Subpart F—Labor-Management and Employee Relations

CHAPTER 71—LABOR-MANAGEMENT RELATIONS

SUBCHAPTER I—GENERAL PROVISIONS

Sec. 7101. Findings and purpose.
7102. Employees’ rights.
7103. Definitions; application.
§ 7101. Findings and purpose

(a) The Congress finds that—

(1) experience in both private and public employment indicates that the statutory protection of the right of employees to organize, bargain collectively, and participate through labor organizations of their own choosing in decisions which affect them—

(A) safeguards the public interest,

(B) contributes to the effective conduct of public business, and

(C) facilitates and encourages the amicable settlement of disputes between employees and their employers involving conditions of employment; and

(2) the public interest demands the highest standards of employee performance and the continued development and implementation of modern and progressive work practices to facilitate and improve employee performance and the efficient accomplishment of the operations of the Government.

Therefore, labor organizations and collective bargaining in the civil service are in the public interest.

(b) It is the purpose of this chapter to prescribe certain rights and obligations of the employees of the Federal Government and to establish procedures which are designed to meet the special requirements and needs of the Government. The provisions of this chapter should be interpreted in a manner consistent with the requirement of an effective and efficient Government.

EXECUTIVE ORDER NO. 10688

EX. ORD. No. 11491. LABOR-MANAGEMENT RELATIONS IN THE FEDERAL SERVICE

§ 7101

WHEREAS the public interest requires high standards of employee performance and the continual development and implementation of modern and progressive work practices to facilitate improved employee performance and efficiency; and

WHEREAS the well-being of employees and efficient administration of the Government are benefited by providing employees an opportunity to participate in the formulation and implementation of personnel policies and practices affecting the conditions of their employment;

WHEREAS the participation of employees should be improved through the maintenance of constructive and cooperative relationships between labor organizations and management officials; and

WHEREAS subject to law and the paramount requirements of public service, effective labor-management relations within the Federal service require a clear statement of the respective rights and obligations of labor organizations and agency management;

NOW, THEREFORE, by virtue of the authority vested in me by the Constitution and statutes of the United States, including sections 301 and 302 of title 5 of the United States Code and as President of the United States, I hereby direct that the following policies shall govern officers and agencies of the executive branch of the Government in all dealings with Federal employees and organizations representing such employees.

GENERAL PROVISIONS

SECTION 1. Policy. (a) Each employee of the executive branch of the Federal Government has the right, freely and without fear of penalty or reprisal, to form, join, and as a member of a labor organization or to refrain from any such activity, and each employee shall be protected in the exercise of this right. Except as otherwise expressly provided in this Order, the right to assist a labor organization extends to participation in the management of the organization and acting for the organization in the capacity of an organization representative, including presentation of its views to officials of the executive branch, the Congress, or other appropriate authority.

The head of each agency shall take the action required to assure that employees in the agency are apprised of their rights under this section and that no interference, restraint, coercion, or discrimination is practiced within his agency to encourage or discourage membership in a labor organization.

(b) Paragraph (a) of this section does not authorize participation in the management of a labor organization or acting as a representative of such an organization by a supervisor, except as provided in section 24 of this Order, or by an employee when the participation or activity would result in a conflict or apparent conflict of interest or otherwise be incompatible with law or with the official duties of the employee.

SECTION 2. Definitions. When used in this Order, the terms—

(d) [Repealed by Ex. Ord. No. 11838, Feb. 6, 1975, 40 F.R. 5743.]

(e) “Labor organization” means a lawful organization of any kind in which employees participate and which exists for the purpose, in whole or in part, of dealing with agencies concerning grievances, personnel policies and practices, or other matters affecting the working conditions of their employees; but does not include an organization which—

(1) consists of management officials or supervisors, except as provided in section 24 of this Order;

(2) assists or participates in a strike against the Government of the United States or any agency thereof, or imposes a duty or obligation to conduct, assist, or participate in such a strike;

(3) advocates the overthrow of the constitutional form of government in the United States; or

(4) discriminates with regard to the terms or conditions of membership because of race, color, creed, sex, age, or national origin;

(f) “Agency management” means the agency head and all management officials, supervisors, and other representatives of management having authority to act for the agency on any matters relating to the implementation of the agency labor-management relations program established under this Order;

(g) “Authority” means the Federal Labor Relations Authority;

(h) “Panel” means the Federal Service Impasses Panel;

(i) “Assistant Secretary” means the Assistant Secretary for Labor Management Relations; and

(1) the Federal Bureau of Investigation;

(2) the Central Intelligence Agency;

(3) any other agency, or office, bureau, or entity within an agency, which has as a primary function intelligence, investigative, or security work, when the head of the agency determines, in his sole judgment, that the Order cannot be applied in a manner consistent with national security requirements and considerations; or

(4) any office, bureau or entity, within an agency which has as a primary function investigation or audit of the conduct or work of officials or employees of the agency for the purpose of ensuring honesty and integrity in the discharge of their official duties, when the head of the agency determines, in his sole judgment, that the Order cannot be applied in a manner consistent with the internal security of the agency.

SEC. 4. The Foreign Service of the United States: Department of State, United States Information Agency and Agency for International Development and its successor agency or agencies.

(c) The head of an agency may, in his sole judgment, suspend any provision of this Order (except section 22) with respect to any agency installation or activity located outside the United States, when he determines that this is necessary in the national interest, subject to the conditions he prescribes.

(d) Employees engaged in administering a labor-management relations law or this Order who are otherwise authorized by this Order to be represented by a labor organization shall not be represented by a labor organi-
zation which also represents other groups of employees under the law or this Order, or which is affiliated directly or indirectly with an organization which represents such a group of employees.

(a) [Revoked].

(5) decide questions as to whether a grievance is subject to a negotiated grievance procedure or subject to arbitration under an agreement as provided in Section 13(d) of this Order.

(4) matters it deems appropriate to assure the effectuation of the purposes of this Order.
(e) In any matters arising under subsection (c) and (d) of this Section, the Authority may require an agency or a labor organization to cease and desist from violations of this Order and require it to take such affirmative action as the Authority considers appropriate to effectuate the purposes of this Order.
(f) In performing the duties imposed on it by this Section, the Authority may request and use the services and staff assistance of employees of other agencies in accordance with Section 1 of the Act of March 4, 1915 (38 Stat. 1084, as amended; 31 U.S.C. 686) (31 U.S.C. 1353).

SEC. 5. Powers and Duties of the Federal Service Impasses Panel.
(a) There is hereby established the Federal Service Impasses Panel as a distinct organizational entity within the Authority. The Panel consists of at least three members appointed by the President, one of whom he designates as chairman. The Authority shall provide the services and staff assistance needed by the Panel.
(b) The Panel may consider negotiation impasses as provided in Section 17 of this Order and may take any action it considers necessary to settle an impasse.
(c) The Panel shall prescribe regulations needed to administer its function under this Order.

SEC. 6. Powers and Duties of the General Counsel and the Assistant Secretary of Labor for Labor-Management Relations.
(a) The General Counsel is authorized, upon direction by the Authority, to:
(1) investigate complaints of violations of Section 19 of this Order;
(2) make final decisions as to whether to issue unfair labor practice complaints and prosecute such complaints before the Authority;
(3) direct and supervise all employees in the Office of General Counsel, including employees of the General Counsel in the regional office of the Authority;
(4) perform such other duties as the Authority may prescribe; and

(d) In performing the duties imposed on him by this Section, the Assistant Secretary may request and use the services and staff assistance of employees of other agencies in accordance with Section 1 of the Act of March 4, 1915 (38 Stat. 1084, as amended; 31 U.S.C. 686) (31 U.S.C. 1353).

RECOGNITION

SEC. 7. Recognition in general.
(a) An agency shall accord exclusive recognition or national consultation rights at the request of a labor organization which meets the requirements for the recognition or consultation rights under this Order.
(b) A labor organization seeking recognition shall submit to the agency a roster of its officers and representatives, a copy of its constitution and by-laws, and a statement of its objectives.
(c) When recognition of a labor organization has been accorded, the recognition continues as long as the organization continues to meet the requirements of this Order applicable to that recognition, except that this section does not require a labor organization to cease and desist from being recognized whether an organization should become, or continue to be recognized as, exclusive representative of the employees in any unit or subdivision thereof within 12 months after a prior valid election with respect to such unit.
(d) Recognition of a labor organization does not:
(1) preclude an employee, regardless of whether he is in a unit of exclusive recognition, from exercising grievance or appellate rights established by law or regulation, or from choosing his own representative in a grievance or appellate action, except when the grievance is covered under a negotiated procedure as provided in section 13;
(2) preclude or restrict consultations and dealings between an agency and a veterans organization with respect to matters of particular interest to employees with veterans preference; or
(3) preclude an agency from consulting or dealing with a religious, social, fraternal, professional or other lawful association, not qualified as a labor organization, with respect to matters or policies which involve individual members of the association or are of particular applicability to it or its members. Consultations and dealings under subparagraph (3) of this paragraph shall be so limited that they do not assume the character of formal consultation on matters of general employee-management policy covering employees in that unit or extend to areas where recognition of the interests of one employee group may result in discrimination against or injury to the interests of other employees.
(e) [Revoked by Ex. Ord. No. 11383, Feb. 6, 1975, 40 F.R. 7573.]
(f) Informal recognition or formal recognition shall not be accorded.

(a) An agency shall accord national consultation rights to a labor organization which qualifies under criteria established by the Federal Labor Relations Authority as the representative of a substantial number of employees of the agency. National consultation rights shall not be accorded for any unit where a labor organization already holds exclusive recognition at the national level for that unit. The granting of national consultation rights does not preclude an agency from appropriate dealings at the national level with other organizations on matters affecting their members. An agency shall terminate national consultation rights when the labor organization ceases to qualify under the established criteria.
(b) When a labor organization has been accorded national consultation rights, the agency, through appropriate officials, shall notify representatives of the organization of proposed substantive changes in personnel policies that affect employees it represents and provide an opportunity for the organization to comment on the proposed changes. The labor organization may suggest changes in the agency's personnel policies and have its views carefully considered. It may consult in person at reasonable times, on request, with appropriate officials on personnel policy matters, and at all times present its views thereon in writing. An agency is not required to consult with a labor organization on any matter on which it would not be required to meet and confer if the organization were entitled to exclusive recognition.

(c) Questions as to the eligibility of labor organizations for national consultation rights may be referred to the Authority for decision.

§ 7101. Exclusive recognition. (a) An agency shall accord exclusive recognition to a labor organization when the organization has been selected, in a secret ballot election, by a majority of the employees in an appropriate unit as their representative; provided that this section shall not preclude an agency from according exclusive recognition to a labor organization, without an election, where the appropriate unit is established through the consolidation of existing exclusively recognized units represented by that organization.

(b) A unit may be established on a plant or installation, craft, functional, or other basis which will ensure a clear and identifiable community of interest among the employees concerned and will promote effective dealings and efficiency of agency operations. A unit shall not be established solely on the basis of the extent to which employees in the proposed unit have organized, nor shall a unit be established if it includes—

(1) any management official or supervisor, except as provided in section 24;

(2) an employee engaged in Federal personnel work in other than a purely clerical capacity; or

(3) [Revoked by Ex. Ord. No. 11838, Feb. 6, 1975, 40 F.R. 5743.]

(4) both professional and nonprofessional employees, unless a majority of the professional employees vote for inclusion in the unit. Questions as to the appropriate unit and related issues may be referred to the Authority for decision.

(c) [Revoked by Ex. Ord. No. 11838, Feb. 6, 1975, 40 F.R. 5743.]

(d) All elections shall be conducted under the supervision of the Authority, or persons designated by it, and shall be by secret ballot. Each employee eligible to vote shall be provided the opportunity to choose the labor organization he wishes to represent him, from among those on the ballot, or "no union," except as provided in subparagraph (4) of this paragraph. Elections may be held to determine whether—

(1) a labor organization should be recognized as the exclusive representative of employees in a unit;

(2) a labor organization should replace another labor organization as the exclusive representative; or

(3) a labor organization should cease to be the exclusive representative; or

(4) a labor organization should be recognized as the exclusive representative of employees in a unit composed of employees in units currently represented by that labor organization or continue to be recognized in the existing separate units.

(e) When a labor organization has been accorded exclusive recognition, it is the exclusive representative of employees in the unit and is entitled to act for and to negotiate agreements covering all employees in the unit. It is responsible for representing the interests of all employees in the unit without discrimination and without regard to labor organization membership. The labor organization shall be entitled to consult at formal discussions between management and employees or employee representatives concerning grievances, personnel policies and practices, and matters affecting general working conditions of employees in the unit.
(1) to direct employees of the agency;
(2) to hire, promote, transfer, assign, and retain employees in positions within the agency, and to suspend, demote, discharge, or take other disciplinary action against employees;
(3) to relieve employees from duties because of lack of work or for other legitimate reasons;
(4) to maintain the efficiency of the Government operations entrusted to them;
(5) to determine the methods, means, and personnel by which such operations are to be conducted; and
(6) to take whatever actions may be necessary to carry out the mission of the agency in situations of emergency; and
(c) nothing in the agreement shall require an employee to become or to remain a member of a labor organization, or to pay money to the organization except pursuant to a voluntary written authorization by a member for the payment of dues through payroll deductions. The requirements of this section shall be expressly stated in the initial or basic agreement and apply to all supplemental, implementing, subsidiary, or informal agreements between the agency and the organization.

Sec. 13. Grievance and arbitration procedures. (a) An agreement between an agency and a labor organization shall provide a procedure, applicable only to the unit, for the consideration of grievances. The coverage and scope of the procedure shall be negotiated by the parties to the agreement with the exception that it may not cover matters for which a statutory appeal procedure exists and so long as it does not otherwise conflict with statute or this order. It shall be the exclusive procedure available to the parties and the employees in the unit for resolving grievances which fall within its coverage. However, any employee or group of employees in the unit may present such grievances to the agency and have them adjusted, without the intervention of the exclusive representative, as long as the adjustment is not inconsistent with the terms of the agreement and the exclusive representative has been given opportunity to be present at the adjustment.

(b) A negotiated procedure may provide for arbitration. Arbitration may be invoked only by the agency or the exclusive representative. Either party may file exceptions to an arbitrator's award with the Authority, under regulations prescribed by the Authority.
(c) [Revoked.]
(d) Questions that cannot be resolved by the parties as to whether or not a grievance is on a matter for which a statutory appeal procedure exists, shall be referred to the Authority for decision. Other questions as to whether or not a grievance is on a matter subject to the grievance procedure in an existing agreement, or is subject to arbitration under that agreement, may by agreement of the parties be submitted to arbitration or may be referred to the Authority for decision.
(e) [Revoked.]

Sec. 15. Approval of agreements. An agreement with a labor organization as the exclusive representative of employees in a unit is subject to the approval of the head of the agency or an official designated by him. An agreement shall be approved within forty-five days from the date of its execution if it conforms to applicable laws, the order, existing published agency policies and regulations (unless the agency has granted an exception to a policy or regulation) and regulations of other appropriate authorities. An agreement which has not been approved or disapproved within forty-five days from the date of its execution shall go into effect without the required approval of the agency head and shall be binding on the parties subject to the provisions of law, the order and the regulations of appropriate authorities outside the agency. A local agreement subject to a national or other controlling agreement at a higher level shall be approved under the procedures of the controlling agreement, or, if none, under agency regulations.

Sec. 16. Negotiation disputes. The Federal Mediation and Conciliation Service shall provide services and assistance to Federal agencies and labor organizations in the resolution of negotiation disputes. The Service shall determine under what circumstances and in what manner it shall proffer its services.

Sec. 17. Negotiation impasses. When voluntary arrangements, including the services of the Federal Mediation and Conciliation Service or other third-party mediation, fail to resolve a negotiation impasse, either party may request the Federal Service Impasses Panel to consider the matter. The Panel, in its discretion and under the regulations it prescribes, may consider the matter and may recommend procedures to the parties for the resolution of the impasse or may settle the impasse by appropriate action. Arbitration or third-party fact finding with recommendations to assist in the resolution of an impasse may be used by the parties only when authorized or directed by the Panel.

Sec. 18. Standards of conduct for labor organizations. (a) An agency shall accord recognition only to a labor organization that is free from corrupt influences and influences opposed to basic democratic principles. Except as provided in paragraph (b) of this section, an organization is not required to prove that it has the required freedom when it is subject to governing requirements adopted by the organization or by a national or international labor organization or federation of labor organizations with which it is affiliated or in which it participates, containing explicit and detailed provisions to which it subscribes calling for—
(1) the maintenance of democratic procedures and practices, including provisions for periodic elections to be conducted subject to recognized safeguards and provisions defining and securing the right of individual members to participate in the affairs of the organization, to fair and equal treatment under the governing rules of the organization, and to fair process in disciplinary proceedings;
(2) the exclusion from office in the organization of persons affiliated with Communist or other totalitarian movements and persons identified with corrupt influences;
(3) the prohibition of business or financial interests on the part of organization officers and agents which conflict with their duty to the organization and its members; and
(4) the maintenance of fiscal integrity in the conduct of the affairs of the organization, including provision for accounting and financial controls and regular financial reports or summaries to be made available to members.
(b) Notwithstanding the fact that a labor organization has adopted or subscribed to standards of conduct as provided in paragraph (a) of this section, the organization is required to furnish evidence of its freedom from corrupt influences or influences opposed to basic democratic principles when there is reasonable cause to believe that—
(1) the organization has been suspended or expelled from or is subject to other sanction by a parent labor organization or federation of organizations with which it had been affiliated because it has demonstrated an unwillingness or inability to comply with governing requirements comparable in purpose to those required by paragraph (a) of this section; or
(2) the organization is in fact subject to influences that would preclude recognition under this Order.
(c) A labor organization which has or seeks recognition as a representative of employees under this Order shall file financial and other reports, provide for bonding of officials and employees of the organization, and comply with trusteeship and election standards.
(d) The Assistant Secretary shall prescribe the regulations needed to effectuate this section. These regulations shall conform generally to the principles applied
to unions in the private sector. Complaints of violations of this section shall be filed with the Assistant Secretary.

SIC. 13. Unfair labor practices. (a) Agency management shall not—

1. interfere with, restrain, or coerce an employee in the exercise of the rights assured by this Order;
2. discriminate or otherwise discriminate against an employee because he has filed a complaint or given testimony under this Order;
3. refuse to consult, confer, or negotiate with a labor organization as required by this Order.

(b) A labor organization which is accorded exclusive recognition shall not—

1. interfere with, restrain, or coerce an employee in the exercise of his rights assured by this Order;
2. attempt to induce agency management to discriminate against an employee with regard to the terms or conditions of membership because of race, color, creed, sex, age, or national origin; or
3. refuse to consult, confer, or negotiate with an agency as required by this Order.

(c) A labor organization which is accorded exclusive recognition shall not deny membership to any employee in the appropriate unit except for failure to meet reasonable occupational standards uniformly required for admission, or for failure to tender initiation fees and dues uniformly required as a condition of acquiring and retaining membership. This paragraph does not decline a labor organization from enforcing discipline in accordance with procedures under its constitution or by-laws which conform to the requirements of this Order.

(d) Issues which can properly be raised under an appeals procedure may not be raised under this section. Issues which can be raised under a grievance procedure may, in the discretion of the aggrieved party, be raised under that procedure or the complaint procedure under this section, but not under both procedures. Appeals or grievance decisions shall not be construed as unfair labor practice decisions under this Order nor as precedent for such decisions. All complaints under this section that cannot be resolved by the parties shall be filed with the Authority.

MISCELLANEOUS PROVISIONS

SIC. 20. Use of official time. Solicitation of membership or dues, and other internal business of a labor organization, shall be conducted during the non-duty hours of the employees concerned. Employees who represent a recognized labor organization shall not be on official time when negotiating an agreement with agency management, except to the extent that the negotiating parties agree to other arrangements which may provide that the agency will either authorize official time for up to 40 hours or authorize up to one-half the time spent in negotiations during regular working hours, for a reasonable number of employees, which number normally shall not exceed the number of management representatives.

SIC. 21. Allotment of dues. (a) When a labor organization holds formal or exclusive recognition, and the agency and the organization agree in writing to this course of action, an agency shall deduct the required amount of periodic dues from the pay of members of the organization in the unit of recognition who so request, and make a voluntary allotment for that purpose. Any deduction made shall be recoverable in the event of any complaint by a member that his dues were deducted in violation of the provisions of this section.

(b) The allotment and the deductible amount shall be based on the number of employees in the unit of recognition in the unit of recognition and the total number of employees in the payrolls of the organization for the preceding payroll period. The allotment shall be based on a uniform percentage of the total dues of the organization.

(c) The allotment and the deductible amount shall be paid by the organization as required by this Order.

(d) No employee in the exercise of his rights under this Order shall be required to pay any amount to the agency or labor organization unless such amounts are charged against his pay at stated six-month intervals. Such an allotment terminates when—

1. the dues withholding agreement between the agency and the labor organization is terminated or ceases to be applicable to the employee; or
2. the employee has been suspended or expelled from the labor organization.

SIC. 22. Adverse action appeals. The head of each agency, in accordance with the provisions of this Order and regulations prescribed by the Office of Personnel Management, shall extend to all employees in the competitive civil service rights identical in adverse action cases to those provided preference eligibles under section 7511-7512 of title 5 of the United States Code. Each employee in the competitive service shall have the right to appeal to the Merit Systems Protection Board from an adverse decision of the administrative officer so acting, such appeal to be processed in an identical manner to that provided for appeals under section 7701 of title 5 of the United States Code. Any recommendation by the Merit Systems Protection Board submitted to the head of an agency on the basis of an appeal by an employee in the competitive service shall be complied with by the head of the agency.

SIC. 23. Agency implementation. No later than April 1, 1970, each agency shall issue appropriate policies and regulations consistent with this Order for its implementation. This includes but is not limited to a clear statement of the rights of its employees under this Order; procedures with respect to recognition of labor organizations, determination of appropriate units, consultation and negotiation with labor organizations, approval of agreements, mediation, and impasse resolution; policies with respect to the use of agency facilities by labor organizations; and policies and practices regarding consultation with other organizations and individual employees. Insofar as practicable, agencies shall consult with representatives of labor organizations in the formulation of these policies and regulations.

Plans that are determined by the Co-Chairs to be insufficient will be returned to the department or agency with guidance for improvement and resubmission within 30 days. Each department or agency covered by subsection (b) of this section must have a certified implementation plan in place no later than 150 days after the date of this order, unless the Co-Chairs of the Council authorize an extension of the deadline.

(a) In order to evaluate the impact of bargaining over permissive subjects, several pilot projects of specified duration shall be established in which some executive departments or agencies elect to bargain over some or all of the subjects set forth in 5 U.S.C. 7106(b)(1) and waive any objection to participating in impasse procedures set forth in 5 U.S.C. 7119 that is based on the subjects being permissive. Except as otherwise expressly provided by law, the Authority may, by one or more of its members or by such agents as it may designate, make any appropriate inquiry necessary to carry out its duties wherever persons subject to this chapter are located. Any member who participates in the inquiry shall not be disqualified from later participating in a decision of the Authority in any case relating to the inquiry.

The Authority shall adopt an official seal which shall be judicially noticed.

The principal office of the Authority shall be in or about the District of Columbia, but the Authority may meet and exercise any or all of its powers at any time or place. Except as otherwise expressly provided by law, the Authority may, by one or more of its members or by such agents as it may designate, make any appropriate inquiry necessary to carry out its duties wherever persons subject to this chapter are located. Any member who participates in the inquiry shall not be disqualified from later participating in a decision of the Authority in any case relating to the inquiry.

The Authority shall appoint an Executive Director and such regional directors, administrative law judges under section 3105 of this title, and other individuals as it may from time to time find necessary for the proper performance of its functions. The Authority may delegate to officers and employees appointed under this subsection authority to perform such duties and make such expenditures as may be necessary.

If the Authority delegates any authority to any regional director or administrative law judge to take any action pursuant to subsection (e) of this section, the Authority may, upon application by any interested person filed within 60 days after the date of the action, review such action, but the review shall not, unless specifically ordered by the Authority, operate as a stay of action. The Authority may affirm, modify, or reverse any action reviewed under this subsection. If the Authority does not undertake to grant review of the action under this subsection within 60 days after the later of—

(1) the date of the action; or

(2) the date of the filing of any application under this subsection for review of the action;

the action shall become the action of the Authority at the end of such 60-day period.

In order to carry out its functions under this chapter, the Authority may—

§ 7106. Management rights

Subject to subsection (b) of this section, nothing in this chapter shall affect the authority of any management official of any agency—

(2) in accordance with applicable laws—

(A) to hire, assign, direct, layoff, and retain employees; and

(B) to assign work, to make determinations with respect to contracting out, and to determine the personnel by which agency operations shall be conducted;

(C) with respect to filling positions, to make selections for appointments from—

(i) among properly ranked and certified candidates for promotion; or

(ii) any other appropriate source; and

(D) to take whatever actions may be necessary to carry out the agency mission during emergencies.

Nothing in this chapter shall preclude any agency and any labor organization from negotiating—

(1) at the election of the agency, on the numbers, types, and grades of employees or positions assigned to any organizational sub-division, work project, or tour of duty, or on the technology, methods, and means of performing work;
(2) procedures which management officials of the agency will observe in exercising any authority under this section; or
(3) appropriate arrangements for employees adversely affected by the exercise of any authority under this section by such management officials.

SUBCHAPTER II—RIGHTS AND DUTIES OF AGENCIES AND LABOR ORGANIZATIONS

§ 7111. Exclusive recognition of labor organizations

(a) An agency shall accord exclusive recognition to a labor organization if the organization has been selected as the representative, in a secret ballot election, by a majority of the employees in an appropriate unit who cast valid ballots in the election.

(b) If a petition is filed with the Authority—
(1) by any person alleging—
(A) in the case of an appropriate unit for which there is no exclusive representative, that 30 percent of the employees in the appropriate unit wish to be represented for the purpose of collective bargaining by an exclusive representative, or
(B) in the case of an appropriate unit for which there is an exclusive representative, that 30 percent of the employees in the unit allege that the exclusive representative is no longer the representative of the majority of the employees in the unit; or
(2) by any person seeking clarification of, or an amendment to, a certification then in effect or a matter relating to representation;
the Authority shall investigate the petition, and if it has reasonable cause to believe that a question of representation exists, it shall provide an opportunity for a hearing (for which a transcript shall be kept) after reasonable notice. If the Authority finds on the record of the hearing that a question of representation exists, the Authority shall supervise or conduct an election on the question by secret ballot and shall certify the results thereof. An election under this subsection shall not be conducted in any appropriate unit or in any subdivision thereof within

(c) A labor organization which—
(1) has been designated by at least 10 percent of the employees in the unit specified in any petition filed pursuant to subsection (b) of this section;
(2) has submitted a valid copy of a current or recently expired collective bargaining agreement for the unit; or
(3) has submitted other evidence that it is the exclusive representative of the employees involved;
may intervene with respect to a petition filed pursuant to subsection (b) of this section and shall be placed on the ballot of any election under such subsection (b) with respect to the petition.

(d) The Authority shall determine who is eligible to vote in any election under this section and shall establish rules governing any such election, which shall include rules allowing employees eligible to vote the opportunity to choose—
(1) from labor organizations on the ballot, that labor organization which the employees wish to have represent them; or
(2) not to be represented by a labor organization.

In any election in which no choice on the ballot receives a majority of the votes cast, a runoff election shall be conducted between the two choices receiving the highest number of votes. A labor organization which receives the majority of the votes cast in an election shall be certified by the Authority as the exclusive representative.

(e) A labor organization seeking exclusive recognition shall submit to the Authority and the agency involved a roster of its officers and representatives, a copy of its constitution and by-laws, and a statement of its objectives.

(f) Exclusive recognition shall not be accorded to a labor organization—
(1) if the Authority determines that the labor organization is subject to corrupt influences or influences opposed to democratic principles;
(2) in the case of a petition filed pursuant to subsection (b)(1)(A) of this section, if there is not credible evidence that at least 30 percent of the employees in the unit specified in the petition wish to be represented for the purpose of collective bargaining by the labor organization seeking exclusive recognition;
(3) if there is then in effect a lawful written collective bargaining agreement between the agency involved and an exclusive representative (other than the labor organization seeking exclusive recognition) covering any employees included in the unit specified in the petition, unless—
(A) the collective bargaining agreement has been in effect for more than 3 years, or
(B) the petition for exclusive recognition is filed not more than 105 days and not less than 60 days before the expiration date of the collective bargaining agreement; or
(4) if the Authority has, within the previous 12 calendar months, conducted a secret ballot election for the unit described in any petition under this section and in such election a majority of the employees voting chose a labor organization for certification as the unit’s exclusive representative.

(g) Nothing in this section shall be construed to prohibit the waiving of hearings by stipulation for the purpose of a consent election in conformity with regulations and rules or decisions of the Authority.

§ 7112. Determination of appropriate units for labor organization representation

(a) The Authority shall determine the appropriateness of any unit. The Authority shall de-
term in each case whether, in order to ensure employees the fullest freedom in exercising the rights guaranteed under this chapter, the appropriate unit should be established on an agency, plant, installation, functional, or other basis and shall determine any unit to be an appropriate unit only if the determination will ensure a clear and identifiable community of interest among the employees in the unit and will promote effective dealings with, and efficiency of the operations of the agency involved.

(b) A unit shall not be determined to be appropriate under this section solely on the basis of the extent to which employees in the proposed unit have organized, nor shall a unit be determined to be appropriate if it includes—

(1) except as provided under section 7135(a)(2) of this title, any management official or supervisor;
(2) a confidential employee;
(3) an employee engaged in personnel work in other than a purely clerical capacity;
(4) an employee engaged in administering the provisions of this chapter;
(5) both professional employees and other employees, unless a majority of the professional employees vote for inclusion in the unit;
(6) any employee engaged in intelligence, counterintelligence, investigative, or security work which directly affects national security; or
(7) any employee primarily engaged in investigation or audit functions relating to the work of individuals employed by an agency whose duties directly affect the internal security of the agency, but only if the functions are undertaken to ensure that the duties are discharged honestly and with integrity.

(c) Any employee who is engaged in administering any provision of law relating to labor-management relations may not be represented by a labor organization—

(1) which represents other individuals to whom such provision applies; or
(2) which is affiliated directly or indirectly with an organization which represents other individuals to whom such provision applies.

(d) Two or more units which are in an agency and for which a labor organization is the exclusive representative may, upon petition by the agency or labor organization, be consolidated with or without an election into a single larger unit if the Authority considers the larger unit to be appropriate. The Authority shall certify the labor organization as the exclusive representative of the new larger unit.

AMENDMENTS

§7114. Representation rights and duties

(a)(1) A labor organization which has been accorded exclusive recognition is the exclusive representative of the employees in the unit it represents and is entitled to act for, and negotiate collective bargaining agreements covering, all employees in the unit. An exclusive representative is responsible for representing the interests of all employees in the unit it represents without discrimination and without regard to labor organization membership.

(2) An exclusive representative of an appropriate unit in an agency shall be given the opportunity to be represented at—

(A) any formal discussion between one or more representatives of the agency and one or more employees in the unit or their representatives concerning any grievance or any personnel policy or practices or other general condition of employment; or

(B) any examination of an employee in the unit by a representative of the agency in connection with an investigation if—

(i) the employee reasonably believes that the examination may result in disciplinary action against the employee; and

(ii) the employee requests representation.
§ 7115. Allotments to representatives

(a) If an agency has received from an employee in an appropriate unit a written assignment which authorizes the agency to deduct from the pay of the employee amounts for the payment of dues of the exclusive representative of the unit, the agency shall honor the assignment and make an appropriate allotment pursuant to the assignment. Any such allotment shall be made at no cost to the exclusive representative or the employee. Except as provided under subsection (b) of this section, any such assignment may not be revoked for a period of 1 year.

(b) An allotment under subsection (a) of this section for the deduction of dues with respect to any employee shall terminate when—

(1) the agreement between the agency and the exclusive representative involved ceases to be applicable to the employee; or

(2) the employee is suspended or expelled from membership in the exclusive representative.

(c)(1) Subject to paragraph (2) of this subsection, if a petition has been filed with the Authority by a labor organization alleging that 10 percent of the employees in an appropriate unit in an agency have membership in the labor organization, the Authority shall investigate the petition. The agency shall have a duty to negotiate with the labor organization solely concerning the deduction of dues of the labor organization from the pay of the members of the labor organization who are employees in the unit and who make a voluntary allotment for such purpose.

(2)(A) The provisions of paragraph (1) of this subsection shall not apply in the case of any appropriate unit for which there is an exclusive representative.

(B) Any agreement under paragraph (1) of this subsection between a labor organization and an agency with respect to an appropriate unit shall be null and void upon the certification of an exclusive representative of the unit.

§ 7116. Unfair labor practices

(a) For the purpose of this chapter, it shall be an unfair labor practice for an agency—

(1) to interfere with, restrain, or coerce any employee in the exercise by the employee of any right under this chapter;
(2) to encourage or discourage membership in any labor organization by discrimination in connection with hiring, tenure, promotion, or other conditions of employment;
(3) to sponsor, control, or otherwise assist any labor organization, other than to furnish, upon request, customary and routine services and facilities if the services and facilities are also furnished on an impartial basis to other labor organizations having equivalent status;
(4) to discipline or otherwise discriminate against an employee because the employee has filed a complaint, affidavit, or petition, or has given any information or testimony under this chapter;
(5) to refuse to consult or negotiate in good faith with a labor organization as required by this chapter;
(6) to fail or refuse to cooperate in impasse procedures and impasse decisions as required by this chapter;
(7) to enforce any rule or regulation (other than a rule or regulation implementing section 2302 of this title) which is in conflict with any applicable collective bargaining agreement if the agreement was in effect before the date the rule or regulation was prescribed; or
(8) to otherwise fail or refuse to comply with any provision of this chapter.

(b) For the purpose of this chapter, it shall be an unfair labor practice for a labor organization—

(1) to interfere with, restrain, or coerce any employee in the exercise by the employee of any right under this chapter;
(2) to cause or attempt to cause an agency to discriminate against any employee in the exercise by the employee of any right under this chapter;
(3) to coerce, discipline, fine, or attempt to coerce a member of the labor organization as punishment, reprisal, or for the purpose of hindering or impeding the member's work performance or productivity as an employee or the discharge of the member's duties as an employee;
(4) to discriminate against an employee with regard to the terms or conditions of membership in the labor organization on the basis of race, color, creed, national origin, sex, age, preferential or nonpreferential civil service status, political affiliation, marital status, or handicapping condition;
(5) to refuse to consult or negotiate in good faith with an agency as required by this chapter;
(6) to fail or refuse to cooperate in impasse procedures and impasse decisions as required by this chapter;
(7) (A) to call, or participate in, a strike, work stoppage, or slowdown, or picketing of an agency in a labor-management dispute if such picketing interferes with an agency's operations, or

(B) to condone any activity described in subparagraph (A) of this paragraph by failing to take action to prevent or stop such activity; or
(8) to otherwise fail or refuse to comply with any provision of this chapter.

Nothing in paragraph (7) of this subsection shall result in any informational picketing which does not interfere with an agency's operations being considered as an unfair labor practice.

(c) For the purpose of this chapter it shall be an unfair labor practice for an exclusive representative to deny membership to any employee in the appropriate unit represented by such exclusive representative except for failure—

(1) to meet reasonable occupational standards uniformly required for admission, or
(2) to tender dues uniformly required as a condition of acquiring and retaining membership.

This subsection does not preclude any labor organization from enforcing discipline in accordance with procedures under its constitution or bylaws to the extent consistent with the provisions of this chapter.

(d) Issues which can properly be raised under an appeals procedure may not be raised as unfair labor practices prohibited under this section.

Except for matters wherein, under section 7121(e) and (f) of this title, an employee has an option of using the negotiated grievance procedure or an appeals procedure, issues which can be raised under a grievance procedure may, in the discretion of the aggrieved party, be raised under the grievance procedure or as an unfair labor practice under this section, but not under both procedures.

(e) The expression of any personal view, argument, opinion or the making of any statement which—

(1) publicizes the fact of a representational election and encourages employees to exercise their right to vote in such election,
(2) corrects the record with respect to any false or misleading statement made by any person, or
(3) informs employees of the Government's policy relating to labor-management relations and representation,

shall not, if the expression contains no threat of reprisal or force or promise of benefit or was not made under coercive conditions, (A) constitute an unfair labor practice under any provision of this chapter, or (B) constitute grounds for the setting aside of any election conducted under any provisions of this chapter.

§ 7117. Duty to bargain in good faith; compelling need; duty to consult

(a)(1) Subject to paragraph (2) of this subsection, the duty to bargain in good faith shall, to the extent not inconsistent with any Federal law or any Government-wide rule or regulation, extend to matters which are the subject of any rule or regulation referred to in paragraph (3) of this subsection only if the Authority has determined under subsection (b) of this section that no compelling need (as determined under regulations prescribed by the Authority, whether such a compelling need exists.

(b)(1) In any case of collective bargaining in which an exclusive representative alleges that no compelling need exists for any rule or regulation referred to in subsection (a)(3) of this section which is then in effect and which governs any matter at issue in such collective bargaining, the Authority shall determine under paragraph (2) of this subsection, in accordance with regulations prescribed by the Authority, whether such a compelling need exists.

(2) For the purpose of this section, a compelling need shall be determined not to exist for any rule or regulation referred to in subsection (a)(3) of this section—

(A) the agency, or primary national subdivision, as the case may be, which issued the rule or regulation informs the Authority in writing that a compelling need for the rule or regulation does not exist; or

(B) the Authority determines that a compelling need for a rule or regulation does not exist.

(3) A hearing may be held, in the discretion of the Authority, before a determination is made under this subsection. If a hearing is held, it shall not include the General Counsel as a party.

(4) The Authority shall, prior to issuing any rule or regulation, provide the labor organization with an opportunity to present the views or recommendations before taking final action. Such consultation rights shall terminate when the labor organization no longer meets the criteria prescribed by the Authority. Any issue relating to a labor organization’s eligibility for, or continuation of, such consultation rights shall be subject to determination by the Authority.

(5) A labor organization having consultation rights under paragraph (1) of this subsection shall—

(A) be informed of any substantive change in conditions of employment proposed by the agency; and

(B) shall be permitted reasonable time to present its views and recommendations regarding the changes.

(6) The Authority shall expedite proceedings under this subsection to the extent practicable and shall issue to the exclusive representative and to the agency a written decision on the allegation and specific reasons therefor at the earliest practicable date.

(c)(1) Except in any case to which subsection (a)(3) of this section applies, if an agency involved in collective bargaining with an exclusive representative alleges that the duty to bargain in good faith does not extend to any matter, the exclusive representative may appeal the allegation to the Authority in accordance with the provisions of this subsection.

(2) The exclusive representative may, on or before the 15th day after the date on which the agency first makes the allegation referred to in paragraph (1) of this subsection, institute an appeal under this subsection by—

(A) filing a petition with the Authority; and

(B) furnishing a copy of the petition to the head of the agency.

(3) On or before the 30th day after the date of the receipt by the head of the agency of the copy of the petition under paragraph (2)(B) of this subsection, the agency shall—

(A) file with the Authority a statement—

(i) withdrawing the allegation; or

(ii) setting forth in full its reasons supporting the allegation; and

(B) furnish a copy of such statement to the exclusive representative.

(4) On or before the 15th day after the date of the receipt by the exclusive representative of a copy of a statement under paragraph (3)(B) of this subsection, the exclusive representative shall file with the Authority its response to the statement.

(5) A hearing may be held, in the discretion of the Authority, before a determination is made under this subsection. If a hearing is held, it shall not include the General Counsel as a party.

(6) The Authority shall expedite proceedings under this subsection to the extent practicable and shall issue to the exclusive representative and to the agency a written decision on the allegation and specific reasons therefor at the earliest practicable date.

(7) A labor organization which is the exclusive representative of a substantial number of employees, determined in accordance with criteria prescribed by the Authority, shall be granted consultation rights by any agency with respect to any Government-wide rule or regulation issued by the agency effecting any substantive change in any condition of employment. Such consultation rights shall terminate when the labor organization no longer meets the criteria prescribed by the Authority. Any issue relating to a labor organization’s eligibility for, or continuation of, such consultation rights shall be subject to determination by the Authority.

(8) A labor organization having consultation rights under paragraph (1) of this subsection shall—

(A) be informed of any substantive change in conditions of employment proposed by the agency, and

(B) shall be permitted reasonable time to present its views and recommendations regarding the changes.

(9) If any views or recommendations are presented under paragraph (2) of this subsection to an agency by any labor organization—

(A) the agency shall consider the views or recommendations before taking final action on any matter with respect to which the views or recommendations are presented; and

(B) the agency shall provide the labor organization a written statement of the reasons for taking the final action.

§ 7118. Prevention of unfair labor practices

(a)(1) If any agency or labor organization is charged by any person with having engaged in or engaging in an unfair labor practice, the General Counsel shall investigate the charge and may issue and cause to be served upon the agency or labor organization a complaint. In any case in which the General Counsel does not issue a complaint because the charge fails to state an unfair labor practice, the General Counsel shall provide the person making the charge a written statement of the reasons for not issuing a complaint.

(2) Any complaint under paragraph (1) of this subsection shall contain a notice—
   (A) of the charge;
   (B) that a hearing will be held before the Authority (or any member thereof or before an individual employed by the authority and designated for such purpose); and
   (C) of the time and place fixed for the hearing.

(3) The labor organization or agency involved shall have the right to file an answer to the original and any amended complaint and to appear in person or otherwise and give testimony at the time and place fixed in the complaint for the hearing.

(4)(A) Except as provided in subparagraph (B) of this paragraph, no complaint shall be issued based on any alleged unfair labor practice which occurred more than 6 months before the filing of the charge with the Authority.

   (B) If the General Counsel determines that the person filing any charge was prevented from filing the charge during the 6-month period referred to in subparagraph (A) of this paragraph by reason of—
      (i) any failure of the agency or labor organization against which the charge is made to perform a duty owed to the person, or
      (ii) any concealment which prevented discovery of the alleged unfair labor practice during the 6-month period,

the General Counsel may issue a complaint based on the charge if the charge was filed during the 6-month period beginning on the day of the discovery by the person of the alleged unfair labor practice.

(5) The General Counsel may prescribe regulations providing for informal methods by which the alleged unfair labor practice may be resolved prior to the issuance of a complaint.

(6) The Authority (or any member thereof or any individual employed by the Authority and designated for such purpose) shall conduct a hearing on the complaint not earlier than 5 days after the date on which the complaint is served.

In the discretion of the individual or individuals conducting the hearing, any person involved may be allowed to intervene in the hearing and to present testimony. Any such hearing shall, to the extent practicable, be conducted in accordance with the provisions of chapter 5 of this title, except that the parties shall not be bound by rules of evidence, whether statutory, common law, or adopted by a court. A transcript shall be kept of the hearing. After such a hearing the Authority, in its discretion, may upon notice receive further evidence or hear argument.

(7) If the Authority (or any member thereof or any individual employed by the Authority and designated for such purpose) determines after any hearing on a complaint under paragraph (5) of this subsection that the preponderance of the evidence received demonstrates that the agency or labor organization named in the complaint has engaged in or is engaging in an unfair labor practice, then the individual or individuals conducting the hearing shall state in writing their findings of fact and shall issue and cause to be served on the agency or labor organization an order—
   (A) to cease and desist from any such unfair labor practice in which the agency or labor organization is engaged;
   (B) requiring the parties to renegotiate a collective bargaining agreement in accordance with the order of the Authority and requiring that the agreement, as amended, be given retroactive effect;
   (C) requiring reinstatement of an employee with backpay in accordance with section 5596 of this title; or
   (D) including any combination of the actions described in subparagraphs (A) through (C) of this paragraph or such other action as will carry out the purpose of this chapter.

If any such order requires reinstatement of an employee with backpay, backpay may be required of the agency (as provided in section 5596 of this title) or of the labor organization, as the case may be, which is found to have engaged in the unfair labor practice involved.

(8) If the individual or individuals conducting the hearing determine that the preponderance of the evidence received fails to demonstrate that the agency or labor organization named in the complaint has engaged in or is engaging in an unfair labor practice, the individual or individuals shall state in writing their findings of fact and shall issue an order dismissing the complaint.

(b) In connection with any matter before the Authority in any proceeding under this section, the Authority may request, in accordance with the provisions of section 7105(i) of this title, from the Director of the Office of Personnel Management an advisory opinion concerning the proper interpretation of rules, regulations, or other policy directives issued by the Office of Personnel Management.

§ 7119. Negotiation impasses; Federal Service Impasses Panel

(a) The Federal Mediation and Conciliation Service shall provide services and assistance to agencies and exclusive representatives in the resolution of negotiation impasses. The Service shall determine under what circumstances and in what manner it shall provide services and assistance.

(b) If voluntary arrangements, including the services of the Federal Mediation and Conciliation Service or any other third-party mediation, fail to resolve a negotiation impasse—

(1) either party may request the Federal Service Impasses Panel to consider the matter, or

(2) the parties may agree to adopt a procedure for binding arbitration of the negotiation impasse, but only if the procedure is approved by the Panel.

(c)(1) The Federal Service Impasses Panel is an entity within the Authority, the function of which is to provide assistance in resolving negotiation impasses between agencies and exclusive representatives.

(2) The Panel shall be composed of a Chairman and at least six other members, who shall be appointed by the President, solely on the basis of fitness to perform the duties and functions involved, from among individuals who are familiar with Government operations and knowledgeable in labor-management relations.

(3) Of the original members of the Panel, 2 members shall be appointed for a term of 3 years, and the Chairman and the remaining members shall be appointed for a term of 5 years. Thereafter each member shall be appointed for a term of 5 years, except that an individual chosen to fill a vacancy shall be appointed for the unexpired term of the member replaced. Any member of the Panel may be removed by the President.

(4) The Panel may appoint an Executive Director and any other individuals it may from time to time find necessary for the proper performance of its duties. Each member of the Panel who is not an employee (as defined in section 2105 of this title) is entitled to pay at a rate equal to the daily equivalent of the maximum annual rate of basic pay then currently paid under the General Schedule for each day he is engaged in the performance of official business of the Panel, including travel time, and is entitled to travel expenses as provided under section 5703 of this title.

(5)(A) The Panel or its designee shall promptly investigate any impasse presented to it under subsection (b) of this section. The Panel shall consider the impasse and shall either—

(i) hold hearings;

(ii) administer oaths, take the testimony or deposition of any person under oath, and issue subpoenas as provided in section 7132 of this title; and

(iii) take whatever action is necessary and not inconsistent with this chapter to resolve the impasse.

(B) If the parties do not arrive at a settlement after assistance by the Panel under subparagraph (A) of this paragraph, the Panel may—

§ 7120. Standards of conduct for labor organizations

(a) An agency shall only accord recognition to a labor organization that is free from corrupt influences and influences opposed to basic democratic principles. Except as provided in subsection (b) of this section, an organization is not required to prove that it is free from such influences if it is subject to governing requirements adopted by the organization or by a national or international labor organization or federation of labor organizations with which it is affiliated, or in which it participates, containing explicit and detailed provisions to which it subscribes calling for—

(1) the maintenance of democratic procedures and practices including provisions for periodic elections to be conducted subject to recognized safeguards and provisions defining and securing the right of individual members to participate in the affairs of the organization, to receive fair and equal treatment under the governing rules of the organization, and to receive fair process in disciplinary proceedings;

(2) the exclusion from office in the organization of persons affiliated with communist or other totalitarian movements and persons identified with corrupt influences;

(3) the prohibition of business or financial interests on the part of organization officers and agents which conflict with their duty to the organization and its members; and

(4) the maintenance of fiscal integrity in the conduct of the affairs of the organization, including provisions for accounting and financial controls and regular financial reports or summaries to be made available to members.

(b) Notwithstanding the fact that a labor organization has adopted or subscribed to standards of conduct as provided in subsection (a) of this section, the organization is required to furnish evidence of its freedom from corrupt influences or influences opposed to basic democratic principles if there is reasonable cause to believe that—

(1) the organization has been suspended or expelled from, or is subject to other sanction, by a parent labor organization, or federation of organizations with which it had been affilia-
ated, because it has demonstrated an unwillingness or inability to comply with governing requirements comparable in purpose to those required by subsection (a) of this section; or

(2) the organization is in fact subject to influences that would preclude recognition under this chapter.

(c) A labor organization which has or seeks recognition as a representative of employees under this chapter shall file financial and other reports with the Assistant Secretary of Labor for Labor Management Relations, provide for bonding of officials and employees of the organization, and comply with trusteeship and election standards.

(d) The Assistant Secretary shall prescribe such regulations as are necessary to carry out the purposes of this section. Such regulations shall conform generally to the principles applied to labor organizations in the private sector. Complaints of violations of this section shall be filed with the Assistant Secretary. In any matter arising under this section, the Assistant Secretary may require a labor organization to cease and desist from violations of this section and require it to take such actions as he considers appropriate to carry out the policies of this section.

(e) This chapter does not authorize participation in the management of a labor organization or acting as a representative of a labor organization by a management official, a supervisor, or a confidential employee, except as specifically provided in this chapter, or by an employee if the participation or activity would result in a conflict or apparent conflict of interest or would otherwise be incompatible with law or with the official duties of the employee.

SUBCHAPTER III—GRIEVANCES, APPEALS, AND REVIEW

AMENDMENTS

§7121. Grievance procedures

(a)(1) Except as provided in paragraph (2) of this subsection, any collective bargaining agreement shall provide procedures for the settlement of grievances, including questions of arbitrability. Except as provided in subsections (d), (e), and (g) of this section, the procedures shall be the exclusive administrative procedures for resolving grievances which fall within its coverage.

(2) Any collective bargaining agreement may exclude any matter from the application of the grievance procedures which are provided for in the agreement.

(b)(1) Any negotiated grievance procedure referred to in subsection (a) of this section shall—

(A) be fair and simple,

(B) provide for expeditious processing, and

(C) include procedures that—

(i) assure an exclusive representative the right, in its own behalf or on behalf of any employee in the unit represented by the exclusive representative, to present and process grievances;

(ii) assure such an employee the right to present a grievance on the employee’s own behalf, and assure the exclusive representative the right to be present during the grievance proceeding; and

(iii) provide that any grievance not satisfactorily settled under the negotiated grievance procedure shall be subject to binding arbitration which may be invoked by either the exclusive representative or the agency.

(2)(A) The provisions of a negotiated grievance procedure providing for binding arbitration in accordance with paragraph (1)(C)(iii) shall, if or to the extent that an alleged prohibited personnel practice is involved, allow the arbitrator to order—

(i) a stay of any personnel action in a manner similar to the manner described in section 1221(c) with respect to the Merit Systems Protection Board; and

(ii) the taking, by an agency, of any disciplinary action identified under section 1215(a)(3) that is otherwise within the authority of such agency to take.

(B) Any employee who is the subject of any disciplinary action ordered under subparagraph (A)(ii) may appeal such action to the same extent and in the same manner as if the agency had taken the disciplinary action absent arbitration.

(c) The preceding subsections of this section shall not apply with respect to any grievance concerning—

(1) any claimed violation of subchapter III of chapter 73 of this title (relating to prohibited political activities);

(2) retirement, life insurance, or health insurance;

(3) a suspension or removal under section 7532 of this title;

(4) any examination, certification, or appointment; or

(5) the classification of any position which does not result in the reduction in grade or pay of an employee.

(d) An aggrieved employee affected by a prohibited personnel practice under section 2302(b)(1) of this title which also falls under the coverage of the negotiated grievance procedure may raise the matter under a statutory procedure or the negotiated procedure, but not both. An employee shall be deemed to have exercised his option under this subsection to raise the matter under either a statutory procedure or
the negotiated procedure at such time as the employee timely initiates an action under the applicable statutory procedure or timely files a grievance in writing, in accordance with the provisions of the parties’ negotiated procedure, whichever event occurs first. Selection of the negotiated procedure in no manner prejudices the right of an aggrieved employee to request the Merit Systems Protection Board to review the final decision pursuant to section 7702 of this title in the case of any personnel action that could have been appealed to the Board, or, where applicable, to request the Equal Employment Opportunity Commission to review a final decision in any other matter involving a complaint of discrimination of the type prohibited by any law administered by the Equal Employment Opportunity Commission.

(e)(1) Matters covered under sections 4303 and 7512 of this title which also fall within the coverage of the negotiated grievance procedure may, in the discretion of the aggrieved employee, be raised either under the appellate procedures of section 7701 of this title or under the negotiated grievance procedure, but not both. Similar matters which arise under other personnel systems applicable to employees covered by this chapter may, in the discretion of the aggrieved employee, be raised either under the appellate procedures, if any, applicable to those matters, or under the negotiated grievance procedure, but not both. An employee shall be deemed to have exercised his option under this subsection to raise a matter either under the applicable appellate procedures or under the negotiated grievance procedure at such time as the employee timely files a notice of appeal under the applicable appellate procedures or timely files a grievance in writing in accordance with the provisions of the parties’ negotiated grievance procedure, whichever event occurs first.

(2) In matters covered under sections 4303 and 7512 of this title which have been raised under the negotiated grievance procedure in accordance with this section, an arbitrator shall be governed by section 7701(c)(1) of this title, as applicable.

(f) In matters covered under sections 4303 and 7512 of this title which have been raised under the negotiated grievance procedure in accordance with this section, section 7703 of this title pertaining to judicial review shall apply to the award of an arbitrator in the same manner and under the same conditions as if the matter had been decided by the Board. In matters similar to those covered under sections 4303 and 7512 of this title which arise under other personnel systems and which an aggrieved employee has raised under the negotiated grievance procedure, judicial review of an arbitrator’s award may be obtained in the same manner and on the same basis as could be obtained of a final decision in such matters raised under applicable appellate procedures.

(g)(1) This subsection applies with respect to a prohibited personnel practice other than a prohibited personnel practice to which subsection (d) applies.

(2) An aggrieved employee affected by a prohibited personnel practice described in paragraph (1) may elect not more than one of the remedies described in paragraph (3) with respect thereto. For purposes of the preceding sentence, a determination as to whether a particular remedy has been elected shall be made as set forth under paragraph (4).

(3) The remedies described in this paragraph are as follows:

(A) An appeal to the Merit Systems Protection Board under section 7701.

(B) A negotiated grievance procedure under this section.

(C) Procedures for seeking corrective action under subchapters II and III of chapter 12.

(4) For the purpose of this subsection, a person shall be considered to have elected—

(A) the remedy described in paragraph (3)(A) if such person has timely filed a notice of appeal under the applicable appellate procedures;

(B) the remedy described in paragraph (3)(B) if such person has timely filed a grievance in writing, in accordance with the provisions of the parties’ negotiated procedure; or

(C) the remedy described in paragraph (3)(C) if such person has sought corrective action from the Office of Special Counsel by making an allegation under section 1214(a)(1).

(h) Settlements and awards under this chapter shall be subject to the limitations in section 5596(b)(4) of this title.

(A) To the Merit Systems Protection Board under section 7701.

(B) To the Merit Systems Protection Board under section 7701.

(C) The remedy described in paragraph (2)(B) if such person has timely filed a grievance in writing, in accordance with the provisions of the parties’ negotiated procedure, but not both.

(D) An appeal to the Merit Systems Protection Board under section 7701.
it considers necessary, consistent with applicable laws, rules, or regulations.

(b) If no exception to an arbitrator's award is filed under subsection (a) of this section during the 30-day period beginning on the date the award is served on the party, the award shall be final and binding. An agency shall take the actions required by an arbitrator's final award. The award may include the payment of backpay (as provided in section 5596 of this title).

AMENDMENTS
1984—Subsec. (b). Pub. L. 98–224 amended subsec. (b) generally, substituting “beginning on the date the award is served on the party” for “beginning on the date of such award”.

§ 7123. Judicial review; enforcement

(a) Any person aggrieved by any final order of the Authority other than an order under—

(1) section 7122 of this title (involving an award by an arbitrator), unless the order involves an unfair labor practice under section 7118 of this title, or

(2) section 7112 of this title (involving an appropriate unit determination),

may, during the 60-day period beginning on the date on which the order was issued, institute an action for judicial review of the Authority’s order in the United States court of appeals in the circuit in which the person resides or transacts business or in the United States Court of Appeals for the District of Columbia.

(b) The Authority may petition any appropriate United States court of appeals for the enforcement of any order of the Authority and for appropriate temporary relief or restraining order.

(c) Upon the filing of a petition under subsection (a) of this section for judicial review or under subsection (b) of this section for enforcement, the Authority shall file in the court the record in the proceedings, as provided in section 2112 of title 28. Upon the filing of the petition, the court shall cause notice thereof to be served on the parties involved, and thereupon shall have jurisdiction of the proceeding and of the question determined therein and may grant any temporary relief (including a temporary restraining order) it considers just and proper, and may make and enter a decree affirming and enforcing, modifying and enforcing as so modified, or setting aside in whole or in part the order of the Authority. The filing of a petition under subsection (a) or (b) of this section shall not operate as a stay of the Authority’s order unless the court specifically orders the stay. Review of the Authority’s order shall be on the record in accordance with section 706 of this title. No objection that has not been urged before the Authority, or its designee, shall be considered by the court, unless the failure or neglect to urge the objection is excused because of extraordinary circumstances. The findings of the Authority with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive. If any person applies to the court for leave to adduce additional evidence and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for the failure to adduce the evidence in the hearing before the Authority, or its designee, the court may order the additional evidence to be taken before the Authority, or its designee, and to be made a part of the record. The Authority may modify its findings as to the facts, or make new findings by reason of additional evidence so taken and filed. The Authority shall file its modified or new findings, which, with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive. The Authority shall file its recommendations, if any, for the modification or setting aside of its original order. Upon the filing of the record with the court, the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the judgment and decree shall be subject to review by the Supreme Court of the United States upon writ of certiorari or certification as provided in section 1254 of title 28.

(d) The Authority may, upon issuance of a complaint as provided in section 7118 of this title charging that any person has engaged in or is engaging in an unfair labor practice, petition any United States district court within any district in which the unfair labor practice in question is alleged to have occurred or in which such person resides or transacts business for appropriate temporary relief (including a restraining order). Upon the filing of the petition, the court shall cause notice thereof to be served upon the person, and thereupon shall have jurisdiction to grant any temporary relief (including a temporary restraining order) it considers just and proper. A court shall not grant any temporary relief under this section if it would interfere with the ability of the agency to carry out its essential functions or if the Authority fails to establish probable cause that an unfair labor practice is being committed.

PARTIAL SUSPENSION OF FEDERAL SERVICE LABOR-MANAGEMENT RELATIONS

Subsec. (b) of this section suspended with respect to any matter which substantially impairs the implementation by the United States Forces of any treaty or agreement, including any minutes or understandings thereto, between the United States and the Government of the host nation, see section 1(a) of Ex. I. RONALD REAGAN, President of the United States of America, find that:

Drug use is having serious adverse effects upon a significant proportion of the national work force and results in billions of dollars of lost productivity each year.

The Federal government, as an employer, is concerned with the well-being of its employees, the successful accomplishment of agency missions, and the need to maintain employee productivity.

The Federal government, as the largest employer in the Nation, can and should show the way towards.
achieving drug-free workplaces through a program designed to offer drug users a helping hand and, at the same time, demonstrating to drug users and potential drug users that drugs will not be tolerated in the Federal workplace; 

The profits from illegal drugs provide the single greatest source of income for organized crime, fuel violent crime, and otherwise contribute to the breakdown of our society;

Federal employees who use illegal drugs, on or off duty, tend to be less productive, less reliable, and prone to greater absenteeism than their fellow employees who do not use illegal drugs;
The use of illegal drugs, on or off duty, by Federal employees is inconsistent not only with the law-abiding behavior expected of all citizens, but also with the special trust placed in such employees as servants of the public;

Federal employees who use illegal drugs, on or off duty, tend to be less productive, less reliable, and prone to greater absenteeism than their fellow employees who do not use illegal drugs;
The use of illegal drugs, on or off duty, by Federal employees is inconsistent not only with the law-abiding behavior expected of all citizens, but also with the special trust placed in such employees as servants of the public;

Section 1. Drug-Free Workplace. (a) Federal employees are required to refrain from the use of illegal drugs. 
(b) The use of illegal drugs by Federal employees, whether on duty or off duty, is contrary to the efficiency of the service. 
(c) Persons who use illegal drugs are not suitable for Federal employment.

Section 2. Agency Responsibilities. (a) The head of each Executive agency shall perform the duties described in sections (b) and (c) of this section, the head of each Executive agency is authorized to test employees for illegal drug use under the following circumstances:

Section 4. Drug Testing Procedures. (a) Sixty days prior to the implementation of a drug testing program pursuant to this Order, agencies shall notify employees that testing for use of illegal drugs is to be conducted and that they may seek counseling and rehabilitation and inform them of the procedures for obtaining such assistance through the agency’s Employee Assistance Program. Agencies drug testing programs already ongoing are exempted from the 60-day notice requirement. Agencies may take action under section 3(c) of this Order without reference to the 60-day notice period.

(b) Before conducting a drug test, the agency shall inform the employee to be tested of the opportunity to submit medical documentation that may support a legitimate use for a specific drug.

(c) Drug testing programs shall contain procedures for timely submission of requests for retention of records and specimens; procedures for retesting; and procedures, consistent with applicable law, to protect the confidentiality of test results and related medical and rehabilitation records. Procedures for providing urine specimens must allow individual privacy, unless the agency has reason to believe that a particular individual may alter or substitute the specimen to be provided.

sitive position if it is determined that this action would not pose a danger to public health or safety or the national security.

(2) Agencies shall initiate action to remove from the service any employee who is found to use illegal drugs and:

(1) Refuses to obtain counseling or rehabilitation through an Employee Assistance Program; or

(2) Does not thereafter refrain from using illegal drugs.

Preliminary test results may not be used in an administrative proceeding unless they are confirmed by a second analysis of the same sample or unless the employee confirms the accuracy of the initial test by admitting the use of illegal drugs.

(f) The determination of an agency that an employee uses illegal drugs can be made on the basis of any appropriate evidence, including direct observation, a criminal conviction, administrative inquiry, or the results of an authorized testing program. Positive drug test results may be rebutted by other evidence that an employee has not used illegal drugs.

No. 13058, Aug. 9, 1997, 52 F.R. 43541, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America and in order to protect Federal Government employees and members of the public from exposure to tobacco smoke in the Federal workplace, it is hereby ordered as follows:

SECTION 1. Policy. It is the policy of the executive branch to establish a smoke-free environment for Federal employees and members of the public visiting or using Federal facilities. The smoking of tobacco products is thus prohibited in all interior space owned, rented, or leased by the executive branch of the Federal Government, and in any outdoor areas under executive branch control in front of air intake ducts.

SEC. 2. Exceptions. The general policy established by this order is subject to the following exceptions: (a) The order does not apply in designated smoking areas that are enclosed and exhausted directly to the outside and away from air intake ducts, and are maintained under negative pressure (with respect to surrounding spaces) sufficient to contain tobacco smoke within the designated area. Agency officials shall not require workers to enter such areas during business hours while smoking is ongoing.

(b) The order does not extend to any residential accommodation for persons voluntarily or involuntarily residing, on a temporary or long-term basis, in a building owned, leased, or rented by the Federal Government.

(c) The order does not extend to those portions of federally owned buildings leased, rented, or otherwise provided in their entirety to nonfederal parties.

(e) The head of any agency may establish limited and narrow exceptions that are necessary to accomplish agency missions. Such exception shall be in writing, approved by the agency head, and to the fullest extent possible provide protection of non-smokers from exposure to environmental tobacco smoke. Authority to establish such exceptions may not be delegated.

SEC. 3. Other Locations. The heads of agencies shall evaluate the need to restrict smoking at doorways and in courtyards under executive branch control in order to protect workers and visitors from environmental tobacco smoke, and may restrict smoking in these areas in light of this evaluation.

SEC. 4. Smoking Cessation Programs. The heads of agencies are encouraged to use existing authority to establish programs designed to help employees stop smoking.

Independent agencies are encouraged to comply with the provisions of this order.

SEC. 6. Phase-In of Implementation. Implementation of the policy set forth in this order shall be achieved no later than 1 year after the date of this order. This 1 year phase-in period is designed to establish a fixed but reasonable time for implementing this policy. Agency heads are directed during this period to inform all employees and visitors to executive branch facilities about the requirements of this order, inform their employees of the health risks of exposure to environmental tobacco smoke, and undertake related activities as necessary.

SEC. 7. Consistency with Other Laws. The provisions of this order shall be implemented consistent with appli-
cable law, including the Federal Service Labor-Management Relations Act (5 U.S.C. 7101 et seq.) and the National Labor Relations Act (29 U.S.C. 151 et seq.) [1]. Provisions of existing collective bargaining agreements shall be honored and agencies shall consult with employee labor representatives about the implementation of this order. EX. ORD. No. 13488. GRANTING RECIPROCITY ON EXCEPTED SERVICE AND FEDERAL CONTRACTOR EMPLOYEE FITNESS AND REINVESTIGATING INDIVIDUALS IN POSITIONS OF PUBLIC TRUST

Individuals in positions of public trust shall be subject to reinvestigation under standards (including but not limited to the frequency of such reinvestigation) as determined by the Director of the Office of Personnel Management, to ensure their suitability for continued employment.

6. Responsibilities. (a) An agency shall report to the Office of Personnel Management the nature and results of the background investigation and fitness determination (or later changes to that determination) made on an individual, to the extent consistent with law.

(b) The Director of the Office of Personnel Management is delegated authority to implement this order, including the authority to issue regulations and guidance governing suitability, and a guidance related to fitness, as the Director determines appropriate.

7. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

§ 7311  TITLE 5—GOVERNMENT ORGANIZATION AND EMPLOYEES  Page 676

SECTION 1. In addition to the departments and agencies specified in the said act of August 26, 1950, and Executive Order No. 10237 of April 26, 1951, the provisions of that act shall apply to all other departments and agencies of the Government.

SIC 2. The head of each department and agency of the Government shall be responsible for establishing and maintaining within his department or agency an effective program to insure that the employment and retention in employment of any civilian officer or employee within the department or agency is clearly consistent with the interests of the national security. The scope of the investigation shall be determined in the first instance according to the degree of adverse effect the occupant of the position sought to be filled could bring about, by virtue of the nature of the position, on the national security, but in no event shall the investigation include less than a national agency check (including a check of the fingerprint files of the Federal Bureau of Investigation), and written inquiries to appropriate local law enforcement agencies, former employers and supervisors, references, and schools attended by the person under investigation: Provided, that upon request of the head of the department or agency concerned, the Office of Personnel Management may, in its discretion, authorize such less investigation as may meet the requirements of the national security with respect to intermittent, temporary, or seasonal employees, or aliens employed outside the United States. Should there develop at any stage of investigation information indicating that the employment of any such person may not be clearly consistent with the interests of the national security, there shall be conducted with respect to such person a full field investigation, or such less investigation as shall be sufficient to enable the head of the department or agency concerned to determine whether retention of such person is clearly consistent with the interests of the national security.

(b) The head of any department or agency shall designate, or cause to be designated, any position within his department or agency the occupant of which could bring about, by virtue of the nature of the position, a material adverse effect on the national security as a sensitive position. Any position so designated shall be filled or occupied only by a person with respect to whom a full field investigation has been conducted: Provided, that a person occupying a sensitive position at the time it is designated as such may continue to occupy such position pending the completion of a full field investigation, subject to the other provisions of this order: And provided further, that in case of emergency a sensitive position may be filled for a limited period by a person with respect to whom a full field pre-appointment investigation has not been completed if the head of the department or agency concerned finds that such action is necessary in the national interest, which finding shall be made a part of the records of such department or agency.

SIC 4. The head of each department and agency shall review, or cause to be reviewed, the cases of all civilian officers and employees with respect to whom there has been conducted a full field investigation under Executive Order No. 9835 of March 21, 1947, and, after such further investigation as may be appropriate, shall re-adjudicate, or cause to be re-adjudicated, in accordance with the said act of August 26, 1950, such of those cases as have not been adjudicated under a security standard commensurate with that established under this order.

SIC 5. Whenever there is developed or received by any department or agency information indicating that the retention in employment of any officer or employee of the Government may not be clearly consistent with the interests of the national security, such information shall be forwarded to the head of the department or agency or his representative, who, after such investigation as may be appropriate, shall review, or cause to be reviewed, and, where necessary, re-adjudicate, or cause to be re-adjudicated, in accordance with the said act of August 26, 1950, the case of such officer or employee.

SIC 6. Should there develop at any stage of investigation information indicating that the employment of any officer or employees of the Government may not be clearly consistent with the interests of the national security, the head of the department or agency concerned or his representative shall immediately suspend the employment of the person involved if he deems such suspension necessary in the interests of the national security and, following such investigation and review as he deems necessary the head of the department or agency concerned shall terminate the employment of such suspended officer in the interests of the national security, or employee whenever he shall determine such termination necessary or advisable in accordance with the said act of August 26, 1950.

SIC 7. Any person whose employment is suspended or terminated under the authority granted to heads of departments and agencies by or in accordance with the said act of August 26, 1950, or pursuant to the said Executive Order No. 9835 or any other security or loyalty program relating to officers or employees of the Government, shall not be reinstated or restored to duty or reemployed in the same department or agency and shall not be reemployed in any other department or agency, unless the head of the department or agency concerned finds that such reinstatement, reemployment, or reemployment is clearly consistent with the interests of the national security, which finding shall be made a part of the records of such department or agency: Provided, that no person whose employment has been terminated under such authority thereafter may be employed by any other department or agency except after a determination by the Office of Personnel Management that such person is eligible for such employment.

SIC 8. (a) The investigations conducted pursuant to this order shall be designed to develop information as to whether the employment or retention in employment in the Federal service of the person being investigated is clearly consistent with the interests of the national security. Such information shall relate, but shall not be limited, to the following:

(3) Establishing or continuing a sympathetic association with a saboteur, spy, traitor, seditionist, anarchist, or revolutionist, or with any espionage or other secret agent or representative of a foreign nation, or any representative of a foreign nation whose interests may be inimical to the interests of the United States, or with any person who advocates the use of force or violence to overthrow the form of government of the United States or the alteration of the form of government of the United States by unconstitutional means.

(4) Commission of any act of sabotage, espionage, treason, or sedition, or attempts thereof or preparation therefor, or conspiring with, or aiding or abetting another to commit or attempt to commit any act of sabotage, espionage, treason, or sedition.

(5) Any facts which furnish reason to believe that the individual may be subjected to coercion, influence, or pressure which may cause him to act contrary to the best interests of the national security.

(6) Any other acts which, in the opinion of competent authority, may cause significant defect in the judgment or reliability of the employee, with due regard to the transient or continuing effect of the illness and the medical findings in such case.

(5) Knowing membership with the specific intent of furthering the aims of, or adherence to and active participation in, any foreign or domestic organization, association, movement, group, or combination of persons (hereinafter referred to as organizations) which unlawfully advocates or practices the commission of acts of force or violence to prevent others from exercising their rights under the Constitution or laws of the United States or of any State, or which seeks to overthrow the Government of the United States or any State or subdivision thereof by unlawful means.

(6) Intentional unauthorized disclosure to any person of security information, or of other information disclosure of which is prohibited by law, or willful violation or disregard of security regulations.

The security-investigations index shall contain the name of each person investigated, adequate identifying information concerning each such person, and a reference to each department and agency which has conducted an investigation concerning the person involved or has suspended or terminated the employment of such person under the authority granted to heads of departments and agencies by or in accordance with the said act of August 26, 1950.

(b) The heads of all departments and agencies shall furnish promptly to the Office of Personnel Management information appropriate for the establishment and maintenance of the security-investigations index.

c) The reports and other investigative material and information developed by investigations conducted pursuant to any statute, order, or program described in section 7 of this order shall remain the property of the investigative agencies conducting the investigations, but may, subject to considerations of the national security, be retained by the department or agency concerned. (2) Such listings shall include for each tangible gift reported—

(D) the date of acceptance of the gift; 

(E) the estimated value in the United States of the gift at the time of acceptance; and 

(F) disposition or current location of the gift. 

(3) Such listings shall include for each gift of travel or travel expenses— 

(A) the name and position of the employee; 

(B) a brief description of the gift and the circumstances justifying acceptance; and 

(C) the identity, if known, of the foreign government and the name and position of the individual who presented the gift. 

(4)(A) In transmitting such listings for an element of the intelligence community, the head of such element may delete the information described in subparagraph (A) or (C) of paragraph (2) or in subparagraph (A) or (C) of paragraph (3) if the head of such element certifies in writing to the Secretary of State that the publication of such information could adversely affect United States intelligence sources or methods. 

(B) Any information not provided to the Secretary of State pursuant to the authority in subparagraph (A) shall be transmitted to the Director of National Intelligence who shall keep a record of such information. 

(C) In this paragraph, the term “intelligence community” has the meaning given that term in section 3(4) of the National Security Act of 1947 (50 U.S.C. 401a(4)). 

(g)(1) Each employing agency shall prescribe such regulations as may be necessary to carry out the purpose of this section. (h) The Attorney General may bring a civil action in any district court of the United States against any employee who knowingly solicits or accepts a gift from a foreign government not consented to by this section or who fails to deposit or report such gift as required by this section. The court in which such action is brought may assess a penalty against such employee in any amount not to exceed the retail value of the gift improperly solicited or received plus $5,000. 

(i) The President shall direct all Chiefs of a United States Diplomatic Mission to inform their host governments that it is a general policy of the United States Government to prohibit United States Government employees from receiving gifts or decorations of more than minimal value. 

(j) Nothing in this section shall be construed to derogate any regulation prescribed by any employing agency which provides for more stringent limitations on the receipt of gifts and decorations by its employees. 

(k) The provisions of this section do not apply to grants and other forms of assistance to which section 108A of the Mutual Educational and Cultural Exchange Act of 1961 applies. 

The definitions of “employee” and “uniformed services” in 5 U.S.C. 2105 and 2101 are broad enough to cover the persons included in 22 U.S.C. 2621(1) with the exception of (1) individuals employed by, or occupying an office or position in, the government of a territory or possession of the United States or of the District of Columbia, (2) the President, and (3) Members of Congress, who, accordingly, are covered in paragraphs (B), (D), and (E). As the Canal Zone Government is an independent agency of the United States, see section 31 of title 2, Canal Zone Code, an employee thereof is an “employee” as defined in 5 U.S.C. 2105.

In subsection (c), the words “under regulations prescribed under this section” are substituted for “in accordance with the rules and regulations issued pursuant to this Act”.

In subsection (e), the words “The President may prescribe regulations to carry out the purpose of this section” are substituted for “Rules and regulations to carry out the purposes of this Act may be prescribed by or under the authority of the President”. Under 3 U.S.C. 301, the President may delegate the authority vested in him by this subsection.

CHAPTER 77—APPEALS

Sec. 7701. Appellate procedures.

7702. Actions involving discrimination.

7703. Judicial review of decisions of the Merit Systems Protection Board.

AMENDMENTS

§ 7701. Appellate procedures

(a) An employee, or applicant for employment, may submit an appeal to the Merit Systems Protection Board from any action which is appealable to the Board under any law, rule, or regulation. An appellant shall have the right—

(1) to a hearing for which a transcript will be kept; and

(2) to be represented by an attorney or other representative.

Appeals shall be processed in accordance with regulations prescribed by the Board.

(b)(1) The Board may hear any case appealed to it or may refer the case to an administrative law judge appointed under section 3105 of this title or other employee of the Board designated by the Board to hear such cases, except that in any case involving a removal from the service, the case shall be heard by the Board, an employee experienced in hearing appeals, or an administrative law judge. The Board, administrative law judge, or other employee (as the case may be) shall make a decision after receipt of the written representations of the parties to the appeal and after opportunity for a hearing under subsection (a)(1) of this section. A copy of the decision shall be furnished to each party to the appeal and to the Office of Personnel Management.

(2)(A) If an employee or applicant for employment is the prevailing party in an appeal under this subsection, the employee or applicant shall be granted the relief provided in the decision effective upon the making of the decision, and remaining in effect pending the outcome of any petition for review under subsection (e), unless—

(i) the deciding official determines that the granting of such relief is not appropriate; or

(ii)(I) the relief granted in the decision provides that such employee or applicant shall return or be present at the place of employment during the period pending the outcome of any petition for review under subsection (e); and

(II) the employing agency, subject to the provisions of subparagraph (B), determines that the return or presence of such employee or applicant is unduly disruptive to the work environment.

(B) If an agency makes a determination under subparagraph (A)(ii)(II) that prevents the return or presence of an employee at the place of employment, such employee shall receive pay, compensation, and all other benefits as terms and conditions of employment during the period pending the outcome of any petition for review under subsection (e).

(C) Nothing in the provisions of this paragraph may be construed to require any award of back pay or attorney fees be paid before the decision is final.

(3) With respect to an appeal from an adverse action covered by subchapter V of chapter 75, authority to mitigate the personnel action involved shall be available, subject to the same
standards as would apply in an appeal involving an action covered by subchapter II of chapter 75 with respect to which mitigation authority under this section exists.

(c)(1) Subject to paragraph (2) of this subsection, the decision of the agency shall be sustained under subsection (b) only if the agency’s decision—

(A) in the case of an action based on unacceptable performance described in section 3303, is supported by substantial evidence; or

(B) in any other case, is supported by a preponderance of the evidence.

(2) Notwithstanding paragraph (1), the agency’s decision may not be sustained under subsection (b) of this section if the employee or applicant for employment—

(A) shows harmful error in the application of the agency’s procedures in arriving at such decision;

(B) shows that the decision was based on any prohibited personnel practice described in section 2302(b) of this title; or

(C) shows that the decision was not in accordance with law.

(d)(1) In any case in which—

(A) the interpretation or application of any civil service law, rule, or regulation, under the jurisdiction of the Office of Personnel Management is at issue in any proceeding under this section; and

(B) the Director of the Office of Personnel Management is of the opinion that an erroneous decision would have a substantial impact on any civil service law, rule, or regulation under the jurisdiction of the Office;

the Director may as a matter of right intervene or otherwise participate in that proceeding before the Board. If the Director exercises his right to participate in a proceeding before the Board, he shall do so as early in the proceeding as practicable. Nothing in this title shall be construed to permit the Office to interfere with the independent decisionmaking of the Merit Systems Protection Board.

(2) The Board shall promptly notify the Director whenever the interpretation of any civil service law, rule, or regulation under the jurisdiction of the Office is at issue in any proceeding under this section.

(e)(1) Except as provided in section 7702 of this title, any decision under subsection (b) of this section shall be final unless—

(A) a party to the appeal or the Director petitions the Board for review within 30 days after the receipt of the decision; or

(B) the Board reopens and reconsider a case on its own motion.

The Board, for good cause shown, may extend the 30-day period referred to in subparagraph (A) of this paragraph. One member of the Board may grant a petition or otherwise direct that a decision be reviewed by the full Board. The preceding sentence shall not apply if, by law, a decision of an administrative law judge is required to be acted upon by the Board.

(2) The Director may petition the Board for a review under paragraph (1) of this subsection only if the Director is of the opinion that the decision is erroneous and will have a substantial impact on any civil service law, rule, or regulation under the jurisdiction of the Office.

(f) The Board, or an administrative law judge or other employee of the Board designated to hear a case, may—

(1) consolidate appeals filed by two or more appellants, or

(2) join two or more appeals filed by the same appellant and hear and decide them concurrently,

if the deciding official or officials hearing the cases are of the opinion that the action could result in the appeals’ being processed more expeditiously and would not adversely affect any party.

(g)(1) Except as provided in paragraph (2) of this subsection, the Board, or an administrative law judge or other employee of the Board designated to hear a case, may require payment by the agency involved of reasonable attorney fees incurred by an employee or applicant for employment if the employee or applicant is the prevailing party and the Board, administrative law judge, or other employee (as the case may be) determines that payment by the agency is warranted in the interest of justice, including any case in which a prohibited personnel practice was engaged in by the agency or any case in which the agency’s action was clearly without merit.

(2) If an employee or applicant for employment is the prevailing party and the decision is based on a finding of discrimination prohibited under section 2302(b)(1) of this title, the payment of attorney fees shall be in accordance with the standards prescribed under section 706(k) of the Civil Rights Act of 1964 (42 U.S.C. 2000e–5(k)).

(h) The Board may, by regulation, provide for one or more alternative methods for settling matters subject to the appellate jurisdiction of the Board which shall be applicable at the election of an applicant for employment or of an employee who is not in a unit for which a labor organization is accorded exclusive recognition, and shall be in lieu of other procedures provided for under this section. A decision under such a method shall be final, unless the Board reopens and reconsidera a case at the request of the Office of Personnel Management under subsection (e) of this section.

(i)(1) Upon the submission of any appeal to the Board under this section, the Board, through reference to such categories of cases, or other means, as it determines appropriate, shall establish and announce publicly the date by which it intends to complete action on the matter. Such date shall assure expeditious consideration of the appeal, consistent with the interests of fairness and other priorities of the Board. If the Board fails to complete action on the appeal by the announced date, and the expected delay will exceed 30 days, the Board shall publicly announce the new date by which it intends to complete action on the appeal.

(2) Not later than March 1 of each year, the Board shall submit to the Congress a report describing the number of appeals submitted to it during the preceding fiscal year, the number of appeals on which it completed action during
that year, and the number of instances during that year in which it failed to conclude a proceeding by the date originally announced, together with an explanation of the reasons therefor.

(3) The Board shall by rule indicate any other category of significant Board action which the Board determines should be subject to the provisions of this subsection.

(4) It shall be the duty of the Board, an administrative law judge, or employee designated by the Board to hear any proceeding under this section to expedite to the extent practicable that proceeding.

(j) In determining the appealability under this section of any case involving a removal from the service (other than the removal of a reemployed annuitant), neither an individual's status under any retirement system established by or under Federal statute nor any election made by such individual under any such system may be taken into account.

(k) The Board may prescribe regulations to carry out the purpose of this section.

HISTORICAL AND REVISION NOTES

Derivation | U.S. Code | Revised Statutes and Statutes at Large
--- | --- | ---

The application of the section is established by the words “A preference eligible employee as defined by section 7511 of this title”. Specific mention of the actions appealable are covered by the reference to “an adverse decision under section 7512 of this title”. The words “administrative authority” are substituted for “administrative officer” to avoid conflict with the definitions of “employee” and “officer” in chapter 21 of this title and to include an individual who is employed by the government of the District of Columbia or who is a member of a uniformed service as such an individual could have been an “administrative officer” under former section 863. The words “the date of” in the phrase “after the date of receipt of notice” are omitted as unnecessary. The words “reasonable rules and regulations” are omitted as unnecessary. The word “proper” in the phrase “proper administrative officer” is omitted as unnecessary. The word “designated” in the phrase “designated representative” is omitted as unnecessary.

(ii) section 6(d) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(d));

(iii) section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791);

(iv) sections 12 and 15 of the Age Discrimination in Employment Act of 1967 (29 U.S.C. 631, 633a), or

(v) any rule, regulation, or policy directive prescribed under any provision of law described in clauses (i) through (iv) of this subparagraph,

the Board shall, within 120 days of the filing of the appeal, decide both the issue of discrimination and the appealable action in accordance with the Board’s appellate procedures under section 7701 of this title and this section.

(2) In any matter before an agency which involves—

(A) any action described in paragraph (1)(A) of this subsection; and

(B) any issue of discrimination prohibited under any provision of law described in paragraph (1)(B) of this subsection;

the agency shall resolve such matter within 120 days. The decision of the agency in any such matter shall be a judicially reviewable action unless the employee appeals the matter to the Board under paragraph (1) of this subsection.

(3) Any decision of the Board under paragraph (1) of this subsection shall be a judicially reviewable action as of—

(A) the date of issuance of the decision if the employee or applicant does not file a petition with the Equal Employment Opportunity Commission under subsection (b)(1) of this section, or

(B) the date the Commission determines not to consider the decision under subsection (b)(2) of this section.

(b)(1) An employee or applicant may, within 30 days after notice of the decision of the Board under subsection (a)(1) of this section, petition the Commission to consider the decision.

(2) The Commission shall, within 30 days after the date of the petition, determine whether to consider the decision. A determination of the Commission not to consider the decision may not be used as evidence with respect to any issue concerning that issue.

(3) If the Commission makes a determination to consider the decision, the Commission shall, within 60 days after the date of the determination, consider the entire record of the proceedings of the Board and, on the basis of the evidentiary record before the Board, as supplemented under paragraph (4) of this subsection, either—

(A) concur in the decision of the Board; or

(B) issue in writing another decision which differs from the decision of the Board to the extent that the Commission finds that, as a matter of law—

(i) the decision of the Board constitutes an incorrect interpretation of any provision of law, rule, regulation, or policy directive referred to in subsection (a)(1)(B) of this section, or

(ii) the decision involving such provision is not supported by the evidence in the record as a whole.

(4) In considering any decision of the Board under this subsection, the Commission may refer the case to the Board, or provide on its own, for the taking (within such period as permits the Commission to make a decision within the 60-day period prescribed under this subsection) of additional evidence to the extent it considers necessary to supplement the record.

(5)(A) If the Commission concurs pursuant to paragraph (3)(A) of this subsection in the decision of the Board, the decision of the Board shall be a judicially reviewable action.

(B) If the Commission issues any decision under paragraph (3)(B) of this subsection, the Commission shall immediately refer the matter to the Board.

(c) Within 30 days after receipt by the Board of the decision of the Commission under subsection (b)(5)(B) of this section, the Board shall consider the decision and—

(1) concur and adopt in whole the decision of the Commission; or

(2) to the extent that the Board finds that, as a matter of law, (A) the Commission decision constitutes an incorrect interpretation of any provision of any civil service law, rule, regulation or policy directive, or (B) the Commission decision involving such provision is not supported by the evidence in the record as a whole—

(i) reaffirm the initial decision of the Board; or

(ii) reaffirm the initial decision of the Board with such revisions as it determines appropriate.

If the Board takes the action provided under paragraph (1), the decision of the Board shall be a judicially reviewable action.

(d)(1) If the Board takes any action under subsection (c)(2) of this section, the matter shall be
immediately certified to a special panel described in paragraph (6) of this subsection. Upon certification, the Board shall, within 5 days (excluding Saturdays, Sundays, and holidays), transmit to the special panel the administrative record in the proceeding, including—

(A) the factual record compiled under this section,

(B) the decisions issued by the Board and the Commission under this section, and

(C) any transcript of oral arguments made, or legal briefs filed, before the Board or the Commission.

(2)(A) The special panel shall, within 45 days after a matter has been certified to it, review the administrative record transmitted to it and, on the basis of the record, decide the issues in dispute and issue a final decision which shall be a judicially reviewable action.

(B) The special panel shall give due deference to the respective expertise of the Board and the Commission in making its decision.

(3) The special panel shall refer its decision under paragraph (2) of this subsection to the Board and the Board shall order any agency to take any action appropriate to carry out the decision.

(4) The special panel shall permit the employee or applicant who brought the complaint and the employing agency to appear before the panel to present oral arguments and to present written arguments with respect to the matter.

(5) Upon application by the employee or applicant, the Commission may issue such interim relief as it determines appropriate to mitigate any exceptional hardship the employee or applicant might otherwise incur as a result of the certification of any matter under this subsection, except that the Commission may not stay, or order any agency to review on an interim basis, the action referred to in subsection (a)(1) of this section.

(6)(A) Each time the Board takes any action under subsection (c)(2) of this section, a special panel shall be convened which shall consist of—

(i) an individual appointed by the President, by and with the advice and consent of the Senate, to serve for a term of 6 years as chairman of the special panel each time it is convened;

(ii) one member of the Board designated by the chairman of the Board each time a panel is convened; and

(iii) one member of the Commission designated by the Chairman of the Commission each time a panel is convened.

The chairman of the special panel may be removed by the President only for inefficiency, neglect of duty, or malfeasance in office.

(B) The chairman is entitled to pay at a rate equal to the maximum annual rate of basic pay payable under the General Schedule for each day he is engaged in the performance of official business on the work of the special panel.

(C) The Board and the Commission shall provide such administrative assistance to the special panel as may be necessary and, to the extent practicable, shall equally divide the costs of providing the administrative assistance.

(e)(1) Notwithstanding any other provision of law, if at any time after—

(A) the 120th day following the filing of any matter described in subsection (a)(2) of this section with an agency, there is no judicially reviewable action under this section or an appeal under paragraph (2) of this subsection;

(B) the 120th day following the filing of an appeal with the Board under subsection (a)(1) of this section, there is no judicially reviewable action (unless such action is not as the result of the filing of a petition by the employee under subsection (b)(1) of this section); or

(C) the 180th day following the filing of a petition with the Equal Employment Opportunity Commission under subsection (b)(1) of this section, there is no final agency action under subsection (b), (c), or (d) of this section; an employee shall be entitled to file a civil action to the same extent and in the same manner as provided in section 717(c) of the Civil Rights Act of 1964 (42 U.S.C. 2000e–16(c)), section 15(c) of the Age Discrimination in Employment Act of 1967 (29 U.S.C. 633a(c)), or section 16(b) of the Fair Labor Standards Act of 1938 (29 U.S.C. 216(b)).

(2) If, at any time after the 120th day following the filing of a petition with the Equal Employment Opportunity Commission under subsection (b)(1) of this section and the employee timely files the action, appeal, or petition with an agency other than the agency with which the action, appeal, or petition is to be filed, the employee shall be treated as having timely filed the action, appeal, or petition as of the date it is filed with the proper agency.

(2) make such statistical or other reports on such forms as the Secretary may prescribe by regulation.

(29 U.S.C. 668), it is ordered:

By the authority vested in me as President by the Constitution and statutes of the United States of America, including Section 902(c) of Title 5 of the United States Code and in accord with Section 19 of the Occupational Safety and Health Act of 1970, as amended (29 U.S.C. 658), it is ordered:

1–1. SCOPE OF THIS ORDER

1–102. For the purposes of this order, the term “agency” means an Executive department, as defined in 5 U.S.C. 101, or any employing unit or authority of the Federal government, other than those of the judicial and legislative branches. 1–2. HEADS OF AGENCIES

1–201. The head of each agency shall:

(a) Furnish to employees places and conditions of employment that are free from recognized hazards that
are causing or are likely to cause death or serious physical harm.

(b) Operate an occupational safety and health program in accordance with the requirements of this order and basic program elements promulgated by the Secretary.

(c) Designate an agency official with sufficient authority to represent the interest and support of the agency head to be responsible for the management and administration of the agency occupational safety and health program.

(d) Comply with all standards issued under section 6 of the Act [29 U.S.C. 655], except where the Secretary approves compliance with alternative standards. When an agency head determines it necessary to apply a different standard, that agency head shall, after consultation with appropriate occupational safety and health committees where established, notify the Secretary and provide justification that equivalent or greater protection will be assured by the alternate standard.

(e) Assure prompt abatement of unsafe or unhealthy working conditions. Whenever an agency cannot promptly abate such conditions, it shall develop an abatement plan setting forth a timetable for abatement and a summary of interim steps to protect employees. Employees exposed to the conditions shall be informed of the provisions of the plan. When a hazard cannot be abated without assistance of the General Services Administration or other Federal lessor agency, an agency shall act with the lessor agency to secure abatement.

(f) Establish procedures to assure that no employee is subject to restraint, interference, coercion, discrimination or reprisal for filing a report of an unsafe or unhealthy working condition, or other participation in agency occupational safety and health program activities.

(g) Assure that periodic inspections of all agency workplaces are performed by personnel with equipment and competence to recognize hazards.

(h) Assure response to employee reports of hazardous conditions and require inspections within twenty-four hours for imminent dangers, three working days for potential serious conditions, and twenty working days for other conditions. Assure the right to anonymity of those making the reports.

1–3. OCCUPATIONAL SAFETY AND HEALTH COMMITTEES

If committees are established, they shall be established at both the national level and, for agencies with field or regional offices, other appropriate levels. The committees shall be composed of representatives of management and an equal number of nonmanagement employees or their representatives. Where there are exclusive bargaining representatives for employees at the national or other level in an agency, such representatives shall select the appropriate nonmanagement members of the committee.

(c) Issue, subject to the approval of the Director of the Office of Management and Budget, and in consultation with the Federal Advisory Council on Occupational Safety and Health, a set of basic program elements. The program elements shall help agency heads establish occupational safety and health committees and operate effective occupational safety and health programs, and shall provide flexibility to each agency head to implement a program consistent with its mission, size and organization. Upon request of an agency head, and after consultation with the Federal Advisory Council on Occupational Safety and Health, the Secretary may approve alternate program elements.

(d) Prescribe recordkeeping and reporting requirements.

(e) Assist agencies by providing training materials, and by conducting training programs upon request and with reimbursement.

(f) Facilitate the exchange of ideas and information throughout the government about occupational safety and health.

(g) Provide technical services to agencies upon request, where the Secretary deems necessary, and with reimbursement. These services may include studies of accidents, causes of injury and illness, identification of unsafe and unhealthful working conditions, and means to abate hazards.

(h) Evaluate the occupational safety and health programs of agencies and promptly submit reports to the agency heads. The evaluations shall be conducted through such scheduled headquarters or field reviews, studies or inspections as the Secretary deems necessary, at least annually for the larger or more hazardous agencies or operations, and as the Secretary deems appropriate for the smaller or less hazardous agencies.

(i) Conduct unannounced inspections of agency workplaces when the Secretary determines necessary if an agency does not have occupational safety and health committees; or in response to reports of unsafe or unhealthful working conditions, upon request of occupational safety and health committees under Section 1–3; or, in the case of a report of an imminent danger, when such a committee has not responded to an employee who has alleged to it that the agency has not adequately responded to a report as required in 1–201(b). When the Secretary or his designee performs an inspection and discovers unsafe or unhealthy conditions, a violation of any provisions of this order, or any safety or health standards adopted by an agency pursuant to this order, or any program element approved by the Secretary, he shall promptly issue a report to the head of the agency and to the appropriate occupational safety and health committees, if any. The report shall describe the nature of the findings and may make recommendations for correcting the violation.

Before determining whether the program should be extended to other Federal employees nationwide, it shall be analyzed by an entity determined by the agencies identified in section 4 of this order to ascertain, among other things, if it is effective in reducing single occupancy vehicle travel and local area traffic congestion.

Sic. 4. Guidance. Federal agencies shall develop plans to implement this order in consultation with the Department of the Treasury, the Department of Transportation, the Environmental Protection Agency, the Office of Personnel Management, the General Services Administration, and the Office of Management and Budget. Federal agencies that currently have more generous programs or benefits in place may continue to offer those programs or benefits. Agencies shall absorb the costs of implementing this order within the sums received pursuant to the President’s FY 2001 budget request to the Congress.
