) The Secretary may employ special agents or auditors to carry out this subsection.

HISTORICAL AND REVISION NOTES

In subsection (a), the word “reasonably” is omitted as surplus. The words “carry out” are substituted for “administration” for consistency in the revised title. The words “subsection 11343(c) of this title” are substituted for “section 5(b) of the Interstate Commerce Act, as amended” in section 407(e) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 766), to cite the corresponding section of the revised title and correct the inaccurate reference to the definition of “affiliate”.

In subsection (b)(3), the word “copy” is substituted for “true copy” to eliminate an unnecessary word. The word “transportation” is substituted for “traffic” for consistency in the revised title.
In subsection (a), the word “unreasonable” is substituted for “undue” for consistency in the revised title and with other titles of the United States Code.

In subsection (b)(1)(A) and (B), the word “inspect” is substituted for “have access to” for consistency in the revised title and with other titles of the Code.

In subsection (b)(2), the words “to carry out this subsection” are substituted for “who shall have authority under the orders of the Board to inspect and examine lands, buildings, equipment, accounts, records, and memorandums to which the Board has access under this subsection” to eliminate unnecessary words.

§ 41710. Time requirements

When a matter requiring action of the Secretary of Transportation is submitted under section 40109(a) or (c)–(h), 41309, or 42111 of this title and an evidentiary hearing—

(1) is ordered, the Secretary shall make a final decision on the matter not later than the last day of the 12th month that begins after the date the matter is submitted; or

(2) is not ordered, the Secretary shall make a final decision on the matter not later than the last day of the 6th month that begins after the date the matter is submitted.

In this section, before clause (1), the words “in connection with any matter arising under this chapter within its jurisdiction” and “in the administration and enforcement of this chapter” in 49 App.:1324(b) and “For the purpose of exercising and performing its powers and duties under this chapter” in 49 App.:1385, and added (as the words relate to 49 App.:1324(c)), for clarity and consistency in this section. In clause (1), the words “full and complete reports and other” are omitted as surplus. In clause (2), the words “State aeronautical agency, or other” are omitted as surplus. The text of 49 App.:1324(b) (words after 3d comma) is omitted as surplus because of 49:322(c)(3). In clause (3), the words “government of a foreign country” are substituted for “foreign governments” for consistency in the revised title and with other titles of the United States Code.

§ 41712. Unfair and deceptive practices and unfair methods of competition

(a) In General.—On the initiative of the Secretary of Transportation or the complaint of an air carrier, foreign air carrier, or ticket agent, and if the Secretary considers it in the public interest, the Secretary may investigate and decide whether an air carrier, foreign air carrier, or ticket agent has been or is engaged in an unfair or deceptive practice or an unfair method of competition in air transportation or the sale of air transportation. If the Secretary, after notice and an opportunity for a hearing, finds that an air carrier, foreign air carrier, or ticket agent is engaged in an unfair or deceptive practice or unfair method of competition, the Secretary shall order the air carrier, foreign air carrier, or ticket agent to stop the practice or method.

(b) E-Ticket Expiration Notice.—It shall be an unfair or deceptive practice under subsection (a) for any air carrier, foreign air carrier, or ticket agent utilizing electronically transmitted tickets for air transportation to fail to notify the purchaser of such a ticket of its expiration date, if any.

(c) Disclosure Requirement for Sellers of Tickets for Flights.—

(1) In General.—It shall be an unfair or deceptive practice under subsection (a) for any ticket agent, air carrier, foreign air carrier, or other person offering to sell tickets for air transportation on a flight of an air carrier to fail to disclose, whether verbally in oral communication or in writing in written or electronic communication, prior to the purchase of a ticket—

(A) the name of the air carrier providing the air transportation; and

(B) if the flight has more than one flight segment, the name of each air carrier providing the air transportation for each such flight segment.
(2) Internet offers.—In the case of an offer to sell tickets described in paragraph (1) on an Internet Web site, disclosure of the information required by paragraph (1) shall be provided on the first display of the Web site following a search of a requested itinerary in a format that is easily visible to a viewer.

The words “such action by” are added as surplus. The words “opportunity for a” are added for consistency in the revised title and with other titles of the United States Code.

AMENDMENTS

EFFECTIVE DATE OF 2000 AMENDMENT

§ 41713. Preemption of authority over prices, routes, and service

(a) DEFINITION.—In this section, “State” means a State, the District of Columbia, and a territory or possession of the United States.

(b) PREEMPTION.—(1) Except as provided in this subsection, a State, political subdivision of a State, or political authority of at least 2 States may not enact or enforce a law, regulation, or other provision having the force and effect of law related to a price, route, or service of an air carrier or carrier affiliated with a direct air carrier through common controlling ownership when such carrier is transporting property by aircraft or by motor vehicle (whether or not such property has had or will have a prior or subsequent air movement).

(B) MATTERS NOT COVERED.—Subparagraph (A)—

(i) shall not restrict the safety regulatory authority of a State with respect to motor vehicles, the authority of a State to impose highway route controls or limitations based on the size or weight of the motor vehicle or the hazardous nature of the cargo, or the authority of a State to regulate motor carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization; and

(ii) does not apply to the transportation of household goods, as defined in section 13102 of this title.

(C) APPLICABILITY OF PARAGRAPH (1).—This paragraph shall not limit the applicability of paragraph (1).

HISTORICAL AND REVISION NOTES

<tr>
<th>Revised Section</th>
<th>Source (U.S. Code)</th>
<th>Source (Statutes at Large)</th>
</tr>
</thead>
</table>

In subsection (a), the words “the term” are omitted as surplus. The words “the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, Guam, the Virgin Islands, and” are omitted as surplus because of the definition of “territory or possession of the United States” in section 40102(a) of the revised title, 48:734, and section 602 of the Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States of America. The text of 49 App.:1305(c) is omitted as obsolete.

In subsection (b)(1) and (3), the words “interstate agency or other” are omitted as surplus. The word “authority” is substituted for “agency” for consistency in the revised title and with other titles of the United States Code.

In subsection (b)(1), the word “rule” is omitted as being synonymous with “regulation”. The words “standard” and “having authority” are omitted as surplus.

In subsection (b)(2), the words “pursuant to a certificate issued by the Board”, “by air of persons, property, or mail”, and “the State of” are omitted as surplus.
This amends 49:4173(b)(4)(B)(i) to correct a cross-reference necessary because of the restatement of subtitle IV of title 49 by the ICC Termination Act (Public Law 104-88, 109 Stat. 803).

**AMENDMENTS**

1994—Subsec. (b)(2). Pub. L. 103-305, §601(b)(2)(A), substituted “Paragraphs (1) and (4) of this subsection do” for “Paragraph (1) of this subsection does”.

**EFFECTIVE DATE OF 1994 AMENDMENT**

Amendment by Pub. L. 103-305 effective Jan. 1, 1995, see section 601(d) of Pub. L. 103-305, set out as a note under section 10261 of this title.

§ 41714. Availability of slots

(a) **Making slots available for essential air service.**—

(1) **Operational authority.**—If basic essential air service under subchapter II of this chapter is to be provided from an eligible point to a high density airport (other than Ronald Reagan Washington National Airport), the Secretary of Transportation shall ensure that the air carrier providing or selected to provide such service has sufficient operational authority at the high density airport to provide such service. The operational authority shall allow flights at reasonable times taking into account the needs of passengers with connecting flights.

(2) **Exemptions.**—If necessary to carry out the objectives of paragraph (1), the Secretary shall by order grant exemptions from the requirements under subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), to air carriers using Stage 3 aircraft or to commuter air carriers, unless such an exemption would significantly increase operational delays.

(3) **Assurance of access.**—If the Secretary finds that an exemption under paragraph (2) would significantly increase operational delays, the Secretary shall take such action as may be necessary to ensure that an air carrier providing or selected to provide basic essential air service is able to obtain access to a high density airport.

(4) **Action by the secretary.**—The Secretary shall issue a final order under this subsection on or before the 60th day after receiving a request from an air carrier for operational authority under this subsection.

(b) **Slots for foreign air transportation.**—

(1) **Exemptions.**—If the Secretary finds it to be in the public interest at a high density airport (other than Ronald Reagan Washington National Airport), the Secretary may grant by order exemptions from the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), to enable air carriers and foreign air carriers to provide foreign air transportation using Stage 3 aircraft.

(2) **Slot withdrawals.**—The Secretary may not withdraw a slot at Chicago O’Hare International Airport from an air carrier in order to allocate that slot to a carrier to provide foreign air transportation.

(3) **Equivalent rights of access.**—The Secretary shall not take a slot at a high density airport from an air carrier and award such slot to a foreign air carrier if the Secretary determines that air carriers are not provided equivalent rights of access to airports in the country of which such foreign air carrier is a citizen.

(4) **Conversions of slots.**—Effective May 1, 2000, slots at Chicago O’Hare International Airport allocated to an air carrier as of November 1, 1999, to provide foreign air transportation shall be made available to such carrier to provide interstate or intrastate air transportation.

(c) **Slots for new entrants.**—If the Secretary finds it to be in the public interest, the Secretary may by order grant exemptions from the requirements under subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), to enable new entrant air carriers to provide air transportation at high density airports (other than Ronald Reagan Washington National Airport).

(d) **Special rules for Ronald Reagan Washington National Airport.**—

(1) **In general.**—Notwithstanding sections 49104(a)(5) and 49111(e) of this title, or any provision of this section, the Secretary may, only under circumstances determined by the Secretary to be exceptional, grant by order to an air carrier currently holding or operating a slot at Ronald Reagan Washington National Airport an exemption from requirements under subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at Ronald Reagan Washington National Airport), to enable that carrier to provide air transportation with Stage 3 aircraft at Ronald Reagan Washington National Airport; except that such exemption shall not—

(A) result in an increase in the total number of slots per day at Ronald Reagan Washington National Airport;

(B) result in an increase in the total number of slots at Ronald Reagan Washington National Airport from 7:00 ante meridiem to 9:59 post meridiem;

(C) increase the number of operations at Ronald Reagan Washington National Airport from 7:00 ante meridiem to 9:59 post meridiem;

(D) result in the withdrawal or reduction of slots operated by an air carrier;

(E) result in a net increase in noise impact on surrounding communities resulting from changes in timing of operations permitted under this subsection; and

(F) continue in effect on or after the date on which the final rules issued under subsection (f) become effective.

(2) **Limitation on applicability.**—Nothing in this subsection shall adversely affect Exemption No. 5133, as from time-to-time amended and extended.
(1) MATTERS TO BE CONSIDERED.—The Secretary shall continue the Secretary’s current examination of slot regulations and shall ensure that the examination includes consideration of—
(A) whether improvements in technology and procedures of the air traffic control system and the use of quieter aircraft make it possible to eliminate the limitations on hourly operations imposed by the high density rule contained in part 93 of title 14 of the Code of Federal Regulations or to increase the number of operations permitted under such rule;
(B) the effects of the elimination of limitations or an increase in the number of operations allowed on each of the following:
(i) congestion and delay in any part of the national aviation system;
(ii) the impact of noise on persons living near the airport;
(iii) competition in the air transportation system;
(iv) the profitability of operations of airlines serving the airport; and
(v) aviation safety;
(C) the impact of the current slot allocation process upon the ability of air carriers to provide essential air service under subchapter II of this chapter;
(D) the impact of such allocation process upon the ability of new entrant air carriers to obtain slots in time periods that enable them to provide service;
(E) the impact of such allocation process on the ability of foreign air carriers to obtain slots;
(F) the fairness of such process to air carriers and the extent to which air carriers are provided equivalent rights of access to the air transportation market in the countries of which foreign air carriers holding slots are citizens;
(G) the impact, on the ability of air carriers to provide domestic and international air service, of the withdrawal of slots from air carriers in order to provide slots for foreign air carriers; and
(H) the impact of the prohibition on slot withdrawals in subsections (b)(2) and (b)(3) of this section on the aviation relationship between the United States Government and foreign governments, including whether the prohibition in such subsections will require the withdrawal of slots from general and military aviation in order to meet the needs of air carriers and foreign air carriers providing foreign air transportation (and the impact of such withdrawal on general aviation and military aviation) and whether slots will become available to meet the needs of air carriers and foreign air carriers to provide foreign air transportation as a result of the planned relocation of Air Force Reserve units and the Air National Guard at O’Hare International Airport.
(2) REPORT.—Not later than January 31, 1995, the Secretary shall complete the current examination of slot regulations and shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report containing the results of such examination.

(f) RULEMAKING.—The Secretary shall conduct a rulemaking proceeding based on the results of the study described in subsection (e). In the course of such proceeding, the Secretary shall issue a notice of proposed rulemaking not later than August 1, 1995, and shall issue a final rule not later than 90 days after public comments are due on the notice of proposed rulemaking.

(g) WEEKEND OPERATIONS.—The Secretary shall consider the advisability of revising section 93.227 of title 14, Code of Federal Regulations, so as to eliminate weekend schedules from the determination of whether the 80 percent standard of subsection (a)(1) of that section has been met.

(h) DEFINITIONS.—In this section and sections 41715-41718 and 41734(h), the following definitions apply:

(1) COMMUTER AIR CARRIER.—The term “commuter air carrier” means a commuter operator as defined or applied in subpart K or S of part 93 of title 14, Code of Federal Regulations.

(2) HIGH DENSITY AIRPORT.—The term “high density airport” means an airport at which the Administrator limits the number of instrument flight rule takeoffs and landings of aircraft.

(3) NEW ENTRANT AIR CARRIER.—The term “new entrant air carrier” means an air carrier that does not hold a slot at the airport concerned and has never sold or given up a slot at that airport after December 16, 1985, and a limited incumbent carrier.

(4) SLOT.—The term “slot” means a reservation for an instrument flight rule takeoff or landing by an air carrier of an aircraft in air transportation.

(5) LIMITED INCUMBENT AIR CARRIER.—The term “limited incumbent air carrier” has the meaning given that term in subpart S of part 93 of title 14, Code of Federal Regulations; except that—
(A) “20” shall be substituted for “12” in sections 93.213(a)(5), 93.223(c)(3), and 93.225(h);
(B) for purposes of such sections, the term “slot” shall include “slot exemptions”; and
(C) for Ronald Reagan Washington National Airport, the Administrator shall not count, for the purposes of section 93.213(a)(5), slots currently held by an air carrier but leased out on a long-term basis by that carrier for use in foreign air transportation and renounced by the carrier for return to the Department of Transportation or the Federal Aviation Administration.

(6) REGIONAL JET.—The term “regional jet” means a passenger, turbofan-powered aircraft with a certificated maximum passenger seating capacity of less than 71.

(7) NONHUB AIRPORT.—The term “nonhub airport” means an airport that has less than .5 percent of the total annual boardings in the United States as determined under the Federal Aviation Administration’s Primary Airport Enplanement Activity Summary for Calendar Year 1997.
§ 41714

(8) SMALL HUB AIRPORT.—The term “small hub airport” means an airport that had at least .05 percent, but less than .25 percent, of the total annual boardings in the United States as determined under the summary referred to in paragraph (7).

(9) MEDIUM HUB AIRPORT.—The term “medium hub airport” means an airport that each year has at least .25 percent, but less than 1.0 percent, of the total annual boardings in the United States as determined under the summary referred to in paragraph (7).

(i) 60-DAY APPLICATION PROCESS.—(1) REQUEST FOR SLOT EXEMPTIONS.—Any slot exemption request filed with the Secretary under this section or section 41716 or 41717 (other than subsection (c)) shall include—
(A) the names of the airports to be served;
(B) the times requested; and
(C) such additional information as the Secretary may require.

(2) ACTION ON REQUEST; FAILURE TO ACT.—Within 60 days after a slot exemption request under this section or section 41716 or 41717 (other than subsection (c)) is received by the Secretary, the Secretary shall—
(A) approve the request if the Secretary determines that the requirements of the section under which the request is made are met;
(B) return the request to the applicant for additional information relating to the request to provide air transportation; or
(C) deny the request and state the reasons for its denial.

(3) 60-DAY PERIOD TOLLED FOR TIMELY REQUEST FOR MORE INFORMATION.—If the Secretary returns under paragraph (2)(B) the request for additional information during the first 20 days after the request is filed, then the 60-day period under paragraph (2) shall be tolled until the date on which the additional information is filed with the Secretary.

(4) FAILURE TO DETERMINE DEEMED APPLICATION.—If the Secretary neither approves the request under paragraph (2)(A) nor denies the request under paragraph (2)(C) within the 60-day period beginning on the date the request is received, excepting any days during which the 60-day period is tolled under paragraph (3), then the request is deemed to have been approved on the 61st day, after the request was filed with the Secretary.

(j) EXEMPTIONS MAY NOT BE TRANSFERRED.—No exemption from the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations, granted under this section or section 41716, 41717, or 41718 may be bought, sold, leased, or otherwise transferred by the carrier to which it is granted.

(k) AFFILIATED CARRIERS.—For purposes of this section and sections 41716, 41717, and 41718, an air carrier that operates under the same designator code, or has or enters into a code-share agreement, with any other air carrier shall not qualify for a new slot or slot exemption as a new entrant or limited incumbent air carrier at an airport if the total number of slots and slot exemptions held by the two carriers at the airport exceed 20 slots and slot exemptions.

§ 41715. Phase-out of slot rules at certain airports

(a) TERMINATION.—The rules contained in subparts S and K of part 93, title 14, Code of Federal Regulations, shall not apply—

(1) after July 1, 2002, at Chicago O'Hare International Airport; and

(2) after January 1, 2007, at LaGuardia Airport or John F. Kennedy International Airport.

(b) STATUTORY CONSTRUCTION.—Nothing in this section and sections 41714 and 41716-41718 shall be construed—

(1) as affecting the Federal Aviation Administration's authority for safety and the movement of air traffic; and

(2) as affecting any other authority of the Secretary to grant exemptions under section 41714.

(c) FACTORS TO CONSIDER.—

(1) In general.—Before the award of slot exemptions under sections 41714 and 41716-41718, the Secretary of Transportation may consider, among other determining factors, whether the petitioning air carrier's proposal provides the maximum benefit to the United States economy, including the number of United States jobs created by the air carrier, its suppliers, and related activities. The Secretary should give equal consideration to the consumer benefits associated with the award of such exemptions.

(2) Applicability.—Paragraph (1) does not apply in any case in which the air carrier requesting the slot exemption is proposing to use under the exemption a type of aircraft for which there is not a competing United States manufacturer.

(Added Pub. L. 106-181, title II, §231(d)(5), Apr. 5, 2000, 114 Stat. 112, provided that: "The Secretary [of Transportation] shall return any slot withdrawn from an air carrier under section 41714(b) of title 49, United States Code, before the date of the enactment of this Act [Apr. 5, 2000], to that carrier on April 30, 2000.")

§ 41716. Interim slot rules at New York airports

(a) EXEMPTIONS FOR AIR SERVICE TO SMALL AND NONHUB AIRPORTS.—Subject to section 41714,

the Secretary of Transportation shall grant, by order, exemptions from the requirements under subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports) to any air carrier to provide nonstop air transportation, using an aircraft with a certificated maximum seating capacity of less than 71, between LaGuardia Airport or John F. Kennedy International Airport and a small hub airport or nonhub airport—

(1) if the air carrier was not providing such air transportation during the week of November 1, 1999;

(2) if the number of flights to be provided between such airports by the air carrier during any week will exceed the number of flights provided by the air carrier between such airports during the week of November 1, 1999; or

(3) if the air transportation to be provided under the exemption will be provided with a regional jet as replacement of turboprop air transportation that was being provided during the week of November 1, 1999.

(b) EXEMPTIONS FOR NEW ENTRANT AND LIMITED INCUMBENT AIR CARRIERS.—Subject to section 41714(d), the Secretary shall grant, by order, exemptions from the requirements under subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), to any new entrant air carrier or limited incumbent air carrier to provide air transportation to or from LaGuardia Airport or John F. Kennedy International Airport if the number of slot exemptions granted under this subsection to such air carrier with respect to such airport when added to the slots and slot exemptions held by such air carrier with respect to such airport does not exceed 20; except that the Secretary may grant not to exceed 4 additional slot exemptions at LaGuardia Airport to an incumbent air carrier operating at least 20 but not more than 28 slots at such airport as of October 1, 2004, to provide air transportation between LaGuardia Airport and a small hub airport or nonhub airport.

(c) STAGE 3 AIRCRAFT REQUIRED.—An exemption may not be granted under this section with respect to any aircraft that is not a Stage 3 aircraft (as defined by the Secretary).

(d) PRESERVATION OF CERTAIN EXISTING SLOT-RELATED AIR SERVICE.—An air carrier that provides air transportation of passengers from LaGuardia Airport or John F. Kennedy International Airport to a small hub airport or nonhub airport, or to an airport that is smaller than a nonhub airport, on or before the date of the enactment of this section pursuant to an exemption from the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), or where slots were issued to an air carrier conditioned on a specific airport being served, may not terminate air transportation for that route before July 1, 2003, unless—

(1) before October 1, 1999, the Secretary received a written air service termination notice for that route; or

(2) after September 30, 1999, the air carrier submits an air service termination notice under section 41719 for that route and the Secretary determines that the carrier suffered ex-
cessive losses, including substantial losses on operations on that route during any three quarters of the year immediately preceding the date of submission of the notice.

REFERENCES IN TEXT

The date of the enactment of this subsection, referred to in subsec. (d), is the date of enactment of Pub. L. 106–181, which was approved Apr. 5, 2000.

PRIOR PROVISIONS

A prior section 41716 was renumbered section 41720 of this title.

AMENDMENTS

2000—Subsec. (b), Pub. L. 108–447 inserted before period at end "; except that the Secretary may grant not to exceed 4 additional slot exemptions at LaGuardia Airport to an incumbent air carrier operating at least 20 but not more than 28 slots at such airport as of October 1, 2004, to provide air transportation between LaGuardia Airport and a small hub airport or nonhub airport".

§ 41717. Interim application of slot rules at Chicago O'Hare International Airport

(a) SLOT OPERATING WINDOW NARROWED.—Effective July 1, 2001, the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations, do not apply with respect to aircraft operating before 2:45 post meridiem and after 8:14 post meridiem at Chicago O'Hare International Airport.

(b) EXEMPTIONS FOR AIR SERVICE TO SMALL AND NONHUB AIRPORTS.—Effective May 1, 2000, subject to section 41714(i), the Secretary of Transportation shall grant, by order, exemptions from the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), to any air carrier to provide nonstop air transportation, using an aircraft with a certificated maximum seating capacity of less than 71, between Chicago O'Hare International Airport and a small hub or nonhub airport:

(1) if the air carrier was not providing such air transportation during the week of November 1, 1999; or

(2) if the number of flights to be provided between such airports by the air carrier during any week will exceed the number of flights provided by the air carrier between such airports during the week of November 1, 1999; or

(3) if the air transportation to be provided under the exemption will be provided with a regional jet as replacement of turboprop air transportation that was being provided during the week of November 1, 1999.

(c) EXEMPTIONS FOR NEW ENTRANT AND LIMITED INCUMBENT AIR CARRIERS.—

(1) IN GENERAL.—The Secretary shall grant, by order, 30 exemptions from the requirements under subparts K and S of part 93 of title 14, Code of Federal Regulations, to any new entrant air carrier or limited incumbent air carrier to provide air transportation to or from Chicago O'Hare International Airport.

(2) DEADLINE FOR GRANTING EXEMPTIONS.—The Secretary shall grant an exemption under paragraph (1) within 45 days of the date of the request for such exemption if the person making the request qualifies as a new entrant air carrier or limited incumbent air carrier.

(d) SLOTS USED TO PROVIDE TURBOPROP SERVICE.—

(1) IN GENERAL.—Except as provided in paragraph (2), a slot used to provide turboprop air transportation that is replaced with regional jet air transportation under subsection (b)(3) may not be used, sold, leased, or otherwise transferred after the date the slot exemption is granted to replace the turboprop air transportation.

(2) TWO-FOR-ONE EXCEPTION.—An air carrier that otherwise could not use 2 slots as a result of paragraph (1) may use 1 of such slots to provide air transportation.

(3) WITHDRAWAL OF SLOT.—If the Secretary determines that an air carrier that is using a slot under paragraph (2) is no longer providing the air transportation that replaced the turboprop air transportation, the Secretary shall withdraw the slot that is being used under paragraph (2).

(4) CONTINUATION.—If the Secretary determines that an air carrier that is using a slot under paragraph (2) is no longer providing the air transportation that replaced the turboprop air transportation with a regional jet, the Secretary shall withdraw the slot being used by the air carrier under paragraph (2) but shall allow the air carrier to continue to hold the exemption granted to the air carrier under subsection (b)(3).

(e) INTERNATIONAL SERVICE AT O'HARE AIRPORT.—

(1) TERMINATION OF REQUIREMENTS.—Subject to paragraph (2), the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations, shall be of no force and effect at Chicago O'Hare International Airport after May 1, 2000, with respect to any aircraft providing foreign air transportation.

(2) EXCEPTION RELATING TO RECIPROCITY.—The Secretary may limit access to Chicago O'Hare International Airport with respect to foreign air transportation being provided by a foreign air carrier domiciled in a country to which an air carrier provides nonstop air transportation from the United States if the country in which that carrier is domiciled does not provide reciprocal airport access for air carriers.

(f) STAGE 3 AIRCRAFT REQUIRED.—An exemption may not be granted under this section with respect to any aircraft that is not a Stage 3 aircraft (as defined by the Secretary).

(g) PRESERVATION OF CERTAIN EXISTING SLOT-RELATED AIR SERVICE.—An air carrier that provides air transportation of passengers from Chicago O'Hare International Airport to a small hub airport or nonhub airport, or to an airport that is smaller than a nonhub airport, on or be-
fore the date of the enactment of this subsection pursuant to an exemption from the requirements of subparts K and S of part 93 of title 14, Code of Federal Regulations (pertaining to slots at high density airports), or where slots were issued to an air carrier conditioned on a specific airport being served, may not terminate air transportation service for that route for a period of 1 year after the date on which those requirements cease to apply to such airport unless:

(1) before October 1, 1999, the Secretary received a written air service termination notice for that route; or
(2) after September 30, 1999, the air carrier submits an air service termination notice under section 41719 for that route and the Secretary determines that the carrier suffered excessive losses, including substantial losses on operations on that route during the calendar quarters immediately preceding submission of the notice.

References in Text
The date of the enactment of this subsection, referred to in subsec. (g), is the date of enactment of Pub. L. 106–181, which was approved Apr. 5, 2000.

Effective Date
Section applicable only to fiscal years beginning after Sept. 30, 1999; see section 3 of Pub. L. 106–181, set out as an Effective Date of 2000 Amendments note under section 106 of this title.

§ 41718. Special rules for Ronald Reagan Washington National Airport

(a) BEYOND-PERIMETER EXEMPTIONS.—The Secretary shall grant, by order, 24 exemptions from the application of sections 49104(a)(5), 49109, 49111(e), and 41714 of this title to air carriers to operate limited frequencies and aircraft on select routes between Ronald Reagan Washington National Airport and domestic hub airports and exemptions from the requirements of subparts K and S of part 93, Code of Federal Regulations, if the Secretary finds that the exemptions will—

(1) provide air transportation with domestic network benefits in areas beyond the perimeter described in that section;
(2) increase competition by new entrant air carriers or in multiple markets;
(3) not reduce travel options for commuters or in multiple markets; and
(4) not result in meaningfully increased travel delays.

(b) WITHIN-PERIMETER EXEMPTIONS.—The Secretary shall grant, by order, 20 exemptions from the requirements of sections 49104(a)(5), 49111(e), and 41714 of this title and subparts K and S of part 93 of title 14, Code of Federal Regulations, to air carriers for providing air transportation to airports within the perimeter established for civil aircraft operations at Ronald Reagan Washington National Airport under section 49109. The Secretary shall develop criteria for distributing slot exemptions for flights within the perimeter to such airports under this para-

(1) by new entrant air carriers and limited incumbent air carriers;
(2) to communities without existing nonstop air transportation to Ronald Reagan Washington National Airport;
(3) to small communities;
(4) that will provide competitive nonstop air transportation on a monopoly nonstop route to Ronald Reagan Washington National Airport; or
(5) that will produce the maximum competitive benefits, including low fares.

(c) LIMITATIONS.—

(1) STAGE 3 AIRCRAFT REQUIRED.—An exemption may not be granted under this section with respect to any aircraft that is not a Stage 3 aircraft (as defined by the Secretary).
(2) GENERAL EXEMPTIONS.—The exemptions granted under subsections (a) and (b) may not be for operations between the hours of 10:00 p.m. and 7:00 a.m. and may not increase the number of operations at Ronald Reagan Washington National Airport in any 1-hour period during the hours between 7:00 a.m. and 9:59 p.m. by more than 3 operations.
(3) ALLOCATION OF WITHIN-PERIMETER EXEMPTIONS.—Of the exemptions granted under subsection (b)—

(A) without regard to the criteria contained in subsection (b)(1), six shall be for air transportation to small hub airports and nonhub airports;
(B) ten shall be for air transportation to medium hub and smaller airports; and
(C) four shall be for air transportation to airports without regard to their size.

(4) APPLICABILITY TO EXEMPTION NO. 5133.—Nothing in this section affects Exemption No. 5133, as from time-to-time amended and extended.

(d) APPLICATION PROCEDURES.—The Secretary shall establish procedures to ensure that all requests for exemptions under this section are granted or denied within 90 days after the date on which the request is made.

(e) APPLICABILITY OF CERTAIN LAWS.—Neither the request for nor the granting of an exemption, under this section shall be considered for purposes of any Federal law a major Federal action significantly affecting the quality of the human environment.

(f) COMMUTERS DEFINED.—For purposes of aircraft operations at Ronald Reagan Washington National Airport under subpart K of part 93 of title 14, Code of Federal Regulations, the term “commuters” means aircraft operations using aircraft having a certificated maximum seating capacity of 76 or less.

Amendments
Subsec. (b). Pub. L. 108–176, § 425(b), in introductory provisions, substituted “20 exemptions” for “12 exemp-
§ 41719  AIR SERVICE TERMINATION NOTICE

(a) IN GENERAL.—An air carrier may not terminate interstate air transportation from a nonhub airport included on the Secretary of Transportation’s latest published list of such airports, unless such air carrier has given the Secretary at least 45 days’ notice before such termination.

(b) EXCEPTIONS.—The requirements of subsection (a) shall not apply when—

(1) the air carrier involved is experiencing a sudden or unforeseen financial emergency, including natural weather related emergencies, equipment-related emergencies, and strikes;

(2) the termination of transportation is made for seasonal purposes only;

(3) the air carrier involved has operated at the affected nonhub airport for 180 days or less;

(4) the air carrier involved provides other transportation by jet from another airport serving the same community as the affected nonhub airport; or

(5) the air carrier involved makes alternative arrangements, such as a change in aircraft size, or other types of arrangements with a part 121 or part 135 air carrier, that continues uninterrupted service from the affected nonhub airport.

(6) SEVEN AIR CARRIER.—The term “part 135 air carrier” means an air carrier to which part 135 of title 14, Code of Federal Regulations, applies.

(7) REGIONAL/COMMUTER CARRIERS.—The term “regional/commuter carrier” means—

(A) a part 135 air carrier; or

(B) a part 121 air carrier that provides air transportation exclusively with aircraft having a seating capacity of no more than 70 passengers.

(4) TERMINATION.—The term “termination” means the cessation of all service at an airport by an air carrier.

(HISTORICAL AND REVISION NOTES)

This amendment 49:41715(a) to conform to the style of title 49.

AMENDMENTS

2003—Subsec. (d). Pub. L. 108–176 redesignated pars. (2) to (5) as (1) to (4), respectively, and struck out former par. (1) which defined “nonhub airport.”

2000—Pub. L. 106–181 renumbered section 41715 of this title as this section.
§ 41720. Joint venture agreements

(a) Definitions.—In this section, the following definitions apply:

(1) Joint venture agreement.—The term “joint venture agreement” means an agreement between two or more major air carriers on or after January 1, 1998, with regard to (A) code-sharing, block-space arrangements, long-term wet leases (as defined in section 207.1 of title 14, Code of Federal Regulations) of a substantial number (as defined by the Secretary by regulation) of aircraft, or frequent flyer programs, or (B) any other cooperative working arrangement (as defined by the Secretary by regulation) between 2 or more major air carriers that affects more than 15 percent of the total number of available seat miles offered by the major air carriers.

(2) Major air carrier.—The term “major air carrier” means a passenger air carrier that is certificated under chapter 411 of this title and included in Carrier Group III under criteria contained in section 04 of part 241 of title 14, Code of Federal Regulations.

(b) Submission of joint venture agreement.—At least 30 days before a joint venture agreement may take effect, each of the major air carriers that entered into the agreement shall submit to the Secretary:

(1) a complete copy of the joint venture agreement and all related agreements; and

(2) other information and documentary material that the Secretary may require by regulation.

(c) Extension of waiting period.—

(1) In general.—The Secretary may extend the 30-day period referred to in subsection (b) until—

(A) in the case of a joint venture agreement with regard to code-sharing, the 150th day following the last day of such period; and

(B) in the case of any other joint venture agreement, the 60th day following the last day of such period.

(2) Publication of reasons for extension.—If the Secretary extends the 30-day period referred to in subsection (b), the Secretary shall publish in the Federal Register the Secretary’s reasons for making the extension.

(d) Termination of waiting period.—At any time after the date of submission of a joint venture agreement under subsection (b), the Secretary may terminate the waiting periods referred to in subsections (b) and (c) with respect to the agreement.

(e) Regulations.—The effectiveness of a joint venture agreement may not be delayed due to any failure of the Secretary to issue regulations to carry out this section.

(f) Memorandum to prevent duplicative reviews.—Promptly after the date of enactment of this section, the Secretary shall consult with the Assistant Attorney General of the Antitrust Division of the Department of Justice in order to establish, through a written memorandum of understanding, preclearance procedures to prevent unnecessary duplication of effort by the Secretary and the Assistant Attorney General under this section and the antitrust laws of the United States, respectively.

(g) Prior agreements.—With respect to a joint venture agreement entered into before the date of enactment of this section as to which the Secretary finds that—

(1) the parties submitted the agreement to the Secretary before such date of enactment; and

(2) the parties submitted all information on the agreement requested by the Secretary,

the waiting period described in paragraphs (2) and (3) shall begin on the date, as determined by the Secretary, on which all such information was submitted and end on the last day to which the period could be extended under this section.

(h) Limitation on statutory construction.—The authority granted to the Secretary under this section shall not in any way limit the authority of the Attorney General to enforce the antitrust laws as defined in the first section of the Clayton Act (15 U.S.C. 12).

§ 41721. Reports by carriers on incidents involving animals during air transportation

(a) In general.—An air carrier that provides scheduled passenger air transportation shall
submit monthly to the Secretary a report on any incidents involving the loss, injury, or death of an animal (as defined by the Secretary of Transportation) during air transport provided by the air carrier. The report shall be in such form and contain such information as the Secretary determines appropriate.

(b) **TRAINING OF AIR CARRIER EMPLOYEES.**—The Secretary shall work with air carriers to improve the training of employees with respect to the air transport of animals and the notification of passengers of the conditions under which the air transport of animals is conducted.

(c) **SHARING OF INFORMATION.**—The Secretary and the Secretary of Agriculture shall enter into a memorandum of understanding to ensure the sharing of information that the Secretary receives under subsection (a).

(d) **PUBLICATION OF DATA.**—The Secretary shall publish data on incidents and complaints involving the loss, injury, or death of an animal during air transport in a manner comparable to other consumer complaint and incident data.

(e) **AIR TRANSPORT.**—For purposes of this section, the air transport of an animal includes the entire period during which an animal is in the custody of an air carrier, from check-in of the animal prior to departure until the animal is returned to the owner or guardian of the animal at the final destination of the animal.

**Effective Date**
Section applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as an Effective Date of 2000 Amendments note under section 106 of this title.

§ 41722. Delay reduction actions

(a) **SCHEDULING REDUCTION MEETINGS.**—The Secretary of Transportation may request that air carriers meet with the Administrator of the Federal Aviation Administration to discuss flight reductions at severely congested airports to reduce overscheduling and flight delays during hours of peak operation if—

(1) the Administrator determines that it is necessary to convene such a meeting; and

(2) the Secretary determines that the meeting is necessary to meet a serious transportation need or achieve an important public benefit.

(b) **MEETING CONDITIONS.**—Any meeting under subsection (a)—

(1) shall be chaired by the Administrator;

(2) shall be open to all scheduled air carriers; and

(3) shall be limited to discussions involving the airports and time periods described in the Administrator’s determination.

(c) **FLIGHT REDUCTION TARGETS.**—Before any such meeting is held, the Administrator shall establish flight reduction targets for the meeting and notify the attending air carriers of those targets not less than 48 hours before the meeting.

(d) **DELAY REDUCTION OFFERS.**—An air carrier attending the meeting shall make any offer to meet a flight reduction target to the Administrator rather than to another carrier.

(e) **TRANSCRIPT.**—The Administrator shall ensure that a transcript of the meeting is kept and made available to the public not later than 3 business days after the conclusion of the meeting.

**Effective Date**
Section applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as an Effective Date of 2003 Amendment note under section 106 of this title.

§ 41723. Notice concerning aircraft assembly

The Secretary of Transportation shall require, beginning after the last day of the 18-month period following the date of enactment of this section, an air carrier using an aircraft to provide scheduled passenger air transportation to display a notice, on an information placard available to each passenger on the aircraft, that informs the passengers of the nation in which the aircraft was finally assembled.

**REFERENCES IN TEXT**
The date of enactment of this section, referred to in text, is the date of enactment of Pub. L. 108–176, which was approved Dec. 12, 2003.

**Effective Date**
Section applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as an Effective Date of 2003 Amendment note under section 106 of this title.

SUBCHAPTER II—SMALL COMMUNITY AIR SERVICE

§ 41731. Definitions

(a) **GENERAL.**—In this subchapter—

(1) **“eligible place”** means a place in the United States that—

(A)(i) was an eligible point under section 419 of the Federal Aviation Act of 1958 before October 1, 1988;

(B) had an average subsidy per passenger of less than $1,000 during the most recent fiscal year, as determined by the Secretary.

(2) **“enhanced essential air service”** means scheduled air transportation to an eligible
place of a higher level or quality than basic essential air service described in section 41732 of this title.

(b) LIMITATION ON AUTHORITY TO DECIDE A PLACE NOT AN ELIGIBLE PLACE.—The Secretary may not decide that a place described in subsection (a)(1) of this section is not an eligible place on any basis that is not specifically stated in this subchapter.

(c) EXCEPTIONS FOR LOCATIONS IN ALASKA.—Subsections (a)(1)(B) and (a)(1)(C) shall not apply with respect to a location in the State of Alaska.

(d) UNIVERS.—The Secretary may waive subsection (a)(1)(B) with respect to a location if the Secretary determines that the geographic characteristics of the location result in undue difficulty in accessing the nearest medium or large hub airport.

HISTORICAL AND REVISION NOTES

In this subchapter (except subsection (a)(1)(A) of this section), the word "place" is substituted for "point" for clarity and consistency in the revised title.

In subsection (a)(1)(A), the words "was an eligible point . . . before October 1, 1988" are substituted for "is defined as an eligible point . . . in effect before October 1, 1988" for clarity and to eliminate unnecessary words.

In subsection (a)(2), the words "described in section 41732 of this title" are added for clarity.

In subsection (a)(3)-(5), the word "boarding" is substituted for "enplanements" for clarity and consistency in the revised title.

REFERENCES IN TEXT

Section 419 of the Federal Aviation Act of 1958, referred to in subsec. (a)(1)(A), is section 419 of Pub. L. 85–726, which was classified to section 1389 of former Title 49, Transportation, and was repealed and reenacted as this subchapter by Pub. L. 103–272, §§ 1(e), (b), July 5, 1994, 108 Stat. 1143, 1379.

The date of the enactment of the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century, referred to in subsec. (a)(1)(B), is the date of enactment of Pub. L. 106–181, which was approved Apr. 5, 2000.

AMENDMENTS

2011—Subsec. (a)(1). Pub. L. 112–27, § 6(a), redesignated cls. (i) to (iii) of subpar. (A) as subcls. (I) to (III), respectively, redesignated subpars. (A) and (B) as cls. (I) and (II), respectively, inserted ("(A)") before "(i)(I)" in subcl. (I) of cl. (I), substituted "was determined" for "determined", "Secretary of Transportation" for "Secretary", and semicolon for period at end in cl. (II) of subpar. (A), and added subpars. (B) and (C).

Subsec. (b). Pub. L. 112–27, § 6(b), substituted "Secretary" for "Secretary of Transportation" and "on any basis" for "on the basis of a passenger subsidy at that place or on another basis".

Subsecs. (c), (d), Pub. L. 112–27, § 6(c), added subsecs. (c) and (d).

2003—Subsec. (a)(3) to (5). Pub. L. 108–176 struck out par. (3) to (5) which defined "hub airport", "nonhub airport", and "small hub airport", respectively.

2000—Subsec. (a)(1). Pub. L. 106–181 redesignated subpars. (A), (B), and (C) as cls. (I), (II), and (III), respectively, of subpar (A) and added subpar. (B).

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 2000 AMENDMENT

CODE-SHARING PILOT PROGRAM

"(a) IN GENERAL.—The Secretary of Transportation shall establish a pilot program under which the Secretary may require air carriers providing service with compensation under subchapter II of chapter 417 of title 49, United States Code, and major air carriers (as defined in section 41716(a)(2) of such title) serving large hub airports (as defined in section 40102 of such title) to participate in multiple code-share arrangements consistent with normal industry practice whenever and wherever the Secretary determines that such multiple code-sharing arrangements would improve air transportation services.

"(b) LIMITATION.—The Secretary may not require air carriers to participate in the pilot program under this section for more than 10 communities receiving service under subchapter II of chapter 417 of title 49, United States Code."

MEASUREMENT OF HIGHWAY MILES FOR PURPOSES OF DETERMINING ELIGIBILITY OF ESSENTIAL AIR SERVICE SUBSIDIES

"(a) REQUEST FOR SECRETARIAL REVIEW.—An eligible place (as defined in section 41731 of title 49, United States Code) with respect to which the Secretary has, in the 2-year period ending on the date of enactment of this Act (Dec. 12, 2003), eliminated (or tentatively eliminated) compensation for essential air service to such place, or terminated (or tentatively terminated) the compensation eligibility of such place for essential air service, under section 332 of the Department of Transportation and Related Agencies Appropriations Act, 2000 [Pub. L. 106–69] (49 U.S.C. 41731 note), section
205 of the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century [Pub. L. 106–181] (49 U.S.C. 41731 note), or any prior law of similar effect based on the highway mileage of such place from the nearest hub airport (as defined in section 41012 of such title), may request the Secretary to review such action.

“(b) Determination of Mileage.—In reviewing an action under subsection (a), the highway mileage between an eligible place and the nearest medium hub airport or large hub airport is the highway mileage of the most commonly used route between the place and the medium hub airport or large hub airport. In identifying such route, the Secretary shall identify the most commonly used route for a community by—

“(1) consulting with the Governor of a State or the Governor’s designee; and

“(2) considering the certification of the Governor of a State or the Governor’s designee as to the most commonly used route.

“(c) Eligibility Determination.—Not later than 60 days after receiving a request under subsection (a), the Secretary shall—

“(1) determine whether the eligible place would have been subject to an elimination of compensation eligibility for essential air service, or termination of the eligibility of such place for essential air service, under the provisions of law referred to in subsection (a) based on the determination of the highway mileage of such place from the nearest medium hub airport or large hub airport under subsection (b); and

“(2) issue a final order with respect to the eligibility for essential air service compensation under subchapter II of chapter 417 of title 49, United States Code.

“(d) Limitation on Period of Final Order.—A final order issued under subsection (c) shall terminate on January 31, 2012.”

[Pub. L. 110–190, § 4(d)(2), Feb. 28, 2008, 122 Stat. 644, provided that: “The amendment made by paragraph (1) [amending section 409(d) of Pub. L. 108–176, set out above] shall take effect on September 29, 2007, and shall apply with respect to any final order issued under section 409(c) of such Act [section 409(c) of Pub. L. 108–176, set out above] that was in effect on such date.”]

**Marking Practices**

Pub. L. 106–181, title II, § 207, Apr. 5, 2000, 114 Stat. 94, provided that:

“(a) Review of Marketing Practices That Adversely Affect Service to Small or Medium Communities.—Not later than 180 days after the date of the enactment of this Act [Apr. 5, 2000], the Secretary of Transportation shall review the marketing practices of air carriers that may inhibit the availability of quality, affordable air transportation services to small- and medium-sized communities, including—

“(1) marketing arrangements between airlines and travel agents;

“(2) code-sharing partnerships;

“(3) computer reservation system displays;

“(4) gate arrangements at airports;

“(5) exclusive dealing arrangements; and

“(6) any other marketing practice that may have the same effect.

“(b) Regulations.—If the Secretary finds, after conducting the review, that marketing practices inhibit the availability of affordable air transportation services to small- and medium-sized communities, then, after public notice and an opportunity for comment, the Secretary may issue regulations that address the problem or take other appropriate action.

“(c) Statutory Construction.—Nothing in this section extends the authority or jurisdiction of the Secretary to issue regulations under chapter 417 of title 49, United States Code, or under any other law.”

**Restrictions on Essential Air Service Subsidies**

Pub. L. 106–181, title II, § 205, Apr. 5, 2000, 114 Stat. 94, provided that: “The Secretary of Transportation may provide assistance under subchapter II of chapter 417 of title 49, United States Code, with respect to a place that is located within 70 highway miles of a hub airport (as defined by section 41731 of such title) if the most commonly used highway route between the place and the hub airport exceeds 70 miles.”

Pub. L. 106–69, title III, § 332, Oct. 9, 1999, 113 Stat. 1022, provided that: “Hereafter, notwithstanding 49 U.S.C. 41742, no essential air service subsidies shall be provided to communities in the 48 contiguous States that are located fewer than 70 highway miles from the nearest large or medium hub airport, or that require a rate of subsidy per passenger in excess of $200 unless such point is greater than 210 miles from the nearest large or medium hub airport.”

Similar provisions were contained in the following prior appropriation act:

§ 41732. Basic essential air service

(a) General.—Basic essential air service provided under section 41733 of this title is scheduled air transportation of passengers and cargo—

(1) to a hub airport that has convenient connecting or single-plane air service to a substantial number of destinations beyond that airport; or

(2) to a small hub or nonhub airport, when in Alaska or when the nearest hub airport is more than 400 miles from an eligible place.

(b) Minimum Requirements.—Basic essential air service shall include at least the following:

(1)(A) for a place not in Alaska, 2 daily round trips 6 days a week, with not more than one intermediate stop on each flight; or

(B) for a place in Alaska, a level of service at least equal to that provided in 1976 or 2 round trips a week, whichever is greater, except that the Secretary of Transportation and the appropriate State authority of Alaska may agree to a different level of service after consulting with the affected community.

(2) flights at reasonable times considering the needs of passengers with connecting flights at the airport and at prices that are not excessive compared to the generally prevailing prices of other air carriers for like service between similar places; and

(3) for a place not in Alaska, service provided in an aircraft with an effective capacity of at least 15 passengers if the average daily boardings at the place in any calendar year from 1976–1986 were more than 11 passengers unless—

(A) that level-of-service requirement would require paying compensation in a fiscal year under section 41733(d) or 41734(d) or (e) of this title for the place when compensation otherwise would not have been paid for that place in that year; or

(B) the affected community agrees with the Secretary in writing to the use of smaller aircraft to provide service to the place.

(4) service accommodating the estimated passenger and property traffic at an average load factor, for each class of traffic considering seasonal demands for the service, of not more than—

"(d) Issue a final order with respect to the eligibility for essential air service compensation under subchapter II of chapter 417 of title 49, United States Code.

"(e) Limitation on Period of Final Order.—A final order issued under subsection (c) shall terminate on January 31, 2012.”

[Pub. L. 110–190, § 4(d)(2), Feb. 28, 2008, 122 Stat. 644, provided that: “The amendment made by paragraph (1) [amending section 409(d) of Pub. L. 108–176, set out above] shall take effect on September 29, 2007, and shall apply with respect to any final order issued under section 409(c) of such Act [section 409(c) of Pub. L. 108–176, set out above] that was in effect on such date.”]
(A) 50 percent; or
(B) 60 percent when service is provided by aircraft with more than 14 passenger seats.

(5) service provided in aircraft with at least 2 engines and using 2 pilots, unless scheduled air transportation has not been provided to the place in aircraft with at least 2 engines and using 2 pilots for at least 60 consecutive operating days at any time since October 31, 1978.

(6) service provided by pressurized aircraft when the service is provided by aircraft that regularly fly above 8,000 feet in altitude.

### Historical and Revision Notes

In subsection (a), before clause (1), the words “provided under section 41733 of this title” are added for clarity. In clause (2), the words “from an eligible place” are added for clarity.

In subsection (b), before clause (1), the words “Basic essential air service” are substituted for “Such transportation” for clarity and consistency in the revised title. In clause (1)(B), the word “1976” is substituted for “calendar year 1976” to eliminate unnecessary words. The words “appropriate State authority of Alaska” are substituted for “State agency of the State of Alaska” for clarity and consistency with the source provisions restated in section 41734(a) of the revised title. The words “agree to a different level of service” are substituted for “on petition by an appropriate representative of the place” for clarity.

Under guidelines prescribed under section 41737(a) of this title, the Secretary shall pay the rate of compensation for providing basic essential air service under this section at times and in the way the Secretary decides is appropriate. The Secretary shall end payment of compensation under this section at times and in the way the Secretary decides is appropriate. The Secretary shall end payment of compensation under this section at times and in the way the Secretary decides is appropriate.

(2) Until the Secretary has made a decision on a level of basic essential air service for an eligible place under this subsection, the Secretary, on petition by an appropriate representative of the place, shall prohibit an air carrier from ending, suspending, or reducing air transportation to that place that appears to deprive the place of basic essential air service.

(c) **Availabilty of Compensation.—** (1) If the Secretary decides that basic essential air service will not be provided to an eligible place without compensation, the Secretary shall provide notice that an air carrier may apply to provide basic essential air service to the place for compensation under this section. In selecting an applicant, the Secretary shall consider, among other factors—

(A) the demonstrated reliability of the applicant in providing scheduled air service;
(B) the contractual and marketing arrangements the applicant has made with a larger carrier to ensure service beyond the hub airport;
(C) the interline arrangements that the applicant has made with a larger carrier to allow passengers and cargo of the applicant at the hub airport to be transported by the larger carrier through one reservation, ticket, and baggage check-in;
(D) the preferences of the actual and potential users of air transportation at the eligible place, giving substantial weight to the views of the elected officials representing the users; and
(E) for an eligible place in Alaska, the experience of the applicant in providing, in Alaska, scheduled air service, or significant patterns of non-scheduled air service under an exemption granted under section 40199(a) and (c)–(h) of this title.

(2) Under guidelines prescribed under section 41737(a) of this title, the Secretary shall pay the rate of compensation for providing basic essential air service under this section and section 41734 of this title.

(d) **Compensation Payments.—** The Secretary shall pay compensation under this section at times and in the way the Secretary decides is appropriate. The Secretary shall end payment of compensation to an air carrier for providing basic essential air service to an eligible place when the Secretary decides the compensation is no longer necessary to maintain basic essential air service to the place.

(e) **Review.—** The Secretary shall review periodically the level of basic essential air service for each eligible place. Based on the review and
consultations with an interested community and the appropriate State authority of the State in which the community is located, the Secretary may make appropriate adjustments in the level of service, to the extent such adjustments are to a level not less than the basic essential air service level established under subsection (a) for the airport that serves the community.

HISTORICAL AND REVISION NOTES

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---

In subsection (a), the words “the level of basic essential air service for that place shall be the level established by the Secretary of Transportation for that place” are substituted for “Such determination shall be made” because the determinations for those places have been made. The words “by not later than December 29, 1988” are substituted for “no later than the last day of the 1-year period beginning on December 30, 1987” for clarity. The words “and only after consideration of the views of any interested community and the State agency of the State in which such community is located” and 49 App.:1389(b)(1)(C) are omitted as unnecessary.

In subsections (b)(1) and (e), the words “appropriate State authority” are substituted for “State agency” for clarity and consistency with the source provisions restated in section 41734(a) of the revised title.

In section (b)(2), the words “that appears to deprive” are substituted for “which reasonably appears to deprive” to eliminate an unnecessary word.

In subsection (c)(1), before clause (A), the words “an air carrier may apply to provide basic essential air service to the place for compensation” are substituted for “applications may be submitted by any air carrier that is willing to provide such service to such point for compensation” for clarity and to eliminate unnecessary words.

REFERENCES IN TEXT

Section 419 of the Federal Aviation Act of 1958, referred to in subsec. (a), is section 419 of Pub. L. 85–726, which was classified to section 1389 of former Title 49, Transportation, and was repealed and reenacted as this subsection by Pub. L. 103–272, §§1(e), 7(b), July 5, 1994, 108 Stat. 1145, 1579.

AMENDMENTS

2000—Subsec. (e). Pub. L. 106–181 inserted before period at end “, to the extent such adjustments are to a level not less than the basic essential air service level established under subsection (a) for the airport that serves the community”.

EFFECTIVE DATE OF 2000 AMENDMENT

EFFECT ON CERTAIN ORDERS

Pub. L. 106–181, title II, §209(c), Apr. 5, 2000, 114 Stat. 95, provided that: “All orders issued by the Secretary of Transportation after September 30, 1999, and before the date of the enactment of this Act [Apr. 5, 2000] establishing, modifying, or revoking essential air service levels shall be null and void beginning on the 90th day following such date of enactment. During the 90-day period, the Secretary shall reconsider such orders and shall issue new orders consistent with the amendments made by this section [amending this section and section 41742 of this title].”

§ 41734. Ending, suspending, and reducing basic essential air service

(a) NOTICE REQUIRED.—An air carrier may end, suspend, or reduce air transportation to an eligible place below the level of basic essential air service established for that place under section 41733 of this title only after giving the Secretary of Transportation, the appropriate State authority, and the affected communities at least 90 days’ notice before ending, suspending, or reducing that transportation.

(b) CONTINUATION OF SERVICE FOR 30 DAYS AFTER NOTICE PERIOD.—If at the end of the notice period under subsection (a) of this section the Secretary has not found another air carrier to provide basic essential air service to the eligible place, the Secretary shall require the carrier providing notice to continue to provide basic essential air service to the place for an additional 30-day period or until another carrier begins to provide basic essential air service to the place, whichever occurs first.

(c) CONTINUATION OF SERVICE FOR ADDITIONAL 30-DAY PERIODS.—If at the end of the 30-day period under subsection (b) of this section the Secretary decides another air carrier will not provide basic essential air service to the place on a continuing basis, the Secretary shall require the carrier providing service to continue to provide service for additional 30-day periods until another carrier begins providing service on a continuing basis. At the end of each 30-day period, the Secretary shall decide if another carrier will provide service on a continuing basis.

(d) CONTINUATION OF COMPENSATION AFTER NOTICE PERIOD.—If an air carrier receiving compensation under section 41733 of this title for providing basic essential air service to an eligible place is required to continue to provide service to the place under this section after the 90-day notice period under subsection (a) of this section, the Secretary shall continue to pay that compensation after the last day of that period. The Secretary shall pay the compensation until the Secretary finds another carrier to provide the service to the place or the 90th day after the end of that notice period, whichever is earlier. If, after the 90th day after the end of the 90-day notice period, the Secretary has not found another carrier to provide the service, the carrier required to continue to provide that service shall receive compensation sufficient—

(1) to pay for the fully allocated actual cost to the carrier of performing the basic essential air service that was being provided when the 90-day notice was given under subsection (a) of
this section plus a reasonable return on investment that is at least 5 percent of operating costs; and
(2) to provide the carrier an additional return that recognizes the demonstrated additional lost profits from opportunities foregone and the likelihood that those lost profits increase as the period during which the carrier is required to provide the service continues.

(e) COMPENSATION TO AIR CARRIERS ORIGINALLY PROVIDING SERVICE WITHOUT COMPENSATION.—If the Secretary requires an air carrier providing basic essential air service to an eligible place without compensation under section 41733 of this title to continue providing that service after the 90-day notice period required by subsection (a) of this section, the Secretary shall provide the carrier with compensation after the end of the 90-day notice period that is sufficient—
(1) to pay for the fully allocated actual cost to the carrier of performing the basic essential air service that was being provided when the 90-day notice was given under subsection (a) of this section plus a reasonable return on investment that is at least 5 percent of operating costs; and
(2) to provide the carrier an additional return that recognizes the demonstrated additional lost profits from opportunities foregone and the likelihood that those lost profits increase as the period during which the carrier is required to provide the service continues.

(f) FINDING REPLACEMENT CARRIERS.—When the Secretary requires an air carrier to continue to provide basic essential air service to an eligible place, the Secretary shall continue to make every effort to find another carrier to provide at least that basic essential air service to the place on a continuing basis.

(g) TRANSFER OF AUTHORITY.—If an air carrier, providing basic essential air service under section 41733 of this title between an eligible place and an airport at which the Administrator of the Federal Aviation Administration limits the number of instrument flight rule takeoffs and landings of aircraft, provides notice under subsection (a) of this section of an intention to end, suspend, or reduce that service and another carrier will provide service on a continuing basis, the Secretary shall require the carrier providing service to continue to provide service to the eligible place to the carrier of performing the basic essential air service that was being provided when the notice period under subsection (a) of this section is required to provide service for additional 30-day periods.

In subsection (f), the words “If an air carrier has provided notice to the Secretary under paragraph (2) of such air carrier’s intention to suspend, terminate, or reduce service to any eligible point below the level of basic essential air service to such point, and if at the conclusion of the applicable period of notice” for clarity and to eliminate unnecessary words.

In subsection (c), the words “either with or without compensation” are omitted as unnecessary. The words “shall require the carrier providing service to continue to provide service for additional 30-day periods” are substituted for “shall extend such requirement for such additional 30-day periods . . . as may be necessary to continue basic essential air service to such eligible points”. and the words “the Secretary shall decide if another carrier will provide service on a continuing basis” are substituted for “making the same determination”, for clarity.

In subsections (d)(1) and (e)(1), the word “fair” is omitted as being included in “reasonable”.

In subsection (d), before clause (1), the words “basic essential air service” are substituted for “air transportation” and “such transportation” for consistency with the source provisions restated in this section. The words “to continue to provide service to the place under this section after the 90-day notice period under subsection (a) of this section” are substituted for “to such point” to eliminate unnecessary words.

In subsection (e), before clause (1), the words “basic essential air service” are substituted for “air transportation” for consistency with the source provisions restated in this section. The words “after the end of the 90-day notice period that is” are substituted for “then” for clarity.

In subsection (f), the words “basic essential air service” are substituted for “air transportation which such air carrier has proposed to terminate, reduce, or suspend” for consistency with the source provisions restated in this section.

In subsection (g)(2), the words “the authority to be transferred is being used only to provide air service to
the eligible place’ are substituted for ‘‘unless . . . such authority is being used to provide air service with respect to more than 1 eligible point’’ for clarity and because of the restatement.

REFERENCES IN TEXT

The date of enactment of this subsection, referred to in subsec. (l), is the date of enactment of Pub. L. 108–176, which was approved Dec. 12, 2003.

AMENDMENTS

1994—Subsec. (g)(2). Pub. L. 103–429 amended par. (2) generally. Prior to amendment, par. (2) read as follows: ‘‘the authority to be transferred is being used only to provide air service to the eligible place.’’

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 1994 AMENDMENT

DEFINITIONS

For definitions of the terms ‘‘slot’’ and ‘‘high density airport’’ used in subsec. (h) of this section, see section 41714(h) of this title.

§ 41735. Enhanced essential air service

(a) PROPOSALS.—(1) A State or local government may submit a proposal to the Secretary of Transportation for enhanced essential air service to an eligible place for which basic essential air service is being provided under section 41733 of this title. The proposal shall—

(A) specify the level and type of enhanced essential air service the State or local government considers appropriate; and

(B) include an agreement related to compensation required for the proposed service.

(2) The agreement submitted under paragraph (1)(B) of this subsection shall provide that—

(A) the State or local government or a person providing 50 percent of the compensation required for the proposed service and the United States Government pay the remaining 50 percent; or

(B)(i) the Government pay 100 percent of the compensation; and

(ii) if the proposed service is not successful for at least a 2-year period under the criteria prescribed by the Secretary under paragraph (3) of this subsection, the eligible place is not eligible for air service or air transportation for which compensation is paid by the Secretary under this subchapter.

(3) The Secretary shall prescribe by regulation objective criteria for deciding whether enhanced essential air service to an eligible place under this section is successful in terms of—

(A) increasing passenger usage of the airport facilities at the place; and

(B) reducing the amount of compensation provided by the Secretary under this subchapter for that service.

(b) DECISIONS.—Not later than 90 days after receiving a proposal under subsection (a) of this section, the Secretary shall—

(1) approve the proposal if the Secretary decides the proposal is reasonable; or

(2) if the Secretary decides the proposal is not reasonable, disapprove the proposal and notify the State or local government of the disapproval and the reasons for the disapproval.

(c) COMPENSATION PAYMENTS.—(1) The Secretary shall pay compensation under this section when and in the way the Secretary decides is appropriate. Compensation for enhanced essential air service under this section may be paid only for the costs incurred in providing air service to an eligible place that are in addition to the costs incurred in providing basic essential air service to the place under section 41733 of this title. The Secretary shall continue to pay compensation under this section only as long as—

(A) the air carrier maintains the level of enhanced essential air service;

(B) the State or local government or person agreeing to pay compensation under this section continues to pay the compensation; and

(C) the Secretary decides the compensation is necessary to maintain the service to the place.

(2) The Secretary may require the State or local government or person agreeing to pay compensation under this section to make advance payments or provide other security to ensure that timely payments are made.

(d) REVIEW.—(1) The Secretary shall review periodically the enhanced essential air service provided to each eligible place under this section.

(2) For service for which the Government pays 50 percent of the compensation, based on the review and consultation with the affected community and the State or local government or person paying the remaining 50 percent of the compensation, the Secretary shall make appropriate adjustments in the type and level of service to the place.

(3) For service for which the Government pays 100 percent of the compensation, based on the review and consultation with the State or local government submitting the proposal, the Secretary shall decide whether the service has succeeded for at least a 2-year period under the criteria prescribed under subsection (a)(3) of this section. If unsuccessful, the place is not eligible for air service or air transportation for which compensation is paid by the Secretary under this subchapter.

(e) ENDING, SUSPENDING, AND REDUCING AIR TRANSPORTATION.—An air carrier may end, suspend, or reduce air transportation to an eligible place below the level of enhanced essential air service established for that place by the Secretary under this section only after giving the Secretary, the affected community, and the State or local government or person paying compensation for that service at least 30 days’ notice before ending, suspending, or reducing the service. This subsection does not relieve the carrier of an obligation under section 41734 of this title.

In subsections (a)(2)(B)(i) and (d)(3), the words “air service or air transportation for which compensation is payable” are substituted for “air service for which compensation is payable” for consistency with the source provisions restated in sections 41733 and 41736 of the revised title.

In subsection (a)(3), the word “prescribe” is substituted for “establish” for consistency in the revised title.

In subsection (b), before clause (1), the words “issue” are substituted for “including” because of the restatement.

In subsection (c)(1)(B), the words “State or local government or person agreeing to pay compensation under this section” are substituted for “non-Federal payor” for clarity and consistency in this section.

In subsection (a)(3), the words “the remaining 50 percent” are substituted for “the non-Federal share” for clarity and consistency in this section.

In subsection (d)(3), the words “For service for which the Government pays 50 percent of the compensation” are substituted for “the Government pays 50 percent of the compensation” because of the restatement.

In subsection (d)(4), the words “Service for which the Government pays 100 percent of the compensation” are substituted for “service for which compensation is payable” because of the restatement.

In subsection (d)(4), the word “and” is substituted for “or person” because of the restatement.

(A) the traffic-generating potential of the place;
(B) the cost to the United States Government of providing the proposed transportation; and
(C) the distance of the place from the closest hub airport.

(b) APPROVAL FOR CERTAIN AIR TRANSPORTATION.—Notwithstanding subsection (a)(1)(B) of this section, the Secretary shall approve a proposal under this section to compensate an air carrier for providing air transportation to a place in the 48 contiguous States or the District of Columbia and designate the place as eligible for compensation under this section if—
(1) at any time before October 23, 1978, the place was served by a carrier holding a certificate under section 401 of the Federal Aviation Act of 1958;
(2) the place is more than 50 miles from the nearest small hub airport or an eligible place;
(3) the place is more than 150 miles from the nearest hub airport; and
(4) the State or local government submitting the proposal or a person is willing and able to pay 25 percent of the cost of providing the compensated transportation.

Section Source (U.S. Code) Source (Statutes at Large)
41733(a) ...... 49 App.:1389(c)(1), (3)(C).
41733(c) ...... 49 App.:1389(c)(5)-(7).
41733(d) ...... 49 App.:1389(c)(3)(A), (B).
41733(e) ...... 49 App.:1389(c)(4).

Paragraph (4) does not apply to any community approved for service under this section during the period beginning October 1, 1991, and ending December 31, 1997.

(c) LEVEL OF AIR TRANSPORTATION.—(1) If the Secretary designates a place under subsection (a)(1) of this section as eligible for compensation under this section, the Secretary shall decide, not later than 6 months after the date of the designation, on the level of air transportation to be provided under this section. Before making a decision, the Secretary shall consider the views of any interested community, the appropriate State authority of the State in which the place is located, and the State or local government or person agreeing to pay compensation for the transportation under subsection (b)(4) of this section.

(2) After making the decision under paragraph (1) of this subsection, the Secretary shall provide notice that any air carrier that is willing to provide the level of air transportation established under paragraph (1) for a place may submit an application to provide the transportation. In selecting an applicant, the Secretary shall consider, among other factors—
(A) the factors listed in section 41733(c)(1) of this title; and
(B) the views of the State or local government or person agreeing to pay compensation for the transportation.

(d) COMPENSATION PAYMENTS.—(1) The Secretary shall pay compensation under this section when and in the way the Secretary decides is appropriate. The Secretary shall continue to pay compensation under this section only as long as—
(A) the air carrier maintains the level of air transportation established by the Secretary under subsection (c)(1) of this section;
(B) the State or local government or person agreeing to pay compensation for transportation under this section continues to pay that compensation; and
§ 41737  TITLE 49—TRANSPORTATION  Page 842

(C) the Secretary decides the compensation is necessary to maintain the transportation to the place.

(2) The Secretary may require the State or local government or person agreeing to pay compensation under this section to make advance payments or provide other security to ensure that timely payments are made.

(e) REVIEW.—The Secretary shall review periodically the level of air transportation provided under this section. Based on the review and consultation with any interested community, the appropriate State authority of the State in which the community is located, and the State or local government or person paying compensation under this section, the Secretary may make appropriate adjustments in the level of transportation.

(f) WITHDRAWAL OF ELIGIBILITY DESIGNATIONS.—After providing notice and an opportunity for interested persons to comment, the Secretary may withdraw the designation of a place under subsection (a)(1) of this section as eligible to receive compensation under this section if the place has not received air transportation under this section for at least 2 years and the Secretary decides the withdrawal would be in the public interest. The Secretary by regulation shall prescribe standards for deciding whether the withdrawal of a designation under this subsection is in the public interest. The standards shall include the factors listed in subsection (a)(2) of this section.

(g) ENDING, SUSPENDING, AND REDUCING AIR TRANSPORTATION.—An air carrier providing air transportation for compensation under this section may end, suspend, or reduce that transportation below the level of transportation established by the Secretary under this section only after giving the Secretary, the affected community, and the State or local government or person paying compensation under this section at least 30 days’ notice before ending, suspending, or reducing the transportation.

In subsection (a)(1), before clause (A), the words ‘‘that the Secretary provide compensation to an air carrier to provide air transportation’’ are substituted for ‘‘for compensated air transportation in accordance with this subsection’’ for clarity. In clause (B)(i), the word ‘‘transportation’’ is substituted for ‘‘proposed compensated air transportation’’ to eliminate unnecessary words.

In subsections (c)–(g), the word ‘‘transportation’’ is substituted for ‘‘service’’ for consistency with the source provisions restated in subsections (a) and (b) of this section.

In subsections (c)(1) and (e), the words ‘‘appropriate State authority’’ are substituted for ‘‘State agency’’ for clarity and consistency with the source provisions restated in section 41734(a) of the revised title.

In subsection (d), the text of 49 App. 1389(d)(5) is omitted as unnecessary because of the restatement.

In subsection (f), the word ‘‘prescribe’’ is substituted for ‘‘establish’’ for consistency in the revised title and with other titles of the United States Code.

REFERENCES IN TEXT

Section 401 of the Federal Aviation Act of 1958, referred to in subsec. (b)(1), is section 401 of Pub. L. 85–726, which was classified to section 1371 of former Title 49, Transportation, and was repealed by Pub. L. 103–272, §7(b), July 5, 1994, 108 Stat. 1579, the first section of which enacted subtitles II, III, and V to X of Title 49, Transportation. For disposition of section 1371 of former Title 49, see Table at the beginning of Title 49.

AMENDMENTS

EFFECTIVE DATE OF 2000 AMENDMENT

§ 41737. Compensation guidelines, limitations, and claims

(a) COMPENSATION GUIDELINES.—(1) The Secretary of Transportation shall prescribe guidelines governing the rate of compensation payable under this subchapter. The guidelines shall be used to determine the reasonable amount of compensation required to ensure the continuation of air service or air transportation under this subchapter. The guidelines shall—

(A) provide for a reduction in compensation when an air carrier does not provide service or transportation agreed to be provided;

(B) consider amounts needed by an air carrier to promote public use of the service or transportation for which compensation is being paid; and

(C) include expense elements based on representative costs of air carriers providing scheduled air transportation of passengers, property, and mail on aircraft of the type the Secretary decides is appropriate for providing the service or transportation for which compensation is being provided.

(2) Promotional amounts described in paragraph (1)(B) of this subsection shall be a special, segregated element of the compensation provided to a carrier under this subchapter.

(b) REQUIRED FINDING.—The Secretary may pay compensation to an air carrier for providing air service or air transportation under this subchapter only if the Secretary finds the carrier is able to provide the service or transportation in a reliable way.

(c) CLAIMS.—Not later than 15 days after receiving a written claim from an air carrier for compensation under this subchapter, the Secretary shall—
(1) pay or deny the United States Government’s share of a claim; and

(2) if denying the claim, notify the carrier of the denial and the reasons for the denial.

(d) AUTHORITY TO MAKE AGREEMENTS AND INCUR OBLIGATIONS.—(1) The Secretary may make agreements and incur obligations from the Airport and Airway Trust Fund established under section 9502 of the Internal Revenue Code of 1986 (26 U.S.C. 9502) to pay compensation under this subchapter. An agreement by the Secretary under this subsection is a contractual obligation of the Government to pay the Government’s share of the compensation.

(2) Not more than $38,600,000 is available to the Secretary out of the Fund for each of the fiscal years ending September 30, 1993–1998, to incur obligations under this section. Amounts made available under this section remain available until expended.

(e) ADJUSTMENTS TO ACCOUNT FOR SIGNIFICANTLY INCREASED COSTS.—

(1) IN GENERAL.—If the Secretary determines that air carriers are experiencing significantly increased costs in providing air service or air transportation for which compensation is being paid under this subchapter, the Secretary may increase the rates of compensation payable under this subchapter without regard to any agreement or requirement relating to the renegotiation of contracts or any notice requirement under section 41740.

(2) REASONABLE IF COSTS SUBSEQUENTLY DECLINE.—If an adjustment is made under paragraph (1), and total unit costs subsequently decrease to at least the total unit cost reflected in the compensation rate, then the Secretary may reverse the adjustment previously made under paragraph (1) without regard to any agreement or requirement relating to the renegotiation of contracts or any notice requirement under section 41740.

(3) SIGNIFICANTLY INCREASED COSTS DEFINED.—In this subsection, the term “significantly increased costs” means a total unit cost increase (but not increases in individual unit costs) of 10 percent or more in relation to the total unit cost reflected in the compensation rate, based on the carrier’s internal audit of its financial statements if such cost increase is incurred for a period of at least 2 consecutive months.

§ 41738. Fitness of air carriers

Notwithstanding section 40109(a) and (c)-(h) of this title, no air carrier may provide air service to an eligible place or air transportation to a place designated under section 41736 of this title only when the Secretary of Transportation decides that—

(1) the carrier is fit, willing, and able to perform the service or transportation; and

(2) aircraft used to provide the service or transportation, and operations related to the service or transportation, conform to the safety standards prescribed by the Administrator of the Federal Aviation Administration.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1152.)

In this section, before clause (1), the words “air transportation to a place” are substituted for “service to a point” for consistency with the source provisions restated in sections 41733, 41735, and 41736 of the revised title. In clauses (1) and (2), the words “service or transportation” are substituted for “such service” for consistency with the source provisions restated in sections 41733, 41735, and 41736 of the revised title.
§ 41739. Air carrier obligations

If at least 2 air carriers make an agreement to operate under or use a single carrier designator code to provide air transportation, the carrier whose code is being used shares responsibility for the quality of transportation provided the public under the code by the other carriers.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1152.)

§ 41740. Joint proposals

The Secretary of Transportation shall encourage the submission of joint proposals, including joint fares, by 2 or more air carriers for providing air service or air transportation under this subchapter through arrangements that maximize the service or transportation to and from major destinations beyond the hub.

The words “quality of transportation” are substituted for “quality of service” for clarity and consistency in this section.

§ 41741. Insurance

The Secretary of Transportation shall encourage the submission of joint proposals, including joint fares, by 2 or more air carriers for providing air service or air transportation under this subchapter through arrangements that maximize the service or transportation to and from major destinations beyond the hub.

The words “quality of transportation” are substituted for “quality of service” for clarity and consistency in this section.

§ 41742. Essential air service authorization

(a) In GENERAL.—

(1) AUTHORIZATION.—Out of the amounts received by the Federal Aviation Administration credited to the account established under section 45303 of this title or otherwise provided to the Administration, the sum of $50,000,000 is authorized and shall be made available immediately for obligation and expenditure to carry out the essential air service program under this subchapter for each fiscal year.

(2) ADDITIONAL FUNDS.—In addition to amounts authorized under paragraph (1), there is authorized to be appropriated out of the Airport and Airway Trust Fund (established under section 9502 of the Internal Revenue Code of 1986) $150,000,000 for fiscal year 2011 and $50,309,016 for the period beginning on October 1, 2011, and ending on January 31, 2012, to carry out the essential air service program under this subchapter of which not more than $12,000,000 per fiscal year may be used for the marketing incentive program for communities and for State marketing assistance.

(3) AUTHORIZATION FOR ADDITIONAL EMPLOYEES.—In addition to amounts authorized under paragraphs (1) and (2), there are authorized to be appropriated such sums as may be necessary for the Secretary of Transportation to hire and employ 4 additional employees for the office responsible for carrying out the essential air service program.

Revised Section | Source (U.S. Code) | Source (Statutes at Large)
--- | --- | ---
(b) FUNDING FOR SMALL COMMUNITY AIR SERVICE.—Notwithstanding any other provision of law, moneys credited to the account established under section 45303(a) of this title, including the funds derived from fees imposed under the authority contained in section 45301(a) of this title, shall be used to carry out the essential air service program under this subchapter. Notwithstanding section 47114(g)1 of this title, any amounts from those fees that are not obligated or expended at the end of the fiscal year for the purpose of funding the essential air service program under this subchapter shall be made available to the Administration for use in improving rural air safety under subchapter I of chapter 471 of this title and shall be used exclusively for projects at rural airports under this subchapter. (Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1152; Pub. L. 104–204, title II, §278(c), Oct. 9, 1996, 110 Stat. 3249; Pub. L. 106–181, title II, §208(a), Apr. 5, 2000, 114 Stat. 95; Pub. L. 108–176, title IV, §404, Dec. 12, 2003, 117 Stat. 2543; Pub. L. 112–30, title II, §209, Sept. 16, 2011, 125 Stat. 359.)

AMENDMENTS

2011—Subsec. (a)(2). Pub. L. 112–30 substituted “there is authorized to be appropriated out of the Airport and Airway Trust Fund (established under section 9502 of the Internal Revenue Code of 1986) $150,000,000 for fiscal year 2011 and $50,309,016 for the period beginning on October 1, 2011, and ending on January 31, 2012,” for “there is authorized to be appropriated $77,000,000 for each fiscal year”.

2006—Pub. L. 104–264 amended section generally, substituting provisions relating to essential air service authorization for provisions stating that this subchapter was not effective after Sept. 30, 1996.

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 106–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 106–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 2000 AMENDMENT

EFFECTIVE DATE OF 1996 AMENDMENT

Amendment by Pub. L. 104–264 effective on date that is 90 days after Oct. 1, 1996, see section 203 of Pub. L. 104–264, set out as a note under section 106 of this title.

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

FUNDING FOR ESSENTIAL AIR SERVICE PROGRAM

Pub. L. 112–155, div. C, title I, Nov. 18, 2011, 125 Stat. 644, provided in part: “That no funds made available under section 41742 of title 49, United States Code, and no funds made available in this Act [div. C of Pub. L. 112–55, see Tables for classification] or any other Act in any fiscal year, shall be available to carry out the essential air service program under sections 41741 through 41742 of such title 49 in communities in the 48 contiguous States unless the community received subsidized essential air service or received a 60-day notice of intent to terminate service and the Secretary required the air carrier to continue to provide service to the community at any time between September 30, 2010, and September 30, 2011, inclusive”.2

FINDS

Section 278(b) of Pub. L. 104–264 provided that: “Congress finds that—
‘(1) air service in rural areas is essential to a national and international transportation network;
‘(2) the rural air service infrastructure supports the safe operation of all air travel;
‘(3) rural air service creates economic benefits for all air carriers by making the national aviation system available to passengers from rural areas;
‘(4) rural air service has suffered since deregulation;
‘(5) the essential air service program under the Department of Transportation—
‘(A) provides essential airline access to rural and isolated rural communities throughout the Nation;
‘(B) is necessary for the economic growth and development of rural communities;
‘(C) is a critical component of the national and international transportation system of the United States; and
‘(D) has endured serious funding cuts in recent years; and
‘(6) a reliable source of funding must be established to maintain air service in rural areas and the essential air service program.”

§41743. Airports not receiving sufficient service

(a) SMALL COMMUNITY AIR SERVICE DEVELOPMENT PROGRAM.—The Secretary of Transportation shall establish a program that meets the requirements of this section for improving air carrier service to airports not receiving sufficient air carrier service.
(b) APPLICATION REQUIRED.—In order to participate in the program established under subsection (a), a community or consortium of communities shall submit an application to the Secretary in such form, at such time, and containing such information as the Secretary may require, including—

(1) an assessment of the need of the community or consortium for access, or improved access, to the national air transportation system; and

(2) an analysis of the application of the criteria in subsection (c) to that community or consortium.

(c) CRITERIA FOR PARTICIPATION.—In selecting communities, or consortia of communities, for participation in the program established under subsection (a), the Secretary shall apply the following criteria:

(1) SIZE.—For calendar year 1997, the airport serving the community or consortium was not larger than a small hub airport, and—

(A) had insufficient air carrier service; or

(B) had unreasonably high air fares.

(2) CHARACTERISTICS.—The airport presents characteristics, such as geographic diversity or unique circumstances, that will demonstrate the need for, and feasibility of, the program established under subsection (a).

(3) STATE LIMIT.—Not more than 4 communities or consortia of communities, or a combination thereof, from the same State may be selected to participate in the program in any fiscal year.

(4) OVERALL LIMIT.—No more than 40 communities or consortia of communities, or a combination thereof, may be selected to participate in the program in each year for which funds are appropriated for the program. No community, consortium of communities, or combination thereof may participate in the program in support of the same project more than once, but any community, consortium of communities, or combination thereof may apply, subsequent to such participation, to participate in the program in support of a different project.

(5) PRIORITIES.—The Secretary shall give priority to communities or consortia of communities where—

(A) air fares are higher than the average air fares for all communities;

(B) the community or consortium will provide a portion of the cost of the activity to be assisted under the program from local sources other than airport revenues;

(C) the community or consortium has established, or will establish, a public-private partnership to facilitate air carrier service to the public;

(D) the assistance will provide material benefits to a broad segment of the travelling public, including business, educational institutions, and other enterprises, whose access to the national air transportation system is limited; and

(E) the assistance will be used in a timely fashion.

(d) TYPES OF ASSISTANCE.—The Secretary may use amounts made available under this section—

(1) to provide assistance to an air carrier to subsidize service to and from an underserved airport for a period not to exceed 3 years;

(2) to provide assistance to an underserved airport to obtain service to and from the underserved airport; and

(3) to provide assistance to an underserved airport to implement such other measures as the Secretary, in consultation with such airport, considers appropriate to improve air service both in terms of the cost of such service to consumers and the availability of such service, including improving air service through marketing and promotion of air service and enhanced utilization of airport facilities.

(e) AUTHORITY TO MAKE AGREEMENTS.—

(1) IN GENERAL.—The Secretary may make agreements to provide assistance under this section.

(2) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary $20,000,000 for fiscal year 2001, $27,500,000 for each of fiscal years 2002 and 2003, $35,000,000 for each of fiscal years 2004 through 2011, and $2,016,393 for the portion of fiscal year 2012 ending before February 1, 2012, to carry out this section. Such sums shall remain available until expended.

(f) ADDITIONAL ACTION.—Under the program established under subsection (a), the Secretary shall work with air carriers providing service to participating communities and major air carriers (as defined in section 41716(a)(2)) serving large hub airports to facilitate joint-fare arrangements consistent with normal industry practice.

(g) DESIGNATION OF RESPONSIBLE OFFICIAL.—The Secretary shall designate an employee of the Department of Transportation—

(1) to function as a facilitator between small communities and air carriers;

(2) to carry out this section;

(3) to ensure that the Bureau of Transportation Statistics collects data on passenger information to assess the service needs of small communities;

(4) to work with and coordinate efforts with other Federal, State, and local agencies to increase the viability of service to small communities and the creation of aviation development zones; and

(5) to provide policy recommendations to the Secretary and Congress that will ensure that small communities have access to quality, affordable air transportation services.

(h) AIR SERVICE DEVELOPMENT ZONE.—The Secretary shall designate an airport in the program as an Air Service Development Zone and work with the community or consortium on means to attract business to the area surrounding the airport, to develop land use options for the area, and provide data, working with the Department of Commerce and other agencies.

a subsidized essential air service community to and from an essential airport facility, the Secretary may require an air carrier that has more than 60 percent of the total annual enplanements at the essential airport facility to take action to enable another air carrier to provide reliable essential air service to that community. Actions required by the Secretary under this subsection may include interline agreements, ground services, subleasing of gates, and the provision of any other service or facility necessary for the performance of satisfactory essential air service to that community.

(b) ESSENTIAL AIRPORT FACILITY DEFINED.—In this section, the term “essential airport facility” means a large hub airport in the contiguous 48 States at which one air carrier has more than 60 percent of the total annual enplanements at that airport.

AMENDMENTS

2003—Subsec. (b). Pub. L. 108–176 struck out “(as defined in section 41731)” after “large hub airport”.

EFFECTIVE DATE OF 2003 AMENDMENT
