Officers and employees of any other department or agency of the Government may, with the consent of the head of such department or agency, be assigned to assist the Commission in carrying out its functions. The Commission may, with the consent of the head of any other department or agency of the Government, utilize the facilities and services of such department or agency in carrying out the functions of the Commission.

(b) Rules and regulations; delegation of functions; time limit on filing of claims

The Commission may prescribe such rules and regulations as may be necessary to enable it to carry out its functions, and may delegate functions to any member, officer, or employee of the Commission. The Commission shall give public notice of the time when, and the limit of time within which, claims may be filed, which notice shall be published in the Federal Register. The limit of time within which claims may be filed with the Commission shall in no event be later than March 31, 1952. The Commission shall take immediate action to advise all persons entitled to file claims under the provisions of this title [sections 2001 to 2016 of this Appendix] administered by the Commission of their rights under such provisions, and to assist them in the preparation and filing of their claims.

(c) Subpenas; issuance; contempt; witness fees; administration of oaths

(1) For the purpose of any hearing, examination, or investigation under this title [sections 2001 to 2016 of this Appendix], the Commission and those employees designated by the Commission shall have the power to issue subpenas re-

The Commission or any employee so designated shall, upon application of a claimant, issue to such claimant subpenas requiring the attendance and testimony of witnesses or the production of documents, or both, required by such claimant in hearings upon his claim: *Provided*, That the claimant making such application pay the witness fees and mileage of any witness or witnesses subpoenaed upon his request. The production of a person's documents at any place other than his place of business shall not be required, however, in any case in which, prior to the return date specified in the subpoena with respect thereto, such person either has furnished the issuer of the subpoena with a copy of such documents (certified by such person under oath to be a true and correct copy) or has entered into a stipulation with the issuer of the subpoena as to the information contained in such documents.

(2) The Commission may, in case of a failure or refusal on the part of any person to comply with any such subpoena, invoke the aid of any United States district court within the jurisdiction of which the hearing, examination, or investigation is being conducted, or such person resides or transacts business. Such court may issue an order requiring such person to appear at the designated place of hearing, examination, or investigation, there to give or produce testimony or documentary evidence concerning the matter in question. Any failure to obey such order of the court shall be punishable by such court as a contempt thereof. All process in any such case may be served in the judicial district wherein such person resides or transacts business or wherever such person may be found.

Payments heretofore made under section 310 of title III of the International Claims Settlement Act of 1949, as amended [22 U.S.C. 1641i], on awards made against the Government of Hungary under section 303(1) of title III of the International Claims Settlement Act of 1949, as amended [22 U.S.C. 1641b(1)], and recertified under subsection (b) of section 209 [section 2017h(b) of this Appendix], shall be considered as payments under this
