This section also amends 5 U.S.C. 8504 to eliminate certain provisions that are now obsolete. The obsolete provisions were based on section 542(b)(2) of the act of September 13, 1960, 74 Stat. 986, that amended section 1504 of the Social Security Act effective January 1, 1961, but only in the case of first claims filed before January 1, 1966. Any existing rights are preserved by section 7 of this bill.

AMENDMENTS

1976—Par. (3). Pub. L. 94-566 struck out par. (3) which covered the assignment to the Virgin Islands of the Federal service and Federal wages of Federal employees whose first claims were filed while residing in the Virgin Islands.

EFFECTIVE DATE OF 1976 AMENDMENT

Amendment by Pub. L. 94-566 applicable with respect to benefit years beginning on or after later of Oct. 1, 1976, or first day of first week for which compensation becomes payable under an unemployment compensation law of Virgin Islands which is approved by Secretary of Labor under section 3304(a) of Title 26, Internal Revenue Code, see section 116(f)(3), set out as a note under section 3304 of Title 26.

**§ 8505. Payments to States**

(a) Each State is entitled to be paid by the United States with respect to each individual whose base period wages included Federal wages an amount which shall bear the same ratio to

the total amount of compensation paid to such individual as the amount of his Federal wages in his base period bears to the total amount of his base period wages.

(b) Each State shall be paid, either in advance or by way of reimbursement, as may be determined by the Secretary of Labor, the sum that the Secretary estimates the State is entitled to receive under this subchapter for each calendar month. The sum shall be reduced or increased by the amount which the Secretary finds that his estimate for an earlier calendar month was greater or less than the sum which should have been paid to the State. An estimate may be made on the basis of a statistical, sampling, or other method agreed on by the Secretary and the State agency.

(c) The Secretary, from time to time, shall certify to the Secretary of the Treasury the sum payable to each State under this section. The Secretary of the Treasury, before audit or settlement by the Government Accountability Office, shall pay the State in accordance with the certification from the funds for carrying out the purposes of this subchapter.

(d) Money paid a State under this subchapter may be used solely for the purposes for which it is paid. Money so paid which is not used for these purposes shall be returned, at the time specified by the agreement, to the Treasury of the United States and credited to current applicable appropriations, funds, or accounts from which payments to States under this subchapter may be made.

(e) An agreement may—

(1) require each State officer or employee who certifies payments or disburses funds under the agreement, or who otherwise participates in its performance, to give a surety bond to the United States in the amount the Secretary considers necessary; and

(2) provide for payment of the cost of the bond from funds for carrying out the purposes of this subchapter.

(f) In the absence of gross negligence or intent to defraud the United States, an individual designated by the Secretary, or designated under an agreement, as a certifying official is not liable for the payment of compensation certified by him under this subchapter.

(g) In the absence of gross negligence or intent to defraud the United States, a disbursing official is not liable for a payment by him under this subchapter if it was based on a voucher signed by a certifying official designated as provided by subsection (f) of this section.

(h) For the purpose of payments made to a State under subchapter III of chapter 7 of title 42, administration by a State agency under an agreement is deemed a part of the administration of the State unemployment compensation law.

(Pub. L. 89-554, Sept. 6, 1966, 80 Stat. 588; Pub. L. 94-566, title II, §214(a), Oct. 20, 1976, 90 Stat. 2678; Pub. L. 108-271, §8(b), July 7, 2004, 118 Stat. 814.)

In the first sentence of subsection (d), the word “may” is substituted for “shall” since the sentence does not direct the use of the money, rather it limits the purposes for which the money may be used.

In subsections (f) and (g), the word “official” is substituted for “officer” because of the definition of “officer” in section 2104.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

AMENDMENTS

2004—Subsec. (c). Pub. L. 108-271 substituted “Government Accountability Office” for “General Accounting Office”.

1976—Subsec. (a). Pub. L. 94-566 substituted provisions that each State is entitled to be paid by the United States with respect to each individual whose base period wages included Federal wages an amount which shall bear the same ratio to the total amount of compensation paid to such individual as the amount of his Federal wages in his base period bears to the total amount of his base period wages for provisions that each State is entitled to be paid by the United States an amount equal to the additional cost to the State of payments of compensation in accordance with an agreement under this subchapter which would not have been made by the State but for the agreement.

EFFECTIVE DATE OF 1976 AMENDMENT

Amendment by Pub. L. 94-566 applicable with regard to compensation paid on the basis of claims for compensation filed on or after July 1, 1977, see section 214(c) of Pub. L. 94-566, set out as a note under section 8501 of this title.

§ 8506. Dissemination of information

(a) Each agency of the United States and each wholly or partially owned instrumentality of the United States shall make available to State agencies which have agreements under this subchapter, or to the Secretary of Labor, as the case may be, such information concerning the Federal service and Federal wages of a Federal employee as the Secretary considers practicable and necessary for the determination of the entitlement of the Federal employee to compensation under this subchapter. The information shall include the findings of the employing agency concerning—

- (1) whether or not the Federal employee has performed Federal service;
(2) the periods of Federal service;
(3) the amount of Federal wages; and
(4) the reasons for termination of Federal service.

The employing agency shall make the findings in the form and manner prescribed by regulations of the Secretary. The regulations shall include provision for correction by the employing agency of errors and omissions. This subsection does not apply with respect to Federal service and Federal wages covered by subchapter II of this chapter.

(b) The agency administering the unemployment compensation law of a State shall furnish the Secretary such information as he considers necessary or appropriate in carrying out this subchapter. The information is deemed the report required by the Secretary for the purpose of section 503(a)(6) of title 42.

(a) If a State agency, the Secretary of Labor, or a court of competent jurisdiction finds that an individual—

- (1) knowingly has made, or caused to be made by another, a false statement or representation of a material fact, or knowingly has failed, or caused another to fail, to disclose a material fact; and
- (2) as a result of that action has received an amount as compensation under this subchapter to which he was not entitled;

the individual shall repay the amount to the State agency or the Secretary. Instead of requiring repayment under this subsection, the State agency or the Secretary may recover the amount by deductions from compensation payable to the individual under this subchapter during the 2-year period after the date of the finding. A finding by a State agency or the Secretary may be made only after an opportunity for a fair hearing, subject to such further review as may be appropriate under sections 8502(d) and 8503(c) of this title.

(b) An amount repaid under subsection (a) of this section shall be—

- (1) deposited in the fund from which payment was made, if the repayment was to a State agency; or

§ 8509. Federal Employees Compensation Account

(a) The Federal Employees Compensation Account (as established by section 909 of the Social Security Act, and hereafter in this section referred to as the "Account") in the Unemployment Trust Fund (as established by section 904 of such Act) shall consist of—

- (1) funds appropriated to or transferred thereto, and
- (2) amounts deposited therein pursuant to subsection (c).

(b) Moneys in the Account shall be available only for the purpose of making payments to States pursuant to agreements entered into under this chapter and making payments of compensation under this chapter in States which do not have in effect such an agreement.

(c)(1) Each employing agency shall deposit into the Account amounts equal to the expenditures incurred under this chapter on account of Federal service performed by employees and former employees of that agency.

(2) Deposits required by paragraph (1) shall be made during each calendar quarter and the amount of the deposit to be made by any employing agency during any quarter shall be based on a determination by the Secretary of Labor as to the amounts of payments, made prior to such quarter from the Account based on Federal service performed by employees of such agency after December 31, 1980, with respect to which deposit has not previously been made. The amount to be deposited by any employing agency during any calendar quarter shall be adjusted to take account of any overpayment or underpayment of deposit during any previous quarter for which adjustment has not already been made.

(3) If any Federal agency does not deposit in the Federal Employees Compensation Account any amount before the date 30 days after the date on which the Secretary of Labor has notified such agency that it is required to so deposit

such amount, the Secretary of Labor shall notify the Secretary of the Treasury of the failure to make such deposit and the Secretary of the Treasury shall transfer such amount to the Federal Employees Compensation Account from amounts otherwise appropriated to such Federal agency.

(d) The Secretary of Labor shall certify to the Secretary of the Treasury the amount of the deposit which each employing agency is required to make to the Account during any calendar quarter, and the Secretary of the Treasury shall notify the Secretary of Labor as to the date and amount of any deposit made to such Account by any such agency.

(e) Prior to the beginning of each fiscal year (commencing with the fiscal year which begins October 1, 1981) the Secretary of Labor shall estimate—

- (1) the amount of expenditures which will be made from the Account during such year, and
- (2) the amount of funds which will be available during such year for the making of such expenditures,

and if, on the basis of such estimate, he determines that the amount described in paragraph (2) is in excess of the amount necessary—

- (3) to meet the expenditures described in paragraph (1), and
- (4) to provide a reasonable contingency fund so as to assure that there will, during all times in such year, be sufficient sums available in the Account to meet the expenditures described in paragraph (1),

he shall certify the amount of such excess to the Secretary of the Treasury and the Secretary of the Treasury shall transfer, from the Account to the general fund of the Treasury, an amount equal to such excess.

(f) The Secretary of Labor is authorized to establish such rules and regulations as may be necessary or appropriate to carry out the provisions of this section.

(g) Any funds appropriated after the establishment of the Account, for the making of payments for which expenditures are authorized to be made from moneys in the Account, shall be made to the Account; and there are hereby authorized to be appropriated to the Account, from time to time, such sums as may be necessary to assure that there will, at all times, be sufficient sums available in the Account to meet the expenditures authorized to be made from moneys therein.

(h) For purposes of this section, the term "Federal service" includes Federal service as defined in section 8521(a).
