A 21ST CENTURY STRATEGY FOR AMERICA’S GREAT OUTDOORS

Memorandum of President of the United States, Apr. 16, 2010, 75 F.R. 20767, provided:

Memorandum for the Secretary of the Interior[,] the Secretary of Agriculture[,] the Administrator of the Environmental Protection Agency[, and] the Chair of the Council on Environmental Quality

Americans are blessed with a vast and varied natural heritage. From mountains to deserts and from sea to shining sea, America’s great outdoors have shaped the rugged independence and sense of community that define the American spirit. Our working landscapes, cultural sites, parks, coasts, wild lands, rivers, and streams are gifts that we have inherited from previous generations. They are the places that offer us refuge from daily demands, renew our spirits, and enhance our fondest memories, whether they are fishing with a grandchild in a favorite spot, hiking a trail with a friend, or enjoying a family picnic in a neighborhood park. They also are our farms, ranches, and forests—the working lands that have fed and sustained us for generations. Americans take pride in these places, and share a responsibility to preserve them for our children and grandchildren.

Today, however, we are losing touch with too many of the places and proud traditions that have helped to make America special. Farms, ranches, forests, and other valuable natural resources are disappearing at an alarming rate. Families are spending less time together enjoying their natural surroundings. Despite our conservation efforts, too many of our fields are becoming fragmented, too many of our rivers and streams are becoming polluted, and we are losing our connection to the parks, wild places, and open spaces we grew up with and cherish. Children, especially, are spending less time outside running and playing, fishing and hunting, and connecting to the outdoors just down the street or outside of town.

Across America, communities are uniting to protect the places they love, and developing new approaches to saving and enjoying the outdoors. They are bringing together farmers and ranchers, land trusts, recreation and conservation groups, sportsmen, community park groups, governments and industry, and people from all over the country to develop new partnerships and innovative programs to protect and restore our outdoors legacy. However, these efforts are often scattered and sometimes insufficient. The Federal Government, the Nation’s largest land manager, has a responsibility to engage with these partners to help develop a conservation agenda worthy of the 21st Century. We must look to the private sector and nonprofit organizations, as well as towns, cities, and States, and the people who live and work in them, to identify the places that mean the most to Americans, and leverage the support of the

Federal Government to help these community-driven efforts to succeed. Through these partnerships, we will work to connect these outdoor spaces to each other, and to reconnect Americans to them.

For these reasons, it is hereby ordered as follows:

SECTION 1. *Establishment.*

(a) There is established the America’s Great Outdoors Initiative (Initiative), to be led by the Secretaries of the Interior and Agriculture, the Administrator of the Environmental Protection Agency, and the Chair of the Council on Environmental Quality (CEQ) and implemented in coordination with the agencies listed in section 2(b) of this memorandum. The Initiative may include the heads of other executive branch departments, agencies, and offices (agencies) as the President may, from time to time, designate.

(b) The goals of the Initiative shall be to:

(i) Reconnect Americans, especially children, to America’s rivers and waterways, landscapes of national significance, ranches, farms and forests, great parks, and coasts and beaches by exploring a variety of efforts, including:

(A) promoting community-based recreation and conservation, including local parks, greenways, beaches, and waterways;

(B) advancing job and volunteer opportunities related to conservation and outdoor recreation; and

(C) supporting existing programs and projects that educate and engage Americans in our history, culture, and natural bounty.

(ii) Build upon State, local, private, and tribal priorities for the conservation of land, water, wildlife, historic, and cultural resources, creating corridors and connectivity across these outdoor spaces, and for enhancing neighborhood parks; and determine how the Federal Government can best advance those priorities through public private partnerships and locally supported conservation strategies.

(iii) Use science-based management practices to restore and protect our lands and waters for future generations.

SEC. 2. *Functions.* The functions of the Initiative shall include:

(a) *Outreach.* The Initiative shall conduct listening and learning sessions around the country where land and waters are being conserved and community parks are being established in innovative ways. These sessions should engage the full range of interested groups, including tribal leaders, farmers and ranchers, sportsmen, community park groups, foresters, youth groups, businesspeople, educators, State and local governments, and recreation and conservation groups. Special attention should be given to bringing young Americans into the conversation. These listening sessions will inform the reports required in subsection (c) of this section.

(b) *Interagency Coordination.* The following agencies shall work with the Initiative to identify existing resources and align policies and programs to achieve its goals:

- (i) the Department of Defense;
- (ii) the Department of Commerce;
- (iii) the Department of Housing and Urban Development;
- (iv) the Department of Health and Human Services;
- (v) the Department of Labor;
- (vi) the Department of Transportation;
- (vii) the Department of Education; and
- (viii) the Office of Management and Budget (OMB).

(c) *Reports.* The Initiative shall submit, through the Chair of the CEQ, the following reports to the President:

(i) Report on America’s Great Outdoors. By November 15, 2010, the Initiative shall submit a report that includes the following:

(A) a review of successful and promising nonfederal conservation approaches;

(B) an analysis of existing Federal resources and programs that could be used to complement those approaches;

(C) proposed strategies and activities to achieve the goals of the Initiative; and

(D) an action plan to meet the goals of the Initiative.

The report should reflect the constraints in resources available in, and be consistent with, the Federal budget. It should recommend efficient and effective use of existing resources, as well as opportunities to leverage nonfederal public and private resources and nontraditional conservation programs.

(ii) Annual reports. By September 30, 2011, and September 30, 2012, the Initiative shall submit reports on its progress in implementing the action plan developed pursuant to subsection (c)(i)(D) of this section.

SEC. 3. *General Provisions.*

(a) This memorandum shall be implemented consistent with applicable law and subject to the availability of any necessary appropriations.

(b) This memorandum does not create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(c) The heads of executive departments and agencies shall assist and provide information to the Initiative, consistent with applicable law, as may be necessary to carry out the functions of the Initiative. Each executive department and agency shall bear its own expenses of participating in the Initiative.

(d) Nothing in this memorandum shall be construed to impair or otherwise affect the functions of the Director of the OMB relating to budgetary, administrative, or legislative proposals.

(e) The Chair of the CEQ is authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

All areas designated pursuant to Sections 1 and 2 of this Order shall be so posted prior to the beginning of the recreation season or as soon as practicable following designation. No recreation user fee established pursuant to this Order shall be effective with respect to any designated area until that designated area has been posted.

SEC. 5. *Establishment of fees.* (a) Each official described in Section 1(b) of this Order shall, subject to the criteria prescribed by the Secretary of the Interior, establish a recreation user fee for each designated area administered under his jurisdiction by selecting from a schedule of fees, prescribed by the Secretary of the Interior pursuant to Section 6 of this Order, the fee which is appropriate for each such designated area under criteria prescribed by the Secretary pursuant to that section. Each such official shall also specify which designated areas shall be excluded from the coverage of the annual fee described in Section 2(a)(1) of the Act [former 16 U.S.C. 4601-5(a)(i)] and which, as a result of that exclusion will be subject to the fee described in Section 2(a)(iii) of the Act [former 16 U.S.C.

460l-5(a)(iii)]. The range of recreation user fees to be charged and the criteria for their selection shall be established under the procedures prescribed by Section 6 of this Order.

(b) The Secretary of the Interior shall prescribe the procedures for the production, distribution, and sale of the Land and Water Conservation Fund Sticker, which shall be issued to those individuals who elect to pay the annual fees. The Secretary of the Interior shall also prescribe the manner in which the Sticker shall be displayed. The conditions under which it may be used shall be determined under the procedures prescribed by Section 6 of this Order.

SEC. 6. *Coordination.* (a) The Secretary of the Interior shall after consultation with the heads of other affected departments and agencies, adopt such coordination measures as are necessary to carry out the purposes of Sections 2(a) and 4(a) of the Act [former 16 U.S.C. 460l-5(a), 460l-7(a)] and the provisions of this order.

(b)(1) In order that the purposes of the Act and of this Order may be effectuated without delay, the Secretary of the Interior shall, subject to the limitations imposed by the Act and without regard to the other provisions of this section, forthwith issue a schedule of recreation user fees and criteria to be used in determining which such fees shall be charged with respect to each of the designated areas.

(2) Subject to the limitations imposed by the Act and subject to the provisions of subsections (a), (c), and (d) of this section, the Secretary of the Interior may, from time to time, amend or replace the schedule of fees and the criteria prescribed by him pursuant to subsection (b)(1) of this section.

(c) Subject to the limits set forth in the Act, the measures which the Secretary of the Interior may adopt pursuant to subsection (a) of this section may include, but are not limited to, the following—

(1) Initial preparation and coordination of the comprehensive statement of estimated requirements during the ensuing fiscal year for appropriations from the Land and Water Conservation Fund, as required by Section 4(a) of the act [former 16 U.S.C. 460l-7(a)].

(2) Development of such additional procedures and interpretive materials as are necessary to facilitate the implementation of this Order and related provisions of the Act.

(3) Review and revision, if needed, of the criteria for designation set forth in Section 3 of this Order.

(d) Except with respect to the schedule of fees and the criteria prescribed by the Secretary pursuant to subsection (b)(1) of this section, measures and regulations adopted by the Secretary pursuant to this Order shall not become effective until 30 days after they are presented for the consideration of the other officials described in Section 1(b). Any such official who does not concur in any such measure or regulation may, within that 30-day period, refer the matter to the Recreation Advisory Council established under Executive Order No. 11017 [superseded by Ex. Ord. No. 11278, which in turn was revoked by Ex. Ord. No. 11472, which is set out as a note under section 4321 of Title 42, The Public Health and Welfare] for resolution. If a proposed measure is referred to the Council for resolution, it shall not become effective until approved by the Council. With the approval of all other officials described in Section 1(b) of this Order, the provisions of this subsection may be waived with respect to any specific measure or regulation adopted by the Secretary of the Interior pursuant to this order so that any such measure or regulation may be made effective before the expiration of the 30-day waiting period prescribed by the first sentence of this subsection.

SEC. 7. *Review of contracts.* The officials described in Section 1(b) of this Order shall, within a reasonable time, review all existing contracts and other arrangements between their respective agencies and any non-Federal public entity which relate to non-Federal management of Federally-owned outdoor recreation areas. Special attention shall be given to any provision in any

such contract or other arrangement which prohibits or discourages in any way such non-Federal public entity from charging recreation user fees. Unless otherwise prohibited by law, each such restrictive provision shall be the subject of renegotiation designed to accomplish a modification thereof that will permit the charging of recreation user fees.

SEC. 8. *Regulations.* The Secretary of the Interior is authorized to issue such regulations as may be necessary to carry out his functions under this Order.

§ 200305. Financial assistance to States

(a) **AUTHORITY OF SECRETARY TO MAKE PAYMENTS.**—The Secretary may provide financial assistance to the States from amounts available for State purposes. Payments may be made to the States by the Secretary as provided in this section, subject to such terms and conditions as the Secretary considers appropriate and in the public interest to carry out the purposes of this chapter, for outdoor recreation:

- (1) Planning.
- (2) Acquisition of land, water, or interests in land or water.
- (3) Development.

(b) APPORTIONMENT AMONG STATES.—Amounts appropriated and available for State purposes for each fiscal year shall be apportioned among the States by the Secretary, whose determination shall be final, in accordance with the following formula:

(1) Forty percent of the 1st \$225,000,000; 30 percent of the next \$275,000,000; and 20 percent of all additional appropriations shall be apportioned equally among the States.

(2) At any time, the remaining appropriation shall be apportioned on the basis of need to individual States by the Secretary in such amounts as in the Secretary's judgment will best accomplish the purposes of this chapter. The determination of need shall include consideration of—

(A) the proportion that the population of each State bears to the total population of the United States;

(B) the use of outdoor recreation resources of each State by persons from outside the State; and

(C) the Federal resources and programs in each State.

(3) The total allocation to a State under paragraphs (1) and (2) shall not exceed 10 percent of the total amount allocated to all of the States in any one year.

(4) The Secretary shall notify each State of its apportionments. The amounts shall be available for payment to the State for planning, acquisition, or development projects as prescribed. Any amount of any apportionment that has not been paid or obligated by the Secretary during the fiscal year in which the notification is given and for 2 fiscal years thereafter shall be reapportioned by the Secretary in accordance with paragraph (2) without regard to the 10 percent limitation to an individual State specified in this subsection.

(5) For the purposes of paragraph (1), the District of Columbia, Puerto Rico, Guam, American Samoa, the Virgin Islands, and the Northern Mariana Islands shall be deemed to be one State, and shall receive shares of the apportionment in proportion to their populations.

(c) MATCHING REQUIREMENTS.—Payments to any State shall cover not more than 50 percent of the cost of planning, acquisition, or development projects that are undertaken by the State. The remaining share of the cost shall be borne by the State in a manner and with funds or services as shall be satisfactory to the Secretary.

(d) COMPREHENSIVE STATE PLAN.—

(1) REQUIRED FOR CONSIDERATION OF FINANCIAL ASSISTANCE.—A comprehensive statewide outdoor recreation plan shall be required prior to the consideration by the Secretary of financial assistance for acquisition or development projects. The plan shall be adequate if, in the judgment of the Secretary, it encompasses and will promote the purposes of this chapter. No plan shall be approved unless the chief executive official of the State certifies that ample

opportunity for public participation in plan development and revision has been accorded. The Secretary shall develop, in consultation with others, criteria for public participation, which criteria shall constitute the basis for the certification by the chief executive official. The plan shall contain—

(A) the name of the State agency that will have authority to represent and act for the State in dealing with the Secretary for purposes of this chapter;

(B) an evaluation of the demand for and supply of outdoor recreation resources and facilities in the State;

(C) a program for the implementation of the plan; and

(D) other necessary information, as determined by the Secretary.

(2) FACTORS TO BE CONSIDERED.—The plan shall take into account relevant Federal resources and programs and shall be correlated so far as practicable with other State, regional, and local plans. Where there exists or is in preparation for any particular State a comprehensive plan financed in part with funds supplied by the Secretary of Housing and Urban Development, any statewide outdoor recreation plan prepared for purposes of this part shall be based on the same population, growth, and other pertinent factors as are used in formulating plans financed by the Secretary of Housing and Urban Development.

(3) PROVISION OF ASSISTANCE WHEN PLAN NOT OTHERWISE AVAILABLE OR TO MAINTAIN PLAN.—The Secretary may provide financial assistance to any State for projects for the preparation of a comprehensive statewide outdoor recreation plan when the plan is not otherwise available or for the maintenance of the plan.

(4) WETLANDS.—A comprehensive statewide outdoor recreation plan shall specifically address wetlands within the State as an important outdoor recreation resource as a prerequisite to approval, except that a revised comprehensive statewide outdoor recreation plan shall not be required by the Secretary, if a State submits, and the Secretary, acting through the Director, approves, as a part of and as an addendum to the existing comprehensive statewide outdoor recreation plan, a wetlands priority plan developed in consultation with the State agency with responsibility for fish and wildlife resources and consistent with the national wetlands priority conservation plan developed under section 301 of the Emergency Wetlands Resources Act of 1986 (16 U.S.C. 3921) or, if the national plan has not been completed, consistent with the provisions of that section.

(e) PROJECTS FOR LAND AND WATER ACQUISITION AND DEVELOPMENT OF BASIC OUTDOOR RECREATION FACILITIES.—

(1) IN GENERAL.—In addition to assistance for planning projects, the Secretary may provide financial assistance to any State for the types of projects described in paragraphs (2) and (3), or combinations of those projects, if the projects are in accordance with the State comprehensive plan.

(2) ACQUISITION OF LAND OR WATER.—

(A) IN GENERAL.—Under paragraph (1), the Secretary may provide financial assistance for a project for the acquisition of land, water, or an interest in land or water, or a wetland area or an interest in a wetland area, as identified in the wetlands provisions of the comprehensive plan (other than land, water, or an interest in land or water acquired from the United States for less than fair market value), but not including incidental costs relating to acquisition.

(B) RETENTION OF RIGHT OF USE AND OCCUPANCY.—When a State provides that the owner of a single-family residence may, at the owner's option, elect to retain a right of use and occupancy for not less than 6 months after the date of acquisition of the residence and the owner elects to retain such a right—

(i) the owner shall be deemed to have waived any benefits under sections 203 to 206 of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4623 to 4626); and

(ii) for the purposes of those sections the owner shall not be deemed to be a displaced person as defined in section 101 of that Act (42 U.S.C. 4601).

(3) DEVELOPMENT OF BASIC OUTDOOR RECREATION FACILITIES.—Under paragraph (1), the Secretary may provide financial assistance for a project for development of basic outdoor recreation facilities to serve the general public, including the development of Federal land under lease to States for terms of 25 years or more. No assistance shall be available under this chapter to enclose or shelter a facility normally used for an outdoor recreation activity, but the Secretary may permit local funding, not to exceed 10 percent of the total amount allocated to a State in any one year, to be used for construction of a sheltered facility for a swimming pool or ice skating rink in an area where the Secretary determines that the construction is justified by the severity of climatic conditions and the increased public use made possible by the construction.

(f) PAYMENTS.—

(1) CRITERIA FOR MAKING PAYMENTS.—The Secretary may make a payment to a State only for a planning, acquisition, or development project that is approved by the Secretary. The Secretary shall not make a payment for or on account of any project with respect to which financial assistance has been given or promised under any other Federal program or activity, and no financial assistance shall be given under any other Federal program or activity for or on account of any project with respect to which the assistance has been given or promised under this chapter. The Secretary may make payments from time to time in keeping with the rate of progress toward the satisfactory completion of a project. The approval of all projects and all payments, or any commitments relating thereto, shall be withheld until the Secretary receives appropriate written assurance from the State that the State has the ability and intention to finance its share of the cost of all

of the projects, and to operate and maintain by acceptable standards, at State expense, the properties or facilities acquired or developed for public outdoor recreation use.

(2) PAYMENT RECIPIENTS.—Payments for all projects shall be made by the Secretary to the chief executive official of the State or to a State official or agency designated by the chief executive official or by State law having authority and responsibility to accept and to administer funds paid under this section for approved projects. If consistent with an approved project, funds may be transferred by the State to a political subdivision or other appropriate public agency.

(3) CONVERSION TO OTHER THAN PUBLIC OUTDOOR RECREATION USE.—No property acquired or developed with assistance under this section shall, without the approval of the Secretary, be converted to other than public outdoor recreation use. The Secretary shall approve a conversion only if the Secretary finds it to be in accordance with the then-existing comprehensive statewide outdoor recreation plan and only on such conditions as the Secretary considers necessary to ensure the substitution of other recreation properties of at least equal fair market value and of reasonably equivalent usefulness and location. Wetland areas and interests therein as identified in the wetlands provisions of the comprehensive plan and proposed to be acquired as suitable replacement property within the same State that is otherwise acceptable to the Secretary, acting through the Director, shall be deemed to be of reasonably equivalent usefulness with the property proposed for conversion.

(4) REPORTS AND ACCOUNTING PROCEDURES.—No payment shall be made to any State until the State has agreed to—

(A) provide such reports to the Secretary in such form and containing such information as may be reasonably necessary to enable the Secretary to perform the Secretary's duties under this chapter; and

(B) provide such fiscal control and fund accounting procedures as may be necessary to ensure proper disbursement and accounting for Federal funds paid to the State under this chapter.

(g) RECORDS.—A recipient of assistance under this chapter shall keep such records as the Secretary shall prescribe, including records that fully disclose—

(1) the amount and the disposition by the recipient of the proceeds of the assistance;

(2) the total cost of the project or undertaking in connection with which the assistance is given or used; and

(3) the amount and nature of that portion of the cost of the project or undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(h) ACCESS TO RECORDS.—The Secretary, and the Comptroller General, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any records of the recipient that are pertinent to assistance received under this chapter.

(i) **PROHIBITION OF DISCRIMINATION.**—With respect to property acquired or developed with assistance from the Fund, discrimination on the basis of residence, including preferential reservation or membership systems, is prohibited except to the extent that reasonable differences in admission and other fees may be maintained on the basis of residence.

(j) **COORDINATION WITH FEDERAL AGENCIES.**—To ensure consistency in policies and actions under this chapter with other related Federal programs and activities and to ensure coordination of the planning, acquisition, and development assistance to States under this section with other related Federal programs and activities—

(1) the President may issue such regulations with respect thereto as the President considers desirable; and

(2) the assistance may be provided only in accordance with the regulations.

(k) **CAPITAL IMPROVEMENT AND OTHER PROJECTS TO REDUCE CRIME.**—

(1) **AVAILABILITY AND PURPOSE OF FUNDS.**—In addition to assistance for planning projects, and in addition to the projects identified in subsection (e), and from amounts appropriated out of the Violent Crime Reduction Trust Fund, the Secretary may provide financial assistance to the States, not to exceed \$15,000,000, for projects or combinations thereof for the purpose of making capital improvements and other measures to increase safety in urban parks and recreation areas, including funds to—

(A) increase lighting within or adjacent to public parks and recreation areas;

(B) provide emergency telephone lines to contact law enforcement or security personnel in areas within or adjacent to public parks and recreation areas;

(C) increase security personnel within or adjacent to public parks and recreation areas; and

(D) fund any other project intended to increase the security and safety of public parks and recreation areas.

(2) **ELIGIBILITY.**—In addition to the requirements for project approval imposed by this section, eligibility for assistance under this subsection shall depend on a showing of need. In providing funds under this subsection, the Secretary shall give priority to projects proposed for urban parks and recreation areas with the highest rates of crime and, in particular, to urban parks and recreation areas with the highest rates of sexual assault.

(3) **FEDERAL SHARE.**—Notwithstanding subsection (c), the Secretary may provide 70 percent improvement grants for projects undertaken by a State for the purposes described in this subsection.

CONGRESSIONAL STATEMENT OF PURPOSE; COMPLEMENTARY PROGRAM AUTHORIZATION; TERMS AND CONDITIONS

Pub. L. 95-625, title X, §1003, Nov. 10, 1978, 92 Stat. 3539; Pub. L. 103-322, title III, §§31501, 31505(b), Sept. 13, 1994, 108 Stat. 1888, 1890, provided that: “The purpose of this title [now 54 U.S.C. 200501 et seq.] is to authorize the Secretary [of the Interior] to establish an urban park and recreation recovery program which would provide Federal grants to economically hard-pressed communities specifically for the rehabilitation of critically needed recreation areas, facilities, and development of improved recreation programs. This program is intended to complement existing Federal programs such as the Land and Water Conservation Fund and Community Development Grant Programs by encouraging and stimulating local governments to revitalize their park and recreation systems and to make long-term commitments to continuing maintenance of these systems. Such assistance shall be subject to such terms and conditions as the Secretary considers appropriate and in the public interest to carry out the purposes of this title. It is further the purpose of this title to improve recreation facilities and expand recreation services in urban areas with a high incidence of crime and to help deter crime through the expansion of recreation opportunities for at-risk youth. It is the further purpose of this section [probably means title] to increase the security of urban parks and to promote collaboration between local agencies involved in parks and recreation, law enforcement, youth social services, and juvenile justice system.”

§ 200502. Federal assistance

(a) **ELIGIBILITY DETERMINED BY SECRETARY.**—Eligibility of general purpose local governments for assistance under this chapter shall be based on need as determined by the Secretary. The Secretary shall publish in the Federal Register a list of local governments eligible to participate in this program, to be accompanied by a discussion of criteria used in determining eligibility. Criteria shall be based on factors that the Secretary determines are related to deteriorated recreational facilities or systems and physical and economic distress.

(b) **ADDITIONAL ELIGIBLE GENERAL PURPOSE LOCAL GOVERNMENTS.**—In addition to eligible local governments established in accordance with subsection (a), the Secretary may establish eligibility, in accord with the findings and purpose of the Urban Park and Recreation Recovery Act of 1978 (Public Law 95-625, 92 Stat. 3538), of other general purpose local governments in metropolitan statistical areas as defined by the Director of the Office of Management and Budget.

(c) **PRIORITY CRITERIA FOR PROJECT SELECTION AND APPROVAL.**—

(1) **IN GENERAL.**—The Secretary shall establish priority criteria for project selection and approval that consider such factors as—

- (A) population;
- (B) condition of existing recreation areas and facilities;
- (C) demonstrated deficiencies in access to neighborhood recreation opportunities, particularly for minority and low- and moderate-income residents;
- (D) public participation in determining rehabilitation or development needs;
- (E) the extent to which a project supports or complements target activities undertaken

as part of a local government’s overall community development and urban revitalization program;

(F) the extent to which a proposed project would provide—

- (i) employment opportunities for minorities, youth, and low- and moderate-income residents in the project neighborhood;
- (ii) for participation of neighborhood, nonprofit, or tenant organizations in the proposed rehabilitation activity or in subsequent maintenance, staffing, or supervision of recreation areas and facilities; or
- (iii) both; and

(G) the amount of State and private support for a project as evidenced by commitments of non-Federal resources to project construction or operation.

(2) **AT-RISK YOUTH RECREATION GRANTS.**—For at-risk youth recreation grants, the Secretary shall give a priority to each of the following criteria:

(A) Programs that are targeted to youth who are at the greatest risk of becoming involved in violence and crime.

(B) Programs that teach important values and life skills, including teamwork, respect, leadership, and self-esteem.

(C) Programs that offer tutoring, remedial education, mentoring, and counseling in addition to recreation opportunities.

(D) Programs that offer services during late night or other nonschool hours.

(E) Programs that demonstrate collaboration between local park and recreation, juvenile justice, law enforcement, and youth social service agencies and nongovernmental entities, including the private sector and community and nonprofit organizations.

(F) Programs that leverage public or private recreation investments in the form of services, materials, or cash.

(G) Programs that show the greatest potential of being continued with non-Federal funds or that can serve as models for other communities.

(d) **LIMITATION OF FUNDS.**—Grants to discretionary applicants under subsection (b) may not be more than 15 percent of the total amount of funds appropriated under this chapter for rehabilitation grants, innovation grants, and recovery action program grants.

The Urban Park and Recreation Recovery Act of 1978 (Public Law 95-625, 92 Stat. 3538), referred to in subsec. (b), is title X of Pub. L. 95-625, Nov. 10, 1978, 92 Stat. 3538, which was classified generally to chapter 45 (§ 2501 et seq.) of Title 16, Conservation. The Act was substantially repealed and restated as this chapter by Pub. L. 113-287, §§ 3, 7, Dec. 19, 2014, 128 Stat. 3180, 3272. The findings and purposes of the Act are contained in sections 1002 and 1003 of the Act. Section 1002 was classified to section 2501 of Title 16 and was omitted from the Code. Section 1003 is set out as a note under section 200501 of this title. For complete classification of this Act to the Code, see Tables. For disposition of former sections of Title 16, see Disposition Table preceding section 100101 of this title.

§ 200503. Rehabilitation grants and innovation grants

(a) MATCHING GRANTS.—The Secretary may provide 70 percent matching rehabilitation grants and innovation grants directly to eligible general purpose local governments on the Secretary’s approval of applications for the grants by the chief executive officials of those governments.

(b) SPECIAL CONSIDERATIONS.—An innovation grant should be closely tied to goals, priorities, and implementation strategies expressed in local park and recreation recovery action programs, with particular regard to the special considerations listed in section 200504(c)(2) of this title.

(c) TRANSFER.—If consistent with an approved application, a grant recipient may transfer a rehabilitation grant or innovation grant in whole or in part to an independent special purpose local government, private nonprofit agency, or county or regional park authority if the assisted recreation area or facility owned or managed by the transferee¹ offers recreation opportunities to the general population within the jurisdictional boundaries of the grant recipient.

(d) PAYMENTS.—Payments may be made only for a rehabilitation project or innovation project that has been approved by the Secretary. Payments may be made from time to time in keeping with the rate of progress toward the satisfactory completion of the project, except that the Secretary, when appropriate, may make advance payments on an approved rehabilitation project or innovation project in an amount not to exceed 20 percent of the total project cost.

(e) MODIFICATION OF PROJECT.—The Secretary may authorize modification of an approved project only when a grant recipient adequately demonstrates that the modification is necessary because of circumstances not foreseeable at the time at which the project was proposed.

§ 200504. Recovery action programs

(a) EVIDENCE OF LOCAL COMMITMENT TO ONGOING PROGRAMS.—As a requirement for project approval, local governments applying for assistance under this chapter shall submit to the Secretary evidence of their commitments to ongoing planning, rehabilitation, service, operation, and maintenance programs for their park and recreation systems. These commitments will be expressed in local park and recreation recovery action programs that maximize coordination of all community resources, including other federally supported urban development and recreation programs. During an initial interim period to be established by regulations under this chapter, this requirement may be satisfied by local government submissions of preliminary action programs that briefly define objectives, priorities, and implementation strategies for overall system recovery and maintenance and commit the applicant to a scheduled program development process. Following this interim period, all local applicants shall submit to the Secretary, as a condition of eligibility, a 5-year action program for park and recreation recovery that satisfactorily demonstrates—

- (1) systematic identification of recovery objectives, priorities, and implementation strategies;
- (2) adequate planning for rehabilitation of specific recreation areas and facilities, including projections of the cost of proposed projects;
- (3) the capacity and commitment to ensure that facilities provided or improved under this chapter shall continue to be adequately maintained, protected, staffed, and supervised;
- (4) the intention to maintain total local public outlays for park and recreation purposes at levels at least equal to those in the year preceding that in which grant assistance is sought except in any case where a reduction in park and recreation outlays is proportionate to a reduction in overall spending by the applicant; and
- (5) the relationship of the park and recreation recovery program to overall community development and urban revitalization efforts.

(b) CONTINUING PLANNING PROCESS.—Where appropriate, the Secretary may encourage local governments to meet action program requirements through a continuing planning process that includes periodic improvements and updates in action program submissions to eliminate identified gaps in program information and policy development.

(c) SPECIAL CONSIDERATIONS.—Action programs shall address, but are not limited to—

- (1) rehabilitation of existing recreational areas and facilities, including—
 - (A) general systemwide renovation;
 - (B) special rehabilitation requirements for recreational areas and facilities in areas of high population concentration and economic distress; and
 - (C) restoration of outstanding or unique structures, landscaping, or similar features

in parks of historical or architectural significance; and

(2) local commitments to innovative and cost-effective programs and projects at the neighborhood level to augment recovery of park and recreation systems, including—

(A) recycling of abandoned schools and other public buildings for recreational purposes;

(B) multiple use of operating educational and other public buildings, purchase of recreation services on a contractual basis;

(C) use of mobile facilities and recreational, cultural, and educational programs or other innovative approaches to improving access for neighborhood residents;

(D) integration of recovery program with federally assisted projects to maximize recreational opportunities through conversion of abandoned railroad and highway rights of way, waterfront, and other redevelopment efforts and such other federally assisted projects as may be appropriate;

(E) conversion of recreation use of street space, derelict land, and other public land not now designated for neighborhood recreational use; and

(F) use of various forms of compensated and uncompensated land regulation, tax inducements, or other means to encourage the private sector to provide neighborhood park and recreation facilities and programs.

(d) PUBLICATION IN FEDERAL REGISTER.—The Secretary shall establish and publish in the Federal Register requirements for preparation, submission, and updating of local park and recreation recovery action programs.

(e) ELIGIBILITY FOR AT-RISK YOUTH RECREATION GRANTS.—To be eligible to receive at-risk youth recreation grants a local government shall amend its 5-year action program to incorporate the goal of reducing crime and juvenile delinquency and to provide a description of the implementation strategies to achieve this goal. The plan shall also address how the local government is coordinating its recreation programs with crime prevention efforts of law enforcement, juvenile corrections, and youth social service agencies.

(f) MATCHING RECOVERY ACTION PROGRAM GRANTS.—The Secretary may provide up to 50 percent matching recovery action program grants to eligible local governments for program development and planning specifically to meet the objectives of this chapter.
