STRATEGY FOR THE UNITED STATES RELATIONSHIP
WITH SAUDI ARABIA

Pub. L. 110-53, title XX, §2043, Aug. 3, 2007, 121 Stat. 524, provided that:

“(a) CONGRESSIONAL FINDINGS.—Congress finds that:

“(1) The National Commission on Terrorist Attacks Upon the United States concluded that the Kingdom of Saudi Arabia has ‘been a problematic ally in combating Islamic extremism. At the level of high policy, Saudi Arabia’s leaders cooperated with American diplomatic initiatives aimed at the Taliban or Pakistan before 9/11. At the same time, Saudi Arabia’s society was a place where al Qaeda raised money directly from individuals and through charities. It was the society that produced 15 of the 19 hijackers.’

“(2) Saudi Arabia has an uneven record in the fight against terrorism, especially with respect to terrorist financing, support for radical madrassas, a lack of political outlets for its citizens, and restrictions on religious pluralism, that poses a threat to the security of the United States, the international community, and Saudi Arabia itself.

“(3) The National Commission on Terrorist Attacks Upon the United States concluded that the ‘problems in the U.S.-Saudi relationship must be confronted, openly’. It recommended that the two countries build a relationship that includes a ‘shared commitment to political and economic reform . . . and a shared interest in greater tolerance and cultural respect, translating into a commitment to fight the violent extremists who foment hatred’.

“(4) The United States has a national security interest in working with the Government of Saudi Arabia to combat international terrorists that operate within that country or that operate outside Saudi Arabia with the support of citizens of Saudi Arabia.

“(5) The United States and Saudi Arabia established a Strategic Dialogue in 2005, which provides a framework for the two countries to discuss a range of bilateral issues at high levels, including counterterrorism policy and political and economic reforms.

“(6) It is in the national security interest of the United States to support the Government of Saudi Arabia in undertaking a number of political and economic reforms, including increasing anti-terrorism operations conducted by law enforcement agencies, providing more political and religious rights to its citizens, increasing the rights of women, engaging in comprehensive educational reform, enhancing monitoring of charitable organizations, and promulgating and enforcing domestic laws and regulation on terrorist financing.

“(b) STATEMENT OF POLICY.—It is the policy of the United States—

“(1) to engage with the Government of Saudi Arabia to openly confront the issue of terrorism, as well as other problematic issues such as the lack of political freedoms;

“(2) to enhance counterterrorism cooperation with the Government of Saudi Arabia; and

“(3) to support the efforts of the Government of Saudi Arabia to make political, economic, and social reforms, including greater religious freedom, throughout the country.

“(c) PROGRESS IN COUNTERTERRORISM AND OTHER COOPERATION.—

“(1) REPORT.—Not later than 180 days after the date of the enactment of this Act [Aug. 3, 2007], the President shall transmit to the appropriate congressional committees a report that—

“(A) describes the long-term strategy of the United States—

“(i) to engage with the Government of Saudi Arabia to facilitate political, economic, and social reforms, including greater religious freedom, that will enhance the ability of the Government of Saudi Arabia to combat international terrorism; and

“(ii) to work with the Government of Saudi Arabia to combat terrorism, including through ef-

fective measures to prevent and prohibit the financing of terrorists by Saudi institutions and citizens; and

“(B) provides an assessment of the progress made by Saudi Arabia since 2001 on the matters described in subparagraph (A), including—

“(i) whether Saudi Arabia has become a party to the International Convention for the Suppression of the Financing of Terrorism; and

“(ii) the activities and authority of the Saudi Nongovernmental National Commission for Relief and Charity Work Abroad.

“(2) FORM.—The report required by paragraph (1) shall be transmitted in unclassified form, but may include a classified annex, if necessary.”

[For definition of “appropriate congressional committees” as used in section 2043 of Pub. L. 110-53, set out above, see section 2002 of Pub. L. 110-53, set out as a note under section 2151 of this title.]

[For assignment of functions of President under section 2043(c)(1) of Pub. L. 110-53, set out above, see Memorandum of President of the United States, Sept. 28, 2007, 72 F.R. 56871, set out as a note under section 2228 of this title.]

FINDINGS

Pub. L. 108-458, title VII, §7101, Dec. 17, 2004, 118 Stat. 3775, provided that: “Consistent with the report of the National Commission on Terrorist Attacks Upon the United States, Congress makes the following findings:

“(1) Long-term success in the war on terrorism demands the use of all elements of national power, including diplomacy, military action, intelligence, covert action, law enforcement, economic policy, foreign aid, public diplomacy, and homeland defense.

“(2) To win the war on terrorism, the United States must assign to economic and diplomatic capabilities the same strategic priority that is assigned to military capabilities.

“(3) The legislative and executive branches of the Government of the United States must commit to robust, long-term investments in all of the tools necessary for the foreign policy of the United States to successfully accomplish the goals of the United States.

“(4) The investments referred to in paragraph (3) will require increased funding to United States foreign affairs programs in general, and to priority areas as described in this title [see Tables for classification] in particular.”

“(a) FINDINGS.—Consistent with the report of the National Commission on Terrorist Attacks Upon the United States, Congress makes the following findings:

“(1) Almost every aspect of the counterterrorism strategy of the United States relies on international cooperation.

“(2) Since September 11, 2001, the number and scope of United States Government contacts with foreign governments concerning counterterrorism have expanded significantly, but such contacts have often been ad hoc and not integrated as a comprehensive and unified approach to counterterrorism.

“(b) IN GENERAL.—The Secretary of State is authorized in consultation with relevant United States Government agencies, to negotiate on a bilateral or multilateral basis, as appropriate, international agreements under which parties to an agreement work in partnership to address and interdict acts of international terrorism.

“(c) INTERNATIONAL CONTACT GROUP ON COUNTERTERRORISM.—

“(1) SENSE OF CONGRESS.—It is the sense of Congress that the President—

“(A) should seek to engage the leaders of the governments of other countries in a process of advanc-

ing beyond separate and uncoordinated national counterterrorism strategies to develop with those other governments a comprehensive multilateral strategy to fight terrorism; and

“(B) to that end, should seek to establish an international counterterrorism policy contact group with the leaders of governments providing leadership in global counterterrorism efforts and governments of countries with sizable Muslim populations, to be used as a ready and flexible international means for discussing and coordinating the development of important counterterrorism policies by the participating governments.

“(2) AUTHORITY.—The President is authorized to establish an international counterterrorism policy contact group with the leaders of governments referred to in paragraph (1) for the following purposes:

“(A) To meet annually, or more frequently as the President determines appropriate, to develop in common with such other governments important policies and a strategy that address the various components of international prosecution of the war on terrorism, including policies and a strategy that address military issues, law enforcement, the collection, analysis, and dissemination of intelligence, issues relating to interdiction of travel by terrorists, counterterrorism-related customs issues, financial issues, and issues relating to terrorist sanctuaries.

“(B) To address, to the extent (if any) that the President and leaders of other participating governments determine appropriate, long-term issues that can contribute to strengthening stability and security in the Middle East.”

“(2) CONTENTS OF INTERNATIONAL AGREEMENT.—The President should seek, as appropriate, the adoption or full implementation of effective international measures to—

“(I) whose identity is proven to the issuing authority;

“(II) who have a bona fide entitlement to or need for such documents; and

“(III) who are not issued such documents principally on account of a disproportional payment made by them or on their behalf to the issuing authority;

“(E) provide technical assistance to countries to help them fully implement such measures; and

“(F) permit immigration and border officials—

“(i) to confiscate a lost, stolen, or falsified passport at ports of entry;

“(ii) to permit the traveler to return to the sending country without being in possession of the lost, stolen, or falsified passport; and

“(iii) to detain and investigate such traveler upon the return of the traveler to the sending country.

EX. ORD. NO. 13584. DEVELOPING AN INTEGRATED STRATEGIC COUNTERTERRORISM COMMUNICATIONS INITIATIVE AND ESTABLISHING A TEMPORARY ORGANIZATION TO SUPPORT CERTAIN GOVERNMENT-WIDE COMMUNICATIONS ACTIVITIES DIRECTED ABROAD

Ex. Ord. No. 13584, Sept. 9, 2011, 76 F.R. 56945, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including section 2656 of title 22, United States Code, and section 3161 of title 5, United States Code, it is hereby ordered as follows:

SECTION 1. Policy. The United States is committed to actively countering the actions and ideologies of al-Qa’ida, its affiliates and adherents, other terrorist organizations, and violent extremists overseas that threaten the interests and national security of the United States. These efforts take many forms, but all contain a communications element and some use of communications strategies directed to audiences outside the United States to counter the ideology and activities of such organizations. These communications strategies focus not only on the violent actions and human costs of terrorism, but also on narratives that can positively influence those who may be susceptible to radicalization and recruitment by terrorist organizations.

The purpose of this Executive Order is to reinforce, integrate, and complement public communications efforts across the executive branch that are (1) focused on countering the actions and ideology of al-Qa’ida, its affiliates and adherents, and other international terrorist organizations and violent extremists overseas, and (2) directed to audiences outside the United States. This collaborative work among executive departments and agencies (agencies) brings together expertise, capabilities, and resources to realize efficiencies and better coordination of U.S. Government communications investments to combat terrorism and extremism.

SEC. 2. Assigned Responsibilities to the Center for Strategic Counterterrorism Communications.

(a) Under the direction of the Secretary of State (Secretary), the Center for Strategic Counterterrorism Communications (Center) that has been established in the Department of State by the Secretary shall coordinate, orient, and inform Government-wide public communications activities directed at audiences abroad

and targeted against violent extremists and terrorist organizations, especially al-Qa'ida and its affiliates and adherents, with the goal of using communication tools to reduce radicalization by terrorists and extremist violence and terrorism that threaten the interests and national security of the United States. Consistent with section 404o [now 3056] of title 50, United States Code, the Center shall coordinate its analysis, evaluation, and planning functions with the National Counterterrorism Center. The Center shall also coordinate these functions with other agencies, as appropriate.

Executive branch efforts undertaken through the Center shall draw on all agencies with relevant information or capabilities, to prepare, plan for, and conduct these communications efforts.

(b) To achieve these objectives, the Center's functions shall include:

(i) monitoring and evaluating narratives (overarching communication themes that reflect a community's identity, experiences, aspirations, and concerns) and events abroad that are relevant to the development of a U.S. strategic counterterrorism narrative designed to counter violent extremism and terrorism that threaten the interests and national security of the United States;

(ii) developing and promulgating for use throughout the executive branch the U.S. strategic counterterrorism narratives and public communications strategies to counter the messaging of violent extremists and terrorist organizations, especially al-Qa'ida and its affiliates and adherents;

(iii) identifying current and emerging trends in extremist communications and communications by al-Qa'ida and its affiliates and adherents in order to coordinate and provide thematic guidance to U.S. Government communicators on how best to proactively promote the U.S. strategic counterterrorism narrative and policies and to respond to and rebut extremist messaging and narratives when communicating to audiences outside the United States, as informed by a wide variety of Government and non-government sources, including nongovernmental organizations, academic sources, and finished intelligence created by the intelligence community;

(iv) facilitating the use of a wide range of communications technologies, including digital tools, by sharing expertise among agencies, seeking expertise from external sources, and extending best practices;

(v) identifying and requesting relevant information from agencies, including intelligence reporting, data, and analysis; and

(vi) identifying shortfalls in U.S. capabilities in any areas relevant to the Center's mission and recommending necessary enhancements or changes.

(c) The Secretary shall establish a Steering Committee composed of senior representatives of agencies relevant to the Center's mission to provide advice to the Secretary on the operations and strategic orientation of the Center and to ensure adequate support for the Center. The Steering Committee shall meet not less than every 6 months. The Steering Committee shall be chaired by the Under Secretary of State for Public Diplomacy. The Coordinator for Counterterrorism of the Department of State shall serve as Vice Chair. The Coordinator of the Center shall serve as Executive Secretary. The Steering Committee shall include one senior representative designated by the head of each of the following agencies: the Department of Defense, the Department of Justice, the Department of Homeland Security, the Department of the Treasury, the National Counterterrorism Center, the Joint Chiefs of Staff, the Counterterrorism Center of the Central Intelligence Agency, the Broadcast Board of Governors, and the Agency for International Development. Other agencies may be invited to participate in the Steering Committee at the discretion of the Chair.

SEC. 3. Establishment of a Temporary Organization.

(a) There is established within the Department of State, in accordance with section 3161 of title 5, United States Code, a temporary organization to be known as

the Counterterrorism Communications Support Office (CCSO).

(b) The purpose of the CCSO shall be to perform the specific project of supporting agencies in Government-wide public communications activities targeted against violent extremism and terrorist organizations, especially al-Qa'ida and its affiliates and adherents, to audiences abroad by using communication tools designed to counter violent extremism and terrorism that threaten the interests and national security of the United States.

(c) In carrying out its purpose set forth in subsection (b) of this section, the CCSO shall:

(i) support agencies in their implementation of whole-of-government public communications activities directed at audiences abroad, including by providing baseline research on characteristics of these audiences, by developing expertise and studies on aspirations, narratives, information strategies and tactics of violent extremists and terrorist organizations overseas, by designing and developing sustained campaigns on specific areas of interest to audiences abroad, and by developing expertise on implementing highly focused social media campaigns; and

(ii) perform such other functions related to the specific project set forth in subsection (b) of this section as the Secretary may assign.

(d) The CCSO shall be headed by a Director selected by the Secretary, with the advice of the Steering Committee. Its staff may include, as determined by the Secretary: (1) personnel with relevant expertise detailed on a non-reimbursable basis from other agencies; (2) senior and other technical advisers; and (3) such other personnel as the Secretary may direct to support the CCSO. To accomplish this mission, the heads of agencies participating on the Steering Committee shall provide to the CCSO, on a non-reimbursable basis, assistance, services, and other support including but not limited to logistical and administrative support and details of personnel. Non-reimbursable details shall be based on reasonable requests from the Secretary in light of the need for specific expertise, and after consultation with the relevant agency, to the extent permitted by law.

(e) The CCSO shall terminate at the end of the maximum period permitted by section 3161(a)(1) of title 5, United States Code, unless sooner terminated by the Secretary consistent with section 3161(a)(2) of such title.

SEC. 4. General Provisions.

(a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to an agency, or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

§ 2656a. Congressional declaration of findings of major significance of modern scientific and technological advances in foreign policy

The Congress finds that—

(1) the consequences of modern scientific and technological advances are of such major significance in United States foreign policy that understanding and appropriate knowledge of modern science and technology by officers and employees of the United States Government are essential in the conduct of modern diplomacy;

(2) many problems and opportunities for development in modern diplomacy lie in scientific and technological fields;

(3) in the formulation, implementation, and evaluation of the technological aspects of United States foreign policy, the United States Government should seek out and consult with both public and private industrial, academic, and research institutions concerned with modern technology; and

(4) the effective use of science and technology in international relations for the mutual benefit of all countries requires the development and use of the skills and methods of long-range planning.

(Pub. L. 95-426, title V, § 501, Oct. 7, 1978, 92 Stat. 982.)

§ 2656b. Congressional declaration of policy regarding consequences of science and technology on conduct of foreign policy

In order to maximize the benefits and to minimize the adverse consequences of science and technology in the conduct of foreign policy, the Congress declares the following to be the policy of the United States:

(1) Technological opportunities, impacts, changes, and threats should be anticipated and assessed, and appropriate measures should be implemented to influence such technological developments in ways beneficial to the United States and other countries.

(2) The mutually beneficial applications of technology in bilateral and multilateral agreements and activities involving the United States and foreign countries or international organizations should be recognized and supported as an important element of United States foreign policy.

(3) The United States Government should implement appropriate measures to insure that individuals are trained in the use of science and technology as an instrument in international relations and that officers and employees of the United States Government engaged in formal and informal exchanges of scientific and technical information, personnel, and hardware are knowledgeable in international affairs.

(4) In recognition of the environmental and technological factors that change relations among countries and in recognition of the growing interdependence between the domestic and foreign policies and programs of the United States, United States foreign policy should be continually reviewed by the executive and legislative branches of the Government to insure appropriate and timely application of science and technology to the conduct of United States foreign policy.

(5) Federally supported international science and technology agreements should be negotiated to ensure that—

(A) intellectual property rights are properly protected; and

(B) access to research and development opportunities and facilities, and the flow of scientific and technological information, are, to the maximum extent practicable, equitable and reciprocal.

(Pub. L. 95-426, title V, § 502, Oct. 7, 1978, 92 Stat. 982; Pub. L. 100-418, title V, § 5171(a), Aug. 23, 1988, 102 Stat. 1452.)

REFERENCES IN TEXT

[Section] 7120(b) of the 9/11 Commission Implementation Act of 2004, referred to in subsec. (b)(5), is section 7120(b) of Pub. L. 108–458, title VII, Dec. 17, 2004, 118 Stat. 3803, which is not classified to the Code.

AMENDMENTS

2004—Subsec. (a)(1). Pub. L. 108–458, §7102(d)(1), designated existing provisions as subpar. (A), redesignated former subpars. (A) to (C) as cls. (i) to (iii), respectively, of subpar. (A), and added subpar. (B).

Subsec. (a)(2). Pub. L. 108–487, §701(a)(1), inserted “any terrorist group known to have obtained or developed, or to have attempted to obtain or develop, weapons of mass destruction,” after “during the preceding five years,” and “any group designated by the Secretary as a foreign terrorist organization under section 1189 of title 8,” after “section 2405(j) of the Appendix to title 50”.

Subsec. (b)(1). Pub. L. 108–458, §7102(d)(2)(A)(i), substituted “subsection (a)(1)(A)” for “subsection (a)(1)” in introductory provisions.

Subsec. (b)(1)(C)(iv). Pub. L. 108–487, §701(a)(2)(A), added cl. (iv) and redesignated former cl. (iv) as (v).

L. 108–487, §701(a)(2)(B)(i), by substituting a semicolon for the period, was probably intended as an amendment to subpar. (F) of subsec. (b)(3) relating to report provisions with respect to subsec. (a)(2), as redesignated by Pub. L. 108–458, §7102(d)(2)(B), and Pub. L. 108–487, §701(a)(2)(B)(i), but could not be executed because of the amendment by Pub. L. 108–458, §7102(d)(2)(D). See below.

Subsec. (b)(3)(C) to (F). Pub. L. 108–487, §701(a)(2)(B)(i), (ii), which directed amendment of subsec. (b)(2) by adding subpar. (C) and redesignating former subpars. (C) to (E) as (D) to (F), respectively, was executed by making the amendment to subsec. (b)(3) relating to report provisions with respect to subsec. (a)(2) to reflect the probable intent of Congress and the redesignation of subsec. (b)(2) as (b)(3) by Pub. L. 108–458. See above.

Subsec. (b)(4). Pub. L. 108–487, §701(a)(2)(C), added par. (4) relating to analysis of trends in international terrorism.

TERRORIST SANCTUARIES

Pub. L. 108–458, title VII, §7102(a), (b), Dec. 17, 2004, 118 Stat. 3776, provided that:

“(a) FINDINGS.—Consistent with the report of the National Commission on Terrorist Attacks Upon the United States, Congress makes the following findings:

“(b) SENSE OF CONGRESS ON UNITED STATES POLICY ON TERRORIST SANCTUARIES.—It is the sense of Congress that it should be the policy of the United States—

“(1) to identify foreign countries that are being used as terrorist sanctuaries;

“(2) to assess current United States resources and tools being used to assist foreign governments to eliminate such sanctuaries;

“(3) to develop and implement a coordinated strategy to prevent terrorists from using such foreign countries as sanctuaries; and

“(4) to work in bilateral and multilateral fora to elicit the cooperation needed to identify and address terrorist sanctuaries that may exist today, but, so far, remain unknown to governments.”

§ 2659. State statutes to be procured

The Secretary of State shall procure from time to time such of the statutes of the several States as may not be in his office.

(R.S. § 206.)

CODIFICATION

R.S. § 206 derived from act Sept. 23, 1789, No. 3, 1 Stat. 97.

Section was formerly classified to section 161 of Title 5 prior to the general revision and enactment of Title 5, Government Organization and Employees, by Pub. L. 89-554, § 1, Sept. 6, 1966, 80 Stat. 378.

ABOLITION OF FUNCTIONS

Section 161 of former Title 5, Executive Departments and Government Officers and Employees [now this section], under which the Secretary of State was required to procure, from time to time, such of the statutes of the several States as might not be in his office, was affected by Reorg. Plan No. 20 of 1950, 2(a), eff. May 24, 1950, 15 F.R. 3178, 64 Stat. 1272, set out in Appendix to Title 5, Government Organization and Employees, which abolished such prescribed duty. Such section 2(a) further provided, however, that such abolition should not limit the authority of the Secretary of State to procure copies of such State statutes as may be needed in the performance of his functions.

§ 2660. Copies of treaties furnished to Public Printer

The Secretary of State shall furnish to the Public Printer a correct copy of every treaty between the United States and any foreign government as soon as possible after it has been duly ratified and has been proclaimed by the President; and also of every postal convention made between the United States Postal Service, by and with the advice and consent of the President, on the part of the United States and foreign countries, as soon as possible after copies of such conventions have been transmitted to him by the United States Postal Service.

(R.S. § 210; June 20, 1874, ch. 328, 18 Stat. 88; 1950 Reorg. Plan No. 20, § 1, eff. May 24, 1950, 15 F.R. 3178, 64 Stat. 1272; Pub. L. 91-375, § 4(a), Aug. 12, 1970, 84 Stat. 773.)

CODIFICATION

R.S. § 210 derived from acts Mar. 9, 1868, ch. 22, § 1, 15 Stat. 40; June 8, 1872, ch. 335, § 20, 17 Stat. 287.

Section was formerly classified to section 165 of Title 5 prior to the general revision and enactment of Title 5, Government Organization and Employees, by Pub. L. 89-554, § 1, Sept. 6, 1966, 80 Stat. 378.

Provisions of R.S. § 210, act June 20, 1874, and 1950 Reorg. Plan No. 20, cited as credits to this section, insofar as related to duty of Administrator of General Services to furnish to Public Printer a correct copy of every Act and joint resolution, as soon as possible after its approval by President, or after it has become a law in accordance with the Constitution without such approval, were classified to section 191a of former Title 44, Public Printing and Documents, prior to repeal and reenactment as section 710 of Title 44 by Pub. L. 90-620, which enacted Title 44. Section 2(a) of Pub. L. 90-620 provided that the legislative purpose in enacting Title

44 was to restate without substantive change the laws replaced by revised Title 44. Because revised section 710 of Title 44 did not restate those provisions of R.S. §210 and act June 20, 1874, which appear in this section, this section is not considered as having been repealed by section 3 of Pub. L. 90-620.

TRANSFER OF FUNCTIONS

§ 2664a. Protection of Civil Service employees

(a) Findings

The Congress finds that—

(1) the effectiveness and efficiency of the Department of State is dependent not only on the contribution of Foreign Service employees but equally on the contribution of the 42 percent of the Department's employees who are employed under the Civil Service personnel system;

(2) the contribution of these Civil Service employees has been overlooked in the management of the Department and greater equality of promotion, training, and career enhancement opportunities should be accorded to the Civil Service employees of the Department; and

(3) a goal of the Foreign Service Act of 1980 [22 U.S.C. 3901 et seq.] was to strengthen the contribution made by Civil Service employees of the Department of State by creating a cadre of experienced specialists and managers in the Department to provide essential continuity.

The Secretary of State shall take all appropriate steps to assure that the burden of cuts in the budget for the Department is not imposed disproportionately or inequitably upon its Civil Service employees.

(c) Establishment of Office of the Ombudsman for Civil Service Employees

There is established in the Office of the Secretary of State the position of Ombudsman for Civil Service Employees. The position of Ombudsman for Civil Service Employees shall be a career reserved position within the Senior Executive Service. The Ombudsman for Civil Service Employees shall report directly to the Secretary of State and shall have the right to participate in all Management Council meetings to assure that the ability of the Civil Service employees to contribute to the achievement of the Department's mandated responsibilities and the career interests of those employees are adequately represented. The position of Ombudsman for Civil Service Employees shall be designated from one of the Senior Executive Service positions (as defined in section 3132(a)(2) of title 5) in existence on December 22, 1987.

(d) "Civil Service employees" defined

For purposes of this section, the term "Civil Service employees" means employees of the Federal Government except for members of the Foreign Service (as defined in section 103 of the Foreign Service Act of 1980 [22 U.S.C. 3903]).

§ 2695. Administrative services

(a) Agreements

Whenever the head of any Federal agency performing any foreign affairs functions (including, but not limited to, the Department of State, the

Broadcasting Board of Governors, and the Agency for International Development) determines that administrative services performed in common by the Department of State and one or more other such agencies may be performed more advantageously and more economically on a consolidated basis, the Secretary of State and the heads of the other agencies concerned may, subject to the approval of the Director of the Office of Management and Budget, conclude an agreement which provides for the transfer to and consolidation within the Department or within one of the other agencies concerned of so much of the functions, personnel, property, records, and funds of the Department and of the other agencies concerned as may be necessary to enable the performance of those administrative services on a consolidated basis for the benefit of all agencies concerned. Agreements for consolidation of administrative services under this section shall provide for reimbursement or advances of funds from the agency receiving the service to the agency performing the service in amounts which will approximate the expense of providing administrative services for the serviced agency.

(b) Payment

(1) A Federal agency which obtains administrative services from the Department of State pursuant to an agreement authorized under subsection (a) of this section shall make full and prompt payment for such services through advance of funds or reimbursement.

(2) The Secretary of State shall bill each Federal agency for amounts due for services provided pursuant to subsection (a) of this section. The Secretary shall notify a Federal agency which has not made full payment for services within 90 days after billing that services to the agency will be suspended or terminated if full payment is not made within 180 days after the date of notification. Except as provided under paragraph (3), the Secretary shall suspend or terminate services to a Federal agency which has not made full payment for services under this section 180 days after the date of notification. Any costs associated with a suspension or termination of services shall be the responsibility of, and shall be billed to, the Federal agency.

(3) The Secretary of State may waive the requirement for suspension or termination under paragraph (2) with respect to such services as the Secretary determines are necessary to ensure the protection of life and the safety of United States Government property. A waiver may be issued for a period not to exceed one year and may be renewed.

Similar provisions were contained in the following prior appropriation act:

Pub. L. 104-134, title I, § 101[(a)] [title IV], Apr. 26, 1996, 110 Stat. 1321, 1321-36; renumbered title I, Pub. L. 104-140, § 1(a), May 2, 1996, 110 Stat. 1327.

§ 2696. Nondiscretionary personnel costs, currency fluctuations, and other contingencies

(a) Additional appropriations

There are authorized to be appropriated for the Department of State, in addition to amounts otherwise authorized to be appropriated for the Department, such sums as may be necessary for any fiscal year for increases in salary, pay, retirement, and other employee benefits authorized by law.

(b) Appropriations authorization based on currency fluctuations

(1) In order to maintain the levels of program activity for the Department of State provided

for each fiscal year by the annual authorizing legislation, there are authorized to be appropriated for the Department of State such sums as may be necessary to offset adverse fluctuations in foreign currency exchange rates, or overseas wage and price changes, which occur after November 30 of the earlier of—

(A) the calendar year which ended during the fiscal year preceding such fiscal year, or

(B) the calendar year which preceded the calendar year during which the authorization of appropriations for such fiscal year was enacted.

(2) In carrying out this subsection, there may be established a Buying Power Maintenance account.

(3) In order to eliminate substantial gains to the approved levels of overseas operations for the Department of State, the Secretary of State shall transfer to the Buying Power Maintenance account such amounts in any appropriation account under the heading "Administration of Foreign Affairs" as the Secretary determines are excessive to the needs of the approved level of operations under that appropriation account because of fluctuations in foreign currency exchange rates or changes in overseas wages and prices.

(4) In order to offset adverse fluctuations in foreign currency exchange rates or overseas wage and price changes, the Secretary of State may transfer from the Buying Power Maintenance account to any appropriation account under the heading "Administration of Foreign Affairs" such amounts as the Secretary determines are necessary to maintain the approved level of operations under that appropriation account.

(5) Funds transferred by the Secretary of State from the Buying Power Maintenance account to another account shall be merged with and be available for the same purpose, and for the same time period, as the funds in that other account. Funds transferred by the Secretary from another account to the Buying Power Maintenance account shall be merged with the funds in the Buying Power Maintenance account and shall be available for the purposes of that account until expended.

(6) Any restriction contained in an appropriation Act or other provision of law limiting the amounts available for the Department of State that may be obligated or expended shall be deemed to be adjusted to the extent necessary to offset the net effect of fluctuations in foreign currency exchange rates or overseas wage and price changes in order to maintain approved levels.

(7)(A) Subject to the limitations contained in this paragraph, not later than the end of the fifth fiscal year after the fiscal year for which funds are appropriated or otherwise made available for an account under "Administration of Foreign Affairs", the Secretary of State may transfer any unobligated balance of such funds to the Buying Power Maintenance account.

(B) The balance of the Buying Power Maintenance account may not exceed \$100,000,000 as a result of any transfer under this paragraph.

(C) Any transfer pursuant to this paragraph shall be treated as a reprogramming of funds

under section 2706 of this title and shall be available for obligation or expenditure only in accordance with the procedures under such section.

(D) The authorities contained in this paragraph may be exercised only with respect to funds appropriated or otherwise made available after fiscal year 2008.

(c) Availability of appropriations until expended

Amounts authorized to be appropriated for a fiscal year for the Department of State or to the Secretary of State are authorized to be made available until expended.

(d) Accounts subject to percentage limitation

(1) Subject to paragraphs (2) and (3), funds authorized to be appropriated for any account of the Department of State in the Department of State Appropriations Act, for either fiscal year of any two-year authorization cycle may be appropriated for such fiscal year for any other account of the Department of State.

(2) Amounts appropriated for the "Diplomatic and Consular Programs" account may not exceed by more than 5 percent the amount specifically authorized to be appropriated for such account for a fiscal year. No other appropriations account may exceed by more than 10 percent the amount specifically authorized to be appropriated for such account for a fiscal year.

(3) The requirements and limitations of section 2680 of this title shall not apply to the appropriation of funds pursuant to this subsection.

(e) Availability of funds for twelve-month contracts to be performed in two fiscal years

Amounts authorized to be appropriated for a fiscal year for the Department of State or to the Secretary of State are authorized to be obligated for twelve-month contracts which are to be performed in two fiscal years, if the total amount for such contracts is obligated in the earlier fiscal year.

§ 2702. Malpractice protection

(a) Exclusiveness of designated remedies

The remedy—

(1) against the United States provided by sections 1346(b) and 2672 of title 28, or

(2) through proceedings for compensation or other benefits from the United States as provided by any other law, where the availability of such benefits precludes a remedy under such sections,

for damages for personal injury, including death, allegedly arising from malpractice or negligence of a physician, dentist, nurse, pharmacist, or paramedical (including medical and dental assistants and technicians, nursing assistants, and therapists) or other supporting personnel of the Department of State in furnishing medical care or related services, including the conducting of clinical studies or investigations, while in the exercise of his or her duties in or for the Department of State or any other Federal department, agency, or instrumentality shall be exclusive of any other civil action or proceeding by reason of the same subject matter against such physician, dentist, nurse, pharmacist, or paramedical or other supporting personnel (or his or her estate) whose act or omission gave rise to such claim.

(b) Defense of civil actions by United States; delivery of process; furnishing of copies of pleadings

The United States Government shall defend any civil action or proceeding brought in any court against any person referred to in sub-

section (a) of this section (or his or her estate) for any such damage or injury. Any such person against whom such civil action or proceeding is brought shall deliver, within such time after date of service or knowledge of service as may be determined by the Attorney General, all process served upon him or her or an attested true copy thereof to whomever was designated by the Secretary to receive such papers. Such person shall promptly furnish copies of the pleading and process therein to the United States attorney for the district embracing the place wherein the proceeding is brought, to the Attorney General, and to the Secretary.

(c) Removal of actions; remand or dismissal; suspension of limitations

Upon a certification by the Attorney General that the defendant was acting within the scope of his or her employment in or for the Department of State or any other Federal department, agency, or instrumentality at the time of the incident out of which the suit arose, any such civil action or proceeding commenced in a State court shall be removed without bond at any time before trial by the Attorney General to the district court of the United States of the district and division embracing the place wherein it is pending and the proceeding deemed a tort action brought against the United States under the provisions of title 28, and all references thereto. Should a United States district court determine on a hearing on a motion to remand held before a trial on the merits that the case so removed is one in which a remedy by suit within the meaning of subsection (a) of this section is not available against the United States, the case shall be remanded to the State court except that where such remedy is precluded because of the availability of a remedy through proceedings for compensation or other benefits from the United States as provided by any other law, the case shall be dismissed, but in that event, the running of any limitation of time for commencing, or filing an application or claim in, such proceedings for compensation or other benefits shall be deemed to have been suspended during the pendency of the civil action or proceeding under this section.

(d) Compromise or settlement of claims

The Attorney General may compromise or settle any claim asserted in such civil action or proceeding in the manner provided in section 2677 of title 28, and with the same effect.

(e) Inapplicability of section 2680(h) of title 28

For purposes of this section, the provisions of section 2680(h) of title 28, shall not apply to any tort enumerated therein arising out of negligence in the furnishing of medical care or related services, including the conducting of clinical studies or investigations.

(f) Holding harmless or providing for liability insurance

The Secretary may, to the extent he deems appropriate, hold harmless or provide liability insurance for any person to whom the immunity provisions of subsection (a) of this section apply, for damages for personal injury, including death, negligently caused by any such person

while acting within the scope of his or her office or employment and as a result of the furnishing of medical care or related services, including the conducting of clinical studies or investigations, if such person is assigned to a foreign area or detailed for service with other than a Federal agency or institution, or if the circumstances are such as are likely to preclude the remedies of third persons against the United States provided by sections 1346(b) and 2672 of title 28, for such damage or injury.

(g) Medical care or related service within scope of employment

For purposes of this section, any medical care or related service covered by this section and performed abroad by a covered person at the direction or with the approval of the United States chief of mission or other principal representative of the United States in the area shall be deemed to be within the scope of employment of the individual performing the service.

§ 2703. Services and facilities for employees at posts abroad

(a) Non-Government-operated services; applicability of other provisions of law

The Secretary of State may authorize and assist in the establishment, maintenance, and operation by civilian officers and employees of the Government of non-Government-operated services and facilities at posts abroad, including the furnishing of space, utilities, and properties owned or leased by the Government for use by its diplomatic, consular, and other missions and posts abroad. The provisions of the Foreign Service Buildings Act, 1926 (22 U.S.C. 292-300) and section 2684 of this title may be utilized by the Secretary in providing such assistance.

(b) Emergency commissary and mess services

The Secretary may establish and maintain emergency commissary or mess services in places abroad where, in the judgment of the Secretary, such services are necessary temporarily to insure the effective and efficient performance of official duties and responsibilities. Reimbursements incident to the maintenance and operation of commissary or mess service under this subsection shall be at not less than cost as determined by the Secretary and shall be used as working funds, except that an amount equal to the amount expended for such services shall be covered into the Treasury as miscellaneous receipts.

(c) Availability; duplication of facilities and services

Services and facilities established under this section shall be made available, insofar as practicable, to officers and employees of all agencies

and their dependents who are stationed in the locality abroad, and, where determined by the Secretary to be appropriate due to exceptional circumstances, to United States citizens hired outside of the host country to serve as teaching staff for such dependents abroad. Such services and facilities shall not be established in localities where another agency operates similar services or facilities unless the Secretary determines that additional services or facilities are necessary. Other agencies shall to the extent practicable avoid duplicating the facilities and services provided or assisted by the Secretary under this section.

(d) Charges

Charges at any post abroad for a service or facility provided, authorized or assisted under this section shall be at the same rate for all civilian personnel of the Government serviced thereby, and all charges for supplies furnished to such a service or facility abroad by any agency shall be at the same rate as that charged by the furnishing agency to its comparable civilian services and facilities.

(e) Child care facilities

The Secretary of State may make grants to child care facilities, to offset in part the cost of such care, in Moscow and at no more than five other posts abroad where the Secretary determines that due to extraordinary circumstances such facilities are necessary to the efficient operation of the post. In making that determination, the Secretary shall take into account factors such as—

(1) whether Foreign Service spouses are encouraged to work at the post because—

(A) the number of members of the post is subject to a ceiling imposed by the receiving country; and

(B) Foreign Service nationals are not employed at the post; and

(2) whether local child care is available.

(e) Limitations and certification

(1) Maximum amount

No reward paid under this section may exceed \$25,000,000, except as personally authorized by the Secretary of State if he determines that offer or payment of an award of a larger amount is necessary to combat terrorism or defend the Nation against terrorist acts. Without first making such determination, the Secretary may authorize a reward of up to twice the amount specified in this paragraph for the capture or information leading to the capture of a leader of a foreign terrorist organization.

(2) Approval

A reward under this section of more than \$100,000 may not be made without the approval of the Secretary.

(3) Certification for payment

Any reward granted under this section shall be approved and certified for payment by the Secretary.

(4) Nondelegation of authority

If the Secretary determines that the identity of the recipient of a reward or of the members of the recipient's immediate family must be protected, the Secretary may take such measures in connection with the payment of the reward as he considers necessary to effect such protection.

(6) Forms of reward payment

The Secretary may make a reward under this section in the form of money, a nonmonetary item (including such items as automotive vehicles), or a combination thereof.

(1) Reports on payment of rewards

Not later than 30 days after the payment of any reward under this section, the Secretary shall submit a report to the appropriate congressional committees with respect to such reward. The report, which may be submitted in classified form if necessary, shall specify the amount of the reward paid, to whom the reward was paid, and the acts with respect to which the reward was paid. The report shall also discuss the significance of the information for which the reward was paid in dealing with those acts.

(2) Annual reports

(3) Advance notification for international criminal tribunal rewards

Not less than 15 days before publicly announcing that a reward may be offered for a particular foreign national accused of war crimes, crimes against humanity, or genocide, the Secretary of State shall submit to the appropriate congressional committees a report, which may be submitted in classified form if necessary, setting forth the reasons why the arrest or conviction of such foreign national is in the national interests of the United States.

(h) Publication regarding rewards offered by foreign governments

Notwithstanding any other provision of this section, in the sole discretion of the Secretary,

the resources of the rewards program shall be available for the publication of rewards offered by foreign governments regarding acts of international terrorism which do not involve United States persons or property or a violation of the narcotics laws of the United States.

(i) Media surveys and advertisements

(1) Surveys conducted

For the purpose of more effectively disseminating information about the rewards program, the Secretary may use the resources of the rewards program to conduct media surveys, including analyses of media markets, means of communication, and levels of literacy, in countries determined by the Secretary to be associated with acts of international terrorism.

(2) Creation and purchase of advertisements

The Secretary may use the resources of the rewards program to create advertisements to disseminate information about the rewards program. The Secretary may base the content of such advertisements on the findings of the surveys conducted under paragraph (1). The Secretary may purchase radio or television time, newspaper space, or make use of any other means of advertisement, as appropriate.

EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by section 827 of Pub. L. 103-236 effective 60 days after Apr. 30, 1994, see section 831 of Pub. L.

103-236, set out as an Effective Date note under section 6301 of this title.

RULE OF CONSTRUCTION

Pub. L. 112-283, § 5, Jan. 15, 2013, 126 Stat. 2494, provided that: “Nothing in this Act [amending this section and enacting provisions set out as notes under this section and section 2651 of this title] or the amendments made by this Act shall be construed as authorizing the use of activity precluded under the American Service-members’ Protection Act of 2002 (title II of Public Law 107-206; 22 U.S.C. 7421 et seq.)”

FINDINGS; SENSE OF CONGRESS

Pub. L. 112-283, § 2, Jan. 15, 2013, 126 Stat. 2492, provided that:

“(a) FINDINGS.—Congress makes the following findings:

“(1) The Department of State’s existing rewards programs permit the payment of reward for information leading to the arrest or conviction of—

“(A) individuals who have committed, or attempted or conspired to commit, certain acts of international terrorism;

“(B) individuals who have committed, or attempted or conspired to commit, certain narcotics-related offenses; and

“(C) individuals who have been indicted by certain international criminal tribunals.

“(2) The Department of State considers the rewards program to be ‘one of the most valuable assets the U.S. Government has in the fight against international terrorism’. Since the program’s inception in 1984, the United States Government has rewarded over 60 people who provided actionable information that, according to the Department of State, prevented international terrorist attacks or helped convict individuals involved in terrorist attacks.

“(3) The program has been credited with providing information in several high-profile cases, including the arrest of Ramzi Yousef, who was convicted in the 1993 bombing of the World Trade Center, the deaths of Uday and Qusay Hussein, who United States military forces located and killed in Iraq after receiving information about their locations, and the arrests or deaths of several members of the Abu Sayyaf group, believed to be responsible for the kidnappings and deaths of United States citizens and Filipinos in the Philippines.

“(b) SENSE OF CONGRESS.—It is the sense of Congress that the rewards program of the Department of State should be expanded in order to—

“(1) address the growing threat to important United States interests from transnational criminal activity, such as intellectual property rights piracy, money laundering, trafficking in persons, arms trafficking, and cybercrime; and

“(2) target other individuals indicted by international, hybrid, or mixed tribunals for genocide, war crimes, or crimes against humanity.”

(Aug. 1, 1956, ch. 841, title I, § 59, as added Pub. L. 108–332, § 5, Oct. 16, 2004, 118 Stat. 1284.)

FINDINGS

Pub. L. 108–332, § 2, Oct. 16, 2004, 118 Stat. 1282, provided that: “Congress makes the following findings:

“(1) Acts of anti-Semitism in countries throughout the world, including some of the world’s strongest democracies, have increased significantly in frequency and scope over the last several years.

“(2) During the last 3 months of 2003 and the first 3 months of 2004, there were numerous instances of anti-Semitic violence around the world, including the following incidents:

“(A) In Putrajaya, Malaysia, on October 16, 2003, former Prime Minister Mahatir Mohammad told the 57 national leaders assembled for the Organization of the Islamic Conference that Jews ‘rule the world by proxy’, and called for a ‘final victory’ by the world’s 1.3 billion Muslims, who, he said, ‘cannot be defeated by a few million Jews.’”

“(B) In Istanbul, Turkey, on November 15, 2003, simultaneous car bombs exploded outside two synagogues filled with worshippers, killing 24 people and wounding more than 250 people.

“(C) In Australia on January 5, 2004, poison was used to ignite, and burn anti-Semitic slogans into, the lawns of the Parliament House in the state of Tasmania.

“(D) In St. Petersburg, Russia, on February 15, 2004, vandals desecrated approximately 50 grave-stones in a Jewish cemetery, painting the stones with swastikas and anti-Semitic graffiti.

“(E) In Toronto, Canada, over the weekend of March 19 through March 21, 2004, vandals attacked a Jewish school, a Jewish cemetery, and area synagogues, painting swastikas and anti-Semitic slogans on the walls of a synagogue and on residential property in a nearby, predominantly Jewish, neighborhood.

“(F) In Toulon, France, on March 23, 2004, a Jewish synagogue and community center were set on fire.

“(3) Anti-Semitism in old and new forms is also increasingly emanating from the Arab and Muslim world on a sustained basis, including through books published by government-owned publishing houses in Egypt and other Arab countries.

“(4) In November 2002, state-run television in Egypt broadcast the anti-Semitic series entitled ‘Horseman Without a Horse’, which is based upon the fictitious conspiracy theory known as the Protocols of the Elders of Zion. The Protocols have been used throughout the last century by despots such as Adolf Hitler to justify violence against Jews.

“(5) In November 2003, Arab television featured an anti-Semitic series, entitled ‘Ash-Shatat’ (or ‘The Diaspora’), which depicts Jewish people hatching a plot for Jewish control of the world.

“(6) The sharp rise in anti-Semitic violence has caused international organizations such as the Organization for Security and Cooperation in Europe (OSCE) to elevate, and bring renewed focus to, the issue, including the convening by the OSCE in June 2003 of a conference in Vienna dedicated solely to the issue of anti-Semitism.

“(7) The OSCE convened a conference again on April 28–29, 2004, in Berlin, to address the problem of anti-Semitism with the United States delegation led by former Mayor of New York City, Ed Koch.

“(8) The United States Government has strongly supported efforts to address anti-Semitism through bilateral relationships and interaction with international organizations such as the OSCE, the European Union, and the United Nations.

“(9) Congress has consistently supported efforts to address the rise in anti-Semitic violence. During the 107th Congress, both the Senate and the House of Representatives passed resolutions expressing strong concern with the sharp escalation of anti-Semitic violence in Europe and calling on the Department of State to thoroughly document the phenomenon.

“(10) Anti-Semitism has at times taken the form of vilification of Zionism, the Jewish national movement, and incitement against Israel.”
