If the Secretary determines that making the required amount of funds available in a partial fiscal year is impracticable, the Sec-

All exporters of wheat and wheat flour, feed grains, oil seeds, cotton, pork, beef, and products thereof, and other commodities that the Secretary may designate produced in the United States shall report to the Secretary of Agriculture, on a weekly basis, the following information regarding any contract for export sales entered into or subsequently modified in any manner during the reporting period:

**(b) Failure to report**

Any person who knowingly fails to make any report required under this section shall be fined not more than \$25,000 or imprisoned for not more than 1 year, or both.

- (2) the terms of which require delivery of the commodity within 270 days after the date of the suspension of trade is imposed,

except that the President may prohibit or curtail the export of any agricultural commodity during a period for which the President has declared a national emergency or for which the Congress has declared war.
